

Pennian Basin OIL & GAS LOG

James C. Watson
Oil Editor

Humble Gets Further Shows At Crane Test

Humble Oil & Refining Company No. 1-B Jax Cowden, Southeast Crane County wildcat, continues to develop indications of being a discovery from the Devonian.

This venture, located 12 miles southwest of the town of Crane, and 660 feet from southeast and 4,719.4 feet from northeast lines of section 16, block 2, H&TC survey, unloaded more oil from the drill pipe after a drillstem test in the Devonian at 5,468-83 feet.

The tester was open for two hours. Gas showed at the surface in six minutes. Maximum gas volume was at the rate of 150,000 cubic feet per day. Minimum gas volume was at the rate of 42,000 cubic feet per day, and gas volume at the end of the test was 94,000 cubic feet per day.

Unloads From Drill Pipe

No fluid came to the surface while the tool was open. However, when 3,800 feet of drill pipe was left in the hole it unloaded oil for five minutes. When 1,800 feet of pipe remained in the hole, oil was unloaded for three minutes.

Final recovery was 190 feet of 40-gravity oil and 110 feet of salt water.

Chloride content of the water was 46,000 parts per million. Chloride content of the drilling fluid was 58,000 parts per million.

The prospector was drilled to 5,508 feet, and operator was taking another drillstem test at the time this report was prepared.

The section at 5,532-68 feet showed gas of 21,000 cubic feet per day, and unloaded oil from the drill pipe for 15 minutes, when 1,800 feet of the drill pipe was still in the hole, after a 15-hour test. Final recovery from that investigation was 570 feet of 40 gravity oil and 60 feet of slightly salty water. Official top of the Devonian has not been reported.

E-C Scurry Wildcat Has Fluorescence, Gas

C. L. Norsworthy, Jr., No. 1 Fieldman, East-Central Scurry County wildcat, ten miles east of Snyder, and 660 feet from northeast lines of section 63, block 3, H&TC survey continues to develop fluorescence and gas in the Strawn section of the Pennsylvania—but up to now it has not shown any free gas.

This project took a drillstem test at 6,870-90 feet. The tool was open one hour. Recovery was two stands of free gas in the drill pipe and 10 feet of gas cut drilling mud.

Another drillstem test was run at 6,875-897 feet. The tester was open 30 minutes. There was a light blow of air for 12 minutes, which died at that time.

Recovery was 25 feet of slightly gas cut drilling mud. The zone tested was a tightly cemented Strawn sand which had good fluorescence, oil stain and odor, but which was apparently too dense to give up any fluid.

The venture is drilling ahead looking for the Strawn lime which some observers expect by the time the bit reaches 7,000 feet.

Sunray To Run Casing, Test Scurry Strawn

Sunray Oil Corporation No. 1 Sentinel, indicated discovery from the Strawn lime in North-Central Scurry County, two miles east of the nearest producers from the Canyon line on the southeast side of the north Snyder field, is preparing to run casing to make a production test of the zone between 7,382 feet and the present total depth at 7,593 feet.

Drillstem tests through that interval developed considerable free oil. No water has been found in the formation.

The latest test was at 7,448-7,506 feet. The tool was open for one hour. Gas showed at the surface in two minutes. No fluid came to the surface during the time the tool was open.

Unloads Intermittently

However, after five dry stands of pipe had been pulled it started unloading oil, and the drill pipe continued to unload oil intermittently all the rest of the way out of the hole.

Final recovery was 800 feet of clean oil. There was no water. This venture was low on the Canyon and did not find any oil, gas or water in that formation.

Location is 467 feet from north and west line of section 2, Dallas Trust & Savings Bank sub-division of the Grimes Ranch in block 1, J. P. Smith survey.

Pegasus Offset Gets Further Pay Section

The Pegasus Petroleum Company No. 1-36 Glass, third well in the Pegasus field of Upton and Midland Counties, to reach the Ellenburger continues to show more pay section in the deep zone.

The latest test on this new production was at 12,773-833 feet. The tool was open for two hours and 29 minutes. A five-eighths inch bottom hole choke was used.

Gas showed at the surface in four minutes. Drilling mud flowed out in 45 minutes, and clean oil started flowing in 50 minutes.

The oil was flowed to tanks for one and one-half hours and a total of 35.75 barrels of petroleum was developed.

Is Deepening

Gravily was 52.6 degrees. Gas-oil ratio was 229-1. There was no water. The well is being drilled deeper.

Location is 1,980 feet from north (Continued On Page 11)

Navy Brass Blasts B-36 Program

Denfeld-Matthews Huddle

Top Navy leaders, Adm. Louis E. Denfeld, left, chief of Naval operations and Navy Secretary Francis P. Matthews go into a huddle as they appear before the House Armed Services Committee in Washington. The committee is holding hearings on the unification squabble, set off when Navy Captain Crommelin made public a letter criticizing the present program.

East Germans Proclaim New Red Republic

BERLIN—(P)—The East German Republic—Russia's newest satellite—was proclaimed Friday under the leadership of German Communists.

The German Peoples' Council, heretofore a pro-Soviet public forum without any legal powers, voted unanimously to become immediately the lower house of the "German Democratic Republic."

The Germans now have two separate regimes—the one for the eastern part of the country established Friday and the recently formed West German government which has authority in the American, British and French occupation zones.

A president, premier and full cabinet for the East German Republic will be named next week. The new Red regime was built up without the formality of elections in a week of intensive Soviet-fostered propaganda.

Midland County folks were coming to the fair Friday. The annual Midland County Fair opened to the public at 1 p. m. in the City-County Auditorium, with interesting displays of canned foods, garden and field crops, hobbies, garden club wares, art and many other exhibits.

Judging of exhibits and products got underway as soon as the fair opened.

The fair will be open Friday night and many citizens are expected to visit it after work hours.

Entertainment Friday night includes music by the Midland FFA Band. Organ music also will be presented Friday night.

A concert by the Midland High School Band is scheduled Saturday afternoon.

Residents from the county and area already had begun to arrive shortly after noon Friday. They were impressed, and many praised the fine arrangement and the quality of the displays.

Some judging already has been completed. Here are the art exhibit winners:

Portraits—James Johnson, self portrait, first and Mrs. B. Bogardus, portrait second.

Still life—Mrs. Mae Attaway, antique pitcher with carnations, first; Mrs. H. L. Davenport, sennas, second; and Mrs. W. A. Lumpkin, magnolias, third.

Landscapes—Mrs. Helen Armstrong, "Stormy Skies," first; Mrs. Robert Turpin, "Dr. Bloss' Barn," second; and Mrs. Robert Clark, "Landscape," third.

Contributions received since the last report are: \$42 from Standard of Texas employes (Midland); \$10 from Shell Oil Company employes; \$10 from the May Tidwell Circle of the First Methodist Church; \$5 from an anonymous giver; \$3 from Mrs. D. D. Dale.

Here's an interesting sidelight of the shell employes' contribution. They had collected the money to send flowers to Mrs. Olga Frank, who is ill. They decided instead to give the money to the little girl with cancer and send a card to Mrs. Frank. And of course, they explained to her where the flower money went.

She was pleased.

Camden Mass Slayer Is Declared Insane

CAMDEN, N. J.—(P)—Psychiatrists Friday found Camden's mass killer, Howard E. Urub, insane. Prosecutor Mitchell H. Cohen said he will be sent to an insane asylum without standing trial for the slaughter of 13 people on a Camden street on September 6.

The decision came after a month-long study of Urub at the New Jersey State Hospital at Trenton.

Warren Blasts Pressure Tactics For Leland Olds

In his first official statement since his election as president of the Independent Petroleum Association of America, earlier this week at the annual meeting of the organization in Fort Worth, J. E. (Ed) Warren of Midland blasted the efforts of William M. Boyles, Jr., chairman of the Democratic National Committee to exert pressure for congressional support for the confirmation of Leland Olds for reappointment as a member of the Federal Power Commission.

In his statement Warren said: "Press reports Thursday said William M. Boyles, Jr., chairman of the National Democratic Committee has called on national Democratic committees and others to solicit congressional support of Olds because 'the people want Olds confirmed.' I believe this is far from the truth. I believe the people should be allowed to speak for themselves."

"The Independent Petroleum Association of America has gone on record as vigorously opposing the nomination of Leland Olds as a member of the Federal Power Commission. The resolution opposing Olds' confirmation was given unanimous approval by our membership at our annual meeting in Fort Worth.

"We do not believe Olds' ideologies are consistent with the best interest of our government, nor do we believe Olds is qualified to be a member of the Federal Power Commission." (Continued On Page 14)

Suspended

(NEA Telephoto)

Capt. John Crommelin, 46, Navy officer, has identified himself as a "confidential" letter which set off the latest Navy-Air Force controversy. He has been suspended from duty and faces possible trial at Navy court martial.

Labor Picture Has Bright, Dark Spots; Coal Parleys Resume

The government stepped in Friday in an attempt to settle the coal strike but no move was made to bring peace in the steel dispute.

John L. Lewis, whose 350,000 United Mine Workers have been away from their jobs for three weeks in a dispute over pensions and insurance, attended a session called in Washington by Cyrus Ching, chief government mediator. The operators also were at the meeting.

In the week-old strike of 500,000 United Steelworkers, no union-management sessions were scheduled. But Ching was expected to call for talks next week with union and steel industry representatives.

There was one bright note on the labor front. The CIO International Longshoremen's and Warehousemen's Union and seven stevedoring firms agreed to settle Hawaii's five-month-old strike. The union's 2,000 dock workers ratified the agreement which provides for a wage hike of 14 cents an hour. The union struck for a pay boost of 32 cents.

Steel Strike Spreads

An immediate back-to-work order was delayed pending settlement of non-stevedoring issues in ports other than Honolulu.

In the steel dispute, strikes at the Harrisburg Steel Company, and the Central Iron & Steel Company, both at Harrisburg, Pa., were called for midnight Tuesday. The companies have refused free pensions and insurance to their 1,180 workers.

In Detroit, Packard laid off 7,856 of its 12,413 employes until Monday as the auto industry began feeling the effects of the steel strike. The Briggs Manufacturing Company which supplies bodies for Packard, laid off 5,000 workers. Members of the CIO United Auto Workers Union at Briggs have voted 10 to 1 in favor of strike action in support of their demand for \$100-a-month company-financed pensions.

Origin of the fire had not been determined Friday.

Giant Bomber Called Billion Dollar Blunder

WASHINGTON—(P)—Adm. Arthur W. Radford, a top Navy flier, Friday labeled the Air Force fleet of B-36 bombers a "billion dollar blunder" that will be "useless defensively and inadequate offensively" in an atomic war.

In a slashing attack, Radford said that putting so much of limited military funds into the B-36 is a "bad gamble with national security" based on an unsound theory that there can be "a cheap and easy victory" through strategic bombing.

Radford was before the House Armed Services Committee—the first of a group of Naval officers who at last are getting a chance to put before Congress their dissatisfaction with present defense policies.

He told the lawmakers that claims made for the B-36 international bomber are not "valid"—that it is not true that it can perform unescorted missions by day or night, escaping interception, and that it can bomb with precision from 40,000 feet.

Without escort, he declared, it can be intercepted and destroyed in unacceptable numbers.

Over Matthews Protest

Just before that, he had told the committee that unless the B-36 could attack successfully without unacceptable losses, then "the B-36 is a billion dollar blunder."

Radford's statement first was given the House group at a closed session Thursday. Over the protest of Secretary of the Navy Matthews, the committee decided he should make it again publicly.

Matthews took the position that national security might be damaged if Radford's views were made public. (Continued On Page 11)

New Route To Lamesa Is Assured

The first segment of the long-sought Midland-Lamesa highway was assured Friday with the awarding of a contract for fencing the proposed right-of-way. R. D. (Bob) Scraggs, Midland Chamber of Commerce president, announced.

The new route will extend out North Big Spring Street and will be an extension of State Highway 349, which originates at Sheffield and continues through Iran and Rankin to Midland. The new segment will extend to Farm Road 87 (Andrews road) 25 miles north of Midland.

The road already is paved north to the Midland County line, and the 17.2 miles of new paving will be in Martin County.

Right-of-Way Contested

The right-of-way for the new road was contributed by property owners in that area and funds for the fencing project were obtained by public subscription. Chamber Manager Delbert Downing said the fence fund still is a few hundred dollars shy of its goal, but officials are confident sufficient funds will be received within the next week.

Plans and specifications for paving of the route have been prepared by S. C. Dougherty, Midland, resident engineer for the State Highway Department.

Fred Wemple of Midland, chairman of the Texas Highway Commission, said the project will be included in the November letting of the Highway Department. The paving will be financed by the state.

Joe Copeland of Midland was awarded the fencing contract on a low bid of \$485 per mile for new fence and \$25 per mile for taking down and moving old fence. It is estimated the job will cost around \$13,000. The work is to be started (Continued On Page 11)

Yanks Grab Series Lead On 4-3 Win

EBBETS FIELD, BROOKLYN—(P)—Big John Mize's two-run single topped a New York Yankee ninth-inning explosion that barely upset a dying gasp double homer blast by Brooklyn Friday for a 4-3 victory in the third World Series game.

Breaking a 1-1 deadlock since the fourth inning, the Yanks sent Brooklyn Starter Ralph Branca to the showers in the ninth with a three-run rally to go ahead 4-1.

The desperate Brooks came back with home runs by Olmo and Campanella in the bottom of the frame, neither with runners on base. Pitch Hitter Bruce Edwards struck out to end the tie game and Brooklyn hopes of tying or winning.

As a result of the triumph, the Yanks now hold a 2-1 edge in the best-of-seven series.

The score: R.H.E.
New York.....001 000 003-4 5 0
Brooklyn.....000 100 002-3 5 0

Byrne, Page and Berra; Branca, Banta and Campanella. Winning pitcher, Page; losing pitcher, Branca.

Small Tornado Hits Houston Area Friday

HOUSTON—(P)—A swirling tornado raced across Houston's East Side at 9 a. m. Friday, damaging several homes, automobiles and business houses.

There was no immediate report of injuries.

The twister formed during a brief rain storm.

Weather Bureau Chief E. A. Farrell said the tornado was more of a "magnified whirlwind than anything else."

At least two houses were picked up and carried several feet, and an unoccupied automobile was carried 15 feet.

One house was reported smashed completely.

H. J. Burns, resident of the area, said he saw a house lifted from its foundations and saw the roof taken completely off another house.

Breaks Up Tyke

Observers at the Weather Bureau first spotted the storm in the general direction of Stephen F. Austin High School, about 30 blocks east of the downtown Houston. The storm was moving from the southwest to the northeast.

The observers said they saw the twister break up twice.

"It must have reorganized," Farrell said. "Because we have telephone reports of its damaging two roofs in Trinity Gardens and doing damage further north."

The Trinity Gardens suburban area is several miles north of Austin High School.

★ LATE NEWS FLASHES ★

PITTSBURGH—(AP)—The CIO United Steelworkers Friday notified the big Aluminum Corporation of America that its 20,000 workers in eight states will strike at 12:01 a. m. October 17 if no contract agreement is reached by that time.

WASHINGTON—(AP)—Critics of President Truman's reappointment of Federal Power Commissioner Leland Olds said Friday they have polled the Senate and the results indicate Olds will be rejected.

VIENNA—(AP)—Duchess Edith of Saxe-Coburg-Gotha, related to the Belgian and British royal families, fled Hungary to the British zone of Austria disguised as a peasant's wife, police reported here Friday.

NEW YORK—(AP)—Fordham University Friday reported a "fairly severe" earthquake about 10,000 miles away, probably in the Dutch East Indies.

Lutons' Conditions Reported Serious But Not Critical

A telegram sent to friends in Midland Friday described the conditions of Mr. and Mrs. Oscar Luton, who were injured seriously in an automobile accident near Henryetta, Okla., Wednesday night.

Both are in a serious condition but are expected to recover. Luton suffered broken ribs and shoulders and a head injury. He will be in a hospital several weeks. Mrs. Luton suffered several broken ribs. Her condition is not as serious as first reported.

The Lutons were injured when their automobile was involved in a highway collision and overturned several times.

Their conditions were reported Friday by J. H. Brock, a business associate, who went to Henryetta.

SEVERE NATIONALIST

CANTON—(AP)—Sharp reversals for Nationalist troops in Central China were reported Friday.

Tejas Club Sending Group To District Garden Club Board

Mrs. Joe Koegler was guest speaker at the Tejas Garden Club meeting Thursday morning and chose as her subject "House Plants for Indoor Gardens." Mrs. Floyd Boles was hostess to the group. Mrs. Koegler is a member of the Yucca Garden Club.

Midland Club Will Sponsor School For Flower Show Judges

Final plans for the Flower Show Judging School which the Midland Garden Club will sponsor next Wednesday and Thursday were made by the club members at a meeting Thursday morning in Mrs. L. C. Link's home. Mrs. W. W. Leggett, chairman of the school, explained the arrangements.

TEXAS PRESBYTERIANS TO MEET IN BROWNSVILLE

SHERMAN—The Texas Presbyterian Synod, U. S., will hold its 1949 meeting in Brownsville. The group ended its convention Thursday.

It had been meeting with two other synods in connection with the centennial celebration of Austin College.

Informal Party To End Ladies' Golf Tourney

An entertainment for all members of the Midland Country Club will be the closing event of the annual Women's Membership Golf Tournament of this week. It will be an informal cocktail party in the clubhouse beginning at 5:30 p.m. Saturday.

Awards will be presented at the party to winners in the tournament, which started Tuesday on the Country Club golf course.

Mrs. Bob Franklin is chairman of arrangements for the party, for which members of the Women's Golf Association are hostesses. She emphasized Friday that it is for all members of the Country Club, not for the Golf Association alone.

Rainbow Girls Plan Rummage Sale, Party

Plans for a rummage sale to be held October 15 in the Community Center at 1201 East Illinois Street, were made at a Thursday night meeting of the Rainbow Girls in the Masonic Hall. Margie Carter will be general chairman for the sale.

The group also discussed plans for a Halloween party to be held in the Scharbauer Educational Building of the First Methodist Church sometime during the last week in October. Glenda Hamilton and Erma Driver are in charge of food for the party, and decorations will be under the direction of Pat Emmons.

P-TA Leaders Are Guests At Halloween Tea

An early appearance of the Halloween motif was made in decorations for a tea which entertained officers and room mothers of South Elementary Parent-Teacher Association Thursday afternoon in the school cafeteria.

Plans for the Halloween carnival for pupils of the school and their friends, to be sponsored by the P-TA on October 31 with the room mothers in charge, were discussed. Booth assignments for the carnival were made by drawing.

Mrs. Vinton Newberry, carnival chairman, Mrs. Harvey Kiser and Mrs. Lynn Smyers were the hostesses. They served tea from a table which was covered with a cloth in Halloween pattern. A ribbon of Autumn flowers ran the length of the table, and the same flowers made an arrangement on the piano. Mrs. Ruben Williams was in charge of decoration and refreshments.

A total of 244 mothers registered for the after-school parties during the two weeks. Entertainment was informal, with the emphasis on the others becoming acquainted with each other and with the room teacher. Mrs. Bill Collyza, chairman of room mothers and P-TA vice president, directed the arrangements.

Teachers and room mothers of the various rooms are as follows:

First grades: Mrs. Edwin Boggs, teacher, Mrs. William Beck, Mrs. Kenneth Newton and Mrs. Bob Senning; Mrs. Grenade Peters, teacher, Mrs. Clarence Sykes, Jr., Mrs. Jack Moore and Mrs. Allen Dorey; Mrs. Fay Gilmore, teacher, Mrs. E. Newman Shell, Mrs. Bob Pine and Mrs. E. L. Mount.

Other Room Mothers

Second grades: Mrs. F. B. Kingon, teacher, Mrs. C. M. Chas. Misters, L. V. Bowers and Mrs. R. W. Allen; Mrs. Rex Russell, teacher, Mrs. Hank Webster, Mrs. R. E. Cox and Mrs. Garvin Beauchamp; Wanda Sioum, teacher, Mrs. W. L. Woolley, Mrs. R. W. Northway and Mrs. Marshall Bagwell.

Third grades: Judith Hughes, teacher, Mrs. R. N. Hillin, Mrs. Fred E. Rylee and Mrs. W. L. Crothers; Tommie Smith, teacher, Mrs. Thomas N. Nipp, Mrs. R. E. Estes and Mrs. Norris B. Creath; Frances Stagg, teacher, Mrs. B. B. Seawright, Mrs. Bruce McKague and Mrs. R. U. Fitting.

Fourth grades: Eva Webb, teacher, Mrs. John Younger, Mrs. James FitzGerald, Jr., and Mrs. F. N. Littlejohn; Lottie Wilson, teacher, Mrs. A. H. Vineyard, Mrs. Ralph Evans and Mrs. W. C. Kimball; Mrs. E. F. Wolfe, teacher, Mrs. George G. Johnson, Mrs. Gordon Gray and Mrs. J. P. Carson, Jr.

Fifth grades: Glenda Ruth Brown, teacher, Mrs. Thomas J. Watlington, Mrs. W. Dave Henderson and Mrs. A. N. Griffith; Robert Cochran, teacher, Mrs. Ernest Neill, Mrs. Ish McKnight and Mrs. Charles Horton.

Underwriters Slate Saturday Luncheon

Scheduled guest speaker at a meeting of the Permian Basin Life Underwriters Association Saturday in Hotel Scharbauer is G. N. Kenyon of Lubbock, outstanding underwriter of the South Plains territory. All life insurance men of the Permian Basin are invited to attend the luncheon, Midland sponsors said.

Dinner Planned By Nu Phi Mu

Plans for a progressive dinner October 12 were made at a meeting of Nu Phi Mu sorority Thursday night in the home of Rita Livingston. The dinner will be served at 6:30 p.m. in the home of Helen White and Norma Sinclair, 609 1/2 West Kansas Street.

After the business meeting, the group held a Coney Island supper. Business present were Jo Ann Wallace, Mary Ann Tidmore, Sarah Kreischer, Billie Prothro, Joy Mashburn and Frances Kivett.

Members attending were Lafara Harrison, adviser, Tommie Cole, Louise Harless, June Higdon, Betty Hays, Janie Ethridge, Elizabeth Murray, Helen Stephens, Peggy Sanders and Bonnie Caldwell.

Room Parties Are Given For Mothers At West Elementary

A series of parties planned for better acquaintance of teachers and mothers of West Elementary School pupils ended Thursday. Each room had a party with mothers of the pupils invited. Acting as hostesses for each group were the room mothers from the West Elementary Parent-Teacher Association.

Teachers and room mothers of the various rooms are as follows:

First grades: Mrs. Edwin Boggs, teacher, Mrs. William Beck, Mrs. Kenneth Newton and Mrs. Bob Senning; Mrs. Grenade Peters, teacher, Mrs. Clarence Sykes, Jr., Mrs. Jack Moore and Mrs. Allen Dorey; Mrs. Fay Gilmore, teacher, Mrs. E. Newman Shell, Mrs. Bob Pine and Mrs. E. L. Mount.

Other Room Mothers

Second grades: Mrs. F. B. Kingon, teacher, Mrs. C. M. Chas. Misters, L. V. Bowers and Mrs. R. W. Allen; Mrs. Rex Russell, teacher, Mrs. Hank Webster, Mrs. R. E. Cox and Mrs. Garvin Beauchamp; Wanda Sioum, teacher, Mrs. W. L. Woolley, Mrs. R. W. Northway and Mrs. Marshall Bagwell.

Third grades: Judith Hughes, teacher, Mrs. R. N. Hillin, Mrs. Fred E. Rylee and Mrs. W. L. Crothers; Tommie Smith, teacher, Mrs. Thomas N. Nipp, Mrs. R. E. Estes and Mrs. Norris B. Creath; Frances Stagg, teacher, Mrs. B. B. Seawright, Mrs. Bruce McKague and Mrs. R. U. Fitting.

Fourth grades: Eva Webb, teacher, Mrs. John Younger, Mrs. James FitzGerald, Jr., and Mrs. F. N. Littlejohn; Lottie Wilson, teacher, Mrs. A. H. Vineyard, Mrs. Ralph Evans and Mrs. W. C. Kimball; Mrs. E. F. Wolfe, teacher, Mrs. George G. Johnson, Mrs. Gordon Gray and Mrs. J. P. Carson, Jr.

Fifth grades: Glenda Ruth Brown, teacher, Mrs. Thomas J. Watlington, Mrs. W. Dave Henderson and Mrs. A. N. Griffith; Robert Cochran, teacher, Mrs. Ernest Neill, Mrs. Ish McKnight and Mrs. Charles Horton.

Naval Reserve Unit Group To Entertain In New Building

Ward Room Officers of Volunteer Petroleum Unit 8-1, the Midland Naval Reserve unit, will entertain members and guests with a "Poor Boy" party from 5:30 to 7 p.m. Friday to celebrate completion of the Navy Building at the Midland Airpark.

Decorations in the building for the party are to be arranged by the Midland Floral Company. Those assisting in the preparations and in receiving will be Com. James D. Martin, commanding officer, and Mrs. Martin; Lt. Com. William D. Hays, Jr., executive officer, and Mrs. Hays; Lt. George G. Todd, in charge of construction, and Mrs. Todd; Lt. Ernest Dodson, ward room mess treasurer, and Mrs. Dodson; Lt. Robert R. Harrison, ward room mess cook, and Mrs. Harrison; Lt. and Mrs. Robert D. Fitting, Lt. Com. and Mrs. Frank Jackson and Lt. and Mrs. Clyde M. Pederson.

Wedding In Evening Unites Velma Martin, James Harris

Velma Martin became the bride of James H. Harris in an evening ceremony Thursday in the home of Mr. and Mrs. J. L. Crittenden, 913 North Edwards Street.

The bride is the daughter of Mr. and Mrs. Edgar Lynch of Krum and his mother is Mrs. James H. Harris of Wills Point.

The Rev. Lemuel Hester, pastor of Asbury Methodist Church, read the single ring ceremony before an improvised altar with baskets of pink and white gladioli and seven-branch candelabra holding white candles on either side. Table flowers used in other parts of the house were bowls of chrysanthemums.

Mrs. Lary is Attendant

Mrs. Travis M. Lary was matron of honor and T. L. Bidy was best man.

The bride wore a beige gabardine suit. The long jacket had a Peter Pan collar, three small pockets on the left side and a large one on the right side. The skirt was straight. Her blouse and gloves were cream-colored and other accessories were sun copper. Her corsage was green orchids.

Mrs. Lary wore a navy blue crepe dress with a high neckline, long sleeves and a gathered and draped skirt. Her accessories were blue and white and her flowers were pink orchids.

An informal reception was held after the ceremony. The serving table was covered with a grey linen outwork cloth and the appointments were crystal and silver. White stock were used for the centerpiece and crystal candle holders filled with white tapers were used on either side of it. Mrs. Bidy and Minnie Jackson served.

After the reception the couple left for a wedding trip to the Sacramento Mountains in New Mexico and will be at home here. Mrs. Harris is a graduate of Krum High School, attended Draughan's Business College in Dallas and is employed by Shell Oil Company. Harris was graduated from Wills Point High School, attended Texas A&M College for three years and is an employee of Magnolia Petroleum Company.

Out-of-city guests for the wedding were Mr. and Mrs. Gene Billingsley and James Cooney of Seminole and Mr. and Mrs. John Moravick of Odessa.

Mrs. James H. Harris

* WE, THE WOMEN *

You Don't Have To Overdo It When You're Playing Hostess

By RUTH MILLETT
NEA Staff Writer

Marks of a good hostess! She takes the time to make each new arrival feel that now he has arrived the party can get underway.

Without seeming to flutter she is aware of her guests' comfort, noticing immediately when a glass should be refilled, a light softened, an ash tray provided, etc.

Sometimes during the evening she gets in a little personal conversation with each guest. She manages this by not allowing herself to be caught in any group for any length of time.

She gives the impression of enjoying her own party—and taking her duties easily and calmly.

She doesn't regale her guests with all the last-minute things that went wrong, or let them know how hard she worked preparing for them.

She isn't the noisiest one at her own party—but hits a happy medium so that the gayest guests can feel she is going along with them and the more quiet guests can feel she hasn't deserted them, either.

Doesn't Push Guests

She doesn't over-sell anything, so that guests have to eat too much or drink too much or play games they don't want to play just to satisfy their hostess.

Her one aim is obviously to give her guests a good time. Guests never have the feeling that she is trying to impress them, rather than entertain them.

She doesn't give orders, but uses more subtle means to get her

Coming Events

SATURDAY
Confirmation classes for children of Trinity Episcopal Church will be at 10 a.m.

Junior Theater will meet at 10:30 a.m. in the Educational Building of the First Presbyterian Church.

Children's Story Hour will be at 10:30 a.m. in the Children's Room of the Midland County Library.

Moment Musical Junior Music Club will meet at 11 a.m. in the Watson Studio.

League of Women Voters will meet for luncheon at 1 p.m. in the Crystal Ballroom of the Scharbauer Hotel.

Ladies Golf Association cocktail party for members attending the Golf Tournament will be at 5:30 p.m. in the Midland Country Club.

First of a series of semi-monthly square dances for members will be held in the Ranchland Hill Country Club building.

ADDITIONS TO FAIR FLOWER BOOTH ASKED

A request from the committee in charge of the flower display at the Midland County Fair, for other arrangements to be exhibited Saturday, was made Friday morning by Mrs. Bert Goodman, chairman.

Some of the entries made Friday morning will be wilted on Saturday, the second day of the fair, she said, as she asked that other flowers be brought Saturday morning to keep the exhibit fresh. The late entries will not be eligible for awards, she added.

LAYMEN'S DAY SET AT CALVARY BAPTIST

The Sunday morning service of the Calvary Baptist Church, 1901 South Main Street, has been designated as Laymen's Day. Music in the service will be presented by an all male choir and the Rev. A. L. Teaff, pastor, will speak on "Laymen."

All men are urged to attend the service to which the public is invited.

Baseball Enthusiasm

Some of our heavy thinkers no doubt frowned on the September madness that gripped our citizenry this year as four baseball teams battled to a blazing finish on the final day of the two major league pennant races.

It is our feeling that there is something remarkably healthy about the mental outlook of a people which, though aware of its problems, still can show more interest in what team the Yankees will field than in how many divisions their Army can field against a possible aggressor.

The game of baseball is a magnificent expression of vibrant spirit of this country. Energy, skill, patience, discipline, teamwork and courage are the ingredients of this pastime. It is their display that Americans admire.

Is He Complaining?

Shotgun Wedding

The Washington Merry-Go-Round

By Drew Pearson. (Copyright, 1949, By The Bell Syndicate, Inc.) Drew Pearson says: Perfume-Maker Bennett gave poker parties as well as deep freezes; General Vaughan's friend bought three yachts and four airplanes from government; Senator Hoey pressured to hush up Vaughan investigation.

WASHINGTON — When good old Clyde Hoey, the swallow-tailed senator from North Carolina, announced there would be no more hearings on General Vaughan, John Maragon and the five-percenter, it did not surprise anybody on the inside.

At that time—around 1945—one Bennett yacht was moored on the Potomac, another at Saugatuck, Mich., and another in Florida. Since then—perhaps because he has been less active in lobbying—Bennett has turned their back on is David A. Bennett, the perfume manufacturer, who sent seven deep freezes to General Vaughan, Mrs. Truman and other bigwigs at about the time Vaughan's friend, John Maragon, was trying to smuggle Bennett's perfume into the United States disguised as champagne for the White House.

For instance, here are two interesting things which the public has a right to know about Bennett, at the time he was giving away deep freezes, acquired four government airplanes without competitive bidding, and four luxury yachts, three of them from the U. S. government.

At the time this letter was written to Maragon, Bennett already had the following luxury yachts: "Caroline," 800 horsepower, 121 foot, 221 tons; "Valerie V.," 84 foot, 124 tons; "Caroline," 45 foot, 34 tons; "Nedra B.," 111 foot, 101 tons. All these, except the "Valerie V.," were purchased direct from the Maritime Commission. And when the Maritime Commission was asked to disclose who else bid on the vessels, and

Questions and Answers

Q—Is the Gordon setter a good hunting dog? A—The Gordon is an excellent hunting dog but not quite so popular in this country as the other setters. Originally he was developed for hunting work in the hilly country so he is a slower, more persistent worker than the English or Irish setter.

Someone to Love

By IRENE LONNEN ERNHART. Copyright, 1949, NEA SERVICE, INC. THE STORY: Tod Hansen married Jenny after his fiancée died. Both have tried to make a success of this marriage "on the rebound," but Tod's family, which is unimpeachable to Jenny, and financial difficulties conspire to make life one complication after another.

WASHINGTON COLUMN

See American Legion Boss As Young Man Going Places

By DOUGLAS LARSEN, NEA Staff Correspondent. WASHINGTON—Back in his home town in Brazil, Ind., (pop. 4,000) they predict big things for their No. 1 hero, George N. Craig. His becoming the first World War II veteran to win the high post of national commander of the American Legion is just the first step, they think, governor next, United States senator along there somewhere. After that who knows? Supreme Court? Maybe even President.

There's good precedent for such hope. Being national commander of the Legion always has been big time. And since the war, with all the World War II members, it's even bigger. The post launched the career of Paul V. McNutt (incidentally he nominated Craig for the commanderyship at the convention) who comes from Craig's congressional district, and who was Craig's law teacher at Indiana University.

Other past national commanders who first achieved national fame through the Legion include Secretary of Defense Louis Johnson, former Senator Bennett C. Clark, now U. S. judge, and a host of top business men, such as Franklin D'Olier, chairman of the board of Prudential Life Insurance Company.

It is said that Craig is second only to McNutt as being the handsomest national commander. He has clean-cut, all-American face, a firm grip and hearty voice. Added to that is a lot of black curly hair graying at the temples. His smile is warm and friendly.

One of the reasons for his successful campaign for the commanderyship is his great energy. In 10 months he traveled 108,000 miles, visiting local posts in 28 states without once jacking out. The going was made tougher because he doesn't like to fly. In the service he survived the toughest action with Patton's Third Army, fighting through the campaigns of Northern France, Rhineland and the Ardennes. He left the service as a lieutenant-colonel.

As to what change his being the first World War II vet to hold the reins will have on the Legion's direction, Craig says flatly there will be none. "I am bound by mandates of the convention and will do my best to carry them out," he adds that he sees no need for changing "any of the Legion's traditional programs, aims or activities."

The one big thing which he considers the first duty of the Legion is "to be a political force in the responsibilities as citizens." He says, "It is a shocking fact, for instance, that 10 per cent less people voted in 1948 than in 1944, and that less than half of the qualified voters in the U. S. bother to go to the polls."

Although Craig doesn't think that the Legion should waver from its traditionally non-partisan stand in national politics, he thinks that local posts have the responsibility to fight any individual candidate "who does not have the best interests of the country as his first goal."

When the sight of hearts was opened, Brall played the nine from dummy, West covered with the ten, and Ira's Jack won the trick. Then he led diamonds, East winning the third round with the ace. East led a spade which Ira won with the ace. Next he cashed the balance of his diamonds, led a heart and finessed dummy's seven-spot.

McKenney on Bridge

By WILLIAM E. MCKENNEY, America's Card Authority. Written for NEA Service. Bridge has become America's most popular pastime because it is a great partnership game. For one thing, in any game in which you have a partner or teammate it is easy to place the responsibility for making a mistake on the other fellow. That is why there are so many arguments in bridge, but it is also one of the main reasons for its popularity.

Although people like teamwork there are times when a partnership will crack up. One of the pair will misbid a hand or plunge into some atrocious contract. It

Old Trail Drivers Hold Annual Meeting

SAN ANTONIO — Cotton-eyed Joe was a popular cuss at the Old Trail Drivers Association. Most everybody got a kick out of dancing to this one, even some of the "drivers" who are pushing 90 or more.

Some 400 members of the Old Trail Drivers Association of Texas are holding their annual convention here.

Thursday they swapped yarns and danced in the lobby of the Gunter Hotel.

Jefferson, Texas, in the middle 1800's was a metropolis surpassing both Houston and Galveston.

Sunday
9:45 a.m.: Sunday School.
11:00 a.m.: Church service. The Lesson-Sermon topic will be "Are Sin, Disease, and Death Real?" The Golden Text is: "God be merciful unto us, and bless us; and cause his face to shine upon us; that thy way may be known upon earth, thy saving health among all nations" (Psalm 67:1, 2). Among the citations which comprise the Lesson-Sermon is the following from the Bible: "And God shall wipe away all tears from their eyes; and there shall be no more death, neither sorrow, nor crying, neither shall there be any more pain: for the former things are passed away" (Revelation 21:4). The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "When it is learned that disease cannot destroy life, and that mortals are not saved from sin or sickness by death, this understanding will quicken into newness of life" (page 426).
Wednesday
8:00 p.m.: Evening service.

Rev. S. Lara, Pastor

These are the products of man's labor—and God's. From the moment the seedlings were placed in the warm earth, they have been under constant care.

First came the rain and the sun—and then the ceaseless work of fertilizing, cultivating, and spraying. Last, came harvest time, when the proud growers gathered the rewards of their labor.

Only by such diligence, can we hope for a truly bountiful crop. God has given the refreshing rain and warm sunshine, but He expects us to do our part.

And so it is with the care and cultivation of our spiritual lives. Man is endowed with many talents and qualities, but unless he tends and nurtures these gifts, they will not increase and grow.

Harvest time in the life of every person is at maturity, when men are at the peak of their usefulness and wisdom. By attending the services of the Church and by studying the Scriptures, we will realize greater happiness and contentment here on earth—and will be preparing ourselves for the RICH HARVEST of a life hereafter.

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake, (2) For his children's sake, (3) For the sake of his community and nation, (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

To The Left

Harry Agganis, Boston University's sophomore quarterback and southpaw passer, is so good he has Coach Buff Donnell talking left-handed. He played all but two minutes, and threw two touchdown passes in pouring rain in the Terriers' 33-21 victory at Syracuse.

Claassen Calls 'Em For Saturday Cash Customers

By HAROLD CLAASSEN
NEW YORK (AP)—This may surprise the more rabid baseball followers but there is a full schedule of college football games scheduled for Saturday, too.

This is how the games should come out if they follow form:

Michigan over Army; The Cadets have the miseries in the fullback department and they are likely to have them even worse at the final score.

Notre Dame over Purdue; The Irish, also owners of an unbeaten string, appear to be about four touchdowns better than the Big Ten Bollermakers.

Kentucky over Georgia; It is Kentucky's homecoming and Coach Bear Bryant will have his Wildcats fired up to protect their unbeaten status.

Ohio State over Southern California; This could be a preview of the January 1 Rose Bowl encounter. No coast team has defeated a top flight Midwest eleven since the

war and there is no indication that the Buckeyes will lose. Could be very close.

Oklahoma over Texas; Darrell Royal is Oklahoma's passing quarterback and the Texans will suffer a Royal flush trying to keep up with him.

Duke over Navy; A year ago the Duke freshmen were crushed by the Navy plebes. Those players are sophomores now and the Dixie lads will get their revenge.

Stanford over UCLA; The first of the West Coast's crucial games. Not much to choose but Stanford appears a touchdown the stronger.

Minnesota over Northwestern; Minnesota fans will be singing "Billy Boy" in honor of Billy Rye, after this one.

Arkansas over Baylor; Yale over Columbia; Columbia appears too green for the likes of Levi Jackson and Ferd Nadherny.

North Carolina over South Carolina; Just what was it the two governors of those two states said to each other?

Missouri over Oklahoma A&M; Texas Christian over Indiana; Texas Tech over Tulsa; Arkansas over Baylor; Texas Wesleyan over West Texas State; Hardin-Simmons over Arizona; Rice over New Mexico; Tulane over Southeast Louisiana; Louisiana State over Texas A&M.

THINK OF US WHEN YOU THINK OF QUALITY CLEANING FOR QUALITY IS ALL WE THINK OF WHEN WE THINK OF YOU.

Roe's 1-0 Triumph Puts Bums Even In World Series Chase

By JACK HAND
BROOKLYN (AP)—Once again Preacher Roe's crafty left arm has turned night into day for Brooklyn. Now it's up to Rex Barney, Ralph Branca, Don Newcombe and the strong, young arms of Burt Shotton's staff to subdue the New York Yankees. Roe did his bit by squaring the World Series with his 1-0 victory over Vic Raschi in Thursday's second game.

If it goes six or seven, as seems likely now, the "Preach" from the little hill town of Hardy, Ark., may be in there again. But not before Monday or Tuesday.

Pitching like a man with a mission, blood dripping from an injured finger, Roe has put the Dodgers back in the old ball game.

Even the odd makers saw the light in Roe's homespun masterpiece. Instead of the easy-does-it 1 to 3 favorites of Thursday, the Yankees now are only 2 to 4.

The pitching in the third game may produce another gem but it seems unlikely. Barney, a semi-tamed wild man in the bases on balls department, can throw a no-hitter or a 10-walker. Nobody knows, likeable Rex least of all.

Branca, too, has been an in-and-outer all season despite his respectable 13-5 win record. As compared to Barney 9-8 season, Ralphie looks impressive, but Shotton may choose to go with Rex.

No matter what happens, baseball people will be talking over the Roe-Raschi and Reynolds-Newcombe duels for months to come in the hot stove league.

First Stadium Shoutout
Mixing well his sweeping curve, change of pace and "fast ball," Roe handed the Yanks their first shut-out of the season at Yankee Stadium.

The Dodgers and Yanks go into the record books as the first to play two 1-0 games in the same series, let alone in succession. Jackie Robinson provided the run Roe needed Thursday in the second inning. Robby doubled, took third on a foul pop and scored on Oil Hodger's single. That was it.

Only once did the Yanks have more than one man on base at the same time. They never did get two hits on the same inning.

It was the eighth when the pressure really was on Roe. Casey Stengel, searching his bench for a pinch hitter, sent big Jawn Mize up to hit for Charley Silvera. Mize celebrated his first World Series chance in 17 years with a single.

Bobby Brown, the 1,000 pinch hitter ace of the '47 classic, was called out on strikes but Roe fumbled Phil Rizzuto's sacrifice bunt for an error. There were men on first and second with Tommy Henrich, the home run hero of the opener, at the plate.

Weighing every pitch carefully, Roe took Henrich to 3-2, and then retired "Old Reliable" on a bunt to Luis Olmo. Hank Bauer, another long ball hitter, drew three straight balls and then a strike before he forced Rizzuto on a bouncer to Spider Jorgensen. The heat was off.

From the fourth inning on, Roe was working despite a painfully injured finger. A smash to the box by Lindell tore half the nail off the fourth finger of his right hand. Doc Wender, the club trainer, drilled a hole in the nail to let out a pocket of blood after Roe batted in the fifth.

6—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, OCT. 7, 1949

Amarillo-Odesa Clash Set Friday

By The Associated Press
The real toughies in Texas schoolboy football get together Friday night in several games on a crowded City Conference and Class AA schedule.

Wichita Falls and Pampa, a couple of undefeated, untied clubs, tangle, and powerful Amarillo takes on a rugged Odesa eleven.

End Man

Right end Bob Stillwell helps Southern California look unusually ferocious for this early in the season.

North Elementary Wins In Football, Kickball Contests

North Elementary scored victories in flag football and girls' kickball as the season opened Thursday. West Elementary also won a kickball game.

North's football team whipped West Elementary 30 to 18 on the West field.

North's girls scored steadily to down the Latin American team 32-23 in kickball.

West went wild to smother the South girls 50 to 25.

The season will continue next Thursday.

Five Conference Games Scheduled In 5-A This Week

Five conference games are on tap this weekend in District 5-A. Four of them will be played Friday night with the other scheduled Saturday night.

The feature tilt will be at Monahan Friday night where the State Champion Lobos play Wink. A bruising battle is in store from all indications.

In other Friday night games, Seminole plays in Fort Stockton, McCamey goes to Pecos and Denver City visits Andrews.

First-place Kermit is host to Crane in a Saturday night game.

SHORTY SHELburnE

Just last week, Coach Tugboat Jones pointed out in a letter to the fans of Midland that injuries suffered by boys riding motor scooters, bicycles and in automobiles generally outnumber those suffered by football players.

An example of that is the death at Whitehouse, Texas, of 16-year-old Gene Carroll Stubbfield.

He was thrown from a motorcycle into a train and was killed.

Young Stubbfield was a football player and had gone through grid contests without serious injury.

—SS—

The Midland Bulldogs and the Plainview Bulldogs meet for the seventh time since 1940 on the Plainview gridiron Friday night.

Midland will be out to bring the records more closely together with a victory this year.

In the last six meetings, Plainview has come out on top four times.

The two teams swapped out in the first four years of the present series.

—SS—

The scores by years:

1943—Plainview 20, Midland 6.
1944—Midland 32, Plainview 6.
1945—Plainview 20, Midland 0.
1946—Midland 24, Plainview 6.
1947—Plainview 13, Midland 6.
1948—Plainview 28, Midland 6.

It is interesting to note the loser in each game has scored no more than six points.

—SS—

Blair Cherry, University of Texas mentor, has joined the long list of prominent sports figures credited with making a short speech that got the crowd roaring.

After a week Idaho eleven held the powerful Steers to a 7-7 half-time deadlock last week, Cherry went to the field house.

Cherry's words were said jolly: "Think it over." Then he walked out.

You know the rest. Texas scored 49 points in the last half to win 56-7.

—SS—

The defeat of the Big Spring Bronchos by Corpus Christi in four out of five games in their post-season playoff is a shining example of how the Longhorn League might better itself by raising the class man limit.

Corpus Christi carries four class men. The limit in the Longhorn League is two per club.

A couple of more "old heads" on a ball club makes a lot of difference.

If the limit in this league is raised to four and the Cubans are allowed to continue under their present state, we'll wager the gap between first and second won't be near 20 games like it was in the season just finished.

—SS—

Richard Farina, one of the stars on Waco's powerhouse grid team last season, has been allowed to transfer from Texas A&M to Baylor, his home-town school.

There is an agreement in the Southwest Conference a freshman can not transfer from one school to another in the circuit without the permission of the school in which he first enrolled.

The A&M athletic department apparently granted Farina permission.

Could it be the Aggies are that loaded with great high school stars?

Stargazer Chooses Texas, Baylor, TCU

By HAROLD V. RATLIFF
Associated Press Sports Editor
Four Southwest Conference teams will travel the inter-sectional football trail Saturday with only two of them favored to win.

A family squabble at Waco between Baylor and Arkansas fills out the week's schedule. This is the most important game but the one with the major interest will be the battle of Texas and Oklahoma at Dallas.

Oklahoma, accorded a touchdown edge, sends its tried and tested forces against a Longhorn team that doesn't know its own strength. Texas has spent its time mopping up on weak opposition. Oklahoma hasn't met too much strength in its foes this season, either, but the Sooner veterans, it already is conceded, can go against anybody.

Baylor always has been the Jinx team for Arkansas and is favored to keep right on that way. On the face of last week's three-touchdown triumph over Texas Christian, however, it would appear the Baylor boys have their work cut out for them.

Somebody Must Lose
Anyway, one undefeated, untied team will fall in this battle.

Texas Christian journeys to Bloomington, Ind., for a crack at lowly Indiana. The Horned Frogs would have to be as flat as a pancake to lose to the Hoosiers.

In night games, Rice will take on New Mexico of the Border Conference at Houston while Texas A&M attempts to tame the Louisiana State Tigers at Baton Rouge. It appears a forlorn hope, but the Aggies ought to make a ball game of it.

'C' Bulldogs Nip Lubbock In 7-6 Joust

LUBBOCK—Midland's 'C' Bulldogs staged a flashing drive early in the third quarter here Thursday afternoon and punched over a touch-down and extra point to defeat Lubbock's Slaton Junior High 7-6.

Robert Keisinger scored the touch-down on a 20-yard end sweep after it had been set up by Harold Robbins who returned the second-half kickoff 40 yards. Charles Patterson hit the middle for the all-important extra point.

Lubbock's lone counter came on a 60-yard run.

The 'C' Bulldogs stopped the Lubbock ground game cold. Keys Curry, Bobby East and Ronald Rone played great ball in the line. Jack Tabor and Keisinger were outstanding defensive men in the secondary.

Sixth Grade Pups To Visit Crane For Grid Tilt Saturday

The Sixth Grade Pupils of John M. Cowden Junior High School open their 1949 football season in Crane at 10 a.m. Saturday.

Coaches report good material for the Pup eleven this season.

The probable starting lineup:

ENDS—Brownlow Parmley and Gary Robinson.

TACKLES—Tommy Booth and Barton Scott.

GUARDS—H. C. Peemster and Coy Hudson.

CENTER—Johnny Outbirth.

BACKS—Stuart Chancellor, Larry Sapp, Bill Dillard and Frank Midkiff.

Bulldogs Play In Plainview Purple In Good Condition For Friday Night Contest

The Midland Bulldogs departed early Friday for Plainview, where they will take on the Plainview Bulldogs in a non-conference football game at 8 p.m. The entire A squad made the trip. They are stopping at the Hilton Hotel.

Bob Wood, first string tackle, still was a doubtful starter. Coach Tugboat Jones said the injured lineman may see "some action" if an agreeable splint for his hand can be used. The consent of the opposing team is required when a cast is placed on any participating player.

Outside of Wood, the Midland eleven is in good shape for the tilt. Minor injuries suffered in the Brownwood game have been shaken off by Jimmy O'Neal, Jack Mobley and Dalton Berley.

Linebacker Starts
Coach Jones announced Friday morning Jimmy Linebarger, a hard working, improving wingman, will start at right end. He has improved fast since the start of the season and especially is effective on defense.

No other changes in the starting lineup are anticipated.

Again this week, Midland will hold a slight advantage in weight in the line. The backfields are just about evenly matched on the average except for speed.

Coach Tugboat Jones has announced Bob Wood will be in the starting lineup in Plainview Friday night. He has been out with an injury.

Jones said an agreement has been reached with the Plainview coach to allow Wood to wear a protective splint in the tilt.

The Midland line will be strengthened by the return of the ace offensive tackle.

It was indicated Luther Mooney will see duty as a ball carrier during the game. Coaches have worked him on trap plays all week. With Mooney in the lineup, the Plainview secondary will take a slight weight advantage.

21 Persons Injured In Elevator Mishap

KANSAS CITY — A crowded passenger elevator in a downtown store suddenly plunged two floors Thursday and then halted with jarring impact, injuring 21 persons.

Automatic safety devices halted the elevator after it went out of control.

The accident occurred in the fashionable Hazfield Store during a heavy afternoon shopping period. The elevator dropped when a heavy steel plate holding the car's cables gave way, building Superintendent Russell Paulson said.

Baylor University, now in Waco, originally was located at Independence, Texas.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, OCT. 7, 1949-7

Defending Champ Moves Ahead In Women's Tourney

The first big break in top flight competition came Thursday in the Midland Country Club Women's Championship Gold Tournament as Mrs. Essie Stafford, defending champion, ousted Gloria Ezell, one of the favorites, 4-3 in a second round match. Mrs. Stafford played a steady game all the way to win out. Her opponent, noted

in all West Texas as a top tournament golfer, had trouble at times and couldn't hold the pace.

Sybil Flournoy, tournament medalist, stayed in the running with a 6-4 win over Madeline Pomeroy. She was to meet Mrs. Stafford in the finals, scheduled Friday afternoon.

In the championship consolation Shirley Culbertson beat Dell Shelton 3-2 for the right to enter the finals against Ewelyn Cowden who defeated Kay Mechling 6-4.

First Flight
Mrs. R. K. White dined Marian Jones 3-2 in a first flight match Thursday while Mrs. R. W. Hamilton was beating Mrs. R. S. Anderson 2-1.

Marion Culbertson and Marie Patton won first flight consolation matches. Culbertson beat Mrs. W. P. Castelman 2-up and Emily Cool went down 4-2 before Patton.

Kitty Ashby won over Mrs. M. Olson 1-up and Glynna Fay Davis beat Sally Pierce 1-up in second flight matches.

In second flight consolation, Helen Hood pounded Mrs. Leland Davison 3-1 and Mrs. A. Knickerbocker beat Katherine Franklin 2-up.

Ginna Potts beat Mrs. W. W. Barker 3-2 for the 4-F flight title and Mrs. S. Reeder defeated Mrs. B. George 3-2 for the 4-F consolation championship.

The tournament will be completed Friday. Trophies will be awarded Saturday afternoon at ceremonies in the Country Club Ballroom.

Rolls For Wave

Tulane's Eddie Price led college backs in rushing last season.

San Angelo Juniors Whip Bullpups 40-0

SAN ANGELO—Thomas A. Edison Junior High's Crimson Tide ran wild here Thursday afternoon in defeating a smaller Midland Eighth Grade Bullpup eleven 40 to 0.

Both teams were hurt by fumbles throughout the contest. Midland's Bill Snow, Darrell Spivey and Larry LaVelle were hot at recovering San Angelo fumbles all the way.

Midland's most serious threat came in the fourth quarter when the Pups marched almost the length of the field only to be stopped on the Tide's 14-yard line.

Wayne Parmley was the outstanding lineman for the Bullpups. Snow and Hatfield sparked the Midland secondary on defense.

Midland Man Tours Appliance Factory

M. D. Cox of Cox Appliance in Midland returned Thursday from an expense-free trip to the Maytag factory in Newton, Iowa. Cox accompanied 134 other top Maytag dealers from Texas on a special train from Dallas to Newton.

The group left Dallas Saturday of last week and returned to that city Wednesday. Walter Rogers of Dallas, Texas distributor for the company, sponsored the trip.

Cox, one of the three top dealers of the West Texas district, said the new \$7,000,000 factory was particularly impressive. Both the old standard type washer and the new automatic model is being produced there.

Bats in hibernation become cold-blooded animals for the time being, just as do several other species of normally warm-blooded animals that indulge in long Winter sleep.

Safe At Third

(NEA Telephone) Jackie Robinson slides safely into third base in the second inning of the second game at the World Series at Yankee Stadium. Gene Hermanski had filed out to Jerry Coleman, allowing Robinson to advance to third. Two plays later Robinson scored on Gil Hodges' single, the only run of the game.

Chandler Warns Brooklyn Negro To 'Behave Himself'

NEW YORK—(AP)—Jackie Robinson, Brooklyn's explosive second baseman, has been given a sharp warning by Commissioner A. B. (Happy) Chandler to "behave himself."

On the carpet as the result of an outburst in the Spring and punished for a run-in with an umpire in one of the late season games, the negro infielder drew another rebuke for criticizing the umpiring in the first World Series game.

After the opening series game won by the New York Yankees 1-0, Robinson beefed about the work of Plate Umpire Cal Hubbard.

Later when he had cooled down the infielder said he was sorry about his remarks and wanted to make a public apology.

"I lost my head," he said. "We were beaten legitimately and I thought, all in all, Hubbard called a good game."

In the meantime, Commissioner Chandler had told Manager Burt Shotton of the Dodgers that he expected better behavior from Robinson.

SUSPENDED SENTENCE

FORT WORTH —(AP)—Harvey Harold Kerns, former Fort Worth policeman, was given a two-year suspended sentence Thursday night for the slaying last July 28 of Robert Gene Flory.

'B' Bulldogs Play Lamesa Saturday

The Midland 'B' Bulldogs take on the Lamesa 'B' Tornados at 8 p.m. Saturday in Memorial Stadium. It will be the only home game of the week.

Coach Red Rutledge was forced to move James Weathered from an end position to the backfield this week to replace brilliant Larry Lynn, who was injured in the Big Spring clash last week.

Lynn suffered a leg injury and will be out several weeks. He is confined to his home with the leg in a cast.

Loss of Lynn hurts the offensive punch and defense of the 'B' Bulldogs.

Bill Gray and Robert Melton are captains for the week.

Lamesa reportedly has a strong team this season.

The probable starting lineup for Midland:

ENDS—W. H. Black and Leo Hatfield.

TACKLES—Guy Vanderpool and Bill Lavery.

GUARDS—Al Scoggin and Glen Baker.

CENTER—Bill Gray.

BACKS—Jimmy Adams, Dan Black, Robert Melton and Harold Hensley.

MIDLAND VISITOR
Homer Tomlinson of Fort Worth, publisher of the All-Church Press, was a Midland visitor Thursday.

DADDY RINGTAIL

By WESLEY DAVIS

Daddy Ringtail And Sad Happy

This is Daddy Ringtail's birthday, and a "Happy day to you, too" are the words I am sure he would like to say. He is very happy to have the cards and letters which you sent him at your newspaper. Thank you very, very much.

the forest to look for the Sad, Sad Somebody. "Don't say his name!" Mother Ringtail said in a hurry.

calls him the Sad, Sad Somebody instead of what his name really is. Daddy Ringtail said down to the ground, and there beneath the very tall tree, sure enough, was the Sad, Sad Somebody. "Happy day, Mr. Sad, Sad Somebody!" Daddy Ringtail said.

voice. "Don't say the name that is really mine! It makes everyone sad who says it." "Oh, I won't say it," Daddy Ringtail promised.

"Oh, no," Daddy Ringtail promised. Why, the name of the Sad, Sad Somebody is much too sad to say. It would make anyone sad to say it, and that's why everyone who sees it."

Midland Lawyer To Speak At Institute

Robert M. Turpin of Midland, West Texas director of the State Bar of Texas, is one of the five main speakers to be heard at the Legal Institute Friday and Saturday, in Odessa.

The institute is sponsored by the State Bar of Texas. Roy Downey of Odessa is in charge of arrangements.

Other speakers to be heard are Judge Robert W. Stayton, Texas University professor and a recognized authority in civil procedure; Earl Cox, Houston attorney who has become well known for his work in trial procedures; Thomas W. Wassell, Dallas, an expert in insurance law and claims litigation, and Lee Jones, Jr., San Antonio, an authority on oil and gas law.

As Specialist
Turpin is recognized as a specialist in oil and gas law.

Lawyers from every part of the 15th Congressional District will attend the meeting. The institute was inaugurated a year ago and its aim is to continue the legal education of lawyers. The program will be presented similarly in each of the 21 Congressional districts in Texas during the next nine months.

Following the Odessa institute a dinner will be served to the registrants on October 8, at which time State Bar President Allen Crowley of Fort Worth will talk.

Surface Water Code Panel Is Completed

AUSTIN.—(AP)—Membership of the committee to revise and codify the surface water laws was complete Friday.

House Speaker Durwood Manford Thursday announced his list. Earlier, Gov. Allan Shivers and Acting Lt. Gov. G. C. Morris of Greenville had named their representatives.

From the House, Manford's appointees were: Reps. Preston Smith of Lubbock, Hiram Childers of Sweetwater, Jack Brooks of Beaumont, William S. Fly of Victoria, Byron R. Tinsley of Greenville and Douglas Bergman of Dallas.

Manford's lay appointees were: Lawrence R. Hagy of Amarillo, R. Dean Moorhead of Austin and Victor Bouldin of Houston.

Senators on the committee are Rogers Kelley of Edinburg, W. R. Cousins, Jr., of Beaumont, John J. Bell of Cuero, George Moffett of Chillicothe, Hill Hudson of Pecos, Pat Bullock of Colorado City, and these laymen: George Knapp of Houston; M. J. Raymond of Laredo and J. C. Cantrell of Princeton.

Shivers' appointees were John D. McCall of Dallas, J. T. Canales of Brownsville and Phil S. Hardy of Wexarkana.

Automobiles Break Out In Rash Of Blisters After Rain

PADUCAH, KY.—(AP)—Surgery—automobile, not medical—will be required to treat an outbreak of blisters here.

The puzzling rash greeted auto owners after Thursday's rain. Hoods, tops, fenders and doors of the cars were peppered with the bubbles. They varied from the size of a pencil dot to that of a dime.

The same tale of woe came from motorists at Cape Girardeau, Mo., Shreveport, La., and Tyler, Texas.

The blisters, reacting like those on the human skin, oozed water when broken. The quantity, however, was so slight that Dr. John B. Entrikin, head of the chemistry department at Shreveport's Centenary College, said "it seems doubtful we will be able to analyze it."

Others have suggested that humidity and possibly chemicals in the air may have caused the swelling.

Used car lots and insurance companies here seemed to be facing the greatest loss. Policy holders, according to the companies, have said they intend to file claims. In many cases, this will mean a new paint job for the mechanical patients.

Rankin News

RANKIN—Mr. and Mrs. E. D. Yates had as guests recently their daughter and son-in-law, Mr. and Mrs. Albert McKay of Raymondville. The McKays' went from Rankin to Dallas to visit their two daughters there.

Mr. and Mrs. R. O. White met their daughter, Mrs. Lewis Jordan, husband and baby daughter in Santa Anna recently for a brief visit. They attended the Hamilton-Coleman football game in Coleman Friday night.

Mr. and Mrs. R. O. White entertained in their home Monday night. Guests were Mr. and Mrs. S. H. Boyd, Mr. and Mrs. John Christy, Mr. and Mrs. W. O. Adams, the Rev. and Mrs. Don Cochran and Mr. and Mrs. Hamp Carter.

WCS Meeting
The Rankin WCS met recently in the Ross Wheeler home for a social. Attending were Mrs. E. D. Yates, Mrs. Walton Herral, Mrs. Don Cochran, Mrs. Bruce McGill, Mrs. S. H. Boyd, Mrs. Hamp Carter, Mrs. E. C. Higday, Mrs. Clint Shaw, Mrs. R. H. Johnson, Mrs. D. O. McEwen and the hostess.

The second session of the new Fall study, "Cooperation for a Christian World", was held at the Monday afternoon meeting of the Rankin WCS at the Methodist Church. Problems of the community and recommendations for local action were discussed by the group under the direction of the program leader, Mrs. D. O. McEwen.

A regular meeting of the Rankin P-TA was held at the high school Tuesday afternoon with 60 in attendance. The theme, "Cooperation between the Home and School" was discussed. Hostesses for the meeting were Mrs. Frank Boyd, Mrs. H. C. Dishman, Mrs. Ed Guy Branch, Mrs. J. W. Kennedy, Mrs. J. L. Bodine and Mrs. M. C. Duer.

IN CHICAGO
Dr. H. Glenn Walker of Midland is taking a two-week refresher course at the Cook County Hospital in Chicago. He will return the first of next week.

WHY A STEEL STRIKE?

United States Steel wants to do what is right by its employees. We have always sought the loyal cooperation and friendship of our employees.

United States Steel favors proper programs of insurance, welfare, and pensions for its employees. We have had insurance and pension plans in effect for many years. We are ready and willing to try to work out with the Union through collective bargaining any changes in our existing programs for insurance and pensions which are now necessary or desirable.

Last week we made an offer to the Union to pay as our share of the cost of programs of insurance and pensions to be negotiated with the Union up to an average of 4 cents an hour for insurance and 6 cents an hour for pensions. That was a very substantial offer on our part. It would provide at our expense insurance and welfare benefits which our employees do not presently enjoy. The adoption of such programs would add more than \$50,000,000 annually to our costs of operation.

The Union flatly rejected this liberal proposal and called a strike against us. Why? Simply because United States Steel is not willing to agree in advance that it will pay the entire cost of insurance and pensions for its employees.

Because of the Union's adamant stand that we must pay the entire cost of insurance and pensions for employees, the Union has deprived our employees of an opportunity immediately to obtain, without additional cost to them, insurance protection far superior to that which the employees now possess.

United States Steel proposed to pay as its share of the cost of an insurance program about \$5.70 a month for each participating employee. A single employee would pay as his share about \$2 a month and an employee with dependents about \$3 a month. Our employees on the average are now paying under existing welfare arrange-

ments more than these amounts each month for lesser benefits. The payments by our employees under the proposed insurance program would not reduce their present take-home pay.

A proper and financially sound pension plan calls for most careful consideration. United States Steel has offered to join with the Union in making a joint study on pensions, and, upon the completion of this study, to negotiate with the Union for a pension plan to be included in a new labor contract, effective on May 1, 1950. As an indication of its good faith, United States Steel has offered to pay up to 6 cents an hour as its share of the cost of a mutually satisfactory contributory pension plan. Here again, the Union flatly rejected our proposal.

The only issue in the present steel strike is this:

Shall United States Steel be forced now to agree that it must pay the entire cost of insurance, welfare benefits and pensions for its employees? An assumption by the employer of complete financial responsibility would amount to the adoption of a major and highly costly principle, probably for all time. Moreover, such action by a large steel company would probably set a pattern for all American business. There is grave doubt as to the financial ability of American industry alone to pay the cost of adequate insurance and pension programs for employees. Furthermore, is it not in the best interests of the employee that he participate in the creation of a savings account for his future welfare?

Social security in which both employer and employee share the cost has been the established order in this country for many years, as evidenced by the Federal Social Security Act.

Why should our employees and the whole nation suffer the disastrous consequences of a steel strike, from which the employees have so little to gain?

UNITED STATES STEEL

Claims Mice Play While Cat's Away

LOS ANGELES —(AP)— While fireman Frederick Naranjo was on duty at the station house, he charges, fellow fireman Paul Fox took his place at home.
Naranjo, 31, conceding his wife, Terry, 24, had remained true to the department if not to him, Thursday pressed his divorce action, naming Fox, 30, as co-respondent. They worked at the same station but not the same shifts.
"Some of the neighbors thought Fox was a boarder and were amazed when they found that Naranjo didn't know about it," said the latter's lawyer, Maurice J. Hindin. "The Naranjo children were even referring to Fox as 'Daddy'."
Mrs. Naranjo denied all.

Polio Total Expected To Reach 41,000 Cases

NEW YORK —(AP)— The 1949 total of polio cases in this country is expected to reach 41,000 by the end of the year.
Basil O'Connor, president of the National Foundation for Infantile Paralysis, made the estimate Thursday. It is 1,000 above his previous estimate.
So far, he reported there have been 33,144 cases, the highest number ever recorded for one year in this country.
The previous record epidemic was in 1916, when about 30,000 persons were stricken.
Texas A&M College operates the only state-owned hotel in the United States, at College Station.

Jehovah's Witnesses Assembly Set Here

Visitors from over Northwest Texas will be in Midland this weekend for a Theocratic Circuit Assembly of Jehovah's Witnesses. Meetings will start Friday night, and continue through Saturday and Sunday in the South Elementary School, P. Venture, Midland minister, announced Friday.
M. M. Downie, representing the Watchtower Bible and Tract Society which is a non-profit corporation organized to handle the business interests of Jehovah's Witnesses, will be here from New York as the principal speaker.
He will give the opening address as chairman of the meeting at 7:15 p.m. Friday, speak at a public meeting at 3 p.m. Sunday on the subject, "The Only Light," and again at the closing session at 5:30 p.m. Sunday on the subject, "Forward Unto Life."

Papa Bayly, Father Of 14, Tells 'Em And Makes It Stick

HOLLYWOOD —(AP)— The Baylys—papa, mama and 14 children—have invaded Hollywood.
They established a beachhead at 20th Century-Fox Studio Thursday, pouring en masse from their specially built station wagon mounted on a bus chassis. After papa—Harry Bayly, 38, a clam-steamer—and mama, Veronica, 37, came:
Beverly, 18; Buddy, 17; Barry, 16; Barbara, 14; Betty, 13; Bradley, 12; Brian, 10; Bernice, 9; Blake, 8; Brenda, 6; Bernadette, 4; Beryl, 3; Bernard, 2; Benjamin, 1.
The Baylys, who drove out from their home in Troy, N. Y., plan to spend about 10 days here, offering a little technical advice on the filming of "Cheaper by the Dozen," story of large family life.
They talked Thursday with Jeanne Crain and Gregory Peck, and a big-eared studio publicity man said he heard this exchange:
"We've been married 19 years and this is our first vacation," said Papa Bayly.
Peck surveyed the scene and murmured: "You're telling me."

Warren—

(Continued From Page One)
we believe his past record in any way justifies his reappointment. By the very nature of his foreign philosophies we do not think he is fit to serve as a member of the Federal Power Commission, or in any other agency of free government.
"Olds confirmation as a member of the Federal Power Commission would result in inevitable bureaucratic stagnation of the natural gas producing and gathering industry in the United States. He represents an ideology which would subject the gas industry and its consumers to a "statism" control. Nothing could be in more direct opposition to the American code of industrial freedom.
"Unfortunately, some press reports erroneously said that our association had endorsed Olds confirmation. I realize such errors are easily and unintentionally made. But I believe, for the sake of the entire oil and gas industry, that the public should know our true position regarding Mr. Olds' appointment."

Navy Neptune Sets New Flight Record From Flattop Deck

SAN DIEGO, CALIF. —(AP)— A Navy Neptune bomber "worked like a clock" when it made the longest flight on record—4,886 miles non-stop—from an aircraft carrier.
Com. Frederick L. Ashworth of Palo Alto, Calif., was the pilot. He alternated at the controls with Lt. Cmdr. G. B. Morrison of Clearwater, Fla., co-pilot, and Lt. (JG) L. A. Cox of Atchison, Kan., the navigator. All got some sleep.
The plane, a twin-engine craft capable of carrying the atomic bomb, had 250 gallons of gasoline left when it landed here Thursday. It was 25 hours and 42 minutes in the air.
It was launched Wednesday from the Aircraft Carrier Midway off Norfolk, Va.
The plane left the Midway with a crew of seven on what the Navy termed a training flight.
Although the Navy declined comment, the flight coincided with Congress reopening investigation into charges that the Air Force is expanding at the expense of the Navy.
The plane refueled here and then left for its home base at Moffett Field, Calif.

Goals Of Year Are Studied On Program Of Shumate YWA

The Standard of Excellence chart, showing goals and progress of the organization, was presented to members of the Margie Shumate Young Women's Auxiliary of the First Baptist Church by the new president, Dorothy Raines, at a meeting Thursday night.
Edith Collins was hostess in her home. The chart showed accomplishments of the YWA through the past year, and its objectives for the year just started. The program Thursday, directed by Jean Godfrey, dealt with duties of the officers who were installed last month.
It was presented as a skit with Miss Godfrey acting as the doctor and the officers as patients. Participating were Miss Raines, Wilma Drake, Miss Collins, Ruby Nellie Braly, Nellie Clark, Maxine Tidwell, Faye Gregston, Anna Joyce Streeter, Dixie Wilson and Jane Mintz.
Dorothy Routh sang a solo, "Overshadowed," accompanied by Marie Williams, to open the program. Mrs. H. S. Collings gave the closing prayer.
Members planned a special meeting Tuesday night in Miss Braly's home to set for a community missions project.

Knox Is Director Of Bank At Pecos

PECOS—W. H. (BILL) Knox has been elected to the Board of Directors of the Security State Bank. Knox was elected Tuesday to fill the vacancy left by the death of Charles Miller.
Knox has been a resident of West Texas since 1923, when he came here from Tennessee. He has been distributor for Standard Oil products in Pecos since 1934, and worked for that company in El Paso two years before that.
Mr. and Mrs. Knox have two daughters, Mrs. Mildred Stanley of Lubbock and Mrs. Mary Catherine Poer of Monahans.

Federal Prisoners Plead Guilty To Amarillo Jailbreak

OKLAHOMA CITY —(AP)— Three federal prisoners who were captured here Wednesday after escaping from the Potter County jail in Amarillo, Texas, pleaded guilty to escape charges before District Judge Stephen S. Chandler.
The trio includes James Daniels, 22, Oklahoma City, sentenced to five years for instigating escape and attempted escape; David P. Early, 19, Denver, and Dwight Richard Butterfield, 21, Seattle, both sentenced to five years for attempted escape and violation of the stolen car act.
Still free in the gang that escaped Wednesday are Marion Moss, 31, a trustee serving out a drunk driving fine, and William Lester Buzard, 32, held on a federal check charge, both of Amarillo.
Bond was set at \$1,500 for the captured trio. Sentencing was scheduled Friday.

Pecos Merchants Seek Bracero Trade

PECOS — It is a sign of the times.
Little window cards reading "Se Habla Espanol" (Spanish is spoken) are finding places in local show windows.
The cards are placed in the windows for the special benefit of the many Mexicans who have been brought to this area to pick cotton.
Pecos has a fairly large Latin American population and while all of them speak Spanish, most of them are bi-lingual, speaking English, too.

Rev. W. J. Hall Resigns Del Rio Pastorate

DEL RIO — The Rev. William J. Hall, pastor of the First Christian Church here since Aug. 15, 1946, has resigned to accept a similar pastorate at Gladewater. The resignation is effective November 1.
Mr. Hall is the son of Mr. and Mrs. S. P. Hall of Midland. He is a graduate of Texas Christian University in Fort Worth.

Rites Held Thursday For Drowning Victim

Funeral services were held at 3 p.m. Thursday in the Terminal Baptist Church for Donald Pugh, 18-month-old son of Mr. and Mrs. Ralph B. Pugh. The Rev. Curtis Rogers, pastor, officiated. Interment was in Rest Haven Memorial Park.
The child drowned Wednesday afternoon in a surface stock tank located near the family home about five miles south of Terminal.
Survivors include the mother and father and the paternal grandparents Mr. and Mrs. L. O. Pugh, all of Midland and the maternal grandparents, Mr. and Mrs. W. L. Sanderfer of Martin, Texas.

Story By Pecosite Will Be Published

PECOS—M. W. Bessent, senior English major at the University of Texas, has had his first short story accepted for publication by the Arizona Quarterly.
The story, entitled "The Luckiest of Men," will appear in the Spring, 1950, edition. The Quarterly is published by the University of Arizona.
Bessent is the son of Mr. and Mrs. W. B. Bessent. He has served as substitute editor for the Pecos Enterprise on two occasions.

Synthetic Fuels Not Needed Before 1961, Says AIME Speaker

SAN ANTONIO —(AP)— The U. S. will not need synthetic fuels from coal and oil shale before 1961, an oil executive declared.
A. L. Soliday said Thursday that synthetic fuels will appear only when petroleum no longer can meet the needs of the nation's motorists, industries and armed forces and when they can compete economically with petroleum products.
The executive vice president of Standard Oil & Gas Company, Tulsa, spoke at the Fall meeting of the Petroleum Branch, American Institute of Mining and Metallurgical Engineers.

Six Days Of Freedom End For Life-Termer Grandstaff

NASHVILLE, TENN. —(AP)— Six days of freedom have ended for life-termer Frank Grandstaff. He was returned to Tennessee State Prison Thursday night after a furlough in Texas to hear a 70-page cantata he composed on the wall of his solitary cell. "Uppermost in his mind was the question, 'What's all this going to lead to?'"
"I'm like a thirsty man who's had a drink of water," he added. "Am I going to get any more?"
Only Gov. Gordon Browning can answer Grandstaff's questions, and he holds out little hope of a pardon for the next, 47-year-old man who is one of the few ever given a life sentence in this state as an habitual criminal.
"There is no prospect for any action at this time," Browning said. "A few people have asked me to pardon Grandstaff, but I doubt if they know and understand his record. I have nothing under consideration at this time."
Convicted 28 Times
Grandstaff's record includes 20 convictions, mostly on larceny charges. He was sent up for life at Memphis almost 10 years ago when he was convicted of stealing a radio. Grandstaff himself isn't too hopeful.
"I guess I'm back to stay," he told Warden Glenn Swafford, who met him and Sheriff Bob Wolf of Howard County, Texas, at the prison gate.
Grandstaff's six-day leave was granted by Browning at the request of citizens of Big Spring, headed by Druggist Earl Phillips, who wrote the history of the West Texas city which inspired the prison-written cantata.
