Ellenburger Strike In Scurry Completes

The first Ellenburger producer in Scurry County has been completed by Humble Oil & Refining Company at the corner of No. 1-B Moore, wildcat in the northwest part of the county.

The well pumped 24 hours to make an initial production of 47 barrels of oil. Gas-oil ratio was too small to measure. Shakedown was two per cent water. Gravity of the petroleum was 46.5 degrees.

Production was through casing perforations at 3,200-40 feet, opposite the Ellenburger pay section. Total depth is 3,405 feet. Plug-back depth is 3,350 feet. Top of the deep zone was called on 3,202 feet. This new field opens up about 19 miles northwest of Snyder and 1,880 feet from north, 1,980 feet from east lines of section 492, block 97, H&TC survey.

Plymouth Reaches Upton Ellenburger

Plymouth Oil Company has reached the Ellenburger in the Benedum area of East-Central Upton County with its No. 1-B No. 1-8 well from north and 860 feet from east lines of section 9, block 41/2, G&S&P survey.

Top of the deep zone was picked at 11,494 feet. The venture is reported running low on that horizon.

Operator has drilled ahead to 11,505 feet and was running a five-inch liner to 11,490 feet. As yet, no tests have been made in the Ellenburger by this project.

Sunray Prepares To Make Scurry Tests

Production tests were scheduled to be in progress at Sunray Oil Corporation No. 1 Brown, recent Canyon-Pennsylvanian discovery in North-Central Scurry County.

The prospect has drilled cement plug on 5 1/2-inch casing set at 6,535 feet. Tubing has been run 100 gauges have been reported. Total depth is 6,544 feet.

This strike, originally operated by Ryan, Hays and Burke, is located 860 feet from north and west lines of tract 8, section 20, J. P. Smith survey, approximately six miles north of Snyder.

Ohio Gets No Shows In Nolan Ellenburger

Consecutive drillstem tests of the Northwest Nolan County Ellenburger were being made at Ohio Oil Company No. 1 City of Sweetwater, wildcat two miles of Sweetwater.

As yet, no shows of any consequence have resulted. The last test was for one hour at 6,338-37 feet, recovering 43 feet of drilling mud with no shows.

The venture was drilling ahead below 6,338 feet in Ellenburger line, scheduled to test again soon. It is 680 feet from north and 670 feet from east lines of section 43, block 22, TP survey.

Coke Wildcat Sets Casing In Strawn

Sun Oil Company, et al, were running a string of 5 1/2-inch casing to make tests of the Strawn-Pennsylvanian in their No. 1 Billie Hanks, Northwest Coke County wildcat.

The prospector made water in the Ellenburger at 6,943 feet and drilled back to 5,127 feet, in the Strawn, which developed slight signs when penetrated.

Location is 1,890 feet from south and west lines of section 324, block 6A, H&TC survey.

Penn Finishes New Producer In Pecos

William Y. Penn of Midland has completed his No. 3 Stanolind-Shearer as a commercial producer in the Leth-Appo-1000 North field of Northeast Pecos, Central Gaines County.

The development, 330 feet from northeast and southeast lines of the lease in section 37, block 10, H&G survey, flowed 24 hours through a 3/2-inch choke to make a potential of 68.23 barrels of oil.

Gravity of the oil was 36 degrees. Gas-oil ratio was 1,125-1. Production was natural with no water from the open hole pay zone at 1,890-1,975 feet.

Nolan Deep Prospect Schedules Potential

A potential test was scheduled for G. H. Brodie and Hunt Oil Company No. 1 J. P. Aycock, Ellenburger prospect in North-Central Nolan County, four miles southeast of Sweetwater and 860 feet from south and west lines of the northeast quarter of section 84, block 31, TP survey.

The venture has shown an appreciable amount of oil in the Ellenburger, which was topped on 5,150 feet. The well is due to complete from the open hole section at 5,152-5,160 feet.

Gaines Test Shoots More Perforations

Further testing of the San Andres-Furnish in Central Gaines County was underway at C. H. Murphy & Son No. 1 E. T. O'Daniel, wildcat two miles southeast of Seminole and 960 feet from east, 1,560 feet from south lines of section 16, block C-24, pal survey.

Operator has suspended oil production.

House Sends Science Bill To Governor

AUSTIN—(P)—The House Monday concurred in Senate amendments to the basic science bill, sending the measure to the governor for signature.

It also concurred in Senate changes in a proposed constitutional amendment calling for annual meetings of the Legislature and annual salaries for members. The vote was 106 to 24.

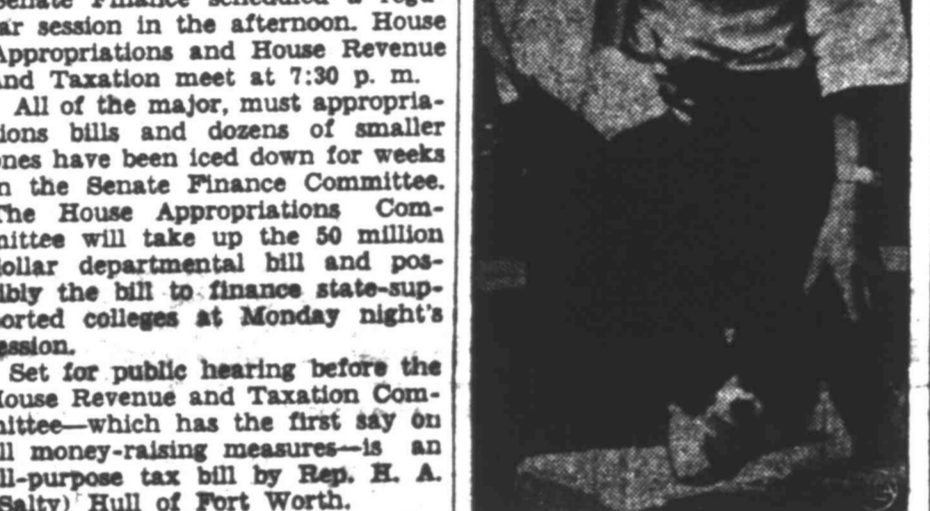

Health Plan Bill Handed To Congress

WASHINGTON—(P)—Legislation to carry out President Truman's far-reaching health program was introduced in Congress Monday.

The bill calls for payroll-tax insurance to provide medical, hospital and dental care for about 120,000,000 Americans at a sponsor-estimated cost of around \$6,000,000,000 a year.

The administration measure also would put into effect all the other phases of Truman's program.

Railroader

Bill Marrs, Jr., 13, of Owine-mucca, Nev., pets his dog Queenie after saving her and himself from death. Trapped on a trestle by an oncoming freight, Bill grabbed the dog and lay prone between the tracks as 11 cars of the 80-car train passed over them and groined to a stop. Scrambling out from under, Bill fell 15 feet into a river bed, breaking his right arm. His head was grazed by the engine pilot.

U. S. Ambassador Ordered To Return For Consultations

WASHINGTON—(P)—The State Department said Monday J. Leighton Stuart, U. S. ambassador to China, has been ordered home for consultations.

Stuart now is in Communist-occupied Nanking, the former capital of Nationalist China.

Before the Communists moved in, the department said, Stuart was told he should return after the safety of Americans in the Lower Yangtze River Valley is assured.

Stuart is to make the trip to Washington when he "considers it advisable."

Officials here assume there will be no restrictions on his departure, presumably by air, to Shanghai and thence by plane across the Pacific.

Four Men Added To Fire Department

Four new firemen went to work at the main station of the Midland Fire Department in the City Hall Monday.

Earl Baker and Hoyt Burris have been added to one shift and Grady Brown and Odell Ponder, former police sergeant, are new on the other crew.

The increase gives the department six paid firemen on each shift.

General To Speak At Club Luncheon

Brig. Gen. Robert J. Smith, president of Pioneer Airlines, will be guest speaker at the Optimist Club luncheon meeting Tuesday in the American Legion Hall.

Members of other Midland civic clubs also have been extended an invitation to attend.

Smith probably will touch on the recent CAB proposal to suspend American Airlines service to Midland for five years to reduce competition with Pioneer's feeder line service.

Smith has been associated with the airline industry since 1926 with the exception of several years war service.

Tickets for the luncheon are on sale at the Chamber of Commerce office.

Jurors Quizzed On Sex Perversion As Hester Trial Opens

CLEBURNE, TEXAS—(P)—Defense attorneys for Arthur Clayton Hester, slayer of a Texas Christian University dean, questioned prospective jurors on their knowledge of sexual perversion as Hester's trial opened here Monday.

The handsome, erratic, 18-year-old youth is charged with murdering his guardian, Dr. John Lord, 70-year-old dean of TCU's Graduate School, at Lord's secluded farm home five miles southeast of Burleson, Texas, on March 8.

Al Clyde and Jack Love, Fort Worth attorneys defending Hester, asked each venireman if he had knowledge of the fact some men are homosexuals.

At the same time, District Judge Penn Jackson of 16th District Court, who had called a venire of 150 men, announced the jury would be barred from the courtroom.

Hester was calm as the trial progressed. The first juror chosen was L. D. Hartgrove, a Burleson farmer. Burleson is 12 miles north of Cleburne.

At noon, 11 veniremen had been questioned and two jurors chosen. The second juror was W. A. Berry, a dairyman.

Judge Jackson said there would be a night session Monday night to continue selection of a jury.

State Asks Death Penalty

District Attorney John A. James, Jr., said the state would ask that Hester be sent to the electric chair. The prosecution questioned each venireman as to his views on the death penalty.

Assisting James with the prosecution were Special Prosecutor Fred Brisman of Longview, onetime student assistant to Dr. Lord at TCU, and Jack Altaras, Johnson County attorney.

The state will attempt to prove Hester used a metal rod to bludgeon Dr. Lord fatally.

Hester was arrested in Los Angeles four days after the sensational slaying. He made a confession to officers.

Lord became Hester's guardian in 1947, after the youth ran away from the State Orphanage at Corsicana. Hester left the orphanage after becoming involved in minor trouble there.

Later Hester joined the Navy. He was dishonorably discharged in December, 1948, and went back to Lord.

The state accuses Hester of hiding in a closet, awaiting the return of Dr. Lord. It will try to show the elderly educator was struck nine times with a metal rod in a surprise attack. Lord's wedding band and some money were taken, and also his automobile.

Health Plan Bill Handed To Congress

WASHINGTON—(P)—Legislation to carry out President Truman's far-reaching health program was introduced in Congress Monday.

The bill calls for payroll-tax insurance to provide medical, hospital and dental care for about 120,000,000 Americans at a sponsor-estimated cost of around \$6,000,000,000 a year.

The administration measure also would put into effect all the other phases of Truman's program.

Those include federal grants for medical education, hospital construction, public health services and research. The bill also authorizes an experimental program of federal aid to farmers' health cooperatives.

No Republican Sponsors

A sponsor's statement accompanying the bill was signed by Senator Albert D. Thomas (D-Utah), chairman of the Senate Labor and Public Welfare Committee; by Senators Murray (D-Mont.), Wagner (D-N. Y.), Pepper (D-Pa.), Chavez (D-N. M.), Taylor (D-Iowa), McGrath (D-R. I.), Humphrey (D-Minn.), and by Reps. Dingle (D-Mich.) and Biemiller (D-Wis.).

Not a single Republican's name was on the list of sponsors. Some Democrats have branded the President's national health insurance program "socialized medicine."

Congressional hearings on the bill are expected to start soon and lay prone between the tracks as 11 cars of the 80-car train passed over them and groined to a stop. Scrambling out from under, Bill fell 15 feet into a river bed, breaking his right arm. His head was grazed by the engine pilot.

Humble Reduces Heavy Crude Prices

HOUSTON—Humble Oil & Refining Company announced Monday a 25 cent per barrel reduction in its posted prices for crude oil in the Hawkins, Talco and Sand Flat fields of East Central Texas in which Humble is the principal producer.

The new price posting was effective at 7 a. m. April 25, and ranges from \$2.15 per barrel for oil 20 degree gravity and above to \$1.95 per barrel for oil below 20 degree gravity. No change was made in the prices of crude oils purchased from other fields.

The announcement stated that in order to maintain adequate markets for crude oil produced in the Hawkins, Talco, and Sand Flat fields; which are low gravity crudes with high yields of fuel oil, it is necessary to bring prices more nearly in line with the lower values of these crudes to refineries because of the sharp decline of fuel oil prices brought about by changed supply and demand conditions in recent months.

Accused Spy Seeks To Have Indictment Against Her Quashed

WASHINGTON—(P)—Judith Coplon asked the U. S. District Court Monday to throw out one of the two indictments against her which grew out of an alleged rendezvous with a Russian agent.

Her attorney, Archibald Palmer of New York, argued that an indictment voted by Washington grand jury against the 27-year-old former Justice Department employe, should be dismissed because nine of the 17 grand jurors present were government employes.

Government attorneys replied that the question of eligibility of government employes to serve on juries here has been settled by a long line of court decisions.

Charged With Russian

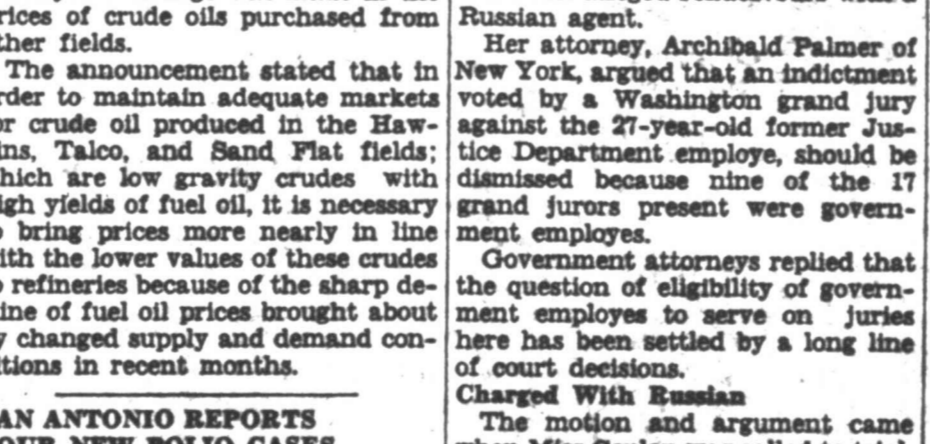

The motion and argument came when Miss Coplon was called to trial.

The indictment here charges her with copying and removing secret documents from Justice Department files "with intent and reason to believe the information was to be used to the injury of the United States and to the advantage of a foreign nation."

In addition to the indictments here, Miss Coplon is under indictment in New York along with Valentin A. Gubishov, 32, a Russian and former United Nations employe, on espionage conspiracy charges.

As part of the alleged spring conspiracy, the New York indictment charges Miss Coplon with attempting to deliver government secrets to Gubishov. The two of them were arrested together in New York last winter.

On The Sidewalks Of New York

Americans Offered Haven Aboard Ships

SHANGHAI—(P)—United States citizens were told Monday to report immediately to the American Consulate here if they wished haven aboard U. S. Naval ships at Shanghai.

Although the announcement by U. S. Consul General John Cabot did not say so specifically, it was construed as the first step in the emergency evacuation of Americans from this great city which has come under threat of the Chinese civil war.

American were warned that if they board Navy ships they might not be permitted to land again.

Mexico To Continue Seeking U. S. Loan For Oil Development

BROWNSVILLE—(P)—Mexico will continue to negotiate with the United States for a multi-million dollar loan to finance further development of the Mexican oil industry, President Miguel Aleman said Monday.

Aleman, now touring Northern Mexico, made the statement in an interview published in the Brownsville Herald.

"Senator Antonio R. Serrano (head of Pemex, Mexico's government-owned oil monopoly) informed me of the negotiations but the matter will require more study," the president said. He said the conference will continue.

'Most Eligible'

Child Injured In Tractor Accident

Vida O'Neal, daughter of Mr. and Mrs. Ray O'Neal, is being treated at the Western Clinic-Hospital for injuries suffered Sunday in an accident on the O'Neal farm.

The child was reported to have jumped on the rear of a tractor driven by her father and her hair became entangled in a chain drive of the vehicle. She suffered lacerations about the face and a possible fracture of the skull.

The O'Neal farm is seven miles west of Midland on U. S. Highway 80.

Strong Earthquake Shocks Recorded

CLEVELAND—(P)—A strong earthquake was recorded on the John Carroll University seismograph Monday. It was described as a tremor more than an hour.

The Rev. Henry F. Birkenhauser said it apparently was in a southerly direction, about 4,000 miles from Cleveland, which would place it in Peru and Bolivia, South America.

Floods Force Citizens From South Laredo

AUSTIN—(P)—The Texas Highway Patrol Monday escorted Governor Jester and his party to safety and back to Austin from the ranch, near Martindale south of Austin, where the party had been marooned overnight by high waters.

By The Associated Press

High water following torrential rains marooned Governor Jester and his family south of Austin Monday and forced many Laredo citizens to flee their homes.

Governor Jester, his wife, mother and son were marooned on a San Marcos River-Bottom ranch near Martindale, south of Austin, by high water.

Laredo's entire police force, with the help of volunteers, manned trucks, patrol cars and other conveyances to take residents out of areas flooded to a depth of two to three feet. The inundated area was in South Laredo.

The Jesters had been on an outing arranged by Rep. William George Richards of Lockhart when flooding waters of the San Marcos River marooned them at a ranch house. The party was on its way back from Jester's historic meeting at Matamoros with President Miguel Aleman of Mexico.

Elsewhere in Texas it was the same story: hit-and-miss rains of near-cumulus proportions, some flooding, and inevitably some damage to crops by washing. But the moisture was welcome.

More Rain Forecast

The forecast called for the same conditions to prevail through Tuesday.

San Antonio had 7.4 inches of rain in the 24 hours ending at 4:30 a. m. Monday—the state's heaviest rainfall for the period. Laredo recorded 4.81 inches. San Antonio recorded 1.79 inches. Austin 1.54.

In the Waco and Temple areas, both the Leon and Little Rivers were on the rise after heavy weekend rains.

The Weather Bureau said a "moderate rise" is expected on the San Marcos, Blanco and Guadalupe Rivers from rains at Blanco, San Marcos and Kerrville, but that no serious flooding was indicated.

With only four months of 1949 gone, Austin's rainfall for the year (Continued on page 5)

Red Armies Roll Onward Toward Sea

SHANGHAI—(P)—Red armies aimed a lightning blow toward the sea at Hangchow Monday hoping to trap 300,000 Nationalist troops below Shanghai.

Other Communist forces, which took Nanking Sunday without effort, were reported just 18 miles from Shanghai. Residents of this, the world's fourth largest city, waited in a steady rain for the Reds. But none had showed up at dusk.

Shanghai—seemingly—was being bypassed. But none could say for sure. Even military spokesmen admitted they did not know just where the Red armies were.

The feeling grew among Shanghai's 5,000,000 inhabitants that the great Asiatic communist center would go over to the Communists without a fight, just as Nanking did Sunday morning.

Defenders Surrounded

Seymour Topping, Associated Press correspondent in Nanking, reported the former Nationalist capital received the Communist quietly at 3:30 a. m. Sunday, Nanking time.

At the same time Nanking fell, the Communist radio at Peiping announced the capture of Taiyuan, Shanxi Province capital and industrial center 600 miles northwest of Nanking.

The speed of the Red drive southward from the Yangtze apparently had thrown a noose around the government defenders. How close the Communists were to Hangchow, big port 100 miles southwest of Shanghai, was obscured by conflicting reports and lack of accurate military information.

Eleventh-Hour Peace Talks Avert Strike At Packard Factory

DETROIT—(P)—Eleventh-hour peace talks that continued even after picket lines were set up prevented a shutdown of the big Packard Motor Car Company plant early Monday.

Some 9,000 Packard workers who had been alerted for a strike starting at midnight Sunday were told by CIO United Auto Workers officers to report on their regular shifts.

Settlement of assorted differences between the company and union was achieved by a group of representatives of both sides who got together at 11 p. m.—an hour after pickets had been called for the Packard plant.

When they broke up three hours later there was written agreement on 18 disputed points. Then UAW withdrew about 70 men and women pickets who had jumped the gun on the midnight strike hour and had been marching in front of the plant's four entrances several hours.

Child Injured In Tractor Accident

Vida O'Neal, daughter of Mr. and Mrs. Ray O'Neal, is being treated at the Western Clinic-Hospital for injuries suffered Sunday in an accident on the O'Neal farm.

The child was reported to have jumped on the rear of a tractor driven by her father and her hair became entangled in a chain drive of the vehicle. She suffered lacerations about the face and a possible fracture of the skull.

The O'Neal farm is seven miles west of Midland on U. S. Highway 80.

Jean And Franchot Are Living Happily Ever After—Divorce

By ERSKINE JOHNSON
NEA Staff Correspondent

HOLLYWOOD — Blonde Jean Wallace and Franchot Tone are the most happily divorced couple I know. It's a new twist even for Hollywood. They are so happy they are living in the same home together.

"It's a large house," Jean explained. "The lawyers said it would be all right. Franchot just moved to a different wing. But really, he's seldom home."

They are so happy they are working in movies together. Franchot insisted on Jean as his leading lady in "Jigsaw." They went to Paris together for filming of "The Man on the Eiffel Tower."

"Paris," Jean said, "was wonderful. We almost wished we weren't divorced."

Jean and Franchot were divorced last Summer. It was an interlocutory decree which won't be final until this August.

"I'll move into an apartment then," Jean said. "But really, good apartments are difficult to find. Franchot has been a dear to let us stay."

"It" includes their two children, Pascal Franchot, Tone, 5-and-a-half, and Thomas Jefferson Tone, 3, and Jean's 10-year-old sister, Carol. They will share custody of the children.

"But really," Jean said, "I wish people would stop writing about us. The children are learning how to read."

What about a reconciliation? "No," Jean said. "I'm moving out in August when the divorce is final. Maybe sooner."

Still "Darling"

was lunching with Jean at Lucy's. Tone was also there with some friends. He came over and took her hand and said, "Hello, darling." She cooed, "Hello, darling."

Very confusing.

Jean's career is confusing, too. She has been under contract to 20th Century-Fox for almost five years. But she has appeared briefly in only two films there, "When My Baby Smiles at Me" and "It Shouldn't Happen to a Dog."

She has tried repeatedly to break the contract. But the studio says no—that she's going to be a big star—and sends her a check every week.

Very confusing.

The Judy Garland-Vincent Min-

elli separation was no surprise to anyone in Hollywood. But Judy may get a surprise when Minelli starts talking terms of a property settlement.

Paulette Goddard got a surprise from Burgess Meredith. They agreed not to announce their divorce plans until they worked out their property settlement. Burgess jumped the gun on the announcement.

Bill Holden is celebrating his 10th anniversary on the screen. It was 10 years ago this month that he started work in "Golden Boy." I told him that he certainly hasn't aged.

"Not in the face maybe," he said. "But certainly in the stomach. That's where all the wrinkles are."

Plenty Of Exercise

Bill and Lucille Ball are co-starring in a comedy at Columbia, "Miss Grant Takes Richmond." "I asked for physical action and believe me I'm getting it," Lucille said. "There's so much action I have to go to a doctor after every night and he pulls me back into shape."

I asked Lucille if Columbia had talked to her about that chorus girl role in "Born Yesterday." She said yes.

"If they couldn't find anybody better they said I'd do it." Then she added: "And that's the story of my life—but even that's good enough for me."

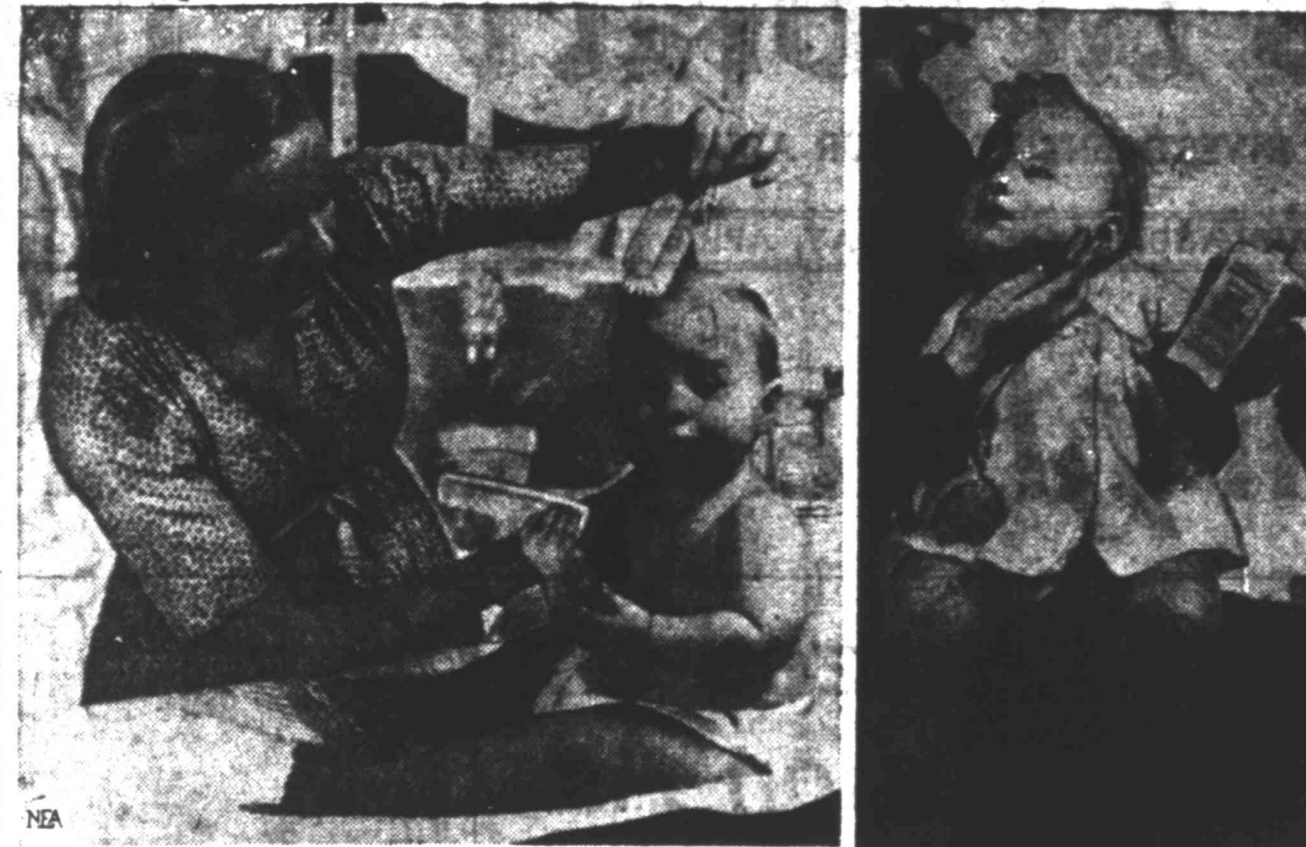

Hollywood's problem boy, Larry Tierney, is reforming. He just completed a movie in Portugal, "Kill or Be Killed." Director Max Neesse writes that the looks five years younger and drinks nothing stronger than milk.

Dinah Shore subscribed to the Racing Form after picking a 30-to-1 shot.

Monogram is talking about starring 12-year-old Gary Gray in a series of westerns, titled "The Buckaroo Sheriff." Republic is buying Judy Canova for a couple of films.

His Len Stern's line—"Did you hear about the terrible thing that happened to Glenn McCarthy? He just discovered oil under the Shamrock Hotel."

Baby Care For Future Glamor

Baby's beauty treatment includes brushing hair to coax silky wisps to curl (above); and keeping delicate skin soft with creamy lotion (right).

Color In Mood Of Your Outdoor Life

Handyman's helper can put color in the garden furniture while the man of the house does the heavier chores.

By ROBERT SCHARFF
Written for NEA Service

A little wood—and color—on your outdoor garden and porch furniture will make it fit in with the carefree mood of outdoor living. But the color isn't the only idea; painting is vital to the life of the furniture, too.

It isn't hard to obtain a good, durable finish on these pieces, but a wrong choice of materials may prove costly in time, money and effort. Only a sun-resistant enamel intended for exterior use should be applied to both wood and metal surfaces. Before painting, proper preparation of the surface is important to obtain a smooth finish. Sandpaper the work thoroughly, dust it off, and wipe with a damp cloth.

On new wood or non-rusting metal, an enamel undercoat should be used according to the manufacturer's directions. In iron and steel, apply red lead or some other rust-inhibitive primer, and follow with a coat of the desired enamel. If two coats are used, sand the gloss off the first before applying the second.

An undercoat isn't necessary on old work that is to be repainted, provided the old finish is in good condition. Simply sand it smooth with No. 60 sandpaper. But if the old finish is flaking or chipped, it should be removed with paint remover or by scraping and the same schedule followed as for new work.

All repairs should be done before repainting is started, of course.

If there are loose joints, remove all old glue and sandpaper surfaces until they are clean. When joints

The two beauty aids which your little daughter needs before she is even old enough to hold them in her hands are a bottle of skin lotion and a hair brush.

The purpose of the brush, besides keeping baby's silky locks in good order, is to coax hair with a tendency to curl to follow its bent. The way to encourage curly wisps to curl is to brush a strand at a time around your finger. The time to coax a curl is while baby's locks are still damp from her bath.

The mother who wants her curly-haired daughter to wow her admirers later on with a lovely complexion starts early to take care of her baby's skin. Designed to aid and abet her in her long-view aim are baby lotions which are creamy emulsions freighted with lanolin. These creams, used on a prone-to-chafe skin, not only allay irritations but do for baby's skin exactly what Mom's creams do for her. They help to replenish the skin oils which are somewhat depleted by scrubbing.

Recent Marriage Of Couple Announced

Announcement has been made here of the marriage on April 19 of Fern Oregston of Midland and Ernie Davis of Newcastle. Wyo. The wedding ceremony was read by the Rev. Mr. Lewis, Baptist minister at Henrietta, in his home.

Miss Faye Gregston of Midland, sister of the bride, was her attendant, and the best man was F. E. Jones of Wichita Falls, brother-in-law of the bridegroom. Mrs. Malvina Gregston of Duncan, Okla., mother of the bride, was present for the wedding.

Miss Gregston wore a beige suit with brown accessories and an orchid corsage, and her maid of honor was dressed in a grey costume with touches of white.

The couple left immediately after the ceremony for Newcastle, where they are at home.

For the last six months Mrs. Davis has been employed with the Southwestern Bell Telephone Company in Midland. She attended school in Comanche, Okla. Davis, whose parents live in Walters, Okla., is an employee of the Frontier Drilling Company.

Beta Delta Tea Honors 'Sister' Nu Phi Mu Unit

Complimenting the members of Texas Alpha Theta Chapter of Nu Phi Mu, the Beta Delta Chapter of Beta Sigma Phi entertained with tea Saturday afternoon in the home of Mrs. Noel Cason, 1901 West Texas Street.

The Nu Phi Mu is a "little sister" organization to the Beta Sigma Phi Sorority. The Midland chapter was formed last Fall. Mrs. Bryan Denson is the adviser and Lafara Harrison the assistant adviser.

Tea decorations featured the Nu Phi Mu colors, blue and silver—the lower, pink rose, and the emblem, a star. The table had a blue satin cover over a floor-length cloth of white nylon marquisette studded with tiny blue and silver bows. Blue tapers in silver holders were lighted in the center. Pink roses wreathed the punch bowl, and cakes served with the punch were in the shape of stars. A variety of garden flowers made bouquets in the living room.

Mrs. A. R. Aytes, Mrs. Cason and Beta Beauties were in the receiving line to greet approximately 40 callers. Mrs. J. L. Crittenden was in charge of the guest book.

Serving punch in turn during the calling hours were Ruth Baden, Mrs. E. L. Kopecky and Elizabeth Knox.

TEEN TALK
By VIVIAN BROWN
AP newswriter

Try to graduate from that baby-sitting and lawn-mowing job this summer. Get out and see something of the world. Take a job that will educate you for a future career, or one that will be fun and a change from your humdrum existence.

Now is the time to look for that summer job. When school is out millions of teen-agers will dash to the town. Most of them will be filled by early birds. If you'll your job-seeking program lag, you'll surely spend your summer on the lawn or reading bedtime stories to the local children.

It certainly is no disgrace to take a job behind the vegetable or dairy counter in the town market, but unless you want to plan a career in store management, all you will get out of it is a paycheck for every week and the privilege of watching shoppers squeeze the freshness out of the tomatoes and oranges.

Train For Career

Before you fill out any job application, decide on your future career. It is to be. When that decision is made, even if it is only a temporary one, subject to change, look for a job akin to that career.

Supposing you have a desire to be a nurse. In that case, perhaps a hospital could use you in some capacity. Sometimes they need nurses' aides and this is a good test case to see if you fit the nursing role.

If you are planning to be an airline hostess, get some kind of a job where you will meet people. One of the most important requisites of this job is the ability to put people at ease and make conversation. Personality, therefore, is necessary, and you will need to cultivate it before embarking on a hostess career.

Learn From Customer

Perhaps you are interested in a career in the fashion world. If you have a yen to be a designer, you must learn to sketch, and this, plus a part-time job, could occupy your summer months. Or you can get a feel of fashion by selling dresses or modeling. The way you will learn about fabric, style, fit and consumer preference. Next fall you can begin sketching if you still want to go ahead.

Girls who must attend summer school and just want a spot job during the summer, camp counseling or waiting on table at a summer resort can be fun. You can get all the outdoor exercise you like—swimming, hiking, bicycling, rowing—and get meals, board and pay besides.

Summer stock offers wonderful possibilities to the girl who wants a career in the theatre. You can learn about openings by visiting a near-by playhouse or by watching trade papers. If you can sing and dance and enjoy acting you've got more than an even chance of getting a break.

How Can One Help A 'Misfit' Daughter? By Understanding

By MUTH MILLETT
NEA Staff Writer

"My daughter is an unhappy 'misfit' at the public high school she attends because she was not asked to join one of the all-powerful sororities—and automatically is left out of much of the social life of her classmates.

"What can her father and I do to help make her high school years a little happier for her? Don't tell us to send her to a private school, because we just can't afford it."

You have a problem on your hands, all right, and the maddening thing about it is that the situation that has created the problem shouldn't exist.

Fraternities and sororities should be outlawed in public schools. They are in many cities—but unfortunately they still flourish in many others, causing snobbery in teen-agers, causing heart-break to the boys and girls who are outsiders, and giving parents of the outsiders one more teen-age problem to try to help their sons and daughters solve.

But back to your immediate problem. How can you best help your daughter to be happy in spite of that feeling of being left out?

First of all, don't try to pretend the problem doesn't exist to save her face. If you don't discuss it with her, she'll only brood about it alone, and perhaps get the mistaken notion that you don't understand.

She Can Get Along "Outside"

In talking about the situation, try to make her see that organized snobbery is just a crutch those who are "in" lean on. Try to show her how she can get along without that crutch. Encourage her to go out for school activities, and to the boys and girls who are outsiders, and giving parents of the outsiders one more teen-age problem to try to help their sons and daughters solve.

And if you possibly can, see that her clothes are right—so that she needn't feel ashamed of the way she looks. Many a high school girl manages to have a nice wardrobe by making her clothes herself.

If you finally can bring your daughter to see that the important thing in life isn't to belong to the "right crowd"—but to be able to stand alone—you will have helped her not only through this situation, but you will have given her a truth that will help her throughout her life.

Help her to see that many of those girls who are dependent on belonging to the right sorority to take them through high school happily, will be just as dependent at 40 on being accepted by the "right people" if they are to be happy.

Play Readers Club Entertains Guests With Springtime Tea

Tea was served in flower-decked rooms Saturday afternoon to guests of the Play Readers Club, who heard Mrs. James D. Martin read a sparkling comedy which is currently running on Broadway. The club entertained with its Spring tea in the home of Mrs. William Y. Penn.

All the flowers came from Midland gardens, even the Talisman roses and purple iris which made the handsome center arrangement on the dining room table. Candles in silver holders lighted the table, which had a punch bowl set at either end.

Members Wear Flowers

Mrs. C. E. Marsh and Mrs. R. L. Gates arranged the table decorations. Mrs. John Fitzgerald and Mrs. W. F. Pennebaker the bouquets of iris, yellow daisies, snapdragons and other April blooms which brightened all the rooms. Members of the hostess club wore corsages of pansies.

Mrs. J. E. Seakey, club president, Mrs. E. Harvey Herd, president-elect, and Mrs. Penn directed the guests, who were received to the playroom where the reading was presented.

The refreshment committee included Mrs. M. Ellison Muldrow, Mrs. Wilson Bryant, Mrs. Ray Howard, Mrs. Wallace Irwin, Mrs. R. D. Scruggs and Mrs. Herd. Table service arrangements were made by Mrs. E. H. Barron and Mrs. Charles Klapproth and seating arrangements by Mrs. DeLo Douglas and Mrs. R. M. Barron.

Guests of the club who registered were Mrs. Guy E. Nease, Mrs. P. V. Kora and Mrs. Delmer Gross, all of Odessa; Mrs. William L. Kerr, Mrs. Clark Steinberger, Mrs. F. A. Forrest, Mrs. J. M. Hawkins, Mrs. F. A. James Fitzgerald, Jr., Mrs. Bob Hamilton.

Other Guests

Mrs. Foy Proctor, Mrs. N. A. Lancaster, Mrs. R. M. Payne, Mrs. W. Pryor, Mrs. John W. Thomas, Jr., Mrs. Clarence Hale, Mrs. F. A. Nelson, Mrs. C. C. Keith, Mrs. Robert Dewey, Mrs. Burton Atkinson, Mrs. W. H. Rhodes, Mrs. H. H. Redding, Mrs. James O. Simmons, Jr.

Mrs. Francis Kingon, Mrs. Thornton Hardie, Jr., Mrs. J. W. Whitaker, Mrs. James T. Smith, Mrs. Glenn Brunson, Mrs. Hazen Woods, Mrs. Burl Self, Mrs. Hugh Munn, Mrs. Albert S. Kelley, Mrs. Arch Cleaver, Mrs. Neal Marks, Mrs. Leif Olson.

Mrs. Walter H. Walne, Jr., Mrs. Edward Mancill, Mrs. Paxton Howard, Mrs. W. E. Shipp, Jr., Mrs. George Glass, Lilas Stewart, Annie Frank Stout, Mary Louise Yoe and Susanne Martin.

Art Festival Committee Heads Named; Entry Rules Reviewed

Committee chairmen for the Art Festival of May 7-11 have been appointed by the sponsoring organizations, the Palette Club and American Association of University Women. The festival will be held in the City-County Auditorium.

Entries in two divisions, adult and student, are open to all residents of Midland County. The only requirement is that the work must be original; no picture is to be a copy of any other painting or photograph, in whole or in part.

In addition to paintings or sketches the entries may include sculpture and ceramics. Questions regarding entries may be discussed with Mrs. W. M. Thompson, entry consultant.

Committees Listed

On the committee to secure judges for the show are Mrs. R. L. Clarke, Mrs. Leonard Swartz and Mrs. Thompson. Mrs. Robert Turpin is chairman of the committee to secure hostesses, Mrs. R. M. Barron and Mrs. N. A. Lancaster of the committee on hostesses for the judges.

Mrs. George Ebbels is in charge of clerical work, Mrs. Eugene Powell of flower arrangements for the show, Mrs. Floyd Coleman of newspaper publicity, Mrs. Robert Meador of radio publicity, Bryan Denson of photography, Mrs. Lancaster and Mrs. Turpin of awards.

The Creative Arts Group of the AAUW will direct the mounting of student work, which is to be entered unframed, and James O. Simmons, Jr., will have charge of hanging the adult entries, which must be framed.

Any person may make two entries in each class of the festival. There are four classes, landscapes, seascapes, portraits and still life, in each medium: oils, watercolors, pastel, charcoal, ink and pencil. In sculpture the classes include stone, wood and metal; and in ceramics, figures and pottery.

+ Coming Events +

TUESDAY

The Order of Eastern Star will meet in the Masonic Hall at 7:30 p.m.

Youngsters Need Meat Protein

Make your child happy, physically strong and emotionally stable.

By GAYNOR MADDOX
NEA Staff Writer

Let's use National Child Health Day, May 1, and all National Baby Week (April 30 through May 7) as a time to check up on our children's diet, general health and emotional stability—and then do something about it. "Make children happy, physically strong and emotionally stable" is the theme of this 25th annual celebration of Child Health Day.

Government nutritionists and pediatricians advise liver for the young child at least once a week, twice preferably. Does your child get it? Pediatricians also stress the importance of easily assimilated meat proteins.

Dr. Frank Van Schoick, prominent Michigan pediatrician and member of the American Board of Pediatrics, says, "Meat has become available for the infant in the form of strained lean meat. This can be added to the vegetable feeding and is very well accepted and tolerated."

"Its addition to our diet materially represents one of the most valuable sources of much-needed protein and minerals. In the short time meat has been available, I have noted a significantly higher floor to the hemoglobin levels in the second six months of the child's first year.

But he warns against "running a race" with the child next door in the timing of additional foods. Since no two babies progress alike, it is wise to check carefully before adding new foods so that the active youngster gets the right matter for health and growth—at the right time to him.

Even though prepared baby meats are ready-to-serve, ingenious mothers are adding variety by presenting them in such forms as mashed in baked potato; heated with mixed leftover vegetables; seasoned and spread on toast or zwieback, etc.

Baked Potato Boats
Bake potato until done. Cut in half and scoop out potato, leaving shell intact. Mash potato, season slightly with salt, add butter to taste and enough hot milk to whip. Beat well. Refill potato shells, leaving a depression in center. Fill this with tiny, bite-sized pieces of junior meat. Return to oven to brown lightly.

Attendance Drops At Closing Sessions Of Red 'Peace Congress'

PARIS—(AP)—V. P. Volgin, vice president of the Soviet Academy of Sciences, told the Communist-led "World Congress for Peace" Monday that capitalism and communism can live peacefully side by side.

Volgin said this in backing up a statement made to the Congress Saturday by O. John Rogge, former assistant U. S. attorney general. Rogge had told the Congress the United States is not threatened by the Soviet Union and the Soviet Union is not threatened by the United States.

Like all but a few of the speakers here, Volgin criticized the United States.

Two closed committees are at work, one will produce a "manifesto," the other a plan for a permanent "peace" body.

Only about 200 of the 1,908 delegates were in the Salle Pleyel when the final session opened. A list of 15 speakers was posted from Iran, Belgium, Korea, Albania, "Black Africa," France, Great Britain, Guatemala, Ireland, Costa Rica, Egypt, Mongolia and the United States.

Ekandary (first name unavailable), identified as an "ex-minister" of Iran, charged 15,000 persons in Azerbaijan have been massacred in assaults organized by the American military attack in his country.

"Our people," he said, "do not want our country to be used as a base for aggression against the Soviet Union." Azerbaijan is the portion of Iran nearest the Iranian-Russian border.

AP Directors Cite Trend To Control Of Foreign News

NEW YORK—(AP)—A continuation of the trend of governments abroad to control the news was reported Monday by the Board of Directors of The Associated Press.

Nevertheless, the board said in its annual report there is an Associated Press representative on an AP newspaper "in all accessible parts of the globe," contributing to independent world news coverage.

The report was prepared for the annual meeting Monday of members of The Associated Press, worldwide news gathering cooperative.

The members will elect six directors and vote on the applications of 17 associate members for regular membership.

At the annual luncheon at the Waldorf Astoria Hotel, the members were to hear up-to-the-minute reports on Germany and China from two Associated Press foreign correspondents. They are J. Wes Gallagher, chief of bureau in Germany, and Harold K. Mills, Nanking correspondent.

The board of directors noted in its report that The Associated Press served 1,708 newspapers and 940 radio stations in the United States in 1948. Throughout the world, the number of newspapers, other publications and radio stations served increased from 3,931 to 4,274.

CARNIVAL

Guests Meet With Christian Church Youth Fellowship

The slide picture of "Praying Hands," was shown Sunday for the Midland Christian Youth Fellowship meeting at the First Christian Church with guests the young people of the Big Spring First Christian Church.

The guests presented the program of scriptures read by Wyatt Lancaster and a poem by Justin A. Holmes. Joy Williams told a story about the artist while the slide was being shown.

A period of recreation followed and refreshments were served.

Midlanders attending the meeting were Calva Ann Frisell, Carolyn Clarbore, Thomas Friday, Harry Laekamp, Ann Boring, Wanda Lake, David Weaver, Patsy Bray, Larry Messersmith, Larry Lindsey, Richard Burke, Nancy McKinley, Jackie Statton, Jo Dean Downing, Don Downing, Mrs. Delbert Downing, Mr. and Mrs. E. D. Riddle and the Rev. Clyde Lindsey, pastor.

Present from Big Spring were Donald W. Fite, Dan Williams, Archie Thompson, Richard Lowell, Harold Rason, Beverly Wilson, Delores Hickman, Mary Marlin, Jo Ann Haley, Lawrence Wilson, Sam Hall, Mrs. D. D. McNair, and those on program.

Legion Chooses Fort Worth For Convention

AUSTIN—(AP)—The 31st annual convention of the Texas American Legion will be held at Fort Worth August 5-7.

Fort Worth won designation as the convention city over Galveston and Mineral Wells at a meeting of the legion's State Executive Committee here Sunday.

The English word tattoo comes from the Tahitian word tatau meaning mark.

FUNNY BUSINESS

"A very useful number—lights up when you're hunting the keyhole!"

Mrs. Penn Attends National League Meet

Mrs. William Y. Penn of Midland will be one of the two representatives from the Texas League of Women Voters to attend the National Council of the League in Washington, D. C., Tuesday, Wednesday and Thursday of this week.

She was to leave Monday, and Mrs. Penn expects to join her in Washington Thursday to go to New York City for a few days.

The National Council of the League of Women Voters meets biennially, in years when there is no national convention. Each state sends two representatives. The other delegate from Texas will be Mrs. Martin A. Row, state president.

Political Scientist's Ideas

A revolutionary program which could upset some of our most cherished American traditions is reported by Peter Edson in his Washington column.

It promises to be a rough journey. We wish the scientists well with their idea which, as Edson explains, "is to make party platforms mean what they say, and to create more discipline within party organizations, so that their political promises will be carried out."

But political parties, smart and otherwise, are packed with officials who are resistant to change. As long as the public doesn't complain they are not likely to initiate radical reforms.

Doctors worry about their patients, says a New York physician. Part of that could be stopped by the payment of bills.

PETER EDSON'S Washington News Notebook

'Reservations' Proposed In Ratification; Plug Anderson, Johnson For President

WASHINGTON — (NEA) — The possibility of tacking some American "reservations" onto U. S. Senate ratification of the North Atlantic Pact has been raised by Senator Robert A. Taft of Ohio.

Senator Taft is for the Atlantic Pact on general principles. But he believes such points as the sole right of Congress to declare war for the United States should be spelled out more clearly.

Bad For White House: National Defense Secretary Louis Johnson also has a clue promoting his name for Democratic presidential candidate in 1952.

Wives Dislike 'Swing Shift': Senate wives are up in arms over the heavy schedule of night sessions held just before the Easter recess.

Somebody offered him a nice contract on radio. Today he is enthusiastic about his new television show.

I have a date with Lanny to go up to his farm on "Cattish Derby" day, when he and his wife take 50 children up from New York with a guarantee that every one gets a fish.

British Fear Two Amethyst Crewmen Captured By Reds

SHANGHAI — British authorities expressed fear Monday that two wounded sailors from the Sloop Amethyst were in the hands of the Communists.

ROGER THE LODGER

By Elizabeth R. Roberts. THEREFORE it was with consternation that I learned Major was being transferred immediately to Memphis. "Don't be a ninny," Roger said.

DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

(Copyright, 1949, By The Bell Syndicate, Inc.)

Drew Pearson says: Australia's Dr. Evatt is for peace at all costs; lobbyists on Capitol Hill range from cradle to the grave; French and Belgians build British-type fighter planes.

WASHINGTON — Keep your eyes on the stubby little man with the gavel in his hand at Lake Success.

Herbert V. Evatt, foreign minister of Australia and president of the UN General Assembly, is the quiet center of the East-West cyclone.

Evatt used to be the trigger-man in counter-attacking the Soviets. Now he is leaning over backward to be fair, and bangs his gavel to protect the Russians as well as the Anglo-Saxons.

One day last week Evatt refused to let U. S. Ambassador Acheson come to the defense of the Atlantic Pact after Soviet Gromyko had attacked it.

The Australian is a human dynamo, and sometimes a grouchy one. When he rides from the Drake Hotel in Manhattan to Lake Success in the Cadillac limousine assigned to him, he sits up front with the chauffeur, writing with impatience when they get stuck in crosstown traffic.

But he is even more impatient to get the chariot of peace out of the traffic jam. He thinks the big powers have gotten themselves worked up to a psychopathic state, wants to knock their heads together.

"Doc" Evatt is one of the few persons who know how close the "neutrals" came to lifting the Berlin blockade during the UN session at Paris last Fall, that time he got himself called unprintable names for meddling in the cold war.

But if the cold war is thawed out this Spring, it will be partly thanks to the efforts of "intruders" like "Doc" Evatt, who hates war more than he hates the Soviets.

The Diaper Lobby: You can now find registered lobbyists on Capitol Hill from the cradle to the grave.

Beginning at the cradle, the National Institute of Diaper Services of New York retains a lobbyist, Stanley Posner, at \$5,000 a year.

Even the family wash gets into the lobbying act through Richard A. Tilden of Washington, D. C., who represents E. M. Garath, address "General Delivery," Washington, D. C., is the self-appointed, nonpaid agent for an outfit which he calls, "Tarpayers, U.S.A."

This rugged individualist informs Congress in his registration form that he pays all his overhead out of his own pocket—including "thinking" expenses.

Big-Time Lobbyists: However, most of the boys who have registered with the 81st Congress convened last January get by folding money.

CHENNAULT COMES HOME: SAN FRANCISCO — (P) — Retired Maj. Gen. Claire N. Chennault, famed leader of the wartime Flying Tigers, arrived Sunday from China.

That sounded like safe ground; Rob had once suggested it. He slowed down long enough to look embarrassed for me.

"Oh, I backed up, 'that.' But my brain wasn't fooled; it knew I was on thin ice. In fact, it spurred me to run down the stairs and meet the gentlemen.

WITH an air of indulging a trying child, Roger set down his head and motioned Colonel Hartwick to do the same. They removed shaving things and clean duds—all for Roger, I noted.

"He's not a bad guy," Rob said. "Frankly, since it's your idea—not mine, mind you—to let people root here, I don't see any reason for you to discriminate against Roger. Throw out the whole kit and kaboodle if you want to. That'd be o.k. with me.

"After B.O.Q.," Colonel Hartwick laughed, "I'm sure they will seem glisteringly pure." It would have been interesting to me to hear the line Roger fed strangers before he brought them to our house—men who always accepted our hospitality as a matter of course.

When I upbraided him for leaving me out on a limb, he admitted he had forgotten asking me to get his out of there, and even said "Read the Classifieds"

House Panel Slates Concentrated Study Of Electrical Union

WASHINGTON—(P)—The House Un-American Activities Committee bundled a key witness in secretary Monday in its search for Communist agents. It concentrated on the American Slav Congress and CIO-United Electrical Workers Union (UE).

The committee took this turn after releasing, over the weekend, copies of documents and sworn testimony that the Polish Embassy here was used for Communist spying.

A committee official said it was necessary to withhold any advance identification of one of three "friendly" witnesses in order to protect him. This witness was said to have turned on the Communist Party after having once been a card-carrying member.

These are the first hearings the committee has staged since the 81st Congress opened for business under Democratic control in January. They were expected to be opened to the public later on—maybe Monday, maybe Tuesday. The first phase is expected to put the emphasis on the Slav Congress and allied organizations.

Court Judge Called

But there will be a build-up for shifting the inquiry later to the UE.

The committee called in Judge Blair F. Gunther of the Common Pleas Court of Pittsburgh to give it a hand in investigating the Slav Congress. Gunther was one of its early leaders but dropped out in 1944 after word began getting around that Reds had infiltrated the organization.

Harry A. Sherman, a former lawyer for several UE local unions in Pittsburgh, was listed as the third friendly witness.

Committee publications say the Slav Congress has been cited by Attorney General Clark as subversive and Communist and that "Communists are still in the saddle" in the UE.

Soviet Newspaper Quotes Turncoat Briton's Charges Nation Being Prepared For Slavery

By THOMAS P. WHITNEY
MOSCOW—(P)—A British Embassy official is quoted in the Communist Party newspaper here as charging the British government with preparing the British people to be slaves of American masters.

He was further quoted as saying the Atlantic Pact is "a war bloc of imperialist states" and that "the Soviet Union is the leading force in the struggle for peace."

The official was identified by Pravda, the Communist newspaper, as Archibald R. Johnston, editor-in-chief of the Russian language newspaper "Britanski Soyuznik (British Ally)," published by the British Foreign Office for distribution in Russia.

Pravda Sunday printed a lengthy letter over Johnston's signature. The letter declared the British Embassy was not interested in improving British-Soviet relations "but in fact does everything to worsen these relations."

Johnston was quoted saying he had decided to remain in Russia to devote all of his "energy and talents to the question of peace."

The British Embassy began an investigation of the case but did not issue any statement.

In London, the Foreign Office said it had received no report. A spokesman said informally, however, "Apparently there is nothing to be done about it and no comment seems necessary. Johnston is, of course, free to give up his job if he doesn't like it for any reason."

Johnston, who has been in Russia since February, 1947, formerly worked for the London News Chronicle.

The case of Johnston bears points of similarity to those of two Americans. In April, 1947, Armond D. Willis said he quit as U. S. information officer in Russia partly because of what he described as the anti-Russian attitude of American Embassy officials.

In February, 1948, Annabelle Bucar, a native of Pittsburgh, resigned as foreign service staff officer and administrative assistant to the chief of the Moscow office of the U. S. Information Service. She said in her letter of resignation the policy of the U. S. Embassy was "directed against" the Russian people.

COLLISION REPORTED

Deputy Sheriff Bill Felts Monday reported a collision between automobiles operated by Mrs. Jack Dennis of Fort Stockton and Don Williams of Big Spring. The accident occurred five miles east of Midland on U. S. Highway 80 Sunday afternoon. No injuries were reported.

Reliable estimates say there are about 3,000,000 coin-operated vending machines in this country, outside of coin-telephones and parcel lockers.

Two Lubbock Men Injured In Accident

PORT WORTH—(P)—Two Lubbock men were injured seriously when their automobile overturned on slick pavement about 16 miles southwest of Fort Worth on Highway 377 early Monday.

Ben Parsons, 43, received rib and pelvic fractures and possible internal injuries, and Wayne Edwards, 31, suffered rib and shoulder fractures. They were taken to a hospital here.

Social Situations

SITUATION: Your child misbehaves when you have guests.

WRONG WAY: Punish him at the time, even though you know it will create an unpleasant scene.

RIGHT WAY: Try to get by with a firm correction, and put off punishment until you and the child are alone, both for the sake of the child and of your guests.

Squids move backwards by squirting out water.

Head Shot

Carl Standingdeer, 68, who has worked at "chiefting" at a Cherokee, N. C., souvenir shop for 40 years, thinks he's the most photographed man in the nation. A Cherokee himself, he wears the headdress of a Plains Indian chief, since real Cherokee chiefs never wore such gear. Standingdeer is "shot" about 200 times daily by tourists who stop at the shop to snap a picture of the heap big "chief."

Butane Dealers Of District 13 Gather Here Monday Night

A membership meeting of District 13, Texas Butane Dealers Association, will be held at 8 p.m. Monday in Hotel Scharbauer, when a new district director will be nominated. H. H. Heffernam of La Mesa is the present director. The nominee will be elected at a meeting of the state association June 26-28.

Carl Brady of Stanton will preside at the session, which will be attended by more than 30 West Texas butane dealers. F. A. Forrest is in charge of local arrangements.

W. J. Walling of Haskell, state president, will attend the meeting to make the principal address.

The American Indian, whose dogs drew sledges, did not have the crudest wagon or wheelbarrow.

Nobody knows who invented the wheel, yet without it industrial civilization would be impossible.

forations at 5,290-90 feet and 3,310-25 feet, opposite the San Andres, which swabbed sulphur water.

The section of pipe at 5,310-25 feet then was perforated with 60 shots. A packer was set at 5,300 feet and the well was acidized with 1,000 gallons. On last report, the venture was swabbing, recovering acid water.

Humble Abandons Failure In Scurry

Humble Oil & Refining Company has plugged and abandoned its No. 1-B Edmondson, which failed in the Canyon line of the Pennsylvania one and one-quarter miles west of the North Snyder area of North-Central Scurry County.

The exploration was plugged on 7,205 feet, following a drillstem test recovering salt water. No prospects of oil or gas were developed.

It was 780 feet from north and 1,200 feet from east lines of section 437, block 97, H&TO survey.

Homer Lowe Grocery Damaged By Blaze

The Midland Fire Department reported the Homer Lowe Grocery on North Lamesa Road was damaged heavily by a blaze about 3 a. m. Monday.

Fire Marshall Bill Klatt had not completed his investigation at noon to determine the origin of the fire.

The estimated number of juke boxes operating in the United States now is 275,000.

Jester-

(Continued from page 1)
came to 14 inches, just six inches short of the entire 1947 total.

Heavy showers continued falling over the Austin area. The Lower Colorado River Authority reported the Colorado River was up eight feet at Llano and still rising. Recent rains raised the level of Lake Buchanan near Austin by five feet.

Lightning, Thunder

Rainfall at Kingsville Sunday night totaled 2.75 inches, bringing to 5.70 the fall since last Thursday. There was some damage to cotton from water standing in fields but lesser damage to other crops.

Ranchers were happy.

Terrifying lightning and thunder accompanied the two distinct storms at Laredo, from 8 to 11 p.m. Sunday and from 1 to 4 a.m. Monday. The Laredo-San Antonio Highway, a main artery, was inundated. Many drivers were stranded because they could not see under-water obstacles marking highway boundaries.

Many residents were marooned in their homes in the south part of Laredo, only two to three blocks north of the Rio Grande.

All the area surrounding Laredo was soaked, including farms, ranches, Bermuda onion and cantaloupe fields. Storage tanks were filled to overflowing. Telephone service at Laredo was knocked out of commission temporarily. Laredo's rainfall for the last 48 hours totaled 6.50 inches.

Observers along the Lower Rio Grande said that river was at "medium" flood stage. Rains and hail along the watershed, particularly in Starr County, sent the river to 22 feet, one foot above flood, at Rio Grande City Sunday afternoon. Hidalgo had a reading of 18.6 feet, 2 of a foot below flood. Stockmen had been warned to move their animals and engineer J. L. Lytel said levees were being patrolled.

Roma in Starr County experienced heavy hail which destroyed most of the onion crop. Hail fell at Wichita Falls Sunday.

Where do we get the money?...

During 1948, the Humble Company spent about \$138,000,000 to help provide the oil you and other Americans needed in that year of unprecedented demand, and to develop the oil resources which will provide the oil you need not only today, but next year, the year after — 10 or 20 years from now. The 1948 investment by the entire oil industry was approximately 2 billion dollars. That is a lot of money! Where did it come from?

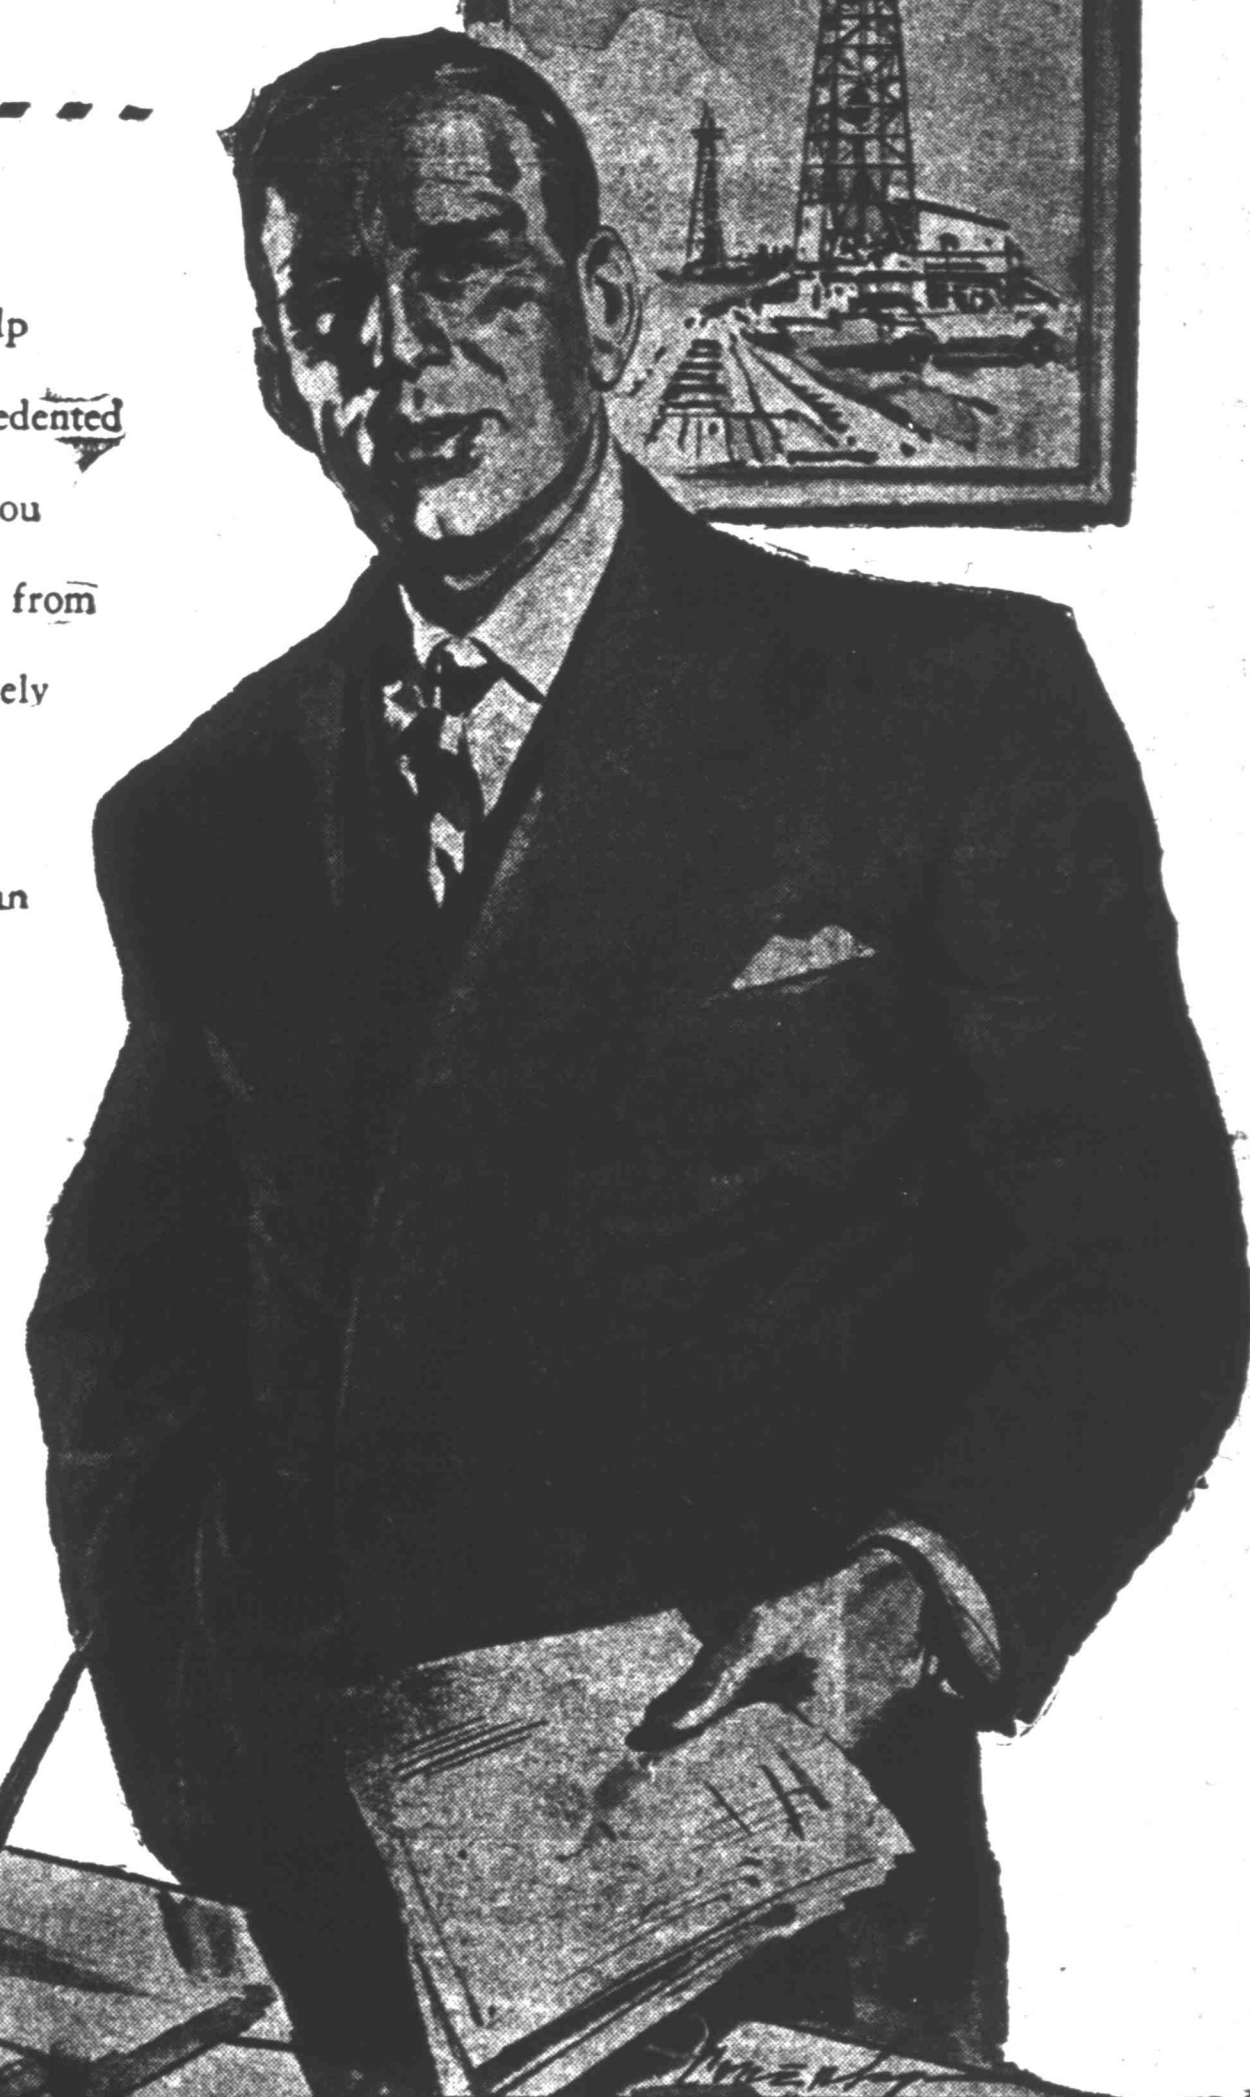

The larger part of it is reinvested profits. In other words, American oil companies have such confidence in the future of their industry in this country that they have plowed their profits back into the business, just as a farmer plows under a good green cover crop.

And for the same reason: the farmer thus assures the continuing fertility of his soil; the oil companies assure the continuing success of their business . . . the security of the jobs of their employees, a continuing supply of oil for your needs, the immediate availability of oil for national emergencies. The major portion of profits made in the oil country stay in the oil country to develop its resources, and to supply a market for its industries.

In the last 10 years, over half of all the profits of oil companies have been reinvested in the business.

HUMBLE OIL & REFINING CO.

In 1948, Humble's investment in exploration and production was \$110,000,000; investments in refining and research and in marketing, plus Humble Pipe Line Company's investment in pipe lines, amounted to about \$28,000,000. All this money came from earnings retained in the business.

TEXAS LEAGUE—

Rampaging Dallas Eagles Now Aim At 154 Straight

By The Associated Press

If Oilman Dick Burnett has his way about it his Dallas Eagles will take 154 games—the limit—in this year's Texas League race.

He talked tough Monday after the \$100,000 ball club he has placed on the field won its eleventh straight without defeat—a new opening season record.

His general manager, Bob Goff, didn't quite echo Burnett but he did say he'd like for the Eagles to cop 100 games.

Except for San Antonio, the other clubs are a rather sorry lot thus far compared to the Eagles' spurge. San Antonio, in second place, has won nine while losing three. The other clubs all are no better than 50-50.

Dallas won Sunday in the usual way—with long hits. Tulsa was the victim as the Eagles came in with a 7-0 verdict. The Eagles got four runs in the third inning featured by Jerry Witte's home run. Bill Serena clouted one out of the park in the fourth. Reuben Fischer gave Tulsa nine scattered hits.

Missions Win Fair

San Antonio's Missions clipped Beaumont in a double-header, taking the first game 5-3 and the second 4-2. Southpaw Al Gerheuser won his second game of the season in the opener.

Fort Worth sank Oklahoma City deeper into the cellar with a 13-9 triumph. It was a pitcher's parade but the Cat chunkers lasted longer. Vic Johnson and Len Gilmore of Oklahoma City were pounded for six runs in the first two innings. Bob Houghton lasted until the seventh for Fort Worth when a five-run spurge brought in Chris Van Cuyk to finish. Wally Flata, Fort Worth second baseman, drove in six runs.

Shreveport licked the Houston Buffs the second time in a row, taking the decision 9-4. Les Burge led a Shreveport attack that included 10 hits. Burge hit a homer, triple and double. Jack Cusick and Hal Epps of Houston were thumbed out of the game for getting sassy with the umpires.

Running Like This Won Big Spring Futurity

Here is shown Battle Creek in the manner the two-year-old colt romped to victory Sunday in the Big Spring Futurity. In this photo, Battle Creek is finishing out front in the trials held on April 17. The finals were run Sunday. Bo-Jet, an Odessa horse, is shown here taking second. This horse placed third in the finals. Battle Creek is owned by Beale Queen of Tascosa, Texas. Bo-Jet is owned by A. L. Holcomb of Odessa. This picture shows the Futurity winner finishing a sprint of 440 yards in 22.7 seconds, which was an unofficial tie for the world's record in that distance for a two-year-old.

MAJOR LEAGUES—

Lowly Chisox Are Pushing Yanks In Junior Loop Race

By JOE REICHLER

Associated Press Sports Writer

Hold off on those flowers—the patient is far from dead.

The patient, of course, is the Chicago White Sox, the club that was doomed by the experts to die of loneliness in the dreary confines of the American League basement.

But the end of the first week of play finds the Sox tied with the Philadelphia Athletics for second place, only half a game behind the fast-growing New York Yankees. They have won five and lost only two, all their victories coming in a row.

Splendid pitching by Bill Wight and Randy Gumpert, Sunday enabled the White Sox to whip the St. Louis Browns twice, 2-1 and 4-0, giving them a sweep of the four-game series.

The Athletics continued to fatten up at the expense of Washington pitchers, combining Sid Hudson and two relievers for 12 hits to whip the Senators 8-3.

Brooklyn's Scrapy Dodgers retained their half-game margin in the National League race, splitting a doubleheader with the Phillies in Philadelphia. The Phils won the opener 7-4, and the Dodgers took the second 6-5.

Reds, Pirates Split Pair

The Cincinnati Reds fell into a second place tie with the New York Giants when they divided a twin bill with the Pirates in Pittsburgh.

The Reds won the first game 3-2 in 10 innings with Charley Kress singling home Johnny Wyrostek with the winning run. Eddie Bockman drove in all Pittsburgh's runs with a pair of home runs in the Pirates' 3-1 second game victory.

Sheldon Jones went all the way, scattering seven hits, as the Giants defeated the Boston Braves 6-2.

Joe Garagiola doubled home Enos Slaughter with the run that gave the St. Louis Cardinals a 5-4 triumph over the Chicago Cubs in the high school auditorium.

The Cleveland and Detroit game was postponed by rain and cold weather.

Duke's golf team has won the Southern Conference championship 11 of the last 12 times.

Johnny Parsons Of Van Nuys, Calif., Is Champ At Arlington

ARLINGTON, TEXAS — (AP) — Johnny Parsons of Van Nuys, Calif., had almost \$3,000 in his jeans, 200 points to his credit toward the American Automobile Association championship and the big race Monday.

Parsons, a veteran of nine years in automobile racing but yet to run in the Indianapolis Speedway classic, said he felt like this was his year after he roared to victory in the Arlington Downs 100-mile event—first of the AAA races in the nation—here Sunday.

The nearest Johnny has come to the speedway classic has been as a relief driver.

He courted disaster Sunday as he bounced off the wall on the back stretch of the thirty-sixth lap but the 30-year-old hard rider righted his machine in the nick of time, made up lost ground and overtook Troy Rutzman of Ontario, Calif., on the fifty-fourth lap. The field of 10 other drivers never could head Parsons after that. He won by more than a lap over Rex Mays of Glendale, Calif. Johnny Mays of Long Beach, Calif., was third.

A crowd Racing Director Babe Stapp estimated at 13,000 sat in threatening weather to watch Parsons roar around the mile and one-sixteenth track 95 times in an hour, sixteen minutes and 40 seconds, averaging 83.15 miles per hour.

FOUR BURN TO DEATH

Ted Schroeder Wins Houston Net Crown

HOUSTON — (AP) — Ted Schroeder, La Crescenta, Calif., is the new men's singles champion of the River Oaks Tennis Tournament at Houston, Mrs. Virginia Kovacs, San Francisco, is the women's singles titlist.

Schroeder, Davis Cup player and the nation's No. 2 amateur star, defeated fourth ranked Bill Talbert of Wilmington, Del., for the championship. The score Sunday read 6-4, 4-6, 6-1, 6-4.

Mrs. Kovacs won her title with a 6-1, 6-4 victory over Dorothy Head, also of San Francisco.

They teamed Saturday to win the women's double championship.

National single champion Richard (Pancho) Gonzales, Los Angeles, and Talbert won the men's doubles trophy. They defeated Schroeder and Wimbledon Champion Bob Falkenburg, Beverly Hills, Calif., 6-1, 6-3, 4-6, 6-4.

Other championship winners were J. Gilbert Hall, East Orange, N. J., veterans singles; Hall and Jack Norton, Corsicana, veterans doubles, and Hamilton Richardson, Baton Rouge, La., junior singles.

Jackie Robinson, Brooklyn's second baseman, won the NCAA broad title in 1940, while at UCLA.

Cotton Lee Wins In Steer Roping Contest

CLOVIS, N. M. — (AP) — Cotton Lee of Fort Sumner, N. M., won the \$3,540 first place money in the Clovis mounted patrol steer roping contest here Sunday.

Lee took 148.9 seconds to rope and tie six steers.

Choate Webster of Lenapah, Okla., led the field until his last steer. He missed two trips and ran up a time of 48.7 seconds to put him in third place with 166.9 total time. He won \$1,416.

McIntyre and Everett Shaw of Stonewall, Okla., were slated to compete Monday in a \$2,000 matched roping contest.

Other results:
F. C. Stover, Tularosa, N. M., 204.9 seconds; Jack Skipworth, Clovis, 175.8; Dick Truitt, Stonewall, Okla., 138.9; Everett Shaw, Stonewall, Okla., 133.9; Toots Mansfield, Big Spring, 211; Carl Arnold, Buckeye, Ariz., 220.2; Fred Darnell, Rodeo, 228.2; Buck Goodspeed, Wetumka, Okla., 260.1.

13 Traffic Deaths Top Weekend List Of Texas Fatalities

By The Associated Press

Texas' tragic toll of violent death—igniting the drowning of a child in an abandoned well—was at least 13 last weekend.

Traffic fatalities since Friday night number 13. Two died in plane crashes. Two were killed by gunshots. Cases of one violent death was unknown.

Thomas Britton, six, was picking flowers on a vacant lot near his home at Merton, in Hill County, when he fell in a well shortly after noon Sunday. When his body was recovered a physician pronounced him dead by drowning.

Sidney Buell Wheeler, about 30, of Dallas was killed Sunday night when he was thrown from his motorcycle into a wire fence.

Another motorcycle victim was Elmo Cody, 43, also of Dallas. His burned body was found beside his motorcycle near Emory.

Mrs. Audrey Barnhill and Violet Parent were killed in a head-on collision near Corpus Christi.

Cliff Shambien, 56, was killed.

William Hoke, a pilot, was killed during a flight in the Rio Grande Valley 14 miles east of Lyford.

Mrs. J. V. Hales of Camp Hood was killed in a three-car collision near Troy. Five others were injured.

The fiery collision of two vehicles near Seagraves, in West Texas, Saturday night took three lives. The dead were James Earl Gunn of Seagraves and two unidentified victims trapped in the flaming wreckage of one vehicle, a truck. Gunn was an employee of the El Paso Natural Gas Company.

A second collision, near Sherman Friday night, also took three lives. James D. Walker, 25, and W. M. Fehson, 24, died Friday night. Bobby J. Moran, 20, died Saturday night.

The collision of an auto and a truck north of Denton Friday night killed Roy Frances McCurdy, 49, of Crescent, Okla.

Hemlock Victim

In Houston, Mrs. Lena Paul, 70, was killed when she was struck by a bus. Also in Houston, the body of Owen Carley, 40, a Longhorns man, was found in a ditch. Authorities are investigating his death.

Moses Duran, 18, was found shot to death on a Houston street.

Near El Paso, S. Sgt. William E. Ruggles, 36, Great Bend, Kans., died in the crash of a private plane. A second soldier was injured critically.

Cpl. I. L. Brinkley, 33, San Antonio soldier, was shot to death at his home Friday night. Brinkley's wife made a statement to police.

Cotton

NEW YORK—(AP)—Monday noon cotton prices were 50 cents a bale lower to 40 cents higher than the previous close. May 32.23, July 32.46 and October 28.93.

SPORTSLANTS

BY SHORTHY SHELburnE

The only consolation we can draw from the Midland-Big Spring game Sunday is that Ernie Nelson looked good and we hope the Midland infield got the errors out of its system before the season opens.

Jim Boatman just couldn't get around at third base or at the plate. He definitely was in a slump. Hoss Alvis relieved him at the hot corner and struck out two consecutive times at bat. He handled only one chance and did the job perfectly on a throw to first.

It was evident Nelson was pitching the sore finger on his pitching hand at bat. He must have been favoring it while hurling, also. Even with the bad finger and the short conditioning period, Ernie Nelson have beaten Big Spring, except for the errors and other miscues his mates committed.

Midland bowlers made a good showing at the West Texas-New Mexico Bowling Tournament in Lubbock.

The five-man outfit rolled a team score of 2,611 in the Class C event. The individual scores were not bad at all. Don Smith rolled 568, Miles Stanley bowled 565, Cliff Shambien had a 503, Don Emmert keged 488 and B. Smith was one point behind him with a 487.

The smart boys are betting Olympia will lose the Kentucky Derby if it rains for several days prior to the race. They say Olympia isn't a good mudder.

Palestinian might have beaten the Derby favorite in the Wood Memorial if he hadn't slipped while crossing a mud puddle.

A recent article in the Wichita Daily Times gives a good slant on the late Harry S. Sharpe, one of the real old time boxers.

Sharpe never had much claim to fame because he never won any championships but he earned somewhat of a name by fighting 77 rounds with Frank Crosby in 1893.

He was one of the guys who proved you had to be a good man to stay in the boxing game in the old days.

The article also brings out the fact there has been a lot of changes in other sports.

In 1898 Seawane came along for a week and played four football games in five days. They defeated Texas A&M, Texas, Louisiana State and Tulane without being scored on.

Yes sir. There sure has been some changes in sports.

The Odessa Broncos wrapped up the Class AA title at the Region II Track and Field Meet in Abilene Saturday. Jimmy Patterson, as usual, led the Red Hoses to victory.

Patterson may have a good showing in the state tournament if he holds his present pace in the high and low hurdles.

HALF SLANTS . . . Ben Jones.

Bulldogs To Play In Odessa Tuesday

The Midland High Bulldogs are scheduled to meet the Odessa Bronchos in a District 3-AA tilt at Odessa Tuesday afternoon. It will be the final game between the two teams this season.

Coach Garvin Beauchamp Monday said he will start either Fred Robertson or Max Harris against the Bronchos.

Midland Colts Win 11 To 4 Tilt Here

The Latin American Midland Colts blasted Joe's Gulf 11 to 4 in a semi-pro baseball game played at the Latin American park here Sunday afternoon.

It was the second win of the season for the Colts. They defeated an Odessa team last week.

IT'S A LOSING BATTLE . . .

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, APRIL 25, 1949—7

Big Spring Tumbles Tribe In 9-4 Game

The Midland Indians dropped their second consecutive tilt to the Big Spring Broncs Sunday afternoon by a 9 to 4 score. The Redskins committed four costly errors behind the hurling of Lefty Ernie Nelson and Pat Stasey's men sprayed 14 hits over Indian Park.

Big Spring opened with four runs in the first inning on three singles and two errors. From there on they were out front except for a short time in the second inning when the score was tied.

Midland scored all four runs in the first and second frames. A double by Hughes a walk by Rose and singles by Pressley and Nipp produced the first three tallies.

In the second, Ernie Nelson singled with one away and Bob Rose doubled him home.

The Midland Indians are scheduled to meet the Odessa Oilers in Oiler Park Monday night in the final game of the exhibition season. The tilt is carded for 8:15 p. m.

Manager Harold Webb has indicated he will use Sam Van Hooser as the starting hurler. Clyde May and Levi Clay will relieve.

Joe Embrey, a right-hander, is ticketed to start for Odessa. He will be followed by Rookie Howard Hesse.

Sunday's game was by far the poorest Midland has played this season. The infield was off both at the plate and in the field.

The tribe picked up only seven hits off the slants of Guerra and Gonzales and left seven men stranded on the bases.

Potato Pascual led the Broncs' attack with three singles in five trips. Ace Mendez had two for five.

Here is the box score:

Big Spring	AB	R	H	O	A
Gomez, If	6	1	1	1	0
Mendez, cf	5	2	2	3	0
Asplazu, 1b	5	2	1	3	0
Saez, rf	4	1	1	3	0
Pascual, 3b	5	1	3	1	0

Umpires—Campbell and MacDonald.

First Day Tickets Go On Sale Monday At C. of C. Office

Tickets for the Midland Indians' home opener against the Roswell Rockets here Friday night went on sale at the Chamber of Commerce office and at Indian Park Monday.

Harlan Howell, chairman of the ticket sales committee, said the opening game will be announced at all service clubs this week. A door-to-door canvass of the downtown business district is scheduled Friday.

The ticket sales campaign is being waged as an effort to win the opening day attendance trophy for the Indians.

"VEST-POCKET" PLANE KILLS STUNT FLYER

JACKSON, MISS.—(AP)—A 23-year-old stunt flyer was killed yesterday when his 453-pound "vest pocket" plane crashed 400 feet from 10,000 air show spectators. He was Billy Fischer of Decorah, Iowa.

The left wing snapped off at the fuselage.

There are about 18,000,000 washing machines in this country.

High Steppers

Circus serialists Betty and Benny Fox do a sky dance 166 feet above Chicago's Michigan Avenue on an 18-inch pedestal which projects 12 feet out from a hotel roof. They did it to herald the opening of their circus.

Just Like a Woman

Beauty Queen scrutinizes her reflection in a mirror held by Groom Ed Everett to see that her features fit her name. It could be that the five-year-old mare is trying to find her best side in case she's in a photo finish at Golden Gate Fields, across the bay from San Francisco.

Black Indians Top Hobbs Tigers 3-1

The Hall brothers, John and T. A., combined their pitching efforts Sunday to give the Midland Black Indians a 3 to 1 victory over the Hobbs Black Tigers in Hobbs, N. M. It was the second win in two starts for the Midland club.

T. A. Hall hurled the first five innings, allowing one unearned run and John shut them out in the last four frames.

The Black Indians are scheduled to play in Kermit Tuesday night.

Fenton-LaBelle Go Tops Weekly Card At Wrestling Show

Rod Fenton and Pierre LaBelle got together in the main event of Professor Pat O'Dowdy's weekly wrestling card at the VFW Hall seven miles west of Midland Monday night. It's no secret there's no love lost between the two grapplers after last week's show and this should be a good one to see.

Hi Sharron and Manuel Muniz meet in the semi-final bout and Steve Nenoff takes on Charles Muniz in the curtain raiser.

WT-NM League—Lamesa, Lubbock, Amarillo Win As Idle Berger Gains

By The Associated Press

Rain helped Berger into a first place tie in the West Texas-New Mexico League Sunday.

The Gassers were idle at Abilene because of the precipitation while Pampa, the leader, took it on the chin from Amarillo 8-3. The upshot of the thing was that Amarillo and Berger went into a deadlock for the top while Pampa fell down to a tie with Lamesa for third.

Lamesa arose a notch by whipping Clovis 10-5.

Lubbock beat Albuquerque in the other game of the day 12-4.

Amarillo blasted two Pampa pitchers for 12 hits in subduing the Oilers, leading all the way.

Stanley Graywacs pitched and batted Lamesa to its decision over Clovis. He not only was tight in the pinches but sparked a six-run outburst in the seventh inning with a two-tally homer.

Lubbock took the home run route in licking Albuquerque, getting five of the four-base wallops. Pedro Nabitia pitched in with two of the homers. Mike Dooley, Chick Fowler and Nelson Douglas got the others.

Marfa Takes Title In Regional Meet

ODESSA—(AP)—The Marfa High School track team won the team title at the Region 8, Class B track meet Saturday.

Bobby Allen of Sonora, with 113.4 points, was high point man. Eliseo Flores of Marfa scored 111 points.

Midland Firemen Win Places At Lamesa

The Midland Fire Department brought home three prizes from the Permian Basin Fireman's Convention contests held in Lamesa Saturday.

The six-man pumper hookup team and the six-man relay team won the second place in both the both second places. The two-man hose hookup team won third. Monahans won the attendance trophy for the most firemen present from one department. Kermit was second.

The practice of tattooing decreased among primitive peoples with the advent of clothing, but is still practiced by civilized peoples.

Area Schoolmasters To Meet At Kermit

KERMIT—L. L. Martin, superintendent of Crane public schools, is the temporary chairman of a district schoolmasters organization which will be formed at a meeting here Tuesday night.

The new association includes personnel from the following area schools: Andrews, Balmorhea, Barstow, Denver City, Fort Stockton, Grandfalls, Imperial, Iraan, Kermit, McCamey, Monahans, Pecos, Poyote, Seminole, Toyah, Wink and Crane.

Spring Brings Out The Sailor

Irma Hansen removes the canvas from her boat at Long Island's Nassau Boat Yard. Wiping and dusting all surfaces isn't the most glamorous job. Then it's the brush off. Sanding and scraping the bottom prepares it for a good coat of paint. Special vinylast bottom paints keep the bottom free from fouling. And a joyful Miss Hansen is off.

Junior High Chorus Sings For Kiwanians

The Junior High School Girls Chorus, directed by Miss Dorothy Routh, was presented in a special program of music at the meeting of the Midland Kiwanis Club Monday noon in Hotel Scharbauer.

Gabe Massey was in charge of the program, and Vice President Al Kelley presided.

Cash gifts, in appreciation for their excellent work and programs, were presented by the club to the High School A Cappella Choir and the Junior High Girls Chorus. The high school group also presented a program before the club earlier this year. The checks were presented to L. V. Spain, coordinator of Midland public schools.

A ladies night meeting May 16 in the Officers Club at Midland Airpark was announced. No noon meeting will be held that day. J. Harvey Herd is the arrangements chairman.

A Mothers' Day program is scheduled next Monday. The club bulletin, distributed at the meeting, announced the resignation of Don Moore as treasurer. The attendance award went to Bob Meyer. Kelley reported on the club's finances.

People who have eaten the meat of alligators and crocodiles report that it is comparable to pork in taste and tenderness when it is well cooked.

The first use of glass in windows is believed to have taken place about the beginning of the Christian era.

 WANTED: housekeeper. Will pay good salary. Regular job. Call 1276.

No Controversy, Says Morrow After Talk With Truman
 WASHINGTON (AP)—Wright Morrow, Texas Democratic national committee chairman, talked with President Truman at the White House Monday.
 Morrow told reporters he gave the President "a report on the Texas political situation." The Texan pronounced the Democratic party in good shape in Texas.
 He would not discuss his differences with some members of the State Executive Committee who want him replaced as national committee chairman.
 "I haven't any controversy," he said. "I feel very happy about the situation in Texas and about the Democratic Party there."
 Morrow said he brought to Washington a check for \$15,000, which he presented to the Democratic National Committee as profits from a Jefferson-Jackson dinner at Corpus Christi. He said plans are underway for a big Jefferson-Jackson barbecue at Lubbock May 6. A previous dinner at Austin raised \$40,000, he said.
 Whaleshore is not truly the bone of a whale, but an elastic substance that grows on the roof of the mouth of the right whale and other species.

TELEPHONE OPERATORS WANTED
 If you have poise, friendliness, a pleasing voice, there is an opportunity for a job with the Telephone Company in which you will receive special training that will add to your charm of voice and manner, and pay dividends "socially" too. The "Voice With A Smile" reflects the happiness and satisfaction you may find in the job of a telephone operator. You'll work in pleasant surroundings, with people you like, at a starting rate of \$135.00 per month, and doing something you know is important. See Mrs. Ruth Baker, Chief Operator, 123 Big Spring St., and find out all about it.

SHAKE HANDS WITH

AN AD!

IT HAPPENED to be an advertisement. And goodness knows, you've read hundreds of ads. The object of an ad is to sell somebody something. And what I have to sell today is advertising itself. Just look at all the other ads all through this paper. You usually look at them to find out what you want to buy. But look at them a little differently today.

Look a little more closely and see the job they're doing. Every ad is selling something—goods, an idea, services. And every job in America ultimately depends on somebody selling something to somebody else. That's what makes the wheels go 'round. And advertising is the lowest cost way yet devised to sell goods. So no matter what kind of job you have, be thankful to the ads like me. The advertising you see and hear is selling goods. And in the last analysis, that's what makes your job secure.

This rise in the standard of living for you and yours is unequalled in all history. Advertising helped raise this standard—is needed even more today to sell industry's new developments.

OTHER WAYS ADVERTISING HELPS YOU AND YOUR FAMILY

- 1 Brings you better goods for less money.
- 2 Makes shopping more pleasant and easier.
- 3 Gears consumer demand to production, to create prosperity.

Advertising... BY SELLING MORE GOODS TO MORE PEOPLE
 Makes your job more secure

Texas Child Drowns In Abandoned Well

MERTENS, TEXAS—(AP)—A 6-year-old child was drowned in an abandoned well on a vacant lot here claimed the life of a six-year-old child.

Thomas Britton, son of Mr. and Mrs. Otto Britton of Mertens, was dragged from the water well about 2:30 p. m. Sunday. He apparently fell into the well about 12:30 p. m. The well, on a lot 50 yards from the Britton home, had a low curb around it. It was three feet in diameter.

Thomas, who had been picking flowers with friends, was pronounced dead by drowning when his body was recovered.

Father Of Midland Man Dies At Abilene

ABILENE—Funeral services for Ozzie Jeter, 71, father of J. E. Jeter of Midland, were to be held Monday afternoon in the Lake Creek Methodist Church. Interment was to follow in the Lake Creek Cemetery.

Jeter died Saturday night following an illness of two days.

He was born in Bedford County, Va., and had been a resident of Abilene since 1943. He was a member of the Methodist Church.

Survivors are the widow; four sons, J. E., of Midland; O. P., W. L. and Jasper Jeter, all of Abilene; two daughters, Mrs. Cecil Medlin, Abilene and Mrs. E. H. Cherry, of Howland, Texas; eight grandchildren; two great-grandchildren, and two brothers, J. G. of Irving, and E. Jeter, of Cooper, Texas.

KERMIT HOSPITAL MANAGER RESIGNS

KERMIT—George H. Berryman, administrator of the Winkler County Memorial Hospital since it opened last June 14, has submitted his resignation to the hospital's Board of Control. The resignation would become effective June 30.

Jack Graham, St. Louis Brown rookie first baseman, holds a private pilot's license.

McCamey Plans For Legion Convention Saturday, Sunday

MCCAMEY—Two days of fun and business with two outstanding speakers listed are on the program for the annual Spring convention of the 16th District, American Legion, which will meet here Saturday and Sunday, William Sohl of Alpine, district commander, has announced.

Registration for both American Legion and Auxiliary delegates will begin at 9 a. m. Saturday for the representatives of the 26 posts in the 16th Congressional District. Saturday afternoon a smoker will be enjoyed by the American Legion delegates, and a tea will be given in honor of the Auxiliary visitors. Saturday evening the social highlight of the convention will be a dance at the McCamey Country Club.

Sunday morning an impressive memorial service in honor of the dead of all wars will be held. At noon a barbecue will be enjoyed by all the delegates and visitors.

Speakers Listed
At the business session Sunday afternoon two speakers, Department Adjutant G. Ward Moody of Dallas, head of the Farm Home Administration for Texas, will be on the program.

Delegates and alternates to the state and national conventions will be elected at the business session. Auxiliary members will hold a separate meeting Sunday afternoon.

The host Post, Price Pool No. 121, is commanded by Raymond R. Coats, who has appointed a number of strong committees to make the convention a success.

SIDE GLANCES

"I'll sit here and try to make up my mind to learn to ride, Mr. Quimby—I wouldn't even be in this predicament if I hadn't bought this habit at a bargain!"

Hildegard—She Makes Sex Look Funny

By HAL BOYLE
NEW YORK—(AP)—Hildegard Loretta Sell played the piano in a silent movie house in Milwaukee. She was a plump, earnest, religious German girl, who hoped for something better.

Now, 27 years later, Hildegard is a svelte, internationally known supper club entertainer who has perhaps kissed more bald pates in public than any lady in history. She has dropped the Loretta Sell from her name. But success hasn't made her lose the best qualities of Loretta Sell. She still is earnest, religious—and hoping for something better.

She retains a girlhood characteristic that most artists have who stay at the top in their field, an inexorable desire for self-progress. "I still take piano lessons, because the piano is my life," she said.

She told me something of her life and hard times as we sat in the living room of her luxurious seven-room suite at the Plaza Hotel. It is the kind of suite she used to see flash on the movie screen in the days when she thumped out background music.

Dreary Apprenticeship
Hildegard became one of the highest-paid supper club and radio entertainers after a dreary and low-paid apprenticeship. She worked in vaudeville, song-plugging, and a girl band. She tramped in London and Paris night spots.

The woman who helped work out her successful formula of wit, glamor, sentimentality—and special lighting effects—is Anna Sosenko, one of the shrewdest managers in show business.

Twice a night now she descends to the Plaza's Persian Room, where she has been starred 11 years.

For an hour she whisks about, running a comb through her blonde locks, fluffing a lacy handkerchief, playing the piano with her gloves on, trading sophisticated repartee with patrons, and singing sentimental love ballads.

One reason for Hildy's popularity is her ability to kiss a middle-aged man on his bald pate and send him back to his table feeling like a colt. Or to give a teen-age youngster a motherly peck on the cheek and make him feel years older.

Someone said the secret of Hildy's success was the fact she made "sex look funny."

"How else can sex look in a public place?" she asked.

Many Weeks Yet To Elapse Before New Labor Bill Emerges

By JAMES MARLOW
WASHINGTON—(AP)—The long-delayed debate in Congress on a new labor law starts Tuesday in the House.

After the House finishes, the Senate tackles the problem. So it may be many weeks before we finally have a new labor law.

The House faces two problems in making a decision, and so will the Senate:

1. Should the Taft-Hartley Act, passed in 1947, be wiped out and replaced by the old Wagner Act, passed in 1935, with some slight changes?
2. The Wood bill. This is sponsored by Rep. Wood, Georgia Democrat. It is backed by the Republican leaders in the House and a group of Southern Democrats.

Many Amendments Due
The Wood bill says it would repeal the T-H Act but it is pretty much like the T-H Act in many ways. Organized labor says it is the T-H Act under another name.

Because House members can tack amendments, or changes, on the labor bill right on the floor of the House, no one can predict what the bill, as finally passed by the House, would look like.

House action, although debate is limited in the House, probably will use up this whole week.

Then it may be weeks before the Senate acts. And, since Senate debate is unlimited, it may be more weeks before the Senate finally decides what kind of labor bill it wants.

So, the bills passed by House and Senate probably will be different. If they are, both Houses will have to agree on a single bill acceptable to both.

Even then the bill can't become law unless Truman signs it or, if he vetoes it, both Houses re-pass it over his veto with a two-thirds vote.

MILITARY JUNTA CLAIMS PERUVIAN REVOLT CRUSHED
LIMA, PERU—(AP)—The Peruvian military junta claims it has crushed a plot for a revolt which had been scheduled for Sunday night or Monday.

A government statement said the revolt had been planned by the outlaw Apra Party, a leftist group.

FLYING DISCS AGAIN
SAN DIEGO, CALIF.—(AP)—The discs are flying again. Twelve persons reported seeing them south of here Sunday.

Midlanders Attend Waco Church Meet

Four members of the First Christian Church left Monday for Waco where they will attend the annual convention of Christian Churches of Texas. The conference closes Thursday night.

The Midland delegates are the Rev. Clyde Lindsey, pastor, Mrs. S. P. Hall, Mrs. B. H. Spaw and Mrs. E. D. Riddle.

A delegation of Midland Laymen's League members, headed by W. P. Z. German, Jr., and Malcolm Brenneman, will go to Waco Thursday to attend a men's meeting to be held in connection with the convention.

Texas Auto Safety Record Improving

AUSTIN—(AP)—Texans are traveling more in their cars, but fewer persons are being killed this year than last year, State Police reported Monday.

The death rate per 100 million vehicle miles traveled, the first three months of 1949 dropped 14 per cent.

March accidents were fatal to 111 persons. In March last year, traffic accidents killed 141 Texans.

Thus far in 1949, 419 Texans have been killed in auto crashes, compared with 460 in the same months last year.

Danger Of Bubonic Plague Cited In West Texas Areas

AUSTIN—(AP)—Typhus and bubonic plague are real dangers to Texans, the State Health Department warns.

While there have been no reported cases of bubonic plague in man for many years in this state, the Health Department's weekly bulletin said, there have been "repeated findings of plague in rodents and their fleas in West Texas."

This, it said, points to a "grave danger of human infection."

Reports for the week ended April 16 indicated a big increase in typhus. There were 13 cases, compared with the average of six for this time of year.

Polymyositis was also among communicable diseases showing greater than usual incidence during the April 16 period. There were 12 cases reported, compared to the median of four.

American JayCees View Berlin Airlift

WIESBADEN, GERMANY—(AP)—Twelve officials of the U. S. Junior Chamber of Commerce looked over the Berlin airlift here Monday in their first stop on a tour of Europe.

They were to fly the airlift route to Berlin late Monday, then return and go to Brussels Tuesday.

The officials include John Ben Sheppard, Gladewater, Texas.

SOLDIERS DIE OF BURNS

HEIDELBURG, GERMANY—(AP)—Five U. S. soldiers died of burns received in an explosion at an Army prison in Mannheim Saturday and another was in a critical condition Monday. Their names were withheld until relatives have been notified.
