Mill Sign-ups Go Over Top

ANOTHER 'Y' WRECK — This 1965 Buick fought a losing battle with the safety bumper of a pickup Wednesday morning. The Buick, driven by M. H. Sylvester, 67, of Anton, collided with the rear end of a pickup driven by Hershel Wilson of Sunnyside, after Wilson had stopped at the

intersection for an oncoming truck. Sylvester and Wilson weren't hurt, but Wilson's passenger, Charles Nutt of Dimmitt, was hospitalized with a mild neck and head injury. Marshal W. W. Jones cited Sylvester for driving at an unsafe speed under the speed limit.

Dimmitt Wheat Growers, Inc., passed the \$1.8 million mark in corn contracts Tuesday for its proposed milling plant, and General Manager Aaron Isaacs predicted sign-ups would reach the \$2 million target quota by deadline time Wednesday.

"THERE'S no doubt now that we'll reach the quota we needed on contracts to build the mill," Isaacs said Wednesday morning. During the past week, area farmers have been signing new contracts at a clip of \$100,000 worth a day, Isaacs reported.

The \$2 million mark in contracts will satisfy the minimum require-

ments by financiers of the mill and will also assure enough corn production to supply the mill's first-unit appetite of 3.3 million bushels per year.

FARMERS in the Hart, Friona and Olton areas have helped spur the sign-ups by showing a good response during the past week, Isaacs said. He added that further meetings may still be called in these three cities "to give farmers there a chance to pick up available poundage if they want it."

The cooperative still must reach \$2.5 million in mill investments—either through corn contracts or through the sale of first preferred stock. Isaacs said Dimmitt Wheat Growers is now registering with the Texas Securities and Exchange Commission for authorization to sell up to half a million dollars' worth of the stock on the market.

"I FORESEE no problem in the sale of this stock," Isaacs said.

The amount of first preferred stock to be sold to private investors, he said, will depend on the final corn contract figure. Farmers signing contracts to supply corn are being issued first preferred stock at the rate of 70 cents' worth per 100 pounds.

'Rec Center' Due New Name

A contest is underway to rename the Castro County Recreation Center.

THE CENTER was built by the Castro County Recreation Association, Inc., and automatically assumed the name of its parent organization.

However, its name has been condensed to "Rec Center" in news headlines, and many local residents are referring to it as the "Dimmitt Country Club."

The center's board of directors decided to end the confusion by entering a contest to rename it. The contest is open to members only, and the person submitting the winning name will receive a dozen free golf balls from Club Pro Lee Olson, in addition to having the satisfaction of naming the center. Deadline for submitting entries is April 15.

THE FAMILY recreation center has a nine-hole golf course, swimming pool, children's pool, golf pro shop, clubhouse and snack bar. Two separate junior baseball parks are now being built on the center's grounds, and a lake and skeet range are in the future plans.

Members of the association were mailed entry blanks this week, and are now wrestling with prospective names—Dimmitt Country Club, Castro County Club, Sun 'n Fun Center, Dip and Trap Club, Green Acres. . .

Kids to Hunt Eggs Saturday

Get your Easter baskets ready, kids—Saturday is Easter Egg Hunt Day!

ALL AREA youngsters 5 to 12 will get to hunt candy eggs in the city park Saturday afternoon, courtesy of the Dimmitt Jaycees.

The hunt will start at 3 o'clock sharp—and you'd better be there on time, because the hunt won't last long when the youngsters swarm through the park.

HARLEY DANIEL, chairman of the hunt, said the park will be divided and marked for four separate groups—one for tots 5 and under, one for children 6 to 8, another for youngsters 8 to 10, and another for those 10 to 12.

Also, Daniel said, a golden egg will be hidden in each section of the park. The lucky youngsters who find the golden eggs will receive prizes donated by Dimmitt's TG&Y Store.

Missouri River Import Plan To Be Aired in Colorado Meet

Citizens from portions of Texas, New Mexico, Oklahoma, Nebraska, Colorado and Kansas will meet in Lamar, Colo., April 19 to learn the possibilities for moving surplus water from the Missouri River to the High Plains region.

Paul Cunningham, supervising engineer with R. W. Beck & Associates of Denver, will outline the study which has been made on the project and lead a discussion on its feasibility.

THE MEETING will be sponsored by the Lamar Chamber of Commerce, with J. Elmer Facer in charge of arrangements.

Invitations have been sent to chambers of commerce, congressional representatives, state and federal agencies, and leaders in the field of water conservation, inviting them to be represented at the six-state gathering. There will be no registration fee, and the meeting will be open to the public.

THE PROPOSED diversion plan would deliver an estimated 13 million acre feet of water annually. The water would be lifted through a series of reservoirs and pumping installations to a point near Alliance, Neb. A gravity flow canal would then deliver the water to the High Plains area.

The meeting is scheduled to begin at 2:30, Central Standard Time.

Two Brochures Being Prepared

Two new publicity brochures will be available soon to promote Dimmitt to business men, industrialists and visitors.

Southwestern Public Service Co. is now working on a brochure which will give vital statistics on the city's population, climate, types of businesses, work force and community facilities. The electric utility company will produce electric utility printing of the brochures at no cost, and will charge a token fee for additional printings.

The SWPS brochure is a service provided in most of the cities served by the utility. Earl Brock is coordinating the brochure's production for SWPS and the chamber.

THE SECOND brochure will be a full-color folder to be produced by the Chamber of Commerce. At Friday morning's chamber board meeting, directors authorized Publicity Chairman Elvon DeVaney to contract with Craftsman Printers of Lubbock for 5,000 of the brochures. They'll have a fold-out size of 9x16, and will contain eight full-color reproductions of Dimmitt landmarks. Craftsman Printers' bid on the job was \$775 for 5,000.

Louise Stone, commercial photographer, volunteered her services free on the color-photo project, and the chamber board accepted her offer. She also is making color slides of the area for an automatic slide-talk show on Dimmitt.

EASTER, 1968 — With the nation threatened by race riots, killings, bigotry, ghetto-burning, looting and war, Christians across the nation will seek solace Sunday in their churches as they observe the Resurrection in Easter services. Here, acolytes Sondra Jones (left) and Lynn Hilburn light the

altar candles in Dimmitt's First Methodist Church. In the background, the sign of the cross shows in the church's new stained glass windows. Also apparent are the church's new teakwood beams and paneling, part of an extensive remodeling program.

College Steering Group To Be Elected Tuesday

Five Castro County residents will be elected Tuesday night to represent the county on a 20-man junior college steering committee.

IKE MOORE, chairman of the Chamber of Commerce education committee, has called the public meeting for 7:30 p.m. Tuesday in the Dimmitt High School auditorium.

Formation of the steering committee grew out of a meeting last Thursday night in Hereford, at which representatives of Castro, Deaf Smith, Parmer and Oldham Counties took the first step toward a future junior college to serve the four-county area.

The four counties have been grouped as "Junior College Region 5" by the state coordinating board.

LAST Thursday night's meeting drew a crowd of 71 persons to hear Dr. Robert Clinton, assistant commissioner of the Texas Coordinating Board for Higher Education, outline the requirements and procedures for getting a junior college.

Dr. Clinton said a University of Texas computer has already projected that this four-county region will have a potential of 1,155 junior college students by 1971, well over the 1,000-student "magic figure."

AND HE added that the four counties are rapidly approaching

the desirable valuation figure of \$75 million.

Dr. Clinton explained that the college would be set up to provide three functions—liberal arts education, vocational and occupational training, and continuing education for adults. The vocational and adult education programs can be tailored to the community's needs, he said.

Through the state's new "core curriculum" concept, he explained, students can transfer their liberal arts credits from a public junior college to any public senior college in Texas.

HE SAID the junior college would probably require a bond issue of \$3½ to \$4 million, the purchase of 100 to 150 acres for a

campus, and a tax rate of "not more than 25 cents at the start."

The state pays approximately two-thirds of the instructors' salaries, he said.

Each county group at last Thursday night's meeting elected a chairman of call for the election of a steering committee members. Each county will have five members on the committee.

"THIS committee will not establish the college," Dr. Clinton explained. "The committee will make an intensive study to see whether a junior college in this region is justified. If its findings favor a junior college, then the committee will fence the district."

Future steps include petitioning by the four counties for a junior college, and the election of a seven-man board of regents. After elected, the regents will determine the site of the new junior college.

Need to Cast Absentee Vote?

Absentee balloting for the May 4 primary elections will begin Monday.

COUNTY Clerk Zonell Maples said voters needing to cast absentee ballots may pick up application forms at her office in the courthouse.

She added that servicemen should fill out special military voting applications and mail them to her office, and ballots will be mailed to them.

To cast an absentee ballot, a voter must sign or authorize an application form, telling why he will not be able to appear at the polls on election day.

Friends Keep Station Open

Homer "Zeke" Hyatt is learning that a friend indeed is a guy who will keep your service station open for you.

HYATT, owner of the Hyatt 66 Service Station at 122 S. Broadway, underwent lung surgery recently and is still undergoing treatments three times a week in Amarillo.

Being unable to work, he faced a real problem—how was he going to keep his service station going?

BUT volunteer friends are solving it for him. They're showing up on their own time to pump gas, clean windshields and keep his station open for him.

Co-ops Postpone 'Deadline' Meets

The county's two new irrigation gas cooperatives have postponed their "deadline meetings" from April 15 to April 22 to avoid a conflict with the Easter holidays.

NORTH Gas Cooperative Society and Central Gas Cooperative Society originally had set their April 15 meetings as the deadline for local irrigation gas farmers to petition for membership in either. So the petitioning deadline is also a week later now.

Both meetings will be in the assembly room of the courthouse at 8 p.m. April 22.

FIRST VOTER OF '68 — E. M. Dowse, 623 N.W. Seventh St., casts his ballot at Dimmitt Junior High School to become Castro County's first voter of the big election year Saturday morning. He took out a ballot for the Dimmitt School Board election at 8 o'clock sharp — before the voting pencils had been sharpened. Dowse voted in three elections Saturday and will have the opportunity to cast at least three more ballots this year — the May primary, the June runoff and the November general election.

Light Voter Turnout Generates Surprises

Voter turnout was light in Dimmitt and Nazareth and fairly heavy at Hart Saturday as county voters cast ballots in the first election day of 1968.

ELECTED were school trustees for the Dimmitt, Hart and Nazareth districts, county school board members, hospital board members and Dimmitt city commissioners.

Only 801 of the county's 3,881 registered voters showed up at the polls Saturday—a 20 percent turnout. The total vote by city was Dimmitt 361, Hart 304 and Nazareth 136.

But the elections still produced their surprises—especially at Hart, where voters re-elected a school trustee whose name wasn't on the ballot.

INCUMBENT Trustee B. E. Bennett, who had not filed for re-election, was returned to the Hart School Board with a write-in campaign.

With two posts open and three candidates on the ballot, David Nelson was the only announced candidate to win a seat on the Hart School Board. The other announced candidates were Bill Hill and Joe Bailey.

Nelson led the ticket with 202 votes, followed by Bennett with 117 write-in votes. Hill was third with 107, and Theron Morrison

received 89 write-in votes to poll fourth. Bailey trailed with 70 votes.

DIMMITT'S voting strength proved to be the difference in the hospital trustee election as a pair of Dimmitt men won the two available seats over two Nazareth candidates.

Elected to the hospital board were Donald Wright with 459 votes and James Horton with 389. Leonard Schulte received 312 and Jerry Wilhelm 278 in their unsuccessful bids.

HERE'S the breakdown of the hospital voted by polling places: Dimmitt — Wright 267, Horton 238, Wilhelm 92, Schulte 79.

Hart — Wright 148, Schulte 125, Horton 122, Wilhelm 103.

Nazareth — Schulte 108, Wilhelm 83, Wright 44, Horton 29.

Wright and Horton will succeed N. F. Cleavinger of Dimmitt and Tony Acker of Nazareth on the hospital board.

DIMMITT School District voters favored two challengers over two incumbents and returned one other incumbent to the school board.

Elected to the Dimmitt School Board were incumbent John Merritt, who led the ticket with 211 votes, and newcomers Melvin Barton with 200 and Clyde Damon with 180.

Incumbents Jim Golding and Carrol F. Webb received 167 and 155 votes respectively, while the sixth candidate, Cliff Cook, got 148 votes.

LUKE ACKER was unsuccessful in his bid for the Nazareth School Board as voters returned incumbents George Book and Ed Ramaeaker. The vote was 125 for Ramaeaker, 80 for Book and 63 for Acker.

In an uncontested race, Houston Lust and Percy Hart were elected to the county school board.

ONLY 122 Dimmitt voters made the side trip to city hall to vote in the city commission election. Noel Gollehon and Commissioner Troy Kirby were unopposed for the two available seats, with Kirby receiving 117 votes and Gollehon 109. Ben Hill and Maurice Campbell got three write-in votes apiece.

Saturday's election day was just a curtain-raiser for 1968, which will also feature party primaries May 4, party runoffs in June and the big general election in November.

'Miss Dimmitt' Entries Open

Girls, it's time to sign up for the Miss Dimmitt pageant.

All Castro County girls 15 to 20 are eligible to compete in the beauty-talent contest, sponsored by the Dimmitt Jaycees.

THE PAGEANT will be held Saturday night, May 4, in Dimmitt High School auditorium. Contestants will compete in formal, sports wear, talent acts and interviews.

The winner will succeed Poppy Byrnes, current Miss Dimmitt, and will be entered by the Jaycees in other beauty and talent contests in the Texas-New Mexico area during the year. She will also represent Dimmitt at various public functions and will serve as the city's good-will hostess.

Bob Bingham, chairman of the pageant, said girls wanting entry blanks should contact him at the Family Mart, 647-3128, or any other Jaycee member.

Pupils to Get Extra Holiday

Dimmitt's students have two holidays coming up.

THEY'LL have Friday and Monday off for the Easter holidays, then will get a four-day vacation when the Bobcat Band makes its trip to San Antonio later in the month.

Reason for the "band holiday," Supt. Paul Hilburn said, is that the band constitutes approximately 30 percent of the high school student body. Another 10 percent of the student enrollment will probably make the San Antonio trip, he estimated.

SCHOOL WILL dismiss after classes Monday, April 22, and won't resume until Monday morning, April 29. The extra days will be added onto the end of the school calendar, Hilburn said.

The band is to perform at San Antonio's annual Battle of Flowers Parade and give two concerts at HemisFair '68.

TRIBUTE — The flag at Dimmitt's post office flew at half mast Friday through Tuesday after the assassination of Nobel Peace Prize winner Dr. Martin Luther King Jr. in Memphis, Tenn. Although President Johnson's flag-lowering order included only federal government buildings, county officials followed suit and lowered the courthouse flag to half mast Monday.

Pony League Meeting Called

A Pony League meeting has been called for tonight (Thursday) at 8 o'clock in Sally's Steak House. League President Dr. David Bechtel urged all parents and interested persons to attend.

AMY TAYLOR, WITH AWARD-WINNING DISPLAY ... White mice's ears couldn't take the Beach Boys

Teen Music Deafens Mice, Display Shows

AMY TAYLOR, 11-year-old fifth grader at North Grade School in Dimmitt, captured first place in the elementary medicine and health division of the Panhandle Science Fair in Amarillo Friday. SHE DID IT by proving something that scientists and parents have been suspecting—that the current loud "pop music" is hard on the ears.

In fact, six white mice she used in her experiments are now manifestly deaf after being subjected to 45 hours of pop guitar, drums and vocals.

AMY IS the daughter of Mr. and Mrs. Steve Taylor, 715 W. Lee St.

The Panhandle Science Fair featured competition between the top young experimenters from throughout the Texas Panhandle, with hundreds of elementary, junior high and high school students entered. Amy was Dimmitt's only winner.

HER DISPLAY was entitled, "Does Loud Music Affect Hearing?" Here, in her own words, is how she did it:

"This experiment took 11 mice—six experimental mice and five control mice.

"The experimental mice were put into a playhouse 8 by 10 feet, with the door and window closed. The control mice were kept in the house.

"I PLAYED three pop records: one by Petula Clark, one by the Beach Boys, and one by Herman's Hermits. I played the records about 4 1/2 hours on weekdays and about 6 1/2 hours on weekends for a total of 45 hours. My record player was turned up as high as it would go. The caged mice were placed by the record player.

"The first two days the music played, the experimental mice acted nervous. The third day, four of them huddled in the corner, and two mice got sick and died. The sixth, seventh and eighth days, it didn't bother them.

"EVER SINCE I started the music, the experimental mice ate twice as much as the control mice. The experimental mice are deaf. Every time I tested with a sound (whistle), the control mice jumped and acted frightened, but the experimental mice didn't hear it.

"When I played the music loudly to both groups, the control mice acted scared and nervous, but the experimental mice didn't."

Amy conducted her experiment under the guidance of her fifth grade teacher, Mrs. Bob Farrer, and with the cooperation of her parents—and probably of the neighbors.

ALTHOUGH the jolting pop music stopped the mice's hearing, that seems to be all it stopped. Amy reports that since her experiment began, her 11 original mice have grown to a colony of 47.

'How Can I Be a Friend Of the Public Library?'

By HAZEL MERRITT

You can be a "Friend of the Library" by becoming a member of a local "Friends of the Library" organization, which will be formed in Castro County soon.

THE PURPOSE of "Friends" vary, depending on community needs. In Castro County, there are many things you can do as a citizen and member of "Friends."

You can encourage the expanded use of the library—city wide and county wide. You can promote the growth of the library, increase the number of books available for loan to all ages, increase the variety of books and materials for research, promote the expansion of hours the library is open to users, encourage people in need of unavailable materials to request a loan of such materials from the Major Resource Center, and contribute funds toward these objectives.

WHO IS eligible to join "Friends"? Anyone interested in promoting

the library is eligible. Dues are usually \$1, and sometimes more. It is desirable to have all community organizations represented at an organizational meeting.

In this connection it is often asked, "Why, with all the existing organizations, is it necessary to form a new one?"

The library is tax-supported and free to every citizen of the county, while most organizations have special requirements and limited

membership. So to represent Castro County completely in the "Friends" organization, everyone must be eligible for membership.

WOULD you consider becoming a member of a "Friends of the Library" organization?

Be watching for the special announcement of the time and place for the meeting to organize "Friends of the Library."

Your library really needs Friends!

THE SON OF GOD

By Ronnie Parker

Jesus let those who heard Him know about His relationship with God. He taught that to know Him was to know God. In John 14:8 Philip said, "Lord, show us the Father, and it sufficeth us. Jesus saith unto him, Have I been so long time with you, and dost thou not know me, Phillip? he that hath seen me hath seen the Father." In Mark 9:37 Jesus claimed: "whosoever receiveth me, receiveth not me, but him that sent me." To hate Christ was to hate God. John records the words of Christ, "He that hateth me hateth my Father also" (Jn. 15:23). Jesus also said, "He that honoreth not the Son honoreth not the Father that sent him." (Jn. 5:23).

Jesus could make such claims because He was the Son of God. He and the Father were one. Simon Peter once confessed, "Thou art the Christ, the Son of the live God," and Jesus replied, "Blessed art thou, Simon Bar-Jonah: for flesh and blood hath not revealed it unto thee, but my Father who is in heaven" (Matt. 16:16-17). The proof of the Sonship of Christ was His resurrection from the dead. The spiritual life that God will give comes to us only in Jesus Christ. Salvation from sin is offered only in Christ. He is the one way to God. We must believe! Christ says, "I am the resurrection, and the life; he that believeth on me, though he die, yet shall he live" (Jn. 8:51).

The fulfillment of God's word...

In the Old Testament Our Lord's birth, death, and also His resurrection were foretold. These events were proclaimed and written about long before Jesus came to earth. God saw that these prophecies were fulfilled — that these things were accomplished. Hosea 6:2 prophecies Christ rising from the dead. The scriptures say that Jesus is now alive, that He sits on the right hand of God and intercedes for us, and that as He rose from the grave, we, who are in Christ, will rise also. On this commemorating Easter let us all be in God's house to rejoice in this promise.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Local Planning Is Key To Successful Program

By IRENE KEATING
Last week was quite busy. We had a district meeting in Canyon Tuesday and Wednesday. One day the home demonstration agents told of different programs in their counties that were quite successful. It gave me some good ideas of how to implement programs in our county.
THE KEY to successful programs is to let local people plan them to meet local needs. This is

the purpose of our County Program Building Committee. There are various sub-committees of this committee. The Family Living Committee, Crops, and Livestock Committees are several of these sub-committees.
Anyone in the county who is interested in county programs in any area of home economics or agriculture is asked to let us know of your needs. The only way programs can really meet

the needs of our county citizens is for all of you to let your needs be known.
THURSDAY, eight women attended the District I THDA meeting in Spearman. Dr. Willa Vaughn Tinsley, dean of home economics at Texas Tech, was the main speaker. She gave a very interesting talk illustrated with magazine covers. She said that women are accountable for what they are doing in their homes,

churches, community, etc. We should do things that we can be proud of and that will help others as well as ourselves.
4-H county method demonstrations are coming up April 20. We hope to have good participation. This is the first time in several years that some of the participants will have competition in the county contest. Therefore, they'll have to work extra hard. Those who win in the county contest will get to go to the District Contest in Canyon April 27.

PRICES for the Fiesta Island rides at HemisFair, which include many attractions available in this country for the first time, range from 25 to 50 cents.

THE famous Ballet Folklorico de Mexico will appear 16 times at HemisFair from May 5 to 18.

enterprise that deals with water, and the total number is almost overwhelming.

(2) It is estimated that 70 percent of the nation's people now live on one percent of the land. A growing percentage of the congressional and state legislative members represent urban areas. With the population expected to double in the next 35 years, this trend can be expected to continue. This vote factor involved is a major problem; and the rural vote is being depleted as much as our water supplies.

(3) WE ARE faced, in the years ahead, with growing competition for dollars — between programs that create new wealth, new dollars and new opportunities; and, on the other hand, those programs which are a burden on the national economy that depend upon the production from natural resource values.

Currently, the nation is spending about \$2.1 billion a year on water problems of all kinds, of which about \$1 billion is for research and the rest for engineering. This contrasts to the more than \$25 billion spent for welfare, \$80 billion for urban renewal and the \$50 billion for space programs.

(4) COMPETING and divisive groups and/or individuals who are slow to reconcile their differences and subordinate their ambitions for the common good of the area. In some major water projects here in the Southwest, selfish interests have long delayed completion of such projects.

These are only four of the many reasons why Water, Inc., is needed. These roadblocks and others can be overcome. But it will take time, money, patience and understanding.

Couple Surprised On Anniversary

Mr. and Mrs. Bud Griffin were given a 27th anniversary party by their friends recently in the VFW post home.

THE PARTY was a surprise to Mrs. Griffin, who thought she and her husband were en route to Amarillo for an anniversary dinner when they stopped by the VFW post home.

Friends greeted them by singing "Happy Anniversary," and provided them with a party that included food furnished by friends, a cake provided by Mr. and Mrs. Hugh Griffin of Amarillo, organ music by Mrs. Lily Marie Howard, and a table of gifts and money tree.

Night WMS Hears Mission Program

Members of the night WMS of the First Baptist Church met in the home of Mrs. Norris Wesson last week and heard a program on "Help Wanted," presented by Mrs. Elzie Teague.

"THE FOREIGN Mission Board has more than 80 missionary associates who are employed for different tasks to meet needs that cannot be filled by career missionaries," Mrs. Teague said.

Outlining the work being done by several missionary associates were Mrs. Mary Lou Frazier, Mrs. Raymond Hance, Mrs. Sam Maynard, Mrs. Faye Kenmore, Mrs. Bill Bunch and Mrs. Irene Carpenter.

After the program, members discussed proposed changes in the society's work for the coming year.

Land-Reagan Vows Recited in Lubbock

In a formal wedding Friday evening in College Avenue Baptist Church in Lubbock, Miss Linda Land became the bride of John Edwin Reagan.

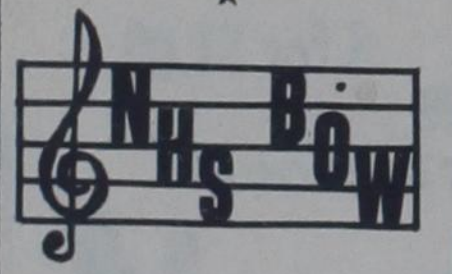

THE BRIDE is the daughter of Mr. and Mrs. Charles N. Land of Dimmitt. Reagan is the son of Mr. and Mrs. George L. Reagan of Abernathy. Both are students at Texas Tech.

Rev. James A. McGinlay officiated at the double ring ceremony before an altar decorated with gladioli.

Maid of honor was Carolyn Tucker of Pampa, the bride's room-

Sharon Hochstein

The Nazareth Swift Bandsman of the Week is Sharon Hochstein, senior woodwinds player and head twirler of the band.

SHARON, 17-year-old daughter of Mr. and Mrs. William C. Hochstein Jr., played clarinet seven years, and this year switched directly to the bassoon, playing first chair.

During football season, she led the Swift Band as head twirler. In addition to being in the band, Sharon was an all-district basketball guard this year and also is active in volleyball and tennis.

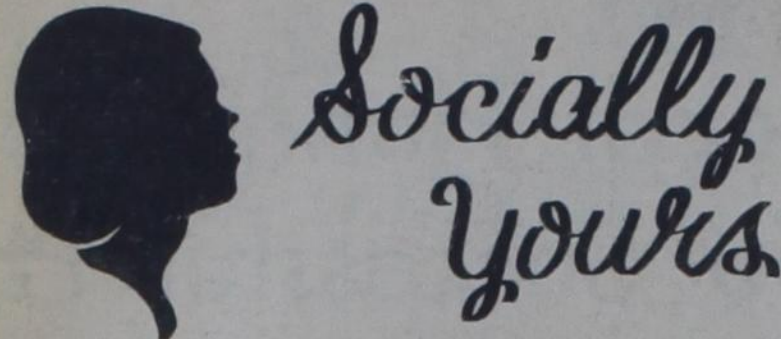

A STRAIGHT-A student, she is also the senior class treasurer, is past president of the Future Homemakers of America, was chosen Gold Star 4-H Girl of 1966, and was a delegate to Girls State in 1967.

Her favorite activities are sports and dancing, and her favorite subject is English literature.

She plans to attend West Texas State University after graduating from NHS, and is planning to study home economics.

St. Ann Society Meets at Bank

St. Ann's Society met Wednesday night of last week in the First State Bank community room.

LADIES who had attended the deacony meeting of the Diocesan Council of Catholic Women in Nazareth reported on the meeting.

On March 31, members of the society gave the Roger Schillings a house-warming in their new home three miles north of Dimmitt, giving them an electric bean pot as a house gift. Also, the society has purchased Easter lilies to decorate the church altar Sunday.

Shower Honors Darlene Sexton

Darlene Sexton, bride-elect of Roy Crofford, was honored with a bridal shower Saturday in the home of Mrs. Howard Cook.

Hostesses were Edna Follis, Mrs. Harold Bischoff, Elaine Cook, De Ann McGowan and Mrs. Cook.

Nazareth

Church Conducts Holy Week Vigil

By Mrs. Florance Albracht
Palm Sunday was celebrated in Holy Family Church Sunday with the blessing of the palms and outdoor procession, with singing of the Psalms.

During the mass which followed, five of the acolytes read the Passion of our Lord.

Holy Week Services will include Mass at 8 p.m. on Holy Thursday, followed by adoration until midnight. Good Friday services will be at 3 p.m. Holy Saturday vigil services will begin at 11 p.m. and the climax will be the celebration of holy mass at midnight, the celebration of the Resurrection. Easter morning masses will be at 8 and 10 o'clock.

★ **THE KNIGHTS of Columbus** sponsored the showing of slides of the Holy Land by Tony Steier which he took during his stay there. Not many attended but the slides and talk were very appropriate for Holy Week and were very interesting and informative.

Greg Pohlmeier, son of Mr. and Mrs. Philip Pohlmeier, returned home from Vietnam the past week. He served over there a year in the Fourth Infantry. He has a 45-day leave and then will report to Fort Ord, Calif.

★ **KAREN MARIE,** daughter of Mr. and Mrs. Jim Ball, was baptized in St. Ann's Church in Bovina Sunday. Sponsors were Mr. and Mrs. Ralph Shirley. The Balls moved from here to Bovina several months ago.

Mrs. Chris Birkenfeld spent the past week visiting in Fort Worth. Clarence Birkenfeld attended a ginners' convention in Fort Worth the past week.

★ **BAPTIZED in Holy Family Church** Friday by Rev. Father Reichel was Annette Marie, daughter of Mr. and Mrs. Dan Schmucker. Sponsors were Mr. and Mrs. David Schulte.

Mrs. Helen Backus, Mrs. Joan Backus, Mrs. Francis Backus and Mrs. Arnold Huseman visited their aunt, Mrs. Annie Hilvers and family Tuesday in Clovis, N.M.

Mike Lake, candidate, and Florance Albracht, navigator of the Nazareth Fourth Degree Assembly of the Knights of Columbus, went to the Exemplification of the Degrees at St. Mary's Church and Hall Sunday. Mass was celebrated by Most Rev. Bishop DeFalco at 2 o'clock in St. Mary's Church, followed by the degrees and a banquet at 8 o'clock in the KC Hall on Western Avenue.

Math Albracht of Amarillo and Pete Deiderich of Orange, Calif., visited here Sunday afternoon.

Beth Pohlmeier, student technician at the Plainview Hospital, spent several days at home with her family, the Philip Pohlmeiers. Her brother, Greg, just returned from Vietnam. Beth will take her state board exams in May.

The Philip Pohlmeiers had dinner Sunday for all their family, Mrs. Lizzie Birkenfeld and Marcella, Mrs. Max Acker and the Charles Heck Jr. family.

Mr. and Mrs. August Huseman had their annual Palm Sunday dinner for her family, the Annens. Enjoying the dinner were Mr. and Mrs. Raymond Annen and Claude. Mr. and Mrs. Tom Annen and Mr. and Mrs. Frank Annen of Hereford.

On Sunday evening Mrs. Raymond Annen had a birthday party for her husband on his 60th birthday. Enjoying the evening playing cards and visiting were Mr. and Mrs. Philip Huseman, Mr. and Mrs. Alfred Schacher, Mr. and Mrs. Ed Drerup and Mr. and Mrs. Tom Annen.

CAMP FIRE GIRLS, Blue Birds and their fathers enjoy a box supper Friday night at the girls' annual father-daughter banquet in North Grade School cafeteria. To make sure each would have an adult male escort, some of the girls recruited older brothers, uncles and family friends. More than 400 attended. Ronnie Parker served as master of ceremonies, and group leaders and volunteer mothers waited tables. Each group presented either a skit or a song during the banquet.

200 Camp Fire Girls Host Dads at Banquet

By MYRTLE SHEFFY
The Camp Fire Girls' father-daughter box supper was a big success Friday evening. More than 200 girls from 8 to 16 were hostesses to their fathers at this banquet at South Grade School Cafeteria. There were 18 different groups of girls. Mother leaders and the Camp Fire Board members were guests. The girls presented a program of skits and songs. The girls all wore uniforms and their dads were all dressed up.

★
MRS. LEE STANFORD, Mrs. Weldon McCormick, and Mrs. Fowler Bovina attended a district luncheon at the Methodist parsonage recently at Plainview. All of the Methodist ministers' wives of this area were there. Mrs. McCormick is president. Their speaker was Carol Dawson, an interior decorator from Lubbock. She told how to personalize an already furnished parsonage with accessories.

Vera Webb, Shirley Wise and Ina Cleavinger attended the annual WSCS meeting at Midland recently. The main theme was the unification of the Methodist and United Brethren Churches, and the changes in government of the church.

★
Pvt. Glen O. Bradley of Fort Bliss, El Paso, who will leave soon for Vietnam, is here for a visit with his mother, Jettie and Ray Sheffy. Their daughters and families, Mrs. Flo Montgomery of Mount Vernon and Mr. and Mrs. Jim Gregg of Levelland; Jettie's sister, Mrs. Velma Smith of Amarillo, and a brother, E. E. Shaw, were here to visit, also. Sunday dinner guests were Ray's mother, Pearl Sheffy, and Mr. and Mrs. John Merritt and children.

★
MONA AND Glen Merritt were Sunday dinner hosts to a group of friends. Some were schoolmates of Mona. They were Mr. and Mrs. L. B. Garvin and Mr. and Mrs. Wayne Hamilton of Silverton, Mr. and Mrs. Jack Sutton of Silverton, Mr. and Mrs. Claude Welch, Mr. and Mrs. Herb Mayfield, and all those children made 27 people. Herb and Jack and Mrs. Garvin have always made music — violin, electric guitar, piano and singing — and they played Sunday. Sounds like good times.

Shorty Mooney is home after staying a few days in an Amarillo hospital. Zeke Hyatt is up and about also.

Gerald Broadstreet is home from a tour of duty in Vietnam. He was making the mail-carrying route with Jim Slough. Ger-

ald is the son of Mr. and Mrs. E. H. Broadstreet.

Mr. and Mrs. J. Lee McAfee of Amarillo and their girls, Becky and Jackie, were Sunday guests of his parents, Belle and Lee McAfee.

★
CONNIE AND Gene Ivey are in California this week visiting their daughter Laurel and her family. Glenda Rickard is keeping the insurance office while they are away.

★
Jeannine Wimberley was soloist at the wedding of Linda Land in Lubbock Friday evening. Linda is the daughter of Mr. and Mrs. Charles Land. Jeannine left for Carthage early Saturday morning to visit her parents, the Roy Iveys. Roy is very ill in the hospital there.

★
Mr. and Mrs. Wes Anthony have been spending a few weeks at their ranch near Clayton, N.M.

★
MR. AND MRS. Norman Cleavinger are home from a three-week stay in Phoenix, Ariz. They watched the spring baseball practices and visited with Margaret Axtell and Cleo Shellabarger.

★
Virginia Gilbreath was hostess at a luncheon with bridge later at the Hereford Country Club Thursday. Her guests were Edith Ramey, Ceal Carlile, Edna Riley, Katy Burkett, Pearl Sheffy, Maxine Tidwell, Jeanne Miller and Margaret Wilson.

★
And another nice party was at Mrs. Joe Benson's home Friday afternoon. She served sandwiches and that good cherry pie and ice tea to Mrs. Joe Butler, Mrs. G. L. Willis, Mrs. Bud Giles, Mrs. C. W. Morris, Mrs. Jay Lee Touchstone, Mrs. Sid Sheffy, Mrs. Dorit Smiley and Mrs. J. M. Wright.

★
The "42" tournament at the Recreation Club Friday and Saturday was much fun, and it was decided to have another party Friday evening May 17. The bridge party will be Friday night, April 26, at 7:30 p.m. Do go.

★
Everett and Kay Wilkinson went to Groom Sunday to visit his father, Monty Wilkinson.

★
Francis and Ivey Jackson are staying a few days at Hot Springs, N.M.

★
Mr. and Mrs. Cecil Ginn visited her sister in Dalhart.

★
Sid and I and Polly Bell were Sunday dinner guests of Don and Karen Sheffy in Canyon. We went to see the art and sculpture of Estelle Duncan, which was being shown at the WTSU Fine Arts Building. Quite good work, we think. We went to church at Canyon — in time for the benediction.

★
The members of the Hereford Country Club, mostly Dimmitt folks, had fun at the big dress-up

party there Saturday night. Food, music and dancing — and much conversation were enjoyed.

★
I have just heard that Tom Miller went to Florida for the sebring races. He is much interested in car racing as a spectator.

★
Lt. Col. Garnett Holland, his wife Polly, and their little daughter, Vanessa, of Omaha, Neb., have been here a few days visiting his brother and sister-in-law, Soapy and Velma Holland, and his mother, Faye Holland, who is recuperating from a broken pelvis bone.

★
MRS. DOROTHY NEWTON was the "birthday girl" at a musical party at the home of Bob and Joy Baker Thursday evening. All 25 guests enjoyed coffee and cake. Dorothy's husband, Buford, plays the guitar, Walker Floyd the violin and Billy Kirby the piano. I hear they make good music.

★
Then on Tuesday, Joy Baker and Nell Proffitt had lunch and attended a cosmetic school at Holiday Inn in Amarillo. Now they can fix us up pretty.

★
The Bakers went to Clovis Sunday to visit Bob's Granddad Green, who is in the hospital. Edwin Cartwright, son of Sheriff Jack and Betty Cartwright, was surprised when his aunts and uncles from Amarillo, came down and brought him a birthday dinner of Chinese food. They were Betty's sisters-in-law, Ruth, Margaret Mary Miller, a brother, Bob, and Grandmother, Addie Miller.

★
MR. AND MRS. Cecil DuLaney of Shallowater were weekend guests of their son Bob, and grandson Brad.

★
Ann and Truman Touchstone are back in their newly decorated house. They lived a month at Country Arms Apartments while the hammering and painting were going on.

★
Mr. and Mrs. Claude Johnson were Sunday guests of Mr. and Mrs. C. G. Ballard at Flag.

★
Mr. and Mrs. Freddie Cook visited his parents, Mr. and Mrs. Sam Cook in Fort Worth this week. Freddie is with Piggly-Wiggly.

★
MIKE BAILEY leaves for Fort Bliss, Thursday. He is the son of Wynona and David Bailey, and recently married Pam Buchanan.

★
The college kids are in for Easter holidays. I saw Keith Ann

Howard, a music major at UT Austin. I talked to Linda Davis, who also attends UT. She leaves this week for Fort Worth to go apartment-hunting. She has a summer internship with the Fort Worth Star Telegram.

★
Kent Hance, law student at UT, is flying to San Francisco to visit with a law firm he may join. His wife, Carol, and their son will come home for a visit with her parents, Charlie and Nancy Hays, and the Raymond Hances. Kent will come back here before going home to Austin.

★
JACK AND Shelby Rogers and children moved to Boulder, Colo., Monday. They want a college town. Jack has been with the

Taylor-Harrison Agency for a long time. Shelby has taught a kindergarten for a few years.

★
Mr. and Mrs. V. A. Hall of Friona moved recently to Golden Spread Nursing Home. Mrs. Hall fell and broke a wrist and her hip and has been in an Amarillo hospital. Mr. Hall is an uncle of Murray Hall.

★
I RECEIVED this letter from Monette Ray of Gunnison, Colo., wife of Rev. George Ray and daughter of Mrs. Faye Kenmore: "Dear Mrs. Sheffy: "Just a line about some Dimmitt folks you might enjoy. "Fawayne Murphy (son of Mrs. O'a Murphy and brother of Dr. B. D. Murphy) sang here with

the New York Sextet, an operatic group under the direction of Edmund Karlsruh, this week at Western State College, and we attended.

★
"I just sat there and swelled with pride over our Dimmitt talent. Afterwards, George and I entertained in our home. Jerome Mann of New York and James de Groat of Vienna, Austria, were also our guests.

★
"Fawayne and I had a lot of fun discussing happenings from the Castro County News. Do enjoy your column!"

Who Needs Help? Asks Chairman Of Easter Seals

"Do you know a handicapped person who needs help and isn't getting it?" is the question being asked by Mrs. Walter Maynard, who is Castro County's Easter Seal Representative and the person to contact for services from the Easter Seal Society for Crippled Children and Adults of Texas.

★
The EASTER Seal Society offers rehabilitation services to help disabled persons and their families to find and make the most effective use of resources which will be helpful to them in developing their abilities and living more purposeful lives, Mrs. Maynard said.

★
This is accomplished through direct treatments, services, education, research and cooperative efforts with all other health agencies — private, state and federal. The Easter Seal Society does not duplicate services, but strives to fill all unmet needs of the disabled, Mrs. Maynard said.

★
The Easter Seal Society is now carrying out its 38th annual Easter Seal Appeal to finance a program of rehabilitation services for crippled children and adults. The Texas Easter Seal Society helps support 21 treatment facilities where children and adults are treated, regardless of ability to pay. Physical therapy and speech and hearing programs are offered to help the disabled make their lives fuller, despite their handicaps.

★
MRS. MAYNARD urged Castro County residents to increase their support of the Texas Easter Seal Society and its program of services to the crippled children and adults.

★
She added that anyone who could benefit from rehabilitation services should contact her at First State Bank in Dimmitt to request services from the Easter Seal Society.

ZIPPERED SLEEPING BAGS
 When night comes most hunters like to bed-down in their sleeping bags, near the campfire for added warmth. This can be dangerous if yours is the zippered type. Sparks can ignite a sleeping bag, and when this happens you must get out in a hurry. Zippered bags are prone to stick in an emergency. Snap-fasteners are more reliable.

Family Mart Owners Schedule Tenth Anniversary Celebration

The owners of Family Mart, Inc., of Dimmitt, will celebrate their 10th year in business here with a 10-day anniversary sale and observance today through April 20.

The celebration will include a storewide sale, demonstrations of home appliances, and free treats for store visitors.

A SPECIAL hostess at the store today and Friday will be Kathy McCarty, Southwestern Public Service Co. home service advisor from Clovis. She will bake "Reddy Kilowatt Cookies" and other treats in a General Electric self-cleaning oven, and will serve frozen snack treats from a GE freezer. She will also give tips on how to get the best use from home appliances. She will also be at the store April 20.

David Harpole, owner of Family Mart, started business in Dimmitt in April 1958 with a home and auto store. He later changed the store to Family Mart, concentrating on home furnishings, appliances and electronics.

MANAGER of the Dimmitt store is Bob Bingham. Other staff members are Mrs. Dolores Allison, bookkeeper; Jerry Warren and Clayton Graef, salesmen; Bob White, service man; and Jon Pollard, fine home furnishings division manager.

"We've made many special purchases for this sale—especially in home furnishings and appliances," Bingham said, "and we intend to make the anniversary a memorable one."

ACADEMY Award winner Francis Thompson produced the movie featured in the Confluence Theatre of the \$6.75 million US Pavilion at HemisFair '68.

Lollipopers See Dairy Farm

Pupils in the Lollipop School kindergarten toured the Simpson Dairy Tuesday morning, where they saw cows being milked, baby lambs, pigs and baby chickens. They were chaperoned by their teachers, Mrs. Marilyn Carver and Mrs. Beth Jones, and by several of the class mothers.

REQUESTS for hotel reservations at HemisFair '68 should be addressed to Visitor Services, Inc., PO Drawer H, San Antonio, Texas, 78206.

'Parks' Highway Extends Now to Muzquiz, Mexico

(Editor's Note: As president of the Texas Highway 385 Association, Ray Pool of Dimmitt recently helped organize another "safari" into Mexico for a meeting of International Parks Highway boosters at Muzquiz. Accompanying him on the caravan tour were Harley Dodd of Dimmitt, who provided a vehicle, and Guy Lawrence of Hereford. Here is Pool's report of the international highway's progress beyond the Big Bend area.)

At 7 a.m. March 28, Guy Lawrence from Hereford, Harley Dodd and I left Dimmitt in Harley's camper. At 12:15 p.m. we picked up Ray Fiddler of South Dakota at the Midland Airport, then we went to Tubbs Grocery 15 miles west of Crane, where we met Harley Rhodes, who drove down from Burlington, Colo.

HERE WE began forming our caravan with several Crane residents joining us, including a young lady reporter.

We then drove to Fort Stockton and Taylor's Restaurant, where three more campers were waiting, and on to Marathon, then 70 miles to Pancha Junction in the Big Bend Park.

On this road we saw lots of deer and javalina, so we drove very carefully. In this area, when you leave to drive somewhere, they don't say, "Take it easy." They say, "Watch out for deer."

WE THEN drove up the mountains to the Chisos Mountains basin, where there is a motel and concession. We were at an elevation of 6,000 feet, but the temperature was moderate. The motel is very good, and the mountains are beautiful. This basin is an excellent place to stay in the

summer, as the nights are always cool.

One of our pickups lost a clutch pin, so early the next morning we were driving the road hunting the pin—and we found it. By this time all our caravan was completed.

We drove about 15 miles to Boquillas and forded the Rio Grande at 9 a.m. By 11 we were through customs and ready to start.

BOQUILLAS is a very poor town, with a small floorspar mine, a few truck drivers and a few donkeys to carry tourists across the river. We left three boxes of used clothing and a few coins for the young. I bought an arrowhead for a dime.

The just-completed road from Boquillas to Muzquiz is a gravel road bed and can be traveled in a car, but a pickup is preferable because it is higher off the ground. This road is rough, but if traveled slowly, you can travel easily. There is one stretch through a gap in the mountains that has no road bed and is rather rough, but still no problem.

The distance is approximately 150 miles, and we were in Muzquiz at 5:30 p.m. after a stop for lunch and three rest stops.

WE TRAVELED from a dry desert at the Rio Grande, but after we passed through the mountain gap we came out upon a big valley and the first grass. As you gradually approach Muzquiz the trees get bigger, the flowers prettier and the cattle fatter.

At Muzquiz the people were waiting for us at the Rio Sabana ford, with refreshments and barbecue.

Muzquiz is a city of 15,000 with farming, cattle, coal, copper, silver and potash mines and an Army post. The road will open the city for tourists, and it is really a beautiful town, although I'm sure it gets hot in the summer.

THEY'VE just completed a motel there. It has only six rooms, but they're still building. No restaurants are available, so if you go there take some food.

They fed us breakfast at 9:30—roast, Guacamole salad, jalapena pepper, fried beans and rice. Then we went to the Cattlemen's Club for our highway meeting.

After the meeting, we took pictures and had lunch at city park, then we visited a table top factory and their waterfall, which is beautiful. Then we went to the country club for refreshments.

Saturday night we were back at the park for a dinner-dance. Their music consisted of lots of polkas.

THE NEXT morning we had breakfast at the country club, bade farewell to our Mexican friends, and at 11 a.m. we pulled onto Highway 57 and back across the river at Del Rio.

I talked with the highway commissioner while there, and they intend to blacktop this road as it is, then widen and improve it later. This will open up a new area of scenic beauty and provide a direct route through the Big Bend National Park to Monterey.

The people in Muzquiz are admirable and very similar to our people here. They are ambitious, energetic and intelligent, and although the Mexican government tends to be socialistic this is not enough to stagnate their economy because of their fine ambitions.

V.F.W. NEWS

By GEORGE DERRICK
 At our last meeting the following officers were elected for the coming fiscal year:

George Derrick — Post Commander
 Herman Acker — Senior Vice-Commander
 Howard Cook — Junior Vice-Commander

Ed Dowse — Quartermaster
 Ned Smith — Trustee
 Fred Wall — Trustee
 "Red" Hill — Chaplain.

OUR POST, along with other local organizations, will observe "Loyalty Day" May 1. Tentative plans are for a public flag raising on the courthouse lawn; speeches; breakfast, etc. Complete plans will be announced later.

All citizens, private and public, are asked to fly the stars and stripes on that date. Let the world know you are a loyal American.

Passing Thought: Marriage is like the Army; everybody complains — but you'd be surprised at how many "re-enlist!"

New Feature Begins in News

A new feature, "NHS BOW," has started in the News.

The initials, set in a music staff heading, stand for Nazareth High School Bandsman of the Week.

EACH WEEK a member of Nolan W. Froehner's Nazareth Swift Band will be singled out and recognized for outstanding musicianship, conduct and citizenship.

To select the BOW, members of the Swift Band vote weekly to determine the top nominees. Then a committee of band members studies the qualifications of the two top nominees and selects the next BOW.

Parks and Wildlife Dept. Seeks New Game Management Officers

Applications for game management officers, formerly called game wardens, are now being accepted by the Texas Parks and Wildlife Department, according to James D. Archer, personnel director for the department.

DEADLINE for receipt of application in Austin is May 29. Successful applicants will enter the 23rd Game Management Officer Training School to begin in September at Texas A&M.

Applicants must be of good character, between 21 and 40 years of age, in good physical condition, have a high school diploma and stand at least five feet, eight inches tall.

Weight of the applicant must be proportionate to the height—at least two pounds for each inch of height and not more than three pounds per inch of height.

APPLICANTS must have a least 20-40 vision in each eye separately without corrective lenses of any kind. Vision must be correctable to 20-20.

US citizenship and one year's residency in Texas is also required. If selected, the applicant must be willing to accept duty assignment anywhere in the state.

Written and oral examinations will be conducted in San Antonio,

Corpus Christi, La Porte, Tyler, Waco, Dallas, Lubbock and San Angelo.

Further information may be obtained by writing to the Parks and Wildlife Department, John H. Reagan Building, Austin, 78701, or by contacting any regional or district office or game management officer of the department.

NEW! For clean Sorghum... spray weeds when you see them! with BANVEL[®]

Velsicol announces Banvel herbicide for control of all hard-to-kill weeds of major importance in grain sorghum. This includes carelessness (pigweed), sunflower, lambs-quarter, purslane, morning glory and other annual broadleaf weeds. Banvel herbicide is applied post-emergence, so there are no wasted sprays in years when rain is scarce and weeds are not a problem. With Banvel you see your weed problem and then spray—all in plenty of time to give young sorghum plants plenty of opportunity to grow.

Banvel is not dependent on soil moisture for its effectiveness, so its results are dependable. And it's a liquid that won't clog your sprayers; nor does Banvel need constant agitation.

Banvel increases yields. It's excellent for use on grain sorghum, wheat, barley, oats and field corn. Order Banvel herbicide to get full potential from your valuable, high-yielding sorghum seed.

See your dealer today. You'll be glad you did!

Girls Hold Twirp Week

Last week the FHA highlighted the news. This was Twirp Week! FOR ANY of you adult readers who may not understand this term, Twirp Week is a week when the girls call the boys for the dates, provide the transportation, and foot the bill. This often proves to be an interesting

and unusual time. The boys seem to enjoy this as well as the girls. The week, designated as National FHA Week, began Sunday when all the FHA members attended church together at the First Baptist Church.

Monday was Red and White Day, and each FHA girl wore these FHA colors. Any girl who forgot to wear these colors was "awarded" a lovable necklace made of ribbon and a potato.

TUESDAY was Teacher Appreciation Day and the teachers were given a coffee in their honor.

Happenings

Contestants Have a Party

Where was the home of the UIL contestants Friday night? At Jeanie's slumber party, where else?

I hear these 18 girls were run out of the house and had taken refuge next door. There were big happenings outside. Jack had a flat tire, Ronny was playing around in the trees, the girls were rowing boats and the boy girls were learning to boogaloo.

FRIDAY was Poppy's birthday so Steve took her to Amarillo to see a show. Paula and Scott doubled with them and went to Shakesys for a pizza.

Saturday night the Minor Details played at Friona and took a large hunk out of the people who are usually downtown. Everyone had a good time. Back in Dimmitt the ole usual was going on NOTHING!!

Sheri Rogers slumber party brought on some excitement for the fish. Sunday night everyone flipped to the Carlie to see a fairly choice movie.

BAND CONTEST was held in Dimmitt Wednesday and Thursday. Dimmitt Bobcat Band made a first, yes, the first time we have made a II in six years.

There is one thing unusual about last week, all the boys were driving the girl's cars and the girls were footing the bills. Last week has long been awaited by the boys and some of the girls.

The FHA members taught the classes during the coffee and this small vacation was enjoyed by everyone.

Friday the FHA put on a patriotic assembly for the student body. This was a stirring program of the thoughts of a soldier in Vietnam. This problem is coming closer to us each day and the assembly gave us all something to really think about.

Saturday night topped off the week with a Topsy-Turvy Dance featuring the Grim Reapers from Portales.

Twirp Week is always an unusual and memorable week and this one was fun for everyone!

Thomas Wins 220 In Meet at Kress

Last Saturday things were popping on the Kress track field. The Dimmitt track team accounted for 26 points, which attributed greatly to the excitement of the day. There were three people who gave reasons for everyone being excited.

FIRST OF ALL, Roy Thomas came up with a first in the 220-yard dash, and a fourth place in the 100-yard dash.

Second, Bobby Mayhew jumped to a second place in the high jump competition.

Next Lester Stidom leaped for a third place in the broad jump.

Things were looking good for the track team going into the district meet at Olton, where the track teams from the seventh grade through high school competed for honors.

WE CANNOT forget our other teams, such as the golf team. The following boys competed in the district golf meet at Olton April 8: Ronnie Prather, John Hays, Randy Tally, Bobby Baker, Jeff Myers, Mark Cleavinger, Jerry Birdwell, Mark Wohlgenuth, David McCoy, Kent Bradford and Skip Skinner.

A GI's Epitaph

By BETSY SIMPSON

Last week, in assembly, the Future Homemakers of America presented a patriotic monologue. It was a very moving and thought-provoking story about the feelings of the men in Vietnam.

THE DESCRIPTION of these feelings made each person in the audience a little bit more aware of how the fighting men react to the news they hear from home and the manner in which they reminisce.

A poem by Spec. 4 Danny S. Young who was caught in Viet Cong crossfire and killed while on patrol sums up the message Sharon Flynt tried to get across with her brilliant interpretation of "A Different America."

"He had the guts to fight and die, cheting, knitting, paper mache, and table appointments. At the present time, the class is studying house plans.

THERE IS a lot to be learned in planning a house, and these girls realize that it's not just a lot of cement and shingles, but imagination and one's personality that make a home beautiful.

By the way, you are invited to visit this class and find out what Home Management teaches.

He paid the price, what did he buy? He bought his life by giving his. Who gives a damn, what a doddler gives?

You 'peace boys' bent from your easy chair, But you don't know what it's like over here. You burn your draft card and march at dawn, Plant your flag on the White House lawn.

Use your drugs and have your fun, And then you refuse to use a gun. There's nothing else for you to do, Yet I'm supposed to die for you. I'll hate you till the day I die. You made me hear by buddy cry, I saw his arm a bloody shred, I heard them say, 'This one's dead'."

THIS ANGRY poem was left as an angry epitaph for a young man who had never expressed his feelings to anyone. His parents said that he never acted like he was bitter but he sent the poem to them approximately five months before his death.

He describes in less than 125 words how most of the troops in Vietnam think. It may be very emphatic but it gets the idea across. Perhaps a few hearts were touched by the moving presentation; somebody should start eating just a little more.

DJHS Students Capture Literary Championship

Dimmitt Junior High School is scholastic League literary events. DJHS students won two of the top three places in ready writing and scored in four other events to win first place in the junior high competition, which was held in Dimmitt recently.

DIMMITT scored 37 points in the competition, followed by Friona and Abertnathy with 29 each. Floydada with 27, Olton with 22, Memphis with 15 and Hale Center with 10. Lockney Junior High did not score.

DJHS almost made a sweep of the ready writing competition as

Nancy Young won first place and Virginia Winchell placed third. Alice Gilchrist of Memphis was second.

Miss Young was Dimmitt's on-

Teen Club Goes 'Topsy Turvy'

There hasn't been much going on this past week in organizations out of school as the FHA has been celebrating National FHA Week.

SATURDAY night the Teen Club gave a dance. This was a Topsy Turvy Dance where the girls asked the boys for dances. This was in keeping with FHA Week. "The Grim Reapers" from Portales started playing at 8:30 p.m. in the community center.

The Teen Club is also holding an end of school dance May 24. They are asking for teachers to help sponsor the dance. Any faculty members that would like to help should get in touch with Anita Cameron.

SORRY the feature on the Ski Retreat never came out. It was because of faulty reporting.

ly first place winner, but local students compiled two second places to increase their point total.

IN SEVENTH and eighth grade spelling, a DJHS team of Doris Strother and Debbie Hansen placed second behind Friona. Hale Center finished third.

And in number sense, Rita Womack of Dimmitt placed second. She was bested only by David Davenport of Abertnathy. Third place went to Dean Brown of Hale Center.

In oral reading, Kimberly Sims placed fifth in the girls' division while Arthur Woolever placed fourth in the boys' competition.

Community Sees Cancer Film

By TEENY BOWDEN
The films, "Man Alive," and "Is Smoking Worth It?" were shown at the community meeting Monday night.

MRS. W. B. HUCKS, chairman of the cancer drive for Springlake, and one of her helpers, Mrs. Ralph Rudd, presented the films, and Mrs. Hucks gave the current statistics for Castro County on the number of cases of cancer, number of cancer deaths in the county in 1967, and the prognosis for 1968.

District 3 South is made up of 18 counties, and Castro County is the only one not participating in the cancer crusade, she said. For this reason the district chairman advised the Lamb County group to go as far north into Castro County as possible.

Mrs. Huck's representatives in the community are Mrs. Lloyd Blanton, Mrs. Cecil Curtis and Mrs. Bill Morgan. Mr. and Mrs. Myers Ogletree of Dimmitt were present at the meeting. Coffee and cookies were served after the films.

MRS. RAYMOND LILLEY was admitted to Plains Memorial Hospital in Dimmitt Monday afternoon for tests. She was dismissed Sunday morning.

A trace of rain was received Monday and again Tuesday with the temperature dipping to 28 Thursday morning and 30 Friday morning.

Mrs. E. R. Sadler and Mrs. L. B. Bowden worked at Plains Memorial Hospital in Dimmitt Monday afternoon.

MR. AND MRS. Roy Phelan went to the Littlefield Hospital Monday when they learned his brother, Paul, of Fieldton had been admitted because of trouble with his back and legs. They spent Monday night with Mrs. Phelan in Fieldton.

Mr. and Mrs. Larry Starnes attended the funeral services in Lubbock Tuesday for Robin Lynn Springer, infant daughter of Mr. and Mrs. David Springer of Dimmitt. Springer was able to go to the funeral, but Mrs. Springer is still hospitalized in Lubbock. Mrs. J. Paul Waggoner kept Denna Starnes Tuesday.

Mrs. Ray Axtell was in Midland last Tuesday and Wednesday to attend the annual meeting of the Northwest Texas Conference Woman's Society of Christian Service. She was a representative of the First Methodist Church in Earth.

MRS. ROY PHELAN was honored by the Birthday Club with a party Tuesday in her home. Those present were Mrs. Cecil Curtis, Mrs. R. V. Bills, Mrs. Irving King, Mrs. J. E. Shirey, Mrs. Ray Axtell, and Mrs. R. E. Duke, and the honoree.

Terry Bridge is a member of the Springlake-Earth Farm Skill Team, which won "Top Team" honors in the contest sponsored by the Bailey, Lamb and Deaf Smith County Electric Co-ops Tuesday afternoon.

Mr. and Mrs. Irving King learned Tuesday morning that they were great grandparents for the first time. A son was born to Mr. and Mrs. Mike King in Spearman Monday night. He was named Michael Irving.

MR. AND MRS. Ezell Sadler visited in Lubbock Wednesday with Mr. and Mrs. David Sadler. Mrs. Pearl Sadler of Dimmitt went with them, then spent the night with them after the Lubbock visit. She spent the day Thursday with Mr. and Mrs. E. R. Sadler and Mr. and Mrs. Gale Sadler. Mrs. Larry Sadler and girls visited with her at the Sadler home Thursday afternoon.

Arney Club Sees 'On the Square'

Arney Community Club members and their guests viewed the film, "On the Square," last Thursday night in the community building.

JOE BROWN of the KGNC Farm and Ranch Department showed the film and commented on it.

"This film of Scandinavia and Russia has been shown to 50,000 people in seven states," he said.

Also present were Mr. Joe Brown and their children. The hostesses, Mmes. Walter

Via, Gwen McFarland and Bruce Fields, served coffee, punch, and doughnuts.

THE CLUB also met for a called business meeting Wednesday afternoon. Mrs. Bruce Fields, president, appointed a nominating committee. Members voted to send the bus fare and invite their "girl" at Girlstown to spend her Easter vacation in the community. A dress will also be purchased for her. Mrs. Fields served cookies and punch.

The Easter Story

The Easter story is ever so simple, but means ever so much. This story tells about living forever, and everybody wants that if the forever life is good. We want our friends and dear ones to be with us in that life.

The events of that first Easter happened like this: A Man whom many people loved and who helped so many by acts of goodness, and who spoke with such great wisdom that He could tell the greatest truths with stories and words everybody could understand, was put to death by Roman soldiers on the false accusation of treason; that He had claimed to be Christ the King. He had said He was king, but that "my kingdom is not of this world."

His friends and followers thought Him too good to die; that He never would die nor could! All of us think somewhat like that about those we love. But, after He had been nailed on a cross for a few hours, He did die, and the door of a tomb was closed on His body, many thought, forever. His followers were confused. It seemed to them their greatest Friend had let them down.

On Sunday following that black Friday, some women took spices to the tomb to embalm Him. It was very early in the morning. To their amazement, the great stone door had been rolled aside, and a dazzling messenger of God sat upon it. They were terribly frightened. "Do not be afraid," said the angel. "He is not here. He is risen. Go and tell His followers..." His sacrifice for us on Good Friday voices the sure hope that those we love can live, and we with them, and that the forever life with Him is good. "He is not here; for he is risen, and he said. Come, see the place where the Lord lay,"

Nazareth Hosts 115 At Deanery Meeting

The Christian Mothers Society of Nazareth was host to 115 delegates from 11 area parishes as the Plainview Deanery of the Diocesan Council of Catholic Women gathered for an all-day meeting Wednesday of last week.

DELEGATES attended from Nazareth, Dimmitt, Hart, Friona, Canyon, Plainview, Lockney and Abernathy. Also, nine priests, the Bishop of Amarillo and one nun were present.

Theme of the meeting was "Renewal—Where To?" The session was conducted by Mrs. George Cervantez of Bovina, deanery president.

Speakers included Rev. Rex Nicholl of Amarillo, co-editor of the West Texas Register; Very Rev. Angelus Delahunt of Hereford, deanery moderator; Most Rev. Lawrence M. DeFalco, Bishop of Amarillo; Msgr. Francis A. Smyers of Amarillo, diocesan moderator; and Rev. Wilmer Reichel of the host parish, who gave the welcome.

IN THE morning session, Rev. Nicholl spoke on the problems of press coverage, and explained how members could help their newspapers by supplying them with organized adequate information in advance of deadlines.

Mrs. Ed Loerwald of Hereford, diocesan president, spoke on the woman's responsibility to her family, community and church. Rev. Delahunt spoke on "What Is the Most Necessary for Contemporary Society," and encouraged the ladies to read the documents of Vatican II.

AFTER celebrating Mass at noon, Bishop DeFalco reported at the luncheon meeting on the events of the recent pastoral council meeting in Amarillo, and urged the ladies to be bold in their thinking and forward-looking in their ideas as they assist in diocese and parish work.

During the afternoon session, the commissions on family affairs and community affairs presented a panel discussion on women's role in the church. During the discussion, delegates were urged, "Give of yourself for the good of the church and the community, then develop yourself. Realize your responsibility—the world's business is our business. Don't just possess the faith, but be the faith."

Presenting the panel were Mrs.

Trent Downing of Dimmitt, Mrs. Marshall Kemp of Plainview and Mrs. Nick Kramer of Lockney.

DELEGATES adopted these resolutions:

—"That the member affiliates renew their dedication to ecumenical activity in the spirit of Vatican II."

—"That our ecumenical involvement become more direct and personal."

—"That we bring ecumenism into our own lives and communities by extending and accepting invitations for sharing in programs and activities with our non-Catholic neighbors."

—"THAT WE advocate building in our own parishes a strong sense of family."

—"That individual members and group affiliates be urged to make use of the new sources for scripture study."

—"That individual members and group affiliates cooperate with the Community Action Programs which are now being formed in some of our towns. By especially encouraging pre-school programs, we can improve the level of education, the cure for so many of our social ills."

—"THAT WE encourage a Christian approach to the political influences of our times."

—"That we use our influence as Christians, as citizens and as women to support the Christian ideals of peace, social justice and the dignity of man."

—"That the Plainview Deanery

respectfully ask... Bishop DeFalco to entreat each parish in the diocese to pray the rosary for peace before the beginning of each Mass."

NEW OFFICERS elected and installed during the afternoon session were Mrs. Kramer, deanery president; Mrs. Downing, first vice-president; Mrs. Don Dolle of Canyon, second vice-president; Mrs. L. L. Raef of Umbarger, secretary; Mrs. Walter Warren of Hereford, treasurer; and Mrs. Dan Schmucker of Nazareth, historian. These ladies will serve two-year terms.

Chairman of arrangements for the deanery meeting was Mrs. Ed Dreyer of Nazareth.

Sound effects — Ronnie Barham, Tony Martinez, Gary Rambo.

Sponsor and director — Don Ewing.

GIRL SCOUT Troop 46 met Wednesday at school for their weekly meeting. The girls practiced first aid problems and tied triangle bandages. This applies on their health aid badge. Karen Foster served refreshments to 11 girls and leader Wanda Miller.

HART FHA chapter will sell cookbooks as its next project. This project will support the expenses of the area officer, Rebecca Futrell, who will have many out-of-town meetings to attend plus the national FHA convention in Miami, Fla.

The cookbooks are "The Favorite Recipes of Home Economics Teachers." There are seven different books in this series and the girls will be selling all seven.

CADETTE Girl Scout Troop 158 met Wednesday in the bank community room. The girls worked on tapestry pictures and planned menus for the one-week camp trip to San Antonio in July. Dee Clevenger served refreshments to 14 girls and leader Wanda Miller.

A GROUP of young people from the Hart Church of Christ attended the annual youth lecture-ship at the Garland Street Church of Christ in Plainview Saturday. Those attending were Carolyn Cole, Kathy Kennedy, Janet McLain, Carol Miller and adults Mrs. L. C. McLain and Mrs. Dwight Miller.

THE WOMAN'S Society of Christian Service met at Fellowship Hall at the Methodist Church at 2:30 to continue the study of "Encounter of the Faiths," with Mrs. L. L. Swindle in charge of the program.

Helping with the program were Mrs. Fred Brown, Mrs. Ed Bennett and Mrs. C. B. Landers. Present were Mmes. A. L. Aven, H. H. Parker, L. L. Swindle, W. C. Crick, Fred Brown, W. E. Yeager and C. B. Landers.

THE GOOD Neighbor Club met Tuesday in the home of Mrs. D. A. Bass. Mrs. Vasca Kittrell was co-hostess for the all-day meeting and a salad luncheon was held at noon.

Members attending were Mmes. Mabel Aven, Percy Hart, G. R. Bennett, T. R. Davis, Fred Haman, J. D. Murray, W. R. Reed, Lett McLain, Kenneth Lambert, Paul Brooks, H. E. Newman, Homer Hill and the hostesses.

They spent the afternoon poisoning rodents which were undermining the graves at the cemetery.

The club will meet again May 7 at the Colonial Inn in Dimmitt. Members will tour new homes in Dimmitt.

FOUR delegates represented the Hart High School Student Council at the Texas Association of Student Councils Convention in San Antonio last weekend. Weldon Bates, sponsor, accompanied them.

Student Council members from Bovina, Friona, Muleshoe, Olton, Dimmitt, Floydada and Hart departed for the HemisFair city last Thursday by chartered bus. Delegates were guests in homes in San Antonio.

While at the convention, the delegates participated in electing new officers for the State Student Council for 1968-69 and also participated in and attended several lectures, discussion groups and meetings.

After the close of the convention Saturday morning, the delegates went to the HemisFair before the return trip home that night.

Those attending from Hart were Danny Rice, president; Iona Clevenger, vice-president; Rebecca Futrell, secretary-treasurer; and

Reba English, candidate at large.

BOY SCOUT Troop 216 participated in the Fun and Skill Show in Plainview Saturday. The different patrols gave demonstrations in rope making, packs and first aid. In the canoe race between all the troops, Hart Scouts won second. Team members were Ike Graves, Dirk Rambo, David Warren and David Hawkins.

Twenty-two Scouts and Scoutmaster Deryl Clevenger attended. Helping with transportation and attending the show were Mr. and Mrs. Charles Clark, G. C. Graves, Cleve McLain, Lanny Tucker, Robert Hawkins, and Mrs. Claude Cox.

MR. AND MRS. Deryl Clevenger attended the District 8 PTA board of managers dinner Monday night preceding the annual spring conference. It was held in the Gold Room of the East Cafeteria at West Texas State University.

Following the dinner, Mr. Clevenger attended the executive conference. He is serving as legislation chairman of District 8.

THE ANNUAL spring conference of the PTA was held in Canyon Tuesday. Deryl Clevenger, legislation chairman for District 8, conducted a workshop on legislation. He also presented Tony Martinez of Hart with a plaque recognizing his heroism in rescuing two small children from a burning house trailer. Others attending the meeting from Hart were Mrs. Sam McGill and Mrs. Charles Clark.

THE HART Junior Riding Club participated in its first play day of the year Sunday.

Eleven families from the club went, each taking a picnic lunch. Church services were held at 12:30 at the arena by the pastor of one of a Church of Christ in Lubbock.

The riders from Hart entered 204 events and brought back a total of 348 points. These points will count for a total which will tell who is eligible to go to the national finals in October at Fort Worth.

THE HART F.H.A. chapter met Wednesday in the high school library and elected officers for 1968-69. Elected were President, Reba English; vice-presidents, Margaret Swindle, Becky King and Cathy Sharp; secretary, Pam Shive; treasurer, Dixie Irons; parliamentarian, Roni Cox; and historians, Brenda Armstrong and Meitzie Kennedy.

The "Girl of the Month" this month is Frances Cunningham, 16-year-old daughter of Mr. and Mrs. C. T. Cunningham.

Special guests were the eighth-grade girls of Hart Junior High. Refreshments were served to 46 members and Mrs. Jim Reid, sponsor.

Charles Ray Jones placed second in the elementary division of story telling in the recent Inter-scholastic League district literary contests.

THE MAROON and White chapter of Future Teachers of America met Monday evening in Hart High School. The group voted to have a "Mr. and Miss FTA" who will represent the Maroon and White chapter in the district meeting.

Mrs. Gardenhire, sponsor, installed the officers for the coming year, using red and white candles. Installed were President Iona Clevenger; Vice-President Terry Newman, Secretary-Treasurer Bill Bledsoe, and Historian Roni Cox.

Hostesses were Mandy Rogers, Sue Bates and Becky King, who

served soft drinks and cookies to 18 members and five eighth grade students.

HART LIONS Club met in the Farmers State Bank community room Monday.

Jose "Zito" Sartarelli, foreign exchange student from Brazil, spoke on the home life and economy of his country. He is living with the Lonnie Bells in Dimmitt.

The club voted to help by uniforms for the Little League teams.

Election of officers was held and the following were elected: Lion Boss, W. A. Hawkins Jr.; first vice-president, Richard Franks; second vice-president, Bob Reed; third vice-president, Bill Rich; tail twister, D. A. Bass; secretary and treasurer, Stewart Newsom; and Lion tamer, W. T. King.

There were 18 members and three guests present.

MR. AND MRS. Bid Oler and boys from Happy visited the H. E.

Lomans Sunday.

THE JUNIOR High Pep Squad had a slumber party at the high school gym Friday night. Refreshments of sandwiches, chips, nuts and soft drinks were served.

Pep Squad sponsor is Mrs. Jim Rich and helping with the party were Mr. and Mrs. Shaw. Also enjoying the party were Jamie Rich and Sheri Shaw.

Mr. Shaw and Mr. Rich led the girls in playing dodge ball and volleyball until midnight. Then the girls played records and games until 5 a.m., when most of them settled down and slept about two hours.

Food and decorations were furnished by the seventh graders to honor the eighth graders.

Mrs. Rich was given a gift from the girls to show their appreciation.

THE WOMAN'S Missionary Society of the First Baptist Church met Monday afternoon. The cir-

cle program was led by Mrs. Clay Anderson. Members attending were Mmes. Harvey Davis, Howard Mitchell, Lester Lancaster, Clay Anderson and R. A. Futrell. Billie Bob Bell, son of Mr. and Mrs. W. D. Bell of Hart, joined the Navy March 26 and is now stationed at San Diego, Calif., at the Navy Training Center. He will be there nine weeks. He is a 1966 graduate of Hart High School, where he played football and won the citizenship award as a senior. He attended South Plains College at Levelland.

Mrs. J. B. Allensworth had minor surgery in Plainview Hospital last week.

Ollie Monk is in the Plainview Hospital.

MR. AND MRS. Ernest Martin have returned home from an extended trip through Texas. They spent a month at Falcon Heights, and a month at Zapata, Texas. Other places visited were Harlingen, Port Isabel, Padre Island, Port Mansfield and Rio Hondo. They visited the Hollis Imgrams in Kerrville before returning home.

SAN ANTONIO, celebrating its 250th birthday with HemisFair '68, was founded as a Spanish mission in 1718.

SUSPENSE—This melodramatic scene from Hart's junior class play, "Hobgoblin House," makes one wonder who's "got the drop on who as Joe Quiroz points a pistol at Richard Murray while Randy Alford ze-

ros in on Rebecca Futrell with a meat cleaver. In background, Iona Clevenger panics. The play will be presented tonight (Thursday) at 7:30 in the Hart Grade School auditorium.

MODERN AGRICULTURE

New Crop Yields Paper Pulp; Ensilage Cutter Harvests It

It may be possible to grow a cheaper supply of pulp for making paper and paper products and give Texas farmers another money making crop, says Dr. Eli Whiteley of the Department of Soil and Crop Sciences at Texas A&M University.

KENAF, an annual crop which grows as tall as 15 feet and will provide paper manufacturers with a high quality pulp, is much cheaper to harvest and produce than pulpwood from cultivated forests.

The crop is well suited to Texas climate and Dr. Whiteley says that it will grow just about anywhere that cotton is grown. It will grow in deep sand or in clay, and under dryland conditions or irrigation.

Stay on Alert For Screwworm

With warmer weather, conditions are more favorable for an increase in screwworm fly activities. Officials of the Screwworm Eradication Program remind stockmen they should continue to be alert for the pest. They point out that most of the sterile flies now being produced at Mission are being distributed in Mexico to halt buildup in that country.

Chemical Control Best, Cheapest On Pasture Weeds

Weeds in pastures can be controlled more effectively with chemicals than by mowing or shredding, says Neal Pratt, Extension agronomist at Texas A&M University.

ONE mowing operation may be less expensive than one herbicide application. But regrowth usually occurs from mowed weeds, calling for repeated mowings. Weeds properly sprayed with chemicals are usually controlled for most or all of the growing season, explains Pratt.

A typical mowing operation costs from 85 cents to \$1 per acre. Chemical and application cost from \$1.25 to \$2 per acre. But three mowings are usually needed to satisfactorily control weeds, raising the cost to \$2.40 or \$3 per acre, says the agronomist. Chemical control has an advantage in saving time, because mowing usually needs to be done when other farming practices are also urgent, he adds.

PASTURE weeds take nutrients and moisture which should be used by grasses. With adequate soil moisture and warm days approaching in most areas of the state, Pratt urges livestock owners to control pasture weeds with chemicals.

Be sure to observe existing laws and regulations, and follow the directions on the manufacturers' USDA approved label. Pratt advises contacting the county agent for latest recommendations on chemical use and grazing restrictions.

VERY LITTLE labor is necessary to produce kenaf, Dr. Whiteley says. After two months the plants will reach heights of four to six feet and few weeds can compete with the crop for light and space in the narrow rows. Treatment for nematodes may be necessary, especially under irrigation, he explains.

Harvesting is accomplished with an ensilage chopper set to cut the stalks in lengths from 1/2 to 3 inches. Paper mill preference for the size desired will vary, according to Dr. Whiteley.

Kenaf will average from five to 10 tons of oven-dry material per acre and will return to the farmer as much as \$15 to \$20 per ton.

One of the major problems to be overcome is that of transportation to paper mills. It is hoped, says the scientist, that someday the mills may accept the kenaf pulp to the extent that they will begin moving to the areas of highest production to cut down on this cost.

Diverted Acres Grazing Halt To Start May 1

The "no grazing" period for diverted acres under the 1968 feed grain and cotton programs will start May 1. It will continue for the following five months until Oct. 1.

JIM ELDER, chairman of the Agricultural Stabilization and Conservation County Committee, explains that farmers who are diverting acreage under the programs have agreed not to graze the diverted acres during a specific five-month period of the growing season, and not to harvest a crop from diverted acres.

Farmers participating in the Conservation Reserve and Crop-Land Adjustment programs have agreed not to graze land diverted under these programs or harvest any crop from such land during the life of the agreements.

Castro County farms, which are signed up to participate in the 1968 commodity diversion programs for corn-grain sorghum and for cotton number about 1,054.

CASTRO County did not receive any cotton under the release and reapportionment provisions. The allotment and permitted acreage on the original "intention to participate" form will be the acreage you will need to comply with the 1968 program.

NYLON FOR TENTS?
Nylon should be ideal for tent making since it is strong and light. But, surprisingly, it is very poor tent material. Reason is it won't retain water-repellent solution for long. Waterproofing treatments crack and rub off after a little use. Better stick to the old reliable duck and canvas.

Food for Peace Extended a Year

The life of the Food for Peace Act, Public Law 480, was extended for one year in a bill approved by the House Agriculture Committee last week.

Panhandle Congressman **Bob Price**, one of the sponsors of the bill and a member of the committee, said several changes were made in an effort to ease present restrictions now imposed on the uses this country may make in the foreign currencies it receives in sales abroad of American farm commodities.

PRICE said they were proposed as a means of improving the dollar balance of payment situation in international trade.

"The PL 480 program has been one of the most useful and helpful programs we have had, both for the United States and countries we have helped," Price said. "But the nations we help with the program must recognize that cooperation means help for the United States as well, and that we can extend this aid only if we keep our own balance of payments sound."

One provision in the bill changing the existing program gives authority to those handling negotiations for the US to enter into agreements specifying that up to 50 percent of foreign currencies accumulated by PL 480 sales could be sold at the current rate of exchange to US importers for the procurement of materials or commodities from the recipient nation.

ANOTHER provision of the mea-

sure strips from the existing law certain reference to barbers. It would bar all three-way barbers, but leave intact the direct bartering authority for off-shore procurement and for materials, goods and equipment required in connection with foreign economic and military aid. Backers of this change argue that three-way barter generally depresses farm product prices.

Milk Marketing Decision Issued

The US Department of Agriculture has issued a final decision on a proposed amendment of the North Texas and Oklahoma Metropolitan federal milk marketing orders to terminate the supply-demand adjustment provisions.

U.S.D.A.'s Consumer and Marketing Service officials said the proposed amended orders are based on a public hearing last May at Oklahoma City, Okla.

The supply-demand adjustment provisions have been suspended since December, 1966, officials said, pending development of hearing proposals by a dairy industry study group, and action based on the hearing.

When operative, these provisions of the Oklahoma Metropolitan and North Texas orders can also affect fluid milk prices of the San Antonio, Central West

Texas, Austin-Waco, Corpus Christi, Lubbock-Plainview, and Red River Valley federal milk orders, Iowa and Texas milk order markets.

The proposed changes in the or-

ders are subject to approval by at least two-thirds of the dairy farmers supplying the markets. This will be determined by polling their cooperative associations.

Copies of the final decision may

be obtained from the market administrators of the orders, or from the Dairy Division, Consumer and Marketing Service, US Department of Agriculture, Washington, D.C., 20250.

Cotton Is Our Business

In the year of 1965 Bruegel Bros. Gin & Elevator came into existence. It was erected in the northwest corner of Castro County. Very close by are the neighboring counties of Parmer and Deaf Smith. So, being thus located, we are in a community known as the magic triangle.

At this time the idea of lint block ginning was very new. However, after much consideration and research into the matter of marketing cotton it became our purpose to try and establish a "pure lint block" from a variety of cotton that was acceptable to the markets. Our reason for doing this was to promote better markets for the product our farmer customers were producing.

Not only are we here at Bruegel Bros. Gin & Elevator devoting ourselves to the promotion of "block ginning," we are continually striving to find new varieties acceptable to market, and adaptable to our area.

Along with this we are making field tests on water practice and fertilization of cotton. By doing so we have been able to make recommendations to our customers that will help them insure better production of a better grade of cotton with better "mike" qualities.

We have imparted knowledge that has been gained from these field tests to a number of cotton promotion people, and have never held back any of the information we have gained from this research. We have tried to impart this knowledge to farmers and agri-business people alike.

All the people connected with Bruegel Bros Gin & Elevator recognize the need of our customers. To be able to produce and market the best product possible. Also they must produce the maximum yields per acre on the land they farm.

This is another reason why we are continually striving through our research programs to do our part in helping farmers in this area to do a better job in the production of grain sorghum, cotton, soybeans, vegetables, wheat and all other crops we grow in this district. This is why we have continued to do our own research work on cotton, soybeans, vegetables, wheat, and milo. However, we would like to pay tribute to Paymaster Seed Company and also to Sol U Phos Fertilizer Company for the helping hand they have extended to us in this effort. Going into the third year of pure lint production we are very confident that we are doing the right thing. Because each year the number of acres subscribed to this effort has increased. By this we are sure that we must be doing some good; or new farmers would not be added to the list of the original few who were progressive enough to attempt a venture such as this.

We are proud, and happy to have all of you with us in a combined effort to strengthen our cotton markets.

We would also like to take this opportunity to let you know that we are using another variety of cotton this year. One that is fast maturing, storm proof, medium staple, and has very high "mike" characteristics.

However, we are very limited on seed supply for this year. So to all people in the cotton production we at Bruegel Brothers Gin & Elevator extend our hand to you. At any time you have production or marketing problems come to see us in the heart of the magic triangle.

P. S. Let Us See If Our Magic Wand Can Help You Too.

Ingrams Attend Funeral

By MRS. J. T. STEHR 647-4221

Mr. and Mrs. Jack Ingram returned home Thursday night from Silverton, where the funeral for Mr. Ingram's mother, Mrs. Lucy Ellen Young, was held that afternoon at the Church of Christ. Mrs. Young died Tuesday of last week in Lockney General Hospital after a long illness. Other survivors are her husband, Lonnie, and two daughters, Mrs. Roy A. Morris of Silverton and Mrs. Tom L. Stout of Floydada, seven grandchildren and 16 great-grandchildren. We extend our sympathy to the family.

WEEKEND guests in the Danny Bruton home were her parents, Mr. and Mrs. E. B. Cryer and son Billy of Elida, N.M.

Mrs. J. T. Stehr visited Mrs. L. H. Hoffman and daughter, Lucille, in Hereford Sunday afternoon while Stehr attended a business meeting at the Lutheran Church in Hereford.

When the wind is very high, we are unable to hear over the phone, and part of the time our phones were out of order late last week. I will appreciate you calling me your news.

Mr. and Mrs. Jack Neely and Mrs. Grace Morgan of Seminole. The Lon Booths had a dinner Thursday night in honor of the James Autreys. Also present were the Dan Heard, Bob Huckabays, Bob Bakers and Sandy Parsons.

Mrs. Dent Bradley accompanied Lon Booth to Lubbock to take his mother to the doctor for a check-up. Mrs. Charles Rickard is working in the office of Gene Ivey at Dimmitt.

RECENT visitors in the Marvin Tisdale home were Mrs. Tisdale's brother and family, Mr. and Mrs. Bubby Burns, and her sisters.

SEVERAL from the community attended the taco supper for the band in Dimmitt.

The George Bagwells attended the family reunion of her family, the Williams Family, at Harmony Community Center near Petersburg Sunday afternoon. They also visited in the homes of Bill Finkners and Henry Scarboroughs while in the area. Jim Bagwell returned to his ranch in Colorado with one of the brothers from there.

Mrs. J. C. Williams visited her brother and family, the J. T. McLains, in Floydada over the weekend and also attended the Williams reunion. Mrs. Homer Bartlett went along and visited her sister, Mrs. Eba Newsom, also at Floydada.

THE Institute of Texan Cultures, the \$10 million pavilion built by the State of Texas at HemisFair, is the largest exhibit building at the World's Fair.

Stamp Exhibit Set in Lubbock

The South Plains Stamp Club of Lubbock will hold its eighth annual exhibition April 20 and 21, in conjunction with the second exhibition of the High Plains Regional Stamp Club.

THE DUAL exhibition will be at the Municipal Garden and Arts Center at 43rd and University Ave. in Lubbock, and is expected to draw exhibits from six states or more. Youth groups attending will receive envelopes with starter sets of stamps.

deck complete with bronze glass filtering unwanted reflection and solar heat. The 605-foot observation deck allows a look at the Texas landscape under open sky. The two observation decks can accommodate 840 persons at any one time.

The State of Texas and the United States joined San Antonio with magnificent permanent structures, making the World's Fair a joint project supported by all levels of government, as well as private industry and individuals.

The Institute of Texan Cultures is a \$10 million showcase in which the 25 ethnic cultures that make up the state are traced from birth to the present. Included in the exhibit, which is four times larger than a football field, are hundreds of items from Texas' past and present, showing what each culture left in the State. The Texas story is completed with an intricate overhead film exhibit consisting of nearly 40 screens, each backed by a 35-millimeter camera.

The US Pavilion is a \$6.75 million, two building complex featuring an exhibit hall and Confluence Theatre showing a "Confluence America" film by Academy Award winner Francis Thompson.

THE CITY of San Antonio has also provided the fairgrounds with a \$13 million civic center complex, including a 2,800-seat Theatre of Performing Arts, 10,500-seat arena and 400,000 square foot exhibit hall.

A wide variety of entertainment will be seen in the complex throughout HemisFair, including comedians Bob Hope, Phyllis Diller, Don Adams and Bob Newhart; singers John Gary, Wayne Newton and Andy Williams; and specialty shows such as Ice Capades, Barnum and Bailey Circus; the Grand Ole Opry and Water Follies of 1968.

There will also be opera, starting with an opening night champagne performance of Don Carlo; Ballet Folklorico de Mexico, Bolshoi Ballet, and the Mormon Tabernacle Choir.

The entertainment at the World's Fair is not limited to the civic center complex.

A STROLL along the walkways will give the visitors a chance to hear mariachis, strolling singers, and watch a Punch & Judy Theater. Other free entertainment includes water ski shows on the HemisFair lake and performances by the famous Flying Indians atop a 114-foot pole at the Frito-Lay-Pepsi-Cola Pavilion.

There is much more -- car rides at the Gulf Oil Pavilion, oompah music in the garden of the Flagstaff German Restaurant, picture telephones and computerized age guessers at the Bell Telephone exhibit, and a huge display of toys and folkart at the Girard Foundation's "El Encanto de Un Pueblo."

There is something at HemisFair for everyone. It may be the fun rides for the children, the priceless art display shipped over from Spain, the six-month "Happening" at Project Y for Youth, or a ride into the fair from downtown San Antonio on a gondola or flowerboat on the winding San Antonio River.

HemisFair has gone all out to make sure that the 250th birthday of San Antonio will be a celebration that will never be forgotten.

ALL foreign government pavilions are situated in one area -- "Plazas del Mundo" -- at HemisFair '68 for easy access.

ENTRANCE prices for HemisFair are \$2 for adults and \$1 for children 2 through 11.

NEWS OF HEMISFAIR '68 WORLD EXPOSITION APRIL 6-OCT. 6--SAN ANTONIO, TEXAS

The doors opened Saturday on HemisFair '68, starting a 184-day-fun-filled fiesta already tabbed the number one vacation spot in America this year.

MILLIONS of tourists will visit the official World's Fair in downtown San Antonio to take part in the wide variety of events designed to please all ages.

Some 70,000 persons are expected for opening day to view the products and history of more than 35 foreign countries from every continent on the globe and the 20 industrial and institutional pavilions.

Before the World's Fair closes its doors for the last time Oct. 6, more than 7 1/2 million persons are expected to tour the 92.6 acres located only 200 yards from the historic Alamo.

BESIDES the multitude of pavilions combining history with the marvels of the space age, visitors will be able to sample foods from every land at 100 restaurants, and travel around the grounds by land, air or sea.

A mini-monorail nearly two miles long throughout the grounds offering transportation from one area to another or a fair-wide ride; the Swiss Skyride offers a one-fourth mile ride 82 feet above

the grounds, and the lagoons and waterways wandering throughout the exposition carry boat traffic.

Those choosing to walk around the compact fair will be able to view it on two levels -- from the ground or on a series of elevated walkways stretching above the waterways and Fiesta Island. The island offers exotic rides for youngsters of all ages. Many of the fun rides are appearing in this country for the first time.

THERE IS another ride awaiting visitors, this one to the top of the 622-foot Tower of the Americas, the tallest observation tower in the western hemisphere.

Three glass-enclosed elevators will carry visitors to the six-story tophouse at the top of the uniquely constructed tower for a meal in the revolving restaurant, or to one of the observation decks for a view of 100 miles around.

The \$5 1/2 million tower, built by the City of San Antonio as one of many permanent structures on the grounds, will accommodate 1,750 persons per hour.

THE revolving restaurant with a seating capacity of 312 persons is located on the first level of the 650-ton tophouse, and the 579-foot second level is an informal eating area with a circular observation

NHS Girls Finish 'Week'

After starting the week with their annual fried chicken dinner March 31, Nazareth High School's FHA girls continued their observance of National FHA week with special "days" in school last week. MONDAY was "Teacher Appreciation Day," with the girls giving roses to all the lady teachers in high school and apples to all the male teachers. Tuesday was "Color Day" as the girls wore the FHA chapter colors of red and white. Rosella Pohlmeier won the title of "Miss Irresistible" for receiving the most "talking tickets" from the girls. THURSDAY was "Clash Day" with a riot of color, texture and design clashes to create laughs. That night the new officers for 1968-69 were installed in a formal candlelight ceremony. A salad supper for the girls, their parents, grandparents and teachers followed. The new officers are Anegla Conrad, president; Gladys Steffens, vice-president; Rosella Pohlmeier, secretary; Debra Hochstein, parliamentarian; and Linda Wagoner, historian.

Sen. Ralph Yarborough

Look at LBJ's Record

By Sen. Ralph Yarborough (D-Texas) Last week our fellow Texan, Lyndon B. Johnson, shook the world by announcing that he would not seek re-nomination in Presidency. PRESIDENT Johnson's withdrawal leaves a wide-open situation in national politics that will no doubt bring on a very spirited campaign. But before the roar of campaigning engulfs us, let us consider the very productive four and a half years of this administration in terms of legislation and programs for the people. I believe the record shows that the Johnson years have been fruitful years for the United States. The record shows that six million more Americans are working now than when Lyndon B. Johnson became President. They are earning higher wages than ever before. Unemployment has dropped to a record low, industrial production has jumped 25 percent, and our gross national product—which is the value of all goods and services produced in our country—has risen by more than \$100 billion, or 17 percent, under the eight years of Presidents Kennedy and Johnson. PROFITS are up 36 percent, total wages have grown by 29 percent, and the list goes on and on. These are dollars-and-cents measures. Now let us consider the more human results of Lyndon Johnson's years in office. In the field of education we in Congress—under Lyndon Johnson's leadership—have tripled our support for schools since 1964. This year the United States is investing \$12 billion in the education of our children, the soundest kind of investment. For 20 years Congress talked about Medicare, but it took the Johnson Administration helping the Congress to finally push it through. Thanks to his help, some three million older Americans have had doctor's care that previously they could not afford. An estimated six million Americans have benefited from the Economic Opportunity Act—President Johnson's "War on Poverty" aimed at making ours a land of prosperity for all Americans. UNFORTUNATELY, the tragedy and bloodshed of the war in Vietnam have overshadowed many of these outstanding victories. I have opposed escalation to a bigger and bigger war. I have urged the President to seek a negotiation settlement and to end the war honorably. In his speech Sunday night, the President said he would do just that. He announced a curtailment of the bombing and promised to vigorously pursue talks with the enemy. It would be an appropriate crowning touch for this administration if this peace effort succeeds. Let us all hope that President Lyndon B. Johnson brings peace to the world by ending the war in Vietnam.

Firemen Control Tire Shop Blaze

Firemen extinguished a black, billowing blaze in a stack of tires behind Floyd's Tire Shop Friday morning before it could do extensive damage to the building. THE BLAZE broke out in a stack of more than 500 old tires behind the tire shop on North Broadway. It burned the point off the back of the building, broke a rear window and damaged several new tires stacked near the window. However, firemen brought the blaze under control within 20 minutes.

NOW ON DISPLAY at Dimmitt's Family Mart, Inc., are these finished woodwork objects made by seventh and eighth grade boys in David Keith's shop class at Dimmitt Junior High. The boys' display includes a rocking baby crib, men's valet stand, cedar chests, bookcases, knick-knack shelves, gun racks, a model sailboat, laminated cutting boards and other wood-craft items.

Dimmitt Forward Wins AAU Prize

Allan Webb, Dimmitt High School senior forward, topped all college sharpshooters by winning the free throw competition at the Women's National AAU Basketball Tournament in Gallup, N.M., last week. MISS WEBB, a free agent recruit of the Wayland Queen Bees freshman team in the national tourney, outshot 105 other college, independent and high school players, in the contest. In the eliminations last Thursday night, she netted 46 of 50 to gain the finals as one of the top four. And in the finals Friday night, she again sank 46 of 50 to win the championship. SECOND place went to Phyllis Parrish of the Wayland Flying Queens, who made 45 of 50 in the finals. Miss Webb, daughter of Mr. and Mrs. Allan Webb, won a special trophy for her outstanding performance at the free-throw line. In tournament play, she was moved quickly into the Queen more than half of the first game and scoring 11 points for the Wayland College freshmen. SHE MISSED the Queen Bees' second game to return to Dimmitt and perform with the Bobcat Band in the regional contests here. The Queen Bees lost their second game by six points to the team that eventually won third place in the tournament. The tourney was "open," with the freshmen Queen Bees competing against upperclass teams from other colleges. Miss Webb returned to the national tourney to play in an exhibition game between the Queen Bee's starting lineup, playing Bees and a Cleveland, Ohio, team. The Wayland freshmen ran away with the game, 67-43, with Miss Webb playing most of the game. ALTHOUGH Miss Webb was eligible to play in the national tourney as a graduating senior, she said she hasn't decided yet whether she will play college basketball.

Sport Banquet Set Up a Day

Dimmitt High School's annual athletic banquet has been scheduled for next Thursday night to avoid a conflict with the regional track meet. THE BANQUET originally was set for Friday night, April 14. Kenneth Cleveland, athletic director, said the banquet will have no speaker, but will be conducted as an awards banquet instead. Wednesday was the final day to buy tickets for the banquet.

Plan Adequate Summer Pastures

For all livestock, and especially dairy cattle production during the summer months, producers should be putting out temporary pastures, says A. C. Novosad, Extension pasture specialist at Texas A&M University. These temporary pastures such as sudan, sudan-sorghum hybrids and millet are necessary for providing forage when perennial grasses are relatively low in yield or quality. They can also be used for hay, haylage and green-chop, the specialist said.

In recent years, numerous sudan-sorghum hybrids have been developed and come into widespread use. These generally grow faster, produce more total dry matter and recover more rapidly following harvest than the sudan varieties," he said. "These hybrids are more resistant to leaf diseases than the sudan varieties but are susceptible to downy mildew. The hybrids tend to have a lower leaf percentage than standard sudans and therefore the forage production on a leaf-yield basis is not as great as indicated by the total forage yield," Novosad pointed out.

IN GENERAL, the sudan-sorghum hybrids have tended to produce more than the sudan varieties, Johnson grass types and Pearl millet. No one hybrid has been outstandingly superior in yield over other hybrids, he said. He added that the quality and yield of sudan-sorghum hybrids are dependent on a good fertilization program. The best animal performance is obtained from the young, immature growth and the maximum leaf yield is reached before the plants begin to boot.

MARSHAL W. W. Jones said Raymond Michael Young, 17, was driving a 1967 Buick sedan when it hit a 1962 Falcon station wagon that was parked in front of the church. The wagon's owner is Mary Cornelius Howard. Jones estimated the damage at \$450 to the front of Young's car and \$200 to the Howard station wagon. Young was cited for passing with insufficient clearance.

Crash Causes \$650 Damage

A Dimmitt youth received a traffic citation Wednesday of last week after his car ran into a parked station wagon, causing an estimated \$650 damage to the two vehicles. The accident occurred at 5:10 p.m. in front of the Presbyterian Church on Western Circle Drive.

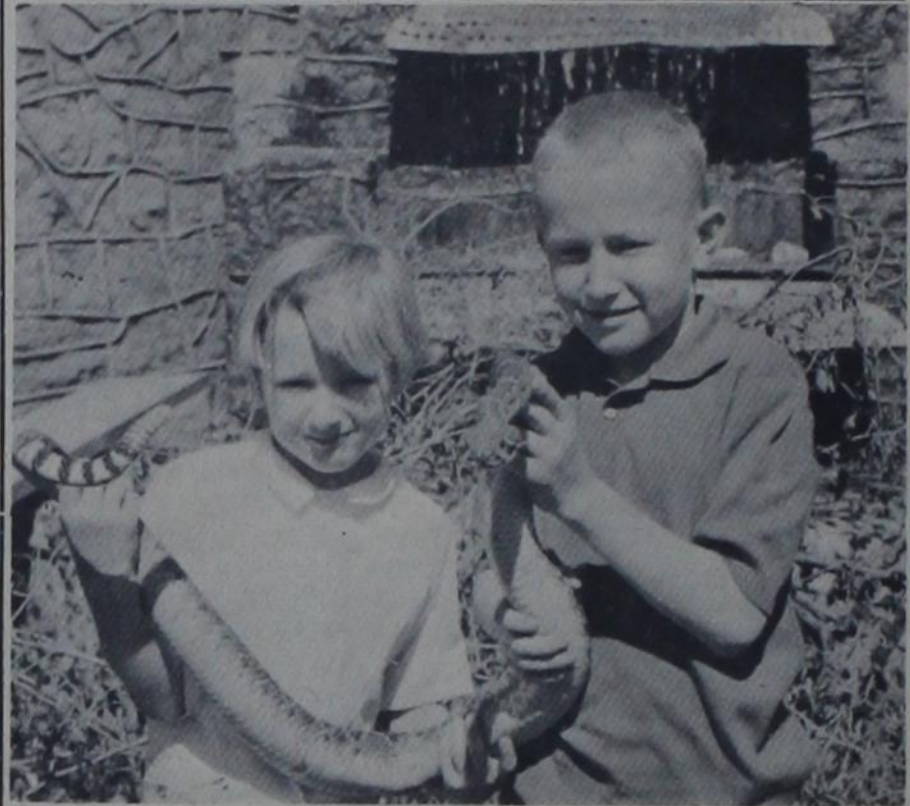

LOIS MAE HASTINGS, senior at Texas Tech, was honored at a "graduation luncheon" Saturday in the Gold Room of Hemphill-Wells in Lubbock. Mrs. W. J. Ogle and her daughter, Mrs. Larry Keith Hastings, were hostesses. Guests were the graduate's mother, Mrs. Neva Hastings, and eight classmates. Mrs. Hastings and Lois Mae are former Dimmitt residents.

MR. AND MRS. Delbert Scott visited his father, Glenn Scott, at Sulphur Springs last weekend.

FILE GROWS—Aaron Isaacs (left), general manager of Dimmitt Wheat Growers, Inc., and Barry Love, agronomist, add another contract to the growing file of farmers' pacts for the proposed corn wet milling plant. Contract totals reached \$1.8 million Tuesday and Isaacs predicted the \$2 million target quota would be reached by deadline time Wednesday.

IT'S ALIVE! — That's a live rattlesnake that Ricky Walthall, 11, and his 7-year-old sister, Dolores, are holding. However, the five-foot rattler has been de-poisoned and its mouth is clamped shut. The snake was caught last week in an annual rattlesnake hunt at Mangum, Okla., and was on public display on Mangum's courthouse square when Ricky and Dolores decided they'd like a closer look. The youngsters were visiting relatives in Mangum with their grandmother, Mrs. R. C. Adams.

Jaycee Banquet Tickets on Sale

Tickets are now on sale for the Dimmitt Jaycees' annual installation banquet, to be held April 20 in Dimmitt High School cafeteria. THE JAYCEES have booked one of the "Five Outstanding Young Texans of 1968" as their guest speaker. He's Dr. Charles Lewis, Muleshoe dentist, who won the honor for his private, self-initiated "denti-care" program for indigent children. His program has been adopted by dentists throughout the nation as a business-like alternative to a federal denti-care program. The young Muleshoe dentist also provides free dental service to all children at the Portales Children's Home, and has turned down offers of grants and fees for his work from the Office of Economic Opportunity. NEW OFFICERS of the Dimmitt Jaycees will be installed at the banquet, and outstanding Jaycees and cooperating civic workers will be recognized.

School Board Reorganizes

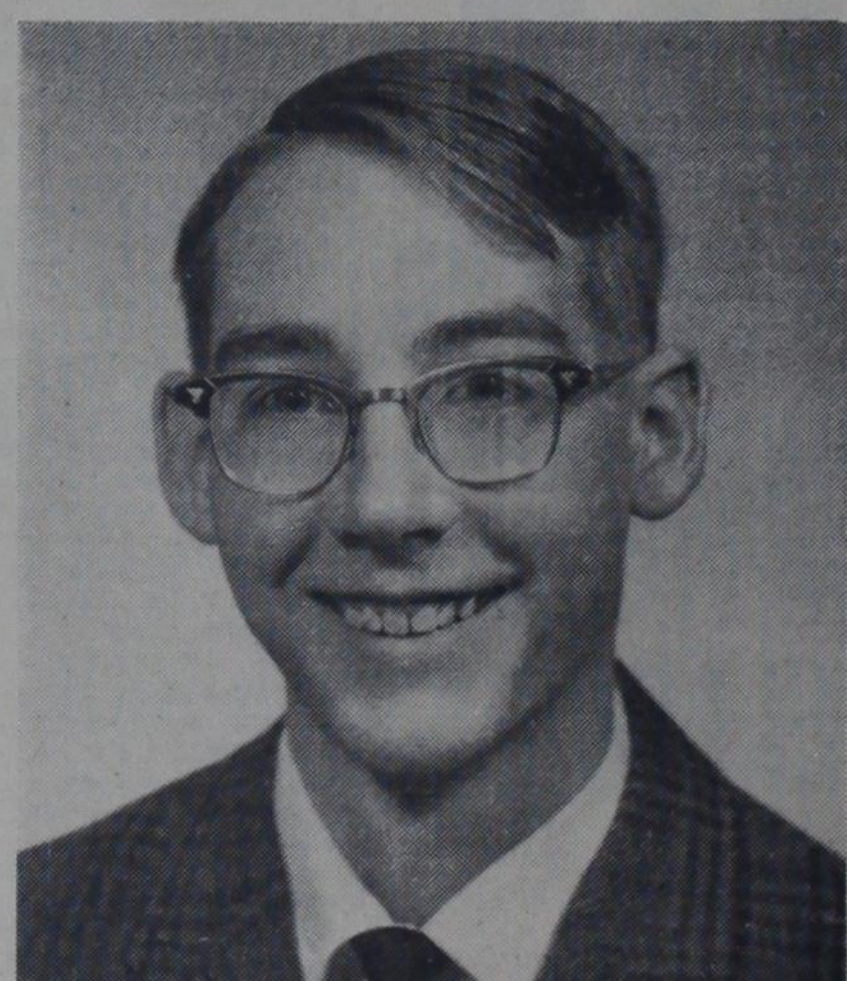

Dimmitt's school board reorganized with its newly elected trustees Monday night and re-elected the same officers—Ward Golden, president; G. L. Willis Jr., vice-president; and Frank Wise, secretary.

CLYDE DAMRON and incumbent John Merritt were sworn in for two-year terms during Monday night's meeting. The other newly elected trustee, Melvin Barton, was out of town and missed the meeting. He is to be sworn in at the May board meeting. Damron and Barton succeed Jim Golding and Carroll Webb on the school's governing body.

6,559 Vehicles Licensed Here

There's two-thirds of a vehicle for every man, woman and child in Castro County, according to the new license registration figures. WHEN THE smoke cleared after the April 1 deadline, Tax Assessor Kent Birdwell's office reported that the county now has 6,558 registered vehicles. The county's population is approximately 10,000. The license totals include 2,954 passenger cars, 1,386 farm trucks, and 2,219 other vehicles such as commercial trucks, trailers, motorcycles and scooters.

Look who won a new car in Ford Motor Company's Safe Driving Incentive Program.

Mr. Russell Stringfield, Dimmitt, Texas

We have a special answer for people who flatly say that everyone in the under 25 group is a poor driver. You're wrong. Because we know what a large contribution to safety these people can make. That's why we sponsored our Safe Driving Incentive Program for Young Americans. In this year's program, 30 bright young people won new Ford Mustangs and Mercury Montegos. And they earned them! By thinking safety. Driving safely. They had to pass a tough written test on traffic safety— without one mistake! Write a winning 10-word safe driving slogan. And then, drive the entire three-month program period without a chargeable accident or moving violation! All told, there were 3,230 award winners this year. 30 won new cars. 200 won Philco-Ford Stereo record players. And 3,000 won Philco transistor radios. Ford Motor Company congratulates them all. We also extend a giant "thanks" to the Driver Education instructors throughout the country who encouraged their students to enter our program, and to our dealers for their support in making the program a success. For they helped 3,230 youngsters become award winners. And countless more become even safer drivers. And that makes everyone a winner.
