Prisoner Shot After Escaping Over Fence

HUNTSVILLE —(P)—D. W. Stakes, Frison System manager, called a meeting in Huntsville Tuesday to discuss details of a "reorganization" program for the system and said a complete investigation will be made into the shooting Monday of a Darrington Frison Farm inmate.

The prisoner, 22-year-old William Ayers, was shot to death as he sought to evade capture by prison officials and Texas rangers following his escape from the farm. Ayers escaped Sunday night by sawing a tank window bar and climbing a 10-foot wire fence.

In Houston, Capt. John Easton, manager of the farm, said Ayers was serving a three-year sentence for theft in Val Verde County.

Stakes said that there have been more escapes from the Texas Prison System during the first nine months of this year than any other similar period in 20 years, pronounced a complete investigation.

Illegal Shots Cost Two Men \$666 In Fines

Two Midland bird hunters were fined a total of \$663 in justice court Monday on charges of shooting from an automobile on the highway and killing quail out of season.

J. L. Dugger, U. S. Game Agent of the West Texas dist.ict, said he apprehended the hunters Sunday. They were fined \$300 each, plus \$33 court costs. Both were fined on identical charges. Dugger reported. Although their fine may have made their hunting trip seem expensive, the game officer said, both could have been fined on 15 other charges. He said both men were violating state and federal laws.

His office in Lubbock has received numerous complaints from Midland ranchmen who resorted to shooting from highways, and killing of quail, Dugger said, and added that he plans to do a "great deal" more work in this area.

Services Scheduled Tuesday For Former Resident Of Midland

Funeral services for Mrs. S. E. Townsend, former Midland resident who died September 1, in Pasadena, Calif., were scheduled at 4 p. m. Tuesday in the First Christian Church of which she was a charter member.

A son, the Rev. I. A. Townsend, of Kansas City will officiate, assisted by the Rev. Clyde Lindley, pastor of the Midland church.

Survivors include two daughters, Mrs. Charles F. O'Neal of Los Angeles, and Mrs. Gordon Purcell of Pasadena; and two sons, Mr. Townsend, and Ed Townsend of Pasadena.

Mrs. Townsend was a sister of the late N. H. Ellis of Midland and was well-known among long-time residents here.

"Running High" Cast To Rehearse Wednesday

Rehearsals for the Kiwanis Club-Community Theater minstrel-revue, "Runnin' High," will begin Wednesday evening at the City-County Auditorium. Joe Koegler, general chairman, announced.

Koegler emphasized there is no requirement that performers in the show must belong either to the Kiwanis Club or the Community Theater. A number of vacancies in the cast remain, he said, and anyone who would like to participate in the production will be welcome at the rehearsal.

Publicity And Patriotism

The term "publicity build-up" is not ordinarily used in a complimentary sense. It is likely to call to mind an exaggerated fanfare for a new movie star or a new soap powder, or for some other person or commodity whose modest talents or properties scarcely warrant all the horn blowing and drum beating.

Nevertheless, it must be admitted that Americans have developed the technique of the publicity build-up to a remarkable degree. And it is a pleasure to observe its smooth operation in such a good cause as the year's tour of the Freedom Train, which begins September 17, and the Year of Rededication that coincides with it.

The Freedom Train began as an idea in the mind of Attorney General Tom Clark, who thought a traveling exhibit of great American documents might help reawaken American youth to their responsibilities as citizens and curb the rise in juvenile delinquency. He invited the assistance of leaders of business, labor, education, the arts, and fraternal, patriotic, cultural and youth organizations.

The idea caught on and gained its present proportions. Clark's advisers formed the American Heritage Foundation. Then the publicity campaign got under way. Experienced promotion and exploitation men were called in. Heads of newspaper and magazine publishers' associations, of syndicates and radio networks made plans to co-ordinate their vast systems of communication.

One result of their efforts has already appeared in the form of a campaign book which goes to officials, newspapers, radio stations and civic and religious groups in every community where the Freedom Train will stop. And no disrespect to the purposes of the train's tour is intended when we say that the preparations are as detailed and elaborate as they would be for the world premiere of a \$5,000,000 movie.

The book contains detailed publicity and advertising suggestions. There is material for every department of a newspaper. There are plans for special events and for the cooperation of churches, schools, retail stores, motion picture exhibitors, and so on.

The purpose of all this is to make every one conscious of the responsibilities as well as the privileges which are ours as inheritors of the legacy of American freedom.

This country's high tradition of democracy has been seriously challenged in the last six years, and is still challenged today. Every failure to live up to that tradition provides a little more ammunition for those who would discount or destroy it. There is a real need for most of us to try more actively and consciously to be good citizens and alert guardians of our heritage.

We have seen the power of publicity and propaganda in selling systems of government inimical to our own. Josef Goebbels did a job with the German people. The tightly controlled Soviet press and radio are doing a job in Russia.

It would seem, then, that the time has come to sell the responsibilities of American citizenship with banners and with shouting from the housetops. And it seems to us a wise idea to use all of America's precise, well-oiled publicity machinery to do it.

It's your dearest friends who usually cost you nothing.

A California boy of 12 sings grand opera—but a lad of that age can outgrow things.

Five Midland County 4-H Club boys and girls have returned from the state-wide club roundup at Ooledge Station, to which they were elected by other club members.

Accompanying the group were Hubert Martin, county agent, Nettie B. Messick, home demonstration agent, and Mrs. I. J. Howard, chairman of the county home demonstration council. The youths are John Midkiff, Norman Drake, Mary Lynn Manning, Pauline Norwood and Sammie Swails.

Mary Lynn, as winner of a Midland County dress revue, competed in a dress revue at the roundup and won a pair of scissors. The boys participated in a two-day program of panel discussions, contests and recreational events.

Red is considered to be a warm color; blue, cold.

● A brand new telephone operator... that's me. Just started today.

Like it? Yes, indeed... especially one thing... everybody is so friendly. I felt at home right away. It's a nice clean place to work, too; pleasant surroundings, and the switchboard is really fascinating. I'm going to enjoy working for the telephone company.

And here's a tip, if you're looking for a job. More operators are needed right now. Experience isn't necessary because you learn as you go along.

The chief operator at the telephone office will be glad to tell you all about it. Why not see her?

BETTER LIGHT = BETTER SIGHT

REDDY KILOWATT TEACHER

LIGHT THE WAY TO BETTER GRADES

● Now that students are starting another school term, it is vitally important that they have enough of the right kind of light for easy seeing.

All lamps used by children for home study should have at least a 100-watt bulb—150-watts in many cases—to provide good light to make their homework easier and to prevent undue eyestrain. Lamp shades, too, are important—they should be wide enough to spread the light evenly and keep glaring, unshaded light from striking the eyes.

of discussion in the wee hours of the morning during the tournament. It shows that the old saying, "There is many a man walking the streets of London because he failed to lead trump," does not always hold true.

Declarer won the opening lead with the eight of clubs, and if he had been a believer in pulling trumps, he would have had quite a problem to make the contract. Instead, he led a small heart to the ace, then led a spade from dummy and finessed the ten-spot. West won with the king and came back with another trump. South won, ruffed a heart in dummy, came back to his hand with a spade, and ruffed the third heart in dummy. Then he led the queen and jack of spades, discarding two losing diamonds from his own hand. The only other trick that West could win was the ace of diamonds.

The opening tilt is at 7:30 p. m. Tuesday with Midland All-Stars engaging Mackey Motors, also a Midland team. At 8:45 p. m., Joe Robertson Sinclair of Midland plays a Lubbock entry. Then at 10 p. m., Nathan's Jewellers of San Angelo plays Kermit All-Stars.

Solid Contenders Remain In Tourney

PEBBLE BEACH, CALIF.—(AP)—The U. S. National Amateur golf championship swung into the second round Tuesday with all of the solid contenders for the crown still in the running and old man par for the Pebble Beach course virtually unscathed from Monday's play.

Leading the contestants into action was defending champion Ted Bishop of Dedham, Mass., who enjoyed a bye in the first round and spent the day at the neighboring Cypress Point course belting out a practice round of 66, six strokes under par.

Included in the ranks of top flight contenders will be Frank Stranahan of Toledo, two-time winner Marvin H. "Bud" Ward of Spokane, Dick Chapman, the 1940 winner from Mamaroneck, N. Y., Frank Strafaci of Flushing, N. Y., two-time runner-up, Ray Billows from Poughkeepsie, N. Y., Johnny Dawson from Hollywood, Smiley Quick, finalist against Bishop at Baltusrol, N. J., last year and the 1946 National Public Links champion, Skec Riegel of Los Angeles, Bruce McCormick of Hollywood, California state titleholder and onetime National Public Links kingpin, and Johnny Goodman of Omaha, winner in 1937, runner up in 1932.

Stranahan, in routing Douglas Bajus of Vancouver, 7 and 6, shot the best golf of the day. Almost as good was the performance of Bud Ward, who smashed W. A. Schneider of Honolulu, 9 and 7. McCormick, after a bye, Tuesday went into action against Theodore Roden, Odessa, Texas.

Skeet Tourney Scheduled Here October 17-19

MIDLAND GUN CLUB members will be hosts to marksmen from a wide area October 17, 18 and 19, when they stage a West Texas Skeet Tournament.

The event is expected to draw at least 100 skeet shooters from El Paso, Amarillo, Lubbock, Clovis, San Angelo and other cities. Jim March of the Midland Gun Club is general chairman of the tournament.

May Be Annual Event Midland skeet shooters hope to make the tournament an annual event. Skeet fans from other West Texas and New Mexico cities have suggested Midland as the logical place for such an annual meet, since this city is ideally located and equipped for it.

Winners of the tournament will be awarded trophies as well as added cash prizes. A catalogue, listing details of the meet, will be published soon by the Midland club.

The tournament, which will be conducted under National Skeet Association rules, is expected to attract to Midland some of the most expert shots in the Southwest.

Play Tuesday Night—

Indians Set For 'Do Or Die' Tilt

A Monday night game postponed because of rain, the Midland Indians will meet the Ballinger Cats at 8:15 p. m. Tuesday in Indian Park with the standing 3-2 Ballinger in a playoff series of the Longhorn League. It is "do or die" for Midland.

The Indians, fighting uphill for a share of loop honors, must win Tuesday to stay in the race. If Ballinger wins the Cats will enter the championship playoff against the winner of the Sweetwater-Big Spring series, which is now knotted at three games each.

Clay Gray, a 20-game winner in regular Longhorn League play, is slated for mound duty in behalf of the Indians Tuesday. Manager Buddy Hancken of Ballinger has not named his starting hurler.

Sports Even Series With Big Spring

SWEETWATER—The fighting Sweetwater Sports evened the series three all with Big Spring in the Longhorn League Shaughnessy playoffs here Monday night by beating the Broncs, 11 to 9.

A circuit court by Vic Solari, second baseman, with the bases loaded in the sixth provided the margin of victory for the Sports. Until his four-bagger the game was tied at six-11.

Although the Broncs scored three more runs they were never able to overcome the five-run lead provided by Solari's round tripper.

Varona and Martin of Big Spring and Solari and Jones of Sweetwater hit homers.

Sweetwater and Big Spring square away in the final and deciding game of their playoff Tuesday night at Sweetwater. The winner will enter the league championship playoff, playing the winner of the Midland-Balinger series.

The line score: R H E Big Spring 200 040 201—9 11 3 Sweetwater .030 125 00x—11 10 2 Perez, Cindan, Baez and Trospuesto, McPike and Sanders.

Major Leagues—Magnetic Yanks Lure 2,023,643 Fans Into Gates

By The Associated Press The New York Yankees, only baseball club to lure 2,000,000 fans past the turnstiles in a single season, not only have repeated the stunt Tuesday, but give promise of making it two and a half million before the season is over.

With 53,101 coming out to the Yankee Stadium to watch Monday night's tussle with the Cleveland Indians, the Yankees now have attracted 2,023,643 paid admissions in 62 home games.

Feller Hurls Monday's crowd was treated to a brilliant bit of relief pitching by Bob Feller, the Indians' great righthander, who saved a 4-3 victory for Bob Lemon with some tremendous clutch hurling.

The defeat left the Yankees still needing a combination of eight wins and Boston Red Sox losses to clinch the flag. Lemon, who limited the Yankees to six hits, batted in the winning run in the eighth with his third single of the game.

In the only other game played in the majors, the New York Giants spotted the Pittsburgh Pirates eight runs in the first seven innings, then went on to win 10-8.
