## Mears Is Leader In Grid Contest

IF YOU HADN'T noticed, there seemed to be a special requirement for football teams making the playoffs from our particular region this year.

That requirement was that the city involved be located on Highway 84. Almost every city from the state line to Interstate 20 had a team which made at least the first round of playoffs.

Starting to the west, the Farwell Steers were the champions in District 5-AA. Then you come down to Littlefield, where the Wildcats won District 2-AAA and survived their first round.

Up the road a bit, the Anton Bulldogs, members of conference A, are in the playoffs. So are the Shallowater Mustangs; in fact the Mustangs have been state-ranked. (Of Shallowater's 10-1 record, the "1" was handed them by Friona.)

In the city of Lubbock, where Highway 84 is one spoke of the "hub," three schools made the football playoffs. They included the Monterey Plainsmen in class 5A; and both Estacado and Dunbar in 4A.

Estacado and Dunbar met in the final district game to decide the district champion and runnerup in an eight-team district.

Just southeast of Lubbock, and still on Highway 84, the Slaton Tigers made the playoffs once again this year. They were edged by a team, Frenship, that we could almost claim on this list, since Frenship is just off Loop 289 on the west side of Lubbock. It's within a stone's throw.

On down the line, and definitely on the road, is class AAA Post, whose Antelopes have been ranked first in their class in the state for much of the year. Down at the tip-end of our region, Brownwood made the playoffs in conference 4A.

That's ten teams we've mentioned, which is just about every town between Farwell and Roscoe. And of the exceptions, Muleshoe came close to making post-season play. The Mules were involved in the three-way tie with Friona and Dimmitt, and it took five tosses of the coin before the Chieftains won the right to the district's new runnerup slot in the playoffs.

And Snyder's Tigers are usually a sure bet for the playoffs, but must have had a bad year.

That's not a bad record. Maybe the "Highway 84 Association" (if there were such an organization) should put up some signs, proclaiming the road as the "Route of the Champions."

**TRAGEDY STRUCK** THE community of Friona this past week, with the untimely death of Jerry Brown.

Few people achieved the record of service, and the outstanding reputation with his friends and neighbors as did Jerry. He was one of those rare individuals who took his job seriously, whether it was farming, or a civic office.

Brown's death was indeed a shock to the entire community, and we extend our sympathies to each member of his family.

**FOR THE PRO** football fan, the ridiculous NFL strike appears to be over. At least they're slated to play ball on Sunday.

When will the workers--athletes or coal miners--learn that in a strike of this nature, the only ones who gain are the attorneys and strike officials?

Millions of dollars have been lost to our nation's economy, at a time when it could ill afford the loss of a single dollar in revenue.

**WE APPRECIATE** the cooperation of many people who made our two "football editions" possible. First, the folks at North Plains Printing in Hereford for getting up with the chickens and printing us.

Also, to the postal workers, especially the rural and city carriers, for bearing with us.

Last but not least, our fine staff, including the quick hands of Holly Campbell, who addresses the papers.

And to the Chieftains, for making it all worth the trouble.

Clint Mears pulled to a two-point lead in the Friona Star's football contest, with two weekends of games left on the schedule.

Mears scored a 19 last week, and upped his total score to 176. Jack Clark had an 18, and is in second place with a score of 174.

Tom Johnson and John Seright are tied for third place with scores of 173. Johnson scored a 20 for the week and Seright had 18. Martha Clements is a point back at 172, also scoring a 20 for the week.

Scores in the weekly contest last week were the best of the contest period so far. They were helped out by the fact that contestants were given two games in the high school playoff section.

Farwell and New Deal held their bi-district game on Thursday, and the number 10 game was listed in error. These two games were counted as correct on the contestants' entry blanks.

Danny Guerra was the week's champion, with a score of 21, top score of the season. Guerra claimed the weekly first prize of \$10.00 cash, missing only the Arizona State-Washington game.

Thirteen contestants correctly picked 20 games, and from this group, the second and third place weekly winners were chosen. Prior to the past weekend, only three contestants had posted scores of 20 all season.

Mark Blankenship, Texas Tech

University student, took second place. His misses were New Mexico State-WTSU and Arizona State-Washington. Mark's tie-breaker score was just two points away from the actual score. He picked River Road to win, 28-17, and the Wildcats missed two conversion points he wasn't expecting.

David Gowens and Mike Perez, both of Muleshoe, tied for third place. Gowens missed Dumas-Canyon and Arizona State-Washington. He missed the Friona-River Road score by only three points, hitting River Road's 26 points on the nose, but giving the Chieftains 20 points when their score came out to be 17.

Perez missed Phillips-Follett and Arizona State-Washington. He also correctly picked River Road's total points at 26, but had Friona's total at 14.

Other contestants correctly picking 20 for the week were Linda Drake, Martha Clements, Marlene Drake, James Whitson, Mitchell Smiley, Donita Martin, Mary Jo Leonard, Jimmy Walker, Wayne Amstutz and Tom Johnson.

The Star, expecting that the NFL strike is settled, has included professional games on its final contest page in this issue. If any of the playoff games, or college games are moved up to be played Thanksgiving Day or otherwise scheduled, adjustments will be made for grading the entries.

**MADIE HONORED....**Madie Rolan, head of nursing at Prairie Acres since the facility opened in 1976, will leave the local facility on November 30. Mrs. Rolan was honored with a dinner in her honor Thursday. Shown with her are P.A. board president D.L. Harguess and administrator, Jo Blackwell.

## Deadlines Moved Up

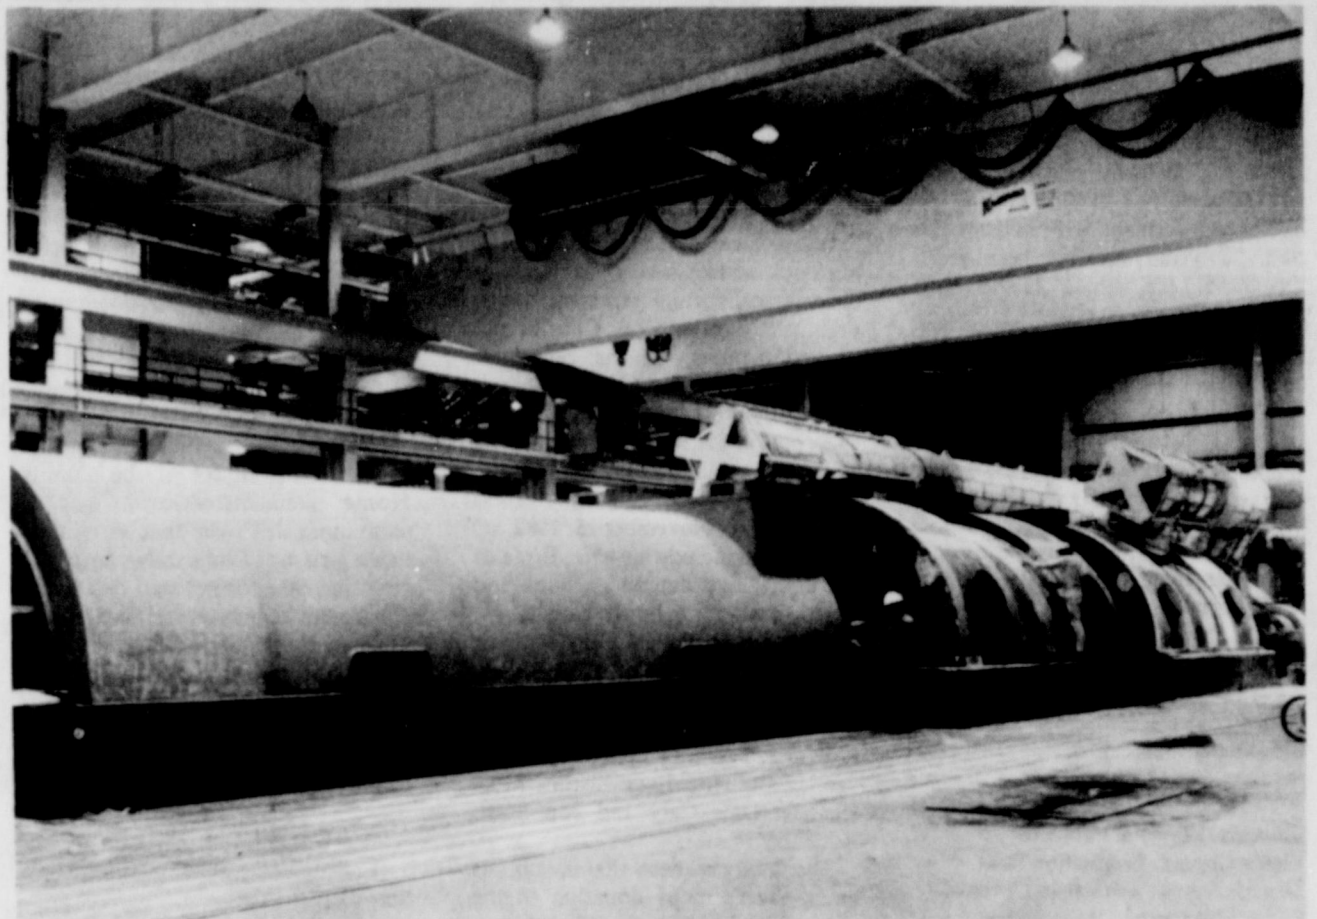

Deadlines for next week's edition of the Star will be considerably earlier than usual, due to the Thanksgiving holiday.

Wednesday at 9 a.m. will be the deadline for news and advertising, so that the paper may be published prior to the holidays.

The paper will be on newsstands Wednesday night, and subscribers' copies will be in the mail on Friday.

**TOP SCORER....**Danny Guerra scored the highest point total to date--21, to claim the weekly prize in the Friona Star's football contest this week. Making the presentation is Clara Seale of Mama Seale's, one of the contest sponsors.

**OPEN HOUSE SET....**Shown is one of the enormous turbine generators at Southwestern Public Service Company's Muleshoe plant. The generator can produce 561,000 kilowatts, enough electricity for 225,000 people. Open house for the new electric plant is scheduled this weekend.

## SPS Sets Open House At New Muleshoe Plant

Employees of Southwestern Public Service Company will show off their second coal-fired power plant, Tolk Station Unit No. 1, near Muleshoe, Texas, Saturday and Sunday, November 20 and 21, and everyone in the SPS service area is invited to the open house, said Bill Wilshire, local manager in Friona.

The new coal-fired unit will be of significant help in Southwestern Public Service Company's effort to hold down the rising costs for the fuels required to generate electricity, Wilshire said.

When it is generating at capacity, the 561,000-kilowatt Tolk Unit No. 1--the largest unit ever built by SPS--will be able to supply the electricity needs of 225,000 people.

Tours of the plant will begin at 10 a.m. and continue until 4 p.m. on Saturday. Tours will continue from 1 p.m. until 4 p.m. on Sunday, Wilshire said. Casual dress is suggested. Women should wear slacks and low heels.

Tolk Station is located just south of U.S. Highway 70, about ten miles east of Muleshoe, eight miles west of Earth.

The power plant is easy to find, Wilshire said. The building which houses the boiler is 237 feet tall--about the height of a 20-story office building.

The chimney stack, from which cleaned flue gases from the boiler exit, towers 400 feet above the sand hills which surround the power plant.

The great size of the plant is required to house equipment large enough to supply the region's ever-growing demand for electricity, said Bert Springer, chairman of the board and chief executive officer of Southwestern Public Service.

"We're immensely proud of Tolk Station, which was designed by our own engineers," Springer said. "We know it will help us serve our customers in the Friona area, and all of our customers, more economically. And the availability of more electrical power will help attract new industries to our entire 45,000-square-mile, four-state service area," Springer remarked.

SPS serves more than one million people in the south plains and panhandle of Texas, eastern and southeastern New Mexico, the Oklahoma Panhandle and southwestern Kansas.

Springer said SPS is one of four major electric utility companies in the United States that employs its own in-house plant design engineers. SPS engineers led by Bill Esler, vice president, engineering, and Jim Matthews, generation design and construction group manager, also oversee construction of the power plants they design, Springer said.

Touring the plant "will be quite an educational experience," Wilshire said. Visitors will see Tolk's coal-handling facilities, the coal pulverizers, the boiler, the turbine-generator, miles of steam piping, the plant maintenance shop, and the plant's state-of-the-art computerized control room.

Unit No. 1's boiler burns low-sulfur coal delivered from near Gillette, Wyoming, by 110-car trains. At maximum rating the boiler burns approximately 296 tons of coal each hour. That's 7,104 tons of coal each day.

The turbine at maximum output produces about 728,000 horsepower. The main steam piping at the Unit contains high pressure steam with flow rates as high as 3,800,000 pounds of steam per hour.

Bert Ballengee, president and chief operating officer of Southwestern Public Service, said detailed planning and design for Tolk Station, which is named after former SPS board chairman Roy Tolk, began in 1975.

General construction contractor for the plant was Missouri Valley Inc., of Amarillo; the electrical contract work was done by Budwine Service Electric of Carlsbad, N.M. Other companies were contracted to build the evaporative cooling towers and the rail spur to the plant, and to do fencing, paving and insulation work.

On-site construction of the plant involved hundreds of craftsmen and laborers over a period of more than four years. Sometimes, there were as many as 800 workers on site.

"Tolk Station to me is a marvel,"

said Pete Smith, an SPS engineer who helped manage the job of designing and building the plant. "Literally thousands of people were involved in putting it together and making it work."

Smith said SPS engineers, drafters, blueprint production people, secretarial help, and production department personnel, as well as employees of equipment and parts manufacturers and suppliers from across the United States, contributed to completing the plant.

"Take all those people," he said, "and then the workmen--the craftsmen who actually built that equipment--like the condensers, with the thousands of feet of tubes; the boiler fabrication, and all those parts; the turbine--a lot of machine work. I guess you're talking about hundreds of thousands of people whose hands touched some part of the plant at one time or another."

Only 150 people are required to operate the Tolk Unit 24 hours a day, Ballengee said.

Cost of the Unit was \$228.2 million, excluding Allowance for Funds Used During Construction of \$48.3 million. Cost per installed kilowatt of capacity was \$489.

"The unit came on-line on schedule and within budget," Ballengee said. "We at SPS are especially proud that Tolk, like our other coal-fired plant, Harrington Station near Amarillo, was completed for less than one-half the national average cost for coal-fired plants. Obviously, when we can perform like that, we're saving our customers a lot of money."

(Continued on Page 8)

**LIBRARY DISPLAY....**Friona librarian Billie Fatchild stands beside a display inspired by the TV mini-series "The Blue and Gray," which includes several artifacts belonging to Nelson Lewis, as well as all of the library's volumes available on the Civil War.

# J. Brownd's Rites Held Wednesday

Funeral services for Jerry Brownd, 40, were held Wednesday, November 17, at 2:30 p.m. in the Friona United Methodist Church with Rev. Archie Echols, pastor, officiating.

Burial was in the Friona Cemetery under the direction of Ellis-Blackwell Funeral Home.

Born February 20, 1942 in Lubbock, Brownd married Erma Drake February 4, 1962 in Friona. He had been a resident of Friona for the past 20 years moving here from Levelland. He was a farmer and rancher and a member of Friona United Methodist Church.

**JERRY BROWND**

Brownd was past master of Friona Masonic Lodge, was a former city councilman, former president of the Friona Chamber of Commerce, former member of the board of Friona Farmers Co-op Gin, and former member of Friona Country Club board. He was a member of the administrative board of Friona United Methodist Church. Brownd died Monday, November 15, 1982.

Survivors include his wife, Erma of the home; two daughters, Jana and Sherri, both of the home; his parents, Mr. and Mrs. R.V. Brownd of Friona; and one sister, Mrs. Wanda Cobb of Hereford.

Pallbearers were Gary Brown, Howard Fleming, George Frye, Wesley Barnett, Jerry Loflin, Mike Chaney, Dale Cary and Jon Mack Roden.

The family requests that memorials be in the form of donation to the Friona United Methodist Church.

# Friona Flashbacks

...from the files of The Friona Star

## 50 YEARS AGO--NOV. 11, 1932

The national election for this year is now history. As far as Friona was concerned, we had a most beautiful day for the election, and everything went off peaceably. Mrs. (Ma) Ferguson received 184 votes and Mr. Bullington received 169 votes at Friona (in the governor's race). Judge Aldridge, for county judge, received 300 votes, to 57 for Mr. Kinsley, the Republican candidate. Mr. Rushing for clerk received 313 votes to 38 for Mr. Sympton. The statement that Mr. Roosevelt carried 75 states out of the 48 seems to have gone unchallenged here.

## 40 YEARS AGO--NOV. 13, 1942

Mrs. Joe Jesko, chairman of the sponsor's committee of the County Home Demonstration Council, announced this week that enrollment in the girls 4-H Clubs shows an 11 per cent increase over last year. The enrollment at present is 150 members in seven clubs. Girls from Friona to be honored this month include Camille Elmore, Dorothy Nell Guinn, Betty Ruth Houlette, Gladys Roberts, Betty Jean Turner, June Moody and Betty Lou Talkington.

## 35 YEARS AGO--

(Entire 1947 issue missing from Star files.)

## 30 YEARS AGO--NOV. 13, 1952

The Friona Chieftains romped over the highly-touted Anton Bulldogs in the last regular season game last Friday, copping the District 3-B championship in the 61-33 win on the local sod. The championship game earns the Redmen another game. They will play for bi-district honors against the winning South Plains team, probably Idalou, at a time and location yet undetermined, except that it will be during Thanksgiving week. Friday's scoreboard read 20-0 at halftime, on tallies by Robbins, Robason and Jordan. Anton's first score came after Friona had racked up 34 points.

## 25 YEARS AGO--NOV. 14, 1957

After a late start, the Friona Chiefs last week rolled over Springlake 35-6 and continued their spirit as district title contenders.

Meeting the Springlake Wolverines on the losers' field at the homecoming tilt, the Chiefs turned the game into a rampage before more than 400 Friona followers. After handily beating the Springlake Wolverines last week the Chiefs return to their home field for the last district game of the season Friday. Stacked up against the Chiefs will be the Morton Indians, also undefeated in district play this year, and the two are digging in for the district title.

## 20 YEARS AGO--NOV. 15, 1962

The Running Water Draw Watershed project cleared a legal hurdle in Parmer County on Tuesday, when the commissioners' court tentatively agreed to act as co-sponsor of the project. The Parmer County Soil Conservation District, original sponsor, asked the commissioners to co-sponsor the project.

Figures compiled this week by City Manager Arley L. (Jake) Outland, revealed that the city has already set a new record for building permits within a calendar year, with a month and a half remaining in 1962.

## 15 YEARS AGO--NOV. 16, 1967

Lillard Insurance and Real Estate has announced the opening of Welch Acres Addition housing project in northeast Friona. The project is slated to build 40 FHA homes. The addition is platted, engineered, FHA approved, and is restricted as to the type of homes which can be built in the area. The Lillard project is the largest for Friona in several years. Welch Acres is an 80-acre addition in northeast Friona which was brought into the city in 1966. Nelson Welch is the developer.

Ideal harvest weather continued to smile on Friona area farmers this week, as harvest operations continued on all fronts, although harvest of what appears to be a record grain sorghum crop is just about complete.

## 10 YEARS AGO--NOV. 16, 1972

The Friona Chieftains will close out a successful but sad football season on Friday, when they travel to

Morton for the final grid game for 1972. By winning, the Chiefs can equal their all-time best season record of 8-2. They also would claim the best season record among district teams, as Littlefield, the district champion, already has finished with a 7-2-1 record.

The Friona High School FFA farm skills team won first place in the Area I Contest last Saturday, and will compete in the state meet Saturday at Huntsville. On the team are Ronnie McLellan, Charles Wilkins, Mitchell Wiseman, Kevin Welch and Gene Strickland. Fathers of two of the boys, McLellan and Strickland, were on former state finalist teams.

## 5 YEARS AGO--NOV. 20, 1977

At the regular meeting of Friona Industries' board of directors, the directors elected Ron Davenport as president and chief executive officer of the Company, filling the vacancy created by the death of John G. Carrothers. A.L. Black was elected chairman of the board with David J. Goddard elected as financial vice president and secretary-treasurer.

Mr. and Mrs. Sloan Osborn were honored with a reception on Sunday, November 27 in observance of their Golden Wedding Anniversary.

## School Lunch Menu

**WEEK OF NOVEMBER 22-24**  
**MONDAY**--Corn dogs, carrots, peas, light bread, cake and milk.  
**TUESDAY**--Fried chicken, potatoes, gravy, green beans, hot rolls, cookies and milk.  
**WEDNESDAY**--Frito pie, pinto beans, mixed greens, cornbread, fruit and milk.

**Attend The Parmer County Living Committee's Christmas Bazaar Friday-Saturday At The Community Center In Friona.**

MARRIAGE LICENSES  
 Juan Tafoya Nava and Irene Duran Morin.  
 Tereso Tafoya Nava and Laure Garcia Duran.

**SURROUNDED WILDCAT....**The River Road ball-carrier is surrounded by red-shirts in this defensive play from Friona's bi-district battle. Roddy Berend (on ground) and Carl Jackson make the contact. Other Chieftains in the photo

include from the left, Michael Deaton, Martin Lopez, Juan Sammarron and Eloy Caballero. River Road came from behind to win the playoff game, 26-17.

**END OF LINE....**River Road's star running back, Gary Martin (44) is being forced out of bounds by Eloy Caballero on a fierce tackle which sent the Wildcat runner tumbling out of bounds and onto the track, and practically into the lap of Friona Star photographer Stanley Ellis, who snapped, then dodged.

# Morgan Paces FHS In Scoring, Yards

The Friona Chieftains had some impressive figures for the 1982 football season, according to a tabulation of season statistics.

The Chiefs, making the playoffs for the first time in 17 years, led their eleven season opponents in virtually every department.

Friona had more first downs, 128-122, more yards rushing, 2118-1593, and more total yards, 2504-2488, than their opponents.

Only in the passing department did opponents hold a lead, as opponents threw the ball approximately 50 per cent more than did the Chieftains, and led in that category.

Friona outscored their opponents, 168-142, or 15.3 points per game to 12.9. It's even more impressive considering that five of the team's

season opponents made the playoffs, three were still playing this weekend, and two have been ranked statewide in the top ten for their class.

Junior runningback Charlie Morgan had some impressive statistics. He led the team in scoring with 68 points, and in individual rushing with 1185.

Morgan's rushing total is the most for a single season since Tony Perea, Friona High School's all-time rushing leader, ran for 1,761 in 1968, his senior year. Morgan's junior year produced 401 more yards than Perea did.

The workhorse on the team, Morgan carried the ball 242 times, one more than half Friona's total. He had scoring runs of 67 yards against Farwell and 65 yards against Abernathy. For the season, Morgan averaged 4.9 yards per carry.

Quarterback Bruce Patterson completed 20 of 67 passes for 345 yards, and added 131 yards rushing, to rank second to Morgan in total offense with 476 yards.

Eloy Caballero was the leading pass receiver, with four catches for 126 yards, an average of 31.5 yards per catch. Caballero's receptions included two for touchdowns.

Max Perea was the runnerup in individual receiving with seven catches for 76 yards and one TD.

Patterson passed for seven touchdowns. He also had an 80-yard pass interception return for a touchdown against Dalhart.

Montoya tied a school record established in 1964 by Doug Dodd by kicking four field goals in a season. His 47-yard goal against Tulia is thought to be a school record for length.

Montoya also had goals of 44 yards against Littlefield and 43 yards against Muleshoe.

CHARLIE MORGAN

## 7th Grade Loses Finale To Littlefield

The Friona seventh grade football team lost their last game Thursday evening to Littlefield.

In the first half of play, Littlefield scored two touchdowns and completed the extra points. The halftime score stood at 16-0.

In the third quarter, Littlefield scored another touchdown. The conversion attempted run was stopped by the Braves.

Friona held Littlefield in the fourth quarter with key tackles by Michael Valero and Daniel Echols. The final score was Littlefield 22, Friona 0.

REV. CARLOS SILVA

## Church Sets Revival Here

Templo Bautista will be hosting an evangelistic campaign November 22-28. Services will be held at 7 p.m. nightly.

Serving as evangelist will be Rev. Carlos Silva (which translated is Charlie Brown) of Mexico City. Troy Smith of Big Spring, brother of Rev. Glenn Smith, pastor, will serve as director of music.

Gloria Garza of Plainview will be the pianist for the gospel series.

Rev. Silva was ordained as a minister at Templo Bautista on November 16, 1908. He was raised in Mexico City, and says his mother was a very religious woman, and his father was a respectable man.

Yet, he "went the way of the world," and like many young people of today, was on the wrong path, until his salvation experience.

His call is to preach Christ throughout Mexico, Central America and in the United States.

"You and your family are most welcome," says Rev. Glenn Smith, pastor.

## Bovina Sets Card Tournery

The Bovina Chamber of Commerce is sponsoring a "42" and "Spades" tournament December 3-4, and invites anyone interested to participate.

The tournament will be conducted from 7:30 to 10 p.m. each night at the high school cafeteria.

An entry fee of \$8 per team will be charged. Those interested may call Suezzy Smith at 238-1324 days, or 238-2677 nights.

## Local Students Attend WTSU G&T Institute

Students from throughout the Panhandle area who have attended six weeks of programs during the West Texas State University Gifted and Talented Institute will share their talents and knowledge during the last day of the program on Saturday, November 20.

On the last Saturday of the program, parents will view a demonstration of the skills learned by their children beginning at 1 p.m. in the Activities Center Ballroom.

Included in the demonstrations will be art, military skills and puppet activities.

For six Saturday mornings in October and November, one hundred children in elementary school through high school in Amarillo, Bovina, Bushland, Canyon, Dalhart, Friona, Hart, Hereford, Pampa, Perryton, Plainview, Sunray, Wayside, Claude, Wellington and White Deer have participated in the programs.

Under the direction of Mary Jane Reeves of the WTSU College of Education, the students, who have been identified as gifted and talented by hometown school district personnel, have attended the sessions. Participants have received training and instruction in perceptual motor skills, reading enrichment, art, Spanish, sport and military skills, creative writing, music and taking tours of the Panhandle-Plains Historical Museum on campus.

Parents of the children also participated in sessions, tours and other activities.

Additional six-week sessions will be offered beginning January 22, 1983, and March 26, 1983, said Reeves. The Gifted and Talented Institute at WTSU has been funded with a \$12,500 grant from the Rockwell Fund, Inc. of Houston.

Students participating from Friona included Janet Baxter, Bianca Burkett, Jay Fred Carson, Jeff Chaney, Audra Clark, Katherine

Cortese, Micah Cortese, Jeff Dickson, Monti Elam, Julie Howard, Amy Israel, Bonnie Israel, Michael Jeter, Mindy Johnson, Mark Madrid, David Millett and Nancy Parson.

Also, Brandy Ray, Justin Peek, David Reed, David Rejino, Jana Renner, Krista Renner, Greg Salyer, Shelly Salyer, Jennifer Smith, Wendy Tatum, Allison Walker, Bryan Walker, James Warren, Julia Warren, Lisa Weatherly and Elaine White.

### A.W. Gobers Celebrate 40th Anniversary

Mr. and Mrs. A.W. Gober of Farwell will be honored with a reception celebrating their fortieth wedding anniversary on Saturday, November 27 at 1001 Eighth Street, Bovina.

The reception, held from 4:30 to 7:30 p.m., is being hosted by the couple's children, Mr. and Mrs. Jerald Gober, Mr. and Mrs. Dale Gober, Mr. and Mrs. Alan Gober and Kathryn Gober.

A.W. Gober and Irene Sachs were married on November 28, 1942 in Savannah, Georgia. They have farmed in the Oklahoma Lane Community for many years.

### Friona Y-H'ers Set Bake Sale

The Friona Young Homemakers will hold their annual Thanksgiving bake sale on Wednesday, November 24, from 8:30 to 11:30 a.m. at D.L.'s Thriftway, 902 Main.

These young ladies will have a variety of home-made baked goods for sale for Thanksgiving and invite you to come by and shop with them.

Mr. and Mrs. A.W. Gober

## Congregational Church Sets Pilgrim Service

Union Congregational Church will be reflecting upon its roots through this Sunday's special worship service. The congregation will be patterning their worship after the form used by the Pilgrims, the original Congregationalists.

"The Thanksgiving holiday provides a natural time for such a service," says Rev. Skip Sirnic. "For it was our forebearers, the Pilgrims, who gave us the first Thanksgiving."

### Joyce Veazey Presents Y-H Club Program

The Friona Young Homemakers met Thursday, November 4 at the Friona High School Cafeteria for their monthly meeting.

Joyce Veazey presented a program from Home Interiors products. She showed the members various things to help decorate and make the home a more attractive place.

Members present were Daphne Cunningham, Cindy King, Nancy Davis, Sherri Rector, Laura Blackburn, Keri Jack, Sarah Black, Paula Clark, Faith Self, Karen Baker, Cindy Simmons, Paula Wilson, Mary Ford, Vickie Florez, Nancy Peace and Suzanne Tullis. Advisors present were Mrs. Osborn, Sheryl Salyer, and Gayle Murdock.

The club discussed the Christmas Bazaar to be held November 19 and 20. The members signed up to work at the concession stand at this event. The club also decided to have a bake sale the Wednesday before Thanksgiving at D.L.'s Grocery Store.

Refreshments were served by Laura Blackburn and Daphne Cunningham. Finger sandwiches, Doritos, cheese dip, fudge and lemonade pie were served to those present.

The congregation has been invited to dress in the garb that would be expected at an early American colonial worship service.

Given the fact that colonial worship was an all-day sabbath affair, with prayers lasting an hour and sermons going on as long as two or three hours, some selectivity and abbreviation was necessary. But the order for Sunday morning, which will last about 50 minutes, will catch the basic themes and spirit of the early Pilgrim service.

"So come and join the congregation as they celebrate their Pilgrim heritage with this special worship service, Sunday, November 21, at 11 a.m. at Union Congregational Church, 1601 Euclid," Sirnic adds.

## Prairie Acres Party Line

This item was submitted this week by Madie Rae Rolan of Prairie Acres Nursing Home.

Some have gone to Heaven And the rest are bound to go!

**A Little Ray Of Sunshine**  
A little ray of sunshine,  
That's what I've tried to be.  
Letting the love of Christ  
Always flow thro' me.

I've been happy in my work.  
Your smile is my reward.  
The confidence you have in me  
I cherish with deep regard.

Trying to make the lives  
Of those I love the best  
A little more easier  
And one of peace and rest.

A little touch—a kindly pat,  
A spoken "I love you,"  
Then as God smiles on us,  
His gracious love shines thro'.

Our days have been sprinkled  
With good times and sad,  
But we all stuck together.  
It's made our hearts feel glad.

We have all laughed together  
And then we've cried some, too.  
Thro sickness and in health  
This love has been so true.

Prairie Acres has been blessed  
With the sweetest saints, I know.

A little ray of sunshine,  
Shining out to all.  
That's what I've tried to be,  
That has been my call.

### WHEN YOUR BABY IS LEARNING TO SEE

Sometimes all parents get disgusted with their baby when everything they get their hands on seems to go directly into their mouth. Don't fret (unless it is something very unclean) for your baby is learning to see—yes, this is part of the learning process of VISION!

It takes all of our senses pulling together and working together for VISION to develop properly. When your child grabs something and puts it into its mouth it is bringing into play the sense of touch, taste, smell (and yes, hearing) which gives meaning to what he or she saw with the eyes.

SIGHT is the ability to see. VISION is the ability to interpret what we see. VISION is learned gradually from babyhood on with the help of memory by coordinating our other five senses with sight.

So the next time you see your baby putting something into the mouth which is not food, just remember they are developing their VISION!

This message is brought to you in the interest of better vision by Drs. Armistead & Smith, Optometrists, Littlefield, Texas.

## Tolk Open House....

(Continued from Page 1)

A second, identical unit at the Muleshoe site, Tolk Station Unit No. 2, is now under construction. It is scheduled to be in service in 1985. The second unit will share some of Unit No. 1's largest equipment, including the on-site coal-handling system, the water treatment facility, and the offices and control room.

Economy is the major benefit Tolk Station will afford SPS customers, Wilshire said, explaining, "The more we can use coal to fuel our power plants, the more money we can save our customers."

"Some people don't realize it," Ballengee said, "but electricity is a manufactured product that is made from some other energy source. Essentially, we start with one type of energy, for instance, the energy locked in coal or natural gas, and we use that power to heat water into steam. The steam, under pressure, is used as another kind of energy, mechanical energy, to turn a turbine generator. The generator creates a third energy form, electrical power."

"So, electricity is something that is made, or manufactured, from another energy source. And the cheaper that other energy form, the better for our electricity customer."

Historically, Southwestern Public Service used natural gas to fire the boilers which heat water into steam, Ballengee said. "But we saw in the early 1970s that the cost of natural gas would shoot up, and continue to get higher, so we began building coal-fired plants, because coal is cheaper to use."

SPS' average fuel cost in 1982 to make one kilowatt-hour of electricity generated by natural gas, Ballengee said, was 3.178 cents. The fuel cost of a kilowatt-hour generated by coal, he said, "by contrast, was only 1.803 cents."

"So, one of the main ways we're helping our customers—or, as we express it in our Company's theme, our partners—manage electricity," he concluded, "is by maximizing use of

our coal-fired plants."

The Company's theme is "You and SPS, partners managing electricity, make the difference."

Tolk Unit No. 1 in 1983 will raise SPS' generation by coal to 53.6 per cent, Ballengee said.

The environmental control system at the Tolk Unit No. 1 is another money saver, he said. The fabric filter system, called a baghouse, sifts "fly ash" from the boiler flue gases on their way to the 400-foot-high stack. SPS sells the captured fly ash for use in oil well mud, concrete, road and parking lot fill, as a soil conditioner.

The money made from the sale of the fly ash by-product is charged against the price SPS pays for coal. "That brings down the cost our customers pay for fuel," Ballengee said.

The coal-unloading system SPS uses at Tolk also saves customers' money, he said. Instead of bringing coal from Wyoming in heavy bottom-dump railroad cars, and emptying the coal from trestles into a stockpile, SPS has its Tolk coal shipped in lighter-weight "rotary dump" cars. The lighter-weight cars are rolled over on their sides in a "rotary dump house" at Tolk, and the coal is poured onto the stockpile. "That helps us keep down our customers' fuel costs," Ballengee said, "because use of the lighter-weight cars means SPS is hauling in more coal per freight dollar."

## Turkey Shoot Set Sunday

The Friona Reserve police officers are sponsoring a turkey shoot Sunday, November 21 at the trap house east of Friona, beginning at 1:30 p.m.

The event will serve as a fund-raiser for the officers. Guns and ammunition will be available. The public is invited to attend, according to a spokesman.

## Happy Birthday To Friona Folks....

**WEEK OF NOVEMBER 20-26**  
Friona residents having birthdays next week are:

**November 20**--Burk Vestal, Bobby Jordan, Vanessa Hudson, Celia Loflin.

**November 21**--Alicia Spring, Tommy Brockman, Joan Gail Browning and Penni Weatherly.

**November 22**--Brandon Walker, Rachel Bermea.

**November 23**--Clark Kaufman, Tom O'Brian, Denae Reeve, Greg Marin, Dee Willard.

**November 24**--Kenneth McLellan,

Lora Mae McFarland.

**November 25**--Alam Armstrong, Army Armstrong, Inez Wheeler, Lucy Beth Hinkle, Ralph Wilson, Laura Ellis, John Tannahill, Eddie Wilson, Polly Turner, Lisa Miller, Gladys Day.

**November 26**--Debbie Norwood, Shelly White, Jamie Reeve, Crystal Zinser, Kim Ready, Don Maynard, John M. Roden.

If you or someone in your family has a birthday coming up soon, call the Friona Star at 247-2211 by Thursday noon and report it.

## Muleshoe YH Club Sets Arts & Crafts Bazaar

The Moonlight Extension Homemakers Club is sponsoring its fourth annual Arts and Craft Bazaar, December 3 and 4 at the Bailey County Civic Center. There will be approximately sixty booths displaying oil and watercolors, ceramics, antiques, baked goods, personalized items, porcelain and ceramic dolls, photography and a large variety of handmade items.

On Friday, December 3, a barbecue luncheon will be served by the Jenny Slippers from 11 a.m. until 2 p.m. On Saturday, the Jenny Slippers will be serving hot dogs and barbecue sandwiches all day. On Friday afternoon at 1:30 and again at 5:30 p.m., Bailey County Extension Agent Linda Mullin will be giving a

demonstration on creative gift wrapping.

Saturday will be a big day in Muleshoe. Along with the arts and crafts bazaar there will be a demonstration at 11:30 a.m. by Cochran County Agent Gail Gladden on making Christmas candies in the microwave. At 1:00 p.m., a representative from the Country Crafts shop in Clovis, N.M. will be giving a demonstration on making wreaths. The Bailey County 4-H Foods Show will be going on and the traditional Christmas parade and the arrival of Santa Claus.

Booth space is limited. Contact Betty Campbell before November 30 at 272-4583 to reserve your booth.

Eighth grade--Patches Fleming, Christy Jordan and Rosa Silva.

Seventh grade--Louis Ramirez and Brenton Riethmayer.

Sixth grade--Julie Brown, Nina Constanancio, Daylen Gallman and Sindy Preston.

## Cowgirl Hall Of Fame Sets Open House

The National Cowgirl Hall of Fame and Western Heritage Center, 515 Avenue B, Hereford, will be open to the public for their Christmas Open House between the hours of 1 and 5 p.m. Sunday afternoon, November 21.

Featured artist of the month, Jean Marlow of Amarillo, will be exhibiting oil paintings appropriate for Christmas giving. Also showing will be Bob Hunnicutt, bronze sculptor of Channing and Randy Jones, pastel portrait artist of Hereford. Giles Boone of Hereford will display wooden rocking horses and John Stribling, president and manager of Western Wool Weavers of Hereford, will exhibit a loom. Weavers will demonstrate this skill throughout the afternoon.

Art work will be for sale. Admission will be by donation, although it is suggested that adults pay \$1 and senior citizens over 65 and students, pay 50 cents. Pre-schoolers will be admitted free. Refreshments will be served.

## Hollene Sets Third Reunion

The Hollene School and Community will hold their third annual reunion on Saturday, November 27 at 6:30 p.m. (Mountain Standard Time) at Kingwood Methodist Church, North Main and Yucca Avenue, Clovis, New Mexico.

Each family is asked to bring either cookies or cake and come enjoy an evening of visiting.

AWARD PRESENTED...Roger Fields, right, representing the Parmer County chapter of the American Heart Assn., presents a plaque to Prairie Acres Nursing Home administrator Jo Blackwell and board chief D. L. Harguess for the local facility's work in the annual Rock & Roll Jamboree. The award was the association's bronze award.

## Lazbuddie 4-H Members Prepare For Food Show

Lazbuddie 4-H Club Food Project group members have been busy getting ready for the Parmer County 4-H Foods Show to be held Saturday, November 20 at 3 p.m. in the Friona High School Cafeteria in Friona.

Maureen Jesko, junior leader, showed the group how to fill out information on the required project report forms at a meeting Monday, November 8 at 3:45 p.m. in the Lazbuddie School Cafeteria following the club's regular meeting.

Adult leader, Mrs. Effie Jesko, discussed the five food groups--breads and cereals; fruits and vegetables; meats, milk and sweets and fats and servings needed each day. Attending this meeting were Trey Hinkson, Amy and Kevin McGehee, Pat and Lori McBroom, Kirk Jesko, Maureen and Frank Jesko and Doug O'Connor. Mothers attending were Darla McBroom, Betty O'Connor, Liz Jesko, Effie Jesko and Laura Jacobs, County Extension Agent.

A foods workshop was held Thursday, November 9 at the home of adult leader, Effie Jesko with seven 4-H members participating.

Joyce McGehee, adult leader, demonstrated how to set the table for different occasions and table manners were discussed. Use of standard measuring cups for dry ingredients and liquid measuring cups, and measuring spoons were demonstrated. Each of the 4-H members showed the group how to measure different ingredients in a chocolate chip bar cookie recipe.

Each member took part in preparing a fruit salad. Paring and cutting knives and cutting board were used in cutting oranges, tangelos, grapes, bananas and pineapple.

After the cookies were baked and fruit salad completed the young cooks were served refreshments. Participating were Casey Bradshaw, Doug O'Connor, Kevin and Amy McGehee, Pat and Lori McBroom and Trey Hinkson.

## Dental Program Is Available For Elderly

The Texas Dental Association has introduced a new statewide dental program that provides dental care to senior citizens at reduced cost. The program, called for by the 1982 TDA House of Delegates, is designed to increase access to comprehensive dental care for elderly citizens on low, fixed incomes. Volunteer dentists--all members of the Texas Dental Association--have agreed to provide dental care at a reduced cost to senior citizens across the State of Texas. The program named "Senior Dent" has received wide approval on both a state and national level.

To be eligible to receive reduced-fee care under the "Senior Dent" program, an individual should be age 65 or older; not eligible for federal, state or other dental health assistance; not eligible for private dental insurance and should have an annual household income of \$12,000, or less OR be accepted by the participating dentist due to special circumstances.

To receive a referral to participating dentists, the senior citizen simply calls the TDA statewide toll free number--1-800-252-9377. The caller is informed of the eligibility guidelines and given the telephone number of several participating dentists in their Zip Code area. In some instances, they will be referred back through the component dental society for a similar referral.

The actual kickoff for the "Senior Dent" program will be November 30 with a statewide press conference planned at the State Capitol. Recognizing the diverse needs and dental condition among the elderly population, the program promotion will emphasize preventive care and retention of natural teeth. Approximately 1,400 dentists have agreed to provide their services at a reduced fee to senior citizens.

In designing "Senior Dent," one of the Association's primary objectives was simplicity. Its goal is to explain the program to the dental profession and the public in a way that all parties could understand. In addition, TDA encourages senior citizens to use "Senior Dent" for regular preventive dental care. Regular examinations and preventive care are needed for individuals who have dentures as well as for those with some or all of their natural teeth.

If you would like more information, or would like to be a part of "Senior Dent," please call Beth Brooks, Director of Communications, TDA, at 1-800-252-9377.

## Hospital Report

### ADMISSIONS--

Alonzo Ramirez, Friona; Topsy Farr, Hereford; Marcus Reyes, Hereford; Baker Duggins, Friona; Rosco Ivie, Friona; Adalberto Martinez, Hereford; Isidra Garza, Friona; Leora Hastings, Bovina; Angie Alonzo and baby boy, Hereford; Jan Emerson, Friona; Allo Reeve, Friona; and John Hand, Friona.

### DISMISSALS--

Carol Hardesty, Esperanza Garcia, Lucille Collier, Mike Brown, Leta Tannahill, Earl Richards, Minnie Hand, Ida Hadley, Helen Fallwell, Alonzo Ramirez, Rosco Ivie, Adalberto Martinez, Leora Hastings, John Hand and Isidra Garza.

### PATIENTS IN HOSPITAL--

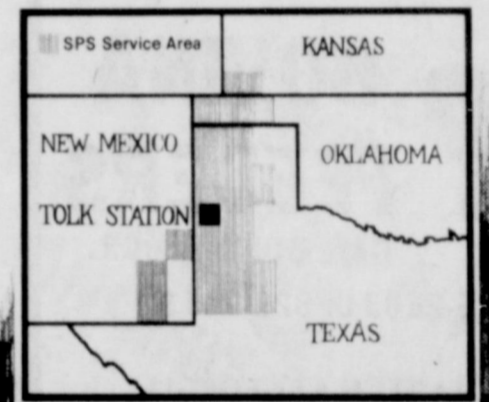

Ada Houser, Baker Duggins, Jan Emerson, Topsy Farr, Marcus Reyes, Angie Alonzo and baby boy and Allo Reeve.

## How better energy decisions make the difference

You and Southwestern Public Service Company are partners, making energy decisions that make the difference.

How you manage electricity in your home helps us make our decisions about generating power to meet the electrical requirements of the Southwest. For when you install a High-Efficiency Add-On Heat Pump, you can manage the electricity used for your home's heating and cooling -- which helps SPS determine how much power you, and the Southwest, will need.

So that economical power will always be available, SPS is developing better ways to generate electricity. One way is with coal.

Construction is now completed on the first unit of our second coal-fired power plant, Tolk Station, which is now on-line and generating electricity. Harrington Station, SPS's first coal-fired power plant, has been operating since the early 1970's.

As partners we have made energy decisions which have built Tolk Station. We're proud of the new power plant as you will be too. You're invited to the Open House of Tolk Station between Muleshoe and Earth, Texas. Just follow the map and join us Saturday 10 to 4 p.m., November 20, or Sunday 1 to 4 p.m., November 21. Come as you are, dress casually. There will be refreshments and guided tours for the whole family.

### HOW TO GET TO TOLK STATION

**Come to the  
OPEN HOUSE**  
Sat. November 20  
10-4 p.m.  
Sun. November 21

## Local Woman Attends Annual WIFE Meeting

The Sixth Annual Convention of Women Involved in Farm Economics (W.I.F.E.) was called to order Thursday, November 11 at the Holiday Inn, Denver Northglenn, Denver, Colorado by National President June Saylor of Muleshoe, Texas.

Saylor gave the president's address Saturday morning reminding the membership "Time has run out on the economic clock for many producers. We who have survived thus far are only marking time." She went on to say, "It is time for all to admit the Free Market oriented agriculture policy has bankrupted too many and led producers to the lowest commodity prices since the Great Depression. The repercussions of the loss of income to agriculture has led our nation to the highest unemployment of 10.4 per cent and lowest corporate profits since the '30's Depression."

Saylor also noted the fact that America is the envy of almost every country in the world, not for our military, our social life, our welfare system, or our banking system...but for our agriculture.

Mrs. Saylor's address was closed by saying that, "Farmers must have a program designed with protection for producers, which will allow the farmer to continue producing plentiful food and fiber supplies, reasonably priced...but at the same time must be a no cost program to the government."

Mrs. Saylor announced that WIFE had voted unanimously to begin immediate preparations for an Agricultural Women's Summit Meeting to be held as soon as possible. "In light of the severity of the economic situation in which the agricultural producers of America find themselves, we must seek unity

of purpose in finding solutions to our problems," Saylor stated.

The Saturday Banquet guest speaker was Sister Thomas More Bertels, Sister Bertels is a member of the Franciscan Sisters of Christian Charity, a teaching and nursing order. At present, Sister Bertels is a full professor of history at Silver Lake College in Manitowish, Wisconsin.

Sister Bertels told her audience that the most important thing to the farmer, is who develops Agriculture Policy. Bertels' message for WIFE was that producers need once again to bring together marketing and producing. She emphasized that producers must develop power at the grassroots level to offset power at the federal level.

Johnna Blackburn of Friona attended the convention.

### Antique Club Meeting Held

The Friona Antique Club met Monday, November 15 in the home of Rudolph and Clara Renner. Roll call was answered with eleven members present.

The hostess served chicken salad sandwiches, pickles, potato supreme salad, cherry dream salad, pumpkin pie, coffee and tea.

The remainder of the evening was spent visiting.

Present were Elvie and Virginia Jennings, Jerry and Patti Zachary, Raymond and Nola Adams, Orma Flippin, Ruth Jones, Hazel Baxter and the host and hostess.

Next meeting of the club will be December 13 in the Zachary home, for the Christmas supper, each member will bring a covered dish.

Weekend visitors in the home of Mrs. Pearl Howard were Mr. and Mrs. Nick Whitehead and their grandson, Shawn Teal, all of Odessa. Mrs. Whitehead is Mrs. Howard's daughter.

Other out-of-town visitors in the Howard home last week were Mr. and Mrs. Haywood Vaughn of Stratford, Texas.

Mrs. Dale Smith, Joy Morton, Patti Hinton and Anna Ramirez attended a play, "Same Time Next Year," at the Intimate Theatre on the West Texas State University campus at Canyon Saturday.

Mrs. Smith's daughter, Amber, a 1982 graduate of Friona High School and a freshman at West Texas, was the assistant director.

The Glenn Floyds were in Denver City Sunday. We visited my mother, Mrs. Lucy McCown, who is a resident of a rest home there.

We were also dinner guests in the

home of Mr. and Mrs. Jim Bowers and family, who live on a farm near Denver City.

Mr. and Mrs. John Allen Sr. were dismissed from Lubbock's Methodist Hospital Friday and returned to their home here.

Mrs. Allen had been a patient there since having her left leg amputated below the knee about seven weeks ago. Allen, who fell and broke his left arm and received some painful cuts and bruises about a week ago, had only been hospitalized six days.

Mrs. Mabel DeLong returned home Sunday evening after a six weeks visit with relatives in Florida. She visited in the home of her twin sister, Marian Jones, who lives in Fort Lauderdale.

She also visited another sister, Elma Diehl, who lives in Bradenton and a brother, Paul Cunningham, who lives in Ives.

Mrs. DeLong, Mrs. Jones, Mrs.

Diehl and Paul Cunningham are the only living members of their family, which consisted of ten children.

Mabel reported that her daughter, Dorothy Harrelson, with whom she makes her home, had re-decorated their home while her mother was away.

Cotton and Kay Renner, who live way down in Louisiana, have been visiting local kith and kin. Cotton is the son of Rudolph and Clara and a brother of John and Junior Renner, Lillie Mae Baxter and Mary Joyce Barnett.

Kay has a sister, Ione Renner, and two nephews, John and Jim Taylor, who live here.

Cotton travels for an irrigation sprinkler firm and Kay accompanies him much of the time.

Max and Peggy Cruse of Pierre, South Dakota, visited in the home of Doyce and Mary Joyce Barnett last week. Max, the son of the late Mr. and Mrs. N.M. Cruse, formerly of Friona, is a Friona High School graduate.

Peggy's parents, the late Jake and Grace Patterson, lived in the Rhea Community several years.

Meryl and Olive Massie have had visitors in their home recently. Anni Jensen, Friona High School's first exchange student, whose home is in Norway, and her father have been here.

Even though Anni has married since she lived here, she's still named Jensen. Her husband, Eric Jensen, is an international lawyer.

The couple has two sons. The oldest one is currently on tour in the United States. He's part of a gymnastic team touring the country. Eric was in the states on business recently, so he stayed home with younger son while Anni and her father came.

One evening while they were here Floyd and Betty Reeve hosted a salad supper in their home honoring Anni. Former classmates from far and near came.

Besides the host couple and honoree, those attending were DANNY and Ada Beth Akens SMITH,

JERE BUSKE SMITH, GARY and Kay SNEAD, LEE and Sylvia GIBSON, BRENDA COLLIER JESKO, HANK and Terri OUTLAND, and CHARLES and Rose Ann RAY, all of Friona.

Also, Tom and PEGGY HOWELL White, Clovis, MIKIE WELCH BISHOP and KAREN O'BRIAN CARTER, Dimmitt, JAMES PERKINS, Hereford; BOBBY DANIELS, Wolfe City, Texas; and MARY ANN BOGGESS, Belize, British Honduras, Central America.

"Last Will Of A Farmer," is one of those things which seem to crop up from nowhere periodically. It was given to me by an old friend, who has been farm oriented all her life. Hope the readers enjoy it.

#### LAST WILL OF A FARMER

I leave:

To my wife--My overdraft at the bank. Maybe she can explain it.

To my son--Equity on my car. Now he'll have to go to work to meet the payments.

To my banker--My soul. He has the mortgage on it anyway.

To my neighbor--My clown suit. He'll need it if he continues to farm as he has in the past.

To the PCA--My unpaid bills. They took some real chances on me and I want to do something for them.

To ASCS--My grain bin. I was planning to let them take it next year anyway.

To the farm advisor--50 bushels of corn to see if he can hit the market. I never did.

To the junk man--All my machinery. He's had his eyes on it for years.

To my undertaker--A special request. I want six implement and fertilizer dealers for my pallbearers. They are used to carrying me.

To the weatherman--Rain, sleet, and snow for the funeral, please. No sense in having good weather now.

To the grave digger--Don't bother. The hole I am in should be big enough.

To the monument maker--Set up a jig for the epitaph. "Here lies a farmer who has now properly assumed all of his obligations."

### BE AWARE OF LAWS

Both hunters and fishermen should be aware of the new laws. They're rough, and a landowner has the edge. If he files a complaint, it's almost a sure bet the judge will back him. The tougher trespass law actually went into effect a year ago, but not many are aware of the penalties.

For example, trespassing to hunt, with any weapon, firearm or bow and arrow, is now a Class A misdemeanor. It now carries a fine of up to \$2,000 and/or--note it can be both!--a year in jail. Incidentally, this Class A category also applies to anyone entering another's habitation, whether or not a weapon is carried.

Even if you just go for a walk, unarmed, let's say to pick wild fruit or photograph something, on private property, you can be hit with a Class B misdemeanor charge, maximum fine of \$1,000 and/or 180 days in jail. It is not necessary for a property owner to post no-trespassing signs, if he has fences.

Crossing a fence or other enclosure constitutes the misdemeanor in either Class A or B. If there are no fences, signs are all that are needed. And, if a landowner tells a person, orally or in writing, that trespass is forbidden, neither fences nor signs are needed.

It's important that outdoorsmen are aware of the trouble trespass in Texas can cause them--a word to the wise.
