SW Midland Wildcat Tests Ellenburger For Third Pay Zone

General American Oil Company, and associates, No. 1 Peck, South-west Midland County wildcat, 30 miles southwest of the city of Midland is running a drillstem test on the top 68 feet of the Ellenburger. Top of that formation was at 13,137 feet. Total depth is at 13,205 feet. Elevation is 2,902 feet.

The No. 1 Peck is 594 feet low on the top of the Ellenburger, to the same point in the Magnolia Petroleum Company No. 1-A TXL, the opener of the Pegasus, multi-pay field, five miles to the southeast.

General American No. 1 Peck is at the center of the northwest quarter of the northwest quarter of section 21, block 41, TP survey, T-4-S.

It has already proven for flowing production from the Pennsylvanian lime and from the Devonian. The development has also indicated possibilities of production in the Permian, lower Permian and in the Fusselman section of the Silurian.

C-N Upton Venture To Treat Fusselman

Republic Natural Gas Company and associates, No. 1 American Republics Corporation, Central-North Upton County wildcat, one and three-eighths of a mile southwest of the nearest completed Ellenburger producer, lower Permian side of the Pegasus field, and located 660 feet from north and west lines of section 6, block 40, TP survey, T-5-S, was preparing to treat the Fusselman section of the Silurian with 2,000 gallons of acid through perforations in the casing at 12,370-490 feet.

A previous attempt to acidize that zone failed when a leak was found in the tubing.

This venture is located at 13-118 feet in the Ellenburger. A string of 7-inch casing is cemented at 13,025 feet—the top of the Ellenburger.

The zone from 13,025 feet to 13-118 feet developed some oil and gas cut drilling mud during an extended drillstem test.

The Fusselman showed some possibilities of producing when it was drillstem tested. The formation was being bored down to the Ellenburger.

After the petroleum yielding ability of that horizon is determined operators will go back to the Ellenburger and test it. The formation probably will be acidized before the testing is completed.

Outposts To Ward Field Are Completed

Anderson-Prichard Oil Corporation has completed two outposts to the Monroe field in West Ward County, about eight miles north of Barstow. Both new wells produce from the Delaware lime.

Anderson-Prichard No. 1-A Monroe, 330 feet from northwest and southwest lines of the north quarter of the west quarter of section 3, block 1, W&NW survey, flowed through an intermitter for a daily potential of 91.77 barrels of 33-gravity oil. Gas-oil ratio was 285-1. There was no formation water.

Top of the pay is at 4,885 feet. Total depth is 4,700 feet. The 5 1/2-inch casing is cemented at 4,651 feet. The pay horizon had been shot with nitro glycerin.

Anderson-Prichard No. 1-B Monroe, 1,650 feet from northeast and 330 feet from southwest lines of section 3, block 1, W&NW survey, was finished for a 24-hour potential of 90.39 barrels, flowing. Gravity was 33 degrees. Gas-oil ratio was 48-1.

The pay section at 4,882-99 feet, had been shot with nitro glycerin. The 5 1/2-inch casing is cemented at 4,600 feet. The well is free of formation water.

Tucker Field In SW Crane Gets New Well

George T. Abell of Midland has completed his No. 2 TAS (Texas American Syndicate) as a new producer from the Wadell sand of the Simpson in the Tucker field in Southwest Crane County.

This development, located 330 feet from north and west lines of the south three quarters of section 25, block 1, E&TC survey, and six miles northeast of Imperial, reported a 24-hour potential of 141 barrels of 41-gravity oil. The completion test was flowing through a one-quarter inch tubing choke. Gas-oil ratio was 518-1. Flowing tubing pressure was 100 pounds. Pressure on the casing was 800 pounds. The pay section between 5,830 feet and the total depth at 5,900 feet, had been shot with 400 quarts of nitro glycerin.

The 5 1/2-inch oil string was cemented at 5,795 feet.

C-W Nolan Stated For An Ellenburger Test

J. C. Michael of Dallas No. 1 Gus Farrar is to be a 7,100-foot wildcat in Central-West Nolan County, four miles northwest of Maryneal. Location is 660 feet from south and west lines of the northwest quarter of section 198, block 1-A, H&TC survey.

The projected destination of 7,100 feet is calculated to take the venture into the Ellenburger.

Johnson Declares We Can 'Lick Hell' Out Of Russia Now

WASHINGTON—(AP)—In some of the toughest language yet used in the cold war, Secretary of Defense Johnson said Thursday night the U. S. is ready to "lick hell" out of Russia on an hour's notice.

"Joe Stalin will know that if he starts something at 4 a. m.," Johnson declared, "the fighting power of the United States will be on the job at 5 a. m."

Johnson's words, delivered to a gathering of 300 fellow alumni of the University of Virginia, were perhaps the sharpest to be aimed at Russia by an American cabinet officer since U. S.-Soviet relations began to sour after World War II.

Johnson said this nation's defense setup is more powerful than it has been since 1945. He added:

"In all we are doing, we are seeking peace."

"There is only one nation in the world that would start a war. We seek to have a military establishment sufficient to deter that aggressor and to lick hell out of her if she doesn't stay deterred."

As a result of the unification law, he said, "the defense of the United States is in better shape and stronger than at any time since the point system wrecked it in 1945."

Johnson said the country's defenses are getting stronger daily and soon will reach a point where they will be ready for anything in an hour's time.

"In the field," he commented, "the sun shines on unification and the Army, Navy and Air Force are ready to go as a team."

"There was no unification at Pearl Harbor," he added, "or Pearl Harbor wouldn't have been."

"What's more, Johnson said, he is "not sure peace would last a few hours" today, if Russia considered this country unprepared for war.

Dimes March

March of Dimes contributions in Midland totaled \$4,139 through Thursday, campaign leaders announced Friday. Thursday receipts were \$324.26.

TERMINAL LIONS BACK DRIVE TO LIMIT

The Terminal Lions Club is backing the March of Dimes to the limit.

Total of \$14 in fines collected from 14 members and three guests at the club's Thursday night meeting was donated to the Polio campaign.

The club members then voted to contribute an additional \$50 to the Dimes March—a total of \$64 in all. James L. Daugherty, Midland, general of District 2-T-2, Lions International, who was a guest at the session, brought the \$64 donation to the campaign headquarters here.

LITTLE GIRLS BELIEVE IN EARLY CAMPAIGN START

The program of Dimes program may be progressing at a slow pace but two young Midland girls began their work on the project back in August, 1949.

The girls, Suzanne Hall, eight, and Barbara Jarroff, nine, decided back in the summer that they wanted to help in the fight against polio. So they began to save their toys, and in August, they opened for business.

Suzanne and Barbara set themselves up a "Tot Shop" on the front porch of Suzanne's home, 1111 North Colorado. They sold old comic books, toys, and even used golf balls to the mail man.

Thursday Suzanne and Barbara counted their savings and turned it all over to March of Dimes. The total amounted to \$2.17.

Suzanne is the daughter of Mr. and Mrs. Cliff Hall, 1111 North Colorado. Barbara is the daughter of Mr. and Mrs. R. F. Carroll, 1113 North Colorado.

Safecrackers Bind, Gag Trio, Escape With \$3,500 Cash

SAN ANGELO—(AP)—Safecrackers Thursday night bound and gagged three persons and took an estimated \$3,500 cash and an undetermined amount of government bonds and jewelry from a safe in a downtown office building.

The three blew open the safe in the office of C. C. McBurnett, San Angelo ranchman.

J. W. King, janitor, his wife, and L. Dunn, another janitor, were tied and gagged.

See the Auddograph, world's finest dictation instrument. Baker Office Equipment Co., Phone 2634, 511 West Texas.—(Adv.)

MacArthur Greeted Bradley, Vandenberg

The U. S. joint chiefs of staff are greeted in Tokyo, Japan, by Gen. Douglas MacArthur, center. Gen. Omar Bradley, left, and Gen. Hoyt Vandenberg, right, are in the Far East to make an intensified survey of the military situation.

Top-Ranking Atom Scientist Charged With Secrets Leak

LONDON—(AP)—A top-ranking British physicist who worked on atomic bombs in the United States for three years was charged in court Friday with giving away atomic secrets "directly or indirectly useful to an enemy."

The U. S. Federal Bureau of Investigation announced in Washington it had worked with the British in breaking the case. High officials in a position to know said it involved two specific atomic leaks to Russia.

The specific charge said one leak was in the United States in 1945, the other in England in 1947.

Klaus Fuchs, 38, German-born atomic physicist who has been one of the ranking experts at the British Atomic Laboratory in Harwell, was brought into Bow Street Court Friday on two counts of violating the Official Secrets Act. His trial was set for next Friday.

Champion Steer Of Stock Show Brings \$6,000 At Auction

FORT WORTH—(AP)—Cross Bar Classic, 1,085-pound Hereford grand champion steer of the 1950 Southwestern Exposition and Fat Stock Show, Friday sold for \$6,000 at the show's auction of champions.

High bidder was the Amon G. Carter Foundation, with Amon G. Carter, Jr., bidding. The price was the same as that paid last year, which equaled the show's record price set in 1948.

The steer was shown by Arthur Timm, 27, cattle feeder from Tama, Iowa. The animal was champion Hereford in January at the National Western Stock Show in Denver, Colo.

Reserve champion steer here, Royal Lad, 900-pound Angus sown, sold for \$2 a pound to Consolidated-Vultee Aircraft Corporation.

House Panel Starts Public Hearings On Proposed Tax Bills

AUSTIN—(AP)—Both the House and Senate met briefly Friday and then quit for the weekend.

But the real work on the headache of this special session—a tax bill to provide funds for state hospitals and special schools—was starting at 4 p. m. Friday.

At that time three proposed tax measures were set for public hearing before the House Revenue and Taxation Committee.

Rep. Joe Fleming of Henderson, chairman of the committee, announced to the House that the committee would hear the bill proposing a levy on divorce suits first and "probably get started on the cigarette levy measure."

One resolution introduced in the House Friday suggested that collection of delinquent state taxes might help relieve the state's financial problems. Rep. Herman Yezak of Bremond introduced the resolution calling for an 18-member legislative committee to study the situation. His resolution was sent to the Committee on State Affairs for study.

Britain, France To Join In Retaliation At 'Little Blockade'

WASHINGTON—(AP)—The United States reportedly will be joined by Britain and France in striking back at Russia's new "little blockade" of Berlin.

Soviet restrictions recently on transport between Berlin and Western Germany prompted an announcement Thursday that this country will retaliate. Officials said joint counter measures against the Soviet zone of Germany are being discussed among the three Western Allies.

Presumably, any steps they take will follow the pattern of last year's counter blockade, which eventually brought trade between Eastern Germany and Western Germany to a halt.

Midland Livestock Show Holds Final General Meeting

Major details for the Midland Livestock Show were completed here Thursday afternoon in a meeting attended by county agents, vocational agriculture teachers and others.

A. G. Bohannan, president of the show, presided. Others attending were Midland County Agent Charles Green, Ralph Jones, Martin County agent; H. M. Fitzhugh, Glascock county agent; J. A. Booth, vocational agriculture teacher of Garden City; R. L. Miller, vice president of the show; E. H. Cavin, vocational agriculture teacher of Odessa; Les Floyd, general superintendent; Burvin Hines, assistant manager of the Midland Chamber of Commerce; J. R. Cuffman, vocational agriculture teacher of Midland, and Sherwood O'Neal, Glen Drake, J. R. McCarter and Kelley Llewellen.

The meeting was held in the Commissioner's Courtroom in the courthouse.

To Limit Entries

The group decided to limit each youth's entries to two lambs, two hogs and two calves.

The show is to be held March 6 and 7 at the Midland Fairgrounds. A sale will be held on the second day.

Entries will be accepted from seven counties, including Midland, Martin, Upton, Glascock, Ector, Andrews and Crane.

Green said the Thursday session was the final general meeting and that further details will be handled by committees.

IT STARTS, RUNS

LITTLE ROCK—(AP)—A Little Rock used car firm Friday advertised a 1931 model Chevrolet for sale at \$9 cents. The only promise: It starts and runs.

Boost In Business Levies Sought To Offset Excise Cuts

WASHINGTON—(AP)—The Truman Administration Friday proposed a 10 per cent tax on television sets and a rise from 38 to 42 per cent in the top levy on business income to go with the cuts it has recommended in "sales" taxes.

Secretary of the Treasury Snyder went before the House Ways and Means Committee to outline in detail, with specific figures, the changes President Truman sketched only in broad outline in his recent tax message to Congress.

Smash Safe Crack Ring; Five Held

Midland Police Chief Jack Ellington late Thursday helped break up the biggest safe cracking ring West Texas has seen in years.

Ellington arrested three negroes here after a lengthy investigation, and statements made by the three admit 19 safe crackings and attempted safe crackings.

Chief Ellington and Ranger John Wood still were taking statements from the trio Friday noon. Up to that time they had admitted nine burglaries in Howard County, six in Midland and four in Martin County, Ellington said. They also are being questioned on several jobs in Ector County.

The negroes range in age from 16 to 29 years. Four other negroes were named by the three arrested here as members of the gang. Two of the four have been arrested in Big Spring and two others are being sought in California.

Statements given to Ellington go into detail on burglaries here. Jobs at Montgomery Ward, Midland Steam Laundry, the Dog House, Wes-Tex Equipment Company, Curtis Pontiac and Pronto Pups have (Continued on Page 10)

Baby Boy Is Born To Ingrid Bergman Of Film, Divorce Fame

ROME—(AP)—Ingrid Bergman and her blue-eyed baby boy born Thursday night "are doing nicely this morning."

That was the report Friday from Dr. Pier Luigi Guidotti, who delivered the seven-pound, 14-ounce baby born to the Swedish actress who plans to marry Italian film director Roberto Rossellini when she obtains a divorce from Dr. Peter Lindstrom of Hollywood.

Dr. Guidotti said the birth was "absolutely normal."

The baby "resembles its mother," said Dr. Giuseppe Ferdinandini, director of the Villa Margherita Clinic, where the child was born at 7 p. m. Thursday.

Miss Bergman asked for her child 20 minutes after his birth. (Continued on Page 10)

Blase Hollywood Shocked By News

"This isn't the sort of thing we prefer to let our stars make public statements about," a top studio executive said. "But I can tell you it hit Hollywood with the greatest impact I've ever witnessed. That's all anybody is talking about."

There was no comment from Dr. Peter Lindstrom, the actress' husband, and none was expected. He last had seen his wife in Italy, when he visited her in Italy.

Director Roberto Rossellini when she obtains a divorce from Dr. Peter Lindstrom of Hollywood.

Dr. Guidotti said the birth was "absolutely normal."

The baby "resembles its mother," said Dr. Giuseppe Ferdinandini, director of the Villa Margherita Clinic, where the child was born at 7 p. m. Thursday.

AFL Cold Shoulders Lewis Plea For Aid

MIAMI BEACH, FLA.—(AP)—An appeal from John L. Lewis for moral aid in the coal crisis got a cold shoulder Friday from American Federation of Labor leaders.

The AFL's Executive Council considered an indirect plea from Lewis for legal help in his court fight on the coal strike situation but decided to pass any action for the time being.

Lewis has taken his United Mine Workers Union in and out of the AFL several times.

The AFL council got indirect word from Lewis that he would like the AFL to offer legal help, as the CIO has done. The aid was requested in his court fight against an injunction asked by Robert N. Denham, general counsel of the National Labor Relations Board.

Their experiences with Lewis have left some AFL leaders indispensed to rush to his aid. Council members are reported to have looked questioningly on Lewis' insistence on continuing his "able and willing" clause in his contract with coal operators, which permits the miners to stop work at will.

Utility Crews Rush Repairs In North Texas Storm Areas

By The Associated Press
Welcome, Feb. 3, Friday, a South Central Texas while North Texas struggled to repair ice storm damage.

Hard showers overnight dumped 7 1/2 inch in the Austin area, which badly needed moisture for crops. Until Thursday, Austin's precipitation was an inch short of normal for the year.

The rain was falling from as far south as Brownsville to north of Waco. Austin's rain appeared to be the heaviest.

Warmer weather was predicted for all of Texas Saturday, with partly cloudy skies in the West and heavier clouds with some rain in the East.

Telephone and power crews had much hard work ahead of them in the North Texas area, where the ice mantle was melted Thursday.

They bucked mud, snapped wires and broken poles in an area which stretched from Abilene and Wichita Falls on the West to Paris and Greenville on the East; from Dallas and Fort Worth on the South northwest past the Red River into Oklahoma.

Million Dollar Damage
The bill for damages from the three-day storm will run more than a million dollars.

Fifty-three towns still were without telephone service. A few communities had neither power, light or water supplies, or were served in part with emergency equipment.

At least 27 families were certified for emergency assistance by Fannin County Red Cross Chairman J. D. Butler. He estimated the total might reach 50.

Heaviest losers to the ice were telephone and power companies. Southwestern Bell Telephone Company alone estimated its damages would run more than \$700,000. It reported ice had broken 812 circuits, 1,400 poles and 20,000 wires.

Working to whip Southwestern telephone service into shape were 102 crews of five and six men to the crew. More were on the way. It was estimated that between 1,100 and 1,300 men were working over the stricken area Friday.

For Ascent Without Scent

Two air freight agents spray a deodorizing chemical on one of 20 Angora goats before their flight from New York to Poona, India. The goats, from a Sonora, Texas, farm, needed the deodorizing to insure their social position with the cargo plane's crew. The agents are Vera Mamarella of Rushing, holding a light grip on the Angora, and Mary Glynn of Bayside, operating the sprayer.

Guest Coffee Is Yucca Club Entertainment

Guests enjoyed with members of the Yucca Garden Club a coffee in the home of Mrs. W. H. Rhodes Thursday morning. With recorded music for illustration, Mrs. James E. Sprinkle presented the program topic, "Spring Gardens Are Like a Melody."

Completion of work in landscaping the Boy Scout Building, one of the club's main projects of the year, was reported.

Mrs. Leonard Thomas, a member of the Midland Women's Club Building Plans Committee, discussed the tentative plans which the committee has outlined. Mrs. Selman Lones, travel agent, told of the annual Azalea Tri-tours which will open next month and of a garden tour of Europe.

Valentine Cossage
Mrs. R. E. Gillespie, club president, poured coffee at a table which Mrs. C. E. Nelson had decorated with a center arrangement of red berries and leaves. Mrs. Gillespie wore a Valentine cossage.

Guests for the coffee were Mrs. F. M. Golladay, Mrs. L. V. Basaham, Mrs. A. E. Cameron, Mrs. Glen H. Black, Mrs. Rex Galloup, Mrs. Billie Gilbert, Mrs. L. E. Patterson, Jr., and Grace Thomas.

Other members present were Mrs. Robert White, Mrs. W. G. Petteway, Mrs. E. W. Statton, Mrs. Guy Vanderpool, Mrs. Zeb Wilkins, Mrs. F. E. Sadler, Mrs. R. E. Patton, Mrs. B. R. Mathews, Mrs. Ralph Lowe, Mrs. J. A. Koegler, Mrs. Dewitt Haskin, Mrs. C. M. Dunagan, Mrs. Robert Donnell, Mrs. M. S. Dickerson and Mrs. L. Otis Baggett.

Rainbow Girls Will Install Officers

Formal installation of newly-elected officers of the Order of the Rainbow for Girls will be held at 7 p.m. Saturday in the Masonic Hall, 30 minutes earlier than the originally announced time of 7:30 p.m.

Members of the Masonic Lodge and Order of the Eastern Star who are interested in the ceremony are invited to attend.

Back From Fort Worth

Mr. and Mrs. Clarence Scharbauer, Jr. have returned from Fort Worth, where they attended the Southwest-ern Exposition and Fat Stock Show.

Coming Events

SATURDAY
Formal installation for new Rainbow Girls officers will be held at 7 p.m. in the Masonic Hall.

Moment Musical Junior Music Club will meet at 11 a.m. in the Wetser Studio.

Children's Story Hour will be at 10:30 a.m. in the Children's Room of the Midland County Library.

American Association of University Women luncheon for members only will be at 12:45 p.m. in the Crystal Ballroom of Hotel Scharbauer. The Executive Board will meet at 12:30 p.m. in the hotel.

Midland Officers Club "let's get acquainted" night for members and guests will begin at 8 p.m. in the clubhouse.

Howard Returned As Community Theater President; Board Discusses Membership

Paxton Howard was returned to the presidency of the Midland Community Theater for another year, and also was named chairman of the Board of Governors when the board organized for 1950 and elected officers at a meeting Thursday night.

Board members were elected at the annual membership dinner of the theater Monday night. Betty Gaines, W. F. Pennebaker and W. Dave Henderson are the new members. Howard, W. H. Pomeroy, Jr., and Francis Kingon were re-elected; Mrs. I. A. Searles, Mrs. Coe Mills, Mrs. John P. Butler, W. A. Waldschmidt and Norris Crouch are hold-over members who are starting the second year of a two-year term.

Crouch served as chairman of the board last year, before it was decided to combine that office with the presidency. He was named vice president in charge of business, and Pomeroy was elected vice president in charge of production for 1950. Miss Gaines was named secretary and Kingon was re-elected treasurer. Pennebaker was selected to edit

AAUW Program To Acquaint Members With Organization

"What Makes AAUW Tick" will be the program theme for the monthly luncheon meeting of the American Association of University Women at 12:45 p.m. Saturday in the Crystal Ballroom of Hotel Scharbauer. The executive board will meet at 12:30 p.m. outside the ballroom.

The program will deal strictly with the organization, purposes and activities of the AAUW and the meeting is being limited to members.

Members who have not been contacted and wish to make reservations may do so by calling Mrs. W. P. Von Osinski, telephone No. 1895-W, before 9:30 a.m. Saturday.

Building Fund Aid Is Topic Of Called Tejas Club Meeting

A project to raise funds for a contribution to the Midland Women's Club Building was discussed by members of the Tejas Garden Club at a called meeting in the home of Mrs. John L. Smith, president, Thursday morning.

Assistance at a coffee next Thursday, when all garden clubs of the city will compliment Mrs. Albert Morrow of Morton, president of District One, Texas Garden Clubs, Inc., also was planned.

Present were Mrs. L. F. Peterson, Mrs. W. M. Ford, Mrs. J. F. Kelly, Mrs. J. D. Dillard, Mrs. Lee Conroe, Mrs. John B. Mills, Mrs. W. C. Murphy, Mrs. Frank Johnson, Mrs. Floyd Boles, Mrs. Sam Preston and Mrs. R. L. Spencer.

Finance Committee For Woman's Club Building Organized

Mrs. Lamar Lunt was elected chairman with Mrs. C. S. Britt as co-chairman of a Woman's Club Building Finance Committee which met in Mrs. Britt's home Thursday for organization. Representatives from the various clubs interested in the proposed building make up the committee.

It was formed at the request of the Woman's Club Building Planning Committee, which has been functioning for several months to shape plans for the construction program.

Mrs. Britt served as temporary chairman. Mrs. Lloyd Zellner was named temporary secretary for the group, which will meet again at 9:30 a.m. February 10 in KORS studio.

Tentative plans for financing the club building were discussed, and the committee decided on an amount to be asked of each cooperating club, to be paid within three years. This proposal will be submitted to all the clubs for discussion and action of their members.

Planning Committee members who were present at the meeting were Mrs. C. M. Gentry, Mrs. W. G. Epley, Mrs. Leonard Thomas and Mrs. Earl Johnson.

Other members of the finance committee present were Mrs. J. P. McKinley, Mrs. M. M. Oliver, Mrs. J. O. Simmons, Jr., Mrs. C. W. Chancellor, Mrs. Otis Baggett, Mrs. Harlan Howell, Mrs. Earl Statton, Mrs. John Stille, Mrs. J. D. Dillard, Mrs. Coe Mills, Mrs. Harvey Sloan, Mrs. I. J. Howard, Mrs. H. E. Bahr and Cordelia Taylor.

Program Group For Eighth District Club Convention To Meet

Program plans for the Spring convention of the Eighth District, Texas Federation of Women's Clubs, will get under way at a meeting tentatively set for 10 a.m. February 15 in the home of Mrs. James O. Simmons, Jr., of Midland, district program chairman.

Mrs. Joseph Best of Wink, district president, has the meeting be held to select speakers and outline the program for the convention to be held in Big Spring April 20-22. The theme will be "Building Better Communities."

Mrs. H. M. Jarrett of Big Spring, local program chairman; Mrs. Brooks of Big Spring, general convention chairman; Mrs. A. L. Gehr of Wink, district secretary, and Mrs. J. P. Holle of Wink, district publicity chairman, have been invited to the meeting.

BROWNIE TROOP 21 MEETS
Plans for a nature walk next week were made and the Girl Scout laws studied when Brownie Troop 21 met Wednesday afternoon in 21 Elementary School.

JayCee-ettes Report Work On Drive For Poll Tax Payments

Work on a campaign urging poll tax payments, which resulted in payment of 300 poll taxes Saturday, was reported at a meeting of the Midland JayCee-ettes in the home of Mrs. Ray Howarth Thursday. The group cooperated with the Junior Chamber of Commerce in the campaign, and members worked in downtown Midland Saturday.

The members voted that each JayCee-ettes must give four hours each month to work on club projects.

Mrs. A. V. Johnson, Mrs. Jack Huff, Mrs. Howard and Mrs. W. M. Johnson were appointed a committee to plan the February social meeting of the club. Mrs. Bob Bright, Mrs. G. L. Brady and Mrs. Burvin Hines were welcomed as new members.

Mrs. Hurley Is Speaker For Garden Club

Mrs. Butler Hurley discussed the culture of iris in one of the Midland Garden Club's programs on growing various flowers, Thursday morning in the home of Mrs. Arch Clevering.

The club's part in entertaining the annual convention of First District Garden Clubs here April 14 and 15 was reported on by Mrs. W. H. Pomeroy, Jr.

Mrs. Hurley reported on this week's Garden Club Council meeting. Convention chairmen were appointed at that meeting and plans were made for the pre-convention visit of Mrs. Albert Morrow of Morton, district president, next week.

Mrs. I. E. Daniel announced that a coffee honoring Mrs. Morrow will be given for all garden club members of the city in the home of Mrs. Ralph Lowe Thursday morning.

Advice On Planting
In her talk, Mrs. Hurley said modern iris varieties are much improved over the original, and it is possible to choose them to bloom through the entire growing season. They require sun, fertile soil, plenty of air, good drainage and regular transplanting for best bloom.

She advised planting them in drifts of one color rather than in clumps which give a spotty effect, and said they are especially effective planted with a background of dark foliage and small flowers such as pink in front of them.

Mrs. Thomas V. Stephenson of Estes Park, Colo., was the guest of her daughter, Mrs. Charles F. Henderson. Other members present were Mrs. H. E. Bahr, Mrs. Leslie Brown, Mrs. Jack Kecey, Mrs. O. H. Jones, Mrs. J. E. Hill, Mrs. Clem E. George, Mrs. E. A. Culbertson, Mrs. R. B. Cowden, Mrs. Sol Bunnell, Mrs. L. I. Baker, Mrs. L. Waldo Leggett, Mrs. J. A. Mascho, Mrs. W. B. Yarbrough, Mrs. Robert Stripling, Mrs. Hal Rachal, Mrs. George M. Stewart, Mrs. C. E. Bissell, Mrs. George Abell, Mrs. Yadan, Mrs. Addison Wadley, Mrs. Lloyd C. Mills, Mrs. William B. Neely, Jr., Mrs. Foy Proctor, Mrs. Frank Stubbeman, Mrs. R. E. Throckmorton and Mrs. F. N. Nicholson.

Favorite RECIPES of WEST TEXANS

CHERRY PIE
By Mrs. H. J. Romine Rankin, Texas

Combine 2 cups pitted red cherries, unsweetened, 1 1/2 cup cherry juice, 1 cup sugar and 2 1/2 tablespoons butter. Let stand about 15 minutes or until pastry is made. Fill pie shell with cherry mixture and bake in a hot oven (450 degrees) 15 minutes. Decrease heat to 350 degrees and bake 30 minutes.

Pie Crust
Sift 2 cups flour and measure, add 1 teaspoon salt and sift again. Cut in 8 to 10 tablespoons shortening until mixture acquires texture of corn meal. Add 1 1/2 cup ice water a little at a time, mixing with knife until dough will stick together (use as little water as possible). Makes enough pastry for 2 nine-inch pie crusts.

I have found that this recipe makes an exceptionally good cherry pie.

Program Group For Eighth District Club Convention To Meet

Program plans for the Spring convention of the Eighth District, Texas Federation of Women's Clubs, will get under way at a meeting tentatively set for 10 a.m. February 15 in the home of Mrs. James O. Simmons, Jr., of Midland, district program chairman.

Mrs. Joseph Best of Wink, district president, has the meeting be held to select speakers and outline the program for the convention to be held in Big Spring April 20-22. The theme will be "Building Better Communities."

Mrs. H. M. Jarrett of Big Spring, local program chairman; Mrs. Brooks of Big Spring, general convention chairman; Mrs. A. L. Gehr of Wink, district secretary, and Mrs. J. P. Holle of Wink, district publicity chairman, have been invited to the meeting.

Stenoscrypt

A new shorthand system, as much an improvement over the older systems as the jet-propelled engine over the older ones.

LENGTH: Theory (presented completely in 20 lessons.)
SPEED: Many reach 80 words in less than a month after finishing 20 lessons—others reach higher speeds.
CERTIFICATES: Issued after speeds of 80, 100, 120, and up are attained.

RESULT: Employers are enthusiastic. They wonder at the amazing confidence with which Stenoscrypt students transcribe their notes. There is no guesswork in reading Stenoscrypt notes. When it is written, it can be read. No memorization of brief forms; every word is written completely with an average of 2 strokes.

COME IN FOR A FREE LESSON. Let us show you STENOSCRIPT. No obligations.

Gay Backgrounds Ready For 'Fashion Is Magic' Benefit

Snake charmers and thin men will be the backgrounds as a barker hawk his wares and a magician pulls hats out of rabbits at the "Fashion Is Magic" show March 2 and 3.

The stage production will be sponsored by the Women's Auxiliary of the Midland Memorial Hospital in the new Midland High School Auditorium. Mrs. Milton J. Loring is coordinator for the show and Midland merchants are cooperating in bringing pre-Easter fashions for review. The show will be the main financial project of the Auxiliary for the year and the proceeds will be used in its work for the hospital.

Panel and curtain drops which are reminiscent of a side show have been completed during the week by the stage committee. Mrs. R. M. Barron is committee chairman and those who have done the panels are Mrs. John Stille, Mrs. W. A. Lumpkin, Mrs. R. S. Bogardus and Mildred Cobb.

Fanciful Animals
All the panels have a light green background and bright colored animal figures. On one, a large gray elephant wearing a scalloped pink skirt sits powdering her nose and looking into a tiny hand mirror. On another a kangaroo stands juggling balls and another scene shows three seals balancing horns instead of the proverbial balls.

Bugs Bunny and his wife, the fat lady and the thin man and a large ostrich contrasted with a small, very yellow chicken are on other of the panels. A mermaid on another has a gold tail while a large kangaroo is standing next to a little "black boy" in another scene.

The ever-present charmer is dancing with her snakes and the Spanish girl looks as if she might be hearing the music of guitars. Not to leave out the fashion angle, one panel shows a group of hats.

These scenes will be used to carry over the theme of the show and will set the mood for the entertainment as well as the style revue.

Mrs. Hurley Is Speaker For Garden Club

Mrs. Butler Hurley discussed the culture of iris in one of the Midland Garden Club's programs on growing various flowers, Thursday morning in the home of Mrs. Arch Clevering.

The club's part in entertaining the annual convention of First District Garden Clubs here April 14 and 15 was reported on by Mrs. W. H. Pomeroy, Jr.

Mrs. Hurley reported on this week's Garden Club Council meeting. Convention chairmen were appointed at that meeting and plans were made for the pre-convention visit of Mrs. Albert Morrow of Morton, district president, next week.

Mrs. I. E. Daniel announced that a coffee honoring Mrs. Morrow will be given for all garden club members of the city in the home of Mrs. Ralph Lowe Thursday morning.

Advice On Planting
In her talk, Mrs. Hurley said modern iris varieties are much improved over the original, and it is possible to choose them to bloom through the entire growing season. They require sun, fertile soil, plenty of air, good drainage and regular transplanting for best bloom.

She advised planting them in drifts of one color rather than in clumps which give a spotty effect, and said they are especially effective planted with a background of dark foliage and small flowers such as pink in front of them.

Mrs. Thomas V. Stephenson of Estes Park, Colo., was the guest of her daughter, Mrs. Charles F. Henderson. Other members present were Mrs. H. E. Bahr, Mrs. Leslie Brown, Mrs. Jack Kecey, Mrs. O. H. Jones, Mrs. J. E. Hill, Mrs. Clem E. George, Mrs. E. A. Culbertson, Mrs. R. B. Cowden, Mrs. Sol Bunnell, Mrs. L. I. Baker, Mrs. L. Waldo Leggett, Mrs. J. A. Mascho, Mrs. W. B. Yarbrough, Mrs. Robert Stripling, Mrs. Hal Rachal, Mrs. George M. Stewart, Mrs. C. E. Bissell, Mrs. George Abell, Mrs. Yadan, Mrs. Addison Wadley, Mrs. Lloyd C. Mills, Mrs. William B. Neely, Jr., Mrs. Foy Proctor, Mrs. Frank Stubbeman, Mrs. R. E. Throckmorton and Mrs. F. N. Nicholson.

Nu Phi Mu Members Complete Plans For Valentine Dance

Final plans for the Valentine Dance February 11 were made by Nu Phi Mu members, who met Thursday night with Helen Stephens. The social committee, with Eva Haskins, Rita Livingston and Rosemary Van Hooser as members, completed their plans at a recent meeting.

Bids for the dance were given to members so that the invitation list can be completed.

Other guests included Mr. and Mrs. W. B. Yarbrough, Mrs. Robert Stripling, Mrs. Hal Rachal, Mrs. George M. Stewart, Mrs. C. E. Bissell, Mrs. George Abell, Mrs. Yadan, Mrs. Addison Wadley, Mrs. Lloyd C. Mills, Mrs. William B. Neely, Jr., Mrs. Foy Proctor, Mrs. Frank Stubbeman, Mrs. R. E. Throckmorton and Mrs. F. N. Nicholson.

Other members attending were Novella Bary, Tommie Cole, Lafara Harbison, Mrs. Bryan L. Denon, Louise Harless, Betty Hays, June Higdon, Rita Livingston, Dortha Reising, Norma Sinclair, Helen White, Joy Mashburn, Billie Proctor, Mrs. Pat Johnson, Marianne Tidmore, Harriet Pessenden, Lady Kidwell and Robbie Hightower.

Tarche Fenoglio Is Named Secretaries Association Head

Tarche Fenoglio was elected president of the National Secretaries Association Thursday night. She will succeed Mrs. Laura Self. Evelyn Alken was chosen vice president. The group met in the home of Mary Doyle.

After the election, plans for future meetings and activities of the organization were discussed. It was announced that the next meeting will be held with Miss Fenoglio at 2709 West Washington Street, and will be a card party.

Others attending were Evelyn Dunlap, Myra McReynolds, Ann Bates and Frances Luchini.

Midland Friends Go To Recent Wedding

MCCAMEY - Guests from other cities who attended the wedding of Lyle Harris and Randall Wayne Russell here Saturday evening included a number of friends from Midland, where the bride had been employed by an oil company. The Rev. R. J. Snell, rector of the Trinity Episcopal Church of Midland, read the wedding ceremony.

Mrs. Harold Lee Gigsby, D. C. Cummins, Betty Lee Hayes, Ellen Ewart, Mr. and Mrs. Wilbur Brazzil and Mrs. H. C. Patten of Fort Stockton, Mrs. Mary E. Key of San Angelo, Mr. and Mrs. Fred Mueschke and Mr. and Mrs. Horace Cunningham, JoAnn Cunningham, Mr. and Mrs. J. L. Brown, Barbara Brannon, Gene McKenzie and Mrs. Ralph Guyer were guests from Midland.

Other guests included Mr. and Mrs. H. E. Echols and Mary Pierce of Rankin, Mr. and Mrs. Earl Russell and J. H. Green of Duncan, Okla., Mr. and Mrs. Ed Schnaubert and Mrs. H. C. Patten of Fort Stockton, Mrs. Mary E. Key of San Angelo, Mr. and Mrs. Fred Mueschke and Mr. and Mrs. Horace Cunningham, JoAnn Cunningham, Mr. and Mrs. J. L. Brown, Barbara Brannon, Gene McKenzie and Mrs. Ralph Guyer were guests from Midland.

Ryan-Willis Wedding Party To Be Guests

A rehearsal dinner Friday night will precede the Saturday marriage of Vergy Ann Ryan and James Thomas Willis, II. Mr. and Mrs. Bertram Lacy Ryan will be hosts in the Private Dining Room of Hotel Scharbauer.

Yellow jonquils and greenery will be used as the table centerpiece.

The couple will be married Saturday evening in the Trinity Episcopal Church.

Dinner guests will include the wedding party and several out-of-city friends. They are Mrs. C. G. Dunwoody of Houston, who will be the bride's only attendant, and Mr. Dunwoody; Cmdr. Enos Willis of Philadelphia, who will be his brother's best man; C. W. Post, Jr., C. R. Vandervoort, W. H. Pomeroy, Jr., and R. K. White, who will be ushers; Mrs. Pomeroy and Mrs. White.

Mrs. Henry Willis of Anadarko, Okla., mother of the prospective bridegroom, will attend as will his sisters, Mrs. O. Lee Bettes of Oklahoma City, Okla., and Mrs. Georgia Ellis, Jr., of Ventura, Calif., and his brother, Dan M. Willis, and Mrs. Willis of Santa Ana, Calif.

Other out-of-city guests will be Mr. and Mrs. C. W. Alcorn, Mr. and Mrs. D. T. Richardson, Jr., of Houston and Mr. and Mrs. Paul Henshaw of San Antonio.

Advertise or be forgotten.

Study Completed In Methodist Program

CRANE-The last two chapters of the book, "Missions at the Grass Roots" were studied in the Methodist Women's Society Tuesday afternoon. Mrs. Elijah Thompson was leader and the program opened with prayer by Mrs. Cecil West.

Plans were completed for service supper to men of the church next Wednesday. Others present were Mrs. Cecil Sneed, Mrs. H. G. B. Mrs. Fred Fields, Mrs. B. B. Nett, Mrs. Lula Chaney, Mrs. R. Tomlinson, Mrs. C. A. Caskey, Mrs. R. O. Warren, Mrs. C. A. Shaff, Mrs. Guy Bosworth and Mrs. J. Davis.

Key Military Leader

The debate which finally led to Adm. Forrest P. Sherman's confirmation as chief of naval operations exploded an issue that ought to be settled once and for all.

Senator McCarthy, Wisconsin Republican, blocked the confirmation for two weeks on the ground no legal vacancy existed. He said President Truman already had re-commissioned Adm. Louis E. Denfeld for the post at the time he decided to switch to Sherman.

On the Senate floor McCarthy waved a photostatic copy of Denfeld's commission in proof of his point. Secretary of the Navy Matthews admitted the commission had been signed by the President but said it was delivered to Denfeld through "irregular" channels.

Actually, how Denfeld received it doesn't matter, any more than does the fact that he got it.

McCarthy is saying in effect that a commitment to Denfeld made it illegal and improper—if not impossible—to give the job to another officer. But does that make sense?

The chief of naval operations is the country's top naval man. As such he belongs to a team along with the heads of the other armed services. Obviously that team must be able to find agreement on the fundamentals of the nation's military policy.

Furthermore, they must be able to coordinate their thinking with the President's, for he is in a very real way their commander in chief. The Constitution empowers him to make the key decisions in the military field. He can take or reject the advice of his military and naval leaders.

Where is the logic in insisting the President keep on his top defense staff a man who differs with him—and the other members of the team—on vital questions of organization?

It's not a matter of tossing out any man who has the courage to disagree, who refuses to "yes" the President. The point is to have basic agreement on issues that require it before further sound planning steps can be taken.

No general or admiral would brook major dissent from an officer of lower rank. Certainly the commander in chief is entitled to surround himself with men who support him. Willingness to give that support is one of the qualifications an officer must have.

Free speech of the sort the ordinary citizen enjoys is a luxury a top-rank officer cannot have. He doesn't have to take a high post; but once he does he isn't free to disagree fundamentally with his superiors or his colleagues. It's silly to say he should have that freedom. It doesn't go with the job.

Experience teaches that when a diplomat says a situation is hopeful he means that the dickering so far has been a flop.

When a man tries to get out of jury duty you almost can bet that there is no depression.

It's strange how a lie can travel so fast when it hasn't a leg to stand on.

DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

Copyright, 1950, By The Bell Syndicate, Inc. Drew Pearson says: Justice Tom Clark wins respect on Supreme Court; Democrat calls Abe Lincoln a "Fair Dealer"; Russia plans strategy to cope with atomic attack.

WASHINGTON — A friendly Texan who speaks in a soft drawl and wears neat bow ties is the big surprise of the Supreme Court.

Six months ago when Attorney General Tom Clark's name was sent to the Senate, his critics looked down their noses and sneered, "a politician's burqa."

But today, fellow justices ungrudgingly describe Clark as "a conscientious lawyer and a great worker."

When GOP Leader Joe Martin moved that the House of Representatives dispense with legislative business February 13 so Republicans could attend various Lincoln Day dinners, Democrat Walter Huber of Ohio rose as if to object. Instead, Huber said:

"Inasmuch as if Abraham Lincoln were alive today he would be a fair dealer, I shall offer no objection to the request the gentleman intends to make."

"Thank you," replied Martin, "but I have some doubts about the gentleman's assumption with regard to Abraham Lincoln."

Russia Fears Atom. The atom bomb has forced a radical and secret shift in Russian military tactics, according to latest intelligence reports.

In World War II, Soviet tactics were based on huge masses of men supported by tanks and artillery, but given only meagre air support.

Today, however, Russia has built a powerful air force of heavy, long-range bombers for offense, plus swift jet fighters for defense. This is to ward off an atomic attack from the air.

So they say

The shares of the UN are lower today than they have ever been before. But I am sure we will be restored.

UN Secretary-General Trygve Lie, on Russian boycott of UN.

We are asking Congress to retain Selective Service primarily because it is a vital element in mobilization.

Army Secretary Gordon Gray.

If Western Europe falls we will have to increase our expenditures to \$15,000,000,000 to \$25,000,000,000 annually.

ECA Administrator Paul Hoffman.

The seed of capital must be planted in education as well as in industry if our expanding physical plant is to have the necessary human leadership.

Dr. Norman Auburn, vice president, University of Cincinnati.

John L. Lewis is playing with the President and the American people just as a cat plays with a mouse. He turns off the coal spigot and lightly increases the price the next day. Then the next day he stops it again.

Sen. Harry P. Byrd (D) Virginia.

Abundant Living

By E. STANLEY JONES

Mark 1:35-36; Acts 10:9, Eph. 6:18; 1 Thess. 5:17

THE SEVENTH STEP

You come now to the last of the seven steps: (7) Turn to God each morning—set up the Quiet Hour. Perhaps you are appalled at the ramifications of your new life. How will you get the time to transform all the relationships? You must get resources, and you can get them from the Quiet Hour. Many feel that they can live in a state of prayer, without stated times for prayer. This is a mistake.

Jesus felt the need of three simple habits: (1) He stood up to read, "as his custom was." (2) He went out into the mountain to pray, "as his custom was." (3) He sought them again, "as his custom was."

Someone asked me how I maintained my spiritual life—what was the secret. It replies that it was by doing two things: first, by keeping up my prayer hours. I established the habit in college. Certain hours do not belong to the day—they're apart. They belong to the getting of resources for the day. If I let down those hours, the day lets down with them. I'm better off worse as I pray more or less. Someone described a certain place as "a home in the country where those who have lost spiritual tone and margin through the wear and tear of work may come for rest and reinvigoration." The prayer hour is that "home," where those who have lost spiritual tone and margin can regain them. I repeat, My days sag if the prayer hour sags. The second secret is, I am always up against a task I cannot do—deliberately so. I repulse me back on the resources of God. Life then becomes what a youth resolved his would be as he looked up at and listened to Rufus Jones: "I am just going to make my life a miracle." He did.

O God, I need Thy silences just as I need physical food. I dedicate myself to them. May I resolve to cut my physical food each time I cut my spiritual intake. Thus soul and body will go up and down together. For I am resolved to see this through and to pay the price to do it. Amen.

McKenney on Bridge

By WILLIAM E. MCKENNEY America's Card Authority Written for NEA Service

When you hold a six-card suit in your hand do not be surprised to find one or two of the other hands also holding a six or seven-card suit. One of the declarers in the national men's team-of-four last year failed to remember this and, as a result, lost his contract.

When South opened the six of clubs there should have been no question in declarer's mind but that it was the fourth best of South's longest and strongest suit.

Applying the rule of eleven North held one club higher than the six spot.

It must be the king or queen, because if South held the king and queen of clubs he would have

Bridge hand diagram showing cards in South and North hands.

opened with the king. Also, if declarer held a six-card spade suit, South could easily hold a six-card club suit.

When declarer made the mistake of playing low from dummy North won the trick with his singleton king. He returned a heart which dummy won with the ace.

A spade immediately was led from dummy which South won with the ace. He returned the nine of clubs and North ruffed with the eight of spades. A heart was returned by North which South ruffed with the ten of spades and the contract was set.

Had declarer jumped in with the ace of clubs on the opening lead and then led a spade, South would have won the trick with the ace. He now could give North a club ruff, but that was all the trick he could get.

Declarer now could discard the two losing clubs on the two long hearts.

Declarer must be careful not to make the mistake of leading the ten of hearts; he should lead a low heart to the dummy.

Oil Men Gather For Protest On Imports

QUITMAN, TEXAS.—(AP)—Oil men from many parts of Texas gathered here today for a protest meeting against foreign oil imports.

Speakers listed for the meeting included Railroad Commissioner Olin Cuberson and William Murray, Guy Warren of Corpus Christi, president of the Texas Independent Producers and Royalty Owners Association, and I. E. Thompson, executive secretary of the TIPROA.

This organization is sponsoring the meeting.

WASHINGTON COLUMN

Watch North Dakota Politics; N. P. L. May Turn Democratic

By PETER EDSON NEA Washington Correspondent

WASHINGTON — Moves to switch North Dakota's Non-Partisan League from Republican to Democratic Party affiliation are being discussed in Washington. A proposition for this deal has been made to both President Truman and North Dakota Senator William Langer by Glenn J. Talbot, president of the North Dakota Farmers' Union and Jim Patton, president of the National Farmers' Union.

Talbot is expected in Washington soon to discuss possibilities with Democratic National Committee Chairman William M. Boyle.

National political implications of this new alliance would be important. One possibility would be a switch by Senator Langer from Republican to Democratic affiliation.

Senator Langer, in fact, holds the key to the whole situation, but he has not shown his hand. He has been head man of the North Dakota Non-Partisan League movement the last 10 years or more. He may meet soon with the NPL executive committee, then announce his decision.

North Dakota Non-Partisan League township meetings are held February 18. The county meetings are held a week later and the state convention in March. The final decision would be made then.

It has been common political gossip that Senator Langer tried to switch the Non-Partisan League to Democrats in 1946. The effort fell through. Today, Langer's own position in the Senate might have considerable bearing on the situation.

He is now on the Judiciary, Post Office and Civil Service Committee. If he could arrange to retain his seniority and wangle assurance of a seat on the Agriculture Committee from the Democrats, it might have important bearing on North Dakota politics.

Senator Langer does not have to stand for reelection in 1950, but North Dakota's Senator Milton R. Young does. Young has been regarded as a cinch for reelection. But without Non-Partisan League support, his going would be tough.

Several rivals for Young's seat are being put forward for the state primary June 27. Prominently mentioned have been Matthew Dahl, state agricultural commissioner, Earl Shumaker, delegate to the NPL candidate for governor in the last election; and Obed Wyum, president of the state Association of Rural Electric Cooperatives.

In the 1946 elections, the North Dakota popular vote was divided 95,000 for Truman, 115,000 for Dewey. This does not give an accurate picture of the state's political division, however. It always has been predominantly Republican by big majorities, even though the Republicans have been divided into conservative and liberal wings.

The conservatives are in the Republican Organizing Committee, sometimes known as the Republican Old Guard, or just ROC. It has all the political money. The liberals are in the Non-Partisan League.

NPL goes back to pre-World War I days, when it was a potent influence all through the Northwest. North Dakota is now its last stand, though the Minnesota Farmer-Labor movement—the one in the Democratic camp—had its roots in NPL. In its hey-day, NPL proposed to socialize all banks and industries, and in North Dakota the state still mills Dakota Malt flour and provides health insurance for farmers.

The new political force and a possible balance of power in the state today comes through the National Farmers' Union. About 80 per cent of the NPL membership of 50,000 is said to be in the NFU.

In the 1946 elections the conservative ROC elected Gov. Fred G. Aandahl and the state insurance commissioner. The NPL crowd elected the attorney general and state utility

commissioner. But the big fight between the two groups in the state legislature was over an ROC program to tax and otherwise restrict the farmers' union actively into state politics. It ran into heavy expense in the campaign and it had been counted out for 1950. But the plot to swing the NPL into the Democratic stronghold plus a different light on the matter. If the Democrats in the state would stay hatched and if the voting strength of the Non-Partisan League could be thrown to their support, the Democrats would have a fair chance of carrying the state for the first time.

Opposition to this switch can be expected from present Non-Partisan League officeholders and members of the state legislature affiliated with the conservative ROC. They would face tougher fights if the state had a strong Democratic Party.

Questions and Answers

Q—What college is given credit for being first to identify football players by numbers in the NFL? A—The Washington and Jefferson team of Pittsburgh is given credit for being first to place numbers on players. That was in 1908. The plan was dropped for a time by W and J, but the University of Chicago numbered its players in a game against Wisconsin five years later and other colleges took it up after that.

Q—How many ordinary years are there in a light-year? A—None. The year is a measure of time, and the light-year one of length, like the mile. It represents the distance over which light can travel in a year's time.

Q—What major league record is held by Wes Ferrell? A—Wes Ferrell hit nine home runs in 1907. He also set a major league record for circuit clubs by pitchers.

Q—Why would a person weighing 200 pounds on this planet weigh only 80 on the village of Barrow in Alaska? A—Weight is a measure of the force of gravity. Since Barrow is a far smaller planet than ours, it exerts less gravitational pull on objects on its surface, which accordingly do not weigh as much as they would on earth.

Q—What is the northernmost settlement of the United States? A—The village of Barrow on Alaska's Point Barrow is the northernmost settlement of the United States.

Q—What is the northernmost settlement of the United States? A—The village of Barrow on Alaska's Point Barrow is the northernmost settlement of the United States.

End of a Chapter

By Edwin Rutt Copyright 1950 by NEA SERVICE, INC.

about it out of loyalty to Brent. She was feminine enough simultaneously to admire his wit, and yet be keenly disappointed.

"She said 'We'd better forget it.' But she couldn't help adding: 'Naturally, though, I've got a— curiosity.'"

"Ah," Chuck pulled himself to his feet, "the stuff that kills cats. Well, I'll be going. See you around, Alice."

A FEW days later Alice ran into Molly Tremayne in Tolliver.

"Why, hello! Molly's arms were crammed with packages. 'I've been meaning to call you for more golf. How's everything at the Point?'"

"Very well," said Molly, "let's have a sandwich. I've been rushing around all morning and I'm starved."

Alice agreed and presently, after they had ordered in a tea room, Molly said: "I suppose Muriel's still up to her neck in that book?"

THE STORY: Alice Pine, Brent's secretary, is the central figure in the story.

about it out of loyalty to Brent. She was feminine enough simultaneously to admire his wit, and yet be keenly disappointed.

"She said 'We'd better forget it.' But she couldn't help adding: 'Naturally, though, I've got a— curiosity.'"

"Ah," Chuck pulled himself to his feet, "the stuff that kills cats. Well, I'll be going. See you around, Alice."

A FEW days later Alice ran into Molly Tremayne in Tolliver.

"Why, hello! Molly's arms were crammed with packages. 'I've been meaning to call you for more golf. How's everything at the Point?'"

"Very well," said Molly, "let's have a sandwich. I've been rushing around all morning and I'm starved."

Alice agreed and presently, after they had ordered in a tea room, Molly said: "I suppose Muriel's still up to her neck in that book?"

7:00 p.m.: Training Union.
8:00 p.m.: Evening worship.

WEDNESDAY
8:00 p.m.: Prayer meeting.

THE LION'S SHARE

The fellow who can roar the loudest and bite the hardest usually gets what he wants.

That's the way it is in the animal kingdom, and sometimes the system creeps into man's world too!

Most of us have too much religious awareness to believe that such a system is the best one. We would rather live in a world in which kindness and peace and unselfishness were the rule.

Our Churches can help us build such a world. They can turn our religious awareness into spiritual growth.

On Sunday morning, the man in the armchair knows just as well as the man in the pew what is wrong with the world. But the man in the pew will be busy doing something about it!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Book	Chapter	Verses
Sunday	Matthew	6 19-25
Monday	Isaiah	11 6-9
Tuesday	Matthew	7 1-5
Wednesday	Psalm	103 1-13
Thursday	I Corinthians	13 1-13
Friday	Romans	12 14-19
Saturday	Romans	12 1-8

Fabulous Contract For Schoolboy

(NEA Telephoto) Paul (Left) Pettit, left, kisses a bat for the benefit of his family after signing a contract with the Pittsburgh Pirates for a reported \$100,000. Mr. and Mrs. George Pettit, center, Paul's parents, and his sister, Valeria, right, smile their approval at the family home in Harbor City, Calif. The 18-year-old youth has just graduated from high school.

Marlene, Alice Win

HOLLYWOOD, FLA. — (AP)—Defending Champions Polly Riley of Fort Worth and Bee McWane of Birmingham, Ala., faced a stern test Friday in the second round of the Women's International Four Ball golf tournament at Orange Brook Golf Club.

The 1949 winners met Mrs. Maurice Glick of Baltimore and Eileen Stubb of Augusta, Ga., in the second round.

The titleholders defeated Carol Dinger, Tiffin, Ohio, and Mary Agnes Wall, Menominee, Mich., 2 and 1.

The Bauer sisters, Marlene and Alice, from Midland, Texas, eliminated Judy Baker of Lima, Ohio, and Betty Randolph of Columbus, Ohio, 5 and 4, and met Mary Lena Faulk of Thomasville, Ga., and Mrs. Orady McDonald of Atlanta, Ga., who won over Buttons Cosgrove of Southern Pines, N. C., and Pat O'Sullivan of Orange, Conn., 3 and 2.

Coming Soon

Coming here soon—February 9—is this clever game comedian, Bobby Roth, who performs with the famous House of David quintet. The Davids will meet Ted Thompson's Tigers, of the Midland City League, in the Midland High School Gym Thursday night.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, FEB. 3, 1950—7

Bulldogs In 3-AA Fracas At Lamesa

The Midland Bulldogs, crippled by the loss of Walter Spiller due to illness, vie with the Lamesa Tornadoes in a District 3-AA cage game in Lamesa Friday night.

Coch Jack Mashburn and the Bulldogs make no bones about being out to win. They're ready and will be shooting the works to avenge an earlier defeat at the hands of the Tornadoes.

The loss of Spiller will hurt Midland's offense a great deal but the Bulldogs are ready to overcome the handicap.

Norman Drake, Harrie Smith, Ralph Brooks, Buddy Johnson and Reed Gilmore are the probable starters.

Johnson moved up from the 'B' Bulldogs last week and has given great performances since making the jump. He played in the Odessa Invitation Tournament with the Bulldogs last weekend.

Brooks, a passer on the football team, is developing into one of the best prospects on the squad.

Drake is the high point man both in conference play and for the season. He runs wild when he hits his stride.

Smith and Gilmore both are lettermen from last season's cage team. They anchor the offense and defense.

Jack Mobley, David Weaver, Corky Moss, Ollie Phillips, Billy Phillips and Bill Branch also will be on the traveling squad for the Lamesa encounter.

Stanton Cage Meet Opens With Bufts Taking 65-30 Win

STANTON—The rampaging Stanton Buftals opened their own tournament with a 65 to 30 victory over Forsan here Thursday night. It made 21 victories in a row for the Bufts.

The invitation event will continue Friday night and Saturday with the finals slated Saturday night.

In other first round games, Coahoma's girls whipped the Courtney girls 34 to 33. Knott won 24 to 23 over the Stanton girls and Flower Grove's boys edged the Courtney Eagles 26 to 25.

The tournament shapes up to be one of the best in this area. Close first round games forecast a nip and tuck battle for all teams.

'C' Bulldogs In Odessa Tourney

The Midland 'C' Bulldogs are scheduled to meet an Andrews team at 8:30 p.m. Friday in the opening round of the Odessa Junior High Invitation Basketball Tournament.

Coach Red Rutledge said the Bulldogs will play again Saturday, win or lose in the first round.

Texas Welcomes Wally, Windsor

SAN ANTONIO —(AP)—The duke and duchess of Windsor were to leave Texas Friday for Mexico and a visit to the fabulous ranch of a Texas tycoon.

They received a royal welcome at Houston Thursday night.

A crowd estimated at 2,500 showed up at the railroad station there for a glimpse of the former king of England and his American wife.

Portions of the crowd—mostly women—broke through police lines and begged for autographs.

The Windsors were guests at a small dinner party at Oil Man Glenn McCarthy's Shamrock Hotel and then boarded a train for San Antonio.

In Mexico they will be guests of Clint Murchison of Dallas at his ranch, 65 miles northwest of Tampico.

Employment Office Will Open At 7 A.M.

J. D. Bechtel, manager of the Texas Employment Commission office, said Friday an opening hour of 7 a.m. will be observed henceforth.

The early opening is for the benefit of employers who are unable to anticipate their daily needs for laborers.

SPORTS SLANTS

by SHORTHY SHELburnE

Midland is fortunate to have two of the best basketball cards of the year coming here, matching teams far above the average.

The first will be staged in the Junior High School Gym Friday night (tonight) in the form of a MARCH OF DIMES BENEFIT.

This cage show, featuring the crack Rotary Engineers of Midland vs. Bill Hale Motors of Odessa, definitely deserves the support of everyone in Midland.

Midland's VFW will play People's Humble of Andrews in the other half of the benefit double-header. Both are capable teams. All proceeds go to the March of Dimes. Starting time, 7:30 p.m.

The second great cage show coming here is the House of David vs. Ted Thompson's Tigers in the new High School Gym next Thursday night.

The bearded Davids make an annual appearance in Midland and this is it.

Copper Daugherty, a member of Ted Thompson's team, was instrumental in getting the game matched. It will be sponsored by the schools, however.

If for no other reason, the gym should be filled because long Moose Ludka, seven-foot, three-inch center of the Davids will be on hand to perform.

Most of the club executives were willing to let it go at that but there were sharp eyes from Fred Satch of the St. Louis Cardinals and George Weiss, general manager of the New York Yankees.

The Pirates obeyed the major league rules in not signing the six-foot-two, 205-pound southpaw until Tuesday—four days after he had graduated from high school. But there was some extra tinsel.

The papers were signed in a movie agent's office, with large cash amounts going in assorted directions.

While the baseball clubs couldn't approach the youth, Film Producer Frederick Stephanie signed the mound prospect to a film, radio and television contract for \$85,000. This made him Pettit's agent.

In order to get Pettit's services, the Pirates and five other clubs in the scramble had to deal with Stephanie.

The Pirates assumed Stephanie's \$85,000 obligation and paid \$15,000 in addition. The boy was reported to have received most of the \$15,000 also.

Bobby Jones, the greatest golfer of the last 49 years as voted in The Associated Press poll, was quite a fellow. Undoubtedly he was the greatest of them all.

But one thing Jones is credited with belongs to none other than Midland's Marlene Bauer.

On April 9, 1940, Lefty Shelton, the San Angelo Colts' hurler of last season whom Blondy Cross liked so well, was scheduled to hurl for the Midland Cowboys against the El Paso Texans.

His more ancient than we thought.

We just noted in an old file of the paper this interesting bit of baseball information:

Lumber yard heads, contractors and sheet metal workers are invited to the meeting, to be held in the Hotel Scharbauer Barber Shop at 8 p.m. The bids will be accepted and let at the meeting.

Needed by the National Guard is covering for doors already purchased, barring for windows and shelving materials.

Birds relish holly berries in winter.

Heavyweight Now

Tom Adams, three times Texas Golden Gloves light heavyweight champion from Hardin-Simmons University, is shown preparing himself for the state meet in Fort Worth February 15-20. He recently won the Abilene Regional Golden Gloves without a fight. Adams weighs in at 184 now, making him a heavyweight. He has won 47 of 52 fights, 14 via the knockout route.

March Of Dimes Benefit Cage Show Friday Night

If a large crowd turns out, the March of Dimes will get a big lift Friday night when the benefit basketball double-header is played in the Junior High Gym.

Four of the top teams in West Texas are donating their services for the two games. Fans who don't attend will miss something worth seeing.

Rotary Engineers takes on Bill Hale Motors of Odessa in the feature attraction. The Midland VFW meets People's Humble of Andrews in the other tilt. Starting time will be 7:30 p.m.

It'll be good basketball for a good cause. It is hoped a full house will be on hand to see the teams perform.

Cards, Yanks Yelp; Chandler Gives Nod To Pettit's Signing

NEW YORK —(AP)—It looks as if the Pittsburgh Pirates are home free in their \$100,000 deal for a schoolboy pitcher, but the weird shenanigans of the case may cause baseball to tighten its high school rule.

Commissioner A. B. Chandler has refused to work up a diatribe over the deal that saw the Pirates grab 18-year-old Paul Pettit of Los Angeles with a record bonus splash which had a full Hollywood setting.

The commissioner says one of his operatives investigated the case for two weeks. If that operative found no rule violation, he adds, "then I am sure that is the case."

Most of the club executives were willing to let it go at that but there were sharp eyes from Fred Satch of the St. Louis Cardinals and George Weiss, general manager of the New York Yankees.

The Pirates obeyed the major league rules in not signing the six-foot-two, 205-pound southpaw until Tuesday—four days after he had graduated from high school. But there was some extra tinsel.

The papers were signed in a movie agent's office, with large cash amounts going in assorted directions.

While the baseball clubs couldn't approach the youth, Film Producer Frederick Stephanie signed the mound prospect to a film, radio and television contract for \$85,000. This made him Pettit's agent.

In order to get Pettit's services, the Pirates and five other clubs in the scramble had to deal with Stephanie.

The Pirates assumed Stephanie's \$85,000 obligation and paid \$15,000 in addition. The boy was reported to have received most of the \$15,000 also.

Major Stars Quit Training Schools

NEW YORK —(AP)—Eleven players instructing at baseball schools conducted by New York's two major league clubs dropped out Friday to comply with a ruling by Baseball Commissioner A. B. Chandler.

The action followed official word from Chandler that major leaguers could not act as instructors at minor league schools before the Spring training deadline of March 1.

Woman Golf Star Hurt In Auto Crash

SAN ANTONIO —(AP)— Betty Jameson of San Antonio, nationally known woman golfer, was injured in an auto collision here late Thursday night.

A car driven by Miss Jameson, 30, collided with another driven by Mrs. Margaret Offery, 52, Traffic Investigator W. H. Williamson reported. Miss Jameson received injuries to her right leg. She was taken to Baptist Memorial Hospital for treatment.

Regan Appears On Benefit Radio Show

Rep. Ken Regan of Midland was one of five Texas congressmen taking part with numerous Washington celebrities Thursday night in the "Original Amateur Hour," a radio show which devoted its broadcast time to the American Heart Association drive.

The other Texas performers included Speaker Sam Rayburn and Reps. Paul Kilday of San Antonio, Eugene Worley of Shamrock and Omar Burleson of Anson. Regan performed with the "Celebrities Symphony."

Rank Outsiders Set Tucson Pace

TUCSON, ARIZ.—(AP)—A couple of strangers in the ranks of the touring pros carried a one-stroke lead into Friday's second round of the \$10,000 Tucson Open golf tourney.

Wally Ulrich, Minneapolis, Minn., and Manuel de la Torea, Chicago, forced their names before the rest of the fraternity Thursday. Each needed only 64 strokes to cover the par 70 El Rio course.

Bill Tilden Voted No. 1 Tennis Star

By GAYLE TALBOT
NEW YORK —(AP)— The greatest tennis player of the last 50 years; is there any argument?

The tall, controversial figure who won seven national championships and was ranked No. 1 in the country for 10 straight years from 1920 through '29, won the vote of 310 out of 391 participants in The Associated Press' mid-century sports poll.

The voters looked back beyond the recent events involving the great champion and cast almost a solid ballot for Tilden, the tennis player.

Jack Kramer, the current professional king, attracted 32 votes. Don Budge, the red-haired comet of the late Thirties, was the choice of 31 experts. Mrs. Helen Wills Moody, glamorous seven-time women's champion, was voted greatest of the period by 12. The remaining six votes were divided among five players.

Ralph Kiner Signs For \$65,000 Salary

LOS ANGELES —(AP)—Home Run Hitter Ralph Kiner has signed a record two-year contract for \$65,000 a season with the Pittsburgh Pirates. General Manager Roy Hamey of the Pirates brought the 27-year-old to heel late Thursday.

FIELD OF 97 ENTRIES SET FOR HOUSTON OPEN

HOUSTON —(AP)—A field of 97 golfers has been certified for the Houston Open Invitation tournament here February 23-26.

Entries include Defending Champion Johnny Palmer, National Open Champion Cary Middlecoff and Ben Hogan.

INTERCOLLEGIATE RODEO

ALPINE —(AP)—The second annual Sul Ross State College Intercollegiate Rodeo March 9-11 is due to attract teams from 29 colleges and universities in ten Western states.

WEATHER HALTS AGGIES

COLLEGE STATION —(AP)—Texas A&M's Spring football practice has been delayed until February 10 because of the weather. The Aggies were to have started a month of training Friday.

Navy Will Conduct Anti-Sub Exercises In Pacific Waters

TOKYO (AP)—The U. S. Navy will conduct "hunter-killer" anti-submarine exercises this year in the Pacific, where Russia's submarine program is expanding.

The announcement came Friday after the visiting U. S. joint chiefs of staff had met with military conferences with General MacArthur and his top aides.

Air Search Slowed By Arctic Weather

WHITEHORSE, YUKON TERRITORY (AP)—"Operation Mike" was weathered down to second gear Friday.

As the farflung Arctic hunt for a missing U. S. Air Force C-54 transport and its 44 occupants went into its second week, virtually the entire area was "soaked in" by poor flying weather.

Only six planes got into the air here Thursday.

Ten were ordered to take off Friday for the northern portion of the area where clear patches were expected.

Californian Gets Four-Second Time In Steer Wrestling

FORT WORTH (AP)—Southwestern Exposition rodeo results, in order of placing:

THURSDAY AFTERNOON Bareback bronc riding—Harry Tompkins, Dublin; Don Boag, Portland, Ore.; Wallace Brooks, San Francisco; and Jimmie Cobb, Fort Worth, tied for third.

THURSDAY NIGHT Cutting horse contest—Poco Bueno owned by E. P. Waggoner, Fort Worth, ridden by Pine Johnson, 223 points; Jesse Bueno owned by A. Tadlock and Sons, Fort Worth, ridden by J. D. Tadlock, 210 points; Bar V Gouch owned by Bar V Ranch, Sheridan, Wyo., ridden by Ramon Wood, 208 points.

Sick Baby To Get Watermelon Juice

KILGORE, TEXAS (AP)—A Kilgore baby who needs watermelon juice will get plenty of it.

Twenty watermelons will be flown to Texas from Balboa, Canal Zone, to help little David Lee Campbell, two and one-half, who is suffering from nephrosis, deadly kidney disease.

Leaders Are Named For Scout Jamboree

Reservations for Scouts and Explorers to attend the National Jamboree at Valley Forge, Pa., next Summer, have been pouring in the last several days, according to J. M. McDonald, chairman of the Jamboree Committee for the Buffalo Trail Council.

Permian Basin Oil & Gas Log

(Continued From Page One) ter miles west of the southwest side of the North Snyder-Canyon field, was swabbing and testing on open hole in the top of the Canyon reef at 6,854-86 feet.

In the last 24 hours the prospective extender had swabbed an average of seven barrels of oil per hour, with a shakeout of 10 per cent basic sediment. No formation water was reported.

NE Upton Venture Has Spraberry Strike

Humble Oil & Refining Company has completed its No. 1 Ralph Penbrook as a smala pumping discovery from the Spraberry sand of the Permian in Northeast Upton County, six miles north of the Benedum, multi-pay field.

The new producer made a 24-hour pumping potential of 38.8 barrels of 38.8 gravity oil, plus 11 per cent basic sediment and water. Gas-oil ratio was 517-1. The production is through perforations in the casing opposite the interval at 7,030-7100 feet. That section had been treated with acid.

The wildcat, which is located 660 feet from north and 2,247 feet from east lines of block X, C. C. DeWitt survey, drilled to a total depth of 12,660 feet in the Ellenburger.

That zone, and all others between it and the Spraberry sand had been tested, but none of them developed commercial production.

N-C Scurry Project Barren In Strawn

L. M. Lockhart No. 4 McHaney, one location south of the nearest completed producer from the Canyon reef line, on the southeast side of the North Snyder field, in North-Central Scurry county, is bottomed at 2,243 feet in Strawn lime sand shale, and was circulating while waiting on orders.

The Strawn failed to develop any shows for production. A drillstem test was run on that section at 7,204-30 feet. Recovery was 90 feet of salt water. Length of the test was not reported.

This venture showed for production in a drillstem test in the Canyon, and operator will probably plug back and try to complete from that formation.

Lockhart's No. 4 McHaney is reported by unofficial sources to be approximately 100 feet low on the Canyon reef, and the producer from that formation, which is one location to the north, detailed information of the structural position of the No. 4 McHaney has not yet been secured.

Lockhart's No. 4 McHaney is reported by unofficial sources to be approximately 100 feet low on the Canyon reef, and the producer from that formation, which is one location to the north, detailed information of the structural position of the No. 4 McHaney has not yet been secured.

General Crude Plans Flanker To Kelley

General Crude Oil Company has filed an application with the Railroad Commission of Texas for permission to produce from the Permian in exploration on the northeast side of the Kelley Canyon field, in Scurry County.

This Canyon test is one and one-quarter miles northeast of the nearest producing well in the Diamond M Canyon field.

The No. 2 J. E. Shipp is to be 467 feet from south east line of section 212, block 97, H&TC survey. It is seven miles west of Snyder.

Projected to Canyon Two of the tests will be in section 17, block 3, H&GN survey and will be drilled to the Canyon at a probable depth of 7,000 feet.

Castleman & O'Neill, and associates, plan to drill three explorations in the North Snyder field, one mile north of the town of Snyder.

Castleman & O'Neill, et al., No. 1 E. P. Crowder is to be 1,967 feet from east and 467 feet from the north lines of tract 26, section 17, The No. 2 Everett-Crowder will be 467 feet from east and 1,975 feet from north lines of section 17.

Another exploration planned for the North Snyder field, is the Lone Star Producing Company No. 2-A City Gully, is to be 1,254 feet from west and 467 feet from south lines of section 18, block 1, J. P. Smith survey.

Drillsite is to be four miles northwest of Snyder, and projected depth is 7,000 feet.

Smith Gets Oil In Diamond M Pool

On the southwest side of the Diamond M Canyon field, E. R. Smith has completed his second producer in section 123, block 25, H&TC survey.

The Smith No. 2 Marsh Springer flowed on a 24-hour potential for 83.4 barrels of 45 gravity oil, and no water. Flow was natural through a one-fourth-inch choke.

Pay was topped at 6,628 feet, and total depth was 8,944 feet. A 5 1/2-inch oil string was set at 6,831 feet.

Lee delayed Canyon test is to be one mile north of Snyder, and 1,645.7 feet from south and 467 feet from west lines of section 177, block 3, H&GN survey. This will put the venture on southeast side of the North Snyder field.

Planned 2,700 Feet Planned depth is 7,000 feet. Another exploration planned for the North Snyder field, is the Lone Star Producing Company No. 2-A City Gully, is to be 1,254 feet from west and 467 feet from south lines of section 18, block 1, J. P. Smith survey.

Drillsite is to be four miles northwest of Snyder, and projected depth is 7,000 feet.

Assembly Of God Schedules Revival

Revival services will begin Sunday in the First Assembly of God Church, South Baird and New York Streets. The Rev. Homer Tarkington of Kermit will be the evangelist.

Services will begin each night at 7:45. The evangelist just has completed successful meetings in the Monahan and Pecos Assembly of God Churches.

The public is invited to attend. The Rev. Earl Rice is pastor of the church here.

Fred Wemple Speaks At Lamesa Club Meeting

Fred Wemple of Midland, chairman of the Texas Highway Commission, was the speaker at the regular meeting of the Lamesa Rotary Club there Friday noon.

He was accompanied by Lamesa by Chamber of Commerce Manager Delbert Downing.

Safe Cracker Admitted, Police Chief

Cash was taken in most of the burglaries. Several articles taken in the burglary of Dave Foreman's Grocery in Stanton recently were recovered by Ellington.

Ellington said one of the suspects pointed out in his statement that "I am a professional safe cracker. That is my business."

He stated only money was taken in most of the burglaries because "I don't go for taking clothes. When I get money I can buy the clothes I need."

Ellington, Wood and members of the Sheriff's Department Thursday questioned the two suspects held in Big Spring. They said they have determined from the questioning that at least seven persons have been operating in the ring.

Ellington described the recent wave of safe crackings in this area as the biggest he ever has seen in 18 years of police work. He believes the arrests will stop much of it.

He said charges will be filed against the three held here as soon as questioning is completed.

Robert Connor Was Discharged From Western Clinic-Hospital

Robert Connor was discharged Friday from Western Clinic-Hospital, where he was a medical patient.

Physicians Hear Aims Of League

A meeting of the Western-Clinic Hospital staff was held Thursday night, with Dr. Homer B. Johnson, chief of staff, presiding.

Mrs. W. A. Waldschmidt of the Children's Service League addressed the group on aims of the league.

She requested full support of the physicians in the league's Children's Clinic project.

Other representatives of the league present were Mrs. C. H. Atchison, Mrs. Frank Essex and Mrs. Paxton Howard. County Judge Clifford C. Keith was a special guest.

Dr. James Carswell, specialist in diseases of the chest and chest surgery, presented an illustrated discussion on traumatic injuries of the chest.

Dr. John Leigh and Dr. Milton Loring were admitted as staff members. Seventeen staff members and W. N. Orson, secretary, were present.

Bible Baptists Will Meet In New Building

The Bible Baptist Church will hold services in their new building Sunday for the first time. The building is not completed but the formal dedication is scheduled in about a month.

The Rev. J. Marion Hull is minister of the church which is located at 1113 South Big Spring Street. Services previously have been held in the South Elementary School and at 1300 South Big Spring Street.

H. R. O'Dell Has Been Released From Western Clinic-Hospital

H. R. O'Dell has been released from Western Clinic-Hospital following medical treatment.

Bus Driver-Flier Rescues 12 Anglers From Floating Ice

PINCONNING, MICH. (AP)—Bus Driver Calvin Carstens was hailed as a flier for which he has the grateful thanks of a dozen ice fishermen.

The 29-year-old went to the rescue in his light plane Thursday when a great ice floe started carrying the 12 fishermen out into cold Saginaw Bay.

Seven times Carstens faced gusty winds as he flew over a 75-foot gap and brought the men back to safety.

Carstens, veteran of 51 B-17 missions in Europe, reported the take-offs and landings were "not too bad." The ice was only six inches thick.

Bergman—

(Continued From Page One) doctors said. She smiled happily at the infant as it was placed beside her on the bed.

Rossellini "smiled broadly when told the baby was a boy," Dr. Ferdinand continued.

Miss Bergman and Rossellini both were very, very happy," he said.

Except for Rossellini, no visitors have been admitted to Miss Bergman's suite of three rooms in the two-year-old modernistic hospital.

The child is Miss Bergman's second. She has an 11-year-old daughter by her estranged husband, Dr. Lindstrom, whom she sued for divorce in Juarez, Mexico, last week.

Miss Bergman came to Hollywood in 1939, after a successful movie career in Sweden.

Producer David O. Selznick brought her to America after seeing her performance in the Swedish film "Intermezzo." Her first picture here was a successful English version of that film.

Her later appearances boomed her rating with American fans, until she stood in the forefront of Hollywood's stars.

Her last Hollywood picture was "Joan of Arc."

Culberson Named To Compact Commission

AUSTIN (AP)—Railroad Commissioner Olin Culberson has been appointed a member of the regulatory practices committee of the Oil Compact Commission by Gov. Roy J. Turner of Oklahoma, commission chairman, it was announced here Thursday.

The compact is composed of 20 oil producing states.

Cotton

NEW YORK (AP)—Friday noon cotton prices were 35 cents a bale lower to 10 cents higher than the previous close. March 31.26, May 31.28 and July 30.67.

Volunteers Donated

Two volumes of Ira Rinehart's "1949 West Texas Oil" have been donated to the geological library here by the publisher.

Petition Is Heard

A hearing on a petition of bankruptcy was held in the district courtroom of the courthouse Friday, with J. C. Brooker, U. S. referee in bankruptcy, presiding.

First Polio Death

EDINBURG, TEXAS (AP)—Ermanita Gonzales, five, died of polio Thursday, the valley's first polio death of the year.

Quake Recorded

BOMBAY, INDIA (AP)—An "earthquake shock of great intensity" in Yunnan Province, South China, was recorded here Friday.

McCamey News

MCCAMEY—D. C. Greer, state highway engineer, said recently that the Texas Highway Commission has passed an order for a \$5,800,000 road maintenance program in Texas. Included is approximately eight and three-tenths miles in Upton County, on U. S. Highway 67 from Crane County line to McCamey, and from State Highway 51 to Rankin. The Upton County program will cost an estimated \$24,000.

Mr. and Mrs. Bobbe Hightower announce the birth January 30 of a son, Bobbe Edwin, Jr., weighing seven pounds, 13 ounces, in a San Angelo hospital. Mrs. Hightower is the former Yvonne Williamson, of McCamey. The Hightowers live in Fort Stockton.

E. R. Sharp reported Wednesday that the McCamey March of Dimes drive total has reached \$1,947. Not included in this figure are returns from the March of Dimes jars in the city, which have not been collected.

Poll tax sales in McCamey reached 1,447 when sale ended January 31, according to Sheriff H. E. (Gene) Eckols. In addition, 45 exemptions were issued.

McCamey property owners are signing at a rapid pace for the 114-block paving program, scheduled to begin soon. Edward Burnett, of the First of Texas Corporation, announced that more than 40,000 of the 66,000 feet slated in the program have been signed. Burnett urged property owners to contact him at his office in the city hall for any information regarding the program.

East Texas Field May Get Increase In Producing Days

KILGORE (AP)—Equal production footing with the rest of Texas' oil fields is predicted for the great East Texas oil field.

The Kilgore News Herald based its prediction on a report by the state railroad commissioners. The newspaper said the equal footing is likely at the next statewide hearing of the commission in San Antonio February 17.

Production allowances for all Texas fields save the East Texas field this month are 15 days. The East Texas has a 13-day allowance.

Commission Chairman William J. Murray, Jr., said he is very sympathetic with the situation, which has caused hardship in East Texas.

Olin Culberson said he was ready to put East Texas on a parity with the rest of the state.

Ernest Thompson said, "If current pressure tests now being made in the field show further increases in reservoir pressure or even maintain the pressure without a drop, I feel we can now safely put the East Texas field on the same number of producing days as all the other fields of Texas."

Fort Meade GI's Test Black-Eyed Peas

FORT MEADE, MD. (AP)—Black-eyed peas were interviewed to a GI test here Friday.

A new Army directive has called for wider use of the Southern specialty in station menus and the men at Fort Meade got them for lunch Friday in place of the usual "beans, green, string."

Afterwards, the GI's will be polled on their opinions of the vegetable.

Marriage License

A marriage license has been issued by the county clerk to J. V. Reed and Bessie Kathrine Yancy.
