

Star Lites By Bill Ellis

IT'S IRONIC THAT football seasons are conducted to determine district champions. A team plays a ten-game schedule that involves some 14 weeks of strenuous workouts for the players (and coaches).

Yet in the final analysis, when it came down to determining the playoff representative, school officials were expected to meet from three district 3-AA schools late Friday and toss a coin.

Friona was playing solid enough football the latter part of the season that the Chieftains should not have had to rely on luck, or even a combination of wins to get into the playoffs, yet as of this writing this was the case.

The team did a tremendous turn-around in district play for the second straight year. After being 0-4 after the first month of the season the team was 4-1 from that point on, and was shooting for a 4-1 mark in district play on Friday.

The 4-1 district record would give the Chieftains a share of the district title, and anyone who has lived in Friona at least a little while will tell you that a district football title is a rare commodity in the school's collection of trophies.

In fact, only three such championships have been won at the school in the past 33 years. It has been 12 years since Friona was connected with a football title, under the tutelage of Don Light.

Regardless of the outcome of Friday's merry mixup, here's our most sincere congratulations to Coach Lonnie Phillips and his Chieftains. You displayed a lot of character, and that brought you and your community a lot of favorable publicity.

Making this type of comeback, after suffering all of the early-season adversity, is the mark of a real champion. We are proud of each one of you.

Nelson Lewis shares the following with us. We thought a lot of folks could probably identify with its logic, or illogic:
"We the willing, led by the unknowing, are doing the impossible for the ungrateful. We have done so much for so long, with so little, we are now qualified to do anything with nothing."

School Out On Friday

There will be no school in Friona on Friday, November 18, announces Tom B. Jarboe, superintendent.

Next week marks the end of the quarter for students in the Friona school system, and teachers will have an in-service day on Friday to post grades and catch up on other work.

The following Wednesday, November 23, school will dismiss at 2:45 p.m. to start the Thanksgiving holidays. School will dismiss Thursday and Friday, November 24-25.

United Way Tops 42%

The Friona Area United Way campaign for 1977 kicked off Monday, with Coach Bill Yung of West Texas State University as speaking at the kickoff breakfast.

As of Friday morning, a total of \$4529.00 had been deposited to the 1977 United Way drive, representing 42 per cent of the drive.

Gale Warren and David Hutson are co-chairmen of the 1977 campaign.

A "victory brunch" was scheduled by UW workers at the Girl Scout house at 10:30 a.m. Saturday, at which time it was hoped that the goal of \$10,727 will have been raised.

AG STRIKE

Movement Wants Batteries, Paper

Farmers are urged to donate their junk batteries and junk mail envelopes to the American Ag Movement Headquarters at 5th & Euclid between now and December 14 to help defray the cost of having a strike office in Friona. The batteries will be sold and the envelopes will be stuffed with strike literature and mailed back to the return address.

The American Agricultural Movement is a nonprofit effort of farmers and ranchers across the nation to get parity for their farm products and livestock. Under the current Farm Program, a grain producer cannot produce grain and hope to break even or make even a small profit.

The American Agricultural Movement consists of farmers from all parts of the U.S. who plan to strike or partially strike December 14 if their demands for parity for their products are not met.

Chiefs Shooting For Dist. Title

The Friona Chieftains were shooting for at least a share of the District 3-AA football championship Friday night when the team travelled to Olton for the final regular season game of 1977.

Entering play Friday, three teams, the Chieftains, Muleshoe and Littlefield, were tied for the district's top spot with 3-1 records. If all three teams won their games Friday night, then a coin toss would be necessary to determine the district's playoff representative.

In the event that Dimmitt beats Littlefield Friday, that would give Friona the playoff rights, if the Chieftains and Muleshoe won their games, since Friona had defeated Muleshoe.

If the three-way tie develops, officials from the three schools were to meet in Muleshoe Friday following the games, and take the necessary tie-breaking action.

A bi-district date with Idalou, the winner of District 4-AA, awaits the team to emerge victorious and "lucky." The bi-district football game, by prior agreement of the three District 3-AA teams involved, will be held at Plainview on Friday night, November 18.

A district championship in football would be the first one for Friona since 1965. The Chieftains shared the championship with Floydada in 1964, and won it outright the following year. The team has not been involved in even a title share in the dozen years since.

ELECTION RESULTS

Phillips Favored By City, County

As it happens more times than not, Friona and Parmer County proved to be a maverick in the special election to choose a state senator last Tuesday.

Although the district favored Democrat Bob Simpson, and put he and Republican Bob Price into a runoff, Friona voters gave their mandate to Mel Phillips, who drew 42.6 per cent of all the votes cast in the Friona precinct.

Phillips was favored by 179 voters, an even 100 more votes than second place candidate Bob Price received.

Simpson came in third with 68 votes, and then came Jim Brandon, 64 and Burk Whittenburg, 30.

The big lead given Phillips in Friona enabled the Amarillo real estate developer to carry Parmer County with 251 votes. Price was second with 232, Brandon had 175, Simpson was fourth with 144 and Whittenburg last with 102.

Friona voters were favorable to only three of the proposed seven

amendments. They went in favor of number 1 (increasing size of Court of Criminal Appeals), 274-131; number 2 (providing additional bonds for Veterans' Land Fund), 233-168, and number 3 (denial of bail to second offender, felony charge), 371-46.

The rest of the amendments were voted down, both in Friona and in Parmer County.

Number 4, tax relief for historical resources, was vetoed, 204-200 locally and 475-401 in the county.

Number 5, agricultural associations to improve marketing, was nixed, 235-166 and 517-355.

Number 6, authorizing electronic banking devices, found local and county voters opposed, 256-152 and 588-293.

Number 7, changing the name of the State Judicial Qualifications Commission and providing for censure, was struck down, 212-181 and 484-203.

A total of 423 voters turned out in the Friona precinct, approximately 25 per cent. This was above average for the district, and especially considered good due to the cold disagreeable weather that blew in for the afternoon portion of election day.

Simpson and Price will face each other in a runoff election in December. Late returns from the 31st Senatorial District showed these totals: Simpson 8,777, Price 7,924, Brandon 6,908, Phillips 6,029 and Whittenburg 5,023.

A total of 918 voters cast their ballots in Parmer County, and Friona's 423 represented 46 per cent of the total. Other election totals were Farwell, 143, Bovina, 150, Black, 34, Lazbuddie 81, Oklahoma Lane, 28, Lakeview, 31 and Rhea, 28. Farwell's totals included the votes cast earlier as absentees.

MISS NOVEMBER...Our calendar girl for November is Sandy Schmidt, 17 year old senior and daughter of Mrs. Madie Schmidt. Sandy reminds us that November is a time of

thanksgiving for our blessings. She is employed part time as a bookkeeper at Friona State Bank and lists as her hobbies water skiing, basketball and guitar.

City Thanksgiving Service Is Slated

The annual Community Thanksgiving Service will be held this year at the United Methodist Church on Sunday evening, November 20 at 7 p.m.

Rev. Ron Trusler, pastor of the Calvary Baptist Church, will bring the Thanksgiving message this year.

The Friona Ministerial Alliance sponsors the annual service, and takes an annual offering to help needy people during the year.

"Pastors are often asked to be of assistance to transient people in need of help. The needs vary from a warm meal to a little gas, but all are real needs. Also, we often need to be

of assistance to those people who are permanent members of our community but who occasionally meet with situations which force them to seek some temporary aid," said a spokesman for the alliance, in explaining the reason for the offering.

Last year, it was pointed out, the funds received from the offering were not sufficient, and the Ministerial Alliance was obliged to appeal to the various churches for additional assistance.

Immediately following the worship service, a period for fellowship and refreshments will be held at the Fellowship Hall.

Bank Offers Free Pics To Patrons

Artist Arnie Vail, who has caricatured the great and the average person, will appear in Friona next week, November 14-18, during a special promotion sponsored by Friona State Bank.

Bank president Robert Neelley says that Vail, who recently drew caricatures of bank employees, will draw a free caricature for any bank customer during the coming week.

No appointments are necessary. Just come in during banking hours. Vail will be working in the bank lobby. The caricatures take approximately five minutes each.

In addition to drawing for the customers, Vail plans an art seminar on Tuesday night at the Bank, beginning at 7 p.m. All artists are welcome to attend.

Vail was a staff artist in the 1940s for the Chicago Sun Times and Tribune. He studied under the famed Playboy illustrator, Leroy Nieman.

The guest artist worked for various TV shows requiring art, and specialized in advertising art and

product design in Chicago and Milwaukee. He currently makes his home in Irving.

In addition to his caricatures, Vail paints beautiful portraits and landscapes in oils, and has shown his work from coast to coast.

Neelley invites bank customers to come by and meet Vail during the week. "It's an early Christmas present from the bank to each customer," he says.

Workshop Set For Fans

Area artists are invited to attend an art workshop conducted by Arnie Vail of Irving, Tuesday, November 15 at the Community Room of Friona State Bank.

Vail deals in oils, as well as his well-known charcoal caricatures. He is expected to have an exhibit of his paintings.

CASTING BALLOTS...Among the 423 citizens of the Friona area who

cast ballots on Tuesday were these, caught by the Star camera: (left to

right) Mr. and Mrs. George Taylor, Ron Cain and Patsy Bandy.

KICKOFF SPEAKER...Bill Yung, head coach of West Texas State University (center), was the speaker at the kickoff breakfast for

the United Way drive Monday morning. Flanking Yung are drive co-chairmen David Hutson and Gale Warren.

Officers Named To GSPA

Officers were elected for a new two-year term at the Texas Grain Sorghum Producers Board meeting held Oct. 11 in Lubbock.

Larry Witten of Olton, Texas, was named chairman, a post previously held for two terms by C.C. "Pap" Reed. John Gilbreath of Hart vacated the post of secretary-treasurer to assume the vice chairmanship. C.P. Smith, Hale Center, was named secretary-treasurer. Witten formerly served as vice chairman.

The newly elected directors of the board were sworn in at that meeting by Bob Gray, of the Texas Department of Agriculture. They are Paul Cobb, Lee Hill, Worth Jones and C.C. Reed. Paul Cobb will be serving his first term as a director.

Cobb farms 3,500 dryland acres in Yoakum County; Hill, 2,000 irrigated acres in Hartley County; Jones, 980 irrigated acres in Swisher County; and Reed, 1,500 irrigated acres in Swisher County. Jones also breeds Angus cattle and Reed irrigates pasture for cattle grazing.

K.B. Parish, past chairman, awarded plaques of recognition to C.C. Reed for his service as Chairman of the Board and A.R. Dillard for service as a Board director.

The Food and Fiber National Institute of Achievement presented a slide show about grain sorghum during lunch. The slide show was one of three prepared by that organization to emphasize the role played by American farmers and ranchers in helping to feed and clothe the nation and world.

Texas Grain Sorghum Producers Board promotes grain sorghum sales and research. It is supported by a five cents per ton assessment collected in a 29-county area of the Texas High Plains.

Farmers Are Asked To Give Views

U.S. Rep. George Mahon of Lubbock has called upon West Texas farmers and agricultural leaders to let their views be known in connection with proposed regulations which will govern the use of set-aside acreage under the new farm program.

Mahon expressed concern that under the proposed rules farmers would be able to graze wheat set-aside acreage as has been the practice in previous farm programs. "I urge farmers to make their wishes known," Mahon said.

"In my opinion it would be most damaging to our wheat-growing areas for this traditional practice to be denied.

"I have protested to the secretary of agriculture in person and by letter and I hope farmers will also make their voices heard in this matter," Mahon said.

Interested persons have until Nov. 14 to send their comments to the U.S. Department of Agriculture.

The proposed regulations would require that set-aside acreage be land that was recently tilled; that it be protected by a cover crop; and that harvesting or grazing of the cover be prohibited.

Those interested in sending comments to the Department of Agriculture should write to: Claude Freeman, Director Production Adjustment Division, Agricultural Stabilization and Conservation Service, P.O. Box 2415, Washington, D.C. 20013.

Arrowhead Hunting

REMEMBERING...

By BILL D. BROOKS

When I was a young boy arrowheads were plentiful in the fields and pastures around our place. It was nothing to go for a walk just after a rain or sandstorm and find eight to ten perfectly shaped flint points just lying on top of the ground. We sometimes found bits of painted pottery, various hide scrapers and an occasional knife or spear point in perfect condition.

It seems now in most parts of the country arrowheads are much more difficult to find than they were then. I imagine if I had all the arrow points now that I have found in my life there would be enough to fill a good sized trunk but alas I've always had a money loving heart and most of the would be vast collection of artifacts was wised away from me quite early by money wielding desperados who enticed me to sell my points at what seemed like a fortune in silver coins at the time.

The man who ran the gin in our little community was the one responsible for starting me on the road to ruin. He was a big, jolly fat man who's three hundred and fifty pounds seemed harmless enough, that is unless he stepped on you or sat on you, which he never did. But once when we were at the gin he asked my brother and me if we had any arrowheads we'd like to sell. "Well, I'd give a quarter apiece for good'uns and ten, fifteen cents for them that not so good."

Next time we saw him we had a coffee can full, which after looking at them all spread out on his desk he determined that none of them were exceptionally nice but he would give 15 cents apiece for them or five dollars for the whole can. "Five dollars!" We both decided to sell right then and there. He was happy and we were happy till we got home and started talking about the deal. We knew there were better than a hundred points in that can and at 15-cents... "Why that old geezer!" Next time we saw him he wanted

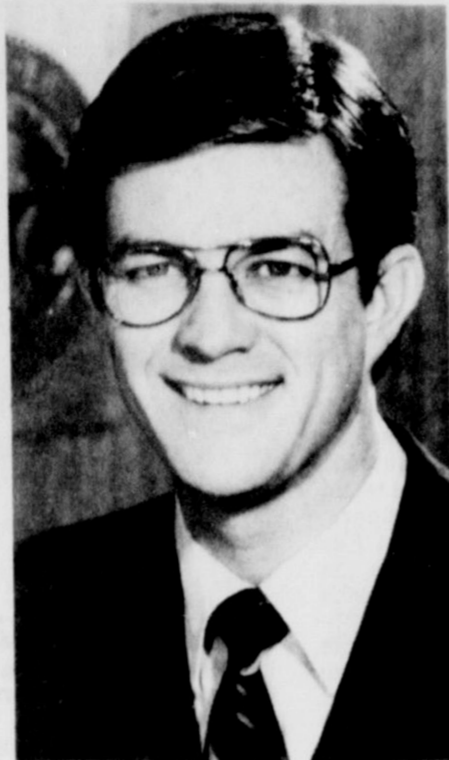

to buy more but we were wise to him this time. We laid them on the table one at a time and told him our price. That deal worked out better and over the years we made what seemed like a lot of money selling the points to him. Looking back, however, I wish I had kept them because they would mean much more to me now than the money did then.

A friend of mine used to hunt arrowheads with us when we were little fellows. He took such a serious interest in it that he studied all he could find on Indians and he would never dare sell any of his points. His room was filled with frames and cases of arrowheads, pots, knives, and all sorts of other Indian things that he could tell the most interesting stories about. He could tell you which Indians made which arrowheads and he even learned how to make them himself, just like the Indians used to, he said. My brother and I were perfectly content with the arrowheads we could find lying on top of the ground in plain sight but our friend looked for his in different, more scientific ways. He looked for places like overhanging cliffs, places near creeks and anywhere it looked like running water had been at one time. Any cave-like formation got his immediate attention. He would carry a shovel, a pick and sieve and dig the dirt in those places, carefully sifting each shovel full. More often than not he would find numerous artifacts at each site including such things as bone needles, a fishhook, colorful beads or part of a hand-woven basket, all of which he still has on display in his home.

As I reminisce about it now, I picture the grandchildren of that old ginner proudly displaying their Grandfather's fabulous arrowhead collection, telling how he came about finding all those points.

Chiefs On Rampage; Smash Bobcats, 34-7

Continuing their about-face on the 1977 season, Friona's Chieftains remained in the thick of the District 3-AA title chase with a convincing win over rival Dimmitt last Friday night, 34-7.

It was the largest margin of victory for the Chiefs over the Bobcats since 1944 when Friona downed Dimmitt, 30-0. It also snapped a three-year winning streak for Dimmitt in the series, which has been played 42 times since 1930.

Most Friona fans could not remember when a Chieftain team had so completely dominated a Dimmitt eleven. Friona scored touchdowns four of the first five times they had the football, led in first downs 26-6, and in total yardage, 376-162.

Not until the Chieftains had an insurmountable 34-0 lead did Friona ever allow their goal to be threatened. And the fourth-quarter scoring run by Bobcat speedster Thompson Mayberry was only the second time all night that Friona allowed the Bobcats to cross the 50 yard line, so solid was the Chieftain defense.

Friona won the toss and Ernest Mills ran the kickoff out to the 25. Terry Wilcox picked up a first down on a one-yard plunge to the 35, and Jeff Whiteside ripped off a nice 17-yard gain, almost breaking away. Whiteside's run put the ball in Dimmitt territory at the 48.

Wilcox picked up another first down with a 12-yard run. Center Perry Church saved the opening drive by recovering a Friona fumble at the 35-yard line. A minute later Eddie Brailiff gave the team another first down with a nine-yard sprint.

The Chieftains had a first down on Dimmitt's 14. Two plays lost yardage, but on third down quarterback Chris Barnett saved the day with a great keeper play around left end to the Dimmitt five. The Bobcats were penalized for piling on at the end of the run.

Whiteside broke the scoring ice by slashing in from the three, behind a great clearing block by fullback Glen London. Kevin Pope floated the PAT kick over the bar, and Friona had a 7-0 lead with 5:06 gone in the opening period.

The anxious Friona defense jumped offense, giving Dimmitt its only first down of the opening quarter, after the Bobcats received the kickoff. But Friona held on downs, and got the ball back, again on their own 25.

And again the Chiefs set out on a masterful 75-yard scoring drive. The drive was well-executed. London, used only as a decoy on the team's first drive, had the starring role in this series.

He showed gains of four, six, nine, 13, seven, three and one, alternating with Whiteside, Wilcox and Barnett.

The 200-pound fullback, who ran harder than he had in any game previously, scored the touchdown on a fourth and goal situation from the Dimmitt one. He hit the middle of the line which was jammed with Bobcat defenders, and scored standing up.

Pope's kick made the score 14-0, as 1:05 had elapsed in the second period. The 16-play drive had used up the remainder of the opening quarter and started the second.

Dimmitt picked up another first down when Mayberry danced for 13 yards. The 'Cats then faced fourth and five from the Friona 42 and went into punt formation. It was a fake, but Friona was ready and stopped the ball-carrier on the 40, where Friona took over. That was Dimmitt's farthest penetration of the first half.

A 15-yard holding penalty was the only thing that kept Friona from scoring in three straight tries, and Dimmitt took over on their own 20.

Two plays later the Chiefs got the ball back, however. Dimmitt quarterback Randy Stewart rifled a pass over the middle, the first passing try by either team. Kevin Kothmann showed a pair of fast hands, somehow snagging the ball, and he ran it down to the Dimmitt 30 where Friona again had good field position.

Whiteside gained eight yards in two tries, before Barnett passed 12 yards to Wilcox on a vital third and five play which carried to the Dimmitt two.

The Chiefs then dialed London's number again, and the big bruising back bulled into the end zone on first down. Pope's bulls-eye kick made the score 21-0, and the delighted Friona fans howled their approval.

Friona's third score came with just 2:31 remaining in the half, and neither team had time for a further threat.

The halftime break didn't help Dimmitt's cause a bit. The Bobcats took the third quarter kickoff, but couldn't move against the fired-up Chieftain defense and had to punt.

Friona took over the ball at midfield. Whiteside ran for 11 yards. Three plays later, Barnett faked to London, then rolled back against the grain and ran 34 yards to the Dimmitt one. He barely was knocked down before reaching the end zone.

The Chieftain signal-caller then fell over the goal on a quarterback sneak for Friona's fourth touchdown. Pope added his fourth straight kick, and the Chiefs had built their lead to 28-0. Only 3:20 had elapsed in the second half.

Friona was threatening again a little later in the quarter, with the ball at the Dimmitt 30, when Barnett had a pass intercepted to end the drive. But just three plays later Mills made a diving catch to intercept a Dimmitt pass and Friona had the ball back.

The revved-up Chieftain offense scored in only seven plays. Wilcox was the hero of this drive. His 45-yard run made a shambles of Dimmitt's attempt to hold the Chieftains on a fourth and one situation from the 48-yard line—Terry didn't want another of those close measurements.

Wilcox's scamper, the longest run from scrimmage for the Chiefs during the game, set Friona up first and goal from the four. He was rewarded with the chance to get the TD, and responded on the third try from the one.

Pope's attempt for five straight kicks was foiled by a high snap. Mills almost ran it in for two points, but was stopped short. Friona's lead had become 34-0 with 0:55 left in the third frame, and a large number of Dimmitt fans picked up their blankets and made for the car.

Even the most die-hard Bobcat fan couldn't foresee the team making a 35-point comeback, especially since the Chieftain defense had limited their team to only three first downs and 77 net yards through three quarters.

Dimmitt fans who stayed at least got to see Mayberry, their speed merchant, allow the team to avoid a shutout, on a nifty 56-yard scamper to paydirt. Mayberry, held in check most of the night, found himself in the secondary, and few people are going to catch the 170-pound speedster in an open field.

Matt Howell booted the PAT for a 34-7 score with 9:54 remaining. Dimmitt even worked an onside kick to perfection, and got the ball back at the Friona 33. But the FHS defense stiffened, and took over at the 35 four plays later.

Only an illegal procedure penalty, which wiped out an 18-yard gain by London, kept Friona from reaching 40 points for the night.

London's run would have given the team a first down at the Dimmitt 33, but the flag moved them back into their own territory. That caused Kothmann to have to punt for only the second time in the game.

With the clock running out, Dimmitt again took to the air, but once again the decision proved fatal. Todd Bandy intercepted for Friona. Dimmitt threw six passes during the ball game, completed none, and had

exactly half of their passes picked off by Chieftain defenders.

The Chieftain offense was a four-pronged affair, with the yardage divided about as evenly as you'll ever find it. Wilcox led the onslaught with 106 yards. London added 83 yards, Whiteside had 82, and Barnett 75, including 63 yards rushing and 12 passing.

Coach Lonnie Phillips was lavish in his praise of the performance by his Chieftains. "It was a fantastic effort on the part of the entire team. It was the best single performance, from a total team effort, that I've ever had since I've been in coaching," the Chieftain coach remarked.

Phillips lauded the job by the offensive line, and the backs, who ran harder than they have all year. "Our balance in the backfield is the thing that has favored us in recent games. We have had four of five attacks we can throw at the opponents, rather than one or two," he said.

The FHS mentor also commended the Chieftain defense. He credited Ernest Mills with a super game in the secondary, as well as the Chieftains' forward wall of Park Weatherly, Koty Kothmann, Tom Schilling, Raul Brailiff and Joel Hight. "Those guys did a great job of stopping Dimmitt on the line of scrimmage. It was rare when their backs got as far as our secondary," Phillips said.

Freshmen Edge 'Cats

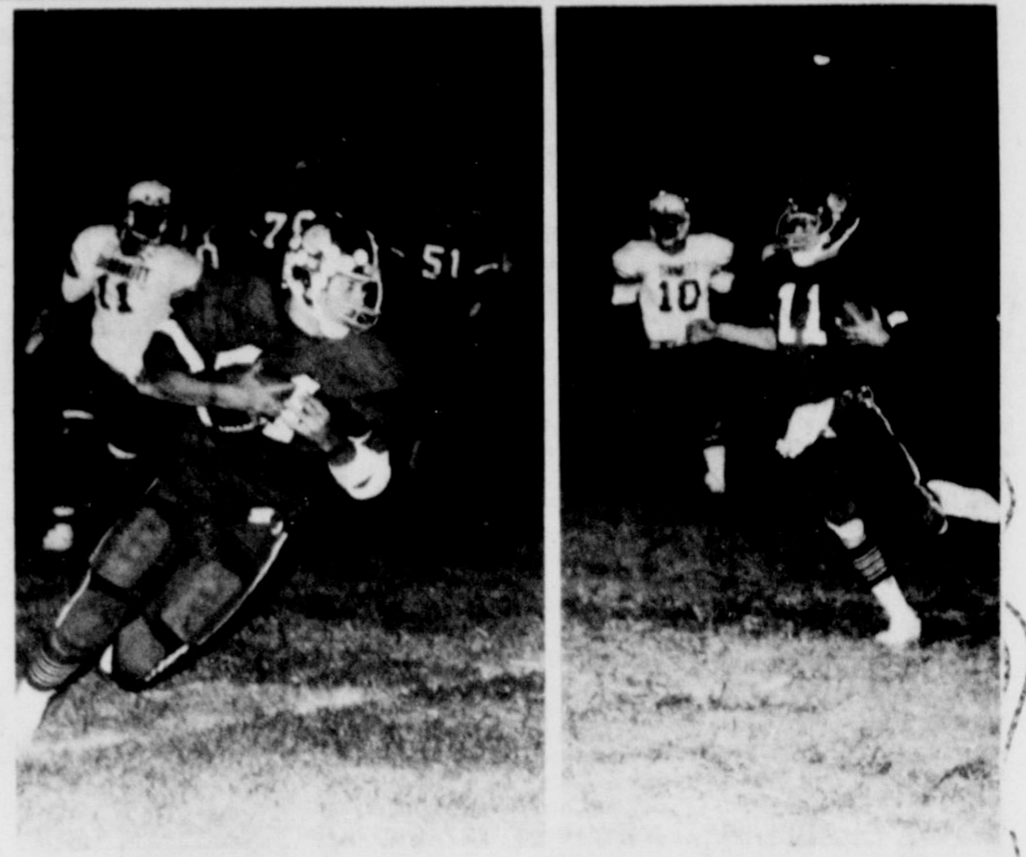

The freshmen Chiefs thumped the freshmen Bobcats Thursday, November 3, at Dimmitt by a final score of 8-6.

The Bobcats made the victory a hard fought one as they scored in the first quarter with a 30 yard run off tackle, but the Chieftain defense held and the PAT attempt failed.

The Chiefs offense cranked up later in the first half with three long drives toward the goal, but due to turnovers and penalties, no points for the Mean Red Machine were scored. The Bobcats led at the half time 6-0.

The second half played in favor of the young Chiefs with a 60 yard drive ending with a TD on a 20 yard keeper by freshman quarterback Martin Mercado. Tony Jackson sealed the Bobcats fate with a successful PAT run to pay dirt for two points.

The defense then went to work the rest of the game.

ONE, TWO PUNCH....Terry Wilcox and Chris Barnett were actually two cogs in a four-pronged attack that Friona threw at Dimmitt last Friday in the 34-7 triumph. Wilcox, on the left, is shown making one of his many gains which resulted in 106

total yards, to lead the backs in that category. Barnett makes a 34-yard run, and then plunged a yard for the touchdown that gave Friona a 28-0 lead in the third quarter.

Dimmitt Topples Jayvees

The Chieftain JV was axed 21-0 by the Dimmitt Bobcat JV Thursday night, November 3, at Dimmitt.

The Bobcat defense held the Chiefs' offensive yardage to an incredible 53 yards in 34 carries. The big yardage gainers for the Chiefs were Robert Jackson with 44 yards in 11 carries, and Rod Owen with 26 yards in 12 carries.

Defensively, it was an off night also with only one fumble caused and recovered by the Chiefs. Roger Coffey, with seven assisted tackles for the night, caused a Bobcat fumble which was recovered by Bret Moore. Moore had one unassisted tackle and seven assists. The recovery was the only turnover favorable to the Chiefs all night.

Ben Landrum led defensively in tackles with five unassisted and 12 assisted tackles followed by Robert Jackson and Kirk Frye with three unassisted tackles each. Jackson also had nine assisted tackles with Frye close behind with eight assists. The final score Dimmitt 21, Friona 0.

CLEARING BLOCK....Jeff White-side, left, gets a clearing block from Glen London to help him make a

gain against Dimmitt. The backfield duo not only ran exceptionally well, but all the backs also blocked

throughout the night, aiding in the 34-7 triumph. (Photo by Stanley Elliss)

Contest Leaders Hold Places During Week

The pace-setters are hanging tough in the Friona Star's "fall football follies," which entered the 11th weekend of games this week with a number of contestants very much in the running.

The top two contestants, R.L. Blakely and Jack Clark, each scored 165, to retain their position at the head of the list. Blakely now has a score of 162, and Clark is right behind at 161.

Jerry Hinkle notched a score of 17, and moved up a point on the pace-setters. Cynthia Smith, who has been on a hot streak lately, rang the bell with a 19. She and Hinkle are tied for third place with scores of 160.

A total of 29 contestants are grouped with scores between 150 and 159. And, with a potential of 66 points yet to be earned, the grand prizes are still up for grabs.

Frank Truitt, longtime contest participant, claimed the weekly prize of \$10. Truitt correctly named 20 winners in the 22-game schedule, and landed the prize outright. His only misses were in picking Hart over Farwell and New England over Buffalo, two games missed by a majority of the contestants.

Three other contestants correctly picked 19 games, and this resulted in a check of tie-breaker scores to determine second and third place in the contest.

Cynthia Smith, who had won the weekly contest two weeks earlier, claimed second place by missing the Friona-Dimmitt score by 21 points. She pegged the Chiefs to win, 13-7.

Dee King took third place, missing the game score by 33 points. King had taken the Bobcats, 13-7. Marie

Fleming, now of Breckenridge, was the other contestant to correctly pick 19 games. However, she was 41 points off on her score, also favoring the Bobcats.

Mrs. Smith's misses were Arizona-Colorado State, Buffalo-New England and Chicago-Houston. King's misses were Arizona-Colorado State, Buffalo-New England and Cincinnati-Cleveland. Mrs. Fleming missed Farwell-Hart, New England-Buffalo and Cleveland-Cincinnati.

Ten contestants correctly picked 18 games. They were Dennis Anthony, Johnny Alvarez, Roger Fields, Harry Watkins, Mark Fuhrman, Bob Finley, Lee Roy Nuttall, Joe Mueller, Don Reeve and Mal Manchee.

Twenty-two others clicked on 17 games. They included Moveida Fortenberry, Celia Loflin, Karla Fleming, Opal Blakely, Tim Elmore, Jerry Hinkle, Maurine Mabry, Edward White, Joe Bob Mann, S.D. Baize, Robin Baize, Marlene Drake, Roddy Berend, Larry Johnston, Charlie Clark, Larry Fallwell, James Ball, Alecia Tucker, Billie Manuel, Christie Wiseman, Freeman Melton, and Larry Martin.

Scores of all contestants with at least 100 points in the grand prize race may be found elsewhere in this issue.

Another weekly contest, which included five high school playoff games, appears on Page 9. Due to the Star's printing deadline, contestants will have to "fill in the blanks" on two playoff opponents, in District 3-AA and 3-A, which could not be known prior to Friday.

7th Graders Stumble To Dimmitt '11'

The seventh grade Braves won the battle but lost the war last Thursday against Dimmitt. Friona had seven first downs to Dimmitt's one and also 113 to 60 yards rushing.

Dimmitt scored after a Friona fumble on the 46 yard line in Friona's territory. The Dimmitt score in the second quarter turned out to be the only score of the ball game.

The final score was Dimmitt 6, Friona 0.

Eighth Graders Top Dimmitt 'Cats, 14-0

The Friona eighth grade Braves won their third district game last Thursday in a 14-0 victory over the Dimmitt Bobcats.

The Braves scored in the first and fourth quarters, failing on their extra points on the last touchdown.

The first touchdown came when Dimmitt fumbled and Friona got the ball on the Bobcat 15 and one play later the score was 6-0. Tony Rios scored on a 15 yard run.

The rest of the game was a defensive battle until the last quarter. In the fourth quarter, the Braves faced a fourth and 13. Friona went with a trick or treat play designed either to trick the opponent or treat them.

This time it worked and Nelson Jackson went 33 yards to set up Friona's last touchdown. Again Rios carried six yards for a touchdown. Dimmitt's total offense was just 11 yards. The Braves were victorious,

14-0. This set things in the right frame of mind for Friday night when the varsity wiped out Dimmitt, 34-7.

Information Given On Upcoming Legislation

Readers Are Reminded To Write Letters

COTTON HARVEST....The area's cotton harvest, underway for quite some time, was just ready to shift into high gear this week following the first freeze, when it was halted due to rain on Monday and Tuesday. Those who defoliated early were

able to get their cotton stripped. Included in that group was Jim Owens, who had a 60-acre patch of cotton on Parmerton Hill. John Dixon, the custom stripper, said the cotton made 1 1/4 to two bales per acre.

The following is some pending legislation that concerned persons have requested information about:

HR2998--This bill is very simple, and will give "civil rights" to homosexuals. The definition reads: "As used in this Act, the term 'affectional or sexual preference' means having or manifesting an emotional or physical attachment to another consenting person or persons of either gender, or manifesting a preference for such attachment." It covers "civil rights" for homosexual and lesbians in public accommodations, public facilities, public education, federally assisted opportunities, equal employment opportunities, intervention and procedure, housing sale and rental, financing and brokerage services, prevention of intimidation and education programs receiving Federal financial assistance. Note that it does not say "consenting adults"---but "consenting persons."

Mr. Mahon said, "I am worried about the possibly far-reaching implications of such a measure on the traditional family unit."

HR28--This is considered to be another piece of dangerous legislation, and is called "The Displaced Homemakers Bill." Purpose: to establish 50 Multi-purpose Service Centers for counseling, job training, etc. of displaced homemakers. Centers will be located anywhere the Secretary of HEW designates. This will be financed by the tax payer; with 90 per cent coming from the federal level and 10 per cent from the state level. No limit on amount is stated. Reasons for opposing HR28: It is expensive---it is unnecessary, because it duplicates services

already available.

HR2505--"Comprehensive Child Development Act." This bill will establish federally funded day care centers that will allow the Federal Government to become involved in child rearing. Groups pushing for this are: feminists who think mothers should get out of the home and into "more rewarding" work; entrepreneurs looking for a new growth business; unemployed teachers eyeing job opportunities; child development professionals who believe the institutional setting develops children "more fully."

Vice President Mondale has stated that he will never give up until this is accomplished.

Rep. Elizabeth Holtzman has introduced a bill in the U.S. House, providing that ERA ratification date be extended SEVEN YEARS. The vote is likely to come within a short time; so let your Representative and Senators know how you feel about this issue.

TOPAY THERE ARE ALMOST 30 MILLION AMERICANS WHO ARE VETERANS OF MILITARY SERVICE. ONE OUT OF EVERY 7 PERSONS IN THE COUNTRY HAS SERVED. EACH YEAR ON VETERANS DAY, THE NATION HONORS THEM ALL!

Clayton Selected For National Travel Board

Texas House Speaker Bill Clayton has been named along with governors of three states and six other officials to serve on a national Advisory Committee on Travel and Tourism.

The Committee is funded by a \$146,000 contract to the Council of State Governments from the U.S. Travel Service of the Department of Commerce. It is to determine ways and means by which state travel and tourism programs may be enhanced as part of the states' economies. Governors Pierre DuPont IV of Delaware, James Hunt, Jr. of North Carolina and Mike O'Callaghan of Nevada were appointed along with it. Governors Thomas O'Neill III of Massachusetts, Robert Orr of Indiana and George Nigh of Oklahoma. Legislators include Senate president and former Governor Luis A. Ferre of Puerto Rico, Rep. Gerald Horton of Georgia and Rep. Benard C. Smith of New York.

A major function of the Committee will be to prepare and publish reports designed to assist state governments in conducting and administering their travel and tourism programs. In addition, the Committee will conduct an overview of states who have active and successful programs; study me-

BILL CLAYTON

thods and activities to improve the functions of such programs; collect data pertinent to the objectives of the project; and make provisions for regional meetings for administrators, local officials and other interested persons.

The Committee will have members of the CSG staff and the assistance of two consulting firms to aid in its research.

Clayton was recently named chairman of the CSG by delegates to the national convention.

Farmers Urged To Apply For Stamps

The WIFE (Women Involved in Farm Economics) organization is working to help relieve the current farm depression. WIFE has recently become nationally organized and has a working lobby in Washington, D.C. The organization asks the cooperation from farmers nationally this week. WIFE proposes that all area

farmers apply for food stamps starting Monday in protest of the current farm bill.

WIFE feels that this action will call attention nationally to the plight the American farmer is in. The idea behind this action seems logical enough.

The current Farm Program

consists of 11 billion dollars—approximately only 1.6 billion actually going to the farm. The other 9.4 billion goes into ag research for foreign countries, government salaries, school lunch programs, and about 60 per cent goes into the federal food stamp program.

Since food stamps are a part of the "Farm Program," then farmers should benefit from the food stamps, the WIFE leaders say. Actually what the action is designed to do is make such a substantial increase in food stamp applications that even the most liberal legislators will have to notice the farmer.

"Farmers do not want charity. They only want our law makers to listen to a small, but powerful minority. Application for food stamps will not be looked upon as accepting charity. Applying is meant only as a protest. After all," said Mrs. Vernon Estes, "farmers pay for the food stamps anyway."

WIFE also asks that farmers and their wives write President Carter and ask him to schedule a meeting with the National Executive Committee of WIFE. Mrs. Estes, spokeswoman for the local WIFE organization, said WIFE will organize state-wide Saturday, November 12 in Amarillo. She also urged all interested people in agriculture to express their concerns in letters to their representatives.

Postmaster Gives Dates For Mailing

Postmaster Richard Wilson urges, "Be sure each Christmas card and package is clearly and accurately addressed with ZIP Code, including your return address with ZIP Code on every piece of mail."

The Cotton Housers and Orville Housers are home. These two couples spend a great deal of time away from Friona since the men have retired from the operation of Houser Grocery and Market.

Recently Cotton and Ruth have been sightseeing and attending some plays in Arkansas and Missouri. Orville and Oleta have been visiting Oleta's nephew, Leon Hartman, and his wife and baby, who live in Moscow, Idaho.

Leon's sister, Maria, who is presently living in Kentucky, flew to Amarillo and joined the Housers on the trip to Idaho. Then Orville and Oleta took Maria to her home before they returned to Friona.

Mrs. Ella Mae Wilkerson and daughter, Alene, have returned from Kismet, Kansas, where they were guests in the home of Mr. and Mrs. Rayford Wilkerson and sons. Rayford and Mary are former

Friona residents. He is now working for Jim Greeson, who is also a former Friona resident.

Everyone who is against all the things the ERA stands for is invited to attend a lecture at Sixth Street Church of Christ Sunday afternoon at 2:30. Mrs. Marguerite McLean of Hart, who has done some extensive study on the amendment, will be the speaker.

Mrs. Jim Atwell and daughters of Plainview were weekend guests in the home of Mrs. Wessie Gee and children. The Atwells lived here before moving to the Hale County Capitol.

Kay Neel, who is teaching in the public school system at Stinnett, was a weekend guest in the home of her parents, Mr. and Mrs. Otis Neel.

Lawrence and Pat Martin made a trip to Amarillo to see a dentist for Lawrence. They came home with an appointment for some dental surgery the latter part of November.

Seems like while all the other Martins are dining on turkey, mince pie, etc. Thanksgiving Day, Lawrence will be limited to a bowl of turkey soup.

Charles Sproule of Hereford, who is the father of Mrs. James Stevick and Mrs. Scott Nelson, both of Friona, has been a surgical patient at High Plains Baptist Hospital in Amarillo recently.

Glen, Ruth and Sally Stevick are home after spending a couple of weeks sightseeing and visiting relatives in Tennessee and Ohio.

Highlight of the trip was a family get together at Murfreesboro, Tennessee. They were accompanied

on a trip through Ohio by Mrs. Eula Craddock, who is Ruth's sister.

The group visited Mr. and Mrs. Fred McElroy at Madison, Tenn.; Mr. and Mrs. Mack McElroy at Akron, Ohio; and the John McElroy family at Toledo.

Then went over to Toledo to visit Mr. and Mrs. Ralph Rice, who are Glen's uncle and aunt.

From there the Stevicks returned Mrs. Craddock to her home in Murfreesboro and then came home. They report beautiful colors most of the way.

Mr. and Mrs. Ralph Robinson and sons, Deon and Don, are in Rochester, Minnesota, where Deon is undergoing some tests.

Two Friona residents were surgical patients at Amarillo this week.

John White, the son of Mr. and Mrs. Edward White, underwent eye surgery on Thursday, and is now convalescing at home.

Becky Norwood, the daughter of Mr. and Mrs. Jimmy Norwood, had surgery at Northwest Texas Hospital, and is expected to be a patient there a few more days.

Mrs. Viola Treider visited Mrs. Malinda Schlenker, who is a patient in an Amarillo hospital, early this week. Mrs. Schlenker is still undergoing tests.

Carrie Tatum is home now. Her daughter, Mary Houlette of Dumas,

has returned from a mission trip to Korea, so Carrie came home for a day or two then went down to Abilene for the Hardin Simmons Homecoming festivities.

Mary's oldest daughter, Debbie, is a student at HSU.

By the way, I was wrong again. When Carrie told me about Mary's picture and a feature article about the purses she makes was in a November magazine, she said, "Women's Circle," not "Woman's Day," or "Family Circle." Sorry if I misled anyone.

Former Frionans I saw in Clovis last weekend included June Brummett, who is doing a real good job selling real estate; Lana Renner Bender, who owns and operates a beauty shop with six operators; and Mrs. Gerald Wright and daughter, Marsha.

When Laurie and Gerald lived here she was society editor of the Friona Star and production manager of Plains Publishers - at different times, of course - and Gerald was the Magnolia distributor.

Fred Hughes, son of Glynn Don and Lavon Hughes of Stratford and formerly of Friona, placed close to the top in a professional photographer's contest in Lubbock last weekend.

Congratulations to Scott Houston and all members of Friona High School Band. We're proud of all of you.

KATHRYN SUE RATLIFF...Mr. and Mrs. Bob Ratliff of 920 Elm Street, Colorado City, Texas, announce the engagement of their daughter, Kathryn Sue, to Bradley Wilson Beene, son of Dr. and Mrs. William Beene of Friona. The couple has set a December 10 wedding date. The ceremony will take place at the First United Methodist Church in Colorado City. Miss Ratliff is a 1976 graduate of Colorado High School.

She attended Texas Tech University and is presently employed by Meadowlakes in Marble Falls, Texas. Beene is a 1975 graduate of Friona High School. He attended the University of Texas at Austin, Texas, where he was a member of Sigma Phi Epsilon fraternity. He is now associated with Meadowlakes, a real estate corporation in Marble Falls, Texas as a salesman.

Jana has one older sister, Shelly Dawn, who is three years old.

Grandparents are Mr. and Mrs. Bobby G. Corder of Clovis and Mrs. Earnest P. Woodruff of Friona. Great-grandparents are Mr. and Mrs. Cecil H. Stephens of Portales, Mrs. W.P. Woodruff of Friona and Mrs. W.L. Reid of Winnsboro, Texas.

Seminar Scheduled At Church Of Christ

The "Sharpening the Sword" seminar for Jr. High and High School students, and adults will be held at the Sixth Street Church of Christ Saturday, November 19, under the direction of Al Pickering, the author of the seminar.

AL PICKERING

Pickering, a native of New Jersey, is a graduate of Abilene Christian College, received his Bachelor of Arts degree in Bible at Lubbock Christian College, and is presently working on his Master of Divinity degree. He has served as a youth director at Shillington, Penn., Midland, Texas and Abilene, Texas, and is currently writing a book on religious cults.

The "Sharpening the Sword" seminar teaches a method of remembering Bible passages by a system designed to aid the memory. The method can also be used as a mental filing system to classify Bible verses and material a person

may receive from a preacher, Bible school teacher, Christian publication or other sources.

ERA Opponent To Speak On IWY Meet

Marguerite McLean of Hart, an opponent of the ERA, will speak at 2:30 p.m. Sunday at the Sixth Street Church of Christ.

Mrs. McLean will explain in detail to all interested exactly what the International Women's Year (IWY) movement stands for, and some of the goals stated by the IWY.

"Do Women's Libbers, homosexuals, and abortionists speak for you? This is what they intend to do at the National IWY convention—using your money. Your first reaction may be: 'How is this possible, when I don't even know what IWY means. This is typical, since most citizens have not taken time to investigate the meaning of IWY,'" states Mrs. McLean.

Mrs. McLean will point out that the IWY blueprint includes government-financing and controlled 24-hour child development centers for all children—a virtual transfer of prime responsibility for child-rearing from parents to government.

Also included in the plans, it is pointed out, is government-financed abortions on demand, a guaranteed

national income, reduced national defense and other socialistic ideals. Everyone interested in hearing the lecture is invited.

Prairie Acres Party Line

By June Floyd

Mrs. Charles Ross came home Wednesday evening of last week. She and two friends, Mr. and Mrs. R.B. Hollingsworth of Lubbock, have been on a tour of London, Paris, Amsterdam and other places of interest in England, France and Holland.

Mrs. Ross reports tulips blooming in profusion in Holland and good weather in the other countries.

The group saw Westminster Abbey, Big Ben, Ann Hathaway's cottage, Stratford on the Avon and a lot of other interesting things, but, she says, "Home never looked better to me than when I returned this time."

Our new resident this week is Mrs. Iva Riddle from Hereford.

Ladies from Calvary Baptist

Church will honor our November people with a party at 2:30 p.m. November 29. Those to be honored will be Ethel Adams, Edna Kelly, Ora Massie, Lucille Morris, Jennie King, Iva Riddle and Martha Underwood.

Our last outdoor meal for this fall was served on the patio Thursday evening.

If you sing, dance, do acrobatics, speak, play any kind of instrument or do any kind of entertainment, we would like for you to call Guy Sanders and make arrangements to come down and perform for us.

There are more than 40 of us now, so some of us would enjoy whatever you would like to present.

Bovina Principal Named Director

Students in the four-state area assigned to the Amarillo Globe-News for sponsorship of the annual Spelling Bee contest now have an opportunity to compete for a scholarship to West Texas State University.

In addition to the area's top contestant receiving an all-expense paid trip to Washington, D.C. (for two), courtesy of the Amarillo Globe-News, the young student who finishes in first place will be given a \$200 scholarship to West Texas State University.

The announcement was made by the Bee Coordinator, Gene Parker, director of placement at the university. WTSU co-sponsors the annual Spelling Bee competition with the Amarillo newspaper.

The rules for competition are established by the national sponsors, the Scripps-Howard Newspapers, under the direction of Jim Wagner. Any student who has not reached his/her 16th birthday or gone beyond the eighth grade at the end of the current school term, is eligible to compete.

The AGN-WTSU area includes 29 Texas counties; 10 from Oklahoma, four from New Mexico and three from Kansas.

The 1978 director for Parmer County is Herman Connor, principal, Bovina Junior High School whose address is Bovina.

The director has full control in planning and conducting his county event.

Most schools use the booklet prepared by the national sponsors, "Words of the Champions." The word list is available from the Amarillo Globe-News for 30 cents each.

To obtain the booklet, please write to: Spelling Bee Editor, Amarillo Globe-News, P.O. Box 2091, Amarillo, Texas 79166.

The 1977 champion from Parmer County was Janie Cantu from Farwell.

A unique opportunity for elementary students to compete in the Junior Bee, for boys and girls in the sixth and lower grades. Each county may select a champion in this

division; however, this Junior county winner will not compete in regional unless he/she wins both titles.

The 1977 Junior champion was Sharla Stewart of Farwell.

All county winners, as well as county Junior winners, will be guests of the sponsors at a luncheon preceding the 30th Regional Bee on April 29 in Amarillo.

Special awards will go to the county winners and each Junior county winner will be recognized. Certificates, suitable for framing, are available from the newspaper to every contestant, beginning at the classroom level.

Mrs. Jeane Bartlett is the Amarillo Globe-News Spelling Bee Editor.

The 1978 National Spelling Bee will be held during the week of June 4.

Library Report

"Weasle Hunt" by James K. MacDougall is available at Friona Public Library.

This is a superior private-eye novel in the tradition of Ross MacDonald's Lew Archer stories. The three-dimensional detective David Stuart-pugnacious, shrewd, ingenious and compassionate-aptly serves as a mirror for the foibles and mores of his well-heeled clients, the Special People.

Stuart receives an anonymous letter that tips him off to the unearthing of a body buried years ago on the Larch estate in a posh section of Cleveland. He meets the Larches and finds even more skeletons above ground in that conflict-wracked family: Mrs. Larch, the imperious matriarch, hates her sons; Robert and Ben in turn hate each other. All of them are frightened by "the weasel," who comes back after ten years to taunt them, to probe into old wounds—to show that he is as dangerous as ever, and as unforgiving.
