

THE DOCTORS' appreciation dinner held here Tuesday was a roaring success.

Keeping the record going for events held in the new Community Center/Showbarn, the event had a great turnout, with around 550 people coming out to play tribute to Friona's three medical doctors.

The only drawback was the slow start with the buffet line, but all in all, it was an enjoyable occasion. The light-hearted approach to the program seemed to be enjoyed by the audience, as well as the men being honored.

We don't know many people, nor many groups of three people, for whom 580 folks would pay five bucks a head to honor at a local banquet. We think that speaks pretty well for Drs. Spring, Spring & Alexander.

One Frionan who attended the dinner said "That was great. We ought to have more things like it, to give everyone in town a chance to get together and see all of their friends."

TUESDAY'S EVENT makes you wonder what we did before having the new center.

Granted, most of the events held out there have been scheduled directly as a result of having the facility. But who would have thought that in the building's first seven months of existence, there would be eight major events held, plus a number of smaller meetings, and that the major events would all draw capacity or near-capacity crowds!

DON WINDLE is sounding a warning to Friona Chieftain opponents this fall. It goes something like "Watch out for the Friona Chiefs!"

Windle, who joined the Star staff this week as sports editor, has only been here a week, but he's already a solid fan.

As sports editor of the Clovis News-Journal, Don followed the Clovis Wildcats to the New Mexico state class AAAA title last season. We're hoping that Don brought his good luck charm along with him in his move to Texas.

One thing about it, Don and his family located a place to live during their first day looking, and anyone who has been down that road in Friona can verify that they did a good day's work. From that angle, it would appear that the good luck has followed Don to Friona.

Coach Bob Owen and his staff sure wouldn't object.

WHAT DOES Friona have more of, per capita, than just about any other place in the U.S. of A.?

Answer-families with the surname of Auburn.

Dennis Auburn, the head of the local clan, advises us that he received information from a genealogy mailing to indicate that there were only 49 households in the entire nation with that last name.

Besides Dennis, Friona also is claimed as residence by number one son Raymond, and we figure that amounts to four per cent of all the Auburn families in the nation.

Albuquerque, New Mexico's most populous city, has three families, Dennis says, and Dallas at one time had two. The local Auburns say they can lay claim to direct relation to some 18 families of that name-and that's 36 per cent of all the Auburns listed by the survey.

Guess it would be easier to trace your family tree if you were an Auburn, rather than say a Jones or a Smith.

NELSON LEWIS, author of the forthcoming history of Parmer County, reminds residents of the pre-publication special being offered by the Parmer County Historical Society.

Between now and mid-September, the book may be ordered for \$13.50 plus tax (\$14.18 in all). After the book is published, it will cost \$16.00 plus tax (\$16.80).

Lewis thinks the book would make an ideal Christmas present, or birthday present, for your dad or mom, or grandparent.

Registration Slated For Friona Schools

New students entering the Friona school system are encouraged to contact their respective school principals prior to August 23, so that schedules and teacher assignments can be made before the registration of students.

Kindergarten students through the fourth grade are urged to report to J.T. Gee at the primary school.

High school students will register at the high school auditorium beginning at 9 a.m. Friday, August 23.

Students in grade six will report to the junior high auditorium starting at 9 a.m. Seventh and eighth graders are to register at the junior high auditorium at 10:30 a.m.

Those students who will be in kindergarten through fifth grade will not register early, but should report to their respective buildings by August 26 at 8:45 a.m. Kindergarten students are to report to the kindergarten building west of the junior high building.

Eligibility for kindergarten is as follows-children born after Sept. 1, 1968 and before March 1, 1969 will be eligible for the first semester kindergarten and should report on August 26.

Children born between March 1, 1969 and Sept. 1, 1969 will be eligible for the second semester and will not report for school until Jan. 15, 1975, however the principals' office needs the names of these

students as soon as possible so plans can be made for the second semester.

Birth certificates should be furnished for kindergarten and first grade students. Immunization records are required for all students in order to comply with Texas law.

Superintendent Tom Jarboe remarked that immunization shots required by the Friona school system are-polio, rubeola, rubella and DT.

Jarboe also wishes to announce that meal tickets can be purchased upon registration. Students are encouraged to purchase the 20-day lunch plan. Cafeteria prices are forty-five (45) cents for kindergarten through eighth grade. Meal tickets for ninth through twelfth is fifty (50) cents.

Buses will run a regular schedule Monday, August 26. School starts at 8:45 a.m. and ends at 3:45 p.m.

Hole In Hat Results From Rural Shootout

A routine traffic violation turned into a high speed chase and a shoot-out last Friday night between local law enforcement officers and three Spanish males.

Friona officers, Bob Davis, Don Ballew and Joe Mesa chased the subjects 10 miles south and two miles west. The chase ended when the 1970 Dodge, driven by the fugitives and the police car became stuck in a corn field. The fugitives came out of the car firing upon the officers.

Patrolman Bob Davis can be thankful that he is not two inches taller, as one of the bullets creased his hat. The stranded subjects fired seven to nine shots at the lawmen and the officers returned seven shots at the fugitives.

After the exchange of shots, the subjects fled on foot through the field, thus eluding capture.

According to Police Chief Bill Denney, two of the fugitives, Mario Castanedo, 21, and Joe Fausto Gonzales, 27, turned themselves into the police Saturday morning. The automobile used by the subjects was recognized by the officers and brought in for storage.

Monday morning the third escapee was brought to the police station by his wife, where he was identified as Emilio Castanedo, 21.

The three were charged with aggravated assault on a police officer and transferred to Farwell. Bond was set at \$3,500 each. All three made bond.

Optimism Reigns As Workouts Start

BY DON WINDLE Sports Editor

It's that time of the year in which the 1974 edition of the Friona Chieftains reweave their warbonnets and sharpen their tomahawks.

The Chiefs will attempt to live up to the sports scribes and experts, who have tabbed them to gain the top laurels in the always tough District 3-AA championship race, displacing Littlefield.

Some 61 hopeful candidates reported to the Chiefs' two-a-day workouts which started Monday morning. Head Coach Bob Owen, will reply on 14 returning lettermen to become leaders for the underclassmen in the Chiefs bid for the coveted district championship. Last season the team posted an impressive 6-4 win-loss mark and a 3-1 slate against district opponents, losing only to Littlefield's Wildcats.

Coach Owen remarked, "The players have a great attitude and lots of spirit this week. We feel real good about the prospects of the team this season and barring injuries we have as good a chance as any Friona team has had to win the district," opinioned the seven-year head mentor.

CHIEFS' OFFENSE

The 1974 edition of the Chieftains shows a potentially outstanding quarterback in quarterback Dusty Peters, a six-foot, 170 pound senior.

Peters is a Albuquerque, N.M. transplant that guided the Friona B-team last season to a 7-2 win-loss record.

Coach Owen has optimistic hopes on his quarterback situation with Peters. According to the head coach, Peters

can throw the football well and handles the option effectively.

A major switch is being tried

with last year's starting signal-caller, Clay Bandy, a five-eleven, 165 pound senior.

Bandy has been tabbed as the number one tailback in the Chieftain Power-I formation in order to take advantage of his quickness and open field

running ability. Maybe in the Chiefs bag of tricks, Bandy will be called on to throw the halfback option pass.

Simpson Is Manager For Local PCA Office

Darrell Simpson was formally announced as the new manager of Friona's Production Credit Association office Monday. The appointment was announced by James Rogers, General Manager of the Plainview PCA.

The new manager replaces Dale Cary, who now has a position at Olton State Bank. Simpson has resided in Friona since June of 1972 when he began work for the local PCA. Simpson is a native of Oklahoma where he taught Vocational Agriculture. Simpson obtained his college degree at Oklahoma State.

Band Rehearsals Slated To Begin

Charles Faulkner, Friona High School band director announces the new school year's band rehearsals will get underway Monday through Friday.

Marching rehearsals slated for freshman band students start Monday at 7:45 p.m. All band members are to report at 8:15 for marching practice and at 8:45 p.m. playing rehearsals start. All former band members are invited to participate in the playing rehearsals.

40 YEARS AGO—AUGUST 17, 1934

Information from the president of the local board of school trustees, states that the Friona schools will open for the term on Monday, August 3, that being two weeks from the coming Monday. A complete faculty of teachers has been secured, which includes practically all who were here last year, with at least one additional teacher, the instructor of vocational agriculture. The fleet of eight new school buses has already arrived and the long garage or shed for their protection has been erected on the newly acquired school property.

35 YEARS AGO—AUGUST 18, 1939

This territory and much of the surrounding counties was visited Sunday night by a good and much needed rain, which gave a fall of from three-fourths of an inch to an estimated inch and a half, as reported from the various sections of the territory from a few miles north and west, to the southern limits of the county.

30 YEARS AGO—AUGUST 11, 1944

The Republican County Convention which met in Friona, Saturday, July 29, was called to order by Temporary Chairman F.W. Reeve, and by unanimous vote the temporary organization was made permanent. F.W. Reeve was unanimously elected as County Chairman for the coming two years, and he was also appointed as delegate to the State Convention at Dallas on August 8, with L.S. Hobbs, of Amarillo, as alternate. Mr. Reeve was also appointed as delegate to the Congressional Convention, with George McLean as alternate. The following candidates were nominated for county officers: Marvin Todd of Friona Precinct, for County Judge; Carl Schlenker of Bovina Precinct, for Sheriff-Assessor-Collector; and Thomas Hartwell of Bovina Precinct, for County and District Clerk.

20 YEARS AGO—AUGUST 12, 1954

The Parmer County Fair Committee met July 26 at the Villa Nu Court Cafe for a steak supper and to discuss plans for the coming county fair setting the dates as September 13, 14 and 15.

Gubernatorial candidate Ralph Yarborough made a brief stop Tuesday evening at the Friona airport, being met by a local delegation and one from Hereford. Though scheduled to speak at Hereford, Yarborough was forced by delay in plane flights to omit the Hereford visit.

15 YEARS AGO—AUGUST 13, 1959

A.T. Eiland, 81, of Olton Route, Plainview, was reported to be improving at Parmer County Community Hospital, Tuesday following a collision Thursday about noon at the Hub corner. Eiland was driving a 1955 Oldsmobile toward Dimmitt when his auto was struck by a 1953 Mack diesel truck loaded with potatoes which was going south toward Muleshoe as the vehicles met in the Hub intersection. The truck, which was driven by J.I. Reames of Amarillo had loaded with potatoes in Hereford and was headed to Midland.

19 YEARS AGO—AUGUST 13, 1964

The Friona City Council gave preliminary approval Monday to a \$278,869 annual budget for the fiscal year beginning next October 1. The proposed budget compares to that of \$247,484 adopted for the present fiscal year.

The Friona Star was a winner in the West Texas Press Association's annual contests. The Star was awarded the first place plaque in the "Best Editorials" division. It received the second place award in the "General Excellence" contest.

5 YEARS AGO—AUGUST 14, 1969

Mary Rando, Friona High School graduate currently a freshman student at West Texas State University, placed in the top ten of the "Miss Grain Sorghum of the Nation" contest at Dimmitt last Saturday night. Sponsored by the Parmer County Farm Bureau, Miss Rando presented a reading of "Freedom-My Responsibility."

Dear Bill:

I thought the picture of the roadside park was very pretty. True, Modern Study Club and I did start the ball rolling for installing Friona's roadside park, to replace the outdated park that had been there.

However, much credit goes to many other people. Mr. DeWitt Greer, state highway engineer; my good friend Bill Clayton, state representative; former district engineer O.L. Crain of Lubbock; Mr. Lloyd Killough, former Parmer County highway superintendent; and last but not least, Mr. H.A. Lednicki, landscape architect with the highway department, who came to Friona and spoke to Modern Study Club, and went beyond the call of duty to help us with the project.

In fact, Mr. Lednicki came by several times to check with me on what the people of Friona felt about the park. At that time, it was one of three parks in the state that had an underground sprinkling system. I believe that he was as proud of our park as the people of Friona have been.

We are proud of the fact that Frionians need have no fear that our news media fail to live up to the obligations and duties of a free press.

Sincerely,
June Rhodes

P.S.—I have been real proud of the column being written for the Star by Lorri Euler, one of my former students.

Star Survey

BY LORRI EULER

The Question: Do you think Friona needs more recreational facilities?

Out of the twenty people I called fourteen answered yes and six said no.

Nine people said they thought a skating rink would really be nice to have.

Three people wanted a bowling alley.

Even though our drive-in movie is open, two people said a walk-in movie would be the very best thing to have. One person said, "It would be wonderful to have the same movies here that we now have to travel to Hereford or Clovis to see."

Frionans Attend PCA Conference

Billy W. Carthel, vice president, and A.W. Anthony, Jr., both of Friona and members of the board of Plainview Production Credit Association, will join PCA officials throughout Texas in Houston Thursday for the Production Credit Association Directors' Conference.

James A. Rogers, Plainview PCA secretary-treasurer who will accompany the two directors, said the conference is designed to reemphasize policy and management functions of the Production Credit System and to bring the directors up-to-date on services provided to Texas' 32 PCAs by the Federal Intermediate Credit Bank of Houston.

Program speakers include W.H. Calkins, the bank's

president; Bill Black, Texas Agricultural Extension Service economist; and J.D. Jackson, American Airlines Flight Academy instructor. "Innovate, Motivate, Communicate" comprise the conference theme.

Plainview PCA loans outstanding to area farmers and ranchers were \$59 million as of June 30, 1974. Plainview's charter territory includes Bailey, Briscoe, Castro, Floyd, Hale, Lamb, Parmer and Swisher counties.

council's annual membership meeting in Stratton Mountain, Vermont, last week.

Harp is executive director of the Grain Sorghum Producers Association and the Texas Grain Sorghum Producers Board, both headquartered in Lubbock.

The U.S. Feed Grains Council, which represents virtually every sector of feed grain production and marketing, is one of the major organizations responsible for the development of foreign markets for U.S. agricultural commodities.

The council was formed in 1960 by the Grain Sorghum Producers Association and other agricultural groups. The USFGC, a non-profit organization, works under contract with the foreign agricultural service of the Department of Agriculture to increase dollar sales abroad of U.S. feed grains.

The council has developed and is currently implementing marketing programs in 20 countries and has generated more than \$2 billion in direct sales during the past fiscal year.

Harp toured the council's marketing areas in Asia early this year and will travel worldwide later this year as a representative of the council.

Other executive officers of the USFGC are Harold E. Noren of Dekalb, Ill., Alan J. Noble of Wayzata, Minn. and Lyle P. Campbell of Chicago, Ill.

SCS Report

The Parmer County Soil and Water Conservation District held the regular monthly meeting in Friona on August 6.

Leon Grissom, chairman, conducted the meeting. Members, Jimmie Cockerham of Bovina, Leroy Johnson and Dick Rocky of Friona, and Dan Smith of Lazbuddie were all present.

The directors reviewed the new publication, Ogallala Aquifer Water-Level data, put out by High Plains Underground Water Conservation District No. 1.

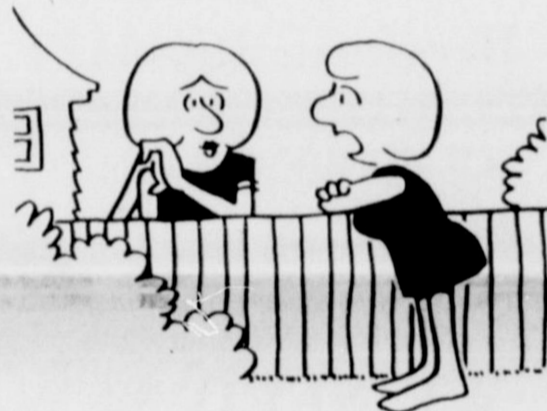

Herb Evans, of the SCS in Friona, informed the board that construction had started on Running Water Draw Water-

shed Project Site #1 at Clovis. Also, Evans informed the board that plans have been developed for the vegetation of Site #2 at Bovina.

The board re-affirmed their stand that they wanted to participate in the D.E. program with the Friona High School.

The board approved their annual plan and budget for 1975. They also made arrangements to prepare their 1974 annual report.

The meeting closed with a discussion of the District Directors election to be held in early October for Zone 1 which is the northwestern part of the district.

Services Held Here For Earsel Taylor

Funeral services were held here Friday for Earsel E. Taylor, 81, a Friona resident for the past 66 years.

Taylor passed away Tuesday at Parmer County Community Hospital.

Services were conducted at First Baptist Church. Rev. Bill Penland, pastor, officiated and was assisted by former pastor Russell Pogue.

The longtime Friona resident was born in 1893 in Illinois. He moved to this area in 1908, and was married to Grace Boatman in 1913.

Survivors include his wife, two daughters, Mrs. Natalie

Williams of Friona and Mrs. Helen Sachse of Amarillo; three sons, Glenn Taylor of Dimmitt; Clayton Taylor of Morton and Ralph Taylor of Friona.

Also surviving are 12 grandchildren and 10 great-grandchildren.

Pallbearers were grandsons, Harold Keith, Edwin, Joey, Kirk, and Brent Taylor and Mike Trent. Honorary pallbearers were Clyde Goodwine, George C. Taylor, Frank A. Spring, Earl Drake, Arthur Drake, Charles Allen, Curtis Murphree and G.B. (Pete) Buske.

Comptroller Nominee Visited In Friona

Bob Bullock, Democratic nominee for State Comptroller, was in Friona this week to say "thank you" to the voters of Parmer County who gave him a 73.3 per cent majority in the May primary.

Bullock won the Democratic nomination with the largest percentage vote of any contested statewide race. He carried all but one of Texas' 254 counties.

Visiting every county in Texas during the primary, Bullock said he "prefers to talk to the people personally instead of hiding behind words and gimmicks ground out by clever public relations people."

The size of his victory shows the people support improvements and reforms he recommends for the Comptroller's Office, Bullock said.

Bullock, 45, gained statewide acclaim as Secretary of State. He also has served as Assistant Attorney General and a member of the House of Representatives. He is a veteran of the Korean Conflict and lives in Austin with his wife Amelia and son Bobby.

During the campaign Bullock has called for an end to faulty collection methods which he says cost the state millions of dollars a year by "fly-by-night" operators.

BOBB BULLOCK

Bullock also has promised to cut down the amount of red tape facing businesses in handling and paying state taxes. Other reforms urged by Bullock have included quicker processing of city sales taxes by the state.

"I'm fully confident that the people are more than anxious to see that their hard-earned tax dollars are carefully collected and wisely spent," Bullock said.

An hour of farm labor today produces eight times as much food and other crops as it did 50 years ago.

Time Out With Don

BY DON WINDLE
Sports Editor

Monday morning started the 1974 high school football workouts across the Lone Star State. The 82 varsity candidates that reported to the Friona Chiefs could perhaps now be wondering, what in the heck did I do this summer to get so out of shape?

Chieftain mentor, Bob Owen and his staff has the gridiron hopefuls going through two-a-days which consists basically of getting into shape before putting on the tools of the trade Monday.

This writer attended football drills this week and the one thing that perhaps impressed me the most was the dedication that these young men have. Gene Strickland, a senior letterman for the Chiefs may have hit the nail on the head. Strickland remarked to the group, "Let's get it together and be the best team that Friona has ever had. The people of the community may not remember us, unless we as seniors, don't go out as winners."

Football like most sports is based on winning and losing, but it is one sport that builds character in an individual. A football player has to be able to pull his own weight in the battle of inches and yards. That is the basic secret to life, pulling your own weight.

FAN SUPPORT VITAL

To be a winner, a team has to have support. There is nothing more rewarding to a player than to look up in the stands and see the bleachers packed with hometown fans.

This writer was associated with a state championship team last fall and the following that the team had was tremendous. The team had the support of the entire town. The team traveled to one particular game and nearly 2,000 fans drove the 100-mile-plus-trip. Needless to say, the team won convincingly, but I overheard one of the opposing team members state, "Just looking up into the stands and seeing that solid wall of purple, kind of takes something away, and it's too bad that the visiting team outnumbers the hometown fans three-to-one."

At the district championship contest, another game away from home, nearly 4,000 tickets were sold and used. When the eventual state champion played for the title, again away from home, there was a standing-room-crowd only, and a new state game attendance record was established.

Some may say, well that's a larger town, but let me add, the same can apply here in Friona regardless of the population, show these future leaders of the community that we care.

Season tickets are now on sale at Bi-Wize Drug. The cost for general admission is \$8 for the four home games. It's not much money and the Chieftains are picked to cop the always tough District 3-AA crown—Support the Chiefs!

SPORTS' QUIPS

Now that the National Football League player strike has been settled to some degree with the action of a thorough inspection of pro football's antitrust status by 12 members of the House of Representatives, maybe the remaining exhibition schedule can be made to resemble professional football, not some college game.

This writer is certain that the pro players have legitimate gripes, but why should they bite the hand that feeds them. This second strike in the past two years could drive the avid gridiron fan to the new World Football League where the brand of football played is a wide open game and not the run on first down and pass on second, third, and try the field goal if around midfield.

The players state that it's not the money, but the right of the

Women Golfers Shine In Farwell Tourney

Friona's Kay Renner carded an 80 to emerge as medalist of the High Plains Ladies Playday Tournament held at the Farwell Country Club Wednesday. Debra Huckabee and Josie Long of Friona captured low gross honors in their respective flights during the tournament.

Darla Goggans, another local golfer tied for low net honors with Norma Haile of Canyon. Audrey Shotenrick of Dimmitt won low net honors for the tournament with a 73 total.

In the championship flight, a pair of Clovis, N.M. golfers, Anna Crook and Kay Gregett took low gross and low net honors with an 89 and 81 respectively.

Doris Herington of Farwell carded a 91 for first flight low gross honors while low net honors went to Bobbie George of Dimmitt with an 85.

In the second flight, Kathryn Skarda of Friona shot a 102 for low gross honors and Monty White of Dimmitt won low net with an 84.

Eastern will have two workouts in the morning with the team divided into two groups. The afternoon session will have both groups working together.

KING IMPRESSIVE

Friona's Ted King played a big role in the East's 33-24 victory over the West in the 25th Annual Greenbelt Bowl Classic last Saturday.

King, a Eastern New Mexico University bound lad, latched on to a 44-yard and 15-yard touchdown pass. Have A Sunny Day—

Don Carthel Joins ENMU'S Coaching Staff

"I'm really excited about the coming season, and I'm ready to get going," remarked Eastern New Mexico University's head coach, Jack Scott, about fall workouts which begin this Saturday, August 17.

"We have a good bunch of athletes who will be going through our workouts," Scott continued. "Everyone will have a physical on Saturday, and the first workout will begin on Sunday."

Eastern will have two workouts in the morning with the team divided into two groups. The afternoon session will have both groups working together.

Returning for the Silver and Green are 26 lettermen and seven squadmen. Nine of the 26 lettermen were offensive starters last season, while four starters return from the defense. Five seniors will be in the Hound camp, along with 15

what they're doing when they steal vegetables from a farm garden.

We heard this week about the plight of Mitch and Doug Massey, sons of Mr. and Mrs. Leon Massey.

The youngsters have worked all summer long on a garden, to raise produce for sale, in order to earn money to buy a trampoline.

The two spent countless hours in weeding, irrigating, and all the work that goes into a garden. After advertising their products, they had been given a number of orders to fill.

Then this week, someone helped themselves to the garden, and completely stripped everything the boys had raised.

What they wonder, and a point we'd like to raise too, is: "Where does it say that people are free to help themselves to products belonging to someone else?"

HARD FACTS ABOUT OUR DODGE BOYS' 1974 MODEL CLEARANCE.

DODGE PICKUP CLEARANCE!

FACT 1: DODGE PICKUPS HAVE FEATURES YOU CAN'T GET FROM COMPETITION. CHECK 'EM OUT!

Any way you want to compare our Dodge D100 against Ford's F100 and Chevy's C10—you'll find out you're a winner when you choose Dodge! For example: Only Dodge offers you Electronic Ignition (standard on all models), a greater standard payload, more pickup models, the smallest six-cylinder engines (as well as the efficient Dodge 318 V8), the largest standard fuel capacity—and much more.

FACT 2: OUR DODGE 318 V8 CAN GET SLIGHTLY BETTER GAS MILEAGE THAN A FORD OR CHEVY SIX-CYLINDER PICKUP!

In an actual road test from LaVerne to Blythe, California (a distance of 381 miles), at an average speed of 54 mph, USAC put six competitive pickups through the test: a Six and V8 each, Dodge, Ford, and Chevrolet. All pickups were purchased by USAC through normal retail channels. All had standard manual transmissions and rear axle ratios, as well as nominal eight-foot cargo boxes.

The Dodge 318 got slightly better mileage than the other two V8s, as well as the Ford and Chevrolet six-cylinder engines! Our 318 V8 got 18.78 mpg. Our 225 Slant Six did even better—19.05 mpg. Of course, the mileage you get depends on many factors, including how and where you drive, and the condition of your vehicle.

Six Packs Win No. 25; Quintana's Mark: 18-1

rallied behind a third inning six run outburst to defeat Lubbock.

David Davila was given credit for the mound victory, giving up eight hits and striking out seven Lobo batters. Davila chipped in a double and single to aid his own cause. Ismael Iglesias came up with a double in the seventh inning.

The Friona Six Packs scored a pair of come-from-behind victories Sunday to improve their season win-loss mark to 25-4. The Friona baseballers blasted out six runs in the third inning to overpower the Lubbock Lobos, 11-5, and then came back in the nightcap to nudge the Spade Aces, 5-3.

In the first game of the doubleheader the Six Packs

The Six Pack's Manuel Quintana extended his pitching record to 18 victories this season as the Friona squad handed the Spade Aces a 5-3 loss. Quintana has been the "ironman" of the Six Pack pitching staff this season and has lost only one time in 19 decisions.

The Aces erupted for one run in the first inning and tacked on two more in the third inning. With the score 3-0 against them in the third inning, the Six Packs exploded for four runs in their portion of the third inning. Friona added a key run in the seventh inning to clinch their 25th game of the season against four setbacks.

CONGRATULATIONS...Friona Country Club golf pro, Cotton Renner, congratulates Mick Mingus on winning the Club Tournament championship recently. The Country Club is preparing to tee-off with its 1st Annual Guest-Member Tournament scheduled for August 24-25.

Optimism Runs High As Workouts Begin...

(Continued from Page 1)

Davy Carthel, a 185-pounder returns to the fullback slot, a position he held last fall.

The other halfback position will depend on whether Kevin Welch can recover from leg surgery quick enough. However the halfback slot will be well-filled by Kent Miller. Dee King will see action at this spot during the season and could work into a starter's role.

The Chiefs have one of the best receiving corps in the district with Dale Cleveland, David Hutson and Gene Strickland. Cleveland, a six-foot-four-inch, 190 returning All-South Plains tight end is a good reason for the Chiefs to be feared.

The interior linemen will be one of the strong points for the Red and White. Three starters return from last season as both guards, Roy Don Rector (5-10, 160) and Mitchell Wiseman (5-11, 183) find themselves occupying the same position they played so well last season.

Kenny Stowers, a six-foot-two-inch, 200-pound senior, will man one of the tackle spots, while Danny Campbell, a 190-pounder takes over the other. Campbell saw action last season with the B-team. At center will be David Clark, a returning starter from last season.

Other probable varsity players include Rude Rule and Robin Baize as backs while Garvin Thorn and David Barnett will be vying for end positions. Johnny Esquivel, Keith Pryor, Loren Walters, Joe Cunningham and Kenny Sifford are trying for berths on the line.

DEFENSIVE PLAYERS

"We haven't much depth, but we feel that defensively we will be sound," remarked defensive coach Larry Dyess. Coach Dyess added that the defensive unit could be very aggressive with good quickness.

The Chiefs will employ a basic five-man front in their multiple type defense. Roy Don Rector will draw the nose guard position flanked by Mitchell Wiseman and Kenny Stowers at the defensive tackle slots. The defensive ends are Dale Cleveland and David Clark.

The Friona secondary will use a four man rotation with Dee King being used as the rover. King is one of the best hitters on the team according to Coach Dyess. Robin Baize is a cornerback and will be given a breather by Rude Rule. Dusty Peters is the safety. David Hutson is tabbed to play the defensive halfback and could be battling Gene Strickland and Kent Miller for the starter's

role before the season ends. The Chiefs will have a pair of outstanding linebackers in Davy Carthel and Clay Bandy.

STRONG DISTRICT

The Chiefs have been selected by the "Top-O-Texas Football" magazine to cop the District 3-AA grid crown.

However, Coach Owen is not discounting defending district champion Littlefield. The Wildcats have proven to be tough year after year.

Dimmitt with a senior laden team and a great running back in Robert Mayberry, who is being compared to ex-Boheat great Junior Coffee, could very well be a strong contender with the Chiefs.

Coach Owen is not discounting Olton, which returns nine starters from last season.

SCRIMMAGES SET

The Chiefs will get their initial game conditioning August 22 when they travel to Boys Ranch for a controlled scrimmage. The Friona freshmen team meets Boys Ranch also. The scrimmage is scheduled for 7 p.m. On the same night, the junior varsity meets the Amherst varsity.

Friona football followers can get a close look at home August 30 when the Chiefs entertain the Canyon Eagles.

Bovina Slates Motocross Event

For the third consecutive year, Motocross cycle races will conclude the Bull Town Days festivities.

The races will begin at 2 p.m. Sunday at the track just west of the Texas Highway Department Building on the Dimmitt Highway.

Sponsoring the event this year is the Bovina Jaycees. Admission will be \$1 per person at the gate.

An added attraction at this year's show will be an exhibition by a sky diving club from Amarillo.

The name of the winner of the \$3500 bass fishing rig being raffled off by the Jaycees will be drawn at the conclusion of the races.

Sunday's event will be the final in a series of three races with the winners determined by point totals. First place winner in each class will receive \$100, second place winners \$50 and third place winners \$25.

Some 175 to 200 bikes are expected to participate in the amateur and expert divisions with a crowd of 1000 anticipated for the event.

Standings in the divisions for the first two races in the series are as follows:

125 c.c.-Glen Adkins, 30; Clay Stafford, 20; Danny Mitchell, 8; Kevin Boyd, 6; Newell Wortham, 6; Kevin Knight, 6; Eddie Brasher, 4; Loren Walters, 4; Greg Smith, 2; Kent Thornton, 2; Jeff Grissom, 2.

250 c.c.-Wayne Chick, 24; Tracy Womack, 24; Newell Ingram, 6; Buddy Smith, 4; Hollis Helms, 2.

Open class-Tracy Womack, 24; Roger Pattison, 18; Mike Ellis, 12; Gary Bailey, 10; Kelly Fenwick, 8; Don Snyder, 6; Jim Estes, 6; Mike Blackwell, 4; Lyle Gant, 2.

Member-Guest Tourney Set

The first annual Member-Guest Partnership golf tournament will be held August 24-25 at the Friona Country Club. The tournament will feature 36-holes of medal play.

Country Club golf professional, Cotton Renner expects approximately 50 members to bring their partner and participate in the two-day affair. The tournament is basically a social event in which Country Club officials hope to make an annual thing. All members are urged to contact Renner and register for the tournament.

A hamburger feed is on tap for Saturday night following the first day of play.

TOURNEY WINNER

Mick Mingus recently won the Club Tournament Match Play by defeating Dave Carson, John Renner and Pudge Kendrick. Kendrick was second while John Barker took consolation honors.

In the first flight, Huck

Nickols defeated Jon Mack Roden for flight championship. Ricky Royal was the consolation winner.

Baker Duggins emerged as champion in the second flight by defeating Tom Jarboe. Don Hukabee was third in the flight.

Gaylord Maurer nosed out Jake Outland for the title in the third flight while Fay Nettler took third place honors.

Glenn Goggans defeated Bubba Long for fourth flight top honors.

Don't miss it!

Season Schedule Is Announced At Eastern Johnny Spring Has Surgery In Amarillo Jones, Neal Qualify For Roping Contest

Season football tickets for Eastern New Mexico University's six home games go on sale Thursday, according to Dr. Dewey Langston, director of athletics at the University.

Season prices for Section A (glass-enclosed seats) are \$32, while Section B (chair-back seats) are selling for \$20. General admission seating will be in the bleacher-back and bleacher seats on the west side of Greyhound Stadium and all the seats on the east side.

Single game prices are as follows: Section A-\$5.50 advance, \$6 at the gate; Section B-\$3.50 advance, \$4 at the gate; adult general admission-\$2 advance, \$2.50 at the gate. Prices for student tickets are \$1.50 per game; while children under 12 are admitted for 75 cents.

Eastern will open the season Sept. 7 against Panhandle State University at 7:30 p.m.

(Mountain Time) in Greyhound Stadium. Other home games on the Pack schedule are Oct. 5 against Fort Hays State College at 7:30 (Parent's Day); Oct. 19 against Southwestern State College at 7:30; Nov. 2 against East Central State University at 2:30 (Homecoming); Nov. 16 against the University of Northern Colorado at 2:00; and Nov. 23 against Western New Mexico University at 2:00.

Head coach Jack Scott returns nine offensive starters and four defensive starters for the 1974 season. The Silver and Green will begin fall workouts with five seniors, 15 juniors, 18 sophomores, and 49 freshmen.

Season tickets are available at the Athletic offices in the Physical Education Complex or at the Business Office in the Administration Building. Additional information may be obtained by calling 562-2153.

Johnny Spring, 13-year-old son of Dr. and Mrs. Paul Spring, underwent corrective back surgery last week at Northwest Texas Hospital in Amarillo. The surgery was termed successful.

The youngster has been hospitalized in Amarillo since an accident at the local roping arena July 7 in which he was dragged by a horse.

He was to be transferred this week to the Blevins Rehabilitation Center in Amarillo, to begin treatments.

A spokesman for the family says that Johnny continues to show improvement.

Bovina will be represented in the first annual world championship team roping and barrel racing just for feedlot personnel to be held in Las Vegas, Nev., Nov. 30 and Dec. 1.

Sonny Jones and Tony Neal, representing Parmer County Cattle Company, will be among the roping teams which have qualified for this first annual contest.

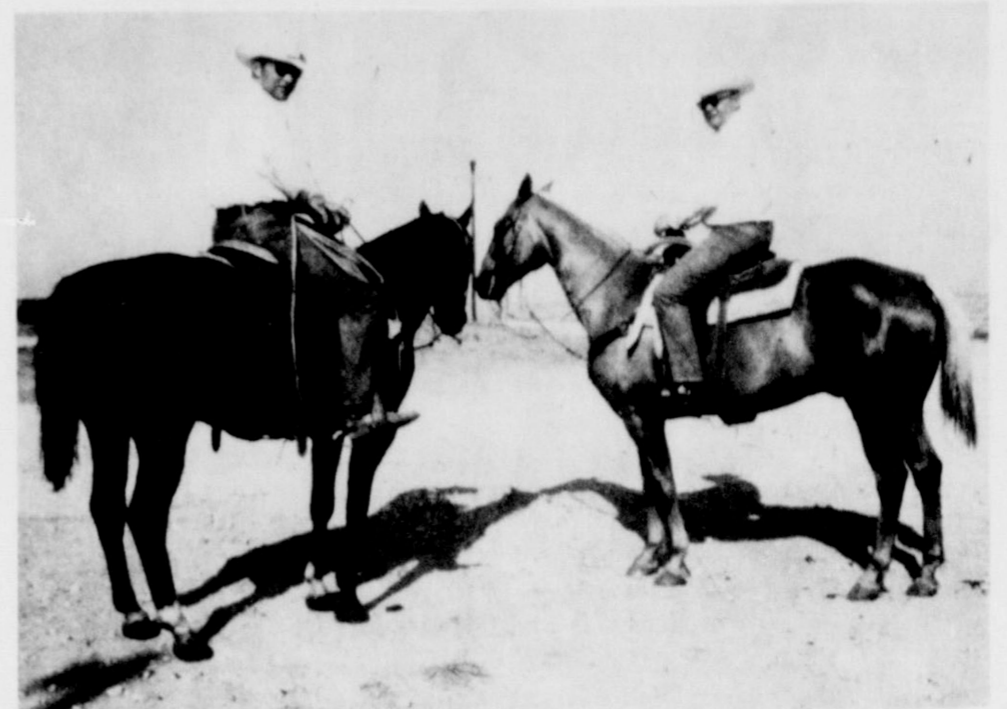

The event is sponsored by "Calf News" and 21 of its advertisers. "Calf News" is a magazine published for feedlot management and personnel.

Co-sponsoring the contest will be American Cyanamid Co., Chemagro Division of Bacheem Corp., Commercial Solvents Corp., Diamond Shamrock Chemical Co., Elanco Products Co., Farr Better Feeds, Feed Commodities Inc., Ferrell-Ross Franklin Laboratories, Inc., Hydraulics Unlimited Mfg. Co., International Minerals and Chemical Corp., Livestock Business Advisory Services, Inc., Masonite Corp., Merck Chemical Division, Pacific Molasses Co., Rachele, Raiston Purina Co., Ritchie Manufacturing Co., TUCO Div. of The Upjohn Co., Pfizer, Inc., and Syntex Agribusiness.

Jones and his son, Neal, qualified for the national finals

in the open team roping event at the regionals July 13-14 in Hereford. That event was held at Glen Green's Roping Arena and sponsored by Imperial Livestock Supply of Hereford.

Jones and Pat Hall, also of the Parmer County Cattle Company, qualified for the world finals in century roping. In that event the combined ages of the two team members must equal 100 years or more, however, contestants may enter only one event at Las Vegas, so Jones and Neal will enter the open team roping.

IN CHAMPIONSHIP FINALS...Sonny Jones, right, and his son, Tony Neal, both of Jones and Neal qualified for the contest by placing among the top four teams at a regional match in Hereford in July. Bovina, will represent Parmer County Cattle Company at the first annual world championship roping events for feedlot personnel Nov. 30 and Dec. 1 in Las Vegas.

SERVICES HELD FOR FATHER OF MRS. JOHNSTON

Funeral services were held last Friday in Tulia for C.I. Massey, 90, who was the father of Mrs. Jim Johnston of Friona. Massey passed away August 8 after being hospitalized for a time. He had lived in Tulia since 1946.

Bike Crashes Up 70 Percent

Noting that traffic accidents involving bicycles increased by some 70 percent in Texas last year, the Texas Safety Association urges cyclists to begin bike season this spring with safety in mind.

Riders should be aware that bicycles are subject to all traffic rules, signs and signals on Texas thoroughfares.

TSA recommends the following bike safety rules:

- Keep to the right side of the road and ride single file. Don't weave.
- Never carry passengers.
- Use arm signals when turning or stopping.
- Slow down and use extra caution at intersections and driveways. Ride slowly in busy sections and near parking areas. Dismount and walk across especially heavily travelled streets.

- Keep both hands on the handlebars.
- The law requires reflectors visible from 300 feet and a head lamp emitting a white light visible from a distance of at least 500 feet for night riding.
- Equip your bike with a warning device (a bell or horn) and use it.
- Yield right-of-way to pedestrians and motor vehicles.
- Do not hitch rides on the back of another vehicle. Keep a safe distance between yourself and the vehicle ahead.
- Do not ride into the street from between parked cars, and do not ride between two lanes of cars stopped in traffic.

FOR THE GUEST ROOM—Cotton in a geometric cane pattern sets the color and design pace in this handsome guest room. The fabric in brown, black, and gold is used for the daybed, walls, and draperies. The brown and black coloring is repeated in parson's tables and a contemporary chair, while the gold is picked up in the floor covering and the wall behind the bed. Fabric by Desley-Edson.

Masons Attend UCT Convention

The 87th annual international convention of The Order of United Commercial Travelers of America (U.C.T.) was held this week at the Royal York Hotel, Toronto, Ontario, Canada.

Approximately 1,400 officers, delegates, wives and guests from throughout the United States and Canada attended the convention to lay groundwork for future activities.

Mr. and Mrs. Carl R. Mason of Friona attended the convention.

The United Commercial Travelers of America is a fraternal benefit service society, founded at Columbus, Ohio in 1888. Its members are organized to provide civic service through programs such as aid to retarded children, safety, cancer education and youth enrichment. "Aid to Retarded Children"

was selected as the organization's top priority civic project in 1969. Since that time, U.C.T. has helped prepare more than 2,700 teachers in the education of retarded children, by awarding scholarships to students interested in special education.

In their own communities, members have contributed more than one million dollars in man-hours and cash developing programs for retarded children. They have funded sheltered workshops and purchased materials and equipment to be used in the promotion of educating and training these children to be useful and, often, self-supporting citizens.

With a total membership of more than 255,000, U.C.T. has 681 local councils in 47 states, the District of Columbia and all the provinces of Canada.

Herring, first vice president; Mrs. Patrick Pace, president; Mrs. Dale Gober, second vice president; Mrs. Owen Drake, reporter and Mrs. Terry Brown, treasurer.

Young Homemakers Install Officers

Friona's chapter of Young Homemakers met Thursday, August 15 at the High School cafeteria. Purpose of the special summer meeting was to install new club officers for the 1974-75 club year.

The new officers installed were: Mrs. Patrick Pace, president; Mrs. Tim Herring, first vice president; Mrs. Dale Gober, second vice president; Mrs. Larry Dyess, third vice president; Mrs. Terry Brown, secretary-treasurer; and Mrs. Owen Drake, historian-reporter.

Mrs. Mickey Wilson presided over the business meeting, which included past projects, discussions on club regulations, the Area I Convention, which is to be held in Plainview

September 7 and undertaking the Story Hour responsibilities at the local library.

Kathy Cain read the minutes of the last meeting held in May and the treasury report. Linda Black reported on the financial situation of projects undertaken by the club this year.

The club was adjourned and the next meeting was scheduled for Thursday, September 5 in the High School cafeteria at 4 p.m. All members and prospective members are urged to attend. Babysitters will be provided by the members of the Future Homemakers organization.

Mrs. Ron Williams, Friona's new home economics teacher, will be co-sponsoring with Mrs. Valoris Osborn.

Baby Shower Honors

Mrs. Scott Cummings

Mrs. Scott Cummings was recently honored with a baby shower in the home of Mrs. Pat Swatt in Lubbock.

The serving table was covered with a yellow cloth and yellow and white decorations were used.

Other hostesses were: Dorothy Walker, Kathleen Brock, Fay Wilson, Connie Lewellen.

Nancy Berryman, Willa Hollis and Brenda Judkins.

Out-of-town guests attending the shower were: Mrs. Doyle Cummings, Mrs. C.D. Carter, Mrs. Laura White and Mrs. Clarence Martin, all of Friona; Mrs. Otis Huggins, Farwell; Mrs. Emma Cassody, Texico; and Mrs. Sailey Tankersley, Post.

LIBRARY CORNER

"This Fabulous Century-1900 to 1910" is a lovely, large picture book available for your enjoyment at Friona Public Library.

By the editors of Time-Life Books, "This Fabulous Century" is a remarkable re-creation of the early days of the United States when the nation still moved to the leisurely pace of the horse and buggy, and when supermarkets and super-highways were still very far in the future. In the book are hundreds of pictures, cartoons, advertisements and even song sheets.

Contents include chapters on newcomers to the U.S., flying machines, children, the old hometown, ladies and sports. The very rich receive attention as do the automobiling fad and show time.

Chapters are begun with brief resumes and remembrances. Most of the pictures look like those we now see in restaurants which are decorated in an old fashioned motif.

ENTERS CONTEST...Dorothy Johnston, daughter of Mr. and Mrs. Jim Johnston, will be entered in the Miss Wheatheart of the nation contest next weekend in Perryton, representing the Friona Chamber of Commerce. She will take part in the parade, luncheon, swim suit and formal competition on Saturday, August 24.

TWICE NICE — Two-tone sportswear in easy-going cottons double wearing pleasure. Cone's corduroy in navy and red makes an eye-catching jacket and pants ensemble (left) with lots of flap pockets. More red and navy turns up in a casual knit shirt and brushed cotton denim pants with big patch pockets. Both outfits by McCain Manufacturing Co.

MARTHA JAN MATTHEWS...Rev. and Mrs. Frank Matthews of Lazbuddie announce the engagement and approaching marriage of their daughter, Martha Jan, to James Arnold Kinard, son of Mr. and Mrs. Dallas Kinard of Muleshoe. The couple plans an August wedding.

Andrews' Composition

Is Winner In Contest

James Andrews, assistant band director for Friona schools, received a singular honor this summer, it was revealed this week.

Andrews' composition, "Sinfonietta for Winds and Percussion," was chosen as the outstanding composition from the College Band Directors National Association's biennial composition contest.

The local musician's work was the winner for the Southwest Region of the CBDNA, for the 1974-75 biennium. The composition now advances to the college finals, to be held at Berkeley, California in February of 1975 at the CBDNA national convention.

The composition, which had been performed by the West Texas State University band earlier this year, won out over

nine other compositions which were vying for honors in a region comprising musicians from Texas, Oklahoma, Arizona and Colorado. Andrews' work was chosen on the first ballot at the regional convention.

The work will be presented in concert by the University of Oregon band along with the other five regional winners from across the country.

Delegates to the convention will vote by secret ballot to choose the winning composition, for which its composer receives a substantial cash prize plus publication of his music.

The CBDNA composition contest is generally regarded as one of the most prestigious events of its type.

Andrews is beginning his fifth year in the local school

system. He is a member of the Texas Music Educators Association, The Texas Bandmasters Assn. and the Friona Kiwanis Club.

Littlefield Group

Plans Art Festival

The seventh annual side-walk art festival in Littlefield has been set Friday, August 23, according to a spokesman for "We, the Women," one of the sponsoring organizations of the event. The group is the women's division of the Littlefield Chamber of Commerce. Acting as co-sponsors for the festival are the chamber, Hart-Thaxton Hardware, Littlefield Glass Works, The Gallery, Perry Brothers Variety and the Art Associations of Littlefield.

Area artists who have completed work within the past year, not supervised by an instructor, are invited to exhibit their work for professional judging, cash prizes and gift certificates.

Registration will begin at 1 p.m. in the 500 block on the west side of Phelps Avenue. Number of entries is limited to five per person and each exhibitor must furnish display

stands. Two divisions will make up the show—painting and arts and crafts—which will be divided into adult, junior and intermediate groups.

Each division will be judged by professionals with a best of show to be selected. Popular vote will determine the recipients of cash prizes and gift certificates. Announcement of winners will be made before the close of the show at 8 p.m.

Along with a concession

Texas leads the U.S. in natural fiber production, according to Marilyn Brown, consumer education clothing and textiles specialist, Texas Agricultural Extension Service, The Texas A&M University System. Texas produces 97 per cent of the mohair, 30 per cent of the cotton and 20 per cent of the wool used in the U.S.

A serving as small as four ounces of lean fish will supply about half the total protein a person requires each day. Mrs. Mary K. Sweeten, foods and nutrition specialist, Texas Agricultural Extension Service, The Texas A&M University System, noted this week.

SCHOOL BELLE—On the honor roll for comfort and good behavior is this crisp cotton print that's softly shirred at waist and sleeves. It's by Tiny Town.

INNER FABRICS successfully applied to a garment achieve a professional look. But successful application depends on knowing what to use and when and where to use it.

Understanding the differences among lining, underlining and interfacing can help the homemaker learn which to use.

Underlining is a second layer of fabric, constructed with the fashion fabric. It gives shape to the garment and helps prevent wrinkling.

Interfacing is attached to these two layers of fabric. It prevents stretching and adds strength to areas of stress. Interfacing adds shape to detail areas such as collars, pockets and hemlines.

Lining covers the inside of the garment. The lining is constructed separately and is attached just before the garment is finished.

Lining provides a smooth and comfortable finish. It reinforces the shape of the garment and minimizes clinging.

Any combination of fabric applications—or all three together—can be used in construct-

ing a garment. Select inner fabrics by draping all layers with the fashion fabric. Inner fabrics should be lighter in weight than the fashion fabric and have similar fiber content and care requirements.

MAKING jams, jellies and preserves is a good way to use fruits with size or shape unsuitable for canning or freezing.

Follow a tested recipe and be sure to use the proper amounts of fruit, pectin acid and sugar to make a satisfactory product of good jell consistency.

Pectin is the substance in fruits that when heated and combined with fruit acid and sugar causes the mixture to "jell."

Some fruits, such as apples and plums, contain pectin and combine well with other fruits that do not contain as much natural pectin.

Jellies and jams can be made without commercial pectin, but they must be cooked longer than those with added pectin.

**Issue Plaudits For
Banquet Work**

Robert Neelley and Percy Parsons, who were in charge of arrangements for the Doctors Appreciation Night banquet here Tuesday, expressed their thanks to all who had a part in making the banquet the success that it was.

"I've never worked on a program before where there was as much cooperation as we had in preparing for this banquet," Parsons remarked Wednesday, following the dinner.

According to records, some 579 tickets were sold for the banquet, and there were 25 complimentary tickets issued. Apparently, around 540 people were actually served. The banquet was catered by Sutphens Barbecue of Amarillo.

Parsons and Neelley said they wished to thank the members of the various

committees, named below, who helped with the banquet. There may be others not listed, they said, and if so, they apologize for overlooking them.

Committee members were:

Background music—Eva Miller and Mary Cary.

Food—Wendell Gresham, Lee Witten and Betty Rector.

Program—Lunell Horton (c), Phila Mae Weatherly and Luann Hough.

Publicity—Lilah Gaye Gee.

Decorations—Vicky Bell (c), Irene Shirley, Brenda Pace, Shirley Wilson and Linda Barker.

Tickets—Ilene Osborn and Alio Reeve (c), Pudge Kendrick, Carl Schlenker, Dan Ethridge, Lucille Rokey, Ethel Bengner and Willard Stewart.

Chairs and tables—Percy Parsons (c), Albert Cupell and Dale Houlette.

Gifts—Robert Neelley.
