Commission Awards Bid On New, Used Equipment

THE FAILURE OF the Penn Square Bank in Oklahoma City has no doubt caused bank officials across the country to be a little nervous, especially in these times of less than ideal economic conditions.

But apparently the Penn Square Bank may have been a special case. It has been reported that the bank made a "raft" of risky loans to oil and gas drillers, and then saw the drilling activity have to cut back sharply, with those holding such notes unable to pay.

"At best, Penn Square engaged in shoddy, speculative banking practices," stated the chairman of the FDIC, William Isaac, in testimony before congress.

We happened to make a trip to Oklahoma City since the Penn Square closing, and our relatives there hint of possible imbezzlement involving some of the higher echelon of the bank.

Also, they told me that for some time it was a well-known fact that if you couldn't get a loan anywhere else, then "Go to Penn Square—they would make you the loan."

The failure of the bank, one of the first such episodes in modern history, has caused a "ripple effect" on such institutions as Chase Manhattan, Continental (Illinois) and three other banks with \$2 billion in bad loans they bought from Penn Square.

Just to show you what can happen when people are made edgy about their money, it was reported that last week the Dallas Morning News ran an incorrect report linking the Abilene National Bank to loans packaged by Penn Square. The report touched off a two-day bank run, which before it could be stopped, had seen pension funds and other blue-chip withdrawals making up 12 per cent of the bank's \$430 million in deposits.

Since the closure of the bank, it has been revealed that Penn Square was cited by banking examiners as early as April of 1980 for a number of violations, which placed the bank on the Comptroller of the Currency's "list of troubled banks," which forced the bank's board of directors that it would mend its ways.

But apparently just the opposite happened, and examiners found in February of 1981 that the bank was still making millions of dollars in energy loans, doubling its assets in 1980 alone.

Then, the past spring, the bank's loans really soured with the decline in energy prices which halted most of the oil and gas drilling in the area. In late June the Comptroller's office ordered Penn Square to raise \$30 million in new capital, which the bank was unable to do.

When word leaked out that the bank was ailing, a weekend run by depositors swept more than \$1.8 million out of the bank's coffers, before the FDIC stepped in and closed the bank.

House banking officials have criticized FDIC officials for failing to warn uninsured depositors or banks doing business with Penn Square of its longstanding troubles. Reform will come too late for the banks stuck with questionable loans.

The Continental bank alone is expected to have an after-tax loss of \$160 million. It is an especially harsh blow to this particular bank, which has already felt losses to accounts such as Braniff, International Harvester and a number of other ailing firms.

More careful scrutiny by the major banks in its buying of bank loans is expected to be a result of the Penn Square situation. And, it has been a very expensive lesson.

Artists Set Workshop

All artists in the Friona area are invited to attend the "First Monday Art Workshop" on August 2 at the Splatter Shack. The session is free, and runs from 9 a.m.-4 p.m.

Awarding of contracts for a used truck-tractor, and a new tractor with front-end loader and backhoe were the principal items of business for the Parmer County Commissioner's Court this past Monday.

On the tractor, front-end loader and backhoe, two bids were received on new equipment, from Case Power & Equipment of Clovis and Deckard Equipment Co. of Amarillo. In addition, Running Water Irrigation Co. of Bovina submitted a bid on a used piece of equipment.

A motion was passed to accept the bid by Deckard Equipment Co., Amarillo, as the lowest and best bid, in the amount of \$21,893 trade-in.

Two bids were received on the used truck-tractor, from McGehee Truck Co. of Clovis and Dale Gober of Bovina. Gober's bid, the lowest of the two, was accepted in the amount of \$6,750.00.

A motion was unanimously passed for Parmer County to participate in the surplus cheese program through the Panhandle Community Action Corp.

Seth Halbert and C.L. Abernathy of the Central Plains Mental Health/Mental Retardation Center, Plainview, made their annual report to the court and requested the consideration that the county's annual fee of \$2,430 to the Central Plains MH/MR, be contained in the 1983 budget. The fee is the same as for the previous year. Motion was passed unanimously to include this

fee in the county's budget.

A delegation from Parmer County Community Hospital, Elda Hart, J.W. Gammon, Wendell Gresham, Cordie Potts and Dr. Paul Spring, appeared before the court explaining their needs and seeking financial help. The court assured the group that it would try to include something in its 1983 budget for this purpose.

At the suggestion of Benna Felts, County Treasurer, a motion was passed to re-invest \$125,000 of right-of-way money from a certificate of

deposit currently maturing in another C.D., to mature November 9, 1982. It also was voted to re-invest \$10,000 of the permanent improvement money in a C.D. to mature November 9, 1982.

A motion was passed to pay the boarding care bills for the Parmer County foster children in the amount of \$1,005, which money will be refunded to the county through the state.

(Continued on Page 5)

Chieftains Set First Squad Meeting Aug. 4

Coach Tommy Moss reminded prospective football players in FHS, grades nine through 12 that all are to report on Wednesday, August 4, for the issuance of shoes, shorts and T-shirts, between the hours of 9 a.m. and 9 p.m.

Every player needs to make arrangements to have their physical examination by Monday, August 9, which is also the first day of two-day workouts in shorts, Moss said. "Be there so as to be dressed out by 9 a.m. August 9, and we will decide on workout times then," the Chieftain coach said.

Moss announced the team's pre-

season scrimmage sessions as follows: Friday, August 20: Bovina, there; Friday, August 27: Springlake, here. The Chieftains will open their 1982 season on September 3 at River Road.

In pre-season ratings, the Chieftains have been rated second behind Littlefield in District 2-AAA. The Top-of-Texas Football magazine says the Chiefs and Muleshoe will be fighting it out for runner-up slot, again picking the Wildcats as winners.

Coach Moss says he is looking forward to the season. With six offensive starters and seven defensive starters back from the 1981 team, plus a junior varsity which had a great season, things look good.

"We play a demanding non-district schedule. Dalhart is picked to win their district, and Shallowater (another of the new teams on Friona's schedule) is ranked eighth in the state. River Road also is expected to be good," Coach Moss says.

More Rain For Area

The Friona area received another good rain early Friday morning, with reports of up to three inches of moisture in the outlying area.

The heaviest reports were from north of town. It was stated that Danny Black received in the neighborhood of three inches. Reports from Friona to southeast of town varied from an inch up to two inches, and more rain was in the forecast.

As of Friday morning, the measurement in Friona was .73 inch from the thunderstorm which began about 5:30 Friday morning. This brought the month's total rainfall to 3.36 inches.

Meeting To Air Rabbits As Projects

Parents and children who are interested in raising rabbits for 4-H and FFA projects are invited to a meeting at the Boy Scout Hut in Friona Saturday, July 31, at 7:30 p.m.

Those interested in raising rabbits for a pet or for meat are also invited to the meeting.

Jerry Brock, a parent leader of the Deaf Smith County Rabbit Breeders Assn., will be present to discuss rabbit raising with those attending.

"Rabbits for pets or projects are a good choice for many reasons: one, they are inexpensive, and inexpensive to feed; two, they are easy to handle even for very young children; and best of all, they don't bark.

There are a number of opportunities to show rabbits in competition. Amarillo, Lubbock and Plainview have each held two shows annually, and Hereford is making plans to host two rabbit shows during the coming year.

Those with questions can call Brock at 364-2368 or 364-5524, or Jackie Monk in Friona.

NEW STORE....Helen Lewis is shown holding a couple of items which her new store "The Winner's Choice," will be featuring, T-Shirts and trophies. The new store opens at 701 Main Street Saturday, July 31.

Plans Underway For 1982 Maize Days Fete

Plans for Friona's Maize Days celebration are beginning to take shape, with the appointment of some of the event chairmen.

John Blackwell and Bob Beville are co-chairmen for the celebration. Helen Lewis is chairman for the Maize Queen's pageant; Jerry Lewis is chairman of the parade; Jim Tucker is in charge of the barbecue, and Janet Buske is chairman of the pet show, of those named thus far.

Clubs, businesses and organizations are urged to be choosing their entry for the Maize Queen pageant, which will be held the evening of September 16. The deadline for entering a contestant will be early in September.

Among the other events on the schedule are an exhibition flag football game involving the law

enforcement officers, to benefit Girlstown.

Progressive Study Club will once again sponsor the Little Miss pageant, on Tuesday, September 14. The club will also sponsor the Money Doll project, with proceeds going to Parmer County Community Hospital.

Jim Tucker, chairman of the barbecue event, says that the event will be catered this year by Savage's Pit Barbecue of Hereford. The tickets, at \$4.00 each, will cost the same as last year. The menu will include beef, sausage, potato salad, beans, cole slaw, bread, tea and relishes, and will feature "all you can eat" for the admission price.

The carnival, which will be brought to town by Great Southwest Shows, will play September 14-18, and has been arranged by Wendell Gresham.

The Friona Rebekahs indicate they will have their regular food booth in the park. Other groups planning to have booths are asked to call Blackwell, Gresham or Rhonda Schueler at the Chamber office.

More details on the 1982 celebration will be announced as they become available.

City Meeting Set Monday

The Friona City Council meets Monday evening, August 2, at 7:30 p.m.

Among the items on the agenda will be awarding of bids on the special sale of used items belonging to the city; approving by-laws for the library board; confirming appointments to the library board setting the date for budget workshop, and an accounting systems maintenance contract.

Also to be reported on include the status of the new waterfield, as well as rate increases for both General Telephone Company and Energas.

PET PROJECT...Jeremy Brock of Hereford is shown with his grand champion buck rabbit. Jeremy's father, Jerry Brock, will be answering questions concerning rabbits as pets and projects Saturday night at the Boy Scout House, 7:30 p.m.

YOU'RE A GRAND OLD FLAG....One of the many patriotic numbers performed in the Summer Drama Workshop production of "Tintypes" is shown above. Left to right are Amber Smith, Melanie Blackwell, Andy Alexander, Stanley Ellis and Ricky Barnett.

NICE-LOOKING CORN...The corn in the area is like the song says "As high as an elephant's eye," and like most of the other crops are looking good. Farmers would welcome a good rain, if they could depend on getting only rain.

Williams' Rites Set Saturday

Funeral services for Sam F. Williams, 74, were to be held Saturday, July 31, at 2:30 p.m. in the First Baptist Church of Friona with Dr. Carrol Green, pastor, officiating.

Burial will be in the Friona Cemetery under the direction of Ellis-Blackwell Funeral Home of Friona.

Born July 6, 1908 in Martinsburg, Kentucky, Williams moved to Parmer County, Texas in 1930 from Wellington, Texas. He retired in February, 1975 from Friona Consumers where he was assistant manager. He was employed by Consumers for 22 years.

Williams was a member of the First Baptist Church of Friona; the American Legion Post 206, where he had served as past commander, past zone commander and was presently serving as adjutant; a member of International Order of Odd Fellows No. 203 where he was Past Noble Grand of the local lodge and was past district deputy grand master; and was a veteran of World War II, serving in the Army Air Corps.

He was named Most Courteous Employee by the Friona Chamber of Commerce in 1968.

Williams married Geneva Massey June 17, 1950 in Portales, New Mexico.

Survivors include his wife, Geneva, of the home; one nephew Dale Williams of Olton; two great-nieces,

SAM WILLIAMS

Shelley Williams of Olton and Tammy Adkins of Midland; two sisters-in-law, Lillian Williams of Friona and Lucille Williams of Barstow, California; and two cousins, Paul Williams and Charlie Williams of California.

Pallbearers will be Raymond Auburg, Gene Zachary, H.C. Claborn, Ralph Reed, Rickey Rector and Larry Rector.

Friona Flashbacks

....from the files of The Friona Star

50 YEARS AGO--AUGUST 5, 1932

Parmer County is to have a County Home Demonstration Agent. At a recent meeting of the commissioners court they voted to secure an agent for six months. She will begin her services right away--probably the second week in August.

Mayor F.W. Reeve, who was appointed as a delegate to represent the local Chamber of Commerce at a meeting of the State Highway Commission being held in Austin Wednesday, departed for that city Monday afternoon. Mr. Reeve has been deeply interested in the West Texas North and South Highway, and has taken an active part in promoting it, and it was to the end that he might exert a considerable influence in its favor with the Highway Commission by being in attendance at this meeting.

40 YEARS AGO--JULY 31, 1942

Bert Shackelford, consignee of the Texas Company, reports that he shipped for the company from Friona last week a carload of 41,190 pounds of scrap rubber. The Texas Company still has 11,000 pounds for shipment. The Texas Company purchased the large pile of scrap rubber taken in by the Friona Consumers Company.

Producers having farm stored wheat of the 1942 crop who desire a farm storage loan are required, under the regulations to execute farm storage worksheet prior to the time the loans will be made. Therefore, in order to avoid unnecessary delay, we

urge each producer who intends to secure a farm stored loan to contact the AAA office at the earliest possible convenience and make application for such a loan.

Parmer County's share of the 1943 wheat acreage allotment of 55 million bushels has been set at 108,265.2 acres, according to Olan N. Schlueter, chairman of the local AAA committee. The Texas allotment is 3,727,966 acres.

35 YEARS AGO--

(Entire 1947 issue missing from Star files.)

30 YEARS AGO--JULY 31, 1952

Derailment of fourteen cars of an eastbound freight train near Summerfield Sunday afternoon halted traffic on the local Santa Fe line for some hours. Though the track was a shambles for several hundred feet, and eleven of the cars were overturned and stacked in some instances, no one was reported injured. The overturned cars were loaded with potash being shipped from Carlsbad, N.M. to eastern points.

Now awaiting Washington acceptance of their low bid for construction of rural telephone lines for the West Texas Rural Telephone Cooperative to serve this area, the Thompson, Haight & Keister Construction Company of Oklahoma City will proceed with actual construction just as soon as materials become available.

25 YEARS AGO--AUGUST 1, 1957

Construction of a new building to house the Friona office of Pioneer Natural Gas Company got underway this week. The concrete foundation is already poured. Site of the building is 701 Euclid Street, on the corner opposite the Friona post office. Builder is R.L. Rule of Friona. Rule and C.I. Wall, president of the company, announce a five-year contract with an option to continue to lease the building. Estimated cost of the building is \$7,500. Completion date is set for October 1.

After plunging 75 feet down an

elevator man-lift shaft in a free-wheeling elevator car Tuesday morning a pair of repairmen are still alive to tell the story. Included in the frantic descent were Effie Grammer of Hutcheson, Kansas, and Harry Ericson of Mt. Hope, Kansas. They are members of a construction crew making repairs on Friona Wheat Growers elevator.

20 YEARS AGO--AUGUST 2, 1962

The Friona Jaycees, under the management of Walter Haws, will conduct its second annual Quarter Horse Show Saturday, August 4, at the Jaycees Arena. Last year's show was the first of its kind in the history of Parmer County, and interest was such that the show has become an annual affair.

All irrigation farmers and landowners in the area are urged to attend a special meeting Friday night, August 3 at the Hub Community Center. The farmers are to hear a report from a committee which met July 24 with representatives of the High Plains Underground Water Conservation District. T.I. Bursleson, chairman of the committee, said that the committee will report on its talk with Tom McFarland, manager of the High Plains Underground Water Conservation District, and would tell the farmers what the District expects of them in regard to controlling their "tailwater."

15 YEARS AGO--AUGUST 3, 1967

Parmer County citizens moved this week to block an attempt by two Hereford men to establish a private club on the outskirts of Friona. The two, Charles Joseph Lance and Adolph Eugene Vasek, were in the process of applying for a permit for the club through the Texas Liquor Control Board's Lubbock office.

A group of special commissioners made awards in 17 cases they heard last week in Farwell regarding right of way damages for a gas pipeline which will cross the county. Some 33 landowners in Parmer County are affected by the line, which crosses the southeast corner of the county, from southwest to northeast.

Mel Williams, coach of the Friona High School Squaws the past three years, has accepted a position as high school girls basketball coach and elementary school principal at New Home, south of Lubbock.

10 YEARS AGO--AUGUST 3, 1972

Officials of Encounter '72 estimated that more than 10,000 persons attended the series of county-wide evangelistic services last week at Chieftain Field. Largest crowd was the concluding service on Sunday evening, when in the neighborhood of 1,750 people crowded into the stadium for the service.

Don Ballew has joined the Friona Police Department. Ballew was employed by the City of Friona beginning July 22.

September 1 has been set as deadline for entering girls in the 1972 Maize Queen Contest, according to Dale Cary, Chamber president.

5 YEARS AGO--JULY 31, 1977

The Law Enforcement Center has a new 40 Plus Teletype which will give them information from Austin on drivers license vehicle registrations, or investigation information within seconds after it is requested.

Heavy machinery at the Lazbuddie dam site has been active since June to construct a dam on the Running Water Draw near Lazbuddie. The dam is being built for flood control and will cost an estimated \$1.33 million. It will take 1 1/2 years to complete the project.

Mixed League Deadline Set

A mixed softball league will begin in Friona. August 6 is the deadline for rosters to be turned in at the City Office.

A team consists of five men and five women. Entry fee will be \$50.00 with trophies being awarded to first, second and third place teams with sixteen individual first place trophies.

REMEMBER WHEN?

FRIONA, TEX.--Cowboys See the March of Civilization.

Friona was mostly wide-open spaces when the above picture postcard was made, showing cowboys, a tent, and the old Friona Hotel in the right background. The card, mailed September 18, 1908, was written by "Papa Faherty" of Perryville, Missouri. The message said: "I have been seeing a little of Texas. The Pan-Handle is a great country and hundreds are filling it up...." Friona State Bank is happy to have brought you this glimpse from the past.

FRIONA STATE BANK

Town Talk

By June Floyd

Call 247-3681 With Your News Item

Things are finally beginning to look up for our across the street neighbor, Ann Martin. She was a medical patient in the local hospital about a week before being transferred to High Plains Baptist Hospital in Amarillo one week ago Wednesday.

She's under the care of Friona's home grown cardiologist, Dr. Joel Osborn, who grew up here and is a graduate of Friona High School. His parents are Ernest and Valoris Osborn.

Incidentally, Joel's wife, the former Carlene Greeson, is also a Parmer County native and a Friona High graduate. Her parents were the late Carl Greeson and Lorene Greeson Dean.

Ann's daughter, Mrs. Dean Wallace of Creston, Iowa, and son Dick Smith of Santa Anna, California, have both been here, but have gone home.

Calvin's and Ann's family, friends and neighbors are all hoping Ann will be back among us soon.

Denise, David and Stephanie Johnston of Amarillo have been visiting in the home of their paternal grandparents, Elvin and Wilma Johnston, this week.

Thomas and Ruth Parson have had visiting grandchildren, too. Their guests are Bill and Ricky Rodgers of Tuttle, Oklahoma.

Bill's and Ricky's parents are William and Elaine Parson Rodgers.

Clayton Taylor, a former Friona resident and a son of Mrs. E.E. Taylor, is a surgical patient at Lubbock General Hospital.

One of his sons, Joey, reported that his Dad was making satisfactory progress following heart surgery. Clayton is a brother of Natalie Williams and Ralph Taylor. He lives in Wolforth, Texas.

Decimae Beene, one of my oldest friends and favorite people, seems to always be having fun, but during the past several weeks she has been doing double time.

One weekend she went down to

Lorenzo for the annual reunion of a group of ex-Texas Tech graduates. During their final semester at Tech back in 1939 five feminine members of the class made plans for an annual get together at the home of one of the group.

Since that time they've rotated from Friona, Pecos, Lorenzo, Amarillo and San Angelo for one long weekend each summer. Two of the group, Decimae Beene and Mary Kate Zeman, lived in Friona many years. Others in the group are Marsha Lockwood, in whose home the 1982 meeting was held; Margaret Shahan of San Angelo and Kay Sterrett, who lives in Amarillo.

Mary Kate wasn't able to attend this meeting due to the serious illness of her mother-in-law, Mrs. Ida Zeman, but there has been 100 per cent attendance at most of the get-togethers for more than 40 years.

Then, Decimae went to Corpus Christi to visit her youngest son, Ramey Beene. They did some sightseeing in the Rio Grande Valley and in Mexico before she returned home.

This week has been a quiet one for Mrs. Beene, but she has been entertaining her grandson, Brent Beene, who lives here. Anyone who doesn't know how much fun a five year old grandson can be just hasn't had one.

Herschel and Edith Johnson are having fun with a grandson, Joel Van Valkenburg, in their home this week. Joel and his mother, the former Kay Johnson, flew from Denver to Amarillo Friday and plan to be here several more days.

This is Joel's first trip to Texas but since he isn't very old yet, maybe he will be coming back soon and often.

A recent out-of-town visitor in the Floyd home has been my aunt, Stella Brown, who lives in Wichita, Kansas. She and my mother, Lucy McCown, who lives at Chaparral Lodge in Denver City, are the only living members of their family.

Aunt Stella flies down from

Wichita occasionally and we always get to visit with her while she is in Texas.

Mr. and Mrs. Edgie Graham of Rush Springs, Oklahoma, returned to their home Monday after spending a long weekend visiting local relatives. They are Sterling Graham's parents and Mrs. Graham is a sister of Mrs. Newman Jarrell Sr. and Mrs. Hardy May.

Gail Graham Dement and her daughter, who live in Hobbs, New Mexico, were also weekend visitors in Sterling's and Joy's home.

Gilbert Schueler and his youngest son, Doug, have recently been visiting in the Friona area with friends and relatives. Gilbert and his family moved from the Rhea community to Alamosa, Colorado in 1969.

The Schuelers have eight children. David has recently enlisted in the U.S. Navy and is stationed in Great Lakes, Illinois. Darrell is a captain in the U.S. Marines and is living in West Palm Beach, Florida. Dan is in California. Deann is married and lives on a farm in Monte Vista, Colorado and Doris is married and lives in Boulder, Colorado. Denise

and Darlene are attending college in Alamosa and Doug is in high school.

The Schuelers had all of the children home over the July 4th weekend and this is a special treat since they are scattered from California to Florida.

Terri, Conni and Robbi Bass of Tulsa, Oklahoma, are visiting local relatives. They are daughters of Charles and Pat Myers Bass.

Their grandparents are Mr. and Mrs. Charles A. Myers Jr. and Mr. and Mrs. Estis Bass.

Mr. and Mrs. Ken White and daughters, Becky, Johanna and Amanda, who live in Las Cruces, New Mexico, visited in the home of Mrs. LaVohn Kirk and sons, Mike and Tim, last week.

Mrs. White, the former Sharon Dean, is a 1965 graduate of Friona High School and is LaVohn's sister.

If Friona had a contest for the "Beauty Spot of The Week," I'd nominate the front yard of the home of Mr. and Mrs. W.F. Buske. They live at 805 Arrah. If you've not seen it, it would be worth your while to drive by and take a look.

GRADUATING MANAGER....Donna Asher (left), manager of the Allsup's store at 1311 W. Highway 60 in Friona receives her diploma from Gary Whittington, instructor, for successfully completing the Allsup's Store Manager Training Course. The class, held at the company's home offices in Clovis, New Mexico, prepares new managers for assuming the responsibilities of operating an Allsup's store. According to Whittington, "The eight day course is intensive, with theory, policy and procedure and practical application covered. It's a demanding class designed to prepare the managers to handle the duties of their challenging position and better serve our customers."

LEGAL NOTICE

NOTICE TO BIDDERS WATER WORKS IMPROVEMENTS
 Sealed proposals addressed to the Honorable Mayor and City Council of the city of Friona, Texas, will be received at the office of the City Manager, until 2:00 p.m. August 16, 1982, for furnishing all necessary materials, machinery, equipment, superintendence and labor for constructing certain Water Works Improvements, for the City of Friona, Texas.

All lump sum and unit prices must be stated in both script and figures. The Owner reserves the right to reject any or all bids and to waive formalities, and to accept the bid which seems most advantageous to the City's interest. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid.

The principal items of work are as follows—Water Works Improvements approximately 11,740 feet of 12", 2285 feet of 10", 345 feet of 8", 962 feet of 6" and 10 feet of 4", approved type of pipe installed in the water distribution systems, including the necessary valves, fire hydrants ductile iron fittings and appurtenances including cutting and repairing pavement cuts, boring and casing, and other miscellaneous items; and approximately 350 feet of 8" and 1192 feet of 6" PVC pipe in the well supply lines; and other miscellaneous items of work.

Copies of the Plans and Specifications are on file in the office of the City Manager, City Hall, Friona, Texas, and are on file and may be secured from Parkhill, Smith & Cooper, Inc., Consulting Engineers, 4010 Avenue R, Lubbock, Texas, 806-747-0161, upon a deposit of \$25.00 as a guarantee of the safe return of the plans and specifications. The full amount of the deposit will be returned if a bona fide bid is submitted and Plans and Specifications are returned within five (5) days after receipt of bids, or in case no bid is submitted, if plans and specifications are returned on or before the date of receipt of bids; otherwise, the deposit is forfeited.

The Successful Bidder must furnish a Performance Bond and Payment Bond on the forms provided in the amount of 100 per cent of the

Horns Tell Of Mission Work In Japan

BY BILL ELLIS

Dick and Joanie Horn, Bovina natives who are career missionaries, are having one of their rare stateside "furloughs," and have been visiting awhile with family and friends in the Bovina area.

Rev. Horn is the son of Mina Horn and the late Johnie Horn. Joanie is the daughter of Mr. and Mrs. Gene Ezell.

The two native Texans have spent the past nine years in Japan, where the first two years were spent in language school. After mastering the language, the Horns worked with a Baptist church in Urawa, a Japanese capital city north of Tokyo, of about 400,000 people.

"It was the only Baptist Church in the city, which had only about six little churches, the combined total of which had only about five or six hundred members," Joanie said.

While living in Urawa, Dick worked in an "associational" organization which was comprised of

12 churches and three missions. His was more of an "encouragement and support" type of situation than a church pastor, he pointed out.

In addition, Joanie conducted exercise classes for young mothers, and taught English Bible classes. "We also had a lot of involvement with people in our neighborhood, which was fun," Mrs. Horn adds.

In 1980, Rev. Horn worked a year with the Billy Graham crusade, which encompassed five cities in Japan in the fall of that year. He coordinated counseling and follow-up work of the crusade, principally in Tokyo, Osaka and Okinawa.

He called the work with the Graham crusade "the most enjoyable work I had done up until that time."

The Graham crusade is interdenominational, which gave the Horns the opportunity of working with church leaders of all faiths.

"It was really a good opportunity, a good learning experience, and just a good experience, period," Horn says.

Reflecting back on the crusade, Horn recalls with pride that the last Sunday of the crusade, the stadium, which is the home field for the Tokyo Giants, was filled to capacity--50,000--for the service. "This was the largest Christian gathering in the history of Japan," Rev. Horn stated.

Then in 1981, the Horns moved closer to Tokyo, where he served as director of the communications center for the Baptist mission effort. In that capacity, he helped produce a couple of radio programs each week, as well as considerable video work.

"This is mostly educational training material. We also translated a follow-up book for Christian converts into Japanese, which we are now publishing and selling, worldwide, anywhere there are Japanese Christians.

"There are very few Christian materials in the Japanese language, so this has been well accepted," Horn said.

Then, in September of 1981, the Horns went to the Tokyo Baptist Church where Dick became pastor (and Joanie as pastor-pusher, he said with tongue in cheek).

The Tokyo church is a real unique and unusual situation. "Unlike anything I had ever been around, we have about 25 different nationalities represented in our congregation. On a given Sunday, we'll have visitors from any place in the world. Only about 35-40 per cent of our congregation are Japanese. The rest are from--everywhere," he said.

Horn pointed out that he conducted the worship services in English, and then, following, in a coffee-time and fellowship period, you can hear and speak virtually every language imaginable.

In response to a query about how large the Tokyo church is in membership, Horn said:

"That's hard to say. We're more broad-minded than most Baptist Churches in this country. We have a lot of people with evangelical backgrounds who are members, plus we have a lot of associate members."

Pointing out the cosmopolitan makeup of the congregation, Rev. Horn pointed out that two members of his board of deacons are Americans, one is a Dutchman (born in

LOCAL MISSIONARIES...Rev. Dick and Joanie Horn, Bovina natives who have been living in Japan for the past nine years as Baptist missionaries, are currently in Bovina, on a study furlough. The Horns told of their experiences in Japan in an interview with publisher Bill Ellis.

Indonesia) and one is from West Germany (whose wife is Dutch).

The church has welcomed to its services people from Mainland China, and has a number of members from Singapore, Taiwan, Hong Kong and Malasia, many of whom speak Chinese as their main language. "All of these people (many with varying political backgrounds) managed to get along pretty well," Horn said.

In addition to their regular Sunday worship service, the Horns conduct a

Commission...

(Continued from Page 1)

A report from a "jury of view" on opening a new road was postponed, since attorney Charles Aycock, representative of the group, was out of town.

Motion was passed to have the High Plains Pest Control Company spray the trees on the Courthouse lawn at a fee of \$260.00.

Soil work on two places in Precinct 3 was approved by county machinery when such machinery is in the area and not in demand. Such work is paid for by the individuals, in this case Ricky Bennett and Kenneth Johnson.

The entire court adjourned to the Ted Walling place east of Bovina, to see a problem which Walling has been complaining about--some fence posts on his property had been scorched by a fire on adjacent property.

After examining the affected posts, it was the opinion of the court that while the posts in question had, indeed, been scorched, that they are still as firm as those not touched by the fire.

Ethnocentric

• Mrs. Snooty: "And how fah bahk can you trace yoah fahmily?"

Mrs. Fedup: "Well, our family history is in nine volumes, and in the third there's a notation 'About this time the earth was created.'"

Inadvertent

• Magistrate: "The police officer says you were sarcastic."

Motorist: "I didn't mean to be, but when he was bawling me out like my wife does, I forgot myself and said 'Yes, dear.'"

weekday program geared primarily toward foreign women--many of whom are businessmen and diplomats' wives living in the Tokyo area.

"We have a program which offers some 28 courses, everything from a pre-natal care class to Indian cooking, an exercise program, Japanese arts, etc. Three times a year we have a lecture series, featuring people who are experts in their field. This series will draw 300 per week, or 2,000 people per year," the Horns say.

The Horns live "about 45 minutes" from their church, which is characterized as being "downtown." Most of the church members come by train.

Rev. and Mrs. Horn will be in the States for a six-month period. Their trip home is termed a "study furlough," as Dick plans to work on his master's degree.

In addition, they plan to get middle son Tim, 17, enrolled at the University of Texas at Arlington. Oldest son Richard is a student at Baylor University. Steven, 14, is the youngest son.

During the time that the Horns are in the States, another missionary is supplying for Dick at the Tokyo church, to which they will return.

Both Rev. Horn and his wife Joanie describe Tokyo as "A nice place to live." "It's safe, as large cities go. The kids take the train to the city to see a movie, and we never

worry about them," Joanie said.

Japan's per capita income is very close to that of the United States, unlike Korea or the Philippines, which have a cheap labor market.

Rev. Horn explained that in Japan, there is an unusually good company-employee relationship. "You never hear of a company laying off large numbers of employees during times of bad business, like you do in the U.S. Some employees may voluntarily lay themselves off, out of sympathy to the company, but it's a very unusual situation. People there are almost guaranteed lifetime employment with their company, if that's what they want," he said.

Asked what was the biggest change they had noted in America, the Horns mentioned the fact that people are much more aware of crime than they formerly were--almost to the point of fear, where previously there was a relaxed attitude, particularly in the rural areas.

"Also, there doesn't appear to be the community involvement that we once had, although things have changed somewhat in that you don't have the 'Saturday trip to town' that we once had, which gave people an opportunity to visit their neighbors," Rev. Horn commented.

"But it's good to be home, and to taste such things as Mexican food," added Mrs. Horn. So apparently there are still one or two things the Japanese can't copy and produce at a cheaper price!

J. Cass Wins First In District Fashion Show

Modeling garments they had created, four young women captured top honors in the South Plains District 4-H Fashion Show at the Lubbock Memorial Civic Center on July 14. They will represent the twenty counties of the district in the State 4-H Fashion Show, September 15-17 in Corpus Christi.

The four are Rhonda Nivens of Hale County, active sportswear; Angie Stark, evening and specialty wear, and Cindy Ferguson, daytime non-tailored attire.

Runnersup in each category were Fronye Gober of Cochran County, active sportswear; Deon Zumwalt, Floyd County, evening wear; Marie Hooper, Hale County, daytime non-tailored. They will serve as alternates to the state contest if the first place winner doesn't participate.

Placing third in the senior division were Jene' Nance, Dawson County, active sportswear; Teresa Jackson, Castro, evening and specialty; Maureen Jesko, Parmer, daytime tailored; and Becky Price, Hockley, daytime non-tailored.

A total of 102 contestants participated in junior and senior divisions. Juniors don't compete beyond the district level.

Top junior winners in each garment classification were:

Active sportswear--Jennifer Cass, Parmer County; Rhonda Hannah, Swisher; and Melode Chance of Crosby County and Traci Snell of Dawson County, tied for third.

Evening and specialty were--Amy Bolton, Lamb; Angie Taylor, Crosby; and Melissa Brockman of Castro and Tracy Snider of Hockley, tie.

Daytime tailored wear--Cindy Stair, Hale; Donna Smith, Lamb; and Mandy Plank of Bailey and Kristi Fogerson of Briscoe, tie.

Daytime non-tailored attire--Rebecca Lee, Hale; Donna Hart, Hockley; and Shelly Cornelius, Crosby.

Contestants were judged on sewing skills, clothing construction, and overall appearance in the garment, explained Dr. Catherine Crawford, district director for the Texas Agricultural Extension Service. Four-H is a youth program of the Extension Service.

STYLISH 4-H'ERS... Four young ladies won top honors in the junior division of the South Plains District 4-H Fashion Show in Lubbock on July 14. Junior winners, left to right, are Jennifer Cass of Parmer County, daughter of Mr. and Mrs. Jerry Cass of Friona, in the active sportswear category; Rebecca Lee of Hale County; Cindy Stair of Hale County; and Amy Bolton of Lamb County.

Local Fireman Attends School

Avis Henry, volunteer fireman on the Friona Volunteer Fire Department of Friona, Texas, is attending the 53rd Annual Texas Firemen's Training School, July 25-30. The school, attended by nearly 2,000 students representing about 750 cities from more than 25 states, is being held on the Texas A&M University campus this week.

Firemen can choose their course at the school from a list including Fire Fighting, Fire Prevention, Fire Department Officer Training, Fire Department Pump Maintenance, Specialized Fire Protection, and Disaster Rescue Training.

Fireman Henry is being sponsored by Parmer County Farm Bureau and Texas Farm Bureau Insurance

Companies by contributing toward the cost of the school. Since volunteer firemen are interested in attending this school to help do a better job of fire fighting and fire prevention, 100 County Farm Bureaus and the Texas Farm Bureau Insurance Companies in the statewide program have sponsored 100 firemen at the school.

"The Farm Bureau Insurance Companies believe volunteer fire departments have been very effective in reducing the amount of loss involved by fire in rural areas," said President Carrol G. Chaloupka of Dalhart. "It is our hope in sponsoring this program that the fireman will help the Friona Volunteer Department to better serve the residents of Parmer County."

ON BOYS STATE

V. Tongate Gives Report

Vohnya Tongate submitted a report on his trip to Boys State as follows:

By VOHNYA TONGATE

Forty six boys from our region met at the Amarillo Airport to fly to Austin for the 1982 Boys State. Upon arrival at the University of Texas we were checked in and assigned to cities and parties. There were two parties, Federalists and Nationalists. I was a Nationalist. I was assigned to Davis City, Benefield County and Oswald district. Cities are made up of about 44 boys and counties are made up of two or three cities. There are two counties in a district.

We didn't have any delays, the same day we arrived we spent the afternoon and evening in meetings to decide on the type of government our city would have, we decided on the weak mayor type. We elected city

officials that evening. We then had to decide on what office to run for and start petitioning.

On Sunday we got out of bed early and went to church. Later, we attended more precinct meetings and county meetings. Sunday night we had a state party convention.

Monday and Tuesday were filled with meetings and campaigning. During this time I took the State Bar Exam. I passed the exam and became a Boys State Lawyer. Then on Tuesday night we were addressed by Gov. Clements.

Wednesday was the general elections. Anyone who lost in the election could be appointed to an office. I was the Chairman of the Water Commission for our county.

On Thursday we listened to speeches from those running for governor and Lt. governor. The speeches took all day. That night we had a talent show that was very entertaining.

Friday morning we paraded to the capitol building for a tour of the Capitol and other buildings on the grounds. Speaker of the House, Bill Clayton, spoke to us during our visit. That afternoon we had lunch on the capitol grounds and were dismissed.

My attendance to Boys State was very educational. I believe I have a much better understanding of the workings of the government than I did before. It was a great learning experience, one I am very proud to have had the opportunity to have.

Hospital Report

ADMISSIONS--

Glenda Parson, Steven Duffey United In Church Ceremony

Glenda Fay Parson became the bride of Steven Glen Duffey at 2 p.m. Saturday, July 3, at Calvary Baptist Church, Friona.

Parents of the couple are Mr. and Mrs. Thomas Parson, 309 Grand, Friona, and Mr. and Mrs. Denver Duffey of Hereford.

The couple exchanged wedding vows before an arrangement of roses and greenery with Rev. Ellis Parson, pastor of First Baptist Church, Plainville, Kansas, officiating.

Mrs. Scharla Hollinger, organist, accompanied Glenna Holt, vocalist, as she sang "The Twelfth Of Never," "The Wedding Song," and "What God Hath Joined."

Naomi Parson of Friona, sister of the bride, was the maid of honor. Mark Duffey of Clovis, brother of the groom, was the best man. Guests were seated by Billy Parson of Friona, brother of the bride, and Darrell Parson, Plainville, Kansas,

nephew of the bride.

The maid of honor wore a pink floral sleeveless dress designed with a fitted bodice, gathered skirt and ruffled neckline. Her corsage was of pink silk rosebuds.

Lori Jordan of Friona, daughter of Mr. and Mrs. Bobby Jordan, and Julie Duffey of Clovis, niece of the groom and daughter of Mr. and Mrs. Mark Duffey, were the flower girls.

Their formals were of the same material as the maid of honor's gown and were fashioned with short puffed sleeves, fitted bodices, full skirts and lace trimmed ruffles. They carried white baskets decorated with butterflies, pink net and pink ribbon bows filled with tiny pink silk rosebuds.

As the bride was presented in marriage by her father, she wore a floor length formal of white organza over sheer lace. It was designed with a stand-up collar, deep v-shaped yoke with ruffle trim and fitted bodice, with tiny pearl buttons in the back.

The long sheer sleeves were gathered onto wide cuffs, which were closed with tiny pearl buttons. The full skirt was decorated with rows of lace ruffles with ribbon trim on the center front panel. Her bouffant organza veil was trimmed with lace and held in place with white velvet ribbon.

The bride's only jewelry was a necklace, which belonged to her mother. She carried a bouquet of pink silk flowers entwined with miniature hearts of pearls and white ribbon bows atop a white lace circlet.

A reception in Fellowship Hall followed the ceremony. Guests were registered by Mrs. Bobby Jordan. The bride's table was covered with white lace over pink and centered with fresh flowers.

A three tiered wedding cake topped with a bride and groom and encircled with love birds, a crystal punch bowl and silver serving pieces completed the table setting. Chocolate cake and coffee were served from the groom's table.

Refreshments were served by Nancy Parson and Tammy Welty. They were assisted by Mrs. Ira Holt and Mrs. Don Huckabee.

For a wedding trip to points of interest in New Mexico, Mrs. Duffey wore a robin's egg blue pants suit.

Out-of-town guests were Mr. and Mrs. Neal Parson and family and Mr. and Mrs. Denver Duffey, all of Hereford; Mr. and Mrs. Mark Duffey and family, Clovis; and Rev. and Mrs. Ellis Parson and family, Plainville, Kansas.

Mr. and Mrs. Duffey are at home northwest of Hereford.

WEEK OF JULY 31-AUGUST 5
Friona residents having birthdays next week are:

July 31-Celia Osborn, Anona Pavalus, Mida Gonzales, Lawanna Hume, Dustee Gee, Ashlee Gee.

August 1-Lloyd Chesher, Dorothy Woodruff.

August 2-Billy Sifford, Jo Ann Jones, Jessie Sisk, Vuthill Loafman, Faye Keeler, Florian Jarecki, Pepper Weatherly, Brenda Jackson.

August 3-Connie Johnson, Peggy Stowers, Valerie Brockman, Cindy Diane Chesher, Marie Roden, Norbert Schueler, Wendy Gresham, Reynaldo Gonzales, Retta Schueler.

August 4-Shannon Allen, Delia Aragon, Bill Hartwell.

August 5-Lilah Gae Gee.

If you or someone in your family has a birthday coming up soon, call the Friona Star at 247-2211 by Thursday noon and report it.

Bryan D. Gore Completes Army Repair Course

Sgt. Bryan D. Gore, son of Lewis and Elizabeth Gore of Friona, has completed a Pershing missile electrical mechanical repair course at the U.S. Army Missile and Munitions Center and School, Redstone Arsenal, Alabama.

During the course, students acquired a working knowledge of the Pershing missile and learned how to inspect, test and repair the weapon system.

He is a 1978 graduate of Friona High School.

A broken air
conditioner
can be the best thing

that ever
happened to
your household
budget.

Your air conditioner breaks down. You have several choices. Repair. Replace. Buy a whole new system. All major investments. Southwestern Public Service Company suggests that you consider a more efficient alternative.

Consider the electric add-on heat pump. The add-on heat pump is a very special air conditioner that works with your present furnace. Besides cooling your home in the summer, it helps heat your home in the winter.

You can save money. Because the heat pump is one of the most efficient ways to heat and cool, you can save money. Call us to see what your savings can be.

Together, we can save more than money. The add-on heat pump is one more example of how you can work with us as a partner to help manage electricity more effectively. Together, we can make a difference.

You and SPS, partners managing electricity, make the difference.

AG INTERNSHIPS.... Texas Tech University agricultural economics majors, James Mark Gammon of Friona and Kirby Dean Hargis, originally of Spearman, will be spending the 1982 fall semester as interns in the office of U.S. Secretary of Agriculture John Block. Attending a recognition ceremony are, from left, Texas Tech Agricultural Sciences Dean Samuel E. Curl, Gammon, Hargis and Billy G. Freeman, associate professor of agricultural economics.

(Tech Photo)

Two Tech Students Earn Internships

Two Texas Tech University agricultural economics seniors have been named to five-month internships in the office of the U.S. Secretary of Agriculture.

James Mark Gammon of Friona and Kirby Dean Hargis, a native of Spearman, were the only students selected nationally to work in the office of Secretary John Block.

During the internships August 2 through December 17, the Texas Tech students will work in public liaison activities for the secretary.

Oklahoma.

Gammon has been on the dean's honor roll for three years at Texas Tech and received a freshman scholarship at the university. He is active in the Agricultural Economics Association and Alpha Zeta agricultural honorary society.

He has worked in political campaigns in Parmer County. Gammon, who has assisted his father in a Parmer County farming and ranching operation, plans to farm or work in an agriculture-related business upon graduation.

Hargis has received the Houston Livestock Show and Rodeo Scholarship. He was named the Agricultural Economics Department's outstanding student in his class as a freshman, sophomore and junior.

He has served as vice president of Alpha Zeta agricultural honorary society, reporter for the Agricultural Economics Association and president of FarmHouse Fraternity. Hargis also is a member of the Fellowship of Christian Athletes.

Celebration by Texas City

Ana Ramirez Gives Report On Girls State

Ana Ramirez submitted this report on her trip to Girls State recently:

I remember reading an article by Faith Mays in the Friona Star a couple of years ago and wanted to be a part of Girls State. I may have not known what Girls State was about then but I wanted to be a part of it. Now years later I have been given the opportunity to know and understand why my interest was inspired.

When I arrived at the Amarillo Airport I realized I had involved myself in something unforgettable, in something that would stay with me for life, and in something that would change my life forever. I met so many people at Amarillo that I found it hard to remember all their names. The twenty-one girls of the Panhandle were a small number compared to the five hundred-fifty-nine at Seguin which no doubt were as surprised and confused as me.

We arrived at Texas Lutheran College in Seguin at five in the afternoon. When we got off the bus, we were met by a bunch of girls wearing white shorts, orange skirts, kicking their legs in the air and singing a song which proclaimed their greatness. I later found out that these girls were our counselors and indeed they were great because without them we may not have reached our goals. After which we were directed into a building where we deposited our money in our make-believe bank. We were also assigned to a city, political party, and House or Senate. I was a Nationalist, a Representative, and a citizen of City J or the Jitter bugging Jackrabbits from Jumpin' Jazzy Jungle.

The next day we held party elections. I was elected Party Chairwoman for the Nationalist in Pecan County. Later we announced

our party platform. The Nats were in support of stricter regulations of the welfare and free lunch programs, and encouraged the enforcement of requiring a course and written test be taken before being able to buy or carry a hand gun.

As soon as our party business was finished we held city elections. City J was based on the strong mayor-council form of government. We elected a mayor who was in control of the city and council members who advised the mayor. We also elected other officials such as tax collector and fire chief. Our county and district officials were elected soon after. Everyone who ran for an office made speeches and campaign promises. Most JP's (Justice of Peace) who promised to marry girls to pictures of their boyfriends or any well known person were considered good candidates. I myself even considered marrying Rick Springfield without his consent as Mrs. Barry Manilow did.

On Saturday, the 19th we were down to the state elections. Although the Federalist won the majority of the state seats, we the Nats took the Governors and Lt. Governor's places. Cindy Gay of Houston won the governor's position and Grace Traham, who used a quote for her campaign speech from the late President Kennedy "Ask not what your country can do for you but what you can do for your country," won the Lt. Governor's position.

On Monday, June 21, we visited the State Capital. While we were there the House and Senate of Girls State convened in the House and Senate chambers of the State Capital. During this session we debated bills like the lowering of the drinking age and of the problems of illegal aliens in the state.

After our legislative session, we assembled in the Capital Rotunda for the inauguration ceremonies. Cindy Gay was escorted by the Governor of Texas, the Honorable William Clements. When all the state officials had received the oath of office Governor Clements spoke on the greatness of Texas.

Returning back to the campus, the functioning of city, county, district and state offices began. Governor Gay appointed state officials such as sanitation advisor, board members, Texas Employment Commissioners and many others. Districts and county courtrooms were busy conducting civil and criminal trials.

Cities were also preparing for our State Fair. Decorating the dormitories was the first project to be completed. I later heard that every girl there considered City J to be the best decorated. Parties were planned to entertain the city visitor. We had a Beach Bunny theme, while others had Punk and Togo Parties.

It is hard to explain what Girls State is, but frankly, to me it was a ten day jam session of Texas government with fun and inspiration. All the speakers, staff members and counselors of Girls State, I believe, are the best I have met. To explain everything and everybody would require the writing of a book about my experience.

I am told that every girl who is lucky and gets a chance to attend Girls State returns saying the same thing. What I have to say may not be in the same words, but I now understand why being patriotic is important for the survival of the United States, having faith in God for the survival of the human race, and having trust in yourself and your friends for survival of oneself.

If Air Conditioning doesn't have it here it probably doesn't have it.

Gas Air Conditioning Has It!
No other air conditioner has a warranty like a gas air conditioner because no other air conditioner is built like a gas air conditioner.

Gas air conditioning has fewer moving parts and no compressor to wear out or break down. This means less wear and tear and lower maintenance costs.

That's why gas air conditioning is so dependable and why it has a warranty that's twice as long as other types of units... a full 10 years!

Find out more about the air conditioning that's backed by the best warranty available. Call Energas today for a free cooling survey and cost estimate. There's no obligation.

Remember, all air conditioning was not created equal. And we have the paper to prove it!

Manufacturer's limited warranty covers all defects in materials and workmanship on the sealed refrigeration unit for ten years from the date of installation of the air conditioner when it is installed in a single family residence. All other parts are warranted for one year from date of installation.

VAUDEVILLE....Jessica Maurer and Tempa Wofford are shown in the picture above doing a Vaudeville routine from the Broadway musical "Tintypes." The Friona Fine Arts Council presented the production last Saturday, July 24.

Services Held For Willie Steinbock

Funeral services for Willie Steinbock, 81, a seven year resident of Farwell and longtime resident of the Lazbuddie community, are scheduled for 3 p.m. Thursday at Ellis Chapel of the Chimes. Interment was in the Lazbuddie Cemetery.

He died at West Plains Medical Center at 7:15 a.m. on Tuesday, July 27.

Willie Steinbock was born December 26, 1900 at Marlin, Texas, and moved to the Lazbuddie Community in 1923. He was a farmer and a member of the Lutheran Church of Frederick, Oklahoma. He was married to Helen Cox on April 30, 1970 at Farwell.

His survivors include his wife, Helen; four sons, Max Steinbock and Rex Steinbock, both of Lazbuddie; James Cunningham of Clovis, N.M. and Jerry Cunningham of Texico, N.M.; three daughters, Mrs. Mary Almstrom of Oakdale, Massachusetts, Mrs. Ella Willess and Kathy

Cunningham, both of Clovis, N.M.; two sisters, Alma Winn of Slaton and Francis Oliver of Cleburne, Texas; two brothers, Alfred Steinbock and Rheinhold Steinbock, both of Lazbuddie; fifteen grandchildren and six great-grandchildren.

G. Strake To Discuss Issues In Weekly Column

Former Texas Secretary of State George Strake announced today he is beginning a series of weekly columns in newspapers all over Texas, including this one, in which he will discuss issues of interest to Texans.

Strake, who is running for Lt. Governor, said he will discuss a variety of subjects in the weeks to come, including the New Federalism, the drunk driving problem, undocumented workers and education.

Said Strake in his first column, "I believe these columns will provide a unique opportunity to stimulate public discussion on these important issues."

The 47-year-old Houstonian said he hopes these columns will fill the void left by the incumbent's refusal to debate.

"I have challenged my opponent, Mr. Hobby, to a series of free wheeling debates on political issues, so both our views could be put before the people of Texas. We met in debate one time, in Houston. From all observers, Mr. Hobby lost and has announced that he will not debate again."

Also in his first column, Strake stressed the importance of the Lt. Governor's office, saying "It affects all our lives."

PRINCE DAUNTLESS....Michael Griffin is shown in the picture above as Prince Dauntless in the Summer Drama Workshop production of "Sleeping Beauty." Friona's Fine Arts Council presented the play last Saturday, July 24, at 2 p.m.

Winners Are Given For Playday Events

The winners in the junior division of the poles, barrels, flags, stakes, and rings events on Friday, July 23, set the times for area riders to beat in order to win the trophies offered by the Friona Riding Club.

At the last Playday of the summer, a trophy will be awarded to the rider with the fastest time in each event.

Cannon AFB Wins Softball Tournament

Cannon Air Force Base men's softball team from Clovis placed first last weekend in the Friona Slowpitch Softball Tournament. Fourteen teams from Hereford, Dimmitt, Amarillo, Clovis, Bovina and Friona participated in the double elimination tournament.

Cannon AFB won their first three games and then were defeated by C&L Machine from Hereford. From there they went to the loser's bracket where they later met the undefeated C&L team again.

This time Cannon AFB evened the score with C&L for their first loss. In the playoff game Cannon AFB beat C&L 17-8 to win the tournament.

C&L Machine then took second place with Hereford A's placing third.

The Playdays are held each Friday at 8 p.m. at the Friona Riding Club arena on West Highway 60.

Winners of the Friday Playday were:

Peewee poles--1. Roger Billingsley, 38.5; B.J. Parvin, 49.8.

Junior poles--1. Tiffany Osborn, 24.1; 2. Beth Collier, 24.5; 3. Ashlee Gee, 25.1; Glen Trimmell, 26.5; 5. Paul Trimmell, 27.0; 6. J'Mai Cash, 30.2.

Peewee barrels--1. Roger Billingsley, 20.6; 2. B.J. Parvin, 33.0.

Junior barrels--1. Beth Collier, 18.40; 2. Paul Trimmell, 19.5; 3. Tiffany Osborn, 19.7; 4. Ashlee Gee, 20.7; 5. Glen Trimmell, 21.4; 6. Dustee Gee, 23.2.

Peewee stakes--1. Roger Billingsley, 16.6; 2. B.J. Parvin, 17.1.

Junior stakes--1. Beth Collier, 9.5; 2. Ashlee Gee, 9.9; 3. Tiffany Osborn, 10.0; 4. J'Mai Cash, 12.0; 5. Chad Rhodes, 17.5; 6. Kelley Cash, 20.8.

Peewee flags--1. B.J. Parvin, 28.0.

Junior flags--1. Paul Trimmell, 11.8; 2. Tiffany Osborn, 13.5; 3. Lacye Osborn, 16.3; 4. J'Mai Cash, 17.0; 5. Chad Rhodes, 17.5; 6. Kelley Cash, 20.8.

Peewee rings--1. B.J. Parvin, 34.9.

Junior rings--1. Kevin Trimmell, 12.5; 2. Glen Trimmell, 16.8; 3. Tiffany Osborn, 19.1; 4. Dustee Gee, 21.7; 5. Beth Collier, 24.8; 6. Lacye Osborn, 27.8.

Ribbons were given for first through sixth place.

SLEEPING BEAUTY....Princess Elaine, Leigh Ann Neelley, is shown in the scene above playing croquet with the kingdom's royal jesters in the Summer Drama Workshop production of "Sleeping Beauty." Lester the Jester, left, was Bill White; and Chester the Jester was Lon Outland.

ATTENTION!

GROWERS, PACKERS and CREWLEADERS

An important announcement about a new law

The law now requires all employers of field hands to provide three things in any field where field hands are working:

- Sanitary toilets with locking doors and toilet paper
- Clean handwashing water
- Clean drinking water.

The Texas Department of Health and private organizations such as Migrant Advocacy Services will monitor employers' compliance with this new law and provide employers and field hands with additional information.

If you want to know the specific requirements of this new law, contact:

- Texas Department of Health
- Your Growers' Association
- Your County Attorney
- Migrant Advocacy Services
- Your Attorney
- Texas Rural Legal Aid

This message is provided as a public service of the Migrant Advocacy Services, Inc.

Strake Talk

Keeping In Touch

This is the first of what I intend to be a number of weekly columns from me, discussing various topics of importance to Texans. During the coming weeks, we will discuss such things as President Reagan's "New Federalism" proposal, the need for better laws dealing with drunk drivers, illegal aliens, the education of our children, and a host of other issues that will be on our political agenda.

I believe these columns will provide a unique opportunity to stimulate public discussion on these important issues. Indeed, this may be the only way I have challenged my opponent, Mr. Hobby, to a series of free-wheeling debates on political issues, so both our views could be put before the people of Texas. We met in debate one time in Houston. In the view of all observers, Mr. Hobby lost and he has announced that he will not debate again. So I have chosen this route to try to let you know my position on the

issues. I feel you are entitled to know that before you make your decision in the November election. Additionally, I hope you will let me know your views. They are important to me.

The office of Lieutenant Governor is exceedingly powerful in Texas. It affects all our lives. In addition to presiding over the State Senate, the Lt. Governor appoints all Senate committees, their chairmen, and assigns all legislation to the committee of his choice. He presides over the Legislative Budget Board, which significantly shapes state spending. It is an office all Texans ought to be concerned about.

I hope you will watch for this column. Tell your friends and neighbors about it. Discuss the issues. Together, we can make a contribution to the political processes, and hopefully improve all our lives. Let me know your views on the issues I discuss in the weeks ahead. Just write me at 1213 W. 34th, Austin, Texas, 78705.

George W. Strake, Jr.

Don't Forget The Kingsford Charcoal!

News of Nutrition
by ANN CROWLEY R.D., Ph.D.

Circus Time is Burger Time

For the individual who wants a great burger but not just an ordinary beef burger, the answer is a fresh ground pork burger. Today and grilling, ground pork patty is a great taste variation.

Pork is lean and nutritious. Containing all the essential amino acids, the building blocks of protein. Pork is our very best food source for thiamin, vitamin B1. This vitamin is essential for healthy nerve tissue.

Two pork patties (not sausage) of three ounces each will provide 87 percent of the protein, 59 percent of the iron, 125 percent of the B1 requirement for a man. This size serving, because it is low in fat, will provide only 15 percent of the suggested calories for a man per day.

Along with all this good nutrition, a charcoal broiled pork patty is a great taste treat.

BANKROLL®

**The Cash Giveaway Designed
With The Consumer In Mind**

★ All Award Money Advertised
is Guaranteed to be Given
Away In Our Store.

★ No Game Tickets to Save—
You're Qualified with
One Weekly Visit to Our
Store to Validate Your Card.

★ Our Bankroll Free Cash Is
Not Divided Up With
Chains or Other Stores.

Win A Bankroll
\$500.00
**FIRST FREE
CASH AWARD**

**We Will Add \$100 Each Week Until The Bankroll Is Won!
Then We Start All Over Again With A \$300 BANKROLL!**

BANKROLL IS FUN AND EXCITING!

Free Cash Bankroll is a Special Shopping Bonus for those people shopping or visiting our store. Bankroll is the weekly Free Cash game that is not divided up among groups of stores or chains. Bankroll is just one of the many ways we say "Thank You" for shopping with us. If you received your Bankroll punch card in the mail, your family is already registered. To be eligible to win, just have your Bankroll card punched once each week at our store.

SPECIAL BANKROLL REGISTRATION

If you are the head of a household and didn't receive your Bankroll card in the mail this week—Come in to our store this week, Thurs., Friday & Saturday register and receive your Free punch card in time for our First Week's Drawing.

BANKROLL IS EASY TO PLAY AND WIN!

1. Only adults may register. Only one registration allowed per household.
2. Each adult member of a household is entitled to have their own Free Cash Bankroll punch card.
3. Once each week you must have your Bankroll card punched in the participating store.
4. Then each week, one name will be drawn from the Bankroll drum. If any adult member of that household has had their card punched that week in the store where their name was drawn, it's a Winner!
5. There is no purchase necessary to play or win the Bankroll and you need not be present to win.

**First Bankroll Drawing
Saturday, Aug. 7 at 4 p.m.**

**MOORE'S JACK & JILL
FRIONA, TEXAS**

We Take Pride in . . .

FAST, EFFICIENT CHECKOUT

Fast, efficient checkout is one of the things we try to be best at. Why? Because no one likes to stand in a long line waiting for their order to be checked out. Our checkers are trained to handle your order as quickly and accurately as possible. We don't want you to wait any longer than necessary when you've finished shopping. After your order is checked out, we'll carefully pack it and carry the bags to your car. Your satisfaction is important to us. Stop in today and see how much difference a little pride can make.

**YOUR SATISFACTION
IS ALWAYS FIRST!®**
