

Star Lites By Bill Ellis

JUST ABOUT THE time most of us were enjoying the spring season comes our annual day of reckoning.

It's time to take your medicine, bite the bullet, or whatever you do, and pay your income tax.

We didn't want to be out of step this week. Virtually every news magazine that we receive has as their lead articles stories concerning the ever-rising tax situation, and the ever-building resentment by the burdened taxpayers about "more taxation and less representation."

Most Americans apparently would not mind the steady increase in taxes if they could see more services or benefits for their money—even if they could feel confident they would be able to someday cash in on the Social Security tax they have been paying since 1937, and which is now rivaling the federal income tax in size and scope.

The worst thing about Social Security is the fact that government tends to be so wasteful with people's hard-earned money. When you hear statements like we did this week, it shakes you up a bit. It was said that the Department of Health, Education and Welfare wastes more money each year—somewhere around \$7 million—that just "falls through the cracks" or is otherwise unaccounted for, than it originally had in its entire budget.

In addition to the complaint that the increased taxes are not bringing them any additional government services, most people we talk to object to high taxes because they just go to "support people who aren't working." It seems that the working class is being burdened more and more to provide money for those who won't work, or perhaps food stamps for workers on strike—in effect encouraging them to stay on perpetual strike.

Adding to the frustration of taxpayers is the knowledge that their representatives in congress get by scot-free on taxes—even refusing to pay Social Security taxes. You can see why it would be hard to get congress to pass any type of tax reform legislation. They aren't personally involved, so why bother.

An article in a major magazine this week is entitled "What if Congress Had to Live by Its Own Laws?" It makes you stop and think.

Complaints have been issued by tax officials as to "a bureaucratic thicket of confusion, contradiction and tangled language," concerning the tax laws.

It has been pointed out that even tax specialists have read the provisions of the Tax Reform Act of 1976, and have been left confused. "You read the instructions and you think you have figured it out. Then you read a little more, and it contradicts itself," said one specialist.

Every year about this time you hear about a "taxpayer's revolt," hinting that the average American wage-earner is getting pretty fed up with being taken for a sucker while bureaucrats run and play with their tax money.

Unfortunately, the talk usually fades the farther you get from April 15th, only to be forgotten again until it's once again time to make your offering on the tax altar.

However, events currently in the public eye, such as the farm situation, the Panama Canal and other issues have caused more people to pay attention to what is going on in regard to national government. It's a shame that it virtually takes a tragedy to get folks interested in their government, but that's usually the way it works.

It appears to us that most folks in this area, and possibly nation-wide, are going to be paying more and more attention to their legislators.

As bona-fide members of the United States Taxpayers Club, they have every right to expect to have a say as to how their business is being conducted in Washington.

And sadly, many have found in recent times that their voice is weaker and weaker all the time, while their omniscient, tax-exempt leaders make the major decisions for them.

This is the area in which Americans should revolt. The ballot box is sometimes a slow method to stage a revolt, especially where the senate is concerned, with elections only every six years. But it can be done.

Honor Graduates Announced By FHS

Honor graduates for the Friona High School class of 1978 were announced this week by John R. Cook, principal.

Bryan Johnston will be the class valedictorian, having a four-year average of 94.60.

Perry Church will be salutatorian, with an average of 93.84. John Carson is the class historian, with a 93.94 average.

Sandi Schmidt, a transfer student who has attended FHS the past two years, has a 93.94 average, and will also be accorded special recognition. The policy at FHS has been that candidates for valedictorian, salutatorian, etc., must have attended four years locally.

Other top-ranking students included Jay Jarboe, 93.46; Terry Wilcox, 92.99; Rhonda Parsons, 92.66; Veronica Lafuente, 91.67; Sheri Noah, 91.58; Holly White, 91.4; Sandy Peters, 91.24; Robin Zetsche, 90.66 and Paige Osborn, 90.28.

Johnston, the son of Mr. and Mrs. Jim Johnston, has been active in the student council, having served as its president the past two years. He has been an outstanding member of the band, with a number of awards to his credit.

Bryan has been a member of the National Honor Society three years. He was an all-star member of the school's district winning one-act play, excels in debate, and also enters slide rule, number sense and ready writing in UIL competition. He was named "Outstanding Young Person" this year by the Friona Chamber of Commerce.

The valedictorian's future plans include college at WTSU as an accounting major.

Church, the son of Mr. and Mrs. Fred Church, has attended Friona schools six years. He has been active in athletics, being named all-district in football. He played in the FHS

stage band, and was a member of the band that garnered all-regional honors.

Church is a member of the Fellowship of Christian Athletes, National Honor Society, and has been on the Chieftain yearbook staff. He was elected "most courteous" two years by his classmates at FHS, and enjoys water skiing and horseback riding.

Perry's plans are to attend Graceland College in Iowa.

Carson, the son of Mr. and Mrs. David Carson, has been an active member of the band for four years, and has been especially active in forensics, where he is on the debate team, and was an honorable mention all-star in FHS' winning contest play as a senior.

He has been a member of the National Honor Society three years, was nominated as "most talented" his sophomore year, all-star cast, one-act play his junior year and is the "most handsome" nominee for the 1978 seniors.

John has been a member of the FHS golf team four years. He has also been active in church activities, serving on the youth advisory board and in Vacation Bible School.

He plans to attend Texas Tech, where he will major in insurance and finance, and eventually plans to attend law school.

Miss Schmidt, the daughter of Madie Schmidt, who transferred to FHS from Marble Falls following her sophomore year, has been a member of the National Honor Society, the Fellowship of Christian Athletes, and is an active member of First Baptist Church.

She was a member of the varsity girls basketball team, enters ready writing in UIL events, and is an honor roll student. Her plans are to attend Texas A&M University and major in wildlife preservation.

Contest Play Wins District

Friona High School's UIL contest play, "The Miser," was judged district winner in competition Thursday at Dimmitt, earning the right to compete in the area competition next Thursday at Plainview.

Actually, the FHS play shares District 3-AA honors with Muleshoe, since two plays are chosen each year to represent the district in the area contest. The top two plays from the area contest earn the right to advance to regional.

Named to the all-star cast from the FHS group were Bryan Johnston, who does an outstanding job in the lead role as the miser; Sharla Benge as Frosine the matchmaker, and Jay Jarboe as Jacques, the cook.

Cited as "honorable mention" to the all-star cast were Rickey

Taylor, Sharla Duggins, Laura Ellis, Rosa Garza and Gigi Spring.

Other cast members are John Carson, Gary Wright, Tracy Horton, Mark Bavousett, Mark Edelman and David Merrell. Crew members are Dennis Morgan, Susi Noah and Tammy Schmidt.

Alternate members of the cast are Jana Reeve, Karen Edelman, Mark Blankenship and Davy Howard.

The play concerns an aging miser, (Bryan Johnston) and the complications which arise when he sets out to arrange for a wedding for himself and his children, played by Laura Ellis and Gary Wright.

Muleshoe's contest play was Shakespeare's "Twelfth Night." Other play entries were "The Boor" by Anton Chekhov, by Dimmitt; "Under the Sycamore Tree" by Samuel Spewack, Olton High School

and "Infancy" by Thornton Wildre, presented by Morton High School.

Olton's play was named alternate to the area contest from District 3-AA. Judging the one-act plays was Dr. William A. Moore, former WTSU professor, who is director of the annual "Texas" production.

Moore was impressed with the fact that the students did such a good job on a Moliere play. He complimented the vocal work, the use of the stage, and especially liked the way the young actors were not afraid to come "downstage" and play to the audience. He had something good to say about each individual member of the cast.

Joy Morton, the faculty director of the contest play, said "They're just a super bunch of kids, and did a fantastic job. I'm proud of every one of them."

PLAY CAST...Members of the cast of the FHS one-act play production of "The Miser" are shown above. In the back, left to right, are Tracy

Horton, Laura Ellis, David Merrell, Gigi Spring, Sharla Duggins and Rosa Garza. In front are Mark Edelman, Bryan Johnston, Gary

New Organization Off To Impressive Start

After many months of eager anticipation and a lot of work by several interested residents of Friona, plans for a community Friendship House began to shape up Tuesday evening.

Forty local people and Mike McQueen of the Panhandle Planning Commission in Amarillo met in the Community Room of Friona State Bank for an organizational meeting.

The outcome of this meeting was formation of Friona Senior Citizens Friendship House, a non-profit organization. Within the next week or two, an application for incorporation as such will be made.

Following Mr. McQueen's explanation of the various phases through which federal funds were

available for an organization such as this, Wilda Millican presided over a business session during which officers and a board of advisors were elected.

Mrs. Millican was elected to serve as the first president. Other officers elected to serve with her were Pat Fallwell, vice president; Rosella Landrum, secretary and Janet Buske, treasurer.

Those elected to the advisory board with the officers and their spouses were Mr. and Mrs. A.W. Anthony Sr., Mr. and Mrs. Estis Bass, Mr. and Mrs. Merv Noah, Mr. and Mrs. Andy Hurst Jr., Mrs. Charlene Harper and Mr. and Mrs. Percy Parsons.

The newly elected treasurer literally passed the hat for contributions to be used to defray expense of paying rent, incorporating and other incidentals. Approximately \$350. was contributed.

A tentative agreement has been made to lease the home of Mrs. C.L. Bracken at the corner of Ninth and Jackson for Friona's first Friendship House.

When the house has been renovated and made ready for use, it will be open daily for arts, crafts, games and other activities for people of all ages.

Mrs. Millican states, "We deeply appreciate the interest shown in this organization and earnestly solicit the support of everyone who is interested in the betterment of our community."

Among those attending the meeting were: Irvin and Eula Henderson, Anna and Alvis Anthony, Mr. and Mrs. Joe B. Douglas, Mr. and Mrs. Bert Harper, Mr. and Mrs. T.E. Lovett, Mr. and Mrs. Joe Moyer, Mr. and Mrs. Andy Hurst Jr., Mr. and Mrs. Glenn Floyd.

Chamber To Host Party For Doctor

The Friona Chamber of Commerce is inviting residents of the area to attend a reception for Dr. David McClellan and his wife Ginger, scheduled for Saturday, April 15 at the Friona State Bank's Community Room.

The reception will be held between the hours of 4 and 6 p.m.

"We urge everyone in the Friona area to stop by and meet Dr. McClellan and Ginger, and let them know we would be most happy for them to choose Friona as their home," said Gale Warren, Chamber president.

Dr. McClellan is a recent medical school graduate, and is considering the possibility of associating with the staff at Parmer County Community Hospital.

Light Turnout Marks City, School Races

A light turnout of voters elected Friona's city and school officials on Saturday, April 1.

Although there were contested races in both elections, only 333 people cast ballots in the city election, with 387 voting in the school issue.

Elected to the Friona city council in close voting, were Mike Chaney with 177 votes and Clarence Monroe with 161. Donny Carrasco was a close third at 155, and Larry

Johnston had 132 votes.

B.K. Buske, unopposed in the mayor's race, received 289 votes.

Wesley Barnett, with 279 votes, and Ronald Smiley, with 269, were returned for three-year terms on the school board. Others on the ballot were Beverly Mars, who received 125 votes, and Mike Ellis, who had 79.

Wendol Christian, unopposed, received 301 votes for the position as trustee for the county school board.

Friona Flashbacks

..... from the files of The Friona Star

50 YEARS AGO—APRIL 13, 1928

On Tuesday morning of this week, the town was aroused from its slumbers with the news that the Dixie Filling Station was burning. The entire building, which contained three compartments, housing besides the filling station the Woodell produce and restaurant, and the Highway Garage, was completely destroyed. S.M. Malone of Roswell owned the Highway Garage. Mr. and Mrs. J.H. Woodell owned the restaurant.

40 YEARS AGO—APRIL 15, 1938

Lazbuddy school won high point honors in the Parmer County Interscholastic Track Meet held here on Monday afternoon. Lazbuddy won first place in the low hurdles, pole vault, and shot put. Friona will send two men to the district, Price Brookfield, winner of the half mile, broad jump, discus and javelin throw, and Martin Todd, winner of the mile run.

35 YEARS AGO—APRIL 9, 1943

Funeral rites for Clyde Seamands, Friona's outstanding pioneer cattleman and rancher, were held here Sunday afternoon at the Union Congregational Church. Rev. Paxton Smith, pastor of the church, was in charge of the services and preached the funeral sermon. Mr. and Mrs. Dick Habbings, who have been in Indiana since selling

their farm here last summer, have returned to Texas, according to a card from them this week.

30 YEARS AGO—APRIL 9, 1948

In the annual school election here last Saturday, two trustees were elected from a slate of seven candidates. Jake Lamb, with 81 votes, and D.O. Robason, with 54, were elected. Others were Marvin Lawson, 26 votes, Leo McLellan, 34 votes, Ralph Wilson, 49 votes, Glenn Reeve, 12, and Carl Maurer, 28.

In the city election Tuesday, Mack Bainum was elected mayor, with Carl Maurer and Nelson Welch elected as commissioners in a write-in vote which produced one of the liveliest city elections in years.

25 YEARS AGO—APRIL 9, 1953

Rev. George E. Meyer, who has served as pastor of Friona's Congregational Church the past three years, announced his resignation this week. Rev. Meyer said he planned to leave the ministry.

20 YEARS AGO—APRIL 10, 1958

An all-new building and plant to house and produce The Friona Star will soon be a reality. W.H. Graham, Jr., publisher, announces this week. Development plans call for completion on June 20, and first production work is anticipated July 1, he says. Jones Construction Co. got the contract for the construction of a

48x46 foot addition to the present school cafeteria for their bid of \$20,722 at Monday night's meeting of the board of trustees of the Friona Independent School District.

15 YEARS AGO—APRIL 11, 1963

The Friona Independent School Board was faced with 70 applications for the job of coach of the Friona Chieftains in its regular monthly meeting Monday night. Applications came from all parts of Texas, and from Oklahoma and New Mexico.

The annual spring meeting of the Texas Home Demonstration Assn.'s District I will be held in Friona today. Around 350 women are expected to converge on Friona from a 19-county area.

10 YEARS AGO—APRIL 11, 1968

Over 40 representatives of the press and area industrial leaders attended a special tour of the Missouri Beef facilities Monday, conducted by Missouri Beef's president, R.E. (Gene) Frye. The special tour was arranged to help publicize the new Friona plant's dedication and open house on April 20 and 21. The dedication ceremony, to which the public is invited, is scheduled for 2:30 p.m. Saturday, April 20. State senator Jack Hightower of Vernon will act as master of ceremonies.

Prices from grocery ads: Whole Fryers, 29 cents pound; eggs, 3 dozen for 88 cents; hams, 49 cents pound; Cokes, 2 king size cartons, 89 cents; tomatoes, 28 cents pound.

5 YEARS AGO—APRIL 12, 1973

Although retailers throughout the area have no apparent adverse backlash from the "beef boycott" last week, Missouri Beef Packers was forced to close down operations temporarily. The boycott has prompted the Friona Chamber of Commerce and Agriculture to adopt a resolution to send President Nixon a letter, according to Dale Cary, president of the board.

The Friona Junior High band returned from Interscholastic League contests Tuesday with First Division ratings in both concert and sight-reading competition. Tuesday's competition was held at Lubbock Estacado High School.

PROVES PROFITABLE....Charles Hough, who farms in the Hub area is shown standing beside minimum tillage equipment and good crop

residue. Hough has been practicing the minimum tillage method since 1973, and has found it to be profitable.

County Farmer Says Minimum Tillage Works

There are more benefits to minimum tillage than meets the eye, according to Charles Hough. Charles has been practicing

minimum tillage since 1973. He has been happy with the overall yields of crops on the farm and the lower production costs, with the use of minimum tillage.

Practicing minimum tillage has provided (1) Needed moisture for sprouting of seed, (2) Labor savings, (3) Fuel savings, (4) Savings on machinery costs, (5) Protection from wind erosion and water erosion.

Charles says, with these advantages he plans to keep practicing minimum tillage.

WIN AWARDS....Members of the Vocational Opportunities Club from Friona won prizes at the district contest last Saturday in Amarillo. Shown from the left are Robert Garza, Ector Rodriguez, Jesse Trevino, Dale Merrell and Joe Hernandez.

VOC Wins In Contest

The Friona Chapter 166 of the Vocational Opportunities Club of Texas attended the District Contest in Amarillo Saturday, April 1. Joe Hernandez won third place in a field of 42 contestants in tool identification. Ector Rodriguez won second place in motor parts identification. Jesse Trevino won a superior blue ribbon in students projects with a windmill made of metal. Others attending were Robert Garza, Dale Merrell, Fidel Morales and Lee Campbell, instructor.

Baptists Launch Spring Crusade

First Baptist Church of Friona will launch its spring revival series on Sunday, April 9. The weeklong series of services will feature Rev. Dale Freeman, a recent addition to the Wayne Bristow Evangelistic Organization. In charge of the revival music will be D'Arcy and Sharon Hodges. D'Arcy's brother, Jimmy, also is a member of the Bristow team, and was music director at the church crusade here in April of 1977.

REV. DALE FREEMAN

Services will be held at 7:30 p.m. daily. Noon services are scheduled Tuesday through Friday at the church beginning at 11:45 a.m. Sunday services begin with Sunday School at 9:45 and worship at 10:45, with evening services at 6 and 7 p.m. Rev. Dale Freeman, 32, has pastored churches in Idaho and North Dakota for ten years. He attended Northwest Nazarene College and Central Washington Bible College. He and his family now make their home in Lubbock. Hodges received his degree from Oklahoma Baptist University, and Sharon is a graduate of Southern Illinois University. They have been involved in full-time music evangelism for 11 years, conducting some 350 crusades. The Hodgeses have led crusade music at churches in Oklahoma City, Atlanta, Louisville, Houston, San Jose, California, Anchorage, Alaska and San Antonio. D'Arcy and Sharon helped with a city-wide crusade in Memphis, Tennessee, during which more than 5,100 people came forward to register decisions. Rev. C.H. Murphy, pastor, Rev. Geary Brogden, minister of music, and everyone at First Baptist Church invite all residents of the community to share this evangelistic team during any or all of the services scheduled during the week.

CORN Facts & Fancies

According to legend, cornmeal "hush puppies" were so named because they were fed to noisy dogs—to make them quiet down.

The pilgrims were the first colonists to taste popped popcorn—a gift from the Indians at the first Thanksgiving dinner.

To keep America's corn growing, American farmers get rid of weeds with atrazine herbicides. One, AAtrex 4L, is properly formulated so it doesn't settle out even if it's stored for three years.

Hasty pudding, so popular with America's pioneers, is nothing more than porridge—made from coarsely ground, unparched corn.

Chieftains' Marks Improve At Tulia

RECORD JUMP....Jeff Whiteside, who is becoming a consistent winner for the Friona Chieftains in the long jump, is shown as he won the event at Tulia last week, setting a new school record in the process, 23 feet, three and 3-4ths inches. (Star Photo)

Although improving their marks in almost every event, the Friona Chieftains placed third as a team in the Hornet Relays at Tulia last Friday. It was the first meet the team had not won this spring.

Coach Gary Jones lauded the competition, calling it the best the team had faced this spring.

Jeff Whiteside won the long jump with a leap of 21 feet, three and three-fourths inches, to establish a new school record in that event. The old record was held by Bobby Zetzsche.

Koty Kothmann failed for the first time to win a gold medal in the discus event, placing second. A slick ring was blamed for causing Kothmann problems during his delivery. He still managed a good toss of 136 feet.

Todd Bandy established a new school record in the 330-yard intermediate hurdles, at 41.9,

although only placing fourth in the event.

Leslie White and Kevin Kothmann placed in a dead heat in the 880-yard run, and tied for third place with a time of 2:08.4.

The mile relay team was bested for the first time this spring. They clocked a 3:35.0, and placed third.

In the team standings, Lockney won the event with 91 points. Someone commented that it was the first time track victory for Lockney in a number of years. Dimmitt scored 68 points for second place, and edged Friona by two-thirds of a point.

The Chieftains were facing a "double-header" this week. The team was entered in the Olton meet Friday, with finals beginning at 7:30 p.m. Saturday, the Chiefs are entered in the Brownfield Relays, against mostly class AAA and AAAA teams.

All games are played in the Junior High School gym. The first game begins at 4:30 and the second game at 5:30 p.m. The tournament will be played Thursday, April 20 and Friday, April 21.

SYLVIA SOARS....Sylvia Malouf, long jumper and triple jumper for the Friona Squaws track team, is stopped in mid-air by the Star's camera during action at Tulia last week. Miss Malouf has excelled in the jumps this spring for Friona.

School Announces Bad Weather Policy

Parents of children attending Friona schools were notified this week as to the school's policy regarding severe weather, and as to how the school copes with the problem. A letter to all parents on the subject was sent out on Friday by Superintendent Tom Jarboe.

"Once again, we are getting into the tornado season in West Texas. We want to inform the parents of the preparation and plans of the Friona Schools in the event of a tornado alert," Jarboe said.

The school is informed by radio, local fire department, Civil Defense Units and the police and highway patrol. Also, school personnel are on the constant alert for observing the weather in times of threatening looking clouds. If a tornado or bad clouds are spotted, the Friona school system is alerted and a tornado signal is sounded.

All students have been informed and are drilled in what to do in case of a tornado alert. We have assigned students certain places to go in order to get the best protection available in our school buildings. The safety of every child is our utmost concern. We will do our best to see that every child is well drilled on what to do in case of a tornado alert.

Here are some plans that the school would like for parents to read and help us with:

1. In times of severe weather, parents may come and get their

child if you wish, but we strongly encourage you to do nothing or say anything that might alarm the children. Remember, we do not want panic.

2. Please be sure to see your child's teacher or principal before picking your child up, as the teacher is responsible to account for each child. Students are informed not to leave the building without their teacher or principal's permission.

3. All students will be using the safety and protection of the hallways, rather than their classrooms.

4. Classes outside the main building (P.E., athletic classes, etc.) will move to the main buildings if time permits. If not, they are instructed in the best possible safety precautions for their location.

"If during tornado season our area becomes under severe weather warnings, we may dismiss school early--provided we feel the children will have enough time to get home before the storm begins. Therefore, it will be necessary for you to have a pre-arranged plan with your child as to where to go in case you are not at home," Jarboe said.

The superintendent asked parents to post this information in a handy place and go over it with their family members. "We appreciate your cooperation in assisting us in making plans and preparations should we face an emergency situation," he concluded.

NEW VENTURE....Shown is a Sambo's truck parked at Taylor Meat Company in Friona, which is

now supplying the majority of the meat for the restaurant chain.

Taylor's Meat Lands Sambo's Beef Supply

If you should visit a Sambo's Restaurant sometime in the future, whether in Clovis, N.M. or Omaha, Nebraska, you might want to try a beef dish.

If you do, you would be supporting a Friona industry, which is now working full time to supply the fast-becoming nationwide Sambo's Restaurant chain with its beef.

Taylor's Meat Company of Friona began to kill beef for the restaurant chain back last December, and recently signed a contract to supply the major portion of the beef for the far-flung Sambo's operation.

In order to supply the beef demands for Sambo's, Taylor's is in the middle of an expansion program, which will enable it to slaughter and process up to 300 head of cattle in a day's time.

"We expect to eventually be slaughtering between 1,000 and 1,500 cattle per week when we reach capacity," says Jerry Taylor, owner-manager of the slaughter plant, which is the successor to Crow's Meat Company, a pioneer Friona business.

New refrigeration units were being installed at the slaughter plant

this week, which were to add considerably to the plant's capacity. Taylor's has completed two additional rooms for its plant, and another is under construction.

Taylor's will be shipping two or three truckloads of beef daily from its Friona plant to Sambo's national headquarters in Carpinteria, California. The beef is shipped in quarters, and is processed in California.

The Sambo's chain began feeding cattle in the Friona area during 1977, having fed a number at Hi-Plains Feed Yard. The completion of the deal with Taylor's will enable the company to finish its feeding and slaughter cycle in the local area.

The Sambo's arrangement has enabled Taylor's Meat Company to expand its staff from its former level of 12 or 15 employees to 33 at the present. Eventually, this number is expected to approach the 50 mark as the expansion is completed.

Taylor said the company was striving to hire local people during its expansion phase. "We are using local residents, and training them for their new work. We are planning to keep our operation as 'local' as

possible," he said.

The additional jobs created at the slaughter outlet will mean virtually an additional payroll for the city.

In conjunction with their expansion, Taylor announced this week that due to the new obligations, the company found it necessary to halt its custom slaughter operations.

"We hate to eliminate this part of our business, because we know it will be inconvenient to several who have been our customers. But we felt we had to zero in on the type of contract that will make our operation profitable," Taylor said.

Effective immediately, the local slaughter plant is killing beef strictly for Sambo's. It is presently supplying most of the beef for the restaurant chain, and hopes eventually to supply 100 per cent of the beef for the entire chain.

Sambo's is a familiar restaurant name in the Western half of the nation, but is now expanding into the North and East.

And now, that "Something good," that's "Always Cookin' at Sambo's," stands a good chance of having been fattened and slaughtered in Friona, Texas.

WHAT IS PARITY?

There has been a lot of talk about Parity recently, but few people really understand the term. Parity is simply a measure of farm buying power. Here is an example of Parity that demonstrates what has happened to farm buying power in the last few years.

In 1973 a popular size and brand of diesel tractor was selling for \$14,189 and that same year cotton was selling for 65¢ per pound. It took 43 bales of cotton to buy the tractor.

Today, that same tractor costs \$27,487 — and that same grade and staple of cotton is selling for 45¢ per pound.

To buy that same tractor today it takes 122 bales of cotton. Simple mathematics tells us it takes 79 MORE bales of cotton to buy the tractor today — than it did as recently as 1973.

If it took the same number of bales — that would be PARITY.

Agriculture is basic in Texas. America needs a strong Agriculture.

SWORN IN...Shown taking oaths of office for the Friona City Council are (facing the camera, left to right) Mike Chaney and Clarence Monroe.

City Manager Jake Outland administers the oaths, while Mayor B.K. Buske looks on.

New Councilmen Are Sworn At Meeting

Two new city councilmen were sworn into office Monday evening at the city council business meeting, following the announcement of the results of the city's annual general election.

Mike Chaney and Clarence Monroe took their places at the council table on either side of newly-elected Mayor B.K. Buske. Patrick Pace was named as mayor pro-tem.

Main topic at the meeting was the opening of bids for a new service pickup for the city. City Manager Jake Outland explained to the council that a new pickup had not been purchased for the past two years, and the vehicle used by the animal warden was in bad need of repair, showing over 45,000 miles.

Although the city had only budgeted \$3,000 to purchase a new vehicle, the council voted to buy a half-ton, six cylinder pickup from Friona Ford Sales at a cost of \$4,191.91, with a special utility bed costing an additional \$1,483 bringing the total cost to the city to \$5,674.91.

Outland also requested that the council approve a contract for the city to buy 20 additional trash containers because of the growing need, since two containers had been placed at each supermarket, and other adjustments needed to be made.

The city is presently using three-cubic yard boxes, Outland explained, and a larger box for industrial sections of the city would be convenient. After considerable discussion of the subject the council voted to purchase 32 four-cubic yard boxes at a cost of approximately \$6,800. This would give each

supermarket a bigger box, releasing two three-cubic-yard boxes to be used elsewhere. Outland added that the boxes in the industrial sections of the city were emptied once daily, and twice weekly in residential sections.

City Attorney Gale Warren told the council of the Friona Little League's plans to buy six lots adjacent to the present ball park on the south end of Prospect Avenue. The present Little League Park will be moved from its location on Columbia Avenue to the new location, centralizing the location of the summer baseball program. This, Warren explained, would be more convenient for parents who have more than one child playing ball at different parks.

The old Little League Park on Columbia will be converted to a softball field, Warren said, upon completion of the new facility.

Postmaster Wilson Asks Aid In Detection Of Mail Fraud

American consumers lost an estimated \$1 billion to mail fraud and misrepresentation by mail in Fiscal Year 1977, Postmaster Richard Wilson said today.

In order to heighten public awareness of the problem, April 10-15 has been designated the third annual Postal Consumer Protection Week by Postmaster General William F. Bolger.

"The public must be constantly on guard against fantastic claims and get-rich-quick schemes," Postmaster Wilson said. "The nation's best defense against unscrupulous con artists using the mails is an informed public."

The Postal Service actively investigates mail fraud and false representation by mail, and assists with mail-order and service problems.

Postmaster Wilson stressed that the overwhelming majority of companies making up the \$60-billion mail-order industry are honest and dedicated to customer satisfaction. But, as in many other industries, a

few operators are out to bilk the public.

"Schemes directed at consumers are limited only by the imagination of the con artist," Postmaster Wilson said. "They know many people are willing to invest their hard-earned money on offers which sound too good to be true."

Typical examples of mail frauds and false representations by mail include work-at-home schemes, phony franchises, miraculous "cures" for a variety of illnesses, weight reducing plans with no proven medical value, and a variety of investment offers such as buying land through the mail.

Businesses also become victims of mail frauds and false representations, Postmaster Wilson said. "Companies pay out millions of dollars each year for imaginary or useless business directories, phony invoices and contributions to non-existent organizations."

Postmaster Wilson urged consumers to ask companies to back up their claims if an offer sounds too

good to be true. "That's the best way to protect yourself and your money," he said. "But if you feel you've been victimized by a fraud, or have not received the merchandise you ordered, contact my office or a postal inspector." Phone numbers are listed under U.S. Government-Postal Service in local telephone directories.

Postmaster Wilson reminded consumers that whenever they have a problem with their mail service to fill-out a postal Consumer Service Card, available at post offices and from letter carriers.

"We can't help someone with a mail problem until we know about it and the easy-to-complete card assures prompt action on our part."

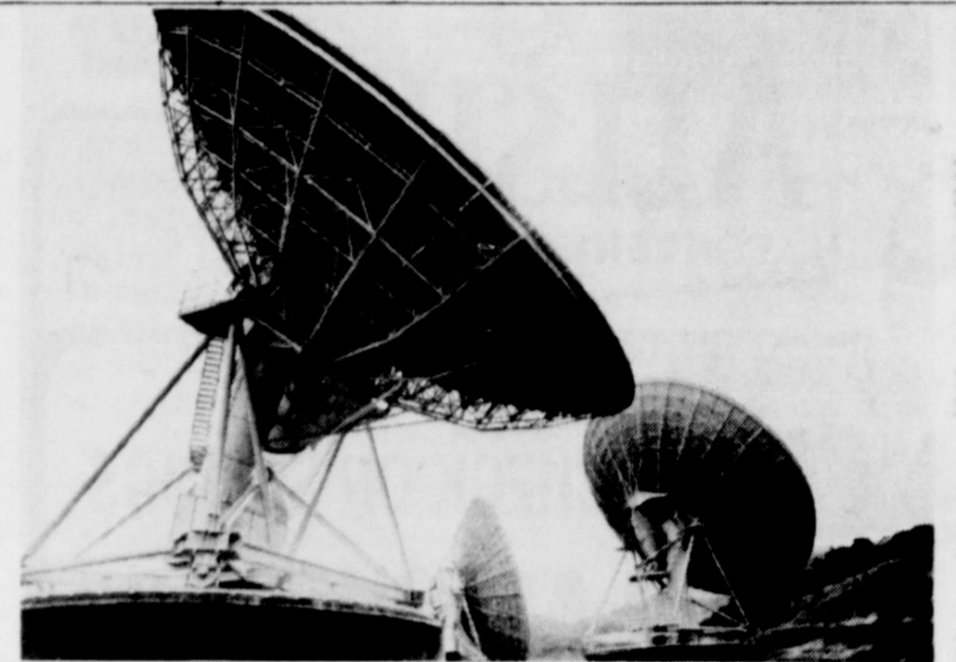

School Asks For K'garten Name List

Freeman Melton, Jr., Friona Elementary School Principal, is asking for assistance in his efforts to contact all parents of children who will be kindergarten age for the 1978-79 school year.

A kindergarten enrollment is planned for later this spring and school officials are presently compiling a list of students to be included in the plans. Letters have been sent home by children who are currently enrolled in school requesting this information, but this will not assure officials that all eligible children will be contacted.

Anyone who has a child that will be five years of age on or before September 1, 1978 is asked to contact the principal's office so that name can be included on the mailing list. The elementary school number is 247-2240. "We strongly encourage these contacts to be made immediately to insure that a child's name will not be left off the list," Melton says.

The Friona schools offer a one-half year kindergarten for five year olds and plans are to continue with the present program.

Allo Reeve Nominated For W.T.S.U. Service Award

Mrs. Glenn (Allo) Reeve of 510 W. 10th, Friona, is among 129 women nominated for the Texas Panhandle Distinguished Service Awards to be presented by West Texas State University later this month.

New Group...

(Continued from Page 1)
Claborn, Thelma Hutson, Janet Buske, Zonah Bass, Jinx Snead, Laverna Parr, Irene Anthony, Rosella Landrum, Cheryl Weatherly, Paul Fortenberry, Percy Parsons, and Lora Mae McFarland. Also Jewell Wells, Mrs. C.W. Dixon, Wilda Millican, Thelma Jones, Hazel Baxter, Clyde Goodwine, Otho Whitefield, Geneva Williams and Pat Fallwell.

and reservations must be made with the WTSU Office of Programs for Women by April 17.

These women are being recognized for having distinguished themselves in business, professional careers or in volunteer service.

Keynote speaker at the luncheon will be Niki Scott, author of the bi-weekly column "Working Woman."

Mrs. Scott's column, which is distributed by Universal Press, appears in 166 papers in the United States and Canada.

She herself has experienced a newspaper career, motherhood, divorce, remarriage, and has adopted to the problems that face the working woman.

Eighteen women thus far have received the Texas Panhandle Distinguished Service Award at luncheons which are among the biggest events on the WTSU campus.

Allo Reeve is a familiar sight to local folks as she scurries around the town attending to civic duties and helping out whenever and wherever she is needed. Allo moved to Friona in 1935 with her husband, Glenn E.

Reeve, Sr. The two have four sons who grew up in Friona.

Allo is a member of the Friona Union Congregational Church where she has served as departmental leader and Sunday School teacher. She has served as a Deaconess and has served on the Memorial Board, and has been a member of the Woman's organization. Also she has served as Girl Scout Leader, a Den Mother, Band Parent, President of P.T.A., a Chieftain Mother and Class Parent of the Senior Class.

Allo is a member of the Modern Study Club. She has served as treasurer, secretary, vice president, and was president in 1974-1976. She joined the club in 1937. She brought attention to our community as a result of her outstanding program "The Sixteen Brides of the White House." This program was given first to Modern Study Club in 1972 and since has been presented over one hundred twenty times all over the Panhandle and in Clovis, New Mexico; and is still being asked to give it.

Allo is instrumental in reorganizing our Fine Arts Council to cover

five departments—drama, music, art (canvas, china, crafts, and sculpture) and creative writing (short story, poetry, essay, books, etc.) plus community choir. She is an organizing member of the new Texas Panhandle Arts Council of Amarillo that is just now drawing up its by-laws.

She was chairman in 1976 of the Parmer County Bi-Centennial Committee, which was very active during our Bi-Centennial Year and resulted in our community being selected as a "National Bi-Centennial Community." She is also a member of our local Square Dance Club, Bridge Club, Historical Society (Vice-President) and is secretary-treasurer of "Good Sams" Recreational Vehicle Club for the Amarillo area.

Allo was selected as "Woman of the Year" for Friona by the Friona Chamber of Commerce in 1976 and was 1977 candidate for "Women for Distinguished Service" award given by West Texas State and is again candidate in 1978. The awards banquet will be held April 22 at West Texas State University.

Allo is a student in painting of oils, and china and has many other hobbies such as sewing, playing the

organ, gardening, needlepoint, crocheting and embroidery. All this and Allo still has for twenty-one years helped her husband, Glenn, in the bookkeeping department of their business—Reeve Chevrolet-Olds.

Mrs. Reeve is an appropriate choice and a deserving nominee for the Texas Panhandle Distinguished Service Award. Friona is proud of her.

MR. and MRS. C.B. LOOPER, SR... Mr. and Mrs. C.B. Looper, Sr. were honored on the occasion of their 25th Wedding Anniversary on Saturday, March 18. The reception was held in the home of Mr. and Mrs. Rusty

Lindeman on Route 1, Friona. Hosting the reception were the couple's children, Lea Lindeman, C.B. Looper, Jr. and Gary Looper, all of Friona. They were married on March 21, 1953.

Library Report

"The Jack Benny Show," the life and times of America's best-loved entertainer, by Milt Josefsberg is available at Friona Public Library.

For more than forty years, Jack Benny spread joy and laughter through his radio and television shows, steadfastly keeping to his carefully honed image of the skinflint. Millions "knew" that he owned an antique Macwell, driven by Rochester; that he kept his wealth in an underground vault; that his neighbors, Ronald and Benita Colman, abhorred him; that Mary Livingstone, Dennis Day, Phil Harris and Don Wilson were his "gang."

But what was Benny like in real life? Now Milt Josefsberg, one of his

longtime writers and a close friend as well, unveils the true story of this master entertainer. The results: a personal encounter with one of the best-loved figures of our century.

Here is the delightful story of Mary and Jack's first meeting (set up by the Marx Brothers) his friendship with George Burns, the hilarious outcome of his crush on Greer Garson, his idiosyncrasies, and yes the three men Jack didn't like.

Above all, this is the story of the Benny broadcasting phenomenon: with scores of warmly remembered jokes and skits, a year by year chronicle of his programs, and 137 rare photographs.

Ladies Society Plans Dinner

St. Teresa's Ladies Society met for their regular monthly meeting on Friday, March 31.

Nine members and one guest, Margie Ramirez, were present.

There was an opening prayer and welcoming of the guest by Matilda Baca, president.

Sylvia Roth reported on a Children's Mass to celebrate the First Communion Class on Sunday, May 7. Confirmation Mass will be celebrated on Wednesday, May 17. The main objective of the meeting

was to make final plans for the Mexican Dinner which will be held on Sunday, April 16 from 11:30 a.m. until 2 p.m.

The meeting adjourned with a closing prayer.

Refreshments were served by hostesses, Sylvia Roth and Helen Fangman, to the guest and members, Hortencia Bermea, Angela Bermea, Irene Bermea, Matilda Baca, Matilda Caballero, Toni Castillo and Susie Perez.

Methodist Women Host Luncheon

The United Methodist Women had a luncheon in Fellowship Hall, March 29, at 12 noon. Mrs. Guy Latta, chairman of the membership committee, directed and acted in a play, entitled, "The Trial."

Assisting her were Mesdames Jim Boswell, Glen Herring, Joe Bob Mann, Kenyth Cass, A.L. Outland, Percy Parsons, Blanche Boyle and Estes Bass.

Mrs. Latta and her committee decorated the hall and serving tables in colors of the seasons--Spring, Summer, Fall and Winter. Ladies were seated in accordance with the season in which their birthday came. As everyone registered they were pinned with a symbol depicting their birthday season.

Mrs. Kenyth Cass gave the opening prayer preceding the

luncheon and Mrs. Blanche Boyle closed the meeting with prayer.

Guests attending were Mesdames Pat Fallwell, Mabelle Hartwell, Raymond Milner, Jerry Cass, Jackie Stowers, Robert Neelley, Bill Bailey, Jim Roy Wells, Jerry Loflin, Mike Smith, Rick Luther, Jerry Roberts and Karla Barniville.

Members attending were Mesdames A.W. Anthony, Jerry Brownd, Bill Burnam, Kenyth Cass, Joe Bob Mann, Russel O'Brian, A.L. Outland, Roxie Phipps, Henry Outland, Jon Mack Roden, J.L. Shaffer, Ted White, Percy Parsons, Jim Boswell, Blanche Boyle.

Also, Mesdames R.V. Brownd, John Duke, Glen Herring, Andy Hurst, Opal Jones, Guy Latta, Floyd Reeve, Charles Russell, Estes Bass, Joe Walters, Miss Lois Norwood and a new member, Mrs. E.G. Phipps.

Members Present Program

Members of Modern Study Club met Tuesday, April 4 for their regular meeting. Serving as hostesses for the meeting were Lilah Gaye Gee and Mary Johnston.

The roll call was answered with a "Homemade Remedy."

Rhea Foster, Vera Beil, Faye Reeve and Leta Tannahill gave the program on "The Natural Way to Health."

Beth Thompson and Ilene Osborn were elected as delegates to Texas Federation of Women's Clubs Convention which will be held in Austin April 26-28. They will accompany Allo Reeve who will be installed as second vice-president of Caprock District of Women's Clubs.

Boosters Plan Band Banquet

About thirty Chieftain Band Boosters met Friday night, March 31 in the High School Band Hall. Band Director, Scott Houston presided over the meeting with discussion centering upon the Band's upcoming trip to Canon City, Colorado on May 5-8.

Plans were made to raise the remaining funds. Fund-raising projects include a Dixie sale, a bake sale on April 8 and a work day on April 15.

Other business discussed included the Friona Junior High Band Festival on May 13. Mrs. Dottie Osborn and Mrs. Beulah Miller are in charge of the Festival snack bar. The Band Banquet also will be held May 13. Chairwomen for each class were appointed as follows: Mrs. Mary Johnston, seniors; Mrs.

Floyd Rector, juniors; Mrs. Beulah Miller, sophomores; and Mrs. Sue Smith, freshmen.

Mr. Houston read the judges' critique sheet and played the tape from the recent U.I.L. Concert and Sight-Reading Contest held in Dimmitt, where the Chieftain Band won Sweepstakes honors.

Houston also informed the group that the Chieftain Band has been invited to be guest performers at the Honor's Concert at the Greater Southwest Music Festival in Amarillo at 8 p.m. on Saturday, April 29 in the Amarillo Civic Center.

Admission is free. Mr. Houston and the entire Chieftain Band invite the community to support your Band and attend the concert.

Town Talk

By June Floyd

Phone 247-3681 With Your News Item

Probably the most exciting Town Talk in Friona this week is the news that our community will soon have a Friendship House. There has been much interest in this project, which will serve all persons in our area regardless of age, color or creed. We're going to be hearing a lot more about this and anyone who is interested is urged to get involved in whatever capacity desired.

Another community wide project that needs the attention of all residents is the annual American Cancer Society drive, which will begin Monday, April 10.

Volunteers will be knocking on every door and residents are encouraged to contribute generously. Also of utmost importance is taking advantage of the suggestions made in literature which will be given you by those making the drive.

Education on the subject of cancer can save many lives each year. Any one of us could very well be the next victim of this dread disease.

Be ready to make your contribution and be sure to study the pamphlets which will be given to you.

Mrs. Jack Nelson accompanied Mr. and Mrs. Gibbs Rucker of the Bellview, New Mexico rural community to Richardson last weekend. The three were guests in the home of Mr. and Mrs. J.A. Rucker.

The Rucker men are brothers and Iola is their sister.

Easter holiday visitors in this same area were Mr. and Mrs. Clifton Harper and daughter, Donna, who is a senior at Texas Tech University, Lubbock.

These three visited in the homes of Mr. and Mrs. Lowery Harper and daughter, Tiffany, and Mr. and Mrs. David Harper and sons, Jason and Zachary, who live in Plano.

The Plano Harpers live within two or three blocks of one another, so it makes it real convenient when Clifton and Charlene, or any other

member of the Harper family, when they are down there.

Little Amy Weber spent Tuesday night in an Amarillo hospital. She came home Wednesday afternoon in a body cast. She is the daughter of Gary and Sandi Weber, who live at 512 West Sixth Street.

The Taylor clan has returned home. They make an annual trip to Port Aransas for a spring fishing session. Those going this time were Mr. and Mrs. Ruben Taylor, Mr. and Mrs. L.D. Taylor and Mr. and Mrs. Leslie Jarecki and children, Marsha and Tommie, all of Friona.

Also Mr. and Mrs. Roy Miller of the Lazbuddie Community and Mr. and Mrs. Floyd Long, Clovis, New Mexico.

The Taylor family was joined by Mr. and Mrs. Edkar Miller of Roosevelt, Oklahoma and Mr. and Mrs. Paul Beck of Farwell.

Their catch wasn't as good as usual, but everyone had a lot of fun.

Read an article recently which recommended a clothes line as an energy saver. Most of us do not like the idea of having to return to this method of clothes drying.

However, to me, there isn't a more

enjoyable chore than hanging clothes on a line when the weather is like it was Thursday morning. As I hung sheets and pillowcases, I enjoyed smelling lilacs, which are about to burst into full bloom across the alley in the Peak backyard.

Then, I remembered many former neighbors I hadn't thought of in several years. When you lived in town 35 or 40 years ago, it was necessary for everyone to dry clothes on the line and Monday was the preferred "wash day" for many. Many times I have looked forward to "wash day". This was the day that you visited with neighbors as all of you were hanging clothes on the line.

A clothes line was also good for an "escape" from a fussy infant. When you have one who is too cross for anything, you can always use a basket of freshly washed clothes for a good excuse to put the baby to bed and get outside.

A lot of times the infant has quieted down and gone to sleep before you get back to the house. Clothes lines are generally located far enough away that you can't hear the baby crying, so you get a rest from the noise even if the baby doesn't go to sleep.

In this case, having both lungs

filled with fresh air is an added bonus and makes you more able to cope with the situation.

Of course, there is another side of the coin. When the wind is blowing or the weather is extremely cold, let's try to think of another way to conserve energy.

Athelea Neel came home from Amarillo Saturday. She had spent five days in St. Anthony's Hospital. She had surgery on the knuckles of her left hand. She's feeling better and expects to be out and around soon.

David Moseley returned home Friday after a twenty-six day stay in Veteran's Hospital, Amarillo. He had bone surgery and had planned to be able to make his usual garden, but some complications slowed him down for longer than he had anticipated.

Gladys may need some help. Keeping David out of the garden may be a great big job since he's able to be up and around.

The worst punishment of a liar is probably that no one believes him even when he's telling the truth.
