Oil Editor

Low Indicates Oil, Gas Permian Strike In Barnhart Flanker

Indications of a new oil and gas discovery from the lower Permian formation in Southeast Reagan County, have been developed at Ralph Lowe No. 1 Brossman.

This venture, located one-half mile north of the closest Ellenburger production in the Barnhart field, 660 feet from south and east lines of section 221, block 1, TP survey, and eight miles east of Barnhart, was originally started to go to 9,200 feet to try to find production in the Ellenburger.

In a one and one-half hour drill-stem test in the lower Permian at 7,150-7,247 feet, the prospector showed gas at the surface in six minutes, and had a recovery of 4,400 feet of 347 gravity clean oil. That was estimated to have been an oil fill up in the drill pipe of 22 barrels per hour.

There were no signs of formation water. The gas volume was not gauged or estimated. The venture is making new hole below 7,356 feet in line.

There is no production from the lower Permian in the Barnhart field, or anywhere in the regions immediately adjacent to the Lowe prospect.

Pecos Is Slated For 5,600-Foot Wildcat

A 5,600-foot wildcat is slated for Central-Northeast Pecos County as Los Nietos Company of Midland No. 1-B University.

The drilite is 660 feet from west and 1,980 feet from south lines of section 11, block 26, University survey, which puts it about 14 miles northeast of Fort Stockton.

Starting by May 30, a rotary unit is to be moved in for spudding.

Upton Permian Sand Yields Oil, Gas Signs

Slight oil and gas prospects were encountered in a lower Permian sand at Republic Natural Gas Company No. 1 Powell, North-Central Upton County wildcat, 25 miles south and a little west of the City of Midland.

A drilite test was attempted at 7,975-7,775 feet, with the tool open one hour. Recovery was 5,850 feet of gas and slightly oil cut drilling fluid.

Prior to the test, the venture had circulation and had been drilling with clear water.

On last report, it was drilling ahead under 7,931 feet in line and sand.

It is 660 feet from north and west lines of section 44, block 40, T-4-S, TP survey, about two miles southeast of the discovery well from the Ellenburger to open the Pegasus field. Projected depth is 10,500 feet.

Higgins And Cowan Stake Iron Wildcat

Higgins and Cowan of San Angelo are starting operations at once on a 1,500-foot, cable tool wildcat in South-Central Iron County, eight miles southwest of the city. It will be their No. 1 Murphey, staked 990 feet from north and 330 feet from west lines of section 127, G-C-S-P survey.

Ector Venture Tops Yates High; Deepens

J. C. Barnes No. 1 Buchanan, slated 11,000-foot wildcat to investigate the Ellenburger in Southwest Ector County in the undeveloped area between the TXL field and the Penwell-Ellenburger pool, topped the Yates at 2,520 feet, which gave it a datum of plus 501.

Geological correlations show that point to be high to the same marker in several deep explorations which have been drilled in the territory surrounding the Barnes prospector.

It is making hole below 2,915 feet in line and drilite is 660 feet from south and west lines of section 15, block 45, TP survey, T-2-S.

Bronte Townsite Set For Wildcat

T. W. Murray of Texarkana, and Louis Mabee Company of Midland No. 1 L. T. Youngblood is to be a 3,200-foot wildcat in the Bronte townsite of East-Central Coke County.

The venture will be at the center of lot 2, block 43, original Bronte townsite. That puts it in the Bronte business district, and one mile northeast of the nearest completed producers from the Palo Pinto lime in the Bronte field.

Mabee is to drill the venture with rotary tools and is to start moving in equipment in a few days.

It is understood that about 40 persons and concerns with holdings of town lots or of oil and gas leases on town lots in Bronte, have made contributions to the drilling of this exploration.

An area between Bronte townsite and the producing region to the west has been condemned by dry holes—but interested persons are hoping that those failures do not mean that all of the Bronte (Continued on page 12)

Radiant Rita Takes Aly As Spouse No. 3

VALLAURIS, FRANCE.—(P)—Radiant Rita Hayworth of the movies became the princess bride of Aly Khan Friday in a ceremony performed by this town's Communist mayor. It was a town hall ceremony spangled with some of Hollywood's tinsel and the riches of the East.

The ceremony climaxed a 10-month courtship—some called it a roadshow romance—for Rita, 31, and the 38-year-old heir to millions. She has been a Roman Catholic; he is a Moslem.

Cheered by 500 villagers, the couple drove slowly away in a grey Cadillac convertible. A reception heavy with lobsters and champagne awaited at the Chateau de l'Horizon—the prince's house.

Over In Eight Minutes

The simple civil ceremony—the couple answered "Oui" to questions—was over only eight minutes after the couple arrived, Rita in the big convertible and Aly by a back door.

This was the third marriage for Rita and the second for the prince. He is the heir apparent to leadership of the Ismaili sect of Moslems, now headed by his father, the Aga Khan. The father and his wife, the Begum, witnessed the ceremony.

The mayor referred to Aly Khan as prince, and addressed the couple as "Your highnesses." Rita was regarded as a princess, at least by her fans and the bluebloods who attended the wedding.

There were seven brides and four princesses present.

American guests included Louella Parsons, writer and broadcaster of Hollywood, and John Hays, Rita's booking agent.

Denounced By London Press

The wedding bands Rita and Aly put on were of white gold. Aly was reported to have given Rita a 32-carat diamond engagement ring but she was not wearing it.

Rita's second husband was Orson Welles, American actor-producer. Before Welles, Rita had been married to Texas oil man Edward Judson.

A London newspaper denounced Rita as "an insult to decent women" and the motion picture chairman of the General Federation of Women's Club of America demanded a boycott of the red-headed star's pictures.

The glamorous couple—whose romance has attracted more attention than any since King Edward VIII quit the throne of Britain for Wallis Simpson—seemingly ignored the hullabaloo.

West Drafts Own Plan For German Unity

PARIS.—(P)—The Western Powers have drafted a plan to unify East and West Germany, official sources close to the Big Four foreign ministers said Friday.

The sources said the Western blueprint would be placed before the Russians "in a day or two."

It comes after the Soviet proposal to the Foreign Ministers Conference for an elected German control board to run the conquered country.

Friday—like the last three days—Secretary of State Dean Acheson, French Foreign Minister Robert Schuman and British Secretary Ernest Bevin continued prodding Soviet Foreign Minister Andrei Y. Vishinsky into defending his terms for German unity.

So far the West has not rejected outright the Russian call for a return to four-power control and for a German economic and administrative council.

But they have served notice they want:

1. To turn management of economic and political affairs over to the Germans.
2. To retain supervision only of security, demilitarization of industrial production and foreign policy matters.
3. Russia to understand it cannot expect to receive any more reparations out of West Germany or all-German current production.
4. To see Russia loosen its grip on the economy of the Eastern zone by dissolving all industrial trusts it has acquired and formed in the region.

The official informants said these demands would be embodied in the Western blueprint to be handed in next week.

Fire Hits Oil Plant At Rotan

ABILENE.—(P)—Six fire departments using chemical foam extinguished a refinery fire at Rotan at 5 a.m. Friday after a 12-hour and 45-minute battle.

Approximately one-fourth of the \$200,000 Patton Oil Refinery and almost a million and a half gallons of oil and oil products were destroyed, Ed Patton, one of the two brothers who own the refinery, said.

The blaze started at 4:15 p.m. Thursday when an oil boiler exploded. A short-circuit in wiring was believed responsible. The explosion occurred as an employee threw a light switch.

Employe Burned Badly

One employe, R. M. Pearson, was burned badly when the boiler blew up.

Fire departments from Abilene, 63 miles from Rotan, Hamlin, Roby, Sweetwater, Rotan and Rokee fought the blaze.

The fire knocked out all phone lines into Rotan.

There was no official estimate of the damage, but the Sweetwater Fire Department said it would run from \$50,000 to \$100,000.

Consumed by the flames were 1,375,000 gallons of crude oil; a treating tank containing 40,000 gallons of oil; 43,000 gallons of kerosene and 24,000 gallons of gasoline.

A state-wide police search had been ordered for the man following the slaying of Paul Franklin Walker 35, the Channellier, and Mrs. Betty Lou Edwards, 31, Galena Park, Sheffield Steel Plant employes.

Their bodies were found in an automobile on the Beaumont Highway.

Charles Heidingsfelder, the attorney who accompanied the man to the sheriff's office, repeated several times to reporters, "This is no surrender."

Witnesses told Sheriff C. W. Kern and Chief Deputy B. E. Williams the victims were driving north on the Beaumont Highway when another car overtook them and curbed their car.

The driver of the overtaking car got out, pulled a .38 caliber revolver and fired five shots.

Mrs. Edwards was shot three times and died instantly. Walker was shot twice and died at a hospital without regaining consciousness.

Suspect Reports To Sheriff's Office In Double Slaying Case

HOUSTON.—(P)—A 36-year-old man, sought for questioning in a double slaying here Thursday night, appeared at mid-morning Friday with an attorney at the county sheriff's office.

A state-wide police search had been ordered for the man following the slaying of Paul Franklin Walker 35, the Channellier, and Mrs. Betty Lou Edwards, 31, Galena Park, Sheffield Steel Plant employes.

Their bodies were found in an automobile on the Beaumont Highway.

Charles Heidingsfelder, the attorney who accompanied the man to the sheriff's office, repeated several times to reporters, "This is no surrender."

Witnesses told Sheriff C. W. Kern and Chief Deputy B. E. Williams the victims were driving north on the Beaumont Highway when another car overtook them and curbed their car.

The driver of the overtaking car got out, pulled a .38 caliber revolver and fired five shots.

Mrs. Edwards was shot three times and died instantly. Walker was shot twice and died at a hospital without regaining consciousness.

Midland Man Dies At Big Spring

Van Manning Lundie, 66, of 307 West New York Street, Midland, died Thursday night at Big Spring of a heart ailment.

Funeral services tentatively have been set for Sunday in the Ellis Funeral Home Chapel.

Lundie came to West Texas 47 years ago and at one time was in the trucking business here.

Survivors include the widow, Mrs. Katie May Lundie of Midland; three daughters, Mrs. R. W. Breeze of Clinton, Okla., Mrs. L. L. Stringer of Houston and Mrs. Bill Howell of Midland; three sons, Jerome, who is serving with the U. S. Army, Ed of Wink, and Jack of Midland; two sisters, Mrs. Lee Allen of Midland and Mrs. Pearl Bowman of Dumas, and a brother, Sam of Mathis, Texas.

C. Of C. Manager Talks With 'Cute Kid'

Chamber of Commerce Manager Delbert Downing "discusses" the situation with a "cute kid" delivered to his office by Little George McEntire, Midland rancher and aviation enthusiast, in response to Downing's urgent plea for a goat to be sent as a prize to a man in Bellville, Texas. McEntire dressed the goat in stylish sweater, skirt and hat for the long journey to Bellville. A goat was offered as a prize by C. A. Churchhill of Midland at a recent convention in Galveston, and when the winner insisted the animal be forwarded to him, the Chamber of Commerce was called upon to produce the prize. McEntire took care of the situation.

Two Cheers And A Groan—That Day Is Here Again

That end of school day came to Midland Friday bringing cheers from the students and teachers and a groan from mother. Cartoons above show the three reactions—students, teacher and finally mother. A Summer recreation program for boys and girls of Midland (school age) will begin in a few days with competent faculty supervisors. Swimming will be included. Students of all schools will receive report cards Tuesday and then will be dismissed for the Summer. The students whooped it up as classes were dismissed Friday.

Fort Worth's Flash Flood Ebbs Quickly; More Rains Reported

By The Associated Press

Fort Worth mopped up Friday after its second flood in nine days—but this flash overflow of the Trinity River was comparatively mild.

Torrential rains early Thursday sent the Trinity rampaging again. By 6 p.m. all streets which had been closed by the water were open.

The weather kicked up its heels in brilliant electrical storms and crackling thunderstorms at many points Thursday. And Thursday night reports of thunderstorm activity was reported to the Weather Bureau from many of its stations.

A thunderstorm did thousands of dollars in damage to Dallas roads and private property Thursday.

El Paso, Salt Flat and Guadalupe Pass had heavy rains late Thursday. Beaumont had a thunderstorm Friday morning; Palacios had rain, and many other points reported overnight rains.

Alice, in South Texas, had 1.12 inches, El Paso 1.4, Houston 2.4, Galveston .96, Victoria 2.1, Marfa .17, Bryan 2.6 and Van Horn 1.4.

It looked like a warm day. At mid-morning, temperatures throughout the state already were in the high 70's and low 80's. Conditions were mostly cloudy.

The mercury soared to 97 at Presidio Thursday.

Ford's Peace Bid Rejected By Union

DETROIT.—(P)—A company peace bid to settle the 23-day-old Ford strike was rejected Friday by the CIO-United Auto Workers.

Ford's proposal covered arbitration of work standards on disputed assembly lines in two struck plants.

It was concerned only with whether work standards impair the "health or safety" of employes, in line with the Ford-UAW contract.

The union has insisted that the powers of the arbitrator be limited to whether the company has the right to work employes in excess of 100 per cent of "normal work standards."

End Of School Friday; Activities Announced

It was the last day of classes Friday for Midland students.

Students of all schools will report to their respective units for their report cards at 1 p.m. Tuesday, and promptly will be dismissed for the Summer.

Faculties of the various schools will be occupied Monday and Tuesday morning of next week with posting of reports and records, but students will not report until 1 p.m. Tuesday.

John M. Cowden Junior High graduation exercises will be held at 8:15 p.m. Friday in the high school auditorium. Except for the presentation of awards and diplomas, it will be an all-student program.

The procession will be played by Tommy Miller. Dick Spencer will give the invocation. The Girls Chorus will sing.

Salutatory and valedictory addresses will be given by Clayton Tatum and Sandra Kay Stalcup respectively. Keys Curry will give the benediction. Mary Jane Miller will play the recessional.

Joe Shell will present American Legion awards. R. W. Hamilton will present the Daughters of American Revolution award. Frank Monroe will present diplomas to 224 members of the class.

New 118th District Court Bill Passed To Governor's Desk

The Senate pushed two other appropriation measures a step nearer final passage, while the House struggled through another no-decision bout over the drivers financial responsibility bill during the afternoon.

Approved on second reading in the Senate were a million-dollar bill to convert Lamar Junior College to full college status and a five-million-dollar soil conservation appropriation.

The Senate finally passed and sent to the governor a bill boosting the pay of Supreme Court justices and Court of Criminal Appeals judges from \$10,000 to \$12,000, Civil Appeals judges from \$8,000 to \$10,000, and district judges from \$6,000 to \$7,000, plus the present allowance of \$2,900 for district judges handling juvenile cases.

Drivers' Bill Gets Set Back

A strong opposition bloc dealt misery to House proponents of the bill requiring drivers to show they can pay off as much as \$11,000 cash bond or insurance if they are involved in an accident involving up to \$200 damage.

Backers pushed the bill through second reading on a close vote of 60-53, but their victory was short-lived. A motion to reconsider that vote prevailed 56-55. That was a setback to sponsors of the measure. (Continued on page 12)

Board Takes Up Current Business

The board of education for Midland schools handled matters of current business at its meeting Thursday night.

Bids for fire escapes on several school structures were studied by the board but no action was taken pending further study.

Approval by the State Board of Education for sale of land at the sites of the old Cotton Flat and Stephenson schools was shown.

A bid for \$3,134 by a Midland individual was accepted for paint work at the present high school structure, which will be the junior high building next year.

Land Purchase

The board continues to study the purchase of land at the Carver School site. Boyd Laughlin, attorney, was present at the meeting to report on his negotiations with landowners and occupants of that area. Two negroes attended the meeting. They were Amos Taylor and Henry Squire.

Costs of a shop to be constructed at the new high school location are being studied by the board but no action has been taken.

Eleven teachers and a coordinator were approved by the board for employment to begin next year. They are: Miss Alafair Burton, Miss Dolores Connally, Mrs. Cyril Anderson, Harold D. Bankston, Miss Judith Hughes, Mrs. Jesse Orth, Miss Anne Rogers, Mrs. Rex Russell, Miss Jimmie Lou Sargent, Miss Maxine Tidwell and Miss Marie Williams, teachers; and William D. Pitman, coordinator.

U. S. Bid For Red Refused

LONDON.—(P)—Britain refused Friday to send Gerhart Eisler back to the United States to serve out two prison sentences he drew during investigation of his Communist activities there.

Bow Street Magistrate's Court rejected the American demand that Eisler be extradited. That left Eisler—called America's No. 1 Communist agent by a congressional committee—free to go on to the Soviet zone of Germany—permanently out of American grasp.

The squat, mid-appearing little man, about whom had whirled an international tempest, heard the judgment stolidly at first. He shook hands solemnly with the policeman who guarded him. But when court was dismissed and he was a free man, he broke into a jubilant smile. Going To Germany

"I wasn't worried," he said, "I feel fine.

"I am going to Germany as quickly as possible. I am very glad the American reactionaries have been defeated and I hope they will be defeated many times more."

Eisler has been offered a professorship in the University of Leipzig, in the Soviet zone of Germany. Presumably that is where he is going.

After almost two hours of argument in Bow Street Court—the only British court which can deal with extradition cases—Magistrate Sir Laurence Dunne rejected the American demand. He said the United States failed to prove the fugitive Communist had been convicted of an extraditable offense.

The United States had contended Eisler's conviction of falsification of passport information was tantamount to perjury, which is an extraditable offense in Britain. Eisler's counsel declared he was a political refugee, and not extraditable. The court held Eisler's offense was not the same as perjury, and that he could not be extradited for the offense he had committed.

Eisler's other conviction was for "wilful and deliberate" refusal to be sworn and testify before the House Un-American Activities Committee.

In his finding, Sir Laurence said the whole case hinged on this: "Is what he was convicted of in America an extraditable crime in both America and Britain?"

"In my opinion," the magistrate said, "it is abundantly clear that in no circumstances whatsoever can that offense of which Mr. Eisler was convicted in America be brought under the technical head of perjury in this country."

Pecos Compact Bill Sent To White House

WASHINGTON.—(P)—The House completed congressional action Friday on a bill by Rep. Regan (D-Texas) permitting Texas and New Mexico to enter into a compact for a division of waters of the Pecos River.

The bill was sent to the White House after House acceptance of minor amendments voted by the Senate.

Most Retail Firms To Be Open Monday

Most retail stores in the downtown section will remain open Monday, Memorial Day, although the banks, post office, other government offices, county offices and some oil firms will observe the holiday, Henry Murphey, chairman of the Retailers Committee of the Midland Chamber of Commerce, said Friday.

Murphey explained the holiday is not one of those designated for citywide observance by retailers at a meeting earlier this year. The holidays agreed upon by the merchants are Independence Day, Labor Day, Armistice Day, Thanksgiving Day, Christmas Day and New Year's Day.

Some grocery stores and other retail establishments announced they will be closed Monday.

All county offices will be closed with the exception of the sheriff's and district clerk's offices.

City Manager H. A. Thomason said city offices will remain open.

Houstonian Assessed 99 Years For Rape

HOUSTON.—(P)—L. H. Walker, Sr., 35, Friday was sentenced to 99 years in prison after being found guilty on a charge of statutory rape of a 10-year-old girl.

A jury in District Judge Langston G. King's court deliberated 60 minutes in finding the Houston garage owner guilty.

Board Takes Up Current Business

The board of education for Midland schools handled matters of current business at its meeting Thursday night.

Bids for fire escapes on several school structures were studied by the board but no action was taken pending further study.

Approval by the State Board of Education for sale of land at the sites of the old Cotton Flat and Stephenson schools was shown.

A bid for \$3,134 by a Midland individual was accepted for paint work at the present high school structure, which will be the junior high building next year.

Land Purchase

The board continues to study the purchase of land at the Carver School site. Boyd Laughlin, attorney, was present at the meeting to report on his negotiations with landowners and occupants of that area. Two negroes attended the meeting. They were Amos Taylor and Henry Squire.

★ LATE NEWS FLASHES ★

WASHINGTON.—(AP)—Attorney General Tom Clark said Friday the United States has not given up on its efforts to get Communist Gerhart Eisler back from England to serve his prison sentences.

PAMPA.—(AP)—Sheriff G. H. (Skinner) Kyle Friday announced the arrest of two Pampa negroes and what he called the breaking up of a marihuana ring doing a \$20,000 monthly business in the Texas Panhandle, and extending into New Mexico, Oklahoma and Louisiana.

CALI, COLOMBIA.—(AP)—Seventeen persons were killed by flaming lava when they tried to scale an active volcano, it was disclosed here Friday.

WASHINGTON.—(AP)—The Senate-House Atomic Committee Friday mapped tighter checks on the Atomic Energy Commission in the form of legislation to require "pre-approval" by the joint committee of "major" AEC spending projects.

NEW YORK.—(AP)—Mrs. Gerhart Eisler Friday gave up her court fight for release from Ellis Island and arranged to seek permission to leave the country immediately.

Kermit School Lets Cafeteria Contract

KERMIT—B. F. King, Kermit contractor, was awarded the general contract to build a new, large and completely modern school cafeteria when bids were opened this week, G. E. Thompson, superintendent, announced. King's bid was \$78,871.

Thompson reported King's bid actually was the second, but that the lowest, \$74,311, could not be accepted by the school board because of the bidder's failure to enclose bond and certified check as required by law.

Six firms submitted bids on the building, with the highest being \$85,518.

Construction is to start immediately and 120 working days will be allowed for completion.

The new cafeteria will be located near the new primary building, and adjacent to the proposed high school. It will be of the same light brick as other school buildings and will contain many features which are not found in such buildings.

A large, well-furnished lounge room is included in the plans, as well as rest rooms, a stage in the cafeteria section, electric water cooler, and a glass block wall separating the lounge and dining sections.

Beery Got His First Big Break In Movies For Looking 'Ugly'

By ERSKINE JOHNSON
NEA Staff Correspondent

HOLLYWOOD—Wallace Beery's death ended his career just as Erich von Stroheim, his side-kick of World War I films, resumed his Hollywood career in Paramount's "Sunset Boulevard."

Von Stroheim, Beery and Bull Montana got their first real breaks in pictures simply because they were ugly. The producers wanted ugly, big men to play German officers during World War I, and the three of them were kept busy.

Von Stroheim particularly will never forget the German submarine commander role Beery played in a film titled, "Behind the Door." After all these years, people still think Von Stroheim played the part.

It was about 1917, Wally told Erich he had landed the part, and wanted Von Stroheim's advice and assistance in make-up and costume. They went to a costume rental house and Beery tried on a German navy uniform.

Beery didn't like the tight collar but Von Stroheim, who had been an army officer in his native Austria, assured him that it was necessary.

Next Beery wanted a shaved head like Erich's famed haircut trademark. Then he wanted a saber scar in imitation of Erich's, which happens to be the real thing. A make-up man did that job on Beery.

Insisted On Monocle
Beery's final request was for a monocle and instruction in wearing one. Von Stroheim assured Beery that the average submarine officer wouldn't use this type of eyeglass. But Wally was adamant. So Von Stroheim loaned him one from his collection, gave him some instruction on how to wear it and some other tips on military bearing.

Beery played the role and the film became one of the most memorable pictures of that era.

And Von Stroheim is still complimented by fans for his wonderful performance. They simply won't believe that it was Wallace Beery in the role.

Norman Foster is chuckling over

a news dispatch which listed him among Hollywood's "young directors." He was an extra in Gloria Swanson's "Manhandled" and became a director 15 years ago!

Carlton E. Morse's "One Man's Family" scripts are being geared for television. The show may be the first to broadcast for both radio and TV simultaneously.

Warner Brothers are again talking about a musical for Joan Crawford and Fred Astaire.

You can really call 'em "Beverly Hills Billies" now. Square dancing has invaded the swank Beverly Hills Hotel. One professional dance caller has an agent! Mourning Over
Howard Hughes has stopped mourning over "Mourning Becomes Electra," which has played briefly in only six U. S. theaters. He's cut exactly one hour out of the three-hour show for release late this Summer.

Kirk Douglas' wife, Diana, is being paged by Broadway... Preston Sturges isn't sharing in the excitement over the film version of "Born Yesterday." Talking about the hit play, Preston said, "I think the message becomes a message."

Comic Jack Gifford telephoned his neighborhood movie house and asked: "Tell me—what time does the popcorn go on?"

The second Mickey Rooney-Sam Stiefel film, "The Big Wheel," will be filmed at the Indianapolis speedway next month. Part of the big Memorial Day race will be filmed for the picture, Mickey, meanwhile, is commuting between Hollywood and Las Vegas, where Martha Vickers has taken up residence for a six-week divorce.

Hollywood is talking about Mary Pickford "respectfully" declining the honor of starring in the title role of the projected "The Life of Mary Baker Eddy." Director Billy Wilder's crack to his cameraman on "Sunset Boulevard"—"Be sure to keep the camera out of focus so we can win the foreign picture award."

Linda Darnell and Pev Marley fooling the gossips by celebrating their sixth wedding anniversary. The marriage was given six months.

Flood Again Rakes Fort Worth

(NEA Telephoto)
Before construction crews could repair damaged levees on the Trinity River at Fort Worth, fresh rains put the river up to the 13-foot stage and water started filling the lowlands along the river where the levees still were broken. The flood passed without any major damage.

Pioneer Announces New Midland-Dallas Flight Schedules

Pioneer Air Lines will provide Midland with a new one-plane flight from Dallas when new schedules become effective Wednesday, Dave Clark, traffic manager here, announced.

The new flight will leave Dallas at 8:45 p.m. and will arrive in Midland at 11:40 p.m., Clark said. Other flights from Dallas to Midland leave the former city at 7:20 a.m. and 8:42 p.m., providing early morning, afternoon and evening service.

Under the new schedules, flights eastbound from Midland will depart at 7:20 a.m., 10:50 a.m., 2:35 p.m. and 5:30 p.m., the latter flight, some one hour and fifteen minutes earlier than the present departure.

Houston flights which provide service from Houston to Midland leave Houston at 7:35 a.m., 2 p.m., and 5 p.m., Clark said. The plane that leaves Houston at 7:35 a.m. arrives in Midland at 10:55 a.m. and then proceeds to Lubbock, Plainview and Amarillo.

"With the new schedules, Midland will have 10 flights daily from Pioneer, providing service to the cities on the company's 2,200-mile system in Texas and New Mexico. We believe that these schedules will give Midland the finest possible commuter-type air service," Clark said.

Red Blanket Wraps Up Shanghai; Last Defenders Give Up

SHANGHAI —(AP)—The Red blanket of communism quietly enveloped all of Shanghai Friday.

The gunfire ceased. The last Nationalist holdouts surrendered. Veteran troops peacefully carried Red rule into the northern part of the world's fourth largest city.

The Communist occupation was complete three days after it began. Red political officers began taking over the government.

The Nationalist garrison of Woosung Fortress folded up. The government evacuation fleet pulled out.

The ships left behind the Nationalist troops who had failed to make the 10-mile northward march down the Whangpoo River escape corridor from Shanghai to Woosung. How many of the Reds would know after they had rounded them up.

The sharp-but minor-fighting for Shanghai really was over Thursday night. But not until Friday did the handful of Nationalist rear-guard troops who made the final stand in the heart of the city make up their minds to quit.

Congress Has New 'Anti-Busi' Program Ready 'Just In Case'

WASHINGTON —(AP)—Congress has a new idea for averting a depression. But present prospects are the lawmakers won't do any more than study it this year.

"Unless we really get into bad times," said Senator Elbert D. Thomas (D-Utah), one of the sponsors of the plan.

The idea is outlined in a bill which Senator Murray (D-Mont.) announced late Thursday.

The bill, as Murray put it, "seeks to provide economic stability and that steady growth and expansion required to maintain prosperity and avoid depression."

No Government Operation
Known as the Economic Expansion Act of 1949, the new bill has no provision for government operation of any business enterprise. The measure provides for:

1. A program of encouraging private production and investment, particularly in critical industrial materials and in economically "underdeveloped" and "declining" geographical areas. The program calls for tax incentives, credit insurance and government loans, use of federal war plants; government construction of plants for sale or lease to private companies; special aids for small businesses; and investigation of monopolistic restrictions on private investment.

2. Advance planning by the states and local governments, of not less than 15 billion worth of non-federal public works projects. The federal government would advance funds for engineering and keeping such plants up to date.

3. A continuous survey of unemployment by the Labor Department. The President could assign government contracts and public works projects to hard-hit areas. The Labor Department also would be authorized to make non-interest-bearing loans to move individual families from jobless areas to productive ones.

ALLISONS ARE BACK FROM TENNESSEE TRIP

Mr. and Mrs. James N. Allison and son, Jimmy, returned Thursday night from Sewanee, Tenn., where Jimmy graduated from Sewanee Military Academy early this week.

Mr. and Mrs. H. N. Phillips, who accompanied Mr. and Mrs. Allison to Tennessee, continued on to Baltimore, Md., following the graduation exercises. They will visit in Washington, D. C., New York City and other points in that vicinity before returning to Midland next month.

TO DALLAS

Mr. and Mrs. C. Ed Prichard, 501 West Holmesly Street, left Friday for Dallas to get their son, Edwin, who is completing his first year at Southern Methodist University.

Southwestern United States produces more borax than does any other part of the world.

House-Passed Aid Money Bill Faces Trouble In Senate

WASHINGTON —(AP)—The foreign-aid money bill, now at \$5,617,470,000, is in for stormy opposition in the Senate.

Some leaders of both parties gave warning Friday they will try to take a substantial slice out of the bill, approved Thursday by the House.

A plea from President Truman saved the measure from a considerable cut on the House side. But members of the Senate Appropriations Committee appeared to be in no mood to heed a similar appeal.

The \$5,617,470,000 includes funds for the Economic Cooperation Administration, for Greece-Turkey aid, an aid for government and relief in the occupied areas of Germany, Austria and Japan.

The House lopped \$704,730,000 off the amount President Truman requested. But the members offset this cut largely by making the money available for 13 1/2 months instead of the 15 months in the original plan.

Flyer Hurt Before Leap From Bomber, Says Biggs Officer

EL PASO—(AP)—Capt. Burt A. Alley died without a chance to pull the parachute ripcord as he jumped from a burning B-29 bomber, Biggs Air Base said.

Big Gen. D. W. Hutchinson, commanding general, announced Thursday night that Alley probably struck his head as he climbed from the nose escape hatch and was knocked unconscious. He was making his second forced parachute jump in 60 days.

Four of eight other crewmen who bailed out were injured. The plane crashed 31 miles northeast of here in New Mexico Thursday.

Alley lives in Pasadena, Calif.

Poppy Day Volunteer Workers Announced By Sales Chairman

Girls who have volunteered to serve as salesmen of veteran-made poppies for the annual Poppy Day sale of the American Legion Auxiliary here Saturday, as well as members who are volunteer captains, have been announced by Mrs. T. E. Steele, sales chairman.

Poppy sales, conducted each year on the Saturday nearest Memorial Day, raise funds for rehabilitation and welfare work of the auxiliary and also supply employment for the disabled veterans who make the flowers.

Salesgirls in Midland will include Eugenie Hudgins, Rebecca Jones, Barbara Jones, Pat Allen, Shirley Morren, Ella Jane Calley, Wanda Lou Steele, Carolyn Gray, Shirley Harrison, Wanda Burnside, Barbara Long, Eddie Juan Darnell, Swan Hagler, Annette Kinard, Martha Forrest, Bobby Jo Walden and Jane Walden.

Directing the sales will be these captains: Mrs. Dave Morren, Bertie Sexton, Geneva Pharris, Mattie Kelton, Irene Allen, Mary Gay, Frances Gallagher and Ruth Flanagan.

READ

what Mrs. John F. Mitchell, Midland, Texas, has to say:

To whom it may concern:

In September 1946, our son, Johnny, now age 5, gradually began to have convulsions; we took him to several medical doctors, including two of the best known specialists in Texas.

His condition became so bad that he would turn blue and lose control of his breathing during the convulsion. We were told by the specialists that nothing could be done and to reconcile ourselves to his condition.

It was suggested to us to place Johnny under Dr. Merwin C. Fitch, chiropractor, Midland, Texas, by a friend whose child was getting remarkable results for paralysis and convulsions. We took Johnny June 17, 1948. Dr. Fitch who X-rayed his spine and expressed confidence that chiropractic could help him. Dr. Fitch asked us if Johnny had had a hard fall and we remembered that Johnny had fallen on a rock when he was two years old, bumping his head with such severity that it took five stitches to close the gash on his head.

Under Dr. Fitch's care Johnny steadily improved and although he is not entirely well yet we feel that he is on the way to complete recovery.

We are so grateful for what Chiropractic has done for our son that we are writing this testimonial in the hopes that it will reach others who are ill and turn them toward Chiropractic and the road to health.

I hereby grant Dr. Fitch permission to use this letter in any honorable manner for the purpose of helping others.

MRS. JOHN F. MITCHELL
Box 4, Tower Road.

Subscribed and sworn to before me this the 15th day of April, A.D., 1949.

Raynee Carroll,
Notary Public in and for
Midland County, Texas.

You or your child may not have convulsions, however both of you may be suffering from some other malady. Do you realize what it means to recover from a supposedly "incurable" disease? Investigate the possibilities of your recovery under Specific Chiropractic. "IF CHIROPRACTIC WON'T HELP YOU, NOTHING ELSE WILL."

Advertisement paid for by some of the patients of Dr. Merwin C. Fitch.

Delegates Give Council Report For Xi Theta

Highlights of the business and entertainment program of a Beta Sigma Phi Area Council meeting in Big Spring last weekend were reviewed for the Xi Theta Chapter here at its meeting Thursday night by Mrs. Arnold O'Neal.

Maelele Roberts and Mrs. O'Neal were delegates from the Xi Theta Chapter to the council meeting. The council adopted a merit award system by which a bronze statuette is to be given annually to the outstanding chapter in the area. A chapter which wins the statuette three times may keep it permanently. Elsie Gunther, International Field Representative from Beta Sigma Phi headquarters at Kansas City, was guest speaker at the council.

The Thursday night meeting was the last regular session of this season for Xi Theta Chapter. Program books for the next club year were presented to members, outlining a program on the subject, "Theater of Life."

A telephone committee, Mrs. T. J. Potter, Mrs. R. H. Frizzell and Mrs. G. B. Hallman, was appointed to serve next year. Date of the state Beta Sigma Phi convention at Corpus Christi was announced for September 24 and 25.

A post-season entertainment for members and their escorts will be arranged by Aileen Maxwell, social chairman. It will be a steak barbecue in Cloverdale Park next Thursday.

Present were Mrs. J. K. Doran, Myrtle Duncan, Mrs. Lucille Johnson, Carolyn Gates, Lillie Mae Stovall, Mrs. Juanita Sherrod, Mrs. James K. Walker, Mrs. Lloyd Zellner, Miss Maxwell, Mrs. Frizzell and the two delegates.

Turner Paintings On Exhibit In Studio

An exhibit of paintings by Ben Turner of Albuquerque opened Friday in the Palette Club Studio. Ben Turner, brother of the well-known New Mexico painter, is here to show the collection.

Several exhibits of Turner's work have been held in Midland, the latest last Fall. Most of the paintings are of Southwestern subjects which have been popular with visitors to the showings.

The public is invited to the current exhibit, without admission charge. The paintings are hung in the Palette Club Studio, 604 North Colorado Street.

Episcopal Youth To Attend Conference

Young people from the Trinity Episcopal Church here and the Rev. R. J. Snell, rector, will attend the Episcopal Youth Conference to be held in Ceta Glen, near Canyon, next week. Snell is on the teaching staff of the annual conference.

Representatives from the church here are Emily Hamilton, Joyce Howell, Joe Turner, Joan Turner, Philip Slough, Tim Cornwall and Roy Kimsey.

Complaints Of Aging Make It Noticeable

By ALICIA HART
NEA Staff Writer

How many times have you heard women willfully call attention to their age by bemoaning the inevitable signs of advancing years? Complaints about gray hair or wrinkle-threats are of questionable interest as a topic of conversation. As a method of making people aware of one's birthdays, such complaints succeed all too well.

Marks of maturity are inevitable and no one can escape them. Because the aging process is a natural one, it never attracts attention by itself. Knowing that, no woman should attract attention to the mounting years by her remarks.

If she's smart, she'll make use of the experience and wisdom which the years have taught her. She'll use her knowledge to make the most of her personality and elegant grooming.

Progressive Study Club's Committees For Year Appointed

Appointive officers and committees to serve next season in the Progressive Study Club have been announced by Mrs. J. W. Thomas, Jr., the new president. Elected officers who are to work with Mrs. Thomas are Mrs. John DeFord, vice president; Mrs. Frank L. Tom, Jr., recording secretary; Mrs. J. W. Hunt, corresponding secretary; and Mrs. Thomas M. West, treasurer.

Appointive officers for the new administration are Mrs. W. E. Cox, Federation counselor; Mrs. W. C. Kimball, parliamentarian; Mrs. W. B. Yarbrough, historian; Mrs. A. A. Jones, reporter; and Mrs. L. Otis Baggett, representative to the Woman's Club Building Plans Committee.

Standing committees named for the year are as follows: Membership, Mrs. Hunt and Mrs. Sol Bunnell; program, Mrs. DeFord, Mrs. Lindsey Latham, Mrs. Hunt and Mrs. James C. Clark; finance, Mrs. Bunnell, Mrs. E. A. McCullough, Mrs. Earl H. Self and Mrs. Burns McKinney.

Constitution, Mrs. Kimball and Mrs. McCullough; hospitality, Mrs. Kenneth Newton, Mrs. W. H. Pomeroy, Jr., Mrs. John V. Norman, Jr., Mrs. L. O. Exeger, world citizenship, Mrs. Self, American home, Mrs. Clark, education, Mrs. Yarbrough, line arts, Mrs. Upchurch, international relations, Mrs. Kimball, legislation, Mrs. Jones, press and publicity, Mrs. Hart, public welfare.

All DYT Members Present At Meeting In Henderson Home

All the members of the DYT Sewing Club were present when Mrs. Tommy Henderson was hostess in her home Thursday afternoon for one of the informal regular meetings. Flowers from Mrs. Henderson's yard, featuring larkspur, double hollyhocks and petunias, brightened the room.

The meeting was in the sunroom, and guests spent an hour with needlework and conversation before refreshments were served.

Present were Mrs. Glenn Shoemaker, Mrs. John Sewell, Mrs. Roy McKee, Mrs. P. Carson, Jr., Mrs. Joe Roberson, Mrs. Elmo Birkhead, Mrs. Orville Houck, Mrs. L. V. Bassham and Mrs. E. M. Watkins.

RUMMAGE SALE SEATED

A rummage sale is slated at 9 a.m. Saturday in the Old Heidelberg Inn on East Highway 80 is announced by the Busy Wives Home Demonstration Club. Funds raised by the sale will be contributed to the Midland Youth Center, Mrs. Truman Harris, club president, announced.

Breakfast Is Given Graduate

A kidnap breakfast Wednesday morning entertained Joan Wyche, one of the graduates in this year's high school Senior Class, and a group of her friends. Her mother, Mrs. Bill Wyche, was hostess in her home.

The girls who were breakfast guests were awakened as early as five o'clock by the "kidnapers" who took them to the Wyche home. Class colors, green and gold, appeared in the table decorations of yellow daisies and candles.

Guests were LaVerne Estes, Carolyn Schaeffer, Sara Kreischer, Patsy Bray, Lois Black, Nell Cole, Melba Clark, Joy Guyton, Royce Raye McKee, Peggy Whitson, Sarah Lew Link, Pat Pryor, Glenda Shoemaker, Pat Benedict, Billie Prothro and Lynna Dell Moore.

Planning Committee For Building Meets

Further plans for the proposed Woman's Club building were discussed by the Planning Committee, which met Thursday morning in the home of the chairman, Mrs. Earl Johnson.

Mrs. Leonard Thomas and Mrs. Neta Stovall reported on discussions with architects concerning the type of building which would be suited to this locality and to the needs of the cooperating clubs.

The Planning Committee is the group set up to receive suggestions for building and financing the clubhouse, and to present plans to the clubs which are interested in the building.

Discussion Series To Continue Sunday

The second of a series of discussions on boy-and-girl relations will begin at 8 p.m. Sunday in the Senior Youth Fellowship of the First Methodist Church. All young people of high school age are invited.

Discussions in this series started last Sunday under leadership of Bob Goff. The subject was "Recipe for Personality" and concerned factors entering into the makeup of the individual and what makes persons as they are.

Sunday night's subject will be "Do's and Don'ts With Parents."

New Library Books Aid To Puzzle Fans

Two booklets designed as aids to persons engaged in word-building contests and crossword puzzle fans are new arrivals in the Midland County Library, Mrs. Lucille Carroll, librarian, announces. One lists four-letter words, the other five-letter words.

They are compiled from the Merriam-Webster New International Dictionary and supply references to that volume. Proper names are included, but hyphenated words, contractions, abbreviations, prefixes, suffixes nor combining forms.

All flour used for baking cakes, whether it is all-purpose or cake flour, should be sifted before measuring.

Five Piano Students To Be Presented In Recital On Saturday

Five members of the Junior High School graduating class, piano pupils of Mrs. Gilbert J. Sevier, will be presented in recital by Mrs. Sevier at 8 p.m. Saturday in the North Elementary School auditorium. The public is invited for the program.

It will open with a duet, The Guitar (Gaynor), by Jerry Gentry and Nancy Klingler. Another duet number later on the program will be "Follegietto (Bach), by Mary Jane Miller and Evelyn Hejl.

Solos will be presented as follows: Wayside Bells (Oberg), Jerry Gentry; Consolation (Mendelssohn) and The Chase (Lindquist), Tommy Miller; Perfect Happiness (Schumann) and Shower of Stars (Wachs), Mary Jane Miller.

Butterfly (Merkel) and Gopak (Moussorgsky), Evelyn Hejl; Rolling Waves (Ketterer), Nancy Klingler; Il Penseroso (Heller) and Maraca (Thompson), Tommy Miller; My Heart at Thy Sweet Voice (Saint-Saens) and Hungary (Koebling), Mary Jane Miller.

Sonata (Beethoven) and Minuet (Antique) (Paderewski), Evelyn Hejl; Swaying Daffodils (Overlade), Nancy Klingler; and Madriena (Wachs), Tommy Miller.

BETA DELTAS TO MEET

The last meeting of the season for the Beta Delta Chapter of Beta Sigma Phi is announced for Tuesday at 7:30 p.m. in the home of Mrs. J. W. Thomas, Jr., 2000 West Holloway Street. Important business is scheduled for discussion, and all members are urged to be present.

European Military Aid

Western Europe's present defenses are so feeble, says the State Department, that they invite military aggression. It adds that not until the United States shares its might with western countries "can we hope to replace this temptation with a real deterrent to war."

The department views a military aid program as the best way we can transfer some of our strength across 3,000 miles of ocean to European shores. It calls this plan a vital companion to the North Atlantic Pact. The pact signifies agreement in the West on a policy of common defense. The aid program gives the pact some backbone.

The question may be asked: How much backbone? We propose to provide \$1,130,000,000, a considerable amount of surplus arms and certain technical assistance to Western Europe in the next year.

The first goal is to help these nations modernize the small armed forces contemplated in their 1950 budgets. There is no pretense of matching Russia's huge armies. But the State Department insists even small forces can plant fear in Soviet minds and thus deter aggression.

The Administration plainly is reluctant to discuss the duration and future size of the military aid plan. It does argue, however, that larger armies in Western Europe would increase rather than diminish the chances of war. And it believes too much attention to arms surely means general European recovery will suffer.

There are ample signs many members of the Senate are going to pin the State Department to the mat on these questions. Several say they want to know exactly how much resistance—and what kind—\$1,130,000,000 will buy.

Senator Taft, for one, believes that sum is a mere trickle that would dry up quickly without useful effect. He puts a \$30,000,000,000 price tag on effective military aid.

Some foreign affairs observers are guessing that the relatively small appropriation sought is evidence that the real hope this coming year is only to stiffen western armies against possible internal revolts inspired by Russian Communists.

Certainly the State Department includes internal disorders sparked by outsiders within its definition of aggression. But it does not stop there. It maintains stoutly that over-the-border aggression can be blocked by the kind of military help it proposes to give.

It seems to us the department is trying to walk a tight rope between too little and too much. Not an easy performance, especially in view of the uncertainties posed by the puzzle of Russian intentions.

But Congress nevertheless is entitled to far more specific answers than yet have been given on the real aims and worth of the aid program. The State Department will have to muster convincing arguments to sell its plan as an effective obstacle to war.

Lacking such answers, many senators may conclude the program either should be bigger or should be forgotten.

Prediction: Windy

House Speaker Rayburn predicts the current Congress is in for a long engagement this year, probably until late August or September.

He apparently arrived at this conclusion after looking at the mountain of unfinished bills in both houses and after realizing that what Congress terms "full and free discussion" of a measure can be stretched to as much as four weeks of talk.

So it looks like the hot winds of debate instead of cool vacation breezes for the legislators.

'How Do You Get Untattooed?'

DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

(Copyright, 1949, By The Bell Syndicate, Inc.) Drew Pearson says: Maryland Post Office in a cow pasture remains open because of senatorial pressure; Lily Pons, the opera singer, mails her Christmas cards from Lilypons, Md.; Democrats and Republicans row over Alaska and Hawaii.

WASHINGTON—Lilypons, Md., a post office literally in a Maryland cow pasture, from which the famous opera singer, Lily Pons, mails her Christmas cards every year, has been kept open by the Post Office Department at a cost of about \$5,000 a year—thanks to political pressure.

No private individual person gets his mail at Lilypons. It serves one goldfish company—no one else. Local citizens have petitioned the government to have the post office closed. Yet it is kept open—thanks to the mysterious influence of Maryland senators—chiefly Millard Tydings.

Reason for this waste is not the famed opera singer who mails her Christmas cards from Lilypons. She has nothing to do with the case, probably doesn't even know about it. What happened was that the two men who own the goldfish company hired two attorneys close to Senators Tydings and O'Connor. Prior to that, the two senators seemed quite willing to close the post office. But after their bosom friends were retained, suddenly they didn't—though Senator O'Connor says he merely attended a meeting in Tydings' office and is not particularly interested.

The story sounds fantastic but illustrates certain points set forth by the Hoover Commission recently regarding post office waste and subsidies. The Lilypons Post Office appears to be such a subsidy to the Three Springs Fisheries Company. Post Office Frown

What happened was that last Fall post office inspectors reported that this post office in a Maryland cow pasture should be closed. "The Lilypons Post Office serves no patrons except the Three Springs Fisheries and the Thomas Supply Company," states the official report. "Mail is not received for any other firms or persons. The employees of the companies number only ten, and the employees do not live at Lilypons."

"At this season of the year, incoming mail to the firms at Lilypons is small in amount, sometimes only five pieces are received. During the peak season about 100 pieces of mail are received daily. Mail dispatched varies according to the season of the year and the amount of advertising being done, but will average about 75 pieces.

"Discontinuance of the post office at Lilypons will not work any hardship on the Three Springs Fisheries or the Thomas Supply Company. It will, of course, be necessary for them to receive and dispatch mail at Adamstown, 3.2 miles away, or through the Adamstown rural carrier 1.2 miles away, and the company will be deprived of rent and the mail messenger allowance; the former amounts to \$300 a year, and the latter to \$960 a year, contract for which is held by Thomas Fisheries, Inc. It is necessary, however, for the Three Springs Fisheries to dispatch a truck or other vehicle to Adamstown every day for the purpose of shipping their fish by express.

"The Department is of the opinion that the Lilypons Post Office should be discontinued," concludes the report, "inasmuch as it would not work a hardship on the two companies and it would save the Department money."

In other words, the goldfish company not only got the benefit of a private post office, but was paid \$300 a year rent by Uncle Sam and \$960 a year for truck hire, on top of which George Leicester Thomas, Jr., one of the owners of the firm, served for a time as postmaster.

At first the Maryland senators made no objection to closing this post office in a cow pasture. Then suddenly the Thomases, owners of the goldfish company, retained Francis Petroti, close friend of

Senator O'Connor, and William Storm, close friend of Senator Tydings. This was approximately nine months ago.

Since then the official recommendation of the Post Office Department, plus the protests of many taxpayers in the vicinity have been ignored.

Lilypons, Md., still remains open—sometimes receiving only five pieces of mail a day.

A hot backstage row over statehood for Alaska and Hawaii has the House Rules Committee in a tizzy.

Republican members, led by Ohio's Clarence Brown, have served notice on Chairman Adolph Sabath of Illinois, Democrat, that they will block action on statehood for Alaska and Hawaii in the Senate.

McKenney on Bridge

By WILLIAM E. MCKENNEY America's Card Authority Written for NEA Service

I recently met Hildegarde and while she is not on the radio at the present time, she still keeps night club crowds in a jovial mood with her songs. She has a distinct personality of her own.

We were discussing the great number of people who play cards. Hildegarde said interest in cards would never die out. This is her reason for saying, "People are a lot of fun, and bridge especially provides the opportunity for a person to meet a lot of people.

And if they will play bridge for fun, they will have a lot of fun." Hildegarde is from Milwaukee, Wis., and her mother and sisters are still there. She got her start

with "Jerry and her baby grand piano." When you meet her you can well understand why the Veterans of Foreign Wars presented her with a gold poppy and made her a Buddy Poppy aide.

Hildegarde claims she makes a big partner at bridge. They even object to the way she plays gin rummy, because she plays only her own hand. "But I always win and then they get mad at me," she said.

I can well understand all this with things happen like they did on today's hand, in a recent tournament.

Strangely enough some players will not open with the South hand. Oscar Flores said in Juarez Thursday.

"There are only one or two new infections in that area and newspapers blew them up to make it look as if the disease is spreading widely."

Flores said the danger line of infection has been moved away from the U. S. border three times since the disease broke out in November, 1946.

WASHINGTON COLUMN

Guatemala Strangely Hostile Toward U.S., In Sentiment

By PETER EDSON NEA Washington Correspondent

GUATEMALA CITY, GUATEMALA—Here on a quick trip inaugurating TACA Airlines' new daily plane service from New Orleans, the U. S. visitor meets several surprises. It is impossible to spend only 48 hours in any country and pretend to know the answers. But giving this place the John Gunther "here he comes, there he goes" treatment, a few facts are obvious.

While the red carpets, bottles and feed bags of hospitality were all dragged out for the plane load of officials and newspapermen, giving them the usual Number One treatment of welcome, it did not take long to learn that there is considerable anti-American sentiment.

It is centered largely in radical political refugees from Spain and Central American revolutions, in the universities, in labor union leadership and in a left wing political element from which the present government of President Juan Jose Arvalo gets its support.

The now familiar Communist cries of "Yankee imperialism" are raised against American business. In the recent May Day parade in Guatemala City, banners proclaimed slogans such as "Down With the Marshall Plan;" "Down With the Clayton Plan;" and "The North Atlantic Pact Means Enslavement of Latin America." Some of the signs were so vile they cannot be described.

This is most amazing and something of a shock. If U. S. business should be driven out of Guatemala, the place would go broke overnight. From Guatemala and spent many years in the Argentine. He was called back to become president after a 1944 revolution.

He introduced a new "theory of spiritual socialism." It abolished the old distasteful restrictions. It introduced social security, health and welfare in rudimentary forms. It introduced labor unions. In 1947 it introduced a new labor code of 275 articles. Labor courts were set up. In a series of strikes aimed at United Fruit, the railroad, the docks, American employers lost every round.

Major Source Of Trouble Three-fourths of Guatemala's international troubles may be traced to

Guatemala's biggest industries are U. S. developed—United Fruit, the railroad, the power and light company, the airlines. TACA, though an El Salvador corporation, is operated by Waterman Steamship interests of Mobile, Ala. U. S. Ambassador Richard C. Patterson estimates Guatemala could use \$200,000,000 U. S. capital for further development of roads, communications, internal industry.

Many Americans have "discovered" Guatemala in the last half-century and fallen in love with the place—its mountains, its climate, its people. Now that it is less than five hours non-stop from New Orleans, the tourist business also should boom.

Why, then, all this anti-U. S. feeling? Even an overnight guest can discover the answer, if he asks for it. The opposition is political. And it is an unbridled Communist Party was "outlawed" in Guatemala in 1945.

But here is a beautiful example for all the rest of the Western Hemisphere on what happens when communism is driven to disguise. Unless this thing is checked in Guatemala, it may spread.

President Juan Jose Arvalo is a doctor of philosophy. He was called back to become president after a 1944 revolution.

THE DOCTOR SAYS

Improvements In Rat Control Aid In Fight To Check Typhus

By EDWIN P. JORDAN, M. D. Written for NEA Service

Jail fever, or typhus, is spread principally by rats. Cases of the non-epidemic variety have been discovered in at least 37 states and the District of Columbia. In one recent year, more than 5,300 cases were reported to state health departments.

Typhus, primarily a disease of rats, is carried from these animals to human beings, principally by fleas. Since many cities and rural areas now are badly overrun with rats, we must be constantly on the alert to see that this, as well as other rat-spread diseases, does not get out of control.

The best line of attack against typhus is rat control. Three methods are being used: community poison programs, rat-proofing and eradication in business establishments, and good general sanitation.

Since murine typhus (the non-epidemic variety) has become a major public health problem, the United States Public Health Service has become actively engaged in assisting the war against rats in those communities where the disease is threatening.

Improvements Made New rat poisons have proved tremendously successful. Rat-proofing of buildings also has been greatly improved through the use of more permanent materials and better construction. Getting rid of garbage and other rat foods is an important part of the campaign against these disease carriers.

A new method of attack on the rat flea also has proved its worth. This consists in the use of a DDT dusting powder applied to rat runs and other rat haunts. This powder kills most of the fleas or the rats and thus reduces typhus among the rats for periods as long as three months.

Treatment also has improved. A chemical, the name of which is usually abbreviated to PABA, seems to give good results. Prevention is

THE STORY: Bea Cosgrove has learned that Fred Silwell like herself is not satisfied that Lily Warren's death on Speare Island was accidental. Silwell, whose name was wrecked on the island, knew Lily before she came to the island as prospective bride of Henry Gough Harding, owner of the island. He offers to pay Bea if she will find out things and tell them to him exclusively. As Bea leaves Silwell she meets Molly Stark, Harding's infatuated, she convinces her that Silwell was not really Molly to "play up" to Harding, but that Molly does "like" Harding because he's "a sea."

THE NIGHT was inky black with a high overcast hiding any stars. Bea Cosgrove skirted the house, guided by fingertips running along the rough stone. Once inside the entrance to the storerooms she lit the single forbidden match.

The feeble glow let her move directly to the place where she had hidden a flashlight when she was in charge of supplies. She began a systematic search of the openings on the high-hand side of the corridor.

The third room she visited was empty. Near the center, an irregular, darker patch showed in the light of her flash. She bent over, rubbed her fingers along its edge. The stone was still damp. She put her hand to her face. There was no stain and no odor except a vague scent which might have been soap.

She had no warning. A huge bare arm snaked around her from the left, crossed her body and gripped her right arm. At the same instant a hand, which covered her face, felt her hair.

"Relax," Captain Oak said. "It does not mean to hurt you."

It was hard, one of the most difficult things she had ever done. She achieved a limpness at last. She staggered to a wall, leaned against it for support, gasping.

"I know. You thought I killed Lily Warren."

Questions and Answers

Q—What is unique about the flight of the hummingbird? A—It is the only bird that can fly straight backwards. This it does when it is withdrawing its long beak from a flower. This ability also aids it in dodging an enemy. This bird can also fly straight up or down and sideways.

Q—Why is the Latin language preferred in medical terms? A—Latin is used in medicine because it is an old language, unchangeable and the most universal.

Q—Was the 18th amendment vetoed by President Wilson? A—This Amendment became a law through passage of both Houses of Congress by a two-thirds vote, and ratification by three-fourths of the legislatures of the states. An amendment is not submitted to the president. The Vetoed Act, an enforcement act, was vetoed by President Wilson and passed over his veto.

Q—Does the United States Constitution provide for the rights of women? A—Our Constitution makes no provision for rights on the basis of sex.

Q—What single acquisition of territory almost doubled the size of the United States? A—The Louisiana Purchase. The bargain was concluded and the treaty signed April 30, 1803.

A camel doesn't feel the pangs of thirst for five days after drinking.

reminded. "I must go now. We will meet again. If—" "If I'm still alive?" "He admitted 'But you certainly have gun with you since you have long yours."

"I've no place to hide it. Especially one that size." She pointed the light to the gun in his holster. "I'll hide it in the cave near the gold."

"The gold?" Oak chuckled. "There is something you have not yet found out? Very well then. I will bury the gun in the sand of the cave near the entrance."

"Swell," Bea said. "If I should need a gun, do you think I'd have time to say pardon me while I run down and dig for an hour or two in the sand?"

"I'll think of something else. And if I'm fortunate I'll be back before the storm hits."

"You're no fisherman," she said suddenly.

He took her hand again and directed the light downward toward his bare feet, splayed to grip a pitching deck. "Fisherman's feet. I am the son of a fisherman. But a fisherman must have many sons. And nowadays fishing is big business, so one son must be educated. I was chosen and now I am a lawyer. But still a fisherman at heart and in body certainly."

"You spoke," Bea said curiously, "as if you too had been afraid. What do you fear?"

"What do I fear? I am afraid of giving permanent injury to my family through some mistake of my own."

The pressure on her hand tightened for a moment, was relaxed. She stood, straining her ears, heard only the soft rattle of a single pebble to tell her she was alone. She took hesitant steps toward, came out from under the overhang of the veranda.

She skirted the wall, under the turn, hurried up the veranda steps. Henry Harding sat alone at the head of the huge table. He turned, faced her. She watched a gradual awareness of his surroundings come over his face.

"Ah, Miss Cosgrove," he said. "I thought you had retired."

There Is Magic In Mirrors

There is magic in mirrors when you fully realize and utilize their possibilities. Decoratively, they enable you to achieve many atmospheric surroundings impossible to obtain by any other means. They can make rooms seem larger, wider, higher, longer. They can break up dull wall expanses. They can add color, movement, charm and warmth by their reflections.

In fact, they are the easiest way yet discovered for you to be your own home decorator and be certain of success.

The Midland Glass and Mirror Company, 1611 West Wall Street, gladly will give you an estimate on the decorating of a room by mirrors. The firm also carries a complete stock of the finest mirrors.

Mirrors are resilvered here. The expert workmen of the Midland Glass Company also can put glass in any shape or size picture frames, and do the work with the best glass. Also, equally important, it is done with the precise workmanship of the specialist. Charges are modest.

Glass Shelving
Glass shelving of any shape or size is made and the firm has special brackets for holding it. Glass shelving is lovely in appearance, absolutely sanitary and is most easily cleaned.

After you spruced up your premises during Clean Up Week, start on the inside and modernize your home with the scientific arrangement of mirrors and glass shelving.

Whether your home is new or old, large or small, it can be made gay, brighter, more inviting and more fashionable through the skillful use of mirrors. There are scores of ways to use mirrors effectively

An example of the workmanship which goes into the houses built by Midwest Lumber Company is shown above in the two frame residences. Only the best of materials are handled by Midwest and estimates gladly are given on any type or size construction. The firm does designing as well as providing materials and contracting for construction.

Pannell Brothers Adding Bulk Plant

Pannell Brothers Concrete, 501 South Pecos Street, is adding a bulk plant to facilitate handling. Four trucks are in operation to handle transit-mix and the firm's facilities are adequate to handle any job.

The firm was organized in 1946 by O. C. Pannell and B. C. Pannell, brothers, who came to Midland from Pecos and Odessa.

Besides concrete, the firm handles sand and gravel. The Pannell Brothers firm is equipped to deliver vermiculite, a light-weight concrete with insulation. Known as Zonolite the insulating concrete is made by mixing a specially-graded and chemically-treated brand of vermiculite aggregate with Portland cement. This insulating concrete can be placed directly on the ground (vapor seal after placed on ground first) forming a fireproof rot proof to wake up your rooms, and the Midland Glass and Mirror Company will gladly explain to you how it can be done.

termite proof, vermin proof floor base.

Good For A Lifetime
Zonolite insulating concrete consists entirely of mineral or inorganic materials. It is not affected by destructive agents that limit its life or usefulness. Thus it need not be replaced during the life of the building.

Employees of the Pannell Brothers Concrete are Vernon W. Stanley, E. L. Williams, Travis Stovall, John Vest, Genard Jones and Silas Pannell.

For estimates on concrete, Zonolite or sand and gravel telephone No. 1797, and figures cheerfully will be given.

Pringle Body Shop Can Do The Job On Your Car

Any type of body retooling regardless of the size, model or shape your auto is in, can be obtained at the Pringle Body Shop, 807 East Florida Street (Garden City Highway).

Besides doing repair work, the Pringle Body Shop also has a large stock of new and used auto parts, grills and fenders. So if you have an auto body repair job which calls for replacement of parts, the chances are you can get the entire service with one stop here.

The shop was started in 1945 and in those few years has served hundreds of Midlanders with satisfaction.

All types of body painting are done here, either complete or spot jobs.

This firm also does glass installation for car windows and windshields.

Although the shop has been in its present location about four years, Bob Pringle, the owner, has been a Midland resident the last 14 years and most of this time was spent in auto body repair and similar work.

The Pringle Body Shop has 24-hour wrecker service and this may be obtained by telephoning No. 2419. The shop does other painting in addition to auto work. This includes tables, chairs, lawn chairs and other furniture.

That Was No Woman That Was a Rustler

PORT WORTH —P—A woman cattle rustler was captured here—by two city detectives.

Police had been asked by the Center, Texas, sheriff to watch out for someone who took a cow from a ranch near there and hauled it toward Fort Worth in a trailer.

Predicts Gravely Of Red's Purge

CHICAGO—P—A scientist predicts that Russia will "suffer grave losses in harvests" as a result of purging the science of genetics.

Theodosius Dobzhansky, Russian-born professor of zoology at Columbia University, said in a magazine article the Soviet ban was a "monstrous error."

Bishop's Prayers Answered Quickly

WISBOROUGH GREEN, ENGLAND—P—The bishop of Chester led the congregation of this village to the banks of the River Arun and offered prayers for rain to end the drought.

Then he hustled the parishioners back inside the village church. Just in time to beat the rain.

Swedish motorists are strictly forbidden to smoke while driving through cities or towns.

Shreveport Pro Is PGA Medalist

By ROBERT MOORE
RICHMOND, Va.—(P)—Ray Wade Hill, an unknown "orphan" golfer from Shreveport, La., set out Friday to conquer a jinx which has dogged the medalist year after year through the history of the PGA tournament.

Hill waltzed off with medalist honors in the thirty-first tournament Thursday by touring the 6,677-yard Hermitage Country Club layout in four-under-par 67 for a 36-hole qualifying score of 136.

Only twice since they started giving the Alex Smith Memorial Award in 1931 to the PGA medalist has the star who carded the best score in the qualifying play managed to take home the crown at the close of match competition.

A single stroke behind Hill was Slammin' Sammy Snead. Another unknown like Hill, Howard Schmidt of Chino, Calif., finished the qualifying with a 138 as did Clayton Heafner of Charlotte, N. C. and Johnny Palmer of Badin, N. C. George Fazio of Conshohocken, Pa., had a 139.

Friday's first round of match play included 64 players with qualifying 36-hole scores of 149 or better. Three of them, including Horton Smith of Detroit, had to earn their berths in a "sudden death" playoff involving six players.

After 48 matches Friday, the field will be reduced to 16 aces who will fight it out in 36-hole matches until the champion is crowned Tuesday afternoon.

Amarillo Colts Win Over Black Indians

The Midland Black Indians dropped a 12 to 9 decision to the Amarillo Black Colts in Indian Park Thursday night. The lead swapped hands several times.

The Colts rallied for six runs in the eighth and ninth to ice the game away.

Manager B. Harrison led the Indians' attack with three hits. The Black Indians meet the Pecos Black Tigers in Indian Park at 3:30 p. m. Sunday.

National Pro Stars Cancel Entries In Dallas Tournament

DALLAS —(P)—National Open qualifying here next Tuesday may be robbed of some of the national stars who were scheduled to post their scores at Lakewood Country Club.

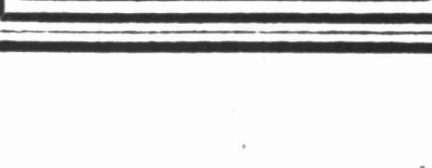

Cancellation of the Colonial National Invitation at Fort Worth because of a flooded course is the reason.

Such outstanding players as Johnny Palmer, Bob Hamilton, Clayton Heafner and E. J. (Dutch) Harrison were listed among the field of 40 to qualify at Lakewood. They would have been at Fort Worth for the Colonial tournament, which was to have opened next Thursday.

But with cancellation of the tournament, Palmer, Heafner and Hamilton, who are playing in the National PGA at Richmond, Va., said they would ask permission of the USGA to transfer their qualifying sites nearer home.

6—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, MAY 27, 1949

Colts Take Third Game From Tribe

The Midland Indians move from San Angelo to Big Spring for a three-game series with the Broncos, opening Friday night. Bill Gilliam is the probable starting pitcher for Midland. Manny Rodriguez is the probable starter for Big Spring.

SAN ANGELO—The Midland Indians stayed in the same rut here Thursday night and dropped their fourth game in a row and the third straight to San Angelo. The Indians blew a four-run lead in the seventh and eighth innings to give the Colts an 8 to 5 decision.

With the Indians leading 5 to 1 in the seventh, Blair lost his stuff and was touched for three consecutive singles. Then Bob Rose kicked a hopper to second base to let in the second run of the inning.

Midland went down in order in the first of the eighth but the Colts continued their work. A double, three singles and a base-clearing triple finished up the slaughter and gave San Angelo the nod.

12 Left on Base
Midland's batting order collected only seven hits off three San Angelo hurlers and left the usual dozen men stranded on the bags. They scored four runs in the third and one in the sixth.

The Indians were playing without Harold Webb. He left before the game on a talent hunt.

The win gave San Angelo the series in a clean sweep.

The Rt. Rev. Theodore N. Barth, D. D., bishop coadjutor of Tennessee, delivered the baccalaureate sermon last Sunday and J. Kennedy Craig of Knoxville, a trustee of the University of the South, delivered the commencement address in All-Saints' Chapel.

Flood Cancels Out Colonial Invitation

FORT WORTH —(P)—The \$15,000 Colonial National Invitation golf tournament, a five-star stop along the PGA tournament trail, won't be held this year.

Twice the Colonial Country Club course has been flooded and the second was too much to overcome.

That one came Thursday and it caused Tournament Chairman Max Highfill to announce cancellation of the select golf meet which was scheduled to open next Thursday.

Wires were sent to the 36 players who had been invited to participate. Thirty-five were professionals and one amateur.

Yale beat Army in the 1948 Heptagonal track and field Games at West Point by the margin of 45 21/30 to 45 16/30.

MAJOR LEAGUES—Musial, Slaughter Bat Cards To Win

By JACK HAND
Associated Press Sports Writer
Watch the St. Louis Cardinals go, now that Stan Musial and Enos Slaughter have started to hit.

Both hit home runs Thursday night in the Cards' 13-6 victory over Pittsburgh.

St. Louis' victory in the only National League game moved them into a fifth-place tie with the Phillies.

When rain washed out the New York Yankee-Detroit game, both the Boston Red Sox and Washington Senators gained a half-game on the leaders.

Now five back of the Yanks, the Red Sox dumped the St. Louis Browns 7-5.

Cleveland closed its disastrous Eastern tour by bowing to Washington 5-4 in a game called after the first of the eighth to permit both teams to make a train connection.

The other major league clubs were not scheduled.

Texas League—Stumbling Eagles Go Down Again; Padres Push Almost To Top

By The Associated Press

The golden dream built with the gold of Oilman Dick Burnett appeared ready to fade in a Texas League nightmare Friday.

The Dallas Eagles, tottering and stumbling, were just a half-game ahead of San Antonio's Missions, who have caught fire along with the bat of one Joe Frazier.

Jolting Joe personally has brought San Antonio three straight victories to put the Missions just 14 points back of the faltering Eagles.

The Eagles moved out of Dallas Wednesday night after losing 10 out of 15 games in a home stand. The first road tilt was with Tulsa Thursday night. The Oilers hammered the Eagles for a 6-3 decision.

\$125,000 Outfit Folds
The team Burnett spent \$125,000 for folded before a Tulsa surge that rolled five runs across the plate in the seventh.

San Antonio licked Houston 1-0 on Frazier's single in the third that brought in the Mission tally. Tuesday night Jolting Joe hit a homer in the ninth to give San Antonio victory. Wednesday night he clouted a homer in the ninth to bring another one.

Shreveport, lumbering along in third place, held the pace with a 5-1 win over Beaumont.

Fort Worth stayed four points back of Shreveport by licking Oklahoma City 15-3.

Streams that run north and south are preferred by fish.

Turnesa Blasts Way Into British Finals

PORTMARNOCK, IRELAND — Willie Turnesa, American amateur golf king, pitched and putted his way into the finals of the British Amateur Championship Friday by defeating Ernest Millward of England one up.

Frank Stranahan, only other American surviving the early rounds of play, was eliminated Thursday.

Iowa Bonus Data Received By Hines

Blank forms for veterans to file for Iowa service compensation now are available, Merritt F. Hines, Midland County Service Officer, has been advised.

In a letter from K. C. Greenwald, office manager of the World War II Service Compensation Board, Hines was instructed that out-of-state veterans are privileged to write to the Des Moines office and request necessary papers on which to file their state bonus claims.

Veterans should give full name, serial number and branch of service. Bulk distribution of forms is not being made beyond the borders of Iowa.

Payments will be deferred until the Supreme Court renders a decision on the test case now pending with reference to validity of recent legislation dealing with financing of the project.

Hines said several veterans here who entered the service from Iowa sought information on the bonus.

Work To Start On Stanton Hospital

STANTON — A ground-breaking ceremony for the new \$200,000 Martin County Memorial Hospital will be held here at 5 p.m. Saturday, Jim Eliand, business manager, announced.

Scores of citizens from Martin and neighboring counties are expected to attend.

The building site is a block north of the courthouse square.

The hospital, made possible through public contributions and a grant from the government, will contain offices for two doctors and a dentist, nurses lounge, surgical and obstetrical rooms, nurseries, laboratories, kitchen utility rooms, in addition to patients' rooms.

The Gilstrap Construction Company of Lubbock has the general contract for construction of the 15-bed plant. Completion is scheduled within 420 working days. The electrical contract went to Talley and Wortham of Big Spring, and the heating and plumbing to Sampson of Lubbock.

The new hospital will be well equipped and strictly modern throughout.

Livestock

PORT WORTH — Cattle 225; calves 95; active; common to medium slaughter yearlings 17.50-22.00; butcher and beef cows 16.50-17.75; good and choice fat calves 24.00-27.00; common to medium calves 17.00-22.00.

Hogs 400; butchers and sows 25-50 cents higher; feeder pigs unchanged; top 19.75; good and choice 190-260 pounds 19.50-75; good and choice 190-185 pounds 18.00-19.25; sows 15.00-18.50; feeder pigs 15.00-17.50.

Sheep 3,000; steady; common to good Spring lambs 23.00-27.50; medium grade shorn slaughter lambs and yearlings 25.00-50; choice to 27.00; common and good shorn two-year-old wethers 15.00-22.00; common to good shorn slaughter ewes 9.00-13.00; shorn feeder lambs and yearlings 18.00-22.00.

Griffin Improves After Brain Surgery

DALLAS — E. P. Griffin, Wichita Falls oil operator who underwent brain surgery here Wednesday after being shot through the head, was in improved condition at Baylor Hospital Friday.

Attendants said Griffin has regained consciousness and "spent a good night" Thursday night. Griffin was found wounded on the E. P. Price lease about 11 miles northwest of Ballinger Tuesday. Authorities did not say how he came to be shot.

Cotton

NEW YORK — Friday noon cotton prices were five to 25 cents a bale higher than the previous close. July 32.32, October 28.90 and December 28.72.

ANDREWS HEARING

AUSTIN — The Railroad Commission Friday announced a hearing June 30 on the application of Sinclair Prairie Oil Company for adoption of special rules governing production in the Shafter Lake field, Andrews County.

DIALS IN OPERATION

The new dial telephone system, recently installed at Western Clinic Hospital, was put into operation Thursday afternoon. Hospital officials said there may be difficulty in getting a department occasionally, but the difficulty is expected to be ironed out as attendants become acquainted with the system.

SUFFERS BROKEN ARM

Virginia Harrell, daughter of Mr. and Mrs. W. W. Harrell, Rankin, was treated for a broken arm Thursday at Western Clinic Hospital.

SIDE GLANCES

"The best time we've had in years—I can't remember another party where there was nobody we had to be polite to!"

SPORTSLANTS
BY SHORTY SHELburnE

Coach Francis Tubbs of Andrews High School, one of the top grid mentors in West Texas, had an unusual and almost fatal experience this week.

As he was cleaning out the Andrews swimming pool, which he will operate during the Summer, he was bitten by a spider. He didn't pay much attention to it until it brought him down like a right to the jaw.

Doctors expressed the belief it was a black widow spider that had nipped him.

He is reported out of the hospital now and recovering in his home at Andrews.

Coach Tugboat Jones will take his regular school physical education class on a fishing trip to Water Valley Park on the Concho River Friday. The group will wind up the school year with this event.

They plan to return home Saturday.

Congratulations to the Midland High School baseball players who were announced as lettermen by Coach Garvin Beauchamp. They are Don Deel, Frank Roberson, Ray Williams, Max Harris, Roy Mann, Jimmie Conine, Marlon Tredaway, Norman Drake, Larry Buckingham, Dee Bivens, Jack Mobley, L. C. Thomas and Moe Price.

Even though they had a rough season, these boys have much promise in the diamond sport. In some cases they undoubtedly will find their way to the big time.

Marlon Tredaway, who played a lot of shortstop and first base for the Bulldogs and got his hits regularly, was voted the most valuable player on the squad. He also was named a captain along with outfielder Larry Buckingham.

Buckingham has made a remarkable record at MHS. He is one of a very few who lettered in four sports the same year.

Coach Tugboat Jones on the football team, played basketball, was the leading track man and was the hardest hitting player on the baseball team.

We nominate him as the most outstanding athlete in the school.

Baseball has returned to Pecos in the form of the Pecos All-Stars under the management of L. C. Curb, J. T. LaBaum and Coach Howard Lumley of Pecos High School.

The All-Stars whipped the Pecos Black Tigers last Sunday in their first game of the season. Dr. I. G. Lunday breezed to the six-hit, 10 to 4 victory. He struck out 11 batters.

The Midland Black Indians met the Black Tigers in Indian Park Sunday.

Midland High coaches will spread out to various places next week to get a little more knowledge of what's new in the coaching business.

Basketball Coach Jack Mashburn will go to Alamosa, Colo., for two months of instruction.

Coach Tugboat Jones will go to Colorado Springs, Colo., to a coaching school.

Gill, Beauchamp and Rutledge and possibly some of the other mentors probably will go to Beaumont to the Texas Coaches Association school in August.

The Chicago Cubs recently announced in the baseball club news sheet, "Chicago Cub News," a four-point platform. It's an ideal platform if they can achieve it.

The four points are:
1. A world's championship.
2. Continued comfort for the fans.
3. To make Wrigley Field America's finest recreation center.
4. Baseball's No. 1 farm system.

That's a pretty big order, especially for the Cubs.

HALF SLANTS . . . We don't know what that radio announcer at San Angelo was trying to pull Thursday night. He kept saying Harold Webb did this and that down on the coaching line but we happen to know for a fact Harold wasn't even in the ball park. He was in his way to Fort Worth and other points to pick up some players. Therefore, whatever happened wasn't Harold Webb's fault because he wasn't even there. . . . Webb telephoned us Friday morning and assured us there will be some changes in the lineup before the Indians open at home against Odessa Monday night. . . . Babe Ruth struck out more times than any other major league batter in history—1,350 times in his career. . . . San Angelo swept the three-game series from the Midland Indians, but it wasn't especially because the Colts are good. It was mainly because the Indians acted and played like a bunch of bushers. . . . We're still for getting a number four-hitter in the lineup. Why not get a man who can knock those runs in instead of leaving them on the bags?

Sports

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, MAY 27, 1949-7

Threesome To Guide Boxing's Fate As Mike Jacobs, Sick And Tired At 69, Steps Down

By GAYLE TALBOT
NEW YORK — What is going to happen to boxing now that Mike Jacobs, sick and tired at 69, has severed his last connection with the sport he turned into a personal gold mine?

The best answer that suggests itself is the prediction that before long the boys along cauliflower row will find themselves gassing about the "good old days" when Mike ruled the game and big things were popping.

Mike's 20th Century Sporting Club is no more. Several of its key employees received their "notice" last week. Others will be absorbed by the new International Boxing Club of New York, the branch and property of Madison Square Garden.

Among the latter is Harry Markson, a knowing citizen who was managing director of the 20th Century in its last months and will occupy the same post in the new set-up. His orders will come from the Garden directorate.

Disciples Of Maestro
Markson was close to Jacobs more than a dozen years, knows precisely how the old curmudgeon operated, and will be in there trying hard. The trouble is, he will not have Mike's personal bankroll to toss around.

Mike's matchmaker, the New York branch of the IBC will have Al Weill, who is regarded with good reason as perhaps the smartest person in the racket. He has made a fortune as promoter, matchmaker and manager of fighters.

The New York set-up, then, looks about as sound as could be contrived on short notice. It is going to work closely with the International Boxing Clubs of Chicago and Detroit, for which Joe Louis is the front man, backed by a mint of money.

There will be no formal, written agreement between the three branches of the new fistic trust, Markson says, but they are going to try hard to cooperate and avoid anything resembling a "war." Already the friendly threesome has been labeled "Monopoly, Inc."

Midland Golfers In San Angelo Tourney

Midland is represented by 11 golfers who qualified Thursday for the San Angelo Invitation Golf Tournament at the San Angelo Country Club.

Match play was scheduled to get underway Friday. The tournament will be completed Sunday.

Midland golfers and their qualifying scores follow: Charley Wallace, 77; Bill Castleman, 80; Harry Lawson, 83; Wright Cowden, 83; Joe O'Neill, 84; Bob Walker, 84; John Hart, 86; J. R. Creswell, 88; M. J. Kirwan, 89; and John W. Glahn, 89.

Softball Schedule

Joe's Gulf will battle Rotary Engineers and The Reporter-Telegram takes on Shell Oil in the double-header at Wadley Field Friday night. The first game is called for 7 p. m.

Hearing On Habeas Corpus Writ For Navy Athlete Set June 2

HONOLULU, T. H. — Federal Judge J. Frank McLaughlin has set June 2 for hearing a petition for a writ of habeas corpus for Louis B. Williams, Navy baseball star.

The Hutchins, Texas, sailor was tried May 11 by a court martial on a charge of desertion. The Navy withheld the findings of the court martial, meaning he was convicted on the charge or on a lesser offense. He is being held in Navy custody.

Edwin Prichard Is Awarded SMU Letter

Edwin Prichard, son of Mr. and Mrs. C. Ed Prichard of Midland, was one of 99 athletes to receive an award at Southern Methodist University in Dallas this week.

He lettered in tennis. Prichard graduated from Midland High School in 1948.

FACILITIES AVAILABLE TO EVACUATE AMERICANS

HONG KONG — U. S. Vice Adm. Oscar C. Badger, Western Pacific fleet commander, said Friday "More than adequate facilities" are available for possible evacuation of Americans from Communist-threatened South China.

Oil Men, Unionists Blast Crude Imports

DALLAS — Imports of foreign oil were blamed for layoffs in the domestic petroleum industry. The union official who expressed this belief predicted further unemployment.

E. E. Phelps of Denver, director of research and education for the Oil Workers International Union (CIO), told a House Small Business Committee:

"From July, 1948, to February of this year, 7,000 persons lost their jobs in crude and natural gas production.

"Considering all present trends, further layoffs can be expected unless the industry is allowed to expand."

The House committee ended two days of inquiry here into the impact of imports on the United States' domestic oil business and national security.

Wallace E. Pratt, Carlbad, N. M., told the committee a domestic industry with capacity and equipment to supply peacetime demand, is the best assurance of adequate supplies of petroleum products in war.

Longhorn League—San Angelo Colts Join First Bracket In Loop Standings

By The Associated Press
San Angelo edged into the first division of the Longhorn League Friday but that didn't particularly concern Big Spring and Vernon.

Those clubs were so far out in front they couldn't be bothered. Big Spring beat Roswell 3-2, and Vernon trimmed Sweetwater 3-1 to keep the two-game margin between them.

Ballingrider edged Odessa 3-2 to drop the latter into a tie with San Angelo for third place. Ballinger went past Roswell into sixth. San Angelo triumphed over Midland 8-5.

Harry Lumley of Detroit led the National Hockey League goaltenders in penalties last season, incurring 12 minutes for misconduct.

Shoot! The Chute Was Too Small

PITTSBURGH—(AP)—Shur and it'll be a cold day in Donegal before Danny Donahue takes another ride in his mother's laundry chute.

Nine-year-old Danny has been sick the past few days—nothing serious mind you. Just enough to make him "sort of restless" staying in bed, his mother reports.

Mrs. Donahue looked in at Danny's room. Danny wasn't there. A search uncovered the youngster—all 78 pounds of him—in the laundry chute, stuck halfway between the first and second floors. They tried ropes and poles but Danny was stuck for shur. So the firemen brought out their axes and tore out enough wall to let Danny slide the rest of the way to the cellar.

Back in bed again, Danny explained he just wanted to see if he could fit in that chute. He knows now.

Public debut of fluorescent lighting took place in New York City on April 21, 1938.

Daddy Ringtail By WESLEY DAVIS

Daddy Ringtail And Yes And No

After Daddy Ringtail said that the Striped Dog was really a dog, Mugwump Monkey was very happy. He wanted to show his dog to everyone, but first he wanted Bobby Ringtail to see it.

Bobby was playing in the sand pile, there beneath the very tall tree, when Mugwump found him. Bobby was going to say a "happy day," which is the forest way of saying "hello," but he quite forgot to do it when he saw the Striped Dog.

quarrel at all, if people will stop to find out what the other one thinks. There will be still another adventure in your newspaper Sunday about the Striped Dog. It will be Daddy Ringtail and Thingamajig. Happy day and happy waiting until then to hear it.

(Copyright 1949, General Features Corp.)

The highest team total ever registered by a school in a Southwest Conference track and field meet was 89 3/4 by the University of Texas in 1944.

THE SILENT FIELD

Since the noise of battle died away there is hardly a sound to break the silence.
The men who come here to lay wreaths on the graves never speak. Only the birds seem oblivious to the spell; and their song is a hymn of peace.
But sometimes, when your heart is full, you'd swear you heard voices, the voices of men you fought with . . . and left behind.
There's no use breaking the stillness of this silent field to answer those voices.
The way to answer them is to make this the kind of world they wanted it to be. And to bring this about, we must strengthen Christianity as the chief requirement of a successful democratic way of life. For this reason, we must all support our churches and take an active part in their development and growth.
The world "they" prayed for, lived for, died for, can be won. Sunday is another D-Day.

THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Sunday	Book	Chapter	Verse
Monday	Matthew	1	6-8
Tuesday	John	1	6-17
Wednesday	Galatians	1	6-11
Thursday	1 Peter	1	5-11
Friday	1 Corinthians	12	14-21
Saturday	Proverbs	8	1-12
	Proverbs	31	10-15

FUNNY BUSINESS

"George always says that putting up a lawn chair correctly is one of the mysteries of life!"

Who Wouldn't?— Nervous Youngsters Flub 'Em; Ohio Lad Wins Spelling Bee

WASHINGTON—(AP)—Kim Calvin, 13, Canton, Ohio, Friday won the 22nd annual National Spelling Bee. Runner-up was James Shea, 13, Brooklyn, N. Y.

Calvin, 13, from Avondale School, correctly spelled "dulcimer" after Shea spelled it "dolcimer." Calvin correctly spelled "onerous" to clinch the championship.

It took some 50 rounds to spell down the rest of the 49 contestants, all state and regional champions.

First prize is \$500 and a New York trip. Second prize is \$300. Fred Shoup, 12, of David Starr Jordan School, Palo Alto, Calif., won third prize and \$100.

His downfall came after more than 50 rounds on "encyclical."

After he had waded through some of the toughest words in the book, he started his last word with an "a."

Runner-Up Faints

Shea fainted shortly after the windup of the bee. He was prevented from falling from the platform by someone standing near him and he was revived in a short time.

Among those who went out in Round Three was Janelle Carter, 13, from East Chambers School, in Winnie, Texas. She missed "lialson."

The words got tougher in the fifth and sixth rounds. The fifth knocked out five contestants.

Rebecca Smith, 13, of the Estelita School, in Memphis, Texas, missed "trousseau."

Harriet Smith, 12, of De Zavala School, Fort Worth, came to grief on "expatriate," and Lynn Owens, 13, of Jackson Junior High, Houston, went down on "barricade."

Diplomats Dismiss Molotov's Plan For Satellites As Failure

By JOHN M. HIGHTOWER

WASHINGTON—(AP)—The so-called Molotov Plan for Eastern Europe, acclaimed as Russia's answer to the Marshall Plan, now is being dismissed by diplomatic authorities here as a failure.

They base their conclusion on economic conditions in the Russian satellite countries. These countries seem to be running into serious difficulties which can be relieved only if they are able to get large quantities of goods from the Western nations, especially the United States.

American officials blame the plight of these countries on the fact that the Molotov Plan has not paralleled the Marshall Plan. It has operated in an opposite manner. Instead of pouring recovery goods into Eastern Europe, Russia has been draining those countries of their resources for its own benefit.

Drastic Changes

Reports now are reaching here of possible drastic moves by Russia or the satellite countries to try to ease the situation. The most dramatic of these comes from former Czechoslovakian officials now in exile in this country.

These exiles say they have information from Prague that the Communist government, under Moscow direction, plans to put a number of non-Communist officials in positions to try to make the whole regime more acceptable to the United States and other Western countries.

Such a window-dressing maneuver could be aimed only at interesting this and other non-Communist nations in relaxing controls on shipments to Czechoslovakia and possibly giving other assistance.

Scharbauer Coffee Shop Reopens After Redecorating Job

The Scharbauer Hotel Coffee Shop reopened Friday as one of the brightest and most attractive eating places in West Texas, after having been closed 10 days for remodeling, redecorating and installing of new fixtures.

The coffee shop's main dining room features a new and lower sound proof ceiling, new fluorescent light fixtures, new stainless steel counter, stools, service and back-bar, new cashier's counter and office desk and other improvements.

The restaurant is owned and operated by John Cassemann and son, John, Jr.

The counter and table tops are of a composition material, harmonizing in color with the white ceiling and bluish color walls.

The Blue Room was completely redecorated and new draperies installed.

The kitchen was repainted and some new equipment, including a new electric silver polisher, one of the few in West Texas, installed.

An automatic cup and saucer holder is a feature of the backbar in the dining room.

The waitresses Friday morning were attired in attractive new uniforms.

Krug Cites Need Of Canadian, Colorado Water Plan Projects

HOUSTON—(AP)—There's a critical water situation facing the Southern High Plains of West Texas.

And the only way to solve it is to develop the Canadian and Colorado Rivers, Secretary of Interior Krug said.

Krug was to make an inspection of tideland operations off Texas and Louisiana shores Friday.

In his speech Thursday night he pointed out that ground water supplies in the plains area is being withdrawn at a rate of 20 gallons for every gallon returned from normal rainfall.

"If this present trend continues, water will be taken from the wells at an even greater rate and this disturbing disparity between withdrawal and recharge will increase."

Problem Grows Rapidly

Krug said the problem had grown rapidly since 1924. Then, there were only 300 wells in the area, irrigating about 35,000 acres.

"In 1948 more than 10,500 wells irrigated 1,250,000 acres. More than 1,000,000 acres of water in this area were drawn from these wells in 1948. The significance of this large withdrawal of ground water is apparent when you remember that only 50,000 acre feet is returned to this same basin every year."

In considering possible solutions, the secretary said:

"The cities in the southern part of the area can best be served from the reservoir of the proposed Robert Lee Reclamation Project and we believe the cities in the northern part can be served from a reservoir site on the Canadian River near Amarillo."

JayCees See Movie At Weekly Meeting

A film showing the damage caused by the telephone line in this area by last winter's ice storm was shown at the regular weekly meeting of the Midland Junior Chamber of Commerce in the Crystal Ballroom of Hotel Scharbauer Friday noon. Albert Case, business manager at the Midland office of the telephone company, gave a short introductory talk before the showing of the film. Operations at the switchboard here also were shown.

President Riley Parr announced the installation services for new JayCees officers at the VFW Hall Friday night. Irby Dyer is the president-elect. A barbecue will be held in connection with the inauguration.

Plans for the rodeo were discussed. JayCees were requested to take the lead in putting on Western dress starting Monday.

MARRIAGE LICENSE

A marriage license has been issued by the county clerk to George Wood Oliver and Frances F. Dickerson.

State Department Launches Overhaul

WASHINGTON—(AP)—With five new high officials, the State Department Friday was launched on a major, top-to-bottom administrative overhaul.

The purpose: to increase efficiency and relieve an "intolerable burden" on Secretary Acheson.

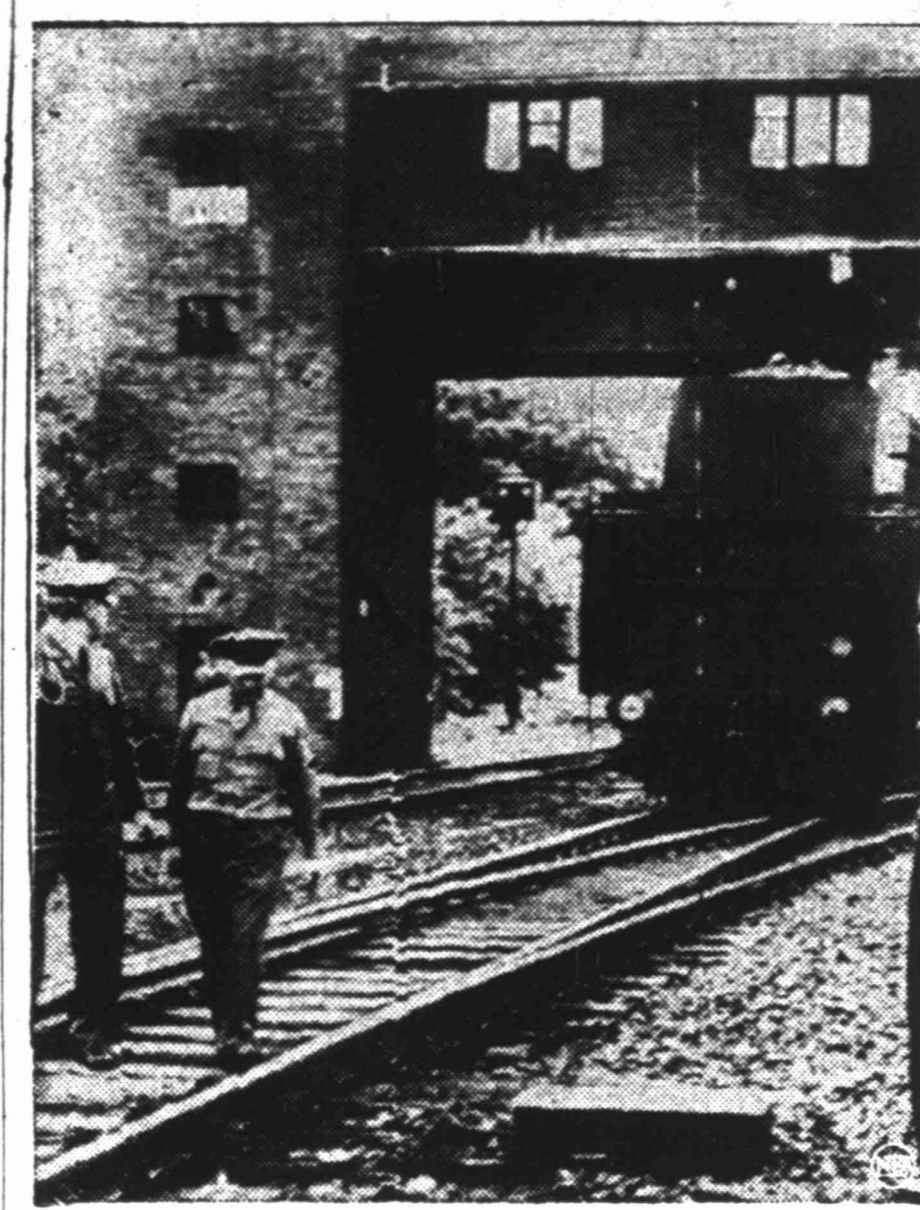

President Truman's approval Thursday of sweeping changes authorized by Congress put into effect a reorganization plan along lines recommended by the Hoover Commission.

Soldiers Lead Train Into Berlin

Maj. H. A. Ziegler, left, Denver, Colo., and an enlisted man lead the way on foot in front of a locomotive towing a 12-car American military train into Wannsee Station in Berlin. They walked ahead to prevent any interference with the train, which had been stranded when Soviet zone workers refused to operate switches.

Congress May Work Into Summer, Says President Truman

WASHINGTON—(AP)—Congress may be asked to work well into the sizzling Washington Summer to put through more of President Truman's broad legislative program.

Truman said as much Thursday. He told a new conference he hopes to see a major part of his program enacted before Congress quits—and then added flatly that this doesn't mean Congress will adjourn July 31. Some members have talked about such a quitting date.

House Speaker Rayburn (D-Texas) commented:

"Before Congress adjourns it is going to enact a very full and constructive program. There has been no agreement among leaders of Congress and the White House for the exclusion of any legislation."

Newsman generally got the impression from Senator Lucas (D-Ill.), in talking with him Tuesday, that only three major measures remain on the Senate's "must" list for this session. But both Lucas, who is the democratic leader in the Senate, and the President said Thursday that was the wrong impression.

T-H Repealer Next

Truman told his news conference he still stands for everything in the program he presented in January.

In an interview Thursday, Lucas said the bill calling for repeal of the Taft-Hartley Labor Act may be the next big measure considered by the Senate.

Previously, extension of the Reciprocal Trade Act had been first on the list, with ratification of the North Atlantic Treaty second and the labor bill third.

Other measures on the Truman program include such items as a proposed \$4,000,000,000 tax boost, compulsory health insurance, rights and security expansion and farm legislation.

In his news conference, Truman said specifically he still wants the tax increase as a means of keeping the government's income even with its spending. But he also said he is considering a plan by Rep. Mills (D-Ark) to do the same thing by speeding up corporation tax payments.

Fireworks Due At Presbyterian Meet

MONTREAT, N. C.—(AP)—Southern Presbyterians awaited the fireworks Friday after naming W. E. Price, layman of Charlotte, N. C., as moderator.

Price was elected at Thursday night's opening session of the 89th General Assembly of the Presbyterian Church in the U. S.

Before the day is out, 62 overtures, or resolutions, will have been dumped in the assembly's lap and 26 standing committee reports submitted. First of the reports likely to create a stir was that of the church's counterpart of the "Hoover Commission," that is the Interim Committee on Reorganization.

Like the Hoover Commission's report on government, this committee urges a drastic overhauling of the church's bureaucracy to cut out duplication and overlapping of functions.

Oil And Gas Log

(Continued From Page One)

townsite will be barren of petroleum production.

Tom Green Venture Hunting Ellenburger

Drilling was continuing toward the Southeast Tom Green County Ellenburger at M. E. Davis and Hiawatha Oil & Gas Company No. 1 Jones, wildcat three and three-quarter miles west of the south end of the Susan Peak field.

Last report had it below 5,343 feet in a lime and shale formation thought to be lower Pennsylvanian.

It was water on recent drill-test to 5,262 feet in a dolomite formation which some observers have called reworked Ellenburger, picking the top at 5,234 feet.

Informed geologists say dolomites are present in the Pennsylvanian which greatly resemble Ellenburger and are prevalent in wells drilled in that area, accounting for the unfeasible sources mis-calling the formation.

Those observers also called the venture low on the top of the Ellenburger to Plymouth Oil Company No. 1-B Greth, Susan Peak-Strawn producer dry in the deep zone. As the Davis and Hiawatha venture has not yet reached the horizon, accurate correlation hardly can be possible.

It is 660 feet from the north and west lines of section 190, district 11, SPRR survey.

Sinclair Logs Signs; Plans Borden Test

Drillstem test was planned shortly at Sinclair Prairie Oil Company No. 1 Williams, Northwest Borden County wildcat.

The venture was drilling ahead from 9,865 feet in lime, after logging some 500 feet in samples. It is due to make a few more feet of hole and test. The current formation is thought to be lower Pennsylvanian.

Location is 660 feet from north and east lines of section 45, block 32, T-8-N, E-2-R survey, about 11 miles northwest of Gail.

Brain surgery was made possible by the discoveries of Pasteur and Lister and dates back only about 80 years.

Midshipman Dies Of Plane Crash Injuries

CORPUS CHRISTI—(AP)—Midshipman Humphrey Johnson, 20, of Lowell, Mich., died in the U. S. Naval Hospital here Friday of head injuries suffered Thursday in a plane crash.

Johnson was a student at California Field Navy Auxiliary Station here. His plane crashed south of Falfurrias during a training flight.

His mother had left Lowell by plane Thursday night for Corpus Christi and did not know of her son's death until a Navy chaplain informed her soon after the plane landed.

CAST TO BE REMOVED FROM M. F. KING'S ARM

M. F. King, prominent Midland rancher, who fractured his left arm when thrown from a horse at his Clabber Hill Ranch about 10 days ago, said Friday the cast will be removed from the arm Saturday. He said the bone is healing satisfactorily and that he is "feeling fine."
