## Roosevelt, Warren Gain Nominations In California Vote

SAN FRANCISCO—(AP)—California voters Wednesday pointed the way to a November battle between Republican Earl Warren and Democrat James Roosevelt for the governorship.

Roosevelt, son of the late President, grabbed a 52,000 lead in the Democratic count as returns began to pick up from Tuesday's primary election.

Warren, up for an unprecedented third term in California, got a tremendous margin on the Republican ticket.

Both candidates crossed the other's party. The 59-year-old Warren won the Democratic as well as Republican nomination in 1946.

Roosevelt's vigorous campaigner, drew heavily on the state's Democratic registration with its 1,000,000-vote edge over the Republicans. He showed strength throughout the state, but especially in Democratic Los Angeles.

Here is the way the count stood on Democratic returns from 6,533 of the 18,022 total precincts.

Roosevelt 315,429. Warren 263,846. On the Republican ticket, Warren amassed 398,900 votes to a scant 41,062 for Roosevelt. Thus, he put together a popular vote—the vote that will count in November—of 632,746 against his opponent's 356,491 on the two slates.

Senate Battle Looms  
The voters in Tuesday's primary election forged another sharply defined November fight for the U. S. Senate. It's between Rep. Helen Gahagan Douglas, Los Angeles New Deal Democrat, and Rep. Richard M. Nixon, Whittier Republican. Senator Sheridan Downey, a Democrat, did not seek reelection.

All incumbent congressmen were leading on their own party tickets—11 Republicans and nine Democrats.

Incumbent Rep. Charles McNary, 50, and five Republicans were out in front on both major party slates. Two Democrats held the edge in the contest for the vacant Douglas and Nixon seats.

Apprentice Of Father  
Attorney General Frederick N. Howser, a Republican, was kicked out by the voters on the basis of incomplete but indicative returns.

Republicans picked Edward S. Shattuck, wartime colonel under Gen. Douglas MacArthur, to go into the final. Democrats chose San Francisco's 44-year-old district attorney, Edmund G. (Pat) Brown.

## Senate To Check Up On Perverts

WASHINGTON —(AP)—The Senate Wednesday voted an investigation of reports there are hundreds of homosexuals and moral perverts among government employees.

The resolution was introduced by Senator Hill (D-Ala) and nine other senators after Washington police estimated there are as many as 3,500 homosexuals employed in various government departments.

The State Department has reported that 91 perverts have been forced to resign from that department.

Senator Wherry (R-Neb) has charged that 14 of them have found jobs in other government agencies.

Senators have demanded that moral perverts be removed from government jobs on grounds they are poor security risks. The contention is that they are subject to blackmail and might disclose government secrets to foreign agents to avoid exposure of their sexual habits.

A similar form has been printed at intervals in the Reporter-Telegram during the last two weeks, and census officials said hundreds of the completed forms have been received at the district office in Odessa.

Chamber of Commerce Manager Delbert Downing said his office Tuesday sent more than 20 completed forms to the district director. He urged persons who think they have not been enumerated to fill out the simple forms promptly, forwarding them to census officials or leaving them at the Chamber office in Hotel Scharbauer.

## Census Campaign Pushed By C. Of C.

LAKE SUCCESS—(AP)—UN Secretary General Trygve Lie Wednesday carried his demand for settlement of the Chinese representation dispute and ending the cold war to all members of the United Nations.

He told them, in effect, that unless Red China is seated in the UN and the Russians come back to United Nations meetings, there can be no progress toward world peace.

By letter and by radio messages in 22 languages, the UN chief executive appealed for support of a 10-point peace plan he already has presented in person to President Truman and to Russia's Prime Minister Josef Stalin during his save-the-UN mission to Moscow last month.

Lie also plugged his plan when he saw British and French leaders during his European trip.

He said in his letter that he could not tell UN members what his confidential talks revealed but that all four nations left him confident they still rely on the UN for negotiation on world problems. His letter and memorandum also outlined concretely for the first time his 10 proposals for a 20-year peace program.

Lie said he is going to push his proposals before the 11-nation Security Council "at the appropriate time" and also may take them into the full 50-nation assembly that meets here September 19.

Here, in brief, are his 10 points: 1. Twice-a-year Security Council meetings, secret if necessary, attended by heads of governments, and secret Big Five consultations.

## Crime Probers Set Sights On Dope Rings

WASHINGTON —(AP)—A special Senate investigating committee set its sights Wednesday on an underworld fight reported to control a nation-wide traffic in narcotics.

Chairman Kefauver (D-Tenn) said the committee was going after the "higher-ups" who government agents say are directing 800 people trafficking in drugs, white slavery, gambling and murder.

"We'll have to find some way to get at those people on top," Kefauver told reporters.

## CAB Starts Probe Into Fatal Crash

MIAMI, FLA. —(AP)— A searching investigation began Wednesday into the crash of a C-46 plane in which 28 Puerto Ricans apparently lost their lives.

Representatives of the Civil Aeronautics Board and the Puerto Rican government flew to San Juan and Charleston, S. C., to open inquiries.

The destroyer USS Saufley steamed toward Charleston with 37 survivors. It was due to dock late Wednesday.

Eight were known dead and scant hope was held for 20 others aboard the twin-engine plane which went down in the Atlantic 75 miles east northeast of Miami Monday night.

The 165-foot cutter Aurora, three Coast Guard planes and one Air Force craft continued to search the areas for possible survivors, but officials said there was little hope of finding any more.

Already Under Fire  
The pilot, co-pilot and steward were among those rescued from the plane, which was enroute from San Juan to Wilmington, N. C., with 62 Puerto Rican migrant workers aboard.

The Civil Aeronautics Administration said the airline operators allegedly violated of safety regulations.

A complaint was filed with the CAB last October against the Aviation Corporation of Seattle, Wash., which does business under the name of Westair Company, the CAA said.

The complaint asked for revocation of the company's operating authority. It alleged the company's planes had been overloaded, that equipment had been operated while not in good condition, and that there had been other departures from federal regulations.

A CAB examiner completed hearings last month but has not yet submitted his findings.

Reports from San Juan said the crashed C-46 passed inspection before taking off Monday. It carried 10-man life rafts and 65 Mae West life jackets.

## South Dakota GOP Senator Is Beaten In Party's Primary

SIOUX FALLS, S. D. —(AP)— U. S. Senator Chan Gurney, seeking his third six-year term, was defeated for re-election in Tuesday's South Dakota primary by Rep. Francis Case.

Case, a veteran of 14 years in the House led Gurney by some 14,000 votes with about 300 of the state's 1,946 precincts unreported.

Gurney, ranking minority leader of the Senate Armed Services Committee, conceded defeat with more than two-thirds of the vote counted.

Case's opponent in the general election next fall will be John A. Engel, Avon attorney and also the Democratic nominee in 1948. Engel, a supporter of President Truman, refrained from endorsing the Branran farm price support plan.

In 1,633 of the state's 1,946 precincts, Case had 52,973 votes to 39,218 for Gurney.

South Dakota Republicans also nominated Attorney General Sigurd Anderson for governor. He beat out Joe Poes, World War II hero, and three others.

## Wilbarger Census Shows Slight Gain

WICHITA FALLS —(AP)— Wilbarger County has gained 47 residents since 1940, new census figures released Wednesday showed.

The new population figure was 20,521 as compared with 20,474 in 1940. A Vernon, county seat, increased from 9,277 to 12,684.

## Three More To Register In September

AUSTIN —(AP)—John Saunders Chase of Austin Wednesday became the first negro to enroll as a student in the hitherto all-white University of Texas.

His acceptance as a student seeking a master's degree in architecture followed the United States Supreme Court's decision ordering the university to admit Heman Marion Sweatt of Houston as a law student.

Sweatt does not plan to enroll in the university until next Fall.

Chase moved routinely in line with white students registering for the summer session at the university. He filled out the necessary forms in the registrar's office and proceeded to Gregory Gymnasium, where he actually was enrolled.

It was the same registrar's office where Sweatt appeared last month, four years ago, setting in motion the litigation that led this week to breaking down the long-existing barriers that barred negroes as students in Texas state schools.

When Sweatt first appeared, university officials rejected his application, saying his credentials were all in order, but that Texas law segregating the negro and white races in public schools would not permit them to enroll him. Sweatt sued to force admission, Texas set up a State University for Negroes with a law school, and finally the U. S. Supreme Court ruled in his favor.

"I'm very happy to be here," was Chase's only comment to reporters as he filled out his enrollment forms. His presence apparently attracted little attention from other students going through the same process.

Chase was accompanied by J. H. Morton and W. D. McClellan, both faculty members in Samuel Huston College for negroes here, who said they also planned to enroll as graduate students next fall.

University officials Tuesday said three negroes have been recognized as eligible for non-segregated admission.

Heath Follows Chase  
President T. S. Painter and Dudley K. Woodward, Jr., of Dallas, chairman of the Board of Regents, said Sweatt, Horace Lincoln Heath of Waco, and Chase became qualified applicants for graduate and professional study under the Sweatt decision.

Heath, 50, then followed Chase through the registration process and became the second negro to be admitted. Technically it will not be until the registration forms at 10:55 a. m. and Heath followed immediately.

University officials said acceptance at the registrar's office for all practical purposes constituted registration. Technically it will not be completed until late Wednesday afternoon when the two negroes pay their fees at the bursar's office.

## Miles Holds Strong Lead Over Chavez In New Mexico Returns

ALBUQUERQUE, N. M. —(AP)— U. S. Rep. John E. Miles Tuesday turned back the bid of Senator Dennis Chavez and his brother, Judge David Chavez, for control of the New Mexico Democratic Party.

Senator Chavez has been allied closely with the national Administration. Administration policies or national affairs were not campaign issues. Senator Chavez campaigned for his brother.

Miles served two terms as New Mexico chief executive in 1939-43. He appeared the victor in a preliminary election race against Judge Chavez and two other candidates for the Democratic nomination for governor.

With about half the vote counted, his margin of 10,000 votes seemed too big to be overcome by Judge Chavez, who resigned from the federal bench in Puerto Rico to make the race. Even late-reporting northern counties, where Chavez is conceded a commanding edge, appeared unlikely to change the picture.

Republican nominees were unopposed. The candidate for legislator is Edwin L. Meche, young Lás Cruces attorney.

Apparent winners of the party nomination for U. S. representative are incumbent Rep. Antonio Fernandez and John J. Dempsey. Dempsey served six years in Congress and two years as governor. He formerly was a member of the Maritime Commission.

With 476 of 910 voting divisions reported, the count for governor gave Miles 26,658, Chavez 16,885, Roosevelt's Mayor Frazier 13,525, Corporation Commissioner Ingram Pickett 4,315.

For the Democratic congressional nomination, 467 of 910 divisions gave Dempsey 34,017, Fernandez 23,215, Lt. Gov. Joe M. Montoya 18,730, Robert LaFollette, Albuquerque attorney, 10,001, State Senator Joe A. Montoya 5,104.

## JayCees Request That Cushions Be Returned By Fans

The rain which fell here Sunday night was of benefit to some folks but so far it has the Midland JayCees about \$500 in the hole.

Many of the rodeo fans who were watching the Midland World's Championship Rodee when the rain started, took cushions they had rented from the JayCees home with them.

The JayCees need those cushions and they have requested persons who might have them to leave them at the Police Station.

The cushions are used at many events each year and it is important that they be recovered.

## New Cool Front Promises Further Turbulent Weather

By The Associated Press  
Texas was warm and dry Wednesday, but another cool front was on the way and further turbulent weather was in prospect.

Skies were cloudless in Central, Northeast and extreme West Texas and conditions were partly cloudy to cloudy in other sections.

But thunderstorms were forecast for both East and West Texas Wednesday night and Thursday.

A broad cool front, stretching from Utah down through Arizona and into Mexico, was headed for the Lone Star State. It was preceded by a low pressure area, approaching Texas at mid-morning.

The cool front promised a continuation of turbulent, rainy conditions. The mercury started to 105 degrees at Frigidito, in the Big Bend country, Tuesday. The minimum temperature Wednesday was 89 at Clarendon and Mineral Wells.

No rain had fallen in Texas in 24 hours.

Abundant Living
By E. STANLEY JONES

Phil. 3:19; 1 Tim. 6:8; Jas. 5:1-6.
DISCIPLINED BODILY DESIRES
We have been studying our seventh enemy, undisciplined desires, and we have taken up sex as one. We now turn to another: A lack of discipline of other bodily desires.
(1) Discipline your natural desires. Some of these bodily desires are natural, as the desire for food. If you are to live abundantly, then you must be disciplined at the place of your eating. Every meal should be a sacrament offered on the altar of fitter living and finer possibilities. We must eat just enough to keep us fit, and a little less than will keep us fat. Rubber tires around our waistlines are not life-savers, but life drags. Why carry around excess baggage, overburdening the heart?
Doctors tell us that excess of food, as well as too little food, destroys brain power. The wisest thinkers are the wisest tankers. What is in the stomach often determines what

is in the head. "The kingdom of God is not meat and drink," and yet meat and drink do determine our fitness for the Kingdom of God. "Whether you eat or drink, do all for the glory of God"—and the glory of God dwells in a physically fit person.
The Scripture says, "He let you hear his voice out of heaven, for discipline." (Deuteronomy 4:36, Moffatt.) The voice from heaven for discipline is turning out to be the same voice that is speaking out of the constitution of your physical make-up. The doctors and the interpreters of Christianity now are saying the same thing: discipline yourself or perish.
My Lord and my God, help me to harness all my desires and to drive them in Thy purposes lest they drive me. For I become servant or master. Let nothing master me, save Thee. For in Thy mastery I find my liberty, and in the mastery of my desires I find tyranny. Thou hast mercifully, desires and all. Amen.

Swimming Can Be Safe Sport If Simple Rules Are Obeyed

By EDWIN P. JORDAN, M. D.
Written for NEA Service
Swimming is a pleasurable and healthy sport indulged in by millions. Each Summer, however, a great many people drown while swimming who could have been saved if they had been a little more careful.

The first precaution which outdoor swimmers should take is not to go in unsupervised places without great care. Haphazard swimming in lakes, oceans or rivers may hold unexpected dangers. The water may be deeper than expected, there may be undertows, submerged rocks, stumps, weeds or sudden step-off spots. Sometimes the water is more shallow than anticipated and a dive will cause a broken neck or concussion.

If the water is too cold a sudden cramp may develop and if no one is near, the swimmer can drown rapidly. The lone swimmer runs the greatest risk of all. No one should go in swimming away from either a supervised beach or the presence of some experienced swimmer who can come to the rescue if things go wrong. If trouble does develop the swimmer should avoid panic since this can only make the situation worse.
Another point of importance is swimming after meals. The digestion of food in the stomach requires the presence of a large amount of blood in that area. This blood is taken away from the muscles and other parts of the body so that at the height of digestion muscular cramps are particularly likely to develop because of the temporary poor circulation. Swimming ought not to be carried out immediately after a meal.
Digestion is almost complete two hours after a meal and there is fair safety after about an hour. One should stay out of the water at least this long after eating.

## Jeanne Devereux Is Married At College After Graduation

A wedding in the chapel of Christian College at Columbia, Mo., was read Tuesday afternoon for Jeanne Devereux, daughter of Dr. and Mrs. J. M. Devereux of Midland, and Milton McCool Armstrong, son of Mr. and Mrs. O. K. Armstrong of Springfield, Mo.

The bride was graduated in the college's commencement exercises Tuesday morning, receiving her Associate in Arts Degree. The couple left on a trip to St. Simons and Sea Island, Ga., and will be at home after June 28 at 1709 West Ohio Street, Midland.

Dr. W. W. Adams, president of Central Baptist Theological Seminary of Kansas City, Mo., officiated for the double ring ceremony and Dr. Devereux gave his daughter in marriage.

Mazie Secor of Midland, a lifelong friend of the bride and a student in Christian College, was the organist who played a program of wedding music before the ceremony. Her selections were "Consolation," Mendelssohn; "Last Night," Kjerulf; "The Lost Chord," Sullivan; "O Perfect Love," Barnby; "O Promise Me," DeKoven, and "Tauerer," Schumann.

Jackie Wood, an instructor in the college, read two of Elizabeth Barrett Browning's sonnets, "When Our Two Souls Stand Up" and "How Do I Love Thee?" while "Trauerer" was played. Miss Secor played the wedding marches and, during the ceremony, Grieg's "I Love Thee."

Sallie Briggs of Grand Rapids, Mich., the bride's college roommate, was her maid of honor. The bridesmaids were Louise Armstrong of Springfield, sister of the bridegroom, Mary Catherine Carter of Kokomo, Ind., and Jane Leininger of Grosse Pointe, Mich., suitmates of the bride.

The best man was Harold Dryden of Waycross, Ga., cousin of the bridegroom, and ushers were two of his fraternity brothers, Paul Don Smith of Lebanon, Mo., and Robert Wilson of Hannibal, Mo.

Junia Lee Oakleaf of Cherryvale, Kan., small niece of the bride, was the flower girl. Joy Alfonso of Taylorville, Ill., and Barbara Henninger of Lincoln, Neb., other students in the college, lighted tapers in candleabra on either side of the altar.

The bridesmaids were Louise Armstrong of Springfield, sister of the bridegroom, Mary Catherine Carter of Kokomo, Ind., and Jane Leininger of Grosse Pointe, Mich., suitmates of the bride.

White slipper satin made the bride's gown, cut on traditionally dignified lines with skirt extending to form a train and the long sleeves shaping to points over the hands. The bodice had a round, high neckline with pointed bertha decorated with a flower design in seed pearls.

The same design appeared on the tulle which held up her finger-tip veil of illusion. She carried a white orchid on a white prayer book.

Her attendants all wore frocks of pastel-colored net and carried crescent bouquets of carnations matching the tiaras they wore in their hair. With pink dresses, the flowers were in duobonnet shade and with blue dresses, the bouquets were pink. The candlelighters and Miss Wood were dressed in white.

Reception was held after the ceremony in the parlor of Missouri Hall, which was decorated with summer flowers. The couple greeted approximately a hundred guests, assisted by their parents, Louise Armstrong and Mrs. Zenith Westbrook, aunt of the bridegroom.

Mrs. Devereux wore for her daughter's wedding a rose crepe gown, lace trimmed, of formal length, a hat of horsehair braid and rose accessories. Mrs. O. K. Armstrong wore a white lace bellman-length dress with white satin slippers.

Harriet Boone of Memphis, Tenn., presided at the guest book and others in the reception house party were Sally Stein of Stillwater, Okla., and Virginia Heifner of Marysville, Mo.

For traveling, Mrs. Armstrong donned a suit of navy shantung with navy and white accessories.

She is a graduate of Midland High School and in Christian College was a member of St. Cecilia, Texas Club, Beta Beta Tau, Choral Club and League of Women Voters, and was senior cheerleader.

Armstrong is a graduate of Missouri University, where he is a member of Lambda Chi Alpha Social Fraternity, and has attended Arkansas A&M College, Howard College, the University of North Carolina and Drury College in Springfield. He served two years as a cadet in the United States Naval Air Force.

'American Dream'

President Truman says he wants the Republican Party to be a healthy opposition force. But it's not clear from this that he's entirely sold on an effective two-party system.

The President currently is casting himself in the role of the nation's No. 1 booster. He is talking in glowing terms of the country's future.

But he tells the people this future is realizable only through the Democratic Party which he heads. His party, he says, is the party of the American dream—the repository of all our great hopes.

If the President is right, what is left for the Republicans? The American nightmare?

Apparently Truman conceives of an opposition party as one which merely shall serve as a check upon the mistakes and excesses of a continuously dominant Democratic Party. It's hard to read any other meaning into his words.

A second party which is not qualified to hold power itself and is not rated worthy of advancing the American dream is not an effective contributor to two-party government.

It's a strange outlook which assumes members of an opposition party should be allowed to do everything but hold office. Yet that's the logic of Truman's insistence that all hope lies with the Democrats.

One need not defend any particular Republican, or the Republican Party at any particular time, to insist upon equal access to power for the GOP—or any second party of major strength.

The American dream is not the private preserve of the Democratic Party. It belongs to the whole people. They should be able to exercise their right of free choice between political parties, policies and men without forfeiting that dream.

Stalin Means 'Man Of Iron'

Trygve Lie's visit to Premier Stalin in Moscow may or may not prove to be a step toward ending the cold war. But one thing is sure: It does seem to squelch at least for awhile the rumors that Stalin is in desperately poor health.

Lie says he found the Russian dictator "just as healthy and lively as he was in 1946." Unless the UN secretary-general was looking at a double or a Stalin primed with drugs, we'll have to take Lie's word. Certainly we're not going to get a chance to make a saliva test.

If Stalin actually is in good shape, that still leaves some unanswered questions. Why did Soviet propagandists fake a picture of him voting at the recent Russian elections? Why didn't he make his usual election-eve address to the people?

Maybe, of course, he was suffering from nothing more than a bad cold—or virus X, if that is allowed behind the Iron Curtain. For the Communist myth is rooted in the infallibility of the Soviet leaders. Illness is a human imperfection that cannot be acknowledged. It comes to light only when they die.

Symbol Of Freedom

Whether or not you ever have listened to a note of symphonic music, you must admire the irrepresible spirit and energy that have taken Arturo Toscanini, famed conductor, on a taxing nationwide tour at the age of 83.

Toscanini, of course, is a legend in the musical world. In everything he does he seeks perfection. His fiery devotion to great music is imparted to the men he leads.

But Toscanini is more than a symbol of the dedicated artist. He has lived by principle in all fields. A lover of freedom, he refused to play the Fascist anthem in Mussolini's Italy. Time and again he stood firm against compromise with men who were bent on brutalizing human life.

Statesmen might argue that an artist can afford the luxury of living by principle, since he doesn't have to enter the brawling political arena where trade is the rule.

Maybe that's true. But a courageous statesman never yields the whole way. And the example of a man like Toscanini, clinging tenaciously to his beliefs, surely must hearten everyone who engages in the struggle for human betterment.

It might help cut down crime waves if judges were more liberal with other people's time.

A doctor says golf gives a man all the exercise he needs. And a lot more, the way some play it.

DREW PEARSON ON The WASHINGTON MERRY-GO-ROUND
(Copyright, 1950, By The Bell Syndicate, Inc.)
Drew Pearson says: Defense Department records conversation regarding NBC-Army television show; Congressman evades transportation tax; 'Wild Bill' Donovan lets McCarthy down.

WASHINGTON—Frank McCall of the National Broadcasting Company doesn't know it, but when he went to Washington the other day to talk about the Armed Forces television show, his entire conversation secretly was recorded.

General Donovan, a fellow Republican, was ballyhooed as backlist on the McCarthy-Scripps-Howard charges. When interviewed by a Senate committee shortly before leaving for Europe, however, he talked much more like Senator Margaret Chase Smith of Maine, who decries McCarthy extremism.

Here is exactly what the Senate investigators reported to the committee after their interview with Donovan at his New York apartment, 4 Sutton Place:

General Donovan asked if we had talked with Archibald Van Buren (his wartime deputy), and when we replied in the affirmative, he indicated that he had information was no more than that which Van Buren probably gave us.

General Donovan discussed his belief at the time that 'John Doe' warrants should have been obtained and stated that information gotten from the principals, 'the investigators' report continues. 'He indicated that he felt that the matter was incorrectly handled, because when any agency conducts an investigation, the matter does not remain confidential and opportunity to cover up arises.

Continuing, the investigators' report declares: 'Donovan suggested that we should see Pat Hurley (former ambassador to China). Shortly after the discovery of the Amerasia case, General Donovan went to London and met Pat Hurley at the airport there, Hurley being on his way to Moscow and China. Donovan told Hurley what Fred Lyon had said about Vincent because he knew

Senator Says Prosperity Chain No Stronger Than Farm Link

By PETER EDSON
NEA Washington Correspondent
WASHINGTON—Republican Senator Homer E. Capehart of Indiana says the Republican Party has got to start thinkin'.

Carl H. Wilken, Sioux City, Iowa, economist who now has offices in Washington, wrote the booklet. Senator Capehart is backing Wilken in his studies, but the senator makes clear that he does not put his stamp of approval on it all.

This appeals to Senator Capehart, who was born poor, began life as a farm hand, then became a farm tenant and a big farm owner, along with his manufacturing activities.

But to get back to the Wilken thesis, he begins by a finding that the very laws of nature and production establish capitalism as the natural form of economy.

PIONEER RANCHMAN DIES
DALLAS, June 6.—John L. Furnace, member of a Texas and New Mexico farm and ranch family and longtime advocate of scientific farming, died Tuesday.

'Benny!' Mrs. Benoni screamed. 'Don't!'
Gloria closed her eyes, her senses whirling in a maelstrom of terror, put up her arms instinctively to ward off the blow—but curiously, it didn't fall.

When Gloria lifted her cowering head, he was staring over her head at the doorway beyond, terror slowly coagulating his pasty face, while his arm dropped with the blackjack dangling nervously.

Gloria twisted about, gave a glad cry. Standing there like the Marines come galloping, galloping to the rescue, was a small gray figure. He would know, Gloria thrilled happily, how to get the safety of the get he was pointing at Mr. Benoni.

'Lofty!' Mrs. Benoni, agonized, hung herself in front of her husband, begging, 'Don't shoot, Lofty. We can explain everything!'

'Mr. Hansen?' Gloria gasped. 'Yes. How you, Toots?' He threw her a crooked gray grin, there was a queer sound like a kid's popgun going off. Mrs. Benoni stopped begging the man to listen to her and slid in a sprawling, awkward little heap on the floor.

A HORRIBLE truth dawned on Gloria. Reuben went to the terrible Lofty. The man she knew as Hansen was Hansen, the little janitor, the man who called her 'Toots,' the man she'd promised to give a piece of pie, the man she thought had been protecting her.

'That's for Sal,' the little gray man smiled as he glared down at what had been Mrs. Benoni an instant ago. The jewels had fallen from her hand and winked back at him like evil little green eyes.

He leaned over, picked up the necklace and the sneer on his face seemed to Gloria, who was rooted there in horror, to grow and grow until it filled the whole space about him with nauseous venom.

'So you thought you'd turn the beads over to the federal dicks, did you, Benny Boy?' he asked, sliding the necklace into his pocket.

'No!' screamed Mr. Benoni. (To Be Continued)

That was about all Donovan had to say. In fact, he seemed in a hurry to get off to Europe.

# DADDY RINGTAIL

By WESLEY DAVIS

## Daddy Ringtail And When Is An Elephant?

The Monkey Catcher giggled. It was a silly giggle, because the Monkey Catcher is a silly fellow. "Oh, Daddy Ringtail," the Monkey Catcher said. "Sit down here by my fire truck. I want to ask you a question."

even as silly as I am." And the Monkey Catcher was proud to be silly, poor fellow, because he didn't know anyone else as silly as he was. Daddy Ringtail sat down. "Now what is your question?" Daddy Ringtail asked.

The Monkey Catcher giggled his silly giggle. "It's such a silly question, Daddy Ringtail, that maybe you can't answer it."

When Daddy Ringtail sat there sometimes it's true, you know, that nobody can answer a silly question unless they are silly too. The Monkey Catcher giggled again. "Now here's my question," he said. "When is an elephant?"

Daddy Ringtail thought about this. He stood up to do his thinking and then he sat down again by the fire truck to do his thinking some more. When is an elephant, anyway?

## Russians Up To New POW Trick

BERLIN—(AP)—Germany's Socialists allege the Russians have adopted a new trick to keep tens of thousands of German prisoners of war in prolonged forced labor in the Soviet Union five years after the war.

The Socialists assert the Soviet process is to convict the prisoners as "criminals" on trumped-up charges and sentence them to labor camps for as long as 25 years instead of sending them home. Often they are said to be taken off repatriation transports to face courts.

"At first the charge of food theft held first place in this operation," says the Socialist "Complaint." "Later were added 'insulting Soviet institutions,' 'sabotage,' attempted escape and refusal to work. When these grounds did not prove fruitful enough, 'espionage for America' was added and, finally, the charge of 'trespassing on Soviet territory.' On the last charge it would be possible to sentence every POW to forced labor."

### GI Wife Shears Off Rival's Hair

**FRANKFURT, GERMANY.**—(AP)—Because she suspected her husband had been seeing a blonde Lithuanian girl, an American mother of three children cut off the blonde's hair and beat her with a shoe, the Lithuanian testified before a U. S. High Commission court Wednesday.  
Elsa Karwiskaeta, 25, told the court Mrs. Alma Victoria Wall of Shreveport, La., sheared off half her locks while a Polish girl held a gag over her mouth.  
Mrs. Wall, wife of T/Sgt. Burney M. Wall of the U. S. Air Force in Wiesbaden, went on trial Wednesday on charges of assault and cutting the hair of Miss Karwiskaeta. The Polish girl, Lydi Grzegorzczak, faces the same charges.

### Famous Showhouse To Become Church

**LOS ANGELES.**—(AP)—The Belasco Theater, lately a burlesque and movie house but whose walls once echoed some of the greatest names in show business, becomes a church Sunday.  
The Immanuel Gospel Temple paid \$200,000 for the showhouse which opened in 1926 with the glittering premier of "Gentlemen Prefer Blondes." Lewis Stone, W. C. Fields, Marjorie Rambeau, Padewski and Schumann-Heink played to top-hatted crowds in the days when Broadway's hits were sent there.  
"Hot, Strip and Bump," "Good Nuts for All" and "Girls for Sale" were the titles of some of its more recent presentations.  
The Victoria Cross was instituted in 1856.

### Hungary Threatens New Campaign To Drive Out Churches

**BUDAPEST, HUNGARY.**—(AP)—Hungary's Roman Catholics were threatened Wednesday with what appeared to be a new government campaign against their church. Criticism was leveled, too, at segments of the Jewish and Protestant Churches in the country.  
Minister of Education Jozsef Reval, deputy secretary general of the Hungarian Communist Party and a member of its Politburo, attacked the Vatican-led Catholic clergy as an "imperialist agency." He said the teaching of religion probably would be abolished in secondary schools.  
Catholics, he said, had "abused the loyal and patient attitude of the government and the (Communist) Party toward religious education."  
The minister's statement was published in the press as the text of a recent speech. In it he also attacked certain elements of the Jewish Church for "supporting reactionary Zionism" and predicted an "increased fight" against such "servants of American imperialism" as the Baptist and Adventist Protestant groups.

### Co-Author Of Famed Cowboy Ballads Dies

She collaborated with Hill, who died seven years ago in Boston, on song hits including "The Last Roundup" and "Wagon Wheels."

### Flying Nursery Lands In Britain After Jinx Journey

**BOVINGDON, ENGLAND.**—(AP)—A flying nursery which left California six days ago landed here Wednesday with its disoriented, weary load of 40 wives, 35 children, and seven husbands.  
All were disheveled. Most were frate at air travel technicalities which shunted their airline—chartered to bring former British women married to Americans back with their children for an English holiday—from California to Connecticut, then to Miami, Havana and Newfoundland before crossing the Atlantic.  
Many of the children were ill, and were crying as their mothers carried them from the plane. Two stewards, assigned to care for the group enroute, sighed with obvious relief as the voyage ended.  
The ordinarily simple flight from California to England had been complicated and delayed by an international dispute over landing rights for the chartered airliner.

### Chief Drive-In To Observe Anniversary With Big Free Show

The Chief Drive-In Theater on the Andrews Highway will celebrate its second anniversary Thursday night with a big free show and entertainment event, beginning at 7:15 o'clock. J. Howard Hodge, owner-manager, announced Wednesday.  
"Everyone, young, old and middle-age, will be admitted free of charge to this festive occasion," Hodge said. "We could not think of a better and more appropriate way of saying 'thank you' to our many friends and customers who have given such excellent support to the Chief since its opening two years ago."  
The theater executive said the event also ties in with the Summer recreation program now underway here. He pointed out that Midland Theaters long have cooperated in all civic programs here.  
A square dance exhibition will be held preceding the Thursday night film feature, "Tell It To The Judge."  
Hodge said the slogan of the motion picture industry is "Movies Are Better Than Ever," and his theaters are cooperating by providing the best establishments and the best movies possible.

### Priceless Records Lost As Fire Razes University Building

**ANN ARBOR, MICH.**—(AP)—Priceless records and the work of years of research were destroyed in a fire which swept the University of Michigan's historic Haven Hall Tuesday.

One fireman was injured. Five student volunteer fire fighters were overcome by smoke.  
Haven Hall, one of the university's oldest buildings, housed the institution's Bureau of Government Library. The library was destroyed. Also destroyed were records of the sociology, journalism and history departments.  
The cause of the fire was undetermined. However, state fire marshals had warned that the building was a hazard because of its age.

### Soviet Press Raps Japan's Red Purge

**MOSCOW.**—(AP)—The Soviet press Wednesday condemned General MacArthur's purge of 24 leading Japanese Communists from political activity as a violation of the Potsdam Agreement.

Newspapers described the occupation commander's move as "MacArthur's arbitrary action."

She is accused of poisoning her parents, two husbands, the parents of her second husband and six other persons—all since 1927. Conviction could mean death on the guillotine.

Haven Hall, one of the university's oldest buildings, housed the institution's Bureau of Government Library. The library was destroyed. Also destroyed were records of the sociology, journalism and history departments.

Kulbarsh was released Tuesday after 57 days in jail for being behind \$4,405 in child support payments to his former wife, Lillian, at the rate of \$5 weekly.  
Kulbarsh was released when he paid his ex-wife \$300. He promised to pay the rest at the rate of \$10 weekly for the next eight years.  
The \$5 weekly payments were ordered by a court 25 years ago. Kulbarsh's son, Harold, now 27, is a lawyer.

### FAMILY TREAT.

They'll all have fun in this roomy 4-door Sedan with generous luggage space for trips. Shown here is the SPECIAL. Some body type available also in the SUPER series.

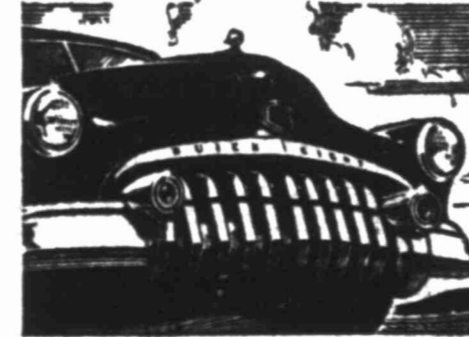

# Look at the FUN you're missing!

**S**URE we know—a car is a "necessity" these days. A modern family "couldn't get along without one." Or so you tell yourself.  
Come, come, sir! We know, and so do you, the real reason you got the new-car fever—and the kind of car you are hankering for.  
**Y**ou want a car with some fun in it, don't you? A car you'll get a big bang out of every time you see it parked in front of your house—every time you slip into its front seat—every sweet and easy mile you travel in it.  
Well, come see what this beauty does for you.  
**H**ow the doors swing open in warm welcome at a thumb touch on a button. How the broad seats invite you to take it easy. How the big straight-eight under the bonnet snaps into purring life at your toe-touch.  
And then note—  
**F**un? You bet it's fun—too much fun to miss. And there's no reason to miss it, really, for this strapping traveler is priced under many sixes. Starts at figures just an easy step above the so-called Lowest Price cars.  
What's keeping you from trying one, when the nearest Buick dealer is ready to demonstrate without obligation any time you want to call on him.  
\*Dynaflow Drive is standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

How smoothly you slip away from the curb—especially when Dynaflow\* is handling the power transmission.

### Oklahoma Pupils Go Back To School After Honeymoon Vacation

**OKLAHOMA CITY.**—(AP)—Students of Grandview Rural School are having to make up a week of lost studies because their teacher wanted an early honeymoon.  
Eddie Higgins, of the State Department of Education, said Tuesday night Opal O'Brian Reed, the teacher, closed the school early and held graduating exercises May 12. After the commencement, she got married and moved to Tokio, Texas.  
Higgins ordered an investigation when he received a perfect attendance record for the week beginning May 15. The record—mailed from Tokio—showed nobody tardy and everyone present.  
As a result, the school board hired a substitute teacher and started school again after a three-week vacation.  
"Romance sure can complicate things," Higgins commented.

## Lee Savold Gets Offers Of Big Bouts After Win

LONDON —(P)—It's an odds-on bet that Bruce Woodcock is through with boxing.

The fighting Woodcock from Doncaster in Yorkshire was battered into submission in four rounds by Lee Savold of the United States Tuesday night in their scheduled 15-rounder for the British and European version of the world's heavyweight championship.

The British champion was a gory mess as blood streamed from a deep cut over his left eye, his nose and his mouth when his seconds called a halt at the end of the fourth round.

A sellout crowd of 50,000 (gross gate \$24,000) saw Savold, once considered a has-been back in the states, batter Woodcock into submission.

**Lefts Do Job**

Savold, with bone crushing left jabs and right hooks warmed up to his best after two rounds in which he took a couple dozen right hand punches on the chin in order to keep close to the British boy.

Woodcock waltzed away the first two rounds, but as Savold got to work with those left hand jabs it was obvious to ringsiders that the 34-year-old Englewood, N. J., fighter would be the winner.

Savold has glittering offers to fight Joe Louis, Ezzard Charles or Jersey Joe Walcott.

Abe Greene, commissioner of the National Boxing Association, made public the bids from an unidentified promoter Wednesday.

"I am empowered to speak for persons who will guarantee a \$350,000 purse for a Savold-Louis fight," said Greene. "A \$175,000 purse for a Savold-Charles bout or \$150,000 for a Savold-Walcott contest. The fighters are to agree on their own percentage split."

"The proposed bout would be staged in the Jersey City baseball park, probably in September.

"I can not say who the promoters are but I do not think they would have any objections to an affiliation with the International Boxing Club of which Louis is a stockholder."

## MAJOR LEAGUES—Tigers In First, Open Big Series Against Yankees

By JOE REICHLER  
Associated Press Sports Writer

Around Detroit they're saying that Johnny Lipon is the real reason why the Tigers are giving the New York Yankees and Boston Red Sox the battle of their lives in the tense American League pennant race.

That's a far cry from what the experts said of Lipon only a couple of months ago. Back in April, the experts, appraising the Tigers' pennant chances, took one look at the shortstop post and said:

"Give Red Rolfe a capable guy to replace that Lipon at short and the Tigers may upset all the dope."

The experts had nothing but praise for the Evers-Wertz-Groth outfield or the Newhouse-Houtteman-Hutchinson-Gray-Trucks mound staff. They lauded newcomers Gerry Priddy and sang praises of George Kell. Then they'd take another look in the direction of Lipon and shake their heads sadly.

Wednesday, the Tigers, with Lipon playing every one of their 41 games, were in first place prior to the start of their three-game series at the Yankee Stadium. The home-bred Tiger shortstop, whose job was in jeopardy at the start of the season, is enjoying his best season.

The 27-year-old infielder is hitting .335, trailing only Kell and Evers on the club. He's hit safely in his last 19 games, the best mark in the majors this season. His fine work at shortstop is responsible for the Tigers owning one of the best double play records in the loop.

**Kell, Evers Hitting**

Lipon is not the only Tiger on a hitting spree. Kell, last year's batting king, is back at the head of the class with a .388 figure. It also tops the highest National League figure. Hoot Evers is hitting .362 and Vic Wertz .318. The latter has driven in 47 runs, third highest in the circuit.

All but Wertz contributed heavily to the Tigers' 11-8 slugfest victory over the Washington Senators Tuesday. The triumph, seventh in succession for the Bengals, pushed them into first place by two percentage points over the Yankees.

The Yankees were blasted from the top by Cleveland's Indians, who pummeled two pitchers for 22 hits in ringing up a lopsided 16-2 triumph.

Luke Easter and Bob Kennedy each collected four hits for the Indians.

**Chicago Shoos Sox**

The White Sox gave McCarthy's Red Sox a rude shock when little Kenny Holcomb won his first game of the year, turning back Boston's sluggers 8-4. The Red Sox had scored 51 runs in their last four games at friendly Fenway Park.

The St. Louis Cardinals deadlocked Brooklyn for the National League lead by shaming Philadelphia 5-4 after Chicago dumped the Dodgers 7-6.

Walks with the bases filled decided both games.

At St. Louis, Curt Simmons passed Johnny Lindell in the eighth inning, forcing in Harry Walker with the tie-breaking run.

Brooklyn reliever Jack Banta walked Pinch Hitter Emil Verban with none out and the bases full in the last of the 10th inning at Chicago to force in the deciding run for the Cubs.

**Thomson On Spree**

Bobby Thomson, whose imperial bat had held up the New York Giants' progress before Tuesday, blasted two home runs and a triple, driving home six runs, to lead the New Yorkers to a 10-4 victory over Pittsburgh. It was the Pirates' 13th loss in 14 games.

Earl Torgerson's three-run triple was the key hit as the Boston Braves let loose with five runs in the ninth inning to sink Cincinnati 8-3.

The St. Louis Browns, who've been showing signs of life recently, came from behind to nip the Philadelphia Athletics 6-5.

**Swatters Win On Five-Run Eighth**

The Midland Indians moved out on the long road to Roswell Wednesday to open a two-game series with the second-place Rockets. Glen Patton or Ken Carley will oppose the Rockets in the opener.

The Sweetwater Swatters gained a split in their series with the Midland Indians by taking an 8 to 5 tilt Tuesday night in Indian Park. A five-run eighth inning turned the trick for the Swatters.

Ernie Nelson, Midland's ace lefty, was belted from the mound in the uprising. Ralph Blair, the Joe Page of the Longhorn League, quelled the Swatter spree with a fine bit of relief work.

Midland had a three-run lead by the third inning and it appeared the Indians were in. But a lot of things happened after that.

Manager John Bottarini, Pitcher Zamora and Second Baseman Chiola of the Sweetwater club were chased after a blustery session with the umps in the fifth.

Zamora was the starting hurler for Sweetwater. A single by George Pirnbeck and an error, a walk to Nelson and a balk were followed by consecutive singles by Lou Dawson and Kenny Jones to produce the first three Midland runs off him.

**Slitter Triples**

Warren Slitter's triple and Chiola's single gave Sweetwater one in the third.

The Indians got it back on Tex Stephenson's walk a fielder's choice and an error in the last of the third.

A double by Abbott and a single by Perry added one run for Sweetwater in the fourth.

The Swatters got another in the sixth on a walk to Finley, a single by Perry, Haller's sacrifice and a long fly by Slitter.

Jerry Jones, the hurler the Indians routed Monday night, came on to pitch for Sweetwater. He was stung by the base knocks and balked the Tribe until the ninth.

The big eighth shocked Harold Webb's crew no little.

**Add Five**

Nelson walked Finley to open the inning. Perry, Haller and Jones singled in succession and Finley scored. The bases were loaded.

Warren Slitter, the ex-Indian, lined a triple to right field that cleaned the sacks. McGaha followed with a single to score Slitter.

Lou Dawson homered over the right-center field wall in the last of the ninth for Midland but the bases were empty.

The Wildcats chalked up two unearned runs in the ninth inning Tuesday to edge the Longhorns 5-4 in the first game of the two-out-of-three series. A third game will be played Thursday if necessary.

Texas was to call on Charley Gorin, a southpaw, to hurl them into the victory column Wednesday.

Texas took a 3-0 lead Tuesday in the first inning and was in command until Pitcher Murray Wall's support collapsed. The tall right-hander, an All-American last year, yielded 11 hits—but only two of the runs against him were earned.

**How They Scored**

The impressive Longhorn start was made on a walk, two singles, another walk and another single. Texas picked up another counter in the sixth on a single and a double.

Arizona scored in the second on a walk, a single and an error. Three singles produced another counter in the fourth and the Wildcats pulled within a run of Texas in the seventh on a hit, sacrifice and single.

Two infield errors followed by Tom Morales' double and a single by Lloyd Jenny erased the one-run lead in the ninth and gave the Wildcats the victory.

## WT-NM League—Fifth-Place Fight Between Four Clubs

By The Associated Press

The fight for fifth place in the West Texas-New Mexico League is something. Four clubs have designs on it and as of Wednesday there's only a game and one-half spread between them.

Pampa clung to it by seven points Tuesday night as George Fayette pitched and batted the Oilers to an 11-5 victory over Lamesa. He scattered 10 hits and got three blows himself, scored three runs and batted in two.

Leading Borger clubbed Albuquerque 14-3 with Fred Parker doing a three-hit pitching job.

Second-place Lubbock dropped back two and one-half games by losing to Abilene 11-10. Six hits and four walks shoved six Abilene runs across in the eighth.

Andy Adams walked Ray Koumb on four pitched balls to force in the winning run in the ninth and give Clovis a 6-5 decision over Amarillo.

Roswell won the first game 6-5 with Clyde Bell singling in the winning run to cap a four-run spurge in the seventh.

Ed Kenna hit a two-run homer in the first inning and Russ Mays singled, went to second on a balk, to third on a fly ball and stole home in the third inning to furnish Roswell with a 3-0 decision in the nightcap.

League-leading Odessa battered the Ballinger Cats 19-0.

## Presbyterians, Lutheran Church Win In Twin-Bill

The Church League broke out with a couple of good softball games Tuesday night at Wadley Field but the Methodists didn't like 'em. It was the Methodists who came out on the sort end of the score in both tilts.

First Lutheran scored 10 runs in the first three innings and coasted to a 13-8 victory over the Fellowship Class of the First Methodist Church.

First Presbyterian pushed across two runs in the fourth inning and one in the fifth to ice away a 5-2 decision over the Methodist Young Adults.

The hitting of Morrow, Synatschek, Carlson and Huffman sparked the Lutheran win. They solved the slants of P. Wicker for the important base knocks which drove in runs in the early innings.

The City Major League softball slate for Wednesday night sends Western Plastic against Rotary Engineers in the first game at 7:45 p.m. and Shell tangles with the Rendezvous in the nightcap.

An Optimist League boys' tilt will be played at 6 p.m.

The Methodists had a five-run second inning and a three-run fourth but never could forge ahead. Johnny Kennedy hurled his best for the Presbyterians in protecting a narrow lead over the Young Adults. He allowed only five hits and struck out nine.

The Presbyterians collected only three singles off the offerings of Moneith but errors behind him hurt.

Norman Drake, with a single and a triple, led the Presbyterian hitting.

The Cubs routed the Wildcats 28 to 5 in an Optimist League tilt preceding the Church League double-header. Sader hurled a three-hitter for the Cubs.

## Shorthorn Loop—Broncos Nip Bluejays 4-3

The Broncos put together two hits, a walk and a fielder's choice to push across the winning run in a Shorthorn League tilt Tuesday afternoon at Borden Field. The rally gave the Broncos a 4-3 victory over the Bluejays.

The game featured great pitching by Celestino Gonzales and Weyland Brown.

Gonzales, hurling for the Broncos, whiffed 15 Bluejays after relieving Reyes in the second inning.

Not far behind Gonzales in the sixout department was Brown who fanned 13 Bronco batters. Miles Top Hitter

Lopez was behind the plate for the Broncos and Grisham for the Jays.

Center Fielder Miles of the Bluejays was the leading hitter with a pair of base knocks in his team's six-hit attack. The Broncos got only two hits.

The Travelers are scheduled against the Roughnecks at 8 p.m. Wednesday in another Shorthorn loop tilt.

## Texas League—Fort Worth Hangs Up 19th One-Run Win In 56 Games

By The Associated Press

The reason the Fort Worth Cats are on top of the Texas League and boast an unworried margin is that they're able to get that one run.

They don't hit much heavier than a pitcher but they either get it in the proper spot, cash in with dazzling base running or use the squeeze to perfection.

Anyway, the Cats have played 56 games this season and won 19 by one run. That's more than one-third of them.

They did it again Tuesday night, beating San Antonio 1-0. They used three bases on balls and a double play that didn't work right to push over a tally in the fourth. John Rutherford held the Missions in check with a five-hit performance.

Second-place Tulsa held the pace—seven games back—by edging Beaumont 6-5. It tumbled Beaumont to sixth place. The Oilers spiked the plate three times in the seventh to win the game. Rudy Minarcin got credit for the victory but wasn't around at the finish.

Dallas pushed into fifth place with a 4-4 victory over Houston. Don Watkins had to come to the aid of Walt Lanfranconi in putting out a Buff fire in the ninth that got three runs. Lanfranconi had himself scored the deciding run in the eighth.

Oklahoma City battered across four runs in the tenth to beat Shreveport 5-2. Both teams scored in the tenth to send the game into extra innings.

At the same school, Travis O. Smith and Bill Spinks, both of Kermit, lettered on the conference champion fencing team.

—SS—  
Morris Williams, the new Texas PGA winner who recently graduated from the University of Texas, says the Longhorns have some other good golfers coming up.

"Billy Penn of Austin and Wesley Ellis of San Antonio will be tops next season," Williams declared.

Jake McClain, the old San Antonio second baseman, is setting a home run pace that could bring him a national record if he keeps it up.

Jake is with Sam Harshaney's Harlingen club of the Rio Grande Valley League.

McClain had belted 20 of 'em out of the park up to last Friday.

With the season less than two months old, he has a chance to out-do Bob Crues' mark of 69 homers set in 1948.

## Houston Site Of JayCee Golf Meet

ABILENE—The Houston Junior Chamber of Commerce will host for the 1950 State Junior Golf Tournament June 27 at the Pine Forrest Country Club.

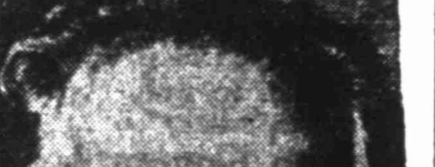

The tournament will be 36 hole medal play and all male amateur golfers who will not attain their nineteenth birthday by July 15, 1950, are eligible to play. Practice rounds are set June 26, and registration will be held at Rice Institute Dormitory.

## Congratulations To:

Mr. and Mrs. N. G. Nunn, East Highway 80, on the birth Tuesday of a daughter, not yet named, weighing seven pounds, eight ounces.

RECOVERING IN DENVER  
Word has been received here that Gordon K. Elderkin of Denver, Colo., a former Midlander, underwent surgery ten days ago at St. Luke's Hospital in Denver. His condition is reported to be satisfactory. Elderkin is manager of the Denver office of Midrow Aerial Survey, Inc., the company with which he was associated in Midland.

RELEASED AFTER SURGERY  
Dorothy McDaniel, 606 North Colorado, an employee of Western Clinic-Hospital, was dismissed from the hospital Wednesday. She had undergone major surgery May 28.

## SENT TO IRAN—Henry F. Grady, ambassador to Greece, will be appointed ambassador to Iran as a follow-up to the State Department agreement to send arms and supplies there. His presence in Iran is expected to help bolster the country's precarious economic and political situation.

When Wink and Kermit are mentioned in connection with sports the first thing one usually thinks of is football. But both cities have turned out some college stars who are tops in other sports.

Up at Texas Tech, G. W. Warden of Wink has received a letter in gold.

At the same school, Travis O. Smith and Bill Spinks, both of Kermit, lettered on the conference champion fencing team.

—SS—  
Morris Williams, the new Texas PGA winner who recently graduated from the University of Texas, says the Longhorns have some other good golfers coming up.

"Billy Penn of Austin and Wesley Ellis of San Antonio will be tops next season," Williams declared.

Jake McClain, the old San Antonio second baseman, is setting a home run pace that could bring him a national record if he keeps it up.

Jake is with Sam Harshaney's Harlingen club of the Rio Grande Valley League.

McClain had belted 20 of 'em out of the park up to last Friday.

With the season less than two months old, he has a chance to out-do Bob Crues' mark of 69 homers set in 1948.

## END OF THE LINE—Retiring after 22 years and 3,200,000 air miles as an American Airlines pilot, Capt. Willis H. Proctor was greeted in Chicago by kisses from Stewardesses Lorraine Smith, left, and Marian Negaard. Looking on are co-pilot Richard Case and flight engineer George Leighton. Proctor is the first commercial pilot to fly until he reached retirement age of 60.

## +Crane News+ 55 New Polio Cases Set 1950 High Mark

CRANE—Mr. and Mrs. Loyd Wessel of the Gulf Pipe Line Company have been transferred to Odessa.

Wessel reported for work there Monday and the family will move this week.

Keith Lofton, an employee of the Southern Union Gas Company, recently attended a course in handling natural gas, given at Tulsa University. Leo Plumley of McClintock also attended.

Mr. and Mrs. C. D. Birdsong and children, Carol Jean and Gary Mac, left Monday for a two-week vacation. They first went to Sweetwater for a visit with Mrs. McIntyre, Mrs. Birdsong's mother. They are to spend the remainder of their vacation in Kerrville.

Mr. and Mrs. Earl Teague of Uvalde recently visited in Crane with Mr. and Mrs. George Teague. The visitors attended graduation exercises at which Bill Teague was awarded a diploma. Also here was Mrs. W. F. Plummer, mother of Mrs. Teague.

The Crane Co-op has moved into its new location, which has twice the floor space of the old store. New fixtures throughout will make service easy, said Troy Laxton, manager. A formal opening will be held later. Laxton said.

Carl Thomas of Carthage visited here recently in the home of Gene Hogan. The two were roommates at Texas A&M College.

DR. T. J. MELTON, SON, BOTH ARE HOSPITALIZED  
T. J. Melton, III, son of Dr. and Mrs. T. J. Melton, Jr., joined his father as a patient in Western Clinic-Hospital Wednesday, as he underwent minor surgery.

Dr. Melton, chairman of the board of the hospital, has been a patient there since June 2, when he underwent major surgery.

DISMISSED FROM HOSPITAL  
W. A. Barker of Odessa was injured when his truck overturned on East Highway 80 June 2, was dismissed Wednesday from Western Clinic-Hospital.

## IT'S NICE TO HAVE KIDS AROUND THE HOUSE—It's an overflow crowd when this family gets together. Twenty-eight of their 44 grandchildren surround Mr. and Mrs. Robert I. Gareau on the front steps of their home in Brook Park, a Cleveland, Ohio, suburb. The couple, married 45 years, had 12 children, 11 of them living. Ages of the grandchildren range from eight weeks to 21 years. A forty-fifth grandchild is due any day, and by the end of the Summer they expect the forty-sixth. The first great-grandchild is due next January. Says Mrs. Gareau, surveying the brood, "I'm only sorry I didn't have some twins and triplets."

## Results Of Free Chest X-Ray Survey Are Received Here

Returns are being received from the city-wide free chest X-ray survey, which recently completed a 10-day stay in Midland, Mrs. Linnie E. Davidson, secretary of the Midland County Tuberculosis Association, said Wednesday.

The unit, which gave free X-rays to more than 3,000 Midland citizens, was sponsored here jointly by the Midland TB Association and the Texas TB group.

The X-rays had been sent to Austin for study, and reports have begun to come in. Persons whose X-rays showed possibility of infection with TB, or any other irregularity, are receiving notices to contact their doctor. The doctor, whose name was supplied at the time of the X-ray, receives the full report, Mrs. Davidson said.

Suspects Show Up  
Dr. C. S. Britt, president of the Midland County group, said a fairly high incidence of TB suspects was showing up, proving the worth of the survey.

He said also that while the unit fell short of its announced goal of 5,000 Midlanders in the survey, he felt the total was as high as could be expected. The unit was rained out one full day, and closed one afternoon for the road parade.

"We also learned that the maximum practical day load is near 400 persons," he said, "so our estimated 500 per day was a little high. Even so, there were two days when we did reach the 500 figure."

The Midland County TB Association hopes to be able to have another unit visit here each year, though it is aiming at a state-sponsored program. Instead of sponsorship by local TB associations.

## Get Father A Different Gift

AP Newswriters  
Though he may snort and protest that it's all a lot of nonsense, every Dad is secretly pleased to be king of the roost on Father's Day. He's pleased also with the gifts that he wouldn't buy for himself—especially if the family spends a little thought and effort on their selection.

This year the shops offer an abundant supply of the things that fathers will like and use. The new flannel-type nylon sports shirts, that look like wool but can be tossed in with the family wash, are sure-fire hits. A good watch is something every man treasures. A wind-proof lighter, a new golf bag or a light-weight nylon robe are all good bets.

OUT OF HOSPITAL  
Craig Hughes, three-year-old son of Mr. and Mrs. Jonah L. Hughes, 1505 West Wall Street, was dismissed Wednesday from Western Clinic-Hospital. He underwent major surgery May 31.

Funeral services for Roy E. Leighton, 67, who died late Monday in a Stanton hospital, were scheduled at 2 p.m. Wednesday in Newlie W. Ellis Chapel here. The Rev. F. W. Rogers and the Rev. M. C. Jones were to officiate. Interment was to be in Resthaven Memorial Park.

Leighton, a resident of Midland the last six months, was a retired farmer. He was a native of Illinois but had lived in Oregon before moving to Midland to live with his daughter, Mrs. L. R. Jobe.

Survivors include the daughter of Midland, and a stepson of Cottage Grove, Ore.

### Giles, Daniel Differ On Tideland Fight

AUSTIN (AP)—Land Commissioner Bascom Giles and Attorney General Price Daniel expressed differing opinions Tuesday on the value of Texas' court fight for its Tideland. Giles said the risk of a court trial had been against his better judgment.

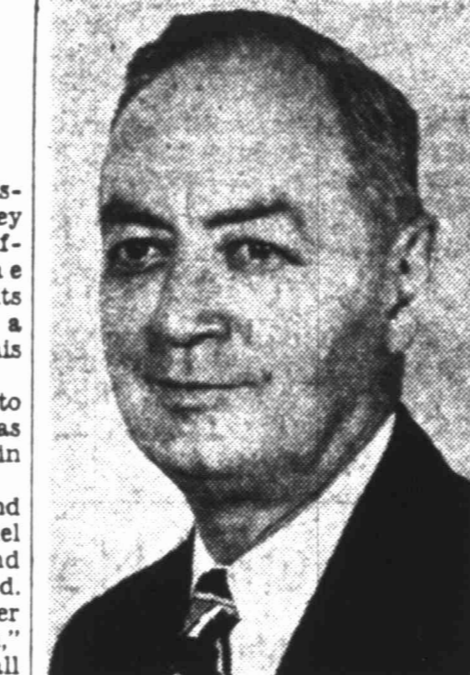

Giles said Texas' best chance to retain claim to the Tideland was to battle for favorable action in Congress.

Asked for comment on the land commissioner's statement, Daniel said he thought both a court and congressional fight should be waged.

"No one should give up on either front until the last word is spoken," the attorney general said. "I shall continue my part of the fight, which has been carried on for three years in both the court and Congress."

Giles issued a formal statement saying the Supreme Court's decision, which would deprive Texas of its Tideland, came as "no particular surprise" and that he had agreed reluctantly and cooperated in the Texas strategy to risk "so much" on a court trial "against my better judgment."

"Our first fight was in Congress and so must be our last one," he continued. "Let all Texas officials and all Texans abandon the illusion that we will get justice from a stacked court and stand together in this fight before Congress. There we have never had a formal setback."

### Lions Club Speaker Is Hungarian; Tells About Communism

Paul Deleiva, new citizen of Midland who fled from behind the Iron Curtain, was guest speaker at the luncheon meeting Wednesday of the Midland Lions Club.

Deleiva, internationally known tennis player, is a Hungarian. He described the economic and political setup of countries dominated by Russia and which are behind the Iron Curtain.

Burvin Hines was program chairman. Roy Minear presided at the luncheon. John Springer played piano selections. Joe Mims won an attendance prize. Duke Jimerson announced the Lions Club Orchestra's "On to Chicago" fund had received approximately \$1,500 from a special money-raising project.

A meeting of the orchestra was called following the club luncheon.

### Unseen Gunman Kills Third Of Shelton Brothers

FAIRFIELD, ILL. (AP)—An unseen gunman Wednesday killed a third of the five Shelton brothers, whose family gang has been an Illinois scourge for decades.

Roy Shelton, about 59, was shot twice, then run over by the harrow and disk rig with which he had been cultivating his pond creek bottom farm 12 miles southeast of Fairfield.

A farm hand, Frank McKibben, about 49, who was driving a second tractor about 100 feet away, was shot at twice when he went to Shelton's aid. McKibben was not hit.

### 11 Members Of Anti-Fascist Group Ordered To Prison

WASHINGTON (AP)—Chairman Edward K. Barksy and 10 other leaders of the Joint Anti-Fascist Refugee Committee were ordered to jail Wednesday to serve sentences for contempt of Congress.

They protested they are victims of an American effort to bolster Fascist Spain as part of the cold war.

All 11, including Novelist Howard Fast, were convicted of contempt in refusing to produce records and reports of the organization for the House Un-American Activities Committee.

Barksy will serve six months in jail and the others—all directors of the anti-Fascist group — will serve three months. All must pay \$500 fines.

At the Texas Company plant here, 100 AFL electricians walked unopposed through picket lines of the Oil Workers International Union (CIO).

### Republicans Hop On Brannan Plan As Top Campaign Issue

WASHINGTON (AP)—Republicans Wednesday hopped on the Brannan Plan as a top campaign issue while certain Truman administration candidates in the Midwest will be split over it.

Senator Brewster of Maine, who heads the Republican Senatorial Campaign Committee, told a reporter the GOP welcomes the new Iowa opportunity to test out the popularity of Secretary of Agriculture Brannan's proposed "production payments" plan for farmers.

Brewster predicted the plan will be made the top issue in Iowa, where Albert J. Loveland, former undersecretary of Agriculture and Brannan supporter, will contest Senator Bourke K. Hickenlooper (R-Iowa) for the Senatorial seat in November.

President Truman and Brannan probably will do some campaigning in Iowa for Loveland.

Lucas Opposes It  
But Senator Lucas of neighboring Illinois, the Democratic leader, made it plain he doesn't want the Brannan plan brought into his bid for reelection. He is opposed by former Rep. Everett Dirksen, Republican.

"I am against the Brannan plan and socialized medicine and I have told the people of Illinois that," said Lucas, who has charge of handling President Truman's "Fair Deal" program in the Senate.

Although Brannan apparently felt Loveland's victory over his opponents in the Iowa Democratic primary was a boost for his plan, Brewster said he can't see it that way.

Loveland got less than 12 per cent of the total primary vote. Brewster said, "If that represents the strength of the Brannan plan in Iowa, the Democrats are welcome to what comfort they can get out of it."

### Roosevelt—

(Continued From Page One)  
chimed in early with a victory statement on the Democratic race.

Warren, 59, winner of both party nominations in the 1948 primary, said nothing on the Democratic outcome. He drew a heavy popular vote in getting the Republican bid for his third term effort and pressing Roosevelt on the Democratic side.

The returns showed that Roosevelt, like his father, had the big city Democratic vote—his own Los Angeles County most importantly. Los Angeles has 2,068,000 of the state's 4,928,000 registered voters. Of the 58-county total, 2,862,000 are Democrats, 1,826,000 Republicans.

Still Loyal To FDR  
And it impressed the fact California Democrats, who four times put the state behind President Roosevelt, remained loyal to his name. Jimmy Roosevelt campaigned on that name and attacks on the Warren Administration. He had no public record of his own to offer aside from duty as a White House secretary.

Ironically, Republican Lt. Gov. Goodwin J. Knight, who thought about running for governor and sharply attacked Warren's policies, looked like a two-party winner for another term. Assured his own nomination, he also led Roosevelt's running mate, State Senator George P. Miller of Richmond, for the Democratic ticket.

Representative Douglas jumped into an early lead over Los Angeles newspaper publisher Manchester Boddy for the Democratic senatorial nomination. She never relinquished it. And as it turned out, Republican Nixon may have beaten Boddy. All three crossed.

Returns from 7,440 precincts on the Democratic ticket are: Douglas 218,703; Boddy 106,188 and Nixon 108,559.

On the Republican side, 7,460 precincts gave: Nixon 210,347; Boddy 44,074; Douglas 53,086.

Standard Oil Company of Texas has entered drilling activity in the Reinecke-Canyon area in Southeast Borden County. Stantock is to start operations in the near future on its No. 1-1 T. L. ### Smith Will Contest Graham For Senate

RALEIGH, N. C. (AP)—Willis Smith, Raleigh attorney, Wednesday announced he will contest Senator Frank P. Graham in a runoff primary June 24 for that state's Democratic senatorial nomination.
