## Town Topics

**THE NEWS** acknowledges with thanks, a picture of Dimmitt High's girls' basket ball team, which gave to Dimmitt and Castro county much favorable publicity last month when they came within a few points of being acclaimed the best girls' team in the state, at the Celeste tournament. We understand that each firm and individual who contributed money to make the trip possible for the girls, has been favored with a like picture. It is a gift to be proud of and we extend thanks to the donors, and say again—you lost the title, but won the tournament and the hearts of all who followed the contests!

It has been rumored in Dimmitt for the past two weeks that we were to have an ice plant this summer. The News has been unable to learn the exact status of the proposition, but we have been informed that certain citizens are interested in enlisting the city in such a project, now that an adequate water supply is assured.

It is the hope of the News that the ex-service men of Castro County will not turn their backs upon an organization—the American Legion—that has done for them, individually and collectively, more than any other single unit. The Castro County Post was organized some time ago, but it seems that our world war veterans have been, to a certain extent, indifferent as to whether or not we had a post here. It is regrettable that such a condition exists, and we trust that the men will show their interest by attending the meeting this week and prevent a complete disbandment of the activities which are solely to their interests!

## Corner Stone of Methodist Church To be Laid Friday

The laying of the corner stone of the new Methodist church, basement of which was recently completed, will take place on Friday evening of this week, and the following program has been arranged, to which the public is cordially invited, and will begin at 6:30, and to which all members of the church urged to attend:

Rev. J. R. Bright, Pastor, in charge of services.  
Hymn.  
Invocation.  
Laying of Corner Stone.  
Address, "Significance of the Corner Stone"—C. A. Cryer.  
Address, "Sacrifice and Labor Leading to This Event"—L. P. White.  
"Religious Significance of This Event"—Rev. B. Morton.  
Doxology.  
Benediction.

## New and Modern Meat Market to Open Friday

One of the most modern and up-to-date markets in this section was installed in the M System Grocery this week, and will open for business on Friday.

An Ed Friederich Electric Freezer Counter has been installed, which insures the best preservation for meats. The equipment is sanitary, and the public is cordially invited to call and inspect it Friday or any time there after.

The market will be in charge of T. S. Robbs, well known in Dimmitt, who just a short time ago moved to Canyon, but who is returning here. Floyd Thomas, of Haskell, and an experienced meat cutter, will be connected with the shop. Mr. Robbs will have charge of the butchering for the new market.

## Night Poultry Sessions Will be Resumed Tuesday

The free nite poultry school, being conducted at then new high school by T. V. Weaver, vocational agriculture teacher, will meet next Tuesday night, April 22, after a vacation of several meetings, resulting from a request of several of the interested farmers who have attended regularly.

According to Mr. Weaver, several able poultrymen have been engaged to assist in the school, and an urgent request of all farmers or others, interested in better poultry raising, to attend, is issued.

The classes will meet as usual in the new high school building at 7:45 p. m. each Tuesday night and will be in session for one and one-half hours.

All poultry fanciers are urged to attend this school.

## Road Projects Swamp Court This Week

At their regular monthly meeting Monday of this week the commissioners' court was busy with road petitions, six of which were approved, as follows: the Geearge

George Bagwell road, located west of Dimmitt—report of the jury of view accepted and road ordered opened.

E. E. Herring road, located west of Dimmitt—jury of view appointed to lay out the road.

Latham road, located west of Dimmitt—report of jury of view reconsidered by court and same accepted and road ordered opened.

L. O. Norman road, in northeast part of county—jury of view report accepted and road ordered opened.

M. W. Burks road, in northeast part of county—petition accepted and jury of view appointed by court.

Carl Frye road—report of jury of view accepted and road ordered opened.

Other than the canvassing of the votes cast in the school election on April 5, the only other business transacted by the court was of a routine nature.

## Instructions for Obtaining City Water Are Announced

Instructions as to the procedure in securing municipal water service have been issued by Bert Huckabee, city clerk, and are as follows:

Persons desiring service, and where the main is adjacent to their property, will be required to pipe from the house or building, to the meter box, then make the required \$10.00 meter deposit and \$17.50 connection charge, after which service will be given by the water department just as soon as possible.

## Wheat Growers Will Elect Directors Fri.

The Dimmitt Local of the Texas Wheat Growers' Association will meet Friday night of this week, at the courthouse, for the purpose of electing a board of directors, and discussing plans for the building of an elevator in Dimmitt, according to an announcement received by the News and signed by J. C. Williams and P. H. Dyer, Committee.

The most severe wind and sandstorm of the past twelve months visited Dimmitt and Castro County Wednesday of this week, beginning early in the morning and continuing thruout the day.

## HOME BEAUTIFUL TO BE STARTED AT EARLY DATE

Willson & Son Lumber Co and Castro County News Are Sponsors.

The Castro County News and the Willson & Son Lumber Company announce this week the inauguration of a Home Beautiful for Dimmitt, complete details of which will be published next week in these columns. Willson & Son, thru their local manager, O. Stevens, will begin the erection of this home, to cost in the neighborhood of \$5,000.00, at an early date, and with the assistance of Your Home Paper, will furnish it complete, after which the public will be invited to inspect it, thereby giving the housewives an opportunity of gaining ideas embodied in the construction, plan, and furnishing of their home.

The home will be modern in every respect, and will be furnished, it is expected, by local business concerns, including even the groceries in the kitchen.

Watch for further particulars about the "Home Beautiful" in Your Home Paper next week.

## ATTENDING PRESS MEET AT MEMPHIS THIS WEEK

The editor of the News will attend the 23rd annual meeting of the Panhandle Press Association, to be held in Memphis, Hall County, on Friday and Saturday of this week.

Celebrities such as Joe Taylor, of the Dallas News, and Col. "Tack", of the Amarillo News-Globe, are on the program, and our return before Monday is not guaranteed, as approximately 300 newspaper men are expected at the convention.

## Local Department Store Takes High Place in Contest

Out of twenty-three stores, owned and controlled by the Carter-Houston Company, the Dimmitt organization lead in sales for the month of March, in proportion to the size of the store and town. Mrs. E. C. Holland, employed in the local store, was fifth among 260 employees, winning a cash prize. J. C. Stringer, manager of the Dimmitt store since last June, headed the list with leading sales for managers, in the contest, which created a great deal of interest in the organization.

The Carter-Houston Stores are owned exclusively by Panhandle people, and their policy is progressive in every way, and it is gratifying to the News that this prize-winning store has used a regular space in this paper since the present management took charge last summer.

## LEGION-AUXILIARY MEET FRIDAY NIGHT THIS WEEK

The Castro County Post, No. 445 of the American Legion, will meet in regular semi-monthly session on Friday night of this week, together with the Ladies' Auxiliary of the organization.

This post was organized several months ago, with prospects of a very active organization, but, according to Post Commander Thomas Bice, interest has lagged, and it is the intention of the post officials to ascertain, from the attendance at the meeting this week, if it is the desire of ex-service men of Castro County to maintain a post here or not.

With this in view, all veterans of the world war are urged to attend the meeting, which will be held at the court house at 8 p. m., and thereby show their interest in the Legion and its activities.

## Many Visitors Are Expected at High School Tonight

A large crowd is expected at the official dedication of the new Dimmitt high school building, to take place this (Thursday) afternoon and tonight.

Besides talks by local citizens, P. W. Horn, of Lubbock Tech College, will make the principal address at eight o'clock this evening.

The Dimmitt band, under the direction of Charles H. Dean, will furnish music for the occasion.

Open house will be held during the afternoon, and all citizens are cordially invited to attend, and inspect the building.

## NEW PLUMBING SHOP OPEN FOR BUSINESS

J. W. Boren, of Memphis, has moved to Dimmitt and entered into a partnership with R. V. McMahon in a modern plumbing and sheet metal shop, located in the W. H. Caldwell machine shop building, west of the court house.

Their ad in this week's News states that they are prepared and equipped to do any kind of sheet metal and tin work, plumbing and gas fitting, and they solicit the patronage of News readers.

## TWO HUNDRED SMALL CHICKS LOST BY FIRE

Harold Hunter lost 200 small chickens Monday night when the chicken house, near his home in the north part of the city, caught fire from the brooder stove. The fire started near midnight, but did no damage other than destroying the chicken house and burning all of the small chicks.

## Tickets Going Fast For Excursion on Sunday, Apr. 27

According to W. P. Ray, who is originator of the idea of the County Excursion, to be taken to the Tunnels and Gravel Pit, located in Briscoe County, over the Denver, on Sunday, April 27, the guarantee of 150 passengers is practically assured, and it is very likely that close to 300 will make the trip, which will probably mean more equipment than originally planned by railroad officials.

It has been reported that Rev. N. M. Gilbert would hold services at the Tunnels in the afternoon, but according to Mr. Ray, Rev. Gilbert will be unable to attend, due to being absent from Dimmitt on that date.

The train has been ordered, and a complete schedule of the round trip will be found in an advertisement in this issue of the News.

## Castro Citizens Honored at Banquet

Mr. and Mrs. W. G. Baxter, Mr. and Mrs. Edwin Ramey, and Mrs. J. W. Carter, attended a banquet in Canyon last Friday night, given by the Panhandle-Plains Historical Society, and at which time many old-timers and pioneers of this section, were honored, among them Mrs. Carter, mother of the first white child born in Castro County, and affectionately known as the "God-doctor in Castro County."

In commenting upon the banquet, the Amarillo News-Globe said of the Castro County guests:

"Mrs. J. W. Carter, 'the god-mother of Castro County', was honored at the banquet Friday night. Hundreds of cowboys owe their lives to the care and attention of this wonderful woman in the days when there was not a doctor in Castro county."

"Ask G. W. Baxter, of Dimmitt, to tell you how he kept a foreign museum from getting interesting relics that by rights belonged in the Panhandle."

"Edwin Ramey made a real sacrifice to attend the meeting. 'Goose', as he is affectionately known, has a half-breed goose setting on some wild goose eggs and it is time for them to hatch. 'Goose' insists that he will yet raise a wild gosling."

It is the intention of this Society to create a museum, to cost \$50,000, on the campus of the West Texas State Teachers' College in Canyon, to commemorate these pioneers, many of whom are still living, and taking an active part in the present-day development of the section in which they saw so many hardships in years past.

A complete and detailed story concerning this memorial and the Society, is being prepared, and will be published in the News at an early date.

## DIMMITT PRODUCE CO. WILL DELIVER ICE

Announcement is made in the News this week that the Dimmitt Produce Company will handle ice this summer. A large storage box has been erected at their place just west of the court house and they are now ready to give curb service, and will start daily deliveries at an early date.

Floyd Reynolds has charge of this new department, and their phone number is 100, of which they ask you to make free use of in case you need ice in a hurry.

## TULIA COUPLE APPLIES FOR MARRIAGE LICENSE

Charles J. Jackson and Ruth Elois Cantrell, of Tulia, applied Tuesday night to County Clerk, Mrs. R. B. Boren, for a marriage license.

## JUDGE CLEMENTS PRAISES CASTRO TO GRAND JURY

Judge Charles Clements Commends Citizens for Few Law Violations Here.

The April term of district court opened in Dimmitt Monday morning with Judge Charles Clements and Meade Griffin, district attorney, both of Plainview, present.

The grand jury was sworn in and instructed by Judge Clements, to fully inquire into all violations of law in the county, and to especially investigate any alleged violations of the prohibition laws.

Judge Clements was very complimentary of the good condition in this county, with respect to law violations, and commented most favorably on the fact that, in spite of the growth in population here in the past few months, violations of the laws had not increased to a noticeable extent.

In his talk he said, in part, "the people of Castro County are to be commended on their stand for law enforcement, and with continued effort on the part of the good people of the county, violations of law will decrease, and the cost of courts will also decrease; and that this county will continue to grow and develop into a county with good towns, excellent schools and splendid churches. And the courts and laws will become, as they should be, the safeguards of society and the foundation of civilization. We should all work to that end."

Three divorces were granted on Monday, and the following other cases were taken up and disposed of as noted, or set on the docket:

Abernathy vs. Merryman, set for April 28.

Kerr vs. Crum, set for April 25.

Armstrong vs. Oxford, set for Friday, April 18.

Alexander vs. Ft. Worth & Denver Ry., set for April 28.

The cases of Davis vs. Smith, and Davis vs. Bank, were dismissed, on motion of plaintiff, at cost of plaintiff.

The criminal docket will be taken up next week, and the case of State vs. J. Z. Johnagan, charged with criminal assault, was set for next Wednesday, April 23.

The court will be in session for (Continued on fourth page)

## TALKING ABOUT US!

Castro County News, Dimmitt, Texas. Gentlemen:

I attach hereto my check to the order of Castro County News in the sum of \$2.50 in payment of subscription for a period of one year commencing April 1, 1930.

For a great many years my father spent quite a lot of time on the ranch which he owned, and became very much attached to the country. I have only been in the Panhandle on two occasions for short periods of time in each instance, but can readily see why my father was so attracted by the country. The people are so friendly, and anxious to help you in every possible way, that it must be a delightful place to live.

After considerable investigation, we have decided that the country has much to offer in the way of future growth and development, and for that reason we are going to continue to own and operate at least a part of the property which belonged to my father at the time of his death.

Yours truly,  
ROBERT D. NEELY,  
Attorney-at-Law  
Omaha, Nebraska.

It will be recalled by News readers that several weeks ago we published details regarding the Gold Star trips, offered by the Government to mothers of American soldiers buried in France.  
 While no applications have been filed in this county, and it is not known that there are any eligibles residing here, there will be a total of 128 make the trip from Texas, 79 going this year.  
 The pilgrimage will be made this year between June 15 and August 31. The trips will be given by the Government during 1930, 1931, 1932, and 1933.  
 In Texas, 161 have advised the Government that they did not wish to make the trip, and 35 have not responded to the inquiry as to whether or not they desired to visit France under the proposed plan.

"No, madam," replied the surgeon, "I think not."  
But still she was not satisfied. "But," she continued, "how long will it be before I know anything?"  
"Madam," replied the other gravely as he signalled to his assistant that he was ready, "don't you think that is asking a great deal of the anesthetic?"

**Konjola Only Medicine That Did Any Good.**

New Medicine Banished Kidney and Stomach Ailments After Others Failed.

MR. M. L. ABBOTT

"I suffered for two years with kidney trouble," said Mr. M. L. Abbott, 600 East Hattie Street, Fort Worth. "I have scarcely been able to do any work. Lifting or turning my body was a signal for severe back pains. Night rising were frequent. My stomach, too, added to my misery. Anything I ate caused gas and a severe pain in the pit of my stomach."

"Konjola is the only medicine that did me any good. I now feel better than I have for many a day. I can eat what I wish without suffering and the pains in my back are gone. My kidneys now are functioning normally. Konjola has gone right to the spot in my case and I praise this wonderful medicine for all that it has done for me. A medicine that did all Konjola did for me can help others and I am recommending it to a lot of my friends who are suffering as I did."

Konjola is not a "cure-all". There is no such thing. But when taken for from six to eight weeks, Konjola will produce amazing results. The countless thousands of endorsements of Konjola have proven that it makes good, even in the most stubborn cases.

Konjola is sold in Dimmitt, Texas, at the Gunter Drug Co., and by all the best druggists in all towns thruout this entire section. (Adv.)

Considering the fact that 3,000 or more persons were turned away from the three performances of the famous show in Amarillo in February, Wilbur C. Hawk, President of the Tri-State Fair, under whose auspices they will appear, an early ticket sale has already started, and persons wishing to attend should make reservations at once, as this will be the last opportunity to see this Biblical story of Christ's activities during Passion week, portrayed.

Three performances, two nights and a matinee, will be given on the return engagement, and all seats will be reserved for each show. There will be no advance in prices. Seats will range from \$1 to \$2.50 for the night performances. For the matinee, school children will be admitted for 50 cents, school teachers for 75c and adults for \$1 in the balcony and \$1.50 for the first floor.

Reservations are now being accepted by mail. Those writing in should specify the performance they wish to attend, whether Tuesday or Wednesday night, or Wednesday matinee.
