

Lites  
by Bill Ellis

Can you believe having to move the Independence Day activities indoors because of cold weather.

The weather in our part of the world never ceases to amaze me. You just never know what to expect, or when.

Tuesday's weather was sort of like Northern California--or Northern New Mexico. But it sure didn't feel like Friona.

It was the coolest July 4th we can remember, and no doubt one of the coldest days on record for that particular date.

Several Frionans have been visiting the nation's capitol in Washington, D.C. recently, and some came back with interesting sidelights to their trip.

Hollis Horton says his family returned to their car after touring the Smithsonian Institute to find a note scrawled on the car, saying "Hi, Trip." His son thought he recognized Carl Evans' style in the note, and sure enough it was Carl, who along with Holley Stephenson and Mr. and Mrs. David Pruitt were in Washington as guests of Deaf Smith REC.

Dr. Paul Spring's family approached the capitol building and had a capitol guard come running out. "Are you Dr. Paul Spring from Friona, Texas?" the guard asked. When he replied in the affirmative, the Springs were ushered to a parking place near the capitol, which had been reserved by George Reed, brother of Friona's Mrs. Nelson Lewis.

The strange part about this was that the attendants had stopped three other tan Oldsmobiles with Texas license plates that morning before they got the right one. This left three other Texas visitors wondering if they had violated a law or something.

Roger Davis says an intelligent hippie would be a "Hairy Reasoner." You have to be familiar with ABC news to catch this one.

George Gobel says that he isn't actually lazy, but he lives in dread fear of getting tired.

The fellow on Frio Draw says one of life's mysteries is why children who are light eaters suddenly become ravenous in a restaurant that features hamburgers for \$2.85 and cake at a dollar a plate.

According to the U.S. Press Association, the assassination attempt on the life of Governor Wallace was just one of 55 similar crimes committed that day. The other 54 people were killed, if it was an average day.

It is not so much that guns are available--they always will be for those who really want them. The law against carrying concealed weapons is clear enough, if we let the police enforce it.

You cannot coddle the criminal and escape violence in the land. You cannot protect the criminal more than you protect innocent people and expect to have a safe community.

You cannot insult the police and call them "pig" without losing what it takes to keep your neighborhood safe for you and your family.

You cannot teach that every person has the right to decide for himself what is right and wrong without ending up with anarchy and lawlessness.

If you want the law obeyed and the innocent protected, you have to take the means. To start with, parents are going to have to teach respect for the law, and more judges are going to have to stop practicing sociology and start doing what they were hired for.

The only way most of us can get more for our money today than we did a decade ago is by putting a penny in the scales.

A candidate for Congress from a certain New England state was never shy about telling the voters why they should send him to Washington.

"I am a practical farmer," he said boastfully in the course of an address to an agricultural group. "I can plow, reap, milk cows, shoe a horse--in fact, I should like for someone to tell me one thing about a farm which I cannot do." Then, in the impressive silence, a voice asked from the back of the hall: "Can you lay an egg?"

ENTERTAIN. . . The Trebelaires, Friona singing group, entertained at Tuesday's July 4th program, held at Friona High School. Members of the group, left to right, are Carolyn Murphree, Lisa Taylor, Nancy Martinez, Kathy McLean, Ann Hurst, Vicki Pryor, Cindy Barnett, Dorothy Johnston, and Carleen Schlenker.

AWARD-WINNERS. . . The three essay contest winners are pictured above. Left to right are Deann Shipp, Jeff Peak and Cherlee Parker.

## RAINFALL RECEIVED

# Electrical Storms Prowl Over Area

The Friona area has been visited by almost a week of unseasonably cool temperatures, with cool fronts that brought a total of 1.25 inches of rain to Friona.

Residents of the area were treated over the weekend to electrical displays that made giant fireworks displays seem like "penny firecrackers" in comparison.

The biggest electrical display came on Sunday evening, when a late-striking cloud hit the area about 10:30 p.m. and left a total of .62 inch of rain behind.

The Sunday storm began with rain falling in sheets, and then tapered into a steady rain for about 30 minutes, accompanied by loud claps of thunder and a brilliant electrical storm.

Then in the early morning hours Monday, residents were awakened again by another stunning display of lightning, and thunder bursts, although the rainfall accompanying this display was practically nil.

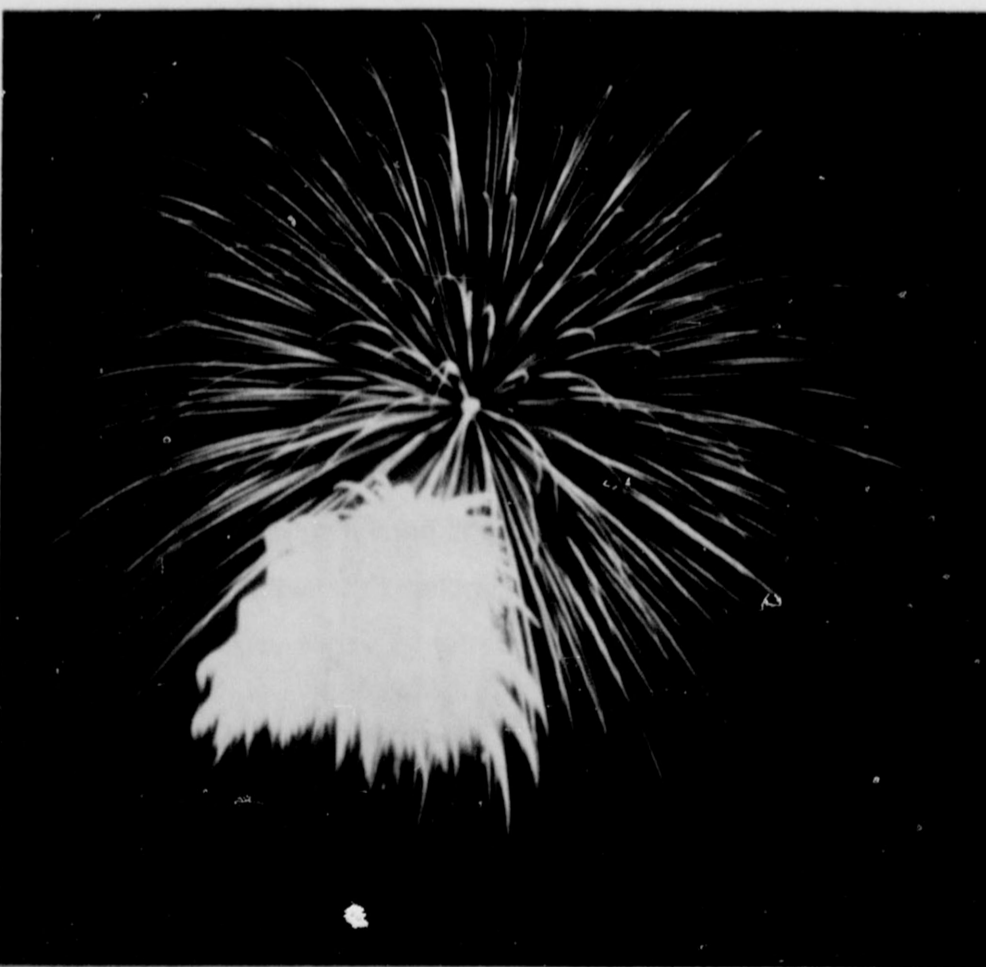

Last Friday evening's thunderstorm, mild in comparison, left .41 inches of moisture. Saturday night's measurement was .09 inch, and another .13 inch fell during the day Monday, for a total of 1.25.

A tornado funnel was spotted in the Lazbuddie area during Sunday evening's cloud, and some power lines were destroyed. Some hail accompanied that storm, although no major damage was reported to crops. Strong wind accompanied the cloud in the Lazbuddie area.

The rainfall benefitted area crops, although most farmers could use more, as irrigation wells have been running for the most part.

Day	Hi	Low	Rain
Thursday	95	65	.00
Friday	84	60	.00
Saturday	92	61	.41
Sunday	90	60	.09
Monday	91	62	.62
Tuesday	75	57	.13
Wednesday	60	55	.00

(Readings made at 8 a.m. daily for the preceding 24 hours)

FIREWORKS. . . Typical of the fireworks which were enjoyed at the annual display Tuesday evening is this "double-bursting" shot. Friona Volunteer Firemen were in charge of the fireworks for the Chamber of Commerce.

## HELD INDOORS

# Rain Fails To Mar July 4th Program

Cool, wet weather caused Friona's Independence Day program to be moved indoors Tuesday night, but the weather failed to put a damper on the program.

A good crowd of people turned out for the patriotic program, which was held in the Friona High School Auditorium, and then moved outdoors for the fireworks display. The entire program was sponsored by the Friona Chamber of Commerce & Agriculture.

Earnest Langley, Hereford, attorney, told the audience that the concept of being interested in our beginning must never be lost.

Langley said that "good roots" are as important to people as they are to plants. "Men wonder about where they came from, which is seen in the big interest in genealogy. The current interest in nostalgia is an interest in our beginning," Langley said.

He said that the Fourth of July was "Sort of a National

Day of Nostalgia. You can no doubt remember hearing about an 'Old Fashioned Fourth of July' for as long as the day has been celebrated," he said.

Langley said that "In God We Trust" has been the country's motto, and also one of its strongest roots. He recalled Benjamin Franklin recording that the constitutional convention, when it appeared that the convention might not succeed, invoked the blessings of God on the proceedings.

Mrs. Kenneth Ferguson, representing the New Horizons Junior Study Club, presented the winning essays on the subject "Why America Is Great." DeAnn Shipp, first place winner, read her essay to the audience. Also presented plaques were Cherlee Parker, second, and Jeff Peak, third.

The Trebelaires, under the direction of Eva Miller, presented several musical numbers. Bill Myers led the audience in "America" and "America, The Beautiful," and Carol Gatlin and Jo Witten sang "Brotherhood of Man."

The Friona Boy Scouts presided on the flag ceremony.

Charles Faulkner led an instrumental group in playing the National Anthem. Mayor R.L. Fleming gave the welcome.

PROGRAM HIGHLIGHTS. . . Earnest Langley, principal speaker, is shown delivering the July 4th address in the top photo, while the bottom shot shows Carrol Gatlin and Jo Witten, who sang a duet.

## Strike Over Against MBP

The striking employees of the Friona Division of Missouri Beef Packers, Inc. voted July 2, 1972 to end their five-month old strike by accepting a new three-year contract.

The employees are represented by local P-777 of Amalgamated Meat Cutters and Butcher Workmen, AFL-CIO.

Officials for both parties declined to release details of the settlement. The plant has been on strike since February 8, 1972. However, it remained in operation throughout the strike.

## Friona State Bank Adds New Field Man

Patrick H. Pace, 22, began his duties with Friona State Bank the latter part of June. Pace will be a field man for cattle and agriculture, according to Robert Neelley, bank president.

"Pace will be a public relations man. He will be calling on people all over the area," Neelley said. He pointed out that Pace comes from a farm-

ing background, and also has a good knowledge of cattle.

A native of Haskell, Pace has his BS degree in Agriculture Business from Abilene Christian College. While at ACC, he was named the outstanding range student of Texas in 1969 by the Texas Section of the American Society of Range Management.

He was a member of the Aggie Club and Delta Tau Alpha at ACC, serving as vice president of both organizations. Delta Tau Alpha is an honorary agricultural fraternity.

Pace was also active in the Rodeo Club and the National Block and Bridle Club at ACC. He secured experience from the cattle angle by working for Ranchers and Farmers Livestock Auction Company at Abilene while he attended college.

He is the son of Mr. and Mrs. Lynn Pace, Jr. of Haskell. His father is a farmer and rancher in Haskell County.

Pace and his wife, Brenda, are at home at 1107-B Elm Street. They attend the Church of Christ.

The addition of Pace brings to 24 the number of employees at Friona State Bank.

Patrick Pace

## STARTS THURSDAY

# New Goodyear Outlet Sets Grand Opening

Friona Safety Lane and Tire Service, which is the new independent Goodyear tire dealer for Friona, is staging a Grand Opening promotion beginning Thursday, July 6 and continuing ten big days through July 15.

Marvin Anderson, owner and manager of the business, invites the people of the Friona area to come visit the store and take advantage of the Grand Opening specials (see full-page advertisement inside this issue.) Anderson, who came to Friona from Dimmitt, opened the business here the middle of May. Besides being the Goodyear tire dealer, he does front end and brake work, and features complete tire service, including on-the-farm calls.

During the 10-day Grand Opening, Friona Safety Lane will give a free set of coasters to the first 100 people who come in and register. Customers will also be registering for two free "All Weather IV" white-wall tires in the size of their choice.

Friona Safety Lane is located on East Highway 60, in the old Friona Brake and Wheel building.

## Name Contest Is Announced

A contest was announced this week for naming the art center and hobby shop which is to be opened in the former Lillard Insurance Agency building, at 113 West 11th.

Mr. and Mrs. E.H. Bradshaw and Billie and Dick Homer will be the four owners of the business.

A nice picture frame will be awarded to the person submitting the winning entry. Entries should be submitted to 113 W. 11th.

## Joint Meet On Building

A joint meeting was slated for Wednesday evening between the Friona City Council and the Friona School Board on the proposed Community Center and Showbarn project.

Since the meeting was held after publication of this week's issue, details of the meeting will be published in next week's edition of The Friona Star.

## Friona Flashbacks

...from the files of the Friona Star

40 YEARS AGO--JULY 8, 1932

Several weeks ago, Mayor Reeve called a meeting of any and all male citizens of Friona who would be willing to enlist in a volunteer fire department for Friona. It is painful to relate that not one man responded to the call, yet it appears that practically all of our people are strongly in favor of Friona having a fire department.

30 YEARS AGO--JULY 3, 1942

Sometime last Tuesday, a long and fairly comfortable bench was placed by someone in front of the Friona post office, for the convenience of those who have the spare time to loiter there. The ladies of Friona and surrounding communities are protesting the presence of the bench, as during the busy harvest season many of the wives or daughters come for the mail and they claim that there are already too many men loafing there to stare at them. The bench, they feel, invites more loafers.

20 YEARS AGO--JULY 3, 1952

Early signing of right-of-way easements is necessary to expedite construction of the rural telephone line mapped for this area, Leo Forrest of Hereford has explained. Miss Mary Reeve is working on the project in the Friona area, and Mrs. Floyd Schlenker is working on the project in the Rhea community. Contract for the construction of the lines is hoped for by July 30.

10 YEARS AGO--JULY 5, 1962

There have been a lot of unconfirmed reports about fish being found in irrigation ditches, barrow ditches and the like, but H.G. Houston, who farms three miles southeast of Friona, has gone them one better. Houston captured one of the phenomons in an irrigation ditch on the J.L. Stowers farm Monday morning, and brought it to the Friona Star office for photographing. The specimen was about two and a half inches long, and was sort of silvery colored, with flecks of gold.

### AN EDITORIAL

## Media Doesn't Tell All About Vietnam

Mylai is probably the most followed-up story in the history of self-flagellating, guilt-ridden news reporting. This aberration, along with the drug problem, has been used to paint our armed forces an infamous color.

Stories of GI-run orphanages, schools and children's hospitals just do not make it into the liberal controlled national news. Nor do stories of Communist atrocities that pale Mylai by comparison.

Mylai, everyone has heard of it. But what about Caibe or Dakson? In Caibe, the Vietcong murdered the wives and children of local militia men. In Dakson, the Communists used flamethrowers to burn the village and 250 inhabitants, most of them women and children.

Sir Robert Thompson, noted British guerrilla expert, reports that captured Communist documents prove that the 1968 Hue massacre was not an aberration—it was policy. The documents lament that only 5700 people were slaughtered.

The Communists, writes Thompson, are acting on orders when they commit these atrocities. They are part of a "ruthless deliberate policy designed to break a people who would not otherwise bend to their will."

He interviewed a Communist defector, Col. Tran Van Dac, who said that Hanoi plans to wipe out 3 million South Vietnamese. Another North Vietnamese officer, Col. Le Xuan Chupen, says that 5 million are on the Communist blood list, and about a million of these will be killed. Col. Chuyen claims the slaughter "could not be exaggerated. It will happen."

Thompson estimates that the Communists will execute one million. He, like many Americans, wonders why the media ignore the horrifying possibilities of a Hanoi victory. The facts are there. Our media simply chooses to censor them for us.

## Pause and Reflect

By Nelson Lewis

This is being written during the early hours of July 4th, 1972.

Already the "long weekend holiday death toll"—a familiar expression these days—has claimed 500 lives.

About 70 of them in our own state and half of these due to careless drivers.

Another sad commentary of our times concerns the current hassle dividing the Democratic political party.

Perhaps the most awesome feature of today's bad news is the frightening number of Americans who are openly rebellious against the laws of human decency which formed the foundation of our Constitution.

Dredging up these pessimistic facts on Independence Day may strike a discordant note; but what better time to face the fact of their existence?

This brings us to the point of no return, where answers must be found if we are to maintain our position of leadership among the nations of the world.

Of course there is no one simple answer as to why we have allowed ourselves to become a "house divided."

Wedges have been driven into every small crack in the armor of unity.

Ethnic groups have been turned against one another, every slight difference of opinion has been magnified until we are confused, frightened and filled with distrust.

Our sense of appreciation for America as a whole has been undermined by traitors so stealthy as to escape notice by the majority of our citizens.

One of the most glaring errors is our failure to include courses in American Appreciation in our primary and secondary schools.

Two generations of permissive educators more interested in finance and politics than in the development of citizenship has brought us to the brink of doom.

In all fairness we cannot put too much blame on the "under 30" group. Thousands of them are as loyal as any generation ever to inhabit the land.

Unfortunately thousands more were not taught, at home nor in school, to appreciate all that America stands for.

Let's do something to correct this situation before another Fourth of July rolls around!

Transportation should be no problem—somebody's always ready to take you for a ride.

It appears that the American people are really doing their presidential shopping early.

Cong. Bob Price  
... Contest Judge

## Winning Essays Are Presented In Full

The Friona Star presents the winning essays in the New Horizons Junior Study Club's contest.

Each of the 41 entrants received a personal letter from Cong. Bob Price, who judged the contest, along with an autographed picture of the congressman. The letters and pictures may be picked up at the Dale Houlette residence, 804 West Sixth.

### WHY AMERICA IS GREAT

Deann Shipp  
First Place

America is great because each of the millions of people it has hope for a better future and the freedoms to make that future better.

All the poor and weary people of the world can come to America and realize any dream they may have if they want and have willing hands.

In America one can worship at any church you please. You are free to come and go any place at any time. Anyone has the chance to become president of the United States as all men are equal.

Any child in America can get an education but only the smart people in Russia and China can get one.

America isn't perfect like we would like it to be because we all have to worry about pollution, drugs, racial riots, poverty, but where else can one get an education and worship freely or have all the rights we have. With all of the faults America has I still love it for the freedoms it gives and the rights and that's why America is Great to me.

### WHY AMERICA IS GREAT

FREEDOM  
Cherlee Parker  
Second Place

America is great because it

is my native land. I was born here and have lived here all my life. It was founded by our forefathers as a search for freedom. America is a beautiful country trying to make peace with the rest of the world. In America we are free people. We can go to the church of our choice. In other parts of the world people are persecuted for reading the Bible and worshipping God. We can go to the schools of our choice and we can have the jobs of our choice. When we grow up we can be whatever we wish to be. One reason America is great is because of our freedom. We have great leaders in America, I'm proud to be an American.

### WHY AMERICA IS GREAT

Jeff Peak  
Third Place

America is great to me because I have the freedom to express myself in any way. The Constitution grants me the freedom of speech and press. It also guarantees me the freedom of religion. I am promised the right to be tried by jury.

If I lived in any other country I would not be able to worship my God in the manner I think best. Many countries would tell their citizens who to worship, when to worship and how to worship. In the United States I can read my Bible daily, I can pray to God in public, and can go to any church that helps me worship God best, without fear of being harmed.

America is a country that allows a poor country boy like Abe Lincoln to be elected president by the people. I hope that the freedom to elect public officials is never taken away from Americans.

I hope that when I am grown, I will have the hope of being President if I wish to.

In America I choose to work at any job I wish (like playing football for the Dallas Cowboys).

### Pioneer Buried Wednesday

Funeral services for Isaac E. Graham, a Crosby County Pioneer, were conducted from the Primitive Baptist Church there at 5 p.m. Wednesday, with L.M. Hadley officiating.

Graham, who was the father of Mrs. Deon Awtry, was 87. He died Tuesday in Colonial Nursing Home, Lubbock.

Other survivors include one son, Arles Graham of Crosbyton; one other daughter, Mrs. J.W. McDermott of Morton; one sister; six grandchildren and four great-grandchildren. Burial was in Crosbyton Cemetery.

### WORLD'S MOST COMPLETE ANIMAL ENCYCLOPEDIA NOW AVAILABLE

The most comprehensive English language encyclopedia on animal life and its conservation in 75 years is being published by the Van Nostrand Reinhold division of Litton Industries.

Edited by internationally famous zoologist and conservationist, Dr. Bernhard Grzimek, the 13-volume series provides a colorful, graphic presentation for understanding animal behavior, ecology and wildlife conservation.

Written in language understandable by high school students and the general public, the Litton encyclopedia is scientifically complete, making it a standard reference for professional use.

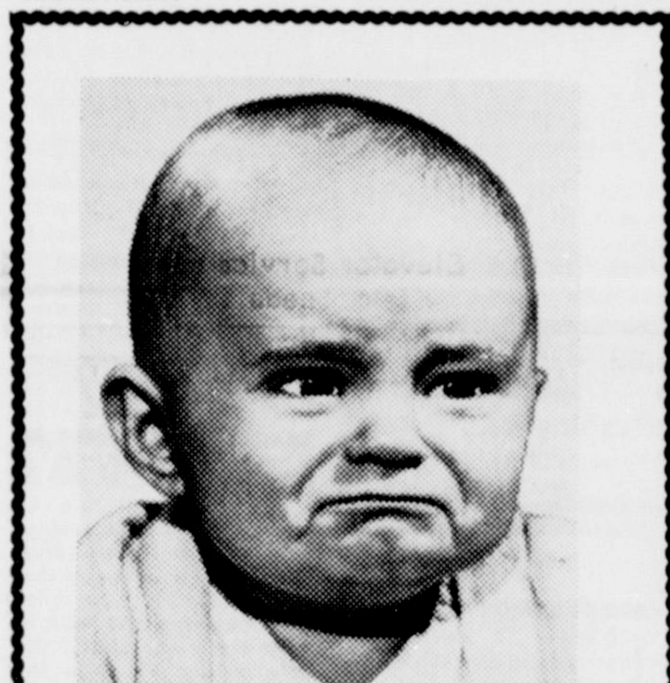

## HOSPITAL REPORT

### Admissions:

Jerry Lynn Bentley, Dorothy Deel, Aubrey Rhodes, Charles T. Stowers, Pauline Dutton, Lucille Collier, Blanche Sudderth, Lorenzo Trevizo, Thomas Guerrero, Jose Salazar, Victoria Lorenz and baby boy, Louva Kersey, Margaret Charles, Shae Woodard, Louis Stone, J.Q. Mars and Andres Parra.

### Dismissals:

A.W. Anthony Sr., Sheila Brummett and baby girl, Geneva Buckner, James O. Combs, E. E. DeLong, Maria Estrada and Charles Rector.

## GOOD PSYCHOLOGY

If a child consistently misbehaves in spite of punishment, increasing the punishment may not be the answer. Psychologists say that such misbehavior may be a bid for attention, and that some children would rather be spanked than ignored. A pat on the head and an extra Mounds bar, when a child has done some small good deed, may be more productive than extra scolding in response to naughtiness.

## A GAS LIGHT

gives a little feeling of HOME to your house

... adds something to its personality . . . feels friendly when you return home at night or guests come over. A gas light casts a gentle glow that doesn't attract insects and adds a touch of safety that can make you feel a little more secure and sleep a little softer. And for lasting beauty, it's crafted from rust-free aluminum.

Call Pioneer Natural Gas Company or ask a Pioneer employee you know about an outdoor gas light.

It's a touch to your home . . . you'll like the feel of.

PIONEER NATURAL GAS COMPANY

## Burns Given Promotion

Dave La Fleur, President of Missouri Beef Packers, Inc., announced the appointment of Robert Burns to Operations Vice President. Burns will report to the President and will be in charge of all operations of the Company.

Burns has seventeen years' experience in all phases of the meat packing industry. He began his career in the meat industry in 1955 with Wilson and Company in Kansas City, Missouri, and was later transferred to their Omaha, Nebraska and Cedar Rapids, Iowa divisions.

He later became plant manager of their Luverne, Minnesota division, and his latest assignment was plant manager of their Dakota City, Nebraska plant.

Burns joined the Company in 1969 and is presently General Manager of the company's Plainview Division. Burns was born in Kansas City, Missouri, and attended Kansas State University.

## 10 BIG DAYS!

STARTS JULY 6 THROUGH JULY 15  
Open 7:30 a.m. to 7 p.m. Daily Except Sunday During  
This Special Event.

Convenient shopping hours... many easy-access parking spaces  
... courteous, capable clerks to assist you... liberal extended  
terms! 1,000's of square feet of showcase area... Your headquar-  
ters for famous Goodyear tires.

Steel against steel. A full size '72 Ambassador, with Custom Power Cushion Polysteel tires, runs up and over the sharpened edges of steel cleavers.

## POLYSTEEL

### CUSTOM POWER CUSHION TIRE

Steel belted tires so tough Goodyear backs them with a 40,000 mile tread life expectancy policy

### 40,000 Mile Tread Life Expectancy Policy

With proper care and normal driving, you will get at least 40,000 miles of tread wear from new, first-class Custom Power Cushion Polysteel tires on your car.

If you don't get 40,000 miles — and provided you were the original buyer of the tires and they are still on the original car — bring the tires and the policy booklet (with recorded mileage readings) to

any Goodyear Service Store or Dealer in the United States or Canada. They will give you credit for mileage not received on the purchase of new Custom Power Cushion Polysteel tires, based on Goodyear's "Pre-determined Price for Adjustment". A small service charge may be added.

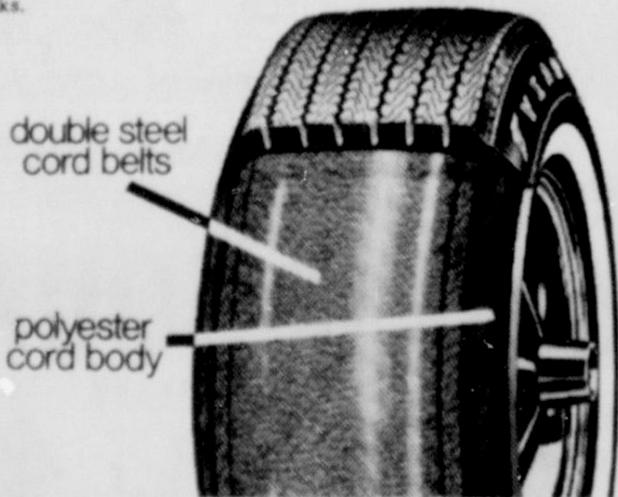

Copies of this policy are available at all Goodyear locations.

Goodyear builds it with two belts of steel cord for long-lasting resistance to impact and penetration. (You wouldn't run over steel cleavers the way we did here — but the demonstration illustrates how tough the steel belts really are.) Then Goodyear makes the long mileage easy to take, with a flexible polyester cord body to seal up the shocks.

## White Buys Out Partner Patrol Investigates 11 Wrecks In County

Ray White announced this week that he had purchased Winston Wilson's interests in Wilson & White Fina Station. The station will now be known as White's Fina.

The Texas Highway Patrol investigated 11 accidents on rural highways in Parmer County during the month of May, according to Sergeant W.E. Wells, Highway Patrol supervisor of this area. These crashes resulted in 20

persons killed and 11 persons injured. The rural traffic accident summary for this county during the first five months of 1972 shows a total of 60 accidents resulting in one person killed, and 33 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for May, 1972 shows a total of 517 accidents resulting in 25 persons killed and 329 persons injured as compared to May, 1971 with 543 accidents resulting in 23 persons killed and 354 persons injured.

The 25 traffic deaths for the month of May, 1972 occurred in the following counties: Wise, four; Knox and Parker, three each; Gray, two; Briscoe, Carson, Childress, Clay, Dickens, Garza, Hansford, Haskell, Lubbock, Lynn, Ochiltree, Palo Pinto, and Potter, one each.

## Friona Delegates To FFA Convention Given

Three members of the Friona Future Farmers of America Chapter will attend the State FFA Convention in Dallas July 12-14, according to Bill Bailey, President of the FFA Chapter and Benny Pryor and Bob Middleton, Chapter Advisors.

The three-day meeting of representatives of over 800 FFA Chapters from throughout the state will include the awarding of Advanced Degrees, Scholarships and Awards to outstanding members of the organization.

Kevin Wiseman, son of Mr. and Mrs. Buddy Wiseman and Maron Finley, son of Mr. and Mrs. Bob Finley, have been

selected by Chapter members as voting delegates of the Friona Chapter to the State Convention.

The other member attending is Mitchel Wiseman, also the son of Mr. and Mrs. Buddy Wiseman.

Guest speakers addressing the Convention will be Edwin L. Rippy, M.D., Dallas and Carl Morgan, Jasper, members of the State Board of Education and Dr. Kenneth McFarland, General Motors Corporation, Topeka, Kansas.

Allen Jones, State FFA President, Longview, will be in charge of the Convention activities. The Convention will

open with a Vesper Service on Tuesday night at 7:00 p.m. in the Ballroom of the Adolphus Hotel in Dallas.

Tim Burke, National FFA President, New Hampton, Iowa, will address the Convention.

One of the highlights of the Convention will be the awarding of the Lone Star Farmer Degree to Kevin Wiseman and Maron Finley. Plaques will also be presented to the Lone Star Farmer, State Chapter Farmer and the Star Green Hand.

Scholarships and FFA Foundation Awards will be awarded to outstanding Future Farmers of America. The State Association will confer Honorary

Degrees to adults who have contributed in an outstanding way to the accomplishments of the organization.

Among the important business matters to be transacted at the Convention will be the election of a state president from ten state officer nominees who have been elected by members in the ten areas of the state. The State Public Speaking Contest will be conducted. Voting delegates to the National FFA Convention in Kansas City, Mo., in October will be selected. More than 5,000 FFA members, advisors and guests are expected to attend the Convention in the Dallas Memorial Auditorium in Dallas.

LEAGUE LEADERS

# Benger, Bank Lose Games During Week

Both Benger Air Park and Friona State Bank had their championship express slowed down somewhat last week in games at the Senior Park. Benger, which had downed Pioneer Cattle Buyers, 12-7 on Monday, dropped a 13-4 decision to the same team Thursday night, for only their second loss of the year. However, Pioneer is four games behind the Flyers in second place.

The only other game completed in the Senior League found Hi-Plains Feeders bombing Cattle Town, 20-7. Games since last Saturday have been rained out at the park.

In the Major League, Friona Feed Yard topped Friona State Bank, 10-7 in the Monday game, to pull within a game of the Bank in league standings. However, on Thursday the Bank came back for an 11-8 win and again stretched their league lead to two games.

Reeve Chevrolet pulled into a tie for second, with 15-5 and 10-5 wins over Friona Star on Tuesday and Friday afternoons.

Box Score

Feed Yard	235	000--10
Bank	110	005--7
Hits: FY-Mata, 2, Veazey, Whiteside, Bank-Strickland, 2, C. Barnett, McLellan, Mears, 2.

WITH 9-1 RECORD

## Hi-Pro Takes Lead In Senior Minor LL

Hi-Pro Feeds and Parmer County Implement continue to run 1-2 in the Senior Minor League, with a week remaining on the schedule.

Hi-Pro edged Ethridge-Spring twice, 10-7 and 9-8 last week, to achieve a 9-1 league mark. Parmer County Implement, which had been tied for first place, dropped a pair of games to the Parmer County Pump B-J Bees, 10-9 and 10-5, to fall two games behind Hi-Pro.

Hi-Pro got three hits from Ernest Castillo in their 10-7 win over Ethridge-Spring on Monday, and had to score six runs in the fifth to pull the game away from the upset-minded Cardinals.

In the Thursday game, it again was close, with Hi-Pro scoring a run in the bottom of the fifth inning for the win, 9-8. Ethridge-Spring kept the game close with a double play in the fourth inning, with the play going to first base and then to home, where the Hi-Pro runner was out.

The B-J Bees whacked out ten hits in downing Parmer County Implement on Tuesday, 10-9.

Eddie Chavira and Robert Rando each had three hits for the winners.

The Friday game between the two teams was called in the top of the fifth due to rain, with the score reverting to the fourth inning, which was 10-5. The B-J Bees were batting in the fifth and had scored five more runs when the rain washed out play.

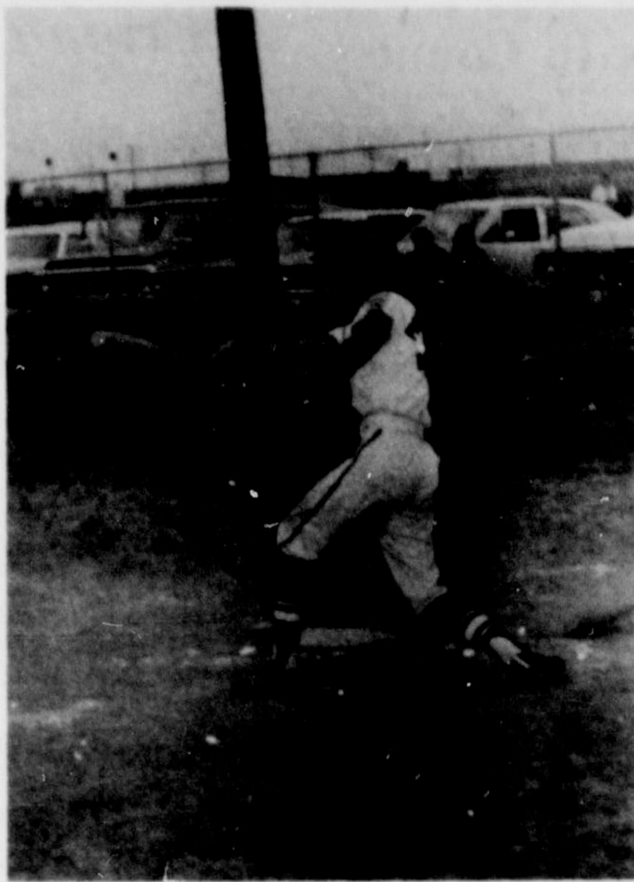

Eth.-Spring	111	013--7
Hi-Pro	211	00x--10
Hits: E-S-Gowens, L. Ball, J. Soliz, L. White, 2, HP-Castillo, 3, Porter, Weatherly, Aragon, Richards.		
B-J Bees	311	41--10
Parmer Co.	210	321--9
Hits: B-J-Hernandez, 2, Caballero, R. Rando, 3, Chavira, 3, Broadhurst, PC-Brito, 2, Caballero, Alexander, Mendoza, 2, Bermea.		

Eth.-Spring	053	00--8
Hi-Pro	143	10--9
Hits: Eth.-Spring-Gowens, Ball, Zachary, Menefee, White, HP-Porter, Weatherly, 2, Aragon, 1, Rios, 2, Vera, Moore, Lambert, 2, Mercado.		
B-J Bees	062	2--10
Parmer Co.	020	3--5
Hits: B-J-Caballero, Felder, Chavira, Massey, PC-Brito, Fallwell, 2, Fleming, Bermea, Eakins.		

Eth.-Spring	053	00--8
Hi-Pro	143	10--9

## Friona Parts, Bill's Tied Into Last Week

Friona Parts bested Bill's TV for the second time in two weeks last Friday, to pull into a tie with Bill's for the lead in the Junior Minor League.

The Parts men won, 17-9 over Bill's, which won its first six games, but then dropped two out of four.

Other action during the week saw Bill's TV topple Tasty Cream, 22-7, Friona Parts upend Piggly Wiggly, 21-14, and Piggly Wiggly outslug Tasty Cream, 16-12.

Bill's slugged out 28 hits in their 22-7 win over Tasty Cream. Five different players had three hits apiece. The game was halted after four innings by the ten-run rule.

Friona Parts had to score seven runs in the sixth inning against Piggly Wiggly to nail down their 21-14 win and stay in the running for the league title. Joe Ortiz banged out five hits for the winners, Tim Robbins, Randy Richards and Denny Young each had four hits for Piggly Wiggly.

Tasty Cream and Piggly Wiggly had a see-saw contest on Thursday, with first one team and then the other taking the lead. Nelson Jackson's five hits paced the winners. David Howard and Micah London each had four hits for Tasty Cream.

Friona Parts bolted to a 5-2 lead over Bill's TV in their showdown game on Friday, and was never headed. It was 9-2 after two innings and 14-3 after three. Friona Parts batted around three times, in the first, third and fifth innings, and this was the difference.

Joe Ortiz again had five hits to pace his team's win, and scored three runs.

### Dads To Play Here Friday

Fathers of the players in the senior and major leagues are to play a game against the coaches and umpires in an exhibition game following Friday's game at the Senior LL Park. The starting time for Friday's games has been moved up an hour, to 5 p.m. for the Major League game, in order to get the exhibition game in.

The humility of hypocrites is, of all pride, the greatest and most haughty. -Martin Luther.

## The stay-a-round pipe.

The first thing you're going to look for in aluminum pipe is durability. You don't want a pipe that splits, cracks, leaks, or gets out-of-round. Here's what you're looking for. Gifford-Hill's flowline and gated aluminum irrigation pipe. The coupler is reinforced. And the walls are uniform because our pipe is milled, coiled aluminum. That's enough to tell you that we've eliminated most of your problems, but there's more. We built in a permanent gasket groove, and made the coupler 18 inches long so that you have better lateral adjustment. And just to make sure that everything's right, we test every joint. We test it for its ability to hold water. And we test it for its strength. Gifford-Hill aluminum pipe stays around because it stays round.

# See here Uncle!

We respectfully suggest this five-point program for reducing that waste line.

The cost of government is literally eating the country out of house and home. In 1970, Americans spent \$14 billion more for government than for food, shelter, clothing and new cars combined.

Isn't it scary that the cost of government increased by 67% from 1958 to 1971? That's almost twice as much as the cost of consumer items. Uncontrolled Federal spending looms as a continuing threat to the economy. The inevitable results are government deficits, inflation, increased taxes.

What to do? We suggest to the President and Congress—put government on a strict diet. Set up strict spending guidelines. Exercise strict controls on the Federal budget. As a start, we recommend five reforms.

1. Project all major spending over a five-year period.

Show total costs as well as detailed spending. Such projections should list separately both actual spending and spending that has been authorized but not yet spent. Then Congress and the taxpayers will have a yardstick for measuring new and continuing programs. The costs of new programs initiated in the 1960's increased 300% during the first five years. If the taxpayer knows the future costs, he will think twice about the true worth of the program.

2. Evaluate all spending programs at least once every three years.

Determine their need and effectiveness and see what costs can be eliminated. This is zero-based budgeting, which means that an appropriation for a program must be justified from scratch. If needed it should be re-enacted. If not, eliminated. As it stands now, almost \$175 billion of the proposed \$247 billion budget for Fiscal 1973 would be spent automatically—about \$2,650 per family.

3. Pilot test every proposed major Federal program.

See if it will work before full-scale operations are funded. If it works, then and only then should Congress put it into nationwide operation. This procedure will avoid many expensive projects that look good on paper but don't solve the problem. As Senator Abraham Ribicoff said in urging that the proposed Family Assistance Plan be pilot-tested: "Right now we have 168 programs at a cost of \$31 billion to alleviate poverty, and we've got more poverty in this country than we had last year."

4. Designate a joint Congressional Committee to evaluate the Federal budget in terms of priorities.

Today no committee is responsible for the total budget picture. The Federal budget is a thing of bits and pieces—a scrambled multibillion dollar jigsaw puzzle. Each committee has a favorite piece and tries to squeeze it in somehow. No committee evaluates the budget in terms of balancing tax receipts and expenditures. Excess costs are simply added to the national debt. A total review by one committee, to be made public, could help balance the budget.

5. Subject special Federal programs, such as Social Security, Medicare and Highways to the discipline of controlled spending just as other tax-supported programs are.

There are over 800 trust funds, which do not come under the annual appropriations review. An annual look might change priorities substantially as times change.

These five points can bring the budgetary process under control. Until the American public insists on steps like these, election results will be meaningless. What's needed is millions of Americans talking to their friends, neighbors, colleagues and public officials about ways to bring spending under control.

**At Home  
In Parmer County**

**Jona Pronger**  
County HD Agent

Things have really been hopping the last few weeks for Parmer County 4-H and will be going full steam for the next month or so.

On June 6 through June 8, Cheryl Gohlke and Billy Roberts of Oklahoma Lane attended Texas 4-H Roundup where they presented their poultry demonstration.

On June 14, Parmer County hosted at Tri-County Seminar in Friona to provide training for 4-Hers who will be participating in the County Dress Revenes in Deaf Smith, Castro and Parmer Counties during July. Approximately 140 4-Hers, parents and leaders attended.

On June 19, the District 4-Hers Specialist, Ed Garnett, provided training to interested parents and leaders in the county on compiling 4-H record books. . . these are an important part of 4-H work. The record book is one of the most important ways for a 4-Her to receive recognition for his accomplishments. We had a nice turn-out, but we do wish more parents realized the benefits the 4-H work can provide and the importance of record books. The parents meeting was followed, the next few days, with meetings in each club for specialized help on record books for 4-H members and their parents who were able to attend.

Last week we had the County 4-H Horse Show, with Lee Ann Williams of Farwell carrying away most of the honors. Also participating were Ross Middleton, Friona; Angela Matthews and Teri Clark, Lazbuddie; Patti and Gay London and Brenda Jones of Farwell.

It has come to my attention lately that there are some of our 4-Hers who have been neglected because of a shortage of leaders, especially those who would rather take projects other than the clothing, foods and livestock projects you hear about all the time. 4-H has more projects to offer than most people realize. All that we need is a few leaders who would be willing to devote an hour to an hour

and a half of their time once a week for six weeks, which is the way most projects are set up. Leaders are the backbone of our program. Parmer County can boast some of the best leaders in the district, but they are being sadly over-worked because there are only a few. If you would be willing to devote a little time, even if you couldn't take a project group, we could use help in many other ways for shorter periods of time. Please contact the extension office or any 4-H member or leader you know.

### Bill Pankratz Elected Riding Club President

About fifty members of Friona Riding Club met in the country home of Mr. and Mrs. C.L. Lillard Saturday evening for an ice cream supper.

During a brief business session, which was presided over by Howard Love, Bill Pankratz was elected to serve as president of the club.

Other officers who were elected to serve with Pankratz

were Curtis Butler, vice-president; Mrs. Bill Pankratz, secretary; Mr. Gary Cash, sergeant-at-arms; George W. Jones, parade marshal; and Mrs. Forrest Osborn, reporter.

Donna Rector was chosen club queen and Joan Pankratz was named club sweetheart.

Plans were made for the club to ride in the Fourth of July parade in Muleshoe Tuesday.

### Concordia Accepts Betty Ann Sachs

The Office of Admission at Concordia Lutheran College, Austin, Texas, has announced that Betty Ann Sachs, daughter of Mr. and Mrs. Melvin Sachs, 1701 West 10th, Friona, has been accepted as a student for the coming year.

Concordia is a liberal arts junior college with credits transferrable to any college or university.

### FRIONA BOY WINS

## 4-H'ers In Horse Show

Miss Sachs will enroll as a freshman liberal arts student. She is a 1970 graduate of Friona High School where she was active as a Future Homemaker, Future Teacher, Thespians, National Honor Society member, member and reporter of Distributive Education Club, and a First Class Senior Girl Scout.

Lee Ann Williams of Farwell 4-H Club had a field day Tuesday at Farwell Roping Arena when she won grand and reserve champion mare, showmanship, barrel racing and

SPRING FAMILY VISITS CAPITOL... One of the highlights of a vacation trip recently taken by Dr. and Mrs. Paul Spring and children, Susie and Johnny, was a tour of the White House. In Washington, D.C., the Spring family were guests of Lt. George Reid. They are pictured here immediately following the tour of the nation's capitol.

pole bending at Parmer County 4-H Horse Show.

Her champion mare was a registered Appaloosa named Buzzie Suzzie. Her reserve champion mare, named Little Red, was also the horse that won pole bending and barrel racing.

Winning grand champion gelding was Ross Middleton of Friona 4-H Club. His horse named Gringo, was first place in the grade gelding over five years of age class. Middleton was also third in showmanship.

Reserve champion gelding award was won by Terri Clark, Lazbuddie 4-H, with her horse named Brave Dave. Winning second in showmanship was Angela Matthews from Lazbuddie. Second in barrel racing was Patti London, Farwell, while Brenda Jones, Farwell, won second in pole bending.

The horse show was staged for the purpose of qualifying youngsters for District 1 4-H Horse Show in Amarillo July 6-7. Ken Cook, county agent from Tulia, judged the show.

A list of the classes and placings is below:

- Registered mare five years and older—
1. Lee Ann Williams and
  2. Gay London
- Grade Mare five years and older—
1. Lee Ann Williams,
  2. Patti London and
  3. Brenda Jones
- Champion and Reserve Mare—Lee Ann Williams
- Registered gelding five years and older—
1. Terri Clark,
  2. Angela Matthews
- Grade gelding five years and older—
1. Ross Middleton
  2. Ross Middleton
- Reserve champion gelding—Terri Clark
- Showmanship—
1. Lee Ann Williams,
  2. Angela Matthews,
  3. Ross Middleton,
  4. Patti London,
  5. Terri Clark,
  6. Brenda Jones
- Barrel Racing—
1. Lee Ann Williams,
  2. Patti London,
  3. Gay London
- Pole Bending—
1. Lee Ann Williams,
  2. Brenda Jones,
  3. Gay London.

Johnny Spring is spending this week visiting in the home of Mr. and Mrs. Johnie Benger, Sumner, Texas.

TONGUE IN CHEEK  
Many a young man who writes political speeches for a living finds it a "promising" career.

For a long time we have known that there just isn't anything more inactive than Friona on a holiday. To-day, July 4th, is no exception. However, it seems that there is one thing a little bit unusual about this day. That is, the temperature is lower than usual. In a telephone conversation a few minutes ago, I was informed that the temperature at Friona State Bank was 56 degrees.

Those of us who are in town are kind of hoping for some clearing weather this afternoon. Fireworks probably would not be very effective in drippy weather like we have at the moment. But, since we have had three beautiful evenings for our annual Fourth of July events, maybe we should not complain about one bad one.

If you haven't seen the Century Plant in the front yard of the Bob Jones home, you've really missed a special treat. The Jones home is located at the corner of Austin and West Tenth in the Western Addition and is beautiful.

When you drive out to look at the plant, you may want to look around at some of the new homes out there. That part of town is growing.

The Dave Thompsons have recently moved into their new home, which is located west of the Curtis Murprees on the south side of West Tenth. Then down on the corner of West Tenth and Baylor the framing looks to be just about completed on the new Hurst residence. Andy and Winifred will probably be moving in by early fall.

Another new home on West Tenth is located between the Mickey Wilsons and Coon Tannahills and looks like it is ready for occupancy. This home fills up all the spaces on the north side of West Tenth between Austin and Baylor.

Then over on Ninth Street the foundation has been poured for a new home for the Doyle Elliotts. They will be living on the north side of West Ninth between the Hilton Wilsons and Rosco Ivies.

A young Frionan was honored recently by having his picture in the Galveston paper.

Mark Blankenship, who is the son of Mr. and Mrs. J.C. Blankenship and the mascot of Friona Volunteer Fire Department, was pictured with John Bement, Dallas County Fire Marshal, as he asked him to support Ralph Shirley of Friona in his bid for fourth vice-president of the Texas Fireman's and Fire Marshal's Association.

Mark was a member of Friona's delegation to the convention.

## Final Rites Held For Mrs. W. H. Awtrey Sr.

Final rites for Mrs. W.H. Awtrey Sr., 73 were conducted from First United Methodist Church in Hereford Saturday afternoon. Dr. W.A. Appling, pastor, officiated.

Mrs. Awtrey, who was the mother of Deon Awtrey of Friona and W.H. Awtrey Jr., of Ulysses, Kansas, was found dead in her home on the Dim-

mitt Highway Thursday afternoon.

Other survivors include one sister, two brothers, seven grandchildren and four great-grandchildren.

Burial was in West Park Cemetery under direction of Claiborn Funeral Home.

A number of our readers would have enjoyed seeing last week's Stratford Star. Dave McReynolds, former Friona Star editor, must have "gone back a few years" as he gathered news and took pictures for this edition.

One front page picture was of hail damage on a corn field near Conlen. The owner, Orval Blake, is a former Frionan. Part of his 1000 acre corn patch was shown with bare stalks about four inches high and leaves strewn between the rows. Before the hail the corn had been about three feet high.

Then another picture was that of Mr. and Mrs. Larry Sutterfield, Larry is the son of Mr. and Mrs. Charles Sutterfield, formerly of Friona. He and his bride, the former Derra Lynn Woods, are living in Stratford.

In another picture Mrs. Kenneth Williams of Friona was pictured with Marian Haile and her mother, Mrs. H.L. Haile. Marian is the bride-elect of Ronnie Williams. The three were at a bridal shower for Miss Haile, which was held in the home of another ex-Frionan, Mrs. Glym Don Hughes.

A small boy had been told by his father to refrain from asking his granddad for money. The father, wishing to indelibly impress his son, had promised him dire punishment if he disobeyed the order, by saying, "If you ever ask Granddad for a dime again, etc., etc!"

Later the young lad and his grandfather were in the neighborhood store at the same time. The boy said, "Granddad, Daddy told me to never ask you for a dime again, but, do you think he would care if you gave me two nickels?"

The thigh bone or femur is the longest of the 206 bones in the human body. In a six-foot-tall man, it may be expected to be 19 1/2 inches long!

## Life's Shadows Banished By Light Of Christ's Cross

Read John 16:16-20

"You will be sorrowful, but your sorrow will turn into joy." (John 16:20, RSV)

At Coventry Cathedral in England there are two crosses. One stands upon the altar of the old cathedral which was bombed and remains an empty shell open to the sky. That cross is of charred and twisted wood, reclaimed from the ruins.

The cross in the splendid new cathedral a few yards away is a new one. It is fitting for a house of God which is not only a superb work of architecture, but has built into it the sacrifices and hopes of the Christians of Coventry and many thousands of others.

We have sorrows, and the blackened stumps of them remain with us. But no Christian can be content to sit mourning in the ruins. Christ died to conquer death, and through His death and resurrection our sorrow is turned into joy.

PRAYER: O heavenly Father, we thank Thee that in darkness Thy children can still turn to Thee. We are grateful for the joy that keeps seeking us through pain and the cross which lifts up our heads. We thank Thee for Jesus, whose death has transformed the dark shadow of death into the dazzling light of triumph. Amen.

THOUGHT FOR THE DAY: All shadows that encompass us are banished in the light of Christ's cross.

## Wileta Kay Wyly Weds Terry Keith Pennington

Wileta Kay Wyly, daughter of Mr. and Mrs. Elton Wyly of the Black Community, became the bride of Terry Keith Pennington of Bluegrove, Texas at Park Avenue Church of Christ, Hereford, Friday, June 30.

Parents of the bridegroom are Mrs. Doris Pennington of Bluegrove and the late Quentin Pennington.

The double ring vows were read by Kenneth Avaritt of Benton, Arkansas, before an archway of horseshoes, which were made by Cecil Sisk of Friona, decorated with daisies and greenery and centered with white wedding bells.

A bouquet of white gladiolus and yellow mums were used behind the archway. Two philodendron plants completed the setting.

Janet Mingus, soloist, presented "Bridge Over Troubled Waters."

Sue Shirley, Hereford, was the maid of honor. She wore a blue formal length gown and carried a long stemmed yellow rose.

Mrs. Jerry Pennington, Wichita Falls, sister-in-law of the groom, and Mrs. Clyde Wyly, Austin, sister-in-law of the bride, were bridesmaids. Their costumes and flowers were identical to those of the maid of honor.

Candlelighters were Deloris Wyly, sister of the bride, and Criss Wyly, cousin of the bride.

### Vicki Vaughn On Dean's List

Vicki Vaughn, a graduate of Friona High School and the daughter of Mr. and Mrs. Richard Vaughn of the Rhea Community, was listed on the Dean's Honor Roll at Angelo State College, San Angelo for the spring semester.

Miss Vaughn, who is a senior elementary education and art major, maintained a grade point average of 3.8.

She is currently enrolled at West Texas State University, Canyon.

Jerry Pennington, Wichita Falls, brother of the groom, was the best man. Groomsman and ushers were Sherrod Rasmussen, Wichita Falls, cousin of the groom, and Clyde Wyly, Austin, brother of the bride.

Wade Davenport was ring bearer.

As the bride was escorted and presented in marriage by her father, she wore a formal wedding gown of white silk organza over peau de sole. Venetian lace motifs were re-embroidered around the edges of the bell shaped sleeves and round yoke. The lace motifs were also scattered over the skirt, which had a scalloped hemline.

Her veil of bridal illusion extended to chapel length and was held in place with a band of lace flowers.

She carried a Hogarth arrangement of yellow roses and daisies tied with white satin picot ribbon.

A reception in the Community Room of Pioneer Natural Gas Company followed the ceremony. The serving table was covered with a white linen cloth and centered with an arrangement of yellow mums.

Wedding cake and yellow punch were served with nuts and mints by Mrs. John L. Baxter, Friona, cousin of the bride, and Mrs. Katie Sue McClennen, Muleshoe.

For a wedding trip to points of interest in East Texas, Mrs. Pennington wore a blue shift dress with three quarter sleeves, white accessories and a corsage of cymbidium orchids.

Mr. and Mrs. Pennington will be at home at 4600 Coronado, Wichita Falls, after July 9. She is a graduate of Friona High School and Jessie Lee's Hair Design Institute, Lubbock. She has been employed by Chalet 'c Bonte.

Pennington, a 1966 graduate of Midway High School, attended Midwestern University, Wichita Falls and Cooke County Junior College, Gainesville, Texas. He is presently employed by Continental Trailways.

Mrs. T. K. Pennington

## Three Frionans Named Distinguished Students

Three Friona students have earned "Distinguished Student" ranking at Texas A&M University, announced registrar Robert A. Lacey.

The undergraduate honor is awarded students who have excelled academically. Recipients must earn at least a 3.25 grade point ratio (out of a possible 4.0) during the grade period.

In addition to a 3.25 or higher GPR, a student qualifying for "Distinguished Student" honors must have been enrolled in a minimum of 15 hours and have no grade lower than a "C." "Distinguished Student" ranking is limited to 10 percent of Texas A&M's undergraduate enrollment.

Friona students are Dale R. Schueler, son of Mr. and Mrs. Raymond K. Schueler, Route 2, freshman pre-veterinary medicine major; Becky L. Weatherly, daughter of Mr. and

Mrs. Leonard Coffey, 510 East Seventh, senior educational curriculum and instruction major; and Nancy L. Evans, daughter of Herbert Evans, 1101 E. Eta, senior mathematics major.

## Perkins Family Takes Vacation

Mr. and Mrs. Richard Perkins and children, Billy, Angela, Anita and Allisa Gail returned home Monday after a ten day vacation trip, which took them to the West Coast.

In Los Angeles they visited in the homes of Mr. and Mrs. Dan Bogatin and son, Michael. Then in Santa Monica they visited Mrs. Virginia Board and Chester. They also visited in the home of Mr. and Mrs. Ray McElroy and children, Debbie and Timothy, in Redondo Beach, California.

## Parties Honor Former Residents

Houseguests in the home of Mrs. Decima Beene, 606 Springfield Avenue, recently have been Mrs. Vicky Neal and daughter, Joy, of Odessa. Mrs. Neal is a former first grade teacher in the local school system.

Mrs. Neal was guest of honor at a breakfast bridge in the Beene home Thursday morning.

### Rene Sneads Have Guests

Weekend visitors in the home of Mr. and Mrs. Rene Snead, 1302 West Sixth Street, were Mr. and Mrs. James Waites and daughters, Felicia, Robin and Brenda, and Mrs. Bobby Stokes all of Port Arthur, Texas.

Mrs. Waites and Mrs. Stokes are sisters of Mrs. Snead and are former residents of the Hub Community.

Those present, besides the honoree and hostess, were Mrs. Mary Merrell, Bovina; Mrs. Clyde Woodard of the Hub Community; Kay Neel and Kay Johnson.

Also Mesdames Troy Ray, Robert Neelley, Jim Johnston, Philip Weatherly, Jack Moseley, Doug Stephenson, Maurine Dunn, Carroll Gatlin, Teddy Fangman, Grady Dodd, R. E. Snead and Herschel Johnson, all of Friona.

Then on Friday morning Mrs. Neal and Joy were honored with a Mother-Daughter breakfast in the home of Mrs. Herschel Johnson, 208 West Fourteenth.

Other guests were Mrs. Lee Spring and Gigi, Mrs. Hollis Horton and Tracy, Mrs. M. C. Osborn and Paige, Mrs. Sam Mears and Sarah, Mrs. Clarence Monroe, Mrs. Decima Beene and Kay Johnson.

## Denise Frazier Listed On Roll

Denise Frazier, daughter of Mr. and Mrs. John Frazier, 1312 North Maple Avenue, was listed

on the Dean's Honor Roll at Texas Tech University, Lubbock, for the spring semester.

Miss Frazier, who is a graduate of Friona High School and a psychology major, had a 3.46 grade point average on a 4.0 system.

Denise Frazier

## Ice Cream Supper Will Be Monday

The Friona Chapter of the Order of Eastern Star will meet Monday, July 10, at Masonic Hall.

An ice cream social will be held prior to the chapter meeting, which will begin at 8:30 p.m.

Families of members of the chapter are invited to attend the social, which will begin at 7:30 p.m.

## Prize Winners Are Announced

Members of St. Teresa's Ladies Society hosted an ice cream social at Parish Hall beginning at 5:30 p.m. Sunday. All members of the parish were invited.

Winners of the prizes were: Jessie Gonzales, Tinkertoy set; tether ball set, Darryl Roth; and early American rocker, Samuel Uritaga.

## Funds OK'd To Finish Water Import Studies

ENGLAND'S MARION CHAPMAN STILL HOLDS THE WORLD'S RECORD FOR THE LOWEST BIRTH WEIGHT OF A SURVIVING INFANT. BORN IN 1938, THE MINI-MISS TIPPED THE SCALES AT ONLY 10 OUNCES -- AND HAD TO BE FED THROUGH A FOUNTAIN PEN FILLER!

The House of Representatives in Washington last week approved the big annual Public Works Appropriation Bill which includes funds to complete the West Texas-Eastern New Mexico Water Import Study. House action was based upon the recommendations of the Appropriations Committee, headed by George Mahon. The \$691,000 appropriated

this year will bring the amount spent on the seven-year study to a total of \$6.1 million.

The bill also includes \$481,000 to complete the three-year comprehensive water resource study of the Lower Mississippi Valley, which is closely associated with the Import Study. This \$2.4 million water resource study is essential to supplement the information being developed as part of the import study concerning the nature and extent of the availability of surplus water for export from the Lower Mississippi region.

The next step to be taken will be largely dependent on the findings of the present reconnaissance study, scheduled for completion by June 30, 1973. Authorization must then be obtained to proceed with the follow-on feasibility study.

Mahon said, "We do not know what the recommendations will be, but we are, of course, hoping for the best because our needs are very great and time is running out."

**PRICE DOUBLES**  
Having fun is like insurance premiums--the older you get the more it costs.

The pay is better if you try to get ahead instead of even.
