HOPES OF SOLVING

ASE TERMED DIM ANGLETON, TEXAS. - (P) The decapitation Monday night of one of Texas' toughest prisoners Tuesday was blamed on homosexual attacks he had made on other prisoners.

This theory was advanced by the Prison System's general manager O. B. Ellis, in a telephone interview from Huntsville, prison

headquarters. The prison system manager said there was little hope of solving the case soon, because prisoners taking part or even viewing the murder would be afraid to talk.

Christmas Seals

Have you paid for the attractive Christmas Seals sent you last month by the Midland County Tuberculosis Association?

Many citizens returned their contributions promptly to get the campaign off to a fast start, but checks now are needed from those who have neglected to pay for their seals in order to complete the sale before the Christmas deadline.

The use of the seals on all letters and packages also is urged by the sponsors.

The Midland County Tuberculosis Association is financed solely from the seal sale returns, the organization's budget for 1949 corresponding with the Christmas Seal Sale goal of \$5,500. Few organizations which conduct such a broad and worthwhile program operate on so little money.

TUBERCULOSIS

The dream of scientists for years has been to discover a cure for tuberculosis. Research and experiment along this line has been unlimited. What has been accomplished by all this effort? It cannot be that money has been spared because there are still millions being spent.

Experiments along Chiropractic methods have absolutely proven, beyond question of a doubt, that the secret of the cause of tuberculosis and its removal lies within the boundaries of that science.

Every organ of the body is supplied by nerve fibers carrying vital energy from the brain to the various organs. It is upon this nerve energy that the health of the organ is dependent. If those nerve fibers passing to the lung, for instance, are being interfered with, the lung will function abnormally. If an excess of heat is expressed in the lungs, inflammation occurs. If nutrition and the ability to repair is deficient, and the heat is present in excess, then tuberculosis manifests itself.

There is a theory that tuberculosis is caused by a virus (germ) and can be contracted from one person to another by spitting. If this is true, someone had to spit first. Adam being the first man would have had to have tuberculosis, and would have had to spit the virus (germ) in order to spread the tuberculosis. If all this is correct where did the virus come from in the beginning?

It has been said that in two generations, tuberculosis can be eliminated by careful checking for T.B. carriers and supervision of T.B. patients. If this is true, what happens to the virus? It would be kicking around some-

Is tuberculosis caused by a virus or by a pressure on nerves leading to the lungs thereby causing them to function abnormally?

Who visited Here Gets Radio Spot

Russ Carley of New York, the "new look" or gentleman hobe who visited Midland last month enroute to the West Coast, has advised Midlanders he has been successful in his effort to land a guest "spot" on the "We the People" radio show. He will appear on the program January 11, singing a song which he wrote recently.

Carley, well-dressed and looking more like a successful businessman than a hobo, traveled from New York to Los Angeles, stopping at the best hotels and eating at top-rate coffee shops—all for free. He will relate some of his travel experiences on the radio program.

Colorado, Louisiana Gains Pace Increase In Crude Oil Output

TULSA, OKLA.—(P)— Colorado and Louisiana led the way as the nation's oil production picked up during the week ended December 11. The average was 14,670 barrels daily above the previous week's figures, the Oil & Gas Journal reported

Both states had new high produc tion for the year. Colorado gained 4,140 barrels daily to an average of 52,290, and Louisiana increased 2,600 barrels to 494,800.

The country's total daily average as compiled by the Journal was ,628,860 barrels. Other sizeable increases were in

the Eastern area, up 1,250 barrels to 62,000; Kansas, up 8,100 to 299,900; Montana, 1,010 to 26,4330; Wyoming, 5,820 to 162,410, and California, 1,000 to 955,000.

Texas Slightly Down Kentucky was up 100 barrels to 24,200, Mississippi increased 950 to 130,600, Florida gained 350 to 875 and Arkansas was up 850 to 81,700. The largest decreases were in In-diana, down 1,100 barrels to 24,000; Michigan, off 2,900 to 45,200; Okla-homa, 3,600 to 439,400 and Texas,

3,500 to 2,515,675. Illinois dropped 300 barrels to 178,400 and New Mexico fell off 100

Production was unchanged in Alabama, 1,250 barrels, and Nebraska, 350.

TESCO Dinner Is Slated Wednesday

More than 300 persons from Midland vicinity are expected to at-tend a Texas Electric Service Company dinner Wednesday night in the Crystal Ballroom of Hotel Scharbauer when a Quarter Century Club for electric company employes will

be organized. Five veteran employes of the firm will be honor guests at the banquet, and each will receive a gold watch for 25 or more years of service. They are John W. Drummond and James Thorn of Midland and R. Steele Johnson, C. W. Campbell and Shorty McGuire of Odessa. The watches will be presented by J. B. Thomas of Fort Worth TESCO president. R. L. Miller is

manager of the Midland district. The dinner will be attended by all TESCO employes in this area except those on duty at the time. Each employe has been invited to bring a member of his family as a

Revue Of Magic Is Presented Here

The Revue of Magic presented Monday afternoon and night in the Midland High School Auditorium by Dr. Gaffney and Company thrilled and entertained fairly large crowds of spectators who marveled at the startling acts of magic pre-sented by America's "cleverest magician."

The revue was presented under the sponsorship of the Lions Club, with proceeds going to the organization's welfare fund.

Dr. Gaffney was assisted by his wife and several other persons in putting on a wide variety of acts which drew rounds of applause. The show is on a tour of West Texas cities.
