

**ON SATURDAY**

**Five Candidates Vie For 3 Council Seats**

**BEEF IS MUCH** in the news these days, and that subject is vitally important to just about everyone living in the Friona area.

Personally, we hated to see the president involve himself in a specific sector of the economy such as this. Why should the president single out beef as a "villain" in our inflation-riddled economy?

President Nixon could have just as easily singled out building materials, automobiles, clothing, fuel—you name it, and it probably could have been tabbed as being too "high."

Fact is that prices on almost everything have risen steadily during the past few years. However, if most people will check their form 1040 when they mail it in (gad, what a subject), they will probably find that they made more money during the past year than they did when hamburger meat was 33 cents per pound.

**PRESIDENT NIXON'S** prize ceiling on beef is the latest example of the government's apparent jealousy of an industry over which big government has had little control—an industry which has done quite well, thank you, without any government assistance.

The cattle market has, because of not having been under the government's thumb, always managed to survive on the old supply and demand theory. Because of the differences in these quantities—supply and demand—the price of beef fluctuates considerably in a year's time.

If government had left the situation alone, I have no doubt but that the prices would have come down, and the situation would have worked itself out. As for the boycotters, if they had been ignored, the price situation would have improved faster than it now will.

Now that the news media has focused national attention on the price of beef, this could have an adverse effect on the production of beef. And, rather than decrease, the prices are likely to stay fairly high.

The administration has dedicated itself to eliminate farm payments, saying the farmer needs to be "self-sufficient." Yet, in an area (beef production), where the farmer-rancher has managed for a change to make some money, without government help, darned if the government hasn't stepped in again.

**SATURDAY IS** election time in Friona, and it's an excellent opportunity for local citizens to exercise their rights and duties as citizens.

This is government at the grass roots. You don't get any closer to your government than this—unless you're electing officers of a Sunday School class or some such.

Everyone needs to be interested in their city and school governing bodies. Someone has said that everyone should spend a term on one of these bodies at some time in their life. This would give them an eye-opening view of how the system really works—and would no doubt cut down considerably on the complaints about why such and such isn't done.

**WE NOTICED** in the Lubbock Avalanche-Journal of this past Sunday that the Lubbock County FFA and 4-H Livestock Show was proud of its show and sale.

The sale totalled \$41,885.95, and we'll admit that that is a pretty good figure. Why, if it had've been only \$10,960.94 more, this would have equalled our show total in Parmer County this year.

**WE GOT SOME** good publicity on the sad state of affairs on State Highway 214 last week in the Lubbock Avalanche-Journal. Danny Ellington came up and did a good investigation of the road, the bridge at Running Water Draw, and wrote a very comprehensive story on the road's inadequacies.

Perhaps this will help focus attention in higher circles on our road needs.

Also this week, the Senate took a step to make it unlawful for the President to impound funds collected for Highway use. Maybe...just maybe....

Five candidates are seeking three seats on the Friona City Council. The annual city election will be held on Saturday, April 4 at the Friona Fire Department.

Two of the candidates are incumbents on the council, and two more are former city councilmen. The other candidate is Martha E. Bates, second woman to be on the city's slate in the past two years.

The two incumbents are Dr. Bob Alexander and Troy Young. The two former aldermen are Glenn E. Reeve, Sr. and Kenneth Williams.

Biographical sketches on the five candidates appears on page 5.

**Tax Check Is \$11,082 Here**

The city's sales tax for the period ending last December 31 was received last week, and amounted to \$11,082.41, according to City Manager A.L. (Jake) Outland.

"There was less than \$100 difference between this check and the one for the previous quarter," Outland stated.

**BOB ALEXANDER**  
**Three Seeking School Spots**

Only three candidates have filed for the three positions expiring on the Friona School Board.

They are Floyd Schueler and Doyle Elliott, the incumbents, and Mrs. Cliff Porter.

This election will be held in conjunction with the city election, set for Saturday at the new Fire Station.

Sketches of the school board candidates can be found on Page 5.

**Hearing Slated For New Bank's Charter**

The proponents of a second bank for Friona, "The Texas Bank," received notice last week of the date their charter application will be heard before the Department of Banking in Austin.

The hearing date has been scheduled for Wednesday, April 25. The local group filed its application for chartering a bank in Friona last June 4.

"We are very optimistic about our chances," stated Leroy Johnson, spokesman for the group interested in the bank. "Of course, you never

know for sure until your case has been heard and you are notified of the results, but we feel that we have a very excellent application," Johnson continued.

He pointed out that the current state of the economy of the local area should certainly be considered favorable.

Johnson indicated that it was possible that a decision on the charter might not be forthcoming on the hearing date. Sometimes it takes as long as a month following the hearing for the ruling to be received, he said.

**"Beef Boycott" Not Affecting MBP Here**

The affect of the "beef boycott" by Eastern housewives has not been apparent at Friona's Missouri Beef Packers' plant.

The plant had a "regular" day on Monday, killing over 1400 head of cattle.

Tuesday's kill schedule was hampered by a power outage caused by the snowstorm which caused several miles of lines to be out for a time. The plant was shut down from 10 a.m. Tuesday until 6 p.m., but still managed to kill over 400 head.

Plant manager Jim Kofford said he expected Wednesday to

be back to normal, and the trend should continue through the rest of the week.

"I don't think the beef 'boycott' will make much headway in this area. People in this section of the country realize what is involved in the production of beef, and what causes prices to fluctuate," Kofford said.

The Friona manager said that due to adverse weather in the midwest which has hampered marketing operations, he expected the local plant production to continue unabated.

**Showbarn Fund Now Stands At \$44,866**

The Community Center-Showbarn fund continued to edge slowly upward during the past week.

A report Tuesday from Jerry Hinkle indicated that as of that date, the fund total stood at \$44,866.15.

Helping the total grow during the past week were gifts of \$1,180 from the Farwell Community, a drive spearheaded by Gilbert Kaltwasser, and \$250.00 from the Progressive Study Club of Friona.

Hinkle indicated that he could add up another \$9,000 in solid pledges which the drive should yet receive. This could put the drive to near \$54,000—still some \$21,000 short of the total goal, but enough to assure construction of the facility.

Members of the showbarn building committee indicate that they will be advertising for bids on the facility in the near future.

**Moisture Tally Hits 4.47 Inches For '72**

The City of Friona has measured 4.47 inches of moisture thus far during the calendar year of 1972.

Moisture for the first three calendar months amounted to 3.60 inches, but an additional .87 inch was registered on April 23.

It's the wettest start for a year in many a moon locally. Farmland in the area is the wettest it has been at this time of the year in many years.

Official records showed that .69 inch was recorded in

January, and another .69 inch in February. March rang the bell at 2.22 inches, and three days in April already had logged .87 inch.

Date	Hi	Low
March 29	60	34
March 30	48	34
March 31	47	32
April 1	54	27
April 2	62	39
April 3	47	27
April 4	44	29
Moisture—49 inch March 30; .04 March 31; .03 April 2; .84 April 3. Five inches of snow April 2.		

**CAN THIS BE SPRING?**...Donna Lewellen had to huddle up in her winter clothing Tuesday morning in order to pose in her back yard, where snow covered all of the vegetation. Exactly two weeks earlier, Donna's sister Pam [inset] had posed with a blossoming cherry tree on the first official day of spring. The area's fruit crop was undoubtedly ruined or seriously hindered by the cold weather this week. The girls are the daughters of Mr. and Mrs. Delton Lewellen of 1601 W. 11th.

**WINTER CONTINUES**

**April Fool! 6-Inch Snowfall Hits Area**

The "Winter of '73" just doesn't seem to want to give away to springtime. Not just yet, anyway.

Almost two weeks into spring, by the calendar, the Friona area was hit by a wet, five-inch snowstorm on Monday, a fast-moving storm that snarled traffic and caused local motels to fill up early in the day.

The snow began in earnest about 2 p.m. Monday, and by 4:30 p.m., a total of 4.5 inches had been measured—in the space of two hours and a half.

Early-leaving and blooming trees were laden with the white stuff. Some tree limbs were lost due to the extra weight caused by the addition of the extra-wet snow.

Once again, however, an absence of high winds prevented any bad drifting, and averted what could have been a major blizzard, what with all of the snow.

As it was, traffic in and out of

Friona after 3 p.m. Monday was stalled to a snail's pace. There was one report of a trip from Hub to Friona taking 46 minutes for the eight-mile trip in mid-afternoon.

Several travellers stopped in local motels. One couple, enroute to San Diego, decided to call it a day's journey when they arrived in Friona about 4:30 Monday.

Apparently the Friona-Bovina area received the bulk of the snow. Hereford, by comparison, received hardly enough to cover the ground. The snow caused power lines in the surrounding rural area to go down. Farm houses east of Friona were without power for about three hours Monday night, and those in the Rhea area also experienced an outage.

Although lights "flickered" several times, the city never was without power.

Monday's snowstorm was accompanied by lightning and thunder, and tornado funnels were spotted north of Clovis. It was a rare sight to behold.

Bearing out the wetness of the snow, a total of .84 inch of moisture was registered—indicating that if some of the snow had not melted, the depth might have been eight or nine inches.

**MBP Closing Holton Plant**

Missouri Beef Packers, Inc. announced today they are closing the facility leased by the Company in Holton, Kansas. The plant has a beef slaughtering capacity of 2,500 head per week and employs 100 people.

The plant is being closed due to a short supply of fat cattle in the Holton area.

**Welcome Wagon Program Is Initiated Locally**

Love Circle, the women's group at Redeemer Lutheran Church, along with the Chamber of Commerce and local merchants and organizations has originated a Welcome Wagon for Friona. This is an effort to make all new residents feel welcome in Friona.

The Welcome Wagon is a service project which not only extends a warm welcome to the newcomers but it also gives them a folder which contains the following items—coupons redeemable at local merchants, a Friona bumpersticker, a city map, a Parmer County map, a listing of all the local churches and worship hours, a meat guide, a listing of many of the local clubs and organizations, and a community survey.

Special thanks is due to the Chamber of Commerce who designed and furnished the attractive folders and supplied

part of the contents. Also special thanks goes to the merchants who supplied coupons and the local organizations who have cooperated by supplying information about themselves.

**Amtrak Train Passes Through**

Some Frionans saw a rare sight last Saturday afternoon when the Santa Fe Super Chief, a regular Amtrak passenger train, came through Friona.

The Amtrak, which runs from Chicago to Los Angeles, ordinarily runs through Raton, N.M. and Dodge City, Kansas, but due to heavy snows, was detoured through Amarillo to Belen, N.M.

It has been approximately two years since passenger trains were taken off the local line.

**WELCOME WAGON**...Peggy Kirchner [center] and Delphine Wied, right, and their Love Circle group from Redeemer Lutheran Church, have been instrumental in starting a "Welcome Wagon" type program for Friona newcomers. The ladies are seen presenting a packet to Mrs. James Sweeney at the Friona Apartments as the program was initiated. The Friona Chamber of Commerce is also sponsoring the program.

**STALLINGS SPEAKS**...Gene Stallings, former Texas Aggie coach now with the Dallas Cowboys, gestures during his speech here Tuesday at the FHS athletic banquet. On Stallings' right are Mr. and Mrs. Eugene Bandy. Kevin Wiseman is at his left.

## Friona Flashbacks

...from the files of the Friona Star

### 45 YEARS AGO—APRIL 6, 1928

J.B. Scott, superintendent of the Texas Utilities Company at Plainview, and Fred Oberthier, superintendent of the Hereford plant, were in Bovina Wednesday afternoon and made arrangements with the people of that progressive little city to install a system of electric lights. The system to be installed there will be very similar to the plant and method of operation that is installed here.

### 35 YEARS AGO—APRIL 8, 1938

F.W. Reeve was re-elected as mayor of Friona in the city election here Tuesday. Reeve received 42 votes, to 34 for J.A. Blackwell, F.L. Spring and Carl C. Maurer were elected as members of the city commission. Votes were 60 for Spring, 45 for Maurer, 25 for T.J. Crawford and 20 for O.F. Lange. Spring and Reeve have each served two terms on the city council.

### 30 YEARS AGO—APRIL 2, 1943

The War Bond sale drive which was sponsored here last Tuesday by the American Legion and Legion Auxiliary resulted in sale of \$15,000 worth of bonds, it was announced this week.

The big Army bomber plane which made a forced landing in a wheat field about 13 miles southeast of Friona some four weeks ago and which has been guarded while awaiting parts for repair, was pronounced air-worthy again last Saturday, and soared away under its own power.

### 25 YEARS AGO—APRIL 2, 1948

Maurice Gaede of the Friona 4-H Club showed the grand champion calf in the Parmer County FFA-4-H Club fat stock show at Farwell on Saturday, March 20. Clyde Hays of the Black 4-H Club showed the Grand Champion pig, a Hampshire. Hays' pig also placed first in its class at the South Plains Junior Fat Stock Show in Lubbock.

### 20 YEARS AGO—APRIL 2, 1953

The Friona track and field team took high point honors this week in the District 19-B track and field meet held on the local track. The win rounded out a year of championships in football, basketball and track for the local athletes.

Mary Tatum of Black exhibited the grand champion steer in the Parmer County Junior Livestock show last weekend. Truman McKillip of Farwell had the grand champion barrow.

### 10 YEARS AGO—APRIL 4, 1963

A total of 219 persons attended the annual conference of District 8 Parent-Teachers Association in Friona last Thursday. With no opposition and no organized write-in campaign, Tuesday's city election passed almost unnoticed in some corners. Three new councilmen, J.E. (Ed) Hicks, Glen C. Stevick and Joe Talley were elected with only 55 persons casting ballots.

## From Around The Country

**LAVONIA, GA., FRANKLIN COUNTY CITIZEN:** "One of these days this nation will find it has too many persons on social security benefits, too many on unemployment compensation, too many on retirement plans, too many on welfare rolls, too many on medicare and Medicaid benefits, and America will find itself in the midst of the greatest turmoil it has ever encountered. That day of turmoil is almost here. I don't know the answers to the nation's ills, but I do know that the achiever, the person who digs the straightest ditch, the person who honorably and honestly applies himself, will find that his place in society is assured as a sound and healthy one. The inspiration to do one's best is the simplest way to a better way of life in America."

**OKABENA, MINN., PRESS:** "Politics has invaded our living rooms as...candidates have carried on some spirited debate. It would be interesting to see if each candidate could make good all of his promises made while campaigning. Do you suppose they recall all of their guarantees? No doubt they have the very best of intentions, but their performance depends entirely upon those with whom they work."

**LAKE PARK, IOWA, NEWS:** "If you think you have troubles pity the poor editor—if he attends a meeting he's being nosy, if he doesn't he isn't interested. If he writes an in-depth story, it's too long, if he condenses one, it's incomplete. If he takes sides on an issue he is prejudiced, if he doesn't he is a coward. If he asks for advice, he's incompetent, if he doesn't he is a know-it-all. If he makes a mistake he hears about it for weeks, if he doesn't he never hears about it. If he expresses an opinion, he wants to run the show, if he doesn't he lacks guts. If he misspells your name, you never forget it. If he doesn't you didn't read that story."

**BOGALUSA, LA., NEWS:** "Checking account customers of the Hempstead Bank in Syosset, N.Y., are enjoying—if that is the right word—the benefits of a cashless and checkless society. Thirty-five retailers in Syosset are cooperating in a scheme which lets customers use a special plastic card to make purchases. When the card is inserted into a machine the retailer gets an automatic credit to his account at the bank and the buyer's account is given an automatic debit. This is progress, we suppose, even if it makes going broke easier than ever. To many people the cashless society is the one they're in most of the time."

**MATTOON, ILL., JOURNAL GAZETTE:** "American astronauts are studying Russian and Soviet cosmonauts are studying English. It is all in preparation for the first joint space flight, made possible by one of the agreements President Nixon brought home from Moscow. The cosmonauts are due in Houston within a year to begin training for the joint flight in 1975. That is three years of space peace to look forward to, at least."

## ON THE TAX SCENE

### CHARITABLE AUTOMOBILE MILEAGE DEDUCTIBLE?

**QUESTION:** Glenda Goodheart is an ardent churchgoer. Although she lives next to the church, every Sunday morning she starts out an hour early in her station wagon and picks up elderly members of the church. After the services she takes them home again. Does Glenda get any deduction for her forty mile round trip?

**ANSWER:** Yes, if Glenda itemizes her deductions on Schedule A of form 1040. In addition to the amount that she drops into the collection plate, she can also deduct, as a charitable contribution, her actual gas and oil expenses or her mileage at the rate of 6¢ per mile.

**WELL, THERE IS** a new service out now that I'm sure we will all want to make use of—there are a few slight problems connected with it, however. It will cost money (natch)—one will need to spend the night in a Motel or a Hotel to use it—and one must be in New York, Toronto, Chicago, Honolulu, Phoenix or London, to have access. O, they do say it is available in about 30 major cities in the world but a quick scan of the list revealed that Friona was not among the expansion area.

I don't know what it is called but the service is the "piping" of a first run movie to your room on a T.V. You have a choice of several movies and you pay for the service with your bill.

The plan is to try to deal with the lack of interest shown by a segment of the public toward the movie-going habit.

It would seem that what is being offered today for those who may still try to have the habit, won't view any better on a motel T.V. than it does on the large semi-circular screen.

The thing that bugs me is that it is probably true—the American public wants and even demands some of the "trash" [I use this word loosely] that is offered.

I wonder if this is really what we have finally come to desire as a part of our entertainment? So it would indicate by what they keep pitching at us. If there was no market, there would be no product.

Much of the cause of the public lack of interest in movie-going is over the stuff that is being offered and we should really spend some more time with the reviews and ratings of what is presented.

Won't it be something when all five nominees for the "Best Picture of the Year" oscar will be rated "RR" or "XXX" and we won't even be able to see them? That would serve them right.

In the meantime, first thing you know they will even have Sunday Services on the T.V. and one won't even have to go to church at all any more—THEY WHAT?

DELEGATION WINS...The Friona Woodmen of the World drill team won the "Standard of Excellence" award at the Woodmen convention recently in Fort Worth. Shown are Mr. and

Mrs. Hop Lewis, Mr. and Mrs. Glendel Jones, Mr. and Mrs. Charles Peace and Mrs. Rex Williams.

### JCs Sponsor Friona Woodmen Win Tax Program Award At Convention

The Friona Jaycees are sponsoring a "Voluntary Income Tax Assistance" program two days this month.

The program is designed to assist those who cannot afford to pay to have their returns done, yet need assistance with their simple needs.

The program will be conducted on Tuesday, April 10, from 7 to 8:30 p.m. at the former S&R Fabrics building at 7th and Main, and on Saturday, April 14, from 1:30 to 4 p.m.

The Internal Revenue Service sponsors the "VITA" program.

Man cannot control the amount of rainfall he receives but he can control how much he keeps.

The Friona Woodmen of the World lodge received the "Standard of Excellence" award at the 36th Biennial Convention of the Woodmen of the World Life Insurance Society March 25-28 at the Sheraton Fort Worth Hotel.

The three members of the drill team are Glendel Jones, Charles Peace and Hop Lewis.

Also attending the convention were wives of the drill team, as well as Mrs. Rex Williams, who was official delegate.

The Friona group joined more than 500 other delegates representing the 77,500 Texas members throughout the state. Leader of the Texas Woodmen was Jurisdictional President

James R. McKinney, Littlefield.

By winning the excellence award, the Friona delegation qualified to present their program at the National Woodmen of the World convention, with expenses paid.

One of the convention's main features was the presentation of a check for \$400 to the Edna Gladney Home in Fort Worth. The presentation was made by Grover T. Shannon of Tyler. A hospital-type bed will be purchased with the money.

National officers of the Woodmen society who were in Fort Worth for the convention included president Nick T. Newberry and secretary T.E. Newton, both of Omaha, Neb., and trustee Robert Kirk, Littlefield.

"We had no idea we would win the award for our drill team, but we were tickled to death to win it," stated Lewis.

### Stevens Is State Officer

Glen Stevens has been appointed as state vice president for Region 104 in Jaycees, it was announced this week.

Stevens' office will be over clubs in the district composed of Muleshoe, Tulia, Plainview, Happy, Dimmitt and Friona.

The appointment will become effective on June 1 for a year. Stevens will be installed at the state convention in May in Austin.

Stevens serves as internal vice president for the Friona Jaycees, of which he is a charter member.

# Sketches On Candidates Given

## City Council

**DR. BOB ALEXANDER**, Friona resident since '65, is Chief of Staff at Parmer County Community Hospital. He is active in medical groups, such as the Tierra Blanca Medical Society (past president), Texas Medical Assn., American Medical Assn. and Texas Academy of Family Physicians.

A native of Houston, Dr. Alexander is a member of the Congregational Church, sings in the choir and is a past president of the board of directors. He is a member of the Friona Charitable Trust, and is on the Little League board of directors.

He and his wife Sarah have three children—Robert, 11, Cindy, 10 and Andy, seven.

"I am interested in seeing the city keep the swimming pool open at night for those who can't swim during working hours, and for the teenagers. Also, I'd like to see the tennis courts lighted for night play. I'm interested in good city government," Alexander said.

**MARTHA E. BATES**, a Friona resident since 1927 with the exception of about 10 years when she was away, teaches fifth grade in the Friona Public Schools. Mrs. Bates has been active in the P.T.O., Classroom Teachers Association, of which she is past president, and is currently president of the Delta Kappa Gamma sorority. She is a former member of the Modern Study Club.

Mrs. Bates is the mother of

two sons. Phillip is in the U.S. Air Force, with the Inspector-General's office for the Minute Man Project, at Vandenburg AFB, near Los Angeles. Dwight works for Texas Dental Supply in Dallas.

"I am not actively seeking this office, but would be willing to serve if the people want me to," Mrs. Bates commented.

She is a member of the Sixth Street Church of Christ, where she teaches a sixth grade class.

**GLENN E. REEVE, SR.**, local Chevrolet-Oldsmobile dealer, has served on the council on three previous occasions, including once as mayor and once as mayor pro-tem. He has served terms on the Friona school board, and on the Chamber of Commerce board.

A charter member of the Friona Lions Club, Reeve is past president of that organization.

A member of the Union Congregational Church, Reeve has served on the church board. The Reeves are parents of four sons.

Glenn, Jr., Joe and Don are affiliated with the company business, and Don teaches an auto trades class at school. Max is an engineer for the Arbrook Corp. in Dallas.

**KENNETH WILLIAMS**, owner of the local Ben Franklin Store, served a term on the council 1961-63. A resident of Friona for 15 years, Williams also is a past president of the Friona Lions Club.

He has served on the boards for the Chamber of Commerce,

ANN PORTER

FLOYD SCHUELER

DOYLE ELLIOTT

and a graduate of Friona High School. Schueler and his wife, the former Glenda Meeks of Vega, have three children and have farmed in the Rhea Community since their marriage.

Their children are Beverly, who is 15 and a sophomore in Friona High School; Phillip, who is a fourteen year old freshman; and Stephanie, a sixth grade student, who is twelve.

The Schueler family attends Redeemer Lutheran Church in Friona.

**TROY YOUNG**, the other incumbent, is finishing his first term on the council. He has been a member of the Friona Fire Department for the past five years. He also is an active member of the 10th Street Church of Christ.

A resident of the Friona area since 1954, Young and his wife Gladys are the parents of four children—Jan, 16, Karen, 13, Faron, 11 and Denney, nine. He is general manager at Friona Motors, local Ford dealership.

"I have enjoyed serving on the Friona City Council the past two years, and feel that I can be a more effective council member if re-elected to a second term," he stated.

## School Board

**ANN PORTER** has been a resident of Friona for the past nine years. She and her husband, Cliff, who is a rancher, have three sons.

Jeff, 13, is a seventh grader; David, a fifth grader is ten; and Steve, who is six, is a first grader.

Mrs. Porter is a graduate of Hereford High School and attended Texas Tech three years. She was an accounting major in college and is currently employed by W. Doyle Elliott, who is an attorney.

The Porters are Methodists.

**FLOYD SCHUELER**, who is one of the two incumbents seeking re-election, is presently serving as secretary of the board of education. He is a native of the Rhea Community

**FIREMEN HONORED**...Two members of the Friona Volunteer Fire Department were honored for 20 years of service to the department at last Thursday's Fireman's

banquet. On the left is Orville Houser, while on the right is Hank Outland. Both received engraved wrist watches from the fire department.

## Firemen Honor Pair For 20 Years

Two members of the Friona Volunteer Fire Department were honored last Thursday at the department's "Fifth Thursday" feed at the high school cafeteria.

C.O. Houser and H.L. Outland, each of whom has completed 20 years of service to the Friona Volunteer Fire

Department, were presented engraved watches by Fire Chief Ralph Shirley.

Mayor R.L. Fleming spoke briefly, praising the two retiring firemen as well as the entire staff, for their dedication and work in building what he described the "Best fire

department, per capita," of any city in the area.

Members of the city council were special guests. Other guests included Mrs. Paul Strickland, Mrs. O.D. Roberts, mother of Porter Roberts and Howard Mayfield.

A Mexican food meal was enjoyed by the group.

FHA HONOR -- Farmers Home Administration officials present a plaque to Mr. and Mrs. A. L. Nuttall, right, who were named first runnerup in the Texas FHA Farm Family of the Year contest. FHA officials making the presentation were Geoffrey Earl, assistant county supervisor from Farwell; Bill Boling, county supervisor from Farwell; and Donald R. Perry of Amarillo, FHA district supervisor.

## Bovina Family Gets State FHA Honors

A Bovina family, the A.L. Nuttalls, is first runnerup in the state Farmers Home Administration Farm Family of the Year contest.

The Nuttall family was named Parmer County Farm Family of the Year for 1972. The family also won District I competition for the award before a report on Nuttall's progress in farming with FHA help was submitted for state competition.

According to J. Lynn Futch, state director for FHA, the Nuttall family was named first runnerup from 20 nominees at the state level.

"By good management and the wise use of credit, you have been able to attain a goal sought after by all farm families, while at the same time exemplifying rural community

leadership and citizenship at its best," Futch said.

A.L., his wife, Lou, and three children, Ronnie, Rita and Rhonda, live in Bovina and farm west of Bovina. Another daughter, Mrs. Debra Lou Brandt, is married and lives in El Paso.

Nuttall started farming in 1964 when he and his family moved to Bovina. He first became associated with FHA in 1965. The year before Nuttall obtained an FHA loan he earned \$11,000 from the sale of crops. In 1972 he received \$53,000 from the sale of crops.

Nuttall is considered a leader in the progressive farming area in which he lives because of farming practices he has incorporated into his farming operation.

## Lay Witness Meeting Slated To Begin Here

The Lay Witness Renewal begins Friday night, announced R.C. Hester, pastor of the Calvary Baptist Church of Friona.

Activities will begin with a covered dish supper at 7 p.m., followed by the general session at 8 p.m.

Saturday morning a coke party for the youth and coffee groups for adults will meet in homes scattered around town at 10 a.m.

Next, at 12 noon for lunch, the men will meet for a "Dutch Treat" meal at the Methodist Church, and the ladies will meet at Mrs. W.S. Crow's home for a Salad Luncheon.

The youth will have a hamburger cook-out at Calvary Baptist Church. After that, the evening fellowship will begin again with a covered dish supper at 6:30 p.m. with the general session starting at 7:30 p.m.

Sunday School begins at 9:30 a.m. Sunday morning with the

Morning Worship Hour at 11 a.m. At noon, there will be a sandwich luncheon. This is a week-end no one should miss. Reverend Hester stated. We are expecting great things to happen.

## Clayton Opposed Teacher Measure

By Bill Clayton

Educators won what they considered a victory in Austin last week when their bill passed the House that allows teachers a lifetime job until retirement after a three year probation period, under most conditions.

However, I could not support this bill, for I think it totally unnecessary. Good teachers will never have to worry about employment. Their contracts are always readily renewable. This law will only lower the teaching profession, I believe, for it will protect the bad teachers at the expense of the good teachers.

Also, it will take still more power away from local school boards. I will always believe that the best government is the government nearest the people. The greatness of this country is built on the predicate that government should come from the grass roots, and if we erode the principles of local self control of the educational process, we are losing much of

what has made this country great.

In other legislative action last week, two bills which I introduced passed the House. One of them would allow banks that stay open on Saturdays to close for legal holidays on Friday in years when Jan. 1, July 4, or Dec. 24 fall on Saturdays.

Another bill institutes truth in lending, which is similar to the federal truth in lending bill. This simply makes the law applicable to the State of Texas.

Part of my week was spent in Washington, D.C., where the Intergovernmental Relations Committee of the National Legislative Conference was meeting. This committee, of which I am chairman, was briefed at the White House on the President's budget, and on the budget controls he has imposed. Many members have been quite alarmed by the impoundment of funds in certain programs, and this meeting answered some questions which have been raised. I was pleased that a bill to reinstate the death penalty for certain heinous crimes came out of committee this week, and will be ready for floor action soon.

Spring weather has brought out not only the trees and wild flowers, but the people as well, in Austin. Your Capitol City is at its most beautiful, and tourists and school children arrive daily in droves. This office is always open to our 74th District visitors, and we will be happy to greet you.

## At Home In Parmer County

Jana Pronger

PARMER COUNTY was proud to announce a record number of boys entering the County Food Show March 31. Of the 40 members entering 10 were boys. Entries for the Food Show were up 12 from last year with foods project participants up about 20 from last year. Around 50 4-H'ers completed foods projects last year and we expect 70-75 members to complete project meeting this spring.

The show was held from 2 to 4:30 p.m. Saturday afternoon in the Lazbuddie School Cafeteria. The home economics lab was made available for preparation and decorations for the theme "Food For All Seasons" were provided by various members of the Food Show Committee. Refreshments were provided for parents and members by the Lazbuddie Young Homemakers.

Winners in the Food Show were Senior Division, Jacquelyn Langford, Farwell and Randy Marshall, Oklahoma Lane. Junior Division were Pam Rhodes, Bovina and David Lust, Lazbuddie, who will compete in the District Food Show April 7 in Amarillo. Other

division winners who will be alternates to District competition were Senior, Cheryl Gohlke, Oklahoma Lane; Junior, Annette Langford, Farwell, and Linda Gohlke, Oklahoma Lane.

Other participants in the Food Show were blue ribbon winners from Bovina-Karla O'Hair, Debbie Whitecotton, Joan Carson, Tamra Read, Cheryl Whitecotton; red ribbon winners were Cass McDaniel, Carol Ware and Jo Beth Monk.

Farwell and Oklahoma Lane blue ribbon winners were-William Martin, Lisa Howard, Dondra Gerles, Randy Gerles, Yolanda Martin, Jeanette Gilliam, Mary Lou Roberts, Rick Marshall, Tommy Mesman, Lisa Hughes and Donna Marshall. Red ribbons-Suzanne Howard, Diann McKillip, Polly Turner, Lucretia Turner and Johanna Mesman.

Lazbuddie members with blue ribbons-Quentin Mims, Judy Lust, Lisa Menefee, Angela Matthews and Dennis Johns, red ribbons-Terri Clark and Tommy Hill.

Stephnie Schueler and Diane Gustin received blue ribbons from Rhea.

**PRIZE WINNER....Rhonda Rhodes, student at Bovina High School, was the first prize winner in the Parmer County Soil Conservation District's essay contest on the title "Conservation-Meeting the Needs of the People." Leroy Johnson presents Miss Rhodes with her first prize check of \$25.00.**

## On The Farm In Parmer County

MACK HEALD  
County Agent

A HERBICIDE MEETING is being conducted in Farwell on April 12, 1973 in the District Courtroom on the second floor of the Courthouse. Starting time will be 8 p.m. CST. This meeting is geared for both the irrigated and the dry-land farmer. It will deal with weed control in crops grown by both types of producers.

Featured speakers on the program will be Dr. Allen Wiese, USDA, Bushland and Dr. Wayne Whitworth, New Mexico Experiment Station. These men will discuss various types of herbicides, their uses, formulations, hazards and precautions. Various techniques and methods of weed control will also be discussed. In addition, the Texas and New Mexico Agriculture Departments will be represented to discuss State Laws and regulations as well as answer any questions that might arise.

If you had weed control problems last year, this could be the meeting for you. Remember, the time and place is April 12, at 8 p.m. CST in the District Courtroom in the Courthouse in Farwell.

**REDUCE COTTON DISEASES....**The two keys to reduce disease losses in cotton are to purchase high quality acid-delinted seed treated with a fungicide and to plant early. Early planting is important where cotton root rot is a problem. Three new cotton varieties-TAMCOT SP-21, 23 and 37-have been developed by the Texas Agricultural Experiment Station and are multiple disease resistant and can be planted earlier than standard varieties.

.....

A NEW VACCINE is now available to reduce newborn calf losses resulting from a form of diarrhea caused by a reo-like virus.

Known as reo-viral calf diarrhea vaccine, the new product has been licensed by U.S. Department of Agriculture and is available to cattle producers through local veterinarians.

The vaccine was developed and patented by the University of Nebraska.

The new vaccine is not a cure-all for all types of diarrhea in young calves. However, vaccination could be especially helpful if a farmer has had previous trouble with calf losses from diarrhea during the first week of life.

The key to successful use of the new vaccine is to vaccinate calves as soon as possible after they are born. Vaccination after the first day of life probably won't stop diarrhea.

To vaccinate, the vaccine is mixed with a diluent in a syringe, the syringe needle is removed, and the vaccine is sprayed into the back of the calf's mouth.

The reoviruses (short for respiratory-enteric orphan viruses) which cause diarrhea in calves are common disease agents in both man and animals. They infect the digestive as well as the respiratory system but have not been definitely classified.

## Bovina Farmer Is Accident Victim

A Bovina farmer was crushed to death last Tuesday as he attempted to hitch a blade plow to a tractor.

The victim Robert F. Wilson, 54, had been a farmer in the Bovina area for about 10 years. The accident occurred about 9:30 a.m. last Tuesday on the Wilson farm, four miles east and two miles south of Bovina.

Department of Public Safety officer Glenn Fant of Farwell said Wilson was attempting to hitch a blade plow to a tractor when the accident occurred.

Fant said it appeared the tractor slipped into gear and rolled back, crushing the farmer between the plow and the tractor. He said Wilson

apparently was killed instantly. The DPS officer, who arrived at the scene shortly after the accident, said a farmhand working with Wilson witnessed the accident.

Peace Justice Wilbur Charles of Bovina pronounced the farmer dead and the body was removed to Parsons-Ellis Funeral Home in Friona.

Funeral services were held last Thursday.

Born in Anson, Tex., and reared in Ralls, Tex., Wilson is survived by his widow, Ruth, and two grown children, Mrs. Rita Jean Carlisle of Lubbock and Preston Wilson of Leveland.

DEATH SCENE...Two men look at the scene where a Bovina farmer, Robert F. Wilson, died last Tuesday southeast of Bovina. Shown at the scene are Rev. Howard Marcom and Pat

Kunselman. Wilson was crushed to death as he attempted to hitch the plow at left to his tractor.

## WOMEN on Wheels

Plymouth's Liz Stimley In the Driver's Seat

Bone Up... And Enjoy Driving

There's an old saying that people who don't know much - don't enjoy much. That applies to your car. The more you know about it, the more you can enjoy it.

The starting point in getting to know all about your car is to read the Operator's Manual which you'll find in the glove compartment of your new car. It's full of all kinds of useful information. Substantial improvements - for your comfort and convenience - are continually being made in new cars. If you decide that your new car is "just about the same" as the four-year-old model you traded in, you may be missing features you could be enjoying.

There are people who have driven cars for a couple of years without ever knowing that their windshield wipers had more than one speed, or that the front seat backs reclined, or how the fresh air ventilation system operated most efficiently.

The Manual, of course, contains all the basic things you need to know, like how often engine oil should be changed and when spark plugs should be replaced. You'll learn simple things like the location of the hood release. And if you know it, you won't feel stupid when the gas station attendant asks how to open the hood.

The Manual is a great little book. Checking it periodically can add a great deal to your driving pleasure.

## ON THE TAX SCENE

PROPERTY IMPROVEMENTS?

QUESTION: When Archie received the bill for the real estate taxes on his house this year he discovered that there was an additional \$200 assessment for the sidewalk the city had built in front of his house. Archie wants to know if he can deduct this \$200 along with his real estate taxes since it all came on the same bill?

ANSWER: No, the building of the sidewalk would be considered an improvement to the property and the cost is not deductible as a tax. However, when Archie ultimately sells his house the value of the sidewalk can be added to his cost thereby reducing any taxable profit which might be realized on the sale.

## The Truth Will Make You Free

Terry Brown, Minister Sixth Street Church of Christ

Singing praises to God was a normal part of worship for the early Christians. Paul told the Ephesians, "Be filled with the Spirit, addressing one another in psalms, hymns, and spiritual songs, singing and making melody to the Lord with all your heart." Ephesians 5:19 Singing praises to God was emphasized in many of the Psalms of the Old Testament. (Notice Psalms 33, 68, 81, 92, 95, 98, 135, 149). Thus, singing our feelings of praise to God has always been pleasing as worship.

It is understandable why singing would be a natural part of man's worship to God. It is so personal. Each individual sings differently. Some have beautiful voices, while others may have voices that are not beautiful. But the beauty of one who sings is determined by his own attitude. God is concerned primarily with the heart of a man, not his vocal cords.

One notices a basic difference when he reads about singing in the Old and New Testaments. Singing was often done using a musical instrument in the Old Testament. However, the references to singing in the New Testament mention only singing. There is no reference to playing a musical instrument to worship. An investigation of church history reveals that musical instruments did not play a part in early Christian worship.

Today, if we want to be like Jesus' church, we will try to restore its worship. This means we will worship God with songs by singing.

## Ladies Society Holds Regular Meeting Here

St. Teresa's Ladies Society met Tuesday, March 27 after the evening Liturgy, in the Parish Hall, with the president Sylvia Roth presiding.

Thursday, April 12 a program on abortion will be presented by a committee from Hereford, in the Parish Hall in Friona. Time to be announced later.

BIG WHEELS are little girls dressed in grown-up fashions. A closetful of possibilities from Cinderella\* begins with the scooter suit (left), a beige split skirt and front-zip jacket of Fortrel\* and cotton. Underneath, a rainbow striped sweater. Center, a private garden grows on a smocked top matching beige pants. Who wears short shorts? The littlest wheel, pairing shorts with a halter top. Truly, a high fashion trio for little people.

Members will begin honoring our Senior Citizens the 1st of April. Names were given to the members present.

The Society of St. Teresa's Church voted in favor of becoming affiliated with the Amarillo Diocesan Council of Catholic Women. Volunteering as delegates from Friona, at the Plainview Deanery Meeting in Hereford April 4, were Evelyn Ball, Sylvia Roth, Olivia Ortiz and Irma Raymond, with Helen Fangman as alternate.

The Church will be cleaned the Tuesday before Easter, April 17, beginning at 1:30 in the afternoon. All are urged to attend.

Evelyn Ball and Hortencia Bermea will clean the church the month of April.

Irma Raymond and Helen Fangman will be hostess for the next meeting April 24.

Collection for Easter Flowers will be taken after the Mass the two Sundays preceding Easter. Helen Fangman is to purchase flowers.

Meeting adjourned with Toni Castillo and Olivia Ortiz serving refreshments to Rev. John Coppinger, Sylvia Roth, Irma Bermea, Hortencia Bermea, Angela Bermea, Irma Raymond, Evelyn Ball, Susie Perez, Irma Lee Schilling and Helen Fangman.

## Stallings Speaks At Banquet

Gene Stallings, former head coach at Texas A&M and currently on the Dallas Cowboys staff, was the speaker Tuesday night at the annual Athletic Banquet at Friona High School.

Stallings entertained the high school athletes, their dates and parents with his off-the-cuff remarks. He told those in attendance about how easy it was to be a "quitter" in athletics, and how it took "intestinal fortitude" to stick with it.

"Some people say we over-emphasize athletics, especially in Texas. I disagree. I don't think we emphasize them enough. There is something to competitive sports that a youngster cannot get in any other area," said the coach of the 1967 Cotton Bowl champion Aggies.

Stallings said that he not only thought that every boy should be given the opportunity to compete, but that he should be forced to compete if he was inclined not to do so.

He then proceeded to give several examples which proved, he said, that competitive sports had in many instances saved people's lives, or made them better able to cope with life and its many problems.

The banquet was carried out on a "Happiness Is..." theme, with decorations of the popular "Peanuts" characters smartly carrying out the theme.

Parents of the athletes waited tables, and sponsored the annual affair.

The above ground plant parts are in proportion to the below ground portion.

It takes grass to grow grass, and more we have the more we can produce.

WHO SAYS LITTLE GIRLS dream of sugarplums only at Christmas? Spring, when the world is green and the flowers bloom, is the real daydream season. The right clothes are in soft focus with the environment - like this pristine white day dress from Cinderella\*, styled of waffle pique and jacquard "Stop the Press" cotton. The important elements? Stand-up puffed sleeves, schoolgirl collar and a strategically placed tracery of icy blue lace. Definitely, the way to look while picking daisies, watching butterflies.

## Farmers Reminded Of ASCS Signup Deadline

Prentice Mills reminded Farmer County farmers this week that those who signed their farm up showing a set-aside acreage equal to 25 per cent of the farm's feed grain base are now required to set aside only an acreage equal to 10 per cent of the farm's base.

"This is the only change in the program," Mills said. "The program payments are unchanged. This is true regardless of whether you chose the

25 per cent or zero for set-aside," Mills continued.

This change simply means that those who signed under the 25 per cent option will have some additional land available to use as they choose, Mills added.

"If it's too wet to plow or plant, why not come by and report your wheat acreages? The deadline for this is May 1," Mills reminded wheat farmers.

## Getting Nowhere

### Is A Bad Habit

Read Deuteronomy 2:1-7; Mark 9:1-9

"You have been going about this mountain country long enough." (Deuteronomy 2:2, RSV)

Preparation, careful preparation, is essential in any important undertaking. It can be tragic to be unprepared. At the same time, it is possible to delay, using a prolonged period of getting ready as an excuse for inaction. We can spend a lifetime marching around the same mountain, getting nowhere. This is a major, yet subtle danger in Christian discipleship.

For forty years the Hebrews had been preparing to enter Canaan. Now it was time to march. The Hebrews might easily have settled down in the wilderness, content. They could have salved their consciences by insisting that further maturing was necessary. Gradually the Promised Land would have been forgotten.

But God is forever calling His people to move, and He does not want us to settle down in comfortable stagnation. Discipleship means decisive, carefully planned action.

PRAYER--Thou God of great causes, call us to venture into new, thrilling experiences in the Christian life. Keep us from living on a treadmill, getting nowhere. Help us to not to lose sight of promised lands. We pray in the name of Christ. Amen.

THOUGHT FOR THE DAY--The time for Christian action is now!

--W. Thomas Smith, College Park, Georgia

### LENTEN SERVICE

April 11, 7:30 p.m.

"FATHER, FORGIVE AS WE FORGIVE"

Redeemer Lutheran Church

13th & Virginia

## The Lutherans

'A Gospel-Centered Church'

REV. DUANE KIRCHNER

### "THE LORD'S SUPPER"

All of the worship services of the Lutheran Church are centered around the proclamation of the Word of Jesus Christ or the Sacrament of Holy Communion. Often both are focal points because when Jesus is proclaimed and the Lord's Supper distributed the Holy Spirit uses these to bring people to faith and to strengthen the faithful.

BENEFITS. We believe that in some divine way God gives us Christ's real body and blood; "This is My body...This is My blood...which is given and shed for you" (I Corinthians 11). When we receive Christ's body and blood we receive the forgiveness of sins (that's why Christ died) and we are united with Christ (I Corinthians 10). That means not only forgiveness of sins in Holy Communion but also a strengthening of our faith and also the assurance of life with God both now and forever because the sin barrier has been removed in Christ's death and resurrection.

CLOSE COMMUNION. Lutherans believe communion is very important and since they do not want anyone to misuse God's gift and commit a serious sin they ask only those who confess the Lutheran faith to participate with them. The reason is Paul's statement about the unworthy communicant in I Corinthians 11. WORTHY. The worthy communicant is one who realizes he is a sinner and needs God's forgiveness, realizes he receives Christ's body and blood, and accepts God's promise of life for now and forever.

PLEASE VISIT US. We remember Christ's death often in Holy Communion, we preach Jesus Christ who conquered death and sin on Easter morning, we celebrate His goodness within His Body, the Church. We believe that Jesus Christ removed the barrier between us and God and how the Holy Spirit gives us faith and the ability to live lives of worship and praise.

COACHES CONFER...Coach Bob Owen of the Friona Chieftains and Gene Stallings of the Dallas Cowboys are shown during a conversation at the Friona athletic banquet Tuesday night.

## ON SATURDAY Chiefs Take Shot At District Track Title

The Friona Chieftain track team, which was hobbled by injury last week in its meet at Denver City, has its district meet this Saturday at Olton. Prior to the injury, to runner Ted King, the Chieftains were solid threats to wage a head-and-head battle with Littlefield for the district title. Now, they still may be threats, but they'll definitely have to work harder.

"King runs on both of our relay teams. He sprained his ankle badly last week, and was unable to compete at Denver City. We're hoping Ted will be able to run Saturday," said Coach Larry Dyess.

At Denver City, the Chieftains failed for the first

time this season to win a single event, but they were in a big and talented field of teams.

Kevin Wiseman placed second in the shot put with a toss of 130 feet, three inches. Dale Parsons was nipped by an eyelash at the tape in the mile run, although posting his best time ever, 4:43.4. Morales of Tulia was the winner. Parsons beat the miler from Post who had nipped him in an earlier meet at Abernathy.

The Chieftains managed just 19 points in the meet, good only for eighth place in their division. Their worst previous showing had been second place, to host Littlefield in the Wildcat Relays in the opening

meet of the season.

"It just wasn't our day. However, we're hoping to get everything together on Saturday," Dyess said.

The Chieftains were hampered early in the week by the winter weather which curtailed workouts.

## Tennis Players Compete

### In District Meet Today

Friona High School is being represented in the Interscholastic League District meet at Morton today (Thursday).

Joe Cunningham and Harvey Burnett will compete in varsity boys doubles. In the singles competition Terry Thompson and Ken Jordan were chosen to represent the school.

The varsity girls doubles team members are Donna Lewellen and Pat Phipps. In the singles division Darla Rhodes and Pat Phipps are

representing FHS.

Gary Rector and Jim Murphee are playing in the freshman boys doubles division and Earlene Graham and Myrna Phipps are playing in the freshman girls doubles division.

Freshman singles entrants are Hal Blackburn, Terri Patterson, David Barnett and Cathy Cunningham.

Tennis players from Friona Junior High are also participating in the meet.

## LL Cards Due Back Friday

Registration cards for Friona's Little League program were taken home this week by Friona boys. The forms are due back on Friday, reminds Tom Jarboe, junior high principal and a member of the Friona LL board of directors.

Plants manufacture food to support all living organisms.

## Nets Capture Title In LL Minor Loop

The Nets won the title in Friona Little Dribblers' Minor Division, taking a two-game lead over the three other teams, all of which stood at 4-5.

The Nets edged the Stars, 17-15 on Monday of last week to clinch the title. They lost to the Rockets, 20-15 on Tuesday, to lose one game off their lead.

Joe Ortiz scored six points to pace the Nets' win on Monday. Chito Caballero scored 18 points on Tuesday for the

Rockets when they downed the Nets, 20-15. Danny Guerra's six points topped the Nets in this one.

Other games during the week found the Pacers edging the Stars, 18-16. Mark Fancher led the Pacers with eight points. Randy Eakins and Rudy Pena each scored six for the stars.

The major league, which concluded with the Hawks as champions, found the all-stars seeing some exhibition action.

On Monday, Cleveland's Orange downed Strickland's Blue, 32-24. Kevin Kothmann scored 14 for the winners. Phillip Veazey's nine points topped the Blue team.

Tuesday saw Hutson's Maroon down Strickland's Blue, 30-24, behind the 16 points of Gary Schueler. Chris Barnett scored 10 points for the Blue team.

Bailey's Yellow defeated Cleveland's Orange, 34-26. Toby Strickland, with nine points, and Darcy Renner's eight points, led the teams in scoring.

On Friday, a combined "North" all-star team downed the South, 32-22. Three players, Kevin Kothmann, Pat Reznik and Phillip Veazey, scored eight points each for the North. Gary Schueler had nine for the South.

## Friona High School Plays In Tourney

The district girls volleyball tournament was held in Littlefield March 30. Five high school teams were entered. They were Morton, Dimmitt, Littlefield, Olton and Friona. The girls played strict power volleyball. This is only the second year of competition in power volleyball.

Littlefield won first by defeating Olton two consecutive games in final competition.

This team now advances to bi-district.

Friona played Olton in first round competition.

The first game was won by Olton 15-11. Debra Carlton served four points for Friona; Sharon Smith served 2; Pam Lewellen served 2 and Colleen Royal, Lupe Castillo and Rhonda Ham each served one

point.

Friona won the second game 15-7. Sandie Fulks served 8 points; Sharon Smith served four; Pam Lewellen served 2 and Debra Carlton served 1.

The third and deciding game for the match was won by Olton 15-8. Royal and Smith each served three points and Lewellen and Fulks each served one point.

Friona's team members are Lupe Castillo, Rhonda Ham, Debra Carlton, Sharon Smith, Pam Lewellen, Colleen Royal, Sandie Fulks, Johnnie Walter, Arlene Aven, Laquita Graham, Stacy Miller, Debbie Anderson, Carolyn Murphee and Jana Robertson.

Mrs. Mary Priest is the volleyball coach.

## Squaw Track Team Shines At Olton

The Friona Squaws track team placed fourth in the large field at the Olton Invitational meet last Saturday. A portion of the team will enter a meet at Gruver this weekend, prior to the District 3-AA meet the following week.

The Squaws stormed from behind for a win in the mile relay, thanks to a tremendous third leg by Sharon Smith, who brought the team from third to first place. Other members of the relay team Lucinda Aguirre, Teresa Ingram and Paula London.

Miss London also won first

place in the open 440-yard dash. Freshman Nanette Fallwell placed third in the shot put. The 880-yard relay foursome of Terri Patterson, Darla Rhodes, Terri Fallwell and Lucinda Aguirre placed fourth.

Other points were scored by the Squaws by Darla Rhodes, fifth in the high jump, Terri Patterson, fifth in the triple jump, Sharon Smith, sixth in the 440 and Jeanie Nelson, sixth in the 880.

Host Olton won the team title, followed by Amherst, Floydada and Friona. Some 50 teams took part in the meet.

## Birthday Party Honors Six Year Old

Mrs. Vince Rowell and Mrs. Charles Hamilton honored their sister, Tammy, who was observing her sixth birthday, with a party in the Rowell home, 908 Greene Avenue, Thursday afternoon.

A circus theme was used in decorations. Streamers and balloons were used.

The serving table was covered with a colonial lady birthday cake, which was baked by the honoree's aunt, Mrs. Delton Lewellen, who was a special guest at the party.

Birthday cake and cold drinks were served by the hostesses following a game session.

Other special guests included Mrs. T.A. Kelley, Friona, mother of the guest of honor; Mrs. Bill Carthel of the Black Community; Mrs. Joe Lewellen, also an aunt of the honoree;

### J. T. Gees

#### Have Guests

Mr. and Mrs. Drexel Chapman of Bellflower, California, and Mrs. T.F. Rodgers of Hereford are guests in the home of Mr. and Mrs. J.T. Gee.

Mrs. Rodgers, who is Mrs. Gee's mother, presently lives at King's Manor.

The Chapmans are relatives of Mrs. Gee and Mrs. Rodgers.

and Mrs. Tom Lewellen, who is the honoree's maternal grandmother.

Guests were Doug Frye, Donna, Pam, Katie, Jody and Jay Lewellen, Stephanie Ford and Jason Rowell.

Favors were Easter baskets filled with candy eggs and trinkets.

### HD Club Has Safety Program

Rhea Home Demonstration Club met March 28 at the home of Laquita Garner with Martha Garner serving as co-hostess.

Following a short business meeting, Home Demonstration Agent Jana Pronger gave a program on "Safety At Home."

Among those present were Krita Potts, Mardee Grissom, Geneva Gustin, Ona Patterson, Helen Potts, M'Linda Schlenker, Cecelia Schueler, Sue Smith, Gay Taylor and Pat Widner.

Guests were Susan Garner, Laura Bartlett and two ladies from Plainview, Leora Garner and Bernice Cheney.

The next meeting of the club will be held at 7:30 p.m. on April 9 at the Rhea Parish Hall, when Judy Potts will give a demonstration on making windmill pictures with nails.

Iona Cook

## Iona Cook Named Teacher Of The Week

This week's elementary teacher who is being saluted as "Teacher Of The Week" is Iona Cook, who teaches remedial reading.

She is the wife of Friona High School Principal John R. Cook and the family home is at 609 Arrah Street.

Mrs. Cook, who is a native of Lamesa, Texas, holds a bachelor of science degree from Hardin-Simmons University, Abilene. She first taught in Friona during the school year of 1961-62.

Before coming to Friona Mrs. Cook taught at the Flower Grove Independent School in Martin County and at Leveland Junior High.

The Cooks have two children, Mrs. Mike Wooley, who lives in Dallas, and Carroll, who is a freshman at West Texas State University.

Mrs. Cook's hobbies are sewing, music and painting. The family attends First Baptist Church.

To base all managerial operations upon livestock with no regard for plant growth requirements is folly.

FOR A LONG TIME I've been interested in "persons with green thumbs," "natural born gardeners," and such like and have done some serious thinking about these terms. I've wondered if "persons with green thumbs" were really just ordinary people who conscientiously gave their plants proper care.

So far, I haven't really reached a conclusion about the matter. Recently I read an article in the Readers Digest about houseplants responding to human voices and have added that bit to my collection of things to wonder about.

Then last week I ran across this statement, "Plants love music!" That one really had me puzzled until I read the small print used with the announcement.

It read, "Put small potted plants on or next to the radio or stereo. The sound will vibrate and aerate the soil." That is understandable. I had really thought that ivy which grew profusely atop a television set was responding to the warmth provided. Now, I'm thinking the sound waves were responsible for the growth.

What do some of our readers think about these matters? Would it surprise you to see a "No Smoking" sign in a vegetable garden? One garden expert reports the following: "Tobacco mosaic virus-often transmitted by a gardener who smokes while gardening-destroys tomatoes."

It is about time to start flower and vegetable gardens—all the Floyds have at the present time is weeds—and I'm ready to make a great big effort to improve the looks of our lawn.

Do hope Pearl McLean is still interested in our neighborly struggle for the "worst looking lawn on Columbia Avenue." A little competition makes things more interesting.

KATHY HORTON, college freshman daughter of Hollis and Lunell Horton, and another student of Converse College in Spartanburg, South Carolina, spent some time with Kathy's family. The friend, Jane Neese, who lives in Greensboro, North Carolina, had never been to Texas before.

She was favorably impressed with our section of the country, and made a side trip over into New Mexico. Think the thing she was most surprised about was the wide open spaces and the distance she could see.

LET'S ALL REMEMBER to vote in Saturday's elections. Participating in local elections is more important than some of us seem to realize. It does make a difference who is elected and we should take time to discharge our civic duty.

The number of people who turn out to vote in a local election tells our neighboring towns and communities whether or not we are interested in the affairs of our school and city.

FRIENDS OF THE Charles Howells, who moved from Friona to Drumright, Oklahoma, a few years ago are glad to have them back in this area. I'm sure many of them already know that Charles is the International Harvester dealer in Panhandle and that he, Ruby and the children are living there.

I've been listening for the early morning farm program on KGNC radio station to mention Howell International, but if that firm has been mentioned, I didn't hear it.

Friona already had some former residents, the Bill Bandys, some of the Horners and maybe others, living in Panhandle, so now if any of us go through, surely we can find someone to drink coffee with.

WHEN SUNDAY'S ACTIVITIES at Buffalo Lake were shown on television Sunday evening, I looked carefully for someone from Friona, but didn't recognize any of our residents. Surely some of them were up and down the shore somewhere.

It hasn't been too long since Buffalo Lake, which is in easy driving distance from Friona for an afternoon of fishing, was a favorite spot with many of our most ardent fishermen.

## Local Beauty Shop Under New Ownership

Effective Monday, April 2, Mrs. Aaron Drager became owner of a local beauty shop, which was formerly operated as Sondra's Beauty Salon and owned by Mrs. V.E. Nichols.

In the future, the shop will be named Vonita's Beauty Salon. It will be operated in the same location, 614 Euclid, and with the exception of Mrs. Nichols, will have the same operators.

Mrs. Drager says, "Nothing will be changed except the name and telephone number."

After this week patrons are asked to call information for the new number of Vonita's Beauty Salon."

She further added, "We plan to offer the same fine beauty services patrons have learned to expect from Sondra's."

Mrs. Nichols retained dealership of Merle Norman Cosmetics and invites friends and patrons to contact her at home for needed items.

### Party Honors

#### Class Teacher

Members of the Sunday School class of First Baptist Church which is taught by G.B. Buske honored their teacher with a birthday party Friday evening. They were accompanied by their wives.

Following supper at El Monterrey in Clovis, the group returned to the home of Mr. and Mrs. JeDon Gallman for birthday cake and ice cream.

Those attending, besides Mr. and Mrs. Buske, were Messrs. and Mesdames Gallman, Danny Black, Charles Self, Redge Priest, Phillip Weatherly, Dwain Menefee, Dee Clark, George Frye, Charles Hough and Don Gatlin.

Also Messrs. and Mesdames Melvin Lloyd, Edward Allen, Clyde Redwine, Jerry Hinkle and Leon Massey.

Mr. and Mrs. W. O. Brown

## W. O. Browns To Be Honored

Hosts will be Mr. and Mrs. Matt Brown, Friona; Mr. and Mrs. Steve Brown, Canyon; and Gloria Brown, Lubbock.

Invitations are not being mailed locally, but all relatives and friends of the couple are being invited to attend.

A request is being made that there be no gifts.

A reception in the Community Room of Friona State Bank from 4 to 5:30 p.m. Sunday, April 15, will be a courtesy for Mr. and Mrs. W.O. Brown, 1508 West Fifth Street. The Browns, who will be observing their fifty-fifth anniversary, moved to Friona from Hayward, California, several years ago.

## Seright-Kirk Vows Exchanged Saturday

In a candlelight ceremony in the chapel of Friona United Methodist Church at 2 p.m. Saturday, March 31, Mollie Seright, daughter of Mr. and Mrs. H.A. Seright, Friona, became the bride of Dennis Lee Kirk of Dallas, son of Lee Kirk of Phoenix, Arizona.

The double ring vows were read by Rev. Albert F. Lindley, pastor, before an arrangement of red carnations, white stock and gypsophilia tied with blue satin ribbon bows. Twin seven branched candelabra entwined with greenery and holding blue candles, completed the setting.

Gary Mingus, pianist, presented traditional wedding selections and accompanied Mrs. Chris Moses, soloist, Canyon, as she sang, "The Twelfth of Never."

Patti Short, Tahoka, was the maid of honor. She wore a blue formal and carried a cascade arrangement of red carnations and gypsophilia tied with blue satin ribbon bows.

Brenda Seright, sister of the bride, was the flower girl. She carried a red basket filled with white rose petals.

Tom Jones, Fort Worth, was the best man. Candlelighters were John Seright, brother of the bride, and David Jones. Guests were seated by Ronnie Jones.

As the bride was escorted and presented in marriage by her father, she wore a formal wedding gown of white crepe. It was designed with a round yoke, which was re-embroidered with white daisies, long

## Mrs. Leta Tannahill Makes Holy Land Tour

Mrs. Leta Tannahill, 1206 West Sixth Street, recently returned home after a fifteen day tour of the Holy Land. She accompanied a tour group headed by Dr. and Mrs. Luther Kirk, Lubbock.

The group spent some time in New York City, Rome, Cairo, Beirut, Cyprus, Jerusalem and Athens.

Some of the highlights of the trip were the Sistine Chapel, St. Peter's Cathedral, the Catacombs and the location of

full sleeves, which were ruffled at the wrists, and a modified bell skirt.

Her veil of imported silk illusion was re-embroidered with daisies and attached to a headpiece of satin with rosebud appliques.

She also wore diamond ear screws, which belonged to her mother, and carried a colonial bouquet of red roses, Baccara roses, blue cornflowers, gypsophilia and white lace tied with white satin picot ribbon love knots.

Guests were registered by Sandy Spring.

A reception honoring Mr. and Mrs. Kirk was held at Federated Women's Club House immediately following the ceremony. Wedding cake, punch, nuts and mints were served by Mrs. Ross Miller and Mrs. Tom Shelton.

Out-of-town guests signing the register were Mrs. William York, Wichita Falls; Mrs. Herbie Vest, Lubbock; Mr. and Mrs. H.W. Powers, Borger; Mr. and Mrs. Tom Jones, Fort Worth; Mr. and Mrs. Chris Moses and Barry Wall, Canyon; and Mrs. Roberta Blytheway and sons, Richardson, Texas.

Mrs. Kirk is a graduate of Friona High School and West Texas State University, Canyon. Her husband, a former student of the University of Texas, Arlington, is associated with Signal Life Insurance Company.

Mr. and Mrs. Kirk are at home in Dallas.

Mrs. Dennis Lee Kirk
