## Roger Fields Is Contest Winner

AT A TIME WHEN virtually everyone in our immediate area is finding it tough to make a living, and many would be pleased to come out "in the black" at the end of the year, it becomes hard to drum up much sympathy for the striking members of the National Football League.

We don't blame anyone for wanting to make as much money as they possibly can, and particularly to get their pay scale up to the point that they feel they are being paid "what they are worth," but the idea of a strike which could ruin most people's favorite pastime, goes against the grain.

In the first place, one needs to be reminded that in many cases union demands, and hard-nosed approaches are many times the reasons for certain industries to just close up shop and cease to exist.

The union has been inbedded into the auto industry for a number of years, and while you can't lay the woes of this industry completely at the union's feet, there are no doubt many arguments for the fact that the unions have not helped the plight faced in Detroit and many other industrial cities.

We don't see how the players can expect to have their salaries escalated to the point that every player is in the super-salary bracket.

Professional football is bound to be like every other business today, beset by high prices and inflation on every hand, and there must be a limit as to what they can pay out in salaries. The owners deserve to be able to make this determination, and to deal with each player on an individual basis, according to that player's ability.

It will be interesting to see what develops, in the event that the strike is not resolved between the representatives of the players and the owners prior to this weekend's schedule (which begins on Thursday, or was to).

At least some of the owners feel that they are in the business to provide football for the fans who shell out their hard-earned money to see the professional games, and that even if they have to hire some guys working in parking lots, or bring up all the rookies who had been cut from training camps, they should play the scheduled games.

This point is undoubtedly one that may not find agreement by every team in the league, but it might cause the striking players to call off their treasure hunt, or at least settle at a more reasonable level, if they see some rinky-dink taking their place on Sunday (and especially if the substitute should happen to stand out).

Somehow, it's hard to visualize the Dallas Cowboys taking the field with a lineup which would not include the likes of Danny White, Tony Dorsett, Drew Pearson and company.

But on the other hand, the owners have an investment and an obligation to fulfill. As Lamar Hunt, Dallas owner of the Kansas City Chiefs said "There's bound to be a number of players out there who want to play and will if offered the opportunity."

Hunt knows his business. In fact, if it were not for Hunt, there would be no Dallas Cowboys team, no Oakland Raiders, San Diego, Denver, Kansas City, New York Jets, and several others. He helped start the American Football League in 1960. (Yes, we know the Cowboys weren't in the AFL—but the NFL finally agreed to a team in Dallas, just to oppose Hunt's venture.)

Which brings up another point. The players would like to have 55 per cent of the teams' gross receipts. Where were the players when the teams were being formed? It was the owner, or owner groups, who risked their money, and took out giant loans at variable interest, or passed bond issues, to get multi-million dollar stadiums built, to house the super-studs.

Pro football has been practically a golden idol in our country, maybe even the goose that each week lays golden eggs. The players need to take care that they don't kill the goose.

Roger Fields was the winner in the third week's competition in the Friona Star's football contest, which turned out to be the toughest yet, if scores are any indication.

Fields was one of four contestants to correctly pick 16 games, and then rode his tie-breaker score to first place. He picked the Cowboys to shuffle the St. Louis Cards, 28-10, when the actual score was 24-7, missing the score by seven points.

Clint Mears of WTSU claimed second place, when his tie-breaker score was ten points off (24-17) and John Seright of Lubbock won third place, missing the tie-breaker by 16 points (28-19).

Paul Melton was the other contestant to correctly pick 16 games, but missed third place by one point when his tie-breaker guess of 27-21 was 17 points off.

Ten contestants had scores of 15, missing out on a shot at the weekly prize by just a point. They included Tom Johnson, Reta Martin, David Clark, Mitchell Smiley, James Clark, Jessie Saiz, Reese Fleming, David Gowens, Mary Collier and Bobby Drake.

The week's slate included the first tie game of the season, the Clemson-Boston College game, giving every contestant an automatic miss, since it is technically possible (though rare) to pick a tie.

Fields' other misses included Dumas over Dalhart; Rice over

Tulane; Air Force over Tech; Rams over Detroit; and 49ers over Denver.

Mears' misses included Michigan over Notre Dame; San Diego over Kansas City; Chicago over New Orleans; Rams over Detroit and 49ers over Denver.

Seright missed Muleshoe over Floydada; Lazbuddie over Sundown; Cleveland over Philadelphia; Chicago over New Orleans and Rams over Detroit. Of the contestants picking 15 or 16, Melton was the only one to correctly pick all eight of the professional games.

In the race for grand prize, Seright's 16 gave him first place for the week with a score of 47.

Mears' 16 elevated him into a second-place tie with Eddie Mann with a score of 45.

Johnson's 15 enabled him to forge a four-way tie for third with Martha Clements, David George and David Hough, all with 44 points.

And Fields' winning 16 moved him up a few notches, into a tie with Troy Bass, Leroy Berend, Ron Cain of Corpus Christi, Jack Clark, Brent Gatlin, David Gowens, Billie Manuel and Mike Maynard with scores of 43.

If the pro games are not played this weekend, they will not be considered in the current week's slate of games.

The professional games are also being omitted for the slate of games for the weekend of September 30, October 1-2.

CONTEST WINNER...Roger Fields, right, was the weekly winner in the Friona Star's football contest, correctly picking 16 games. The winning check is being presented by Betty Chaney, representing Chaney Fertilizer, one of the contest sponsors.

## Prospect Show Slated Locally October 2

A "prospect show" for all young FFA and 4-H Club showmen raising steers or heifers for later show at the Parmer County Jr. Livestock Show is scheduled for Saturday, October 2 at the Community Center-Showbarn.

Prizes will be awarded, with every showman entering being guaranteed a ribbon. Cash prizes will be awarded to the top 60 per cent of the animals in the show. In addition, a showmanship trophy will be awarded.

David Barnett is to serve as general chairman of the show. Those wishing to enter are asked to call 247-2784. An entry fee of \$15 per head will be charged, and should be mailed to Parmer County Prospect Show, 421 Euclid Avenue, Friona, 79035.

The show is limited to showmen living in Parmer County. Judging the show will be like Trimble, vocational agriculture instructor at Dumas.

Randy Vogel of Hereford, a college student who exhibited the Grand Champion Steer at Houston in 1981, will put on a showmanship exhibition during the show, for the benefit of the young showmen.

All steers and heifers must be checked in by 10 a.m., with the show to begin at 3 Saturday afternoon.

"We have collected a number of

donations from local merchants to help with the expenses of the show, and we appreciate their help very much," said a spokesman for the show.

The prize money will depend upon the number of entries. Organizers are expecting from 40 to 50 animals in the entire show.

Reason for holding the show is to give these showmen an extra opportunity to show their animals. "Once is just not enough practice for this size animal," said one of the organizers.

This type of show has been held in other communities, so it was decided to try one on the local level, to see what the results will be.

## No Burials On Sundays

It was announced this week that due to overtime charges for employees of the City of Friona, the decision has been made to hold no funerals on Sundays or holidays at the Friona Cemetery.

John Blackwell, of Ellis-Blackwell Funeral Home, said he hoped the new policy would not be an inconvenience to local residents.

WINNING FLOAT...The Friona Freshman Class Float won first place in the Maize Days parade, and then, to prove the win was no fluke, the float was transported to Amarillo, where it won the Outstanding Float honors, winning \$250 in prize money. The float also earned the

Outstanding Civic and Non-Profit Organization top honors. The old mule skinner at the reins is Bruce Parr. Also on the float were Bobbie Parker, Tammy Harguess, Teresa O'Brian and Corrie Lundy (riding on back).

## 4 Arrested In Burglary

The arrest of four young Friona men last Saturday has apparently cleared up recent burglaries, in which over \$3,000 worth of radio and electronic equipment was taken.

Arrested were Jesse Nava, 19, Valentine Castillo, 17, Luis Ruiz, 19 and Richard Dimas, 17. The four were charged with burglary after the Friona Police Department found over \$3,000 in stolen merchandise in the attic at the home of Nava, 409 Cleveland.

Included in the haul was approximately \$1800 in goods which had been reported as stolen from Dodson Body Shop on September 16. The items included a radio-stereo, five CB radios, two large speakers and other items. Dodson also reported that burglars took \$300 in cash from the shop.

Some \$1500 in merchandise had been allegedly stolen from Ag-Chem Farm Services about two weeks earlier. This included two two-way radios, some CBs and a sprayer monitor.

The foursome was arraigned before Justice of the Peace Blackie Smith this week at Farwell. Smith set bond at \$5,000 for each one. They were bound over to action by the Parmer County Grand Jury.

Assistant Chief Rex Williams said the entire Friona Police Department was involved in the case. "We ran some investigations and did some checking, and it paid off," he said.

Williams said the department had some leads on other burglaries which are currently under investigation.

## Coffee Set For Sarpalius

A coffee will be held Thursday, September 30 at 9:30 a.m. at Friona State Bank's Community Room for Senator Bill Sarpalius.

Senator Sarpalius, seeking re-election as state senator for the 31st state senatorial district, will be making his first stop in a re-election kickoff campaign.

The public is invited to come out and visit with Sen. Sarpalius.

## Video Set On Events

Coverage of Friona's 1982 Maize Days events is scheduled to be presented this weekend, on Friona's Cable Channel 6. Included will be the complete Maize Queen Pageant, the Little Miss Pageant, the Maize Days parade and interviews.

The program will be aired beginning at 2 p.m. on Saturday and Sunday, September 25-26, and is presented as a public service of Friona Cablevision and Friona Video Productions (Bill Ellis and Jim Tucker).

## School Gives '83 Budget, Tax Rate

The board of trustees of Friona Independent School District has adopted its budget for the 1982-83 school year, and adopted a tax rate calling for an increase of ten cents per \$100 evaluation.

The school taxes will go from 87 cents per \$100 evaluation in 1982, to 97 cents per \$100 evaluation in 1983. This is an increase of 11.49 per cent in the tax rate, although property values may also have been adjusted in some cases by the Parmer County Tax Appraisal Board.

Friona's school board adopted a

## Oops... We Missed A Finalist

In our coverage of the Maize Queen pageant last week, the Star made a boo-boo, which we would like to correct.

In listing the top eight girls, our pageant story failed to list Shea Woodard, one of the finalists. Shea, the daughter of Clyde and Janet Woodard, performed a roller skating routine for her talent in the contest.

She is a blonde, has hazel eyes and is a senior at Friona High School.

The Star also extends a belated "Thank you" to Bernie Gowens for the use of his facilities for the posed pictures of the queen candidates in the Maize Days publicity.

GOODS RECOVERED...Friona's Assistant Police Chief Rex Williams is shown with a portion of the haul of electronic equipment which members of the Friona PD recovered last weekend. Four arrests were made in conjunction with local burglaries.

# Friona Flashbacks

...from the files of The Friona Star

### 50 YEARS AGO--SEPT. 30, 1932

T.J. Crawford has been designated by Wilbur C. Hawk, president of the West Texas Chamber of Commerce, to serve as Governor R.S. Sterling's representative in the preparation and submission of Parmer County's application for funds out of the \$300,000,000 provided by the Federal Emergency Relief and Construction Act of 1932.

The district school tax assessor-collector has been instructed by the board of trustees that another cut of ten per cent in the valuation of property within the district has been made, which will make quite an appreciable reduction in the current taxes.

### 40 YEARS AGO--OCTOBER 2, 1942

Full mobilization of manpower on the small farms of Parmer County for increased food production is needed to win the war, Earl L. Fine, rural rehabilitation supervisor for the Farm Security Administration, believes. "Unless our small farm operators can produce greater quantities of food," said Mr. Fine, "our country will be compelled to ration almost all foods and there is no assurance that we can maintain nutrition needs of our civilians."

Looking ahead to agricultural wartime production for 1943, the Texas USDA War Board already is conducting a survey on transportation facilities for farm labor.

### 35 YEARS AGO--

(Entire 1947 issue missing from Star files.)

### 30 YEARS AGO--SEPT. 25, 1952

A county wide underground water meeting of Parmer County farmers has been announced for next Monday night at the Bovina School Auditorium. This meeting, called by county committeemen Parr, Euler and Caldwell, is intended to learn from farmers what regulations, if any are desired for issuance of permits for drilling of irrigation wells. Permits will be required beginning February 1, 1953.

A home freezer demonstration will

be held at the Friona Club House next Thursday, October 2. Sponsored by the Parmer County Implement Company, the International Freezer will be demonstrated by Miss Evelyn Altman, IH home economist who has met with enthusiastic reception on previous trips here, as well as over the entire area.

### 25 YEARS AGO--SEPT. 26, 1957

Hurshel Harding, 28-year-old Farwell lawyer, was appointed Monday by the Parmer County commissioners court as county attorney. He fills the vacancy created by the resignation of Bill Sheehan of Friona, who is now district attorney.

The city commission Monday night decided on a less strict code of regulations for persons who peddle milk in the city, but an ordinance has not yet been written with their intentions, according to the city clerk, Roy Wilson. The commission has for several months been discussing passing an ordinance to regulate milk peddling, and one which was presented them was unsuitable on the basis that local producers could not normally afford to purchase a mechanical bottling machine required by the state code.

### 20 YEARS AGO--SEPT. 27, 1962

A group of Parmer County officials were treated to a special field trip yesterday to the Brady Creek Watershed project in Central Texas. The group, which included the County Commissioners Court, Soil Conservation District supervisors, Friona Star News Editor Bill Ellis, and other interested parties in the county, gathered in Plainview and were joined by some 50 other persons from surrounding counties.

### 15 YEARS AGO--SEPT. 28, 1967

The Board of Advisory Editors of "Outstanding Civic Leaders of America" announced recently that five Friona residents have been chosen for inclusion in the 1967 edition of the national publication. Those chosen are Mrs. Roy V. Miller, Steve Messenger, Dr. Loyd Shackelford, Mrs. V.J. Zeman and

Andy Hurst. Outstanding Civic Leaders of America is an annual biographical compilation of approximately 6,000 civic leaders from all parts of the nation. The men and women included were nominated earlier this year by local city officials, Chamber of Commerce and civic groups.

### 10 YEARS AGO--SEPT. 28, 1972

Twenty-five girls will seek the Maize Queen title Thursday in a full day of competition which begins at 4 p.m. Reigning Maize Queen Kathy Horton, is away at college and will be unable to be present at the festivities. Dean Kelley, sports news editor for KFDA-TV (Channel 10) Amarillo will be emcee for the event.

Highlight of the Saturday afternoon events of Maize Days this year will be a big Air Show held at Benger Air Park just east of Friona on Highway 60.

### 5 YEARS AGO--SEPT. 25, 1977

Rhea Bradley, Littlefield, resident engineer for the Department of Highways and Transportation, reports that the construction project on State Highway 214 has been officially completed and has been accepted by the state.

Several hundred area farmers fired up their combines last week and pulled into their corn fields.

## Boosters Have Year Underway

The Friona Booster Club meets every Tuesday at 8 p.m. at the high school cafeteria, to view the game film of the previous Friday's game and discuss projects.

Elected as officers for 1982-83 are Leroy Lundy, president; Mike Chaney, vice president; Roger Wilcox, secretary-treasurer; and Jackie Morgan, reporter.

The club is currently selling memberships, along with color pictures of players, coaches and cheerleaders which the members may display. Those who have not been contacted may see Wilcox at Friona Ford Sales for their pictures.

## Chiefs Vs Tough Foe

For the second week in a row, and third time in four weeks, the Friona Chieftains were meeting a tough, top-rated team, as the Chiefs visited Dalhart Friday.

"It was good to beat a team like Shallowater, but when you are playing a team like Dalhart, you can't live on yesterday," said Coach Tommy Moss this week.

Probably the biggest factor in Friday's game was that it was played in the Wolves' home den, and most folks figure that you go into Dalhart

spotting the Wolves one or two touchdowns, due to the trip involved.

Dalhart, one of the pre-season favorites to win District 1-AAA, had allowed their first two opponents, Guymon, Oklahoma and Stratford only two first downs each (although losing 6-0 to Guymon).

"We know that the key to winning is whether we can move the football against their defense. We also need to cut down on our mistakes, such as fumbles," Moss added.

The Chieftains lost a defensive starter this week when George Richardson moved from Friona with his family. Mark Montoya and Charlie Veazey were pegged to swap out at the cornerback position Richardson had manned.

## H. T. Flatt's Rites Slated On Saturday

Graveside services for Harold T. Flatt, 74, will be held at Friona Cemetery at 2 p.m. Saturday. Lawrence Thompson, pastor of Friona's United Pentecostal Church, will officiate.

Flatt died in Amarillo's Veteran's Administration Hospital Thursday. He had lived in Friona 18 years, moving here from Happy Camp, California.

He had been employed in bridge construction and in forestry work. Flatt was born December 26, 1907 in Douglas, Kansas.

Survivors include two sisters, Goldie Griffith, and Lucille Buske, both of Friona; one half-sister, Gertrude Robison, Auburn, California and two half-brothers, George R. Curry of Warsaw, Indiana and Johnny C. Curry of Duncan, Oklahoma.

## Roy Smiths Have Boy

Mr. and Mrs. Roy Lloyd Smith of Friona are the parents of a baby boy born September 11 at West Plains Medical Center in Muleshoe.

He was named Jared Brandon and weighed seven pounds, eleven ounces.

Jared is the first child for the couple. Mrs. Smith is the former Kenna Noland.

Grandparents are Mr. and Mrs. John E. Noland and Mr. and Mrs. Lester Smith, all of Friona.

Great-grandparents are Mr. and Mrs. W.Q. Delisle of Houston.

## Jody Menefees Have Baby Boy

Mr. and Mrs. Jody Menefee of Valliant, Oklahoma are the parents of a baby boy born Wednesday, September 15. He was born at 1:34 p.m. in McCuiston Regional Medical Center in Paris, Texas.

Named Dusty Michael, he weighed six pounds, eight ounces and was nineteen and one-half inches long.

Dusty has one sister, Tiffany, who is two and one-half years old.

Grandparents are Mr. and Mrs. Don Powell of Olton, Texas and Mr. and Mrs. Dwain Menefee of Fort Towson, Oklahoma.

Great-grandparents are Mr. and Mrs. Andy Powell, Mr. and Mrs. Joe S. Menefee and Mr. and Mrs. B.O. Elder, all of Friona.

Dusty also has two great-great-grandmothers, Mrs. Lena Menefee of Hereford, and Mrs. Dixie Barnes of Lazbuddie.

## Winners Of Prizes Told

Winners in the various drawings held in conjunction with Maize Days have been announced.

Friona Fire Department's three winners included Scott Morrison, Atari Video Game; Eddie Hall, redwood table and benches; and Ted Procter, three-speed ceiling fan.

Leroy Berend won the money doll, given by Progressive Study Club. Doris Barnett won the quilt given by the Methodist ladies. Terry Woody won the radio given by the DECA Club.

Mary Beth Wily won the DECA Club camera; Monty Allen won the shopping spree at D.L.'s, sponsored by Friona Young Homemakers and Teresa Collins won the 20 pounds of beef from Pork Masters, Inc.

**TOP THREE....**The new Maize Queen, Diane Johnston (top), is shown presenting her talent in the talent portion of the Queen's Contest. Kristi Britting (center) was chosen first runner-up. Second runner-up was Cindy Drake (bottom photo).

## Strake Talk

**CRIME: IT'S THE VICTIMS WHO ARE LOCKED UP**

I want to talk to you this week about an issue that troubles me greatly and which I know is of great concern to Texans. It seems that whenever I have spoken about crime in the past 12 months I have gotten a strong and troubled response. No matter where I am—Jewett, Roma or Dalhart—people tell me they are angry and afraid about crime in our state.

This anger and fear concerns me for two reasons. First, because this kind of anger and fear serves as a sort of "jail" for innocent people. They are the ones locked in their homes at night while criminals go free. The second reason I am concerned is because unless something is done to stop the crime epidemic, people will be ripe for the kind of politician who will play on citizens' fears. The result could be that Texans lose their liberty in return for their "safety". In that sense, the crime problem is like a cancer gnawing at democracy.

The incumbent Lt. Governor's response to the crime issue has been shameful. While

he has been in office the crime rate has risen 13 1/2%. He has done nothing to attack crime in a substantial way. In fact, he has fought stronger anti-crime measures. He openly opposed the new warranting law designed to catch drug dealers. He openly opposed the Governor's anti-crime package by putting it in a legislative committee run by a hostile Senator, who promptly bottled it up. Much of the package passed anyway and now Mr. Hobby has the gall to go around the state taking credit for it!

His sympathies in the fight against crime are evident. Not long ago he allowed the American Civil Liberties Union (ACLU) to hold a fundraiser in his Houston mansion and he proudly defends it. The ACLU has consistently opposed laws that would make it easier to deal with the crime problem. I think such two-faced maneuvering is disgraceful. It is obvious that if we are going to attack the crime problem, if we are ever going to give law officers, judges and prison guards the tools they need to make us safer, Bill Hobby will have to go.

If you have thoughts about this, I'd like to hear from you. Please write me at 1213 W. 34th, Austin, 78705.

**CLOSE ENCOUNTER....** Every time the Shallowater Mustangs ran the ball last Friday, the ball carrier drew a crowd, such as in this shot, where Charlie Morgan and Carl Jackson make the stop. Mike Neill (89) has already taken out his man. Friona won the battle, 7-3 with two goal-line stands.

# Friona Defeats Shallowater In Thrilling Defensive Bout

The Friona Chieftains edged the number four state-ranked Shallowater Mustangs, 7-3 last Friday night in one of the most exciting games played at Chieftain Field in many a year.

In a game dominated by the defensive teams of the two schools, it became one of breaks in the latter stages, and the Chiefs were the recipients of one on each end of the field.

But a pair of goal-line stands, one just before halftime and one at the end of the game by the Chieftains will stand out as highlights of the game to the fans. In both cases, the red-clad Friona team flatly refused to allow their goal-line to be crossed.

Both teams were able to move the ball fairly well between the 20 yard lines, but when it got down in the vital territory, the going became considerably tougher. And it took a dipsy-doodle play by Friona to register the game's only touchdown.

Trailing 3-0 after a third quarter field goal, Friona was facing a fourth down situation from the Shallowater 20. Bruce Patterson faded to pass and lofted the ball in the direction of Mike Neill.

A Shallowater defender hit the ball, knocking it right into the waiting arms of Max Perea, the other Chieftain receiver on the play, and he cradled the ball and ran it into the end zone for the winning touchdown.

But that play was preceded and followed by a lot of exciting football. Friona held the highly-rated Mustangs to one first down on their first possession and took the ball following a punt. The Chiefs picked up two first downs, one on a 28 yard

Patterson to Mike Neill pass that gave Friona a first and goal at the visitors' nine.

But Shallowater proved they could play defense, forcing a fumble at this point, to stop the Friona scoring bid.

The next time Friona had the ball, Perea ripped off a 14-yard gain, and Charlie Morgan followed with a 17-yarder, to advance to the Mustang 29. But Alfredo Mata, straining for an extra yard, had the ball knocked out of his grasp, and Friona again lost possession.

The weather became a factor midway through the opening period. Friona had chosen to defend the south goal, taking a slight south breeze, when a 40 mile-per-hour wind, carrying a cold front through the area hit.

This affected punts and passes somewhat the rest of the game. It almost cost Friona dearly near the end of the opening half, when the ball was centered over punter Mark Montoya's head, and Shallowater recovered at the Friona five.

This set the stage for goal-line stand number one for the Chieftains. Two passes were incomplete during the series, which came in the last minute before halftime. On second down, speedy halfback Kevin Taylor was stopped for a three-yard loss, and on fourth down, quarterback Rod Burgett was smothered behind the line of scrimmage.

That defensive gem allowed the game to remain a scoreless tie at halftime.

Fumblitis continued to plague the Chieftains to start the second half, as Friona lost the ball at their 27 on the second play from scrimmage. Again the defense responded, though, and Shallowater, facing fourth and goal from the nine, decided to go for a field goal.

One kick was good, but offsetting penalties caused the play to go over. The second kick looked like a dying quail in a hailstorm, but managed to wobble over the goal-post by about a foot and a half, giving Shallowater

the first points and a 3-0 lead with 9:34 to play in the third quarter.

Friona came back with a vengeance. Morgan got around right end and appeared headed for a 64-yard touchdown romp. But the Mustangs found a speedy back to run Charlie down at the Shallowater 22, after a 42-yard gain.

And then, disaster struck the Chieftain cause once again. On second down, from the Shallowater 18, Patterson was rushed on a pass play, and his floating pass was intercepted at the enemy six yard line.

Friona held and forced a punt, and the Mustangs got a break from the high wind, as the ball bounced and rolled 66 yards to the Chieftain 25, getting the visitors out of the hole.

A few minutes later, with the teams shifted for the fourth quarter, Mark Montoya returned the favor with a punt that bounced out of bounds at the Shallowater seven. That great punt set up Friona's winning score.

The Chieftains held and forced the Mustangs to punt from their own 17. This time, with the ball going into the wind, the kick netted only 20 yards.

Patterson gave the team a first down with an option keeper to the Shallowater 27. From there, three plays gained only six yards, and set up the play of the game for Friona.

That's when Patterson's pass was tipped to Perea for the TD. Montoya's kick gave Friona the lead at 7-3, with 5:53 left in the game.

"We've told everyone that we had been working on that tipped pass play all week," said Chieftain head coach Tommy Moss, who quickly remembered that a similar play that went against the Chieftains was the difference in the team's loss to Muleshoe last year.

But the touchdown didn't settle things—not by a long shot. Shallowater threw a scare by moving 65 yards in only seven plays. Passes accounted for most of the yardage as the Mustangs moved quickly to the Friona 15, with just over three minutes to play.

Taylor then gave his team a first and goal with ten yards in two tries, and the Chieftain defense was again

challenged as Shallowater had a first and goal from the Friona five.

Taylor was stopped for no gain on first down. Burgett was caught for a yard loss, and then the Mustangs gained to the Friona 1 1/2 yard line, facing fourth down.

Shallowater called a pass play. Burgett lofted one that was caught by one of his receivers and Friona fans held their breath. Then, officials following the play signaled that the receiver was out of the end zone. The Chieftains had kept the Mustangs from scoring for a second time after they had a first and goal at the Friona five.

After a pair of 15-yard unsportsmanlike conduct penalties against Shallowater, the Chieftains were able to run out the clock and preserve the win.

"It was a great win. We should have scored more points, but we kept stopping ourselves on the fumbles. We thought Mike Neill, Carl Jackson, Juan Samarron and Max Perea stood out in the great defensive effort," Coach Moss said.

The cast includes Father Brian Rivard, played by French Stewart, an Albuquerque, N.M. freshman; Sister Rita, played by Amber Smith, a freshman from Friona; Mrs. Shandig, played by Sherry Strain, a senior theatre major from Hereford; and Toby Felker, played by Dennis McMenamy, a senior theatre major from St. Louis, Missouri.

Other cast members are Erna Prindle, played by Michelle McFerrin, a freshman nursing major

from Chillicothe; prosecutor, played by Brent Biles, a senior music education major from Spearman; Monsignor Nicholson, played by Kelly Davis, a junior theatre major from Spearman; Louise, played by Laura Davis, a senior theatre major from Amarillo; and Amos, played by Kenny Cook, a freshman from Amarillo.

The play is directed by Robert Busch, a graduate teaching assistant in speech and theatre from Los Alamos, N.M.

Assistant director is Donna Shelby, a junior theatre major from Canyon, and technical direction is by Paul Welch, a junior theatre major from Spearman.

Biles, who plays the part of the prosecutor, also composed the music for the play.

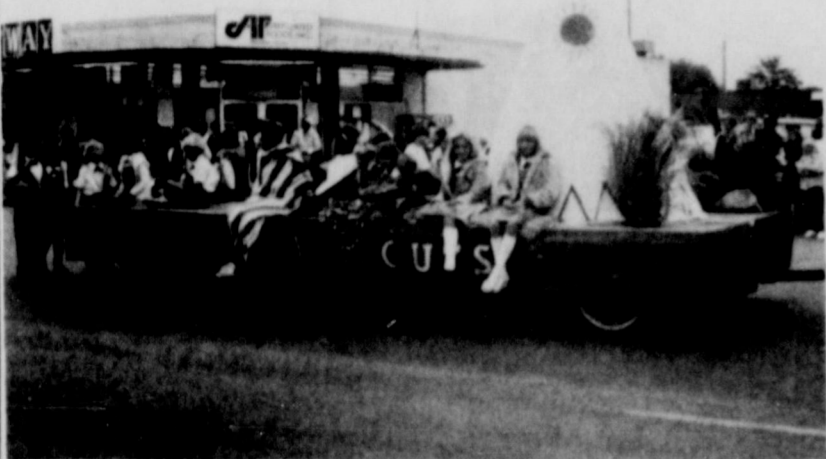

This play was suggested by a turn-of-the-century trial for the murder of a nun in Michigan and the action alternates between interrogation and testimony and scenes of past events.

"The play functions on two levels. It is both a courtroom drama and a moving story of repressed passion," said Busch.

General admission is \$1.50 and \$1 for WTSU students with an identification card.

**WHAT TO SAY TO KIDS WHO MUST WEAR EYEGASSES**

Now and then, we will hear a well-meaning relative or friend say to a parent: "Alice is such a pretty child--too bad she has to wear eyeglasses."

If Alice happens to overhear such a remark, she may conclude that there is some kind of stigma attached to wearing eyeglasses; that could lead to an inferiority complex, and an unwillingness to wear the glasses.

Optometrists have learned that children have very little difficulty getting used to spectacles, much less than adults. Your vision specialist's primary concern is with an individual's life-long ability to see well and be comfortable. However, modern eyeglass frames can now be designed to enhance a person's looks and be a cosmetic asset instead of a liability. Most Optometrists have assistants well trained in the styling of eyeglasses and can be depended upon to be a great assistance in helping the patient to select a frame that will be flattering to their facial features.

So, the next time you see a small child wearing eyeglasses why not say: "Alice is such a pretty child--and doesn't she look beautiful in those new eyeglasses!" You have done her a favor and helped her to preserve and protect her precious vision. You will be glad you did.

This message is brought to you in the interest of better vision by Drs. Armistead & Smith, Optometrists, Littlefield, Texas.
