

'Cats, Naz at home

Teams open season Friday

Castro County's three high school football teams are hoping for at least as much success as they had in 1984 as they begin the 1985 football season Friday.

Hart is the only county team on the road, as the Longhorns travel to Anton. Dimmitt will host Lubbock Roosevelt and Nazareth will host Lubbock Christian. All are non-district contests.

The Bobcats are 16-point favorites, according to the Harris Ratings System, while Harris picks Hart to win by 21 points. Harris did not pick the Swifts-Eagles contest, but the Swifts should be favorites going into the game.

The three county teams went 23-9 last season, as Nazareth went 11-1, falling in the bi-district game to Wheeler, while both Dimmitt and Hart posted 6-4 seasons and went into the final week of the season before

being eliminated from the playoffs.

All three games will begin at 8 p.m. Friday.

Lubbock Roosevelt at Dimmitt

Coach Clem Mancini is hungry for a win after the team's 0-10 slate last year, which started with a penalty- and injury-plagued 13-7 loss against the Bobcasts last season.

"Our kids have a lot better attitude," Mancini said last Friday. They came out in a lot better shape than they did last year. Plus, we owe everybody something."

"They're a lot better than they were last year," Dimmitt coach Clifford Smith said. "They have an exceptional secondary, and they run a fullback-oriented I offense. They don't appear to run a lot

of plays, but they execute the plays they do run very well. They throw the ball well, and their tight end, split end and fullback are probably their best receivers."

The fullback for the Eagles is Sonner Skinner, a 5-10, 175-lb. senior who has moved from guard, while Jim Miller (5-7, 156) is returning at quarterback. Miller threw for 809 yards last season, completing 62 of 124 passes.

Kin Moore (5-9, 149) is returning at tailback, where he picked up 350 yards last season.

Steve Sides (6-0, 171) is back at tight end, while Rick Willis (6-4, 165) has earned the starting nod at split end. Joining them in the receiving corps is wingback Danny Speck (5-6, 155).

"They run a lot to the tight

(Continued on Page 8)

QUARTERBACK WOODY GLASS (front) will be leading the Dimmitt Bobcats for the second straight season Friday night when the 'Cats host Lubbock Roosevelt. Leading the way up front will be tackle Milton Carrasco, guard Eddie Jordan, center Mark Standlee,

guard Scott Stevens and tackle Eric Stump. Manning the other "skill" positions for the Bobcats are split end Ben Benton, wingback David Ellis, fullback Mark Smothermon, tailback Warren McDonald and tight end Mark Shackelford.

No pass-no play still making coaches bitter

"Will Rogers never met H. Ross Perot," the bumper stickers say.

H. Ross Perot had better not meet up with ANY coach in the state, if they're all like the head football coaches in Castro County.

The coaches still have a bit of anger in their voices when they talk about the "no pass-no play" rule that was implemented during the 1985 spring semester and will be in full view this football season for the first time. There's still a lot of bitterness in their voices when asked about the rule.

The rule prohibits students from participating in extracurricular activities if they have any grade below 70 for a six weeks.

What it means for football coaches throughout the state is a player could play in the first six weeks of the season, then be ineligible for the remainder of the season.

"I don't know if it is going to be applied fairly," said Dimmitt coach Clifford Smith. "I have some real concerns about how the rule is going to be applied."

"I think it's going to hurt us more in junior high—we have a real small eighth grade class anyway, and it could hurt our entire junior high program. I hope it doesn't affect us as much on the varsity as it possibly could our other levels, but we may be in a lot of trouble.

"The whole thing is so unfair to a lot of kids. I think we're going to see a bunch of court injunctions about the seventh week of the season, and some games won't be played because of legal action. That's unfair."

"This is going to force some borderline kids out of athletics, out of school, and out on the streets holding up gas stations. I'd rather see us do something to keep these kids in school so they can at least get a high school education."

"I think it's affecting the wrong group of people," said Hart coach Mark Stroebel. "It's hurting the kids who are trying to do more things in school instead of the kids who go to school and don't do

anything. "Sure, education needs improving, but it has been taken to an extreme."

"The no pass-no play isn't bothering me as a coach, it's bothering me as a human being," said Nazareth coach Rex Minshew. "We feel like the kids ought to be passing if they want to play, but this is unfair to the kid. If a kid doesn't understand one portion of what he's studying, BAM, he's out for six weeks."

What would the coaches like to see?

"Anything less," Smith said. "One week won't happen, and I think the best thing we can hope for is three weeks instead of six, but I don't think there's

(Continued on Page 8)

PROBABLE STARTERS FOR THE HART LONGHORNS when they travel to Anton Friday night are Estacio Galvan, Manuel Ramirez, Arnulfo Carrasco, Cecil Diaz, Alonzo Sarabia, Carmello Medrano and Arturo Guzman

along the front line, while Paul Ramirez, Chris Rodriguez, Brett Ritter, Johnny Washington and Ronnie Rodriguez will man the backfield spots for coach Mark Stoebel's squad.

Deadlines nearing on fair, HD events

Deadlines are approaching for entries in the Castro County Fair and most other events in the Castro County Harvest Days celebration which kicks off next Thursday.

Fair entries are due between 3 p.m. and 6 p.m. next Thursday for the fair. Fair booklets containing the general rules and regulations and the various division rules are available at the County Extension Office in the courthouse

basement.

Deadlines for most other Harvest Days events are next Thursday and Friday, and entry blanks for the events, including the Talent/No Talent contest, the Harvest Days Run, the I.T. competition and the Harvest Days Parade are available at the Dimmitt Chamber of Commerce office, or can be clipped out of the Aug. 29 issue of the News.

LEADING THE WAY FOR THE NAZARETH SWIFTS Friday night in their season opener at home against Lubbock Christian are end Kevin Hoelting, tackle Kenny Kern, guard David Steffens, center Shawn Wilhelm, guards Brian Klein and Craig

Wilhelm and tackle Randy Leavitt; (top) ends Benny Schacher, Craig Huseman and Alan Birkenfeld, quarterbacks Chris Schmucker and Todd Hill, fullback Frankie Huseman, tailback Mike Huseman and powerback Billy Steffens.

SUSAN HANNERS (right) and Dick Schacher (center) are just two of the victims in this Harvest Days Follies skit. Jennifer Hanners and Karen Sheffy (left) are awaiting their fate, while Don Sheffy (on chair) has a big surprise

for everyone. Rehearsals are continuing for over a dozen different acts at the annual Harvest Days Follies next Saturday and Sunday.

Lions burgers coming Saturday

A "Beef Appreciation Day" will be held by the Dimmitt Lions Club this Saturday from 11 a.m. until 8 p.m. on the courthouse lawn in Dimmitt.

Over 2,000 hamburgers, dozens of smoked briskets, a half-ton of French fries and soft drinks will be served by the Lions, with hamburger, French fries and a soft drink served for \$1.50.

"Some of the beef has been donated, and we received a \$500 donation from the Texas Cattle Feeders' Association to help us," said Boss Lion Fred

Buegel. "Plus, the grocery stores in town will be offering special prices Saturday."

"I don't think it's any surprise to anyone the cattle market is bad. We want to say a special thanks to our cattlemen for everything they've done, and to show our support to them."

The Lions will have a special, complete kitchen set up in a trailer on the courthouse lawn, including grills for the hamburgers, deep fryers for the French fries, a smoker for the brisket, and other needs.

"We want to urge everyone to come by and get all of the hamburgers and other goodies

On the Go with Mary Edna Hendrix, 647-3343

Welcome back teachers! We lost some excellent teachers but we are gaining some good ones for this year.

Shirley Peggram will be one of the new teachers, as well as Choluta Young, wife of the new music director at the FBC. Richard and Choluta Young have two lovely daughters, Alice and Molly. The Youngs come to us from Dennison. Richard has been involved in Evangelistic work and has decided to serve in one hometown church. We welcome the Youngs to Dimmitt.

Jim and Shirley Peggram and Shirley's daddy, Mr. Bishop, from Floydada were in Miami, Fla. for several days visiting their children, Kristi and Michael Pennington, Bethany and Blake. The Penningtons were in Miami securing their permanent visas. They will be serving as missionaries in Caracas, Venezuela.

As the Pegrams returned home from Florida they came by Fairfax, Ala. to visit Jim's sister and family, Mr. and Mrs. J. E. Mitchell and on to Houston, where they visited Mr. Bishop's uncle and aunt, the T. L. Bishops.

Recently, Elmer and Mauzee Youts went to Monahans, picked up their daughter, Pat, and her husband A. P. Sligh and they all drove to Austin to visit Mr. and Mrs. Dennis James and twin boys. Mrs. James (Debra) is Pat's daughter.

Cheryle Pybus and Carla invited Beral Hance and yours truly for lunch on Friday. Since it was Ladies Day at the Rotary Club luncheon, Doug Pybus suggested we eat with them. We enjoyed the lunch, fellowship and program very much. Doug presided over the meeting, Ed Freeman led the group in singing some songs, and Blake Brown and Woody Glass gave some interesting reports of their experiences at Camp RYLA (Rotary Youth Leadership Awards) where they spent a few days during the summer.

Cheryle Pybus entertained some of her relatives last weekend including her mother, Mrs. Greathouse, from Clovis, N.M.

The Carpenters held a family reunion in Abilene over the weekend. There were 40 attending, including J. O. and Florence Carpenter, Irene Carpenter, Floyce George, Tisha and Brandy Rice from Dimmitt. They enjoyed lunch one day with the J. O. Carpenter's daughter, Claudie, and Carl Preston. They reported a good time but the weather was hot!

Bryce and Darlene Dowell

entertained their family over Labor Day weekend, Kris and Terri Dowell and Melanie Fant and family, all from Dallas.

Amy Parsons with baby Joel and Ty from Lubbock visited her parents, John and Sue Merritt and other relatives in Dimmitt over Labor Day weekend.

The Castro County Museum Board members met at the museum on Thursday evening for their monthly business meeting. Lon Woodburn presided over the meeting and Clara Vick read the minutes from the last meeting. Plans are still being discussed for the Harvest Days celebration — but Don Moke still hasn't found any cream, so we can churn and make butter. George Bagwell and Bryce Dowell plan to grind corn and wheat to make meal and flour. Several of the board members are still working to complete the half-dugout.

Board members present were Clara Vick, Helen Richardson, Bryce Dowell, Lon Woodburn, George Bagwell, Dale Winders, Don Moke, Irvin Ott and Ralph Lambright. Others who have worked on the dugout are Jim Elder, H. C. Nelson, Jim Roberts and Harley Dyef.

Mary Woodburn brought her niece Shirley Heaton, Donna Heaton, Justin Heaton, David Heaton, and Casey Angel all from Amarillo to the museum one day last week.

Others visiting the museum were Ida Mae and Gary Moore and LaRue Glenn.

The Museum board members are planning a "Work Day" on Sept. 9 beginning at 8:30 a.m. Helen Richardson plans to serve homemade ice cream.

On Wednesday night following the FBC choir practice the members honored Avie Lewis and Bryce Dowell for their good work done in directing the choir for the past several months — they were presented plaques. Chips and dips and chocolate cake were served.

Laura Lapins and her husband, John Willis, have recently moved to Charlottesville, Va., where John is pursuing his PhD degree in American History at the University of Virginia. Laura is working with the W. Alton Jones Foundation, the largest foundation in Virginia, which makes grants to preserve the environment and prevent nuclear war. Their new address is: 1830 Jefferson Park Avenue, #34, Charlottesville, VA 22903. Their phone number is (804) 293-4328.

"We have been here about a month and are really enjoying it," Laura writes. "It is a beautiful place to live. Charlottesville is set down in a valley near the Blue Ridge Mountains, which surround the city. Thomas Jefferson's home, Monticello, overlooks the city. Right now, it looks like we will be here at least four years, so I am looking forward to exploring the area."

The children of Maurine Henderson honored her on her 80th birthday, Aug. 10, with a dinner at Colonial Inn Restaurant and lots of visiting.

Her children are Edna Earle (Mrs. Alvin) Smith, Lorraine (Mrs. Warren) Oetken, and J. C. Henderson. It was the first time they had been together in several years. Other guests included eight grandchildren, seven great grandchildren, her sister, a sister-in-law and two nieces.

Those attending were Mr. and Mrs. Alvin Smith from Arlington; Mrs. Paul (Nancy) Munger and Lauren from Dallas; Mr. and Mrs. Warren Oetken from Burlington, Iowa; Mr. and Mrs. Ronnie Oetken, Railyne, Todd, Julaine and Ryan from Mediapolis, Iowa; Patricia Oetken from New York City, N.Y.; Mr. and Mrs. Steve (Jeanne) Jones, Kristin and Geoffrey from Erwin, Tenn.; Mr. and Mrs. J. C. Henderson, David, Linda, and Michael from Stratford; and Howard Henderson from Levelland.

Also, Mrs. Mildred Kyle from Dimmitt, Mrs. Vernon

Simmons, Mrs. Billy Joe Rothwell, and Mrs. Del Messer from Springfield, Mo.

Recently, members of my family went to the Country Squire Dinner Theatre to see the show "Annie," Bill and Mary Lynn Lankford, Kevin, Neely and Adria Lankford, and yours truly. We all enjoyed the show. We also celebrated Mary Lynn and Bill's wedding anniversary. On the following Monday my sister, Lynna Cloer, and her son and his daughter, Kelley Cloer and Mikele Cloer, from Ottawa, Canada, Irene Carpenter and I went to the Country Squire Dinner Theatre to hear the Otwell Twins who perform every Monday night. My nephew, Kelley, worked with the Otwell Twins in Tulia before they joined the Lawrence Welk Show.

On Wednesday morning members of the Castro County Community Concert Board met in the home of Oleta Walser to complete plans for the 1985-86 concerts: Ed Freeman, Nolan Froehner, Irene Carpenter, and Mary Edna Hendrix. The first concert, Guy Lombardo's Royal Canadians, will be presented on Sunday, Sept. 8 at 2:30 at the Dimmitt High School auditorium.

Beral Hance had a fun weekend with her son and family in Lubbock, Kent, Carol, Ron and Susan Hance. They attended church at the FBC in Lubbock.

George and Irene Blanton and Mr. and Mrs. Clarence Smith of Tucumcari, N.M. have been visiting Ollie Smith of Greeley, Colo. this past week. Ollie is Irene's niece and Clarence Smith is Irene's brother. They all went on up into Wyoming and visited the Grand Teton National Park. George said the mountains were beautiful. They also visited the art museum in Denver and the Denver Mint building. They reported having a wonderful time.

Saturday George and Irene attended a funeral for George Smith of Clovis, N.M. George was a cousin of Irene's.

Cora West attended the President's Club Meeting in Dallas Wednesday.

Norma Schacher from Nazareth flew down, her daughter met and brought her home.

Cora, Fella Guzman of Hart, Janell Davidson and Billie Sims of Hereford (Ruth Voyle's daughter) caught a chartered bus in Amarillo. The bus was full of President Club members from all over the plains. The bus driver was nice, took them to a big mall to shop and eat.

The next day he was there to take them to the Convention Center, where 1,700 P.C. members were there to hear Jim Preston, president, and several other good speakers. They saw films on new Avon products. The trip was an honor, fun and encouraging.

Troy and Billie Kirby took his mother and Cora to Amarillo to visit his sister Lavern Simmons. She has a big garden and sent home lots of good eats. Lavern is a sales lady at Southern Furniture. All had a good time.

The Thursday Bridge group met at the Senior Citizens Center. Loranel Hamilton was hostess. Emily Clingingsmith was high scorer and Johnnie Vannoy came in with the second high score. Others playing were Cleo Forson, Susie Reeves, Louise Mears, Elizabeth Huckabay, Jean Christian, Faun Welker, Neva Hickey, Edith Graef, and Jo Gregory.

Please shop Dimmitt first!

Who is at the Helm?

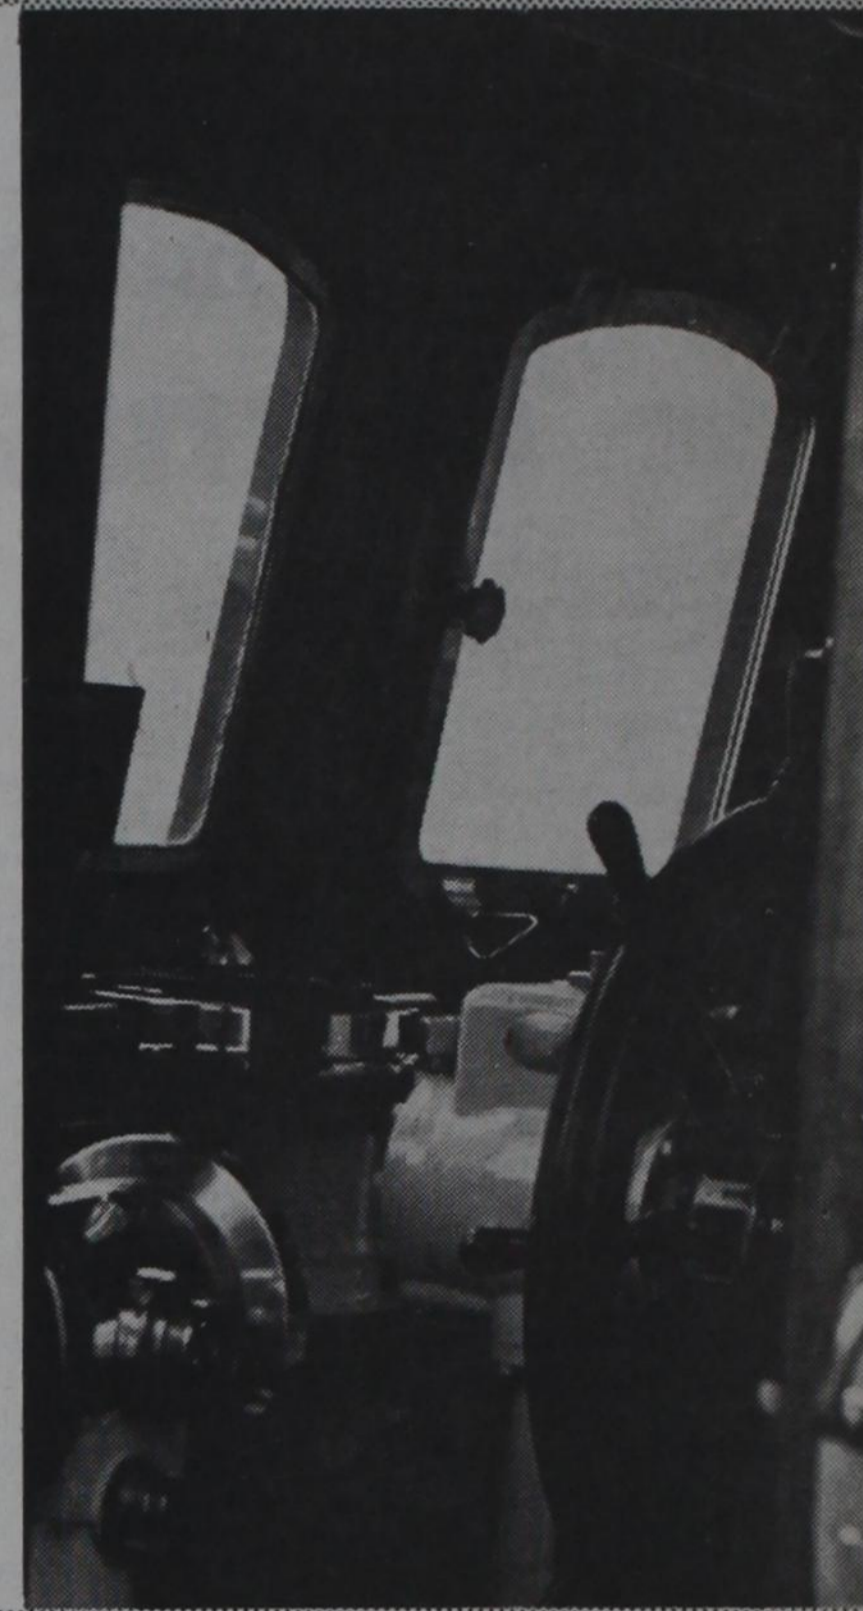

Who guides our lives? Are we a ship without a helmsman? Are we adrift, going no place?

Thanks be to God, who loves us so, He is willing to guide us, to show us the way over all manner of seas. How glorious to know there is such a One! All of us follow someone, some standard, but the true standard is God and His Word.

Let Him take over the wheel. He doesn't promise smooth sailing all the time, but He promises to guide us through the storm, and show us the way over calm and sweet but sometimes marker-less seas.

"And the Lord shall guide thee continually, and satisfy thy soul in drought, and make fat thy bones: and thou shalt be like a watered garden, and like a spring of water whose waters fail not."

Isaiah 58:11

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

14—CARDS OF THANKS

CARD OF THANKS
 A community of loving, caring, and sharing neighbors, friends, and family is the experience we encountered the night of August 23, following the fire that damaged our home in Easter.

We truly appreciate the many hours spent and the many expressions of concern extended to us while we were trying to move, clean-up, and get settled in a new residence. It would have been very difficult to go through this alone!

A special thanks to the Dimmitt Volunteer Fire Department. We realize the damage could have been much greater without your quick response.

God bless each of you for your time and effort.

Thank you very much!

LESTER, BETH, DENISE,
 KARA, ROYCE, NADINE,
 KACI, AND LORI SCHULTE
 14-50-1tp

14—CARDS OF THANKS

We would like to thank everyone who helped with the Jerry Lewis Telethon this year. Also the ones who donated food, drinks and auction items to make this telethon a big success.

Behrends, Turmel wed in formal ceremony

Tammy Tyise Behrends and William Alexander Turmel exchanged wedding vows in a formal, double ring ceremony Saturday at the Fourth and Bedford Street Church of Christ in Dimmitt with Dale Wells, minister, officiating.

The bride is the daughter of Mr. and Mrs. Clarence Behrends of Route 2, Hereford. The groom is the son of Mr. and Mrs. John Turmel Sr. of Austin.

Given in marriage by her father, the bride wore a white organza gown featuring an empire waist. The wide lace collar flowed to the back with an overlay of lace cascading into four tiers. The leg-of-mutton bouffant sleeves, with an overlay of organza and lace, gathered at deep lace cuffs. The full skirt was edged into a chapel-length train. The three-tiered veil and blusher of bridal illusion gathered at the back of a wreath consisting of white rose buds, carnations and greenery. She carried a cascading bouquet of blue rose buds and white roses, embellished with ribbon streamers and pearl trailing.

For "something old," the bride carried her grandparents' Bible. "Something new" was her wedding dress, "something borrowed" was a gold bracelet and for "something blue" she

wore a blue garter made by Viola Moore of Hereford. She also wore pennies with the dates of their birth in her shoes.

Kylene Thomas of Clarksville, sister of the bride served as matron of honor. Bridesmaids were Yvette Hernandez and Yvonne Deason of Austin, sisters of the groom.

Bridal attendants wore powder blue taffeta gowns fashioned with fitted bodices and deep flounces. Blue flowered wreaths trimmed with pink ribbons adorned their hair. They carried pink candles surrounded by blue and pink nosegays.

Best man was John Turmel Jr. of Austin, brother of the groom. Groomsmen were Bob and Earl Behrends of Hereford, brothers of the bride.

Jason Turmel of Austin, nephew of the groom, served as ring-bearer. Honorary flower girls were Cori Dawn Thomas, daughter of Mr. and Mrs. Gary Thomas of Clarksville and Lyndee Inez Behrends, daughter of Mr. and Mrs. Earl Behrends of Hereford.

Ushers were Lawrence Turmel of Austin, brother of the groom, and James Deason of Austin, brother-in-law of the groom.

Musical selections were vocalized by the Fourth and

MRS. WILLIAM TURMEL
... nee Tammy Behrends

Bedford Church of Christ singers and soloists Mr. and Mrs. Earl Behrends. Songs included "The Lord Bless You and Keep You," "Whither Thou Goest," "Years from Now," and "Faithful and True."

Four candelabras holding 28 tapers and a three-candle unity candelabra entwined with greenery and blue satin bows decorated the front church altar. Pews were marked with blue satin bows.

Following the ceremony, a reception was held in the fellowship hall. The bride's table was decorated with a cake designed with a flowing fountain surrounded by the bridal bouquet and bridal attendants' candles. Melodi Moore of Hereford and Susanne Baxter of San Angelo presided over the bride's table.

The groom's table was centered with a white candle and the bride's Bible, which had belonged to her grandparents, Mr. and Mrs. H. G. Behrends. It also contained a German chocolate cake and coffee service. Serving at the groom's table were the bride's cousins, Laurie Watts and Beth Miller of Dimmitt.

The couple will make their home in Austin after a wedding trip to San Angelo.

The bride's traveling attire consisted of a turquoise full-skirted dress with a black midriff and white accessories.

The bride is a 1982 graduate of Hereford High School. She is a 1985 graduate of the Methodist Hospital School of Nursing in Lubbock, and on her wedding day she received official state notice she passed the Registered Nurse test she took in May.

The groom is a 1982 graduate of Natalia High School. He attended Lubbock Christian College and Texas Tech University and is currently self-employed as a construction truck owner-operator.

Newlyweds at home in Denton

Mr. and Mrs. Tim Lane Fewell are home in Denton after a trip to Red River, N.M. following their wedding in Denton.

The couple exchanged vows in a formal double ring ceremony at the Cumberland Presbyterian church Aug. 24, with the Rev. Robert Rush officiating.

The bride is the former Gayla Dawn Theobald, daughter of Mr. and Mrs. Paul Mike Theobald of Red Oak.

The groom is the son of Mr. Jim Fewell of Dimmitt.

The bride, given in marriage by her father, wore a formal length gown of diamond white chiffon. Her scooped neckline, with tiny satin bows on each side, was accented with alencon lace and precious pearls which extended over the chantilly lace on her fitted bodice. The Juliet sleeves bloused from her bodice in chantilly lace which gathered at the elbow, then tapered to the cuffs in chiffon enhanced with the alencon lace. The chiffon skirt softly gathered at the basque waist. Chantilly lace flowed from a point in the middle of her skirt around to her cascading chapel length train.

Tonya Theobald, sister of the bride, served as maid of honor. Dovina McClain of Denton, Vicki Schlim of Fort Worth and LaDonna Conklin of Odessa served as bridesmaids.

The attendants' long, flowing gowns were fashioned of three tiered lace necklines with gored skirts enhanced with lace inserts. The waists were accented with pink satin ribbon belts.

Serving as best man was Jimmy Fewell, brother of the groom. Groomsmen were Bruce Rummel of Lewisville, Paul Parsons of Lubbock and Dwayne Theobald of Denison.

Jason Alexander of Denton, cousin of the bride, served as ring bearer and Heather Phillips of Houston, niece of the groom was flower girl.

Greg Newby and Guy Serrano served as ushers and candlelighters.

Mike Miller sang "My Only Love" and "The Twelfth of Never." Debbie Rains provided organ music.

Candelabras and bouquets of spring flowers decorated the church and the reception hall.

The bride is a 1981 graduate of Lake Dallas High School and is a senior at North Texas State University. She is currently employed at Kroger in Denton.

The groom is a 1979 graduate of Dimmitt High School. He is a 1983 graduate of North Texas State University and is employed at Commerce Savings in Dallas.

at Tots and Teens

For Boys and Moms

Yes, we have clothes for boys as well as for girls at Tots and Teens. And yes, we have fashions for mothers, too. Jerri Ka Hadley and her son, Michael, 1½, prove our point.

Jerri Ka models a striking winter dress in red-and-black lumberjack plaid, of 100% cotton flannel, by Act I.

Michael is wearing a gray knit outfit with black and red trim, made of 100% acrylic, by Bullfrog. It's one of many great lines of comfortable, stylish clothing we stock for boys.

We invite you to come see what else we have for mothers, boys—and girls, too—at Tots and Teens!

Lombardo Band will appear here

One of the most listened to, talked about and imitated big bands of all time was that of Guy Lombardo.

Why? He brought forth a distinctive recognizable style that thrilled audiences. The exaggerated saxophone vibratos, the clipped brass phrases and vocal styling that immediately identified the orchestra as being Guy Lombardo's Royal Canadians.

He was a master at picking the exact correct tempo, and a succession of steady unobtrusive beats made it a pleasure to take your girl out on the floor. If you could move your legs at all, you could dance to the music of Guy Lombardo.

It was a wonderful band to talk to as it never played so loudly that you had to say "what?" whenever somebody asked you a question. And the most important ingredient of the Lombardo Band was its consistency in playing wonderful tunes . . . tunes the people enjoyed.

And to Art Mooney, one of the most ardent admirers of the Lombardo style, goes the assignment of carrying on in the grand tradition that continued to be the favorite of the American continent.

Both Lombardo and Mooney believed implicitly in this style of music and both succeeded in selling it to two generations of dancers.

The "Sweetest Music This Side of Heaven" comes to Castro County Community Concerts when Guy Lombardo's Royal Canadians, directed by Art Mooney, appear Sunday at 2:30 p.m. in Dimmitt High School auditorium.

Lasagne will be served Friday by BSP

Beta Sigma Phi will sponsor a pre-game lasagne supper Friday from 5 p.m. to 7:30 p.m. in the Dimmitt High School cafeteria.

Adult plates will be \$4.50, and children under 12 will be served for \$2.

Correction

It was a Delta Kappa Gamma scholarship, not a Beta Sigma Phi scholarship, that was awarded to Becky Book of Nazareth last week.

The News credited the wrong organization with the scholarship in a photo showing donor Mabel Newman and Delta Kappa Gamma President Gainell Minnick presenting the \$500 scholarship to Mrs. Book, a senior math and business education major at WTSU.

Delta Kappa Gamma is a professional organization of women educators. Beta Sigma Phi is a social and service sorority.

Mrs. Newman started the Delta Kappa Gamma Scholarship in memory of her late husband, S. T., who was a longtime teacher and administrator in the Dimmitt Public Schools.

Purpose of the scholarship is to help with college costs for a deserving woman student who has shown a commitment to go into teaching.

The world's largest zoo is the 650 acre Whipsnade Zoo near London, England.

Area I YHT to meet Saturday

The Area I Young Homemakers of Texas will stage their Annual Meeting and their Awards Luncheon in Plainview Saturday.

The meeting will be held in the auditorium of the Nunn Building on the Wayland Baptist University Campus. Registration will begin at 9:30 a.m. with the Whitharral YHT Chapter in charge. Chapter exhibits, scrapbooks, and name tags will also be set for display and judging at this time.

The theme for the meeting will be "Young Homemakers Care." During the morning session, Area I business will be discussed followed by Peggy Eversol of the Rape Crisis Center as the mornings keynote speaker. During the afternoon session Jacque Hastings will speak on Miracles for Kids, and Zaphne Green of Our House Gifts will complete the meeting's theme with a demonstration on Personal Care and Improvements.

The Young Homemakers Awards Luncheon will be held in the upstairs facility of the McClung University Center at 12 noon.

Awards to be presented by the Young Homemakers are: the Outstanding Chapter Award sponsored by the Investor Owned Utility Companies of Texas; the Outstanding Future Homemaker Scholarship and the Outstanding Young Homemaker award, both sponsored by Energas. The Area YHT Officers will also present Honorary Membership to some outstanding supporters of their association.

The first place winner in most of the awards will advance to the state competition later this year.

Area I is composed of chapters from thirty-eight

counties of the Panhandle-South Plains of Texas. Affiliated with Area I Young Homemakers are twenty-two chapters with a total of 344 members.

Debbie Annen of Dimmitt is the past state president of YHT.

"JOHNNA" WAIT, "RHONDA" CALDERON AND "STEPHANIE" TALLEY were among three of the volunteers who helped raise \$4,906 Sunday and Monday at the local pledge center for the Jerry Lewis Labor Day Telethon to support the Muscular Dystrophy Association. Other activities included a dance, square dancers, singers, two bicycle giveaways and door-to-door solicitation as well as manning the phones at the Expo Building headquarters.

Club meets Wednesday

Reta Welch will review, "The Bridge Across Forever" by Richard Bach, Wednesday at the Dimmitt Book Club business meeting in Rhoads Memorial Library.

The meeting is slated to begin at 3:30 p.m. and will be followed by the book review at 4 p.m.

"The Bridge Across Forever" is Bach's quest for the wise, mystical, lovely lady who lived just around a corner in time. Caught in the storms of wealth and success, disaster and betrayal, he abandons the search and the walls he builds for protection become his prison.

Until now, this quietly mysterious writer has told his stories through allegory and fiction. With "The Bridge Across Forever" he draws his readers to his heart and shares an intimate, funny, sad, ferociously honest view of his personal life and love.

This is Richard Bach's eighth book. His best known books are *Jonathon Livingston Seagull* and *Illusions*.

The Dimmitt Book Club meets the second Wednesday of each month, September through May in the Rhoads Memorial Library. All persons are invited to attend.

Parker finishes training

Airman James T. Parker, son of J.D. and Diane Parker of Dimmitt has been assigned to Chanute Air Force Base, Ill., after completing Air Force basic training.

During the six weeks at Lackland Air Force Base, Texas, the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree through the Community College of the Air Force.

Parker will now receive specialized instruction in the aircraft maintenance field.

He is a 1985 graduate of Dimmitt High School.

Who's New?

Mike and Cindy Odom are the parents of a baby girl, Shae Denise who was born Aug. 1 at Plains Memorial Hospital. She weighed 7 pounds, 7 ounces and was 21½ inches long. She has one sister, Rae, who is two years old. Grandparents are Kenneth and Shirley Hollums of Dimmitt and M. B. and Lucille Odom, also of Dimmitt.

Sheffy, Donna Behrends, Coby Gilbreath, and Janna Anthony. Not pictured were John Thomas, Leasa Thomas, Denise Behrends, Matt Gilbreath, Kyle Wise, Tommy Kenworthy, Debbie Myers and Jim Birdwell, bookkeeper. (Photo by Debbie Annen)

No pass-no play...

(Continued from Page 1)
much of a chance of that happening."

"I'd like to see them make it either two or three weeks," Minshew said. "That way a kid can come back for at least part of the season. It would really be about the same difference on a week-to-week basis—if a kid wasn't passing everything, he'd be ineligible for that week."

"Gosh, yes, I'd like to see it

changed to ANYTHING," Stroebel said. "Anything would be better than what it is now. This could wreck teams, entire programs, it could wreck an entire school."

The coaches say work is going to be needed by this year's players to get them through the season.

"Our kids are pretty good at making their grades," Minshew said. "The parents help a lot, they make them do their

studies. We might have one or two who are going to be borderline, but I've told all of them to do their homework and turn in their stuff and they'll be alright."

"What makes me maddest of all is the penalty," Smith said. "Sure, we want them to do well in their classes, we want them to get an education. But we're telling a kid, 'One mistake and you're gone.' How many times are you penalized that severely for making a mistake?"

"We'll settle for one mistake, I guarantee you, and so will every other coach in the state. Show me a coach who won't settle for 9-1 right now."

More about

Teams open...

(Continued from Page 1)
end side because Willis leads the way for them, but everything is going to revolve around their fullback," Smith said.

Mancini's 5-2 defense will feature Sides at end, Mark Wheeler (5-9, 152) at linebacker, and John Klatenhoff (5-11, 150) at cornerback. Other returning starters include Joey Chance (5-9, 182) at the other linebacker slot, and Speck and Allen Dolberry (5-10, 160) in the secondary.

"We will have to grind the ball against them," Smith said. "I don't think we're going to be able to break anything against them because of the way their defense is set up."

"We sure can't afford any turnovers. They controlled the ball well in their two scrimmages (against Tahoka and Floydada). They really dominated their two scrimmages."

Smith was much happier with last Friday's scrimmage against Farwell than he was last week after the Bobcats faced Bovina.

"It was a good scrimmage for us," Smith said of the Bobcats effort, which included over 300 yards on offense and three touchdowns, plus three touchdowns on five snaps during the "goalline" scrimmage.

"They're a good ballclub and we did well against them. Our defense played well, especially Ben Benton and Todd Durham in the secondary, Cruz Arce at end, and Eddie Jordan and Mark Smothermon at linebacker."

"Our offense did a much better job. Jordan (guard) and Eric Stump (tackle) blocked well, and we threw the ball better. Warren McDonald probably earned a starting job with his performance at tailback. Fumbles hurt us, though, and we've got to learn to hold on to the football."

Hart at Anton
The Hart Longhorns hope to be back at full strength Friday

against Anton after losing starting quarterback Brett Ritter to a stomach virus for last Friday's scrimmage with Lubbock Cooper.

"Paul Ramirez stepped in and did a good job," Hart coach Mark Stroebel said. "We broke even, 2-2, but our offense and defense both looked better. I think if we get after it, we'll do pretty well."

Anton's Bulldogs were 5-5 last year, but went a paltry 1-4 in District 2-A South. Coach Jackie Stewart will bring a young ballclub into Friday's opener, including 10 freshmen and six sophomores.

The best player, though, is back — Kyle Swanson (6-0, 190), who rushed for over 860 yards last year.

"He'll be at fullback in their wing-T offense, and the key to stopping their offense is containing him. If we can contain him, we'll be in good shape. I don't think their other backs are near as much a threat as Swanson is."

Anton will probably open with sophomore Trevor Edgemon (210) at quarterback, and add Freddy Lopez (170) and Jay Rendon (160) at the halfback posts.

The Bulldog line, though, is smaller than the backfield, which will probably work to the 'Horns advantage. Only two linemen tip the scales at 200 pounds, and probably only center Darrell Bradley (225) will start.

"We're going to have to hold on to the football and execute our offense," Stroebel said. "We can't afford any mental mistakes."

Lubbock Christian at Nazareth

"It might have been the best thing that could have happened for us," Swifts coach Rex Minshew said of his team's scrimmage last week against Springlake-Earth.

"We kind of stunk it up a little," Minshew said, "but I think it proved a point to our kids — they're gonna have to

work harder to get ready for this Friday and every Friday, and they can't take anything for granted."

The Wolverines outscored the Swifts 3-0 in the final scrimmage before tomorrow's opener against the Eagles.

"I think the kids realize they probably weren't in as good shape as they need to be, so we've been working them a little harder. We went right back after it after slowing it down a little last week. They were in better shape than we were, and they were able to score and prevent us from scoring because of that and some tough breaks we had."

The Eagles were 4-6 last year, but coach Steve Bigham is bringing back a wealth of experience and size from the squad that fell to the Swifts, 41-8, last season.

"They have 12 seniors and lots of returners from last season. They like to get after it, and they'll be looking for us after we beat them like that last year. They have good size — they come closer than anyone else matching up with us in size. That should be good for us."

Running the I and Wishbone formations for coach Steve Bigham will be Bruce Gilstrap, while fullback Jeff Cristmann (195) and tailback Bobby Jarnigan (185) will do most of the rushing. The Eagles line is headed up both ways by tackles Steve Tucker (210) and Eric Gee (220).

"It's going to be power against power," Minshew said.

Minshew is still not announcing who his starting quarterback will be this week, saying he'll decide Thursday.

"I know who's ahead right now," Minshew said of the battle between junior Todd Hill and sophomore Chris Schmucker, "and I think the kids know, but we won't announce the starter until Thursday."

"No matter who starts, the other will see plenty of playing time."

STRIPPER POWER

It's **INTEREST FREE** until the 1986 use season on new strippers

The most productive strippers also provide you the best value. Only John Deere offers that productivity with lots of other powerful reasons to buy. Reasons like the latest in design innovations. The best parts availability and most reliable service. The tradition in the John Deere name... plus the strong company and dealer organization that stands behind it. All reasons the "bargain-priced" competitors can't offer you.

But, there's one more good reason to choose John Deere now. Big savings! We're pulling out all the stops to sell cotton strippers. But don't delay, these programs end October 31, 1985.

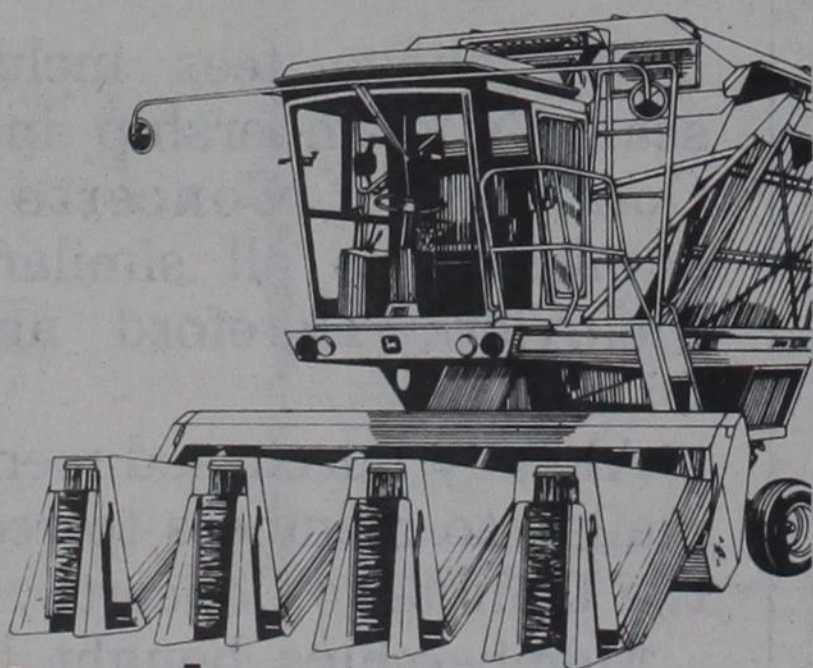

Buy a new cotton stripper now and pay no interest until the 1986 use season! The John Deere finance waiver may actually give you an effective A.P.R. lower than the competition's "low rate" financing. Or when you buy a new cotton stripper, take a discount in lieu of waiver worth up to thousands of dollars. Or if you're interested in a used stripper, we can offer you a finance waiver to April 1, 1986.

COTTON STRIPPER DISCOUNT IN LIEU OF WAIVER

Harris looks at season, week

Once again this season, the *News* will be featuring the Harris Ratings Service, compiled weekly by John Harris of Brownwood. Harris is renowned for his accuracy in forecasting every UIL high school game in the state of Texas — well over 500 games each week.

Here's how the Harris Ratings Service picks this week's games: (home team in CAPS) DIMMITT 16 over Roosevelt; Hart 21 over ANTON; NAZARETH opponent (Lubbock Christian) not rated; FRIONA 19 over River Road; Crosbyton 6 over FLOYDADA; Idalou 11 over SHALLOWATER; Littlefield 20 over FRENDSHIP; TULIA 15 over Lockney; MORTON 20 over Denver City; Bowie 8 over JACKSBORO; HALE CENTER 6 over Cooper; Abernathy 29 over PETERSBURG; HAPPY 19 over Bovina; SPRINGLAKE-EARTH 12 over Amherst; OLTON 14 over Sudan; Whiteface 11 over McLEAN; FARWELL 15 over Wilson; Valley 15 over CLAUDE; New Deal 11 over KRESS; SAN ANGELO CENTRAL 16 over Hereford; PLAINVIEW 6 over Estacado.

Here's how Harris picks the districts for 1985, and some of his reasons why:

District 2-3A

1. Littlefield — power rating 167, weaker; "Littlefield has amused itself for a long time now, having gone 62-7 over the past five years . . . won a district title each year . . . excellent personnel."
2. Tulia — power rating 157, stronger; "Tulia also has a few star-studded athletes back from 4-4-1 unit that was stronger than the record indicates."
3. Idalou — power rating 155, same; "The responsibility of having another fine football team here falls on 17 returning lettermen."
4. Friona — power rating 151, stronger; "There is more depth here than ever before . . . club considers itself to be a definite threat to make the playoffs."

5. Dimmitt — power rating 148, same; "Dimmitt had a pretty good 6-4 outing in '84 . . . much improved over the 4-6 '83 bunch."
6. Floydada — power rating 136, stronger; " . . . sees more experience, better speed and a lot more balanced attack . . . Winds are too outmanned."
7. Muleshoe — power rating 135, weaker; "Last year began wrong with a loss to Portales and ended with a loss to Littlefield. Weaker (this year)."

District 3-2A

1. Abernathy — power rating 152, weaker; "One of premier teams in the state in '84, will be extremely strong one again. A large enrollment school . . . an advantage for them."
2. Olton — power rating 146, stronger; "Olton sees an army of experience and talent back from a much improved team in '84."
3. Hart — power rating 136, stronger; "It appears Hart has rekindled the fire that burned brightly here prior to 1978 . . . coach Mark Stroebel's crew could be pretty salty."
4. Hale Center — power rating 134, much weaker; "It's conceivable this could be the weakest Owl team since 1979 . . . they've been ripped off for the '85 wars . . ."
5. Springlake-Earth — power rating 128, stronger; " . . . showed vast improvement last year over the weak '83 2-8 showing . . . very experienced."
6. Bovina — power rating 105, stronger; "The club . . . crippled in at 0-10 . . . the club just hopes to shuck that horsecollar."

District 2-A North

1. Vega — power rating 137, much stronger; " . . . the Longhorns plan to come out smoking . . . 18 starters will be back . . ."
2. Farwell — power rating 135; "Coach Monte Barnes describes this club as being on same level as his 9-3 '82 bunch in class AA."
3. Nazareth — power rating 134, stronger; " . . . Minshew is expecting a tough race this year but thinks his charges can win it . . ."
4. Happy — power rating 124, stronger; "Coach Tom Lair isn't in awe of any of the top three teams. To prove a point, Thomas has a playoff trip already planned out."
5. Kress — power rating 112, stronger; "It will be hard for the Kangaroos to compete in this zone. There are just too many teams that are so much stronger."
6. Lazbuddie — power rating 98, stronger; "Has a long, long way to go to be competitive in this zone."

Harris predicts Munday and Union Hill will meet in the A championship game, Electra and Quitman vying for the 2A championship (with future Dimmitt foe Morton going to the semifinals), Vernon and Hempstead going to the finals in 3A (with Littlefield getting to the quarterfinals, again against Vernon), Sweetwater meeting Tomball for the 4A crown, and Mojo meeting Yates in the 5A finale.

Your Old Air Conditioner Could Be Robbing You Of Comfort...And Money.

Replace that energy glutton with a high efficiency Trane central air conditioner.

If you've had it with high utility bills every time hot weather hits, get a high efficiency Trane Executive Plus central air conditioning system and start your

summer savings now. The "plus" is an extra large cooling coil that makes this system even more efficient.

Because it's extra efficient, the Executive Plus system uses less energy. That's why it costs less to operate than older, less efficient

air conditioners. So you'll be saving more on cooling bills this summer — and for years to come.

Trane's all-aluminum Spine Fin™ coils perform better, longer than copper-aluminum combination coils.

Beat the heat... and save money, too!

ABI Agriculture Business Industry

ANOTHER NEW BUSINESS—Chamber of Commerce and government officials and friends held a ribbon-cutting Aug. 21 to formally open the new office of Dr. Harold Brigance, optometrist, at 111 NE Second St. While Dr. Brigance does the ceremonial clipping, Percy Parsons (left) and Chamber President Gene King (right) hold the ribbon for him. Others along the front line are Norma Walden

and Chris Shaddle, receptionists, and Barry Hill. In background, from left, are County Judge Polly Simpson, George Sides, Mayor Wayne Collins, Economic Development Commission Director Gerald Hanners, Margaret Parsons, Don Sheffy, Linda Wassom, Sarah Hill and Andy Hill. Dr. Brigance's office is open each Wednesday.

Field day set Tuesday

Ways farmers can more effectively apply irrigation water and results of two years of testing of a new multipurpose system which can apply both water and chemicals will be featured Tuesday during the 76th annual field day of the Texas Agricultural Experiment Station at Lubbock and Halfway.

The tour this year will be at the TAES/High Plains

Research Foundation at Halfway, 14 miles west of Plainview on US 70. The annual event alternates between the Lubbock and Halfway facilities, explained Dr. Doug Owen, research scientist and field day chairman.

Five major stops and a walk-up stop will be featured on the tours, which will begin at 1 p.m. and end at 5 p.m.

The irrigation stop will give

visitors a detailed look at the Multi-Function Irrigation System (MFIS) developed by Dr. Bill Lyle, TAES professor of irrigation engineering. Lyle also developed the Low Energy Precision Application (LEPA) system which is gaining increasing popularity across the High Plains.

Also to be covered at the irrigation stop will be research comparing drip and LEPA irrigation on onions and cotton. Lyle also will discuss the potential use of MFIS to apply specific chemicals, such as anti-transpirants, growth regulators, soil surface evaporation suppressants and fertilizers.

Other featured stops will spotlight early findings of a farming system research program, control of perennial and annual weeds, cotton breeding and variety performance, control of insect pests, and grape production. Also on view will be work on soil fertility and other crops of the region, wind-break planting work of the Texas Forest Service, and displays of new farm and irrigation equipment.

Specialists of the Texas Agricultural Extension Service and TAES scientists will be on hand to answer questions and discuss research.

GSPB sets assessment

The recently expanded Texas Grain Sorghum Producers Board has set the Texas grain sorghum checkoff assessment at eight-tenths (.8) cent per hundredweight. The assessment will be collected on grain when it is purchased from producers by elevators, livestock feeders, seed companies and others. ASCS will collect the assessment on grain which enters the government loan program.

Processors will be notified by letter of the effective date of the assessment. Grain which has been sold or placed in the government loan prior to that notification will not be subject to the assessment. Producers

who do not wish to participate in the checkoff will have their money refunded upon their written request, accompanied by proof that the assessment was paid.

The statewide sorghum checkoff was established in a recent referendum to expand the Texas High Plains program which has existed in twenty-nine counties of the Panhandle since 1969. In the recent election, the state's sorghum producers named seven directors to fill positions on a fifteen-member board.

The board held its first meeting in Lubbock on August 23-24. New directors who were sworn in at the meeting are:

James Dyer, Weslaco; J. W. Bauer, Refugio; Howard Salge, Skidmore; Richard H. Perry, Robstown; Weldon Shelton, Lamesa; Albert Scheele, Lockney; and Dennis Anthony, Friona.

In order to have better representation of all sorghum producers of the state, the board named six representatives from areas which do not have directors. Nominees from those regions who received the highest number of votes were appointed as representatives.

The board will meet again in the last week of September to elect officers, consider projects and draft a budget.

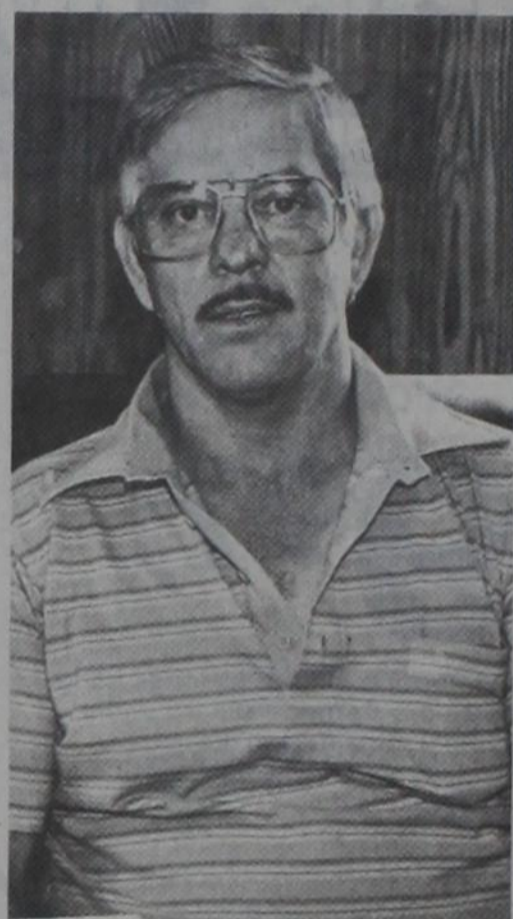

Cargill buys Farmers Grain

Cargill, Inc. has announced it has purchased stock in Farmers Grain Co. of Hart and has taken over the operations.

"The Farmers Grain Co. facilities will enable Cargill to expand its marketing services to corn, wheat, soybean and sunflower products in Castro County and the surrounding area," said Brannon Darnell, area manager for Cargill's country elevator system. "The elevator is well located to serve the local cattle feeding industry, area flour mills and Gulf export demand for producers' crops."

It is the first Cargill-owned elevator facility in the county, but the company does own a trucking and cattle feed operation in Dimmitt. Other Cargill elevators are located in Amarillo and Plainview in the Panhandle region.

Darnell said the company will buy grain from producers and other elevators to maximize use of the facility's 3.6 million bushel storage capaci-

JARRELL SEWELL
... New Farmers Grain Co.
manager

Named as manager of Farmers Grain Co. was Jarrell Sewell, 45, who comes to Hart from Liberal, Kan. Sewell has been in the elevator business 27 years and has been an elevator manager with Cargill, Inc., since 1979.

Born in Arizona, Sewell was raised at Moscow, Kan. After graduating from Moscow High School and spending a year in electronics school in Denver, he worked 14½ years for the Moscow Elevator Co. In 1972 he was named elevator manager for Spikes Inc., in Moscow.

He moved to Liberal, Kan., in 1979 to become elevator manager of the Cargill, Inc., facility there.

He and his wife, Shirley, a native of Liberal, have two grown sons and two grandchildren. In his spare time, Sewell enjoys golf and hunting.

Sewell said Ronnie Truelock will continue as assistant manager and LaVerne McLain as bookkeeper-secretary.

ty, which can handle a 25 to 54 unit train.

To All Our Customers:

We would like to inform you that Farmers Grain Company is under new management.

We will continue to serve you in the same courteous and professional manner that has been associated with Farmers Grain Company since 1928. We welcome you to come in and visit us for all your grain, feed and seed needs. Please call or come in at anytime to visit with us about your needs or about any questions you might have.

We have space available to handle your corn, soybeans, milo and sunflower seeds. We will store your grain or offer warehouse receipts for the loan program. Please check with us for other marketing alternatives available and for our local cash prices.

We will be receiving grain at three locations:

- (1) Main office scale in Hart,
- (2) Kress leg, seven miles east of Hart,
- (3) Sunnyside leg, eleven miles west of Hart.

We are looking forward to meeting and serving all of our customers in the area. We also would welcome any new customers to come in or call us.

Nazareth

By Uirgk Gerber, 945-2669

Sister Corinne Lange visited her brother Joe Lange and family for several days before beginning her duties at St. Anthony's Hospital in Amarillo. Veronica Brown and her son Eric also spent several days this past week with her parents, the Joe Langes. On Sunday, Bob and Grace Chism and girls of Amarillo and the Tom Lange family from Hereford visited with their parents the Joe Langes.

Sunday afternoon at 4 in the Holy Family Chapel of the Bishop DeFalco Retreat Center, Sister Celestine Marie Bellinghausen received the pro Ecclesia et Pontifice (For the Church and the Pontiff) medal from His Holiness Pope John Paul II. The Most Rev. L. T. Matthiesen, conferred these medals to 20 other recipients. Sister Celestine Marie received this award because she is a native vocation, and for her many years of service to the diocese and local area. Those attending the ceremony from Nazareth were Sisters Immaculata, Josetta, Anita and her niece, Mrs. Robert Verkamp.

Twenty-five years ago, her parents, the late Mr. and Mrs. John Bellinghausen of Happy, received the same award from John L. Morkovsky, then Bishop of Amarillo. They received this award for the number of religious vocations in their family.

Sister Immaculata Homer just returned from Fort Worth, where she visited her brother, Mr. and Mrs. Albin Homer, and her sister, Mr. and Mrs. Ralph Lewis and their two sons Mike and Pat and their grandchildren, who happened to be visiting from Austin. She also visited her nephews, Mr. and Mrs. Ronald Homer and children; Mr. and Mrs. Terrence Homer and new baby; nieces Mr. and Mrs. Chet Witkowski and children Jennifer, Stephanie and Kristine of Arlington; Mr. and Mrs. Mike Cox, and Mr. and Mrs. Joseph Chukwuma and children of Fort Worth and Miss Donna Michalik of Irving.

A 10-year reunion was held Sunday afternoon for the class of 1975 at the home of Bruce Braddock. A barbecued meal was served at noon. During the afternoon of visiting, Keith Birkenfeld emceed the program, gave a history of the class all through their school years and gave several humorous awards. Classmates and their families attending were Bernie Huseman of Hereford; Ted Huseman of Amarillo; Agnes (Acker) Taylor of Coleman; Glenn Ehly of Amarillo; Noreen (Kleman) Carson of Sweetwater; Lori Huseman of Amarillo; Analeen (Venhaus) Lane of Shallowater; Glenn Kleman of Littlefield; Celeste (Hartman) Rosier of

White Deer; Rita Pohlmeier of Aurora, Colo.; Carol (Drupe) Gary of Levelland; Kimmie (Wilhelm) Huseman of Amarillo; Mary Jo (Schacher) Pope of Tulia; Cecil Braddock, Greg Schulte, Ricky Kleman, Doyle Kleman, Kevin Acker, Dwayne and Jolene (Pohlmeier) Schulte, Harold Gerber, Olen Schulte, Nick Book, Keith Birkenfeld, Patti (Hochstein) Kern, Weldon Wilhelm, Kirk Ball, Lydia (Gerber) Schacher and Mary Beth (Ramaekers) Gerber, all of Nazareth. Not attending were Rose (Braddock) Mandina, Shelly (Lupton) Diller, Doug McLain, Charles Heck and Rodney Huseman. Sister Mary Hawkins and Mr. Nolan Froehner, teachers, were present.

A 5-year reunion was held Sunday afternoon for the class of 1980 at the home of Don Acker. Classmates and families present were Teresa Brockman of Odessa; Cindy Ehly of Amarillo; Lisa Pohlmeier of Odessa; Doretta (Ramaekers) Gerber of Pampa; Jeff Schmucker of Dallas; John Steffens of Little Rock, Ark.; Harold Wilhelm of Amarillo; Gaylene Wilhelm of Wichita Falls; Cary Acker of Easter; David Huseman of Spearman; Michelle (Acker) Schulte of Lubbock; Roanne (Acker) Fitzsimmons of Amarillo; Gary Book of Richardson; Mary Beth (Wilhelm) Hasche of Amarillo; Leland Hoelting of Lubbock; Nadine (Jones) Cotterman of Ohio; Robert Pohlmeier of Elk City, Okla.; and from Nazareth, Norman Gerber, Dianne (Hochstein) Huseman, Greg Birkenfeld, Jimmy Kern, and Dale Wilhelm. Not attending were Val Steffens in the Air Force, Nadine (Durbin) Hall, Leon Huseman, Deanna Falcon in the Air Force and Ivan Schacher.

The class of 1965 had a 20-year reunion Sunday afternoon at the American Legion Hall in Nazareth with Norma Schacher catering a meal for classmates and their families, Dolores (Birkenfeld) Gerber of Childress; Valeria (Ball) Griffin of Amarillo; Mary Lou (Steffens) Venhaus of Friona; Marlene (Jones) Vandergrift of Dayton, Ohio; Linda (Pohlmeier) Kendrick of De Soto; Diana (Acker) Lee of Lubbock; Vicki (Huseman) Bixenan of Amarillo; Tom Hoelting, Jim Hoelting, Art Brockman, Ricky Dobmeier, all of Nazareth; Raymond Braddock of Amarillo; Greg Pohlmeier of Amarillo; Lonnie Wagner of Morton; Herbert Wethington of Dumas; and Nan (Schumacher) Davis of Tulia.

Not able to attend were Bernie Braddock of Amarillo and August Brockman of Alabama. Jim Hoelting emceed the history of the class. Mr. John Slavik, teacher, also attended.

Police Calls

29-year-old Arnold Gonzales of Dimmitt was charged with burglary of a habitation, aggravated assault, injury to a child and criminal trespass in connection with an incident Sunday at the home of his former wife in Dimmitt.

Police reports allege Gonzales broke through the front door window of the home of his ex-wife, and kicked and hit her about the face and neck. Police say her 12-year-old son then entered the room and tried to stop Gonzales' assault, and Gonzales then hit the boy.

The boy then hit Gonzales with a board, police say, and the man reportedly fled from the mobile home. Gonzales was charged in the incident Tuesday while serving an unrelated sentence for public intoxication.

Last Thursday police received

a report from a woman at 506 SW Third saying her five-year-old son had been shot in the face with a BB gun by a juvenile.

The woman told police she took the gun away from the juvenile, but the juvenile's mother came to her house and took the gun back. The five-year-old's mother also told police the juvenile had shot other children with the BB gun.

Police have referred the case to juvenile authorities. The child who was shot last Thursday had a noticeable wound on the right side of his face near his nose, but the wound did not require medical treatment.

Bill Henderson told police that about \$700 worth of merchandise had been taken from his pickup last Thursday. Among the merchandise taken

was a tube caddy, an air tank, a tool pouch, an ohmmeter and some motor oil.

A Lubbock man was charged with DWI and fleeing a police officer in connection with an incident Sunday morning.

Doyle Fulton Fanning, 20, was seen going through Dimmitt at what police termed "a high rate of speed." Police chased Fanning's 1971 Porsche for about five miles on US 385 until the man pulled over, where he was arrested for DWI and fleeing from the officers. A passenger in the car, 20-year-old David Blaine Sanders, also of Lubbock, was arrested for public intoxication.

Police also reported a pair of sunglasses were stolen from Fast Stop convenience store on North Broadway, and reported two other DWI's and two additional public intoxication arrests.

Experts discuss chemigation, rust

Experts from the Texas Agricultural Extension Service joined with county producers Tuesday to discuss some of the county's crops and to learn about new farming methods during the annual county crop tour Tuesday.

The tour viewed a cotton field on the Charles Axtell farm near Sunnyside, where Axtell is using underground leaky pipe to irrigate the crop; corn fertility trials on the Clyde Damron farm near Flag; minimum tillage sunflowers on the Gerald Summers farm south of Dimmitt; evaluation of corn varieties and late season management techniques at the Jimmie Howell farm nine miles west of Dimmitt; and a cotton plot north of Easter.

At the noon luncheon at the Bethel Community Building, Dr. Bob Berry, TAES plant pathologist, and Dr. Pat Morrison, area entomologist, discussed some of the problems and advances farmers are making.

"Chemigation conflicts with a lot of things aerial applicators do, but both are needed," Morrison said. "There are

some things you can't use for chemigation through a center pivot unit that can be applied by an aerial applicator."

Chemigation is a term coined for the application of chemicals through irrigation equipment, and is being used in some of the estimated 475 center pivot units in the county.

"The center pivot is more than an irrigation tool, it's a boom for the application of chemicals," Morrison said. "Chemigation is perfectly legal unless it is banned on the label, and there is currently just one chemical that is not useable through a center pivot unit. The Environmental Protection Administration is drafting regulations that should be in effect by 1987, but producers need to use common sense when doing any chemigation — you don't want to run something too hot through the system, especially pyrethroids."

Morrison said chemigation applications can be used three times for the cost of one aerial application of similar chemicals.

"One problem we have is

that many of the chemicals are geared for aerial applications, and use emulsifiers. We need the chemicals mixed with an oil, because some don't work worth a hoot because of the way they mix with water."

Berry talked at length about leaf rust problems that abounded in the area's wheat crop this spring.

"I've never seen the rust overwinter like it did this year," Berry said, "and I've been here 22 years. I don't think we'll have a rust problem this year, because the law of averages is on our side."

"We'll be able to predict the rust problems well in advance, but we need to get it into our heads that if a neighbor 30, 40 or 50 miles away has rust you've got a problem, too, and you'd better treat it."

'Heart of the Fighter' film series begins here

For 12 consecutive Wednesdays, beginning Sept. 4, *The Heart of the Fighter* films will be shown at the Fourth and Bedford Church of Christ in Dimmitt. Weekly showings will be at 7:30 p.m.

The Heart of the Fighter features Landon Saunders, whose *Heartbeat* messages have been heard by millions over the CBS and NBC radio networks.

The Heart of the Fighter series trains Christians to live lives that stand up and count in a dangerous, discouraging world.

Relationships are the source of the greatest human pain, and *The Heart of the Fighter* goes to the heart of relationships. It deals in-depth with

critical issues, such as: how to give your partner and children the daily gift of exuberance and how to release some of the pressure in troubled relationships.

Jesus trained his disciples to fight for people. He taught them how to deal with difficult, "ornery" people. *The Heart of the Fighter* deals at length with how to live naturally and unself-consciously among all kinds of people — and have greater redemptive impact so that the good news is really good when we share it.

Dale Wells, local minister, said, "We hope all our friends and neighbors will come benefit from these films with us. They will offer insights we can all benefit from."

2,880 reasons T-L's continuous movement is better.

The end tower on an electric irrigation system with a 60-second timer stops and starts 2,880 times during 24 hours of operation. That's 1,440 times water and chemicals concentrate in one spot. That's 1,440 times power surges strain gears to start moving again.

And that's what makes the continuous movement of T-L's hydrostatic drive irrigation systems so much better.

Once a T-L tower starts moving, it doesn't stop. Water and chemical distribution are unsurpassed. Gear stress is reduced; the system's life extended. Operating and maintenance costs are cut.

T-L delivers non-stop performance that beats electric irrigation systems in many ways. Call or come in for our free buying guide today.

Beautification group pushes for bandstand

Next year's Harvest Days celebration could see a new bandstand at the Castro County Courthouse, if the Mayor's Council for City Beautification gets its wish.

"MCCB will head a project to have a bandstand built on the courthouse lawn," said publicity chairman Sara Hill. "Our goal is to have the bandstand built before the 1986 Harvest Days."

"This will be a community-wide project because donations will be needed from everyone in the county. Many years ago there was a bandstand on the courthouse lawn, but it was destroyed. We want to build a new, beautiful bandstand."

The project is only one of many projects planned for 1986 by MCCB, according to Hill.

"People who are considering moving to Dimmitt care and are concerned about how our city looks. Dr. Gary Hardee and his family recently moved here, and he told me they visited several towns. He said Dim-

THIS FEMALE MIXED TERRIER needs to be adopted before next Monday, according to City Animal Control Officer Charles Whitman. Whitman said the dog is friendly and should be good with kids. The dog will need shots, but the fees are negotiable. You can contact Whitman at the Dimmitt Police Dept. at 647-4545.

Obituaries

Bill Gallion

Bill Gallion, 46, of Lubbock, died Saturday.

Funeral services were held Tuesday at Forrest Heights United Methodist Church with Rev. Frank Oglesby officiating. Burial followed in Peaceful Gardens Cemetery by Rix Funeral Directors.

He was born in Salina, Kan., and married Kay Howard in Hart on May 6, 1960. He had lived in Hart, Dimmitt and Olton most of his life and moved to Lubbock in 1973.

Survivors include his wife; three daughters, Roxanne Jackson, Melissa Gallion and Tammy Gallion, all of Lubbock; two sons, Dennis and Jimmy, both of Lubbock; his mother, Lela Gallion of Lubbock; and a grandson.

The family suggests memorials to the American Cancer Society.

Diduvina Zamora Martinez

Diduvina Zamora Martinez, 69, died Saturday.

Funeral services were held Monday at Immaculate Conception Catholic Church with Rev. Norman Boyd, pastor, officiating. Burial followed in Castro Memorial Gardens by Foskey Funeral Home.

Mrs. Martinez was born in Mexico and had lived in Dimmitt since 1952. Her husband, Lucio, died in 1966.

Survivors include three daughters, Martha Ruiz of Hereford, Juanita Espinoza of Amarillo and Carolina Barron of Dimmitt; four sons, Lorenzo Salinas and Juan Manuel Martinez, both of Dimmitt, Max Martinez of Amarillo and Joe H. Martinez of Edcouch; two sisters, Jesusa Garza of Falfurrias and Faye Guerrero of Reynosa, Mexico; three brothers, Encarnacion Zamora of Hobbs, N.M., Abel Zamora of Falfurrias and Pablo Zamora of La Joya; 30 grandchildren and 26 great-grandchildren.

George Washington had a sweet tooth for ice cream. Records show that during two months of 1790, he spent \$200 on it.

AUCTIONEERS: JACK HOWELL AND CHRIS CAIN

Sunnyside

By Teeny Bowden

Corn harvest started in the community this week with Milburn Haydon bringing in the first load to Sunnyside Grain and Supply Monday. The test weight was 61 lbs. and the moisture content was 25.6%. Doug Louder brought in the first load to Farmers Grain Leg Wednesday. The test weight was 54 lbs. and the moisture content 24%. Most everyone was trying to cut some by the end of the week although some cut all they could and had to wait a few more days.

Justin Damron was presented a trophy as the first place winner in the church library summer reading program Sunday morning. He read 65 books out of a possible 70 in the 1-3rd grade division. He missed only one Sunday and read every day during VBS. Jack Frazier was presented the second place trophy. He read 8 books out of a possible 13, in the 4th grade and up division. Blair Stewart won the third place trophy. She read 70 books out of a possible 130 in the pre-school division. Will Stewart and Blair also won yarn book worms earlier. Verna Sadler won the adult reading contest with two books, and a third that came in after the program had ended.

The Summer Reading Club party was combined with an ice cream supper and fellowship following the Sunday night services. The children had their ice cream first and then played games while the adults ate and visited and watched them play the games. The adults joined them for the hat game.

Embree Roy and Willie Mae Sadler and Teeny Bowden attended the meeting in Dimmitt Saturday morning to learn of the progress on a prospective new nursing home for Castro County.

Noah and Ruth Spencer have bought a lot in a new development just north of Lubbock and are in the process of moving to the lot in the near future. They moved the barn and had the floor run, had a well and septic tank dug, and got electricity to the lot last week and have had a garage sale this week getting the trailer house they will live in ready for the move.

April Guy has been a little better this week. Her white counts are down some, but her platelet count is still too low to let her come home. She will be allowed to come to Ginny's wedding Saturday and then go right back to the hospital if she is able to do so.

Terri Louder spent the weekend in Amarillo to attend all the activities of the ten-year class reunion of Amarillo High School. Lacy and Jake stayed with their grandparents, Dwayne and Roxie Louder of Flagg until Sunday when Dwayne and Roxie took them to Amarillo to attend the picnic planned for the children. Lance joined Terri Saturday and had to go to the emergency room Saturday night to get a piece of steel out of his eye that had been in it several days. He had to go back Sunday to the doctor and possibly again Monday before they come home.

Ezell and Verba Sadler left Wednesday evening for Hub-

bard Creek Lake at Breckenridge for a few days. They spent Saturday night and Sunday night in Weatherford with cousins, Al and Mattie Smith and attended the flea market there with them Monday.

Harold and Maria Spencer of Wichita, Kan., and Clyde and Lucille Akers of Lubbock spent the weekend with Noah and Ruth Spencer, and Mrs. John Spencer and Ann and Jerry Cox and Gregg in Dimmitt.

.05 of an inch of rain was received Monday night.

Kathy Gwyn brought the special music in the Sunday morning services.

The Sunnyside Church was featured along with an East Texas church in the Texas denominational periodical "Cooperative Program" recently as ninth in per capita giving to missions through the Cooperative Program in 1984. The church had only 68 resident members at the time. The pastor, Rev. Bentley Gwyn, wrote a story about the giving from statements made by different members as to why they give 27% amid a declining community population and a depressed agriculture market. The other church featured was First Church, Kilgore with 1,177 resident members.

Hal Gilbreath enrolled at TSTI Amarillo this week and started classes. Matt Gilbreath enrolled in Tech this week and will go to Lubbock Monday and start classes Tuesday. He is a senior this year.

JOHN KOVACS (left) and Acie Boyd were among several members of the Dimmitt Kiwanis Club who have been working on the City of Dimmitt's "Scout Hut" on SE Third across from the City Park. The building had fallen into disrepair, and the Kiwanis repainted and caulked the stucco building, and replaced many of the doors in the building.

Jodie Riley enrolled in Tech as a freshman this year. He moved some of his things when he enrolled this week. He will finish moving Monday and start classes Tuesday.

Richard and Joe Sauseda enrolled in WTSU Wednesday and started classes Thursday. Lupe enrolled this week in Amarillo College.

Holly Waggoner enrolled in Abilene Christian University Monday as a freshman.

Verna Sadler started classes at Wayland Monday, Labor Day.

Willie Mae Sadler visited in Dimmitt Wednesday with Sue Miller.

J. E. and Janie Sauseda of Amarillo, Grace and Dennis

Rojah and Joshua of Dalhart, Isabell Gonzales, Adam and Israel of Friona and Lupe Sauseda of Amarillo, Richard and Joe of Canyon all spent the Labor Day weekend with their parents, Mr. and Mrs. Eliseo Sauseda.

EDC \$ SIGNS

One of the more positive reports presented by the President to Congress in its most recent session is "The State of Small Business." The 441-page document is full of vital statistics that describe the growth happening in the small business sector of the economy.

The report explains that small business, more than any other sector, has led the nation's economy out of recession and helped to pummel a double-digit unemployment

rate down to a little more than 7%.

While employment in large corporations grew by a mere 5.3% between October 1982 and October 1984, the job picture in small business-dominated industries grew by 11.4%.

Consider a few of the other statistics contained in the report:

- More than 635,000 new businesses were formed last year.
- Nearly 6.5 million new non-

farm jobs were created between November 1982 and November 1984 — most of them by small business entrepreneurs.

• Retail sales businesses performed exceptionally well.

• Small business growth and job creation has been particularly good in deregulated industries where government has gotten out of the way.

• Business start-ups increased 7% during the first six months of 1984.

• Small business income increased by 17.2% last year.

The report shows that throughout the recovery and even during the recession, the dynamic small business sector showed an extraordinary capacity to mobilize resources and generate new growth in a changing economy.

Presbyterian happenings

Sunday, Sept. 8 is Grandparents Day. All grandparents will be welcomed at all activities at the Presbyterian Church beginning with the Adult Sunday School class at 10 a.m. at the home of Mrs. Emily Clingsmith. All other classes meet at the same time at the church.

"God's Word is Wonderful" is the subject of Pastor Edward D. Freeman's sermon at the morning church worship service at 11 a.m.

Pastor Edward D. Freeman is one of the nominees who will be honored for Town and Country Pastor of the Year at the state Town and Country Conference at College Station, Sept. 9-10. "Three Things You Must Believe" will be the subject of the Bible study on Wednesday at 7 p.m.

What's Cooking?

Here are the school lunch menus for the Dimmitt, Hart and Nazareth public schools for the week of Sept. 9-13.

HART

MONDAY—Sloppy Joes on homemade bun, pinto beans, cole slaw, pineapple cake and milk.

TUESDAY—Enchilada casserole, tortillas, tossed salad, buttered corn, pineapple cake and milk.

WEDNESDAY—Cheeseburgers on homemade bun, lettuce, tomatoes, pickles, French fries, peaches and milk.

THURSDAY—Pinto beans with ham, cornbread, buttered spinach, corn on cob, brownies and milk.

FRIDAY—Fried chicken, creamed gravy, green beans, whipped potatoes, bread, peach cobbler and milk.

DIMITT

MONDAY—Cheeseburgers, French fries, lettuce, pickles, onions, wacky cake and milk.

TUESDAY—Enchilada casserole, buttered rice, vegetable salad, rolls, butter, peaches and milk.

WEDNESDAY—Chili beans, cole slaw, buttered potatoes, cornbread, pink applesauce and milk.

THURSDAY—Pizza, fried okra, sliced tomatoes, carrot sticks, Jello with fruit and milk.

FRIDAY—Ham and cheese sandwiches, potato chips, pickles, pork and beans, ice cream cup and milk.

NAZARETH

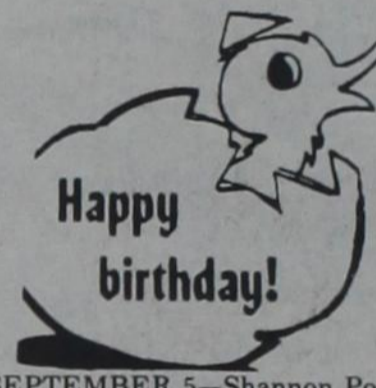

MONDAY—Spaghetti with meat sauce, corn, hot rolls, seedless grapes and milk.

TUESDAY—Chicken pie, peas and carrots, cole slaw, hot buttered bread, peanut butter chews and milk.

WEDNESDAY—Mexican casserole, tossed salad, sopapillas and honey, peaches and milk.

THURSDAY—Corn dogs, cauliflower, green beans, cherry cobbler and milk.

FRIDAY—Chicken fried steak, mashed potatoes and gravy, peas, hot buttered bread, orange cake and milk.

Mule skimmers meet tonight

The Muleshoe Mule Skimmers will meet tonight at 7:30 in the Muleshoe Volunteer Fire Department meeting room.

The meeting will be to organize for up-coming events, elect officers and take care of any business pending.

All interested people are urged to attend.

Benefit fund set up for Schulte family

A fund has been established at First State Bank in Dimmitt to benefit the family of Lester and Beth Schulte of the Easter Community. The Schultes' home was destroyed recently by a fire started from lightning. Anyone wishing to donate to the fund may do so at the bank.

THIS TRAILER is the newest addition to the Dimmitt High School FFA, delivered last week. The stock trailer was purchased from funds donated to a special account in memory

of Ben Ray Holcomb, Jr., a former Dimmitt FFA member who was also active in the Dimmitt Young Farmers. Holcomb was killed in an automobile accident last year.

DIMITT'S DEFENSE Friday night will feature nine players who were at least parttime starters last year. The 'Cats 5-2 defense will feature (from left) end Cruz Arce, cornerback Todd Durham, tackle Scott Stevens, safety

Mark West, linebacker Eddie Jordon, noseguard Milton Carrasco, safety Woody Glass, linebacker Mark Smothermon, tackle Eric Stump, cornerback Ben Benton and end Mark Shackelford.

BATTENING DOWN THE HATCHES for the Nazareth Swifts defense Friday at home against Lubbock Christian are (bottom, from left) Kevin Hoelting, Kenny Kern, David Stefens, Brad Klein, Randy Leavitt, Billy Stef-

fens; (top) Benny Schacher, Craig Huseman, Chris Schmucker, Todd Hill, Frankie Huseman, Mike Huseman and Randy Hochstein.

Control peach tree borer now

The peach tree borer is the most serious and common pest attacking peaches in this area. Borers feeding beneath the bark reduce tree vigor and will kill a tree if allowed to continue for several years. A single insecticide application now has provided good control of this destructive pest.

The peach tree borer adult is

a small rapidly flying black moth. Adults are most abundant in August and September when eggs are laid on the bark of the tree trunk. Newly hatched borers crawl to the base of the tree and tunnel into the bark to feed on the cambium. There is usually one generation per year.

A single application of

Lorsban® in mid-August will kill hatching larvae before or soon after they tunnel into the tree. Apply at a rate of 5 teaspoons Lorsban® 4E per gallon of water. Thoroughly wet the trunk and base of each tree but do not spray fruit. The Green Light Co. also markets a 12.9% chloropyrifos product for peach tree borer control.

Circus performances slated for Sunday

"SULTAN," King of the jungle will be one of the many wild animals scheduled to perform Sunday at the Roller Bros. Circus. Performances are scheduled for 2 p.m. and 8 p.m.

Clowns, animal acts, and aerial performances highlight the Roller Bros. Circus which will be in Dimmitt Sunday for shows at 2 p.m. and 8 p.m.

The circus, which is being sponsored by the Dimmitt Volunteer Fire Dept. will be held on Western Drive, east of Dimmitt High School.

One of the featured attractions will be "Little Queenie," a six-year-old elephant who will perform a complete circus routine.

Circus goers can save 20% when purchasing their tickets in advance from Fire Dept. members.

Everyone is invited to come out to the circus grounds Sunday morning to view the erection of the three-ring big top tent and unloading and feeding of the circus animals.

Roller Bros. Circus always works in conjunction with leaders of the community.

THE IMMACULATE CONCEPTION CATHOLIC CHURCH'S softball team took second place in this year's mixed league play. Team members include (front row) Connie Perez, Betty Espinosa, Bea Acker, Joe Nino, Shirley Brockman, Virgil Brockman, (middle) Thomas Hernandez, Charlotte Richard, Alice

Barrios, Corina Montalvo, Mary Lou Lumbrera, Chevo Lumbrera; (back) Francis Acker, Henry Rivera, Santos Perez, Ray Robel, Mike Robel and Lee Schilling. Not pictured are team members Richard Nino, Esther Washington, Johnny Montalvo and Nancy Acker.

Sen. Bentsen

Trade problems cost Texans jobs

By SEN. LLOYD BENTSEN (D-Texas)

In July, for the first time in 15 years, the Texas unemployment rate equaled the national unemployment rate.

This represents a sharp unemployment increase for our state over the past year.

In June 1984, the Texas jobless rate was 4.9%. By last month, we had equaled the 7.3% national rate, which had remained about the same during that period.

This is the first time the Texas unemployment rate has equaled the national rate since July 1970, when the Texas rate hit 5.2% and the national rate was 5%.

In more real terms, this

means that some 590,000 Texans can't find work.

Many jobs in our state have been lost or exported overseas because of the United States' problems in world trade.

Our deficit-bloated dollar, overvalued by 30% or more in relation to other currencies, gives foreign products a tremendous price advantage over American products in world markets, including our own.

Our nation's trading partners are increasingly following the example of Japan by erecting barriers to imports. And the Europeans continue their unfair subsidies in competing with us for sales to third countries.

These problems have finally caught up to Texas' traditionally strong economy. And all segments — agriculture, manufacturing, energy and services — have been hit hard.

Since September, there have been more than 3,500 layoffs in the Texas semiconductor industry, with more expected. This is partly caused by Japan closing its market to our semiconductors and declaring a price war to take over the US market.

Texas farmers will lose 40% of their net income this year over last. The overvalued dollar has hurt world demand for our farm products. Resulting surpluses are pushing ever lower the price

farmers can get as they try to compete with government-subsidized foreign farm products.

To prevent the continued export of US jobs, we must develop a tough, comprehensive trade policy and put our trading partners on notice that we will no longer tolerate unfair trade practices.

We must also take effective steps to reduce the huge federal deficits that are a millstone around the neck of our nation's economy.

The Texas economy retains its basic strength and diversity. But if we want to see our economy grow as it has in the past, then the trade situation must be turned around.

Letter

Farmer pushing for soil bank

Dear Editor:

I am a farmer and rancher from Guymon, Oklahoma. I am sending this letter to several newspapers in response to some information I have received concerning the 1985 Farm Bill.

As you may know, a Conservation Reserve has been requested by Agriculture Secretary John Block to retire at least 20 million acres from production. It has come to my attention that the proposed Conservation Reserve could be dropped, drastically reduced, or vetoed in a budget cut.

Conservation of our Nation's resources through long term land retirement, coupled with a reduction in production, is a cost effective program whose time has come.

All who agree should call or write your Congressmen and the President immediately to insist that this program not be dropped or reduced. The House and Senate bill numbers listed below should be used when making contact. The addresses for Senators and Representatives, and a clip-out to mail to the President, are also below.

I urge you to contact your Senator, Representative, and President Reagan NOW as time is of the essence.

Senators Lloyd Bentsen/Phil Gramm
U. S. Senate
Washington, D.C. 20510

Representative Larry Combest
U. S. House of Representatives
Washington, D.C. 20515

The Senate bill number is S 616, Conservation Reserve Section. The House bill number is HR 2100, Conservation Reserve Section.

Sincerely,

Larry Jeffus
Box 1281
Guymon, OK 73942
405/338/6144

Ronald Reagan
President of the United States
The White House
1600 Pennsylvania Avenue
Washington, D.C. 20500

Mr. President:

The Farm Bill, which includes the needed Conservation Reserve Program, must be passed without funding reductions for the Conservation Reserve. Many of the existing farm programs do little to reduce production, and therefore will not solve the problem. If funding for the existing programs were decreased, these funds would be available for the Conservation Reserve and it could be implemented without increasing the Agriculture budget. The Conservation Reserve is the logical solution to the problem of overproduction.

Land Board sets bids on tracts

Information on 55 tracts of state land included in a September high bid sale of forfeited veterans tracts is now available, Texas Land Commissioner Garry Mauro announced this week.

Located in 37 different counties across the state, the tracts range in size from 10 acres in Montgomery and San Jacinto Counties to a 61-acre tract in Panola County.

A public reading of bids submitted to the Veterans Land Board will be held Sept. 25, at 9 a.m. in Room 118 of the Stephen F. Austin Bldg. at 1700 N. Congress in Austin.

Details of the sale and a brochure describing each tract and its location can be obtained by calling toll-free 1-800-252-VETS at the Veterans Land Board Monday through Friday from 8 a.m. to 6 p.m.

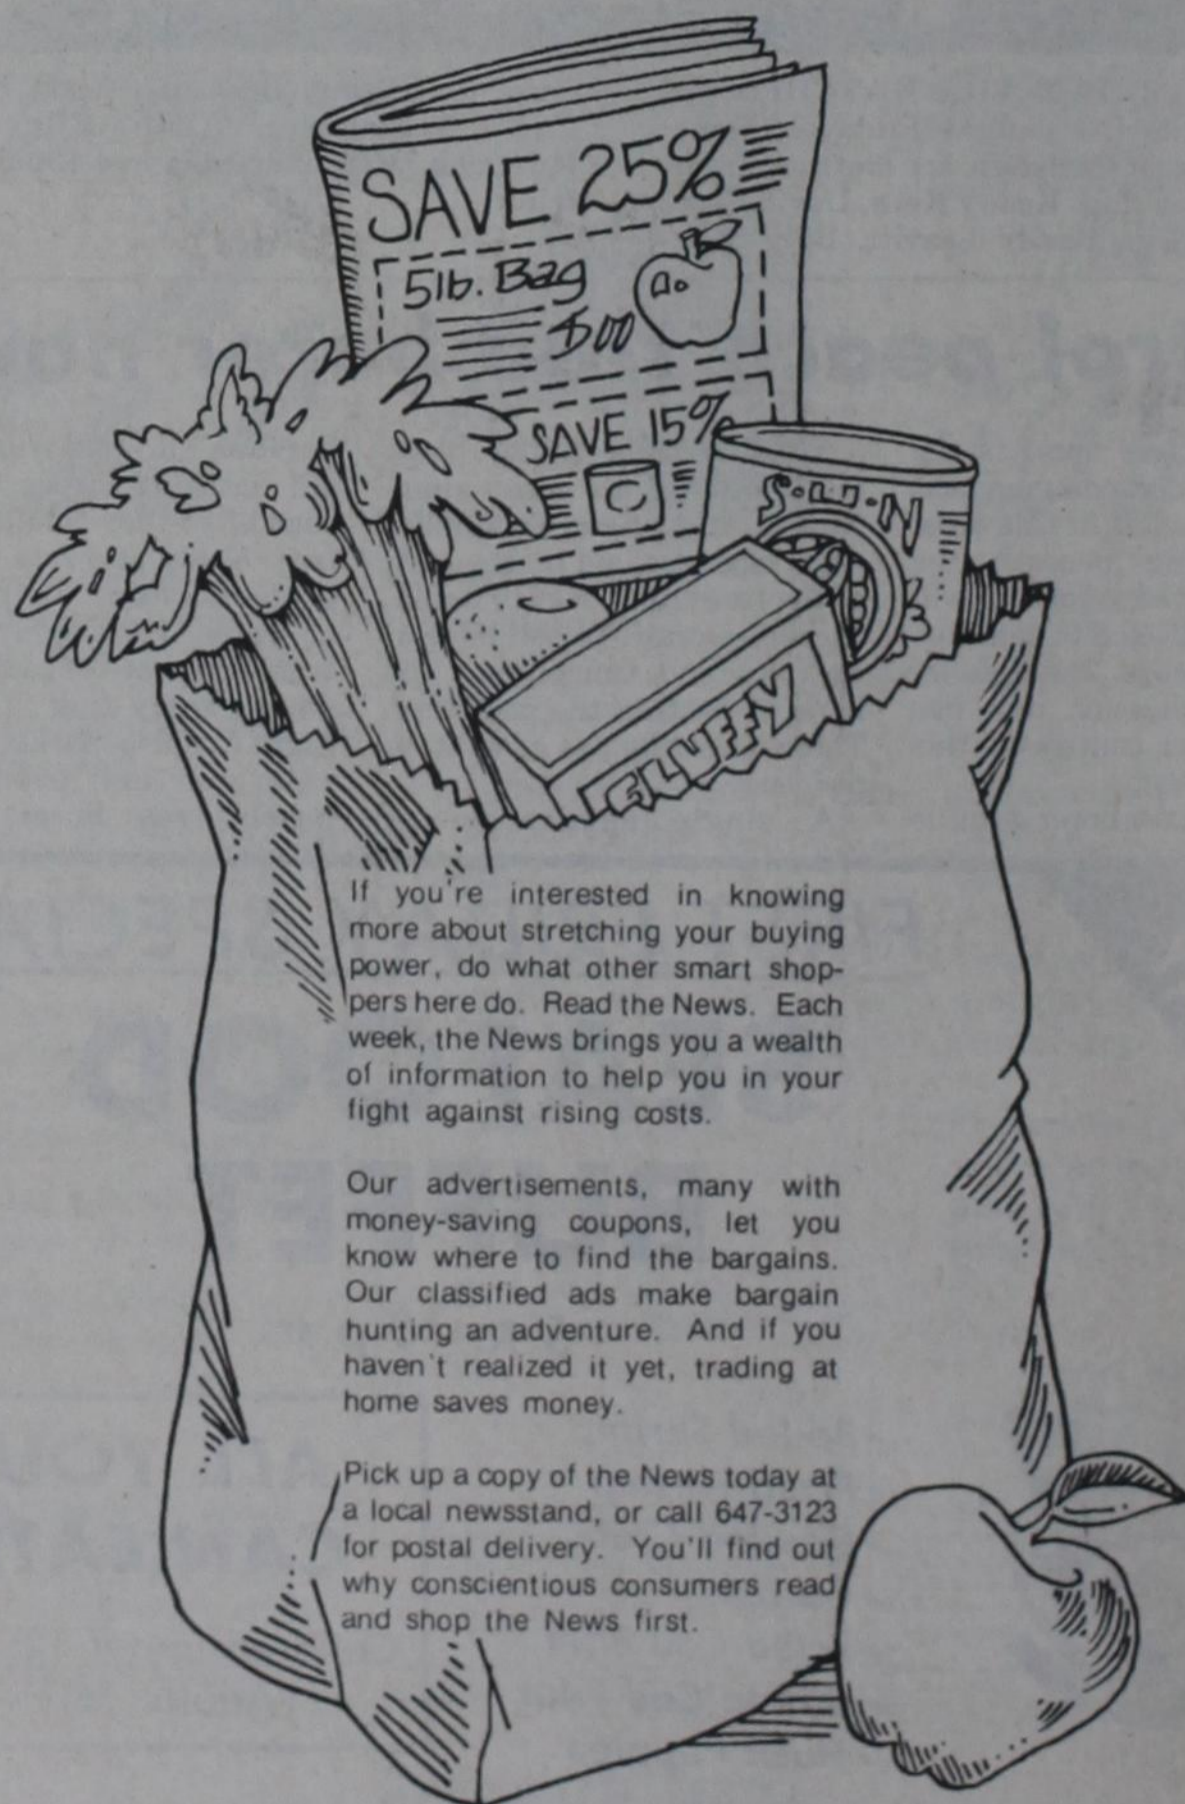

AC to offer management courses

Amarillo College will offer three management classes beginning this Saturday at 8 a.m. in Room 21 at Dimmitt High School.

The courses include Communications In Management, Mid-Management Seminar and Management Training. The classes will meet from 8 a.m. until 5 p.m. each Saturday and Sunday beginning this Saturday and running through Sept. 27.

For more information, see instructor Ann Nail at Dimmitt High School Saturday morning.
