

'MISS DIMMITT' GASPS AS LYNDA LOGAN PERFORMS 'SURPRISE CROWNING' ... Miss Byrnes is flanked by Vicki Powell (left) and Anita Cameron

PAGEANT WINNER AND TWO RUNNERS-UP — ALL CLASSMATES ... Elaine Davis, Poppy Byrnes, Paula Birdwell

Miss Dimmitt: Poppy Byrnes

Poppy Byrnes, a 5-3½ brunette junior in Dimmitt High School, is the new "Miss Dimmitt" for 1967-68.

SHE WON THE title over seven other talented beauties in the Dimmitt Jaycees' annual Miss Dimmitt Pageant in DHS auditorium Saturday night.

Miss Byrnes, daughter of Buddy and Jean Byrnes, succeeds Lynda Logan as the fairest of the city's fair.

The two runners-up were her own classmates, as DHS juniors swept the three top places in the pageant.

FIRST RUNNER-UP was Elaine Davis, 16, daughter of Mrs. Ernest L. Davis. Second runner-up was Paula Jo Birdwell, 17-year-old daughter of Mr. and Mrs. Kent Birdwell.

For her talent act, Miss Byrnes sang "Winchester Cathedral."

The new Miss Dimmitt didn't know she had won the title until the crown was on her head.

MISS LOGAN, as the outgoing Miss Dimmitt, was given the honor of revealing her successor. Instead of announcing the winner, she chose to "walk the line" behind the anxious girls and place the crown on the new Miss Dimmitt's head.

Miss Byrnes reacted to the gentle crowning-from-behind as though it were a train wreck.

OTHER contestants who helped make the beauty and talent show a memorable one were Beth Moore daughter of Mr. and Mrs. Odie Moore; Linda Langford, daughter of Mrs. Marie Langford; Anita Cameron, daughter of Mr. and Mrs. Al Cameron of Nazareth; Vicki Powell, daughter of Mr. and Mrs. Merton Powell; and Evelyn Taylor, daughter of Mr. and Mrs. D. C. Taylor.

(A ninth contestant, Cheryl Newman of Hart, withdrew last week after suffering abrasions in an accident.)

WINNING THE feature title of "Little Miss Dimmitt" was Penny Proffitt, 6-year-old daughter of Mr. and Mrs. Jasper Proffitt, who appeared with 14 other preschool girls in the special feature.

The Miss Dimmitt title was only the latest of many honors for Miss Byrnes. She was chosen by her classmates this year as the Junior Class Favorite and "Friendliest in class" — a pair of titles she has won in past years also.

She is also the reigning DHS Courtesy Queen, and last year was elected the 'best all-around girl' in her class. She is a forward on the Dimmitt Bobbies basketball squad, is a former officer of the DHS chapter of Future Homemakers of America, is a high school cheerleader, and is a member of the Bobcat Band and Drama Club. She was sponsored in the pageant by A&H Supply.

AS MISS DIMMITT, she will represent the city at various civic functions, and will be entered by the Jaycees in such pageants as Miss Grain Sorghum of the Nation, Texas Junior Miss, Miss Wheatheart of the Nation and others.

She is the fifth girl to carry the Miss Dimmitt title. Former winners were Suzie Davis in 1963, Keith Ann Howard in 1964, Kathy Leinen Hill in 1965, and Lynda Logan in 1966.

about dimmitt and castro county by b. m. n.

Viola and I were in Bell and Falls counties last weekend to visit relatives and to attend the biennial homecoming at my old home town, Rogers. We have been to several of these affairs and they are always a source of pleasure with a certain amount of nostalgia attached. Memories are wonderful in moderation, but life must be lived in the present and future. The future in this area is very bright and should be a challenge to a young man, a middle-age man, of a man not so young, who feels he has something to offer and the energy and desire to get ahead.

The population explosion, or just the natural increase in the number of mouths to feed, will place a heavy responsibility on the fibre and food producing areas of the country. Ours will feel the heaviest responsibility because we have the greatest potential for production. This is an area of vast opportunity.

Good rains, averaging about four inches, fell over a large section of Central Texas while we were in the neighborhood. Crops looked good and the cattle we saw were sleek and fat. Vegetation is green and lush and that part of the state should be in for a good year crop and livestockwise.

I don't have any idea how he got here or where he came from, but with my imagination I have the capacity to imagine that the high winds last weekend blew a little Mexican Brown Bat from the Carlsbad Caverns right into the Elmer Youts bathroom. I know that a bat may occasionally put in an appearance in this area and maybe find lodging in an old abandoned house or somebody's barn, but not in the Youts' bathroom. It had to be the high winds that got out of control while Viola and I were in Central and South Texas. We don't have to take Elmer's word for this weird story, it was verified by Mrs. Youts. The bread earner in the Youts family had washed his hands at 7:30 a.m. (DST) Tuesday morning in his bathroom and reached for a towel when he noticed that it was inhabited. The visitor in the Youts home was a Mexican Brown Bat (that's the way somebody described the critter.) In the fashion of any courageous husband Elmer called his wife and instructed her to guard the critter while he made preparations for its capture. He fetched a jelly jar, and using his wife as a shield he maneuvered the mammal into captivity. Dimmitt is rapidly becoming a sportsman's paradise, good fishing in any direction and not over 500 miles away, with big game hunting in the bathroom. The bat was given to the science class at the high school, and Youts was heard to mumble something about not being able to live in the same house with two old bats.

What will be the theme of Castro County's annual heritage celebration in August? You name it! **THAT'S THE** request of the Castro County Activities Committee, which will sponsor the county-wide celebration. The committee has established a "Name Our Theme" contest to encourage county residents to take part in setting the stage for the celebration. **"WE WOULD** like to have the county help us," committee members said. "So we are offering you as a Castro County citizen a chance to name our theme for the county celebration in August."

Top Ropers Will Perform Sunday

World Champion Calf Roper Glenn Franklin of House, N.M., will be challenged here Sunday by Lee Cockrell of Amarillo in a matched roping event. **THE TWO** artist artists will draw 10 calves each, starting at 2 p.m. at the Dimmitt Rodeo Grounds. And their contest will be followed by jackpot roping, with some of the top lasso men in the area entered. Admission will be \$2.50 for adults and 75 cents for children under 12. The matches are sponsored by the Dimmitt Rodeo Association, and the Jaycee-ettes will operate the concession stand.

MAGALINE BIRKENFELD
Salutatorian

NHS Announces Top Graduates

Gerald Brockman is the valedictorian of Nazareth High School's Class of '67, and Magaline Birkenfeld is the salutatorian. The two top scholars in the NHS graduating class were announced Tuesday by Supt. John Slavik. Brockman, son of Mr. and Mrs. L. C. Brockman, compiled a straight A average throughout high school to earn the top scholastic honor in his class. He has been president of the Class of '67 for three of his high school years, was a delegate to Boys State in Austin last year, and was also active in sports throughout his high school career. He captured the district singles tennis championship this year. **MISS BIRKENFELD**, daughter of Mr. and Mrs. L. H. Birkenfeld, compiled a B-plus average during her four-year high school career. Active in FHA and sports, she was this year's Betty Crocker Home-maker of Tomorrow winner, was an all-district basketball forward two years while leading her team to two district titles, and was a delegate to the FHA state convention in San Antonio last year.

Celebration Theme Is Needed; You Name It, Committee Says

What will be the theme of Castro County's annual heritage celebration in August? You name it! **THAT'S THE** request of the Castro County Activities Committee, which will sponsor the county-wide celebration. The committee has established a "Name Our Theme" contest to encourage county residents to take part in setting the stage for the celebration. **"WE WOULD** like to have the county help us," committee members said. "So we are offering you as a Castro County citizen a chance to name our theme for the county celebration in August."

Grad Whirl in Full Swing

The end-of-school whirl is in full tilt. **MANY OF** Dimmitt High School's seniors have no less than 12 parties and banquets scheduled in the next 14 days before they receive their diplomas. These activities must be worked in before, during or after their classes, clearance chores, assemblies and rehearsals as they wind up their public school careers. And, of course, all underclassmen will be busy too as they go through six-weeks exams, finals and special assemblies marking the final lap of the school year. **HERE'S** the DHS student date book as of this week, compiled by Principal Ike Moore: **Today:** Bedford Street Church of Christ Senior Party, 6 p.m., Dimmitt Park. **May 13:** Area FFA Convention, Amarillo. Junior-Senior Banquet, South Grade Cafeteria. Dimmitt Elementary Music Meet, High School Auditorium. **May 15:** Faculty Meeting to select students for Citizenship awards, 8 a.

50 Seek Cause Of Teacher Loss

After a telephone campaign and pre-meeting huddle Monday, 50 Dimmitt School District residents confronted the school board Monday night to ask for an investigation into the turnover of teachers here. The size of the crowd forced the school board to move its meeting from the board room to the high school cafeteria. **DALE PRATHER**, who told board members he had been selected spokesman for the group at a meeting earlier in the day, said the school patrons were concerned about the number of resignations and dismissals from the school faculty and wanted to know the underlying reasons. Supt. Paul Hu'burn confirmed that 14 of the school's 100 faculty members have resigned, including Dimmitt Junior High School Principal Bill Reisdorff, who has accepted the superintendent's post at Hartley. **HE SAID** resignations have also been submitted by Mrs. Amanette Henders, Inez Crump and Mrs. Madeline Cooper, sixth grade teachers; Mrs. Katy Ross and Mrs. Johnnie Hughes, fifth grade; Mrs. Ellen Gregory, third grade; Frank Monceballes, junior high languages; Mrs. Kathrine Monceballes, school nurse; Mrs. Maxie Hinton, junior high music; Roy Hunter, high school physical education and math; Mrs. Brooka Stokes, high school homemaking; W. W. Cooper, high school science and Bernice Littlepage, high school journalism and history. Hilburn went into detail, reading the letters of resignation he had in hand and telling the reasons he had been given by teachers who are leaving this year. He said the main reasons given by teachers leaving the Dimmitt School system were higher salaries, health reasons, chances for advancement and opportunities to work in specialized fields. He also agreed that personality conflicts may exist in the 100 teacher school system. He added that a professional evaluation of the school's overall operation would be available to the public when a full report is published soon. The year-long school evaluation has been conducted here by Dr. Morris Wallace of Texas Tech and a team of public-school and college educators. Hilburn also explained the state school laws on teacher pay schedules.

Dimmitt Man Dies In Truck Mishap

Funeral services were held in Northside Baptist Mission Monday afternoon for Edward A. Evans, 37-year-old Dimmitt truck driver who was killed in an accident near Hemstead Friday night. Rev. Frank Polard, pastor of First Baptist Church, officiated. Burial was in Castro Memorial Gardens under Dennis Funeral Home direction. **MR. EVANS**, father of six, was driving for D. F. Rogers Trucking Co. at the time of his fatal accident. He is survived by his wife, Billie J.; three sons, Eddie, Joe, Gary, and Robert; three daughters, Kathy, Sue and Nancy, all of the home; his mother, Mrs. A. L. Band of Plainview; a brother, James of Dumas; and a sister, Mrs. Dovie Lee Taffety of El Paso.

Cotton Allotment Lease Plan Comes Up for Vote Next Week

Cotton farmers in Castro County will vote next week on whether they want to be able to sell or lease their cotton allotments outside the county. **JIM ELDER**, chairman of the Agricultural Stabilization and Conservation County Committee, said the referendum on the question will be conducted May 15 through 19. Ballots may be returned by mail or delivered by hand to the ASC county office during that time. The only question to be decided by the balloting is whether upland cotton allotments may be transferred during the next two years to farms which are owned or controlled by someone else and located in other counties. Such transfers may be made by sale or by lease. In no case may transfers be made outside the state. An affirmative vote by at least two-fifths of the county office.

Grad Whirl in Full Swing

Senior Day. Cheerleaders elected. **May 23:** Semester examinations. Textbooks are to be taken up after each test. All fees, fines, dues must be paid before students may take examinations. **May 24:** Semester examinations. **May 25:** Teacher accounting day — student holiday. **May 26:** Report cards will be mailed out this year. Plans Announced On Memorial Park

Officers are to be elected this month and a business office established here within the next 60 days on a new memorial park where the former Rest Haven Memorial Park is located. **THE NEW** cemetery will be named Castro County Memorial Gardens, according to its manager, Charles Connolly of Corpus Christi. Connolly, who also operates memorial parks at Seminole and Levelland, said the new park here will be 50 percent owned by local people, and that all officers of the corporation will be local residents. Landscaping shrubs, planting and water line installation are now underway at the park site, two miles west of Dimmitt on the Clovis highway. **THE PARK** will be operated under the jurisdiction of the State Banking Dept., with an irrevocable trust fund at First State Bank to provide perpetual care, Connolly added. He said the new garden-type cemetery will be a "true memorial park," with bronze memorial plaques at the heads of plots, rather than tombstones. Memorials will be at ground level, and will include unhooking flower vases. The cemetery will resemble a landscaped park, with no tombstones showing. Under state banking laws, a percentage of each plot's price must go into trust at the time the deed is issued, to provide perpetual care for the plot in the future. **MEMORIAL** park plots are usually sold in advance, either on a cash or time-payment basis. First State Bank will be the park's trustee, and \$7,500 is now on deposit there to start the perpetual care fund, according to Bob McLean, bank president. Connolly said the new cemetery corporation has the original records of Rest Haven Memorial Gardens, and that it will honor contracts made by Rest Haven and issue deeds to those who paid for plots in the former memorial park. **THOSE WHO** made partial payment on plots at Rest Haven, he said, will receive credit for the amount paid. He said Rest Haven plot owners and contract holders will be contacted when the corporation establishes its office here. Castro County Memorial Gardens, Inc., will belong to the National Association of Cemeteries, which has a plot exchange program among all its member parks in the US, Connolly said. Through the NAC, a plot owner may transfer his cemetery property to any other member park on a dollar-for-dollar basis.

Grain Dealers 'Elevate' Brown; View Shortage of Stored Grain

DeWayne Brown, manager of Farmers Grain Co. of Hart, is the new president of the Panhandle Grain and Seed Dealers Association. **HE WAS** elected during the association's 51st annual convention last week in Amarillo. More than 600 members and guests from six states attended the convention Thursday through Saturday in the Holiday Inn West. Brown's election places him at the helm of a dealer network serving the nation's major grain-producing region. He is also a director of the National Grain and Feed Dealers Association and a director of the Plainview Grain Exchange. **GRAIN DEALERS** attending the convention focused their attention on a worsening shortage of stored grain in Panhandle elevators. Donald E. Smith of Kansas City, director of the Commodity Credit Corporation, told convention delegates Saturday, "With the country elevator operators already hit hard by lack of grain and wheat storage, another 12 million bushels of grain will be loaded out of West Texas elevators for re-storage in the Gulf ports and West Coast areas." **GARY HUFHINES**, Fort Worth — Denver Railroad agent in Dimmitt, reported that he received loading orders for 20,900,000 lbs. of Castro County grain on April 28, and has shipped 5,600,000 lbs. of it so far. And W. J. Christy, FW&D agent at Hart, reported 130 cars on order.

Nelsons Host Club Friday

By Mrs. Robert McDaniel
Mr. and Mrs. Woodrow Nelson entertained Northedge Community Club members in their home Friday night.

Those attending were the Herman Roses, Bob Bakers, Buford Newtons, Martin Youngs, Dan Heards, Robert McDaniels and Mrs. John Crum.

DARLA CRUM had a slumber party Friday night. Camellia Taylor, Tonja Morgan, Bobbie Kirby and Leta Dodd were her guests.

Weevil Control Program Extended

Members of the Area-wide and Steering Committees of the High Plains Diapause Boll Weevil Control Program have voted to continue in 1967 the fall spraying operations which started in 1964 and have reduced overwintering populations of boll weevils in nine infested counties to about two percent of previous numbers.

AT THE same time, the group voted to increase efforts to improve eradication methods which would remove the weevil threat from the Plains once and for all.

There is a possibility one or more of these eradication techniques could be ready for a test run in the spring of 1968.

There is no acceptable alternative to continuing the program, according to Ed Dean, Field Service Director for Plains Cotton Growers, Inc., the High Plains cotton producer organization which initiated the program.

HE ALSO said that if this area is to be in a position to take advantage of male sterilization or other eradication techniques, it is necessary that weevil numbers be kept down to the current low level.

IF THEY dried up, the oceans of the world would yield 4 1/2 million cubic miles of salt - or 14 1/2 times the bulk of the entire continent of Europe above the high water mark.

THESE ARE the Little League Yankees, whose players are posed by position here. In foreground are Yankee catchers Gary Wise, Gene Thompson and Paul Langford.

A Crown for Mother

You, as a Mother, are honored by your children on a special day - Mother's Day. How the little things they make for you with their own small hands please you and warm your heart.

It warms and quickens the heart of God when you honor Him on His special day. "Remember the Sabbath Day, to keep it holy." Exodus 20:8. Worship God on this next Sunday in the church of your choice. We should honor our loving Heavenly Father even as we expect our children to honor us.

Attend church on Mother's Day.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish.

Dimmitt Soldier Assigned to Asia

Pvt. Hoy Jerl Morgan, 17, son of Mr. and Mrs. Arnold Morgan of Dimmitt, has arrived in Korea for two months' advance training before being assigned to 13 months of duty in Vietnam.

PVT. MORGAN enlisted in the Army Nov. 21, 1966, and received his basic combat training at Fort Bliss, Texas. He was then assigned to Fort Knox, Ky., for advanced training in armor and became a qualified tank driver. He reported to Fort Lewis, Wash., before disembarking for Korea.

INTEREST in home gardens in Texas is on the increase. Dr. John Larsen, Extension horticulturist, cites several reasons: namely, better taste and quality of vegetables produced at home but labor shortages in vegetable fields and the trend to mechanized harvesting are big factors, he adds. Machines work best on vegetables which are canned or frozen. Home gardens thus are coming back as a source of garden fresh vegetables.

SOME MODERN life rafts are now equipped with a compact solar still which produces fresh water from seawater by means

Seniors Tell Plans

The graduating seniors of 1967, will be out of school in seven more days. Boys will be scattered all over the United States, and some even overseas, so we want to give everyone an idea where they will be. These senior boys have planned the following activities after graduation.

Garland Jarvis will work and go to Lubbock Christian College.

Joe Dee Johnson will work awhile and let Uncle Sam decide what comes next.

Charles Kuntz will work at Flagg and go to Texas Tech this fall.

Kent Lindsey will work and go to San Angelo State College.

Keith McMahon will work in Wichita, Kan., and go to Eldorado Junior College.

Don Moore will work on the farm and attend San Angelo State.

David Morrison will work at the Family Mart this summer and pray to Uncle Sam.

Moises Murillo will work and try to stay away from Uncle Sam. at Western Ammonia and go to West Texas.

Antonio Pina will work and let Uncle Sam take it from there.

JOE BOB SANDERS will work on the farm and attend WT.

Harold Spencer will work on a harvest crew and then go to the Army.

Charles Summers will work on the farm and attend WT.

Wendell Moore will work on the farm and attend one of the following schools: LC, Clarendon Junior College or South Plains Junior College.

Tommy Stafford is going to get married and work at the ASC office, then go to South Plains Junior College.

Mike Bailey plans to join the Navy.

Frank Aleman will join the Army.

Donny Arnold intends to work and go to Arlington State College.

RAY BRADLEY will work on the farm and go to WT.

Mike Bruegel will go to summer school in Hawaii and then to Tech.

Joe Bill Butler plans to go to Montana and then to WT.

Stanley Byrnes will work on the farm and go to WT.

Paul Catoe intends to work and go to Tech.

Bill Glidewell will work on the farm and go to WT.

Beelee Goodwin will work and go to WT.

Benny Hastings will work at the airport and go to WT.

Larry Hobratsch will work on the highway and go to Tech.

John Howell will go to summer school in Hawaii and then to Wayland.

Charles Hedge will work and go to WT.

Rcdeny Hutto will work, and go to summer school and then to A&M.

Randy Hasley plans to go to Wayland for two years.

Ronnie Kenmore will work and go to Adams State College in Alamosa, Colo.

It is quite plain to see that all these boys have a great deal of ambition and we wish them the best of luck as they go out in the adult world for the first time.

Bandsmen Report 'Marvelous' Trip

Did you think it was a little quiet in the hall's of DHS last week? Yes, when almost one-third of the high school students are absent for three days, things tend to be a little on the quiet side.

THERE WAS A good reason for this strange condition: The Bobcat Band attended the Buccaneer Festival in Corpus Christi April 26, 27, 28, and 29.

The group left Dimmitt about 6:30 p.m. Tuesday evening. After a 20-minute lay-over in Lubbock to pick up our drivers, we were on our way again.

It was a long night, especially for the occupants of the senior bus. Tommy Stafford and Beelee Goodwin were determined not to let anyone sleep. It is rumored they whistled or sang all night long.

FINALLY AT 7:30 a.m. Wednesday morning, the band checked into the Holiday Inn in Corpus Christi. There wasn't much activity that morning. Needless to say, everyone was asleep. The first practice session for the band was held that night.

The next day, the kids lounged around the motel — catching up on some sleep and food. Some of the most industrious ones went swimming in the bay or walked to town to do some shopping. After practicing again, the band had an early curfew of 10 p.m., since we had to be up at 5:30 in order to play at 8 a.m.

Bright and early the kids rolled out and crept to the bus, headed for the coliseum to give our first performance. After the contest, back to the motel we went to change for the long anticipated trip to Parde Island!

SOME OF THE girls were determined not to get wet, but that isn't exactly how it worked out. Some of the boys were determined they would. How about that, Carolyn Dunn and Linda Harmon?

Saturday morning, the weary group from Dimmitt started loading the buses for the long trip home. After supper in San Antonio, we began the long night drive, arriving in Dimmitt about 4:20. Needless to say, very few trippers made it to Sunday School and Church.

The trip was a good one, and everybody had a marvelous time despite a few minor "tragedies." Several boys were stung by jelly fish. A "Man O' War" stung Kent Bradford (he was sure he was dying, but he is still with us and several girls' and boys' necks don't look quite natural yet. Janis Fuller vows she had to take a bath in bright green water. (Where HAD you been, Jan?)

SEVERAL PEOPLE came home the color of a boiled lobster. One group of girls had a window peeper! (Can you blame him?) To end an adventure filled weekend, the other buses got lost from the senior bus in San Antonio! We nearly starved (we were all broke) because Mrs. Aldridge had all the money and she was on the junior class bus!

Oh yes, I nearly forgot! Three boys stood three lovely DHS coeds up on a date. The gals got revenge, though. They put sugar in the culprits beds and clothing!

Burn That Flag

By GARLAND JARVIS

"Hey, Joe!"
 "Yeah?"
 "What are we going to do at the meeting tonight?"
 "Oh, I don't know. I haven't really given it much thought."
 "Why don't we have a demonstration in front of the courthouse?"

"Now! We did that last week. Oh well, just bring a flag and we'll burn it. That's always good publicity."
 "O.K. We'll see ya, Joe."

Favorite Songs

While walking around the halls of DHS I decided to do something worthwhile and ask a few people what their favorite songs were.

- Mike Hutton — Cock Fight
- Shelly George — Something Stupid
- Jackie Schaeffer — All That I Am
- Kay Willis — See The Big Man Crying
- Graham Sheffy — Green River
- Pam Buchanan — Red Rubber Ball
- Loy Wylie — Georgy Girl
- Rex (Tex) Lust — Wild Thing
- Doricell O'dham — Make the World Go Away
- DONNIE JOHNSON** — Little Louie
- Ne'son Chavers — Stand By Me
- Linda Harmon — She
- Moises Murillo — Feeling Groovy
- Hilda Peralez — Make the World Go Away.
- Louis Rendon — Louie Louie
- Daniel Murillo — Kind of a Hush
- Martha Nitsa — May Each Day
- Wanda Newsum — Silver Ribbon
- Michael Wood — Shut Down
- Mary Lee Stone — Never, Never Land
- Mrs. Avis Smith — Star Dust
- Miss Littlepage — Some Enchanted Evening.

THE PRECEDING was only a small portion of what is now being done all across the United States. In nearly every major city, "flag burning" parties are held. These "Vietniks," people, or whatever you want to call them, take our flag, the national symbol, and brutally destroy and burn it. They call our flag a "hated symbol of evil America."

This is not the only way in which our flag is de-faced. People use it for pillow cases, sheets, and even sculpture.

Today, it seems that our national symbol is nothing more than a play-thing.

WHAT WOULD happen if this sort of thing happened in Russia? The violators would instantly be arrested and prosecuted.

What has happened to the feeling for the American flag? It should be held as a sacred symbol of freedom. After all, would we tolerate anyone who burned the "Cross?"

Elections Set Friday

The Student Council discussed the election of next year's cheerleaders in a meeting held May 3.

The council also planned election of Student Council president and vice-president. Posters for the event will be hung May 10; and the election will be held the following Friday, May 12.

The council also discussed electing a new sponsor, since "Smith," the present one, finds his schedule too heavy.

Her Name Is Mother

Poets write about her; musicians sing of her; women, men and children honor her; and in each individual heart there is a special place for her. Her name is Mother.

MOTHER'S DAY is set aside each year in the United States on the second Sunday of May. It is well that "Her" day falls on the Sabbath, for even the Bible recognizes her love as that nearest perfection. This day is observed in churches and by family gatherings all across our nation.

Julia Ward Howe was the first person to suggest celebrating Mother's Day in 1872. Many reformers added their support for this day through the years; and on May 8, 1914, a resolution was passed by both houses of Congress to observe Mother's Day. The following year, the President was authorized to proclaim Mother's Day as an annual, national observance.

MANY WRITINGS refer to the wonderful mothers of yesterday, and certainly they were. But what about mothers of today? Those who have kept up with the pace of not only being a mother in the home, but also cooperating in programs of the school? Also those who lovingly maintain a home, while also helping to finance that home? Those mothers

who find time to be a part of their children's "outside the home" world, while always keeping that wonderful title of "Mother" a little above everything else?

She has many abilities combined in one person. She's the one who cares most when you are happy, sad, or just well adjusted. She's the one who sees first those things that mean happiness. She's the one who cares and stands by, even when we are wrong; not to champion our behavior, but to guide us through the mistakes to a better way of doing things. She can alter our ego when it grows too big, and build it up again when the world says we have failed.

SHE'S THE one who seeks the help of a Divine Power to guide her child to the best way of life.

She's the one who teaches, not so much by words, but by what she does, teaching that the best life is the "true to ourselves" life.

We wear a colored carnation or rose to show respect for a living mother and a white one to honor the mother who has completed her tasks on earth. But whatever we wear, wherever we go, Mother's Day is specially dedicated to a very special person. To every mother all over the world, and to our very special Mother, "Happy Mother's Day."

Annuals Issued; Staff Has Party

That long awaited day finally arrived Monday, May 3. The annuals were delivered!! In a short assembly, Wednesday the first annual was dedicated to the student body.

The staff feels this year's annual is the greatest yearbook in the history of DHS. It contains a number of "firsts," including the first one to be only a four-year annual. Students and faculty both have complimented the staff highly on this great achievement.

THE STUDENTS in Industrial Arts have put their projects on display in the showcase in the south hall. Several of the boys won awards at WTSU at Canyon April 29, with their projects. Stop

by and take a look at these outstanding projects. They really reflect a great deal of work.

Another memorable day finally arrived for the Seniors of '67. Caps and gowns arrived and seniors have begun picking them up. This is both a joyous and sad occasion. In just a few short days the Class of '67 will leave DHS, never to return to its halls as part of the student body.

THURSDAY, MAY 4, a mobile X-ray unit provided a public health service to the students and faculty of DHS. Chest X-rays were made that will detect several respiratory diseases. They were available for a much smaller fee than those made at a hospital or clinic.

Last Friday the Farm Bureau presented an assembly on fire prevention. During the 90-minute assembly, various methods of fire prevention and extinguishing were shown to the students.

Also in the assembly, various means of starting fires were shown. There are several ways of starting fires, and the program proved this very well.

It is the hope of the Journalism staff that each student will follow the safe rules of handling matches. The life you save may be your own.

Students Get Chest X-Rays

Tuberculosis X-rays were given at Dimmitt High School on Thursday by the Mobile Chest X-ray Unit.

Some of the worst chest diseases can be detected by X-rays. Dimmittites were given a chance to find out about their health.

LANNY LEWIS, chairman of the Rotary Club, and several members started the Rotary Club X-ray project. The idea was to get as many people X-rayed as possible, to detect any chest diseases.

The X-ray Unit was provided by the West Texas Tuberculosis Association. It arrived at DHS at 8:30 a.m. and stayed until 1 p.m. Each student was asked to pay \$1 to help cut expenses.

FROM 2 O'CLOCK til 5:30 it was on the south side of the courthouse square to give X-rays to all towns people who wanted them.

We would like to thank the Rotary Club for their thoughtfulness. We appreciate the time and expense in getting this unit to Dimmitt. We thank the doctors who worked the equipment also.

THE COMMITTEES and chairmen are as follows: Meats - Darrell Pope, Beans - Tommy Martin, Drinks - Mike Hutton, Set up - Russell Johnson, Clean up - All freshmen members.

May a Big Month For Moms, Grads

The month of May is full of interesting events. First on the calendar we found the birthday of Janis Fuller, a senior in DHS, who is now a woman, or at least she has reached the ripe o'd age of 18.

Genita Aldridge, also a senior, celebrates her birthday on the 13th of the month. Wishes for a happy birthday go to both girls.

MAY 14 is the day on which we honor our mothers for their patience and for just being wonderful. Everyone be sure and remember your "Mom" on Mother's Day.

On the 26th of May, the Commencement exercises will be held in the high school auditorium. This is an exciting day for the seniors who are anxiously awaiting graduation.

MAY 30, is Memorial Day. On this day we pay tribute to the men and women who died, that the oppressed peoples might remain free. Especially on this day we should be proud to be called Americans, and we should always conduct ourselves as real citizens of this great nation.

Seniors Plan Commencement

The senior class met last Wednesday and voted on ushers, pianist, and organist for Commencement Exercises.

The girls decided to wear white dresses for Baccalaureate and Commencement. The dress for Senior Day will be crop tops made alike with cut-offs.

Students Win Poster Awards

An American Heritage poster contest was sponsored by the Wayland Baptist College American Heritage program.

The entrants made a poster on any American subject. THE FIRST PLACE poster was drawn by Marcellus Nance, 16-year-old son of Mr. and Mrs. Marcellus Nance, Sr. It was a political cartoon about US Democracy. The title of the poster was "The Great Melting Pot." Marcellus will receive a \$25 bond.

GEORGE ACEVEDO, 16-year-old son of Mr. and Mrs. Sebastian Acevedo, will receive a \$10 bond for his second place poster. This poster was a drawing of George Washington and the American Eagle.

THE THIRD place poster was drawn by Virginia Tjerina, 16-year-old daughter of Mr. and Mrs. Teodoro Tjerina. Her poster was a large drawing of the American Eagle with these words written under it. "This eagle has been long used as a sign of - power, courage, and freedom." Virginia will receive a \$5 bond.

We wish to say congratulations to each of these students.

1967 'Bobcat' Is Presented

"Shhhh! Don't you dare even whisper a word of this, or I'll chop your head off! Listen, 'kid-lumps' if this gets out, it will be grounds for a hatchet murder!"

A VERY important and long anticipated event had just been announced by Miss Littepage to the Journalism Class on May 2. What could have happened and what was so secret that students should make such dire threats to each other? Well, the news is out now. The 1966-67 Bobcat Annual had arrived!

THE STAFF took a "Sneak Preview" of the annual Tuesday night at Editor Carolyn Dunn's home. We ate chips and dips, and ice cream as we ooh'ed and ah'd'ed over the "most beautiful annual" DHS has ever produced.

Wednesday morning, Co-Editors Dunn and Godfrey presented the '67 Bobcat to the student body in an assembly. The first copy went to student body president, Rodney Hutto. Martha Nitsa, our "Greek," received her gift copy, and we hope it will bring back many happy memories of her days as a "Texan," when she goes home this summer.

THE FOREWORD reads: "To you, the student body, we give the pleasures and exciting moments we have shared throughout the years. As Seniors, we have contributed our all in this last year to the Spirit of DHS. Now it is yours. Make it only the best, for DHS is the best."

Our hard work is ended. We've done the best we can. Now, it's yours. Treasure it, love it, and remember 1966-67.

Home Ec Girls Honor Mothers

The homemaking department III girls honored their mothers and several guests with a tea on May 4, in the department dining room.

THE BEAUTIFUL centerpiece was of red and white carnations. Chris James served coffee from a silver coffee service and Linda Bruton served strawberry punch. Canapes hor d'oeuvres, and petit fours were also served.

Janis Fuller read a poem "Mothers," and each girl presented her mother with a long-stemmed red or white carnation.

State to Wage Immunization With \$315,659 Federal Grant

Approval of a \$315,659 Public Health Service grant to Texas for a state-wide immunization project has been announced by Dr. J. E. Peavy, state health commissioner. THE FUNDS WILL be used to wage immunization campaigns in cooperation with local health

departments and medical societies against measles, polio, diphtheria, tetanus and whooping cough, Dr. Peavy said.

The project will last until April 30, 1968, and an additional year has been tentatively funded.

Texas has an estimated 1,550,000 preschool children, with 620,000 of these believed susceptible to measles. At least 465,000 are believed susceptible to polio.

AT PRESENT, immunizations are provided through 64 health departments located throughout the state, and covering about 75 percent of the population, the health commissioner reported. He said these are administered through various types of clinics using diphtheria, tetanus and pertussis vaccines manufactured in the State Health Department laboratories.

Polio and measles vaccines are purchased from commercial outlets, he said.

"Health departments, with cooperation from private physicians have actively promoted immunizations in the past among the preschool and school-age population," Dr. Peavy said, "but, many preschool children are not being reached by the usual and customary procedures."

THE CURRENT state plan to make 1967 the "measles eradication year" coincides with a national project urged by President Johnson.

"We hope that by the end of 1967 a case of measles will be a thing of rarity," Dr. Peavy said.

LCC Will Conduct Summer Music Camp

Choral and band students over 12 years of age are being invited to attend the annual Lubbock Christian College Music Camp Aug 6-18 on the college campus in Lubbock.

CLASSES will be held in chorus, band, song directing theory and sightseeing, Bible and drum majoring.

Recreation is being planned for the evenings, with an all-day picnic scheduled for the weekend. During the closing evening of the camp, each group will present portions of what they have rehearsed together.

Lubbock Christian College students will counsel for the camp and will live with the visitors in the dormitories.

Costs for the camp, including room and board, will be \$42.50.

Imported Water Could Turn Area To Garden Spot, PCG Head Says

"I have never been associated with anything so exciting, stimulating, or offering greater potential for the South Plains than the prospect of importing water to the area," says J. D. Smith of Littlefield.

SMITH IS president of Plains Cotton Growers, Inc., and a member of the organizing committee for Water, Inc., the formation of which is one of the first steps toward bringing water to West Texas from areas of surplus.

"Engineers and others who have studied the situation have convinced me that imported water for this area is not only possible, but practical," Smith said, and added, "It has often been said that with plenty of water the Plains could be the garden spot of the world, and I now expect to see it become just that."

The organizational meeting of Water, Inc., will be held at the Ko-

Ko Palace in Lubbock at 2 p.m. May 24, and members of the organizing committee are urging that people from all walks of life be on hand.

A CHARTER and by-laws for the organization have been drawn up and approved by the organizing committee and these will be submitted for membership approval May 24.

"Too many people are looking on imported water as a pipe dream just don't realize how close we are to the day when the Texas Water Development Board, the Bureau of Reclamation and the Corps of Engineers may say the water is available, we can get it to you at a reasonable cost, and if you want it sign this contract to pay for it. And if we are going to be ready when that day comes, we've got to start now."

The TWDB, Bureau of Reclamation and Corps of Engineers,

along with three prominent engineering firms, have conducted engineering and cost studies already that indicate the feasibility of transporting water uphill to West Texas from Northeast Texas and areas outside the state. Other studies are now in progress to outline possible storage sites in the area, a distribution system and other details.

These will be discussed at the May 24 meeting, as will the possible cost of the water once it arrives and the economic impact on the area.

INITIAL studies indicate the definite possibility of importing from three to five million acre-feet annually in about 20 years.

This compares with about five

million acre-feet now being pumped annually for agricultural use from the Ogala formation which underlies the area.

Smith said, "This is something which could mean tripling the irrigated acreage on the Plains, extending the life of our irrigation indefinitely, broadening the range of practical crops to be produced and other benefits. Just the announcement that a contract would be signed for imported water would cause an immediate jump in land values. So I feel PCG, as a producer organization, should do all in its power to move the project forward as fast as possible — which is just what we are doing."

Grain Sorghum CHAFF

If you missed the Jaycees' Miss Dimmitt Pageant Saturday night, you missed one of the nicest events that has taken place in Dimmitt in a long time. Those young people really had a beautiful stage and wonderful performance.

I thought Vicki Powell, the young lady who gave an original patriotic speech on "The Challenge of Liberty," was excellent, and I wish everyone could have heard it.

THE TIME is now here for us to plant that beautiful seed we call "grain sorghum," which is still by far the largest source of our entire agricultural products.

Quotable quote: "Do we sometimes forget to respect the other fellow's opinions?"

What's the Best Time to Plant Soybeans Here?

"When should we plant soybeans?"

THAT'S A question frequently asked of the staff of the High Plains Research Foundation. A soybean production guide published by the foundation is usually given to the questioner.

In 1966, a separate research project on date of planting various varieties was conducted at the foundation. Three varieties used were the Hinn and the Hill. The Patterson variety was used in the short season portion of the test.

The long season varieties (Hinn and Hill) usually have the highest yield and quality when planted early as possible in the growing season. Good soil moisture and a 60 to 65 degree soil temperature are desirable at planting time. Planting long season soybeans after June 10 usually results in a reduction in yield and oil percent. Planting the long season varieties too early, however, will often require an additional irrigation.

TAKING ALL factors into consideration, the recommended planting dates for long season in the North Plains are May 15 to June 10. In the South Plains, the dates are usually May 10 to June 10.

The Patterson (short season) soybean can be planted later in the growing season up to June 20 without sacrificing yield or quality. The oil content percentage usually decreases and the protein content increases as the date of planting is delayed. The Patterson soybean can be planted as late as July 15 as a catch crop but the yield and oil percent will usually decrease with the later planting. The early freeze in 1966 adversely affected the long season soybeans.

PLANTING dates for the three varieties in this test were April 20, May 5, May 20, June 10, June 25, and July 14. The test will be continued in 1967.

Details on the date of planting test have been published in the 1966 Research Report of the High Plains Research Foundation.

PROTECTION of clothing and against damage from insect pests can be a part of the spring cleaning job. The County Agents' office can supply publications on insect proofing clothing, drapes, rugs and carpets, upholstered furniture and also treatment of hard-to-reach areas in the home. Clothes moths and carpet beetles are among the most destructive of household pests.

MODERN AGRICULTURE

'Dollar-a-Bale' Board Forms; Elects Californian President

The newly organized Cotton Producers Institute is applying to the Cotton Board for a contract to develop and conduct an expanded market program for cotton, as authorized under the Cotton Research and Promotion Order.

THIS WOULD implement the plan approved by growers in a referendum last December providing for uniform assessment of \$1 per bale for research and promotion.

The trustees, who convened in Memphis, Tenn., had been selected earlier by certified cotton producer organizations in each state. They unanimously agreed to continue to utilize the staff and services of the National Cotton Council to carry out 1967 activities and develop plans for 1968.

Authority was granted also for the officers and executive commit-

tee to work closely with a special study committee of the NCC in determining recommendations for future operations.

Russell Giffen of Fresno, Calif., was elected president of the board of trustees, as transfer of existing CPI programs to the new Beltwide organization was effected.

HOWARD ALFORD of Lubbock was elected vice-president; C. R. Sayre of Greenwood, Miss., secretary; and William L. Lanier of Maccan, Ga., treasurer.

Other Texans on the 18-member executive committee are Roy Forkner of Lubbock, Joe B. Pate Jr., of Lubbock and Woodrow W. Hart of Sinton.

The institute's current programs were thoroughly reviewed, and opportunities for expanding research and promotion were outlined at the Memphis meeting. Specific projects for 1968 will be adopted at a meeting later this year.

TRUSTEES of the institute from Texas are John Abbott of Harlingen, Howard Alford of Lubbock, Roy Forkner of Lubbock, W. W. Hart of Sinton, Aubrey L. Lockett of Vernon, Joe B. Pate Jr. of Lubbock, Lawrence J. Peterson of Danevang, Dan Pustejovsky of Hillsboro, R. L. Skov of Paso, J. D. Smith of Littlefield, Charles W. Stenholm of Stamford and L. C. Unfried of Tahoka.

Bill Summers Buys Two Registered Angus

Bill Summers of Dimmitt recently purchased an Aberdeen-Angus bull from O. A. Oldham of Dimmitt, and an Aberdeen-Angus bull from J. R. Smithson, also of Dimmitt.

The sales were registered with the American Angus Association.

RED MEAT production in Texas in March by commercial slaughter plants totaled 147 million pounds, up 13.9 percent from the previous months, reports the Texas Crop & Livestock Reporting Service.

Price Sounds Alarm On New Parity Drop

"The stage has again been set to make the American farmer the scapegoat of future rises in food prices," declared Congressman Bob Price, a member of the House Republican Task Force on Agriculture.

PRICE referred to the latest Dept. of Agriculture Report that showed the farm parity ratio had dropped another two points between March 15 and April 15 to a depression-year low of 72.

"Little attention is being paid to the drop in parity and the resulting drop in food prices," said Price, who also noted that the latest reported cost-of-living figures revealed a consumer price index rise of two-tenths of one percent from February to March.

"THE COST of living rose even though the cost of food actually dropped due to a coincident decline in the Index of Prices Received by Farmers and a rise in the Index of Prices Paid for Commodities and Services by our farmers," the Pampa Congressman said.

"With living costs rising at a time when food prices are declining, we can only imagine the flood of complaints later on when and if farm prices reverse themselves and rise to the already-low levels of a year ago.

"It's strange that such a significant drop in parity can take place without any concern being expressed by the Secretary of Agriculture or anyone else in the Administration," Price continued. "It should have elicited a prompt call for immediate and coordinated action for dairy and other commodity import controls, beef import legislation, and emergency action by every appropriate agency of government to muster every available force to protect the farmers' income."

"But no such concern or re-

quest for action has been forthcoming, making earlier warnings by our Task Force even more pertinent and prophetic," he said.

"WE WARNED that American agriculture could expect little help in the fight to share equitable in the nation's economy," said Price, "and this latest drop in parity confirms our fears. While estimated annual personal income from non-agricultural sources rose 8 percent from the March 1966 rate to the March 1967 rate, estimated annual personal income from farming dropped 16 percent."

"The tragedy of the situation," he added, "is the strange silence when farm income keeps dropping, forcing more and more of our rural people into the overcrowded cities. But the cries of anguish will again be heard if and when the farmer even recaptures the level

of income he had as recently as a year ago, which even then was far below the rest of the nation. His income could rise a great deal and still be far below parity. But the temptation will be to blame the farmer rather than identify the real beneficiaries of the consumers' grocery dollars."

Seniors Give Victory Bell

A bell to go with the yells was presented to Hart High School as a goodwill gift by its seniors in assembly Tuesday morning. LARRY PARKER made the presentation to the student body as members of the class unveiled the new bell, which is mounted on a maroon and white stand. Principal Weldon Bates accepted the gift "with the hope that we will have many occasions to use it, starting with the football season next September." The assembly reached a clamorous, cheering climax as Jerry gave the new bell its first official workout.

HART SENIOR BOYS with new HHS victory bell are, from left, Jerry Smith, Wesley Bennight, Larry Parker, George Bennett and Bob Crick.

HART NEWS

Baccalaureate Services Held

By MYRT LOMAN
The baccalaureate service for Hart High School seniors was held Sunday at 8 p.m. in the First Baptist Church, with Rev. Douglas Gossett, pastor of First Methodist, bringing the message. Processional was by Mrs. Carl Rambo, and invocation was given by Bro. Van Earl Hughes. Rev. Gossett delivered the sermon and benediction. The program also included a solo by Weldon Davis. Marshals were Pam Houston and Danny Rice; ushers were Linda Popejoy, Lynda Shive, Tommy Gonzales and W. A. Hawkins III. The commencement exercise will be May 19 at 8 p.m. in the Hart School Auditorium.

grandchildren, Kevin, Kyla and Kelton home with her to spend Saturday night. Mrs. Lilly met Freddy and wife in Tulsa on Sunday evening returning children to parents. MRS. ZELLA HEIGHT Coffelt moved on Wednesday to Waxahatchie to make her home. Harold McColum of Dimmitt brought the morning and evening message at the Hart Church of Christ on Sunday. Mr. and Mrs. H. E. Newman spent the weekend in Post visiting with relatives. Little Miss Donna Davis, daughter of Mr. and Mrs. Jimmy Ray Davis had a tonsilectomy in Plainview Hospital last week.

home of Mr. and Mrs. Robert Brooks were her mother, Mrs. A. T. Matsler and Brook's son Bob Edd and family of Plainview and the daughter, Mr. and Mrs. De-ward Armstrong and family of near Clovis, N.M. Guests in the home of Mr. and Mrs. Perry Van Vliet are daughters, Mrs. James Webb and son Kelley of Port Lavaca. She is the former Ione Van Vliet. Another daughter and family, Mr. and Mrs. Clyde Wimberley of Germany, and two daughters, Tammy and Cindy, who have spent the last 28 months in Germany. Clyde is making the service a career. Mrs. Wimberley is remembered as Perry Le Van Vliet.

day morning in Fellowship Hall of the First Methodist Church. Mrs. E. E. Foster had charge of the program, "Living in the World of Nations," from the year-book of "Dialogue and Design." Also taking part in the program were Mmes. C. B. Landers, W. A. Hawkins Sr., Roy Futrell, W. C. Crick, Bob Bennett and H. H. Parker. Mrs. W. A. Hawkins Sr. gave the devotional. Mrs. H. H. Parker, president, led a short business session, with an offering of \$28 given for Methodist Mission Home. There were 11 members present.

SUNDAY IS Mother's Day. Remember to do a little something extra for Mom to show her your love and appreciation of her. A hug, kiss and word of encouragement would mean so much to her. "God could not be verywhere, so he made MOTHERS."

The Seniors of Hart High School will leave for their senior trip Saturday and return next Thursday. Sponsor Jim Rich and his brother and sister-in-law Mr. and Mrs. Bill Rich, will accompany the seniors to Denver and other scenic points nearby.

MRS. LEON SANDERS of Dimmitt will present her Hart piano students in a recital at 8 p.m. in the First Baptist Church of Hart.

The public is invited. The honor students of the eighth grade have been named. Valedictorian is Denise Lowery, daughter of Mr. and Mrs. R. H. Lowery. Salutatorian is Sharon Brooks, daughter of Mr. and Mrs. Paul Books.

The state track meet will be held Friday and Saturday at Abilene. Linda Popejoy will be representing Hart High School. Running time for her will be at 7:30 p.m. Friday.

BROWNIE Troop 23 met on Wednesday at the Scout House with leader, Mrs. Lowell Richburg and assistant Mrs. Avis Bryant in charge. There were 15 girls present, who played the 'Lemme Stick' with older girls assisting. The Junior girls were Roxann Irons and Betty Follis and Cadette Carol Miller.

Mrs. Orville Friday furnished refreshments and Donna Dudley, La Donna Hart and Le Ann Friday served. Flag bearer was Le Ann Friday with Donna Dudley and La Donna Hart color guards.

THE HART Junior Riding Club was among the 1,047 entries on Sunday in Lubbock for "Play Day," with Hart members bringing home 204 points.

The next Play Day will be on June 4 in Lubbock. Mrs. Alene Lilly spent Friday night in Sunray with son, Freddy and family, bringing the three

FRIDAY guests in the home Mr. and Mrs. Lowell Richburg were his parents, Mr. and Mrs. Clinton Richburg of Estelline and his sister Miss Sandra Richburg, a student at West Texas State University in Canyon. Mr. and Mrs. Willie Martin and children of Grand Prairie spent the weekend in Hart with his parents, Mr. and Mrs. Granville Martin and daughter, Thelma Joyce.

Mr. and Mrs. Earl Hacker and Mrs. Nora Ray were in Lubbock on Wednesday of last week to be at the bedside of Grandmother Hacker, age 93, who suffered a stroke on Monday and is in Saint Mary's Hospital in Lubbock. Grandmother Hacker is mother of Earl and Mrs. Nora Ray and an early day settler of Hart, the three are the only remaining living charter members of the First Baptist Church in Hart.

MRS. ROBERT HAWKINS and daughter Lisa arrived home Monday after spending the past week in Dallas where Lisa was admitted to the hospital for tests, examination and observation. Mr. and Mrs. Skeeter (Roy) Stringer, Sandra and Paul of Anaheim, Calif. arrived on Tuesday to visit with grandparents and great grandparents Mr. and Mrs. H. E. Loman.

Mr. and Mrs. Pete Sargent are moving to Plainview soon. Mr. Sargent is track employee of the Fort Worth and Denver and has been living in cars across from depot. Since all railway maintenance has been moved from Hart the remaining cars are to be sold and moved off railroad property.

Mr. and Mrs. C. B. Landers were in Lubbock on Sunday afternoon and Monday to attend the fall show and market for the Hart Variety Store.

MR. AND MRS. Hubert English and family spent Thursday through Sunday in DeKalb visiting with his mother, Mrs. Donna English and other relatives. Sunday dinner guests in the

Young Homemakers Pick Miss Stone As 'Little Sister' for Coming Year

Dimmitt's Young Homemakers have chosen Mary Lee Stone, a Dimmitt High School senior, as their "Little Sister" for the coming year. Her selection was announced at last Thursday night's meeting in the DHS homemaker department. TO BE eligible for the "Little Sister" honor, a girl must be a high school senior with a grade average above 90 in all subjects, plan to attend a Texas college and major in homemaking, have junior and chapter degrees in the Future Homemakers of America, participate in community and school activities, and have pleasant personality. Miss Stone will be entered in area "Little Sister" competition in September. Speaker at last Thursday night's meeting was Dr. Clarence Hicks of Hereford, who told of coronary problems and how to avoid them. DR. HICKS said the two major ways to avoid heart attacks are to start early in life with regular daily exercise and keep the diet free of animal fats. He pointed out also that people who smoke are 2 1/2 times more likely to have heart trouble than non-smokers. Attending the meeting were 14

Mary Lee Stone members and four visitors, Mrs. Zola Langford, Brenda Andrews, Mrs. H. E. Hershey and Mrs. Margaret Kennedy. ON MARCH 1, 679,000 head of cattle were on feed in Texas for the slaughter market. According to the Texas Crop and Livestock

Couple Schedules June 3 Wedding

Mr. and Mrs. Lester Richburg of Hart announce the engagement and forthcoming marriage of their daughter, Patricia Joyce, to David Smith, son of Mr. and Mrs. Harold Smith of Hart. WEDDING vows are to be exchanged June 3 at 2 p.m. in First Methodist Church of Hart. Miss Richburg is a junior in Hart High School and plans to continue her high school studies in 1967. Smith is a 1966 Hart High School graduate and attended Texas Tech one semester. He is presently engaged in farming.

of Kress. Both couples are former Hart residents. The club meets the first Thursday night of each month and all grandmas and grandpas have a special invitation, for an hour or more of good fun and fellowship. Lions Club met Monday in the community room of the bank for regular meeting. There were 14 members present. Lion Boss W. T. Sanders read a letter of appreciation from Miss Cheryl Newman, the Lions Club Sweetheart.

WT Telephone Co. Parent Firm To Merge With United Telephone

Trans-Continental Telephone & Electronics, Inc., which includes the West Texas Telephone Co. here, is set to merge with the large United Telephone System.

Announcement of the proposed merger came from Trans-Continental's head office in Dallas.

AGREEMENT in principle on the terms of the proposed merger was announced jointly by P. H. Henson, president and board chairman of United Utilities, Inc., which operates the United System, and Thomas L. Anderson, president and board chairman of Trans-Continental.

The agreement, which will be

submitted to the stockholders of both companies for approval later this year, provides for the exchange of nine-tenths of a share of United Utilities' common stock for each of the 1,968,382 outstanding shares of Trans-Continental common stock. United's common stock is listed on the New York Stock Exchange, and Trans-Continental's common stock is listed on the American Stock Exchange.

The agreement also provides that Trans-Continental's quarterly dividend, presently at a 10-cent per share level, may be increased to 18 cents per share at the discretion of its directors for non-

mal intervening dividend periods between now and the effective date of the merger.

TRANS-CONTINENTAL now serves over 85,000 telephones in Texas, Oklahoma, Missouri, Louisiana, New Mexico and Arkansas, and it operates or has under construction five CATV systems in areas in which it furnishes telephone service. Trans-Continental also owns Universal Controls Corporation, a manufacturer of products for the telecommunications and gas utility industries, based at Carrollton, Texas.

The United Telephone System, the nation's second-largest independent (non-Bell) telephone system, with headquarters in Kansas City, Mo., currently serves nearly 1,300,000 telephones in 18 states and already has other transactions scheduled for closing this year which would add three additional states and about 230,000 telephones to those totals.

WITH Trans-Continental added, the United Telephone System will serve over 1,600,000 telephones in its operating group. United also owns a controlling interest in North Electric Company, manufacturer of cross bar central office equipment and other products for the independent telephone industry.

The Trans-Continental System formed in 1960 with its first purchase of one exchange with 42 telephones, has grown internally and through acquisition of over 45 independent companies to its present size in seven years. It has total assets of approximately \$55 million, and 1967 revenues will exceed \$10 million. Trans-Continental is the 12th largest group of independent (non-Bell) telephone companies in the United States.

THE BOARD of directors of Trans-Continental, in making this move, stated that they considered it to be in the best interests of Trans-Continental's stockholders, employees and subscribers. It was the judgment of the board of directors that the United System,

over the long term, had the most to offer all three of these groups.

Bulls Outgain Steers in Test

In a "Hurry-Up" beef program here, bulls out-performed steers in both weaning weights and feedlot gains.

THIS IS the first year to compare bulls to steers in the program, according to Walter Kruse of Texas A&M University's Livestock and Forage Research Center.

Kruse started the Hurry-Up program several years ago. Its goal is to raise 1,000 pound beef animals in a year.

This year, 10 bulls and 10 steers were tested. They were two-breed crosses and three-breed crosses. Weaning weights at eight months averaged 626 for the steers and 633 for the bulls. After 121 days in the feedlot, the bulls weighed an average of 1,015 pounds. They had a feedlot gain of 3.14 pounds a day.

THE STEERS weighed 934 pounds at the end of the feedlot period. Their average feedlot gain was 2.56 pounds per day.

Kruse says there will probably be more and more bulls put in feedlots. He pointed out the steers and bulls were close together in weaning weights, but the bulls really stood out in the feedlot performance.

Other research has shown that rate of gain is closely related to feed efficiency. Although feed efficiency records weren't kept, Kruse figures the bull's made the gain on less feed per pound of gain.

KRUSE SAYS the bulls brought 60 cents less per hundred weight at the market, but the extra weight and better efficiency more than made up for the slightly lower price.

Tests at Texas A&M by Dr. G. T. King of the Animal Science Department, indicate that young bull beef is perfectly acceptable as far as tenderness, taste and "eat-ability" are concerned.

NEW YORK City uses up more than one billion gallons of water every day.

DISTRICT TRACK CHAMPS in the freshman division was this team of boys coached by Roy Hunter (right). Kneeling, from left, are Mike Meyers, team manager, Johnny Garza, Randy Talley, Johnny Rick, Larry LaBadie, Glenn Schumacher, L. J. Bailey, David Bailey and Bill Sanders. Standing, from left, are Gary Langford, Roy Thomas, Jerry Birdwell, Mike Young, Danny Newton, Marcellus Nance, Jerry Cartwright, Nelson Chavers, Mark Cleavenger and Coach Hunter.

Bailey, David Bailey and Bill Sanders. Standing, from left, are Gary Langford, Roy Thomas, Jerry Birdwell, Mike Young, Danny Newton, Marcellus Nance, Jerry Cartwright, Nelson Chavers, Mark Cleavenger and Coach Hunter.

Freshmen Win District

Dimmitt High School is liable to have a formidable track team in the next couple of years, if this year's freshman record is any indication.

The freshman thinsles, coached

by Roy Hunter, breezed to the District 3-AA freshman division championship, won two invitational meets and placed high in two others.

AND THREE of its first-team relays went undefeated during the year.

In all, the speedy freshmen earned seven trophies for their showcase.

Besides winning the district title, the team captured championship trophies at the Hereford Invitational and Springlake Relays.

The Freshmen also took second place in the Canyon Relays and finished third in the rugged High Plains League meet for freshman teams from throughout the Panhandle.

HUNTER'S FIRST teams in the 40, 800 and mile relays didn't find anyone all season who could outrun them.

Hunter singled out one runner in particular who compiled an outstanding record during the season. He is Roy Thomas, who entered 15 running events in five meets—and won 14 first places and one second. Thomas ran the 220-yard dash, the 100, the quarter mile, and anchored the mile, 880 and 440-yard relays during the season.

Cattle Raisers' Association Sets Up Program for Feeders

Following a meeting of its executive committee this week, the Texas and Southwestern Cattle Raisers Association announced plans to enlarge and expand its services and activities related to the cattle feeding industry in Texas.

BEN H. Carpenter, president, said the association would announce shortly the appointment of a new staff man to head up its enlarged activities in this phase of the cattle industry.

"The commercial cattle feeding industry has experienced a phenomenal growth in Texas during the past 10 years," he said, "and we anticipate a continuation of

this enlargement of the number of commercial feedlots in the state during the immediate years ahead."

DURING the past decade, Texas, already the leading cattle producing state, moved up from 10th place to third place as a cattle feeding state. Association officials anticipate that Texas will move into second place as a cattle feeding state within two years or less.

Plainview Rites Held for H. Burt

Last rites were held in Plainview at 10 a.m. for Hub Burt, 80, brother of Carl M. Burt of Nazareth and C. O. Burt of Hart.

MR. BURT, a Hale County resident since 1910, died Monday in Plainview Hospital. Services were in Wood-Dunning Colonial Chapel with Dr. Marshall Rhew, pastor of Plainview's First Methodist Church, officiating.

Burial was in Plainview Cemetery. Other survivors include three sisters, Mrs. Frank Stultz and Mrs. J. N. Haun of Plainview and Mrs. Seth Campbell of Kermit; and two other brothers, John H. of Calhan, Colo., and George K. of Kerrville.

Red Barn Enters Molasses Market

Red Barn Chemicals, Inc., is entering the wholesale molasses market, according to J. C. Berry, president.

"WE ARE glad to be in the molasses business," said Berry. "We feel that its usage by feed mills and feed lots represents an important segment of the country's agricultural economy. Molasses will be a vital link in our serving the agriculture interests throughout the South and Southwest."

The new marketing program is in line with the expansion Red Barn has initiated since its acquisition last fall by Sunray DX Oil Co. of Tulsa.

Red Barn will have terminal facilities at Houston, Texas, for marketing will be handled by Red Barn's Animal Products Department.

Hightower Bills Go to Governor

The legislature has approved two bills by Senator Jack Hightower of Vernon outlining administrative requirements for soil and water conservation districts.

BOTH proposals were sent to Gov. John Connally for final approval.

Senate Bill 153 requires bonding of all district supervisors and employees, and provides for audits of district accounts every two years.

It also requires boards of directors of soil and water conservation districts to keep records of all official proceedings.

The bills were amended so to go into effect immediately upon final passage.

Relative Dies In Lockney

O. V. Pylant of Lockney died suddenly Sunday afternoon in Lockney General Hospital. He was the brother-in-law of Mrs. Ola Murphy and Mrs. Mae Wright, and the uncle of Dr. Bill D. Murphy.

MR. PYLANT died at 2:30 p.m. Sunday becoming ill Saturday night. He is survived by his wife, two daughters and seven grandchildren.

When you look for the most room and the smoothest ride and the best value, you'll end up with a Chevrolet wagon everytime.

Top left: Chevy II Nova Station Wagon. Foreground: Chevrolet Impala Station Wagon. Top right: Chevelle Malibu Station Wagon.

Chevrolet Impala, roomiest in its class. While extra roominess is perhaps the best reason for buying a Chevrolet wagon, consider, also, these bonuses: Body by Fisher, Chevrolet dependability, flush-and-dry rocker panels and Magic-Mirror finish. Chevelle Malibu, smoother, quieter ride. A Malibu not only gives you a Full Coil suspension ride, but the body mountings are double-cushioned. And Chevelle carries plenty. It opens wide, 54.6 inches, to be exact, 28.5 inches high. Flip the second seat down and you've got 86 cubic feet of cargo space for all your gear. Chevelle was built to take a lot. Chevy II Nova, best equipped for the money. All-vinyl upholstery is standard. Flush-and-dry rocker panels that clean themselves are standard. Separate panels beneath each fender to inhibit rust are standard.

Mono-Plate rear suspension to smooth the ride is standard. Price? Below standard.

Holly Reports Higher Earnings

Holly Sugar Corporation's net income for the fiscal year ending March 31 was the highest in the corporation's 62-year history and totaled \$3,747,000, excluding investment tax credit.

DENNIS O'ROURKE, chairman of the board and chief executive officer, said this represents an increase of 8 percent over the \$3,459,000 earned during the previous fiscal year.

Income on a per-share basis was \$2.80 for fiscal 1967, compared with \$2.63 the previous year, adjusted for the 2-for-1 stock split in July, 1966.

Sales of Holly, the nation's second largest producer of beet sugar, were \$93,740,000 for fiscal 1967, compared with \$96,847,000 for the previous fiscal year, O'Rourke said.

Holly's annual report is to be mailed to shareholders within the next few days.

MACHINES AND chemicals continue to gain favor with Texas cotton producers. Fred C Elliott, Extension cotton specialist at Texas A&M, in a year-end summary of the Seven-Step Cotton Program, reported machinery and chemicals were used to produce and harvest much of the state's 1966 cotton crop. Pre and post-emergence chemicals for weed and grass control were used on more than 1.1 million acres, he said.

'Coins in Fountain' Prom Theme Saturday

By MRS. GUS McLAIN ... gave the welcome, and a response was given by Claude Anen, senior class president. Supt. John Slavik had a few chosen words of advice to pass on to the group. Following the banquet meal, Joy

PONY LEAGUE TRYOUTS Saturday afternoon resulted in 12 new prospects getting lots of exercise. Here, two hopefuls almost run together trying to spear a fly ball. League officials felt that enough boys showed up to fill the three Dimmitt teams' vacancies. Those still 13 and 14 who played on teams last year didn't have to try out Saturday.

POSTMASTER JOHN WOODS sends an air-mail special to Pony League hopefuls during fly-shagging practice Saturday afternoon. Three teams from Dimmitt and one from Nazareth will make up the league. Boys who could not try out Saturday can still draw a team assignment by contacting Carroll Webb at Dimmitt Engine Service.

Wilhelm gave the class history, prophesy, and each senior willed something to each junior and their teachers.

The juniors and seniors marched through a white archway covered with red roses, and around a large three-tiered fountain under a foliage covered canopy. The orchestra was on a stage among a garden scene.

The room was attended by a large group of the Nazareth School and alumni and friends.

The Catholic Daughters and their husbands enjoyed a covered dish supper and cards Sunday evening in the beautifully decorated hall.

A 2-C Keith Huseman is now stationed in Okinawa, servicing and checking out airplanes for combat in Vietnam.

CHRISTIAN Mothers Society met May 1 in the community hall for installation of the new officers: Joan Backus, vice-president and general program chairman; Mary Ruth Verkamp, secretary; Regina Hoelting, financial secretary. Leola Ramaekers, Julene Gerber and Mry Klemman gave a skit on mothers and their children. Over a cup of coffee, they touched on the subjects of the kids' hair, clothes, music, etc.

"Every mother should have a day off, even if it means she must take the sitter's money out of her Sunday offering;" and "Take your children out sometime, grant them a change of scenery and let them get to know the outside world," were some of the points brought out in their skit.

Yearbooks were printed by the Dimmitt Wheat Growers and cut and stapled by the Castro County News.

MR. AND MRS. Philip Huseman and Dwayne visited the Raymond Anners and Claude Thursday night. Boy Scout Troop 258 and Scoutmaster Dean Irlbeck spent Friday night and Saturday camping at Paul Warren's Lake. A good time was had by all.

Paul's Pit Bar-B-Cue is open on weekends. It is located next door to The Plantation on Highway 86 east of Nazareth.

THE BI-COUNTY P.T.A. meeting was held May 3 at Happy High School. Mrs. Bea Brooks, state vice-president from San An-

Yanks Take Lead After First Week

The first week of Dimmitt Little League action was "spillers' week" as no team escaped undefeated.

THE DODGERS topped the Yankees Monday night, 10-8, to take the league lead with a 2-1 record so far. Tied for second are the Cardinals and Braves with 1-1 marks, while the Yankees are in fourth place with a 1-2 listing.

In a season opener May 1, the Yankees grabbed a fateful-number win from the Cards, 11-7. But it proved to be an unlucky omen for the Yanks during the rest of the week as they dropped a 12-7 bout to the Braves last Thursday night and a 10-8 decision to the Dodgers Monday.

THE FIRST place Dodgers won their first game May 2 as they clobbered the Braves, 16-8, but dropped their second bout when they fell by a close 10-9 score to the Cards Friday night. Their victory over the Yanks Monday pulled them out of a three-way tie and gave them an early-season lead.

gelo, was the speaker. Officers were installed by Mrs. Wiley Alexander of Amarillo. They are: President - Mrs. Albert Schoenberger, Happy.

Vice-President Mrs. Lloyd Dohis, Hart.

Secretary - Mrs. Gus McLain, Nazareth.

Treasurer - Mrs. John Butler, Happy.

MRS. JOSEPHINE Ball, Urban Ball and Mrs. Jerry Wilhelm visited at Mansfield over the weekend with the Vernon Braddocks. Dickie Braddock made his First Holy Communion.

Families, friends and relatives of Grandma Gerber visited with her and enjoyed her 86th birthday at the Matt Gerbers' home in Umbarger Sunday afternoon.

Golden Spread Rest Home

Tuesday, Mrs. Myrtle Loman and Mrs. Hawkins from Hart visited Mrs. Adella Davis, Mrs. Maurine Henderson and sister Mrs. Mildred Turner visited their father, Mr. John Simmons. Mrs. Bertha Sharp's son from Texaco visited Thursday afternoon.

Mrs. E. E. Martin and Mrs. L. W. Benright from Hart visited Mrs. Adella Davis and Bill Smiley and Henry Conally. Mrs. Paul Venhaus from Nazareth visited her mother-in-law Mrs. Annie

Venhaus. Mrs. Lynn Eh'y from Nazareth visited the Nurses and Patients Thursday.

MRS. CLEO JARVIS and Mrs. W. A. Epperson visited Miss Addie Menor this week.

Mrs. Guggumos from Nazareth visited her sister, Mrs. Mary Keman.

Mr. and Mrs. Ernie Hientz from Portales, New Mexico, Mrs. Maudie Clegg and sister Cinty Cook visited their cousin, Mrs. Vio'a Griswald this weekend.

Mrs. Mamie Moore spent the weekend at home. Mrs. Adella Davis spent Sunday with friends at Tullia and attended church there. Mrs. Annie Browder had Sunday dinner with her niece, Mrs. Swain Burkett. Mr. John Simmons had

Sunday dinner with his two daughters and family, Mrs. Maurine Henderson and Mrs. Mildred Turner.

Mrs. Cordie Birdwell's daughter-in-law and son visited. Mrs. Cyde Renfro visited Miss Addie Minor.

Seven people from Church of Christ present for services at the home Sunday. Fifteen senior citizens present for services. Mr. Tom Tate returned to the Home after a week's vacation with his daughter.

The Bible Missionary Church of Clovis, New Mexico was here Sunday at 3:00 p.m. and brought us a good message, which was enjoyed by everyone present. We have a new senior citizen at the Home. He is Mr. Jessie Culp from

Hereford. He is 78 years old and he will be 79 May 16 of this year. His family are to celebrate his birthday here at the Home with a birthday cake.

Mrs. Viola Griswald's mother, Mrs. Lula Thomas from Hereford is visiting the Home for a few days to be with her daughter.

Mrs. Sebastian from Hereford visited her mother, Mrs. Fern Bowman.

We have another senior citizen, Mrs. Evie Sevick from Friona. She is 88 years young.

DRIVERS under 25 years of age continue to compile the worst traffic records of any age group. Young drivers were involved in almost 32-percent of highway deaths last year.

Janis Davis Pledges ChiO

Janis Davis of Dimmitt was among 10 Texas Women's University students introduced and presented at the Presentation of Pledges in Denton last weekend.

The presentation ceremony and dinner-dance were in the ballroom of the Greater Denton Athletic Club.

MISS DAVIS is a spring pledge of Alpha Alpha Chapter of Chi Omega social sorority, and was presented by Charles Findley of Odessa.

Flying to Denton for the event were her mother, Mrs. Aural Davis, and her sister, Suzie, a Texas Tech student.

Milady Garden Club Art Show Begins

New officers of Milady Garden Club were installed in the final spring meeting last week at the Hereford Country Club.

Hostesses were Mrs. Robert Benton, Mrs. Fred Bruegel Jr., Mrs. Winston Waggoner and Mrs. Douglas Adams.

INSTALLED were Mrs. Adams, president; Mrs. Myers Ogletree, vice-president; Mrs. Ted Robb, secretary-treasurer; Mrs. George Sides, reporter and historian; and Mrs. Winston Waggoner, parliamentarian.

Mrs. Adams succeeds Mrs. James Welch as president of the club. Other outgoing officers were Mrs. Monte Boozer, vice-president; Mrs. Waggoner, secretary-treasurer; Mrs. Adams, reporter and historian; and Mrs. Robb, parliamentarian.

Mrs. Charles Vandiver was installing officer, using "A Message of Gardening" as her installation theme.

"A GARDEN is the result of planning and planting, plus the faith and desire to cooperate with God to achieve beauty," Mrs. Vandiver told the new officers as she presented each with a nosegay of flowers.

The centerpiece of citrus fruits and foliage was won by Mrs. Don Nelson, a guest.

MEETINGS of Milady Garden Club will resume in September, and will be held at 3 p.m. the first Tuesday of each month in the First Baptist Church. Babysitters will be provided at all meetings.

Anyone interested in joining or knowing more about Milady Garden Club may contact any of the officers or former officers.

Ladies Attend GOP Conference

Two Castro County ladies attended a Republican leadership meeting for Region V recently in Wichita Falls.

THEY WERE Mrs. Gwen McFarland, county GOP vice-chairman, and Mrs. A. E. Cogburn, Precinct 13 chairman.

The conference was held at the Westwinds Motel for county chairmen, vice-chairmen and precinct chairmen in District V. Eighty workers from the district registered.

Visits In Panhandle

Mr. and Mrs. Raymond Hance visited their daughter and family, Mr. and Mrs. Jack Hodges at Panhandle last weekend.

An eight-day memorial art exhibit by Dimmitt students of the late Louis R. Neugebauer of Amarillo is now underway at The Village Shop.

THE EXHIBIT of original paintings opened Wednesday and will continue through May 19.

Mrs. June Brown, Mrs. Mary Cluck, Mrs. Millicent Davis and Mrs. Vio'a Nelson are conducting the exhibit in memory of Mr. Neugebauer.

The Amarillo art instructor, who died recently of a heart attack, was famed for his paintings of Western scenes. He had been state photographer and painter in his native Vienna before World War II, but came to the US when the Nazis gained control of Austria.

Garden Club Will Meet Wednesday

Outgoing officers will be hostesses Wednesday when the Dimmitt Garden Club holds its regular luncheon meeting.

The meeting will begin at 12:30 p.m. in the Colonial Inn dining room.

Miss Walker

Couple Sets Rites

Mr. and Mrs. John W. Walker announce the engagement and approaching marriage of their daughter, Susan Faye, to Ricky M. Flipplin of Kress.

A JUNE wedding is planned in the First Baptist Church of Claytonville.

Miss Walker will graduate from Dimmitt High School May 26. She is a member of the Drama Club and Bobcat Tales staff, and was elected by her classmates this year as "Most Talented Girl" in the Class of '67. She formerly attended schools in Kress and Hart.

FLIPPIN, son of Mr. and Mrs. C. E. Fippin of Kress, will graduate from Kress High School this month and will operate a farm east of Plainview following his graduation.

Mrs. Earl Chaney Hosts Shower For Miss Donna Dehtan Saturday

Donna Dehtan, bride-elect of Tommy Stafford, was the honoree Saturday at a tea and shower in the home of Mrs. Earl Chaney.

IN THE receiving line were Miss Dehtan; her mother, Mrs. Rex Sheffy; and Mrs. Roy Stafford, mother of the prospective bridegroom.

KIXC Will Air Dimmitt 'Salute'

Radio Station KIXC in Amarillo announced this week that it will broadcast an all-day salute to Dimmitt Tuesday.

EDDIE LANE, manager of the station, said the "Salute to Dimmitt" will be one of a series of broadcasts designed to acquaint residents of the Golden Spread with the area in which they live. The program is to be broadcast over KIXC (940) from 6 a.m. to 6 p.m. Tuesday, and will include facts about Dimmitt's school system, its industries, economy, services, cultural and recreational facilities, and its leading citizens.

Miss Logan

July 29 Rites Set

Mr. and Mrs. Charles C. Logan of Sudan announce the engagement and approaching marriage of their daughter, Lynda, to Roy Raymond Hunter III of Dimmitt.

THE WEDDING is scheduled for 8 p.m. July 29 in the First Baptist Church of Sudan, with all friends of the couple invited.

Miss Logan, a 1965 graduate of Sudan High School, has been employed by the First State Bank of Dimmitt for the last 1 1/2 years. She has just completed her reign as "Miss Dimmitt" of 1966-67.

HUNTER, son of Mr. and Mrs. Roy Hunter of Canyon, has been a coach and teacher in Dimmitt High School for the past two years. He is a 1963 graduate of West Texas State University and is a member of Kappa Alpha Order, national social fraternity.

Nazareth CD's See Cancer Film

At the May meeting of the Nazareth Catholic Daughters, a cancer film was shown by Rev. Alan Abraham of the First Christian Church in Tulsa.

REV. ABRAHAM, education chairman of the Swisher County Cancer Society, distributed leaflets concerning cancer detection and urged the ladies present to help in this year's cancer drive. The goal of the Cancer Society is to get the leaflet, "Seven Danger Signals," into every home.

A letter from the State Legion of Decency was read urging everyone to write in support of House Bill 1140 in the Texas Legislature being presented by Rep. Lomaine Holland, concerning pornographic literature. These letters should be sent before May 15.

Raymond, Mr. and Mrs. Clark Andrews, Rocky, Kirk and Lynette, Sue and Ted Smith, Mr. and Mrs. Don Adams, Kenneth and Diana, Mr. and Mrs. Clarence Behrens, Earl, Bob, Tammy and Kyle.

Mr. and Mrs. Joe Andrews, Elizabeth, Valeria and Jason visited the Carl Millers at Pampa on Saturday and spent Saturday night and Sunday with the Glenn Andrews at Etter.

Bill Struve came home from Deaf Smith County Hospital Friday after a three-day stay. He was improving.

The district meeting will be held May 28.

NEW OFFICERS elected are Catherine Hochstein, grand regent; Joan Durbin, vice grand regent; Mary Ann Durbin, prophetess; Dorothy Klemm, financial secretary; Lucille Drerup, treasurer; Norma Schacher, historian; Agnes Brockman, lecturer; Velma Slavik, organist; Ida Birkenfeld and Thelma Wehington, trustees; Mae Hochstein, monitor; Nellie Wilhelm, sentinel.

Norma Schacher won the door prize brought by Angela Acker.

THE TEXAS Crop and Livestock Reporting Service says February milk production in Texas as 229 million pounds was 17 million below January but 7 million above February last year. Also that Texas egg production was 227 million eggs, 15 million below last month but 35 million above February last year.

Frio

Andrews Return From Deep South

By Mrs. Owen Andrews

The Owen Andrews returned last week from a nine-day vacation. High points were a visit in the Wallace White home at Biloxi, Miss., with the hosts taking them on a tour of the battleship "Alabama" in the Mobile harbor; a trip to Dolphin Island, and to the docks to watch ships unloading. A foreign ship unloading bananas was said to haul more than 134,000 boxes and was unloading bananas from Equador.

Also of special interest was watching the German ship, "Maria Luise," as Volkswagens were being unloaded at Lake Charles. The ship's capacity was said to be more than 1,500 of the small vehicles. The Andrews found sugar cane and rice-growing interesting in the Louisiana Delta country.

They visited the S. B. McLallens at their home at Buckners, in Dallas, and with Harry Bruns and Thez P. Pilgreen at Vernon. Mrs. E. B. Berryman, who accompanied the Andrews to Biloxi, remained for an extended visit in the home of her daughter, Mrs. Wallace White.

MR. AND MRS. Harvey Manion and family went to Tucumcari Sunday to visit Mrs. Manion's sister, Mrs. Burl Riley, who is seriously ill.

Mrs. Laura Littrell, Mrs. T. L. Sparkman Jr., and Miss Alma Andrews went to Clovis Friday to visit Miss Littrell's sister, Mrs. Ralph Hart, who is seriously ill in Clovis Memorial Hospital.

A belated news item — John Simpson was honored on his 83rd birthday April 22, with a dinner in the home of a son, J. C. Simpson and Mrs. Simpson and family. Here to help them celebrate were the Simpsons' daughters, Mrs. Sam Lindley of Brownwood and Mrs. Leon Roberts of Wellington. Also, the other son, Robert Simpson, and Mrs. Simpson attended the dinner.

Mr. and Mrs. Harlan Barber attended funeral services for Mrs. Maddison at Colorado City May 9. Mrs. Maddison, 89, was the brother-in-law of Barber's sister, Mrs. E. P. Maddison.

VISITING the Harlan Barbers during the weekend were her brother, Jim Franklin and Mrs. Franklin of Lenora, and Mr. and Mrs. Quinton Strickland of Texas.

Attending a Brotherhood and RA meeting at First Baptist Church in Sudan May 9 were Charles Self, Weldon Stephan, Sammy Ogan, Raymond Warrick, Eugene Warrick and Rev. Sam Ogan. The speaker, a former superintendent of Baptist Boys Ranch at Burk Burnett, talked and showed slides relating to the Ranch.

Mrs. Robert Dobbins was to return home the last of the week, after spending several days in Northwest Texas Hospital in Amarillo. She was improving satisfactorily.

Mr. and Mrs. Jimmy Cassels and Jeanne of Goodland, Kan., came May 9 to visit with her sister, Mrs. James Dobbins and family, and with Jim's mother, Mrs. Tom Hargrave and other relatives.

Shelley's Chatter

Houston Is Green and Glassed-In

By MYRTLE SHEFFY
A group of us Dimmitt folks attended the Federal Land Bank Association Convention and the Garden Clubs Convention in Houston last week.

Going down for the FLBA convention were Mr. and Mrs. Harold Stephens, Mr. and Mrs. Dilly Hackleman, the Sid Sheffys and the George Bradfords. We were joined later by Mrs. P. L. Cunningham and Mrs. Jay Lee Touchstone, who were delegates to the State Garden Clubs convention.

Many nice things were planned. We saw a ball game between the Cardinals and Astros in the Astrodome.

The Astrodome is called the eighth Wonder of the World — more than four million people attend different activities each year. A person told us that the Shamrock Hilton Hotel, which is 16 stories high, could sit in the middle of the field and not touch the top. It has comfortable upholstered seating for 45,000 people. There are several cafes in it.

The Garden Club of Houston served luncheon in the beautiful, red-carpeted Astrodome Club. Very swanky. It is worth a trip to Houston to see.

And one banquet 500 ladies attended on the 43rd floor of the Petroleum Building one night. It is walled in glass. You can see the lights of the city in all directions. The Land Bank Association was host at a dinner in the beautiful Warwick Hotel. It has carved paneling brought in from France, and wall size tapestries, and an art gallery. Everyone was so pretty and dressed up. And music, music, music!

We must not overlook the fish supper — they gave us bibs to protect our dresses and small buckets for the bones.

Winnie Cunningham and Reba Touchstone came down Sunday and Mrs. Bradford and I stayed on a few days. Mrs. Bradford's nephew, Clyde has a new car. He took us to the large old First Baptist Church, where we heard a good sermon and a marvelous 32-voice choir. Then he showed us Houston and helped us move to the Rice Hotel.

We visited Mrs. Don Franklin (Merle Touchstone) in her pretty new home. She has a big yard with huge live oak trees and they have the greenest grass you ever saw. Of course, it rains a little every day, so that helps green the grass.

Mrs. Iris Touchstone and her daughter Maxine Childers, came down to Houston Wednesday. They and Reba Touchstone (Mrs. Jay Lee) stayed for the International Golf Tournament.

We chatted with Mrs. Nancy Ranson, the garden page editor of the Dallas Morning News. She is a friend of Reba's.

And we met a Mr. Garland Lewis of Haskell. He sends greetings to the Ulys Davis family, the Goodwin Millers and Pearl Sheffy, long ago neighbors.

We also visited with Mr. and Mrs. Garrison of Silverton. They sent greetings to their cousin, Mattie Seale. And on the plane we talked to Harry Fiet of Dallas. He is a friend of the Seales and Cec-

LYNDA LOGAN (front and center), Miss Dimmitt of 1966-67, comes forth to "walk the ramp" for the last time during the Miss Dimmitt Pageant Saturday night in DHS auditorium. Contestants, from left, are Evelyn Taylor, Paula Birdwell, Vicki Powell, Poppy Byrnes (who was named the new Miss Dimmitt moments later), Anita Cameron and Linda Langford.

il Dennis. He is writing a book which he says will be very controversial, called "Exit Politics." We disagreed on several things he said but it made for an interesting conversation.

One of the highlights of the Garden Club deal was a Mrs. Simpson from Memphis, Tenn. She arranged some very abstract flowers and talked every minute. She said "If you were educated yesterday, and you don't study today, you will find you are un-educated tomorrow." And another quote is, "Be yourself if it kills you — that is creativity."

Gov. Connally sent greetings and asked us to think of the beautification of Texas, especially parks. Incidentally, this is anti-litter month, so quit throwing paper around.

And I finally learned to pronounce "Bayou" — we call it a creek — we crossed Buffalo Bayou on a swinging walk bridge to see the Hogg Mansion, recently given to the city by Gov. Hogg's daughter, Irma, who is 82. I could go on and on — are you tired of me?

★
NOW HERE are some of the doings of Dimmitt people —

Dr. Charles Vandiver and his wife, Esta, left this weekend for Forrest, Miss., where they will visit friends, Dr. and Mrs. King, and other friends. They plan to rest and fish.

★
MRS. HORACE CARLILE said don't forget to tell you about the new grand nephew, named William Carlile Patton. He is the son of Clara and Jack Patton, who recently bought the Carlile Theatre. He has three brothers and one sister.

Mr. and Mrs. Joe B. Cursinger and Virginia Cursinger of Hereford were down to watch their grand sons play baseball Monday

evening. The boys are sons of the Bruce Wiggins and play on the Yankee team, but Vera Webb was really yelling for the Dodgers. Her grandson Johnny plays on that team.

Jim Manning and his bride, Jimmy were here this week from Irving to visit his parents, Mr. and Mrs. Shorty Manning. They and his grandmother Hattie Webb, went up to Sharon Springs, Kan., to visit his sister Cheri and her husband, Ted Collins. They also stopped in Canyon to see the Jack Zeiglers and were supper guests of friends Jimmy Jack and Jerry Butler Friday night. And they visited Sid and I. Jim finished school with our son Don.

Mrs. Rex Sheffy and sons, Scott and Brett, went to Duke, Okla., to visit her parents, the Smothermans. Her mother suffered her second stroke, but is some better now.

Mrs. L. H. Cadell and Mr. and Mrs. Hugh Bagwell of Fredrick, Okla., were visitors in the home of the L. H. Autrys. Mrs. Cadell is the mother of Mrs. Autry and will visit for awhile. Mrs. Bagwell is a sister.

★
MR. AND MRS. Ester Noble spent the weekend of April 21 with Don and Souse Noble and children in Texas City. Don teaches German in Texas City High School, and was recently awarded a Fulbright Scholarship for an eight-week seminar in Munich, Germany. He will leave New York June 20, and will return just in time for the start of school the last of August.

The Nobles returned by way of Temple, where Rex and Wilma Williams and children of Gainesville met them and had supper with them. They recently moved to Gainesville from Mesquite, Tex, who is an Independent Baptist minister, has accepted a full-time pastorate at Gainesville.

★
KATHY GRAHAM of WTSU was home to see her folks, Mr. and Mrs. Bill Graham Jr. Her granddad, Bill Sr., has been in the hospital a few days, but is O.K. now. I heard that Dr. Bill Lee (they call him Doctor Number 16) made a business trip to Dallas this week.

★
THE "MISS DIMMITT" contest was a nice affair. You know "A pretty girl is like a melody." I would not like to be the judge of eight girls. Poppy Byrnes, daughter of Buddy and Jean, was first and Elaine Davis and Paula Birdwell came in second and third. I would like to commend Vicki Powell on her reading about America. It was a call for patriotism and a love of country.

Evelyn Taylor, the comic, and the nice singing, dancing and piano playing of the others! And the 15 darling little pre-schoolers were all dolls. Miss Penny Proffitt was No. 1.

★
MRS. PEARL SHEFFY was hostess at a refreshment and bridge party Thursday afternoon. Her guests were Edna Riley, Edith Ramey, Jeanne Miller, Virginia Gilbreath, Katy Burkett, Ann Singer, Maxine Tidwell and Cecil Carlile.

Our friend Margaret Wilson, entered St. Anthony's Hospital Monday. She will be there for a few days for observation and treatment. We hope she will be home soon.

Guests in the home of Mr. and Mrs. J. B. Richardson Saturday were Mr. and Mrs. Jimmy Teeters and their mother from Clovis, N.M., Jim's aunt and cousins and Tuesday their guests were Jarrell Jenkins (Marguerites nephew) from Levelland at South Plains College. Another nephew Bob Carter, also of Levelland was here for the weekend. The Richardsons manage the Colonial Inn Motel.

★
THE B. M. NELSONS are home from their Texas circle trip to Rogers, near Temple, where B. M. attended a school reunion; on to Rosebud to see Viola's kin; to Beeville to see son Bascom and Penny and granddaughter. They visited Mr. and Mrs. John Fikes in Mason on the way back.

Mr. and Mrs. W. Kountz of Lubbock were Sunday guests of their son, Van and Shirley Kountz. I was chatting with Duke Chap-

First Christian Church Plans Special Mother's Day Service

Ruth Circle Meets Monday

Special Mother's Day services will be conducted at the First Christian Church's 10:50 a.m. worship hour Sunday by Minister Bedford W. Smith.

THE 1967 "Christian Church Mother of the Year" will be honored, in addition to the youngest mother, the one who has been a Christian the most years and the oldest one present.

The 1967 "Mother of the Year" was chosen by secret ballot by those attending Bible School or will not be known until revealed by a committee of former winners — Mrs. Othele (Ethel) Fry, Mrs. George (Doris) Gabel, and Mrs. Bill (Bobby) Keller. Mrs. DeWayne M. (Marilyn) Brown was also a former "Mother of the Year" at First Christian Church before their moving from Dimmitt.

Special Family Night Mother's Day services will also be conducted at 6 p.m. Sunday with special recognition being given to all complete families of mother and father with their first generation brood, as well as the mother with the most descendants present, including sons-in-law, daughters-in-law, grandchildren and families.

SPECIAL sermons are scheduled at both services. Minister Smith's morning sermon will be "The First Commandment With Promise" and the 6 o'clock theme will be "The Church in Thy House."

April 30 was a high day at First Christian when the evening attendance and worker's conference that followed totaled the same as for morning worship.

At the worker's conference, Mrs. Bedford W. Smith spoke on "Story Telling in Bible School." Dexter McCaughey, chairman of the Church's educational committee, and Roy Johnson, Bible school superintendent, led in a discussion of the theme of the evening on "How Can We Improve or Better Our Church's Educational Program?"

Another delayed report comes from an enthusiastic meeting of the Women's Council, meeting with Mrs. Roy Johnson on the Tulsa highway. Mrs. Jim (Lorraine) Hamilton is the president for 1967. The minister's wife brought the devotional.

★
LAST THURSDAY, Minister Smith attended the 19th Annual Kiamichi Clinic, which is conducted the first week in May each year at Honobia, Okla., in the Kiamichi Mountains. Some 5,000 men attended. Mr. Smith attended the first of these annual meetings when there were 68 present.

This gathering of men is referred to as "The Greatest Gathering This Side of Heaven" and is sponsored by the Kiamichi Mountain Mission, an institution since World War II. The clinic theme has been from the beginning: "How Can I Make My Life Count More Effectively for Christ?"

Minister Bedford W. Smith of First Christian Church visited last week with his brother, Russell E. Smith and family, at Grand Prairie, and in the home of a cousin, W. B. Smith Jr., at Athens, en route to be a guest of his sister, Miss Tillie Smith of Orange. He attended the Kiamichi Clinic for Christian men last Thursday in

First Baptist News

From My Heart to Yours

When we were mailing out the little paper each week a regular monthly feature was our treasurer's report. I have always been anxious that every member know everything that is going on in our church.

We have no secrets to keep from anyone. For this reason we are changing somewhat the format of this space this week to present our treasurer's report for the month of April.

One of the real "unsung heroes" of a church is the treasurer. It is obvious that we have the finest talent available for this job in Stanley Schaeffer. Very few churches can boast a Certified Public Accountant as treasurer. Stanley works long hours at this job, and this without pay. This is one example of the many, many people who blend their talents and their time into the making of a dynamic fellowship of Christians.

I do hope to see you in your place this Lord's Day.

Your pastor and friend,
Frank Pollard

Community Club Tours Boys Ranch

The Arney Community Club made a visit to Boys Ranch for its annual luncheon last Thursday. After dining with the boys they were given a tour of the ranch by the Chaplain, Rev. Quaad.

THE TOUR included the headquarters, a dormitory, the gymnasium, chapel, zoo and other physical facilities on the ranch.

In the dining hall, each lady sat at a round "family" table and visited with the boys and staff members.

Those touring the ranch were Mrs. A. E. Cogburn, C. R. Hancock, Walter Via, T. Coile, Gwen McFarland, Dozier Thornton, Bruce Fields, Ben Fortner, Clyde Hancock, Lavern Wilhelm, C. D. Zachry, Bernice D. Fortner, and Albert Schoenberger.

The next meeting of the club will be Sept. 26, with Mrs. Fields presiding.

★
Ladies Attend Styling Show
Beverly Gerber, Ramona Armen and Amelia Barrera attended a hairstyling and cosmetics show last week at the KoKo Inn in Lubbock. Brooxie Summers, hair stylist from Memphis, Tenn., demonstrated the latest cuts and fashions.

THIS SCENE WILL BE REPEATED AT SHRINER CLINIC FOR CHILDREN SATURDAY ... Castro, Deaf Smith, Parmer men to bring kids and specialists together

Shriners to Conduct Kids' Clinic Saturday

Children from this area who need the attention of recommendations of a specialist will again have the opportunity to receive this attention when the 12th Annual Shrine Children's Clinic is held Saturday. THE OASIS Shrine of Castro, Deaf Smith and Parmer Counties sponsors this clinic annually.

Not a treatment clinic or a charity clinic, the all-day project will be devoted to bringing specialists in every medical field and children with a wide variety of problems together without expense to the parents of the children.

Dentists, optometrists and medical doctors donate their services. THE ONE-DAY clinic will hold its registration in the Community Center in Hereford and move the children to the Hereford Medical and Surgical Clinic for examinations by specialists.

After the child receives a preliminary diagnosis from a board of general practitioners, he will be directed to a specialist who will do a thorough examination and will do a thorough examination and make specific recommendations for that child's future treatment or needs.

Dinner will be served parents, children and volunteers at the Hereford High School cafeteria. More information and pre-registration can be accomplished by contacting doctors in the area, or members of the Shrine. The clinic is for children from infancy to 18 years of age.

General physical examinations of well children are not part of the plan. The day is to be devoted to children with known or suspected problems.

All costs are met by the Shriners and the specialists, doctors and nurses donate their time. Registration in Hereford begins at 8:30 a.m. and will extend throughout the day Saturday.

MRS. JAKE SPEAKS UP

The last two weeks have been really busy for the Dimmitt Jaycee-Ettes since preparations for a beauty contest take a lot of time and hard work by the entire organization.

The Miss Dimmitt Contest was held Saturday night in Dimmitt High School Auditorium.

WORKING directly with the Jaycees were Jaycee-Ettes Walter Maynard and Martie Benton. Both girls put in many hours of work, as did the rest of the Jaycee-Ettes. Included in our responsibilities were stage decorations, the rehearsal party, helping backstage in the dressing rooms, and all instructions to the contestants.

This year, as in the past, our committees were well organized and the entire pageant went off very smoothly. My thanks to the entire organization!

That's all for now. MRS. JAKE

RESEARCH workers at Texas A&M University are studying fire as a method for controlling brush. A gas burner is being used to determine degrees of heat and length of time required to kill brush and trees four inches or less in diameter. Burning in combination with other range management practices may be an inexpensive method of control, say the researchers.

Ladies Host Bridal Shower

By TEENY BOWDEN Mrs. Ray Axell attended the bridal shower honoring Carolyn Hucks, bride-elect of Don Curtis, at the home of Mrs. James Busby of Springlake Saturday afternoon.

Bobby Waide participated with the Hart Junior Riding Club in the Play Day activities April 23.

Terry Bridge was one of the Springlake-Earth FFA livestock judging teams in competition in Lubbock last weekend.

Eddie Alair participated with the Springlake-Earth seventh grade track team in the District Track Meet at Kress.

Mrs. E. R. Sadler and Mrs. L. B. Bowden worked at Plains Memorial Hospital in Dimmitt at the desk, gift shop and library one afternoon last week.

Mrs. Odell James has returned home from Waxahachie, where she had visited with relatives several days.

Mr. and Mrs. Roy Lilley of Dimmitt visited Monday night, May 8, with Mr. and Mrs. J. Paul Waggoner and Jimmy. They visited the following night with Mr. and Mrs. Weldon Bradley and Lee.

Games of Wahoo and Carrom were enjoyed at the community meeting May 8. Remember, each first Monday night will be community meeting night.

There was ice Tuesday morning of last week, with a temperature of 30 to 32. A trace of moisture was received Friday.

Rev. M. D. Durham received word Wednesday morning of last week that Eddie Howard's father had passed away of a heart attack at his job the day before.

Rev. and Mrs. Durham went to the family home at Tahoka Wednesday morning and attended the funeral services in Tahoka and burial in Lubbock last Thursday afternoon.

Eddie Howard is the music director of the church. Word was received last week that Sid Taylor of Lubbock was dismissed from Methodist Hospital May 9.

Rev. M. D. Durham attended a committee meeting in the office of Dr. Franklin Swanner in Plainview May 8 to make plans for the Brotherhood Camp scheduled for this summer.

Rev. M. D. Durham, Roy Phelan, Alford Crisp and Bill Morgan attended the Associational Brotherhood meeting at Sudan May 9.

Mr. and Mrs. Ezell Sadler went to Breckenridge last Thursday to work on their lot at the lake a few days. They also visited with relatives while there.

Mrs. Charlie Hall Jones and boys visited in Clovis last Thursday with an aunt and uncle, Mr. and Mrs. James Glasscock, and their daughter, Mr. and Mrs. Jimmy Hohstadt. Mr. Hohstadt was leaving this weekend for Oakland, Calif., and Vietnam.

Mr. and Mrs. Johnny Wayne Holbrooks and children of Lubbock visited Friday with Mr. and Mrs. J. C. Holbrooks.

Mr. and Mrs. Leroy Bolinger and children of Gentry, Ark., arrived last Thursday to visit a few days with Mr. and Mrs. Robert Bridge and family, and Mr. and Mrs. Jerry James and family.

Mr. and Mrs. Roy Phelan spent the day Thursday with Mr. and Mrs. Lloyd Morris of Tulia at Lake Field, near Quitaque.

Weldon and Lee Bradley attended a fly-in breakfast at Clovis Saturday morning.

Mrs. Hershel Wilson was dismissed from Plains Memorial Hospital in Dimmitt last Thursday.

The WMS met Wednesday night of last week for the second class of the mission book, "The Woman's Missionary Union Program of the Church." Mrs. Houston Carson taught the rest of the book.

Ollie Pearl Waide attended a dinner in the First Baptist Church of Hart Wednesday, and a breakfast in the First Methodist Church of Hart Thursday morning to honor the seniors of Hart High School.

Mrs. M. D. Durham and Mrs. Roy Phelan took the Intermediate GA girls to a GA banquet in Muleshoe Friday night. The girls going were Naomi Carr, Terry Crisp, Denise Morgan and Janice Townsend.

The Young People and Intermediates of the church had a wiener roast and played volleyball at the El Paso gas plant Saturday night.

Sandra and Marian Crisp and a friend, all of Plainview, spent Saturday night and Sunday with Mr. and Mrs. Alford Crisp and Terry.

A 4-H LAND judging team from Medina County won top honors in the Southwest Regional Division of the International land judging contest held last week in Oklahoma City. Team members were F. J. Wurzbach, Joey Jungman, Frank Kaufmann, all from Rio Medina, and Kenneth Banks from Devine. They were coached by County Agent Glenn Bragg and retired County Agent C. B. Gaston.

MORE THAN 277,000 pedestrians were injured in traffic accidents in 1966. Of this total, approximately 69,000 were injured while crossing between intersections.

Jaycees to Honor Policemen Today

Today will be "Law Enforcement Day" for the Dimmitt Jaycees, who will pay tribute to local and regional law officers at their regular Thursday noon meeting at the Colonial Inn. Capt. Larry Beauchamp, assistant police chief of Brownfield and a graduate of the FBI Academy, will speak to Jaycees and lawmen on the new penal code and law enforcement in general. Beauchamp is a 10-year veteran law officer.

DURING today's program, County Judge Raymond Wilson will extend the community's thanks to lawmen who serve this area. Special guests at today's meeting will include members of the Castro County Sheriff's Office, Dimmitt Police Dept., Texas Highway Patrol and the Texas Ranger Unit in Canyon.

GOOD weather is no safeguard against traffic accidents. A report points out that 80 percent of the 52,500 traffic deaths in 1966 occurred in clear, dry weather.

Dimmitt Falters On AFS Program

For the first time since 1960, Dimmitt probably won't have an American Field Service exchange student next year.

RALPH SMITH, AFS committee chairman, said no qualified family has been found willing to take a student next year.

"Several have said they would like to have an AFS student in their home at a later date, but we've been unable to find anyone for next year," Smith said.

Meanwhile, the Lions Club — main underwriter of the AFS program here — is holding its annual appropriation until the deadline for applying, which is only a couple of weeks away.

SMITH SAID Dimmitt was asked this year to take two AFS students because of the phenomenal growth of the international exchange student program, but that DHS apparently won't have its usual one student.

He said Dimmitt could still get an AFS student — most likely a boy — but that he isn't optimistic that any family will step forward at the last minute.

"Right now, there are 3,000 boys who want to come to the US on AFS scholarships, but can't because no homes are available," he said.

Dimmitt High School has had an AFS exchange student every year since the 1960-61 school year.

Oops! Incorrect Play Dates Given

Last week's News story about Nazareth High School's senior play was incorrect on dates.

THE PLAY is to be this Saturday and Sunday night in the NHS cafeteria, instead of last Saturday and Sunday.

This year's senior play is "Creeping Shadows," a three-act mystery comedy. Sister Benedict Marie is the director.

Curtain time is 8 o'clock both nights, and admission is \$1 for adults and students from seventh grade up, and 50 cents for pupils in grades one through six. Preschoolers will be admitted free.

TEXAS SHEEP produced 38.8 million pounds of wool in 1966 — down 6 percent from 1965. A total of 5,031,000 head of sheep were shorn and they produced an average of 7.7 pounds per fleece, according to figures released by the Texas Crop and Livestock Reporting Service. Total value of wool produced was \$19 million.

TIME AND labor for maintaining the home landscape can be reduced through planning, says Everett Janne, Extension landscape horticulturist at Texas A & M University. He suggests dividing the yard space into "use areas" and developing each for its best use and beauty.

Our Congratulations . . . Poppy Byrnes

on winning The 'Miss Dimmitt' Title We're Proud To Have Sponsored Our Community's Outstanding Young Beauty for 1967!
