

AT BANQUET

Top Citizens Are Feted By Chamber

IF YOU don't like the weather in West Texas, someone (Dan True, probably) once said, just wait awhile because it's sure to change.

The past week has seen weather in Friona ranging from a six-inch snowfall last Thursday, to the beautiful spring-like weather we were enjoying the first part of the week.

This has been a record winter for the number of snowfalls, and amount received. It also has surely produced a record that isn't evident on the books. Can you believe the several large snowfalls we have received, and practically every one has been unmolested by the wind, so that the snow fell "straight down" and settled in a beautiful manner?

With the area's history of strong winds, you'd expect that at least every other snowfall would have been wind-blown, producing drifts that can become big problems.

Of course, we may get that "wooly booger" yet but so far it has been nice to escape with the type of snowfalls we have had.

AT A RECENT meeting of the Friona Lions Club, longtime club member Glenn E. Reeve spoke on the topic of consumerism, and gave the members something to think about.

Reeve says he thinks consumerism—spearheaded by such advocates as Ralph Nader—is threatening our American system of free enterprise.

"Business, especially big business, is being portrayed as a villain. The majority of the people are in favor of government controlling businesses, because they assume they are crooked," Reeve said.

Reeve pointed out that the people in favor of consumerism are in favor of a complete takeover by the government.

Referring to the air pollution problem, Reeve stated that this problem can't be any worse than it has been for many years. "A hundred years ago, coal was the main fuel used for heat, and the coal dust and smoke had to be worse than today's problems in the cities," he said.

The Friona businessman said industry is making great strides toward correcting its ills, mostly on its own initiative. "You need to decide who you want to combat your problems—yourself or the government," Reeve stated.

Such problems as water pollution, the wise use of insecticides, the "population explosion" and others are being corrected, Reeve says. "The birth rate is declining, and this is people's own doing, and not by government edict," Reeve asserts.

The longtime Friona resident said that the consumerism advocates seem to have the support of the big-city news media, and as a result you only hear their side of the picture. He said he decided to mount a one-man drive to let folks hear the other side of the story.

COMPARATIVE newcomers may think the efforts to build a showbarn for the use of the youngsters on their annual shows is a fairly recent venture.

Not so, according to an excerpt from coverage in the Friona Star concerning the 1938 county show.

A story in the March 11, 1938 edition of the Star says in part: "The show was held in the school bus barn adjoining the athletic field of the Friona High School, and the football court was used as a field for parading the stock following the awarding of ribbons, the stadium serving as an amphitheatre for the spectators to view the stock."

"Although the management thought it had secured a building that would afford ample room to house all the exhibits that would be entered, it was soon seen that it was by far too small for the number of entries that were present for space this year, and plans are already being freely talked of for more commodious and better equipped buildings for next year, and it is confidently expected that some of these

(Continued on Page 2)

Six Friona residents were honored at the annual Friona Chamber of Commerce banquet here Tuesday night.

Named "Man of the Year" was Alton Farr, who has served as Superintendent of Friona schools since 1959.

Mrs. James (Pearl) McLean, popular child care specialist, was named "Woman of the Year."

Mrs. Fay Reeve, junior high school English teacher, was chosen "Teacher of the Year," and Carolyn Dement was named "Most Courteous Employee."

The city's outstanding youth awards went to members of the senior class, Kevin Wiseman and Carol Reeve.

Farr, who began his school career 37 years ago at Bovina, has been very active in civic affairs. He has served as Scoutmaster, chapter chairman of the American Red Cross, president of Lions Clubs both at Friona and at Paducah, where he lived for several years.

Farr also has served as chairman of the board of stewards in the Methodist Church, and has taught a

Sunday School class. His father was a school administrator before him, and the Farris' son Randy is a teacher in the Hereford public schools.

Mrs. McLean has received a 20-year pin for service to the Girl Scouts, having been a leader and advisor. She has been active in the Methodist Church, where she has been a Sunday School teacher and an MYF counselor.

The honoree was voted "Mother of the Year" by the ESA Sorority in 1972. She has served as co-chairman of

Friona's Multiple Sclerosis campaign for the past two years.

Mrs. Reeve has taught in the Friona school system for the past 14 years, and has taught for 20 years in all. She is a member of Delta Kappa Gamma, honorary society for women teachers.

Making it a family affair in the awards presentation, Mrs. Reeve's daughter Carol earlier was given the student of the year award. Carol is active in numerous school affairs, as well

(Continued on Page 2)

ARE HONORED....Carolyn Dement, left, bookkeeper at Rockwell Bros., was chosen "Most Courteous Employee," and Fay Reeve, Junior High English teacher, was chosen "Teacher of the Year" at the Friona Chamber of Commerce banquet Tuesday.

TOP YOUTH....Kevin Wiseman and Carol Reeve were chosen as the outstanding young people of the community at the annual Chamber of Commerce banquet Tuesday night.

AWARD-WINNERS....Alton Farr, school superintendent for the past 14 years in Friona, was named Friona's "Man of the Year" at the annual Chamber of Commerce banquet, and Mrs. James [Pearl] McLean was chosen "Woman of the Year" to highlight the Chamber banquet.

Three Killed In Light Plane Crash

Three Muleshoe residents were killed Tuesday night in the crash of their Cherokee 180 airplane some five miles northwest of Friona. A fourth person, the pilot of the plane, was critically injured.

The dead were identified as Floyd Wayne Lagrone, 26; Maxine McGee Lagrone, 25, and Michael Perry Pollard, 26.

Billy Burel Block, 35, believed to be the plane's pilot, was brought to Parmer County Community Hospital early Wednesday, but was transferred to an Amarillo hospital.

At press time, details of the crash were sketchy, as to the time it happened, and the cause of the crash.

A fog which was beginning to envelope the area may have been a determining factor.

Annual Meet Scheduled

Three directors will be elected at the 19th Annual Meeting of West Texas Rural Telephone Cooperative, Inc. at 7:30 p.m., Thursday, March 8, 1973 in the Community Center at Hereford.

Directors will be named to the three exchanges of Hub, Parmer and Dawn.

Nominees for the positions are Charles Myers and D.L. Carmichael-Hub Exchange, James W. Dixon and Raymond Schueler-Parmer Exchange, Robert R. Strain and Raymond Schlabs-Dawn Exchange.

Present directors are Jimmy Cockerham-Tharp, James Dixon-Parmer, Keith G. Brock-Hub, Edwin Morrison, Sr.-Westway, Robert R. Strain-Dawn, James Ensor-Oklahoma Lane, and George L. Olson-Frio Exchange.

The meeting is being held in the Community Center at Hereford with election of directors, reports on the General Operations of the Cooperative, and report on the status of the Department of Agriculture's announcement that the REA electric and telephone direct loan programs were being converted to insured and guaranteed loan programs and interest rates are being increased to five per cent.

FJHS Youth Runnerup In Spelling Bee

A Friona student, Jeff Porter, placed second in the Parmer County Spelling Bee Monday in Bovina.

Porter, who is the son of Mr. and Mrs. Cliff Porter, lost out in the finals to a Bovina entrant. Mary Schilling placed fourth in the senior division. Brian Witten was the other senior division entrant from Friona.

In the junior division, Ramon Rodriguez, Chris Barnett and Kim Frye were Friona's entrants.

Parents Invited To Visit Schools Here

Parents of students in the Friona Public Schools are being invited to visit their schools next week (March 5-9), during Texas Public School Week.

"We want the parents to be welcome to visit their school system anytime during the week. We would also be happy to have parents come and eat lunch during the week, but prefer they visit the high school lunchroom, as it can more adequately accommodate them," Superintendent of Schools Alton Farr said this week.

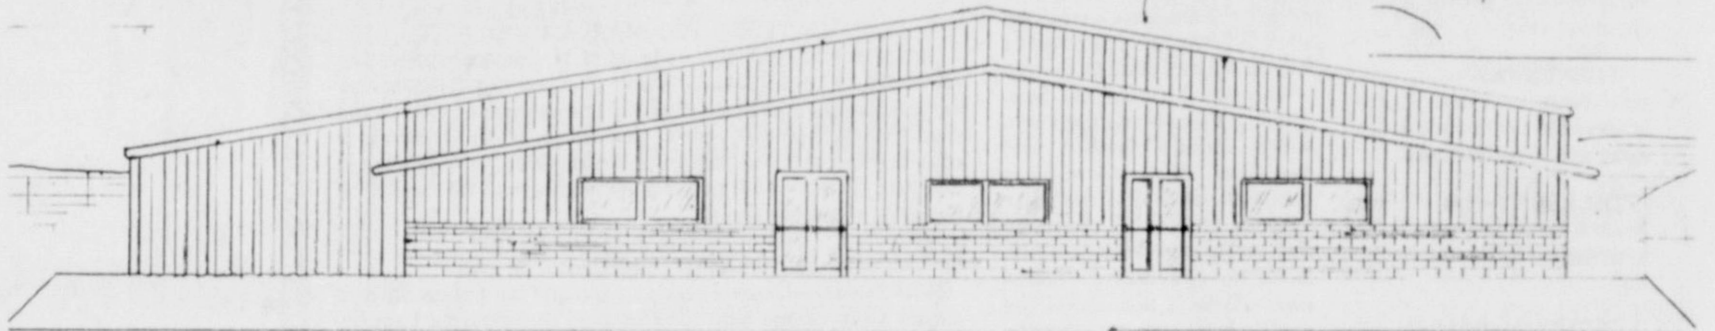

Sponsoring the Public School Week in Friona is the Friona Masonic Lodge.

Friona Lodge #1332 plans to visit the school as a group next Tuesday.

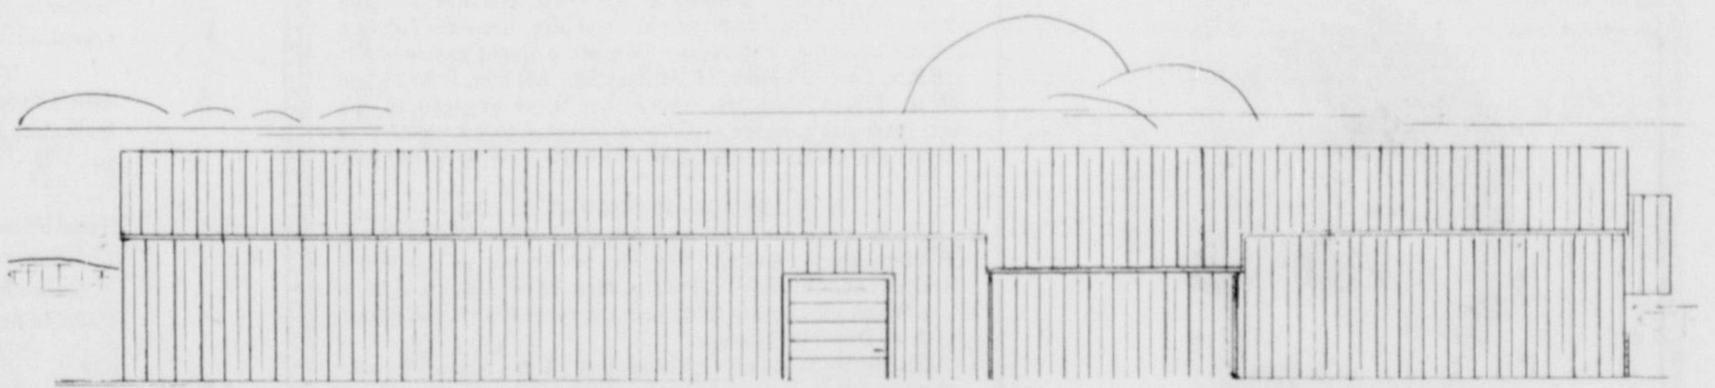

The Friona Parent-Teacher Organization is sponsoring a poster contest among third graders, to help promote Public School Week. The top 10 posters will be put on display in Friona stores during the week.

The Lodge is also providing corsages for all the woman teachers and boutonnières for the men for the week, states Floyd Reeve, Worshipful Master of the Friona Lodge.

The flowers are being provided for all teachers, administrators and teaching aides.

Front Elevation--Showbarn-Community Center

Side Elevation--Showbarn-Community Center

GOAL ESTABLISHED

Center Fund Drive Kickoff Set

The Community Center-Showbarn committee met Tuesday morning at Earl's Parmer House Restaurant, to plan the fund drive to finance

the building of the structure. The committee plans to kick off its intensive fund drive on Friday, March 9.

The committee set a goal of

\$75,000 for the drive, which is expected to be needed to complete the building plus some possible adjacent paving.

"We need to set our sights

high. We hope the people will be as big hearted as possible during this drive," stated Redge Priest, committee chairman.

Priest said that not only the area businesses, but every individual also needs to be contacted during the drive.

"We want everyone to have a part in the drive. Several individuals have indicated their desire to contribute to the fund. If they will just send their contributions in care of Friona State Bank, they will be appreciated," he added.

The committee plans to meet again next Wednesday, March 7, and divide into teams for Friday's big push.

Drive chairman are to be appointed in the other various other communities of the county, to coordinate the fund drive in their areas.

Other ideas discussed included a possible contest to name the community center-showbarn.

FHS Student Tabbed For Exchange Stint

For the first time, Friona will send an exchange student abroad under the American Field Service program, it was announced here this week.

Kay Cochran, 17-year-old daughter of Mr. and Mrs. W.A. Cochran of 812 Washington, will be the community's first participant in the AFS "Americans Abroad" program.

Miss Cochran will participate in a three-month summer program. She does not as yet know which country she will visit. There are some 30

countries around the world who participate in the "Americans Abroad" program.

Baker Duggins, who acted as the school coordinator for the application, said there were four local applicants for the program at the beginning of the year. Miss Cochran was selected from among the applicants to be submitted to the AFS.

The application was made to the American Field Service in New York, and recently the local committee received word

that Miss Cochran had been accepted as one of the "guaranteed participants" in the Americans Abroad program.

The committee and Miss Cochran expect to learn sometime in April where she will visit during the summer, and other details about her exchange home for the summer.

Applicants must have either taken two years of foreign languages, or possess a high language aptitude.

This was the second time for a local application for the "Americans Abroad" program. An earlier application several years ago did not result in a placement for Friona.

Hollis H. Horton, Jr. is chairman of the local AFS committee. Mrs. Larry Moyer is chairman of the Americans Abroad committee.

Miss Cochran is a junior student this school term, and will return to Friona as a senior next fall.

STUDENT PICKED....Kay Cochran, shown here with high school principal Raymond Cook, has been selected to be an exchange student in the "Americans Abroad" program during the summer months. Miss Cochran will learn later the country she is to visit.

AN EDITORIAL

Parents Invited To Visit Schools Here

Knowledge always desires increase; it is like a fire, which must first be kindled by some external agent, but which will afterward propagate itself.—Johnson.

You are the external agent who creates within your child a desire for knowledge. He may go to school, but only your encouragement, enthusiasm and support can spur him to achieve his potential.

One-hundred nineteen years have passed since public schools were established in Texas. March 5-9 marks that anniversary, and as always, Texas Public Schools invite you to visit and observe.

Your interest—whether or not you have children—is needed to continue and improve education for those who will lead tomorrow.

Texas Public Schools are your concern. You pay tax dollars to support them. See that you're getting your money's worth and help to keep the lamp of learning burning.

Please visit a public school in your area or neighborhood during Texas Public Schools Week, March 5-9.

Star Lites . . .

(Continued from Page 1)
plans will begin to assume signs of maturity within the near future and that plans for bringing them into execution will also be matured in time to have the buildings in readiness for the next show.

FRIONA SCHOOL LUNCH MENU

Week of March 5-9
MONDAY—ravioli with beef and cheese, buttered corn, hot rolls-butter, buttered English peas, peanut butter and honey and milk.

TUESDAY—smothered steak, mashed potatoes, hot rolls-butter, green beans, chocolate cake and milk.

WEDNESDAY—frito pie, pinto beans, corn bread-butter, lettuce and tomato salad, fruit salad and chocolate milk.

THURSDAY—corn dogs, French fries, hot rolls-butter, lima beans, apple cobbler and milk.

FRIDAY—hamburgers, potato chips, relish, pork and beans, fruit jello and milk.

Chamber Awards . . .

(Continued from Page 1)
as church and civic work. She is head cheerleader, is an outstanding bandsman and a member of the girls basketball team. She has held offices in the FTA, FHA and student council. Wiseman likewise has been active in extra-curricular work, which include football and basketball. FFA, where he is president and a Lone Star farmer, Student Council and Fellowship of Christian Athletes. He is a Sunday School class officer, a member of the youth choir, and has worked with the Little Dribblers and Little League baseball program and others.

Sincerely Yours

By Rev. Albert Lindley

WELL, I'M MOVING in an entirely new area now. One that I have not been a part of for many years.

I am becoming better acquainted with dogs—especially those who like to chase—I am on speaking terms with joggers, boys and girls who walk alot and with the city boys who work on our streets.

What is it that has brought me to the awareness of this "other world"? I am a confirmed bicycle rider....

Now don't laugh too soon because if the gas goes to \$1.00 a gallon I'll bet I have to move over on the road so you can get your bike on the street, too.

These new type bikes (10 speed) are really great for up hill travel—facing a good wind—or sand travel and I've had some of it all.

We haven't moved to the use of bicycles like many of the European countries but when our gas reaches their cost, I'll just bet bike business will be better than ever.

Another thing, riding out here across the west Texas flats probably doesn't excite the "want to" nerve like some of the lovely scenic areas of Europe—but I know of some areas where it would be just as pretty—in fact we are surrounded by it—one simply would have to travel several hundred miles in any direction to reach it—ha! No, I'm not beating down my west Texas—I was born, bred and will probably be laid away, right here.

In the mean time the extra exercise is doing worlds of good for my figure....

Just a little effort can go a long way....come to think about it, we might all seek to improve our situation just a little.

Now, I'm not knocking anything but what if we all started doing things to better our situations—like our physical health—our community political health (might have to get involved here)—our social club health (just imagine they have something you could do)—our family life health (you meet with them lately?)—our church health (remember the statement and question, "If they arrested every practicing christian today, would they have enough to convict me?")—and of course, our spiritual health (might change that approach for a more direct route—)....

Oh well, one can exercise in many ways and "better the existing situation."

Now, don't laugh—it might be me—honk so I'll know you're around and better yet, join me in my travels....Ever think about a bike trip to Palo Duro, to spend the night?—think it over....

Friona Flashbacks

...from the files of the Friona Star

45 YEARS AGO—MARCH 2, 1928

A new business has sprung up in Friona during the past few months which only a comparatively few of our citizens are aware. It is the buying and shipping of mules by W.H. Warren to the Fort Worth market. Mr. Warren shipped a car load Tuesday morning, which he says makes 10 car loads, or about 300 head he has shipped since he engaged in the business.

35 YEARS AGO—MARCH 4, 1938

A recent interview with Judge J.M.W. Alexander revealed the fact that Parmer County is now in a fair way for receiving designation from the State Highway Commission of a north and south State Highway across the county. This highway is contemplated between Dalhart in Dallam County and Morton in Cochran County, and possibly extending as far south as Seminole in Gaines County.

30 YEARS AGO—FEBRUARY 26, 1943

With basketball season nearly at a close, the Friona Squaws played a close game with the Cowgirls at Oklahoma Lane on Friday night. The Squaws trailed the Cowgirls, 23-12 at the 3rd quarter, and in the last quarter, came to within three points, 25-22. Cobb was high point for Friona with 12 points.

25 YEARS AGO—FEBRUARY 27, 1948

Mr. and Mrs. E.V. Rushing of Clovis, Mr. and Mrs. Joe Hub Collier and baby of Pampa and Mr. and Mrs. Herschel Johnson and children Linda Kan and Joe Bob, were dinner guests of Mr. and Mrs. David Moseley last Sunday. Mr. and Mrs. Rushing are former Friona residents, where they were engaged in the mercantile business for several years prior to his election as County and District Clerk, after which they moved to Farwell.

20 YEARS AGO—FEBRUARY 26, 1953

Formal opening will be held Saturday week, March 7, for Friona's newest business firm, to be known as Lu-Nora's Childrens and Infants Wear Shop. Mrs. Lucy Welch and Mrs. Nora Welch will operate the firm in the remodeled building just north of Dilger's Cleaners.

Miss Gertrude Euler of Albuquerque had planned to visit with her family here last weekend, but instead entered the hospital for an appendectomy. She is reported recovering nicely.

10 YEARS AGO—FEBRUARY 28, 1963

Steve Messenger and Mrs. Jay Sanders were honored as Friona's Man and Woman of the Year at the annual banquet of the Friona Chamber of Commerce and Agriculture Tuesday night at the School Cafeteria. Also honored were Mrs. O.J. Beene, selected "Teacher of the Year," and Mrs. Pat Busby, Friona's "Employee of the Year."

Bill Nichols, vice president and agricultural representative of Friona State Bank, left Friona this week after closing a deal to manage the First National Bank of Cordell, Oklahoma.

From Around The Country

NEWTON, N.C., OBSERVER-NEWS-ENTERPRISE: "Remember when the Russian Sputnik put American educators into a near panic to produce more scientists, more space engineers? Well, the day of reckoning is at hand. We were first to the moon, an honor which now seems dubious, and many of the youngsters who were trained up for space technology are driving cabs in California, their prime skills no longer in demand. This is an excellent example of misdirected manpower. Scientists aren't trained taxi drivers."

NILES, ILL., SCRAP/AGE: "A garage mechanic in a tiny New Hampshire village has come up with a unique method of keeping customers out of his hair while he works on their cars. Prominently displayed in the garage is the list of repair charges: 'Hourly rate, \$6. If you watch, \$10. If you help, \$15.'"

TAKE ME TO YOUR LEADER!

Sharon Smith

Sharon Smith Is Student Of Month

The Student Faculty Congress of Friona High School named Sharon Smith February's Student of the Month.

Sharon is in several school organizations including SFC, FTA, FCA, and plays basketball on the varsity team. This year she has received the honor of being an all-regional and all-district player. In the past years and this year, she is class favorite.

Sharon is the daughter of Mr. and Mrs. David Smith of Friona.

New Outlet Is Opened

Don McManaman and Leroy Lundy of Ag-Chem Farm Services announce this week that the company has opened an outlet in the Hub area.

The store is located a mile north of the Hub intersection, at the former Hub Farm Center location.

Dale Westbrook has been named to manage the company's Hub outlet.

Westbrook also operates Dale's Custom Service, a service for farmers, and plans to continue this in addition to managing the Ag-Chem location.

The company will offer the same line of products and services at its Hub store as it has featured in Friona for the past three years, the owners say. (See advertisement, this issue).

RUMPLESTILTSKIN...A twelve member cast will present the popular children's fairy tale, "Rumpelstiltskin," in Friona Junior High Auditorium at 9:30 a.m. and 2 p.m. Tuesday, March 6. This production is the annual Children's Theatre selection by the department

of theatre at Eastern New Mexico University, Portales. The performances are sponsored by Progressive Study Club. Everyone in the area is invited to attend by Mrs. James V. Edelman, club president.

OFFICIAL MEMORANDUM
BY
DOLPH BRISCOE
GOVERNOR OF TEXAS

GREETINGS: AUSTIN, TEXAS
Special observance of increased emphasis on our education system has been marked annually for twenty-three years by a Public School Week in Texas.

During this period, parents are encouraged to visit the public schools, and all citizens are urged through special programs to recognize the tremendous importance of our system of education. Our goal is to make Texas public schools the finest in the Nation, and to achieve this our citizens are urged to take an active interest in the school system and to cooperate with their school board, superintendents, principals and teachers.

Never before in our history has there been a greater need for educated leadership. As we rush to train young people in science and technology to keep pace with world events, it is also important to remember that our public schools will furnish our tomorrow's leaders with the basic human, moral and spiritual foundations necessary for more advanced training and knowledge.

THEREFORE, I, as Governor of Texas, do hereby designate the period of March 5-9, 1973, as

PUBLIC SCHOOLS WEEK
in Texas.

In official recognition whereof, I hereby affix my signature this 23rd day of January, 1973.
Dolph Briscoe
Governor of Texas

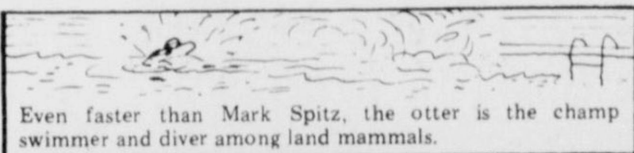

Bookmobile To Make Schedule

The High Plains Bookmobile will be in this area on the following dates:

Thursday, March 1-Oklahoma Lane, 9-10 a.m.; Rhea Community, 10:45-11:45 a.m.; Friona Elementary School, 1-1:30 p.m.; and Black, 1:45-2:45 p.m.

Friday, March 2-Hub, 9-10 a.m.; White's Elevator, 10-11 a.m.; Lazbuddie, 12-1 p.m.; and Clay's Corner, 1:15-2:15 p.m.

Saturday, March 3-Friona City Park, 1-4 p.m.

Even faster than Mark Spitz, the otter is the champ swimmer and diver among land mammals.

Squaws Statistical Races Are Heated

For the first time in a number of years, the season statistics for the Friona Squaws found three-way battles in almost every category, as the Squaws fielded one of the best balanced teams the school has ever seen.

Junior Darla Rhodes emerged as the team's leading scorer with 494 points and a 16.5 average for 30 games. She was closely followed by seniors Sharon Smith, with 456 points (15.2 per game) and Pat Phipps, with 422 points (14.1 points per game).

Darla was edged by her niece Sharon in the field goal shooting department, by only .6 of a percentage point. Sharon hit 48.4 per cent of her field goal attempts, while Darla was connecting on 47.8 per cent—both very commendable averages.

In free throw shooting, a two-way battle again emerged, with Darla winning this one in a tight race with teammate Carol Reeve. Miss Rhodes sank 96 of 124 free throw attempts—a sizzling 77.4 per cent. This was just .2 of a point ahead of Miss Reeve, who hit 71 of 92 shots, or 77.2 per cent.

The free throw shooting was the best since the FHS record holder, Charlotte Nettles hit 80.3 per cent of her shots (318 of 396) back in 1963-64.

As a team, the 1972-73 Squaws went down as the highest scoring girls team in history at FHS. The team scored over 80 points in four games, including a one-game record of 89 against Kress in the Farwell tournament.

The Squaws scored 1774 points in 30 games, an average of 59.1 points per game. Except for their low-scoring game against Canyon late in the year, the team would have averaged over 60 points per outing.

On defense, the Squaws were equally as brilliant, allowing only 40.6 points per game.

Cindy Hutson led the

defensive statistics. The diminutive senior guard was the leading rebounder with 135; had the most steals (32), and proved to be the most aggressive by fouling the most times, 83.

Terri Bingham, who missed a stretch of five games due to an

arm injury, was second in rebounds with 127, and in steals with 22.

On the forward end of the court, Sharon Smith was the top rebounder with 75. Patricia Phipps led the forwards in steals with 31, and Darla Rhodes had the most fouls, 64.

ALL-DISTRICT...Six members of the Friona Squaw team were named to the all-district team announced this week. Coach Crofford stands in the back with his three starting forwards, who each made the team. They are Darla Rhodes, Sharon Smith and Pat Phipps. Guard Cindy Hutson, kneeling in front, made the first team, and Teresa Ingram, left, and Terri Bingham, right, were honorable mention.

JOHNNY BANDY

JAMES BARTLETT

DALE PARSONS

Two Chiefs, Parsons Named All-District

Two members of the Friona Chieftain basketball team—plus a future member—were named to the All-District 3-AA team announced this week. Johnny Bandy and James Bartlett were named to the

ten-man all-star team. In addition, Dale Parsons, who performed for the Olton Mustangs but is now enrolled at Friona High School, also made the all-district team. Morton's champion Indians

led with four players on the squad—Thomas, Harvey, Silhan and Thompson. Dimmitt had three, Ringo, Langford and Garrett. Littlefield failed to place a man on the squad.

Dribblers Complete First Week Locally

The Hawks and the Bucks scored a pair of wins in the major league, with the Rockets taking two wins in the minor league, to highlight the first week of the Friona Little Dribbler program.

The Hawks downed the Suns, 22-19 in their opener, then topped the Lakers, 32-24 on Thursday.

The Bucks opened with an easy 31-18 win over the Knicks, and then edged the Bullets 32-28 on Thursday.

In the minor league, the Rockets opened by edging the Stars, 16-13, and then downed the Pacers in a Thursday game, 20-12.

Kevin Kothmann led the Hawks to their two wins, with 16 points against the Suns and 15 against the Lakers. Jeff Peak scored 16 points for the Lakers, who rallied from a 10-2 deficit to make it a close game, 32-24.

Leading the Bucks to their two wins was Gary Schueler, who scored 11 against the Knicks and 16 against the Bullets.

Chito Caballero scored 10 points to pace the Rockets to their opening win over the Stars, and then scored 12 as his team topped the Pacers, 20-12.

Complete first-week results are as follows—

SHOPPING FOR DRAPERY material takes a careful consumer.

Most fabrics perform satisfactorily, but about 10 per cent do not.

About half of the complaints regarding fabrics are the result of dry cleaner or customer carelessness. These start when the consumer doesn't read labels and care information—or keep the information for easy reference.

Performance depends on fiber, yarn, fabric construction, color, finish, surface design and components.

Problems related to performance include brocade drapery fabrics. Some are heat sensitive and cannot be satisfactorily cleaned.

Another is stretch yarn used in construction of many draperies. It can be a cleaning problem when the stitching shrinks, stretches or wrinkles.

Problems with fabric construction also include flocking. Often during dry cleaning flocking is destroyed.

Other problems involve resin-bonded prints used in curtains, draperies, bedspreads and upholstery. For these dry cleaning is not recommended. They must be washed unless the label reads "to be cleaned with petroleum solvent." Only then is dry cleaning satisfactory.

Drapery fabrics of 100 per cent screen print, labeled "100 per cent cotton washable", create more problems when the homemaker takes them to the cleaners. Satisfaction in this case depends on the type of solvent used.

Surface designs also deserve attention. Sometimes they limit serviceability.

DISMISSALS—

Jamie Maltos, Lester Rhinehart, Manuel Romero Jr., Mrs. Davey Thompson and baby boy, Charles Hall, Beatrice Arellano, Abel Amador, Wynema Pewitt, Ascencion Gonzales, Mike Deel, Mrs. Ronnie White and baby boy, Manuel Lopez, Sonya Gore, Patricia Ponder, Gary Trometer, Anita Hall, Chester A. Norton, Lillie M. Norton, Inez Gober and Forrest Harding.

PATIENTS IN HOSPITAL—

George A. Bandy, Arvilla Cooper, Arvilla Elmore, Beatrice Gonzales, Ester Guerra, Lillie Mae Hughes, Glenda McGlothlin, Jena Short and Marie Venable.

**Windbreaks Can Help
Curb Cattle Deaths**

The recent long siege of snow, ice and freezing weather has contributed to the deaths of over 1,000,000 head of cattle in the Texas Panhandle this winter—over \$25 million worth.

Could good windbreaks of trees and shrubs have reduced these cattle losses? Yes. Properly spaced windbreaks of adequate density could save the lives of many cattle each winter in Texas.

Shelter for livestock is just one of the many benefits of windbreaks. Improved wildlife habitat is another very important value, as well as beautification of the landscape.

Reduced air pollution and erosion, increased soil moisture, and greater crop yields are other benefits, to name just a few.

With all of these obvious benefits, why are so few trees planted in the plains regions of Texas? Trees and shrubs are

inexpensive and often readily available.

Some kinds of windbreaks have more appeal than others. Those planted around farmsteads are the most popular today. They protect homes and other facilities from winter winds, drifting snows and dusty air. They reduce noise, create beauty and make homes more comfortable.

We also need more feedlot and field windbreaks. Feedlot windbreaks can reduce blowing dust. They can raise the daytime air temperature near windbreaks while lowering the temperature 20 to 50 yards away from an average 12 foot high windbreak. They can reduce the wind-chill factor and reduce livestock suffering during cold weather. Warmer cattle in winter will make better daily gains and will remain healthier.

**Court Awards
Judgment**

Two Friona men were awarded a judgment in their suit against the City of Friona in Federal District Court in Amarillo on February 16.

The court found in favor of Johnny Broyles and Ray Lynn Peace, who were charged with violating City Ordinance 295, which is the city's curfew ordinance.

The city was ordered to refund \$102.50 collected from Broyles and \$203.75 collected from Peace in fines from the October 13, 1971 arrests.

The city's ordinance was found to be void, and it will be necessary for a new ordinance to be adopted, in all probability.

**Lions Volleyball
Tourney Slated**

The fourth annual volleyball tournament, which is sponsored by Friona Lions Club, will be held in Friona High School gymnasium March 12 through 17.

Several local teams in both the women's and men's divisions are expected, as are a number of teams from neighboring towns and communities.

Winners of last year's tourney, The Builders, who won the women's division, and The Lumberjacks, who won the men's division, were both sponsored by Muleshoe's Heathington Lumber Company.

Deadline for entering is March 3. Entry fee is \$7. Entries should be mailed or given to Dale Houlette or Ronald Smiley.

"Mother Nature" is always striving to re-establish the better, most productive plants on a given area.

**Abortion Controversy
Makes News In Austin**

Governmental control of abortion practices made news in Austin as the Human Resources Committee considered four bills in connection with the controversial subject last week.

State Representative Bill Clayton noted with regret that the U.S. Supreme Court had blacked out all laws in Texas concerning abortion, making it essential to reinstate some type of control.

"Abortion on demand is detestable and inconceivable to me," Clayton said. "And although I disagree with the Supreme Court ruling, at this point the best we can do is pass some laws which will prohibit abortion on demand, or total legalization of the process."

However, Rep. Clayton said he was not in favor of the four bills now under consideration unless they were amended and strengthened. The first of the four bills gives a 16-year old female the right to ask for a termination of her pregnancy without the consent of her parents. If she is under 16, her parents must give their consent. It also makes the physician who does the abortion liable only for negligence, and rules that no doctor be forced against his conscience to perform the abortion. Clayton said he could not vote for such a bill.

The second bill specifically sets out that the consent of the spouse is not required for sterilization. Rep. Clayton said he could favor this bill only if the couple had been separated for a long period of time, and the husband or wife was clearly not concerned with continuing the marriage.

The third bill gives minors permission to consent to birth control and pregnancy treatment in addition to consent to examination and treatment for venereal disease. Clayton stated again, that he believes minors living in the home with their parents should have the consent of those parents to seek birth control practices and pregnancy treatment.

The fourth bill simply asks

**Proctor Twin
Is Progressing**

Michael Heath Proctor, the infant son of Mr. and Mrs. Mike Proctor of Clovis, continues to make progress in the Air Base hospital in San Antonio, where he has been for the past two weeks.

The baby boy, who was one of twins born on February 5, is gaining weight, according to a spokesman for the hospital, and now weighs four pounds, five ounces. He weighed three pounds, 15 ounces at birth.

The boy's twin sister died shortly after she was born.

**FASTENING
FACTS**
BY THOMPSON

IN ANCIENT TIMES, EVEN THOUGH CREW HAD NOT YET BEEN INVENTED, MARINE SETSMEN STILL MANAGED TO BUILD STURDY SHIPS AND HOMES BY FASTENING THEM WITH WOODEN PEGS.

LIONS PROGRAM—Larry Milner, director of Southwestern Public Service Company's Industrial Development Department, is shown with H.L. Outland of Friona and Doyle Moore of Amarillo following the Friona Lions Club meeting last Thursday. Milner presented the program.

**City's 23rd Snow Brings
Winter Total To 28 Inches**

Last Thursday's snowfall, which was the 23rd of the winter in Friona, amounted to six inches, and added .41 inch of moisture to the area.

Since October 31, which was the first day a snowfall was received, Friona has held 14 measureable snows, plus nine traces of snow, for a total of 23 in all.

Total depth of the snow received this winter has amounted to 28 and one-half inches. This has melted down to 4.8 inches of water.

Last Thursday's snowfall was

particularly wet, and added to the already good ground moisture.

Temperatures here during the past week ranged from a low of 20 Friday morning to a high of 65 Tuesday.

Date	Hi	Low

Jim Keister, Chief Physical Therapist of High Plains Baptist Hospital, helps Andrew Santos learn to use his new leg.

How To Say "Thank You" Was Mother's Greatest Concern

By James E. Giles, Th. D.
As chaplain intern at the High Plains Baptist Hospital one finds many different avenues through which he can serve God and man. Recently the writer was called upon to interpret for a young man who could not speak English to the medical staff of the hospital and the representative of the insurance company which is adjusting the claim, none of whom could understand or speak Spanish.
The young man had been injured in a peanut processing plant, and the accident resulted in having to amputate his left leg. He was later brought to the Bivins Rehabilitation Center to be fitted for an artificial leg and taught to use it.
During the initial conversation the nurse asked questions in English, which I interpreted to Andrew in Spanish, and then translated his answer from Spanish to English to the nurse in order to get the social and medical history.

for Andrew.
At the end of the conversation the insurance rehabilitation nurse asked the mother if she had any comment or questions. I was moved to tears as the mother responded in muffled words and with tears in her eyes; "Que Dios les pague." I had to turn my head and wait a second before I could control my voice in order to translate her words—"May God repay you."
We in the United States have difficulty understanding all the meaning that is involved in that short response. The nurses and the insurance rehabilitation nurse responded with an uneasy laugh and the statement—"Oh, that's all right."
During the day I thought about the deeper meaning of her response. She had no money with which to pay for all these gestures. To simply say "thank you" seemed so inadequate; therefore, her gratitude was expressed in

the prayer that God might repay all those who have a part in the process.
Andrew's mother was saying "thank you" for the advanced medical facilities and well-trained doctors and nurses who are at High Plains Baptist Hospital. She was saying "thank you" to the businesses that protect their workmen with accident insurance and compensation.
She was saying "thank you" to the many people who have given in order to make a reality the High Plains Baptist Hospital. She was saying "thank you" to a nation and a community that does not overlook the disabled, the unemployed, the aged, and the foreigner.
And her way of saying "thank you" by saying "May God repay you" may well involve the greatest recompense that anyone could receive.

BIG SNOWBALLS....This pom-pom juniper had large snowball clusters following last Thursday's snowfall which decked the area out in a garb of white. A total of six inches of snow was received here.

I then explained to Andrew the procedure that the staff of the hospital would follow in helping him to learn to use his new prosthesis. It was evident that both Andrew and his mother were grieving because of the loss of his leg.
The insurance company had paid the way of Andrew's mother from central Mexico to be with him during the time of rehabilitation. The representative of the insurance company, a sensitive and attractive young lady, began to explain all that the company would do for Andrew and his mother.
As I interpreted the details into Spanish, I could see the swell of emotion rise within her. She was told that the company would pay for Andrew's treatment at the hospital, that the company was renting a room for her at an adjacent motel, that arrangements had been made to transport her from the motel to the hospital and back to the motel each day, that she would be able to eat in the cafeteria of the hospital, and that there would be a final cash settlement

Friona Bandsmen Win 46 Medals In Contest

Several Friona band students participated in the Region 16 Solo and Ensemble Contest on Saturday, February 24. Over 50 schools were represented by more than 1,000 entrants.
Friona students earned a total of 43 medals in the contest. Jr. High students that received a I (superior) on solos were—Danny Holley, Clarinet; Perry Church, Cornet; Bryan Johnston, Cornet; Paul Lindley, Cornet; Jeff Porter, Cornet; David Whitaker, Cornet; Lynn Welch, trombone; Brian Witten, French Horn; and Diane Westbrook, flute.
High school students that earned a I were—Janice Hayes, Flute; Dorothy Johnston, Flute; Carol Reeve, Baritone; and Gary Mingus, Trombone.
Members of ensembles that received I's were—Clarinet Choir—Hope Mays, Jeanine Jarboe, Vicki Pryor, Denise

Shipp, Pam Veazey, Vandra Nichols, Pattijon Talley, Beverly Bailey and Cindy Lundy; Brass Quartet—Brad Beene, Keith Pryor, Joe Jones, Carolyn Gore; Flute Trio—Janice Hayes, Diane Hamilton and Sylvia Hernandez.
Also, Brass Choir—Carol Bavousett, Lisa Taylor, David Gowens, Susan Garner, Gary Mingus, Danny Simpson, Joe Cunningham, Carol Reeve, Darlene Harper, Beverly Schueler, Noel White, Gary Rector, Carl Evans, Daria Rhodes and Mickey Harrelson.
All of the high school students listed above, except the brass quartet, qualify for the State Solo and Ensemble Contest to be held this summer in Austin.
Jr. High students earning a rating of II (good) were—Regina Walters, flute solo; Faith Mays, flute solo; Debbie Parker, clarinet solo; clarinet quarter—Debbie Fallwell, Debbie Parker, Barbara Rhodes, Donna Ruzicka; Larry Gore, cornet solo; Joe Bermea, cornet solo; trombone quartet—Mike Blackburn, Glen Schueler, Joe LaFuerde, Charles Fleming.
High School second division ratings included—Julie Johnson, alto sax solo; Lisa Edelman, bassoon solo; miscellaneous woodwind ensemble—Hope Mays, Jeanine Jarboe, Denise Shipp, Vandra Nichols, Diane Hamilton, Carol Bavousett, Cinda Johnson, Pam Jarecki, Lisa Edelman; Sax Quartet—Julie Johnson, Kyle Shelton, Glenda Reeve and David Hardgrove.
Sax quartet—Harvey Burnett, Kyle Shelton, Glenda Reeve, David Hardgrove; Brass quartet—Donna Harper, Phillip Duggins, Joe Jones, Ken Jordan; flute quartet—Carolyn Murphree, Marilyn Jones, Dorothy Johnston, Lisa Cummings. These students received certificates for their rating.

CUB WINNERS....Five members of Friona's Cub Scout Troop who received awards at the Blue and Gold Banquet last Friday are shown here. In the back are Mark Zachary and Tim Mercer, who received the Webelos award. In front are Winfield Davenport [Buddy Badge], Davey Howard [Webelos] and George Soliz [Wolf Badge]. Other awards went to Mark Anthony and Rudy Pena for Webelos.

Royce Gene Welch

Marston G. Mars

got top yields of 221 bu. with Pioneer brand 3306 corn. "It stands well and grows and threshes well, too," according to Royce Gene Welch, Rt. 3, Friona, Texas.

recorded a yield of 192 bu. per acre with Pioneer brand 3369A and 3306. The standability of both varieties is "desirable" according to Marston G. Mars, Rt. 3, Friona, Texas.

Because we were the first company to commercially produce hybrid corn and with 17 years of work on sorghum, we know a lot more about hybrids and how to make crosses that really yield. We've had longer to test and re-test our varieties. We've stuck with some of our early crosses, and we keep developing new ones to fit every growing condition imaginable.

For the North Plains we recommend these sorghum, corn and forage varieties . . .

Pioneer brand 8417—new yellow endosperm sorghum—champion yielder in medium maturity class—large open heads—does well on all types of land.

Pioneer brand 820—good yielder under stress—outstanding with plenty of water and fertility—MDM resistant—full season.

Pioneer brand 846—excellent drought resistance—MDM resistant—medium maturity—our most popular sorghum variety.

Pioneer brand 3369A—champion-class corn favorite—tolerant to northern and southern blight—good ear retention—heavy grain yielder.

Pioneer brand 3306—most popular corn hybrid on the High Plains—tall with outstanding stalks and ear retention—good yielder on dry or wet land.

Pioneer brand 988—sorghum sudangrass hybrid for pasture, green chop, hay or haylage—ready to cut or graze in a little more than a month—regrows again and again all summer with adequate moisture and fertilizer.

When you choose a hybrid for your land, choose one from the company that started it all . . .

Spotlight on HEALTH

DENTAL FACTS: Hypersensitive Teeth

--Teeth that hurt, ache, or quiver when hot or cold food or beverages are consumed, or cold air is breathed in, are "hypersensitive."
--One of every seven dental patients has one or more hypersensitive teeth.

--The pain of overly sensitive teeth may range from a slight "twinge" or mild discomfort to severe. Some individuals abstain from toothbrushing and from eating certain foods in an effort to avoid pain.
--A specially formulated toothpaste called Sensodyne is reported to effectively desensitize teeth—and with proper brushing helps get rid of plaque.
--Virtually everyone experiences dental hypersensitivity at some time. Adults after age 35 are particularly susceptible because of receding gums. However, children have the problem, too.

Players Will Present "Rumpelstiltskin"

Twelve Eastern New Mexico University students will delight local school children and other interested persons when they present "Rumpelstiltskin" as the 19th annual Children's Theatre tour by the department of theatre.

Two presentations will be in the Junior High Auditorium Tuesday, March 8. The first will begin at 9:30 a.m. and the second will begin at 2 p.m.

The popular children's fairy tale will be performed 16 times in nine New Mexico and Texas cities. Each year a play is presented on tour to many thousands of public school children.

Patrick Conway, a graduate student from Jessup, Pa., will direct "Rumpelstiltskin." Mike Tellez of Gallup is set designer and Kay Murdick of Albuquerque is in charge of costumes. Julie Scheuriger, instructor in theatre at Eastern, will serve as technical director for the play.

"Rumpelstiltskin" tells the story of a dwarf who has plans to rule the world, but he needs a King's baby to carry them out. He discovers a miller's daughter who is betrothed to a prince and can marry him only if she can spin great rooms of flax into gold. Rumpelstiltskin and the miller's daughter bargain that if he spins the flax into gold, she will give him her first child.

When the child is born and the dwarf appears to claim it, she persuades him to give her another chance. If she can guess his name, she can keep her child. When she guesses his name at the last moment, Rumpelstiltskin flies into pieces with rage.

The cast is headed by Stephen Lopez of Santa Fe, who plays the part of Rumpelstiltskin. The miller's daughter is played by Beth Faith of Albuquerque and

Lawson Hise of Clovis is cast as the prince.

The miller and his wife are portrayed by Mark Bonnett and Paula Baksa of Albuquerque. Other cast members are Jennifer Quick as Hulda and Karen Fox as Gothol, both from Santa Fe; Denise Marson of Roswell as Inger; Robert Peirson of Portales as the King; Diana Bir of Truth or Consequences as Karen; Terry Taylor of Roswell as the Nurse and Mary Jane Archuleta of Espanola as the Lady in Waiting.

Eighteen Names Listed On All A Honor Roll

Eighteen Friona High School students made the All A Honor Roll for the fourth six weeks, which was released early this week by Principal John R. Cook. They were Beverly Bailey, Cindy Barnett, Carol Bavousett, Kay Cochran, Greg Collier, Carl Evans, Shera Finley, Darlene Harper and Gary Land.

Also Ronald Land, Donna Lewellen, Katie Lewellen, Carol Reeve, Annette Reznik, Johnnie Rule, Gayla Self, Becky Walker and Pam Wilcox.

Others making the honor roll and their grades were as follows:

A'S WITH 1-B
Elsie Aguirre, Teresa Bingham, Lisa Edelman, Carolyn Gore, Sylvia Hernandez, Trip Horton, Dorothy Johnston, Pam Lewellen, Susan Martin, Amanda Mason and Jose Mejia.

Also Gary Mingus, Carolyn Murphree, Vandra Nichols, Beverly Schueler, Holley Stephenson, Gary Stone, Pattijon Talley, Kevin Wiseman, Sylvia Flores and Sarah Gammon.

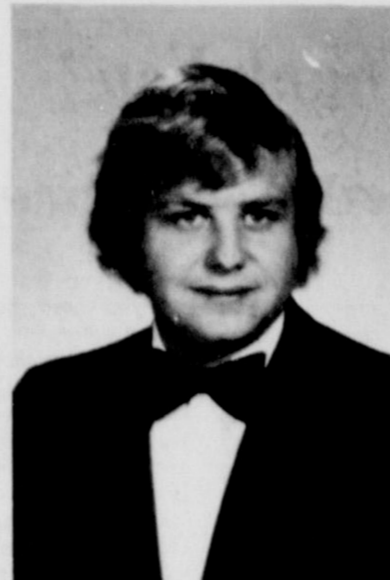

and Mrs. Raymond Adams, Mr. and Mrs. Dick Habbinga, Mr. and Mrs. Opal Jones and Mr. and Mrs. Tommy Jones.

Sandwiches, fruit salad, cherry pie, coffee and punch were served by the host couple.

The next meeting of the organization will be the third Monday in March at the home of Mr. and Mrs. Raymond Adams.

A'S WITH 5-B'S
Bob Clark.

It's A Girl For The Fosters
Mr. and Mrs. John Foster of Waco became the parents of a baby girl named Lynanne Jane on February 15. The baby girl was born at Hillcrest Baptist Hospital in Waco and weighed 7 pounds 7 ounces.

This is the first child for the couple. Mrs. Foster is the former Iva Ben Parr. Maternal grandparents are Mr. and Mrs. Bruce Parr of Friona. Paternal grandparents are Mr. and Mrs. B.B. Foster of Joshua, Texas.

Ronnie Whites
Mr. and Mrs. Ronnie White became parents of a baby boy at 5:52 a.m. Tuesday, February 20, at Parmer County Community Hospital. He weighed 8 lbs. 4 ozs. and was named William Russell.

Older children of the couple are David, 2½, and Teresa, 1. Grandparents are Mr. and Mrs. Henry N. White, Friona, and Mr. and Mrs. H.F. Garrison Jr., Towner, Colorado.

Mr. and Mrs. E.D. Matlock, Friona, and Mr. and Mrs. H.F. Garrison Sr., Monticello, Arkansas, are the great-grandparents.

Janet Mingus Named To Honor Roll
Janet Gail Mingus, daughter of Mr. and Mrs. Lloyd C. Mingus of Friona was named to the fall Dean's List. To qualify for the Dean's List a student has to acquire at least a 3.5 grade average.

Janet had a 3.6666 average. She is a senior at McMurry majoring in Music Education.

Three Frionans Graduate From WT

Three students from Friona were among 312 December graduates of West Texas State University, Canyon. They were all three 1969 graduates of Friona High School.

Deloris Ann Phipps, who is the daughter of Mr. and Mrs. E.G. Phipps, was an elementary education major with a math minor. She is teaching fourth grade in Bluebonnet Elementary School, Hereford.

Tommy L. Mars, son of Mr. and Mrs. Johnny Mars was a psychology major.

Connie R. Whaley, the daughter of Mr. and Mrs. Watson Whaley, was a secondary education major in biology. She is currently doing

graduate work at West Texas State.

Another member of Friona High School's 1969 graduating class, Kathy Bandy Seale, was also a December graduate of West Texas State. Her parents, Mr. and Mrs. Bill Bandy, now live in Panhandle.

Services Held For A. C. Dennis

Funeral services for A.C. Dennis, 95, of Clovis, were conducted from Steed-Todd Chapel there at 2 p.m. today (Thursday).

He had lived in the Clovis area since 1906.

Survivors are three sons, Edward Dennis, Clovis, Jerry Dennis, Pampa, and Robert Dennis, Alamogordo; two daughters, Mrs. Maxine Garrett, Clovis; and Mrs. Dorothy

Gaunt, and Covina, California; 25 grandchildren and five great-grandchildren.

Also three brothers, John Dennis, Glendale, Arizona, Lee Dennis, Pineridge, Arkansas and Cap Dennis, Friona; and three sisters, Mrs. Della Light, Friona, Mrs. Mattie Garrison, Selma, California, and Lois Stidham, Anadarko, Oklahoma. Burial was in the Clovis Cemetery.

Guest Trio Presents Study Club Program

Guest entertainers at the Tuesday evening meeting of Modern Study Club in Federated Club House were Sarah Mears, Sharla Beth Duggins and Dana Miller, who are members of a singing trio.

As they were accompanied by Mrs. Roy V. Miller Sr., the girls sang, "What the World Needs Now Is Live," and "Ol' Man Sunshine."

Mrs. Wesley Foster presented the devotional.

Carrying out the theme "Internationalism-Footprints in Diplomacy," the quotation,

"The world is round and the place which may seem like the end may also only be the beginning," by Ivy Baker Priest was used.

Mrs. J.T. Gee presented a biography of Perl Mesta and Mrs. Deon Awtry presented a biography of Claire Booth Luce.

The hostesses, Mrs. Tom Shelton and Mrs. George A. Jones, served refreshments to members present and four guests, Mrs. Sam Mears, Sarah Mears, Sharla Beth Duggins and Dana Miller.

The Lutherans 'A Gospel-Centered Church'

Rev. Duane Kirchner

Lutherans believe that the life of Jesus of Nazareth is the central and most important thing God has to tell us. Anyone who believes that Jesus is the one who saves him from sin and also believes that Jesus is the Master of his life will have life with God during this present life and during eternity.

OUR PROBLEM. Although God originally created perfect and holy people who would live to give glory to God man himself chose to place himself in opposition to God by making his own choices rather than following God's plan for people. This "Fall" or rejection of God is sin and everyone is born a sinner (Psalm 51:5). When we reject God we are condemned to die (Romans 6:23). And even another problem; we can do nothing, absolutely nothing, to solve our problem (Galatians 3:11).

GOD'S SOLUTION. God cares for and loves those He made. Even though we rejected Him God will not reject us. So that we can have life with God as perfect and holy people He sent Jesus to die for the sins for which we were to die. When Jesus rose from the grave He conquered our sin which causes the separation (Ephesians 1:7). In this way God saves us from our rejection of Him and gave us life which means we are united with God forever.

A FREE GIFT. Jesus' life is God's gift to all people. Of course a gift is not something we work for or earn; it is given to us because somebody loves us and wants us to have it. When we are given God's gift we must say with St. Paul in Galatians 2, "It is no longer I who live, but it is Christ who lives in me. This life that I live now, I live by faith in the Son of God, who loved me and gave His life for me."

Friona Antique Club Has Regular Meeting

The regular monthly meeting of Friona Antique Club was held Monday evening in the home of Mr. and Mrs. Leo Bails of the Hub Community.

Following the business session Mrs. Bails played several numbers on an antique player piano.

Special guests were Mr. and Mrs. Joe Collier.

Members present were Mr.

and Mrs. Raymond Adams, Mr. and Mrs. Dick Habbinga, Mr. and Mrs. Opal Jones and Mr. and Mrs. Tommy Jones.

Sandwiches, fruit salad, cherry pie, coffee and punch were served by the host couple.

The next meeting of the organization will be the third Monday in March at the home of Mr. and Mrs. Raymond Adams.

The Lord Wants To Be Your Best Friend

Read John 15:12-17

I have called you friends; for all things that I have heard of my Father I have made known unto you. --John 15:15

All my life I have had the problem of making friends. When my father died, the victim of a terrible sickness, and I the only son, I felt even more alone as I looked at his lifeless body.

At that moment a woman whom I did not know placed her hand on my shoulder and with perfect confidence calmly said to me: "Have courage; your great Friend will not leave you alone." I did not understand. She continued: "Jesus, your Friend above all others, will be with you wherever you go. And it is easy to be His friend."

It is true! The Lord wants to be at our side at all times and in all the occasions of our lives. He is the best Friend.

PRAYER--Thank You, Lord, for being my true Friend. I am sure You are interested in helping me solve my problems. Thank You for teaching me to pray. "Our Father who art in heaven, hallowed be thy name. Thy kingdom come, thy will be done on earth as it is in heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive those who trespass against us. And lead us not into temptation, but deliver us from evil. For thine is the kingdom, and the power, and the glory forever. Amen."

THOUGHT FOR THE DAY

Mrs. Jo Witten

Mrs. Witten Is Teacher Of The Week

With the observance of Texas Public Schools Week coming next week, the Friona Grade School PTO is beginning this series of "Teacher of the Week" honoring one of the grade school teachers each week in the Friona Star.

Mrs. Jo Witten, 1602 West Seventh Street, is this week's "Teacher of the Week." She is the music teacher in the elementary grades.

Mrs. Witten, the former Jo Holley, is a native of Jayton. She attended Hardin-Simmons University, Abilene and holds a bachelor of science degree in music education with a voice emphasis and an English minor. She taught private piano and

voice in Abilene eleven years before moving to Friona. This is her eighth year in the Friona school system. Her husband, J. Lee Witten, is an eighth grade math teacher.

The Wittens have two children, Brian Thomas Witten, who is fourteen; and Daniel Lee Holley, also fourteen, who is Mrs. Witten's nephew.

The family attends First Baptist Church.

Mrs. Witten lists her hobbies as reading; creating music, poems, lyrics and musical arrangements; television, working in lay witness missions and attending art exhibits, concerts and stage productions.

Double Ring Ceremony Unites Alane Weaver, Charlie Bishop

Alane Weaver and Charlie Bishop were united in marriage at 7:30 p.m. Friday, February 23, in the Amherst Church of Christ. Tim Conatser, minister, performed the double ring ceremony.

Parents of the couple are Mr. and Mrs. Dale Weaver of Amherst and Mr. and Mrs. Stanley Bishop of Friona.

The vows were exchanged before a candelabra arch of white tapers decorated with emerald greenery, white mums and satin ribbon. On either side were spiral candelabra entwined with greenery.

Given in marriage by her father, the bride wore a formal gown of white silk organza and re-embroidered Venice lace, fashioned in the Empire bodice of lace with jeweled sabrina neckline. Wide lace motif and pearls encircled the hemline with a Venice lace ruffle at the edge. The long full sleeves of organza were gathered onto lace-edged cuffs. A wide sweep chapel train, bordered with lace edging and seed pearls was attached at the waistline. The chapel length veil of imported silk illusion fell from layers of pearl encrusted petals.

Her bouquet was a traditional cascade of rainbow colored Frenched carnations and baby's breath with a removable white orchid corsage, atop a covered Bible, belonging to her sister, Gaye Weaver of Amherst.

Attending her niece as matron of honor was Mrs. Rex Foust of Littlefield, who wore an orchid gown of silk organza. Maid of honor was Gaye Weaver, of Amherst, sister of the bride, wearing a mint green gown.

Bridesmaids were Debbie Johnson of Crowell, attired in sky blue and D'Ruth Dysart of Amherst, who wore pink.

The attendants gowns were fashioned with a fitted Victorian collar and long full sleeves with a self ruffle at the wrist. The Empire waistlines were marked by a matching velvet picot ribbon accented by a flat bow in the back. Their full skirts, softly gathered, enhanced by a deep flounce at the hemline. They carried small white lace parasols entwined with English Ivy, rainbow Frenched carnations and matching satin streamers.

Serving the groom as best man was Cecil Baker of Levelland, cousin of the groom. Groomsmen were Royce Marion of Dumas, Tommy Edwards of Friona, brother-in-law of the groom and Marvin Wilson of Hale Center.

Ushers were Rex Foust of Littlefield, uncle of the bride, Ronnie Steviek of Friona and Doug Cummings of Amherst.

Cheryl Williams of House, New Mexico, cousin of the bride registered the wedding guests. Candlelighters were Kevin

Mrs. Charlie Bishop

and Greg Williams of House, New Mexico, cousins of the bride.

Flower girl was Lea Ann Edwards of Friona, niece of the groom and she was attired in a yellow organza gown. Shane King of Slaton, cousin of the bride, was ring bearer.

Wedding music was provided by members of the Crescent Park Church of Christ Choir of Littlefield, who sang "The Twelfth of Never" and Alvis Jones, soloist sang "The Theme From Love Story."

A reception followed the ceremony in Fellowship Hall where guests were greeted by the bride and groom. Debra Sue Glass of Vega, Mrs. Don Trotter of Littlefield and Brenda Davis of Dallas alternated at the bride's table.

The table was laid with a hand crocheted cloth made by the bride's maternal great-grandmother, Mrs. C.B. Alexander of Sudan, and draped in white net gathered at intervals held by white and green nosegays and streamers of orchid velvet ribbon.

The table featured a white tiered wedding cake adorned with rainbow colored carnations and topped with a white lace heart accenting a white satin wedding bell. The table

was centered with the traditional bride and groom enclosed in a crystal brandy sniffer topped with a silver tray of rainbow carnations. Appointments of silver and crystal were used.

Other houseparty members included Mrs. Johnny Talburt of Littlefield, Mrs. Butch Duncan of Muleshoe, Cheryl Qualls of Textline, Willie Mae Rice of Sudan, and Mrs. Tom Davis. Mrs. Bennie Harmon, Mrs. Delvin Batson, Mrs. Arthur Hedges, Mrs. Homer Peel, Mrs. Winston Cummings, Mrs. Joe Thompson, Mrs. Pete Templeton and Mrs. R.J. Cook of Amherst.

For a wedding trip to points in New Mexico, the bride chose a yellow pants suit with white accessories.

Mrs. Bishop is a 1972 graduate of Amherst High School and attended West Texas State University in Canyon. The groom is a 1968 graduate of Friona High School and attended West Texas State University in Canyon. He has completed a tour of duty with the United States Navy, including serving in Viet Nam.

Mr. and Mrs. Bishop are at home at 817 Pierce Street, Friona. He is employed by the City of Friona.

Awards Luncheon Will Be Thursday **Champion Squaws Honored In Austin**

Plans have been completed for the annual awards luncheon at the Thursday meeting of Friona Young Homemakers, which will begin at 11:45 a.m. in the Community Room of Friona State Bank.

Announcement will be made of the name of the recipient of the "Willing Worker Award" and the "Outstanding Club Woman of the Year Award."

All members of the club are urged by Mrs. Larry Dyess, spokesman for the group, to be present for the luncheon and awards program, which will follow.

In the spring of 1964 Friona High School Squaw Coach Baker Duggins, fourteen team members, two managers and two sponsors made a trip to Austin and came home with Friona's first and only team state championship.

Last weekend the former coach, nine players, one manager and two sponsors, along with several other Frionans, again made the trip to Austin, where they were honored during halftime of the class AA state finals in Gregory Gymnasium.

Team members who were on hand for the ceremony were Tito Jennings Milner, Wessie Hand Gee, Rose Ann Greeson Ray, Carolyn Herring Carson and Linda Jo Davis Harding, all of Friona.

Also Cheryl Long Snead, Clovis; Charlotte Nettles Neece, Dallas; Carol Struve, Shreveport, Louisiana; and Merylene Massie, Richmond, Virginia.

Kay Neel, who was one of the team managers and is currently teaching here, and Mr. and Mrs. Pug Collier, who were sponsors, also made the trip to Austin.

Other Frionans attending the ceremony were Supt. and Mrs. Alton Farr; Mr. and Mrs. W.M. Massie; and Mrs. James Procter. Mr. and Mrs. Leonard Nettles of Tahoka also attended.

Saturday evening the entire group had dinner at The Pelican Club.

Duggins, who is the Friona High School counselor, reported a wonderful trip. He said, "We accepted the honor in the name of all local basketball players from 1956 through 1964."

Then added, "Every member of every team during those years contributed to the final outcome—a state championship."

The group returned to Friona Sunday evening.

Mimms Named Winner

Mark Mimms, who is the son of Mr. and Mrs. Marvin Mimms of the Lazbuddie Community, recently was declared the first place winner in the Texas Composer Contest at the studio of Mrs. Sam McKinstry.

The contest was sponsored by the Muleshoe Music Teachers Association. It was designed for piano students who are in the fourth through eighth grades and are members of the Student Affiliate division of the Texas Music Teachers Association. Each contestant played "Busy Corners," by Blaise Montadon, a Texas composer from Corpus Christi.

Mark is the piano pupil of Mrs. Sam Damron of Muleshoe and is a seventh grade student

Mark Mimms

in the Lazbuddie School. Mr. and Mrs. Mimms are former Friona residents.

The Truth Will Make You Free

Terry Brown, Minister Sixth Street Church of Christ

After Jesus ascended into heaven, the apostles waited in the city of Jerusalem until the day of Pentecost, a Jewish feast day. "When the day of Pentecost had come, they were all together in one place. They were all filled with the Holy Spirit and began to speak in other tongues, as the Spirit gave them utterance."

Acts 2:1-4. Many Jews from different nations had come to Jerusalem for the Pentecost. This occasion provided the apostles with the perfect opportunity to tell the crowds about Jesus. The Holy Spirit allowed the apostles to preach in different languages to those from different nations. Acts 1:6.

The sermon which Peter preached is recorded in Acts 2:14-36. He proclaims Jesus as the Lord and Christ (Acts 2:36), because God had raised Him from the dead. When those listening heard this, they wanted to know what they could do to relieve their own guilt. "Peter said to them, 'Repent, and be baptized every one of you in the name of Jesus Christ for the forgiveness of your sins; and you shall receive the gift of the Holy Spirit.'" Acts 2:38.

"Those who received his word were baptized, and there were added that day about three thousand souls." Acts 2:41. Thus, the church which Jesus died to establish began on this day of Pentecost in Jerusalem.

Does it still exist today? Can we be in Jesus' church today? We will examine this next week. Any comments or questions are welcome.

The Library Corner

BY MRS. BILL ELLIS

A large number of books have been donated to Friona Public Library in recent weeks.

One collection, which has already been catalogued and placed on the shelves, came from Dr. Robert Alexander, who is an avid gardener.

With spring just around the corner, local library patrons can take advantage of Dr. Alexander's generosity.

If you are interested in gardening, you might want to read one of the following—"A Perfect Lawn The Easy Way," Boykin; "Adventure In My Garden," Fox; or "How To Plan and Plant Your Own Property," Treys.

There are also books, complete with pictures and

illustrations, on Japanese gardens, propagating house plants, small gardens and other related subjects.

If you have gardening problems, the librarian, Mrs. Billie Fairchild, will be glad to help you find the material in which you are interested.

One hundred new books have been added in the children's department and several orders for books are expected to be filled within the next few days.

Story Hour readers for Thursday, March first, will be Mrs. Mike Ellis, Mrs. Dan Ethridge and Mrs. Ira Bruce Parr.

Any child in the community, who is from 3 to 6 years of age, is invited to attend Story Hour.

Bake Sale Benefits Foundation

Local members of Epsilon Sigma Alpha planned a Bake Sale for benefit of the Kidney Foundation at Lubbock at the Monday evening meeting of the chapter in the home of Mrs. Bill Nichols.

A bridge tournament, which will be held March 23 in Federated Club House, was also planned.

Following a program of "The Archeology Of The Plains," by Harley Merritt, a pledge service was conducted for Martha Upton.

The hostess served refreshments to Harley Merritt, Mrs.

James Andrews, Lois Norwood, Joyce Parker, Mrs. Keith Blackburn, Mrs. Bill Nichols and Martha Upton.

Tonya Potts Has Surgery

Tonya Potts, daughter of Mr. and Mrs. Larry Potts of the Rhea Community, is a surgical patient at St. Anthony's Hospital in Amarillo.

She had surgery Monday and is reported by members of the Potts family to be making satisfactory progress.

NEW MANAGER...Joe Tongate has been named manager of Friona's Piggly Wiggly store. Tongate began his duties here last week.

Manager Named For Local Piggly Wiggly

Joe Tongate has been named manager of Friona's Piggly Wiggly Store, according to Kenneth Moore, owner. Tongate is a veteran of 15 years in the grocery business, nine of which were spent with the Shop Rite Foods chain (Piggly Wiggly). He comes to Friona from Vernon, where he was with Shop Rite.

Mr. and Mrs. Tongate lived in Friona for a short time following their marriage in 1962. Mrs. Tongate is the former Billie McKee of Friona. The couple has three children, ages nine, seven and six. The Tongates are residing in the Friona Apartments, number 8.

EVERY NOW AND THEN, one of our compatriots, rummaging around in his newspaper "morgue" (old files to you landlubbers) comes up with one of those ancient literary gems, which never seem to grow old.

Such was the case recently, when Ollie Newdecker, editor of the Sleepy Eye Herald Dispatch of Sleepy Eye, Minnesota, came across a poem with the title, "Grandmother's Perfect Day."

Ollie dusted it off, set the type again, and ran it with this comment:

"The obvious comparison it draws between the attitude of today and not too many years ago makes it worth repeating." We agree, so here it is—

GRANDMOTHER'S PERFECT DAY

Grandmother, on a winter's day,
Milked the cows and fed them hay,
Slopped the hogs, saddled the mule,
And got the children off to school.
Did the washing, mopped the floors,
Washed the windows, and did some chores,
Cooked a dish of home dried fruit,
Pressed her husband's Sunday suit,
Swept the parlor, made the bed,
Baked a dozen loaves of bread,
Split some firewood, and lugged it in,
Enough to fill a kitchen bin,
Cleaned the lamps and put in oil,
Stewed some apples she thought would spoil,
Churned the butter, baked a cake,
Then exclaimed "For mercy's sake
The calves have got out of the pen."
Went out and chased them in again,
Gathered the eggs and locked the stable,
Back to the house and set the table,
Cooked a supper that was delicious,
And afterwards washed all the dishes,
Fed the cat, and sprinkled the clothes,
Mended a basket full of hose,
Then opened the organ and began to play,
"When you Come to the End of a Perfect Day."

IN TEXAS**

**Dear Moms And Dads,
Please Visit Your Child's
School In Friona Next Week
During Public Schools Week,
March 5 Through 9.**

Your Kids

Administrators Log 97 Years Of Service

The four Friona school administrators have a combined total of 97 years of service to the Friona school system, and a total of 120 years total experience.

Superintendent of Schools Alton Farr, who has served 14 years in his capacity at Friona, is in his 37th year as a school administrator. He began his school career a little over 37 years ago as a principal at Bovina.

Farr spent nine years as a principal, and has served as a superintendent for 23 years. He was in a similar position at

Paducah prior to coming to Friona.

High School principal Raymond Cook has served in his capacity for the past 23 years, junior high principal Tom Jarboe is in his 22nd year, and elementary principal J.T. Gee is in his 14th year as a principal.

Gee spent 24 years as a vocational agriculture instructor locally, prior to becoming an administrator.

Visit Friona Public Schools
Next Week, March 5-9.

Education--A \$1.25 Million Industry For The Community

Education is a million-dollar business in Friona. The Friona Independent School District is operating on a budget of \$1,252,000 for the 1972-73 school year.

It costs roughly \$7,000 per day of instruction to operate the Friona school system. Looking at it in a different light, it costs about \$865.00 per student per year, using the current enrollment figure of 1,450 students.

The economic impact of the school system on the community can be seen in the fact that the annual payroll for the teaching staff and other school employees amount to approximately \$885,000 per year.

There are a total of 85 teachers in the system, including administrators, plus 45 employees such as secretaries, teacher's aides, cafeteria workers, bus drivers and librarians, making a total of 130 employees.

The school ranks second only to Missouri Beef Packers in terms of economic impact from a single local industry.

Seventeen of these additional employees work in the cafeteria, which has a budget for 1972-73 of \$100,000. Of this amount, some \$75,000 is spent for food and equipment, with the remainder going for salaries.

BUSING COSTS

Transportation costs the school system about \$19,000 annually, not including salaries. This is spent for new vehicles (one or two new buses per year), and maintenance. There are 14 bus drivers, plus the bus foreman.

The cost of operating the school plant each year—for custodial service, utilities, etc., comes to about \$50,000. The school pays out about \$8,000 annually for insurance, and around \$25,000 in capital outlay.

Instructional costs—including supplies, travel expenses, etc. amounts to about an additional \$45,000 yearly.

The school's bonded indebtedness averages around \$130,000 per year.

This gives the taxpayer an idea of what his annual school taxes are used for—and what a really big business is involved in the school system.

GROWTH CHARTED

An idea of how the school system has grown is seen in a comparison of enrollment figures. Enrollment in the Friona school system was 483 students in 1949. By 1962 this had grown to 1180, and at the present time the enrollment stands at 1450. This is a net gain of 967 students since 1949—a 200 per cent increase.

The number of teachers during this period has grown from a total of 23 in 1949 to 85 at the present.

Additions have also been seen in the school plant. The new high school building was completed in 1965-66 at a cost of \$1.25 million.

Superintendent Alton Farr said that the school listed the value of its properties at \$2,700,000.00, exclusive of land values.

Also added in 1965 were five new elementary classrooms, which replaced the "Old Red" two story school which

originally housed the entire school system.

BUILDING FINISHED

In 1957, a building program was completed which added the elementary school and gym. The primary school building, which houses first and second grades (12 classrooms) was completed in 1954.

The Junior High building, which was originally built to house the high school students, was used for the first time in 1951-52, after a fire destroyed the old high school plant. The junior high school gym was finished in the spring of 1950. It is now the oldest building on the school campus.

School Board

Members Given

Current members of the Friona School Board of Trustees include John Blackburn, president, Floyd Schueler, David Grimsley, Leroy Johnson, Doyle Elliott, Ronald Smiley and Wesley Barnett.

Smiley and Barnett were elected to the board last April. Blackburn, Schueler and Elliott's terms are expiring this year. Elliott filled out the term of Steve Messenger after Messenger moved from the city. He had placed third in last April's balloting which named two members to the board.

Grimsley and Johnson each have a year remaining on their terms.

Earnings Tied To Education

What is the difference in getting an education?

A survey made a few years ago stated that potential lifetime earnings for those people with less than eight years of schooling was an average of \$143,000.

Those with at least eight years of schooling could expect to make \$184,000 during their earning years.

High School graduates, the survey said, could expect to make an average of \$212,000 during their lifetime. Those with one to three years of college will make around \$352,000; and those who have four years or more of college training can expect to make \$417,000 during their careers.

The statistics were compiled by the Pennsylvania State Employment Service, and they are now about five years old, so the earning power has no doubt increased in the various levels—but the percentage of increase for the additional years of school would remain the same.
