

AT LITTLEFIELD

Chiefs, Wildcats Set For Showdown

It's a good thing that the World Series is over, because this is "football week" in Friona. This is the week that football fans have been waiting for since last August, and we predict that every able-bodied sports fan will be in Littlefield on Friday to see if the Friona High School Chieftains can add an important scalp to their collection.

As of this writing, the main concern, both by sports fans and by farmers, was on the weather.

Fans, farmers and just about everyone are pulling for it to clear off, but it is having a hard time getting the job done.

Speaking of the weather, you have to admit that those brave souls who watched last Friday night's game here against Olton were no "fair weather fans."

That had to be the most disagreeable weather we have ever seen for a game to be played in.

We don't know what the rules are regarding postponements, but it would appear to us that when conditions are as bad as they were here last Friday, something should be done along the line of postponing the game.

It ceases to be football when the teams fumble on virtually every play. It makes it hard to decide which team is best under game conditions such as these. About all it shows is which team "tucked out," and most Friona fans feel lucky to have gotten out of the game with a win.

Don't know if this could be considered a "straw vote" or not, but we were told that the students in our daughter Laura's room at school were asked to vote on the candidate they thought would be elected president.

An equal number voted for President Nixon and Senator McGovern.

Most of the time, the kids know who their parents are going to vote for.

It may be a closer vote in Friona than many folks think it will be.

Lions District Governor Raymond White of Hereford likens the Republicans' National Convention, which took three days to nominate Richard M. Nixon, to Adam sneaking up behind Eve in the Garden of Eden, putting his hands over her eyes and saying "Guess Who?"

White said the only worry the Republicans have at the present is who the party will nominate for president in 1976. He said that on the other hand, the Democrats were worried about who they nominated in 1972.

Isn't this a crazy country? In the middle of the summer, farmers hope and pray for a rain.

This time of year, they're wishing it would go away.

How times change: In 1933, a movie studio banned the use of the words dams, nursery, guts, housebroken and virtuous from its films as "unsuitable."

The song with the longest title is "I'm a Cranky Old Yank in a Clanky Old Tank on the Streets of Yokohama with My Honolulu Mama Doin' Those Beat-o, Beat-o, Flat-on-My-Seat-o, Hirohito Blues," by Hoagy Carmichael.

Abigail Adams was the only woman who was both the wife and the mother of Presidents of the United States. She was the wife of John Adams, and the mother of John Quincy Adams. James Buchanan was the only President of the United States who never married.

Merchants Set \$8 Promotion

Friona merchants are reminded that next weekend will be the monthly "Dollar Weekend" promotion for which they are requested to work up promotional buys.

Ray D. Fleming, representing the retail group, asks all merchants to get their specials worked up. Cost of participating in the promotion is only \$8.00 per merchant, provided they draw up their own advertisement.

Usually, the climax of the football season comes in the final game of the season.

This year, however, the climax could well be the eighth game of the year for Friona and Littlefield, whose grid hopes go squarely on the line Friday in Littlefield. Game time is 7:30 p.m.

Friona is 6-1 and sporting its best season record since 1964. Littlefield is 5-2, having fallen to Muleshoe and Floydada.

However, the season record will mean very little on Friday. Both teams will hit the field like sprinters in the Olympic finals—for this game could well

be for "all the marbles." Coach Bob Owen says the Chiefs will be at near peak physical strength for the game.

The winner definitely will have the inside track toward the district championship, and the loser would be all but eliminated, since the winner of this game would prevail in case of a tie for the championship.

The Chieftains of Coach Bob Owen will be out to prove the pre-season prognosticators, most of whom picked Littlefield to win the title, dead wrong.

Friona enters the game with a four-game winning streak, and boasts a defense that has allowed only six points in the team's last four outings.

The Chieftains, who downed rivals Farwell (34-14) and Bovina (26-6) prior to dropping a 14-0 decision to Muleshoe, have rallied for wins over Springlake, 47-0, Lockney, 25-6, Dalhart, 35-0, and Olton, 7-0.

The Wildcats, defending district champions, won their first three games before hitting a slump on two straight weeks. They have rebounded, however, and now seem to have things under control.

Littlefield won over Silverton, 38-0; Levelland, 34-6, and Slaton, 37-11, before stum-

bling to Muleshoe 42-14 and Floydada, 3-0. The Wildcats have rebounded for wins over Roosevelt, 17-14 and Dimmitt, 21-2.

Littlefield's main weapon appears to be its team speed. "They definitely will have the most speed of any team we have played. Their starting halfbacks have great speed, and even their two backup halfbacks have good speed," Coach Owen said this week.

In tailback J.E. Johnson and halfback Pat Henderson the Wildcats have running threats to offset Friona's James Bartlett and Louis Lee.

Johnson is second leading scorer in district to Bartlett with 48 points, and Henderson is fourth with 38 points. Henderson missed the Dimmitt game with a hip injury, but is expected to be ready Friday.

The game could produce some offensive fireworks, since nine of the district's current top 12 leading scorers will be in action.

Littlefield's fullback, Artura Soria, does not carry the ball much, but he got loose for a touchdown last week against Dimmitt. Behind Henderson come Lerner Lewis, who has scored 24 points (12 of them last week) and Larry Hohratsch, the place kicker who has accounted for 21 points.

Although their season record is a step behind Friona's, Littlefield probably has played a slightly tougher schedule. Besides their loss to Muleshoe, (Continued on Page 10)

Harvest Halted By Cold, Wet Weather

Farmers in the Friona area were growing weary this week of cloudy, cold weather, which had left up to two inches of moisture in the area the past week, and completely halted harvest operations.

The City of Friona had an official three-day measurement of 1.44 inches from Thursday through Saturday of last week. One advantage of the rain was that it fell gently, and every-

bit soaked in.

The rainfall probably kept the area from experiencing a freeze last Thursday and Friday mornings, as temperatures dipped to the freezing point, but the lightly falling rain kept plants from being affected, apparently.

"The weather hasn't hurt us yet," said an agricultural spokesman. "But we sure need it to clear off so the harvest can proceed."

Arthur Drake, manager of Friona Wheat Growers, said the local maize harvest had barely got started when the rain began last Wednesday. The corn harvest, meanwhile, was probably 95 per cent complete, Drake estimated.

The grain official said that judging by early loads of maize, the prospects were still good for a bumper crop in this number one cash crop for the Friona area.

"We know of several patches that appear will average 8,000 pounds to the acre. It's looking real good," Drake said.

United Fund Drive Nears 1972 Goal

The Friona Area United Fund drive for 1972 had reached 89.65 per cent of its goal as of Tuesday of this week, according to Cecil Maddox, general chairman.

"I now feel that we can reach the goal this year, since there still are workers and chairmen who have reports to be turned in," Maddox said.

As of Tuesday, a total of \$5200.00 had been deposited for the 1972 fund drive, just \$600.00 short of the goal of \$5800.00.

Maddox said he knew of another \$200 to \$300 that should be turned in, and expressed optimism that the goal would be met this year for the first time in a number of years.

Those who have not had an opportunity to contribute are urged to contact Maddox at Friona High School, so that the goal can be exceeded in short order.

GOVERNOR VISITS. . . Lions' District Governor Raymond White of Hereford (left) is shown visiting with Ronald Smiley, president of the Friona Noon Lions, during White's official visit to the Friona club last Thursday.

PR Course Here Is Courtesy Of Bank

A course in public relations presented by the Division of Extension of The University of Texas will be given in Friona from Tuesday, October 31 through Thursday, November 2. The three-night course, designed for managers, owners, and employees of retail, wholesale and service businesses, will feature discussions on such topics as General Public Relations, Personal Public Relations, Business Public Relations, and Community Public Relations.

Seek Student To Go Abroad In AFS Program

The local American Field Service chapter is interested in learning if any Friona High School junior or senior student is interested in going abroad in the exchange student program. Under the "Americans Abroad" program, students would only spend the summer (13 weeks) on the trip.

Those who would like further information are urged to contact high school principal Raymond Cook immediately.

Teaching the course will be Frank A. Driskill, Management, Public Relations, and Sales Specialist from The University of Texas. Mr. Driskill has been an instructor at Texas A & M College, spent seventeen years as a field representative for the Macmillan Publishing Co., has extensive experience in the political field, and has headed an Austin public relations firm. He attended Southwestern University, The University of Texas, and Texas A & M College, and holds B.A. and M.S. degrees.

Friona State Bank will sponsor the course in cooperation with the University organization. The discussions will be held at Friona State Bank from 7-9 p.m., beginning on Wednesday, October 31.

No registration fee or cost of any kind will be involved in the course, which is a community project courtesy of Friona State Bank.

Additional information on the course may be obtained by calling Jane Williams at the bank. "We hope that every businessman, their employees and anyone else in the community who is interested will attend the course," Mrs. Williams said.

Carnival Planned Halloween Night

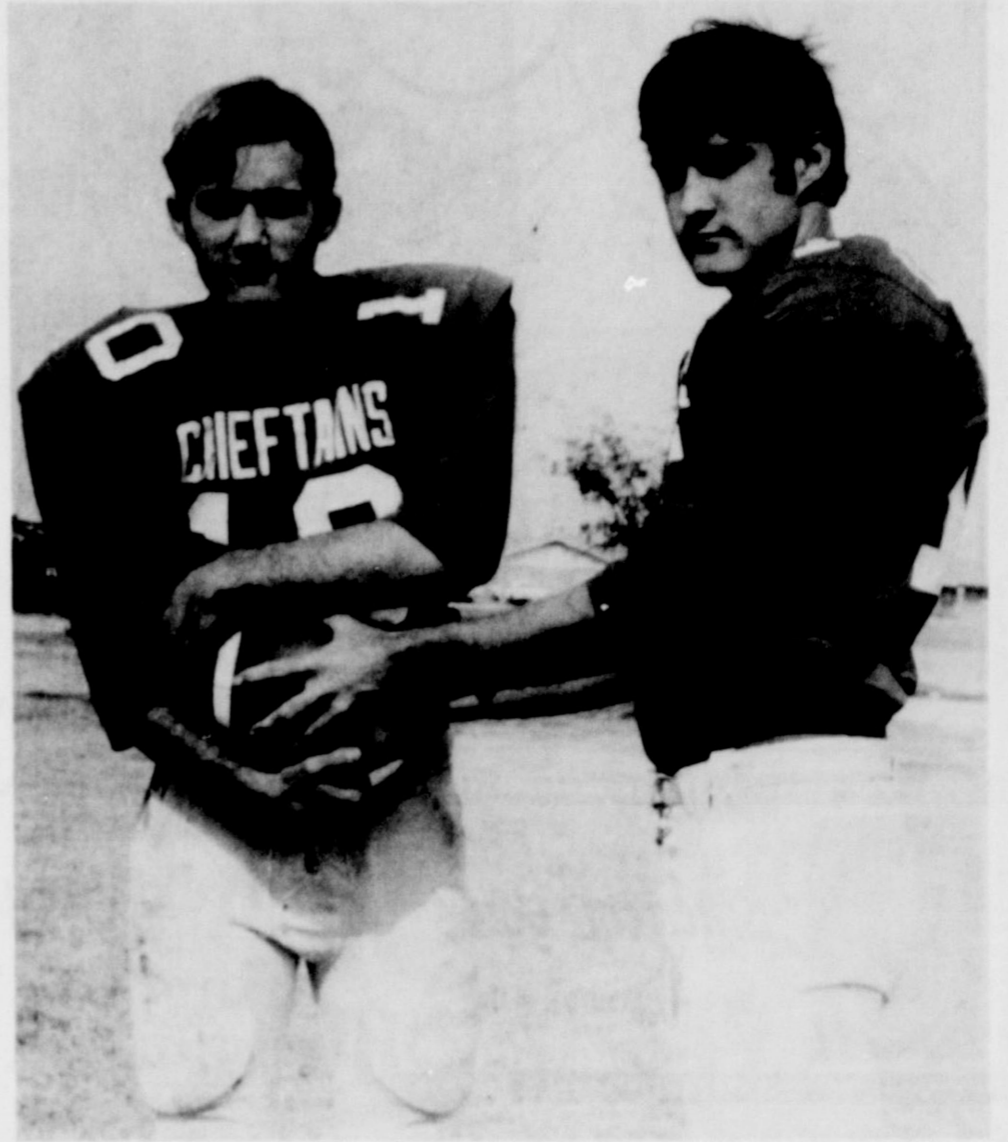

Following up last year's madden effort, the Friona Young Homemakers will sponsor a second annual Halloween Carnival in Friona next Tuesday night.

The carnival will be held at 517 Main Street (the old White's Auto location), and will begin at 7:30 p.m.

Clubs and organizations in Friona are planning booths to include such things as bingo, fortune telling, flea market, horror house, fishing pond, darts, baseball throwing, bobbing for apples, food concessions and others as the clubs may devise.

Linda Black, president of the Young Homemakers, urges clubs and organizations planning to participate to contact either her or Mrs. Jim Roy Wells by Friday so as to be included in the Carnival.

Last year's Carnival was originated by the New Horizons Junior Study Club, and proved to be a big success from the youngsters' standpoint, as well as a good fund-raising project for the clubs that participated. Parents are urged to send their children to the Carnival, and know where they are on Halloween Night, for supervised activities.

BANDY & BANDY. . . Clay Bandy, left, demonstrates how he might take a handoff from older brother Johnny, right. The Bandy brothers have played vital roles for Friona's football team this fall. Johnny is starting quarterback and does the punting. Clay is reserve quarterback, but has seen a lot of action as a running back, and is third in individual yardage gained behind James Bartlett and Louis Lee.

FRANK DRISKILL . . . PR Course

John Baca Winner In Grid Guessing

John Baca, longtime faithful entrant in the Friona Star's football guessing contest, claimed first place prize money for the first time in about five years, picking an upset or two, and then riding out the tide to finish first.

Four contestants were at the top of the heap of the contest's seventh week with scores of 13, with Baca claiming first place on the basis of his tie-breaker guess. Baca received the weekly cash prize of \$5.00.

Finishing second was J.L. Shelton, for the \$3.00 cash prize, and Jan Fleming claimed the third prize money of \$2.00. Baca was 21 points away from the Friona-Olton score, picking it at 21-7. Shelton was 22 points off, at 23-6, and Mrs. Fleming was 28 points off, picking Friona, 32-3.

Lucy Beth Hinkle was the fourth contestant to correctly pick 13 games, but was 30 points off on the score, guessing it at 24-13. All contestants picked the score much higher than it actually was, Friona winning, 7-0.

Ten contestants improved their standings in the grand prize race by correctly picking 12 games. They were Eugene

Ellis, John Frazier, Mrs. Fred Florez, Bryan Johnston, Clarence Monroe, Sam Meares, Alan Monroe, Mal Manchee, Mrs. Herb Seright and Bobby Zetzsche.

Thirty-one contestants correctly picked 11 games, 32 got 10 right, 38 picked nine of the 16, and another 32 had eight correct. Scores went on down to five correct, as it generally was a bad week for contestants.

Andrew Wilkins was one of the 31 contestants to correctly pick 11 games, and she reclaimed the lead in the race for grand prize in the contest, with a score of 83 after seven weeks. Fred (Judge) Barker, leader the past couple of weeks, fell to second place with a score of 82, getting nine right for the week. Gary Renner also picked 11, to tie Barker at 82.

Jerry Hinkle and Benny Pryor were also in on the "11" list, and they came up to tie Winifred Hurst for third place on the standings with scores of 81.

Clay Bandy, Joyce Broyles, Kay Dyess, Alan Hamilton and Wright Williams all are standing at 80.

Another weekly contest can be found on an inside page of this issue.

SWEEPSTAKES WINNERS. . . Forensics Coach Joy Morton, and debaters Trip Horton and Mickey Harrison proudly hold the trophies which the PHS Forensics team won at the Muleshoe Invitational tournament last Saturday. The boys debaters won the first-place trophy, and the team brought home the "Sweepstakes" trophy, symbolic of winning the team championship.

Friona School Lunch Menu

Week of October 20-November 3
 Monday--spaghetti ring and meatballs, buttered corn, hot rolls-butter, green beans, chocolate cake and milk.
 Tuesday--soup and chili, sandwiches, peaches and milk.
 Wednesday--hot tamales, pinto beans, corn bread-butter, mixed greens, cherry cobbler and chocolate milk.
 Thursday--barbecue on bun, potato chips, fruit jello, pork and beans and milk.

CATTLE AND LIVESTOCK BUYERS

FULTON, MISS., ITAWAMBA COUNTY TIMES: "The people who work for a company have a far larger stake in its success or failure than the people who own it. U.S. Government figures show that most companies pay out more than ten times as much in wages, salaries and employee benefits as they do in dividends to stockholders. If a company doesn't do well, a stockholder may have to go without his dividends, perhaps lose a part of his savings; but an employee may lose his job and his means of earning a living!"

MACON, MISS., BEACON: "The Chinese Communists, now that they've been welcomed into the United Nations, are making a great many expensive demands. One of them is a special translation privilege, involving the hiring of scores of printing of countless documents altogether costing the U.N. an extra \$5 million a year. Our Chinese friends who were kicked out to make room for the communists--never needed and never requested such special treatment. Guess who's picking up that extra \$5 million tab? That's right: You are, the American taxpayer."

WELCOME TO FRIONA

Our newcomer this week is David Goddard, who is a financial officer for Friona Industries. Goddard is a native of Odessa, and came to Friona from Lubbock. He is a graduate of Texas Tech, with a degree in business. He is single, residing at 910-C West Ninth. Goddard is a Methodist.

Sincerely Yours
 By Rev. Albert Lindley

Have you done any reading lately for the purpose of increasing your spiritual content? Let me recommend a book for your study that should be a delight for you--as well as help in some understanding of the Book of Romans.

It is entitled: "How To Be A Christian Without Being Religious," by Fritz Ridenour.

Now, on first hearing the title you might wonder at just what he is trying to pull, but stay with it for a couple of pages and his explanation will send you into a great experience of study and I dare say--might even help you. . . .

There is something good about being able to know what it is all about by just reading a couple of pages, too. Then the real trip begins.

Ever so often a truly wonderful and meaningful book can come by which is worth more than its paper-back price. I know I don't very often use this as a book review--or preview--but then, these don't happen very often.

It is simply a recommendation of mine to you for some very fine reading.

For some strange reason I have been really trying to do something with some worth and to say something with real meaning ever since I heard a report on a finding by Dr. E. Stanley Jones, a noted leader in the area of Christian thought and action.

He tells of finding in some church records in New England, this account: "The formation of a committee to get rid of the squeak in the pulpit."

Now friend, that should cause any well meaning pastor to check on all committee purposes. . . .

I'm not really prepared to suggest this as the fore-runner of the noted "pulpit committee" but I do think it highly suggestive that it might have had something to do with the relationship of the pastor to the congregation. . . .

So, ever since I found that little committee that I haven't found the purpose for, yet, I have been acting better, like telling about good books to read and study. . . .

Regardless if you are on that committee or not, I still think it would be well for you to read the book.

Mrs. Lloyd's Rites Set

Funeral services are scheduled for 3 p.m. Thursday for Mrs. Julia Lloyd, 88, who passed away Wednesday evening.

Services will be at the First Baptist Church in Friona. Rev. Charles Broadhurst of Friona and Rev. Larry Heard of Bovina will officiate.

Burial will be in the Friona Cemetery, under the direction of Parsons-Ellis Funeral Home.

A resident of Friona since 1933, Mrs. Lloyd had been a resident at LaCasa Convalescent Home in Canyon.

Survivors include a daughter, Mrs. Lester Smith of Friona; four sons, Buddy and Fred of Friona, and Travis and Buck of Bovina. Nineteen grandchildren and 50 great-grandchildren also survive.

Palibearers will be Phillip Lloyd, Don Lloyd, Dwayne Lloyd, Rodney Hinkle, Lloyd Woods, Larry Webb, Roy Smith and Robert Lloyd.

Honorary palibearers will be Raymond Cook, Roy Miller, Elroy Wilson, Marvin Jordan, Wildon Moody, Cary Jo Magnness, Gaylon Rhodes and Johnny Brand.

AN EDITORIAL
Advertising Helps Bring You The News

Publishing a newspaper has become an extremely costly business. Costs of labor, administration, services, supplies and distribution have escalated like everything else.

If readers of this newspaper had to bear the entire cost of its publication, they would pay many times the present per copy rate. They actually pay less than a third of the actual cost.

Advertising pays the difference. Advertising is a helpful and wanted service for newspaper readers.

People long ago recognized newspapers were an ideal means of bringing buyers and sellers together.

No newspaper has existed for long without advertising, although some have tried. Time after time polls have shown that, given a preference, people prefer newspapers with advertising.

It's an essential and informative part of this and every other newspaper.

Community-Wide Sale Draws To A Close

The Hospital Auxiliary's Community-Wide Garage Sale will be drawing to a close this week, according to co-chairmen Mrs. Dan Ethridge and Mrs. Buddy Wiseman.

The sale, located at 510 Main Street, will be open from 2 to 5 p.m. on Thursday and Friday of this week. The Auxiliary members will however, keep the place open later if anyone so desires.

Prices on all merchandise are being marked down for the last week of the sale. Clothing, household items, glassware, toys, games and books will all be going at greatly reduced rates.

Residents from all over the Friona area have donated good merchandise to the sale. Proceeds from this event will, as in years past, go to benefit the Farmer County Community Hospital. The public is urged to support this worthwhile organization in its efforts to provide the area with good hospital facilities. Tell your friends.

HOSPITAL REPORT

Admissions:
 Mrs. Jerry Hess, Friona; Margaret Ballew, Friona; Cynthia Brailiff, Friona; Iris Stephenson, Friona; Domingo Rodriguez, Dimmitt; Eva Robertson, Friona; Hubert Payne, Farwell; Ernestine Ramirez, Bovina; Mrs. James Head, Friona; Otto Hammonds, Bovina; LaMuriel Stowers, Bovina; Hazel Kendrick, Hereford; Vonita Drager, Friona; Sam Billingsley, Farwell; Mrs. Benny Mahen, Friona; Susie Short, Friona; Sharon Young, Friona; Mercedes Meza, Hereford; Herschel Johnson, Friona; David Rodriguez, Friona; Earsel Taylor, Friona; Ralph Broyles, Friona; E.F. Billingsley, Farwell; Charlie Gray, Bovina; and Dionisio Rodriguez, Bovina.

 *All Businessmen, Employers And Employees Are Especially Urged To Attend

FRIONA STATE BANK

OPEN HOUSE PRIZE. . . Modlin Walker, right, is being presented the "2001" tape player, AM-FM radio which was the grand door prize at the open house for Friona, Texas Federal Credit Union Sunday. Don Segovia of the Credit Union staff makes the presentation.

How did you like our "freeze" last week. I could hardly believe my eyes when I saw tomato vine leaves covered with ice on Thursday morning. My first thought was, "It just can't be that cold."

However, when I saw the same tomato vine leaves still green on Saturday afternoon, I just gave up and quit thinking about the weather. If there has ever been such a weather oddity in West Texas, I failed to see it.

We're still enjoying roses in our front yard and Buster and Nell Davis, who live a couple of doors north of us have more blooms than we do. I've grown accustomed to having beautiful fall flowers after I've seen ice, but roses-well that's part of my unbelievable story.

Cheerleaders To Decorate

The Friona High School cheerleaders plan to paint cars, car windows, decorate cars with crepe paper, and whatever else they can think of in an effort to promote school spirit prior to the Littlefield game.

The cheerleaders will be doing their thing on the high school parking lot between 3:45 and 5 p.m., Thursday. The paint they use will be washable, they assure car owners. Those wanting to get their car decorated are invited to come by.

Local Girls To Appear On State Program

Carolyn Murphree and Terri Bingham will appear on the Texas Baptist Woman's Missionary Union Convention in Abilene, on October 30.

Carolyn will sing the song, "Something Good Is Going To Happen To You," and at the same time Terri will "sing the song in sign language" for the deaf. Both girls are active in the choir, missionary and youth programs of the First Baptist Church.

School ACTIVITIES

Committee Sets Goals For Combating Drugs

Friona's Community Action Committee, following a meeting with Howard Pharr, regional director on the Governor's Committee on Alcohol, Narcotics and Related Crimes, has established three goals for the city in relation to the drug problem.

First is the establishment of a youth activities commission. Second is the establishment of a "Hot Line" with the mental health center in Plainview, where people can get immediate information on help from a professional, on a 24-hour basis.

Thirdly, was sponsoring the attendance by school Counselor Baker Duggins at a Community Social Seminar sponsored by the Department of Health, Education and Welfare in Amarillo October 30-31, Novem ber 1-2.

Duggins is to be trained to hold community seminars with any interested groups or individuals, such as nurses, parents and officials.

Duggins said it probably would take about 90 days to establish the "Hot Line" between Friona and Plainview, and said until that time, those needing to may call either himself, Dr. Paul Spring or Doyle Elliott to discuss drug problems, without having to give their names. Information will be kept confidential, he promised.

Pharr met here with the three school principals, Elliott, Duggins, Dr. Spring, city manager Jake Outland, police chief Bill Denney, Jim Hulett, drug coordinator for the Amarillo Service Center, and the executive committee of the Student-Faculty Congress, Davey Hill, Carol Reeve and Mary Beth Bennett.

Duggins said he was hopeful that the goals established by the local committee would provide a means of combating the drug problem where it exists, rather than merely treating the symptoms.

FHS Forensics Team Wins Muleshoe Meet

Friona High School's forensics team won the sweepstakes trophy in the Muleshoe Forensics Tournament last Saturday.

Twelve schools were entered: Denver City, Muleshoe, Amarillo High, Friona, Olton, Hereford, Levelland, Dumas, Clovis, Dimmitt, Springlake-Earth and Peshenle.

Friona won the title with 116 total points to 114 for runnerup Denver City.

Friona debaters, Trip Horton and Mickey Harrison won their event with a 5-0 record and 190 speaker points.

No finals or semi-finals were held. Points were awarded for wins in debate, and first, second and third in each individual round.

Other students entered were: debate--Mark Shackelford and Brent Hall; Carol Bavousett and Lisa Edelman; Pam Veazey and Robin Stanfield.

Prose--Hope Matsy, Cindy Barnett, Terri Patterson, Cindy Lundy, Phillip Duggins, Joe Jones and Kyle Shelton.

Poetry--Gary Stone, Kay Cochran and Janet Rodgers.

Informative speaking--Carl Evans, Danny Simpson, David Renner, Susan Garner, Diane Rodgers and Gail Graham.

Persuasive speaking--Dawey Hill, David Hardgrove and Hilley Steptenson.

8th Graders Are Edged

The Eighth Grade Braves lost a 14-6 decision to Olton last Tuesday.

Friona had led at the half, 6-0. Lester Aven picked up nice yardage, and scored on an eight-yard run in the second quarter. The extra point failed, and the score was 6-0, Friona.

The second half saw Olton come from behind, scoring early in the third quarter. The PAT try failed, and the score was tied at 6-6.

In the fourth quarter, Olton scored on a pass interception and ran across two PATs to make the score 14-6.

The Braves went to the air in the final quarter, but could not connect.

Friona's defense against the run was excellent. In the first half, Olton gained only four yards rushing and 23 in the second half. Olton gained 49 yards through the air. The Braves had 84 yards rushing and 68 yards passing.

7th Grade Loses Game

The Seventh Grade Braves dropped a 22-6 decision to the Olton seventh graders in a game at Olton last Tuesday.

Most of the scoring came early in the game. Olton took the opening kickoff, and quickly drove in five plays for a touchdown. A running try for points was successful, and Olton was ahead, 8-0.

Raul Brallif fielded the kickoff on his own 15 and raced 85 yards for a touchdown. Terry Wilcox ran for an apparent two-point play, but an offside penalty wiped out the play. The second try failed, and Olton still held the lead, 8-6.

Olton scored prior to halftime on a two-yard thrust for a 14-6 lead, and added another touchdown and two-point conversion early in the fourth period for the final margin of 22-6.

Pep Rally Is On Tap Friday

Friona residents are invited to attend the Pep Rally at Friona High School at 3:15 p.m. Friday, and help boost the Chiefs toward a win over Littlefield.

"We urge everyone to attend the rally, whether they have kids in school or not. We need to show the players the entire community is behind them," said a representative of the FHS cheerleaders, who are in charge of the pep rally.

HARD-NOSED DEFENSE...The interior line for the Friona Chiefs, which along with the other defensive players have allowed only 40 points this season and just six points in the last four games, is shown above. From the far left are James Perea, Mark Walters, Willie Bailey, Terry Thompson and

Kevin Wiseman. Those round white stickers on the helmets are the "Tomahawk awards" which are presented weekly for outstanding defensive play. The line will get one of its stiffest tests this Friday at Littlefield.

OLTON FALLS, 7-0

Chiefs Overcome Elements In Win

The dangerous Olton Mustangs--plus a cold, rainy Friday night and a wet field--provided an ominous setting last week that sometimes spells "upset" in football.

However, the Friona Chiefs withstood all of these elements to claim a 7-0 win over their old nemesis from Lamb County, and broke into District 3-AA play on the winning side of the ledger.

Sophomore Clay Bandy, who has had to settle for "second fiddle" roles as a backup man for whoever was out of the starting backfield this season, cashed in an opportunity, and played a starring role in the important win.

Bandy, who came on to start the second half after fullback Mario Perea became ill, broke on a 58-yard scoring run on the second offensive play of the third quarter, and that and Kevin Wiseman's successful kick turned out to be all of the scoring in the cold, dreary district opener.

The two teams had swapped fumbles throughout a "comedy of errors" first half which saw the ball change hands seven times. Every time a team fumbled the ball, it lost possession.

Friona drove from its own seven to the Olton 36 before losing the slippery pigskin in the first quarter. The opening period had probably the best playing conditions of the night, as the rain let up during the first part of the game.

The Chiefs lost the ball three other times, once after only one play with the ball, and twice on the third play of a series.

After talking over the situation at halftime, when it appeared

that the teams might be heading for a scoreless tie with the possibility of penetrations coming into play (neither team had one at the half), the Chiefs came out with renewed determination.

Johnny Bandy returned the second half kickoff from his own 15 to the Friona 35. On the first play from scrimmage, Clay Bandy darted through the line for a seven-yard gain. This looked so easy that brother Johnny called his number again.

This time, Clay broke into the secondary, veered to the outside, and won a footrace on the treacherous turf to the Olton goal. Wiseman, who had kicked only one out of ten PATs, made this one good, and Friona fans breathed a little easier as the scoreboard showed Friona 7, Olton 0. Only 52 seconds had elapsed in the third quarter.

The Chiefs forced Olton to punt and took over on their own 14. Clay Bandy gave the team a pair of first downs, and Johnny ran the keeper play for another, as the team moved into Mustang territory. However, the drive stalled and Johnny punted to the Olton 15.

On the first play, Olton fumbled. Terry Thompson recovered for Friona and the Chiefs were back in business on the Mustang 14.

The slippery footing got the best of this opportunity, as three plays found the ball only to the 10. On fourth down, Wiseman tried a field goal from the 17, and it was barely wide. This came with 2:16 left in the third quarter.

On the second play of the final quarter, Louis Lee, unable to break away most of the night, finally got into the se-

FRIONA INVADES

Shootout Looms At Littlefield Friday

By Don Henry

Last year's district showdown did not come until the season's last two weeks; this time, it's the first two weeks.

History may record the Littlefield-Friona game as being just another game, but after seven weeks of action, it has the earmarks of a championship shootout. And it will take place in Littlefield.

Friona comes in with a 6-1 record, best in District 3-AA, and Littlefield is just a step behind at 5-2. Each is 1-0 in district after opening with victories on a rainy, sloppy Friday night.

Friona won its battle from Olton 7-0 and the Wildcats dropped Dimmitt 21-2. And, to the Wildcats' credit, they are the defending champs, after winning a first-down battle with Floydada after a 0-0 standoff in the late stages of the 1971 season.

"Usually, we stopped ourselves," said Owen. "A fumble or penalty, something. And at times, it looked like we were going to make good gains, but our backs would slip down."

The victory was Friona's first over Olton since 1966.

Littlefield opened its bid for a repeat trip to the playoffs by scoring in the first period and only a third-period safety prevented it from posting a shut-out. Lerner Lewis got the first touchdown and came back to score again in the fourth period, on a 45-yard sprint. The second TD upped the count to 14-2.

Littlefield also played in a sea of mud.

Morton's Indians kept their uniforms clean and dry last week, as they had an open date. But they get into the district scrap this week at Olton, in the other 3-AA contest.

Dimmitt gets its first breather of the season, as coach Brown L. Smith's troops were assigned the second off week in the district slate.

Area AA Standings

3-AA SEASON STANDINGS

Team	W	L	T	Pts.	Op.
Friona	6	0	1	174	49
Littlefield	5	2	1	131	78
Dimmitt	2	4	1	81	113

Last week's results—Trina 14, Aberratio 0; Floydada 23, Rails 0; Lockney 30, Idaho 0. Friday's schedule—Floydada at Aberratio; Trina at Idaho; Lockney at Rails.

Ken McLellan

Broken Axle Stymies McLellan Repeat Bid

Friona's Ken McLellan, defending World champion in the Super Stock Eliminator division of the National Hot Rod Association, saw his chances to repeat go down the drain when the rear axle of his Ford "Cobra-stang" snapped.

The popular racing star had walked away with the world's Super Stock championship a year ago after wading his way through a rugged field of challengers, and was among the favorites to win the title this year.

The World Championships were held for the second straight year at Amarillo Dragway.

McLellan was the only champion from Texas in 1971, and no one from the Lone Star State was in the winner's circle after his unfortunate equipment trouble.

Hale Center's Roy Rastetter and Lubbock's Raymond Beadle, the only other real Panhandle hopes in the event, were stopped just short of victory.

Dave Boertman of Muskogean, Mich., last year's winner in the Stock Eliminator class, moved up to win the Super Stock after McLellan's unfortunate circumstance.

One of the challengers in this division was female racer Judy

Lilly of Golden, Colo., a petite housewife who earned a World Finals starting berth for the fifth straight year, but has been unable to win the title.

Boertman, after winning the Stock Eliminator crown a year ago, switched to the faster and quicker Super Stock category for 1972. He drives a 1972 Dodge.

Late Score Saves "Bs"

A last-quarter pass interception returned for a touchdown, and the all-important run for two points gave the Friona B-team an 8-6 win over the Olton B-team at Olton last week, and kept the B-Chiefs unbeaten for the year with a 6-0 record.

Trailing 6-0 with only three minutes left in the game, Henry Hernandez got the team on the scoreboard by intercepting a pass and running about 15 yards for the touchdown. Halfback Weldon Peace ran across the two extra points for the difference in the game.

Gene Strickland intercepted yet another Olton pass in the closing minutes of the game, and Friona was able to control the ball the rest of the way.

DEFENSIVE PLAY...The Friona Chiefs defense is shown making a good play in the Dalhart game week before last. Chiefs in the photo are Ricky Johnson, Rex Minshew, Frankie Saiz and Bill Fallwell.

Friona Squaws Will Play In Annual Clinic

The Friona Squaws have been chosen to participate in the fifth annual Flying Queen Basketball Clinic which will begin at 9:00 a.m. on Saturday, November 4, 1972. The site will be the new Hutchinson Center on the Wayland College campus. The morning program will feature outstanding high school coaches using their own players in floor demonstrations. The world famous Flying Queens will present fundamentals and game tactics that should prove interesting to players, coaches and spectators.

Teams will begin a series of games. Other schools that will be playing will be Spearman, Canyon, McCamey, McLellan, Hale Center, Slaton and Valley.

Four games will be played with each school participating in one. Teams have not been matched up as of now. Game times are at 3:00, 4:30, 6:00 and 7:30.

Admission to the ball games is \$1.00 for adults and 50¢ for students.

This is one of the best girls basketball clinics in the nation. A record number of players, coaches and spectators are expected.

Starting at 3:00 p.m. Saturday afternoon, some of the outstanding high school girls basketball

BANDY GAINS...Clay Bandy, who scored the only touchdown in Friona's 7-0 win over Olton last week, is shown here picking up a short gain in a recent game. Bandy, who has been used mainly as a utility player, has been the team's leading rusher in three of the seven games, and is only a sophomore. He also starts on defense.

**TO
CELEBRATE
AND
OBSERVE
NATIONAL
COOPERATIVE MONTH
DURING OCTOBER WITH US**

October is Cooperative Month

Cooperatives
are good
business
plus

Cooperatives are people in business to serve people. They're good business—but with a difference.

They are all kinds of people, working together to meet just about any sort of need imaginable . . . electric and telephone service, credit, getting farm supplies, insurance, housing, health care, marketing, and on . . . with efficiency, economy, and warm understanding.

Today's user-owned cooperatives — marketing, purchasing, or service — fit into the contemporary scene like hand in glove.

People in cooperatives are now people, actively participating in programs for community development, improving the environment, and bettering the quality of life for everyone, everywhere.

Cooperatives serve — by placing priority on people, making them a vigorous part of the American business system.

That's the big PLUS.

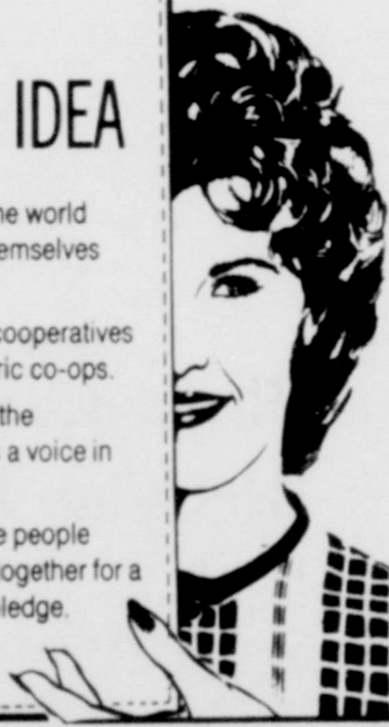

a good word for a **GOOD IDEA**

And you can't keep a good idea down. All over the world people are working together, to make life better for themselves and others.

In our own country, millions share ownership in cooperatives of all sorts—from city apartment co-ops to rural electric co-ops.

So what makes a co-op different? This: it serves the people who own it at cost. Each consumer-owner has a voice in running the co-op; one member, one vote.

October is Co-op Month. All over the country, the people of America's cooperatives are committed to working together for a better tomorrow. We are proud to help carry out this pledge.

Knitted fabrics are the darling of the textile industry and indications are that they will be for many years to come.

What makes knitted goods so desirable? Many good qualities are inherent in them regardless of varying fiber composition.

Knits are made from fibers which are interlocked in a series of connecting loops.

Warp knits are made from hundreds of parallel yarns on one set of needles, each one of which forms loops along the length of the fabric.

Care instructions differ with fiber content as well as trims, linings and interfacings, therefore, it is imperative to check labels and hang-tags. The fol-

gle or flat, and are made from one continuous strand of yarn forming horizontal rows of interlocked loops. Double knits are made using two sets of needles, resulting in two layers of fabric which cannot be separated.

Knitted goods can be made from a variety of fibers including polyester, cotton, acetate, wool, nylon, triacetate and many blends.

Generally, washable knits made of manmade fibers such as polyester, acrylic and nylon, and blends of cotton or rayon with a manmade fiber (this portion should be at least 50% of the blend) hold their original size better than knits made of cotton or rayon.

Secretary Butz To Speak To Cattlemen

Secretary of Agriculture Earl L. Butz will be the headline speaker at the Sixth Annual Convention of the Texas Cattle Feeders Association, October 30-31, in Amarillo.

"Secretary Butz is just one of our varied and exciting program," says Tom Herrick, President of the TCFA.

Butz will speak Tuesday morning, October 31, at the Amarillo Civic Center, where all sessions will be held.

Other highlights of the program include a panel on Monday afternoon: "Beef Promotion-Are We Really With It?" led by George Spencer, Executive Vice President of the American National Cattlemen's Association.

EARL L. BUTZ

Association in Denver. Assisting him will be four commodity promotion specialists: J. Duks Wooters, President, Cotton, Inc., New York City; Samuel D. Flowers, Director of Publicity, Florida Citrus Commission, Lakeland, Florida; M.J. Framburger, Executive Vice-President, American Dairy Association, Chicago; and Marie Tyler, Chairman, IIC Committee, American National Cattlemen's Association, Bismarck, North Dakota.

"The American Housewife Speaks Her Mind" is another panel on Tuesday afternoon, which Herrick promises "will be spirited and provocative."

There were over 600 directors and wives attending the convention. There were over 100 from the Panhandle and South Plains area who flew to the convention.

Doyle Hutcheson, State President from Weatherford, gave his annual report including actions taken on pending legislation and appropriations.

All talks presented were based on the theme of the convention, from the environmental, urban, agriculture, local governments and conservation view points.

Honorable Dolph Briscoe addressed the convention Wednesday night. There were a number of resolutions passed at the convention which will be covered in news releases during the coming weeks.

On The Farm In Parmer County MACK HEALD County Agent

SCREWWORMS STILL SOARING

September's screwworm score set a new state record, as Texas reported 16,882 outbreaks. Officials at the Mission lab said "It was the worst September since the eradication program was launched in 1962."

Southwestern states also suffering screwworm setbacks in September were Arizona, New Mexico and Oklahoma.

Records were set in the three states as Arizona recorded 656 cases, New Mexico 480, and Oklahoma, 476.

Kansas, a state traditionally free of the screwworm pest, had two cases confirmed in September. California added two more cases to its 1972 total, and Arkansas had one confirmation.

Outbreaks in the seven southwestern states boosted the national tally for September to 18,499 cases.

August case confirmation for all states totaled 19,147. However, officials at the Mission Center attribute the slightly higher case count for August to "generally better reporting of cases by livestock industry groups" that month than in September.

Cumulative totals for 1972 cases through September are: Texas, 71,651; Arizona, 1,564; New Mexico, 894; Oklahoma, 682; California, 9; and Arkansas and Kansas, 2 each.

The national tally for 1972 now is 74,804 cases.

STERILE FLY DISTRIBUTIONS A whopping 826 million flies were reared and distributed by the Mission Center in September.

Most of the Texas drops are presently concentrated in Central and South Texas, generally considered to be the "overwintering" area for the flesh-eating livestock pest.

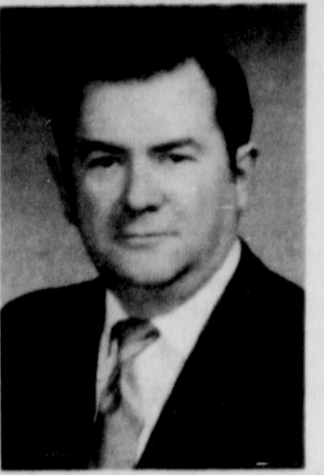

Lighter concentrations include weekly drops of from 1,200 downward to 1,000 per square mile in areas of Southeast Texas.

McNair Tells Sale Manager

W.E. "Bill" Johnson, whose entire business career has been spent in association with farmers and ranchers in the southwest, has become Southwest Regional Sales Manager for McNair Seed Company.

Bill Johnson

His experiences with farm people includes employment by Texas A & M Extension Service; marketing, distribution and servicing of a full line of agricultural chemicals, plus agricultural personnel training and management in southwestern states.

Recently Johnson has been with the Agro-Systems Corporation providing farm management information to farm operators to assist them in budgeting, cost analysis, and planning in detail for specific operations.

"Significant additional momentum to increase acreage planted to McNair's new products by farmers in Johnson's region is inevitable," says Gene H. Walker, Director of Marketing for the McNair Company.

"This will be due to his know-how, administrative ability, energy and winsome personality."

Man May Turn To God In Times Of Despair

Read Psalm 16; Matthew 8:23-27

I keep the Lord always before me; because he is at my right hand, I shall not be moved. (Psalm 16:8, RSV)

The character of Jerry Cruncher in Dickens' novel "A Tale of Two Cities" is anything but admirable. This surly man, feeling no need for God, abused his wife every time he caught her praying for him on her knees--"flopping" he called it.

There is a bit of Jerry in most of us. When skies are cloudless, we feel self-sufficient. We feel little need to turn to God. But with the first thunder-clap of adversity, there we are on our knees, beseeching, "Lord, save us; we perish."

Our cry from the depths will not go unheeded, for God is merciful and quick to save. By the riches of His grace, He will heal the broken relationship and restore the penitent. But how much greater the joy of living in unbroken fellowship with God under all conditions of life!

PRAYER: Pardon our neglect and indifference, heavenly Father. We open our hearts to Thee, that in the best of times or the worst of times we may abide in Thy love. In Jesus name. Amen.

THOUGHT FOR THE DAY: In the best of times or the worst of times, I will look to God.

--Mary K. Wilson (Pennsylvania)

Lanelda McDaniel Buried In Texico

Funeral services for Mrs. Lanelda McDaniel of 917 West Manana, Clovis, were conducted from First Baptist Church in Texico at 11 a.m. Monday, with Rev. John Summers, pastor, officiating.

Mrs. McDaniel, who died at her home Friday evening, was a former resident of the Rhea Community.

She is survived by her husband, Lester; two children, James Lynn and Nike Laqueta, both of the home; her parents, Mr. and Mrs. Willie Wall, Texico; and two sisters, Jody Wall of Abilene and Marquetta Cash of Clovis.

Palbearers were Jim Walker, Chuck Bradley, Pete Harrison, Donald Hale, Jim Pierce and Bud Pearce.

Burial was in the Texico Cemetery.

Former Frionan Dies In Houston

Graveside services for Camille Elmore Onukewich, 43, were conducted at Friona Cemetery at 2:00 p.m. Monday with Rev. Albert Lindley, pastor of First United Methodist Church, officiating.

Mrs. Onukewich, who was the granddaughter of Mrs. Emma Elmore and niece of W.V. Elmore and Mrs. Dick Rocky, is a former resident of Friona.

She was an LVN at St. Luke's Hospital in Houston.

Other survivors include her husband, Walter Onukewich, and two daughters, Candy and Susie Black, all of Houston; and her mother, Mrs. Carolyn Laughlin of Dallas.

Local arrangements were made by Parsons-Ellis Funeral Home.

October Observed As Co-op Month

Robert D. Partridge, general manager of the National Rural Electric Cooperative Association, announces that October is again being observed as Cooperative Month under the theme "Cooperatives Serve."

A National Planning Committee for Cooperative Month in Washington, D.C., with Secretary of Agriculture Earl L. Butz as Chairman—chose this national theme.

Throughout the month cooperatives across the country will be holding special events, providing information to the news media, and conducting other activities to graphically tell how cooperatives serve their members and their communities.

Among the ways Cooperatives Serve are these:

- By placing priority on people
- By giving user-owners a business grip
- By creating needed rural leadership
- By working for the best interests of a large number of people
- By providing jobs in rural communities and other areas
- By increasing member and community income
- By providing markets, farm supplies and services, rural electricity, rural telephones, irrigation, housing, insurance and many other vital needs.

The National Planning Committee has also announced it will present national awards during October in three categories: Cooperative Statesmanship, Cooperative Communications and International Cooperative Development. Nominations will be made by the states to the Washington committee.

This national committee consists of the National Advisory Committee on Cooperatives to the U.S. Department of Agriculture. Its members are the American Institute of Cooperation, Cooperative League of the USA, National Council of Farmer Cooperatives, National Federation of Grain Cooperatives, National Milk Producers Federation, and National Rural Electric Cooperative Association.

"We of America's consumer-owned rural electric systems proudly join in observing

Yearbook To Go On Sale

The 1973 Chieftain yearbook will be on sale from November 1 through November 10, according to Mrs. Dub Cleveland, yearbook sponsor.

The cost of the yearbook is \$7.00; and those wishing to do so may make a \$4.00 deposit and pay the balance upon delivery, which will be in the summer.

Anyone in the community wishing to purchase a yearbook is invited to contact Mrs. Cleveland at the high school.

Frionan's Aunt Buried Thursday

Final services for Mrs. Laura Jane Gilbreath, 92, along time Muleshoe resident, were conducted from Muleshoe Church of Christ Thursday afternoon. Royce Clay was the officiating minister.

She and her husband, the late J.T. Gilbreath, who died in 1947, operated a grocery and feed store, Gilbreath & Son Grain Company, until his retirement in 1942.

Survivors include two sons, Rufus Gilbreath of Muleshoe and Hubert Gilbreath of Brady; one daughter, Mrs. V.L. Miller of Fort Worth; two sisters, six grandchildren and 14 great-grandchildren.

Mrs. Gilbreath was an aunt of Mrs. Ellis Tatum.

Church Sets Turkey Feed

St. Ann's Society is holding its annual turkey dinner on Sunday, Nov. 5 at the Parish Hall in Bovina.

The society will also have a country store, and plans to give away a portable television set.

Mrs. Lois Hall Is Buried Here

Mrs. Lois Mae Smith Hall, 80, who had been living at Golden Spread Nursing Home, Dimmitt, for the past four years, died Thursday, October 12 there.

Mrs. Hall, who was the widow of Virgil Hall, was born January 10, 1892 in Birmingham, Mississippi, was a former resident. Her husband, who was a carpenter, died in Dimmitt three years ago.

Funeral services were conducted from Dennis Memorial Chapel with Cecil H. Shelton, Church of Christ minister, officiating.

Survivors include two sisters, Mrs. Lottie Hall of Muleshoe and Mrs. Lula Lesley of Memphis, Tennessee; and one nephew, Murray Hall, who lives at Dimmitt.

Palbearers were Bill Harman, Don Hargrove, Harry Roberts, Earl Griffitt, Lester McDemitt and Marshall Langford.

Burial was in Friona Cemetery.

Chiefs-Wildcats . . . (Continued from Page 1) which handed Friona its only loss, the Wildcats suffered a narrow 3-0 defeat to District 4-AA favorite Floydada.

The 'Cats also downed Roosevelt, one of the District 5-AA powers, 17-14.

But with all of this offense on both sides, it may be a question of whose defense is better, and in actual combat, the Chieftains have done better, allowing only six touchdowns to Littlefield's ten. In addition, opponents have scored eight points on field goals and a safety against the 'Cats.

The two teams have met previously only twice, with Friona winning the first game here in 1970, 13-0, and Littlefield romping, 35-0 last year enroute to the district crown.

Miracle at your doorstep

• So what's new? News from China, Russia, Vietnam, the Moon and Mars. Is that all there is? While news from far-off places seems to dominate the headlines, life goes on and things happen right here in town, in your own neighborhood, that are of far greater concern to you.

In this day of miracles, nothing has replaced the newspaper for keeping you informed of what's happening around town: weddings, engagements, births, deaths, church news, school news, police news, social events.

Where else do you get local sport news? Who helps fill quotas during fund drives, promotes safety, fights pollution, and backs every cause whose aim is to make this a better place in which to live? Your newspaper, with all its services and features is perhaps the greatest single force for service to the public and the community. Our goal is to make it continue to fill every possible need in a bigger and better way in the future. This is your newspaper . . . a miracle on your doorstep.

VOTE FOR FORREST W. OSBORN

Commissioners Record New High And Low Land Values In County

As usual, the high was set for a right-of-way easement in Precinct 3, or the Farwell precinct. The new low was set by a right-of-way sale on some land in Precinct 1, or the Friona precinct.

The following information, when first brought to my attention, seemed so far out I hesitated to believe it myself, but after checking deed and court records, I find this information to be true.

I wish I could afford to publish all the recordings of these two deals. I do have copies of these two, and will show them to any interested citizen, or I will give you the volume number and page where this information is recorded at the county courthouse and you can check the thing out for yourself.

(Court minutes)

Motion by Lewellen seconded by Jefferson that the County Clerk be authorized to issue Warrants for damages and right-of-way of proposed road from Highway 84 to Highway 60, such warrants to be issued as follows:

Angela Daniel, et vir	\$1274.20
Patricia Aldridge Breinig, et vir	5400.00
Hurshel Harding	271.80
E.R. Stewart Est.	156.60
Douglas Landrum	1500.00
John Porter	109.20

Above amounts payable from the Right of Way Fund. Motion Carried.

In the above transaction, the commissioners voted to pay \$400 for one tract of land that involved 0.002 of an acre. Put this through your computer and see if it doesn't figure \$200,000 per acre. Of course, this was purchased in the Farwell precinct.

In another transaction, 9.09 acres of land was sold to a Farwell man for \$25.00. This land was in Precinct 1, or the Friona precinct. It was a portion of the old highway that used to run south of the Railroad tracks. This tract of land was later sold to the Friona Industrial Development Corp. and is now part of the property owned by Missouri Beef Packers.

Mention has been made lately of improving Highway 60 through the county. The right-of-way fund is in no shape for such an expensive project, and is not likely to be for several years unless the fund can be handled in a little more conservative manner than in the above purchases.

Assessed Evaluation Of Pioneer Natural Gas Co. In Parmer Co.--\$285,000

I was on the commissioner's court when Pioneer Natural Gas entered this county to do business. Two men representing Pioneer appeared before the court to secure the right to cross or use county roads for their gas lines.

At that time, the Pioneer representatives made the statement that all expenses for casing, relocating or lowering for road improvements would be taken care of by the company. Since then, I find that the commissioner's court has paid out thousands of dollars of your tax money to Pioneer Gas for such services and are in the process of spending more on improving Highway 214.

I could instruct the court as to how to avoid this outlay of your tax money. You will be informed as to how much of your tax money is paid to public utility companies for the clearing of right of way for the improvement of Highway 214.

It is my opinion that at one time in the past this was a reasonable practice in order to secure some of these services for the people of the county. I think now that these wealthy public utility companies have become of age and should be weaned from the county tax fund.

As a commissioner, I would work toward this goal.

As most people in this county are gas users, you are entitled to know something of how Pioneer Gas has operated since entering this county.

The two men representing Pioneer before the court stated that they planned to have a gas line as close as two miles of every farm in the county within a period of five years. Pioneer installed a few miles of main lines in that period. As a result of the many miles of farmers group lines that were installed, Pioneer was selling gas at a far greater rate than they anticipated. In fact, they had trouble getting gas here fast enough for several years.

Instead of improving their system, they began building multi-million dollar buildings in cities of the Panhandle. Now, they own million-dollar industrial machinery companies with branches in numerous towns in West Texas.

I am wondering if these recent gas price increases are necessary for good gas service, or if it is to accumulate capital for the acquisition of another multi-million dollar company.

\$1,033,000 Bond Transaction Recorded By Commissioners

(From Com. Court minutes, March 24, 1969)

"At the Commissioners Court meeting on March 24, 1969, a motion was made and carried by the Commissioners Court of Parmer County, Texas, to accept the proposal of H.L. Shaffer & Company to exchange the bonds owned by the Permanent School Fund of Parmer County, in the amount of approximately \$491,500.00, described on the attached schedule for Government Bonds, in the amount of \$541,500.00 bearing 4-1/4% interest 1992/87. The County Judge is authorized to carry out the details of the exchange."

Motion by Tom Lewellen, seconded by Charley H. Jefferson. Signed, this the 24th day of March, A.D., 1969. Thomas Lewellen, C.H. Jefferson, Guy Cox, Raymond Trelder, Jr., Archie L. Tarter, County Judge, Parmer County.

Above is what is recorded in the court minutes of more than a million-dollar bond transaction. From what is recorded here, I think the court would have you believe it gained \$50,000 in a bond deal. I would be hard to convince that H.L. Shaffer would offer to make this deal at a \$50,000 loss.

People who know the bonding business believe that someone clipped at least a \$10,000-dollar coupon in this deal.

And Vote For Much-Needed Reform In County Government November 7.

Experience as a commissioner of this county and precinct some 16 years ago make it possible for me to come up with information revealed on this page and to know who maneuvered these things through court, many times for their own personal profit at the expense of taxpayers.

As a commissioner, I could move against old established practices and establish better and less expensive ways of operating county government.

Your vote and influence appreciated.

County's Old Paving Debt Is Underscored

Parmer County has neglected to pay for the paving around the Friona City Park (Square) since the work was done in 1952. The land was officially deeded to the county years ago, for county use.

The amount of this debt is \$4,883.60. I can see no reason for this longstanding debt except for the fact that the rest of the county is reluctant to see any county money spent in Friona.

Since Precinct One has approximately one-half of the tax base of this county, and is constantly assisting in maintaining the court house in Farwell, I see no reasonable excuse for the county neglecting to pay this debt.

If elected, it is my intention to insist that this old debt be settled.

Why I'm On The Republican Ticket

I am a Democrat by choice, and in this particular case a Republican by necessity. In the case of the county commissioner's race, if I had run on the Democratic ticket, it would have all been over at the primaries in May.

By running on the Republican ticket, I can keep the commissioner's court on the chalk line until November. I intend to reveal to the voters in Precinct One some of their past actions, and if they deviate from the straight and narrow, I will let you know about that, too.

Another reason for my being a Republican in this case is that the Democrats wanted a \$100 filing fee, which I did not have at the time. The Republicans offered to put me on the ticket at no charge, and offered to help pay my campaign expenses.

Since I have announced, some of the more liberal Democrats have contributed to my campaign expenses, so I decided to carry the above breakdown in the Star, and solicit funds from both sides, I will keep an accurate record of these contributions, and if the money is not used in this campaign, I will refund it on a percentage basis. Now I bet that is a better campaign promise than you have ever had from a Democratic candidate.

As in the Gallup Polls, I will carry an "undecided" column for those who have not made up their minds whether they are a Democrat or a Republican.

As usual in this country, the Democrats are more common, but you Republicans step right up, and if you are reluctant to be known as a Republican, I will take your contribution in private.

FORREST OSBORN CAMPAIGN FUND

Following is a breakdown of those contributing to my campaign fund:

Osborn Says Inventory Lacking

It has come to my attention that no inventory is kept of the property and machinery that belongs to Parmer County.

Pieces of county equipment and machinery have been sold on private treaty by county officials. State law stipulates that county property be sold only on a bid basis.

Says Will Fight Chugs

I recently heard of a farm family who had a lady from Europe visiting them. In their efforts to show her the country, they were driving on numerous country roads.

The farm family was constantly making remarks and excuses for the chug holes in the roads. After several hours of this, the lady from Europe finally remarked that it seemed strange to her that those "chugs" would get right up in the middle of the road to dig their holes!

This gave me an idea--If I am elected commissioner, I will put some of the county road hands to work exterminating chugs.

County Machinery Use Is Condemned

This county has more machinery than is needed to maintain county roads. This machinery is used on private property for an hourly charge that is so low it is necessary to subsidize the operation of these machines with tax money.

Much of this work is never collected for and of course much of it goes as political favors. If you are one of the few who might need or receive some of these favors, you probably would not be in favor of stopping this practice even though it is against the statute laws of the state of Texas.

If you happen to be among the many who never need the services of dirt moving machines, your tax money is subsidizing the operation of these machines for the favored few.

On numerous occasions I have been using my own custom machine in county bar ditches when I knew that county machines were working on private property at the same time.

If these machines were purchased strictly according to the laws and regulations of the state, several thousand dollars could be saved on each purchase. Usually the deal has been worked out before the advertisement for bids is run in the paper. Very often the particular machine the commissioner wants is already working in the county when the ad for bids is run in the newspaper.

These machines are financed with money borrowed from the permanent school fund.

Forrest Osborn In Commissioner's Race

Forrest Osborn this week made it a two-man, two-party race for commissioner of Precinct one, announcing that he would seek the office on the Republican ticket.

Osborn will thus oppose his brother-in-law, Tom Lewellen, who is seeking re-election. Lewellen is a Democrat.

Osborn said he would call for "much needed reform in county government," and would "re-establish the voice of Friona and Precinct 1 in county government."

His prepared statement was as follows: "I take this opportunity to announce my candidacy for county commissioner, Precinct 1, subject to the action of the Republican primary.

"I would like to re-establish the voice of Friona and Precinct 1 in county government. Precinct 1 comprises approximately one-half of the tax paying base of the county, yet vehicles for use by county officials and employees have been purchased by county tax money outside the county, rather than patronize the county's only automobile dealerships, which are in Friona.

"This information is a matter of record and is available to any citizen of Parmer County who wishes to take the time and effort to check it out.

"Recently, I checked on the permanent school fund of Parmer County. Here are the figures: Invested--\$641,000. Owed by the county to the fund--\$11,700. Uninvested--\$67,459.70. Total permanent school fund--\$720,159.70.

"The uninvested portion, if invested at the present high rate of interest could be yielding approximately \$4,000 per year, to be used by the schools of Parmer County.

"Again, this information is a matter of record in the courthouse. I would be glad to discuss this matter with any interested person in the course of this campaign.

"Having served as county commissioner here, I am in a position to know and will reveal practices carried on by the county government for years which has cost the taxpayers of Parmer County many thousands of dollars, and in some cases these practices are against the laws of the state of Texas.

"If elected, I will work for some much-needed reforms in county government."

Osborn promised to bring out other "revealing" facts which would be of interest to the voters during the course of the campaign.

It Would Be My Pleasure To Discuss Any Of The Things On This Page Or Anything Related To County Government In Personal Conversation Or By Phone (247-2581)

CONTEST

Enter Our Contest Each Week
... Nothing to buy-Just Pick Winners
HERE'S YOUR CHANCE TO WIN CASH PRIZES

FIRST PRIZE	SECOND PRIZE	THIRD PRIZE
\$5	\$3	\$2

GRAND PRIZES

- Two tickets to the Cotton Bowl Game & \$30 Cash
- Two tickets to the Sun Bowl Game & \$20 Cash

CONTEST RULES

- Pick the winner of the 16 games listed in the advertisements on this page. Write the winners in the blanks provided on the official contest blank.
- Pick the score of the tie-breaker game. This score will be used to break weekly as well as grand prize winners.
- Bring your entry blank by the Friona Star or Bi-Wize Drug by 5 p.m. on Friday. Entries must be post-marked on Friday to be eligible, if mailed.
- The leading contestant at the close of 13 weeks will receive two free tickets to the Cotton Bowl Football game, along with \$30 expense money. Second place winner will receive two tickets to the Sun Bowl game and \$25 expense money. Third place winner gets two season tickets to the Friona Chieftains games next fall.
- Only one entry per person.
- To account for grand prizes, entries must be on official blank printed in the paper.
- Contestants must be 12 years of age or older.
- Everyone eligible to enter (sponsors included) except employees of the Friona Star and their families.
