## Crane Gains Wildcat By Moore Exploration

Moore Exploration Company of Midland, No. 1 C. Barnsley is to be a 7,000-foot wildcat in Central Crane County, 12 miles west of Crane.

This prospect is scheduled to explore the Ellenburger, using rotary tools. Drilling is to begin immediately.

The drillsite will be 2,198.73 feet from southwest and 1,819 feet from southeast lines of tract 7, section 10, N. A. Williamson survey.

Osborn Drilling Company of Midland has the rotary drilling contract.

## Offset Is Staked To New Pecos Discovery

Fullerton Oil Company has staked location for a wildcat 10 miles south of Grandfalls in North Pecos County.

Fullerton No. 1-D-DE Pecos Valley will be 860 feet from northeast and southeast lines of south quarter of section 36, block 3, H&TC survey.

Rotary tools will be used in drilling to 8,500 feet. Operations will begin at once.

This new venture will be three-quarters of a mile east of Fullerton No. 1-D-DE, Ellenburger discovery now in process of completion as a flowing oil well.

Rotary tools will be used in drilling to 8,500 feet. Operations will begin at once.

This new venture will be three-quarters of a mile east of Fullerton No. 1-D-DE, Ellenburger discovery now in process of completion as a flowing oil well.

Rotary tools will be used in drilling to 8,500 feet. Operations will begin at once.

## Andrews Prospector To 5,500 Feet Slated

Cascade Petroleum Company of Fort Worth is to start drilling soon on its No. 1 J. E. Parker, a wildcat to 5,500 feet to test the San Andres of the Permian in East-Central Andrews County, five miles southeast of Andrews.

Drilling will be with rotary tools.

The prospector will be located 1,980 feet from south and east lines of section 27, block A-44, psi survey.

## NE Reagan Venture High On San Andres

York & Harper, Inc., No. 1 Sugg, Northeast Reagan County wildcat, to 10,500 feet to explore into the Ellenburger found the San Andres-Permian lime high to two dry holes in the surrounding region and is drilling ahead below 3,015 feet in lime.

Top of the San Andres was called at 2,120 feet. Elevation is 2,616 feet.

That makes it 57 feet high to the Texas Company No. 2 Sugg, a shallow failure one and one-half miles to the northeast and puts it 220 feet high on the top of the San Andres to the same point in Humble Oil & Refining Company No. 1-B Sawyer, a deep dry hole eight and one-half miles to the south.

## Shallow Pecos Test Is Due By Capetco

Drilling is to begin immediately at Capetco Corporation of Houston No. 1 H. K. Hine and others, contracted 2,800-foot cable tool wildcat in East Pecos County, 19 miles northwest of Sheffield.

No. 1 H. K. Hine will be located 330 feet from east line of section 26, block 178, TORE survey 178, and 330 feet from highway 290.

It is projected to test the lower Permian.

## Kelly Stepout Runs Casing To Complete

Sun Oil Company No. 1 Lemons, west stepout from production from the Canyon reef line on the northwest side of the Kelly field in West-Central Scurry County, has shown for flowing oil and is to run casing and complete.

This exploration, located 330 feet from north and 467 feet from east lines of the southwest quarter of section 205, block 97, H&TC survey, took a 49 minute drillstem test in the top of the reef at 6,759-76 feet.

Gas showed at the surface in eight minutes and oil started flowing in 47 minutes. It was flowed to the pits for two minutes with no gauge or estimate of the production being made.

When the tester was pulled recovery was 6,750 feet of clean oil. There was no water. Operator is now preparing to run 7-inch casing and complete.

The well is five miles west of Snyder.

## Tom Green Operation Is Scheduled By Sun

Sun Oil Company has staked location for a wildcat 10 miles south of Grandfalls in North Pecos County.

Fullerton No. 1-D-DE Pecos Valley will be 860 feet from northeast and southeast lines of south quarter of section 36, block 3, H&TC survey.

Rotary tools will be used in drilling to 8,500 feet. Operations will begin at once.

## Hard Coal Miners Sent Back To Pits

John L. Lewis Friday ordered 102,000 of his striking United Mine Workers back to the pits in the first break of the 12-day-old coal walkout.

A word from the UMW chieftain narrowed the nationwide strike to the industrially-vital bituminous fields of the Central-Eastern region of the United States.

Lewis ordered 80,000 Eastern Pennsylvania anthracite miners and 22,000 bituminous diggers west of the Mississippi to resume work Monday.

A telegram to presidents of UMW districts announced the action. Lewis said:

"The suspension of mining in the Western and anthracite areas is not now vital to the pending wage negotiations."

Nearly 400,000 other UMW members in the bituminous fields apparently were set to continue their crippling "no day week" which began September 19.

Western bituminous diggers and the anthracite workers walked out in a sympathy move when diggers quit the mines to protest failure of Southern operators to contribute to the union's welfare fund.

Nearly 15,000 non-union miners are continuing to provide a trickle of soft coal to the fast-windling national stockpile.

This meager activity in the fields causes tempers to flare.

Dynamiting, rifle-fire and rock-throwing became more common in the nation's coal fields. Prospects of an early settlement of the UMW's "No pension, no work" dispute grew more remote.

At White Sulphur Springs, W. Va., where UMW Chief John L. Lewis has been holding sporadic contract talks with Northern and Western operators, both sides freely admitted they are getting nowhere.

## House Will Push Action On Pensions

WASHINGTON—(P)—Democratic leaders predicted Friday the House will pass overwhelmingly before adjournment a bill vastly broadening the government old age pension program.

The bill sped toward a House showdown as some labor unions threatened strikes if employers do not pay the whole cost of pension plans operating outside the government's social security. The Ford Motor Company agreed to such an independent plan Thursday. Under the government system, the employer and employees equally share the cost.

The House Ways and Means Committee voiced fear that company-financed programs, if not discouraged by passage of an improved government social security law, may undermine the federal program. It said:

"Without an adequate and universally applicable basic social insurance system, the demands for security by segments of the population threaten to result in unbalanced, overlapping and competing programs. The financing of such plans may become chaotic, their economic effects dangerous."

The pending legislation, approved by the Ways and Means Committee 22 to 3 in August, would:

Increase by 11,000,000 the 35,000,000 workers now covered by old age and survivors insurance; increase the benefits by 70 to 80 percent on the average; inaugurate insurance for totally and permanently disabled persons, and boost the payroll taxes against employers and employees, to finance the expanded program.

Some members believe the new social security program will head off some of labor's demands for independent old age programs financed entirely by employers.

## Dr. Schlichting Is Named Community Chest Chairman

Dr. Henry Schlichting, Jr. was elected president of the Midland Community Chest at a meeting of directors Thursday afternoon.

Other new officers are Carroll Thomas, vice president; Mrs. Iva Noyes, secretary; and Don Johnson, treasurer. Board members, in addition to Dr. Schlichting, are:

W. D. Anderson, P. V. Thorson, Percy Bridgewater, the Rev. Robert J. Snell and Drew Campbell.

The meeting, held in the Chamber of Commerce office, originally was scheduled for Friday afternoon.

Dr. Schlichting was authorized to set up committees before the next meeting. An effort will be made to launch the annual Chest finance campaign on October 24.

Budgets Examined

The budgets of the Boy Scouts, Girl Scouts, Youth Center, Goodfellows, USO and Salvation Army now are being examined by a committee including Campbell, Anderson and Bridgewater.

A resolution was adopted expressing appreciation to Robert I. Dickey who had served as Chest chairman since its organization in 1947.

## Bombers Will Roar At Sunday Air Show

Bombers, both heavy and light, will add color to the demonstrations of Air Force striking power at the first annual Permian Basin Air Show scheduled at 1:30 p.m. Sunday at Midland Air Terminal.

After the sleek, fast fighters have performed the opening acts, in will roar the bombers. There will be B-29's from Bergstrom Air Force Base and these will be followed by B-26's from Tinker Field, Oklahoma City.

Most Midlanders will be seeing bomber formations for the first time since the days of the great bombardier college at MAT.

CAF Performances

Following acts and demonstrations by the Air Force, there will be performances by the Odessa Civil Air Patrol. Several of the CAP fliers are ex-fighter pilots. This group will demonstrate precision formation and tactical flying in BT-13's. There will be flights through a wall of flame and other low altitude maneuvers.

There will be a demonstration of crop-dusting and radio-controlled flight and acrobatic glider act.

## Boone Bible Class Gives \$25 To Little Girl With Cancer

The Boone Bible Class of the First Methodist Church of Midland Friday announced it was contributing \$25 to help a little girl in her fight for life.

The little girl is Wanda Ruth Nasworth, who will be three years old in November. She has cancer. Her story was told Thursday in The Reporter-Telegram when neighbors asked if Midlanders wanted to help the child. She is being cared for by her grandparents, Mr. and Mrs. Fred Osborne, Route 1, Midland.

The grandparents have gone heavily in debt to provide medical treatment for the child.

## Truman Pledges Fight To Pass 'Fair Deal' Program

KANSAS CITY—(P)—President Truman confronted Capitol Hill opponents Friday with a new threat to keep Congress in session until it enacts his entire "Fair Deal" program.

And, if that course fails, he said the Democrats "will win that program" in 1950 and again in 1952.

In fighting words, he sounded the keynote for Democratic orators in next year's congressional campaigns at a testimonial dinner for the party's national chairman, William M. Boyle, Jr. Boyle, like the President, is a "Jackson's County" Missourian.

The President, speaking Thursday night at the end of a program in which a long list of talkers, including Vice President Barkley, preceded him also:

1. Promised to battle for measures to raise the country's income to \$300,000,000 annually and establish "an income level in the country of \$4,000 per family per year" which he said "is not a pipe dream."
2. Hinted that Barkley, a frequent caller on Mrs. Carleton Hadley of St. Louis, might be getting married soon.
3. Declared that the country needs a "real, honest free press" worse than anything in the world.
4. Said that in these critical days of an uneasy peace, "it is dangerous to 'go back' to the 1930 isolationist attitude and that the country must catch up with the moral spirit that will match the material age in which we live."

The dapper, gray-haired chief executive, speaking before several thousand of the party faithful, declared that his party will battle on for enactment of its 1948 platform pledges.

"Approximately 9,000 persons jammed into Kansas City's Municipal Auditorium to hear the speeches. Nearly 3,000 of them paid \$15 a plate for the dinner to honor Boyle. They included cabinet members, other top-level Washington officials, and governors from several states."

## State Bar Officers, Directors Schedule Meeting In Midland

The October meeting of the officers and directors of the State Bar of Texas will be held here Saturday in Hotel Scharbauer beginning at 9 a.m.

A dinner in the Crystal Ballroom at 7 p.m. will climax the day's activities.

The meeting is one of four held each year by the bar group.

Hosts to the officers and directors will be the approximately 120 members of the Midland Bar Association and their wives. Wives of several of the visitors also are expected to be present.

Business of the State Bar of Texas will be conducted in the day session in the private dining room.

Approximately 175 persons are expected for the dinner honoring the officers and directors.

Allen Crowley, Fort Worth, president of the State Bar of Texas, and William J. Park, Austin, arrived in Midland Friday for the session.

Officers, Directors Listed

Other officers and directors expected to attend are Austin C. Hatchell, Longview, vice president; W. P. Abernethy, chairman of the board of directors, McKinney; and Directors Taylor Russell, Mount Pleasant; T. O. Davis, Center; W. Dewey Lawrence, Tyler; J. Glenn Turner, Dallas; Lynn Griffith, (Continued On Page 12)

## Western Clinic Now Open-Staff Hospital

The Western Clinic-Hospital has been declared an open-staff hospital by action of the trustees and staff in a meeting held Thursday night.

The hospital has been operating on a closed-staff plan since May 6, 1948.

The trustees recommended that the hospital revert to an open-staff basis and approval was given by the staff.

For physicians to practice in Western Clinic-Hospital they must be members of the Six-County Medical Society, Texas Medical Association and American Medical Association.

## Three Airmen Are Missing In Crash Of Flying Boxcar

OLYMPIA, WASH.—(P)—A C-53 "Flying Boxcar" from McCord Air Force Base crashed and burned Thursday night in a heavily forested area five miles northeast of McCleary, Wash., between here and Grays Harbor.

Three men were reported manning the big ship. No bodies were found in or near the wreckage.

State Patrol Sergeant Stacey Mattson radioed from the scene that the wreckage was strewn over five acres of wooded terrain, but that no bodies were located, indicating the trio may have parachuted into the forest.

Mattson radioed that search for the three men was continuing, with an air rescue squadron from McCord taking over the search.

## At Least Six Persons Die In Home Blaze

KANSAS CITY—(P)—At least six persons were reported killed Friday in a fire which swept through a two-story frame home in North-east Kansas City.

Several other persons were reported injured.

Four of the dead were identified. They were listed as:

Marion Hershey, 26 months old; Myrtle Marie Hershey, nine months.

Mrs. Myrtle M. Hershey, 25, mother of the children.

Lorraine Ellis, 17.

## Laborites Ask Fall Elections

LONDON—(P)—A group of left-wing Laborites called Friday for a general election soon on the heels of Thursday's solid vote of confidence for the government's crisis policy in Parliament.

Even as the House of Commons registered a smashing 342-5 approval of the Attlee regime's action cutting the value of the pound sterling, a leading Labor organ urged the government to call an election for November, instead of serving the full five-year term which expires next July.

It was the first open demand for an important segment of the Labor Party for a "snap" election and set members of Parliament wondering whether their seats may be at stake within a matter of weeks.

Attlee Disagrees

The publication is The Tribune, a weekly journal edited by Michael Foot, a member of the Labor Party's Executive Committee, and Jennie Lee, wife of fiery Health Minister Aneurin Bevan. Bevan also is a member of Parliament.

Political sources said Prime Minister Attlee, however, opposes an election before next Spring.

Left-wingers within his party appeared to be pressing for an election now on the grounds that delay might cost them votes if a rise in living costs develops as a result of devaluation.

Shortly before Thursday's Commons vote, a motion of no confidence—which would have forced Britain into an immediate election—was proposed by Conservative Leader Winston Churchill. It was defeated 350 to 212.

## Borger Man, Wife Found Shot To Death

BORGER—(P)—A man and his wife, parents of four children, were found shot to death at their home here Friday. An eight-year-old son found the bodies.

The dead were Mr. and Mrs. Harley Cummings, Cummings, about 32, was an oil field worker.

Sheriff Hugh Anderson of Hutchinson County said the body of Mrs. Cummings was on a bed. She was shot through the head with a .22 caliber rifle. Cummings's body was on the floor. A .22 bullet had pierced his head, above the right eye.

Both bodies were clad in night-clothing.

A coroner's verdict was not returned immediately.

Several other persons were found in the vicinity. He has two sisters and a brother: Hatlene, 10; Lunda Sue, three and Oliver, five.

## Sample Cut Workers Give \$15 To Child

Employees of the sample cut of the Midland Oil Scouts Association Friday took up a collection of \$15.50 to give to a little Midland girl who is stricken with cancer.

Contributing were Jewell Beggs, Maggie Herron, Florence Nichols, Beanie Mae Smith, Marion Johnson, Beulah Rock, H. L. Stranghan, Sr., Bertie Norton, Una Cries, Grace Ray, Jewel Wren, Bobby John Brown, Bill Stone, Iva Lee Wallis, Annie Lee Conline and Silva Rodriguez.

## George Shelton Dies In Odessa Hospital

George M. Shelton, 1807 West Holloway Street, well-known Midland independent oil operator, died Friday morning in an Odessa hospital.

Shelton had resided in Midland a number of years, and leaves as survivors the widow and a son, George M. Shelton, Jr., of Midland.

He had been a patient in the hospital about a week.

The body was being returned to Midland Friday afternoon by the Ellis Funeral Home. Funeral arrangements are pending.

Shelton formerly lived in San Angelo and Waco.

## At Corrosion Engineers' Show

A feature of the 1949 West Texas-Southeast New Mexico Corrosion Tours being conducted by the Permian Basin section of the National Association of Corrosion Engineers is the exhibit of corrosion-resisting equipment and material for oil fields and industrial operations in the Midland City-County Auditorium. The exhibit will be open to the public for the last time from 6 to 11 p.m. Friday.

Above, Lee Flood of Midland, left, and Leo W. Page, right, of Tulsa show some of the corrosion prevention equipment which is available for oil fields to A. P. Callahan, also of Midland. Page is a member of the firm of Johnson-Page Engineering Company of Tulsa, manufacturers of oil field equipment. Flood is Permian Basin representative of that concern. Callahan is an engineer with The Texas Company.

## Last Minute Peace Talks In Progress

PITTSBURGH—(P)—The nation's CIO Steelworkers were set to strike at midnight Friday for company-paid pensions and insurance. They say they'll settle for nothing less.

Eleventh-hour negotiations were deadlocked—but continuing.

U. S. mediators summoned union and management in a last-minute, all-out effort to avert the crippling walkout.

Already thousands of Philip Murray's Steelworkers had jumped the gun in wildcat strikes.

Thousands more were forced into idleness as steel mills banked furnaces, cutting production to a trickle.

Picketing had started. Police guarded mills against possible violence.

Meantime, union and management stuck stubbornly to demands. No hints at compromise. Both sides declined comment on everything.

Murray, United Steelworker Union president, said glumly after another fruitless talk with U. S. Steel: "I wouldn't even comment about hope at this time."

"That's how bleak the picture is. The issue is a pension-insurance program. The union wants steel firms to adopt the formula set down by President Truman's Fact-Finding Board. This is a 10-cent-an-hour contribution paid entirely by industry. The union says it's the minimum they'll take."

"Contract Or Strike"

Big steel rejected the proposal. Instead it offered a pension-insurance plan to which employees would have to contribute.

Murray and his 800,000 steelworkers wouldn't buy that. They say: "We've given up demands for a pay increase as ordered by the fact finding board. Now industry must yield."

Twice Murray agreed to a strike truce requested by Truman, while negotiations for a new steel pact continued.

Now—it's a contract or a strike. And, says Murray, if it's a strike the steel industry forced it on the workers.

A steelworker's walkout would push the nation's strike-ripple past the million mark. Some 480,000 coal miners have been idle nearly two weeks.

## Texas Gas Law Starts In October

AUSTIN—(P)—The Railroad Commission Friday ordered compliance with the state's new standard gas measurement law beginning with the monthly business for October.

The law becomes effective October 5.

Hearings also were ordered held in all oil and gas fields in Texas to determine the average temperature of gas and to determine other variable factors necessary to calculate the metered volume of gas in compliance with the law.

Pending the hearings, average values of 80 degrees Fahrenheit for temperatures and .80 for gas specific gravity are to be used in calculating volumes, the commission said.

Procedure Methods

No correction for deviation from the ideal gas laws will be required for gas volumes measured at a pressure of 100 pounds or less, the order said. Where deviation corrections are necessary, the procedure set out in the bulletin entitled "NGAA Tentative Standard Method for Calculation of High Pressure Gas Measurement" or as set out in the California Natural Gasoline Association Bulletin TS-353, TS-354, TS-402 and TS-461 are to be used.

The commission ordered that it be notified by October 31 of the method to be used by each person or corporation required to report volumes of gas under the law.

The law sets up the standards by which gas is measured to assure statewide uniformity. It was passed by the last Legislature.

**Oklahoma Hikes October Allowable**

TULSA, OKLA.—(AP)—The Oklahoma oil allowable for October was hiked 50,000 barrels daily this week, but there was no optimism evidenced in early drilling reports.

Completions ambled along at a mediocre pace of 75, including 36 producers, two gas wells and 37 dry holes, The Tulsa World reported.

New crude production averaged 4,692 barrels per day with 1,500,000 cubic feet of gas daily. The week's footage totaled 268,220.

**Lindbergh Is Not Likely To Release Story Of His Life**

By ERSKINE JOHNSON NEA Staff Correspondent

HOLLYWOOD—Two studios are after Charles Lindbergh for his life story. I'm willing to bet right now that he never gives his approval. The Lindberghs just bought a lodge at Aspen, Colo., where they'll be neighbors of the Gary Coopers.

George Jessel had dinner in Houston with Glenn McCarthy, Jesse Jones and Roy Cullen. The threesome is worth about four hundred million dollars. "It was very impressive," George told me. "The four of us were worth four hundred million and sixty dollars."

Utah's Chamber of Commerce is gloating. U.I.'s "Sierra," story of California's mountain country, is being photographed in Utah. California's mountains weren't the type.

Ingrid Bergman's bad luck continues. Every critic in the country is panning her new movie, "Under Capricorn." "Stromboli" had better be good. Eleanor Powell's return to the screen in a big dancing number for "The Duchess of Idaho" cancels her annual tour this winter. She's also set to sign with M-G-M for one film a year.

Two hundred seventy-pound Buddy Baer is "The Working Girl's" Clark Gable—because there is more of him to love. Four hundred drive-in theaters girl employees just voted him the title.

Baer took it modestly. "I guess," he said, "it was because of my big ears."

I see the girls' point. The guy is handsome. In fact, he was too handsome for a gangster role in a U.I. movie. They said he could have the role if he shaved off his mustache, broke his nose and acquired a cauliflower ear. Baer said no thanks. But still he's amazed.

"After all," he says, rubbing his chin, "I fought Joe Louis twice." At 34, Buddy has gray hair—"It makes people think I've got brains even if I haven't." He kiddingly blames the gray hair on his fights with Louis. "And I," a friend once told me, "got gray hair because I bet on you both times."

Buddy is the new night club singing sensation. He's taking warbling seriously with X-ray scrutiny by Herbert Wall, who coached Nelson Eddy.

"The White Tower" company is back from Europe where Glenn Ford and Vall played love scenes at the 14,500 level on famous Mt. Blanc. Vall tells me she asked for her release from her Selznick contract five months ago but was turned down. She's still asking.

Go West, Young Woman Doris Day wants to do a western and Jack Warner has writers working on an idea. . . . A trade paper ran a photograph of Howard Dimsdale, who wrote "Kiss for Corlies." But the caption and the story that followed was all about Richard Wallace, who directed the film. Dimsdale wired Wallace:

"Sue your plastic surgeon. You now look just like me."

George Montgomery's furniture building hobby has become big business. Next thing he builds will be a factory in San Fernando Valley.

Martin Ragaway says there are so many Hollywoodites in Italy that the wartime question, "Have you got a cigaret, Joe?" has been switched to, "Have you got a script, Joe?"

Deflation note: Comic Jackie Gleason just shed 70 pounds. Twist: Kirk Douglas has no swimming-pool of his own, does his swimming in the pool of Larry Randall. Larry is Kirk's stand-in!

There's a deal hot again at U.I. for the filming of "Queen for a Day" with Jack Bailey playing himself.

Shelved plans to film Edna Ferber's "Great Son," in which \$400,000 already has been invested. Too costly, says the studio.

Hollywood admits now that it's worried about television. Video developed into the No. 1 subject at the national convention here of the Theater Owners of America. Television with color films is the biggest worry.

Attorney Marcus Cohn asked the exhibitors: "How can you reduce your admission price to permit an entire family to attend a movie for a quarter and then, after two years, give the family the chairs that they had sat in?"

**Hanks Indicted On Three New Counts**

AUSTIN —(AP)—Three new indictments were returned by a 196th District Court grand jury Thursday charging Raymond M. Hanks of Corpus Christi with making false statements in claims for refund of motor fuel tax and forgery.

Hanks is a former field representative for the state comptroller's department.

He had previously been indicted on four similar counts.

**San Angelo Votes To Extend City Limit**

SAN ANGELO —(AP)—San Angelo will annex a 20-square-mile section, tripling the city's area and adding 12,000 to 15,000 new residents.

The vote in favor of the annexation was 1,068 for to 714 against, complete unofficial returns showed Thursday night. The city's population will be increased from an estimated 40,000-42,000 to an estimated 55,000.

**Kermit Man Dies In Car-Truck Accident**

KERMIT — D. B. Fissell, 48, a Kermit resident the last five years, died here Thursday of injuries received a few minutes earlier in a transport truck-automobile collision at a street intersection.

Fissell, an employee of the Blount Drilling Company of Wichita, Kan., was driving the car involved in the mishap. He formerly lived at Eastland.

Funeral services are to be held Sunday afternoon in the Kermit Methodist Church, with the Rev. Charles Walker, pastor, officiating. Interment will be in a Kermit cemetery.

Survivors include the widow; three sons, John of Tulsa, Dewey and Gene of Kermit; a daughter, Mrs. Fatsy Adams of Illinois; three sisters, Mrs. Nora Portney of Myrtle, Mrs. Alice Ools of Abertathy, and Mrs. Lois Murphy of Eastland; a brother, Dolph of Myrtle, and five grandchildren.

**Condemned Slayer Gets Third Reprieve**

AUSTIN —(AP)—James Willis Blackmon was saved from the electric chair temporarily for the third time Thursday when Gov. Allan Shivers approved a reprieve and stay of execution.

The new reprieve postpones the execution date from Oct. 7, 1949, to Feb. 10, 1950.

Blackmon was given the death sentence on conviction of murder in the death of Leslie D. Gibbons, a Houston bus operator.

The reprieves have been granted because a co-defendant in the case, William Smith, Jr., has appealed his death sentence to the Court of Criminal Appeals and no decision has been rendered.

**Slick Appointed To 'Neighbor' Panel**

AUSTIN —(AP)—Tom Slick, an Antonio oil operator, rancher and inventor, Friday was the fifth member appointed to the Good Neighbor Commission in recent weeks.

Gov. Allan Shivers named Slick Thursday to fill the unexpired term of Gen. Jonathan Wainwright, who has resigned. The term runs to June 19, 1953.

Slick is president of the Slick Oil Company and founder of the Southwest Research Institute located on his S-4 Ranch near San Antonio. He speaks Spanish fluently and is actively interested in Latin American affairs, the governor said.

General Wainwright told the governor he was resigning because he was unable to participate actively in commission meetings. He referred to wartime injuries in the defense of Corregidor having left him "quite deaf."

**Summer Marriage Announced As Couple Comes To Midland To Reside After Trip**

Mr. and Mrs. William Taylor Fain of Houston have announced the marriage of their daughter, Libbie Dale, to William C. Filler, son of Mr. and Mrs. Clebert P. Filler, 801 South Baird Street, Midland. The couple married on July 23 in Houston and is at home at 801 South Baird Street here after a wedding trip to Corsicana and other parts of East Texas. News of the marriage was not revealed until after the bride completed a summer term in the University of Houston, and the trip started then.

Mrs. Filler is a graduate of Lamar High School in Houston, attended Texas State College for Women in Denton and received her law degree from the University of Houston in August. She was a member of the Speech Club and Children's Theater at TSCW and Delta Sigma, honorary law society, at the University of Houston.

Filler is a geology graduate of Hardin-Simmons University in Abilene and is a scout for The Texas Company. He served with the paratroopers during World War II.

**YWA Officers Are Installed At Program In Travel Theme**

"Going Places With YWA" was the theme of the installation service for new officers of the Margie Shumate Young Women's Auxiliary of the First Baptist Church Thursday night. The program was presented at the birthday party celebrating the organization's fifth anniversary.

Dorothy Raines took office as president, succeeding Mrs. F. P. Chumney, and Mrs. James O. Simmonson, Jr., became counselor to succeed Mrs. J. S. Griffith, who has filled that position for four years. The meeting was in the church Recreation Hall.

Mrs. Stanley Erskine conducted the installation, using the travel idea. Each new officer was given some travel accessory symbolic of her duties, which she laid on the mock railroad station platform where Mrs. Simmonson was seated.

**Symbols Presented**  
The new president was given a railroad ticket; Wilda Drake, vice president, an umbrella; Ruby Nell Braly, secretary, a portable typewriter; Edith Collins, treasurer and stewardship chairman, a billfold; Jean Godfrey, program chairman, a brief case.

Dixie Wilson, mission study chairman, received books; Mrs. Chumney, community missions chairman, a camera; Jane Mints, publicity chairman, chalk to write on the station bulletin; Maxine Tidwell, library chairman, magazines; Anna Joyce Streeter, music chairman, a violin case; and Nellree Clark, social chairman, a tennis racket. Faye Gregston, literature chairman, was not present.

As the officers stood together after the installation, Dorothy Routh sang "The Road of Looking Forward," with Mrs. Yates Brown as piano accompanist. Mrs. J. E. McCollins.

Other members present were Wanda Holdridge, Betty Clark, Jo Wallace, Lola Parnworthy, Mrs. Rollins Senter and Mrs. Gilbert.

**Mrs. Norwood Gives Convention Report**

Mrs. A. F. Norwood, member of the Busy Wives Home Demonstration Club and one of Midland County's delegates to the recent Texas Home Demonstration Association convention in Mineral Wells, made her report of the convention to her club Wednesday.

### Arms Aid Program

The two houses of Congress have agreed on \$1,314,000,000 for arms aid to friendly countries. While this sum is slightly less than the Administration originally asked, it represents a complete yielding by the House, which had voted only \$869,505,000 this Summer.

Unquestionably the news that Russia has the atomic bomb was the spur to quick action on a matter that could have dragged on for days.

The result is commendable, even though it was achieved under a sort of duress. It seems unfortunate that so often Congress is moved to wise steps not by gauging their wisdom but by responding to the threatening gestures from abroad.

It is conceded, for example, that it would have been much more difficult—if not impossible—to have won approval of the Marshall Plan were it not for the 1948 Communist coup in Czechoslovakia and the later Berlin blockade.

Until President Truman's disclosure of Russia's atomic explosion, the House had been prepared to battle for the \$580,000,000 cut it made in proposed military assistance to nations which have signed the North Atlantic Treaty.

Now the larger Senate figure will prevail, and America's allies can take heart at a moment when they undoubtedly are more fearful than at any time since World War II ended.

That \$1,314,000,000 is hard proof to our friends that we mean to back up our pledges in the Atlantic Pact with money and arms.

If the purposes of this program are as they have been stated, the aid will enable allied countries to toughen their military core of resistance to internal Communist uprisings.

The assistance also will give them the strong initial boost they need toward rebuilding their own armies gradually through the years—to the point where they may offer stout barriers to invasion from the outside.

This present sum is not the whole story. America expects to provide more in future years, as a continuing stimulus to this rebuilding process and a repeated assurance that we will not desert our allies if trouble comes.

The arms aid program is no guarantee these nations will be able to stand off an aggressor until our full might could be hurled against him.

But the United States nevertheless has extended far more than token aid to the non-Communist world and in so doing has given the defenders of freedom a tremendous lift.

### Goal To Go

Observers keenly alert for signs of improvement in the Berlin situation are now able to report two notable advances.

The Russians and the Western Powers have agreed to use German technicians from both east and west zones of Berlin to put the city's utilities in order. Better still, they have agreed to accept for mailing all letters bearing each other's postage stamps.

Slowly but surely we inch forward toward peace.

### Oasis—Or Just Another Mirage?

### DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

(Copyright, 1949, By The Bell Syndicate, Inc.)

Drew Pearson says: Both sides in steel, dispute have been tied by other forces; Lawyer who defended Bilbo still awaits payment; Truman promises rural telephones to Farmers Union Boss Patton.

WASHINGTON — One factor which has made the steel dispute so difficult is that both sides' hands have been semi-tied by other forces.

The tier of Phil Murray's hands is John L. Lewis. Since Lewis, an old rival and bitter enemy of Murray, got a welfare fund from the coal operators under which the miners pay nothing, Murray cannot require his union to contribute to pensions without losing part of his membership.

The tiers of U. S. Steel's hands are its banks and directors. The men who control the big steel companies, particularly U. S. Steel, are J. P. Morgan together with a group of industrialists and insurance men who do not want a pension pattern set for their industries.

Walter Gifford—chairman of the giant American Telephone and Telephone Company, which also faces wage and pension problems.

George A. Sloan—director of Goodyear Tire, Bankers Trust, American Alliance Insurance Co., and a group of insurance companies.

When the President's Fact-Finding Board first published its recommendations, September 10, for a 10-cent pension and insurance plan, some U. S. Steel executives indicated to newsmen that this would be acceptable.

Note 2—It was U. S. Steel—which owns extensive captive coal mines—which helped set the welfare fund pattern by which John L. Lewis and his miners do not have to contribute to the fund. If this precedent had not been set, it would have been easier for both Murray and the steel industry to do business.

Bilbo's Lawyer  
It looks like the lawyer who defended the late Senator Bilbo of Mississippi against charges brought in the U. S. Senate will now be paid \$6,000 by the same Senate which did not seat Bilbo.

The lawyer, Forrest Jackson, served at Bilbo's attorney in warding off impeachment. Bilbo, because of his health, was never impeached and died before any proceedings were brought.

However, Rules Chairman Curley Brooks of Illinois who was supposed to pass on the matter, pleaded that he was up for reelection, begged Stennis to hold up the bill until the 1st Congress.

### Democrats Gather For Lufkin Meet

LUFKIN —(AP)—Democratic big wheels rolled into Lufkin Friday to help celebrate its Forest Festival, and perhaps even to make peace among themselves.

Little open politicking is expected until the committee holds its formal business session Saturday morning.

Friday, it was sightseeing and handshaking. Committee members will be honor guests Friday night at a barbecue at which National Committeeman Wright Morrow of Houston will be the chief speaker.

It will be the first session attended by Gov. Allan Shivers since he became titular head of the party. At Austin Thursday, Shivers said he hoped it would be a peaceful meeting.

The session has been advertised widely as a peace gathering.

Measles have been bad during the last year. Even in the average year there are about 500,000 cases and 1,000 deaths as a direct result of this disease in the United States alone.

The fever at first is slight but goes up gradually. A slight cough is likely to be present and this tends to become gradually worse.

The rash which begins to develop in a few days usually comes first on the forehead and behind the ears. From here it spreads rapidly over the neck, trunk and down the limbs and is usually fully developed in two or three days.

#### Schoolkids Down With Measles Must Be Kept From Playmates

Measles has developed the patient should be kept in bed in a well-ventilated room. Plenty of fluids should be given and easily digested foods. The eyes are sensitive to light so that reading and eye strain should be avoided.

#### Someone to Love

By IRENE LONNEN ERNHART

THE STORY: Jenny halfway believes that Ted Duncan has written her to spite Lis Conover, who broke her engagement to Ted to marry another man.

Jenny and Ted were mostly young couples like Ted and her, probably all students. The getting acquainted would have to be mostly up to Ted, who would be around all the time as soon as school started.

Jenny was thinking it would be different. At the State University, he had had things easy, living in a fraternity house, enjoying the admiration due one of the big lettermen.

Jenny and Ted were mostly young couples like Ted and her, probably all students. The getting acquainted would have to be mostly up to Ted, who would be around all the time as soon as school started.

#### Top Navy Brass Seems To Be Content With New Secretary

WASHINGTON — Just as it's getting light every morning a solemn-faced, inconspicuous man leaves the side entrance of the Mayflower Hotel and walks briskly two blocks to St. Matthew's Cathedral.

Washington's highly touted social life. His wife and unmarried daughter have spent the Summer visiting their four other married daughters.

Most officers who have worked most closely with him appear well-satisfied with the Secretary of Navy they've drawn.

#### McKenney on Bridge

By WILLIAM E. MCKENNEY

Charles Sanders of New York City won sufficient points at the recent national tournament in Chicago to become a life master.

As Matthews puts it, "If you're going to boss an outfit you've got to know something about it."

Once every three weeks Matthews has gone to the White House to see the President, with Johnson and other officials.

His habit of working late, which he got into as an attorney and businessman in Omaha, worries him now.

Now, said Sanders, "all West had to do was to lay down the king of clubs to defeat the contract—but he didn't. He reasoned wisely that his partner had a heartier trump, and he led a heart for him to ruff."

Back and forth restlessly. "Do you think we can stand living in this coop for a whole winter?" he said bitterly.

"When we once get used to the smallness it won't be so bad," she answered calmly.

"You're an incurable optimist, Jenny," he said, without smiling. He paused by the sink and stared out of the diminutive windows at the trailer next door.

Jenny fastened her eyes upon the magazine she held in her lap and began to turn the pages. "Yes," she murmured.

"The mood he was in now precluded any confidence of that sort. She'd have to give up her job, before the end of the school year, and that would mean money difficulties. Besides that, and worse, Ted didn't want a baby."

TOD had noticed Jenny's irritability. How could he help it? You couldn't say two words to her without the few of the handle. And he'd be blamed instead, rather, for he knew she had been hurt.

"I wonder," he said abruptly one evening, "how Ma and Harriet and Joe are getting along? Wonder if they've found another place to live?"

The Golden Text is: "The thoughts of the righteous are right; but the counsels of the wicked are deceit" (Proverbs 12:9).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Let the wicked forsake his way, and the unrighteous man his thoughts; and let him return unto the Lord, and he will have mercy upon him; and to our God, for he will abundantly pardon" (Isaiah 55:7).  
The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "If God, or good, is real, then evil, the unlikeness of God, is unreal. And evil can only seem to be real by giving reality to the unreal" (page 470).

*Bells around the World*

The Indians could send a rallying call many, many miles by drums. Each drummer, stationed on a lonely ridge, would listen for the sound of distant drums, and relay the message to others waiting across the valley. Overnight a dozen tribes could be rallied to a common cause.

We don't need such crude methods of communication today. Men with a common purpose can join forces around the world at a pre-arranged time.

World Wide Communion Sunday is such an expression of unity. In every Christian land the church bells will summon men and women to the Lord's Supper on this Sunday.

And the universality of this great religious event will not depend on bells relaying the message from town to town. It will depend on folks like yourself coming to their Church to receive this Holy Sacrament.

**THE CHURCH FOR ALL . . . ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

# AP Stargazer Picks SMU, Baylor, Texas, Rice, TCU, Oklahoma

By HAROLD V. RATLIFF  
Associated Press Sports Editor  
Southwest Conference football  
teams range over four states Sat-  
urday in the biggest intersectional  
week-end of the campaign.  
The major battle of the week will  
be at Dallas Saturday night when  
Southern Methodist's Mustangs  
meet touchdown-happy Missouri.  
This is one of the doubtful games.  
The Mustangs will take the field  
light favorites.  
But Headman Mally Bell says  
his scout reports indicate Missouri  
is much stronger than last year,  
when the Tigers licked the Mus-  
tangs in their only loss over a two-  
season stretch.  
We hit six out of seven with one  
the last week but who didn't? We're  
going down the line again this week  
and if they don't come out this  
week a lot of other guys will have  
bad records, too.  
Nice Trip For Idaho  
Baylor vs Mississippi State at  
Starkville, Miss. — Baylor by two  
touchdowns.  
Texas Christian vs Arkansas at  
Fayetteville—Too much Lindy Berry  
and too much TCU; the Frogs  
will lick Arkansas by 13 points.  
Texas vs Idaho at Austin—Well,  
it was a nice trip for Idaho any-  
way; Texas by 40 points.  
Texas A&M vs Oklahoma at Nor-  
man, Okla.—Even we can't see a  
chance for one of our favorite foot-  
ball teams; Oklahoma by four  
touchdowns.  
Southern Methodist vs Missouri  
at Dallas—Look for plenty of scor-  
ing; We think Doak Walker and  
the other Methodists will do most  
of it—Southern Methodist by a  
touchdown.

## Former Army Grigger Marries Texas Beauty

NEW YORK—(AP)—A former West  
Point grid star was scheduled to  
take a Texas beauty as his bride  
here Friday.  
She is hazel-eyed Louise Hyde of  
Port Worth, a television and model-  
ing star (Miss Pepsi-Gold), and her  
make-to-be is Lt. Sheldon Biles,  
star tackle on three of Army's post-  
war football teams.  
Best man was to be Lt. Glenn  
Davis, former All-American half-  
back for Army.

Midland football fans will have  
to go no farther than Odessa to see  
a college grid game this season.  
The Hardin-Simmons Cowboys  
will clash with the New Mexico  
University Lobos in Broncho Stadi-  
um at 8 p.m. October 15.  
Tickets for the tilt now are on  
sale at the Hotel Scharbauer Cigar  
Stand.  
Bands, cheer leaders and all the  
necessary college cheering groups  
will be on hand.

The Hardin-Simmons team has  
chosen Hotel Scharbauer in Mid-  
land as quarters while out here for  
the tilt.  
They will arrive here via train  
at 3:30 p.m. October 14.  
With all the HSU exes we have  
around, the Cowboys should get a  
royal welcome to Midland.

Bill Richards, one of the finest  
football players ever to emerge from  
Midland High School, is seeing  
plenty of action with the Southern  
Methodist Mustangs this season.

He played most of the game  
against Wake Forest at a blocking  
back position and gave a com-  
mendable account of himself.  
He has been used as a punter in  
previous years at SMU.  
This season, apparently, he just  
blocks for Doak Walker while the  
Doaker does the booting.

Al Monchak, the "shrinking vio-  
let" manager of the Odessa Oilers  
during the season just closed, says  
he doesn't agree with the umpires,  
even in the major leagues.

Monchak wired Dick Snider,  
Odessa scribe, concerning the dis-  
puted call by Umpire Bill Grieve in  
the Boston-Yankee game this week:  
"I was sitting in a box seat right  
behind home plate and I say Pesky  
was out. You can see, I still can-  
not seem to agree with umpires."

Leland Crissman, notable while  
hurling for the Midland Indians  
in 1948, had a string of tough luck  
in the Tri-State League playoffs.

fore each game. They say 89 per

result from blows on the head...  
E. O. (Doc) Hayes is a coach at  
SMU but he never teaches a back  
how to run or a lineman how to  
block and tackle. He is the nation's  
only "officiating coach." His du-  
ties are to school the players  
against violating the rules, thus  
keeping down penalties... TCU  
will be trying for the fourth time  
to win from a John Barthill-coach-  
ed Arkansas team Saturday. John's  
boys have whipped the Frogs three  
times straight since he took over at  
Fayetteville... Felix Anthony  
Blanchard, III, has made his ap-  
pearance at a Sumner, S. C., hospi-  
tal. He drew this comment from his  
former All-America father: "That  
baby is the most beautiful thing I  
have ever seen..." If there is a  
tie in the National League, it will  
be worked off in a three-game series opening in St. Louis  
Tuesday... If Boston and New York  
end in a deadlock, it'll be one  
sudden-death game in Boston  
Monday to decide the winner...

Hardin-Simmons... Waldo Young,

also is at Tech.

ors this season. But it isn't just  
publicity that will make him one of  
the fair-haired if he gets there. He  
has the record to back him up and  
is adding more to it each week.  
Here's how his passing as a  
sophomore and junior compares  
with that of Davey O'Brien and  
Sammy Baugh, both of whom made  
All-America.  
Berry completed 95 out of 206 for-  
wards for 1,167 yards and a 46.1  
percentage. He failed to complete  
94 and had 17 intercepted.  
The great Sammy Baugh threw  
380 with 165 complete for 2,108  
yards and a 43.4 percentage. Some  
178 fell incomplete and 37 were  
intercepted.  
O'Brien chunked 277 times, con-  
necting with 117 for 1,199 yards and  
a 42.2 percentage. He missed with  
137 and had 23 taken over by the  
enemy.  
Not a bad comparison, huh?

## Andrews-Crane, Kermit-Pecos Tilts Top District 5-A Card

By SHORTY SHELburnE  
By all rights, the top District 5-A game this week  
should be the Andrews-Crane tussle in Crane. But the  
better game to watch likely will be in Kermit.  
The Golden Cranes have stayed up in the district  
standings by picking on two weaker teams the last two  
weeks. This week they meet one of the toughest of the dis-  
trict in the Andrews Mustangs.

## MAJOR LEAGUES— Dodgers Grab National Lead

By RALPH BODEN  
Associated Press Sport Writer  
The Brooklyn Dodgers held the upper hand in the  
National League's pennant scrap Friday while the Ameri-  
can League's scramble remained a dead heat between the  
Boston Red Sox and the New York Yankees.  
Brooklyn, pre-season favorite to cop the National's  
bunting, roared into the lead Thursday by mopping up the

1948 kingpin Boston Braves  
9-2 and 8-0 while the St.  
Louis Cardinals lost again to  
the Pittsburgh Pirates 7-2.  
The Dodgers' killing in Boston  
boosted the Brooks half a game  
ahead of the Cardinals. Brooklyn  
has two games left to play with the  
third-place Phils in Philadelphia  
while the Cards have three to go  
with the last-place Cubs in Chi-  
cago.  
While the Dodgers ascended to  
the top of the National League, rain  
kept the Red Sox and Yankees tied  
for blue ribbon honors in the Ameri-  
can.  
Yanks, Sox Rained Out  
New York's game with the Phila-  
delphia Athletics in the stadium was  
rained out as was the encounter be-  
tween the Red Sox and the last-  
place Senators in Washington.  
The two American League con-  
tenders were scheduled to play off  
their washed out games Friday. If  
rain again intervenes the games will  
be canceled, as the Yanks and Red  
Sox are scheduled to open a two-  
game series in Yankee Stadium on  
Saturday.  
Brooklyn had no trouble in whip-  
ping the Braves Thursday. The  
Braves were in the game for only  
three innings in the opener and they  
might as well have "stayed in bed"  
for the night cap.  
Warren Spahn, the National's only  
20-game winner, gave Preacher Roe,  
crafty Brooklyn lefthander, a run  
for his money for three innings in  
the first game.  
Tied 0-0 going into the fourth, the  
Dodgers ripped Spahn for five runs.  
Duke Snider drove home the first  
three with his twenty-third home  
run. Carl Furillo provided an anti-  
climax two innings later when he  
socked a three-run homer over the  
center field barrier. The 400-foot  
out-of-field smash of the season.  
The nightcap was settled before  
Sibby Sisti stepped up to open Bos-  
ton's half of the first inning. The  
Dodgers whaled into Johnny Sain,  
Boston's 1948 pennant pinup boy, in  
their half of the first, scoring five  
runs.  
Dickson Stops Cards  
The game played in a drizzle, was  
called after the fifth inning. Don  
Newcombe fanned the last three  
Boston batters.  
Little Murry Dickson, a once be-  
loved member of the Cardinal pitch-  
ing staff, spiked his former mates'  
pennant hopes.  
Dickson hurled a brilliant six-  
hitter while the Pirates banged  
Gerry Staley, Howie Pollet and Ted  
Wilks for nine "blows." It was Dick-  
son's fifth triumph of the year over  
the Cards.  
The Pirates broke a 1-1 tie with a  
four run rally in the sixth.  
The Cleveland Indians trounced  
the Chicago White Sox 8-3 in the  
only other game played in either  
league. Home runs by Larry Doby  
and Bob Kennedy were the deciding  
factors.

## Unbeaten, Untied Schoolboy List Is Cut Down To 22

By The Associated Press  
The list of undefeated, untied  
teams in Texas schoolboy football  
had shrunk to 22 Friday.  
Sunset of Dallas, one of the  
state's rated teams, took the plunge  
Thursday night in a jarring upset.  
Gladiateur beat the Bisons on their  
home field 19-6.  
In other games starting off a  
busy weekend, Poly of Fort Worth  
beat Forest (Dallas) 6-0, Lamar of  
Houston edged St. Thomas (Hous-  
ton) 7-6, Texas City noosed out Beau-  
mont 13-12 and Brackenridge beat  
its San Antonio rival Lanier 23-6  
in a District 4 City Conference  
game.  
Friday night Fort Arthur plays  
San Jacinto of Houston at Fort  
Arthur in a game matching un-  
beaten, untied teams as the feature  
of a schedule of 45 games in the  
City Conference and Class AA.  
Paris goes to Corsicana in an-  
other battle between unbeaten, un-

## PENNANT RACES IN A NUTSHELL

NEW YORK—(AP)—Brooklyn took  
over first place in the hot National  
League race Thursday as both the  
New York Yankees in Boston and  
the Boston Red Sox, tied for the lead in  
the equally torrid American League  
race, were idle.  
Brooklyn, whose pennant hopes  
were regarded as forlorn only a few  
days ago, jumped into a half-game  
lead by beating the Boston Braves  
twice, 9-2 and 8-0, as the Pitts-  
burgh Pirates tumbled the St.  
Louis Cardinals from the top rung  
7 to 2. The Cards, however, can tie  
for the lead Friday by beating  
the Chicago Cubs, as Brooklyn has  
an open date.  
This is the picture now with only  
three days of the season left.

# Bulldogs Clash With Brownwood Lions Here Friday

## Sport

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, SEPT. 30, 1949-7

### 'C' Bulldogs Beat Big Spring 20 To 0

The Midland 'C' Bulldogs struck once through the air and two times on the ground at Memorial Stadium Thursday night to whip the Big Spring 'C' Steers 20-0. The Midland team was in command all the way, outplaying the Steers in every department.

An 18-yard punt return by Harold Robbins and a nine-yard pass from Robbins to Robert Keisling set up the first touchdown early in the first quarter. Charles Patterson went over from the two-yard line on a line buck.

Big Spring tightened up and held the Bulldogs scoreless until the half. However, Roy Kinsey, M. A. Rose, Patterson, Robbins, Spencer, and Keisling alternated at slaming the Steer line for long gains. Midland kicked to Big Spring to open the third quarter. The Bulldog line, led by Jack Tabor and Ronald Bone, held the opponent for no gain and forced the Steers to take to the air. Two passes fell incomplete and Midland took over on downs.

Robbins to Keisling  
Roy Kinsey picked up five yards on a line play to set up a pass. Robbins faded back and fired to Keisling who scooted 68 yards untouched for Midland's second TD. He had fine downfield blocking.

Keisling skirted end for the extra point to give the Bulldogs a 13-0 lead.

### Michigan, Irish, Oregon, Navy Get Claassen's Nod

By HAROLD CLAASSEN

NEW YORK—(AP)—Trying to pick Saturday's football winners while still unable to say who will compete in the coming World Series: Notre Dame over Washington; Even if Washington built a coral of mountains they wouldn't be able to keep Emil (Old Polk) Sitko in check.

Michigan over Stanford: Michigan has won 24 in a row. Stanford's sophomores probably will make this a rugged fray but the Wolverines appear a touchdown better.

North Carolina over Georgia: That bruising battle North Carolina had last week with North Carolina State is exactly what Charlie Justice and his mates needed to pull this one out of the fire.

Tulane over Georgia Tech: Eddie Price, Tulane fullback, will simply love the middle of the Georgia Tech line.

Dartmouth over Penn: The Quakers powerful 1948 team could beat Dartmouth by only a touchdown last year. Penn lost much by graduation, the Indians very little.

Northwestern over Pitt: Northwestern over Pittsburgh: The boys who back their opinions with cash say the Big Ten club will win by three touchdowns. That's about right.

Oregon over UCLA: Too much

**Bulldog 'B' Team Goes Against Big Spring Saturday**  
The Midland 'B' Bulldogs, sporting a record of one win and one defeat, will meet the Big Spring 'B' Steers at 8 p.m. Saturday in Big Spring.

Coach Red Rutledge reports an improved passing game is expected to add punch to the Bulldog offense.

The 'B' team scored a one-sided win over the Brownfield 'B' Cubs in its last outing.

The probable starting lineup: ENDS—W. H. Black and Leo Harkins. TACKLES—Guy Vanderpool and Bill Lavery. GUARDS—Al Scoggin and Glen Baker.

CENTER—Bill Gray. BACKS—Larry Lynn, Jimmy Adams, Dan Black and Robert Melton or Harold Hensley.

**Windows Judged As Courses Completed**  
Two adult courses of instruction in merchandise display and card lettering, sponsored by the Midland Chamber of Commerce and the Distributive Education department of the high school, were completed with the judging of downtown window displays Thursday.

The students selected the Bootery for first place display of Stanford Furniture Company for second and the Midland Hardware and Furniture Company for third.

Approximately 40 students completed the two courses instructed by the representative from the Extension Division of the University of Texas.

Certificates will be awarded to students completing the courses.

**Pilot Ejector Seat Really Works—And How, Sergeant Learns**  
MARCH AIR BASE, CALIF.—(AP)—Sgt. Vincent Didio can tell you that those pilot ejector seats really work.

Didio, 30, ground crew chief for the 94th Fighter Squadron, was checking over the cockpit of an F-86 jet plane when it happened. Somehow he hit the trigger that set off the 37 mm. shell powering the ejector.

It ejected him and the seat through the half-open canopy 20 feet into the air. He came down on the concrete flight apron in a shower of plastic—and with a broken shoulder, ribs and knee.

Lt. Beach Naval Hospital authorities said he'll be all right after a few weeks.

**Stock Car Races Set At Arlington**  
ARLINGTON, TEXAS—(AP)—The sport that has knocked 'em cold throughout the Middle West gets its first real baptism in North Texas Sunday when Promoter Babe Stapp reels off his 100-mile Southwestern stock car championship at Arlington Downs.

While the engines will be tuned as finely as hands can make them, every starter will be a sedan with top on as well as fenders and lights.

Practically every make of automobile on Main Street will be represented in the field. They are coming from as far away as Georgia, Arkansas, Kansas and Oklahoma and from all parts of Texas.

**FAYS \$200,000, GETS SUSPENDED SENTENCE**  
NEW YORK—(AP)—Mrs. Eleanor Louise Patenotre, 80, former principal owner of The Philadelphia Inquirer, pleaded guilty Friday to income tax evasion charges and received a suspended sentence upon paying a \$2,000,000 liability.

### Midland Line Holds Edge In Weight; Lions Faster

Coach Tugboat Jones sends his Midland Bulldogs against the Brownwood Lions at 8 p.m. Friday in Memorial Stadium. The Bulldogs will be trying to break into the win column while Brownwood will be seeking its third victory.

The Lions are reported to be "long" on offense and stiff on defense.

The visitors will be sparred by Don Low, 154-pound scabbard, and Billy Bishop. They operate from the T formation.

The Lions have a sprinkling of lettermen to stimulate the ball club and a nice crop of boys up from the B-string are helping fill the bill.

Midland will have a weight advantage in the line. The backfield weigh in just about even on the average.

Passing Expected  
Coach Jones has worked the Bulldogs hard on pass defense all week in an effort to be ready for Brownwood's expected passing attack. The linemen have been schooled in long seasons on charging the passer.

Bob Wood, starting tackle for the Bulldogs, still is out with a hand injury. His spot again will be filled by Jerry Culp and Stan Cook. John Steinberger will play the position some on defense.

Bobby Evans, the most improved boy on the ball club, has been named for a starting spot at end. He is a great defensive ball player and a deadly blocker.

Charles Crowley will go at wingback for Midland on defense. There are no outstanding injuries on the club other than the one holding Bob Wood out.

Brownwood has enjoyed a successful season up to now. They hold victories over Electra and Temple. Their only loss was to Stephenville.

The Bulldogs have been defeated in their first two starts. They will be looking harder than ever for a win this week.

The probable starting lineup: ENDS—MIDLAND  
ENDS—Harris Smith, 152; Bob Evans, 150.  
TACKLES—Al Bass, 210; Jerry Culp, 183.

GUARDS—Dalton Byerley, 174; Jack Kobyly 153.  
CENTER—Jimmy O'Neal, 180.  
BACKS—Reed Gilmore, 149; Jack Burris, 151; L. C. Thomas, 157; Charles Crowley, 163 or Ralph Brooks, 158.

BROWNWOOD  
ENDS—Harold Humber, 144; James Blake, 145.  
TACKLES—Neal Loyd, 150; Weston Tarwick, 163.  
GUARDS—Dan Page, 150; Bob Durham, 140.

CENTER—Bog Kington, 174.  
BACKS—Jimmy Johnson, 148; Don Lowe, 154; Bill Bishop, 160; De Witt Tatum, 145.

### Bullpups Win 13-0

The Eighth Grade Bullpups of John M. Crowden Junior High School bowd home the bacon from Colorado City Thursday afternoon. They soundly thrashed the Colorado City Junior Wolves in a 13 to 0 battle.

The Pups took to the air in the second period and it worked. Jesse Hatfield pitched to Bill Snow for the first touchdown. The conversion was good on a pass from Hatfield to Larry LaVella.

In the third period, Hatfield broke into the clear on an end run and raced 26 yards to score. The try for point failed.

Snow and Hatfield sparked the Bullpup offense. Center Clinton Noble and Guard Wayne R. rneely were outstanding defensive men.

### Jarrin' Jawn, Out With Knee Injury, Asks Compensation

LOS ANGELES—(AP)—John Kimbrough, the former Los Angeles Rams fullback who retired with a knee injury this year, has filed a novel claim. He wants workman's compensation from the California Industrial Insurance Commission.

If his claim goes through, Jarrin' Jawn would be paid \$30 a week and medical expenses, Deputy Commissioner Ollie McCredie says.

Attorneys in the case disclosed Thursday night that it may open a new income source for pro griders permanently benched with injuries. Hearing was set for November 9.

Kimbrough, former Texas A&M All-American, played three years for the Rams before the injury put him on the shelf. He owns a 1,900-acre cattle ranch at Haskell, Texas, and is a distributor for an oil company.

### Pecos High School Girl Named 'Miss' Cantaloupe of '49

PECOS—Wilma Langham, pretty Pecos High School student, was named "Miss Cantaloupe of 1949" in a contest staged at the Fifth Annual Fall Fair and Festival here Thursday night. The event was sponsored by local cantaloupe growers and was presented as a feature of the fair. There were 11 entries. Miss Langham and the runner-up, Greta Cumby, also a high school student, were presented awards by Nell Thompson, cantaloupe grower.

A large crowd attended the selection of "Miss Cantaloupe" and thronged the exhibit buildings and the midway during the first night of the three-day fair. Saturday Features. Highlights of Saturday's program include a parade at 10 a.m. and a square dance festival at the fair grounds. A Kids' Rodeo will be presented Saturday and Sunday afternoons.

In the livestock show, a bull owned by Royce Burns of Lovington, N. M., won the grand champion ribbon. A heifer yearling owned by W. A. Anderson, also of Lovington, won the grand champion female award.

A light-weight, dry-lot calf owned by Alice Marie Pearce of Grandfalls won first place in that division as well as grand championship of the club calf show. A Southdown sheep owned by Joe Caldwell of Toyah took the championship of the sheep show. County Agent Pouey of Fort Stockton did the judging.

The horse show is to be judged Friday.

### \$7,000,000,000 In U. S. Funds Set For Aid To West Europe

WASHINGTON — (AP) — Congress sent to President Truman Friday the second of two bills designed to pump \$7,240,000,000 into foreign recovery and military aid. The President's signature was the only thing needed to start the dollars working in the giant effort to defeat Russia in the cold war. The Senate completed action Thursday night on a \$5,809,990,000 program to bolster the economies of Western Europe and other friendly nations. The big money bill was approved without a word of opposition. A short time earlier the House had passed the bill with critics taking only a brief final slap at the program. Two days ago Congress authorized a \$1,314,010,000 arms bill. The measure provides enough cash to start shipments of \$450,000,000 worth of arms overseas. The rest of the money must be provided later by appropriation.

### Veep Keeps Silent At Truman's Hint Of Marriage Plans

KANSAS CITY —(AP)— Vice President Barkley still was mum Friday about the possibility of becoming a bridegroom—despite a hint from President Truman. In his speech Thursday night, Truman intimated that the 71-year-old vice president soon may be married. In a speech preceding the President's, Barkley addressed the audience as "Fellow Missourians." When Truman spoke, he called Barkley a grand man and added: "I am exceedingly glad that he is about to become a citizen of Missouri." The vice president joined in the laughter, but said nothing.

### Movies Shown For Church Family Event

Movies of the First Methodist Church Vacation School and three comedies were shown at the Family Night program held in the church Thursday night. Ben Black furnished the comedies and ran the movies. Games in which all members of the families could participate were led by Mrs. Frank Paup, and Hughie Pressley and Don Moore led the group in folk songs and rounds. The Fellowship Class of the church furnished refreshments for the group and the meeting closed with a Friendship Circle and a prayer by the Rev. Howard H. Holmwood. Approximately 125 persons attended.

### Germans To Ask End Of Plant Dismantling

BOON, GERMANY —(AP)—The Parliament (Bundestag) of the West German Republic decided Friday to ask the Western Allies to halt German factory dismantling. It asked that the Allies check the dismantling list to determine what plants could be removed from it, and to stop present and contemplated dismantling in the meantime.

### Racing Impresario Reported Weakening After Major Surgery

LOUISVILLE, KY. —(AP)— The condition of Col. Matt J. Winn, 88, impresario of the Kentucky Derby who recently underwent two major operations, took a turn for the worse Friday. Authorities at St. Joseph Hospital said Colonel Winn was "a little weaker." Winn, president of Churchill Downs, developed the Kentucky Derby into the top Thoroughbred racing spectacle of the nation after a syndicate which he headed took over the Downs in 1902. As a boy of 13 he saw the first Derby run in 1875 and has witnessed every one since.

### Found Guilty

(NEA Telephoto) Mrs. Iva Toguri d'Aquino (Tokyo Rose) leaves federal court in San Francisco, disappointment and the rigors of her long trial showing plainly in her face. She was found guilty of treason on one of the eight counts on which she was indicted.

### Tokyo Rose Finally Convicted Of Treason By 'Reluctant' Jury

SAN FRANCISCO —(AP)— Stony faced, Iva Toguri d'Aquino heard herself convicted of treason Thursday night—for telling American troops their ships had been sunk in Leyte Gulf and they were "orphans of the Pacific." A somewhat reluctant federal court jury of six men and six women brought in the verdict after four days' deliberation. A surprised "Oh!" of apparent disappointment swept the courtroom. Iva—Los Angeles-born and educated—remained as stoic as she had during the 12-week trial. Head bowed, she said nothing. No tears. Later she told her attorney "I can't understand it." An appeal is planned. Death Penalty Not Asked. October 6 was set for sentencing. The minimum sentence would be five years imprisonment and a \$10,000 fine with probation. But the government did not ask the death penalty. Foreman John Mann said the jurors would have liked to acquit the 33-year-old woman known to GI's as Tokyo Rose, but "we did the only thing we thought possible under the judge's instructions." Actually, she was convicted on only one of the eight counts in the indictment. That one related to her broadcast from Radio Tokyo in October, 1944, about the Yezte Gulf battle.

### All Midland Police Officers Complete School Here Friday

A Police School which has been underway here the last two weeks was scheduled to end Friday. Special Agent D. W. Walters of the Denver office of the Federal Bureau of Investigation was to lecture at the final session Friday afternoon. The school was sponsored jointly by the FBI and the Midland Police Department. Outstanding officers from throughout a wide area came here to instruct in various phases of the school. All members of the Midland Police Department and Highway Patrol Officers W. B. Dixon and Jimmy Parks attended.

### Mrs. Henderson Is DYT Club Hostess

The DYT Sewing Circle met Thursday afternoon in the home of Mrs. Tommy Henderson and played Canasta. Arrangements of Fall flowers from Mrs. Henderson's garden decorated the house. Others present were Mrs. J. P. Carson, Jr., Mrs. E. M. Watkins, Mrs. Orvil Houck, Mrs. E. P. Birkhead, Mrs. Glenn Shoemaker, Mrs. John Sewell and Mrs. L. V. Bassham.

### + Crane News +

ORANE—Mr. and Mrs. E. H. (Jimmy) Therpe moved to their new home in Kermit Saturday. They have one daughter, Sharon. On hand to watch the Sul Ross team down the NMMI eleven in Alpine last Saturday were Mr. and Mrs. C. A. Allen and Shirley, Mrs. W. C. Fredrick and Leanne Murrell. The Polio Epidemic Emergency Drive in Crane County netted \$280.27. Mr. and Mrs. Kenneth E. Carter of Dallas were overnight guests of Mr. and Mrs. C. A. Carroll Sunday. Mrs. Carter is a niece of Mrs. Carroll. Town Hall Drive. A concentrated campaign for securing additional members for the Town Hall Association in Orane has been in progress throughout the week. A Roll Call was held Thursday night for all Boy Scout units of Orane and Sandhill. Final plans for the Crane Day celebration were discussed Tuesday at a meeting of the Lions Club. Mayor and Mrs. W. W. Allman have returned from a trip to Detroit. They secured a new car there and returned by way of Colorado and New Mexico.

### Congratulations To

Mr. and Mrs. H. A. Wilson on the birth Thursday of a son, Harold Randal, weighing seven pounds, 10 ounces.

### CHURCH SUPPER HELD FOR PRESBYTERIANS

A pot-luck supper, followed by the movie, "What Can I Do," was held Thursday night in the First Presbyterian Church as a Family Night for members. About 150 persons attended the supper. Vienna, Austria, had a football team composed of midgets.

### Oil And Gas Log—

(Continued From Page One) In West-Central Tom Green County, seven miles west of San Angelo. The drillete will be 600 feet from south and east lines of section 14, block 4, H&TC survey. It is 7,677 feet southwest of Sun and others No. 1 Pulliam, a failure abandoned after drilling to a total depth of 6,100 feet, where it made sulphur water.

### Clear Fork Project Is Spotted In Irion

A 1,500-foot cable tool project to explore the Clear Fork in South-Central Irion County has been staked by C. M. Page of San Angelo. It is to be Page No. 2-A Mrs. Elta T. Murphey, and will be 330 feet from north and east lines of the southwest quarter of section 1227, GC&SP survey. It is a 3,200 feet southeast of Page No. 1 Murphey, recently completed Clear Fork discovery. Ernest Higgins of San Angelo has the cable tool contract.

### Ellenburger Wildcat Planned By Hiawatha

Hiawatha Oil & Gas Company is planning to drill a 6,500-foot wildcat in Southeast Tom Green County in the near future. The prospector will be Hiawatha No. 1 W. G. Currie. It is to be about one and one-quarter miles south of the Susan Peak field, and 600 feet from north and west lines of the south half of section 19, block 15, H&TC survey. The proposed destination of 6,500 feet is calculated to take the venture into the Ellenburger.

### Deepening Is Planned At Prospect In Upton

Republic Natural Gas Company No. 1 Powell, Ellenburger wildcat in Central-North Upton County, two miles southeast of the Pegasus-Ellenburger field, is due to be drilled deeper from its present bottom of 13,019 feet. This project entered the Ellenburger at 12,960 feet. The open hole section had been treated with 2,000 gallons and with 10,000 gallons of acid. In the latest testing reported the well swabbed and flowed 14 hours and made 63.4 barrels of oil. In the 15th hour it flowed 5.4 barrels of oil, and the flow then died. After five hours the flow revived and in one hour flowed 1.35 barrels of oil. It was still flowing at last report. It is understood that operators plan to pull the swab and start drilling deeper at once. The project likely will be deepened a short distance and then use another injection of acid.

### Sunray Sets Another N-C Scurry Venture

Sunray Oil Corporation and others, have filed an application with the Railroad Commission of Texas requesting a permit to drill a 6,900-foot venture in the southeast side of the North Snyder field of North-Central Scurry County. It is to be Sunray and others No. 7-B B. Brown and will be about 600 feet from south and west lines of the northwest quarter of section 21, block 1, J. P. Smith survey, and six miles north of Snyder.

### Flanagan Extender Is Finaled By Livermore

George P. Livermore, Inc., has completed its No. 2 Joe Head as an extension to the Clearfork producing area in the Flanagan field in South-Central Gaines County. The well pumped 2 1/2 hours and made an initial production of 95.22 barrels of 38-gravity oil. Gas-oil ratio was 480-1. No water was present. The top of the pay was 7,175 feet. The producer was completed from above the plugged back bottom of 7,230 feet. It drilled to a total depth of 7,242 feet before plugging back. The 5 1/2-inch oil string was cemented at 7,149 feet. Location is 600 feet from north and east lines of northwest quarter of section 12, block A-23, psi survey, about 12 miles south of Seminole.

### Abandonment Listed On Three Operations

Failures of wildcats have been reported in three West Texas counties. Those dusters were in Schleicher, Sutton and Ector Counties. George Parker and Charles L. McCurtain abandoned their No. 1 Boyd at a total depth of 4,980 feet in Ellenburger time. The venture made water in that formation. Location was 600 feet from north and 1,980 feet from east lines of section 94, AB&M survey and about 25 miles southeast of San Angelo in Schleicher County. Theck & Cross Drilling Company No. 1 McKinney, 600 feet from north and east lines of section 78, block 4, TW&NG survey and 12 miles southeast of Sonora in Sutton County. Operator drilled to a total depth of 8,650 feet in lime, where water was encountered, and plugged and abandoned the project. Bayard Ewing of Providence, R. I. No. 1 Barrow was plugged and abandoned on a depth of 4,970 feet. No shows of oil or gas were reported in this failure, in Northeast Ector County. It was 440 feet from south and west lines of section 22, block 42, T&P survey, T-1-8, eight miles north of Odessa and three miles west of the nearest production in the North Cowden field.

### Illinois Governor, Wife To Be Divorced

SPRINGFIELD, ILL. —(AP)— Gov. Adlai E. Stevenson said Friday he and his wife have separated and that he will not contest a divorce. In a statement issued by his office here, the governor said: "I am deeply distressed that due to the incompatibility of our lives, Mrs. Stevenson feels a separation is necessary." The Stevensons were married in Chicago on Dec. 1, 1928. They have three sons.

### Hungary Renounces Pact With Yugoslavia

BUDAPEST —(AP)— The Hungarian government Friday renounced its pact of friendship and mutual aid with Yugoslavia. The Communist press in Romania indicated that other Soviet satellites soon would follow suit. It seemed likely that all the satellite nations would take the cue from Moscow, which scrapped its treaty of friendship with Yugoslavia Thursday. Like Moscow, Hungary said Tito's government had violated and "defamed" the pact and made it worthless.

### Oklahoma Oil Man Found Dead In Hotel

OKLAHOMA CITY —(AP)— An Oklahoma and New Mexico oil man was found dead in his room at an Oklahoma City hotel Thursday. Ray T. Moore, 55, was found by his widow, Mrs. Katherine Moore, who had driven here from their ranch near Miami, Okla. He died of a heart ailment. Moore was an independent oil producer and was a member of a New Mexico oil development firm, Ramco Corporation, at the time of his death.

The average plant shoot will grow one inch every 1 1/2 days under normal conditions.
