**Star Lites**

By Bill Ellis

**A NEWS ITEM involving a Friona band member** got the attention of several of our educators and we decided to give Koty Kottmann some recognition for his efforts in the annual North-South Texas high school all-star game, played in Houston's Astrodome.

Koty was selected to play on the North team, which was coached by Don Brees of San Antonio and the Friona coaches helped make up a rooting section for the former Chieftains star, thought to be the first to carry the colors of FHS into the state all-star contest.

Kottmann will leave Friona this weekend, where he has a football scholarship with the University of Houston, to begin on Thursday at the Southwest Conference meet.

**MEANWHILE, KOTTY'S younger brother Kevin, who is a senior member of the Friona band, has been selected as one of the 18 "Blue Chip" scholarship boys of Texas, to play in four-year senior's players across the state.

Kevin, his father Norman and mother Carol, are part of a large Kott family in Lubbock. Norman said that Kevin was selected because of the fact that he has a football scholarship with Texas Tech and, of course, the band.

**JUDGING BY the turnout of folks to** begin their in-service schedule on Monday, it seems that parents of students attending Friona schools, Jarboe says.

"This move is an important step in the progress we are trying to make to improve the atmosphere that has raised the little short of monarchy status, and we understand played the entire North team, which was coached by Coach Lonnie Phillips and other of "Big Ten" coaches. The meeting topic will be "The First Baptist Church of Friona Tuesday. Naman said that the band's performance will be "The Church Hosts Family Family Conference."

I devaluation of the dollar meant to the U.S. The U.S. would export 215 million more grains and receive less for the goods than we had received the year before with the prices higher. But we as farmers are in the same sorry price squeeze that they did in Japan a year ago. This is the biggest farce ever. Wonder just what the Japan is buying corn today at less than half what we received by the higher prices. To save money, more than offsetting any duty rocket, more than offsetting any profits and paying off land debts, we should pass the land, debts, and money to our grandchildren. Remember, apathy got us where we are today. It's not too late to get organized and get their full service banker showed them their dream to make it a reality. How many young couples, Bruce and Phyllis Doty had a dream of owning their own business—an arts and crafts store. The National Chamber still doesn't understand why farmers want to fish for their land. They think that we should pass the land, debts, and interest along to our sons and daughters. They said: "It's a family property. This is a time of borrowing. When you want to sell, they want to buy. If there is a buyer, let him buy the fish. The reason the kids can't do this is that they have no cash in the family. This is the same situation that we are in today; it's not too late to get organized and get their full service banker showed them their dream to make it a reality. A total of 74 football players have been going through two-a-day workouts at Friona this week, preparing for the 1978 football season, which opens on September 8. Coach Lonnie Phillips said he was especially pleased with the spirit and hard work being exhibited by the football players at this point. They had done so well that the team was given Thursday afternoon off, missing the hot boiling sun which has featured the first week of workouts.

"Our seniors are doing a super job of leading the team, and I'm real proud of the way the freshmen players are working. They are following the older boys' leadership real well," Phillips said after Thursday's fourth day of workouts. Phillips said he also was pleased with the apparent good physical condition of the players. In Thursday's running of the "12-minute run," 57 of the 70 taking part made the one and one-half mile minimum standard.

The Chieftain coach said he felt real good about the team injuries. David Fleming, Jay Taylor, Chuck Nichols and Mike Hutson have been working out lightly during the first week. Phillips feels these players could be ready for action within three weeks, which would be the first regular season game.

"We're hoping we get off to a little better start than we have the past two years," Phillips commented, referring to the team's 1-3 and 0-4 starts of the past two seasons. Players were to begin working in pads on Friday. The workouts drop to one per day, from 4-6 p.m. beginning on Tuesday.

The first look at the Chieftains against outside competition comes next Thursday, August 24, when the team scrimmages Boys Ranch at the Ranch, beginning at 6 p.m. The team's second scrimmage will be on September 1 against Bovina here at Chieftain Field.

The couple exchanged vows in the backyard flower garden at the Young home. An archway decorated with greenery and intertwined white roses bordered the setting. Baskets of ferns and garden flowers complemented the decorations. The bridal aisle was marked with rows of sprays with ribbons. The first basket of roses placed at the foot of the gown, was the best man. June Wise, pianist, presented "The Twelfth of Never," "Amor's Song," "Evangeline," and "You Light Up My Life."

Charles Cunningham of Andrews was the best man's father.

The couple were accompanied by an entourage of 13 at the wedding. The bride was escorted by her parents, Mrs. Walter R. Cunningham, Andrews, Texas, and Mr. and Mrs. Joe E. Young, 706 Kenisha Street, Lubbock.

Guests were seated by Joe Cunningham, Friona, cousin of the bride, and Bob Schuchard, Lubbock. As the bride was received and presented in marriage, the pair entered the archway with matching ribbon.
