STATE CHAMP—Kirk Hansen's cedar-lined hope chest was judged the top sophomore woodworking project in the state industrial arts contest in Austin last weekend. The hope chest features a walnut veneer exterior with prefabricated decorative panels, and a black vinyl tufted cushion top, making it a double-duty fine-furniture piece. Hansen is the son of Mr. and Mrs. Walt Hansen.

Woodworking, power mechanics

DHS boys win nine state ribbons

Dimmitt High School industrial art students swept nine state awards in woodworking and power mechanics Friday and Saturday in Texas high school competition at Austin.

IN POWER mechanics contests, Dimmitt boys captured three first place state awards, two seconds and a third.

In woodworking, Dimmitt students produced a first, second and third in state with their DHS shop projects.

Johnny Vick, senior power mechanics student, captured two first-place state awards. He was the top scorer in the state's written examination, all classes, and

his free-piston thrust engine placed first in its class as a power mechanics research project. He is the son of Mr. and Mrs. Clyde Vick.

Sophomore woodworking student Kirk Hansen won first in his level in the state meet with his cedar-lined hope chest of walnut with an upholstered top. He is the son of Mr. and Mrs. Walt Hansen.

A **DUNE** buggy known as the "Mean Green Machine," which the DHS Industrial Arts Club built this year as its major project, won first in the open division at the state meet.

The dune buggy — built by some 50 boys in the IA Club, under the supervision of teachers G. L. DuBose and Denton Lingel — is made of a 1959 Volkswagen chassis and rebuilt engine, with a prefabricated fiberglass body.

The "Mean Green Machine" has such refinements as a tuned header exhaust system, individual wheel brakes, chromed 15-inch slot wheels, roll bar, student-designed fiberglass molded seats with customized vinyl upholstery and headrests, heavy chrome trim, racing mirrors and custom-

BIG WINNERS—These two boys and dune buggy represent three first places and a third for Dimmitt High School in the state industrial arts competition. The dune buggy, named the "Mean Green Machine" by the Industrial Arts Club boys who built it, was the champion project in the open division of the power mechanics contest. John-

ny Vick (holding plaque) won two state championships—first place in the power mechanics written exam and first place in power mechanics research. David Schaeffer, a DHS freshman, outscored many older boys to finish third highest in the Woodworking I written examination.

Bobcat Band to play today at Six Flags

Dimmitt High School's Bobcat Band left by chartered buses at 1:30 p.m. Wednesday to compete in the Six Flags Over Texas band festival at Arlington.

SCHOOL has turned out today and Friday for the annual band trip.

The 132-member sweepstakes band is scheduled to perform at 4 p.m. today (Thursday) in the Golden Palace Ballroom at the Inn of the Six Flags. Director Ralph Smith's band is competing for honors against 56 other sweepstakes-winning bands from Class A, AA and AAA schools in Texas, Oklahoma, Arkansas, Louisiana, New Mexico, Missouri and Alabama.

The band's competition numbers will be "Black Horse Troop," a Sousa march, and "Festivo," a modern concert arrangement.

AFTER performing today, Dimmitt's bandmen will take in the Six Flags sites and rides Friday and Saturday, starting their return trip from Arlington at 7 p.m. Saturday. The buses are scheduled to arrive back at Dimmitt High School at 2 a.m. Sunday.

The band students are paying \$2 each for their round trip fare, motel accommodations, meals and two days' tickets to Six Flags.

Final rites held for Mr. Dobmeier

Michael Charles Dobmeier, 91, a pioneer resident of Nazareth, died at his home at 5:50 p.m. Monday after a long illness.

ROSARY was recited at 8:30 p.m. Tuesday in Dennis Memorial Chapel, and requiem mass was sung at 4 p.m. Wednesday in the Holy Family Church of Nazareth by Rev. Stanley Crocchiola, pastor. Burial was in Holy Family Cemetery, under the direction of Dennis Funeral Home.

A retired farmer, Mr. Dobmeier was born Feb. 7, 1879, in Albany, Minn., to parents who had emigrated to the US from Germany. He was a member of the Holy Family Church, Knights of Columbus and St. Joseph's Society.

SURVIVORS include three daughters, Mrs. Rosa Dalton, Mrs. Elma Schacher and Mrs. Wilma Cryder, all of Nazareth; 20 grandchildren and 24 great grandchildren.

Active pallbearers were Allen, Richard and Gene Dobmeier, Michael Schacher and John and Don Dalton.

17, then will be sold via sealed bids DuBose said.

David Schaeffer, DHS freshman, competed against other students in all classes in the Woodworking I written examination at the state meet, and came out as the state's third-place winner. He is the son of Mr. and Mrs. Stanley Schaeffer.

Two grandfather clocks built from scratch by DHS woodworking students also placed high in the state meet. Hoyt Hestand's clock of Brazilian rosewood placed

second in the state in Level IV woodworking competition and Tony Robertson's black walnut grandfather clock placed third in the state in Level III. Both clocks have Mason & Sullivan works and three different types of chimes.

GENE GEE and David Nino won second place in power mechanics research at the state meet with their combustion experiment with a fuel cannon.

Placing third in the same category, right behind Gee's and Nino's entry, was a research project conducted by Ruben Gutierrez, Carlos Gonzales and Luis Acevedo. Their entry was a lubrication friction experiment using a specially designed plastic-bearing engine and crankshaft.

In the rugged open division of the state power mechanics contest, Robert Acevedo and Floyd Bossett won second place with their cutaway of an aircraft engine.

ALL THESE award-winning projects will be on display during the DHS Industrial Arts Dept.'s open house May 17, as well as other student projects that placed high in the recent West Texas State University Industrial Education Club Fair.

Mrs. Hyland, 86, succumbs Monday

Mrs. Joseph Hyland, 86, a resident of Nazareth since 1903, died Monday night in the home of her daughter, Mrs. Charles Braddock, after a year's illness.

REQUIEM mass was sung at 11 a.m. Wednesday in the Holy Family Church of Nazareth by Rev. Stanley Crocchiola, pastor. Burial was in Holy Family Cemetery, under the direction of Wallace Funeral Home of Tulla.

Born in 1884 in Buffalo, N.Y., Mrs. Hyland moved to Texas in 1892. She had been a Nazareth resident 67 years.

She is survived by five sons, Gerald of the Society of Mary in St. Louis, Mo., Msgr. Fred Hyland of Plainview, Patrick of Amarillo, Bert of Los Angeles, Calif., and Gary of Ogden, Utah; eight daughters, Mrs. Anton Kuster of Amarillo, Sisters Roberta and Dee Chantal, both of Fort Smith, Ark., Sister Cabrini of Newport, Calif., Mrs. Mark Homan of Niangua, Mo., Mrs. Paul Tingle of Fort Worth, Mrs. James Schaller of Jupiter, Fla., and Mrs. Charles Braddock of Nazareth; three brothers, Mike and Ed McCormick, both of Fort Worth, and Thomas McCormick of Phoenix, Ariz.; a sister, Mrs. Amelia Heigerken of Amarillo; 30 grandchildren and seven great grandchildren.

PTA will honor teachers Tuesday

The Dimmitt Parent-Teachers Association will hold its annual Teachers' Appreciation Supper at the South Elementary School cafeteria Tuesday night.

THE SALAD supper will be served at 7:30 p.m., and each lady attending is requested to bring a salad.

"If this has been a hectic year for you, think what it has been for our teachers," said Mrs. Jack Patton, PTA president. "Most of our teachers are parents as well as teachers, and face double duty throughout the school year. Let's show them that we do appreciate them."

Loli Ortiz-Reclat of Ecuador, Dimmitt High School's American Field Service exchange student, will speak during the program, and the 1970 Dimmitt PTA Scholarship will be awarded.

Castro County's Democratic voters returned Judge Raymond Wilson and Precinct 4 Commissioner Al Maurer to office in the county's only two contested races in Saturday's primary election.

WILSON won a 912-496 victory over challenger H. K. "Red" Hill for the right to go into the November general election unopposed. Wilson carried 13 of the county's 16 precincts, with Hill getting the majority in Precincts 5 and 12 at Nazareth and Precinct 11 at Flagg.

In the race for Precinct 4 commissioner, Maurer fought off challenger Marvin Jones by 42 votes, posting a 166-124 victory.

Only 48 percent of the county's 3,540 voters turned out for the primaries, with 1,408 Democrats and 37 Republicans casting ballots.

IN THE highlight race of the state Democratic primary, Castro voters gave US Sen. Ralph Yarborough a margin of only 89 votes, 742-653, over his opponent, Houston millionaire Lloyd Bentsen. Other areas considered to be Yarborough strongholds also failed to produce their usual majority for the incumbent US senator, and Bentsen gained a 90,000-vote upset victory statewide.

In the state attorney general's race, incumbent Crawford Martin scored a 926-348 advantage here over challenger David H. Brown, and coasted to an easy victory statewide.

CASTRO'S Democrats went along with the statewide trend in the state land commissioner's race, favoring challenger Bob Armstrong over the embattled incumbent, Jerry Sadler. Armstrong received 638 votes here to Sadler's 560, while the third candidate, Fred Williams, polled 102.

In the three-man race for associate justice of the Texas Supreme Court, Place 3, Castro's Democrats gave James G. Denton 635 votes to help him win the nomination. Matt Davis ran second here with 362 while Hawthorne Phillips polled 135.

In the only other contested race on the Democratic ballot — the one for judge of the Court of Criminal Appeals — the county's Democrats favored Truman Roberts over Earl W. Smith, 656-481.

IN THE Republican Primary balloting here, Paul Eggers scored a perfect 37-0 victory over Roger Martin for the right to oppose Gov. Preston Smith in the November general election. Eggers won an easy victory statewide.

In the only other contested race on the GOP ballot, the county's Republicans gave Congressman George Bush a 25-12 nod over Robert Morris for the US Senate election. Bush will face Bentsen, the Democratic nominee, in the November general election.

Summer activity program planned

Beta Sigma Phi sorority will launch a summer sports and cultural training program for Dimmitt next month.

Known as "ACT I" (Activities and Cultural Training, first year), the schedule will provide tutoring in tennis, trampolining, modern dance, art and conversational Spanish.

The "ACT I" schedule and registration blank will appear in next week's issue of the News.

'HD Woman of the Year'

Mrs. Cleaver wins title

Mrs. Rachel Cleaver of the Mulkey Home Demonstration Club was announced Tuesday as Castro County's "HD Woman of the Year."

SHE WAS presented a silver tray as a symbol of the award by Mrs. Irene Keating, county home demonstration agent, during the annual award luncheon.

Approximately 50 ladies from the county's HD clubs attended Tuesday's luncheon, which was held in the Bethel Community Building. Main speaker at the luncheon was Loli Ortiz-Reclat, Dimmitt High School's American Field Service exchange student from Ecuador.

Mrs. Cleaver was cited for 11 years' work as a home demonstration clubwoman. She has held all offices in her club, has been chairman of the county HD council two years, and is now the Mulkey HD Club's council delegate and council secretary.

SHE HAS served on the county's program building committee, family life committee and activities committee, and has taken part in the county-wide leadership workshop and the Panhandle Economic Program task force on family living and youth.

Mrs. Cleaver, who was a 4-H member as a girl, continued to teach clothing techniques to local 4-H girls after her own daughters were past 4-H age.

She and her husband, D. L., have two sons and twin daughters. One of their sons is a former Gold Star 4-H Boy.

'MISS DIMMITT, 1970' — SUSAN PARISH ... Walks the ramp, smiling and crying

Susan Parish is new Miss Dimmitt

Susan Parish, 17-year-old honor student, is the new "Miss Dimmitt."

SHE reacted with total shock when she was quietly crowned from behind by her predecessor, Barbara Hansen, in the climactic moment of the annual Miss Dimmitt Pageant Saturday night.

Then, with tears in her eyes and a beaming smile on her face, the attractive 5-7 junior glided down the ramp before a jam-packed audience as the Seven Story Darkness paid a mod-music tribute to her.

The Jaycee-sponsored pageant, emceed by "Cow Pokes" cartoonist Ace Reid, drew the largest crowd in its history — approximately 550 — to see a lively contest that went right down to the wire.

OTHER TOP finishers in the pageant were Linda Ellis, 5-3 blonde sophomore, first runner-up; Rita Vick, 5-2 brunette sophomore, second runner-up; Kathy Markley, 5-4 strawberry blonde senior, third runner-up; and Jill Braafadt, 5-2 blonde junior, fourth runner-up.

Jaycee tabulators reported that the lead changed hands several times during the pageant and that the final tabulation showed a spread of only 11 points among the top five.

Miss Parish also won the talent trophy for her humorous monologue entitled "Rest Cure." Dressed in a robe, Miss Parish perched on a stool and kept the responsive audience in the palm of her hand as she recited the tribulations

of a hospital patient who needs sleep.

MISS MARKLEY was elected "Miss Congeniality" by her fellow contestants.

Winning the "Little Miss Dimmitt" title in a field of 12 preschool girls was Wendy Monk, 5-year-old daughter of Mr. and Mrs. Rayburn Monk. Reid got so engrossed in escorting the new "Little Miss Dimmitt" and her predecessor, Connie Dennis, along the ramp that he forgot to present her with her silver loving cup, which the Jaycees delivered later.

THE NEW Miss Dimmitt is the daughter of Mr. and Mrs. J. E. Parish, 1007 Maple St. She is an honor student and has won awards in many fields. She was sponsored in the pageant by the Production Credit Association.

Miss Parish is the current Dimmitt Lions Club Sweetheart, is secretary of Dimmitt High School's junior class, and is a member of the National Honor Society, Bobcat Band, Art Club, Future Homemakers, Future Teachers, Lyre Club, and Forensics Club.

She has been named to the all-regional band and was a winner of the English award and Interscholastic League ready-writing contest. Her hobbies include art, piano, singing, cooking, sewing, reading, swimming, tennis and skiing. She hopes to major in some phase of art, decorating or designing in college.

AS THE new Miss Dimmitt, Miss Parish will represent her city in the 1970 Miss Grain Sor-

Mrs. Braddock's last rites held

Mrs. Catharine Braddock, a resident of the Nazareth community 64 years, died Saturday morning in Swisher Memorial Hospital in Tulla. She was 87.

REQUIEM MASS was sung at 10 a.m. Monday in Holy Family Church of Nazareth by Rev. Stanley Crocchiola, pastor. Burial was in Holy Family Cemetery, under the direction of Wallace Funeral Home of Tulla.

Mrs. Braddock was born Jan. 17, 1883, in Caseyville, Ky. She married Simon Braddock on Jan. 7, 1904, in St. Ambrose, Ky., and they moved to Nazareth in 1906. Her husband died in 1951.

She is survived by three sons, Rudolph, Vincent and Charles, all of Nazareth; three daughters, Christine Braddock of Philadelphia, Pa., Mrs. T. P. Schacher of Nazareth and Mrs. Harvey Payne of Idaho Falls, Idaho; two brothers, Val Acker of Nazareth and Andrew Acker of Canyon; 35 grandchildren and 99 great grandchildren.

Last rites held for Albert Wilde

Albert Wilde, 71, a Dimmitt resident for the past 1 1/2 years, died in Plains Memorial Hospital at noon last Thursday after three weeks' hospitalization. He was a victim of cancer.

FUNERAL services were conducted in Dennis Memorial Chapel at 2 p.m. Saturday. Rev. Edwin Earl Manning, pastor of the Presbyterian Church, officiated. Burial was in Castro Memorial Gardens, under the direction of Dennis Funeral Home.

Mr. Wilde and his wife, Ella, moved to Dimmitt from Abernathy in 1968 and settled in Andrews Trailer Court. He was a native of Minnesota, having been born in St. Paul on Aug. 18, 1898.

His survivors include his wife, Ella; a daughter, Mrs. Glenn Hammond of Dimmitt; two sons, Earl of Rock Island, Ill., and Billy of Coos Bay, Ore.; a brother, Ray, of Seattle, Wash.; and two sisters, Mrs. Betty Irving and Mrs. G. R. Dobson, both of Seattle.

Active pallbearers were Al Gibbs, Bert Andrews, Homer Nisbett, Tom Hall, Albert Burrier and Bill Goldsmith.

Ladies' riding club forming

An all-female riding club is being organized here.

IT IS for horsewomen of all ages, married and single, according to Linda Langford, who is drawing up the riders' list.

Miss Langford said the new riding club will have two purposes: (1) to represent Dimmitt and the county in area parades, and (2) to conduct a riding club queen's contest for single girls in August. The queen will head up the all-girl riding club during Round-up Week activities.

The only requirements for joining, she said, are that you be a female of any age and own a horse, or have one available to use.

If you're interested, you should contact Miss Langford at 647-2141 during the day or at 647-4331 after 5 p.m.

By GERALD BROADSTREET
Greetings Comrades,

It's official now, our officers as well as the ladies auxiliaries have been installed for the upcoming year.

AFTERWARD everyone enjoyed a covered dish supper and I might add it was most delicious.

OFFICERS are as follows: Commander, Howard Cook; senior vice, Jack Ebeling; junior vice, Gene Johnson; quartermaster, Chuck Braafladt; chaplain, H. K. "Red" Hill; adjutant, Ned Smith; service officer, Herman Acker; trustees, Bud Griffin, John Roberts, L. C. Braafladt; and house committee, Gene Johnson, Bud Griffin and Ned Smith.

THE Ladies Auxiliary officers are: President, Florene Leinen; senior vice, Marge Acker; junior vice, Margie McGowan; secretary and treasurer, JoAnn Roberts; conductress, Thelma Smith; chaplain, Beth Cook; guard, Jeri Davis; historian, Margaret Waggoner; patriotic instructor, Eupha Mae Griffin; trustees, Martha Myers, Beth Cook and Ilene McElroy.

I guess by now most of you have heard that we received our new lounge furniture. I still can't get over how beautiful it is and talk about comfortable, you wouldn't believe it.

If you haven't seen this furniture you must make a special trip out here to check it out. Your opinion of the style and design of this furniture along with the new carpet and the wall paneling, creates a pleasant and relaxed atmosphere.

BY THE time this news is printed we will have had our regular monthly meeting, May 5. There wasn't too much on the agenda, just mostly going over the convention plans and schedules to double-check everything.

According to the latest scoop we can expect an overwhelmingly large crowd for the district convention. Word is out that we have the nicest post in the district and everyone is anxious to see it.

DON'T forget our game night activities start at 8:30 on Wednesday so you members and guests come on out and I'll see you then.

WHATEVER you want or need, somebody probably has one. Try a "Wanted" classified ad in the News.

left May 2 for San Francisco, Camp Travis Air Force Base. Guests were his parents Mr. and Mrs. Albert Gerber, Mr. and Mrs. Jim Heeling and Mr. and Mrs. John Stork.

Fawayne Murphy of New York City will sing with the Metropolitan Opera in Dallas, May 14, 15 and 16. Saturday afternoon they will do "Norma." Saturday night Fawayne will sing "Tosca." Mr. Murphy is the son of Ola Murphy and a brother of Dr. Bill Murphy. He will come to Lubbock one day to sing at the wedding of JoDeAnn Murphy, daughter of John, then go on tour for two weeks. Mrs. Murphy will visit mother-in-law Ola Murphy.

HOWARD and Mary Hershey spent the weekend at Spur visiting their daughter Thelma Dempsey and family. Mary says they roved out to a little island in the White River for a picnic lunch. We forget that big rivers are that near us.

Mrs. George Bradford was hostess at a bridge party Thursday afternoon. She served a congealed chicken salad, cake and coffee to Edith Ramey, Cecil Clarke, Opal Bearden, Myrtle Sheffy, Cletha George, Gladys Cleavinger, Maggie Boren and Ann Singer.

Newcomers to Dimmitt are Mr. and Mrs. James Parks. They have moved to 800 West Bedford. The Parks came here from Plainview and James is sales manager for Webb-Mears Chevrolet Co. They attend the Church of Christ, and have a son at Tech.

D. H. "Mollie" Malone is back in Dimmitt with Western Ammunition. They have lived in Louisiana for a couple of years. Diana and the girls will come when school is out. They have a house on 11th Street. The Harley Dyers live in it now, but they have arranged

for a house on the same street. That is north of West Bedford Street.

Allan and Ray Bradley of Fort Worth came up for the weekend with their parents Dent and Bessie Bradley and Allan and Peggy Webb.

Mary Hays was here from Waco to visit parents Charlie and Nancy. I saw David Seale of Tech with grandson Richard Jackson of WTSU.

GOING to Methodist Arrowhead Lodge near Santa Fe Sunday to stay a week are Jackie McLeroy, Gladys Benon, Maxie Horton, Rose Acker and Rosetta Bellinghausen. These ladies are among the 60 people interested in recreation and crafts for youth. Each spring the Southwestern Recreation people get together. Mrs. Horton will lead the group singing. They will have a one-day tour of Santa Fe and the mountains.

Carolyn Jones was hostess at bridge Thursday afternoon. She served a very good strawberry pie to Gail Bruegel, Joannis Roberts, Ruth Jackson, Beth Jones, Ina Cleavinger, Courtenay Armstrong, Kitty Graham, Mona Merritt, Joe Eddie Riley, Marilyn Carver, Beth Jones and Shirley Wise.

DR. AND Mrs. Raymond Perkins and children attended memorial services for his father Mr. Raymond Perkins Sr., at the Laurin Land Chapel in Dallas. Survivors are Dr. Perkins of First Baptist Church here and his mother.

Mr. and Mrs. Paul Zahn and friends Mr. and Mrs. Owen Powell are home from a sight-seeing trip to the Big Bend Country on the Texas border of Mexico. They report a very interesting trip. The Zahns live west of the old Big

Square settlement.

Mrs. Leola Haberer and I went to the Ott shower at L. G. Layman's house. This was a good old-time visiting affair.

Mr. and Mrs. John Mueller were hosts to her mother and father Mr. and Mrs. Odin Smidson of Moline, Ill., and a sister Mr. and Mrs. Delmer Nelson of Amarillo. Mrs. Smidson says that name came from Sweden at one time.

Raymond and Hazel Mobley of Farmington, their son Kirk from San Marcos Baptist Military Academy and daughter Karla of Amarillo were here to visit Nell and Darrell Kenmore and Mrs. Mobley. Raymond's mother, Nell is shopping for a new dress to wear to son's wedding.

Poppy Byrnes, who has a good job in Dallas, came home for the weekend to visit mother Jean and Bob DuLaney and Brad.

Polly Bell went to Canyon last weekend to visit her daughter Karen and Don Sheffy and girls Karla and Kristi, but she says mostly to watch Kristi act the cowboy in a small fry play.

Mr. and Mrs. Marvin Anderson and girls and Nell Kitchens went to Hereford for lunch Sunday, then visited Mr. and Mrs. John Fielders. John is with the Hays Implement Co.

Nell Kitchens and relatives Mr. and Mrs. I. D. Kitchens and Paul Kitchens attended the funeral services for a sister-in-law Mrs. E. P. Patterson in Parsons, Kan. The service was at the chapel with Rev. John Gingrich, Methodist minister officiating. The Kitchens stopped off in Oklahoma City and Ponca City to visit relatives.

MRS. CLYDE VICK is recuperating from recent surgery in an Amarillo hospital.

Jimmy Buckley is able to have coffee with the boys at the cafes after a recent stay in the hospital.

The Jack Summers are both improved from their illness, we hear.

Wilmer Cook and Joe Weatherford were brought to the courthouse to vote Saturday. Both are in Plains Memorial Hospital. Joe almost broke his back in a fall.

Ray and Lena Martin of Abernathy were weekend guests of the Joe Scotts. They and Jim and Dorothy Elder went to Sherwood Acres near Clarendon Sunday afternoon. They report a terrible destruction from the storm there. When they came home Trudy Elder joined the group for coffee.

Mr. and Mrs. J. W. Huff of Dumas and Mr. and Mrs. R. J. Cluck and family have been visiting Roy and Retta Cluck. Both the Clucks are improving from recent illnesses. R. J.'s baby who was burned so badly last year is about well now.

MARY ALICE DICUFFA and Bea Hawkins attended a pink and blue shower one day recently at Bovina for Mary Alice's daughter-in-law, Mrs. Wilson DiCuffa. That baby is due to come next week. We'll let you know!

G. I. and Emily Clingsmith are in San Francisco visiting with G. I.'s brother F. B. Clingsmith who is very ill. They plan to stay there for a while.

A new telephone company employee is A. C. "Bud" Holland. He and his wife and boys Darrell and Mike moved here from Clovis, N.M. Doris works at the bank.

MR. AND MRS. Murray Hall were honored with a housewarming in their new home last Wednesday night. Hosts were the Andy Schumachers, the Bill Harmons, the Brown L Smiths,

the Emmett Brodersons, the Troy Kirbys, Dr. and Mrs. Bill Lee and Billye Gwynn Davis.

Coffee, punch and cookies were served to the approximately 40 guests attending.

Gift from the hosts was decorative brass scales with a floral arrangement in one side. Then the other guests gave money in the other side of the scales to buy a gift for the new home.

Virginia Newsom of Lubbock and her parents Mr. and Mrs. Winther from York, Neb., visited with Jack's mother Nora Mae Newsom, his aunt Faye Holland and Garnett and Polly Holland. Virginia was librarian here for a long time.

The George Bagleys plan a trip to Dallas to visit a sister while school is out two days. The bond and many parents are going to Six Flags, east of Fort Worth for their trip.

Bible Thoughts
NO ROOM
By RONNIE PARKER
A crowd of teen-agers were out together. First a movie, then a stop for a coke. Crowding into their cars to continue the party in the basement recreation room of Dick's home, they hurried by a boy walking manfully down the street with the aid of leg braces and two crutches. They all knew him. One boy remarked, "We should ask Mark to ride. It must be pretty tough carrying yourself down the street with nothing much but your shoulder muscles." "Aw, he's all right," came the reply, "He's used to it, and besides we haven't got room in the car."
Luke tells of the birth of Christ: "And she brought forth her firstborn son, and wrapped him in swaddling clothes, and laid him in a manger; because there was no room for them in the inn."
No room for Christ? No time for Him? No concern, love and compassion for people in need?
Christ, who grew up and died for the sins of the world, speaks to us: "Verily I say unto you, Inasmuch as ye did it not to one of the least of these, ye did it not to me."

A Crown for Mother
You, as a Mother, are honored by your children on a special day — Mother's Day. How the little things they make for you with their own small hands please you and warm your heart.
It warms and quickens the heart of God when you honor Him on His special day. "Remember the Sabbath Day, to keep it holy." Exodus 20:8. Worship God on this next Sunday in the church of your choice. We should honor our loving Heavenly Father even as we expect our children to honor us.
Attend church on Mother's Day.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Community building is scene of fun parties and cleanups

By MRS. JACK RISTER
The Bethel ladies met Thursday at the community center for handwork. The ladies brought a covered dish luncheon and had a cleanup afterward. Some 15 ladies attended.
The primary election was held at the Bethel community center Saturday.

★ SATURDAY night the 4-H Club met for a community building clean-up and a ballgame, hot dog supper and push-ups.

Mr. and Mrs. Wesley Barnes, Mr. and Mrs. Jimmy Ivy of Lazbuddie, Mr. and Mrs. Charles Harris of Turkey, Mr. and Mrs. Larry White of Dimmitt, were dinner guests of Mr. and Mrs. Buster Morgan, Ricky and Randy on Saturday. The occasion was to celebrate Mr. Morgan's birthday.

★ TERRELL OTT of Earth spent the night with Ricky and Randy Morgan last Friday.

Randy Morgan went to Stephenville with the FFA boys for land judging. The left on Thursday and returned Friday night.

★ THE J. T. STEHRS received word Sunday of the death of Mrs. Herman Schueler in Friona Hospital Saturday night following a lengthy illness. Mrs. Schueler was the mother of the Stehrs' son-in-law, Herbert Schueler. She is survived by her husband, two daughters, three sons and 23 grandchildren. She was preceded in death by two daughters.

Mrs. Joe Finck of Tulia has spent the week with her daughter and family, the Houston Luts.

Mrs. Bud McElroy visited Mrs. L. H. Hooper of Morton Thursday.

★ MR. AND MRS. Jack Rister moved from the Dennis Williams farm to the Murray Snyder farm this week.

Mr. and Mrs. Vern West and

family moved to the Dennis Williams' farm this week.

Zack Joullet is in Plains Memorial Hospital to have something done to his hip. All of his children from Dallas came by to be with him and Mrs. Joullet.

Mr. and Mrs. J. T. Stehr visited the Herbert Schueler family in Friona on Monday night and also attended the funeral services and Mrs. Herman Schueler Wednesday.

The view from your library

Hazel Merritt helped in the library last week. We are getting cards ready to mail to those people having overdue books. Most of these were checked out while Virginia Newsom was the librarian. Please help us on this drive since most of these books will need to be replaced if they are not turned in to the library.

THE attendance was down at the Children's Story Hour last week. There were four boys and four girls present. I had to read "Drummer Hoff" twice since they all liked the story so well, and they all helped me read "Green Eggs and Ham" by Dr. Seuss. The Dr. Seuss books are the favorite stories of most of the small children.

We have received three new books that might be interesting to some men if they have time to read: "Pass of the North" (Four centuries on the Rio Grande) by C. L. Sonnichsen; "The Bitter Woods" by John S.D. Eisenhower (the dramatic story, told at all echelons—from supreme command to squad leader—of the crisis that shook the western coalition; Hitler's surprise Ardennes offensive); and "Trail Drive" by Glen Rounds (a true narrative of cowboy life from Andy Adams' "Log of a Cowboy").

Do you store your fish right?

Whether they are cooked within hours of being caught or prepared later for a family meal, fish taste better when properly handled, say the seafood marketing experts of the Texas Parks and Wildlife Department.

IF FISH are to be stored between hooking and cooking, it must be remembered that they are perishable and should be protected against bacteria which can lead to spoilage.

Before storing fish, wash them in cold running water and then wrap in a moisture-proof, vapor-proof paper, or place in an air-

tight, rigid container. Fish should always be stored in the coldest part of the refrigerator since a storage temperature of 35 to 40 degrees is needed to maintain the quality of the fish product. Do not hold fresh fish in the refrigerator longer than a day or two before cooking.

Commercially packaged frozen fish should remain in the unopened package and stored in a freezer which maintains zero temperature. When fish is to be frozen, it should be wrapped in heavy freezer paper or placed in freezer containers. Wax paper or thin polyethylene materials are not moisture or vapor-proof and will not properly preserve the quality of the fish during freezing. When fish thaws, it should be cooked immediately. Never refreeze fish!

FREEZER storage is a convenient way to keep fish. However, storage time should be limited in order to enjoy optimum flavor of the frozen fish. It is a good practice to date the packages as they are put in the freezer, and they should not be kept frozen for more than six months.

Futures in agriculture are good, FFA boys told

More than 240 persons sat on hay bales, ate barbecue, witnessed an awards ceremony and heard a West Texas State University dean describe the young man's future in agriculture during the annual FFA Banquet last Thursday night in Dimmitt High School.

THE BANQUET was held in the school's vocational agriculture shop, among the mechanical equipment the boys use every day. Rows of hay bales provided seats for parents, students and guests, and extra chairs had to be brought in from the classrooms to accommodate the overflow crowd.

Members of DHS's Future Farmers of America chapter set up serving lines in the vo-ag classrooms to dish up the barbecued beef (which they had prepared themselves) with all the trimmings.

Roger Jones, chapter president, conducted the brief parliamentary ritual in which each chapter officer recited his duties.

TOP AWARD winner was Teddy Smithson, who won the DeKalb Agricultural Association Accomplishment Award, presented to the outstanding senior FFA member. Smithson is the son of Mr. and Mrs. Rayphard Smithson. Chapter Sponsors John Quinby and Marvin Copica also announced the following award winners and presented plaques and certificates to the recipients:

STAR Greenhand award for the outstanding first-year agriculture student — Charlie Sammann, freshman.

STAR Chapter Farmer award for the outstanding second year student — Max Newman, a junior.

Awards for outstanding supervised farming programs — Teddy Smithson, livestock; Clyde Damron Jr., crops.

Public Speaking Award — Lee Summers.

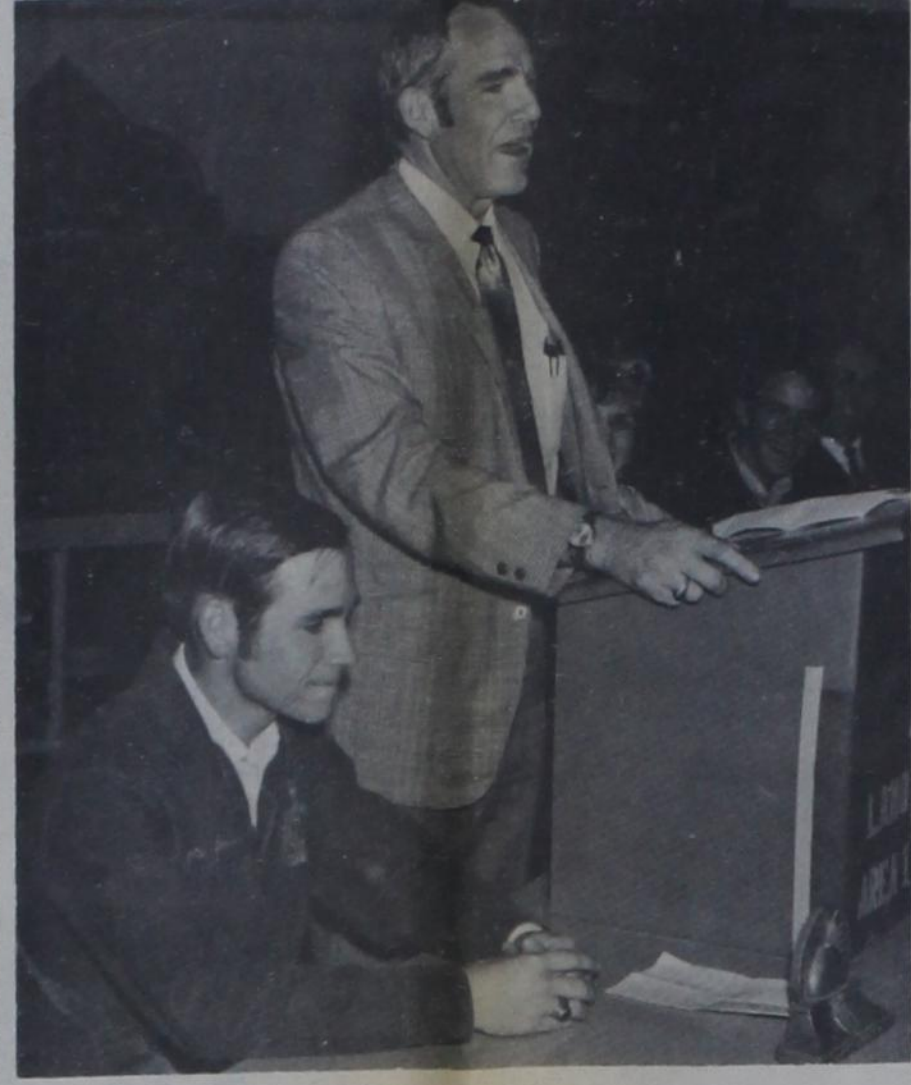

Agricultural Mechanics Award — Terry Robertson.

Agribusiness Award — Frank Welch.

MAIN SPEAKER was Dr. Charles Smallwood, dean of the new School of Agriculture at West Texas State University, who described the opportunities in agriculture today and in the foreseeable future.

"The opportunities were rather limited in agriculture 20 years ago, but this has changed," Dr. Smallwood said. "Because of these new opportunities, some of the brightest minds today are going into agriculture."

The future in agriculture belongs to the specialist," he said. "THE FIELD is especially great

in agricultural business management, sales and service," he said. "That's where you have the greatest opportunity with the maximum income."

He said young men in the business management, sales and service fields of agriculture are earning considerably above \$10,000 or \$12,000 in just a year or two.

The trend in farming is to larger production units, with only one person on a section instead of four or more, he said, and this throws the emphasis on management.

"**THERE IS** a real need for specialized management," he said, and added that there's a challenge there, too, because half of the world's population is still on sub-standard diets.

When 200 major companies that hire agriculture graduates were asked what traits they considered most desirable in a young man, they placed grades far down the list, Dr. Smallwood said. The individual traits listed as most desirable by these companies, he said, were:

(1) **INDUSTRIOUSNESS** ("the willingness and determination to work.")

(2) **ATTITUDE** ("toward your work, toward the people around you, toward moving — you've

Co-op gin has annual meeting

An all-cotton style show, a music program and barbecue dinner highlighted the annual meeting of the Castro Co-op Gin last Thursday night in South Elementary School cafeteria.

Mrs. Maxie Horton provided dinner music during the catered barbecue meal. Later, a girls' sextette from South Plains College presented a musical program.

THE ALL-COTTON style show was presented by seven sophomore and junior members of Mrs. Joanne Snider's Dimmitt High School home economics classes. Modeling cotton clothing which they made themselves were Keri Kirby, Teena Proffitt, Lee-Ann Merritt, Rita Womack and Pam Barker, all juniors, and sophomores Vicki Winders and Beverly Hill.

Mrs. Snider narrated the style show.

During the business meeting, Carlos Calvert was re-elected to his director's post and Jimmy Howell was elected to the gin cooperative's board to succeed Robert Benton, whose term had expired.

Door prizes were awarded to Nell Kitchens, Mrs. Tom Annen and Mrs. Frank Wise.

got to be willing to move.") (3) **COMMUNICATIONS SKILL** ("This is one of the most important personal attributes you can develop. The young men who can communicate best are the most successful young men.")

(4) **PERSONAL ATTRIBUTES** ("Does he have confidence in himself? Has he grown up?")

Dr. Smallwood assured the FFA members, "There's a place for you in agriculture if you prepare yourself."

Cotton insects getting tougher

Like most other things, cotton insect control has changed over the past few years.

GONE ARE the days when a cotton producer could follow a program of regularly scheduled applications of any one of several insecticides with good results, says John Thomas, entomologist for the Texas Agricultural Extension Service.

Because of insect resistance to insecticides, the economics of cotton production and other factors, today's cotton producer must base control decisions on a whole new book of rules, adds Thomas.

First, the producer must know the insects which normally are destructive in his area. Then he must learn to read the danger signs; namely, when are populations high enough to warrant control, when should the first insecticide application be made and what insecticide should be used?

Thomas says weather conditions and insect populations vary from year to year and from farm to farm; therefore, in order to keep control costs to a minimum, each grower must know the situation on his farm.

THOMAS points out that at least 10 species of insects and mites have developed resistance to one or more of the organic insecticides and cites the bollworm-budworm situation as one of the toughest problems to solve. He

emphasizes the importance of insect counts in the fight against these two pests.

Early season pest control should be practiced on the basis of infestation rather than as a routine measure, he says. In areas where trips perennially cause damage, systemic insecticides can be used to good advantage, he notes.

As the plants begin to square, heavy infestations of fleahoppers can cut yields. When populations reach the damaging stage, they must be controlled. The choice of insecticide is very important since beneficial insects may be working in the field and they will be needed later in the fight against bollworm and tobacco budworms, explains the entomologist.

Thomas concludes that cotton insect control is no longer simple and easy and how well it is done will have a strong bearing on yields and profits.

BASED ON a March 1 survey, US farmers say they will plant 258 million acres to 17 major crops this year. This is an increase of 3 percent or 6.4 million acres over 1969 plantings. The increases will be mostly in corn, sorghums, soybeans, oats and spring wheat other than durum, says the USDA.

Committee updating local church album

BY TENNY BOWDEN

The volunteer committee, with Mrs. Mack Turner as chairman, met in the W.E. Louder home Monday afternoon to make initial plans for bringing the Sunnyside Church album up to date.

The goal is to have the album completed by Aug. 22, 1971, when the church will celebrate its 50th anniversary. To do so, we must have the money and pictures in by May 31. The albums will be 40 pages, and we must sell 100 copies at \$5 per copy. We cannot add to the original, as planned in 1957.

All the history from 1921, plus the more important pictures from the old album, and pictures of those who joined each year, will be included. If you have become a member of the Sunnyside Church since 1967 we need a billfold size picture or best snapshot you have of yourself or your family. The album will be as good as the pictures.

Help us out by letting those know who has moved away who might be interested. We hope to have the \$500 in hand by May 31. Send to Mrs. Mack Turner, Mrs. E. R. Sadler, Mrs. Ezell Sadler, Mrs. L. B. Bowden, or Mrs. Roy Phelan. All addresses are R.T. 1, Dimmitt except Mrs. Roy Phelan, whose address is Rt. 2, Hart. Mrs. Turner has worked on school annuals for many years, and we can promise a nicer looking album than before, but it will be a cardboard cover at this price.

MRS. FLOYD IVEY received word last Sunday morning that her mother had passed away in Abilene, following a long illness. Funeral services were held Tuesday. Mr. and Mrs. Ivey and their daughter, Hazel Pruitt of Lamesa, and Mr. and Mrs. Mokie Ivey at a Susie attended. Mr. Ivey came home Tuesday with Mokie and family, and Mrs. Ivey stayed until Thursday. Her sister, Vivian, from Ohio, drove home with her and stayed until Sunday, when the Iveys took her to the plane to

return to her home. Hershel Wilson was admitted to Plains Memorial hospital last Sunday night with food poisoning. He was dismissed Tuesday.

Mr. and Mrs. John Graham returned home from Ohio Monday afternoon.

REV. AND Mrs. Mack Turner and Mr. and Mrs. Robert Duke attended the recent Rotary Club supper in Dimmitt honoring the faculty of the Dimmitt school system.

Mr. and Mrs. R. V. Bills, Mrs. Weldon Bradley, Mrs. E.R. Sadler, Mrs. Alton Louder, and Mrs. L. B. Bowden attended the instruction class for the democratic primary last Saturday in Dimmitt.

Carl Dean Carson attended the Dimmitt senior class party at the Country Club in Hereford Tuesday night.

Mr. and Mrs. Thomas Parson spent last weekend in Blanket with his parents.

The WMS Mission action group met Wednesday night for their quarterly meeting. Mrs. J. Paul Waggoner, mission action chairman, and Mrs. Lillian Carson, group leader, had charge of the discussion on old and new projects.

In the church conference Wednesday night the time for the Wednesday night services was changed from 6:30 until 7:30. The Sunday night services will continue to start at 6 p.m.

Marion Dawson was part of the Springlake-Earth sophomore trio receiving a II rating in the UIL ensemble contest in Lubbock last Saturday.

TERRY BLANTON was with a group from Springlake-Earth who attended the annual Western Oklahoma Bench Show and camp hunt at the Hood Brothers Ranch near Willow, Okla., recently.

Steve Morgan was on the Springlake-Earth seventh grade "E" honor roll.

Mrs. Howard Cummings was in the Amherst hospital for a few days last week with bronchitis, but is back teaching school again now. Mr. and Mrs. Carl Shultz of Abilene, Mrs. Maggie Seymore and her son, Darrell Sutor of Abilene, and Mrs. Pearl Sadler of Dimmitt, who had been visiting in Abilene for a few weeks, visited with the Cummings Friday evening. The Shultzes spent the weekend with them.

The Springlake-Earth Wolverine Band received a Division II rating in concert and a Division III rating in sight reading in UIL competition in Dimmitt. Several from the community are a part of the band.

Daneen Wilson was admitted to Plains Memorial Hospital Thursday with bronchitis.

MRS. RAYMOND Lewis visited Friday morning with Mr. and Mrs. Donnie Lilley. Mrs. Lewis and Mrs. Lilley visited with Mrs. Floyd Ivey and her sister, Mrs. Vivian Davis of Warren, Ohio, Friday morning.

Mrs. E. R. Sadler and Mrs. L. B. Bowden visited with Mrs. Floyd Ivey and Mrs. Vivian Davis Friday evening after they returned home from Amarillo, where they had spent the day with their sister, Mrs. Jewel Barnard. Mrs. Barnard came Saturday and accompanied the Iveys when they took Mrs. Davis to the airport in Amarillo Sunday.

Mr. and Mrs. E. R. Sadler and Mr. and Mrs. Carl Bradley and boys attended a birthday supper honoring Cindy Sadler in her home Friday night.

The Springlake-Earth seniors

were honored at a banquet Wednesday in the First Baptist Church in Earth. Janice Townsend and Burt Fulfer are the seniors from our community.

THE MEN at the community meeting Friday night voted to have a called meeting this Friday night to try to organize a Lions Club at Sunnyside. Lions District Governor Ed Flood of Amarillo and a delegate from the Hereford Lions Club thought it could be done, and would help the community generally. The July 4 homecoming was not discussed since we had guest speakers, but it is still being planned.

Mr. and Mrs. David Blair and boys of Dallas spent the weekend here and with his mother in Farwell. Mr. and Mrs. Elmer Dixon had supper with them at the Weldon Bradley home Friday night.

Mr. and Mrs. David Sadler and Melody of Lubbock spent the weekend with the Sadlers here and the Jake Kings in Hereford.

Mrs. Maggie Seymore and Darrell Sutor of Abilene, David Sadler and the Larry Sadlers were dinner and supper guests of the Ezell Sadlers Saturday night.

HOWARD CUMMINGS served a day or two last week and will serve next week on the federal jury in Lubbock.

Neah Spencer returned Friday from a two-week vacation. He spent last weekend with P.C. and Mrs. Harold Spencer. During the week he visited with his in-laws at Comanche and fished. He had a medical check-up in Dallas and spent the first weekend in Fort Worth with relatives. He will have to enter the hospital later this month in Dallas, and before coming home will try again for fish.

Mr. and Mrs. Thomas Parson spent last weekend with his parents of Blanket.

Mr. and Mrs. Milburn Haydon, Mr. and Mrs. Bob Ott, Mrs. Alton and Mrs. Clarence Mitchell of Springlake attended the bridal shower honoring Mr. and Mrs. Terry Ott in Earth Friday night.

MRS. E. R. SADLER conducted the election Saturday in voting precinct 10 with Mrs. Tom McGill and Mrs. Alton Louder as clerks. Mrs. L. B. Bowden held the precinct convention at 2 p.m. Thirty-three votes were cast. Mrs. Weldon Bradley conducted the election in Precinct 16, and the convention. Mrs. J. Paul Waggoner, and Mrs. Garner Ball were the clerks.

Clarence Baggett and Chester Lee Baggett of Tulsa visited with Leslie Louder Friday morning. He spent Friday night with them.

Mr. and Mrs. Larry Odom of Hereford visited with Leslie Louder Saturday morning.

MR. AND MRS. Lowell Westmoreland and children of Littlefield spent the day Sunday with Mr. and Mrs. Alton Louder.

Mr. and Mrs. Carl Bradley and boys and Mr. and Mrs. David Blair and boys of Dallas had dinner Saturday with Mr. and Mrs. Elmer Dixon of Dimmitt.

TOURIST ATTRACTION — When these German feed manufacturers visited Dimmitt Feed Yards last Thursday, they got off the bus and drifted, predictably, toward the feed milling plant—until this cowboy rode past. Then the German visitors reversed their field quickly and flocked toward the rider. They couldn't be bothered with business when there was a real Texas cowboy to photograph. The rider

tried to ease away at first, but then resigned himself to his fate and spent the next half hour turning his pony, twirling and throwing a rope, and letting the visitors mount the horse. The German feed manufacturers, 43 in all, were guests of the Texas Grain Sorghum Producers Board and the US Feed Grain Council. Purpose of the tour was to encourage the German manufacturers to use more grain sorghum.

DEFER pastures to allow forage plants to restore vigor, advise range specialists of the Texas Agricultural Extension Service. Defer, they say, after weeds have been controlled as an aid to a speed up in range improvement. Landowners should make plans now for controlling brush and weeds with herbicides. Time for spraying is at hand.

IF YOU plant high quality seed, you are off to a good start toward a profitable crop. You may use recommended crop production practices, fertilize right and control insects but still come up with a poor crop because low quality planting seed was used.

THANKS

To all my friends in Precinct 4, I wish to say thank you for your support and vote in the Democratic primary election. I promise that I will do my best to serve you to the best interests of all the people.

Thank you, and may we work together in the future.

Success Is Home-Grown

Most successful farmers and feeders find their opportunities in the same place they were born and raised — or perhaps a mile or two down the road. Success is a crop we like to cultivate at the Land Bank Association — and it's best if it's home-grown.

GETTING WITH IT—Every chair, brick, board and nail in Dimmitt High School auditorium vibrated Saturday night as the 18 girls in the Miss Dimmitt Pageant presented their lively opening number. After modeling their sportswear, the girls took their places atop multi-colored boxes and

around the stage floor, then the Seven Story Darkness struck up an electrifying accompaniment and the stage lights jumped from red to blue to yellow to green as the girls performed their modern dances.

Demand growing for US soybeans

American soybean producers are selling record quantities of soybeans both at home and abroad this year, according to Jim Elder, chairman of the Castro County Agricultural Stabilization and Conservation Committee.

IT IS estimated that soybean use will increase from 945 million bushels used in 1969 to 1,136 million bushels for this year. This increase in market demand for soybeans represents the production from about seven million acres.

"In view of the excess production capacity we have in this country, this growth in soybean demand is welcome news to soybean producers and taxpayers," Elder commented.

During the period 1959, through 1968 and part of 1969, soybean

supplies tended to increase as a result of increased competition from lower priced imports of fish meal, sunflower oil and other competitive protein substitutes.

HOWEVER, in recent months demand for soybeans has increased substantially as a result of more competitive pricing, a drop-off in supplies of other high-protein materials, and a continued growth in world demand for protein feeds.

As a result of the increased demand at higher prices, soybean producers who placed their crop under loan last fall have been redeeming them prior to the loan

maturity date and moving them into the open market, Elder pointed out.

In past years, with less favorable markets, farmers have tended to leave their beans under loan until the loan maturity date. Reversal of this trend will result in a substantial saving to the Government and therefore to taxpayers. "INCREASED exports have been, and will continue to be, the key to large growth markets for soybeans," Elder pointed out.

"Soybeans supply more than four pounds of meal for each pound of oil, while most other vegetable oil products supply

about a pound of oil for each pound of meal. The demand for meal is increasing faster than the demand for oil, and this in turn creates a demand for soybeans both in the US and abroad," he explained.

With soybeans priced more competitively with other high-protein products, overall market demand has increased faster than processing facilities could profitably be developed.

HOWEVER, with a somewhat improved operating margin, more crushing plants are being built or planned.

"This will increase the demand for farmers' beans and eventually provide a greater volume of soybean oil and meal at more competitive prices," Elder said.

Recent action which resulted in a 50 percent reduction in the soybean levy into Japan, and continued efforts by USDA to discourage an import tax on soybean oil and meal moving into the European economic community, has helped exports.

This action, combined with a continued desire by consumers to upgrade their diets, will assist in developing a market for additional supplies of beans.

In anticipation of this improved market demand, soybean growers have reported intentions to plant over 43 million acres in 1970, an increase of almost 1 million acres above 1969.

"This increase should boost bean growers' incomes around \$100 million next year," Elder estimated.

DHS play second in regional; Vandiver makes all-star cast

When Spearman High School presents its one-act play, "The Chairs," at the state contest in Austin this weekend, it will be because of a "hairline" decision over Dimmitt High School's one-act play in regional competition at Lubbock recently.

THE REGIONAL championship between eight district winners came down to a choice between Spearman's play and the DHS entry, "Waiting for Godot." Judges gave critical acclaim to the Dimmitt play, but named Spearman the winner "by a hairline."

The DHS play, directed by Robert Farrer, was rated above six

other Class AA district winners at the regional festival in Lubbock.

Craig Vandiver, who played the lead in "Waiting for Godot," was elected by the judges to the six-person All-Star Cast from among 50 actors and actresses participating in the regional contest. Vandiver, a sophomore in DHS, is the son of Dr. and Mrs. Charles Vandiver.

Other members of Dimmitt High School's one-act play cast were Rick Bell, Mike Elder, Lonnie Markley and Shannon DeVaney. Stage crew and alternates were Lissa Huckabay, Carl Dean Carson and John Brooks.

Ratcliff new Jaycee chief

Jim Ratcliff is the new president of the Dimmitt Jaycees. RATCLIFF, 25, is to be installed this week to succeed Don Nelson as president of the young men's civic organization.

A graduate of Dimmitt High School and Angelo State College, he is a partner in the firm of Schaeffer & Ratcliff, Certified Public Accountants. He has served the past year as first vice-president of the local Jaycee chapter, and was a state finalist in the Texas Jaycees' public speaking contest last year in San Antonio. He has earned the "Spark Plug" and "Key Man" awards in the local chapter.

Elected to serve with Ratcliff during the coming year were Harley Wilke, first vice-president; Chuck Braafladt, second vice-president; Bernie Harper, secretary; Robert Benton, treasurer; Johnny Kittrell, interclub director; and Dr. David Bechtol, Roy Ellis, Ronald Gfeller and Bob Goss, directors.

THE JAYCEES are an organization of young men who gain leadership training through community service. The Dimmitt Jaycees meet each Thursday at noon in the Colonial Inn Restaurant, and membership is open to all Dimmitt area men 21 to 36 years of age.

On the Go

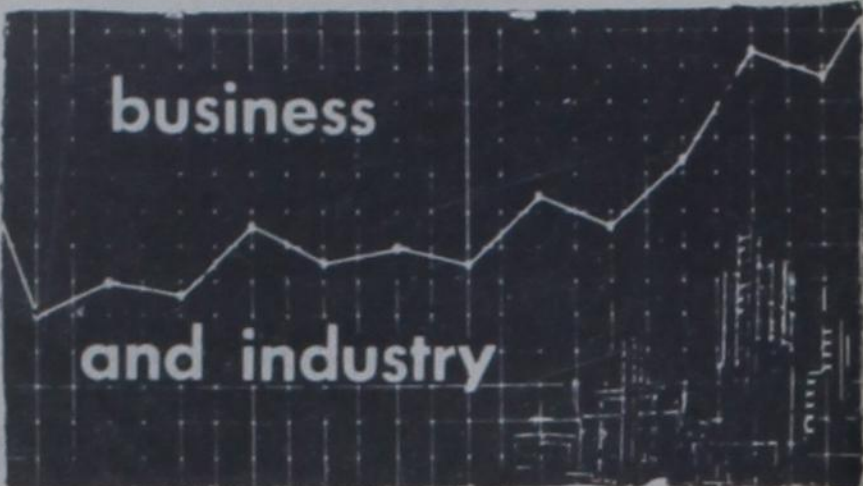

Glover Frazier is home from El Paso Baptist Hospital in Amarillo. He is recuperating from a recent heart attack. Alvin Frazier brought his father home.

A. H. WALKER, state agricultural leader for the Texas Agricultural Extension Service, reports that more than 76,000 agriculturists last year attended short courses, clinics and workshops. The off-campus sessions are vital to local agricultural enterprises and are held at a time and place convenient to those involved, Walker said. Last year's total for the three kinds of training aids reached a record high of 1,049. Training in-depth is emphasized at the educational events.

Alexander

Denton man joins Behrends Agency

Brocke Alexander, a native of Denton, is now associated with Behrends Insurance Agency as a life insurance agent specializing in business and estate planning.

ALEXANDER and his wife, Nancy — who is the daughter of County Attorney and Mrs. Robert Burtyn — moved to Dimmitt last week. They are living in the Country Arms Apartments. Mrs. Alexander plans to teach here next year.

Before moving to Dimmitt, Alexander was in the insurance business in Denton. He is a graduate of Texas Military Institute in San Antonio, and attended North Texas State University. His wife is a Denton High School graduate and holds a bachelor's degree in secondary education, with a major in English and a minor in history.

Alexander, 31, is a member of the National Association of Life Underwriters. He has joined the Dimmitt Lions Club and plans to join the Jaycees also. He is a veteran of five years' service in the US Army, having been a security NCO at Nike missile bases on the West Coast. He was separated from active duty in 1959.

First Christian to honor mothers

Special Mother's Day services have been planned for the 10:50 a.m. worship hour Sunday at the First Christian Church.

IN ADDITION to special recognition of the youngest mother, the one with the most descendants present, and the one being a Christian the most years, there will be chosen by secret ballot the "Christian Church 1970 Mother of the Year." This mother will be one who has not before been honored in an annual event of the congregation in Dimmitt.

Plans have been completed for the annual Daily Vacation Bible School to be held May 25 through 29, with the closing program on Sunday, May 31 at 6 p.m. The school, directed by the minister's wife, will be for those about 4 years of age through junior high school, with older youths helping the VBA teachers.

Following the Bible school, the minister will take campers with him the second, third, and fourth weeks in June for senior, junior high, and junior campers (in that order) at El Porvenir Christian Camp in New Mexico. Minister Smith will teach at the camp.

THIS WEEK Minister Bedford W. Smith is off to the 22nd annual Kiamichi Men's Clinic in the mountains of southeastern New Mexico, conducted each first week in May. Between 5,000 and 6,000 men and boys attend yearly from most states and some foreign countries. He will return to Dimmitt Friday after an overnight visit with his daughter and family, the Samuel R. Kobles in Cushing, Okla.

The women of the church have planned a garage sale at the home of the Paul Fry family, 300 Western Drive, for all day Friday and all day Saturday. There will be quite a variety of good usable articles.

On the Go

Mrs. Aleene Maynard spent the weekend in Lubbock with her brother Albert Phillips. Sharon Hamilton from Dallas is spending this week with her mother, Mrs. Aleene Maynard.

FIRST CITY RETIREE—Joe Martinez, right, foreman of the City of Dimmitt Sanitation Dept. for the past 15 years, receives his first retirement check from Mayor George Bradford in a ceremony Friday in city hall. Martinez is the first city employee to retire under the retirement program which the city initiated two years ago and made retroactive for all employees. On hand for the retirement ceremony were 20 of Martinez' fellow city employees, plus the city commissioners, former mayors Joe Cowen and L. G. Manning, and former commissioners Joe Benson and Glenn Ratcliff. Martinez was presented with an automatic wrist watch, inscribed on the back to testify to his 15 years' service with the city.

VA outlines new pay schedule for students under 'GI Bill'

More than 777,000 veterans, servicemen, wives widows and children will receive increased educational allowances under a bill signed by the President.

ALL trainees under the GI Bill and other VA educational programs were assured by Donald E. Johnson, Administrator of Veterans Affairs, that they will receive the increases automatically and retroactive to Feb. 1. He stressed that it is not necessary to contact the VA to receive them.

Johnson said most of those studying under the GI Bill in institutions of higher learning will receive one check about May 10, which will reflect the new regular monthly rate, and include retroactive increases from February through April. Veterans studying below college level, including apprentice, on-the-job and cooperative trainees, must certify their attendance to the VA every month to be eligible for education allowance payments.

THE VA Administrator said this group also will receive one check around May 10, at the new rates, including the retroactive in-

crease, providing their attendance has been certified through April.

However, the VA official explained that some trainees below college level will receive pay adjustments in two checks, because the VA will not receive their monthly attendance certifications in time to include the increase in the first check.

THE RATE for a single veteran under the vocational rehabilitation program was increased from \$110 to \$135 a month for full-time students. A veteran with one dependent will receive \$181 a month, two dependents \$210, and \$6 more for each additional dependent. These rates are also scaled downward for less than full-time students.

For wives, widow and children receiving allowances under the dependents educational assistance program, the new monthly rates for full-time students are \$175, three-quarter time students \$128, and half-time students \$81.

Special arrangements are being made to pay those who were in training or Feb. 1, but who are no longer in training. There is no need to contact the VA to receive checks.

JOHNSON also said the new law sets up special programs for servicemen with educational handicaps. One, the predischarge education program, pays for schooling of educationally disadvantaged servicemen before discharge without charge to their earned basic entitlement.

In addition, the law provides for an intensification of VA's "outreach" program to contact and counsel veterans, widows, and children of certain disabled veterans, widows, and children of certain disabled veterans about government educational and training opportunities.

Baccalaureate services to be held Sunday night

By MYRT LOMAN
Hart High School's baccalaureate services will be held Sunday at 8 p.m. in the First Baptist Church.

The seniors are scheduled to leave on their senior trip to Denver Wednesday at 12 midnight. They will return the following Monday, May 18.

THE HART Booster Club sponsored the annual athletic banquet Friday night in the elementary school gym.

Master of ceremonies was Tom Ed Benton.

Theme of the program was "Pennants," with Mrs. Ben Kennedy in charge of decorations.

Guest speaker was Richard Bell, defensive linebacker coach at Texas Tech.

Dinner music was furnished by 5-year-old Daron Young at the piano.

HIGHLIGHT of the banquet was the presentation of awards to the school's top athletes of the year.

Gary Six received the "Fighting Heart" award, and Most Valuable Player awards went to Danny Smith, football; Graciel Catano, boys' track; Lonnie Davis, boys' basketball; Kathy Crawford, girls' basketball; and Cindy Dyer, girls' track.

Presenting the various awards were Coaches Doug Higgins, Jackie Burns and Thomas Gregory.

Approximately 212 persons attended the banquet.

ALL STUDENTS who live out of the Hart School District and plan to go to school at Hart next year need to pick up transfer blanks at the superintendent's office.

The Hart FFA dairy products judging team placed fourth in the State FFA judging contests at Texas A&M this past weekend.

Alan Shive was 10th high individual in the contest. Other team members were Stanley Dyer and Robert Lowrey.

Short-horn cheerleader tryouts and election were held last Wednesday. Those elected were: seventh grade, Dana McLain and Sherry Daubert; eighth grade, Deanne Bailey and Vicki Guzman.

MR. AND MRS. Jackie Burns have resigned from the Hart teaching staff to go to Stanton, where he will be head basketball coach and teach English in the high school.

Stanton is a Class AA school. Burns has been head basketball coach at Hart High for two years and Mrs. Burns teaches physical education and junior high science in the Hart schools.

James McLain was inadvertently left off of the honor list of the junior high graduating class. Due to an oversight James should have

been reported as the third highest scholastic average in the class, with a 93.12 grade average.

Cindy Dyer, a sophomore, placed third in the low hurdles at the regional meet in Panhandle last weekend.

The 880-yard relay team composed of Cindy Dyer, Becky King, Debbie Hardy, and Kathy Crawford placed fifth in the regional meet.

Gary Six will compete in the state track meet in Austin at 12 noon Saturday. Gary competed in the state qualifiers' meet in Lubbock last week and placed sixth in all classes, with a high jump of 5-10.

THE 1970 graduating class of Hart High School and the class sponsors were honored at a breakfast Thursday morning given by the Women's Society of Christian Service at the First United Methodist Church.

MRS. FRED BROWN, teacher of the Kiddie Kollege Kindergarten, will present her students in the playlet, "The Three Little Pigs," for their graduation program Friday night, May 15.

Charles Roland of Sundown, a former Hart resident, received a broken neck last week in a one-car accident at Loop 289 and Slide Road in Lubbock.

Sunday guests in the home of Myrt Loman were her sister and brother-in-law, Mr. and Mrs. H. M. Wheeler of Sweeny, a niece, Mrs. Wendell Lee and son of Houston, and Mrs. Bobby Legg and family of Amarillo.

Mrs. M. E. (Judd) Davis was admitted to Plains Memorial Hospital in Dimmitt on Wednesday of last week.

GUEST in the home of Mrs. O. D. Dinwiddie the first of the week was her son-in-law, Russ Elfvig of Denver, Colo.

The Womens Missionary Union of the Baptist Church met Monday in Fellowship Hall.

Mrs. Robert Brooks was admitted to Plainview Hospital Sunday and J. W. Welty was admitted Wednesday afternoon.

Mrs. Everett Cole had major surgery at the Osteopathic Hospital in Lubbock Tuesday morning.

MRS. DAVID IRONS, leader of the Girls Auxiliary of the First Baptist Church, met with the girls Wednesday afternoon to study about Thailand.

Participating in the program were Debbie Lacy, Terri King,

Sherri Daubert, LeeAnn Friday, DeAnn Rieburg, Melarrie Upshaw, Patricia Smith, Vivian Davis and Rhonda Cole. Mrs. Ray Clark furnished refreshments.

JAMES PISTOLE of Denver, Colo., will have major surgery Friday for cancer. He has visited in Hart a number of times and has friends who are concerned about his condition.

CUB SCOUTS of Den 2 met last Wednesday in the home of Mrs. Jim Black. The boys of Den 2 will be in charge of the flag ceremony at the pack meeting tonight (Thursday) at 7:30 in the Hart Grade School gym.

Each Cub made his mother a tree from a colored plastic egg carton for Mother's Day.

All parents are urged to be present at the pack meeting, as this will be the last one for the winter and spring months.

HART elementary teachers honored Tom Duffey with a surprise birthday party last week at the school.

BOY SCOUT Troop 216 attended the Haynes District Camporee at Olton Friday evening through Sunday afternoon.

The boys competed in contests of camping, cooking, obstacle courses and other skills. Saturday they presented a skill-a-rama, demonstrating all types of Scouting skills.

Sunday morning the Scouts attended the different church services in Olton before returning home.

Those making the trip were Duane Clevenger, Theron Hawkins, Barry George, Sonny and Freddy Mancias, James Warren, Mike and Larry Cox, and Scoutmaster Deryl Clevenger.

BOY SCOUT Troop 216 held at Court of Honor last Thursday night in the Farmers State Bank community room.

Gordon Gibson, district Scout executive of Plainview, showed slides of council Scout camps and told the highlights of each.

Larry Cox - Woodwork, home repair and farm mechanics merit badges, and Star rank.

Miles Cox - Woodwork, safety and scholarship merit badges, and Life rank.

James Warren - Woodwork merit badge and Star rank.

Sonny Mancias - Camping merit badge and Life rank.

Freddy Mancias - Woodwork merit badge, Star rank and two-year service star.

Duane Clevenger, Theron Hawkins and David Hawkins - Woodwork merit badge.

R.A.'S MET Thursday afternoon at the First Baptist Church with their leader, Harold Smith.

Mr. Glen of Nazareth is teaching the boys leather craft. At present, the boys are working on billfolds.

LISA LACY entertained several girls with a slumber party in her home Friday night after the athletic banquet.

Dana McLain entertained some of her friends with a slumber party in her home Friday night.

Death takes three pioneers

By Mrs. Florence Albracht
Another of our old timers was laid to rest Monday morning, when Mrs. Catherine Acker Braddock was buried in Holy Family Cemetery after a requiem mass at 11 o'clock in Holy Family Church.

Only two hours before the funeral Mrs. Frances McCormick Hyland died at the home of her daughter, Mrs. Charles Braddock, where she had been living the past couple of years. She was buried Wednesday.

And on Monday evening, Mr. Mike Debeier died about 6 o'clock. Funeral arrangements were not known at deadline time.

These are three of our real old-timers, and we will miss them all. They did much to help our community.

THE ORDER of Martha held their regular monthly meeting in the home of Mrs. Lucille Drerup on Tuesday afternoon April 28.

Fifteen members enjoyed an afternoon of quilting and visiting. A letter of thanks was read for the \$175 sent in to help the missions, from Father Cussack, director of the Catholic Extension Society.

Rev. Father Stanley flew to Washington, N. J. for the funeral

of his mother on Monday and returned home on Thursday to be back at his many duties. We want to offer our sympathy to Father in his loss.

LGTS OF Nazareth folks went to Hereford for the Deaf Smith County Electric Coop barbecue and annual meeting on Thursday, April 30.

These winning prizes were Mrs. Gertie Acker, a sander; Mrs. Harry Klemm, a knife; Mr. Ed Drerup, a saw; Mr. Jerome Brockman, a saw; and Mr. William Hochstein Jr., a blender.

Rudolph Huseman is in Northwest Texas Hospital in Amarillo for treatment for his throat.

Mrs. Geneva Miller of Plainview and Mrs. Anna Bowers of Lubbock spent Wednesday with the Al Hoeltings and visited friends around town.

Mrs. Anna Ehly entered Plains Memorial Hospital Sunday evening for medication and tests.

ENJOYING the opera "Finian's Rainbow" at the Branding Iron Theatre, performed by students of West Texas State University, Friday night, were Mrs. Helen Burt and Mrs. Agnes Brockman.

Mrs. Tom Brockman and Mrs. Florence Albracht.

Mrs. Josephine Ball and son Urban went to visit the Vernon Braddocks near Fort Worth on Sunday. Vernon had been sick and in the hospital but he returned with them Monday in time for his grandmother, Mrs. Catherine Braddock's funeral.

The annual Pot Luck supper sponsored by the Catholic Daughters of America was enjoyed by members, husbands and friends at the community hall on Sunday evening, May 3.

Mr. and Mrs. Al Hoelting went to Claude Sunday to spend a couple of days with their daughter and family, the Donald Detens.

A SURPRISE dinner honoring the Tom Ackers on their tenth wedding anniversary was hosted by her folks, the Clarence Schultes, on Sunday, May 3.

Enjoying the dinner were Mr. and Mrs. Tom Acker and family, Mrs. Max Acker, Mr. and Mrs. Lester Schulte, Mr. and Mrs. Phil Brockman and family of Muleshoe, Mr. and Mrs. H. D. White of Amarillo and Roy, Paul and Edwin Pohlmeier.

Sister Benedict Marie attended the Diocesan Liturgy commission meeting in St. Alice's School in Plainview on Sunday, May 3. Sis-

ters Immaculate and Adrian, Mrs. John Schacher and Mrs. Florence Albracht attended the religious education program meeting, both held there at the same time.

MR. AND MRS. Tom Brockman hosted a supper on Sunday evening for Mr. and Mrs. James Wilhelm, Mr. and Mrs. Ralph Steffens and Mr. and Mrs. George Book Jr.

Vincent Paul, son of the Carol Birkenfelds, was baptized in Holy Family Church by Rev. Father Stanley. Sponsors were Mr. and Mrs. Gene Schacher of Muleshoe.

Shower honors newlyweds Friday

A bride's and groom's shower Friday evening in the home of Mrs. L. G. Layman of Big Square honored Mr. and Mrs. Jerry Ott. THE newlyweds recited vows recently in the home of the groom's sister, Mrs. Exvalene Ott Ogletree, in Lubbock.

The bride is the former Priscilla Kemp, daughter of Mrs. James Kemp of Muleshoe. The groom's parents are Mr. and Mrs. Irvin Ott.

Many friends, both men and women, attended Friday night's event. The bride and groom and their parents helped greet the guests.

THE SERVING table was covered with a flounced floor-length lace cloth. Homemade cookies, punch and coffee were served by the hostesses, Mmes. Buster Morgan, Paul Zahn, Bernice English, Fred Kuntz, Andy Behrends, Johnny Martin, Bill Behrends, Len Boothe, Paul Chance, Dub Wenders and Gee Keller.

FIRST public motion picture was shown in 1895 in Paris, France.

ENGAGED — Mr. and Mrs. Earl Chaney of Dimmitt announce the engagement and approaching marriage of their daughter, Sue, of Dallas, to Ensign Roy Allen Battles, son of Mr. and Mrs. R. E. Battles of Dimmitt. Ensign Battles is currently stationed at Charleston, S.C.

ACT 1 Is Coming!

"I'M FINE," Susan Parish keeps telling herself as she describes the aggravations that beset a hospital patient during the talent presentations of the Miss Dimmitt Pageant Saturday night. Her humorous skit, entitled "Rest Cure," won her the pageant's talent award. Later, she needed a rest cure for sure when she learned she was the new Miss Dimmitt.

Mrs. J. R. Brown wins sorority title

Mrs. Mary Jo Brown was presented a plaque as the "Outstand-

ing Woman of the Year" by the Dimmitt chapter of Beta Sigma Phi sorority last Wednesday night.

SHE WAS elected by her fellow BSP members, and received the plaque during a salad supper and Founder's Day program at the home of Mrs. Jane Blackburn.

Mrs. Brown is president of the local chapter, which she helped charter last year.

During the business meeting, Mrs. Brown reviewed the work done by the sorority during the year, and presented the story of Beta Sigma Phi's original founding by Walter W. Ross. A letter from the founder's wife was read to the 15 members attending the meeting.

AFTER THE salad supper and business meeting, Mrs. Blackburn presented a program on western art. She gave biographical sketches of more than 15 better-known artists of the West, and showed several of their paintings.

Camp Fire group elects officers

The In a wa pa Camp Fire Girls have elected officers for the spring term.

NEW OFFICERS of the group are Brenda Underwood, president; Patricia Summers, vice-president; Sharla Burrous, secretary; Beth Cleveland, scrapbook keeper; and Lisa McDaniel, song leader.

The girls joined other Camp Fire and Blue Bird groups in a father-daughter box supper recently. Ronnie Parker served as master of ceremonies and introduced each group as they entertained their fathers with skits and songs. The box supper was attended by 200 girls and fathers. Special guests were members of the Dimmitt Camp Fire Girls board.

The In a wa pa group also presented a program recently on the purpose of Camp Fire Girls to members of the Sunflower Blue Birds, who will "fly up" into Camp Fire Girls this spring.

IN another recent event sponsored by the In a wa pa group, Loli Ortiz-Reclat was the guest of honor at an International Friendship Tea, attended by mothers and daughters. She gave a talk on the life of a young girl in her native country of Ecuador. The serving table was decorated with the world globe and dolls from other countries. The girls served Loli and their mothers punch and cookies from four countries.

KEEP THE larvae samples coming in so that we can identify and treat all cases as they occur, is the word from officials of the Screwworm Eradication Program. Sterile screwworm fly production is being increased to meet the anticipated needs for the spring season. The officials urge livestock owners to step-up precautionary measures and to treat all animal wounds.

Three ladies get 'KOPS' standing

The Dimmitt S.O.S. TOPS Club met April 27 at 7:30 p.m. in the office of the Plainview Production Credit Association with leader, Jeanie Johnson presiding. EIGHTEEN members weighed in with a loss of 11 pounds. The Queen for the Week was Patricia Powell with a total loss of four pounds. We are happy to welcome Lynn Day as a new member and also Mrs. Jean Petty as another Stork Club member.

Also, the club is proud of three of our members: Arlene Oldfield, Ann Armstrong and Patricia Powell. These ladies are now KOPS, (Keep Off Pounds Sensibly). To keep this title, they must not go under their goal more than seven pounds or over their goal more than three pounds. Before becoming KOPS, they are KIWs for three months. This means they keep their weights at not less than seven pounds or more than three pounds from their goal for three months and they are KOPS IN WAITING.

MEETING time and place is Monday night at 7:30 p.m. at the office of Plainview Production Credit Association.

Miss Morgan

June 26 date set

Mr. and Mrs. Bill Morgan of the Sunnyside community announce the engagement and approaching marriage of their daughter, Debbie, to Jim Waggoner, son of Mr. and Mrs. J. Paul Waggoner.

VOWS WILL be exchanged June 26 at 8 p.m. in the Sunnyside Baptist Church, with all friends of the couple invited.

Miss Morgan is a 1969 graduate of Springlake-Earth High School, and is a freshman at Wayland Baptist College. Waggoner is a sophomore at West Texas State University.

Zealot Club will award scholarship

Mrs. Glen Gleghorn and Mrs. Charles Nelson were hostesses for the Tuesday evening meeting of the Hart Zealot Club in the community room of the Farmers State Bank.

IN THE business session, members voted to give a scholarship to a 1970 graduate of Hart High School, and to give assistance to a family here that recently assumed the duty of raising four orphan children.

Guest speaker was Ray Bradshaw of Cotton Center, who spoke on "Drug Addiction."

Sixteen members were present. Guests were Cheryl McLain and Kala Gleghorn.

WHATEVER you want or need, somebody probably has one. Try a "Wanted" classified ad in the News.

Book Club sets spring luncheon

The Dimmitt Book Club will hold its annual spring luncheon Wednesday at 11:45 a.m. at the Hereford Country Club.

MEMBERS are requested to make their reservations by Monday with Mrs. Jack Miller or Mrs. Charlie Hays.

Mrs. Virginia Newsom, former county librarian here, will review "God's Smuggler," by Brother Andrew.

Catherine Marshall, who wrote "A Man Called Peter" and other books, had this to say about the book Mrs. Newsom will review Wednesday:

"I AM excited about the true account of a modern man's relationship with the living God. 'God's Smuggler' blends most effectively the elements of suspense, adventure and the power of faith in everyday life — a book which you will not want to miss."

Financial Facts

By Willis A. Hawkins, Jr.

Do you know the origin of the time-honored piggy bank? While dogs may bury bones, pigs have not won a reputation for thriftiness. Nor is there any connection between a pig and a penny.

Here is the answer: During the Middle Ages, metal was too expensive for manufacturing of household utensils. A type of clay was used which was economical and pliable.

This clay was called PYGG. It became very popular for dishes, pots and jars. In fact, everyone referred to earthenware as pygg. And so the container holding money soon became known as the pyggy bank.

Later a pig-shaped container was devised with a coin slot.

TOP FIVE—These were the top five award-winners among the 18 attractive, talented girls who took part in the Miss Dimmitt Pageant Saturday night. From left are Rita Vick, second runner-up; Linda Ellis, first runner-up; Susan Parish, the new Miss Dimmitt, who also won the talent award; Kathy Markley, third runner-up, who also was

chosen "Miss Congeniality" by her fellow contestants; and Jill Braafladt, fourth runner-up. The Jaycees reported that when all points were totaled for the pageant's four categories—personal interviews, talent, sportswear and formal wear—only 11 points separated these five girls.

HD notes

HD clubs enter 41st year here

By IRENE KEATING
The annual THDA luncheon was held Tuesday at Bethel Community. The theme was 40 years of club work in Castro County. This is the 41st year for clubs in the county, as the first clubs were organized in June, 1929.
THERE ARE six charter members still in club work — Mrs. C. T. Damron from Fiagg HD Club, and from Bethel Mrs. Myrtle Williams, Mrs. Buena Shwen, Mrs. Jim Bagwell, Mrs. Vern Lust and Mrs. Earl Lust.
There were 10 clubs in the county in 1930, and their specific aims for each club member were (1) to produce standard bred

poultry, (2) to make poultry pay for itself, (3) to fill the canning budget for the family, (4) to make at least two improvements in the living room, and (5) to take 30 minutes a day for play.
IN THE 40 years of club work in the county there have been 12 home demonstration agents. They were:
Lottie Drennan — 1930.
Izora Clark — 1931
Lucille Schultze
Mary Kate Couch
Ava Grindstaff Merritt — 1941
Lelia Petty — 1943
Mattie Seago Seale — 1946
Robin Vann Taylor — 1951
Sybil Stringer — 1953

Ratcliff signs with Coronado

Hal Ratcliff, former all-star in two sports in Dimmitt High School, will leave his post as assistant basketball coach at Texas Christian University to become head coach at Lubbock's Coronado High School next year.

OFFICIALS of the Class AAAA Lubbock school announced Ratcliff's signing Monday.

Ratcliff, 28, has been assistant coach at TCU for three years, during which his freshman team won one conference championship.

Ratcliff, son of Mr. and Mrs. Glenn Ratcliff, was an all-star in both basketball and football at Dimmitt High, and was one of the state's most sought-after players when he graduated in 1960. He chose TCU.

HOWEVER, a knee injury cut short his playing career during his sophomore year, and he coached the Frog freshmen his last two years at TCU, working under Johnny Swaim, who was then assistant coach.

After graduating at TCU, Ratcliff became the basketball mentor at Atkins Junior High School in Lubbock, coaching the team to the city championship in 1965.

Then, when Swaim was named head basketball coach at TCU in 1967, he picked Ratcliff as his assistant coach and the former Dimmitt star made the big jump from junior high basketball back into the college ranks. Recruiting has been his main job at TCU.

Ratcliff has his work cut out for him at Coronado. The District 4-AA school finished with a 10-21 record last year and hasn't had a winning season in its five-year history.

Ratcliff and his wife, Charlotte, have two daughters, Sherri Beth, 7, and Ronda, 1.

Clinic slated for handicap

Medical and surgical specialists from throughout Texas will be in Hereford Saturday to conduct the 15th annual Handicapped Children's Shrine Clinic.

THE CLINIC, sponsored by the Oasis Shrine Club, is a free service and is designed to provide help and advice for all children of the area who suffer from any kind of handicap.

Pre-registration forms for the clinic are available at local physicians' offices.

Amarillo to host 4-H horse show

The eighth annual State 4-H Horse Show will be held at the Bill Cody Livestock Arena in Amarillo, Aug. 6-8, according to a joint announcement by John E. Hutchison, director of the Texas Agricultural Extension Service, and Glenn Gibson, director of tourism and conventions for the Amarillo Chamber of Commerce.

"WE ARE very proud to have the show in Amarillo this year," Gibson said. "With the addition of the new Bill Cody arena, we think we have one of the best livestock complexes in the nation."

The Extension Service is looking forward to the show, Hutchison noted, due to a history of cooperation with Amarillo in conducting various events in the city.

B. F. Yeates, Extension horse specialist at Texas A&M University, will serve as show manager and will be assisted by Tom Davison, assistant state 4-H Club leader. County agricultural agents in the area will serve as ring stewards. A steering committee and other functional committees will be appointed in the near future by the Amarillo Chamber of Commerce.

YEATES noted the show has grown each year in both quality and prestige, and this year over 400 participants are expected, representing the more than 12000 4-H horse club members. The number of entries has been limited, but the addition of events has increased the number of participants. Last year a cutting horse contest was added, and this year English pleasure and jumping classes will be added, Yeates said.

Classes also will include halter, showmanship, western pleasure, reining, barrel racing, pole bending and mounted drill team.

Nazareth net teams complete top year with district sweep

Nazareth High School has completed one of its most successful tennis seasons in history, sweeping all but two district events.

In addition, Nazareth won the district championships in junior high and elementary divisions.

NONE OF Nazareth High School's netters gained a berth in this weekend's state tennis tournament in Austin, but Jackie Book and Debbie Hochstein came close in the senior girls' doubles. The Nazareth duo defeated all challengers in the recent regional tourney in Lubbock until they reached the finals, where they lost to Bronte's duet by a close 9-7, 8-6, to finish as regional runners-up.

In senior boys' doubles, Keith Gerber and Melvin Wethington captured the district title easily and advanced to the regional semi-finals before being eliminated by the defending state championship team from Turkey.

Lorene Brockman also made it to the regional semi-finals in senior girls' singles before being eliminated.

IN FRESHMAN competition last weekend at Levelland, Nazareth

netters captured every district championship — boys' singles, girls' singles, boys' doubles and girls' doubles.

Richard Birkenfeld won the freshman boys' singles title while Ramona Kleman took the girls' singles crown. In boys' doubles, Frank Pohlmeier and Stanley Maurer won the title. Peggy Book and Vicki Wilhelm captured the district trophy in girls' doubles.

In the grade school division, Nazareth girls won both the singles and doubles titles, while the boys' doubles team came in second.

IN GIRLS' singles, Patty Hochstein finished first and Alice Hochstein finished second in district play.

In freshman girls' doubles, the title was won by Delphine Wethington and Norene Kleman, with Mary Lynn Wilhelm and Bonnie Huseman placing third.

Glenn Ehly and Harold Gerber were defeated in the district finals for a second place finish in the freshman tourney.

Nazareth's netters are coached by R. B. Christian.

Former resident dies in Clayton; burial held here

Graveside services were conducted Friday afternoon at Castro Memorial Garden for Mrs. Margaret Langford of Clayton, N.M., former Castro County resident and mother of Lawson Langford of Dimmitt.

MRS. LANGFORD, 88, died last Wednesday in Maulsby Nursing Home in Clayton, N.M.

Funeral services were conducted Friday morning in the First Baptist Church of Clayton by Rev. Chester Bunch, pastor. Burial here was under the direction of the Clayton Funeral Home.

Mrs. Langford, a native of Puddin, Tex., was the widow of John Langford, who died here in 1948. The Langfords farmed here in the 1930s and 1940s.

She is survived by a daughter, Mrs. Marie Winders of Clayton; four sons, Lawson of Dimmitt, John of Waco, Ocie of Riverbank, Calif., and Dennis of Ruidoso, N.M.; 17 grandchildren and 40 great grandchildren.

Priest's mother dies; rites held

Rev. Stanley Crocchiola of Nazareth helped conduct Rosary and funeral mass last week for his mother, Mrs. Vincent Crocchiola, in Washington Township, N.J.

Mrs. Crocchiola, who was 90 last Feb. 12, died of cancer April 26 in Bergan Pines Hospital near her home, following a 10-month illness.

ASSISTING her son in the final rites were Rev. J. Doyle and Rev. M. Norton of Our Lady of Good Counsel Church in Washington Township. Burial was in the George Washington Memorial Park in Paramus, N.J.

Mrs. Crocchiola was a native of Palermo, Italy, where her father, Sal LoDico, ran a hardware store. She attended Holy Rosary Academy and taught for a short while before coming to America to marry Vincent Crocchiola, whom she had met through her father's business. They were married in New York, settled for a time in New Jersey, then moved back to New York. Several children were born to them; two of whom preceded her in death.

After the death of her husband on March 7, 1954, Mrs. Crocchiola went to live with her daughter and son-in-law, Mr. and Mrs. Peter Rossi, in New York, N.Y. The family later moved to Washington Township, N.J. Four members of the Rossi family and Mrs. Crocchiola's daughter, Mrs. Joe Ferguson of Los Angeles, Calif., were at her bedside when she died.

Welding course slated at Hart

An oxy-acetylene welding short course for adult farmers will be held Monday through Thursday under the sponsorship of the Hart High School Vocational Agriculture Dept., according to Supt. Ted Averitt and Lanny Tucker, teacher of vocational agriculture.

CHARLES H. YEATES, welding specialist with the vocational agriculture division of the Texas Education Agency and the Department of Agricultural Engineering at Texas A&M, will be the instructor for the course.

"Many oxy-acetylene welding short courses in various parts of the state have been taught by Mr. Yeates and all have met with outstanding success," according to Walter Labay, area supervisor of vocational agriculture. Arrangements for the adult education short course in welding and in other fields are made through Labay's office.

The short course at Hart is scheduled to begin Monday at 8 p.m. in the vocational agriculture building.

During the dates the short course is in progress, Yeates will be available to assist farmers with individual problems and to provide on-the-farm instruction, Tucker said.

FARMERS interested in taking the short course should write or call Supt. Ted Averitt or Lanny Tucker. An entry fee of \$10 will be charged. Oxy-acetylene welding short course certificates are to be presented to each enrollee who attends all the training sessions.

Yeates stated that the short course will be adjusted to the wishes and interest of local farmers enrolled, but that he expects to cover such subjects as safety in oxy-acetylene welding, factors controlled by the operator, adjusting torch flames, types of welding rods, preparation of joints, distortion, cutting and hardsurfacing.

Band, state meet keeps youth busy

Kent Bradford, Dimmitt High School junior, will be a busy boy this weekend.

HE LEAVES today with the Bobcat Band to perform at the Six Flags Over Texas band festival at Arlington.

Then on Friday, he will fly from Arlington to Austin to compete in the science division of the state meet.

Bradford, son of Mr. and Mrs. James Bradford, was the district champion in UIL science competition, and placed second in the regional meet in Lubbock. He is Dimmitt's only qualifier for the state literary meet.

Trio performs at REC event; Gollehon re-elected to board

Nearly 1,200 members, guests and employees of Deaf Smith County Rural Electric Cooperative enjoyed a barbecue lunch and were entertained royally by "The Windborne Trio" from Dimmitt High School at the cooperative's annual meeting last Thursday.

THE MUSICAL group composed of Ruth Dyer, Skip Skinner and Suzanne Merritt, sang a number of popular and folk tune selections.

All incumbent directors were re-elected. Sloan Osborn of Friona, Tom Draper of Hereford and Noel Gollehon of Dimmitt were selected to new three-year terms on the cooperative's board of directors. Osborn is a 30-year veteran on the board, while Draper has served 20 years and Gollehon nine years.

Following the annual meeting, Osborn was named president of the board, Raymond Higginbotham was elected vice-president and Tom Draper was chosen secretary-treasurer.

KEN LOYD, sales manager of Texas Electric Cooperatives, Austin, was the guest speaker. He reminded the members that pride of ownership has always been the key to the REC's strength and success, and that their continued support would be needed in the months and years to come.

James Hull, manager of the cooperative, reported that 1969 had been a highly successful year with substantial growth in all service categories. Highlight of his report was the announcing of the retirement of the two original loans made to the cooperative in 1927 for \$254,000. The first note for \$135,000 had an interest rate of 2.77 percent and the second note of \$119,000 was at an interest rate of 2.88 percent.

Capital credit checks amounting to over \$140,000 were distributed to members who received electric service in 1968. The \$140,000 represented slightly more than 18 percent of the total patronage of \$777,361.63 for the year.

TO DATE, a total of \$1,447,069.83 in capital credits has been returned to members of the cooperative. This is an average of 19.1 percent of \$7,560,603.00 in patronage.

In addition, \$2,624,547.07 has been paid in advance on existing loans from the Rural Electrification Administration.

STATE WINNERS—These grandfather clocks built by Dimmitt High School woodworking students Terry Robertson (left) and Hoyt Hestand both placed high in the state industrial arts meet in Austin last weekend. Robertson's clock, made of black walnut, placed third in the state in Level III competition as a woodworking project. Hestand's clock, made of Brazilian rosewood, was named the second-place winner in the Level IV (senior) competition. The clocks have Mason & Sullivan works, and both use a new type chime system that enables the boys to alternate between three types of chimes.

ghum of the Nation Pageant here in August, and also will be entered by the Jaycees in the Texas Junior Miss competition at New Braunfels, and possibly other regional pageants.

The profit from Saturday night's pageant — still to be computed — will be earmarked for an emergency fund that has been started at the First State Bank for Elvon DeVaney, Dimmitt's "Outstanding Young Man" winner this year, who is a victim of Bright's Disease. DeVaney is undergoing expensive treatments at Parkland Hospital in Dallas, and will either undergo a kidney transplant or be outfitted with an "artificial kidney" blood filtration machine.

The 1970 Miss Dimmitt Pageant, entitled "Pizazz '70," was a study in contrasts of music, talent and fashion. As Reid commented, the pageant "closed the generation gap." Music ranged from the upbeat sound of the Seven Story Darkness during the sportswear competition and the psychedelic opening number, to the traditional organ music provided by Dwight Joiner during formal competition.

Bob Farrer, Dimmitt High School speech and drama teacher, was the general chairman of the pageant, and his wife, Carolyn, was the girls' stage director.

Everybody is looking for a bargain.

Here's one you can believe in.

LeSabre Custom

What makes the Buick LeSabres we sell such bargains?

We're dealing, for one thing. Spring is here and we're making up for lost time during those cold winter months when everybody stayed home by the fire.

We're going to make it real easy for you to get into a Buick and celebrate Spring. But that's only part of what makes a bargain a bargain.

What about the car? Can you believe in it?

Every Buick is built with integrity. You get things like a cooling system that should never overheat, even with air conditioning.

You get Buick's unique suspension system—AccuDrive—that makes this LeSabre one of the best handling Buicks ever.

You can even order a 350 cubic-inch, V8. With four-barrel carburetion. That

delivers 285 horsepower. Yet runs on regular gas.

So, let's put it this way. If you want a bargain, we've got the ingredients. The car. And the deal.

Wouldn't you really rather have a Buick?

Conservation

Land leveling is considered primary conservation measure

By CLAYTON JOBE
Reshaping of the land surface for more efficient use in agriculture is called land leveling.

THERE ARE two main types of land leveling. First type is field leveling where the entire field is leveled to the desired grade for the type of farming to be done. Then there is bench leveling, which is equalizing separate strips of land to a desired grade with very little side slope allowed, and a border on each side of the strips to prevent water flowing from one bench to the other.

Under surface irrigation system, there is often the problem of proper grade in the direction of irrigation. Also cross slopes may be a big problem. Many times it is possible to correct these factors by land leveling.

When land leveling is needed, a survey should be made to get the physical features. This survey should show high points, low points, degree and direction of slope, also texture and depth of soil. With this information a complete plan of land leveling can be developed.

THE PLAN should include finished grade, depth of cuts and amount of fills. It is also necessary to consider the amount of top soil needed to be removed and

whether the remaining soil will produce good crops.

Sometimes it is necessary to recondition areas where a large percent of the top soil has been removed, this may be done by growing high residue crops, or by adding residue and fertilizer.

Also, your irrigation water delivery system needs to be designed to coincide with method of irrigation to be used.

MANY TIMES it is advantageous to make a change in land use, in connection with land leveling, as some soils and slopes do not lend themselves to all types of crops and soils where erosion control is a problem.

Removal of excess water should always be considered as the change made in the topography of the land may create a problem of retaining excess water during heavy rains. A water outlet may need to be provided.

For more information regarding this activity, and other farm related conservation problems and application, contact your local Soil Conservation Service office.
