## GI's Battle Enemy North Of 38

### Quake, Tidal Wave Smash Pacific Islands

JAKARTA, INDONESIA—(P)—Violent earthquakes and a gigantic tidal wave brought an appeal for outside assistance Monday from the Island of Amboina, center of a rebellion of South Moluccans against the government of Indonesia.

Heavy casualties were feared here from the quakes and a tidal wave which a broadcast from the island said rose to 200 meters (656 feet). The island, 32 miles long and having an area of 386 square miles, is subject to frequent damage from quakes.

The 200-meter figure came spelled out in the cable from Jakarta, but it was so big as to cause considerable skepticism. A tidal wave of that size hardly seems possible. Tidal, or seismic, waves have been known to reach a height of 90 feet, but one of the proportions reported from Amboina would be almost past belief.

Advices from Poona, India, Sunday said seismographs there recorded an earthquake in that general area, with its epicenter near Timor, which is southwest of Amboina.

Damage was reported heaviest in the coastal districts of the island, home for some 240,000. The villages of Galala and Halong were believed to have been hard hit and suffering casualties.

Scene Of Fighting—Amboina is the scene of fighting between Indonesian government troops and South Moluccans, who claim to represent 10,000 Ambonese living in Java, Monday urged the United Nations Commission on Indonesia to seek an immediate cease fire in the battle zone.

Indonesian government forces invaded the South Moluccas last week and heavy fighting has been going on in the islands since then.

The rebel South Moluccan Republic declared its independence of Indonesia last Spring. The Indonesians, however, refused to recognize the separatist movement, which centers on the Island of Amboina.

### Red Police Arrest Suspects To Stifle Propaganda Leaflets

BERLIN—(P)—Communist police made sweeping arrests and raids in Germany's Soviet zone Monday to suppress counter-propaganda against the East German Republic's first election next Sunday.

More than 40 suspected anti-Communists were arrested during the weekend in Thuringia and other East German states, reliable sources reported.

Hundreds of pounds of leaflets, urging a boycott of the election, were seized in private homes.

The big government printing plant at Leipzig was reported occupied by police detachments to forestall information leaking out to the format of next Sunday's ballot.

Cross-Town Rocket War—In Berlin, Communist railway police invaded Allied sector stations in patrols, ranging up to 15 riflemen in strength, to try to stamp out the Western Germans' "rocket war" launched last week from cross-town trains by a young German resistance group.

Soviet Berlin police disarmed the patrols and sent them back across the Soviet sector border. No violence was reported.

The small rockets—loaded with anti-Red leaflets—were fired last Friday at a half-dozen Soviet sector stations by disgruntled teenagers, formerly enrolled in Communist youth groups.

The Soviet zone press and radio hammered on the theme that East Germans must vote unanimously Sunday for the "peace and unity of Germany"—and the present Communist regime.

Only a single list of "National Front" candidates—70 per cent Communists—will be offered.

Midlander Injured, Struck By Auto—Paul L. Dillon was injured Sunday night when struck by an automobile on U. S. Highway 80 near the Ranch House.

He suffered lacerations and a fractured leg. He was taken to Midland Memorial Hospital.

**MALK AND GROMYKO: ON OUR SIDE**—There was stuff for a shocking newspaper headline at a Boston, Mass., induction station, when Malik inducted Gromyko. The two Americans with the familiar sounding names are: Sgt. Matthew S. Malik, left, who welcomes Henry Gromyko into the U. S. Air Force.

### Fighting In Korea Creates New Corps Of Unknown Dead

WASHINGTON—(P)—The Korean war, like past wars, is creating its company of unknown soldier dead.

How many? That isn't estimated yet. The Defense Department said Monday there are unidentified American war dead in Korea.

But how many won't be known until American graves registration teams can explore thoroughly the area over which United States forces were pushed back by the Red Army advance in the first two months of fighting.

The work of these highly trained teams probably will help clear up at least some of the 3,877 cases reported as "missing in action" in the latest official casualty announcement.

Many of the missing may be alive, taken prisoners by the advancing Communists. But others may have been killed in the fighting. The registration teams will find them, probably identify most. But inevitably there will be some nameless ones.

Another in Arlington? Will an unknown American among the Korean dead eventually join the unknown soldier of World War I, and the one from World War II who will be interred in the Arlington tomb next Spring?

That is a decision for Congress, which authorized enlistment for the dead of the two world wars. Whatever the number of dead without names in the Korean war, it won't approach the total of World War II.

From the battlegrounds of Europe and the Pacific, the armed forces recovered the remains of 8,235 men who could not be identified at the time. But the painstaking investigation by the armed forces' registration teams.

(Continued On Page Five)

### Truman To Forego Whistle Stops For Major UN Address

WASHINGTON—(P)—Close associates disclosed Monday that President Truman is planning a major foreign policy speech in New York this month.

The speech, a non-political talk to the United Nations General Assembly, is one of possibly three or four talks Truman contemplates making before the congressional elections in November.

These sources said Truman definitely has abandoned any thought of an extensive "whistle-stop" political campaign.

A White House announcement of the New York speech—October 24—will await a formal invitation from the United Nations. The occasion is the fifth anniversary of the Charter which the United Nations Charter became effective.

### U. S. Spells Out World Peace Plan

LAKE SUCCESS—(P)—The United States called on the United Nations Assembly Monday to make itself strong enough to stamp out little wars so they won't grow into big ones.

John Foster Dulles, ranking Republican member of the U. S. delegation, urged adoption of a seven-point program of peace aims first outlined by U. S. Secretary of State Dean Acheson.

Forming the core of the program were proposals for quick emergency sessions of the Assembly when the Security Council cannot act; peace patrols of observers to report to the Assembly on acts of aggression, and member army units available for UN collective action.

War Not Inevitable—Britain, France, Canada, The Philippines, Turkey and Uruguay joined the U. S. in sponsoring a "uniting for peace" resolution to carry out the program.

Dulles said the United States does not take the view that a general war is inevitable.

"But," Dulles added, "we do recognize that the prevalent fear is a corrodng and dangerous force. Fear of war, if not allayed, creates the conditions that make war more likely."

"Nothing that we can do will make peace certain. But we can make less likely that there will be little wars and big wars. That is worth doing."

Main points of the program are: 1. If the Security Council is paralyzed again by any veto, the vetoing General Assembly should be called into an emergency session in 24 hours at the request of any seven members of the council.

Peace Patrol Panel—2. A peace patrol—called the Peace Observation Commission—of nine to 14 members would observe and report on any area of tension, going into the area on the invitation or with the consent of the country whose territory figured in the incident. It would take a two-thirds majority vote of the Assembly to send the patrol into action. The Security Council also could make use of the patrol.

3. Each country would be asked to have units in its own army trained and ready to serve to restore peace on request of either the Security Council or the Assembly.

4. A committee of 10 to 14 members would be formed to survey and report by next September on all methods and resources, including armed forces, the UN could count on for maintaining international peace.

### Council To Discuss Ordinance Changes At Tuesday Meeting

Discussion of proposed changes in a city ordinance regarding the extension of water and sewer service is expected to be conducted Tuesday night at a regular meeting of the Midland City Council.

The council also is expected to accept bids for the purchase of new automotive equipment and for water and sewer extensions in the Johnson-Moran and Loma Linda Additions.

Additional traffic signal installations and several other routine business matters also will be discussed.

### Shot Accidentally When Getting Out Of Car

R. L. Stubblefield was shot accidentally in the right leg Sunday. He was treated at Midland Memorial Hospital.

Stubblefield reportedly was getting out of a car when a gun accidentally discharged. He lives at a trailer park here.

See "Cinderella" Tuesday, Oct. 10, 7:30 p.m., High School Auditorium.—(Adv.)

### Reds Ignore Last Demand To Surrender

TOKYO—(P)—Red Koreans put up fiery resistance Monday against the deep penetration of ROK forces fighting for the port of Wonsan and the first American troops to cross into Communist Korea north of Seoul.

On both widely separated thrusts by the Allies, officers expected the Red opposition to crumble quickly.

But the Reds gave no indication they will heed a new "last time" surrender demand aired by General MacArthur.

### Man Found Dead Near Rail Tracks

A man identified as Sidney Harrell Moore, 44, of Fort Worth, was found dead early Monday about three miles west of here near the Texas & Pacific Railway tracks.

Deputy Sheriff Ed Edwards, who investigated, said the man apparently fell from a freight train some time Sunday night. The body was discovered by a fireman on an east-bound freight at 9 a.m. Monday.

Justice of the Peace Joseph A. Seymour rendered a verdict of accidental death. He said the man apparently did not die immediately as signs of a struggle were found at the scene. Officers expressed the belief Moore jumped from the train.

Moore suffered broken bones in both legs, a hip fracture and internal injuries.

Officials Monday were attempting to locate Moore's relatives in Fort Worth but by noon had failed to locate anyone in that city. Fort Worth police confirmed identification of Moore after he tentatively had been identified by contents of his billfold.

The body was brought to the Newbie W. Ellis Funeral Chapel. Attendants there said the body will be held until members of the family can be located and funeral arrangements can be made.

### High Court Affirms Taylor's Conviction In Birmingham, Ala.

WASHINGTON—(P)—The Supreme Court Monday denied Senator Taylor (D-Iowa) a review of his conviction on disorderly conduct charges in Birmingham, Ala.

Taylor was fined \$50 and sentenced to 180 days in jail. The charge resulted from a scuffle Taylor had with Birmingham police May 1, 1948, when the senator tried to enter a negro youth meeting through a door marked "negro entrance."

Presumably it now will be up to Alabama to begin any proceedings to enforce the sentence. Taylor is in Idaho.

### Injured In Accident At Air Terminal

Robert L. Stewart, Midland Air Terminal, an employe of Pioneer Air Lines, was injured Sunday when an engine on a work stand overturned and fell on him.

Stewart suffered abrasions and contusions of the face, arms and legs. He was treated at Western Clinic Hospital.

### President Of Toy Manufacturers Sees Christmas Record

NEW YORK—(P)—Toy makers say Santa Claus may chalk up a record or two himself this year. They look for high marks in sales, as good or better than last year's record \$300,000,000, at manufacturers' value. They promise new highs in variety and quality of playthings in Santa's pack.

Prices will be about the same as last year. But there will be more kids for Santa to visit, and their dads may have more money this year, says Arthur M. Raphael, president of the Toy Manufacturers of the U.S.A., Inc. He predicts a record demand for toys in spite of the television craze.

Catalogues Coming Out—Mail order houses seem to concur. Their new Christmas catalogues, just coming out, list as high as 50 per cent more toys this year than last and give playthings much space in the books.

Young cowboys and cowgirls probably will dominate the toy departments of stores again—and this is thanks to the television popularity. But the future business and professional man, and the coming career girl, will have bigger innings, too.

Playing business realistically will be a cinch henceforth, judging by the toys being previewed at the American Toy Institute.

An atomic energy lab set includes a workable Geiger counter for ferreting out uranium (from radio active minerals in the set).

Games also follow the trend toward careers. New "real situation" games include: oil prospecting, foreign trade, crime detection, range riding, big game hunting and politics.

See "Cinderella" Tuesday, Oct. 10, 7:30 p.m., High School Auditorium.—(Adv.)

### Kewanee Completes New Pay Discovery In SW Kent Sector

Completion of a wildcat for a new pay discovery, and an extension to the East Polar-Pennsylvanian field of Southwest Kent County has been reported.

The development is Kewanee Oil Company No. 2-D WIL (Connell) located 860 feet from north and a west line of section 3, block 4, H&GN survey. It is five-eighths of a mile northwest of the nearest completed well in the East Polar-Pennsylvanian field.

This project completed for a calculated 24-hour potential of 980 barrels of 41.2 gravity pipe line oil, and no water, flowing naturally through open two-inch tubing.

Gas-oil ratio was approximately 50/1. The production came from 118 perforations in the 5 1/2-inch casing at 7,191-7,211 feet.

The 24-hour potential was based on an actual flow of 163.46 barrels of oil in four hours and eight minutes.

The new well is now on regular production.

The pay from which Kewanee's No. 2-D WIL (Connell) is producing is lower in the geological series than that which is making oil in the other producers in the East Polar-Pennsylvanian field.

The initial producer in that area was finished from pay at 6,855-80 feet.

No. 2-D WIL (Connell), showed some possibilities of production in that zone, but it was drilled on down to explore the lower horizon.

After finding flowing oil in the lower Strawn between 7,195 feet and 7,218 feet, the project was continued to a bottom of 7,443 feet in the Mississippian line.

Top of the Mississippian is at 7,434 feet. Elevation is 2,221 feet.

There were no signs of petroleum in the section of the Mississippian which was penetrated. Operator plugged back to 7,291 feet, and cemented the 5 1/2-inch casing at 7,297 feet.

The completion through perforations in the lower Strawn followed.

The pay section in the other East Polar-Pennsylvanian wells is called Canyon by some geologists and is called just Pennsylvanian by other interested observers.

### Completion Try Due At Ector Discovery

J. K. Dobbs and associates of Memphis, Tenn., are preparing to try to complete their No. 1 E. P. Cowden, Central Ector County wildcat as a commercial producer and a new shallow discovery.

This exploration is bottomed at 4,260 feet. After topping the Grayburg at 3,900 feet it drilled to 4,226 feet and ran a drillstem test at 3,900-4,226 feet.

Gas surfaced in 40 minutes. There was no estimate on the gas volume. Recovery was 750 feet of heavily oil and gas cut drilling mud and 1,000 feet of clean oil. The tool was open four hours.

Operators then deepened to 4,260 feet and the samples showed an increase in oil. A swabbing test was run and the recovery during that activity indicated a possible production of 50 barrels of oil per day, natural.

The well is reported to have filled up with oil at the rate of 1,000 feet per hour while the swabbing was in progress.

Operators are now preparing to shoot the 3,900-4,250 foot horizon with nitroglycerin. After the hole is cleaned out from the shot another production test will be made.

This prospective new discovery is one and three-quarter miles southeast of the Donnelly multi-pay field and it is 600 feet from north and 1,960 feet from west lines of section 8, block 43, T&P survey, T-2-S.

It is on a spread of acreage of 960 acres which was assembled by J. C. Williamson, A. L. Aikaway and E. R. Herrell, all of Midland.

They turned part of the lease to G. E. Hall of Midland and he then made a deal with Dobbs to drill the well. Hall retains an interest with Dobbs in the well and in his acreage.

NE Midland Slated For Four Ventures

Cumberland & Werner et al have scheduled four projects to be drilled in the Germania-Spraberry area of Northeast Midland County.

One of the prospectors will be a one-mile outpost to J. H. Snowden and others No. 1 Pasken, discovery well of the Germania field.

This outpost will be drilled at the center of the southeast quarter of the northeast quarter of section 12, Williams Glendening survey.

Three-quarters of a mile south of Cumberland & Werner and others, prospectors completed second well in the Germania field, the same operators will drill No. 1 Farley-Pasken. (Continued on Page Seven)

'Fifty Most Fan-Mailed Stars' Lists Only Four Oscar Winners

By ERSKINE JOHNSON NEA Staff Correspondent HOLLYWOOD — A trade paper's survey of the 50 stars who have received the most fan mail during the last six years overlooked an important point. Only four Oscar winners were on the list — Crosby, Gable, Jimmy Stewart and Spencer Tracy.

Here's the prize Hollywood quip of the year: Four-year-old Nora, daughter of always-traveling Bob Hope walked into the office of the comedian's secretary the other morning and proudly announced: "Daddy slept at HOME last night."

Larry Parks had Jolson and Glenn Ford will have Ben Hogan. It's Glenn as Hogan in the golfer's film biography, "Follow the Sun," but Ben will be in there swinging for the long shots on the tees and the extreme closeups of his putting on the greens.

Ty Power and Linda Christian are trying to talk Darryl Zanuck into co-starring them in a movie. Two comedies are in the mill for Greer Garson at MGM. One will be a San Francisco period piece.

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, OCT. 9, 1950—3

## Elaine Johnson And Sammy Hoover Wed

Elaine Johnson of Abilene became the bride of Sammy Hoover of Midland Friday in the reception room of McKinzie Hall, Abilene Christian College.

The bride is the daughter of Mr. and Mrs. Edgar S. Johnson of Anson. Hoover is the son of Mrs. J. P. McKeen of Columbia, Tenn.

Dr. Paul Southern, a member of the ACC faculty, read the double-ring ceremony.

A set of composed of Joan Taylor, Mary Gilentine, Anna Louise Patterson, Gladys Shoemaker, Wilma Ramsey and Anita Wood sang several selections.

The bride, given in marriage by her father, wore a coffee colored lace dress. It was fashioned with a full skirt banded in brown velvet. She wore a brown velvet hat and

shoes and carried cream colored gladiolus on a white Bible.

**Matching Accessories**

Genevieve Marshall, maid of honor, wore a brown satin dress with matching accessories and a colonial bouquet of mums.

Walton Minchew of Breckenridge was the best man and Clifford Johnson of Anson and T. Roy Finley of San Angelo were ushers.

Autumn leaves and candles in the same colors decorated the bride's table from which a double-ring wedding cake was served. Mrs. Don Crowder and Mrs. Bill Galloway presided at the table. Dorothy Haynes was in charge of the register.

The bride is a graduate of Anson High School and Abilene Christian College. She belonged to Beta Sigma Phi and Kappa Alpha. She has been employed by Sun Oil Company in Abilene.

Hoover also is a graduate of Abilene Christian College and is an employee of the Union Oil Company of California.

## Six Stories Are Told At Story Hour

Mrs. Lamar Eschberger of the Midland Service League was the story teller for the Children's Story Hour, Saturday in the Midland County Library.

"Pundelbogy" and "The Turnip," Grimm's Fairy Tales; "Topsy," Scott; "The Little Black Hen," Dehl; "Smookey's Big Decision," Barr; "The Sitter Who Didn't Sit," Pauer, were the stories told.

Those present were Ann Mast, Anne Ward, Judy Kennedy, Bobo Dunn, Sherill Dunn, Allen Kennedy, Lincoln Warren, Jr., Milton Johnson, Evelyn Shafer, Nancy Newkirk, Pat Drippelman, Caroline Drippelman, Cynthia Parkinson, Linda Six, Judy Six, Doris Jean Shorck and Judy Williams.

## Congratulations To:

Mr. and Mrs. Charles R. Gaylord, 1115 North Colorado Street, on the birth Monday of a daughter, weighing seven pounds, eight ounces.

Mr. and Mrs. J. B. Jordan, 1508 North Terrell Street, on the birth Saturday of a son, weighing six pounds, eight ounces.

Mr. and Mrs. L. G. Cobb, 506 South Main Street on the birth Friday of a daughter, weighing seven pounds, 11 ounces.

Mr. and Mrs. Frank Holcomb, 1601 North Big Spring Street, on the birth Friday of a son weighing six pounds, eight ounces.

Mr. and Mrs. D. Loos, 1500 North Big Spring Street, on the birth Saturday of a son, weighing eight pounds.

Mr. and Mrs. Bob Howard, 1000 West Dakota Street, on the birth Saturday of a daughter, Barbara Sue, weighing seven pounds, two ounces.

## Moment Music Club Has First Fall Meeting

The Moment Musical Junior Music Club held its first Fall meeting Saturday in the Watson Studio with approximately 25 persons present.

The nominating committee, composed of Jimmy Mashburn, Juanda Bradshaw and Barbara Timmons, presented nominations for new officers. They are Wanda Moore, president; Janeda Wilcox, first vice president; Patsy Hicky, second vice president; Lorraine Carlson, secretary; James Wolfe, critic; Barbara Timmons, assistant critic; and Linda Breith, parliamentarian.

**Greetings Are Extended**

Birthdays were extended to Bob Gray, John Whittington, Jean Hawkins, Tony Redden, Barbara Timmons, Ann McFadden and Billy Ray Stewart.

Tony Redden played a piano solo, "Journey In The Arctic." Wanda Moore read an article from Junior Keyboard on "Techniques In Music."

Guests at the meeting were Barbara McCullough, John Reeves, Sandra McCullough and Nancy Reeves.

The first meeting of the Estrellito Orchestra was held October 2.

## Matchett, Stockton Exchange Wedding Vows In Seagraves

**SEAGRAVES** — Dorothy Jane Matchett, daughter of Mr. and Mrs. James Franklin Matchett of Seagraves, and Robert Wayne Stockton, son of Mr. and Mrs. Glenn Dobbs Stockton of Wichita Falls, exchanged marriage vows at 8 p.m. Saturday in the First Baptist Church.

The Rev. John S. Rankin officiated. A duet was played by Juanita Haynes of Miami, Texas, organist, and Ernie Gowen of Shreveport, La., harpist. Shirley Tacker of Borger was soloist.

Dorothy Dale Culberson of Pampa was maid of honor. Bridesmaids were Margorie Nichols, Fannie Beth Allen and Mary Margaret Webb.

## MCCW To Have Broadcast Over KCRS

The Midland Council of Church Women will have a special panel broadcast at 10:15 a.m. Wednesday over KCRS. The program will emphasize the importance of the Ecumenical Movement and Register.

Those participating in the broadcast will be Mrs. L. G. Byerley, First Presbyterian Church; Mrs. C. O. Puckett, Trinity Episcopal Church and the Rev. J. B. Sharp, St. Mark's Methodist Church. Arrangements were made by Mrs. Charles Klapproth, First Christian Church.

This week, Ecumenical Register Week spot announcements will be given over KJBC and KCRS.

## Monahans Trade Festival Opens

**MONAHANS** — The first annual Trade Festival of Monahans began Monday with a week-long display of merchandise values and a home town carnival Thursday and Friday night.

Approximately 64 prizes will be given away at carnival booths nightly.

Booths and concessions will be operated by chamber of commerce personnel, and proceeds will go solely toward civic activities.

## Optimists Hear District Officers

Officers of District No. 7, Optimists, were speakers Sunday morning in the final session of a two-day meeting of clubs in Zone F held in Hotel Scharbauer here.

The Midland Club was host.

Fred Becker of San Angelo, district governor, and Ray Holmes of Fort Worth, district boys work chairman, were the Sunday speakers. Clubs in Zone F include Midland, Odessa, San Angelo and Abilene.

The meeting opened Saturday afternoon. A dance was held Saturday night in the Crystal Ballroom.

Becker's talk was on extension work, boys work and club programs.

V. H. (Pete) Van Horn is president of the Midland Optimist Club.

## Marian Richardson Weds L. O. Taggart

Marian Richardson became the bride of Bob Taggart Saturday in the home of the bride's parents.

The Rev. H. H. Hollowell officiated.

The bride is the daughter of Mr. and Mrs. J. A. Richardson. Taggart is the son of Mr. and Mrs. R. O. Taggart.

The bride, given in marriage by her father, wore a brown gabardine suit with toast brown accessories. Her corsage was of pink sweetheart roses and white gardenias.

Mrs. Arlie Bryant, sister of the bridegroom, was matron of honor. She chose a blue tulle dress and her corsage was of white spider mums.

The bridegroom's only attendant was Wayne Richardson who served as best man. He is the bride's brother.

Mrs. Richardson wore a brown crepe dress. Red rose buds made up her corsage.

The bridegroom's mother wore a navy blue dress and black accessories. Her corsage was of white carnations.

The living room and the dining room of the Richardson home were

decorated with arrangements of pink and white asters.

After the wedding, a reception was held. The table was covered with a lace cloth. Mrs. Bryant served the two-tiered wedding cake and the bride's mother poured the punch. Sue King presided at the guest book.

Out-of-city guests were the bride's maternal grandparents, Mr. and Mrs. W. K. Lampton of Seminole, Okla., and paternal grandparents, Mr. and Mrs. W. E. Richardson of Mounds, Okla., and Mrs. Ben F. Barron of Odessa, and John Richardson and Dora Lowery of College Station. The bridegroom's maternal grandmother, Mrs. D. O. Williams of Midland also attended. Close friends of the family were present.

Mrs. Taggart graduated with the 1950 class of Midland High School and now is attending Hines Business College. Taggart is a graduate of De Queen Arkansas High School in De Queen, Ark. He is employed by Schlumberger Well Surveying Corporation.

After a wedding trip to New Mexico the couple will be at home at 1508 South Colorado Street.

## ★ RUTH MILLETT ★

### Here's A Switch On An Oldie: Husband Goes Home To Father

**By RUTH MILLETT**  
NEA Staff Writer

The wife who runs home to Mama every time she has a misunderstanding with her husband is a well known and somewhat comic character.

But here's a wife who is married to a man who runs home to Papa every time he gets annoyed with his wife.

She writes: "My father-in-law spoils all his children and every time my husband gets mad at me he packs his belongings and goes home to his Dad. When he gets over his mad spell he comes back to me, saying he has decided to give me another chance."

"I can't stand much more of this. Isn't there some way I can make my husband see how childish he is acting?"

Well, mabe there is. But not by talk. If he is going to act like a spoiled child, why don't you, try handling him the way you would a six-year-old who pouts: "I hate you and I'm going to run away from home!"

That is, why not try ignoring his childish behavior? Go on about your business calmly next time he runs home to Papa.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may occur in the columns of the Reporter-Telegram will be gladly corrected upon being brought to the attention of the editor.

Because it is a trial, and what if the sword condemn even the rod? It shall be no more, saith the Lord God.—Ezekiel, 21:13.

If Someone Would Only Stop Dragging Their Feet!

Uncalled For Attacks

The Truman Administration and organized labor have opened up their big guns on Senator Taft. No surprise in that, since they promised to make him their chief target in the Fall elections.

John L. Lewis, boss of the miners, didn't even approach it when he wrote to the Ohio coal operators threatening to take his men out on strike if Taft shows up in the pits on any campaign swing.

The element of choice between men and policies is a big feature of our democratic system. If that idea is to work, both sides must be given a hearing, no matter what the listeners' previous prejudices about a candidate or his efforts.

Taft already has had one experience of this kind. A hundred men walked off the job when he showed up at a factory. They didn't seem to realize, any more than Lewis does, that they were delivering a greater affront to democratic ideals than to Taft.

Some say we shouldn't compel anyone to listen to a man he doesn't care to hear. Of course not. We can't force a man to vote, either. But he should want to listen, just as he should want to vote.

This Harriman argument is reminiscent of the campaign statements by some Democrats in the war years. Vote for a Republican, they said, and you're helping Hitler.

Yanks Have Confidence

The New York Yankees have captured their thirteenth World Series pennant. Lots of people grouse that the Yankees are incredibly lucky. Their triumphs frequently aren't popular. Many fans would prefer to see anybody but the Yanks come out on top.

Malik And Machine Gun

When Warren Austin, U. S. representative on the UN Security Council, passed around a Russian machine gun used by the North Koreans, Soviet delegate Jacob Malik refused to look at it. He got up and walked out of the council chamber.

DREW PEARSON ON THE WASHINGTON MERRY-GO-ROUND

Future Of Color TV Is In Doubt As FCC Fails To Set Standard

WASHINGTON—There has been only one positive result from the recent Federal Communications Commission report on color television. It has everybody who has any connection with TV, including the viewers, seeing red.

Questions and Answers

Q—When did Trygve Lie assume his present position with the United Nations?  
A—During its session in London the General Assembly on February 1, 1946, elected Trygve Lie of Norway as its first secretary-general.

Q—What is the fastest transcontinental passenger train ever made by a single train?  
A—In October, 1934, a diesel-powered streamliner made an experimental run from Los Angeles to New York City, a distance of 3,258 miles, in 56 hours and 55 minutes, including stops enroute.

Q—What are the principal breeds of dairy cows in the United States?  
A—Ayrshire, Brown Swiss, Guernsey, Holstein, and Jersey.

A—Ayrshire, Brown Swiss, Guernsey, Holstein, and Jersey.

What's RIGHT?

You are being introduced and you sense that the person making the introduction is trying hard to remember your name.

WRONG: Stand silent, waiting for the person either to recall your name or admit not being able to remember it.

RIGHT: Supply your name quickly to keep the one making the introduction from being embarrassed.

"I suppose," said Ede, "when Northcott took over Frey & Company you were to have the same job, but at a higher salary?"

Reagan's eyes dropped to the desk pad. "You seem to know everything. How did you find out about all this?"

"From Northcott himself. But that's neither here nor there. The point is that you and Jeffrey and Myron all knew that Northcott was trying to get this agency. You all knew how my father would have felt about a thing like that and how I feel about it. But not one of you—not even Myron who turned Northcott down cold—had the decency or the loyalty to come to me about it." She laughed, a short hard laugh.

Reagan drew a breath. "There isn't much I can say for myself," he said, in a low voice. "Except that . . . well, I guess it isn't worth saying."

"Whatever it is," Ede said recklessly, "I'd like to hear it. It might, just possibly, make me feel better."

Reagan braced himself. "I see what you mean and you're absolutely wrong. The way I feel about—about business and things like that hasn't a single thing to do with the way I feel about you. You know I'm in love with you. God knows I've made that clear enough. But I thought of something else, too. You—this is kind of hard to say—but you aren't sure how long you want to go on in this business. I thought that . . . well, that if what I hope is going to happen does happen, we—well, be all set. At least, I'd be in a better position to—"

Ede said gently, "I understand a good deal more than you think I do, Dan. And I don't blame you very much. You'd naturally have a different outlook."

Reagan raised troubled blue eyes, said rather awkwardly, "Well, where do we go from here?"

"I know exactly where I'm going from here," Ede said evenly. "I've managed a smile. I don't know that I get you, now."

"I don't either, Dan," said Ede and left him to figure it out. (To Be Continued)

### Dedication Service Pledges Seventy Five Church Workers

Seventy-five church school officers and teachers participated in a candlelight consecration service Sunday at the regular worship period in the First Methodist Church. The group formed a V-shape toward an altar center taper, which represented the light of Christ in the world.

The Rev. H. H. Hollowell, pastor, led the service. His sermon on the morning service was on Christian education in the church and the home. Planning was by Hughie Presley, religious education director.

Eight department counselors and superintendents lighted candles from the center taper, naming the eight church objectives.

Departments and representatives were Mrs. Harvey Powlidge, nursery; Mrs. Ben Black, primary; Mrs. L. B. Moore, kindergarten; Mrs. Clark Mathews, junior; Mrs. Carl Nichols, junior high; Mrs. Louis Bohn, senior high; Mrs. Tom Edgington, single young adults and Mrs. Earl Chapman, adult division.

### Champion Flagpole Sitter Seeking Job

AKRON, OHIO —(AP)—Zan (Red) Norman, the new holder of the world's flagpole sitting record, Monday started looking around for a new job.

The automobile racer came off his pole at nearby Barberton Saturday after 122 days. That broke the record of 119 days set by T. J. Ward of Savannah, Ga.

"I feel rather weak and wobbly now and will wait until I have a physical checkup before I return to racing," he said. He reported he has an offer to appear at a Columbus, Ohio, night club and is thinking about writing a book called "Flagpole Philosophies."

### Baylor Club Here To Meet Thursday

Members of the Midland Baylor Club will meet at 7:30 p.m. Thursday in the Recreation Hall of the First Baptist Church.

The purpose of the meeting is the election of officers for the coming year and the completion of plans for a banquet.

A football film will be shown. All Baylorites and their families are invited to attend.

### Mrs. Watson, 67, Dies At Stanton

STANTON — Mrs. Alwilda Watson, 67, a resident of Martin County for the last 22 years, died Sunday in a Stanton hospital after a lengthy illness.

Funeral services were to be held at 3 p.m. Monday in the First Baptist Church, with the Rev. T. R. Hawkins, pastor, officiating, assisted by the Rev. W. H. Hughes of Whiteface.

Interment was to be in Evergreen Cemetery.

Mrs. Watson was born in Missouri and was a member of the Baptist Church.

Survivors include the husband, Doyle Watson of Stanton; three sons, Doyle Watson, Jr., of Macon, Ga., Marvin Watson of Los Angeles and Rayford Watson of Ballinger; six daughters, Mrs. Velma Haney, Mrs. Sybil Bickley and Mrs. Polly Nichols of Stanton, Mrs. Gladys Chambers of Danville, W. Va., Mrs. Lucille Copper of Houston and Mrs. Gaynell Weaver of Rutland, Vt.; two sisters, Mrs. Effie Barnes of DeLeon and Mrs. Vestal Baldwin of Fort Worth; two brothers, O. C. Reid of Gorman, Texas, and Grover Reid of Proctor, Texas; 13 grandchildren, and a great grandchild.

Funeralbearers were to be Hoyt Gilbert, Harrison Bickley, Oran Nichols, Minter McReynolds, Dale McReynolds and Claude Gillespie, Jr.

### Texas, British Firms Set Worker Exchange

HOUSTON —(AP)— British technicians are coming here to study oil field equipment manufacturing in an exchange of personnel with a Houston firm.

Alan P. Good, chairman of the Board of Associated British Oil Engines, Ltd., said he has worked out an agreement with J. S. Abercrombie, president of Houston's Cameron Iron Works.

"We will send our technicians here to learn the American know-how in making oil field equipment and Cameron will send technicians to our country," Good said.

Every 14 seconds, a baby is born in America.

### Fighting—

(Continued From Page One) traction teams by last August 31 had reduced the number to the 2,183 who are still carried on the records as unidentified.

**Casualty Lists Swell**  
The Korean casualty lists are swelling, not because of the victorious counteroffensive launched by UN troops three weeks ago but more from the fact that a backlog of names is just reaching the publication stage.

An Associated Press tally of 20,359 Korean war casualties by states shows Pennsylvania has had the greatest total number, 1,509. California is second with 1,444, Texas third with 1,273 and New York fourth with 1,249.

The casualty count followed closely states' population rankings. Nevada, with the smallest population, listed 14. Rhode Island, geographically much smaller than Nevada but with a larger population, had 91.

### TO UNDERGO SURGERY

William Fife, 508 Cuthbert Street, was admitted Sunday to Midland Memorial Hospital, where he is to undergo major surgery.

### MEDICAL PATIENT

Ibis Hill of Houston was admitted to Midland Memorial Hospital Sunday night for medical treatment.

### TONSILLECTOMY

Carol Ann Kangas, daughter of Mr. and Mrs. Relisco Kangas, 1701 South Big Spring Street, underwent a tonsillectomy Monday in Midland Memorial Hospital.

### ACCIDENT VICTIM

Dan Brown, student at Abilene Christian College, Abilene, was given emergency treatment Sunday at Western Clinic-Hospital for abrasions received in an automobile accident at the intersection of North College and Kansas Streets.

**WAR'S INNOCENT VICTIM**—Amid the ruins of what had been his home in Seoul, a little South Korean boy cries for his mother. The child was found by American G.I.'s after they took the battered capital city from the Communist invaders. (NEA-Acme telephoto by Staff Photographer Stanley Trelick.)

### U. S. Snubs British Free Dollar Request

WASHINGTON —(AP)— The United States, turning down a British request for "free dollar" aid to hasten her rearmament, is insisting U. S. help for the present will be granted only to buy raw materials and equipment.

The British had requested they be allowed to use American dollars for whatever purpose they desired as long as their military production was increased according to the plan they have drafted.

Rejection of the request was reported by informed officials as Hugh Gaits Bell, British minister of economic affairs, arrived in this country for general financial talks with Secretary of the Treasury Snyder.

These officials said the State Department has informed the British government American dollars will be allocated, for the time being, only for purchases of raw materials and equipment specifically needed to boost military output.

### MAJOR SURGERY

Mrs. Mary Peterson, 406 South Mineola Street, underwent major surgery Monday morning in Western Clinic-Hospital.

### Midlanders Named Officers Of Oil Marketers Group

Richard Hinkle of Midland was re-elected treasurer, and Anton P. Theis, also of Midland, was named a director of the Petroleum Marketers Association of Texas at its first annual convention held recently in Austin.

Hinkle, Standard Oil Company of Texas commission agent, is a charter member of the association. Theis is Magnolia Petroleum Company consignee here.

R. O. Cannon of Odessa was elected president of the marketers group. Other officers are E. B. Chapman of Sherman and L. B. Williams of Marshall, vice presidents, and W. E. Syers of Austin, executive secretary.

**300 Members**  
The Petroleum Marketers Association was formed early this year and includes in its membership all the non-salaried wholesalers of petroleum products in Texas. The trade association now has almost 300 members.

This represents District 15, which includes the following counties: Midland, Glasscock, Ector, Winkler, Loving, Ward, Crane, Upton, Reagan, Crockett, Terrell, Pecos, Brewster, Presidio, Jeff Davis, Reeves, Culberson, Hudspeth and El Paso.

Adm. Harold Baline, Miller of New York, director of the Department of Information of the American Petroleum Institute, and Charles E. Simons of Dallas, vice president and general manager of the Texas Mid-Continent Oil & Gas Association, were the main speakers at the Austin convention.

### Veteran, Father Of Seven, Back In Army

PHILADELPHIA —(AP)— A 41-year-old father of seven children and veteran of almost 11 years Army service is back on military duty as a cook.

Staff Sgt. Abe Freemer, a member of the active reserve, left home Sunday to join his outfit, the 318th Heavy Tank Battalion at Reading, Pa., which is expected to move to a training area within several days. A member of the active reserve, he was recalled October 5.

Bidding his wife, Mary, and their five daughters and two sons farewell, Freemer jocularly observed: "I guess I'll probably be turning over hot cakes for the boys in the morning."

### IN AUTO ACCIDENT

Dorothy Brewster, 913 North Fort Worth Street, was given treatment Monday at Western Clinic-Hospital for injuries received at the intersection of Colorado and Kansas Streets when a taxi in which she was a passenger was involved in a collision.

### Four Children Are Suffocated In Beds

ST. ALBANS, VT. —(AP)— Four children suffocated in their beds and their baby-sitting uncle was burned in a rescue attempt Sunday when a small fire broke out on the first floor of a two-story house.

The children's parents, Mr. and Mrs. Olson Bluto, were away. The victims were Keith, 10; Judith Ann, eight; Donna Lee, six, and Darrell James, one.

Their uncle, Olman Bluto, about 30, suffered serious body burns in a futile attempt to rescue the children.

The blaze, believed to have started in the kitchen, was extinguished by firemen in less than 10 minutes.

# Daddy Ringtail

**Daddy Ringtail And Scientist Machine**

"Yes sir, and yes indeed, and I am the Rainmaker!" said the Rainmaker. He was talking to Mugwump Monkey and to the Huffen Puffen, the friendly wolf. "Yes sir," said the Rainmaker, "you folks look around my rainmaker house while the Rainmaker does his resting. Yes sir, and yes indeed, but don't even

touch the machine over there." The Rainmaker pointed at a very curious machine that stood by the wall. It had a wheel to go around.

It had a whistle to whistle. It had a hammer that went up and down. "That machine," said the Rainmaker in his Rainmaker voice, "was left with me by a famous scientist. Yes sir, and yes indeed. I don't know what kind of machine it is. I don't know what it's for.

By WESLEY DAVIS

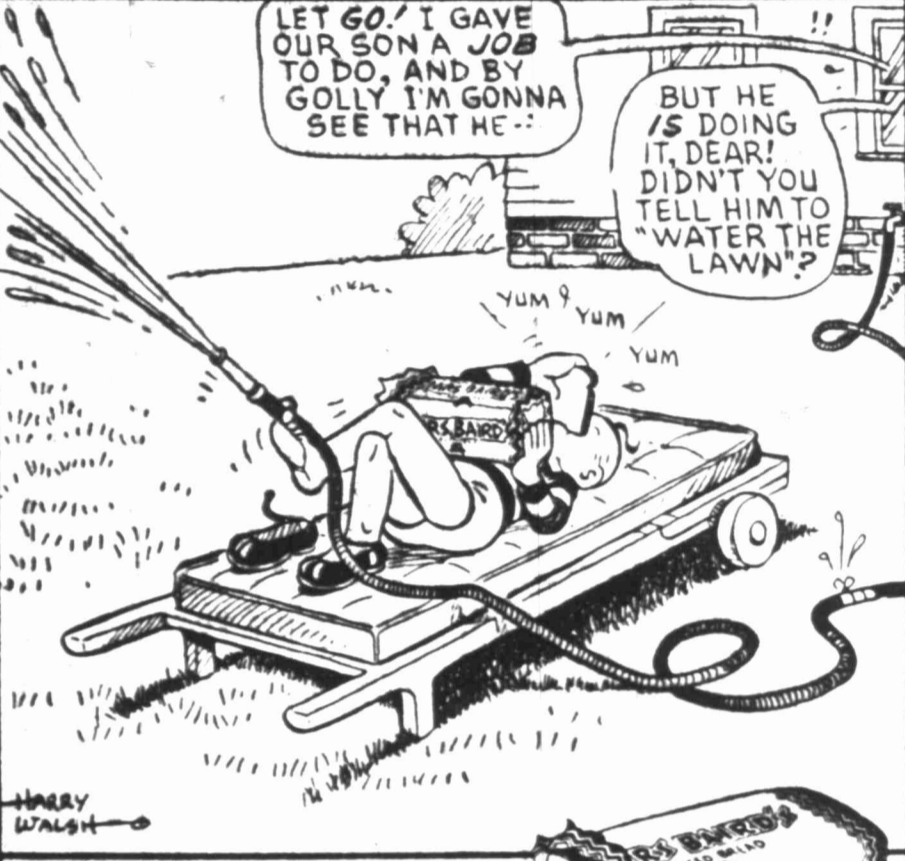

But don't touch it. No sir and no indeed. The scientist said for us not to touch it." With these words, the Rainmaker stretched himself out on the bed to do his resting from work he hoped he would never have to do. In a moment he was fast asleep—so fast asleep that rain or thunder could never have wakened him.

Said Mugwump: "He said that we shouldn't be touching the machine over there."

"I wonder why, I do," wondered the Huffen Puffen. "I don't know," said Mugwump. "I don't know either, I don't," said the Huffen.

And there the two friends stood—Mugwump and the Huffen with him—looking at the curious machine that shouldn't be touched. Why, it was the most wonderful machine of all. It had the wheel to go around. It was far more wonder-

**Permian Basin Oil And Gas Log-**

(Continued From Page One)  
 It will be at the center of the northwest quarter of section 17, block 36, T-2-S, R-2-E survey.  
 The No. 1-A Andrew Paiken will be drilled as a north offset to the No. 1-S Paiken. It will be at the center of the northwest quarter of the southwest quarter of section 8, block 36, T-2-S, R-2-E survey.  
 One-half mile southeast of the recently completed second producer the operators will drill their No. 1-17 Andrew Paiken. This project will be at the center of the northwest quarter of the northeast quarter of section 17, block 36, T-2-S, R-2-E survey. Operations are to start at once on the No. 1-A.

**Discovery Offset Is Spotted In Andrews**

Magnolia Petroleum Company has filed application with the Railroad Commission of Texas for permission to drill its No. 1 G. T. Hall as a one-quarter mile south offset to Garrett M. Smith No. 1 McWhorter-Hall, recently completed Wichita-Albany discovery in extreme Northwest Andrews County.

Rotary tools will be used to drill the prospector, 660 feet from north and west lines of the southwest quarter of section 8, block A-28, pal survey. Projected destination is 7,500 feet.

Drillbits will be seven and one-half miles southwest of Boydell. Work is slated to start by October 12.  
 The No. 1 McWhorter-Hall was completed for a potential of 198.17 barrels of 37.6-gravity oil daily plus two and eight-tenths per cent water. Natural flow came through a 14 5/16-inch choke from open hole at 7,340-7,500 feet.

**Wildcat Is To Be Drilled In Motley**

A. Gutovsky, Inc. of McAllen No. 1 Mrs. Mattie Wayborn and others will be drilled as a 4,000-foot rotary wildcat in Central Motley County eight miles north of Matarador in the immediate future.  
 Location for the prospector will be 330 feet from south and west lines of section 10, block T, B&F survey.  
 There is no production of oil or gas in Motley County.

**Ellenburger Topped In NW Crockett Area**

Texas Pacific Coal & Oil Company No. 1-G University, wildcat in Northwest Crockett County, topped the Ellenburger at 8,497 feet on an elevation of 2,344 feet.  
 It cored from 8,498 feet to 8,522 feet and recovered 34 feet. No description of the core was available.  
 Operator is now coring ahead below 8,522 feet.  
 Location is 660 feet out of the northeast corner of section 18, block 14, University survey. This project is in the Crockett-Grayburg field.

**Stepout In Terry Is Low To Discovery**

Anderson-Prichard Oil Corporation No. 2 H. C. Bevers, west offset to the same concern's No. 1 Bevers, the discovery well of Wellman reef field in Southwest Terry County, had reached 9,982 feet in lime and shale, and was drilling deeper.  
 At current level of operations the project had not encountered any signs of the reef which is making the oil in the Wellman field opener.  
 Some observers calculate that No. 2 Bevers is already more than 200 feet low structurally to the No. 1 Bevers.  
 It is contracted to 10,000 feet or production in the reef at a lesser depth, and is continuing to make hole.  
 Location is 660 feet from north and west lines of the northeast quarter of section 39, block DD, John H. Gibson survey. That makes it 10 miles southwest of Brownfield.

**NW Upton Project Reports Potential**

Magnolia Petroleum Company potentiated its No. 1-E TXL for 603.45 barrels of 53.3-gravity oil in 24 hours, flowing.  
 Gas-oil ratio was 1,320-1. Flowing tubing pressure was from 1,890 to 1,720 pounds. Pressure on the casing was 1,050-800 pounds.  
 Production was from open hole between 12,728 feet, where 5 1/2-inch casing was set, and 12,065 feet, the total depth. The section was acidized with 2,000 g-gallons.  
 This new producer is in the Pegasus-Ellenburger field of Northwest Upton County and 660 feet from south and east lines of the northwest quarter of section 47, block 41, T-4-S, R-2-E survey.

**Schleicher Wildcat Finds Permian Oil**

On a drillstem test in lower Permian, Frank and George Frankel of Houston & Shell Oil Company No. 1 R. S. Williams, wildcat in Northwest Schleicher County, recovered 2,435 feet of free oil, 30 feet of drilling mud and 810 feet

of salty water. The project is to drill deeper.  
 The six-hour test was taken at 4,286-4,375 feet.  
 Six-hour flowing pressure ranged from zero to 1,090 pounds. Shut-in bottom hole pressure after one hour was 1,375 pounds.  
 The wildcat is 12 miles south of Merton, almost exactly on the Irion-Schleicher County line south of the Tankersley field.

**Wildcat In Crockett Completed On Pump**

Oliver & Kotyza and CAM Corporation of Midland No. 1 George Bean, North - Central Crockett County wildcat 12 miles northwest of Ozona, has been completed on the pump for a 24-hour potential of 47 barrels of 36.4-gravity oil.  
 Production came after open hole at 1,184-1,269 feet, had been shot with 90 quarts of nitroglycerin. Total depth of the completed project is 1,269 feet, elevation 2,621 feet.  
 It is believed the petroleum is coming from the San Andrea.  
 Location of the producer is 1,650 feet from the south and 2,130 feet from east lines of section 35, block UV, G&S&P survey.

**Rotary Tester Is Slated For Coke**

Mar-Texas Realization Corporation of Dallas will start drilling by October 14 on its No. 1 Nora Gee, 7,200-foot rotary wildcat to be drilled in extreme Central-West Coke County.

The operation will be 660 feet from the north and west lines of section 119, block 2, H&TC survey. It will be one-half mile east of the Sterling County line and five and two-thirds miles southwest of the Jameson-Strawn field.

**Gardner Sand Opener Is Finaled In Runnels**

John A. Messinger No. 1 Mrs. Nora May Jones, North-Central Runnels Gardner Sand discovery, has been completed for a 24-hour natural flow of 134.55 barrels of 46.8-gravity oil and no water.  
 Flowing pressures were 600 pounds on the tubing and zero on the casing. Production was through a 12 5/16-inch tubing choke, from perforations at 4,075-4,081 feet. Total depth of the well is 4,104 feet, elevation 1,778 feet.  
 No. 1 Jones is 330 feet from south and 523 feet from the south-east lines of the 137-acre lease in block 535, E. Mathis survey. It is four and one-quarter miles east and slightly north of the Winters Strawn field and five miles south-east of Winters.

**NW Fisher Prospect Plugged, Abandoned**

Empire Drilling Company has abandoned its No. 1 Maggie Bacot, et al, wildcat three miles north of Rotan in Northwest Fisher County. Total depth is 6,654 feet.  
 It was located 660 feet from north and east lines of section 190, block 2, H&TC survey.

**Reinecke In Borden Scheduled For Test**

George P. Livermore, Inc. has spotted No. 2 J. C. Shepherd in the Reinecke field of Southeast Borden County.  
 It is located 660 feet from west and south lines of section 53, block 25, H&TC survey and 18 miles southeast of Gall.  
 Projected depth is 7,000 feet. Rotary tools will be moved in and drilling will begin immediately.

**Turner Abandons Crockett Venture**

Fred Turner, Jr. No. 1-A J. M. Shannon, wildcat nine miles east of Iraan and in Northwest Crockett County, was plugged and abandoned at 2,515 feet in shale.

**Kelley-Snyder Due Three Explorations**

The Kelley-Snyder field of Scurry County is scheduled for three new explorations. Rotary tools will be used to drill these tests to around 7,000 feet beginning immediately.  
 Magnolia Petroleum Company No. 4-A McDonnell estate is 467 feet from west and 660 feet from north lines of section 297, block 97, H&TC survey and five miles northwest of Snyder.  
 Magnolia No. 10 Ida Maxwell is located four miles west of Snyder and 1,990 feet from west and 1,820 feet from north lines of southwest quarter of section 206, block 97, H&TC survey.  
 About eleven miles north of Snyder, Standard Oil Company of Texas staked its No. 14 J. E. Parks. It is 971 feet from east and 1,880 feet from south lines of section 448, block 97, H&TC survey. That makes it eleven miles north of Snyder.

**HEAD INJURY**

Lee Mullins, 611 North Colorado Street, was treated for head lacerations Sunday night in Midland Memorial Hospital.

**INJURED BY SAW**

Guy Rhodes, 508 West Nobles Street, received treatment Sunday at Midland Memorial Hospital for hand lacerations received while working with a power saw.

**MAJOR SURGERY**

Charles Laneyhart, 108 1/2 Maiden Lane, underwent major surgery Monday in Midland Memorial Hospital.

**SIDE GLANCES**

"The way Professor Abercrombie goes on about the French Revolution, you'd think it was something exciting!"

**Legion Committee Asks A-Bomb Use In Red Aggression**

LOS ANGELES —(P)— The 32nd annual Nat'l Convention of the American Legion was asked by its executive committee Monday to recommend use of the atom bomb against Russia in the event of further aggression anywhere.  
 "This is the crucial moment in our lives," the committee said in asking for aid "to any and all forces of freedom that will join with us and the United Nations in the destruction of evil forces."  
 Calling for an "ever-active armed force," the executive committee recommended the "sponsoring by the American delegate to the United Nations a resolution that further aggression in any part of the world by Soviet Russia will meet the full force of retaliation by the United Nations police authority, including, if necessary, the release of atomic weapons on Soviet Russia."

**GI's Battle**

(Continued From Page One)  
 Kan. said the job of knocking out the Reds was doubly tough because they were using smokeless powder. "You can't stop them," he said.  
 Convoys Roll North  
 They were fighting one mile north of the border. There were some casualties. A Red land mine knocked out one American tank.  
 Convoys of troops and supplies rolled north from the border. Observation planes skimmed the northern ridges, spotting targets for fighter planes and American artillery.

A U. S. First Corps spokesman said the cavalry's smash into Red Korea was the real thing. He called it "a push . . . not a reconnaissance or probing action."  
 The North Koreans fought bitterly for Wonsan. From their ridge positions they slammed a hail of artillery, mortar and small arms fire at the advancing South Koreans a mile from the outskirts.  
 Allied warplanes strafed and rocketed the enemy positions. Fires flared in Wonsan itself and throughout the valley to the north. Villages to the south were in flames.  
 Hard-driving South Korean Third Division elements crossed two rivers just southeast of Wonsan. But they ran into Reds strongly dug in on ridges guarding the city's outskirts.

Earlier, U. S. Fifth Air Force pilots had reported South Korean troops were inside the city.  
 MacArthur's ultimatum, the second in eight days, was loaded with the weight of a dozen United Nations fighting divisions and air and sea forces.  
 Elements of five divisions, including one American, already were over the border. Seven others were ranged along Parallel 38 to strike into the Red heartland.  
 The Red Korean high command gave MacArthur's second surrender ultimatum, issued Sunday, the same treatment as the original October 1 demand. It did not answer.  
 Backed With Force  
 MacArthur warned this time that he will back his surrender demand with force.  
 His ultimatum addressed to the Red Korean premier (Kim Il Sung), said:

"In order that the decisions of the United Nations may be carried out with a minimum of further loss of life and destruction of property, I, as the United Nations commander-in-chief, for the last time call upon you and the forces under your command, in whatever part of Korea situated, forthwith to lay down your arms and cease hostilities."  
 It invited North Koreans to cooperate in setting up an independent and unified government of Korea.  
 It promised they would be treated justly.  
 It pledged UN action to rehabilitate all Korea.  
 But MacArthur's final paragraph warned:

"Unless immediate response is made by you in the name of the North Korean government, I shall at once proceed to take such military action as may be necessary."

**Price, Wage Control Machinery Expected To Be Readied Soon**

WASHINGTON — (P) — Early completion of the machinery to control prices and wages—if those curbs are needed—was in prospect Monday following selection of Dr. Alan Valentine to head the new Economic Stabilization Agency.  
 Valentine, 49-year-old educator and businessman from Rochester, N. Y., was named late Saturday to be ESA administrator. President Truman announced the appointment shortly after his return from an eight-day Chesapeake Bay cruise on the yacht Williamsburg.  
 Cyrus S. Ching, 73, the federal mediation service director, was reported ready to give his answer shortly as to whether he will accept chairmanship of a nine-man wage stabilization board.  
 To Act Promptly  
 When Valentine's appointment was announced, the White House said Truman would act promptly to select his top ESA aides—the members of the wage board and a price stabilization director.  
 The only definite word from White House sources on the identity of the price controls boss has been that the President will not select any of the World War II OPA figures on grounds that such a man "would have two strikes on him to start with."  
 There has been no indication price and wage controls would be imposed any time soon, and indications were that it would be close to the first of the year before Valentine could organize and staff an agency capable of handling the complex task.  
 Dr. Valentine is expected to take over his new job this week. He resigned in June from the presidency of the University of Rochester. He is a registered Republican.

**Newsboys Guests Of Kiwanis Club At Monday Meeting**

R. R. Russell, circulation manager of The Reporter-Telegram, presented five of the newspaper's delivery boys at the regular luncheon meeting of the Kiwanis Club Monday in Hotel Scharbauer.  
 President Albert Kelley presided at the session.  
 Russell explained the day's activities of the newspaper and introduced each newspaperboy, telling his ambition and length of work with the newspaper. C. E. Bradley, Rex Hall, Herbie Munson, Roger Wells and Wade Feemster were introduced. Feemster explained the duties and achievements of the newsboys. National Newspaperboy Day was observed.  
 Perry Pickett, chairman of the Fellowship Committee, inducted Dr. John Mast into the organization.  
 Kelley discussed the upcoming Kiwanis minstrel and called a meeting of committee chairmen at 7:30 p.m. Monday in the Presbyterian Church parlor.  
 Kelley also reported on the district convention, held last week in Galveston. Berte Haigh, Robert Stripling and Kelley attended the convention. Stripling was a featured speaker.

**Officials Smash Prison Dope Ring**

HOUSTON —(P)—Texas prison officials have smashed what was termed the biggest dope peddling operation within the prison walls in the history of the penal system, it was learned Monday.  
 A 44-year-old night guard in the west cell block building at the walls in Huntsville has been discharged in connection with the dope smuggling into the prison and the resale of Marihuana to convicts there. Three inmates at the Huntsville unit were described by prison officials as the "ringleaders" of the dope ring which dealt principally in Marihuana.  
 Frozen apples have been kept for four months without losing an appreciable amount of vitamin C.

# King's Row

By LARRY KING

The Sweetwater Mustangs will furnish the opposition for the Midland Bulldogs Friday night—and what opposition it is expected to be! The Mustangs have a typical Sweetwater ball club—large, fast, rough and powerful. That has been the formula at Sweetwater for the last 10 years.

Midland has failed to have much success in stopping the Mustangs. Witness the last 10 years:

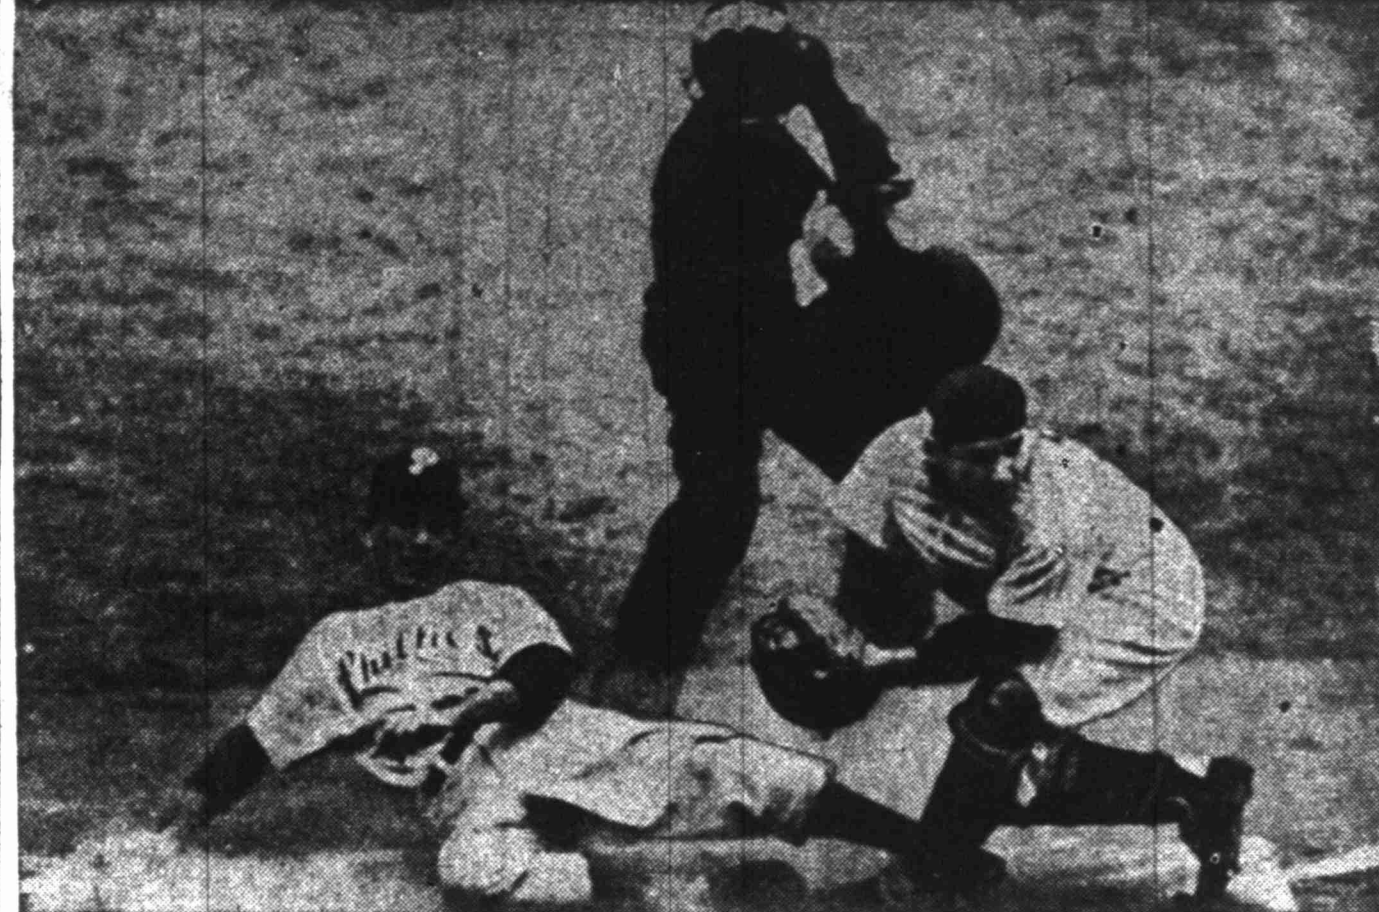

1940: Midland 14, Sweetwater 7.  
1941: Midland 0, Sweetwater 45.  
1942: Midland 0, Sweetwater 40.  
1943: Midland 18, Sweetwater 23.  
1944: Midland 6, Sweetwater 26.  
1945: Midland 6, Sweetwater 19.  
1946: Midland 6, Sweetwater 33.  
1947: Midland 0, Sweetwater 19.  
1948: Midland 20, Sweetwater 33.  
1949: Midland 0, Sweetwater 34.

As you can see, Midland has managed to win only one time—in 1940. The Purple has tallied only 70 points in 10 years. Sweetwater has rolled up 289.

And that's not all. Sweetwater has knocked Midland from the unbeaten ranks two times. Midland had won three in a row in 1944, and four in succession in 1946. Both times the Mustangs halted the Bulldog victory march.

Whether or not the Mustangs can do the same thing again, we don't know. But as always, Sweetwater will be big and good, and Sweetwater will be favored.

The Purple should have a real desire to win this one. Most of the 1950 Bulldogs will recall last year's bout with Sweetwater. The Mustangs mauled Midland by a score of 34-0. Midland didn't make a first down until the last few moments of the game. There's your motive, Bulldogs. Revenge! Go get 'em, and luck to you.

OUT AT THE PLATE—Philly First Baseman Eddie Waitkus, trying to score from third on Del Ennis' grounder to Yank Third Baseman Bobby Brown, is put out by Catcher Yogi Berra. Umpire Charley Berry calls the play in the first inning of the fourth World Series game at Yankee Stadium.

# Sports

8—THE REPORTER-TELEGRAM, MIDLAND, TEXAS, OCT. 9, 1950

## 10 Class A Elevens Fall From List Of Undefeated

Mt. Pleasant and Mt. Vernon tangle this week in one of the outstanding games of a 102-game schedule in the vast Class A schoolboy grid race.

Win, lose or draw, these two teams still have double tough Sulphur Springs to reckon with in the District 15 chase.

All three are undefeated and untied. They share the distinction with 18 other teams. Ten fell from this class last week.

Three-fourths of the week's schedule will count in district standings. One feature that won't be Brady's tilt with Uvalde.

The only two teams that hadn't been scored upon had this record blasted last week. Haskell just did not lose at Stamford 20-19, and Crowell was tied by Electra 13-13.

Littlefield, defending state champion, breezed past Brownfield 53-13, and New Braunfels, still figured the class of the southern bracket, walloped Yoakum 79-0.

Monahans knocked off undefeated, untied Wink 39-13, in District Five.

Memphis, Giddings, Vidor, West Columbia, Floresville and Robstown were other undefeated, untied teams knocked spinning.

Phillips, Mesquite, Hooks, Linden, Lampasas and Seguin were unbeaten but tied clubs defeated.

## SMU, Texas A&M Dominate Southwest Conference Offense

DALLAS —(P)— Southern Methodist controls the air and Texas A&M the ground in Southwest Conference football.

The mighty Methodists have lashed the ozone for 837 yards in three games to top the loop with Fred Benners the conference individual leader in yards gained and Rusty Russell, Jr., compiling the best average.

And the three leading pass-receivers are Russell, Bennie White and Johnny Champion of Southern Methodist.

Texas A&M has romped to 866 yards rushing and furnished three of the top four ball-carriers.

Rambling Robert Smith, the Aggie fullback, has carried 63 times for 332 yards and is far in front of the field. He made 111 against Oklahoma last week. Second is Bill Tidwell of A&M with 262 yards on 28 runs and third is Kyle Rote of Southern Methodist with 256.

Glenn Lippman of the Aggies is fourth with 214.

Rote is the total offense leader with 496 yards, having rolled up 240 passing. Second is Gil Bartosh, Texas Christian quarterback, with 442.

Benners, in pacing the league in passing, has completed 34 of 59 for 433 yards. Vernon Glass of Rice is second with 17 of 30 for 306 and Ben Tompkins of Texas is third with 14 of 25 for 248. Russell has the amazing passing average of 750 with 12 completions in 16 throws.

Larry Isbell, Baylor quarterback, leads in punting with an average of 41.1 on 17 boots.

Lippman has the top average in punt returns with five for 106 yards—21.2 per run.

In pass-receiving Russell has caught 10 for 281 yards, White 12 for 170 and Champion eight for 167.

Southern Methodist leads in team total offense with 1,296 yards with A&M second with 1,050.

The defensive leader is Baylor, which has given up 191 yards per game.

Unbeaten, Untied  
Unbeaten and untied clubs now include Littlefield, Monahans, Kermit, Dublin, Haskell, Olney, Newcastle, Arlington, Mt. Pleasant, Mt. Vernon, Sulphur Springs, Hearne, LaVega, Georgetown, Brenham, Gonzales, LaMarque, Sinton, Mercedes, Pearsall and Uvalde.

Unbeaten but tied are Shamrock, Abernathy, Henrietta, Diamond Hill, Crowell, Pleasant Grove, Terrell, Elgin, New Braunfels, French (Beaumont), Donna and Alvin.

Some of the top games this week include:

Abernathy-Crosbyton; Mulshoe-Littlefield; Denver City-Monahans; Cisco-Coleman; Ranger - Dublin; Seymour-Crowell; Newcastle-Henrietta; Hearne-Groesbeck; Bellville-Brenham; Gonzales-El Campo; Aldine-La Marque; Wharton-Lamar (Rosenburg); Sinton-Freer; and Pearsall-Del Rio.

## District Games Dot Week Schedule Of Big City Schoolboys

Three of the four districts in City Conference schoolboy football shove into the thick of the championship fight this week.

Of 15 games, eight are conference struggles.

Lamar of Houston, the only undefeated, untied team, plays San Jacinto in the top game of the Houston District.

District 2 (Fort Worth) opens its conference race with Arlington Heights meeting Amon Carter-Riverside and Poly clashing with North Side.

District 4, where Thomas Jefferson, defending state champion, looks like the kingpin, has three conference tilts. Jefferson plays weak Lanier. Last week Jefferson blasted Edison 59-6.

The City Conference, for the first time, boasted a margin over its little brother, Class AA, in inter-conference play last week, winning nine games while losing five. Paschal's 26-6 decision over Odessa and Lamar's 40-0 blasting of Miller (Corpus Christi) were the biggest blows.

Kerrville which has been a pain in the neck to the City Conference biggies thus far, continued its raids with a 33-0 whipping of San Antonio Tech. Kerrville is the only team boasting a victory over Thomas Jefferson.

## Russell Downcast As Injuries Strike Three SMU Backs

DALLAS —(P)— H. N. (Rusty) Russell, who has fashioned a newer and bigger aerial circus at Southern Methodist, professed to be down in the dumps Monday.

Injuries had struck his undefeated, untied Mustangs and done virtually irreparable damage, he said.

Three of his brightest boys of the gridiron—Rusty Russell, Jr., the quarterback, Johnny Champion, pass-catching, end-sweeping halfback, and Henry Stollenwerk, who did some tall running against Missouri Saturday—are on the sidelines. Stollenwerk is out for a month to six weeks with a broken bone just above the ankle. Russell may not play for two because weeks because of a torn rib cartilage, and Champion has a bad charley horse.

The latter may not miss this week's game with Oklahoma A&M. "But you just don't know about a charley horse," said Russell.

The Methodist head coach, who claims he is irritated not end when they start putting his team up around the top of the rankings, says the loss of these boys hurts deeply because "we were just getting into the groove; our team was just starting to click all-around. Now this stalls us."

## West Texas State, Arizona Produce Border Loop Upsets

PHOENIX, ARIZ. —(P)— Surprises in Saturday night's Border Conference football games were sprung by the loop—leading West Texas State and the previously lightly-regarded University of Arizona.

The Buffaloes of West Texas handed the Defending Champion Texas Tech Red Raiders a 28-13 beating at Lubbock. It was the first conference loss for the Red Raiders since 1946.

Arizona's fast-charging sophomores scored a 32-28 victory at Tucson over Hardin-Simmons.

Arizona faces the tough Texas Western team at El Paso this weekend. Western downed Idaho Saturday 43-33.

Arizona State College at Tempe is in second places by virtue of two conference victories. Saturday the Sun Devils swamped Arizona State College at Flagstaff 63-0.

Saturday's traditional battle between New Mexico and New Mexico Aggies at Albuquerque was won by the university 26-13.

## Six Unbeaten AA Outfits To Meet During Weekend

Six of the state's unbeaten teams clash this week in the features of Class AA schoolboy football.

There are 17 left, four of them unbeaten but tied.

Pampa, Big Spring, Lamesa, Breckenridge, Texarkana, Palestine, Cleburne, Port Arthur, Freeport, Galena Park, Corsicana, McAllen and Midland have unblemished records.

Longview, Lubbock, Sweetwater and Pasadena have ties against them.

Friday night Pampa plays Lubbock, Texarkana meets Longview and Midland clashes with Sweetwater.

The Texarkana-Longview battle is the big one because it is a conference struggle in District 9 and the winner will be the top favorite for the championship.

Pasadena runs into trouble. It has Conroe, the giant-killer, Conroe last week ushered Texas City out of the unbeaten, untied ranks with a 15-7 victory.

District Favorites Emerge  
There are 40 games on this week's schedule.

Favorites are defined strongly in each of the 16 districts as the campaign whirrs toward the half-way mark.

Pampa gets the nod in District 1. Wichita Falls in District 2 despite three beatings from outside foes, Lubbock in District 3, Ysleta in District 4, Sweetwater in District 5, Breckenridge in District 6, Sherman in District 7, Highland Park (Dallas) in District 8, Texarkana in District 9, Conroe in District 10, Port Arthur in District 11, Baytown in District 12, Corsicana in District 13, Kerrville in District 14. Laredo looks as good as any in weak District 15 and McAllen gets the tag in District 16.

Three teams fell from the unbeaten, untied ranks last week. Amarillo crushed Sherman 34-7 in a startling reversal of form, Donna took out San Benito 20-7 and Conroe felled Texas City.

Corsicana rolled on without a point scored against it, blasting Greenville 60-0. Breckenridge also has given up no points. The Bucks trimmed Abilene 13-0 last week.

## Yanks Substitute Hustle For Power In Humbling Phils

NEW YORK —(P)— The 1950 world champion New York Yankees may be set for a long run atop the baseball world.

This is no wonder club that swept four straight from the luckless Philadelphia Whiz Kids in the World Series. No "murderers row" humbled the opposition. It was a band of alert opportunists, darting through the first think in the enemy's defense.

Maybe Tommy Henrich, a Yank of the old school, said it best Saturday night at the height of the victory dinner:

"We used to overpower them." Henrich said. Now we have to substitute hustle."

Hustle, that indefinable quality, was more responsible for the Yankees' season long success than any other factor. It carried them through when Henrich, hobbled by a bad knee, couldn't play; when Joe DiMaggio slumped and was benched in mid-season; when Joe Page, the 1949 relief ace, couldn't get anybody out.

When the big guns were spiked by the brilliant Phil pitching in the series, the "little guys" came through. Gene Woodling (.429), Bobby Brown (.333), and Gerry Coleman (.286) carried the ball. Only DiMaggio (.208) of the old wrecking crew held up his end. And Joe went hitless until he broke up the second game with a tenth-inning homer off Robin Roberts.

This was the Yanks' thirteenth World Series win and their sixth in four straight.

## Pro Football

**By The Associated Press**  
New York Giants 21, Washington Redskins 17.  
Cleveland Browns 30, Pittsburgh Steelers 17.  
Philadelphia Eagles 56, Los Angeles Rams 20.  
Chicago Bears 27, Chicago Cardinals 6.  
Detroit Lions 24, San Francisco 49ers 7.  
New York Yankees 44, Green Bay Packers 31.

More than 450 people were killed in the San Francisco earthquake and fire of April 18, 1906.

## Women's Texas Open Golf Tourney Starts

FORT WORTH —(P)— Qualifying started Monday in the Women's Texas Open Golf Tournament, and National Champion Beverly Hanson headed the biggest, best field ever to compete for the title.

Miss Hanson, the Indio, Calif., sharpshooter, won the open last year.

Monday's qualifying was scheduled to trim the championship bracket to 32 from the field of more than 150 golfers.

# Unbeaten Streaks Of Army, Sooners On Line Saturday

NEW YORK —(P)— Modern football's longest unbeaten skein lay in shambles Monday and possible disaster loomed immediately ahead for the two records that come closest to matching it.

Shattered at 39 games was Notre Dame's four-year uninterrupted sweep—cracked by a Purdue team that fashioned a shocking 28-14 upset Saturday at South Bend.

That left Army and Oklahoma to carry on success streaks already past the 20 marks, but both of them face a possible scissoring job next Saturday.

West Point, unlicked in 22 games, will oppose formidable Michigan in New York's Yankee Stadium in the game of the day.

Oklahoma will risk their 23 consecutive victories against powerful, unbeaten Texas at Dallas' Cotton Bowl.

This game is the first half of Dallas' celebrated double-header. The night game will feature undefeated Southern Methodist against once-tied Oklahoma A&M.

Michigan, Texas A&M  
Texas, idle last week holds a 34-26 victory over the Purdue team that rocked Notre Dame's Fighting Irish. Oklahoma, on the other hand, barely escaped with a 34-28 triumph over Texas A&M, achieved in the fading minutes.

Conquests for both Michigan and Texas would not create too great a surprise. They could do it.

The Wolverines from Ann Arbor, co-champions of the Big Ten, fell before Michigan State in the opening game but bounced back Saturday to whip Dartmouth 27-7.

Army, meanwhile, set down Penn State 41-7 on 'b Black's passing. The young season already has produced a brash disregard for the college sport's hierarchy.

The two top-ranking teams were given a rude bumping last weekend while two other powers barely escaped with skin intact.

Michigan State falls  
Michigan State, given No. 2 rating behind Notre Dame after its manhandling of Michigan, fell before Maryland 34-7. Washington, No. 10, barely nosed out UCLA 21-20.

Michigan State's opponent Saturday is William and Mary, another weekend upset victim. The Indians were walloped 47-0 by Wake Forest, in Dixie's major surprise.

The other "top ten" came through without mishap. Southern Methodist, No. 3 just above Army and Oklahoma, turned Kyle Rote loose on Missouri to win 21-0. Kentucky, No. 6, racked up its fourth straight shutout over harmless Dayton 40-0. Stanford, No. 8, rushed Oregon State 21-0, while California turned back Penn 14-7.

## It's Tough Week In SWC; Three Elevens Defend Clean Slates

**By WILBUR MARTIN Associated Press Staff**  
The Southwest Conference tears into its toughest week of play bidding for greater national prestige. For Southern Methodist, Rice and the University of Texas it means undefeated, untied records are on the line as they try for more acclaim.

Last week set the stage. Three victories and one defeat brought the circuit's intersectional record to nine wins and four losses. That lone licking was Texas A&M's last-second loss to Oklahoma.

Texas Christian opened conference action with a 13-6 victory over Arkansas.

Four unbeaten teams tangle in a football doubleheader at Dallas and here's where Southern Methodist and Texas risk national rankings and perfect records.

Texas was idle last week, but Southern Methodist tuned for its tilt with a bruising 21-0 victory over Missouri.

Rice, one of two surprise clubs this year, easily walloped Louisiana State University 35-20.

Texas A&M, the real eye-opener, scared Oklahoma silly before bowing in the final minute 54-28.

Baylor for the second straight week, used the deadly passing of Larry Isbell to van, and its 14-7 victory last week over Mississippi State was a decided upset.

This week Rice takes on Pittsburg, A&M meets Virginia Military Institute, Baylor tackles Arkansas, and Texas Christian entertains winless Texas Tech of the Border Conference.

## Grid Fans Easy Marks For Sharpies

CHICAGO —(P)— A hundred late comers to the Chicago Bears-Cardinals professional football game at Wrigley Field Sunday thought they got a break—sidewalk parking for \$1.

It was raining and nearby car parking lots were filled. But a couple street hawkers told them it was okay to park on driveways, in alleys and on sidewalks for \$1.

"Everything is taken care of," the hawkers assured them.

When they returned to their cars, the hawkers had vanished and each had a ticket for illegal parking. The automatic fine for this is \$3.

Police said "sharpies" duped the motorists.

Walrus and hippopotamus tusks furnish a small quantity of the world's ivory supply.

## Texas Conference Elevens Get Down To Play For Keeps

**By The Associated Press**  
Defending Champion McMurry and Austin College jump into Texas Conference play this week, one week behind the other four members of the circuit.

McMurry tuned up with a 37-19 victory over Mississippi Southern last week with Brad Rowland sparking the one-sided victory. Austin lost to East Texas State 40-13.

Abilene Christian stayed undefeated, thanks to Bill Ayres, with a 7-6 win over Southwestern, and Texas A&I beat Howard Payne 14-6.

This week Abilene Christian takes on East Texas State; Southwestern plays the University of Corpus Christi; Austin meets Howard Payne and McMurry tackles Texas A&I.

Kelly Burkhardt of Austin and Rowland now share the lead in individual scoring with 24 points.

SEEING THINGS—These two plays did not happen at the same time when Fond du Lac played at Manitowoc, Wis., High. They came out on the same picture when Photographer Russ Kriwanek double exposed the film. Les Wilhelms, left, failed to knock down a pass caught by Carl Duebner, who scampered 10 yards for a touchdown. Wilhelms also figured in the other play. He's the man with the ball, about to be hauled down. Coming up to aid in the tackle is No. 17, right.

# Longhorn League Goes To Class C

**ABILENE**—(AP)—The Longhorn Baseball League will open its 1951 season April 19 as a Class C circuit.

Directors of the Class D league Sunday voted to up the classification and set a 140-game schedule ending on September 5.

Hal Sayles, managing editor of the Abilene Reporter-News, was reelected to his third term as president by acclamation. Will Guinn of San Angelo was reelected vice president unanimously.

The league also voted to challenge the Class C West Texas-New Mexico League in a post-season series next year.

Directors approved the purchase of the Ballinger club by Dr. Marshall Dykes from the Runnels County Baseball Association and the purchase of the Sweetwater club by a group of local business men from Cy Fausett of Albuquerque.

Former owners of the Ballinger club retained an option to repurchase the club in order to keep baseball there before Dr. Dykes could, if he so willed, make a geographical move.

The league plans to have a club player limit of 16 next season, including a playing manager. It will have a limit of three class men, seven limited service players and minimum of six rookies.

Roswell, N. M., was awarded the 1951 all-star game.

# Sports

THE REPORTER-TELEGRAM, MIDLAND, TEXAS, OCT. 9, 1950-9

## Bob Wortman Is RH Golf Champion

Bob Wortman Sunday was crowned champion of the first annual Ranchland Hill Golf tournament.

Wortman won over J. C. Davis, 2-up in the finals to capture the championship and a beautiful championship trophy. The trophy is to be presented to the winner of the tournament each year. Any linksman who wins it three years in a row retains it permanently. The trophy was donated by Ranchland Hill Country Club.

Flight winners and runners-up were as follows:

Championship flight: Bob Wortman, winner; J. C. Davis, runner-up.

First flight: J. W. Stone, winner; Dick Stansbury, runner-up.

Second flight: Roy Minear, winner; L. D. Dorbant, runner-up.

Third flight: Joe Ghann, winner; Frank Thompson, runner-up.

Fourth flight: Bob Pool, winner; Leland Huffman, runner-up.

Fifth flight: Charles McCall, winner; Maurice Cox, runner-up.

Sixth flight: Wilmont Hunt, winner; Hugh Gilmour, runner-up.

Seventh flight: Graham Land, winner; Jim Noble, runner-up.

Eighth flight: Pete Van Horn, winner; David Cole, runner-up.

Ninth flight: Bob Wiggins, winner; Dr. A. V. Johnson, runner-up.

Tenth flight: Hack Brady, winner; A. F. Patterson, runner-up.

Runners-up in each flight received \$25 in tickets, good for merchandise in any Midland store. The winners received \$50 certificates and trophies. Cliff Hall was the medalist winner with 89 and won a watch given by Cruse Jewelry.

Results in the consolation flights were:

Consolation champion: Charles Wallace, winner; Red Watkins, runner-up.

First flight: Harry Lain, winner; J. D. McCormick, runner-up.

Second flight: B. F. Hutson, winner; Dr. Doyle Patton, runner-up.

Third flight: Pat Stanford, winner; Milton Montgomery, runner-up.

Fourth flight: E. J. Miles, winner; Charles Linehan, runner-up.

Fifth flight: Ray Snyder, winner; C. R. Brown, runner-up.

Sixth flight: Tom West, winner; Hugh Storey, runner-up.

Seventh flight: Cal Bedeaux, winner; Ernest McNabb, runner-up.

Ninth flight: Roger Sidwell, winner; J. C. Wilson, runner-up.

## Midland-S'water Ducats Available

Reserved seat tickets to the Midland-Sweetwater game, to be played in Sweetwater at 8 p.m. Friday, will go on sale here at 1 p.m. Tuesday.

Principal Charles Mathews said tickets may be obtained at his office in the high school building.

## Bulldog Boosters To Meet Tuesday

The Bulldog Booster Club will meet in the junior high cafeteria at 8 p.m. Tuesday.

Highlight of the meeting will be the showing of the Midland-Mineral Wells football film. Midland won 20-2. Coach Tubgat Jones will handle a running comment on the play, pointing out both mistakes and fine plays.

Scouts will tell the Booster club members what to expect from the Sweetwater Mustangs. All Booster club members are urged to attend the meeting, and the public is invited.

## Inter-Loop Games Feature Lone Star Weekend Schedule

By The Associated Press  
East Texas States goes after one of the undefeated, untied teams this week in the feature game of the Lone Star Conference.

The Lions, who clipped Austin College of the Texas Conference 40-15 last weekend, tackle Abilene Christian, another T.C. member with a perfect season record, at Stamford Saturday night.

Other Lone Star members also play outside foes. Stephen F. Austin meets Southeastern Louisiana at Nacogdoches. Sul Ross takes on Trinity of the Gulf Coast Conference at Alpine, and Sam Houston State tangles with independent Lamar at Huntsville.

Last week found Sul Ross notch its second straight conference victory, beating Southwest Texas 21-12.

Sam Houston ran over University of Corpus Christi 46-0 and Stephen F. Austin took a 21-6 licking from Louisiana Tech.

Jack Kyle of Sam Houston State is the scoring leader with 32 points. Ohio is the only state to have a pennant-shaped flag. Flags of the other states are rectangular.

YOU CAN DREAM, CHUM—These are "Dream Girls," the man says. The "Dream Girl," he also says, replaces World War II's pin-up girl. You can see the difference at a glance—or can you? Anyhow, Anna Di Bella, left, Ellie Regan and Jean Williams, right, were chosen by armed forces as their favorites in a New York "Dream Girl" contest.

## Purple, Coaches, Eye Sweetwater

Midland won its third ball game Friday night by trouncing Mineral Wells—but Coach T. L. (Tugboat) Jones and his Purple-clad Midland Bulldogs expect to work this week as if they had yet to score a point.

And well they might. For the Bulldogs vie with powerful Sweetwater this week. The game will be played at 8 p.m. Friday in Sweetwater.

Both teams will enter the game unbeaten. Sweetwater has one tie in a 7-7 stymie with Lubbock. The Mustangs have wins over Stephenville 14-0, Vernon 19-6, Odessa 14-13 and El Paso High 34-0. Midland holds wins over Ysleta 14-7, Forest of Dallas 21-2 and Mineral Wells 20-2.

Coach Jones and his assistants, Red Rutledge and Audrey Gill, expected to send the Bulldogs through a long drill Monday. The work is slated to be rough for the entire week, with particular attention to be given to stopping the powerful Sweetwater offense. Jones also reported that he expects to work hard on Midland's offense. "We fumble too much," Jones said, "and one of these days it is going to cost us a ball game. The Bulldogs have fumbled 18 times in three ball games—and the opposition has recovered eight of the bobbles, turning two into safeties.

The Bulldogs were slated to go over the mistakes made in the Mineral Wells game, using the film of the fray. Then the Purple lads were to hear what to expect from the powerful Mustang eleven. After that, the Purple lads were to get down to serious business.

No serious injuries have been reported. Guard Jerry Culp still has a slight "charlie horse," but it is expected to be up to par within a day or so. Guard Pete English, who missed the Mineral Wells game due to a bruised leg, will be back in the harness this week.

Other city officials, he says, were the mayor, the city marshal and a trash man who made the rounds with wagon and team, picking up trash.

Kerr resigned the position of city secretary after about a year in the office and with Ralph Williams, went into the business of selling a newfangled contraption called an automobile. The auto business panned out pretty good and it was almost 30 years until Kerr again went to work for the city—this time as judge of the corporation court.

The Kerr-Williams partnership still exists.

It was a long time between city jobs for Judge Kerr but he spent much of the time in between working for the city—as private citizen, booster and builder.

Children's Society Names New Officers

HOUSTON—(AP)—Dr. J. J. Flowers of San Marcos is the new president of the Texas Society for Crippled Children, Inc.

The group ended its annual meeting Sunday with the election of officers.

New directors include John W. Broome, Lubbock; Jack Doe, Kerrville; George Confield, Beaumont; and J. T. Canales, Brownsville.

ABILENE MAN FOUND DEAD ON T&P TRACKS

## Poland Rejects West German Protests On Border Settlement

BERLIN—(AP)—West Germany's protest against the Oder-Neisse border pact between Poland and East Germany has been turned down by the Polish Military Mission here.

The settlement—worked out tentatively by the United States, Britain and Russia at Yalta—never has been confirmed by the Western powers, but since World War II Poland has moved up to the Oder-Neisse line, occupying some 40,000 square miles of rich German territory.

A protest note, drafted by West German Chancellor Konrad Adenauer's cabinet, was sent last week to representatives of Russia, Poland, Czechoslovakia and all foreign missions in Bonn.

The note rejected the Polish-East German pact on grounds that territorial changes could be made only in a peace treaty.

Sunday Col. Hubert Meller, acting chief of the Polish Mission here, sent back the West German protest. Meller denied the Bonn regime had the right to issue any statements on the Polish-East German settlement.

West German leaders held two Berlin rallies Sunday, during which Mayor Ernest Reuter of West Berlin and two West German cabinet ministers blasted the East German government for its position on the frontier.

Former Official of Union Killed After Trying To Wreck Bus

DALLAS—(AP)—A former San Diego, Calif., union official was shot to death by a deputy sheriff after he tried to wreck a Trans-Continental bus and ran amok in a hospital.

Sheriff Bill Decker identified the man as John A. Brooks, 36, former business representative of the Waiters & Bartenders Union in San Diego. Decker said the San Diego sheriff told him the union had discharged Brooks because he was erratic and believed both labor bosses and Communists were after him.

Brooks suddenly shoved aside a nurse and doctor, knocked down a man he met in a hallway and fled the building, Hughes in pursuit.

Hughes said Brooks picked up a club in a vacant lot, knocked him down, and started throwing rocks at him as he tried to get up. The deputy fired one shot from his pistol. The bullet hit Brooks in the throat and he died in a few moments.

Chiropactors Seek Right To Treat Vets

LOS ANGELES, CALIF.—The American Legion, meeting in Los Angeles, received a strongly worded brief from the International Chiropactors Association stating that "sick suffering veterans are asking for the basic fundamental freedom to choose their own doctor."

The ICA urged the delegates to give disabled veterans their choice by making chiropactic care available to them through the Veterans Administration.

The ICA claimed that, "In response to strong grass-roots demands originating spontaneously in thousands of Legion posts across the country, a resolution came to the national convention for the American Legion to make chiropactic health service available to disabled veterans through the Veterans Administration."

Dr. Velma Scott, Midland chiropactor, is attending the Los Angeles convention in the interest of the ICA.

Iowa Park Man Paces Mineral Wells Rodeo

MINERAL WELLS—St. John Farris of Iowa Park captured top honors in bull riding and saddle bronc riding here Saturday night to take top honors in the 13th annual Palo Pinto Livestock Association Rodeo.

Winners of the second go-round contest Saturday were:

Bareback Bronc Riding—Elmer Killian of Truscott and Farris, tied for first; Richard Bradshaw, Mineral Wells, second.

Girls' Sponsor—Dorothy Stephens of Graham, first with 16.1 seconds; Frances Brackeen of Palo Pinto, second, 16.2; Helen Bradford, Ranger, third, 17.

Double Guggling Brahma Yearling—J. B. Stoker, Breckenridge, first, 18 seconds; Suede Swenson, Lueters, second, 20.3; Pete Reed, Breckenridge, third, 21.

Calf Roping—Stoker, first, 14.1 seconds; Frank Thompson, Newcastle, second, 15.1; Howard Lyles, Archer City, third, 16.

Parleys On Higher Steel Wages Start

PITTSBURGH—(AP)—Preliminary negotiations opened Monday which the CIO United Steelworkers Union hopes will end in a "very healthy and substantial wage increase" for 1,000,000 men now averaging \$17.00 an hour.

The negotiations are being held in several cities throughout the nation where the headquarters of various steel companies are located.

New Polio Respirator To Be Put On Exhibit

HOUSTON—(AP)—Two Harvard University faculty members this week will exhibit a new type respirator for treatment of bulbar polio victims.

The two, Brig. Gen. James S. Simmons and Dr. Stanley J. Sarnoff, are to appear before the third annual Gulf Coast Regional Conference on Industrial Health which opens Thursday.

Inauguration ceremonies for the new Texas Education Agency—which replaced the State Department of Education under the Gilmer-Aikin program—will be held at 8 p.m. Monday at a series of meetings preceding formal inaugural ceremonies Monday night for the new system.

Almost 400 non-professionals were here to participate in a citizens advisory conference called by the State Board of Education. Simultaneously, more than 500 educators went into the second day of the two-day annual meeting of the Texas Association of School Administrators.

A major topic of both meetings was progress of the state's Gilmer-Aikin laws on the community level. The laws have been in effect a year and a half.

BARNEYS ADDITION

Have you driven out over this addition recently, and noticed the high type development in small homes? If not, drive out today. Over 50 brick homes are being laid out now for immediate construction, and will sell at prices ranging from \$11,500 to \$14,000, with only a small down payment of \$2,000 to \$3,500. You should choose the house and the location from The Boyce Company immediately since these homes will each be sold before they are completed.  
No doubt you have been waiting for that brick home priced within your means. Contact immediately The Boyce Company, or my field office on the addition. The home of your choice can be built and ready for occupancy in about 60 days.  
Drive out today and any next week to my field office on the ground, where a courteous salesman will explain and show you the plans and locations of these homes. You should not overlook this opportunity to buy that new brick home you have had in mind. Contact the salesmen, Mr. Friberg phone 3910 or 3712; or Mr. Belcher, phone 3235.

We're Not Magicians BUT WE'RE TURNING WEARY LOOKERS INTO HAPPY OWNERS

We're not super-salesmen but we have convinced many fine people that many homes and businesses in Midland are good investments. It's easy for us to do that, for we believe that most any investment in Midland is a good one.

If you have property of any kind that you would like for any reason to sell, consider the COMPLETE SERVICE available at Allied Commercial Services. We extend to the buyer and seller every service connected with the sale, resulting in less expense and less red tape, more speed and more efficiency in consummating real estate transactions.

PIPE "SQUIRTIN' GERTIE"—Fitted with a maze of pipes and nozzles, this C-54 transport plane creates its own weather—rain, snow, ice, fog or mist—and then, with the aid of scientific instruments inside the flying laboratory, measures the plane's reaction to it. The outfit, nicknamed "Squirtin' Gertie," is used for research by the Air Materiel Command. It operates from Ypsilanti, Michigan's Willow Run airport, to gather data on high-altitude icing and workability of new equipment in bad weather.

**New Mexico Pair Named Champions Of Pecos Rodeo**

PECOS—D'Aun Young of Lovington, N. M., was crowned grand champion cowgirl, and Tommy Price of Tatum, N. M., was named grand champion cowboy at the Pecos Kids Rodeo Sunday.

Two performances were held Saturday and Sunday.

Price took place in the calf roping event and Miss Young captured the top spot in the barrel race.

Other results included:  
Shetland Pony Race—Geraldine Wilcox, El Paso, first; Doris Hollebeke, El Paso, second.

Boot Scramble—Rosemary Rice, Big Spring, first; Clifford Dugger, El Paso, second.

Goat Roping—Riley Kennedy, Wickett, first; Ollie McDaniels, Wickett, second.

Jimmy Cook, El Paso, was runner-up in the calf roping event and Rosemary Rice took second in the barrel race.

Stethoscopes, such as those used by doctors, are employed to test electric clocks in a large factory.
