Pennsylvanian Test Staked in NE Howard

George R. Brown of Houston No. 1 Lloyd Brown is to be an 800-foot wildcat in Northeast Howard County to explore the Pennsylvanian lime.

The venture is to be two miles south and a little east of Barnsdall Oil Company No. 1 Wilson, recently completed prolific flowing discovery from the Pennsylvanian, just across the county line in Central-South Borden County.

Brown No. 1 Brown will be 800 feet from south and west lines of section 18, block 27, H&O survey.

That makes it eight miles northeast of Luther and 16 miles northeast of Big Spring.

Drilling with rotary tools is to start at once. Thompson-Carr, Inc., have the contract and is moving in rotary tools.

NE Garza Wildcat Gets Oil-Cut Mud

Spartan Drilling Company and L. M. Glasco No. 1 Emery Trust, Northeast Garza County wildcat, 1,649.5 feet from north and 330 feet from west lines of section 39, block 2, H&O survey, recovered 10 feet of oil and gas mud in a one hour drillstem test at 6,207-37 feet in Pennsylvanian lime, thought by some geologists to be Canyon, and by others to be Cisco.

The test was a weak blow of air at the surface for a part of the period.

The test was run after a core at 6,207-37 feet had recovered 35 feet of lime, with considerable bleeding oil, but with very little permeability.

The current line was topped at 6,170 feet. Elevation is 2,718 feet.

Will Run Casing

The section from 6,170 to the present bottom has shown interesting shows of oil and gas in the samples. It is expected that operators will be casing soon and make a production test of the shows so far penetrated.

Ted Weiner and associates, and Solio Petroleum Company No. 1 Swenson, another Northeast Garza prospect, at the center of the northeast quarter of the northeast quarter of section 17, block 2, H&O survey, had reached 7,120 feet in hard sandy shale, and was making more hole.

This venture has drilled through some promising indications of possible production. It is to try to develop better production in the Strawn at around 7,300 feet.

C-NW Scurry Venture Is High On Canyon

Esperado Mining Company No. 1 McDonnell, Central-Northwest Scurry County wildcat, two miles west and the same distance north of the nearest completed Canyon lime producers in the Kelley-Snyder field, and located 487 feet from south and east lines of the southwest quarter of section 33, block 97, H&O survey, is bottomed at 6,763 feet in lime and is trying to loosen and recover stuck drill pipe.

This prospect picked the top of the Canyon reef to be at 6,748 feet. The elevation is 6,521 feet. That gives it a datum of minus 4,227 feet.

Interested observers expect it to produce when tested. It is likely that as soon as the stuck tools are pulled out that operator will run casing and make production tests.

Kelley Edge Project Flat With Producers

Wilshire Oil Company No. 1 Wren, on the edge of the Kelley field in Central Scurry County, has topped the reef at 6,733 feet, on a minus datum 4,243 feet, which should be high enough to produce.

The No. 1 Wren is a mile and a quarter south of the Esperado Mining Company No. 1 McDonnell, a drilling wildcat, and one mile north of Magnolia Petroleum Company No. 1 Shuler, an exploration prospect to complete on the Canyon.

The No. 1 Shuler topped the reef at a minus datum of 4,246 feet, which is about flat with the Wilshire No. 1 Wren.

The No. 1 Wren is 467 feet from north and east lines of the north-west quarter of section 29, block 97, H&O survey, and six miles northwest of Snyder.

SE Lynn Wildcat Testing In Lime

Magnolia Petroleum Company No. 1 Garza Cattle Company, Southeast Lynn County wildcat, 14 miles east of O'Donnell, and 1,980 feet from south and 660 feet from west lines of the southeast quarter of section 431, block 2, ELDER survey, was taking a drillstem test in a Pennsylvanian lime at 8,885-8,830 feet.

The test was ordered after a core at 8,620-30 feet recovered nine and one-half feet of lime with signs of porosity and oil odor.

The prospector is contracted to 10,000 feet to test the Ellenburger—unless it develops commercial production in a higher formation.

Midlander To Drill Cable Test In Pecos

Wayne Moore of Midland has staked a shallow cable tool wildcat in extreme South Pecos County, 40 miles south of Fort Stockton.

His No. 1 Montgomery, slated to go to 1,500 feet, will be 330 feet from south and east lines of section 1, block 181, H&O survey.

Drilling is to begin at once.

New Note Charges Reds Dodge Facts In Plane Incident

WASHINGTON —(AP)—The United States Friday charged Russia with flouting its international obligations in dealing with the Baltic plane incident.

In a new note to Moscow, the State Department declared Russia had put forward an "erroneous account" of the shooting down of the American plane on April 8.

Papers Identify New Orleans Jail 'Guest' As State Governor

NEW ORLEANS —(AP)—A husky six-footer, who Police Captain Joseph Guillot said had papers identifying him as Gov. John Bonner of Montana, was held six hours Thursday night and freed early Friday on a simple drunk charge.

When released at 5:30 a.m., the man said the identification was correct.

Seven Schools In Music Festival

Students of seven Midland schools—350 strong—will present a new entertainment attraction at 7:30 p.m. Friday in the High School Auditorium as the first All-School Music Festival is staged.

Choirs from North, South, West, Latin American and Terminal Elementary Schools and from John M. Cowden Junior High School and Midland High School will be presented on the program, under the direction of R. C. Michener, director of music in Midland schools.

31 Persons Escape Serious Injury In Air Transport Crash

MINNEAPOLIS —(AP)—An Air Force C-46 twin engine plane with 28 passengers and a crew of three crashed Friday shortly after taking off from Wold Chamberlain Field.

No one was injured seriously, Air Base headquarters reported.

The plane was carrying 28 University of Minnesota ROTC students who were bound for Ames, Iowa, to participate in a rifle drill meet at Iowa State College.

JayCees And Wives Stage Water Fight To Publicize Drive

Members of the Junior Chamber of Commerce and their feminine counterparts, the JayCees, fought to a standoff Thursday in a street water fight which headlined the day's activities of the annual Clean-Up Week in Midland.

About five JayCees and six JayCees-ettes participated in the fight, which was staged on West Illinois Street near the City Hall.

Stork Hovers Around Clinic

The stork flexed his wings and made practice flights from the roof of Western Clinic-Hospital Friday in anticipation of a very busy weekend.

The big delivery bird may have eight trips to make very soon. In one 11-hour period—from noon Thursday to 10:59 p.m., eight maternity cases were admitted to the hospital.

County Obtains More Right-Of-Way Land

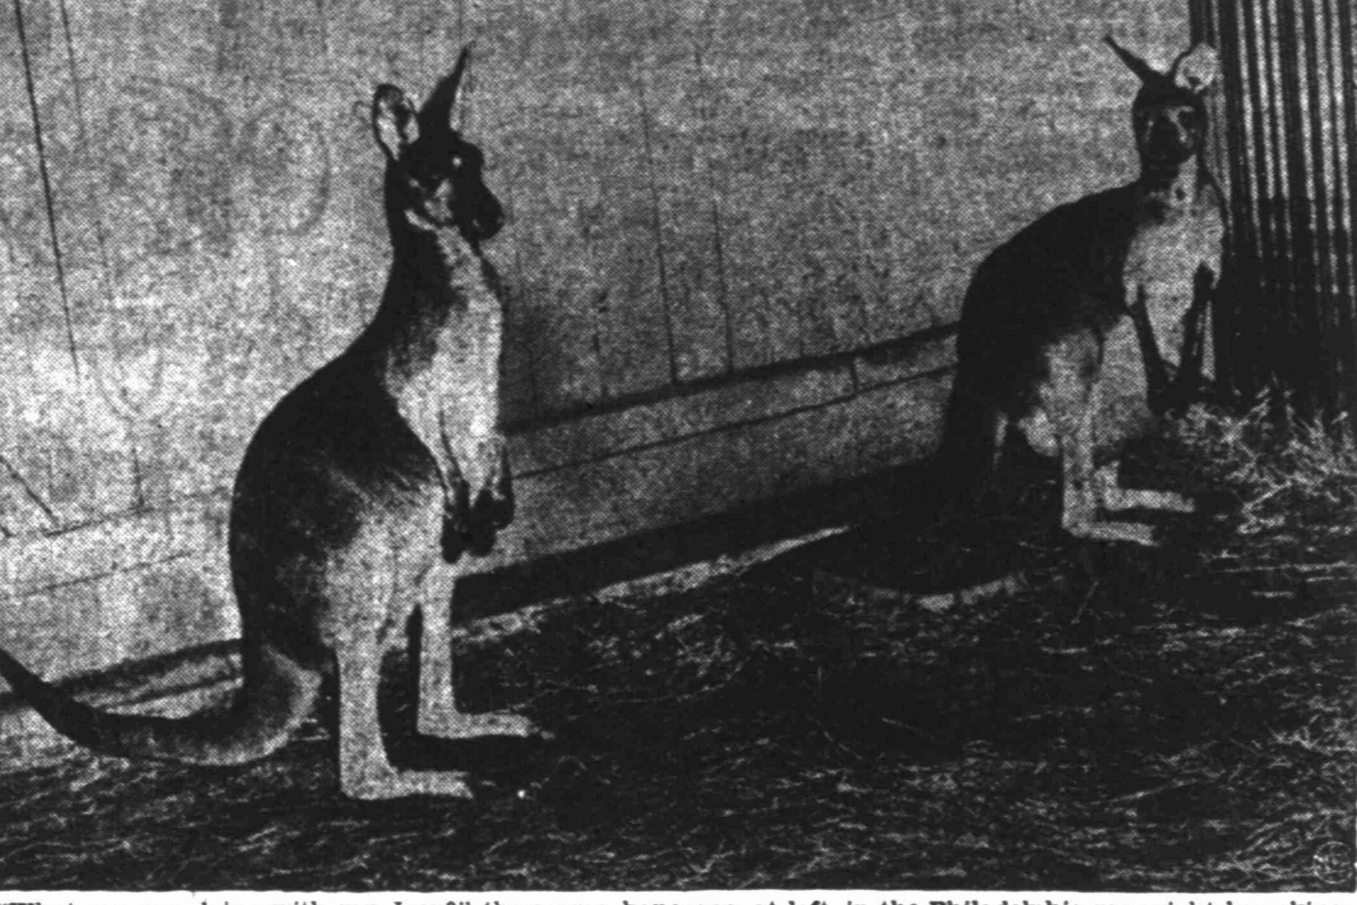

Two more tracts of right-of-way for a proposed new four-lane highway to Odessa have been purchased by Midland County, Clifford C. Keith, county judge, announced Friday.

The new purchases, involving sizable tracts along the proposed route, leave only two plots still to be purchased, Judge Keith said. About six acres of land still must be purchased from the Odessa Country Club and a smaller plot of about one and one-half acres, at the Dragon Grill site near Terminal, still must be acquired by the county, Keith said.

Ken Regan On Flying Trip To West Texas

EL PASO —Congressman Ken Regan of Midland, on a flying trip to El Paso to map his campaign for reelection in the 16th Congressional District, Thursday promised an intensive drive which will carry him into every city and county in the district. He will return to Washington this weekend.

Kangaroo Kidnaping Is 'Inside Job'

"What are you doing with my Joey?" the mama kangaroo, at left, in the Philadelphia zoo might be asking of her sister, right. Joey vacated his mother's vest pocket and promptly was kidnaped by his aunt, who already had a kangaroo baby in her own pouch. Zoo officials decided on a policy of watchful waiting in hopes Joey's aunt will kick him out so he can go home.

Truman Offer 'Not Enough'—McCarthy

WASHINGTON —(AP)—President Truman's decision to hand over some government loyalty files to Senate Communist investigators put Senator McCarthy to work Friday on a "not enough" protest.

In another development, the Justice Department said it never received any evidence from the Office of Strategic Services (OSS) to support charges that Amerasia magazine officials and State Department employees were shipping atomic secrets to Russia in 1945.

M. A. Tidwell Dies At Residence Here

M. A. Tidwell, 61, a resident of Midland for the last six years, died early Friday at his home, 608 West Michigan Street.

Funeral services will be held at 3 p.m. Sunday in the Church of Christ at Quanah. Interment will be in Quanah Memorial Cemetery. Newell W. Ellis Chapel is in charge of arrangements here.

Rehearing Of Case Favoring City Of Midland Overruled

The Eighth Court of Civil Appeal El Paso, has overruled a request for rehearing of a case in which the City of Midland was awarded judgment on a reversal, it was learned here Friday.

In the original case, H. H. Hamlin et al were awarded judgment for \$7,772.62 against the city as a result of an explosion and fire at his residence, 700 West Kansas Street. A 70th District Court jury awarded the judgment on the plaintiff's contention the city was negligent in spraying the residence, causing the explosion and fire.

Aiken Youngster Rallies; Brain Surgery Performed

Donald Wayne Aiken, four-year-old Midland youngster who was struck by a truck in front of his home Sunday, has rallied strongly after brain surgery in Dallas Monday.

Messages from his parents report the youngster is conscious and is taking solid food. He is able to play in his hospital bed. His recovery is practically certain, the parents said. The child suffered a head injury, and pelvic and leg injuries in the accident. He was flown to Dallas in an air ambulance following emergency treatment here.

Three States Hit By Lashing Winds; Dust Travels East

By The Associated Press
Wild winds dotted with tornadoes whipped the great plains areas of Texas, Oklahoma and Kansas Thursday night, killing one person and injuring at least 50 more. Property damage was high.

The death was at Perryton, in the upper Texas Panhandle.

Central and East Texas Far South as Austin

Friday, a choking dust blanket raised by the storm drifted east, obscuring the sun and cutting visibility in Central and East Texas far south as Austin.

Visibility was reduced to one mile at Dallas at 8 a.m. At Austin, visibility dropped from one and one-half miles at 7 a.m. to three-fourths mile at 8 a.m. The Austin Weather Bureau said the dust was from West Texas and New Mexico. Surface winds at Austin were only nine miles per hour.

Reaching San Antonio at 8: a.m., dust storm lowered visibility to one and one-half miles. Surface winds at Austin were only nine miles per hour.

GOP Leaders Make Political Issue Of Reds In Government

WASHINGTON —(AP)—The sound and fury of political debate over the Communist-in-government issue hit a new peak Friday with Republicans launching fresh attacks on the Administration.

Senator Wherry of Nebraska, the GOP floor leader, pinned the issue to the timetable of a Western whistle stop tour President Truman begins Sunday.

Wherry noted that the President agreed to open State Department loyalty files to senators investigating charges by Senator McCarthy (R-Wis) that the agency is a haven for Communists and said: "He did it only because he could not face the people with his argument for secrecy."

Gov. Thomas E. Dewey of New York, the 1948 GOP presidential nominee, added his voice to the Republican chorus of criticism for the Administration.

In a New York speech Thursday night, Dewey accused the Democrats of tolerating spies, traitors and sex offenders in government. Discussing the attitudes of the two major political parties, Dewey declared:

"One big difference is that we Republicans believe in keeping our political promises and we keep them faithfully."

"Another difference is that we really believe spies and traitors belong in jail."

"We also believe that sex offenders and the like should be in prison or mental hospitals and not in any part of the federal government."

"We believe that state elections should be decided by a vote of the people and not by stolen paper ballots or by the pistols of gunmen in Kansas City clubhouses."

"We believe in honest government and I am happy to say that no associates in my office have been convicted of perjury."

Pickets Slow Plans For Reopening Of 14 Chrysler Plants

DETROIT —(AP)—Chrysler Corporation, which tied a 100-day strike with the CIO United Auto Workers Thursday, said Friday it may not be able to open any of its 14 Detroit plants Monday because of a local union's refusal to "cooperate."

Pickets of Dodge Local No. 3, with 30,000 members, Friday refused to permit maintenance workers and repairmen to enter the main Dodge plant here.

The company said picketing at the Dodge plant also tied up the inter-plant transportation department, which hauls parts between Detroit factory units.

Dodge No. 3 pickets said no UAW- CIO members may enter plants un- til the new contract is ratified in local elections Saturday. This, Chrysler said, will make it impos- sible to put the plant into shape for regular production Monday.

Elsewhere across the country, Chrysler's other 11 plants made plans to reopen Monday under the new contract which provides \$100 monthly pensions (including social security), some wage increases, and hikes in hospitalization, surgical and insurance benefits.

In the reverse, the appellate court ruled that the jury should have found for the City of Midland, and that the plaintiff should "take nothing."

Hamlin's attorneys still may ask the State Supreme Court for a writ of error to determine if a rehearing is possible, one source said.

Life With The Tax Gremlins

By NEA Service
There are no direct taxes on food at the grocery store. Nevertheless, the Gremlins are at your table and must be helped first because indirectly food is

the destination, not the source, of some of the money. Secondly, at the grocery store you pay the high prices that result from subsidies to the farmer. For example, potatoes. You know that for four years potatoes have been dear at the grocery store. They have been dear not because they were scarce but because they were too plentiful. To support the price the government bought the surplus from the farmers and stored it, which caused the farmers to grow even more potatoes, not for the market but for the government. Each year the government has had to destroy or give away the surplus (this year \$4 million bushels), and its loss in four years on the "potato program" is estimated at \$500 million.

Whose money was that? In the same way the government has been buying surplus wheat, corn, cotton, eggs, butter and other storable commodities, besides at the same time "supporting" the prices of perishable food products by limiting the quantities that may be sent to market. Loans on surplus commodities to keep them off the market are made by the Commodity Credit Corporation, owned by the Federal Government, and its gamble with public funds in these price-support schemes now approaches \$7 billion. That is money the Gremlins collected.

Moreover, there are innumerable hidden taxes in the food on your table. It has been calculated that there are 151 taxes hidden in the price of a loaf of bread; 100 or more in the price of an egg. The problem of hidden taxes is so complex that it is impossible to tell exactly how much the Gremlins take at the dinner table. What is important is that they're there and that they take a first large share of every family's food.

Cinema Snake Vincent Price Is A Cut-Up Off The Screen

By ERSKINE JOHNSON
NEA Staff Correspondent
HOLLYWOOD—Let the popcorn of other moviegoers shake like aspen leaves in the wind when Vincent Price plays dirty dog to such frail mistresses of the sound-track serech as Gene Tierney and Linda Darnell.

After talking to the ruthless doer-inner of cinematic woman-kind, I'm a lot more afraid of the garter snake in Butch Jenkins' pocket.

Vincent, the on-screen villain, is an off-screen cut-up who thinks that slitting a movie doll's alabaster throat is funnier than a barrel of monkeys and who savors the phrase, "It's hysterical," the way an Eskimo enjoys his filet of blubber.

Even the august presence of a Zauck or a Warner can't keep Vincent from rolling in the aisles when the joke's on Vincent.

"Something kills me every day," Last month, beating the drums for "The Baron of Arizona," he accepted the keys to Salt Lake City from Utah's Governor Lee and referred to him as a Democrat.

"There was a dead silence," he said. "It seems that Lee is Utah's first Republican governor in 40 years. It was hysterical."

Vincent plays a high-strung radio advertising executive in Ronald Colman's new picture, "Champagne for Caesar."

"Not a stiletto or a carbolic acid julep under my cloak either," the veteran of screen mayhem says. "I do a caricature of a caricature."

He has another off-beat role in UFA's "Curtain Call at Cactus Creek," an opus that pokes some cockeyed fun at the "they went thataway, pardner" school of movie art.

No Riding Fan
"I ride a horse in that one. Hollywood is always trying to get me on a horse. I hate horses. They hate me. It's hysterical. I know a famous western star who feels the same way. He hates horses, too," he complains.

Vincent can sprout his famous beard quicker than a Hollywood glamor guy on the town can inflate the bags under his eyes.

"It's perfect," he says, "for my television show. Everybody in kinescoped shows, including the girls, come out looking like they had beards, anyhow."

The movie bug nipped Vincent at the age of five down where the hominy grits grow in Missouri. He says he fell in love with serial queen Pearl White and day-dreamed about saving her from fates worse than death.

"I took it as a personal affront when Pearl died," he sighs. "I went into spectacular mourning."

Israeli Not Affected By Diamond Decision

NATHANYA, ISRAEL—(AP)—The diamond polishers and cutters in this Mediterranean coastal city are happy—they don't have to pay in dollars for crude diamonds. That's the announcement of the Diamond Manufacturers Association. It buys \$560,000 worth of rough diamonds through a London syndicate every month.

The association said the London syndicate had advised the Israeli could go on paying in pounds sterling for the stones. Thus, Israel is not affected by the recent decision of the South African government to sell rough diamonds only for dollars.

ADELAIDE, AUSTRALIA—(AP)—Dr. C. A. Moody was competing in a sailing race recently when he saw a Union Jack flying half-mast from his club shed flagpole.

This meant he was wanted ashore in a hurry. He dived overboard, swam to the shed, performed an emergency operation in a nearby hospital, returned to his yacht in a rowboat, and finished third in the race.

SIGN DELAYED 73 YEARS
CHICAGO—(AP)—Back in 1877 the City Council decided to give a name to a block-long lane that runs from State to Dearborn Streets north of Adams Street. Recently—73 years later—officials figured it was time to put up a street sign there. They did. The name: Marble Place.

Will Power Is Alcoholism's Only Cure; New Drugs Help, Psychiatrists Are Told

DETROIT—(AP)—Will power still is the only cure for alcoholism. Antabuse, the newest drug, is useful, but no home remedy.

This was reported to the American Psychiatric Association Thursday by 12 American and Canadian doctors. They said antabuse by itself is safe. But take a drink with antabuse in your system, and your face turns red, breath shortens, heart pounds and terribly worry sweeps over you.

The obstacle to the wife's putting antabuse secretly in the coffee, the doctors said, is that there are some men whom it might kill if they took even a bottle of beer afterward.

People with bad hearts, high blood pressures, certain blood circulation troubles and bad livers are not allowed to take antabuse. Several doctors said it is necessary to have a psychiatrist direct the treatment.

Not because of safety, but because success depends on the drinker getting psychiatric help for his will power.

In San Francisco, six doctors reported 8 patients, with 50 per cent still dry after six months, 50 per cent doing less drinking except 15 who returned to habitual drunkenness. In Albany, N. Y., 150 were treated. Ninety-four improved greatly. In Montreal, Canada, where 125 have been treated, half of those who had failed to reform with other treatments succeeded with antabuse.

Several Alcoholics Anonymous members have turned to antabuse for help.

None of the doctors would predict whether even several years of staying dry with antabuse would be a permanent cure.

And why beholdest thou the mote that is in thy brother's eye, but considerest not the beam that is in thine own eye?—Matthew 7:3.

Typical Moscow Trap

We've had fresh assurances from Secretary of State Acheson that the Western powers do not intend to be sidged from Berlin by planned Communist disturbances the city late in May.

The chief Red maneuver in the offing is a march of German youths from the Soviet zone into western sectors of Berlin.

Acheson told newsmen the Western nations could not divulge what steps they would take to counter the Russian-inspired demonstrations. But he emphasized that the Allies would be very firm in their resistance to whatever pressures develop.

The secretary did not indicate, however, that the West contemplates any advance diplomatic moves to offset probable Russian plans to turn the occasion into a propaganda field day. If we do nothing on this score, we may miss the boat badly.

Acheson's remarks, indeed, the whole tenor of our response to the proposed youth march, suggest that we are viewing this Soviet tactic as a serious effort to end Western control over Berlin.

The Russians hardly are simple enough to believe a mass of German youths, no matter how sizable the force, will take over a large city area stoutly defended by Allied tanks and tanks. The young German Reds are not likely to have much weight of metal to throw against the defenders.

It seems much more probable that the Soviet Union is trying to put the West in a position where its soldiers will have to shoot down and perhaps kill dozens or even hundreds of German youths in the streets of Berlin.

The propaganda value of such an event unquestionably is rated high in Moscow, as well it should be. The moral and moral rightness of the Allies' position would not look impressive when set beside a bloody slaughter of young Germans.

The youth march has all the earmarks of a typical Communist trick. It isn't enough for us to be ready to stand off this "threat" to our control of Berlin. We must try to deflate the propaganda value of the march before it happens.

We should formally notify the Russian government at the proposed demonstration would clearly violate our power agreements affecting control of the western sectors, and that the necessary resistance to such violation could only result in needless bloodshed. That message should urge that the march be called off in the interest of preserving order and saving human life. And the whole world should know what we say.

Furthermore, the matter should be handed to the United Nations Security Council as a potential threat to world peace. For, despite its recent impotence, the UN still is a world forum in which nations acting in a righteous cause can get a full and well-publicized hearing. Words are powerful weapons on any side, and they might prevent blood-letting in Berlin.

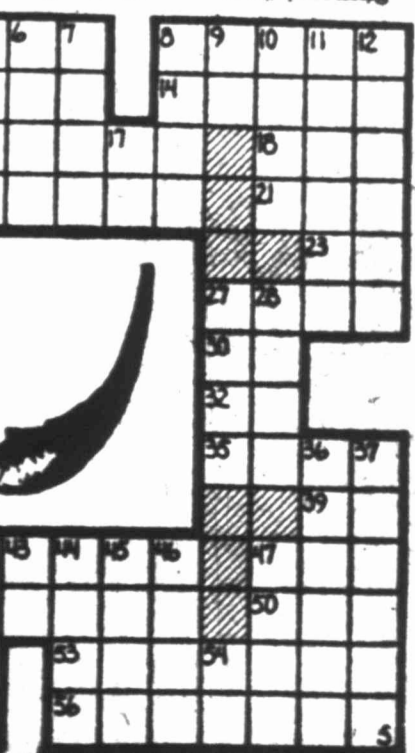

We cannot sit idly waiting for the day to come when the Russians will seek to cast us in the role of brutal murderers of German youth. Their vicious game must be exposed now.

DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

Drew Pearson says: Amarillo JayCees sponsor U. S. tour for "adopted" Austrian JayCee; Who's Who in the Communist Party; Kansas City probe shows big racketeers observing federal laws.

WASHINGTON—A gangling, smiling youth with an engaging smile is the pay-off in a great campaign for international good will. He is Eric Geiger, a Junior Chamber of Commerce member from Salzburg, Austria, and now an adopted son of Texas.

Geiger has been touring the United States as a guest of patriotic JayCees in the U. S. A., living in their homes, taking part in their dinner-table arguments, and meeting their friends.

The project began with letters exchanged between the Salzburg and Amarillo, Texas, Junior Chambers of Commerce. Finally, as one step in promoting people-to-people friendship, the Texans "adopted" the Salzburg Chamber and arranged for Eric's visit to the U. S. A.

He stayed in Amarillo with a different member each day, and eventually arrived in Washington where he watched sessions of Congress, took in the Lattimore hearing, and met Secretary of State Dean Acheson.

Congress fascinated Geiger. "It is so democratic and so individual," he said. "In our Parliament if a member dares defy his party, he must resign. Here, you have so much freedom."

The trip has been a real success. Now other Junior Chambers of Commerce have decided to "adopt" and bring more European JayCees to this country.

The Communist Daily Worker violently has denounced Earl Browder, ex-leader of the Communist Party, and Bella V. Dodd, ex-Communist, following their testimony that Owen Lattimore never was a Communist Party member nor a Soviet spy.

So They Say

The political and economic independence of Austria is being sabotaged by the determination of the Soviets to maintain their forces and special interests in eastern Austria.

It is time to rally from a frustrating confusion that has its roots in mistakes of the past rather than in the circumstances of the present.

All of us praise bureaucrats who are near us, while seeing evil in distant bureaucracies. I fear it is the same in America; they will easily see distant bureaucrats, but not those close at hand.

Abundant Living

By E. STANLEY JONES

NO ILLUSIONS OF GRANDEUR! If you are to share your mind against all negative thinking, you must first get rid of your illusions of grandeur. The temptation will be for you to swing back from one attitude to its opposite, and as mental compensation, to indulge in extravagant bragging about yourself.

A father said to his daughter who had been slipping in her studies: "You are not the least bit inferior." To which the girl replied: "No, the fact is, I'm superior in many things." That reply was revealing, for it showed the secret of her ineffectiveness.

That leads to the next step, (5) Discipline your aspirations to possibilities. If you set up too high standards of achievement, beyond the reach of your powers, even when they are used by God, then you may become discouraged and give up and do nothing.

He led a diamond at the second trick and finessed dummy's queen. The trouble was that East won the trick with the king of diamonds and returned a diamond. Declarer continued his plan by finessing the queen of hearts, and was relieved to find that this succeeded.

Therefore this declarer led the ace of hearts at the second trick. He continued with the queen of hearts, finessing out East's king. East dared not lead diamonds up to dummy's ace-queen, so he returned a club. South ruffed and drew the last trump.

At this point all South had to do was set up dummy's long spades. He therefore led the ten. West played low, hoping that his partner had the queen or that declarer would put up dummy's ace. Actually, South let the ten ride, and he held the trick. The rest was easy.

Distant Star

THE STORY: Falling in love had been far from Cleme's first experience. She had been married to a man who was a success in business, but who was a failure in love.

"So it's true—what Jon told me." She hardly recognized her own voice, it seemed as though it must be someone else who was speaking, some other girl whose whole life had been shattered into little pieces about her.

"Don't touch me, please." "My darling—what is it—what is the matter?" he asked. "She was dead to the appeal in his voice; all that registered was the slender, bright-haired woman in the background—watching them."

WASHINGTON COLUMN

Insurance Companies Oppose Government Disability Benefit

WASHINGTON—Cash benefits for permanent and total disability—after a waiting period of six months—would be provided as a new, third form of social security if the Senate approves House-passed amendments to the law which now covers old age and survivors' insurance, and public assistance to the needy.

Insurance companies oppose this government venture into total disability benefits. Their own experience in the field has shown it to be unprofitable. They oppose it also because they fear it ultimately would be extended to government insurance for short-term disability of under six months, their most profitable field.

In their opposition to government disability benefits some of the insurance companies had a working agreement with the doctors who were campaigning against government health insurance. The American Medical Association persuaded some of the insurance companies to mail out AMA literature against health insurance.

Questions and Answers

Q—Did the Mason-Dixon Line originate in the Civil War period? A—Actually, the line was surveyed during Colonial days. In 1763 Charles Mason and Jeremiah Dixon, two British surveyors, were called to the American colonies to demark certain agreements reached by the Penn and Calvert families after decades of controversy, negotiation and lawsuits.

Q—What part of the coral animal is used for jewelry? A—The corals used for jewelry are only the skeletons. Originally these skeletons were the homes of small polyps that occupied the cuplike cavities seen in the dead coral.

Q—Why does the body shiver in cold weather? A—Shivering in the cold is a step taken by the body to acquire warmth through exercise.

Q—In what year did the words railroad and railway first appear in print? A—The words "railroad" and "railway" were used in Johnson's "Rural Economy" in 1808. This is said to have been the first use of the words in print in America.

Q—What was the supposed strength of The Lost Tribes of Israel? A—It is estimated that the 10 tribes numbered over 27,000.

BY the time Cleme had reached the bottom of the stairs again, that wave of passionate resentment had become a dull, searing pain. Holding on to the banisters she dragged herself upstairs, listening on every step for the study door to open, knowing the feeling to be wild and irrational, she still hoped that perhaps Piers would follow her.

Women's Golf Tourney Players Entertained In Party Series

Women golfers were caricatured in paint and pipe cleaners for the clever decorations in the Midland Country Club Thursday, when the Ladies Golf Association entertained with a cocktail party for entrants in the Women's Invitation Golf Tournament and their escorts.

The annual tournament is in progress this week on the country club golf course, with accompanying social events. A barbecue supper and Calcutta pool provided the entertainment for a large group of club members and tournament players Wednesday night and the Golf Association will be hostess with a continental dinner Friday night, replacing its usual Friday luncheon.

Centering the table where punch and hors d'oeuvres were served Thursday afternoon was a golfing scene, a green with grass and shrubs and figures of women golfers made of pipe cleaners, one driving, one putting and one sitting dejectedly.

Flowers For Color

A cutout figure of another woman golfer stood on a table at one end of the room opposite the stage, which had large cartons of more golfers in the background. Red rambler roses in trellis effect decorated the front of the stage and made a garland on the opposite wall. Single roses in bud vases centered the small side tables.

In the foyer, a bowl of red roses was set on a table and the figure of a clown, almost life-sized and holding vari-colored balloons, stood at the entrance to the ballroom. The lounge had arrangements of larkspur and one of red roses on the larger tables, and low bowls

Art Festival Winners

Winners in the high school division of the Student Art Festival which is in progress this week include these students: Left to right, Waldo Leggett, winner of first place for still life painting; Cynthia Parker, second place for crayon design and third place for posters; James Johnson, first place for both portraits and landscapes; and Kay Stalcup, first place for house plans and sketches. Their work with other entries from all the schools of Midland and a group of pre-school children, is hanging in the City-County Auditorium through the week after judging and official opening Sunday. Johnson, winner of two first places, has just been notified that his colored ink drawing, "Silent Night," which won a gold key in the Northern Texas Scholastic Awards Contest, has been chosen to hang in the National Scholastic Exhibition at Carnegie Institute in Pittsburgh.

James Johnson's Entry Chosen For Award In National Scholastic Art Exhibition

A drawing in colored inks by James Johnson of Midland, which was one of the winning entries in the Northern Texas Scholastic Art Awards Contest held in Fort Worth last winter, has been chosen to hang from May 6 to May 29 in the twenty-third annual National High School Art Exhibition in the Carnegie Institute at Pittsburgh, Pa.

Notice of the award was received by Johnson this week. His drawing is titled "Silent Night," and is a night scene in a city, with skyscrapers surrounding a small church.

The son of Mr. and Mrs. J. J. Johnson, 2801 West Brunson Street, the young painter is a freshman in Midland High School and is 15 years old. He has been interested in drawing all his life and has studied it seriously the last three years.

Officers Installed In Midland Garden Club's Meeting

Officers for the 1950-51 year were installed at the Midland Garden Club's last business meeting for this year Thursday morning in the home of Mrs. John J. Redfern. A horticulture discussion, the group's regular fourth Thursday meeting, will be held May 18.

Mrs. A. P. Shirey read the installation ceremony. New officers are Mrs. C. F. Henderson, president; Mrs. Leslie Brown and Mrs. H. Winston Hull, vice presidents; Mrs. Robert Stripling, recording secretary; Mrs. W. B. Yarborough, corresponding secretary; Mrs. Redfern, historian; Mrs. Clem George, parliamentarian; and Mrs. Frank Aldrich, publicity chairman.

The flower arrangement was of pink roses and lavender tulips in an antique tureen. It was made by Mrs. R. T. German and Mrs. Jack Hanks.

It was decided that a club project for next year will require each member to grow one iris and one chrysanthemum as specimen plants.

Other members attending were Mrs. L. I. Baker, Mrs. Arch Clevenger, Mrs. Richard Gile, Mrs. O. H. Jones, Mrs. Jack Kelsey, Mrs. N. B. Larsh, Mrs. L. C. Link, Mrs. J. A. Mascho, Mrs. F. J. Nicholson, Mrs. E. E. Reigle, Mrs. J. C. Smith, Mrs. R. E. Throckmorton, Mrs. C. P. Yaden and Mrs. Hal Rachal.

Guest Discusses, Illustrates Art Of Flower Arrangement

Flower arrangement is an art, so it has no set rules. Mrs. Howard Kittel of Fort Worth told members of the Midland Woman's Club who were entertained by the six garden clubs of the city in the First Presbyterian Church at their May meeting Thursday.

However, Mrs. Kittel said, there are certain principles of design which apply to flower arranging, which should be broken only by an expert who knows just why she modifies the principle. Mrs. Kittel was introduced by Mrs. J. D. Dilard, chairman of the Midland Council of Garden Clubs, as a nationally accredited flower show judge who is in demand as a speaker, judge and demonstrator of flower arrangements for garden clubs over the nation. She is first vice president of the Fort Worth Garden Club.

Mrs. Kittel illustrated her talk with arrangements she had made of flowers supplied by Midland gardeners, then made several arrangements with such apparent ease that her hearers were inspired to return home and experiment for themselves. She warned at the close of her talk, though, that the art of flower arrangement requires patience, practice and enthusiasm.

Ten Principles

Ten points which judges look for in flower arrangements were listed by the speaker. These are height for dramatic effect, a common point from which all the stems spring, visual balance, crossing of lines which may create confusion, an uneven number of blooms or lines to give a natural look, variation to avoid monotony, interest on all

sides of the arrangement, a dominant note to make a good composition, textures in good relation, and a center of interest or center of growth where the main lines cross or come together.

Mrs. Kittel said that flowers for arrangement should be gathered in late afternoon or early morning and submerged to the blossom overnight or for several hours in water. She suggested as the best colors for containers "the soft blue of the sky, the brown of the earth and the green of the trees" and emphasized the point, "to achieve beauty, study nature."

Tea After Talk

Business of the Woman's Club was deferred to a meeting on May 18 to give time to the speaker and permit the guests to examine at leisure the arrangements she had made. Her talk was given in the Fellowship Hall of the church and tea was served in the parlor, where red roses filled a bowl in the center of the lace-covered table.

New and retiring presidents of the hostess clubs comprised the house party. They are Mrs. C. F. Henderson and Mrs. H. E. Bahr of the Midland Garden Club; Mrs. W. D. Lane and Mrs. John L. Smith, Tejas Club; Mrs. R. E. Gillespie, Yucca Club; Mrs. Willard Bumpass and Mrs. E. W. Cowden, Pyraeantha Club; Mrs. J. W. Christian, Perennial Club; Mrs. Richard Hinkle and Mrs. Ed Shakely, Senisa Club.

about. "Trouble, trouble, trouble," said Mugwump. "Poor, poor people," said the Huffen Puffen. "Wait and see what happens," said Daddy Ringtail. There was nothing else that they could do. Then the people on the ship began to throw boxes from the ship to the water. The Captain told them to do it. I guess, for the Captain knows all about the business of a ship at sea. The ship was lighter with the boxes gone. It rode up higher in the water and it floated free of the sandbar and away it sailed with the whistle blowing.

The wind decided to go another way back where it came from, and our friends on the island found one of the boxes that floated in from the ship. It was full of floatam and jetam or something that Daddy Ringtail said was good to eat, and that was the end of a very exciting vacation day. Happy vacation to you when you have one. Happy day!

Indians Weathered Out; Return Home Saturday

The Midland Indians and the Sweetwater Swatters were weathered out of their scheduled game Thursday night in Sweetwater.

The two teams will try again Friday night. LeRoy Jarl or Dick Balfe will toe the slab for Midland.

The Indians return home Saturday night and Sunday afternoon to engage the Vernon Dusters. It will be the first meeting of the two teams this season.

Ernie Nelson and Ralph Blair are the probable hurriers for the weekend series.

Don Addington Gets Shot At Coe In Western Meet

DALLAS —(P)—Young Don Addington of Dallas sought to halt the surge of National Champion Charlie Coe toward his first Western Amateur golf title Friday.

The 19-year-old sensation of the forty-eighth annual tournament clashes with the sweet swinger from Oklahoma City in the quarter-finals Friday afternoon. Addington is one of two youngsters thrown in with six veterans in the championship fight.

Coe was devastating Thursday as he marched over his opponents in a double round that saw the medalists—all four of them—eliminated along with a 1949 finalist—Walter Cisco of Louisville, Ky.

Coe crushed Leonard White of Dallas, one of the medalists, 8 and 7 by taking the first eight holes

and then letting the match run itself out. In the morning round he had carved out a 3 and 2 decision over Don January of Dallas.

Medalists Ousted
Addington, who beat Harold D. Paddock, Jr., of Aurora, Ohio, in the morning round 8-6, came through over another medalist—Morris Williams, Jr., of Austin, 2-up in his next match.

In other quarter-final jousts Friday, Jack Munger of Dallas plays 20-year-old Mac Hunter of Los Angeles. Bill Campbell of Huntington, W. Va., takes on Francis G. Winger of Stillwater, Okla., and Robert W. Goldwater of Phoenix, Ariz., meets Bruce McCormick of Los Angeles.

Thursday Munger downed Gus Moreland of Peoria, Ill., 5-4 then beat Jim Vickers of Wichita, Kan., 3-2.

Hunter defeated Leon Taylor of Tyler, Texas, 3-1, and Jim Simpson of Fort Worth 2-up.

Campbell won over Bud McKinney of Dallas 5-4 and Dale Morey of Dallas, another of the medalists, 1-up.

Winger took out John Cameron of Houston 3-2 and John Oliver of Dallas 2-1.

Goldwater beat Walker Cupper Jim McHale of Philadelphia, the last of the medalists, 7-5 and downed Herbert Durham of Dallas 1-up in 20 holes.

McCormick won over Walter Benson, Jr., of Austin 8-6, and O'Hara Watts of Dallas 2-1.

Flashy Hodde Ousts Champ; Ezell Romps

Mrs. Guyette Hodde, the links flash from Hobbs, N. M., Thursday turned the tables on Mrs. Bonnie Awtry of Odessa, defending champion in the Midland Country Club Women's Invitation Golf Tournament.

Just a year ago, Mrs. Hodde was defeated by Mrs. Awtry for the tournament title. Thursday, Mrs. Hodde ousted the champ by a 2 and 1 score.

Mrs. Awtry, a tournament campaigner more than 20 years, was rated one of the toughest competitors in the meet. It fell her lot to meet Mrs. Hodde, who also is a tough customer with the clubs.

"She is a fine golfer and a grand sport. I was outplayed all day and she deserved to win," Mrs. Awtry said.

Gloria Ezell, co-medalist with Mrs. Sam O'Neal of Odessa, had an easy time taking Estelle Chilton of Odessa 8 and 7 in the first round of match play. Mrs. Chilton is one of the long-time invitation golfers here but couldn't get going in Thursday's wind storm.

Ezell Going Strong
Mrs. Ezell's victory was another step up in her blazing comeback of the last few days. She annexed the medalist and champion titles last week in the Midland Country Club Women's tourney and came back Wednesday to share medalist honors in the invitation.

Sybil Flournoy, another one of Midland's top entries in the tourney, stayed in the running along with capable Shirley Culbertson and Madeline Pomeroy.

Consolation play opened Friday for Thursday's losers. The meet will continue Saturday and Sunday with the finals scheduled over the 18-hole route Sunday afternoon.

The tourney is running seven flights this year. Championship, first, second, third and three nine-hole flights are underway. Consolation play is offered in each division.

Thursday's results follow:
CHAMPIONSHIP FLIGHT
Guyette Hodde beat Bonnie Awtry 2 and 1; Mrs. Penner Tubbs beat Mrs. Ted Huestis 1-up; Gloria Ezell beat Estelle Chilton 8 and 7; Shirley Culbertson beat Sunny Harkrider 7 and 6; Mrs. Sam O'Neal beat Mrs. G. E. Shows 3 and 2; Sybil Flournoy beat Opal Lobstein 5 and 4; Madeline Pomeroy beat Mrs. Edward Dietz 3 and 2; Betty London beat Rowan Robinson 4 and 3.

FIRST FLIGHT
Olive Day beat Mrs. Carl Mahan 3 and 1; Evelyn Cowden beat Eunice Carter 1-up on 19 holes; Inez Roden beat Mrs. P. W. Anderson 5 and 4; Mrs. R. H. Barber beat Mrs. Mable Foster 5 and 4; Mrs. E. Winger beat Dugan Hornbuckle by default; Nadine Jones won over Rachel Hornbeck by default; Mrs. Fred Bauchens beat Mrs. Harold Fritis 3 and 2; Bernice Stacey beat Mrs. R. K. White 2 and 1.

SECOND FLIGHT
Mrs. Paul Hill beat Mrs. Horace Humphries 3 and 2; Mrs. Ed Rankin beat Mrs. Glen Watson 2 and 1; Mrs. Dick Trott beat Mrs. Betty Fitzgerald 4 and 3; Ruth Wilker beat Mrs. T. E. Patterson 3 and 2; Billie Dillon beat Mrs. Curtis Gilmore 5 and 4; Tot Stalcup beat Wynona Tull 7 and 6; Mary Jane Payne beat Mrs. Joe Shows 3 and 2; Mrs. Doyle Patton beat Mrs. L. E. Brister 2-up.

THIRD FLIGHT
Lib Paris beat Pat Finger 4 and 3; Mrs. John Bassett beat Grace Sienz 3 and 2; Kay Mechling beat Ann Hardwick 4 and 3; Kay O'Neill beat Jane Lockett 3-up; Twilight Walker beat M. C. Scott 2 and 1; Kay Spearman beat Kathleen Baker 5 and 4; Kitty Ashby beat Ginna Potts 5 and 4; Janie Wilson beat Mrs. Earl Blackburn 4 and 3.

Results in the first round of nine-hole flights:
FIRST NINE-HOLE
Mrs. J. G. Bird beat Eunetia Wilson 3 and 2; Frances Goodman beat Sue Morris 3 and 2; Lyn McKnight beat Mrs. David Elamnes 1-up on 10 holes; Virginia Pickett beat Mrs. M. Loring 3 and 2; Mrs. Jack Walker beat Mary Brady 3 and 2; Marion Jones beat Dorothy Gias 2-up; Sally Pierce beat Mrs. Herbert Marshall 4 and 3; Marion Culbertson beat Mrs. L. E. Blond 3 and 2.

SECOND NINE-HOLE
Emily Cool beat Ollie Velvin 4 and 3; Mrs. Ralph Johnson beat Alice Miller 2 and 1; Lou Ligon beat Mrs. R. Donnell 1-up; Novadene Hogan, Helen Hood, Betty Shaw, Mrs. H. M. Hines and Hazel Knickerbocker drew byes.

NOVICE FLIGHT
Betty Liedtke beat Sally Reeder 1-up; Margaret White beat Mary Sawyer 4 and 3; Edith Liles beat Mrs. Ted Lake 3 and 2; Evaline Thompson beat Dixie Conroe 1-up on 10 holes; Mrs. A. A. Jones beat Jackie Manley 3-up; Kathryn Gist beat Vergy Willis 2-up; Mrs. Pat Brown beat Mrs. Elliott Miller 3-up; Naomi Fancher beat Mrs. Fred Huhn 2-up.

When two or more metals are mixed together the resulting product is called an alloy.

SPORTS SLANTS

by SHORTY SHELburnE

Lonnie Balch, the fleet young outfielder who covered the center game for Midland the first few games, has advanced to Borger of the Class C West Texas-New Mexico League.

Balch went to Borger when Pitcher Dick Balfe came here. Both are rookies.

Lonnie hit three for four in his first game with the Gassers so apparently will stick up there.

The Indians were well stocked with gardeners, hiring Lou Dawson, Wandy Eldridge and Tex Stephenson.

Hank Ramadell also was supposed to be on his way to the Indians but apparently that deal got side-tracked before it was completed.

Last reports say Ramadell has just about decided to take a job on a semi-pro club.

It isn't impossible that he will come down here but right now it looks highly improbable.

Many fans who arrived late Wednesday night at Indian Park were irked because they didn't get to see much of the ball game. A double-header had been announced and is shown on the schedules we have.

But Sweetwater club officials said only one game was due and apparently President Hal Sayles was of the same opinion.

Winning the game was well filled by 7 p.m. so there was nothing Harold Webb could do but say "play ball."

He regretted the mistake. It wasn't his fault or anyone else's here. It's just one of those things.

Anyway, those who made it out got to see plenty of baseball in the single game.

The most notable thing right now in golf circles here is the blazing comeback of Gloria Ezell.

She has taken the lead in qualifying for two tournaments and won a championship in less than a week.

Gloria won medalist honors in the Midland Country Club tourney last week, kept up the pace to take the title and tied for medalist in the Women's Invitation Wednesday.

Winning the game was a little off in both tournaments and she finished out of the money.

Midland fans will get a look at one of their old favorites when the Vernon Dusters come to town Saturday night to engage the Indians.

Arnold Davis, who patrolled the outfield for Midland in 1947, is with the Dusters this year.

He made the grade while here, getting named to the All-Star Team and establishing a record as one of the finest fielders in the league.

If you will remember back with us we predicted several weeks ago that Lubbock would own Darwin Chricso, the fireball right-hander for Vernon last season, before mid-season rolled around.

It has come to pass, friends. Lubbock has "worked" another promising player out of the Dusters through their "working agreement."

If any team in the league ever needed Chricso it is Vernon. Their pitching is miserable except for Al Richardson.

Joe Louis May Return

CHICAGO —(P)—The specter of Joe Louis haunted the heavyweight boxing scene Friday with NBA Champion Ezzard Charles KO'd for at least 90 days by an ailing heart.

Lewis, currently in exhibitions in Brazil, says Charles' possible retirement from the ring because of his heart "is going to change my plans."

The Brown Bomber's partner in the International Boxing Club, Jim Norris, says he believes Louis "would like to be the first heavyweight champion to win back the title."

The time appears ripe for the 35-year-old but still potent Louis to make a comeback—if he wants to. Charles' Ticker Bad

Louis popped back into the already complex heavyweight picture Thursday when Charles flunked a rigorous, three-hour physical examination by the Illinois Athletic Commission and was declared "not fit to fight at the present."

Charles was adjudged to have "a vascular condition of the heart."

"It is our suggestion that Charles be re-examined in three months to determine whether he is fit for fighting," the report of two commission physicians said.

The examination had been ordered by the National Boxing Association.

The commission's findings came as a surprise to most observers. Charles is speechless.

Softball Meeting For Boys 15 And Under Sat Monday

It's softball time for boys 15 years of age and under!

Teams for the Optimist Club Boys' League will be selected at a meeting at 6 p.m. Monday at the softball diamond at the Junior High School.

All boys who wish to participate in the league this summer should report there for the meeting.

It'll be "big time" stuff this year. All games will be played at Wadley Field right along with the City Major League.

White Sox Rout Yankees 15 To 0 As Cain Shines

By JACK HAND
Associated Press Sports Writer
So the Chicago White Sox "raised Cain" with the New York Yankees.

Bob Cain, a skinny left-hander making his first big league start, Thursday made the world champs look like prize chumps in a 15-0 rout.

Nobody ever treated the Yankees like that. And

ought at home in their triple-decked stadium, too. Good thing for the front office, only 8,764 were on hand. Last time anybody blanked the Yanks at home was April 23, 1948.

More than two years ago, Mickey Harris, then with the Boston Red Sox, did the job. Bill Wight, Cliff Annin, Bob Lemon and Ellis Kiner shut out the Yanks since but were on the road.

Jack Onslow, Sox manager, gave him his first start because he wanted to throw a steady diet of outpitches at the Yanks. "Sort of minds you of Herb Pennock," said Jack after the game. You didn't ask the Yanks for comment.

While Cain muzzled New York five hits, three of them by all right, the Sox dug into Ed Lopat and Don Johnson for a 10-0 total of 23. The Yanks contributed four juicy errors.

Cleveland Wins
While there was slaughter in the Bronx, Cleveland broke Boston's 10-game Fenway Park win streak.

The Red Sox got to Bob Lemon three in the first but Mel Parnell didn't hold it. Jim Hegan's double, followed by a sacrifice and an infield fly broke a 4-4 tie for the Sox in the ninth.

Detroit rolled out the heavy power middle Connie Mack's battered hitting staff. The Tigers collected 15 hits to trim Philadelphia 5 on Art Houtteman's five-hitter.

Wertz and Hoot Evers drove in seven runs, enough to ruin the A's themselves.

Joe Ostrowski of the St. Louis Browns backed up his fine April 29 performance against Cleveland with a five-hitter against Washington to cap a second straight, 5-1. Rookie Dan Wood led the Browns with two doubles and a double.

Revenge was sweet for Dick Sisler, a former St. Louis card, who came home to haunt his old mates five hits in the Phillies' 9-8 night game victory. One of Sisler's blows was a third homer off loser Gerryaley in the second.

Brooklyn came up with another arm case—Dan Bankhead—while smothering the Chicago Cubs 2-0. Bankhead, riding easy on a 1-1 lead, complained about a pain in his right shoulder and left the game in the sixth. Later it was

Ben Hogan Out Front

WHITE SULPHUR SPRINGS, W. VA.—(AP)—Sam Sneed, on record as afraid of "lightning, Ben Hogan and a downhill putt," had at least Hogan to worry about again Friday.

Bantam Ben, with the best scoring round—a 64—of his comeback effort behind him, had a two-stroke lead over Sneed and Henry Ransom of St. Andrew's, Ill., as the \$10,000 Greenbrier Open Golf Tournament entered its second 18 holes.

The Little Hershey, Pa., belter cut six strokes off par over the 6,368-yard Old White course Thursday as his iron game worked with all its old-time effectiveness.

Sneed, the host pro, and Ransom came up with 66's. Chick Harbert of Detroit was close behind with a 67 as 15 of the field of 27 cracked par in the blazing sun.

The 72-hole medal play will be concluded Sunday.

Texas League—Fort Worth Downs Shreveport 9-2 To Widen Top Margin

By The Associated Press
A shift in sites Friday starts Northern teams of the Texas League on the final series of their 11-day invasion into the Southern end of the Class AA Circuit.

As of Thursday night, three of the teams from North hold down spots in the first division. The other—Dallas—holds down the cellar.

Fort Worth bolstered its first place lead with a 9-2 decision over Shreveport, Beaumont nudged Dallas again 6-5, Houston beat Tulsa 9-7, and Oklahoma City beat San Antonio 9-4.

Charley Kress, first baseman recently purchased by Houston from the Chicago White Sox, helped the Buffs beat Tulsa. He got four hits and a walk, drove in four runs and scored three himself.

Fort Worth ran its winning streak to six straight, Shreveport its string of losses to nine. Ray Moore pitched the Cats to the victory and helped his own cause with a home run.

Gil McDougald's two-run homer in the seventh proved the winning margin for Beaumont, while Oklahoma City got 13 hits to knock off San Antonio easily.

Rifle Shoot Saturday

A bench rest tournament for rifle shooters will get underway at 9 a.m. Saturday at the Permian Basin Rifle and Pistol Club's ranges at Midland Air Terminal.

The tournament will continue through Sunday, offering a program of 23 events in the two days, across the state.

The tournament will be the third of its type ever held in the United States. It is expected to attract shooters from a wide area.

The public has been given a special invitation to attend.

Dave Bauer's Golf Series Starts In Reporter-Telegram

The first of a series of six articles written by Dave Bauer, father and teacher of the famous sisters, Alice and Mariene, appears in this edition of The Reporter-Telegram.

The series is devoted to teaching children the game of golf. Bauer wrote the articles for NEA Service, a prominent national news source. The other five articles will follow in the next five editions.

High Winds Wipe Out WT-NM Slate

By The Associated Press
Cold weather, high winds, blowing dust combined to wipe out scheduled games in the West Texas - New Mexico League Thursday night.

The teams will try again Friday, with Berger at Albuquerque, Amarillo at Clovis, Lamesa at Lubbock, and Abilene at Pampa.

MHS ATHLETES OFF TO STATE TRACK MEET

Stanley Erskine and four Midland High School athletes departed Friday morning for Austin where they will attend the State Interscholastic League Track and Field Meet.

Roy Kimsey, Bill Erskine, Reed Gilmore and Don Cissel made the trip with Erskine.

CARVER RELAY TEAM SECOND IN STATE MEET

Competing against 14 Class A schools in the state negro interscholastic meet April 29 at Prairie View College, Carver High School of Midland won second place in the 440-yard girls' relay event.

Members of the team are Maebeth Carter, Annie Jewel DeWitt, Dorothy Simon and Barbara Oliver.

Donna-Weslaco Out Of Valley League

DEL RIO.—(AP)—Donna-Weslaco's franchise has been turned back to the Class C Rio Grande League. Directors meet here Saturday to determine the fate of that club and whether the league will continue to operate as an eight-team circuit.

George Schepps, owner of the Corpus Christi team, in Dallas Thursday said he believed the Donna-Weslaco franchise would be relocated in some Rio Grande Valley city.

Greece Cuts Time For Unloading Ships
ATHENS—(AP)—A shipload of 5,200 tons of German war reparations was unloaded at Piraeus in six days to establish a new record for the port. The cargo—heavy steel products including a 50-ton railroad crane—was taken off the Danish motorship "Oiga" in half the normal unloading time.
Fast discharging of cargoes at Piraeus in recent months has been accomplished since ECA inaugurated a new port-planning techniques and operating procedures.

Austin High School was with "Heritage of Wimpole" and Denton was third with "Three of 'Angel Street'."
Winners in the all-star contest from casts of five plays included were Kathryn Young, Thomas and Judy Galbraith; Jane; Frank Cass and Ed Mulholland of Austin and Newton, Jr., of Denton.
Kathryn Young was chosen actress and Wayne Thomas actor.

The giant Redwoods of California have breasted the storms of many centuries and stand today as marvels of the plant world for their endurance and longevity.
For countless generations the birds have nested in their branches and beasts of the forests have roamed their trackless shades. They are the patriarchs of the world of trees.
The Redwoods have lived on and on because their roots burrowed deep in the friendly soil and drank from earth's hidden springs the waters of life and health.
People are like trees. Some of them tower above their environment and possess unusual strength and endurance. They defy the storms of adversity and the chill winds of discouragement and sorrow.
These are the Redwood people. Their lives are deep-rooted in the soil of faith, and they drink the strength of God from the hidden springs of spiritual experience.
Go to Church on Sunday. Study the Scriptures. Try to be among men what the Redwood is among trees.

THE CHURCH FOR ALL... ALL FOR THE CHURCH
The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Paul Declava Tells How Russians Have Wrecked Hungary

Paul Declava, who came to America a year ago from Hungary by a special act of Congress, told of the way the Russians have wrecked his native country in an address before the Midland Junior Chamber of Commerce Friday noon in Hotel Scharbauer.

"The Russians will stop at nothing to gain complete control and to force communism on the people of occupied countries, Declava declared.

He told of meetings which the Hungarians are forced to attend several times a week where communism is lectured upon.

Speaking of the Cardinal Mindszenty case, Declava said it is believed the Cardinal was subjected to drug treatment and starvation to make him sign a statement.

Control Elections
"The Russians control the elections and have a large police force and army ready to do away with those who do not obey the Communist policies," he said.

Declava was a captain in the Hungarian Guard during the war. He escaped from the Russian controlled country last year and came to the United States when Congress okayed his entry into this country. He currently is living in Midland. Students from Midland Schools who won prizes in the JayCee Clean-Up Campaign contests were special guests at the meeting. Burvin Hines introduced the speaker. President Irby Dyer presided.

Toastmaster Club To Be Formed Here

Midland men interested in the formation of a Toastmaster's Club have been requested to meet at 7 p.m. Friday in the Chamber of Commerce office in Hotel Scharbauer.

M. L. Fuller, former member of a Lubbock Toastmaster chapter, will be present to answer questions regarding the formation of a chapter here. Purpose of the clubs is to build personality, develop leadership, serve service clubs and other organizations, and to create general usefulness in the community through training and practice in speech.

Membership in Toastmaster chapters is limited to 30. However, more than one chapter may be formed here if enough persons show interest, according to Delbert Downing, manager of the Midland Chamber of Commerce.

Iraan School Man Gets New Contract

IRAAN—Carlton B. Downing, superintendent of Iraan and Sheffield schools, recently had his contract extended to include the 1951-52 term.

Under his direction, Iraan schools have undergone a number of improvements. A new school plant is under construction and will be ready for use by January, 1951. Cost of the seven units at Iraan and Sheffield total \$830,000.

He is a brother of Delbert Downing, manager of the Midland Chamber of Commerce.

DISCOVERY ALLOWABLE
AUSTIN —(P)—The Railroad Commission Friday granted a discovery allowable for M&M Production Company's Boucaren "B" well No. 2, Crockett County. Production will be carried in the Noelke (Clearfork) field.

Oil And Gas Log—

(Continued From Page One)
activity in their Rucker-A area of Central-South Garza County, about four miles west of the town of Justiceburg.

Those operators opened the field seven months ago and have now completed the second producer in the region and have the third well in process of completion.

They are to start operations at once at their No. 1 Stanolind-Stoker well which is to be a 2,500-foot cable tool wildcat to test the San Andres, one and one-half miles northwest of the nearest producer in the Rucker-A field.

It will be 330 feet from south and west lines of section 938, block 97, H&TC survey.

Gauges Potential
R. S. and P. W. Anderson No. 1 Walker, the east offset to the Rucker-A discovery, and 2,310 feet from south and 330 feet from west lines of section 45, block 6, H&GN survey, has been completed for a daily initial production of 84 barrels of 37-gravity oil, and no water. The well was finished on the pump. Top of the pay is at 2,430 feet. The well drilled to a total depth of 2,482 feet, then plugged back to 2,444 feet. The plugging back eliminated bottom water. The pay section was treated with 4,000 gallons of acid.

To Install Pump
R. S. and P. W. Anderson No. 1 Spalding Henderson, one location north of the same operators' No. 1 Henderson, the Rucker-A discovery, and 330 feet from south and east lines of section 46, block 6, H&GN survey, is installing a pump to test and complete.

This project topped the pay at 2,518 feet. It drilled to a total depth of 2,556 feet. The 7-inch oil string is cemented at 2,395 feet. The pay section had been treated with 4,000 gallons of acid. On a preliminary production test, the well swabbed at the rate of seven barrels of oil per hour, with no formation water.

Two More Staked
The Andersons are starting actual drilling on two more explorations on the outside of the proven area in the Rucker-A. Their No. 1-A Walker, one location north of the No. 1 Walker, is preparing to spud, and their No. 1-B Walker, located one-quarter of a mile south of production and 990 feet from south and 330 feet from west lines of section 45, block 6, H&GN survey, has cemented surface casing and is to drill the plug and start making more hole.

West Stepout Staked To Cogdell-Reef Pay

A three-quarter mile west stepout to the Cogdell Canyon pool, which straddles the Kent-Scurry County line, has been staked by Geier-Jackson, Inc. of Dallas.

Its No. 1 Feldman & Pardo will be three-quarters of a mile west of the Cogdell Canyon pool. The well extension to the pool. The Geier-Jackson venture will be virtually on the Scurry-Kent County line, and 467 feet from south and east lines of the northwest quarter of section 703, block 97, H&TC survey.

Slotted depth is 7,500 feet. Drilling is to begin immediately. Drillsite of the proposed venture is 1 1/2 miles north of Snyder.

Gaines Discovery To Get SW Offset

The Texas Company has staked a one-half mile southwest offset to its discovery well and only producer in the Harris-Glorieta pool in extreme Central-South Gaines County.

Texaco No. 1 H. G. Harris will be 662 feet from west and 1,984 feet from south lines of section 17, block A-2, psi survey.

Slotted depth for the possible extension is 6,000 feet. Discovery well of the Harris field is Texaco No. 1 E. D. Harris, which potentialized for 41 barrels of 31.9-gravity oil plus two per cent water in 17 hours on the pump.

Production was from Glorieta perforations at 5,965-6,043 feet. The Harris field is three miles east of the Flanagan-Clear Fork pool.

Scurry Reef Pools Get Three Testers

Three Canyon explorations have been staked in the proven oil areas of Scurry County. One each of the new tests is slated for North Snyder, Kelley and Diamond M-Canyon fields.

Standard Oil Company of Texas No. 4-5 Brown will be 946 feet from east and 660 feet from north lines of section 41, block 97, H&TC survey, and in the North Snyder field.

Drillsite is eight and one-half miles north of Snyder.

In Diamond M
The Texas Company No. 6 J. J. Holt and others is slated for the north portion of the Diamond M field and nine miles west of Snyder.

Exact location is 1,992 feet from west and 669 feet from north lines of section 213, block 97, H&TC survey. Proposed depth is 7,000 feet.

In the west portion of the Kelley field, General Crude Oil Company will drill its No. 2 Minnie L. Stewart. Drillsite will be 1,989 feet from west and 2,215 feet from south lines of section 211, block 97, H&TC survey, and six miles west of Snyder.

Tornado—

(Continued From Page One)
blown across the street and turned upside down."

"One house, a white stucco, had its roof blown off," he said. "There's no sign of the roof anywhere. It just disappeared."

About 80 miles east of Perryton, the same, or another, tornado struck Fort Supply, Okla., about an hour later. Several homes and business houses were wrecked but there were no known injuries.

Choking Dust Clouds
Tornadoes also were reported between Arnett, Okla., and Shattuck, Okla.; in the southern section of Cordell, Okla.; in the eastern edge of Elk City, Okla., and in Washita County. No injuries were reported but property damage was high.

A tornado was reported between Lubbock and Tahoka Thursday night, but no damage could be found. Reagan Dixon of Lubbock said he saw the black funnel while he was driving toward Lubbock about 8:30 p.m.

Before the tornadoes struck most of West Texas and the Panhandle was lashed with high winds. Choking dust clouds filled the sky.

The battering west winds coming in contact with warm, moist air formed a squall front which reached from West Texas to Kansas. The front hit El Paso about noon Thursday.

At El Paso the dust was the worst since the mid-thirties. Winds of 54 miles an hour—with gusts up to 65—tore through the city. Trees fell and power lines snapped. Visibility was limited to one block for three hours. The wind and dust grounded all air traffic and hampered motorists on the highways.

Visibility Zero
The dust swirled over Lubbock around nightfall. Daylight became dark night in a matter of minutes. Air operations at the Amarillo Airport stopped when the dust clouds lowered visibility to zero.

The wind whipped off tree limbs at Lufkin and smashed windows in Muleshoe as it crossed the South Plains.

Wink had zero visibility with 48 miles an hour winds. High winds, cold weather and blowing dust postponed baseball games at Clovis and Albuquerque, N. M.; Lubbock, Pampa, Sweetwater and Odessa.

Fort Worth had a thunderstorm and light rain but only dust clouds and a few rain drops were reported in Dallas.

East of Dallas the thunder clouds reformed and moved toward Texarkana. However, the Weather Bureau reported that winds were much lower than those felt in West Texas.

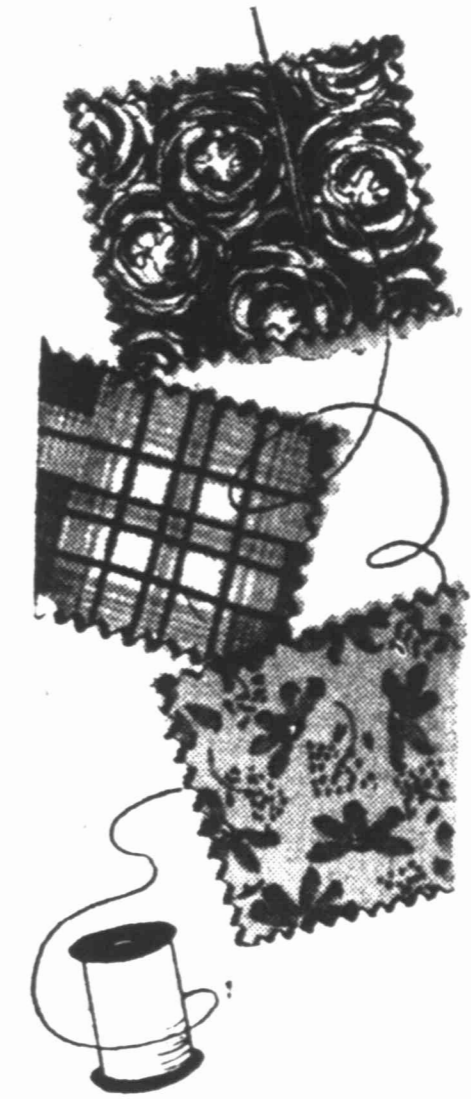

Wind velocities were much lower Friday morning. Near daylight Lubbock had 32 miles an hour, Clarendon 36, Childress 18, Wichita Falls 26, Big Spring 20, Abilene 19, Fort Worth 20, Gaudalupe Pass 46, Laredo 20 and Marfa 25.

Burglars Get \$1,034 From Wingate Bank
WINGATE, TEXAS.—(P)—Burglars cut their way into the vault of the Wingate Security Bank Wednesday night and took \$1,034, plus an undetermined amount of bonds and checks.

Runnels County Sheriff Don Atkins said the burglars were unable to open or remove the safe which was inside the vault. He said most of the loot taken was silver.

Gulf Follows Texaco In Gas Price Boost

HOUSTON.—(P)—The Gulf Oil Corporation joined The Texas Company Friday in advancing tank wagon prices of gasoline in Texas by half a cent. Tank car prices were boosted a quarter-cent a gallon.

The Texaco price hike was effective Thursday. The higher prices announced by Gulf cover areas in Texas where Gulf operates through consignees or on salary basis.

TWO FIRE CALLS
Firemen answered calls to 204 East Ohio Street and 410 North Lee Street Thursday afternoon and Friday morning, respectively. No damage was reported at either place.

Frank Seetons Are Parents Of Daughter

Mr. and Mrs. Frank Seeton of Denver, Colo., formerly of Midland, are the parents of a daughter born Friday morning in a Denver hospital, according to information received by friends here. The baby weighed six pounds, 15 ounces at birth. Mrs. Seeton is the former Mary Helen Armstrong of Midland.

Mr. and Mrs. J. M. Armstrong, 1307 West Missouri Street, Midland, the maternal grandparents, are in Denver. They reported it was snowing there early Friday when they talked with friends in Midland by long distance telephone.

Both Mrs. Seeton and daughter were said to be "doing fine."

The last known passenger pigeon died in the Cincinnati zoo in 1941.

Midlander's Father Dies At Electra

ELECTRA.—(P)—Proctor L. McDonald, 70, assistant jailer and Wichita County deputy sheriff, died at his home here Thursday.

He had been a resident of Electra for 45 years. He had been a farmer and oil field worker and a city, precinct and county peace officer.

He was the father of Mrs. Leonard A. Foy of Midland. Mr. and Mrs. Foy are in Electra for funeral services scheduled at 3 p.m. Friday in the First Baptist Church there.

MAT Control Tower Will Be Relocated

Work on relocating and remodeling the control tower at Midland Air Terminal will be started soon, Clyde Sharrar, director of aviation for the city, announced Friday following approval of a proposed site by the Civil Aeronautics Administration.

The tower will be relocated and its height increased 16 feet in order to provide complete runways vision. All air traffic, both private and commercial, will be controlled from the tower.

CAA representatives who conferred with city officials concerning the tower location were Charles L. Davis and J. B. Campbell of Fort Worth, C. W. Holderbaum of Big Spring, and Jay Johnson and Bob Shadden, Midland.

The CAA will staff the control tower when it is placed in operation. Most of the equipment now is in storage on the field. The tower here will be one of four new CAA-operated control towers in Texas.
