

Vote Called on Municipal Light Plant

The City of Dimmitt will attempt to establish a municipal light and power company.

THE PLAN, which seems likely to spark into a hot issue in the next three weeks, was officially unveiled Monday night when the city commission called for a \$2.4 million bond election for Oct. 25 to start a utility company here in competition with Southwestern Public Service Co.

Public Service operates under a franchise, granted by the city,

but has no granted monopoly. The franchise term runs to 1984, with 2 percent of the company's gross revenue going to the city.

With the election date set at Oct. 25, Dimmitt voters have 19 more days to decide whether to authorize the new power company or turn thumbs down on the idea. Only property owning taxpayers who have been city residents six months or longer will be eligible to vote in the bond election.

Mayor George Bradford and

Commissioners Elmer Youts and Troy Kirby unanimously adopted the resolution Monday night to put the issue to a public vote.

A COPY of the resolution appears as a legal notice in this issue of the News.

City officials were mum about the light company project until Saturday, when they called their first meeting of business and civic leaders to reveal their plan.

However, they said Monday night they intend to give the issue

a full public airing before election day.

THE CITY commission has called a joint meeting of Lions, Rotary and Jaycee Clubs for next Thursday noon to discuss the project and hold a question-answer session. Thursday night city officials will meet with women's clubs and the general public for the same purpose.

"We welcome any questions and are willing to answer them," Youts said, "although our engi-

neers and bonding company are still working out some of the details."

Apparently, the commission's main reason for going after the municipal power system is to provide revenue to finance future city services and expansion.

"This is definitely the trend," City Manager E. B. Noble said. "Eighty-two Texas cities now operate their own municipal power companies, and it's providing good revenue for every one of

them, and is keeping their tax rates down."

Where would the proposed city power plant leave Southwestern Public Service Co. in the electrical utility market in Dimmitt?

"WE'RE NOT trying to put them out of business," Noble said. "We'd be going in alongside them. It would be up to the individual customer as to where he wanted to buy his electricity. The city rates would be competitive with those of Southwestern

Public Service Co."

Terms of the bond election prohibit a tax increase to pay for the proposed city utility company. The \$2.4 million in revenue bonds must be paid from electricity income, and can't legally be paid from tax funds. A clause in the city's resolution and election order spells this out.

Maximum on the bonds — also spelled out in the resolution — are a 30-year payoff term and 6 percent interest. However, Texas

statutes allow a 40-year term on revenue bonds.

AFTER BEING contacted by the city commission Monday night Noel Gollehon agreed to serve as judge of the Oct. 25 election, and Maurice Campbell consented to be alternate judge. A minimum of three election clerks will be appointed later.

The election will be held in the city hall, with city voter and tax rolls serving as guides on voters' eligibility.

Considerable comment has been heard around town since the soil conservation tour, conducted in the county last Friday, concerning the propriety of a candidate for political office appearing on a program conducted by a governmental agency.

★ THE SOIL conservation tour was conducted by the Running Water Soil Conservation District, a governmental subdivision created by federal and state law. In the telephone directory the Soil Conservation Office is listed under US government offices, which places it in the same category, politically, as any other governmental agency.

★ You would hardly expect a candidate for public office to appear on a program conducted by the Post Office Department, the Internal Revenue Service, or any other tax-supported agency.

Bob Price of Pampa, the Republican candidate for congressman from the 18th District, was a featured speaker, following the noon meal, on the formal program of the conservation tour agenda.

★ THERE IS no such thing as a non-political speech by a candidate for political office. No candidate, in the heat of a political campaign, would have time to travel long distances and appear on a program unless there were some advantages, real or imaginary, to be derived from the loss of time and effort.

★ Equal time cannot be offered or given to the other candidate in the race, Dee Miller, because only one tour is planned or scheduled.

★ Politics is a rough game and candidates can be expected to take advantage of every opportunity for public exposure, and no one can blame the candidate for appearing. He just should not have been asked.

Former Hart Resident Dies

Funeral services were held at 3 p.m. Tuesday in the First Methodist Church in Brownfield for Mrs. Flax Jones, 54, former Hart resident, who died late Sunday in Brownfield General Hospital after a lengthy illness.

Rev. Lee Crouch of Crosbyton, assisted by Rev. Alby Cockrell of the First Methodist Church of Brownfield, officiated. Burial was in Terry County Memorial Cemetery under the direction of Brownfield Funeral Home.

Mrs. Jones, widow of the late Earl Jones, first came to Brownfield in 1921 with her parents and attended school in the Union community. She moved to Hart in 1954 but returned to Brownfield in 1960 after the death of her husband.

She was employed as secretary of the Terry County Farm Bureau and was a member of the Methodist Church.

She is survived by a daughter, Marilyn, a student at South Plains Junior College in Levelland; two sisters, Mrs. Gay Price of Brownfield and Mrs. A. L. Allen of Fort Worth; and four brothers, Walter Luker of Portales, N.M., AND Dean, Bob and Raleigh Luker, all of Brownfield.

A number of friends from Hart attended the funeral.

Mr. and Mrs. Jones had been active members of the church while living in Hart. He was the choir director of First Methodist Church.

THIRTY NINTH YEAR DIMMITT, CASTRO COUNTY, TEXAS, THURSDAY, OCTOBER 6, 1966 14 PAGES — NUMBER 51

THE TALLEST CORN doesn't necessarily grow in Iowa. R. B. Haydon will put this 13 1/2-ft. stalk up against anything grown in the corn belt. He said this tall stalk is typical of an 80-acre block of Texas 30 variety he is harvesting on his Sunnyside farm. "It would take a tall Texan to pick this corn — it's eight feet to the ear," he said. Haydon has 800 acres of corn in all, and said it's averaging 24 to 28 tons of ensilage per acre, at 70 percent moisture.

Farmers Union to Act Oct. 15 On Seven Proposed Resolutions

The Castro County Farmers Union will consider seven resolutions at its annual convention and banquet at Nazareth Oct. 15.

PREPARED by the FU resolution committee, the policy statements concern grain sorghum, cotton, wheat, sugar beets, diverted acreage, tax credits and water.

On wheat and grain sorghum, the resolutions call for low reserves to keep market prices up; resale of Commodity Credit Corp. grain stocks at a minimum of 115 percent of the loan rate; 25 cent per bushel support payment on wheat; grain sorghum price supports on planted allotted acreage at the 1966 level; and reinstatement of barley as a feed grain.

The resolutions committee is recommending a \$1 per bale production fee on cotton.

IN A four-point resolution on sugar beets, the committee recommends retention of 1967 crop year acreage allotments; deletion of sugar beets from cultivated acreage totals; achievement of the target price intended in the Sugar Act of 1965; and an increase from 1,000 to 15,000 acres in the national reserve.

The FU's proposed resolution on water calls for "a complete and fair feasibility study on declining water from East Texas to West Texas for irrigation purposes, by prorating the benefits against the costs of the water."

Other resolutions call for continuation of the 7 percent investment tax credit on all farm machinery, and permission for farmers to raise soybeans and other oil seed crops on all diverted acres.

THOSE attending the annual banquet in the Nazareth Community Building Oct. 15 will vote to adopt or reject the seven proposed resolutions.

Speaker at the annual banquet will be Dee Miller, Democratic Amarillo.

Kids to Have Short Friday

All Dimmitt schools will turn out two hours early Friday — at 1:50 p.m. — so buses can make their runs before carrying students to the Dimmitt-Memphis football game.

Supt. Paul Hilburn said approximately 250 students will go to the Memphis game via bus.

Jumbo 4H's Choose Burks

Ronnie Burks is the new president of Lucky Jumbo 4H Club.

OTHERS elected at the recent meeting in the home of Mr. and Mrs. Charles Burks are Carolyn Simpson, vice-president; Betsy Simpson, secretary; Kathy Markly, reporter; Patty Simpson, council delegate; and Mickey Simpson, song leader.

Eighteen youths and adults attended the meeting.

Lubbock Visitors

Mrs. Ullys Davis and granddaughter Mary Sue Cluck visited Mrs. Ernest Harmon at Lubbock Monday. Mrs. Harmon is a former Dimmitt resident and is a sister of Mrs. Davis.

Teacher Shortage Isn't Just Local, Study Shows

The teacher shortage here isn't just a local problem — it's statewide.

TEXAS IS facing its worst teacher shortage in 25 years, according to survey results released Friday by the Texas State Teachers Association.

Charles H. Tennyson, TSTA executive secretary, said a need exists for 5,500 fully qualified teachers throughout the state.

The figure is based on survey returns from 82 percent of Texas' 1,303 school districts, and was determined by a two-question query:

1. "HOW MANY professional positions do you have vacant at the present time?"
2. "How many positions have you filled with teachers who are not fully qualified?"

Statewide, the answer to the first question was 1,092 vacancies.

On question two, survey results showed 4,400 teachers not fully qualified have been hired for positions that require certified teachers.

IN CASTRO County, two teacher vacancies exist — both in Dimmitt Public Schools.

Fifteen teachers have been hired in Castro County who are not fully certified. Supt. Paul Hilburn of Dimmitt reported three non-degree teachers and eight who are teaching on emergency certificates outside their curriculum fields. At Nazareth, Supt. John Slavik said three are teaching outside their curriculum fields.

Neither Hart nor Nazareth schools have any vacancies, though.

"WE HAD three vacancies, but we were able to fill one of them this week," Hilburn said. "We've applied for emergency teaching certificates for eight of our teachers, and we have three who don't yet have their degrees."

"We're very fortunate here in Hart," Bates said. "We have the fullest faculty and it's one of the best faculties we've ever had. Our only non-degree teacher had met his curriculum requirements but won't get his degree until this year."

Slavik reported that all Nazareth teachers have their degrees, with three teaching outside their curriculum fields. "However," he said, "these three are close to attaining their requirements for the second curriculum field. In some cases, these requirements have doubled since 1962."

R. G. Henderson Rites Conducted

Redlin Green Henderson, 79, a Hart retired farmer died Saturday at 9:10 a.m. in Plains Memorial Hospital in Dimmitt.

BORN IN Odessa July 10, 1887, Mr. Henderson moved to Hart in 1893 where he farmed until 1947. He was a member of the First Baptist Church of Hart.

Funeral services were conducted at 2:30 p.m. Monday in the First Baptist Church, with his former pastor, Rev. G. C. Applewhite of Amarillo Air Force Base officiating. Burial was in Hart Cemetery with Lemons Funeral Home in charge of arrangements.

Survivors are three sons, R. G. and Clifford of Hart and Charlie of Payson, Ariz.; eight daughters, Mrs. Everett Cole of Hart, with whom he made his home, Mrs. Anna Lou Huff of Lubbock, Mrs. Hershey Williams of Canyon, Mrs. Wendell Owen of Carlsbad, N.M., Mrs. T. E. Rainer of Plainview, Mrs. A. B. Stewart of Lubbock, Mrs. Clayton Jobe of Brownwood and Mrs. Ralph Williams of Ceres, Calif.; five sisters, Mrs. Mary Keller of Clovis, N.M.; Mrs. Ira McLain of Hart, Mrs. Leonard Kanady of Plainview, Mrs. Viola Shannon of Carlsbad and Mrs. Bill Collins of Redlands, Calif.; 35 grandchildren and 11 great grandchildren.

His wife of 42 years, the former Frankie Slover of Tahoka, preceded him in death in January, 1958. A son, Frank, died in 1945.

PALLBEARERS were M. G. Keller of Earth, Bill Keller of Dimmitt, Harley Shannon of Lubbock, Laurence McLain and Larry Henderson of Hart, Ronald and Billy Henderson of Dimmitt and Roy Henderson of Amarillo.

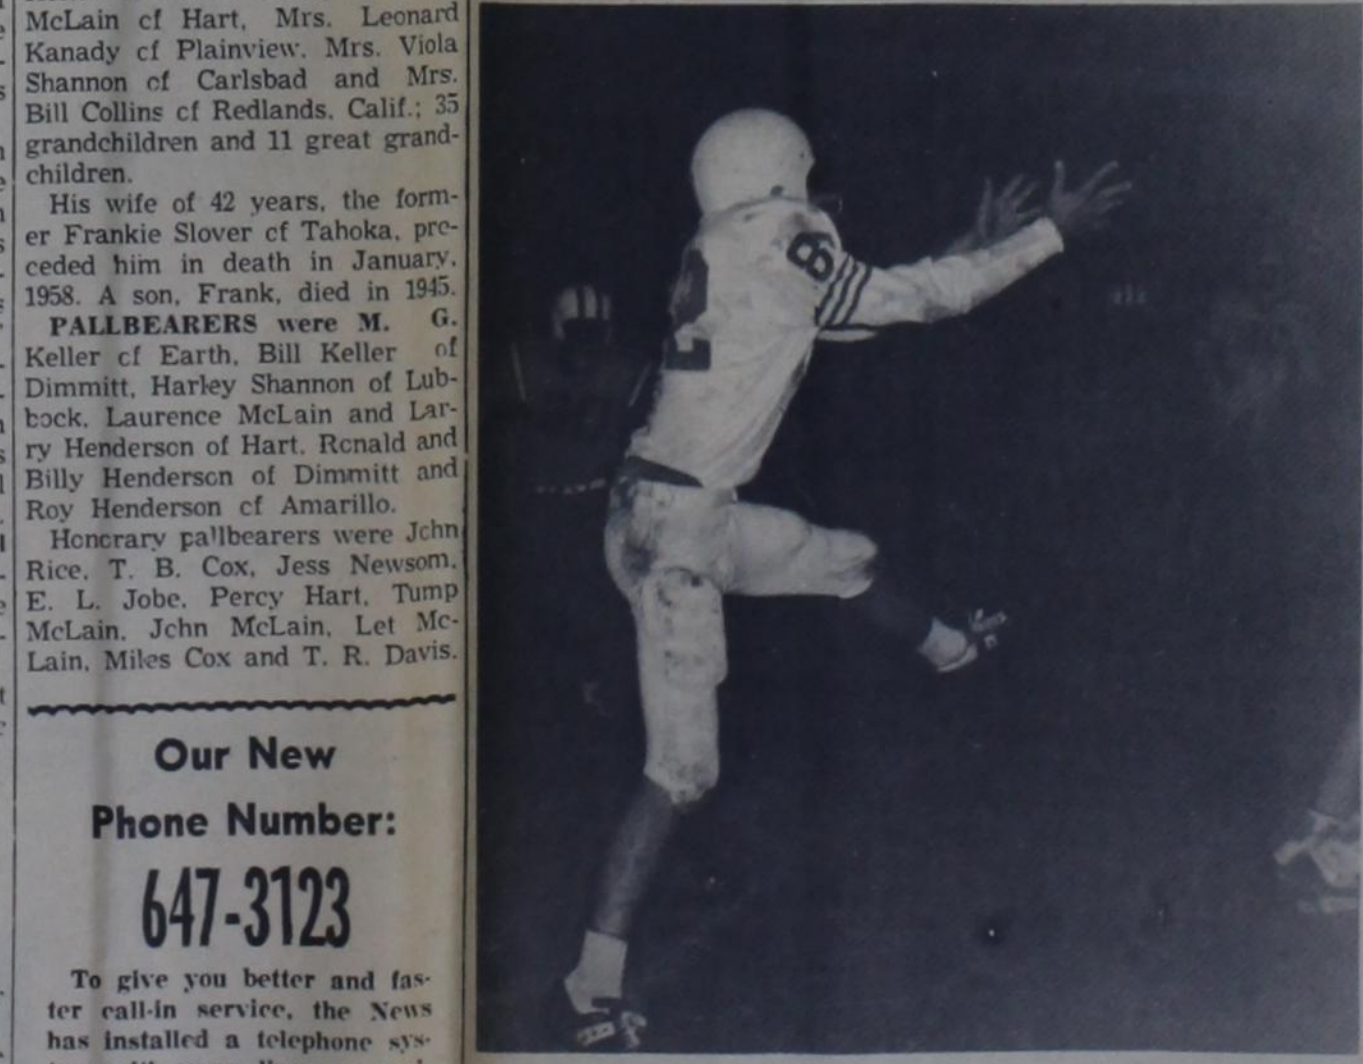

Honorary pallbearers were John Rice, T. B. Cox, Jess Newsom, E. L. Jobe, Percy Hart, Tump McLain, John McLain, Let McLain, Miles Cox and T. R. Davis.

City Annexes 7-Acre Tract

The City of Dimmitt is now 7.34 acres larger.

City commissioners Monday night approved a petition from J. W. Killingsworth to annex 7.34 acres of his land on the southern edge of the city.

THE TRACT adjoins the Trutt Boothe property on the Littlefield Highway, near the roadside park.

THIS WAS THE PLAY, the heartbreaker, that meant all the difference in Friday night's game, brought Christmas to Hale Center early, and cost Dimmitt's Bobcats a much-wanted victory over the favored Owls. Dimmitt's Don Moore reaches for a third-quarter pass — but it never gets to him. The feet at right belong to Hale Center's Eddie Clemmons, who intercepted the pass and raced 50 yards down the sideline to score. The Owls added the point and Hale Center won, 7-6. RAYEERN OTT OF FLAGG, atop bale, gets a check for \$115.85 for Castro County's first bale of 1966 cotton, which was brought to Dimmitt last Thursday. Doing the honors is Paul Fry, manager of Flagg Gin, which processed the bale Wednesday afternoon. The 410-pound bale was ginned from a 1,800-pound load that also produced 850 pounds of seed. The cotton came from a 65-acre plot of Gregg variety which is expected to produce 1 1/4 bales per acre. The check included OTT's bonus and \$70 for his seed. Just for promotion, the News made the "First Bale" sign — on 100 percent cotton fiber paper, of course.

Salvation Army Drive To Kick Off Tuesday

The annual Salvation Army fund drive for Castro County will get underway with a kickoff breakfast at the Colonial Inn Restaurant at 7 a.m. Tuesday.

CONDUCTED by the local SA service unit committee, the drive will be for welfare funds to aid needy people. The money will be administered by local and state Salvation Army service units rather than by corps or division headquarters.

One-third of the funds collected here will stay in Castro County and the rest will go into a statewide SA relief fund to be distributed where and when needed.

Services provided through the local and state funds include boys' summer camp in June, home and hospital for unwed mothers, missing persons bureau, disaster relief and general welfare missions.

County Campaign chairman is Wade Maynard. He will be assisted by 38 volunteers throughout the county. The drive will be conducted mainly in business districts, schools and county communities. In addition to personal contacts, the drive will also include a mail appeal.

Members of the Castro County Service Unit Committee are Judge Raymond Wilson, chairman; Bob McLean, treasurer; Earl Brock, L. G. Manning, Jack Cartwright, Rev. Weldon McCormick and Rev. Frank Pollard of Dimmitt; Douglas Gossett of Hart; and Joe Warren of Nazareth.

During the past year this committee assisted 343 men, women and children in Castro County, "and whenever the need arises, the committee stands ready to

help 24 hours a day," Maynard said.

ANYONE not contacted in person or by mail, Maynard said, may support the Salvation Army's local welfare arm by mailing a check to Bob McLean, Treasurer, Salvation Army Service Unit, First State Bank, Dimmitt.

Highway Budget \$9,800 for '67

The Texas Highway Commission has budgeted \$9,800 for Castro County for 1967, to be spent on sealcoating 2.4 miles of US 60.

THE PROJECT will include the stretch of highway from Farmer to Deaf Smith county lines, according to District Engineer Oscar L. Crain of Lubbock. James King, district maintenance engineer, will supervise the project.

Statewide, the commission's 1967 program calls for the improvement of 5,387 miles at an estimated construction cost of \$39.9 million and right of way costs of \$161,500. Work will include 912 projects in 215 of the state's 254 counties. These projects include 390 on state and US highways in 170 counties and 522 projects on farm to market roads in 179 counties.

Last Rites Held For Mrs. Sherrill

Mrs. Alice Myrtle Sherrill of Abertamy, 75, former long-time Dimmitt resident, died last Thursday in West Texas Hospital, Lubbock after a short illness.

SHE WAS the wife of Rev. Ural S. Sherrill, who served as pastor of Dimmitt's First Methodist Church in the 1940s. After 38 years of Methodist ministry in the Northwest Conference, they retired in Abertamy in 1961.

Services were conducted in Abertamy's First Methodist Church Friday afternoon, with Rev. Conrad Ryan, pastor, officiating. Burial was in Resthaven Memorial Park, Lubbock under the direction of Resthaven Funeral Home.

Mrs. Sherrill is survived by her husband; three sons, Nelson and Marvin of Arlington and Tommy of Borger; three daughters, Mrs. Sherry Powell of Pasadena, Mrs. Joyce Parish of Amarillo and Mrs. Betty Hawk of Clovis; two brothers, L. E. Marshall of Odessa and Finis Marshall of Riverside, Calif.; a sister, Mrs. Corda Booth of Cross Plains, and 13 grandchildren.

Hart Gets First Marshal

Ed Ousley, 22, of Albuquerque, WILL BECOME Hart's first city marshal Monday.

HE WAS chosen Saturday night by Mayor E. E. Foster and Councilmen John Holloway and Buster Aiven in a special meeting. The council called for applications for the new post last month.

Ousley will be one of the youngest marshals in Texas. Although he has had no previous experience in law enforcement, Deputy Sheriff Granville Martin of Hart has agreed to assist him until he familiarizes himself with the town and his new job.

The new city marshal and his wife have one child.

ALL THE NOISE coming from the Nazareth High School cheering section this year is under the direction of these three energetic lasses. NHS cheerleaders for 1966-67 are, from left, junior Sandy Gerber, head cheerleader Stevie Birkenfeld, a senior, and junior Sheila Birkenfeld.

Nazareth FHA Initiates 11, Presents Advancement Tokens

The Nazareth chapter of Future Homemakers of America initiated 11 new members and enjoyed a salad supper recently in the school cafeteria.

Girls initiated into the FHA chapter were Jackie Book, Mary Kay Braddock, Lorene Brockman, Rena Dobmeier, Debra Hochstein, Pamela Lupton Rosella Pohlmeier, Gladys Steffens, Linda Wagner, Barbara Wilhelm and Charlene Braddock.

IN ADDITION to initiation ceremonies, charms were presented to degree girls.

Those receiving keys for their junior degree were Connie Aberant, Darlene and Erlene Birkenfeld, Genevieve Braddock, Joyce Brockman, Jo Ann Guggemos, Anna Beth Hoelting, Alejandra Martinez and Theresa Pohlmeier. The four girls receiving their

scrolls for chapter degree were Sharon Hochstein, Kathy Huseman, Brenda Pohlmeier and Beth Wethington.

G. W. Bradford
Mayor, City of Dimmitt, Texas

ATTEST:
E. B. Noble
City Clerk, City of Dimmitt, Texas (City Seal)

RESOLUTION AND ORDER FOR CITY BOND ELECTION OF THE STATE OF TEXAS: CITY OF DIMMITT: COUNTY OF CASTRO:

On THIS, the 3rd day of October, 1966, the Board of Commissioners of the City of Dimmitt, Texas, convened in regular session, at the regular meeting place thereof in the City Hall, there being present and in attendance the following members, to-wit:
G. W. BRADFORD, MAYOR
ELMER YOUTS, COMMISSIONER

TROY KIRBY, COMMISSIONER and with the following absent: None, constituting a quorum; and among other proceedings had were the following:
Mayor Bradford introduced a resolution and order. Commissioner Youts moved its adoption. The motion was seconded by Commissioner Kirby. The motion, carrying with it the adoption of the resolution and order,

prevailed by the following vote: AYES: Mayor Bradford and Commissioners Youts and Kirby. NOES: None.

THE RESOLUTION AND ORDER IS AS FOLLOWS:

WHEREAS, the Board of Commissioners of the City of Dimmitt, Texas, deems it advisable to issue the bonds of said City for the purpose hereinafter mentioned; therefore,

BE IT RESOLVED AND ORDERED BY THE BOARD OF COMMISSIONERS OF THE CITY OF DIMMITT, TEXAS:

SECTION 1: That an election be held on the 25th day of October, 1966, which date is not less than fifteen (15) nor more than thirty (30) days from the date of the adoption of this resolution and order, at which election the following proposition shall be submitted to the qualified electors of said City, who own taxable property therein, and who have duly rendered the same for taxation:

PROPOSITION

"SHALL the Board of Commissioners of the City of Dimmitt, Texas, be authorized to issue the revenue bonds of said City to the amount of TWO MILLION FOUR HUNDRED THOUSAND DOLLARS (\$2,400,000), maturing serially in such installments as may be fixed by the Board of Commissioners, the maximum maturity being not more than THIRTY (30) years from their date, bearing interest at a rate not to exceed SIX PER CENTUM (6 percent) per annum, for the purpose of building and purchasing an Electric Light System in and for said City, said bonds to be issued in accordance with and in the manner provided by Articles 1111 et seq., V.A.T.C.S., and secured by a pledge of the net revenues from the operation of the City's Electric Light System, each bond to be conditioned that the holder thereof shall never have the right to demand payment of said obligation out of funds raised or to be raised by taxation?"

SECTION 2: That said election shall be held at the City Hall, in the City of Dimmitt, Texas, and the entire City shall constitute one election precinct.

SECTION 3: That the following named persons are hereby appointed officers of the election, to-wit:
Noel Gollehon, Presiding Judge
Maurice Campbell, Alternate Presiding Judge
If the regularly appointed Presiding Judge is unable to serve at the election, the Alternate Presiding Judge therefor shall serve as Presiding Judge. The

Presiding Judge shall appoint at least two (2) Clerks (one of which shall be the Alternate Presiding Judge if the election is conducted by the regularly appointed Presiding Judge) and not more than Three (3) additional Clerks, as he deems necessary for the proper conduct of the election.

ABSENTEE VOTING shall be conducted at the City Clerk's Office in the City Hall, in accordance with the provisions of Chapter 424, Acts of the 58th Legislature, Regular Session, 1963.

SECTION 4: That said election shall be held under the provisions of and in accordance with the laws governing the issuance of municipal bonds in cities, as provided in the General Laws of the State of Texas, and only resident qualified electors, who own taxable property in the City, and who have duly rendered the same for taxation, shall be qualified to vote.

SECTION 5: That the ballots for said election shall be prepared in sufficient number and in conformity with Chapter 6, V.A.T.C.S. Election Code, as amended, and that printed on such ballots shall appear the following:

PROPOSITION
"FOR THE ISSUANCE OF \$2,400,000 REVENUE BONDS FOR AN ELECTRIC LIGHT SYSTEM AND PLEDGING THE REVENUES OF THE CITY'S ELECTRIC LIGHT SYSTEM TO THE PAYMENT THEREOF"

"AGAINST THE ISSUANCE OF \$2,400,000 REVENUE BONDS FOR AN ELECTRIC LIGHT SYSTEM AND PLEDGING THE REVENUES OF THE CITY'S ELECTRIC LIGHT SYSTEM TO THE PAYMENT THEREOF"

AS TO THE FOREGOING proposition, the voter shall mark out the statement FOR the proposition or the statement AGAINST the proposition, so that the statement remaining shall indicate the way he wishes to vote.

SECTION 6: That a copy of this resolution and order, signed by the Mayor of the City and attested by the City Clerk, at the top of which shall appear the words "NOTICE OF ELECTION FOR THE ISSUANCE OF BONDS", shall serve as proper notice of said election. Said notice shall be posted at three public places in said City, one of which shall be at the City Hall, not less than fourteen (14) full days prior to the date on which said election is to be held, and be published on the same day in each of two successive weeks in a newspaper of general circulation in the City of Dimmitt, published in the City of Dimmitt, Texas, the first of said publications to be made not less than fourteen (14) full days prior to the date set for said election.

PASSED AND APPROVED, this 3rd day of October, 1966.

HART NEWS

School Specialists Named

BY MYRT LOMAN

H. L. Cheatham has been re-assigned as cooperative supervisor for Hart and Nazareth Schools. He will work three and one-half days in Hart Schools and one and one-half days in the Nazareth Schools. This is the first year Hart and Nazareth have qualified for a supervisor.

Cheatham will be working closely with each superintendent in tests and measurements textbooks library books, and federal programs.

Mrs. Erma E. (Matthews) Riley, whose home is Paducah, and who has taught in area schools, will replace Cheatham in the social studies department. Mrs. Riley has taught several years in the Dimmitt system and three years in Kress, and for the past three years in the Hale Center schools.

Mrs. Vera Ann Huckabay is in the reading program, and Mrs. Tucker has been assigned the second grade. Mrs. Huckabay attended West Texas State University and for the past year she has been working with the Title I reading program in Tucuman.

The second and seventh grades tied in room count.

A short program presented by seventh grade choir, a piano solo by Roni Cox and a trio (song) by Joan Dudley, Becky King and Jeton Jones.

ANDY GARDENHIRE the school superintendent explained the program of "Better Education Through Legislation, and How the 'Federal Support Programs' work."

Mrs. Max Stephens demonstrated the different machines used in the reading lab.

The public is urged to attend all PTA meetings to better acquaint themselves with the Hart school program.

Next meeting will be on Monday night, Nov. 7 at 8 p.m. in the elementary school gym with the 5th grade presenting the program. Subject of the program will be "The Individual Learner Comes First."

Sharon Pennington of Grants, N. M. and roommate at Wayland Baptist College of Carol Futrell, spent the weekend in the Roy Futrell home.

ENSIGN Ovis Vestal and wife have been visiting her parents, Mr. and Mrs. Al Irons and family this week.

He has been stationed in Rhode Island for OCF Training and now

reports to San Diego on the 17th for two months training and will then be sent to Japan.

She is the former Miss Connie Irons of Hart.

AT THE REGULAR meeting of the Hart FFA in Sept. the new officers were elected, with Jerry Smith as president.

Other officers were vice pres., Bob Crick; secretary, Larry Parker; treasurer, George Ed Bennett; reporter, Danny Rice; sentinel, David D. Harris; parliamentarian, Jim Swindle.

Jerry Smith was elected representative for the District FFA office with Bob Crick and George Ed Bennett voting delegates at the district FFA meeting in Plainview.

Shelia Gardenhire is Sweetheart and Martha Sharp is Flawgirl.

Andy Rogers and Harold Bob Bennett were elected to serve on refreshment committee.

Jerry Smith was elected to serve as sentinel in the Plainview District Future Farmers of America at a recent meeting.

The Plainview District FFA

Sweetheart and Talent Contest will be conducted during the District FFA banquet at 7 p.m. Nov. 21 to be held in Floydada. The district leadership contest will be conducted Nov. 15 in Olton.

LAYMEN'S DAY will be observed at the First Methodist Church on Oct. 9 with Mr. G. C. Graves as Lay Leader. Mr. Tom Duffy will bring the morning message and the Rev. Gilbert Diaz, pastor of the Latin American Church in Dimmitt will bring the evening message.

ON OCT. 16 at 6:30 p.m., the Troop 333 meets each Wednesday after school at the Scout House and girls are invited to attend. Mrs. Arthur Cheves and Mrs. Orville Friday are leaders of this group but due to illness Mrs. Cheves was unable to go.

MRS. LOWELL Rieburg, Scout leader, and her assistant leader, Mrs. Alvis Bryant met on Wednesday after school with the second grade Brownie Troop for regular meeting.

Girls learned about flag manners, the Brownie Promise and the Smile song.

Land Bank Association Plans To 'Speak Up' for Agriculture

The Federal Land Bank Association of Dimmitt, along with 706 other associations representing 388,000 farmers, ranchers and dairymen across the country, will help in the job of "speaking up" for US agriculture during 1967.

SID SHEFFY, vice-president of the Dimmitt association, returned this week from a conference in Amarillo, where plans were reviewed for the coming 50th anniversary of the Federal Land Bank of Houston. The observance will pay tribute to "America's Farmers — Providers of Plenty" and it will be paralleled by similar programs in the 11 other Land Bank districts throughout the United States and Puerto Rico. Billy Hackleman, association manager, also attended the meeting.

On a continuing basis through the year, associations in the Houston district will support a public information program calling attention to the contribution farmers and ranchers are making to help keep food prices down and production up.

"Farmers are entitled to an opportunity to 'speak their piece' for a change," Sheffy said, "especially now, when there is a great deal of talk about inflation. The fact is that farmers today are losers, not winners, in inflation. They must pay more for what they buy each year but they are receiving very little more for what they sell than they did 15 years ago."

ON THE average, one farmer today produces food for 33 people, compared with 15 in the early 1950's. Sheffy said, and the key word for what is taking place on farms and ranches today is "efficiency."

The Land Banks aim to "translate" this efficiency into terms of personal meaning for non-farm

segments of the US public, he said.

"All Americans are concerned with rising living costs today," Sheffy continued, "so this is the right time to set a lot of records straight as far as the farmers are involved."

"Consumers should know, for example, that the farmer receives only about 4 cents for the wheat he provides in a 25-cent pound loaf of white bread; 2.7 cents as his share of a box of corn flakes retailing for 30 cents; 26 cents for the cotton he provides in a shirt retailing for \$4.39; and that the heavily capitalized agricultural business had only a 2.8 percent return on investment last year compared with 12.9 percent for leading US corporations.

"SINCE THE farmer-owned Land Banks have been a major source of long-term agricultural credit for the past 50 years," Sheffy concluded, "we feel it is a worthy objective of our Golden Anniversary observance to document the true contributions America's farmers make to the highest standard of living in the world which our nation enjoys."

Demand Exceeds '66 Production, Grain Men Hear

Castro County Grain Sorghum Producers Association members heard last Thursday that demand for US grain this year will exceed production by 100 million bushels.

Y. F. SNODGRASS of Abernathy, area representative for the national GSPA, told grain men at their breakfast meeting in the Colonial Inn that 100 million bushels over and above the 1966 grain sorghum production will be needed to satisfy the domestic market, export market and reserve requirements.

He noted that more than two million metric tons of US grain sorghum went to Japan alone this year, and that the international market for US grain is still growing.

Main purpose of the meeting was to discuss GSPA dues for this year. The GSPA is urging all grain sorghum producers to cooperate with their elevators in the dues program.

WHEN A FARMER settles with the elevator for his grain, the ele-

C. G. BENNINGFIELD, manager of Hart of the Plains Gin, shows Hart's first bale of 1966 cotton. It was ginned Friday from a load brought in by Clint McFarland. See story.

Because of Seed, Gregg V-25 Should Be Ginned Separately

If you're growing Gregg V-25 cotton, a variety which produces glandless seed, your help is needed in the commercial processing of the seed.

IT IS estimated that approximately 135 tons of this planting seed were sold in 1966, and the National Cottonseed Products Association and area oil mills are seeking the cooperation of producers and ginners toward harvesting every seed of V-25 so it may be crushed separately. The resulting glandless cottonseed oil will then be available for research purposes.

For this research to be effective, glandless seed must not be contaminated with other seeds. Gins and oil mills in the area

operator will give a form to set aside the farmer's dues on the basis of two pounds per 1000 on this year's production. This authorization form is being used for the first time in Castro County this year.

"You can see the best reason for paying your GSPA dues when you look at a couple of figures," an association spokesman said. "When the GSPA was organized, grain sorghum parity was 65 percent that of other goods and services. Today it is approximately 90 percent."

contaminated with other seeds where V-25 has been planted have arranged to gin and crush the seed separately, and the only problem remaining is that of grower cooperation — getting growers to harvest this cotton separately.

Donald A. Johnson, executive vice-president of Plains Cotton Growers, Inc., is urging all growers to make a special effort to see that V-25 arrives at the gin unadmixed with any other variety.

"BECAUSE of the current economic difficulties being encountered by cotton lint as a market commodity on the Plains, the income from cottonseed is tremendously important to cotton as a major cash crop in the area. And we should do all we can to enhance seed value," he said.

Neither PCG nor the NCPA is recommending this or any other variety. They point out that with the current value ratio between lint and seed, farmers can afford to plant glandless cottonseed only if it is equal to the best glanded varieties in yield and quality of lint.

"However, it is important that the opportunity for additional research into uses for glandless seed products, provided by the current year's production of V-25, not be missed," Johnson said.

Hart Gets First Bale

HART — Clint McFarland brought in Hart's first bale of cotton Friday to The Hart of the Plains Gin.

THE BALE was ginned from 2,160 pounds of seed cotton, with the bale weighing 500 pounds. The load produced 860 pounds of seed.

Ginning and wrapping were free, and McFarland has received a prize for the first 1966 bale in Hart.

The cotton was hand picked from an acre that was planted May 8-10 and had received one hail about two weeks ago.

Seed was of Ricott variety. The gin manager is C. G. Benningfield and his wife is bookkeeper.

Price Commends District Efforts In Conservation

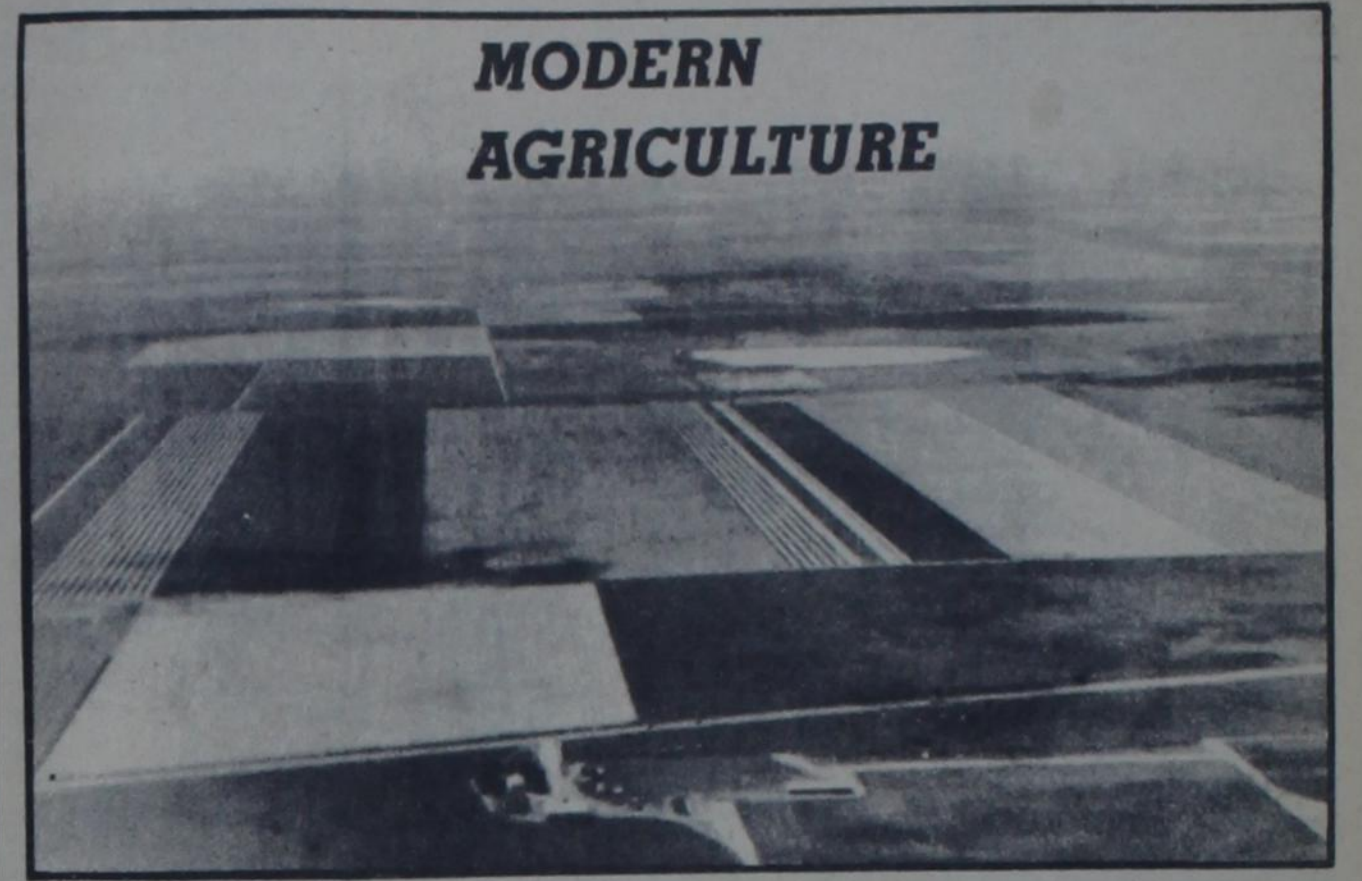

In a speech to 30 farmers Friday at Easter, congressional candidate Bob Price praised the supervisors of Panhandle soil conservation districts for their constructive advice area farmers and ranchers on soil and water conservation.

The 18th District candidate had praise for the groups' promotion of soil and water conservation at the local level in an address to members of the Running Water Soil Conservation District during their tour of East area farms. He spoke after a lunch and business meeting at the Shirley Garrison farm.

"AS A PART of the 'water management at home first' philosophy, the activities of the supervisors of the soil conservation districts have been very helpful," he said. "Their program of proper grass management and retaining runoff at the headwaters of small tributaries, has diminished major discharge into streams and rivers."

He added, "Farm ponds and small lakes which have been developed serve as sources for irrigation as well as a water source for livestock."

"Local water conservation in rural areas, combined with carefully justified multiple-purpose reservoirs on major rivers, can be effectively united by thoughtful planning. I maintain that experience has shown the need for a coordinated watershed policy," the Pampa rancher-businessman added.

MODERN AGRICULTURE

Cottonseed Prices Up

Indications are that cotton producers on the High Plains and elsewhere will get considerably higher prices for cottonseed this year than they've gotten in many years.

IT'S THE result of an old law almost forgotten in High Plains cotton circles — the law of supply and demand.

The estimated national 1966 crop of just less than 11 million bales — about 30 percent below 1965 production — has brought on a proportionate reduction in the prospective supply of cottonseed for crushing. The demand for cottonseed and cottonseed products has not seen a similar drop. Unlike lint, there is no surplus from which to fill the gap.

On the Plains, cottonseed at the gin has opened at about \$76 per ton, basis quality index of

100, as compared with \$42-\$50 per ton paid in recent years.

"How this price will hold through the season is anybody's guess, but most observers see little chance of a decline back to \$50 a ton or less," Plains Cotton Growers reported.

There's about 800 to 850 pounds of seed per bale, worth \$28 at a rate of \$70 per ton. Ginning charges, including bagging and ties, average from \$18 to \$20 per bale. So farmers as of now can expect to realize from \$8 to \$10 on seed per bale above ginning.

Cotton was brought to Flagg Gin Wednesday, Sept. 28 by Raybern Ott, who had had the load hand picked from a 65-acre stand of Gregg cotton in the Flagg community. The seed cotton weight was 1800 lbs. Bale weighed 410 pounds and the seed after ginning weighed 850 lbs. Check was for \$115.85, including bonus on bale and \$70 for the seed. Ott's cotton in this stand is expected to produce 1/4 bales per acre.

First Christian

Revival Off To Good Start

The church was thrilled over the first sermons of Evangelist Tom T. Posey, who has been preaching each night this week in First Christian Church on Western Drive.

HE WILL continue his messages through Friday evening. Services are at 7:30 nightly.

and include special music and sermon. "The opportunity to work in a revival in Dimmitt," Posey said, "holds a two-fold blessing for me — first to be associated with a long-time friend and fellow servant of Christ, Brother Bedford Smith, and also to have the pleasure of fellowship with the people of the Christian Church here."

"Our hope and desire," he continued, "is that many more will join with us in worship in the closing services of this revival." MESSAGES this week will be centered on the lessons of the Cross. Minister Smith will continue with the theme Sunday at the 10:50 a.m. and 7:30 p.m. services, which will close the revival.

Rally Day in Bible School Sunday saw the beginning of a new class, and several received promotion certificates to older age-level classes. Sunday school superintendent is George Gabel.

**Ministers Elect
Rev. Oscar Mayo**

Rev. Oscar Mayo has been elected president of the Castro County Ministerial Association.

OTHER NEW officers elected at the last regular meeting are Bedford Smith, vice-president, and Rev. John Sewell, secretary-treasurer.

The ministerial association reported a good overall response to a recent church census conducted in Dimmitt, although a few contacts remain to be made. Purpose of the census was to help the churches to better serve the community and its spiritual needs. The association expressed thanks to the people of Dimmitt for their cooperation in the census.

Bible Thoughts

"THE MIND OF CHRIST"
By Ronnie Parker

In Philippians 2:5-8 the apostle says, "Let this mind be in you, which was also in Christ Jesus: Who, being in the form of God, thought it not robbery to be equal with God: but made himself of no reputation, and took upon himself the form of a servant, and was made in the likeness of men: And being found in fashion as a man, he humbled himself, and became obedient unto death, even the death of the cross."

To have the mind of Christ, is to have the same attitude and the same disposition. It is to humble "self" and to be obedient to God. It is to sacrifice for others. If we have the mind of Christ we will think as He thinks, love as He loves, and serve as He served. This attitude does not come to us as a direct gift from God. A constant study of the life of Christ and His teaching is necessary. As this takes hold of us we become like Him. Our lives are molded like unto His. In 2 Peter 1:2-4, Peter speaks of being "partakers of divine nature," and shows that it is possible "through the knowledge of God, and of Jesus our Lord."

If we study the teachings of Jesus along with the history of His life, we are impelled to love Him and the things He loved. Our minds can be like His! May I ask you this question! Just how interested are you in having the mind of Christ? How earnestly do you strive for the knowledge of God and Christ?

An investment in Your Future

ATTEND CHURCH

Dad's steady influence is needed for . . .

LIFE'S OBSTACLES

We can easily see physical obstacles such as logs, boulders, and many other things that may be too difficult for our children to handle, but things that are not physical are not always so obvious. A young child needs help from his parents in spiritual matters too. The church can be an influence on children's lives, but when you, a parent, are taking part in church worship, you can be an even greater influence. Give your children, the leaders of the future, a hand now when they need it most. Take them to church regularly . . . and you too, will have a fuller and better life.

ATTEND CHURCH SUNDAY

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

'It's Great To Be A Twin' -- At Least, That's Kay's Opinion

BY CAROLYN SIMPSON
This is what Kay thinks about being a twin, while Ray says "it ain't worth a darn."
"I like my sweet brother," Kay says in reply.

THESE TWO are one of the three sets of twins in DHS. "George" is what you may hear Kay called when she walks down the hall. She acquired this name from Stanley last year when she cut her hair very short Stanley said she looked like the Beetle, George. Ray is sometimes called Martin, which is really his first name, but some use it for a nickname.

Ray and Kay were born on Nov. 27, 1948. This date, as most of you know, occasionally falls on Thanksgiving. Ray is five minutes older than Kay, and of course, she thinks he often takes advantage of it.

Both of these kids must be waterdogs. Kay loves to swim and play basketball. It is obvious Kay swims a great deal during the summer, because she always comes back to school with a beautiful tan. Ray finds that water skiing is a wonderful hobby.

These two are about the busiest people in high school. Kay has been in FHA four years, serving both as president and vice-president. The student council, has been one of her main interests since she was a freshman and she is now serving as corresponding secretary. She is reporter for the band and lyre club, and has been a twirler three years. Other organizations of which she is a member include science club and FFA. This year she is secretary of the senior class. Kay has held many honors in school. She was chosen Best All Around Girl by her class two years and Most Beautiful Girl one year. She has been a candidate for annual queen three times, as well as being a candidate for Homecoming Queen, Flame Queen, and FFA Sweetheart.

RAY has also held many honors and has been in many organizations. He has been parliamentarian, treasurer, vice president and is now serving as president of the senior class. One year he was elected as Most Talented Boy in the class. He is a member of the football and baseball teams and is also a member of the band. Ray is a member of the "D" club, FFA, where he has served as president, science club, and FTA.

After graduation these two will

separate and go to different colleges. Ray plans to go to South Plains while Kay plans to go to Tech and major in either business or education.

This comment was made about Kay and Ray by one of their fellow classmates. "I think that Kay and Ray are two of the most well-liked people in high school. They are friendly, courteous, and meet."

Science Club Tours Plant X

BY RANDY HASLEY
The biggest electrical plant in the southwest, Plant X, was the scene of a visit from 50 very happy Science Club members. This was the first of many field trips planned by the newly organized club.

STUDENTS boarded the buses at 9 a.m. and gladly hobbled away from four periods. The trip was marked by much laughter and excitement and, of course, as always, there was the great expectation of seeing and learning something new.

Most of the kids had at one time or another passed by Plant X, but had not seen what goes on inside. Now the chance had come at last to see science in action, and everyone was anticipating an exciting day. After many miles of travel, the gigantic Plant X appeared.

The first items that caught our eyes were the huge transformers, but attention was soon captured by an iron entrance gate. The gate had been open as the bus pulled into the driveway, but it suddenly closed as it was about to drive through. Mr. Cooper tried to get someone to open it, but was unsuccessful. Finally our leader, President Ben, silently stepped off the bus, waved his hand and the gate immediately opened. This act of magic accomplished -- we drove in.

AS WE entered the building, we were met by a group of very courteous and cooperative men. They were to guide the kids on the tour.

The first thing we saw was a room filled with huge pipes that reached upward. We passed through another door and entered a long hallway that was filled with nothing but dials, gauges, and many colored lights flashing on and off. The guide said this room contained all the facts about the entire operation. It was a part of the great control scene of the plant.

NEXT, THE guide led everyone into a huge room filled with four gigantic generators. It is here the electricity is produced. As we went farther into this room we came upon a generator which was being worked upon. Here we had a chance to see one of the huge monsters being repaired. This was very impressive indeed! In the main control room we saw computers from which one man could operate the whole plant. Here workers checked and rechecked all systems. Finally we were taken to the very top story of the huge plant. Spread out before us was a beautiful and breath-taking view of the soft green country-side. This was indeed one of the most interesting parts of the tour.

The students were then escorted to the bottom floor where the big fans that cooled the steam were located. Deafening sounds made it impossible to hear even our girls. Quickly we moved through this part of the tour and finally reached a door marked "Laboratory." As we entered, we saw sparkling test tubes and beakers. Bottles of chemicals were neatly arranged in a cabinet. The guide explained that here the chemist could test the chemical content of the water with the aid of a computer.

Round the Campus

BY KEITH McMAHON

Have you noticed the show cases around our halls this week? They certainly deserve some recognition. As we move through the halls daily we should pay some attention to these because they are storehouses of information on the things happening and upcoming in our school.

THE SHOWCASE in the south hall displays our new school wind-breakers. Quite a few of our students have been wearing them lately. In the library showcase there are books on diets and nutrition. The homemaking class has a display in the north hall showcase that shows the influence that FHA may have on various phases of a girl's life.

If you have been too involved in your studies and activities to take note of the time, end of the first six weeks of school rolls around on Oct. 7. This means that tests and their resulting grades will soon be here. This is just a small warning to the busy students of DHS.

And did you know that DHS has started its radio programs for the year? These programs originate from the campus and are conducted by Speech III class. On the seventh of Oct., Coach Smith, Kent Lindsey, Don Moore and Mike Bruegel will air their views.

THE PEP CLUB is meeting every Thursday and Friday during the first activity period to discuss weekly business, such as the pep rally, work being done by committees, and arrangements for the game. The Bobettes have been responsible for the signs in our halls, the ornaments on our boys' lockers and a great deal of noise at our pep rallies. The Bobettes would like to thank the band for its cooperation and to invite the members to work with

them on everything. By the time this article goes to press the outcome of our game will be known, but now that the 'Cats are into district play, they need all the backing we can muster, so let's all turn out in full force for the game with the Cyclones of Memphis.

WE HEAR by the grapevine that our DHS students can never be classified as "tightwads." We sincerely wish a Bobcat photographer had been hiding behind the doors of a certain classroom one day this week when a group of students demonstrated they weren't stingy. We think the event would have made a wonderful picture for the '67 Annual. How about letting us know next time such an UNUSUAL activity is planned?

The latest fad in this country now days appears to be demonstrations. One was staged in DHS last Thursday -- But we weren't protesting the war in Viet Nam, or for more and bigger civil rights programs. Ronnie Hutton "demonstrated" the proper way "to shave" for a highly interested speech class. Kenneth Oldham acted as the model. Ask Kenneth what happened when Ronnie forgot to remove the blade.

Our librarian, Mrs. Leeth has spent the past few days in Northwest Texas hospital in Amarillo. We hope she will be back with us soon.

FOUR OF our high school boys were involved in an accident last Monday afternoon. Seriously injured were Mark Brooke, Gene Gee and Glenn Derrick. Also injured in the wreck, but who is back in school with us now was Eugene Bland. We hope these boys will recover soon.

Two members of the faculty of WTSU, Mrs. Audrey Sanders, of the history department and Mrs. Emma Cook of the English department, visited DHS Tuesday. These two ladies are working for the recently approved Title III program.

What Would You Wish For?

Have you ever been asked what you would wish for if you could have anything in the world?

SINCE most people are always wishing for something, we decided to put some people to the test; and came out with these replies:

I wish --
Paul Catoe -- My 1937 was re-upholstered because I've been waiting three weeks to have it done.

Martha Nitsa -- there was world peace and love between all people. I don't like war.

Mike Boothe -- I had a 1967 Corvair.

Danny Land -- The war in Viet Nam would end soon, so I wouldn't get drafted.

Johnnie Presley -- It was May 26 and we were graduating so I could start my registered nursing study.

Ronnie Kenmore -- The football and basketball teams would go to

state this year.

Tommy Stafford -- I could run the 100-yard dash in 9.9 seconds.

Deanna Morgan -- There was no gossiping and back-biting.

Sandra Coffman -- That there would be no more war and that all the people would learn to live in peace because the world would be a better place for all of us.

Beth Moore -- I could pass shorthand because I'm lousy right now.

Carolyn Young -- I hadn't been bad, so I could keep my date Saturday.

Jimmy Johnson -- I had 20,000 in General Motors.

Miss Littlepage -- I had a million dollars, and all my kids would study.

Coaches Cleveland, Smith and Hunter -- We could win all our district games.

Let's Glance Into The Future

Last week the Bobcat Tales ran an article on school days in the past. This week the staff would like to comment on what we think the future will bring to education.

STUDENTS will rush to school in rocket-powered vehicles. The design will probably be ultramodern. Compare to our parking problems at DHS today, can you imagine what will happen when school is dismissed on a typical day in 1996?

Instead of having teachers, students will be taught by computers and electronic brains. Classes will take field trips to the moon and various other planets. All educational emphasis will be placed on scientific study, because of the advances science has made.

Students will no longer miss school because of illness, for all sickness and disease will have been wiped out.

THE CLOTHING styles will really be way-out! They will be made of various synthetics and cost so little that an outfit may be worn once and thrown away.

Life sounds exciting in 1996. Maybe we will be much better off by then, and perhaps world diplomats will have achieved universal peace.

Counselor Tells Parents Of Costs

On Sept. 27, a meeting was held to inform parents of future expenses to be encountered during the year. Over 100 parents were present.

PROMPTLY at 7:30, Principal Ike Moore opened the meeting and assisted Bill Shadrick, high school counselor, in telling the parents about college entrance tests. Some of the information given the parents included: SAT test, ACT test, PSAT test, scholarships available to students, college admission requirements, various kinds of financial aid, and high school grades. Following this discussion was a question and answer period.

As many parents were in attendance, they left well informed of the expenses involved in college-bound junior and senior sons and daughters.

Past Bands Build Tradition -- Is Present Band Upholding It?

BY SANDRA COFFMAN
"Ladies and Gentlemen, presenting the pride of Dimmitt and Castro County, the Dimmitt Bobcat Band."

FORMERLY, when the band lined up on the field and the announcer made that announcement, each band member stood a little straighter and thanked God he was a part of the "pride of Castro County"! However, I as a band member feel this is no longer true.

What has happened to the spirit of our fine band? This article reflects the opinion of the author and not necessarily that of any other person. The band members seem to take "every honor they receive as a matter of course. Many of us seem to think just because we are the Dimmitt Bobcat Band, we deserve those honors without working for them.

As a member of the band, I feel that I have an opportunity to be aware of this problem. It scares me to think our band spirit is slowly dying because the members no longer care for it.

RULES AND regulations are made to be respected and followed by all, but these rules are broken by some without even a second thought. Those who have broken these rules don't seem to understand that every time this happens, it brings the band down another notch.

One certain man and the bands

of past years have made the fine name the organization has now. I don't think we are doing anything to add to this. It seems instead we are doing everything we can possibly do to tear it down.

I think one of the reasons the spirit in the band is so low is because the freshmen this year seem to have no respect for upper-classmen. It is rather difficult to respect an organization when one doesn't respect the people in it.

HOWEVER, we can't blame just the freshmen, because some of the upper classmen do not conduct themselves in a manner which deserves respect.

I don't know the solution for this problem. But, I think we need to be aware of the situation, and to do everything we can to correct it. If something isn't done quickly the Bobcat Band may fall to such a low ebb it will never be able to recover!

Senior Girl of Week:

Joan Buchanan

Chosen for our senior girl of the week is Joan Buchanan, the seventeen year old daughter of Mr. and Mrs. Earl Buchanan. Joan is an attractive girl, with brown hair and eyes of hazel.

JOAN READS for her pastime and she likes bowling. Dragging "Main" is what she likes to do best. She says she has no real dislikes.

Joan's favorite subject is English. After graduation, she plans to attend West Texas State University.

Joan's favorite household chore is cooking. Good luck, Joan, and we hope you become a great cook.

DHS Radio Program Underway; Schedule For Semester Listed

Dimmitt High School's first radio program went on the air Sept. 16, with principal Ike Moore as host for the first program.

THE PROGRAM on Sept. 23, concerned the Student Council. A panel made up of student council officers Rodney Hutto, Tommy Martin, Bebe Goodwin, Sherry McGowan, Paralyn Render and Kay Bradley was moderated by Mike Bailey, a senior and a Speech III student.

The third program on Sept. 30, was a discussion by members of the student body including the Speech Class III. The subject was on "Boys Hair Length, Long or Short." The program for this week will be presented by Coach Smith and his football

Bobcat of the Week: Ronny Hutton

What! Was that Donny Anderson walking down the halls of DHS? Would you believe we have a potential Donny Anderson in DHS? We believe we do in Ronny Hutton.

RONNY IS a persevering junior this year and is taking such courses as English III, world history, math, speech I & II, band and sports.

In his school activities Hutton has made many friends because he is such an interesting extrovert. He gives 100 percent effort on the football field as well as in the classroom.

After graduation, Ronny plans to attend West Texas State University and major in banking and finance. He hopes to get married later. How about that, Mary?

AS RONNY has done a fine job for the Bobcats thus far this season, he well deserves the title, "Bobcat of the Week."

Speaking Out! How's DHS Spirit Now?

BY SUSAN WALKER I sincerely hope the students of Dimmitt High read this column this week. I think it will help student morale to know what two people think of DHS.

have a great school spirit this year. I believe it could be even better if the organizations would work together. Without school spirit a school isn't anything.

Organizations: FHA Installs New Members

Sunday, September 25, 1966 the Dimmitt FHA new members for 1966-67 were installed.

Paralyn Render, president; Kay Bradley, vice president; Carolyn Simpson, secretary; Allan Webb, treasurer; Mary Lee Stone, reporter; Carolyn Dunn, historian; Juanelle Conard, song leader; Betsy Simpson, parliamentarian; and Paula Birdwell, pianist.

MIKRAI OFFICERS are: Patty Simpson, president; Diane Webb, vice president; Darla Underwood, secretary; Reba Hall, parliamentarian; Sharon Flynn, reporter; Karen Birdwell, historian; Suzanne Merritt, song leader; Janice Mooney, pianist.

The officers reminded new members of the duties and the members were given membership cards and received red and white ribbons, signifying the FHA colors.

Honorary membership was conferred upon Mrs. Bob Lindsey for her interest in our organizations.

Tea was served in the home-making department for the members, sponsors and guests. Strawberry punch and homemade cookies were served by Rochelle Johnston, Darla Kay and Linda Harman.

Editorial: Indifference Fosters Cheating

BY GARLAND JARVIS "Oh rats! I'll go to that show tonight even if I do have an important chemistry test tomorrow. I can make some cheat notes, and John will help me. After all, it's just another grade — I can learn it any time."

TOO MANY people, too many times, are adopting this attitude toward school work — it's just a secondary nuisance to be done if there is nothing else to do.

Schools are instituted with the purpose of building mental strength. The grade that comes out at the end of six weeks of work isn't an accurate gauge of mental strength.

into the service. Mike says he would like to get married and have kids like everyone else.

We wish Mike the best of luck in the future.

ent — his honesty, integrity, and honor. Honesty, integrity, honor industry application are timehonored terms suitable only for the lectures of some stuffed shirt moralist? Not by a long shot they are right down on the fifty yard line of life — they have a direct bearing on one's life, reputation, relations with others.

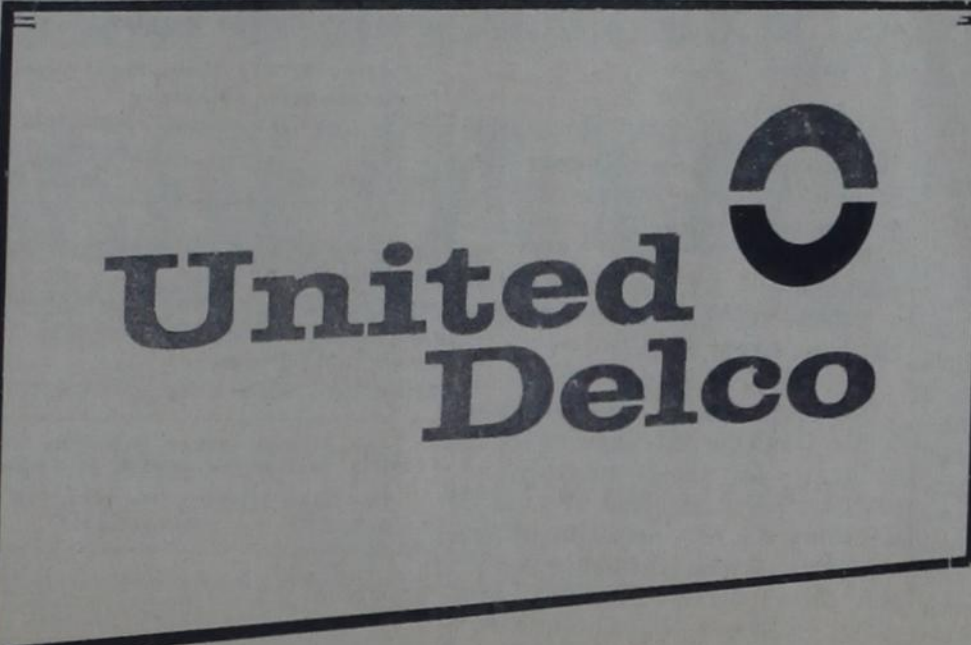

THE GRADES that are received after one leaves school and enters the "survival of the fittest" jungle of business are based more accurately on one's character and abilities. Cheat notes and fudging don't last very long, nor does cramming pay off.

A capital suggestion would be to put school in a primary position while one is a student. Right now is when the foundations for later years are being laid.

IF SUCH things as a 'devil-may-care' attitude and utter dependency on a grade were stifled in the classroom, respect and integrity would profit. Instead of saying "to heck with it" and throwing it aside, try facing up to the challenge — accepting responsibility.

Student Teachers Practice In DHS

This semester we are fortunate to have with us Sharon Durham and Deanna Hill. Miss Durham and Miss Hill are the new student teachers in our Home Economics Department.

STUDENT teaching provides an opportunity to correlate the four years of study and preparation a would-be teacher undertakes in thought to be the most important learning device because it helps one improve, as well as establish oneself to become the best possible teacher.

Miss Durham comes from Comanche, Texas. She is finishing her education at Texas Tech, where her majors are home economics, and education. She has a minor in music.

Her hobbies are numerous. She loves to paint, work with all types of crafts, play the piano, water ski, teach twirling and she would especially like to visit her high school band and play the flute or piccolo again.

Since Dimmitt is a small town like Comanche she says she feels right at home. She thinks the people in DHS and the town are so friendly and people have been wonderful to her even in the short time she has been here.

As president of Alpha Delta Pi, she is kept very busy. ANOTHER attractive lady with us is Miss Hill, who comes from Snyder, Texas. With a major in home economics and education, she has had little time for a minor. As most homemaking teachers do, she enjoys cooking and sewing. Playing the piano and organ are realxing hobbies. She thinks tennis is just the right game for exercise. Upon being asked how she likes Dimmitt she said: "So far it's been really great — very friendly and exciting." Miss Hill is a member of Phi Upsilon Omicron, and the Home Economics Honor Sororities. We welcome these newcomers.

Senior Boy of Week: Mike Bailey

Our senior boy of the week is Mike Bailey. He is the one and only son of Mr. and Mrs. David Bailey.

MIKE MOVED to Dimmitt last year from Plainview. He said his first impression of DHS was that the kids were all friendly and he knew everyone in just a short time. He had this comment about our school, "I think Dimmitt High School is an overall good school."

Mike's favorite subject is drafting. He likes all kinds of sports and says this is his pastime and hobby. After graduation, he might go

Shower Given Miss Albrecht

Mrs. Max Keating, the former Irene Albrecht, was honored at a miscellaneous shower in the community room of the First State Bank Sept. 22.

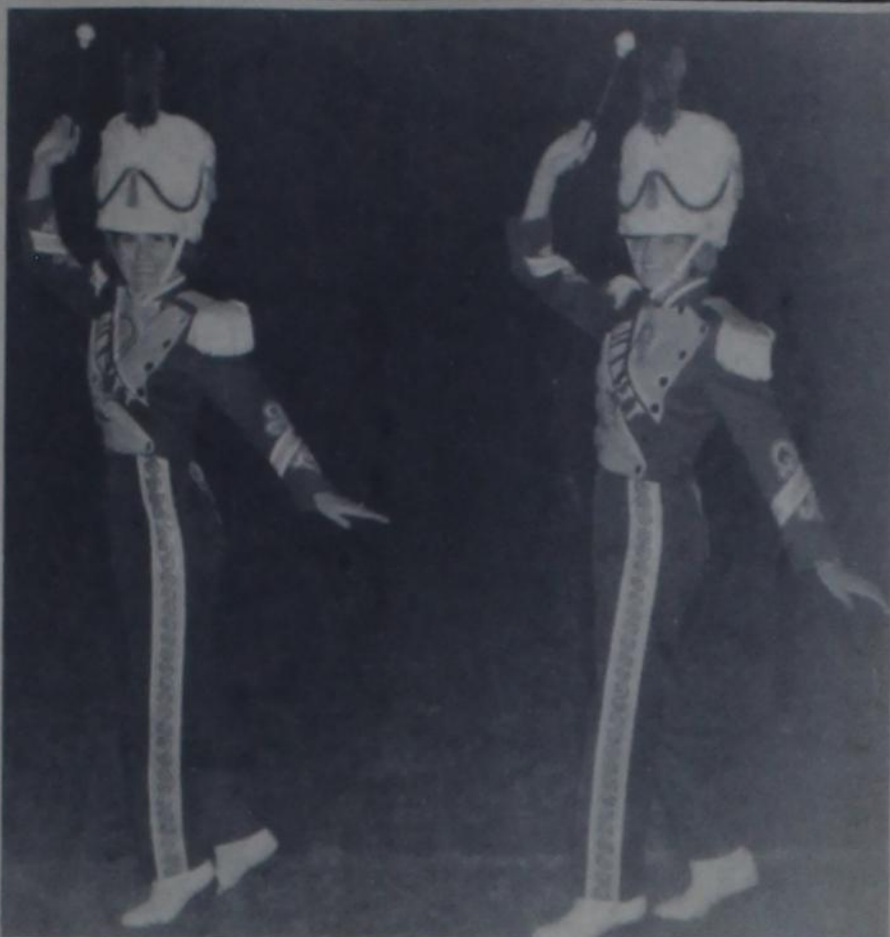

Mrs. Mack Keating of Olton, mother of the bridegroom, was a special guest. She and the honoree were presented corsages of yellow mums.

A WHITE LACE cloth over yellow covered the table, which was centered with red roses in a crystal bowl, and a ceramic bride and groom figurine.

Mrs. James Proffitt was at the guest book and Debra and Agnes Acker assisted the hostesses with serving. Pineapple sherbet, punch and cookies were served.

Hostesses were Mrs. Buena Schwen, Mrs. Joe Benson, Mrs. James Welch, Mrs. Carl Bruegel, Mrs. Proffitt, Mrs. Charles Richered, Mrs. Donald Gilreath, Mrs. Milton Bagwell, Mrs. David Acker and the Mulkey Home Demonstration Club.

Mrs. Keating is Castro County home demonstration agent.

Paralyn is a senior in Dimmitt High School and Sue is a junior. Director of the Bobcat Band is Ralph Smith — that is, when the two girls aren't directing on the field.

H-D Notes

4-H Clubs Expanded

BY IRENE KEATING

Last week we were quite busy in the office. Mr. Hottel was out of town for a funeral. I was busy training 4-H foods leaders. We have new foods units that really do sound like fun. Each lesson has at least one science experiment pertaining to foods in it.

LEADERS who attended these sessions were Mrs. Marilyn Smith, Mrs. Pauline Adams and Mrs. Ruth Robbins, Frio Jolly Workers 4-H; Mrs. Claude Thannisch, Mulkey 4-H; and Mrs. Kathryn Hochstein and Mrs. Margaret Womack, Nazareth 4-H. Thanks to each of you ladies for coming in so you can help our young people.

I am real excited. We got two new 4-H club members this week. I'd like to get one or two each week. Randy Hammons joined the Mulkey Club and Debbie Davis joined the Hart Club. We welcome you to 4-H work. I hope you'll enjoy it as much as I did when I was a 4-H'er.

Castro County 4-H Council met last week. The members set up a schedule for each club to have its radio program and news article. So be listening to KDHN each Saturday and check the paper each week. Frio Club had its radio program Saturday. Watch for their articles Thursday in the paper.

HERE ARE some tips for our working mothers. Written schedules can improve your efficiency. You may not want to run your home on a stopwatch timetable, but it does help to write down everything that must be done, and then assign an approximate hour for doing it. This not only gives you an idea of the scope of your job, but helps you to see and eliminate non-essentials.

Allot yourself an extra hour in the morning to accomplish a few tasks. Many mothers prefer to get up early rather than face a messy kitchen and unmade beds at the end of the day. Some women keep up with the ironing by doing a few pieces several mornings a week. Other prefer to save this task for evenings or weekends. Remember that no-iron fabrics and wash-and-wear clothing save lots of time and energy.

PLAN MENUS for the entire week so that there's no last-minute meal planning every afternoon after work. Do main marketing once a week. Stock up on staples, canned and frozen goods, and then fill in with fresh fruits, vegetables and meat as needed during the week.

Lists kept in strategic places help to jog your memory. For instance, a pad and pencil hung on the kitchen wall make it possible for you to jot down needed items when you think of them.

A blackboard or bulletin board in the kitchen makes a fine place for notes and family communications. It also provides a convenient spot for posting special chores to be done by the youngsters, and for tacking up menus. A busy mother can leave messages for the family.

WITH THE summer season over it's time to check the clothes closet.

Hey Red!

Hey Red, I want whiter whites, blacker blacks, frostier frostings, blonder blondes and sexier browns... hair that is. What do you suggest?

Changeable Charlotte Dear Changeable, Call the Blue Room today and let's try a wig in every color. Red

Hey Red, Who was that good looking babe leaving your place with Harold the other day? Flirty Fred

My Dear Flirty, That was no babe. That was Harold's wife. We just did her hair at the Blue Room that day. Red

Hey Red, Sandy look like a model these days. Do you think she has been off to modeling school? Envious Evaline

No Envious, She hasn't even left town, but you too can look like a model if you get your hair done where Sandy does, at the Blue Room, that is. Red

(Do you have a problem with your wig or hair?) Write 'HEY RED' 210 West Bedford, Dimmitt, Texas.

BLUE ROOM COIFFURES

set for the fall season. As you clean the closet, decide what can be turned into worthwhile clothing again and what should be discarded. You will probably find an old favorite, a misfit, or still another garment which may have been a hasty purchase or just out of date.

As you sort through the clothing, divide those not being worn into the following groups: (1) Needs mending; (2) Wrong hem length; (3) Doesn't fit; (4) Not needed; (5) Don't like; (6) Aren't using; (7) Is worn out; (8) Is out of date.

You may want to start with the items that require the least time, effort and money and then proceed to the more difficult problems. Sort out those items most easily mended — buttons, button-

holes and popped seams. Then look at those in which the mending is a greater problem — such as holes or tears. Be sure the garment is worth the effort.

ADJUST HEMS to a becoming and fashionable length. Cut off the hems that are too long, and lengthen those that are too short, if possible.

If a garment doesn't fit can it be corrected? If not place it in the group you are discarding.

Some items of clothing may no longer be needed such as special event clothing, graduation dresses or formal sports clothes for sports no longer engaged in and other clothing can be discarded. You may wish to consider re-making some of these items when it is doubtful they will be worn as they are.

TOBACCO? Yes — tobacco! Mrs. C. G. Benningfield is growing it as a flower-bed plant at her home in Hart. She has four huge stalks of it, now in bloom, on the south side of her house. "My husband's people came from Kentucky and I had heard them talk so much about tobacco plants, I decided to raise some to see if it was as pretty a plant as they claimed," she said. She ordered her seed from Illinois, planted it in a starter box, then transplanted it to her flower bed this summer. It's tall and healthy, with blooms that resemble morning glories.

The group went to Hereford to see the Hart Longhorns beat the Hereford B team, 12-0.

VILLAGE SHOPPING

With Myrtle

Come browse in the Village Shop with me. They have so many nice things to choose from. Peggy wants me to tell the Teenagers that the "Sales Miss Contest is still going.

Each of the first five young ladies to register, will be eligible to win a free dress of her choice by Kelly Arden, Tommy Andrews or Thermo Jac.

This contest will last for two months with new contestants each two weeks.

Do come in. Paula Birdwell, Poppy Byrnes, Reisa Dannevik and Connie Rodgers have entered the contest to date. Each purchase will count votes for the girl you name.

We have some interesting co-ordinates made by the Villager, sweaters, skirts, long sox and blouses to match or mix. The colors are foggy blue, persimmon, soft brown, Indian corn and a nice off-shade of yellow.

There are pretty skirts made by Phil Rose and the sweaters are "neat," man!! Nice colors in cherry red, blues and that olive green with pink, blue, green and yellow flannels. These you will have to see. I went down the line looking at those warm slacks, made by Phil Rose and action wear and the Thermo Jac coats or jackets to wear anywhere, but especially to football games. Several in printed material and off-white, and hundreds of other blouses and party dresses or maybe Sunday School clothes is a better word for these cute things and here is a trunk full of all kinds of long sox.

Juanita showed me those very pretty and useful panty-girdle and slip combinations by Marja; good for the teenager to wear with the mini skirts or I guess you could wear longer skirts with them.

I saw Margaret Wilson and Winnie Cunningham looking at those elegant knit suits made by Jo-Ro Imports (from Hong Kong) and Cadillac and several by Nardis.

Bye Now, Myrtle

Frio Church Picks Officers

By MRS. OWEN ANDREWS

Newly elected officers and teachers assumed their responsibilities in Frio Baptist Church Sunday, beginning a new Church year. Re-elected Sunday School Superintendent was Jack Rogers. Music director is Weldon Stephen, and pianist is Mrs. Jack Rogers. Church clerk is Mrs. Homer West and treasurer is Frank Robbins. Among others elected are Homer West, Training Union director, Dave Yandell, TU secretary and Tommy Sparkman, Sunday school secretary.

Rev. and Mrs. Sam Ogan attended the annual WMU meeting for Llanos Altos Association at Littlefield First Baptist Church last Thursday. Mrs. Ogan represented Frio WMU and is an officer of the association. Pastors were guests at the meeting, also. Mrs. Ogan attended an associational officers workshop at First Baptist Church, Tulsa, on Friday.

Mrs. Joe Autry was hostess to a Junior GA party, Thursday afternoon, honoring members who were promoting to Intermediate. Those promoting were Genie Robbins, Cheryl Cole, Billie Faye Marion, Diana Adams and Andrea Axe. Beverly Cole was promoted into the Junior GA. Mrs. Johnnie Robinson, also Adult leader, attended as did Rhonda Stephen and Melissa Johnson, Junior GA members.

Mr. AND MRS. T. L. Sparkman, Jr. and Mrs. Gladys Miller were among guests at a party honoring the 80th birthday of Mrs. Ed East of Amarillo Sept. 26. The party was held in the home of the honoree's granddaughter, Mrs. Virginia East Morris, in Amarillo.

The East family is among pioneer families of the Hereford area. Both the East children, Henard and Virginia, who now lives at Abilene, were graduated from Hereford High School. Henard is pastor of a Baptist Church at Arlington. He began the work there as a mission which has now grown into a church with 2,000 member Sunday School enrollment. Mrs. Morris is the daughter of Rev. and Mrs. East. Mrs. Miller is a cousin to Mrs. Henard East.

James Dobbs began work with Rex Lee Summerfield Fertilizer Sept. 12. The family is continuing to live on the Dobbs farm in this community.

Mr. and Mrs. Harry Varvil, Borger, spent Friday night with the W. H. Andrews family. The two families have been friends since the Andrews lived in the Borger area many years ago.

Visiting the Sam Ogans, Monday, were his aunt, Mrs. Floyd McLain, Amherst, and her daughter, Mrs. Vera Carlisle, of Maple. Elizabeth Andrews is attending kindergarten at First Baptist Church, Hereford, this year.

Mrs. Herber Haseloff, Abilene, came Friday to visit her daughter, Mrs. Joe Ed Andrews, and family. She had spent several days with her son, Mr. and Mrs. Robert Haseloff, at Canyon. Mrs. Robert Haseloff has been quite ill, but was improving steadily.

★ **RONNIE HALL** was honored at a surprise 4-H party at the Don Adams home Friday night by members who have been together the past year. Attending were Gerry Robbins, David Hutchins, Diana Adams, Kenneth Adams, Marvin and Sue Smith, Raymond and Eugene Warrick. Also Mr. and Mrs. David Hutchins and Dana, Mrs. Fritz Smith and Curtis and Mrs. Leo Hall attended.

On Saturday morning, Frio 4-H members were on KDHN, interviewed by Johnny Linn. The group included Ronnie Hall, Rocky Andrews, Gerry Robbins, Diana Adams, Kenneth Adams, Earl Behrens, Marvin, Sue and Curtis Smith, Raymond and Eugene Warrick. Adults present were Mrs. Frank Robbins, Mrs. Clark Andrews, Mrs. Fritz Smith, Mrs. Clarence Behrens and Mrs. Don Adams.

★ Mr. and Mrs. Earl Harkins are getting the finishing done on their new house, brought from Lubbock a few days ago. The house is a 3 bedroom style and is being bricked. It is located near the home the Harkins family now occupies.

Visiting the Owen Andrews, Sunday night, were their son, Mr. and Mrs. Glenn Andrews, Hal, Lynn and Clint, of Etter. They were here on Sunday to attend a gathering of Andrews relatives at the home of Miss Alma Andrews, in Hereford.

Also here to attend the gathering were Mrs. Allie Burris, Texline, Mr. and Mrs. Charles King, Amarillo, who were visiting Miss Alma Andrews. Others attending the gathering were Mr. and Mrs. Henry Andrews, Mr. and Mrs. T. L. Sparkman, Jr., Mr. and Mrs. Owen Andrews, Mrs. Elmer Jones, Mr. and Mrs. Chesley Johnston and Sheldon, Joel Findley, Mr. and Mrs. Tommy Sparkman, Kevin and Kirk, Mr. and Mrs. Eugene Baldwin, Robin and Brett, Mr. and Mrs. Clark Andrews, Rocky, Kirk and Lynette, Mr. and Mrs. Joe Andrews, Elizabeth and Valerie, Mr. and Mrs. George Zetsche, Ann, Cay and Jim, Mr. and Mrs. Earnest Harder. Also Mr. and Mrs. T. L. Sparkman were there and the group took the occasion to honor Mrs. Sparkman's birthday.

★ **MRS. LEO HALL, Reba and Ronnie** were honored at a fellowship occasion after church Sunday evening, and the family was presented with a gift, followed by refreshments. The Halls are moving within the next few days to Wil-

cox, Ariz., where Hall is employed as manager of a fertilizer company. Hall has been working at Wilcox most of the time since April. He is staying in the home of their daughter, Mrs. Darrell Culp, in the Wilcox area until his family moves.

Mr. and Mrs. Olin Parris left Thursday for a several days trip to California. The trip, a courtesy from Phillips Petroleum Co., expense paid for the couple to Palm Springs and other points of interest, was a reward for large gas sales of the Airport.

★ Mr. and Mrs. Clark Andrews entertained their Sunday School Class, Friday evening at their home. The party featured Mexican food and Fiesta games. The guests dressed Spanish style. Attending were Mr. and Mrs. Harlan Barber, Mr. and Mrs. Earl Harkins, Mr. and Mrs. Joe Autry, Mr. and Mrs. James Dobbs, Mr. and Mrs. Homer West, Mr. and Mrs. Weldon Stephen, Mr. and Mrs. Frank Robbins, Bill Warrick, Rev. and Mrs. Sam Ogan. Jolly Workers List Reasons For Joining 4H

(Editor's Note: As part of National 4-H Week, members of the Frio Jolly Workers 4-H Club asked themselves why they belong to 4-H. This article gives their reasons.)

The Frio Jolly Workers 4-H Club was organized nine years ago as a girls' club. Last year it became a community club.

THE CLUB has two meetings each month, one meeting features subject-matter groups, and the other is for business and program.

Due to the number of members in the club, the projects this year have been varied. Some of these include, swine, sheep, tractor care, gardening, home ground improvement, boney management, bedroom improvement, food preservation, electricity, foods and clothing. The club is planning to start an entomology group this year.

4-H MEANS different things to different people. Sue Smith has learned she can't trust a hog, and to sew. Genie Robbins thinks it is a profitable organization that teaches the necessities for being a homemaker.

Patti Robbins joined because she wanted to be able to cook and sew. Kenneth Adams thinks it is fun to raise animals, to learn about a tractor, and electrical safety.

To Curtis Smith, who has just joined, 4-H is going to the meetings and playing games. Marvin Smith enjoys raising and showing hogs, and tractor care.

RAYMOND and Eugene Warrick like the tractor meetings. David Hutchins says 4H has helped him to speak before people and to be more careful with tractors and electricity.

Ronnie Hall has learned, not to let a hog run between his legs, and how to take better care of a tractor. Gerald Robbins is looking forward to showing his lamb. Earl Behrens thinks it will be fun showing swine.

Rocky Andrews joined because he thinks it will be fun showing calves. Diana Adams thinks 4-H is a very worthwhile organization that teaches homemaking, farming practices, raising animals, and how to be a better citizen.

★ **Hale Center Visitor** Mrs. Mary Jones of Hale Center visited with her sons Bobby and Bill and their families in Dimmitt recently.

TWO NAZARETH students have enrolled in Northwest Texas Hospital School of Nursing. They are Mary Lou Steffins, left, and Marlene Jones, both of whom completed 36 weeks of pre-nursing college courses before enrolling in the nursing curriculum. They will graduate in June 1968, then will be eligible to take their state board examinations to be registered nurses. Miss Steffins is the daughter of Mr. and Mrs. R. E. Steffins. Miss Jones's parents are Mr. and Mrs. Marvin F. Jones.

Two From County Get FFA Offices

Two Castro County boys have been elected to district FFA offices.

TOMMY MARTIN of Dimmitt, son of Mr. and Mrs. W. J. Martin, was elected chaplain at the last Plainview District meeting, and Jerry Smith of Hart was elected district sentinel.

As president of the Dimmitt chapter, Martin headed a delegation to the district meeting that included Darrell Pope, Brock Merritt and Mr. Quinby.

President of the district FFA for the coming year will be Joey Meador of Matador.

THE 40 members and advisors attending the Plainview meeting voted to hold their district sweetheart and talent contest at the district banquet in Floydada Nov. 21.

Vo-Ag teachers attending set the date for the district leadership contest at Nov. 15 in Olton.

Springlake Sets School Reunion

Springlake-Earth High School will celebrate homecoming Oct. 14 and will honor the classes of '36, '46, '56 and '66.

The Wolverines will play their homecoming game against Farwell. Prior to the game, a barbecue dinner will be served in the school cafeteria.

DURING halftime of the game, a homecoming queen will be crowned, and after the game all exes are invited to the cafeteria for a program, coffee and doughnuts.

Art Gallery Perspective

BY ALICE COWEN
Larry Hilburn of Amarillo begins his classes at the Gallery today (Thursday). All those who should be in the afternoon class would be at the Gallery at 4 p.m. All others should be there at 7:30. Some adjustments have to be made as to scheduling the classes, and it is important for those who want to take the course to be there, both beginners and others.

SOME OF the Guild members have taken paintings to the Gold-ken Spread Rest Home and the residents seemed to be pleased to have them. Each Guild member was supposed to take one picture to the home last week, and not all have done so. Perhaps this will serve as a reminder. The pictures will hang there for a while and then be exchanged for others.

Leona Turner's portrait class will do a special study this week using a limited palette. This method is designed to help those students who feel particularly helpless facing a portrait model and a full palette, as most of us do. A portrait is a study in values, as is any painting; but values in a portrait must be correct if likeness is to be achieved. Leona tells her students, "Work for beautiful relationships," which means everything in a painting. Mrs. Turner did a portrait last week of Clay Armstrong and finished a full-length one of Tressa Bischoff.

Hart at Home; Nazareth Away

Hart's Longhorns will be the only Castro County team playing at home this week. They'll meet Miami Friday night in their last non-conference game of the season.

Kickoff time will be 7:30. Coach Don Ewing's surprisingly gritty little Longhorns will be looking to add a third pelt to their growing collection tonight. So far they're 2-1-1, with victories over Muleshoe B and Hereford B, a tie with Turkey and a six-point loss to Silverton.

NAZARETH will travel to Amarillo Saturday night to battle Price, the former Alamo Catholic after a week's layover due to an open date last Friday.

The Swifts started the year with a 21-14 win over Friona B, but have since dropped a 64-6 decision to Plainview Washington and a 34-0 bout to Claude. They'll be looking for their second win when they play in Amarillo Saturday night.

Game time for the Nazareth-Price contest will be 7:30.

Visiting Mother Mrs. Leo Barrows of Dallas is here to be with her mother, Mrs. Nora Wyatt who is seriously ill in Plains Memorial Hospital. Mrs. Wyatt is also the mother of Mrs. Ocid Bolton.

Freshmen Outrun Olton Colts, 20-6

Dimmitt's freshmen gridgers played host to a tough, sound Olton freshman team last Thursday night. Although the Dimmitt eleven won by 20-6, the Olton bunch provided many problems, and rallied with a fourth quarter score.

AFTER DIMMITT kicked off and held on downs, Olton got off a long punt, but a fine return by Roy Thomas started a Dimmitt drive. A 35-yard pass play from Mark Cleavinger to Johnny Vick made the first six points for Dimmitt. Cleavinger tossed to Vick again for the two points.

With two minutes remaining in the half, Bill Sanders burst through the middle of the line with help from a fake by Roy Thomas and the blocking of Johnny Vick and the whole line, for a 45-yard run for a second score. The pass for extra points was incomplete, and the halftime score was 14-0 in favor of Dimmitt.

THE THIRD quarter was a grimly fought defensive affair with each team trying to capitalize on its kicking skill. Early in the fourth quarter, a Dimmitt drive was capped by a four-yard spurt by Roy Thomas for the six points.

Olton capitalized on a Purple fumble and accepted some penalty assistance to drive in a late TD.
