

**FRIONA MAN**

**Fortenberry Files For County Judge**

**PAUL FORTENBERRY** may have filed on the last day to announce for office, but he intends to make a serious and aggressive race for the office of County Judge in Parmer County.

It looked for a while like there would be no contested races on the county level, but two candidates beat the deadline and brought about contested races for two county offices.

Fortenberry challenged Archie Tarter for the judge's position, and two candidates, Mrs. Ray Ford and Mrs. Benna Felts of Farwell, will vie for County Treasurer. Mrs. Felts was appointed to the position last year when longtime treasurer Mabel Reynolds retired.

**FORTENBERRY** told us this week he had given the matter much thought, and had visited with Judge Tarter in the Court House on more than one occasion, looking into the matter of the duties of the county's chief executive officer, before he decided to "make the plunge."

Now that he's done it, he plans to campaign vigorously, and he is proceeding with optimism, and with every intention of winning.

In our estimation, Fortenberry is well qualified for the position of County Judge. We would hope that all voters of the area will get behind him in this endeavor. He is worthy of the support of this area, and his supporters need to line up behind him and insure a race worthy of the candidate.

**IF YOU VOTED** in elections of 1972 or 1973, you are automatically registered for the 1974 elections, states Hugh Moseley, Parmer County Tax Assessor/Collector.

However, if you did not vote those years, you may need to register in order to cast a ballot in 1974. Also, if you're a new resident of the county, or if you're 18, 19 or 20 years of age and have never voted, then you need to register this year.

There is no deadline as such for registering, except that you must register at least 31 days prior to an election. Thus, if you need to register this year, you must do so by April 3 in order to vote in the May 4 primary.

If you have doubts about whether or not you're registered, it might be worth a call to Moseley's office in the Court House in Farwell, in order to be sure.

The Ethridge-Spring Agency in Friona has a supply of registration blanks, which may be filled out and mailed in. This will save a trip to the Court House for registration purposes.

In addition to what is looming as a big county race, voters here will elect two city councilmen and a mayor, and three members of the school board.

In addition, statewide officers face re-election, such as the governor and other top state officials, state representative Bill Clayton, and U.S. Congressman George Mahon. So, it would be worth your time to determine whether or not you're registered to vote in 1974.

**STOCK SHOW TIME** is here this coming weekend, and Friona residents will get the opportunity to see the brand new showbarn and community center for the first time.

The facility is a dream come true for a number of people, including yours truly, who has almost suffered frostbite on a number of occasions while trying to take pictures at the show, which has been conducted mostly on the outside up till now.

And if you've attended, or shown animals at the show, you've gotten in on the "frostbite" situation yourself, especially if you've been to more than one show, because we almost always get a cold snap for the show.

This year might be an exception, but regardless of the weather, the roomy and comfortable facilities at the new building will be most enjoyable for those taking part in the show.

Plan to come out and inaugurate the new facility. We think you'll like it.

Voters of Parmer County were assured of a race for their top county office this week when Paul Fortenberry of Friona filed for the position of county judge, opposing the incumbent, Archie Tarter.

Fortenberry, 56, filed on Monday, the final filing date, with Democratic chairman Hollis Horton, Jr.

Fortenberry, a Parmer County businessman for the past 25 years, says he is looking forward to a serious bid for the position of county judge.

"I would like very much to have the opportunity to serve Parmer County as county judge. I feel that I have the qualifications necessary for the job and I will operate the office in an aggressive, businesslike manner," Fortenberry says.

"I will appreciate everyone's consideration and support in the Democratic Primary," he continued.

A World War II veteran,

Fortenberry spent five years in the Armored (tank) Command, serving in the European Theater.

**WITH PHILLIPS**

A native of Happy (Swisher County), Fortenberry was associated with the Phillips Petroleum Company prior to and following his service in the armed forces. Following the war he moved to Friona, where he bought out H.T. (Tiny) Magness, the Phillips jobber.

He sold the Phillips business in 1951, and spent some time farming prior to becoming associated with Black Grain Company in 1954. He was with the grain company for almost 20 years, stepping down as manager of the concern at the end of 1973.

Fortenberry served on the Friona school board for six years (1953-59), and was a director on that city's Chamber of Commerce on two separate occasions.

"I feel that my business experience qualifies me for the duties of working with the county budget, and in working with people. I plan to study up on the other facets of the position, so as to discharge them in an efficient manner," Fortenberry says.

The longtime elevator manager served as president of the Panhandle Grain and Feed Dealers in 1970-71. He also had been a director and vice president of the organization.

**CHURCH DEACON**

A member of the Baptist Church, Fortenberry has served as a church deacon for the past 22 years.

Fortenberry and his wife Movelida had three children, but their oldest son Richard was a Vietnam casualty in 1971. A daughter, Paula (Mrs. Jay Sturm) is a former Friona Maize Queen and is now

**PAUL FORTENBERRY**

teaching in the Abernathy school system.

Another son, Don, is a junior at Texas Tech University, where he is majoring in Agriculture Economics.

**NEW MACHINE**...Dr. Paul Spring, right, shows Eldon Rape of Hi-Pro Feeds how the new blood testing machine will work. Hi-Pro donated approximately \$3,000 in machinery

to Parmer County Community Hospital, winning the awards in a contest sponsored by Dow Chemical Company.

**Chiefs Top Morton: Nab District Title**

**DISTRICT CHAMPIONS!** The Friona Chieftains claimed title with a thrilling 69-64 win at Morton Friday night, locking up the District 3-AA championship with a game left to play, against Olton here Tuesday.

Friona could have won the title without the win—but that wasn't the way the team wanted to do it.

They earned the title by accomplishing something few teams have done in the past few years—beating the potent Indians on their home reservation.

Friona will represent District 3-AA in bi-district, and will meet the winner of District 4-AA, probably Lockney, Monday or Tuesday, February 18 or

19, at a site to be determined by the two schools.

Fans following this year's team have become accustomed to fast, hard action—with the likes of Dimmitt and Morton in the district, and Friday night's game at Morton was no exception.

Similar to the first game between the two teams at Friona last month, the Chieftains were in command most of the way.

Friona shocked Morton with a 13-point lead with 2:05 left in the third quarter, but the playoff veteran Indians refused to be rattled, battling back to trail by only two, 53-51, 2:15 into the final quarter.

From there on, the game was nip and tuck, with the adrenalin flowing on both sides, but Morton never got that close but one other time, at 55-53.

Morton held only three leads in the ball game, and they were all in the first quarter, at 2-0, 6-5 and 8-7. Dale Cleveland scored three of Friona's first four baskets, and his jump shot with 2:36 left in the opening quarter gave Friona a 9-8 lead that the team guarded successfully the rest of the way.

Clay Bandy's free shot gave Friona a four-point edge at 13-9, and Gene Strickland's first field goal with 37 seconds left in the period made at the first quarter lead stand up at four, 15-11.

Strickland and Dale Parsons

opened second quarter scoring for Friona, as the Chiefs grabbed an eight-point edge at 19-11.

But Morton battled back for a 19-22 deficit, forcing Bobby Lewellen and Cleveland to retaliate for a 28-21 Friona edge.

Cleveland then stole the ball at midcourt, and drove in for a layup shot that gave Friona its longest first half lead, 30-21.

Morton outscored the Chiefs 10-6 during the last three minutes, to trim the halftime lead to five, 36-31.

Friona was again off and running as the third quarter opened. Cleveland, Strickland and Parsons hit before Morton

[Continued on Page 2]

**DUE TO TRUCK STRIKE**

**MBP Resumes Work Sked After Shutdown**

After being closed for the better part of a week due to the nationwide truckers strike, Missouri Beef Packers' Friona plant went back to slaughter operations Friday, with hopes for a settlement of the strike that would allow the plant to resume its normal schedule.

Plant manager Jim Kofford said Friday the plant would kill that day and on Saturday, and that breaking operations would begin at the plant on Monday. Thus, it would be the first part of the week before any outgoing trucks would be dispatched by the plant.

Kofford said as far as he knew, no drivers who service the local MBP plant had been involved in any of the violence which has been perpetrated against truck drivers in some parts of the nation, who refused to join the strike.

Only a skeleton crew of personnel manned the huge plant southwest of Friona this week, which normally has around 350 people showing up for work six days a week.

Only people working Monday through Thursday were the maintenance people, the supervisors, and approximately 15 hourly employees.

"This has been bad for us, and for the cattle industry. I hope the situation is resolved quickly, so that we don't begin to lose our work force," Kofford said in an interview with a Friona Star reporter.

**BAC Meeting Here Monday**

Friona's Business Activities Committee (BAC) will meet on Monday, February 11, at the Community Room of Friona State Bank. The meeting starts at 7:30 p.m.

It is imperative that those merchants participating in the "Friona First" program attend the meeting, states BAC chairman Carrol Gattin.

Also, the committee still would like to hear reactions of shoppers to the group's give-away program, such as it conducted during the recent Christmas shopping season.

Those with comments are requested to call the Friona Star at 247-2211 or the Chamber of Commerce office at 247-3491.

The local MBP manager added that due to the cold weather of this week, he was hopeful that the bulk of his employee list would remain intact.

"It appeared that it was too cold and disagreeable for many to seek field work," he stated.

The shutdown of the meat packing plant began the past Monday, following a strike called by Texas independent truckers, who were against

"high fuel prices, low speed limits and low freight rates."

In addition to Friona's MBP plant, Hereford's Armour plant also closed, putting another 250 persons temporarily out of work—a combined total of 600 idled workers from the two plants.

The energy crisis and resulting government actions have created some of the conditions which the truckers were striking against.

**BRIGGS, MRS. FORD**

**Two More Announce For County Spots**

Mrs. Ray (Jenoyce) Ford of Farwell filed this week for the county treasurer's position on the Democratic ballot.

Mrs. Ford is a former employee of the ASCS office in Farwell, where she worked as a clerk for some nine years.

She has been a resident of Farwell for 28 years. Her husband is in the grain business in Farwell.

"I solicit your support in the upcoming election. I pledge to perform the job to the best of my ability," Mrs. Ford commented.

Previously announced for the position was Mrs. Benna Felts, who was appointed by the commissioners in 1973 to fill out the term of Mrs. Mabel Reynolds, longtime County Treasurer who retired.

**JIMMIE BRIGGS**

Another candidate for commissioner of Precinct 4 authorized the Friona Star to announce his candidacy this week.

Jimmy C. Briggs announced for the position on the Republican ballot.

Jimmy and his wife Jimmy Frank and two children have lived in the Lazbuddie community since 1962.

"I would like to have the opportunity to serve the people of Precinct 4 to the best of my ability.

"Your support, influence and vote will be appreciated," Briggs said in his statement to the Star.

Briggs' candidacy will be subject to the action of the Republican primary, scheduled for May 4.

**JENOYCE FORD**

**FRIDAY IS SHOWDATE**

**Jr. Livestock Show To Have New Home**

The 26th annual Parmer County Junior Livestock Show will be held in Friona Thursday, Friday and Saturday of this week. For the first time, the event will be held in the new community center-showbarn, completion of which was being rushed as the showdate approached.

"The building will be ready for the show," said contractor Delton Lewellen this week, as a full week remained before the show opened, and only a few last-minute details remained on the building.

By having the showbarn, the show's schedule has been changed, to include judging of all three divisions of the show—barrows, sheep and steers—the same day, Friday, February 15.

The steers, which have been

**Booster Club Sets Meeting**

Redge Priest, President of the Friona Booster Club, announced that the organization will meet at the High School Cafeteria on Thursday, February 14.

The meeting will begin at 8 p.m.

Purpose of the meeting is to discuss the distribution of the club's funds. All members of the organization are urged to attend.

shown on Saturday morning for a number of years, will be shown Friday evening, beginning at 7 p.m.

All of the judging will take place inside the new showbarn, which will feature a complete heating system and bleacher seats for everyone who desires to attend the show.

"We cordially invite parents, grandparents or friends of the youngsters entering animals to attend the show. We should have plenty of seats—on the inside—to take care of them," stated Dwayne Menelee, general chairman of the county show.

Main activity of Thursday will be the weigh-in of the animals, which is to be completed by 4 p.m. that day.

By moving the steer judging to Friday evening, main item on the agenda for Saturday will be the auction sale, which will begin at 1 p.m. at the showbarn.

Friday's judging will find the barrows beginning at 8 a.m.; the sheep at 1:30 and the steers at 7 p.m.

Harmon Boone, vocational agriculture instructor at Spearman, will judge the steers, L.M. Hargrave, agriculture education instructor at Texas Tech University, will judge the barrows, Ronnie Dennis, vo-ag instructor at Kress, will judge the sheep.

Show officials are expecting some 302 animals, up by 42 over

last year's total of 260. This is an increase of 16 per cent.

Officials are expecting 140 barrows, up by 10 over last

year; 102 lambs, up by a whopping 42, and 60 steers, about the same (there were 58 last year).

**Friona Lands County MH/MR Center Clinic**

Friona will be headquarters for a Parmer County outreach clinic of the Central Plains Mental Health and Mental Retardation Center, it was announced this week.

Establishment of the new clinic was announced this week by Bill Dillard, Executive Director of the organization. The Central Plains MH/MR Center serves nine counties and has its headquarters in Plainview.

The City of Friona has agreed to furnish office space for the clinic, which will be located to the rear of the Chamber of Commerce office. The clinic will be reached at 621 Main in Friona.

Parmer County becomes the fifth county served by the center to have an outreach clinic. Others are located in Dimmitt, Tulla, Muleshoe and Floydada.

Staff members of the Central Plains MH/MR Center will staff the Friona clinic on a one day per week basis, it was announced.

**COW POKES**

By Ace Reid

"Boy oh boy, \$450.00 a pair for them cows and calves, why I can hardly remember when we wuz pore!"

**EARN CAGE PLAYOFFS**

(Continued from Page 1)

could score, and Friona had an 11-point edge with only 1:30 gone in the second half. Cleveland then turned in a three-point play for a 12-point edge at 49:37, and when Dale Parsons connected on a jumper with 2:05 left in the period, the scoreboard read Friona 53, Morton 40.

But the Chiefs went into a scoring drought that lasted for 4:32 of clock time, during which Morton scored 11 points, to trim what had appeared to be a safe lead to only two at 53-51. To make matters worse, Parsons received his fourth foul at about this point, and the Friona fans got a little worried.

But the Chiefs had no thoughts of "folding." Cleveland and Parsons each canned a pair of free throws and Dave Clark hit one of two for a seven-point edge, 63-56, with 2:48 left.

Two jumpers by Parsons kept the lead at seven points, the last being 67-60 with 1:20 left, and Lewellen's jump shot from the side iced things away at 69-60, as the clock entered the last minute.

Morton scored two baskets to trim the lead, as Friona took pains to use up as much clock as possible, until finally it was all

used up and the team had done it—**STILL UNBEATEN IN DISTRICT PLAY** after playing both games with Dimmitt and Morton.

<b>CHIEFS</b>	15	36	53	69
Morton	11	31	46	64
D. Parsons	8-3-19;	K. Patterson	1-0-2;	B. Lewellen
3-2-8;	G. Strickland	6-3-15;	D. Cleveland	7-4-18;
C. Bandy	9-1-1;	D. Clark	1-4-6.	Totals
	26-17-	69.		

**SCHOOL LUNCH MENU**

**MONDAY**—meat balls and spaghetti, buttered English peas, hot rolls-butter, cabbage and carrot salad, pineapple cake and milk.

**TUESDAY**—fish, French fries, hot rolls-butter, apple-sauce cake, buttered corn, tartar sauce and milk.

**WEDNESDAY**—tacos, pinto beans, apple cobbler, lettuce and tomato salad, cornbread-butter and chocolate milk.

**THURSDAY**—soup and chili, sandwiches, cookies and milk.

**FRIDAY**—hot dogs, potato chips, pork and beans, brownies and milk.

**Friona Flashbacks**

...from the files of the Friona Star

**45 YEARS AGO—FEBRUARY 15, 1929**

The recent cold snap has given grief to quite a number of Friona folks on account of freezing water in their water pipes. In some instances, families were cut off entirely from their water supply for a few days but without any serious expense, while in other cases considerable damage was done and expense incurred by the bursting of pipes.

**40 YEARS AGO—FEBRUARY 16, 1934**

The corn and hog meeting held at the school building Tuesday night was well attended, under the supervision of county agent A.R. Bateman. Contracts were made available, providing hog raisers a sum of ready money on the number of hogs produced during 1932 and 1933.

The Friona Chiefs won the Parmer County round-robin tournament last week in Bovina, downing Farwell in the finals in an extra period. Loflin, Mans, Livings, Boatman and Cummings were the Friona players. Three Crume brothers, Walling, Moore and Loveless represented Farwell.

**35 YEARS AGO—FEBRUARY 17, 1939**

The people at the Lazbuddie community have begun construction on a new Methodist Church building.

Friday and Saturday's movies at the Regal Theatre: "Cowboy from Brooklyn," with Dick Powell and Pat O'Brien. Sunday, Monday and Tuesday, a double feature: "Frankenstein," starring Boris Karloff and "Dracula," starring Bela Lugosi.

**30 YEARS AGO—FEBRUARY 11, 1944**

Carl Maurer has just received approval of the Army, Navy and Civil Aeronautics Authority for the designation of an airport at Friona. C.J. Dorris of Amarillo has been secured as a flight instructor.

**20 YEARS AGO—FEBRUARY 11, 1954**

A community auction has been announced by the Chamber of Commerce and Agriculture for February 20, as the latest in the planned activities for 1954. A similar auction will be held each third Saturday in the month.

A fund drive was officially launched on Monday evening to expand Parmer County Community Hospital. Dr. Paul Spring outlined the pressing expansion needs. Pete Buske, board chairman, presided at the meeting.

**15 YEARS AGO—FEBRUARY 12, 1959**

The Friona Thespian Troupe will present a murder trial play "Night of January 16" on Tuesday evening. Members of the audience will be selected for the jury in the play, from those leaving their names as prospective jurors.

Open house for Friona's newest business, OK Rubber Welders, will be held this Saturday. James Chandler is owner of the new business, located on east Highway 60.

**10 YEARS AGO—FEBRUARY 13, 1964**

A bookmobile from the Texas State Library will make stops in Parmer County for the first time on Saturday, giving residents a look at the new service which will be offered on a regular schedule beginning in the near future.

The Friona High School Squaws have won 24 straight games this year, but still must defeat Olton Friday night to clinch the district championship. A loss would give Olton a tie.

# I. V. Moseley Passes Away

Mrs. I.V. Moseley, 67, died about 2:10 p.m. Friday in Parmer County Community Hospital following a long illness.

Services will be at 2:30 p.m. Sunday in First Baptist Church in Friona with the Rev. Charles Broadhurst, pastor, officiating.

Burial will be in Friona Cemetery under direction of Parsons-Ellis Funeral Home.

Mrs. Moseley had been a resident of Friona since 1928, moving from Hill County.

She was a native of Hill County and was a retired rural mail carrier and cashier at a local grocery.

Mrs. Moseley was a member of First Baptist Church, Eastern Star and Rebekah Lodge of Friona.

Survivors include her husband David; a son Emmett of Dallas; a daughter, Mrs. Tila Rue Hester of Oologah, Okla.; two sisters, Mrs. Mary Schmidt of Mound, Minn., and Mrs. Selma Redfearn of Hills, Calif.; a brother, Thomas E. Armstrong of San Bernardino Calif.; and six grandchildren.

### EDITOR'S NOTE:

[The following letters were received in response to letters recently sent to State Senators from Mayor R.L. Fleming:]

Honorable R.L. Fleming  
Mayor, City of Friona  
802 Main Street  
Friona, Texas 79035

Dear Mayor:

Thank you for your recent letter in reference to the hold-up of federal funds for Texas State Highway Project 8005-1-10. In an effort to be of

assistance, I have contacted officials of the Federal Highway Administration on your behalf. They have advised me that the delay is the result of inadequate information that they received from the Texas Highway Department regarding noise abatement.

I would like to emphasize, however, that I have received assurances that this delay is only temporary and funds should be released as soon as the Texas Highway Department submits additional information concerning their request to obtain an exception to the noise standards. I will continue to maintain my contact with the Federal Highway Administration to urge that this matter be resolved in the most expeditious manner possible.

Please let me know if I can be of additional assistance in the interim.

Sincerely,  
Lloyd Bentsen

The Honorable R.L. Fleming  
Mayor, City of Friona  
802 Main Street  
Friona, Texas 79035

Dear Mayor Fleming:

Thank you for your letter of recent date concerning Texas State Highway Project 8005-1-10. I appreciate you taking the time to contact my office.

I am reviewing the matter at the present time. As soon as it can be determined how this office can assist you in the best possible manner, I will write to you again.

Kind regards.  
Sincerely,  
John G. Tower

## B-Chiefs Top Morton 57-55

Fans travelling to Morton Friday were treated to not just one—but two thrilling games.

Almost overshadowing the varsity game was the junior varsity tilt, in which Alex Cabrera hit a long jump shot two seconds before the final buzzer to give the B-Chiefs a come-from-behind 57-55 win over the Morton JV.

Oddly, the basket was the only scoring in the game for Cabrera, who was almost too far out for a good shot—but his two points counted plenty.

Dusty Peters had 22 and David Hutson 16 to keep the team in contention for the game-winning heroics.

Friona never led in the second half until Peters tied the score at 53-all with a pair of free shots with 33 seconds left, and Hutson followed suit with 24 ticks left, for a 55-53 Friona edge.

Morton tied the count with 18 seconds to play, and seemed destined to keep Friona from getting off a shot until Cabrera uncorked from about 25 feet as the clock was winding down.

B-CHIEFS 12 22 39 57

**NEWTON, MISS., RECORD**—Americans continue as the most wasteful people on earth. Proof of this is wasteful use of electricity, burning unnecessary lights, leaving fixtures not in use plugged in, running fixtures at high speed when low would do the work. Of air conditioners, to save electricity, electric companies advise to keep windows and doors closed and set the thermostat no lower than 78 degrees, since each degree below that uses about 5 percent more electricity. The electric companies try to teach appreciation of abundance and at the same time to conserve a vital resource.

**Political Calendar**

**LEGAL NOTICE**

**PUBLIC NOTICE**  
The Beacon Broadcasting Corporation hereby gives notice that it has filed on Tuesday, January 22, 1974, an Application for Authority to Construct a New Broadcast Station or Make Changes in an Existing Broadcast Station.

The officers of the Beacon Broadcasting Corporation are Mr. Jake Goble, President and Director, Mr. Fredrick J. Borgsmiller, Treasurer and Director, and Mr. James A. Lawder, Jr., Director.

The applicant seeks a license to operate a standard broadcast station on frequency 1070 under the call letters KNNN. The Application has been filed to supply the Federal Communications Commission with the necessary background information concerning the applicant. The applicant proposes to broadcast from a facility previously operated by the KNNN Broadcasting Corporation which is located outside the City of Friona, in Parmer County, Texas. The applicant currently has an agreement to purchase said facility. No modifications of either the broadcast facility or the antenna are proposed.

A copy of this Application, including the Exhibits attached thereto and a legal description of the real property involved, is on file for public inspection in the offices of Ethridge-Spring Agency, Inc., 603 Main Street, Friona, Texas.

## Water, Inc. Slates Meeting

Rank and file members of Water, Inc., will flock to Lubbock February 16 for the regional organization's 7th annual membership meeting. The daylong meeting featuring appearances by top water, planning and economic names in the field of water resource development will be conducted at the KoKo Palace Convention Center and is expected to attract upwards of 500 participants.

"Everyone hears only what he understands." (Goethe)

"Although this is our official annual meeting of members," said A.L. Black, Water, Inc. president, "we welcome participation by any person interested in the future of water for West Texas and Eastern New Mexico." Black noted that the five dollar registration fee for members and non-members alike, included the luncheon session.

Water, Inc., a non-profit corporation made up of more than 2,000 members who voluntarily contribute dues to finance the organization's work, is building support for a supplemental water supply for the area it serves.

"Interest during the membership meeting this year will center around the nation and

world need for food and fiber and this area's ability to help meet these needs if we have sufficient water," said Duncan Ellison, executive director, Water, Inc. "Anyone having a stake in the future of the area will benefit from the program," he added.

Speakers appearing on the program include James Bradley, Amarillo, regional administrator, Bureau of Reclamation; John C. Ball, chief of the planning division, Corps of Engineers; Wayne Wyatt, manager, groundwater section, Texas Water Development Board; and Dr. James Osborne, agricultural economist and assistant dean, School of Agriculture, Texas Tech University.

MEETING SPEAKER...Rodney Dunnam, new employee of the Friona Texas Federal Credit Union, is shown as he spoke during the organization's annual meeting Tuesday night. (See story Page 12)

## Directors Named For Friona Credit Union

Election of directors highlighted the annual meeting of the Friona Texas Federal Credit Union here Tuesday night.

Re-elected as directors were Ray Landrum, Charles Scales and Jerry Brown. John Baca was named to fill the place which has been vacant since the death of Bill Teel.

On the loan committee, Ralph Roden and Alvin Gaines were re-elected.

Carol Bavousett, accompanied by Deke Kendrick, entertained the members.

## Eighth Graders Take District

The Friona Eighth Grade girls won championship honors when they downed Littlefield 32-16 Monday night.

They took the district title, but still have a game with Canyon White and Purple next week. This will not be a conference game.

FRIONA	11	17	24	32
Littlefield	4	9	13	16

Rhonda Parsons 5-1-11; Betty Rando 5-1-11; Cindy Cleveland 3-0-6; Linda Nelson 1-1-3; Barbara Rhodes 1-0-1. Other forwards playing were Robin Zetsche and Faith Mays. Guards—Johnna Thorn, Cindy Smiley, Diane Clark, Kathy Martin, Veronica LaFuenta, Bonnie Fallwell and Paige Osborn.

## TAX PURPOSES

### Depletion Maps To Assist Landowners

The High Plains Underground Water Conservation District No. 1 has made available the 1973 depletion maps, to be used by landowners and their accountants to calculate their possible deductions on their income tax statements. The maps are available at the District's Lubbock office, 1628-15th Street.

The maps depict the decline of the water table in the Ogallala Formation, and are available to persons owning property lying within the 15-county boundary of the Water District at a cost of \$7.50 per map.

The guideline maps are a result of the cost-in-water depletion, income-tax allowance, program carried on each year by the District's Lubbock office.

In their January 15 meeting, the District's Board of Directors voted to charge a fee of \$5 per parcel for all claimants in Bailey, Parmer, Lamb and Castro Counties. This means the \$7.50-maps will not be furnished for these counties—the landowner or his accountant must supply the District with the data necessary to compute their decline.

## Charter Buses Carry BB Fans

A group of 90 basketball fans from Friona went to the Friona-Morton game via chartered bus Friday.

The fans rode on two large Continental Trailway buses.

Employees at the City of Friona hit upon the idea as a means of saving a large number of cars going to the game, hence effecting a saving on gas, plus wear and tear.

FHS cheerleaders pitched in, making "spirit" signs which adorned the sides of the buses.

Saturated thickness, therefore, for those years would have been determined at a cost to the claimant of \$31.50.

However, to figure saturated thickness in this way would require the District to reprint outdated maps—therefore, the Board voted to provide to individual claimants the information necessary to determine the base saturated thickness at the time of purchase at a fee of \$25. This cost will also include the decline to the time of purchase.

For example, a Parmer County landowner purchasing land in 1970 and making a claim for the first time in 1973 would receive the saturated thickness information and the 1970 to 1973 decline information for the \$25 fee. This information should be available upon request.

Also, the Board announced that the Internal Revenue Service had accepted the results of a District survey of cost-in-water values for land changing hands in 1973. This information will be supplied free of charge to claimants.

RON SMILEY, MGR.

**NEW MEMBERS**

**Cattle Feeders Expand Efforts**

AMARILLO, Tex.—The Texas Cattle Feeders Association has announced the hiring of four new staff members to assist with its expanded marketing, beef promotion and membership service programs. Charles E. Ball, TCFA executive vice president, named as his executive assistant Dr. Richard P. McDonald, 29, former area livestock specialist with the Texas A&M University Extension Service.

**RESEARCH EFFORTS**  
McDonald will be responsible for coordinating research efforts sponsored by the TCFA and updating and planning workshops, TCFA programs and the annual convention. He will, in addition, work closely with state and federal regulatory agencies and association members.

Other appointments include Gary Culp, 25, of Amarillo as membership representative; Joe Wood, 32, of Dalhart as market reporter and Steve Munday, 24, of Fort Worth as information director.

**CULP'S BACKGROUND**  
Culp was livestock and meats specialist for the Texas Department of Agriculture in Amarillo. Wood was a management trainee for XIT Feedyard in Dalhart. Munday worked as field editor for The Cattleman Magazine in Fort Worth.

Culp will direct the TCFA membership program and will be responsible for membership relations. In addition to

membership solicitations in Texas, he will work with feedyards in the Oklahoma Panhandle and eastern New Mexico.

As market reporter, Wood will collect and disseminate market information for association members so that they will be informed of day-to-day market changes. He will also work daily with Cattle-Fax in Denver, Colorado.

Munday's duties will focus upon providing information about the TCFA and the feedlot industry to the news media while editing the association's weekly newsletter and annual.

The Texas Cattle Feeders Association, based in Amarillo since its formation in 1967, represents the Texas cattle feeding industry which fed 4.4 million head of cattle in 1973. Texas is the number one feeding state in the nation.

PAST, PRESENT....At a recent meeting of the Friona Evening Lions, District Governor Bill McMinn visited the club, and greeted a past district governor from Friona and a future one. From the left are W.L. [Preach] Edelman, District Governor in 1963-64,

McMinn, Charles Allen, who will be the next district governor, and A.L. [Jake] Outland, past cabinet secretary for the governor. The foursome also attended the District 27-1 midwinter convention in Amarillo last weekend.

RECEIVES GAVEL....State Senator Max Sherman of Amarillo is shown here receiving a gavel from Constitutional Convention President Price Daniel, Jr., significant of his position as Chairman of the Committee on Style and Drafting for the Convention. Delegate Sherman was appointed by Daniel during the first week of the Convention to serve in the chairmanship position of the

committee. Sherman, a Democrat from Senatorial District 31 said he is "proud to serve the State in the re-write of its basic document, the Constitution, and especially honored to be chosen to fill one of the prime leadership roles of the Convention by serving as chairman of the Style and Drafting Committee."

**TWDB Members Conduct Measurement**

Personnel of the High Plains Underground Water Conservation District No. 1, assisted by several Texas Water Development Board (TWDB) staff members, have begun the annual measurement of depths to water in the more than 800 observation wells in the 15 counties comprising the district.

The coordinated and systematic measurement of the depths to water in the

observation wells constitutes the only method of determining changes in the volume of water stored in the Ogallala aquifer beneath the land surface. The water level records obtained through the observation wells located in Parmer County constitute the foundation for the District's cost-in-water depletion, income-tax-allowance, program.

An observation well is one that has been selected for inclusion in the annual

water-level measuring program. All wells are privately owned—the district does not own any wells—and are measured with the permission of the well owners.

District personnel will be measuring wells in Armstrong, Lamb, Hale, Floyd, Lubbock, Crosby, Lynn and Hockley Counties. Wells located in Parmer, Cochran, Bailey, Deal Smith, Castro, Randall and Potter Counties will be measured by the TWDB crew.

In England, France and Wales, it was thought that crawling under an arch of brambles would cure rheumatism, if the rheumatism would permit the crawling!

**IN 1973**

**Production Credit Announces Increase**

Spiraling costs on the agricultural economic scene were re-emphasized in the Plains area when Plainview Production Credit Association reported its stockholders borrowed \$208 million in 1973—\$20.7 million more than in 1972.

James Rogers, the association's manager, said loans for production agriculture were up all over the state and were expected to increase even more in 1974.

Rogers noted that alleviation of the subsidy programs for agriculture and encouragement of a 15 percent production increase pointed to even greater money needs in 1974.

"In addition, fuel and energy in all forms are going to cost

more," the manager predicted. "We are confident that adequate credit for production agriculture will be available in 1974," Rogers said, "but because of higher cost of money and inflationary pressures, the price may be higher."

In 1973, Plainview PCA with its 31 sister associations which make up the Texas PCA System, loaned more than \$1.4 billion. Plainview PCA's charter territory includes Bailey, Briscoe, Castro, Floyd, Hale, Lamb, Parmer and Swisher counties.

Plainview directors are Loyd Widener of Lockney, Billy W. Carthel of Friona, Ray Robertson of Dimmitt, H.L. Porter of Petersburg and A.W. Anthony, Jr. of Friona.

**BUT L'FIELD FALLS**

**Canyon Halts Chiefs' Winning Skein At 9**

Friona's Chieftains had a nine-game winning streak snapped by the class AAA Canyon Eagles last Friday, 55-51, marking the team's second loss to Canyon this season.

"It was one of our worst shooting nights this year," stated Coach Ray DeBord, pointing out that the team hit a fantastically low 23 per cent of its shots from the field.

At that, Friona still outscored the Eagles from the field, 48-46, losing the battle at the free throw line, where Canyon led, 9-3 at the line. The cool-shooting Chiefs hit only three of ten charity tosses, and some of the misses were the first of one-and-one shots.

The Chiefs jumped out ahead, having an early eight-point lead, but Canyon rallied to trail by two, 10-8 at the end of a quarter.

The Chiefs went into their deep freeze as the second quarter started, and trailed at the half, 22-18.

**KofC Plan Trap Shoot**

The Bovina-Friona Knights of Columbus will sponsor a trap shoot Sunday, February 10. The shoot will be held from 2 p.m. until dark.

There will be a variety of shoots with cash prizes awarded in each contest.

Ammunition will be available at the shoot.

The shooting range is located three miles East of Bovina, South of U.S. Highway 60. Directional signs will be posted along the highway.

Everyone is invited to participate in these activities.

At one point in the third quarter, Friona was 12 points down. Still shooting cold, the team played exceptional defense, holding Canyon's score down, and by the midpoint of the final quarter, had pulled to within one point of the Eagles.

"That hard rally took a lot out of the kids, however, and we just couldn't get ahead," DeBord explained.

Gene Strickland came through with one of his better games in the scoring column, pacing the Chiefs with 22 points.

At Littlefield Tuesday, only needing to fight against a letdown, the team started slowly, but came on strong for a 68-49 win.

The host Wildcats had a 12-9 lead after a quarter, but Friona, substituting liberally, came back for a 26-25 halftime lead.

The margin was still only nine points entering the final quarter, 46-37, but the Chiefs broke the game open as the fourth quarter began, taking a 20-point lead halfway through the stanza, and winding up with a 19-point win.

Dale Cleveland's 18 and Dale Parsons' 16 points paced the Chieftains in scoring.

**CHIEFS** 10 18 36 51  
Canyon 8 22 39 55  
D. Parsons 7-0-14; K. Patterson 1-0-2; B. Lewellen 1-0-2; G. Strickland 10-2-22; D. Cleveland 5-1-11; C. Bandy 0-0-0; D. Clark 0-0-0.

**CHIEFS** 9 26 46 68  
Littlefield 12 25 37 49

Parsons 7-2-16; Patterson 3-0-6; Lewellen 3-0-6; Strickland 4-0-8; Cleveland 9-0-18; Bandy 1-0-2; Clark 3-1-7; Horton 0-0-0; Land 0-0-0; Fallwell 2-1-5; King 0-0-0. Tot. 32-4-68.

**CHIEFTAIN DEFENSE**...One of Friona's strong points has been defense, and here Bobby Lewellen is shown putting a tight guard against his opponent in the Dimmitt game recently. In the background is David

Clark for Friona and Dimmitt's Paul Langford. The Chiefs downed the Bobcats twice this season, probably the first time ever, by scores of 63-58 and 68-66.

**Eighth Grade Braves Take Two Victories**

The eighth grade Braves have won both of their last two games, giving them a 10-4 season record going into their last game of the season next

Monday at Morton. The teams only losses have been to Dimmitt and Morton.

The team defeated Dimmitt by a 41-35 score and then defeated Littlefield, 45-35. In the Dimmitt game, the Braves never trailed even though the game was tied twice, 2-2 and 4-4. Friona's longest lead was nine points and they held this lead four times during the third quarter.

Dimmitt pulled to within one point, 32-31, with 4:59 left in the game and to within two, 37-35, with 2:07 left.

The Littlefield game saw Friona trail until during the third quarter when the Braves scored 15 points while Little-

field scored only six. They also outscored Littlefield in the fourth quarter, 15-9.

**FRIONA** 8 20 32 41  
Dimmitt 4 13 29 35  
Ernest Mills 6-1-13; Edward Castillo 6-1-13; Glen London 4-0-8; Raul Braillif 1-1-3; Todd Bandy 1-1-3; Terry Wilcox 0-1-1.

**FRIONA** 8 15 30 45  
Littlefield 11 20 26 35  
Edward Castillo 8-1-17; Jeff Whiteside 6-1-13; Ernest Mills 2-4-8; Raul Braillif 2-0-4; Glen London 0-3-3.

**Squaws Split Contests; Finish With 20-9 Mark**

Friona High School's Squaws finished their season the past week, dropping a game to the strong Canyon Eagles, but rebounding for a big win at Littlefield.

The win at Littlefield enabled the Squaws to win 20 games for the fourth year in a row, and sixth time in the past eight years. Final season record for the team was 20-9.

The team's weakened defensive end, which suffered the loss of Teresa Ingram and Ossie Mae Lee in the middle of their district schedule, continued to plague them at Canyon, as the Eaglettes stormed to a 69-28 win.

Also hurting the team that night was the lack of a balanced

offense, as only two forwards got into the scoring column, Terri Patterson with 16 and Darla Rhodes with 12.

However, at Littlefield, offense wasn't a problem, as the team tied the one-game scoring record for the Squaws, romping past the Wildcat girls, 89-58.

Six players got into the scoring act at Littlefield, led by Miss Rhodes' 35 points and Terri Fallwell's 27.

It is conceivable that the team could have scored 100

points had not Coach F.G. Crofford let his bench see considerable action, as the Squaws had a 74-42 lead entering the final quarter.

The win left the team trailing Olton in district standings. Friona finished with a 2-1 second half district record, same as the first half, with Olton willing each portion.

The district championship is the first in history for the Olton girls.

**Ninth Grade Teams Split With L'field**

The ninth grade Maidens downed Littlefield here Monday for their third win of the season, 49-41.

Janice Peak poured in 20 points to pace Friona, as Jackie Rando added 15 and Dianne Bennett 14.

The ninth grade boys fell to Littlefield that night, 54-49, as fouls hurt the frosh cause.

Leslie Broadhurst's 13, Mark Neill's 12 and Keith Martin's 11

points paced scoring. The loss left Friona's record at 12-5 for the season.

**9th Grade** 10 14 30 49  
Littlefield 10 25 39 54  
Keith Martin 4-3-11; Rusty Patterson 1-1-3; Sammy Felder 3-1-7; Mark Neill 5-2-12; Leslie Broadhurst 6-1-13; Cris Ingram 0-1-1; Mike Blackburn 1-0-2.

**FRIONA** 8 20 36 49  
Littlefield 6 14 28 41  
Jackie Rando 15; Diane Bennett 14; Janice Peak 20; Jatun Widener 0; Guards-Linda Lee, Melodi Dixon, Sherri Rector, Jatun Widener.

# Venture For Boys-Chiefs Eye Playoffs

Given an assist on Tuesday by Dimmitt's 72-64 win over Morton, the Friona Chieftains went into their last two games needing only one win to clinch only the second class AA district basketball championship in the school's history.

If the Chieftains beat Morton Friday night, that wraps up the district title, since the worst they could do would be a tie with Dimmitt.

In the event of a Morton win, then the team merely needs to down Olton here Tuesday to clinch the tie for the second round—which would automatically give them the championship, since Friona won the first round.

A win in either of the team's last two outings would propel the Chieftains into the basketball playoffs for only the fourth time since 1936. Also, one more win will bring possibly the most season wins in the history of boys basketball at FHS, and certainly the most

in the past 37 years. Spicing up the return match against Morton's Indians was the chartering of two buses by Chieftain fans on Friday, which got underway as a means of saving some fuel by cutting down on the number of cars to go to the out of town game.

**BUSTRIP**

In about a day's time, Betty Smith, the trip organizer, had two 30-passenger buses full. A call to the New Mexico Transportation Company on Thursday resulted in changing to two large Continental Trailways buses, holding 45 passengers each—making 90 fans who rode the special buses to the big district game.

Commenting on the enthusiasm shown by the fans of the community, Coach Ray DeBord said this week—

"I know the Chieftains, and particularly the coaching staff, appreciate the backing the team is getting this season, particularly in our big games.

The fans have been real good in complimenting the boys after their games, too."

"When the boys realize how hard the community is pulling for them, that makes them want to put out a little more in order to win," Coach DeBord said.

\*\*\*\*

With the distinct possibility of a district championship looming, coaches, players and fans became interested this week in how the Interscholastic League playoff brackets would look.

The District 3-AA champion will meet the District 4-AA titlist, which appears at this time to be Lockney. The Longhorns won the first half, as did the Chieftains, and were leading the second half, also with an unbeaten record.

On the North Plains, a possible playoff between Dalhart and Stratford looms in District 1-AA, and Childress appears to be winning District 2-AA. The Chieftains downed the Childress team in the opening round of the Amarillo tournament.

To the south, Frenship won the first half of District 5-AA, but Denver City is leading in the second half. [Back in 1965, the last championship year for the Chiefs, the team lost its bi-district game to Denver City].

Nothing much is known about districts 6, 7 and 8, which stretch almost to Fort Worth on the east, past San Angelo to the southeast and El Paso to the southwest in the mammoth Region I to the U.I.L.

The bi-district date will be Tuesday, February 19, with the regional tournament slated at Lubbock the weekend of February 22-23.

POPS NET...A familiar sight for Friona basketball fans this season has been number 22, Dale Parsons, jumping just inside the circle and popping the nets for two points. He is shown accomplishing the feat in a recent game.

## Friona JV Beats Canyon

Friona's Junior Varsity played Canyon at Canyon and won with a final score of Friona 58, Canyon 43.

Canyon started the scoring and had four points before Friona scored. Then a free throw by Kent Miller started Friona's scoring.

David Hutson tied the score at 7-7 and Dusty Peters put Friona ahead 9-7 with 2:46 left on the clock in the first quarter. Friona led the rest of the ballgame with a final score, 58-43.

Dusty Peters led the scoring for Friona with 17 points.

\*\*\*\*

FRIONA 11 33 39 58  
Canyon 7 21 27 43  
Dusty Peters 7-3-17; David Hutson 6-0-12; Kent Miller 2-6-10; Alex Cabrera 3-2-8; Dee King 3-1-7; Kevin Welch 0-2-2; Davy Carthel 1-0-2.

Final score was Friona 14, Littlefield 19.

## VERY DANGEROUS

# Use Of Pesticides Increases Steadily

The use of pesticides in agriculture has grown by leaps and bounds in Parmer County during the past few years. It is recognized that pesticides have become a necessity in operating efficiently. All pesticides are potentially dangerous and must be treated with respect. In case of exposure always get the victim to a doctor. Until medical aid is secured, however, a first aid kit is valuable.

According to a recent article in "Agrichemical Age" written by Dr. J.E. Dewey of Cornell University you can make your own first aid kit. Dr. Dewey suggested that the container have a tight fitting lid that will not come open or let pesticides leak in. It should be labeled clearly. It should contain:

1. A small plastic bottle of a common detergent to wash pesticides off the skin.
2. A small plastic container of salt, used with water to induce vomiting or aid a person in shock.
3. A box or plastic container of baking soda or a bottle of Milk of Magnesia. Mixed with water, these will neutralize acidic chemicals that have been swallowed.
4. A plastic bottle of lemon juice or vinegar. They are used with water to neutralize basic or alkali chemicals which have been swallowed.
5. A small bag of activated charcoal. Mixed with water and swallowed, this acts as an absorber for all pesticides.
6. A shaped plastic airway for mouth-to-mouth resuscitation.
7. A thermos or large plastic bottle (at least one pint) of clean water. If there is no clean water in an emergency use lake or irrigation ditch water.
8. Simple band aids, bandages and tape. All cuts and scrapes should be covered to prevent pesticide entry.
9. A blanket is very useful, but keep it from becoming contaminated.
10. Tape a dime to the inside cover of the kit for emergency phone calls.
11. A small plastic jar with a tight fitting lid for drinking or collecting vomitus to take to the doctor.

Remember, get the victim to a doctor as quickly as possible. For further information on pesticide safety contact the Soil Conservation Service.

## JV Traveled To Littlefield

Friona's Junior Varsity went to Littlefield Tuesday and won by a score of 59-36.

David Hutson was leading scorer for Friona with 18 points.

## Ceremony Unites Hadley, Darnell

Dawn Hadley and Rickey Darnell were united in marriage in a single ring ceremony Saturday, February 2.

She is the daughter of Ima Jones, Route 2, Friona. He is the son of Mr. and Mrs. Dean Darnell of 1501 Columbia in Friona.

Friona Justice of the Peace Frances Euler performed the ceremony at Friona City Hall.

Ricky Patterson of Friona was best man.

Shena Hadley, Friona, sister of the bride, was maid of honor.

The bride was attired in a floor length gown of white satin with lace overlay. The gown featured a fitted bodice embroidered with pearls and empire waistline. The veil was made of silk illusion and was accented with a tiara of pearls. The dress featured a flowing train in the back.

She carried an arrangement

of white carnations with red streamers.

Carrying out tradition, the bride wore a veil belonging to the family for something old. Something new was her wedding dress. A ring belonging to a cousin, Kathy Jones, was something borrowed and she wore a blue necklace belonging to her aunt, Mrs. Nita Wheeler, for something blue.

The groom's mother was attired in a red and white ensemble. She wore a white carnation corsage.

The bride's mother wore a floor length white silk organza gown with a white carnation corsage.

The couple resides at 1501 Columbia in Friona.

The bride attended Friona High School. The groom was also a former student of Friona High School and is employed by Hicks Plumbing in Friona.

Mr. and Mrs. Rickey Darnell

## Organizations Plan To Attend Meeting

The Friona Jaycees, Jayceettes and the Jaycee's wives attended the Bovina Banquet on Saturday, January 12. The guest speaker was from Oregon.

Those attending the installation ceremonies for the Bovina officers were Mr. and Mrs. Don Dennis, Mr. and Mrs. Ernest Mingo, Mr. and Mrs. Albert Cupell, Mr. and Mrs. Paul Galyon, Mr. and Mrs. Dave Thompson, Mr. and Mrs. Fidel Madrid, Mr. and Mrs. Larry Taylor, Mr. and Mrs. Leslie Fithen, Donny Campbell and Mona Reed.

The Friona Jaycee-ettes met Thursday, January 17 in the home of Mr. and Mrs. Leslie Fithen.

Members attending were Carol Dennis, Pat Cupell, Pat Gatlin, Nancy Mingo and Linda Fithen.

Carol Dennis, president of the organization, picked a nominating committee. This committee is to select officers for the coming club year, 1974-75.

Hostesses for this meeting were Linda Fithen and Nancy Mingo.

The door prize, offered by the group, was won by Carol Dennis.

The local Jaycee-ettes attended a Happy Sit-in-Hen in Happy, Texas recently.

The program was on V.D. A very delightful meal was served to those attending.

The travel trophy was won by the Perryton Jaycee-ettes.

They will keep the award for one year then they will pass it to another club.

Approximately forty people attended the gathering.

Those from Friona attending the Happy meeting were Carol Dennis, Pat Gatlin and Nancy Mingo.

The next Sit-in-Hen will be held in Borger, Texas.

A Mini Convention will be held in Amarillo on Saturday, February 9. This will be the first convention held for the local Jaycees and Jaycee-ettes.

The admission prices will be Jaycees, \$7.50 and Jaycee-ettes, \$5.00. The convention will start at 9 a.m. that morning with the banquet and party.

The location has not been selected, but the clubs will be contacted.

Everyone in the area clubs are urged to attend and take part in these civic organizations.

## Marriage Announced

Mr. and Mrs. Jessie Morales announce the marriage of their daughter, Teresa, to Ezequiel B. Constancio, son of Mr. and Mrs. Fred Constancio of Friona.

The couple exchanged wedding vows Saturday, January 26, and are at home at 221 W. 7th Street in Friona, following a wedding trip to Roswell, New Mexico.

The couple are both former Friona High School students.

## Students Place In Hereford Tourney

Friona High School students took second place honors in the Hereford Speech Tournament in Hereford last Saturday.

There were eighteen schools entered in the tournament. Muleshoe took first place honors.

Danny Simpson placed third in the prose reading division; Jeanine Jarboe won third in informative speaking.

Those students making it to the finals were Pattin Talley, poetry; Hope Mays, prose reading; and Kyle Shelton, informative speaking. Making it to the semi-finals

were Denise Shipp, poetry; David Hardgrove and Cinda Johnson, persuasive speaking; Brian Witten, informative speaking; Trip Horton and Mickey Harrelson, debate team; and Gary Stone and Pattin Talley, duet acting.

Other schools entered in the contests other than Friona and Muleshoe were Dalhart, who took third place, Forsan, Denver City, Meadow, Muleshoe "B," Boys Ranch, Dumas, Olton, Groom, Bovina, Lubbock Christian, Panhandle, Dimmitt, Springlake-Earth, Spearman and Levelland.

RENDA TRICE AND WALTER D. CARLTON...Mr. and Mrs. W.L. Trice of Lueders, Texas and Mr. and Mrs. A.L. Carlton of Friona announce the engagement and forthcoming marriage of their children Renda and Walter D. Carlton believing it to be the will of their Lord and Saviour Jesus Christ that they be joined in the Holy bond of matrimony. Miss Trice is a graduate of Floydada High School and now a senior at Wayland Baptist College in Plainview. She is majoring in elementary education. Walter is a graduate of Friona High School and now a senior at Wayland Baptist College. He is a student manager of the Wayland cafeteria. He is majoring in sociology. The sharing of the wedding vows will be Saturday, the ninth of March at two o'clock in the afternoon at First Baptist Church in Lueders, Texas.

## Clubs Collect \$612 For March Of Dimes

The members of Epsilon Sigma Alpha and Friona Future Homemakers of America conducted a joint drive for the March of Dimes locally.

The clubs collected a total of \$612.85 through their march. Local businesses contributed \$241.00. Students of Friona Junior High contributed over \$50.00.

The money has been sent to the District office for the March of Dimes in Lubbock. This will

be used for research and treatment of birth defects.

The ESA club members attended the District Nine meeting in Lubbock.

Candee Sanders was a candidate from the local ESA club for the annual Sweetheart contest. She was the only contestant from the Friona area.

The contest was held in Lubbock.

The first year Brownie Troop #279 visited the Friona Star office on Monday, February 4.

They toured the office facilities. The machines were demonstrated to the girls and their leaders. The girls looked through some of the old newspaper files, finding the birth announcements of those who were born in Friona and had their announcements printed in the Friona Star.

The troop members attending were Tammy Bush, Kim Carthel, Shawn Carnes, Sharon

## Bake Sale Scheduled

The Friona Rebekah Lodge will have a bake sale Wednesday, February 13 at Houser's Grocery & Market.

The Rebekahs invite everyone to come by and select their home-baked goods for Valentine's Day.

Frye, Diane Johnston, Bobbi Ann Kinder, Jessica Maurer, Gayla Stowers, Janie Trevino, Tammy Smock, Kristi Britting, Patsy Aragon and Stacy Green.

Troop leader Terri Carthel and assistant leaders Rita Frye and Louise Bush accompanied the girls. Kevin Frye was a special guest.

## Frionans Hospitalized Out-Of-Town

Mrs. I.V. Moseley is a patient at High Plains Baptist Hospital in Amarillo.

Jimmie Murphree is also a patient at High Plains Baptist Hospital in Amarillo.

Mrs. Janice Thompson is a surgical patient at Nichols Hospital in Plainview.

Read Psalm 104:1-24

He shall come down like rain upon the mown grass; as showers that water the earth. (Psalm 72:6)

After weeks of dry, hot weather, rain fell abundantly, on a late July night, relieving our weary spirits and the thirsty earth about us. Blades of grass and flowers and shrubs lifted their heads as if in praise and thanksgiving.

God comes to us in the rain as He comes every day and night with His many blessings.

God comes to us in our weariness, our distresses, and our sorrows, saying, "Come unto me, all ye that labour and are heavy laden, and I will give you rest."

God comes to us in our joy over work well done to say, "Enter thou into the joy of thy Lord."

God comes to us in our complacency to prod us awake. God comes to us, indeed, in many ways, making us aware that

"Earth's crammed with heaven,  
And every common bush afire with God;  
And only he who sees takes off his shoes,  
The rest sit round it and pluck blackberries."

PRAYER: O God, our Father, open our eyes that we may see Thee expressing Thyself in the world around us. Amen.

THOUGHT FOR THE DAY  
All of creation is filled with signs of God's power and love.

## LIBRARY CORNER

"When an entire family likes to read and checks out books often you notice," said Mrs. Billie Fairchild, librarian at Friona Public Library. "And the C.L. Bates family are in frequently to get more books."

Mrs. Josie Bates, mother of the six Bates children, said that her family all enjoy reading. "Their father encourages the children to read good books."

Reading develops a person's mind, he tells them."

Ronnie Bates is sixteen years of age and enjoys any good book but lists Zane Grey western novels as his favorite. A junior in Friona High School, Ronnie spends much of his time in youth ministry work.

Mike reads every spare minute he can find, preferring books about horses and dogs. An eighth grader in school, Mike played football on the Freshman team.

The Bates twin girls are seventh graders, Linda and Glenda. According to their mother, their favorite books were the Hardy Boy Mysteries and the Nancy Drew series until they read all that are in the library. The girls enjoy mysteries, but read other good books too. Linda and Glenda are interested in music and take piano lessons and also are very active in the Missionettes, a church girl's club.

Fifth grader Sam is eleven years of age and enjoys reading Hardy Boy books. He plays the coronet in the fifth grade band, plays in Little League and also takes piano lessons.

The youngest member of the family is Paul, who is a first grader. Last year Paul attended Thursday morning Story Hour at the Friona Public Library and took home three books each week for his mother to read to him. Now that he is a reader, he lists Dr. Seuss books as his favorites.

Mr. and Mrs. C.L. Bates moved to Friona from Lubbock and reside at 1006 Ashland. Mr. Bates is pastor of the Assembly of God Church. Both parents enjoy reading, concentrating on Bible study and religious material.

"We have certainly enjoyed the Friona Library," Mrs. Bates said. "The librarians are so nice and there is a good selection of books."

Let the library serve any need for study material you may have. Books not available in the library can be obtained for you overnight. Friona Public Library welcomes new readers.

CONNIE ROSE WHALEY...Mr. and Mrs. Watson Whaley, of Friona, announce the engagement and approaching marriage of their daughter, Connie Rose, to Dennis Ray Slagle, son of Mr. and Mrs. Ray Slagle of Benicia, California. Miss Whaley is a 1969 graduate of Friona High School and of West Texas State University and is a teacher in Stratford High School. Slagle is a 1969 graduate of Benicia High School and a graduate of Heald College, San Francisco, California. He is now serving in the Navy Reserves and farming at Stratford. The wedding will take place on April 6, at the Congregational Church in Friona.

## Report Reveals Increase

Assets of First Federal Savings and Loan Association as of December 31, 1973 total \$63,647,076.46, up \$8,288,820.62 or 11 percent from the \$57,264,993.72 reported a year ago, the association's annual report revealed today.

The report, issued by Clyde Rayl, President, showed that savings balances held by the association now amount to \$56,241,406.70 as compared to \$51,192,608.48 a year ago. Rayl noted that 1973 had been an excellent savings year for the association.

Record dividends totalling \$3,001,269.33 were paid to the 11,127 account holders of the association during 1973. Mortgage loans put on the books during the year amount to \$13,446,644.85, bringing total loans to \$57,869,716.86.

"From the way things look now, I think that savings inflows will continue to be adequate to meet the demands for home mortgages in this area. Construction of new homes will be down in 1974, however, I anticipate an active year in the sale of existing homes add money for commercial building will continue to be tight, Rayl commented.

"All in all I think 1974 is going to be another year of development and progress for First Federal Savings and Loan Association of Clovis," he concluded.

## Hospital Notes

### ADMISSIONS--

Lillie Mae Scott, Friona; Mrs. Noe Coronado and baby girl, Hereford; N.E. Wood, Friona; Annie Scott, Friona; Vicente B. Sierra, Bovina; I.V. Moseley, Friona; James L. Taylor, Friona; Natividad Saldana, Friona; Richard Butts, Summerfield; Laura Brito, Bovina; Mrs. Jesus Melchor and baby boy, Friona; Tasha Northcutt, Hereford; Moses Gonzales, Bovina; Salvador Alvarado, Friona; Joe Mejia, Friona; Claude Osborn, Friona; Noelia Medina, Friona; Glee White, Friona; Henry White, Friona; Katy Stowers, Friona; Florene

Butts, Summerfield; and Dora Mejia, Friona.

### DISMISSALS--

Mrs. Bulmaro Medina and baby girl, Paul Anthony Ortiz, Andy Sandoval, Noyle Wood, Mrs. Noe Coronado and baby girl, Richard Butts, Moses Gonzales, Tasha Northcutt, Salvador Alvarado, Joe Mejia, Henry White, Linda Jass, Laura Brito, Mrs. Jesus Melchor and baby boy, Vicente Sierra and Natividad Saldana.

### PATIENTS IN HOSPITAL--

Zell Auburg, Benita Bermudez, Florene Butts, Bessie Bogges, Bill Cogdill, Elmer Euler, Jessie Garcia, Lois McCutchan, Dora Mejia, Noelia Medina, I.V. Moseley, Claude Osborn, Katy Stowers, Annie Scott, Wayne Spears, J.L. Taylor, Glee White and Lester Williams.

## Bob Price Awarded High Scout Honor

U.S. Representative Bob Price was awarded the highest honor of the Adobe Walls Council of the Boy Scouts of America recently in an awards ceremony. Price was among five men receiving the "Silver Beaver" Awards.

In presenting the awards, Frank Culbertson, National Boy Scout Council Representative from Pampa, said, "The Silver Beaver is the highest award that a local council may make."

"The National Council of the Boy Scouts of America awards the Silver Beaver Award each year, upon the nomination of local Councils. The Award is made for noteworthy service of exceptional character to boyhood by registered Scouters within the territory under the jurisdiction of a local council."

In making the award to Price, he said, "This Scouter has served for over ten years as a Sustaining Member and

Council Member at Large; he has been especially dependable on special projects both in the finance field and the program field.

"He is a member of the First Baptist Church and was a teacher of the Every Man's Bible Class. He also served as teacher of the young people in his church. He served his community as President of the Top of Texas Kiwanis Club. He served his country as a combat pilot during the Korean War where he flew 26 missions. He is currently serving his country as Congressman of the 13th Congressional District.

The four other Scouters receiving Silver Beavers were: A.M.L. Kube of Borger, P.S. "Jack" Stallings of Phillips; Drew Ellis of Perryton, and Jesse James Nelson of Guymon, Okla.

**WINS DOW AWARD**

# Hospital Equipment Is Gift Of Hi-Pro Feeds

A local firm's healthy sales of animal health products recently resulted in a healthy grant of nearly \$3,000 worth of equipment that will assure better health care at Parmer County Community Hospital here.

The company, Hi-Pro Feeds, Inc., a division of Friona Industries, presented equipment that makes it possible for the hospital to perform certain blood chemistry analysis on its own premises for the first time. It also has ordered a "memory loop" that will improve the hospital's cardiac care facility.

The award came "just in time to solve a dilemma for us," said

Dr. Paul Spring, member of the hospital's staff and board of directors, during presentation ceremonies at a board meeting Tuesday night.

He explained that the hospital has until now been able to get blood analyzed at a commercial laboratory in nearby Hereford which has at least temporarily discontinued the service.

**SAVES TIME**

"Until Hi-Pro gave us this equipment," he continued, "we were forced to send blood samples to Amarillo or Dallas in the absence of a nearby source. In a critical situation, this could take too much time. We

conceivably could lose a patient in the meantime."

Eldon Rape, manager of Hi-Pro's animal health department, said Hi-Pro won a total of more than \$8,500 in awards for non-profit service organizations of its choice in a unique marketing promotion sponsored by Dow Chemical U.S.A. by significantly increasing its 1973 sales of Dow animal health products.

"We tried to divide this up for presentation in the communities which contributed most directly to our animal health product sales increases by buying the Dow products from our branches," Rape said.

"We figured about \$3,000 of the total should go to the Friona area and we selected the hospital because it is a community facility operating to serve everybody. In a sense, this lets everyone share in our award."

The flame photometer given to the hospital enables the hospital's medical technician to analyze blood samples for levels of sodium, potassium, calcium and lithium, Dr. Spring said, adding that these are among the most critical of blood tests required when a blood chemistry imbalance is detected or suspected.

The "memory loop" for the cardiac care facility is an electronic device which permits a nurse to "replay" and capture on tape for a physician's examination any erratic behavior she may note while monitoring a screen that constantly displays electrocardiogram data for heart patients in intensive care. "Our present equipment can produce a constant hard-copy record," Dr. Spring said, "but this means a doctor must examine hours and hours of tape to recover significant portions. This new device should save time and reduce the possibility that important data will be overlooked."

**OTHER AWARDS**

Rape said other awards Hi-Pro is making in the Dow contest include a \$3,000 roof to cover a patio play area at the West Texas Rehabilitation Center for handicapped persons in Abilene, Texas; a pool table for the resident training facility at St. Catherine Hospital, Garden City, Kansas; and color TV sets for the Dumas Convalescent Center; the Development Education Enrichment Program Organization at Uvalde, Texas; St. Mary's Hospital, Roswell, N.M.; and Baptist Orphan's Home at Texarkana, Texas.

## City Employees Given \$25 Cost Living Raise

City employees were given an across the board \$25.00 per month pay increase to help compensate for the cost of living increase, by the Friona City Council at its regular meeting Monday night.

The increase will be paid out of the city's quarterly Revenue Sharing Funds.

It was at first thought that the revenue funds would only be used by the city for capital improvements, rather than for such regular obligatory areas as salaries.

When asked what if the Revenue Sharing Funds are terminated, City Manager Jake Outland replied that the employees were willing to take that risk, in order to get the much-needed raises.

In other business, the council approved the establishment of an outreach center for the Central Plains Mental Health/Mental Retardation Center from Plainview, and

approved the use of a portion of the city office for the clinic.

Baker Duggins and Dale Houlette appeared on behalf of the center. Houlette's Friona Noon Lions Club had agreed to sponsor the local center.

Council members were shown a demonstration of a possible firemen's alert system using individual paging electronic equipment, by Bob Sanders of the Motorola Company, Amarillo. No action was taken on this equipment, however.

Routine matters approved included authorization of Friona State Bank as collecting agent for the city's general

obligation bonds; payment of \$1830.11 to the Panhandle Regional Planning Commission (PRPC) for the city's share (one-fourth) of new radio communications equipment and authorizing the change of tax valuation to \$6.00 per square foot for new construction, from \$5.50.

A resolution was passed calling the annual joint city and school election for Saturday, April 6.

Miscellaneous business included discussion on an ordinance establishing a landfill operation for the city of Friona, although no action was taken.

When Leif Ericson landed in America in A.D. 1000, he was so struck by the abundance of wild grapes that he called the land Vinland, "Wine land."

**IN HEREFORD**

**14 4-H Members Exhibit Animals**

Fourteen 4-H members exhibited their animals last week in the Hereford Junior Livestock Show. The barrow show was January 24, with the lambs and steers showing the 25 and the judging contest on the 26. In the barrow show Mark Owen of Farwell showed the seventh and eleventh light-weight Durocs. Randy Gerles showed the 14th place light-weight Duroc and his sister Dondra, showed the 14th place mediumweight cross. Mike Windham exhibited the second place mediumweight Duroc. Russell Windham placed his heavyweight Hampshire third and his heavyweight Duroc sixth.

In the lamb show, Karene Hart had the sixth place heavyweight medium wool and the 15th lightweight finewool cross. Holly Hart showed the ninth place mediumweight finewool cross and Evelyn Hart exhibited her heavyweight mediumwool to 12th. Russell Windham showed the fifth place lightweight finewool and Mike Windham showed the fifth place heavyweight finewool.

The steer show concluded the judging activities on Friday. Joan and Galen Carson of Bovina exhibited the sixth and 13th place lightweight crosses respectively. In the medium-weight cross class, Galen placed eighth, Joan tenth and Roy Hartzog 12th. In the light-weight Hereford class Debbie and Jimmy Menefee of Friona, placed fifth and seventh.

The livestock judging contest on Saturday wrapped up the week's activities. Participating in the contest were Roy Hartzog, Galen Carson, Donnie Gustin, Gustin, Donna Campbell, Holly Hart, Russell Windham, Joan Carson, Andy Rogers, Quentin Mimms, Tommy Hill, Dennis Steinbock and Mike Windham.

The Senior team placed seventh in the 4-H division. It was composed of Roy, Galen, Donnie and Donna. The Junior

team, composed of Joan, Russell, Dennis and Quentin placed eighth in the 4-H division. The next show on the spring circuit will be El Paso, February 1-8, 1974.

**Motorists Can Purchase**

**New License Plates**

The sale of Texas license tags began Friday, Feb. 1, according to Hugh Moseley, Parmer County tax assessor-collector.

Motor vehicle owners have been receiving license renewal applications from the Texas Highway Department in Austin during the past month for the purpose of obtaining 1974 plates.

Owners may order their tags by mail by sending the three-part application, regis-

tration fee and \$1 to cover the cost of mailing, said Moseley.

Applications should be mailed to the county courthouse in Farwell and not to Austin, he explained.

License plates may also be obtained in person at the county tax office, he added, by using the same applications.

Monday, April 1 is the deadline for Texas motorists to display their '74 tags.

**SCS News**

Farmers concerned with using the best available acreage to increase their cropland can get valuable data from a soil survey. Edward E. Thomas, state conservationist for the U.S. Soil Conservation Service, said.

Soil survey field work has been completed for 123 counties in Texas and the data is available to anyone making land use decisions.

Work is currently under way on soil surveys for all remaining counties in the state, Thomas added.

"With a soil survey map, you can read the land like a book," said Thomas. "Some soils are ideal for a particular crop. Others are better off in another crop, or left in grass, trees, or as wetland. And on some soils, the owner can choose between pasture, trees or crops."

"The point is, that a great deal of soil information is available to farmers and other land users. Even where surveys are not yet completed, the Soil Conservation Service—working through local conservation districts—often can provide at least partial soils data to anyone considering a change in land use."

Local soil survey maps and information can be obtained from the Soil Conservation Service Office in Friona.

TRYING THE SNOW...Brent and Wendy Hinkle, children of Mr. and Mrs. Jerry Hinkle, are shown enjoying the snow following Thursday morning's three-inch fall locally. Contrasting to last year, the snow was the largest one to date.

## New Man Added To Development Board

A veteran employee of Southwestern Public Service Company has been added to the staff of the electric company's area development department.

The appointment of Kenneth E. Owen as area development consultant was announced by Larry Milner, SPS manager of area development.

Owen's responsibilities will be to step up the economic development activities in the non-metropolitan areas and to promote industrial development in the larger cities in the area served by Southwestern Public Service Company.

A graduate of Texas Tech University where he earned a degree in management, Owen has been employed by SPS for 16 years starting in the Lubbock office as division lighting specialist. He was transferred to Amarillo in 1965 as lighting sales manager for the entire company.

Owen is the immediate past president of the Panhandle Chapter of the Illuminating Engineering Society and has been active in the Boy Scouts of America, United Way and

Kenneth E. Owen

Christian Businessmen's Committee. He is a member of Sigma Iota Epsilon-Honorary Management Fraternity.

Owen and his wife, Jeanne, live at 6705 Jameson Road in Amarillo and have two children, Linda and Brent.

## Certified Seed Directory Now Available

AUSTIN—When a farmer buys a sack of planting seed, he has his entire crop and year's income at stake.

To help farmers select seeds, Agriculture Commissioner John C. White has announced the publication of the 1973 Texas Certified Seed Directory.

The directory lists the 133 seed growers who have applied for inspection under the seed certification program. It also lists the acreage of foundation, registered, and certified seed for each grower, White said.

"The seed directory is available to farmers so they will know which seed producers are meeting the strict standards and quality requirements of the State of Texas," he said.

Copies of the 1973 Texas Certified Seed Directory are available by writing to John C. White, Commissioner, Texas Department of Agriculture, P. O. Box 12847, Austin, Texas 78711.

## Holly Sugar Corp. Reports Good Yield

Holly Sugar Corporation recently reported higher earnings for the nine months ended Dec. 31, 1973 compared with the same period last year.

Sales were \$79,610,000 compared with \$81,376,000 a year ago.

Net income was \$3,441,935 or \$2.21 a common share compared with \$2,104,878 or \$1.35 a common share for the comparable period last year.

Provision for federal and state income taxes was \$2,723,000 compared with \$1,904,000 for the same period last year.

In an interim report to stockholders, President John B. Bunker said that the sugarbeet crop in the Rocky Mountain and Texas areas produced a normal yield.

Heavy rains in November stopped harvest of the Northern California crop earlier than expected. This remaining acreage will be harvested with the overwintered crop of sugarbeets this spring, Bunker said.

The Imperial Valley (California) crop was planted earlier than normal and is making excellent progress with harvest scheduled for early April.

Bunker said that the corporation's factories use natural gas as a primary fuel and residual fuel oil as a stand-by.

"Because of an increase in natural gas curtailments, fuel oil storage capacity is being

increased to ensure continued factory operations during curtailment periods," Bunker reported.

Bunker said that the present energy shortage will result in higher operating costs.

"We expect that the government's program of fuel allocation and Holly's program for energy conservation will help minimize these increases," he said.

He reported that it wasn't possible at this time to predict the magnitude of future fuel cost increases or the effect on Holly's operations.

He also pointed out that on an industry-wide basis, sugarbeet acreage declined 10 per cent in 1973 because some sugarbeet growers had diverted acreage to other control-free crops.

"Continuation of price controls on the industry can only result in a further decline in the supply of sugar produced in this country with a consequent increase in the demand for and price of imported sugar," he reported.

He explained that the House Committee on Agriculture expects to hold hearings in the near future on extension of the Sugar Act, which expires Dec. 31, 1974.

"In the past, this legislation helped to maintain a domestic industry while making adequate supplies of sugar available to consumers at reasonable prices.

## Season's Top Snowfall Leaves Three-Inches

Best snow of the winter season hit the Friona area Thursday, leaving three to five inches of the white stuff.

Official measurement in Friona was just under three inches, which left a moisture content of .14 inches.

This winter, in contrast to last, has been very dry, whereas last winter saw an average of as much snow as fell Thursday coming at least every week.

The mercury plunged to 10 degrees on Friday morning, one

of the coldest readings this winter, in the wake of the cold front.

Date	Hi	Low
Saturday, Feb. 2	67	29
Sunday, Feb. 3	54	22
Monday, Feb. 4	56	24
Tuesday, Feb. 5	63	30
Wednesday, Feb. 6	66	16
Thursday, Feb. 7	34	16
Friday, Feb. 8	34	10
Moisture—10 inch [2-1/2 inches of snow on Thursday].	.04 inch [1 inch left on ground],	Friday

## Frionan's Mother Buried In Buffalo

Addie Virginia Fields, mother of Clyde Fields Jr. of Friona, died Wednesday morning, January 30 in the Erick Nursing Home after an extended illness.

Funeral services were conducted Friday at 2 p.m. at the First Baptist Church of Buffalo with Edward Moynihan officiating.

Burial was in the Buffalo Cemetery.

She had formerly lived in Mayfield and Sayre, Oklahoma.

She was born February 1, 1886 at Copeville, Texas. She was married April 10, 1904 at Copeville to Clyde L. Fields. She was a member of the First Baptist Church of Buffalo.

Survivors, other than Clyde, are two daughters, Mrs. Ola

Keathley of Mayfield and Margie Hundley of Sayre; eight grandchildren, 13 great-grandchildren and three great-great-grandchildren.

To the Israel child whose father was permanently crippled in the Middle East crisis, Americans who give to the United Jewish Appeal are like godparents. A contribution may be mailed to the Appeal at 1290 Avenue of the Americas, New York, N.Y. 10019.

## SWCD Dam Site Under Construction

The Parmer County SWCD in connection with the Soil Conservation Service has made the announcement that the Dam site at Bovina is one-third completed.

The dam site is on Catfish Draw, one and a half miles northwest of Bovina. This is the first flood prevention dam to be constructed on the High Plains.

Other dams on the Running Water Draw Watershed Project are in the final design stage.

If you have not seen this dam under construction you might like to go by.

**SPILLWAY GOES IN...**The three-foot pipe which makes up the spillway at the Catfish Draw damsite north of Bovina is shown

above, as the pipe was put in place recently. Officials of the Soil Conservation Service say the damsite is one-third completed.

**MONKEY BABY:** Clarissa H. Beatty, Ph.D. (r.) and Rose Mary Bock, Ph.D. give "mother love" to cuddly infant rhesus monkey at Regional Primate Research Center in Beaverton, Ore. The physiology of monkeys is being investigated in a scientific research project sponsored by Muscular Dystrophy Associations of America. Because monkeys are more biologically similar to humans than are most laboratory animals, Dr. Beatty and her co-workers hope their study of the muscle metabolism of the rhesus monkey during development and growth will yield data useful to understanding the dystrophic process in children. Dr. Beatty's research endeavor is just one of over 220 MDAA-supported studies now underway in leading hospitals, universities, and research centers in the U.S. and 13 foreign countries.

# Kenneth Cole is Gifford-Hill in this area.

He's highly qualified to help you with any irrigation problems you may have and he's got the very best equipment available to do it with.

Gifford-Hill's 360. Vanguard PVC Plastic Pipe and Aluminum Pipe. Plus a long list of accessories.

If you haven't already met our irrigation expert, drop by soon and get acquainted.

And while you're there, let him show you the latest additions to Gifford-Hill's line of irrigation equipment.

Check with us before you buy. We can save you money!
