

Firemen Stage Surprise Drill At Grade School

Dimmitt volunteer firemen focused city-wide attention on National Fire Prevention Week currently being observed all over the United States, by carrying out a surprise fire drill at the local grade school, Wednesday morning.

The school alarm was sounded promptly at 9:25 a. m. and the whistle at the fire department went off two minutes later. Fire trucks and an ambulance arrived on the scene at 9:29. Displaying splendid cooperation school children vacated the building and marched across the street in one minute and 13 seconds. Everything was executed with precision performance, firemen indicated, and the drill was a big success.

Very pleased with the drill, Grade School Principal W. E. Reisdorph said, "I would say that clearing 692 children from the building in one minute and 13 seconds is considered record time and requires plenty of teamwork and efficiency. I am very satisfied with the way everything was handled."

Immediately after the drill pupils gathered in the gymnasium to hear Ray Bearden, a Dimmitt Volunteer fireman, give a brief talk on fire hazards and the use of fire equipment. Bearden reminded pupils that Fire Prevention Week is of national scope and called their attention to common fire hazards that are often overlooked. Electrical wires in the home, closets, under stairways where objects accumulate, waste baskets, match boxes easily accessible to small children, washing clothes in gasoline and servicing a tractor that is running, are only a few common fire hazards, Bearden pointed out.

Bearden and other volunteer firemen displayed fire fighting equipment used by the local department, such as an iron lung or respirator and fire proof asbestos suits. They also demonstrated the use of this equipment and such small pieces of equipment as chemical extinguishers and fire spotlights. Firemen concluded the drill by praising pupils for their cooperation in helping to make the drill a success.

Dimmitt firemen also carried out a fire drill at the Nazareth School Wednesday afternoon and have scheduled a drill at the local high school for next week.

1300 Bales of Cotton Ginned

A check with cotton gin operators over Castro county this week reveals that approximately 1300 bales of cotton have been ginned in the county as of Thursday.

All operators report that lots of cotton is open in the county but a shortage of pullers makes it impossible for farmers to get their cotton into the gins faster. Most of the cotton ginned thus far is reported to top grade and staple. The greater portion of this year's yield will go into the loan. Close to a bale an acre is estimated despite hail and wind storm damage, bringing the county's predicted yield to around 60,000 bales.

Indications this week were that more pullers will be available soon as more were signing up at the local wage labor office. The bulk of the pullers have been working in Central Texas but are beginning to move into this area.

Evangelist Cites Need for World Revival During Tuesday Lion Meet

In a talk before the Tuesday luncheon meeting of the Dimmitt Lions Club, the Rev. Joe Boyd, who is currently leading a tent revival here, emphasized the need for a world revival and more spiritual leadership by man.

Rev. Boyd, guest speaker at the meeting, cited the story of Gideon in the Old Testament and how he was strengthened by God to lead a handful of men against an enemy numbering in the thousands. He told the group of how Gideon started a spiritual crusade by cleaning out his own home; pointing up the urgent need of the same now.

The speaker continued, "I believe the world is in a more crucial period now than ever before." He qualified this statement by

Hart Legion Post Elects Officers

The Hart American Legion Post Number 311, meeting in its recently completed new building elected officers for the next fiscal year. Ed Harris and Ralph Futrell were named Commander and vice-commander respectively.

Others elected follow: W. A. Hawkins, 2nd vice-commander; Bob Cranford, adjutant; Ed Bennett, finance officer; Rodney Smith, historian; Frank Silton, chaplain; Bud Steirt, sergeant at arms; Bill Gilmore, reporter; and color bearers, Charlie Sanders and R. S. Henderson.

The Hart Legion Post meets the first and third Tuesday of each month.

Program Would Promote Business And Growth

Castro Chamber Proposes City "Goodwill" Program

At a meeting of the Castro County Chamber of Commerce board of directors Tuesday morning the possibility of getting a "city hostess" program underway here was discussed by members.

Director Don Gladman explained the benefits, purpose and type of such a program in Dimmitt. He said a small leaflet or booklet with pertinent information about the city on its cover and containing coupons redeemable in merchandise at the various business houses on the inside, could be printed at a minimum cost. It was also pointed out that a person or persons would be responsible for distributing the booklets to new residents and welcoming

them to the city. Members agreed that the program could serve to encourage business at home and promote goodwill as well as attract new residents to the city.

If the chamber of commerce proposed project is approved Chamber Manager Bill Davis will carry the "goodwill" program to new rural residents while Dimmitt Credit Bureau Secretary Ruby Jones will give the booklets to new city residents and officially welcome them to Dimmitt as "city hostess." General feeling among members at the meeting indicated that adoption of the program was favorable.

Members agreed to let the chamber retail merchants com-

mittee put the program before Hart merchants to find out if that community wants to participate in the project.

Chamber President Joe Benson disclosed that an offer has been tendered the chamber for the purchase of the Mexican labor camp here. No decision was reached on this matter, however. Davis told the group that the West Texas Chamber of Commerce contacted his office earlier to get approval of a chamber luncheon here on Oct. 28 at which time a Shamrock oil official from Amarillo would give an address. Purpose of the luncheon and address, which would be under the joint sponsorship of the local chamber and West Texas Chamber, is to build membership in both organizations. Members voted approval of the project.

Directors briefly discussed Christmas decorations for the city; deciding to refer the erecting and purchasing of any additional equipment to the fire department, the same organization that handled the project last year.

Davis requested and was granted some help to erect a number of street signs that still haven't been placed at residential intersections. The group agreed that this project would be completed soon.

Director "Slim" Vardell told members that Silverton businessmen have requested that a local delegation represent Dimmitt at a Highway 86 meeting. Purpose of the meeting is to help put over the project which calls for the redesignation of Highway 86 so that it would eventually serve as a transcontinental highway. Members voted to send a delegation to the meeting which will be held at an early date.

At the conclusion of the meeting members voted to change the date of each monthly meeting from 10 o'clock to 10:30. Meetings will continue to be held the first Tuesday of each month.

Well Application Fees to Be Required

County Water Committee Adopts New Irrigation Well Spacing

Members of the Hi-Plains Underground Water Committee of Castro county, meeting in regular session recently, adopted spacings of irrigation wells as proposed by district committee members at a meeting in Olton, September 9. The group also elected officers to serve for the remainder of the current year.

The new well spacing specifications with the first figure standing for inside diameter of pipe column, second figure for maximum yield, and third figure for minimum distance between wells, follows, 600 gals GPM, 300 yards; five inches, 350 gal. GPM, 250 yards; and four inches or less, 200 gals, GPM, 200 yards. There are no restrictions on wells pumping less than 100,000 gallons in 24 hours.

Specifications for industrial, municipal, or continuously operated wells, with figures design-

nated in order for inside diameter of pipe column, maximum yield, and minimum distance between wells, are as follows: ten inches, 200 gals, 500 yards, 300 yards; eight inches, 1000 gals, 400 yards, 200 yards; six inches, 600 gals, 300 yards, 100 yards, five inches, 350 gals, 250 yards, 50 yards; and four inches or less, 200 gals, 200 yards, no specification. No restrictions are enforced or wells pumping less than 100,000 gallons in 24 hours. On wells carrying more than a ten inch column pipe or pumping more than 2000 gallons, a special permit is required from district directors.

Committee members passed a motion requiring that a \$25 application fee accompany each application to drill a well. If well logs and registration forms are returned, however, the deposit will be refunded. This ruling, already in effect in other areas, went into effect here on October 1.

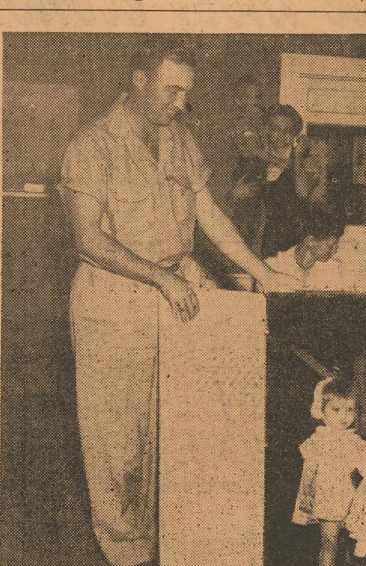

The procedure for approving well applications was discussed and the following was adopted: 1. As often as possible, a committeeman to make prior investigation. 2. Applications that exceed the minimum requirements may be approved by any three members. 3. An application that has a request for a permit with spacings within the minimum requirements may not be approved except in a called meeting or at a regular meeting of the board of directors and at which at least three members are present.

Elected committeemen chairman to serve the remainder of the year was P. L. Cunningham. E. L. "Gene" Ivey was elected secretary-treasurer. A total of 210 applications to drill irrigation wells in the county have been approved by the committee since February 1 of this year.

Members voted to hold regular meetings hereafter on the last Saturday of each month at 2:30 p. m. Any farmer having a special problem may bring it before the meeting for discussion during a regular meeting.

Mr. and Mrs. Allan Webb and Mesdames Sam Gilbreath and Sybil Gilbreath flew to Dallas last week-end on pleasure and business.

Born Sunday, September 27, to Mr. and Mrs. Bud Wesson, a son. The young man, weighing in at 2 pounds, 8 ounces, was named Richard Craig.

Puzzled—The little daughter of Mr. and Mrs. Edd McLeroy of Dimmitt peers into a large mirror somewhat perplexed and not sure of the reflection that greets her. The mirror was presented the McLeroys during a meeting of the Sunnyside Community Progress Club in the community building, Friday night. The gift is a token of the community's appreciation for the services the McLeroys have rendered the community during and since the time he was Castro county agent.

270 Applications For Drouth Aid Are Filled Here

Castro county farmers received a total of 1,711,930 pounds of drouth emergency feeds before the drouth relief program was discontinued here on September 1, according to Horace Blagg, the local PMA office. Castro was one of several West Texas counties that were removed from the drouth emergency program by the state PMA office on that date.

A breakdown of the feeds that were distributed to some 270 county farmers who applied for it follows: cotton seed cake, 599,930 pounds; cotton seed meal, 176,000 pounds; oats, 586,000 pounds; and corn, 345,000 pounds.

A request that Castro county be reinstated to the drouth emergency program has been submitted to the state PMA committee by the county committee. Blagg said no reply had been received as yet but that the committee would probably hear this week. Reinstatement is considered favorable, he added.

The PMA secretary said he still has approximately 150 applications for drouth feeds that have been filed with his office since September 1. All applications that were received before the emergency relief program was terminated were approved and filled.

Pvt. KENNETH WARD

Pvt. Kenneth Ward Trains at Ft. Dix

Private Kenneth D. Ward of Hart arrived at the 9th Infantry Division Headquarters at Fort Dix, New Jersey, recently and has been assigned to Company M, 364th Infantry of the 9th Infantry Division for 16 weeks of basic training.

The son of Mr. and Mrs. Roy Ward of Hart, young Ward attended Hart High School prior to entering service. He was formerly employed by Bob Bettmott of Hart.

During his training period Ward will receive instruction in general military subjects, infantry weapons and tactics as well as a character guidance program which is under the supervision of the Post Chaplain. Upon completion of his basic training he will be eligible for consideration to receive additional instruction in a Leadership Course and may submit application to attend Officers Candidate School.

Rites Held For Castro Pioneer

Funeral services for Frank J. Axe 75-year-old pioneer Castro county resident who lived in the Jumbo Community, were held Sunday at 3 p. m. from the First Presbyterian Church of Hereford. The Rev. Russell Wingert, pastor, officiated. Interment was in the cemetery there. Mr. Axe died Friday afternoon in the hospital at Hereford after a long illness.

Born in New Orleans in 1878, Mr. Axe married Permia Ricketts at Itasca in 1901 and they came to Castro county in 1903. He was a retired farmer and rancher and a member of the Presbyterian Church.

Mr. Axe leaves his wife, four sons, Lynn, Fred, Wilburn and Anderson, all of the Jumbo Community; and 14 grandchildren.

Palbearers were Press Dyer, Earl Springer, J. E. Andrews, E. T. Brooks, H. C. Baird and Reed Williams.

Victorious Cats Rated 1st Again; Prep for Powerful Olton Eleven

The Dimmitt Bobcats, riding the crest of four straight victories, were the unanimous choice of Panhandle sports writers again this week for the coveted number one spot among class "A" teams. The Cats managed to keep their top rating by squeaking out a 25-20 win over a strong and stubborn Panhandle team.

Springlake kept its number two ranking intact by throttling a favored District 2-AA Muleshoe team by the score of 12-7. The Wolverines displayed signs of power; a warning to other teams in its district of things to come. The rankings of other teams in the top ten remained pretty much the same with the exception of New Deal which bettered its rating by five notches; jumping from ninth to fourth place after downing Amherst.

Meanwhile Coach Leo Fields, prepping his squad for one of the stiffest tests of the season, stepped up workout in Bobcat Stadium, emphasizing pass defense. Fields, not taking any chances with the highly potent Olton Mustangs, primed his team for every trick in the books.

Ranked as the powerhouse of District 2-AA Olton has one of the best passers and runners in the entire Panhandle-High Plains area in Quarterback R. V. Alcorn. The elusive triple threat has been instrumental in most of Olton's scoring this season and has sparked the team to four consecutive and impressive wins. The Mustang line is considered among the toughest, also, giving the team a well-rounded and balanced outfit.

The game could shape up as a contest between backfields with Olton getting the nod as the Dimmitt club suffered a severe setback this week during a scrimmage when Quarterback Richard

Castro, Parmer and Deaf Smith Form Dairy Assn.

Burks Elected Director to Represent Castro

Some 20 dairymen representing Castro, Deaf Smith and Parmer counties voted unanimously at a Tuesday meeting in the Deaf Smith Courthouse to form a Tri-County Dairy Association with the stipulation that the organization would later become affiliated with a larger Tri-State Dairy Association. The latter organization will encompass like units from Eastern New Mexico, the Texas Panhandle and Western Oklahoma.

Charles E. Burks of the Arney Community was elected a director to represent Castro dairymen and will be responsible for the organization in this county. Persons interested in joining the association should contact Burks at Route Two, Happy.

The dairymen heard M. C. James, cooperative marketing specialist of the Texas Extension Service, explain regulations affecting farm organizations. Also on the program was R. P. Mayfield of Lamesa, who heads the Dawson and Howard County Dairy Association and is a director of the Central West Texas Dairy Association. Mayfield stated that his organization has been very successful in that it has been able to secure for member dairymen a stable year-round market for milk and other dairy products.

It was brought out at the meeting that membership fees will be \$5.00 a year plus five cents a hundred pounds of milk marketed through the newly-founded organization. This money will be used to pay member dairymen the difference in the value of whole market milk and milk that goes to the cheese maker during surplus seasons.

Attending the meeting from Castro county were T. R. Davis, Charles Burks and County Agent Charlie Hudson.

Bates Gives Program At Legion Zone Meet

Tuesday, October 13, Zone I, 18th District, American Legion, Department of Texas will hold its regular meeting in Hereford at the Legion Hall. Dimmitt will carry a program with it to be presented to the zone meeting by James Bates, director of speech and dramatics from Dimmitt High School. Let's have lots of members attend this meeting from Dimmitt. Meeting will start at 8:00 p. m. in Hereford.

A/2/ John Axe is home for a 16-day furlough to attend his grandfather's funeral and visit his parents, Mr. and Mrs. H. L. Axe.

DEATH CAR—Here is a picture of the almost totally demolished car that claimed the life of 28-year-old Alton McNamara of Springlake. McNamara was attempting to pass two vehicles on Highway 51 when he lost control of the machine. The car careened across the highway and into a bar ditch, turning over several times. The accident occurred between Sunnyside grocery and roadside park. The fatal tragedy was the first in the county this year. (Note telephone pole in foreground that was sheared off when the car struck it.)

Hart Woman Also Injured Near Muleshoe

Castro County's 1st Fatal Traffic Mishap of '53 Occurs at Sunnyside

Funeral services for Alton McNamara, Castro county's first highway traffic victim of 1953, were held Wednesday at 2 p. m. at Springlake. Interment for the young Springlake resident was in the cemetery between Earth and Springlake.

Mr. McNamara, 28, was fatally injured Sunday at 2 p. m. when he attempted to pass two vehicles on Highway 51 between the Sunnyside Community grocery and Community Building. His car swerved out of control; angled across the road into a bar ditch and turned over several times. The victim was rushed to a hos-

pital in Littlefield by one of the motorists he attempted to pass but died a short time later after briefly regaining consciousness. The death car, according to Castro Sheriff M. H. Fowlkes who investigated the accident, ran into a soft caliche base on the crest of the hill causing it to zig-zag across the road into the ditch and through a fence. The machine was practically a total loss, Fowlkes reported. The victim was enroute to Springlake.

Mr. McNamara was a farmer in the Springlake area. He leaves his widow, Lorain, a daughter, Diana K., a son, Johnny Dale, his mother, Mrs. Myrtle McNamara, all of Springlake, and six sisters and five brothers.

In another highway tragedy Sunday at noon, which claimed the life of Luther Helm, 16, of Bailey county, Mrs. Clyde Knight of Hart suffered shock and back injuries. She was treated at the hospital in Littlefield and released in good condition.

The accident occurred when young Helms, who was riding a bicycle home from services at the Y-L Methodist Church near Muleshoe, collided with an automobile driven by Mr. Knight. The motorist swerved his vehicle sharply to avoid the collision, causing the machine to turn over. Mr. Knight and his three-year-old son escaped injury.

2 Injured Here As Freight Rams Pickup Monday

Mr. and Mrs. J. R. Gollehon, who reside eight miles southeast of Dimmitt, were injured in a train-truck collision at the first grade crossing south of the city, Monday at 5 p. m., as the county recorded its second serious accident in two days.

The aged couple were taken to the local hospital by ambulance after the engineer of the freight train summoned aid. Dr. R. E. Coorswell administered emergency treatment to the victims and they were removed to a clinic in Plainview for further examination and treatment. Mrs. Gollehon suffered shock and a broken right leg just above the knee while Mr. Gollehon received facial cuts and bruises, according to hospital attendants. Neither person is considered in serious condition, attendants added.

According to reliable reports it is doubtful Mrs. Gollehon will walk again. She was given two blood transfusions with Dimmitt residents Mrs. J. E. Burch and Harvey Staton volunteering their blood in order that the victim might gain needed strength for surgery on her leg.

According to a late report one of Mrs. Gollehon's lungs collapsed Wednesday and her condition is now considered grave by attending physicians. She reportedly has been placed under an oxygen tent as an emergency measure.

The accident occurred, according to the Gollehons, when their pickup stalled on a grade crossing. They reportedly were unable to abandon the vehicle before the diesel freight struck the machine from the side, turning it halfway around. The freight engineer said (Continued on Back Page)

Church of Christ Building Program Finished at Hart

A hard-working group of Church of Christ members put the finishing touches on their new church building this week at Hart and will hold their initial service in the structure Sunday.

The building, started sometime ago, was completed this week with members volunteering their money and help in order to make the project a reality. The 28 by 50 foot wood frame building consists of four classrooms, an auditorium and a Baptistery. The auditorium has a seating capacity of 150. Cost of the new sanctuary is estimated at some \$6500.

Although the building has not been furnished, this is expected to be taken care of by the middle of the month. The Church of Christ membership in Hart has grown steadily with members first meeting at the school to hold services. Completion of the building culminates a long drive for more members and exemplifies the courage and determination exercised by a confident congregation.

Dietz Emphasizes Farmers Role in Farm Program at Bureau Meeting

Speaking before a regular meeting of the Castro County Farm Bureau board of directors Wednesday night, G. A. Dietz, alternate director of farm bureau district one, issued a call warning to members; emphasizing the importance of farmers aiding in developing a well-rounded and long range agricultural program for farmers and ranchers of Castro county and the nation.

"What kind of farm program do farmers want, the speaker asked? "It is time for us to do some honest to goodness thinking on these things and do it now," he declared.

Pointing up Dietz's remarks is the fact that to date only five farm commodities are selling at parity. In an effort to help effect a solution to some of the problems now facing farmers, a meeting of farmers and the Farm Bureau resolutions committee has been set for Monday night at 8 p. m. in the bureau office to make a study for recommendations. Some of the subjects to be aired at the important meeting follow: 1. What do we want for a historical base for cotton and wheat acreage determination; 2. Uses of lay-out land under allotments—are

they to be diverted to completion crops or diverted to soil building practices or crops? 3. What price do we want or what percent of price support; 4. Should there be more flexibility in areas of scarce allotments? 5. Should there be greater difference in price support on grades and quality? 6. Should we come out in opposition to suggested programs that are undesirable to our area? 7. Is the parity basis as fair in determining prices as any method that can be used? 8. Should we insist on the kind of educational program that will put our commodities before the people? 9. Should we determine as a group to make present programs work? Should we as farmers take a cut stand on all soil conservation programs? 11. Should we get ACP payments and how much? 12. What do you consider permanent practices? 13. Should price supports on all non-basic commodities be flexible when quotas are in effect on basic commodities? 14. Do you want a price support on cattle? 15. Do you want a purchase program on livestock for temporary relief? and 16. Would you prefer food aid to

News of Our Neighbors

COLORADO CITY—(from the Colorado City Record) Five new producers were reported Saturday for oil operations within the Colorado City area. Three were in Jameson Field, one was in Westbrook field and another one in Cornet—2900. Completed in Westbrook field with daily pumping gauge of 49.99 barrels of 27 gravity oil with 12 percent oil was Humble Oil and Refining Company No. 1 Virginia Letspeich. In Cornet—29 a well is pumping 70.06 barrels a day and in the Jameson field production is 1,081 barrels daily.

ABERNATHY—(from the Abernathy Weekly Review) Following ten years of service as postmaster of the Abernathy Post Office W. A. "Bill" Richter retired at close of business, Sept. 30. He and his wife will operate the R and R Insurance Agency which they established earlier in the year. Herbert T. Hardin will serve as acting postmaster until Richter's successor is named.

MEMPHIS—(from the Memphis Democrat) New president of the Memphis Country Club is J. W. Coppedge. He was elected at a recent meeting and succeeds Ben Parks. Herschel Combs was chosen vice-president and D. L. C. Kinard was re-elected secretary-treasurer.

MULESHOE—(from the Muleshoe Journal) Muleshoe's city park maintenance fund profited by \$2,114.75 in the auction held last week, and the money realized assures that the park improvement and development work will go forward at least for the next year or so. The rural communities around Muleshoe aided the cause as well as city residents and many individuals have helped to raise money for the project.

Work has begun on the new educational building for Muleshoe school to cost \$76,669.00. Neal Construction Company of Stamford were successful bidders on the erection of the newest addition to the local school system. The voters of the district had authorized bonds in the sum of \$80,000 to do the work in an election held last spring.

IT'S THE LAW in Texas

WRITTEN FARM RENTAL AGREEMENTS ADVISABLE
At this time of year, landlords and tenants alike are thinking about farm rental arrangements for 1954. While many operate from year to year on the basis of verbal agreements regulated largely by local customs, written leases are better and may save disagreement and hard feelings between the parties.

Farming is a business and should be conducted in a businesslike manner for best success. Rental contracts involve a full year's work by the tenant and possibly thousands of dollars for both parties. A few dollars spent on a properly drawn agreement is good business economy.

A farm lease is not a simple paper. Printed lease forms often turn out to be traps if not understood, or if not properly ex-

plained. A farmer-tenant contract is intricate and of such importance to both parties concerned that amateur draftmanship is risky.

Fixing of cash rent or designating the length of term are relatively simple. Yet, even in these matters, ambiguity or incompleteness can cause bitter disputes and expensive lawsuits.

A loosely drawn property description may have consequences entirely unintended by either landlord or tenant. Where rent is to be based on acreage an accurate description is doubly important.

In addition, there are legal rules to substitute for omissions in written leases. For example, the tenant who holds over beyond his contract if the lease is silent on the subject. It is as important to know the results of omissions as to know the court's interpretation of the language used.

There are many matters which should be covered by a properly drawn lease. For instance, if the tenant is to farm on a share basis, care should be taken to define what expenses are to be paid by the parties as well as what shares are to be taken out. A lease should cover such things as who is to make repairs, what land is to be cropped, whether the tenant can cut timber, whether loss

day at the South Plains Fair parade in Lubbock. Nineteen area high school marching units were competing for honors in the contest. Petersburg High School won first place among class B bands and Sundown was first in class A competition.

FAREWELL—(from the State Line Tribune) Nine buildings from a government housing project have been purchased by the Bovina School District to use as temporary classrooms until permanent facilities can be provided. The Bovina School Superintendent W. H. Willoughby expressed his appreciation to neighboring schools for their help during the recent trying times for Bovina. The superintendent and faculty thanked the Farwell, Friona, Lazbuddie, Vega, Hereford, Dimmitt, Muleshoe and Canyon Schools for their cooperation.

CHILDRESS—(from the Childress Reporter) "Dizzy" Dean, noted baseball impresario, has been invited to attend the annual Childress Chamber of Commerce banquet as guest speaker. Chamber officials said Dean would be contacted after one of his regular baseball broadcasts. They added that they felt sure he would accept the engagement.

The Childress Chamber of Commerce and board of city development this week petitioned the Civil Aeronautics Board requesting commercial airline service for Childress. The petition was accompanied by letters from Ford Metal Moulding Company and Jones-Black Company explaining their requirement for airline service.

EARTH—(from the Earth Sun) A former resident of Earth, Mrs. Alice Rudd, 52, was killed instantly when run over by an automobile on Thursday, (Sept. 30) at 8:15 p. m. four miles north of Littlefield. The victim had operated cafes in Earth and was also employed in a grocery at Earth during her residence in the town. Mrs. Rudd, a Sudan cafe operator, reportedly was crossing the highway attempting to reach her car which was parked on the side of the road when she was struck by an automobile driven by Reuben Bartlett of Springlake.

A handsome second place engraved class B trophy was won by Springlake School band Mon-

FRIO NEWS

By Mrs. Owen Andrews
Sympathy is extended to the Axe family upon the death of Mr. Frank Axe. The family has lived in this vicinity since pioneer days

and has had a part in the building of modern prosperity. Present day residents owe a debt of gratitude to these people who worked to build the groundwork for our easier way of life.

Mr. and Mrs. H. A. Ward of near Raton, N. M., visited in the home of their son, D. E. Ward and family, Saturday night and Sunday. Mr. and Mrs. Randy Ward and Sharon and Karon of Springlake, also visited there Sunday.

Mr. and Mrs. A. D. Johnson and Karen spent the week end visiting near St. Jo and McKinney. They were to attend a reunion of the Dye-Mound Community, where Mr. Johnson grew up. The reunion is an annual event and the Johnsons always look forward to meeting friends and relatives of former years.

Mrs. Floyd Grant of Oxford, California, spent Tuesday night and Wednesday in the W. A. Springer home. She was here attending to farming interests. She reports that J. W. Berry, a former resident here, is critically ill at his home in Oxnard. The Berry's address is 528 West Fifth Oxnard, Calif., if their friends would like to write them.

Mr. J. H. Stone of Torrington, Okla., and Mrs. Mary Jenkins of Houston visited Saturday and Sunday in the Springer home.

Mr. and Mrs. W. A. Springer went to Silverton Tuesday to visit Mrs. Springer's relatives. A brother-in-law, John Lee Francis, had undergone a serious operation in the last few days and they went especially to see him.

Mr. and Mrs. O. Tate of Muleshoe visited their daughter, Mrs. Jack Jones and family during the week end.

LaNelle Mobley and Don Mobley spent the week end with their sister, Mrs. Floyd Cole and family.

Mr. and Mrs. Weldon Stephens of Hereford spent the week end with her sister, Mrs. E. H. Little and family.

Mr. and Mrs. Weldon Stephens of Hereford spent the week end with her sister, Mrs. E. H. Little and family.

Mr. and Mrs. W. A. Springer went to Silverton Tuesday to visit Mrs. Springer's relatives. A brother-in-law, John Lee Francis, had undergone a serious operation in the last few days and they went especially to see him.

Mr. and Mrs. O. Tate of Muleshoe visited their daughter, Mrs. Jack Jones and family during the week end.

LaNelle Mobley and Don Mobley spent the week end with their sister, Mrs. Floyd Cole and family.

HART NEWS

Mrs. Nelda Barnett and Joe Neil of Lockney and John Davis and Billy Gibbs of Amarillo visited Sunday in the home of Mr. and Mrs. E. E. Martin and Jo Ann on Sunday.

Mr. and Mrs. Roy Pyeatt drove over to Hot Springs, N. Mex., on Saturday for his parents, Mr. and Mrs. H. B. Pyeatt of Tulia. The

group returned on Sunday with the parents going on home on Monday.

Mr. and Mrs. Duane Walker have moved from the R. A. Futrell farm to Olton to make their home.

Mr. and Mrs. Homer Hill attended to ranching business and visited his mother near House,

N. Mex., during last week.

Mrs. T. B. Cox and Mrs. Sam Swopes visited Mrs. Bernice Johnson in Plainview on Saturday afternoon.

Mr. and Mrs. Joe Percy Hart spent the week end with her parents, the Homer Garrisons in Littlefield. On Sunday they attended a birthday dinner in Lubbock honoring Sarah's grandmother, Mrs. S. H. Garrison. Others attending from Hart were Mr. and Mrs. Shirley Garrison and family. Shirley is a son of the honoree.

Mrs. A. W. Mills of Tulia spent Monday with her son, Wade Mills and family.

Mr. and Mrs. Merle Pickrell went to San Antonio on Saturday. They returned young Byron Douglas Henry to his parents. The boy had been with the Pickrells about three weeks while his mother recovered from surgery. Mrs. Henry is Mrs. Pickrell's sister.

Miss Erma Sigler, Mesdames A. L. Hawkins and D. B. Garrett and Miss Nannie Tedford of Tulia visited the W. C. Dinwiddies on Sunday afternoon.

Mrs. W. C. Dinwiddie returned on Friday from a month of visiting her sons, Jack and wife at Centennial, Wyo., and Rondo and family at Greenwood, Texas.

Grandmother Livesay of Lockney is visiting this week in the home of her daughter, Mrs. Percy Hart.

Mr. and Mrs. E. N. Carpenter arrived on Friday for a visit with their niece, Mrs. L. J. Rice and family. The Carpenters are from Azle, Texas.

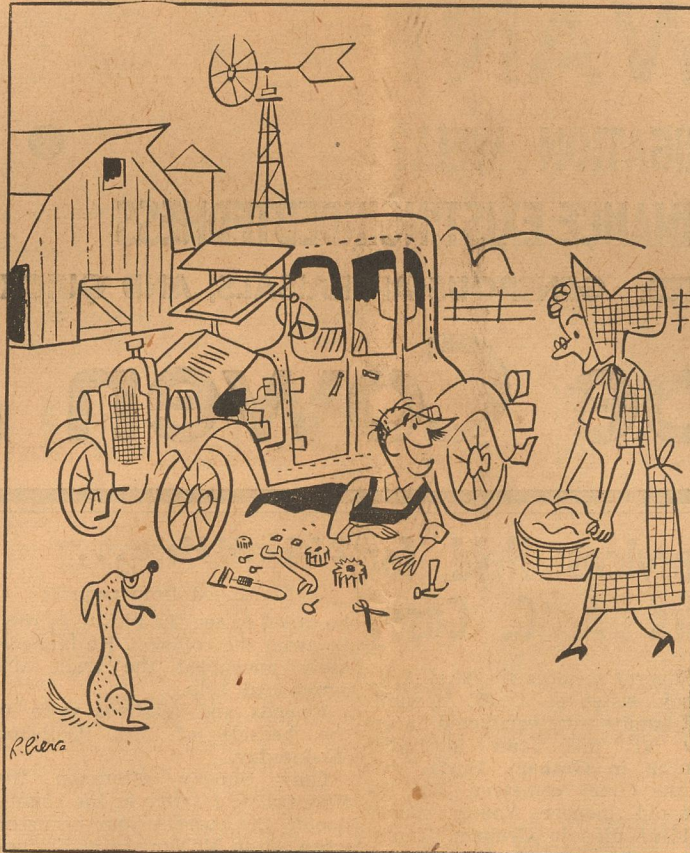

Mr. and Mrs. H. E. Lomar visited her brother, Ted Pistole, in Albuquerque, N. Mex., on Sunday.

Mr. and Mrs. Warren Sweatt of Jal, New Mex., visited friends in Hart Early Sunday morning.

Mr. and Mrs. E. H. Bowden and children visited her brother, Paul Robertson and family for dinner on Sunday. They visited her sister, Mrs. Fred Motley and family for supper. The relatives live in Idalou.

Mr. and Mrs. Buster Aven and Melvin spent the week end with her father, Mr. Williams at Tahoka.

Mr. and Mrs. Tump McLain entertained with a dinner on Sunday in their home to honor Robert Hill, son of Joe Hill, who is with the U. S. Army and has recently returned from service in Japan. Attending were Mrs. J. W. Bain, Mrs. Felix Brookshire of El Paso, mother of Robert, Mr.

Good news, Ma! She's good for another trip to the State Fair of Texas, October 10-25, at Dallas.

Zealot Club Has New President

The Zealot Club, meeting in the home of Myrtle Frances Wood recently, elected new officers for the next fiscal year.

New officers are: president, Jackie Armstrong; vice-president, Betty Martin; secretary, Mildred Garrison; treasurer, Myrtle Frances Wood; reporter, Ann Bell; parliamentarian, Dorothy Jo Taylor; and education director, Joy Smith.

Refreshments were served to the following members: Dorothy Mayfield, Marlene Bennett, Betty Martin, Mildred Garrison, Jackie Armstrong, Laqueta Hill, Ann Bell, Claryce Reed, Dorothy Jo Taylor, Johnnie Hawkins, Joy Smith, Sue Bennett and Myrtle Frances Wood, hostess.

H. E. Hershey and family visited over the week-end with their daughter, Mrs. Dempsey Alexander, and family in Lockney. They also visited relatives in Plainview.

Bass, Jr., Bonnie Campbell, Buss Wakefield, Carl Baker, Clay Anderson, the honoree and the hostess.

Sunnyside HDC Meets Recently

The Sunnyside Home Demonstration Club met Wednesday afternoon, October 7, in the home of Mrs. Noble Howard. The president, Mrs. Howard, had charge of the meeting. Roll call was answered with headlines of interesting local and national news. After the business meeting, the county Home Demonstration Agent, Mrs. Sybil Stringer, demonstrated and discussed steamed breads, making steamed Boston Brown Bread. The club appreciated the demonstration and warmly welcomed Mrs. Stringer as our new CHD Agent. The hostess served refreshments to Mrs. Irving King, Mrs. Billy King, Mrs. Lloyd Blanton, Mrs. J. Phelan, Mrs. R. A. Axtell, Mrs. J. E. Hershey, Mrs. Bill Ott, Miss Jenelle Ott, Mrs. Cecil Curtis and Mrs. Sybil Stringer, CHD Agent.

Services Held for Mrs. A. C. Casey

Funeral services for Mrs. A. C. Casey, sister of J. W. Hawkins of Dimmitt were conducted Saturday at the Jean Methodist Church in Graham. Burial was in the Olney cemetery. The 84-year-old pioneer Young county resident died in Graham, Thursday, Oct. 1, in the home of a son. Born in Denton county, Mrs. Casey moved to Young county in 1879 with her parents, the late Mr. and Mrs. J. F. Hawkins. She resided in the Farmer Community for a number of years, and in recent years spent part of the time with two daughters in Fort Worth. Survivors include two sons, W. H. of Jean and H. L. of Graham; three daughters, Mmes. R. M. Hall of Loving and A. L. Clements and J. W. Beaver, both of Fort Worth; two brothers, J. W. Hawkins of Dimmitt and Rev. L. D. Hawkins of Aurora, Colo. Attending the funeral from Dimmitt were J. W. Hawkins and Wilma, Mr. and Mrs. Bud Birdwell, Mrs. Cordye Birdwell, Novelle Birdwell, Kent Birdwell, Mr. and Mrs. Harlan Dodd, Mrs. Willie Gipson and Bill Birdwell.

2 Injured Here . . .

(Continued from page 1) he failed to see the pickup in time to avoid the collision. He immediately uncoupled the train and summoned help. Friends and relatives were at the bedside of Mrs. Gollehon Wednesday. Only Sunday afternoon the first traffic fatality in the county during the current year occurred when Alton McNamara of Springlake lost control of his car on Highway 51 at Sunnyside and the machine crashed into a bar ditch and through a fence. He died a short time later in a Littlefield hospital.

Dietz Emphasizes . . .

(Continued from page 1) foreign countries for relief rather than money. It was brought out at the meeting that if farmers are to have a say in developing the future program for agriculture action must be started at once. Further called to the group's attention was, "It is already later than you think. It is time to do some real thinking about these things and not leave it up to someone else. The kind of programs that they want will be for their own interest and not the farmers'." Cotton loan papers will be issued and filed out at the local Farm Bureau office.

Wilcox Wins Rocker

Joe Wilcox, son of Mr. and Mrs. Arthur Wilcox of Dimmitt, held the lucky ticket Saturday when a platform rocker was given away at the Thomas Furniture Company here. Emphasizing Texas Home Fashion Week the store owner presented the winner with the \$59.75 rocker during a brief ceremony. Some 1000 chances were held on the prize.

Local Delegation To Attend Legion Meet in Amarillo

Five Dimmitt legionnaires and auxiliary members plan to be on hand for the 18th District American Legion fall convention slated to be held in Amarillo at the Legion Hall Saturday and Sunday. The convention is expected to attract representatives from 45 Texas legion posts or some 1000 members. Attending from here are Commander and Mrs. W. L. Houghtaling, Vice-Commander and Mrs. Jack Flynt and Mrs. Gene Rutledge, president of the local auxiliary. Registration will begin Saturday at the Legion Hall and the Amarillo Hotel. Saturday evening will be filled with fun beginning with a dance at the Legion Hall at 7:30 o'clock. Business will begin with a joint meeting of the Legion and Auxiliary Sunday at 10:30 a. m. to be highlighted by an address by Brigadier General Walter R. Agee, commanding officer of Amarillo Air Force Base. After lunch the Legion and auxiliary will hold separate meetings to conclude the convention.

Book Club Will Meet October 14

The Dimmitt Book Club will meet Wednesday, October 14, in the district court room with Mrs. B. J. Brannan reviewing, "My American Heritage," by Margaret Shellabarger Axtell. The story is Mrs. Axtell's autobiography, recounting her experiences until the time of her marriage to Dwight G. Axtell. The author deals graphically with the challenges that faced those whose pioneer hearts pushed farther and farther against the last frontiers. As the story deals in part with life lived in this section of the country it should prove to be especially interesting to Castro and Lamb county residents. The Book Club voted at its last meeting to invite the early settlers as honor guests for the review which will begin promptly at 4 p. m. The review is open to the public.

CARD OF THANKS

We wish to take this means of expressing our thanks to all who sent flowers, food, cards and words of sympathy at the time of our recent sorrow.

Wood Scores Winning Touchdown As Game Ends

Cats Topple Strong Panther Team With Sensational Play

The Dimmitt Bobcats turned in a sensational performance Friday night at Panhandle to snatch victory from defeat in the waning minutes of one of the most exciting football games ever played by a Bobcat team. The Bobcats notched their fourth straight victory against no defeats to topple the powerful Panhandle Panthers of District 1-A, 25-20.

The brilliant play of both teams electrified the some 2000 fans on hand for the number one game of the week in class "A" competition. Flashy Quarterback Richard Wood almost paralyzed fans with excitement when he snagged a pass on his own 20 yard line thrown by Maxie Warren from

Dobbs, Jimmy Cole and others enabled the Cats to put on a show of sheer power and guts. Backs Edgar Dennis and Bobby Brock also played a whale of a ballgame as the fine coached lads of Leo Fields squeaked past the Panthers in the closest and hardest fought game of the season.

Dennis took scoring honors for the Purple and White gridgers by making two touchdowns on end runs of eight yards each. Warren scored on a two-yard quarterback sneak and Wood on a pass from Warren. Panhandles three markers came on a 55-yard heave from Quarterback Dale Roselius to Gene Bentley; 43 yard run by Bentley and a 32-yard dash by Bentley.

In gaining the victory Dimmitt gridgers had to cope with one of the fastest runners in the entire Panhandle and South Plains area, Back Gene Bentley. Bentley reportedly has won almost every track meet he has entered.

The Panthers started the game off by booting the pigskin deep into Cat territory. The first quarter went scoreless as both teams moved into scoring position twice. The Cats had their first opportunity to score when a Panther pitchout on fourth down failed and Dimmitt took over on the Panhandle 30. Dennis and Witt moved the ball to the 23 but the Cats lost the ball on downs.

In the second period Panhandle threatened to score by capitalizing on a Bobcat fumble on their own 15. Two hundred and five pound fullback Bentley plunged through the Cat line to the ten yard stripe, but the Dimmitt forward wall held and Panhandle lost the ball as a fourth down pass by Roselius failed. The Cats still plagued by hard luck, got off a wobbly kick on fourth down and Panhandle returned to the mid field stripe. On the very next play from scrimmage Roselius, standing on his own 45, tossed to Bentley for about 20 yards and the towering fullback shook loose from two Cat players and ran the rest of the way for the initial score. Roselius ran the extra point and Panhandle led 7-0.

Two more fumbles proved costly for the Bobcast in the final minutes of the second quarter and set up the second Panther tally. Dimmitt fumbled on their own 20 but took possession of the ball again three plays later when Wood intercepted a pass intended for Bentley. A few plays later Dennis fumbled again in the Cat 45 and the Panthers proceeded to turn this one into a score. On a pitchout from Roselius to Bentley the latter skirted left end for 43 yards and a second Panther score making the score, 14-0. Ill fortune cast a shadow of gloom on the Bobcat grid machine as the Cats moved into Panther territory again only to be thwarted by the whistle ending the first half. A forlorn bunch of Dimmitt players left the field trailing by 14 points.

The rejuvenated Bobcat squad came to life in the early minutes of the third quarter on a series of ground-jarring plays with Wood, Brock and Dennis alternating to carry the pigskin to the Panhandle 19 yard line. Bobcat hopes were temporarily shaken, however, as they lost the ball on a fumble. The Panthers, showing signs of nervousness, fumbled three plays later and the Cats took a new lease on life. Dennis lugged the ball to the Panther five and Panhandle was penalized half the distance from scrimmage to goal line. Warren went over the next play but the Cat try for extra point failed and Panhandle led, 14-6.

The Cats began to march again in the first few minutes of the final quarter. Brock, Warren and Dennis picked up three successive first downs on the ground, carrying the pigskin to the opposition's 37 yard line. Warren tossed a pass to Dobbs on the 15 yard line who was tackled immediately. Brock moved the oval to the eight and Dennis made the score on the next play. The score at this point was 14-13.

The stunned Panhandle gridgers failed to move after Brock kicked to their 15 yard line and were forced to punt. Wood brought the ball back to his own 47 and two plays later Dennis shook loose and galloped to the

Panther nine as Dimmitt stock began to soar. Wood picked up a yard and Dennis crashed off right end for eight yards and a score, making the count 19 - 14 in favor of the Cats.

A fired up Panther team came roaring back as Roselius received the kickoff and returned it to his own 37. The alert quarterback connected up with a pass to Bentley on the Cat 40 and the Panthers started a desperate scoring drive which ended up with Bentley making a touchdown on a 32-yard run. The lead changed hands again as the Panhandle team went out front by a narrow 20-19 margin.

About two minutes later Wood broke loose on two nice runs that netted about 35 yards, putting the ball down on the Panhandle 45. With only a minute and a half left in the game Warren faded back and shot a long pass to Wood who hauled the ball in on approximately the 20 yard line. Wood slackened his pace, picked up some nice interference and angled across the field for the remainder of the distance. The score read 25-20 with less than a minute to go. In sheer desperation the Panthers took to the air but two passes failed and the game ended.

Friday night the Bobcats play host to what is considered their toughest foe of the season when they take on the powerful Olton Mustangs. Both teams boast four wins against no losses. The Mustangs trampled Happy in their last outing and should be at peak form for this crucial encounter. The game will get underway at Bobcat Stadium at 8 p. m.

Mrs. A. W. Bates of Plainview visited Thursday with her mother Mrs. Leona Rothwell and Mrs. C. J. Maples, Jr., in Dimmitt and in the Harry Rothwell home.

Haboush To Appear In Program Here

It is a far cry from the ancient hills of Galilee, and the pastoral life of the people there, to the dynamic days of the modern present in civilized America, but those two extremes are covered in the span of life of Stephen A. Haboush, a shepherd from Galilee, who has brought to America the story of Galilee and Palestine, told as only one who was born there can tell it.

Haboush's Travelogue will be brought to Dimmitt in the near future. It breathes the very life and mysticism of the ancient East. Part of it is delivered in native costume, the same costume worn

by native Galileans in the days of the Bible story. Part of his dramatic story is delivered to the accompaniment of thrilling scenes and motion pictures in full color. Many of the scenes he will show in this program appeared in the National Geographic Magazine and leading religious periodicals. He is to appear in person with Madame Haboush and two young men to present their ON SACRED SOIL" at the Dimmitt High School Auditorium on Tuesday, October 20th at 7:30 P. M. under the auspices of the Dimmitt Lions Club.

A matinee at 1:30 P. M. will be held under the auspices of the school for all school children.

Haboush is a native Galilean. He was born on the hills about the Sea of Galilee, and in his youth attended his father's flock of sheep. He came to the United States several years ago and worked his way through an American University. Recently he returned to the land of his birth and there personally took in full color motion pictures of the scenes and people of Galilee and Palestine. He returned to America with his unusual films and thrilling story.

Forty Hours' Devotion in Holy Family Parish opened with a High Mass on Sept. 27, celebrated by Father Morsch. Father Thomas O'Reilly, SCA, of Brownfield, preached the sermons at the evening services.

On Sept. 29, a solemn mass of reparation was offered, with

Burnell Erpen, Rotan, master of ceremonies.

Other priests who attended the services were Rt. Rev. Msgr. John A. Steinlage, Amarillo; Very Rev. Thomas D. O'Brien, Slaton; Rev. Leroy Matthieson, Rev. Vincent Daugintis, Rev. Hubert Halfman, Rev. Kevin Harnd, all of Amarillo; Rev. J. Arnold Carlson, Canyon; Rev. F. M. Higgins, Littlefield; Rev. Frederic Hyland, Pep;

Father Edward Chrisman, of Snyder, as celebrant. He was assisted by Father O'Reilly, deacon, Father Rupert Schindler, of Childress, subdeacon, and Father Rev. Andrew Marthaler, Umbarger; Rev. Monroe Mattheison, Happy; Rev. W. J. Riechel, Plainview; Rev. J. W. Sonderman, Hermleigh; Rev. Joseph Walter, St. Francis; Rev. Bartolomeu Paytas, SA, Rev. Nathaniel Madden, SA, all of Hereford; and Rev. Micheal Martin, SCA, and Rev. Patrick O'Brien, SCA, of Lubbock.

A special Columbus Day program will be broadcast on Sunday, Oct. 11, in the afternoon, on KVOP, Plainview. It will be sponsored by Nazareth Council 2654 of the Knights of Columbus. Andrew Acker, master of ceremonies, will be in charge of the broadcast. Faithful Navigator Victor Kerr, of the Fourth Degree K of C, will present the purpose and achievements of the order, pointing out its attempt to meet the challenges

afforded mankind in its struggle for security and peace, rather than to seek new horizons, as Columbus did.

Ernest and Lawrence Brockman will sing Ave Maria." Closing the program will be "Holy God, We Praise Thy Name," sung by the Knights of Columbus choir, with accompaniment by Mrs. Leonard Conrad.

The Children of Mary, in its first session of the scholastic year, decided to initiate a special effort to improve upon attendance at meetings. Prefect Cyril Brockman appointed Ted Conrad, Josefa Acker, and Joan Book to a resolutions committee to draw up an amendment regarding attendance.

Readings at the meeting included a reading on mental prayer, by Mildred Conrad; a reading on the promises made by the Blessed Mother to St. Dominic and St. Catharine, by Agnes Kielem; and a biographic sketch and quiz on St. Francis of Assisi, by Ruby Annen.

Safety Official Warn Pedestrians Against After Dark Traffic Hazards

"Night must fall, but must countless pedestrians in Texas fall with it?"

That question was asked today by Col. E. B. Tilley of Houston, President of the Texas Safety Association, and Services Advisor for the Gulf Oil Corporation as he discussed the importance of the Night Traffic Hazards program currently sponsored by the Texas Safety Association and the Texas Department of Public Safety.

Col. Tilley said, "that from October through March, one-third of all pedestrian deaths occur between 5 and 8 p. m. hours that are usually dusk or dark during these months. He blamed a combination of darkness and carelessness.

"Unfortunately, we can't change

the laws of nature," he said. "Darkness is here to stay. But we can do something as far as human nature is concerned. Many pedestrians meet their deaths in night traffic because of their own thoughtless walking habits."

He warned pedestrians that it is difficult for motorists to see them at night and urged them to observe the following safe walking rules:

1. Always walk on the sidewalk. If you must walk on roads that have no sidewalks, walk on the left shoulder of the road facing traffic. Wear light colored clothing or carry a flashlight or a piece of white or reflectorized material.
2. Always assume that the driver can't see you. Never cross a street or highway unless you

are absolutely certain you have ample time to reach the other side in complete safety.

"Cyclists are in pretty much the same boat as pedestrians in the night traffic picture," Col. Tilley said. "Like pedestrians, they also are at a great disadvantage in any encounter with a car. So it's just good common sense for them to be constantly on the defensive. Here are some tips for safe cycling at night:

- "1. A good headlight and tail light (or reflector) are musts.
- "2. Add more visibility by trimming your bike with white striping or some type of reflectorized material.
- "3. Wear light colored clothing or something trimmed with reflectorized material.
- "4. Ride on the right side of the road, with traffic.
- "5. Obey all traffic laws."

Mrs. Jack Cowsert and Mrs. Clarence Bearden were business visitors in Perryton Friday.

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

RECIPE OF THE WEEK

By Mary Lee Taylor
Harvest Gold Peach Pie

Broadcast: October 10, 1953

1/2 cup Fat
1 1/2 cups Milk
1 1/4 cups graham cracker crumbs
1/4 cup melted butter
No. 2 1/2 can cling peach slices

1/4 cup butter
2 Tablespoons lemon juice
1/2 cup powdered sugar
1/4 teaspoon salt
Put milk into ice cube tray of refrigerator. Chill milk until ice crystals begin to form around edges. Mix crumbs with 1/2 cup melted butter. Press firmly in bottom and on sides of a 9-inch pie pan. Chill until needed. Drain peaches. Save 12 slices, then cut rest into small pieces. Melt 1/4 cup butter in a small saucepan. Remove from heat and mix in lemon juice, powdered sugar and salt. Cool thoroughly. Put ice cold milk into a cold 1 1/2-quart bowl. Whip with cold rotary beater by hand, or with electric beater at high speed, until stiff. Whip in cooled sugar mixture, 1/4 at a time. Fold in cut-up peaches. Put into chilled crust. Arrange a double row of the peach slices in a circle on top of filling. Garnish with maraschino cherry halves, if desired. Chill until firm, about 2 hours.

LEGAL NOTICE

ORDINANCE NO. 121

AN ORDINANCE ASSERTING THE CORRECTNESS OF PREVIOUSLY PASSED ORDINANCES IN CONNECTION WITH SPECIFIED IMPROVEMENTS OF CERTAIN DESIGNATED PORTIONS OF CERTAIN DESIGNATED STREETS, ALLEYS AND AVENUES IN THE CITY OF DIMMITT, CASTRO COUNTY, TEXAS, STATING THE EVIDENTIAL FINDINGS OF THE CITY COMMISSION OF THE CITY OF DIMMITT, CASTRO COUNTY, TEXAS, IN REGARD TO SUCH IMPROVEMENTS, LEVYING THE ASSESSMENTS AGAINST THE OWNERS OF PROPERTY ABUTTING UPON SAID STREETS, ALLEYS AND AVENUES FOR A PORTION OF THE COST OF SAID IMPROVEMENTS, DESIGNATING SEPARATE UNITS, SPECIFYING THE NATURE OF ASSESSMENTS, LIENS AND PERSONAL LIABILITY THEREFOR, AND FIXING THE TERMS AND CONDITIONS OF PAYMENT OF SAID ASSESSMENTS AS WELL AS PROVIDING THAT THE CITY OF DIMMITT, CASTRO COUNTY, TEXAS, SHALL NOT BE LIABLE FOR THE PAYMENT OF ANY SUM ASSESSED AGAINST ABUTTING PROPERTY AND THE OWNERS THEREOF, PROVIDING FOR ISSUANCE AND PROVISIONS OF ASSIGNABLE CERTIFICATES IN EVIDENCE OF ASSESSMENT FOR COSTS, PROVIDING FOR THE CORRECTIONS OF MISTAKES, ERRORS AND IRREGULARITIES IN ASSESSMENTS, PROVIDING FOR PERSONAL LIABILITY AGAINST THE REAL AND TRUE OWNERS OF THE PREMISES DESCRIBED, WHETHER NAMED OR NOT, AND DECLARING AN EMERGENCY.

WHEREAS, the City of Dimmitt, Castro County, Texas, by Ordinance No. 118, has heretofore determined that public necessity exists and requires that the following portions of the designated streets, alleys and avenues in the City of Dimmitt, Texas, shall be improved as therein provided, to-wit:

EXTENSION UNIT NO. 3
 Extension on 50 feet north of the north line of Lee Street, thence north to a point 85 feet south of the south line of Belcher Street;
 Dulir Street from the west line of existing pavement on West Third Street, thence west 75 feet; and the north one-half of Dulir Street continuing on to pavement on the east line of West Fourth Street; Eter Street from the west line of existing pavement on West Eighth Street to the east line of Nine Street; and
 The north one-half of Andrews Street from the west line of existing pavement on West Sixth Street to the boundary of Miller Addition.
EXTENSION UNIT NO. 4
 Jones Avenue, from existing pavement on East Second Street to the east line of East Third Street;
 East Third Street from the north line of pavement on Jones Avenue to pavement on the south line of East Bedford Avenue; and
 The north one-half of Jones Street along the south line of Lot 12, Block 110, and

WHEREAS, the City of Dimmitt, Castro County, Texas, by Ordinance No. 118 aforesaid has heretofore determined that said portions of said designated streets, alleys and avenues shall be improved by raising, grading and filling same, by installing concrete curbs and gutters and by paving with the following type of materials on specified foundation, to-wit: triple asphalt surface on caliche base, all of the details of the nature of said improvements being fully set out in advertised proposal and contract documents on file with City Secretary of the City of Dimmitt, Castro County, Texas, between said City and L. A. Purtell and Bryan & Hoffman; and

WHEREAS, by Ordinance No. 119, the City of Dimmitt has heretofore determined that the City of Dimmitt has heretofore determined that the City Engineer, prepared and filed with the City, showing the cost of the specified improvements of each specific Unit as hereinabove designated, together with the description of the abutting property in each unit, the names of the owners of such property, and the amount proposed to be assessed against each such parcel of property in each such Unit, and all other matters and things required by law in connection with the proposed assessment; and

WHEREAS by said Ordinance No. 119, the City of Dimmitt, Castro County, Texas, heretofore ordered that hearing be given and held by the City Commission of the City of Dimmitt, to the owners of abutting property or the owners of any interest therein in any of the units as hereinbefore designated, at which hearing they should have the right to be heard on any matter which is a prerequisite to the validity of the proposed assessment, and to contest the validity of the amount of the proposed assessment, the lien and liability therefor, the special benefits to the abutting property and the owners thereof by means of the improvements for which the assessment is to be levied, and the accuracy, sufficiency, regularity and validity of the proceedings and contract in connection with such improvements and proposed assessments; and

WHEREAS, by said Ordinance the City of Dimmitt, Texas, provided that such hearing should be held in the City Hall of the City of Dimmitt, Castro County, Texas, on September 25, 1953, at ten o'clock a. m., and be continued from time to time until the purposes hereto necessary and in said Notice and Ordinance provided for were fully accomplished; and

WHEREAS, the City Secretary of the City of Dimmitt, Castro County, Texas, gave notice of such meeting by Notice duly published in the Castro County News, a newspaper published in Castro County, Texas, and did give notice of the time, place and purpose of such hearing, said notice being published three times prior to said hearing in a newspaper of general circulation, the first of said notices having been made on September 10, 1953, the second on September 17, 1953, and the third on September 24, 1953; and

WHEREAS, all persons interested were given hearing from day to day in the Council Meeting room of the City Commission of Dimmitt, Castro County, Texas; and

WHEREAS, said hearing was held open and continued from time to time until the 5th day of October, 1953, and the purposes of said hearing were fully accomplished, and no valid reason exists why said property should not be assessed;

NOW, THEREFORE, BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF DIMMITT, CASTRO COUNTY, TEXAS:

I. That all matters asserted in the preamble to this Ordinance are hereby declared true and correct.

II. That the hearing heretofore ordered by Ordinance No. 119 of the City of Dimmitt, Castro County, Texas, in connection with the specified improvements of the following specified units as herein designated, is hereby closed, to-wit:

EXTENSION UNIT NO. 3
 Fourth Street from 50 feet north of the north line of Lee Street thence north to a point 85 feet south of the south line of Belcher Street;
 Dulir Street from the west line of existing pavement on West Third Street, thence west 75 feet; and the north one-half of Dulir Street continuing on to pavement on the east line of West Fourth Street; Eter Street from the west line of existing pavement on West Eighth Street to the east line of Nine Street; and
 The north one-half of Andrews Street from the west line of existing pavement on West Sixth Street to the boundary of Miller Addition.
EXTENSION UNIT NO. 4
 Jones Avenue, from existing pavement on East Second Street to the east line of East Third Street;
 East Third Street from the north line of pavement on Jones Avenue to pavement on the south line of East Bedford Avenue; and
 The north one-half of Jones Street along the south line of Lot 12, in Block 110.

III. That the City Commission of the City of Dimmitt, Castro County, Texas, from the evidence, finds:

(1) That the assessments herein levied shall be made and levied against the respective parcels of property abutting upon the said portions of said streets, alleys and avenues, and against the owners of such property;

(2) That such assessments are right and proper and establish substantial justice and equality and uniformity between the respective owners and respective properties, and between all parties concerned, considering benefits received and burdens imposed; and that in each instance and case the abutting property assessed specially benefited in the enhanced value thereof by means of the improvement in the Unit upon which the particular property abuts, and for which assessment is levied, in a sum in excess of the assessment levied against same by this ordinance; and

(4) That the apportionment of the cost of the improvements is in accordance with the proceedings heretofore taken and had with reference to such improvements, and is in all respects valid and regular.

IV. That there shall be and there is hereby levied and assessed against the parcels of property hereinbefore set out and against the real and true owners thereof, whether such owners be correctly named herein or not, the sum of money hereinafter set out and itemized shown opposite the description of the respective parcels of property, the description of such property and several amounts assessed against same, and the owners thereof, being as follows, to-wit:

That the assessments so levied are for the improvements in the particular Unit upon which the property described abuts, and the assessments for the improvements in one Unit are in no wise related to or connected with the improvements in any other Unit, and in making assessments and in holding said hearing the amounts so assessed for the improvements in one Unit have been in no wise affected by any fact in anywise connected with the improvements, or the assessments thereof, of any other Unit.

VI. That the several sums above assessed against said parcels of property, and against the real and true owners thereof, and interest thereon at the rate of six (6) per cent per annum, together with reasonable attorney's fees and costs of collection, if incurred, are hereby declared to be a lien upon the respective parcels of property against which the same are assessed, and a personal liability and charge against the real and true owners thereof, whether or not such owners be correctly named herein, and such liens shall be and constitute the first enforceable claim against the property assessed, and shall be a first and paramount lien, superior to all other liens and claims, except State, County, School District and City Ad Valorem taxes.

That the sums so assessed shall be payable as follows, to-wit:

In four (4) equal installments, one-fourth of the principal amount in ten days after the acceptance of the improvements by the City of Dimmitt, Texas, and the balance in three (3) equal installments on or before one, two and three years after acceptance, with interest thereon at the rate of six per cent (6%) per annum, payable annually with each installment, so that upon completion and acceptance of the improvements in a particular Unit assessments against the property abutting upon such completed and accepted Unit shall be and become due and payable in such installments, and with interest from the date of such completion and acceptance, provided that any owner shall have the right to pay off the entire assessment, or any installment thereof, before maturity, by payment of principal and accrued interest and provided further that default shall be made in the payment of any installment of principal or interest on the property by the entire amount of the assessment upon which such default is made, shall, at the option of the holder of the same, be and become immediately due and payable, and shall be collectible with reasonable attorney's fees and costs of collection if incurred.

VII. That the City of Dimmitt shall not in any manner be liable for the payment of any sums hereby assessed against any property, and the owners thereof, but the holder of the same shall look solely to said property and the owners thereof for payment of the sums assessed against the respective parcels of property.

The said City shall, however, exercise all of its lawful powers to aid in the enforcement and collection of said liens and assessments, and if default shall be made in the payment of any assessment, collection thereof shall be enforced either by the City of Dimmitt, or the Tax Collector and Assessor of the City of Dimmitt as near as possible in the manner provided for the sale of property for the non-payment of ad valorem taxes, or, at the option of the said holder or assigns, payment of said sums shall be enforced by suit in any court having jurisdiction.

VIII. That for the purpose of evidencing the several sums assessed against the said parcels of property, and the owners thereof, and the time and terms of payment, and to aid in the enforcement thereof, assignable certificates shall be issued by the City of Dimmitt upon the completion and acceptance of the work in each Unit of improvement as the work in such Unit is completed and accepted, which certificates shall be executed by the Mayor in the name of the City, and attested by the City Secretary with the corporate seal of the City, and shall be payable to L. A. Purtell and Bryan & Hoffman, paving contractors, or assigns, and shall declare the said amounts and the time and terms of payment and rate of interest and date of completion and acceptance of the improvements for which the certificate is issued, and shall contain the name of the owner as accurately as possible, and the description of the property by lot and block number, or front feet thereof, or such other description as may otherwise identify the same, and if the said property shall be owned by an estate, then to so state the description thereof as so owned shall be sufficient, or if the frame of the owner be unknown, then to so state shall be sufficient, and no error or mistake in describing any property on giving the name of any owners, shall in anywise invalidate or impair the assessment levied hereby or the certificate issued in evidence thereof.

The said certificates shall further provide substantially that if default shall be made in the payment of any installment of principal or interest when due, then, at the option of the holder of the same, or assigns, the whole of the said assessment evidenced thereby shall at once become due and payable, and shall be collectible with reasonable attorney's fees and costs of collection, and the personal liability of the owners of such property and the lien upon such property, and shall provide in effect if default shall be made in the payment thereof the same may be enforced either by sale of the property by the Tax Collector and Assessor of the City of Dimmitt, as above recited, or by suit in any court having jurisdiction.

The said certificates shall further recite in effect that all proceedings with reference to making said improvements have been regularly had in compliance with the law in force and proceedings of the City of Dimmitt, and that all prerequisites to the fixing of the lien and claim of personal liability evidenced by such certificates have been regularly done and performed, which recitals shall be evidencing of the matters and facts so recited and no further proof thereof shall be required in any court.

The said certificates may have coupons attached thereto in evidence of each or any of the several installments thereof, or they may have coupons for each of the first three installments, leaving the main certificate for the fourth.

Said certificates may further provide substantially that the amounts payable thereunder may be paid to the Collector of Taxes of the City, who shall issue his receipt therefor, which receipt shall be evidenced of such payment upon any demand for the same, either by virtue of the said certificate or any contract to pay the same entered into by the property owners, and that the Collector of Taxes will deposit all sums so received by him forthwith with the City Treasurer, and upon the payment of any installment with interest upon the surrender of the coupon therefor, receipted in full by said Contractor, or other holder of said certificate, the City Treasurer shall pay the amount so collected and due thereon to said Contractor, or other holder, which coupons so receipted shall be the Treasurer's warrant for payment. And the said City shall exercise all of its lawful powers, when requested so to do by the holder of said certificates, to aid in the enforcement and collection thereof, and said certificates may contain other and further recitals pertinent and appropriate thereto. It shall not be necessary that said certificate shall pay the amount so collected as above set forth, but the substance and effect thereof shall suffice.

IX. That the assessments levied by this ordinance for the improvements in each Unit are altogether separate and distinct from assessments in each and every other unit. The assessments for improvements in one Unit are in no wise affected by the improvements

in any other Unit, and in making and levying assessments the costs of the improvements in each Unit, the benefits by means of the improvements, and all other matters and things with reference to the improvements in each Unit, have been considered and determined while the condition of the weather will permit such improvement Unit, and the omission of the improvements in any Unit shall in no wise affect or impair the validity of assessments for the improvements in any other Unit. The omission of improvements in any particular Unit in front of any property exempt form the lien of such assessments shall in no wise affect or impair the validity of assessments against other property in that unit.

X. That no mistakes, errors, invalidity or irregularity in the name of any property owner, or the description of any property, or the amount of any assessment, or in any other matter or thing, shall in anywise invalidate or impair any assessment levied hereby or any certificate issued, and any such mistake, error, invalidity or irregularity, whether in such assessment or in the certificate issued in evidence thereof, may be corrected at any time by the City.

XI. That all assessments levied are a personal liability and charge against the real and true owners of the premises described notwithstanding such owners may not be named, or may be incorrectly named.

XII. That the fact that specified improvements of the specific Units as herein designated are in such urgent need of such improvement will be the condition of the weather will permit such improvement creates an emergency and imperative public necessity for the immediate preservation of the public peace, property, health and safety, requiring that any rules that an ordinance be read at more than one meeting of the City Commission of Dimmitt, and all rules prohibiting the passage of the same on the date of introduction and passage, be, and the same are hereby dispensed with and suspended, and this ordinance shall take effect and be in force from and after its passage.

PASSED AND APPROVED, this 5th day of October, A. D. 1953.
 E. B. WRIGHT
 (Seal) Mayor

ATTEST:
 E. B. NOBLE
 City Secretary

LEGAL NOTICE

NOTICE TO ALL THE OWNERS OR CLAIMANTS OR PERSONS INTERESTED IN ANY PROPERTY UPON THE HEREINAFTER MENTIONED PORTIONS OF THE STREET IMPROVEMENT PROGRAM COVERING LEE STREET IN THE MYRTLE WRIGHT SUBDIVISION OF THE CLIFTON HEIGHTS ADDITION TO DIMMITT, CASTRO COUNTY, TEXAS, FROM THE EAST LINE OF WEST TENTH STREET TO THE WEST LINE OF FRONT STREET, AND VARIOUS AND SUNDRY OTHER STREETS, AVENUES AND ALLEYS IN THE CITY OF DIMMITT, CASTRO COUNTY, TEXAS, SET OUT AS UNIT 2 HEREINAFTER PROVIDED, ALL IN THE CITY OF DIMMITT, CASTRO COUNTY, TEXAS:

The governing body, the City Commission of the City of Dimmitt, Castro County, Texas, has ordered the adoption of amended estimates, costs and expenses for the paving of a portion of Lee Street in the Myrtle Wright Subdivision of the Clifton Heights Addition to Dimmitt, Castro County, Texas, and various and sundry other streets, avenues and alleys in the city of Dimmitt, Castro County, Texas, be improved, and contract has been made and entered into with L. A. Purtell and Bryan & Hoffman for the making and construction of such improvements, to-wit: raising, grading and filling, and installing curbs and gutters where not already constructed on proper grade and line, and paving with three coat topping on six inch compacted caliche base, the streets, avenues and alleys hereinafter mentioned.

Amended estimates of the cost of such improvements for each portion or unit of the streets, avenues and alleys to be improved have been prepared and approved by the City Commission, and the same is on file with the City Clerk at the City Hall of Dimmitt, Texas.

The portion of said streets, avenues and alleys to be improved are as follows:

UNIT 2:
 Lee Street in the Myrtle Wright Subdivision of Clifton Heights Addition to Dimmitt, Castro County, Texas, from the east line of West Tenth Street east to the west line of Front Street;
 West Seventh Street from the center line of Lee Street in Myrtle Wright Subdivision aforesaid to the south line of existing pavement on Belcher Street in Clifton Heights Addition, except existing pavement in front of Lots 1 and 2 in Block 8 of said Clifton Heights Addition; and
 Stinson Street from the center line of West Seventh Street to the west line of Front Street.

The amended order provides for pavement of 41 feet in width on that portion of Lee Street set out in Unit 2 above instead of 33 feet, the customary width of all other portions of Unit 2 as set out above, and this notice is directed to all owners or claimants or persons interested in any property abutting upon the whole of Unit 2 because of the necessity to apportion and assess the cost in said Unit among the various owners of property abutting on the streets, avenues and alleys of said Unit, to include both those on and off that portion of Lee Street in the Myrtle Wright Subdivision of Clifton Heights Addition herein contained.

The estimated cost of the improvements, the amount per front foot proposed to be assessed, the name of the abutting property owners, and the cost to the City for such improvements are as follows:

It is proposed to levy the assessment as heretofore provided for in notice and heretofore assessed by prior ordinance on all of Unit 2 as heretofore done, except that the cost of improvements on that portion of Lee Street located in Unit 2 as hereinabove set out shall be as follows:

LEE STREET IN MYRTLE WRIGHT SUBDIVISION OF CLIFTON HEIGHTS ADDITION TO DIMMITT, TEXAS, A PART OF UNIT NO. 2
 33 feet unless otherwise stated
 33 ft. paving \$5.01 per front ft.

Enclosed is a photograph of the Holy Land in natural color!

More than a lecture, more than a moving picture in full color! Educational and revealing, this amazing feature will bring before your eyes the mystery and romance of the land of the Bible, the hills of Galilee which have inspired all Christianity.

After a successful coast-to-coast tour, Mr. Haboush will offer his program here, attended by a party of three. He will appear in native costume. Motion pictures in full color. Music from the greatest composers. This is not an amateur production... more than \$60,000 and sixteen years went into this program. All equipment is professional.

Endorsed by leading churches, club women, universities, and praised by Rotary, Kiwanis and Lion Clubs.

Rance HDC Elects 7 New Officers

The Rance Home Demonstration Club met Friday in the home of Mrs. Roy Botkin, with Mrs. Tillie Stringer, now Castro HD Agent, giving a demonstration on "Steamed Breads."

New officers for the coming year were elected as follows: Mrs. Clifton Harper, president; Mrs. Roy Botkin, vice president; Mrs. George DeLozier, secretary-treasurer; Mrs. Melvin Hamm, council delegate; Mrs. H. G. Beh-

rends, alternate council delegate; Mrs. Billy Sinclair, recreation chairman; and Mrs. Jack Streun, reporter.

Attending the meeting were: Mesdames J. C. Clearman, L. J. Counselman, H. G. Behrends, George DeLozier, Jack Streun, Clifton Harper, Melvin Hamm, Tillie Stringer, and Roy Botkin.

Legion Meets Monday

Monday, October 12, the Greer H. Estes post 445 will hold its regular social meeting beginning at 8:00 p. m. Fun and games for all are promised. Members are urged to attend. A report will be made on the conversion in Amarillo.

Mrs. Ed Wilson, Jr., and Debbie visited friends and relatives in Oklahoma City, Oklahoma, last week.

Select Nation's Outstanding 4-H'ers as Honored Delegates to Club Congress

(Above) Discussion periods are a feature of the Club Congress. All delegates are divided into "huddles" of six, these units reaching an opinion on various "agree-disagree" questions. Then the groups reassemble for final deliberation. Most questions at the 1953 Club Congress likely will concern the theme—"Working Together for World Understanding."

CHICAGO—Special—More than 1,200 outstanding rural youth—mostly farm boys and girls—from the 48 states, Alaska, Hawaii and Puerto Rico, will be honored delegates to the 32nd National 4-H Congress in Chicago, November 29-December 3. They are the "cream of the crop" selected by the Extension Service as state, sectional and national winners in the 1953 4-H award programs of projects of agriculture and homemaking.

The youthful delegates will represent more than 2 million active fellow members throughout the United States.

Expenditures of the National Committee on Boys and Girls Club Work, a citizens' group, total approximately \$900,000 in grants annually to assist the Cooperative Extension Service in furthering the program, membership and influence of 4-H. The major portion of the grants, which are provided by some 40 industrial organizations, foundations and prominent public-spirited men and women, are used for 4-H merit awards, including medals, savings bonds, trips, college scholarships and leader training.

Among the corporations and foundations providing grants are Allis-Chalmers, American Forest Products Industries, Carnation Co., Firestone Tire, Ford Motor Co. and Ford Tractor Division, General Motors, Hercules Powder, International Harvester, Kel-

logg Co., Kerr Glass, Mathieson Chemical, Montgomery Ward, Nash-Kelvinator, Sears-Roebuck Foundation, Simplicity Pattern, Spool Cotton, Standard Brands, United States Rubber, and Westinghouse Educational Foundation.

Cooperation is also provided by the Illinois Central, North Western, Rock Island and Milwaukee Railroads, Proctor Electric Co., Spinnerin Yarn, Toni Co., and Wm. Wrigley, Jr., Co. and Gene Autry.

Oil companies collaborating include American Oil, General Petroleum, Pan-Am Southern, Pure Oil, Standard Oil Foundation, Inc. (Chicago), Standard Oil Co. (Kentucky), The Standard Oil Co. (Ohio), Stanolind Oil and Gas, and Utah Oil Refining.

Individual donors include The President of the United States, Mrs. Charles R. Walgreen, Thomas E. Wilson, Edward Foss Wilson and Conrad Hilton.

"So fundamental and significant are the accomplishments of the 4-H Clubs that their principles have been accepted and initiated in more than 30 countries around the world," said G. L. Noble, director of the National Committee. "This is a splendid record," he continued, "considering that at the same time there has been consistent growth and a stronger foundation of sturdy citizenship laid at home. In part this accounts for the growing support of 4-H by our agricultural and industrial leaders."

Larry Britton Is New 4-H President

Larry Britton was elected president of the Sunnyside 4-H Club at a recent meeting of the organization in the Community House.

Other officers elected to serve for the next fiscal year follow: vice-president, Bobby Britton; secretary-treasurer, Verdina Curtis; council delegate, Bobby Britton; and reporter, Verdina Curtis.

The new officers mapped plans for the coming year and set dates for club demonstrations and programs.

Greathouse Takes Part In Training Exercise

Earl R. Greathouse, radioman third class, USN, of Dimmitt, is aboard the landing craft repair ship USS Sphinx which participated in operation "Salt Wave" conducted off the coast of Southern California from September 28 to October 2.

The training exercise was conducted to increase combat readiness of the fleet forces involved. Special emphasis was placed on anti-submarine techniques, air de-

fense and mine warfare. Simulated atomic attacks and protective counter-measures were included during the operation.

Mrs. Robin Vann and son, Tinker, visited friends in Dimmitt Saturday and transacted business.

Radio Program Set

The Nazareth Council Knights of Columbus will sponsor a radio program on Columbus Day to be carried over Radio Station KVOP in Plainview. The program will be aired Sunday, October 11, at 1:30 p. m.

Mr. and Mrs. T. A. Singer were business visitors in Amarillo Wednesday.

Sweatts Observe 50th Anniversary

Mr. and Mrs. Ed Sweatt of Dimmitt celebrated their fiftieth wedding anniversary Saturday in the home of their daughter, Mrs. Dan Boothe.

The elderly couple received a number of useful gifts from friends and relatives attending the event. Five of their children were present for the occasion. Cake and punch were served to all in attendance.

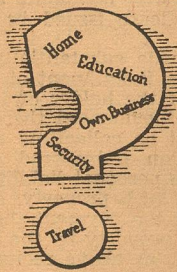

Mr. Sweatt, a farmer, moved here from Abilene, Texas, 30 years ago. The Sweatt's family physician, who was also a minister, performed the wedding ceremony.

WSCS Meets With Mrs. Vern Lust

Members of the Womens Society of Christian Service conducted their regular business meeting Monday in the home of Mrs. Verril Lust with Mrs. Kay Roberts as co-hostess. There were 18 present for the meeting.

Mrs. Earl Lust presided over the business meeting Mrs. George Webb gave the devotional and Mrs. Raymond Van Zandt led in prayer.

The W. S. C. S. will meet at the Methodist Church for the last lesson on "The Life and Task of the Church." Margaret Wilson is leading this interesting study. All the ladies of the church are urged to attend the meeting which starts at 2:30 p. m.

F. H. A. Formal Initiation

There was a beautiful formal initiation in the high school auditorium the afternoon of October 4. Candle lighting was used. Dalvia Howard installed new officers. Mary Nelson—President, Wilda Smithson—Vice President, Carolyn Rothwell—Sec., Sandra Hance—Treasurer. Belva Warren—Parliamentary, Louise Simpson and Darlene Cates—Reporters, Eileen Ballard—Historian, Raneal Ivey—Song Leader, Carolyn Bagwell—Pianist. The new F. H. A. members were given ribbons of red and white, and membership cards were given. Chapter mothers, Mrs. Ivey, Mrs. Rogers, Mrs. Smith, and Mrs. Nelson were given red roses, which is the F. H. A. flower. Refreshments were served.

7-A Grade News

The Tab club in Grade 7-A was organized, Thursday afternoon. The club officers are listed: Don Gregory—President, Donald Renfro—Vice President, Mary Lynn Hendrix—Secretary, Tommy Sheffy and Avis Williams—Reporters, Sandra Leath—Program Chairman. The class has a new pupil, Joan Key from Tahoka, Texas. The class is happy to have her with them. In art they have made many peculiar designs and clown faces. They are now making picture frames, from cocoa cans for school pictures.

F. H. A. Meeting

There was a F. H. A. meeting in the Home Making Department Monday, October 5. The meeting was called to order by the President, Mary Nelson. There was a meeting consisting of chapter degrees and a discussion of the Best Beau Theme. It was voted to have an Underwater theme. The meeting was adjourned and refreshments were served.

Senior Who's Who

If you want to be a good friend of Barton Cloudus don't ask too many questions because that is his pet peeve. For a pastime he just does anything. Barton has attended Dimmitt school since the 7th grade. He is 17 years of age and is 5 ft. 8 inches in height. His favorite sport is football. Barton really enjoys eating and his favorite food is fried chicken. He should be a good chemistry student because chemistry is his favorite subject. Barton's favorite actress is Piper Laurie and his favorite actor is Randolph Scott.

Bobcats Edge Panhandle Panthers 25-20

Approximately 2,500 excited fans watched the Bobcats of D. H. S. bump the fighting Panhandle Panthers, Friday night, by a score of 25-20. The Panthers ruled the game the first period and held a 14-0 half-time margin. The determined Bobcats came back and racked up four very important touchdowns to slide by the bewildered Panhandle lads.

The Bobcats scored in both quarters of the last half, tallying one time in the third quarter and three times in the fourth. The first TD came when the Bobcats recovered a fumble, and Maxie Warren plowed over the 2 yard line. The extra point attempt was blocked. Dimmitt scored again after Panhandle bogged down and the Bobcats took the ball over on downs. The Bobcats carried the ball to the 6 yard line and Edgar Dennis hit the right side of the line for the necessary yardage needed to score. The extra point counted when Dennis kicked a kick, and quarterback Warren hit end Clark Dobbs with a pass.

Dimmitt kicked to the Panthers, and after Richard Woods intercepted a pass, the Bobcats again hit paydirt when Edgar Dennis went up the middle for the last eight yards. This score put the scrappy Dimmitt boys out in front by a score of 19-14. When Dimmitt kicked, the Panthers could not be done. After two plays, big Gene Bentley, who did all of Panhandle's scoring ran the ball 37 yards for a touchdown to put Panhandle back out in front 20-19. With 45 seconds remaining in the game, Panhandle kicked to the fighting but scared Bobcats. Dimmitt tried to carry the ball, but the Panthers defensive line stopped the backs from picking up yardage. With time running out, Maxie Warren went back to pass. He spotted his receiver, who was Richard Woods, and Woods, with the help of some very effective blocking, went the rest of the way to put the ballgame on ice for Dimmitt. This winning play was judged by the fans the most spectacular play of the night. When Dimmitt kicked to Panhandle, there was only 15 seconds remaining in the game. Panhandle tried to pass the ball for a last-second score but could not get a receiver in the open. When the final gun sounded, the Dimmitt Bobcats held a 25-20 lead to win the game.

The Bobcats will take on the very powerful Olton Mustangs of class AA this week. Both squads will go into the game with an undefeated record.

Question of the Week

If you had a Cruet what would you do with it? Mary Nelson: Let George Ray hold hands with it. Darlene Cates: Give it to Rex Mr. Fields: Play it against Olton. Jerry Brown: Give it to Belva DeWayne Brown: Put it on the table. Bobbie Hoyle: Give it to Rita Dolores Battles: Feed it to the cows. Carolyn Campbell: Give it to LaNette. LaNette Hoyle: Give it to Carolyn. Mary Ann Witt: Run over it. Alton Whitworth: Give it to Dee. Jerry Vandiver: Feed it to Mr. Bates. George Ray: Throw it away. Edgar Dennis: Put it in a football suit. Ivan Sinclair: Give it to Mr. Morgan. Carolyn Rothwell: Give it to Jack Jones to poison himself. Jack Jones: Tell Carolyn to eat it. Don Hardy: Send it to Olton to Alcorn. Jo Ben Mitchell: Give it to Chad so he would grow. Bonnie Gollehon: Stick a mouth piece on it and play it. Miss Merritt: Put vinegar in it. Chad Moore: Give it to Alcorn. Carolyn Bagwell: Work my algebra with it. Melvin Witt: Take it on a date. Louise Simpson: Take it to a football game with me. Mary Coke: Borrow a pencil from it. A Cruet is a small glass bottle for vinegar, oil, etc.

Don Hardy: Send it to Olton to Alcorn. Jo Ben Mitchell: Give it to Chad so he would grow. Bonnie Gollehon: Stick a mouth piece on it and play it. Miss Merritt: Put vinegar in it. Chad Moore: Give it to Alcorn. Carolyn Bagwell: Work my algebra with it. Melvin Witt: Take it on a date. Louise Simpson: Take it to a football game with me. Mary Coke: Borrow a pencil from it. A Cruet is a small glass bottle for vinegar, oil, etc.

7-B Grade News

The Seven - B club had a meeting Friday. The girls in Virginia's group brought candy and cookies. The ones in Linda's brought dolls and modeled dresses. The boys brought fish. Next time the group are going to have a different thing to report on. Jo Cleavinger, one of the students in 7-B, moved to Oklahoma the last week. We were sorry to see him go. We hope he likes his new home.

High School Pictures Arrive

That's good! oh! Ugh! Ah! These remarks were heard in the hall Thursday noon when the juniors, sophomores, and freshmen received their annual pictures. The majority of the students were satisfied with their pictures. The pictures were made by Ayers Studio, and they will be put into the annual. Students may buy or return the six small prints and one folder.

Staff Attends Clinic

"Remember, it is very important to have your copy in early." This is the typical language of the Newsfoto Yearbook Clinic held at Amarillo College last Saturday. Mr. White and five members of the journalism class went to the yearbook clinic to hear new ideas on how to plan the annual. They registered at 9:30 o'clock and then went to General Assembly where general plans were discussed. Dr. A. M. Meyer, President of the Amarillo College, gave the Address of Welcome. At 11:15 o'clock General Assembly ended, and from 11:15 to 12:30, there were sectional meetings, which included layouts, directed by James Germany and F. M. McCarty; Photography, directed by Gordon E. Rushmer, and O. M. Bennett; Art, directed by Don Priest; and Covers, directed by Robert B. Reed and Miss Ann Wilson. F. M. McCarty, representative of Newsfoto Company for this area, was host at a luncheon for staff members. From 1:30 until 2:30 o'clock, sectional meetings continued for individual problems. Approximately 400 attended the yearbook clinic. Those representing Dimmitt were Mr. White, Lawrence White, Lorina McAfee, Pat DeLozier, Nay Dell Stine and Dortha Messenger.

New Students

Eva Mae White is a new student in the senior class. She attended school last at Friona. Her pastime is reading. The subjects she is taking are Speech, Home-making II, Bookkeeping, and English IV. When asked how she liked Dimmitt High, she replied, "I like everything." Faith Helen Faust is a new student in the Junior Class. She attended school last year in Littlefield. Her pastime is art. The subjects she is taking are Band, American History, Typing I, English III, and Journalism. She plays the clarinet in the band. Bruce Faust is a new student in the sophomore class. He attended school at Littlefield last year. His pastime is fooling around with model airplane motors. The subjects he is taking are Band, Texas History, Economics, Typing I, Bookkeeping, and English II. Bruce plays cornet in

Eighth Grade News

The eighth grade has added eight new members to its roll. They are: Pat Board, Francis Lane, Nelda Baily, Anna Powell, Ronald Fortner, Gaylon Moore, Shirley Williamson. The eighth grade football squad played Olton Tuesday night, Sept. 29, at Dimmitt. The starting players on the team are as follows: Offensive: Jimmy Tate—C, Dale Russell—G, William Stone—G, Richard Ragland—T, David Cole—T, Zay Gilbreath—E, Gary Cleaver—E, Truman Touchstone—B, Carl Hodges—B, Keith Lowe—B, David Bradley—B. Defensive: Bobby Adams—B, Robert Brown—B, Keith Lowe—B, Coyce Wilkerson—B, Carl Hodges—S. The line is the same on defensive as offensive. Dimmitt received the first kick and was stopped on their 40 yard line. They finally ran the ball to the one yard line. Touchstone ran the ball over for a touchdown. The attempt for the extra point failed. Bradley scored again for Dimmitt in the second quarter. The try for the extra point failed. On the first kick-off of the third quarter Olton ran for a touchdown. The try for extra point again failed. The game went on with no scoring. The game ended 12-13 Dimmitt's victory. Bradley received a cracked ankle. One of the Olton players received a broken nose. The Eighth grade Mothers and class members had concessions at the ball game. They plan to have them next time and hope you will come to see the ball game.

6-A NEWS

Class 6-A elected officers Wednesday. The officers are: James Collins—President, Edward Collins—Vice President, Dera Cartwright—Secretary, Carole Covsord—Reporter. Classes 6-A and 6-B had their exhibit for the show case. The exhibit consisted of animals and seeds from Texas. There will be seeds, snakes, lizards, a wasp nest, and many other things. Peggy Alley, a member of the Class of '54 became the bride of Sonny Thomas September 26. We wish them great happiness.

Senior Who's Who

Carolyn Campbell is a well-rounded student for she says that she has no pet peeve. Carolyn has attended Dimmitt schools for the past seven years. She attended her first five years at Crosbyton. Carolyn is 17 years of age and stands 5' 2" in height. Carolyn is a very active member of the Honor Society. She is also a member of the F. H. A. and Choral clubs. The most important club or organization of all is the Senior class in which she is a very active member. Carolyn's favorite food is fried chicken. In her school work she enjoys typing most of all. Carolyn's favorite actor and actress are Tony Curtis and Jane Russell. During Carolyn's pastime she enjoys sleeping.

Age: 17
Classification: Junior
Remarks: Bobby does the kicking and is a fine line plunger.

Mr. Seale, Voc. Ag. instructor, was ill for three days last week. Mrs. Seale taught his classes.

5th Grade News

The 5th grade began their study of geography with a unit on how people make use of their natural environment in the building of their homes, in the developing of industries, and in every phase of the cultural development of any social group. A study of the development of our own community gave meaning, understanding, and reality for the grade children. Many interesting articles used by the early day settlers were collected and exhibited in our school display cases as a tribute of appreciation for the lives and work of the people who helped to change our community from a part of the Western Frontier to the thriving, prosperous, and cultural community that we enjoy today. The high light of this study was the visit with Judge and Mrs. Percy Estes, where we learned answers to many of the questions that had arisen. Judge Estes showed and explained the use of many articles used in early days. The atmosphere was inspiring and heavy with learning as the 67 pupils and 2 teachers gathered in the spacious living room with Mrs. Estes as teacher of all, answering meaningful questions that came fast with enthusiasm. This occasion will always be remembered as one of our happiest and most profitable school experiences. Seven new pupils were enrolled in the 5th grade the past week.

6th Grade News

Mrs. Richardson's 6th grade room finished electing their officers. They are as follows: President—Hal Ratcliff, Vice President—Aundrea Boothe, Secretary—Kay Sims, Assistant Secretary—Peggy Gilbreath. The Secretary and Assistant Secretary will serve as reporters also. Here is a pledge written by Lanelle Blanton, a student in our room: I pledge allegiance to the Dimmitt Bobcats And to the town for which they stand. One town indivisible with basketball and football trophies enough for all.

BUY BIG
for less than you think
Come in and ask us about the low delivered price of this
New 1953 Buick SPECIAL
2-Door, 6-Passenger Sedan
WHY should you do yourself out of the big things in motoring life? Why pass up the room and power and comfort and niceties of big-car travel—when you can buy a big, new Buick SPECIAL for just little more than the price of smaller cars? We'll show you our price to prove that—to prove that you can buy this Buick SPECIAL for just a few dollars more than you have to pay for one of the so-called "low-price three."
Figure what that means—
Just a few dollars more for a lot bigger hoodful of power—Fireball 8 power—the biggest horsepower ever placed in a Buick SPECIAL.
Just a few dollars more for big and spacious 6-passenger roominess—and the solid, steady comfort of Buick's famed Million Dollar Ride.
Just a few dollars more for Buick styling, Buick handling, Buick luxury, Buick fun.
But do you know what else those few extra dollars get you in this big, broad, beautiful Buick? They get you a long list of standard equipment at no extra cost that most other cars at or near its price charge you for, as extras—which makes our quoted price even lower than it looks. We have the facts and figures to prove our points. All we need is you, at the wheel. Drop in on us this week and see for yourself that your new-car money really buys big—in Buick.
