54th Year — No. 28

Dimmitt, Texas, Thursday, April 9, 1981

18 Pages

A GLIMPSE AT REPORT CARDS?—No, this fearful group of Dimmitt High School students is viewing an imaginary play presented by Kevin Spinhirne (fifth from left) who plays Chanfalla, a charlatan, in the one-act play, "The

Marvelous Playbill." The students won district in UIL competition with their performance.

Nazareth students sweep DHS one-act play district literary titles

Nazareth High School and Elementary School students placed first overall in the district University Interscholastic League (UIL) events Friday afternoon in Anton.

First place winners in the high school division were:

—Tammy Heck, poetry interpretation.

—Colette Acker, prose reading.

—Jeanie Wilhelm, editorial writing.

—Michael Kern, headline writing.

—Rodney Klemman, ready writing.

Second place winners in the high school division were:

—Joel Birkenfeld, informative speaking.

—Jeanie Wilhelm, prose reading and number sense.

—Michael Kern, calculator applications.

Other high school students who placed included:

—Michael Kern, third in informative speaking.

—Denise Acker, third in persuasive speaking.

—Tammy Heck, third in feature writing.

—George Hochstein, fourth (See NAZARETH, Page 7)

A cast of 12 and a crew of three Dimmitt High School students won the District 3-AA championship in the UIL One-Act Play Contest last week with their performance of "The Marvelous Playbill."

The group, under the direction of speech and drama teacher Deryl Stephens and his two assistants, Ricky Rickerd and Brenda McClellan, was one of two casts that will travel to area competition in Plainview Saturday. Muleshoe was the other winner.

Three cast members—Jeff

Isaacs, Kevin Spinhirne and Norma Trigo—were named to the all-star cast. Lilia Arce was given honorable mention.

The play centers around a charlatan named Chanfalla, played by Kevin Spinhirne, who plays upon the vanities of the Spanish people in the play. He presents an imaginary play, telling them that only people with pure Castilian blood can see it.

The group will present "The Marvelous Playbill" in the Dimmitt High School auditorium today (Thursday) at 10:10 a.m. The performance is open to the public.

Dimmitt students place in district

Ten students from Dimmitt High School placed in the University Interscholastic League (UIL) district competition Saturday in Littlefield.

Norma Trigo won first place in informative speaking.

Second-place winners were Sharla Street in ready writing and Trent Armstrong in number sense.

Third-place winners were Amy Ross in feature writing and Steve Wakefield in science.

All first, second and third place winners will compete in the regional competition later.

Others who placed in the events included Deannea Merritt, ready writing; Trent Armstrong, science; Shelly Frye, headline writing; Steve Wakefield, calculator; and Toby Burleson, informative speaking.

Eight students and one team from Dimmitt schools placed in the University Interscholastic League (UIL) elementary and junior high

literary events Friday in Littlefield.

Jennifer Hanners won first place in story telling in the second and third graders' division.

The picture memory team of Chanin Ross, Zay Bradley, Coby Moke, Corbin Connell and Denise Schulte placed second in the grade 5-6 division.

Also in the grade 5-6 division, Jamie Reeve won second place in oral reading and Sharla Richards placed third in number sense.

Other students who placed were:

—Nathan Nelson, oral reading, 7-8.

—Jackie Spinhirne, number sense, grades 5-6.

—Anessa Scott and Gay Waggoner, oral reading, grades 5-6.

—Frank Rodriguez, spelling and plain writing, grades 5-6.

The school is awaiting results in ready writing to come in the mail.

HHS actors are all-stars

Three Hart students — Pennie Pierce, Glenda Wilson and Chris Clifford — were selected for honorable mention for their performances in "Hopes and Words and Ordinary Things," in District 3-AA one-act play competition in Vega March 31.

DHS students sweep I-A show Bible readings begin on cable

Dimmitt High School students swept top honors in all categories of the South Plains Regional Industrial Arts competition held Saturday at South Plains College in Levelland.

Ross Armstrong was the overall highest-scoring individual in woodworking, Jeff Pigg was overall high in metalworking, and Lee Schilling placed second and Carla Moore third.

In Woodworking II, Jimmy Reed placed first, Terry Mixson second, Danny Wassom third and Jeff Pigg fourth.

In Metalworking I, Jeff Pigg placed first, Danny Wassom second and Jesse Guajardo third.

In Metalworking II, Jose Vasquez placed first and Raul Casas second.

In Power I, Jim Smith placed first and Jeff Pigg second.

Lee Schilling placed first in Power II and third in public speaking.

Christy McClure and Tony Martinez competed in the technical writing contest, but their scores were not known at press time.

The Dimmitt Board of Aldermen had its final hearing Monday for allocation of its federal Revenue Sharing funds, and its first hearing of the city's proposed budget.

The city will be entitled to receive \$91,476 in Revenue Sharing money in fiscal year 1981-82. Non-governmental service organizations will get \$34,503, approximately 37% of the money that the city expects to receive.

Organizations that will receive funding include Rhoads Memorial Library, the Senior Citizens, the Castro County Museum and the Chamber of Commerce.

After allocating the Revenue Sharing money, the new city board served notice to the organizations that this may be the last of it.

Alderman David Hays said that he had given the city budget a lot of study, and that most citizens were not aware of the amount of money the city needs to operate.

The city should not be responsible for the operating expenses of other organiza-

tions when the city itself needs money for capital outlay, Hays added.

"The city is in dire need of money," Alderman Fred Anen said, adding that use of Revenue Sharing funds for organizations and none for the city would be "out of line."

Anen warned that this may be the last year that the city receives Revenue Sharing funds.

Capital purchases for the city should be from Revenue Sharing funds while it's available instead of having to raise taxes, Alderwoman Ann Armstrong said.

"We need to look at it real close," Alderman Roy Lilley agreed.

The city budget was cut back last year "and we've gone (without) for about as long as we can," Administrative Supervisor Jo Hamilton said.

Library Board chairman Susan Hanners produced a 1973 contract that obligates the city to contribute half of Rhoads Memorial Library's funding while the county must

give the other half. City Attorney Jack Edwards said that the contract was legal and binding, and it could be broken only by the city's giving a six-month notice of intent.

"I think we should live up to our obligations," Collins said, adding that the aldermen may consider redrawing the contract in the future.

The city governing board approved \$14,100 to the library.

"We're glad to receive what you have allowed us," Mrs. Hanners said, adding that she realized everyone must cut back.

The aldermen approved \$12,000 to the Senior Citizens for capital outlay, but did not give any funding for operating expenses.

Before allocating money to the Castro County Museum, the aldermen approved its annexation into the city limits.

"They're almost surrounded by the city, now," Edwards said. He will write an ordinance for board (See CITY ALLOTS, Page 8)

Dimmitt mayor and judge lose in Saturday voting

Dimmitt voters elected a new mayor, city judge and alderman in a moderate turnout Saturday.

R. L. Fleming received the nod over longtime mayor Elmer Youts by a 490-449 count, as almost 1,000 of the city's 2,000 registered voters cast ballots.

It will be the third mayorship for Fleming, who has also held the top city post in Melrose, N.M., and Friona.

Ferne Jones came out on top in the four-person race for city judge with a total of 337 votes. Leon Sandoval Jr. came in second with 273 and incumbent L. G. "Shorty" Manning was third with 242. Fred Mouton drew 136 votes.

In the city alderman election, David Hays received 441 votes to become a new face on the board. Incumbent Wayne Collins was re-elected with 457 votes.

Of the other four candidates for city alderman, D. C. Taylor received 326 votes, Larry Gonzales 288, Mary Helen Flores 289 and Robert

Daniel 73.

Hart also has a new mayor, as uncontested candidate Bill Ritter received 123 votes in a light voter turnout.

Jerry Horton won a position on the Hart City Commission with a total of 93 votes to 37 for Bennie Martinez Jr.

Incumbents Harold Bob Bennett and Neoma Wall were re-elected to Hart's School Board, receiving 178 votes each.

Voters in the Dimmitt Independent School District also re-elected two incumbents to the school board. Monty Boozer received 590 votes and Don Gregory 583. Carmen Catano received 278 votes and Ben

Holcomb 110.

In Nazareth, all three incumbent members retained their positions on the school board. Fred Schulte received 85 votes, Alvin Klemman 79 and Vincent Gerber 68. Charles Heck, who had served on the school board before, received 42 votes.

Nazareth's uncontested candidate for city commission, Jerry Lange, got 36 votes in that election.

There were three candidates for the three positions on the Plains Memorial Hospital Board. Incumbents James Welch and Charles Rickerd received 638 and 630 votes respectively, with the Dimmitt and Nazareth boxes in. New candidate Miguel Zuniga netted 682 votes from Dimmitt and Nazareth.

Hart totals in that election were not available at press time.

Vaccine clinic set Saturday

Saturday, a clinic offering vaccines that give protection against several childhood diseases will be held in the Dimmitt city hall assembly room from 9 a.m. to 12 noon.

There will be no charge for the vaccines, which are offered by the Texas Dept. of Health.

Protection is against polio, diphtheria, lock jaw, whooping cough, measles, rubella and mumps.

A vaccine clinic will also be held in the Hart Elementary School on April 22 from 9 to 11 a.m.

BLACK-OUT BLAMED—City and county law officers investigate the scene of an unusual accident Saturday in the 100 block of West Bedford Street. The westbound 1977 Chevrolet pickup, driven by Manuel Martinez, veered out of its lane and smashed into the rear of a parked Toyota pickup owned by Olan Moore. The impact jarred Moore's three-wheel Honda scooter (background) out of the pickup bed and knocked

Moore's pickup 150 ft. down the street, where it came to rest in front of K-Bob's Steak House. Meanwhile, Martinez's damaged pickup continued down the street 75 ft. until it wedged against this light pole. Officers investigating the accident said Martinez apparently suffered a blackout. He was treated and released at Plains Memorial Hospital. No citations have been issued.

NHS judging teams rank high in contests

Nazareth High School livestock judging teams placed high in recent contests.

In the West Texas State University judging contest, the dairy cattle team placed first. Its members are Raef Albracht (second high individual), Lester Backus (10th high individual), Joe Klemman and alternate Tom Braddock.

The livestock team placed sixth. Its members are Rodney Klemman, Dale Hoelting, Randy Huseman and alternate Gerry Klemman.

The lamb judging team placed 11th. Its members are Pierce Brockman, George Hochstein and Kent Hoelting.

At the Lubbock Christian College Livestock Judging Contest, two Nazareth FFA teams placed fourth and sixth out of 52 teams entered.

The fourth place team was also first in barrows and first in sheep. Its members are Doyle Schulte (high individual in barrows, 10th overall), Stanley Drerup (high individual in sheep, fifth

overall), and Stanley Schulte.

The sixth place team included Gerry Klemman (second individual overall), Mark Huseman and Rodney Klemman.

Nazareth's FFA dairy teams placed sixth and ninth in the judging at Hinders Dairy of Canyon.

The sixth place team includes Lester Backus, Joe Klemman (fourth high individual), Raef Albracht and Tom Braddock.

Ninth place winners were Mark Klemman (seventh high individual), Dick Steffens, Roger Huseman and Kevin Acker.

Hart's schools break next week

Hart Public Schools will be closed next week for spring break.

Classes will resume April 20.

SNOW!—Dimmitt seventh grader Sheryl Simpson can't believe it's snowing before the start of the annual Junior Bobcat Relays here Saturday morning. In background, other Dimmitt girls huddle under blankets. The sun finally came out in the afternoon, but the weather stayed cold for the big track and field meet throughout the day.

View from the library

By BRICK AUTRY

This is the announcement section of the "View from the Library."

Announcement #1. Library received Dimmitt High School annuals. Now we are trying to complete our collection. We have annuals from years 1945-1955. We would like all years after 1955. Remember, your annual will be well preserved from the elements in the library.

Announcement #2. Thank you, Jo Campbell, Mrs. O'Brian and Sandy Poarch for your book donations. Friends of the Library are collecting books for a spring sale. When you clean house, why not dump all those paperbacks and old books that are drawing the silverfish?

Announcement #3. This year the library has had no story hour for the pre-schoolers. If you are interested in placing your pre-schooler in a summer story hour, please let us know.

Announcement #4. The

library receives applications for employment several times each month. At this time, the budget supports two full-time personnel and one part-time assistant. At this time we are not contracted with the Manpower Training Program but we have filled out a request for one Manpower person during the summertime. At this time we are not taking into consideration any applications for employment that we may receive. Nor do we plan to in the future. Thanks to many of you, however, who think to come by and offer your services.

Through the school year, the library has had a music room for those wanting to listen to tapes and records. It has worked well overall. Yet again, we are seeking to change the set-up for our convenience. When we get our equipment into place properly, we will have a listening area instead of a music room.

Swisher Electric releases 'facts on financing REC's'

Worried that federal budget cuts might include the loan program for rural electric cooperatives, managers of the Swisher Electric Cooperative, Inc., this week issued a statement explaining how the self-supporting REA loan program works.

Slashing the REA program, they argue, would harm REC's and their customers, but would not save the federal government any money.

Here is their statement:

The present REA loan program was established in May, 1973. It represented a dramatic change from the previous REA direct loan program involving annual appropriations at an established 2% interest rate. The new REA program is of two types: insured loans and guaranteed loans.

All INSURED loans which provide all REA financing for distribution facilities (such as Swisher Electric) are made from a special Revolving Fund — most at 5% interest. Some 2% money is still borrowed by cooperatives meeting rigid standards set by Congress.

Repayments of all interest and principal on outstanding REA loans flow into the Revolving Fund and represent the source of advances on new insured loans. Any interest differential created by management of incoming and outgoing funds is paid from the Revolving Fund.

The GUARANTEED loans account for 85% of total REA

financing. To obtain a loan guarantee to finance a power project, a Generation and Transmission Cooperative (there are none in the Texas Panhandle) submits to REA the extensive documents required in support of the project. After review, REA agrees to guarantee the project, which is the equivalent to their co-signing the loan.

The funding of the REA loan guarantees is beneficially provided by the Federal Financing Bank (established in 1973 to coordinate the various government agency and agency-backed financing activities).

The Federal Financing Bank (FFB) actually obtains its funds from the US Treasury and pays the full costs the Treasury incurs on its borrowings. The FFB then adds one-eighth of one percent above the Treasury costs; thus, the Generating and Transmission borrower pays the full cost-plus on the REA loan guarantees.

It should be noted that repayments of loans plus interest are all current — there have been no defaults. In fact, in the history of the REA program, only some \$40,000 has been charged off.

THE USSR is the largest producer of crude petroleum, producing 490.0 million metric tons in 1975. The US produced 485.5 million metric tons.

letter to the editor

Job isn't finished, CUFUPU chief says

Dear Editor:

On Saturday, March 28, some hearty and hale Dimmittites gathered for a Chamber Fun Breakfast, and then scanned our fair city for unsightly trash and filth to Clean Up, Fix Up and Pride Up Dimmitt.

Literally thousands of dollars of manpower and equipment were donated to make CUFUPU a success.

We scratched the surface, we made a dent, but the job is not finished until every old appliance, discarded tire, piece of scrap iron, junk car, beer bottle, soda can, tumbleweed and paper debris is cleared away or put in a proper place. It is not finished until every citizen of every age begins to care and quits polluting.

DOROTHY HOPSON

If a CUFUPU truck didn't get around to your place to haul off your junk, place it by your dumpster and call the city office. When your turn comes, a city truck will haul it away.

Perhaps a clean yard or lot is not very important to you. That is why we're saying Pride Up Dimmitt! Give a hoot! We are not yet, but we can become, the cleanest little city in Texas.

"Thank you" does not adequately express our appreciation to those who've done so much. One fellow, who had worked so hard, replied to our expression of appreciation with this remark, "I live here, too, you know!"

Now, CUFUPU is up to YOU!

THE French village of Y, located in the Somme region, has a population of 146 residents. The village was given its present name (?) in the year 1241.

TOP CORN PRODUCER HONORED—Bill Burrow (left), southern-western area sales manager for DeKalb Yieldmasters, congratulates Mr. and Mrs. James Campbell of Hart.

Campbell produced 228.81 bushels per acre with DeKalb XL-72aa to win recognition from that organization.

Irrigation forum planned Tuesday

Area irrigators are invited to attend an irrigation and water management program Tuesday in Tulia. Speakers will be addressing the topic of what irrigators can expect in increased yields and profits by better management of their irrigation water and by increasing their pumping plant performance.

The program will be held at the Swisher Memorial Building in Tulia, and registration will begin at 8 a.m. with coffee and doughnuts. The program will start at 9 a.m. and will conclude before noon, with a free barbecue lunch sponsored by Swisher Electric Cooperative for those in attendance.

The program is being hosted by the Swisher County Extension Office, the US Soil Conservation Service, and Swisher Electric Cooperative, Inc.

Quinton Colwell, consulting electrical engineer, Lubbock, will speak on projected electric rates and increasing growth of irrigation load on electric cooperatives and utilities. Terry McEachern, an irrigator who has ample water supply, and John Herring, an irrigator who has limited water resources, will speak on water management practices that have worked for them.

Joe Denny, a research specialist with Valley Grain Products in Muleshoe, will discuss water application according to the needs of the crops and the use of tension-meters.

Leon New, ag engineer with the area Extension Service, will speak on improving the performance of irrigation pumps and demonstrating that improved performance may pay the cost of repairs.

Jerry Walker, ag engineer with the USDA Soil Conservation Service in Amarillo, will discuss services available to irrigators to determine the performance of their irrigation pumps.

The program will conclude with Swisher Electric discussing pump performance tests available to members of the cooperative.

Masons schedule breakfast meeting

Castro Masonic Lodge 879 will have a breakfast meeting Saturday at the lodge hall, with breakfast being served at 7 a.m.

The lodge will confer two Master degrees at 8:30 a.m.

TAKING THE OATH—Outgoing Mayor Elmer Youts [right] administers the oath of office to Aldermen Wayne Collins [left] and David Hays at the beginning of Monday night's meeting of the Dimmitt Board of Aldermen. The two men were elected from a field of six candidates Saturday. Collins is an incumbent, and Hays was elected to succeed Doug Lapins, who

has moved to San Francisco to accept a new post with the Amstar Corp. New City Corporation Court Judge Ferne Jones also was sworn into office Monday evening. However, new Mayor R. L. Fleming was out of town Monday and took his oath of office later in the week.

New aldermen, judge take office

The Dimmitt Board of Aldermen canvassed the city election votes and installed the newly elected aldermen and city judge at the beginning of its regular meeting Monday.

David Hays and incumbent Wayne Collins took the oath of office and immediately began their new terms as aldermen.

Collins was elected mayor pro-tem, in the absence of Mayor-elect R. L. Fleming, and officiated at the meeting. Before turning the meeting over to Collins, former Mayor Elmer Youts thanked the people of Dimmitt and Castro County for their trust and confidence in him.

Youts's service in public office has included four years on the Dimmitt School Board, six years on the Castro County School Board, six years on the Dimmitt City Commission and 10 years as mayor of Dimmitt.

"I thank the people of

Dimmitt for allowing me to be their servant these 26 years," Youts said.

Mrs. Ferne Jones also recited the oath of office to

begin her term as Dimmitt's Corporation Court judge.

Later in the meeting, the aldermen asked former Judge L. G. "Shorty" Manning to

assist Mrs. Jones during April, at full pay, to help make the transition a smooth one.

Manning will also receive the vacation pay that he has accumulated.

Manning has served the city of Dimmitt in public office since 1948, when he was the mayor. He has been the city judge 12 years.

Collins asked City Manager Garnett Holland to order plaques to honor the outgoing mayor, judge, and Alderman Doug Lapins for their services to the community.

Students to stage all-day sing-a-thon

A unique "Singing Saturday" will be staged Saturday from 8 a.m. until 6 p.m. The Dimmitt High School Singers will provide continuous singing for 10 hours in the Rhoads Memorial Library meeting room.

Interested persons are invited to come to the sing-a-thon anytime throughout the day. Choral Director Doug Henry said.

The purpose of "Singing Saturday" is to promote singing in the community and to encourage students to develop their vocal talents, Henry

stressed. He added his hopes that the community will support the choir and help it to raise funds for its trip next month to the Tri-State Music Festival and competition in Enid, Okla. Students have been asking for donations from individuals and businesses for their solos, duets, trios and for choir concert singing.

The choir will sing in concert for 45 minutes to one hour beginning at 12 noon, and the Show Choir will perform afterwards.

All types of music will be sung, including hits by John Denver, Kenny Rogers, Helen Reddy and Ann Murray. Other music will include sacred songs (classical and contemporary), secular, folk, country, jazz, classical, rock, patriotic, old favorites, new pop tunes, and songs from "The Sound of Music" and "The Muppet Movie."

Soloists will include Steve Anderson, Benny Galvan, Ginny Guy, Rhonda Heath, Janis Hutcheson, Tammy Stanford, Shelley Young and Jacquie Washington. Their material will include tunes from the shows "Mary Poppins" and "Annie," Barry Manilow hits, classical repertoire (Italian and English), sacred songs and others.

Accompaniments will be provided by Henry, Betty Hoover, and by pre-recorded tapes.

If a business or individual has not been called on and would like to make a donation, call Henry at 647-3108 or contact any choir member.

Deadline nears for taking out FCIC insurance

April deadlines have been set for local farmers seeking to insure their crops under the Federal Crop Insurance Program.

"Corn producers in Armstrong, Castro, Deaf Smith, Donley, Floyd, Hale, Parmer and Swisher Counties have until April 15 to apply for FCIC coverage. An April 30 deadline is in effect for cotton and grain sorghum applications in the same counties, as well as in Briscoe, Collingsworth and Motley Counties," said Jackie Harris, district director for the FCIC.

FCIC is an agency of the US Dept. of Agriculture. It is designed to protect a producer's crop production expenses from risks like hail, wind, drouth, insects and disease.

Information about the FCIC program can be obtained from any private insurance agent handling the program.

IN the state of Massachusetts it is against the law for a restaurant to serve tomatoes in a clam chowder (Manhattan-style). It is also illegal in Massachusetts for a person to eat peanuts while in church.

Figure Perfections Salons International

OVER 28 YEARS SUCCESS IN WEIGHT REDUCTION!

10 lbs. WASN'T ENOUGH! A Perfect Figure Was Her Goal!

Carolyn Stinson Came To Pat Walker's

MS. STINSON'S TRUE STORY:

Three years ago at 171 1/4 lbs. I made one of the most important decisions of my life and that was to lose some weight. My original goal was 10 lbs. however, not until I lost 56 1/4 lbs. was I truly happy with my figure.

Through the careful guidance and assistance of the counselors at Pat Walker's, who literally taught me how to eat the foods I like, properly and the firming and toning provided by the Symmetricon, I feel absolutely marvelous, much younger and more energetic than ever.

FREE TREATMENT & FIGURE ANALYSIS

Our treatments are personalized, natural and gentle, without disrobing or rigid diets; In complete privacy you reduce, firm, tone and receive individual counseling. After your free treatment and figure analysis, we will tell you where you'll lose, how many treatments you'll need and exactly how much it will cost you for your figure correction. For 28 years our exclusive program has achieved total figure correction for women of all ages.

ELECTRIC COOPERATIVES SPEAK OUT

The Swisher Electric Cooperative Directors and Employees wholeheartedly agree that WASTE, FAT, FRAUD and MISMANAGEMENT MUST be eliminated from government.

- HOWEVER -

The REA financing program is none of these. It is a productive lending program, not a spending program.

- BUT -

The facts are this program, which has been and still is a vital instrument in the rural, industrial and agricultural areas of our country, has been targeted as one of several to receive major alterations in the current White House Administrations budget adjustments to improve the economy.

- ALTHOUGH -

The financing program under which the Rural Electric Cooperatives now secure loans is in no way a part of the Annual Budget. (See article "Facts on Financing REC's" in this paper).

Swisher Electric and other R.E.C.'s in Texas are eager to inform all Texans of the facts. Contact us by phone, letter or in person. We need your help to inform our government officials that Rural Electric Cooperatives pay their way and do not receive grants.

Insects of interest

Apple growers-- it's time to spray

By ALLEN KNUTSON
Extension Agent —
Entomology
Peach blossoms and blowing dust announce that spring has arrived in West Texas. Apple trees are also beginning to bloom, and now is the time to begin a spray program to protect apples from insect attack. The codling moth, the cause of the proverbial wormy apple, is our major insect pest.

This small gray and brown moth emerges in the spring to lay eggs on leaves and stems. Caterpillars hatch from the eggs and tunnel into fruit, leaving brown castings on the surface. Mature worms tunnel out of the apple to spin cocoons in crevices of bark, fences and soil. A new generation of moths then emerge to infest ripening apples.

A well-timed spray program must be followed to protect apples from codling moths. Apply the first spray when flower buds first show pink. Spray again when 90% of the blooms have fallen. Never spray trees in bloom. Spray again 10-12 days after 90% petal fall. Continue to spray at 10-14 day intervals until 1-2 weeks before harvest. This is necessary as

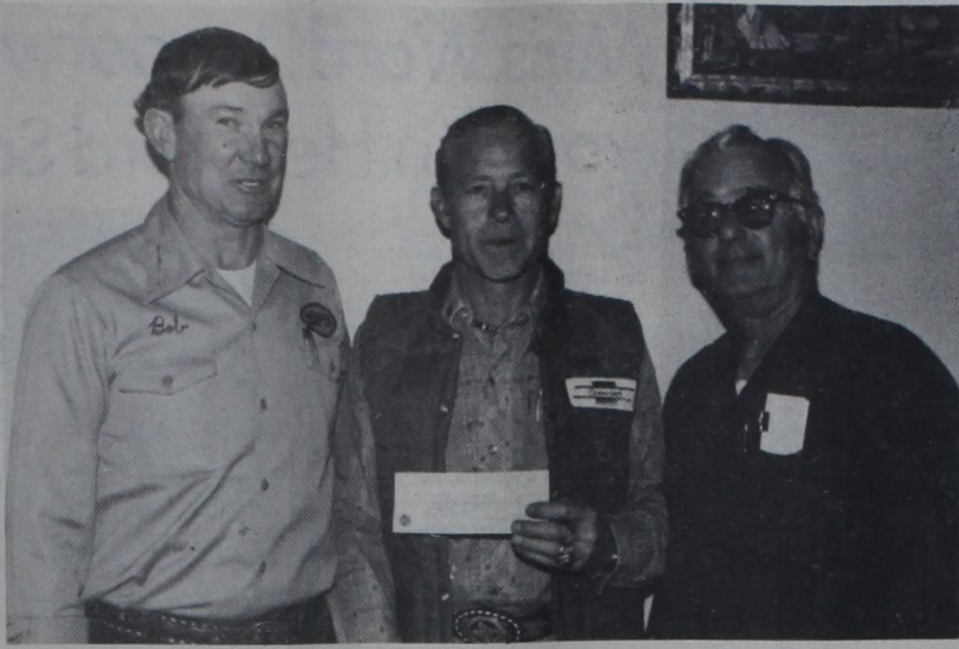

codling moths are present throughout the summer, and missing a scheduled spray can result in wormy apples.

Use a fruit tree spray containing malathion, Sevin, or Zolone and spray trees thoroughly. A fungicide, such as Benomyl, may be added if diseases are a problem. Use Sevin only for the third and later sprays as it may thin fruit if used before fruits are set. When using any pesticide, always read and follow carefully the label instructions.

Trunks and large branches can be banded in early summer with strips of burlap or commercial tree wrap. Caterpillars will crawl behind the wraps to spin cocoons and can be easily destroyed. Also, removing loose bark and debris from around trees will eliminate shelter for caterpillars.

Scheduled spraying will still be necessary as moths will fly in from other areas. However, these cultural measures will help reduce the level of infestation and sprays will be more effective.

Of all the dangers threatening apples, including hail, blowing sand and drought, the wormy apple is one thing we can do something about.

'JAWS' FUND GETS SOME BITE—Merton Powell, assistant chief of the Dimmitt Volunteer Fire Dept., holds a check for \$1,500 donated by the Dimmitt Kiwanis Club to go toward the purchase of a "jaws of life" tool. Pictured with Powell are Bob Murdock, left, and Charles Richard of the Kiwanis Club.

Kiwanians aid 'jaws' fund

The Dimmitt Kiwanis Club presented a check for \$1,500 Monday to Merton Powell, assistant chief of the Dimmitt Volunteer Fire Dept., to help toward the purchase of a "jaws of life" rescue tool. Bob Murdock, longtime

member of the fire department, presented the check on behalf of the Kiwanians during the club's regular noon meeting Monday.

County Tax Assessor-Collector Jerry Heller presented the program on the implications of Senate Tax Bill 621.

Heller explained that there will be a central appraising district in each county.

One office will handle school, city and county taxes, and that office will be housed just east of the Dimmitt City Hall, in a portion of the building which now holds the Department of Human Resources.

The move to that building should take place July 1, Heller said.

Bill 621, in effect, creates a new government entity to handle taxing, according to Heller.

The bill also calls for a re-appraisal of property. Heller estimated the cost of the re-appraisal at \$85,000. He explained that the changes required by this bill "will cost a lot of money at first,

because of the new building." "But," he added, "eventually, I think it will pay for itself."

Student members of the Key Club told the Kiwanians they are working on a project to raise money for the Jaws of Life Fund.

Gene King reported on the success of last weekend's track meet and expressed hopes that Dimmitt could host a senior high track meet sometime.

Census workshop set for officials

Elected officials and social service workers in the Panhandle will get an opportunity to see the 1980 US census for the first time during a workshop scheduled in Canyon.

The workshop, sponsored by the Panhandle Regional Planning Commission and West Texas State University, will be held in the Classroom Center South, beginning at 8:30 a.m., Friday, April 10.

Participants will get a firsthand look at not only the raw data included in the initial census report, but will also become acquainted with how the report is organized and how it can be used.

The US Dept. of Commerce, which is responsible for conducting the census, will make a number of services connected with the enumeration available to potential users. Printed reports, microforms, computer tapes, maps and other software included in the package will be explained during the workshop.

Participants will also hear

about other census information such as the current population survey, the annual housing survey, and population estimates based on the census. They will also learn the various resources available through the Commerce Dept. The preliminary census of the Panhandle population will be handed out during the meeting. It includes breakdowns by county and major subdivisions within each county.

The workshop will be coordinated by Annette Nall, documents librarian with WTSU's Cornett Library, and the health planner for the PRPC, Dr. Evelyn Smith. Registration for the day-long course is \$5, which includes the cost of lunch. Pre-registration deadline is Monday.

EDGAR Allan Poe was thrown out of West Point for "gross neglect of duty" and "disobedience of orders."

NOTICE TO TAXPAYERS OF THE DIMMITT INDEPENDENT SCHOOL DISTRICT

The Dimmitt ISD hereby announces that all persons are entitled to receive an exemption of \$5,000 from the market value of their residence homestead for the purpose of school taxes. In addition, all persons who are 65 or older OR under a disability for purposes of payment of disability benefits under Federal Old-Age, Survivors, and Disability Insurance are also entitled to an additional exemption of \$10,000 from the market value of their residence homesteads for the purpose of school taxes.

To qualify for these exemptions, an application must be filed with the school district tax office by April 30, 1981. Application forms are available at the school tax office located at 608 W. Halsell, Dimmitt, Texas.

THESE EXEMPTIONS MUST BE APPLIED FOR ANNUALLY.

Estelline church is wedding scene

MRS. DAVE MOYER
The former Carol Bagwell

Carol Jean Bagwell and Dave Moyer were united in marriage in an informal ceremony Friday afternoon in the Estelline Baptist Church.

The bride is the daughter of Mr. and Mrs. Milton Bagwell of Dimmitt. Mr. and Mrs. Roy Moyer of Childress are the parents of the groom.

Linda Bradley was the matron of honor and Monte Bradley was the best man. Both are from Childress.

The newlyweds will live in Monahans after May 1.

The bride is a graduate of Dimmitt High School and attended West Texas State University and Jessie Lee's School of Hair Design.

The groom graduated from Childress High School and attended Clarendon Junior College. He will be employed on the Vest Ranch at Monahans after May 1.

Martha Ellen Paxton and Brent Steven Lemons

June 6 vows planned

Mr. and Mrs. James R. Paxton of Palestine announce the engagement and forthcoming marriage of their daughter, Martha Ellen, to Brent Steven Lemons, son of Mr. and Mrs. Warren Lemons of Plainview, formerly of Hart.

The couple will exchange vows June 6 in the Wesley Community Church in Palestine.

The bride-elect is a graduate of Palestine High School, has attended Oral Roberts University and is a candidate for graduation from the University of Texas at Austin. Her major field is real estate

and urban land development. She is a member of the Kappa Delta sorority and is employed with Sen. Roy Blake's office in the capitol in Austin.

The groom is a graduate of Hart High School, attended Wayland Baptist College and graduated from Baylor University with a bachelor of arts degree in public relations and journalism. He is a member of Lambda Chi Alpha. He is currently employed as public relations manager for the Aluminum Company of America (ALCOA), and lives in Palestine.

Sunday reception fetes Penningtons

M. A. and Christine Pennington were feted Sunday on their 50th wedding anniversary. A reception in their honor was held at the Castro County Senior Citizens Center from 2 to 5 p.m.

Several friends and relatives were on hand for the celebration. Mrs. Pennington's sisters, Mrs. John Mobley, and her husband and

Mrs. W. W. Dial, all of Lubbock, and Mrs. Truda Leopard of Malakoff, were also present.

The Penningtons daughters and their families — Mr. and Mrs. F. W. McKonald and daughter, Mrs. Mark Rhud, of Wichita Falls, and Mr. and Mrs. H. E. Finney and daughters, Shaun and Adair, of Roswell, N.M. — hosted the reception.

The floral arrangements were done by the Flower Patch. Cake, punch, mints and nuts were served.

Happy anniversary!

Miss Ward, Underwood read vows in Hereford Saturday

Sandra Ward and Roger Dale Underwood exchanged wedding vows Saturday afternoon in the First Baptist Church of Hereford, in a formal, double-ring ceremony with Rev. Doug Manning officiating.

The bride is the daughter of Mrs. Dorothy Ward of Hereford. The groom is the son of Shirley Underwood of Dimmitt and Roy Dale Underwood of Spearman.

Debbie Brooke of Amarillo served as the matron of honor, with Kendra Lee of Hereford and Sharon Spauldin of Amarillo as bridesmaids.

Bridal attendants wore formal length peach dresses accented with sheer capes. Each carried a nosegay of silk daisies and apricot colored silk roses intermingled with baby's breath.

Van Hopson of Dimmitt served as the best man. Danny Underwood of Dimmitt, brother of the groom, and Jim Grabber of Canyon were the groomsmen.

Candlelighters were Cherene Watts and Jettie Watts of Hereford, cousins of the bride, and Marty Lovelady of Amarillo.

Brandi Michelle Fink of Tempe, Ariz., niece of the bride, was the flower girl.

Ushers were Benny Lovelady of Amarillo and Guy Brooke of Amarillo.

Three candelabras adorned with greenery flanked the altar.

Organ music was provided by Mrs. Jan Walser, and the bride's wedding selections, "The Lord's Prayer" and "Annie's Song," were sung by Mrs. Debbie Brooke of Amarillo.

The bride, given in marriage by her brother, Scott Ward, wore a white formal gown of Chiffonette bordered with Venice lace with vertical bands of lace being repeated on the bodice and skirt. The skirt extended from an Empire waist to a chapel length train. The full bishop sleeves were accented with fitted cuffs, and the tiered veil of illusion was fingertip length and was attached to a bandeau of Venice lace adorned with pearls and scalloped at the edge.

The bride carried a bouquet of peach and apricot silk roses entwined with baby's breath, with cascading ribbons flowing from the center.

In keeping with tradition, the bride wore pearl earrings given to her mother by her late father as something old. For something borrowed, she carried a lucky penny belonging to her uncle, Verdon Watts. Something blue was a traditional blue garter.

A reception in the fellowship hall followed the ceremony. The bride's table was covered with a white cloth edged in lace and made for the occasion by the bride's

MRS. ROGER DALE UNDERWOOD
The former Sandra Ward

mother. The three-tiered wedding cake featured a punch fountain and was topped with white doves surrounding a white heart. Peach-colored punch was served. Jettie and Cherene Watts served at the bride's table.

The groom's table was decorated with brass appointments. Brenda Underwood, sister of the groom, and Marty Lovelady of Amarillo served a horseshoe-shaped chocolate cake from the groom's table.

The bride's traveling attire was a pink pantsuit with beige accessories.

After a brief wedding trip, the couple will make their home at 7865 Canyon Drive in Amarillo.

The bride is a graduate of Hereford High School and is presently employed at the First National Bank in Amarillo.

The groom is a graduate of Dimmitt High School. He will receive a degree in business agriculture and economics from West Texas State University in May.

IN 1977 Arnold Boldt, a nineteen year-old athlete from Saskatchewan, Canada, cleared a height of six feet, four inches in the high jump. The current record for the high jump is seven feet eight inches; but Boldt's achievement is noteworthy — he has only one leg.

What are the 'jaws of life'?

EXPLAINING THE SYSTEM—Dimmitt's volunteer firemen got a professional demonstration Friday of the "jaws of life" rescue tools which they are raising money to buy. Here, Jim Gill of Texas Fire Equipment explains the basic components of the Hurst Safety Products hydraulic tools that are

designed to rescue victims from wrecked cars, crashed planes, buildings, etc. In foreground is the basic "jaws of life" tool. In front of Gill is the two-cycle engine that powers two hydraulic tools at a time. The car is a "junkie," still intact, that was donated for the demonstration.

TONS OF FORCE—After first prying off the car's passenger door by outward force at the lock and the hinges, Gill reverses the jaw's mode to clamp-force, attaching the jaws to two chains, one of which is looped around the steering column and the other attached to the front frame. The result: the steering column

is pulled up and forward, through the windshield, and the dashboard on the driver's side is raised. Gill explained that the "jaws" tool develops 12,000 pounds of working force to pry, bend, tear, shear or lift, and can be used by one man in a cramped space.

SWITCHING TO THE SHEARS, another component of the Hurst Rescue System, Gill cuts through the cab-frame of the car after having sheared the door-post. After a pair of similar cuts on the other side, Gill and one other man were able to fold the roof back, exposing the entire passenger compartment of the car. For good measure, Gill also used shears to snip off the steering column.

Although the shear tool weighs only 36 lbs., it develops 12 1/2 tons of cutting force at the center of its blades. Gill explained that the cutting operation can be performed at the same time the "jaws" are being used, since the portable engine powers two tools at a time. The total system — three tools and the motor — costs approximately \$10,000.

FINALLY, THE 'RESCUE RAM'—If a passenger were still trapped under a collapsed dashboard or impacted engine, Gill shows how the third tool of the system, the "rescue ram," can be used to force the door-frame and dashboard upward. The ram, a straight-line extension tool, develops 15,000 lbs. of opening force and 7,000 lbs. of closing force. After breaking the front seat loose from its

footings and forcing it back with the ram, Gill positions the tool against two vertical posts, and the car's frame buckles under the pressure, leaving the car a misshapen hulk on the fire station's parking lot. The Fire Dept. has opened a "Jaws of Life Fund" at the First State Bank to raise money to buy such a system, and donations are being accepted now.

Obituaries

George Reed

Funeral services for George Thomas Reed, 76, of Plainview were at 11 a.m. Monday at Lemons Memorial Chapel with the Rev. M. V. Davis, pastor of Calvary Baptist Church, officiating.

Mr. Reed was the father of Bob Reed of Hart. Burial was in Parklawn Memorial Gardens, under the direction of Lemons Funeral Home.

Mr. Reed died Friday night at Central Plains Regional Hospital after a short illness.

A Cleburne native, he had lived in Justinburg and Jenkins, N.M., and Cone, Texas. He moved to Plainview in 1922 and married Opal Edwards on May 10, 1926. The couple farmed in the Cousins community. Mr. Reed joined the Massey-Ferguson dealership in 1950 as parts manager and became general manager of Mathis Irrigation in 1963, where he worked until his retirement in March 1980. He was a member of Bethel Baptist Church.

Survivors include his wife; two sons, Bob of Hart and Beverly of Portland; a sister, Della Mauldin of Battle Mountain, Nev.; and four grandchildren.

Sarah L. Merritt

Funeral services for Sarah Lee Merritt, 63, of Amarillo, were held at 4 p.m. last Thursday in the Parsons Funeral Home Chapel in Dimmitt with Rev. John Street and Rev. Howard Quiett officiating.

Miss Merritt died March 31 at 8 p.m. in Northwest Texas Hospital in Amarillo.

Burial was in Castro Memorial Gardens, under the direction of Parsons Funeral Home.

Miss Merritt was born in Castro County March 31, 1918. She moved from Castro County to Amarillo 20 years ago.

Survivors include a sister, Mrs. Ina Dee Kendrick of Nazareth, and four brothers, Claude Merritt of Kit Carson, Colo., John Merritt of Dimmitt, Glen Merritt of Hart and Percy Merritt of Farwell.

Pallbearers were Delbert, Mike, Robert Percy, Sammy, Brock, Mark, Lint, and Johnny Merritt and Jimmy Kendrick.

Solar seminar set Saturday

A Solar Energy Seminar sponsored by the West Texas State University's Alternative Energy Institute will teach participants how to design, construct and use an attached solar greenhouse.

The seminar will begin with registration at 9 a.m. Saturday in Room 101 of the Science Center. The seminar will continue through 5 p.m.

A seminar fee of \$30 provides the participant with lunch and materials. A special student rate is available for \$20.

Dr. Earl Gilmore, research professor with the WTSU Alternative Energy Institute, will discuss solar principles.

Growing plants in the attached solar greenhouse will be discussed by Stacy Reese, instructor of horticulture in the Department of Plant Science of the WTSU School of Agriculture.

Tips on financing home improvements and the tax benefits of an attached solar greenhouse will be offered by Ardath White, assistant vice-president of the American National Bank in Amarillo.

Dr. Ron McBride, assistant professor of industrial education and technology in the WTSU College of Education, will discuss design and construction of an attached solar greenhouse.

A team of Alternative Energy Institute members and 25 Panhandle area residents constructed an attached solar greenhouse in November on the south side of the Combs-Worley Cottage at the Amarillo Children's Home.

Seminar participants will view slides of the construction process, and a 20-minute film on solar greenhouses will be shown.

THE golden retriever and the Labrador retriever are two of the breeds of dogs that bite the least.

Hattie Gunter

Services for Mrs. J. W. Gunter, 88, of Plainview were at 2 p.m. Monday, at the First Baptist Church with the Dr. Carlos McLeod, pastor, officiating.

Mrs. Gunter was the mother of Carol Lantz of Dimmitt.

Burial was in Plainview Cemetery, under direction of Wood-Dunning Funeral Home.

Mrs. Gunter died at 6:30 p.m. Friday at Quality Nursing Home in Amarillo.

A native of Aurora, the former Hattie Mae Bryan married J. W. Gunter Sept. 20, 1913, in Wheeler County. They moved to Hale County and the Runningwater community in 1933 from Vega. He died Feb. 15, 1960. Mrs. Gunter was a member of the First Baptist Church, Pioneer Club, Federated Woman's Club and the Kinfe and Fork Club.

Survivors include two daughters, Orlene Baldwin of Amarillo and Carol Lantz of Dimmitt; a son, Bud of Olton; five sisters, Mrs. W. C. Gunter of Olton, Irene Bryan and Josephine Forgy, both of San Antonio, Mrs. L. E. Godwin of Albuquerque, N.M., and Oleta Brothers of Aztec, N.M.; a brother, Dr. E. K. Bryan of Amarillo; nine grandchildren; and 11 great-grandchildren.

Grandsons served as pallbearers.

Correction

Funeral services for Gregoria Espinosa Garcia, 61, were held March 24 in Alvin, not March 21 as reported in last week's issue.

Higher appraisal values don't mean higher taxes

The appraised value of property in Castro County may go up by as much as two or three times, according to Buryl Fish of McMorries and Co. But, he added, total tax bills won't go up by that much.

Fish said tax statements will be a bit frightening at first glance because the new Senate Tax Bill 621 requires a listing of the old appraised value of the property at the old tax rate and the new appraised value at the old tax rate on the statements.

There will be a new tax rate which will bring taxes into more realistic proportions, but that rate will not be known at the time the statements come out, he explained.

Jerry Heller, county tax assessor-collector, said the statements will include an explanation that it is not a true reflection of your actual tax.

Fish said his main task in the county is to conduct an agricultural appraisal. Tax Bill 621 requires an appraisal of the "fair market value" of land, which is the sale price of land bought and sold within the county. The "ag value" of the land must also be

appraised. Ag value is measured by how much the land can produce.

In his appraisals, Fish tests the soil and the gallons-per-minute rate of irrigation wells. The soil is divided into eight classes. Class 2 soil would be valued at a designated percentage less than Class 1 soil, Fish explained.

Fish said his appraisal will give a truer picture of the county's land and property value.

"I've picked up houses and barns that aren't on the tax rolls," he said, "and I've deleted houses and barns that are gone."

"When I get through," he added, "each place will reflect the actual value that it has."

Fish will finish his appraisal of the land in the Nazareth School District this week.

As an example of the increase in property values, he said, the prime value of irrigated land on the old tax rolls was \$300 per acre. After his appraisal, it is \$750. Fish credits inflation as the cause of the greatest part of the increase.

Fish said that when the new property values are in, the tax rate will be lowered to fit budget needs.

"Taxes may be higher," he said, "but not doubled."

Fish noted that there is a tax benefit available for persons over 65 years of age. The value of property belonging to persons 65 or over is frozen as of 1979 or the date they turned 65, if after 1979. Those 65 and older are also entitled to a \$5,000 homestead exemption and a \$10,000 senior citizens' exemption on school taxes. All of these benefits must be signed up for each year at the tax office to be received.

The frozen property values will change the tax base, according to Fish, and it will run taxes up on some of the younger people.

"Agriculture has been carrying your tax load," Fish said, "and it will continue to carry it."

He said the south part of

the county will be carrying more of the tax load due to its greater wealth of irrigation water.

"My job is not to set tax rates," Fish said. "My job is to get an accurate appraisal of the property."

Fish doesn't make appointments, but, he said, anyone may call the tax office and give a legal description of their land and how many gallons of water per minute they are pumping.

"As I come on to a man's place, I'm working for him," Fish said, "I'm going to see to it that he's not going to pay a dime more tax than he has to."

Police calls

City and county law officers arrested eight persons on charges of DWI during the past week. Fines assessed in those cases ranged from \$253 to \$303 including court costs. Several of those arrested are either still in custody or have been released on bond pending court action.

Three persons were arrested for public intoxication. One was fined \$75, the other \$50, and the third was released on bond.

There were three arrests for driving with suspended licenses. One of those was in connection with a DWI charge. One was fined \$103 and no action had yet been taken in the other case.

Four Dimmitt men were arrested Sunday evening for fighting, and were charged with disorderly conduct. Each was fined \$100 in later court action.

A 23-year-old Dimmitt man was arrested for outstanding traffic warrants. He was released after paying \$40 in traffic fines.

A 43-year-old Earth woman was arrested Tuesday for theft between \$200 and \$10,000. Her bond has been set at \$1,000, and she is still in custody.

More about Nazareth ...

[Continued from Page 1] in persuasive speaking.

—Liz Wilhelm, fourth in poetry interpretation.

—Dale Hoelting, fourth in headline writing.

Five students and one team in Nazareth Elementary and Junior High School placed first in separate events.

The picture memory team of Michelle Schulte, Cory Hoelting, Shana Birkenfeld and Traci Hill won in the fourth and fifth grade division.

Other first place winners were:

—Shaun Wilhelm, number sense, grades 5-6.

—Russell Acker, spelling and plain writing (with a perfect paper) in grades 5-6.

—Tami Ball, elementary story telling.

—Rex Acker, poetry reading, grades 7-8.

—DeZane Schacher, junior high spelling and plain writing.

Other students who placed were:

—Alan Birkenfeld, second place, spelling and plain writing, grades 5-6.

—Marla Raemakers, second place, story telling, elementary division.

—Nancy Hatla, second place, junior high ready writing.

—Kirsten Birkenfeld, third place, story telling, elementary division.

—Debbie Schmucker, fourth place, junior high ready writing.

Comptroller's rep to visit

State Comptroller Bob Bullock has announced that Kay Doggett from his Lubbock Field Office will be at the Castro County Courthouse in the county commissioners' room next Wednesday from 10 a.m. to 12 noon.

Bullock urged anyone with problems or questions concerning state taxes to contact Doggett at the courthouse in person, or call the Lubbock Field Office at (806) 795-0691.

A toll-free number (1-800-252-5555) is also available to Texas taxpayers.

Winning sprinters

TINA WASHINGTON wins her preliminary heat in the seventh-grade girls' 220-yard dash at the Junior Bobcat Relays here Saturday.

She came back later in the day to win the championship of the event in the finals.

MARK SMOTHERMON of Dimmitt breaks the tape in a preliminary heat of the seventh-grade 220-yard dash in the Junior Bobcat

Relays here Saturday. Later, in the finals, he won the event and set a new school record.

Hart 7th, 8th girls place in district meet

Hart's seventh and eighth grade girls each took fifth place in the District 3-AA Girls' Track Meet in Farwell Saturday.

Stephanie Lee won the only two first-place honors for the seventh grade girls, placing first in the shot put and the discus.

Susie Reyna was the only eighth grader to place first in an event. She won the 100-meter hurdles.

Other results were: SEVENTH GRADE GIRLS SHOT PUT—Mary Mapp 2nd, Tracy Peterson 4th. DISCUS—Tracy Peterson 2nd.

440-YARD RELAY—Tracy Peterson, Vida Sarabia, Stephanie Lee, Traci Jeffcoat, 4th.

220-YARD DASH—Traci Jeffcoat 4th, Vida Sarabia 5th. 100-YARD DASH—Stephanie Lee 4th, Traci Jeffcoat 5th.

EIGHTH GRADE GIRLS HIGH JUMP—Susie Reyna 5th.

440-YARD RELAY—Teresa Jackson, Gayla Kittrell, Diane Montiel, Naomi Ponce, 5th.

440-YARD DASH—Susan Montiel 2nd, Susie Reyna 6th. 220-YARD DASH—Cristi Rowland 5th.

100-YARD DASH—Cristi Rowland 5th. 1,320 RUN—Elena Guzman, 2nd.

880-YARD RELAY—Susan Monteil, Alicia Garcia, Esther Rodriguez, Susie Reyna, 3rd.

Hart players reap honors

Chad Black and Derek Rich, both of Hart, have been named to the All-District 3-AA boys' basketball team.

Suzahn Rowland was named to the all-district girls' basketball team and Linda Washington was named to the second team.

Rich, Barnes will attend Boys' State

Derek Rich and Clay Barnes will be Hart's representatives at the summer session of Texas American Legion Boys State in Austin.

Phillip Hawkins was chosen as the alternate.

During sessions of Boys' State, which takes place on the University of Texas Campus June 6-12, students will participate in the organization of political parties, campaigns, elections and the enactment and enforcement of their own laws within a hypothetical state.

Their elected officials will function for a day at the state capitol, which will conclude with a joint session of the Boys State legislature.

MANY of the artificial eyes in use around the world are made in Liechtenstein. The first glass-eye production in the United States began in 1851. Originally prospective customers were misled into believing that the artificial eyes provided the wearer with renewed vision.

Longhorns win S-E meet

Hart's Longhorn tracksters walked away with first place honors from the Springlake-Earth High School Boys' Relays Saturday.

The Longhorns compiled a total of 130 points. Nazareth placed seventh in the meet.

Several first-place wins spurred Hart to victory. The team of Robert Martinez, Chad Black, Daniel Guzman and Dale Scott took first in the 440 relay with a time of 46.05 seconds.

Chad Black took first in the 110-meter high hurdles with a 16.34 second time. Kevin Belt, who placed second in that event with his time of 16.62 seconds, took first in

the 330-yard intermediate hurdles, completing the course in 40.19 seconds.

Robert Martinez was first in the 200-meter dash, making his run in 24.62 seconds. Chad Black chalked up another first place in the high jump, soaring up to 6 ft., 2 ins.

Hart's other results at the meet were:

800-METER RUN—Arny Gonzales 3rd, 2:11.16

110-METER HIGH HURDLES—Derek Rich 4th, 19.17

100-METER DASH—Chad Black 3rd, 10.46; Dale Scott 4th, 10.7; Robert Martinez 5th, 11.1

400-METER DASH—Rene Gonzales 3rd, 55.33

330-YARD INT. HURDLES—Derek Rich 5th, 45.97

MILE RELAY—Arny Gonzales, Kevin Belt, Rene Gonzales, Clay Barnes, 3rd,

3:49.82

DISCUS—Dave Ingram 6th, 107 ft.

HIGH JUMP—Kevin Belt 5th, 5-2; Derek Rich 6th, 5-2.

LONG JUMP—Chad Black 2nd, 19-8 3/4.

Cleveland, Washington earn all-regional honors

The Texas Association of Basketball Coaches this week named Dimmitt's Kevin Cleveland and Randy Washington in its All-Region I-AAA boys' basketball selections.

Cleveland was named to the all-regional first team, along

with Roger Pinson of Abernathy, Reggie Childress of Coleman, Gary Rinker of Perryton and David Tucker of Childress.

The coaches' association named Washington to the all-regional second team, along with Walter Brown of Tulia, Joey Garcia of Abernathy, Jeff Greenway of Perryton and Rice Nippert of Childress.

Cleveland, a sophomore, and Washington, a senior, were the leading scorers on this year's Bobcat team which compiled a 33-2 record before losing to eventual state finalist Perryton by a point in bi-district.

Bill would hike penalty for trespass

Trespassers will think twice about ignoring property lines if a bill by State Sen. Bill Sarpalius becomes law. The bill, which passed out of the Senate Jurisprudence Committee last week, clarifies the law of trespassing and increases penalties.

"The bill makes three main changes in the law. It increases the penalty for trespassing; it makes it illegal to cross a livestock fence and it clarifies the law of trespassing on unfenced areas," Sarpalius said.

Under present law, landowners must put up signs every 100 yards or so to keep out trespassers. The new law only requires signs at gates and entrances.

Sarpalius said there were many complaints about the old law from farmers and ranchers whose land was abused by intruders, but who could not afford the expense of posting or fencing a large tract.

Currently, trespassing carries only a \$200 fine. Sarpalius maintains that amount is inadequate.

"I know of people in our district who charge \$1,200 for a mule deer lease. But the most trespassers have to pay is \$200. That's not fair," Sarpalius said.

The new law makes trespassing a Class B misdemeanor, with a maximum fine of \$1,000 plus six months in jail. Trespassing with a deadly weapon becomes a Class A misdemeanor with a maximum of a \$2,000 fine plus one year in jail.

"Trespassers are a problem not only because they shoot wildlife but they also sometimes shoot livestock. The combination of the increased penalties and the deadly weapon provision in the bill should keep these people off our farms and ranches.

Washington scores double

Linda Washington of Hart qualified for regional competition in two events at the Girls' District 3-AA Track Meet in Farwell Saturday.

She placed first in shot put with a distance of 32 ft., 5 ins. and second in the 220-yard dash with a time of 27.8 seconds.

Washington also placed fourth in the 100-yard dash, completing her run in 13.6 seconds. Janie Godins took fifth in the 880-yard run with her 2:56.4 time.

TCGA to host Japanese team

A three-man Japanese feed-grain team will visit the Dimmitt area Tuesday.

The Texas Corn Growers Association is hosting the team in hopes of expanding exports of locally grown corn to the affluent Asian nation. TCGA President Carl King said it will be the first time for the association to officially host a foreign delegation.

The group will visit the Dimmitt Amstar Plant, Dimmitt Agri Industries, Bruegel & Sons, Inc., "and possibly a feed yard if we have time," King said.

The tour group will gather at 1 p.m. Tuesday at the TCGA office, 112 W. Bedford St. King said all interested corn growers and Chamber of Commerce officials are invited to join the group.

THE Chase Manhattan Bank in New York City contains the world's largest bank vault, measuring 35,000 square feet in area and weighing two million pounds. The vault has six doors, two of which weigh 45 tons apiece.

H&R BLOCK TAX TEST

It is too late to claim a deduction or credit overlooked on a 1977 tax return.

True False

If you know about amending a tax return, you probably know the answer. If you don't, maybe you need H&R Block. Because H&R Block knows tax laws that you might not know. You can amend a tax return for overlooked deductions and credits up to three years after the filing deadline. So the answer to the question is FALSE.

WE'LL MAKE THE TAX LAWS WORK FOR YOU

Dimmitt freshmen surge to victory

DHS girls place at Tulia

Dimmitt High School girls placed in three relays and two individual events at Tulia Track Meet Friday.

DHS placers were:
400-METER RELAY—Brenda Parker, Suzan Collins, Cris Salinas and Hortencia Quinonez, 4th, 53.86.

800-METER RELAY—Brenda Parker, Suzan Collins, Cris Salinas, Hortencia Quinonez, 5th, 1:54.84.

3,200-METER RUN—Catherine Mongeau, 5th, 13:38.02.

1,600-METER RELAY—Brenda Parker, Suzan Collins, Cris Salinas, Hortencia Quinonez, 4th, 4:27.2.

DISCUS—Teresa Brown 6th, 84 ft., 8 ins.

The girls' junior high and high school District 2-AAA Track and Field Meet will be held today (Thursday) at Hereford.

The top two placers in each event will advance to the regional track meet in Lubbock.

CCAN to elect next Wednesday

Castro County Against Narcotics (CCAN) will meet Wednesday at noon at the Castro County Country Club for a "Dutch treat" lunch and planning session.

Officers will be elected.

BRAD HOLCOMB (foreground) and Mark Brugel finish 1-2, well ahead of the field, in the freshman 330-yard hurdles at the Junior Bobcat Relays here Saturday.

JIM LEINEN wins the freshman shot-put competition with a heave of 46 feet, 8 inches.

ROBERT ESPINOSA heads skyward in the freshman pole vault, winning with a leap of 10-0.

Young athletes shiver through Relays

Despite a snowy start and a chilly, windy day, many new school and meet records were set Saturday at the annual Junior Bobcat Relays here.

Six schools were entered in boys' competition and four in the girls' division, all competing at grade levels from seventh through ninth.

Dimmitt Kiwanis Club members and other volunteers from the community joined with local coaches, teachers and administrators in conducting the big meet.

Here's how Dimmitt's junior high and freshman tracksters placed:

220-YARD DASH—Nathan Nelson 4th, 1:32.0 YARD RUN—Victor Barrera 4th, Joe Alvarez 5th.

440 RELAY—Dimmitt 4th (Mark Coker, Ronald Kirby, Darrell Washington, Nathan Nelson).

MILE MEDLEY—Dimmitt 4th (Monty Patterson, Steven Bagley, Alex Lopez, James Parker, David Mohon).

DISCUS—Bobby Nino 4th, Jimmy Thomas 6th.

SHOT PUT—Bobby Nino 6th.

330 LOW HURDLES—Joe Alvarez 5th.

FAT MAN'S 100—Bobby Martinez 5th, Kevin Mansell 6th.

MILE RELAY—Dimmitt 5th (Doug Nelson, Darrell Washington, Michael Love, Nathan Nelson).

EIGHTH GRADE GIRLS
TEAM TOTALS—Muleshoe 171, Dimmitt 159½, Friona 106, Texline 57½.

SHOT PUT—Josie Cantu 1st, Tricia Touchstone 2nd, Connie Saenz 6th.

DISCUS—Tricia Touchstone 1st, 75-11 (new meet record).

880-YARD RUN—Jody Stone 1st, Norma Soler 4th.

100-METER HURDLES—Kyla Booser 1st.

MEDLEY RELAY—Dimmitt 1st (Tami West, Joyce Schilling, Shirley Hansen, Holly Waggoner, Elizabeth Garcia).

HIGH JUMP—Stacy Jackson 2nd, Kyla Booser 4th.

LONG JUMP—Tammie Washington 2nd, Stacy Sadler 5th.

440-YARD DASH—Stacy Jackson 2nd, Norma Soler 4th.

1,320-YARD RUN—Jody Stone 2nd, Norma Soler 6th.

440 RELAY—Dimmitt 2nd (Tammie McMillon, Kyla Booser, Angie Kitchens, Tammie Washington).

880 RELAY—Dimmitt 2nd (Stacy Jackson, Kyla Booser, Angie Kitchens, Tammie Washington).

MILE RELAY—Dimmitt 2nd (Angie Kitchens, Kyla Booser, Stacy Jackson, Kim Howell).

TRIPLE JUMP—Tammie Washington 3rd.

220-YARD DASH—Tammie McMillon 5th.

100-YARD DASH—Tammie McMillon 5th.

SEVENTH GRADE BOYS
TEAM TOTALS—Muleshoe 130, Dimmitt 118, Tulia 111, Friona 90, Boys Ranch 60.

HIGH JUMP—Mark Smothermon 4th, 4-6; Mitchell Brown 6th, 4-3.

Bike safety program set Cleveland is named to All-SP team

The Dimmitt Middle School student traffic safety committee has scheduled bicycle safety activities for the week of April 20.

These activities will include films, a Dept. of Public Safety program, a Dimmitt Police Dept. program, filmstrips, written tests and bicycle driving tests.

"The activities are designed to teach cyclists the basics of bicycle safety," Traffic Safety Chairman Byron Roberts said, adding that the public is invited to observe the activities.

The Texas Youth Traffic Safety Program provides opportunities for students to promote safety within their schools and communities.

"Education for Responsible Bicycling" is the slogan for the Bicycle Safety Awareness Week, scheduled for April 26 through May 1.

Kevin Cleveland, son of Mr. and Mrs. Ken Cleveland of Dimmitt, has been named to the Boys Class 3A All-South Plains team.

The 5-9 sophomore was among the area's leading scorers with an average of 20.5 per game.

Cleveland was a sparkplug in the Bobcat basketball machine which took the District 2-AAA championship with a 33-2 record before a 59-58 defeat by Perryton in bi-district.

SING SING prison in Ossining, New York was the first state prison in the United States to take fingerprints of its inmates (March 3, 1903).

EASE ON DOWN THE ROAD—Members of the Dimmitt Young Homemakers reach the halfway point in their 20-mile walk from Dimmitt to Easter and back Saturday to raise funds for the March of Dimes. From left are Jana Mussett, Dorciell Davis, Rhenea Webb and Karen Robertson, followed by Bobbi

Wooten, Rita McDaniel, Vada Wilcox and Cindy Ellis. "I hope we go over the \$1,600 mark," Mrs. Ellis said, adding, "We had a lot of fun and everybody's sore." Funds were also sought by FHA girls, who asked for donations door-to-door Sunday.

Census users' conference slated Friday

West Texas State University will join with the Panhandle Regional Planning Commission to sponsor a Census Users' Conference Friday to explain the 1980 census.

WTSU Cornette Library, WTSU School of Business and PRPC will present the regional Department of Commerce Bureau of the Census Conference for the Amarillo area, beginning with registration at 8:30 a.m. in Room 101 of the Classroom Center. The conference will adjourn at 4 p.m.

"Census material is the most heavily used material that we have," said Annette Nall, documents librarian with the WTSU Cornette Library. "The '80 census is more detailed about needs and in projecting growth. I think they have listened to the users in the past few years."

Bureau of the Census speakers will discuss such topics as census geography, subjects contained in the

census, resulting data products including printed reports, computer tapes and microfiche.

Nall said census findings are helpful for use in business, industry and as tour materials for cities and chambers of commerce.

Participants are expected to represent city, regional and state planning agencies; chambers of commerce; U.S. Department of Commerce regional districts; local business organization chapters; college and university business schools, social

science and geography departments; city and county commissions; savings and loan institutions; state economic development agencies; and industrial commissions.

Other persons expected to attend will represent libraries, public utility companies, community service organizations, neighborhood associations, federal agencies, minority organizations, health departments, housing and transportation divisions, school boards and school superintendents.

ASTRONAUTS are the worst insurance risks in the U.S., followed by drivers of Gold Cup hydroplanes and drivers of Indianapolis race cars.

ISSUED this 17 day of

Land judging winners named

The Running Water Soil and Water Conservation District conducted its annual soil judging contest March 31 on the Leonard Wilhelm and Florene Brockman farm north of Nazareth.

Approximately 62 young people competed in 13 teams. The Slaton team won first place, Lubbock Coronado took second and Dalhart took third.

In individual awards, S. Powell of Lubbock Coronado was the first-place winner. Scott Railsback of Happy won second and Bret Rampy of Slaton took third.

"IT'S A BIG JOB ..."

Slowing down the rising costs of anything these days. Even your electricity.

You've got someone working on it for you in the Southwest. Southwestern Public Service is using Wyoming coal to make electricity in its new power plants. Because some of the old plants run on fuel that just plain costs too much.

Electricity could cost a lot more than it does. But thank goodness it doesn't — because of coal."

You and each of you are hereby commanded to appear before the District Court of Castro County, Texas, to be held at the Courthouse of said County in the City of Dimmitt, Castro County, Texas, at or before 10 o'clock a.m. of Monday after the expiration of forty-two (42) days from the date of issuance hereof; that is

agri-facts

If someone tells you the scorcher of 1980 will be repeated in 2003 or 2026... listen. Based on the theory of temperature and precipitation cycles which tend to repeat themselves every 23 years, with extreme variations every 46 years, the record breaker of 1980 was predicted in August of 1934. The cycles are related, according to the experts, to variations in the radiation output of the sun - which are also cyclical. Forty-six years from the height of the drought of 1934 leads to 1980. According to leading meteorologists, the record-breaking drought actually began in 1979 and ended with precipitation shortages in the fall of 1980 such as Missouri with only 19.77 inches of moisture by October 9, 1980. Though the farmers may not be totally at the mercy of the wrath of nature, they are certainly susceptible to the cycles of nature.

Sheffy's Chatter

Morrison's have Arizona reunion

By MYRTLE SHEFFY

Henry (Nig) and Ara Morrison are home from a trip to Phoenix, Ariz., where they visited daughter Sharon and husband Ricky Epperson. From there, all went to Lake Havasu City, Ariz. in the desert. They met cousins Ellen and Hugh Munger and Jim Goodwin from California. Susan and David Kuhn of Phoenix also went to the Havasu City with the group. Ara hadn't seen Ellen in 25 years and Jim for 40 years. Had a lot of talking to catch up with.

They were much impressed with The London Bridge and the English village built on the bank of the Colorado River. They have a book with pictures about the bridge that was bought and moved from London, England by Robert P. McCullough of oil and the chain saw factory. C. V. Wood planned the moving of the big stone bridge, rock by rock, and the city plan too. It cost the oil people \$2,460,000 dollars to move and more to put together over dry desert land. Later the river was put through. A sign says, "The London Bridge going west." Arizona says, "we've got it."

The Morrissions went on to the Indian reservation to see the Mission of St. Xavier (or St. Francis Xavier) near Tucson. It is called "The White Dove of the Desert." The Indians still worship there.

Frank and Shirley Wise and son Gary and Ronda and children Holly and Heather went to Colorado, stopped at Dillon to see Frank's brother, John Wise who has a place there. They made several side tours to Vail and around to see the six different ski resorts. The young Wises did the skiing. Even Holly learned the game, beautiful mountain country.

Houston was the place for the meeting of Texas Library Association to have their business and fun time, March 31 through April 3rd. Going from Dimmitt were Maxine Myers, Ruth Cochran and Jackie Armstrong. They

heard several award winning authors of childrens books and several other good speakers.

Rev. and Mrs. Freeman, of Spearman are the new minister and wife to be with the Presbyterians. And Jeff London, a Lutheran chaplain from Amarillo has been filling the pulpit for both congregations. All members had a Sunday dinner at City Hall and a welcome to Mr. and Mrs. Freeman. Joe Cowen was telling me this news. So you stay at homers, get out and attend church.

Paula Espinoza and Estella Mendez went to Dallas last week to see their sister who is recuperating from surgery. Their youngest sister came up from Edinburg to be with the ladies.

Fate and Dorothy Shannon celebrated their 40th wedding anniversary Sunday with all their children home and attended church together at First United Methodist Church in Hereford.

Ted and Dorothy Sheffy celebrated their 40th anniversary Saturday. Ted celebrated by counting votes Saturday. Dorothy and daughters Beth and Virginia and daughter-in-law Karen went to town for a Coke. Gave each other a hair-do. "Big Deal" the grandmas say! (me).

Many of us went to Hereford Baptist Church Saturday to attend the wedding of Sandra Ward and Roger Dale Underwood, a lovely service in the pretty church. Shirley will tell us about it.

Woodrow and Alyce Killingsworth and Roy and Florene Stafford were in Tulsa recently to attend a bridal shower for their granddaughter Cindy Stafford, who will soon be married. We will tell you about that in a later news.

Jack and Myrna Cowsert gave me this story of their rambling over Texas trip. They joined friends, the Ray Jamesons of Lamar, Colo., at Abilene to enjoy wild flowers and points of interest in South and East Texas.

Bluebonnets, Indian Paint Brush, Redbud and Dogwood trees were at the peak of beauty. Wisteria was everywhere. They spent some time in Fredericksburg seeing the "Sunday Houses" and the earliest church. In San Antonio, the Alamo; in Austin, the Capitol and University. From San Augustine they crossed Toledo Bend Reservoir to Hodges Gardens in Louisiana and back to Tyler to enjoy the Azalea Trail Festival which was in progress on the weekend. This is a well kept town, even the tiny houses have the azaleas and roses around and all trash is cleaned away.

Lee Kimbell, LVN nurse of Dimmitt, has resigned as night nurse at the Deaf Smith General Hospital at Hereford where she has been employed 11½ years. Reason for resigning is health problems. Prior to working at Hereford

hospital, she worked in Dimmitt's old hospital 5 years, then moved to Muleshoe where she worked 10 years as night supervisor and charge nurse. She also has been director of nurses at South Hills Manor at Dimmitt for two years. Prior to these hospitals, she has worked at Lubbock, Abilene, Clovis and at Littermans Receiving Hospital at San Francisco, Calif. Lee has been a nurse 46 years. She would like to thank all the doctors and nurses she has been associated with for being so nice to her and she will miss all of them. A small way of saying thanks.

Kyle and Kippy Broderson of Shallowater are the parents of a new son, who came in Lubbock's Methodist Hospital March 25. He has been named Charles Emmett but they plan to call him Charley. He is the second Charles and the fifth Emmett in the Broderson family. The proud grands in Dimmitt are Emmett and Sue Broderson and the proud aunts are Joylyn and Kerry. The other proud aunt and uncle are Lana and Trent Downing of Easter. Kippy is Lana's sister.

Mrs. Charles Burks was hostess at a bridge party Thursday at the Senior Citizens Center with games and dinner there. Guests were Johnnie Vannoy who won high score, Faun Welker, second, Susie Reeves, Cleo Forson, Emily Clingsmith,

Betty Cartwright, Elizabeth Huckabay, Jo Gregory, Bernice Hill, Oleda Schumacher and Myrtle Sheffy.

The boy scout Troop 266 went camping in Palo Duro Canyon Saturday and the night. This was their reward for selling so many spices and picking up papers to be recycled. Sixteen boy scouts with their master Bill Behrends went on this trip.

Vadabel Oldham of Lubbock has been here for a few days visit with daughter Verbie and Don Nelson.

The Smith girls who are now known as Kitten Tatro of Carson City, Nevada, Lilla Mae Baker and Ona Faye Chapman were in town Thursday visiting friends Jo Gregory, Emily Clingsmith and others. Also here for memorial services for Sara Merritt of Amarillo. She grew up on the ranch near Hart.

Karen Joanen and baby Breaun Joanen of Houston have been here for a visit with grandmother and great grand Johnnie Vannoy and aunt Allie Tisdale.

Bob and Earlene West and granddaughter Robyne Boyd and the Inter Act members Cindy Hollums and Jeff Isaacs went to Amarillo Saturday to attend the Rotary Festival. The young ones gave reports. Anyway, later the Wests went to Hall County and Memphis to visit different kin folks.

Harry and Suzanne Lunt of Sunray have been here for a visit with her parents John and Sue Merritt, and also for

the memorial service for aunt Sara Merritt.

Mr. and Mrs. Frank Ellis of Muleshoe were here Sunday as guests of Mrs. Nell Ingram and Percy Parsons. Mrs. Ellis gave the Communion Meditation at the Methodist Church. She went to Haiti, one of the islands in the Caribbean Sea. Most of the people there are very poor. Mr. and Mrs. Ellis went with a mission group, church people, doctors of medicine and nurses. Other church folks were there helping with shots of medicine for children. The people used the small streams to bath in and wash clothes. Not many modern conveniences. They shared the Christian faith as well as doctors and nurses. They need the knowhow to farm in the hilly country. Contact Nell Ingram if you would like to go there on the mission.

Ina Cleavinger went to the Sweetwater country to visit her mother Mrs. Garland Lewis. She reports the

Asgrow hybrids for the special needs of white corn growers.

RX 962W

Asgrow's newest white variety, with the eye-pleasing uniformity of a top-yielding single-cross. RX962W ranks at the top in yield potential and resistance to stalk and ear.

RX 125W

Provides top yields of medium-size white kernels excellent for food processing. A proven, durable hybrid that's bred to withstand the rigors of West Texas growing conditions. Good drying qualities.

RX 153W

A long-time favorite of the white corn growers of the Texas High Plains. Unmatched grain quality for food processing or export market. The good yields of pearl white hard grain

develop under a very good husk cover. Has very rapid field drydown compared with most white corn in West Texas.

HUSTLE AND BUSTLE

The big city throbs with business life, heavy traffic, and the comings and goings and doings of many people. Whether you live in the city or you just come to town occasionally from the small town or farm, you have experienced this hustle and bustle. It reminds you that all life sometimes gets too hurried, too frantic with all we must do. We need a time to stop and somewhere to go to find peace and respite from all this. Have you thought of trying God? Job 22:21 says, "Acquaint now thyself with God and be at peace."

How sweet it is to be in God's house, to feel close to Him, to listen to His word. Tension leaves. Peace of soul arrives. Won't you attend God's house this week and see what he can do for you?

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

FHA to hold dance Friday

Sunnyside

Spanish services being conducted

The Dimmitt High School Future Homemakers of America will sponsor a dance Friday as part of their celebration of State Future Homemakers of America Week.

The dance will be held in the County Expo Building, beginning at 9 p.m. A live band, "The Music Machine," will provide music.

Admission is \$3 per person or \$5 per couple. Proceeds will go to FHA projects.

Other activities for the week include "Do Something for a Special Friend Day" today (Thursday), and Twirp dates on Saturday.

Sunday, the Dimmitt High School FHA attended Mass at the Holy Family Catholic Church in Nazareth. Monday, members sold Twirp books. Tuesday was their scheduled "Student Appreciation Day" and Wednesday was "Teacher Appreciation Day."

There are two FHA chapters in Dimmitt High School and one chapter in Middle School.

THE longest fangs of any snake belong to the gaboon viper.

By TEENY BOWDEN
Nick Manzanares, who is a member of the Templo Bautista in Muleshoe (and not the pastor, as reported last week) gave his testimony in the Sunday morning services, then interpreted the message preached by Rev. Raymond Jones in Spanish for the Spanish-speaking persons present.

He will come each Sunday for two months and teach a Sunday school class in Spanish, and then will preach in Spanish in the fellowship hall during the worship hour.

He was born and raised around Glorieta, N.M., in a large Catholic family. He became a professional gambler at the age of 14, and continued in that profession until 1974 when he broke his back. While confined to the hospital bed he became a born-again Christian. It was years later before he devoted his life for special service.

His wife and grandson accompanied him to the services. Rev. and Mrs. Raymond Jones and their

granddaughters and Mr. and Mrs. Hershel Wilson took them out to dinner.

Pete Simmons, principal of Littlefield High School, had charge of the Sunday evening services. He presented a message and a concert in music. Mrs. Simmons and their sons, James and Jeff, and Mr. and Mrs. George Fuller, Courtney and Brittany, also of Littlefield, accompanied him. Rev. Raymond Jones was the Simmons' pastor at Santa Anna and also at Cotton Center. George Fuller is a coach at Littlefield High School, and Rev. Jones is also his former pastor.

The Sunnyside Uppitts gave a performance at Buckner's Children's Home in Lubbock Friday night. Those going were Mr. and Mrs. Cliff Brown and Lynn, Mr. and Mrs. Lee Brown, Mrs. David Sadler, and Ginny and Anne GUY. Rev. and Mrs. Raymond Jones joined them there for the performance. Jason and Jared Jones spent the night with their grandparents, Mr. and Mrs. A. J. Jones.

Mr. and Mrs. Mathel Green and family were in Lovington Tuesday for the funeral of her uncle, Floyd Strickland. His grandfather, Martin Freeman, died Thursday night and they attended his funeral services in Denver City Sunday.

A fellowship supper was held at the church after the evening services with the visitors as guests. Sandwiches and homemade ice cream were served.

Mrs. Gale Sadler and Mrs. Carl Dean Carson presented the special music in the Sunday morning services.

Mr. and Mrs. L. B. Bowden toured the Carson County Square House Museum in Panhandle Monday morning.

Jeanne Haydon was awarded the Girl Student of the Year award for Spring-lake-Earth at the Chamber of Commerce Banquet in Earth last Saturday night.

Mrs. Roy Phelan was honored with a birthday party in her home last Wednesday afternoon. Those present were Mrs. Ray Axtell and Mrs. Eula Coker of Earth, Mrs. Cecil Curtis, Mrs. Lloyd Blanton and Mrs. Noah Spencer.

Mark Bridge of Gentry, Ark., a former resident of the community, and Brenda Lee Jones of Fayetteville, Ark., were married in Fayetteville Saturday. His grandparents, Mr. and Mrs. Louis Bolinger, also former residents, celebrated their 50th wedding anniversary in their home near Highfill, Ark., Sunday.

Randy Powell of Dimmitt was honored with a birthday dinner Sunday in the home of his grandparents, Mr. and Mrs. Ezell Sadler. Those present were Mrs. James Powell and Mrs. John Sirmans of Canadian, Mr. and Mrs. David Sadler and Karla and Larry Sadler, Carrie and Stacy.

Cinnamon Cox was honored with a birthday dinner in her home Sunday. Those helping her celebrate her 12th birthday were Mr. and Mrs. M. B. Odom and Mike of Dimmitt and Mr. K. H. Cox of Lazbuddie. Her cousins, Darrell and Billie Mason, and their children, Sean, Shane and Sheldon, of Lazbuddie, had supper with them.

Michael Graham of Coshaction, Ohio, a former

resident of the community, graduated from Northwestern Business College and Technical School at Lima, Ohio, March 27, finishing an 18-month study in auto-diesel mechanics in nine months by taking double courses.

Mrs. L. B. Bowden attended the meeting of the Castro County Historical Museum Association in Dimmitt last Thursday night.

Rev. and Mrs. Raymond Jones and their grandchildren, Darla and Danna, Mr. and Mrs. Hershel Wilson, Mr. and Mrs. Roy Phelan, Mr. and Mrs. Noah Spencer, and Lee Brown attended the Llanos Altos Baptist Men's Rally and Ladies Night in Bovina Tuesday night. Rev. Jones showed slides of their mission trip to Chihuahua recently. Hershel Wilson led the singing.

Anne Guy was in Lubbock Tuesday for a check-up on the foot injury and slight concussion which she sustained last week. Her leg was put in a walking cast.

Mr. and Mrs. Ezell Sadler visited in Canadian Friday night and Saturday with Mr. and Mrs. James Powell and

Cheryl and Mr. and Mrs. John Sirmans. Mrs. Powell and Mrs. Sirmans came home with them to visit until Monday.

Mrs. Raymond Jones brought their granddaughters, Darla and Danna Jones of San Angelo, home with her last Sunday night to visit for a while.

Mrs. Larry Sadler took Mr. and Mrs. Tex Conard of Dimmitt to Farmington, N.M., Sunday to attend the funeral services Monday for the husband of his niece,

Lavelle Anderson. Laura Sadler went as far as Conchas Lake with them and came home with the C.B. Lunsfords Sunday night.

Mr. and Mrs. Roy McGowen are from Jal, not Dumas, as reported last week.

The WMU Council met Tuesday morning with the director, Mrs. Raymond Jones, in charge. Mrs. L.B. Bowden taught the fourth session of "The History of Woman's Missionary Union, Revised" following the council meeting.

Hays Has It:

INTERNATIONAL AGRICULTURAL EQUIPMENT

**First in total planting efficiency.
First in seed environment control!**

IH Early Riser 800 Series Cyclo® Air Planter

Revolutionary Cyclo Air planters lead the field with everything you've ever wanted in a planter. Exclusive IH row units are unmatched for uniform planting depth, control of seed furrow shape and moist soil put-back on seed. The result is faster, earlier planting and earlier rising crops. And the unique IH air planting system features high-speed metering accuracy and positive seed placement. Handle a wide variety of sized or unsized seeds. And when you want to change crops, you can switch seed drums in a jiffy without tools. Big 15-bushel seed hopper keeps you planting longer. Trailing or mounted models, 4 to 12 rows.

More about

[Continued from Page 2] flowers in yards and roadsides were blooming and beautiful. Reta Welch was hostess last weekend to a cousins visit, and one day a baby shower for Jan Brills' baby Eric. They are from Dallas and others are Leisa and Anton Bubliss of Plainview, Jerry and Dena Cody from Olton, Clint and Callie Phillips from Olton. All visited grandparents Charlie and Edith Graef.

Frank and Shirley Wise, Jim and Ina Cleavinger, the Luke McGuire's went to Lubbock to attend the Fraternity Banquet with their sons. Students from Dimmitt attending were Kyle Wise, Stephen Anthony, Thomas McGuire, Susan Collins, Jimmy Cleavinger, Norris Cole. The speaker, Ed Wilke, told the group how important it is to make the right decisions for life. I hear he is a very good speaker.

Earlene Settle has been here from Hermitage, Tenn. to be with her mother Grace Lutz who had surgery last week. Grace is in Plains Memorial Hospital here, doing okay.

Keith Crum and wife Charlotte have been at

Cannon Air Force Base in Clovis on temporary duty for two weeks, so they have been in our town visiting parents Cecil and Virginia Crum and brothers and Charlotte's sister Ruth and Bun Kitchens.

Keith and Charlotte go back to Victorville, Calif. The base is George Air Force Base. He is sorry to miss the party Sunday for Coach Cleveland that will be at Gene and Sharri Bradley's house, the former G. L. Willis home on south Front Street.

The Methodist ladies UMW Circles were hostess to several ladies from Kings Manor at Hereford. Had a program of talks and music was given with buffet dinner for all.

Lorann Hamilton went to Chicago to visit her daughter, Sheila. The son-in-law who is with Eastern Air Lines gave her a ticket to fly. I was "wrong" last week. She did not go to California. She saw the Gollehons at Kansas City.

Ruby Patterson asks you to send cards to Randy Hunter who is very ill in St. Anthony's Hospital in Amarillo, Room 553. Randy and wife now live at Dumas, did live in Dimmitt. He was with International Harvester. He has contacted some kind of chemical poison from a plastic, (I don't know) but Dimmitt will have a blood drive for Randy Hunter later on. He has a positive. Talk to David and Ruby Patterson about his needs.

Herb and Dorothy Mayfield were hosts to a dinner and bridge party Saturday evening. They served Mexican food to Kenneth and Ruth Jackson who won high score, Jim and Ellen Hrabal, V. C. and Dorothy Hopson, Carolyn Jones, Garnett and Polly Holland, Betty Huckabay, Virginia Crum, Earl and Betty Parish, Faun Welker, Fred Annen, Percy and Margaret Parson, Kate Beecher, Ray Robertson.

Seems Cecil Crum had to be out of town, maybe Dallas or Fort Worth, who knows? But I heard he did go to Oklahoma City to sell grain seed.

Do come to the Senior Citizen Game night. It is always Tuesday evening at 6:30 with cake and coffee, games are "42", bridge, one table of "84" and other games. Supper night is Tuesday, April 21. Each family brings a dish or two of food, served buffet style. You are welcome even if you are under 50.

Estimated tax payment due soon

The first installment of estimated 1981 federal income tax payments by individuals who do not have enough federal tax withheld is due by April 15, 1981, the Internal Revenue Service says.

Generally, taxpayers having estimated tax of \$100 or more and estimated gross income not subject to withholding exceeding \$500 must file a Form 1040-ES, "Declaration of Estimated Tax for Individuals," according to the IRS. Those taxpayers who filed estimated income tax last year will receive the Form 1040-ES

by mail. The package includes a set of instructions, a tax worksheet and four declaration vouchers. The 1040-ES forms package is also stocked at most local IRS offices.

Information about estimating taxes appears in the free IRS publication 505, "Tax Withholding and Estimated Tax," and can be ordered using the form in the tax package or by calling the IRS forms/tax information number listed in the telephone directory.

THE highest waterfall in the world is Angel Falls in Venezuela. It is 3,212 feet high, whereas Niagara Falls is only 167 feet high.

Notice to Homestead Owners In the Nazareth Independent School District

The Nazareth Independent School District hereby announces that all persons are entitled to receive an exemption of \$5,000 from the market value of their residence homestead for the purpose of school taxes. In addition, all persons who are 65 or older or under a disability for purposes of payment of disability benefits under Federal Old-Age, Survivors, and Disability Insurance are also entitled to an additional exemption of \$10,000 from the market value of their residence homesteads for the purpose of school taxes.

To qualify for these exemptions, an application must be filed with the County Tax Office by April 30. Application forms are available at the County Tax Office in the County Courthouse.

STOP GROW IN THE RIGHT DIRECTION WITH RILCOT

YIELD is an important word in your cotton vocabulary, but

INSURANCE

is equally important and that's what RILCOT varieties give you: natural cotton insurance. RILCOT helps you save water, time and energy because you get to the gin with what you grow. RILCOT STAYS IN THE BOLL AND LETS YOU PLAN YOUR HARVEST.

RILCOT 95

wilt tolerant, stormproof

RILCOT 90

fast maturing, good micronaire

BALE BUSTER 1

highest yielding of the Rilcot varieties

RILCOT 90A

more disease tolerance

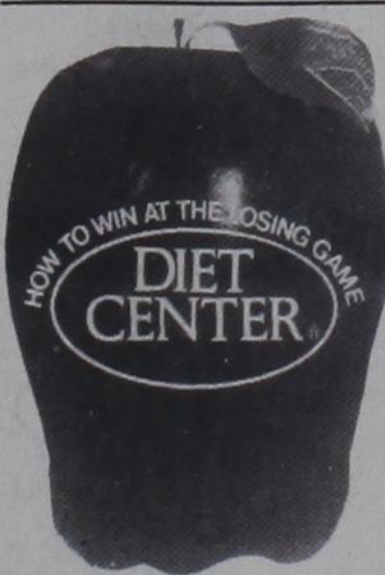

DRYLANDER 289

deep vigorous root system: Bred especially for dryland, the Drylander 289 can wait for a rain and still come back and set fruit of a high quality micronaire & pressley strength.

Rilcot varieties are specifically bred to put you on the road to the gin with all the cotton you grow. They accomplish more for you.

- * Planted early, they mature more quickly; can be defoliated and harvested early
- * Planted late — when adverse weather dictates — they still mature in time for harvest

RIBBON CUTTING—The ribbon isn't the only thing being trimmed at Dimmitt's new Diet Center, 210-B W. Bedford. In the last 60 days several Dimmitt citizens have trimmed a total of 1,026 pounds with the help of Judy Waggoner and the Diet

Center. Pictured from left are Mayor Elmer Youts, Leroy Maxwell, Martha Jo Hyman, Mrs. Waggoner, Delores Heller, George Sides and Joe Josselet.

Hill Feedyards names manager

Louis C. Reeder has been named manager of Hill Feedyard, a 25,000-head custom feedyard operated by Hill Land & Cattle Co. of Hart. Reeder previously was manager of Swisher County Cattle Co. at Tulla for four years, then manager of Beef Cattle Co. at Wheeler for three years. Hill Land & Cattle Co. is owned by Bob Hill, a native of Hart, and son of pioneer cattle feeder Homer Hill. "In years past, we have fed only cattle owned by our family," said Hill. "But with the reputation and expertise that Louis Reeder brings, we now will custom feed for customers."

IN the state of Maine it is illegal for anyone to win more than three dollars in one day by gambling.

Rotary hears Lee, George

Greg George of the Dimmitt Interact Club reported to the Rotarians in their Friday noon meeting on the club's work with the CUFUPU campaign. He also said that two of the students had visited the kindergartens and the South Hills Manor Nursing Home as Woodsy Owl. Barney Lee of the Soil Conservationist Service presented a program on that USDA service agency and explained how the SCS works hand-in-hand with the Running Water Soil and Water Conservation District. Lee explained that the soil conservation programs are set up strictly on a volunteer basis. He said their primary emphasis is on educating young people on the need for and the methods of soil and water conservation. The primary function of the SCS, Lee explained, is to work with area farmers and ranchers, helping them find solutions to their soil and water conservation problems.

'Energas' name evolves from streamlining move

The change of Pioneer Natural Gas Company's name to Energas Company is part of a process to streamline the utility operation, company officials explain. The process also involves restructuring Pioneer Natural Gas, which is a division of the Pioneer Corporation, into two companies. The utility now known as Energas serves 72 cities and communities in Northwest Texas. "For Pioneer Natural Gas customers, the only noticeable change will be the new name," K. B. Watson, president and chief executive officer of Pioneer Corporation, said. "Energas Company signs will begin appearing on company property during April, and checks for bill payments should now be made to Energas Company." Watson said that Energas Company serves almost all of the customers previously served by Pioneer Natural Gas. Transportation of gas to the Energas system will be handled by another new company, Westar Transmission Company. Both Energas and Westar are divisions of Pioneer Corporation, he said. "The name change will be useful for almost everyone," Watson said. "Customers and the public will find 'Energas Company' a convenient name to remember and use, and an appropriate description for a company that supplies energy from natural gas. What is more, the utility division will now be easily distinguished from the parent corporation, an obvious advantage for both companies and for anyone who deals with them." Watson also announced that the board of directors of Pioneer Corporation has elected three veteran officials of Pioneer Natural Gas as the senior officers of Energas Company. They are Charles K. Vaughan, president; Vernon Clem, vice-president in charge of the West Texas Division of Energas; and Harry Neel, vice-president in charge of the Amarillo Division. Vaughan and Neel will be based at the Energas headquarters in Amarillo, and Clem's office will be in Lubbock. The Energas service area, which is the same as that formerly served by Pioneer Natural Gas, extends from Dalhart in the northern Texas

and Westar divisions, the corporation now has six principal operating subsidiaries, engaged in oil and gas exploration and production, extraction of natural gas liquids, contract petroleum drilling, oil field equipment sales and fabrication, uranium exploration and production, and sales of heavy construction equipment.

Presbyterians have new pastor

The Rev. Edward D. Freeman conducted services Sunday in the First Presbyterian Church for the first time as the church's new pastor.

Following the morning service, Pastor Freeman and his wife were welcomed with a potluck dinner by the congregation at the city hall.

The Freemans moved into the Presbyterian manse at 1510 Western Circle Drive last Thursday, coming here from Spearman.

Pastor and Mrs. Freeman were both reared in Minnesota. He was born at Chisholm and was educated through high school at Virginia, Minn. He graduated from the University of Minnesota in 1936 and received his bachelor of music degree from the McPhail College of Music in 1938.

He taught public school music at Holloway and Clarissa, Minn., before attending the Presbyterian

Theological Seminary at Omaha, Neb., from which he was graduated in 1943 with a BD degree.

Freeman was licensed to preach by the Presbytery of Duluth in 1942 and ordained to the gospel ministry by the Presbytery of Omaha in 1943. Pastor Freeman has served Presbyterian churches in Omaha, Neb., Ketchikan, Alaska, Tacoma, Wash., Roscoe, S.D., Elbow Lake, Minn., Tulsa, Okla., Hominy and Fairfax, Okla., and Spearman.

The Palm Sunday service at the Presbyterian Church will be at 11 a.m., and Pastor Freeman will speak on "Who Is Jesus Christ to Whom People Sang, 'Hosanna?'"

There will be Holy Week services at the Presbyterian Church Monday through Friday at 7:30 p.m. with Pastor Freeman preaching each night.

CAPITOL WELCOME—Texas House Speaker Bill Clayton visits with three Dimmitt residents in his office in Austin Friday. Vanesa Holland, Clayton, Beth West, and Mrs. J'Lyn Ryan [from left] discussed the

state Office Education Association Youth Leadership Conference held in Austin. Miss Holland was a contestant and Miss West was a voting delegate. Mrs. Ryan is sponsor of the OEA group at Dimmitt High School.]

Clayton hosts OEA girls

Texas House Speaker Bill Clayton Friday hosted two Dimmitt High School seniors during their visit to Austin for the State Office Education Association's Youth Leadership Convention (OEA).

Dimmitt students Vanesa Holland, 17, and Beth West, 18, were delegates to the

convention which ended Saturday. They were accompanied to Austin by Mrs. J'Lyn Ryan, Vocational Office Education course sponsor.

Miss Holland, who placed second in regional qualifying in Amarillo, was in records management competition with level two students from four other regions from across the state. Miss West was a voting delegate to the convention for selection of state officers.

of filing, alphabetizing, numerical order and geographical areas. The hour-long test included all areas vital to records management.

Mrs. Ryan said the training received in office education courses prepares students for the working world and provides them with skills to build confidence in working situations.

Miss West is the daughter of Truman and Betty Touchstone of Dimmitt.

ZEBRA is a word from the Kikongo language.

Clayton, who met the students in his office, offered congratulations to both and noted, "This is only the third year that Dimmitt has offered the OEA course. I think this is indicative of how our area of the state stacks up with the rest of Texas."

Clayton's legislative district, 74, includes Dimmitt and Castro County.

Miss Holland, daughter of Dimmitt City Manager Garnett Holland and his wife, Polly, was tested in the area

Solar energy seminar set

The Alternative Energy Institute of West Texas State University will hold a solar energy seminar April 11 on how to design, construct and use an attached solar greenhouse.

The seminar will be held in the WT Science Center, Room 101, from 9:30 a.m. to 5 p.m. Registration fee is \$30 and includes lunch and seminar materials. A special student rate is available. Checks may be made payable to Alternative Energy Institute and sent to Solar Energy Seminar, Alternative Energy Institute, WTSU, P.O. Box 248, Canyon, 79016.

Registration will take place at 9 a.m. April 11.

Miss Broderson earns degree

Kerry Broderson, daughter of Mr. and Mrs. Emmett Broderson of Dimmitt, has received a bachelor of fine arts degree in interior design from Texas Tech University.

She was one of 1,000 students who graduated at the end of the 1980 fall semester.

Broderson is now employed in the design department of the Texas Research Center in Houston.

"SUPERPARENTS" are a myth, says Dorothy Taylor, a family life education specialist with the Extension Service. Even if parents were perfect, it would not guarantee the happiness of children, she adds.

Let The Rapid Roof System STRETCH Your Roofing Dollars

Save time and energy with RAPID ROOF®

Conklin's RAPID ROOF® is the elastomeric roofing system made to weatherproof a variety of roof decking substrates. The lightweight, yet rugged RAPID ROOF membrane is many times lighter than conventional built-in roofing. And, deck irregularities that might pose problems for seamed membranes are overcome with the RAPID ROOF monolithic system.

Over new or remedial roofing, the lower installation costs of RAPID ROOF allow you to invest in quality materials, not expensive labor. You'll also get superior heat-reflectivity in natural white or choose from a variety of SHOW KOTE™ decorative cover tins.

The RAPID ROOF system... your shield against the elements.
