Nisbetts to make big jump--from here to Saudi Arabia

By MYRTLE SHEFFY

Homer and Louise Nisbett are leaving Dimmitt Saturday for Saudi Arabia where Homer will be with The Arabian American Oil Company. They go by Braniff to New York City, take another flight to Holland for a day's rest then on. The Nisbetts have lived in Dimmitt two or three years, and are the parents of Mrs. Bob Anthony.

ALICE ACKER OLDHAM who is with Shell Oil Data Service at Houston was recognized with 27 other girls for the Improvements in the Commercial Key Punch Operation such as reducing average time to punch each ticket from 25 seconds to 15, and reducing key punch errors by 50 percent and several other things. Alice finished school here and is the daughter of Herman and Rose Acker.

Tommy and Marilyn Beam and children Brent, the ball player, Leigh and Ann of Amarillo spent the weekend with her parents Floyd and Fern Dickey and grandmother Essie Heyck.

Mr. and Mrs. Swain Burkett and Mr. and Mrs. Bob Huckleback went to Lubbock Monday evening to see the musical "1776" at the municipal auditorium. This musical has received much good publicity.

Dottie and Hugo Beyers are home from a 53-day trip from Los Angeles to Honolulu, on to all the other places, to Australia. They visited the Huntingfords, relatives of the exchange student Gary, who stayed with the Eastwoods. They liked New Zealand most and said the people in that area were friendly and more like in the US. They saw a few of the Islands, the Samoas, known as the beautiful, the Fijis, not so good food there, back by Honolulu for a stay. Enroute they visited their children Wayne and Donna Meacham and Kippy in Denver. There was much snow there so they went into the mountains for a weekend but did not ski, then on home.

VERNA AND Ron Griffith and children of Lubbock were weekend guests of her parents Helen and Wes Brown. The other daughter Jan and Sid Perkins live at Albuquerque.

Mary Flynn and Dorothy Magness have been in Houston attending a planning committee for the National Convention of American Legion Auxiliary. They went on to New Orleans for a tour of that interesting city, then on to Baton Rouge to visit Mary's daughter Sharron and Arnold Acker.

Harry Hauf, Bill Birdwell, James Bradford and Cliff Cook decided to go fishing down at Falcon Lake to get away from the wind for a few days. Hey! Does the wind blow there?

We saw Rev. George Ray, his wife Monette, and children Mark, Jana and Matthew of Grand Junction Colo., having dinner with mother Fay's Kenmore at one of the cafes. They read our paper up there. George's father Bro. Ray was pastor of the Baptist Church here for several years. They told us that Mr. and Mrs. Alvin Ashcraft of Delta, Colo. celebrated their 60th wedding anniversary recently. They are all so former Dimmitt residents.

ANDY LINDSEY is home from his stint in Vietnam. He got his basic training at camp Pendleton,

Calif. in the Marines. Andy is the son of Richard and Skeeter Lindsey. Says he needs a job now.

Beth Wallace of Canyon spent the weekend with her parents Ted and Dorothy Sheffy. Her husband Rick Wallace attended some advanced classes in biology at Houston University. He is a senior at WTSU.

Sue Howell was hostess Thursday evening with a bridge party. She served that good angel food ice cream cake and coffee to Pat Anthony, who was high score winner, Charlene Howell, Dalia Gregory, Earlene Myatt, Hazel Nelson, Maxie Horton, and Louise Nelson.

Mrs. George Hudson and daughter Alona went to Claude Saturday to visit her mother Mrs. Leslie Conaway then by Amarillo to look at wedding things (maybe next summer), then to Hereford where they visited the Hudsons' daughter Mrs. Sunny Brush.

MR. AND MRS. Bobby Copher and children, Cindy Ken, Lisa of Tulsa were Sunday guests of cousins Mr. and Mrs. Macky Oldfield.

Dee and Clara Neumayer are in Amarillo where Dee had eye surgery Monday at High Plains Baptist Hospital.

Jim and Jan Cowsett and baby of Ballinger and Mr. and Mrs. Keohar (Eleanor) of Colorado were guests of the Jack Cowserts, and Ethel Womack.

Allen Gowdy is recuperating from recent surgery he had last Tuesday. Allen lives in Hereford. His parents are the Morris Gowdys.

MR. AND MRS. Don Moore of Clovis were Sunday guests of her brother Jim Pickens and family. Mr. Moore is vocal music coordinator in Clovis Public Schools. Mrs. Moore teaches the second graders. Mrs. Pickens mother, Mrs. McCollough of McCaulley is here for a visit.

Bob Bradford a serviceman at Ft. Sill, Okla. and Jack Flynn of Lubbock were home to visit their folks last weekend. They were coffee guests of Grandma Josie Bradford Saturday.

The Shorty Mannings, the Ted Collins and grandmother of all, Hattie Webb, were Sunday dinner guests of the Mannings grand-daughter Jackie and Gaylan Davis in Amarillo. The Davises have a new home to show off.

Laurence Stephenson was the Birthday Boy the ninth of March. His parents Bill and Mary cooked a good supper with the birthday cake for guests Brent Rose, Roy Quinby, Doug, Lee and Roy Schilling, and Joyce, and parents Mr. and Mrs. Donald Schilling. Another guest of the Stephenson was Mrs. Bobby Starkey of Amarillo who is Mary's sister.

MR. AND MRS. Don Ethington have moved here from Albuquerque recently (or Ann did). They have been married three weeks. Don is with Western Ammonia. They go to church with the Presbyterians.

Mena Merritt and Dorothy Mayfield were joint hostesses at a luncheon at Caisons Restaurant in Hereford Thursday. Bridge was played later by Gail Bruegel, Carolyn Jones, Ruth Jackson, Ola Trimble, Joannis Robertson, Aural Davis, Katy Graham, Darlene Dowell, Ina Ceavinger, and Jo Eddie Riley.

And another nice party was hosted by Pearl Sheffy with lunch at the Hereford Country Club. Her guests were Ceal Carlile, Edith Ramey, Edna Riley, Katy Burkett, Dee Williams, Jeanne Miller and Margaret Wilson. The table was decorated with potted pink violets, and later given as high score prizes to Jennie and Edith.

MRS. ESTELLA Alexander visited Friday with her daughter Mrs. Pete Curtis in Hereford. Her daughter here is Sue DeVaney, and last week Estella visited her mother Bertha Henry at Big Spring.

Mrs. Neva Hickey is with her

Wife. **JANE Killough** is home from Northwest Texas Hospital in Amarillo where she received some skin graft on her leg. She is doing good now. She did work at Perry's store and that store has a new manager Carter Reed. Mr. Reed and wife and two children moved here from Hereford. They go to the Church of Christ. The former manager and family Mr. and Mrs. Benton moved near the Gulf of Mexico—a small town, don't know the name.

Al and Peggy Lemons and baby visited her sister Vesta Patee in Fairview, Okla., that is near Enid. Al is one of the coaches at our school and Peggy is in the hospital office.

MR. AND MRS. Arthur Oakley went to Amarillo last week to visit their grandchildren Quin Oakley's children. He is a Diesel mechanic with Deckard equipment.

Mr. and Mrs. R. D. Rogers went to Lubbock Saturday to have supper with their daughter Barbara and Jerry Noble. Another daughter Juanelle was there and her husband Al Thornborrow who is serving in Vietnam is home for awhile. The Thornbrows have been many places, Japan, and on and on.

MR. AND MRS. BOB Cardell and Mr. and Mrs. B. M. Nelson attended the Civic Center in Amarillo Friday evening. They liked that rough game between Omaha and Amarillo.

Cletha George and Vera Webb went to Lubbock Sunday to meet the plane or to pick up Leola Haber who came in after a visit with her daughter and son-in-law Betty and Dr. George Worrel of Rockwall. Dr. Worrel is a Baptist minister.

Mr. and Mrs. Jesse Wooten have been to Cordell, Okla. to visit a brother who has been very ill. The Wootens moved into Dimmitt on Pine Street a few months ago.

The Laymans are on their farm.

D. P. (PETE) Dowdy has retired from the Air Force following 23 years of service. He plans to remain in Dover, Del., where he will be in the wholesale florist business. He has served in Vietnam on Star Lift, and has also served all over Europe, Iceland, Japan, and Honolulu.

Frank Dowdy is in the Mediterranean Sea area on the destroyer Albany. Both Frank and Pete are the sons of Mrs. and Mrs. J. L. Dowdy.

Carlos and Anna Maria Calvert and Pearl Johnston went to Floydada to attend the 100th birthday of Mr. Alexander, the father of Mrs. Cogswell. She and Doctor Cogswell were there. The party was at the old farm home there. Mrs. Johnston says Mr. Alexander is very alert and had a good day. Dr. Cogswell has really retired from treating sick people, but they have not decided what to do yet.

Mr. and Mrs. Howard Hershey went to Hereford Sunday for a visit with his brother Horace. Mr. Hershey has the cast off one leg, but not the other. He is improving slowly from his broken legs received in a car wreck.

MARIE TATE spent a few days at Moreland, Okla. visiting relatives. Her mother Mrs. J. L. Kay came to stay awhile.

Pat and Ken Truelove of Amarillo, Jimmy, Judith, and Tal Tate of Lubbock, were here for Sunday dinner with the Tates. Jim and Judith visited her mother Zornell Maples, also.

Mrs. Gladys Cleavinger left here Tuesday for Phoenix where she will meet her relatives—a sister, Mrs. Fern Cleavinger, and husband Jess Cleavinger of California, Dutch Cleavinger of

yon, and Margaret Astell, who lives there.

Be sure to go see the play "Tom Sawyer" Saturday evening March 20 at 7:30 p.m. Admission price is \$1.00, 75 cents, and 50 cents for pre-schoolers. Betty Hawkins speech and drama teacher, says this is a good one.

Panhandle had the formal opening of their new Library Sunday and going from here were Judge and Mrs. R. E. Wilson, Mr. and Mrs. Russel Moran, Mr. and Mrs. Jack R. Miller and another group going were Beral Hance, Hazel Merritt, Mary Edna Hendrix and Mary Lou Frazier. They report the building is very nice, and would be a good pattern for ours.

The name of the library is the Callaghan Memorial Library. Beral's granddaughter, Sherilyn Hodges of Panhandle was on the program. Her parents Jack and Beth Hodges attended the opening also.

OCIE AND CARL Bolton hosted a party Friday night in the home of Mr. and Mrs. Howard Hershey.

It was Mrs. Hershey's birthday. "74" was played. Also Elbert and Geneva DeLozier were given a baby shower for their grandson, Carl Elbert, the adopted son of Mr. and Mrs. Edward DeLozier of Hereford. Others attending besides the Boltons, Hersheys and DeLoziers were Arthur and Melvina Oakley, Ruby Webb, Vina Smith and Floyd and Willamae Reynolds.

HIS TROUBLES WON'T GET HIM DOWN

Forgetting his incapacitation, he is happily determined to plan ahead. His spirit is not easily crushed. Life is always full of hope and excitement. The Lord and this young man's Christian friends have taught him to have such an outlook on life.

"But the fruit of the spirit is love, joy, peace, long-suffering, gentleness, goodness, faith." Galatians 5:22.

We invite you to attend the church of your choice regularly to worship, to be uplifted, encouraged, and blessed.

EVERYONE IN THE CHURCH
THE CHURCH IN EVERYONE

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Presenting **THE VERSATILE Everman 329**
Longer, Heavier Stronger—Built To Sell at a LOWER COST

The main wheels of the EVERMAN 329 have been moved further ahead... and combined with NEW SPRING tension on the blade give faster, more accurate leveling and dirt moving action through greatly increased cutting and filling performance. Here is a big machine for dirt moving and leveling—longer, heavier, stronger—yet built to sell at a LOWER COST. For 3 plow tractors.

OUTSTANDING FEATURES—Length 22'4". Width 12". Blade capacity 1 1/2 cubic yards. Blade vertical travel 13". Weight 2010 pounds. Front V smoother blade for dod busting and use on heavy dry soil. Front Dolly Assembly for use in loose, moist and heavy soil conditions. Screw adjustment on front dolly provides simple, fast regulation for load in cutting blade. Rear Smoother Blade adjustable to all soil conditions.

There are Everman models to fit all standard farm tractors.

HAYS IMPLEMENT CO.

PROMOTED—Gary Singer of Dimmitt, member of the 220th Reconnaissance Airplane Co., 212th Combat Aviation Battalion in Vietnam, was promoted recently to the rank of Specialist Fifth Class, the equivalent of sergeant (E-5). Here, his commanding officer, Maj. Darryl W. Johnson, "pins" Sp-5 Singer on promotion day. "His promotion was based on his devotion to duty, military bearing and personal appearance," Maj. Johnson commented. "He has been quite helpful in our civic action program, and I have a lot of confidence in his personal abilities." Singer is the son of Mrs. Betty Singer and the late Jimmy Singer, and is the grandson of Mrs. T. A. Singer of Dimmitt.

Letter to the Editor

Writer gets anonymous reply; feels person missed the point

Dear Editor:
I would like the opportunity, through your newspaper, to reply to the anonymous correspondent who wrote to me regarding the letter that you were kind enough to print last week. I would then like to consider the correspondence closed, however many anonymous letters I receive!

DEAR "Old Timer" of Dimmitt:
You preferred to remain anonymous, so I hope I may be excused the mode of address. I rather think that you misinterpreted the point of my letter, though of course I may not have made it crystal clear.

The object of the letter was to pinpoint one of the deficiencies of the education system, not to point out the good things about Dimmitt, which are surely easy enough to see and need no stressing.

fant mortality rate. Yet you pay the football coach at West Texas State University as much as the president. (I am assured that there are colleges where they pay the coach more.) And the heads of departments are paid less than half the coach's salary. The medical system, drug and crime rate are another problem.

HOW MUCH value do you place on learning, and how much on athletics? I think the answer is obvious, and one that every parent should be concerned about. Might I add that when in England you were free to criticize anything and everything, and there is, alas, much to criticize. I would hate to think that in this Land of Liberty I did not have the same freedom. I like to bear in mind while listening to or offering criticism, the saying of Voltaire: "I heartily disapprove of what you say, but I will defend to the death your right to say it."

What's cooking at the schools

THE TEACHER of my fourth grade child was kind enough to ask me to speak to her class about a country I had lived in for a long period (it didn't happen to be England). I left that class thinking what a joy they must be to teach. They were eager, curious, interested and interesting. It's for these children and others in the school system that I want the best education we can provide. I want the teachers to have the best equipment to teach with.

The teamwork that one learns on an athletic field is necessary, too, but it's the money spent on sports and the over-emphasis on this activity that I deplore.

This is the richest and one of the most highly industrialized nations in the world, yet you have a relatively high illiteracy rate, you have the highest crime rate, the highest drug ratio per head of population, and the highest in-

Here's the food fare for the coming week in Dimmitt's elementary school lunchroom. The daily menus at the high school cafeteria will be essentially the same, according to Mrs. Sarah Blackwell, school lunchrooms supervisor.

TODAY — Fried chicken, potato salad, green beans, honey butter, rolls, milk.
Friday — Barbecue luncheon loaf, whole kernel corn, coconut pudding, kitchen made bread, butter, milk.
Monday — Texas hash, green beans, hominy, applesauce, rolls, butter, milk.
Tuesday — Pinto beans with ham, turnip greens, vinegar beets, cornbread, peach pie, butter, milk.
Wednesday — Barbecue on a bun, tossed or cabbage salad, blackeyed peas, peanut butter cake and icing, chocolate milk.
NEXT Thursday — Turkey and dressing cranberry sauce, sweet potatoes, celery sticks, rolls, butter, milk.
Friday, March 26 — Salmon croquettes, green beans, rice, banana pudding, rolls, butter, milk.

LEGAL NOTICE

Wheat Referendum and Producer Board Election

Being certified by the Commissioner of Agriculture of the State of Texas for this purpose, the Texas Wheat Producers Assn, Suite 600, Bank of the Southwest Bldg., Amarillo, Texas 79109, proposes a referendum election on May 11, 1971 under provision of Article 55c, Vernon's Civil Statutes, on the proposition of whether or not wheat producers in a 34-county area of the State of Texas shall assess themselves a maximum amount of five mills per bushel to be collected at the point of first processing, handling or sale and to elect members for a 9-man Wheat Producers Board to administer proceeds of such assessment to be used for research, disease and insect control, education and promotion designed to encourage the production, marketing, and use of wheat. Counties to be included in the referendum area are: Roberts, Dallam, Gray, Hansford, Hartley, Hutchinson, Lipscomb, Moore, Ochiltree, Sherman, Briscoe, Armstrong, Carson, Castro, Deaf Smith, Floyd, Hale, Oldham, Parmer, Potter, Randall, Swisher, Archer, Baylor, Childress, Clay, Foard, Hardeman, Haskell, Knox, Throckmorton, Wichita, Wilbarger, and Young.

The referendum and election will be held in each county by

personal balloting. Polls will be open from 8:00 a.m. until 5:00 p.m., on the date of the election. The polling places for all counties will be at the County Courthouse. Voting will be conducted on May 11, 1971.

Any person within the area described above engaged in the business of producing, or causing to be produced, wheat for commercial purposes is eligible to vote, including owners of farms and their tenants and sharecroppers, if such person would be required to pay the assessment proposed.

Any person qualified to vote at the referendum may place his name in nomination for election to the proposed commodity producers board by written application to the above organization signed by himself and at least ten other persons eligible to vote in the referendum. Such applications must be filed at least 30 days prior to the election date.

Any person who wishes to vote absentee may obtain a ballot at his local County Agent's office on or before April 27, 1971. Such ballots must be completed and returned to the Texas Wheat Producers Association at the above listed address prior to midnight on the election date.

RESERVE CHAMPION barrow in the Castro County Junior Fat Stock Show was this 205-lb. Hampshire shown by Vic Nelson of Hart. This was Nelson's third straight year to earn a championship in the local show—he exhibited the grand champion barrows in 1969 and 1970. The Hart FFA boy received \$1.25 per pound for his barrow from the Hart Buyers Club at Saturday's sale.

Cattle numbers climb in Texas for sixth year

Texas cattle numbers rose for the sixth straight year in 1970 while lamb and sheep numbers moved upward for the first time since 1961, according to livestock inventory figures from the Texas

Crop, and Livestock Reporting Service.

IN ADDITION to this report, the 1970 Calf Crop, the 1970 Lamb Crop, and the Feb. 1 Cattle on Feed Report were also released. Beef cow populations, cattle on feed, and the Texas calf crop also showed increases.

Texas cattle numbers on Jan. 1, 1971 showed a three percent gain over year ago levels. Sheep and lamb numbers gained two percent in contrast to the continued decline of the national totals. Stock sheep recorded an even larger increase in the state, a three percent rise from last Jan. 1.

BEEF COW populations in Texas reached 5.8 million head on Jan. 1, 1971, showing a four percent increase over the revised

5.6 million head recorded last year.

Dr. Ed Uvacek, Extension livestock marketing specialist, noted that for the first time heifers weighing 500 pounds and over being kept for cow replacement were also recorded. These numbered 754,000 in 1971—a gain of three percent over the 1970 level.

The Texas calf crop reached 5.4 million head in 1970, a two percent gain over the 1969 figure. Dr. Uvacek noted that the number of calves born as a percent of cows and heifers two years and older on hand the first of the year moved down slightly to 88 percent.

HE ADDED that for the first time this year, the USDA reported the number of calves born as a percent of cows and heifers that had actually calved. This percentage was 91 percent for Texas and averages 94 percent for the nation.

Texas' 1970 lamb crop was estimated at 2.4 million head—a four percent increase over 1969. The number of breeding ewes, one year and older on Jan. 1, 1970 were down drastically, causing the percentage lamb crop to rise to 92 percent—a gain of 12 percentage points over last year.

Texas cattle on feed on Feb. 1, 1971 reached 1.6 million head, showing an increase of 12 percent from more than a year ago. Feedlots with capacities of 1,000 head or more held 97 percent of the cattle on feed on Feb. 1.

Heart Fund Dollars Develop Life Saving Method—'ECPR'

(This is the third and final article in a three-part series presented by your Heart Association to inform readers of this newspaper about the urgent need for prompt medical help in the event of heart attack.)

Following heart attack, one's chances of survival are infinitely greater in a hospital than in your home, even though the hospital may not be presently able to render heart monitoring service.

Almost all hospitals have equipment to electrically control a faulty heart rhythm. Further, they are equipped to administer medications designed to correct complications, as well as to utilize a new technique known as external cardiopulmonary resuscitation—ECPR.

Just a few years ago an imaginative Baltimore doctor developed a method of restoring normal rhythm to a heart in ventricular fibrillation, a serious arrhythmia that is usually fatal.

Later, he became the co-developer of external cardiac compression, a procedure that has already restored to normal function thousands of stopped hearts.

This maker of medical history is Dr. William R. Kouwenhoven. It is all the more remarkable that he is not a physician, but rather a doctor of engineering. His medical collaborator in both projects was Dr. James R. Jude, now of Miami. Together, they have opened a doorway of hope of many heart attack victims, who, in other circumstances, might perish.

External cardiopulmonary resuscitation, used in combination with the more familiar

mouth-to-mouth breathing, is a procedure to be used following "cardiac arrest"—a term describing sudden cessation of circulatory function. The idea is to keep oxygenated blood flowing to the brain until appropriate medical treatment can be applied to restore normal heart action. Many times the heart restarts spontaneously.

ECPR is done by depressing and then releasing the sternum, or breast bone, in such a manner as to squeeze the heart against the vertebral column, then permitting the heart to relax. As a result, an artificial but adequate circulation is maintained. The procedure is most effective when used in conjunction with mouth-to-mouth breathing. Many times the heart starts spontaneously during this procedure.

External cardiopulmonary resuscitation is for application only by a trained person, and, in many instances, can save the victim of cardiac arrest—especially if resuscitation maneuvers are started promptly, never later than four minutes after the arrest occurs.

To meet the training need, Heart Associations throughout the country are conducting educational programs which enable physicians and nurses, police, firemen, utility workers and ambulance attendants to apply emergency measures when signs of sudden death are evident. Many thousands have been already trained.

Company honors James Brockman

James Brockman, son of Mr. and Mrs. Jerome Brockman of Nazareth, has recently been honored by the Southwestern Company of Nashville, Tenn.

THE COMPANY has had a summer selling program for ambitious college students since 1968. Last year more than 4,000 college students were selected from approximately 400 colleges and universities across the nation to participate in the program.

Brockman was presented the Gold Award, a coveted award given to students in the Southwestern Program who work 75 hours or more each week of the summer.

Brockman is a student at West Texas State University in Canyon. Due to the outstanding job he has done in the past, he has been

TOP WINNERS in the senior divisions of the 4-H home projects show Saturday were Patti Hochstein (left) of the Nazareth 4-H Club and Janet Smithson of the Dimmitt 4-H Club. Miss Hochstein, 14, won the grand champion's banner for 4-H'ers in their fifth year and over, with a blue ribbon in pies and red ribbons in cookies, quick bread, yeast bread, and her dressmaking project, a pair of denim pants. Miss Smithson, 15, won the banner among third and

fourth year 4-H'ers with blue ribbons in rolls and dressmaking and a white ribbon in brownies. Total points determined the champions. Miss Hochstein is the daughter of Mr. and Mrs. William Hochstein Jr. of Nazareth, and Miss Smithson's parents are Mr. and Mrs. Rayphard Smithson of Dimmitt. Miss Smithson was a double winner Saturday, also collecting a best-of-class banner with her Shorthorn steer in the Junior Fat Stock Show.

Ladies complete drapery course

By **IRENE KEATING**
Last week we completed our drapery and window shade workshop. Patricia Powell made a real pretty lavender and white checked shade with dark lavender fringe. Sybil Steffens, Anne Kern and Joan Durbin all worked on draperies. We all enjoyed it and got some good ideas from each other.

I WANT TO thank the women who helped me get the 4-H food sale set up for the stock show. Mrs. Helen Oldham and Mrs. Jackie Crozier worked helping me get every thing clean and in order Thursday. Also special thanks to Mrs. Marilyn Smith for making the chili and barbecue beef and to Mrs. Sandra Bagwell and Mrs. Reta Welch for making the pimento cheese sandwiches.

Bethel Home Demonstration Club donated 36 pies Friday, Flagg Club donated 10 and Mulkey donated six for Saturday.

I WAS PLEASED to be present Friday when the "Fun After Fifty Club" was organized. The officers elected were Mrs. Cecil Ginn, president; Wes Anthony, first vice-president; Bert Andrews, second vice-president, Mrs. Vera Webb, secretary-treasurer; and Mrs. Ethel Lowe, reporter.

Club hears review of Van Dyke book

"Faith, Hope and Hilarity" by Dick Van Dyke was the book reviewed by Mrs. James Welch at last Wednesday's meeting of the Dimmitt Book Club.

THE REVIEW and a prior business meeting of the club were conducted in the First State Bank community room.

Van Dyke, a well-known TV and movie comedian, sprinkled his book with the paraphrases of children and their ideas about the Bible and life in general.

Mrs. Welch noted that Van Dyke outlined his experiences as a Sunday school teacher and father. He said that if he were to advertise for a Sunday school teacher or for a children's class, his advertisement would read:

"WANTED: Teacher. Must have the wisdom of Solomon, the patience of Job and the courage of David."

"It would also help to have Jonah's ability to bob up smiling and the faith of Christians on lion's day in the Colosseum," Mrs. Welch quoted Van Dyke.

Although teaching Sunday school is a demanding job, it is also a delight, Van Dyke observed. Children, he said, have an uncanny way of reducing the unexplainable to their own terms—such as this description of how God creates people: "He draws us first, then cuts us out."

HE QUOTED another child's description of the difference between Catholics, Jews and Protestants: "They're all just different ways of voting for God."

One child's simple, frank answer to a question stopped one of Van Dyke's Sunday school classes. Asked what a person must do before obtaining forgiveness for sins, the boy answered: "Sin."

Mrs. Welch noted that the book is available at the Castro County Library.

MRS. Charles VanDiver conducted the business meeting. She explained that dues should be paid now, and that money is needed to help buy property for a new public library.

Approximately 45 ladies attended the meeting, review and social hour. Mrs. J. R. Brown and Mrs. Joe Carver served cakes and coffee from tables decorated in a St. Patrick's theme.

'Friends' plan annual meeting

The Castro County Friends of the Library Board met March 9 to make plans for the annual meeting to be held in April.

THE FRIENDS would like to recognize a Library Family of the Year this year. Mrs. Mary Edna Hendrix, librarian, has several families who have all members but the husband using the library so some of you men need to go check out books.

There will be a book sale in front of the library this Saturday starting at 10 a.m. Many books are available for very small prices.

Four from Hart named 'Outstanding Teenagers in US'

(Editor's Note: We are grateful to Mrs. Elsie Black and Mrs. Alva Henderson for gathering and writing the Hart News this week while our regular correspondent, Mrs. Myrl Loman, was in the hospital.)

Four Hart High School students have been selected "Outstanding Teenagers of America" for 1971 and are now eligible to compete for state and national honors.

The four students are Veronica Lynn Cox, daughter of Mr. and Mrs. Claude N. Cox; Rebecca Sue King, daughter of Mr. and Mrs. William Thomas King; Gary Leon Six, son of Mr. and Mrs. Elmer Six; and Ralph Bell, son of Mr. and Mrs. William D. Bell. The Hart High School students will compete for the Outstanding Teenager of the Year trophy to be presented later this year by Gov. Preston Smith. Winners in other states will receive similar trophies.

From the 50 state winners, one boy and one girl will be awarded \$1,000 scholarships.

The Outstanding Teenagers program, created in 1967, has been lauded by a number of national officials, including President Nixon and astronaut Neil Armstrong. Names and brief biographies of students appointed to the roster are published in an annual volume.

The program's advisory board is staffed by representatives of the US Jaycees, Boy Scouts, YMCA and numerous other business and civic organizations.

GIRLS IN Action of the Hart First Baptist Church met last Wednesday afternoon.

Program title was "Learning to Help People," led by Mrs. Lowell Richburg. Laurey Franks read the prayer calendar and Rhonda Cole led the girls in singing songs.

One new member, Marci Westcott, was among the 17 girls present.

Brenda and Kendra Bishop served refreshments.

THE FIRST Baptist Church Intermediate Girls, accompanied by Mrs. DeWayne Brown, teacher, went bowling Wednesday afternoon in Plainview.

The girls bowled three games, then returned to Mrs. Brown's home for pizza casserole and Cokes.

Girls who attended were Carla Rambo, Cindy Hill, Pat Waide, Dee Ann Bailey, Genice Crosby, Dana McLain, Terri King, Vivian Davis, Jan Loyd and Sherri Dauter.

Mrs. Don Lloyd helped with the transportation.

CHI PSI chapter of Beta Sigma Phi will have a "model meeting" tonight (Thursday) at 7:30 in the home of Mrs. J. D. Myrick. Mrs. George Ed Bennett will be co-hostess.

Mrs. Bob Bowden, Mrs. Jerry Allen, Mrs. Bill Hill and Mrs. Bob Lacy met in the home of Mrs. Jim Black Thursday afternoon to practice a skit telling the story of Beta Sigma Phi, which will be presented at the model meeting. Mrs. J. D. Myrick, Mrs. David Smith and Mrs. Tom Ed Benton will also take part in presenting the skit.

Cultural program for the evening will be given by Mrs. Frank

Barnes and Mrs. Leon Kendall.

THE FUTURE Teachers of America met for their regular monthly meeting Monday.

Students gave a report on the state convention and workshops. Brenda Cheves, president of the local chapter, gave a report on "An Experience in Love." Other topics were presented by David Bars, "Blending Culture"; Kathy and Kathy Cheves, Donna Welty, Tucker, "Mini-gym" (physical education); and Jean Foster, "FFA Projects". Miss Cheves gave the final report on the convention.

Members present were Brenda from Southwest France. Her home is Kathy Kennedy, Carol Miller, Betty Follis, Shirley Flippo, Jean Foster, Brent Lemons, David Bas and Jim Tucker.

Next meeting will be April 12, with the election of officers for the 1971-72 term.

THE IOTA Z-ta chapter of the Delta Kappa Gamma society met recently in Lamar Fellowship Hall of the First United Methodist Church in Dimmitt.

The program was presented by Claire Tenaillon, senior foreign exchange student at Dimmitt, from Southwest France, her home town is Peilignac. She told about her native land and some of the different experiences she has had in the US. Her American parents in Dimmitt are Mr. and Mrs. J. E. Parish.

Dwight Joiner, band and music director in the elementary school at Dimmitt, sang selections which were composed by Mrs. R. W. H. Hamilton of Comanche, 83-year-old mother of Mrs. Joe Cowen of Dimmitt.

Members attending the meeting from Hart were Mmes. Lannie Tucker, J. V. Westcott and Katie Strickland.

DEN 1 met last week in the community room of the Farmers State Bank with their den mothers, Mrs. Alexander and Mrs. Griswold. The boys began working on their Indian costumes and the skit they will give at the pack meeting March 25.

Den 2 met last Wednesday after school at the bank. Mrs. Weldon Jones and Mrs. Glen Glegborn, den mothers, helped the boys select a name for their tribe. They also began working on their In-

DONNIE IRWIN

dian costumes and a skit for the next pack meeting.

Den 3 met at the Wozencraft Insurance Agency office last Wednesday with their den mother, Mrs. Lyndall Warren. They started on their new project of Indian costumes and a skit.

The Webelos den met last Thursday with the leader, Bill Shelby. The boys are working on individual book cases and they finished planting trees and worked up their report for the March 25 pack meeting.

A special training for the Webelos den was held Friday in Mrs. Leonard Griswold's home. The Webelos are working on achievement badges. Jackie Davis finished his training for his Webelos badge.

The Scouts would like to say "thanks" to the Ed Harris Lumber Co. for all the materials donated to the Scouts.

Mrs. Lyndall Warren and Mrs. Leonard Griswold attended a Cub leaders' training session in Tullia last week.

THE GOOD Neighbor Club reported that it had a very successful day Thursday at the Bud Seiert Farm Sale. The club served sandwiches, pie and drinks during the sale. Proceeds will be donated to the Cemetery Fund.

ABSENTEE voting for school district and city offices opened Monday and will continue through Tuesday, March 20. Absentee ballots for the school trustee election may be cast at the school tax office. City election absentee ballots are available at the city hall.

Candidates for the school board are Preston Upshaw, David Nelson and Cleve McLain. Two posts on the board are available.

In the mayor's race, the candidates are Mayor E. E. Foster and challenger Claude Kropp.

Candidates for the two city council posts available are Aubrey Myers, R. A. Futrell, T. D. "Butch" Martin, and W. T. Sanders. The two polling the highest number of votes will succeed Councilmen Buster Aven and Tom McLain, who did not file for reelection.

senior banquet has been changed to Saturday, March 27 at 8 p.m.

A school assembly featuring the Knoccht Family—John L. Knecht and his two sons—is scheduled for 8:30 a.m. March 26. Admission will be 15 cents for elementary pupils and 25 cents for junior high and high school students.

PVT. DONNIE IRWIN has just finished his basic training at Fort Ord, Calif. He is now home on a 16-day leave and will report March 24 to Fort Lewis, Wash., to be assigned to overseas service.

Irwin is the 21-year-old son of Mr. and Mrs. D. L. Irwin. He is a 1968 graduate of Hart High School. He attended college in Amarillo before entering the service last Dec. 28.

HART LIONS met at the community room of Farmers State Bank Monday with 26 members present. Guest was Jean Foster, Lions sweetheart.

Lion Boss Bill Rich appointed Wamon Foster, Newlon Roland and W. T. King to serve with him on the nominating committee. New officers will be installed in July.

Elmer Six was selected to be master of ceremony at the queen contest, which will be held at the next meeting Monday.

The Ladies' Night Banquet will be held April 8. Banquet committee members are:

Food — Bob Reed, Willis A. Hawkins Jr., Frank Barnes, Newlon Rowland.

Decorations — Harley Wilke, DeWayne Brown and Bill Hill. Entertainment — Elmer Six, and Richard Franks.

The response the Lions have received from the local merchants on the queen contest has been good.

The district convention will be held April 22-24 in Borger, with the queen headquarters at the Circle Motel.

A queen contestant must be a full time student in high school in the area of the club entering her in the district contest. She is not to be over 20 years old by June 1, 1971. Financial Facts

By Willis A. Hawkins, Jr.

What is a coin dealer? A businessman of course, but also a coin collector. He

very likely started with pocket change and a Lincoln Head cent collection like most of us.

Dealers in coins range coast to coast with some aggregation in California and along the east coast.

Most dealers list their trade as 80 percent in American coins. They also make available coin information, various means of keeping and displaying collections, and probably several good suggestions on how to start a collection.

Most dealers have a complete selection in all series. The dealers who specialize in ancient and medieval coins are not plentiful. If your specialty is ancient coins, you may have to write them for

catalogs and information.

OK!... you want to be Cool

Get your money's worth electric air conditioning

OVER 30 YEARS OF PROVEN DEPENDABILITY
Just like your refrigerator, electric air conditioning uses the same experience-proven method of cooling. A dependable compressor keeps on cooling no matter how high the outside temperature.

LOW OPERATING COST
Before you buy, be sure you have complete information. Electric air conditioning saves you money when you buy and because it uses only electricity and free air, your operating cost is low... no extra installation costs, either!

HIGH ALTITUDE — NO PROBLEM
Despite our high altitude, electric air conditioning keeps on doing its job because the electric cooling method is completely sealed against the effects of altitude changes.

CHOICE OF BRANDS
There are 58 manufacturers of electric air conditioning, and all major brands are available in our area. Brands in your area are listed in the Yellow Pages or identified on your neighborhood dealer's store front.

CHOICE OF SIZES
Electric air conditioning offers the right size for your cooling job. Too large a unit makes your first cost unnecessarily high; too small runs up operating cost. Electric air conditioning can save you money on both counts.

COMPLETE SERVICE
The principle of electric air conditioning is so well understood and the parts so easy to change that any air conditioning man can give you service quickly should you ever need it.

Schulte scores in WTSU Rodeo

Despite a second-place finish at the West Texas State University Intercollegiate Rodeo recently, the men's rodeo team from Eastern New Mexico University remains in first place in the Southwest region of the National Intercollegiate Rodeo Association.

Helping with the scoring for the men's team were fourth place wins in bull riding and calf roping by Marvin Schulte of Nazareth, and Ross Chesser of Roswell. Schulte also picked up a fifth place in steer wrestling. Bobby Lewis, a junior from San Jon, placed second in ribbon roping and senior Mike Howell, Owasso, Okla., was sixth in calf roping. The two teams from Eastern will be in action again on April 1 and 2 at the Oklahoma State University Intercollegiate Rodeo in Stillwater.

RESERVE CHAMPION lamb in the Junior Fat Stock Show was this 97-lb. Hampshire shown by Cheryl Sammamm, member of the Flagg 4-H Club. The view from your library

By MARY EDNA HENDRIX
The Friends of the Library met last week. Attending were President Irene Keating, Roxie Louder, Rita Hartman, Margaret Womack and Reta Welch. The Friends decided to have a book sale this Saturday in front of the library at the new location, 105 E. Bedford St., first door west of Parsons Drug. In case of bad weather, the book sale will be held inside the library. If you like to read, you will not want to miss this because these books are priced from 5 to 50 cents.

THE LIBRARY board met last Wednesday with Jack Miller presiding. Others present were Edna Riley, Leora Little, Hazel Merritt, Mrs. Snider, Irene Keating, president of the Friends of the Library, and Esta Vandiver, president of the Dimmitt Book Club. We are still discussing plans for the new library.

Esta Vandiver came in one day last week and painted the front of our library, making it very attractive with bright blue and yellow lettering. Thanks, Esta—the front looks so much better now. Come by and see this soon!

We had three boys and 10 girls at Children's Story Hour Friday. Mrs. Mary Pickens helped me with the reading as well as serving refreshments.

Mr. and Mrs. Homer Nesbitt donated about 50 books to the library. Thanks!

Beet processors, growers support sugar proposal
James W. Witherspoon, executive secretary of the Texas-New Mexico Sugar Beet Growers Association, stated that it appears all segments of the sugar industry will support sugar legislation to be presented to the Congress in the early part of 1971. Meetings were held in Washington, D.C. during the week of February 22.

WITHERSPOON stated that the present Sugar Act expires with the year 1971, and without a Sugar Act very similar to the present Act, it would be impossible to produce either cane or beet sugar in the United States. He is optimistic that Congress will protect the industry in that it is designed to protect the consumer as well as the producer, and at the same time the refineries and the processors.

Campus chatter

By PAT BARRIOS and DIANE GARCIA

Hi out there, sports fans. Here is the authentic campus chatter from the halls of DHS:

GREG HALL and **Truitt Childers** had a little mishap last week. We guess they enjoy that soda water quite a bit.

Hey, Elizabeth Saenz, what were you doing Sunday that kept you up so late?

The boys at the field house would like to dedicate "Mean Mistreater" to the coaches. They would also like to express their good wishes to Coach Blair, who is leaving. Good luck to you, Coach, wherever you go.

We understand that Mr. Miller is going to go to work for NBC. He is going to take Chet's place.

Luther Perez is going to quit school and become Joe Namath's stunt man.

It is rumored that as soon as Bob Duke's gilt has a litter, they are going to be named, Piggie Duke No. 1, Piggie Duke No. 2, etc.

We hear that Coach Askey is applying for the principal's job. If you want a Shetland pony, talk to Pete Gonzales. He is trying to sell it, so he can buy a mule.

Hey, you first-year lettermen, relax. You still have a couple of weeks before D Club initiation. It will be a bummer, we guarantee it.

It is a miracle: Miss McMinn finally missed a day of school! Jay Stanton is having some problems with his nose. We hope it straightens up pretty soon.

Most of our straights went to hear Art Linkletter talk about drugs, Ha! Ha! Ha!

Martha Betes and Patty Jackson needed a job so they joined the Roller Derby team.

Would somebody please go out and do something nasty to make news? That way we could report on it.

Congratulations to our Bobcats on a very successful season!

KGNC 4-Flushers to play coaches Tuesday at 7:30

On Tuesday, the KGNC Four-Flushers will meet the Dimmitt coaches in a charity basketball game for the journalism class of DHS.

THE GAME will be to raise money for the 1971 yearbook. It will take place in North Gate Gym at 7:30.

Coaches playing will be such basketball greats as Kenneth Cleveland, Brown L. Smith, Bob Askey, Don Parker and Roy Blair, just to mention a few.

A game similar to this one was played last year and raised over \$150 for the yearbook.

Refreshments will be served during the game and at halftime. The journalism sponsored game will feature a halftime surprise contest in which the contestants will have a chance to win a door prize.

FLOYD BOSSETT, D.H.S. junior, interviews members of the Eastern New Mexico University Children's Theatre cast. The players were in Dimmitt staging "The Elves and the Shoemaker" for the elementary students in the Dimmitt school system.

Machines buzz in Stephenson class

Duplicating machines have been buzzing in Mr. Stephenson's class, with no rest for anyone.

IT SEEMS that since the slogan, "If we can't duplicate it, throw it away" has been adopted, everyone has taken this to heart, and the needs are great. The students in Mr. Stephenson's morning and afternoon classes have been doing fine work, which also accounts for the big flow of work being requested.

Some of the most recent projects the class has done are the "Follow Through" budget for the next year, agenda forms for the last school board meeting, and forms for next year's budget; not to mention the everyday flow of work which teachers request to help with their classes such as tests, work sheets, etc.

Students are currently reviewing the names of the parts of the offset duplicator and learning poster lettering.

THE CLASSES are proud of their bulletin boards. One board is entitled, "What Is It?" Different items used in the class are placed on the board for the students to identify. On the other board, students learn the use of the newspaper. It is entitled "Current Events." In this way the student can learn what is important and the need to keep one's self informed.

Davila attains finals at Idalou

Dimmitt's High School's Bobcat tracksters, which were obviously undermanned, traveled to Idalou for their first track meet March 6. The cindermen amassed only five points, but some of the men had some fine showings.

RICHARD DAVILA was the only man who reached the finals—and he got there in two events. He was fourth in the 400 run with a time of 53.8 seconds, and was fifth in the 220 dash with a 23.7 second showing.

George Vasquez and Frank Rodriguez (in the 880 and 120-yd. hurdles, respectively) did not place in the finals. Rick Wilcox had a 5 ft., 5 in. high jump, but did not place.

Our "friendly until we meet them in a contest" neighbors down at Floydola won our division with 150 points.

On Saturday the Bobcats went to their second meet, the Abernathy Relays. Jerry Matthews, Dave Nino and Pat Rush were added to the team.

See you at the track meets!

TEXAS CALF CROP US

Calves born on Texas farms and ranches during 1970 totaled 5,378,000 head, up 2 percent from 1969. The increased calf crop, says the Texas Crop and Livestock Reporting Service, was due primarily to the greater number of cows since the calf crop percent compared to 89 for '69. Cows and heifers 2 years and older numbered 6,118,000 head, up 3 percent.

DHS now offers tennis and golf

By PAXTON

Tennis, anyone? **THIS IS** the question Coach Don Parker has been asking everyone. It seems as though no one plays tennis, which really is a fine sport. Also offered along with tennis this spring by Dimmitt High School is golf, which will be taught by Coach Kenneth Cleveland. So if there's anyone who is interested in either of these sports, please contact one of the coaches.

How many of you were fortunate enough to make the trip to Austin? Even though Dimmitt was unfortunately eliminated in the first game, we feel very honored that our Cats were in the top four in the state. Several people stated that they enjoyed the trip and felt that they saw some outstanding basketball. These people also wanted to thank Coach Cleveland and his players for a very interesting and successful season.

Coach Cleveland and players would like to thank you for your fine support this season, both at home and away. Without the crowd's backing and Danny Ebeling's last-second shot, it would have been impossible for the opportunity at state. The team appreciates it more than words can express.

There is a senior boy in Plainview by the name of Randy Lightfoot who is making a name for himself as one of the fastest harders in the state. He has set as his goal, a gold medal in the 1972 Olympics. On top of being a good runner, he is also an intelligent person in school as well as in everyday life.

ENMU students give play here

Eastern New Mexico University's Children's Theatre presented "The Shoemaker and the Elves" March 8 in the high school auditorium. The play, an attempt to introduce children to the theatre, was viewed by students from all Dimmitt schools.

The production was put on by students ranging in age from 18 to 22.

Dimmitt was the next to last stop on a tour that started March 1.

THE NATIONAL Easter Seal Society for Crippled Children and Adults and its affiliates have a multi-million dollar network of the most modern and efficient facilities for the physically handicapped. The rehabilitation services given to crippled children in them are financed by contributions to the 1971 Easter Seal campaign, March 1-April 11.

CHAMPIONS in the Dimmitt FFA chapter stock show last week were Dean Smithson's Angus steer, Charlie Sammann's crossbreed barrow and Terry Powell's crossbreed lamb. Reserve champion exhibitors were Randy

Gilliland, lamb; Don Hrabal, steer; and Bob Duke, barrow. The boys held their chapter show in preparation for the big Castro County Junior Fat Stock and Project Show this weekend.

Hospital nursing school plans career day

Northwest Texas Hospital School of Nursing will have its annual Career Day and "Miss Future Nurse, 1971" contest on March 19 at the Psychiatric Pavilion, Medical Complex, 7201 Evans Street, in Amarillo.

HIGH SCHOOL students from the Tri-State area are invited to attend this program. The theme for the day will be "Nursing—Everyone's Concern."

Entertainment for the day will be furnished by second and third year nursing students of Northwest Texas Hospital School of Nursing.

Twenty-nine contestants from four states will compete for the title of "Miss Future Nurse, 1971" as well as for a trophy and a scholarship to Northwest Texas Hospital School of Nursing.

Dean Kelley, sportscaster at KFDD, will serve as master of ceremonies for the contest which starts at 12:45 p.m. Mr. Kelley, who is also a member of the cast of "Texas" presented each year in the Palo Duro Amphitheatre, will entertain with several vocal numbers.

Refreshments will be served during registration which begins at 9:00 a.m. and ends at 9:30 a.m., March 19.

AMONG the contestants will be Carol Miller of Hart.

Also scheduled on the Northwest Texas Hospital School of Nursing Career Day are tours of

St. Anthony's Hospital, Northwest Texas Hospital and the School of Nursing, the State Center for Human Development and High Plains Baptist Hospital.

More than 40,000 tour Tech Museum

More than 11,624 visitors were recorded at The Museum of Texas Tech University during the month of February, bringing the total since the formal opening in November to 40,718.

THE FIGURES represent 8,519 area school children who took special guided tours, 2,383 others who took tours, 555 from Texas Tech groups, and other groups and individuals.

In cooperation with the Lubbock Public Schools, special emphasis tours are conducted which are keyed to the school curriculum.

VISITORS from throughout Texas, from other states and from many countries have been to The Museum since it opened to the public Nov. 14 of last year.

Among the countries represented by visitors to the new Museum are Panama, Sweden, Venezuela, Uruguay, Botswana, Nepal, the Netherlands, Chile, Republic of China, Peru, India, Austria, and Mexico.

Entrants will also vie for a second and third place in the "Miss Future Nurse, 1971" contest with trophies and scholarships as awards.

Smithson earns judging honors

The South Plains College Livestock Judging Team competed at Houston March 5-6 and brought home honors over 21 other colleges and universities over an eight state area. SPC was the second high point team overall in the judging of beef cattle, sheep, swine, and quarter horses in the entire contest.

THE SOUTH Plains College team was composed of Craig Barton of Earth; Gary Eicke of Brownfield; Jay Bird and Nancy Hart of Post; and Teddy Smithson of Dimmitt. Jim Jenkins, livestock evaluation instructor at South Plains, was the team coach.

South Plains College had previously been the reserve champion team at Denver and was the 1970 champion team at Houston.

Panhandle cage awards net new honors for DHS

Dimmitt High School received more basketball honors Monday when the Amarillo Globe-News announced its coaches and players of the year for Panhandle Class AA boys and girls.

KENT BRADFORD, 6-2 senior post forward who led the offensive attack of Dimmitt's regional champion Bobcats this year, was announced as the Panhandle's "Outside Player of the Year" in Class AA.

And Coach Kenneth Cleveland, who overcame formidable odds to rack up his ninth district championship in 10 years while guiding the Bobcats to the state semifinals, was named the Panhandle Class AA "Coach of the Year."

Finishing right behind Bradford in the polling for "Outside Player of the Year" was Dimmitt forward Mark Wohlgemuth, 6-1 senior.

IN GIRLS' basketball, the first runner-up for "Guard of the Year" honors was LeeAnn Merritt, Dimmitt senior. Winning the coveted honor was Jan Massie, 5-7 senior from Friona.

In recapping the Bobcats' 1970-71 record, Art Albracht of the Globe-News noted that Cleveland posted his best-ever season record this year—a sparkling 33-3 mark.

Before losing to state champion Hughes Springs in the Texas Class AA semifinals, the Bobcats lost only to Morton and Phillips during the regular season—but came back to defeat both of them in the district and regional playoffs. The Cats rang up an impressive 78 point per-game average.

BRADFORD, a National Merit honor student who has been term-

ed by Cleveland as "The best all-around player I've ever had," led the Bobcat scoring barrage with an average of 24 points and 12.4 rebounds per game.

Bradford has also gained all-district, all-regional and All-South Plains honors.

Wohlgemuth, who averaged 15 points per game this year while serving as a top assist man and playmaker deep in enemy territory, was named to the all-district and all-state tournament teams before gaining his latest honor.

AND Cleveland was named earlier as the South Plains Class AA "Coach of the Year" by the Lubbock Avalanche-Journal to make it a clean sweep in North Texas.

Miss Merritt, who usually drew the guard assignment against the opposition's top scorer, was named to the all-district team three weeks ago and also has been selected to play in Texas Panhandle East-West All-Star Game in Amarillo later this month.

UNDER Cleveland's tutelage, Dimmitt boys' teams have compiled an impressive record of 249 wins and 89 losses during the past 10 seasons.

The Globe-News annually names both an inside and an outside player of the year in boys' basketball. Winning the "Inside Player of the Year" title was Randy Jamnigan, 6-8 senior post forward from Phillips, who led the Blackhaws to a 27-6 record and regional runner-up honors.

This is the second straight year for Dimmitt to produce the "Outside Player of the Year." Bobby Baker won the honor in 1970.

DISTRICT 3-AA's two powerhouses, Dimmitt and Morton, dominated the boys selections as three Indians received honorable mention.

In the girls' basketball choices,

Farm workers' minimum wage holds the line

The minimum wage rate for farm workers has remained at \$1.30 per hour since it reached that level on Feb. 1, 1969, according to James I. Mallett, farm management specialist with the Texas Agricultural Extension Service.

WAGE RATES for many occupations increased on Feb. 1, he notes, but new legislation will be needed before the legal minimum can be raised for agricultural workers. Competition with other industries tends to increase farm wage rates and most farm employers are paying well above the minimum wage rate, he adds.

Agricultural employers who hired more than 500 man days of farm labor during any calendar quarter in 1970, must pay at least the minimum wage rate during 1971. Farm employers who are paying more than the minimum wage should keep adequate employee records as specified by the minimum wage law, points out Mallett.

The minimum wage law also includes child labor regulations which forbid the employment of children 16 years of age and under, except on their own farm during school hours. Children under 16 years of age may not be employed in agriculture in what is classed as hazardous work. However, children 14 to 16 years of age may acquire an exemption certificate which will permit them to be hired for hazardous work when they have been adequately trained and qualified to perform these jobs, notes the specialist.

ADDITIONAL information may be obtained from county agricultural agents or the Regional Director, Wage and Hour and Public Contracts Division, US Department of Labor, 411 North Akard, Dallas, Texas 75201, Mallett said.

ASCS notes Have you signed for set-aside?

By CHARLEY E. HILL
County Executive Director

Cotton, feed grain and wheat producers who want to qualify for program benefits must sign up to participate during the period March 1 through April 9, at their County ASCS Office. Producers with established wheat or cotton allotments or feed grain bases for their farms are eligible to sign up.

SET-ASIDE percentages are 20 percent of the cotton base acreage allotment, 20 percent of the total feed grain base, and 75 percent of the domestic wheat allotment. Set-aside land must be equal in productivity to the average of the farm's cropland productivity.

Wheat may be substituted for feed grain (corn or grain sorghum). Feed grain may be substituted for wheat. Wheat or feed grain may be substituted for cotton, for acreage history purposes.

Soybeans are not a substitute crop in 1971, and acreage planted to soybeans will not be considered planted to wheat, feed grain or cotton. Barley is not in the feed grain program and may not be used as a substitute crop.

GRAZING IS prohibited on set-aside acreage from May 15 through Oct. 14. No crop which grows or matures on the set-aside acreage in 1971 may be harvested.

In addition to the set-aside acreage, conserving base acreage must be maintained in a conserving use throughout calendar year 1971. Conserving uses include grasses and legumes, wildlife food or habitat plantings, summer fallow, and other practices.

Each County ASCS Office has a detailed list of the conserving uses approved for that county.

A FARM operator may sign up his farm for participation in one program and not another, even though he is eligible to participate in more than one program. For instance, if he chooses, a producer may participate in the cotton program and not the feed grain or wheat programs, even though his farm has a wheat allotment and feed grain base in addition to a cotton allotment. Likewise, owners or operators of more than one farm may sign up for participation on one farm and not on the other. "Offsetting" or "cross" compliance is not required in the 1971 farm programs.

History of cotton, feed grain, and wheat production on a farm will be protected if at least 45 percent of the feed grain base is planted. Ninety percent of the cotton allotment, and 90 percent of his wheat allotment.

Services may be requested at the County ASCS Office for measurement of set-aside acreage, for acreage planted to cotton, feed grain and wheat, and, if desired for measurement of other acreage of price-supported crops and of the conserving base. The charge made for this service covers the cost of measurement.

BEFORE RECEIVING a farm program payment, each participant will be required to certify he has set aside his required acreage, maintained his conserving base, and otherwise complied with provisions of the farm program or programs he signed up for. At the time of this certification, the farm operator will designate the exact location of his set-aside acreage. Following certification the farm may be spot-checked at any time.

PAYMENTS

FEED GRAIN — The 20 percent set-aside requirement for feed grain established a preliminary payment of 32 cents per bushel for corn and 29 cents per bushel for grain sorghum times the yield established for the farm, times one-half of the corn and grain sorghum base. These will be made as soon as possible after July 1. Participants in the feed grain program will be guaranteed a national average of \$1.35 a bushel on the production from one-half the corn base and \$1.24 a bushel (\$2.21 a hundredweight) on half their sorghum base.

WHEAT — Producers in the wheat program will get preliminary payments equal to 75 percent of the estimated face value of the certificate as soon as possible after July 1. The certificate payment rate depends on the final parity price and the actual market price received during the first 5 months of the marketing year.

COTTON — As soon as possible after July 1, participating producers in the upland cotton program will receive a preliminary payment computed by multiplying the support rate, 15 cents per pound, times the payment yield established for the farm times the acres planted within the base acreage allotment.

Bobcats sixth at Abernathy

Four Dimmitt High School boys placed in three individual events and a relay as the Bobcats finished sixth in the Abernathy Relays Saturday.

IT WAS the second meet of the season for Coach Roy Blair's thirdgraders. Nine boys made the trip.

Twelve Class AA schools and 10 Class A schools competed in the meet. Floydada won the AA division with 173 points.

Richard Davila of Dimmitt finished second in the 400-yard dash with a time of 52.2 seconds.

Joseph Finch placed fourth in the 100-yard dash with a 10.4-second clocking. The winning time was a speedy 9.9.

IN HIS first track outing of the season, Jerry Matthews came in second in the 880-yard run with a 2:09.1 clocking, finishing four yards behind the winner. Matthews was running with just two days' workouts behind him.

Davila, Matthews and Finch teamed with Daniel Frierson to place third in the mile relay with a time of 3:42.0. Floydada won the relay event, with Idalou finishing second.

Saturday, the Bobcats will go to Hereford for a big meet for schools of Class AA through 4-A. Meanwhile, Dimmitt Junior High School tracksters will travel to Canyon Saturday for their first track meet of the year.

Last rites held for Edgar Varner

Funeral services were held in Corley's Chapel of Corsicana last Thursday afternoon for Edgar Varner, former Hart resident who died March 9 in Grapevine.

MR. VARNER, 57, was the father of Mrs. Jewel Hacker of Hart. He died of a heart attack at his home in Grapevine.

Born Oct. 13, 1913, near Corsicana, Mr. Varner was married to Jewel Gilcrease of Corsicana Jan. 23, 1936. He farmed near Hart from 1954 to 1968, then moved to Paris, where he operated a ranch. He bought a farm near Grapevine March 2, and had lived at Grapevine only a week at the time of his death.

Last rites were conducted by Dr. James H. Simple, pastor of the First Baptist Church of Paris. He was assisted by Rev. Dennis Leonard, pastor of the Lincoln Street Baptist Church of Daltart and former pastor of the First Baptist Church of Hart.

BURIAL was in Oakwood Cemetery in Corsicana, under the direction of Corley's Funeral Home.

Mr. Varner is survived by his wife, Jewel; a daughter, Mrs. Jewel Hacker of Hart; two sons, Jerry of Irving and Gene of Grapevine; four grandsons, four granddaughters, six sisters and a brother.

Pallbearers were Johnny Clark of Hart; Dr. Jack Mackey, Louis Cummings, Raymond Ruller and Bob Kennedy, all of Paris; and A. L. Carlock of Dallas.

Kiwanians book variety revue

The world-famous "Zogi Variety Revue" stage show will be presented in Dimmitt next month.

SPONSORED by the Kiwanis Club and the Dimmitt High School Key Club, the show will be staged Saturday, April 24 at 8 p.m. in Dimmitt High School auditorium.

Kiwanis President Jack Patton and other Kiwanians and Key Clubbers met recently with C. A. Frank, theatrical agent from Hutchinson, Kan., to book the show.

The Zogi Variety Revue, a stage presentation with special music, is produced by Clarence and Gladys, who also star in the cast.

"**CERTAINLY one of the best**" was the review given to the show by the Times of London. Said the Chicago Daily News Foreign Service: "The State Dept. could spend millions and not be able to build the international good will this company is doing."

When he met with Kiwanians and Key Clubbers here, Frank reported that the Zogi Variety Revue is playing to packed houses across the US, and that this is the first season in several years in which the show has been available for one-night stands.

THE 32nd annual Texas Safety Conference is slated for Houston April 4-7.

Deadline Sunday for talent acts

Sunday is the deadline for entering the Nazareth CYO Talent Show, which will be staged March 28 in the Nazareth school cafeteria.

SPONSORED by the Catholic Youth Organization, the show is open to all amateur performers—those who have never been paid for their talents.

Talent acts will compete in two divisions — junior, for those in the eighth grade or below; and senior, for high school students and adults.

Entry fees are \$1 in the junior division and \$2 in the senior division. Prizes for junior winners will be \$15 for first place, \$10 for second and \$5 for third. In the senior division, first place will receive \$20, second \$15 and third \$10.

To enter, write Bobbie Kleman or Bernita Schulte at Nazareth, or telephone 945-2816.

THE Texas Senate Jurisprudence Committee has advanced the liquor-by-the-drink bill.

35 are arrested in gambling raid

Sheriff's officers and Texas Highway Patrolmen broke up a big dice game and made 35 arrests when they raided a house between Hart and Sunnyside at 2 a.m. Sunday.

THE 35 men and women arrested were all charged with gambling. The renter of the house, Jesse Riddley, 66, was charged with running a gambling house and paid a \$232 fine in County Court Monday.

Officers said the raid was the result of complaints that minor boys had been losing money at the house.

"They had been warned twice about their gambling and drinking at the place," an officer said.

HD clubs to pick 'Woman of Year'

The "Home Demonstration Woman of the Year" will be announced Monday when members of the county's HD clubs gather for their annual Texas Home Demonstration Association luncheon.

THE LUNCHEON will be in the Colonial Inn dining room.

Hart boys, girls place in meet

Hart girls placed in five individual events and two relays in the Springlake Track Meet Saturday, while the HHS boys' track team placed in two individual events and one relay.

HART students scoring in the girls' division of the Springlake meet were Cindy Dyer, first in the 80-yd. hurdles; Kathy Crawford, second in the 220-yard dash and sixth in the high jump; Betty Follis, sixth in the discus throw; and Becky King, second in the long jump. In addition, the girls' 880-yard relay team placed third and the 440-yard relay team finished in sixth place.

Hart scorers in the boys' division were Gary Six, second place tie in the high jump; James Taylor, sixth in the 330-yard hurdles; and the 440-yd. relay team, which finished sixth.

Doug Higgins coaches the HHS boys' track team and Barry Hughes is the girls' track coach.

DHS girl wins orchestra spot

Alissa Huckabay, Dimmitt High School sophomore, was the oboist with the All-Regional Orchestra when it performed its concert Saturday night in Lubbock's Monterey High School auditorium.

SHE WAS one of only two performers from schools below Class AAA size. All other musicians in the regional honor group were top performers in Class AAA and AAAA high schools which have their own orchestras.

Miss Huckabay, daughter of Mr. and Mrs. Bob Huckabay, earlier played first-chair oboe in the All-Regional Band.

Sugarbeet workers' wage rules amended as result of lawsuits

The US Department of Agriculture has announced a revision in the determination of fair and reasonable wage requirements for sugarbeet workers which became effective April 27, 1970.

THE revision did not affect the level of wage rates—a matter which is currently under consideration for the 1971 crop.

The provision concerning the payment of a worker's wages through a crew leader or labor contractor has been revised to add requirements covering the producer's responsibility and to safeguard the worker's interests.

The producer is required to furnish or to have furnished to the worker at the time of payment of wages, a statement of earnings, and to obtain a signed receipt from the worker for the wages received. In addition, producers will be required to obtain from the crew leader or labor contractor proof that he is registered or licensed; a copy of each worker's statement of earnings, or a wage record sheet showing the names of the producer and workers, dates work was performed, units of work, agreed upon rates per unit, and the amounts of wages due each such worker; and a receipt signed by each worker acknowledging receipt of wages earned which shall, in no event be less than those required by the wage determination. (The receipt requirement is new.)

THE producer is responsible for paying to the labor contractor or crew leader the fee for his services, and the producer will be required to have on file a statement signed by the labor contractor or crew leader showing the amount of the fee, and showing that such fee is over and above the wages agreed upon by the contractor and producer (in no event less than the minimum provided in the determination).

The revision also provides that a producer who in good faith has obtained and has on file the required records shall have met the requirements of the determination, except that in cases where the worker files a wage claim and it is found that the worker's signature has been forged or he has been forced to sign under duress, "the producer shall not have met the requirements of the determination for eligibility for payment under the Sugar Act until the county ASCS committee determines that all workers on the farm have been paid in full." (The portion within the quotation marks is the revision here.)

The provision relating to payment of wages has also been changed to prohibit deductions from workers' wages for repayment of debts originally incurred with someone other than the producer. Deductions for cash advances are permitted only when made by producers to workers.

U.S.D.A. officials said that the changes result from recent lawsuits brought by sugarbeet workers in Colorado disclosing the existence of certain violations of the minimum wage provisions of the Sugar Act.

Although USDA further stated that it has found that crew leaders or labor contractors often perform a valuable service for both workers and producers, the revised regulations provide that the producer may pay workers' wages through licensed or registered crew leaders or labor contractors, but with added requirements reaffirming and clarifying the producer's responsibility to insure that workers actually receive the wages agreed upon and in no event less than the fair and reasonable rates provided in the wage determination.

The amended wage regulation will become effective March 29, which will give producers the opportunity to revise their record-keeping systems to meet the new requirements.

Here are week's marketing tips

Food prices go up or down for many reasons—weather, labor costs, selling practices. And the changes occur from month to month, week to week, and even day to day, reports Gwendolyn Clyatt, Extension consumer marketing specialist at Texas A&M University. Consider these tips as you shop this week.

LOOK FOR BEST prices at the meat counter on beef chuck roasts and steaks, ground beef, beef and calf liver, and round steaks and roasts. Fresh picnics, chops, loin roasts, canned hams and liver are among the best pork values. Prices are generally steady for Grade A bacon, with specials on lesser grades.

Prices on frying chicken continue to be attractive, and scattered specials bring them down to the irresistible level. Chicken hens should also be considered as a thrifty buy. Large size eggs remain the best bargain for your egg money.

Have you signed for set-aside?

By CHARLEY E. HILL
County Executive Director

Cotton, feed grain and wheat producers who want to qualify for program benefits must sign up to participate during the period March 1 through April 9, at their County ASCS Office. Producers with established wheat or cotton allotments or feed grain bases for their farms are eligible to sign up.

SET-ASIDE percentages are 20 percent of the cotton base acreage allotment, 20 percent of the total feed grain base, and 75 percent of the domestic wheat allotment. Set-aside land must be equal in productivity to the average of the farm's cropland productivity.

Wheat may be substituted for feed grain (corn or grain sorghum). Feed grain may be substituted for wheat. Wheat or feed grain may be substituted for cotton, for acreage history purposes.

Soybeans are not a substitute crop in 1971, and acreage planted to soybeans will not be considered planted to wheat, feed grain or cotton. Barley is not in the feed grain program and may not be used as a substitute crop.

GRAZING IS prohibited on set-aside acreage from May 15 through Oct. 14. No crop which grows or matures on the set-aside acreage in 1971 may be harvested.

In addition to the set-aside acreage, conserving base acreage must be maintained in a conserving use throughout calendar year 1971. Conserving uses include grasses and legumes, wildlife food or habitat plantings, summer fallow, and other practices.

Each County ASCS Office has a detailed list of the conserving uses approved for that county.

A FARM operator may sign up his farm for participation in one program and not another, even though he is eligible to participate in more than one program. For instance, if he chooses, a producer may participate in the cotton program and not the feed grain or wheat programs, even though his farm has a wheat allotment and feed grain base in addition to a cotton allotment. Likewise, owners or operators of more than one farm may sign up for participation on one farm and not on the other. "Offsetting" or "cross" compliance is not required in the 1971 farm programs.

History of cotton, feed grain, and wheat production on a farm will be protected if at least 45 percent of the feed grain base is planted. Ninety percent of the cotton allotment, and 90 percent of his wheat allotment.

Services may be requested at the County ASCS Office for measurement of set-aside acreage, for acreage planted to cotton, feed grain and wheat, and, if desired for measurement of other acreage of price-supported crops and of the conserving base. The charge made for this service covers the cost of measurement.

BEFORE RECEIVING a farm program payment, each participant will be required to certify he has set aside his required acreage, maintained his conserving base, and otherwise complied with provisions of the farm program or programs he signed up for. At the time of this certification, the farm operator will designate the exact location of his set-aside acreage. Following certification the farm may be spot-checked at any time.

PAYMENTS

FEED GRAIN — The 20 percent set-aside requirement for feed grain established a preliminary payment of 32 cents per bushel for corn and 29 cents per bushel for grain sorghum times the yield established for the farm, times one-half of the corn and grain sorghum base. These will be made as soon as possible after July 1. Participants in the feed grain program will be guaranteed a national average of \$1.35 a bushel on the production from one-half the corn base and \$1.24 a bushel (\$2.21 a hundredweight) on half their sorghum base.

WHEAT — Producers in the wheat program will get preliminary payments equal to 75 percent of the estimated face value of the certificate as soon as possible after July 1. The certificate payment rate depends on the final parity price and the actual market price received during the first 5 months of the marketing year.

COTTON — As soon as possible after July 1, participating producers in the upland cotton program will receive a preliminary payment computed by multiplying the support rate, 15 cents per pound, times the payment yield established for the farm times the acres planted within the base acreage allotment.

Grain Sorghum CHAFF

By WES ANTHONY
If you didn't attend the Fat Stock Show last week you sure missed a good one. In fact, I believe it was the best yet.

IT WAS very easy to see the tremendous amount of teaching and training our young folks have right here at home.

All the kids were so courteous, energetic and happy. They show they have had a lot of training at home as well as at school and didn't the Young Farmers do a real job sponsoring the show?

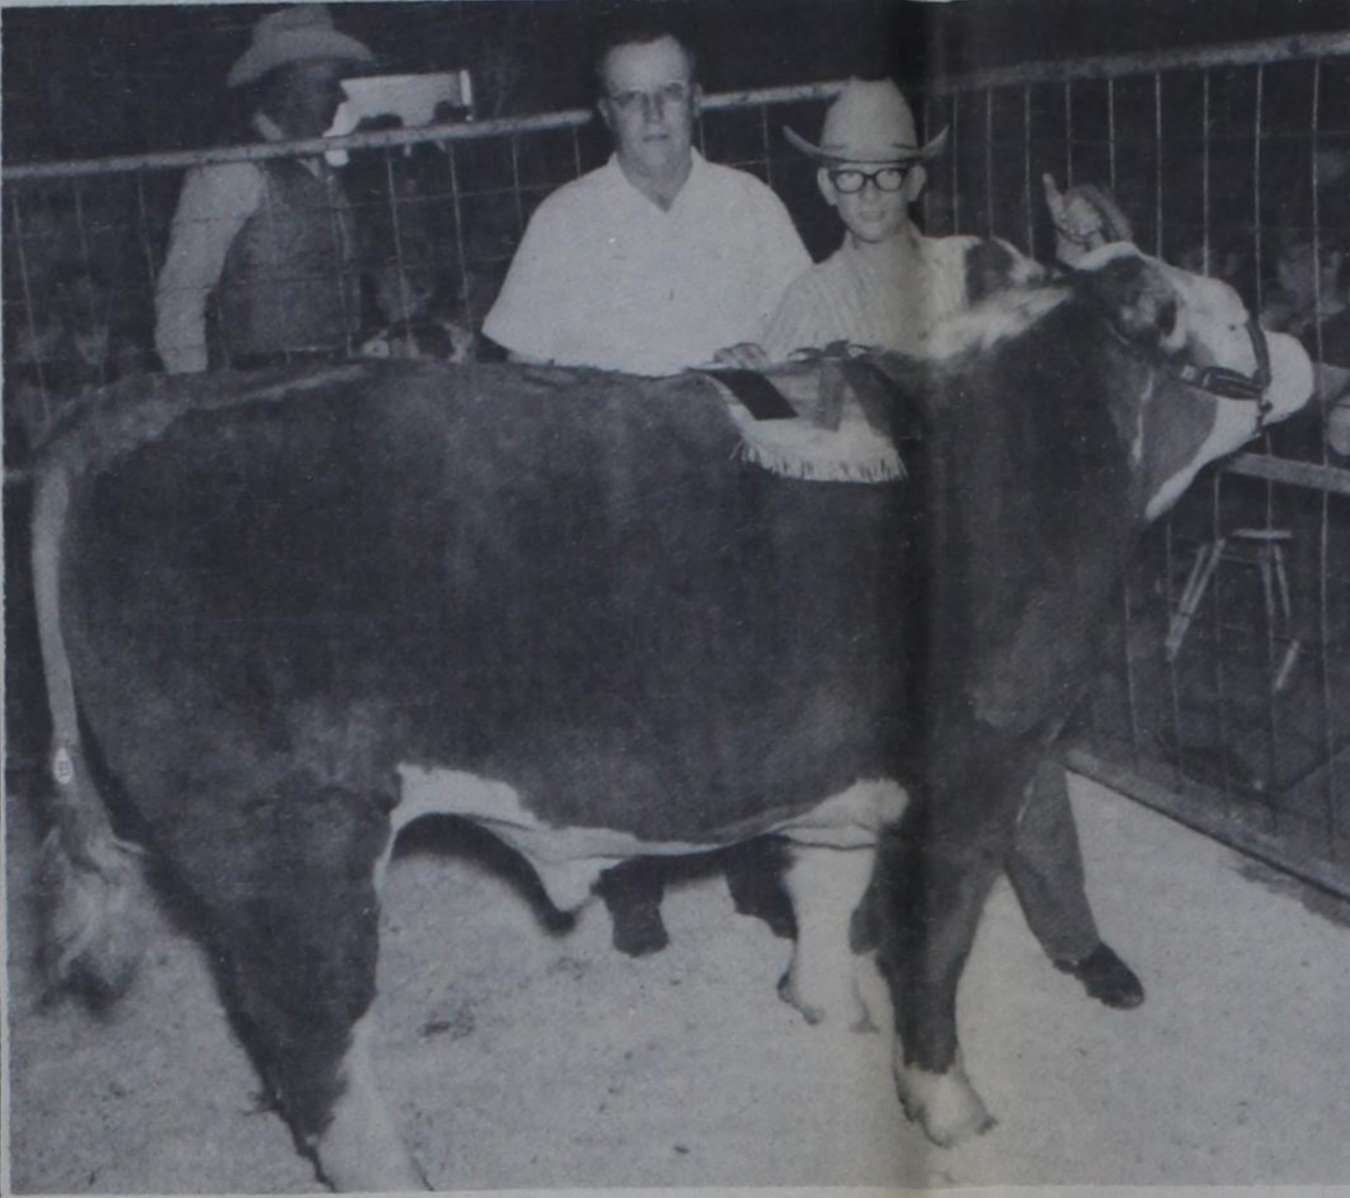

You won't find a nicer display of food than the girls showed. And those barbecued beef sandwiches (or buns) sure were good. I can still taste them. And I am still smacking my lips from eating that pie. "Sho was good!"

WHEN HAVE you ever attended a county fair with 275 animals entered? And it was pretty much like one of the judges said about one group, "There is just no tail end."

And those old auctioneers just wouldn't quit, they sure got the job done.

And by the way, the buyers didn't quit either. I believe this was a record.

Come on fellows, do it again next year.

RESERVE CHAMPION steer in the Junior Fat Stock Show was Doyle Kleman's 946-lb. Hereford, which also was the grand champion of its breed in the show. In the sale ring with Doyle is Francis Wilhelm, bidder for the Nazareth Buyers Club, who paid 75 cents per pound for Doyle's calf—a 43½-cent premium. Doyle is a member of the Nazareth 4-H Club.

Mission Week completed

By MRS. OWEN ANDREWS
WMU Week of Prayer studies for Home Missions was held the past week by several women of Frio Baptist Church. The one on Monday was in the home of Mrs. Earl Harkins and on Thursday morning the group met with Mrs. Ronnie Andrews. Mrs. B. H. Baldwin was in charge of the programs. On Sunday evening a special program at the church featured David Nelson, a scholar on work among New Mexico Navajo Indians where his parents are missionaries. Plans are underway for the spring revival at Frio. Services conducted by Rev. Strauss Atkinson, District Missionary, will begin March 28 and continue through April 4. Leon Hokett, of Dallas will direct the choir. Hokett has been guest musician several times for revivals at Frio.

Mrs. H. M. Mobley, Austin Mobley and Mrs. Dorothy Reno of Midland went to Farmington the last of the week. They were to visit the Raymond and Don Mobley families and attend the wedding of Karla, daughter of the Raymond Mobleys, on Saturday evening.

MRS. CARLTON Dobbins and Mrs. Edgar Vinson went to Ardmore, Okla. on Thursday, for medical attention at a clinic, and on Friday went on to Glenwood, Ark., to visit Mrs. Dobbins' brother in a convalescent home. During the remainder of the weekend they visited their granddaughter and daughter, Mrs. Wayne Betts near Dallas, and returned home on Monday.

Mr. and Mrs. Marsh Pitman of Waco, came Wednesday night to visit their parents, the Sam Ogans and John Pitmans. On Friday evening, they, the Ogans and Pitman relatives were guests of Marsh's grandmother, Mr. J. L. McCormick in Amarillo, for a shrimp dinner at the Amarillo Country Club.

Mrs. Annie Springer attended the golden anniversary party of Mr. and Mrs. Sid Sheffy in Dimmitt March 7. She reported visiting with several friends, including Mrs. Bob Knox of Lockney. The Knox family lived in this community during the late '20's.

Mr. and Mrs. Tommy Schmidt of Amarillo visited the Earnest Harders Sunday, and attended church with them at Frio that evening.

FRIO HOMEMAKERS Club met Tuesday in the home of Mrs. Ronnie Andrews. The program on new spring materials was given by Mrs. Dwane Nelson. She also discussed the latest trends in fashion styles and had swatches of material for sewing clothes to display.

Present for the meeting were Mrs. T. L. Sparkman, Eugene Baldwin, Frank Robbins, Carlton Dobbins, W. A. Springer, Linda Blair, Sam Ogan, Henry Andrews, Laura Littrell, Chesley Johnston, Owen Andrews and Miss Alma Andrews.

The weekend of March 6-7 while Ronnie Andrews was in Amarillo for Army Reserve meetings, Mrs. Andrews and son Kyle, and Mrs. Andrews' aunt, Mrs. Joe Nelson and three children of Dimmitt, went to Albuquerque. They visited Mrs. Nelson's sisters, Mrs. Virginia Hartman and Mrs. Margaret Adams and others of their families.

The children of Mr. and Mrs. Owen Andrews and other relatives visited the Andrews home Sunday afternoon, March 7. The occasion was the wedding anniversary of the Andrews.

MR. AND Mrs. E. F. Vogler spent last week visiting their son, Leon and family at Houston. They also attended the wedding of a nephew, Aaron Drager, the son of the John Dragers of Clovis. The bride was Miss Ginger Teinert of Houston, and the wedding took place on March 6 in a Houston Lutheran church.

Mr. and Mrs. Clyde Yandell visited his brother, Hugh Yandell and family at Seminole, Sunday. Hugh Yandell had a light heart attack last week, but was able to go

home from the hospital on Sunday.

Sharon Barker is Tech honoree

Sharon Barker, sophomore from Dimmitt, was among Texas Tech students honored for outstanding scholastic achievement during the university's 25th Recognition Service Sunday afternoon.

MISS BARKER, a pre-nursing major in the College of Home Economics, has maintained a 3.68 grade average of a possible 4.0 during her career at Texas Tech. She is the daughter of Mr. and Mrs. Elvis A. Barker.

You learn how dangerous dope is when an addict shoots your son

Dear Editor:
In my opinion, there is nothing worse than a dope user, because sooner than you think, he or she is an addict. Then the addict's mother or father say, "We didn't know it was that bad." But that's after someone has been shot—or worse, killed.

MY SON was shot by a desperate dope addict on Nov. 30, 1970. He has had nine surgeries—four of them major and five that were what the doctor called minor, which meant cutting three holes in one side and putting tubes in them, and on the other side inserting a large drain tube to keep down infection by running an antibiotic through his body. My son has already been in the

hospital 3½ months. He has had to have 49 pints of blood. Not one friend gave one pint. He like so many others, fought in the Army to help keep this country free. But is this what freedom is?

What is freedom? Here is his freedom: 18 days of unconsciousness, 26 days in intensive care, and the specialist said yesterday he will need one more major operation before he would even be on the road up, then maybe two more months in the hospital. He still needs eight pints of blood, and more for the next operation.

HE HAD no insurance to help, and only strangers have given blood. Doctors and nurses have worked day and night. And all

of his suffering and pain have been just for the sake of one dope addict. If one dope addict can cause this much pain and trouble, what might be the effect of all of the users? Is this the freedom our men have fought for? I still think that dope is not the answer—don't you?
