

Permian Basin OIL & GAS LOG

James C. Watson
Oil Editor

RNGC Spots Flanker To Upton Discovery

Republic Natural Gas Company has staked location for a northeast flanker to its recent flowing discovery from the Fusselman-Silurian in East-Central Upton County.

The new venture will be Republic Natural No. 1-B, and 600 feet from north and west lines of the northeast quarter of section 40, block Y, TCRB survey. That puts it approximately one-quarter of a mile northeast of the same company's No. 1-B-A Barnett, the discovery.

That project is now shut in for storage and further testing. On the last gauge reported it flowed an average of 20 barrels of oil per hour, through a one-half inch tubing choke, from pay between 11,242-319 feet, which had been treated with 3,000 gallons of acid.

Drilling at No. 1-B Barnett is to start at once.

Midland Ellenburger Shows Salt Water

Gulf Oil Corporation No. 1-B W.D. son Bryant, Central Midland County deep well, 14 miles south of the city of Midland, and 600 feet from north and west lines of section 36, block 38, TP survey, T-2-S, took a one hour drill stem test in the Ellenburger at 13,223-319 feet.

A 1,000-foot water blanket was used. Recovery was the water blanket, plus 180 feet of drilling mud, and 270 feet of salt water.

No shows of oil or gas were reported. The prospector had reached 13,238 feet in test and was continuing at last report.

The salt water developed on this drill stem test is the first fluid this project has found since it entered the Ellenburger. No signs of oil or gas have been encountered in that formation.

The wildest had some free oil in the Silurian, up the hole, and there is a possibility that the owner will try to develop those shows for a commercial oil well. After the full thickness of the Ellenburger has been drilled, or after the big water in that formation has been found.

No Shows On Test At Texaco 1 Scharbauer

The Texas Company No. 1 Scharbauer, West Midland County deep well, one mile south of Midland Air Terminal, and 600 feet from north and west lines of section 20, block 49, TP survey, T-2-S, was making hole below 12,112 feet in Devonian lime and chert.

It ran a 40-minute drill stem test at 11,870-12,060 feet. Recovery was 28 feet of drilling mud, with no shows of oil, gas or water.

Some observers called the top of the Devonian at 11,746 feet. That has not been officially verified.

Ellenburger Test In Upton Boring Ahead

Magnolia Petroleum Company No. 1-A TXL, North-Central Upton County Ellenburger venture, 30 miles south of Midland, and 600 feet from north and west lines of section 31, block 40, TP survey, T-4-S, had reached 11,206 feet in Devonian lime and chert, and was drilling ahead.

General American To Complete Extension

General American Oil Company is preparing to complete its No. 1 Carmickle, as an extension to the Arick field in Southeast Hale County, about three miles north of the town of Petersburg.

This exploration, located 900 feet from north and 330 feet from west lines of section 18, block K, TTRB survey, is bottomed at 5,931 feet in Pennsylvanian lime.

A string of 5 1/2-inch casing had been cemented at the total depth, and the plug was drilled out to 5,901 feet.

Ferrous Casing

The casing was perforated at 5,815-25 feet, at 5,832-45 feet, and at 5,851-59 feet. Those intervals were treated with 3,000 gallons of acid. After the load and residue was swabbed out the well swabbed at the rate of nine barrels of oil per hour.

The section at 5,804-16 feet was then perforated. That zone, and the lower sections were treated with 5,000 gallons of acid.

After the hole had been cleaned of the acid load it swabbed at the rate of 12 barrels of oil per hour. No formation water has been developed.

Gas volume is small and operator is preparing to install a pump and complete the new well.

Arick Field Gets New Exploration

General American No. 2 Carmickle is a new exploration for the Arick field of Southeast Hale County. The location will be 600 feet from south and west lines of the north half of section 18, block K, TTRB survey.

Drilling to 8,000 feet, with rotary tools, will be started at once. The project is 1,230 feet east of the same (Continued on page 3)

Neutrals Seek Berlin Compromise

Tribe Wins Again

MUNICIPAL STADIUM, CLEVELAND—(AP)—Left-handed Gene Bearden shut out the Boston Braves 2-0 with five hits Friday to give the Cleveland Indians a 2-1 advantage in the forty-fifth World Series.

The Indians scored a run in the third and a clincher in the fourth in winning their first home start of the series. Vern Bickford gave up four hits and both Tribe runs to receive credit for the loss.

The score:

	R.	H.	E.
Boston	0	0	0
Cleveland	0	1	0

Bickford, Volsell, Barrett and Mas; Bearden and Hegan.

Midland Ellenburger Shows Salt Water

Gulf Oil Corporation No. 1-B W.D. son Bryant, Central Midland County deep well, 14 miles south of the city of Midland, and 600 feet from north and west lines of section 36, block 38, TP survey, T-2-S, took a one hour drill stem test in the Ellenburger at 13,223-319 feet.

A 1,000-foot water blanket was used. Recovery was the water blanket, plus 180 feet of drilling mud, and 270 feet of salt water.

No shows of oil or gas were reported. The prospector had reached 13,238 feet in test and was continuing at last report.

The salt water developed on this drill stem test is the first fluid this project has found since it entered the Ellenburger. No signs of oil or gas have been encountered in that formation.

The wildest had some free oil in the Silurian, up the hole, and there is a possibility that the owner will try to develop those shows for a commercial oil well. After the full thickness of the Ellenburger has been drilled, or after the big water in that formation has been found.

Lewis Indirectly Endorses Dewey In Presidential Race

CINCINNATI—(AP)—John L. Lewis indirectly endorsed Republican Presidential Candidate Thomas E. Dewey Friday and called for a "holiday" so the miners could vote on November 2.

In a long resolution on political action, reviewing Lewis' criticism of President Truman, a special committee declared that:

"As to the other major party candidate for President of the United States, we can only say that, to our knowledge, he has never uttered any statements that reflect upon the integrity or the objectives of the United Mine Workers of America, or its officers or its members.

"It is our opinion that the UMW is not departing from its political policy or its constitutional provisions by placing this factual information before you (the convention) for consideration.

"We are satisfied that the members of the United Mine Workers, their wives and dependents can be relied upon to protect their country, their homes and their union.

"We conclude this report by recommending the defeat of our enemies and the election of our true friend."

The resolution was adopted by a vote, but it was not accepted unanimously.

Worse News For School Teachers

WASHINGTON—(AP)—The arsenal of the nation's small fry has a new not-to-secret weapon. No longer will opponents of the schoolroom art of pes-shooting have to use outmoded single-shot equipment.

The U. S. Patent Office Friday issued a patent on a rapid-fire, magazine-loading pes-shooter invented by Edwin W. Helberg of Chicago and Vernon C. Helberg of Evergreen Park, Ill.

U. S. Clamps Down On Electrical Union

WASHINGTON—(AP)—The government Friday challenged leaders of the CIO United Electrical Workers Union to disprove charges of Communist ties.

The alternative: the union's quick and complete ouster from A-bomb plants.

In disclosing this stand the Atomic Energy Commission also underlined a policy of requiring labor union leaders representing atomic workers not only to submit non-Communist oaths but to obtain the same FBI loyalty clearance demanded of the workers themselves.

★ LATE NEWS FLASHES ★

HOUSTON—(AP)—Meat prices in Houston stores fall from five to 15 cents a pound Friday.

JERUSALEM—(AP)—An official Israeli source said the Jewish suburbs of Ramat Rahel, Arnona and Mevor Haim on Jerusalem's southern outskirts were attacked heavily early Friday.

BATAVIA, JAVA—(AP)—Indonesian troops battled Communist forces Friday for control of Tjopoe, Java's only oil center. Part of Tjopoe was reported afire.

NANKING—(AP)—A transport plane flying between Mukden and Peiping was shot down over the Manchurian city of Ishien by Communist anti-aircraft fire, killing all occupants, the Catholic newspaper Yishippao said Friday.

Last Restraints In Propaganda War On Kremlin Cast Aside

WASHINGTON—(AP)—The United States appeared Friday to be casting aside the last restraints in its propaganda war with Russia.

From two top officials came evidence the day of soft talk toward the Soviet Union has given way entirely to a new period of blunt statements, unvarnished by the familiar phrases of diplomacy.

In Washington, Undersecretary of State Robert A. Lovett revealed that he has received orders from Paris to "de-bunk" the latest Russian proposal for dealing with atomic energy. These orders presumably were given by Secretary of State Marshall himself.

And in Durham, N. H., Assistant Secretary of State Charles E. Saltsman declared in a speech the Soviet rulers since the end of the war have made this plain:

"That their real aim is world domination through the instrumentality of communism and that they will stoop to any stratagem of coercion, subterfuge, duplicity or double dealing that serves their purpose."

Harsh Words Ever

Speaking before the University of New Hampshire, Saltsman thus used some of the harshest words ever applied to the Soviet Union in recent years by a top State Department official.

The assistant secretary in charge of occupied areas said the United States hopes to win the conflict with Russia in this side of the Atlantic by patience, calmness, and spiritual fortitude.

But, he added, it may not be possible to avoid war, although the government is proceeding on the assumption that it is possible.

"The people of this utter disregard of all moral considerations" an Israeli spokesman in Paris said.

"Egypt's armies have been engaged in open aggression against Israel since May 15, in brazen contempt of the UN Charter."

Ahmed Khazaka Pasha, Egyptian foreign minister, told reporters that he would speak in the General Assembly of the United Nations on the whole Arab and Moslem world, including Turkey.

"Tell everybody that it's an Arab victory," said Riad El Solh of Lebanon. "It proves our solidarity in the United Nations."

UN Assembly Names Three New Members To Security Council

PARIS—(AP)—Cuba, Egypt and Norway were elected Friday to two-year terms on the United Nations Security Council. The terms begin next January 2.

Cuba replaces Colombia, Norway will take the seat now held by Belgium and Egypt takes over from Syria under the Council's geographical representation system.

Norway and Cuba were elected on the first ballot, while four ballots were necessary to decide between Turkey and Egypt. The final vote was 50 votes, Peru 49, Belgium 45 and Chile 41. All 58 nations voted.

Belgium and India replaced the Netherlands and Canada. The other four were reelected.

Jewish Reaction Bitter

"The Jewish reaction to the choice of Egypt was bitter.

"The people of Israel will not understand this utter disregard of all moral considerations" an Israeli spokesman in Paris said.

"Egypt's armies have been engaged in open aggression against Israel since May 15, in brazen contempt of the UN Charter."

Ahmed Khazaka Pasha, Egyptian foreign minister, told reporters that he would speak in the General Assembly of the United Nations on the whole Arab and Moslem world, including Turkey.

"Tell everybody that it's an Arab victory," said Riad El Solh of Lebanon. "It proves our solidarity in the United Nations."

GE And Affiliates Are Convicted On Monopoly Charges

NEW YORK—(AP)—The General Electric Company was convicted Friday of conspiring between 1927 and 1940 to monopolize trade in hard metal compositions and products in this country and abroad.

Also convicted in federal court were two affiliate companies and three officials.

The defendants were accused in a 1941 indictment of violating the Sherman Anti-Trust and Wilson Tariff acts.

The corporate defendants are subject to possible fines aggregating \$25,000 each, the individuals to similar fines and possible imprisonment of five years each.

Those convicted besides General Electric are the International Electric Company of New York; the Carbonyl Company of Detroit; Walter G. Robbins of Detroit, president of Carbonyl; Zay Jeffries of Cleveland, Ohio, chairman of the board of Carbonyl; and Walter M. Stearns, of Schenectady, N. Y., a former manager of trade relations and special contracts of General Electric.

Judge John C. Knox fixed no date for sentencing after rendering his verdict.

Truman Campaigns In Dewey Territory

ABOARD TRUMAN CAMPAIGN TRAIN—(AP)—President Truman told a rain-drenched crowd in Albany Friday it was to their own interests to retain the Democratic National Administration.

"Why in the world would you want to upset the applicant now and throw out an administration that brought about this prosperity?" Truman asked.

He addressed a crowd estimated by police at approximately 15,000 from the platform of his special train in this upstate New York Democratic stronghold.

Truman's Republican opponent for the presidency, Gov. Thomas E. Dewey, was not in town.

President Truman said the income in New York State had increased three-fold since the Democrats took over the national administration in 1933.

He said there had been better distribution of income "and that's why the Republicans didn't like it."

He said "The Republican Party still stands for its old policy of taking care of the rich and letting the rest of the people shift for themselves."

Truman scheduled a number of other short trainside speeches upstate Friday. He will make a major address at Buffalo Friday night.

Monsanto Settles Texas City Claims

ST. LOUIS—(AP)—The Monsanto Chemical Company has settled its claim for damages to its plant in the Texas City, Texas, fire and explosion in April, 1947, for \$17,312,000. The original claim was for \$11,542,292.

Payment will be made by the Oil Insurance Association of Chicago, a group of industrial insurance companies, and Lloyd's of London. The insurance firms believe it is the largest single claim ever paid.

Football Weather, Fair And Milder

By The Associated Press

Weekend football weather—fair and mild.

Texas was fair and cool again Friday morning except for clouds along the upper and lower coasts, and the weekend weather was expected to be mild. Little or no rain was forecast for the state for the next several days.

The mercury reached 90 degrees at Mission Thursday, 87 at Brownsville and 85 at Houston. But at Guadalupe Pass the maximum was 91.

Early morning lows Friday ranged from 28 at Muleshoe and 32 at Dalhart to 70 at Mission and Brownsville.

To Serve Under Montgomery

These two French military leaders will head arms of Western Europe forces under British Field Marshal Montgomery, Vice Adm. Robert Jaujard, left, vice chief of French Naval Staff, will command the combined Navies. Gen. Jean de Lattre de Tassigny, right, inspector general of French Army, will be the land commander. (NEA Telephoto)

NO INDEED, MA'AM— They're Not Flying Discs: Just Parachuting Spiders

SAN FRANCISCO—(AP)—No, ma'am. Those weren't men in parachutes you saw drifting down toward the thundering surf north of the Golden Gate. They weren't flying discs, either. Take the word of the U. S. Air Force and assorted professors—they were spiders. Parachuting spiders, that is.

They created quite a stir Thursday, at that. Mrs. Wilma E. Huff of Stinson Beach phoned the sheriff, who called Hamilton Field, and Air Force search planes and a helicopter were rushed into action to seek the "parachutes" she reported.

The Coast Guard sent three more planes and a cutter. Civilian and service authorities formed ground parties.

An Air Force searcher came up with the answer. He found the filmy, wind-borne web of what he called "a parachute spider." And maybe all America's reports of flying discs were just spiders, he said.

Another Hearing Shortage

These tiny spiders sail around simply because of the housing shortage, professors of entomology explained. Many kinds of spiders break up their family groups in the Autumn. Sometimes as many as 1,000 go forth from each home to seek housing of their own.

They depart by climbing a weed stalk and spinning a spiderweb scarf. When the scarf is big enough, the wind carries it away, with the little spider hanging on. Sometimes, with weather conditions just right, the airborne spiders raise to altitudes of 2,500 feet, says Prof. Edward O. Essig of the University of California. Sometimes their webbed scarfs are as much as four feet long, and can look remarkably like a full-sized parachute at a distance.

Or maybe like a flying disc... And if one should drift across your field of vision at close range, against a far-away mountain background, the professor said, maybe you'd think they were big, distant objects going like blazes.

Statue Stolen From Fairview Cemetery

Midland city and county officers are searching for one of the most beautiful and costly memorials ever placed in Fairview Cemetery, it was disclosed Friday.

C. W. Weathered, caretaker at the cemetery, recently reported a marble statue of The Immaculate Conception had been stolen from its pedestal in the burial plot of the late Dr. E. Calloway and his wife.

According to several Midlanders who remember when the three-foot statue of the angel standing on the serpent was brought here, Doctor Calloway ordered the statue carved in Italy after Mrs. Calloway died in the early 1900's. Done by a master artist, the marble figure was exquisitely carved in minutest detail, Weathered said.

Several shrubs have been taken from the cemetery, and someone drove through the new iron fence along the South side of the cemetery soon after it was erected a few months ago, Weathered said, but he described the theft of the marble statue as the most serious act of vandalism the cemetery has suffered.

Hot Chicken—Service Delux

EATONTON, GA.—(AP)—Folks on Futman County Postman Carl Person's rural route get mail service delux.

A hot chicken pie, mailed by Mrs. Viola Jones to a sick neighbor, Mrs. Florie Scott, several miles down the road, was steaming and ready for the table when placed in her mailbox.

RANGOON, BURMA—(AP)—Fresh insurgent outbreaks on the West Coast of Burma were reported in a military communique Friday.

World Series Action

First baseman Bud Torgerson of the Boston Braves reaches for third baseman Bob Elliott's throw as Manager Lou Boudreau of the Cleveland Indians makes an unsuccessful attempt to beat out a grounder in the first inning of the second game of the current World Series. (NEA Telephoto)

UN Leaders Ready To Ask 'Big Four' For Truce Period

PARIS—(AP)—The "neutral" states of the Security Council toiled Friday to avert a clash of the giants of the United Nations over Berlin.

Argentina's Juan A. Bramuglia saw Andrei Y. Vishinsky of Russia for an hour, and the Argentine's associates said he was "very happy" over the talk. He is acting for the smaller nations in an attempt to bring about a settlement in the East-West struggle for the German city.

Herbert V. Ewart of Australia, the Assembly president, and Secretary General Trygve Lie were reported ready to appeal to the United States, Russia, Britain and France to agree to a three-month truce. This would involve lifting the Soviet blockade of Berlin while the four foreign ministers met.

American and British sources said acceptance of such a course was unlikely because it might imply Russia had a right to reimpose the blockade.

Bramuglia was given the go-ahead by the other states of the Council—China, Colombia, Syria, Belgium and Canada—to approach the big powers in the spirit of mediation. Bramuglia was said to believe Russia and the Western Powers genuinely would like a settlement if neither side loses too much face.

Adopt Narcotics Control

The next meeting of the Security Council on the issue is not expected before Monday.

The great powers achieved unanimity in one phase of the UN deliberations Friday. The General Assembly, without a dissenting voice, adopted a protocol on narcotics controls.

Mrs. Eleanor Roosevelt, U.S. member of the social committee which drew up the document, appealed for unanimous action by the Assembly. She described the arrangement as designed "to modernize existing provisions" established in 1925 "and 1953, so that new scientific drugs not controlled by existing statutes" came upon us suddenly with their power for good or evil.

Cotton Estimate Reduced

WASHINGTON—(AP)—Poor weather in some areas cut 1948 cotton prospects slightly during the last month, but the crop still promises to top all other in value.

The Agriculture Department Friday put the crop at 15,070,000 bales. This is 140,000 bales, or about one per cent, less than 15,210,000 forecast a month ago, but far above last year's 11,887,000 bales. Production for the ten-year (1937-46) period averaged 12,014,000 bales.

The department said dry weather in Texas, Missouri and some parts of the Southeast cut yields. At current prices the crop is worth about \$2,736,000,000, including \$2,322,000,000 for the lint and \$414,000,000 for the cotton seed. The previous record was \$2,348,000,000 in 1918. Last year's crop was valued at \$2,119,202,000.

No estimate for harvest was indicated at 28,320,000 acres.

The condition of the crop as of October 1 was put at 82 per cent of normal compared with 72 a year ago and 71 for the ten-year average.

No Cottonseed Estimate

The yield of lint cotton per acre was indicated at 31.3 pounds, compared with 26.75 pounds last year and 25.4 for the ten-year average.

No estimate for cottonseed production was given.

The production of American-Egyptian type cotton was forecast at 3,000 bales.

Meanwhile, the Census Bureau reported that 3,309,929 running bales of cotton were ginned prior to October 1. This compared with 3,202,401 ginned to the same date last year and 2,334,443 to the same time two years ago.

The ginning this year and last, respectively, included:

New Mexico	46,261	23,467
Oklahoma	80,586	53,384
Texas	1,560,771	1,262,708

Engineers Propose New Location For Colorado River Dam

In commenting on the meeting of the Colorado River Municipal Water Association to be held October 14 at Big Spring, M. C. Umer of Midland said a definite outline for a reservoir on the Colorado River to serve at least four West Texas cities will be submitted by engineers this week.

Umer, president of the association, said the proposed reservoir would be located on the Colorado River several miles above Colorado City.

The engineers now have definite data on which Midland, Odessa, Colorado City and Big Spring can determine their future course. Umer said, "I am keeping an open mind until we hear the reports."

New Site Favored

The two-year-old association enlisted the assistance of the U. S. Geologic Survey and Texas State Board of Water Engineers, as well as a consulting firm in Fort Worth, to investigate possible reservoir sites on the upper Colorado.

One site three miles northwest of Colorado City was found to be unfeasible because of a salt water intrusion, but the latest report is understood to include studies of a new site upstream which would impound a lake lying in Scurry and Borden Counties.

The association has discussed the feasibility of a 128-mile pipeline to carry water to far westward as Odessa and the T&P Railway offered the right of way for the pipeline.

Search Continues For Missing Cadet

SAN ANTONIO—(AP)—A crashed airplane was discovered Thursday near New Braunfels by planes engaged in the search for another missing plane.

Military authorities identified the plane as a BO-1A trainer, long obsolete. It evidently had crashed and burned. An investigation of the crash is underway.

Meanwhile the hunt for Aviation Cadet Frederick Oplian, 22, Rockdale Park, N. J., pilot of the missing T-4 which took off from Randolph Air Base Wednesday morning continued Friday.

Motorship With 12 Aboard Feared Lost

SAN DIEGO, CALIF.—(AP)—The motorship Malibu Inez with 12 persons aboard is feared lost in the wake of a tropical storm off the tip of Cape San Lucas, 800 miles south of here.

After the vessel sent out an SOS Thursday night, the commercial vessel Empire State covered the distressed area and reported it was unable to sight any sign of the Malibu Inez, the Coast Guard said.

The Navy destroyer Henry W. Tucker, which had been proceeding under forced draft toward the area, was ordered to return to port, the Coast Guard said.

The Malibu Inez, a chartered ship, carried 12 men and women. It left Long Beach, Calif., last August to visit Cocon Island in a search for pirate loot.

Library Has New Books With Varied Subject Matter

A wide variety in subject matter is evident in recent additions to the Midland County Library listed by Mrs. Lucille Carroll, librarian. She reviews briefly half a dozen of the newer books.

"Sunset Barbecue Book" is a small volume that gives information about the outdoor meal which Southwesterners agree is the easiest way to serve many people. It gives plans for building many types of outdoor fireplaces. Half the book is devoted to barbecue cookery with instructions for the party from the time the fire is started correctly to menu, recipe, and how to entertain the guests while the food cooks.

"The Radio Amateur Handbook for 1948" is the annual published by the American Radio Relay League and is the standard manual for amateur radio communication.

Other Books

"The Old Beauty and Others," by Willis Cather, contains the last three stories written by the late famous beloved American author.

"Contract Bridge for Everyone," by Ely Culbertson, is a brief instruction book on both fundamental and advanced points, with a digest of the new official laws.

"John Galt's Mill," by George Woodbury, is the story of an adventure in turning an obsolete rural industry into a design for happy living.

"A Guide to Confident Living," by Norman Peale, is an example of the new use between psychology and religion. The author, a famous minister, gives the reader pointers on how to develop confidence in himself and in the world.

Elasticity of human bones is about one-tenth that of steel, or about equal to the elasticity of wood.

Yucca Garden Club Starts Program Of Practice Judging

Practice in judging flower arrangements will be given members of the Yucca Garden Club as a part of regular programs, and arrangements made by members will be judged at each meeting. It was decided when the club met Thursday morning with Mrs. Henry F. Oliver on the Andrews Road.

Mrs. M. S. Dickerson, Mrs. Joe Koegler and Mrs. Ralph Lowe were named on the judging committee. The judges decided that a rating of "excellent" should go to the arrangement shown at this meeting by Mrs. Robert White. She had placed ivy in a copper kettle, bringing some of the leaves and bronzing candles to match to make a striking piece.

Projects Discussed

Projects on which all garden clubs of the city are working were discussed in the business meeting. They include the annual flower show scheduled October 28 in the American Legion Hall. It was stressed that this show is open to exhibitors other than garden club members, and the sponsoring clubs invite entries of flower specimens or arrangements from all Midland gardeners.

Mrs. A. E. Cole Jr. was a guest. Members present were Mrs. W. W. Walsley, an associate member, and Mrs. Zeb Wilkins. Mrs. James E. Sprinkle, Mrs. Rex Russell, Mrs. Nelson Puetz, Mrs. R. E. Patton, Mrs. C. E. Nelson, Mrs. Ernest Nell, Mrs. B. R. Mathews, Mrs. Koegler, Mrs. Dewitt C. Haskins, Mrs. E. W. Halfast, Mrs. White, Mrs. R. E. Gillespie, Mrs. Clint Dunagan, Mrs. Dickerson, Mrs. W. H. Black and Mrs. L. Otis Baggett.

CRANE METHODISTS TO HEAR C. C. GOBER

CRANE—The pulpit guest at the Methodist Church for both morning and evening services Sunday will be the Rev. C. C. Gober of Monahan. He is licensed to preach last month at the District Conference in Pecos. The pastor, the Rev. J. N. Whetstone, is in a revival at Pecos.

★ THE DOCTOR SAYS ★

Parents Of Retarded Children Must Face Fact Realistically

By EDWIN P. JORDAN, M. D.
Written for NEA Service

Parents often feel a keen sense of responsibility for the child who is retarded or handicapped mentally. Of course, such a situation is tragic, but it must be faced and to face it properly one needs to understand the problem.

The mental development of children at different ages can be measured by fairly reliable tests. The common term for the results of these tests is the "I. Q.," which stands for Intelligence Quotient.

THE DOCTOR ANSWERS

By EDWIN P. JORDAN, M. D.

QUESTION: I am 32 and have trouble with my balance so that I am afraid to venture out.

ANSWER: This is unfortunately common late in life. It is probably caused by changes in the inner portion of the ear. There is not much that can be done for it.

Intelligence quotient. This is a measure of the child's ability to learn rather than what the child actually knows.

The "I. Q." is figured by dividing the mental age as calculated by one of the intelligence tests in common use by the actual age of the child in years, and multiplying the result by 100. Thus if a six-year-old child has a mental age of three, the intelligent quotient would be expressed as 50.

Tests Have Some Value

Although parents are often inclined to pay too much attention to the "I. Q." of their children, these tests do have some real value. If the "I. Q." is way below normal, the child must be considered a true idiot and cannot be educated in school subjects; such children require care in an institution. The next lowest group are imbeciles who can learn to perform simple household duties but do not go far in school subjects. Above these two groups are the less seriously retarded children who can often be taught to learn to support themselves in simple occupations, but are not likely to go beyond the elementary grades of school.

It is not possible to drill or train a youngster with a low "I. Q." into a definitely higher group. This may be a hard thing for parents to realize, but it should be faced. There is, however, some experimental work going on with a substance called glutamic acid and its effect on the intelligence. This substance appears to raise the intelligence as measured by the "I. Q." slightly. However, it must be emphasized that the results are not extraordinary and as yet inconclusive.

Parents of mentally retarded children can save themselves and their children much grief by consulting school supervisors and qualified physicians concerning the future which may be expected for their children and what they might do about it.

Mrs. Smith Speaks To Tejas Club On 'Flowers To Wear'

Working as she spoke on "Flower Arrangements to Wear," Mrs. Ruth C. Smith showed members of the Tejas Garden Club at their meeting Thursday morning how to make attractive corsages from various types of flowers and to suit various costumes.

The meeting was in the home of Mrs. John L. Smith, 210 Ridgely Drive, with Mrs. James C. Velvin as co-hostess. Mrs. Velvin made the decorative arrangement on display, a bouquet of mixed flowers.

Mrs. Samy Preston read the schedule for the fifth annual flower show which garden clubs of Midland will sponsor on October 28. Plans also were discussed for serving refreshments at the Midland Gun Club meet beginning October 21, when all the city's garden clubs will join in the project to raise funds for civic beautification.

Members present were Mrs. Frank True, Mrs. M. M. Conn, Mrs. W. D. Lane, Mrs. O. W. Lynch, Mrs. E. N. Spiars, Mrs. Elliott H. Powers, Mrs. Preston, Mrs. Roy A. Minear, Mrs. Vann Ligon, Mrs. C. W. Herndon, Mrs. R. M. Hayes, Mrs. F. A. Crockett and Mrs. Floyd O. Boles.

QVV Club Plans For Dance After Game

A dance for the high school crowd after the Memorial Stadium dedication and football game October 29 was planned by the QVV Club at its meeting Thursday. Bet Studdert was hostess in her home, 1900 West Tennessee Street.

Joy Guyton, president, was in charge of the business meeting. The dance will be held in the City-County Auditorium.

Refreshments were served to Virginia Breedlove, Nell Wayne Cole, Sue Corser, Corinne Cowan, Eddie Juan Darnell, Rita Dunlap, LaVerne Jones, Fern Ferguson, Beverly Harrison, June Haslip, Beverly Kessing, Miss Guyton, Betty Jean Luckett, Peggy Minear, Maggie Lee Murphey, Janice Slough, Daphne Tabor and Margie Carter.

South Elementary P-TA Board Frames Plans For Carnival

Mrs. Leland Ball, president of the South Elementary Parent-Teacher Association, called members of the executive board for a meeting in her home Thursday to plan their part in the annual Halloween carnival which the PTA will sponsor on October 30.

While they discussed carnival arrangements, she served coffee and cookies to Mrs. E. D. Shaw, Mrs. Dana Goucher, Mrs. Coren Stephenson and Mrs. Ed W. Adams.

A similar planning session for room mothers is being held Friday in the home of Mrs. Leeman Jones. Mrs. Stephenson, carnival chairman, is in charge.

Church Society Has Anniversary Dinner

The annual birthday dinner marking an anniversary in the Woman's Society of Christian Service was held by women of the First Methodist Church in the church dining room Monday night with 75 present.

Mrs. A. D. Williford of Odessa was the program guest, reviewing Marion Hargrove's humorous book, "Something's Got to Give." Mrs. J. L. Tidwell, society president, introduced her.

She also introduced members of the May Tidwell Circle and the evening circle, which were organized since the last birthday dinner, and of the Wesleyan Service Guild, who celebrate the anniversary with the Woman's Society. Tables were decorated with autumn flowers by a committee headed by Mrs. Winston Hull.

2—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, OCT. 8, 1948

Friendly Builders Class Meets With Mrs. J. S. Allen

Informal conversation was the feature of the social meeting of the Friendly Builders Class of the First Methodist Church Thursday night in the home of Mrs. J. S. Allen. Mrs. W. A. Beuchum and Mrs. N. B. Beauchamp were hostesses with Mrs. Allen.

Class business was discussed under the leadership of Mrs. Frank Prothro, president. The opening devotional talk was by Mrs. J. L. Tidwell.

Roses and zinnias decorated the rooms, and Halloween appointments were used for the refreshment course. Present were Mrs. Jess Barber, Mrs. R. R. Gray, Mrs. Fred Barber, Mrs. Bertha Reed, Mrs. Messersmith, Mrs. Jess Miles, Mrs. A. B. Stickney, Mrs. J. P. Carson, Mrs. Valma Smith, Mrs. J. V. Voliva, Mrs. Pat Barber and Mrs. J. H. Smith.

Season For Junior Woman's Wednesday Club Is Initiated

The annual luncheon opening a new season for the Junior Woman's Wednesday Club was given at the Ranch House Wednesday with Mrs. H. L. Straughn, Jr., Mrs. D. G. Roberts and Mrs. Olin Prather as hostesses.

Jack-o'-lanterns and orange marigolds gave the tables a Halloween touch.

New yearbooks were distributed and the program outlined for the year was discussed. The yearbooks were made by Mrs. John McKinley, who was presented with a silver table lighter in appreciation of her work.

Mrs. Charles Edwards, Jr., president, announced the appointment of Mrs. Bill Beckers, Mrs. Thornton Hardie and Mrs. James T. Smith to serve as a ways and means committee.

Other members present were Mrs. W. P. Z. German, Jr., Mrs. Hugh West, Mrs. Louis Thomas, Mrs. J. C. Ratliff, Jr., Mrs. Fred Kotzka, Mrs. Allen Flaherty, Mrs. Irbly Dyer and Mrs. Wright Cowden.

BACK FROM CONFERENCE

Abb Midkiff and Mr. and Mrs. Alfred Petty have returned from San Antonio, where they attended the four-day educational conference of the Equitable Life Assurance Society. Midkiff and Petty qualified for the trip by producing a substantial amount of business during the company's recent educational campaign.

A beef animal on good range will eat its own weight in grass in seven or eight days.

Delegates Named To District Meet From Midland Garden Club

Mrs. Frank Aldrich and Mrs. A. P. Shirey were named delegates from the Midland Garden Club to the district meeting of West Texas Garden Clubs, scheduled October 29 in Amarillo, in a meeting Thursday morning.

Mrs. Bob Hill was hostess in the garden of her home, 1208 West Illinois Street. Most of the business session was devoted to discussion of the Garden Club Flower Show to be held here October 28.

The program was a "Garden Roundup," a symposium on local garden problems featuring a four-person panel to answer questions of the other members. Mrs. Arch Cleveland, Mrs. Hill, Mrs. George Phillips and Mrs. Shirey comprised the panel.

Assisted by Mrs. E. E. Belgie, Mrs. J. A. Mascho and Mrs. I. E. Dahiel, the hostess served refreshments after the program.

SQUARE DANCERS TO MEET

(NEA Telephoto) Florence Iva Begay, 17-year-old Navajo Indian from Flagstaff, Ariz., right, is cordially entertained on her visit to Amarillo. Miss Begay, traveling to New York City to enter college on a scholarship, said she was ordered by two bus passengers to sit in the "Jim Crow" section near Amarillo. She returned home discouraged. The Amarillo Globe-News, reporting the incident, invited Miss Begay and her father as guests to the Tri-State Fair. From left to right: Dorothy Ray Bivens, Tulsa, Texas, queen of the fair; Lona Wilson, Indian student of Wayland College, Plainview, and Miss Begay.

Compromise Plan Ends Controversy Over Water Code

AUSTIN—(AP)—Compromise between factions warring over proposed conservation laws to govern Texas underground water apparently paved the way for a peaceful final session of the Texas Water Conservation Association's fourth annual meeting here Friday.

Compromise was worked out in committee Thursday night between High Plains irrigation farmers and those of the Winter Garden area. The agreement embodied a local option program in the underground water code advocated by the High Plains group.

Approval of a surface water code for recommendation to the legislature was voted with little dissent Thursday.

No State Ownership

The suggested code would authorize creation of water conservation districts within the state, regulate withdrawals of water and licensing of drilling permits and prohibit waste.

Wells which withdraw not more than 30,000 gallons a day for farming, stock grazing and domestic gardening would be exempt from regulation.

The compromise eliminated consideration of a law vesting ownership in the state of all underground water, which the state would allocate on permit. At present, landowners claim title to the water beneath the land.

Oil & Gas Log- (Continued from page 1)

company's No. 1 Byrd, the discovery well for production from the Pennsylvanian time to open the Artek field.

No. 1 Orson Deepens; Logs No Oil Or Gas

Ray M. Pair, et al. No. 1 Frank Orson, slated 5,500-foot wildcat to test the San Andres-Permian, in Southeast Andrews County, six and one-half miles southeast of the town of Andrews, and 698 feet from north and west lines of section 28, block 3, pal survey, had progressed under 5,227 feet in dry lime and gypsum and was making more hole. Up to now this venture has not logged any indications of petroleum.

Pays Oponer Offset Gets Mud On DST

The Atlantic Refining Company No. 1 Proctor, Central-West Gaines County prospector, three-quarters of a mile southeast of the Cities Service Oil Company and Atlantic No. 1 Proctor, discovery of San Andres-Permian production to open the West Seminole field, ran a drillstem test at 5,078-5,135 feet.

The tester was open one hour. There was a weak blow of air for a part of the period. Recovery was 80 feet of drilling mud, with no shows of oil, gas or water.

After the core hole has been reamed out the venture will be drilled deeper. The location is at the center of the northwest quarter of the northwest quarter of section 356, block G, OCS&RGNG survey.

Terminal Baptists To Organize Sunday

Formal organization of the Baptist Church at Terminal, which has been operating the last year as a mission under sponsorship of the First Baptist Church of Midland, is scheduled for 5 p. m. Sunday.

The service will be in Building T-1, where the congregation has been meeting since establishment of the mission. The Rev. Curtis Rogers, who has served as pastor since early Summer, reports that the present membership is approximately 75 and that Sunday School attendance averages 130.

Texas Construction Superintendent Dies

DALLAS—(AP)—Vernon G. Jones, 53, prominent Texas construction man, died here Thursday.

Jones was general superintendent of the Parwell Company. He had been active in West Texas and Houston in the building trade.

He recently had completed a contract job on the New Midland Tower building at Midland, and at the time of his death was engaged on the construction of the new Veterans Hospital at Big Spring.

Police Report Two Collisions

Police reported two collisions in the city Thursday.

Cars of W. B. Johnson and Alvin Young collided at the intersection of East Washington and South Marshall Streets.

Pickup trucks of Hoyt Burris and R. J. Eason collided.

No injuries were reported.

SMOTHERED TO DEATH

SAN ANTONIO—(AP)—Smothered to death while sleeping between its parents was the year-old son of Mr. and Mrs. John Albert Bertlett, police reported early Friday.

Three Convicts Hack Way Out Of State Prison Farm

ANGLETON—(AP)—Three convicts hacked their way out of Ramsey Prison Farm near here Friday.

Capt. O. C. Stewart, farm warden, said the men cut through a "look-out" window in a steel door in a dormitory housing a number of other inmates.

J. C. Roberts, chief of the Prison Records Bureau at Huntsville identified the escapees as Olyver Twist, 21, serving eight years from Dallas County for burglary; James H. Webb, 32, serving 14 years from Hale, Crosby and Kinney counties for three cases of theft; and W. J. Hardin, 30, serving eight years for murder from Tarrant County.

Houston Has \$150,000 Blaze

HOUSTON—(AP)—Houston had its second \$100,000 fire within 10 days Friday with an estimated \$150,000 in damages to a building in the heart of the downtown area.

The fire was confined to the 78-year-old, three-story Brown Building on the southwest corner of Main and Texas Streets, immediately across the street from the Rice Hotel.

An adult grasshopper will eat its own weight in about 16 hours; a Mormon cricket in about 18 hours.

COME IN AND ASK FOR THEM

PERSONALS

Mr. and Mrs. Garman Igo of Lubbock were the guests of Mr. and Mrs. Ben Appleton and family Wednesday.

Jack Worley and A. E. Houck returned Wednesday from a business trip to Dallas.

Mrs. John Casselman left Friday for Dallas to meet Mr. Casselman, who is returning from Boston. They will attend the Texas-Oklahoma game.

Mr. and Mrs. H. G. Brewer left Friday for Lubbock to spend the weekend with relatives there.

Mrs. Ralph Lowe is in Dallas to meet Mr. Lowe, who will arrive Friday from Boston.

Mrs. M. S. Dickerson, Mrs. J. A. Koehler, Mrs. A. P. Shirey, Mrs. C. H. Henderson and Mrs. Clem E. George attended the Flower Judging School conducted in Odessa this week.

Among those going to Dallas to see the Texas-Oklahoma football game are Mr. and Mrs. L. E. Patterson, Jr., Mr. and Mrs. J. M. Armstrong, Mr. and Mrs. O. D. Weaver, Mr. and Mrs. Clem George, Miss Margaret Osborn, Mr. and Mrs. Paul Jordan, Mr. and Mrs. Joe Conkling, Mr. and Mrs. Burns Crotty, Mr. and Mrs. Dowl Hamm, Charles Barr, Nolan Hirsch, Pat Duncan, Dorothy Watson, Sweed Larson and Cecile Mathews.

JAPANESE TROOPS STILL IN INDOCHINA

SINGAPORE—(AP)—Vice Admiral Robert Battet, commander in chief of French Naval Forces in the Far East, said Friday "12,000 to 15,000 Japanese troops" still are in Indochina training and sponsoring the revolt of Vietnam against the French.

Vietnam Republic has been in revolt against French rule since August, 1945.

DELEGATES BACK FROM KIWANIS MEET

J. Harvey Herd and R. R. Russell, Midland Kiwanis Club delegates, returned late Thursday from Fort Worth, where they attended the annual convention of the Texas-Oklahoma District of Kiwanis International. They report a well-attended, inspirational and enthusiastic meeting.

VISIT AT FAIR

On their way to Sweetwater for the Midland-Sweetwater football game Friday night, Mr. and Mrs. F. A. Forrest and daughter, Mary Jan, accompanied by Carol Gough, Maggie Lee Murphy and Margie Carter, stopped in Stanton to see the Martin County Fair exhibits and parade.

To aid in designing stronger machinery, scientists have developed a new plastic that can be molded and cut into exact models of industrial tools or machine parts and then tested under stress.

Chicago Politician Is Hacked To Death

CHICAGO—(AP)—William John Granata, 42, a Republican politician, was hacked to death early Friday on busy Randolph Street a block from the combined City Hall and County Building.

Granata, a member of the Illinois Industrial Commission and a candidate for circuit court clerk, was killed by two blows of a heavy, sharp instrument.

He was found dying in a pool of blood at the door of the Randolph Towers, where he lived in an apartment.

Police said they had found no witness to the slaying. The motive, also, is a mystery, they said.

JayCees See Fire Prevention Film

A fire prevention film, "The Chemistry of Fire," was shown at the luncheon meeting of the Midland Junior Chamber of Commerce Friday in the Scharbauer Hotel.

Delmar Aday and Randy Rubin presented the film. They are members of the JayCee's fire prevention committee.

NEGRO DRIVER SOUGHT

Police Friday sought a negro man wanted in connection with an automobile collision. The negro was driving a car which hit a truck belonging to Midland Concrete Company, officers said.

KILLED IN COLLISION

SAN ANGELO—(AP)—David Warren Robinson, 30, San Angelo mechanic, was killed Thursday night when the car he was driving collided with an Odessa-bound bus at an intersection here.

CLAASSEN'S SELECTIONS—

Wildcats, Michigan, Irish, Mustangs Will Ride Again

By HAROLD CLAASSEN
NEW YORK.—There's nothing like a World Series to keep your mind off the football practice field. These predictions are made almost entirely on the basis of what teams did in last Saturday's games.

Last week's figures: 42 correct, 11 incorrect for an average of 80. Season's record to date: 114 correct, 28 incorrect for 81.

This week's selections:

Minnesota at Northwestern: The lines are reported equal, with Northwestern expected to win a rounded attack, Northwestern.

Michigan at Purdue: Purdue has lost all out the last two weeks and got both games. Michigan, despite a long casualty list, has played within itself while winning two, Michigan.

UCLA at Washington: Coach Howie Odell of the Washingtons is back in good health after a three-week illness. He will feel worse Saturday night, UCLA.

Longhorns over Beavers

Oklahoma vs Texas: This bruising battle, scene of a young riot a year ago, is the athletic feat of the Texas State Fair. So what would be fair—er than a Longhorn victory? Texas.

Harvard at Cornell: Harvard gained 360 yards along the ground in defeating Columbia last week. In the belief the Cornell line can't quell that type of offense, the pick is Harvard.

Kentucky at Georgia: It is seldom a Georgia team looks poorly in football. The Bulldogs did, however, in their last two starts. They are over it now, Georgia.

Michigan State at Notre Dame: Isn't it about time Notre Dame had a day for himself? Emile Dame.

Sad Day For Missouri

Army at Illinois: Army is as good as any team in the East and the Illinois fans will get an unpleasant surprise from Jim Cain, Army.

SMU at Missouri: Kyle Rote and Doak Walker will make it a sad afternoon for Missouri, SMU.

Vanderbilt at Mississippi: This forecaster has been wrong on Mississippi two weeks. That must stop, Mississippi.

Princeton at Pennsylvania: No chance for a repeat of that startling Princeton victory of two years ago, Penn.

Skipping over the rest in a hurry:

Island, Columbia over Yale, Dartmouth over Holy Cross, Lafayette over Washington & Jefferson, Pittsburgh over West Virginia, Rutgers over Temple, New Hampshire over Maine, New York over Brooklyn.

Midwest: Indiana over Texas Christian, Kansas over Iowa State, Kansas State over Arkansas State, Cincinnati over Ohio University, Nebraska over Colorado, Ohio State over Iowa.

South: Duke over Navy, Florida over Auburn, Georgia Tech over Washington & Lee, Louisiana over Texas A&M, Maryland over Virginia Tech, Mississippi State over Oleomont, North Carolina over Wake Forest, Tennessee over Chattanooga, Tulane over South Carolina, Virginia over George Washington.

Southwest: Arkansas over Baylor, Harvard-Simmons over Arizona, New Mexico over New Mexico A&M, Texas Tech over Tulsa, Texas Mines over West Texas State.

Far West: Nevada over North Dakota, Oregon over Oregon State, Oregon State over Portland, California over Wisconsin, Rice over Southern California, Utah over Brigham Young, Washington State over Montana, College of Pacific over San Diego.

DOWN SPORTS LANE

with TANNER LAINE

Bowling is popular in Midland. The winter season is underway. There are four leagues—Women's Major, Automotive and Petroleum circuits.

Midland is fortunate to have such a fine setup for bowling as Plamor Palace offers. The alleys are good as the best and up to ABC standards.

—SL—

Here is the 3-A slate for Friday night: Midland at Sweetwater; Big Spring at Lamesa; Arlington Heights (Fort Worth) at San Angelo; Odessa at Amarillo.

The Midland-Sweetwater and Big Spring-Lamesa melees are conference battles. The Odessa-Amarillo and Arlington-San Angelo wars are stand-out attractions of the non-conference variety.

We predict: Sweetwater to edge Midland only after a battle (and Midland will score); Big Spring will pass to victory over Lamesa; San Angelo will upset Arlington, and Odessa will go down on Butler Field before the embattled Sandies.

—SL—

We take sharp issue with San Angelo's TOP O' MORN which Friday stated: "Pat Gerald's undefeated, untied and unscored on Mustangs will maul the Midland Bulldogs just about as they please." The human detail should be called in on this detail.

This kind of criticism of the Bulldogs is the kind we do not believe should be dished out at young football players.

Our vein of writing this week has been to kindle a fire under the Bulldogs but not to belittle them. We have not directed any unjust writing at them.

We can only hope the kids come through with a spirited battle Friday night and make Top O' Morn eat his words.

And besides, his beloved Bobcats come here soon and the Bulldogs may be sitting with a sharp tooth.

We will see.

Pups Lose 20-0

By TANNER LAINE
The Midland Bullpups (eighth grade) dropped a 20-0 football decision to the Odessa juniors Thursday night in Memorial Stadium but showed a lot of scrap before going down. And the Pups displayed a last-minute passing attack which was a honey.

The first quarter was scoreless. Odessa marched right down the field with the opening kickoff but Midland jarred the little Bronchos loose from the ball at the 34-yard line of Midland.

After a punt exchange, the Bronchos broke the ice in the early second quarter. They gobbled up a Midland fumble on the Pups 23-yard line. On the first play, Halfback Adams took a handoff and bulled straight through the middle for a TD. Substitute back Jackson plunged over extra point.

The visitors had another second quarter touchdown quickly. Midland punted weakly out of bounds on its own 28-yard line. From there, Odessa was gone again. Quarterback Harris tried to sweep and for the extra point but failed.

Table Last TD

Odessa tabbed its third and last touchdown in the early third quarter. Midland punted out from its own seven-yard marker to the 35-yard line. Odessa marched down to the 13-yard line and Jackson swept right end for the marker. Fullback Barnes ran over the extra point.

Midland hurried to the Odessa 31-yard line as time ran out. Roy Kinsey, quarterback, tossed a 28-yard pass to Halfback Patterson to sid the drive. Patterson dropped a pass in the clear as the whistle sounded.

Braves, Indians Resume All Even At Tribe Wigwam

By JACK NAG
CLEVELAND —(P)—Delayed train schedules and gray, gloomy weather brought a strong possibility that Friday's third World Series game between Boston's Braves and the Cleveland Indians would be delayed an hour.

Trains carrying both the Braves and Indians were delayed more than two hours.

Commissioner A. B. Chandler also was caught in the train delay, but did not say immediately whether he would sanction a setback of the 12 noon CST starting time for one hour.

The U. S. Weather Bureau was optimistic the game could be played. Although the temperature was in the mid-fifties and skies were overcast, the prediction was that only scattered showers would sweep over the stadium during the afternoon.

Gene Bearden, the southpaw who tamed the Boston Red Sox in the pennant playoff, was ready to face Vern Bickford, another war veteran, in a battle of rookie pitchers.

American Leaguers rushed to the support of the Indians after they slugged Warren Spahn for a 4-1 victory behind Bob Lemon in Thursday's loosely played second game. As a result of the Cleveland triumph, they became topheavy favorites—5 to 14 to win the series and 9 to 20 to cop the third game.

Southworth Shakes Lineup

Playing the percentages to the bill, Manager Billy Southworth planned to shake up his lineup and batting order, trying to get more right-handed power into action against the southpaw Bearden.

Earl Torgeson will come out of the starting order, with Frank McCormick, a veteran right-handed batter, playing first base. Bruce Conner, a rookie drafts finishing his first year with a .278 average, goes to center and Mike McCormick moves over to left. That shoves Marv Rickert, Jeff Heath's sub, to the bench. Even if the home-run hitting Heath hadn't broken his hit in the last week of the season, that would have been Southworth's.

Phil Mast, generally considered the Braves' No. 1 receiver, takes the place of Bill Salkeld, who goes out because he too is a left-handed swinger.

Manager Lou Boudreau of the Indians has been making only one change of late with the pitching. Thursday he had Allie Clark in right instead of Willie Judnich.

Judnich goes back to right against Bickford, but Boss Lou planned no other shifts except his pitcher.

Elementary Teams To Play Saturday

West Elementary plays South Elementary in boy's football and girl's kickball at 10 a. m. Saturday in Memorial Stadium as the sports program continues with fine interest.

Here are the standings in football:

TEAM	W	L
South	1	0
West	0	1
North	0	2

Here are the kickball standings:

TEAM	W	L	TIE
South	1	0	0
West	0	1	0
North	0	1	1

Texas Lightweight To Fight Williams

PHILADELPHIA —(P)—Buddy Garcia, the Galveston, Texas, lightweight who made such a good showing here last Monday, is going to get a chance to show what he can do against Champion Ike Williams.

Matchmaker Johnny Atell announced he has signed Williams and Garcia for a 10-round over-the-weight bout at the Arena November 1.

Tunney Invited To Marine-Navy Meet

DALLAS —(P)—Gene Tunney, former world's heavyweight champion who served with the Marines and the Navy in two world wars, has been invited to attend the first annual Marine-Navy Boxing Tournament here November 4.

Former and active duty Marines and sailors have arranged a nine-day card to determine the team championship.

Baylor-Arkansas, Texas-Sooners Tilt Highlight Grid Card

By HAROLD V. RATLIFF
Associated Press Sports Editor

Baylor and Arkansas took up in the most important football game in the Southwest Saturday afternoon at the University of Arkansas. Although all other members of the conference will be striving to further the grid's prestige in inter-sectional strife.

It's a battle between undefeated teams.

Arkansas, grown in stature since trimming Texas Christian, now is regarded as a top contender for the title. Baylor also added to its rating by playing a strong Mississippi State team to a 7-7 tie.

So the collision of these fast-moving, well-manned teams, each with a powerful line and some of the best running backs and passers in the country, should be something to behold at Fayetteville.

Southern Methodist, the top rated team of the conference, plays Missouri at Columbia, Mo., in what should again be a high-scoring battle.

Frogs To Indiana

Texas Christian ashy into Big Nine territory to play Indiana in a 2 o'clock feature. Inter-sectional clash. Indiana is unbeaten and tied, holding a 37-7 victory over Wisconsin and a 7-0 decision over Iowa.

Rice goes out to Los Angeles to play Southern California, a team that has looked no better than the Owls. Last year they played to a 7-7 tie.

Texas A&M, winless in three appearances, is expected to stay that way against Louisiana State at Baton Rouge in a night game.

For the stay-at-homes, Texas and Oklahoma play at Dallas in the forty-third renewal of an ancient gridiron feud. The Cotton Bowl, revamped and enlarged, is ready to hold the greatest crowd ever to see a football game in the South-west—more than 67,000. Unless it rains there will be that many there. The game has been sold out for months. Texas is rated the favorite, principally because Oklahoma hasn't won one in eight years.

Four Out of Six

We hit four out of six last week. Any grammar school boy could have beaten that. Maybe we'll do better this week:

Texas A&M vs Louisiana State at Baton Rouge (night)—The Aggies are talking about a secret weapon. Hope it isn't so secret they don't even know about it. Louisiana by two touchdowns.

Texas vs Oklahoma at Dallas—Texas by a touchdown in a scoring duel.

Arkansas vs Baylor at Fayetteville—The Bears will pay for defeating the Forkers last year; Arkansas by 10 points.

Rice vs Southern California at Los Angeles—Everybody else is taking Southern Cal. We'll be different and pick Rice by a touchdown.

Southern Methodist vs Missouri at Columbia, Mo.—Unless SMU is pointing too hard for Rice, whom they meet a week hence, they ought to beat Missouri by three touchdowns.

Texas Christian vs Indiana at Bloomington, Ind.—The Horned Frogs may not win in their own territory but they do mightily well in inter-sectional games. We'll take the Frogs by—well, they don't have handouts of a point in football. But it looks that close.

Bulldogs Slated In Conference Tilt

The Midland Bulldogs open 3-AA competition in Sweetwater Friday night. Kickoff time is advertised at 8 p. m. in Mustang Bowl. A large following of Midland fans is expected to be on hand in support of the Purple. The MHS band and Gold Jackets drill squad are making the trip.

Midland has its work cut out. The Mustangs will outweigh the Bulldogs 19 pounds to the man. In the line, Sweetwater outweighs Midland 21 pounds to the man and in the backfield, the Mustangs are heavier 15 pounds to the man. The Sweetwater team averages 178 pounds to Midland's 159. The Pony backfield averages 170 pounds to the Bulldogs' 155. Sweetwater linemen average 183 pounds to 161 pounds by Midlanders.

Sweetwater enters the game—undefeated, untied and unscored on. The Mustangs have won three straight non-conference games. Midland enters the game with one win and two losses in three non-conference battles.

Last season Sweetwater trimmed Midland 19-0 at Midland.

Here are the starting lineups with weights:

Play Twice In Odessa

Two Midland football teams will play in Odessa Saturday.

At 2 p. m., the seventh grade Bulldogs of Junior-high will tangle with Odessa's seventh grade.

At 8 p. m., the "B" Bulldogs will try the "B" Bronchos.

Birmingham Grabs Dixie Series Crown With 3-1 Victory

FORT WORTH —(P)—Birmingham, which could finish only third in the regular Southern Association season, wrapped up the Dixie Series title with a 3-1 decision over Fort Worth Thursday night.

The Barons won the series with the Texas League champion four games to one.

It was Birmingham's third championship in five Dixie Series participations and the Southern Association's eleventh success against 15 for the Texas League.

Birmingham lost the first game of the series to the Cats, then took the next four.

George Wilson scored the Barons' first run in the fifth when Cat hurler Dwan Sloat threw wild after fielding Dick Adkins' bunt. Wilson added the second score with a homer and Tom O'Brien's home run in the ninth produced the final run.

Fort Worth's only score of the steady pitching of Al Lamacchia came in the eighth.

High School Scores

THURSDAY

Lamar (Houston) 13, Pasadena 0.

Sunset (Dallas) 25, Graham 6.

Poly (FW) 19, Gainesville 7.

Lanier (SA) 20, Del Rio 13.

St. Ann's Catholic Church Dedication Scheduled Sunday

The new St. Ann's Catholic Church at 2000 West Texas Street will be dedicated in special services Sunday, the Rev. Frank Triggs, O. M. L., pastor, said Friday. The services will start at 9:30 a. m.

The Most Rev. J. Fitzsimon, D. D., LL. D., of Amarillo, bishop of the West Texas Diocese, will head the list of dignitaries who will be here for the special occasion. Other dignitaries include the Very Rev. Thomas J. Kennedy, O. M. L.; the Rev. Edward Harrison, O. M. L.; the former pastor of the Midland Church; the Rev. Patrick Toomey,

C. S. V., Chicago, Ill., who served as a chaplain at Midland Army Air Field during the war years. Each will have a part on the dedication program, along with Father Triggs and the Rev. Raymond Miller, assistant pastor.

The St. Ann's Choir will sing at the service.

Following the dedication of the church, a banquet for parishioners and visitors will be held in the Crystal Ballroom of Hotel Scharbauer. Joe A. Koenig will be the toastmaster, and Bishop Fitzsimon will deliver the principal address.

Construction work on the attractive building was being completed Friday, and everything is expected to be in readiness for the dedication service. The building, the former chapel at Midland Army Air Field, has been remodeled, redecorated and brick-venomered. It is one of Midland's most attractive churches.

ARSENAL

The United States accounted for nearly 45 per cent of the armament output of all belligerent nations at the peak of the war effort.

Crane News

CRANE—The C. A. Allens have moved back to Crane Humble Camp after residing in the Sand Hills Camp since last May.

Mr. and Mrs. Pat Butler had as weekend guests Mrs. Charlie Spores and daughter, Caran, of Ranger and Mr. and Mrs. Ferguson and son of Odessa.

Mrs. Pat Butler and children were Monday Dollar Day shoppers in Midland.

Mr. and Mrs. Finis Butler and daughter, Dianne, of Eastland have been visiting relatives in Crane and vicinity this week. Mr. Butler is a brother of Pat and J. T. Butler and formerly lived here.

Mr. and Mrs. L. A. Williams and

baby returned the first of the week from a vacation trip.

Bobby Gene Clements was released from the Crane County Memorial Hospital Wednesday morning. Nancy Ann Holder was "doing fine" after a tonsilectomy at the Memorial Hospital Wednesday morning. Dr. B. J. Maynard performed the operation.

Judy Brenis, five, daughter of Mr. and Mrs. J. H. Brenis, had the ring finger of her left hand amputated Tuesday afternoon. Judy sustained the injury Monday when the end gate from a dump truck fell on her hand.

The Yo-Ma-Co Club held its annual party at the Ace of Clubs in

Odessa recently. Those attending were Mr. and Mrs. J. H. Hughina, Jr., Mr. and Mrs. J. W. Teague, Mr. and Mrs. Robert Strain, Mrs. and Mrs. L. S. Adcock, Mr. and Mrs. LeRoy Brookover, Mr. and Mrs. Ray Moore, Mr. and Mrs. Vernon Pettis, Mr. and Mrs. C. Gordon Smith, Mr. and Mrs. Jack L. Hamilton and Mr. and Mrs. Jim Thorp.

Allice Anne Ragadale, daughter of Mr. and Mrs. S. T. Ragadale, is visiting her grandparents, Mr. and Mrs. C. E. Bishop of El Dorado, Ark., for two weeks. Her grandmother plans to return home with her.

Many Cranes availed themselves of the opportunity for free chest X-ray Monday and Tuesday at the

Mobile State Tuberculosis Association unit. On Monday, 470 were X-rayed and 696 had gone through early Tuesday morning. A final count was not available. Crane P-TA members assisted with the applicants.

Mrs. Allie Justice was a weekend visitor in Penwell in the home of her daughter, Mrs. M. O. Butler.

Mr. and Mrs. Jack Mathis, Sr., and Judy and Mr. and Mrs. Jack Mathis, Jr., attended the Sul Ross Eastern New Mexico football game in Alpine Saturday. Bob Mathis, son of Mr. and Mrs. Jack Mathis, Sr., and a Sul Ross player, returned home with them after game. Bob lettered for Sul Ross the last two years.

Mr. and Mrs. Andrew Cook have announced the arrival of a daughter

in Wichita Falls October 2. She weighed five pounds, six ounces. Mrs. Cook, the former Betty Bruce, has been with her parents, Mr. and Mrs. H. F. Bruce, in Burk Burnett the last few months. Mr. Cook is employed here by the Gulf. The paternal grandparents of the baby are Mr. and Mrs. A. E. Corley.

BURNING SALE SATURDAY

The ways and means committee of the Twentieth Century Club, headed by Mrs. Ray Howard, is completing arrangements for a rummage sale which the club will conduct Saturday at the Old Heidelberg Inn on East Highway 80. Mrs. Harlan Howell, Mrs. J. B. Bain and Mrs. W. H. Rhodes are other members of the committee. The sale will start at 7 a. m.

THE LAWYER'S SON

This is a picture of a lawyer's son beginning his studies in *corpus juris*.

Father has won many a case on the legal points and precedents he gleans from these books. But Junior is not going to be so successful in his legal research. He doesn't know what he's looking for... and even if he did, he wouldn't know how to find it!

Purpose and Method! These are what Junior lacks. And purpose and method are essential, not only to research, but to LIFE. There are no more tragic figures on earth than the men and women who have found neither purpose nor method in living.

The Church can help our youngsters discover the spiritual truths which give PURPOSE to life. And the Church can train them in the beautiful METHOD of living which Jesus Christ taught men.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sunday Ecclesiastes 12:11-14
Monday 1 Timothy 6:10-12
Tuesday James 4:14-17
Wednesday Acts 17:22-28
Thursday John 8:1-9
Friday John 6:27-28
Saturday Romans 6:19-23

If you desire a schedule of readings for the year write to American Bible Society, Dept. U, 450 Park Ave., N. Y. 22, N. Y.

Hey—Look! 2 1/2 bedroom homes will be completed soon near school—Priced to sell—Sturdy—Good Loans.

\$2,500 cash and assume a small loan for a 3-room frame and 2 room furnished tent unit on same lot. 2 blocks of high school. A real buy. Will consider trading.

7-room, 2 bath brick home—plus 4 income units—This is your chance for a home without any payments on your part. Good loans; near school on paved streets.

Look!—Have 12,000 square feet of retail store or office space for lease—good location. Will remodel to suit you.

3-bedroom, 2 bath tile home on large corner lot—paved street, close in lot is unbuildable low figure—only \$11,800.00.

Good residential lots in West End—2 1/2 acres on paved highway, close in. 160 acre farm—low figure—only \$11,800.00.

4-room home, 20 acres, plenty good water. Close in.

HOUSES FOR SALE

One of the Prettiest 3-BEDROOM HOMES IN MIDLAND
Immediate Possession
If you are looking for a nice home, this is an opportunity of a life time. This 3 bedroom brick home is located in the best part of Midland's residential section. This large beautiful home is located on a choice lot facing south with 7 1/2 ft. frontage by 140 ft. deep.
Approaching from the front your attention is immediately attracted by beautiful picture window in the living room which affords an abundance of light and a clear view of beautiful brick homes ranging in value from \$25,000.00 to \$35,000.00. The centrally located 2416 ft. living room is finished on one end with the three bedrooms and bath on the other with the large dining room and kitchen. The living and dining room have textured wall and ceiling with all woodwork in natural finish.
The large dining room with the latest lighting fixtures and textured wall is very attractive. Both the living room and kitchen.
The lovely kitchen is designed for utility as well as beauty, with ample built-in working space, a double sink with a beautiful light over sink, large pantry and abundance of cabinet storage.
Another very thoughtful and appreciated feature is a large storage closet and built-in telephone cabinet in the living hall.
The spacious bedrooms are located in the cool southwest part of the house, have textured walls and ceilings, all with double closets with sliding doors and double sliding doors, beautiful floors with subflooring. The hallway connects the bedrooms with the lovely roomy bathroom, with its modernistic fixtures, tub with shower, mosaic tile waterproofing and textured walls, large linen storage—all in white. The floor is ceramic tile, and has built-in heater.
The house is heated by a large floor furnace, is weather stripped throughout, has well arranged, ideal for couple.
The large attached garage is located on the west side of the house. It has a cement floor, sliding overhead doors and lots of storage space, double car cement drive to the street.
This large beautiful home can be bought for the sum of \$18,000, with about \$7,000.00 down payment.

Rankin News

RANKIN — Mrs. J. Schook of Kerrville visited Rankin friends Tuesday.
Vaughn Allen of the Rankin Wool & Mohair Association's Fort Stockton warehouse was a Rankin visitor Thursday.
Jim Oakley of San Antonio is a house guest in the Dunn Lowrey home.
Mr. and Mrs. Lewis M. Smith and Mrs. Gertrude Smith have moved in from their ranch between McCamey and Rankin and are residing in the Smith home on Buckland Street. The ranch has been leased to Walton Poage.
Practically all of Rankin's High School students were in McCamey Thursday afternoon to take advantage of the Red Cross Mobile TB exam. The youngsters were taken to McCamey in the school bus.

URANIUM FROM CARNOTITE

Uranium, source of atomic energy, is now obtainable from low-grade domestic carnotite ores by a new process. Release from dependence on overseas sources of higher-grade uranium ore might prove exceedingly important to American economy and security.

LEGAL NOTICES

CITATION BY PUBLICATION
THE STATE OF TEXAS
TO: James Earl Miles
GREETING:
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A. M. of the first Monday after the expiration of 45 days from the date of issuance of this Citation, the same being Monday the 22nd day of November, A. D. 1948, at or before 10 o'clock A. M. before the Honorable District Court of Midland County, at the Court House in Midland, Texas.
The file number of said suit being No. 492.
The names of the parties in said suit are:
James Earl Miles as Plaintiff, and James Earl Miles as Defendant.
The nature of said suit being a suit for divorce. Plaintiff alleges cruel treatment and prays for divorce.
If this Citation is not served within 30 days from date of its issuance it shall be returned unexecuted.
Witness my hand and seal of office this 8th day of October, A. D. 1948.

Crittenden Sinks In Maneuvers

(NEA Telephoto)
The 7,000-ton attack transport Crittenden, which carried troops into the battle for Okinawa, rolls over on her side and slides beneath the waves as a result of aerial bombardment and Naval gun fire. The radio-active ship was the target in the first phase of a week-long Navy maneuvers off the Southern California coast.

Mrs. Woody Campbell Is Hostess To HD Club At Terminal

A new member, Mrs. Bob Shaddon, was introduced in the meeting of the Terminal Home Demonstration Club Wednesday in the home of Mrs. Woody Campbell. Mrs. Ross Connor of Fort Worth and Mrs. A. B. Johnson were guests.

Mrs. Nettie B. Messick, county home demonstration agent, gave a lesson on candy making and also discussed club recreation and showed several books on recreation.

Members present were Mrs. Walter Sneed, Mrs. Bill Savage, Mrs. Roger Latham, Mrs. Ralph Skelton, Mrs. E. Nelson, Mrs. Oscar Tate, and Mrs. E. Q. Vogt.

Storm Causes Heavy Damage In Bermuda

HAMILTON, BERMUDA—(P)—A tropical hurricane battered Bermuda from end to end for three hours Thursday night, causing extensive damage.

A survey Friday showed the storm caused destruction heavier than the total damage of two previous hurricanes this fall. No casualties were reported, however.

The hurricane was the same one that lashed Southern Florida and Havana earlier this week.

Former MAAF Officer Is Back In Midland

J. F. Welch, who served at Midland Army Air Field from 1942 to 1945, was back in Midland Friday from his Rhode Island home to visit friends and to look over the possibilities of establishing a business here.

The former Air Force officer marveled at the growth of Midland since 1945, and said he could hardly believe the progress and development which have taken place here. He was loud in his praise of Midland and of West Texas.

Parents Are Guests Of Baptist Juniors

Junior Department members of the First Baptist Church were hosts to their parents at a party in the church recreation hall Thursday night. They used a Halloween motif in decorations and refreshments.

Mrs. Frank Monroe, department superintendent, and Mrs. Howard Redding, associate superintendent, welcomed the guests. Mrs. Leif Olsen was in charge of the registry.

H. A. Thomason led songs by the group, and Mrs. Stanley Erskine directed games including a baseball game between the men and boys captained by Barnes Milam, and the women and girls with Mrs. R. D. Monkross as captain.

Mrs. Monroe introduced Mrs. R. V. Hyatt, her assistant, who spoke briefly on "What Juniors Expect of Their Parents."

Movie Entertains Juniors At Party

A reception for children of the Junior Department of the First Methodist Church, and their parents, had department teachers as hosts Thursday evening in the Scharbauer Educational Building.

Featuring the program was a motion picture, "The Child Jesus," shown by Ray Gwyn. Representatives of each class also staged a program.

Mrs. E. P. Birkhead served punch at a table decorated in fall motif with pyracantha berries and ivy leaves. Mrs. E. L. Phillips, department superintendent, was general chairman for the entertainment.

Alumnae Group Has Luncheon Meeting In Edrington Home

A luncheon in the home of Mrs. T. S. Edrington, 120 West Ohio Street, entertained the Alpha Delta Pi Alumnae Association Wednesday. Roses centered the table where the meal was served.

Mrs. Roy Knowles, president, was in charge of the business meeting. Members set the third Wednesday in each month as regular meeting day.

The Patents Office in London has recorded approximately 150 different systems of traffic lights.

★ IN HOLLYWOOD ★

Oh, Well, One Jolson On Each Radio Show Is About Enough

By ERSKINE JOHNSON
HOLLYWOOD — Al Jolson invited Larry Parks to be a guest on his airshow but Larry said "No thank you." The explanation may have something to do with the fact that Larry wanted to be on the show last year but Columbia refused him permission because of their lawsuit. . . . Reuniting of Bill Williams and Barbara Hale in "The Clay Pigeon" was a smart move by RKO. They top almost every exhibitor popularity poll.

Groucho Marx was headed east for the opening of his play on Broadway and someone asked him how long he planned to stay in New York. "About five days," said Groucho, "but if the play is no good I'll leave for Hollywood during the intermission."

Leo's current headache at M-G-M is the billing on "Words and Music." Too many stars for one line. They'll probably wind up from A to Z. . . . Aside to police departments everywhere: You finally get a break on the screen. In "Night Has a Thousand Eyes," Bill Demarest plays a homicide officer who politely removes his hat when he enters a room.

The set Milton Berle vowed. New Yorkers with at the Latin Quarter in New York was the same hilariously routine originated by Jack Benny long before Berle ever thought of it. And Benny is plenty burned about the use of his material.

Look Alikes
Credit: Bob Hope again: Guessing on my airshow, he took one look at a plush studio in Mutual-Don Lee's new \$3,000,000 Hollywood building and cracked: "Himm—it looks just like Orson Welles' bathroom." . . . Many film newsmen have lost roles because they looked too much like other stars. Now it's happened to a horse. Tex Williams, UT's new boss opera star, showed a 16-mm. test of a horse to studio officials for their approval. "No good," said the brass hats, "the horse looks too much like Gene Autry's horse."

Diana Griffin was helping Billy Blakewell forget ex-wife Jennifer Holt at the Sarges. . . . Billy Gray has been held over for the fourth year at the Hollywood Band Box Club. Of course, he owns the place. . . . Eddy Howard is set to record an album of Oscar-winning songs following lifting of the Petrillo ban. The album will be called "Oscar Hits."

Complaint department: A reader writes: "Now I've seen everything. I saw 'Lady in Ermine,' thinking it would be wonderful to see Cesar Romero dance. But what happens? He plays a buffon, and Doug Fairbanks, Jr., does the dancing. It was almost enough to drive me to popcorn."

Movie "Angel"
Howard Hughes is pouring more of his money into movies. He and James Nasser, owner of General Service studio, will finance three pictures for UA. . . . Jeanne Crain's next picture will be a comedy, "Pinky Gold." . . . January 15 is the new date for start of filming on "The Eddie Cantor Story." . . . Max Baer, usually cast as a clown, will be the dirty villain in the Abbott and Costello comedy, "Africa Screams." . . . Ramon Novarro will do a film comeback in Columbia's "Rough Sketch" as a Cuban revolutionist leader.

Talking about a big star who has had a series of very bad pictures, Fannie Brice quipped: "He's terribly conceited — he thinks he's the biggest flop in Hollywood."
Bob Burns is just about ready to ink a contract for a five-minute weekly television series at \$2500 per week.

Midland's Dominant Department Store

Crane County Will Widen Highway 51

CRANE—Crane County Commissioners Court met with members of the Highway Department of the district office Wednesday morning regarding future farm-to-market roads which the state has provided for West Texas counties.

Crane County, lacking the farm-to-market type roads, agreed with the Highway Department to assign its portion over to the widening of Highway 51 from Crane toward Odessa in sector County.

The road would be widened for a distance of 9.7 miles out of Crane.

Marriage License Issued

Osburn Clark Locke and Florence Elizabeth Hayes have received marriage license from the Midland County Clerk's office.

Cotton
