

'GI Candy' Goes Over Top

The county's candy makers came through like champs this week, deluging the Farm Bureau office with almost 600 pounds of homemade Christmas candy for the county's servicemen.

MRS. GLENDA RICKERD of Bethel, chairman of the "Candy for GI's" project, beamed as she reported that this was the most candy ever made for the unique Christmas project.

And Mrs. Beral Hance, who compiled the mailing list of GI's

said the candy this year will go to more servicemen than ever — 70 of them throughout the world.

The response to an 11th-hour appeal last week was so overwhelming that HD club women couldn't get all the candy boxed and mailed by Tuesday as planned, and had to call another work session for Wednesday.

"THE CANDY has come in so fast in the last three days that it's just unbelievable," Mrs. Rickard said. "This is the best turnout we've ever had, and there were more young people than ever participating."

The final tally was 380 coffee cans full of candy, weighing approximately 570 pounds. This means the county's GI's will receive an average of eight pounds of homemade candy apiece for Christmas.

Although 90 candy makers have been tallied, the total would be closer to 150, since much of the candy was made in group efforts by such organizations as Future Homemakers, Camp Fire Girls, Blue Birds and home demonstration clubs. A Sunday School class of teenagers from the Fourth and Bedford Church of Christ even came through with 10 or 11 cans, Mrs. Rickard said.

"I WAS glad to see all the young people taking such an active part," she said. "All the youngsters have been just tremendous with their donations."

Also, 41 persons have donated \$148.89 to pay postage on the candy.

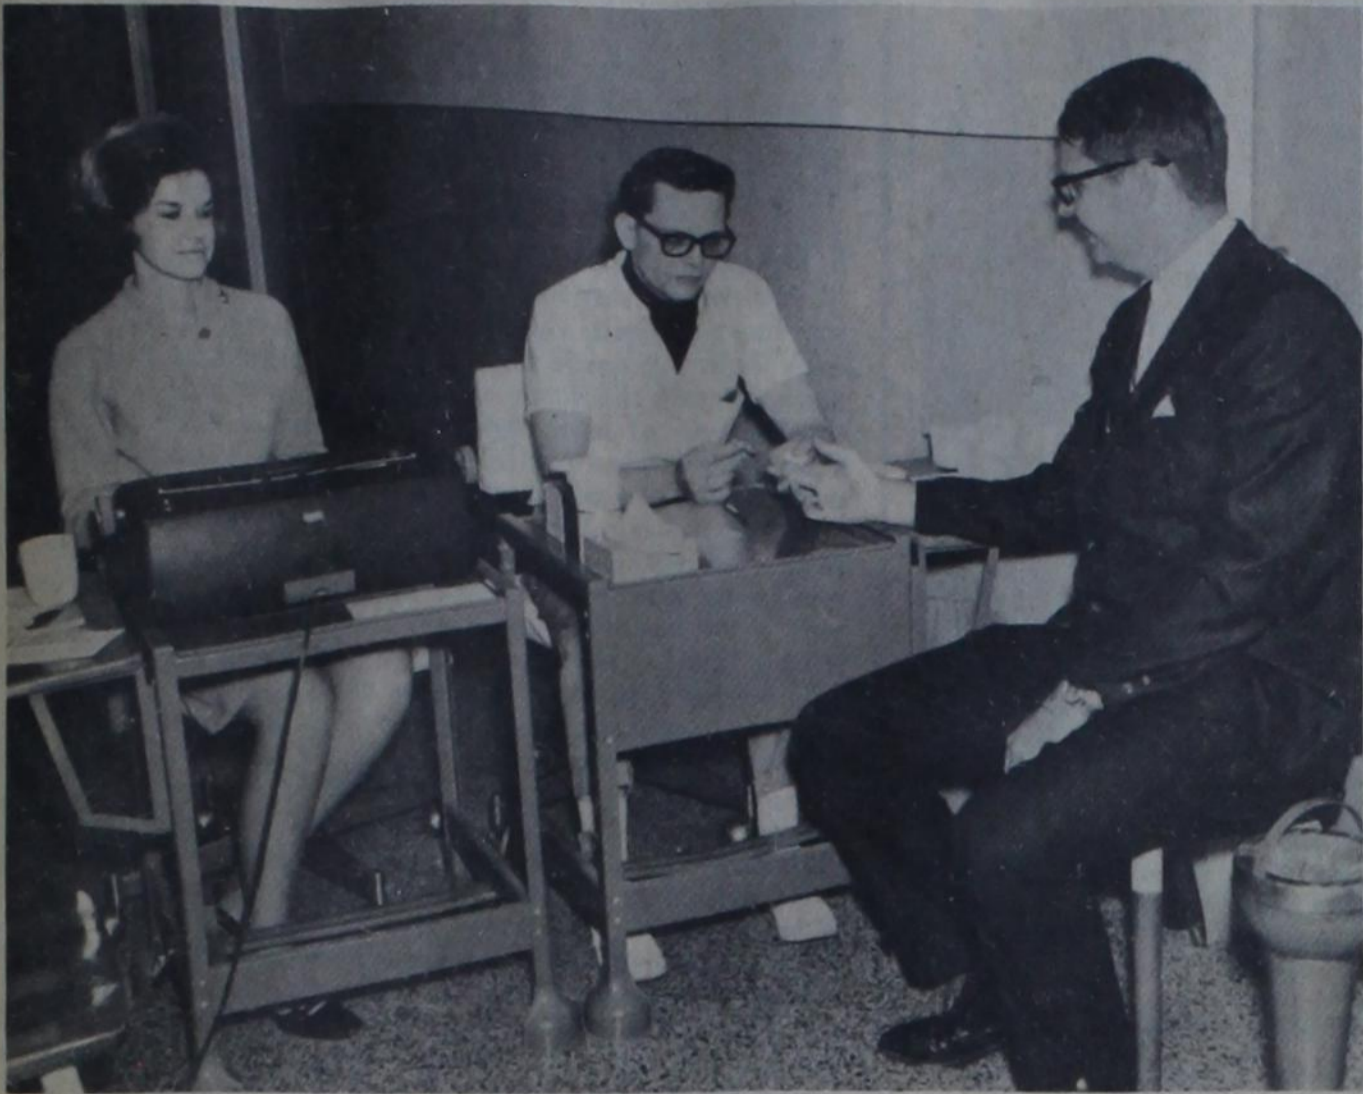

The candy will be mailed in four-pound boxes, with approximately 76 boxes going overseas and 64 boxes going to servicemen stationed in the US. At press time, it wasn't known whether enough postage money had been collected.

IN ADDITION to receiving the homemade candy, GI's from Castro County will get cans of salted nuts, plus chewing gum, Koolaid and other treats.

Jack Flynt, Farm Bureau Insurance Co. agent, has donated a one-pound can of salted nuts to each man on the mailing list, and many other donations of nuts, gum and treats have come in, Mrs. Rickard said.

FIRST BLOOD — Jim Ratcliff (right) was the first person to have his blood typed Sunday for Plains Memorial Hospital's "walking blood bank." D. W. "Dub" Sims, hospital laboratory and X-ray director, does the honors while Mrs. Walter Maynard prepares Ratcliff's blood-type card which he will carry with him in case of

emergency. Although the project has been endorsed by all the city's civic clubs, only 26 willing donors had their blood typed Sunday — and eight of those were hospital employees. Blood typing will continue at the hospital during the next two Sundays from 7 to 7.

Amarillo Man Buys Ford Agency

Bob Goss, Amarillo car dealer, has purchased the former Brockett Ford, Inc., in Dimmitt and re-opened the Ford agency Monday.

Negotiations were completed Nov. 1, Goss said.

FOUR families will move here from Amarillo to form the nucleus of the agency's sales and service staff, he said.

Goss, a native of Stamford, has been in the used-car business in Amarillo for the last five years. He is a graduate of Stamford High School and attended North Texas State University in Denton, where he majored in business administration.

He and his wife, Mary, have two children, Steven, 7, and Susan, 4. Mrs. Goss is a teacher in Olsen Park Elementary School in Amarillo. Goss said he expects to move his family to Dimmitt at the end of the school year.

SALES manager will be Russell Larsen, also of Amarillo, and his son, Glenn, will be a mechanic here. Both men plan to move their families here soon.

In charge of the agency's service department will be Herman Barnes of Amarillo. He said he and his family will move here as soon as they can find housing.

Bobcat Band Does It Again

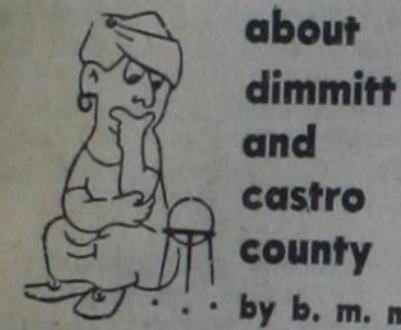

Dimmitt High School's Bobcat Band was one of three Class AA marching units to capture top honors at the University Interscholastic League marching contest Tuesday at Levelland.

FOR THE 15th straight year, the DHS band, directed by Ralph Smith, received a rating of I, the highest attainable.

Also rated in the first division were Morton and Abernathy in Class AA; Spur, Ralls and Springlake in Class A; and Wilson and Sundown in Class B.

Thirty-four bands took part in the Region I, South Zone competition in Levelland's Lobo Stadium.

Judges were Tim Jores of Hamlin, Pat Patterson of Sweetwater and James Jarrell of Fort Stockton.

Hart Man Named 'Aggie of Year'

Deryl Clevenger of Hart was named "Aggie of the Year" by the agriculture department of Abilene Christian College.

HE IS the fourth young man to receive the award, and was presented a plaque by the ACC chapter of Delta Tau Alpha, national honorary society for agriculture students.

Clevenger is the exception to the oft-heard statement that a young man cannot succeed in farming in this area unless he has plenty of capital to start with.

After he graduated from ACC in 1951 with a BS degree in agriculture, Clevenger worked on the farm of J. W. Cox of Tulia for four years. After renting land for the next eight years, he bought 300 acres on which he built his home east of Hart. He has since added another quarter section of leased land to his farm operation, which includes mainly irrigated grain and cotton. He also does custom farming.

COMMUNITY and church activities were among the main judging points for Clevenger's honor as "Aggie of the Year."

He is serving his eighth year as a Scoutmaster, and has received several Scout honors, including a National Council Scholarship. He also has held offices in the local and district PTA and has been awarded a life membership in the Texas Parent-Teachers Association. He is a former member of the Hart School Board, is a director of Hart Co-op Gin, and is a substitute agriculture teacher at Hart High School.

IN THE Hart Church of Christ, he has served as an elder, song

Six Go to State FB Convention

Five voting delegates from Castro County Farm Bureau attended the 35th annual meeting of the Texas Farm Bureau Sunday through Wednesday in Dallas, according to Rayphard Smithson, president of the county organization.

Representing this county were Mr. and Mrs. Jack W. Flynt, Mr. and Mrs. Clark Andrews, Rayphard Smithson and Milton Bagwell.

MORE THAN 800 voting delegates from 203 county Farm Bureaus adopted policies to guide the farm organization next year. They also approved recommendations on national issues to be forwarded to the annual meeting of the American Farm Bureau Federation Dec. 8-12 in Kansas City.

County delegate strength to the state convention is based on membership. Castro County FB ended its fiscal year Oct. 31 with 522 member families enrolled.

Convention headquarters in Dallas were at the Baker Hotel. Some of the general sessions and special events were in the Dallas Memorial Auditorium.

SUNDAY'S program included state finals in the young people's Talent Find and Discussion Meet competition. Monday highlights included an address by TFB President Sidney Dean of Victoria.

Also scheduled Sunday were a recognition program for county Farm Bureau, special conferences, district caucuses and ladies' luncheon. The finals of TFB queen contest were Sunday evening.

Guest speakers Tuesday included Lt. Gov. Preston Smith, State Rep. R. H. Cory of Victoria and American Farm Bureau Federation President Charles B. Shuman.

leader and Bible class teacher. Replying to an ACC Agriculture Dept. question about his interest in job opportunities, he said, "I am quite satisfied with my chosen profession. We plan to make the church and farm our lives."

Clevenger and his wife, Joan, have three children: Iona, 17, Dee Ann, 15, and Duane, 13.

Easter Lions Schedule Shoot

Easter's Lions are planning a turkey shoot for Nov. 23.

THE EVENT will be held on "Main Street" in Easter, Farm Road 1055, from 10 a.m. to dark, and will be open to both men and ladies.

Shotguns only will be used, with five-person groups shooting five shots apiece. The top shooter in each string will get his choice of a frozen turkey or ham for Thanksgiving.

TOP FLIGHT WINNERS — The first-flight competition in the Castro County Country Club's first golf tourney Sunday ended in a tie for first place between these two teams — Glenn "Doc" Render and Mrs. Ole Trimble, left, and the mother-son team of Mrs. Dugan Butler and Jim Butler

Cold weather and 40-mph winds forced the tournament to be cut back to a nine-hole event, but didn't keep 32 heavily bundled golfers from competing. Club Pro Gidd Fircloth said another tournament is being planned.

For Larry Gamble:

Friday Night Will Mark A Milestone of Courage

When he was 11, Larry Gamble had to take time out from Little League baseball to undergo bone surgery on his hip. He returned home on crutches.

TO TAKE his mind off his pain and problems, his mother let him go watch his Little League team play.

But he didn't watch. Instead, he played third base and helped his team win a ball game.

This incident was typical of one of the most courageous young athletes ever to wear a Dimmitt Bobcat uniform.

Larry has had to live with physical setbacks that would have sidelined many other boys. He was a polio victim when he was 2, had osteomyelitis of the hip when he was 10, and underwent surgery on his damaged leg and hip four times between 1959 and 1964.

But he has always bounced back. Although he could barely run the bases, he went on to become a top pitcher, making the Little League all-star team one year and the Pony League All-Stars two years.

IN FOOTBALL, his determination and desire paid off when he made Dimmitt High School's A-squad as a sophomore — something a sophomore seldom does in a Class AA school.

Last year he broke into the starting lineup, and this year he is one of the Bobcats' most dependable players as the tight end on offense, outside linebacker on defense, team tri-captain and defensive signal caller.

Friday night Larry will play his final football game for Dimmitt High School when the Bobcats host Floydada. If the Bobcats win, they'll finish the year with an 8-2 record — the best for a Dimmitt team since the early 1950's.

IF LARRY plays his usual game, he'll be in on most of the tackles on his side of the field, he'll successfully "read" the opponent's offense and adjust the Dimmitt defense to stop it, he'll catch a pass or two (he has caught three for touchdowns this year), and he'll throw a lot of key blocks for Dimmitt's effective power-sweep plays.

And despite having to favor his smaller left leg, he'll ask no quarter. He never has.

Larry is a quiet boy who, his mother says, "acts like a grown man and makes most of his own decisions."

HIS MOTHER, Mrs. Sally Frazier, owns Sally's Steak House. She goes to all the games, and worries a lot.

"I always get nervous during a game," she said. "But when I don't go, I worry myself crazy, afraid he's going to get hurt."

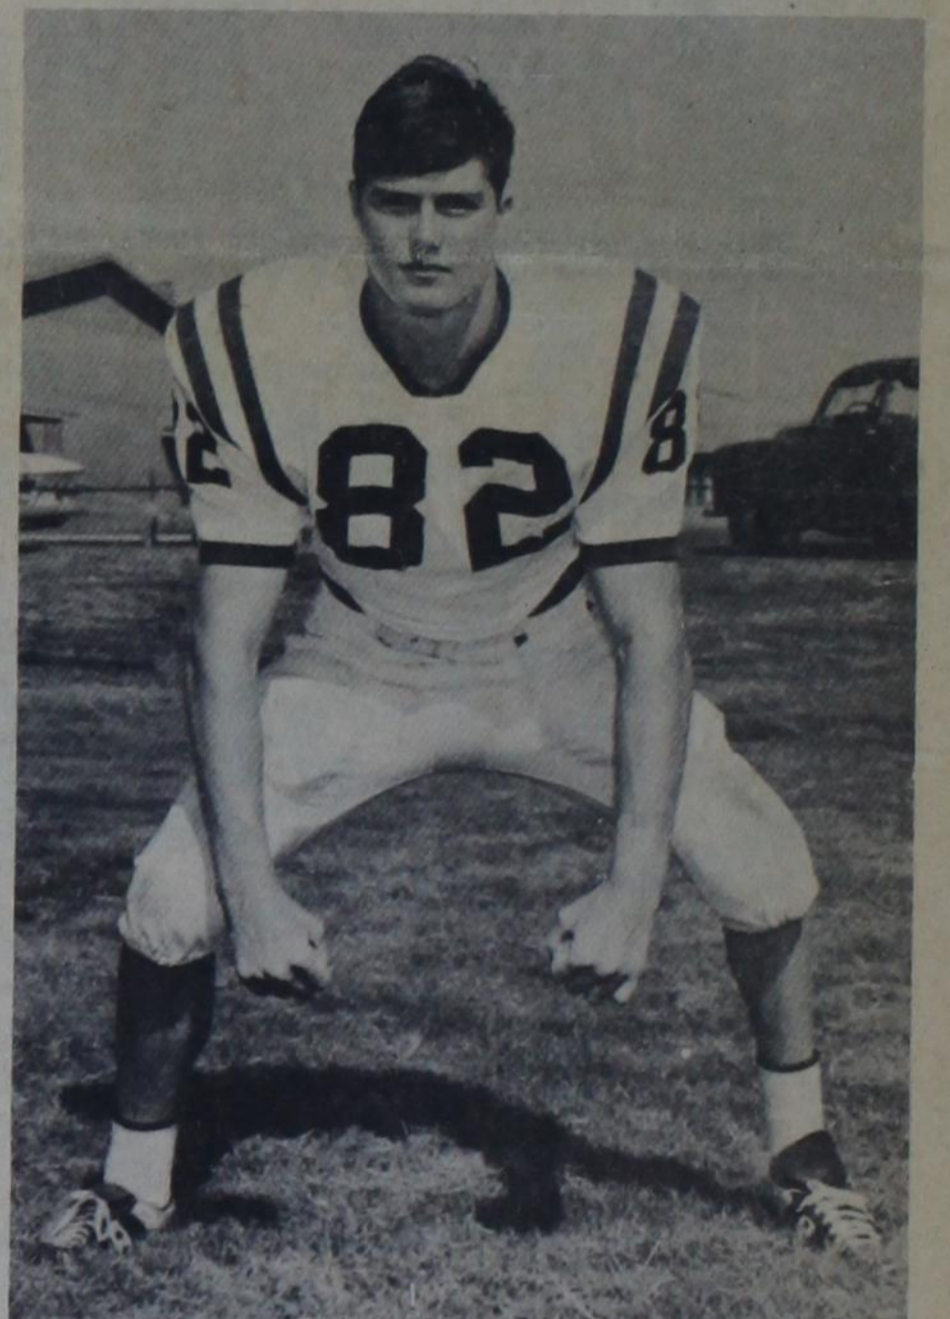

His damaged leg often bothers him, she said, "but if you ask him if it hurts, he'll always say, 'No, it's all right.' He won't ever complain about anything. He never did want anybody to take it easy on him."

WHEN HIS teammates elected him a tri-captain this year, it wasn't because they were sentimental. It was because they respected his leadership ability.

"He never mentions the leg and we don't either," said his coach, Brown L. Smith.

"He's a fine leader, and a fine boy with a good attitude," Smith said. "And he's tough — he hustles all the time and is an exceptional blocker. He's always in the pile-up, and he'll get as many downfield blocks as anybody."

IN THE classroom, Larry is an A and B student. He plans to go to college, and has already earned most of the money he'll need for it.

Larry Gamble

He has worked after school, on Saturdays and during the summers since he was 14, at service stations and supermarkets. He is now an all-around "floor man" at Foodway in Dimmitt.

He drives his own 1962 Chevrolet, and makes most of the minor repairs on it himself. His car represents one of his few splurges. Generally, his mother said, "he's tight with his money — he wants to save it for college."

SMITH said that when he first met Larry four years ago, "I didn't expect him to be able to play football. But I got a real pleasant surprise when I saw him on the field. I wish now that I had a dozen just like him."

But of course, boys like Larry Gamble don't come by the dozen.

Lt. Donna Gerber Returns From Vietnam; Discharged

By Mrs. Florance Albracht Lt. Donna Gerber, daughter of the Albert Gerbers, came home Nov. 4 after serving in Vietnam at Kanron Bay Hospital the past year. She was discharged from the Service and after a month's rest will go into private nursing. Her brother Airman First Class Ricky Gerber, who is stationed at McConnell Airbase in Wichita, Kan., was home over the weekend to visit with her and his family.

Mr. and Mrs. Earl Baekus and her sister, Sister M. Blanche of Fort Smith, Ark., were down at Temple last week where Mrs. Baekus had tests made at the Clinic.

RELATIVES received word here Monday, Nov. 4 that the Vernon Braaddocks of Mansfield, have a new baby boy, Mrs. Josephine Ball, the grandmother spent last week with them.

Francis and Leonard Wilhelm and Harry Birkenfeld spent the weekend with friends near Lamesa where they went deer hunting. They brought back six does and one buck. This week Paul Venhaus and Al Maurer are down near Harper deer hunting.

Mr. and Mrs. Raymond Schmucker and Mr. and Mrs. Leroy Hoelting of Amarillo went to Dallas Friday for the SMU vs. Aggie game there Saturday. They also visited with Marvin Hoelting and other relatives while there.

MRS. FRANCIS Wilhelm, Gordon and Barbara and Mrs. Leonard Wilhelm drove down to Abilene Saturday for the Alamo Catholic High of Amarillo and Central Catholic High of Abilene football game. Alamo came out the winner and will compete in the San Antonio Catholic Conference game on the weekend of Nov. 22-23-24.

Monday evening, Nov. 4, the Christian Mothers Society held their meeting in the community hall with a large group of members present. The reports of the delegates to the Diocesan Council of Catholic Womens Convention in Amarillo on Oct. 29-30 were given on "Progress in Renewal." Two films were shown by the program chairman, Mrs. Rita Kleman.

MR. AND MRS. Tom Brockman attended the wedding Friday evening of her sister in Lubbock.

Mr. and Mrs. Harvey Payne visited her mother Mrs. Catherine Braddock over the weekend.

Mrs. Lucy Leiner, Mrs. Max Acker and Mrs. Agnes Brockman had dinner Sunday with Mrs. Leiner's daughter and family, the Harold Steffens in Slaton and in the afternoon enjoyed the bazaar and supper held at St. Joseph's Parish Hall. Also enjoying the festivities were Mr. and Mrs. Lawrence Acker, Mr. and Mrs. Ed Derup and Carol and Mr. and Mrs. Al Schoenberger and family.

Several families and Rev. Father Reichel from here enjoyed the big sausage dinner in Umbarger. Over three thousand people were served.

The Catholic Daughters held their monthly meeting in the community hall on Wednesday evening, Nov. 3. After the regular business meeting the Rosary was said for all the Poor Souls since November is dedicated to the Poor Souls. Games and refreshments were enjoyed after the meet-

ing. MR. AND MRS. Raymond Annon and son Claude spent the weekend visiting in Amarillo with their daughter's and families the Gene Hubbards and Larry Spencers and did some shopping.

Mrs. Marie Brockman went to Omaha, Neb., with her brother Philip Rickwartz and wife of Amarillo and Mrs. Joe Rickwartz of Dumas to attend the funeral of their uncle Math Smith.

In last week's News I made a mistake on the couple celebrating their golden wedding anniversary. It should have been Al Sharps instead of Frank Sharps. Sorry!

Hope you all are planning on enjoying the turkey dinner with all the trimmings, homemade bread and pies, coming up on Sunday, Nov. 24 to be served from 11:30 to 2 p.m. at the community hall. We will be looking for you.

One of the great joys that children have is in telling a secret. This is one way that secrets have of becoming known. However IT IS NO SECRET what God can do for you. This was never intended to be a secret, for God wants all to know the good news. Isaiah said: "The Lord hath anointed me to preach good tidings ... to proclaim the acceptable year of the Lord." Attend church regularly and hear God's word preached.

Coleman Adv. Serv.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Bible Thoughts

"THE MIND OF CHRIST"

By Ronnie Parker

In Philippians 2:5-8 the apostle says, "Let this mind be in you, which was also in Christ Jesus: Who, being in the form of God, thought it not robbery to be equal with God: but made himself of no reputation, and took upon himself the form of a servant, and became obedient unto death, even the death of the cross."

To have the mind of Christ, is to have the same attitude and the same disposition. It is to humble "self" and to be obedient to God. It is to sacrifice for others. If we have the mind of Christ we will think as He thinks, love as He loves, and serve as He served.

This attitude does not come to us as a direct gift from God. A constant study of the life of Christ and His teaching is necessary. As this takes hold of us we become like Him. Our lives are molded like unto His. In 2 Peter 1:2-4, Peter speaks of being "partakers of divine nature," and shows that it is possible "through the knowledge of God, and of Jesus our Lord."

If we study the teachings of Jesus along with the history of His life, we are impelled to love Him and the things He loved. Our minds can be like His! May I ask you this question! Just how interested are you in having the mind of Christ? How earnestly do you strive for the knowledge of God and Christ?

The View From Your Library

By VIRGINIA NEWSOM If you were to visit the library in the next two weeks, you would find a display of new books. We have a wide range of new materials suitable for research as well as many just for the fun of it. There are books on a wide range of subjects. These books will be on display through National Children's Book Week and then placed on the shelves to be checked out. SOME OF THE titles are as follows: A Boy Grows Up, A Girl Grows Up, The Story of the US Air Force, Our Independence and Constitution, Automobiles, How They Work, The Magic of Music (Four Volumes), Remember the Alamo, Fun With Mathematics, Amateur Radio and How to Study Better and Get Higher Marks, and there are many more.

We have at least seven new Texas history books.

We are once again faced with the very real problem of overdue books. Many people have been contacted several times concerning books they have had possession of for as long as six months.

IT IS AGAINST the law to keep books from public institutions and while we would dislike turning this matter over to the county attorney's office it may become necessary if some effort is not made to either return the books or make restitution if they are lost.

Story Hour this past week found 24 youngsters in the library. They are delightful youngsters and so very eager. It is a joy to work with them. If we could all be as enthusiastic in what we do, as young children are — nothing would ever be left undone.

Please visit the library this week, you are always welcome.

THE CHILDREN of T. E. PARSONS of Friona spent the weekend with their grandparents, Mr. and Mrs. Thomas Parsons.

Mr. and Mrs. David Sadler of Lubbock came in Friday evening to spend the extra day weekend here and at Hereford. They along with Mr. and Mrs. Ezell Sadler, Mr. and Mrs. E. R. Sadler and Mr. and Mrs. Gale Sadler and girls, visited in Hale Center Saturday night in the home of Mr. and Mrs. Erzell Keeler. Also there were Mr. and Mrs. Gordon Bellah of Dallas and daughter, Martha Ann, a Tech student. Mrs. Bellah is a cousin of Ezell, Embree Roy and Mrs. Erzell Keeler.

Mrs. Pearl Jenkins was dismissed from University Hospital in Lubbock Saturday.

MRS. CLIFF BROWN, Lee and Lynn spent the day Sunday in Lubbock with their relatives there. Leslie and Sandy Louder visited Sunday with Mr. and Mrs. Dean Kirby and Ronald.

Mr. and Mrs. J. Paul Waggoner spent last Sunday in Lockney visiting one of her former school-mates instead of in Olton as reported last week.

The Birthday Club honored Mrs. R. V. Bills with a birthday party at her home Friday. Those present were the honoree, Mrs. Cecil Curtis, Mrs. Irving King, Mrs. Roy Phelan, Mrs. J. E. Shirley, Mrs. R. E. Duke and Mrs. Ray Axtell.

GENE CARSON flew in from Fort Dix, N.J., Saturday. They took him back to Lubbock to the plane early Monday morning. He just had a three-day pass.

Mr. and Mrs. Ed Dawson and Mr. and Mrs. Ray Axtell attended a concert by the Tech Orchestra, Singers and Choir Sunday afternoon. Joan Dawson is a member of the orchestra.

Mr. and Mrs. J. Paul Waggoner spent the weekend in Houston with relatives.

THE JUNIOR boys' Sunday School class was taken to see the Tech game Saturday by their

teacher, Johnny Epperson. Hershel Wilson and Lonnie also went with them.

Sixty-five attended Sunday School with 35 in Training Union Sunday. Professor W. H. Clark of Wayland filled the pulpit for the Sunday morning service. Alford Crisp preached his first sermon Sunday night.

Mr. and Mrs. John Gilbreath took Hal to the allergy clinic in Oklahoma City Monday. Mrs. Gilbreath and Mrs. Ray Joe Riley played bridge at the home of Mrs. Ina Cleavinger Thursday afternoon.

MRS. RAY JOE RILEY attended the funeral services for a friend in Plainview Friday. Mr. and Mrs. Riley, Kevin and Jody had Sunday dinner in Dimmitt with the Ray Rileys.

Mr. and Mrs. John Gilbreath attended the homecoming at WTSU at Canyon Saturday.

Raymond Lilley spent Saturday and Sunday with relatives. Scott and Tresa Bischoff spent Friday night with Mr. and Mrs. Eldon Lilley.

Mr. and Mrs. Eldon Lilley visited with Mr. and Mrs. Dave Patterson and children of Summerfield Sunday afternoon. Mrs. Patterson is still going to WTSU in Canyon, commuting each day.

'Freedom Shares' More Convenient

Judge Raymond E. Wilson, county chairman for US Savings Bonds, reports that recent legislation permits the redemption of Savings Notes (Freedom Shares) in the same manner as Series E Bonds.

FORMERLY, Freedom Shares had to be forwarded to a Federal Reserve Bank or the Treasurer of the United State for redemption.

Judge Wilson points out that Freedom Shares issued on and after June 1, 1968, now pay 5 percent, compounded semi-annually, if held to maturity of 4½ years.

Freedom Shares may be purchased on the Payroll Savings Plan where you work or over the counter at your bank — in combination with Series E Bonds of the same or larger denomination. They must be held for one year before they may be redeemed.

Square Dance Tips

By BILL HARMAN

Mr. Average Square Dancer! How frequently do you square dance? To correct a misprint in our article last week, the following percentages are correct for the nation's dancers.

- Once a month — 1 percent.
- Twice a month — 5 percent.
- Once a week — 91 percent.
- Twice a week — 2 percent.
- More than twice a week — 1 percent.

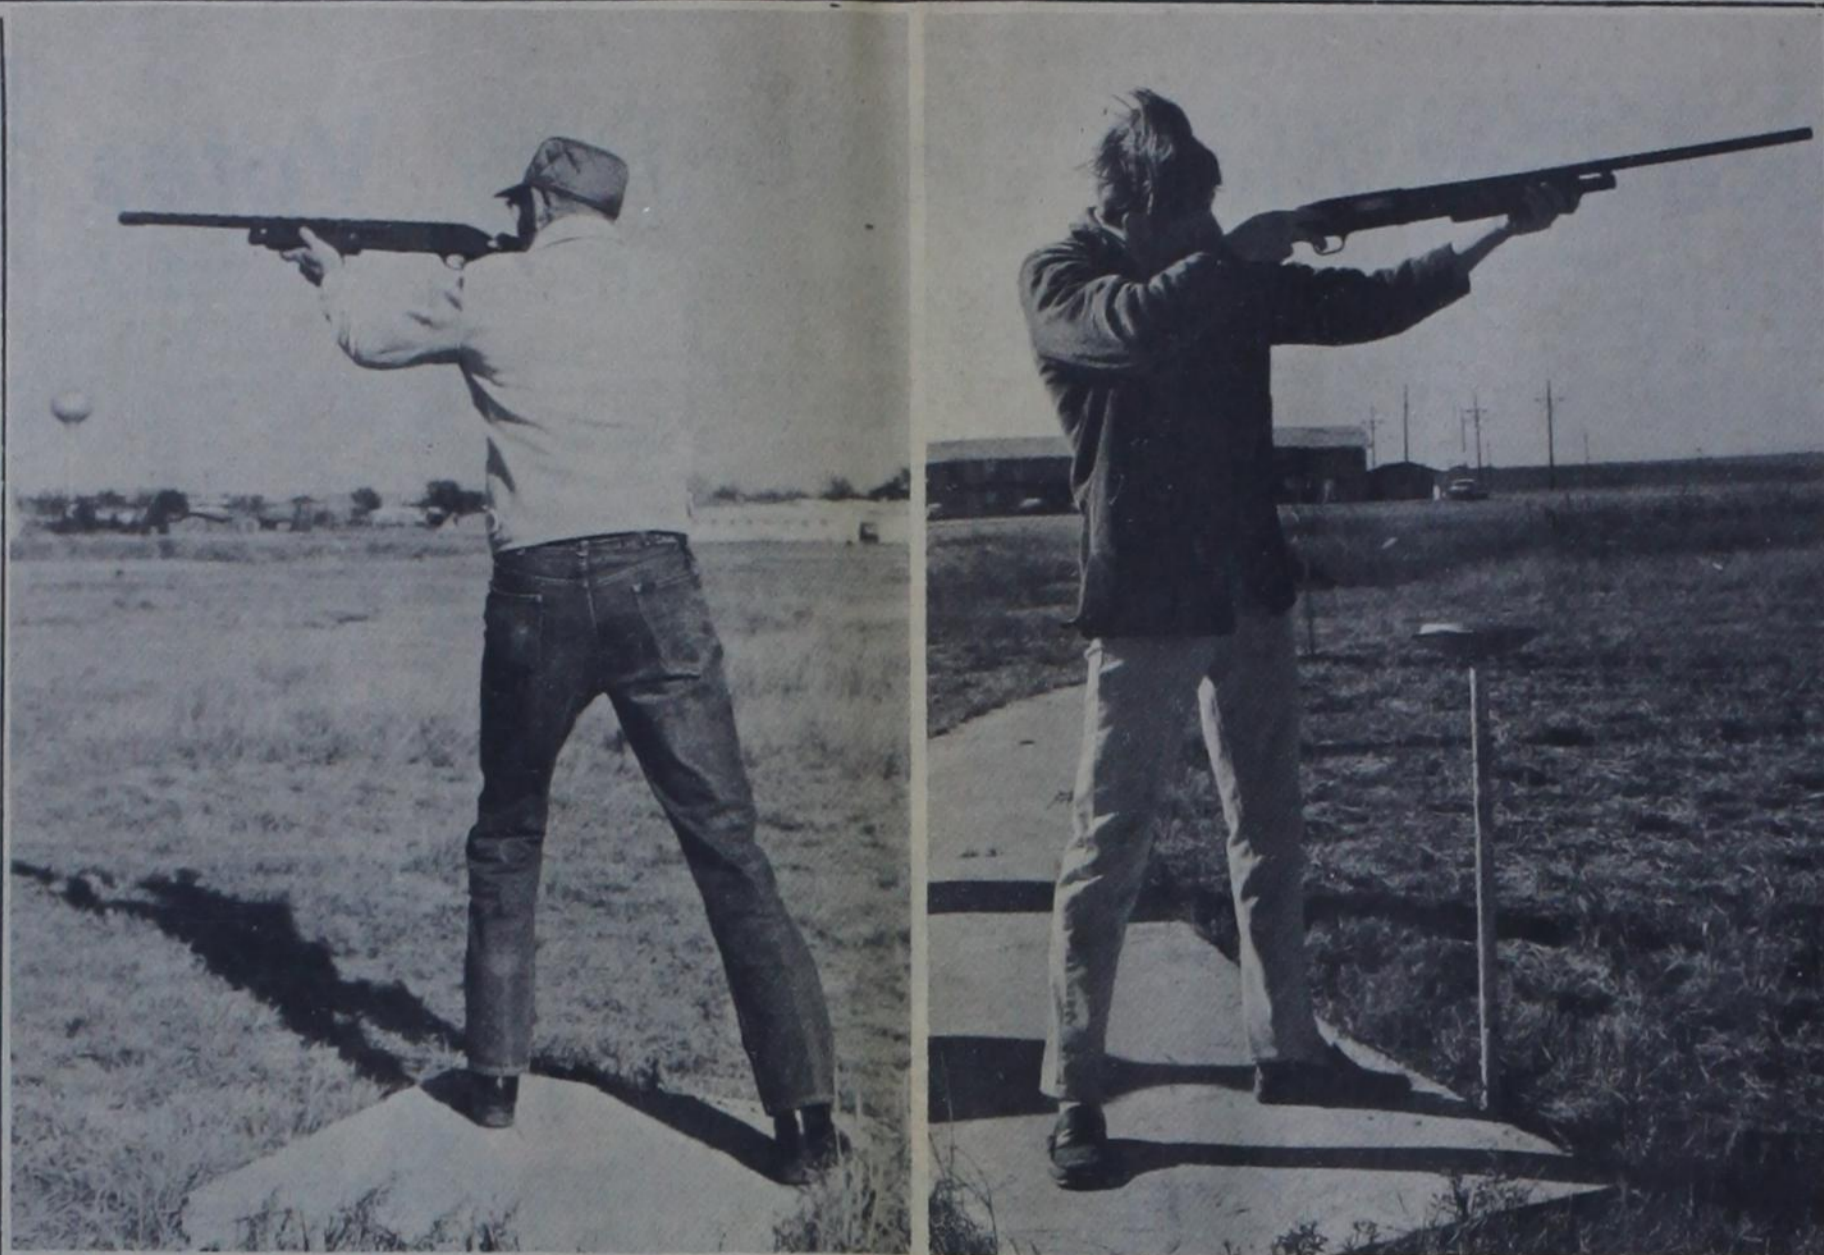

THE DIMMITT Promenaders dance once a week, so we consider ourselves average promenaders.

Our caller Sid Perkins called a square dance in Albuquerque, N. M. last Tuesday night Nov. 5. Reports are that a fine time was had by all who attended. The Dimmitt Promenaders cancelled out Tuesday night Nov. 5, because of the election.

THE DIMMITT Promenaders dance every Tuesday night at the Catholic Community Building. Remember! Square dancing is fun!

WHEN THE soil is gone, man must go, and the process does not take long.

IT'S A HIT — Harley Dodd breaks a clay pigeon Sunday afternoon en route to winning his second turkey at the Dimmitt Young Farmers' turkey shoot. It was the biggest turnout in years, with 19 turkeys awarded, said Randall Craig, chairman.

RICK NOBLE was one of more than 50 shotgunners who tried their luck at the Dimmitt Young Farmers' turkey shoot at the local skeet range Sunday afternoon. The shooters braved 47-degree weather and fired into a 40-mph wind at clay pigeons.

Cotton Classing Still Runs Ahead

The three cotton classing offices of the USDA in this area classed 79,003 samples of raw crop cotton last week ending Friday. This brought the total for the entire season to 178,000.

Only 86,000 samples had been classed on the South Plains this time last year.

Predominant grades were middling, strict low middling, middling light spotted, and strict low middling light spotted. These four grades represented 51 percent of the total classed. The average staple length from the South Plains area last week was slightly longer than one inch.

Most micronaire readings were 3.5 to 4.9. The average Pressley tests, which is the breaking strength of

the fibers, for the Lubbock area was 86,000 pounds per square inch, for the Lamesa area was 85,000 pounds, and for the Brownfield area was 87,000 pounds.

PRICES reported to the Consumer and Marketing Service of the USDA at Lubbock ranged from \$15 to \$16.25 per bale over the government loan values for white grades, staples one inch or shorter, while 1 1-32 or longer staples were \$16.50 per bale over the loan. Light spotted grades of one inch or shorter were reported selling at \$15.50 to \$16.75 over the loan, while 1 1-32 and longer staples were \$15.25 per bale over the loan. All prices are quoted in the 3.5 to 4.9 micronaire range.

Average prices for cottonseed paid to producers was \$49 per ton.

Letters To The Editor: Frank Ford Calls For Cooperation

To the Editor:
The campaign (for state representative) has been a very enjoyable experience for my family and for me. We would like to express our sincere appreciation to all those who worked so hard for its success, and to the news media for providing good coverage of the issues.

IT HAS been a very worthwhile effort, in that it takes both competition and cooperation to achieve progress. Our campaign provided the 72nd District with competition, and now is the time for cooperation toward a better America and a stronger area.

FRANK FORD

Memphis to Host Legion Conclave

Legionnaires and Auxiliary members will stage their District 18 Convention in Memphis Saturday and Sunday.

THE NATIONAL commander of the American Legion, William C. Doyle of Vineland, N.J., will speak before the convention Sunday afternoon. Doyle recently returned from an official visit to Vietnam and is expected to report on his findings and his opinion on the halt of the bombing in North Vietnam as it affects the security of American forces in South Vietnam.

The convention will get underway Saturday with registration at 10 a.m.

Dimmitt Player On Texan Squad

Ronnie Kenmore, all-district guard with Dimmitt's state runner-up basketball team two years ago, is starting his second season with the Texans of South Plains College in Levelland.

A 5-11 sophomore, Kenmore is expected to see a lot of action as a guard and playmaker for the Texans this year. South Plains College started its basketball season Saturday night, hosting the Wayland Junior Varsity in Texas Dome at Levelland.

Kenmore is the son of Mr. and Mrs. Darrell Kenmore, 405 NW Seventh St.

Shelley's Chatter

Ladies Attend 'Poor Boy's Art Exhibit'

By MYRTLE SHEFFY
Flo Nichols invited several of us to the Tulia Progressive Club Tasting Tea and "Poor Boys Art Exhibit," Tuesday afternoon in the home of Mrs. R. Dawson on Circle Drive. R. B. is a brother to the Dawsons at Earth.

THERE wasn't a thing poor about their art. Gladys Benson's sister, Mrs. Dovie Harmon was there helping with the show. We saw Mrs. Leroy Roberts, whose husband is a coach in the Tulia Schools. Several ladies who went to WTSU with Sue Merritt and Dorothy Sheffy Bond were helping serve the delicious food. There was Thelma Hefley, who is Mrs. B. R. Evans, and LDean Butler and Mary Dell Toles, who used to be a Johnson from Happy, several others, a Mrs. Doans, an artist friend of Viola Nelson's and Millicent and Mary Davis was there.

Going from here were Sue Merritt, Carol Dyer, Myrtle Lois Moran, Nancy Hays, Esta Vandiver, Myrtle Sheffy, Ceal Carlile, Winnie Cunningham and Opal Bear-den.

We saw Mrs. Tommy Keener in Tulia. She misses Dimmitt, but they do like their jobs. Tommy is teaching there.

RANDY BILLS, our 10-year-old grandson of Earth broke a bone in his left hand playing volleyball. Another boy that age broke his leg the week before — rough kids.

Vera Hamm Kendrick of Kerrville and her brother Fred Hamm of Hart were guests of Etta Brashear recently. Mrs. Gus Barron of Tulia also came over one day to visit Mrs. Brashear.

Maggie Borcin's company recently was Mrs. Henry Hastings of Hereford and her son Bob and his wife Betty Boren of Lubbock. Do remember the Book Club Wednesday, Nov. 13, Maggie is one of the hostesses.

THE CASTRO COUNTY Country Club "42" party will be Nov. 15 at 7 p.m. Do come.

Mrs. P. L. Cunningham spent the weekend with her friend Mrs. Byron Caraway in Amarillo. They attended the Guy Lombardo Concert at the new civic center.

Others from here that I saw were Clara and Dee Neumayer, Ceal and Clarence Bearden, Ceal and Horace Carlile, Sid and I—and we saw the Harold Gladmans from Plainview. When Guy and his Royal Canadians play "Beautiful Chic," truly it was the sweetest music this side of Heaven. They played good music for two hours to thousands of people.

Ben and Dickie Holcomb left Thursday for Hawaii to attend that state's convention of Young Farmers. They will stay at a hotel, but they have friends to visit and help them see the Islands.

JERRY LEINEN is in Naval Training Center (for his basic) at San Diego. His wife is the former Wynette Wilde. She is with Von's Cafe while he is away. Jerry is the son of Mrs. Frank Leinen of Nazareth.

And here is another one of Dimmitt's boys, home from Pleiku, Vietnam. He is Sp-4 Johnny Coody, son of Mr. and Mrs. Howard Coody. Johnny had surgery for gunshot wounds on his right ear. He was flown to Yokohama, Japan Oct. 16, and is now in the Williams Beaumont Hospital at El Paso. He expects to be transferred to another base soon. His folks made a trip to El Paso last week.

ALICE COWEN, Lottie Cosby, Frances Duke and Evie Froehner, Dimmitt teachers, attended a linguistics workshop in Amarillo last week — Spanish I believe — since she (Evie) tried a few words on me.

Bobbie Kemp of Caddo Lake gave her sister Evie Froehner a lot of fresh fish, so Mrs. Froehner gave herself a birthday party one evening and had a fish fry with hush puppies and everything and a little bridge later. Guests were husband Nolan, the Jim Pickenses, the M. E. Cleavingers, the Weldon Skinners, the Cecil Vandivers, the Joe Cowens, the Glen Ratelfs, the Frank Latimers, Gladys Benson (Joe couldn't come) his loss.

ABILENE Christian College had their big homecoming activities last weekend. Going from here were Jack and Myrna Miller, who left Thursday. Jack is one of the college directors. Others who went were Mr. and Mrs. Carol Webb, Gary and Diane, Mr. and Mrs. Elbert Summers, Mr. and Mrs. Travis Campbell, Mr. and Mrs. Carlos Calvert, Mr. and Mrs. Den Gregory, Mr. and Mrs. Ronnie Parker and boys going were Brent Miller, Mike Bell, Jackie Mathews. They were to see the ballgame and the musical "Oklahoma."

Mr. and Mrs. Gene Perry and small son of Fort Worth were here last weekend to visit Raeneal's parents Mr. and Mrs. E. L. Ivey and a sister Mrs. Clayton Graef Jr. Mr. Perry spoke twice for TANE at Hart in the morning service at the Negro mission and at 11 o'clock at the Methodist Church.

THE ANNUAL meeting of the States' mayors and commissioners met in Dallas the first part of this week. Going from here were Mayor and Mrs. George Bradford, Oleta and Noel Gollehon, Troy Kirby and E. B. Noble. They went early to see the Dallas Cowboy vs. New York Jets game Sunday.

Last week Noel and Oleta went to Austin to visit their daughter Kathy and husband Darrel Rankin and sons. Darrel is with the IBM Data Processing and has a much better job there than in Amarillo.

Mrs. Bill Bond and daughter Vicki of Dallas came up by Jet for a brief visit with the Sheffy clan.

TOM AND Johnny Davis had a few friends in Friday evening when friend David Hutchens of Easter and Bud Giles brought a big pot and fried up a lot of fish — all Tom did was eat. Later checkers were played and Johnny plays the organ for singing — probably 30 of the neighbors came in. They caught these fish a while back at Falcon and Conchos Lakes.

Bill and Ann Drake moved this week to Van Horn where Bill will be with the sulphur branch of Elcor Chemical Corp. They were given at farewell party in the fellowship hall at the Methodist Church Sunday evening after services.

Mr. and Mrs. R. J. Malone of Gerontimo, Okla., were weekend guests of their son D. H. (Mollie) and family. D. H. is with Elcor Chemical Corp. here.

CATHERINE Weinaug of Lawrence, Kan., is spending a few days with her sister Mrs. Kent Birdwell and family.

Mr. and Mrs. Lewis Johnson of Vernon were recent guests in the home of sister-in-law Gennie Bruton and Linda, and mother-in-law Mrs. Nettie Bruton of Kirbyville is here for a visit until after Linda's wedding this month to Scott Talley.

Mr. and Mrs. Jim Axe and daughter of Amarillo were Sunday guests of her parents Mr. and Mrs. Floyd Dickey and Grandmother Essie Dickey.

Dr. Keitha Davis, who has been studying medicine at a big hospital in Germany all summer is back in the States. She came by here to see her mother Aural Davis. Her friend J. Scott, a medical student from UCLA in Los Angeles, Calif., accompanied her home. Keitha left for Galveston Saturday where she is a senior in medical school. Janis flew in from her school in Denton and

Suzie was here from Amarillo to visit their sister.

Dr. David and Mary Bechtel were hosts at a dinner Friday evening for the Davis girls and friends.

GLADYS BENSON and Suzan, Atal Davis, James and Mildred Bradford and they say one-fourth of Dimmitt saw Tech of Lubbock whip TCU in the Saturday game.

But the big crowd from here went to the homecoming game, parade and barbecue at WTSU at Canyon Saturday. The Buffaloes were the winners 53-36 over Western Michigan's broncos. 14,500 fans saw the game.

And don't forget the Bobcats won their game at Lockney Friday evening. That cold wind didn't stop them. But it almost stopped their fans. The last game of the season will be here Friday night with Floydada — Let's go!

THE DIMMITT Chapter of Beta Sigma Phi is sponsoring a bridge tournament at the community center in North Hereford Sunday afternoon Nov. 17, from 2 to 5 p.m. Admission is \$1.50. Mrs. Jim Aldridge is inviting all of you who enjoy bridge to come. The gift will be a game table and chairs.

Several of the Stafford cousins of Pueblo, Colo. were weekend guests of Dora Houtchens and her sister and husband Mr. and Mrs. Joe Bager of Canyon who came over. Joe was druggist here several years ago. Mrs. Houtchens' children, the Roy Staffords and Charles Hestands, came by for coffee.

Troy and Kay Stafford and children of Tulsa, Okla., were here on business and also visited the Houtchens, Staffords and Killingsworths.

James and Mildred Burnam spent a weekend recently in El Paso. They went shopping or window seeing in Juarez. That is our foreign country.

Carl Burnam and Frank Gillis of Questa, N.M. were weekend guests of Carl's brother James and Mildred Burnam. The boys have a trout ranch up there and I believe they have a furniture finishing shop. This place is north west of Taos, the art place — and I hear that Velma Burnam Woodburn and her husband Frank live up there also. Frank grew up here, and is a retired railroad man.

Velma Holland flew up to Reno, Nev. to join her husband Soapy, who has land interests there.

Ann Singer and Beulah Wright went over to Umbarger Sunday to see all the people who came for the German Sausage Dinner. They wanted to buy bread — all the

food was sold.

THE SOCIAL Committee of the Castro County Country Club have planned a Mexican Fiesta Supper to be held Dec. 7 for all members of the club and their families. Service will start at 6 p.m. For reservations call 647-4502 by Dec. 2.

Sam and Virginia Gilbreath are home from Temple, Scott and White Clinic. Sam must live with his hurting hip. He is going to learn to play golf a different way. Ann says all the Touchstone, the

Ethridges, the John Merritts, Debbie Reed, Delton Moore were among the 14,000 at the WTSU game Saturday.

The high school basketball girls went to a workshop clinic at Wayland in Plainview all day Saturday. Some of the girls going were Ruth Dyer, Beverly Newman, Keri Kirkpatrick, Debbie Wilson, Sharon Barker, Carla Robertson, Sandra Robertson, Suzanne Merritt, Martina Doney, Le Ann Merritt, Vickie Winders, Pam Barker, Debbie Underwood and Julia Hottel.

Miss Linda Bruton Is Shower Honoree

Linda Bruton, bride-elect of Scott Talley, was honored with a bridal shower Saturday afternoon in the community room of the First State Bank.

IN THE RECEIVING line with Miss Bruton were her mother Mrs. Genevieve Bruton and Mrs. B. C. Talley. A special guest was Mrs. Nettie Bruton, grandmother of the bride-elect, from Kirbyville. Mrs. Faye Carroll of Meadow, long-time friend of the Talleys, was also a guest.

The table was covered with a cream colored lace cloth over forest green. An arrangement of bronze mums and yellow gladioli with votive candles centered the table. Miss Darla Kay served coffee and spiced tea from a silver service and Miss Darla Talley served cake.

HOSTESS GIFT was a set of stainless steel cookware. The hostesses were Mrs. J. O. Carpenter, C. A. Hance, J. B. Blackwell, R. O. Nelson, R. C. West, Noel Gollehon, Morgan Dennis, Bob Kay, Gene Ivey, Jack Tucker, Bruce Taylor, Tex Conard, D. H. Strickland, E. E. Gooch, Jimmie Pinner, Jim Hays, Glen Render, Artie Cone, B. L. Moore, Billy Lytal, Bill Harman, Oscar Gross, A. V. Barnes, Mary Frances McGaughey and Mrs. Raymond Hance.

Miss Bruton and Talley will be married Nov. 29 at the Northside Church of Christ with his father, performing the ceremony.

SEVERAL friends called during the day to wish her a happy birthday and her children, grandchildren and great grandchildren had a family party for her the evening of Oct. 29.

Jan Willis called from Lubbock and sang "Happy Birthday" and Jerry Morris called from Taiwan wishing her a happy birthday. She was 91.

Honorary Taps Robbie Sheffy

Robbie Sheffy, a 1968 Dimmitt High School graduate, was one of 11 students initiated recently into the Mary E. Hudspeth Honor Society at West Texas State University.

SHE IS THE daughter of Mr. and Mrs. Bob Sheffy of Hereford, former Dimmitt residents.

The scholastic association was formed by Mary E. Hudspeth, a long-time teacher at WTSU, to recognize freshman and sophomore scholars.

To be admitted, a freshman or sophomore must attain at least a 2.5 grade average of a possible 3.0.

Miss Sheffy is a sophomore at WTSU.

CLUB PRO GOLF Faircloth said club members may snoot their qualifying rounds from Friday through Nov. 21, and the first round of match play will get underway Sunday, Nov. 24.

Players will be bracketed for the tourney according to their qualifying scores.

A prelude to the first round tee-off will be a Dutch treat luncheon at the clubhouse Friday night, Nov. 22, Faircloth said.

ENTRY FEE will be \$5 per player. The first match will be played Sunday, Nov. 24, and the second match can be played anytime between Nov. 25 and 30. Final matches will be played Sunday, Dec. 1, and will end with the

October's Toll: 1 Dead, 11 Hurt

The Texas Highway Patrol investigated 15 accidents on Castro County highways during October, according to Sergeant W. E. Wells, Highway Patrol supervisor of this area.

THESE crashes resulted in one person killed, 11 injured and an estimated property damage of \$14,745.

The rural traffic accident summary for Castro County during the first 10 months of 1968 shows a total of 80 accidents resulting in four killed, 48 injured, and an estimated \$58,575.

WHY were your story and picture printed free in the News? Because advertising paid the cost. It's another good reason to shop Dimmitt first!

Now's the Time to Plan Holiday Foods and Gifts

By IRENE KEATING

Have you realized that it is not even six weeks until Christmas? **IT IS TIME** to be planning both foods and gifts. Now is the time to start on food preparation. Many baked goods, candies, etc. can be made now and frozen. Some cakes have a better flavor after they've stood for a while to let the flavor "soak in."

JOT DOWN how many guests you plan to have and how many complete meals you'll be preparing. Then make your menus for each meal you'll be serving. Re-

member to have well balanced meals.

In addition to meals you'll want to have snacks on hand for drop-in company and guests. If you'll start now and prepare what you can and freeze it you'll enjoy your holiday entertaining more. We have good recipes in our office if any of you would like to come by.

ANOTHER area of Christmas preparation is gift buying or making. It is best if you've already started this. To have a more sat-

isfied feeling after you're through shopping keep these things in mind.

First make a list of all the names and possible gifts for each. Then also put beside it the maximum you can spend. Then stick to it. Christmas is so much more fun if you don't have to worry about paying for the gifts. Keep your spending within your budget. Also if you don't charge you won't be plagued with Christmas bills after the new year. Almost all popular ladies magazines have suggestions for inexpensive gifts to buy or make.

THE OTHER area of Christmas is decorations. It is always a joy to go into a room that is well decorated. It sure puts us in a holiday mood, too. It is sure easy to make some attractive decoration. It is good to start now on them. Here are several suggestions.

Spray a tree branch with artificial snow, and put tiny twinkling lights on it. Set it on a styrofoam base with greenery and you have an attractive arrangement. If you have old Easter baskets around, paint them and fill with greenery, elves, balls, etc.

You can make a miniature Christmas tree out of a styrofoam core, greenery, balls, etc. Greenery, balls, pine cones, and candles can be arranged on mantles, bookshelves, etc. Use your imagination to create new and attractive decorations. You might like to decorate a cotton plant with ribbons, balls, etc.

Every magazine has many decorating ideas in it. Also you can get many ideas from the various bazaars that will be held the next weeks. They're a good place to get ideas, too.

I plan to make some decorations and have them on display in the office soon. If any of you have any decorating or food ideas do come let us know. Happy holiday planning!

The bride is a dental hygiene student at the University of Texas Dental Branch in Houston, and the groom is a department manager for the J. C. Penney Co.

Homemakers See Film on Nigeria

Tally Sorenson, a student teacher in the Dimmitt High School Homemaking Department showed a film to the Young Homemakers on Nigeria at their meeting this week.

HER FATHER was an information specialist for the Dept. of Agriculture in Nigeria. While in Nigeria Miss Sorenson attended the University of Nigeria.

Mrs. Clingsmith Honored With Birthday Party

Mrs. N. A. Clingsmith was honored with a birthday party on her 84th birthday Sunday by her son and daughter-in-law Mr. and Mrs. G. I. Clingsmith and her granddaughter Ruby Mae Halford.

Guests were Mr. and Mrs. Brad Seale of Plainview; Mr. and Mrs. Harry Reeves and son, Mr. and Mrs. Claude Cole of Tulsa; Mr. and Mrs. Robert Garvin and Mr. and Mrs. Ted Watts of Abenath; Mrs. Mary Green of Brownfield; and Mrs. E. M. Jones and children of Dimmitt.

Cub 'Pow Wow' On Tap Saturday

The annual Cub Scout Leaders Pow Wow in the South Plains Council will be held from 1 to 4:30 p.m. at Reese Air Force Base Saturday, according to Warren Green, director for the Scout Council.

DEN MOTHERS and assistants will participate in a county fair of crafts and games instruction for the first three hours in hangar 92. The men in Cub Scouting will have training sessions on pack management and the Webelos den during the same time in the base chapel annex. All leaders will assemble in the hangar for a presentation on ceremonies at 4 p.m.

More than 150 early registrants have indicated their plans to participate, Green said, and people can register at the Pow Wow if they choose.

Child care will be provided by members of the Women's Service Organization at Texas Tech.

Conservation Tillage Saves Crop and Soil

By CLAYTON JOBE

There are times when emergency tillage is necessary to save the crop and, even more important, the soil.

ROUGHENING the soil surface by such methods as listing, chiseling and sand fighting is considered only an emergency conservation measure and provides temporary protection to cropland against soil losses by wind erosion. These methods are necessary when vegetation is inadequate to control wind erosion.

Emergency tillage operations will be generally at right angles to the prevailing wind, and operations that result in ridges and furrows will be as near on the contour as possible, consistent with prevailing wind directions.

If you desire any further information on methods and technical assistance contact the Soil Conservation Service in Dimmitt or call 347-4324.

I-A Association Elects DuBose

G. L. DuBose, industrial arts teacher in Dimmitt High School, has been elected to the board of directors of the Texas Industrial Arts Association.

HIS TERM is for two years, and his first semi-annual board meeting will be at the Texas Industrial Arts Conference at Texas A&M in February.

Mrs. Tyson Wins In Tops Meeting

SGS Tops Club welcomed a new member and a guest as 18 attended last week's meeting.

LINDA TYSON was recognized as the Queen of the Week for attaining a weight loss of 3½ pounds and was presented a gift from the club's white elephant box.

During the short business meeting, conducted by Barbara Hargrove, members discussed ways of raising money for club projects.

Foundation Sends Three Scientists To Agronomy Meet

Three High Plains Research Foundation scientists will be among research personnel from universities, research stations and government agencies throughout the nation presenting reports this week at the 60th Annual American Society of Agronomy meeting in New Orleans.

Scientists from the research foundation presenting papers are Dr. Douglas F. Owen, senior agronomist; Loyd Langford, associate agronomist; and Jim Valliant, soil scientist.

Dr. Owen is presenting a paper on the effect of mechanical tilling on cotton yield and quality.

"In a three-year study at the research Foundation, six cotton varieties showed no significant reduction in yield from mechanical tilling," Dr. Owen states in his report.

In a report to be presented on cotton fiber properties and yield as affected by skip-row and interplant cropping system, Langford will state that during a three-year period, the interplanted and skip-rowed cotton at the foundation produced 23 percent and 18.6 percent more lint, respectively, than conventionally planted cotton.

Valliant will report on foundation studies concerning parallel bench leveling of sloping land.

In his report, Valliant will say that irrigating down slopes with a one to three percent grade is one of the most wasteful farming practices in the Texas High Plains. "Large amounts of water, both rainfall and irrigation, as well as tons of soil are lost or wasted each year on these slopes," he said in his paper filed for report.

C. C. Hanes Corn In Yield Contest

C. C. Hanes of Nazareth, with an outstanding yield of 183 bushels of corn per acre, has been entered in the 1968 DeKalb 200 Bushel Club.

HANE'S yield came from a field of DeKalb XL-45. His entry was mechanically harvested and verified by an impartial third party.

To attain his 183-bushel yield, Hanes used such management practices as early and thick planting, good weed and insect control, heavy fertilization and high population hybrids.

He planted in 30-inch rows at a seeding rate of 34,000 plants per acre. His estimated harvest stand was 30,000 plants.

HANE'S fertilizer application included 253 pounds of nitrogen, 72 pounds of phosphate and 25 pounds of potassium. Weeds were controlled with Atrazine and two cultivations.

The DeKalb 200 Bushel Club was begun in 1961. Its purpose is to promote friendly competition as well as discussion and idea exchange among corn farmers. The program attempts to encourage practices which will help farmers gain the maximum amount of net profit from each acre of corn.

Candy Sold Out For Halloween Shower Honors Donna Kay Goody

E. B. Noble, chairman of the Dimmitt Lions Club's recent Halloween candy sale has reported that the project netted \$360 for the city's new junior baseball parks.

THE candy project was a sell-out, Noble said.

Boss Lion Bo Bryant said, "We're like to thank everyone who bought our Lions Club candy for Halloween, and helped pay the note on our ball parks."

Donna Kay Goody, bride-elect of Sonny McIntosh, was honored with a bridal shower in the home of Mrs. William Patterson.

THE TABLE was covered with a white cloth and centered with an arrangement of white mums.

Serving as co-hostess was Mrs. Ruby Patterson.

The wedding is planned for 8 a.m. Friday in the home of Miss Goody's parents, Mr. and Mrs. Howard Goody, 811 W. Dulin St.

What Your Church Can Mean to You

- CHRISTIAN FELLOWSHIP... The joy of making new friends; of joining with them in worship and prayer, and participating with them in Christian Activities.
HELPFULNESS... Helpfulness, in the church, is a two-way proposition. You help the church in its needs; it helps you through guidance and faith, and gives you spiritual peace of mind.

HART OF Texas Tops Club met on Monday night in the community room of the Farmers State Bank at 7 p.m. for a salad supper.

After a short business meeting the Kolorie Counters, who were losers in a contest for the most weight lost for three months to the Twiggies entertained with a low calorie supper and group singing.

AT A RECENT meeting of the Hart FHA Chapter, plans were discussed to sell candles and a bake sale on Saturday, Nov. 23.

CONCENTRATION is the key to a good volleyball serve, as Mrs. Marilyn Carver demonstrates during a practice session Thursday in North Grade School gym. Mrs. Carver is on the PTA mothers' team that will play the lady teachers Saturday night in a benefit game for the schools.

BODY ENGLISH is sometimes necessary if you want to make that volleyball go the direction you hit it, Mrs. Dee Yates demonstrates during volleyball practice. In background is Mrs. Marie Winders, fellow member of the mothers' team. Two games will be played at North Grade School gym Saturday night — one between the mothers and lady teachers and one between the fathers and male teachers. The final practice session is today (Thursday) from 3:45 to 5 p.m., and more players are still needed.

Social Security Yields Interest

What about the 22-year-old, just starting his career of 43 years of work or self-employment before reaching age 65? What will he invest in social security and what will it bring him in return?

Using the current and projected tax rates, the employee will pay in \$16,490 toward his retirement benefit at age 65 (or \$39,700 if you add 3-1/2 percent compound interest on the assumption he would otherwise have invested that \$16,490 as the months went by).

With the average male life expectancy of 13 years at age 65, and with a wife also 65 (81 percent of men reaching 65 are married), the retirement benefits due him and his wife would total \$42,860 — \$3,160 more than the value of his social security contribution.

Actuaries state that under the schedule of contributions now in the law, the young worker will get social security retirement benefits worth 15 to 20 percent more than their own contributions plus an interest allowance. It appears rather certain they will get even more, for as wage levels continue to rise, income to the social security system increases at a rate faster than corresponding benefit liabilities. Future benefits can therefore be raised without further increasing the taxes.

Banks Still Main Source Of Farm-Ranch Financing

Texas banks were providing farmers and ranchers with more credit and other financial services than any other lenders at the beginning of this year, according to Tommie Stuart, chairman of the Texas Bankers Association agricultural committee and vice-president of the First National Bank, Fort Worth.

farm-ranch families, so that in the aggregate, the equity position of agriculture is being maintained at a satisfactory level, despite some claims to the contrary. He added that nationally, farm-ranch families have \$231 billion of their own funds invested in agriculture, representing 82 percent of the total capital requirements of the agricultural community.

Stuart stressed the importance of farmers and bankers working closely together to improve farm financial arrangements. He reported that nine out of 10 insured banks throughout the country had agricultural loans outstanding, with nearly 88 percent of the banks extending credit to farm and ranch people.

Based in the 27th annual farm lending summary of the Agricultural Committee of the American Banker's Association, quoted in the October issue of the Texas Bankers Record, Stuart said that at the beginning of the year, Texas banks were helping Texas farmers and ranchers with \$798 million in loans, 7 percent more than a year ago.

This total included \$656 million in production loans and \$142 million farm mortgages.

At the same time, \$587 million in farm loans was held by life insurance companies; \$439 million by the Federal Land Banks; \$195 million by Production Credit Associations; and \$91 million in non-real estate loans, plus \$15 million in real estate loans by the Farmers Home Administration.

About 77 percent of the production credit extended to Texas farmers and ranchers came from banks. Stuart said that "bankers in Texas are conscious of the large capital investments required in agriculture today, and are making a concerted effort through improved lending programs to meet these changing credit demands of the state's farmers and ranchers."

The increased use of credit by farmers and ranchers, Stuart said, has been accompanied by a substantial gain in the total assets of

Trials of Contemporary 'Job' To Be Discussed Sunday Night

The tribulations and reactions of a modern-day Job will be discussed at the First United Methodist Church Sunday night when Robert Farrer, speech and dramatics coach at Dimmitt High School, presents a lay sermon on "The Message of J.B."

Scout Roundtable Leaders. The monthly Roundtable program in the districts is the key to stronger programs in Cub Packs and Scout troops, Oehler said.

THE PROGRAM, which will begin at 6:30 p.m., is sponsored jointly by the Presbyterian Church and the First United Methodist Church.

As a prelude to the joint service, Methodist pastor Jim Pickens and Presbyterian minister C. Michael Kennedy have been discussing the theological meanings in the Biblical story of Job in recent sermons.

In his sermon Sunday evening, Farrer will discuss what playwright Archibald MacLesh is

trying to say morally in his play, "J.B."

THE PLAY is about a contemporary Job, a modern Everyman beset by troubles which he can neither control nor comprehend.

Following the service, an open discussion will be held in the church's Lamar Fellowship Hall, with Farrer, Rev. Kennedy and Rev. Pickens on the panel.

Sen. Ralph Yarborough Congress Aids Consumer

By Sen. Ralph Yarborough (D-Texas)

The 90th Congress which adjourned four weeks ago was a "consumer Congress"—a Congress deeply concerned with protecting American shoppers and buyers. We in the 90th Congress sought to guarantee that when Americans spend a dollar in the market place, they get their dollar's worth of goods or services.

THESE consumer bills are in the best tradition of the American free enterprise system because they assure fair prices and fair competition in our stores and businesses.

Probably the most important consumer measure we passed was the "Truth-in-Lending" Act, which I co-sponsored. It requires lenders to spell out clearly—in dollars and cents—how much credit costs. It's aimed at wiping out the frauds and unethical practices of a few in the lending business who give the whole loan industry a bad name.

Under this bill the lender must tell you, when you get a loan, what it will cost and how much the interest percentage will be.

BACKACHE & TENSION SECONDARY TO KIDNEY IRRITATION

Common Kidney or Bladder Irritations make many men and women feel tense and nervous from frequent, burning or itching urination night and day. Secondly you may lose sleep and have headache. Backache and feel older, tired, depressed. In such cases, CYSTEX usually brings relaxing comfort by curbing irritating germs in acid urine and quickly easing pain. Get CYSTEX at drugists.

each year. As President Johnson said when he signed this bill into law, "The lender knows the penny how much interest he charges. We don't think it's too much to ask that he tell the borrower."

The Truth-in-Lending bill does not prevent high interest rates, but it does require that the interest rate be clearly known—in hidden in fine print.

AND THEN there's automobile insurance. All of us who own cars have wondered why our insurance rates have climbed so high. In Texas we have more

Turkey Supper Tickets on Sale

Bobcat Band members are now selling tickets for their annual Thanksgiving Supper, to be held Nov. 23 in the South Grade School cafeteria.

SPONSORED by the Band Boosters, the supper will include turkey with dressing, cranberry salad, etc., and a prune cake dessert. Dinner music will be furnished by Janice Mooney, National FHA pianist, and by the high school stage band.

Band parents will prepare and serve the meal, while members of the band clear tables and wash dishes.

Tickets are \$1.50 for adults and 75 cents for children 12 and under. Proceeds will be used to help pay for the annual band trip this year.

than six million drivers, and all of us have felt the pinch of higher rates.

CONGRESS passed a bill to help protect Americans from dangerous radiation from appliances and color TV sets; but that bill does not extend to the workers in the factories manufacturing those appliances and TV sets. Only recently have doctors and scientists discovered that the appliances in our home, and the television set that our family watches can actually emit a radioactive substance that causes genetic harm to human beings.

That is why we passed a bill requiring the manufacturers of these TV sets and other appliances to inspect their products to assure protection to the buyer and user. I amended the bill to require on-the-job safety precaution for workers who deal with radiation in the factory, but unfortunately that provision was eliminated in the final days of Congress by the Conference Committee.

J. B. Blackwell's Mother, 96, Dies

Funeral services will be conducted in Littlefield today (Thursday) for Mrs. Florence Ella Blackwell, mother of J. B. Blackwell of Dimmitt.

MRS. BLACKWELL, 96, died at 5:30 a.m. Tuesday in West Plains Hospital in Muleshoe. She had been a resident of a Muleshoe rest home for the past five years.

Last rites will be at 1:30 p.m. in the Parkview Baptist Church of Littlefield. Burial will be in Littlefield Cemetery under the direction of Hammonds Funeral Home.

First Christian Men and Boys Lag in Contest

At the halfway mark in the First Christian Church's Sunday Bible School 12-week attendance contest between the M-B's and the W-G's (men and boys vs. women and girls), the M-B's are now 21 behind. But the average attendance for the October-December quarter shows a 32 percent gain over last year.

Bible School meets each Sunday at 9:45 a.m. Roy Johnson is superintendent.

MINISTER Bedford W. Smith's 10:50 a.m. service theme Sunday is entitled "The Master Builder." At the 6 p.m. hour he will preach on "Our God in Remote Control."

The Women's Council of the church has adopted two children of the Cookson Hills Christian School and Home for Homeless Children in eastern Oklahoma. They are busy now preparing a Thanksgiving box of clothing and other gifts for Tommy Shreeman, 12, and Paulette Brewer, 6. The council plans to furnish all their personal needs. Mrs. Buck Kenworthy is president and Mrs. Kent Gabel is the council secretary-treasurer.

Minister and Mrs. Bedford W. Smith are the proud grandparents of Melissa Lee Smith, born to Prof. and Mrs. B. David Smith of Kearney, Neb. David, their son, is a member of the English faculty of Kearney Nebraska State College.
