

C-S Scurry Wildcat
Logs Sulphur Water

A closely watched wildcat in Central-South Scurry County, D&R Oil Company No. 1-A Martin, made sulphur water with a slight show of oil and gas in an unidentified Pennsylvanian lime, thought by some observers to be the Strawn. The venture is slated to drill deeper. The water came in a drillstem test at 7,400-85 feet. The tool was open one hour and 45 minutes. There was a blow of air at the surface for the first hour and 20 minutes, and that was followed by a small gas blow for the remainder of the period. Recovery was 400 feet of oil and gas out drilling mud and 6,500 feet of sulphur water. This prospector is 860 feet from south and east lines of section 159, block 97, H&TC survey. It is two and three-quarter miles east of the nearest production in the Sharon Ridge-Canyon field.

Spraberry Has Small Oil Show For RNGC

Republic Natural Gas Company No. 1 American Republics Corporation test showed a little sign of gas and a rainbow of oil in a drillstem test of the Spraberry sand zone of the lower Permian in Central-North Upton County.

This wildcat, three miles south of the discovery of the Pegasus-Ellenburger field, and 660 feet from north and west lines of section 6, block 40, TP survey, T-5-S, took a two-hour drillstem test at 7,671-7,785 feet.

Recovery was 230 feet of gas cut drilling mud, with a slight rainbow of oil. There were no signs of water. The venture is to drill deeper.

Bigging Larger Swab

It is contracted to 13,000 feet to explore into the Ellenburger. Republic Natural No. 1 Powell, possible Ellenburger producer two miles southeast of the Pegasus discovery and 660 feet from north and west lines of section 44, block 40, TP survey, T-4-S, was rigging up a larger swab, to try to clean out the open hole in the Ellenburger, and make the well increase its oil flow.

The section at 12,960-13,019 feet had flowed at the average rate of five barrels of oil per hour at intervals, after the open hole had been treated with 2,000 gallons and with 10,000 gallons of acid.

W-C Scurry Flanker High On Canyon Reef

Sun Oil Company No. 1 Lemons, one-quarter of a mile southwest of the closest completed producer from the Canyon reef on the northwest side of the Kelly field in West-Central Scurry County, five miles west of Snyder topped the reef at 6,736 feet, to give a datum of minus 4,719 feet, and make it regionally high.

The project cored at 6,760-70 feet and at 6,770-76 feet. The material recovered showed good porosity and was saturated with oil.

C-E Scurry Venture Still Hunts Reef Top

C. L. Norsworthy, Jr., and associates, No. 1 Feldman, Central-East Scurry County wildcat, had reached 6,343 feet in shale, and was making more hole.

At that level it had not found the Canyon reef lime, the producing formation in the North Snyder, Kelly, Diamond M. and Sharon Ridge-Canyon fields of Scurry County.

Canyon Test At Kelly Is Planned By Skelly

Skelly Oil Company has staked location for a 7,200-foot exploration outside of proven area for production from the Canyon reef on the Northeast side of the Kelly Canyon field in Central-Scurry County.

Skelly No. 1 W. D. Harrell is to be 860 feet from south and west lines of section 250, block 97, H&TC survey, and three and one-half miles northwest of Snyder. Drilling with rotary tools will get under way immediately.

North Snyder Gains Stanotex Operation

Standard Oil Company of Texas has filed an application with the Railroad Commission of Texas requesting a permit to drill a 7,000-foot venture in the North Snyder field of North-Central Scurry County to test the Canyon reef.

The operation will be Standards' No. 4 Jap Beck and will be located 92 feet from south and west lines of the lease in the south half of section 383, block 97, H&TC survey, and nine miles north of Snyder. Drilling with rotary tools will start immediately.

Steel Mills Prepare To Shut Down

Violence Flares In Coal Pits

By The Associated Press
A dynamite blast rocked a coal company tippie Thursday in a fresh outbreak of violence in the nation's coal fields. John L. Lewis' United Mine Workers were to resume negotiations Thursday afternoon with two big branches of the coal industry amid a stormy background of blasting, gunfire and stone hurling. The mine workers' wrath against non-union men working the pits in defiance of the union brought this fast-breaking chain of events: 1. A blast at a tippie of the Junedale Coal Company at Grass Flat, Pa., ripped off the roof, tore off part of one side and damaged generators and motors in the building. 2. A gunfire flareup at Jasper, Ala., reportedly resulted in the death of one miner and the serious wounding of another. The sheriff there said he could not confirm the death, however. 3. Gov. William M. Tucker declared a state of emergency in Virginia. 4. The Kanawha County, W. Va., school board ordered its school buses off the highways in fear of battling between pickets and non-union workers. It was with this background that Lewis' union was to confer with the leaders of the Southern Coal Operators and of the Northern and Western.

Reds Scrap Treaty Of Friendship With Tito's Yugoslavia

LONDON —(AP)— Soviet Russia scrapped her friendship treaty with Yugoslavia Thursday, declaring that Premier Marshal Tito's regime has lined up with "foreign imperialist circles." The decision ending the alliance signed in 1945 was disclosed in a Soviet note to Yugoslavia. It was broadcast by Moscow radio. The note said the Budapest treason trial of former Hungarian Foreign Minister László Rajk, sentenced to death Saturday, disclosed Yugoslavia had been carrying on hostile activity against the Soviet Union. Rajk was accused specifically of plotting with Yugoslav and American agents to overthrow the Moscow-backed Communist government in Hungary. Marshal Tito denounced the trial as a Russian propaganda move aimed at weakening his Yugoslav regime. Diplomatic Slop The Russian action was the sharp diplomatic slap at Yugoslavia since the Moscow-led Cominform (Communist International Information Bureau) expelled the Yugoslavs in June, 1948.

Fighter Aircraft To Be Feature Of Show

High-speed Air Force fighters will be featured at the Permian Basin Air Show here Sunday, show of the National Guard and several formal ties with the Yugoslavs. Yugoslavia has friendship and mutual aid treaties with Albania, Bulgaria, Czechoslovakia, Hungary, Poland and Romania.

Canyon Test At Kelly Is Planned By Skelly

Skelly Oil Company has staked location for a 7,200-foot exploration outside of proven area for production from the Canyon reef on the Northeast side of the Kelly Canyon field in Central-Scurry County.

North Snyder Gains Stanotex Operation

Standard Oil Company of Texas has filed an application with the Railroad Commission of Texas requesting a permit to drill a 7,000-foot venture in the North Snyder field of North-Central Scurry County to test the Canyon reef.

200 Participate In Corrosion Tours

Approximately 200 persons are participating in the annual West Texas-Southwest New Mexico corrosion tours being conducted this week by the Permian Basin Chapter of the National Association of Corrosion Engineers. The tours started Tuesday and will conclude Friday. In the top picture, left to right, are G. D. Simons, Midland, with the Texas Company, chairman of the registration committee for the tour; Roy H. Zefeloff, Jal. N. M., with the Texas Company, secretary-treasurer of the Permian Basin Chapter of NACE; H. D. (Dean) Murray, of Midland, also with Texas, and vice chairman of the chapter; O. C. Mudd, of Houston, with Shell Pipe Line Corporation, and Dr. William J. Clayton, of St. Paul, Minn., with Minnesota Mining and Manufacturing Company. They are discussing the itinerary of one of the tours. In the lower picture, left to right, are D. H. (Dave) Stormont, of Dallas, district editor of the Oil & Gas Journal; Maurice Banta, of Columbus, Ohio, with Battelle Memorial Institute; W. H. (Bill) Crenshaw, Midland, owner of the American Inspection Service, and Charles Davis of Houston, representative of The Pipe Liner, a publication devoted to the pipe line section of the petroleum industry. They are checking the registration list for the tour.

Midlanders Cited Case Of An Unfortunate Little Girl

By TANNER LAINE
Isn't it wonderful that God has smiled on us here in America so much that often we are called upon to feed, clothe and help unfortunate peoples of many lands of the world. Sometimes there is a job to do closer home. Perhaps there is one we can do—right here in Midland. Let us tell you the story of little Wanda Ruth Naworth and you be the judge of how and what we should do. Wanda will be three years old in November. The child lives with her grandparents, Mr. and Mrs. Fred Osborne, Route 1, Midland. So young, but Wanda has cancer. It may take her life. She has a five per cent chance out of 100 to live. Doctors are fighting for her life with all the skill and science they possess. The rare tumor was removed in surgery performed by Dr. T. June Melton of Midland's Western Clinic-Hospital. Wanda was taken to Tulsa, Okla., for X-ray treatment. Many further treatments are required. Neighbors Write Kind-hearted neighbors of the child's grandparents wrote to The Reporter-Telegram asking us if we might want to bring the case to the attention of Midland. We do. Although they certainly never have asked for a single bit of help, the neighbors believe the grandparents of the little girl are becoming weighted down with expenses and have gone deeply in debt, trying desperately to save the child's life. And more funds are needed to give the little girl treatment she needs—for her life or the prolonging of it. Those are the facts. Kind-hearted Midlanders can take it from there. We wanted to help by bringing it to your attention. That address of the grandparents again: Route 1, Midland.

New Juvenile Law Declared Applicable To Midland County

House Bill No. 54 of the 51st Legislature, relative to the compensation of county juvenile officers, is applicable to Midland County, according to an opinion of the Attorney General's Department, received Thursday by Midland County Attorney Joe Mims. John Reeves, assistant to Attorney General Price Daniel, in his opinion, stated, "The compensation of any juvenile officer employed by Midland County is governed by the provisions of H. B. 54 of the 51st Legislature, the provisions of said Act being applicable to all counties in which juvenile officers are employed." Mims had requested the opinion several weeks ago. House Bill 54 provides in part: "The Commissioners Courts of all counties in which juvenile officers or probation officers, or their assistants, are employed under existing laws of this State, shall fix the salaries to be paid such juvenile officers or probation officers and their assistants, and provide for their expenses, without limitation, provided, that in the counties..." (Continued On Page Five)

Thomason To Vacate City Office Friday

Friday will be moving day for H. A. Thomason as he vacates the city manager's office in the City Hall. It will be his last day as City Manager of Midland, a position he resigned September 1, to become effective October 1. He will be succeeded about October 15 by W. H. Oswald of Jacksonville, Texas, who was appointed to the position by the City Council at a meeting early this week. Thomason, who became city manager Jan. 1, 1948, Thursday was cleaning out his desk and files, packing his personal belongings in preparation for the move. He said he has no immediate plans for the future, but plans to "take it easy" the next 30 or 60 days. "I hope to get some rest and get in some good bird hunting the next month or so," Thomason stated. Thomason came to Midland from Marshall where he had served three years as city manager. He previously had been city manager at Livingston, Texas, 17 years. He is a former president of the Texas Association of City Managers. He is Midland's second city manager. Serving as Midland's city manager during a period of unprecedented growth and development, Thomason has been responsible for numerous improvements and expansion programs here. Thomason said Thursday he has enjoyed living in Midland and working with and for its citizens. "I will miss Midland and my many friends here," he stated.

Labor Government Faces Crucial Test Vote Late Thursday

LONDON —(AP)— The House of Commons votes Thursday night on Winston Churchill's appeal to kick out the Labor government for failing to curb Britain's economic crisis. There seemed little doubt that the Laborites would be victorious over Churchill's Conservatives in the vote climaxed the three-day special parliamentary debate on devaluation of the pound. The Labor members in Parliament, even the government's left-wing critics, seemed to be solidly behind Prime Minister Attlee. Labor has 295 of the 640 seats in the House of Commons. After the ballot on Conservative Leader Winston Churchill's "no confidence" motion, the House will vote on a government motion asking approval of its devaluation action as one short-term answer to the financial crisis. The House of Lords, predominantly Conservative, voted disapproval of the government's economic policy Wednesday night 93 to 24. But the Lords have no real power and the crucial test comes in the Commons.

Policeman's Life No Bed Of Roses

The life of a policeman isn't all roses by any means. At least not in Midland. Patrolmen here were requested to answer an urgent call from a lady resident. Upon arrival, here's what they found: A skunk had wandered upon the lady's porch and plumped its head into a glass jar. The patrolman had expelled said skunk no little. Officers took care of the situation. They agree the life of a policeman isn't all roses.

Walkout At Ford Averted

DETROIT —(P)— The Ford Motor Company and the CIO United Auto Workers reached agreement early Thursday on a history-making pension plan to be financed by the company. It will pay \$100 monthly—including social security—to Ford workers over 65. The agreement, based on a ten-cent-an-hour package recently recommended by a presidential fact-finding board in the steel industry, averted a strike of 115,000 Ford production workers. The marathon negotiations ran almost 35 hours without recess and set an endurance record for the auto industry. As late as midnight, when the old contract expired, UAW President Walter P. Reuther said there was still a 50-50 chance the walkout might be called. Sets New Pattern The new pact runs two and a half years, giving hope of long peace in the industry. Effective October 1, providing it is ratified by rank and file Ford workers, the new contract is unique in the auto industry's history in at least three respects: 1—It calls for the first major pension plan, and the company agreed for the first time to shoulder the entire financial responsibility for pensions. 2—For the first time, the union let its demand for an hourly wage increase go by the board in favor of security provisions. The present wage rate of \$1.65 an hour will be continued. 3—A 30-month duration is a record in the auto industry. The pact may well affect millions of workers in the nation's other heavy industry—particularly the steel workers.

J. C. Wilson Named To Fill Vacancy On Pecos Commission

PECOS—J. C. Wilson of Pecos, prominent West Texas farmer, rancher and water conservation enthusiast, will fill the unexpired term of the late Charles H. Miller of Barstow as Pecos River Compact commissioner for Texas. The term runs until May 5, 1955. The appointment was announced Wednesday afternoon by Austin by Gov. Allan Shivers. Miller, who died last Saturday, first was appointed to the commission by Coke Stevenson and was reappointed by the late Gov. Beauford Jester earlier this year. Wilson was a close associate of Miller in Pecos River affairs and accompanied Miller to President Truman's office several months ago when the Pecos River Compact agreement was signed. Born in Oak Grove, La., Wilson later moved to Carlsbad, N. M. He came to Pecos Dec. 5, 1913, and was manager of a general mercantile store for several years before entering the farming and ranching business. He has lived here ever since, with the exception of two years (1920-1922) when he established and operated a bank at Lovington, N. M. Farm, Ranch Properties He and associates formerly operated a string of cotton gins and oil mills in this area. They sold the properties to the Anderson-Clayton Company about two years ago. Wilson is president, half owner and general manager of Texas Cotton Industries, an organization which owns farms and ranches in the Pecos-Balmorhea areas. He has been active the last several years in an effort to get favorable cotton quotas for farmers. Mr. and Mrs. Wilson reside in Pecos. Their only son is employed by the Western Cotton Oil Company at El Paso.

Temperatures Dip To Seasonal Lows In Northern Texas

By The Associated Press
Temperatures dropped to seasonal lows in North and Central Texas with Thursday morning lows reported in the upper 40's. Elsewhere the temperatures were in the 50's and 60's except in the extreme South. Dalhart in the Panhandle reported 45. Texarkana had 46. Clarendon and Sherman 47, and Tyler and Amarillo 48. As a cold front moved across the state Wednesday afternoon, daytime highs ranged from the upper 70's in the Northwest to 96 at Alice in South Texas. Skies were clear Thursday. The forecast for West Texas is fair and a little warmer in the Panhandle and South Plains Thursday night and Friday.

Sheriff's Posse To Ride At Big Spring

The Midland County Sheriff's Posse has been invited to ride in a parade of the Big Spring Centennial and has accepted the invitation. Posse members are urged to be at the rodeo grounds here at noon Monday, ready to go. The unit will ride in a parade Monday afternoon at Big Spring in which Gov. Allan Shivers will be honor guest.

Union Shows No Signs Of Easing Stand

PITTSBURGH —(P)— Agreement of Ford Motor Company to finance pensions for aged CIO United Auto Workers Thursday increased pressure on steel negotiators for a settlement. Neither the United States Steel Corporation, biggest producer and industry leader, nor the CIO United Steelworkers would comment on the Ford settlement as bargaining teams gathered here for new contract talks. They are working against a Friday midnight strike deadline. Ford's willingness to pay for a 10-cent hourly pension and insurance package placed a new weapon in the union's hands. The auto pact conforms to the recommendations of the steel industry fact finding board and leaves steel companies standing firm on their refusal to go along on the recommendation that employers bear all expenses. U. S. Steel and other big producers want employees to share in the costs. The union says all companies which don't switch over will be struck at 12:01 a.m. Saturday. Murray Goes Ahead Determined Philip Murray, president of both the CIO and Steelworkers, went ahead with plans to flash the strike signal to about 800,000 unionists in the basic steel industry. Some plants already have begun to curtail operations in preparation for a possible strike. U. S. Steel said the first of its 27 blast furnaces in the Pittsburgh-Youngstown, Ohio, area will be banked by midnight. Those furnaces produce pig iron for use in making steel in open hearth furnaces. Jones and Laughlin Steel Corporation said it had not yet scheduled any curtailments. Murray gave no sign of giving up his fight to force the steel industry to pay the entire cost of a pension-insurance program. Government mediators stood by—in Pittsburgh and 44 other key negotiating points to help avert the strike on Friday midnight. Nothing But Scorn Murray had nothing but scorn for a big steel offer of 10 cents an hour per employe to help finance pensions and insurance for the men who work in steel. After the offer Wednesday, the veteran labor leader declared: "It must be plain to all that the corporations are deliberately seeking to force a steel strike." A few hours later big steel began banking furnaces of its Chicago area subsidiaries. Developments in the dispute came swiftly after Murray's bitter blast at big steel. Cyrus Ching, director of the Federal Mediation Service, sent his top aides to the negotiating centers. There was no indication President Truman would step into the picture and ask for a fourth strike postponement. He's gotten three already—the first a 60-day truce while a presidential fact finding board was making an investigation. Then he obtained a 11-day stay and, finally, the six-day truce expiring Friday night.

Increase In Oil Demand Held Likely

AUSTIN —(P)— Railroad Commission Member Ernest O. Thompson Thursday called for an immediate report from Texas crude oil purchasers on how much oil they will need for November. "It is entirely possible that there will be increasing demand for Texas crude in the months of November and December, and it is highly essential that we know at an early date what these requirements are going to be," Thompson said in a prepared statement. Taking a crack at the coal strike situation, the railroad commissioner said: "The coal miners are turning out to be oil's best salesmen. It would seem wise to get ready for a big demand for oil." The commission will hold its statewide oil promotion hearing October 12 at Houston to determine what the November daily producing allowable should be. Thompson asked for purchasers to send in their advance nominations for oil by October 5. "Purchasers will greatly assist us by giving this public request prompt attention," he said.

Congress Authorizes Arms Aid Program By Topheavy Margin

WASHINGTON —(P)— Final and enthusiastic congressional approval of the over-the-sea arms bill gave the Administration authority Thursday to start big stocks of war equipment on the way to America's Allies against communism. Congress sent the \$1,214,010,000 one-year foreign arm bill to the White House Thursday by a top-heavy margin. The measure makes immediately available \$125,000,000 in cash from the Reconstruction Finance Corporation to throw the arms plan into gear. Senate leaders say these funds can be used to process and ship \$450,000,000 worth of surplus American equipment to the nations which have stood with the United States in the cold war with Russia. The House passed the bill by a two-to-one vote—223 to 109. A short time later the Senate shut-out its approval. The \$450,000,000 worth of surplus arms provided in the bill is in addition to the \$1,214,010,000 in cash and contract authority.

State Commissioner Will Speak In Midland

Col. Paul Brown, state insurance commissioner, has accepted an invitation to address the Midland Junior Chamber of Commerce at its meeting October 14. Emil Reaman announced Thursday. The address will be a highlight of the annual observance of National Fire Prevention Week in Midland. The JayCees will sponsor the observance.

SOCIETY

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, SEPT. 29, 1949-3

High School P-TA Project Is Chosen

A gift of \$400 for the inter-communication system for Midland High School was decided upon as the project for the High School Parent-Teacher Association at a meeting Tuesday night. The group decided that this project would benefit every child in school rather than just a group.

The budget for the year was approved at the meeting and other suggestions of the Executive Board, which met Tuesday afternoon, were discussed and voted on. Mrs. Roy Minear gave yearbooks to members.

The program theme was "Teamwork Between Home and School" and Frank Monroe, superintendent, spoke on "Partners In The Process." Charles Mathews, high school principal, introduced the faculty and after the meeting the group inspected the new band hall.

Fall Breakfast Held For McCamey Club

MCCAMEY—The McCamey Women's Study Club had its first Fall meeting recently when the annual Fall breakfast was held in the McCamey Park Building.

Mrs. L. Z. Windham gave the president's message and Mrs. L. R. McManigle presented the members with yearbooks which outline the year's study course on "Pursuit of Happiness." The course of study will begin at the October 4 meeting with Mrs. Don Smith and Mrs. John Shehan as hostesses.

"Standard of Living" will be the topic of the next meeting and Mrs. Howard E. Stoker will be in charge and speak on "Basic Economics." Mrs. J. Conger will speak on "Social Reform," and "Contribution of Happiness" will be the subject of a talk by Mrs. J. R. Godwin.

Plans for the Women's Study Club Tea October 28 in the park building were discussed.

Present at the breakfast were Mrs. L. E. Windham, Mrs. W. Vanatta, Mrs. J. P. Godwin, Mrs. Newton Key, Mrs. R. E. Rubie, Mrs. Paul Crandell, Mrs. R. S. Cope, Mrs. Burley McCollum, Mrs. Dee Locklin, Mrs. M. H. Moorman, Mrs. George Ramer, Mrs. J. R. Smith, Mrs. R. M. Carroll, Mrs. Steve Carter, Mrs. R. K. Thompson and Mrs. Jim Langdon.

Wesleyan Guild Adds Five New Members In Ceremony At Meeting

Five members who have enrolled in the Wesleyan Service Guild since its year began in June participated in a pledge service at the meeting Monday night, when Mrs. J. B. McCoy and Mrs. Alberta McInnis were hostesses in Mrs. McCoy's home.

Ruth Jonnell, president of the guild, Mrs. S. H. Gwyn, Mrs. Laura Self, Tommie Smith and Edna May Hargis, committee chairmen, conducted the service. The new members were Mrs. Ora Teagarden, Mrs. Maurine Newsom, Mrs. McCoy, Mrs. Son and Myrtice Wright.

Mrs. Gwyn presented the devotional talk based on the book of Job, and Mrs. Self the mission lesson on India. A salad course was served in the backyard. Others present were Josephine Weaver, Ima Harris and Gustava Easley.

'Nationalism' Is Program Subject At Delphian Meeting

"Nationalism, Its Origins and Influences" was the program for a meeting of the Daeth Delphian Society Tuesday in the Palette Club studio.

Mrs. E. W. Cowden was in charge of the program and Mrs. E. R. Andrews spoke on "Nationalism and Its Physical Components." "The Psychological Factors of Nationalism" was the subject of a talk by Mrs. C. W. Chancellor, Mrs. Harold Kelly spoke on "Nineteenth Century Developments in Nationalism" and Mrs. F. L. Houghton, Jr., on "Nationalism Today." Mrs. O. F. Hedrick's subject was "Nationalism In The Individual."

Other members present were Mrs. Carl Barnhart, Mrs. R. M. Barron, Mrs. John Braun, Mrs. Woodrow Campbell, Mrs. Brutus Hanks, Mrs. A. E. Lynch, Mrs. Charles M. Linehan and Mrs. F. N. Shriver.

BACK FROM TRIP

Mr. and Mrs. James N. Allison, 601 West Storey Street, returned late Wednesday from a trip to Fort Worth and Dallas.

Mrs. Bliss Hostess To Alumnae Group

Kappa Kappa Gamma alumnae met Wednesday morning in the home of Mrs. Jack Bliss and announced as new pledges Marylee Cowden and Jessica Turpin. Midland, University of Texas; Laverne Adams, Ft. Stockton, University of Arizona, and Margaret Helen Marks, Odessa, University of Arkansas.

Two new members, Mrs. Tom Miller and Mrs. Robert Zonne, joined the group. Others present at the meeting were Mrs. E. A. Culbertson, Mrs. E. C. Heald, Jr., Mrs. Raymond Lynch, Mrs. Dan Lillis, Mrs. Elizabeth Reeder, Mrs. Clark Steinberger, Mrs. Turner Wynn and Mrs. Lamar McLennan.

Mrs. Kimberlin Is Shower Honoree In Oberholzer Home

Mrs. Kemper Kimberlin, Jr., was honored with a pink and blue tea-shower Tuesday afternoon in the home of Mrs. C. E. Oberholzer, 1804 West Michigan, with Mrs. Oberholzer and Mrs. B. C. Girdley, Jr., as hostesses.

The serving table was set with a Madiera cloth and silver tea service and other silver appointments. The centerpiece was pink and white stock with pink and blue ribbon streamers. Other flowers decorating the house were arrangements of dahlias. On the piano, tall pink candles were in crystal candlesticks.

The honoree wore a corsage of white carnations tied with pink and blue ribbon and the hostesses wore bronze mums tied with bronze ribbon.

About 30 guests called.

DIANA NEISSL RETURNS TO SAN ANTONIO SCHOOL

SAN ANTONIO — Diana Neissl, daughter of Mr. and Mrs. V. P. Neissl, 1804 West Ohio Street, Midland, has returned to Our Lady of the Lake College, San Antonio, as a senior student.

Miss Neissl, an English major, is a member of Sigma Tau Delta, honorary English fraternity. A graduate of Villa Duchesne, St. Louis, she attended Maryville College, St. Louis, Mo.

Do You Really Want to Take Off That Ugly Fat?

Recently there has been a number of new reducing preparations on the market, some of them based on the diet and vitamin "plan." It is obvious that vitamins will not reduce the body weight, so one must depend on diet to reduce. But it is also obvious that one cannot go on a strenuous diet over a protracted period, and any weight lost will be restored if the former eating habits are gone back to.

So what to do? Well, here is a tip to you "overweight gals" who want to fight "the Battle of the Bulges" in a different way. Ask any well stocked Texas drugstore for four ounces of Barcentrate. Mix with 12 ounces of grapefruit juice and take two tablespoonfuls twice a day.

This preparation contains nothing harmful and the makers agree to refund your money on the very first bottle if it does not show you the way to lose ugly fat and help regain slender, more graceful curves. Barcentrate is low in cost and is not based on the diet and vitamin "plan." You need never know a hungry moment while reducing with Barcentrate.

Progressive Study Club Plans Project For Building Fund

A project to raise funds for the Woman's Club Building was chosen Wednesday at a meeting of the Progressive Study Club in the home of Mrs. Otis Baggett as hostesses.

Two new members, Mrs. W. C. Mitchell and Mrs. R. A. Estes, were voted into the club.

The program was a skit on Parliamentary Drill, "On the Parliamentary Beam," under the direction of Mrs. W. C. Kimball. Members taking part were Mrs. Baggett, Mrs. Burns McKinney, Mrs. Kenneth Newton, Mrs. W. H. Pomeroy, Jr., Mrs. John DeFord and Mrs. A. A. Jones.

Other members present were Mrs. Sol Bunnell, Mrs. James C. Clary, Mrs. W. E. Cox, Mrs. J. Wilmont Hunt, Mrs. Lindley Latham, Mrs. John K. Lydecker, Mrs. Burt L. Self, Mrs. J. W. Thomas, Jr., Mrs. Frank L. True, Jr., Mrs. Haden Upchurch, Mrs. Thomas M. West and Mrs. W. B. Yarborough.

Young Pianist From McCamey Appears In Recital At College

McCAMEY—David Harris, nine-year-old son of Mr. and Mrs. Fred Harris of the Humble Production Camp here, was presented in a piano recital at Sul Ross College in Alpine recently, playing for Glenn F. Davis, head of the college music department, other faculty members and students.

David is a fifth grade student in McCamey schools, and a piano pupil of Mrs. H. W. Driskill. He began the study of music at the age of three, when the family lived in Houston, and later studied at Brady. His lessons were interrupted by three eye operations, and he has had only 24 months of actual study, but he has appeared on numerous programs.

His program at Sul Ross included "Rhapsodie," "Frelude No. II," "Gershwin," "Firefly," "Blott," "Clair de Lune," Debussy, and "Rhapsody in Blue," Gershwin. His mother and Mr. and Mrs. Driskill accompanied him to Alpine.

Club Entertained In Buster Hodges Home

McCAMEY—The 42 Club had an outdoor picnic recently at the home of Mr. and Mrs. Buster Hodges.

Attending were Mrs. Dale Kenner, Mrs. Lois Fussell, L. Z. Belcher, Mr. and Mrs. E. G. Wilkerson, Mr. and Mrs. Hollis Huffaker, Mr. and Mrs. Ernest Wesner, Kay Peardon, Cleo Spaulding, Edna Deatheridge, Mrs. Lee Shipman and Mrs. C. C. Parks.

SON IS BORN

Mr. and Mrs. V. V. Stafford announce the birth of a son, Mark Christopher, in a Big Spring hospital Sunday. He weighed eight pounds, 15 ounces.

Men, Women! Old? Get New Pep, Vim Feel Years Younger

Do you blame exhausted, worn-out feeling on age? Thousands complain as what a little pep and vim can do for them. Constant tiredness, loss of energy, loss of appetite, loss of sleep, loss of interest in life, loss of vitality, loss of vigor, loss of pep, younger feeling, this very day! At all drug stores everywhere—in Midland, at Midland Drug.

Mrs. Hodge Conducts Program For District Federation Board

By SUE COLEMAN
Reporter-Telegram Staff

PECOS—Mrs. J. Howard Hodge of Midland, unopposed candidate for the presidency of the Texas Federation of Women's Clubs, was an honored guest and program participant at the first meeting of the present

Named Queen

Betty O'Neal, daughter of Mr. and Mrs. B. E. O'Neal of the Cotton Flat community, was chosen as Midland County Farm Bureau Queen at a meeting of the bureau at the Valley View School recently. Eight girls, daughters of bureau members, competed for the title and were judged on poise, personality and appearance.

Modern Study Club Plans Are Outlined In Board Meeting

Plans for the November 10 meeting, when the Modern Study Club will be held at the Midland Woman's Club, were made at a board meeting of the Modern Club Wednesday in the home of Mrs. F. R. Schenck.

Committees for the yearly social activities were appointed and plans for the Bonnet Brunch, to be held April 4 in Hotel Scharbauer, were begun. The brunch will be held in cooperation with local merchants and proceeds will go to the Woman's Club Building Fund. The budget for the year also was discussed at the Wednesday meeting.

Speaker at the November 10 meeting will be Mrs. L. E. Dudley of Abilene, Chairman of Fine Arts, Texas Federation of Women's Clubs.

Present at the meeting were Mrs. R. E. Morgan, Mrs. Harrie A. Smith, Mrs. Kenneth Slough, Mrs. W. S. Nelson, Mrs. C. C. Keith and Mrs. Carl Westlund.

Alatheaan Class At McCamey Installs Officers At Coffee

McCAMEY—Officers of the First Baptist Alatheaan Class, with Mrs. Cannon Lytes as president, were installed recently at a coffee in the church. Mrs. Wilbur Harris, teacher of the class, was in charge of the ceremony.

Other officers are Mrs. Lawrence English, membership vice president; Mrs. Ernest Wesner, fellowship vice president, assisted by Mrs. Lynn Hargrove, Mrs. A. Smith, Mrs. John Northcutt, Mrs. Elton Joyce and Mrs. C. O. Holt; Mrs. J. M. Pirkie, stewardship vice president; Mrs. Miller Hudson and Mrs. H. H. Sutton, class ministries; Mrs. R. E. Blalock, secretary; Mrs. A. E. Bradshaw, assistant secretary, and Mrs. Irene Nettleship, assistant teacher.

Mrs. H. H. Sutton gave the opening prayer and the devotional and Mrs. J. T. Driskill, the closing prayer. During a short business session, Mrs. Hudson gave a report on the box to be sent to the state school for girls.

Mrs. Joyce, Mrs. Holt and Mrs. English served during the coffee. Others attending were Mrs. F. M. Burnett, Mrs. J. M. Johnson, Mrs. M. J. Woodson, Mrs. A. D. Thurman, Mrs. R. E. Jones, Mrs. J. C. Stark, Mrs. J. M. Poe, Mrs. R. E. Walton, Mrs. Lawson Burr, Mrs. F. M. Kelly, Mrs. J. A. Fleming, Mrs. W. E. Boyett, Mrs. Homer Haggerty, and Mrs. G. S. Marsh.

HD CLUB TO MEET
The Valley View Home Demonstration Club will meet in the Valley View Community Center at 3:30 p.m. Friday. Plans for the booth at the County Fair will be completed and Mrs. Nettie B. Messick will give a demonstration on "Better Storage of Kitchen Equipment."

Fine Arts Memorial Gift To Library Is Announced To Club

A record player, in memory of E. H. Barron, has been presented to the Midland County Library by the Fine Arts Club, it was announced at a meeting of the club Wednesday in the home of Mrs. W. H. Sloan.

For the program, Mrs. Wilson Bryant read Tennessee William's "Summer and Smoke," the story of a minister's daughter whose life is ruined by her psychopathic mother and a doctor's son who, after making a fool of himself in his home town, finally becomes a great physician.

Mrs. B. H. Blakeney was a guest of the club and members present were Mrs. E. H. Barron, Mrs. Tom C. Bobo, Mrs. L. G. Byrley, Mrs. J. G. Carner, Mrs. O. J. Hubbard, Mrs. George Kidd, Mrs. Harry Miller, Mrs. Roy Parks, Mrs. Foy Proctor, Mrs. Nelson Puett and Mrs. J. M. White.

Birth Day Program Given For Methodist WSCS At McCamey

McCAMEY—Beginning a membership drive, the Women's Society of Christian Service of the Methodist Church had a birthday party recently in the church. Mrs. R. F. Costen and Mrs. C. W. Brown were hostesses.

A table was decorated to represent each month of the year and a birthday cake was the centerpiece for each one. Guests and members were given corsages made by Mrs. H. W. Adams.

The worship and background tables were decorated with seasonal flowers, as was the piano.

During the business session, reports on the recent district meeting in Ozona were given and Mrs. Leo Plumlee gave the devotional. Mrs. W. L. Brady led the worship service and Mrs. L. Edwards played several selections on the piano.

Social Hour Held

The social hour was under the direction of Mrs. W. K. Ramsey and Mrs. C. E. Harris presided at the guest book. A quartet, composed of Mrs. T. M. Tolle, Mrs. Denver Birch, Mrs. Bill Ramsey and Mrs. W. L. Barnes, sang two numbers, accompanied by Mrs. C. J. Mann, Mrs. W. R. McManigle gave readings.

Guests were Mrs. Tom Trimble, Mrs. Bert Hock, Mrs. Fannie Winters, Mrs. Martha Brown, Mrs. C. N. Anderson, Mrs. T. M. Tolle, Mrs. L. Burnett, Mrs. W. W. Cregg, Mrs. Frank Brown, Mrs. J. T. Gibbs, Mrs. M. D. Stacy, Mrs. D. D. Ash, Mrs. R. A. Cardwell, Jr., Mrs. John Buchanan, Eleanor Voigt and Alice Farnely.

Other members attending were Mrs. C. L. Arnold, Mrs. I. L. Fuller, Mrs. Roy W. Johnson, Mrs. E. H. Warren, Mrs. Derwood Langston, Mrs. Mollie Yates, Mrs. C. E. Stanley, Mrs. L. C. Partain and Mrs. F. F. Caughran.

Coming Events

FRIDAY
Ladies Golf Association Luncheon will be at 1 p.m. in the Midland Country Club.

Executive Board of the First Christian Women's Council will meet at 3 p.m. with Mrs. Wayne Moore, 1916 West Tennessee.

SATURDAY
American Association of University Women will have a luncheon at 1 p.m. in the Crystal Ballroom of Hotel Scharbauer.

Children's Confirmation Class of the Trinity Episcopal Church will be at 10 a.m. in the Parish House.

Children's Story Hour will be at 10:30 a.m. in the Children's Room of the Midland County Library.

Ranchland Hill Country Club will have the first of its scheduled monthly dances for members and their guests in the clubhouse.

Meeting Called To Plan P-TA Carnival

A called meeting of the West Elementary School room mothers and Parent-Teacher Association officers will be held at 9:30 a.m. Friday in the school auditorium.

Mrs. James H. Jones, publicity chairman, has requested that all officers and room mothers attend since the purpose of the meeting is to discuss plans for the Halloween Carnival. Mrs. D. A. Pass has resigned as carnival chairman and Mrs. Jones has been appointed to fill the position.

Radium is 3,000 times as valuable as gold.

Harvest Dinner To Be Given For Club

McCAMEY—Plans for a Harvest Dinner, to be held October 4, were discussed at a recent meeting of the McCamey Garden Club in the home of Mrs. R. M. Carroll. The dinner is scheduled at 7 p.m. in the McCamey Park Building.

The group also voted to change the date of the Fall Flower Show from November 2 to November 5. Mrs. George Ramer, Mrs. T. S. Fuller and Mrs. Bill Ramsey were appointed to the club's nominating committee.

Hottentots are natives of South Africa.

That cat-and-canary grin on Russian Foreign Minister Andrei Vishinsky's face, left, appeared when he learned President Truman had announced a Russian atomic explosion. A few days later the grin came off—replaced by the dark serious expression at right. The cause: Vishinsky had to sit and "take it" while British Foreign Minister Bevin castigated Russia's obstruction of true peace progress.

Three Hurt Slightly When Private Plane Crashes Near Newark

NEWARK, N. J. —(AP)—A twin-engine Lockheed Lodestar airplane crashed in lonely swamps just beyond the foggy Newark Airport early Thursday. Police said the plane belonged to C. E. Wilson, president of the General Electric Corporation, and was kept at Newark Airport. He was not aboard. The pilot and two passengers were not seriously hurt, police said. They identified the pilot as Capt. Andrew Boyagian, and the passengers as Joseph Forsythe and James Farrell. All were taken to hospitals for observation.

Oil And Gas Log—

(Continued From Page One) east of Superior Oil Company No. 1 Dockery, small Ellenburger discovery three miles southwest of Westbrook in Central-West Mitchell County, took a drillstem test in lower Permian at 4,015-75 feet. The tool was open one hour. Recovery was 330 feet of sulphur water cut drilling mud, with no shows of oil or gas. Operator is now drilling ahead past 4,175 feet in lime. Location is 660 feet from east and south lines of the west half of section 9, block 28, T-1-S, TP survey. It is to drill to 8,000 feet. Most poisonous of all snakes is the King Cobra.

Princess Who Wed Texan Now Enroute To Amarillo Home

AMARILLO —(AP)—The German princess who married a Texan is on her way to her new home in Amarillo. Clyde Harris, Amarillo interior decorator, was enroute to New York Thursday to meet his wife, Princess Cecile, hazel-eyed daughter of Crown Prince Wilhelm of Prussia. They were married at Hechingen, Germany, last June 21, and Harris came back to Amarillo to make a home for his bride. The Amarillo friend divulged that the Texan left Amarillo Monday to meet his wife in New York. Harris stopped in Oklahoma City on business and left there, by car, for New York Thursday. Princess Cecile, a granddaughter of Germany's late Kaiser Wilhelm, was to arrive on the Queen Elizabeth. The arrival time was not learned here immediately.

Veep Crosses Up Missouri Newsmen

ST. LOUIS —(AP)—Vice President Barkley slipped into town Wednesday night and there wasn't a reporter around to ask him if he planned to marry Mrs. Carleton S. Hadley during this visit. But newsmen caught up with him later and asked their stock question. Replied Barkley: "In the event of any such eventuality, I will be chasing you to tell you." The vice president arrived on a commercial airliner. His office in Washington had reported earlier that he would not get here until Thursday. In the absence of photographers and reporters, Barkley went to a dinner party at Mrs. Hadley's apartment.

Coollest Weather Of Autumn Hits Midwest

CHICAGO —(AP)—The coolest weather of the Autumn hit parts of the Midwest Thursday. The cold air extended from the Dakotas into Northern Indiana and Northern Missouri. It was expected to move eastward and southward. The mercury slid below freezing over areas in Iowa, Wisconsin, Michigan, Illinois, Indiana and Minnesota. It dropped to 20 above at Land O'Lakes, Wis., 23 at Atlantic, Iowa, 24 at Green Bay, Wis., and 28 at Rockford, Ill. Skies generally were clear over the cool belt. But there was rain along the East Coast from Miami, Fla., into New England.

EIGHT PLANES BURN IN BIG SPRING FIRE
BIG SPRING —(AP)—Eight light airplanes were destroyed in a fire Wednesday at Hamilton Field here. Fire Chief H. V. Crocker said cause of the blaze was not known. The metal hangar was not damaged. Four of the planes belonged to Cecil Hamilton, operator of the field.

Bogey Faces Court Charges By Babes Who Bump Carpet

NEW YORK —(AP)—Humphrey Bogart's two-tisted defense of a toy panda from the attack of two pretty girls at El Morocco Night Club will get a court airing Friday. The movie he-man was served with a summons charging assault at his hotel early Thursday—"too damned early," in his opinion. The summons, calling for Bogart's appearance in Mid-Manhattan Court Friday, was obtained by Robin Roberts, 23-year-old model. Miss Roberts and Peggy Rabe were the girls who landed without ceremony on El Morocco's plush carpet in the fracas early last Sunday. The 20-pound stuffed panda, which the actor had taken to the club and installed at his table, proved quite fascinating to the Misses Roberts and Rabe. When they made a pass at it, Bogart went into action, his weapons including flying saucers which were not a figment of someone's imagination.

Decorated Veteran Only Texan Voting Against Arms Bill

WASHINGTON —(AP)—Rep. Olin Teague of College Station, a decorated World War II combat veteran, was the only Texas representative voting against the foreign arms bill Wednesday. Teague told a reporter he felt the arms aid funds would be wasted in Europe and could be spent to much greater advantage at home. "If the Russians should decide to move into Europe, which I don't think they will," he said, "they would take over all this equipment we sent over and use it against us. Those countries over there haven't done anything to indicate we should help them, or that they would put up resistance if attacked by Russia."

Truman To Sound Campaign Keynote

ST. LOUIS —(AP)—President Truman led a Democratic invasion of Missouri Thursday to sound the keynote for the 1950 congressional campaign. He laid his political mission aside temporarily Thursday morning to join with fellow Democrats in a secret ceremony installing new officers of the Missouri Grand Lodge. Robert was convicted of first degree murder in the death of his mother's elderly Virginia suitor, but the verdict carried a recommendation of mercy. His mother, found guilty as his accomplice, was accused of ordering Robert to shoot Woodridge. The jury did not recommend mercy for her. Under Delaware law, the maximum penalty for a principal or an accomplice in a capital case is death by hanging. The three trial judges are not bound by the jury's mercy recommendation.

Police School Ends With Friday Session

Special Agent D. W. Walters of the Denver FBI office was to conduct a class in the taking of plaster casts at the Thursday afternoon session of the Police School here. A lecture and demonstration were scheduled. The two-week school, which has been attended by all Midland officers, will end Friday. An ostrich can kick hard enough to kill a man.

Odessa JayCees Will Present Program Here

A group from the Odessa Junior Chamber of Commerce will be special guests and present the program at the regular meeting of Midland JayCees in Hotel Scharbauer Friday noon. The visit will be returned by members of the Midland Junior Chamber later. A large attendance is anticipated.

+Wink Newst+

WINK—Mr. and Mrs. Jess Hildreth attended a barbecue recently in Eunice, N. M. It was given by the City of Eunice for oil company officials, employees and users. The First Methodist Church will have its monthly fellowship birthday supper, sponsored by the Adult Sunday School Class and the Woman's Society of Christian Service, Thursday. The Rev. and Mrs. George Ditterline attended the Clovis District Conference of the Methodist Church in Fort Sumner, N. M., recently. Others attending from scheduled were Mrs. C. Edward Ditterline and son, Eddie, William C. Young and Charles C. Einarson. Mrs. Joseph Best, president of the Eighth District, Texas Federation of Women's Clubs, attended the district meeting in Pecos Wednesday. Members of the school faculty were special guests at a Lions Club banquet recently. Mr. and Mrs. J. M. Moore and daughter, Leita, of Sweetwater were recent guests of Mr. and Mrs. Ed Lehi in Mrs. Moore's parents, Mrs. Lehman and her sons, Tray and Mitch, returned to Sweetwater with the Moores. Safety Meeting Held Mr. and Mrs. H. P. Lyons and Mr. and Mrs. Jess Hildreth were recent visitors to Fort Davis, the McDonald Observatory and Alpine. The Annual Humble family safety meeting was held recently for all Humble employees and their families in this district. Mr. Rogers, district superintendent, was in charge. He was assisted by J. P. Ruckman and Ed Gideon of Midland and Dave Hoover, district safety engineer. Mr. and Mrs. Richard Peters also attended from Midland. Mrs. Jess Hildreth is visiting her parents, Mr. and Mrs. M. M. Chaney, in Henrietta, Okla. Mr. and Mrs. Jess Gage are visiting relatives and friends in Oklahoma and East Texas. Mrs. Lacona Alexander is in Sacramento, Calif., for the Sovereign Grand Lodge of the International Order of Odd Fellows and the International Association of Rebekah Assemblies. Mr. and Mrs. J. W. Cook and Mrs. Cook's niece, Ida Bell Kayser of Fort Worth, have returned from a trip to Tennessee, Alabama, Mississippi and Louisiana.

DONKEY'S HIS UNDOING
BELO HORIZONTE, BRAZIL—(AP)—Francisco de Paula, a busy little man, had a busy weekend at a brick factory, while everybody else was away. He stole 60,000 bricks, hundreds of tiles and a donkey. Busted: When ants at a picnic, he carried away the bricks. Then the tiles. And then the donkey. As he led the animal away he met an old acquaintance, the policeman on the beat. Now he is resting in jail.

ROTARIANS ENJOY FELLOWSHIP PROGRAM
A fellowship program was the feature of the regular meeting of the Midland Rotary Club in the Scharbauer Hotel Thursday noon. Hilton Kaderli, president, presided at the session. Snakes sleep with their eyes open because they have no eyelids.

Sooner Special—One-Way Suitcase

OKLAHOMA CITY —(AP)—The day after Oklahoma endorsed prohibition again at the September 27 special election, this luggage advertisement appeared in a newspaper here: "Special suitcases, fields to surprisingly compact size when not in use—the perfect grip to take along when you're planning on returning with more than you started." "A further feature," the ad said, "is a side-opening fitted with two leather covered pint flasks, four jigger-cups, a corkscrew and a bottle opener."

Juvenile Law—

(Continued From Page One) where there is a Juvenile Board, said Board shall recommend the salary to be paid to such juvenile officer or probation officer and their assistants, which salary shall be approved by the Commissioners Court; and provided, further, that no juvenile officer or probation officer, or their assistants, shall be paid a salary less than now provided by existing laws. The Commissioners Court is authorized in its discretion to furnish such juvenile officers or probation officers an automobile and provide an allowance for the expenses of operating same. The provisions of this act shall not apply to those counties whose population exceeds 190,000 according to the last or any future federal census. The assistant attorney general ruled that the terms of the bill provide for the employment or future employment of a juvenile officer. Applies To All Counties "It is clear that the Legislature intended the Act to apply to all counties of 190,000 inhabitants or more who employ juvenile officers whether at present or in the future," his opinion stated. "Therefore, it is our opinion, that if a juvenile officer is appointed in Midland County, his compensation would be governed by the provisions of the Act." A District Court grand jury several months ago recommended to the Commissioners Court that a county juvenile officer be employed here. It later developed that under the then existing state laws a competent juvenile officer could not be employed because the salary was not sufficient to attract a competent person to fill the office. Steps then were taken by the Commissioners Court and by members of the grand jury to have enacted legislation to remedy the compensation hindrance. The salary of a juvenile officer now would be determined by the Commissioners Court.

Veterans Will Meet In Biloxi In 1950

LITTLE ROCK, ARK.—(AP)—The 1950 reunion of Confederate veterans will be held in Biloxi, Miss. This was announced Thursday by W. Scott Hancock, adjutant to Gen. James W. Moore, commander-in-chief of the veterans. Hancock made it clear that it was the intention of the Sons of Confederate Veterans, which sponsor the reunions, to continue the annual meetings as long as there are two veterans living. He said it isn't planned to make next year's reunion the last one.

COTTON

NEW YORK —(AP)—Thursday noon prices were 10 cent a bale higher to 10 cents lower than the previous close. October 29.74, December 29.58 and March 29.58. The giant tortoise has been known to live as long as 300 years.

Permian Basin CPA Meeting Conducted

BIG SPRING — The Permian Basin chapter of Certified Public Accountants held its September meeting Wednesday at the Hotel Settles in Big Spring. Raymond L. Tollett, CPA attorney, former FBI agent and president of Cosden Petroleum Corporation of Big Spring, addressed the group concerning opportunities after obtaining a CPA certificate. In the address, Tollett emphasized that the opportunity for advancement lies in the ability of the CPA to present information and suggestions to his clients enabling them to be successful in their business. Chairman of the meeting was Max Hendrick, Jr., of Midland. Present at the meeting were D. C. Baldwin, Charles E. Thomas, Benton Howell, W. B. Newkirk, M. A. Murphree and Hendrick of Midland; J. W. Burrell, H. Carlson Hamilton, Louis D. Carothers and Tollett of Big Spring; Charles K. Moore and J. D. Saunders of San Angelo; R. S. Foreman and Wilbur L. Ellis of Snyder and Lee Criswell, Ralph E. Muns, L. G. Petering and J. Ernest Evans of Odessa. A regular meeting date was set for the fourth Tuesday of each month.

Greenwood School 4-H Club Selects Graham President

Ronald Ray Graham was elected president of the boys 4-H Club at Greenwood School, County Agent Charles Green announced Thursday following an organizational meeting of the club. Rayford Calhoun was elected secretary. The club approved Bethel Graham as sponsor. Club members are feeding out 10 pigs, two lambs and two beef calves for the Spring show, and in addition have 16 acres of cotton and two commercial beef calves. Members in addition to the officers are Larry Jones, Alton Bryant, Wayne Glaze, Jimmy Lynn, Stanley Bennett, John King, Robert Morgan, Charlie Smith, Billy Don Hart, Fred Hudnell, Jimmy Stoecker and Jack Don Reinhardt. The club will have a field crops exhibit at the Midland County Fair.

Three Suspects In Big Spring Murder Quizzed, Released

Three men picked up here late Wednesday at the request of the Howard County Sheriff's Department for questioning in connection with a Big Spring murder have been released. The trio was delivered to Big Spring officers. Howard County Sheriff Bob Wolf Thursday said they could not be connected with the case and were released after questioning. Postage stamp glue is made from tapioca.

Corrosion Exhibits Open To Public On Thursday, Friday

Midlanders have two more days to see the exhibit of corrosion resisting and preventing equipment and materials on display in the City-County Auditorium as a feature of the 1949 Annual West Texas-Southeast New Mexico Corrosion Tours being conducted this week by the Permian Basin Chapter of the National Association of Corrosion Engineers. Fourteen different exhibits are on display. Included are various types of equipment which have been developed to resist the corrosive action of oil, gas and salt water in oil field operations. Also shown are numerous materials, paints and other items used on oil field and other industrial installations, to reduce losses and damages from corrosion. Instruments for measuring pressure and for controlling flows of oil, gas and water, also are shown. The auditorium will be open from 6 p.m. until 11 p.m. Thursday and Friday and the public is invited to view the displays. A regular meeting date was set for the fourth Tuesday of each month.

Shivers Designates UN, Grandmothers Days

AUSTIN —(AP)—October 24 was designated Thursday as "United Nations Day" and October 9 was set aside as "Grandmothers Day." Official memorandum making the designations were issued by Gov. Allan Shivers. Next to the diamond, the sapphire is the hardest stone.

We live up to your Buick's promise!

FOR sure, at this time of year you want a full measure of real driving sport from your Buick—an eager answer to your toe on the gas treadle, softly obedient brakes, a willing wheel that steers for you without effort. Let's just say—you want the royal ride that only a Buick can give you!

You don't pay any more for Buick-experienced workmanship and know-how, or for our Buick-trained skills, or for the fact that every part, every adjustment and operation is just what the factory has specified.

All this you'll get and more, if your Buick gets the care it deserves. Not just a peek here, a poke there—but real Buick care! Our kind of care!

Yet there's a thrilling difference in the way your Buick behaves under our careful care. Bring it to us next time you want lubrication, or an adjustment, or a thoroughgoing checkup—and give yourself a mighty pleasant surprise!

You get 2-for-1 with Lubricare

One of our biggest bargain-offers is Lubricare—complete, elaborately thorough lubrication plus a stem-to-stem checkup of your Buick and its general health. Pay us just for the lubricants it needs; the diagnosis is a service we're glad to give! How about driving in this week?

Minor Hurts Dampen Saturday Prospects Of Frogs, Longhorns

By WILBUE MARTIN Associated Press Staff

Southwest Conference football teams Thursday wind up heavy practice for Saturday's games.

Stiff workouts were reported at almost every school Wednesday. There were a few casualties.

Co-Capt. Don Narrell and Fullback Frank Struska entered the Texas Christian University Infirmary for treatment of bad colds.

Coach L. R. (Dutch) Meyer expects both to be able to play some against Arkansas.

The University of Texas reported a flock of minor ills. Fullbacks Reed Quinn and Newell Kane are ailing and Sophomore Halfback Bobby Dillon of Temple was moved into the No. 3 fullback slot.

Big Injuries Reported
Sophomore Paul Williams, regular right end, entered the hospital with a bad cold. He may be held out of action against Idaho.

Halfback Billy Pyle has an ankle injury and End Ben Procter and Right Half Bubba Shands also are sporting leg hurts.

Coach Blair Cherry sifted Joe Arnold back to full-time duty as a center and Gene Vykukal was shoved back into the number one left tackle spot.

Arnold plays defensive linebacker and is Center Dick Rowan's understudy as offensive center.

Rice went through a rough scrimmage Wednesday and first string Center Joe Watson was back in action. He had received a minor ankle injury against Clemson last week.

Ghost Gallops Again

This is the twenty-fifth anniversary of Red Grange's never-to-be-forgotten day against Michigan—four touchdowns in 12 minutes and five in the game—but the Old Galloping Ghost of Illinois hasn't lost interest. Supervisor of the Chicago Park District's eight junior football schools, Grange, now an insurance broker, gives 12-year-old Raymond Freeman "stiff-arming pointers."

Polio Case Cancels Yale-Fordham Tilt

NEW HAVEN, CONN. — (AP) — Yale Freshmen-Cheshire Academy game, and all intramural football games for the next ten days.

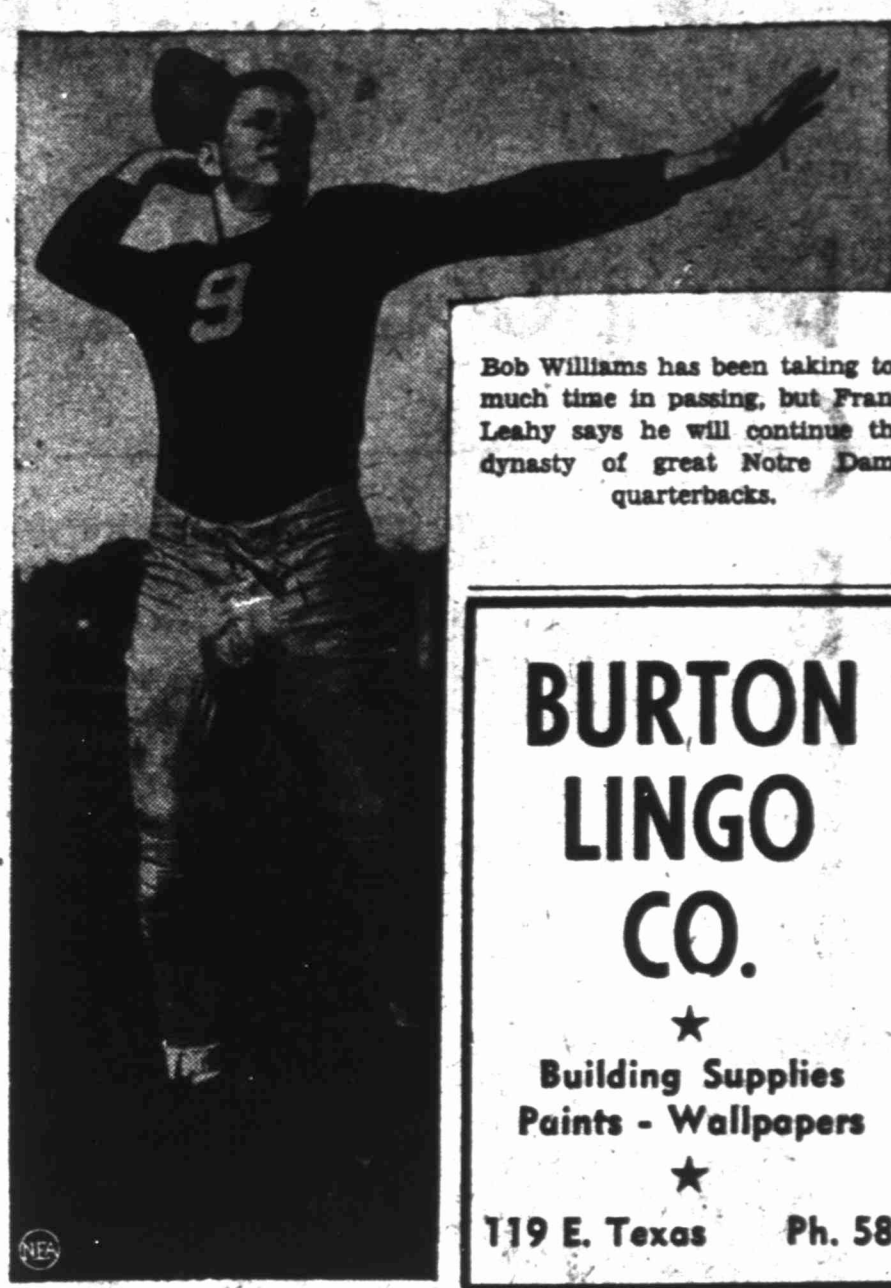

No restrictions were placed on general student activities, and the university's announcement said: "No other precautionary measures are contemplated at this time."

The stricken player, Richard D. Lechly, a 22-year-old back from Lake Geneva, Wis., is one of three Yale seniors to be afflicted by polio in recent days. The others are William C. Butler of Winnetka, Ill., and Salvatore Miano of New Britain, Conn.

The university described all three cases as "mild." None is paralyzed but the university said one of Lechly's legs is becoming weak, and Butler has complained of "slight stiffness."

Also cancelled were Saturday's

TCU Frosh Beat Baylor Cubs 13-7

PORT WORTH—(AP)—The Texas Christian University Freshmen came from behind Wednesday night to beat the Baylor Cubs 13-7. Malvin Fowler sparked two third-quarter drives that paid off for the Frogs.

A&M-Tech Series To Move To Dallas

COLLEGE STATION—(AP)—Texas A&M and Texas Tech will play one more football game in San Antonio and then the series will be switched to the Cotton Bowl in Dallas.

A&M Athletic Director Barlow Irwin Wednesday also announced the Aggies had signed a two-year contract with Nevada University. The first game will be at Sacramento, Calif., Sept. 23, 1950, and the second at San Antonio Oct. 13, 1951.

The A&M-Texas Tech series will be taken to the Cotton Bowl in 1951.

SPORTSLANTS

BY SHORTY SHELburne

Coach Tugboat Jones, head mentor of the Midland Bulldogs, has a message for football fans. We are happy to let him take over a portion of our column for now: —SS—

"We wish to express our deep appreciation to Midland fans for their fine support at Friday night's game against the Austin High Panthers of El Paso. You undoubtedly were the most patient and nicest crowd of home fans we ever played before while losing.

"The loss to Austin High was hard to take, both for you coaches and the Bulldogs. Had there been any booing or catcalls from the stands, it would have been doubly bad.

"For your fine conduct we will try harder and harder every game this season and in years to come. We will repay you with victory.

"Not only Friday night have the fans here been nice and helpful to us. You have been 100 per cent all year.

"We know how victory hungry you are. And we want you to know the coaches and the Bulldogs are just as much the same way. We want and try to win with all we have all the time.

"All of us must realize only through hard work, mutual support and untiring hustle will we ever realize those victories we crave so much.

"Our boys this season are young and inexperienced but they are the finest group we ever have coached. They are trying harder, have a better spirit and put out more than any team we ever have handled, anywhere.

"We are handicapped to some extent by a lack of speed. But we are working to make up for that physical deficiency through more hustle and better conditioning. The Bulldogs are in as good physical condition as any football team in the state.

"We will be out to win over Brownwood Friday night. We will be out to win every time we take the field. We will never give up.

"This will be the leanest year we ever will have in Midland on the gridiron. Next season and the next we will win more ball games. We will win more this year but next year will bring a better season because the boys will have the necessary experience.

"We find that some of the boys out for football are sacrificing more and working harder than they ever have in their lives. We have nothing but praise for them. They are stayers all the way. That quality will serve them in future life—that quality of being able to work hard and pay the price.

"We need the support of you fans more now than probably we ever will need it. We ask you to stay

with the Bulldogs through thick and thin. You won't be sorry.

—SS—

"If there are any parents here who have boys eligible for football who are not participating, we are anxious to talk to you. Your boy is missing one of the greatest things in life. He is missing a chance to learn many helpful things other than just football.

"Possibly you may be afraid your boy will be injured. Actually, football players suffer fewer injuries than other boys do on motorcycles, bicycles and in automobiles.

"We will take any 25 football players and any 25 non-participating boys and keep records on the injuries suffered in a given period by each group. We believe the football players will show fewer. If you are interested in such a survey, please contact us.

—SS—

"Again we want to express our sincere thanks to Midland fans for their fine conduct and support. It has given us more determination to get out there and WIN for you."

—SS—

That's Coach Tugboat Jones speaking to the fans of Midland. He means every word of it.

Nothing we can say could add to his letter to you.

He speaks even louder through the Bulldogs when they take the field. If there ever was a well coached football team, the 1949 Bulldogs are it. They will WIN if it is humanly possible. Nothing but some lacking in physical ability—mainly speed—has kept them from it up to now.

—SS—

Earl Wilson hit his stride but good at Midland Country Club recently. He set a pattern for the top pros.

Playing with Bob Franklin, Art Castle and Bill Ground, Wilson fired a 33 going out and a 38 coming in to total 71 for the par 73 course.

Two under is mighty good golfing in any man's town.

—SS—

HALF SLANTS . . . Reed Gilmore and Jimmy O'Neal have been named captains for Friday night's game here between the Bulldogs and Brownwood. . . One sports writer in New York suggested Cliff Mapes, instead of wiring apologies to Umpire Bill Grieve, should have wired: "I'm sorry you made this apology necessary." . . . Houston has withdrawn its bid for the 1952 American Bowling Congress tournament. Sam Houston Coliseum could not be obtained for the necessary period. . . Sports eastern working the Tex Western-University of Houston game Saturday night will find this snag—Sol Kaukukui. He's a UH back.

PHILS RELEASE ROWE—PHILADELPHIA—(AP)—Schoolboy Rowe, veteran right-handed pitcher, Thursday was given his unconditional release by the Philadelphia Phillies. Rowe joined the Phils in 1943.

Morgan's heart is sound as a dollar, but his blood pressure may have suffered the last couple of weeks. The Red Raiders lost to Texas 43-0 and to Texas A&M 26-7.

PHILS RELEASE ROWE—PHILADELPHIA—(AP)—Schoolboy Rowe, veteran right-handed pitcher, Thursday was given his unconditional release by the Philadelphia Phillies. Rowe joined the Phils in 1943.

Pargell followed up the break with a wild pitch and Komar romped away with the winning run on the errant heave.

In the only other games Wednesday, the Philadelphia Phillies shut out the New York Giants 2-0, and the Cleveland Indians turned back the Chicago White Sox 4-2.

City College of New York's cross-country team has gone through the last three seasons unbeaten in dual meets.

MAJOR LEAGUES—

Sens Kick Boston Into First-Place Tie With Yankees

By RALPH RODEN Associated Press Sports Writer

"If you can't beat 'em, buy 'em."

That's the advice Boston fans are offering the Red Sox management Thursday following Rae Scarborough's 2-1 triumph for Washington over the Sox Wednesday night that dumped the Black Bay millionaires into a first-place American League tie with the New York Yankees.

The Sox management attempted to buy Scarborough from Washington last winter but no soap. Owner Clark Griffith couldn't use one of Tom Yawkey's silver mines.

Scarborough, a tall, 31-year-old North Carolinian, hurt the Red Sox American League pennant drive last year when he pitched Wednesday night may run their current hopes.

The Senator right-hander beat Boston three times in 1948, including a 4-2 triumph a year ago Wednesday that the Sox blamed for their eventual loss with Cleveland and their eventual loss in the playoff.

Boston entered Wednesday night's game boasting an 11-game winning streak and aware that a defeat would knock them into a tie with the Yanks for the Stenglers had downed the Philadelphia Athletics 7-5 in the afternoon.

Cards, Bums Rained Out

While tension mounts in the American League pennant race the picture in the National remained unchanged because of rain in Pittsburgh and Boston. The league-leading St. Louis Cardinals' game in St. Louis was rained out as was the game between Brooklyn Dodgers' contest in Boston. The Cards are one game in front of Brooklyn.

Scarborough's 13th victory was not achieved until the last half of the ninth inning. Scarborough had allowed only four hits and fanned seven but a fluke double by his opposing pitcher, young Chuck Stobbs, and Dom DiMaggio's line single resulted in a run in the sixth.

But Stobbs, who had yielded only four blows, blew up in the ninth. The Senators put runners on first and third with only one out. Al Kozar then slashed a single to left to score Gil Owen, with the tying run. Stobbs was through.

Ellis Kinder, 23-game winner, came in to relieve Sam Dente, who played brilliantly afield, greeted Kinder with a single to right but Ed Robinson, who was on second, was forced to stop at third as Al Zarilla fielded the ball quickly.

Lefty Mel Parnell was rushed in to face Pinch-Hitter Buddy Lewis, a lefthanded hitter. The Senators put on the squeeze play but Parnell deflected the move and pitched so wide to Lewis that he couldn't reach the ball and Robinson was an easy out at the plate, Kozar moving to third.

Pargell followed up the break with a wild pitch and Komar romped away with the winning run on the errant heave.

In the only other games Wednesday, the Philadelphia Phillies shut out the New York Giants 2-0, and the Cleveland Indians turned back the Chicago White Sox 4-2.

Greatly Exaggerated, Says Tech Coach Of Heart Attack Rumors

LIPBUCK—(AP)—Coach Dell Morgan of Texas Tech College did not die of a heart attack.

He said so.

The rumor that Morgan had died apparently started in Montgomery, Ala.

Morgan's heart is sound as a dollar, but his blood pressure may have suffered the last couple of weeks. The Red Raiders lost to Texas 43-0 and to Texas A&M 26-7.

More Comfort Wearing FALSE TEETH

Here is a pleasant way to overcome loose plate discomfort. FASTEETH, an up-to-date powder, applied to upper and lower plates holds them firmly so that they feel more comfortable. No fummy, gooey, pasty taste or feeling. It's alkaline (non-acid). Does not sour. Checks "plate odor" (denture breath). Get FASTEETH today at any drug store.

S&Q FOOTBALL FORECAST'S

Texas, S.M.U., T.C.U. and Baylor All Favored To Win This Week.

By Pitts Smith

Despite a going-over from some of the lower bracketed teams last week our record was 48 Winners, 10 Losers and 2 noncommittals for an 83% average. On all major games to date the score stands 76 Winners, 11 Losers and 2 ties for an average of 87%. If figures mean anything, there'll be upsets aplenty this week.

★ TOP GAMES—
SOUTHERN METHODIST avenging last year's only loss to Missouri, TULANE over Ga. Tech and NORTH CAROLINA throwing a road-block at Georgia. . . CORNELL passing a test with upstaring Colgate, PENN. over Dartmouth, and ARMY handing Penn. State loss number two. . . MICHIGAN stopping jet-powered Stanford, CALIFORNIA over Oregon State and U.C.L.A. moving in on rugged Oregon. . . MINNESOTA walling Nebraska, PURDUE over Iowa and WISCONSIN putting the skids to Illinois.

★ WEEKLY ROUNDUP—
HENRY FRANKA's big Green Wave toying with Bama's Red Elephants. . . PEABODY WALKER'S rambunctious Wake Forest Deacons almost out-donking the great Walker. . . JESS NEELY'S Rice Owls finally shaking off their early season doldrums. . . BOBBY DODD'S young Tech Engineers crimping up Vandy's bumpers and fenders. . . BUD WILKINSON'S powerful Oklahoma Sooners serving due and sufficient notice to all concerned. . . JOHNNIE VAUGHN'S Ole Miss Rebels casting ominous looking shadows.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation...

Wherefore be ye not unwise, but understanding what the will of the Lord is.—Ephesians 5:17.

Transportation Review

By December 1 Secretary of Commerce Sawyer will report to President Truman on the major issues which must be resolved before the United States can fashion the unified transportation program it so badly needs.

The problems are legion. But basically the issue is: How can we keep rail, motor, air and water transport in healthy, vigorous competition with one another...

At least one group in the field appears to recognize this. The committee representing the eastern railroads has hailed the President's action, saying that each type of transport in its own sphere "can pull the load best fitted to it under the free enterprise system."

'Watch The Birdie,' Senator

Senator Taft of Ohio has occupied many roles in his Senate career. Now he has another new one—friend of the starlings that swarm over the capital's buildings.

Is He Awake Yet?

The new session of the United Nations General Assembly in New York got under way without the verbal storms which have come to be viewed as part of the act.

Running Into A Slowdown Fast

DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

Drew Pearson says: Old-age pension demands are on the increase; Would-be judge Dave Brazelton is embarrassed by his Republican campaign contribution; Judge Goldsborough makes important ruling affecting air routes.

WASHINGTON—The battle over old-age pensions in the steel industry is being watched by several million people not only in other industries but especially in Southern California and Florida where Dr. Townsend's old-age pension movement and the ham-and-eggs have been so strong.

One little-realized fact in the steel dispute is that, during the President's Fact-Finding Board hearings, CIO Chief Philip Murray appealed to the steel industry to settle the old-age pension issue by supporting the Social Security bill now before Congress.

Murray's remark was addressed to Eudora Voorhees and John Stephens, executives of U. S. Steel; to C. M. White of Republic Steel, A. B. Homer of Bethlehem, Ben Morrell of Jones-Laughlin and several others.

At least one group in the field appears to recognize this. The committee representing the eastern railroads has hailed the President's action, saying that each type of transport in its own sphere "can pull the load best fitted to it under the free enterprise system."

For example, the ICC has reached the point in governing the trucking industry where it must now consider in solemn session whether spinach which has been washed and wrapped in cellophane is a "manufactured product."

No, Taft, the renowned fact-grubber, says he just wants to save the starlings until all the facts are in. He wants to know for sure whether or not they are useful in destroying Japanese beetles.

True to form, the Ohioan refuses, however, to be a sentimentalist about the birds. He isn't being soft-hearted in blocking Senate action on a bill to permit killing of the starlings.

Perhaps that's not a very good introduction, remarks the red-faced Brazelton, referring to the clipping.

"I don't keep political books," replied the good-natured Douglas. Brazelton's explanation is that Ed McMahon, who was running Senator Brooks' reelection campaign, had persuaded him to make the \$200 contribution.

Judge T. Alan Goldsborough, who wasn't afraid to fine John L. Lewis, signed a little-noticed order last week which is diplomatic dynamite. It casts serious doubt on the

Questions and Answers

Q—What type of vehicle was the Conestoga wagon? A—The Conestoga was a big wagon, often painted blue and red, which with the dull white cloth covering gave it a patriotic tinge.

So they say

I do not see how our free society can survive if those who have deep convictions reject the opportunity to carry those convictions into public life.

Ways To Brighten Paintings Are Told

NEW YORK (AP)—A painting whose surface has become dull can frequently be brightened by using a good quality prepared wax-emulsion cream furniture polish.

BOOSTER SPIRIT

MUNICH, GERMANY (AP)—An elderly Bavarian town clerk had so much pain in his feet that he went to see the doctor. When the doctor pronounced 38 corns on his feet, the clerk said proudly: "That many they don't have in America."

THE DOCTOR SAYS

Severe Phobias Can Indicate Presence Of Mental Disease

Fear is a strange thing. Probably everyone who has any sense has been frightened sometime. This is a normal thing.

Someone to Love

By IRENE LONNEN ERNHART

THE STORY: Jenny halfway believed that Ted Deucea was married. When she saw that phone number on his pad at the office...

News Gets Around Slowly In Capital

WASHINGTON (AP)—Fred Bailey, an official of the National Grange, went to see an Agriculture Department official.

Social Situations

SITUATION: You want to call on a new neighbor. WRONG WAY: Call on her immediately.

WASHINGTON COLUMN

Many Educators Oppose VA's Power To Cut Education Rights

WASHINGTON—The law under which Veterans Administration now wields authority to cancel the GI educational benefits of approximately 4,500,000 veterans was slipped through Congress at VA's urging with practically no public hearing and in the face of the bitter opposition of the country's leading educators.

Under this act, as it is being enforced by VA, any veteran who started a course and stopped it, or who has completed one phase of a course, is prohibited from using any more of his educational benefits.

So they say: Democracy... must contemplate some division of opinion among judges... for unvarying unanimity can result only from some power that directs the judges to decide cases one way rather than another.

WASHER: The annual contract bridge teachers' convention... will probably never play an evening of bridge without hearing someone say, "If only I could guess them right!"

Lesson Hand on the Play: South West North East 1 ♠ 2 ♣ 3 ♠ 4 ♠ Pass Pass Pass Pass

THE DOCTOR ANSWERS: QUESTION: Is olive oil good for gall stones and liver trouble? ANSWER: Although people frequently take olive oil under such conditions, I do not know of any reason why it should do good.

When he reached the apartment and Ma told him what had happened he quit thinking about Liz, like a man waking from a dream.

"No," said Liz, "that sounds too formidable. Let's call it a 'rest room'.

THEY sat across from each other. The light was dim and somehow awkward as lay between them.

"Gosh Liz, it's good to see you." She waved him to a chair.

He knew suddenly that he shouldn't be here, sitting with Liz as he had so often before, and feeling the same old way about her.

He parked his car in the lot behind the Greenbriar and adjusted his bow tie by the rear view mirror.

HOT AND COLD WATER
SYDNEY (AP)—Longreach, Queensland, Australia, has hot and cold water from nature. The cold water is pumped from the Thompson River three miles away; the hot comes by deep holes from an underground artesian basin. It reaches the borehead practically at boiling point.

English Advertiser Tells Auto's Faults

LAVENHAM, ENGLAND (AP)—Alec Hodson advertised his 1901 steam-driven motor car for sale. His price: 180 Pounds (\$420). Within a few hours, a buyer telephoned: "It's sold. I'd like to see you a check right away." But Hodson hesitated. He wanted to see the buyer first to make sure he really respected and understood antiques, and besides there was a little explaining to do. "It has eight major knobs to push or pull, and five assorted water and pressure pumps, once you light her up with a match," he said. "It's fair to say that driving it is a whole-time job. The time is never passed in boredom or preoccupation with scenery." Another snag is that when you light the engine, flames about a foot high, blue and intensely hot, leap from a kind of huge circular brazier. In a few minutes the heat is so great that it scorches you. "Once lighted, there can be no hanging about. You have decided to go for a spin and you are committed to it." Finally, when you drive a vehicle of this kind people are apt to regard it as peculiar.

'OUTSIDE' LUMINAL
A New and Better Paint for Exterior Masonry

The masonry paint that can be used on either bare or painted surfaces. Now you can make your masonry, house or garage look new and attractive. 'Outside' LUMINAL (paste form) goes on easily—and stays on! Comes in the whitest of whites and attractive colors. Highly recommended for durability, weatherproofing, beauty, and economy.

SIMMONS PAINT & PAPER CO. 906 S. Main Phone 1632

Des Moines Citizen Knows His Melons
DES MOINES (AP)—If any man could tell a good melon by thumping and looking at it that man should be Hal Wolford. For 56 years, Wolford has been in the melon business at Conestoga which claims the title of "Melon Capital of the Middlewest." Wolford can recall back at the turn of the century when as many as 800 railroad cars of melons were shipped from the town. They sold then for \$50 a carload. The season this year was near perfect. More than 150 acres of watermelons were grown along with 80 acres of cantaloupes in the sandy flats between the Iowa and Cedar Rivers. Most of the melons now are shipped by truck. They have been sent this year as far as Kentucky and Georgia.

LUBBOCK—A ground breaking ceremony for the new \$42,000 Cerebral Palsy Treatment Center was held recently in Lubbock. The Lubbock Rotary Club is co-sponsor of the project. The new building will be a one story masonry construction providing facilities for physical, occupational and speech therapy for the cerebral palsied. The Treatment Center completed its first year of operation on August 22. During the year 202 cases of cerebral palsy were registered for treatment and 2,907 treatments were given. Seven clinics were held with 288 examinations being made in

clinic. Clinics were held at approximately two month intervals with two orthopedists specializing in the care of the cerebral palsied present to examine the patients in each clinic. One fourth of the cases treated during the last year were two years of age or less when registered. The youngest child registered was five months of age. Cases came to the Treatment Center from 80 cities and areas in Texas, New Mexico and Colorado, extending southeast 500 miles to Cuero, Texas, and north about 325 miles to Holly, Colo. Cases coming to the Center are referred by their local physicians or by orthopedic specialists. During the last year 102 physicians referred cases for care at the Center. Facilities of the Treatment Center are available to all cases in need of care. The next clinic for the examination of patients will be held Monday, November 14, with Dr. C. B. Sadler, Amarillo, and Dr. E. T. Driscoll, Pampa, examining patients. Parents are requested to register children at the Center at some time before the clinic date.

Cure For Common Cold Is Reported In Naval Bulletin
NEW YORK (AP)—A common cold cure which works 90 per cent of the time, if you detect the cold within the first hour, is reported by Capt. John M. Brewster, U. S. Navy Medical Corps. The cure is not one drug, but at least five, all antihistamines, the drugs you take for allergic sneezings. Captain Brewster reported his experiments in the U. S. Naval Medical Bulletin of last January-February. The drugs he used are pyribenzamine, thienylene, neocantargan, histadyl and benadryl. For every hour's delay in taking the allergy drugs there was a drop in cures. Waiting six hours gave only 74 per cent.

Youth Center Chatter
By JUNE HAZLIP-JOYCE HOWELL
The sun goes up and the sun goes down. Hands on the clock keep goin' around. Life gits tedious, don't it? Well, Hi there, we didn't see you pull up. We were just singing our "theme song." Just drag up that easy chair, get comfortable and we'll do our best to tell you what you dropped around to find out! (You did drop around to find out all about the Youth Center, didn't you?) Hang on to your hats, folks, here we go again!

Civilian Authority For Guam Provides Uncle Sam Trouble
By CLARKE BEACH
WASHINGTON (AP)—Giving little Guam a civilian government isn't proving so easy as the administration apparently had hoped. President Truman, by executive order, directed recently that control of the Western Pacific island be transferred from the Navy to the Interior Department July 1, 1950. He appointed a civilian governor, Carlton Skinner, to replace the retiring naval commander, Rear Adm. Charles A. Pownall. Then Interior Secretary Krug asked Congress for \$715,000 to hire civilians to replace Navy and Marine Corps personnel and in other ways to create a civilian establishment which would be ready to operate when the Navy withdraws. But the House Appropriations Committee turned down the request for funds. And when the Senate Appropriations Committee received the request Chairman McKellar (D-Tenn.) and several other members firmly opposed providing the money at this time. The legislators' main objection was that Congress should first act on pending "organic" legislation for the island, defining its citizens' rights and duties and authorizing a civilian government. If the money isn't provided the new governor will just have to get along with the Navy funds now available and a completely civilian government will have to be put off until Congress acts. Skinner himself will technically be a Navy employe until July 1. He is now director of information (public relations) of the Interior Department and special assistant to Secretary Krug.

World's Grasslands Termed In Bad Shape
BERKELEY, CALIF. (AP)—The earth's land area is 30 per cent grassland, says Dr. Arthur W. Sampson, University of California professor of forestry. And much of this area has been degraded by poor grazing practices, he says. He pictures large parts of Africa, Spain, Greece, India and Palestine as wrecked by such practices. In the United States he estimates that existing range is producing at only 52 per cent of its original capacity and that 55 per cent of the range has less than half of its former capacity. Good range should have a dense stand of perennial grass, he says.

Decorated Cars
Have you noticed Betty Wilson and Jimmy Lock riding around in that cute little green and white polka dot car? We have, and we think this little car is a work of art! Take a look some time and see if you don't agree. Speaking of cars, several entered the parade of either Thursday or Friday of last week still are sporting their purple and gold streamers! This certainly adds color, don't you think? Max Schaeffer's one in particular we noticed! The tires and hubcaps of his car still carry streamers. However, we think first prize in the way of car decorations should go to Diane Anderson. Those of you who missed seeing Diane's car really missed a sight! It was so well done we hardly could tell whose car it was! Don't forget to be out to support the Bulldogs, who are out for a victory Friday night. Come on out to the game and get behind them! Well, (dear subject!) we'll go home and let you nice people go on about your work now. So, 'til next week. "Goober."

Rainbow Stripes

A vest of rainbow colors is designed by Stephanie Korot in cotton corduroy to match trim corduroy slacks for the college girls play hours. Corduroy is the collegian's favorite fabric this season for both sportswear and dress wear, the National Cotton Council reports.

RELATED CONSCIENCE

NEW YORK—(AP)—John Little, manager of a New York Hotel, recently received a special delivery insured package without a return address marked "rush". It contained a complete place setting for four packed in a cracker box. The silver belonged to the hotel. But it was of a type that had not been used in six years.

Vaihalla, in Norse mythology, was the heaven of heroes.

Midland Furniture Dealers Show Wide Variety Of Styles

Home-makers of the West never had it so good before.
Whether it is a new home being furnished for the first time, or an old dwelling being re-furnished again, home-makers of today have the great advantage of knowing that never before has there been such a wide variety of home goods from which to choose.
Thanks to American production and distribution ingenuity, plus the important element of fashion which today has entered the home furnishings field, the average family can find just what is desired in the well-stocked, efficient and well-displayed furniture stores which stand out so conspicuously in Midland and progressive communities in the United States.
Today's home-makers have proven time and time again they are getting as fashion-conscious about the subject of furniture as they are about apparel styles.
Mr. and Mrs. Home Owner have joined the modern school occasioned by the popular trend toward contemporary architecture that has been fostered in the West. They need not go outside of Midland to find the exact furniture and related pieces desired to furnish their dwelling completely to their taste.

Traditional Styles
If their taste runs toward any of the traditional styles, there are furniture and accessories available to fulfill the most exacting demands. If their ranch style home figuratively welcomes the warmth and charm of Early American or French Provincial decor, there is a wealth of all types and prices at their command. If the desire is for the formality of 18th Century or Victorian furniture, these popular reproductions have been handed down in authentic form or as modern adaptations.
When it comes to casual furniture, the West again is leading the Nation in creating and using this type of informal furnishings. The West also has shown the initiative in developing in-and-outdoor furniture—pieces that can serve equally as well indoors as out.
The great strides made by the home furnishings industry in developing new styles, creating new demands, and the use of new materials, are on display during Home Fashion Time which this week is being observed by Midland Furniture stores.

Top Rearing Horses

Just as a bigtime college football coach values a running guard with sturdy legs, trainers of liberty horses derive deep satisfaction from discovering in their performing groups, of specimens with lithe, wiry, well-boned limbs—natural for the difficult and spectacular feat of hind-leg rearing while walking. That's the trick—walking on their hind legs while maintaining a striking perpendicular rear. Trainers spend sleepless nights and endless waking hours perfecting this climatic equestrian feat. It's the "pay-off" trick. The hind-leg wonders will perform with the Ringling Brothers and Barnum & Bailey Circus during its three Odessa performances October 11 and 12.

Little-Known People Building Own Culture
MOSCOW—(AP)—A report on the Toths—a little known people—has been published here.
They live on the spurs of the Eastern Sayan, in eastern Siberia. The land occupied by them is roughly several score square kilometers. United in collective farms, the Toths are reported to be building their own national culture.
Of interest to motorists is a new automobile steering wheel, adjustable to meet needs of both tall and short drivers. Adjustment is made by means of two sleeves, one sliding telescopically within the other.

Length Of Russian Skirts Is Extended

MOSCOW—(AP)—Folk motifs and a longer skirt are features of the new Soviet styles.
Adaptations of ancient Russian handwork from the various republics of the country are featured—particularly on blouses—in the new styles. They make colorful and neat decorations, most of them being in red and white. While nothing like the "New Look," skirts are longer this season.
Varsity is derived from the word university.

Moscow Publishes New Lenin Volumes

MOSCOW—(AP)—Volume 26 of the Works of Lenin—including seven articles which have not appeared before—has been published. Announcing this, "Travda" said the volume contains the celebrated work, "The State and Revolution."
All the works in the volume relating to the period after the July days of 1917 were written underground when Lenin had to hide from the Provisional Government.
Only 13 muscles are required to smile—fifty to frown.

GIG TO SING IN EGYPT
CAIRO—(AP)—Singing Gigli, the famous Italian tenor, will sing at Cairo's winter opera season this year, it was announced here.

Syracuse University's new head football coach, Floyd Schwartz, was, as a paratrooper during the war and won the Silver Star.

FINNY BUSINESS

"That vaudeville balancing team always keeps the conductor guessing!"

DADDY RINGTAIL • By Wesley Davis

Daddy Ringtail And Sheriff Huffen Puffen

The Huffen Puffen, the friendly wolf, was practicing to be a sheriff. "I'm your old friend, good

Sheriff Huffen Puffen," the Huffen said to Mugwump. "Do tell!" said Mugwump. And then he saw that the Huffen was wearing a great big hat like a sheriff, and there by the Huffen's side in his belt was a horse pistol, because it was as big as a horse, almost.

"Oh! Oh!" said Mugwump. "Huffen Puffen," said Mugwump, "does that pistol have bullets in it?" The Huffen said no and no indeed the pistol didn't have bullets

in it. Why, Daddy Ringtail had said many times that people should never play with a gun and bullets. "How do you know?" asked Mugwump. He was remembering the things Daddy Ringtail had said

about guns, and how to be sure that no one gets hurt. "Well," said the Huffen, "I think I do, that there aren't any bullets in it." "Aha!" said Mugwump. "So you don't really know that there aren't any bullets in it?" Mugwump told the Huffen how to be sure that a gun has no bullets in it. Try to shoot it up in the air. If it does not shoot with a boom or bang, no bullets. If it does shoot with a boom or bang, the bullets go up in the air where they don't hurt anyone, said Mugwump.

The Huffen pointed the pistol in the air. He pulled the shooting trigger. "Bang! Boom! Boom! Boom!" said the pistol. "Ooooooh!" said the Huffen. "Careful down there!" Daddy Ringtail shouted down from his monkey house.

Well, the bullets had almost hit him, but they didn't, I am glad to say. If they had, too bad. And when someone shoots a gun in the air to be sure there aren't bullets in it, they ought to be sure that a monkey isn't maybe up a tree where the bullets are going. Happy being careful always—never to point a gun at people. Happy day!

Trick Of Television Trade Is Disclosed

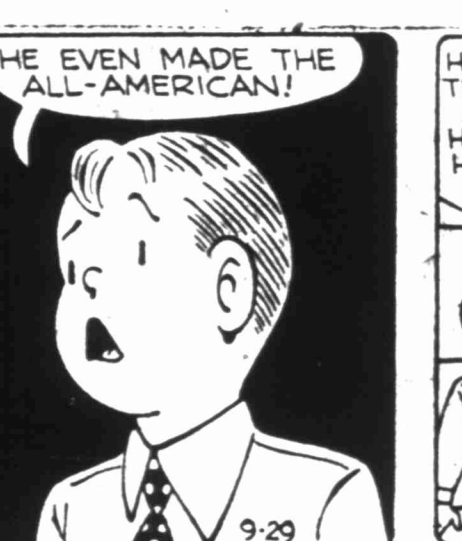

NEW YORK—(AP)—Here's a trick of the television trade: To overcome the difficulty of trying to show the transformation of one person into another, the basis of the story of special camera arrangement has been effected. As Dr. Jekyll slowly becomes his "other self" the camera is made to interpret the action as if it were the eyes of Hyde.

Hyde as a person is not seen, only Dr. Jekyll before and after the change.

This 'Deck' Is Loaded

The Lou Gehrig gymnasium in Rochester, Minn., where once 5,000 Naval reservists trod "the deck," now is filled with mountains of grain. This is one of two similar structures used to house some half-million bushels of wheat under the government's price support program. Having all the appearance of wind-blown desert sands, the wheat seen here is valued at more than \$200,000.

Fowl Is Abundant This October

FOR COOLER NIGHTS—Chicken pie with lattice crust is an October meal-in-a-dish.

By GAYNOR MADDOX
NEA Staff Writer

Fowl flies high on the list of abundant October foods. How about an old-fashioned chicken pie for these cooler nights—one with a lattice top of your best pastry. Remember, chicken fats are on the list, too.

Chicken Pie
(8 servings)

Five tablespoons flour, 1 teaspoon salt, 1/8 teaspoon pepper, 1 cup cold water, 2 cups hot chicken stock, 9 small onions, 1 cup chopped celery, 2 cups cooked peas, 2 cups cooked carrot slices, 3 cups cooked chicken.

Mix together five tablespoons flour, one teaspoon salt, pepper and one cup cold water. Add to hot chicken stock and cook until thick and no starchy taste remains; stir constantly. Parboil onions for about 10 minutes. To thicken chicken stock add onions, celery, cooked peas, cooked carrots and chicken. Pour into 2 1/2-quart heat-resistant opal glass baking dish.

Crust:
One and one-half cups sifted flour, 1/4 teaspoon baking powder, 1/2-teaspoon salt, 1/2 cup shortening, 5 to 6 tablespoons ice water. Sift together 1 1/2 cups flour, baking powder and 1/2 teaspoon salt.

Out in shortening until it is the size of peas. Add ice water a little at a time, mixing only enough to hold ingredients together. Place dough on lightly floured board and roll to about 1/8-inch thickness. Cut dough into strips and arrange in lattice work effect across top of pie. Bake in hot oven (400 degrees F.) for about 25 minutes or until crust is browned. Serve with tomato-cucumber salad in individual opal glass ramekins.

CONESTOGA STOGIES

The humble stogie derives its name from the fact that it was the favorite smoke of the men who drove the famed Conestoga wagons having their origin among the Dutch farmers of the Conestoga valley, Lancaster County, Pennsylvania.

Of all foods, milk has the highest food value.

Most Eye Tests Are Too Old-Fashioned To Really Help Child

By DAVID TAYLOR MARKE
AP Newsmaster

Your child's eyes are one of his most vital possessions, says Dr. John O'Shea, president of the American Optometric Association, although 29 states have no laws requiring any school vision tests. Most of the tests given in the states are too old-fashioned to have any real value. Says he:

"Most of a child's seeing for school is done within arm's length. Yet most of the visual screening tests consist of reading letters on a chart at a distance of twenty feet. This may reveal little or nothing of the child's ability to read or perform other near-point tasks. Furthermore, vision is made up of several skills which cannot be tested by reading letters on a chart."

Takes Only Minutes

Dr. O'Shea asks: "What is the child's speed of perception? Can he grasp a whole word or several words at a glance, or does he have to pore for several seconds over a syllable to identify it? Do his eyes work well together, like a good team of horses? Does he have proper depth perception so that he can judge space and distance relationships? Can he change his focus quickly and easily from near to far and from far to near? These are among the most important points revealed by a screening test that really evaluates a child's seeing ability."

Such a test would take but a few minutes, says Dr. O'Shea, and such a routine would point out nearly all of the pupils who are in need of professional care of their vision.

"Unless school children receive better visual care than they are now getting, six out of ten who enter school this fall will develop visual handicaps before they finish the eighth grade," he says.

Now is the time, says Dr. O'Shea, when junior is back at school, for parents and teachers to improve the visual welfare of American youth.

Vienna Power Rates Studied By Experts

VIENNA—(AP)—A group of United States power experts are in Vienna to make a study of Austrian electrical power rates.

Members of the power mission include Nevin E. Funk, an ex-Vice President of the Philadelphia Electric Co.; Gabriel C. Wessenhauer, director of power, Tennessee Valley Authority; Harry I. Miller, manager, rate research department, Wisconsin Public Service Co.; John Montgomery, State Department, Recorder; and Lt. Col. S. Chittick, escort officer.

TOMATOES THRIVE
NORWALK, CONN. (AP)—Although the summer of 1949 was one of the driest in several years, many home gardeners in this area reported unusually good tomato crops. One small farmer attributed his success to spring fertilization of the soil with organic matter which, when plowed in, aided in moisture retention.

Short Evening Dress Of Terrible Twenties Gaining General Acceptance In Bebop Era

By DOROTHY ROE
Associated Press Fashion Editor

NEW YORK —(AP)—The flapper of the Terrible Twenties is due for a comeback in the Fabulous Fifties.

Newest indication is the return of the short evening dress, a favorite of the jazz age, now gaining general acceptance in the bebop era. Along with the single bob, the shorter skirt and the "bunny bun" coat, it is a sign of the times.

Although the short evening dress has appeared in fashion collections for the last four or five years, it has established itself as a major fashion in all price ranges and age groups just this season. Fashion authorities agree that we'll see

ing it this Winter on Main Street as well as Park Avenue.

This nostalgic garment is shown in various phases, most extreme of which is the street-length chiffon sheath, embroidered in rhinestones, just as the John Held girls used to wear them back in 1925. The waistline, however, has not dropped to the hips, and the bustline still is allowed its natural curves.

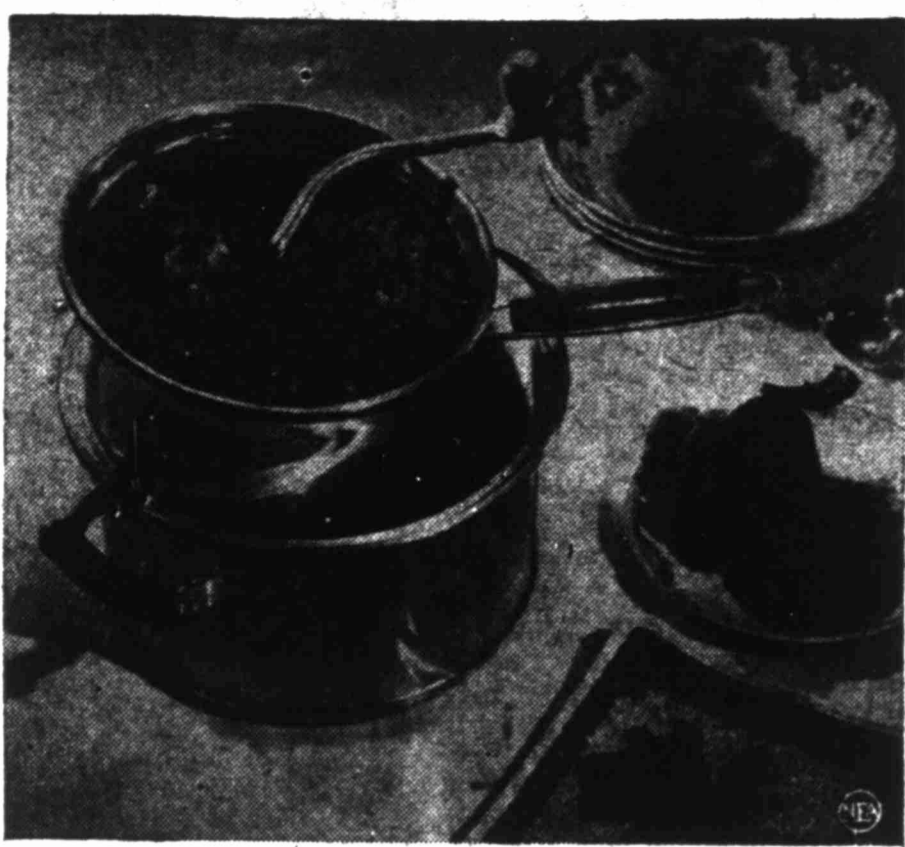

Sweeping Acceptance

An indication of the wide acceptance of the trend comes from Ruth Jacobs, fashion editor of "Women's Wear," who says:

"There's no question about it—short evening dresses are at their peak of acceptance right now. Although they've been around for several years, we have noted that each year has seen a more general acceptance throughout the country. At first this was a limited big-city fashion. Now short evening dresses are selling at all price levels, and to all age groups. They're even included now in the pattern books. You might call it a 'sweeping acceptance'."

Mainbocher, designer to the upper crust, confirms the opinion: "I have been showing short evening dresses ever since L-85 (war-time restrictions) would permit. I think that if a woman's legs permit it, the shorter evening dress is younger and a lot more fashionable than the long, from dianer dresses right through to ball dresses."

Try Hot Soup In Brisk Season

OCTOBER BOON—A handy food mill gives smoothness to old-fashioned lentil soup.

By GAYNOR MADDOX
NEA Staff Writer

Colder weather, sturdy appetites and large bowls of thick old-fashioned lentil soup—there's a wonderful October picture. So let's get going.

First, however, take a look at one of those handy aluminum food mills. For making onion, split pea, lentil and other thick soups they

are ideal, producing a smoothness with only a few turns of the mill handle.

These soup recipes come from the Foley family in Minneapolis:

Tart Lentil Soup
(Serves 4)

One cup dried lentils, cold water, 1 small onion, sliced, 1 medium carrot, sliced, 3 teaspoons salt, 1/4 teaspoon pepper, 1/8 teaspoon dry mustard, 4 teaspoons vinegar, 2 teaspoons brown sugar, 1 tablespoon butter, fortified margarine, fat or salad oil, 2 tablespoons flour.

Pick over, wash and soak lentils in 3 cups cold water overnight. In morning, drain off and measure water, to which add more water to make 6 cups in all. Place in kettle with lentils, vegetables and all seasonings but vinegar and brown sugar. Cover, bring to a boil, then simmer gently 2 hours. Strain through food mill and add vinegar and brown sugar. Heat, then stir in butter and flour which have been combined. Cook, stirring until thickened. Serve, sprinkled with paprika, or hard-cooked egg put through food mill.

Split Pea Soup
(Serves 4-6)

One cup split peas, 5 cups water, 1 carrot, sliced, 1 onion, quartered, 2 sprays celery leaves, soup bones, 1 bay leaf, salt and pepper.

Pick over and was split peas. Place all ingredients except salt and pepper in kettle, cover, bring to boil and simmer 2 hours or until peas are tender. Remove bones. Strain soup through food mill; season with salt and pepper. If desired, thin with milk; heat.

Red Forests Aided By 'Nest' Plantings

MOSCOW —(AP)—Russians in putting into effect their large reforestation program are relying heavily on the "nest method" of tree planting.

This method was proposed by Academician Trofim Lysenko, Russia's leading agronomist, who declares that it is based on the principals of Michurinist biology.

The nest method of tree planting involves the planting in a small circle of a number of seedlings. It is claimed that within this group of seedlings there is no conflict and that they assist each other in mutual defense against their enemies—weeds and grass. Experiments have shown, papers declare here, that the survival of tree seedlings is much higher in "nest planting" than in the case with individual planting.

Negro Carries Steel In Face For 24 Years

SAVANNAH, GA. —(AP)—For 24 years, Earl Jackson, a negro, carried a two-inch piece of knife blade in his face without knowing it.

The left-over from a 1925 stabbing was embedded in his cheek bone.

Doctors found and removed it when he went to them complaining of toothache.

SIDE GLANCES

"You mean this is the movie you're taking me out to see?"

Request For Curbs On Space Ship Flops

NEW DELHI, INDIA —(AP)—A suggestion that the Indian Constitution provide the government with powers to regulate inter-planetary travel died like a damp rocket in the Constituent Assembly here. Most members kept their feet on the ground as H. V. Kamath argued that inter-planetary travel was a scientific possibility. He was supported only by Nazruddin Ahmed, who thought the government ought to have powers over travel between planets and their satellites as well.

Law Minister B. R. Ambedkar, who drafted the Constitution now under discussion ended the debate by remarking that if the proposal related to matters unknown, the assembly was wasting its time in discussing it. None of the members was prepared to explain how inter-planetary travel might be achieved.

ADS BRING WOMAN INTO CIGAR SMOKER'S LIFE

The Fall newspaper advertising campaign for Deluxe Y-B Cigars now appearing in The Reporter-Telegram brings the woman into the cigar smoker's life. It shows her at home with the satisfied smoker... accompanying him to such favorite activities as football and basketball games, bowling, hunting and nightclubbing... joining him at the country club in bridge and golf games.

Four cigars, each shown actual size, are featured in this Fall campaign.
