The WEATHER is in the part of the country where the temperature generally remains high, and the summer months are long. The state is divided into four distinct regions, each with its own unique climate and landscape.

The northern Panhandle experienced a rare event on Tuesday when the big drops of rain hit, the sheep were frightened. They began to move, but the heavy rain continued. At least four times, they were put out to pasture on Monday. The value of the sheep lost was estimated at $15,000.

The sheep were given a total of seven men are seeking the county commissioner's position for the Bovina and Rhea precincts, their experience, and what they have been able to do for the public in the past.

The race for nomination for the U.S. Congressman seat will highlight the differences between the Democratic and Republican candidates. The race is a tight one, and both candidates have their strengths.

The Friona High School band left at 3 a.m. for Canon City, Colorado, to participate in the Saturday in the Park Music Fest. The band arrived at 2 p.m. and will present their show on Sunday, May 7.

The race is a close one, and both candidates have their strengths. The key to victory will be their ability to appeal to the voters.

The band scheduled to return to Friona late this afternoon. They plan to return to their respective communities after the trip, and continue throughout the rest of the year.

The race is a close one, and both candidates have their strengths. The key to victory will be their ability to appeal to the voters.

The race is a close one, and both candidates have their strengths. The key to victory will be their ability to appeal to the voters.
Froniona Flashbacks
...from the files of The Friona Star

YEARS AGO-May 4, 1979
The weather in the Froniona area this past week or two weeks has been dressed or capped with a heavy layer of seasonals, so that there has been but little opportunity to notice anything. The mornings have been so cold that it has been necessary to use blankets or covers in the bedrooms. With a high of 60 degrees the American Legion annual baseball games were played. The Legion, however, didn't use blankets or covers as they played in Friona's Fourth of July baseball tournament. The first day was played under perfect weather conditions; the weather during game two was drizzly and the high temperature was only 64 degrees.

YEARS AGO—May 4, 1979
Froniona's High School baseball team was defeated by Wellborn in its first game after the long winter. The Wellborn team is one of the top teams in the state of Texas and is now ranked in the top ten in the country. The Friona team was led by their starting pitcher, Tim Johnson, who pitched a complete game and only gave up two runs. The game was played in Friona's Park, and the Friona fans were out in force to support their team. The Friona Fans' efforts were not enough as Wellborn won the game by a score of 2-1. The Friona team will play their next game this Saturday at 2 p.m. at the Friona field. The weather forecast is calling for a beautiful day with temperatures in the low 70s. The Friona team will be looking for revenge against Wellborn and are hoping to win this game.

YEARS AGO—May 4, 1979
The local FFA chapter held its annual fair and sweepstakes meeting in the Froniona High School auditorium. The fair was attended by students from several schools in the area, and the sweepstakes meeting was attended by members of the local FFA chapter. The fair featured various agricultural exhibits, such as crop displays, animal judging contests, and a variety of other activities. The sweepstakes meeting included a variety of competitions, such as oratory, public speaking, and knowledge tests. The FFA chapter is proud of its members' hard work and dedication to agriculture and is looking forward to another successful year.

YEARS AGO—May 4, 1979
The Second Annual State Fair of Texas was held in Friona, and the weather was very pleasant with temperatures in the mid 70s. The fair featured a variety of activities, such as livestock shows, horse shows, and a parade. The fair was well attended, and the locals enjoyed the fair's festivities. The fair is an annual event that the locals look forward to every year. The fair is a great opportunity for locals to come together and enjoy a fun day in the sun.
Dear Editor:

Mutual) is legal, illegal gambling multiplies vision spotlight gambling. Not so! illegal bookies. The state doesn’t get tax purposes. Delivery service is available for illegal bets. But why does illegal gambling depend on organised crime for their banking and insurance system. Illegal gambling depends on organised crime for a communication network. The editors of gambling are always the criminals. The state would pay for their debts are always the criminal insurance system. Other states have legalized gambling. Government approval makes it legal. The state would pay for such storage under the current farm program. The state would vote for it and be big Impact. Texas’ tourism is already healthy. Business want one more competitor? The dollars come from to be bet at legitimate business. Winnings are not reported for income that is lost to gambling. If all legal gambling cannot do so without bribes, payoffs and scandal. With tens of millions of money come into our state, out of the pockets of organized crime. The poorer people are, the wildest promises from gamblers become true, that would be the sad evidence. How many metropolitan areas in the country have track betting were legal in Texas. The state would pay for their debts are always the criminal insurance system. Someone always loses with gambling. Vote no to gambling on this state, out of the pockets of organized crime. There are three basic reasons for government corruption. Is there one government that offer this regressive. The poorer people are, the worse the economic impacts. For their debts are always the criminal insurance system.

I. It Invites organized crime.
1. Government first attempts to contain gambling once it is legal.
2. Newspapers, radio and television spotlight gambling. Illegal gambling cannot exist without organized crime.

Il. It Inevitably corrupts government.

III. It has a negative economic impact.
1. Gambling produces no goods or services. The direction of current farm program

THE FRIONA STAR, SATURDAY, MAY 6, 1978, PAGE 5
Lazbuddie Kids Set For State

Two students at Lazbuddie High School qualified for the state track meet. Tammy Smith, who captured the gold medal in the 880-yard dash at the state meet in 1975, is back this weekend to defend her title in the event. Tammy scored wins at her district and at regional, where she edged out Debbie Rieke of Texas. Mrs. Riek’s was the regional title a year ago, but Miss Smith came back to edge her at the state meet winning the race in 2:22.2. Tammy ran the event in 2:23 last season, finishing second at Friona. This was five seconds ahead of her pace of a year ago, which best time prior to the state meet had been 2:30.

Charlestowne Stinchcomb won the regional title for the Longhorns in the 880 yard run. She also won the 55-yard dash at the regional meet. Shows outstanding potential jumping form, Miss Malquist got off one of her better throws.

GOOD JUMP...Syltie Malquist, member of the Friona squaw track team, missed the state meet by an inch. Miss Malquist placed third in the regional meet. Shows outstanding potential jumping form. Miss Malquist got off one of her better throws.

Chiefs’ Marks Good At Regional Meet

The youthful Friona Chieftain track squad, with ten entries in the regional track meet, failed to qualify anyone for the state meet, although turning in their best marks for the season in virtually every event. Junior Kerri Robinson won the 100-yard dash, with a time of 11.60, and the 220-yard dash, 23.90. Sophomore Danae Malouf won the 440-yard dash, 52.2, both seasonal bests. The mile relay foursome (Chitto Fleming, Todd Bandy, Senior Koty Kothmann and Kevin Kothmann at 2:06.2, both second, scored points Leslie White, at 2:05.9, failed to qualify, with a time of 2:06.2 in the discus. The mile relay team (Chitto Fleming, Todd Bandy, Dennis Hedges and Eddie Braillif), ran a 4:41.1, almost a full second off their district meet time, but likewise failed to place. Denise Hedges, placed second in the 880-yard dash, and Alexander a 2:05.2, with seasonal-best.

Todd Randy set a new school record in the 110-yard hurdles, 14.6, although failing to score points Leslie White, at 14.6, and Kevin Robinson at 14.62, behind their times in the 880-yard dash.

Little Braillif ran a 10.3 in the 100-yard dash and Dennis Blackman a 14.5 in the 110-yard hurdles to round out the Chieftains' participation in the regional meet. The Chieftains hurdlers, along with the 880-yard relay team, are the largest contingent in a number of years.

While at LCC, Hal has been an active member of the Kodiak men's social club and has served as a campus photographer for the past two years. His sophomore year he served as a senator for his class. Mr. Blackburn is majoring in Bible.
Texas Needs a Governor Who Will Reduce Taxes!

Texas Needs Preston Smith.

Texas has paid too much in taxes! For the last six years Texas has been operating with a tax surplus that has skyrocketed to more than two billion dollars. It's easy for other candidates to say "we'll do better next year," but when they have been taking more money out of your pocket than is needed to run your state government, you've beenoutwitted! Preston Smith will reduce taxes.

Texas Needs Preston Smith.

Preston Smith will improve Texas schools.

Preston Smith will implement a state energy program.

Preston Smith will strengthen agriculture in Texas.

Preston Smith will fight the raising state taxes.

Preston Smith will return pride in state government.

The Bovina Fillies' track team makes their third straight appearance in Austin this week, in the Class A UIL Girls' State Track and Field Meet. Their fans and backers, many of whom have been on hand for both of the previous state finals, hope that just like the old adage, "the third time will be charming." In the 1988 state meet, the Fillies finished last in the state, losing sight of Paducah for the team title, 18 points to 19. This year again, the team hopes they can stay high, as they were back in 1986, but no so Paducah.

The Dragonettes repeated as state champions in girls' varsity track, as Bovina, behind a 1-2 punch on the track of Diane Gillibrand, tied for second in the 4A state finals with 16 points. This year, the team seems to be poised for "all the markets." They are qualified for more events, with three relay teams and four field events as their state meet ticket. They have won multiple competitive races, facing some top-notch competition.

But once again, adversity threatens to rule in the mode for the Fillies, as it was found the past week that Sandi Sides, relay anchor girl and district and regional events, and a limited schedule in the state meet, has mononucleosis. Just what effect the "mono" will have on Sandi's and the team's performance can't be known for other class A teams make qualifying times for the mile relay at 4:05-2. If the team could just place first, second and third in their three relay events, that would be all great.

At the Mountain View Regional, the Bovina Fillies showed a much better look at the state finals. They shaved one second for good in the 440-yard relay. Bovina stands third in the qualifying times for the mile relay at 4:05.2. If the team could just place first, second and third in their three relay events, that would be all great.

If the team could just place first, second and third in their three relay events, in the mile, the 880 and mile relay teams, and their three relay events.

The Bovina Fillies' track team is entered in two events, and her three relay events. She is topping 188 feet in the discus throw, 269 feet in the shot put, and 250 feet in the javelin.

The Bovina Fillies' track team is entered in two events, and her three relay events. She is topping 188 feet in the discus throw, 269 feet in the shot put, and 250 feet in the javelin. The Fillies' 440-yard relay time of 49.1 is second and third in their three relay events.

The Fillies' 880-yard relay time of 1:55.7 is second and third in their three relay events. They have won multiple competitive races, facing some top-notch competition.

Primary Vote...  

U.S. Senate, to oppose senior Senator John Tower in November. Their campaign has generated little interest in this part of Texas. In the governor's race, seven men are trying to oust Governor Dolph Briscoe's seat, as the governor goes for an unprecedented ten years in office.

On the Democratic ballot besides Briscoe are former Houston Preston Smith, present attorney-general John N. Lindsey, Ronald B. Brigham and Roy Allen Marks.

Of the three Democratic candidates for the gubernatorial slot, Brown brought his campaign to Friona, insisting that this region had more favorable legislation during his tenure in office.

Seeking the Republican nomination, and Bill Clements, Ray Ford and Jim Hightower.

Some upsidedown races have also developed for state treasurer's job, to replace the former longtime treasurer Jesse James, who died in office. The Democratic opponents brought another aspirant for state treasurer with the same name of a famous person, Warren G. Harding, sponsored by Harry Ledbetter and Charles Sanderson.

On the Republican side, Reagan Brown, appointed by Governor Briscoe to replace John G. White after White received a Washington appointment, Brown's Democratic opponents are Joe Roberson and Jim Sewell.

Brown also ran for the state treasurer's post in 1964, finishing second in an election which he lost. A large portion of the vote was believed to be a protest vote, against the state legislature which passed a law to open the state Treasurer's office to the people.

The Democratic campaign has never fared well in this part of Texas, due to its over reliance on the county party. The Democratic candidates have won this district only once, in the 1890's.

In the governor's race, seven men are seeking the Republican nomination. Some spirited races have also developed in the race for state treasurer's office.

Area Residents Get Probated Sentences

Five area residents received probated sentences in district court last week, according to Charles Lovelace, Pioneer County Sheriff.

Vicki Vruggan was given five years probation for second degree burglary.

Fred Salinas was placed under four years probation for burglary.

Robert Pease was given four years probation for selling marijuana, and will soon be transferred to the state penitentiary in Huntsville.

John Customs was placed under one year's probation for selling marijuana.

Vickie Yruegas was given probation of five years on two counts of forgery and ordered to pay court costs.

Fred Salinas was placed under four years probation for burglary.

Experience Is Key, Hance Says

By PAM THOMPSON

"One principle I fight on," said Sen. Hance, "is the need to maintain the 137 legislators that serve the people of Texas."

The Senator feels that this is a key to maintaining a healthy state government and avoiding the problems of a "merry-go-round" of legislators who enter and leave politics.

Hance believes that the State Capitol should be a place where people can come and stay, and that the current "turnover" system is causing a great deal of trouble.

"We need stability in government," he said. "We need people who are committed to the job and want to make a difference."
GRISLY SCENE...Bodies of sheep which died during Tuesday's sudden weather change, are shown littering the landscape at the Carl Schlenker residence in the Rhea community.

Area feedlots also reported unusual cattle losses during the week, which produced all sorts of weather phenomena.

COMPETITOR...Denlce Wilson, 13, who lives on a farm north of Muleshoe and attends Muleshoe Junior High School, is shown as she prepared to plant her corn for the 1978 Warner Corn Growing Contest.

Denlce has high hopes of winning the contest, which is open to young people ages 12-21 and is sponsored by George Warner Seed Company of Hereford. (Photo by Wyatt McSpadden)

When there's a job to be done, wouldn't you rather have a solid performer like John Hill on your side as Governor working for Texas?

John Hill is ready to lower property taxes, reduce utility bills and cut state spending. He's committed to holding the line on taxes and will veto a state income tax if proposed. He'll continue to stand behind our farmers and ranchers and will deal tough with the Washington bureaucrats — on energy and other matters affecting Texas.

Isn't this the kind of Governor we need now ... working for Texas?
Luncheon Honors

Eunice Peterson

A luncheon was given Tuesday, April 15 in honor of Mrs. Eunice Peterson of Hereford. Mrs. Peterson had conducted an art class at the Art Center, and the luncheon was given to honor her for her generosity and leadership. Those attending the event were: Mrs. Peterson, her husband, and a group of her students.

Mrs. Peterson graduated from West Texas State University with a degree in art and is the President of the Art Guild in Hereford.

Morris Sheets

"I WILL STAY IN TOUCH"

As your Congressman, I will be in your county twice each year, preannounced, to sit down and visit with you. It is vitally important as your Congressman to stay in touch with the thinking of the people of West Texas. It is my desire to represent all of the people. I will stay in touch.

John Hill Opposes State Income Tax

When he announced for Governor, Attorney General John Hill said that he would oppose — and would veto — a state income tax or any other new tax bill that he inherited.

As Attorney General, John Hill cleaned up politics in the last election, and the people are demanding that the new Governor do the same thing.

As Governor, John Hill will not stand for any income tax on the people. He will stand for tax cuts and tax reduction.

Music Fete Is Slated

The First Elementary School's music department, under the direction of Mrs. Willie, will present a program of music on Thursday, May 8 at 4:30 p.m. at the junior high school auditorium.

In the first grade, girl performers will portray the story of "The Three Bears," and the boys will portray the story of "The Three Little Pigs." The music program will be presented by the first and second grade teachers and their students.

Luncheon Honors

Eunice Peterson

A luncheon was given Tuesday, April 15 in honor of Mrs. Eunice Peterson of Hereford. Mrs. Peterson had conducted an art class at the Art Center, and the luncheon was given to honor her for her generosity and leadership. Those attending the event were: Mrs. Peterson, her husband, and a group of her students.

Mrs. Peterson graduated from West Texas State University with a degree in art and is the President of the Art Guild in Hereford.

Town Talk
By Jane Floyd
Phone 247-3681 With Your News Item

Last week's Town Talk was composed by a party out under a shady spot under a camper on the bank of Ute Lake in Quay County, New Mexico. All the windows are closed, the heater is on and cold and some have been falling for several hours.

One of the few vehicles visible from the courthouse lawn in Quay County is a truck that was photographed earlier this winter.

The guests at the wedding of Terri Williams and Eddie Wilson were among the many who came out to see the event.

The wedding of Terri Williams and Eddie Wilson was covered by a yellow flower bouquet. The ceremony was at the old Hollene, New Mexico community church.

The bride and groom were given flowers by the guests who attended the wedding.

The wedding was a beautiful event with many guests in attendance.

Pupils Register
For Membership

Fifty-one local piano pupils from the classes of Eva G. Miller and Johnnie Walters have registered as candidates for membership in the National Fraternity of Student Musicians, sponsored by the American Guild of Piano Teachers, Teacher Division of The American College of Musicians, of which Joan A. Wright is a member.

This group of young piano hobbyists placed in the National Piano-Playing Auditions, held May 2 in the Friona Auditorium, and in the National Piano-Playing Competition at the State, National and International level, under the direction of Joan A. Miller, Kansas City, Missouri. The winners will be announced at the bi-annual convention of the National Fraternity of Student Musicians to be held in Kansas City, Missouri, on May 26 and 27.

The following pianists, their designation, age, and degree of excellence and how many years they have studied piano are:

- Steven Herring, Erika Pope, Christie Herring, Rosa Garza, Stephen Herring, Kim Newell, Kristi Gwendolyn Maurer, Bonnie Dana Berend, Teresa O'Brian, Wiseman, Sandy Spring Sherry O'Brian, Patty Hinton, Gwendolyn Taylor, Tommy Hartwell, May 8

Next week are

Cosme Constancio, May 8

Floyd Schueler, May 8

Hazel Sifford, May 8

Melodi Dixon, May 7

Stanley Ellis, May 10

Friona Star on Monday, May 1 for a devotional was given by Grace Thompson, Thursday noon and reported it. Stacy, four, and Shane, 14, The public is invited to attend the recitals.

Report on

AUSTIN TRIP

Modern Study Club met May 7 at the Friona Women's Club House with twenty members present. The devotional was given by Grace Whitefield.

Deanne O'Brien, Allee Reeve and Beth Thompson reported on their trip to Austin last week for the Texas Women's Conference. They said there were over 1500 members in attendance of which 50 were new members. The modern Study Club is now an associate member of the National Guild of Piano Teachers, sponsored by the Teacher Division of the American College of Musicians, and will confer according to the number of years studied piano. The officers of the Modern Study Club are: President, Sherry O'Brian; Vice-President, Patricia Hinton; Recording Secretary, Sherry O'Brian; Business Manager, Patty Hinton; Corresponding Secretary, Bonnie Maurer; and Treasurer, Bonnie DeBoer, Bill Caudill, Sarah Scott, Thelma Jones, Maria Viera Caudill and Doris Hough.

We've seen this man in action. Kent Hance — state senator. We know he listens ... and acts ... and leads. We need him now in Congress — a man with experience. There's a job to do — and we can count on Kent Hance for strong representation for West Texas. We need to keep good men in government. Kent Hance has proved himself a leader.

Now, let's get his brand of leadership pulling for us in Congress.

We're honored to have an excellent candidate in business in our area in the person of Mrs. Dorothy Butch, Friona Ford Sales, representing Panhandle State University. We're pleased to have had the pleasure of getting to know her campaigning for the university, who is mature and truly an outstanding leader for our area. We're very proud that Mrs. Butch will be representing Panhandle State University.

Local Farmer Is Honored At Banquet

Fifteen local piano pupils from the classes of Eva G. Miller and Johnnie Walters have registered as candidates for membership in the National Fraternity of Student Musicians, sponsored by the American Guild of Piano Teachers, Teacher Division of The American College of Musicians, of which Joan A. Wright is a member.

This group of young piano hobbyists placed in the National Piano-Playing Auditions, held May 2 in the Friona Auditorium, and in the National Piano-Playing Competition at the State, National and International level, under the direction of Joan A. Local Residents Attend Session

The Panhandle Association of Oddfellows and Rebekahs met Saturday, April 22 for the 75th annual session at Pampa.

Gene Bishop of Hereford, master of ceremonies, opened the meeting.

Officers were introduced and seated by Roger Bridges followed by the singing of the National Anthem by the band under the direction of Mrs. M. L. Belanger from Pampa.

ESOF and Rebekah President, Charlie and Wilma Wise of Friona presided at the joint meeting.

The theme of the Pampa meeting was as follows: Oddfellows and Rebekahs is more than just belonging to something. Why? Because Oddfellowship is more than just a Lodge. It is a social order, a company of friends united in the principles of Charity, Charity, and Charity. It is a band of brothers and sisters united in the principles of Charity, Charity, and Charity. It is a brotherhood of men and women united in the principles of Charity, Charity, and Charity. It is a brotherhood of men and women united in the principles of Charity, Charity, and Charity. It is a brotherhood of men and women united in the principles of Charity, Charity, and Charity.

Six Attend FHA State Convention

Six representatives of the Friona Chapter of the Future Homemakers of America attended the FHA State Convention in Dallas April 20-21.

The theme of the convention was "The New Dimensions of FHA-1978." Speakers for the meeting were Bert Jones, quarterback for the Baltimore Colts and Lewis Brownlow of Hereford.

More than 500 of the state's top Future Teachers of America, Forensics, Thespians, Honor Thespians, and FHA members were represented.

The next meeting is scheduled for May 10, which will be Guest Day, and the program will be "The New Dimensions of FHA-1978." It is sponsored by the Texas Business Teachers Association and the Texas Business Teacher Association.

Mark Bavousett To Attend Symposium

Mark Steven Bavousett, a Friona High School student, has been selected to attend the 18th Annual Texas Nuclear Science Symposium to be held at the University of Texas at Austin June 6-9.

Mark is a junior at Friona High School and is a member of Future Teachers of America, Church Council and band. He is also involved in Explorer Scouting and high school golf.

The group spent the day at Six Flags Over Texas and stayed at a motel in Cypress. Mark received a scholarship for the symposium which is jointly sponsored by the Atomic Energy Research Foundation (TAERF) and the University of Texas.
