## Atlantic Pact Approval Imminent

**Norsworthy Locates Scurry Deep Wildcat**

C. L. Norsworthy, Jr., of Dallas, and associates are to start drilling by August 15, on a 7,500-foot wildcat in Central-East Scurry County. The venture will be carried by their N. L. D. F. company.

Location is to be 467 feet from the north and east lines of the northeast quarter of section 63, block 3, H&TC survey. That makes it 10 miles due east of Snyder and five miles northeast of Hermleigh.

D. Feldman and C. L. Pardo own the full mineral and lease rights on the tract. Grady Williams owns the surface of the land on which the exploration is to be drilled.

**Farmout From AT&PC**

The acreage on which the project is to be undertaken is a farmout from American Trading & Production Corporation. That concern has a spread of approximately 3,200 acres in that region.

In addition to making a bottom-hole contribution of some checker-boarded acreage, AT&PC is contributing an undisclosed amount of dry-hole money. Sun Oil Company, which owns offset acreage to the north of the well site is also giving dry-hole support.

Other companies with acreage in the vicinity of the deep prospector are Hunt Oil Company, Pacific Western Oil Company, Humble Oil & Refining Company, Tide Water Associated Oil and Union Oil Company of California.

The block on which this venture is to be undertaken has been worked by several different sub-surface survey operations. Interested operators say those studies indicated a favorable structural condition.

**Plane Crashes Into Homes—Kills Seven**

A C-46 attempting to take off from Boeing Field, Seattle, Wash., struck a power line and crashed into homes adjoining the field. Five occupants of the homes were killed along with one of the plane's passengers. A seventh victim has not been identified.

## Britons Flay U. S. Policies On Germany

LONDON—(AP)—Foreign Secretary Ernest Bevin told Parliament Thursday America's unconditional surrender policy for Germany left "a shambles" upon which to rebuild the German nation.

Winston Churchill, leader of the opposition to the Labor government, replied that the unconditional surrender phrase first was mentioned by President Roosevelt "without consultation with me."

Bevin, speaking in a foreign policy debate in the House of Commons, said the first time he had heard the phrase was in the newspapers. The foreign secretary was a member of Churchill's wartime coalition government.

Addressing himself to Churchill, Bevin said, "If the phrase had been put to me as a member of your cabinet, I would never have agreed to it."

"I do not complain," Bevin said. "I look at it as it was. But it is hard for leaders of the opposition to criticize me when they left me such a shambles to take on."

Opening the debate, Bevin said: "Unconditional surrender left us a Germany without law, without a constitution, without a single person to deal with and without a single institution to grapple with, and we have had to build from the bottom on nothing at all."

Churchill agrees.

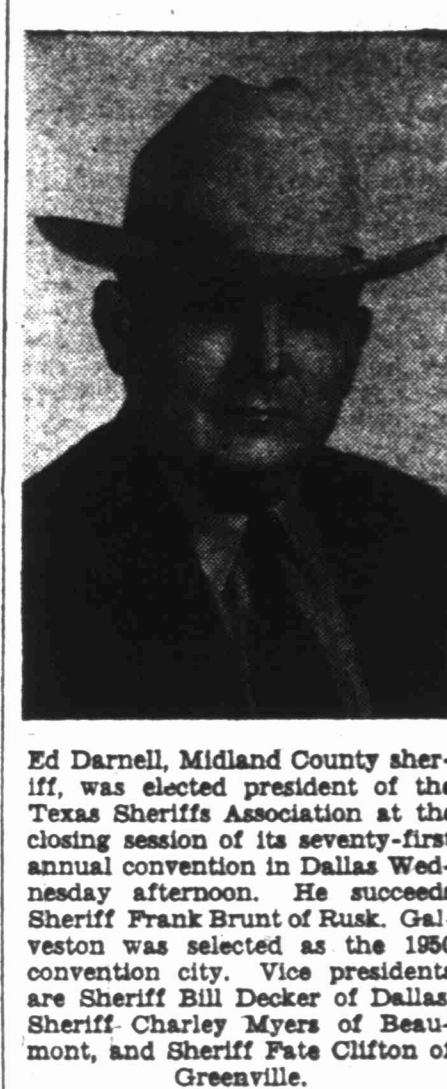

Replying, Churchill recalled that he had heard of unconditional surrender from the late President, and added: "I had very rapidly to consider whether the state of our position in the world was such as would justify me in not giving support to it. I did not give support to it, but it was not the idea I had formed in my own mind. If the British Cabinet had had to consider the phrase, I have not the slightest doubt that they would have advised against it."

Bevin also criticized American policy on the dismantling of German war plants. He said he tried to carry out the announced British policy of breaking up the "number one" plants by June, 1948, "and I was completely upset and hindered by the Allies."

"I took one view at one time, then altered it; appointed inquiry committees and then put up an entirely different proposal," the foreign secretary said.

"It is all very well to say that we should regard Germany now not as an aggressor, but I am not ready to do that yet."

**High Sheriff**

Ed Darnell, Midland County sheriff, was elected president of the Texas Sheriffs Association at the closing session of its seventy-first annual convention in Dallas Wednesday afternoon. He succeeds Sheriff Frank Brunst of Rusk. Galveston was selected as the 1950 convention city. Vice presidents are Sheriff Bill Decker of Dallas, Sheriff Charley Myers of Beaumont, and Sheriff Fate Clifton of Greenville.

## Balloting Due Late Thursday

By DON WHITEHEAD  
WASHINGTON—(AP)—Senator Wherry, the Republican floor leader, told the Senate Thursday that before approving the North Atlantic Pact it should "close the door" against giving the atom bomb to other members.

With a vote only hours away, the Nebraska senator said he is concerned that the treaty may obligate this country to let others in on A-bomb secrets.

Senate leaders said they were confident that even the atomic issue will not halt overwhelming approval of the treaty. They estimated no more than 15 votes and perhaps less—against the pact.

At President Truman's news conference, held shortly before the Senate met, a reporter had mentioned the stand Wherry was taking.

Truman brushed it off with the comment that Senator Wherry has a lot of underground fears about the treaty which I'm not interested in.

**Wherry Fervid**

Wherry had raised questions Wednesday about the A-bomb and the treaty.

When the Senate convened Thursday, Wherry brought the matter up again.

"I ask the question," Wherry said, "Are we to share the atomic bomb, its secrets, and the know-how? Will they (the other pact members) have the right to them? Is there a moral or legal commitment to do that very thing?"

Wherry pleaded that the Senate adopt a reservation he and Senators continued on page 10.

**Showdown Battle On Brannan Farm Plan Underway In House**

WASHINGTON—(AP)—Rep. Pace (D-Ga.) told the House Thursday in the battle over farm legislation that the issue is "whether your government will continue to buy food and destroy it."

Pace is the author of the Administration's new farm bill which would permit a three-crop trial run of the Brannan subsidy plan.

Shortly after he spoke, however, Rep. Gore (D-Tenn.) formally laid before the House his substitute measure and called for a showdown vote on it.

Gore, leader of a Democratic-Republican coalition, proposes to junk the Administration plan and continue the present farm price support program in 1950. He claims enough votes to do it.

Pace told the House it "is time to consider the consumer."

He cited the present government program of buying surplus potatoes to bolster market prices. He said this had cost \$408,000,000 and many of the potatoes were destroyed.

**GOP Rallies Members**

He urged Secretary of Agriculture Brannan's subsidy plan as a means of preventing such destruction and getting the potatoes to the consumer. Under that plan, prices would fall to their natural level. The farmer would receive a government check to make up the difference between that price and what the government considers a fair price.

The House was called into session two hours earlier than usual to make crucial decisions that may determine the political fortunes of many farm belt Republicans and Democrats in the 1950 congressional campaign.

Indicative of the heat of the battle, GOP leaders sent out orders for every one of the 171 Republican members who can "breathe a nod stand" to be on hand to vote against the Administration measure.

Chairman Cooley (D-NC) of the House Agriculture Committee, who with Rep. Pace (D-Ga.) is leading the Administration's battle, refused to concede defeat. But he admitted on the House floor that "We are in trouble."

**Wemple Outlines Rural Road Plans**

AUSTIN—(AP)—Details of how the \$30,000,000 voted for rural roads will be spent were being worked out Thursday by the State Highway Commission.

Chairman Fred Wemple announced that designation of roads to be improved would be announced later Thursday. He made the statement at the opening of a two-day public hearing on a long list of road projects.

The money, to be spent at the rate of \$18,000,000 a year, was voted by the 51st Legislature.

Plans virtually are complete for all but about 15 of the state's 254 counties, Wemple said. The commission has been working with county commissioner's courts and civic groups on the huge road improvement program.

**Another Hot, Dry Day Plagues Texas**

By The Associated Press  
Another hot, dry day gripped Texas Thursday.

The mercury's high mark Wednesday was 109 at Presidio, Laredo and Wink had 103 degrees; Big Spring and Mineral Wells 101; Wichita Falls and Childress 102, and Midland and Fort Worth 106. Galveston with 90 degrees was the coolest spot.

Thursday morning's range was 66 at Guadalupe Pass to 79 at Galveston.

Two places had rain. Beaumont was damped by .71 inch and Maria by .02.

**Potential Reported On Mitchell Strike**

Completion report of an Ellenburger discovery in West-Central Mitchell County has been filed with the Texas Railroad Commission.

The strike is Superior Oil Company No. 1 Decker, which has three and one-half miles southwest of Westbrook and 660 feet from north and east lines of section 17, block 28, T-1-S, TP survey. The potential test is the first data on the well released by the operator.

The development flowed 24 hours through a 1 1/4-inch choke for an initial production of 170.7 barrels of oil and 61.9 barrels of water. Gas-oil ratio was 302-1. Corrected gravity of the petroleum was 46.3 degrees.

The Ellenburger pay formation was open hole through 7,990 feet, where seven-inch casing was cemented, and total depth 8,004 feet. That zone had been treated with 1,000 gallons of acid.

**Amerada Completes Lea Deep Discovery**

Potential test has been taken at Amerada Petroleum Corporation No. 1-BTA State, Silurian discovery in Northwest Lea County, N. M., 13 miles northeast of the Caprock pool.

This development, located 1,980 feet from south and east lines of section 2-12e-33e, was barren on total depth 11,786 in basement chert, and plugged back to 10,990 feet for production tests of the Silurian, which showed for a discovery when penetrated.

Perforations were shot into casing at 10,990-10,965 feet. Flowing 5 1/2 hours through a 1 1/2-inch choke, the well made 400.2 barrels of 44.4-gravity oil. Gas-oil ratio was 28-1. This makes a 24-hour potential calculated at approximately 1,746 barrels of oil.

**Another Discovery Testing**

Approximately four miles south of this strike, more Devonian pay section was proven for Amerada 1-BTB State, recent strike from that formation, 660 feet from north and west lines of section 26-12e-33e.

A three-hour drillstem test was run at 10,150-200 feet, using 1,000 foot water blanket. Gas and water blanket reached the surface in 25 minutes and oil in 30 minutes.

The well flowed 223 barrels of 37.7-gravity oil in two and one-half hours, with gas-oil ratio 414-1. Pulling drillpipe, operator recovered 19 dry stands, with the remainder of pipe spraying distillate. On top of the tool, 480 feet of salt water was recovered.

On last report, the venture had drilled ahead to 10,260 feet and was running another drillstem test.

**Water Valley Field Spread Northwest**

York & Harper, Inc., and J. P. Gibbins, of Midland, have extended the shallow Water Valley field of Northwest Tom Green and Southeast Sterling County, one and one-quarter miles to the northwest with their No. 1 Clark.

This venture, located in Southeast Sterling County, and 2,418 feet from east and 2,333 feet from north lines of section 6, block A, R. R. Wade survey, tested at the rate of 15 barrels of oil per day, natural, balling, and will be completed as it stands.

Top of the San Andres-Permian lime was encountered at 826 feet. Top of the pay was at 868 feet. The project bottomed at 873 feet, and the balling test was made on the five feet of pay penetrated. No formation water was developed.

The wildcat was drilled with cable tools.

George P. Livermore, Inc. and Deeprock Oil Corporation No. 1 (Continued on page 10)

## Gen. Vaughan May Testify In Probe Of Five Percenters, Says President

WASHINGTON—(AP)—President Truman said Thursday his Army aide, Maj. Gen. Harry H. Vaughan, has permission to testify if he is called before the Senate committee inquiring into operations of "five percenters."

The President declined to comment at a news conference on a story that he had decorated Vaughan in a mock ceremony after the general's recent brush with newsmen in Washington on the five percenters question.

Asked if he had given Vaughan a medal on that occasion, he said a simple no comment.

**Has Confidence In Aide**

At the same time, the President said he always has favored inquiries to see that insiders are not used to obtain government contracts and that is part of his continuing policy.

The President said he does not believe General Vaughan was mixed up in the operations which brought about the congressional inquiry and the suspension of two generals.

Asked if he had given Vaughan a medal on that occasion, he said a simple no comment.

The story of a mock decoration for Vaughan was reported by Newsweek Magazine.

**Pink-Ribboned Package**

The brush with reporters occurred July 6 when the general returned with his family from a three-week vacation trip to Guatemala.

Vaughan declined to comment on the congressional investigation of persons allegedly using influence to obtain government contracts. He expressed anger when a reporter asked about the financing of the (Continued on page 8)

## Atom Plant Publicity Chief Returns, Faces Embezzling Charge

SANTA FE, N. M.—(AP)—H. Tracy Snelling said Thursday in a signed statement that he had used Red Cross money to pay personal debts.

Officers of the Atomic Energy Commission's Security Service questioned a former information director for Los Alamos Atomic Energy Project in secret after his arrival here Wednesday night.

A Security Service plane brought H. Tracy Snelling here from Dallas, where he walked into the FBI office late Wednesday for an unexplained disappearance for a week.

The 37-year-old former Washington, D. C., newspaperman was served with a warrant charging him with embezzling Red Cross money. He headed a recent campaign for funds.

Officials did not allow Snelling to talk with newsmen.

Snelling, who had handled publicity for the Los Alamos project two years, disappeared July 13.

Edwin Brooks, treasurer of the Los Alamos Red Cross, said Snelling gave him a personal check for \$1,000 in payment of money received during a recent funds campaign.

The check was returned marked "insufficient funds," Brooks said. The complaint accuses Snelling of embezzlement on or about June 21.

## Negroes Come Home As Tension Eases In Florida Community

POLK CITY, FLA.—(AP)—Armed night riders burned a cross and fired shots at houses in the negro section here Wednesday night. Polk City is about 20 miles south of Groveland.

GROVELAND, FLA.—(AP)—Negroes began filtering back to their homes here Thursday, their fears calmed by National Guard troops.

Some looted on the lone business street of this tiny lumber and truck farming town. They seemed at ease for the first time since racial violence broke out Saturday after the rape of a white housewife.

Three negroes were indicted for the crime late Wednesday night.

Troops, 300 strong, lined beside 50 machine guns and weapons carriers.

Some townfolk hoped the guard would remain over the weekend, fearing another outbreak if they left.

Brig. Gen. Mark Lance, state adjutant general, was due here to talk the situation over with Sheriff W. V. McCall. General Lance said Wednesday the troops would remain here indefinitely.

The guardsmen kept a weather eye out for trouble after noting a sudden influx of cars from Alabama and Georgia.

## Truck Dealers At School In Midland

More than 25 Chevrolet dealers from a wide West Texas area are in Midland for a two-day truck sales school.

Luncheons were scheduled Thursday and Friday at the Scharbauer Hotel.

The school is an annual event and is held in Midland, District 5 headquarters. Elder Chevrolet Company is host unit.

R. L. Little of El Paso, zone manager, is in charge of the school. He is being assisted by J. C. Morgan and Ken Baird, both of El Paso.

## Pioneer's Hearing Continues In Austin

AUSTIN—(AP)—Pioneer Air Lines' hearing on extension of its certificate to operate continued Thursday before a CAB examiner.

After Pioneer rests its testimony, American, Braniff and Continental Air Lines have to present their cases. The public counsel, J. F. Bishop, also will call his witnesses before the Austin hearing closes.

## Truck Dealers At School In Midland

More than 25 Chevrolet dealers from a wide West Texas area are in Midland for a two-day truck sales school.

Luncheons were scheduled Thursday and Friday at the Scharbauer Hotel.

R. L. Little of El Paso, zone manager, is in charge of the school. He is being assisted by J. C. Morgan and Ken Baird, both of El Paso.

## Shrine Convention Ends

CHICAGO—(AP)—Shriners from all parts of North America ended their seventy-fifth annual convention Thursday with a business session and formal installation of officers.

For FRIDEN Automatic Calculators call Baker Office Equipment Co., Phone 3854, 811 West Texas.

## No Fear Due About Atom, Says Truman

WASHINGTON—(AP)—President Truman said Thursday there is nothing for the American people to be alarmed about in current hush-hush talks about atomic foreign policy.

Truman was sharply critical at a news conference, however, of the man he said leaked information to the press in advance of an atomic policy meeting the President held at Blair House last Thursday.

The President said he knows who the man is, but he did not identify him.

**No Conclusions Reached**

The Blair House conference, bringing together high government and congressional leaders, was the first of two major conferences which have been held on atomic matters.

The second was a meeting Wednesday called by the Senate-House Atomic Energy Committee.

The participants included Secretary of State Acheson, Secretary of Defense Johnson, Gen. Dwight Eisenhower and the Atomic Energy Commissioners.

At the end of it, Senator McMahon (D-Conn.), chairman of the committee, said no conclusions had been reached and that the question would be explored further.

## Another Increase In Polio Cases Reported

WASHINGTON—(AP)—Another increase in infantile paralysis cases was reported by the U. S. Public Health Service Thursday.

For the week ended July 16, 1,013 new cases were reported, compared with 684 the previous week.

This brought to 4,895 the total for the whole year through July 16, compared with 3,801 during the same period last year.

During the last week, increases were noted in all major areas.

## Dilmus D. James Of Abilene Wins Junior Invitation Tourney

Dilmus D. James of Abilene made a clean sweep of golf honors in Midland Thursday by annexing the championship of the Midland County Club Junior Invitation Tournament with a 3-2 victory over Arlyn Scott of Odessa in the finals.

James won medalist honors Wednesday. He had led the field with a 71 in the Sectional Qualifying Round for the National Junior Tournament Tuesday.

Other winners in flights completed were: John Ward of Midland in the championship consolation; Rex Baxter, Jr., of Amarillo in the first flight; Doyle Patton, Jr., of Midland in the first flight consolation.

Play was continuing Thursday afternoon in the second flight and second flight consolation.

## County Officials To Attend Meeting

The county judge and four commissioners will be special guests of the Midland Junior Chamber of Commerce at its luncheon meeting Friday in the Scharbauer Hotel.

Three important matters will be discussed, JayCoe officials said. They are: 1. Midland-Lamesa highway; 2. four-lane highway between Midland and Odessa and a by-pass; 3. restricting of Midland County's precincts.

## 22 Injured In Fire, Explosions At Esso Refinery

BALTIMORE—(AP)—Fire and a series of explosions swept through an Esso Standard oil refinery in Southeast Baltimore Thursday. First reports from hospitals said 22 persons were injured, six seriously.

At least two big gasoline stills exploded. Flames leaped 300 feet above the buildings.

## GI Building Loans Halt Long Decline

WASHINGTON—(AP)—A sudden rise in the number of home loans made to veterans has halted a long decline in the GI home-loan program, the Veterans Administration said Thursday.

The agency said 27,412 new applications for home loan guarantees were received from lenders in June, an increase of more than 49 per cent over the low point reached in the first three months of 1949.

The peak was 58,000 applications in September, 1946. There had been a decline for a year and a half from a 50,000 monthly rate in the fall of 1947.

Governors of four states hand-shake across the Four Corners, U. S. A. boundary marker. Left to right: Gov. Dan E. Garvey of Arizona, Gov. J. Brocken Lee of Utah, Gov. Lee Knous of Colorado and Gov. Thomas J. Meany of New Mexico. Each governor is standing in his own state. State lines are marked in white.

Alabama Increases Tempo Of Fight On Night-Prowling Mobs

BIRMINGHAM, Ala.—High handed lawlessness by night-prowling mobs has spurred Alabama...

A grand jury was ordered into special session Friday to search further into floogings, cross burnings and threats by mobs.

The new anti-mob campaigns by law agencies came simultaneously with reports of two more mob floogings and disagreement between two top-level Klan officers.

A white man revealed Wednesday he and a negro were taken out further into floogings, cross burnings and threats by mobs.

Doiph Bailey, 25, said none of the attackers wore masks. He also said they were not Klansmen.

Mickey Rooney is angling for film right to the life story of golfer Ben Hogan.

THE DOCTOR SAYS

Parents Have Special Problem In Mentally Retarded Children

By EDWIN P. JORDAN, M. D.
Written for NEA Service
The ability to learn is expressed as the intelligence quotient, or "IQ."

Some harm probably has been done by this idea of intelligence testing, as parents are often inclined to pay too much attention to the results, especially when they are the results of a child's IQ.

Parents often feel a keen sense of responsibility for the handicap of a retarded child. Repeated drill or training cannot do away with the mental slowness.

Psychiatrists and school administrative officers can help parents to decide how much the retarded child reasonably might be expected to learn, and the best possible program can then be worked out.

Parents often feel a keen sense of responsibility for the handicap of a retarded child. Repeated drill or training cannot do away with the mental slowness.

Sweetwater Gets Permit For Dam

AUSTIN—(AP)—Sweetwater was granted a permit Wednesday to build a \$2,400,000 dam on Oak Creek in Coke County.

Granting of the permit by the State Board of Water Engineers was challenged by ranchers and other citizens of Coke and Runtels Counties who said they will appeal to district court.

Opposition to the 30,000-acre foot reservoir was based primarily on fear ranchers and farmers below the proposed dam site will not get enough water to stay in business.

Action of the board was by a two-man vote. Chairman E. V. Spence was absent, having disqualified himself voluntarily to sit at any hearings since his recent appointment as interstate compact commissioner.

WE, THE WOMEN

Getting Rid Of A Boring Suitor Often Puts Girl In A Dilemma

By KATH MILLETT
NEA Staff Writer
There's plenty of advice for the girl who wants to know how to attract or hold a man.

But what of the poor girl who doesn't know how to get rid of a boring and persistent suitor? She's society on her own.

At least that's what one young woman tells me. "It seems though the more I try to discourage him, the more persistent he becomes," she says.

"If I tell him I'm busy Saturday night, he wants to know what about next Saturday. If I tell him I have to stay at home and write letters, which should convince any man a girl just isn't interested, he argues with me.

"He embarrasses me by sending me candy and flowers. I feel I have to accept them to keep from being rude—and then I have to give him a date to keep from seeming like a gold-digger. Why, oh why, can't I get rid of him?"

Because you're too kind-hearted. Kind-hearted girls always are afflicted with bors. They attract them as fly paper attracts flies.

Must Be Stopped Early
The only way for a girl to keep from being pestered by bors is to be ruthless from the start.

Never give a bore the first date. Or if you don't find out he's a bore until after the first date, don't give him a second one.

The longer you string a bore along, trying not to hurt his feelings, the harder the problem will become. And the more he'll be hurt in the long run.

That advice may stand you in good stead the next time you meet a bore, but it won't help you get rid of the one who already has managed to get you to the place where you feel cornered.

To get rid of the young man you're trying to discourage will take some ingenuity on your part. You might try introducing him to some other girl. Or you might forget your own ego long enough to make yourself appear less attractive to him. Or you might try ringing in some third person on your date. Certainly, you can figure out some way to keep from seeming desirable to him.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, JULY 21, 1949

Published by JAMES N. ALLISON, Publisher

Neither shall they say, Lo here! or lo there! for, behold, the kingdom of God is within you.—Luke 17:21.

Risky Business

Most Americans probably would agree that it doesn't make sense for us to have a strong, clear policy toward Europe and no policy at all toward Asia.

But do we have the leisure to press for government reforms before extending aid? The pace of the Red march in South China raises doubts.

A specialist in Far Eastern affairs, presents what seems like a wise suggestion for a starter.

This would involve measuring the strength and likely future morale of Nationalist armies, the areas they might successfully defend, and the kind and amount of arms they could put to good use.

From the answers of the military experts we would learn whether we should try to salvage part of continental China or ought better to write it off and get set for a slow uphill climb in support of an exiled government on the island of Formosa or elsewhere.

On this point, Chiang Kai-shek, self-proclaimed once more as Nationalist China's real leader, said recently that the Communists hold less of China than did the Japanese at their high tide.

There are other vital steps we must take for the defense of Asia. But none match in importance the issue of deciding right now what we can do—if anything—to halt the flow of Red hordes across China.

Should we wait instead for the dust to settle, we may find that when the air clears the Red flag is fluttering from all the capitol of Asia.

Time Out

It was pretty tough while it lasted. We tried manfully to neat up the place, pat dogs and babies, deal patiently with the older children, discard our four-in-hands, tiptoe, eat out, and go around with chin in and chest out, exuding love for our fellow man.

For May 2 ushered in Spring Cleaning Week, Be Kind to Animals Week, Baby Week, National Boys and Girls Week, Bow Tie Week, Noise Abatement Week, National Restaurant Week, Good Posture Week and Good Will Week.

Now how about a Weekless Week—a quiet time in which to catch the breath, pay the bills, and marvel anew at the persuasive powers of press-agentry.

The Washington Merry-Go-Round

By Drew Pearson (Copyright, 1949, By The Bell Syndicate, Inc.)

Drew Pearson says: John L. Lewis reverses himself on "No contract, no work." Wall Street dictates to U. S. Steel; British pride is behind their desire for A-bomb secrets.

WASHINGTON—Some people, including John L. Lewis, seem to have forgotten his all-too-familiar refrain: "No contract, no work."

For today, John L. and the miners are doing what they vowed could not be done in the past. They have no contract, yet they are working.

There is a secret but excellent reason for this. John L. is not above making a deal with the mine owners, and he has made one. It was no accident that he recently declared that the coal industry needed a czar.

In fact, such a czar has been agreed upon by Lewis and the Northern operators. He is George Moses of the Frick Company.

And after his appointment formally announced, the mine workers will get either a raise or an increase in the welfare fund. This has been agreed upon in advance, and that is the reason John L. is violating his old adage: "No contract, no work."

Note—The Justice Department is investigating another angle of Lewis' cooperation with the mine owners—the three-day week. For the mine owners to declare a three-day week would be a violation of the anti-trust laws, but since labor unions are immune from the anti-trust laws, it is suspected that Lewis has put the three-day week across for the operators.

It was not Ben Fairless who really dictated U. S. Steel policy regarding the strike—but Wall Street. The J. P. Morgan firm, which finances U. S. Steel, dictated every move from backstage, with Edward Voorhees, chairman of the Finance Committee, acting as chief dictator.

The J. P. Morgan boys even dictated the telegram which Ben Fairless sent the White House. The wire was written in New York and phoned to Pittsburgh. All Fairless did was sign his name.

It was this remote Wall Street control that caused U. S. Steel to make one of the most stupid blunders in the entire negotiation. The Wall Streeters did not realize that the union wanted no strike, that Phil Murray might have difficulty obtaining a favorable strike vote.

But when U. S. Steel sent its first abrupt telegram to Truman turning down a fact-finding board and demanding action under the Taft-Hartley Act, it swung the steelworkers overwhelmingly in favor of a strike. Later U. S. Steel had to reverse its position.

Real fact about the British atomic-bomb negotiations is that Britain has never had any A-bombs stored on her territory. Two years ago it was planned to send six bombs to Scotland without the trigger mechanisms—the most secret part of the bomb and without which it cannot explode.

However, publication of the plans to ship the bombs brought a flood of protests and the shipment was called off. Meanwhile we have received the lion's share of uranium from the Belgian Congo, with Britain getting only a drivel. Naturally this has rankled.

Furthermore, the British stopped working on the A-bomb when we started joint development during the war. They gave all their know-how to us, and were working with American scientists when the first bomb was exploded.

Since January 1948, however, we have not been exchanging military atomic secrets with the British—only information about peaceful uses of atomic energy. The British now realize—as do our scientists—that peaceful uses of atomic energy are 10 or 15 years off, and its main current importance is military. Consequently they want to develop the atomic bomb, and have notified us that they want their

share of Belgian uranium when the Belgium agreement expires soon. Uranium is still one of the scarcest metals in the world. The Russians have been searching frantically for it. Have German slave labor combed Southern Germany. The British, meanwhile, are blessed with a virtual monopoly of uranium, first through Canada, second through their financial and political hold over Belgium. The British claim they've made considerable progress in making the A-bomb, although they still probably lack the secret trigger mechanism.

President Truman, in outlining the Blair House meeting last week, was sympathetic. He felt that national pride was involved, that we must put ourselves in Britain's shoes. Nevertheless, he—and the others—did not want A-bombs manufactured in England.

The solution may be more exchange of information, plus joint production in Canada. Note—Some critics inside the Truman cabinet point out that we armed Britain during the war. It was after the war, and now face Britain's desire to manufacture bombs and at the same time conduct one-sided trade with Russia. In brief, we finance an ally over whose policies we have no influence.

Dr. Karl Compton, chairman of the Research and Development Board, gave a secret briefing to brass heads recently at which he reported the first guided missile, capable of shooting the war, Atlantic, will be completed in four or five years. Compton warned that our worst bottleneck is a shortage of physicists—needed to work on the atomic bomb, chemical warfare and atomic research. The U. S. won't be able to train enough physicists until 1958, he said. Compton bluntly told the brass that he is working to increase the nation's physicist power so that "hordes of soldiers would be necessary."

In the secrecy of the Senate Elections Committee, Senator Knowland of California has gone to bat for his friend, Senator Ferguson of Michigan, by watering down the Senate report on vote fraud in Michigan. Senator Knowland doesn't want anything said about illegal campaign contributions from Michigan auto dealers, or about Ferguson's relations with Chrysler. Dictator Juan D. Peron has just taken an amazing step to give amnesty to Nazi and Fascist refugees in Argentina. However, he admitted that the amnesty was a propaganda move, which emphasized that his action would cover "a large number of European Jewish refugees who have crossed into Argentina clandestinely from Uruguay."

The glib gaucha and his public-relations henchmen hoped to achieve a double effect through this bland statement. Their aim was to indicate: (1) That the chief purpose of the amnesty was to succeed Jewish D. P.'s; (2) That anyone who could manage it would rather be in Argentina than Uruguay.

The real facts, however, happen to be different. Not more than 65 European Jews have been smuggled across the River Plate during the last four years. With few exceptions, these are persons who had applied for and been provisionally granted visas for Argentina only to find themselves strangled at the last minute by Peron "screening" policies.

As an alternative, they then sought refuge in Uruguay, Uruguay, a country of less than 5,000,000 population, has given permanent residence status to more than 4,000 Jewish refugees of European origin since the war's end. Argentina, on the other hand, with six times the number of citizens and 14 times as much territory, has admitted fewer than 2,500.

Real reason therefore behind Pe-

Every day more and more players are adopting the point count for no trump bidding, but I think that too many are abusing it. South's hand today has a count of 18, counting the ace four and the kings three. With a count of 16 to 18 you should bid one no trump, but not on this type of hand. Why risk a good sound hand when you do not have the club suit? The proper bid is one heart by South.

Bridge hand diagram showing cards for South and North, and a list of hands with their scores.

is justified in jumping to three no trump. The important lesson, however, that I want to point out today is the hold-up play. On the opening lead of the five of spades, declarer plays the jack from dummy and East goes up with the king. The careless declarer wins with the ace and now when the club suit does not break, he finds he has only eight tricks.

So they say

My job is to have our military establishment ready at 4 in the morning.

Neither veterans nor right-thinking citizens should be fooled by the phony "Citizens First and Veterans Second" slogan. The man who has served his country honorably in time of war does not need to furnish additional proof of his good citizenship.

World Bank in Ecuador. The World Bank mission which will spend three months investigating Colombia's economic and financial situation is another outstanding example of the close cooperation being developed between Latin-American governments and various international agencies.

Although it is not generally known, the World Bank and the International Monetary Fund, between them, have had tremendous influence in shaping the post-war policies of a dozen Western Hemisphere republics. And their advice has been more readily accepted in Latin-America than anywhere else in the world.

Ecuador in 1947, became the first country to adapt its economic and fiscal policies entirely to the philosophy and recommendations of the International Monetary Fund. In fact, from then on Ecuador has been the fund's No. 1 laboratory test of its theories.

The results have been little short of spectacular. From seventh place among Latin-American countries in the same source, while the World Bank actively has assisted the governments of Brazil, Cuba and Venezuela.

It steadily falling currency also has been in check by the government-controlled Central Bank's sound practices, based on advice from the fund. Mexico, Costa Rica, Guatemala, Uruguay and Chile also have received important help from the same source, while the World Bank actively has assisted the governments of Brazil, Cuba and Venezuela.

Texas Lists Four New Polio Cases; Dallas Child Dies

By The Associated Press. Dallas County's second polio death of the year and four new cases at other Texas cities were charged Thursday against the disease.

Six-month-old Harold Glen Bennett died Wednesday in Dallas. The county has had 42 cases.

Two new cases were reported at Houston hospitals as officials studied plans for a city-wide DDT-spraying operation.

Lufkin and Electra each reported one new case. Houston's new patients were a two-year-old Bowie County boy, and a 21-year-old Harris County mother.

Martha Crawford, three and a half months old, was Lufkin's first victim of the year. She and her parents, Mr. and Mrs. James Crawford, lived at Nacogdoches until last week.

Charlotte Trainer, 14, daughter of Mr. and Mrs. L. S. Emanuel, was taken to a Wichita Falls hospital from Electra.

Abilene Youth Wins State FFA Contest

DALLAS—(AP)—Dwight Futre of Abilene will talk for Texas Future Farmers of America in a tri-state public speaking contest at Oklahoma A&M College July 26.

Worley won that right and a \$125 check in a contest Wednesday at the state FFA convention.

Eggs of ducks, geese, ostriches, plovers, alligators, crocodiles, turkeys, penguins, gulls, albatrosses and pelicans are all important parts of the diets of peoples in some part of the world.

Economic Expansion Act Is Latest Depression 'Bulwark'

WASHINGTON—The amount of deep-dish economic theory flying around in the Washington humidity these days is enough to drown you. Statistics now are thicker in Washington than grasshoppers on the Western plains. And the horrible prospect is that this plague of figures will have to be lived with all through the dog days.

It isn't just the foreign variety of statistic that is bothersome. What happens to the pound sterling, the European dollar shortage or the Chinese yuan is so absolutely unintelligible that it can be shoved aside as too complicated to bother about.

But this domestic economic crisis you have to live with and learn about, whether you like it or not. The controversial Brannan farm plan of last April was just a starter.

Then in a day or so—if it isn't already introduced before this gets into print—the "Economic Expansion Act of 1949" formally will be presented to Congress by Democratic Montana Senator James H. Murray and about a dozen of his cronies.

Truman's Recommendations. The important thing to note is that seven of the President's 11 legislative recommendations are covered by the Murray bill. They are:

- (1) Extension of present limitations on Reconstruction Finance Corporation loans. (2) Provision for a broad study of investment needs in an expanding economy. (3) Revision of the tax structure to promote investment. (4) Provision for greater public works planning by federal, state and local governments. (5) Encouragement of investment in "underdeveloped areas" of the United States, as well as in foreign countries, as proposed by Truman's "Point IV" program. (6) Reduction of unemployment and greater relief for the unemployed. (7) Attention to wage-price-profit relationships and the growth of monopoly which tends to restrict expansion in industry.

Several industries are believed to be responsible for introduction of these and similar proposals in the President's mid-year economic report, contrary to what has become known unofficially in Washington as the "snafu-Sawyer line."

The name comes from Secretary of the Treasury John Snyder and Secretary of Commerce Charles Sawyer. In general, this is the point of view of many business leaders who say that the economic readjustment now going on is a healthy thing, and nothing to worry about.

Opposed to this are the economists who are genuinely scared that unemployment and recession are going to get much worse. They believe that constructive steps should be taken to lessen the effects.

President Influenced. Senator Murray and his cohorts would like to see the President's Economic Expansion act, they may have sold him a bill of goods. Another factor believed to have influenced the President is the May report of the Council of Economic Advisers. These monthly reports of the three-man council under Dr. Edwin G. Nourse are not made public. But the views of the council now are well expressed in their July report, which has been made public along with the President's report.

Congress may of course adjourn before acting on the Murray bill. But if unemployment and business recession get worse in the rest of July and August, the heat will be on.

STANTON—Recent guests in the home of Mr. and Mrs. Charlie Craven were their relatives, Mr. and Mrs. W. E. Allgood and Billy and Mrs. Lee Adkins and daughters, all of San Miguel, Calif.

Mr. and Mrs. Ogal Alvey and children visited relatives in Dumas this week. Mr. and Mrs. J. K. Barfield of Clovis, N. M., were recent visitors of Mr. and Mrs. Prentice Bristow.

Gene Douglas is accompanying Mr. and Mrs. Walt Scriver of Midland on a vacation trip to Missouri. Recent visitors here were Mr. and Mrs. Vernice Liles and son of California and Vernon Liles of Austin.

Mr. and Mrs. Aze Hart and children are visiting her parents, Mr. and Mrs. Penny Stroud. Carl Atchison of Odessa visited relatives here this week.

Student Minister Lynn Fisher, a student at Abilene Christian College, was guest speaker at the Church of Christ Sunday. He is the son of Mr. and Mrs. Herman Fisher.

Mrs. Faye Smithson who has been in a Big Spring hospital for several weeks, is reported improving. Bobby Shankle, Corkey Blocker, Lee Baker, Rufus Tom and Charles Haney have returned from a week's vacation at Boy Scout Camp.

Betty Bennett was visitor in the Dale Kelly home in Hereford last week. DALLAS—(AP)—Cash assets of the Southern Baptist Convention's Relief and Annuity Board have increased more than a million dollars in the last year.

The increase was reported to the board's executive committee Wednesday. Dr. Walter R. Alexander, executive secretary, said cash assets June 30 totaled \$1,577,184.13. Cash assets at the same time last year were \$529,102.63.

The decimal system of counting came about because man learned to count his 10 fingers.

Game Bird crossword puzzle with clues and a grid. REFUGE By Mildred Gram and Harold White. THE STORY: Mrs. Everson, a rich widow, believes that an atom-bomb is something that will sweep the end of the world. So she has equipped two trailers and has set out with her servants and a companion, the Marchese Dellesca, to reach a place of safety. Where this place is, no one but Mrs. Everson knows. Mrs. Margaret Malone, who was hired along the route to replace a cook who left because she thought Mrs. Everson was crazy, has already retreated her shoes and has tried to run away. But she is checked by a man who is supposed to be her to stay. Also in the party are the chauffeur, Rudy, a former Marine, and a young man, Fred, a homeboy. Mrs. Malone ends Mrs. Everson very demanding and at times very hysterical and temperamental.

### Mary Beth Stevens Honored At Party

Mrs. Hal Stevens honored her daughter, Mary Beth, with a party on her sixth birthday Wednesday afternoon.

Those attending included Donna Wilemon, Claudia Wilemon, Jane Wilemon, Ray Griffith and Michael Griffith of Odessa, Lee Atwell and Jimmie Atwell of Lufkin, George Euder, Ann Euder, Buster Henry, Larry Henry, Sue Henry, Jim Pat Campbell, Sandra Voge, and Marlyn Lynn Stevens, sister of the honoree.

### Christian Churches Plan District Meet

**SWEETWATER**—The Rev. Clifford Taylor, Jr. of Snyder and the Rev. John M. Hughes of Colorado City will speak at the district convention of Christian Churches here September 18. It was decided at a meeting of the district cabinet here this week.

The Rev. G. N. Goldston of San Angelo is president of the West Texas district.

The Rev. Clyde Lindsay of Midland was among other cabinet members attending the session.

### ANTIQUES

China, cut-glass, bric-a-brac, old prints, plate hangers.

**VICTORIAN SHOP**  
Mary E. Wilke  
Stanton, Texas  
3 blocks west of courthouse

### White-Stovall Vows Will Be Read During Bride-Groom Show

**CRANE**—Eve White, niece of T. N. White of Crane and a former resident of Crane, and Glendon Stovall of San Angelo will be married during the "Bride and Groom" radio program August 3.

They were selected from among 300 candidates.

The bride's attendants will be Mr. and Mrs. Ed Cope of McKinney, her aunt and uncle; June White of Big Spring, sister; Les Newman of Houston; June Holliman of San Angelo, and Marge Havins of Big Spring.

Miss White is the daughter of Mr. and Mrs. E. A. Riden. She was a cadet nurse at Ausburn General Hospital in McKinney and has spent six months as an affiliate student nurse in Parkland Hospital in Dallas.

Stovall attended San Angelo Junior College and served one year as a midshipman in the Navy.

### Rev. Joe Vanzant Is Visiting Evangelist

The Rev. Joe Vanzant, traveling evangelist, is conducting revival services in the Church of God, 200 South Dallas Street, this week, and possibly next week.

The services begin at 8 p. m. and the public is invited to attend, the Rev. J. H. Moore, pastor, says.

### B. B. McKinney Will Conduct Music For Baptist Services

Dr. E. B. McKinney, music editor of the Baptist Sunday School Board, Nashville, Tenn., will be in charge of the music program for both services of the First Baptist Church Sunday.

He will lead the congregational singing and direct the choir in their numbers Sunday. Plans are being made to sing some of his own songs. He has written the words and music and arranged many of the well known hymns used in the churches today.

**Author Of Many Hymns**

Some of the hymns for which he has written both the music and words include "Let Others See Jesus in You," "Have Faith in God," "All on the Altar," "Wherever He Leads I'll Go," "The Nail Scarred Hand," "Satisfied With Jesus," and "Neath the Old Olive Tree."

Some of his arrangements of familiar songs which are widely used are "Never Alone," "Blessed Be the Name," "O Holy Night," "Launch Out Into the Deep," and "Fall Fresh on Me."

He has written the music for many other hymns. Some of these include "Arise, O Youth of God," "Thy Will Be Done," "Another Day and Another Day," "He Died for Me," and "Breathe on Me."

**Encampment Leader**

Dr. McKinney is the editor of the Broadman Hymnal and many other hymn books used in Baptist fields. He is well known for his music program at Falls Creek Baptist Assembly near Davis, Okla., and Ridgcrest Baptist Assembly, a Southwide encampment in North Carolina.

Dr. McKinney was in Midland October 27, 1946, at which time he was in charge of the music for a revival in the First Baptist Church.

### Mrs. Guy Burton Is Honored With Pink-Blue Shower

McCAMEY—Mrs. Guy Burton, Jr. was honored with a pink and blue shower recently by the Ladies of the Country Club Auxiliary in the club house.

Arrangements of pink flowers were used on the tables. A business session was held after which bridge was played. Mrs. Jake Davis won high score, and Mrs. Charlie Young, second high.

Guests present were Mrs. Bob Turpin, Mrs. Clyde Ash, Mrs. R. A. Barger, Mrs. J. A. Price, Mrs. A. D. Duncan, Mrs. Harry Dibrell, Mrs. Emmet Asher, Mrs. Dee Breeding, Mrs. Jess Wade, Mrs. B. H. Koger, Mrs. Curtis Thomas, Mrs. Jane Jones, Mrs. B. W. Weimland, Mrs. Yale Key, Mrs. J. S. Davis, Mrs. Mark Haesly, Sue Winters, Charline Young, Mrs. Mona Culwell and Mrs. E. P. Halamick.

### Terminal HD Club Has Book Review Of 'The Gauntlet' In Meeting

Members of the Terminal Home Demonstration Club met Wednesday afternoon in the home of Mrs. Walter Snead, with Mrs. W. C. Daniel as co-hostess.

A short business meeting was held. Secret pairs were revealed with an exchange of gifts, and names for the next three-month period were drawn.

Mrs. G. C. Broxson entertained the group with a book review of "The Gauntlet."

The club will disband for the month of August, but will resume meetings September 7, at which time another book review will be featured.

Present were Mrs. L. T. Derrington, Mrs. Truman Hamill, Mrs. Tom Starnes, Mrs. George Utermohle, Mrs. Woody Campbell, Mrs. Bill Ireland, Mrs. Daniel and Mrs. Broxson.

### Coming Events

- FRIDAY**
- Gamma Phi Beta Alumnae will meet with Mrs. Sol Bunnell, 1209 West Kansas, at 10 a. m. All eligibles are invited.
  - The Beantot Bible Class will meet with Mrs. W. P. Collins, 200 South Weatherford Street, at 7:30 p. m.
  - The Minuet Club will have a guest dance in the American Legion Hall at 9 p. m.
  - The Ladies Golf Association will meet for its luncheon at 1 p. m. in the Midland Country Club. Hostesses will be Mrs. William Potts and Mrs. G. C. Cool. Make reservations by Thursday night.
- SATURDAY**
- The Children's Story Hour will meet in the Children's Room of the Midland County Library at 10:30 a. m.
  - Cub Scouts of Pack 6 of West Elementary School will meet at 9 a. m. in the park on L and Holloway Street for transportation toloverdale Park, where a baseball game is scheduled.

### Congratulations To:

Mr. and Mrs. R. L. Crays on the birth Wednesday of a daughter, Lura Janis, weighing seven pounds, six ounces.

Mr. and Mrs. L. N. Shorck on the birth Wednesday of a daughter, Elaine Kay, weighing seven pounds, 13 ounces.

### Surprise Party Is Given On Birthday

Mr. and Mrs. T. E. Neely honored Mrs. Frank Mullins with surprise birthday party in the backyard of their home, 1606 West Texas Avenue, Wednesday night.

Mrs. Mullins is Mrs. Neely's niece. Gifts were dispensed. Forty-two was played during the evening.

Refreshments were served to Mr. and Mrs. John Richards, Mr. and Mrs. Charley Campanella, Mr. and Mrs. John Bloomfield, Mr. and Mrs. H. S. Collins, Edith Collins, Patsy Collins, Frank Mullins and Charles Neely.

### TO VISIT EL PASO

Miss Lydie Watson will leave Friday for El Paso, where she will visit her cousins, Mrs. A. B. Poe and Mrs. R. R. Deason. She will return in time to open her music studio August 1.

### HOME FROM UNIVERSITY

Mrs. T. R. Carter returned Monday from the University of Texas where she has been working on her masters degree. Carolyn Cook, who has been visiting her grandparents in Austin, returned with her.

### Seaman Apprentice Alma Ruth Streeter Is Visiting Family

Apprentice Seaman Alma Ruth Streeter, daughter of Mrs. George Streeter, 709 North D Street, arrived in Midland Tuesday night for a visit with her family and friends before going to her new assignment at the Naval Training Center in San Diego, Calif.

She was graduated from the United States Naval Training Center, Great Lakes, Ill., July 13 and received the rating of apprentice seaman. She will assume her duties as typist in San Diego, July 29.

She visited in Shawnee and Oklahoma City on her way to Midland. She is a former student of Oklahoma Baptist University, Shawnee, and a graduate of Midland High School. She enlisted in the WAVES May 2 and was sworn in at Dallas.

Eggs are one of the oldest and most widely used foods for man.

### Prairie Lee HD Club Meets In Home Of Mrs. Vern Dawkins

Mrs. Vern Dawkins was hostess to the Prairie Lee Home Demonstration Club Tuesday afternoon in her home.

A demonstration of the Master Mix was given by two 4-H girls, Georgia Ann Gately and Lena Marie Price. A recipe for devil's food cake was given by Mrs. Nettie B. Messick, county home demonstration agent. Simplification of preparation for serving was demonstrated by Mrs. E. S. North.

Helpful hints on sewing were given by the members.

Those present included Mrs. J. Brooks, Mrs. L. C. Jones, Mrs. Neal Stator, Mrs. Otis Conner, Mrs. E. S. North, Mrs. Vern Dawkins, Mrs. Messick, Mrs. J. M. Livingston, Mrs. C. A. Price, Georgia Ann Gately, Lena Marie Price, Carolyn North, Dianne North, Joyce Gramham and Elizabeth Hildreth.

### Star Study Club Has Picnic In Back Yard Of Tom Nipp Home

Members of the Star Study Club were guests of Mr. and Mrs. Tom Nipp, 2902 West Brunson Street, Wednesday night for a picnic in the back yard.

Mrs. Mary Wyatt presented a corsage from the club for her recent birthday.

Members and families present included Mr. and Mrs. Floyd Shirley, Mrs. Tom Shirley, mother of Floyd Shirley from Corsicana, Mr. and Mrs. Jack W. Anderson, Mr. and Mrs. Pat Barber, Mr. and Mrs. R. Francis and Rebecca, Mrs. Ed Edwards, Mrs. John Ficks, Mrs. Victor Harris, Mrs. Jim Carlson, Mrs. Fred Wycoff, Mrs. Wyatt, Mrs. J. O. Hyde, Mrs. Pat Murphey, Mrs. J. T. Klinger, Meredith Mae Nipp, Nelson Nipp and Dick Nipp.

### Truman Still Plugs Oil Loan To Mexico

**WASHINGTON**—President Truman said Thursday he believes negotiations for a Mexican oil loan will be resumed soon.

He told a news conference he had not been consulted in advance about the suspension of negotiations Wednesday. He said he first learned of it when he read it in the newspapers.

Truman has said repeatedly he favors a loan to Mexico for development of its oil resources.

### KAISER NAMED ASSISTANT SECRETARY OF LABOR

**WASHINGTON**—President Truman announced Thursday his selection of Philip M. Kaiser to be an assistant secretary of labor.

Kaiser now is director of the International Labor Office, a division of the Labor Department.

### Now She Shops "Cash and Carry"

When disorder of kidney function permits poisonous matter to remain in your blood, it causes nagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Frequent or scanty passages with smarting and burning sometimes show there is something wrong with your kidneys or bladder.

Don't wait! Ask your druggist for Doan's Pills, a stimulant diuretic, used successfully by millions for over 40 years. Doan's give happy relief and will help the 15 million kidney tubes flush out poisonous waste from your blood. Get Doan's Pills.

### McCamey News

**McCAMEY**—Mrs. Laura Augst of Glen Rose, was a guest in the home of her sister, Mrs. C. L. Edleman recently.

Guests in the home of Mr. and Mrs. H. H. Qualls this week are his sisters, Mrs. Ellsworth Mayer, Mrs. Ray Burnham and Mr. Burnham and children, Kay and Jackie, and E. O. Qualls and Jack Qualls, all of Cisco.

Mrs. J. J. Bussard and daughters, Kay and Mary Louise, and Mrs. Charlie Hyde of Higgins, Texas, and Miss Pat Keffer of Odessa, visited Monday in the home of Mr. and Mrs. James Keffer.

Mr. and Mrs. W. O. Shelton and son, Terry, were guests during a recent week in the home of Mr. and Mrs. Jimmy Lott. Shelton is a brother of Mrs. Lott. Mrs. Lott and son, Howard, left this week with the Sheltons for Brownwood where they will visit their parents, Mr. and Mrs. G. W. Shelton.

**Attend Meeting**

Dr. and Mrs. T. B. McClish attended a meeting of the Texas Naturopath Association last Saturday in Fort Worth and returned home Monday.

Mr. and Mrs. C. L. Eddieleman and Mr. Otha Eddieleman returned Monday from Eden where they attended the funeral of an aunt, Mrs. Joe Lee.

Mrs. J. R. Kinnard of Iraan was a visitor in Crane Tuesday.

Mrs. Bess Moorman and granddaughter, Prissy Walcher of Rankin, returned home Saturday after a month's visit in the home of her daughter, Mrs. Kenneth Starnes, and with her brother, Dr. C. C. Wilson, of Miami, Texas.

### Rev. G. C. Becker Leads Discussion On 'Our Teen-Agers'

"Our Teen-Agers" was the topic for discussion of the Parish Workers of the Grace Lutheran Church in a meeting Wednesday in the church. The Rev. G. C. Becker, pastor, led the discussion.

Mrs. Bob Miller and Mrs. Leland Huffman were appointed as a committee to make arrangements for a bake sale July 30. The present project of the organization is to purchase a carpet for the aisle of the sanctuary.

Those present included Mrs. Walter Krieger, Mrs. E. Voge, Mrs. G. Synasch, Mrs. G. C. Becker, Mrs. C. J. Lovie, Mrs. Huffman and Mrs. Miller.

### Do You Really Want to Take Off That Ugly Fat?

Recently there has been a number of new reducing preparations on the market, some of them based on the diet and vitamin "plan." It is obvious that vitamins will not reduce the body weight, so one must depend on diet to reduce. But it is also obvious that one cannot go on a strenuous diet over a protracted period, and any weight lost will be restored if the former eating habits are gone back to.

So what to do? Well, here is a tip to you "overweight girls" who want to fight "the Battle of the Bulges" in a different way. Ask any well stocked Texas druggist for four ounces of Barcetrane. Mix with 12 ounces of grapefruit juice and take two tablespoonsful twice a day.

This preparation contains nothing harmful and the makers agree to refund your money on the very first bottle if it does not show you the way to lose ugly fat and help regain slender, more graceful curves. Barcetrane is low in cost and is not based on the diet and vitamin "plan." You need never know a hungry moment while reducing with Barcetrane.

# LUCKIES PAY MORE

## to give you a finer cigarette!

Yes, at tobacco auctions Lucky Strike pays millions of dollars more than official parity prices for fine tobacco!

There's no finer cigarette in the world today than Lucky Strike! To bring you this finer cigarette, the makers of Lucky Strike go after fine, light, naturally mild tobacco—and pay millions of dollars more than official parity prices to get it! So buy a carton of Luckies today. See for yourself how much finer and smoother Luckies really are—how much more real deep-down smoking enjoyment they give you. Yes, smoke a Lucky! You'll agree it's a finer, milder, more enjoyable cigarette!

J. WAYNE ADAMS of South Boston, Va., 22 years an independent warehouseman, says: "I've seen the makers of Luckies buy the quality tobacco that makes a real smoke!" Mr. Adams has been a Lucky smoker for 15 years. Here's more evidence that Luckies are a finer cigarette!

8—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, JULY 21, 1949

## MAJOR LEAGUES—

# Yanks Chill Indians 7-3

By JACK HAND  
Associated Press Sports Writer

Larry Doby's "skull" and Joe DiMaggio's hitting have put the cooler on Cleveland's pennant drive—at least temporarily.

Doby drew a fine of an undisclosed amount Wednesday night after he was thrown out trying to steal home with the bases loaded and nobody out in the eighth inning. Doby's Cleveland mate trailed the league-leading New York Yankees 7-3 at the time. That turned out to be the final score.

Lefty Joe Page, who had just replaced "Steady Eddie" Lopat, was having his troubles. He walked Manager Lou Boudreau on four straight pitches to force in a run. He didn't find the plate in two tosses to sob Kennedy. Then it happened.

Doby broke for the plate as Page walked back toward the resin bag. The pitcher whirled and threw to Catcher Yogi Berra who tagged Doby as he dove head first across the plate. Page proceeded to walk Kennedy. Then he found his stuff to fan Jim Hegan and make Pinch Hitter Ken Keltner ground to Bobby Brown.

There seemed to be no excuse for Doby. Third Base Coach Steve O'Neill didn't send him in, although the crowd of 75,340 booed him. Doby's club trailed by four runs. It definitely was not any situation for a steal.

Cards Gain On Bums  
DiMaggio drove in three runs with a triple and homer and scored twice as the Yanks again stretched their lead to 4 1/2 games.

The Boston Red Sox dropped 8 1/2 games behind the leaders by bowing to the Chicago White Sox 8-7.

Detroit pushed over three runs in the eighth to shade Washington 6-5. The St. Louis Cardinals clipped Brooklyn's margin to 2 1/2 games by a 10-inning decision over the Boston Braves 6-4, after the Dodgers lost an afternoon 8-6 verdict to Pittsburgh.

Hank Sauer drove in all the Chicago Cubs' runs with two homers and a triple in their 11-inning, 4-3 victory over the Phillies.

The New York Giants set a new major league consecutive inning scoring record while whipping Cincinnati 5-1. By scoring in each of the first three innings, they extended their streak to 14 innings. The old record was 12, set by the Giants in '22.

Philadelphia at St. Louis in the American League was postponed because of wet grounds.

## SPORTS SLANTS

by SHORTY SHELburnE

Ernie Nelson, after being sidelined with a shoulder injury for three weeks, returns to duty with the Indians' hurling corps Thursday night.

Nelson will be shooting for his 11th win of the season against six losses. The record falls to tell the true story of his achievements this year, however.

He started the season with a bad finger injury. Even with that to hold him back, he hurled a two-hit shutout over the Odessa Oilers early in the season.

At the peak of his winning streak this year, he looked like the Ernie of old.

Just five days after he injured his shoulder in a game at Vernon, he beat the Oilers again in Indian Park. He didn't have a thing but control and a lot of heart.

Regardless of his record, even though it is the second best of our pitchers, he has turned in all he had in every game.

If Nelson can return to form, nothing can keep the Indians out of the playoffs.

But for the injury he is recovering from, he would have been a 20-game winner again this season. He still has hopes of reaching the coveted mark but readily admits it will be hard to do. Three weeks to Nelson probably meant at least five wins. In other words, it might have meant the difference in him being able to win 20 or more.

While we are speaking of Nelson, here is a note to Troy Kegans, Hal Sayles and whoever was the league statistician in 1947.

The Longhorn League records released by the league office are incorrect in crediting Nelson with only 23 wins the first year the loop operated.

A thorough check here reveals Nelson won 24 and lost eight that year.

The 24 he won gives him an even hold on the best winning record in the league with Cindan of Big Spring.

Frank Roberson, former Midland High School grid star and the best baseball prospect ever produced here, has been awarded an athletic scholarship to Texas Christian University.

He will report there for the Fall term.

Frank's plans for playing football are a little uncertain as yet. He'll have to work that out with the baseball coach.

TCU wants young Roberson because he has major league possibilities as a pitcher.

Coach Leo Fields, present director of athletics in Stanton schools, dropped in for a short visit there this week. He is attending Summer school at AOC in Abilene.

Fields revealed his football drills may be delayed four or five days due to his classes in Abilene. He plans to start working the Buffaloes about August 20.

Windell Williams, one of the top football players ever to emerge from Midland High School, is the proud papa of a new son.

He does his footballing for the professional Baltimore Colts now.

## Texas League—

# Tulsa Oilers Gain Clear Possession of Loop's Second Slot

By The Associated Press

The Tulsa Oilers took over undisputed possession of second place in the Texas League standings, two and a half games behind the Fort Worth Cats, as Dallas and Shreveport lost Wednesday night.

League-leading Fort Worth defeated last-place Houston 7-4. Tulsa squeezed by seventh-place Beaumont 2-0. Fifth-place Oklahoma City downed Shreveport 3-1. And sixth-place San Antonio defeated Dallas 7-2.

Shreveport is in third place, one percentage point ahead of Dallas. Both clubs are three and a half games behind Fort Worth.

Fort Worth's pitcher, Joe Landrum, became the first Texas League hurler to win 13 games this season as he chucked five-hit ball to throttle Houston.

Tulsa's Jim Ayres limited Beaumont to only two hits to rack up his fourth straight mound win.

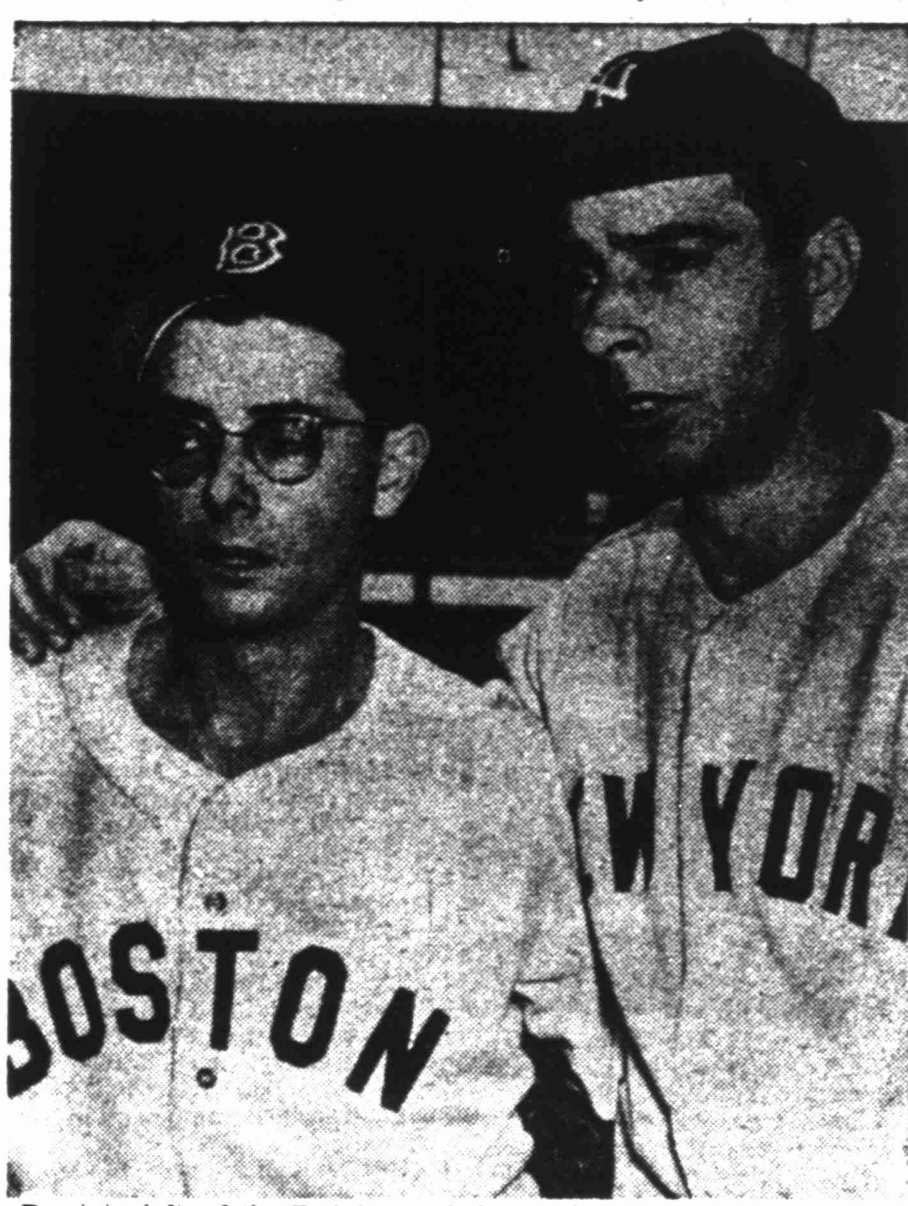

Oklahoma City bunched three of their nine bingles in the ninth for two runs that gave them the decision over Shreveport.

Tulsa's Jim Ayres limited Beaumont to only two hits to rack up his fourth straight mound win.

San Antonio's Procopio Herrera scattered five Dallas hits to hurl the Missions to victory.

The lowest won-loss percentage ever compiled by a major league pennant winning team was the .578 of the 1926 St. Louis Cardinals.

## Play It Same Way

Dominic, left, of the Red Sox and the Yankees' Joe DiMaggio rarely are together, but they play baseball the same way.

## WT-NM League—

# Blue Sox, Lamesa Gain Full Game On Two Loop Leaders

By The Associated Press

The third-place Abilene Blue Sox and the fourth-place Lamesa Lobos have gained a full game on first-place Albuquerque and second-place Lubbock in the West Texas-New Mexico League race.

Amarillo downed Albuquerque Wednesday night 6-3. Ray Faust hurled six-hit ball for the Gold Sox.

Lamesa's Bob Upton hurled the Lobos to a 10-frame, 2-2 victory over Lubbock.

Abilene's George Sturdivant hit two home runs to back up the five-hit pitching of Freddie Rodriguez as the Blue Sox trounced Pampa 12-1.

Borger defeated Clovis 11-8. Able Nimfire and Pat Proulx homered for Borger, while Mendoza and Glenn hit circuit clouts for Clovis.

Wolves once ranged over most of the North American continent.

## Sport

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, JULY 21, 1949-7

### Dilmus James Is One-Man Show In Junior Tournament

Dilmus D. James of Abilene Wednesday turned the Midland Country Club Junior Invitation Golf Tournament into a one-man show as he bested his top opponents in the first two rounds to move into the finals. He is battling Arlyn Scott of Odessa in the finals Thursday.

James nudged Joe Ed Black of Lamesa 1-up in the first round and took out Midland's Graham Mackey 3-2 in the second round.

Scott, the other finalist, beat John Ward of Midland 2-1 in the first round. He rolled over his stable mate, Jerry Green of Odessa, 2-1 in the second round.

Finals in all divisions will be completed Thursday afternoon and awards will be made at the Country Club.

Here are the results in the Wednesday matches:

#### CRANE NEWS

ORANE—Mr. and Mrs. O. B. Wagner and daughter, Daren, spent a weekend visiting in Pecos and Wink.

Mr. and Mrs. W. R. Crowner and children, Ronnie and Kay, arrived in Crane last Saturday for a few days visit among friends and relatives.

Mrs. Clarence Key is spending this week with relatives in Littlefield.

Sylvia Sue Sullivan was honored by her mother with a party on her twelfth birthday recently. Games were played and the birthday cake was served.

Guests listed: The following guests were present: Kay Keltner, Mary Lou Wolf, Ella Myra Smith, Linda Smith, Dessie Brown, Mary Ted Shaddock, Sandra Plummer, Gloria Dixon, Patsy Hallford, Florence McDougal, Allen L. Hollis, Jean Shaver, Sammy Holcomb, Jim Smith, Mike Windsor, Peggy Lightfoot, Joyce Parker, Lawrence LeBoeuf and Dawn Simpson of Odessa, who was a house guest of Sylvia's for a week preceding the party.

Mr. and Mrs. Ben Alexander of Lovington, N. M., spent last weekend in Crane with her parents, Mr. and Mrs. W. M. Allman. On Saturday, they were joined by Mr. and Mrs. E. R. Tomlinson and family in an outing at the Caliche Loop where supper was cooked and served picnic style.

TO TIN CUP, COLO. Mrs. R. M. Barron and daughter, Dorothy, and Mr. and Mrs. Eddie Poage and daughter, Gandy, left Wednesday on a vacation trip to Tin Cup, Colo. Mr. Barron will join them there early next month. Mrs. Poage also is a daughter of Mr. and Mrs. Barron.

ARILENE BANKER HERE W. M. Sibbey, president of the F&M National Bank of Abilene, was a Midland visitor Thursday.

### Bolanos To Have Third Shot At Ike

LOS ANGELES — (AP) — Champion Ike Williams gives Mexico's Enrique Bolanos his third crack at the world lightweight crown Thursday night in a bout billed for 15 rounds at Wrigley Field.

Winner of the first two matches, the negro contender from Trenton, N. J., generally is favored to turn back the third challenge.

But Bolanos's legion of admirers, here and in his native Mexico, are equally confident their tesorador of the prize ring will put an upset and become the first fighter of his native land to hold an undisputed title.

Matchmaker Charley MacDonald predicted a turnout of 18,000 to 20,000 fans and gate receipts of \$100,000 up.

Referee for the bout, services gratis, will be Jack Dempsey, former heavyweight king.

Ike won a somewhat unsatisfying split decision in 15 rounds of action in their last encounter. If the strategy pattern is repeated, Williams will be looking for a chance to slip over his deadly, counter-punching right and Bolanos, normally a "head hunter," as the saying goes, will work on Ike's mid-section, hoping to soften him up.

Bolanos bounced a couple off Ike's iron profile last time out and nothing happened. He shifted to the stomach regions and it is no secret Ike was glad when the thing was over and he was helped to his dressing room.

In their first battle Williams stopped Bolanos in eight rounds.

### Bike-Truck Accident Injures Negro Youth

Sonny Jefferson, 13-year-old negro boy, was taken to Western Clinic-Hospital in a serious condition Wednesday night after being run over by a truck.

He suffered a broken pelvis, a fractured leg, a crushed foot and possible internal injuries.

According to the hospital emergency report, Jefferson was riding a bicycle and holding onto the side of the truck. He lost his grip and fell under the truck, a wheel passing over him.

His condition Thursday still was serious attendants said.

### TEXAS TRAFFIC DEATHS CONTINUE TO DECLINE

AUSTIN — (AP) — Traffic deaths in Texas continue to decline.

The State Police reported Thursday 143 deaths in June compared with 176 in June last year. Total killed in traffic so far this year was 843 compared with 930—a nine per cent decline.

### MIDLANDERS ON TOUR OF PLAINVIEW FARM AREA

E. D. Richardson, DeWayne Davis, assistant manager of the Chamber of Commerce, and C. W. Green, assistant county agent, left early Thursday for Plainview, where they were to inspect farm and ranch irrigation practices being carried on in that section.

### Webb And Indians Blow Away Early 8-1 Margin

The Midland Indians and the Ballinger Cats wind up their three-game series in Indian Park at 8:15 p.m. Thursday.

Ernie Nelson, veteran left-hander, will hurl for Midland. Roberto Rodriguez is the probable starter for Ballinger.

By SHORTY SHELBURNE

While two relief hurlers toiled hard in the bullpen, Ralph Blair was kept on the mound for the Midland Indians Wednesday night and absorbed a 20-hit attack off the bats of the Ballinger Cats as the cellar-dwellers blasted out a 14 to 12 victory. Manager Harold Webb chose to use a new kind of strategy in leaving Blair on the rubber.

Of the 20 hits Ballinger collected, 15 of them came in the last four innings. The game lasted 11 full frames.

Midland apparently had the contest in the bag early. They owned an 8 to 1 lead going into the seventh inning. Ballinger opened up and knotted the score by the ninth.

Big Indian Lead The Indians got four in the third on singles by Bob Rose, Warren Sitter and Ben Sheats, a double by Gus Pena and a triple by Julian Pressley.

Ballinger got its first one in the top half of the inning on a single by Norton and triple by Higgins.

Midland added two in the fourth. Austin singled, Pena doubled, Sheats tripled and Blair singled.

A triple by Pressley and a single by Aviti produced one more in the fifth.

Midland got its eighth run in the sixth on a fielder's choice to Blair and a single by Sitter, making it 8 to 1.

Ballinger opened with three in the seventh on four singles and a Midland error. Two doubles gave them one more in the eighth.

Rose was hit by the pitcher to open Midland's eighth, stole second and scored on Sitter's single.

Came the fatal error. Higgins opened with a single. Lorenzo doubled, Nipp doubled, Jones singled and Dellis singled. Results—four runs.

Midland went down in order in the ninth and tenth. Blair put Ballinger down the same way in the tenth.

Cats Ice It Away There was more to come, however. Nipp singled, Young singled, Luna singled. Midland error let in two runs. Doster tripled, Higgins walked and another Midland error let in two more. In other words, five runs crossed the plate.

The Indians rallied some in the

last of the eleventh. Sitter and Pressley hit consecutive doubles, Dawson gained life on an error and Doster singled him home. That's where the rally died, however.

The box score:

BALLINGER ABRHOA Higgins, 1b 5 3 3 10 0 Watta, ss 3 1 0 2 3 Lorenzo, cf 4 2 2 1 0 Nipp, 2b 7 0 2 3 1 Jones, rf 6 1 1 1 0 Dellis, 3b-ss 6 0 2 2 2 Luna, c 5 1 2 6 2 Norton, p 1 1 0 1 0 Dossey, p 5 1 1 2 2 R. Rodriguez, p 0 0 0 0 0 Totals 54 14 20 33 12

Two base hits—Williams, Nipp, Young, Dellis; Sitter, Pressley, Pena 2. Three base hits—Higgins, Dossey; Pressley 2. Sheats. Stolen bases—Rose, Pena. Sacrifices—Blair. Left on bases—Ballinger 10; Midland 8. Bases on balls—Dossey 1; Blair 3. Strikeouts—by Norton 1; by Dossey 3; by Rodriguez 2; by Blair 7. Hits and runs—off Norton 9 for 6 in 3 innings; off Dossey 9 for 6 in 7 1/3 innings; off Rodriguez 1 for 0 in 2 1/3 innings. Hit by pitcher—by Dossey (Rose). Wild pitches—Blair 2. Passed ball—Sheats. Winning pitcher—Dossey. Losing pitcher—Blair. Umpires—Sykes and Dorothy. Time—2:55.

### First Presbyterian Acceptance Service Set Thursday Night

An acceptance service and open house starting at 8 p. m. Thursday will mark the opening of the remodeled and enlarged sanctuary and the new two-story educational building of the First Presbyterian Church of Midland.

Dr. R. Matthew Lynn, pastor, said the public is invited to attend both the worship services and the open house which will follow.

The Rev. Hubert Hopper, pastor of the First Presbyterian Church of McAllen, and the immediate past pastor of the Midland church, will preach the acceptance sermon. Mr. Hopper served six years as pastor of the church here, going to McAllen in October, 1947. It was during his pastorate that plans for the new church plant were launched.

Mr. and Mrs. Hopper and daughters, Mary Elizabeth and Ann arrived in Midland Wednesday afternoon. They will be here several days.

\$225,000 Project Construction of the new \$225,000 church plant was started about a year ago, and was completed early this week. Equipment has been installed and everything is said to be in readiness for the formal opening.

The acceptance service, Houston Hill, Midland contractor, will present the building to Frank Stubbeman, chairman of the Building Committee. Dr. Lynn will offer the prayer of consecration and the church choir, under the direction of Mrs. Frank Miller, will furnish special music, including an anthem.

The sanctuary was remodeled, beautified and enlarged to seat 50 per cent more persons. The remainder of the plant is in three units, with floor space totaling 22,500 square feet.

The first regular worship services in the new plant will be held Sunday, when the James L. Greene Memorial Carolonic Bells will be dedicated.

The church's organ, given as a memorial to Mr. and Mrs. Lige Davis and Ralph T. Bucy, was enlarged during the church remodeling project.

### Added Power

Dino Restelli was purchased from the San Francisco club for \$50,000 and three players to join Ralph Kiner and Wally Westlake, and give the Pittsburgh Pirates more sustained right-hand sock.

### Longhorn League—Indians Skid As Cats Win; Dusters Nip Roswell Rockets

The Vernon Dusters have taken over second place in the Longhorn League, 13 games behind the league-leading Big Spring Broncos.

Big Spring downed Sweetwater Wednesday night 6-2. Six Swatner errors contributed to the Big Spring triumph.

Vernon pounded out 13 safeties while trouncing Roswell 8-1. Vernon scored four runs in the fifth and went on to give Hurler Lloyd Trip his ninth win.

Midland dropped into third place, losing to Ballinger by a score of 14-12 in eleven frames.

Odessa downed San Angelo 9-7 in another eleven-frame contest.

### Standard, Joe's Gulf Win, Remain In Tie For Second Place

Joe's Gulf and Standard of Texas both took victories in Midland Softball League games Wednesday night to remain in a deadlock for second place in the standings.

Milt Montgomery hurled Standard to a top-sided 10 to 1 win over The Reporter-Telegram. The Reporter scored their only run in the first on two walks and a hit.

A double play, Shortstop Evans to Catcher Sherrod to Third Baseman Smith nipped a Reporter-Telegram rally at one point.

Joe's Gulf went all out behind the pitching of Roy Price to maul the Rebels 13 to 2. The game was called in the fifth when the Gulfers got more than 10 runs ahead.

### Western Plastic Is Defeated In JayCee Softball Tourney

MONAHANS — John Daylong of Western Plastic, Midland entry, out-pitched the veteran Red Denham of Crane in a Monahans JayCee Invitation Softball Tournament game here Wednesday night but dropped the decision 7 to 6. Daylong hurled a two-hitter but errors cost him the tilt. Denham was pitching for T&P Coal and Oil of McCamey.

Western Plastic collected five bingles off Denham. However, the loss dropped them from the running in the tourney.

Rotary Engineers, the only surviving Midland team in the meet, is scheduled to play Peoples Humble of Andrews at 9:30 p.m. Thursday.

Gen. Vaughn—
(Continued From Page One)
vacation trip, and said each passenger paid his own fare.

Newspaper that when Vaughn reported for duty last Monday, President Truman, looking severe, fished a pink-ribboned package from his desk and ordered the general front and center.

"The recognition of your courage and intrepidity over and beyond the call of duty," Newweek said to the President intoned, "I hereby decorate you with the medal Operation Union Station." (That was where the exchange took place.)

The President then pinned the medal on Vaughn's uniform. "It consisted of a bar inscribed 'Operation Union Station, July 6, 1949, Maj. Gen. Harry H. Vaughn, U. S. A., from President Harry S. Truman."

Mundt Presses Demand
Suspended from the bar was a dice bearing a picture of a desolate stretch of railroad tracks.

Newweek said Vaughn was relieved to get off so easily.
"Here is chairman of a Senate subcommittee submitting a report on plans for a public inquiry into charges of use of influence in awarding government contracts."

"Vaughan has said he knows 'about 300 persons in Washington' in contract operations."

"As a result, Rep. Shaffer (R-Mich.) has called on Truman to suspend Vaughn. And Senator Mundt (R-MD) has demanded that Vaughn be required to tell the Senate subcommittee whether he was 'just wind-jamming, or actually knows something' about 'five percent'."

Mundt is a member of the subcommittee.

Pact—

(Continued From Page One) Taft (R-Ohio) and Watkins (R-Utah) are sponsoring. It would say the treaty does not commit the United States to give military aid to pact nations.

First Show-Down Vote The first show-down ballot was due shortly after 3 p. m. CST on a treaty reservation sponsored by Wherry, Senator Taft (R-Ohio) and Senator Watkins (R-Utah).

CONCHO REA GETS LOAN WASHINGTON (AP)—The Rural Electrification Administration Thursday granted a loan of \$285,000 to the Concho Valley Electric Cooperative, Inc., of San Angelo, Texas, for expansion of its rural electrical facilities.

BACK FROM DALLAS M. C. Ulmer returned Wednesday from a business trip to Dallas.

Downing Explains Air Line Case

Delbert Downing, Chamber of Commerce manager, explained to Rotarians at their meeting Thursday noon in the Schreiber Hotel the current air line hearing which involves Midland and the city's position in asking that full service of American Airlines and Pioneer Air Lines be retained for Midland.

Air Travel Increases Midland was granted permission to intervene in the case by the CAB. Downing also told of the large growth in air travel from Midland as reported at the hearing.

Several Midlanders who attended the hearing in Austin were guests at the Rotary meeting. On the Austin trip were Stanley Erskine, chairman of the Chamber's Aeronautics Committee; Jack Wilkins, a C. of C. director; James N. Allison; Paul McHargue; H. A. Thomason, city manager; Robert L. Wood, John W. House, John P. Butler and Downing.

Three Hopefuls Loom As Scott's Successor WASHINGTON (AP)—Three potential candidates appeared Thursday for going to the front in the race for the Republican national chairmanship to be vacated August 4 by Rep. Hugh D. Scott of Pennsylvania.

Wildcat Cores North Snyder Field Strawn Standard Oil Company of Texas was coring through the Strawn section of the Pennsylvanian with its No. 2-5 Brown, Ellenburger wildcat in the North Snyder pool of North-Central Sperry County.

Good Punishment

When Michigan's Gov. Mennen Williams mentioned he hadn't eaten any cherry pie during the National Cherry Festival in Traverse City, Mich., he was severely dealt with by a kangaroo court. Here, the stock-locked governor gets his due. State police Sergeant Sam McIntyre dishes out the punishment—a healthy portion of cherry pie.

West Texas Oil & Gas Log—

(Continued From Page One) Mayhew, Southwest Andrews County wildcat to 12,000 feet to explore the Ellenburger developed interesting indications of possible production in a drillstem test on the top of the Devonian at 9,829-76 feet.

The tool was open two and one-half hours. Gas showed at the surface in 21 minutes. Recovery was 615 feet of heavily oil and gas cut drilling mud. Considerable amounts of that fluid was 41-gravity clean oil. There was no formation water.

The venture deepened to 9,720 feet and was running another drillstem test, with the packer at 9,675 feet.

The wildcat is about six miles north of the Dollarhide field, and 1,980 feet from south and 660 feet from east lines of section 20, block A-51, psi survey.

Mid-Continent Will Drill Ector Wildcat

A wildcat test into the Northwest Ector County Clear Fork section of the Permian is scheduled as Mid-Continent Petroleum Company No. 1-3 J. D. Slaton.

Wildcat Scheduled Near Vaughn Field

Location for a 1,500-foot, cable tool wildcat has been made one and one-half miles north of the Vaughn pool of Central-Northeast Crockett County.

It will be John W. Russell of Crane, No. 1 J. M. Shannon estate. The well is 330 feet from south and east lines of the lease in section 3, block UV, GG&SF survey. The project, depth is slated to allow an exploration in the San Andres-Permian in the Vaughn field.

New Benedum Well Is Dually Completed

Slick-Urschel Oil Company has dually completed its No. 1 Neal from the Ellenburger and Fusselman-Shurian in the Benedum multi-pay area of East-Central Upson County.

The new producer, located 1,980 feet from north and 660 feet from east lines of section 14, block 41/2, GG&SF survey, makes a west extension of 26 hours through a three-eighths-inch choke with gas-oil ratio 2,350-1 and no water.

The well finished potential in the Fusselman about a month ago, producing 593.98 barrels of 61.5-gravity oil daily. The initial production test was made flowing 24 hours through three-eighths-inch choke with gas-oil ratio 2,350-1 and no water.

Production from the Fusselman was through casing perforations at 11,090-11,150 feet following a 3,000-gallon acid treatment.

Wildcat Cores North Snyder Field Strawn

Standard Oil Company of Texas was coring through the Strawn section of the Pennsylvanian with its No. 2-5 Brown, Ellenburger wildcat in the North Snyder pool of North-Central Sperry County.

The venture was below 7,178 feet in lime. Tentative top of the Strawn was 7,062 feet on an elevation of 2,440 feet. That formation has yielded only slight oil signs.

The exploration has proven for production from the Canyon-Pennsylvanian, regular pay section of the field. It expects the Ellenburger about 8,500 feet.

Location is 467 feet from north and 1,980 feet from west lines of section 440, block 97, H&TC survey.

Flanagan - Ellenburger Test To Run Casing

Magnolia Petroleum Company No. 1 Flanagan, one-quarter of a mile east of the discovery for flowing production from the Ellenburger to open the Flanagan field in South-Central Gaines County, was bot-tomed at 12,255 feet, in Ellenburger entered at 12,240 feet.

Operator was taking electric surveys, preparatory to cementing casing on the top of the formation, to allow testing of the producing ability of the section so far drilled.

The original plan to run a drillstem test on the zone at 12,240-255 feet was abandoned.

The project is approximately 55 feet low to Shell Oil Company, Inc. No. 1 Hawkins, the initial Ellenburger producer in that area.

Midland Associates Extend Cedar Lake

McMillian & Peterson of Midland, have completed their No. 1 Scanlon Foundation, as a one location east extension to the Cedar Lake field in extreme Northeast Gaines County.

This exploration, located 539 feet from east and 1,350 feet from south lines of section 121 block M, EL&RBH survey, made a daily initial production of 232 barrels of 35-gravity oil, swabbing from pay in the San Andres-Permian at 4,725-4,820 feet.

That section had been treated with a total of 7,500 gallons of acid, by stages. The 5 1/2-inch casing is cemented at 4,688 feet. The swabbing was through two and one-half inch tubing. No formation water has developed.

Pegasus Flanker To Test Pennsylvanian

Magnolia No. 1-36 Glass, southwest outpost to the discovery well of the Pegasus field in North-Central Upson County, was drilling below 10,243 feet in Pennsylvanian lime.

The porous section of that formation was entered at 10,207 feet. Operator is slated to drill ahead to 10,255 feet, and run a drillstem test.

This exploration is 1,980 feet from north and 660 feet from east lines of section 36, block 41, TP survey.

Magnolia No. 2-30 Glass, northeast flanker to the same company's No. 1-A TXL, the Pegasus discovery, and located 1,980 feet from west and 660 feet from south lines of section 30, block 40, TP survey. T-4-S, has reached 10,800 feet in lime and shale, and was drilling ahead.

Nolan Wildcat Tries To Shutoff Water

Skelly Oil Company was attempting to shut off water in the Northwest Nolan County Ellenburger at its No. 1 Ater, wildcat five miles southwest of Roscoe and 330 feet from north, 2,500 feet from west lines of section 67, block 23, TP survey.

Swabbing perforations at 7,090-7,100 feet recovered mostly water. The perforations were squeezed off with 35 sacks cement. Drilling out to 7,128 feet, operator perforated casing at 7,124-28 feet and squeezed another 35 sacks of cement into the formation.

The venture was waiting for cement to cure. It is due to perforate and test for water shutoff, then make tests to attempt completion.

Weiner Gets Water In Pecos; Plugs Test

Ted Weiner, et al, have plugged and abandoned their No. 1 Iowa Realty Trust, North Pecos County wildcat, on a total depth of 5,290 feet in lime. Drilled with cable tools, the hole filled up with water on that depth.

The dry hole is 660 feet from northwest and southwest lines of section 68, block 10, H&CN survey.

Teaching Couple Finally Retires

CEAR KEY, FLA.—(AP)—A husband and wife teaching team has decided after nearly 50 years to retire. They are Mr. and Mrs. James Loren Bilderbeck who came to Alachua county in 1925 after teaching in Indiana.

Mrs. Bilderbeck was born in 1883 in Coatsville, Ind., and began teaching in 1904 at Brownsburg Rural School in Hendricks County. Her salary was \$350 a year. She taught the elementary grades and was qualified to teach English and Mathematics.

Her husband was born in 1884 in Hartsville, Ill., and began his teaching career in his home town for \$300 a year. His elementary and high school teaching career was interrupted three times—once to be graduated from the Indianapolis College of Pharmacy in 1909; once to get his Bachelor of Science degree in Education in 1931 at the University of Florida; and once to teach physics at the University of Florida during World War II.

Chicago Publisher Buys Capital Daily

CHICAGO (AP)—The Washington Times-Herald, the capital's biggest daily newspaper, has been purchased by The Chicago Tribune, which has the largest circulation of any standard size newspaper in the country.

Col. Robert R. McCormick, editor and publisher of the Tribune, Wednesday night announced the purchase of the newspaper once owned by his cousin, the late Mrs. Eleanor M. (Cassie) Patterson.

The purchase price and other details were not disclosed.

Stradivari Secrets Revealed in Italy

CREMONA, ITALY (AP)—"Give me a man with the wonderful hands, ears and feeling for violin that Antonio Stradivari had, and I will show him how to make violins as good as the master's superb instruments." Thus says Prof. Renzo Bacchetta, Cremona lawyer who thinks he has penetrated the secrets of the man who 200 years ago brought the violin to a state of perfection not since equalled.

But the genius' secret technique, Bacchetta said, can only be turned into superlative violins by another genius. Bacchetta has already given the secrets to the Italian government "Antonio Stradivari School of violin making" here, and violins are being made according to what Bacchetta thinks were the master's methods.

The Stradivari School is open to students of all nationalities. It presently has eight students. One of these is 18-year-old Adolph Primavera, whose father is a violin maker at Philadelphia.

There are really three secrets according to Bacchetta's information: One is the kind of varnish. The second is the "preparation" of the instrument to allow an absolutely even application of the varnish. The third is in just what order and manner the 58 pieces that make up a violin were put together.

4 RARE IRIS \$1

English originations, value to \$4 per tuber from world famous Puget Sound iris beds. BLACK MAGIC, Jet black, very rare. Plant now, will multiply five times first year. DOG ROSE, Dainty orchid in color and shaped like an orchid. An exquisite variety. CONSTANCE MEYER, Brilliant red. A consistent prize winner. SUNSET GOLD, Flaming orange. Multiplies rapidly. All four carefully labeled and packed, delivered postpaid, \$1. EXTRA, 2 each of these rare iris, each labeled, plus a gorgeous GUDRUN IRIS, Pure White with speckled gold throat, total of 9 tubers, postpaid, \$2.

Canterbury Gardens Dept. 546-G Empress Bldg. Seattle, Wash.

Social Situations

SITUATION: A car ahead of yours does not start the instant the light changes to green. WRONG WAY: Blow your horn to hurry the driver of the other car. RIGHT WAY: Be courteous and refrain from sounding your horn.

Newsies have the power to replace eyes and legs lost in accidents.

From where I sit... by Joe Marsh Don't Fence Yourself In Every spring, Handy Peterson and Easy Roberts patch up the stone wall that separates their farms. They walk along talking—Easy on one side, Handy on the other—picking up the fallen stones and putting them back. Afterwards, over a friendly glass of beer, Easy says, "You know, wall-mending is a nice neighborhood custom, but we really don't need that wall. We keep it up just because it happens to be there." "Yes," says Handy, "a lot of walls and fences and boundaries keep on separating people for no good reason. Maybe we'd all be better off if some of them were torn down, instead of kept standing." From where I sit, Handy said a mouthful. Tube the "walls of intolerance" that people build up against each other. I like a temperate glass of beer now and then, you may prefer buttermilk—but that's no reason for me to criticize you, or you, me. Let's live and let live together—making more friends and fewer "walls." Joe Marsh

# Area Drillsites Show Slight Increase With Total Of 54

Oil activity in the Midland area increased slightly the past week, as shown by records of the oil and gas division of the Railroad Commission of Texas. During the seven-day period, 54 applications to drill were filed, an increase of 14 over last week's total.

Amended applications covering changes on nine explorations in the district were also filed. One of these amended applications was on a wildcat.

Six wildcat locations were listed. Scurry County claimed three of the wildcats. Two of the wildcats were staked in Pecos County. The remaining wildcat venture was spotted in Sterling County.

Cochran County has five amended applications. The remaining amended applications were distributed one each to Crane, Loving, Mitchell and Scurry Counties.

Pecos County gained 13 new locations. Drillsites were established for seven explorations in Scurry County. Hockley reported six new projects.

Andrews, Scurry and Winkler Counties each had four new prospectors. Three new locations were filed in Crane County.

Each of Cochran, Gaines and Loving Counties gained two new explorations. Location for one new project was staked in Garza County.

Visitors to the Chicago Railroad Fair get a touch of winter despite the broiling sun as they watch a snowball fight with honest-to-goodness snow. Occasion is "Colorado Day" with Colorado Gov. Lee Knous standing between the two teams to act as referee. The Harvey Girls, right, pitch against the Girls of Gold Gulch. Left. The governor's a true diplomat—he declared the contest a tie.

## FAR EAST BLUNDERS—Indonesia Observers Convinced Reports Are Distorted Before Arriving At UN

**EDITOR'S NOTE:** This dispatch was filed from Indonesia by Mr. Heath just before he began his return flight, on which he and 13 other prominent American newsmen were killed when their plane crashed in Bombay.

By S. BURTON HEATH  
NEA Staff Correspondent

BATAVIA, JAVA—Two years ago, the United States still had two choices in Indonesia. Desiring a stable, strong, friendly government as a bulwark against communism, it could have chosen the Republic—which it did—or the Federalists.

Our State Department took the Republicans at their own face value. It ignored the collaborationist war-time records of President Sukarno and Vice President Hatta. It waived the very strong infiltration of Moscow-trained Communists, most of them now dead or gone, but all then in high places. It accepted as democrats a self-appointed oligarchy which had never even gone through the pretense of democratic processes—and has not to this day.

The State Department, and the United Nations under American leadership, refused to listen to a delegation of four very eminent Indonesians who went to the U. S. to tell the world that the Republic did not represent all of Indonesia, but only one part.

A group of American newsmen, circulating freely through the islands, has been trying unsuccessfully to discover who supplied the State Department with the information on which this course was based.

Only two things have been established beyond doubt. One is that representatives of the State Department here actively resist the coming of American newspapermen, who almost unanimously condemn the State Department's Indonesian policy as a menace to American security.

The other is that American and Australian junior officers, assigned as field observers for the United Nations, are convinced their factual reports are being distorted before they are passed on to Washington, Canberra and Lake Success. They say it is useless to submit anti-Republican or pro-Dutch reports. These reports pass through the hands of Australian Brigadier G. E. Prior and U. S. Colonel W. B. Carlock, whose responsibility it is to blend them into a homogeneous picture of what is going on.

There is no question, in the mind of anybody who has traveled around these islands, that all the Indonesians want independence, as quickly as possible. There is no question—even the Dutch here admit it—that the Dutch have been most inept in handling a touchy situation and in presenting their side of the controversy to the world. U. S. Acts Hastily

The question, for Indonesia, was simple: Should the self-appointed Republic oligarchy, representing principally Java, impose a unified national state on some 39 other nationalities, scattered over an area almost as big as the U. S.? Without even hearing the other side, the U. S. answered that one "yes."

The question for the United States, also, was simple: Should the changeover be in the hands of a moderate group—free alike from Jap-collaboration and from Salimism—that would welcome advice and assistance while they were getting on their own feet? Or should it be in the hands of Sukarno-Hatta, who want every Dutchman out of area, and cannot conceive of needing help from the U. S.?

The State Department chose Sukarno and Hatta.

Record production of bituminous coal in the United States for a single year was 619,576,000 net tons in 1944.

### Whose Bees, Please? Flip Of Coin Decides

Whose bees, please? Both bee-keepers Lee Sargent, left, and W. T. Mulkey claimed this errant swarm of bees. It took a toss of a coin to decide who kept them.

By JOHN J. SPANO  
NEA Special Correspondent  
NEW ORLEANS, LA. —(NEA)—  
The flip of a coin settled once and for all the problem of which one of the beekeepers should keep the bees.

It all started when a housewife called police about hundreds of bees creating a disturbance in a bush in her yard. No one knew where they came from, but they probably were kicked out of a hive by the younger set, as is the custom among bees.

Two professional beekeepers—W. T. Mulkey, 48, and Lee Sargent, 56—were notified. Both operate hives on a commercial basis.

Sargent got the bees first. Mulkey arrived a few moments later and grabbed the queen bee. The hundreds of other bees swarmed into Mulkey's container after he placed their queen in it. Mulkey had the seven pounds of bees, worth about \$10 and the queen, valued at around \$2.10.

Objects!  
Sargent objected, claiming he had gotten them first.  
"I got them in a box, haven't I?" Mulkey retorted, implying that possession is nine points of the law. They argued back and forth. Sargent belittled his fellow beekeeper's professional ability.

"I can catch bees in my hat," Sargent said.  
Mulkey said something about Sargent having bees in his bonnet. The two claimants almost came to blows.

That's when two policemen arrived. Solemnly, they heard arguments from both sides and decided the swarm should be split in half and a part given to each beekeeper. But the cops didn't know their bees.

Can't Divide  
"You can't divide them like that," Sargent said. "There's only one queen and all the bees will stay with her."  
An assistant district attorney was called into the case. He said he could do nothing, because the matter was a civil one.

Finally, in desperation, the cops ordered the flipping of the coin. Mulkey won.

Sargent walked away grumbling something about the inadequacy of the legal system.

### Youth Center Chatter

By JOYCE HOWELL and JUNE HAZLIP

The weather just gets hotter and hotter, and it seems as though the hotter it gets, the more teen-agers there are at the Y-C.

We're going to begin the column this week by saying "Thank-you." Yes, we would like to thank the many people who have helped us out at our Center by donations of money or other useful items. The large pageant put on by the Lions Club was for the purpose of benefiting the Center, and others. The Jaycees sponsored a project to help us. Every month the French Heels Club has a benefit of some type for the Center.

Nadene Griffin and her dance pupils very graciously prepared the floorshow presented at our first Summer dance and Kruger's Jewelry has let us use their punch bowl and cups for both of our dances. The Business and Professional Women's Club gathered up prizes for a party. It is difficult to remember the names of all the different groups and individuals who have helped us.

A few weeks ago we told you that Max Schafer was going up to Oklahoma to a church camp and to visit a friend of his, Joe Brown. Joe, who was from Madill, Okla., had visited Max in Midland for several days. This week Max returned after a long visit in Oklahoma and a trip through New Mexico.

When Max returned this time, he brought back two friends. Jim Robinson and John Harper. Both are from Madill, and will attend college this Fall. We noticed that John plays a pretty good game of ping-pong and they both played a lot of tennis while here. The boys were here for several days.

We met another new girl a few days ago. She is Shirley Warriner from Houston. Shirley is nearly seventeen and will be a senior in high school this Fall. This five-foot-five brown-eyed girl is in the Scottish Brigade, an organization like our Drill Squad. We are glad to have you with us, Shirley.

Camilla Birkhead brought a very sweet little visitor to the Center the other day. Her name is Sharon Lee Enloe and she is just six years old. Sharon has an older sister (she is eight) named Mary, however, Mary preferred reading funny books to coming in the Center. Mary and Sharon are Camilla's cousins from California.

Nancy Roberts felt quite bad last Saturday. The poor girl had lost part of her car! Nancy bought a car (one that goes on a key chain) and that same afternoon lost the top.

Freedom!!  
Our thoughts today are with the Summer School students. Some of them took their final examinations Thursday and the rest will take theirs Friday. Saturday is the day for receiving report cards. We hope you all pass your subjects. We know that you'll enjoy your Freedom!!

It is rather difficult to get five in one seat in the average car. Max Schafer, Jim Robinson, John Harper, Gloria Anguish and Shirley Warriner found this out a few nights ago. Of course, there is plenty of room if you open the doors.

Shirley Harrison has been complaining about her badly injured knee. It seems that Shirley fell down while playing wood tag in front of the Youth Center.

We saw several girls in front of a certain floral shop last week. Shirley Harrison, Gloria Anguish, Jo Ann Nelson, Rosalynn Leggett, Mary Nell, Wanda Burside, Peggy Minear, Shirley Warriner, Sue Johnson, Sidney Smith, Ann Borling, Jean Blackwell, Ann Stephens and Toya Chapple ate watermelon, watermelon and more watermelon. These girls apparently had a good time for we heard a lot of noise coming from Sidney's backyard.

Bracelet  
We have seen identification bracelets with many different things written on them, but Ann Stephens has one of the cutest bracelets we've seen in a long time. "No Trespassing" is written on it.

We just read a letter from Jereen Howell. As many of you know, Jereen is "way up North at Music Camp in Interlocken, Mich." Even with the many hours she spends studying music (she plays the violin, piano and clarinet) she finds time to go boating. We just hope you'll want to come home when it is over, Jerry!

We've seen several of our members out on the tennis courts in the hot afternoon sun. Gloria Anguish, Jo Ann Nelson, Toya Chapple, Jean Blackwell and Jean Ferguson are a few of the girls we've seen out there so often.

OLD NEWS: Five years ago Ben Gray fell off a burro and injured his hip.

NEW NEWS: Last Saturday Ben Gray rode a horse bareback and now his hip hurts again.

Wilbur Yeager, Buddy Anguish, Bill Young, "Red" Morgan and Dick Monroe are a few of the boys we saw last weekend. They were all home from their jobs in other cities. They looked as though they are getting plenty of exercise and good food. We only wish you boys could come home ever weekend.

Clinton (Red) Morgan is cultivating, and we do mean cultivating, a mustache. It is off to a pretty good start, too! Perhaps before

long "Red" will look like an old-time movie star.

Immediately after returning from one visit, Adele Blackman left to go to Carlsbad, N. M. Please Adele, make up your mind, are you or aren't you going to stay with us here at home?

Mike Brunner, who is working at a drive-in gives service deluxe. If asked in just the right manner, he will run errands for you.

Sunday afternoon a few of our members still felt like dancing, so dance they did. Gwen Roberts, Pat Fryor, Doy's Roberts, Alex Carter, Pat Whitson, Glenda Shoemaker and Joe Ann Boykin were a few of those who did dance.

Several new records have been put on the juke box. "Haunted Heart," "Again," "Baby It's Cold Outside," "Some Enchanted Evening," "Put Your Little Foot," "Galaway Bay," "Dek's Schottische," "Careless Hands" and "Symphony" are a few of the new ones.

Jack Kelly and Bobby Stanley seem to think the Youth Center sign quite comfortable. We've seen these two boys sitting on the sign frequently.

Earl Chapman Ronnie McPadden and David Anguish came in the Center Sunday afternoon, headed straight for the balcony, and started bringing the ping-pong table down and setting them up. The certain knew just what they wanted to do!

Mark McKinsey, Dianne Anderson, Jim Irvin and Sue Ann Francis had a good time at the dance last Saturday.

Heavens! Isn't it embarrassing to get people mixed up? No, we aren't speaking of the Finch twins Jean and Jane McMillan who look a lot alike, especially from a distance. We've come to the brilliant decision that twins should always wear signs telling which is which.

"Mum's Coward" and Mary Faye Ingram were seen riding around in "Mum's" new convertible. It's been quite a while since we last saw you all.

Are you keeping up with the articles on your Bulletin Board? There is a page called "Teentime" for the girls. You boys might be interested in this page, too, because it is about controlling the tongue! Be sure to watch the board from now on, because postcards may not be mailed out any more.

Wandering Thoughts  
We heard that Doy's Roberts has a job in Odessa.

Our thanks go to Don Johnson and David Anguish who got the wood for our weiner roast last week.

WANTED: Someone to answer Mike Brunner's questions for at least one hour a day.

Mary Nell just got a lovely new permanent. We also like Gloria Anguish's new hair cut and permanent.

Wonder if Jereen Howell will pick up a Yankee accent while at camp.

Rosalynn and Waldo Leggett will be out-of-town next week, too. The family is planning a trip to Colorado.

Carolynn Curd certainly looks nice with her hair short and bangs. We really do like it, Carolynn.

We noticed an awfully cute midriff-shirt on Jo Reba Davis the other day.

My, but Moe Price looked handsome last week! He had on a large hat and cowboy boots.

We saw Harry Loskamp last weekend. Andy Borling informed us that Harry comes home nearly every weekend! Glad to have you home, Harry.

More Thoughts  
Jimmy Coker and Charlie Chammy from Odessa informed us that Harry comes home nearly every weekend! Glad to have you home, Harry.

"Lover's Gold," the new song sounds a lot like "Nature Boy."

QUIET PLEASE: Madelon Schabarum, have you no movie manners? The very idea, throw your money all over the floor at the show!

My, what beautiful music! Peggy Whitson and Sara Lew Link played the piano for a long time last Sunday—they seemed to know only one piece.

Joan Tom and Louise Patton were having quite a time last Sunday driving around.

My, but Preston Conner is brave! After killing a couple of flies barehanded he decided to use the flyswatter.

Our feelings are injured! We waved to Fred McMurtry the other day and he didn't wave back. (Perhaps it's because he didn't see us.)

We certainly were surprised when in a black-headed boy waved to us. It seems funny to see Don Leaton with black hair.

We saw Janis Davis and Carolyn Claiborn in two very pretty white dresses last Sunday. They almost looked like twins.

The hot weather really has gotten us down so we have had to stop now and bid you a very hot, sticky, and drippy "Adieu."

Best age for most sports is between 25 and 30.

### Riders See Two Shows On Unique Show Train

Gams Ride Rods: As the Show Train rolls its happy way toward New York, passengers see a style show. Feature was girls like Rosemary Williams, chorus girl in "As the Girls Go," modeling bathing suits.

NEW YORK —(NEA)—You can talk about the Wabash Cannonball, but did it have showgirls in bathing suits parading up and down the aisle? The Show Train does.

In fact, the Show Train is one of the most unusual trains ever to ride the rails. Product of a collaboration between the New York, New Haven and Hartford Railroad and Broadway, it runs once a month. It brings passengers down to New York to see a hit Broadway show, starting at Hartford, Conn., 109 miles away, and stopping at several points inbetween.

The first experiment was made last March. Only 239 passengers showed up. But the June Show Train, which brought the customers in to see Bobby Clark in the musical comedy, "As the Girls Go," had about 700 aboard.

The Show Train is the brainchild of S. A. Boyer, assistant vice president of the New Haven Railroad, who took pity on people living outside of New York. No one had given any consideration to the wants of the rural theater-lovers, he decided. Outside of infrequent road companies, they were out in the cold.

Like Natives  
But that's all ended and out-of-town showgoers can now go to the theater in New York as easily as the natives. Tickets to one show are advertised for sale in cities along the railroad route from Hartford every month. They can be purchased for orchestra or balcony, and they are bought in conjunction with the railroad ticket which is offered to the playgoers at a 25 per cent round trip reduction.

The June Show Train, to get the folks in the mood, had a beauty contest aboard. Some of the cities along the route entered contestants and Mike Todd, producer of "As the Girls Go," and his wife, Joan Blondell, were judges. The winner, dubbed Miss Show Train, was given a huge bouquet of roses and an audition for Todd's new show next Fall.

Into Laps  
After that chorus girls from the show and models paraded through the train in dresses and bathing suits supplied by a New York department store. Dressing rooms were set up at both ends of the 12-car train, and the girls changed their outfits as they reached either end, then started back again.

The swing of the cars pitched a couple of them into the laps of male passengers, who didn't seem upset. They were pretty good sports about the thing.

Lady passengers were all presented with a rose as they boarded the train, and the men were given carnations. Candy, cigarettes and even newspapers were passed around. Refreshments were plentiful.

First stop in New York was for dinner. Passengers had a choice of three restaurants. While en route, they studied menus and the orders were telephoned ahead. Some preferred to dine on their own, however.

The show itself came next. It lasts rather late, but the passengers made their way back to the Show Train in time to leave at 11:50. And the festivities continued.

There was more music, and bacon and eggs or other snacks available in the refreshment cars. Orders for cocktails were taken and the drinks served to the passengers in their own coaches.

### Rankin News

RANKIN—Mr. and Mrs. Fred Ready left Tuesday for Natchez, Miss., where their son, Fred, who has been working there, was injured in a car accident. Although the car was badly damaged in a collision, Fred was not seriously hurt and will return to Rankin with his parents.

Mrs. Louis E. Bennett and children, Beverly and Scotty, were in San Angelo Monday.

Mr. and Mrs. Charles F. Hemphill and daughter, Nancy Helen, of Albany spent the first of the week in Rankin on business and pleasure.

Mrs. Tyson Middif, who underwent surgery in the Western Clinic-Hospital in Midland Monday, is reported to be doing "nicely."

The Rankin OBC Chapter held a regular meeting Monday night, with Worthy Matron Maggie Taylor and Worthy Patron J. C. Bredelhoff presiding. Visiting grand officers, Theima and Charles Hemphill of Albany, were presented and honored. In the business session it was decided to hold initiation August 15 for several candidates. Refreshments were served by Mr. and Mrs. W. A. Hudson at the close of the meeting.

Guests in the J. Linton Clark home Monday were former Rankin residents Mr. and Mrs. Frank Goodner and two children of Jai, N. M., and Mrs. Ella Soussalres.

Mrs. Clara Hill and Mrs. Lella Workman attended the annual picnic of the Midland B&PW Club Tuesday night. The picnic was held on the lawn of the Midland club president's home.

HELENA, MONT.—(AP)—Constable James McKelvey reports that the mechanisms have been stolen from five confiscated slot machines being held in a bonded warehouse here. The thief first phoned the warehouse watchman and told him the police were taking over and for him to go to the constable's home for orders. Then he entered the warehouse, stripped the insides from the machines and left only the useless covers.

OLD TRADE  
Plants for the old-fashioned Ethiopian guns are supplied by the flint-knappers of Brandon, England, whose ancestors made arrowheads before the Romans invaded the British Isles.

The coyote may have three to 10 pups in a litter.

Movie actress Vera Ralston sports a young fortune in jewels. The ear-rings, necklace and bracelets, from a Hollywood antique collection, are valued at \$250,000. They are supposed to have been given to the Empress Josephine by Napoleon. The necklace alone contains 20 square-cut diamonds ranging in size from two to five carats each.

Daddy Ringtail

By WESLEY DAVIS

Daddy Ringtail And The Radio Bug

One day the Radio Bug was listening to a radio story when he heard a someone say: "Listen, you'd better do what I say, or else..."

Well, this seemed to be so much fun that the Radio Bug got to thinking that he would try the saying of it. He left his radio. He went out on the Elephant Path. Pretty soon, there came an elephant, shuffling along and shuffling along with his great big feet. The elephant was carrying a little something with his trunk, just as though the trunk had fingers at the end.

"Oho!" said the Radio Bug when he saw the elephant. He said it in a great big voice.

The elephant stopped because he had heard the great big voice, but the Radio Bug was so little that

the elephant didn't see him at first. The elephant looked around and up and down and sideways, and when he didn't see anybody, he started to walk on away, still carrying the little something in the end of his trunk.

"Listen, you!" said the Radio Bug. "What is that you're carrying away?"

Then at last the elephant saw the Radio Bug, right on the Elephant Path in front of him. "Oho!" said the big old fellow. "It's a peanut I'm carrying."

The Radio Bug began to laugh, the way that people sometimes laugh on the radio when they're trying to sound like they're dangerous. "Listen you!" said the Radio Bug. "Drop that peanut and give it to me—or else!"

The elephant swung his trunk from side to side while he thought about it. He flipped and flopped his great huge ears.

"Give it to me—or else!" said the Radio Bug again.

Said the elephant: "Or else what?"

Well, the Radio Bug didn't know "or else what," and so he couldn't

tell the elephant. He didn't know what was supposed to happen next, because he had never heard it on the radio.

So the Radio Bug went on back to his radio to try and find out, but he never did, and the elephant kept the peanut and everyone was happy. Are you? Happy day!

(Copyright 1949, General Features Corp.)

Average age of farmhouses in the United States is about 50 years, but three-fourths of those in New England are 80 years old.

Woman Legislator Overcome By Honor

BANGKOK—(AP)—The first woman ever elected to the Thailand (Siam) Parliament arrived at Bangkok's railroad station only to be carried out on a stretcher. Nang Oraphin Chayakarn was to receive a triumphal welcome from her husband, family and friends, but she was so overcome by the rigors of her campaign that she had to be taken in an ambulance to a hospital.

LAMP POST PROVES DEADLY

BERLIN—(AP)—A 74-year-old Berlin man bumped against a lamp post on a dark night. He was fatally injured.

The acorn often was used on the designs of Colonial furniture because it was considered the symbol of hospitality.

Rice-Cotton Project Boosted In Siam BANGKOK—(AP)—The Siamese government has decided to allocate \$600,000 during next year to encourage rice and cotton planting in special settlements in the north central and southern provinces. The Public Welfare Committee, whose chairman is Premier Phibun Songkram, has asked the Director-General of the Interior Department to make a survey of unemployment conditions in the provinces. It is intended to offer work at the settlements to as many unemployed as will accept.

**Stud Coffee Cake With Fresh Berries**

QUICK COFFEE CAKE—studded with blueberries is a different breakfast treat.

By GAYNOR MADDOX  
NEA Staff Writer

For a perfect Summer breakfast, serve quick coffee cake purple with fresh or frozen blueberries. The recipe given here achieves a fine texture and flavor with a combination of baking soda, sweet milk and vinegar.

**Quick Coffee Cake**  
Two cups sifted all-purpose flour, 2/3 cup sugar, 1 teaspoon baking soda, 1/2 teaspoon salt, 1/2 teaspoon cinnamon, 1/4 cup shortening, 1 egg, 1/2 cup milk, 1/4 cup vinegar, 1 1/2 cups fresh or frozen blueberries.

Sift flour, sugar, baking soda, salt and cinnamon together. Cut in shortening. Beat egg, milk and vinegar together. Add to flour mixture and stir until flour is dampened. Spread in greased 9-inch round baking dish 1 1/2 inches deep. Place blueberries on top of batter.

**Crumbs Topping**  
One-half cup sugar, 4 tablespoons flour, 1 teaspoon cinnamon, 2 tablespoons soft butter or fortified margarine.

Mix ingredients for topping together and sprinkle over blueberries. Bake in moderately hot oven (400 degrees F.) about 30 minutes.

For the vacation time cookie jar, here's a welcome suggestion:

**4-H Clubber Finds Turtle Speed Rate**  
WINTERS—(P)—How fast can a turtle travel? A half mile an hour—if you get him plenty angry.

Obie Dee Bradford, 4-H Club member, found a 12-pound turtle near here. He scrubbed it up with a wire brush and took it to Ballinger, for a turtle race there. Mr. Turtle protested all the way.

At Ballinger, the turtle escaped. Twenty-eight hours later he (or she) was found crossing a highway here, 14 airline miles from his escape site.

"That was the maddest turtle I ever saw," said Obie Dee's mother.

More than half the world's production of tin cans is made and used in the United States.

### Czechs Lining Up For U. S. Movies

PRAGUE — (AP) — The biggest queues in town these summer days—dwarfing even those before the free market food shops—stand before the few American and French movies the Communist government allows shown here. Such Hollywood oddies as "Arabian Nights" and "Robin Hood" are packing them in, along with the French "Silence Is Golden".

On the other hand, Russian films, of which the Czechs get plenty, do slim business. Products of the Czech film industry also do poorly at the box office against the western products.

And it is no accident that the few available American films are saved up for the summer months. Both spectators and exhibitors will tell you why. It is because there is no trick to filling theaters in the winter, when people often go to keep warm or to avoid boredom.

### Make Good Use Of Summer Gardens

YOUR SUMMER GARDEN—will provide many ideal July dishes.

By GAYNOR MADDOX  
NEA Staff Writer

Look to your own or local gardens for fresh lima beans and tomatoes. Turn them into this main dish and serve either for luncheon or supper:

Summer Garden Luncheon Dish (6 servings)  
Three tablespoons butter or fortified margarine, 3 tablespoons flour, 1/2 teaspoon salt, 1 1/2 cups milk, 2/3 cup grated sharp cheddar type cheese (3 ounces), 1/4 teaspoon Worcestershire sauce, 3 cups cooked lima beans, 6 small onions, partly cooked, 2 tomatoes.

Melt butter or margarine over boiling water in a 1 1/2 quart double boiler. Stir in flour and salt; add milk, stirring constantly. Cook for about 20 minutes or until no starchy taste remains. Remove sauce from heat; stir in cheese and Worcestershire sauce. Arrange about half of the cooked lima beans in well greased large dish of heat-resistant glass over-refrigerator set.

Arrange partly cooked onions on lima beans. Pour about half of cheese sauce over lima beans and onions. Place rest of lima beans in dish and pour on rest of cheese sauce. Cut tomatoes into six slices; arrange on top of lima beans in dish. Bake in moderate oven (350 degrees F.) for about 1/2 hour.

Another Summer thought—plan your budget menus a day or two in advance. You'll be amazed at the shopping time and confusion this will save.

### Snake Experience Is Told By Rancher

LEWISTOWN, MONTANA—(AP)—Montana Rancher Martin Norman said he had the shakes after this experience with a rattlesnake.

Norman and Ted Langford were out trailing cattle in the Missouri brakes near here. They stopped for a rest and stretched out in the grass to cool off. A noise attracted their attention and when they looked up, there was a rattlesnake between them.

Norman rolled out of the snake's range, but Langford froze and lay still. The rattler slithered up to Langford, looked him over and turned and went away.

### French Rebuild Liner Ile De France In Bid For Valuable Tourist Business

NEW YORK — (AP) — Like any self-respecting French glamor girl, Ile de France has to have a few changes made now and then to keep up with the latest style.

This time, the Ile, 44,500-ton passenger liner, has had the work at the Penhoët shipyards, St. Nazaire.

When she steams into New York harbor July 27, she'll be a new woman. She'll have two smokestacks instead of three and an entirely new appearance resulting from re-designed upper decks.

And, on the inside, she's been completely rebuilt after her heroic work as wartime troop carrier. Her capacity has been decreased from 1548 passengers to 1340, but the quarters have been made more luxurious.

The rebuilding was done alongside the battered submarine pens built by the Germans at St. Nazaire, and now the Ile de France will be competing for tourist dollars with the two Cunard "Queens" which also were stripped of their luxury to carry troops through sub-infested waters. Although the big French luxury liner Normandie was wrecked by fire in New York during the war, France will have another big ship next year.

The ex-German Europa, turned over to the French as reparations, is now being rebuilt at St. Nazaire.

Five Bars Aboard

Taking a quick look at the latest floating comfort, the Ile de France now is equipped with everything from apartments (de luxe) to writing room (first class).

The apartments (de luxe)—there are 12 such—each are named for a famous French chateau and each decorated by a well-known artist "to reflect the spirit of its namesake." Each has a bedroom, salon and bath.

There are five bars aboard the Ile, ranging from the Cafe de Paris (done in mahogany and designed, the French line says, "to escape from care") to the Tourist Class Smoking Room bar whose passengers, presumably, can get their escape from care in a room done in light colored veneered wood with eggshell satin finish.

There are three beauty salons, for each of the three classes—first, cabin and tourist; two gymnasiums; two libraries; two reading rooms; three smoking rooms; and one writing room.

Among the fancier features of the fabulous Ile is its kennel for passengers' dogs. They are heated and have running water and, every day, a complete menu is printed for the dogs, including a chef's special. Special meals for individual pets may be ordered. In the past, pampered pooches have devoured such specially-prepared treats as rabbit's head stew and roasted chicken with watercress.

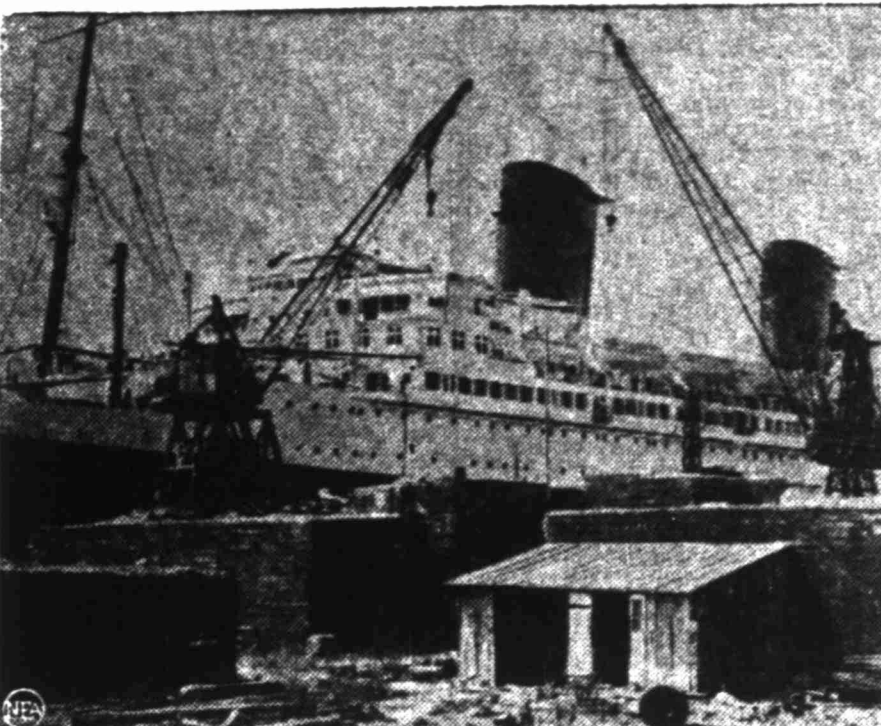

Three dining rooms take care of the meals. Each is air conditioned and decorated daily with fresh cut flowers, carried especially for the purpose.

Food is prepared by a battery of 123 chefs. Menus are newly designed. There are three elevators for first class passengers. Cabin class passengers have one large elevator. The line stopped there, but the chances are there are some stairways for the tourist class people.

The Grand Salon is decorated with two lacquer panels by Dunand—"Conquest of the Horse" and "Fishing."

The Ile has a fully-equipped hospital, prints a daily newspaper, has a modern theater, drug store, valet service and a wine cellar which carries 5600 bottles of champagne, 26,700 bottles of wine, 12,000 bottles of mineral water, 2000 bottles of beer and 14,000 litres of draught beer.

And, oh, yes—there are engines and propellers down there somewhere.

The new Ile de France arises alongside the battered submarine pens built by the Germans at St. Nazaire. The Ile's new two-stack arrangement and re-designed upper decks completely alter her appearance.

### Vichy Rebuilding Its Health Center

VICHY—(AP)—This French town of 30,000 inhabitants is strongly fighting its inferiority complex. Vichy has been associated for four years with a capitulation regime and its name then meant the provisional capital of the "French State". Though it was only provisional, it lasted too long for Vichy officials who have to rebuild the reputation of this health spa.

They have modified the label of some of their mineral water bottles for export. All Vichy water is called "Vichy-Etat" (Vichy-State) but Great Britain objected to that name. So Vichy bottles for England just bear, under a tricolor ribbon, the sole name of the city.

CONTACT WITH MOON  
The U. S. Signal Corps established radar contact with the moon in 1946. The signal echoed back to the sending station in less than three seconds.

### Bangkok Graft Board Has Short Existence

BANGKOK—(AP)—The life of the 23-man committee set up to clean up corruption in the Thailand department of communications was brief, indeed.

The anti-graft body hadn't even completed investigation of 30 alleged corruption cases presented to it when the Ministry of Communications advised the Cabinet Council the committee should be disbanded.

No official explanation was given for the request to end the anti-graft probe, but it was reported that expenses of the committee were running much higher than the money that could be saved.

In another government department, the Immigration Division, three officials were suspended following charges that they were involved in the issuance of immigration licenses to 200 Chinese and 29 Indians.
