## Steve Williams Top Predictor

IT IS UNFORTUNATE that so many would-be experts are able to secure the spotlight so easily, and when they do, they can tear down in a few seconds what an industry such as agriculture has worked for years to build up.

One such example was the recent appearance on a national television talk show of a consumer advocate (her name escapes me, but it's not important) who was hurling slanders at the cattle feeding industry.

The TV guest was speaking out in opposition to the growth hormones used as a feeding supplement by feed yards, which help feedlot steers reach their maximum gain in the allotted feeding period.

The latest consumer rabble-rouser was implying that the hormones used by the feedlots, if consumed in beef, might just cause the person eating the beef to put on more weight, or suffer other side effects, due to "leftover" hormones.

No evidence has ever been produced to indicate that such charges have even the slightest chance of holding a grain of truth, but this was beside the point for the consumer advocate, who had her captive audience of several million people.

When the TV guest was asked by the host what she recommended as a solution to the problem, her answer was "Just don't eat beef," which concluded her condemnation of the beef industry, without trial, hearing or whatever.

WE WERE DISTRESSED to learn that Fred Thornberry, the Republican candidate for Commissioner of Agriculture is apparently about as far out of touch with the state's farming industry as anyone possibly could be, and yet, he is a candidate on the ballot for this vital elective office.

In a "media advisory" issued on September 21, Thornberry attacked statements made by his opponent, Jim Hightower, which was decrying the financial plight of the state's farmers. Hightower had said that some 10,000 Texas farmers had gone out of business in the past five years.

Thornberry "media release" ridiculed Hightower's statements, and argued that the fact that "only" 2,000 farmers per year were going out of business did not indicate that anything was wrong with agriculture.

The GOP candidate said that the term "went out of business" did not mean that this many farmers had declared bankruptcy or implied failure. "People change professions for a variety of reasons, don't we?" he asked in his memorandum.

Thornberry went on to quote some figures showing the total Texas farm assets for 1981 as being well above the farm debts for the same year, a very misleading statistic. We feel sure that a number of Parmer County farmers could supply Mr. Thornberry with a more valid set of figures.

The bad part about this situation is the fact that rural Texans won't elect our state officials, but depend upon their urban neighbors to elect the state's commissioner of agriculture. Farmers have to hope that enough of their city neighbors will know that Thornberry's statements are just "so much malarky," but the fact is that many people will probably accept them at face value.

Thanks to Ralph Roming for calling this situation to our attention. Ralph, who has worked for the benefit of farmers on the state level, goes into the matter further in a letter to the editor in this issue.

WATCHING THE WORLD SERIES this past week on TV was a treat. (It was nice that at least one branch of professional athletes were not on strike).

Having been a longtime St. Louis Cardinal fan, ye editor was glad to see the Redbirds emerge as the champs.

Having named our number one son Stan after my baseball hero Stan Musial, you can see that I was a Cardinal fan 'way back when--and when I was a "real" fan, they never

(Continued on Page 5)

Steve Williams was the winner of the seventh week of the Friona Star's football contest, being one of four contestants to correctly pick 19 of the slate of 22 games.

Williams claimed the weekly first place cash prize of \$10 by missing the Friona-Abernathy score by only six points. He predicted the score would be Friona 21, Abernathy 6, and the score turned out to be 21-0.

Claiming second place in the weekly contest and \$6.00 was Reese Fleming, another of the contestants picking 19 games right. Fleming was just a point back of Williams in the score prediction. He picked his Chieftains to win, 21-7, missing by seven points.

The other two contestants correctly picking 19 games split the third place money. They were Glenna Holt and Terry Petchinsky. Both missed the tie-breaker score by 13 points, although they did not pick the same score. Miss Holt picked Friona 27-7, and Petchinsky picked the Chieftains to win, 21-13.

A total of 15 contestants correctly picked 18 games, missing by just one point of having a shot at one of the weekly cash prizes.

Williams' three misses were Childress-Floydada; Bovina-Springlake-Earth and Alabama-Tennessee. Fleming missed Bovina-Springlake, Alabama-Tennessee and TCU-Ole Miss. Miss Holt missed Bovina-Springlake, Alabama-

## Halloween Observance Is Shifted

The City of Friona this week urged parents to have their youngsters observe Halloween, in regard to "trick or treating" on Saturday, October 30, since the holiday falls on a Sunday this year.

"We would also suggest that younger kids have an adult or responsible older person (teenager, etc.) to help supervise them, and that they trick or treat only at the houses they are familiar with," says Friona City Manager Jerry Lewis.

The city manager said there would be extra policemen on duty that night, to help supervise and hold down vandalism.

By observing Halloween a night early, this will enable those who trick or treat to take advantage of the last day of Daylight Savings Time.

## Chamber Asks For Nominations

The Friona Chamber of Commerce and Agriculture is currently soliciting nominations for the chamber's honor awards to be presented at the Chamber banquet January 20, 1983.

The Chamber leadership asks that nominations for Man, Woman, and Teacher of the Year, as well as Most Courteous Employee, be mailed to the Chamber of Commerce Office, Box 905, Friona, Texas, 79035.

HAIL, THE KING....Four members of the cast from the Thespians play, "Once Upon a Mattress" are shown readying for the production, which will be given Monday and Tuesday at 7:30 p.m. King Sestimas, right, is played by Bill Caudill. Also shown are David Small, Cindy Drake and Tory Taylor.

Tennessee and TCU-Ole Miss. Petchinsky missed Bovina-Springlake, Rice-Tech and Alabama-Tennessee.

In the race for grand prize, John Seright picked 18 games right for the week, and took over sole leadership in the standings with a score of 108.

Martha Clements, who had been tied with Seright, had a score of 17, and is now tied with Jack Clark a point behind Seright with scores of 107. Clark also had a score of 18 for the week.

Clint Mears, who had shared the lead prior to last weekend, slumped to a score of 16, and dropped into a third-place tie with Coach Tom Johnson, whose 17 elevated him to a score of 106.

Counting the current weekend, six weeks remained in the contest, with a possible 132 points to be earned, so it's too early to be counted out of the race.

Seright's correct percentage on picking the games stands at 70.1 per cent.

The leader at the close of the 13 week contest will receive \$100 in cash.

WEEK'S CHAMP....Steve Williams, left, was the winner this week in the Friona Star Football Contest. Williams was one of four contestants to correctly pick 19 games. Presenting the winning check is Leonard Coffey of City Body Shop, one of the sponsors of the contest.

## Thespians Play Slated For Monday, Tuesday

The Friona High School Thespians Troupe 1379 will present "Once Upon a Mattress Monday and Tuesday, October 25 and 26. Curtain time is 7:30 p.m. each evening.

Admission, very reasonable, is \$2.00 for adults and \$1.00 for students for the production. Tickets are available from any member of the Thespians, or may be purchased at the door.

"Carol Burnett starred in the TV production of this show, so you know

GRAND OPENING....Helping launch the Grand Opening of the new Allsup's store on East Highway 60 Thursday morning were officials from the Chamber of Commerce. From the left are D.L. Harguess, Rhonda Schueler, Ann Gee, store manager, Lawrence Martin, Plainview, Allsup's district manager, Mike Hanes and Lois Norwood.

## Grand Opening Underway Here

A grand opening sale is underway for Friona's new Allsup's Convenience Store, located on East Highway 60 at Columbia Avenue in Friona. The sale started Thursday, October 21, and continues through Saturday, October 23.

Customers are being treated with a free bag of groceries every half hour, from 9 a.m. to 7 p.m. each of the three days. They are also asked to register for a free 26-inch Huffly 10-speed bicycle, to be given away Saturday at 8 p.m.

Customers are also being offered a variety of money-saving specials during the Grand Opening Sale. See page 3 of this issue for the advertised specials.

The newest Allsup's Convenience Store is labeled as "Number 217" in the growing chain of stores, founded by Lonnie Allsup in 1956. (Oddly, the store completed and opened last April on West Highway 60 is Number 225).

The Clovis-based corporation serves portions of New Mexico, Texas and Oklahoma.

Friona has played a vital role in the development of the Allsup's operation. The company's old location on Highway 60 and Prospect Street is number seven in the chain that now numbers 252 stores.

The stores represent a capital investment of over \$500,000 each, according to Russell Haley, the company's director of real estate.

"The residents of Friona have been good customers ever since we have been in business there. Sometimes we have been busy expanding to new towns and have neglected updating our old locations. But we appreciate Friona, and the addition of the two new stores should be an indication of this," Allsup said recently.

Ann Gee, who has served as Allsup's local manager for a number of years, is the manager of the new store. Other employees there include Bonnie Pope, assistant manager, Jimmie Sue Gibson, Sharon Armstrong and Vickie Montgomery.

James Cooper is serving as Allsup's district manager, having replaced Shelby Bishop of Hereford in that capacity earlier this month. Cooper is on hand for the grand opening, along with Lawrence Martin of Plainview, Allsup's district manager for the Plainview area. Pat Hanks and Jack Crow, Allsup's officials from Clovis, also have been present.

Lonnie Allsup attributes his success to the philosophy of providing convenience and service to his customers.

In the convenience store field, Allsup is an innovator, willing to try new ideas in retailing. And he usually is followed by other national chains.

It was Allsup who started selling cooked foods through convenience stores and he was one of the first operators to sell gasoline--a concept he and other convenience store owners initially had pooh-poohed.

"The first time a fellow came in and asked me why didn't I put a set of pumps out in front of my store, I said 'That won't work, you can't sell gasoline with groceries,'...and now, I won't build a store without it," he says.

Long hours and hard work are a reality to Lonnie and Barbara Allsup. He recently said his ultimate goal is to "cover every town in New Mexico and every town between Clovis and Fort Worth." The new Friona store was part of the company's short-term goal of 50 new outlets annually.

it has to be fun," says Joy Morton, director.

The story concerns a talkative Queen Aggravain, played by Patti Hinton; a mute King Sextimus (Bill Caudill), and their son, Prince Dauntless (Ricky Barnett). Cindy Drake plays Lady Larken.

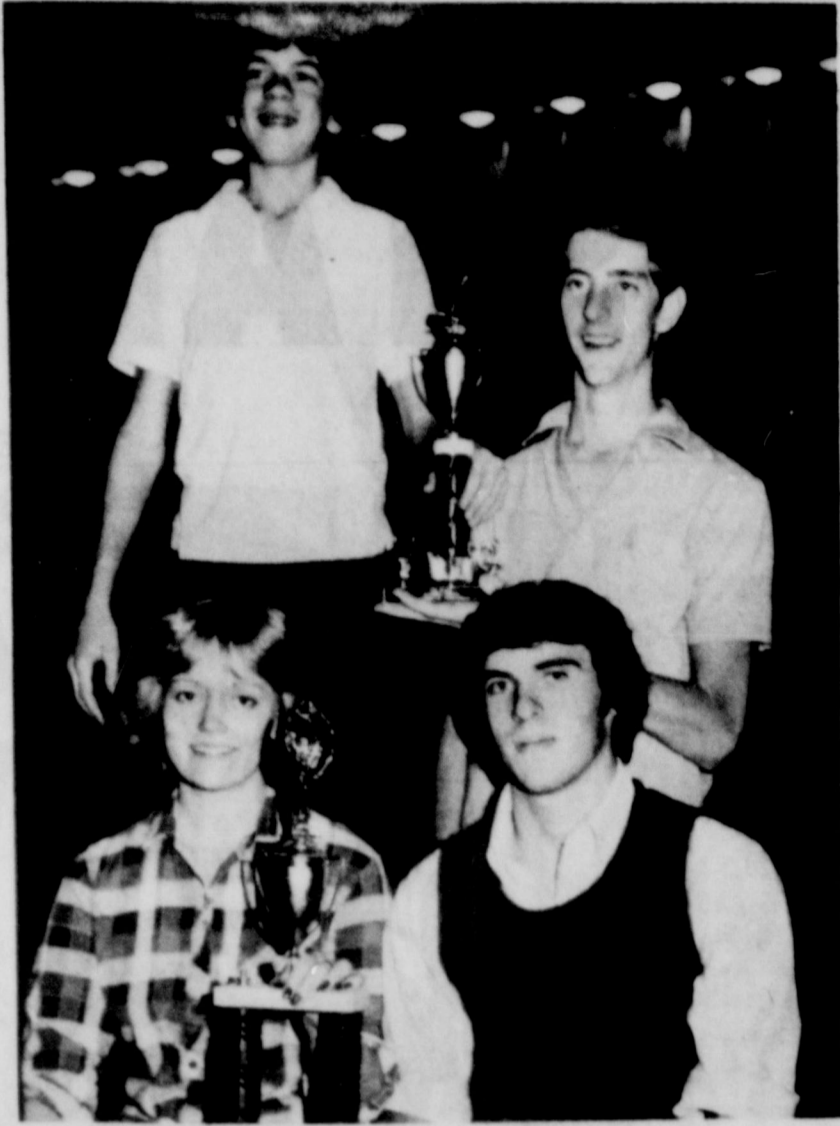

Dauntless wanted to get married, and so did many of the subjects of the kingdom. However, according to an old custom, no one could marry until the prince was married. In order to find the perfect, royal wife for her son, Queen Aggravain always designed an impossible test for the candidate.

The play is based on the old story "The princess and the pea." Production rights have been granted by Music Theatre International, 119 West 57th Street, New York, N.Y.

## Wasps? Yes We Had 'em

The Friona area was invaded by swarms of wasps, or Yellow Jackets, during the past week. The horde of insects were apparently trying to stay ahead of the cold front which brought the area's first freeze Wednesday morning.

No explanation has been offered as to why the pests were worse this fall than usual. At least one case of a sting was reported by Parmer County Community Hospital. Mostly, the wasps were trying to find a nesting place for the winter, and probably did so in garages and attics, where they found openings.

**WINNING DEBATERS....**Friona High School's debate teams got their year off to a good start at the Canyon High School Speech tournament last week. Patti Hinton and Stan Miller, seated, placed first in the 23-team tournament, while the team of Bill Caudill-Brent Hinkle came in second. A third FHS team, David Small and Julie Wilshire, also made the semi-finals.

# Friona Flashbacks

....from the files of The Friona Star

**50 YEARS AGO--OCT. 21, 1932**  
During the past ten days or two weeks, cotton has been rolling in to the Friona Gin in a fairly steady stream, to the extent that at least 150 bales will have been ginned by the close of this week. C.S. Waddell, manager of the gin, reports that the crop this season will make an average of one-half a bale or better to the acre. Cotton picking is affording employment to many Friona people who were unemployed.

**40 YEARS AGO--OCT. 16, 1942**  
Since the armed forces have claimed practically all the eligible young men from this territory, many positions have been taken over by women. Our entire force of rural mail

## School Lunch Menu

- WEEK OF OCTOBER 25-29**  
**MONDAY**--Steak fingers, potatoes and gravy, green beans, hot rolls, cake, milk.  
**TUESDAY**--Creole spaghetti, beets, black-eyed peas, crackers, pudding, milk.  
**WEDNESDAY**--Tacos, pinto beans, lettuce and tomatoes, corn bread, cookies, milk.  
**THURSDAY**--Meat loaf, whole potatoes, peas, hot rolls, cake, milk.  
**FRIDAY**--Hot dogs, pork 'n beans, potato chips, buns, fruit, milk.

carriers is now composed of ladies. Our local bank is wholly in charge of ladies. Our local drug store is now served by two ladies, where a few months ago, all the employees were men. Another lady, Mrs. Wright Williams, is in charge of Uncle Sam's rationing business at Friona.

**35 YEARS AGO--**  
(Entire 1947 issue missing from Star files.)

**30 YEARS AGO--OCT. 16, 1952**  
Something most unusual in the "Trade at Home" campaign ideas is being launched in the Star this week--that of a page message in which twelve merchants of the town cooperate in sponsoring. Beside the advertisement of each firm is a caricature of the firm manager drawn by Hut Hutson, Amarillo cartoonist.

Mr. Tom Jarboe, sixth grade teacher for the second year in the local schools, left Tuesday for induction into the Armed Forces at Fort Sill, Oklahoma. Mrs. Jarboe accompanied him.

**25 YEARS AGO--OCT. 17, 1957**  
The Friona city commission Monday night authorized rate increase on two utilities, telephone service and natural gas. Effective date of the phone increase is the "next billing period," according to the ordinance, and the gas rate increase is due December 1, the ordinance is dated.

market road south and east of Friona have been completed, except for one. Clyde Goodwine, just south of town, has asked the county \$1,000 for an easement involving 4.77 acres. He met with the commissioners court in Farwell Monday and made his request. The county seeks easements across the tracts of land he owns for the required right-of-way on the FM project.

**20 YEARS AGO--OCT. 18, 1962**  
Grain sorghum farmers in Parmer County were all but winding up what had been termed one of the fastest and smoothest grain harvests in the county's history before rains early Wednesday brought an end to the ideal weather which has blessed the season for more than a week.

C.D. Nolan of the Lazbuddie Community, delivered the first bale of cotton ever to be ginned at the Friona Farmers Co-op Gin on Tuesday of this week. The bale weighed 475 pounds.

**15 YEARS AGO--OCT. 19, 1967**  
Work was progressing smoothly at Missouri Beef Packers this week, as officials hailed the "Indian Summer" weather as a God-send to their construction work. "We hope it continues like this until about next April," jokingly remarked Doyle Elliott, building superintendent. Elliott pointed out that workmen have finished the floor in the rendering room of the big plant. A large concrete parking area has been

completed at the construction site, and work was progressing on a concrete roadway leading from the railway crossing to the plant proper.

**10 YEARS AGO--OCT. 19, 1972**  
Plans for the formal Open House of the Friona Texas Federal Credit Union in the new location at the corner of Sixth and Euclid have been finished. October 15-22 is International Credit Union Week. This week marks the 123rd anniversary of the credit union with credit unions for safe investments, financial counseling and equitable loans. Open House will be held from 2 to 5 p.m. Sunday, October 22.

**5 YEARS AGO--OCT. 23, 1977**  
Adding to the drama of a huge meteor that lighted up the sky in the West Texas-Eastern New Mexico area Tuesday night was the discovery of hundreds of meteor-like particles in a wheat field by Jack Patterson on his place northwest of Friona. The special team headed by Dr. Everett Gibson, geochemist for NASA, determined Friday that the rocks discovered on the Patterson farm were not meteorites. They theorized that the rocks were a result of extreme heat which caused the sand to melt--which may have been caused by lightning, or some other heat force. The Friona High School band has been chosen to perform at the climax of the 1978 Greater Southwest Music Festival in Amarillo on Saturday, April 29.

**On The Farm In Parmer County**

By Seth Ralston

Pioneer Hi-Bred International has established a \$4,000 scholarship with the Texas 4-H program, effective June 1, 1983. The scholarship will be managed through the Texas 4-H Foundation, said H.T. Davison, the foundation's executive director and 4-H and youth specialist with the Texas Agricultural Extension Service, Texas A&M University System. It will be available to 4-H members who are graduating high school seniors.

Candidates for this scholarship must be planning to major in agriculture or home economics and must attend a Texas college or university, Davison said. A major objective for the scholarship is to encourage competent young people to study and remain in the fields of agriculture and home economics.

Clarence Kerns of Plainview, spokesman for Pioneer Hi-Bred International, Southern Region Division, said the initial scholarship to be presented in 1983 will be the first in a series of four to be awarded in consecutive years.

"We are pleased that Pioneer Hi-Bred International has elected to fund a 4-H scholarship in Texas,"

said Dr. John Pelham, state 4-H and youth leader with the Extension Service. "Even though scholarship standards are high, several hundred young people compete annually for the more than 70 scholarships available through the Texas 4-H Foundation."

The Texas 4-H Foundation is a non-profit educational organization which works cooperatively with the Texas Agricultural Extension Service to develop private sector support in behalf of 4-H programs, he said.

Davison said that about \$350,000 in scholarships will be available to graduating 4-H members in 1982. 4-H members may apply for these scholarships by securing an application from their local county Extension office after January 1, 1983.

**DPS Investigates Eight Accidents**

Sergeant Billy Don Scott, area supervisor of Parmer County, reports that for the month of September the Texas Highway Patrol Troopers investigated a total of eight accidents in this county.

There were two injury accidents with a total of two persons injured and six property damage accidents.

In District 5B, which includes the top 31 counties of the Texas Panhandle, there were 194 accidents investigated by the Texas Highway Patrol.

**Star Lites..**

(Continued from Page 1)

seemed to make it to the World Series. So, the folks of St. Louis had this championship coming.

We recall that the late Ed White, Sr. was a great Cardinal fan, and used to listen to their games on the radio on a daily basis. Before he died, White had the opportunity to see the Cards play in their new stadium. I was wishing "Mr. Ed" could've seen this world series. He'd have enjoyed every pitch.

**The Family of Lt. Gov. Bill Hobby says THANKS to the people of Texas**

I want to thank you, the people of Texas, for the warm hospitality and friendship you have given my family and me as we have campaigned across the state.

The strength of Texas lies in our respect for one another and our families. Your kindness towards us has sealed that belief.

It is an honor to serve you as Lieutenant Governor. We thank you for this privilege and for your continued support and confidence.

Re-elect **Bill Hobby** ... A STRONG LT. GOVERNOR, HONESTLY.

DEFENSIVE DUO....The Friona Chieftains' defense has been a key to the team's winning record to date. Last week, the defense held Abernathy to only 69 net yards. In the above photo, Chieftains Martin Lopez (62) and Juan Sammarron (79) are shown heading off the runner.

(Photo by Stanley Ellis)

## Chiefs vs Dimmitt In Vital 2-AAA Battle

The Friona Chieftains were renewing their oldest football rivalry Friday night by hosting the Dimmitt Bobcats.

The game also was an important District 2-AAA contest for both teams, especially the Chieftains, who were trying to keep their district record unblemished.

But the Chiefs were expecting a run for their money. Dimmitt came into the game with a 3-4 record for the season, having dropped both district games to tough Littlefield 20-3 and Muleshoe last week, 21-14.

However, the Mules had to score on a bomb in the last minute for their win over the Bobcats.

Dimmitt's non-district wins were over Plains, 21-0; Olton, 10-0 and Boys Ranch, 33-7. They lost to Floydada, 19-6, and to River Road, 21-7. Comparative scores for the two common opponents, Boys Ranch and River Road, indicated a close game Friday.

Coach Tommy Moss was encouraged this week by the return of a pair of players to workouts who had been out for awhile. Richard Malouf, who sustained an arm fracture prior to opening game, was released for contact, and Mike Neill, who suffered a knee injury against Dalhart and missed the last three games, has been working out. Whether these two see action Friday will be dictated by their progress in workouts and the game situation.

Dimmitt quarterback Richard Guzman is a threat for the Bobcats. He likes to run the option, and can keep the ball effectively, as witnessed by his 100-yard plus game against district favorite Littlefield.

Friona's top offensive weapon, runningback Charlie Morgan, brused a knee against Abernathy, but has been running well in practice, according to coaches. Morgan enters the game with 921 yards already this season. He's a fourth leading rusher in class AAA on the South Plains, and also ranks high with his ten TDs.

Dimmitt leads the ancient series, 32-13, but in the past 20 years, it's much closer, Dimmitt having 11 wins to Friona's nine.

# Chiefs Blank Abernathy 21-0 In Series Renewal

Reunions are usually enjoyable events. They ordinarily feature lots of good food, visiting and good times. This partially describes the Friona Chieftains' "reunion" with the Abernathy Antelopes last Friday.

It was the first football meeting between the two schools in seven years. When the series was broken off following the 1975 season, Friona enjoyed a 6-4 edge in games played between the two schools.

So naturally, the Chieftains were anxious to renew old acquaintances of this sort, and they picked up right where they had left off, with a 21-0 victory, which kept the team unbeaten in District 2-AAA play.

Charlie Morgan did his part to welcome the 'Lopes back to the schedule. The Chieftain scabbard put on quite a show for the Friona fans who made the trip to Abernathy. He ran 65 yards for a touchdown on Friona's first play from scrimmage, and finished the game with 177 yards in 17 tries—a gaudy 17.7 yards-per-carry average.

Morgan's average would have been much higher, except for six carries in the second half on a "gimpy" knee which was injured during the first half of play. Had Morgan been allowed to sit out the entire second half, his "stats" would have been: 11 tries, 176 yards, and 16.0 per try.

Charlie showed his speed on the opening play run, outracing all defenders for the game's first score. Mark Montoya's kick made the score 7-0. Only 3:55 had elapsed in the game.

Friona kicked off and took the ball on their own 29 for their second series. Morgan gave the team a first down to the Friona 41. A little later, the Chiefs faced fourth and one from midfield and went for it. They had the yardage, but a penalty against

Abernathy clinched matters.

Then Bruce Patterson found Eloy Caballero streaking up the left sidelines on a pass play. Caballero caught the ball at about the 15 and zipped into the end zone for a touchdown. Montoya's kick made the score 14-0, with 2:07 remaining in the opening quarter.

The Chieftains should have scored 21 more points in the second quarter, but stopped themselves twice with fumbles. The team drove to the Abernathy eight, aided by an Abernathy bobble and Morgan's running. But Reese Fleming had the ball pop out of his grip and the Antelopes recovered at their own five to save a TD.

A minute later, Friona was driving again. Morgan raced 17 yards to the Abernathy 27. But even Morgan is human, and he was rocked loose from the pignskin and Abernathy recovered at their own 20, to again dodge the bullet.

On Friona's fifth possession, the team started at their own 21, and put together a drive. Morgan got loose on a 37-yard ramble to the Abernathy 40. Then Patterson and Caballero hooked up again on a 22-yard gain to the Antelope 17.

From there, Morgan took the pitchout and went right, getting good blocking and eased into the end zone for his second touchdown. Montoya's kick made the count 21-0, as only 34 seconds remained on the halftime clock.

Morgan had suffered a bruise on his knee during a pileup in the first half, and his running ability was severely affected. He continued to see action, carrying the ball six times in the second half, but for little yardage. In fact, this resulted in his only minus yardage try for the game and on three tries he was stopped for no gain.

Alfredo Mata came in to make a few nice gains, once stepping off a ten-yarder for one of only four Friona first downs of the second half, and again gaining nine yards to the Abernathy 45. Shane Woodard then made the first down.

But Patterson was caught on a pass try, and the Chiefs had to punt.

The most excitement of the second half came on the game's final two plays. Montoya tried what would have been a 67-yard field goal, which was low. But Abernathy was called for roughing the kicker.

Moving the ball to the Antelope 30 this time the snap went over the holder's head. Montoya retrieved the ball and rolled to his right. He finally passed downfield to Pilo Castillo at the Abernathy 15, but Castillo was forced out of bounds.

Friona played one of its better defensive games, limiting the large Antelopes to only 69 net yards, and only 13 net yards in the defensive-minded second half. Stout defensive play by Carl Jackson, Martin Lopez, Juan Sammarron and Mike Deaton paced the defensive effort, which accounted for eight losses by

runningbacks during the game, as well as two fumbles.

In addition, Montoya intercepted a pair of passes in the final quarter, to negate the Antelopes' passing game.

## Baptist Church Sets Revival-Ingathering

Starting October 24, the First Baptist Church of Friona will have a three-Sunday revival emphasis.

This Sunday, October 24, Rev. Bob Miller, pastor of the First Baptist Church of Tucumcari, New Mexico, will serve as the guest evangelist for the morning and evening services.

Rev. Miller is married to the former Glenda McClellan of Friona. Glenda's parents are Mr. and Mrs. D.G. McClellan of Friona. Bob and Glenda have three children, Michelle, Hope and Michael.

On Sunday, October 31, Sherman Driggers, a Baptist layman from First Baptist Church of Trent, Texas will serve as the guest evangelist. Driggers, a rancher and farmer, began traveling across the United States and the world in 1961 as a lay evangelist. He has preached in

### Prairie Dog Control Meeting Set Nov. 1

All interested farmers and ranchers are invited to a Prairie Dog Control meeting to be held at the First State Bank of Bovina, 7 p.m. on November 1.

Mike Yeary, USDA Wildlife Predator Control officer, will present a slide presentation on current control tactics. Also, he is interested in visiting with area producers to set up a control program in Parmer County.

For additional information, contact CEA Seth Ralston at 481-3619. This meeting is open to everyone without regard to race, color, religion, sex, age or national origin.

fourteen different countries and eleven different states.

Driggers has made five preaching trips to Korea, three trips to Japan, three trips to Chile, two trips to El Salvador, and other trips to Canada, Brazil, Norway, Ecuador, Guatemala, Costa Rica, and others. He has also preached in twelve states in the U.S.

On Sunday, November 7, the Rev. Steve Vernon, pastor of the First Baptist Church of Kress, will be the guest evangelist. Vernon grew up in Happy. He is the nephew of Mrs. Paul Fortenberry of Friona. He graduated from Happy High School, Baylor University and Southwestern Baptist Theological Seminary in Fort Worth.

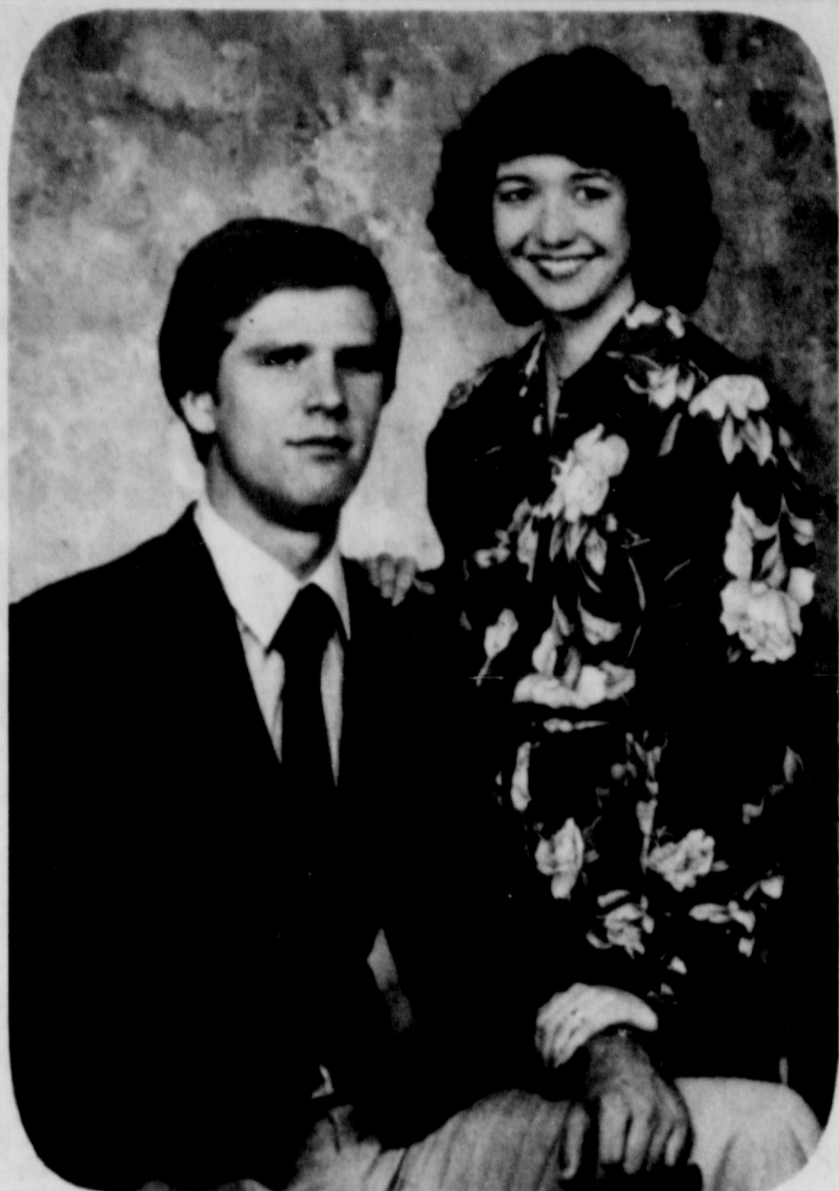

These three special Sundays have been set aside by the members of the First Baptist Church as days of renewal and rejoicing. "Every person in the community is given a warm invitation by the church to participate in these days of revival," said Dr. Carrol Green, pastor of the First Baptist Church.

### Cheese Is Available For Needy

Surplus cheese will be available to those who qualify next week at three locations in Parmer County.

The dates, and locations are as follows:

Wednesday, October 27: Food Stamp office, Friona; Thursday, October 28: Bovina Center; Friday, October 29: Courthouse, Farwell.

DEENA MASON and RONNY ARNOLD....Mr. and Mrs. Tom Mason announce the engagement and approaching marriage of their daughter, Deena, to Ronny Arnold, son of Mr. and Mrs. Odell Arnold of Stratford, Texas. The wedding is planned for January 8, 1983 at Sixth Street Church of Christ, Friona. Deena is the granddaughter of Mr. and Mrs. Tom O'Brian of Friona. The bride-elect is a 1980 graduate of Friona High School and attends Texas Tech University in Lubbock. Arnold is a 1980 graduate of Stratford High School and also attends Texas Tech University.

## Letter To The Editor

Dear Editor,

As the general election nears and the political pot comes to a rolling boil, often out of desperation a candidate will reveal his true spots and convictions.

Such is the case of Fred Thornberry, the Republican appointee for the state agriculture commissioner's race.

In a press release by Mr. Thornberry on September 25, Mr. Thornberry stated that Texas agriculture is in "very good economic condition; the fact that Texas has lost 10,000 good productive farmers during the past five years proves that Texas agriculture is strong, that the debt to equity ratio of 15 percent is very healthy and that there is much adoo about nothing concerning corporate control of agriculture."

Certainly anyone that would make such absurd statements is totally out of touch with reality, has a terminal case of the dumb's, has had his head buried in chicken manure for the past five years, and would be an absolute insult to our state.

At a time when our entire economy is at an all-time low due mostly to the agriculture depression that started in 1977, it is unfortunate that the Republican Party would choose to replace their duly elected candidate with this college professor with a doctorate degree in chickenology.

However, there are other by-partisan, far reaching repercussions

as a result of such irresponsible remarks. The impact these statements could have in our urban sector where there has been countless months of work by hundreds of people to educate our urban consumer friends that their economic plight is the direct result of the horrible economic condition of the agriculture sector. Consumers and producers are partners, whether they like it or not. Certainly the agricultural or rural sector cannot elect any statewide official.

The irresponsible, insensitive, inaccurate statements made by Mr. Thornberry only tends to destroy the articulate work of those with vision and knowledge who are trying to provide a reasonable solution to these problems suitable to everyone.

Hopefully, most voters and citizens will consider the source of such statements and not too much damage will be done. It is inconceivable to me that the voters will elect this man into any responsible position.

To campaign vigorously for an office is what our system demands, But—it is unforgeable to declare the opposite of a situation to be the truth in order to deceive the public and only shows the temperance of the man.

Sincerely,  
Ralph Roming

Re-Elect

SARPALIUS  
STATE SENATOR

Democrat

Humanitarian:  
Bill Sarpalius was raised at Cal Farley's Boys Ranch and later became a staff member and teacher there. As a member of the Human Resources Committee, Bill has shown his interest and concern for the well-being of the people of Texas.

Agriculture:

A former State President of the Future Farmers of America, Bill Sarpalius has earned both Bachelor and Master degrees in Agriculture from Texas Tech University and West Texas State University. He has been an effective chairman of the Agriculture Subcommittee.

Experience:

Bill Sarpalius has proven to be a dedicated statesman in the Senate and has gained the respect of his colleagues by working hard for the people of the 31st Senatorial District with a 92% Conservative Voting Record. He has been and will continue to be available to the people through the use of his mobile office.

Educator:

As a school teacher Bill Sarpalius understands the value of a good education. As a parent, he is concerned with the role quality education plays in the future of our state.

Businessman:

As a businessman and a member of the Economic Development Committee Bill Sarpalius has been able to relate to the problems facing business. He will continue to keep the interests of the Texas Panhandle in mind.

PH. TOP LEFT: BY COMMITTEE TO ELECT BILL SARPALIUS, BOY TANNER, TREASURER, P. O. BOX 1281, HEREFORD, TEXAS 76044.

JIM MOSHIER

## OST Rep. Sets Visit In Friona

Jim Moshier and Nelson Reeder, representatives from Oklahoma State Tech, Okmulgee, Oklahoma, will travel to Friona Tuesday, October 26, to visit with students interested in enrolling at Tech.

They will make a presentation at 10:30 a.m. at the Friona High School.

Moshier and Reeder will bring a variety of literature with them explaining the 45 college-credit educational programs offered at Tech, the largest technical college in the nation. They also will have available financial aids and scholarship information.

# Town Talk

By June Floyd

Call 247-3681 With Your News Item

Mr. and Mrs. Burk Hand spent a few days last week in the Dallas-Fort Worth area. They visited in the home of Mr. and Mrs. Dub Bush and sons, Lance, Ricky and Randy, who live in Duncanville, Texas.

They also visited their oldest son, Phillip, who lives in the vicinity. He works for an advertising agency and is currently engaged in a project dealing with the Apparel Mart. This assignment includes a trip to the East Coast. He flew east Monday morning and Burk and Retta came home.

Sunday evening the Hands, along with the Bush family attended church services where H.D. Simmons, formerly of Friona, is currently preaching. Think this is in Grand Prairie.

One other Frionan was among the visitors that evening. Lavelle Lillard and her sister, Euradean Brown, who lives in Springtown, were also there.

Mr. and Mrs. Terry Wilcox and daughter of Lubbock, visited local relatives last weekend. Mrs. Wilcox is the former Varla Welch, daughter of Mr. and Mrs. Gene Welch of the Black Community.

Terry and Varla had been living in Trinidad, Colorado, and have recently moved to Lubbock.

Our neighbors, Calvin and Ann Martin and Luther and Clessy Stroud, are all home again. The Martins spent a long weekend visiting in Campo, Colorado.

They were guests in the home of Mr. and Mrs. Eugene Nidey of that city and also visited with the Nidey's children and grandchildren, who live there.

The Strouds had been down in Central Oklahoma a couple of weeks or so. They have a second home and business interests there.

Vera Bell and Laverne Burrow had a fun time last weekend. They drove down to Stamford, Texas, for a get together with most members of their family.

The family of the late Mr. and Mrs. R.O. Gibson of that city met in the home of Mrs. W.O. Gibson for a reunion. Mrs. Opal Rogers of Lubbock, a sister of Vera and Laverne, also attended.

The Frionans left on Friday and returned Monday.

Mildred May, a member of the High Plains chapter of Poets of Texas, and Ilene Osborn, her guest, attended a luncheon meeting at Amarillo Country Club Saturday.

During the program Mildred read some of her poetry for critique. Other guests attending included the Poet Laureate of Texas, Mr. Burney, and Bob Simpson.

Mr. and Mrs. James Cudd and son, Jared, who live in Woodward, Oklahoma, were weekend guests in the home of Mrs. Cudd's paternal grandparents, Mr. and Mrs. Raymond Hughes.

They arrived Friday evening and stayed through Sunday.

Les Ainsworth, 1612 James Street, was dismissed from the local hospital Tuesday morning and admitted to Deaf Smith General Hospital in Hereford that afternoon.

Weekend visitors in the home of Howard Mayfield were his son-in-law and daughter, Keith and Jean Blackburn, who live in Albuquerque.

The Blackburns also visited with Keith's brothers, Claude, John and Dean and their families, who live here, and in Farwell with Jean's sisters, Dorothy Lovelace and Peggy Snider.

Keith and Jean, former Friona

residents, own and operate a clothing store in the Duke City. They returned to their home Monday.

Mrs. Ada Houser, a surgical patient at St. Anthony's Hospital in Amarillo, is improving and has been moved out of the intensive care unit.

Mrs. Alvin Gaines and Mrs. C.L. Lillard drove down state last weekend. Mrs. Gaines visited in the home of her son, Kenneth and his wife and daughters at Olney, where he is pastor of First Baptist Church.

## Computer Classes Set

Lazbuddie ISD is again offering classes in basic language programming for the micro computer.

There will be four 2 1/2 hour classes beginning Monday, October 25 and running every Monday night until November 15. The 5:30 session will be intermediate basic programming which will include how to store and retrieve data from a file storage.

The 8 p.m. session will be beginning basic language programming, assuming a person has never sat in front of a micro computer before.

Enrollment is \$35. and will be limited to nine persons in a class.

To enroll, or for more information call Dennis Owen, Lazbuddie ISD, phone 965-2156.

Mrs. Lillard spent the weekend in the home of her brother-in-law and sister, Mr. and Mrs. Glen Brown, who live in Springtown, which is down near Fort Worth.

Mrs. Velma Lovett and a brother-in-law and sister, Mr. and Mrs. Wayne Morey of Artesia, New Mexico, returned Monday evening after making a 3500 mile tour, which ended at Danville, Virginia, where they attended a Harvest Festival.

Enroute the trio attended several gospel singing festivals and the Grand Ole Opry at Nashville, Tennessee. On the way home they stopped in Rogers, Arkansas, for a visit with Leroy Tucker, a brother of the ladies, and his family and other relatives.

Velma said, "We had a wonderful trip and saw such pretty colors in Virginia and the other eight states in which we visited."

Then, she added, "Now, I will not need to go anywhere to see the fall colors."

They were gone two weeks.

Mrs. John Allen, Sr., who underwent major surgery at Lubbock Methodist Hospital Wednesday, is making satisfactory progress as of Thursday morning.

A former Friona resident, Kirby Williams, who now lives in Fort Worth, was recently honored by being named a board member of Fort Worth Christian School.

Williams, who is employed by The

Western Company, is a graduate of Anton High School, Lubbock Christian College, Texas Tech University, from which he holds a master's degree, and Missouri State University, from which he holds a doctorate, is the son of Mr. and Mrs. Owen Williams of Anton.

His wife, the former Jonnie Hand, is the daughter of Johnny and Elthie Hand, who live southeast of town.

Kirby and Jonnie have two daughters, Kelli and Heidi. Kelli attends Lubbock Christian College and Heidi is a student at Fort Worth Christian School.

Ruth Rushing spent several days last week visiting in the home of Mr. and Mrs. Stuart Campbell of Las Cruces, New Mexico. Mrs. Campbell is the former Evelyn Sachs and she and Ruth are sisters.

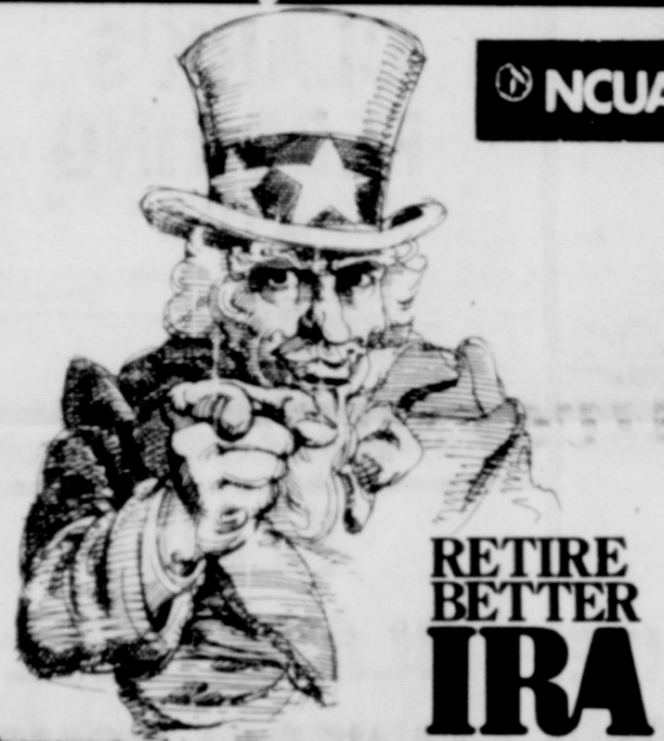

## Crafts Festival Set Nov. 13

Wesley United Methodist Church of Hereford is hosting its Second Annual Wesley's Fall Festival of Arts and Crafts on Saturday, November 13 from 9 a.m.-6 p.m. at the Hereford Community Center.

Only a limited number of booths are available with applications being screened. All area artists are invited to apply. So be getting your items ready now!

For further information write Mrs. Gail Blain, Box 164, Hereford, Texas 79045.

## When heat and air make the difference

A crowd gathered in the country square, curious to see the large, strange-looking contraption of paper and cloth. The on-lookers laughed at Joseph and Etienne Montgolfier as the two men ignited the pile of straw and rags beneath their invention.

The unbelieving crowd gasped as heated air began to fill out the paper and cloth of the world's first hot-air balloon as it climbed steadily to the then-astounding altitude of about six thousand feet.

As the inventive partners had managed the dynamics of heat and air to give flight to their idea, you and SPS and the High Efficiency Add-On Heat Pump can make a difference with the everyday management of heat, air and electricity in your home.

When you install a High Efficiency Add-On Heat Pump you increase the heating efficiency of your existing furnace, and add cooling efficiency next summer. You also qualify for a special electric rate from SPS for seven months of the year. Call us to see what your savings could be.

You and SPS, partners managing electricity, make the difference.

 October 29--Dr. Charles Osborn, Karen Zinser, Randy Gant.  
 If you or someone in your family has a birthday coming up soon, call the Friona Star at 247-2211 by Thursday noon and report it.

## D. Wilcox Gets State Fair Medal

Debbie Wilcox, State FHA parliamentarian, was a recipient of the State Fair of Texas Honor Award Medal, available only to the officers of Texas Association of Future Homemakers, Future Farmers and 4-H Club Council.  
 This award was given at the Honor Award dinner in the Reunion Ballroom of the Hyatt Regency Hotel in Dallas, on Friday, October 15. Jack Jackson, group school instructor with American Airlines was the guest speaker.

Those receiving the awards were also guests for Rural Youth Day at the State Fair of Texas on October 16.  
 Debbie's parents, Mr. and Mrs. Roger Wilcox and Mr. and Mrs. Ernest Osborn also were guests at the dinner.

## Hardgroves Have Girl

Mr. and Mrs. David Hardgrove of Amarillo are the parents of a baby girl born Thursday, October 14, at 5:53 p.m. in Northwest Texas Hospital in Amarillo.

Named Melissa Jan, the new arrival weighed nine pounds, eight ounces and was twenty-three and one-fourth inches long at birth.

Melissa has two older sisters, Valerie Beth, three years old, and Allison Lea, one and one-half years old.

Grandparents are Mr. and Mrs. Tommy Robbins of Gruver, Mr. and Mrs. Glenn Reeve, Jr. of Friona and Mr. and Mrs. B.D. Hardgrove of Plainview.

Great-grandparents are Mr. and Mrs. Glenn Reeve, Sr. and Mrs. Agnes Fulks, all of Friona, Mrs. Effie Smock of Plainview, and Mrs. Edna Hardgrove of Burleson.

Mrs. Calla Sparkman of Friona is the child's great-great-grandmother.

DEBBIE WILCOX

## Women's Club Has Meeting

The Friona Women's Club met Wednesday, October 13, at the Clubhouse.

Clessy Stroud presented the program, "Community Health." Each club member answered roll call giving the date of their last physical check-up.

The club had one visitor, Mrs. Odessa Rucker. The next meeting will be held Wednesday, October 27 and the program will be on arts.

Mrs. Anna Mae Hays served as hostess.

## Local Drive Set To Benefit "C.R.O.P."

For the past three years, youth from our community have trick or treated for CROP. The response as a community has grown with each year of experience and labor. This year, again, the FFA boys, and the youth groups from the Congregational and Methodist churches will be uniting in a common effort to fight hunger at home and abroad.

At the end of World War II, many Christians wanted to share America's abundance with European war victims. To act as a vehicle for relief services, 17 Protestant denominations joined forces in 1946. CROP grew out of that coalition in August, 1947. Originally known as the Christian Rural Overseas Program, CROP's first purpose was to gather wheat and other crops from American farms for shipment to Europe.

Over the years, CROP increased its urban appeals while remaining in contact with its rural constituents. Urban campaigns began in 1966 and the name was changed to Christian Relief Overseas Project.

in all, continue to provide basic support for programs to fight hunger. CROP has moved from primarily providing resources for emergency relief to supporting long-range self help and development work.

For millions of people each day the question they ask is: "Will the future be one of hunger, poverty and despair?" "CROP is helping to provide a positive and hopeful answer. By giving more than food, more than a handout they have assisted. A helping hand from CROP means helping people to develop personally, socially and economically," says Rev. Skip Sircin, spokesman for the drive.

CROP provides ox-plowing training, thus turning the family animals into an eight-legged tractor. This training and a good sturdy plow from CROP are the first steps toward agricultural self-reliance.

"CROP provides opportunities for building a foothold in the future. But, it's only a beginning. Much more is needed. We need your help," Sircin concluded.

## Girl Born To Ted Giddenses

Mr. and Mrs. Ted Giddens of Turkey, Texas, are the parents of a baby girl born Monday, October 18, at Lockney General Hospital.

Named Tristi Jyl, the new arrival weighed eight pounds, ten ounces and was twenty-four and one-half inches long at birth.

Tristi has two older brothers, Toby Jack, three and one-half years old, and Tory Don, two years old.

Grandparents are Mr. and Mrs. George Patterson of Friona, Jane Giddens of Lubbock, and W.T. Giddens of Odessa.

Great-grandparents are Mr. and Mrs. W.A. Kirk of Canyon and Mrs. Bettie Patterson of Floydada.

## Dance Club Sets Session

The Buttons and Bows Square Dance Club will have a dance on Saturday, October 23, at 8 p.m. in the Congregational Church Fellowship Hall.

The club holds dances on the fourth Saturday of each month.

Anyone interested in square dancing or just coming by to watch, is invited to attend.

## YH To Sponsor Work Day

The Friona Young Homemakers will sponsor a work day on Saturday, October 30.

Members will do any type of yard work, house cleaning and window washing.

The money from the work day will be used to help pay for expenses of going to the State convention in Austin and to help finance several club projects for the coming year.

Projects on tap for the year include redecorating the labor room at Parmer County Community Hospital and adding some new equipment. Also help with expenses of some needs at the new library.

If you have any odd jobs you've been putting off, call Paula Wilson or Cindy Simmons and set up an appointment and let the Friona Young Homemakers work for you.

## Green Thumb Program Survives

For almost 1,000 older workers in the Texas Farmer's Union Green Thumb program, the "battle of the budget" came to a happy conclusion with the recent Congressional override of the President's veto of a supplemental appropriations bill.

The bill provides money for a variety of programs and agencies ranging from the defense department to NASA to Title V of the Older Americans Act, which funds TFU Green Thumb and other senior employment programs, according to John Willingham, Green Thumb Assistant State Director.

Speaking to 48 Green Thumb workers at a training session in Tulia on October 18, Willingham said the Congressional override was "decisive" in saving the jobs of more than 54,000 Title V workers nationwide. The workers are all 55 and over, low income, and provide services for libraries, schools, senior centers, museums, and other public service agencies.

"Without the override, the only hope would have been yet another appropriations bill," he said, "and there were no real guarantees that another one would have been passed and signed in time to keep the program going." The new bill funds the program through June 30, 1983.

**50TH WEDDING ANNIVERSARY....Mr. and Mrs. O.C. Rhodes of Friona will be honored on the occasion of their fiftieth wedding anniversary on Sunday, October 31 from 2:30 to 4:30 p.m. at the Friona Senior Citizens Friendship House, Fifteenth and Washington. O.C. Rhodes and Maybian Morgan were married October 29, 1932 in Hobart, Oklahoma. Hosting the reception will be their children and their families. The Rhodeses have eight children, twenty grandchildren and two great-grandchildren.**

## Christmas Bazaar Is Slated At Lazbuddie

The Lazbuddie Young Homemakers will be sponsoring the Lazbuddie Christmas Bazaar on Saturday, November 13, from 10 a.m. until 6 p.m. in the Lazbuddie High School Cafeteria.

"In the past we have been very proud to present the public with beautiful crafts and paintings by our local people. This year we are hoping for an even bigger variety of merchandise for your shopping

pleasure," said a spokesman for the Lazbuddie Young Homemakers.

"The Young Homemakers will be serving refreshments in the High School Home-Ec. room.

Those interested in showing some of their crafts in the bazaar may contact any Young Homemaker or Sheryl Engelking, exhibit chairman, at 965-2351 or Marca Morris, assistant chairman, 965-2712 or Debbie Weir, president, 965-2302.

## UC Church To Host Program On Witches

On Monday evening, October 25, at 7:30 p.m. at Union Congregational Church, Loy and Louise Stone, members of the church of Wicca, will be bringing a program on the subject of witchcraft.

The Stones have been practitioners of witchcraft for many years. "They are from the High-Plains, so their comments should reflect upon the church of Wicca in our area," said Rev. Skip Sircic, pastor.

There will be a short formal

presentation by the Stones, and then there will be a large block of time allotted for questions and answers.

The public is invited to attend. "Witchcraft often seems mysterious and we are more acquainted with rumors and myths about witches than we are aware of what they really are and what the church of Wicca is. So take advantage of this rare opportunity to visit and learn," Rev. Sircic concluded.

### HUNTERS--TAKE NOTICE!

Q: Why should hunters have their vision checked annually?

A: A hunter's decision to squeeze the trigger is influenced primarily by what he "sees," or more specifically, "what he thinks he sees." Many hunters are unaware that their vision is defective. They may think they see just fine, while others hesitate to admit they have a problem for fear they must give up their sport. Fortunately, most vision defects can be corrected and there is no need to give up hunting.

Q: Is defective vision really that dangerous?

A: Yes. A Minnesota Hunter Casualty study showed that 77 per cent of those who wounded fellow hunters had defective vision--and half of them were not aware of it. Also, it is estimated that as high as 15 per cent of our male population are either color-blind or color-deficient. Of approximately 17 million hunters, 850,000 cannot distinguish color properly, a dangerous threat to fellow hunters.

Q: What vision skills are needed to be a safe and successful hunter?

A: Hunting is a sport that requires excellent hand-eye coordination. Reflexes must be fast, and the hunter's eye true if he is to hit his target with any degree of accuracy. He must be able to:

1. Distinguish detail at considerable distance and against a variety of backgrounds.
2. Focus clearly on near and distant objects and switch focus within a fraction of a second.
3. Judge distance with speed and accuracy.
4. Detect objects and movements on either side of the target.
5. Identify colors and perform under a variety of light and weather conditions.

This message is brought in the interest of better vision by Drs. Armistead and Smith, Optometrists, Littlefield, Texas.

# FREE \$100. U.S. SAVINGS BOND FROM UNIROYAL

WHEN YOU BUY 4 UNIROYAL STEEL BELTED RADIALS

Here is a great deal for you, and America too, just buy 4 Uniroyal Steel-Belted radials at any participating Uniroyal dealer. Then send proof of purchase, the special certificate, and your Social Security number to Uniroyal within 30 days. You will receive your \$100 Bond in the mail directly from Uniroyal. Or buy 2 Steel-Belted radials and get a \$50 Bond back. But hurry, the offer ends November 13.

"THERE'S ONE NEAR YOU"

# OCTOBER **COOP** NATIONAL CO-OP MONTH

**60,000,000**  
people have a  
good thing going.

They're all member-owners of 40,000 cooperatives providing goods and services in every walk of American life.

Cooperatives today come in all sizes and kinds. There are co-ops for electric and telephone service, credit unions and farm credit, housing, food, insurance, farm marketing and farm supply, health and day care. They're found in urban, suburban and rural areas — all over the country. The cooperative way of conducting business has an impressive track record — proving to be an efficient, economical way of meeting common needs of people. That's why co-ops are found in thousands of communities in every single state — why co-ops have grown and flourished.

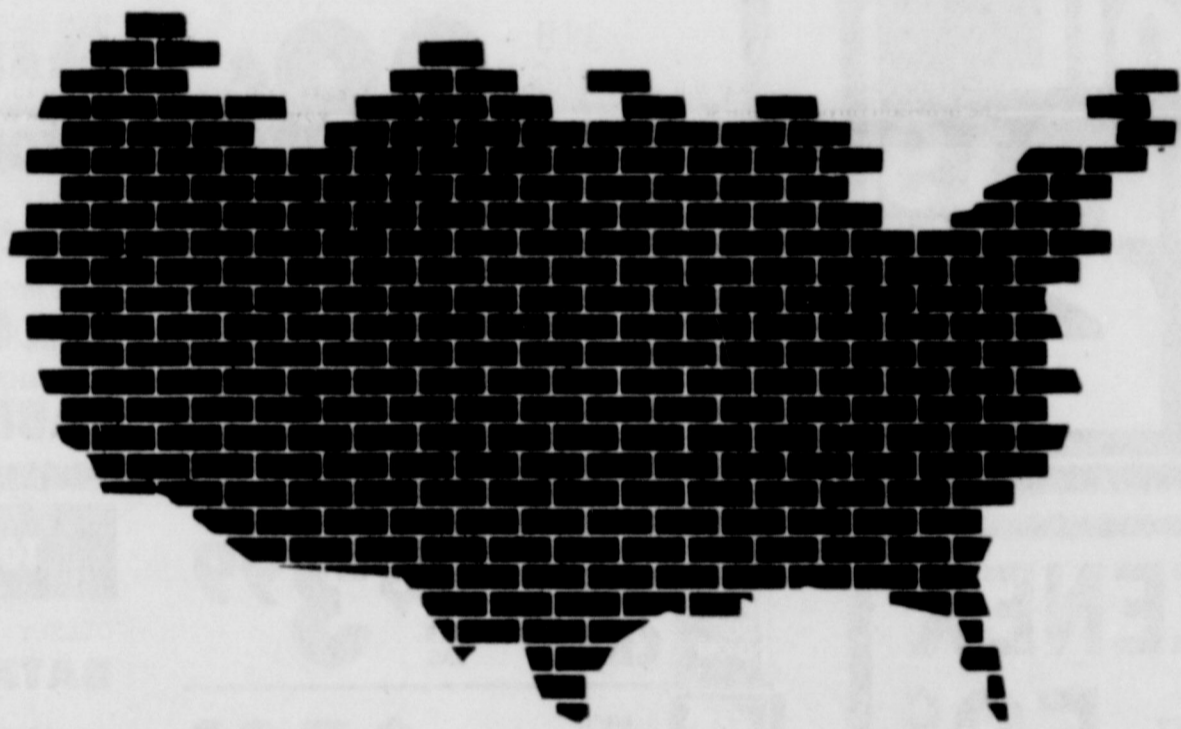

Co-op people are proud of their cooperatives... knowing they provide services and jobs that benefit the whole community.

There's probably a co-op or two in your life, working for a better community and a better America — and for you!
