WEATHER

Cloudy with occasional rain Friday night and Saturday. A little warm Saturday. Maximum temperature Thursday 85 degrees. Minimum Friday 53 degrees.

Weather Batters Midland Area

Rain, Wind, Hail Sweep Basin Cities

Another one of those all-element storms, for which Midland is becoming famous, rode into the area Thursday bringing hail, sand, rain and high winds, and accounting for at least one serious injury.

Communications and train schedules were disrupted while first the sand, then the rain and high winds swept Midland. Heavy hail struck north of the city.

Telephone and telegraph poles were strewn over a

West Texas Bears Brunt Of Storms

A rain-making program, aspirant to the presidency of the United States, Friday was claiming "Two done it again."

The Rev. Eddie Clayton of Mercedes, Texas, who has announced his candidacy for the Chief Executive post, claims he has helped drought-stricken areas all over the country by praying for rain. His prayers always are answered, he says.

While enroute to Midland early Thursday Mr. Clayton said he prayed earnestly for rain. He claims he has brought rain to New York City, Tucson, Ariz., and Bakersfield, Calif. Bringing the rain at the latter city required only 14 minutes, he said.

Early morning thunderstorms were reported at Midland and Big Spring in West Texas. Rain was falling at Wink, on the New Mexico border, and at Lubbock, in the South Plains. Panhandle Gets Rain

Amarillo had early morning rain and fog and a light rain was falling at Clarendon, another Panhandle town. Fog also visited Houston and Lufkin, in Southeast Texas.

Rain, hail and high winds visited Big Spring, Midland and Sweetwater Thursday night.

Cisco was soaked by three and one-half inches of rain.

The cool wave, moving in from the Rocky Mountain region where heavy snow fell Thursday, dropped the temperature to a near-freezing 36 degrees at Dalhart, in the northwestern corner of the Panhandle. Amarillo had an early morning reading of 39.

Snyder, in the South Plains, was whipped by strong winds as the biggest rain of the year soaked Scurry County Thursday night and Friday. Farmers said several thousand acres of cotton and feed crops will have to be replanted. The rain ranged from 2.85 inches at Snyder to four inches in the eastern part of the county.

The North Snyder oil patch was a sea of mud Friday morning, with

X-Ray Unit Functions Despite Bad Weather

Despite threatening weather Friday morning, 50 persons appeared at the mobile X-ray unit, now at the Baldrige Bread Company office, across from the South Elementary School, to get a free chest X-ray. The drive, sponsored by the Midland County Tuberculosis Association, is in its third day.

The total examined in the first two days was 715, less than had been predicted.

Saturday morning the unit will be located at the City-County Auditorium, at West Missouri and Colorado Streets, where it will remain until June 2. F. H. McGuigan, general chairman of the drive, said he still hopes to reach the 5,000 mark, the goal set for the drive.

The \$23,000, bus-mounted unit will be open daily from 8:30 a.m. to 11:30 a.m. and from 1:30 p.m. to 4:30 p.m. on Sunday and Memorial Day, May 30, McGuigan said.

Members of the Midland Kiwanis Club are to visit the unit Monday noon to undergo examinations. The club cancelled its regular program to undergo the examination.

Assisting at the unit were: Mrs. R. J. Long, Mrs. R. E. Hubbard, Mrs. W. C. Gwyn, Mrs. Vinton Newberry, Mrs. Curtis Pilcher, Mrs. W. M. Garney and Mrs. Carl Westlund.

Young Chemist's Brew Is Potent

LOS ANGELES—Harry Zelinka, 14, a home-grown chemist, brewed a new formula in his basement laboratory Thursday night.

He corked it and Friday morning slipped the bottle into his trousers pocket and headed for school on his bicycle.

"Whoosh!" went the mixture, and Harry was pantless.

While doctors treated him for painful burns, he recalled the mixture contained charcoal, sulphur and potassium chlorate.

Sighed his mother: "Last time it was chlorine gas. He swallowed it."

Mayor Wears First Poppy

First to put on a poppy for this year's observance of Poppy Day scheduled Saturday is Mayor W. B. Neely, Jr. The poppy was pinned on his lapel by little Miss Susan Pretzel in ceremonies at Neely's office. Citizens are urged to buy their poppies Saturday. The sale is sponsored by the Auxiliary of the Woods W. Lynch Post Number 19, American Legion, of Midland.

Two Persons Die In Amarillo Crash

AMARILLO—Two persons were killed and three were injured—two critically—in a collision Friday six miles east of Amarillo.

Harry Elmer Martin, 35, of Amarillo, and Vern Ferguson, about 47, of Lefors, were killed.

Critically injured were Ferguson, 19, and Jack Allen McPeake, 19, of son's son, Thomas Vern Ferguson, Pampa. The younger Ferguson and McPeake are ministerial students at Wayland College, Plainview. Mrs. Vern Ferguson was the third person hurt. Her condition was listed as serious but not critical at St. Anthony's Hospital here.

Anthrax Outbreak Strikes Near Houston

HOUSTON—Anthrax, deadly cattle disease, has struck at ranches in South Harris County.

One veterinarian said Friday there is indication the disease has spread "in alarming proportions."

Twelve cattle were reported to have died on a 1,200-acre ranch near Geneva.

Several veterinarians from Houston, including Dr. J. W. Williamson, former head of the city's Meat Inspection Division, confirmed the cattle died of anthrax.

33 Persons Die In Flaming Crash Of Street Car, Truck

CHICAGO—(P)—Police Friday ordered the arrest of William C. Liddell, 29, negro conductor of a crowded street car which crashed into a heavily loaded gasoline truck, causing the loss of 33 lives.

CHICAGO—(P)—A flaming collision of a crowded street car and a gasoline truck killed 33 persons in the worst traffic disaster involving a motor vehicle in the nation's history.

The collision Thursday night touched off explosions and a block-long flood of fire which wrecked five buildings.

The truck was loaded with 8,000 gallons of gasoline, which flooded the street, flaming up as it spread.

Investigators tried Friday to find whether jammed rear doors of the trolley made it a blazing prison for many victims.

At least 30 persons were injured—three critically. Twenty were in hospitals. Many of the dead and injured were negroes. All are from Chicago.

Almost 200 persons—mostly negroes—were made homeless. But it appeared all occupants of the fire-swept buildings escaped death.

Blazing gasoline fumes and spray engulfed store-front structures and flats above them, south-west of the wreck scene.

Thousands of gallons of burning gasoline—liquid and vapor—swept the streets like a blazing river and shot upward 300 feet in a terrifying sheet of flames and smoke. Passersby screamed and fled.

Half-a-dozen automobiles, the street car and the twin-tank semi-trailer truck were scorched into twisted, blackened piles of metal.

The bodies of 32 trolley passengers and the truck driver were charred into unrecognizable, blackened masses in Texas.

The National Safety Council said the death toll is the greatest ever to result from a motor vehicle collision. The previous record held total was 29 killed in a 1940 truck-train crash in Texas.

The accident occurred near the end of the evening rush hour near the heavily populated 63rd and State Street district, on the city's South Side.

Lie Sees End To Deadlock Over China

LAKE SUCCESS—(P)—Secretary General Trygve Lie said Friday he hopes for a definite break by June or July in the United Nations deadlock over China.

Lie made his statement at his first news conference since returning from talks with Prime Minister Stalin and Prime Minister Attlee.

Lie also declared Russia still has full confidence in the United Nations and wants it restored to its normal functioning. This has been disrupted by the Soviet walk-out, strikes which started January 10 over the China representation question.

The secretary general said he has not taken any proposals from President Truman to Stalin or brought any messages back to Truman. He expects to see the President and Secretary of State Acheson next week.

Year Of Decision

Lie gave no details of his talks but said he had left with them some memoranda. He would not disclose the contents.

Lie expressed hope a high-level Security Council meeting would be held this summer with foreign ministers or heads of governments representing the council's 11 member nations.

"This is the year of decision for the United Nations and the world," he said.

Lie reported he found a profound desire for peace everywhere. "Did you propose a meeting of the Big Four (without China)?" he was asked.

"I didn't propose anything," he said. "We did discuss many things, including a periodic (high-level meeting) of the Security Council."

'Stormy' Boosters Carry Rodeo Word

A bus-load of Midland boosters Thursday skirted the edges of a storm over a wide area, carrying an invitation to neighboring cities to attend the 16th Annual World's Championship Midland Rodeo.

The 22 boosters, traveling via charter bus, left Midland at 8:15 p.m. in a light rain, but ran out of the storm enroute to Goldsmith, the first stop.

For the rest of the day, the boosters skirted the heavy rains as they stopped in Wink, Kermit, Andrews, and Seminole. A 30-minute lunch stop was called in Seminole.

Following lunch, the booster bus traveled to Seagraves, Brownfield, Tahoka, O'Donnell and Lamesa, where the rain finally caught up.

Running slightly behind schedule, and with the threat of the impending storm, Delbert Downing, manager of the Chamber of Commerce and sponsor of the trip, called off scheduled stops in Snyder and Colorado City.

The group returned via Stanton, and caught the tail end of the rain as it entered Midland at 6 p.m.

Met Good Response

Throughout the trip, the booster group, accompanied by a sound truck provided by Dungan Sales Company and led by a police car with shrieking siren, met enthusiastic response from citizens of Permian Basin cities.

A four-piece cowboy band, composed of E. D. Fitzgerald, Ike Fitzgerald, Top Hale and S. W. Lawson, serenaded in the business sections of the towns visited. Downing alternated with Burvin Hines, assistant C. of C. manager, and Wayne Harrell of Radio Station KRIS in exhorting the people to attend the Midland Rodeo.

The Thursday trip was the second made in behalf of the rodeo. On Wednesday, a group of boosters traveling by car visited Odessa, Monahans, Poyte, Barstow, Pecos, Fort Stockton, McCombs, Rankin, Big Lake, Garden City, Big Spring and Stanton.

Others making the Thursday trip were: Jack Ellington, Oscar Roberts, Willard Opp, E. D. Richardson, Bob Pretzels, Curtis Hikez, Carl White, P. R. Hargrove, Bill Hutchison, Bob Aldridge, Malcolm Breneman, Lloyd Dungan, O. E. Durham and C. T. Russell.

Farm Bureau Hits At Move To Slash Petroleum Imports

WASHINGTON—(P)—The American Farm Bureau Federation Friday took issue with coal industry spokesmen and others who have urged a sharp increase in tariff rates to curb imports of fuel oils.

Its views were set out in a letter to Senator Neely (D-W.Va.), chairman of the Senate Labor subcommittee which is investigating the causes of "increasing unemployment in the coal, oil, railroad and certain other industries."

Jack C. Lynn, the bureau's assistant legislative director, signed the letter. He noted that Venezuela is the principal exporter of petroleum to the United States and "is one of our best cash customers."

"American agriculture is greatly dependent upon the maintenance of United States exports at a high level," his letter said. "Farmers have long realized that if we are to continue our exports at these high levels, we must import."

Fireman Goes On 'Busman Holiday'

E. D. Fitzgerald, captain of the Midland Fire Department, found a way for his knowledge while traveling with the booster group promoting the rodeo.

At a lunch stop in Seminole, a tripper discovered a fire in the engine of a parked car. Fitzgerald ran across the street, located a short circuit wire and doused the fire before it could do further damage.

Winds Down Communications Lines

15 Towns To Fight Proposed Highway

VAN HORN—Representatives of 15 West Texas towns along U. S. Highway 80 declared themselves ready here Wednesday to march on Austin and fight the proposed Kermit bypass.

Some 150 delegates from the affected towns will converge on the State Highway Commission at the next meeting, Wednesday, May 31, with an alternate proposal.

"We plan to ask that the highway department make Highway 80 a three-lane road rather than establish another route," Alton Hughes, manager of the Pecos Chamber of Commerce, said Thursday. "We do not seek to kill the Kermit-Orla roadway but would prefer improvements on the existing artery."

Resolution Plan Drawn

The resolution and plan of action was drawn up Wednesday by 105 delegates from 15 cities at a three-hour session here at El Capitan Hotel.

The towns of Wink and Mentone, although not on U. S. 80, also were represented.

The proposed road would run 22 to 54 miles north of the present highway through Winkler, Loving and Reeves Counties from Kermit to Orla. It would later be extended across Culberson County to intersect with U. S. Highways 180 and 62 and State Highway 54.

Morris Rainey, Van Horn attorney, will be spokesman of the group Tuesday next week and present the delegation's proposal.

The party seeks to prove the new road would not serve as many people as does the present highway. It will also show that the commission's plan to re-route would wreck the economy of towns along U. S. 80, a spokesman said.

Congress Clears Foreign Aid Bill

WASHINGTON—(P)—Congress has approved the \$3,120,000,000 foreign aid bill. Senate acceptance Thursday sent the measure to the White House.

The bill provides \$2,849,100,000 in new spending for the third year of the European Recovery Program, \$94,000,000 for the China area, \$100,000,000 for Korea, \$27,450,000 for Palestine refugees, \$15,000,000 for the International Children's Emergency Fund and \$35,000,000 for the "Point Four" program.

Point Four, so called because of its position in the President's inaugural address, calls for economic aid to the world's backward areas. The State Department reported some 60 countries and dependent areas have asked to share in it.

Congress still must act on an appropriation bill supplying the actual cash to cover the entire foreign aid program.

Co-Op Tax Rejected

Other Capitol Hill developments: Taxes—Representative Mason (R-Ill.) said House tax-writers have killed chances for a new tax bill.

The House Ways and Means Committee rejected proposals for new taxes on co-operatives. Mason, a committee member, called this "political favoritism" and said it was just one more sign "there will be no tax bill this year."

The committee has approved excise tax cuts totaling \$1,080,000,000. To offset this in part, it agreed on a 10 per cent withholding tax on corporations dividend payments which is expected to produce \$150,000,000 in new revenue.

Truman has said he will veto any tax bill which reduces income from excises without replacing it with new revenue from other sources.

Jo And Crip, Texas Whooping Cranes, Become Papa, Mama

CORPUS CHRISTI—(P)—The first whooping crane ever hatched in captivity was sighted Friday with its parents, Jo and Crip, at the Aransas National Wildlife Refuge.

The little bird has been named Rusty by refuge personnel because of his reddish-brown coloring.

Julian A. Howard, manager of the refuge, said the chick probably was hatched during the night Wednesday or early Thursday morning.

Its presence was suspected Thursday but not verified until Friday morning when Bob Allen of the National Audubon Society got a view of the little fellow through a spotting scope 1,000 feet from the nest.

Rusty is the world's whooping crane No. 38.

A "no visitors" rule was issued immediately by Howard. He said only official observers will be allowed near the enclosure "until Rusty is well on its way to becoming an adult, and until behavior of the parents returns to normal."

Bird scientists had maintained a tense "maternity" watch since the tall cranes—two of only 37 on earth—began nesting April 22.

Russia Tests Super A-Bomb, Says Briton

NEW YORK—(P)—The London editor who claimed knowledge of Russia's first atomic explosion says he has reports the Soviet has tested a new type atomic bomb stronger than anything tried out thus far by the United States.

Kennedy de Courcy, editor of a private news letter, said: "The reports reaching us persist that Russia has exploded some kind of bomb many times more powerful than the type of atomic bomb used by the Western powers."

De Courcy also said he has received reports that Russia is engaged in large-scale troop movements in areas bordering the Middle Eastern oil lands of Arabia and Iraq.

By 1952, he said, Russia "will be in a position to strike with great power if necessary." Russia's object, he added, "will be to outflank defensive positions in Turkey and Iraq."

The first Russian atom blast was reported by de Courcy in 1948—three weeks before President Truman announced Russia had such atomic resources.

Two Sheriffs' Officers Found Shot To Death

REDDING, CALIF.—(P)—Two sheriff's officers were found dead Friday near Gilson's. Both had been shot through the back.

They were Undersheriff Earl Sholes and Deputy Dan Heryford.

* LATE NEWS FLASHES *

WASHINGTON—(AP)—The United States Friday clamped tight restrictions on the movement of Romanian diplomats in the United States.

MEXICO CITY—(AP)—Norma Granat, six-year-old daughter of a Mexican moving picture magnate who was kidnaped late Wednesday, was tossed, well but weeping, from an automobile in front of a downtown hotel Friday, picked up by a passing police car and returned to her parents.

WASHINGTON—(AP)—President Truman Friday nominated Edward Lee Norton of Birmingham, Ala., to be a member of the Federal Reserve Board. Norton is an investment banker and radio station owner.

BERLIN—(AP)—The Western Allies Friday intensified precautions against Communist violence as 200,000 young East Germans jammed the city's Russian sector for a mammoth Red youth rally.

Texaco Schedules NW Gaines Tester

The Texas Company has staked a 7,900-foot wildcat in Northwest Gaines County, one and one-half miles northeast of the Russell multiphase pool.

Texaco No. 1 NCT-1 T. S. Riley Estate will be 660 feet from north and west lines of section 415, block G, CCSD&RGNG survey, and 20 miles northwest of Seminole.

Slated depth should take the prospect into the lower Permian in that area. Drill site elevation is 3,367 feet.

Operations are scheduled to begin immediately. The venture is one-half mile northeast of Plainview.

Big Chief To Drill NW Kent Wildcat

Big Chief Drilling Company is to begin operations immediately on its No. 1 Big Chief, Constantine, Glasco and Lowe in extreme Northwest Kent County.

The wildcat will be 660 feet from east and south lines of northwest quarter of section 11, block B, psi survey, and 20 miles northwest of Claremont.

Slated depth is 7,700 feet, which should test through the Pennsylvanian. Operations are to begin immediately.

The proposed venture is five miles west of the L. H. Armer and others No. 1 Girard Trust, wildcat last reported drilling below 4,362 feet in line.

Ellenburger Wildcat Staked In SW Kent

G. P. Moore and J. T. Cook of Dallas, have filed an application with the Railroad Commission of Texas, requesting a permit to start drilling at once on their No. 1 Blanche Young, as an 8,000-foot wildcat in Southwest Kent County.

It will be 1,980 feet from north and 660 feet from west lines of section 54, block 5, H&GN survey.

That makes it five miles northwest of Polar and almost on the east line of Garza County.

The proposed depth of 8,000 feet is calculated to take the project into the Ellenburger.

C-SE Lynn Slated For Deep Venture

Houston Oil Company of Texas is scheduled to start operations within 60 days at its No. 1 Howell, which is to be a 9,500-foot wildcat in Central-Southeast Lynn County to explore through the Pennsylvanian.

The prospector is to be in the northeast quarter of section 451, block 1, EL&RR survey. That makes it two miles northwest of Redwine and six miles northwest of Magnolia Petroleum Company No. 1 Garza Land County, recently completed flowing discovery from the Pennsylvanian line.

The Houston Oil Company project is on a farmout from Seaboard Oil Company of Delaware. That concern secured leases on about 1,000 acres of scattered leases in return for assuming an obligation to drill the wildcat.

Seaboard retained approximately 1,000 acres of leases in the region surrounding the drillsite. Humble Oil & Refining Company and Sinclair Oil & Gas Company own interests to the Houston Oil location.

Sinclair To Drill Peck Area Stepout

Sinclair Oil & Gas Company No. 2-B June Sanders is to be a north-west stepout to the "Sweetie" Peck field in Southwest Midland County, 30 miles southwest of the city of Midland.

The project is slated to drill to 13,500 feet to test the Ellenburger. Location is 660 feet from south and east lines of section 17, block 41, TP survey, T-4-S. Operations are to start at once.

Exploration Staked In SE Borden Pool

Claude E. Heard and Estil S. Heysler of Dallas No. 2 A. L. Holley, is to be a new exploration to 7,000 feet to explore the Pennsylvanian line in the North Vincent field in Southeast Borden County.

Location is 667.36 feet from north and 652.77 feet from west lines of the south half of the northeast quarter of section 52, block 25, H&TC survey.

The project is inside the proven limits of the field and is to start operations immediately.

DST In C-W Midland Gets Deep Free Oil

Magnolia No. 2 Parks, Central-West Midland County wildcat, 11.4 miles south of the city of Midland and 660 feet from north and 2,180 feet from west lines of section 10, M. Daugherty survey, showed a little free oil and some heavy oil and gas out drilling mud in a very porous lime section in the Russian zone of the Silurian and is now drilling below 12,477 feet.

The venture drillsite tested at

Marie was out of breath and the camera was out of film. Shelley adjusted a black velvet dress and quipped: "You know, I'm never vertical in a picture. I guess I'm just a horizontal actress."

Six participants showed up for the Winters-Windsor slug fest. From left to right they were: Shelley and Marie, Shelley's double and Marie's double, Betty Hanks, Shelley's boy friend, Harley Granger and Marie's boy friend, Alex Runciman. There were almost as many participants as spectators. Shelley and Marie sat on ladders.

He Reads Good Book, Turns Boys Into Gentle People

Albert (Doc) Merritt, seated, fifth from left: "I'm just trying to keep the little fellows out of the alleys."

MARTINSVILLE, IND.—(NEA)—The Lord and Albert "Doc" Merritt have accomplished miracles in Martinsville. Albert, an almost legendary Morgan County figure, is a negro porter at the fashionable Martinsville Sanitarium. He is also founder and president of the Junior Boys Club of Martinsville, the only one like it in the world. More than 1,800 under-privileged white boys have come under the benevolent guidance of Albert and the others came over to me and I began telling them stories," Albert explains. The movement spread like wild-

fire through the mill section of Martinsville and soon Albert's off-duty time was taken up completely telling tales, teaching games, going on nature hikes and getting close to the hearts of the boys.

Out of his tips, he bought a buckboard and began a practice which still continues. Every Sunday night, the youths would pile into the wagon and Albert, a Presbyterian, would take them visiting to nearby rural churches. On Friday or Saturday nights, he takes them to "bargain night" at the movies in his 16-year-old sedan. Pays It Off

McCarthy-Lattimore Exchange New Blasts

ROCHESTER, N. Y.—(AP)—A new exchange of broadsides between Senator McCarthy and Owen Lattimore added fresh thunder Friday to the controversy over McCarthy's Communist-in-government charges. The Wisconsin senator produced documents Thursday night which he said prove Lattimore intervened to keep the U. S. government from firing two wartime Chinese employees, after the Civil Service Commission had recommended their discharge because of alleged Communist activities.

Navy Officer Blows \$19,000 Stolen Cash In Binge With Blonde

LOS ANGELES — (AP) — What would make a Navy officer, with 19 years of honorable service, rifle a ship's safe of \$19,000 and then blow it all in a wild six month binge with a blonde? Lt. Bascom B. Boaz is in the county jail Friday accused of just that. Broke, he is there in lieu of \$10,000 bail awaiting preliminary hearing on federal charges of embezzlement of government funds and desertion from the U. S. Navy. What made the 42-year-old officer do it?

Starts On Thanksgiving

In a speech here Thursday night, McCarthy also took on the State Department for a fresh round in their bitter battle over whether the department employs Communists and Communist sympathizers. The senator said the department had engaged in a "fraudulent cover-up" of the information regarding Lattimore and the two Chinese. He also lashed out once again at ambassador-at-large Philip C. Jessup displaying jettishness which he said prove Jessup belonged to Communist front organizations.

Smoking Banned

A sign on the wall prohibits smoking by minors. Another forbids the use of profane language. Card-playing is a third taboo in the club. Activities of the club, all personally directed by Albert, include basketball, baseball, football, horse-shoes, camping and nature study. Albert belittles his work, saying "I'm just trying to keep the little fellows out of the alleys at night. I've spent my life with the boys, trying to show 'em what's right in life. They always treat me right. They always show respect, even the grown ones," he says happily.

Cure Of Chronic Running Nose Is Slow, Difficult Procedure

By EDWIN P. JORDAN, M. D.
Written for NEA Service
A chronic running nose is an all too common and distressing condition.

Q—I have a nasal condition which my doctor calls catarrh. Is this curable? If not, what would ease the condition?

A—Catarrh is a rather old-fashioned name and doctors now more commonly call it vasomotor rhinitis. Both names refer to a condition in which the delicate lining of the nose secretes more than the usual amount of mucous fluid which necessitates constant blowing of the nose and often dripping down the back of the throat. In most cases, the condition seems to be caused by sensitiveness or allergy to something in the air, whether this be house dust, pollen from growing things, or some other foreign protein. The problem is two-fold: first, to find what particular substance is causing the irri-

tation, and second, to remove it from the atmosphere. Both of these steps may be difficult especially the second. Unless the second is accomplished successfully, however, or unless the patient can be given injections of the offending substance and can build up a resistance to it, the catarrh or vasomotor rhinitis almost certainly will continue.

Q—A five-year-old boy has his hair falling out in patches. What can be done to stop this?

A—This condition sounds like alopecia areata. Its cause is not known, but skin specialists have several treatments which they use for it. In most cases the hair eventually grows back.

Q—I know a man 74 years old who is beginning to feel sorry for himself without any apparent reason and drinks a quart of whisky in a week.

A—No one feels happy about growing older, but many elderly people adjust themselves to the problems of their increasing years without relying on alcohol. Some physicians, however, believe that a small amount of alcohol may be helpful to the elderly person, but since there may be reasons against this in individual cases and since the amount taken should be kept to a modest quantity, it would be well for your friend not to take more whisky than his physician advises.

Q—I once was told that a nylon hair brush shouldn't be used. If this is true, what is the reason?

A—I do not know of any reason why a nylon hair brush should not be used, nor why it should harm the scalp in any way.

Q—if a person had a venereal disease (unknowingly) and went to the hospital for a minor operation,

would it show up in the blood test?
A—There is a danger that tritis in one eye would affect the other so that sometimes, as is apparently the case with your father, it is wise to remove the involved eye.

Q—My father has had tritis from an injury for many years and recently it has become serious. The doctor has advised taking the eye out since he said it would completely cure the difficulty.

Q—There is a danger that tritis in one eye would affect the other so that sometimes, as is apparently the case with your father, it is wise to remove the involved eye.

Fred Allen defines an advertising agency as 15 per cent commission and 85 per cent confusion.
In his early days, Allen was in vaudeville. One night in a cafe after the show, the theater manager was condemning the act so strongly that Allen, at another table, retorted. In the ensuing argument, Allen (not very surprisingly) was getting the best of it and the manager yelled, "One more crack and I'll throw my knife at you." Fred said, "Throw your fork; you need your knife to eat with."

Abbe Martin, the sage of the decade preceding World War I, declared that money never made a fool of anybody; it only showed him up for what he had been all the time.

And Abe, master of compression, once told a short story in three lines when he reported that a Cadillac had been stolen Sunday from in front of the county poor-house while the car's owner was visiting his mother.

New York City began getting water from the Croton River, 40 miles north, in 1842.

Yucca Club Installs Officers And Closes Season At Luncheon

A progressive luncheon Thursday completed the activities of a year for the Yucca Garden Club. Mrs. J. D. Dillard, president of the Midland Council of Garden Clubs, installed the Yucca Club officers who will serve next season.

Starting in the home of Mrs. Robert Donnell, the luncheon progressed to the homes of three other members. All were decked in May flowers, and in each there was at least one arrangement featuring yucca, the native flower of this area which is given the club its name and which is in bloom now.

Stock in a three-tiered crystal container centered the table in Mrs. Donnell's home where cocktails were served. The yucca blooms were in the playground.

Fruit Decoration

Mrs. J. Guy McMillan was hostess for the salad course. The fruit salad was served from a scooped-out fresh pineapple and another pineapple was arranged with acacia

blooms and canna leaves on a silver tray for the centerpiece.

The main course was served in the home of Mrs. W. H. Black, where the installation was conducted. Mrs. R. E. Gillespie took office for her second year as president; Mrs. Joe Koegler and Mrs. F. E. Sadler became vice presidents; Mrs. Zeb Wilkins, recording secretary; Mrs. Henry R. Oliver, corresponding secretary; Mrs. B. R. Mathews, treasurer, and Mrs. James E. Sprinkle, parliamentarian.

Mrs. Gillespie reported on the recent convention of Texas Garden Clubs, held at Tyler, which she attended as a delegate. Mrs. Wilkins played the piano and members sang informally. The group was served from a table on the terrace. A variety of garden flowers made bouquets through the house.

Club Has Guests

Dessert was served in Mrs. C. E. Nelson's home, where a lace cloth over yellow covered the table and varied blossoms in a crystal bowl formed the centerpiece. Yucca blossoms made an arrangement on the mantel and a small old-fashioned bowl and pitcher on the coffee table held another bouquet.

Guests in addition to Mrs. Dillard were Mrs. D. G. Martin of Houston, sister of Mrs. Black, and Mrs. Ollie V. Conder of Dallas, Mrs. M. S. Dickerson's mother.

Members present included Mrs. Guy Vanderpool, Mrs. Albert Kelley, Mrs. Bert Cole, Jr., Mrs. Billie White, Mrs. Robert White, Mrs. W. H. Rhodes, Mrs. R. E. Patton, Mrs. Ernest Neill, Mrs. Dewitt C. Haskin, Mrs. C. M. Dunagan, Mrs. Dickerson and Mrs. L. Otis Baggett, as well as the hostesses and officers.

Mrs. Howell's Class To Present Recital In Violin And Piano

Mrs. Benton Howell will present her piano and violin pupils in recital at 8 p.m. Sunday in the West Elementary School auditorium. Ensemble numbers will be included with solos on the program.

The program is as follows: "Two Guitars," Russian folk song, "Ruffy and Tuffy," Schumann, and "The Cuckoo," Lake, Martha Miller; "The Banjo," Wright, and "Jig," Aaron, Linda Jackson; "Big Bass Fiddle," Hopkins, Tommy Craver; "Cotton Pickers," Martin, and "The Blue Danube," Strauss, Nancy Hughston; "Tumble Weed," Bliss, Jerry Fitz-Gerald.

"Cossacks," Rebe, Tim Daly; "Lazy River," Weber, Lionel Craver; "Minuet in G," Beethoven, Roger Walker; "Romance," Sitt, Wynne Warren; "The Canoe Ride," Aaron, and "The Guitar," Gaynor, Margie Miller; "Polish Dance," Severn, Joel Smith; "Sonata in C Major," Mozart, Dana Young.

"Impromptu," Aaron, and "Fluttering Moths," Faeze, Sally Hughston; "Tarantella," Squire, Linda Davis, cello pupil of Mrs. Charles Henderson, accompanied by Mary Wynn; "Tango," Albeniz, Margaret Gibson; "Minuet," Paderewski, Mary Wynn; "On Wings of Song," Mendelssohn, violin ensemble.

The program will close with Haydn's "Toy Symphony" by Joel Smith, Lionel and Tommy Craver, Wynne Warren and Roger Walker, violins; Lynette Howell, viola; Linda Davis and Joyce Howell, cello; Dana Young, cuckoo; Kisty Howell, nightingale; Linda Jackson, rattle; Margaret Gibson, piano; and Jerry Fitz-Gerald, drum.

Bible Class Has Coffee

Former members of the class and teachers in the First Presbyterian Sunday School were guests when the Women's Bible Class of the First Presbyterian Church entertained with a coffee Thursday morning in Mrs. Butler Hurley's home.

Mrs. R. F. Carroll, teacher, was presented a gift in appreciation for her work with the class the last two years.

The guest list included Mrs. P. H. Laverty, Mrs. N. B. Winter, Mrs. Keys A. Curry, Mrs. H. O. Peterson, Mrs. C. H. Ervin, Mrs. L. A. Roby, Mrs. E. C. Hickey, Mrs. Harry Adams, Iola Hopkins, Mrs. R. L. Miller, Mrs. Ida Bodine, Mrs. J. L. Greene, Mrs. Harry Gossett, Mrs. W. T. Hays, Mrs. R. Matthew Lynn, Mrs. Richard P. Peters, Louanna Roach, Mrs. Jack M. Hawkins, Mrs. Mary K. Foster and Mrs. H. L. Hensley.

Velvet Trim Accents Prints

By KAY SHERWOOD
NEA Staff Writer

NEW YORK—Touches of velvet and jeweled buttons highlight this season's handsomest prints. Typical example is the use of black velvet on cuffs and bodice to accent the

finely-etched black and white abstract print of the two-piece dress (left). Designed by Eisenberg, the skirt has an easy-fitting swing and the jacket is buttoned from waistline to the modified shawl collar.

Big, jeweled buttons accentuate

the deep V-neckline of the polka-dotted navy and white print crepe dress (right). Vertical tucks which give the slim line from waist to knee release fullness in a wide flounce around the bottom of the skirt. Soft belt is bow-tied in front.

Recital Scheduled By Voice And Piano Students On Friday

Mrs. Marian Alles will present her voice and piano pupils in recital at 8 p.m. Friday in the parlor of the new First Christian Church. The public is invited.

Special numbers on the program will be given by three of Mrs. Alles' pupils from Pecos, Beth Van Horn, Gage Van Horn, III, and Ellen Jayne Maris.

Midland pupils who will appear are Bobby Spaw, Janice Kimberlin, Marianne Meizer, Tommy Campbell, Jan Burke, Dwight Lansley, Nancy Webb, Shirley Webb, Lalla Jo Wright, and Barbara French.

Mrs. Alles will begin her Summer classes for voice and piano students next week.

Mrs. Howard Shows Young Homemakers Corsage Methods

Demonstrations on cleaning felt hats and making corsages were given at the Young Homemakers Home Demonstration Club meeting Thursday afternoon in the home of Mrs. Troy Etheredge.

Pauline McWilliams showed methods of cleaning felt hats by using gasoline and corn meal. Mrs. Robert Howard discussed making corsages, placing special emphasis on those made from yucca blossoms. She was the club's representative at a demonstration on corsage making given recently by Mrs. E. P. Fenstermaker for home demonstration club members.

It was announced that the next meeting will be at 2 p.m. June 8 with Mrs. Robert Erwin, Route 1. The Young Homemakers Club is a new one, organized early this month with a membership of young matrons.

Fowler and Norma Jobe were guests and the members present were Dr. and Mrs. R. L. Spencer, Mr. and Mrs. A. J. Olsen, Mr. and Mrs. H. L. Grigsby, Mr. and Mrs. R. C. Spivey, Mr. and Mrs. Joe O. Smith, Mr. and Mrs. H. J. Russell, Mr. and Mrs. O. C. Boswell, Mr. and Mrs. A. E. O'Neil, Dixie Howell and Mrs. Marie Nichols.

Hines-Holcomb Engagement Is Told In Rankin

RANKIN—The engagement of Bette Hines to Winston V. Holcomb was announced at a coffee Thursday morning in the Walton Harral home. Hostesses with Mrs. Harral were Mrs. Marvin Bell, Mrs. Ted Hogan and Mrs. Clayton Dameron. June 6 was announced as the wedding date.

With Miss Hines in the receiving line were her mother, Mrs. L. L. Hines, and Holcomb's mother, Mrs. C. J. Holcomb. Mrs. Bell greeted guests at the door and Mrs. Clint Shaw presided at the registry. Mrs. Dameron poured and Mrs. Hogan served cake.

Gold letters on wide green satin streamers formed the inscription, "Bette and Winston, June 6." The streamers extended from a bow which held two intertwined wedding rings of filigree over a reflector in the center of the coffee table. Arrangements of white carnations decorated the rooms and the honoree and house party members wore corsages of the same flowers.

Wedding vows are to be said in the First Baptist Church at high noon, with the Rev. Warren L. Capps officiating. The bride-elect has been employed in the First State Bank of Rankin and Holcomb is associated with his mother in management of the Rankin Food Mart.

Positive Attitude In Marriage Is Insurance Against Divorce

By RUTH MILLETT
NEA Staff Writer

"Are you divorce-proof?" asks James P. Bender, director of the National Institute for Human Relations, in a recent magazine quiz. "Divorce-proof" is as apt a term as any I've run across for the positive attitude that makes some marriages indestructible.

If you're "divorce-proof" you and your husband never, even in the middle of a quarrel, toss that ugly word into the verbal battle.

If you're "divorce-proof" you are mature enough to know that even marriage has its problems and that running away from them is no solution, but that they can all be solved or lived with if you face them out.

If you're "divorce-proof" you are as much concerned with the happiness of your marriage partner with your own happiness. It's a man or woman who never thinks of anyone but himself who is likely to flirt with the idea of divorce.

Must Settle Down

If you're "divorce-proof" you are ready and willing to put down roots and assume responsibilities. The person who is always running away from places, jobs and responsibilities is the kind of person who is likely to want to run away from marriage, too.

If you are "divorce-proof" you are satisfied with the person you married and not tempted to wonder around making comparisons, wondering if you would have been happier if you had made some other choice.

There is only one thing wrong with "divorce-proof" couples—the aren't enough of them.

The Last Roundup

Have you been counted in the 1950 census? If not, now is the time to take proper steps to assure that you will be included in the official Midland and Midland County population figures which soon will be released.

It is most important that Midland's population figure be accurate as possible, and the figure will be accurate if everyone is included.

The total determined in the present count will be Midland's official population figure for 10 years and will be used in all official reports of Midland's population.

The figure will be important to public schools and to city and county governments. The needs of the community for more and improved services of all kinds will be based on the census total.

In other words, it is important to everyone that the population figure be as complete as possible, and everyone could make sure he is counted in the 1950 census.

Can't Say He's Entrenched

A Republican has crashed the exclusive Democratic role in Texas by getting himself elected to Congress. It's the first time since 1930 the GOP has made an effective dent in the state.

National Republican Headquarters, of course, is seizing upon this event as "another sign of the times." A look at the figures, however, suggests a little caution in viewing this result.

Republicans normally poll about 20 per cent of the vote in the Panhandle district they captured in this special election. Their vote on this occasion was about 22 per cent, a modest gain.

It wouldn't take much of a gauging-up among Democrats this Fall when Guill's seat is on the block again, to reverse the surprising outcome.

The Sign Of The West

DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

Drew Pearson says: Author John Hersey is Bielski's Amerasia mystery man; However, Bielski refutes his own statement re Hersey in secret Senate hearing; Tydings says Hersey never involved.

WASHINGTON — A mysterious "internationally famous" figure supposed to be involved in the Amerasia case was tossed to newsmen as headline bait by Frank Bielski, former OSS agent, this week.

He made headlines all right, but Senator Tydings of Maryland immediately countered that the new mystery man had nothing to do with the case.

In order to clear up the mystery, this column has investigated exactly what Bielski testified behind closed doors, also has done some checking upon Bielski himself.

The international celebrity, whom Bielski claims "owers head and shoulders" above anyone else in the Amerasia case, is John Hersey, author of the book upon which was based the famed war picture, "A Bell for Adano" and the graphic story "Hiroshima." However, Bielski's total recollection was that he had seen Hersey's name scribbled on an envelope in the Amerasia office, and he admitted to senators that no link could be found between Hersey and the Amerasia magazine.

Former GOP Investigator Hersey incidentally never was employed by the State Department or any other government agency. It also is only fair to report that Bielski himself formerly was an investigator for the Republican National Committee, that he now operates his own private detective agency which is thriving on the Amerasia publicity, and that he also was involved in the famous Rhode Island wire-tapping scandal of 1944.

Finally, it is important to note that the newspaper chain which has been constantly and persistently demanding a probe of the Amerasia case—the Scripps-Howard papers—being sued for libel by Mark Gayn of the Chicago Sun, one of those originally involved in the Amerasia case.

With this background in mind here is Bielski's closed-door testimony before the Tydings subcommittee. First, he described his illegal raid on the Amerasia magazine offices, told how he broke into the library and saw the table covered with documents.

"This is something I have never repeated in public or anywhere, but which I think must be told here," Bielski confided. "An envelope in the middle of the table was there, and written across the top of it catercornered was the name John Hersey."

"John..." inquired Tydings, who has been having trouble hearing with his right ear. "He—e—e—e—e," Bielski spelled the name out.

"It was not an envelope to my mind that was addressed to him, but as you might write your name on an envelope belonging to you," continued Bielski.

"Did your investigation show that Hersey was connected in any way with the (Amerasia) magazine?" inquired Tydings.

Tidelands Bill Heads Towards Rules Panel

WASHINGTON — The Tidelands bill goes before the House Rules Committee June 13. The measure recently was reported favorably by the House Judiciary Committee. The Rules Committee clears bills for floor action. The bill would give states ownership of submerged lands.

HUSBAND, WIFE DIE IN MURDER, SUICIDE

TEXAS CITY — Justice of the Peace G. P. Reddell ruled that John Dale Childs, 37, shot his wife, Mrs. Mae Della Childs, 30, to death Thursday and then killed himself. The couple's five-year-old daughter, Shirley Mae, had telephoned police and said: "Mama and papa are lying on the floor."

Abundant Living

By E. STANLEY JONES

THE UNDISCIPLINED Now we see that the three urges within us—self, sex, and the herd—must be disciplined, and must be disciplined to one thing—the Kingdom of God.

"I didn't ask for authority at the moment," Senator Bielski confessed. "But since I have thought over the legal position, and I understand that the OSS was created by executive order (which) provided that it should take care of its own security."

"I think they did it in time of war. He did it and got away with it," shot back Lodge. "I would have done my job," he added.

Senator McMahon then broke into the argument, reading from the constitution. "The right of people to be secure in their persons, houses and papers and effects against unreasonable search and seizure shall not be violated," he quoted.

"Of course, there can be no doubt about that," snorted the senator from Connecticut. "You cannot sustain any conviction based upon evidence that was obtained or seized contrary to the constitution. No President or anybody else has got the right to suspend the Constitution."

"You know as well I do that the Constitution has been set aside by Presidents," shot back Lodge. "No," snapped McMahon. "President Lincoln set it aside," insisted Lodge.

He suspended the writ of habeas corpus, and as a matter of fact, no President of the United States can set aside the Constitution. Please take my word for that," countered McMahon, who had a distinguished record as assistant attorney general.

"You can do it but not legally," suggested Tydings, as a compromise. This ended the argument.

JACOBY ON BRIDGE

By OSWALD JACOBY Written for NEA Service "This hand," states a St. Louis reader, "has our bridge club puzzled. We know the actual bidding was poor, but we can't figure out what should have been done."

South West North East 1 ♠ Pass 2 ♠ Pass 2 N.T. Pass 3 ♠ Pass 3 ♠ Pass

South West North East 1 ♠ Pass 2 ♠ Pass 2 N.T. Pass 3 ♠ Pass 3 ♠ Pass

Experts have to do their share of guessing, but this is one situation in which they use logic. The bid of three diamonds is forcing, and South should now try to give his partner accurate information.

With strength in both unbid suits, South would simply bid three notrump. With strength in only one unbid suit, South would bid that suit.

In this case, South has a sure stopping only in spades. He therefore bids three spades. This tells North that the other unbid suit is weak. Since North also is very weak in hearts, he must abandon all thought of a game at notrump.

Hence he jumps to five diamonds and the hand is played there. A slam can actually be made in diamonds, but it is very difficult to bid. It is certainly a lot better to bid the right game contract than to play the hand at a part score bid.

The LONESOME BRIDE

By Grace Nies Fletcher

THE STORY: When Gloria Brown lands squarely in a murder case, Gloria's next-door neighbor, who was Miltiades' teacher, appears and the body of an underworld character is found in the kitchen.

"Why should I give my name?" I ain't done nothing," she yelled. But finally she divulged her name and a Bronx address. "Sam," she yelled "Spit out that sandwich! Maybe it's poison yet!" She gathered her brood about her, glaring at Gloria. "Come Sam, Molly. Is no place for decent people!"

Miltiades was waiting for her when she got in the police car, a big black limousine. Miltiades said: "The whole Atlantic Ocean to pick from and we had to choose this particular beach!"

"OR," said Gloria slowly, "some-one else picked it to murder poor Sal because we were handy goats again. Why should anyone hate us that much, darling? It couldn't be coincidence twice."

"You're darn tootin' it couldn't," Lieutenant McGann said, opening the car door and sliding into the little seat in front of them so he could sit facing them. "You say Sal was fighting with Hansen? The plainclothes man," he added. "I suppose you spotted him at the Splendide?"

"How could I help it—him sticking out like a sore thumb?" Gloria snapped wearily. She might have said more but at that instant the driver asked, "80th precinct, sir?" and the lieutenant nodded.

"Homicide Headquarters," he explained to Miltiades. "We'll want to keep you tonight maybe to ask you a few questions."

"Don't be a moron!" Gloria advised furiously. "There were a million people, more or less, jumping up and down in the water and anyone of them might have stabbed her. You can't arrest Mil-

WASHINGTON COLUMN

Party Labels Mean Less And Less As Issues Unfold

By PETER EDSON NEA Washington Correspondent WASHINGTON—There is one major issue in the 1950 political campaign which now is pressing upon the voters.

There is no precise name for it. The old labels don't quite fit. It is more a state of mind, a sixth sense or a political "feel" which voters are being asked to decide upon and express.

For lack of better words, this issue might be defined as conservatism versus liberalism, reactionism versus progressivism or just plain Taftism versus Trumanism.

The specific items in the Truman program to which Senator Taft objects most strenuously are the Brannan farm plan, national health insurance, government taxing and spending of 25 per cent of the national income, the \$6,000,000,000 deficit, the International Trade Organization, reduction of tariffs and repeal of the Taft-Hartley Law.

Senator Taft also is against Alger Hiss, hushing up of the Amerasia case, Kansas City crime, John Mera-gon, G. B. Graham, Mayor Curran, Henry Wallace, Harry Hopkins, Yalta, Potsdam and the "pro-Communist policies of our State Department," which he says placed Russia in a position where it is a threat to the world.

It was at stake in the Alabama primary. The fight there was over control of the State Democratic Committee. The reactionary Dixie-crats lost.

Conservatism versus liberalism is the issue in California. Rep. Helen Gahagan Douglas is fighting the Democratic senatorial nomination, is an all-out liberal. Manchester Boddy, publisher of the Los Angeles News, who is opposing her, has advocated many progressive policies, but is trying to keep the conservative strength of the Democratic Party behind him. Whoever wins in this primary race will face Rep. Richard M. Nixon, Republican conservative.

It is the main issue in North Carolina, where liberal Democratic Senator Frank M. Graham is fighting to retain his seat against divided opposition. Willis Smith is a lawyer who is considered conservative, while ex-Senator Robert Reynolds is ultra-conservative.

Conservatism was the issue in the Oregon primary, where contests in both parties were to unseat progressive Republican Senator Morse. This struggle for a political philosophy becomes apparent not only from trying to digest the 50 speeches made by President Truman on his swing through the Northwest, but also is obvious from the bulletins put out by the Republican National Committee from day to day, during the President's tour, and from the formal counter-blast made by Ohio Senator Robert Taft, Progressive.

Senator Taft says he never has met any of the "greedy, selfish reactionaries" that President Truman always is talking about. Taft really considers himself a progressive. He takes credit for having sponsored the public housing and hospital construction programs passed by the 81st Congress.

Many of the things Taft says he stands for, the "democratic liberals" also can say they support. For instance: An all-powerful U. S. armed force... liberal freedom of speech... a proper minimum wage, protection of farm prices... better education, health, housing, security, elimination of hardship and poverty.

But Senator Taft claims there is a difference in his approach to these things. He wants them only if they can be obtained without interfering in every case except public utilities—the deadening regulation of government bureaus attempting to fix prices, practices and quotas in free industries.

Liberals properly may object to this, but they should remember the methods and of what the President wants for the country. Taft indulges in considerable exaggeration. Truman does the same thing in talking about the reactionaries. That's politics and only to be expected, if you know how to talk.

In no sense, however, can Truman be called a conservative. His speeches all through the West were booster stuff. He advocated everything being bigger and better—dams, crops, programs, benefits, income.

Q—When did railroads adopt Standard Time?
A—Beginning in Washington, D. What's RIGHT?

So many collections are taken up for gifts in your office that you feel you honestly can't afford to contribute to them all.

WRONG WAY: Do so, even though you protest or do it grudgingly.

RIGHT WAY: Say frankly that you would like to contribute but that you cannot afford to every time.

tiades. You'll just make yourself a laughing stock. His father is Prof. John Memo Brown, head of the department of classical drama at a big college in Boston and his second cousin once removed married a Cabot. I tell you, the Browns mean something in Boston!"

"The McGanns mean something in Brooklyn," the lieutenant told her grimly.

THERE was no more conversation until they drew up in front of the Splendide Apartments, and then Miltiades urged, "Call the boss and have him send me a lawyer; that's how you can help most. And don't open the apartment door unless you know who's outside. Promise!" I suppose, he asked the lieutenant without much hope, "He couldn't go home to his fat-forked millions?"

"The policeman shook his head. "I'll keep my man on. She'll be okay. And so," he jested grimly, "will you. Safe as a nut in its shell."

"The simile applies to you, not me," Gloria told him, furiously. "Of all the nut-headed... Don't worry, darling," she told Miltiades tenderly. "I'll have you out of there in the flip of my hat's wing. I have a little idea."

"Hey! Miltiades had experienced her little ideas before and all of them had been slightly unorthodox, not to say, illegal.

"She can't get into much mischief when she's tailed," McGann reminded him.

"Who's going to stop me from doing what I please? Certainly not your fat-footed millions!" Gloria's cheeks burned so indignantly and her jade eyes flashed till she looked so entirely gorgeously angry that Miltiades felt awed that so much beauty belonged to him. There is something that even you do not know, Miltiades," she told him proudly. "My grandfather was a Perkins of Beacon Hill, but he married a Gloria Mulligan from East Boston, from whom I got my name, and maybe my brains. And a Mulligan's as good as a McGann any day! Goodbye, my darling. But not for long."

First Christian Church Will Dedicate New Building Sunday

Dedication of a spacious and beautiful new church plant will be conducted by the congregation of the First Christian Church Sunday in two services. The building on North F and West Louisiana Streets has been completed recently to replace the outgrown, 43-year-old building in a downtown location.

The sanctuary was occupied for the Mother's Day services of the church but remaining furnishings have been added to the building since that day and it is ready for occupation by the various departments of the church.

Noel Keith, assistant to Dr. M. E. Sadler, president of Texas Christian University, Fort Worth, will be the speaker at the regular morning service of the church, when the lectern, communion table and pulpit will be dedicated. The service will start at 11 a. m.

The dedicatory sermon for the entire plant will be given at a meeting at 3 p. m. by Dr. Patrick Henry, secretary of the Texas Christian Missionary Society, also of Fort Worth. His subject will be "The Church's One Foundation."

The Rev. Clyde Lindsley, minister, will lead the congregation in the dedicatory responses.

Music at both services will be by the church choir, directed by Marian Allen. A vocal duet by Mrs. Allen and Penny Brown will be a special selection for the morning service and Everett Shipp will sing a solo in the afternoon. The choir will sing anthems.

Presentation of the keys by Guy Brenneman and acceptance by H. U. Bedford will be a part of the afternoon program.

AAUW Party Has Rodeo Note

Rodeo suggestions were used in the decorative theme for the luncheon and bridge party of the American Association of University Women's Bridge Group in the Ranch House Thursday. Mrs. John Fletcher and Mrs. Sam Geffen were hostesses.

Table decorations and appointments for the bridge games were in a Western motif heralding the annual Midland Rodeo of next week. Mrs. C. L. Davenport made high score at bridge; Mrs. R. B. Lambert, second; and Mrs. Earl A. Johnson, third. A guest, Mrs. Carl W. Jones, received the bingo award.

Other guests were Mrs. J. J. Travis, Mrs. Hugh Munn, Mrs. Frank Reeves and Mrs. John Skinner.

Members present included Mrs. A. P. Callahan, Mrs. Ralph Frosch, Mrs. L. W. Sager, Mrs. Ray Seifert, Mrs. Margaret Frances Barber, Mrs. B. W. David, Mrs. Lloyd C. Mills, Mrs. G. G. DeFord To Tell Stories To Children

Mrs. John DeFord will tell stories to the youngsters who attend the Midland County Library's story hour at 10:30 a. m. Saturday. All children are invited for the program in the Children's Room of the library.

Stories to be told are "Little Squeaky Bug," "Saggy, Baggy Elephant," "Smoky Poley" and "Lightning-A Cowboy's Colt." Mrs. DeFord also will tell one of Hans Christian Anderson's fairy tales.

GARDEN TOUR TO END IOTA BETA SEASON

Iota Beta Chapter of Beta Sigma Phi will hold its last meeting of this season at 2:30 p. m. Saturday in the home of Myra McReynolds, 801 North Baird Street. From there, members will go on a tour of Midland gardens.

Leopards are occasionally all black, or albino.

Mrs. Kincaid Is Honoree At Bridge Party

Mrs. Robert Kincaid was honored with a dessert-bridge party Thursday afternoon by Mrs. Del Taylor, Mrs. Kincaid will leave Saturday for Abilene, where she will make her home.

The party was for the bridge club to which Mrs. Kincaid belonged and was given in Mrs. Taylor's home. Several others of the honoree's friends were special guests.

The house was decorated with Spring flowers in May baskets, arranged by Mrs. John Stille, a member of the Seneca Garden Club. Mrs. Stille also made the gladiolus corsage which was presented to Mrs. Kincaid. Bridge club members gave the honoree a silver cigarette urn and guests presented her with a silver and crystal ash tray.

Mrs. O. B. Lawrence won guest high prize and Mrs. A. L. Gill the traveling prize. Mrs. William Aikman won the high score for members and Mrs. Taylor, second high.

Other guests were Mrs. Harley Rogers, Mrs. Phil Wheeland, Mrs. Earl Bird, Mrs. Ed Bogler, Mrs. Johnny Shelton, Mrs. John Overby and Mrs. F. N. Littlejohn.

Luncheon And Bridge Entertain DYT Club And Special Guests

A luncheon in El Sombrero Cafe entertained the DYT Club Thursday afternoon, then members and their guests went to the home of Mrs. John A. Sewell for dessert and canasta games.

Centering the table from which refreshments were served in the Sewell home was a miniature tea cart filled with larkspur, carnations and daisies. A similar arrangement, smaller in size, was on the coffee table.

Mrs. Vera Young of Los Angeles, house guest of her daughter, Mrs. J. P. Carson, Jr., was a guest at the party and Mrs. J. G. Chauncey was another. Members present were Mrs. A. E. Houck, Mrs. E. P. Birkhead, Mrs. L. V. Bassham, Mrs. Glenn Shoemaker, Mrs. T. S. Henderson and Mrs. Carson.

'Miranda,' Story Of Mermaid, To Be Given Twice More

Midland weather Thursday could not have been more suited to the opening performance of "Miranda," the current Community Theater production. The first performance of this story of a wandering mermaid was given during the rain Thursday night to a thoroughly receptive audience which almost filled the theater.

The other two performances will be held at 8:15 p. m. Friday and Saturday.

Sue Coverley plays Miranda, a young mermaid on her first visit to London. John Hughes is Sir Paul Marten, the doctor who brings her home and Elizabeth Pennebaker is his wife, Clare.

Marymargaret Corbett is Nurse Cary, employed to take care of Miranda who is masquerading as an invalid. Gwen Workman is Betty, the maid, and Charles Berg is Charles, the chauffeur. Betty Simpson and Roger Coverley play Isobel Lambert and Nigel Hood, friends of the Martens.

'Miranda' Held Over For Monday Show

A Monday night performance of "Miranda" has been announced by Art Cole, director. The play opened Thursday night and Friday and Saturday night performances are scheduled.

The Community Theater is sold out for Friday and Saturday so a hold-over show will be given at 8:30 p. m. Monday. The seat board will be at Tallorline all day Monday.

4-H Club Girls To Stage Annual Dress Revue And Contest

The annual dress revue and contest for 4-H Club girls of Midland County will be staged at 2 p. m. Saturday in the Junior High School Auditorium with the public invited. Mrs. Bennie Bizzell, chairman of 4-H Club sponsors, has announced.

A trip to the state 4-H Club meeting at Texas A&M College where the state dress revue will be held June 12, will be the winner's reward.

In addition to modeling the dresses they have made in their club programs, the last year, the girls will present a program of entertainment Saturday afternoon.

A group from Midland High School will appear in a comedy skit and a quartet from Junior High School, "The Milk Spots," will sing. Margie Wise will appear in a tap dance and Betty Jean Hughes as vocal soloist. Both are members of the Greenwood 4-H Club.

Junior Garden Club Hears Stories And Plans Summer Tea

Martha Bowden discussed the program for the last year, the girls at a meeting of the Young Sprouters Garden Club Thursday afternoon in the home of Mrs. C. E. Nelson.

Ann Allen played two piano selections for the group and Mrs. James E. Sprinkle told "The Legend of the Sunflower" and "The Story of the Snapdragon." Carolyn Nelson, beginning a series of "turns-into" tales, told about the katydid.

Kathy Nelson made the flower arrangements—one in a long bowl decorated with a yellow wren figurine and the other of baby roses and peonies in a Dutch bowl. Other members reported on the flowers they have planted.

Martha and Pingle Bowden served refreshments to Mrs. R. C. Bowden, who was a guest, those on the program, and June Melton, Charles Keeper, Glenn White and Linda Bowers.

Plans were discussed for the tea members plan to give early in June for their mothers.

City Designs Special Type Trash Container

The City of Midland has designed a special type garbage container for use in the downtown section. City Manager W. H. Oswalt said Friday.

Plans and specifications for the container, which can be constructed at a reasonable cost, are available at the City Hall to all interested persons.

The new type container improves sanitary conditions as well as minimizing fire hazards, Oswalt said. He said the city will permit the containers to be placed in downtown alleys when necessary.

The full cooperation of business firms in installing the containers is urged by city officials.

Third 'Fun Frolic' Slated Friday With B&PW Hostesses

The third in a series of monthly "fun frolics" sponsored by the Business and Professional Women's Club will start at 8 p. m. Friday in the American Legion Hall with the public invited. Square dancing will alternate with modern dancing on the program.

A large crowd attended the April dance, and as large a group is expected this week, including visitors from nearby cities. Square dancers are invited by clubs, sets or individuals and there will be room for those who simply like to watch square dances.

Wilfred Estill and Glenyth Herling are chairman of a committee of club members making arrangements for the party. Music will be provided by the Fitzgerald Orchestra and the master of ceremonies, Jay Johnson, will be assisted by callers from the square dance clubs of Midland and surrounding communities. The same musicians and caller served for the April dance.

High School Paper Given Honor Award

The Bulldog, newspaper of Midland High School, has been awarded an Award of Honor in Journalism by the University Interscholastic League in recognition of excellence which placed the publication among the "best high school newspapers in Texas."

A certificate has been received. It was signed by Bluford B. Hestir, director of the IL's journalism department.

This marks the first time the newspaper has won the honor.

Mrs. W. J. Parr is sponsor of The Bulldog. Staff members include Katherine Lewis, editor; Jo Anne Boykin, assistant editor; Bet Studdert, copy reader; Carol Glahn, exchange editor; Cynthia Parker, club editor; Denzil Ann Kemp, photographer; Maggie Murphey, business manager; Dan Dickinson, sports editor; Charles Paris, John Brent Wood, reporters-typists.

Methodists Hear Evangelism Appeal

BIG SPRING (AP)—Northwest Texas Methodists are being asked to make a special effort to win more converts this year.

The appeal was made by the Rev. J. Edmund Kirby of Sweetwater to the Northwest Texas Conference.

Dr. Robert Goodrich of Dallas told delegates religion must be lived in every area of life to be effective.

Howard Knox of Georgetown reported enrollment at Southwestern University at a peak.

Barbara Lowery, Lubbock, conference youth director, reported six young persons from the conference plan to go overseas this year in mission work.

Truman Appointee Faces Tough Fight In North Carolina

RALPHIGH, N. C. (AP)—North Carolina will vote Saturday on whether to send President Truman's friend, Frank P. Graham, back to the Senate.

Opposing him in a bitter three-cornered primary fight for the Democratic nomination are Willis Smith, Raleigh corporation lawyer, and former Senator Robert R. Reynolds, wartime isolationist.

The Democratic nomination is equal to election in North Carolina. A fourth candidate, Olla Ray Boyd, small-town pig breeder, is a perennial candidate for public office. His votes heretofore have been negligible.

While Graham's friendship with the President is not debatable, Truman has taken no public part in the campaign. And the 63-year-old former educator doesn't always agree with the Truman policies. He has been opposed to forcing the elimination of segregation in the South, to the Brannan farm plan, to "socialized medicine."

Smith, while leaning to the conservative side and critical of some of the "Fair Deal" program, has been a party stalwart for more than 30 years.

The real battle has been on personalities and between Graham and Smith. Smith forces have waved a Red flag and played up Dr. Graham's connections with various organizations charged with having Communist leanings. They also have concentrated on allegations that Graham favors going away with segregation.

Reynolds has conducted a quiet campaign, the reverse of those that sent him to the Senate before. He has ignored and has been ignored by the other candidates.

Graham's appointment to the Senate 14 months ago hit North Carolina like a bombshell. Senator J. Melville Broughton, former governor, had died unexpectedly in office. Graham had been charged on the floor of the Senate as being a dangerous man to trust with atom bomb secrets. He had served on the Oak Ridge Institute of Nuclear Studies and already had been charged with being "pink" as president of the Southern Conference of Human Welfare.

Smith seized upon those points and drove them home in his campaign.

Middle East Arms Race Held Unlikely

WASHINGTON (AP)—State Department officials said Friday the new American-British-French agreement covering the sale of military weapons to the Middle East should end any danger of an arms race between Israel and the Arab states.

At the same time, they declared, the Three Power commitment to act against any threat of aggression by either Jews or Arabs, coupled with the arms agreement, should lead to a new degree of stability throughout the whole region.

If these results are in fact accomplished, these officials said, the Western powers will be able to count on much greater security in a part of the world second only to the North Atlantic area in its strategic importance in the cold war with Russia.

For a Sunday night buffet supper, choose "fork food." Codfish balls with tomato sauce, cole slaw, and hot popovers go well together; or you might choose chicken livers and gravy on steamed rice, green peas and chutney. A compote of fresh fruit and a plate of particularly delicious cookie-squares would go well with either of these menus for dessert.

DADDY RINGTAIL

Daddy Ringtail And The Runaway

"Daddy Ringtail," said Mugwump once in the long ago, "I'm going to run away from home. I'm going to be a runaway."
Daddy Ringtail was sorry to hear this—sorry to think that he would never see little Mugwump again—for Mugwump wouldn't be seen any more, you know, not if he ran away from home.
"It's Bigger, my father," said

Mugwump. "He's so very cross all the time, and that's why I'm running away."
Daddy Ringtail explained that Bigger didn't mean to be cross, that

Bigger would be very unhappy without Mugwump who was the only boy that Bigger had. Mugwump knew it, but he wanted to run away anyway.

"Well now," Daddy Ringtail said, "maybe you'd better eat your dinner before you go. I wouldn't run away hungry."

Mugwump said that running away hungry would never be a happy thing at all. He climbed back over to his house and asked Bigger to hurry, please, and get dinner ready. And so Bigger hurried and hurried with the dinner, so that Mugwump could run away, and when Mugwump had eaten, Bigger said: "I don't want you to run away in the rain. Why don't you wait until the rain has gone?"

Mugwump said he would, and he went to his room to play until the rain had gone away. When the rain had gone at last, Mugwump said: "Goodbye, Bigger! I'm going to run away now!"
But Bigger said: "Look out the window. The night will soon be here in the forest, and you won't have a place to sleep if you run away."

Mugwump knew that Bigger was right, and so he decided to wait for morning to do his running away. When morning came, he decided to wait for breakfast, and then for lunch, and then for dinner, and then for morning to come again. And so it happened from day to day, with Mugwump never running away at all. I'm glad to say, and if you ever think about running away, I'd keep on waiting and waiting like Mugwump to do it, and then you'll never do it at all. Then you'll always have something to eat, and you'll always have a place to sleep. Home is the happiest place after all. Happy day!

Council Estimates Holiday Death Toll

CHICAGO —(AP)—The National Safety Council said Thursday some 290 persons have a very short time left to live. That many, it estimated, will be killed in Memorial Day weekend traffic.

The estimate is based on a four-day holiday period with very heavy traffic—nearly 30,000,000 automobiles on the move—throughout the nation. The estimate covers only victims who will experience accidents and die during the period—Saturday through Tuesday— not those who will die later from holiday accidents.

The puffin sheds its bill annually, as well as its feathers.

FORCED FREEDOM
Pressure by Egyptian nationalists forced Britain to declare Egypt an independent, sovereign state on Feb. 28, 1922, although the British reserved their rights for the protection of Suez and the defense of Egypt.

Nursery Department Group Has Meeting
A morning meeting Thursday was held for workers in the Nursery Department of the First Baptist Sunday School. Mrs. Eddie Conner was hostess in her home and a business session followed a devotional period conducted by Mrs. Cecil Boles.
Others present were Mrs. Charles Mathews, Mrs. J. Truett Powers, Mrs. Carl W. Schoenewolf, Mrs. Roy Herrington, Mrs. Harold Cothern, Mrs. J. A. Watson, Mrs. Walton Porter and Mrs. Everett S. Kennedy.
Declines were noted in 1949 in murders, negligent manslaughter and auto thefts in both urban and rural areas in the United States.

Methodist Women At McCamey Close Year
McCAMEY—Reports for the last quarter of a year that ends this month were made by officers of the Methodist Women's Society, after a meeting in the Church Annex recently. Mrs. W. K. Ramsey was leader of a program on "Church Schools and Missions in Africa and India" with Mrs. R. F. Costen and Mrs. I. L. Edwards assisting.
Mrs. Roy Johnson's devotional subject was "God and Common Duty." Reports were given by delegates to a retreat held in San Angelo last week. Members attending were Mrs. C. J. Mann, Mrs. Costen, Mrs. Edwards, Mrs. C. W. Brown and Mrs. T. L. Fuller.

WAYLAND STANDS PAT ON NO-SMOKING RULE
PLAINVIEW — (AP) — The "Smoking" orders at Wayland Baptist College still stand.
Trustees Thursday reaffirm their former action in banning smoking by students.

DUET AND ENCORE

They might not bring down the house at Carnegie Hall. But they'll win an encore at Vacation Bible School. Theirs is the kind of singing in which spirit and enthusiasm count. When you're singing "Jesus Loves Me" a few flat notes don't matter. Even after these happy weeks at Vacation Bible School they won't be ready for a Metropolitan audition. But their young lives will be richer in the qualities that make for happiness and moral health. Our boys and girls deserve the opportunities which our churches offer them. They need the goodtimes and helpful training that have made Vacation Bible School an American tradition. Encourage your youngsters to attend!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Doubleheader Set Friday; Indians At Home Saturday

The Midland Indians and the Odessa Oilers played two and a half innings of their Longhorn League game Thursday night in Edna's Oiler Park but a heavy rain put an end to the proceedings at that point.

It was too bad for the Indians because they were leading 5 to 0 at the time. Glen Patton was on the mound and had held the Oilers in one inning.

A doubleheader is scheduled Friday night with the first game to underway at 6 p.m. Ken Carley and John Singleton will hurl for the Indians against Al Sokolowski and Ray Knoblauch, Oiler ace.

The Indians return home for a four-day stand, opening with theinger Cats Saturday night. Vernon moves in for two Monday.

Softball Games Rained Out; One Scheduled Friday

Softball games scheduled Friday night at Wadley Field postponed due to wet fields. A single game is slated for Saturday night and an exhibition has been scheduled Saturday night.

The Reporter-Telegram and the Engineers will play a cup game at 7:45 p.m. Friday if weather permits. The same reservations are attached to a scheduled exhibition night between Rotary Shell TXL of Ector County. The game time will be 7:45 p.m. if it rained.

Benefit Softball Show At McCamey

McCAMEY—A benefit softball show, featuring three clubs, will be staged here Friday night.

The Upton County Sheriff's Posse will tangle with the McCamey Lions Club in the five-inning opener. The winner will meet the McCamey Blue Jays, a girls' team, in a second tilt.

J. Lane will hurl for the Posse. James A. Rutherford for the Lions and Chicken Fleming for the Blue Jays.

Laredo Fills Out AA Baseball Slate

LAREDO—Laredo kicked Edinburg 3-2 Thursday, filling the last vacant spot in the Class AA High School Baseball Tournament.

The Tigers, Odessa, Amarillo, Abilene, Sherman, Marshall, Beaumont and Waxahachie will meet in Austin June 5-7, to determine this schoolboy division championship.

A new champion is assured. Odessa beat last year's winner, Bowie of El Paso, in bi-district play.

Bauers In Eastern Tourney

NEWTON, MASS.—(AP)—She claims she's "just not hitting that ball the way I like to" but Babe Didrickson Zaharias is favorite in the \$3,000 Women's Eastern Open Golf Championship Tournament which opened Friday.

The Babe and Louise Suggs, deft Georgia golfer, generally are considered the gals who must be beaten by any of 31 other contestants who will play through Sunday at Woodland Golf Club.

The Babe and Louise finished one-two in last week's Weatherwane tournament at White Plains, N. Y. Sentimental favorites appear to be the beautiful Midland, Texas, Bauer Sisters, recent recruits to the pay circuit. They are Marlene, 16, and Alice, 22, whose father started them in the ancient pastime when they were tots.

The younger of the pretty pair upset the Babe two years ago in a 21 hole semi-final match of the Hardscrabble Tournament.

Other highly considered entries include Patty Berg and Betty Jameson and Bettye Mims Danoff.

A gallant bunch of Midland High School Bulldogs, coaches and more than 200 fans braved knee-deep water, rain and cool weather Thursday night at Memorial Stadium as the annual Spring football game came off on schedule.

The field was a virtual mudhole before the tilt started and showers during the abbreviated show made things even worse. But the show went on—for three quarters. Then a downpour halted it for good.

The White, loaded with lettermen and a weight advantage, took the decision by a 7 to 6 score but it might have been different had the tilt gone the full time.

Believe it or not, both touchdowns were scored on long pass plays in spite of a soaked ball and slippery turf. Both teams were out to win and spared nothing in showing it.

After a scoreless first quarter, Charles Crowley southpawed a 12-yard pass to Reed Gilmore, quarterback, and Gilmore went 60 yards for a touchdown. Crowley added the extra point to give the White a 7-0 lead.

The Purple, using the good throwing arm of Ralph Brooks, moved the ball some before the half but couldn't make a scoring threat. Crushing line play and tackling by Stan Coker, Bob Wood, Dalton Byerley and Pete English kept the Purple in check.

The Purple stiffened early in the third period to hold for downs on its own 15 and took possession. Brooks fired a jump pass to Dwane Bush on the Purple 29 and Bush exploded into the clear and outran the White secondary for a touchdown. The play covered 85 yards. Try for point was blocked.

That was all the scoring but it wasn't nearly all that took place in the ball game, which officially ended Spring training for the Bulldogs.

Leo Hatfield, a Purple end who is up from the B squad, literally took over on defense during the first half. He was in on every play and got the tackle most of the time.

Bill Medart, Purple defensive back, also did some brutal work against the White.

Jerry Culp and Fred Underwood were outstanding defensive line men, both getting several clean tackles in the open. Al Scoggin and David Lavery did a fine job while in the game.

Larry Friday did the punting for the Purple and was a power on both offense and defense.

Robert Burks, Purple captain, showed up well on defense with some fine tackles.

Graham Mackey, end, and Coker, Wood and English were tops at both blocking and tackling for the White.

Dalton Byerley played his position in great form and always presented a solid obstacle for Purple running plays.

Jimmy O'Neal, White captain, slammed the holes with his 185 pounds to stop 'em up.

The running of Jack Burris, L. C. Thomas and Crowley for the White and Roy Kinsey, Robert Keisling, Friday and Brooks for the Purple was much improved despite the wet field. Thomas and Crowley showed crushing power on line plays.

Johnny Kennedy, Larry Lynn, Bill Spence, Freddie Bilbo, Charles Jones, and Gaylon Strickland all got in some hits for the White.

Robert Melton did a nice job of quarterbacking the Purple, and Dan Black showed great promise on both offense and defense.

Jimmy Locke, Bill Grissett, W. H. Black, Harold Hensley, Loren Roberts, Glenn Baker, Charles Hendrix and Guy Vanderpool were other Purple players seeing action and giving good accounts on defense.

The tilt was a great show in spite of all the bad breaks.

Major Leagues—Yanks Stop Tigers On Yogi's Slam

By The Associated Press
There's a familiar team doing familiar things in the American League these days.

New York Thursday beat Detroit 6-4 to register its eighth straight victory, its thirteenth in 14 starts, and stretch its lead over second-place Detroit to four full games.

Yogi Berra won the tilt for the Yanks with a grand slam homer in the fifth inning and that's the way the Yankees of old used to win, remember?

In other games Thursday, Boston used four home runs to come from behind and nick the St. Louis Browns 15-12. Cleveland turned back Washington 3-0 on Bob Lemon's three-hitter, and Philadelphia beat Chicago 6-1.

In the National League, Brooklyn nosed out the Chicago Cubs 5-4. Philadelphia defeated Pittsburgh 3-0 and St. Louis downed New York 7-5 in 13 innings. Cincinnati and Boston were idle.

Longhorn League—All Loop Games Are Rained Out

By The Associated Press
Rain washed out the entire Longhorn League schedule Thursday night, but the same baseball foes try again Friday. Big Spring is at Sweetwater, San Angelo at Roswell, Midland at Odessa and Vernon at Ballinger.

Royal Family Is 'Called' By Synod

INVERNESS, SCOTLAND—(AP)—The British Royal Family is going to the Derby at Epsom Saturday and the Scottish Synod of the Free Presbyterian Church is not going to like that.

Thursday, the same day the king and queen and princesses went to the Oaks Stakes at Epsom, the Synod approved a resolution declaring that the high store Britons set on football and horse racing was not in their best spiritual interests.

Buckingham Palace refused to comment.

Luke Sewell is the ninth catcher to hold down the managerial berth with the Cincinnati Reds.

WT-NM League—Clovis Moves Up To Third Place

By The Associated Press
You think the West Texas-New Mexico League baseball race isn't close?

Well, Thursday night there was just one game played and it changed the standings up a bit. Clovis beat Albuquerque 5-3 and jumped into third place with certain other minor adjustments taking place.

Rain washed out three games and the second game of the Duke-Clovis tilt had to be called off because of a wind storm.

Clovis took a two-run lead in the third inning and built its margin of victory.

Fastball Game At McCamey Saturday

McCAMEY—The McCamey Softball Park Saturday night will be the scene of a first class "fastball" contest which will send C. W. Brown's McCamey Rockets against the Hydrocarbon Plant of Barnhart in a nine inning tilt. Game time will be 8 p.m.

Red Denham, veteran West Texas hurler, will be on the mound for McCamey. Jack Webb will pitch for the Barnhart nine.

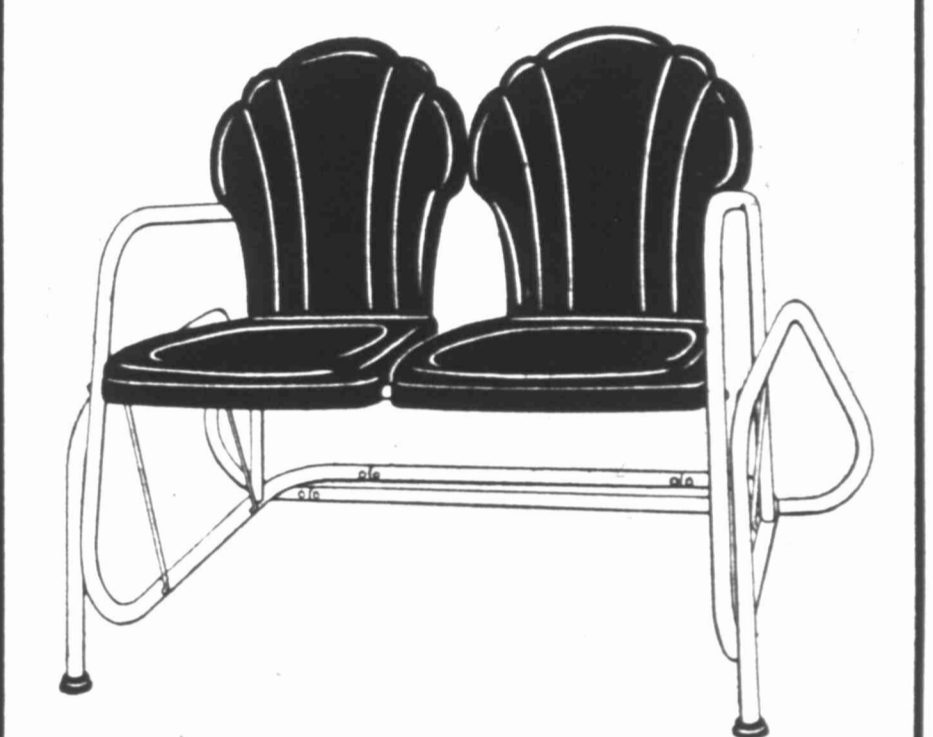

Only one game is scheduled. The Rockets have won nine and lost only four this season and have played some of the toughest teams in the country.

Sam Schneider, Other Houston PGA Golfers In

The Midland Country Club golf course was closed Friday following heavy rains to protect the greens and fairways for the opening of a full week of big time golf Monday. The course is in good shape in spite of the rains and probably will be opened Saturday or Sunday for practice rounds, Pro J. C. Hardwicke said.

Meanwhile, more outstanding golfers arrived to take warm-up tours over the nine-hole layout in preparation for the coming events.

Sam Schneider, a top-flight pro who won the Texas PGA title in 1946, came in Thursday night. He is from River Oaks Country Club in Houston.

The Houston contingent of the PGA, in fact, has taken over for the present.

Abe Beckman, Owen Richardson and Schneider, pros, Join Elroy Marti and Roby Williams, also Houston pros, as the first arrivals.

Blackie Tuttle, a Houston amateur, added another to the South Texas city's representation for the events coming up.

Dozens of pros and amateurs from throughout the state will pour into Midland Saturday, Sunday and Monday. The largest number of golfers in history is expected plus hundreds of boosters who will come to root for their favorites.

Nelson To Be Late
Raymond Gafford and Byron Nelson are playing in the Colonial National Invitation at Fort Worth and are not expected here before Tuesday or Wednesday.

Dode Forrester and Tommie Roberts of Lubbock, N. M., will roll in Sunday in order to be on hand for the PGA sectional qualifying round for the National Open on Monday. Sixteen pros and two amateurs have entered the 36-hole qualifying play which will certify two for the national tourney.

The qualifying round of the National PGA, scheduled Tuesday at Midland Country Club, will draw a much larger field, it is expected.

Pro-Amateur Wednesday
All hands will play in Pro-Amateur Wednesday. The 50 low amateur in the pro-am will qualify for the State PGA Championship Tournament which opens Thursday.

Par for the MCC course is 72 and only Elroy Mar' has given the mark much rough treatment. He fired a 66 in a practice round earlier this week.

If the weather permits, the course will be thrown open for practice Saturday noon. It will be the busiest place in the country Sunday as the golfers test it for the real competition.

SPORTS SLANTS

by SHORTHY SHELburnE

We have been informed of a serious mistake made recently in the report of a softball game in the Church League.

A triple play, which incidentally is a little on the rare side for even the Church League, was unrec'd in a tilt this week.

The official scorer (and it wasn't us) reported the play was started by Al Harris of the Presbyterians.

It turns out the play was started by Reed Gimore, Presbyterian shortstop.

We will make the apologies, Reed, even though it wasn't our doing.

Monday would be a good day for the Midland Indians to stop and take stock.

It will be just a year ago on that day when one of the top pitching performances in the history of the Longhorn League was turned in by Glen Patton.

Patton beat the then-powerful Big Spring Broncs 1 to 0 in an 11-inning duel with Freddie Rodriguez.

Patton allowed only one hit, a single.

Patton is back with the Indians. Maybe he can do it again.

Attendance in the Texas League is off more than 20 per cent this season compared with last season, reports say.

The drop drew only 394,805 the first quarter this year and it doesn't nearly match the 509,999 figure for the same period in 1949.

Longhorn League figures haven't been announced yet, but we look for attendance to equal or better last season's first-quarter mark.

The prize quote of the week came from Coach Tugboat Jones just before the kickoff in Thursday night's Spring Game.

"This is the first ball game I ever had any thing to do with where I knew before it started that my boys would win."

Tugboat was playing a cinch because there were Bulldogs on both sides.

We hear Dick Snyder, former Odessa sports scribe, has returned to the Odessa paper.

Dick took over on the Valley edition of the San Antonio Express a couple of months ago as sports editor.

Reports trickling back said his writings about the Rio Grande Valley League made it look poor along side the Longhorn.

Maybe the baseball in the Valley got so bad, and the Odessa Oilers got so good, Snider just couldn't stay away.

We want to say thanks a lot to the 200 fans who braved the wet and cool weather to watch the Midland Bulldogs in their Spring Game Thursday night.

It's great to know that Midland has at least that many fans who are interested in football to that extent.

We hope the number will be increased to 10,000 by next season.

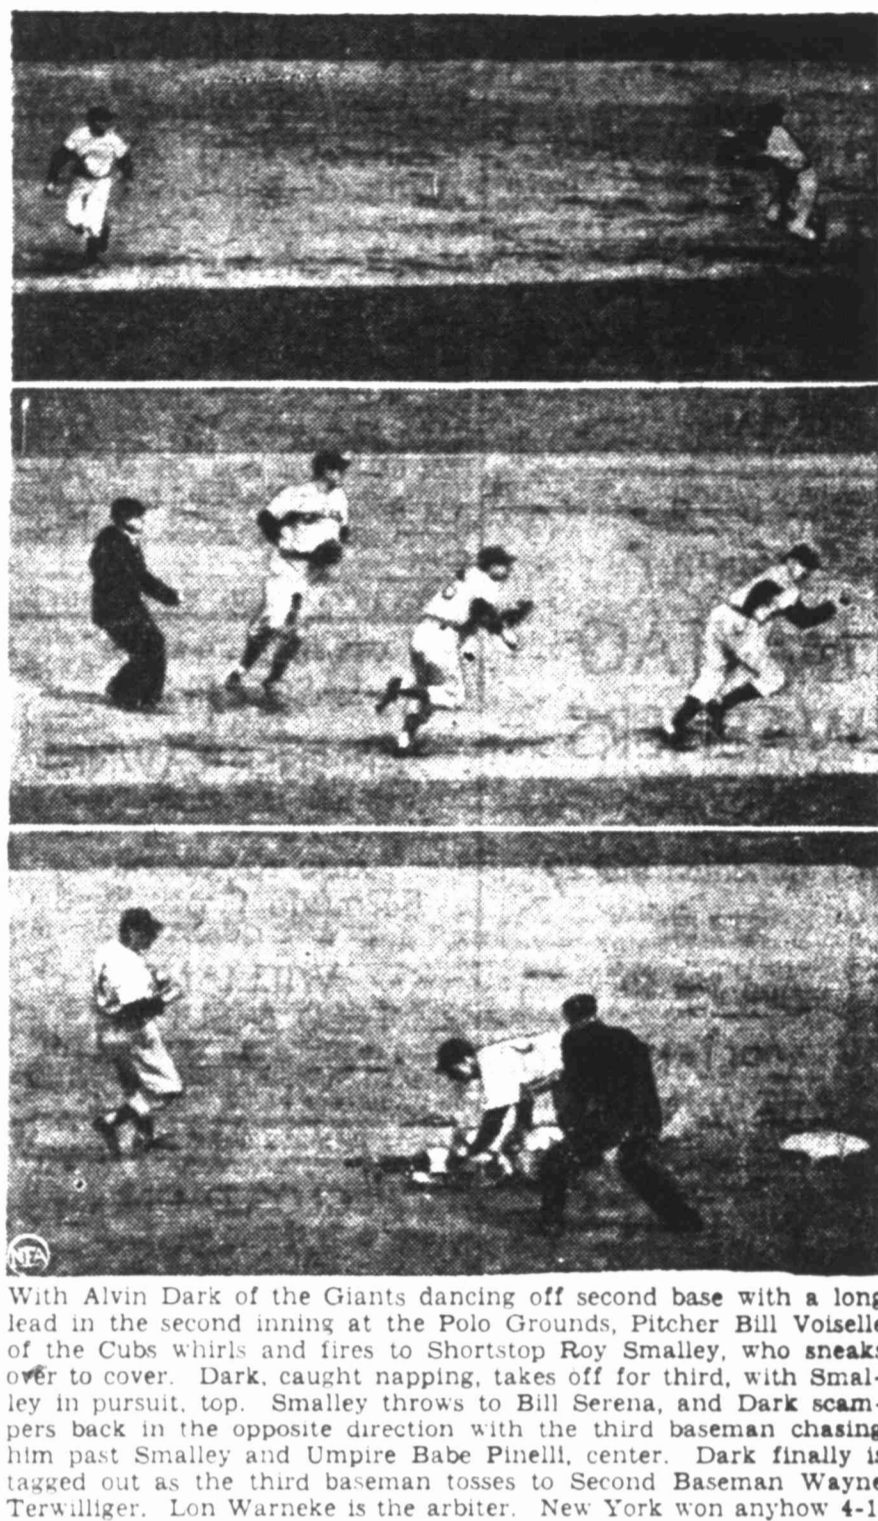

Educator Dies At San Angelo

SAN ANGELO—Felix E. Smith, 73, widely-known West Texas educator, died at his residence here Thursday.

Smith had been in ill health for several months. He formerly was superintendent of schools here.

Survivors include the widow, a daughter, a sister and a brother.

Run-Down Play

With Alvin Dark of the Giants dancing off second base with a long lead in the second inning at the Polo Grounds, Pitcher Bill Voiselle of the Cubs whirled and fired to Shortstop Roy Smalley, who sneaks over to cover. Dark, caught napping, takes off for third, with Smalley in pursuit, top. Smalley throws to Bill Serena, and Dark scrambles back in the opposite direction with the third baseman chasing him past Smalley and Umpire Babe Pinelli, center. Dark finally is tagged out as the third baseman tosses to Second Baseman Wayne Terwilliger. Lon Warneke is the arbiter. New York won anyhow 4-1.

Three Americans Reach Semi-Finals In British Meet

ST. ANDREWS, SCOTLAND—(P)—Frank Stranahan of Toledo, Ohio, stroked his way into the semi-finals of the British Amateur Golf Championship Friday with an easy 5 and 4 victory over A. B. Taylor, a local architect.

The Toledo muscle man, who started the meet as co-favorite with Willie Turnesa, shot a sharp 35 going out—one under par for the famous "Old Course"—to take a three-up lead over Taylor at the turn.

He won the tenth with a par four as his opponent three-putted, and the twelfth with a birdie three after dropping his approach a yard from the pin. He put his second into a bunker on the 64-yard fourteenth, but came out nicely to get a half in fives and close out the match.

Chapman, McHale Win
Dick Chapman of Pinehurst, N. C. followed Stranahan into the fourth round with a 3 and 2 triumph over Donald Cameron of Scotland.

The former U. S. Champion and runner-up for the British title in 1947 stroked an even par 36 on the front nine to stand one up at the turn, and rammed down a six-foot putt to end it on the sixteenth green.

Jimmie McHale of Philadelphia made it three Americans out of four survivors in Friday afternoon's semi-finals by beating Percy Tait of Britain 1-up after a tense battle.

Cyril Tolley, 52, who won the British title 30 years ago, sprang a surprise by defeating young Joe Carr, British Walker Cup star, on the twentieth hole to fill the fourth berth in the semi-finals.

His opponent in the afternoon was Stranahan.

McHale and Chapman fought it out in the opposite bunker for the right to play in Saturday's 36-hole final.

GE Workers Turn Away From Union Tainted By Reds

BALTIMORE—(P)—The CIO-International Union of Electrical Workers Friday appeared to have wrested bargaining rights for a majority of General Electric employees from a rival union it considers Communist-dominated.

Some 90,000 workers voted at 57 GE plants in Thursday's National Labor Relations Board election and gave IUE victory in 48 units and divisions representing 66,083 employees.

The United Electrical Workers apparently carried off 47 units with a total representation of 38,137.

In the "popular vote" throughout the GE system, IUE tallied an unofficial 52,784 to UE's 40,616.

With the GE results, IUE officials claimed to have ured at least two-thirds of the UE membership away from that union since its expulsion from the CIO last year on grounds of Communist domination.

Egypt's Princess Weds Commoner In Full Moslem Rites

SAN FRANCISCO—(P)—Dark-eyed Princess Fathia, 19, honeymooned Friday with a 31-year-old commoner—but the fury of Egypt's King Farouk hung darkly over them like a desert sandstorm.

Suave Riad Ghali, denounced by his unwilling royal brother-in-law, said after Thursday night's Moslem rites he may have to leave for Cairo June 16. Ordered home by the indignant Farouk, he passed the word to the U. S. Immigration Service.

The princess scorned her royal brothers' orders listing her title and impounding her fortune to wed her heart's choice. But she agreed after the hotel ceremony that the silence from Cairo was ominous. Then she added: "I can always hope."

The queen mother Nazi, bejeweled and wearing a strapless, rain-bow-hued gown, was almost sad faced as her youngest daughter and Ghali exchanged "I do's."

When it was over she confided: "I think it will be a short honeymoon."

17 Killed In Prison Break In Philippines

MANILA—(P)—Seventeen men on a guard, were killed Friday in the largest attempted prison break in the history of the Philippines.

Five convicts and two guards were wounded in the two-hour gun battle.

The battle started when 50 long-term prisoners broke into the prison armory while marching from the dining hall. Some had knives and forks for arms. Others obtained machine guns and rifles.

Guards opened fire. They set the building on fire.

The convicts scattered when the flames burst and battled guards, constabularymen and regular army troops for two hours.

No prisoner escaped. Authorities said they had rounded up some ringleaders.

Eight Jailed In Crackdown On Big Counterfeit Plot

NEW YORK—(P)—Seven men and an attractive blonde have been seized in a crackdown on an alleged \$3,000,000 counterfeit smuggling ring supposedly linked to a Caribbean revolution plot.

The fantastic scheme, according to an authoritative source, was to sneak \$3,000,000 in bogus U. S. bills into Cuba's National Treasury, exchange them for good Cuban money and then finance a revolt in the Dominican Republic.

The blonde and four men were arrested here and one man was apprehended in Miami Thursday. Two Cubans were held in that country.

An indictment returned by a federal grand jury here alleged a conspiracy to buy money from a big American counterfeit ring. They did not mention the reported Dominican revolution connection.

Those arrested here were: Charlotte Whitehurst, 25; Jesus M. Roman, 30-year-old restaurant worker; Henry Chavarria, 55; Jose Antonio Roche, 50, and Rudolph Schmidt, 53.

Roche's brother, Oscar Roche, 50, was seized in Miami. The Cubans are Dr. Jose Manuel Fernandez Hernandez, 60, said by Cohn to be prominent in Cuban politics, and Jesus Mon, 38.

All the U. S. defendants were charged either with passing or conspiring to pass counterfeit money. All were held in high bail.

Democrats Will Eat Fried Chicken In Finger Style

AUSTIN—(P)—Chicken eating will be finger style at the Texas Democrats' big blowout here Saturday.

More than 1,200 fryers are lood down ready for the barbecue pits.

That's in addition to the beef, Mexican-style corn, potato salad, rolls, coffee, ice cream and rum cake being rounded up for the expected 2,000 to 2,500 paying guests.

And cigars, of course. "I know Alben W. Barkley eats chicken with his fingers," Creekmore Fath, member of the Jefferson-Jackson Day Committee said.

Vice President Barkley is the honored guest and the principal speaker so his chicken eating technique will be the rule for everybody.

Boy Sells Pup To Help Inter Friend

NEW YORK—(P)—Holding back the tears, 13-year-old Rudy Loizid sold his beloved pup Brownie for \$2 Thursday to help raise funds to inter a 17-year-old pal who drowned.

The pal, Frankie Romanger, lost his life 10 days ago while playing with Rudy and other friends on an East River dock.

Frankie's parents were short of cash, and his body has been at Bellevue Hospital morgue since it was recovered two days ago.

Boys of the neighborhood started collecting funeral fund. After Rudy sold his pup, another lad sold some pet pigeons and tossed \$3 into the kitty, made up mostly of pennies and nickels.

Some boys ran errands for tips, others collected rags and bottles to sell.

Daughter Of Movie Magnate Kidnaped

MEXICO CITY—(P)—Two men kidnaped the six-year-old daughter of a millionaire movie house operator Thursday and left a note demanding \$18,000 ransom in gold.

The child, Norma Granat, was snatched as she and her nurse left the home of her father, Samuel Granat, owner of a chain of movie houses. The men gave the nurse the ransom demand then drove quickly away with the child.

Oil And Gas Log—

(Continued From Page One)
12,409-459 feet. The tool was open three hours. Gas showed at the surface in 15 minutes. Maximum gas volume was 40,000 cubic feet per day, and minimum gas volume was 18,000 cubic feet per day.
Ten Feet Of Oil
Recovery was 10 feet of free 44.5 gravity oil, 230 feet of heavily oil and gas cut mud and 30 feet of mud cut oil. There was no formation water.
Top of the Fusselman was picked at 12,400 feet. The venture entered the Montoya at 12,400 feet, on a datum of minus 9,625 feet, to make it 168 feet high on that marker to the same point in The Texas Company No. 1 Scharbauer, the discovery well of the Warfield-Ellenburger field, four miles north and a little west. The project is now in the Montoya lime.

SE Crockett Prospect Prepares To Complete

Magnolia Petroleum Company is preparing to complete its No. 1 Clayton, Southeast Crockett County wildcat as a gas-distillate discovery.
This venture flowed gas at the rate of 9,500,000 cubic feet per day, and sprayed an average of five and one-half barrels of distillate and three barrels of wash water, per hour, from perforated section at 8,680-8,730 feet, in the Ellenburger, after that interval had been treated with 1,500 gallons of acid.
This development has shown gas and distillate in the Ellenburger between 8,480 feet and 8,730 feet. It is due to be completed as a commercial producer of gas and distillate from that zone.
Location is 1,320 feet from south and 1,980 feet from west lines of section 12, block GH, GC&SP survey. It is nine miles southeast of Ozona.

Clairement Offset Gets Oil-Cut Mud

Sun Oil No. 1 D. G. Sampson, Central Kent County wildcat, one mile south of the town of Clairement, and one location west of General Crude Oil Company No. 1-A Jones, the discovery well of the Clairement-Pennsylvania field, was coring ahead from 6,708 feet in shale and sand.
It took a one hour drillstem test at 6,688-6,708 feet. Recovery was 125 feet of heavily oil and gas cut drilling mud. That fluid was 50 per cent oil. There was no water.
Location is 690 feet from north and west lines of section 9, block 98, H&TC survey.

Spraberry Develops Water In S-W Martin

Gulf Oil Corporation No. 1-E-B George W. Glass, Southwest Martin County wildcat, 12 miles north of Midland and 18 miles west of Stanton developed salt water in the Spraberry section of the lower Permian in a drillstem test at 8,201-55 feet.
The tool was open four hours and 45 minutes. Recovery was 810 feet of gas cut drilling mud and 470 feet of salt water. There were no shows of oil. The venture is making more hole.
Upper sections of the Spraberry showed slight signs of possible production. This wildcat is contracted to 13,500 feet to test the Ellenburger.
Location is 1,980 feet from north and east lines of section 13, block 39, TP survey, T-1-N.

Magnolia Schedules Four In Scurry Pay

Magnolia Petroleum Company has scheduled four new explorations in the Kelley-Snyder field in Central Scurry County.
Magnolia No. 1-A and 1-B McDonnell are to be in an undeveloped section between the Esperado Mining Company No. 1 McDonnell, recently completed one mile extension, and the main portion of the field.
The two projects will be in section 297, block 97, H&TC survey. No. 1-A is to be 660 feet from east and 467 feet from south lines of the southwest quarter of the section, and No. 1-B will be 660 feet from north and west lines of the northeast quarter of the section.
On Rosson Lease
Magnolia No. 2 R. B. Rosson is to be 950 feet from east and 600 feet from north lines of section 200, block 97, H&TC survey, and three and one-half miles west of Snyder.
Magnolia No. 7 A. E. Lee is scheduled 1,647 feet from north and 660 feet from west lines of the northeast quarter of section 252, block 97, H&TC survey. Drilist is two and one-half miles northwest of Snyder.
Sun Oil Company has scheduled its No. 2-A J. W. Arledge in the Kelley-Snyder field four and one-half miles southwest of Snyder.
It will be 467 feet from north and west lines of the northeast quarter of section 192, block 97, H&TC survey.

Cogdell Completion

D. D. Feldman No. 1-A Fuller has been completed in the Cogdell field in Central-North Scurry County.
The new producer, located one-quarter mile south of the Castleman & O'Neill No. 1 Feldman & Pardo, Cogdell south extension, flowed for 1,296 barrels of 41.8-gravity oil plus five tenths of one per cent water in 24 hours.
Production was through a one-half inch choke. The pay zone had been treated with 500 gallons of acid.
Pay was topped at 6,715 feet, and total depth is 6,866 feet. Five and one-half inch casing is set on bottom. Production is through perforations at 6,778-6,846 feet.
The No. 1-A Fuller is 467 feet from north and west lines of the southwest quarter of section 651, block 97, H&TC survey.

BARNEY GRAFA BACK FROM ANGELO HOSPITAL

Mr. and Mrs. Barney G. Grafa returned Thursday from a trip to San Antonio and San Angelo. Mr. and Mrs. Grafa attended the recent convention of the Texas Real Estate Board in San Antonio, stopping in San Angelo on the return trip for Grafa to undergo minor surgery in a hospital there. He was elected a director of the state association for a fourth term.
Other Midlanders attending the convention included Jimmy Wilson, R. C. Maxson, Albert McKee, Smokey Allen and Roy McKee.

Frank Stranahan, Chapman In Finals Of British Tourney

ST. ANDREWS, SCOTLAND — Frank Stranahan of Toledo, Ohio, and Dick Chapman of Pittsburgh, N. C., went into the finals of the British Amateur golf championship Friday and will meet over the 36-hole route Saturday for the title.
Stranahan, the 1948 winner, reached his play-off with a 4 and 3 semi-final victory over Cyril Tolley of England, while Chapman, a former American champion, edged out Jimmy McHale of Philadelphia 1-up.
Stranahan's victory assured the second all-American final within four years, Chapman lost to Willie Turnesa of Eimsford, N. Y., in the finals of the 1947 event.

Tugboat Jones Is JayCee Speaker

"I can't say how many football games the Midland Bulldogs will win this season but I can tell you we will have a 50 per cent better ball club next season than we did last year," Coach Tugboat Jones told Midland JayCees at a meeting Friday noon in Hotel Scharbauer.
The boys worked hard in Spring training and we have seen much improvement. We will have a much better chance against our opponents this year," he added.
Jones reviewed the Spring training program and pointed out individual players as having shown the most improvement. He touched briefly on next year's schedule.
Delbert Downing introduced the speaker and President Irby Dyer presided.

Rain, Wind—

eight planes. No injuries were reported but damage was estimated at \$150,000 to \$200,000.
The rains appeared to be general over West Texas. San Angelo, Abilene, Snyder, Big Spring and Odessa all reported big rains. Some hail fell at San Angelo.
The storm rode into Midland at 3:25 p.m. Thursday, bringing sand, then a heavy downpour. Visibility was cut to less than a block on downtown streets. Electric power failed intermittently for several hours.
A total of 37 telephone poles and several Western Union and Texas Electric lines were thrown across the T&P tracks and right-of-way near Paul. At least one T&P house, located on the right-of-way, was demolished by the high winds.
All long distance calls to the east of Midland Friday were being delayed indefinitely. Western Union messages to the east were being routed through El Paso.
Texas and Pacific trains were back on schedule Friday. The West-All communications facilities for the T&P were knocked out from 3:25 p.m. to 10:30 p.m. Thursday.
Several Texas Electric Service lines were blown down by the heavy winds. Trouble crews were putting in overtime to restore the service to areas hit by the storm.
Telephone repairmen worked almost all night Thursday and were back on the job early Friday to repair the lines between Midland and Stanton.
W. H. Measures, employee of the city's Wadley Water Station, two miles north of Midland, Thursday brought in a bucket full of hail stones which he said fell near the water station. The stones, some of which measured more than two inches in diameter, broke out 19 window panes at the station.
Several windows were broken out at Ranchland Hill Country Club and officials there said the hail stones covered the golf greens.
County Agent Charles Green said crops were damaged extensively by the hail storm.

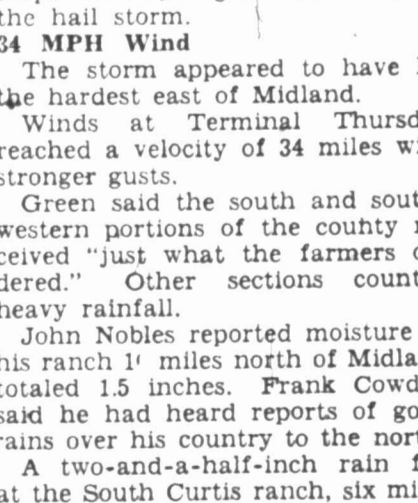

Human Error In 'Adding Machine'

A busload of Midland boosters, promoting the 16th Annual World Championship Rodeo, stopped Thursday morning in Goldsmith on the first stop of a scheduled 11-town trip.
As the bus prepared to leave, Delbert Downing shepherd his charges back to the bus and carefully counted noses.
A tripper called from the back of the bus, "Did you count all of 'em, Delbert?"
"Yes," he said, "but the trouble is I don't know how many I had to start with, so counting doesn't do much good."

Congress—

mission (FEPC). The House has passed a bill to set up an anti-job discrimination group with no enforcement powers.
Senator Russell (D-Ga.) said Southern Democratic leaders who filibustered against a compulsory FEPC bill are as opposed as the President.
The difference, Russell said, is that the President wants an FEPC with authority to enforce its orders against race, color and creed discrimination whereas the Southern bloc wants no FEPC at all.
Loyalty — The Senate Commerce Committee is reported to have urged the firing of Michael J. Lee, chief of the Commerce Department's Far Eastern Branch, whose loyalty has been questioned by Senator Malone (R-Nev). A committee member who asked not to be identified said the group probably will launch a full-scale investigation if Lee stays on the job.

Big Three Challenge Reds To Clear Way For United Germany

BONN, GERMANY —(AP)—The three Western powers Friday challenged Russia to clear the way for unifying Germany by consenting to completely free all-German elections tied in with guarantees of full individual freedoms.
Three identical letters of the United States, British and French commissioners were sent to Gen. V. T. Chulikov, Soviet commander in Germany. Enclosed was a statement of the three Western foreign ministers which said the West was agreed that with formation of an all-German government "the four powers should immediately address themselves to a peace settlement."
Eight-Point Program
The letters proposed this program:
1. A freely elected all-German government.
2. Individual freedom of movement, freedom of arbitrary arrest and detention, freedom of association and assembly, freedom of speech, press and radio throughout Germany.
3. Freedom of action throughout all Germany for all Democratic political parties.
4. Independence of the courts.
5. Prohibition throughout Germany of political secret police and police formations which are "military in character."
6. Assurance of German economic unity through action by an all-German government on such matters as currency and customs, and through four-power agreement on such matters as a halt to reparations from current production and limitations on industry.
7. Surrender in accordance with German legislation of any industrial enterprise in Germany whose ownership or control was acquired after May 8, 1945 (the end of the war) by or on behalf of any foreign power, unless the acquisition had four-power approval and such acquisition of interest is subjected to German law.
8. Establishment of four-power supervision through a commission.

West Texas—

(Continued From Page One)
more than 120 drilling crews fighting their way to and from their rigs.
Weathermen said the weather front lost most of its punch as it moved into North Texas.
Thunderstorms or light rain were reported early Friday in Fort Worth, Dallas, Big Spring, Abilene, Mineral Wells and Wichita Falls.
The tornado at Crane demolished an airport hangar and partly wrecked another. It destroyed eight airplanes. Up to three inches of rain fell in 20 minutes. Winds up to 75 miles an hour were reported.
In Big Spring 1.10 inch of rain fell in 30 minutes. Winds up to 70 miles per hour blew out three store windows. At Coahoma, 10 miles east of Big Spring, telephone poles were blown down.
The winds also uprooted a number of trees in Big Springs.
Large hail stones fell during a 15-minute period in Sweetwater. Little damage was reported.
A driving rainstorm fell on Abilene early in the night.
A heavy rain was reported in Ballinger.
Thunderstorms were reported in Amarillo and Lubbock.
Tiofio Flores, 36, was killed by lightning while working in an irrigation ditch on a farm about 10 miles southeast of Brownfield.
Spectacular Blaze Rips Screen Studio
BURBANK, CALIF.—(AP)—A spectacular blaze swept through a section of the Burbank Studios of Columbia Pictures Corporation early Friday, razing a block-square area. No movies were in production.
A 75-foot high reflector blazed in the night sky like a torch, drawing hundreds to the scene. The fire raged out of control two hours, spread by explosions of drums of paint and solvents.
The paint shop, carpentry shop, generating plant and numerous movie sets were destroyed, but no one was injured. The studio covers 40 acres in a residential area of Burbank, a suburb of Los Angeles.

Hot breads can often double for dessert—homemade raisin bread, date loaf, or baking powder cinnamon twists. Serve a pitcher of milk with the breads for the youngsters in the family, and lots of good strong coffee or tea for the older people. If you choose tea accompany it with milk—not cream.

If you use garlic in your main meat dish be sure that it isn't in the salad dressing that's to be served with the meal. In the same way, if you are serving a meat with a tomato sauce don't serve tomatoes in the salad. Repetitions of flavor should be avoided in planning a menu.
