SCHOOL BELLS will ring for youngsters in the Friona area on Monday. Even with the week later starting time, it doesn't seem possible to most folks that it's school time again.

With school starting later, and Maize Days scheduled a bit earlier this year, it's going to be a hectic first couple of weeks of school.

What with the kids working on floats every night to get them ready for the big Maize Days parade, other youngsters at marching practice every night while the band prepares for the parade, and many of the young ladies busy getting ready for the Queen's Contest, it looks doubtful that most of the kids will be able to do a lot of bookwork until Maize Days is over.

It has really worked out much better in the past years when Maize Days fell on a later date, enabling everyone to get their back-to-school rush over with. The teachers and students have had a chance to settle down into a regular routine, and the junior high band youngsters who are just learning to march have had a chance to work out a little more and the queen contestants usually have more than one week to work up their talent routines.

Those who wait until the deadline to enter their queen contestants are really cramping their entrants for time on the talent angle. We'd urge those who haven't entered contestants but are planning to do so to get it done right away, and not wait until the last minute.

THE STARTING OF school and football season also means another Friona Star football contest, and for something like the 20th consecutive year, the Star will give all of the football experts in our reading area a chance to prove their talent.

The first week's contest appears in this issue, and contains games to be played during the first regular weekend of the 1977 season.

Plan to enter the contest from the first week, and get your entry blank in early.

THE FRIONA CHIEFS have everyone's football fever beginning to rise. The Chiefs have a lot more going for them at this stage of the year than they did a year ago. They and their fans are looking forward to a great year.

Last year about this time, the team was not looking with much anticipation to their season opener, against a tough Floydada team. This time around, according to those close to the team, the boys are anxious to play Floydada.

Last year about this time, the team was not looking with much anticipation to their season opener, against a tough Floydada team. This time around, according to those close to the team, the boys are anxious to play Floydada. It seems that there are a few scores to settle, and the boys want to start right at the first of the list.

Apparently, Lonnie Phillips and his staff have done a lot to instill a good attitude among the football candidates. This is always good, and when you can combine it with good talent and size, it can go a long way toward a successful year.

WE ATTENDED THE Neil Sedaka concert at Amarillo last Saturday, and were among the thousands attending who were thoroughly impressed with the talents of this writer and singer.

Most people don't realize that for the better part of three decades, Sedaka has been writing hit songs, but has not enjoyed the performer role until the 1970s.

His songs have been made famous by a number of artists, including the Carpenters. Now, however, Sedaka is enjoying this other dimension of the performing arts.

As expected, the crowd really went wild, and gave him a standing ovation, after one of his current hits, "Is This the Way To Amarillo."

Sedaka gave an hour's concert, never using any but his own compositions. And they were well-received.

JOHNNY CURTIS, Borden's Milk distributor, has volunteered to sponsor the Friona School lunch menu's publication this year. His should be one of the best read ads in the paper each week.

FOURTH GENERATION....The Wilson-Welch family will be starting its fourth generation in Friona schools Monday when Melanie and Mende Petree, five, will enter kindergarten. Louisa Wilson graduated from Friona High in 1924. Her daughter Mamie Lou Welch, center, graduated in 1948, and the mother of the twins, Jan Petree, who is Mrs. Welch's daughter, graduated in 1968. The twins plan to be in the Friona graduating class of 1980. (Star Photo)

School Bells To Ring Out Monday

The Friona school machine will kick into high gear Monday ending another regular summer for the kids and a week of in-service and preparation for the teachers.

Classes will begin at 8:45 a.m. daily and end at 3:45 p.m. Students are asked not to report before 8:30 each morning. Buses will run regular routes Monday and the cafeteria will serve lunch.

Registration for all high school and junior high school students was held Friday, August 26. Students in the lower grades will register on Monday, along with late arrivals from the upper grades.

All kindergarten children are to report through the south door of the Grade School building, while first graders will enter the south door of the Primary building. Second graders are to go to the west (front

door of the Grade School building (third grade wing) and fourth graders are to report to the east door of the Grade School. Students entering the fifth grade this year are to go to the Junior High building.

Any new student who has not pre-registered is to report to the main office of the building they are entering. First and second graders will report to the Primary school office, while kindergarten, third and fourth will go to the Grade School office. Grades 9-12 will go to the High School.

Parents are encouraged to pay cafeteria meals in advance on a

week or month basis. Meal prices will be kindergarten through fourth, 60 cents; fifth through eighth, 65 cents; and 9-12, 75 cents.

Parents are also urged to remind their children about safety when going to and from home. School officials also remind children to use sidewalks, crosswalks and safety personnel in aiding them to get safely to school and home. Children are asked not to cut across lawns or yards while making their daily trips.

Parents of kindergarten children are also reminded that kindergarten classes will dismiss at noon the first week of school.

FOR FOOTBALL

Bigger, Better Contest Debuts

A new and bigger football contest, with a bigger grand prize, is being announced in this issue of the Friona Star, which once again will sponsor the popular 13-week series, along with 22 sports-minded area businesses.

Continuing the format established during last season's contest, weekly prizes totalling \$20.00 will once again be offered, with \$10 awarded the first place winner each week, \$6 given to the second place contestant and \$4 awarded to third place.

In addition to the \$20.00 in weekly prizes, contestants will be shooting for one of three grand prizes to be awarded to the leading contestant after the conclusion of the contest.

Contestants will be asked to pick a total of 22 games per week this year, which will include the top high school games from this area, as well as the top college and professional games each week.

The contest follows the same format that it has throughout its history. The games to be picked by contestants are listed in the advertisements of the contest sponsors. Each sponsor's ad contains a game to be considered in that week's contest.

First-place winner at the close of the 13-week contest will receive six free passes to Six Flags Over Texas plus \$50.00 in cash. The passes to Six Flags can be ordered for the winner's convenience as to dates.

Second grand prize will receive

\$25 in cash. Third grand prize will receive \$15.00 cash.

Since the grand prize is worth a cash equivalent of \$100.00, the winning contestant may, if he

(Continued on Page 10)

Queen List Grows; Deadline Is Near

Six more entries were received this week for the Maize Queen Contest, and six for the Little Miss Pageant, as the deadline for entering both contests approaches.

The two contests grace the city's Maize Days celebration, scheduled to be held September 13 through 17. Deadline for entering the contest is September 8, with the Little Miss Contest on Tuesday, September 13 and the Maize Queen being crowned September 15.

Those entered in the Queen Contest and their sponsors, include Barbara Rhodes, sponsored by

Gibson's Discount Center; Kim Frye, sponsored by Mars Farm; Stephanie Schuele, Tasty Cream; Holly White, One and Only Gift Shop; Cindy Cleveland, Lewellen Construction; Susi Noah, City Body Shop.

Previously entered were Debbie Menefee, Modern Study Club; Paige Osborn, Parmer County Pump; Priscilla Pruett, Brockman Sales; Kathy Martin, Pro Auction; Julie Owen, Gary Cook Oil; Faith Mays, The Country Store; Charlene Seale, Mama Seale's; Rhonda Parsons, Parsons-Ellis Funeral Home; Tracy Horton, Progressive Study Club; Donna Rector, Ethridge-Spring Agency; and Laura Ellis, The Friona Star.

Those entering the Little Miss Contest this week are April Stephens, One and Only; Lee Ann Edwards, Misty Cole, April Bush, Kristi Stephens; and Melissa Tedford, sponsored by Adams Drilling.

Previous entries in the Little Miss Pageant are Heather Griffin, Whitte's Printing; Terresa Mann, sponsored by Dale Westbrook; Nicole Potts, Friona Foto; Tonya Potts, Pro Auction Service; Shay Shirley, Poarch's Furniture; and Sherri Dickson, Ethridge-Spring Agency.

Tickets for the Queen's Contest are on sale at the Friona Chamber of Commerce office for \$2.50 each. Entry fee for the Little Miss Contest is \$10 and \$20 for the Maize Queen entry.

Photo Day Is Sunday

The Friona Star will make special photographs of all Maize Queen contestants Sunday afternoon, August 28, at Friona High School, beginning at 3:30 p.m.

Contestants are asked to wear sport or casual attire. Every contestant is requested to be present for the pictures.

BAND READY....The 100-member Chief "Red Rage" band has been working out for two weeks to get ready for their halftime performances during the 1977 football

season. The support the band students gives the Chiefs this year may be unequalled if their hard work is any indication of what is in store. (Star Photo)

Gatlin Named Rural Chairman For Drive

It was announced this week by Gale Warren and David Hutson, 1977 United Way Co-Chairmen, that Carrol Gatlin has been selected to chair the 1977 United Way Rural Campaign.

Warren stated that Gatlin's selection was based upon the serious approach he takes to all community service projects in which he becomes involved.

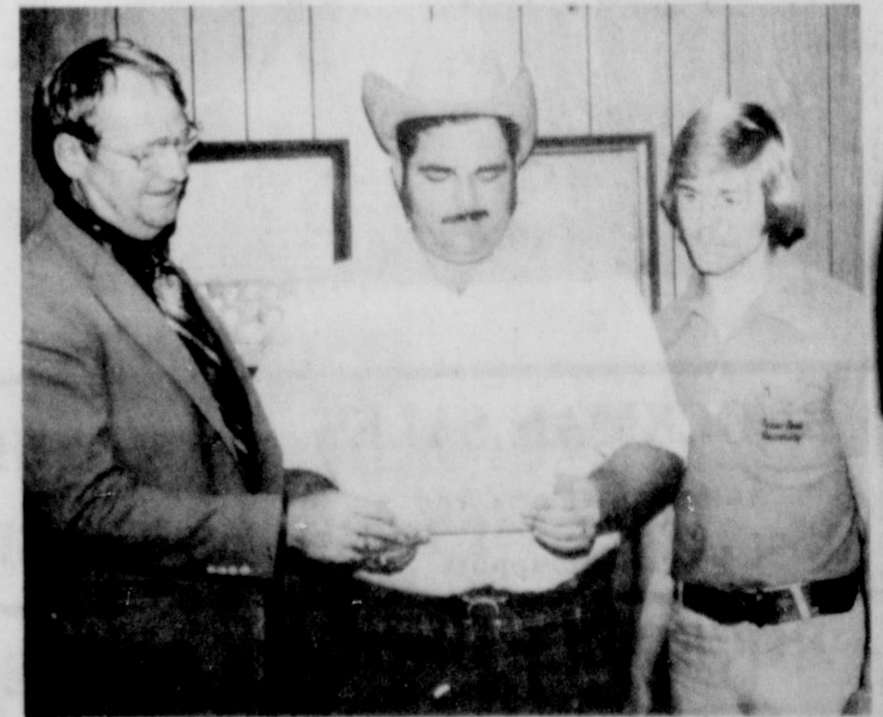

In addition to past participation in the United Way Campaign, Gatlin is a member of the Friona Noon Lions Club, a director of the Friona Little League, member of the Friona Chamber of Commerce and Agriculture and is very active in the First Baptist Church of Friona.

Gatlin will be responsible for coordinating the United Way campaign drive in the outlying areas of Friona which are served by the various agencies of the Friona area United Way. He states that he will look forward to working with the rural residents of Friona and sincerely hopes that he receives the

cooperation of the community leaders in Hub, Rhea, Black, Lakeview, Lazbuddie, and other rural areas as was enjoyed by last year's rural chairman, Floyd Reeve. Gatlin stressed that without the help of all residents in the rural areas of Friona, the United Way Campaign would be unable to reach its goal.

The 1977 Friona Area United Way Campaign goal has been set at \$9,527.00. In addition to the agencies served by the United Way Campaign last year, the Friona Little League has been added this year and is scheduled to receive \$1,000.00 of this year's goal. The 1977 drive is tentatively scheduled to kick off on November 7, 1977, and Hutson states that plans are to wrap up the drive and exceed the goal during that week.

The next meeting for the Friona Area United Way Board of Directors is set for September 27, 1977. All interested persons are urged to attend that meeting.

CHAIRMAN....Carrol Gatlin, center, was named this week as the rural area chairman for the United Fund drive. With him are Fund

Drive co-chairmen Gale Warren, left, and David Hutson. The 1977 drive will be conducted area-wide in November.

REMEMBERING...
By BILL D. BROOKS

The Gasoline Washing Machine

Mother always washed clothes on a rub board up until Dad came home with the exciting news that he had got a good deal on a real washing machine. Mom protested mildly, saying she didn't have any place to put one.

Dad had it all figured out though. We could build a wall across one end of the brooder house and the space would make a fine wash room.

The machine belonged to some people Dad knew in town. They were moving and couldn't take it with them. I went with him in the truck the next day to get it. I had never seen one but boy, was it a beauty. It had a motor you could crank with your foot kinda like I had seen on some motor scooters and it had a wringer to squeeze the clothes dry and racks for tubs — everything you needed to wash the clothes.

When the wash house was ready we set it all up and Dad piped water from the windmill right into the building.

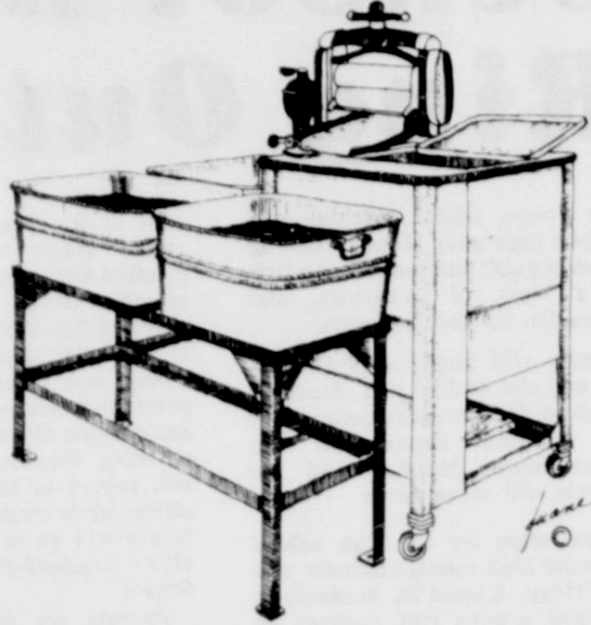

We all gathered around and Dad said, "Watch this!" stomping his foot down on the starting pedal. Nothing . . . again, stomp! Nothing . . . Must need choking. "Didn't help. May be the spark plug is fouled. No. I don't understand this, it ran fine when they showed it to me." After he fiddled with it for a long time Mother said something about it was

supposed to run on gas and she hadn't seen him put any in and could that be the trouble. Filled with gas it kicked off the first time.

It was a smoking, choking, clattering, rattling machine and often it wouldn't start or run right (the Maytag repairman had plenty of work in those days) but it was so much better than the rub board, Mother was tickled to death to have it.

It was fun to look down in the machine as it surged and sushed the clothes back and forth. We used a piece of old broom handle to poke the clothes to keep them under water to sort of help the machine along I guess.

Mother always let me help by pulling the clothes through the ringer, being sure they fell into the tub but I begged her to let me push the clothes into the other side. She finally said, "O.K. but keep your hands well away from it." I said I would. I had watched her and knew exactly what to do. I had no sooner started than, as I was pushing a sock into the ringer my fingers somehow got caught between the big rollers. Before you could say "skat!" the think had pulled me off the floor and had rolled in my arm up to the elbow. I must have been kicking and screaming but Mother reacted fast and got me out. With that I decided that

pulling clothes and poking them with a stick was a job better suited to my talents.

Some years later we sold the machine for scrap metal but we kept the motor. My brother and I mounted it on the back of his bicycle to have a motor bike. We never got the contraption to work though. Oh, it would run alright but we just couldn't figure out how to get the power from the motor to the wheels. We used to start the motor and pedal around the community. Lots of kids really envied us, they thought we had a real motor bike!

Disaster Payments Available

Wheat and feed grain farmers who have no acreage allotments or who have overplanted their allotments for these crops may become eligible for government disaster payments under the farm bill agreed to by congressional conferees, according to Prentice Mills of the Parmer County ASCS Office.

"Under provisions of the conference bill, a farmer who has suffered reduced yields due to a natural disaster may be eligible for a payment based on the number of acres actually planted for harvest." In the past, payments were based on the farm's allotted acres.

"In anticipation of possible adoption by Congress and enactment by the President, and to speed resulting payments for farmers," Mills said, "ASCS will begin accepting disaster claims from all farms for wheat and feed grains (corn, sorghum and barley). However, no payments may be made under these provisions until enactment of the farm bill."

Farmers who wish to file or refile a disaster claim or who wish more information concerning the disaster payment program should contact their County ASCS Office.

Friona Flashbacks

..... from the files of The Friona Star

45 YEARS AGO—SEPT. 2, 1932

One of the saddest accidents that has ever visited the Friona community was the loss of the lives of Mrs. C.S. Waddell and her two small daughters, which occurred one mile east of Bovina Sunday night as a result of the deluge of waters that visited this locality and that of Bovina on that date.

Mr. Waddell, his wife and three small daughters had been visiting in Eastern New Mexico over the weekend and were on their way home when they were overtaken by the rain storm which was perhaps the heaviest that has ever visited this locality (from 15 to 17 inches were reported by farmers west of Friona).

On reaching Bovina, Waddell found that the bridge crossing Running Water Draw was destroyed. He then thought to continue his journey homeward by taking the Ozark Trails Highway (Hwy. 86) east from Bovina, and arrive at Friona by way of Homeland (Hub). However, upon coming to the place where this highway crosses the same draw, the Waddell automobile was swept from the roadway. Waddell managed to escape with the youngest daughter, Billie May, but Mrs. Waddell and the two older children, Virginia, 6, and Vivian, 4, were swept downstream in the darkness.

Search parties organized on Monday failed to locate the three bodies. In fact, 20-year old Richard Caldwell of Bovina drowned while trying to help find them.

One of the bodies was found at the bridge which was built across the stream last winter due south of Friona, about 11 miles from where it was thrown into the water. The body of Mrs. Waddell was found two miles further east.

(The Star's four pages are filled with other accounts of near tragedy caused by what was possibly the biggest flood in the area's history, which turned our usually empty draws into rampaging rivers.)

35 YEARS AGO—AUGUST 28, 1942

Charley Bainum of Friona and his brother, Mack Bainum of Hereford; Ray Smith and Fat Fallwell spent last week at Hot Springs, N.M. They report an unusually good time and a good catch of fish, returning

Saturday night well pleased with their outing.

30 YEARS AGO—

(Entire 1947 issue missing from Star files.)

25 YEARS AGO—AUGUST 28, 1952

School opens at Friona with registration of the seniors this Friday afternoon. Superintendent of Schools is Dalton Caffey. High School principal is Dillie Kelley. John Parish is principal of the grade school. In high school, J.T. Gee returns as head of the vocational agriculture department. Raymond Cook returns as head coach and mathematics instructor. Mr. Murry D. Ford, WT graduate, will be coach of girls basketball. Tom Jarboe will return as a sixth grade teacher.

Lazbuddie schools also open next Monday. J.G. Ward is superintendent. C.W. Dukes is high school principal and coach.

20 YEARS AGO—AUGUST 29, 1957

A U.S. Air Force four-engine fuel transport plane crashed Wednesday morning at 10:04 a.m. six miles north and four west of Bovina. The plane's crew, six airmen, had bailed out near Hereford. The crash, which scattered debris for approximately 3/4 of a mile in a swath 50 yards wide,

Rites Held For B.C. Harper

Funeral services for Billy Charles Harper, 48, were held August 15 at the United Methodist Church. Burial was in Friona Cemetery, under the direction of Parsons-Ellis Funeral Home.

Rev. Bobby McMillan officiated. Survivors include four sons, Johnny, Mike, Ricky and Randy, all of San Leandro, California; one daughter, Debbie Harper of San Leandro, his mother, Mrs. Sanford Harper of Colorado Springs, Colo.; two sisters, Mrs. Sandry McIntyre of Colorado Springs and Mrs. Nancy Williams of Kingsbury and one brother, Clifton Harper of Friona. Four grandchildren also survive.

Palbearers were Travis Stone, Bob Coker, Jack White, Alvin Gaines, Jesse Moore, Howard Duncan and Marvin Jordan.

was on a farm owned by A.B. Wilkinson, who lives in Bovina.

15 YEARS AGO—AUGUST 30, 1962

The first annual Friona pro-am golf tournament will be held this weekend, and quite a flock of area golfers is expected to participate. Tournament play will be held Friday and Saturday, according to club pro Joe Coronado.

Three watches were taken from the display window at Allen's Jewelry Monday night. It was the third break-in at the store within 20 months.

10 YEARS AGO—AUGUST 31, 1967

Bill Morgan, former Chief of Police in Friona, accepted the position once again this week as Ken McDermitt resigned to pursue other interests. McDermitt had held the position since June of 1966.

The north wall "skeleton" has been put up at Missouri Beef Packers' Friona plant. The length of the building will be 620 feet. Work is progressing nicely in the original construction portion.

5 YEARS AGO—AUGUST 31, 1972

The Friona, Texas, Federal Credit Union was named to receive the 1972 Thrift Honor Award by the National Credit Union Administration. The award is designed to be awarded to credit unions who are in the top ten per cent, nationally, depending on growth.

Tom Byars, 30, has been named manager of the Friona Farmers Co-op Gin. Byars replaces Charles Waggoner, manager of the gin for the past five years, who had resigned.

FRIONA STATE BANK

**On The Farm
In Parmer
County
By Mack Heald**

WHILE THE ATTENTION of many High Plains corn growers has been focused on corn borers, spider mites, and MDMV, another problem has been quietly having a big impact on the current corn crop. That is the problem of the hot, dry weather that has been so prevalent over the High Plains this summer, especially during mid-June to mid-July, according to Zoel Daughtrey, Agronomist for the Texas Agricultural Extension Service.

Previous mid-summer weather has not been so harsh in recent summers as it was this year. Temperature records were broken at many places and rainfall was a scarce item. Even though farmers were working hard to keep irrigation water applications on a normal schedule, the rate of loss of water to evaporation was simply greater than the amount of water which could reasonably be applied to the crop. Consequently, much of the corn was water stressed to some extent during the critical periods of tasseling, silk emergence, and pollen shed. As a result of water stress at this time many farmers are now finding small ears, poorly developed ears, scattered kernels on ears, or abrupt stopping of kernel set short of the ear tip on normal-sized ears.

Just a few days of water stress sufficient to cause some wilting of the corn plant, if it occurs a week prior to tasseling, can reduce potential corn yields as much as 10 per cent. But an equal duration of wilting stress toward the end of pollination may cause yield reductions of up to 50 per cent. Water stress, or drought-type conditions, will generally delay the emergence of silks more than it delays pollen shedding. Thus silking may be delayed, in dry conditions, until after most of the pollen is shed. During dry weather, the silks will dry out much more rapidly and may not be able to accept the pollen that is shed. Weather conditions of high temperature and low humidity reduce the vigor of pollen, with the resulting effect that fewer kernels are likely to be set on the ear since the amount of viable pollen is low.

In a year when the corn market is in a slump, many farmers were really hoping for a good yield to compensate partially for the decreased income caused by price. But it looks now as if corn producers will get bad news on both sides—low prices and below-normal yields. With disease and insect problems so intense this year, unfavorable weather was a most unwelcome stress factor. About all the grower can do at this point is to watch carefully his soil moisture to make sure that the corn has enough water to carry it to maturity and hope that next summer's weather will be more favorable for the crop corn.

The Texas Agricultural Experiment Station field day will be at Lubbock on Tuesday afternoon, September 13, 1-5 p.m. This will be at the Agricultural Research Extension Center north of the air terminal.

More than 100 new and improved cotton varieties which are being evaluated by scientists of the Texas Agricultural Experiment Station will be among several featured attractions.

The afternoon event each year attracts over 1200 visitors who tour the Experiment Station's numerous research plots and discuss new developments in agriculture with scientists and specialists.

Joining in the event will be the Texas Agricultural Extension Service; Agricultural Research Service, USDA; and agricultural meteorology office of the National Weather Service.

Drs. Levon Ray, Jack Gipson and Earl Minton are cooperating in the cotton variety studies. Their discussions during field tour stops will include tests on disease resistance, short season and glandless varieties, and performance records of about 50 unreleased varieties.

In addition, according to Dr. Ray, some aspects of the current breeding efforts to develop more profitable cotton varieties will be discussed. This will include hybrid cotton and recent findings associated with cold-tolerant cotton.

The identification of cotton varieties that are tolerant of low temperature during the fiber maturation period is considered a major breakthrough for High Plains growers in minimizing fiber property problems, especially that of low micronaire.

These and other concerns of cotton growers will be discussed during field day activities.

Floydada First FHS Grid Foe

Friona's first grid opponent is ranked third in the chase for the district 4-AA crown while the Chiefs are ranked second in 3-AA, but Floydada will be anything but easy to handle when the battle starts.

Last year, the Whirlwinds increased their margin in the all-time series to 7-2 with a convincing 31-0 win over the Chieftains in a game played at Floydada. The Chiefs are anxious to make amends for their showing of 1976.

"Floydada will be quick and very aggressive," head coach Lonnie Phillips said. "They won't have as

much speed as last year but they will have adequate size. Their offense and defense is the same as they have been using for the past several years so they know it well. But I'd say they would be a few notches off the team they were last year."

Phillips said the game should be much better than it was last year, stating that the Chiefs are stronger and further advanced than they were a year ago. After two scrimmages the Chiefs know their weaknesses and strengths and know how to put them into their proper perspectives.

"The boys are really working hard," Phillips said. "They are getting mentally prepared and have really learned to take care of their individual responsibilities."

Phillips said that other than a few lagging injuries the Chiefs are in good shape.

Floydada has 11 lettermen returning this year. Some key figures the Chiefs will be looking for are Larry Jones, a running back who picked up 675 yards last year, Rusty Cagle, 720 yards last year and playing quarterback this year, and Jon Jones, All-South Plains last year as a lineman.

Last year the Whirlwinds were bi-district champs, and their speed was what helped get them there. Floydada head coach L.G. Wilson said his team had lost some of their speed but he felt they are a more balanced team this year.

Band Club Organizes

With school days just around the corner the 1977-'78 Chieftain Band Booster Club is getting up a head of steam for this year's fund raising projects to help send the band to Canyon City, Colorado.

The band, expected to have 100 members this year, is planning the Colorado trip for the spring of this school year. It is expected to cost approximately \$7,000 for the charter and accommodations.

The Booster Club met August 19 to plan the fund raising. Along with a "jalopy whop" planned for Maize Days, the band may have bake sales, light bulb sales in the spring, cheese and sausage sales, a student work day, a Christmas concert and car washes.

New officers for the Booster Club are: Mr. and Mrs. Alfredo LaFuente, president; Mr. and Mrs. Leon Coffey, vice president; Gilbert Gilliams, secretary-treasurer; and Karen Britting, reporter.

In addition to fund raising projects the club's purpose is to create morale and involvement among the members and the public.

Boosters Re-Organize

The Friona Booster Club was re-organized on Monday of the past week, with officers for 1977-78 elected.

Bob Owen was named president of the organization. Bernie Gowens is vice president and Jan Fleming is secretary-treasurer.

A video tape of the Boys Ranch

scrimmage was viewed, and Coach Phillips commented on the scrimmage, saying the coaches felt that their goals were accomplished.

The boosters will meet each Tuesday at 8 p.m. A film of the Vega scrimmage will be shown at Tuesday's meeting. All fans and parents are encouraged to attend

Rites Scheduled For Sister Of City Men

Funeral services were slated for 2 p.m. Saturday in Melrose, N.M. for the sister of two Friona men.

Services for Mrs. Ruby Mae Terrill, 61, will be conducted at the First Baptist Church of Melrose with the Rev. David Crow officiating. Burial will be in the Melrose cemetery.

Mrs. Terrill died Wednesday at a Clovis Hospital after a lengthy illness.

Survivors include one daughter, Mrs. Paula Bode of Clovis, a son Kenneth Ray Billings of Clovis, and her mother, Mrs. J.L. Coffey of Melrose.

Seven brothers survive, including Leonard and Leon Coffey of Friona, O.B. Coffey of Texico, Verlin Coffey and Lee Roy Coffey, both of Melrose, Robert Coffey of Gallup, N.M. and Herman Coffey of Belen.

Three sisters also survive, Mrs. Ollie Mae Henry of Big Spring, Mrs. Louise Hawkins of Guymon, Oklahoma and Mrs. Wanda Jean Richmond of Gila Bend, Arizona. Seven grandchildren also survive.

The family requests memorial contributions be made to the New Mexico Cancer Fund in Mrs. Terrill's memory.

Mauldin Named New SCS Rep.

Mack Mauldin, of Harlingen, Texas, has accepted the position of Friona District Conservationist at the Soil Conservation Office and will assume the duties from retiring Herb Evans on August 29.

Mauldin has served as a conservationist at Breckenridge, Midland and Tahoka. He has also worked for 10 years in the irrigation business at Dumas and Spearman.

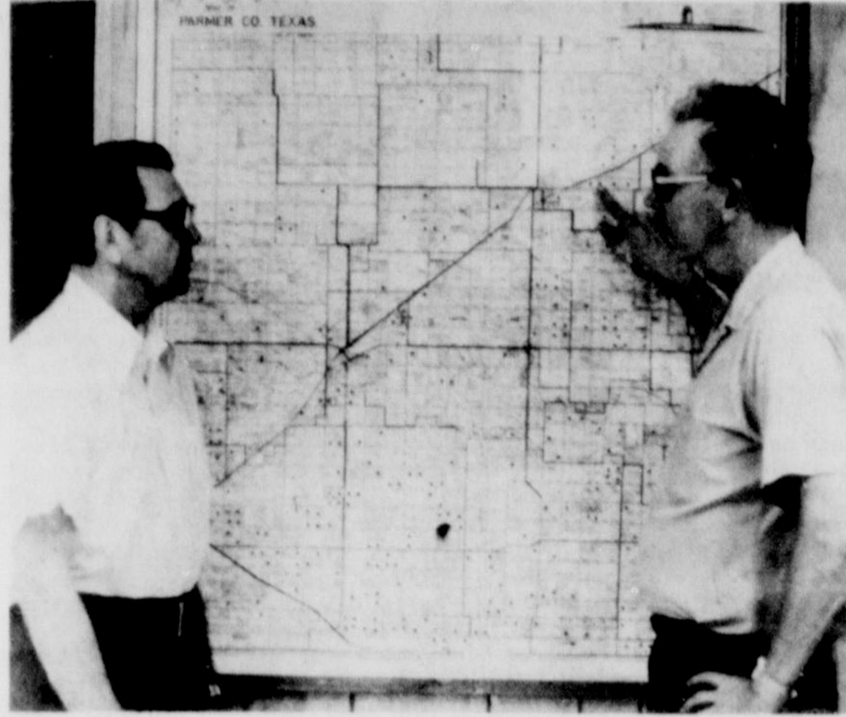

A veteran of World War II, he was

born and raised at Stevenville, Texas and graduated from Texas Tech in 1948. He is married and has two children, both married now.

He says his hobbies are golfing, hunting and fishing in that order.

He plans to move to Friona with his wife Lenor on August 26.

Evans, who retired after more than 30 years with the SCS, plans to move to Marion, Texas, near San Antonio.

NEW AT SCS OFFICE....Mack Mauldin, left, will assume duties of District Conservationist at the Friona Soil Conservation Service office on August 29. He is replacing Herb Evans who is moving to Marlon, Texas near San Antonio. Evans has retired after 30 years with the service. Mauldin comes to Friona from Harlingen where he served as a Soil Conservationist. (Star Photo)

Young Homemakers Install New Officers

The Friona Young Homemakers installed officers for the coming year in a called meeting on Thursday, August 18 in the home of Mrs. Lenney Petree.

The new officers were installed. They are: Sharon White, president; JoAnn Baize, first vice president; Amelia Taylor, second vice president; Linda Black, third vice president; Keri Jack, fourth vice president; Carene Cass, secretary-treasurer; and Jyl Grimsley, reporter-historian.

Jan Petree, outgoing president, presided at the installation ceremonies.

Other members attending the

meeting were Glenda Proctor and Lynda Grimsley. Mrs. Valoris Osborn, sponsor of the organization, was also present.

The group discussed the plans for the Maize Days luncheon during the Queen's Contest.

All persons interested in the organization are invited to attend the first regular meeting of the year. The meeting will be held at the High School cafeteria on September 1 at 4 p.m. Babysitting will be provided.

Mrs. Ragsdale from Sherwin Williams at Hereford will speak on "Creative Decorating."

DPS Investigates Three Accidents

The Texas Highway Patrol investigated three accidents on rural highways in Parmer County during the month of July, 1977, according to Sergeant W.E. Wells, Highway Patrol supervisor of this area.

These crashes resulted in no persons killed and two persons injured.

The rural traffic accident summary for this county during the first seven months of 1977 shows a total of 62 accidents resulting in one person killed and 42 persons injured.

The rural traffic accident summary for the 60 counties of the Lubbock Department of Public Safety Region for July, 1977 shows a total of 620 accidents resulting in 15 persons killed and 391 persons injured as compared to July, 1976, with 592 accidents resulting in 21 persons killed and 380 persons injured. This was 28 more accidents, six less killed, and eleven more injured in 1977 at the same period of time.

The 15 traffic deaths for the month

of July, 1977 occurred in the following counties: two each in Hale, Lubbock and Potter; one each in Archer, Clay, Floyd, Hockley, Jack, King, Terry, Wise and Moore.

Now! What you pay to lease a Zimmatic depends on the price of corn.

Here's another first from Lindsay... the Zimmatic Corn Crop Lease. Instead of a fixed lease payment, you pay for your Zimmatic based on the price of corn. If corn prices plunge, so does your lease payment.

By offering this new lease, Lindsay is sharing some of the same risks that you face every year. Corn prices fluctuate, which affects your profit picture. That's why Lindsay developed the exclusive Zimmatic Corn Crop Lease... a revolutionary program that tailors your lease payments to the changing price of corn, from one year to the next.

The Zimmatic Corn Crop Lease is designed so you can lease a Zimmatic without using your normal operating credit sources... your Zimmatic pays its own way by turning on your production.

The number of Zimmatics available under this program and the time period of this offer are

limited so come in soon and get all the details on the Corn Crop Lease and other exclusive leasing programs available only through Lindsay Credit Corp.

Take advantage of a program that has never been offered in the industry before... it's the lease we can do for you.

Program To Benefit Elderly

Green Thumb, Inc., a work training and job opportunity program for persons 55 years of age and older, who are residents of Parmer County, is available, according to Judge James P. Fortenberry.

The program is sponsored by Farmers Union and funded through the Department of Labor and provides employment opportunities to those elderly persons having limited incomes and desiring to work on community service and improvement programs for non-profit organizations. The program does not replace persons who are presently employed, or reduce the hours of those working, but rather provides the communities within the county with those services desired but not presently provided, or expands on-going programs or projects.

Persons applying for the program, and meeting the requirements, will receive \$2.30 per hour and will work for 24 hours per week. In addition, they will have paid vacations, sick leave as well as receiving physical examinations and, while on the job, workmen's compensation.

There is no charge to the organization being supported through the assignment of Green Thumb personnel but tools and materials required for specific jobs must be furnished.

Judge Fortenberry stressed the point that persons who apply for the program must be residents of Parmer County and will work on projects within the county. The program is designed to provide the elderly with opportunities to learn new skills or to re-learn old skills. Hopefully, the individuals will find employment on the regular job market after a period of time with the program.

Persons presently in the program, within the region, are performing many varied jobs, such as outreach work, telephone reassurance, administrative functions in city, county and school offices, recreation guides-hostesses, building repairs and weatherization, cooks, vehicle drivers, librarians, law enforcement communications, home aide service, day care attendants, senior citizen center workers, lunchroom worker, school maintenance, installation and maintenance of playgrounds and equipment, museum attendants, modifications and repairs to county and city barns and other assignments which are desired and needed by the communities.

While new in Parmer County, Judge Fortenberry explained that Green Thumb has been in being for over 10 years in other states and has been on particular help to those elderly persons living in rural areas where jobs are not always readily available and where elderly persons need to increase their incomes to meet the increasing costs of living. Further, the program is helpful to those persons who cannot work a full work week of 40 hours. Once the person has an opportunity to become active in a meaningful job, he or she improves both mentally and physically, regaining confidence and pride and serving as highly desirable members of the community.

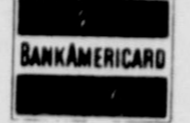

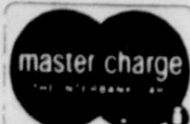

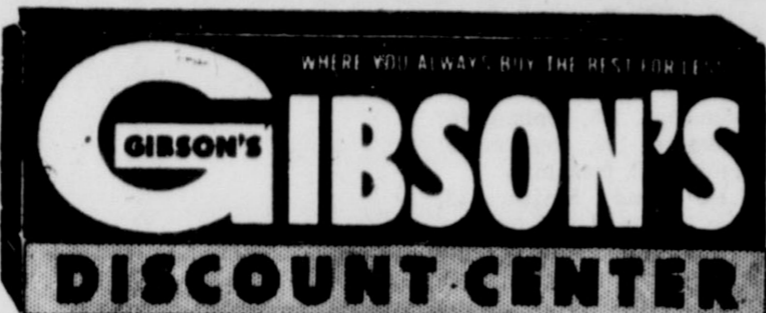

Persons interested in applying for the program should contact the office of the county judge in Farwell as soon as possible. In order to qualify for the Green Thumb, persons must be 55 years of age, or older, be a resident of the county, pass a general physical examination by the doctor chosen by the applicant and have a low annual income. Applicants are not obligated to any specific length of time in the program and efforts will be made to place the eligible persons in the jobs for which best suited.

In addition to those persons wanting to apply for this equal opportunity program, persons and/or organizations wishing to receive support from the Green Thumb personnel should contact the office of the county judge.

In addition to the program described above, Green Thumb offers another program providing employers of persons entering employment, 45 years of age and older, with a significant percent of the wages of the employee while undergoing on-the-job training. Jobs in this category may be with either profit or non-profit types of businesses. The employer may train the person to meet the particular needs of his business and no restrictions are imposed on the use of the funds.

Judge Fortenberry stated that interested persons, in either program, should leave their names and addresses at his office and that only limited number of persons can be accepted for the program at this time.

Longhorns Look For Better Year

With one of the best lineups in five years the Lazbuddie Longhorn's day in the spotlight may be dawning once again.

Ten lettermen are returning, including an experienced backfield and a sizeable line. This points to a successful season for head coach Dewayne Sexton, but the Horns are picked by experts to be fifth in a class of seven 2-B (North) district teams.

If the 'Horns are not plagued by injuries, Sexton said, they should be a match for the other teams in the district. They have increased in size and speed but lack depth in the line.

In the quarterback slot will be powerful passer Charleson Steinbock, 145, junior. Behind him will be Mike Windham, 160, senior, and Rayburn Wenner, 155, senior. Other backs are Johnny McDonald, 150, sophomore; Dennis Steinbock, 155, sophomore; Andy Rogers, 130, freshman; Russell Windham, 155, freshman and David Lust, 100, freshman.

On the line will be:

ENDS—Keith Hicks, 140, junior;

Apolonio Sanchez, 135, sophomore; Quinten Mimms, 130, sophomore; Todd Gregory, 100, freshman.

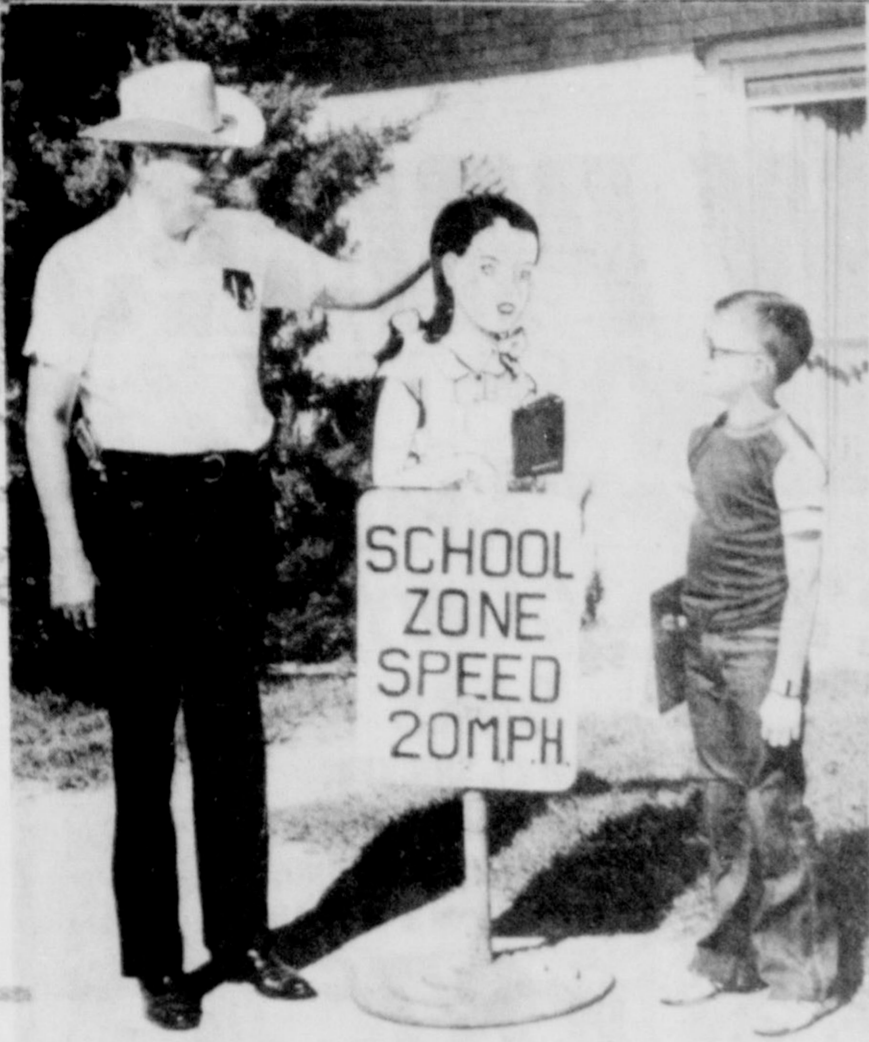

TACKLES—Randy Smith, 175, senior; Dan Copeland, 215, senior; Steve Rowton, 175, junior; Reggie Treider, 155, sophomore; Tommy Hill, 200, sophomore; Stephan Moore, 130, freshman.

GUARDS—Carl Fuqua, 165, senior; Randy Copeland, 175, senior; Keihm Smith, 160, sophomore; Robert Stanley, 165, sophomore; Mickey Powell, 140, sophomore; Joe Dan Briggs, 180, sophomore.

CENTERS—Jim Standridge, 155, junior; Manuel Buentello, 155, freshman.

Motley County has been picked to win the district followed by Valley, Sudan and Nazareth. Lazbuddie ranks fifth over Happy and Silverton.

But the Longhorn coaching staff and the 1977 team plans to turn all the predictions around as well as last year's 2-8 season. The first game will be at Lazbuddie against Whiteface on September 2 at 8 p.m.

SAFETY REMINDER...Police Chief Bill Denney shows Daniel Gowens one of several school crossing signs which will be put out Monday, as a reminder to all motorists and school children to be

careful during school hours. Denney said traffic will become very heavy starting Monday. Daniel, 9, is the son of Mr. and Mrs. Bernard Gowens.

(Star Photo)

GOOD TACKLE...Earnest Mills cuts down a Vega Longhorn short of first down yardage as Terry Wilcox closes in to help in the Chiefs' Thursday night scrimmage here. Vega scored once, tying the Chiefs' one TD. Friona will take on Floydada September 2 here when the regular season opens. (Star Photo)

Teachers Added To Staff

JANET HAND...Mrs. Hand will be instructing Elementary P.E. this year. She taught a full year at Friona in 1973-74, but left to work as secretary at the local Tri-County Savings and Loan Assn. She is a 1972 graduate of Texas Tech, where she earned a B.S. degree. She is originally from Levelland and is the wife of Nick Hand.

BILLY R. PRESCOTT...Mr. Prescott is a 1976 WTSU graduate from Odessa, and will be the new junior high band instructor at Friona. He played with the Amarillo Symphony for six years and was in the "Texas" production four summers, playing the string bass. He comes here from Groom where he was a band director.

ROXANNE WITHERSPOON...Miss Witherspoon will be teaching Junior High School earth science. She is a graduate of Texas Tech where she majored in secondary education. She is from Houston and spent this past summer working at the visitor's center at Yellowstone National Park. This will be her first year to teach in public schools.

TUCO, INC. Elects New Vice President

The board of directors of TUCO INC. at their quarterly meeting Monday, July 25, elected Dale T. Garner vice president and principal operating officer. The announcement was made by Berl M. Springer, vice chairman of the board of directors of the Amarillo-based firm.

TUCO INC. is a wholly-owned subsidiary of Southwestern Public Service Company and provides a large portion of the electric company's fuel requirements, including natural gas, coal and fuel oil. TUCO INC. also produces other liquid hydrocarbon by-products for sale to non-related wholesalers.

Garner is a native of Manning, Kansas, and is a graduate of Oklahoma University. He joined

Southwestern Public Service Company on April 1, 1977 as an executive assistant in the finance department. Before coming to SPS, Garner served as a systems analyst for the Occidental Exploration and Production Company and as administrative manager for Esso Exploration, Inc. in Tokyo, Japan. His past experience also includes various financial and operational positions with the Creole Petroleum Corporation and the Carter Oil Company.

"The management of TUCO INC. carried with it the extremely important responsibility of providing fuel for Southwestern Public Service Company," Springer said. "Garner is a seasoned oil and gas executive and brings to TUCO INC. a wealth of world-wide experience."

SCHOOL LUNCH MENU

Monday, August 29
Hamburgers, potato chips, lettuce, tomatoes, fruit, Borden's chocolate milk.

Tuesday, August 30
Meat loaf, mashed potatoes, green beans, hot rolls, chocolate cake, Borden's chocolate or plain milk.

Thursday, September 1
Steak, mashed potatoes, buttered carrots, hot rolls, banana pudding, Borden's milk.

Friday, September 2
Hot dogs, French fries, pork and beans, cookies and Borden's milk. (Menu Sponsored By Borden's Milk.)

SCS News

"This would be a good time to talk to teachers about including conservation in their plans for the coming year," according to Herb Evans who is with the SCS in Friona.

Conservation has been included by the Texas Education Agency as a subject in school programs.

The Soil Conservation Service has ideas for conservation activities. These activities include classroom demonstrations, tours and outdoors learning areas.

Conservation usually comes up in April according to the teaching plans. It is time now to get the basic ideas laid out and general commitment to time.

Co-Op Gin Conducts Meeting

The Friona Farmers Co-op Gin held its annual meeting Tuesday, August 23 at the Friona Community Center.

Some 71 people attended. A barbecue supper was catered by Bob's Barbecue of Hereford.

Speakers included Jimmy Nail of Plains Cotton Cooperative; Ed Breihan and John Barnes of the Plains Co-op Oil Mill and Ronnie Brown of the Farmers Cooperative Compress. Also speaking were Jim Adams of the National Cotton Council, Bill Henderson of Plains Cotton Growers, Jim Myers of Growers Seed Assn., Elton Wylie of Friona Consumers and Preach Edelman, prominent local cotton leader.

Directors re-elected to the organization's board were Bill Loafman, D.L. Carmichael, and Clarence Monroe. These won re-election over Curtis Murphree, Larry Moyer and Tom Pruett.

Door prizes, which consisted of merchandise made of 100 per cent cotton, were won by Travis Stone, Ernest Osborn, Inez Hamilton, Phila Mae Weatherly and Ruby Stone.

Contest

(Continued from Page 1)

chooses, have the option of receiving \$100.00 cash.

Entries may be brought or mailed to the Friona Star, Box 789, by 5 p.m. each Friday. They may also be left at Bi-Wize Drug. If mailed, the entry must bear a postmark by Friday "P.M." and should be marked "Football Contest."

Over 400 fans enter the contest each year, as individual rivalries usually develop among contestants. Contestants must be 12 years of age or older to be eligible to enter the contest. In order that scores count for grand prizes, entries must be on an official entry blank, printed in the paper each week.

Readers are urged to turn to page 9 of this issue and familiarize themselves with the first week's slate of games, which contains games to be played the weekend of September 2-3-4.

A tie-breaker game, usually the Friona Chieftain game, will be used to break weekly ties as well as those that might result in the race for grand prizes.

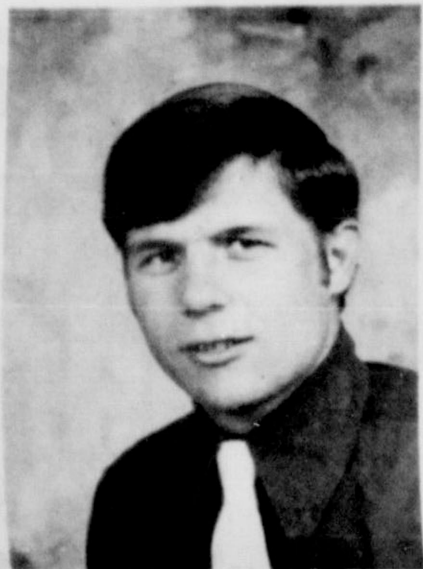

The tie-breaker game is only used to separate ties, and has no bearing on the weekly score. Contestants are asked to pick the score of this particular game.

Last year's grand prize winner was Clay Bandy. Second place was won by Don Fortenberry and Michael Means, who tied.

With the exception of the Friona Star employees and their families, everyone is eligible to enter the weekly contest.

REBECCA RIETHMAYER...Mrs. Mike Riethmayer is the former Becky Elliott of Friona, and will teach seventh grade language and arts until mid-October when Cynthia Smith is expected to be able to return to work. Mrs. Riethmayer graduated in May from WTSU.

CRAIG HUNTER...Coach Hunter will be the new head basketball coach for the high school girls. He has attended Oklahoma State and Panhandle State Universities and has taught at Sanford-Fritch and Happy High School. He is married and has two children.

MARILYN MCDONNALD...Mrs. McDonnald will be a third grade teacher this year. She is a May 1977 graduate with a B.S. in elementary education. She is the wife of Beaman McDonnald of Friona. They have two children, Kathleen, 7, and Ronnie, 5.

At Home In Parmer County

Jana Pronger

HOMEOWNERS CAN insulate their unfinished attics with a few tools, the correct amount of insulating material, strict safety precautions and several easy preparation steps, says Miss Jana Pronger, County Extension Agent.

TOOLS

Necessary tools are temporary lighting, temporary flooring (such as 1x12" boards or plywood laid across ceiling joists), duct or

masking tape (2" wide), a heavy duty staple gun and staples or a hammer and tacks, and heavy duty shears or linoleum knife to cut the insulating materials.

MATERIALS

Insulation is available in batts, blankets or loose fill—and it's important to know which one includes a vapor (moisture) barrier or which ones need it.

Batts and blankets are made of

glass fiber, rock wool, or cellulose—and loose fill is generally made of rock wool, glass fiber, and cellulose fiber.

Batts are generally 15" or 23" wide precut in 4' or 8' lengths. Blankets 15" or 23" wide, in long rolls, can be cut by the installer. They are compressed and will expand when wrappers are removed. Loose fill comes in bags.

When selecting insulation, consider composition, fire safety, moisture resistance, odor, corrosiveness, thermal performance (or R-value), cost, and installation forms and methods.

If you choose batts and blankets, buy the width that will fit snugly within the joist spacing.

A vapor (moisture) barrier prevents most of the moisture in the house from getting into the insulation and reducing its effectiveness. Between home laundry, cooking and bathing, about 18 gallons (68 liters) of water vapor can be produced each week.

For un-insulated attics, select batt or blanket insulation with an attached vapor (moisture) barrier—or if you select loose fill insulation, a vapor (moisture) barrier of heavy polyethylene sheeting (4-mil or 6-mil thick) is necessary.

If the attic already has some insulation—and you are simply adding to it, no additional vapor (moisture) barrier is necessary. However, if batt or blanket insulation with an attached vapor (moisture) barrier is all you can buy for the new job, its barrier should be slashed approximately every six to twelve inches.

The slash in the new layer of insulation prevents moisture from being trapped in the first layer of insulation.

HOW TO MEASURE MATERIAL AMOUNTS

To determine the amount of vapor barrier material and insulation material to buy, you don't even have to go into the attic. Just follow these two steps:

—Step 1. Measure the area of the first floor of your house—not counting garage, porch and other unheated areas. The first floor area will be the same as the attic area.

If it is a rectangle, measure length and width in feet (to the nearest foot) and multiply—length x width equals area.

If it is a combination, break it down into rectangles; find the area of each one; then add the areas to get the total.

—Step 2. Figure the estimated insulation area by multiplying .9 times the total attic area (90 per cent of the total area). In other words: .9 x total attic area equals estimated amount of insulation material (and vapor barrier material) needed.

SAFETY PRECAUTIONS

Do NOTHING until you have carefully read these safety rules:

1) Provide good lighting. 2) Lay boards or plywood sheets down over tops of joists or trusses to form a walkway—the ceiling below won't support your weight. 3) Be careful of roofing nails protruding through roof sheathing. 4) If you use glass fiber or rock wool wear gloves and breathing mask, and keep the material wrapped until you are ready to put it in place. 5) Work when temperature in attic can be tolerated—winter, nights, cool weather.

PREPARATION STEPS

After installing temporary lighting and flooring—before insulating, check for leaks and make necessary repairs. Also, seal all places where pipes or wires penetrate the attic floor.

EVANS RETIRES....Herb Evans will retire from the Soil Conservation Service on August 27. A retirement party was held on August 19.

Retirement Party Fetes Herb Evans

A retirement party for Herb Evans was held at Sutphen Barbecue in Amarillo on August 19. He was treated with a dinner and numerous gifts. Those attending were, SCS personnel and the families from the west side of the Texas Panhandle. Over fifty persons attended the party.

He will be retiring from the Soil Conservation Service on August 27, 1977, after 27 years with the Service, seven of which he spent in Parmer County.

Mr. and Mrs. Evans will be moving near San Antonio after retirement.

Those attending the party from Friona were Mr. and Mrs. Herb Evans, Mr. and Mrs. Duval Burt and Ronnie McLellan.

Antique Club Met

In Habbinga Home

The regular meeting of the Friona Antique Club was held in the home of Mrs. Selma Habbinga with eleven members present.

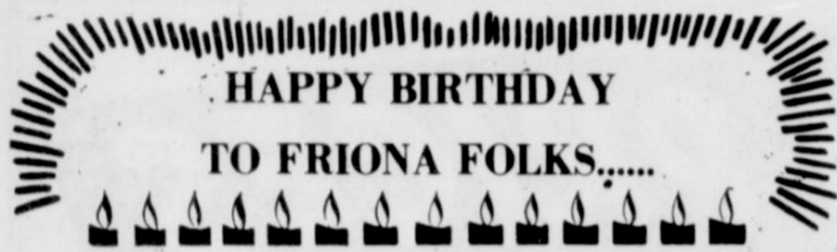

The president, Elvie Jennings, presided over the business meeting after which refreshments consisting of cold cuts, chips, crackers, pickles, coconut pie, punch and coffee, were served by the hostess.

The members were entertained by the showing of slides which

refreshed the memories of picnics, cook-outs and parades as far back as 1960.

Those present were Mr. and Mrs. Leo Bails, Mr. and Mrs. Opal Jones, Mr. and Mrs. Elvie Jennings, Mr. and Mrs. Rudolph Renner, Hazel Baxter, Selma Habbinga and Orma Flippin.

Mr. and Mrs. Elvie Jennings will be the hosts for the September meeting.

Town Talk

By June Floyd

Phone 247-3681 With Your News Item

Friona connected people played several roles, including that of Miss Stratford in the annual Beauty Pageant held there recently.

Jacque Chesher, daughter of Mr. and Mrs. Jimmy Chesher, was crowned Miss Stratford in the Sherman County Capital.

Miss Chesher is a junior in high school and is the granddaughter of Mr. and Mrs. Jess Chesher of Friona and Mr. and Mrs. J.L. Stowers, who live near Stratford. Her mother is the former Ineta Stowers.

Pam McReynolds, daughter of Dave and Shirley, was in the top five contestants in the finals. She is a senior in high school.

Then, Vicky Rolan, who is the **Girl Born To**

Delbert Davises

Mr. and Mrs. Delbert Davises are the parents of a baby girl born Tuesday, August 16 at 6:41 a.m. in Parmer County Community Hospital.

Named Mindi Lou, the new arrival weighed six pounds, 1/2 ounce and was nineteen inches long. She is the first child for the couple.

Grandparents are Mr. and Mrs. Milton Evans and Frances Davis of Friona.

Great-grandparents are W.R. Anderson of Brownwood, Texas and Geraldine Anderson of Friona, Mr. and Mrs. J.A. Evans of New Home, Texas and Mattie Stowers of Garden Grove, California.

Great-great-grandparents are Mr. and Mrs. Loyd Evans of New Home, Texas.

Johnsons

Have Boy

Mr. and Mrs. Larry Johnson of Carrollton, Texas, are the parents of a baby boy born Saturday, August 20 in Medical City, Dallas, Texas.

Named Jeffrey Edmund, the new arrival weighed eight pounds, twelve ounces and was 21 1/2 inches long.

Jeffrey has one brother, Joshua, 3 1/2 years old.

Grandparents are Mr. and Mrs. F.E. Jarecki, Truitt Johnson and the late Theima Johnson, all of Friona.

Great-grandparents are Mrs. Oliver Rieken and Mr. and Mrs. Bill Johnson, all of Friona.

daughter of Mr. and Mrs. Ardith Rolan, participated in the Little Miss Contest. Her maternal grandfather, Elwood Vaughn lives here.

Other McReynolds news is that the oldest son, David Franklin, and Charlotte Hokanson of Dumas are planning a December wedding. They are both students at West Texas State University, Canyon.

Tom, the youngest McReynolds son, is a freshman at Northwestern State University, Alva, Oklahoma, where he is playing football.

Incidentally, Dave's and Shirley's youngest daughter, Emily, is a high school freshman. Time's rapidly passing for them, too. Their children will soon all be grown ups.

Grandmother and Granddaddy Mills-Joann and Wayne-are happy to have little Kristi Elaine, their youngest granddaughter living nearer to them.

Mike, Sharon and Kristi recently moved from Ardmore, Oklahoma to Guymon, Oklahoma.

Joann says, "Even though they're still in Oklahoma, Guymon is closer than Ardmore."

F.G. and Bonnie Crofford, the maternal grandparents, live in Gruver, which is in the same neck of the woods as Guymon.

Weekend visitors in the home of Carl and Billie Fairchild were Johnnie, Phyllis and Dan Parker of Worland, Wyoming, who also visited Tommie Parker.

Dan, who is entering Texas Tech University, his dad's alma mater, this fall as a second semester sophomore majoring in business, made the President's List at Casper Junior College, Casper, Wyoming, last semester.

The Parkers went on to San Angelo for a visit with Weldon, Ruby, Michael and Mark Fairchild before returning home.

Robin Polk, brother of Mrs. Danny Black, visited here earlier in the summer. He flew from Beaumont with Linda and was favorably impressed with that mode of travel. Their father, Charles Polk, came to Friona for a weekend visit then Robin returned home with him.

Friona visitors last week were Kelly and Jade Konis of Amarillo. They spent the week with their grandparents, Ray and Rosella Landrum. Their parents are Ben and Jenni Konis.

Ray and Rosella were accom-

panied on an extended trip by her mother, Mrs. C.W. Dixon recently.

The trio went to Clearwater, Kansas, for the wedding of Trine Dixon of that city and Peter Eishner of Germany. The wedding was performed on the staircase of the home of the bride's parents, Mr. and Mrs. Buck Dixon.

Miss Dixon, a former student of Hockaday at Dallas and a graduate of Boulder University, Boulder, Colorado, has spent the last few years in Germany.

Mr. and Mrs. Eishner will be living in England, where he will be an English professor at a college in Durham, England.

Mr. and Mrs. Ingo Kittel, who live in Germany, were special guests at the wedding. They are making a three months tour of the western part of the United States and plan to visit the Landrums later this summer.

Following the wedding the Frionans went through the Ozark Mountains to Branson, Missouri, where they visited friends.

Then they drove down to Hot Springs Village, Arkansas, where they visited T.A. and Irene Shirley. The Sherleys moved from Friona to Hot Springs Village several weeks ago.

A group of people from Friona, Bovina and Hereford got together in the backyard of Linda and Danny Black's home Saturday evening for a cookout.

They grilled hamburgers to serve with salads, fresh vegetables and other goodies. Then had homemade freezer ice cream for dessert.

Mickey and Shirley Wilson and Lynn and Janet Phipps, all former Friona residents, and Richard and Bobbie Patzig, all of Hereford, came. So did Dale and Tonya Gober of Bovina—they're former residents, too.

Local people attending were Ed and Gwen Corn; Ronnie and Libby Procter, Bob and Terri Welch, Eric and Linda Rushing, Roger Nelson and Ron and Sandy Awtry.

Calvin and Ann Martin are home. They had been gone about a month. First they went to a Baxter reunion at Durango, Colorado. Then did some sightseeing and visiting along the way as they went to a Weatherly reunion at Omaha, Nebraska. This reunion was for descendants of the late Mrs. J.W. Baxter of Friona. Other members of her

family who attended were Lonnie and Jewell and Charlie and Mary Lou Baxter, Clovis; Miles and Nora Robbins, Blunt, South Dakota; Clarence and Eva Baxter, Rye, Colorado; and Bill and Beth Baxter, Faith, South Dakota.

The Martins also visited in the home of Mr. and Mrs. Dean Wallace and children of Creston, Iowa, and visited Adventureland at Des Moines, Iowa.

Enroute home they visited friends in Missouri and Kansas.

Mr. and Mrs. Ray Bailey, Bob and Phil of Collingswood, New Jersey; Debbie Bailey of Memphis, Tennessee and Mrs. Nana King of Lubbock have been visiting Bob, Terri and Ben Welch.

The Baileys are Terri's parents, brother, nephew and sister and Mrs. King is her grandmother.

The group spent several days at Creste Del Monte, which is near Cowles, New Mexico.

Jeri Lynn LaFrance of Olton has been visiting in the home of her maternal grandparents, Glen and Ruth Stevick. She is the daughter of Jerry and Janet LaFrance.

SOME HELPFUL HINTS....Navy Seaman Recruit Joe A. Lafuente, right, a Friona man, takes some friendly advice on his locker arrangement from recruit company commander William K. Spears, a Navy first class petty officer at Naval Recruit Training Command

in San Diego. The 18-year-old Friona man is a member of Golden Plains Company 153 which graduated from the command with top honors recently. He is the son of Mr. and Mrs. Alfredo Lafuente of Route 1, Friona.

Mr. and Mrs. Darrel Roth

Delia Snyder, Darrel Roth Exchange Wedding Vows

Delia Annette Snyder and Darrel Hugh Roth, both of Friona, exchanged wedding vows at 6 p.m. on Friday, July 22.

The wedding ceremony was performed in the Calvary Baptist Church of Friona, by Bro. Ron Trussler, pastor.

The bride is the daughter of Mr. and Mrs. Charles Snyder of 221 E. 7th, Friona. The bridegroom is the son of Mr. and Mrs. Lester Roth of Route 2, Friona.

The church was decorated with two large gardenia arrangements and a bud vase with a single white rose.

Annie Mae Thomas, organist, accompanied Harold Taylor, vocalist, as he sang "Twelfth

Never" and "We've Only Just Begun."

As the bride was presented in marriage by her father, she wore a formal length gown of white bridal satin. The dress was princess style and featured short puffed sleeves. The satin on the bodice and sleeves was overlaid with lace.

She wore a waist length white veil, which she borrowed from her cousin. She carried a bouquet of white roses trimmed in blue ribbon.

Mrs. Randall (Debbie) Snyder of Arlington, sister-in-law of the bride served as the matron of honor.

Sherrie Shavor of Friona was the bridesmaid.

Kenneth Roth served his brother as best man.

John White of Friona was the groomsmen. Ushers were Randall Snyder of Arlington, brother of the bride and Bryan Snyder of Friona, brother of the bride.

Trina Cole of Yampa, Colorado, niece of the groom was the flower girl. She is the daughter of Mr. and Mrs. Tom Cole.

Tory Snyder of Arlington, nephew of the bride, was the ring bearer.

The feminine attendants wore light blue polyester gowns with

white dots. The gowns featured high waistlines with gored skirts and short gathered sleeves. They carried one long stemmed white rose trimmed in blue ribbon.

A reception was held at the Parish Hall of St. Teresa's Catholic Church.

Beverly Adams registered the guests.

Mrs. Tom Cole of Yampa, Colorado and Mrs. Robert Adams of Erie, Colorado served cake. They are sisters of the groom.

Mrs. Danny Young of Tucumcari, N.M. and Mrs. Hank Horner of Albuquerque, N.M. served punch. They are cousins of the bride.

Mrs. Kenneth Young of Tucumcari prepared the cake decorated with white icing and blue flowers.

The bride attended Friona High School.

The bridegroom is a graduate of Friona High School and is employed at Friona Feed Yard.

JAY CORWIN MESSENGER, graduated from West Texas State University, Canyon, on Saturday, August 13 with a Bachelor of Business Administration degree in accounting and a general business minor. He is currently employed with Harvey, Messenger & Co., CPA's, in Amarillo. A former Friona resident Jay graduated from Tascosa High School in Amarillo in 1973. He was among the 350 West Texas State University students who graduated in the summer commencement exercises.

Girl Born To Paul Smiths

Mr. and Mrs. Paul J. Smith, Friona, are the parents of a baby girl born Friday, August 19 at 9 a.m. in Parmer County Community Hospital.

Named Jessica Leigh, she weighed seven pounds and was nineteen inches long. She is the second child for the couple and her sister, Jennifer is three years old.

Grandparents are Mr. and Mrs. Paul Smith of Lubbock, and Mr. and Mrs. J.D. Evans of Memphis.

Great-grandmothers are Mrs. J.B. Evans of Memphis and Mrs. Lina Young of Childress.

Prairie Acres Party Line

By June Floyd

Hello Central:

Some of us are pretty excited about a new program which has been introduced to us recently.

Lora Mae McFarland, in cooperation with Billie Fairchild, the librarian at Friona Public Library, has directed the beginning of a Prairie Acres reading club.

Miss McFarland brings books to

Prairie Acres for residents to check out as they choose.

Olive Lawrence, Nettie Rhinehart, Lillian Hubbard, Mrs. G.A. Bandy, Paul Griffith and Janie London all checked books out last week.

This will be kind of like a traveling library and anyone who lives here is invited to participate. All you need do is to let someone know you are interested in a book.

Plans are being made for some organized crafts and volunteers are needed to assist us with some projects.

Thanks again go to everyone who has shared fresh fruits and vegetables with us. We enjoy all of them.

Mrs. Lewis West visits us occasionally and we always enjoy having her. She has contributed so much to the beautification of our grounds this summer and we appreciate what she had done very much.

Library Corner

"First You Cry," by Betty Rollin is available at Friona Public Library.

Betty Rollin had always been a winner. Exceptionally pretty, smart and as she says, "overprivileged" she had achieved professional success first as a writer, then as an NBC-TV news correspondent, and she had a good marriage to a well known novelist. None of her previous experiences had prepared her for the shock of discovering that a lump in her breast was malignant, that the breast was malignant, and would have to be removed, and that there was nothing she could do about it.

In an intimate frand, often wry and witty way, she describes how the loss of a breast affected her emotions, her sex life, her job, her feelings about her femininity, and her relationships with others.
