

Four Persons Found Shot To Death

Bodies Are Discovered By Neighbor

FORT WORTH—(P)—Four persons were found shot to death Monday at their home in suburban Oak Knoll.

They were identified by neighbors as: Mrs. Richard G. Finch, about 33; Penelope Finch, eight, her daughter; Allan Finch, seven, her son, and Mrs. Edith S. Walker of San Antonio, identified as the children's maternal grandmother.

The grandmother's body was found on a bed in an east bedroom. She apparently had been shot through the mouth. Her head lay in a pool of blood. A .22 caliber Colt revolver was found about three inches from her hand.

The girl and her mother were found in the same bed in a center-room.

All bodies were clad in night clothing. Investigators said the deaths apparently occurred Saturday.

Neighbors said the husband and father had not been at the residence for several days. He has been on a leave of absence for two years from American Airlines, with whom he was a pilot.

The airline said Finch was reported at the home of his parents, Mr. and Mrs. F. R. Finch in Ann Arbor, Mich.

An acquaintance of Finch's, Bill Wing, an American Airlines copilot, said Finch was a colonel with the Air Force's Air Transport Command during the war and was known as a top-notch flier.

Finch raised chinchillas here. Mrs. Finch said she had seen the family Saturday. Neighbors said the grandmother had come here only recently.

Cleaning Fluid Causes Death Of Midland Child

Little Barbara Pomeroy, one year-old daughter of Mr. and Mrs. William H. Pomeroy, Jr., died at 3:30 p.m. Sunday in a Midland hospital. The little girl drank from a bottle of cleaning fluid an hour and a half before she died.

Services were scheduled in the Ellis Chapel at 2 p.m. last night by the Rev. Vernon Yearby, pastor of the First Baptist Church, officiating.

Interment was to be in Rest Haven Memorial Park.

Surviving are the parents and a four-year-old brother, William H. Pomeroy, III, all of Midland.

Funeral services were to be Robert W. Stuart, Paul Davis, Phil Yeckel and Pete Tyson.

Lutons' Conditions Reported Improved

The conditions of Mr. and Mrs. Oscar Luton of Midland, who are in a hospital at Henryetta, Okla., were reported improved Monday.

The Lutons were injured seriously in an automobile accident last week. They will be confined to the hospital for several weeks. He is suffering from broken shoulders and ribs and she is suffering from various injuries.

OFF BACK ON FORCE

Willard Opp, a former member of the Midland Police Department, Monday returned to the department as a motorcycle officer.

Eight Killed, 54 Injured In Tornadoes, Rains, Fog

By The Associated Press

Tornadoes, rain and fog combined to kill at least eight persons and injure 54 others Sunday night and early Monday.

The swirling tornadoes took one life and injured four persons Sunday night in the Great Plains.

A Rock Island passenger train roared off the rails at a track wash-out caused by heavy rains near Meade, Kan., killing four and injuring 20.

Near Cheyenne, Wyo., a slick Airways plane diverted from its Denver destination because of limited visibility due to rain and fog, hit a knoll here, killing its crew of three.

In a suburb of Lincoln, Neb., Sunday lunch tornado slipped to earth and leveled a house. Mrs. Stella Morris, 78, was killed. Two others in the house were treated for injuries.

The damaging winds skipped and jumped over Oklahoma. One woman was injured at Shapok, Okla., a small farm community 80 miles southwest of Woodward.

In Russell, Kan., a small tornado lashed down Main Street. One woman was injured critically, but on the edge of town 500 farmers danced on at a VWV hall as the winds whirled.

The whirling gales smashed at Hutchinson in Central-Kansas and took a swipe at Kansas City, Mo., where the roof flew off one house.

The improved weather situation in Idaho permitted hunters to bush whack their way back into the game country. A snow storm in the mountains last week temporarily massacred hundreds. One hunter was dead and one missing.

Searchers were looking for Eddie Grant, 22, of Gifford, after the body of Mrs. Louis Schreengost, 77, of Rose Lake, had been found.

Blood Tests Solve 'Mix-Up'

Two happy mothers were Mrs. Robert Strayer, left above, and Mrs. James Shanley, right, as they left a Ravenna, Ohio, hospital, satisfied they were taking home the right babies.

The mothers, hospital roommates, had been in doubt about their babies after the surgeon who attended them found what he believed were instrument marks on the Shanley baby, which hadn't been delivered by instruments.

After "two hectic days," blood tests at three different hospitals proved there had been no mix-up.

They continued before the House Armed Services Committee the Navy's barrage against a defense policy that puts so much of military funds into the giant, six-engine bomber.

Cmdr. W. I. Martin, executive officer of the Pacific Fleet All-Weather Training Unit at Barbers Point, Hawaii, likened the B-36 to a "moving van."

It is "unacceptably vulnerable" to night fighter attack, he contended.

Russian Fighters

Testimony that Navy jet fighters can intercept planes like the B-36 came from Martin, from Cmdr. W. N. Leonard, skipper of a jet fighter squadron based on Cecil Field, Jacksonville, Fla., and from Cmdr. Alfred B. Metzger of the Pacific Fleet Air Force.

And, Metzger said, it is no secret that Russian fighters "appear to equal or better, in fighting ability, the best in service in this country."

As for detection, Lt. Cmdr. E. V. Harrison said radar can track rockets and reach the moon, so it certainly can spot a high flying bomber.

Harrison, who is attached to the electronics division of the Bureau of Aeronautics, told the committee: "We have, and can expect any potential enemy to have, radar equipment and interceptor aircraft capable of detecting, intercepting and bringing about the destruction of large, very heavy bombers regardless of how high they fly."

Members of the committee have indicated deep concern over reports that Secretary of Defense Louis Johnson plans further cuts in spending for the Navy and its air arm.

Representative Bates (R-Mass) urged that Johnson be called before the committee and asked to give his detailed reasons for the cuts which cut deep in the Navy's air arm.

Chairman Vinson said that "of course we are going to get Johnson up here."

He stated the House has been marking time, waiting on the Senate, since acting on the Social Security measures. Action on several conference bills is about all that is left for the 81st Congress, the Midland legislator added.

Many of the representatives and senators already have departed for their homes.

Regan was busy in his Midland office Monday, trying to catch up with business matters which have been stacking up during his absence.

He will be an honor guest at the Great Day celebration there Thursday and is scheduled to speak in Odessa Friday.

Lightning Strikes Oil Tanks At Crane

CRANE—Fire Sunday night destroyed a battery of 600-barrel oil tanks on the east end of the Texas Company strip, former Landreth lease, about four and a half miles northwest of Crane, after lightning struck the battery's "gun barrel" about 9:10 p.m.

The electrical storm, accompanied by high winds, hit the Crane area earlier in the evening.

The "gun barrel" and three of the four tanks were full of crude oil.

Members of the Crane Volunteer Fire Department and others battled the blaze until it burned out about 3:30 a.m. Monday, preventing a possible explosion and the spread of the fire to other tanks on the lease.

Dikes were dug around the tank battery. No injuries were reported.

The fire was discovered and reported by N. A. Layfield and Roy Frazer, pumpers on the Gulf Shiroy lease.

J. O. Caffey is the production superintendent for The Texas Company at Crane.

Increased Cotton Estimate Forecasts Marketing Quotas

WASHINGTON—(P)—A bumper Texas cotton crop of 5,500,000 bales was predicted by the U. S. Department of Agriculture Monday.

However, the department's estimate was based on October 1 conditions. Since then a hurricane, heavy rains, winds and high water have hurt the crop.

For the nation as a whole a crop of 15,466,000 bales of 500 pounds gross weight was predicted. This is 503,000 bales more than the 14,963,000 bales forecast a month ago and is well above both the 1948 crop (14,868,000 bales) and the ten-year average of 11,306,000 bales for the years 1938-1947.

The department said the Texas crop was 92 per cent of normal on October 1 and would run 256 pounds to the acre.

The crop apparently is large enough to require the government to propose rigid marketing quotas on 1950 production to prevent a top-heavy surplus. Quotas would have to be approved by at least two-thirds of the growers voting in a referendum.

A decision on quotas must be made by Secretary Brannan by October 15. A referendum, if ordered, probably would be held by December 10.

Condition 74 Per Cent

In an accompanying report, the Cotton Bureau said 5,309,240 bales of this year's crop had been ginned prior to October 1. This compared with 5,306,456 bales ginned to the same date last year and 3,907,801 the year before that.

The yield of lint cotton to the acre averaged 286.2 pounds compared with 313.1 last year and 254 for the ten-year average.

The condition of the crop on October 1 was reported as 74 per cent of normal compared with 75 per cent a year ago and 71 for the ten-year average.

Production of American-Egyptian cotton was put at 5,200 bales compared with 3,800 last year and 29,500 for the ten-year average.

The indicated condition of the cotton crop October 1, the yield per acre and production, respectively, by states included:

Arkansas 67 per cent of normal; 335 pounds to the acre and production 1,670,000 bales; Louisiana 72, 291 and 630,000; Oklahoma 80, 199 and 480,000; Texas 83, 256 and 5,500,000; New Mexico 82, 440 and 296,000; Arizona 98, 598 and 690,000; California 91, 652 and 1,300,000.

Senae Action On Olds Is Delayed

WASHINGTON—(P)—The Senate this week may hand President Truman a defeat on one warm political issue, with the outcome doubtful in another.

Unless there is an unexpected change in sentiment, the Senate seems likely to slap down the President's reappointment of Leland Olds to a third term in the Federal Reserve Commission.

The results are in doubt in a back-stage fight over the President's demand that Congress broaden the base and raise the quota for admission of displaced persons from Europe.

Otherwise unrelated, these two issues are expected to play a part in next year's struggle between the Republicans and Democrats for control of Congress.

Truman used the DP issue in last year's campaign, calling the law passed by the Republican 80th Congress "anti-semitic and anti-Catholic." If action on its revision is blocked by the Democratic 81st, Republicans may have something to say about that.

Senator Lucas of Illinois, the Democratic leader, previously had scheduled action on the Olds appointment Monday, but the death of Senator Miller (D-Idaho) will cause a delay until Tuesday on this and other matters.

Fire Prevention Week Observance Underway In City

The observance of Fire Prevention Week opened Sunday in Midland and will continue through Friday.

Home inspection blanks were to be passed out in all schools Monday and the first day of fire drills were scheduled in the schools.

The "gun barrel" and three of the four tanks were full of crude oil.

Members of the Crane Volunteer Fire Department and others battled the blaze until it burned out about 3:30 a.m. Monday, preventing a possible explosion and the spread of the fire to other tanks on the lease.

Dikes were dug around the tank battery. No injuries were reported.

The fire was discovered and reported by N. A. Layfield and Roy Frazer, pumpers on the Gulf Shiroy lease.

J. O. Caffey is the production superintendent for The Texas Company at Crane.

Contributions For Little Girl Near \$800; More Listed

Funds contributed by generous Midlanders and West Texans to help little Wanda Ruth Nazworth in her fight for life against cancer approached \$800 Monday.

Contributions received Monday included: \$15 from the Church of God, \$9.20 from the Wesley Bible Class of the First Methodist Church, \$6.85 from the Esther Sunday School Class of the First Baptist Church and \$10 from the Fellowship Class of the First Methodist Church.

Approximately \$700 was turned over to the child's grandfather last week and several contributions have been received since then.

100 Guests Escape Chicago Hotel Fire

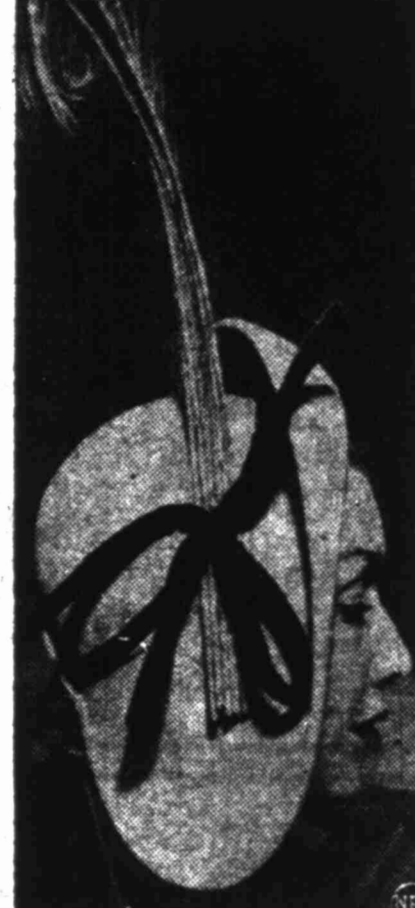

CHICAGO—(P)—More than 100 persons stumbled sleepily from the Garden Hotel early Monday flames cracking at their heads.

The stubborn blaze, belching a column of flame 100 feet into the air, turned the three-story brick building into an inferno.

The hotel, in the South Side negro district, is one-half block long.

Smoke overcame six fire fighters and a few residents of the hotel. However, no other injuries were reported.

Hat Harmony

New York milliners are designing head-fitting hats to harmonize with the short hairdos sweeping the country.

Milady's brief coiffure is accentuated by a long, sweeping, orange feather on her bonnet. The profile-brim model is in white velour, trimmed with black velvet bows.

County Bond Ballot Slated November 8

A special election on the proposal to issue \$200,000 in bonds for the construction of a Midland County Park Building was called November 8 by the Commissioners Court at its session Monday.

The court action followed the presentation of petitions signed by approximately 100 qualified taxpayers voters, asking the special election.

The bond election will be held in conjunction with the special state election on 10 proposed constitutional amendments and another county proposal to authorize the levying of an additional road tax not to exceed 15 cents on the \$100 valuation, for further maintenance of public roads within the county.

The election on the proposal was called by the Commissioners Court September 28.

The bonds, if approved, would bear interest not to exceed three and one-half per cent.

The Park Building project was sponsored by the Midland Chamber of Commerce. The petitions, presented Monday, were circulated by the JayCees under the direction of Horace Burton chairman of their Public Affairs Committee.

The C. U. Park Building would be of brick and tile construction with dimensions 308 feet deep and 140 feet wide at the front, narrowing to 140 feet in the rear.

The auditorium would seat 2,500 persons. A stage of regulation size is provided in the plans.

The building would be used for fairs, stock shows, conventions, athletic events, shows and other community gatherings. Removable stalls for livestock shows are provided in the plans.

Midland Fair, Inc., has offered five acres of land adjacent to the rodeo grounds on U. S. Highway 80 for the building. Location for the structure has not been decided.

Ellenburger Wildcat Scheduled in Howard

Southern Minerals Corporation and Forest Oil Corporation are to start operations within ten days at their No. 1 R. V. Guthrie, which is contrasted as a wildcat to 9,000 feet to explore into the Ellenburger in Northwest Howard County.

The prospect will be at the center of the southeast quarter of the southwest quarter of section 26, block 31, T2P survey, T-1-N-8.

That will make it two miles northwest of Coahoma. Contract to drill the well is with the David-son Drilling Company of Fort Worth.

This project had previously been reported from unofficial sources. This report is from the operators.

N-C Scurry Project Is Spotted By Hamm

William Hamm, Jr., of Fort Worth, No. 1 J. A. Joyce is to be a 7,000-foot rotary wildcat to test the Canyon reef in North-Central Scurry County, about four miles north and a little west of Snyder.

The derrick will be 467 feet from north and west lines of the southwest quarter of section 16, block 1, J. F. Smith survey, and one mile southeast of Standard-Fryer Drilling Company No. 1 Wilkinson. Recently completed discovery from the Canyon reef between the Kelly and North Snyder.

Drilling with rotary tools is to get under way immediately.

Wilshire Plans Four Scurry Explorations

Wilshire Oil Company of Midland and Los Angeles, Calif., has staked locations for four 7,000-foot wildcats to test the Canyon reef line on the west side of the north extension to the Kelly field in Central-Central Scurry County.

Drilling with rotary tools is to get under way immediately.

Standard Oil Company of Texas is preparing to take official potential tests in No. 1 Dunn, discovery from the Canyon reef line in Northwest Mitchell County, about eight and one half miles southwest of the closest Canyon producers in the Sharon Ridge field of Southwest Scurry County.

This new field opener flowed 20 hours through a one half inch tubing choke from perforated section in the top of the Canyon at 7,565-55 feet.

A total of 829 barrels of oil, plus five barrels of water was produced in the 20-hour period. Gas-oil ratio was 1,700-1, and gravity was 47.5 degrees. Open flowing tubing pressure was 1,175 pounds.

This wildcat producer is five miles east of Vincent and 1,880 feet from south and 660 feet from west lines of section 64, block 20, Lavaca Navigation survey.

It drilled to a total depth of 8,325 feet in the Ellenburger. Top of that formation was 1,236 feet. That some made sulphur water with a slight show of gas.

The well is now plugged back to approximately 7,885 feet in the Canyon.

C-N Scurry Venture Reported in Canyon

Progress Petroleum Company of Texas, and associates No. 1 Carden, Central-North Scurry County wildcat, two miles north of the North Snyder, field, and 13 miles south of the town of Snyder, is reported in unofficial quarters to have topped the Canyon reef line at 6,282 feet, on an elevation of 2,486 feet.

The venture is credited by unofficial sources with having run two drillstem tests with the total depth at 7,008 feet. The first test is said to have recovered some oil and gas cut drilling mud was 2,486 feet. The second test is reported by the rumors to have had some oil and gas cut mud and some water.

Source of the water was not reported. There is no verification of either of these reports. The venture is said to be preparing to drill deeper from 7,008 feet.

Location is 660 feet from east and 467 feet from south lines of section 603, block 97, H&TC survey.

Stanolind Takes DST At Scurry Prospector

Stanolind Oil & Gas Company No. 1 Whalley, another Central-North Scurry County wildcat, three and one-quarter miles north of the Northwest side of the North Snyder field, and 660 feet from south and east lines of the southwest quarter of section 449, block 97, H&TC survey, was bottomed at 7,185 feet in the Straw line well and was taking a drillstem test.

The zone at 7,580-82 feet showed some oil stains and some porosity. This venture found the Canyon reef low, and only slight signs of oil and gas in that horizon.

Ellenburger Wildcat Scheduled in Howard

Deal Is Set For Bill Boyd And Abbott, Costello Film

By ERSKINE JOHNSON
NEA Staff Correspondent
HOLLYWOOD—A deal is about set for Bill Boyd to co-star with Abbott and Costello in "Abbott and Costello Meet Hophalong Cassidy." Just five per cent of the profits and I'll be happy... Deanna Durbin launches her concert tour in Lisbon this winter. Then she'll tour the U. S. . . . Joan Evans will have plastic surgery on her arm, burned in that "Roseanna McCoy" accident. . . . A movie expose of a used car racket, "Lead Dollar," written by Lloyd Gough and James Benson Nabli, is making the studio rounds. The picture uncovers devices used to "dope" cars, like sawdust in the crank case. Which reminds me: . . .

roll as of September 1 and collects his money every week for 10 weeks even though "Jet Pilot" is still being rewritten. It's his next after "The Fighting Kentuckian." . . . Ann Blyth goes to Dublin next year with her aunt and uncle to meet her Irish relatives for the first time. . . . Republic's new cowboy star, Rex Allen, gets only folk tunes in his series of westerns to avoid conflict with Roy Rogers' modern western ditties. . . .

No more supporting roles for Claire Trevor after release of "Borderline." The film definitely establishes her as a leading lady. Next starring role for Claire will be "Three for Bedroom C." . . .

The old Hollywood prophecy that death strikes members of the industry in groups of three has again been fulfilled. In quick succession, death caricaded the film contracts of Frank Morgan, Richard Dix and director Sam Wood. The three-death cycle dates back to the early twenties. . . .

Immediately after the death of Morgan, I heard all over town—"There will be two more." Even at the same time Dix was fighting for his life in a hospital, Wood's death came swiftly. . . .

Questions and Answers

Q—How are teak trees propagated?

A—To get teak trees, you plant stumps, not seeds. And you plant the stumps only just before or after the flowering of a species of bamboo known as kyathung. This bamboo flowers only once each 80 years. It is no use to broadcast seeds in the forest; they will not grow. . . .

Q—Where is the Statue of Hermes by Praxiteles?

A—Hermes with the Infant Dionysus, the only existing original work of Praxiteles, the ancient Greek sculptor, was found in ruins at Olympia in 1877. It is preserved in the museum there. . . .

Q—Is the American bison a true buffalo?

A—The American bison has long been popularly, though wrongly, known as the buffalo. A true buffalo has no hump over its shoulders. The American buffalo has a considerable hump, and is a bison. . . .

Q—What branch of the federal government checks up on patent infringements?

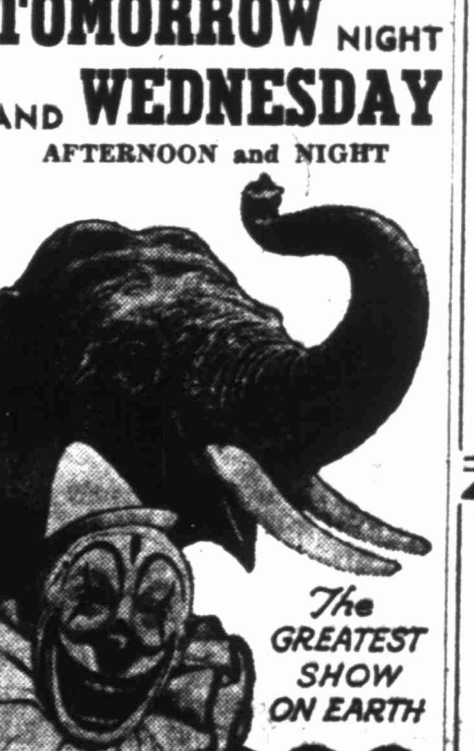

A—The federal government makes no effort to determine whether a patent has been infringed or not. This is handled through private attorneys and through the courts. . . .

Q—Was there ever a window tax in Great Britain?

A—In Great Britain and other parts of Europe, a tax was once imposed on all windows above a limited number, on the theory that if a man's house had windows he must be a rich man. It was abolished in England in 1851. . . .

11 Or More Texans Are Violence Victims

By The Associated Press
Texas' weekend violent death toll was at least eleven.
Ten persons were killed in traffic accidents, four in Bell County alone.
Two persons were killed Sunday and three injured when a truck and an automobile collided at an intersection at Freer, Texas.
Killed were J. H. Wellington, 62, Brunit, and Lewis G. Hall, 28, Corpus Christi. Hall's wife, Mrs. Lenora L. Jenkins, 84, and Francis Jenkins, 18, were injured.
The driver of the truck, Willis L. Mitchell, 26, was not hurt.
John H. Clary, 38, of Freeport, was killed early Sunday when his car and a truck collided near Rogers in Bell County. The truck driver was not injured.
Odessa Negro
Late Saturday Clarence Haynes, 35, a negro from Odessa, was killed when struck by a car while walking along the highway near Salado, nine miles south of Belton. No charges were filed by investigating officers.
The other two Bell County fatalities were Mrs. Clay House, 39, of Austin and Orlando Donald Sturlingson, 48, a civilian employe of Camp Hood. They were killed Saturday in a head-on auto collision near Salado. Mrs. House's husband was injured critically and Lt. John M. Battle of Camp Hood hurt less seriously.

Three Crewmen Die In Cargo Plane Crash

CHEYENNE, WYO.—(AP)—Forced off its regular route by storms, a Slick Airways cargo plane dashed three crewmen to death Sunday night in a crash near the Cheyenne Airport.
The San Francisco-to-Denver twin engine plane nicked a knoll three miles northwest of the Cheyenne runways while coming in for a landing.
First reports were that four had been killed. Coroner Wesley Schrader said an embalmed body that was part of the cargo had been mistaken for a passenger.

Officials Of 118th District Are Named Legally, Says Ruling

AUSTIN.—(AP)—There is no necessity for reappointing the judges of the newly-created 118th Judicial District, an opinion by the attorney general held Monday.
The opinion, by Assistant Attorney General Burrell Waldrep, answered a series of questions put by Elton Gilliland, Howard County attorney at Big Spring.
In its summary, the opinion held:
"The 118th Judicial District of Texas created by House Bill No. 379, acts 51st Legislature, 1949, came into existence on Oct. 5, 1949, having failed to secure the necessary two-thirds vote of all the members elected to the Senate."
"The terms of court, previously commenced while Howard, Martin and Glascock Counties were a part of the 70th Judicial District will be continued until the expiration of their terms. The newly appointed district judge of the 118th Judicial District may sit in all cases heard during these continuous terms."
"The court reporter for the 118th Judicial District will receive the same rate of pay as the reporter of the 70th Judicial District received on the effective date of the act."
"Although House Bill 379 did not go into effect as an emergency measure and the district judge for the 118th Judicial District was appointed and confirmed before the effective date of the act, there is no necessity for a reappointment in order for said judge to qualify for office."

Crane News

CRANE—Mrs. Coy Pope, Joan Echols and Sunny Ulrich recently went to Lubbock to visit Coylene Pope and Donald Lee Pope. Coylene is in nurses' training and Donald is a student in Texas Technological College.
The Pecos Valley Baptist Association will meet October 13 and 14 with the West Park Baptist Church of Pecos as host. General reports will be given at that time and every church in this association will be represented.
Mr. and Mrs. H. S. Huffaker of McCombs are the parents of a new son, Gary Lee. The baby weighed eight pounds, 13 ounces.

Tornadoes Skip About Oklahoma Panhandle

WOODWARD, OKLA.—(AP)—Tornadoes skipped about the Oklahoma Panhandle Sunday night, injuring one person and causing property damage.
Hardest hit was the small farm community of Glasgow, about 50 miles northwest of Woodward. Two houses and a filling station were damaged. Mrs. Elmer Brown, whose home was knocked over, suffered a fractured wrist.
The storm struck the outskirts of Laverne in Harper County. A twister also dipped down near Rosston.

SCRIPPS-HOWARD CHAIN EDITOR-IN-CHIEF DIES
WASHINGTON.—(AP)—George B. Parker, Sr., 63, editor-in-chief of the Scripps-Howard Newspapers, died here early Monday.
Death resulted from an internal hemorrhage. Parker became ill Wednesday night.

★ WE, THE WOMEN ★

How Many Of These 'Types' Can You Spot At Club Meets?

By MUTH MILLETT
NEA Staff Writer

There's one in every woman's club:

The Clothes Horse, who manages to make all the other women feel like frumpies.

The Memory, who slows down proceedings by pointing out what the club did about a certain matter in 1937—or was it 1938.

The Prodder, who is always trying to get the meeting back to the business at hand.

The Rambler, who takes ten minutes to make a minor point.

The Born President, who is determined to run the show whether her title is past or present.

The Giggler, who sits in the back and whispers and giggles throughout the meetings.

The Stickler, who always wants a vote taken.

The Dissenter, who can always be counted on to come forth with an objection.

The Grumbler, who votes with the crowd, but says how she really feels privately to one member after another after the votes are cast.

The Out-doer, who when it is her turn to entertain the club always has things a little fancier than she is supposed to—making it tough on the next hostess.

The Do-gooder, who never misses an opportunity to let the "girls" know what she's been up to, though pretty making light of it all.

The Handshaker, who wears the same bright, meaningless smile for everyone.

The Busy Bee, who always brings her knitting along.

The Crusader, who always has a cause she's working for.

The Absent-minded, who doesn't listen to what is going on and always has to have everything explained twice.

The Practical, who is always suggesting simple ways of doing things and getting nowhere because no woman's organization is interested in doing anything the easy way.

Got a club meeting tomorrow? See if you can't spot all these types. (All rights reserved, NEA Service, Inc.)

Creative Writing Group Of AAUW To Be Organized

Housewives and business women who have "always wanted to write" are invited to the organization meeting of the Creative Writing Group of the American Association of University Women at 7:30 p.m. Wednesday. It will be held in Office 1, 210 North Big Spring Street. All interested women, whether AAUW members or not, may attend.

Techniques of writing fiction and factual articles, poetry and plays will be studied during the eight-month series.

A secretary and treasurer will be elected Wednesday night and definite meeting dates and places discussed. Mrs. Brandon E. Rea is chairman. Further information may be obtained by telephoning her after 5:30 p.m. at Number 1070.

Crane Boys' Class Given Novel Party

CRANE—A "backward" party entertained boys of Mrs. Oran Faircloth's Sunday School Class in the Methodist Church recently. Games, refreshments and even the clothing of the members carried out the "backward" idea.

Present were Edward Bangman, Wayne Faircloth, Stanley Holcomb, Joe Allen Boyd, Billy and Jimmy Preslar, Leonard and Johnny Barker, Jimmy Bull, Lawrence LeBoeuf, Jimmy Swift, D. H. Culp, Ned Bunch and Johnny Burrow.

Mrs. Sharp Elected To Head Crane Club

CRANE—Mrs. W. G. Sharp was elected president of the Phillips Camp Ladies group at a recent business session. Mrs. T. E. Phemister was elected secretary.

Mrs. Herbert Schlittler won the prize in the games. Others attending included Mrs. V. E. Bennett, Mrs. H. E. Hunter, Mrs. Leonard Chandler, Mrs. F. G. Hall, Mrs. F. H. Brock, Mrs. P. D. Husted and Mrs. Phemister.

DR. C. L. BRADY

Good Heavens, Madame Schiaparelli - What Kind Of Faux Pas Is That?

McKenney on Bridge

By WILLIAM E. MCKENNEY America's Card Authority

One of the pleasures to receive from a bridge fan comes from Ernest C. Goudmit of Forest Hills, N. Y. It is a very fascinating smoother play.

The opening lead of the king of hearts was won in dummy. Declarer then led the eight of clubs, and when East did not cover, he let it ride.

When the queen held, the ace of diamonds was cashed, South discarding a heart from his own hand.

At this point declarer led a heart and West was employed. I have underlined the four cards remaining in all of the hands.

When the queen held, the ace of diamonds was cashed, South discarding a heart from his own hand. Another spade finesse was taken and the ace and king of spades cashed.

By EDWIN F. JORDAN, M. D. Writer for NEA Service

Osteoarthritis or hypertrophic arthritis really should not be called arthritis at all. It is really a mild degeneration or wearing out of some of the structures which go to make up the joints.

The exact cause or causes of this condition are not entirely understood. There may be an inherited factor, that is the cartilage and bone of people in some families may be particularly susceptible to early degeneration or osteoarthritis.

By EDWIN F. JORDAN, M. D. THE DOCTOR ANSWERS

QUESTION: Is there any special diet which can be used for an enlarged liver? ANSWER: The liver may be enlarged in several different conditions, including heart disease, kidney disease, as well as diseases of the liver itself and other disorders.

WASHINGTON (NEA)—Famed dress designer Madame Elsa Schiaparelli almost caused an international incident at a press conference she held while in the capitol for a two-day visit.

Her press agent, Dick Pleasant, interrupted by screaming "Good heavens, Madame, you mean the English women dress their best for golf. Remember, there are reporters here from the London papers."

Although assured by a reporter that she would make headlines in all of the American papers if she would comment on how Mrs. Truman wore clothes, Madame Schiaparelli would only reply: "How can I comment on how Mrs. Truman dresses? She is not one of my customers and I have never seen her."

Whether or not to spend money to keep a congressional ECA watchdog committee going is the item which held up passage of the whole ECA appropriations measure.

U. S. citizens may get a look at some of the highly publicized British jet transport planes soon. It is reported in London that the British manufacturers are going to fly over here in an attempt to make sales of some of the U. S. airlines.

Wind speeds of 175 miles per hour at great altitudes are not unknown and they are often strong enough to offset the increases in range and endurance gained by operating jet engines at their best heights.

INJURED BY HORSE WINTERS (AP)—Steve Norman, 13, suffered severe head injuries Sunday when the horse he was riding threw him.

Neither give heed to fables and endless genealogies, which minister questions, rather than godly edifying which is in faith: so do.—1 Timothy 1:4.

Possible Pattern

The avoidance of a strike in the plants of the Ford Motor Company is an achievement for which both management and union leaders deserve the nation's thanks.

The United Automobile Workers (CIO) agreed to a company proposal to establish a pension fund that would allow Ford workers to retire at 65 with a total allotment of \$100 a month, including regular social security benefits.

It is this last principle—non-contributory pensions—which has stymied the steel negotiations. The steel companies believe no pension program is sound that does not call for some worker contribution.

There can be little doubt that the Ford agreement will set a pattern for the rest of the motor industry. The issues are similar in the union's bargaining with the Chrysler Corporation, where strike action has been approved but no without deadline fixed.

Nothing would be more certain to upset resurging business in America than a wave of strikes. Some already are upon us. They need not have occurred had the principals met with the common will to find a workable answer.

Comes The Revolution

Revolution has struck the building industry. A couple of ex-Army engineers have perfected a bricklaying machine they say will step up bricklaying speeds three or four times.

Here's what we'd like to see come next: An automatic wall-painting machine that bears such delicate adjustments that it will daub anybody's walls with the exact shade the missus wants—and on the first try, too.

COFFIN NAMED TO TRINITY U. BOARD

SAO ANTONIO (AP)—Four new members have been named to the Board of Trustees of Trinity University.

Dr. Monroe G. Everett, president of the school, said the new members are Henry Coffield of Marfa; Frank Danley Newton, Jacksonville; the Rev. Kenneth Mauldin, Fort Arthur; and the Rev. J. Hoytt Boles, Denton.

Stories Related To Children In Library

Three stories, "The Little Circus Dog" by Jens Barr and "Nils" and "Foxie" by Ingt D'Aulaire, were told by Mrs. J. W. Carroll during the Children's Story Hour Saturday morning in the Midland County Library.

Among those present were John Marshall, Nancy Newkirk, Mimi Speed, Mackie Gibbs, Theresa McNeal, Margie Jo Crisman, Michael Smith, Milton Johnson, Cynthia Russell, Kenneth Pruitt, Billy Pruitt, James Brown, Hugh Hodges, Nita Lou Frizzell, Betty Melzer, Patric Daly, Judy Godfrey, Florence Marberry, Tommy West, Wanda Wright, Cynthia Lee Cobb, Scotty Engel, Harvey Mason, Cynthia Parkinson and Holiday McCutcheon.

At the Dunbar Branch of the library, Mrs. C. M. York told "The Golden Egg" by Margaret Wise Brown, "The Calico Cat" by Kathryn Jackson, and "Maggie's Glass" by Margaret O'Brien.

Those attending at the Dunbar Branch were Velma Jean Carroll, Audrienne Carroll, Robbie Mae Black, Edna Frances Mack, Willie Louise Black, Wanda Jean Black, Helen Rose Wadridge, Zula Mae Edrington, John Frank Campbell, Burl Lee Bonner, Johnnie Jefferson, Ivy Gipson, Nathaniel Harris, Melvin Jean McKenzie and Joyce Faye McKenzie.

Square Dance Is Given At Ranchland Hill

Members of the Ranchland Hill Country Club filled the ballroom and overflowed to the terrace for square dancing Saturday night when the club had the first of a series of semi-monthly square dances.

Mrs. E. W. Halfast was the guest caller and also the instructor for beginners. The club plans similar dances for the second and fourth Saturday of each month.

Another twice-a-month entertainment will start next Friday, card night for members. Bridge and other games will be played, starting at 8 p.m.

Reservations for the games are to be made with the hostesses, Mrs. Jim Noble, telephone 2202; Mrs. Jim Pierce, telephone 3042-2; and Mrs. Leon Pickett, telephone 1228-J after 5 p.m.

Dr. Golladay Will Be Speaker To P-TA At West Elementary

"Teamwork for Better Sex Education" will be the program theme at a West Elementary Parent-Teacher Association meeting at 7:30 p.m. Tuesday in the school auditorium. Dr. R. M. Golladay, a former teacher, a parent and a practicing physician, will speak to the group. A question period will be held after the talk.

The meeting is open to all interested and a special invitation has been extended to fathers of school children.

Dr. Golladay will discuss, among other things, sex education for the small child, problems that arise in the home and school and juvenile sex delinquency.

A nursery will be available during the meeting. Mrs. J. B. Eider is program chairman and Mrs. Hal Peck, hospitalist chairman, will be in charge of the refreshments. The P-TA's executive board will meet at 2:30 p.m. Tuesday as usual and will discuss plans for the Halloween carnival.

GENORA BROWN ELECTED SOCIAL CHAIRMAN AT H-SU

Genora Brown of Midland has been elected social chairman for the Sophomore Class of Hardin-Simmons University. She will serve during the 1949-50 school term.

GARDENER TO SPEAK

Mrs. Bud Wilson will discuss growing chrysanthemums at a meeting of the Perennial Garden Club at 8 p.m. Tuesday in the home of Mrs. O. R. Sharp, 2508 West Brunson Street. Mrs. George B. Christy will bring the flower arrangement.

Advertise Or Be Forgotten

Traditional Emblem Breakfast Opens Business Women's Week

A traditional Emblem Breakfast held Sunday morning in Hotel Scharbauer was the first event of National Business Women's Week for the Midland chapter of the Business and Professional Women's Club.

Club colors of green and gold were carried out in the decorations with pyracantha and marigold in a low bowl with matching side pieces used for the centerpiece of the table. Individual corsages were given the 29 guests with special corsages of yellow roses for the three charter members of the Midland chapter, Pannie Bess Taylor, Susie Noble and Laura Jesse, and Frances Carter, a charter member of another chapter and a state vice president.

The program was an explanation

of the symbols on the B&PW emblem by the four charter members. Other events scheduled during Business Women's Week, which will continue through October 16, are a dinner for members Wednesday, a radio skit the same day and a tea honoring Midland Public School teachers Sunday. The Wednesday dinner, which will be informal, will be held in the Ranch House and is planned to bring members together for better acquaintance.

Under the direction of Lillie Rose Melsamer, will be a quarter-hour program entitled "Boost Your Town—It Boosts You." Una Elliott, education and vocation chairman, will be in charge of the B&PW tea which will be held in the home of Pannie Bess and Cordelia Taylor, 405 North A Street, from 4 to 6 p.m. Sunday.

SOCIETY

Women Voters Hear Discussion On Proposed State Amendments

Pros and cons of proposed amendments to the state constitution, to be voted upon November 5, by Texas residents, were discussed for the League of Women Voters at the October luncheon in the Crystal Ballroom of Hotel Scharbauer Saturday.

Discussion on five of the amendments was in debate form, with an affirmative and a negative speaker on each. Mrs. George Putnam reviewed briefly the other five.

Mrs. R. A. Estes reported on a recent visit to a meeting of the City Council. The league program this year calls for its members to learn first-hand of city, county and school government by visits to the City Council, County Commissioners Court and School Board sessions.

Poll Tax Repeal

Discussing the amendment for repeal of the poll tax law, Mrs. Eric Bucher stressed that the privilege of voting should be without cost, and that more votes would be cast if there were no poll tax.

In opposition, Mrs. James H. Jones pointed out that the amendment calls for a registration fee for voters which would be required even for those over 60 years of age who are exempt from poll tax payment. She said also that funds from the poll tax which go to the state school fund must be supplied by some other tax if the poll tax is repealed.

In favor of the proposed pension plan for county officials, Mrs. Estes said that it will attract young people to service in county offices and help eliminate the rapid turnover of officials. She explained that the amendment would simply give the counties the privilege of adopting the plan if they wish.

Mrs. Robert Gage, the negative speaker, pointed out that the state constitution already permits a county to vote to pay its officials a pension, so the proposed amendment is unnecessary. She also said that salaries of county officials in general are too low to permit the five per cent deduction which the amendment calls for.

Health Unit Plan

Another amendment which would enable a county to act as its own residents' discretion was discussed by Mrs. William L. Waters and Mrs. J. S. Rodin. Mrs. Waters advocated the proposal for establishment of county-city health units, explaining that the present program for such a unit requires financing from the county's general fund whereas the new plan would provide a separate fund sufficient for improved services.

Mrs. Rodin argued that the plan would give the state too much control over the local units, that it does not give a definite program for administration of the units, and that it would be just another tax vehicle.

Mrs. Robert Gross, affirmative speaker for proposed annual meetings of the state legislature, said that such a plan would make for more business-like operation of the government and that the higher salaries it provides would induce better qualified men to seek legislative office.

In opposition, Mrs. Ernest Sidwell called the amendment "mis-

leading in wording," said that it would be illegal if present legislators voted to raise their own salaries, and that it would be costly without assuring better men in office because salaries would still be too low to attract more capable legislators.

Advocating the proposal to permit women to serve on juries, Pannie Bess Taylor said that women who may vote and hold office should not be barred from this phase of civic service by prejudice and old ideas that women are physically weaker, emotionally unstable, poorly informed and should be shielded from harsh facts.

Mrs. Joe Chastain, the negative speaker, argued that women should not be required to leave their children and home duties for such service, nor should they be exposed to the sordid aspects of some jury trials. She said also that counties would be put to added expense to supply quarters for women jurors.

Variety Of Books Added In September To County Library

Adult fiction and non-fiction and children's books added during the month of September have been announced by the Midland County Library.

Fiction books are The Plum Tree (Chase), The Track of the Cat (Clark), My Lamp Is Bright (Smith), Dead Souls (Gogol), The Second Confession (Stout), Barchester Towers (Trollope), Une Vie (Maupassant), The Bright Coin (Seifert), Rowan Heart (Ogilvie), The Little Sister (Chandler), A Mockingbird Sang at Chicamagua (Crabb), Mary (Asch).

More Fiction

Our Image (Gallico), The Conquerors (Cortain), The Golden Apples (Welty), Divine Mistress (Slaughter), A Passage to India (Forster), Mrs. Dalloway (Woolf), The Noose Is Drawn (Barber), Drawback to the Beat (Barber), The Fifth Dagger (Quirk), Design for Treachery (Saunders), The Thorne Smith Triplets (Smith), The Thorne Smith 3-Decker (Smith), The Wild Bunch (Haycox), The End of the Trail (Field), The Red Signal (Hill), The Seventh Hour (Hill), Patricia (Hill), Arizona Ames (Grey), Calling Nurse Blair (Hancock), Swift Water (Boring), Gay Course (Loring), Stars in Your Eyes (Loring), The Square (Terrell), and Once Upon a Time (Wilkins).

Harris' Book Popular

Houston Harris' best-seller, "In Our Image" has the list of non-fiction books. Others are Cattle Empire; the 3,000,000-Acre Xit (Nordyke), Father Flanagan of Boy's Town (Oursler), Happily Ever After (Spence), W. C. Fields, His Polka (Perry), The Path of Liberty, A Path to Its Recovery (Harper), Remedial Techniques in Basic School Subjects (Pernald).

Representative American Speeches, 1944-19 (Baird), Birds (Zim), Week-end Painter (Burton), Improvement of Basic Reading Abilities (Durrell), The Aspirin Age (Leighton), Washington and the Revolution (Knollenberg), Theory of Music (Jona), Handbook of First Puppets (Picklen), My Granny Van (Perry), Elements of Old English (Moore).

Studies Of Books

The Legend of the Book (Doane), Great Novelists and Their Novels (Maugham), Books That Have Shaped the World (Eastman), Pointers for Public Library Building Planners (Schunk), Standards and Planning for Public Libraries (American Library Association), A Treasury of Antiques (McBride), Furniture Treasury, Vol. III (Nutting) and Philosophy of Civilization (Schweitzer).

Children's books are Kit Carson (Toussy), Phantom Roan (Holt), Bisk Stallion and Satan (Farley), The Canvas Castle (Hager), Candy (White), The Little Grey Men (Watkins-Pitchford), Foxie (D'Aulaire), Pete the Crow (Dugro), Little Circus Dog (Barr), The Door in the Wall (DeAngeli), and Television Works Like This (Bendick).

Women Golfers To Have Luncheon

Women members of the Midland Country Club who play golf have been invited to a Dutch luncheon at 12 noon Tuesday in the clubhouse.

After the luncheon, plans for Ladies' Day, held each Wednesday at the club, will be discussed. J. C. Harwick, club pro, will discuss plans with the women, work out a ladder for Ladies' Day, and answer any questions that come up. All interested women members have been urged to attend.

DADDY RINGTAIL

By WESLEY DAVIS

Daddy Ringtail And Fire-Lighting Time

Sammy Ringtail, the monkey boy, woke up early this morning. He looked out the window and across the Great Forest. He could see far away, because the monkey house is high in the top of the tallest tree of all the Forest. There across the Whispering River, far beyond the trees and away, Old Mr. Sun was beginning to

climb up in the sky. Sammy snuggled back down in his bed with the cover over him. Oh, he knew that he ought to be getting up, but the morning was cold, and the bed felt good indeed. Then from the living room, Sam-

he smelled—wood smoke of a fire in the fireplace. The bumping noise had been the match to light the fire in the fireplace. Sammy jumped out of bed. He ran to the living room and across to the fire. How good it felt in the cold. How good it smelled. How merry was the crack and pop of the flames.

Daddy Ringtail laughed to see him hold out his hands to the fire. Mother Ringtail laughed too. Sammy's smile was big from ear to ear, because the fire felt good all over to him.

"No," Mother Ringtail said, it doesn't seem possible that fire-lighting time is here again, and that Summer is gone for another year."

Oh, but it was possible. It was really true. Fire-lighting time was back again, and fire-lighting time is always a happy time. A fire feels good in the cool of the morning when the air is fresh and clear and cold. A fire looks pretty to see. Happy days, happy mornings, now that fire-lighting time is here again. Aren't you a little excited that Summer is going or gone at your house? I am. (Copyright 1949, General Features Corp.)

my heard a voice. Mother Ringtail was saying: "It doesn't seem possible. It doesn't seem possible at all." Daddy Ringtail said: "No, it really doesn't." Sammy listened some more. He heard a noise of something being dropped on the floor. He heard a noise of scratchy scratch. Everything was quiet for a minute, and then came a little noise of crackling and popping. Sammy sat up in bed. He sniffed at the air. Why, that was smoke

Yank Win Makes Ol' Case Stengel's Dream Come True

BROOKLYN—(AP)—Casey Stengel, "the old clown," is enjoying the laughs Monday instead of providing the laughter.

Stengel, who has more money than he can spend, has realized a life long ambition—manager of baseball's world champions.

The New York Yankees made old Case's dream come true. Stengel, 56-year-old veteran of the wars, gave all the glory for winning of baseball's highest honors to the team at the Yankees' victory banquet Sunday night.

The well-beloved manager said in summarizing the hard campaign: "The Yanks were united like our flag."

"They were the most unselfish group ever put together and never sulked at any time," Stengel said. In the midst of his speech Stengel remarked, "I may stay another year but if I had lost I would have been gone."

Stengel was on the spot when he accepted the helm of the Yanks, who had finished third under popular Bucky Harris in 1946.

Sport

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, OCT. 10, 1949—7

New York Yankees Win World Series In 10-6 Slugfest

BROOKLYN—(AP)—The New York Yankees, Ol' Casey Stengel's "Invalids of Destiny" won the World Series from the startled Brooklyn Dodgers for several reasons—but the most important was the Reynolds-Page bullpen combination.

Because he had the right relief men when he needed

them most, Stengel led his assorted cripples to the winners' share of the jackpot—\$5,884 for each Yankee.

Pitching usually tells the story of a short series. It was no different in the five-game 1949 set. Only this time it was the relief work of Allie Reynolds and Fireman Joe Page that stood out after the Yanks and Dodgers swapped 1-0 shutouts in the first two record-breaking games.

Certainly there were other stars. Bobby Brown for his .500 batting average, Johnny Mize for his 1,000 pinch hitting, Tommy Henrich for the homer that won the opener and little Phil Rizzuto for his superlative shortstop play.

Reynolds and Page But out front there were the two "big" men of the Yankees' 12th series triumph in 16 tries—Reynolds and Page.

Page, of course, ran true to form. Hadn't he marched from the bullpen 60 times during the regular season, 20 of them to save Reynolds?

Reynolds' brilliant performance of no runs and only two hits in 12 1/3 innings was a direct right-about-face. "Old Wahoo" completed but four games in 31 starts.

Allie threw his two-hitter 1-0 in nullifying Don Newcombe's 11 strikeouts with nine of his own. Preacher Roe blanked the Yanks' Vic Raschi the next afternoon. Then the bullpen corporation took over.

It was Page with a 5-2/3 inning "zopper" after Tommy Byrne went bad in the third game. Reynolds bailed out Lopat by retiring the last 10 men in succession in the fourth.

Things Ended Normally Things ended normally at Ebbets field Sunday afternoon, with Page ambulating in to finish what Raschi started. Working with only two days rest, like Newcombe in Saturday's sad effort, Raschi pitched in the Dodger seventh. A 10-2 lead melted to 10-6.

There was nobody on when Page walked in. Normally the joint is jumping. But Gil Hodges had just unloaded a three-run homer as a parting shot to Raschi.

Page didn't let up in the ninth. He ended matters with a flourish. Following a menacing pinch double by Eddie Miksis, he whiffed Duke Snider, the most striking man in the series, and fanned Jackie Robinson. He lost Gene Hermanski on a walk. Gil Hodges worked the count to 2-2 and beat the breeze on the next. That was all.

Bums Glad It's Over It was all over but the post-mortem. They were brief, too.

"That last week was tough for both clubs," said Stengel in the clubhouse. "They had to beat the Phillies; we had the Red Sox. We had just enough to last five games more, that's all."

Shotton was philosophical about the whole thing. He whiffed the Dodgers seemed glad it was all over. "They have got a little bit more what you need in a World Series," said Shotton, "but we'll be better when we meet them next Fall."

The consensus was that the Dodgers would have to be better by next Fall if they're going to win. They gave it plenty of hustle, but their pitching just wasn't deep enough.

Sunday's score:

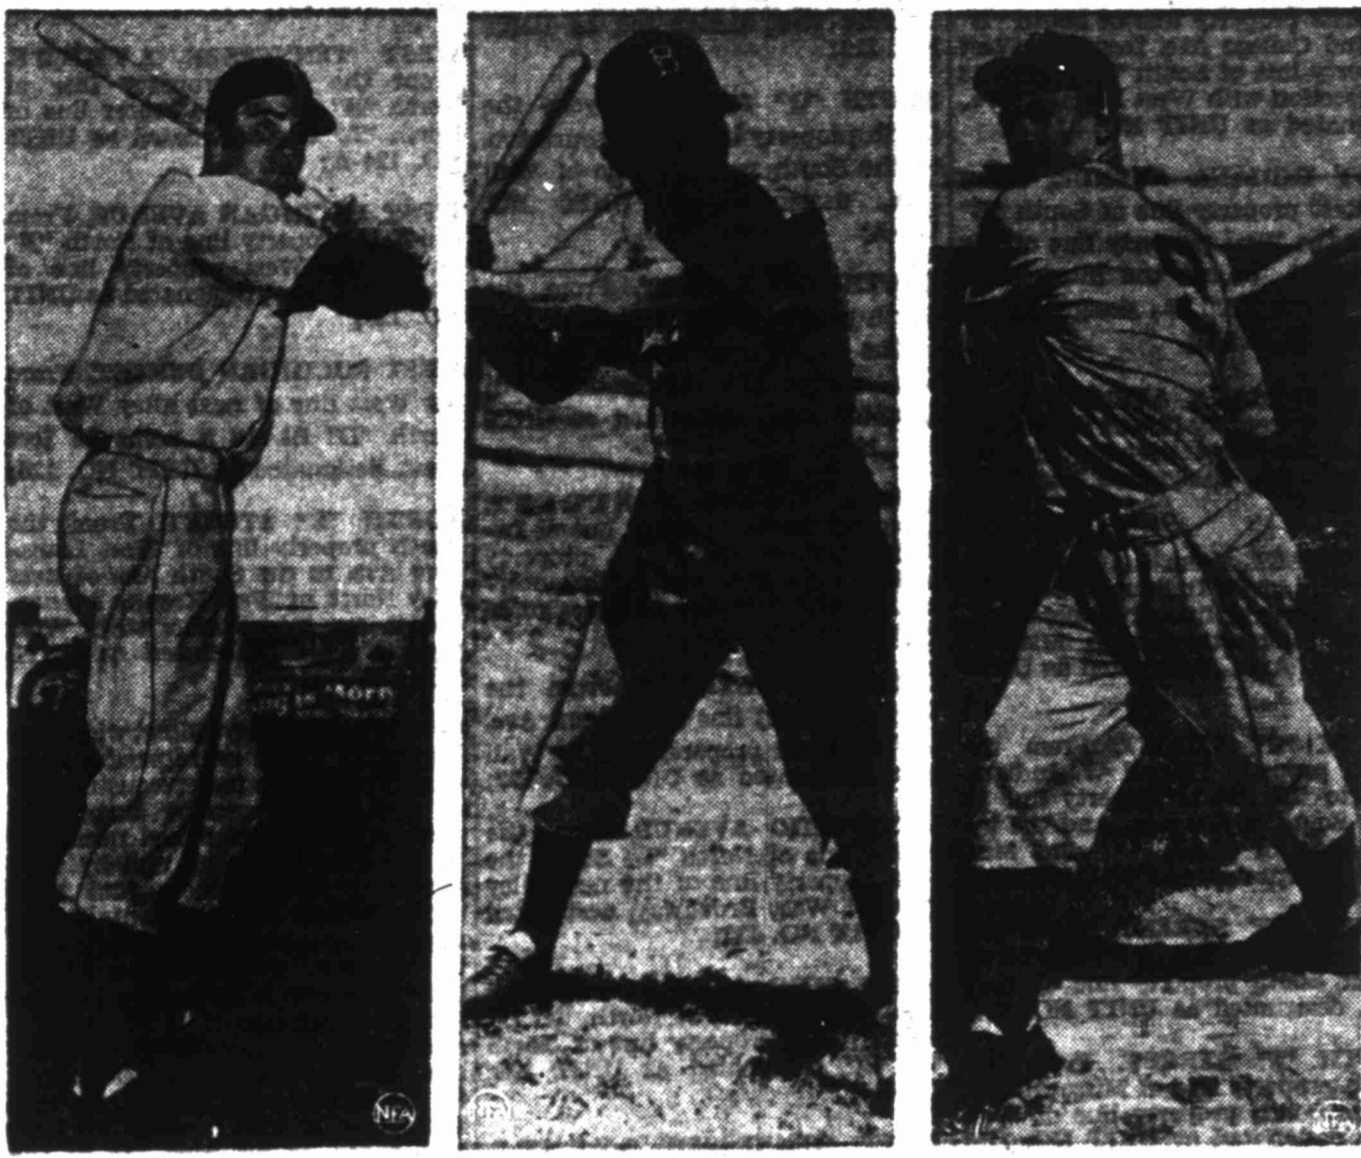

R. H. E.
New York (A) 203 113 000—10 11 1
Brooklyn (N) 001 001 400—6 11 2
Raschi, Page and Berra; Barney, Banta, Erskine, Raschi, Minner and Campanella. Winning pitcher, Raschi; loser, Barney.

13 Records Fall In 1949 World Series

NEW YORK—(AP)—Following is a list of the major league team records broken in the 1949 World Series.

Most World Series won, New York (A) 12 (old record 11, New York A).
Most World Series played, New York (A) 16 (old record, 15 New York A).
Most World Series games won, New York (A) 58 (old record 51, New York A).
Most series won in five games, New York (A) 4 (old record 3 by 3 clubs).
Most series lost in five games, Brooklyn (N) 3 (old record 2 by 5 clubs).
Most players participating in five-game series one club, 25, Brooklyn (N) (old record 20 by five clubs).
Most players participating in five-game series both clubs, 40, Brooklyn (N) 25, New York (A) 20 (old record 40, Brooklyn and Boston, 1916).
Largest player receipts pool for five-game series, \$490,859.76 (record player pool receipts is \$493,514.83 in seven-game series between New York and Brooklyn in 1947).
Most at bats total series, New York (A) 2,798 (15 series).
Most pinch-hitters used one club five-game series, Brooklyn (N) 9 (old record 8, Chicago (N) 1929).
Most pinch-hitters both clubs five-game series 13 (old record 11, Chicago (N) and Philadelphia (A) 1929).
Most pitchers used one game, Brooklyn (N) 6 (also by 5 other clubs).
Most consecutive games ending in 1-0 scores, 2 (first and second games).

Flatbush Flychasers

Old pros with the Yankees claimed the Brooklyn outfielders—Duke Snider, Carl Furillo and Gene Hermanski, left to right—could get pitched to. They proved it in five games.

Notre Dame-Tulane Tilt Saturday May Shake Grid Ratings

NEW YORK—(AP)—The Middle West's three-year dominance in college football, shaken with the defeat of mighty Michigan by Army, may get another jolt this week.

Notre Dame's Fighting Irish, who since 1946 have been battling with Michigan for top honors, are hosts to Tulane's Green Wave in a game that may turn the standings upside down.

Notre Dame will be protesting one of the longest unbeaten streaks in modern football. The Irish haven't been licked, though they've experienced ties, since Great Lakes subdued them in 1946. Last Saturday the Irish, sparred by Emil Sitko, romped over Purdue 25-12.

Michigan, which beat out Notre Dame in a post-season poll in 1947, was declared the best team in the land last year.

Michigan, which topped the poll last week also, goes against Northwestern's Rose Bowl champions Saturday.

In the first weekly poll of the year Notre Dame was ranked second and Tulane fourth.

Ozona Ropers Beat Upton Posse Team

McCAMEY—The Ozona Roping Club defeated the Upton County Sheriff's Posse here Saturday night in team competition by a margin of 42 3/4 seconds.

Each club fielded a team of eight ropers with each contestant roping two calves.

Best time of the contest was turned in by Tom Powers of Ozona who roped and tied one calf in 12.5 seconds. Max Schuessman, Posse entry, chalked up a time of 14.1 seconds.

Bulldog Teams In Training For Heavy Slate Of Tilts

The Midland Bulldogs, inspired by their first win of the season, Monday opened training for one of the toughest games on the schedule. They meet the powerful Sweetwater Mustangs in Memorial Stadium here Friday night.

Sweetwater has taken the measure of some of the top teams in the state this season. Billy Hooper, Sweetwater ace, is picked by many as a sure all-state back. He is one of the finest passers ever to take the field and leads the Mustangs in just about everything.

Jack Mobley, first string guard for the Bulldogs, suffered a leg injury in the Plainview game but it is not expected to keep him out of the lineup. No other injuries were reported by players.

The Bulldogs showed great improvement in the Plainview tilt. They are coming into their own in most departments.

A season against Sweetwater plays was scheduled Monday to be followed by more of the same each day this week.

The 'C' Bulldogs are getting ready for that. Thursday tilt with the Brownfield 'C' Cubs here.

Coach Red Rutledge carries his 'B' Bulldogs to Lubbock for a game Saturday.

The Seventh Grade Bulldogs play in Stanton Thursday and the Sixth Grade plays Lamesa here Saturday morning.

The Eighth Grade Pups are not scheduled.

SPORTSLANTS

BY SHORTHY SHELburnE

Nine Events Conclude McCamey Race Meet

McCAMEY—Six carded races plus three matched runnings ended a three-day horse race meet here Sunday. It was sponsored by the Upton County Fair Association.

The track was fast but windy. The first five events carried a \$20 entry fee plus \$100 added.

Sunday's results:
First race (330 yards)—Won by Fame; second, Queen Bee; third, Rags. Time, 18.2.
Second race (440 yards)—Won by Brown Bomber; second, Little Brownie; third, Flash Waggoner. Time, 23.4.
Third race (half mile)—Won by Brown Que; second, Fair Allie; third, Wichita. Time, 50.
Fourth race (half mile for two-year-olds)—Won by D. Quest; second, Slack Bar; third, Barbara. Time, 52.3.
More Results Listed
Fifth race 12 1/2 furlongs—Won by Peepane; second All Gee; third, Tiny's Sweet. Time, 71.5.
Sixth race (feature, half mile open)—Won by Red Buck; second, Model Girl; third, Bettie Band.

First matched race was won by Bull Dozer over Tony's Dew for 220 yards. Time 12.6.
Second matched race was won by Rena over Lady Powell for 280 yards. Time not announced.

Third matched race was won by Mrs. Princess over Oletha in 300 yards. Time not announced.

Fourth matched race for purse of \$1,500 was won by Joe Tipp over Bantline, Jr. Time not announced.

Bulldogs, Coaches To Be Guests Of Baptist Brotherhood Monday

The Midland Bulldogs and coaches will be special guests of the Baptist Brotherhood at an annual feed and program in the Recreation Hall of the First Baptist Church at 7 p.m. Monday.

The Baylor Club of Midland will be host to the Bulldogs and coaching staff for a program following the dinner. A movie of the Dixie Bowl tilt between Baylor and Wake Forest will be screened.

Helping Stengel more probably than any single player was the great Joe Page. He always was ready and most of the time produced.

Stengel credits Page with saving 25 games in the regular season outside of winning 13 in relief.

The strong-arm left hander also won a World Series game and saved a couple more.

Don't you think he is the most valuable player in the American League?

Newby, Morrow Pace Schoolboy Grid Stars

DALLAS—(AP)—Jack Newby of Amarillo and Sammy Morrow of Paris headed the list of schoolboy football stars in Texas last week.

The Dallas News conducts a weekly poll of sportswriters to participate in selecting the outstanding players each week.

Newby scored all of Amarillo's 21 points in his team's 21-34 defeat by Odessa, on a touchdown coming on an 82-yard run.

Morrow completed 12 of 22 passes for 130 yards, gained 62 yards rushing and scored one touchdown in Paris' 13-7 victory over Palestine.

Booster Club Meets Here Tuesday Night

The Midland Bulldog Booster Club will hold its regular weekly meeting in the Junior High School Cafeteria at 8 p.m. Tuesday.

A movie of the Midland-Fairview football game will be a feature of the program. Coaches and club members will speak.

Carver Hornets Meet Hobbs, N. M., Tigers Wednesday Night; Tied Amarillo Last Week

The Carver Hornets of Midland will play the Hobbs, N. M., Tigers at 8 p.m. Wednesday in Memorial Stadium. A real battle is promised and the general public is invited.

Hobbs boasts a fine passing combination in Harris and Williams. No team has been able to stop this combination this season.

The Hornets aim to do so. They have won once this season, lost once and tied once.

Saturday night at Amarillo, the aggressive Hornets tied a favored Amarillo Dragons eleven 13-13.

Outweighed, But Won

The Hornets simply out-hustled the heavier Dragons. The Hornets were outweighed 15 pounds per man.

Midland received to open the game at Amarillo. The Hornets fumbled and the Dragons took the ball and marched to Midland five-yard-line. But T. Walker, Hornet fullback, intercepted a pass and raced 27 yards for a TD for Midland. The Hornets scored their second touch when a Dragon fumble of a punt was gobbled in the end zone. Hippy Smith made the hard tackle and R. Shaw covered the ball.

The Dragons went mad and turned on a potent passing attack that helped net them 13 points. One pass was good for 30 yards and a TD. An 87-yard march paid off again for the Amarillo boys.

Four Killed, 50 Hurt In Train Wreck

MEADE, KAN.—(AP)—A Rock Island passenger train hit a truck without three miles east of here Monday, killing four persons and injuring approximately 50.

Six cars left the rails and three overturned.

O. K. Curry, chief clerk in the division superintendent's office at Liberal, Kan., said four persons were killed.

LIBERAL, KAN.—(AP)—Fourteen of the injured passengers from the Rock Island Railroad's wrecked passenger train Monday were brought to the Epworth Hospital here.

They included:

Mr. and Mrs. H. J. Baird, El Paso, Texas.

Albert Gill, Clint, Texas.

Allan Williams, Tucuman, N. M.

At least 50 others were injured, some of them seriously.

William R. Owens, editor of the Meade Globe News, said four coaches and a diesel unit left the tracks. One of the cars was reported to have "made a complete flip-flop," he said. Another turned over on its side, he added, and the other three remained upright.

Four other cars remained on the tracks, Owens said.

Midland FFA Band Enroute To Kansas City For Parley

The six-piece Midland FFA Band with director J. R. Cuffman is enroute to Kansas City, Mo., where the band will play at the National Future Farmers of America convention at the Missouri State Fair.

The group left Saturday, it is traveling with the Texas delegation.

During its stay in the Missouri city the band will make several appearances. It is scheduled to appear on a radio program during the convention.

Present plans call for the band's return to Midland during the latter part of the week. The band played last Friday during the opening day of the Midland County Fair.

Cuffman, the band director, is president of the Texas Vocational Agriculture Teacher's Association.

Services Held For Anson Relative Of Postmaster Oates

Funeral services were held in Anson Sunday for W. E. Burns, a half-brother of N. G. Oates of Midland. Burns died Saturday after an illness of several years.

Rites were conducted in the First Baptist Church of Anson with the Rev. Chambers, pastor, officiating. He was assisted by the Rev. Harrell, pastor of the First Methodist Church.

Interment was in Mount Hope Cemetery at Anson.

BACK FROM DALLAS

Mr. and Mrs. R. M. Barron returned Sunday from Dallas.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, OCT. 10, 1949—9

Amarillo, Baytown Shaken From Select Schoolboy Circle

The Texas schoolboy football race moves into its preliminary championship rounds this week.

Of 50 games, 23 are conference affairs involving 11 of the 20 districts of the City Conference and Class AA.

Holding much interest is the efforts of a dozen teams to remain in the undefeated, untied class but the family squabbles get the major attention.

Such powers as Amarillo and Baytown fell from the select circle last week. Amarillo was snuffed by Odessa's high-powered offense that rolled up 34 points. The Golden Sandies could get only 21.

Not many teams ever have scored that many points against Amarillo down through the years.

Baytown was battered to a scoreless tie by Lamar of Houston. It

didn't particularly detract from Baytown since Lamar was an undefeated, untied team, too.

San Angelo Surprises

Some of the surprises were San Angelo's 35-20 win over Arlington Heights of Fort Worth, the defending City Conference champion, and the 13-0 upset of highly rated Tarkenton by Longview.

Undefeated and untied Monday are Wichita Falls, Lamesa, Lubbock, Ysleta, Grand Prairie, Highland Park (Dallas), Henderson, Marshall, Fort Arthur, Galveston, Corsicana and Galena Park.

Undefeated but tied are Lamar and Reagan of Houston, and Baytown.

Galveston is unscored on but this week may take care of that little detail. Galveston plays rugged Austin.

Both Galveston and Henderson stand a strong chance of falling from the list of the unbeaten and untied. Henderson plays Longview.

The surprise team of the season is Ysleta, which wasn't expected to go anywhere yet is the only unbeaten outfit in the Far West. Right now this team should be rated a favorite to win the District 4 Class AA title.

Leg Is Fractured In Highway Mishap

Mrs. Joe Ann Smith, 25, of 917 North Baird Street, suffered a fracture of the right leg Sunday night when the auto in which she was riding overturned east of Stanton on U. S. Highway 80.

She was admitted to Western Clinic-Hospital at 12:10 a.m. Monday for treatment.

According to the hospital report, she was thrown from the auto when it overturned.

Rites Conducted For Midlanders' Father

Funeral services for Sam Moore of Lamesa, father Mrs. D. M. Drivers and Lawson Moore of Midland, were held Saturday in Lamesa with Mr. and Mrs. Tom Hudgins, Mrs. Forest Lineberry, Mrs. Charles Bush, Mrs. H. C. Cope, Mrs. Maggie Hill, Mrs. Vera McLeroy and Eddie Smith attending from Midland.

Mrs. Drivers and Mr. and Mrs. Moore were with Moore at the time of his death Friday.

Congratulations To:

Mr. and Mrs. B. E. Stephens on the birth Sunday of a daughter, Gall, weighing eight pounds, eight ounces.

AMATEUR RADIO CLUB WILL HOLD TUESDAY NIGHT MEET

A meeting of the Midland Amateur Radio Club is scheduled at 7:30 p.m. Tuesday in the distribution office of Texas Electric Service Company.

All Midlanders interested in radio are invited to attend.

CUB SCOUTS PREPARE TO RECOMBO BOY SCOUTS

Cub Scouts of West Elementary Pack 6 who have passed their eleventh birthday will meet at 7:30 p.m. Monday in the Parish House of Trinity Episcopal Church.

They will prepare for ceremonies in which they will graduate from Cub to Boy Scout status.

Oil And Gas Log-

(Continued From Page One) tral Scurry County, about four miles northwest of Snyder. All are slightly more than one mile west of Standard-Fryer Drilling Company No. 1 Wilkinson, recently completed discovery from the Canyon between the Kelly and North Snyder fields. Wilshire No. 1 Ernest Rinehart will be 660 feet from north and east lines of a 150-acre lease in the northwest quarter of section 251, block 97, H&TC survey. Drilling is to begin immediately at this project. No. 2 Ernest Rinehart is to be located 660 feet from south and east lines of a 150-acre lease in the northwest quarter of section 251, block 97, H&TC survey. It is slated to begin operations in November. The company's No. 3 Ernest Rinehart, located 467 feet from west and 660 feet from south lines of a 150-acre lease in the northwest quarter of section 251, block 97, H&TC survey, is due to begin in December. The drillsite for the fourth operation, No. 4 Ernest Rinehart, will be 467 feet from west and 660 feet from north lines of a 150-acre lease in the northwest quarter of section 251, block 97, H&TC survey. It is due to begin drilling Jan. 10, 1950.

Pegasus Offset Flows Again From Deep Zone

More pay has been found in the third well in the Pegasus field of Upton and Midland Counties to reach the Ellenburger. Magnolia Petroleum Company No. 1-36 Glass, a southwest flanker to the discovery of the field, and 660 feet from south and east lines of section 36, block 41, TP survey, T-4-S, took a one hour and 57 minute drillstem test at 12,819-883 feet. Gas showed at the surface in five minutes. Mud level was at the top in 22 minutes and oil came to the top of the drill pipe in 24 minutes. The oil was flowed to pits for three minutes to clean and was then turned to tanks through a five-eighths inch bottom hole choke. In one and one half hours the well flowed 79.75 barrels of 52.8-gravity oil, with an average gas volume of 1,732,000 cubic feet per day. Gas-oil ratio was 1,357-1. Shakedown was two tenths of one percent drilling mud. There were no signs of water. Operator is now taking electric log survey. The project probably will be completed soon.

Murphy Plugs Failure In Pecos Ellenburger

C. H. Murphy & Company No. 1 Ford, North Pecos County prospector, one and one half miles south of the Abell-Sullivan-Montoya field, and 660 feet from south and west lines of the northeast quarter of section 3, block 3, H&TC survey, has been plugged and abandoned as a dry hole on a total depth of 6,337 feet in the Ellenburger. That formation was entered at 6,300 feet. It made sulphur water. The project was then plugged back to 4,850 feet and the zone at 4,772-77 feet in basal Permian was tested. It made oily drilling mud and had no shows of petroleum.

County 4-H Girls Win Free Trip To Texas State Fair

Ten Midland County 4-H Club girls who scored highest on their exhibits at the Midland County Fair will get a trip to the State Fair of Texas in Dallas, Mrs. Nettie Messick, home demonstration agent, said Monday. The girls who will attend the state fair October 20 to 23 are Ada Jane Meltsner, Jerry Faye Bizzell, Essie Raggett, Frances Bond, Martha Campbell, Donna Howard, Betty O'Neal, Leila Norwood, Wanda Fain and Ruth Bennett. The girls will be accompanied by Mrs. A. S. Norwood and Mrs. Bennie Bizzell. Plans are for the group to attend the Ice-Cycles, a radio broadcast, the fair exhibits and an educational tour of Dallas. Expenses are to be paid by the 4-H Club Council and the various 4-H Clubs of the county.

Midland Man Heads Optometric Society

Dr. Brandon E. Rea, Midland optometrist, was elected president of the West Texas Optometric Society at its regular monthly meeting Sunday in Odessa. The society is affiliated with the Texas Optometric Association, and includes optometrists from Big Spring, Midland, Odessa, Monahans, Pecos, and Kermit.

Dr. Brandon E. Rea

The new vice president is Dr. Cullen Chapman of Big Spring, and Dr. Frank Alexander of Pecos was named secretary-treasurer. Dr. Rea serves as editor-in-chief of "The Journal" of the Texas Optometric Association.

Livestock

FORT WORTH—(P)—Cattle 5,000; calves 2,800; slaughter classes of cattle and calves were slow and unevenly steady to 50c lower here Monday; stocker cattle and calves sold fairly active and mostly steady; medium grades of slaughter steers and yearlings 16.50-20.00; a few good yearlings 23.00-24.00; beef cows 14.00-16.00; good and choice fed calves 18.00-22.00; a few heavy calves 23.00-50; cull, common and medium calves 12.00-17.50; stocker yearlings 16.00-20.50; most stocker calves 17.00-22.50. Hogs 1,200; butcher sold strong to 26c above Friday's levels while sows and pigs were unchanged; good to choice 200-270 lb butchers 18.25-50; good 150-190 lb 17.00-18.25; sows 15.00-17.00; feeder pigs 17.00 down. Sheep 3,400; all classes of sheep were fully steady; a few medium and good slaughter lambs 21.00-22.00; medium and good yearlings 17.00-18.50; several decks of these at 18.50 carrying full shorn pelts; medium and good aged sheep 9.00-10.00; mixed ewes and wethers 10.50; cull and common ewes 8.25-50; fresh shorn ewes downward to 7.25.

Kiwanians Discuss Minstrel Plans

Midland Kiwanians discussed plans for the Minstrel being sponsored by the Kiwanis Club October 25-30 at the club luncheon Monday in Hotel Scharbauer. Reese Cleveland, chairman of the minstrel committee, presided over the program. He emphasized that help will be needed from outside the club if the Minstrel is to be a success. Committees were appointed to handle the different phases of presenting the show and several men indicated their wives would help in designing and making the costumes. Tickets were distributed to members present and they were told that from previous experience it is estimated more than 2,000 tickets must be sold to make the show a financial success.

Disabled Veterans Told Of Deadline For NSL Insurance

World War II veterans with service-connected disabilities were reminded by Merritt F. Hines, county service officer, Monday of an important deadline in connection with their entitlement to National Service Life Insurance. Prior to Jan. 1, 1950, such disabilities actually incurred in service between Oct. 8, 1940, and Sept. 2, 1945, if less than total in degree, are disregarded in determining eligibility under the health requirements for National Service Life Insurance purposes. This means that veterans who might not otherwise qualify for life insurance for health reasons may reinstate lapsed National Service Life Insurance or buy new or additional insurance up to the \$10,000 maximum if they apply before the end of the year. A physical examination is required, however, for all insurance applied for under this special provision. Such examinations are made by Veterans Administration without cost to the veteran.

Strike Closes Down Wichita Falls Plants

WICHITA FALLS—(P)—Wichita Falls' largest industrial firm, Wilson Manufacturing Company, and a subsidiary plant, the Wichita Falls Foundry and Machine Company, were closed by a strike Monday. Wilson Manufacturing Company, makes the Wilson Oil-Drilling Rig, one of the nation's most well-known rigs. The firm also recently began production of a pre-fabricated house.

'Blacklist' Report Unconfirmed Here

Rumors that Midland County is on Mexico's blacklist for bracero labor could not be confirmed here Monday. Charles Green, county agent, said he had no such notification. The Texas Employment Commission also has likewise reported it had received no notice to that effect. Several counties in Texas reportedly have been blacklisted by Mexico for alleged discrimination against braceros employed in cotton picking and other labor.

Movie 'Joe Palooka', Cathy Downs Wed

LAS VEGAS, NEV.—(P)—Joe Kirkwood, Jr., the "Joe Palooka" of the movies and pro golf star, is honeymooning Monday with Actress Cathy Downs. Quietly, and without a word to friends, the couple was married here Saturday night. He is 28 and Miss Downs 23.

COTTON NEW YORK—(P)—Monday noon cotton prices were 10 to 65 cents a bale lower than the previous close, October 29.75, December 29.61 and March 29.54.

The rim of the steering wheel, rather than the spokes, should be held when driving an automobile.

County Farm Bureau Is Outlining Plans For Member Drive

Plans are developing for Midland County Farm Bureau's participation in State-Wide Membership Enrollment Week, October 20-27. B. T. Graham, president, said Monday. Approximately 20 workers will volunteer their services during enrollment week to contact friends and neighbors, inviting them to join Farm Bureau. Membership Week will be launched officially by State Farm Bureau Pres. J. Walter Hammond at 8:30 p.m. on October 20, when he addresses Texas farmers over the Lone Star Chain Network. Other agricultural leaders of prominence also will be heard on the program. Midland Goal, 299 On October 21, the Farm Bureau leadership expects to have 10,000 workers throughout the state soliciting Farm Bureau memberships, Graham said. The state goal is 70,000. Midland County's goal is 200. "Other groups have prepared through organization," Graham said. "The past few years farmers have seen what organization can do for them, even when membership has been low. Texas farmers are learning from experience that it is good business to be organized. Who knows what 1950 will hold for the farmers," he declared, "but they know Farm Bureau will be on guard to protect their interests."

Minstrel Talent Hunt Scheduled

Can you sing? Can you dance? Can you act? Do you like the fun and frolic of a minstrel? The yes-answer to any of these questions is your invitation to be in the annual Kiwanis Club-Community Theater minstrel "Up'n Atom." Trial rehearsals are scheduled at 7:30 p.m. Monday at the City-Auditorium. Midlanders are urged to try out. Regular rehearsals will begin Tuesday night. Art Cole is director.

California Sea Lion Sets Channel Record

OVER ENGLAND—(P)—Pierre Cillon, a California sea lion with a sense of humor, has shown the human race that it still has a lot to learn about swimming. In the most casual sort of way, Pierre swam the English Channel Sunday in just over five hours. That is approximately half the best time ever set by a human.
