

Star Lites By Bill Ellis

PAUL HARVEY calls Uncle Sam an "Indian Giver." Harvey points out that although the average American is earning \$15 a week more than a year ago, the money won't buy any more.

And what is worse, the increase has forced the wage-earners into a higher tax bracket, and they end up with less spending money than they had prior to the raise.

Apparently, the only answer lies in trying to get ahead of the system in getting a government job.

Today, there are over 15 million people working for Uncle Sam. This is double the figure of 20 years ago. So lucrative are some federal jobs that there are 76 applicants for every opening.

White-collar government employees recently received a seven per cent increase in pay that brings the average federal employee up to \$17,350 per year.

The increase is on top of fringe benefits such as vacations (up to 26 working days), retirement (50 per cent of top salary at 55, after 30 years), automatic cost-of-living boosts and three times more sick leave than private workers receive.

In addition, promotions are automatic in the federal ranks. The longer an employee works, the more he earns, thanks to a three per cent raise every year or two. This year's seven per cent raise was extra.

And, in most cases, the job belongs to the federal employee as long as he wants it, no matter how much they goof off. And, no matter how many of us think they're not worth what we pay them, it's almost impossible to get fired from the government.

A study disclosed that since 1976, federal workers have received 12 pay raises, for salary increases of 94.8 per cent.

WE WERE VISITING with a friend this week, and in the course of the conversation we decided that Americans are fast losing out on the concept of majority rule.

Think about it a little while and see if you don't agree.

Americans by and large, we are virtually sure, do not go along with the liberal concepts promoted by that wing of the ERA movement. Yet, at the recent IWY national convention, as it happened at the state meeting, those radicals were able to pass their proposals.

The majority of the people are against welfare abuse, plus the expensive network of bureaucrats and other employees that welfare helps to employ. Yet, we see little being done to reform the welfare situation, although this was one of Carter's campaign promises.

We would bet that if a vote were taken, you'd find that an overwhelming number of Americans are against the Panama Canal giveaway treaty, soon to be debated by Congress. But this is another of the areas that our government seems determined to cram down the throats of the "average" citizen.

Do you still believe in majority rule? If you do, and if this system is to survive, then perhaps you had better stay in contact with your elected representatives, writing or contacting them often, to let them know how you stand on certain issues. Otherwise, we may find ourselves completely ruled before long by the not-so-silent minority.

THE TREASURY DEPARTMENT issues around 787 million checks each year. It also is nice and legal and keeps all its cancelled checks for the required seven years.

Each year, some 787 million old checks are taken out of file and 787 million new ones put in. What happens to the seven-year-old cancelled checks? Glad you asked.

We have just learned that they are recycled into toilet paper (among other things). Treasury officials say the cancelled checks produce 54 million rolls of toilet paper a year, which are used in the 10,000 federal buildings around the U.S.

DRIVE BEGINS...Gertrude Murphee, a member of Modern Study Club, is shown putting up a poster promoting "Project Christmas Card," which the club sponsors in

conjunction with the Friona Star each year. Those wishing to contribute to the project will have until December 19 to make their deposit at Friona State Bank.

Contest Names Co-Champions

The closest wind-up in the history of the Friona Star's annual football contest found not one, but co-champions for the 1977 event.

For the first time since the tie-breaker had been instigated to separate ties for the championship, the tie still could not be resolved, and R.L. Blakely and Jerry Hinkle were declared co-champions.

At the conclusion of the contest, four contestants were tied with identical scores of 298. Jack Clark, who went into the final week with a two-point lead, and Bobby Drake, who gained four points on the leader, joined Blakely and Hinkle in the traffic jam at the top of the list.

The final issue was not settled until Monday night's Oakland-Buffalo game (the tie-breaker game) was played.

After the dust had settled, Hinkle and Blakely were still deadlocked with an overall score of 170 on tiebreakers. Clark missed out on the top score by just a point at 171, and Drake came in fourth at 173.

Blakely and Hinkle split the grand prize (\$100) and second grand prize (\$25), each receiving a check for \$62.50. Clark was awarded third grand prize of \$15.

The two winning contestants had scores of 18 on the final week to Clark's 16, to force the tie. Drake had a finishing kick with a 20 to have a shot at all the marbles.

The winning score of 208 was a record score, topping by 10 the 198 posted by 1976 winner Clay Bandy.

In the final weekly contest, Movelda Fortenberry equalled the season high score in what was a tough week for some contestants, ringing the bell with a sparkling score of 21. Her only miss was in picking Navy to beat Army in the annual battle of the service academy teams.

Mrs. Fortenberry was awarded the weekly first prize of \$10.

Six contestants had scores of 20. From this list, Don Fortenberry claimed second place money of \$6 by missing the tie-breaker score by only three points. Ron Harkey had to settle for third place, missing the Oakland-Buffalo score by six points.

Others with scores of 20 were Marlene Mueller, Linda Drake, Craig Trimm and Bobby Drake.

Senate Runoff Voting Slated

Absentee voting began Wednesday in the county clerk's office for the state senate runoff election, which is next Saturday, December 10.

The special voting period will end Tuesday, December 6.

Polling places for the runoff election will be the same places as the special election held last month. In Friona, voting will be at the Friona Fire Station.

Voters were alerted that they may vote in the runoff election whether or not they voted in the November 8 election. All eligible voters may cast a ballot in the runoff.

Opponents in the runoff are Bob Simpson, Democrat, and Bob Price, Republican, who were the leading vote-getters in the special election November 8, called to choose a successor to Max Sherman.

Simpson led the voting in the first round, getting 8,777 votes in the district. Price was second in the five-man race with 7,924.

A total of 921 voters cast ballots in Parmer County in the first election, but officials are predicting a lighter turnout for the runoff. The turnout could be influenced considerably by the weather.

CO-CHAMPIONS.... R.L. Blakely, left, and Jerry Hinkle, reigned as co-champions of the Friona Star's annual football contest after checking tie-breaker scores on their entry blanks for the entire season.

Pheasant Season Begins December 10

The 1977 pheasant season in Parmer County will get underway Saturday, December 10, and continue through Sunday, December 12, spanning three weekends this year as it has in the past four years.

An excellent pheasant crop is forecast for the 1977 hunt. According to Jack Patterson, who has been close to the pheasant program since its inception, the pheasant population seems to rise and fall with the area's winter wheat crop, which was good this past year.

It will mark the 14th annual pheasant season for hunters in Parmer County.

More than 2000 pheasants were released in Parmer County by the game association in 1962 and '63 with the population growing steadily since that time.

The more colorful male pheasant is the only legal game for hunters with the hens being protected by state laws.

The limit this year will be two cocks per day with four in possession, the same as the past several years. The season and rules are set by the Texas Parks and Wildlife Commission.

The later season for hunting pheasants has proven popular, especially with college students. Although a large number of hunters will be in the fields throughout the season, most of the hunters will be stalking the colorful bird the opening weekend of the season.

Tailfeather contests will be conducted in Friona, Bovina and Farwell again this year with three cash prizes offered for the longest tailfeathers.

The hunter turning in the longest feather in each town will receive a \$15 cash prize with second place awarded \$10 and third place \$5. The hunter with the longest tailfeather in the county will receive an engraved plaque from the Parmer County Game Management Association.

Further details concerning the local contest will be printed in next week's edition of The Friona Star.

PHEASANT TIME....The pheasant cock will be the object of hunters all across the Panhandle beginning next Saturday, December 10, when the annual pheasant season opens.

Although a good hunt is expected on opening day, the colorful birds usually manage to make themselves scarce. (Photo courtesy of Texas Parks and Wildlife)

Senator Tower To Visit On Wednesday

Senator John Tower will speak in Friona on Wednesday, December 7 at the Friona State Bank's Community Room, for his "Town Hall" meeting with constituents, that was previously scheduled in early November, but had to be postponed due to pressing Senate business.

Purpose of the meeting is for Sen. Tower to report briefly on the success and failures of the Congress, and to answer questions from citizens. He expects to hear opinions from residents on national issues.

In a news release this week, Tower said that the 95th Congress "produced some good and bad decisions, but so far has left some major legislation in limbo."

"The major issues of an effective national energy policy, Social Security, welfare and labor reform still remain to be solved," Tower said. "My upcoming conversations with citizens in Texas will assist me greatly in speaking out and voting on the reports that emerge from the House-Senate conference committees in December."

Tower has stops scheduled for 21 communities during the swing.

Stops include Guthrie, Aspermont, Jayton, Spur, Crosbyton, Lubbock, Tahoka, Morton, Matador, Silverton, Tulia, Claude, Clarendon, Wellington, Dimmitt, Friona, Amarillo, Miami, Booker, Stratford and Vega.

Tower noted that accomplishments this year included Senate passage of a natural gas deregulation bill, defeat of the common situs picketing bill, delay of a saccharin ban for 18 months, legislation prohibiting unionization of the military, and changes in the Disaster Relief Act to assist small businessmen.

"Unfortunately, the new administration has been equally busy lobbying for heavy taxes on the energy industry and consumers, cancelling production of the B-1 bomber and the Minuteman Three ICBM, pulling ground forces out of Korea, agreeing to give away the Panama Canal, and opening new ties with Cuba," Tower said.

He also contended that the farm bill, while more than the administration wanted, falls short of the support producers of food and fiber need to stay in business.

"The Department of Agriculture has recently announced its projection for food price increases next year," reported Tower, "and once again it appears that the Texas producers are going to take it in the neck."

Tower, now serving his third term, is top-ranking Republican on the Senate Armed Services Committee and second-ranking GOP member of the Banking, Housing and Urban Affairs Committee. He also serves on the Senate Ethics Committee and is chairman of the Senate Republican Policy Committee.

Monday Is C-C Voting Deadline

Voting continues in the Friona Chamber of Commerce's annual board election. Members are electing five members to the organization's board of directors.

Ballots, which were mailed out in November, are due to be in by Monday, December 5.

Names on the ballot are Carl McInroe, Philip Weatherly, Rick Luther, Travis Graves, Wahleah Beck, Carl White, Patrick Pace, Jerry Poarch, John Bingham and Clyde Woodard.

Noon Lions Will Host Hunters

The Friona Noon Lions Club plans to hold its third annual Pheasant Hunters Breakfast Saturday morning, December 10, the opening day of the pheasant season.

The breakfast will be held at the Friona High School cafeteria. Serving will start at 5:30 a.m.

On the menu will be eggs, ham, bacon or sausage, gravy, biscuits and coffee.

The Lions invite all hunters or non-hunters to come and enjoy breakfast with them.

Movies Set Saturday

A special program of movies for children will be held this Saturday, December 3, at the Friona Community Center, beginning at 1:30 p.m. and lasting until 5 p.m.

Main feature is "Fluffy the Lion," starring Tony Randall and Shirley Jones. In addition, more than an hour of color cartoons will be shown, including such favorites as Popeye, Donald Duck, Chip 'n Dale, Sylvester the Cat, Road Runner, etc.

"This is an excellent opportunity to bring the youngsters to a movie while you begin your Christmas shopping," said Lynda Grimsley for the sponsoring organization.

Proceeds go to the Associates to help make Christmas brighter for the residents of the Christian Children's Home of Portales.

Protest Date Extended For DHEW Issue

The period for lodging protests to the Department of Health, Education and Welfare for its proposed guidelines for the medical profession has been extended until December 9, 1977, it was announced this week.

The proposed guidelines published in September by the DHEW would impose severe hardships on a number of small town hospitals, such as Parmer County Community Hospital.

The DHEW proposals would strip smaller hospitals of a number of its responsibilities and move them to larger medical centers.

Included in this curtailing of service would be the obstetrics service at hospitals with fewer than 500 births per year. The latest figures show 170 births per year at PCCH in Friona.

Those wishing to voice an opinion on the matter are urged to write to: Health Resources Administration, Room 10-22, 3700 East-West Highway, Hyattsville, Maryland, 20782

Friona Gains Eight Spots On All-Stars

Tri-champions Friona, Littlefield and Muleshoe hogged the spots on the All-District 3-AA team announced this week by district coaches.

The three teams which tied for the district championship landed 23 spots on the 31-man offensive and defensive all-district team, which included for the first time a spot for place kicker and punter.

Friona landed eight on the mythical team, same as Muleshoe, while playoff representative Littlefield had seven spots. Dimmitt and Olton each had three players on the team, while Morton landed a pair.

Friona's Koty Kothmann was one of only two players to be named both on the offensive and defensive units, and was unanimous choice for both teams. Kothmann, 218-pounder, was picked at lineman on first team offense and defense.

The Chieftains, who dominated District 3-AA statistics, landed four of the six places on the first team offense for line positions.

Both of Friona's starting tackles and the center made the squad. In addition to Kothmann, linemen chosen were 210-pound tackle Tommy Schilling and 245-pounder Junior Jeff Peak. Perry Church, 170-pound center, was the first-team center chosen by district coaches.

Friona also had four spots on the all-district defensive team. Named were linebacker Terry Wilcox, a 170-pound senior; cornerback Jeff Whiteside, 140-pound senior; safety Mike Hutson, 153-pound junior and Kothmann at the lineman spot.

Seven Chieftains were cited for honorable mention on the all-district team.

Honored on the offensive unit were running back Jeff Whiteside, fullback Glen London and lineman Sandy Peters. On defense, Todd Bandy and Ernest Mills were chosen for the secondary, Kevin Kothmann as linebacker and Raul Braillif as lineman.

The all-district team was as follows:

OFFENSE
 QB: Danny Wilson, Muleshoe; FB: Larry Moore, Morton; RB: Dean Northcutt, Muleshoe, Raymond Baiza, Littlefield, Thompson Mayberry, Dimmitt; SE: Rudolph Smith, Littlefield, Mike Landrum, Olton; TE: Marcus Beversdorf, Muleshoe.

C: Perry Church, Friona; Line: Richard Soria, Littlefield, Koty Kothmann, Friona, Johnny Estep, Muleshoe, Jeff Peak, Friona and Tommy Schilling, Friona.
 Kicker: Brad Allcorn, Olton.

DEFENSE
 Safety: Jeff Ratliff, Littlefield; Charles Briscoe, Muleshoe; Mike Hutson, Friona; Brent Burrows, Muleshoe. Linemen: Koty Kothmann, Friona; Willie Dancer, Morton; Ronnie Milligan, Littlefield; Roger Nelson, Olton and Mark Washington, Muleshoe.

LB: Kent Ball, Littlefield; Terry Wilcox, Friona; Randy Roberts, Dimmitt. Corners: Raymond Baiza, Littlefield; Jeff Whiteside, Friona; Lance Louder, Dimmitt.

Punter: Mark Washington, Muleshoe.

WEEKLY WINNER..... Movelda Fortenberry, left, won the final week's football contest conducted by the Friona Star, with a season high score of 21 out of 22. Carol Ellis of the Star staff presents the first place check to Mrs. Fortenberry.

Services Held For City Man's Mother

Funeral services for Mrs. Clellie Holt, 67, of the Needmore Community were held at 2:30 p.m. Friday, November 25, in Singleton-Ellis Chapel of the Chimes in Muleshoe, with the Rev. Ron Trusler, pastor of Calvary Baptist Church of Friona, officiating, assisted by Billy Etheredge.

Burial was in Bailey County Memorial Park in Muleshoe under direction of Singleton-Ellis Funeral Home.

Mrs. Holt died at 6:20 p.m. Wednesday in a Littlefield hospital, following a lengthy illness.

Mrs. Holt was born January 9, 1910. She was married to Elmer Holt on January 10, 1931 in Clovis, N.M. She was a Baptist and was a former resident of the Rhea Community, living there from 1946 until 1953.

Survivors include her husband Elmer of the home; two sons, Cecil of Muleshoe and Ira of Friona; one daughter, Mrs. Carl Underhill of Lawton, Okla.; two sisters, Mrs. Albert Perkins of Snyder and Mrs. Mamie Provence of Clovis; three brothers, Omer, Robert and Acie Kelton, all of Muleshoe; and six grandchildren.

Pallbearers were Glen Testerman, Billy Gore, Joe Storie, James Gore, James Storie and Lewis Wayne Shafer.

Zanzibar is practically the world's sole producer of cloves.

In 1896 William Jennings Bryan said it best, "Burn down your cities and leave our farms, and your cities will spring up again as if by magic, but destroy our farms and the grass will grow in the streets of every city in the country."

As long as the North American farmer can supply our food at a price that allows us to spend the greatest part of our income for our cars and TVs and recreational items, our high standard of living can continue. But, when our farmers can no longer produce our low-cost food, or when they have no economic incentive or ability to produce this food — truly, again, "the grass will grow in the streets of every city in the country."

This week Friona State Bank is spotlighting Teresa Kendrick. Teresa works in our bookkeeping department and has been with us for about one year. Her first job with us was filling checks, but now her responsibilities include sending back checks for insufficient funds, issuing overdraft notices, taking care of changes of address and changes of accounts. Teresa and her husband, Danny, have no children, but she seems to have enough things to do to occupy her time. She likes to sew and takes banking course at a branch of Amarillo College one night per week. She and Danny attend the Friona United Methodist Church in Friona.

FRIONA STATE BANK where PEOPLE COME FIRST

Letter To The Editor

Editor Note: The following is a letter from several Friona residents who attended the Pro-Family, Pro-Life rally and the International Women's Year conference in Houston Saturday, November 19. A detailed report of the meetings will be published in the Star next week.

On Saturday, November 19 several local women attended a pro-life pro-family rally in Houston. This rally was in protest of the International Women's Year Conference being held at the same time.

The IWY conference was billed as a "coming together of women" and delegates from each state are supposed to be representative of the views of the majority of women in the U.S.A.

The following proposals were voted on and sent to Congress to be legislated into law: E.R.A. ratification in all states; federally funded abortion-on-demand for all women regardless of age; federally funded child care centers (24 hours a day) so all women will be freed from the "burden" of raising children and can enter the work force; and the elimination of discrimination on the basis of sexual and affectional preference in areas including (but not limited to) employment, housing, public accommodations, credit, public facilities (schools, hospitals, etc.); government funding, and the military (this means homosexuals would have any and all rights that you have, including the right to adopt children).

Many other proposals were passed regarding a guaranteed income for all people, wages paid for homemaking, a quota system of employment for women and sex education (homosexual as well as heterosexual) in schools including elementary schools. Although none of these proposals have yet become law, they are to be introduced to the President and Congress as the wishes of ALL women in America.

Their resolutions do not reflect the viewpoints of us and we do not feel these resolutions are representative of the people in our community. We encourage anyone who disagrees with any of the proposals to let your Congressmen know immediately. Your voice will be heard.

Sincerely,

Mrs. David L. (Carolyn) Carson
Mrs. Ira Bruce (Wynette) Parr
Mrs. Percy (Margaret) Parson
Mrs. Johnny (Beulah) Miller
Mrs. Charles (Betty) Jones

Town Talk

By June Floyd

Phone 247-3681 With Your News Item

At Thanksgiving time we are always reminded of the Pilgrims of long ago and generally stop long enough to count our many blessings. Then most of us go somewhere to visit relatives and friends or have someone come to visit us.

This year just about everyone in the area had guests or went visiting.

Frank and Carmalee Truitt went down to Houston to visit their son and daughter-in-law, Larry Frank and Shirley. Must be nice for three fourths of the members of your family to be in the teaching profession.

This way you nearly always have the same holidays.

Nell and Buster Davis stayed home, but they had Thanksgiving Day guests. Their son, Bob, and his wife, Danella, and their two daughters came down from Amarillo.

Then Nell's niece, Beth Bentley and her husband George, and two daughters came up from Bovina.

Thursday dinner guests in the home of Hazel Weir were Mr. and Mrs. Kenneth Stone of Amarillo and Kitty Loveless of Friona. The Stones are former Friona residents.

Many of us remember him as the other half of the Gaines and Stone partnership when they operated the station beside Hazel's house. We've never received better service anywhere than Alvin Gaines and Kenneth Stone used to provide in their station.

Then Hazel went to Amarillo for a visit in the Stone home. She came home Saturday.

Glen and Ruth Stevick and daughters, Sally and Karen, had a prolonged holiday with visitors Thursday, Saturday and Sunday.

Thanksgiving Day guests were Mr. and Mrs. Larry Stegall and family of Amarillo.

Then on Saturday Mr. and Mrs. O.E. Stevick and Mrs. Jimmy Patterson, all of Hereford, came over. Mr. and Mrs. Larry Stevick and family of Dallas were also there. So were Mr. and Mrs. Jackie Stowers and children and Mr. and Mrs. James Stevick, all of Friona.

Mrs. Jerry La France and daughter, Jeri Lynn, Olton, also came. Mrs. La France, the former Janet Stevick, is a fourth grade teacher in the Olton school system.

Sunday guests in the Stevick home also included Mr. and Mrs. Frank Keplan and family of Amarillo.

Thanksgiving Day dinner guests in the home of Mr. and Mrs. Sam Rule were two old, old friends, Mrs. Elsa Keener and Mrs. Alice Stofel of Kress grew up in the same community Inez Rule lived in near Strong City, Okla., more than 50 years ago.

Recently Mrs. Rule and Mrs. J.L. Collier visited two sisters of Mrs. Keener and Mrs. Stofel at

Chillicothe. They were Mrs. Stella Mae Stephens and Mrs. Cecil Turner.

Tracy and Shanda Riley of Lubbock have also been visiting in the Rule home. Sam and Inez took them home Saturday and visited briefly with Larry, Patsy and the newest granddaughter, Metasha.

Melissa Pruet, who is teaching at Hobart, Okla., spent the long weekend with her parents, Tom and Martha Mae Pruet, and sister, Priscilla.

Andrea Sue Nazworth and son, Jimmy, of Irving were weekend guests in the home of her parents, Mr. and Mrs. Bud Milligan.

One of our college students, Carol Bayousett, who attends the University of Denver, is getting to be quite a hockey enthusiast. The University of Denver hockey team is currently ranked close to the top in the entire nation.

Carol spent a few days with her parents, Steve and Mary, and brother, Mark.

Tress Tannahill had all her family home during the weekend. Mr. and Mrs. David Pleasants and sons, Brian and Chris, came from Austin. Captain and Mrs. Chris Tannahill and children Jimmy and Christi Lynn came all the way from Alabama; and Mr. and Mrs. Craig Tannahill and children, David and Jennifer, came up from Lubbock.

Of course, John and Sherri Taylor and their two daughters, Carolyn and Teresa, live here, so they were all together for Thanksgiving dinner.

The other Tannahills, Leta, Johnny, Gay, Lory and John Mark accepted invitations from Tress to join her family for the day.

Then on Sunday all the Tannahills went to Lockney where they had dinner with Mr. and Mrs. Eugene Tannahill and children, Donna, Kay and Larry.

Tress and her family also visited her mother, Mrs. J.B. Allen, who lives in Lockney.

Susie Spring of San Antonio came up for a weekend with Dr. Paul, June and Johnny.

J.C. and Wahleah Beck had both their children home for the weekend. Cris attends Texas Tech University and Vicki teaches in the Lubbock school system.

Ervin and Eula Henderson came home Friday evening. They had been on vacation about one month. They attended a Golden Wedding Anniversary reception for one of his sisters and her husband, Mr. and Mrs. Carl Beiderwell, in Fresno, Calif.

They visited Mr. and Mrs. Jay Ivie and former neighbors in Yucaipi, Calif. Jay Ivie is Eula's brother. Then in Tucson, Ariz., they visited another of his sisters and brothers-

in-law, Mr. and Mrs. Harold Baize. They also visited Mr. and Mrs. Frank Henderson and daughter, Katy, who live in Mission Viejo, Calif.

Pam McReynolds, one of our favorite teenagers, who lives up at Stratford, will be a finalist in the 1978 Texas National Teenager Pageant, June 2-4 at Texas Christian University, Fort Worth.

Pam is the daughter of Dave and Shirley McReynolds and was born here. She's 18 and a senior in high school. Following graduation, she plans to enroll at Texas A&M, Bryan.

Her picture was in Wednesday's Amarillo paper along with a nice story. Such an honor just couldn't

have been bestowed upon a nicer young lady.

Frionans and ex-Frionans who attended funeral services for Mrs. Nellie Faye Reed Vigil in Albuquerque November 21 were G.E. (Bud) Reed, Patsy Bandy, Ralph Reed, Mr. and Mrs. J.E. Knight, Martha Upton, Jerry Zachary, Mr. and Mrs. Gary Harris and Mr. and Mrs. Arthur Stokes.

Also, Mr. and Mrs. Frank Reed, Borger; Mr. and Mrs. George Reed, Keys, Okla.; Roberta Klapper, Pampa; Mr. and Mrs. Charlie Pignisten, Nogal, N.M.; and Mary Yasick, Raton, N.M.

Mrs. Vigil was a daughter of the late Mr. and Mrs. F.L. Reed, pioneer residents of Parmer County.

The heat pump

"THE ELECTRIC SAVINGS MACHINE"

HOW MUCH HEAT DOES THE HEAT PUMP PUMP?

Neither glacial January winds nor a simmering August sun can affect the heat pump's year 'round circulation of air, at just the right temperature.

Now you can stop fussing with the thermostat on those in-between days, too. The heat pump is an automatic climate control system that switches from heating to cooling to maintain the precise temperature you want. On very cold days, resistance heating coils (installed with the heat pump) automatically supplement the heat extracted from outside air. THE HEAT PUMP IS AN ELECTRIC SAVINGS MACHINE... LOW ON COST, HIGH ON COMFORT!

LINDSAY

Lindsay's Zimmatic Crop Lease is a revolutionary leasing program. If you don't take a long, hard look at it, you'll be shortchanging yourself. The Zimmatic Crop Lease is unique in the industry. When you study this offer you'll see that Lindsay is ready to go the distance with you and share some of the same risks you face every year.

Consider the features of the Zimmatic Crop Lease. First of all, if corn prices plunge, so does your lease payment. But also consider the low security deposit (lowest in the industry) and the fact that it's a 12-year lease (longest in the industry)...both features improve your cash flow each year of the lease. Your Zimmatic is out there raising your first year's crop before your first payment is due. And you'll be getting an annual interest payment on your security deposit to use as you wish.

Whether you raise corn, alfalfa, wheat, sugar beets, potatoes, soybeans or whatever, the Zimmatic Crop Lease can work for you. Although the lease payment is based on the changing price of corn, Lindsay designed the program, considering that over the long-term other crop prices generally fluctuate with corn.

Come in and see us soon. When we put a pencil to this program, you'll see that no other center pivot irrigation company has a finance program that can compete with the Zimmatic Crop Lease.

- Term: 12 years
- Payment: Arrears
- Security Deposit: 5% of equipment cost

Chiefs Score Fourth '77 Win Over Vega

The Friona Chieftain basketballers, looking sharp only at times, outscored visiting Vega, 55-47 in a somewhat ragged game here Tuesday night.

The Chiefs had a basketful of turnovers, and were off on their shooting from earlier games. Still, they had enough to extend their season record to 4-0, entering Vega's tournament this weekend.

Jeff Whiteside, who didn't score a point until 1:33 was left in the opening quarter, was top pointmaker with 24. He was the only Chieftain in double-figure scoring.

Lawrence Fithen's layup off Whiteside's feed gave Friona a 2-0 lead with 42 seconds gone. Fithen then spotted Koty Kothmann open under the goal for a 4-0 lead 1:20 into the game.

After Vega tied the score, Todd Bandy hit three out of four free attempts in a 17-second span for a 7-4 lead, and Kevin Kothmann's jumper made it 9-4 with two minutes left in the period.

Whiteside then took the wraps off his scoring arm, hitting a long jump shot at 1:33, and duplicating the shot just six seconds ahead of the buzzer, with a bullseye from the top of the circle for a 13-7 Friona lead.

The team had one of its ragged streaks to start the second quarter, after Whiteside's early basket from outside had pushed the lead to 15-7.

Vega outscored the Chiefs, 10-2 in a four-minute period that saw the Longhorns come back to tie the score, 17-all, although the 'Horns never were in the lead.

Fithen's jump shot with 3:47 on the clock put Friona back on top, 19-17, and this ignited a 12-point Chieftain scoring spurt. Before the half ended, Fithen scored three more points, Koty Kothmann three, and Whiteside a pair of free shots. Kevin Kothmann let fly a long bomb that clicked just three seconds before the halftime buzzer, and Friona had a 29-21 lead at intermission.

Whiteside paced a good third quarter for the Chiefs that enabled

them to put the game away. He got loose for a pair of baskets early in the period to push Friona's lead to 12, 33-21 just 1:01 into the second half.

Reserve Leslie White then made a nice feed to Whiteside on a fast break, and the speedy Chieftain's layup gave Friona a 40-25 advantage with 2:18 to play in the quarter. The Chieftains led, 42-28 at the buzzer.

Whiteside made one more layup, and Koty Kothmann did likewise, as the Chiefs assumed a commanding 49-31 lead early in the final quarter.

Coach Jimmy Pope, who had been substituting in pairs, then virtually cleared his bench. The reserves then had mostly a turnover contest with the Longhorns, and Vega came out the winner in that respect, outscoring Friona 16-6 in the last four minutes of the game.

Whiteside's 24 points, added to the 66 he had in the team's first three games, gives him 90, and a 22.5 average through four games.

ROADBLOCK.... Friona's Paige Osborn presents a veritable road block against Vega's Dawn Harwell in this bit of action from Tuesday's game. However, Miss Harwell, an all-state contender, managed to score 34 points in Vega's 62-49 win.

Squaws Fall To Vega

The Friona Varsity Squaws met the Vega Longhornettes for the second time this season on the home court Tuesday night coming out on the short end of the score, 62-49. Vega avenged a 61-60 defeat to Friona in overtime in the opening game of the season.

The Squaws stayed with Vega in the first quarter point for point with good defense on both ends of the court. Friona guards again double-teamed Vega's Dawn Harwell. Vega got their one point lead from getting to go to the line first.

Two minutes deep into the second quarter, the Squaws took a four point lead, 19-15. Halfway through the quarter foul problems started for both teams, with both teams coming

out even at the line. Vega outshot Friona the last half of the quarter to come out with a four point lead at the half, 26-22.

The second half Harwell of Vega seemed to overcome the double-teaming to spark their offense. The Squaws stayed with Vega in the number of points made in the third quarter. Linda Nelson got five points from the line at the end of the quarter when Vega started making mistakes.

The final period Harwell really cut loose for Vega. Cindy Smiley and Veronica Lafunte really gave a valiant effort to contain her but both guards got into foul trouble. Vega outshot Friona 22 to 12 for the final score.

JV Squaws Streak

The JV Squaws are off to a fine start this season, with an unblemished 5-0 record after five games. The team is coached by Gary Jones.

The team owns wins over Vega, 44-23, Bovina, 52-32, Farwell, 61-43, Tullia, 45-34, and Vega again, 39-17. Dana Miller is pacing the team in scoring. She has scored over 20 points in three games, with 23 against Tullia, 21 against Farwell and 22 against Vega in the opening game. In five games, the petite blonde has scored 91 points for an 18.2 scoring average.

A special THANKS from Bob Price

Dear Friends,

I want to thank all of you who voted for me for Texas State Senator. We're in a runoff election now and I need your help more than ever.

Even persons who did not vote in the first election can cast their ballot for me on December 10th. Since this is a Saturday election those planning to be out of town need to vote absentee.

You know there's a big job to get done in Austin - protecting the interests of our area's agricultural producers, our workers, businessmen, veterans and senior citizens. I feel that I have the maturity, the experience and the capability to get the job done for you. I will appreciate your vote and your support on December 10th.

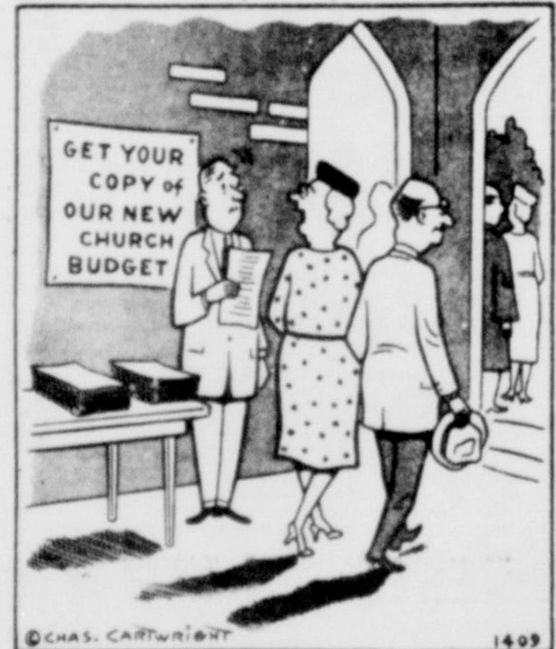

Sincerely,
Bob Price

HEAVY TRAFFIC....Lawrence Fithen, 34, goes up for two points despite close scrutiny by a pair of Vega Longhorns. Fithen was double-teamed most of the night, but still managed eight points. Friona scored its fourth win of the season against the Longhorns, 55-47.

Lodges Request Kidney Donors

Friona Oddfellows and Rebekahs are sponsoring a drive through their state associations to secure pledges of kidney donations, to be used for transplant purposes upon a person's death.

"We call this the gift of life. It can give someone else a chance for a new life, at a time when you no longer have a use for this vital organ," said a spokesman for the organizations.

It was reported that every year, over 80,000 Americans depend on artificial kidney machines for sustaining their lives until they have a chance for a kidney transplant.

Unfortunately, since so few kidneys become available, only about one in every eight patients ever get a chance for the operation. "What greater memorial could you give than to give life to someone else when your life is over?" asks a spokesman for the club.

Beginning in 1978, the State of Texas has agreed to have a space on a person's driver's license where they can sign, agreeing to be a kidney donor.

Anyone wishing to cooperate, or having further questions, are asked to contact any member of the Oddfellows or Rebekahs.

Jarecki-Peters Vows Exchanged

Susie Jarecki and Dusty Peters exchanged wedding vows at 7 p.m. Saturday, October 1, in the United Congregational Church in Friona. Rev. James Haner, pastor of the Redeemer Lutheran Church in Lubbock, read the double ring ceremony.

Parents of the couple are Mr. and Mrs. Florian Jarecki of Friona and D.J. Peters of Lubbock and Mrs. Jeanette Peters of Friona.

The couple exchanged vows before a large candelabra flanked by spiral candelabra trees accented with greenery and ivory satin bows. Pews were marked with nosegays of flowers in the bride's chosen colors. A wedding banner, inscribed "Whither Thou Goest," made by the bride's mother, was hung at the front of the church.

Johnnie Walters of Friona, organist, presented traditional wedding selections and accompanied M'Lynda London and Julie Owen, both of Friona, as they sang "Wedding Song," and "Wedding Prayer."

The bride, escorted to the altar and presented in marriage by her father, selected a formal gown of candlelight quiana, designed by her mother, featuring a Queen Anne neckline appointed with re-embroidered lace. The flared skirt and train fell from an empire waistline accented with matching lace. The long chiffon sleeves were gathered onto wide buttoned cuffs. Her angel wing veil of candlelight chiffon was

attached to a headpiece covered with satin and chiffon and accented with lace.

The bride carried a bouquet of bridal orchids, white miniature rose buds and baby's breath accented with pastel blue satin ribbon atop a white Bible, a gift from her parents.

Carrying out tradition, the bride wore a gold wedding band, belonging to her mother and which had been worn by her two sisters when they were married, for something old. Something new was her bridal gown; something borrowed was a marquise diamond drop necklace and something blue was the traditional garter. She carried pennies minted in the couple's birth years in her slippers.

Tena Waggoner of Lubbock served as matron of honor. She wore a formal gown of pastel blue quiana designed with a yoked bodice and skirt gathered at the waist with a wide sash. She carried a nosegay of russet, gold and off-white mums and daisies, baby's breath and pastel blue satin ribbons.

Dewey Peacock of Anton was best man. Ushers were Jon Jarecki, brother of the bride, and Sandy Peters, brother of the groom, both of Friona.

Jennifer Jarecki of Amarillo was flower girl. She wore a dress matching that of the matron of honor and carried a nosegay of russet, gold and off-white flowers. Joshua Johnson of Carrollton was ringbearer. John Thomas Jarecki of Amarillo lit the candles.

The couple greeted guests at a reception following the ceremony.

The bride's table was covered with an ivory hand-crocheted cloth with greenery and russet and gold flowers trimming the table border. The three-tiered cake was decorated with soft blue flowers and topped with a gold cross with double wedding rings.

The groom's table was covered with an ivory lace cloth. German chocolate cake and coffee was served from a gold table service.

Presiding at the bride's table were Pam Steward of Lamesa and Debbie Johnson of Carrollton, sisters of the bride. Presiding at the groom's table was Sharon Jones of Friona. Jan Harter of Amarillo, sister of the groom, registered guests.

Other members of the houseparty included Glenda Schueler, Gladys Day and Dorothy Lunday, all of Friona.

The bride, a 1974 graduate of Friona High School, attended South Plains College at Levelland and is now employed by a law firm in Lubbock.

The bridegroom, a 1975 graduate of Friona High School, attended South Plains College at Levelland and is now attending Texas Tech University at Lubbock, majoring in finance. He is employed by Fields & Co.

The couple will reside at 3002 4th St., No. 67, in Lubbock.

Pre-nuptial courtesies included a miscellaneous bridal shower September 24 in the home of Mrs. Margaret Parsons.

The serving table was covered with a lace cloth and centered with a dried floral arrangement. Cookies, punch, nuts and mints were served from crystal and silver appointments.

Corsages of hand-crocheted pot holders, made by Ruthie Fite, were presented the bride, mothers of the couple, and a grandmother, Mrs. Elizabeth Rieken.

Hostesses presented the couple an electric mixer, electric skillet and the floral centerpiece.

Hostesses were Mrs. Parsons, Mrs. Fite, Mrs. Tom Skelton, Mrs. Floyd Schueler, Mrs. Clarence Monroe, Mrs. Eugene Bandy, Mrs. M.C. Osborn, Mrs. Charles Sanders, Mrs. Glen Stevick, Mrs. Herbert Day, Mrs. R.V. Golden Anniversary Marked By Osborns

Mr. and Mrs. Sloan H. Osborn, 920 Euclid Avenue, were honored with a Golden Wedding Anniversary reception in their home from 2 to 5 p.m. Sunday, November 27.

Host couples were Mr. and Mrs. Doug Whatley, Plainview; Dr. and Mrs. Charles Osborn, Amarillo; Mr. and Mrs. Joe Osborn, Austin; and Mr. and Mrs. Robert H. Osborn.

The registration table was centered with a bouquet of yellow roses and carnations in a gold pitcher. Guests were registered by Celia and Claire Osborn, Austin; Shelly Osborn, Amarillo; and Holly Whatley, Plainview, all granddaughters of the honored couple.

Guests were greeted by Mr. and Mrs. Osborn and their children, Charles, Joe and Robert H. Osborn and Sally Whatley.

The serving table was covered with a formal cloth of champagne colored satin with matching lace overlay. A tiered cake topped with yellow carnations and roses centered with "50" in gold, an arrangement of 50 yellow roses in a silver vase on a gold reflector and a silver punch service completed the table setting.

Cake, coffee, punch and mints were served by Mrs. Claude Osborn, Mrs. Roy Clements, Mrs. George Taylor and Lora Mae McFarland, all of Friona and sisters of Mrs. Sloan Osborn.

The silver knife used to cut the cake was borrowed from Mrs. Frank A. Spring and was used to cut the cake for the Golden Wedding Anniversary reception of Mrs. Osborn's parents, the late Mr. and Mrs. John B. McFarland.

Others in the houseparty were Dr. and Mrs. John Coleman, Portales, Mr. and Mrs. J.G. McFarland, Friona, Mr. and Mrs. Ray Vickers and Mr. and Mrs. Clyde Osborn.

Other out-of-town guests signing the register were Mrs. Sue Whatley, Groom; Mr. and Mrs. Raymond Annen, Dimmitt; Susie Spring, San Antonio; Mr. and Mrs. Kelly McFarland, Tucumcari, N.M.; Mr.

Choir Sets Rehearsal

The Community Choir, which will present a special program of Christmas music on Sunday, December 11, will hold its dress rehearsal Sunday, December 4, at 3 p.m.

The special rehearsal will be held at Friona High School auditorium, which is where the concert will be given the following Sunday.

At the concert, a donation will be taken at the door, with proceeds to go toward the Municipal Library's building fund.

The choir will present "This Is Christmas" by Alfred Burt, a choral pageant, and also will sing a number of traditional Christmas music.

Also, Mrs. Clara Talley, Portales, N.M.; Mr. and Mrs. Lonnie Baxter, Mr. and Mrs. Charley Baxter, Mr. and Mrs. Bob Baxter and Mrs. E.V. Rushing, Clovis; and Mr. and Mrs. Leo Forrest and Cindy Ingram Bridges, Amarillo.

The Osborns received a number of long distance telephone calls and one Trans-Atlantic call. Mrs. Nancy Trotter of Shirley South Hampton, England, extended her greetings by telephone.

Mr. and Mrs. Osborn were married in Friona November 24, 1927 and have lived here since that time.

N.M. Services Held For Ex-Resident

Funeral services for Nellie Faye Reed Vigil, 64, were held in Albuquerque, N.M. on Monday, November 21. Burial was in an Albuquerque cemetery.

Mrs. Vigil died Friday, November 18, following a lengthy illness.

Born March 29, 1913 in Friona, she was the daughter of Mr. and Mrs. F.L. Reed Sr., pioneer residents of Friona.

Survivors include her husband, Tobin Vigil; one daughter, Millie Collins, Albuquerque; one son, Kenny Vigil, serving in the U.S. Air Force in Calif.; three brothers, G.E. (Bud) Reed of Friona, Frank Reed of Borger and George Reed of Keyes, Okla.

BOB Simpson makes sense...

... because he is the only candidate with any state legislative experience. Bob Simpson has a proven record of hard work, responsiveness and effectiveness.

... because he believes in open and candid government. Bob Simpson is the only candidate making full public disclosure of all his personal financial records. He is known for his honesty and integrity.

... because he has farming and ranching interests in this district, and is committed to solving the problems of farmers and ranchers.

... because he opposes a state income tax. Bob Simpson has never voted for a tax increase.

Sure there are candidates in this race who make lots of noise and are full of promises. But campaign rhetoric isn't what this district needs. We need a Senator who will work for us. A Senator who can find realistic solutions to the problems facing our state. Bob Simpson will be the Senator we need ... because Bob Simpson makes sense.
