Amerada Completes Second Producer In Von Roeder Pool

Amerada Petroleum has completed its No. 1 Cora E. Weathers as the second producer from the Canyon reef, the Von Roeder field of Southeast Borden County. The well reported a calculated 24-hour potential of 1,430 barrels of 40.3-gravity oil, flowing through a one-half-inch tubing choke. That potential was based on an actual flow of 624 barrels of oil in 10 1/2 hours. Gas-oil was 1,320-1. Flowing tubing pressure was 900 pounds.

Open Hole Production
The production was from open hole between 6,820 feet and the total depth at 6,850 feet. Top of the Canyon reef is at 6,818 feet. That is a datum of minus 4,455 feet. That makes No. 1 Weathers 12 feet higher on the top of the reef to the same point in Amerada No. 1 Von Roeder the discovery of the Von Roeder field.

The No. 1 Weathers is a south offset to the Von Roeder discovery and 1,900 feet from the 6,660 feet from north lines of section 94, block 25, H&TC survey.

The No. 1 Von Roeder was completed flowing oil and a small amount of water. The No. 1 Weathers is the second exploration well to reach the Canyon reef line in that region, which is five miles west of Knapp.

Magnolia No. 2 Parks Is High On Devonian

Magnolia Petroleum Company No. 2 Parks, Central-West, Midland County wildcat, 11 1/4 miles southwest of the city of Midland, is drilling below 11,550 feet in Devonian lime.

Top of the Devonian was called at 11,560 feet. Elevation is 2,835 feet. That gives the prospector a datum of minus 8,725 feet on the top of the Devonian.

Some geologists correlate No. 2 Parks to be 103 feet high on the top of the Devonian to the same point in the Texas Company No. 1 Scharbauer, small Ellenburger producer four and one-half miles north and west of the Magnolia prospect. Magnolia No. 2 Parks was 123 feet high on the top of the Pennsylvanian to the Texas producer, which is the discovery of the Warfield-Ellenburger field.

Already A Producer
Magnolia No. 2 Parks showed for a discovery from the Pennsylvanian when it flowed 23.38 barrels of oil in two hours on a drillstem test at 10,398-468 feet, through a five-eighth-inch bottom hole choke.

Operator drilled it deeper to test the Devonian. The section between the top of the Devonian at 11,560 feet and the 6,035-6,200 feet, drilling at 11,650 feet, had not logged any appreciable shows of oil or gas.

Location is 660 feet from north and 2,180 feet from west lines of section 10, M. Daugherty survey.

Tester To 8,300 Feet Staked In NE Yoakum

George P. Livermore, Inc. is to begin operations at once on the No. 1 A. M. Brownfield, lower Clear Fork wildcat in Northeast Yoakum County.

Proposed depth is 8,300 feet, possibly test the lower Clear Fork shows in the Honolulu Oil Corporation No. 1 Cobb, recently completed upper Clear Fork discovery four miles to the south.

Drill site is the No. 1 A. M. Brownfield, 660 feet from south and east lines of section 15, block D. J. H. Gibson survey, and 13 miles northeast of Plains.

Operations are to begin at once. Before completing in the upper Clear Fork at 6,035-6,200 feet, the Honolulu No. 1 Cobb tested all formations down to and including the Ellenburger at 11,662 feet.

Free oil was recovered by the No. 1 Cobb in the lower Clear Fork at 7,888-8,970 feet on a drillstem test.

Sun To Drill Wildcat In Central Kent

Sun Oil Company has staked a 7,250-foot Pennsylvanian wildcat in Central Kent County, five and one-half miles southeast of Claremont.

Sun No. 1 Bibby Wallace will be 660 feet from south and east lines of section 46, block 98 H&TC survey.

Drill site is approximately six miles southeast of General Crude Oil Company No. 1-A Percy Jones, recently completed Strawn discovery, and seven and one-half miles northeast Mid-Continent Petroleum Corporation No. 1 Bibby Wallace, a dry hole recently plugged in the Ellenburger at a total depth of 7,415 feet.

Drilling operations on the proposed Sun venture are to begin by April 28.

Reef Yields Water In Borden Stepout

C. H. Sweet and Associates, No. 1 McNell, Southwest Borden County wildcat found 1 1/2 water in the first time it encountered in the Pennsylvanian, and is circulating while waiting on orders.

This venture topped a lime, thought by some observers to be the Canyon reef, at 7,028 feet. That is a datum of minus 4,665 feet. It drilled to 7,018 feet. The same.

First Telephone Walkouts Start

Strike Threat Curtails Rail Line Services

PHILADELPHIA—(AP)—The Pennsylvania Railroad, acting in advance of a threatened strike of locomotive firemen, Monday ordered a halt to its long-distance passenger trains and all its Western freight service Monday night.

Walter S. Franklin, president of the nation's largest railroad, said the move was being taken to "assure that no passengers are stranded short of the final terminals of their trains."

"Long distance passenger trains will cease operations on an orderly schedule," Franklin said.

Under his plan, PRR will halt almost all its long distance trains Monday night. Some will make their last runs early Tuesday morning.

The strike, called against seven rail lines, becomes effective at 6 a.m., Eastern Standard Time, Wednesday.

All of the PRR's vast network of freight operations will be halted at 11:01 p.m. (CST) Monday. Embargoes Announced

Already the Atchison, Topeka and Santa Fe has embargoed shipments of livestock and perishable freight.

The Southern Railway has announced it will close down its entire 8,000-mile system by Wednesday if the strike threat continues.

Two presidential fact-finding boards have ruled against the need of a third man on the diesel engines. The quarrel has been going on for years.

Air Force Weak, Says Symington

WASHINGTON—(AP)—W. Stuart Symington, retiring secretary of the Air Force, said Monday the combat effectiveness of the Air Force has decreased in the last six months.

He told a news conference the drop in effectiveness is a result of cuts in numbers. He said the forces remaining have increased in efficiency.

The selling wave lasted a matter of months, he said. The Air Force, he said, has been in government service the last several years. Secretary Johnson administered the oath of office.

For 70-Group Strength
Symington held his news conference just before leaving the Air Force post to become chairman of the National Security Resources Board.

He repeated a statement he has made before—that he believes a 70-group Air Force is essential to the military security of the country. In his written report to Congress, he had said the proposed defense budget for the 12 months beginning July 1 won't keep up even a 48-group Air Force.

But Symington told the reporters the Air Force recognizes the country could be defeated by economic disaster as well as military disaster. He said he therefore supports President Truman's 48-group program without any reservation whatever.

In response to a question, he said he has no opinion as to how large an Air Force the country can afford economically.

He added: "I don't see how you're going to balance the budget if you face up to the international situation."

Lions District Meet Underway At Alpine; Midland Seeks Parley

ALPINE—Midland appeared to have the inside track for the 1951 convention city of District 2-T-2, Lions International, as its annual Spring conference got into high gear here Monday. No other convention bids had been voiced at the noon recess.

More than 235 visiting Lions and their wives are registered for the convention, which opened Sunday night. Monday night banquet will conclude the meeting.

District Governor James L. Daugherty of Midland is presiding at the convention sessions.

The hottest thing at the conclave is the three-way race for the governorship. Observers said the outcome is very much in doubt. The candidates are Roy Carter of Kermit, Jack Hawkins of Pecos, and George Spence of Ysleta. Voting is scheduled during the afternoon and the winner will be announced at the night banquet.

Ray Minear, president of the Midland Lions Club, and C. Ed Prichard, president-elect, will extend the official invitation for the 1951 convention to be held in Midland. Others from Midland in attendance are Ernest Sidwell, Roger Sidwell, T. J. Inman and Jimmy Wilson.

Jury Selected For Damage Suit Trial

Selection of a jury for a civil damage suit in which William E. Charlton has been named defendant was completed shortly before noon Monday. Judge Paul Moss is presiding at the trial in 70th District Court here.

Named to the jury were H. M. Spangler, Edward Sperl, Obie L. Stalcup, Angus C. Smith, R. E. L. Taylor, T. P. Tarwater, L. B. Taylor, Jr., J. E. Springer, Alton E. Sorge, E. W. Spiars, B. W. Smith and John L. Spurgers.

Plaintiffs in the suit are Cecil Taunton and others. The plaintiffs are suing Charlton as the result of an automobile accident which occurred Aug. 21, 1948, on the Midland-Odessa highway.

Grand Jury At Pecos Returns Indictments

PECOS—A 10th District Court Grand Jury Monday returned indictments against eight defendants, six of whom are in the Reeves County jail. Two others are out on bond.

Judge G. C. Olsen recessed the grand jury subject to call. R. L. Boone is the foreman.

Airline Service Inaugurated At McCamey

Regular scheduled airline service was inaugurated at McCamey Saturday afternoon when a Trans-Texas station airplane, "La Paloma," landed on the paved runway at the new \$125,000 Upson County Airport, which also was dedicated Saturday. Passengers who flew to McCamey on the inaugural flight are pictured above with McCamey civic leaders who were on hand to greet them. Pictured at left, John Rosser, Trans-Texas station manager, left, hands a pouch of first flight air mail to F. L. Edridge, right, district superintendent of Airmail Postal Transportation Service, Fort Worth, as an airline hostess and Postmaster R. A. Johnson of McCamey look on. A record crowd of visitors from McCamey and neighboring cities attended the airport dedication and inaugural air flight ceremonies.

City Budget Meet Set Tuesday Night

Fourteen service expansion projects for the City of Midland are listed in a proposed six-month interim budget which will be considered at a public hearing scheduled at 7:30 p.m. Tuesday in the City Hall. Final approval of the budget by the City Council will be in order at that time. Officials invited and urged citizens to attend.

Strike News Beats Down Stock Prices

NEW YORK—(AP)—A brief burst of selling hit the stock market Monday and pounded prices down from a few cents to more than \$2 a share.

The selling wave lasted a matter of minutes before prices held and then started recovering some of their losses.

Railroads bore the brunt of the decline in the face of a threatened strike on four major roads and shutdowns of service.

The walkout of 10,000 telephone workers across the country added to the pressure. American Telephone & Telegraph fell more than \$2 at times.

Others going lower included Santa Fe, Southern Railway, U. S. Steel, Chrysler, Radio Corporation and Standard Oil (N.J.).

Truman To Reply To McCarthy In Radio Broadcast

WASHINGTON—(AP)—President Truman Monday was reported drafting a reply to Senator McCarthy's charges of communism in the government—charges termed "mad and vicious" by Secretary of State Acheson.

Truman is scheduled to make a nationwide broadcast Monday (NBC, 9 p.m., CST). His speech to be a defense of the government's loyalty program, target of a drum fire attack by McCarthy, who calls it grossly inadequate. The loyalty program is designed to keep Communists and subversives out of government jobs.

Truman already has called McCarthy one of the Kremlin's greatest assets. There was no advance indication whether his address will deal with McCarthy's specific accusations, but the speech was described as an intended answer to the senator.

Cool Front Winds Raise Dust Clouds In Panhandle Area

By The Associated Press
Dust rode the gusty winds of a cool front which invaded the Texas Panhandle Monday.

Visibility was reduced to one mile at Childress; to five miles at Cleburne and to four miles at Amarillo.

The northwest winds ranged generally from 25 to 35 miles per hour but reached 41 miles per hour at Cleburne. The cool front had not reached Lubbock at mid-morning but gusty west winds there also whipped up dust and lowered visibility to three miles.

Heavy rains fell in East, Central and South Texas Sunday. Showers were falling Monday in the Beaumont vicinity.

The cool front was not expected to bring rain to the Panhandle and West Texas.

Florida Lawmaker Is Shot To Death

ST. PETERSBURG, FLA.—(AP)—State Rep. Charles J. Schuh, Jr., leader of Gov. Fuller's Warren forces in the 1949 Florida House of Representatives, was shot and killed in his downtown office here Monday.

Deputy Sheriff Andy Rand said Charles Ross, 71, Bay City, a retired meat cutter, was held in city jail in the shooting. Police were unable to establish a motive for the shooting immediately.

Rand said Ross was bleeding profusely about the head from an injury when arrested. He quoted Ross as saying he incurred the injury in an altercation with Schuh.

Observers Certain Russia To Step Up Diplomatic Drive

MOSCOW—(AP)—Foreign observers here are convinced the Russians will step up their diplomatic drive to counter U. S. Secretary of State Acheson's recently declared policy of "total diplomacy."

Veteran diplomats in Moscow are unable to recall in recent times as much positive diplomatic activity as that in which the Soviet Union presently is engaged.

They believe the end to this activity is not in sight and the Russians intend to tackle every international issue of interest to them or in which they see the United States trying to take the offensive.

The observers point to the fact that in the last week or so the USSR has shown considerable diplomatic activity in numerous major international fields.

Protest Is Made
The Russians have protested strongly to the United States over the Baltic plane incident and have rejected an American note on the subject.

They have delivered a note to the Italian government demanding payment of Italian war reparations.

In a note on the Free Territory of Trieste they have charged the United States, Britain and France with violating the Italian peace treaty.

A new Chinese-Soviet trade agreement has been announced.

They have declared themselves opposed to the UN plan to internationalize Jerusalem.

Several diplomats here are convinced the Soviet believe they can match and do better than the U. S. State Department in any offensive labeled "total diplomacy."

Mrs. Conner Dies; Rites Held Monday

Mrs. Annie Lee Conner, 82, died at 12:30 a.m. Sunday at the home of a daughter-in-law, Mrs. J. M. Conner, 303 North Pecos Street, here.

She was the mother of the late J. Mike Conner, who died here about four years ago.

Funeral services were held at 11 a.m. Monday in the Trinity Episcopal Church, with the Rev. Robert J. Snell, rector, officiating. Interment was in Fairview Cemetery.

Survivors include the daughter-in-law, Mrs. J. M. Conner; two sisters, Mrs. Lillie Boyd of Dallas and Mrs. Jennie Pearson of Fort Worth; five grandchildren, Mrs. Edwin Farrell of Midland, Mrs. Helen Merritt Snyder, Mrs. Mildred Stephens of Kilgore, Robert Conner of Midland and James M. Conner of Del Rio, La., and nine great-grandchildren.

Committee Discusses Further Excise Cuts

WASHINGTON—(AP)—The House Ways and Means Committee reconvened in closed session Monday to determine how much it wants to cut federal taxes on movie tickets, telephones, telegrams, travel tickets and many more items.

★ LATE NEWS FLASHES ★

WASHINGTON—(AP)—The government Monday asked a two-week postponement of the strike set for Wednesday on several major railroads.

AUSTIN—(AP)—The customary 30-day stay of execution was ordered Monday by Gov. Allan Shivers for Dan White of Mineral Wells, convicted in the slaying of a Stephenville service station attendant last year. The clemency moved the execution date from May 23 to June 22.

WASHINGTON—(AP)—The House Monday voted a \$279,000,000 expansion of the Veterans' hospital program, including a new 500-bed hospital in El Paso, Texas.

WASHINGTON—(AP)—President Truman Monday nominated Archibald Stevens Alexander for promotion from assistant to undersecretary of the Navy.

WELCH, W. VA.—(AP)—An eastbound Norfolk and Western Railway train Monday struck a work car in a tunnel at Kimball and killed five members of the crew.

Repair Crews Jump Gun On Strike Truce

NEW YORK—(AP)—Telephone equipment workers walked off their jobs across the nation Monday, but the public will not be affected immediately unless breakdowns should require repairs.

Headquarters of Division 6 of the CIO Communications Workers of America ordered their 10,000 workers in 43 states and the District of Columbia off the job at 6 a.m.

As the time zone moved west and word was spread to

Fire Razes Main AEC Structure

BERKELEY, CALIF.—(AP)—Fire, accompanied by a series of minor explosions, destroyed the Atomic Energy Commission's Administration Building here Sunday night.

AEC officials declined to answer such questions as (1) whether any irreplaceable scientific data were lost, (2) what the building contained, or (3) how great was the loss in dollar value.

Brilliant flames shot high from the two-story frame building, attracting thousands—including scientists intent on saving notes on experiments. At least one scientist was barred from entering because of the danger.

Quickly posted security guards prevented anyone entering the AEC-cyclotron area, which is enclosed by a high, electrified fence. The University of California's giant \$8,000,000 cyclotron, in a concrete building 100 yards away, was not damaged.

Officials Tight-Lipped
AEC officials gave out no news whatsoever. However, one commented "It was an intense fire with tremendous heat and many sparks and conceivably could have set off a catastrophic fire."

One of the security guards said the AEC building housed a "maze of apparatus." A fireman reported, he saw drafting tables, a laboratory and a big vault.

The FBI joined the AEC in an immediate search for the cause of the fire.

The flames were controlled in 45 minutes, but burned several hours. No one was working in the building when the fire started at 12:45 a.m. (CST).

Walkout Of Texas Telephone Workers Is Hit-Miss Affair

By The Associated Press
Many telephone equipment workers in the Dallas area walked off their jobs Monday.

This was reported by Grover W. Cantrell, Northeast Texas area representative of the Communications Workers of America, CIO.

The workers were joining a coast-to-coast strike against the Western Electric Company, manufacturing and equipment subsidiary of the Bell Telephone System's parent corporation, the American Telephone and Telegraph System.

Cantrell said equipment workers at Dallas would vote at 5 p.m. Monday before going on a full-scale strike at 7 p.m. "The vote will just be a formality," said Cantrell.

On Job At Fort Worth
At Fort Worth, W. M. Wallis, president of the Texas-Oklahoma area of the Communications Workers of America, said telephone installers were on the job Monday throughout the area.

Workers in Texas and Oklahoma will vote Monday night on whether to strike, he said.

Wallis declared there would be no walkout of installers prior to the strike-vote meeting and said if a strike is voted, picket lines would not be thrown around telephone properties in the Southwest prior to the expiration of President Truman's wage-strike truce at midnight Tuesday.

No strike of installers had been called at Corpus Christi Monday, and San Antonio and South Texas had not been affected by the sympathy walkouts.

NONE OUT AT MIDLAND

Midland telephone service will not be affected by the walkout of telephone equipment workers, a check with the southwestern Bell Telephone company office Monday showed. Strikers are Western Electric Company employes, and none are regularly employed in Midland, company officials said.

Mrs. Lay Dies In Big Spring Hospital

Mrs. C. C. (Emma) Lay, 49, a Midland resident the last two years, died Sunday night in a Big Spring hospital. She resided at 1004 South Fort Worth Street here.

She was born Dec. 29, 1906, in Wharton County, Texas, and moved here from Artesia, N. M., about two years ago.

Funeral services will be held at 3 p.m. Tuesday in the New Life W. E. Ellis Chapel, with the Rev. Earl Rice, pastor of the Assembly of God Church, officiating. Interment will be in Fairview Cemetery.

Survivors include the husband; a son, Roy Lee Lay of Midland; a daughter, Mrs. Irene Wood of Midland; the mother, Mrs. Ella Bradley of Midland; four sisters, Mrs. Middle Hughes of Lubbock, Mrs. Martina Bilyew of Midland, Mrs. Arlene Goble of Lubbock, Texas, and Mrs. Jennie Woods of Eastman; three brothers, Bill Bradley of Odessa; Dan Bradley of Ballinger, and Ben Bradley of Burnett, and a granddaughter, Della Ann Wood of Midland.

IN HOSPITAL
Mrs. Alice Moseley of Midland is ill in an Amarillo hospital, friends here reported.

Young Pianist Presented In Solo Recital

Piano technique and interpretation unusual for a youngster, especially for one in his second year of music study, was demonstrated by seven-year-old Jimmy Jones in a solo recital Sunday afternoon in the West Elementary School Auditorium.

He was presented by his teacher, Irma Greve Kluck of Odessa, and will repeat the recital at 3 p.m. next Sunday in the Ector County Library at Odessa, assisted by Don Witte, violinist. Jimmy is the son of Mr. and Mrs. James H. Jones.

His piano numbers included three Bach compositions, "Minuet," "Sol-feggetto" and "Musette"; the allegro movement of Mozart's "Sonata in C Major"; "Traumerl," Schumann; "Ballade," Burgmüller; "Waltz in A Major," Grieg; and two Chopin selections, "Nocturne in E-flat" and "Minute Waltz."

Assisting him in the program were dancers from Bob Richard's class, who appeared at the intermission. Mrs. J. W. Greene, Mrs. C. H. Ervin and Mrs. W. P. Knight will represent the First Presbyterian Church of Midland.

Presbyterian Women Going To Convention In Pecos This Week

The forty-fifth annual meeting of the Women of the Church, El Paso Presbytery, Synod of Texas, Presbyterian Church U. S., will convene Tuesday in Pecos. Mrs. Matthew Lynn, Mrs. Paul Lavery, Mrs. A. H. Vinograd, Mrs. J. W. Greene, Mrs. C. H. Ervin and Mrs. W. P. Knight will represent the First Presbyterian Church of Midland.

Registration will be from 2:30 to 5 p.m. in the First Presbyterian Church in Pecos with an Executive Board meeting at 3 p.m. Meetings will be held Tuesday, Wednesday and Thursday.

The theme of the meeting will be "Looking Unto Jesus." The Rev. Jack Ramsey, Jr., pastor of the Presbyterian Church in Crane, will give the principal address Tuesday night on "Evangelism in the Local Church."

Wednesday morning Mrs. Emmet Galloway of Van Horn will lead the worship service and the Bible study will be given by Mrs. David Zacharias, wife of the pastor of the Westminster Presbyterian Church in Lubbock. Mrs. Harry W. Williams of Fort Worth, synodical president of the Women of the Church, will speak on "Facing the Future."

The principal address Wednesday night will be given by the Rev. H. G. McDonnell of Odessa, who will speak on "Stewardship of Life."

Final P-TA Events Of Season Slated Early Next Week

The final meeting for this season of the Midland Council of Parent-Teacher Associations next Tuesday afternoon will be followed Tuesday by the joint installation program for council officers and officers of all the P-TA units of the city. Mrs. Bert Cole, Jr., council president, announced Monday.

The High School P-TA will be hostess for the installation program, which will be conducted in the new High School Auditorium.

Mr. and Mrs. Cole returned Saturday night after attending the conference of sixteenth district Parent-Teacher Associations in Abilene Friday. She said Monday that Midland associations were mentioned at the conference as rating highest in the district for all-around programs and accomplishments.

This rating was based on awards made at the conference and other work of the year. In the awards, West Elementary, Terminal, South Elementary and Junior High Units were rated A-Plus on their year-books, while High School and North Elementary Units received A ratings. North Elementary Unit was mentioned as best in the district on scrapbooks, and West Elementary also received an A-Plus rating. South Elementary, High School and Junior High Units had A ratings.

Thirty-seven of the 130 parliamentary course certificates in the district went to Midland members. 25 of the 65 procedure course certificates, and five of the 10 life memberships. The 1,560 hours of study credit given in Midland totaled far more than was reported from the remainder of the district combined.

Episcopal Youth Of District Meet Here

A discussion on "Beliefs of Our Church," an informal dinner, dance and floor show and a picnic in Cloverdale Park were on the program for the Episcopal youth people who gathered last weekend in the Trinity Episcopal Church. They met for the Youth Rally of the Southern Sub-District of the North Texas District of the Episcopal Church.

The meeting began Saturday afternoon with a program and Saturday night the informal dinner, dance and floor show were held, all in the Parish House. Corporate communion, breakfast and the round-table discussion were held before the worship service Sunday morning. At noon, the group went to Cloverdale Park for a picnic and the rally adjourned at 3 p.m.

Out-of-city young people who came for the meeting stayed in the homes of Midland Episcopalians and all meals were prepared and served by members of the Women's Auxiliary.

Out-of-city young people attending the rally were William Robert Watson, Allen Holmes, W. C. Blankenship, Dee John Davis, Omar Pittman, Gayle Price, Martha Ann Johnson, and Martha Clare, Big Spring; Alan Conley, Lubbock; Virginia McCorkle, Michael Cooper and Jackie Fortune, Colorado City.

Midland members who attended were Joan Turner, Joe Turner, Mary Ann McRae, Bet Studdert, June Hazlip, Joyce Howell, Margie Cramer, Sue Johnson, Emily Hamilton, Phil Slough, Bobby Jenkins, Roy Kinsey and Paxton Hawkins.

Hostess Groups For May Coffee Are Announced By Panhellenic

May 2 has been announced as the date for The Midland City Panhellenic's Spring coffee, the first social event since the group began its second year of activity. The coffee will be held in the E. A. Culbertson home, 909 West Outburst Street.

With the addition of the recently-organized Alpha Chi Omega Alumnae Association, Panhellenic now has 12 active member sororities. They and their representatives to the Panhellenic are: Delta Zeta, Mrs. C. M. Chase; Alpha Delta Pi, Mrs. E. H. Davis; Alpha Omicron Pi, Mrs. R. L. Hughston; Chi Omega, Mrs. Clem George; Delta Delta Delta, Mrs. George Abell; Zeta Tau Alpha, Mrs. J. E. Keyser; Alpha Chi Omega, Mrs. P. K. Landiser; Delta Gamma, Mrs. Tom Flewharty; Gamma Phi Beta, Mrs. H. W. Stoltenberg; Kappa Alpha Theta, Mrs. Frank Paup; Kappa Kappa Gamma, Mrs. Jack Bliss; and Pi Beta Phi, Mrs. A. H. Hedden.

These women have planned the coffee and will be in charge of all arrangements for it. Members of the 12 sororities represented in the Panhellenic and the five sororities that have members in Midland but do not have active alumnae groups will be guests at the coffee. These other five sororities are Alpha Xi Delta, Alpha Phi, Alpha Gamma Delta, Kappa Delta and Phi Mu.

Members of the house party will be presidents of member sororities. They are Mrs. Hedden, Mrs. W. S. Reeder, Mrs. H. C. Hood, Mrs. Sol Bunnell, Mrs. Chase, Mrs. Flewharty, Mrs. Dayton Biven, Mrs. Herbert Marshall, Mrs. T. S. Edgington, Mrs. M. M. Coan, Mrs. L. H. Michaelson and Mrs. Landiser.

Last year's Panhellenic officers will pour. They are Mrs. A. E. Pettit, Mrs. Raymond Lynch, Mrs. Don Oliver and Mrs. Paup.

Flowers representing each sorority will be arranged throughout the house for decorations. The coffee table will be decorated with colored ribbons and the Greek letter insignia of each group.

Favorite RECIPES of WEST TEXANS

DEEP DISH CHICKEN PIE
By Mrs. E. S. North
607 North Dallas Street
Using 3 cups diced, cooked chicken and 3 cups sliced, cooked potatoes, alternate layers of chicken and potatoes in a greased casserole.

Brown 1 tablespoon chopped onions in 2 tablespoons hot fat. Add 1 1/4 cup flour, 1 teaspoon salt and 1 1/4 teaspoon pepper. Blend well. Add 2 cups chicken stock and cook until thick. Pour sauce over chicken and potatoes in the casserole. Top with biscuit dough which has been rolled out with a biscuit cutter. Bake in a hot oven, 425 degrees, 15 to 20 minutes, or until biscuits are well browned and chicken mixture bubbles.

BISCUIT DOUGH
Sift together 2 cups sifted flour, 3 teaspoons baking powder and 1 teaspoon salt. Cut in 1/4 cup shortening. Add approximately 3/4 cup milk, stirring quickly until a soft dough is formed. Turn out on a lightly floured board and roll to 1/2-inch thickness.

This recipe will serve 6 to 8 persons and is a good way to use leftover chicken.

Varied Program Is Given For Club In All-Day Meeting

Office vacancies were filled in the Valley View Home Demonstration Club Friday, when an all-day meeting was held in the Valley View School. Mrs. J. D. Bartlett was named secretary-treasurer and Mrs. Jess Davidson council delegate.

Mrs. I. J. Howard and Mrs. M. E. Huff were appointed to attend a class in the assembly room of the court house Wednesday afternoon to learn to make trays and coasters. They will teach other club members later. In a sunbonnet and sun hat contest, Mrs. D. M. Bizzell placed first; Mrs. Bartlett, second, and Mrs. Howard, third.

Pauline McWilliams, county home demonstration agent, discussed the selection of kitchen utensils for most efficient work and showed slides of kitchens arranged for proper storage of working equipment.

Mrs. Bizzell served the main dish for the luncheon. Pictures of the group were taken for the club scrapbook. Mrs. Joe Heidelberg was welcomed as a new member and Mrs. Jim Lee of Lorraine, Mrs. R. H. Howard of Tarzan and Mrs. Robert Irvin as guests.

Members present included Mrs. Herd Midkiff, Mrs. Will Long, Mrs. Glenn Drake, Mrs. B. L. Mason, Mrs. J. C. Stevens, Jr., and Mrs. Davidson.

Entries Mounted To Be Displayed In Art Festival Next Week

Pictures to be displayed in the Student Art Festival sponsored by The American Association of University Women and the Midland Palette Club Art Center next week are being mounted and made ready for hanging in the City-County Auditorium.

The festival will open Sunday and remain open through the following Saturday. Work of students from 11 Midland schools will be included in the show. Awards are to be made in a number of divisions, with art teachers from schools in other cities as judges.

Members of the sponsoring organizations are mounting the entries and hang them. Material for mounting was given by the Simmons Paint and Paper Company and West Texas Office Supply and Ray Gwyn has contributed printing.

Last year's Art Festival, the first ever held in Midland, was attended by many visitors and as many as expected for the 1950 show. The 1949 festival gained statewide publicity for Midland. The student and adult displays were held at the same time last Spring, but only student work will be shown this year and the adult show is planned for next Fall.

Andrews Study Club Has Final Meeting

ANDREWS—Mrs. Vernon Payne and Mrs. Charles Ailcoen were hostesses to the last meeting of the Tuesday Study Club for the year, in the Friendship room of the Methodist Church.

Mrs. Jack Fulkinger, Mrs. Margie Kunkel and Mrs. Woody Walker presented a program on etiquette. Other members present included Mrs. A. C. Mize, Mrs. E. P. Wright, Mrs. Griswold Rogers, Mrs. Knox Irwin, Mrs. Charles Dean, Mrs. Max Goldsmith, Mrs. Gene Irwin, Mrs. Marvyn Fisher, Jr., Mrs. Charles Carruth, Mrs. O. D. Huckabee and Mrs. Florence Boatwright.

Miss Secor Gives Senior Recital At Christian College

COLUMBIA, MO.—Mazie Secor, senior student in Christian College and daughter of Mr. and Mrs. D. M. Secor of Midland, was presented in her senior piano recital recently. She is a candidate for the degree of associate in applied music and will complete her work this Spring.

Miss Secor is a student of Franklin B. Lauer, director of the college conservatory. Her program comprised "Three Part Invention," Bach; "Sonata," including the "Adagio Sostenuto," "Allegretto," and "Presto Agitato" movements, Beethoven; "Three Preludes," Chopin; "The Girl With The Flaxen Hair," Debussy; and "Humoresque," Rachmaninoff.

Congressional Seats

Since the first census in 1790, the 10-year nose counting has become such a broad statistical survey that its basic purpose gets obscured.

As states grow, hold even or lose population, the U. S. House of Representatives is supposed to reflect their shift in relative position.

After recent decennial censuses, the required changes haven't been made without cries of pain. For the total House membership has been kept at 435, assuring that gains by some states will mean losses in others.

In the past, many in the House often have resisted the necessary re-apportioning of seats. But eventually the lawmakers authorized the changes and brought the lineup up to date.

The present arrangement is a little different. The carrying out of the new apportionment is not wholly dependent on House action.

The official figures this time won't affect 1950 election lineups. But they are expected to be translated into a new distribution by 1952, the next presidential year.

It will be a great surprise if the usual resistance does not show itself. Because of the substantial growth in national population, there may be more than usual effort toward increasing total House membership so the less fortunate states won't lose their existing number of seats.

The prospective gains of California are enough to stir a fight. In the last decade it has added more than 3,000,000 people and now boasts some 10,000,000. It has surpassed Pennsylvania to become the nation's second most populous state.

All this could mean 10 more House seats in 1952. For example, California now has 23 against 33 for Pennsylvania. If California is to make such a leap, its gains can only come out of the hide of New York, Pennsylvania and other states which have either grown less rapidly, stood still, or actually lost population.

The entrenched delegations of the powerful eastern states might form the core of the expected resistance, and perhaps lead a battle for higher total House membership.

Whether rising national population justifies the latter course is something to argue. But there can be no doubt that any new seating formula must reflect properly the new distribution of population strength in the country.

An honest confession is good for the soul but sometimes bad for the lawyers.

The Boy Scouts' motto to do a good turn wouldn't be a bad one for all motorists.

Don't Blame Anyone But Yourself

DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

Copyright, 1950, By The Bell Syndicate, Inc. Drew Pearson says: White House phones regarding income tax case; Americans forget who praised Russia; Toledo may gain as possible Taft opponent in Ohio.

WASHINGTON—One of the biggest income-tax cases in the Midwest is now on pins-and-needles, following a White House phone call. The case is that of a Missouri man, Irving Sachs, who operates "Shoe Styles" in St. Louis, and who has been recommended by the Treasury for tax-fraud prosecution.

When the case first arrived at the Justice Department, Justice lawyers planned to forward it as a routine matter to the U. S. attorney in St. Louis for criminal prosecution. But suddenly they got a phone call from the White House.

Such a conference between attorneys is not unusual. However, it is interesting that Sachs, though living in St. Louis took the trouble to go to Kansas City to hire a new attorney. Furthermore, the attorney he retained is close to Tom Evans, Harry Truman's most intimate Kansas City friend.

Since then, the Sachs tax-fraud case has been delayed, perhaps indefinitely, on the ground that Sachs is too ill to stand trial.

Doctors retained by Sachs have stated that he is suffering from advanced epilepsy, that the ordeal of a trial would kill him. An independent doctor, however, not connected with the Sachs family, states that although Sachs suffers from epilepsy, a trial would not endanger his life. He is 51 years old.

STASSEN SAYS NO TO GOP-RIGHTERS UNION BIRMINGHAM, ALA.—P—Harold E. Stassen opposes any linkup between organized Dixie States' Rights Democrats and the Republican Party.

Escaped Circus Lions Claw Girl to Death BADEN BADEN, GERMANY.—P—Two lions escaped from a circus near here Monday and clawed a 20-year-old German girl to death.

WASHINGTON COLUMN

Uncle Sam Calls On Cold Pill Makers To Justify Advertising

WASHINGTON—Four Federal Trade Commission complaints now have been issued, charging false or misleading statements in advertising for "antihistamines"—the much-discussed drugs now sold over the counter, without physician's prescription, for treatment of common colds.

Before naming the four products, it is necessary to get one thing absolutely straight: These Federal Trade Commission hearings will not determine whether the drugs are safe or whether they are effective medicines. The only finding will be on whether manufacturers of the four preparations have made advertising claims for curative powers which cannot be proved.

Questions and Answers

- Q—How many unions represent railroad employees? A—There are 21 so-called "standard" railroad labor unions and 12,500,000 people have bought the drugs. Surveys indicate that from 70 to 80 per cent of the buyers intend to continue their use.

Distant Star

THE STORY: Falling in love has been for Clemency Norton a series of misadventures. Her father, a wealthy industrialist, had arranged for her to marry a young man named Piers Amberley.

DADDY RINGTAIL

By WESLEY DAVIS

Daddy Ringtail And Downside Upper

There was once a time in the long ago, far away in the Great Forest, when the Laughing Hyena talked too much. Talk, talk, talk too much all the time. Yes, and Daddy Ringtail, your monkey friend, one day long ago was sitting on the grass by the Happy Pool. Daddy Ringtail was sitting there, thinking happy thoughts

of how everyone ought to be friends with everybody, when who should come along but the Laughing Hyena. The Laughing Hyena laughed, and then he began his talking too much. "Uhh," said the Laughing Hyena. "I have heard of a someone who ate a downside-upper berry, the someone walks along upside down on his hands. He does it for a whole week. Imagine! And of course the someone would be ashamed for folks to know what had happened to him. Oh, but the Laughing Hyena would not be shushed about it.

"Said he: "Oh, I don't know who it was who ate the downside-upper berry, but the someone must be very silly. Why, he will have to walk along on his hands, downside up, for the rest of the week. I'm going to find out who it is and laugh at him, but of course I won't let him know that I'm laughing at him. I wouldn't want to hurt his feelings."

The Laughing Hyena began to laugh out loud at the thought of the downside-upper, but his laughing suddenly stopped in a hurry. Daddy Ringtail was walking away on his hands! Oh, the Laughing Hyena now thought Daddy Ringtail surely was the downside-upper himself. And the Laughing Hyena was so ashamed of the words he had said that he decided never to say another word, but only to laugh the rest of his life, and so he hasn't talked to this very day. Happy day!

here in the forest who made a terrible mistake of eating a downside-upper berry. "Now, now, and you mustn't talk too much," said Daddy Ringtail. "Laughing Hyena I wouldn't tell anybody about the someone who ate the downside-upper berry." Daddy Ringtail knew that the

"I want to open one of those accounts you advertise that 'grows and grows'!"

Home-Building Boom Spurs Employment In Allied Industries

WASHINGTON —(AP)—The government reported Monday that record-breaking home building activity is creating demand for other products.

The Bureau of Labor Statistics said this not only is boosting employment in the construction industry but also "is creating secondary demand in furniture, household appliances, television, building materials and a host of related industries."

This is buoying the employment situation in those industries.

The bureau's comments accompanied a report saying industrial and commercial employment increased by 636,000 between mid-February and mid-March.

Half of the increase resulted from settlement of the coal strike, but the gain reflected a continued improvement in the nation's employment that first became evident at the start of the year, the bureau said.

Industrial and commercial employment in March was 42,222,000, about 600,000 less than in March a year ago. While March showed an employment gain, it still is behind last year.

French Nun Is Made Roman Catholic Saint

VATICAN CITY —(AP)—A French nun famed for her charitable works is the newest saint of the Roman Catholic Church.

Marie Emile De Rodat, who founded the religious congregation of the Sisters of the Sacred Family in 1832 and devoted her life to caring for the young and sick, was canonized Sunday by Pope Pius XII in St. Peter's Basilica.

Sixty thousand persons witnessed the colorful ceremony, first canonization of the Holy Year.

12 Persons Rescued From Fishing Boat

HAMILTON, BERMUDA —(AP)—Nine U. S. Marines and three Bermudians were rescued Monday after spending two days in rough seas in a 32-foot fishing boat.

An Air Force search and rescue plane located the boat after an all-night search.

The British cutter HMS Bigbury Bay was able to make contact with the fishing boat through information relayed from the search plane.

Names were not given out by authorities here.

TREATED FOR CUT

LeRoy Herron, 18, of 909 East Washington Street, was treated at 1:30 a.m. Sunday at Western Clinic Hospital for cuts on his face.

He told hospital authorities he was driving home through East Midland when two negroes stopped his car and hit him. He was dismissed after treatment.

Would You Like To Be A Police Officer?

The City of Midland is receiving applications for the position of Police Officer. Applicants must be between 21 and 32 years of age, must have had a High School education, and be in good physical condition. Selected applicants will undergo 2 months of intensive police training, during which time the salary will be \$219.00 monthly. Upon successful completion of the training course, the applicant will be actively assigned to the Midland Police Department at \$225.00 monthly for a probationary period of 2 months; upon successful completion of active assignment, he will become a full-fledged member of the Midland Police Force, eligible for all employee benefits including retirement.

For intelligent, alert, and capable young men, here is an opportunity to serve with a Police Force which will be developed into one of the finest and most efficient anywhere. If you meet the qualifications and are interested in a CAREER and not just a job, contact the Chief of Police, City Hall, Midland, Texas.

Oil And Gas Log-

(Continued From Page One)
plies are reported to have shown some signs of oil.

A drillem test of unreported length was taken at 7,003-18 feet. Recovery was 150 feet of drilling mud and 660 feet of salt water. No shows of oil or gas were developed.

This prospector did not log any possibilities of production in any of the upper beds. It probably will be plugged and abandoned soon.

It is 330 feet from south and west lines of the northeast quarter of the northeast quarter of section 53, block 25, H&TCo survey. That makes it three-quarters of a mile northeast of the discovery well of the North Vincent-Reinecke-Canyon field.

Garza Pool Gets Fourth Producer

A fourth well has been completed in the Dorward San Andres pool in Southeast Garza County.

Rogers Brothers Oil Operators and John H. Cochran both of Wichita Falls No. 1-M Dorward, one-location north of the discovery well, has potential for 114.48 barrels of 38-gravity oil plus five percent water in 24 hours, on the pump.

Top of the pay was 2,436 feet, and total depth is 2,565 feet. Five and one-half inch casing is set at 2,435 feet.

The No. 1-M Dorward is Roger Brothers and Cochran's second well in the Dorward area. Their 1-S Dorward was recently completed one-location west of the No. 1-M Dorward.

George Callahan and others, discovery operators, also have two pumping wells in the area.

The new producer is 330 feet from west and 1,650 feet from south lines of section 115, block 5, H&GON survey.

SW Martin Wildcat Cuts Permian Lime

Gulf Oil Corporation No. 1-E-B George W. Glass, scheduled 13,500-foot wildcat in Southwest Martin County, 12 miles north of Midland and 18 miles west of Stanton, was making hole past 4,968 feet in Permian lime after a negative drillem test at 4,709-59 feet.

The tool was open one and one-half hours. There was a small blow of air throughout the period, but there was no gas.

Recovery was 90 feet drilling mud, cut with sulphur water and 450 feet of black sulphur water. There were no signs of oil.

This exploration is 1,980 feet from north and east lines of section 13, block 39, TP survey, T-1-N.

Feldman Stakes Two Coggell Pay Flankers

D. D. Feldman of Dallas has staked two south prospects to his recently completed one and one-quarter mile west extension to the Coggell-Canyon pool, which straddles the Kent-Scurry County line.

One-location south of the Feldman No. 3 Fuller will produce 180 barrels of 38-gravity oil plus five percent water in 24 hours, on the pump.

Two location south of the Feldman No. 4 Fuller, exact location will be 2,045 feet from north and 467 feet from east lines of section 702, block 97, H&TCo survey.

Two location south of the Feldman No. 5 Fuller, exact location will be 1,851 feet from south and 467 feet from east lines of section 703, block 97, H&TCo survey.

Both the proposed ventures will be approximately 16 miles north of Snyder, and slated depth for each is 7,500 feet to tap the Canyon pay in that area.

On the southwest edge of the Diamond M-Canyon pool in Central-West Scurry County, Strouble Oil Company has scheduled its No. 4 H. Eiland.

Drilliste will be 660 feet from south and east lines of section 146, block 25, H&TCo survey, and 15 miles southwest of Snyder. Slated depth is 7,000 feet.

Spraberry Yields No Shows In NW Upton

Sinclair Oil & Gas Company and Magnolia Petroleum Company No. 1 G. R. Davis, Northwest Upton County wildcat to 13,000 feet to test the Ellenburger failed to develop any shows of oil or gas in a drillem test in the Spraberry zone of the lower Permian at 8,500-30 feet.

The tool was open one hour. There was a slight blow of air at the surface for nine minutes and it then died.

Recovery was the 900-foot water blanket and 10 feet of slightly gas cut drilling mud. There were no signs of oil or of water. The venture is making hole below 8,535 feet in lime.

Location is 680 feet from north and east lines of section 20, block 41, TP survey, T-5-S. It is six and one-half miles southwest of the Pegasus field.

Kiwanis Club Hears Committee Reports At Monday Meeting

Midland Kiwanians Monday held an open meeting, with reports of committee activities, at their regular weekly meeting in the Crystal Ballroom of Hotel Schenberger.

A new member, Jimmie McCain, was inducted into the club at the meeting by Perry Pickett. Forty-six members and one visitor attended.

Berte Haigh, reporting for the bowling team, urged more support for the team, and presented a trophy to Dr. Doyle L. Patton, as winner of the singles title in the city bowling tourney.

Harvey Hard reported on the trip to Coleman last week, at which Robert L. Stripling was principal speaker.

Dr. Patton reported to the club on the Kiwanis-sponsored Club Pack 6, and told of the Pack's progress during the year.

Vice President Reese Cleveland presided in the absence of Albert Kelley, club president.

Robbed In Hotel

V. L. Wilson and Robert Graham, both of Bogard, Mo., were robbed late Saturday in a Midland hotel. The men reported their wallets were taken from their room. About \$150 was missing.

Chiang Turns Over Hainan Island To Communist Forces

YULIN, HAINAN ISLAND —(AP)—All Hainan was the Chinese Communist force the taking Monday handed over by order of Chiang Kai-Shek.

The generalissimo's order for "total evacuation" of the big island China had not been announced officially here. My information came from a general one of the top officers charged with Hainan's defense.

The general accused Chiang of "sacrificing" Hainan to his own political ambitions.

He said Chiang refused to send reinforcements because he feared the growing strength and popularity of the Nationalist army.

Heueh Yueh, the military commander-in-chief, and Marshal Chen Chiang, the governor.

The island still could be held if the Nationalists had "only one more army" at their disposal, said this man whose name cannot be used for obvious reasons.

The general asserted a request for the 50th Nationalist Army from Formosa had been turned down. The request for this reinforcement was dispatched Friday when the Reds suddenly developed their threat to Hainan, Hainan's capital.

Five Nationalist armies totaling possibly 125,000 men will be deserted to the Reds unless a last-minute move can be devised to evacuate them.

British Troops Start Unloading Strike-Bound Ships

LONDON —(AP)—The Labor government Monday ordered troops to unload ships tied up in London port by a wildcat dockers strike denounced by cabinet ministers as Communist-inspired.

The government decision to use soldiers and sailors to keep food and other goods moving was made after the walkout threatened to halt all operations in the sprawling dockyards.

Almost 1,000 soldiers and sailors, and 500 troops tied up in London port by a wildcat dockers strike denounced by cabinet ministers as Communist-inspired.

More than 4,500 dockers joined the strikers over the weekend, bringing the number idle to 12,486. The total working force in the London docks is 27,000 but only between 15,000 to 20,000 are employed on any given day.

Arms Cargo Aboard Plane To Be Checked

HOUSTON —(AP)—Three men from Colombia are being detained here until Customs Service can check with State Department officials in Washington concerning a cargo aboard their planes.

The men were stopped Sunday just as they were taxiing for take-off.

Officials said a "sizeable quantity of arms and ammunition" was aboard one plane.

Customs Agent Alvin F. Scharrf and Police Capt. J. R. (Bob) Davidson issued a joint statement saying the men are not under arrest, but are being detained until a check can be made with Washington.

Census Figures Not Due Until Next Month

Final census figures for Midland probably will not be obtained until after May 1, P. M. (Shorty) Parker, county clerk, said.

Only 17 enumerators are working in Midland and some areas still have not been assigned, Parker said.

Progress in Glasscock County, of which Parker also is director, is good and final figures are expected to be obtained there within a week. Other area counties are progressing on a par with Midland, Parker said.

Midlander To Speak At Commencement

Mrs. J. Howard Hodge of Midland has been invited to deliver the commencement address for the graduating class of Howard Payne College at Brownwood on May 25, and will be given an honorary degree by the college in the commencement exercises.

Mrs. Hodge is a graduate of Howard Payne, has been an instructor there, and for the last eight years has served on its board of trustees.

She was elected last Fall as president of the Texas Federation of Women's Clubs.

Ector County Approves Bonds

ODESSA —Ector County voters Saturday approved by a heavy margin the \$498,000 school bond issue for construction of a new elementary school and improvements to three other Odessa schools.

The bond issue will provide for construction of an elementary school and improvements to the Odessa Senior High School, Douglas Elementary School and the Blackshear High School.

The issue will represent no overall increase in tax valuation or tax rate. It is the smallest issue authorized in the Odessa district in some time, Miller said.

Retired Sterling City Rancher Dies

STERLING CITY —G. C. Ainsworth, 78, retired rancher, died at 8 p.m. Sunday at his home here. He had been ill for some time.

Funeral services were scheduled at 4 p.m. Monday at the Methodist Church here.

Survivors include the widow; two daughters, Mrs. Lura McClellan and Mrs. Erma Lee Lowe, both of Sterling City, and two sons, C. C. Ainsworth of Sterling City and R. P. Ainsworth of Colorado City.

City Budget—

(Continued From Page One)
lines in addition to facilities provided by developers; provide for 480 new water and sewer services; add approximately 2,000,000 gallons per day to the present water supply.

The general fund finances most of the city operations, with the exception of water and sewer.

Total operating expense of the water and sewer fund in the original 1949-50 budget totaled \$159,160, as compared to \$67,785 as proposed for the six-month period. Capital outlay expenditures in the 1949-50 budget amounted to \$51,670, whereas the interim budget proposals totals \$61,740.

Water Department revenues are estimated at \$177,000.

The budget indicates several salary increases, including that of the city manager from \$800 to \$1,000 per month. Other monthly salary raises include: police captain, from \$385 to \$390; acting director of public works, \$400 to \$450; tax assessor-collector, \$400 to \$450; warehouse superintendent, \$300 to \$220; foreman of street maintenance, \$250 to \$275; heavy maintainer operator, \$235 to \$250; light maintainer operator, \$200 to \$225; bulldozer operator, \$225 to \$240. Cuts in salaries are indicated for a meter repairman, from \$300 to \$250, and airport maintenance superintendent, from \$400 to \$270. Other adjustments in various labor classifications are planned.

City officials said it is anticipated the six-month interim period will compare to a deficit, which will exist on Sept. 30, 1949. They said, however, that because of financial limitations, it will be necessary to continue the economies which have been instituted recently.

Work now is underway on engineering studies which will be used in determining a long-range capital improvement program to provide water and sewer improvements, water supply, sewage disposal, street improvements and fire protection.

Income Figure
Income of the city's general fund for the six-month period is estimated at \$203,930, of which only \$30,000 is from taxes.

The operation of the municipal garage has been set up in the budget as a separate function. All vehicular equipment will be owned and maintained by the shop and rented to the using department.

Several other changes in accounting procedures are noted in the proposed budget.

RETURNS TO McCAMEY

Jim Langdon of McCamey was in Midland Sunday to take Mrs. Langdon and baby son, John Oates, home from a Midland hospital, where the baby was born Wednesday.

Food Handler School Registers 86 For Morning Sessions

A total of 86 persons have registered for the morning classes of a five-day food handler's school which is being conducted in the City-County Auditorium. Registration for afternoon classes was expected to bring the total to more than 200.

The food handler's school, which is conducted by the State Department of Public Health, is identical morning and afternoon classes. Classes are one and one-half hours in length and persons may take the whole course by attending only one class each day.

Monday's classes concerned food handling and bacteria. Tuesday, instruction will be given in preventing food contamination and spoilage. Wednesday's program will deal with the enemies of the food establishment.

Sanitation, storage, handling of dishes and utensils, and food establishment sanitation will be the topic for Thursday's classes. Friday, a discussion on personal hygiene and salesmanship will conclude the school.

All persons who successfully complete the course will be awarded certificates in sanitary food handling.

Livestock

FORT WORTH —(AP)—Cattle 2,500; calves 800; steady; good fed steers and yearlings 25.00-27.50; common to medium 18.00-25.00; beef cows 16.50-20.00; good and choice slaughter calves 25.00-28.00; common to medium 18.00-25.00; stocker steers calves 20.00-28.00; mixed steer and heifer calves 27.50; stocker and feeder steers 18.00-25.00; stocker cows 16.00-21.00.

Hogs 1.600; butcher hogs 25 to 30 cents higher; sows and pigs strong to 50 cents higher; good and choice 180-270 pound butchers 17.25-50; good and choice 180-180 pounds and 275-375 pounds 15.50-17.00; sows 14.00-15.50; pigs 10.00-14.00.

Sheep 17.000; sheep and lambs steady; medium to choice Spring lambs 24.00-27.00; good and choice shorn fat lambs 23.50 - 24.50; slaughter ewes 9.00-12.00.

Cotton

NEW YORK —(AP)—Monday noon cotton prices were 25 to 65 cents a bale lower than the previous close. May 32.55, July 32.72 and October 31.53.

Africa has two snow-capped mountains, Kenya and Ruwenzori, almost squarely on the Equator.

Upton Posse Defeats Midlanders In Roping

McCAMEY—Upton County Sheriff's Posse roped outside a posse from Midland County here Sunday afternoon, beating the visitors by 84 seconds.

Eight ropers from each posse competed, roping two calves each. Midland ropers included Bob White, Jack Wallace, Pop Roberts, Curtis Cook, Mack Cook, Foster King, John Casselman and Chuck Houston.

Following the matched contest the Upton group was host to the Midlanders with a chuck wagon barbecue.

MHS Student Wins Third In Region Feature Writing

LUBBOCK—Maggie Lee Murphy, Midland High School senior, placed third in Regional Journalism competition in feature writing, according to results announced Saturday by the Texas Interscholastic League.

Journalism competition was held in feature writing, news writing, copywriting, headline writing and editorial writing.

Cynthia Parker was the other MHS contestant.

Congratulations To

Mr. and Mrs. M. C. Howard on the birth Sunday of a daughter, Kara Lou, weighing six pounds, eight ounces.

Mr. and Mrs. A. W. Pool on the birth Sunday of a son, Winston Lee, weighing five pounds, eight ounces.

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been CONSIDERED TWICE!

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said these demands were "devoid of merit" and they were REJECTED TWICE!

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain FEATHER-BEDDING!

LEADERS of the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman . . . upon either the ground of safety or that of efficiency and economy of operation."

what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good . . ."

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The real reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding."

"The railroads have no intention of yielding to these wasteful make-work demands."

"The Safety Record of Diesels is Outstandingly Good . . ."
PRESIDENTIAL FACT FINDING BOARD REPORT
Read these excerpts from official reports of Presidential Fact Finding Boards:

"The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results."

"The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation . . ."

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

We are publishing this and other advertisements to talk to you at first hand about matters which are important to everybody.

Longhorns, Aggies Top SWC Standings

By The Associated Press
Texas and Texas A&M took the lead in the Southwest Conference baseball race.

Baylor, by losing another game last week, virtually fell from the picture. The Bears now have three losses.

Texas, with a 6-1 record, took the measure of Rice twice last week, 2-0 and 8-5. Texas A&M whipped Southern Methodist 9-1 to compile a loop record of 3-1 for second place.

Three conference games were washed out by rain last week—Rice-Southern Methodist, Texas Christian-Texas A&M and a second Southern Methodist-Texas A&M tilt.

Texas Christian, after losing to Baylor 4-1, bounced back to win the second game of the series 3-1.

In non-conference play last week, A&M won from Sam Houston State 4-3.

CONFERENCE STANDINGS

Team	W	L	R	OR	Pct

Longhorn League—Standings Shuffled As Oilers, Rockets, Swatters, Cats Win

By The Associated Press
Ballinger gave a home crowd something to cheer about Sunday as it won its first victory of the 1950 campaign in the Longhorn League.

Roswell moved further out in front by beating San Angelo while Big Spring was losing to Sweetwater. Odessa went into second place by trouncing Midland.

Ballinger broke out with a rash of doubles to down Vernon 11-4. Shortstop Lyle Christianson paced the attack with three hits out of four trips to the plate.

Roswell scored in the first inning on Tom Jordan's three-run homer and went on to take a 9-5 win from San Angelo.

Odessa blasted two Midland hurlers for 15 hits while winning 10-4. Emil Ogden and Leo Eastham were the siege guns with a four-pipe blow each. Eastham's wallop came in the eighth with one on.

The Sweetwater Swatters upended the Big Spring Bronchos for the second successive time 13-11. It was a typical Longhorn League game, with the Swatters outlasting the Bronchos. Ray Bauer for Sweetwater and Bobby Gonzales for Big Spring collected home runs.

The scores:

Sports

—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, APRIL 24, 1950

Tribe Loses 10-4 Tilt; Roswell In Town For Series

The Roswell Rockets make their first visit of the season to the Indian Park Monday night for the opener in a two-game series. The tilt is scheduled at 8:15 p.m.

Manager Harold Webb will send Rookie John Singleton against the Rockets Monday night.

The Roswell hurler has not been named by Manager Tom Jordan.

ODESSA—The Midland Indians dropped their fourth game of the season and the second in succession to the Odessa Oilers here Sunday afternoon by a 10 to 4 score.

The Oilers again used their long-range power at the plate to down the charges of Harold Webb.

Leo Eastham and Emil Ogden clouted homers for the Oilers and Eastham and Les Palmer collected triples.

The Indians took a short-lived lead in the first inning. Quentin Basco singled to left and Outfielder Ogden let the ball get by him. By the time Ogden recovered it Basco had romped home with the first score of the game.

Odessa came back with two in the last of the first and one in each of the next four innings.

Midland counted two more in the sixth. Tex Stephenson, making his first start in the outfield, got on by an error. Lonnie Balch, playing right field Sunday, singled and George Firnbach singled to drive in a run.

Midland counted two more in the eighth on Kenny Jones' walk. Stephenson's double and Firnbach's single. Harold Wearne hurled seven innings for Midland and LeRoy Jarl finished.

The box score:

Midland	Ab	R	H	O	A
Hughes, ss	4	0	0	4	4
Basco, 2b	5	1	2	3	3
Dawson, lf	4	0	0	1	0

Betsy Rawls Beats Polly Riley To Hold On To TWGA Crown

HOUSTON.—Betsy Rawls of Austin retained her Texas Women's Golf Association crown Sunday with a 4 and 3 victory over Polly Riley of Fort Worth.

The defending champ clinched the title for a second straight year by halving the fifteenth hole on the afternoon round of a scheduled 36-hole match on the 5,920-yard, par Brae Burn Country Club course.

She had a 35-41-76 total on the morning round and left the thirty-third green five over par. Miss Riley had a morning 36-40-75, but was nine over when the match ended.

Miss Rawls finished the morning round with a one-up advantage, made it two-up on the first hole in the afternoon. During the final 15 holes she lost only one, the ninth.

The U. S. Department of Agriculture says that two American hens now average as many eggs as three 25 years ago.

HI-D-HO

A colorimeter is an instrument used to analyze substances through colors produced in chemical reactions.

Which will be good news for Oldman Dick Burnett, who sunk more than a million dollars trying to produce a club that can get into the play-off.

While Shreveport, another independent, was rolling along at the head of the circuit and increasing its lead to two full games by beating San Antonio 9-5, Dallas was getting a 4-2 decision over Oklahoma City as Joe Vosmik, manager of the Indians, filed a protest on grounds it wasn't too dark to continue play when Umpire Billy Capps said it was with eight and one-half innings disposed of.

Rain And Mud
In the first place, it rained hard and the game was delayed an hour and a half. The infield was turned into a mud bed but dry earth was spread over the base paths and the game was on. Walter Lanfranconi went the distance for the Eagles and gave up seven hits. Heinz Becker doubled to drive in two runs in the seventh and furnish the margin of victory.

Pete Lewis pounded four hits in five trips to punch over five runs in Shreveport's victory over San Antonio. Howie Auman won his second game of the season against no hits but had to get help from Hugh Sooter in the eighth.

Tulsa downed Fort Worth 5-3 to move within a half-game of second place, where Fort Worth now roosts. Walker Cress did the fireman's act, coming in to fan Rookie Gene Clough with the tying runs on base in the ninth.

Houston edged Beaumont 6-5 with Franny Haus the hero. He singled in the last of the ninth with the bases full to drive in two runs and give the Buffs the decision.

Wise Flying

Gwen Taylor of Houston, looking just as thought-provoking as a flying disk, is one of the candidates in the "Miss Flying Saucer of 1950" contest which will be a feature of Galveston's Splash Day program May 7. The winner will be named by King Neptune, a well-known Texas entertainer who will preside over the Splash Day festivities.

Fair Golfers Start North-South Warmups

PINEHURST, N. C.—Defending Champion Peggy Kirk and 93 challengers answered the call Monday as the qualifying round got under way in the forty-eighth annual North and South Women's Invitational golf tournament.

Monday's low 32 qualifiers will open match play Tuesday with one 18-hole round a day through the finals on Saturday.

AUSTIN GOLFER WINS SAN ANTONIO TOURNEY

SAN ANTONIO.—P. Morris Williams, Jr., of Austin won the San Antonio Invitational Golf Tournament Sunday.

Williams defeated O'Hara Watts, San Antonio, 3 and 2 in their scheduled 36-hole match at Brackett Park's layout. The champion clipped eight strokes from the par 71 total.

Favored Reticule Is Futurity Winner

BIG SPRING.—P.—The favored Reticule won the quarter mile division of the second annual Big Spring Futurity Sunday.

Reticule is owned by E. H. Lane. Another Lane entry, Cantadora, finished second and Lady Vandy was third. The winners took a 60-30-10 per cent cut on a purse of \$7,950.

In the three and one-half furlong division, Lane's La Marga lost to Pair of Roses.

J. F. Hamby of Sonora owns Pair of Roses.

Qualifying Set Tuesday In Tourney

The annual Midland Country Club Women's Tournament will get underway at 9 a.m. Tuesday with qualifying for medalist over the Country Club's nine-hole course.

Some golfers who did not wish to try for medalist were playing qualifying rounds Monday.

Match play will start Wednesday and the finals in the tourney will be played Saturday.

Sybil Flournoy is the defending champion.

The National Geographic Society says that, pound for pound, the leopard is the most destructive animal.

BUILT LIKE A BATTLESHIP

Here is the rugged chassis of the '50 Ford. Its low, box-section frame with five cross members gives extra strength and rigidity. The advanced engineering design provides low center of gravity and unusual stability... two of the many reasons for Ford's luxurious big car comfort and roadability. And for power you have a choice of two great economy engines... the 100-h.p. V-8 or the 95-h.p. "Six."

BUT WRAPPED LIKE A GIFT

You'll say this '50 Ford is outstanding for style. And the New York Fashion Academy agrees wholeheartedly with you. For the second year in a row, the Academy has awarded Ford its Gold Medal as "Fashion Car of the Year."

FORD IS THE BIG ECONOMY PACKAGE!

With its low first cost, low upkeep and high resale value Ford is the new standard of value. And here's certified proof of Ford's great economy! In the recent Mobilgas Grand Canyon Economy Run, officially supervised by AAA, a '50 Ford "Six" with Overdrive won the economy championship of its class—the 3 full-size cars in the low-price field.

MAJOR LEAGUES—

Revamped Braves Loom As National Loop's Dark Horse

By JOE REICHLER
Associated Press Sports Writer

Give the Boston Nationals another reliable starting pitcher and you can start making World Series reservations at Braves' Field for next October.

Five games may not be a true standard, but they've given the following indications:

1. The rebuilt Braves boast one of the hardest hitting clubs in the National League.
2. The outfield is the best since Manager Billy Southworth took over five years ago.
3. Pitcher Johnny Sain, ace of the 1948 championship squad, definitely is on the comeback road after a poor '49 season.
4. First Baseman Earl Torgeson, out most of last year with a shoulder separation, is mended fully.
5. The big Winter deal that brought Outfielders Sid Gordon and Will Marshall and Shortstop Buddy Kerr in exchange for infielders Eddie Stanky and Alvin Dark has improved the club at least 25 per cent.
6. Del Crandall, 20-year-old sophomore catcher, appears headed for greatness.

Cubs Rained Out
The Braves lost their first game of the infant season Sunday when they bowed to Philadelphia 6-5 after

winning the first game of the double header 4-3. The opening game triumph was their fourth of the campaign.

The split dropped the Braves into third place. Chicago's surprising Cubs, rained out of their game with St. Louis, remained on top with a 3-0 rating. Rain also washed out the Brooklyn-New York Giants game. In the only other National League activity, Pittsburgh ran up its fifth straight triumph, vanishing the winless Cincinnati Reds 5-3. It was the fourth straight loss for the Reds.

Chicago's White Sox handed Detroit its first defeat of the season 5-4. It was the Sox' first victory in five starts. The Tigers had won four straight.

The Boston Red Sox and Philadelphia Athletics divided a double header. The A's won the opener 9-4, and the Sox came back to take the nightcap 12-2. The game was halted after six innings because of darkness.

Cleveland swept both ends of a twin bill from the St. Louis Browns, 9-5 and 7-5, with darkness ending the second game after seven innings. Rain washed out the scheduled Washington-Yankee game at New York.

The Braves lost the second game to Philadelphia because Johnny Antonelli, Southworth's hope for the fourth starting berth, failed to get by the first inning. Four hits produced two Philadelphia runs and brought in Norman Roy. The Braves managed to come from behind, taking a temporary 5-4 lead on Sid Gordon's home run in the fifth. The Phils, however, tied the count in the seventh and won in the eighth when Willie Jones scored Ed Waitkus from third with a long fly.

A new note was added when the lights were turned on in the eighth inning as darkness crept over Braves' field. It was the first National League game finished under lights since the league adopted the rule after last season.

Sain gave Southworth plenty to enthuse over when he limited the Phils to six hits in the opener. It was the gangling right-hander's second win in as many starts.

Sports

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, APRIL 24, 1950—5

Bauer Girls Home Again

Marlene and Alice Bauer, Midland's famous golfing sisters who won national publicity while touring the Winter circuit in Florida, Sunday night returned home. They were scheduled in an 18-hole exhibition match against Graham Mackey and Roane Puett at 2:30 p.m. Monday at the Midland Country Club.

The Bauers recently turned professional after winning several tournaments in Florida. They are enroute to Pebble Beach, Calif., to enter their first tournament as pros.

Monday's exhibition was scheduled so Midlanders might see their great form on the links. The girls have been drawing much attention with their exaggerated back swing.

Leave Wednesday
The sisters, accompanied by their parents, Mr. and Mrs. Dave Bauer, will depart Wednesday noon by air for Pebble Beach.

Marlene, the golfing wonder who was named Woman Athlete of the Year in an Associated Press poll for 1949, reached her sixteenth birthday last month. She has been playing since she was three.

Alice, the "big sister" of the duet, is 22. She actually is smaller than Marlene.

The Bauers adopted Midland Country Club as their home club and Midland as their home after playing an exhibition engagement here late last year.

Upon turning the girls professional, Pro Dave Bauer, their father and constant coach, said they plan to continue making their home in Midland. They will be away much of the time, however, playing in tournaments.

Their summer schedule will carry them all the major meets in the nation.

'Alex' Alexander, 60, Famed Georgia Tech Gridiron Coach, Dies

ATLANTA—W. A. Alexander, 60, who came to Georgia Tech in short pants 44 years ago and stayed to win national acclaim as a football coach, died in his sleep Sunday.

"Coach Alex" was athletic director and head of Tech's Physical Education Department at his death.

Alexander, the first man to carry grid teams to the four major bowls—Rose, Sugar, Orange and Cotton—surrendered head coaching duties to Bobby Dodd after the 1944 season. He had been at the helm of Tech's football teams since 1920.

Never able to make the grade as a player, Coach Alex left little to be desired as a coach. He held the Stagg award, was picked by rival Southeastern Conference coaches in 1939 for the Nashville Banner award, was named coach of the year in 1942 and received the National Touchdown Club award in 1948.

Sprinkled With Glory
Although his 24-year reign as head coach was well-sprinkled with glory, his biggest moment came Jan. 1, 1929. That was when he took his Yellow Jackets to Pasadena and defeated California 8 to 7 in the Rose Bowl.

In other bowl games, Coach Alex's teams beat Missouri 21-7 in the 1940 Orange Bowl, lost to Texas 14-7 in the 1943 Cotton Bowl, defeated Tulsa 20-18 in the 1944 Sugar Bowl and lost to Oklahoma 26-12 in the 1945 Orange Bowl.

His all-time coaching record was 133 games won, 95 lost and eight tied.

Black Indians Whip Pecos Eagles 6-2

The Midland Black Indians topped the Pecos Black Eagles 6 to 2 in their home opener Sunday afternoon at Indian Park.

"Mad Man" Summers hurled the victory, allowing only five hits.

T. A. Hall and Glen Grant led the hitting for Midland.

Young Texas Pro Wins Specialists

VIRGINIA BEACH, VA.—(AP)—Ben Hogan, Jim Ferrier and several other top-ranking professional golfers all were beaming Monday. For they could say: "Didn't we tell you he'd come through?"

Hogan, Ferrier and the others predicted long ago that Fred E. Hawkins, of El Paso, Texas, sooner or later would become a great golfer.

Hawkins, a quiet-mannered 26-year-old ace who has been playing big-time golf's tournament trail nearly three years, finally made the grade Sunday. He won first place in the 54-hole Cavalier Specialists tournament.

In doing so, the gangling fellow disposed of Jimmy Demaret of Ojai, Calif., Ferrier, the Australian-born veteran from San Francisco, and most of golf's big names.

Hawkins put together rounds of 67, 64 and 69 for a 54-hole total of seven-under-par 200 over the 6,065-yard Cavalier Yacht and Country Club layout.

Hawkins picked up \$1,000 for his efforts.

Clayton Heafner of Charlotte, N. C., turned up with a five-under-par 64 on the final round to jump into second place with a 202 total and earned \$500. Johnny Palmer of Badin, N. C., and Ted Kroll of Philadelphia, Pa., tied for third with 203's, collecting \$825 each.

WT-NM League—Pioneers, Hubbers Set Torrid Pace in First 1950 Series

By The Associated Press
The Pioneer continued to be the surprise package in the West Texas-New Mexico League as they whipped the defending league champions, the Albuquerque Dukes, four games to one, to remain in a tie for the lead.

Lubbock kept pace with the Pioneers by downing Pampa for the fourth time in five games. Lamesa took its series with Abilene three games to two, and Amarillo salvaged its final game with Borger.

Glovia pounced 21 hits in a 15-7 conquest of Albuquerque Sunday. Hurrier Bill Rosin clouted a three-run homer to aid his own cause.

Bob Clodfelter won his second game of the young campaign as he hurled the Lubbock Lobbers to a 12-6 win over the Pampa Oilers.

The Lamesa Lobos pulled one out of the fire in the ninth inning when Roman Loyko slapped a double with the bases loaded to give the Lobos a 7-6 win over Abilene.

The Amarillo Gold Sox won the last game of its series with the Borger Gassers 14-10, but the Gassers took the series three games to two.

Prosecution Winds Up Maragon Case

WASHINGTON—(AP)—The prosecution planned to wind up its lengthy case against John Maragon Monday and turn the proceedings over to the defense.

Maragon's attorney was ready with a motion to dismiss the charges against the man who used to be Maragon at the White House by Maj. Gen. Harry Vaughan, President Truman's military aide.

The government showed signs of dropping one of its four charges because of the illness of a key witness, Maragon's mother-in-law. But it still says Maragon lied to Senate investigators last year about his financial affairs and business dealings with the government.

The trial has produced evidence that Maragon failed to report all the income he received from the Albert Verley Company of Chicago, importers of oils for perfumes.

100 PERSONS PICKET FLAGSTAFF PERFORMANCE

LOS ANGELES—(AP)—Kirsten Flagstad's concert at Philharmonic Auditorium Sunday was picketed by 100 persons shouting that the Norwegian singer was pro-Nazi during the war.

Similar demonstrations have been made in other cities against the singer. She declined to comment.

Bulldogs End Season Tuesday in Lubbock

The Midland Bulldogs will complete their District 3-AA baseball season with a doubleheader Tuesday afternoon in Lubbock.

Both the Bulldogs and Lubbock are out of the running for the district title and their twin bill will be strictly for fun.

Coach Red Rutledge will use Bill Medart and Don Smith against the Westerners.

Odessa and Lamesa are fighting it out for the conference flag.

Memories

James J. Jeffries puffs on a cigar at his Burbank, Calif., home. The one-time heavyweight champion has just turned 75. He prefers wrestling to boxing now, pointing out that the grapplers at least put on a good show.

Leaders Count On Big City Pressure For Rent Controls

WASHINGTON—(AP)—Democratic leaders Monday counted on spokesmen for the nation's large cities and states to help push an extension of federal rent controls through a reluctant Congress.

As the Senate Banking Committee opened five days of public hearings on the controversial issue, telegrams went out asking a score of mayors and governors to testify.

Democratic Gov. Chester Bowles of Connecticut made his feelings on the matter clear as he left for Washington to attend the Senate hearings. The former director of the nation's wartime price controls said in Hartford that rents would rise an average of about 35 per cent if ceilings were lifted.

"I want to see rent controls go out the window the minute we have enough homes so that rents won't skyrocket," he said. "But we simply have not reached that point yet."

A number of Democratic senators as well as Republicans are flatly opposed to continuing the ceilings.

Search Launched For Youth After Parents Assaulted

WAUKEGE, IOWA—(AP)—A young farm hand who authorities said became angered over a balky cow and ran over his mother with a truck, was being sought by law officers Monday.

Dallas County Sheriff Evan Burger said Harry Lux, 22, also set fire to his parents' farm home west of here on Highway 6.

Burger said he had broadcast a pickup order for Lux on charges of attempted arson and assault with intent to commit great bodily injury. He said he believes Lux is armed with a shotgun.

Lux apparently became angry Saturday when the cow refused to enter a barn on his parents' farm, and then tried to drive onto a porch where his invalid father was sitting in a wheel chair. The elder Lux's wheel chair rolled off the porch, Burger said.

Neither of the parents, Mr. and Mrs. Walter Lux was badly hurt.

The youth ran into the house, set an overstuffed chair afire in the basement and left after picking up a shotgun. The flames burned a hole in the first floor of the home before firemen could extinguish it.

SERVICES ARE HELD FOR NORRIS INFANT
Funeral services were held at 10 a.m. Monday in Resthaven Memorial Park for the two-day-old daughter of Mr. and Mrs. Harold J. Norris. The Rev. Howard Hollowell, pastor of the First Methodist Church, officiated.

The lighthouse at Cape Hatteras, N. C., was closed in 1936 but put back into service 13 years later.

CITATION BY PUBLICATION TO: Iota Jones
You are commanded to appear and answer the plaintiff's petition at or before 10 o'clock A.M. of the first Monday after the expiration of 40 days from the date of issuance of the Citation, the same being Monday the 22nd day of May, A.D. 1950, at or before 10 o'clock A.M. before the Honorable District Court of Midland County, the Court House in Midland, Texas.

Said Plaintiff's petition was filed on the 4th day of April, 1950. The file number of said suit being No. 5519.

The names of the parties in said suit are:
S. W. Jones as Plaintiff, and Iota Jones as Defendant.

The nature of said suit being a suit for divorce and for judgment decreasing unto plaintiff as his separate property in fee to Lot 7, Block 21, Moody Addition to the town of Midland, Texas.

If this Citation is not served within 90 days after date of its issuance, it shall be returned unsworn.

Issued this 6th day of April, 1950.

Given under my hand and seal of said Court, at office in Midland, Texas, this 6th day of April, A.D. 1950.

IDEAL ALL-WETHER WINDOW UNITS
When you build or remodel, be sure to specify popular IDEAL All-Wether Window Units. Here are the reasons why!

- Precision-made of selected woods to give the character and warmth no substitute material can provide.
- Preservative Treated, through Chemistry, to make them water-repellent and to prevent decay and other forms of wood deterioration.
- Completely weatherstripped to give maximum protection against rain, wind, and dust.

IDEAL All-Wether Window Units are completely assembled before delivery to the job site, greatly reducing time and labor spent on installation.

These are the features to check before buying windows for your home... features that mean you're getting modern, top-quality window units. Buy windows of wood... and you buy for good.

AVAILABLE AT LEADING BUILDING MATERIAL STORES

IDEAL COMPANY, DEPT. MERT-424

PHONE 1337 (Day or Night) 212 Leggett Building LOANS INSURANCE

WANT A NEW HOME We are opening several well located additions to the city of Midland. These additions are reasonably restricted and are for the moderate priced homes. If you are interested in building a home of your choice it will be to your interest and advantage to inspect the homes we now have under construction. We gladly compare our prices and class of construction to any other homes now being built in Midland. For further information about our locations come by to talk to us or call at your convenience.

We offer complete real estate loan service and believe that we can give you the best service possible in obtaining maximum FHA-GI or Conventional loans.

We have a very efficient and courteous sales force and have ready buyers for good two and three bedroom homes. If your house is for sale we will appreciate your listing.

HOME OWNERSHIP IS A SOURCE OF Pride, Satisfaction, Security

By reason of our highly favorable position to finance home purchases and our extensive experience in handling realty transactions to the mutual satisfaction of both seller and buyer, we are enjoying a steady increase in volume of business. But we are never too busy to serve with utmost efficiency. Benjamin Franklin used to say, "If you want to get a job done, go to a busy man."

Smathers Makes It Hot For Pepper

Waging a bitter campaign for the Democratic senatorial nomination in Florida are the Fair Dealing incumbent, Senator Claude Pepper, left, and his one-time political protege, Rep. George Smathers, right. Smathers is campaigning on an anti-administration ticket.

Safety Department Radio Station At Pecos 'On The Air'

PECOS — Station KTXP, the Texas Department of Public Safety radio station at Pecos, went on the air officially last week. Located four miles out on the Granddallas highway, the station now is operating 16 hours per day on an assigned frequency of 42.9 megacycles FM and on 1638 kilocycles AM. The station goes on the air at 8 a.m. and remains in operation until 12 midnight. A 50-watt FM transmitter will be used temporarily. O. E. Barker, chief radio operator at the new station, said a 250-watt transmitter will be installed some time next month. In all the set-up is to be increased by three 250-watt FM transmitters and two booster stations in the Davis Mountains. All of this equipment is expected to be installed within four months, Barker said. One of the booster stations tentatively has been located atop a peak just north of McDonald Observatory. Work on the station will begin as soon as the Texas Highway Department has constructed a road up the mountain. To date, seven cars in this area have been equipped with FM equipment.

FHA Announces Maximum Interest Rate Reduction

WASHINGTON, D. C.—Reduction of the maximum interest rate on FHA home mortgages to four and one-fourth per cent was announced jointly by Administrator Raymond M. Foley of the Housing and Home Finance Agency and Commissioner Franklin D. Richards of the Federal Housing Administration to become effective with respect to all applications received in FHA field offices on and after Monday. "After months of thoroughly studying the mortgage money market it was concluded that this lower rate would be effective in producing a high level of residential construction under the FHA program," it was declared by Foley and Richards in a joint statement. Under the new maximum rate permitted the FHA will insure only mortgages which bear interest at four and one-fourth per cent or less. This interest rate, plus the one-half of one per cent insurance premium, makes an overall maximum annual cost of four and three-fourths per cent.

Pecos Population Figure Said To Be 'Somewhere Between'

PECOS—The population of Pecos, to be exact, now stands at 1,313, or 29,213, or somewhere between. These are the extreme high and low figures submitted in a population estimate contest, with about 80 estimates submitted to date. The low figure of 1,313 was submitted by Olive U. Lattimer, and wasn't based on the superstition of lucky or unlucky 13. The high of 29,213, which outstrips even the latest estimate of Commerce, was submitted by Mrs. Maggie Hudson. The average figure ranges between 10,000 and 11,000, and agrees pretty well with the Chamber of Commerce estimates based on utility meters and users. Scientific Guesses Ed Vaughn and B. A. Toliver based their estimates of 8,421 and 8,862, respectively, on a scientific basis. They did some research on meter registrants figured in some information about per capita employment and added what may have been a grain of pessimism. More liberal guesses as to the present population of the City of Opportunity were made by L. E. Hudson, who guessed 19,400, and A. E. Biggestaff, who guessed 18,471. Margaret Riley of Barstow and Donna Nail each estimated 10,000 even. Several lukewarm guessers strung along in the slightly below 12,000 bracket. The above 8,000 also was popular. Oak wilt disease has been found to spread through root "grafts" occurring naturally between trees.

Ace Scout

"America's top-ranking Scout" is Raymond Cobb, 24, of West Palm Beach, Fla., seen displaying his merit sash containing 110 of a possible 111 awards. Raymond is an Air Scout Ace, Explorer Scout Ranger, Quartermaster in the Sea Scouts and Scoutmaster for a local troop. He lacks only the merit badge for skiing to attain perfection in the Scout world.

At Least 17 Texans Meel Violent Deaths In Weekend Period

By The Associated Press
At least 17 persons died violent deaths in Texas during the weekend. Six were killed in traffic mishaps, five by drowning, one by asphyxiation, one by electrocution, one in a knife slaying, one man was run down by a railroad train, a child died after being hit by a softball, and one man was shot to death. The latest reported deaths include: I. J. Kennedy, about 32; Mrs. Kennedy, about 31, and C. R. Cook, about 30, all from Beaumont, drowned while on a fishing trip at Galveston. Their bodies were found Saturday morning. Three negroes, J. V. Rockmore, Billy Wayne Rockmore, age eight months, and Ozell Hannon, Jr., 16 months, were killed in an auto-truck collision near Royce City Saturday afternoon. Five other negroes were hurt. Killed By Freight Train A. E. Ormes, 71, was killed Saturday at Pittsburg, Texas, by a Cotton Belt freight train while walking along the tracks. Mrs. A. J. Moon, 75, was found dead Saturday morning in her Dallas home by her husband. Her throat had been slashed. An inquest verdict of murder was returned. Jim Guy Stanley, 65, was found dead of asphyxiation in his room in Dallas. A verdict of suicide was returned. Billy Turner, two, drowned Saturday when he slipped from the rocks of Port Bolivar Jetty near Galveston. He was the son of Mr. and Mrs. Harrison B. Turner of Port Arthur. Jose Luis Trevino, 18-months-old son of Mr. and Mrs. Refugio Trevino, Eagle Pass, was killed Saturday when run over by a truck at Laredo. Barbara Carroll Lashford, three, was electrocuted Saturday when she climbed a fence at a friend's home in Paris. The fence was topped with charged wires. William L. Merritt, 72, was killed Saturday in a scooter-auto collision at Waco. Drowns While Fishing Cecil Cook, 27, of Anna, Texas, drowned Saturday night in the Red River just below Denison Dam when a boat capsized while he was helping run a trotline. Frank William Matthews, 77, of San Antonio was injured fatally when he was hit by an auto on a San Antonio street Saturday. Jeffrey Vaughn Heitzman, three-year-old son of Mr. and Mrs. William A. Heitzman of Port Worth, died Sunday shortly after a softball struck him in the chest. George Henry Stokes, Jr., well known Rio Grande Valley produce dealer, was shot to death early Sunday in front of a cafe in Edcouch, Texas. Officers said the shooting occurred after an argument between Stokes and one of his employees.

BRINGING UP ANYTHING TOUCHY
Since you have begun to bring up everything to the light you are ready for the second step: (2) Anything that appears touchy bring up gently, but decisively. Perhaps this sensitive spot is your difficulty. If so, segregate it, and see what is to be done about it. Don't push it down out of sight and try to forget it. That makes it work havoc at a deeper depth—in the subconscious mind. Perhaps your difficulty is a hidden resentment, something you had pushed down into the subconscious mind and put the lid on. Now it is up, and you are looking at it frankly. A farmer allowed one of his neighbor's calves to be merged into his own herd and sold with the rest. But every time he looked to God he could see nothing but that calf! Only when he confessed and restored did he find peace with him-
