## The Castro County News

66th Year—No. 45

Dimmitt, Texas, Thursday, February 21, 1991

14 Pages Plus Supplements

### Paving list is started

The squeaky wheel may get the grease, but in Dimmitt, the property owners who speak up will get the paved streets.

The Dimmitt City Council voted Monday night to go forward with the assessment paving program for all unpaved streets in the city, and agreed to list the streets proposed for paving at the March 4 meeting of the council.

Property owners along unpaved streets who wish to pay for their portion of the paving are urged to contact the city so that their street will be included in the project.

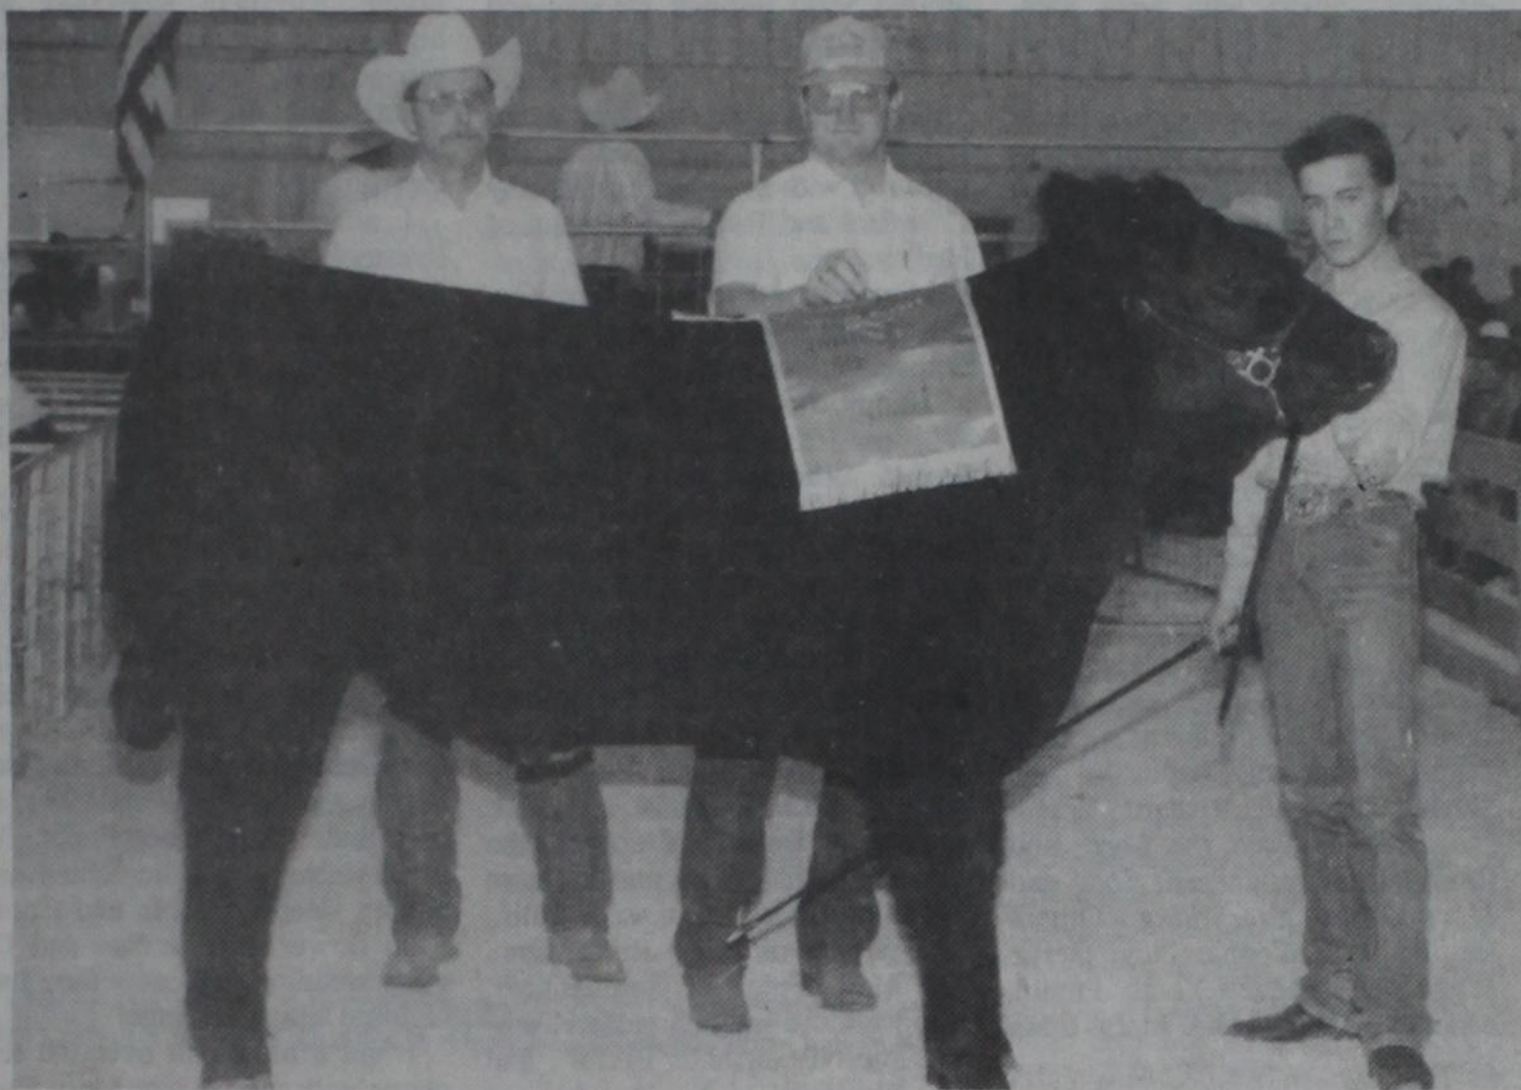

Mayor Wayne Collins noted that the city is willing to arrange a financing program enabling property owners to pay out their portion of the cost over a ten-year period at only 8% interest, with the payment added to the monthly water bill.

In an assessment paving program, the cost of the paving is charged to the property owner and becomes a lien against the property that must be paid before the property may be bought or sold.

Collins noted that in the case of streets where not all the property owners are in favor of paying for

### The Grand Champions

JUSTIN GLEGHORN (right) drove his 1,217-lb. medium frame cross to the grand championship of the steer show Friday at the Castro County Junior Livestock Show, held at the Expo Building in Dimmitt. His animal brought a bid of \$2 per pound from the Dimmitt Buyers' Club, represented by (from left) Steve Olson and Marlos May.

Photo by Anne Acker

THE TOP LAMB at the 1991 Castro County Junior Livestock Show was shown by Justin Nelson (right). The 128-lb. lamb, a light heavyweight medium wool breed, brought a bid of \$8 per pound from three local cooperatives, represented by Bill Clark of Dimmitt Agri Industries, Randy Small of Castro Co-op Gin, and Danny Rice of Dimmitt Consumers.

Photo by Anne Acker

JASON NELSON (center) exhibited the Grand Champion Barrow at the Castro County Junior Livestock Show Friday in Dimmitt. His 250-lb. heavyweight cross was purchased by his grandmother, Alma Nelson (right), for \$6 per pound. Also pictured is Jana Nelson (left).

Photo by Anne Acker

All in, all done, sold for a new Castro County Junior Livestock Show record-breaking sale.

Local businesses and individuals shelled out more than \$241,000 Saturday at the Dimmitt Young Farmers' 37th annual junior livestock sale, breaking the old record of \$219,486.47, which was set in 1989.

Buyers paid \$232,972.22 for lambs, steers and barrows, and shelled out another \$8,633 in donations for a grand total of \$241,605.22.

"We did real well with the sale this year," said Robert Boozer, DYF President. "The sale continued at a steady pace and everyone was generous."

Although some of the animals placing higher in the show didn't get the high bids they normally do, the bidding level stayed even from top to bottom, according to DYF spokesmen, and that allowed for the final tally to be the best ever in the sale's history.

The floor prices were up on steers and barrows, but lambs didn't fare as well. Last year's price on steers was 80 cents per pound, while 44 cents per pound took the floor on barrows and this year's figures were better — just barely. But this year's winning floor price on lambs was down from last year's 58.50 cents per pound.

Rafter 3 Feedyard of Dimmitt provided the floor price on steers, paying 80.5 cents per pound; Coleman and Stroud of Plainview paid 43.5 cents per pound to win the floor on lambs; and the bid of 51

cents per pound from J-Bar Cattle Co. of Canyon bought the floor on barrows.

The Grand Champion Steer, exhibited by Justin Gleghorn, was purchased by the Dimmitt Buyers Club for \$2 a pound. It was a 1,217-lb. medium frame cross, and earned the youngster \$2,434.

A group of three local cooperatives, including Dimmitt Agri Industries, Dimmitt Consumers and Castro Co-op Gin, purchased Gleghorn's Grand Champion Lamb for \$8 per pound. Gleghorn earned \$1,024 for the 128-lb. light heavyweight medium wool lamb.

Jason Nelson drove his 250-lb. heavyweight cross barrow to the Grand Championship of the barrow division. The animal was purchased by Nelson's grandmother, Alma Nelson, for \$6 per pound, earning the youngster \$1,500.

The Reserve Champion Lamb, shown by Tait Crow, was purchased by the Dimmitt Buyers Club for \$6.50 per pound. The youngster's 134-lb. heavyweight medium wool lamb sold for \$845.

Betty's Shoes of Hereford purchased the Reserve Champion Steer, a 1,210-lb. small frame English breed, for \$2 a pound, giving the youngster a total of \$2,420 for her work.

Mark Rogers' Reserve Champion Barrow was purchased by his grandfather, G.L. Willis, for \$6.50 per pound. The total earned from the sale of the 235-lb. medium-weight Duroc, was \$1,527.50.

Showmanship awards went to Jay Davis, barrows; Trey Johnson, lambs; and Scott Huseman, steers.

### Swifts, 'Cats in bi-district

#### Swiftettes advance to regional tourney

The Bobcats and Swifts are preparing for bi-district action this week while the Swiftettes continue their trek toward Austin in the regional tournament Friday and Saturday after capturing the area championship Tuesday night.

The Bobcats captured the District 2-AAA championship, posting an undefeated record; while the Swiftettes finished as co-champions of District 5-A with Happy, and are representing their district as the No. 2 seed after losing a coin flip to determine the top seed. The Swifts finished second in their district race (5-A) and will compete in bi-district action tonight (Thursday).

Here's a run-down of the playoff games scheduled at press time:

If the Bobcats win Friday night, they will advance to the area round, taking on the winner of the Bowie-Brownfield bi-district game. The game will be played either Monday or Tuesday, Cleveland added.

#### Swiftettes

The Swiftettes will try to defend their Region 1-A championship this weekend at South Plains College's Texan Dome in Levelland.

Nazareth opens Region 1-A play at 3:30 p.m. Friday against Channing. If the Swiftettes win "round one," they'll advance to the semi-

(Continued on Page 10)

#### Swifts

The Swifts will take on Memphis, the winner of District 6-A, at 7 tonight (Thursday) at the Caprock Activity Center in Amarillo.

The Swifts, 17-8 on the year, finished second in District 5-A behind Farwell. Memphis holds a 22-3 record and won the district with an unblemished mark.

Nazareth Coach Mark Makeever said Memphis has a strong inside game, anchored by a 6-3 sophomore post player.

"They're really quick and they've only got three losses on the year, so they should be tough. I don't think they've played quite the competition we have, though," he added.

#### Bobcats

The Bobcats (27-5) will meet Perryton in bi-district play at 7:30 Friday night at the Caprock Activity Center in Amarillo.

Perryton finished second in District 1-AAA after winning the district playoff game over Sanford-Fritch in overtime, 67-62.

"They're big and they're good shooters," said Dimmitt Coach Kenneth Cleveland. "They've got three guys that stand 6-4, 6-3 and 6-2. They don't like to run like we do, they like to slow it down," he said.

Cleveland added the key to the game will be who controls the pace of the game. "We're going to have to take them out of their game," he said.

Perryton is in the same district as the state-ranked Canyon Eagles, and they played the Eagles to under 10 points in their two District 1-AAA meetings.

"They're going to be hard to beat," Cleveland said.

#### Four meetings to feature new farm bill

The 1990 Farm Bill and the 1991 Farm Program will be explained to Castro County farmers through a series of meetings beginning Monday night.

The first meeting will be held Monday night at 8 at the Easter Community Center.

The second of the four meeting series will be held next Thursday, Feb. 28 at the Hart High School cafeteria.

Nazareth's Legion Hall will be the site for the third meeting, scheduled for March 4 at 8 p.m. and the Dimmitt City Hall has been reserved for the final meeting, set for March 5 at 7:30 p.m.

The 1991 Farm Program sign-up period begins March 4 and continues through April 16, according to Scotty Abbott, county executive director of the Agricultural Stabilization and Conservation Service.

Farmers must make an appointment before they come by the ASCS office to sign up in the 1991 Farm Program, Abbott said.

"I would like to encourage everyone to attend at least one of the meetings," said Scotty Abbott, county executive director of the Agricultural Stabilization and Conservation Service.

"There are numerous changes in the 1990 Farm Bill versus the 1985 Farm Bill," he added.

## 1:1

By Don Nelson

Coleman has an even-numbered Zip Code—76834.

Perryton Coach Royce Blackshear won't ever forget that.

Blackshear wanted to play Friday night's Class AAA bi-district game at Borger so the Perryton fans wouldn't have to drive so far.

Dimmitt Coach Ken Cleveland wanted to play in Amarillo, an easier drive for Dimmitt's fans.

They agreed on all other aspects—Friday night game, 7:30 starting time, home team-visiting team—but on the playing site, they went to the wall. It came down to a coin flip.

But conducting a coin-flip by telephone is a sticky proposition.

So Cleveland came up with another idea which was more fool-proof.

Before making the phone call to settle the site dispute, he picked a few random towns and asked some of the guys around his office: "Is the Zip Code odd or even?"

Most of them guessed "odd."

"So I picked out an even number on purpose," he said. "It was a 50-50 chance, but I had developed a hunch."

When he and Coach Blackshear got on the phone to settle it, Cleveland had his town picked out—the town where he grew up.

"I'll pick a town in Texas and you tell me if the Zip Code number is odd-d-d," he said (leaning on the word), "or even."

"Okay," Blackshear said.

"Coleman," Cleveland said.

"Odd," Blackshear said.

So we're playing in Amarillo—at the Caprock High School Activity Center.

"Afterward, he told me that every time he goes through Coleman he's going to spit out the window," Cleveland said with a chuckle.

### DHS classes to start earlier

Starting Monday, the first bell of the day at Dimmitt High School will ring at 8:20 a.m., with the tardy bell at 8:25. Previously, the first bell had been at 8:30.

The extra time each day will be used for students to watch Channel One, an educational news broadcast slanted for teenage viewers. The broadcast lasts 12 minutes, and will include up to two minutes of commercials.

Seventh and eighth graders at Dimmitt Middle School also will view the daily program. Whittle Communications L.P. set up the

program, and installed the basic equipment, including television sets in most classrooms, at no cost to the school system. However, to avoid combining some smaller classes for the 12-minute broadcast, the school paid \$6,000 for additional television sets.

A satellite receiver, monitor and two VCRs have been installed at the two buildings. The broadcasts may be reviewed by a staff person before they are shown to the student body.

DHS Principal R.L. Stockstill said the high school tutorial period

will be adjusted, starting at 3:35 p.m. and ending at 4, to allow additional time in the schedule for Channel One. Tutorials had previously started at 3:30.

Middle School Principal T.J. Parks said no adjustments will be made in the starting or closing time for the middle school, but noted that class periods and the tutorial period will be shortened to allow for viewing the broadcast at the end of third period.

At both schools, provision will be made for students who do not wish to view the program.

# On the Go

with Mary Edna Hendrix, 647-3343

The Plains Memorial Hospital Auxiliary met on Wednesday morning at PMH with Betty Freeman presiding over the meeting. Reports were given by Mattie Seale, Lucille Drerup, Bea Hardy, Ruby Wood, Barbara Sava and Claudine Langford. The group voted to have a bake sale at the hospital on March 27. At the meeting, refreshments of banana bread, cookies and coffee were served.

The Dimmitt Book Club met Wednesday afternoon at Rhoads Memorial Library with Susie Bradford presiding. Barbara Bain gave a delightful and informative review of the book *Texas Big Rich* by Dandy Sheehy. Some of the more familiar names were T. Boone Pickens, who made his fortune in oil; Stanley Marsh, who owns a radio station and is famous for his "Cadillac Ranch"; and Sybil Harrington, wife of the late Don Harrington, who became rich in the oil industry. Others who were mentioned included Clayton Williams, Mary Kay Ash and John Connelly.

Hostesses for the social hour were Carol Dyer and Ann Ethington. They served Valentine cookies and tea from a table decorated with a red and white floral arrangement.

I enjoyed visiting with Flo Nichols of Tulia when she called me on the phone Monday night.

On Valentine's Day Canterbury Villa enjoyed their annual "Rock-A-Thon" celebration. Charles Axell sang accompanied by Deanne Clark. The First Baptist Church group sang, and Irene Carpenter gave the devotional on "Love Comes from Our Heart," reading from I Corinthians Chapter 13—the "Love Chapter." Richard Young sang *People Need the Lord*, and Renise Blair sang *Spirit Song* and *More Than Everything*. Others singing were Connie Ivey, Gertie Waggoner, Mauzee Youts, Phyllis Mooney, pianist, and Mary Edna Hendrix.

Renise Blair followed the Baptist service, and she said the music was "going from the sublime to the ridiculous" as she played her clarinet. Actually, it sounded like Pete Fountain from New Orleans. She had a little red heart and a red bow on her clarinet, and played several

selections, including *Tiger Rag*, *The Entertainer*, *The Elephant Walk*, and *The Clarinet Polka*.

The "Melody Six" (with just four left) from Nazareth played several numbers. Those playing were Edd Ramaekers, Herman Birkenfeld, Paul Venhaus and Frances Wilhelm.

Susan Coleman sang several selections accompanied by Renise Blair.

The "Singing Farmers" from Hart entertained with many of their songs and one request about the "Squirrel in the Church." Members of this group are Mr. and Mrs. Weldon Davis (she is the pianist) and their son, Leslie, and Preston Upshaw and his nephew, Freddie Upshaw.

Coffee and donuts were served in the morning, and cookies and red punch were served in the afternoon. Residents rocked for donations to the Heart Association, and raised around \$600 through pledges and donations.

Geneva Dennis and her sister, Jauvada Curtis, enjoyed a fun weekend with their nieces, Dorothy Crawford and Pauline Kaufman of Hedley.

More out of town guests who attended the birthday reception for Louise Kemp were Hallie Whitlow of Happy, Jan Ramaekers and Jim Whitlow of Canyon, Dale and Fredda Whitlow and Craig and Maseda Smith of Hereford, Willie Fe Hester of Clovis, N.M., Margie Fallwell and Gale O'Brian of Friona, Joe and Vickie Wright of Plainview, and Hugo Beyers and friend, Diane, of Lubbock. Ginger and Jinsie Ward of Atlanta, Ga. were not able to come, since Ginger has been seriously ill.

Out of town visitors at the museum include Tom and LaDawn Reichling of San Francisco, Calif., L.G. Sisson of Hood River, Ore., and Mary Foley of San Angelo, who were visiting their sister, Tommie Sue Nisbett and "Buffie"; and Zoe Blackwell of Austin, who was visiting her sister, Judy Birdwell.

Bobby and Wanda Murdock entertained relatives over the weekend, including Darla Moon of Allen and Teresa Chastain of Dumas (nieces of Wanda), Debbie, and

Doug Smith of Amarillo, and Mr. and Mrs. W.H. Felder of Hart.

The church at Sunray has an annual Valentine Banquet for the parents and grandparents of its members. Judy Moore invited her relatives, Phyllis Mooney and Mauzee Youts of Dimmitt, Janice Davis of Amarillo and Susie White. The tables were colorfully decorated in the Valentine motif. The entertainment was by a couple from Dumas who presented a comedy act. The menu consisted of stuffed potatoes with selections of ham, chili, cheese, broccoli, and more.

Jack and Jan Edwards entertained Jack's parents, Sam and Mac Edwards of Tahoka, on Sunday. They attended church with them on Sunday morning and had a nice visit in the afternoon.

Betty Renfro of Amarillo was hostess to the Friday Bridge Club that met at the Senior Citizens' Center for lunch and a day of bridge. Elizabeth Huckabay won high score, with Ina Rae Cates second high. Others playing were Retta Cluck, Ruth Coleman, Mary Small, Cleo Forson and Edith Graef.

I attended one session of the livestock show on Friday. It was fun to watch the youth with all their fine animals and I am sure most of them are pets. I stayed long enough to eat lunch with the group who were in charge of the concession stand.

David Vaughan of Dallas was here for his parents' 50th Wedding Anniversary reception. On Saturday night, I went with him to visit the Dennis family, Geneva, Edgar and Decimae of Midland. Connie Gilbreath and daughter, Chauncey, and Debbie Underwood and son, Dennis, were there, and they are such cute little entertainers. We hated to leave, but the babies were getting sleepy. Debbie and Connie were flower girls in Sue and David's wedding, and now they have children almost that age!

I had a nice visit over the telephone with my cousin, Mary Parks of Lubbock. Her husband, Bruce, is interim pastor at Tahoka Methodist Church until their conference in June.

On Feb. 1-2, several couples

from Dimmitt's First Baptist Church went to a "marriage enrichment retreat" in Lubbock, taught by Dr. Mike Stedham of Abilene. Theme of the seminar was "Marriage on the Run," based on a book written by Stedham and his wife, Mary. It was written as a theme preparation for the 1990 "Fall Festival of Marriage" at Glorieta, N.M.

Those attending were Bro. Paul and Barbara Kenley, Max and Karen Newman, Charles and Sue Summers, Randy and Tami Griffith, Van and Carole Hopson, Dwayne and Shelly Smith, Rodney and Sara Hunter, John and Danette Baker, David and Sherri Schaeffer, and Dan and Sandra Petty.

The purpose of the seminar is to make good marriages better. This one also emphasized how to make busy lives work toward having a Christian marriage and Christian family. Stedham said busy-ness is okay if you're being busy together and working toward the same goals.

All who attended from here seemed to enjoy the seminar and the time together without children!

## Agency offers help for blind

The Texas Commission for the Blind is a vocational rehabilitation agency for persons who are blind or visually impaired.

Some of the services provided to eligible persons include counseling and guidance, vocational evaluation and career exploration, job training, employment assistance, daily living skills training, and medical services. Programs are available for children, adults and older citizens.

If you are blind or visually impaired or know someone who is, call toll-free 1-800-252-5204.

## Quilt design help offered

The Friendship Quilters' Guild is asking for donation of 25 blocks of 14-1/2-inch muslin to be added to a special Castro County quilt in honor of the county's Centennial Year.

A meeting is set for Monday at 7 p.m. at the Castro County Senior Citizens Center in Dimmitt for those wanting help in designing a block that will depict a piece of the county's history—a church, school, or family event, or other historical event.

Designs may be embroidered, pieced, or applied on muslin, but no painted, since painted pieces are too difficult to quilt.

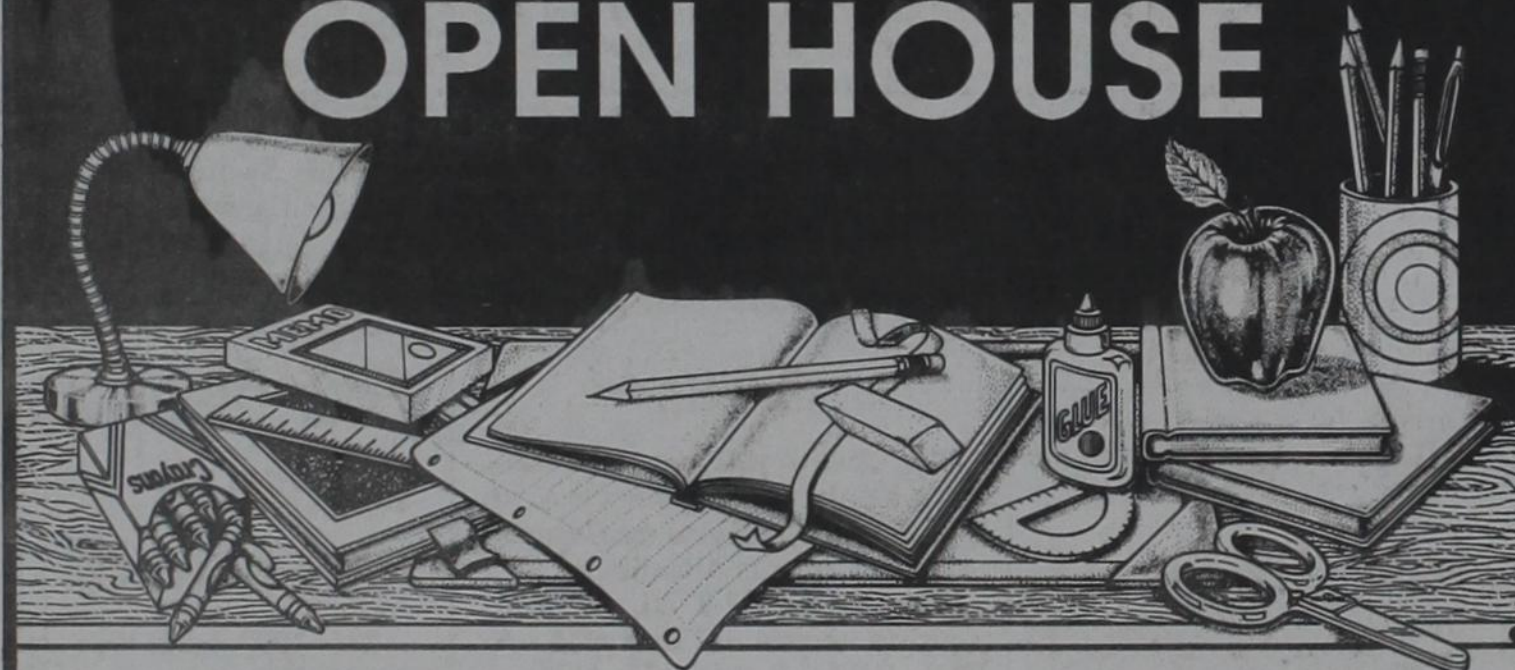

Donated squares may be brought to the Castro County Senior Citizens building in Dimmitt, where they will be assembled by the Guild.

"We hope Nazareth, Hart and Sunnyside residents will get together and submit several blocks each for the quilt, and we also hope all the old school districts will be represented," a club spokesperson said.

The completed quilt will become a permanent display at the Castro County Historical Museum.

For more information call Yvonna Hayes at 647-5214 or Jackie McLeroy at 647-5317.

## Dimmitt Middle School OPEN HOUSE

THURSDAY  
February 21  
7:00 to 8:30 p.m.

ALL PARENTS  
ARE INVITED!

Refreshments will be served.

Science Fair projects will be on display.

Sixth, Seventh and Eighth Grade Bands will give a concert from 7 to 7:30 p.m. in the Middle School Auditorium.

## What's Cooking?

### DIMMITT

THURSDAY: Beef stew, cheese slices, cornbread, pineapple chunks, cinnamon rolls and milk.

FRIDAY: Fish crispies with tartar sauce, vegetable salad with dressing, pinto beans, cornbread, individual cherry pies and milk.

MONDAY: Enchilada casserole, whole kernel corn, battered squash, wacky cake and milk.

TUESDAY: Chili beans, cornbread, buttered potatoes, celery and carrot sticks, banana pudding and milk.

WEDNESDAY: Chicken patties with gravy, creamed potatoes, green beans, rolls, butter, honey and milk.

THURSDAY: Cheeseburgers, French fries, lettuce, pickles, onions, cookies and milk.

FRIDAY: Battered fish nuggets, tartar sauce, macaroni and tomatoes, whole kernel corn, cornbread, spicy applesauce and milk.

### HART

THURSDAY: Frito pie, pinto beans, salad, cake and milk.

FRIDAY: Cheese pizza, buttered corn, salad, apple cobbler and milk.

MONDAY: Corn dogs, cheese wedge, pinto beans, salad, cake and milk.

TUESDAY: Steak fingers, hot rolls, whipped potatoes, green beans, apple cobbler and milk.

WEDNESDAY: Cheeseburgers, buttered corn, salad, pickles, pears and milk.

THURSDAY: Chili beans, cornbread, salad, peaches, chocolate cake and milk.

FRIDAY: Fried fish, cornbread, new potatoes in cheese sauce, coleslaw, buttered rice and milk.

### NAZARETH

THURSDAY: Burrito with chili, coleslaw, peaches and milk.

FRIDAY: Fish, broccoli with cheese sauce, corn, hot rolls, cherry cobbler and milk.

MONDAY: Chili dogs, Ranch style Beans, peaches and milk.

TUESDAY: Spaghetti and meat sauce, tossed salad, hot rolls, applesauce and milk.

WEDNESDAY: Ham, scalloped potatoes, green beans, cornbread, apple cobbler and milk.

THURSDAY: No School!  
FRIDAY: No School!

## We Salute

### Our Flag and Its Usage

More American flags are being flown now than at any time in our nation's history. Flags of all sizes are being displayed, too—indoors, outdoors, on placards, as dress pins, etc.

This grassroots show of patriotism, both here and around the nation, is impressive.

But are you sure you're doing it right?

Most of us, to a greater or lesser degree, are ignorant of basic flag etiquette. Yet none of us wants to appear to show disrespect for our flag by breaking some rule that we didn't know about.

Here are the basic rules for displaying the American flag:

—You may fly your flag every day if you wish. You do not need a special reason or holiday. The American flag traditionally is flown every day in front of all public administration buildings, and in front of all schools on school days.

—The flag should be hoisted briskly but lowered slowly.

—Your flag may be flown at night only if it is properly illuminated by floodlight. Otherwise, the custom is to display it only from sunrise to sunset.

—It is best not to display the flag during inclement weather, unless your flag is made of all-weather, non-fading material. (In other words, it's best to have an all-weather flag so that if it is caught out in the rain when you aren't there to take it in, you won't be breaking the preferred custom.)

—When displayed with any other individual pennant or flag on the same pole, the US flag should always be above. When displayed with any other flag on another pole at the same level, the US flag should always be at its own right as it faces the public (so that to those facing it from the front, it will be on the left). When two or more other flags are flown with the US flag, then the US flag should be in the center and at the highest point of the display.

—When the flag of any other nation is flown with the US flag, it should be about the same size, and should be flown from the same height on a separate staff. International usage forbids displaying the flag of one nation above the flag of another.

—When the flag is displayed on a horizontal pole or rope, the union (blue corner) should be hoisted out first.

—When the flag is displayed on a wall, the union should always appear at the upper left.

—The flag should always be allowed to hang freely, and it should never touch anything beneath it such as the ground, floor, water or merchandise.

# Sunnyside

By Teeny Bowden, 647-5703

Helen Lanze, consultant for Taylor Publishing Co. of Dallas, arrived at Teeny Bowden's home before 9 Friday morning after spending the night in Amarillo with friends.

She brought with her copies of the proofs of the entire book, *Castro County, Texas, 1891-1991, Vol. II*, the Centennial edition. She left about 2 p.m. after going through everything with Teeny, Madge Robb, Emma Jean King and Suzie Hubble. Clara Vick came out during the noon hour, but had to be back in the office by 3 p.m.

As everyone left in the afternoon or evening, they took sections of the book home with them to proof-read that night, or until they could get back. Clara, Rosetta Bellinghausen and Emma Jean came back for the day Saturday and Madge Robb helped Teeny on Sunday afternoon. She also brought back what she had proofread at home.

R.V. and Bess Bills attended the wedding of their granddaughter, Angie Bills and Robert Furr, in the First United Methodist Church in Earth last Thursday evening in a Valentine's Day ceremony. Bess

also attended a wedding shower honoring Angie in Earth last Sunday afternoon. Nelda Curtis attended the shower and wedding.

Embree Roy and Willie Mae Sadler visited in Amarillo and had dinner with her cousin, Floy and Holmes Posey of Memphis, last Friday. They all visited in the home of another cousin, Jack and Pat Wolf, who live in Amarillo.

Teeny Bowden was one of several older county residents inter-

viewed at Richardson Elementary School last Wednesday afternoon by Cheryl Glidewell's third grade students. Each woman was interviewed privately by two girls and each man was interviewed privately by two boys.

Rev. David and Debra Fletcher, Hadley, Haley and Harmony took advantage of the Valentine school break to have a family retreat at Plains Baptist Assembly near Floydada. Pastors are allowed free time with their families at the encampment grounds occasionally. They left Thursday and came back Sunday.

Madge Robb checked out the order forms and her bookkeeping book at Teeny Bowden's home Tuesday afternoon to see that everything was in order. She took both home with her to do a more detailed check.

David and Gay Sadler spent the weekend in Hobbs with Melody and Walter Roye and children, and Karla Sadler.

Willie Mae Sadler went to Lubbock Tuesday with Pat Elkins and her mother, Catherine Pierce of Littlefield. Chris Elkins stopped them on the way home to tell his mother he had been in the doctor's office all day undergoing tests which revealed he had a bleeding ulcer.

Bruce Bridges and crew have completed his contract on the road east of Sunnyside Saturday except for some touch-up work. It has needed some moisture along to help pack and settle it and break up the clods. Hopefully, we will receive the needed moisture that everthings needs. Everyone who drives the road every day think it will be much better. It has been a very difficult and rough road for years—when it's dry and when it rains.

Marshall and Kaye King, Lance and Lincoln of Earth visited Sunday afternoon with Billie and Emma Jean King for the first time in quite a while.

# Nazareth

By Uirgie Gerber, 945-2669

A "Rite of Election" was celebrated at the St. Lawrence Cathedral in Amarillo last Sunday at which those who plan to join local parish communities at Easter Vigil Services were presented to Bishop Leroy Mathieson. Those from Nazareth who will complete their preparation during the Lenten Season are: Cindy Gerber, whose sponsor is Julene Gerber; Elaine Kern, who was presented to the bishop by Rita Kern; Brenda Schulte, who received her certificate with the encouragement of Jimmie Schulte; and Morris Wilcox, who was accompanied by LeRoy Pohlmeier. Deacon Al Maurer is Holy Family coordinator of the RCIA (Rite of Christian Initiation of Adults). May Hochstein moderates sessions when members meet to share their reflections on the Sunday Mass readings, and dialogue about church teachings. Deacon Jerome Brockman and Father Neal Dee, pastor, are also contributors to the sessions.

There was a good attendance Sunday at the Senior Citizens dinner with 33 members and 17 guests enjoying the meal, visiting and playing cards. Guests were H.D. and Myrtle White, Clara and Bo Cowell, Francis Woelfle, all of Amarillo; Estelle Hoelting of Plainview; Annaleen, Danene and Jennifer Lane of Shallowater; Dick and Shirley Schacher of Dimmitt; and Gregory Schacher, Joe Venhaus, Alma Conrad, Buddy and Joan Durbin and Margaret Braddock.

Congratulations to the regional playoff winners in the Knights of Columbus's basketball free-throw contest held in Dumas at the junior high gymnasium on Saturday. Winners were Jill Ramackers, Nathan Hoelting, Justin Bingham and Tanya Wethington. They will go to Austin in a few weeks for the state playoffs.

Tony and Mary Gerber, along with Fritz and Julene Gerber, drove to Carlsbad, N.M., Saturday to ce-

lebrate the 25th wedding anniversary of Jerome and Glenda Gerber. After attending Mass in their parish church, relatives and friends enjoyed a reception and dance at the Knights of Columbus Hall, hosted by the couple's children, Lloyd, Amanda, Curt and Chad. Out of town guests were Glenda's mother and sisters and Gene and Susie Gerber of Odessa. After spending the night, they all enjoyed breakfast at the Gerber home. Returning home Tony and Mary stopped in Hobbs, N.M., to visit their daughter, Dorothy, and husband, Don McQuilliams, who were unable to attend.

Helen Backus and George Venhaus drove with Paul and Lillian Venhaus to Dumas on Tuesday to visit with Marie Venhaus. Helen also visited with the Edmund Backus family. Her grandson,

Quentin, is leaving soon for the Army. They returned home Wednesday.

Leonard, Alvina and Paul spent Sunday in Hereford with Francis and Connie Backus and family.

Donna, Kris and Bryan Charamza of Amarillo spent Sunday with the Virgie Gerber family. Kris will leave Tuesday for San Marcos where he will attend a trade school.

Lawrence and Mary Acker are back at their home to recuperate. Lawrence had a stroke in January and Mary has been hospitalized with pneumonia.

## NISD establishes scholarship fund in memory of Acker

The Nazareth School Board has established the Lorelea Acker Memorial Scholarship Trust Fund in honor of the late Lorelea Acker, who died Feb. 4 after a year-long battle with an inoperable brain tumor.

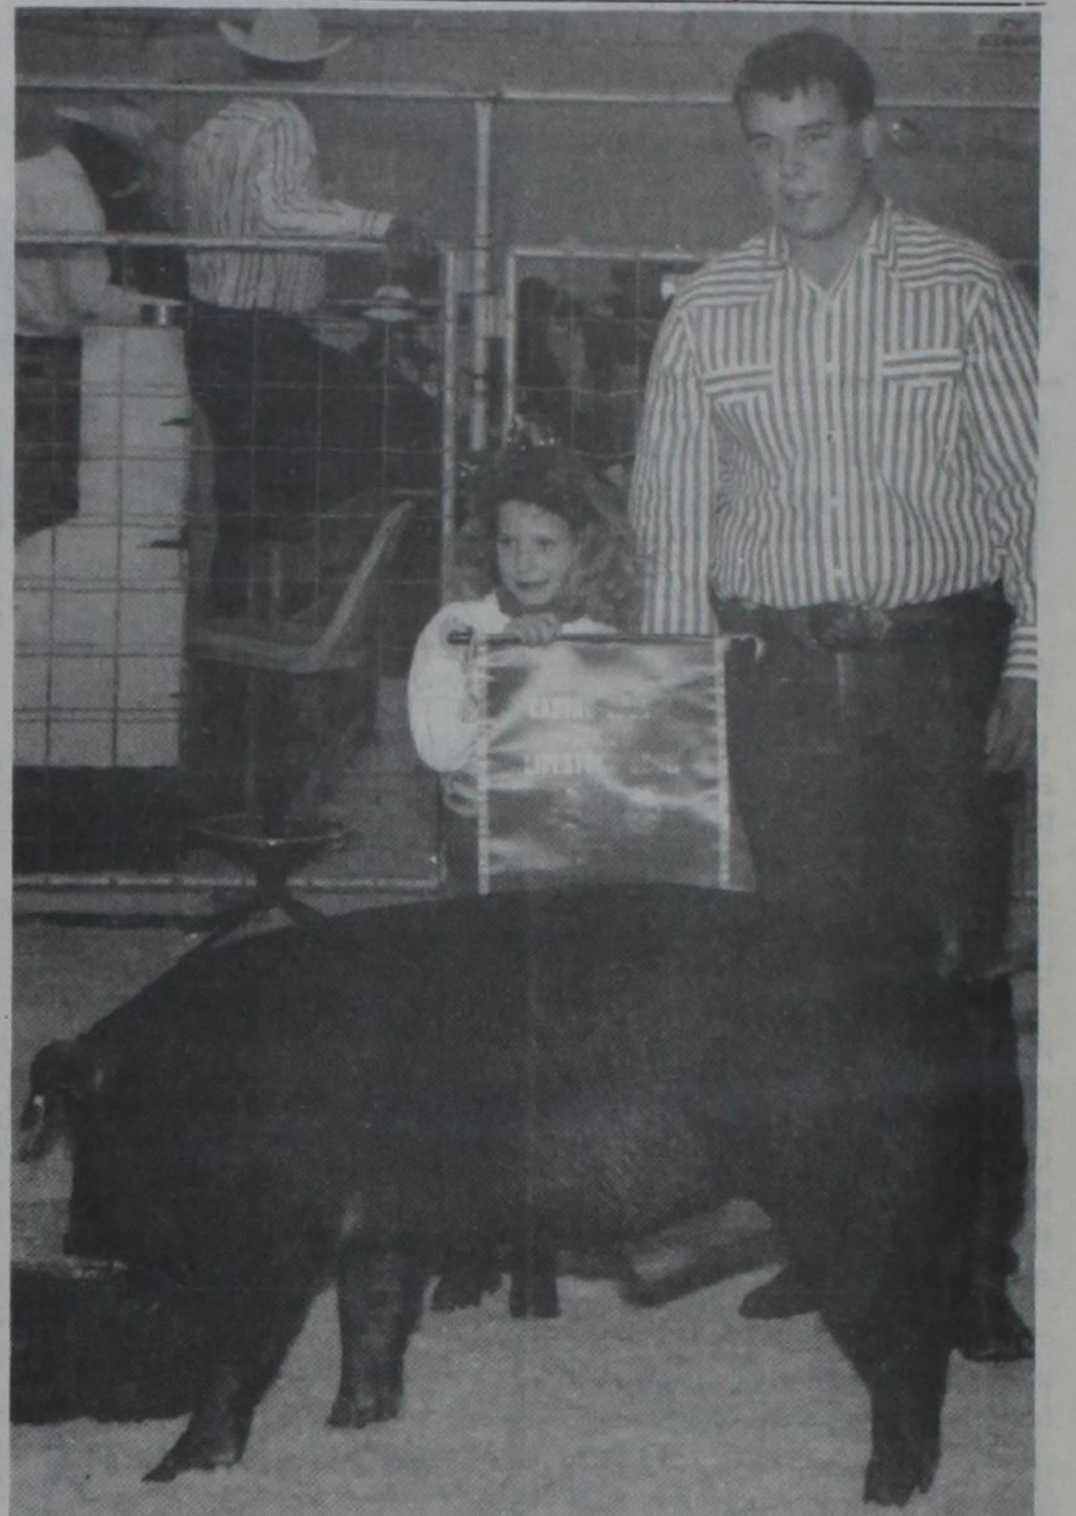

Acker graduated from Nazareth High School in 1990 as valedictorian and attended West Texas State University during the fall semester, earning mention to the dean's list, all while battling her illness.

"We thought it was only fitting to name this after her since she was such an exceptional student and person. She exemplified everything that was good in a person," said N. Dean Johnson, superintendent at

Nazareth. Individuals can donate money to the fund in memory of loved ones and the interest from the money will be expended in scholarships in an amount and number of awards to be determined by the board each year.

Donations are tax deductible and anyone who wishes to make a donation to the fund may do so by contacting Johnson at the school.

He added that money could be available for a scholarship this year, because an animal purchased at the annual Castro County Junior Livestock Sale Saturday was sold back with proceeds going to the fund.

MARK ROGERS, (right) exhibited the Reserve Champion Barrow Friday at the 1991 Castro County Junior Livestock Show at the Expo Building in Dimmitt. Rogers' barrow, a 235-lb. mediumweight Duroc, brought a bid of \$6.50 per pound from G.L. Willis, his grandfather. Pictured with Rogers is Mary Bradley (left). Photo by Anne Acker

## Naz Lions plan consignment sale

The Nazareth Lions Club will hold a consignment sale March 20 at Dimmitt Agri Industries' Nazareth facility.

Anyone who wishes to have an item listed on the auction sale bill must notify the Lions Club by Monday.

Five Star Auctioneers of Plainview will conduct the sale and the Lions Club will accept anything from the community for the sale.

The Lions will receive one-half of the commission on the sale, which equals to 10% on \$100 and 8% up to \$5,000. Anything over \$5,000 will pay 7%, not to exceed \$700.

Anyone who wishes to list an

item on the sale should call 945-2667, 945-2683 or 945-2205.

## Turkey shoot is scheduled

The Nazareth Volunteer Fire Dept. will hold a turkey shoot Sunday, Feb. 24, in the "draw," four miles north of Nazareth on FM 168.

The trap and skeet shoot will begin at 12 noon, weather permitting and all proceeds from the day's activities will benefit the fire department.

# Police Calls

Range fires that destroyed several sections of Conservation Reserve Program acreage in Castro and Randall counties Sunday afternoon have been tentatively listed as "of suspicious origins."

A Nazareth man was arrested in Randall County on charges of DWI and reportedly may be questioned concerning the fires, but no charges have been filed in connection with it. No dollar estimate has been given yet on the damage.

Investigating Castro County Sheriff's Deputy Mitch McDonough said that one fire burned 2-1/2 to 3 sections in Castro County, and approximately 10 acres were destroyed in Randall County by three other fires. He said firefighters were able to divert the flames from a house and a barn, and noted that no other structures were damaged other than feed troughs and fence posts.

The fires were fanned by winds gusting up to 30 and 35 miles per hour, and in Randall County the flames even jumped a few roads. First reported around 4 p.m., the fires were under control around 10 p.m.

Firefighters were summoned from Hereford, Dimmitt, Nazareth, Umbarger, Happy, Tulia, and Randall County, and one truck was from the Greater Amarillo Fire Dept. No injuries were reported, according to McDonough.

Investigation is continuing.

Jimmie Akers of Dimmitt told police last Thursday morning that his propane tank and trailer were missing from the empty lot behind his residence on Southeast Fifth Street. He valued the items at \$500. Investigation is continuing.

Carl W. Bradley of Dimmitt reported to police the afternoon of Feb. 13 that someone had broken out a window of his residence on Southwest Third Street. The investigating officer found a rock that

apparently was thrown at the window. The damage was estimated at \$125.

Dick Thomas, 73, of Dimmitt told police Tuesday morning that someone had apparently entered his house on Northeast Sixth Street without permission and damaged the sheetrock. He estimated the cost of repairs at \$2,000.

Tony Sears, 9, told police that someone took his bike from his front yard on Pine Street sometime between last Thursday and Friday afternoon. He described it as having a chrome body, white handlebars, white seat and silver tire spokes. He valued the bike at \$80.

Derrell Jones, manager of the Town and Country Store in Dimmitt, told police Sunday that a man had left the store with a case of beer without paying for it. Jones

said he ran after the suspect, who dropped the beer behind the store, then continued running down East Halsell. Investigation is continuing.

Last Thursday, William Thornton, 73, of Dimmitt, was backing his 1987 pickup from a parking spot on North Broadway and struck a 1979 Chevy Caprice driven by Mable Brock, 85, of Dimmitt. Brock's car was rated with light damage, and the pickup was not damaged. No injuries were reported.

Sunday evening, a 1983 Pontiac owned by Ramon Gauna of Dimmitt was parked, unattended, on the Thriftway parking lot and was apparently damaged by a vehicle that left the scene. Damage was rated light. Investigation is continuing.

## Pesticide workshop set

A training and testing opportunity for Private Applicators of pesticides will be offered March 8 in the Castro County courthouse assembly room.

The session will last from 9 a.m. to 2 p.m., with a break from 12 to 1 for lunch. Kerry Siders, EA-Ento, will conduct the training, and Levene Harman of Amarillo, with the Texas Dept. of Agriculture, will

conduct the testing.

Those who plan to apply pesticides are required to obtain this license.

For more information or to register for the session, contact the Extension office at 647-4116. Participants are requested to contact the office in advance to obtain study materials, and so that the office will know how many to expect.

## OM teams selected, will perform Sunday

This year's Odyssey of the Mind teams from Dimmitt Middle School and Dimmitt High School have been selected and will give a public performance Sunday at 2 p.m. in the high school auditorium.

All are invited to see the free performance, as the teams polish their presentations to get ready for regional competition in March.

Projects, team members and coaches are listed below:

### Dimmitt Middle School

**BUGGY LITE:** Jonathan Baker, Tori Baker, Cory Lust, Tawnee Matthews, Daniel Maxwell, and Colby McDaniel, coached by Jerry Matthews and Karon Moss.

**POMPEII:** Justin Damron, Monica DeLaCruz, Marcella Flores, Mando Gonzales, Marlene Stewart, and Roxanne Vigil, coached by Mary Flores and Andrea DeLaCruz.

**SUPER COLLIDER:** Jimmy Bryan, Chad Ellis, Addison Foskey, Steve Steffy, Andrew Teas-

chner, Terri Teaschner, and Joel Townsend, coached by Carter Townsend and Cindy Ellis.

**TRANSFORMATION:** Larry Garcia, Rachel Goldsmith, Tracy Grand, Summer McLean, Chris Perez and Josh Roberts, coached by Beth Roberts.

### Dimmitt High School

**BUGGY LITE:** Michael Acevedo, J.D. Gonzales, Robert Langford, Christy Killough, Roy Salazar, Gina Thurman, and Monica Villanueva, coached by Mary Hunter.

**POMPEII:** Amy Beck, Amy Flores, Fabian Longoria, Nikki Kenley, Jennifer Sava and Matt Sims, coached by Bill Sava and Danna Beck.

**SUPER COLLIDER:** Christian Braafadt, Michelle Flores, Kris Keith, Candi Matthews, Kim Spring and Sean Wilson, coached by David Keith and Pat Keith.

Denise Jackson and Lee Schilling

## May vows planned

Linda Jackson of Lubbock announces the engagement and approaching marriage of her daughter, Lauri Denise Jackson, to Lee Arthur Schilling, son of Donald and Agnes Schilling of Dimmitt.

The pair plan to wed May 25 in St. Anthony's Catholic Church in Hereford, and will reside in Dimmitt after the wedding.

The bride-elect is a 1982 graduate of Trinity High School in Euless and attended Cisco Junior College in Cisco. She is employed with the Castro County Sheriff's Office in Dimmitt.

Schilling is a 1981 graduate of Dimmitt High School and is employed by Energas Co. in Dimmitt.

## Church Happenings

### Presbyterian Church

Sunday school classes meet Sunday morning at 10.

"Sacrifice and Service" is the subject of Pastor Edward D. Freeman's sermon at the Sunday morning service for the public worship of God at 11 a.m.

Morning prayer services will be held Wednesday at 6:30 a.m.

Feast of Esther will be observed by a family covered-dish dinner Wednesday at 6:30 p.m., followed by the mid-week Lenten service at 7 p.m.

"The Crossroads of Misunderstanding," will be the subject of the Lenten Bible Study.

### Ministerial Alliance

Claude Hendrick will lead the Castro County Ministerial Alliance in a study of Matthew 14:1-12 on Tuesday at 10 a.m. at the Assembly of God Church.

### Immaculate Conception Catholic Church

There will be a lock-in for seventh and eighth graders Friday night at 8 to Saturday morning at 7:30.

The special collection this week-end will be for the West Texas State University Catholic Center Building Fund.

A diocesan retreat for parish leaders will be held March 8 to 10 at the Bishop DeFalco Retreat Center in Amarillo. Members of parish councils, councils of economic affairs and other lay leaders are encouraged to participate. Father Ed Sweeney will be the retreat leader. Contact Father Choong for registration forms.

A scripture seminar on St. Paul, sponsored by the Diocese of Amarillo, will be held Sunday, March 3, through Tuesday, March 5.

It will be presented by Dr. Pheme Perkins of Boston College. Details are available at the church.

We congratulate our new Parish Council officers including Shirley Brockman, president; Charles Richard, vice president; and Guila Silva, secretary.

## Reading help is available

Tutors are available to help anyone learn to read.

There is no charge, and pupils learn at their own pace. The one-on-one teaching also affords privacy.

Call 647-3532 if you are interested.

Encourage someone who does not know how to read to call.

## Canterbury Villa News

The residents and staff of Canterbury Villa enjoyed a very entertaining Rock - A - Thon on Valentine's Day for the American Heart Association. We raised more than \$600 for the American Heart Association and are still receiving more donations. All proceeds will go directly to the AHA.

Deanne Clark and Charles Axtell started the day off with piano playing and singing, followed by Richard Young and Renise Blair. The Melody Six Band from Nazareth played for an hour, followed by Susan Coleman and then the Singing Farmers from Hart, who also sang for an hour.

Everyone enjoyed the musical entertainment, with many people from the county coming to enjoy it also. Regina Steffens provided refreshments all day. Named as Valentine King and Queen were Roy and Luraney Hunter, parents of Edmond Hunter of Dimmitt. Valentine Sweetheart from among the staff was Linda Rasor.

There have been many other things going on at CV since our electrical fire in November. We had three large new electrical panels installed and an inspection from the State and City Fire Marshals. We could not have done without our local hospital, fire department, school administration and many, many volunteers who helped us through this time. We continue to be very grateful and appreciative for all the kind efforts and help.

The hospital charges for this stay were \$2,000, and our parent company, Texas Health Enterprises, gave a \$5,000 donation for all of

their help and to make up for the inconvenience. The company also had the hospital deep cleaned and a piece of carpet replaced after we left.

We were unable to have a cake auction at Christmas this year due to the fire, but we had many wonderful donations and our residents had a great Christmas. The nicest gift was just being back home.

We are in the process of painting each wing, the outside of the facility and remodeling the lobby. We are trying to update throughout.

Roy and Luraney Hunter have joined us from Lockney. Eva Tackett from Floydada came last week. Mattie Stovall joined us for a few weeks of care while she regained her strength, and then went home.

Regina Steffens continues to keep our residents busy and entertained.

### PLAINS MEMORIAL

It's a boy for Angelina Marie Prieto of Friona. Cody Lance Prieto was born Feb. 5 at 7:53 a.m., and weighed 7 pounds and 8 ounces and was 20 inches long. Grandparents are Pete and Mary Prieto, and great-grandparents include Renalda Mendoza, all of Friona.

### OUT OF TOWN

Mr. and Mrs. Gillemo Hernandez of Dimmitt are the parents of a baby boy, Timothy Hernandez, born Feb. 6 at 3:48 p.m. The infant weighed 6 pounds and 12 ounces. Paternal grandparents are Egnacio and Virginia Hernandez of Dimmitt. Maternal grandparents are Juan and Elida Campos of Dimmitt.

## Masonic Lodge plans open house March 10

The Castro Masonic Lodge No. 879 has joined 940 other Masonic Lodges across Texas in scheduling a simultaneous statewide public open house between 2 and 5 p.m. Sunday, March 10.

The Castro Masonic Lodge is located at Third and Eter in Dimmitt, and Charles Vaughan, Master of the local lodge, said an open invitation is extended to anyone interested in learning more about Masonry and what Masons do.

Refreshments will be served at the lodge from 2 to 5 p.m. and at 3 p.m., a film on dyslexia and the Scottish Rites Hospital will be shown.

Vaughan noted that Fred E. Allen of Mt. Pleasant, Grand Master of the 180,000 member Masonic Grand Lodge of Texas, has defined the intent of the open house event as being "to put Masonry on display so anyone interested can see for themselves what Masons do and have a better understanding of what Masonry is all about."

Printed cards will give brief explanations of more significant points of interest about the lodge room, including some of the more prominent symbols utilized in Masonry to teach Masonic philosophy. Best known of these symbol are the square and compasses, which identify members of the craft, together with other tools of the medieval stonemasons . . . builders of the great Gothic Cathedrals.

Allen explained that to the 3.5 million Masons in the US, these symbols are reminders of a Mason's duty to live by the highest moral standards, to practice brotherly love and to affirm loyalty to his country. He said Masons believe that the quality of a man's life should reflect his faith in God and his ethical ideals.

Other Masonic-related organiza-

tions also are being invited in the open house program to provide insight into their particular organizations. Although not active in all communities, these affiliated Masonic groups include the York Rite, Scottish Rite, the Shrine, the Grotto, the Beausceant, Order of Easter Star, Daughters of the Nile, Daughters of Mokanna, Order of DeMolay for Boys, Order of Rainbow for Girls, and Job's Daughters, the newest entry into Texas.

Allen cited the event as a first in Texas, in which various Masonic and Masonic-related groups join in public display of their respective regalia and symbols in a blend of colorful pageantry open to all.

He declared an all-over objective is to help dispel the misconception many people have that Masonry is a secret society. He pointed out Masonry does not conceal its existence, principles or aims. Members proudly wear the square and compasses and other Masonic insignia, and Lodge buildings are well identified and often made available for appropriate community activities.

Masons collectively provide more than \$2 million a day and thousands of hours of service donated to worthy causes, including more than \$750 million every year for charitable activities.

Members of the Castro Masonic Lodge and other associated Masonic bodies will be on hand to answer questions during the open house.

**More about**

**1:1**

(Continued from Page 1)

Editor's nightmares (continued): In a story last week on the Bobcats' season statistics, I noted that Jermaine Williams has become Dimmitt High School's fourth highest all-time scorer for a single season with 682 points, and that if he keeps up his 21-points-per-game average, he could become No. 1 in that category, depending on how far the Bobcats go in the playoffs.

I had used the sheet of scoring record holders out of my file labeled "Basketball — DHS Boys, Historical."

While looking at those totals, I didn't notice that Kevin Cleveland's name wasn't on the list.

How could you forget about Kevin? I must have been on another planet.

That old record sheet wasn't dated, but it had been compiled before Kevin scored 868 points his junior year, 1982, when the Bobcats won the state championship, and 912 points his senior year, when the "Awesome Bunch" went 38-0 and repeated as state champions.

Nobody's likely to break either of those single-season records, ever.

And Kevin's high school career scoring record was 2,728 points—a thousand points more than anyone else ever scored in four years here.

That's the kind of trouble you can get into when you start citing all-time records.

Coach Cleveland and I have got to get together and update the files. But we'll have to wait until after the season, to see just where Jermaine will finish. He'll be up there close to the top for sure.

Dimmitt won't be the same without Helen Richardson.

Helen epitomized the spirit of Dimmitt and Castro County, probably more than any other person.

She blossomed where she was planted.

She was born here and grew up watching her mother, Lenna Estes, teach children in their home and in little rural schools. She graduated from Dimmitt High School in 1929, and started teaching at the Big Square School after attending West Texas State a year. There were 17 schools in the county then, before consolidation.

During the Depression she was

paid in scrip instead of money. She stayed with it and kept teaching.

There were only 12 classroom teachers in Dimmitt's red brick school house when she first started teaching in town. During a 44-year career, she would teach three generations of Dimmitt pupils, including great-grandchildren of her mother's former students.

As the town and county grew, she grew with them. Through the years, she kept going back to college until she had earned a Bachelor of Arts degree (1937), and later a Master of Education degree (1955), and then an administrator's certification.

She spent the last 16 years of her career as principal of South Elementary School. She earned such respect from the community and from her peers that, upon her retirement in 1975, she was accorded the ultimate honor. South Elementary School was renamed Helen Richardson Elementary School.

She wasn't only a teacher or a school administrator. She also helped organize the Classroom Teachers Association, Plains Memorial Hospital Auxiliary, the Castro County Historical Society, the Senior Citizens Association and many other groups, and gave her time willingly to her community, her church, WTSU and governmental boards and committees. Because of her tireless civic work, she was named Citizen of the Year in 1965 and Citizen Through the Years in 1984. She was named as one of the Outstanding Women of the Texas Panhandle in 1976.

Her life was devoted to excellence, and her main trait was her cheerfulness.

Let's hope the community she helped build, teach and inspire will continue to reflect those qualities.

**Southwest Outdoors**

with Mel Phillips

After talking to eager anglers from Pampa to Plainview, it is obvious that the fishermen are ready to go fishing AND the serious bassers have spent this winter searching for "secret baits."

Now I have spent more money on secret baits and magic fishing potions than Jimmy Johnson has spent on hairspray, and one lesson finally hit home—that great secret bait in February will probably just be a memory in May and June. Nevertheless, here goes with the hottest secret bait.

First, blood oaths have been broken to discover how to buy ZOOM LIZARDS. The secret color of this secret bait is pumpkin—with or without chartreuse tail. Pumpkin firetail is preferred by the experts like Tommy Biffle on the end of his carolina rig.

One of the few places in Texas to buy Zoom Lizards will be at OUTDOOR WORLD '91. The biggest RV, boat, and sportsman exposition between Dallas and Denver will be held at the Tri-State Fairgrounds in Amarillo on March 1, 2 and 3. You too can catch big bass with some of the great secret baits of '91.

Speaking of good reasons to attend Outdoor World '91 — some lucky individual will win a 16-foot aluminum fishing boat, courtesy of Lake Tanglewood Marine and KGNC Radio. Registration to win this boat is free and I will draw the winner's name at 4 Sunday afternoon. If you visit Amarillo for this sportsman show, keep an eye out for celebrities where you are staying. You might just see Jimmy Houston, Tedd Miller, Dreabon Joiner, John Hope, Dale Wagy,

Lenell Martin or Butch Colantonio.

If trout fishing in New Mexico is one of your favorite vacations, be sure to visit one of the two casting tanks when Ti Piper is giving his "Fishing New Mexico" seminar. He has a book on this topic and will conduct special fly tying seminars for the really dedicated trout fisherman. The good folks at Moreno Ranch East can answer any questions about trout fishing in the Eagle Nest area.

It's not too late to enter the Big Bass Tournament on Baylor Lake. Fishing starts Saturday at 7 a.m. and if 100 anglers enter, the lucky angler who catches the biggest fish of the day will win \$2,500. Call me at 353-3654 for details.

**Paving list...**

(Continued from Page 1)

the paving, the city council will need to decide whether it would be in the best interest of the city to include that street anyway.

Property owners who have already expressed interest in the paving program include some on Andrews, 10th Street, Fourth Street, Northeast Eighth, and Dulin.

Collins said if even one property owner on a block expresses interest in the paving, it will be included on the list, but if enough others voice opposition to it, it may be dropped. "Once the list is drawn up for the program, none may be added, but any may be dropped," Collins noted.

In other business, the council voted to accept a bid from High Plains Pavers of Plainview for seal coating about 31 blocks of city streets at a cost of 58 cents per unit, or a total bid price of \$25,810. Other bids received included Apan Corporation of Hereford for a unit price of 59.8 cents and a total of \$26,611; and L.A. Fuller & Sons for a unit price of 74.3 cents and a total of \$33,063.50.

Arden Beghtal, a representative of the city's engineering consultant firm of McMorries & Associates of Amarillo, examined the bids and said that High Plains met the bid specifications. He also pointed out that they offered to start the seal coating in May if the weather permits to allow for an earlier completion date.

In his manager's report, City Manager Reeford Burrous told the council that the plans for the airport improvement project are on schedule.

He also reported that the city expenses are now only less than 1% over the amount budgeted and noted that the overage is reducing each month.

Collins reminded the council that a representative of MultiVision Cable TV will be at the March 4 meeting of the council to hear any additional complaints from the city

or from any cable customers who wish to speak.

Collins also told the council that the Senior Citizens rental housing project in northwest Dimmitt is well into the second phase of construction, with 24 units or so being added to the first 24. He noted that S&S Properties, contractors for the project, had mentioned a possible third phase as well, which would bring the total number of housing units up over 70.

**Two are indicted**

A 64th District Court Grand Jury issued indictments Monday against two men in separate matters.

Moses Vasquez, 23, a former resident of Castro County, was indicted for two burglaries of farm buildings located in the north part of the county. Bond was set at \$50,000 on each of those cases by District Judge Jack Miller.

District Attorney Jimmy Davis indicated that investigation is still in progress by the Sheriff's Office and by Dimmitt police, and other cases against Vasquez may be presented to the grand jury during its next meeting, set for sometime in March.

A misdemeanor indictment on charges of reckless conduct was issued against the 18-year-old Hart man accused in the Feb. 8 discharge of a firearm in the direction of a vehicle occupied by three juveniles.

Davis said the case will be heard in county court, since the charges were reduced to the misdemeanor level. He noted that reckless conduct is a Class B misdemeanor, punishable by a fine of not more than \$1,000 or county jail time for not more than 180 days, or by both a fine and a jail sentence.

**DESERT STORM PROJECT**—Nazareth FHA members Kristin Brockman (left) and Vicki Lange (right) pack disposable razors and soap in boxes which will be sent to soldiers in Saudi Arabia. The club designated the project "Desert Storm" to tie in with Operation Desert Storm, the war in Saudi Arabia. This project was just one of many the group has undertaken during the year. Others include sponsoring a mother-daughter style show, a campus beautification drive and YES, which is an interaction with elderly people from the community. The group celebrated National FHA Week Feb. 11-15. Courtesy Photo

## Bi-district

### Canyon edges Bobbies, 57-51

The Dimmitt Bobbies saw their hopes of a bi-district championship dim, resurge to burn brightly, then gradually fade away Friday night as the Canyon Lady Eagles earned a come-from-behind 57-51 victory at Hutcherson Center in Plainview.

The Bobbies played their hearts out in the first six minutes of the game, but were down 10-16, largely a result of a near-perfect 8 of 9 shooting performance from the field by Canyon, when fate stepped in.

The lights in Hutcherson Center dimmed, then went out completely. When play resumed approximately 35 minutes later, the Bobbies took control of the game.

Although Canyon finished the quarter with a 20-12 lead and held on to it through most of the second period, the momentum gradually took a turn and Dimmitt was on top before the halftime intermission.

Senior point guard Renae Josselet, who has been a starter for the Bobbies since her freshman year, and sophomore post Halley Bradley scored six and eight points, respectively, in the second period to boost the Bobbies to a 32-29 lead.

"I thought we played with a lot of intensity," said Dimmitt Coach Richard Wood. "We came out and executed real well."

Bradley cut Canyon's lead to six when she scored with 2:36 left in the period, then Michelle Schumacher sank two free throws to cut it to four. After a missed Josselet shot, Bradley rebounded and scored with a minute left, cutting the lead to three.

Senior forward Poppy Thomas

stole the ball and drove down for a layup, but was fouled by Canyon's Heather Gerald. She sank both free throws to narrow Canyon's lead to a point, 29-28, with 51 seconds left in the half. Josselet gave Dimmitt its first lead since the 7:06 mark in the first quarter, when she nailed a shot with 40 seconds left to make the score 30-29. Bradley scored with two seconds left to give Dimmitt its halftime lead of 32-29.

The Bobbies continued their domination in the third quarter, taking their biggest lead of the game at the 5:21 mark when Bradley scored, but Canyon gradually worked its way back and cut the lead to a point when Leslie Shippy, a former Dimmitt Bobbie who moved to Canyon last summer, scored inside with three minutes left. Wendi Ethridge scored the next points of the quarter, two charity tosses with 31 seconds left to give Dimmitt a 40-37 lead.

That's when Maggie Roe took over for Canyon.

The 6-0 post player scored with two seconds left to narrow Dimmitt's lead to 40-39 as time expired in the third stanza.

Shippy scored off of an offensive rebound with 6:59 left in the game to give Canyon a lead it wouldn't relinquish for the rest of the game.

Roe scored points in the last five minutes of the game to boost her team to the 57-51 victory.

"We changed defenses on them. We did about everything in the world we could think of. The height factor really entered into it. Our biggest kid's 5-8 and they've got girls that stand 6-0, 5-11 and 5-10. We could cover one of them,

but when it came down to picking up the other two, we just couldn't rotate enough to keep up with them."

Dimmitt's five starters played the entire ballgame, while Canyon's Coach Joe Lombard substituted at will, and that could have been a factor at the end.

Wood said that was a testament to the dedication of the group.

"This group of girls won't quit. They've got a lot of competitive spirit and I'm real proud of them. They did a super job. I was really pleased with the girls," said Wood. "We made some mistakes at the end, and when you play Canyon you can't make mistakes, because they're going to capitalize on it. We made some right there when we were a point down, and before we knew it they were six points ahead of us.

"I thought we played well, overall. You can only give up so much height. Their height had a definite factor in the outcome of the ballgame and I felt like our kids just played their hearts out," said Wood, adding that "we'll be back next year."

"We lost three really good kids last year and we're starting three really young ones this year. If you give these kids some experience and we're going to be in good shape in years to come."

For Dimmitt, Bradley scored a game high 22 points, Ethridge added 14 and Josselet tossed in nine.

Roe paced Canyon's scoring attack with 18 points, Angie Butler added 12 and Shippy added 10.

MICHELLE SCHUMACHER (30) drives baseline against Canyon's Angie Butler (30) during first quarter action Friday night in Plainview. The two state-ranked teams, Dimmitt, fourth and Canyon, first, squared off in a Class AAA bi-district contest. Canyon from came behind in the fourth quarter to defeat the Bobbies 57-51 before a crowd of 2,000 at Hutcherson Center in Plainview. Dimmitt finished its season with a 26-8 record as District 2-AAA co-champions. Photo by Don Nelson

## Bi-district

### Swiftettes topple Valley

After a slow, foul-plagued start, the Nazareth Swiftettes settled down and captured the Class A bi-district championship over Valley last Thursday night.

The Swiftettes posted a 57-31 win over Valley in the contest, which was played at the West Texas State University Fieldhouse before a crowd of 1,000.

"We started off kind of slow," said Nazareth Head Coach Denise Skinner. "I think we played a little to tight on defense. Valley was taking the ball to the hole on us, and our weak side defense just wasn't there. We had to make some adjustments to stop their penetrations, and we did that. In the second half we did a better job."

Fouls were a major problem for both teams all night. The officials blew their whistles 17 times in the first half, sending players to the line to shoot 13 charity tosses. The foul situation didn't improve in the second half, either, with 23 violations being called, but the teams adjusted and handled the rulings better.

"The fouls were definitely a mental factor in the game. It took some adjustments for us, but I feel like it was good for us to play this type of game," Skinner said.

The Swiftettes opened the game with two consecutive baskets to take a 4-0 lead, then outscored the Lady Patriots 7-4 over the next four minutes to expand that lead to 11-4 when Janay Johnson nailed a three-pointer from the baseline. Valley cut the lead to five, but that was as close as they could get for the rest of the stanza, and Nazareth edged out a 15-9 lead after the first quarter.

Valley's Tessa Mullin sank a basket at the 6:47 mark of the second stanza to cut Nazareth's lead to 4, 15-11, but Nazareth's defense held the Lady Pats scoreless until the 3:30 mark while its offense expanded on its lead to go up 21-11. By the end of the quarter Nazareth had broken through Valley's defense to take a 29-15 half time lead.

The Swiftettes started the third quarter slow, going without a field goal until the 4:11 mark when Noel Johnson, who finished with 14 points, took a pass from Janay Johnson inside and scored to give the Swiftettes a 36-17 lead. That started the Swiftettes' offense rolling.

Junior post player Peggy Huseman, the game's leading scorer with 18 points, found her mark and scored six points in a two-minute span to boost her team to a 43-22

lead, which stood at the end of the third quarter.

Nazareth's defense held Valley scoreless until the five minute mark of the final period and the offense continued to pile up points. Nazareth outscored Valley 14-9 over the final eight minutes to claim the 57-31 win.

Nazareth all-stater Noel Johnson tossed in 14 points while sophomore post player Jill Pohlmeier came in off the bench to add eight points.

NAZARETH'S PEGGY HUSEMAN scores on a turn-around jumper over the outstretched arms of Valley's Vera Pinkerton (43) and Shadi Mullin (40) during third quarter action last Thursday night. Huseman's bucket gave the Swiftettes a 39-17 lead and the team went on to win the Class A bi-district championship by a decisive 57-31 margin at the West Texas State University Fieldhouse in Canyon before a 1,000-plus crowd. Also pictured is Nazareth's Janay Johnson (10). Photo by Don Nelson

## Kids, Inc. sign-up set

The 1991 Kids' Inc. basketball program sign-up concludes today (Thursday) and anyone who wishes to play, must be signed up before the deadline.

Children may sign up from 3 to 4 p.m. at Richardson Elementary School and from 4 to 6:30 p.m. at the Chamber of Commerce office. Entry fees are \$15 per person.

To participate in the minor league, students must be at least eight years old, but must not have turned 11 years old before May 1, 1990. They must be enrolled in either the third or fourth grades.

Students at least 10 years old, and who were not 13 years old before May 1, 1990, qualify for the major league. They must be enrolled in the fifth or sixth grades.

Coaches also are needed, and anyone who is interested should call Jerry Durham at 647-4367.

## Volunteer training offered

A training meeting will be held today (Thursday) from 7:30 to 9:30 p.m. in the courthouse basement for those willing to work as Children's Protective Services volunteers.

The volunteers will learn to help in emergency situations, and get tips on being a sponsoring family or a big brother or big sister.

Mary Lynn Brown of Amarillo, director of community services for the Texas Dept. of Human Resources, will lead the training. Entry for the meeting may be made through the east stairwell.

"It is necessary to learn about appropriate client privacy and helpful behavior, even in volunteer sit-

uations," said Frances Duke, chairman of the Castro County Child Protective Services Council. "This training will help prepare volunteers for varying services and circumstances they may encounter in helping families and children with special problems."

Those interested in attending the training session may contact Duke at 647-5517 or Deanne Clark at 647-3487 for further information.

MEMORIAL DONATIONS to Rhoads Memorial Library made possible the purchase of this set of new encyclopedias being examined here by (from Left) Cindy Pottorff, librarian, and Marie Howell, assistant librarian. Pottorff said this is the first set of the reference books purchased since 1983, and noted that encyclopedias need to be replaced at least every five years. She noted that memorial funds will continue to be used for similar purchases, adding that the reference books are one of the most heavily used items in the library, particularly by school children. "We appreciate all who have given memorial gifts," Pottorff said, adding that the donations are tax deductible.

**Swiftettes race past Spur, 55-36**

The Nazareth Swiftettes battled a tough, scrappy Spur defense and overcame a poor shooting performance to claim the Class A area championship with a 55-36 victory over the Spurettes at Shallowater High School Tuesday night.

Nazareth shot a miserable 38% (19 of 50) from the floor during the game, but Spur didn't fare any better. They could manage to connect on just 12 of 33 shots for 36%.

But it was close for most of the contest. Spur stayed within 10 points of Nazareth until the final period when Nazareth started connecting on free throws.

The free throw line and turnover statistics were the deciding factors for Nazareth.

The Swiftettes went to the line 16 times in the final period and hit 12 of the charity tosses. For the game, Nazareth hit 63% of its charity tosses (17 of 27).

The Swiftettes full court pressure man-to-man defense bothered Spur all night, forcing 17 turnovers, which Nazareth turned into 16 points.

Senior all-stater Noel Johnson paced the Swiftettes in scoring with 20 points while Peggy Huseman added 13. Spur was led by Lisa Neaves and Leah Walker, who scored eight apiece.

The Swiftettes jumped out to an early 13-3 lead with 2:54 left in the first quarter when Jodi Johnson scored on a fast break layup off of a feed from Noel Johnson.

After that replay, Spur called a time out to regroup and that's just what it did.

Spur's defense shut down Nazareth for the rest of the quarter while its offense managed to score six points, narrowing the Nazareth lead to 13-9 at the end of the quarter.

Nazareth, paced by Johnson and Huseman, bounced back in the second quarter and went up 21-11 when Huseman scored her fourth points of the stanza. Johnson also had recorded four points in the two minute span.

The Swiftettes dominated the

paint during the stanza and took a 28-16 lead into the dressing room at half time.

The same trend continued in the third quarter and Nazareth expanded its lead to 14 points, 39-25, as the final eight minutes approached.

Spur couldn't match Nazareth's free throw performance in the fourth period and saw its hopes of an upset sail through the net each time a Swiftette stepped to the line.

The victory moves Nazareth into the Region 1-A tournament in Levelland this weekend, where it will take on Channing in the first round at 3:30 p.m. Friday at South Plains College's Texan Dome.

**More about**

**Swiftettes . . .**

(Continued from Page 1)

final round Saturday morning against the winner of the Anton-Grady first round game. Tip-off will be at 9:30 a.m. Should Nazareth continue to win, they will advance into the regional championship game Saturday night at 7 p.m.

Channing (25-4) is a very experienced team that Nazareth Coach Denese Skinner says "plays a well rounded game."

"They've got four seniors, all with a lot of experience. They're all great players. They like to push the ball when they can, working for a fast break layup and Cassie Blout (5-11 senior) is excellent at bringing the ball up. She can throw the ball end to end," Skinner said.

Channing beat Wheeler in the area round, 51-34 and Blout joined two other Channing starters in double-figure scoring. She led the trio with 18, Amy Hill added 17 and Ginger Gates scored 11.

Among the other Class A teams qualifying for regional include Happy, Claude, Sudan. The other team is the winner of an area matchup between Klondike and Fort Hancock.

To the Swiftettes:

Pride in our schools still lives in us all. We wish you luck in the playoffs. You can do it!

**Coffee with principal scheduled**

Parents of Dimmitt High School students are invited to have coffee with High School Principal R.L. Stockstill Feb. 27 at 10 a.m. at the Azteca Complex meeting room.

Coffee and refreshments will be served, and parents are encouraged to bring up any questions or problems they feel need to be discussed.

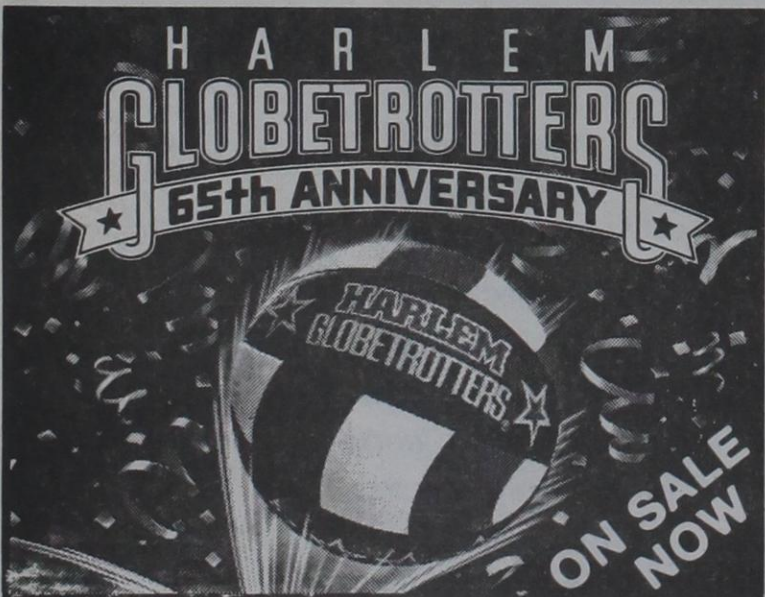

"We want to encourage parents to take an active interest in our schools and feel free to voice any concerns they may have," Stockstill said. He noted that other "Coffee with the Principal" sessions will be held in the future at various other sites around town to give as many parents an opportunity to attend as possible.

**DMS sets Open House**

All parents of students in Dimmitt Middle School are encouraged to attend the Open House activities today (Thursday) from 7 to 8:30 p.m. at the school.

Parents may come and speak with their child's teachers, and refreshments will be served. Also, the local science fair exhibits will be available for viewing.

From 7 to 7:30 the sixth, seventh and eighth grade bands will perform in concert in the middle school auditorium.

**HEAVYWEIGHT:** 1. Amy Smithson, 2. Julie Atchley, 3. Steph Major, 4. Cody Davis.

## Permethrin approved for control of cutworm

A Section 18 emergency use permit has been granted for use of Permethrin on wheat, according to Kerry Siders, County Extension Agent-Entomology.

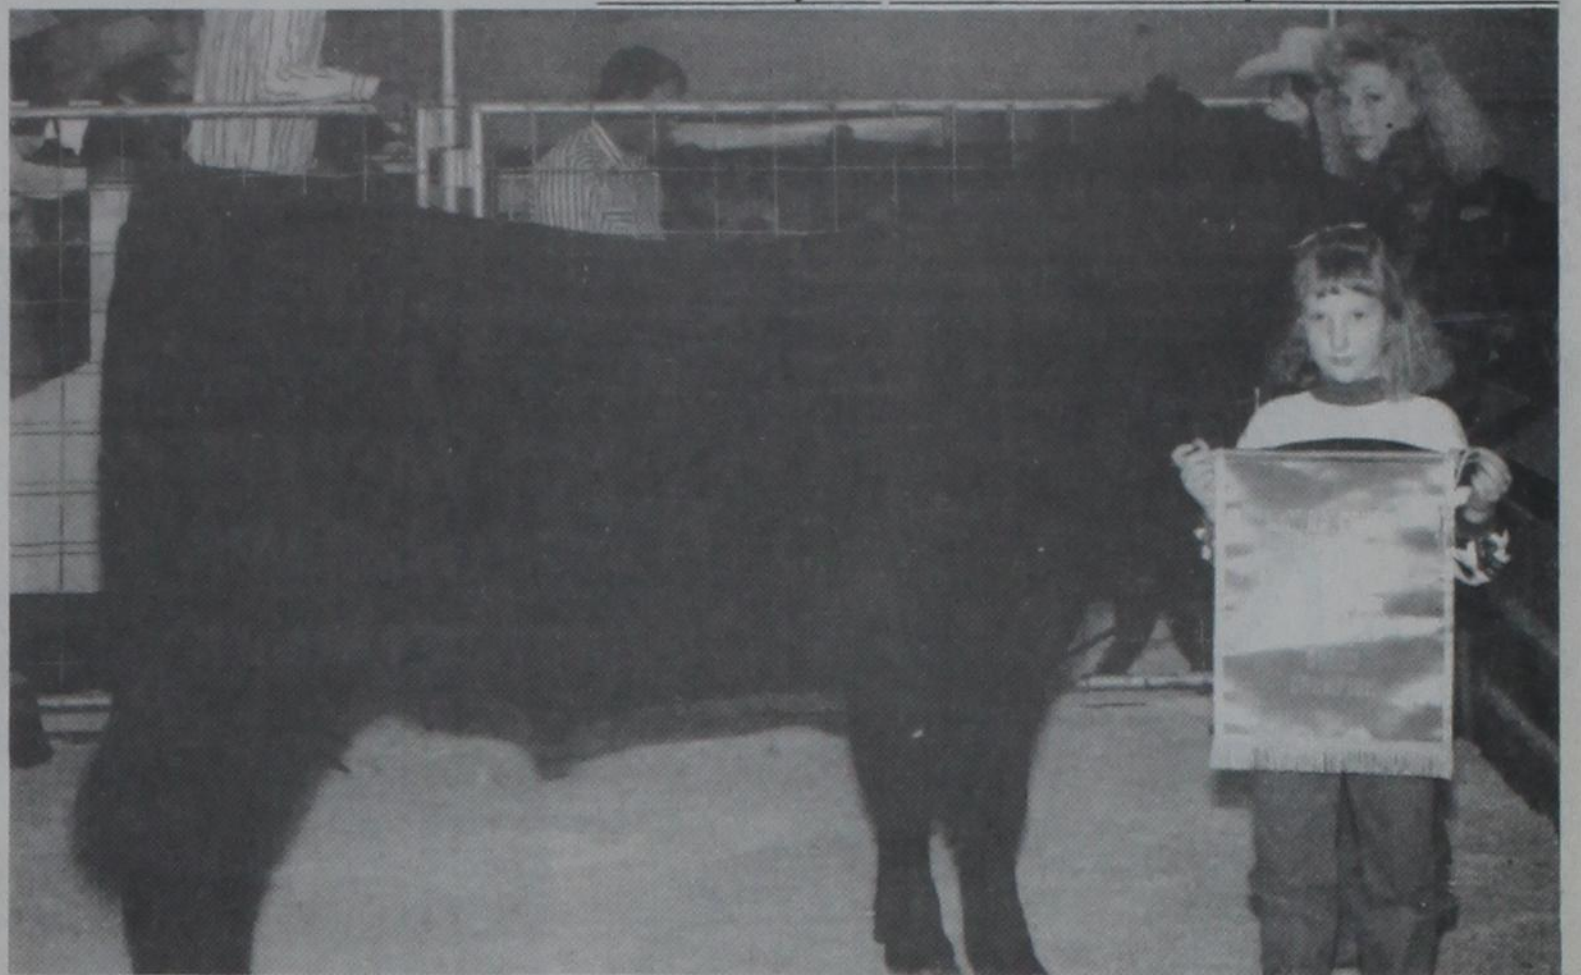

The permit allows use of permethrin in wheat at .075 — .1 pounds active ingredient per acre by ground, or aerially no more than two times.

Grazing is prohibited and 30 days pre-harvest interval restrictions apply.

Reports from around the Texas Panhandle indicate that army cutworm populations are extremely heavy and permethrin was authorized to help control the pest.

"I have seen as many as six to seven larvae per row foot in area wheat fields," Siders said. "Damage to grazed wheat has not been noted yet," he added.

The pest lays eggs in the fall. The eggs hatch and spend the winter as small larvae, normally causing damage as temperatures begin to warm up in spring. This winter

MORIAH OLSON'S (back right) 1,210-lb. small frame English steer was named the Reserve Champion of the steer show Friday at the 1991 Castro County Junior Livestock Show at the Expo Building in Dimmitt. Olson's steer was purchased by Betty's Shoes of Hereford for \$2 a pound. Also pictured with Olson is her sister, Joanna (standing in front). Photo by Anne Acker

## You own your Farm . . . why rent your Health Insurance

There's a reason the Texas Wheat Producers Association sponsors AIA Health Insurance. It's because this major medical plan was designed by wheat farmers like yourself.

AIA's Universal Plan for Health is the first health plan that accumulates cash value.\* A portion of your premiums accumulate in an interest bearing account.

An AIA agent representing the Texas Wheat Producers Association will be in Castro County calling on you during March. To take advantage of special rates during the TWPA enrollment period, speak to an agent and ask to view our video presentation.

Your opportunity will only last until April 2, 1991.

For more information, call toll-free 1-800-635-1519.

\*subject to surrender charge  
Insured by The Universe Life Insurance Co.

## Dimmitt receives franchise check from MultiVision

The City of Dimmitt has received \$1,823.36 from MultiVision Cable Television as part of its franchise commitment with the city.

"Through MultiVision Cable Television, more than 1,330 customers in Dimmitt receive cable television service.

"MultiVision Cable TV's commitment to the community goes beyond providing the best possible service and programming," said district general manager Mark Livingston. "We value the customers we have in the City of Dimmitt and as good, corporate citizens of the community, we are pleased to be able to contribute to the community's general funding via the franchise fees collected monthly."

## 1991 CRP sign-up to begin March 4

The 10th Conservation Reserve Program (CRP) sign up will begin March 4 and continues through March 15.

Under the new CRP program, bids on eligible land will be accepted based on environmental benefits obtained per dollar of cost to USDA's Commodity Credit Corporation.

Secretary of Agriculture Clayton Yeutter cautions producers that they shouldn't rely on bid amounts which have been accepted in previous years when making their bids.

Land eligibility requirements will be expanded from past sign ups to include not only highly erodible land, but also other cropland acres that reduce the impairment of water quality or improve wellhead protection. Wellheads are sources of water for municipalities.

Bids also are expected to be accepted for areas which have been determined to be a source of water quality problems. To increase water quality benefits under the CRP,

producers offering areas such as filterstrips, sod waterways, shelterbelts and contour grass strips will receive additional consideration during the bid evaluation process. Bids for enrolling wetlands will not be accepted during this sign up.

CRP bids will be accepted only for contracts beginning in 1991 and bid acceptance determinations will be made after a nationwide review and evaluation.

Selection will be based on the environmental benefits received from placing the land in CRP when compared to dollars of cost.

USDA needs 30 days to evaluate and accept a bid, but acceptance is not binding on either the producer or USDA until the contract is signed.

50% cost-share assistance will continue to be available to establish needed permanent vegetative cover on accepted acreage.

Further details will be made available in the near future.

## ASCS News

By SCOTTY M. ABBOTT  
County Executive Director

### Long-term Agreement Sign-Up

The Castro County ASCS Committee will be taking applications to sign up for cost-share assistance under the long-term conservation program through March 1.

The long-term agreement cannot exceed five years. The last year of the agreement normally will be a maintenance practice.

The maximum any person may receive under a long-term agreement for any fiscal year is \$3,500.

If an applicant of an agreement is not the owner of the farm, the applicant must furnish the County Committee with a copy of a written lease for the duration of the contract period.

### ACP Approval

The Castro County ASCS Committee is conducting a continuous sign-up period for ACP.

Anyone who needs assistance for reorganizing irrigation systems, etc., should request it by Feb. 28.

The County Committee will review cost-share applications and approve those that are eligible on March 6.

### 1991 Price

#### Support Provisions

Marketing loan programs are in effect for upland cotton, oilseeds and honey.

Under these programs, loan deficiency payments (the difference between the loan rate and the level at which the loan may be repaid) will be available to producers who agree to forgo loan eligibility in return for such payments.

Oilseeds for which price support will be available are sunflower seeds, safflower, canola, mustard seed and flaxseed.

### More 1991 Farm Program Provisions

Producers who certify that no acreage on the farm was planted to

the program crop and that any fruit or vegetables planted on the farm was not in excess of normal plantings, will have the entire program crop acreage base considered as planted for base retention purposes.

This option will be available for non-participating program crops. This is known as zero certification.

Limited cross compliance does not apply; however, non-participating crops, including oats, cannot increase their base if there is a participating crop on the farm.

Non-participating crop plantings for a crop may exceed the base, but history for the non-participating crop will be limited to the base.

### 1991 Payment Limitation Provisions

The total amount of deficiency payments that a person may receive under one or more programs for wheat, feed grains and upland cotton may not exceed \$50,000 under the new program.

The total amount of payments that a person may receive under one or more programs for wheat, feed grains, upland cotton and oilseeds with regard to the following, will be limited to \$75,000.

— Gains realized by a producer from repaying a loan for a commodity at less than the original loan level (the marketing loan gain).

— Findley emergency compensation payments for wheat and feed grains (Not limited payments).

— Loan deficiency payments. The total overall payment limitation of \$250,000 per person includes payments subject to the \$50,000 limit, payments subject to \$75,000 limit, disaster payments, recourse adjustment payments and inventory reduction payments.

Other payment limitation provisions will be announced later.

### Integrated Farm Management Program Option

In conjunction with the annual Acreage Reduction Program (ARP), producers have the option to enter into a three- to five-year Integrated Farm management Program Option Contract.

Under the Integrated Farm Management Program Option, producers must devote to a resource conserving crop, on the average through the live of the contract, not less than 20% of crop bases enrolled under the program.

Resource conserving crops are legumes, legumes - grass mixtures, legumes-small grain mixtures and alternate crops. Deficiency payments are applicable to payment acreage planted to resource conserving crops, except payments are not earned on traditionally underplanted acreages.

Producers must comply with terms and conditions of any annual

ARP in effect for bases contracted under this program. Producers and the Soil Conservation Service jointly will develop a resource conserving crop rotation plan and you must actively apply the terms and conditions of the plan.

Haying and grazing of recourse conserving crops planted on ACR, or set-aside acreages, and payment acreage may be hayed or grazed, except during the five-month non-grazing period.

Harvesting provisions, if any, will be announced later.

## Local growers place in corn yield contest

Roland Stevens and H.J. Clark, both of Dimmitt, placed second and third, respectively, at the Texas irrigated division of the National Corn Growers Association yield contest.

Each grower planted NC+ 6414 and harvested yields of 274.6 (Stevens) and 270.7 (Clark) bushels per acre.

J&J Farms, Inc., of Dimmitt, finished sixth in the contest with a yield of 265.1 bushels per acre from NC+ 6414.

# Independence Day toast is planned

March 2 is Texas Independence Day, and in celebration of being a part of this great state and as a part of Castro County's year-long Centennial celebration, a "Toast to Texas" ceremony and tea is planned from 2 to 3 p.m. that day in the Dimmitt Chamber of Com-

merce meeting room, with the public encouraged to attend.

The "Toast to Texas" theme has been observed in the past in as many as 42 states and several foreign countries. Texans are encouraged to take a moment at 2 p.m. and make a toast with whatever is at hand in honor of Texas'

independence from Mexico.

The local celebration will be hosted by the Texas Sesquicentennial Committee of Castro County, with Texas water provided for the toast, along with refreshments of cookies, coffee and tea. A representative of the Castro County Centennial Committee will offer the official Toast, followed by an opportunity for any others to propose additional toasts.

Also, a check presentation will be made. Linda Maxwell, chairman of the Sesquicentennial Committee,

will present more than \$300 in funds remaining from the 1986 celebration for use toward the construction of the Centennial Plaza and gazebo on the courthouse square.

"A consensus of Sesquicentennial Committee members stated that they wished the leftover funds to be held for use by the upcoming Centennial committee, and in particular for construction of a gazebo — one of the Sesquicentennial projects that did not come to fruition," Maxwell said.

# Filing deadline set March 20

Candidates for election in the May 4 city and school elections throughout the county may file for office through March 20.

Officials whose terms are expiring are listed below by community and governing body.

### Dimmitt

On the city council, all at-large offices are up for re-election. Terms are expiring for Mayor Wayne Collins and council members Robert Jones, Richard Stahl and Don Sheffy. Single-member district representatives were elected in a special election Nov. 6.

For the school board, all seven members were selected in a special election Jan. 31, and none will be up for re-election until 1992.

### Hart

In the city government, terms are expiring for Mayor Joe Bailey and City Commissioner William Bell.

For the school board, those up for re-election are Ricky Mitchell, Larry Lee and Freddy Upshaw.

### Nazareth

City Commissioner Cecil Hoeltig is the only one whose term expires for the city.

On the school board, the terms of Mary Lynn Olvera and Sidney Birkenfeld are expiring.

No candidates had filed as of Tuesday in any of the elections.

Absentee voting by personal ap-

pearance will begin April 15, extending through April 30.

Voters who are not registered or who may need to file a change of residence may do so up to 30 days before the election. Voters may register at the County Tax Assessor/Collector's office in the courthouse.

# Speech team wins second

The Dimmitt High School Speech Team won second place sweepstakes honors at the Texas Tech Speech Tournament held this weekend in Lubbock.

In Lincoln-Douglas debate, Robert Moss placed first and Shawn Ballew ranked third. In the cross-examination debate, the team of Robert Langford and Michael Ballew placed second. Langford also ranked third in debate speaking.

In persuasive extemporaneous, Michael Ballew placed third. Andrew Baker placed fourth and Sheila Langford placed fifth in informative extemporaneous.

In poetry reading, Genice Bossett placed sixth and Lamonical Thomas won fifth.

Others participating in the tournament were Arturo Ortega, Rosie Sabedra and Patricia Juardo.

To Anthonys  
Treasured  
Customers

It's  
Business  
As Usual.

It's  
Business  
As Usual.

*"You'll see the same friendly, personal service Anthonys has long been known for. Our promise is, it's business as usual.*

*Our hope is that you'll always be an Anthonys customer. Today ... and for years to come."*

John J. Wiesner  
Chairman, Chief Executive Officer

The news that Anthonys has filed for reorganization under Chapter 11 of the U.S. Bankruptcy Code should not be met with concern or alarm.

This action is as much a reflection of the nation's sensitive banking climate as it is of a tough retailing environment and Anthonys itself. It in no way dims the bright future that we see ahead for our company.

The fact is, a group of our banking partners have, for reasons of their own, chosen to no longer accommodate our needs for the short-term credit every retailer needs to run its business. Prior to this notification, we'd never missed an interest payment to a lender, made all payrolls, paid all of our suppliers and remained current on all our leases and taxes.

New lenders are now ready, willing and able to extend us the financing we need to go forward with our operations. Recognizing its responsibilities, the leadership of the company has acted in the best interests of our customers and 5,300 employees.

## Continued Progress.

Since being purchased in 1987 by private investors, Anthonys has expanded, relocated or remodeled over one-third of the stores' square footage. And we've assembled an experienced, enthusiastic management team that's ready to lead us forward.

Reorganization means we'll continue to look for ways to operate more efficiently and perform more effectively in a manner that makes Anthonys stronger and stronger.

## Spring Shipments Arriving Daily.

As an Anthonys customer, you can expect us to be in stock on your favorite basics and exciting new Spring and Summer fashions, expanded advertising and promotional programs with some added new sales events.

Our Spring '91 merchandise has just started arriving and may well be our most exciting ever — with more quality, more brand names and more fashion for every member of the family.

## Great Values on Sale Merchandise.

Don't miss Anthonys Annual 50% Off Yellow Ticket Sale on Fall & Winter merchandise ... now in progress!

# Obituaries

**Helen Richardson**

Services for Helen Estes Richardson, 79, lifetime Castro County resident, were held Tuesday afternoon in the First United Methodist Church in Dimmitt with Rev. Vernon O'Kelley, pastor, officiating.

He was assisted by Rev. Jene Greer, a retired minister.

Burial followed in Castro Memorial Gardens under the direction of Foskey Funeral Home of Dimmitt.

Mrs. Richardson died Sunday afternoon at Plains Memorial Hospital in Dimmitt following a lengthy illness.

She was born on July 3, 1911, in Castro County and graduated from Dimmitt High School. She attended West Texas State Teachers' College, then returned to Bethel and taught school there for six years.

She married Melton "Red" Richardson June 22, 1942. She taught in the Galveston school while her husband, who served in World War II, was stationed at Fort Crockett, Galveston.

She started teaching at the Big Square School and taught for eight years before moving to Dimmitt to teach in 1938.

While teaching, she acquired a bachelor's and master's degree from West Texas State University in Canyon.

She taught elementary school for 44 years before retiring and retired after 16 years service as principal of South Elementary School in Dimmitt in 1975. Following her retirement, the school was named after her, and is still called the Helen Richardson Elementary

School today.

She was a member of the First United Methodist Church.

Survivors include a brother, Bob Estes of Hugo, Okla.

Pallbearers were Elmer Berryhill, Hal Ratcliff, Robert Ryan, David Schaeffer, Lint Merritt and Robert McLean.

The family requests memorials be to a favorite charity.

### Roscoe Ivie

Roscoe Ivie, 85, of Dimmitt, died Sunday night in St. Anthony's Hospital in Amarillo following an illness.

Services were held Tuesday in the Sixth Street Church of Christ in Hereford with D.L. Harguess and Benny Baker of Dimmitt, officiating.

Burial followed in Friona Cemetery under the direction of Ellis-Blackwell Funeral Home.

Mr. Ivie was born in Decatur and had lived in Friona for 63 years before moving to Dimmitt in 1989. His first wife, Geneva, died in 1982. He married Beulah Holland on Dec. 8, 1984, in Panhandle. He was a retired farmer.

Survivors include a son, Calvin of Roanoke; a brother, Jay of Yucaipa, Calif.; three sisters, Eula Henderson of Yucaipa, Opal Silvertooth of Hereford and Faye Junell of Amarillo; and four grandchildren.

### Virginia Simpson

Services for Virginia Naomi Simpson, 92, of Hereford, mother of Dimmitt residents, were held Tuesday morning at the First Presbyterian Church in Hereford with Rev. Dr. Jim Cory, pastor, officiating.

Burial followed in West Park Cemetery under the direction of Gilliland-Watson Funeral Home.

Mrs. Simpson died Sunday. She was born in Wellington and moved to Deaf Smith County in 1918. She married M.L. Simpson in 1919 at Hereford. He died in 1973. She also was preceded in death by two sons, M.L. Simpson Jr., and Bill Simpson, and a daughter, Virginia Hartman.

Survivors include a son, Bob Simpson of Dimmitt; two daughters, Margaret Adams of Albuquerque, N.M. and Louise Nelson of Dimmitt; 20 grandchildren; and 17 great-grandchildren.
