## Amerada Schedules 15,000-Foot Wildcat To Lea Ellenburger

A 15,000-foot wildcat has been staked in extreme East-Central Lea County, N. M., by Amerada Petroleum Corporation.

It will be the concern's No. 1 Rose Eaves, to be 860 feet from south and 1,800 feet from west lines of section 35-16-38, approximately 10 miles east of the town of Lovington. That puts it one location south of the same company's No. 1 Hamilton, recently completed discovery from the Devonian.

The proposed depth, scheduled to allow an Ellenburger exploration, is the deepest ever contracted for a new well in the Permian Basin.

## Ellenburger Wildcat Rumored In Midland

Rumors that York & Harper, Inc., of Midland, is planning to start soon on a 12,000-foot wildcat to explore into the Ellenburger, in South-Central Midland County, have not been officially verified.

The rumors have it that the development is to be about 12 miles south of Midland, and only a short distance away from the recently completed deep dry hole, Gulf Oil Corporation No. 1-B Wilson Bryant. That prospect, which was located about 14 miles south of Midland drilled into the Ellenburger and made water, with slight signs of oil and gas.

Higher horizons in that venture had interesting indications of oil and gas, but operator was never able to develop any of those shows for any sort of commercial production.

## Love Shows More Lea Permian Signs

More signs of possible oil and gas production from the lower Permian have been developed at Ralph Love, of Midland, in Lea County, deep wildcat one and one-half miles south of the city of Hobbs, in East-Central Lea County, New Mexico.

This venture, located 660 feet from south and 740 feet from west lines of section 11-18-38, took a drillstem test at 7,533-7,863 feet.

The tool was open three hours. Recovery was 900 feet of oil and gas cut drilling mud, estimated to have been 60 per cent oil. There were no indications of formation water.

The project is drilling ahead below 7,712 feet in lime. It has logged interesting signs of oil and gas for a considerable distance back up the hole above the section covered by the last drillstem test.

## Andrews Fusselman Set For Higher Test

Magnolia Petroleum Company No. 28-B Cowden, Southwest Andrews County wildcat discovery for production from the Devonian and from the Fusselman section of the Silurian, is to test further in the top of the Fusselman.

This venture, located two miles east and slightly south of the Dollarhide multi-pay field, and 660 feet from north and east lines of section 12, block A-36, oil survey, flowed 29 barrels of oil during four hours from perforated section in the lower Fusselman at 11,056-82 feet.

In a previous 15-hour period of flowing through a three-eighth-inch choke, the new field opener flowed 29 barrels of oil from the 11,056-82-foot interval. Gas-oil ratio was 568-1, and gravity of the oil was 41.9 degrees. That test was made after the perforated zone had been washed with 500 gallons of mud acid.

## Upton Wildcat Logs More Permian Signs

Humble Oil & Refining Company No. 1 Pembroke, Northeast Upton County wildcat, six miles north of the Benedict area, and 660 feet from north and 2,247 feet from east lines of block X, C. C. DeWitt survey, continues to log more interesting indications of possible production as it drills on down through the lower Permian line.

In the latest drillstem test, run at 7,096-7,191 feet, the tool was open two hours and 34 minutes. Sweet (Continued On Page Eleven)

## Sale Of Savings Bonds On Increase

The sale of Series E Savings Bonds in Midland County through Monday totaled \$29,371.25 in the Treasury Department's Opportunity Drive, Chairman John F. Butler said Tuesday.

The campaign opened May 15 and will continue through June 26. The Midland County goal is \$228,000.

## Reds Ask Return Of Big Four Rule For All Germany

PARIS—(AP)—Russia called Tuesday for restoration of four-power control throughout Germany and establishment of a German State Council with economic and administrative functions.

Soviet Foreign Minister Andrei Y. Vishinsky, in a long statement to the Council of Foreign Ministers, also proposed that the industrial Ruhr Valley be placed under control of the Big Four countries bordering Germany.

Vishinsky named the three Benelux countries—Belgium, The Netherlands and Luxembourg—plus Poland and Czechoslovakia and representatives of German economic bodies for a Ruhr control.

A British source said the United States opposed all Vishinsky's proposals.

The Soviet minister also asked reintroduction of a four-power control system in Berlin.

He said a German Sixt. Council ought to function under the Allied Control Council. The Allied council, first set up in 1945 under the Potsdam Agreement, expired at the height of the Berlin crisis last year, when the Russians walked out.

Vishinsky's policy statement came after British Foreign Secretary Ernest Bevin, presiding at Tuesday's meeting of the council, called on him for a statement of Russia's position on the issue of Germany's political and economic unity, French sources said.

The sources said Vishinsky then took the floor and launched into a major statement of Russian policy on the issue.

Monday Vishinsky maintained that four-power control over all Germany should be reestablished before the powers considered reunification.

Russia's normally fire-eating Vishinsky spoke with oil on his tongue at the opening session Monday.

## Reds At Edge Of Shanghai

SHANGHAI—(AP)—The Communists smashed almost into Shanghai Tuesday. At nightfall evidence mounted that Nationalist forces were on the verge of abandoning the city.

The hardest Red blows were directed at the Southwestern section, where the Red drive pulled up at the famed 35-mile wooden fence—a smash that carried the Reds through Shanghai's defense there in some spots.

Vessels were sunk deliberately in the Whangpoo, Shanghai's shipping lifeline. The channel to the Yangtze was blocked, a move indicating the Nationalists may pull out soon.

Troops in large numbers seemed to be heading for Wusung, logical point to board outward-bound ships.

## At Half-Staff For Forrestal

The flag atop the Senate Office Building in Washington flies at half-staff as President Truman proclaimed a period of national mourning to last until the burial of former Defense Secretary James V. Forrestal, who leaped to his death from Bethesda, Md., Naval Hospital.

## U. S. Orders Red Police Out Of American Stations

BERLIN—(AP)—U. S. Brig. Gen. Frank L. Howley gave an ultimatum to Soviet-employed railway police to withdraw from all American sector railway stations in Berlin Tuesday.

The police were given until 7 p.m. to comply. Howley said West Berlin police will take over to restore order following bloody rioting Monday night which resulted in two deaths.

British and French officials refused Monday to endorse Howley's proposal that the Soviet-controlled railway guards be expelled from all Allied sectors. The Russians, by four-power agreement, have had control of all railways in Berlin.

The ouster of the railway police was demanded by both the anti-Communist rail union, which struck Saturday, and the West Berlin city government.

Howley, the U.S. commandant in Berlin, gave the expulsion order to American sector German police to carry out. Such a step had been described previously by the British and French as conflicting with the agreement recognizing Soviet authority over the rail system.

The violence erupted suddenly after a comparatively quiet day. A howling mob of about 3,000 striking railway workers and their sympathizers tried to storm the Zoo Elevated Railway Station.

Soviet-controlled German railway police fired on them. A 45-year-old man, shot in the head, died instantly. A 16-year-old youth also was (Continued On Page Eleven)

## Boy Receives Burns While Watching Fire

AUSTIN—(AP)—Robert E. Ferguson, 23, of East Anderson, vice president of the student body at the University of Texas, died of auto accident injuries here early Tuesday.

Ellis M. Brown of Cuspus Christi, president of the student body, was injured in the accident, which occurred at Brackenridge Hospital suffering from shock and head abrasions.

Police traffic investigators said the car driven by Brown skidded 117 feet in attempting to make a turn at 2:40 a.m. to enter automobile was involved.

Police said the car door flew open, flinging Ferguson against a wall.

Don Winder, 10-year-old son of Mr. and Mrs. Gene Winder of Morton, was treated at Western Clinic Hospital late Monday for burns received while he was watching some weeds being burned.

The boy was visiting relatives here when the accident occurred. His condition was reported to be satisfactory.

## Midland's Parcel Post Appears Headed For Back Yard Again; New Trouble—No Space

Midland's parcel post appeared to be headed for the back yard again Tuesday.

Parcel post has been in the back yard before, but last November a warehouse was rented on West Missouri Street on a monthly basis. The warehouse now has been leased to a business firm and the post office finds itself in a dilemma.

## Eddie Jones Named 'Top Wrangler' As Rodeo Plans Mapped

Eddie Jones was named Midland's "Top Wrangler of the Month" at a "chuckwagon" breakfast of the Wranglers Club Tuesday in the private dining room of Hotel Scharbauer.

He amassed a total of 1,050 points in Chamber of Commerce membership work during the last 30 days to win the honor.

The largest attendance of the year was reported at the breakfast session. The Wranglers were attired in their new and colorful cowboy shirts.

The shirts are of various colors, with the word "Wranglers" stitched on the back.

The Wranglers mapped club participation in the 15th Annual World Championship Midland Rodeo, and assumed the advance ticket selling job for the big area attraction which opens here next week.

Members of the cowboy-type unit will canvass business houses in an effort to (Continued On Page Eleven)

## Senate Votes For One Medical School

AUSTIN—(AP)—The Senate Tuesday voted to create one new \$2,000,000 medical school in approving the major higher education bill calling for a total outlay of \$66,503,898.

Also finally approved and sent to the governor was the junior college appropriation bill approved by the House at \$4,200,000.

By a vote of 15-12 the Senate then refused to take up for special consideration a bill to raise Lamar Junior College's Beaumont to full college status.

The higher education bill with its medical school amendment must return to the House for concurrence in or rejection of Senate changes.

The medical school action was the Senate's answer to three proposals for three separate medical schools at Dallas, San Antonio and Temple.

## Grand Jury Report Expected Tuesday

A 70th District court grand jury went into its second session at 9 a. m. Tuesday and probably will wind up during the afternoon.

Martelle McDonald, district attorney, said much of the business was disposed of Monday and that a report likely will be ready late Tuesday.

Censors Change Their Minds When They See Action Shots

HOLLYWOOD—Esther Williams' reputation as a wholesome American girl is unscathed. But for a while the censors were worried. It started when M-G-M submitted to the Johnson office the lyrics of a new song, "Baby, It's Cold Outside," all about a fellow trying to persuade a girl to remain in his apartment because of the temperature outside.

Hearing On Bonus For Veterans Reset Wednesday Night

AUSTIN—A House committee discussed a veterans bonus bill 20 minutes Monday night without hearing witnesses who were present. Further hearing was then postponed until 8 p.m. Wednesday. Joe Grimes, Austin electrical contractor, was unhappy because the committee didn't let him put in his two cents worth. He said he wanted to speak against Rep. Jimmy Horany's bonus proposition.

Are you still wondering whether or not Chiropractic can help you? . . .

READ what Mrs. John F. Mitchell, Midland, Texas, has to say:

To whom it may concern: In September 1946, our son, Johnny, now age 5, gradually began to have convulsions; we took him to several medical doctors, including two of the best known specialists in Texas.

His condition became so bad that he would turn blue and lose control of his breathing during the convulsion. We were told by the specialists that nothing could be done and to reconcile ourselves to his condition.

It was suggested to us to place Johnny under Dr. Merwin C. Fitch, chiropractor, Midland, Texas, by a friend whose child was getting remarkable results for paralysis and convulsions. We took Johnny June 17, 1948 to Dr. Fitch who X-rayed his spine and expressed confidence that chiropractic could help him. Dr. Fitch asked us if Johnny had had a hard fall and we remembered that Johnny had fallen on a rock when he was two years old, bumping his head with such severity that it took five stitches to close the gash on his head.

Under Dr. Fitch's care Johnny steadily improved and although he is not entirely well yet we feel that he is on the way to complete recovery.

We are so grateful for what Chiropractic has done for our son that we are writing this testimonial in the hopes that it will reach others who are ill and turn them toward Chiropractic and the road to health.

I hereby grant Dr. Fitch permission to use this letter in any honorable manner for the purpose of helping others. MRS. JOHN F. MITCHELL, Box 4, Tower Road.

No starvation diet—no weakness—no hunger. Barrestrate, the original grapefruit juice recipe, takes off fat quickly, safely and you can eat plenty.

**Here is proof**  
Here is what Mrs. H. P. Bishop, Route 2, Stamford, Texas, wrote us:  
"I am very glad to endorse Barrestrate, as please accept my sincere thanks and appreciation for the great benefit I derived from its use. I not only lost weight, but also looked and felt better in every way."  
"I had to have a very serious operation and was told that I must lose a lot of weight before the operation could be performed. I went on a diet and tried very hard to reduce, but wasn't losing much weight until I heard of Barrestrate. I began taking it and could soon tell the difference in the way I felt. The weight I was losing. I weighed 200 pounds when I started and I lost a total of 47 pounds and was able to undergo my operation. I can truly recommend it to others, since it did so much for me."

**At all druggists**  
If you are overweight and want to take off fat fast, just get your druggist and ask for four ounces of liquid Barrestrate. Pour this into a glass and add enough grapefruit juice to fill bottle. Then take just two tablespoons twice a day. If the very first bottle doesn't show you the simple, safe way to take off weight, return the bottle for your money back.

## Why Doesn't Child Of Working Mom Appreciate Her Efforts?

By RUTH MILLETT  
NEA Staff Writer

"Why is it that the children of a working mother never seem to be as appreciative of what she does for their welfare by earning a pay check as are the children of a stay-at-home mother whose only contribution is in the field of home-making?" asks a working mother.

She adds: "My own daughter is 14 and she always seems impressed with the mothers of her friends, who keep the cookie jar filled with home-made cookies, make their dresses for them, etc. I work be-

## June Wedding Plans For Gloria Simon Revealed At Dinner

McCAMEY — Announcement of the engagement and approaching marriage of Gloria Simon, daughter of Mr. and Mrs. L. R. Simon of San Pedro Ranch, Fort Stockton, to Carl John Kedziora, Jr., son of Mr. and Mrs. C. J. Kedziora of McCamey, was made at a dinner given recently by Mrs. Simon in the Crawford House.

The wedding is to take place June 1 in the Church of Christ at Fort Stockton.

Miss Simon is a member of the graduating class of the Fort Stockton High School. Kedziora attended schools in McCamey and Tulsa, and Sul Ross College. He is employed by the Humble Oil Company here. The couple will be at home in McCamey until Fall, when both plan to enter college.

Announcement of the wedding date was made at the dinner on cards revealed as guests pulled the yellow and fuchsia ribbons tied to yellow rosebud nosegays at their plates. The ribbons ran from each plate to the base of a central arrangement of yellow roses, which was flanked by yellow tapers.

Mrs. Bob Corkins was at the guest book. Irene Crawford, pianist, played "Gloria" as the guests arrived, and the "Lohengrin" wedding march when the announcement streamers were pulled.

## Brownies Complete Scrapbooks, Plan For Final Cookout

Members of Brownie Troop 27 met in the home of Mrs. Bill Glascock at Terminal Monday afternoon. The group made plans for its final meeting, which will be a cookout at Cloverdale Park next Tuesday.

The Brownies have kept scrapbooks of their field trips during the year, and at this meeting they were brought up to date and prepared attractively as gifts for their mothers.

Monday was Ann Plummers' birthday, and she and her sister, Faye, served refreshments with a birthday motif to Mary Jane Wilson, Patricia Nolan, Barbara Faucett, Beverly Porter, Mary Frances Glascock, Wilma Dee Skelton, Gayle Newman, Roniece Mills, and Nancy Danie. The assistant leader, Mrs. L. N. Porter, Mrs. A. E. Faucett and Weldon Faucett were also present.

Important Civic Project

The Spring Clean Up-Paint Up-Fix Up Campaign sponsored by the Midland Junior Chamber of Commerce is one of the most important civic projects of the year and is deserving of the unqualified support and cooperation of every Midlander.

Midland JayCees are to be commended for undertaking the sponsorship of the community-wide program—one of the most worthwhile, yet one of the most difficult of civic assignments.

The campaign has been underway a week now and the results are apparent in various sections of the city, indicating that many householders are cooperating in the movement.

Now is a particularly good time to have the Spring Clean Up since hundreds of out-of-city visitors will be here the first five days of June to attend the World Championship Midland Rodeo.

But perhaps even more important than the beautification angle, are the health and fire prevention aspects of the Clean Up-Paint Up-Fix Up Campaign.

DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

Drew Pearson says: Harry Vaughan finds his Argentine medal hard to get; Ambassador Lew Douglas could have been secretary of state; Douglas wrote faithful letter to Louis Johnson.

WASHINGTON—The Army almost slipped the famed Argentine medal for Maj. Gen. Harry Vaughan past the House Armed Services Committee the other day.

Truman, at that time—according to all the polls—had no more chance of winning than Norman Thomas. But Douglas didn't put it on that ground.

After Truman astounded the world by winning in November, he looked around for a new Secretary of State and knowing nothing about the money-raising phases of the campaign, he upon Douglas.

Chairman Carl Vinson of Georgia suddenly took more interest in the proceedings. He could see no rush, he said in approving these medals.

There is a time for everything, he philosophized. "Let us let this time go by and take up something that is more urgent."

Louisiana's Congressman Overton Brooks, who introduced the bill for the Army, objected, since the committee already had approved 37 foreign decorations for Navy officers.

"Two wrongs don't make a right," cautioned Vinson. "We should hold these up a little while and let them rest. We don't have to be in too big a hurry to do this. We have other things to do."

The committee voted with Vinson and Norblad, so General Vaughan will have to wait before he can wear his coveted bauble.

That man is Lewis Douglas, Ambassador to Great Britain, former head of Mutual Life Insurance, and inheritor of one of the great American copper fortunes.

That phone call was placed by Louis Johnson, then chairman of the Truman Finance Committee and in desperate need of funds.

The Stanton club voted to support Daugherty 100 per cent in the campaign and to send six delegates to the district convention in Pecos Sunday and Monday.

## NLRB Holds Hearing On Printers Walking

WASHINGTON —(AP)—The nation's newspaper publishers and an AFL printers union Tuesday brought before the National Labor Relations Board the longest, bitter dispute over the Taft-Hartley Act's closed shop ban.

The board scheduled arguments from the American Newspaper Publishers Association and the International Typographical Union.

The NLRB heard the ANPA's complaint in the morning and scheduled a special hearing in the afternoon for the Chicago newspaper publishers case.

The printers have been on strike in Chicago since Nov. 24, 1947.

## Will Celebrate Anniversary Of Full Citizenship

WASHINGTON —(AP)—On June 2 Indians will celebrate the 25th anniversary of the date on which they gained full citizenship.

Although they have been citizens for 25 years many of them did not win the right to vote until last year. The 1948 presidential election was the first in which many could legally cast ballots. The U. S. Constitution excluded Indians from the census that determined, on a basis of population, each state's representation in the House of Representatives. Many states later interpreted this as excluding Indians from elections.

The 14th Amendment, adopted in 1866, gave citizenship to all persons born or naturalized in the United States. But until many Indians were excluded from elections.

Then in 1870 the 15th Amendment provided that the right of citizens to vote should not be denied by any state on account of race, color, or previous condition of servitude. The 1924 law extended citizenship to Indians born in the United States. But as late as 1936 seven states—Arizona, New Mexico, Idaho, Washington, South Dakota, Colorado and Utah—withheld voting rights.

They did this on various grounds, the most common being that the Indian was not taxed. Before the November election last year, Arizona and New Mexico were the only states excluding Indians from the ballot booths. About one-fourth of all U. S. Indians—now numbering around 400,000—live in these states.

**Wards of Government**  
The Arizona state supreme court overruled an earlier decision that denied the vote to "a person under guardianship." This had been applied to reservation Indians because they are, in some ways, wards of the government. Thus the new decision cleared the way to the ballot box for Arizona Indians.

In New Mexico a federal court ruling prohibited election clerks from refusing to register Indians who are not taxed. So this gave the New Mexico Indians the voting privilege.

U. S. Indian Service officials say Oklahoma Indians probably are the most influential in politics. They have had voting rights ever since Oklahoma became a state.

But these officials do not expect other Indians to take an influential part in politics immediately. This goes for the states—Arizona and New Mexico—where full-blooded Indians are the most numerous.

For one thing the Indians have strong tribal councils. They are more interested in tribal politics than in the white man's politics.

Many Indians also fear that if they vote they will lose special privileges that have been granted them, such as freedom from land taxes, the right to live on reservation lands and enjoy government services like schools and hospitals. Indian Service officials say all these fears are unfounded, and they are urging the Indians to vote.

The Indians also fear that if they become entangled in the white man's politics it will cause tribal dissension. Despite these fears, many Indians participated in the primaries and the national election of 1948.

For instance, the all-Pueblo Council in New Mexico, which for 300 years has been the organization through which 20 Pueblo villages thrashed out common problems, sent a questionnaire to each of the candidates in the election. It asked written views on many questions, such as whether the candidate believed that Indians should receive social security payments.

**White Man's Politics**  
However, Manuel Lujan, the governor of the Texas Pueblo, urged his people not to take part in the white man's politics. There are about 35,000 Indians in New Mexico and only about 3,000 reservation Indians were registered in the 1948 elections.

Several persons with Indian blood have been members of both the U. S. Senate and House of Representatives. The late Vice President Charles Curtis was of Kaw Indian blood on his mother's side.

There are Indians in 26 states, but Indian Service officials say the greatest concentration of full-blooded Indians is in the second congressional district in Arizona.

The district contains 40,000 Navajos on the Navajo reservation, but the total population in the district, including whites is more than 300,000. Even Long Island has an Indian tribe, the Shinnecocks. Their reservation is near Southampton and its yacht-studded waters.

**SOAK THE RICH**  
PARIS —(AP)—Harder economic conditions for the rich seem reflected in a Paris press report that the network of state-controlled pawnshops will soon be extended to more wealthy districts of the city, where they expect to receive mainly luxury goods such as jewels and furs.

## Chairmen For Year Named In Iota Beta Unit

Norma Middlebrooks summarized the year's program at the final meeting of the Iota Beta Chapter of Beta Sigma Phi Monday night. Dixie Lou Wilson was hostess for the meeting which was held on the lawn of her home.

During the business session Myra McReynolds, new president, appointed Dorothy Raine; chairman of the program committee; Patsey Parkey, ways and means chairman; Mrs. Clyde Pederson, social chairman; Lorene Wood, membership chairman; Ruby Gilber, contact chairman; Elmer Ewert, historian; Lafara Harrison, parliamentarian; and Melba Knipping and Mrs. John W. ## Season Closed For Episcopal Women's Club

Activities of the Trinity Episcopal Women's Auxiliary were halted for the Summer at a meeting in the Parish House Monday, when Mrs. William Potts and Mrs. J. L. Brown were hostesses. The group will not meet again until September.

Members voted to adopt a program of welfare work as recommended by the executive board, to begin when meetings are resumed. Mrs. Payton Anderson was in charge of the program and played recorded Bible readings by Charles Laughton. The opening prayer was by the Rev. R. J. Snell.

Regret of the executive board was expressed at the resignation of Mrs. W. A. Schaeffer, who is to leave for a new home in Fort Worth before next Fall. She has been serving as chairman of the parish committee in the auxiliary.

Mrs. Waldemar was a guest, and present also were Mrs. C. A. Cunningham, Mrs. W. S. Nelson, Mrs. Roger Northrup, Mrs. C. O. Puckett, Mrs. Hal Rachal, Mrs. J. P. Ruckman, Mrs. F. N. ## Tea Celebrates Birthday For Women Of Presbyterian Church

The annual birthday celebration, high point of the year for Women of the Presbyterian Church, was observed with a tea Monday, when Mrs. Fred Turner was hostess in her home to women of the First Presbyterian Church.

Organization of the program of woman's work in the church is the occasion celebrated on this anniversary, to which the members look forward each year.

A special offering is taken annually on the birthday, and this year the gift will be used for mission work in Brazil, for the American Bible Society and for the Program of Progress Projects for Brazil. The offering Monday far exceeded that of any previous year in Midland.

Mrs. L. A. Robey, secretary of foreign missions, had charge of the program. The devotional period was conducted by Mrs. R. L. Miller. A song, "God So Loved the World," was presented by Mrs. C. E. Bissell, Mrs. William Hester and Mrs. Matthew Lynn, accompanied by Mrs. Bill Little.

Members of the Training Circle who discussed program topics were Mrs. William Carter, Mrs. D. A. Bliven, Mrs. Murray Fasken, Mrs. John Reid, Mrs. Sol Bunnell and Mrs. Don Johnson.

Roses and larkspur decorated the rooms and formed a centerpiece for the tea table, which was covered with an Italian cutwork cloth. The birthday cake, circled with 27 candles, was decorated with roses.

Miss Louanna Roach cut the cake, and Mrs. Lynn served punch. Approximately 75 women were guests at the tea.

## Ruth Donnell Takes Office As President Of Wesleyan Guild

Ruth Donnell was installed as president of the Wesleyan Service Guild of the First Methodist Church at a meeting Monday night. Mrs. Pauline Kirk was hostess to the meeting.

Installed as vice president was Ruth Worthington; Mrs. Ima Harris, promotion secretary; Mrs. Kirk, treasurer; Mrs. Laura Bell, missionary education and service secretary; Mrs. S. H. Gwyn, spiritual life chairman; Tommie Smith, Christian social relations and local church activities chairman, and Eddie Hargis, recreation and supply work chairman.

Mrs. George Bradberry, who conducted the installation, opened the meeting with a prayer.

"Cooperation in Building a Christian America" was the lesson subject. Miss Smith directed the study program.

During the business session the group voted to give a life membership to a guild member. Miss Donnell announced that a family basket picnic would be held in Cloverdale Park, May 30 for the members of the United Council of Church Women.

Refreshments were served to the officers and to Mrs. C. M. Luton, a guest, and Josephine Weaver.

## Cookout Ends Year For Brownie Troop

Brownie Troop 25, composed of girls living at Terminal, enjoyed a cookout at Cloverdale Park to end its year. Members roasted wieners and marshmallows, and other food was supplied by mothers of the girls. This will be the last meeting of the troop until September.

Present for the outing were Nancy Allen, Sandra Clark, Sharon Flowers, Joyce Love, Charlotte Parker, Arline Pittman, Elaine Robertson, Lillian Rogers, Patsy Segrest, Mrs. Jay Clark, Mrs. Curtis Rogers and the leaders, Mrs. J. R. Flowers and Mrs. J. E. Nelson.

NEW YORK —(AP)—Mrs. Oksana Kasenkina's dramatic leap to freedom from the Soviet Consulate here has won her not only political asylum—but a lot of cash as well.

The Russian ex-school teacher, who never had a great deal of money before, has netted \$45,000 in less than a year through sale of her syndicated stories here and abroad, she revealed.

## Calvary WMU Has 'Home' As Program Topic For Meeting

"Christ Is the Answer for the Home" was the theme of the Women's Missionary Union of the Calvary Baptist Church at its meeting Monday in the church. Mrs. A. L. Teaff was in charge of the afternoon's program.

Prayer was given by Mrs. A. F. Bowman and Mrs. L. T. Mitchell gave the devotional. The following topics were presented:

"What Is Read in Our Homes," Mrs. L. C. Conner; "What Have We Done With the Lord's Day?" Mrs. J. D. Robbins; "One Home Can Change Many," Mrs. W. G. Flournoy; "The Christian Home and the World," Mrs. Bowman; "How Can We Make Our Homes Better?" Mrs. Hoyt Burris and "Home—God's Plan for Man," Mrs. Teaff.

The Sunbeam Band of the church met at the same time in the church where the teacher, Mrs. L. C. Conner, told the children a story.

Members present were J. D. Robbins, Jerry Dean Crowe, Frankie Lou Conner, Lyndell Conner, Cynthia Conner, Douglas Hamlin, Sara Allen, Faye Martin, Patsy Johnson, Patsy Thompson and Delores Brahear.

## Joey Maxim Beats Lesnevich To Gain Light Heavy Crown

CINCINNATI—(AP)—There's an old maxim that a steady drop of water will wear away the hardest stone. And a Maxim proved that old maxim Monday night. Joey Maxim of Cleveland parlayed robust youth and the drop of water—a flicking left hand—into the NBA light heavyweight championship of America.

Joey, one of the lightest hitters in the business, used his rapier-like left to spear a decision in 15 rounds over 34-year-old Gus Lesnevich of Cliffside, N. J., who last July 26 lost his world's title to Freddie Mills in England.

Promoter Sam Becker, Cincinnati clothier who puts on tight shows as a hobby, found his fun a costly bauble in this, his biggest venture. Sam needed \$100,000 to pay off—Lesnevich got \$50,000 and Maxim \$15,000—but only 6,931 fans braved the rain to pay a gross gate of \$56,151.50, and a net of \$40,429.08. That left Becker some \$45,000 in the hole.

Lesnevich went out like a champion. He was unmarked, except for a slight bruise beside his left eye. He said he had no alibi, and that he lost because he couldn't keep his face away from Maxim's flicking left.

Max never hurt me at all, and I'd like to fight him again," Gus said. "I thought this one was pretty close, and that all I had to do was win the last round to take it. And I certainly won the last one."

Lesnevich wasn't kidding about winning the fifteenth, for he swarmed all over Maxim to take it by a county mile. But he dropped the six right ahead of it as his 34-year-old legs failed to keep up with his fighting heart.

Maxim, also unmarked said he was stunned a couple of times by Lesnevich's winging rights in the early rounds, but that he punches which really hurt were lefts to his midsction.

Becker said the fighters had agreed to a rematch at the Cincinnati Ball Park this Summer in case Lesnevich won and that a meeting on that angle would be held Tuesday.

Western Plastic continued its winning ways Monday night and topped Joe's Gulf 13 to 2 in a Midland Softball League tilt at Wadley Field. Jack Dunlap set Joe's boys down with four hits while his mates trimmed Jerry Matjeck for 11 blows. Burns McKinney, Clayton Henderson and Dell Taylor led the Western Plastic attack.

The Reporter-Telegram broke into the win column in the first tilt, blasting Rendezvous 12 to 4 behind the hurling of Leroy Collier.

The Western Plastic team will play two Odessa teams in a double-header at Wadley Field Tuesday night. The first game is scheduled at 8 p. m.

The National Leaguers and six American Leaguers have hit over 400 since 1900.

## Broncs Top Tribe 10 to 2 In Finale

The Midland Indians take to the road for six games this week, opening a three-game stand in San Angelo Tuesday night. They will move on to Big Spring for three more before returning home to meet the Odessa Oilers in two games at Indian Park. The Odessa series opens next Monday night.

Manager Harold Webb has nominated Lefty Ernie Nelson to hurl the opener at San Angelo. Duke Garland, a sore-arm right-hander, will toe the slab for the Colts.

The Midland Indians did everything at the wrong time Monday night and gave the Big Spring Broncs a 10 to 2 victory in the final of a three-game series in Indian Park. The series went to the Broncs, two games to one.

Weldon Stewart went all the way on the mound for Midland and was touched for 14 solid hits by the league-leading Cubans. He never was up to par and was made to look even worse by the poor support and lack of hustle given out by his team mates.

Ke ny Jones and Stanley Hughes were the only two bright spots in the Midland lineup. Hughes scored both the Midland runs with Jones batting him in on the first one. He scored the last one after he had doubled and the Big Spring shortstop made an error.

Isolated Hits  
The Indians picked up a few isolated hits throughout the game but never came up with another serious threat.

The Broncs opened with three in the first on a walk to Mendez, Ramirez's life on an error and Pascual's first of two doubles. They added two in the third on doubles by Ramirez and Pascual and a single by Ramos.

Two in the fifth came on a walk to Mendez, a single by Ramirez and Pascual's third double.

The Broncs finished up with three in the seventh. Singles by Mendez, Ramirez and Vasquez and a double by Valdez produced the runs.

## Stephens Homers As Bosox Triumph

Undoubtedly two of the greatest "money players" in baseball Tuesday are Vern Stephens of the Boston Red Sox and Tommy Henrich of the New York Yankees.

Both Stephens and Henrich hit homers Monday to help their teams win. Vern cracked his eleventh into the right field bullpen with Ted Williams on base to pave the way for Boston's 4-0 triumph over Detroit.

Henrich's blast came in the first inning, with two mates aboard to enable the Yankees to overcome a 2-0 deficit. The Yankees went on to win over the St. Louis Browns 10-3.

The Boston Braves took undisputed possession of first place in the National League by defeating the Cubs in Chicago 11-4. It was the only game in the National League.

The World Champion Cleveland Indians broke out of a losing slump to defeat the Athletics in Philadelphia 7-3.

Randy Gumpert hurled a three-hitter against Washington as the Chicago White Sox whipped the Nats 3-1.

**WT-NM League—Abilene Blue Sox Edge Up On Dukers**

The Abilene Blue Sox are within a game and a half of the first-place Albuquerque Dukers Tuesday after defeating the Dukers 7-4 in a West Texas-New Mexico League baseball game Monday night.

The Lubbock Hubbers won a 10-inning, 10-9 victory over the third-place Borger Gassers.

The Amarillo Gold Sox moved into a tie for fourth and fifth places with the Lamesa Lobos, defeating the Lobos 6-4.

Clovis counted six runs in the first inning and went on to trounce Pampa 10-2.

**Recreation Program Taking Shape Here**

Questionnaires for participation in the Summer recreation program here have been passed out at Midland schools and other steps for getting the program underway are being taken. Coach Marvin Beauchamp will be general director.

The program is under the joint sponsorship of the city, county and school. Opening date is June 6.

The state of activity will include swimming from 9 a.m. to 11 a.m. Monday through Friday of each week and a host of games. Baseball, volleyball, tennis, tumbling, relay, touch football, softball, kick ball, basketball and story-telling will be held.

Any child of school age who desires to participate in the program can obtain a questionnaire from his teacher.

## Texas League— Eagles, Sports Are Nipped But Hang On To One-Two Ranking

By The Associated Press  
The Dallas Eagles maintained their three-game lead at the top of the Texas League Tuesday despite a 4 to 4 loss Monday night to the fourth-place Fort Worth Cats.  
Second-place Shreveport lost to seventh-place Beaumont 3-0. Third-place San Antonio trounced the cellar crew from Houston 13-4. And sixth-place Tulsa whitewashed the fifth-place Oklahoma Indians 3-0 in a game rained out in the seventh frame.  
Dallas out-hit Fort Worth 16 to 14, but the Eagles left 12 runners stranded.  
Beaumont's Joe Blankenship tossed four-hit ball to subdue Shreveport. Beaumont tallied one run in third and two in the ninth.  
Houston scored six runs in the third inning, but Homer (Doc) Gibson took the mound for San Antonio and blanked the Buffs the rest of the game.  
Oklahoma City scored three runs in the seventh, tying the score, three all, and had two men on base when rain washed out the game. The score reverted to the sixth inning, giving Tulsa the win 3-0.

## Electra Rescinds Whistle Stop Rule; To Seek Decontrol

ELECTRA — (AP) — The Electra City Commission has rescinded the "whistle stop" ordinance against Fort Worth and Denver Railroad and voted to petition the governor for removal of rent control restrictions here.  
The action came at a meeting of the commission Monday night. The railroad controversy grew out of Electra's claim the railroad was trying to make a mere "whistle stop" out of Electra.

The Canadian Open golf championship this year is slated for Ontario from June 22 to 25.

## SMU Star, Hurt In Traffic Crash, Should Play Again

PORT WORTH — (AP) — "Doc, will I ever play football again?" Gene (Chickie) Roberts, Southern Methodist University backfield star, asked this question from his hospital bed of Dr. S. A. Price, some 36 hours after a three-car collision almost took his life.

"Gene, you'll have to play football for SMU next year," replied Dr. Price.

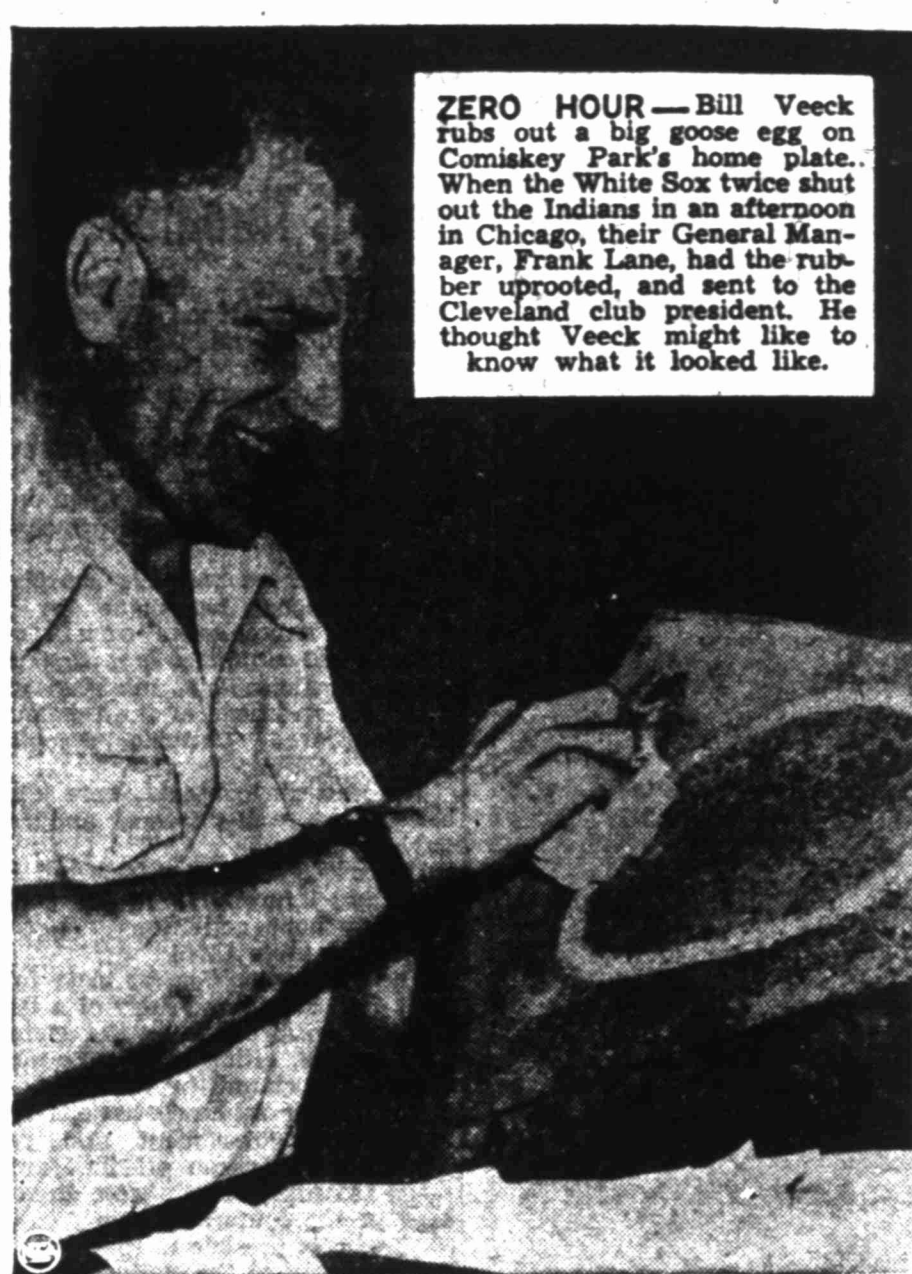

Dr. Price said Roberts now was listed as "seriously injured," after being classed as "critically injured" throughout Sunday. "If his luck holds out, he should be in shape to play next fall," the doctor said. "It all depends on how he takes care of himself during the summer." Dr. Price said Roberts should be hospitalized about two weeks.

Roberts was one of the better backs on the Southwest Conference and Cotton Bowl championship SMU football team last year. The Mustangs were grooming him to fill the shoes of right halfback Paul Page, who graduates this month.

Dr. Price said Cecil Moseley, SMU guard, also hurt in the accident, should be out of the hospital within five or six days. Crawford Campbell, a TCU freshman, received a compound fracture of his right arm in the collision.

Carl Underwood, a North Texas State College student, was killed. He was driving the light, English Ford sedan in which Roberts, Moseley and Campbell were riding. The car was demolished when it collided with a truck and another car in South Fort Worth. The four students were attending a Masonic Home reunion here.

TO PLAN CUB CAMP  
Summer camping plans will be made at a box supper for Cub Scouts of Pack 6 and their parents, which is announced for 5:30 p.m. Saturday in Pagosa Park. All the boys and their parents are urged to be present.

ZERO HOUR—Bill Veck rubs out a big goose egg on Comiskey Park's home plate. When the White Sox twice shut out the Indians in an afternoon in Chicago, their General Manager, Frank Lane, had the rubber uprooted, and sent to the Cleveland club president. ## Longhorn League— Broncs, Dusters, Swatters, Cats Are Loop Game Winners

By The Associated Press  
The first-place Big Spring Broncs and the second-place Vernon Dusters continue to hold the pace at the top of the Longhorn League standings.

Monday night, Big Spring downed third-place Midland 10-2 while Vernon whitewashed fourth-place Odessa 8-0. Fifth-place San Angelo beat Roswell 9-3, and Sweetwater edged Ballinger 9-8.

Big Spring rapped out 14 hits. Darwin Chrisco of Vernon hurled three-hit ball to shut out Odessa. San Angelo rushed across four tallies in the first frame and defeated Roswell going away.

Sweetwater counted three runs in the eighth inning to edge Ballinger. Major League teams representing six cities have won the World Series in the last 20 years.

The American League has won 24 World Series, while the National has won 17.

## SPORTSLANTS BY SHORTY SHELburne

The Western Plastic softball nine, current leaders in the Midland Softball League, will try to turn the iron-man stunt at Wadley Field Tuesday night.

The Midlanders meet the Phillips Oilers of Odessa in the first game at 8 p.m. then take on another Odessa team, Rex Rental Tool, in a second encounter.

Tete Hensey, manager of the Western Plastic team thinks his boys can do the job against twin opponents. We hope they can.

Frank Roberson, Midland High's ace right-hander and a healthy prospect to crash the big-time some of these years, has been invited to join the pitching staff of the Texas High School All-Stars in their annual game against the Oklahoma High School All-Stars in Wichita Falls June 4. He will report there on June 3.

Coach Tugboat Jones and Coach Garvin Beauchamp promoted the assignment for young Roberson. They won't be sorry, either, because Frank has the stuff to hurt with the best of the high school pitchers and some class D talent.

He'll prove a credit to Midland and MHS at Wichita Falls.

Walter Buckle, Lamesa shortstop for two seasons, probably thinks he got caught in a cyclone the other day.

Here's what happened: Buckle was suspended, reinstated, released and signed as a traveling secretary all in one day by the Lobo manage-

ment. We hope he makes them a better secretary than he did a shortstop. He never could hit beans and was no better than average in the field. In fact maybe he should have been a secretary all the time.

The Southwest Conference has completed another year of sports, both major and minor. Some of the greatest teams in the history of the conference were produced.

Southern Methodist University's great football champions definitely made their marks, both individually and collectively, in the gridiron's hall of fame. Led by Doak Walker, the Mustangs annexed the championship for the second consecutive year.

Texas dominated the minor sports and showed up good in most of the major events to collect the most total points in both. But they didn't out the cake in football.

Baylor, Rice and Arkansas tied for the basketball championship with one of the closest races in history.

Texas A&M annexed the track and field title.

Texas U. took the baseball title in a walk. The University also won tennis, golf, swimming and fencing flags.

A&M nailed down the cross country event.

There may be some changes in other sports, but it looks like the football picture will be the same next fall. There's a man named Walker still in the SMU lineup.

J. Walter Morris, president of the Big State and East Texas Leagues, recently was quoted as saying, "Any umpire ought to be able to pay his salary in fines from the players."

Maybe that's the way they do it in Morris' leagues but Sports Slants, for one, wouldn't be in favor of it in the Longhorn.

In fact, with some of the calls we've seen already this season, we would be more in favor of fining the umpire in some cases. Hammond could have stood a little lick for his complete mis on the call at first base in Sunday's game. Ace Mendez was out if anybody ever was.

Warren Sitter, the fancy Midland Indian first sacker, played Monday night's ball game even though he had a tooth pulled just prior to the contest.

He said it pained him all during the contest. Nevertheless, he stayed right in there.

HALF SLANTS . . . Glenn Patton's sore linger is healed over nicely. He says he'll be ready to go against the San Angelo Colts Wednesday night if Webb wants to use him. . . Pensive, winner of the 1944 Kentucky Derby and sire of Ponder, died in his stall at Calumet Farms last week. . . Bobby Gregg, the schoolboy hurler who lasted only a brief period against the Midland Indians here Friday night, tossed a three-hitter at the supposedly tough Roswell Rockets Monday night. . . Tom Jordan picked up two of the hits and Bob Cruise got the other one. . . The Midland Black Indians have slated two games in Indian Park this week. They meet the Amarillo Black Colts at 8:15 p.m. Thursday and the Pecos Black Tigers at 3:30 p.m. Sunday. . . Candidate for the most rabid supporter of the Indians is Miss Lotta Williams who is one lady fan who knows the finer points of the game. . . The Gus Lesnevich-Joey Maxim light heavyweight title bout in Cincinnati Monday night was a fluke for the promoters. The gate ran only a little over \$50,000 and the fighters had been guaranteed \$50,000 and \$15,000, respectively.

### Ouster Of Catholics Working With Czech Reds Is Threatened

PRAGUE—(AP)—Archbishop Josef Beran threatened Tuesday to excommunicate all Catholics collaborating with Czechoslovakia's Communist government against the church.

The archbishop charged an attempt was being made to set up "a new Catholic Church without its current bishops and its principal head in Rome."

The statement was the sharpest the archbishop has made in a mounting church-state conflict here. It was contained in a personal letter to Alois Petr, minister of transport and head of the Communist-approved Catholic Peoples Party.

The letter's contents were disclosed by a well-informed and reliable source.

It accused Petr of "sins" and of distorting information in the press about Catholic activities.

**Oppressive Acts Cited**

The archbishop's latest blast follows disclosure last Friday of a letter written by him to the clergy on April 29, citing oppressive acts against the church by the state.

That letter said negotiations between the government and the church were broken off in March when recording devices were discovered in the conference room.

"How is it possible to speak about the good will of the National Front (the political coalition dominated by the Communist Party) when practically a radical divorce between church and state is being undertaken?" the letter to Petr asked.

"Are you aware of the facts—if you are still Catholics—that all direct or indirect collaboration and cooperation with laws and orders which restrict the rights of the church or destroy them, cause excommunication?"

"For participation in these measures, all collaborators are excommunicated from the church and so deprived of all rights which they had as members of the Catholic Church."

### MIDLANDERS CONFER WITH COKE COUNTY OFFICIALS

County Judge C. G. Keith and Chamber of Commerce Manager Delbert Downing were in Robert Lee early Tuesday afternoon to confer with Coke County officials concerning the proposed completion of the University of Texas highway. Completion of the new road will provide a direct paved outlet from the Midland area into Central Texas.

### Final Arguments In Guam Rape Slaying Case Due Wednesday

GUAM—(AP)—A 20th Air Force court martial will hear final arguments Wednesday in the trial of Pvt. Calvin Dennis, negro airman, accused in the rape-murder of Ruth Farnsworth of San Francisco.

FBI Agent Roy McDaniels Tuesday was called as the last witness. He identified hairs found on Dennis' raincoat as belonging to the white race.

A statement by Dennis admitting being present when the girl was slugged in a jade shop last December was read into the record. Dennis denied participating in the attack.

Miss Farnsworth was taken into the jungle, raped and left to die.

Dennis' half-brother, Pvt. Herman Dennis, last week was sentenced to death by a court martial. Another negro, Sgt. Robert Burns, is yet to be tried in the case.

### Jet Nails 'Em With a Hop, Skip and a Boom

An F-84 jet fighter zooms overhead as its 100-pound practice bomb pierces the center of the target during skip bombing at the first annual Air Force gunnery meet in Las Vegas, Nev. The dust cloud indicates where the bomb struck the ground, and the trail of smoke marks the path of the bomb as it skidded into the target. Teams from the best fighter groups in the nation participated in the meet on a competitive basis in various phases of bombing.

### U. S. Due Monkey, At Least, Asserts Walton Leaguer

WASHINGTON —(P)— Frank J. Mulken says the United States at least should get a monkey for the \$10,000,000 it is spending in foreign aid.

Mulken, a national director of the Izaak Walton League, told the House Appropriations Committee the foreign aid spending has curtailed certain spending at home.

For example, he said, the Washington Zoo had its appropriation for the purchase of animals cut from \$15,000 to \$3,100.

He pointed out that many European nations have large colonies swarming with wild animals. He said he has written foreign ministers of Great Britain, Belgium and France suggesting they send us some animals in exchange for the money the U. S. is giving them.

Mulken said he had received replies indicating his letters are receiving consideration, and concluded:

"Gentlemen, for the \$10,000,000 I think we should at least get a monkey."

### German Confesses Slaying Of Youth

FRANKFURT, GERMANY. —(P)— A Frankfurt man confessed he forced an eight-year-old boy to pray for "eternal world peace" and then killed him with an axe in the belief a dying child's last wish would be granted. German police said Tuesday.

Police said they are holding Walter Huegel, 30, as the slayer of the boy, Sigmund Schuster.

The United States was the biggest buyer of the 108,295,000 pounds of tobacco which Turkey exported in 1948.

### Bogart Gets a New Role

### Panel Approval Of Pact Due Next Week

WASHINGTON —(P)— Chairman Connally (D-Texas) said Tuesday the Senate Foreign Relations Committee will take a formal vote "sometime next week" on ratification of the North Atlantic Pact.

There had been a general impression the committee planned to vote approval of the 12-nation alliance this week.

"We'll wait until we get a complete report on the hearings before taking a vote," Connally told a reporter. The committee staff is working on the report, which is expected to give strong approval to ratification of the treaty.

The English language is spoken today by more than 270 million people, of whom more than half are Americans.

### Czechs Execute Trio Convicted Of Spying

PRAGUE, CZECHOSLOVAKIA —(P)— Three men convicted last week of spying and treason were executed Tuesday, the government announced.

The men were retired Lt. Col. Josef Hruska, Karel Bacilek and Boris Kovaricek. They had been charged with forming illegal groups in February, 1948, and of collecting weapons and passing information to "foreign agents in the Western zone of Germany."

They were convicted in the same trial which resulted in a sentence of life imprisonment for Gen. Karel Kutvas, hero of the Prague uprising against the Germans in 1945.

#### Roosevelt Inherits Mail Headaches; Big Four Prospects Evident Soon

WASHINGTON —(NEA)—Franklin D. Roosevelt, Jr., of New York, who won the late Sol Bloom's seat in Congress, will inherit a ready-made mail problem on arrival in Washington. As chairman of the House Foreign Affairs Committee, and as a result of extensive world travel and attendance at many international conferences, Bloom had innumerable friends. His mail from overseas was just as heavy as from his own district in New York. But the news of his death was not widely carried abroad. And letters from his foreign friends have continued to pour into Washington at the rate of several hundred a week. Answering these letters has kept his Washington staff busy. The job now passes on to his successor.

#### Few Weeks Should Tell Story

Two or three weeks of negotiations at the Paris Big Four Foreign Ministers' Conference should disclose whether it will produce anything constructive. If nothing positive develops by June 5 or 10, the Western Powers will face a decision on whether to let the Russians keep on with propaganda speeches, or whether to fold up the welcome rug and go home. The aim now is to try to reach definite agreements at Paris and not leave a lot of unfinished business for the deputies and technical assistants to bicker over endlessly. There has been a major fault of past GPM meetings.

#### Calder Has Previous Date

Curtis Calder may not be ready to consider appointment as secretary of the Army for another six months. He told President Truman that he

had several big jobs to complete for Electric Bond and Share, of which he is the \$75,000 a year board chairman, before he could go to work for the government at \$15,000. The problem now is whether to hold the job open for Calder, who was Defense Secretary Louis Johnson's first choice, or find somebody else.

#### Won't Make Hatters Mad

Some Air Force officers at the Pentagon are complaining about a recent order from Gen Hoyt S. Vandenberg, chief of staff. It was an order to get rid of their "50-mission" caps and to start looking a little neater in public. A 50-mission cap is one that has been crushed by wearing earphones while flying. The big gripe is that the new caps that go with the new "wild blue yonder" Air Force uniforms cost \$15.

#### The Life Of Reilly

Gerard D. Reilly, former National Labor Relations Board general counsel who was one of the advisers on Taft-Hartley labor law drafting, is registered as lobbyist for three employers. For the first quarter of 1949, Pond Creek Pochontas Company of Huntington, W. Va., paid him \$1,000 and he listed no expenses. From Printing Industry of America he received \$1,200 and on their behalf he spent \$11.98. For General Electric he reported expenditures of \$646.11 and "No payment received as yet."

#### What's In A Name?

Before Mme. V. L. Pandit arrived in Washington from India to become the first woman ambassador to the United States, there was great to-do among protocol experts over how she should be addressed. For a man, the title is "Mister Ambassador." The argument finally boiled down to a choice between "Madam Ambassador" or "Madam Ambassador." They finally agreed on "Madam Ambassador," and the State Department made this announcement. It thought the matter was settled. But at her first press conference she was called "Mr. Ambassador" and "Mrs. Ambassador," as well as just plain "Mrs. Pandit." She didn't mind. But she said that she's willing to rest on the State Department decision that she should be called "Madam Ambassador."

#### If Ignorance Is Bliss

American ignorance of the rest of the world was amply demonstrated when plans were being made for Washington entertainment of Brazil's President Dutra. "We ought to get some signs up in Spanish," proposed one member of the arrangements committee, apparently unaware that Brazilians speak Portuguese. Somebody else recalled that Rio de Janeiro had given President Truman an all-out reception, and that Washington should surpass that effort. "Well," commented another committee member, "we can do anything on the banks of the Potomac that they can do on the banks of the Amazon." (Rio is 2,000 miles from the Amazon.)

#### Farmers Favor Sugar Coating

Top American Farm Bureau officials are backing Secretary of Agriculture Charles F. Brannan's new farm plan. They say they are opposed to "subsidies." But they are all out for a \$90,000,000-a-year school lunch program, by direct appropriation from Treasury. This is what Congress Poage of Texas calls a "sugar-coated subsidy." It's disguised to look like a welfare program to feed the poor, hungry, little school children. Poage says farmers don't object to that kind of subsidy because it doesn't break down their

character and free enterprise independence.

#### Johnson Hits Ceiling

Defense Secretary Louis Johnson had to do some fast back-pedaling on the Navy's "Truculent Turtle" flight to Portugal on the thirtieth anniversary of the NC-4 first Atlantic crossing. First Johnson knew of it was when he read it in the papers. He hit the ceiling and wanted to know why Navy hadn't cleared it with him. Nervous Navy brass started checking around, found it had been cleared with Johnson's office. Because it was strictly a publicity stunt, it was referred to Johnson's office of public relations for approval. When Johnson discovered that, he let the matter drop.

#### Sidewalks Of New York

One group of congressmen and their wives who went to New York on a \$30-a-head sightseeing tour drew a street-sweeper for a guide. The tour was arranged by Mayor O'Dwyer to show the lawmakers how New York is run. Garbed in a freshly starched uniform, this white-glove guide proudly showed how Gotham's streets were kept clean. When he found that his group was interested in him and his work he departed from the planned route. He showed them which streets were the hardest to keep clean. He took them through the incinerators. And he gave a demonstration on the best method to keep trash from washing into the gutters and clogging the sewers. When this group got back to their hotel, they all shook the street-sweeper's hands warmly and thanked him for a most unusual experience.

### Spanish-American School Term Ends

A May fete with 300 children participating was the last-of-school program for the Latin-American School here Friday. It was presented for an audience of approximately 200 persons, with Gloria Mendoza acting as master of ceremonies.

Coronation of the May queen and king, Rosa of the House of Costello and Pedro of the House of Martinez, was presided by the third grade under direction of Mrs. Wayne Campbell, teacher. Nina Lara and Gilberto Sanchez were the crown bearers.

The May queen wore a formal dress of yellow taffeta and net, and rainbow-colored taffeta frocks were worn by the princesses: Elio-dia Heredia, Dora, Gonzales, Olivia Alvarado, Gloria Moreno, Alicia Tarango, Maria Carrasco, Camilla Lara, Beatris Lerma, Eloisa Munoz, Paulina Reyes, Fernina De Leora, Oralia Costello, Olivia Costello, Socorro Reyes, Luvia Sanchez, Ernestina Rameriz, Adela Marmeljo, Senaida Vasquez and Julia Hernandez.

#### Dance Presented

Princesses were Juan Heredia, Pascual Martinez, Carlos Jujon, Ramon Carrasco, Reymundo Velarde, Benito Sanchez, Ricardo Rodriguez, Jose Diaz, Fabio Reynosa, Domingo Villa, Nienas Andrade, Leonardo Rodriguez, Arnuefo Rodriguez and Francisco Hernandez.

After the Maypole dance, several American folk dances were presented. Miss Sue Gayle directed first graders, wearing sunbonnets and straw hats, in "Here We Go Looby-Loo." Mrs. Jack Masburn directed another group in a Virginia reel; and Mrs. John Coyn directed second graders in "Skip to My Lou." Fifth grade girls, Mary Helen Moreno, Virginia Reynolds, Mattie Ohoa and Lidia Reyes, directed by Mrs. William Kalhoefer, sang a group of popular songs.

#### Minstrel On Program

Other songs were by Angelita Lerma, Lupe Torres, Anita Munoz, Rosa Sanchez, Alicia Perez, Elia Gonzales, Josefina Martinez and Kuka Reyes of the fourth grade. Matilda Ocho gave a reading, "Bird Thoughts." Fourth grade boys presented a negro minstrel and sang, "Short-nin' Bread," with Mrs. Paul Hickey directing. Its cast included Andres Ramirez, Abundio Reyes, Lupe Hernandez, Roy Costello, Julian Lopez, Alberto Hernandez, Rosa Sanchez, Jose Esponosa and Ramon Acosta. A Spanish dance by fifth grade girls, a reading, "Indian Children," by Elis Gonzales, and a flag ceremony in which the pledge of allegiance was given, completed the program. The stage was decorated with fern and pink and yellow flowers. All stage properties were made by the pupils.

**NOW THE HARD OF HEARING CAN HAVE BALANCED HEARING**

The many hard of hearing of Midland and surrounding counties will have an exceptional opportunity to discover for themselves the new way to hear—in the way people who have no impairment hear—**BALANCED HEARING.** A free hearing clinic will be held on Wednesday, May 25th, at the Scharbauer Hotel, 1 p.m. to 6 p.m., by Mr. J. C. Hammer, at which time he will check the hard of hearing for their individual hearing problems, and discuss with each the Scientific Correction for **BALANCED HEARING.** This Clinic will serve to introduce the new Constellations, by Acousticon (the world's first and oldest manufacturer of electrical hearing aids). Come in—discover for yourself how Acousticon has created

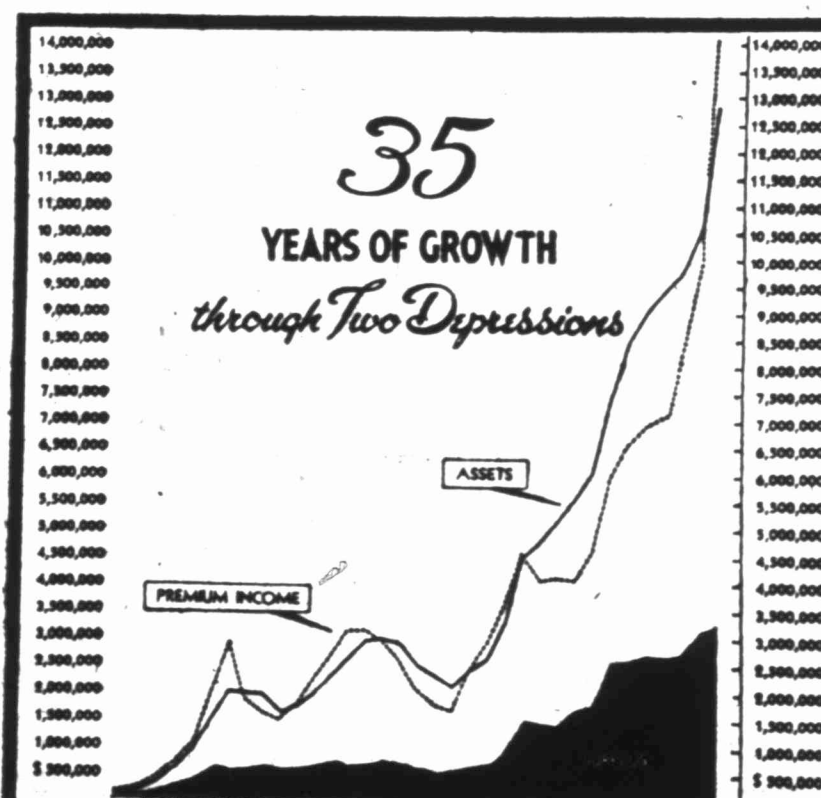

not one or two, but 36 new and different Constellation models, among these, there is one specifically designed for your kind of deafness—to give you **BALANCED HEARING.**

Letters have come in from many who have already tried the new Constellation, saying how thrilled they were to know they could have balanced hearing—many say they have never experienced such clarity of tone against such a velvet quiet background.

The manufacturers of Acousticon say that no one with a hearing deficiency can even imagine what it may do for them until they hear it with their own ears. Those hard of hearing who have been searching for the answer to their personal hearing problems are urged to attend this **FREE CLINIC.**—(adv.)

"Happy Day, Mugwump!" Daddy Ringtail said.

"Happy day to you, Daddy Ringtail," said Mugwump. "But—uh—oh. The most terrible thing."

"Why Mugwump! What is the matter?" Daddy Ringtail wanted to know.

Mugwump sat down, there on the porch of Daddy Ringtail's monkey house. Mugwump had run to tell

is worried about a new baby that has no teeth and hair.

Be sure to look for tomorrow's adventure with Daddy Ringtail right here in your newspaper. It will be the story of Daddy Ringtail and the Hickory stick. Happy day!

High Winds Damage Denton As Summer Storms Start Again

By The Associated Press High winds ripped through Denton in North-Central Texas early Tuesday in a resumption of summer storms. The wind tore a large section off the roof of the Denton Municipal Airport hangar and damaged two planes. Power and phone service was disrupted. Denton streets were littered with limbs and branches from trees. Fruit trees were damaged by the wind. A light shower followed the wind. Scattered thundershowers which cooled off much of Texas overnight are expected to continue through Wednesday. Showers To Continue The thundershowers were predicted for the west and north portions of East Texas and in the Panhandle, South Plains and east of the Pecos valley. Monday's high temperature was 107 at Presidio, the low Tuesday morning 51 at Salt Flat. Rainfall for the 24 hours ended at 6:30 a.m. was light. It included Wichita Falls .53 inch, Glendon 1.22, Childress 1.18, Texarkana 1.07, Fort Worth 1.05, Mineral Wells .07, and a trace at Waco and Dallas. The Trinity River continued falling at Trinidad, where it crested at 41.5 feet Monday night; without breaking levees. The still-swollen Trinity closed Highway 287 between Corsicana and Palestine Monday night, and the road will be closed at least three days, a Highway Maintenance Department spokesman said at Corsicana.

Purchase Of West Texas Boys Ranch Property Completed

SAN ANGELO —The West Texas Boys Ranch, located near San Angelo and serving a wide area, this week became an actuality as a deed to the 965.5-acre ranch was delivered by Sam Kistler to the executive director, Sol Mayer. Mayer in turn presented Kistler a check for \$25,000. The project was started in December, 1947. Authorization to complete the land purchase deal was voted at a meeting of Boys Ranch directors in Midland last week. President J. V. Schilling said the big step forward was just the beginning. Three buildings purchased from Mathis Field here will be moved to the ranch immediately. Goal for the Boys Ranch is \$75,000 for the total project, which the president said mostly was assured in pledges. He expressed confidence that West Texans would follow through in a short time. The 22-county Boys Ranch district extends from Brownwood to Alpine, and from Pecos to Junction, including Sweetwater. Present in Midland Thursday for the called directors meeting were the 12 trustees, with Marvin Ulmer in charge. Officers of the Boys Ranch include Schilling, president; Ulmer, vice president; H. L. Winfield of Fort Stockton, second vice president; W. H. Holcomb of Pecos, treasurer; and Ed S. Mayer of Solonra, secretary. Executive committee is composed of Sol Mayer, Ed Webster, Fred Becker and E. E. Armstead, all of San Angelo.

Rayburn Inaugurates Efforts To Reinstatement Foreign Aid Slashes

WASHINGTON — (AP) — House Speaker Sam Rayburn rallied Administration forces Tuesday in an effort to restore what he called an "ill-considered" cut of \$629,730,000 in second-year foreign aid funds. Rayburn told newsmen he will appear personally to the House to override an Appropriations Committee recommendation limiting the aid program for the year beginning July 1 to \$3,568,470,000 instead of the \$4,198,200,000 requested by President Truman. Paul G. Hoffman, chief of the Economic Cooperation Administration (ECA), said that if the cut stands up through Congress, it will mean a "serious loss of momentum" in European recovery. Rayburn's appeal will be made when the House debates the appropriation bill Thursday. "Cut 'Ill-Considered'" Coming at a time when Secretary of State Acheson is meeting in Paris with the Big Four foreign ministers, Rayburn said, the committee action is ill-considered. "The whole idea in taking up the foreign aid money bill at this particular time, he explained, was to strengthen Acheson's hand during his discussions with the heads of other governments. For that reason, he said, the bill was moved to the House calendar and reported Monday by the Appropriations Committee. There was no idea, at the time of the speed-up, that the committee would recommend so sharp a cut in funds.

West Texas Oil & Gas Log-

(Continued From Page One) gas showed at the surface in 34 minutes. Maximum gas volume was at the rate of 33,000 cubic feet per day. Recovery was 490 feet of oil, cut with gas and with drilling mud. It was estimated that of the total fluid recovery, 50 per cent was oil. The venture in making the hole under 7,350 feet in shale and sand. The last test was to have been in the Leonard zone of the lower Permian. This exploration has been showing good signs of oil and gas in shale since it reached 6,535 feet. It was originally started to dig to about 12,000 feet to try to find and test the Ellenburger.

Stanolid Completes Deep Strike In Lec

Potential test has been completed at Stanolid Oil & Gas Company No. 1 South Matix unit, discovery for flowing production from the Ellenburger on the east side of the shallow Langlie-Matix field in Southeast, Lee County, N. M. Flowing 24 hours through a 20/64-inch tubing choke, the well made six barrels of oil with a gas-oil ratio 974-1. Gravity of the petroleum was 45 degrees. The open hole pay section at 9,486-9,570 feet had been treated by selective acidizing. This section is 1,980 feet from south end east lines of section 15-24-37e.

Water In Gains Test Not From Formation

Prospects of oil pay in the Northwest Gains County Devonian have been renewed at Pacific Western Oil Corporation No. 1 Oil Development Company fee, deep wildcat between the Seminole and Russell fields. After indicating good porosity and staining in cores of the Devonian, the venture set 5 1/2-inch casing at 11,490 feet and drilled test the open hole to 11,971 feet. With tool open one hour, recovery was 7,920 feet of sulphur water. Operator then tested water shut-off and found a considerable section of pipe had not been cemented. Source of the water was located above the prospect pay zone. On last report, the project was preparing to cement pipe and shut-off water. Plug is to be drilled for another test of the formation. There is a good possibility of the section making oil when it is cleaned up, according to operator representatives. Location is 660 feet from south and east lines of section 315, block G, OCS&RONG survey.

Seaboard Checks Show In Borden

Seaboard Oil Company of Delaware No. 1 Clayton & Johnson, approximately six miles north and a little west of Gall, and in Northwest Borden County, was bottomed at 8,188 feet in live, and was prepared to run a drillstem test. This wildcat, located 660 feet from south and west lines of section 37, block 31, TP survey, T-8-N, logged scattered oil shows in drilling through the zone between 6,080-7,188 feet. The horizon which is to be tested is the Sprayberry section of the lower Permian, which some geologists say is similar to the Clear Fork of the Permian in the Fullerton field of Northwest Andrews County. TP Tops Ellenburger In McCamey Venture Texas Pacific Coal & Oil Company (53-A-2 Lane, Ellenburger) exploration in the McCamey shallow field of Southwest Upton County, and 1,980 feet from south and west lines of section 5, OCS&RONG survey, is bottomed at 7,970 feet, in the Ellenburger which was entered at 7,980 feet. A string of 7-inch casing has been cemented at 7,987 feet. Operator is now testing the cement job before drilling the plug and starting tests of the section at 7,977-7,980 feet. No investigation of the pro-

Dr. Rutledge Asked Money For Abortion, Witness Testifies

CEDAR RAPIDS, IOWA—(AP)—A St. Louis attorney testified Tuesday that Dr. Robert C. Rutledge, Jr. demanded "\$200 to \$250" for an illegal operation on the doctor's wife. Mrs. Sidwell was the main speaker at the club's noon luncheon meeting held in the private dining room of Hotel Scharbauer. She was introduced by Dick McKnight, head of the committee which arranged the program. Sharon Ridge Gets Third Canyon Well

Canyon-Pennsylvanian production has come in for the third exploration in the Sharon Ridge Canyon field of Southwest Scurry County. It is Humble Oil & Refining Company No. 1-B Walker Hudson, 660 feet from north and west lines of section 161, block 97, H&TC survey, 13 miles southwest of Snyder. The prospector drilled test for one hour and 33 minutes in the Canyon at 5,700-6,725 feet, showing gas in three minutes and oil in seven minutes. After flowing to pits 26 minutes, the flow was turned to test tank through a one-inch top choke and one-half-inch bottom hole choke. Flowing for one hour in tanks, it was gauged for 45 barrels of 43.5-gravity oil, with a gas-oil ratio 845-1. No water was reported. On last report, operator was running a string of 5 1/2-inch casing. The well is slated to take production tests and complete.

Wadley Has Water In Coke Ellenburger

Possibilities for the development of production from the Ellenburger at J. K. Wadley No. 1 Sam Gray, East-Central Coke County wildcat, has apparently been drowned out by salt water. The project ran a 33-minute drillstem test at 5,663-5,715 feet. Recovery was 750 feet of drilling mud and 4,373 feet of salt water. There were no indications of oil or gas. This exploration entered the Ellenburger at 5,538 feet. Two drillstem tests were taken, between 5,533 feet and 5,626 feet. Both of them had signs of gas in the drilling mud which was recovered. Neither investigation showed any signs of oil. The wildcat is two miles north of Borden and 330 feet from north and west lines of section 429, block 1-A, H&TC survey. It was shut down for orders at last report.

(Continued from Page 1) sell as many rodeo tickets as possible prior to the show's opening. Members of John Butler's Bronc Buster team are competing with L. M. Freels' Ownhands in the sale of the rodeo duets. Special prizes will be awarded the top salesman and the runner-up. The Wranglers are asked to make ticket sale reports by Friday morning. The Wranglers again this year will be on hand at the rodeo grounds to greet visitors and to assist in any way possible. The Wranglers Club is the official membership and creators division of the Midland Chamber of Commerce. The 16 members have accounted for 64 new Chamber memberships so far this year. In the advance ticket sale drive, Freels and his group will work the area south of Wall Street, and the Butler-captained team will work north of Wall Street. Foreman Bill Collins presided at the Tuesday morning breakfast. Brief talks were made by Butler, Freels and Chamber Manager Delbert Downing.

Mrs. Sidwell Talks To Optimist Club

"It is the over-privileged child, more than the under-privileged, who presents the greatest welfare problem in Midland," Mrs. Ernest Sidwell, member of the County Child Welfare board, told the Optimist Club Tuesday. Mrs. Sidwell was the main speaker at the club's noon luncheon meeting held in the private dining room of Hotel Scharbauer. She was introduced by Dick McKnight, head of the committee which arranged the program. Crop Information Deadline Is Near

A final notice to file acreage reports was issued Tuesday by James A. Boyd, Midland County PMA surveyor. The report covers the crop years 1947, 1948, 1949 and 1950 and intended acres for 1949. Boyd requested that the reports be turned in not later than Wednesday. Many already have been received but there were about 100 delinquent Tuesday. The report is necessary if the farmer intends to plant cotton in 1950, otherwise a cotton allotment can not be made for the farm. The Davis farm is four miles south on the Rankin Highway and one-half mile west. Flies will direct the way to the barbecue site. Swimming and other special entertainment are scheduled. All exes of the Denton school are invited and urged to attend. DeWayne Davis is president of the Midland Ex-Student Chapter.

Order Of Eagles Plan Chapter In Midland

The organization of a new Aerie of the Fraternal Order of the Eagles here will be discussed at a meeting of interested persons at 7:30 p. m. Tuesday in the county courtroom of the Midland County Courthouse. Dewey Shelton of Odessa, an organizer for the order, will attend the session. A prospective charter member list will be submitted by Eddie Jones. The order, sponsors said, is a beneficial fraternal organization. Homes are maintained in many United States cities and in Canada.

Two Training Planes Crash In Oklahoma

Two training planes from Perrin Field, Sherman, Texas, lost in a severe hail and rainstorm over southeastern Oklahoma, crashed during the night, killing the pilots. One plane fell 12 miles south of Ada about midnight. The other plane was found at 7:30 a. m. Tuesday by a search plane six miles east of Dustin. Wreckage was strewn over a large area. Lt. Jack A. Shuler, 26, flying instructor at Perrin Field, was one of the pilots killed. The identity of the other has not been released, pending notification of relatives. Justice of the Peace A. M. Horn of Sugarland returned an inquest verdict of murder. Examinations showed the Stovall had not been originally assaulted, Judge Horn reported.

U. S. Orders—

(Continued from Page 1) ported killed. Two other persons were wounded and hospitalized. More bloodshed was averted by firm action by British authorities who demanded that 200 Eastern police be sent to the station. The British-supported railway police yielded and West Berlin police took over. While the negotiations were going on, the angry mob was restrained by Western police and union leaders armed with clubs. The British intervened a second time when the Eastern police force stationed at the West Kreuz Station offered to withdraw because of the menacing attitude of "action squads" of strikers. Western Berlin police were sent to maintain order and cleared the station grounds of Communists.

The stunt was a feature of the JayCee-sponsored Clean Up Campaign. Members of the Lions Club crew included Duke Jenson, the Rev. E. D. Fitzgerald, Copper Daugherty, E. D. Fitzgerald, Ike Fitzgerald, Kit Carson and Tom Nipp. Among the JayCees getting wet were Dr. Henry Schlichting, Ken Swanson, Riley Parr, Irb Dyer, Jeff Montgomery, John Rhoden, Curtis Wheat, Charles McDonald, DeWayne Davis, Howard Park, Clarence Keth, Clifford Hogue, Art Joseph and Glen Brady.

Extradition Hearing Postponed To Friday

LONDON —(AP)—An extradition hearing for fugitive Communist Gerhart Eisler was postponed Tuesday until Friday at the request of the United States. Meanwhile, Home Secretary Cuthbert Ede sent the U. S. request for Eisler to the Bow Street Court with "an order to proceed," a Home Office source reported. The informant declined to say whether this meant Ede had decided Eisler is not, as he claims, a political refugee. The Communist leader who fled the United States while under sentence on two criminal convictions was brought into London's Bow Street Magistrate's Court Tuesday for a hearing on a U. S. request that he be returned to America. The magistrate said he had just received copies of the documents in the case and added "clearly there must be a demand—delay. He has ruled the case would be heard Friday. He refused to set a second time to set bail for Eisler."

Fingerprints Taken Near Place Where Woman Found Dead

HOUSTON —(AP)—Investigators in the brutal slaying of Mrs. R. P. Svaloff, 57, wife of a prison dog sergeant at the Stovall house at the prison farm Monday were "encouraged" Tuesday by the announcement fingerprints had been taken from the Stovall house, near where the slaying and battered body were found. Port Bend County Chief Deputy Sheriff Ray Owens said Tuesday morning he is awaiting word from Capt. Loyd Frazier of the Harris County sheriff's office who checked for fingerprints. "Fingerprints were found on and near the blood-spattered floor and we are just waiting to see who they lead us to," Chief Deputy Owens said. Meanwhile state authorities from Austin were continuing lie detector tests on some of the prisoners who had been dropped from the Stovall house at the time of the slaying. Justice of the Peace A. M. Horn of Sugarland returned an inquest verdict of murder. Examinations showed the Stovall had not been originally assaulted, Judge Horn reported.

Government Drops Perjury Charges Against Meyers

WASHINGTON —(AP)—The government has dropped its perjury charges against former Maj. Gen. Bennett E. Meyers. The wartime Air Force purchasing officer, now serving 15 months to five years for inducing another man to commit perjury still faces an additional charge of income tax evasion. He will be able for parole from prison September 15. All three charges developed after a Senate committee that Meyers while an Army Air Force officer, had been secret owner of a war plant in Ohio, with LaMarre serving as its dummy president. LaMarre testified Meyers had induced him to testify falsely about the plant's ownership.

GM Price Cuts Stir Speculation

DETROIT —(AP)—Automotive circles speculated Tuesday on whether General Motors' latest price cut will start another round of general reductions. The conclusion in most cases was that some cuts might be made but that in most instances they would be small. When GM cut its price tags \$10 to \$40 last February most of the car makers followed with varying reductions. Monday's General Motors cuts were spread over its various car divisions in exactly the same amounts as were the first reductions three months ago. Chevrolet cut all models \$10, Pontiac \$15, Oldsmobile \$15 to \$30, Buick \$15 to \$30, Cadillac \$25 to \$60. Shanghai—

(Continued from Page 1) through most of Shanghai's southwestern defenses. But at that point their attack seems to have bogged down and the Reds fell back. Fighting still spluttered in Pootung but compared with Monday night's fighting it has quieted. The main attention of both sides seems to have shifted westward. Indications of Flight But indications of evacuation became so numerous at nightfall the city forgot Tuesday morning's close call. The Nationalists destroyed three tugs and two cargo barges, all former UNRRA craft, by burning them. The only apparent reason for this was to keep them from falling into Communist hands. Foreign ship owners earlier were promised their ships would not be subjected to the scorched earth policy. But seven hours later a detail of soldier threatened to destroy four American craft near the Texas Company Tank Farm. American officers immediately promised to evacuate. The consuls petitioned garrison commanders to halt the order but it was not known whether it had been stayed. Against the indications of an evacuation plan was the avowal of Fang Chih, secretary general of the garrison, that the Nationalists would hold out to the end. He said the city would be defended street by street if necessary, even if it meant destruction of Shanghai, a city of 5,000,000. Fang said the Reds had lost 60,000 men and captured 4,500 prisoners and 500 machine guns in besieging Shanghai. The Reds have suffered five casualties for every one sustained by the Nationalists, he said.

**Southwestern Grain Embargo Is Expected**

WASHINGTON—(AP)—An embargo on shipments of grain in the Winter wheat belt of Texas and seven other states may be issued within the next 36 hours, effective June 1.

An official of the Association of American Railroads said the embargo is designed to allow movement of grain only where unloading or storage space is available. It would be aimed at preventing congestion in grain terminals and sub-terminals and undue delay in the movement of boxcars, when the new crop starts to market June 1.

Affected by the order, if issued, would be Texas, Nebraska, Colorado, Kansas, Missouri, Oklahoma, East St. Louis, Ill., and Council Bluffs, Ia.

**Black Market Fags In Italy Cost Less**

ROME—(AP)—A little man walks in carrying a battered suitcase. Inside are 10 cartons of American cigarettes. You pay 5,300 lire and take two.

"See you next Monday," he says. At the free rate of exchange you have paid about \$9 for two cartons of cigarettes.

But you got a bargain. For in Italy, 1949, it costs you more to buy American cigarettes legally than on the black market.

Reason: the cigarette business in Italy is a state monopoly—a soak-the-smoker tax enterprise. It costs you 350 lire (about 60 cents) to buy a package of American cigarettes legally in a tobacco shop. That means \$6 a carton. Buy it black and you save \$1.50.

The black market operator isn't losing anything. He is supplied by smuggling rings who "jump" loads of American cigarettes in Italy's big and little ports. Everybody is happy but the Italian treasury.

The black-market-in-reverse is a thriving industry. It's a particularly good deal for the hotels. The barmen buy them at the going black rate from the operator, then turn around and sell them to the customers at more than they cost in the tobacco stores, which have long siasas and are closed at night.

**Owes Lot To Man, Doesn't Forget**

UNION CITY, OKLA.—(AP)—This farm community in central Oklahoma owes a lot to one man—and it doesn't forget.

The man is Dr. D. P. Richardson, who was surprised by 500 persons who joined in celebrating his 80th birthday with a basket dinner and program. Dr. Richardson has been practicing 55 years here and has been the only physician since the turn of the century.

Besides his profession, the doctor is also president of the town's only bank, the only druggist, and its former postmaster—an office now held by his wife.

Dr. Richardson also has been mayor more times than he can remember and has served as president of the Oklahoma State medical society and as a member of the Oklahoma banking commission.

**172 BUSINESS FAILURES**

NEW YORK—(AP)—Business failures totaled 172 in the week ended May 20—one more than in the preceding week. Dun & Bradstreet reported Tuesday.

**German Theaters Have Tough Time**

FRANKFURT, GERMANY—(AP)—An estimated 50 per cent of Western Germany's private theaters closed after last year's currency reform. There are even some state-subsidized houses which fear their curtains will never rise again.

Some people feel that the Germans have lost their interest in cultural things. Balding, bespectacled Erich Otto, president of Western Germany's Players' Association, says no.

"Germans are as hungry for stage plays as they were fifty years ago," he added, "but they don't want to be disillusioned." Eighty per cent of Germany's playhouses were either destroyed or badly damaged when the war ended. New theaters were soon started in barns, cinemas and private houses.

"But you can't perform an opera of Verdi or a French comedy in a former gymnasium. It's too disillusioning. This especially is meant for those depressing ultra-modern plays. If they see a play like this performed on a pastry board, people become bored."

He says Carl Zuckmayer, German-born American playwright and author, keeps open German theaters with his "The Devil's General." This play features the end of German Luftwaffe Gen. Ernst Udet, whose conscience conflicted with his sense of military obedience to the Nazis. He ended his struggle by taking his own life. The play had all-time high attendances throughout Western Germany.

"If there were no Zuckmayer," Otto said, "we would have been in desperate straits."

**Thackery Letters Will Be Sold**

LONDON—(AP)—Letters from William Makepeace Thackery will be sold in London by descendants of one of the novelist's intimate friends.

One of them, an invitation to dinner, bears a note scribbled in the handwriting of the "Vanity Fair" author: "I have two bottles of wine and credit at the butcher."

The letters are in an album prepared by Mrs. Kemble Gatin, whose ancestors were John Kemble and William Donne, intimate friends of the author.

**CIO Rubber Workers Discharge Union Head**

PHILADELPHIA—(AP)—The CIO's United Rubber Workers Union announced Tuesday that L. S. Buckmaster has been fired as international president of the union.

The announcement was made by Robert Cruden, public relations director for the union.

Cruden said Buckmaster's removal was ordered by the 13 other members of the union's General Executive Board who acted as a trial board and heard testimony on "malfeasance in office" charges against Buckmaster.

**CARNIVAL**

"Why they call it a cold war I don't know! I've never seen Jesse so continually hot-up over anything in 25 years!"

Despite charges that the Russians have imposed a new "little blockade" on Berlin, fresh food is again beginning to trickle into the city. Above, youngsters happily munch on the first oranges they've tasted in more than a year. At left, women railway workers are back on the job unloading flour that just arrived over the recently re-opened rail lifeline.

**He Can Smile Now**

His face lined with remembrance of days spent behind Jap prison camps' barbed wire, Gen. Jonathan M. Wainwright squats on a float at Loveland, Colo., during a Colorado Disabled American Veterans parade. As the hero of Corregidor stepped from float, he had tears in his eyes.

**Colts Lose 24-11 Tilt To Big Spring**

The Big Spring Tigers blasted the Midland Colts 24 to 11 when the two Latin American teams met in Big Spring Sunday afternoon. Bert Baez, former Longhorn League hurler, started for the Tigers but was knocked out in the fifth inning.

The Tigers came to Midland for a game with the Colts Sunday afternoon. The tilt will be unreeled in the new home of the Midland Colts in the Latin American sector.

**Yanks Survive In British Amateur**

PORTSMOUTH—(AP)—Wee Willie Turnesa, the American champion, led five of his countrymen safely through the opening round of the British Amateur golf championship Monday over the windswept Portmarnock Links by the Irish Sea.

The little ace of the short irons, who won the British crown two summers ago, lifted his game after being one down as far along as the tenth hole to eliminate Alan Turner, a young and stubborn, Yorkshireman, 3 and 2.

The Hot Springs of Arkansas—47 in number—are the only government owned and operated hot springs in the United States.

**Taking Of Business Census Underway In Midland And Area**

The contribution made to the nation's employment and payroll by retail, wholesale, and service trade establishments will be reported in the Census of Business now being conducted by the U. S. Bureau of the Census.

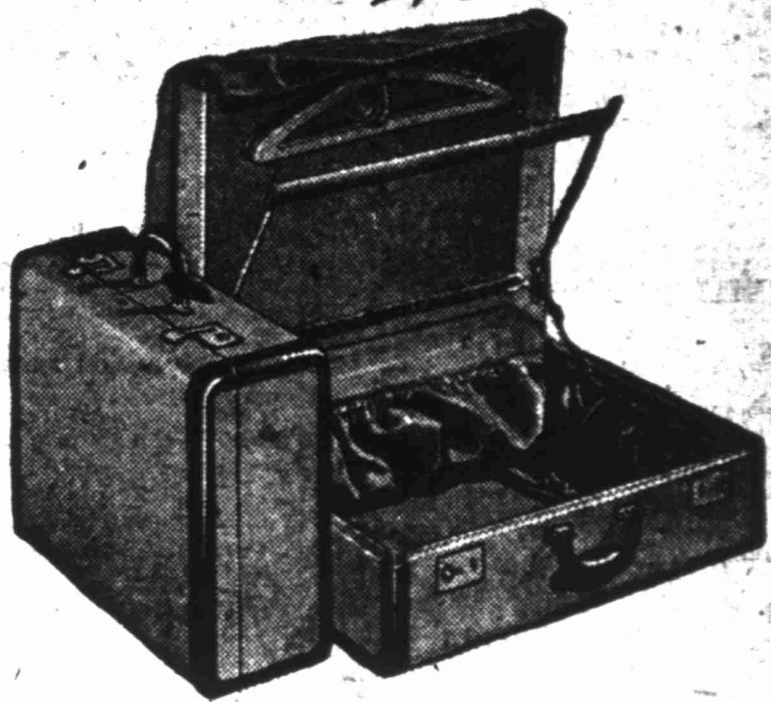

Figures on employment and payroll, among other data including sales and inventories, will be collected in Midland by enumerators under the supervision of Ben H. Davidson, district supervisor for the Bureau of the Census. The district census office is located in the Ector County Courthouse at Odessa.

The approximately 3,000,000 business establishments to be enumerated nationally in the census will supply information on their total payrolls for 1948, payrolls for selected workweeks, and the number of full and part-time workers. Data on supplemental compensation, such as meals and living quarters, will be asked of restaurant and hotel owners.

In 1939, the most recent year to be covered by the Census of Business, the total national income was \$72,532,000,000. Total payment of wages and salaries in private industry that year amounted to \$37,519,000,000. The nation's retail stores and wholesale and service trade establishments paid their more than 7,000,000 employees \$8,273,589,000, almost one-quarter of the entire private industry payroll.

Retail national sales total amounted to \$42,000,000,000 in 1939. They are an estimated \$130,000,000,000. Similar growth is indicated in other branches of the distributive trades. The present Census of Business will determine the effect this increased business activity has had on employment and payroll figures. Census summaries will include reports on employment and payroll for the nation as a whole, and for each city and county in the United States.

The cooperation of Midland business firms in the census taking is requested.

**Crude Oil Production Registers Light Gain**

TULSA, OKLA.—(AP)—The nation's daily average crude oil production for the week ended May 21 showed an 8,350-barrel increase over the previous week's output, totaling 4,818,500 barrels, the Oil and Gas Journal reported Tuesday.

The Journal listed major increases in the following areas:

Indiana, up 3,200 barrels to 25,400 barrels; Kentucky, up 1,500 to 24,300; Mississippi, 4,500 to 108,500 and Wyoming, 2,850 to 123,100.

Colorado increased 90 barrels to 65,900, Michigan gained 200 to 45,300 and Montana was up 500 to 26,700.

The biggest losses were in Illinois, down 2,700 barrels to 175,400; Oklahoma, off 900 to 428,750; and California, down 800 to 938,200.

The Eastern area lost 300 barrels to 61,800. Arkansas declined 250 to 40,000, Kansas was off 10 to 295,400 and Louisiana fell 40 to 361,050. Texas production was unchanged, 1,884,900 barrels.

Turkey is now working on an 18,000 mile road-building program aided by American capital, knowledge and machinery.
