

Star Lites
By Bill Ellis

ONE OF THE BIGGEST "White Elephant" projects that has come along in our congress in the past several years is the controversial senate office complex, which was begun in 1972 at an estimated cost of \$48 million.

The project is now stalled, waiting additional funding. The latest cost estimate is \$200 million. There is open division among senate members as to the actual need for such a building.

In senate debate last week, Senator Charles Chaffe argued that there was little in the new senate "palace" that the senators actually needed.

For one thing, there will be a new rooftop restaurant with 100 seats. The senate already has two restaurants with 250 seats. Chaffe pointed out that the new addition would provide restaurant service to the senators, or 3.5 seats per senator.

They are also building a new gym, which is twice the size of the two gyms the senators already have. Senator William Proxmire of Wisconsin said he could not imagine a more galling symbol of congressional arrogance than the new gym.

The Wisconsin senator pointed out that he knew that the senate's present gym was used only by two or three senators, otherwise it stands idle all the time.

Senator John Danforth of Missouri points out that IBM is building a major office building in the middle of New York City. It will be at least 40 stories high, and will cost around 75 million dollars. By contrast, the new senate building, and its estimated cost of \$150 to \$200 million, is only five or six stories tall.

"We are building around the wildest dreams of anyone in the business world or anyone out there in the country. It is a palace that we are building," Senator Danforth said.

The Missouri senator, stating that the only argument advanced by proponents of the new office building is the crowded conditions presently imposed on members of the senate staff. Maybe what they should consider doing is cutting down on the staff, one congressman suggested.

For example, the capitol police department consists of 1,186 officers, hired to protect 535 members of congress, and an estimated 17,000 staff employees. By contrast, Kansas City, Missouri, with a population of over 500,000, has a police force of around 1,200. Sen. Danforth further stated that Hannibal, Missouri, with about the same population as Capitol Hill, manages with only 42 police officers.

The latest action by the senate found the body voting 45-29 against stopping work on the building, and then voting 65-13 to impose a \$135 million ceiling on its construction and "initial furnishing."

However, on August 17, the House of Representatives, which also has to pass on the financial portion, voted against providing more than the original funds, so the senate's "White Elephant" remains a big steel skeleton in the middle of Washington, D.C.

Congressmen, we believe, should have to exist on taxpayers' budgets. In fact, they should be taxpayers themselves. If they were, perhaps they would never launch such a foolhardy project.

Area Gets Rainfall

The Friona area received a nice rain last Saturday night, or early Sunday, when 1.09 inch of rain was measured officially. The rainfall was welcomed by farmers, who have been hard-pressed to keep up with their irrigation programs.

TEMPERATURES

Date	Hi-Low
Saturday, August 19	93-56
Sunday, August 20	74-40
Monday, August 21	82-43
Tuesday, August 22	90-41
Wednesday, August 23	89-42
Thursday, August 24	89-44
Friday, August 25	90-42
Moisture: .11 inch on August 19; .86 on August 20.	

Twenty-One Enter Queen's Contest

As of Friday, a total of 21 girls had been entered in the Maize Queen Contest, according to Linda Straw at the Chamber of Commerce office. Deadline for entering contestants is Friday, September 1.

Those entered were Diana Gustin, daughter of Mr. and Mrs. Leland Gustin, sponsored by Ruthie's; Becky Norwood, daughter of Mr. and Mrs. Jimmy Norwood, sponsored by Ethridge-Spring Agency; Janice Coffey, daughter of Mr. and Mrs. Leon Coffey, The Main Place. Also, Renae Monroe, daughter of Mr. and Mrs. Clarence Monroe, sponsored by Parsons-Ellis Funeral Home; Sarah Mears, Mr. and Mrs. Sam Mears, Modern Study Club; Pam London, daughter of Mr. and Mrs. Richard London, Bob's Pump & Machine.

Also, Laura Ellis, daughter of Mr. and Mrs. Bill Ellis, The Friona Star; Joanna Merritt, daughter of Mr. and Mrs. Harley Merritt, Hi-Pro Feeds; Teresa Clark, daughter of Mr. and Mrs. Ed Clark, Brockman Sales; Kim Frye, daughter of Mr. and Mrs. George Frye, Tri-Frye Produce.

Also, Angela Sims, daughter of Mr. and Mrs. J.P. Sims, Friona Young Homemakers Club; Sharia Duggins, daughter of Mr. and Mrs. B.E. Duggins, Friona State Bank; Christy Lundy, daughter of Mr. and Mrs. Leroy Lundy, Ag-Chem Enterprises.

Also, Donna Rector, daughter of Mr. and Mrs. Floyd Rector, Poarch's Furniture; Jeanette Gilliam, daughter of Mr. and Mrs. Gilbert Gilliam, Hub Ladies Club; Dana Miller, daughter of Mr. and Mrs. Ross Miller, Friona Wheat Growers; Vickie Smiley, daughter of Mr. and Mrs. Ron Smiley, Mike Chaney Fertilizer.

Also, Tracy Horton, daughter of Mr. and Mrs. Hollis Horton, Parmer County Pump Co.; Shelley Head,

daughter of Mr. and Mrs. Bill Head, sponsored by Friona Texas Federal Credit Union; Kimber Britting, daughter of Mr. and Mrs. Lee Britting, Friona Ford Sales, Inc.; and Julie Owen, daughter of Bob Owen, sponsored by the Friona Noon Lions.

Entry blanks and information forms are available at the Friona Chamber of Commerce office. A check for \$25.00 to the Chamber of Commerce must accompany the entry blank for the queen.

Entries Slow For L'il Miss

Response has been slow for the Little Miss Friona contest, which will be held during Maize Days week in Friona.

Any young lady, from five to seven years of age, may be entered in the contest by a business, organization, parent or grandparent. An entry fee of \$10 will be charged.

Entries in the Little Miss contest as of Friday morning included:

Kendra Gordon, daughter of Mr. and Mrs. Alec Gordon, sponsored by Hegel's Texaco; Sindy and Susy Preston, daughters of Mr. and Mrs. Butch Preston, sponsored by Parmer County Pump Co.

Deadline for the entries is September 6. Entry blanks are available at the Friona Chamber of Commerce office.

The Little Miss committee has lined up the Bluegrass Band from South Plains College, of which Randy Ellis is a member, to entertain during the program.

Anyone having a question concerning the Little Miss contest is urged to call Roxann Hurst at 247-3581.

School Tax Rate Adjustment Made

The Board of Trustees of the Friona Independent School District announced this week that the tax rate for the 1978-79 fiscal year will be 61.5 cents per \$100 assessed evaluation.

The board had previously projected staying with a 60-cent tax rate, but the last-minute adjustment was necessary.

Board president Floyd Reeve and Superintendent Tom Jarboe explained that a couple of factors entered into the rate change. One was the fact that the property adjuster, Bill McMorries, had overestimated the values of property in some instances.

Also, adjustments were made on some evaluations of farm property, where meter readings on irrigation wells revealed that less water was being pumped than the evaluator had estimated. This amounted to a considerable number of dollars coming off the valuation, Jarboe pointed out.

The school leaders said that at the new rate, a 100 per cent collection

would generate about \$916,000 in revenue. By comparison, a 100 per cent collection in 1977-78 at the former rate would have generated \$903,500 in revenue.

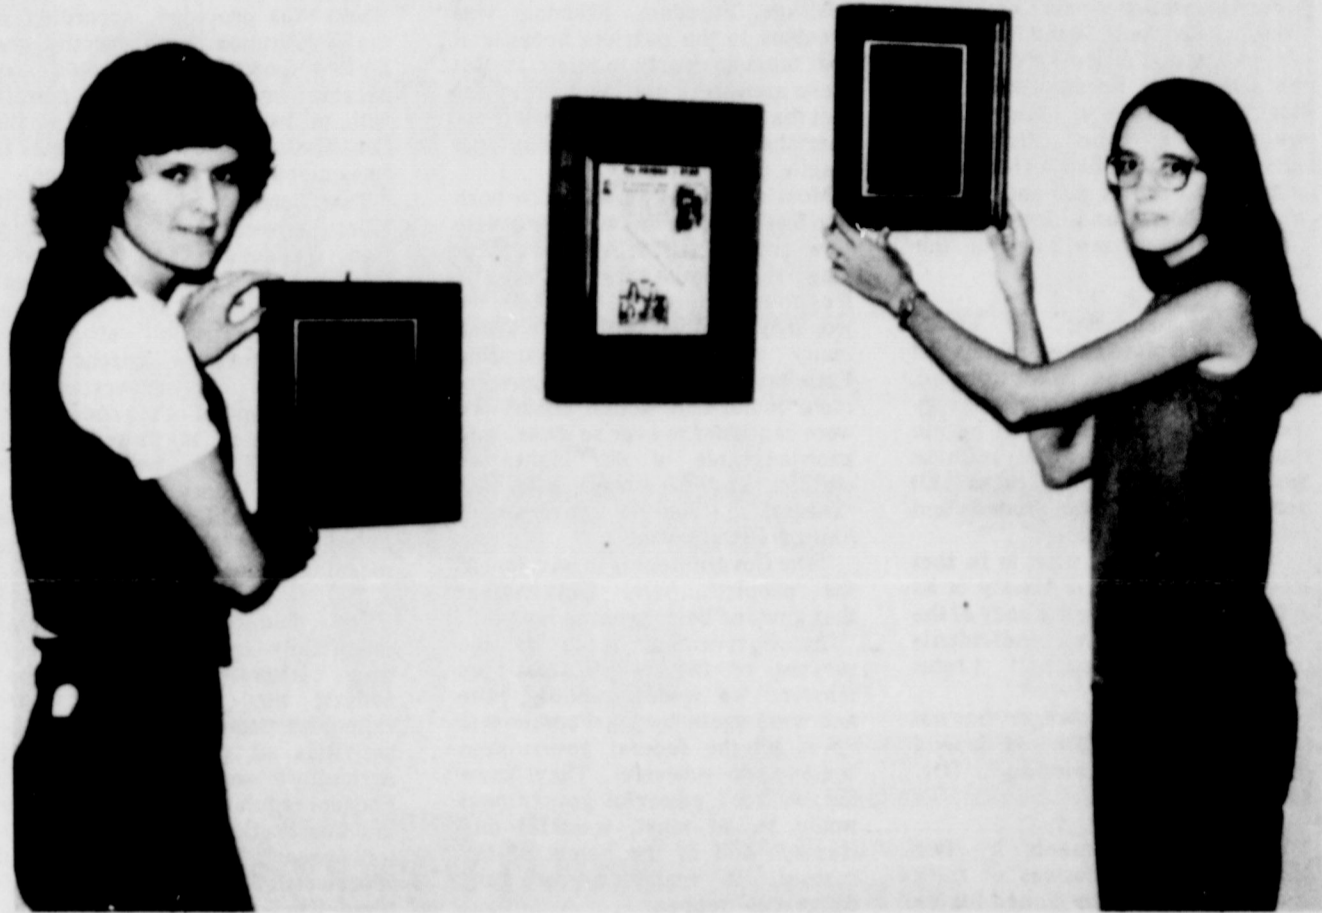

"The new evaluations are not actually generating much additional money, but will equalize the situation. In some cases, people's school taxes will be increased, but there are also some whose taxes will decrease," Jarboe said.

"In visiting with the area residents, we feel that the re-evaluation process went as smoothly as possible. Most people seemed to think that it was the proper thing to do, getting the taxes based on 100 per cent evaluation figures," Reeve stated.

The school budget for 1978-79 is up by about 3.7 per cent over the previous year. This is due to salary hikes and inflationary trends in supplies and equipment.

The school leaders pointed out that the school will receive enough added

(Continued on Page 6)

WINS HONORS....The Friona Star was the big winner in the annual West Texas Press Association contest, winning three of the six events in which newspapers are judged. Plaques won were for

advertising, column writing and "general excellence." Shown hanging the plaques are Star staff members Lisa Howell and Vickie Copley.

School Bells To Ring Out Monday

Registration was held Friday for Friona High School students, preparing for the 1978-79 school term, which begins on Monday, August 28.

Students from kindergarten through the eighth grade are to register on Monday, when buses will run at the regular time. The school day will once again be from 8:45 a.m. until 3:45 p.m.

A change from the original plans was announced this week, when the kindergarten program was enlarged to include all children who will be five years of age by September 1, on a full-day, full-year basis. (See separate story, this issue).

The 11th hour change in the kindergarten came about following a special school board meeting last Friday night. The addition was

brought about after school officials determined that the expansion of MBPXL had not brought in many additional new students for the system.

Breakfast Is Added

Friona's new breakfast program for the school system will go into effect Monday morning shortly after 8 a.m. A simplified breakfast will be served to Friona School students from around 8:10 till 8:45 a.m. in the School Cafeteria. Breakfast will consist of cereal, toast and jelly, milk or juice.

Cost for the breakfast will be 30 cents per day for grades kindergarten thru 8 and will be 35 cents per day for students in grades 9 thru 12. Grades 6 thru 12 will purchase breakfast tickets along with their lunch tickets if they so desire. Grades kindergarten thru 5 will deposit their money with the homeroom teacher.

Eating breakfast at school is not a requirement and the students may choose whether or not they wish to participate in the program. Kindergarten students will be assisted to the cafeteria by an aide but all other students will be considered "on their own."

Students who are eligible for reduced or free lunch will observe the same rates for the breakfast program.

Lunch prices will be 60 cents for grades kindergarten thru 4, 65 cents for grades 5 thru 8 and 75 cents for grades 9 thru 12.

Change Noted For K'Garten

Superintendent of Schools Tom Jarboe this week has announced a new plan for public school kindergarten which will enable all local five-year-olds to attend the full school year instead of only one-half year as they have done in the past.

All children who are five years of age on or before September 1, 1978 and are residents of the Friona school district are eligible for the full day-full year program.

The school system has been able to obtain two kindergarten teachers this year, due to a decrease in enrollment in the fourth and fifth grades. Miss Patty Nickels and Mrs. April Gober, both graduates of WTSU, will be the new kindergarten teachers. Teachers aides, Mrs. Hortencia Salas and Mrs. Irene Bermea, have been held over from last year. Miss Nickels is a native of Muleshoe and Mrs. Gober is from Bovina.

Jarboe stated that he wished to apologize to the parents for the lateness of this announcement, but said it was necessary to wait until pre-enrollment was over before the determination was made on the kindergarten issue.

Friona's previous arrangement for kindergarten was a split year with older five-year-olds going the first half year and younger five-year-olds going during the second half. Thus, parents who had been planning to send their youngsters to kindergarten in January may be rushed to get the necessary supplies together and get the proper immunizations for their children before school starts Monday morning.

Parents are asked to bring their children to the South door of the Grade School Building Monday morning at 8:45 a.m. The children will be let out at noon during the first week of school but will go until 3 p.m. thereafter.

Parents are asked to accompany

their children to the grade school on the first day of school. They will be given a registration card telling them which room the child should report to.

Those children who did not bring a birth certificate during the pre-registration day last spring should bring one, along with their immunization records, on the first day of school.

Kindergarten children will eat in the cafeteria at 11 a.m. each day. Parents should be prepared to pay for their child's lunch on the first day.

Information about the school's breakfast program will be given to parents on Monday when they enroll their children. The breakfast program will begin on Tuesday, August 29.

REGISTRATION TIME....Roger Coffey, a member of the senior class at Friona High School, is shown going through the registration process for the final time, being

assisted by high school principal Raymond Cook. High school students registered Friday, with the balance of the students to register on Monday, the first day of school.

LANE ADDED....The Department of Highways & Transportation crew and equipment are shown painting the stripe for the new left turn lanes, at the east and west approaches to

the MBPXL plant on Highway 60. The crew also repainted all lines on the highway through Friona. The work was accomplished on Wednesday.

Government: People's Servant, Not Master

By PAM THOMPSON

For the last few weeks I have been pointing the long, bony finger of accusation at the Rockefellers and the Council on Foreign Relations. But there are others, many others, involved. So that finger of accusation must make a U-turn and point right back at you and me, for we have been (and are) participants, however unwilling, in this drama.

++++

"Let us tenderly and kindly cherish therefore, the means of knowledge. Let us dare to read, think, speak and write. Let every order and decree among the people rouse their attention and animate their resolution. Let them all become attentive to the grounds and principles of government...."

"Let us presume, what is in fact true, that the spirit of liberty is as ardent as ever among the body of the nation, though a few individuals may be corrupted...." (John Adams).

"Our country is in danger, but not to be despaired of....On you depend the fortunes of America." (Dr. Joseph Warren)

++++

The above statements by two patriots were expressions of faith that the citizens of the United States

would remain ardent keepers of our heritage, Freedom. Freedom was precious to the patriots because it cost them so dearly to attain it. But these men were not ignorant of the fact that Freedom could be lost if not cherished and protected as the fragile gift that it is.

Most of us in America were born into freedom; we know nothing else. How could we ever conceive that there might come a time when this freedom would be placed in jeopardy? And yet, we were warned many times by the Founding Fathers that corruption in government could, and would, occur. We were cautioned to ever be aware and knowledgeable of our rights as citizens, and to always keep the "central" (federal) government limited in its power.

"The Government is to be a tool of the people...." "The Government that governs best, governs least".... "The Government is to be the servant of the people, not the master." We were cautioned time and time again by the Founders to never let the federal government become too powerful. They knew that a "too" powerful government would be, at least, wasteful and clumsy. And in the hands of the corrupt, it would be a very dangerous weapon.

The Government of the United States was provided, according to the constitution, with specific and limited powers, and could not assume or incur other powers without proper amendments to the Constitution. (These amendments to be decided upon by the citizens)

Two fields of power denied the federal government by the constitution, (according to Alexander Hamilton and Thomas Jefferson) were agriculture and education. "The administration of private justice between the citizens of the same state, the supervision of agriculture and of other concerns of a similar nature, all those things, in short, which are proper to be provided for by local legislation, can never be desirable cares of a general jurisdiction." (general jurisdiction meaning Federal Government)

Alexander Hamilton specifically mentioned because it was common knowledge that nothing would have been more ridiculous than any claim that the activities of people engaged in agriculture would be subject to Federal regulation or control, under the Constitution's wording. Hamilton asserts that any needed supervision would, and should, come from the state government, not the federal. Only an amendment to the Constitution could put agriculture under federal jurisdiction.

"....application to the great purposes of the public education, roads, rivers, canals, and such other projects of public improvement as it may be thought proper to add to the constitutional enumeration of federal powers....I suppose an amendment to the Constitution, by consent of the States, necessary, because the objects now recommended are not among those enumerated in the Constitution, and to which it permits the public moneys to be applied." (public moneys meaning taxes)

Thomas Jefferson In other words, the Constitution did not permit the use of tax money to be used by the Government to aid in public education. Only an amendment to the Constitution, by consent of the States, would permit the Federal Government to interfere

in education. There was a very good reason for this.

Hamilton stated it this way, "a power over a man's subsistence amounts to power over his will." Federal subsidies would eventually lead to Federal control of education.

These are two areas of activity which were excluded from the scope of the federal government's power under the constitution. And only through the expressed consent of the people, by amendments to the Constitution, could these be put under the control of the federal government. Of course, these fields have been put under control of the government, and not by amendments to the constitution.

And this is where we stand condemned as citizens. The above examples show how careless and unconcerned we citizens have been with our constitutional rights, and our state's rights. And how can we protect our rights when, as a majority, we are ignorant of them? Are we guaranteed continued freedom simply because we like being free, with no effort made on our part to remain free?

I believe there are forces in the federal government, especially in the State Department, who are working at cross purposes with the constitution of the United States. They are endeavoring to "rescind" our unalienable rights which were endowed to us by our Creator. And they will accomplish their purpose if we aid them as we have in the past; by remaining silent, ignorant, complacent and unconcerned. We can prevent this from happening by being vocal and protesting all legislation which infringes upon our rights as citizens. But most importantly, we must exercise our most precious right as American citizens, our right to vote.

"If a nation expects to be ignorant and free, in a state of civilization, it expects what never was and never will be." (Thomas Jefferson)

Friona Flashbacks

...from the files of The Friona Star

50 YEARS AGO—AUGUST 24, 1928

The Friona Garage, which has been under the management of Fred White for the past two or three months reverted to its former manager, Charlie Bainum, on Wednesday of this week.

Mr. and Mrs. C.R. Smith of Oklahoma City, arrived here this week for a few days visit in the home of Mr. and Mrs. W.H. Warren.

Mr. and Mrs. R.D. Cowles of Sentinel, Oklahoma, who have been visiting her father, Mr. Wells of this place left for home Wednesday. They were favorably impressed with the country and while here bought a half section of land north of town.

++++

30 YEARS AGO—AUGUST 20, 1948

In a beautiful home setting on Sunday afternoon, August 15, Mr. and Mrs. George W. Magness celebrated their golden wedding anniversary with open house to their many friends from 2 until 5:30 p.m.

Jack Moseley left on Thursday of last week for Albuquerque, New Mexico where he was accepted into the United States Navy.

Mr. and Mrs. Ed R. New left Friday of last week for Dallas, where they will visit for about ten days with their son, Ralph New and family.

++++

25 YEARS AGO—AUGUST 20, 1953

Mrs. J.M. McMeans left from Plainview Monday morning for Mississippi where she will visit her sister who formerly lived in Friona. Mr. McAdams is visiting with his son and daughter in Muleshoe.

J.L. (Bud) Dement, 49-year-old Railroad worker at Black, died about 7 o'clock Tuesday evening, result of a gunshot wound inflicted about 7:45 the morning of the same day.

Seven members of the Friona American Legion and Auxiliary went to Farwell Tuesday evening to attend the Legion Zone meeting and installation of officers.

++++

20 YEARS AGO—AUGUST 14, 1958

There was a great deal of confusion in the neighborhood of the Ranza Boggess farm southeast of town Sunday afternoon, at the time a group of neighbors of the Pendergrast family had gathered together to help search a corn field for Dennis, two-year-old son of the Pendergrasts, Mr. and Mrs. Ortho

Whitefield were surprised to run onto Dennis about four miles away. Army Pvt. Boyd W. Mears of Lubbock recently completed eight weeks of basic combat training under the Reserve Forces Act program at Fort Chaffee, Arkansas.

++++

10 YEARS AGO—AUGUST 15, 1968

Six Frionans attended the Intermediate GA's of First Baptist Church association GA Prayer Breakfast at High Plains Baptist Assembly Camp Grounds, Umbarger August 8 and 9.

A backyard supper in the W.D. Buske home Saturday evening was attended by college friends of their daughter, Lydia, who attends Texas Tech. They were Rebecca Shaw, Vickie Taylor, Linda Hill, Allen Underwood and Ronnie Youngblood, all of Lubbock; David Britton, Olton; Don Schroeder, Houston and Danny Taylor, Corpus Christi.

Sgt. and Mrs. Carl Jones and sons, Ronnie and Richard of Panama City, Florida, have been visiting in the home of Mr. and Mrs. Waymon Wilkins and children.

++++

5 YEARS AGO—AUGUST 12, 1973

A Monday night dinner in the home of Mr. and Mrs. Floyd Brookfield honored Mr. and Mrs. Washington Bowers and son Chris, and Harry Hammon, all of Logan, Ohio. Hammon is the father of Mrs. Bowers.

Attending a PCA-director and manager seminar in Amarillo Friday were A.W. Anthony, Jr. and Bill Carthel of Friona.

Mr. and Mrs. Bill Ellis became parents of a son, William Richard, Wednesday, August 8, at Parmer County Community Hospital.

**On The Farm
In Parmer
County**
by Seth Raiston

Stored grain should have air circulation to minimize molds, bacteria and insects—the things that cause grain quality to deteriorate during storage. Cooling the grain limits these factors, thus reducing deterioration.

Uniform cooling of the grain is necessary. Significant differences of temperature in a bin of grain can cause moisture migration and condensation which greatly increases the risk of grain quality loss. The colder the outside air temperature, the greater the need for aeration to stabilize temperatures in the storage bin.

Adequate aeration may be obtained with a continuous, aeration system. The airflow rate may be as low as 1-10 cubic foot per minute per bushel of bin capacity. Start aeration when the bin is being filled. This will remove any excess heat and moisture not removed in drying and cooling prior to storage. In the fall when mean daily temperatures show a steady decline of 10 to 15 degrees, aerate whenever the mean daily temperature is 10 degrees cooler than the grain temperature. Continue until the average grain temperature in the bin is about equal to the outside air temperature.

**Chics Take
Second Place**

The Friona Chics wound up their season in the Muleshoe Women's Softball league with a second place trophy and a record of nine wins and three losses.

In the tournament at the end of the season, the Chics won their first game against XIT by a score of 9-6. Raquel Guerra hit a home run, driving in two runners in the last inning to win the game. The Chics lost their second game against Sherley Anderson 21-16 and their third game against Haydon's 16-4 putting them third in the tournament.

LEGAL NOTICE

NOTICE
Pioneer Natural Gas Company, a division of Pioneer Corporation, hereby gives notice of its intent to implement new rates for residential and commercial type, small industrial and large gas conditioning and/or electric generating gas service customers in the rural environs of the 63 cities and towns on its West Texas Distribution System, effective upon the date and to the extent that such rates are finally approved for the said cities and towns. It is anticipated that the new rates will result in a 1.7% increase in Pioneer's gross revenues on its West Texas Distribution System. The increase in Pioneer's aggregate revenues will not constitute a "major change" as defined in Section 43(b) of Article 1446c, V.A.T.C.S.
A Statement of Intent to change said rates was filed with each of the cities and towns (listed below) on or about August 11, 1978, and is available for inspection at the Company's Amarillo office, 301 S. Taylor Street.

Star Is Winner In WTPA

The Friona Star was the biggest winner in the annual newspaper contest sponsored by the West Texas Press Association.

The Star won three first-place awards in the division for weekly newspapers, including the most coveted, the "General Excellence" award. The presentations were made at the annual convention of the WTPA last weekend in Kerrville.

In addition to the General Excellence plaque, the Star was awarded the first place award for advertising composition, and column writing, for the regular page one column, "Star Lites," written by publisher Bill Ellis.

The General Excellence competition takes into consideration the overall aspects of the newspaper, from layout, printing, advertising display, editorials, pictures, etc.

It was the fifth time the Star has won the top prize at the West Texas Press contests. It won similar honors in 1961, 1963, 1965 and 1968. The Star has also won General Excellence honors from the Texas Press Assn. (1970) and the Panhandle Press Assn. (1968).

It was the fourth time for the Star to win the first place plaque in the advertising composition contest. This contest takes into consideration the overall "looks" of all locally-made advertisements in the paper. The Star has previously taken this award in 1968, 1972 and 1975.

The first place plaque garnered by the Star Lites column was its third such award within a six-year period for the publisher. In 1973, the column won first place in the Panhandle Press Assn., and in 1974, it won the

weekly division of the Texas Press Association contests.

The awards brought the Star's total to 14 first place citations in regional or state contests in the past eight years. Earlier this year, features written by Star feature writer Jan Turner won a first place plaque in the Texas Press Assn.

The West Texas Press Association take in more than half of the state's area, with membership throughout the western portion of the state.

In the composition among daily newspapers, the neighboring Hereford Brand, published by O.G. (Speedy) Nieman, took General Excellence honors.

"We appreciate the support of our readers and advertisers, without which this could not be possible. Also, the dedicated work by every member of the Star staff goes into producing a product which compares favorably with our peers," Ellis stated.

CPR STUDENTS....Two members of a group taking the CPR life-saving course this week at Friona High School are shown

working on 'Andy, the dummy.' They are Joy Morton and Janet Hand. Instructor Linda Black is at right.

The first American fire engine, built in 1654, was a wheeled machine that spouted water from a cistern filled by bucket-passers.

It's ShowDown time.

Coach Disappointed After BR Scrimmage

Coach Lonnie Phillips said Friday he was somewhat disappointed in the first scrimmage session for the Friona Chieftains Thursday at Boys Ranch.

"We're going to have to re-group, and try to get things together. We were disappointed in our defensive play, and our rushing offense was

sporadic," Phillips said.

The Ranchers outscored Friona, two times to one in the controlled scrimmage, during which each team has the ball for a certain number of pre-determined plays.

However, a bright spot in the scrimmage was the passing offense,

where the team completed a number of passes, and gained a total of 155 yards passing.

"We were extremely pleased with our passing attack. Chris Barnett did most of the throwing. Mike Hutson also completed passes while he was in there," said Phillips.

Receivers included Leslie White, Hutson and Kevin Kothmann.

The Chieftains looked real good early in the scrimmage. Taking the ball first, the team drove methodically downfield, and scored a touchdown in only ten plays.

"I guess we just got complacent after that. Then, too, we have a number of young, inexperienced people on our front line. It will take awhile for them to mature," Phillips said.

Boys Ranch scored their first touchdown on a 60-yard run that they "popped" right up the middle. Their other score was the result of sweeps.

The team came out of the scrimmage in good shape physically, with the exception of Kevin Kothmann, who suffered a slash on his arm that required 16 stitches to close. He had made a pass reception, but was cut by the chin strap on his tackler's helmet in what Phillips called a freak accident.

Two of the team's injured players saw action—Chuck Nichols and Jay Taylor. However, junior David Fleming has decided not to risk his knee. "The knee just was not responding well from the off-season surgery. By laying out, this will insure the fact that David will be strong for his senior year," Phillips said.

Fleming's speed will be sorely missed in the backfield this fall, however.

Big Jeff Peak ran at fullback most of the game, and Phillips said he did a creditable job. "It looks like we'll move Jeff to the line on defense, rather than linebacker," he said.

Captains have been elected for the 1978 team. They are Chris Barnett and Kevin Kothmann.

The team's final scrimmage prior to opening the 1978 season will be here on Chieftain Field next Friday night, September 1, beginning at 8 p.m. The regular season begins September 8 at Tulia.

FRIONA CHICS....Pictured above are the members of the Friona Chics softball team. Members on the back row from left to right are Glendel Jones, Coach, Rachel Perez, Olivia Ortiz, Lisa Howell, Martha Castillo,

Pam Perez, Gloria Jones and Eddie Gauna, Coach. Front row, left to right, Norma Cruz, Lupe Castillo holding the third place trophy, Diamond Perez holding the second place trophy, Amanda Perez, bat

girl, Brian Jones, bat boy, and Rosa Garza. Not pictured are Susie Aldaco, Raquel Guerra, Francis Guerra, Angie Guerra and Marty Martinez, Coach. The team is playing in a local tournament which begins Saturday.

Schedule Given For Tennis Meet Finals

Ron Smiley announced the tentative schedule for the finals in the local tennis tournament which has been played this week, as follows:

Friday, 7:30 p.m.: women's doubles, second flight; Peggy Monroe-Margaret Parsons vs Kim Frye-Dana Smith; 7:30 p.m. Mixed Doubles, second flight: Kim Frye-Mitchell Smiley vs Betty & Mike Chaney.

Friday, 9 p.m.: Women's singles, first flight: Vickie Smiley vs Marca Lynn Herring; Friday, 9 p.m., Men's doubles, first flight, Paul Smith, Wesley Barnett vs Don Maynard-Mark Neill.

Saturday, 7:30 p.m., men's singles, second flight: Mike Maynard vs Stephen Miller; 7:30 p.m., Women's doubles, first flight, Marca Herring-Cindy Smiley vs Myra Veazey-Vickie Smiley.

Saturday, 9 p.m.: Mixed Doubles, first flight, Vickie Smiley-Gene Weatherly vs Cindy & James Weatherly; 9 p.m.: Men's singles, first flight, Don Maynard, vs winner of Smith-Barnett match.

Season F.B. Tabs Ready

Season tickets for the 1978 Friona Chieftain home games will go on sale Monday morning at Bi-Wize Drug, it was announced this week.

Ticket prices will be \$10.00 for five home games. Home schedule for the Chieftains will be as follows: September 15, Lockney; September 28, Farwell (homecoming); October 20, Muleshoe; October 27, Morton, and November 10, Olton.

The games with Muleshoe, Morton and Olton are District 3-AA games. Those fans who had season tickets in 1977 will be given first opportunity to renew their seats, if they wish.

Softball Tourney Set Here

A women's softball tournament is scheduled for this weekend in Friona. Games will be played on the new field at Reeve Lake. Eight teams will be entered including the Friona Chics. Three teams are coming from Hereford and one team from Muleshoe.

Games will start at 1 p.m. Saturday afternoon and continue throughout the afternoon with the last game to be played at 7 p.m. The games will pick up again at 1 p.m. Sunday afternoon and the tournament will be completed Sunday evening.

First, second and third place trophies will be presented. Proceeds will go to Friona Softball League. The public is urged to attend.

PCA Directors Meet

Directors of Plainview Production Credit Association join PCA officials throughout Texas August 25 in Lubbock for the Production Credit Associations' director conference.

Plainview PCA director participants include H.L. Porter, Jr., president, Petersburg; Billy W.

Carthel, vice president, and A.W. Anthony, Jr., both of Friona; Ray Robertson, Dimmitt; and Harley Wells, Plainview.

James A. Rogers, PCA general manager, said the conference emphasizes credit policy and management of the Production Credit System of Texas and will bring directors up-to-date on services provided by PCAs by the Federal Intermediate Credit Bank of Houston, source of most PCA loan funds.

Outlands' Brother Dies

Funeral services were held Thursday in Wewoka, Oklahoma, for R.L. Outland, brother of two Friona residents.

Outland passed away following a short illness. Services were held at Stout Chapel in Wewoka, and burial was at Wewoka.

Survivors include three brothers, A.L. (Jake) Outland and H.L. (Hank) Outland of Friona, and Lloyd Outland of Healdton, Oklahoma; a sister, Mrs. J.E. Wells of Atlanta, Texas.

School Tax...

(Continued from Page 1)

state revenue to keep the actual tax hike at a minimum.

"There is no question that the board of education is making every effort to hold the line on inflation. But while attempting to cut costs, we are careful not to sacrifice in the area of educating the children," Jarboe said.

WRECK SITE...The first wreck at the Main Street-Highway 80 intersection, since installation of the new stop light occurred Tuesday, involving three vehicles. Effie Hicks was turning left onto Main Street

when her car was struck by an eastbound truck driven by Charles Kelly of Gainesville, Florida. The collision caused the Hicks vehicle to hit the above van, driven by Carolyn Buchanan.

Road Work Is Slated In Parmer Co.

The State Department of Highways and Public Transportation announces that resurfacing work on U.S. Highway 60, N.E. of Friona, will begin Monday, August 21. This work will consist of leveling the old pavement and a two-course surface treatment. The section to be resurfaced is located approximately three miles N.E. of Friona, and the project length is approximately one mile.

Traffic will be routed through the construction area and some delay may be necessary when traveling through the area. The project should require approximately three weeks to complete. Anyone traveling through the work area should exercise caution since heavy equipment will be working on the surface.

Pioneer Sets Change For Rate Proposal

Pioneer Natural Gas Company today provided the cities on its West Texas Distribution System a supplement to the rate application made by the company on June 30.

In filing the original rate application by K.B. Watson, company president, had told the cities that a comprehensive study was being made of Pioneer's operations by H. Zinder and Associates, Inc., as well as company personnel. This study was to determine the amount of deficiency in the gas service revenues at Pioneer.

In his letter to the city officials, Watson said that study, as well as the company's related research, has now been completed and the company was submitting its formal Statement of Intent to Change Rates.

The proposed effective date of the rate increase is September 15, 1978, and will apply on a system-wide

basis to all domestic and commercial type; small industrial; and large gas air-conditioning and-or electric generating gas service customers served by Pioneer.

As Watson pointed out in the original application on June 30, Pioneer's last base rate increase was effective in 1970. He said that since that time, in spite of the increased cost of gas to the consumer, the company's rate of return has decreased substantially due to many factors. He went on to point out that the increase in the customers cost of gas over the past several years has come about by the "cost-of-gas adjustment," an adjustment that is designed to pass the increased cost of gas in the field directly through to the consumer. "Pioneer does not retain any of the increased cost of gas and, in fact, fails to recover much of the increase because of several cost items not recoverable in the cost-of-gas

adjustment," Watson said at that time.

The rate requested in Pioneer's Statement of Intent to Change Rates will result in an average increase for all classes of service of 26.36 per cent over the rates presently in effect. The increase to the average domestic customer on the Pioneer West Texas Distribution System will be about \$6.00 a month.

The rate requested is calculated to produce a gross revenue increase of \$19.8 million which is below the deficiency determined by the Zinder study.

In his letter of transmittal, which was addressed to mayors and members of the various city councils, Watson said, "The enclosed Statement of Intent is being filed simultaneously with all 63 cities and towns served by Pioneer on our West Texas Distribution System. As we advised you before, we stand ready to meet with you and representatives of all our cities to consider this application."

CITIZENS URGED, INSTRUCTED ON WRITING TO CONGRESSMEN

AN OPEN LETTER TO AREA CITIZENS:

By extending the ratification time of the ERA, the House of Representatives established a dangerous precedent in the amending process of our Nation's Constitution. From this day forth any group who wants an amendment passed cannot be denied an extension time if this is allowed to stand....

The Constitution does not limit time for ratification, however the U.S. Supreme Court has held that the time allowed for ratification must be reasonable. The Court's purpose is to assure that there be a contemporaneous consensus—that is, that all the ratifications occur close enough together to show a consensus of three-fourths of the states.

The seven-year time limitation has been included in every constitutional amendment for the past 50 years. For every amendment in our history; seven years has been adequate to determine the will of the people. No amendment has ever taken more than four years.

Former Senator Sam Ervin, who is considered to be one of the nation's experts in constitutional law, said in an interview in "U.S. News and World Report" and a written statement to all members of the House Judiciary Committee, "It's totally unconstitutional to extend the deadline. It is a perversion of the amendatory process as established by the Constitution." He cites Supreme Court decisions that support his reasoning. Professor Jules B. Gerard, another distinguished constitutional authority, says almost identically the same things regarding legality of the extension in his written statement to the House Judiciary Committee.

The idea of allowing states over

ten years to change their minds from "No" to "Yes"—but denying them the right to change from "Yes" to "No"—runs contrary to the American concept of fairness. Yet that is the double standard of the ERA proponents. Rep. Billy Lee Evans, a Democrat from Georgia told his colleagues: "As a member of the Georgia legislature, I favored ERA. I oppose extension because I believe in equal rights for ALL women. This includes the rights of those women who oppose ERA. I disagree with those women who were satisfied seven years ago with the limitation and who now come back on the verge of defeat and want seven more years. The time for that was then. I cannot face those women who opposed ERA and now have victory in sight at the end of a long battle, and say I'm moving that victory beyond your grasp. Yet that is precisely the 'heads I win, tails you lose' kind of scheme that the House of Representatives has endorsed."

The extension is being considered in the Senate Judiciary Committee at this time. Pam Turner, Senator Tower's legislative aide, said that it is imperative to write members of this committee and express our opinions on this vitally important issue. Also write own state Senators.

Here is what to ask these persons:

1. Vote NO on the ERA Time Extension Bill, because it is illegal.
2. Vote YES on an amendment to allow rescissions.
3. Require a 2-3 vote on any ERA Time Extension Bill. Article V. of the Constitution states: The Congress, whenever two thirds of both Houses shall deem it necessary, shall propose Amendments to this Constitution—The Time Extension passed the House by a simple

majority, which is in violation of our Constitution.

SENATE JUDICIARY COMMITTEE

Concerned Citizens of Bovina

Once you have decided to sit down and write to your representatives, how do you proceed?

First, keep in mind that letters discussing current, pending legislation will receive more attention than general observations. Next, avoid any kind of form letter suggested by any organization, however well-meaning. You will note Common Cause does not use this technique, instead always asking members to compose their own letters, in their own words. This is because we are constantly informed by Congressional staffs on the Hill that form letters rank very low on the totem pole in influencing Congressmen and Congresswomen.

Here are some tips on writing to your representatives:

1. Write on personal or business letterhead (if you have it), and sign your name over your signature if you have typed the letter.
2. Put your return address on the letter. Envelopes get thrown away.
3. Identify your subject clearly, giving the name of the legislation you are writing about, and the bill number if you know it.
4. State your reason for writing. Your own personal experience is the best supporting evidence. Tell how the issue would affect you, your family, community, or livelihood — or the effect you

believe it would have on your community or state, or on our country.

5. Be as brief as you can without losing the message you want to convey.
6. Use your own words, and avoid stereotyped phrases that sound like form letters.
7. Be reasonable. Don't ask for the impossible or engage in threats.
8. Ask your legislators to state their positions on the issue in their replies. You are entitled to know.
9. Time the arrival of your letter so it reaches the Capitol before legislation is acted upon in the committee or on the floor. (See the section, "When To Write Your Representatives.")
10. Be sure to thank your legislators if they have done something you think is right on a particular issue.

Letters to your representatives have maximum impact when they concern pending legislation. To know when key legislation is coming up, watch for "Action Alerts" in your copies of the Common Cause publication, *FrontLine*. Here, you will also find background facts and the most up-to-date information on legislation. If you require additional information and there is sufficient time, write to Common Cause's headquarters in Washington, D.C. Otherwise, telephone us collect (202/833-1200) and ask for the person handling your state in the Washington Connection. Or, if that person is not in, ask for the manager of the Washington Connection.

Where To Write Your Representatives

The proper forms for addressing your representatives are listed below. By clipping this out, you will always have them ready for quick use.

How To
...Write Your Senators
The Hon. John Tower
United States Senate
Washington, D.C. 20510
Dear Senator Tower

The Hon. Lloyd Bentsen

Town Talk

By June Floyd Phone 247-3681 With Your News Item

It is good to see activity picking up around the former location of XIT Auto Ranch. The property, which belongs to Troy and Gladys Young, has been leased by Adams Drilling Company and will be headquarters for their sprinkler operations.

Now, if we could get a new business started in the former location of Pioneer Cattle Order Buyers, we'd have that corner pretty well taken care of.

The garden on the back of the Young property adds a lot of green and good eating. Think the garden is co-owned by the Ron Smileys and C.H. Veazeys.

Otis and Annie Euler have been home long enough to get in on the garden growing, canning and freezing. Annie says, "I just can't see those vegetables go to waste, so I keep putting them up."

The Elders were in Lubbock Sunday for a reunion of the descendants of the late Mr. and Mrs. E.B. Goodwin of Roaring Springs. Six of the couple's eight living children were present with their spouses and other family members for a total of forty.

Annie's two sisters and their husbands visited in the Elder home during the weekend. They were Mr. and Mrs. Roy Lucas of Amarillo and Mr. and Mrs. Daily Bishop of New Braunfels, Texas.

Other members of the immediate family who attended were Mr. and Mrs. Curtis Goodwin, Afton, Texas; Mr. and Mrs. Maurice Goodwin of Lubbock and Mr. and Mrs. Vernon Goodwin of Ruidoso, New Mexico.

The two who were unable to attend the reunion, which was held in Lubbock's Mackenzie State Park, were Levi Goodwin of Paducah, Texas, and Robert Goodwin of Longview, Texas.

Other Parmer County residents attending were Mr. and Mrs. Preston Cargile and children, who live at Clay's Corner.

Mrs. Mabel Reece of Fresno, California, has been a guest in the home of her sister, Mrs. Roscoe Parr Sr. Mrs. Reece and Mrs. Parr attended a family reunion in Estes Park, Colorado, last weekend.

Seventy-five members of the family of the late Mr. and Mrs. J.A.

Wimberley attended the get together. Included in the attendance list were ten first cousins, who were more than 60 years old.

Mrs. Lucille Andrews of Carlsbad, New Mexico, who is a sister of Mabel and Laverna, were also present.

Eddie and Doris Tipton are moving to Elk City, Oklahoma. Doris has been teaching in the local school system several years and Eddie has been employed by Eugene Bandy.

A going away party for the Tiptons was held in the home of Ted and Glenda Procter Sunday evening.

Porter and Jean Roberts recently attended a Tugwell family reunion in Tyler, Texas. The Tugwells are Jean's relatives.

One of her four brothers, Harold, and his wife operate a restaurant in Tyler. Mrs. Tugwell is a native of Turkey and the name of their business is "The Doener Diner." Texans would spell the second word "Duner" and that is the correct pronunciation—just like sand dune with an r added.

Porter highly recommends the "Doener Kabob" and some kind of Turkish dessert he couldn't spell the name of.

Enroute home the couple visited Matt and Betty Brown in Wichita Falls.

Betty graduated from the Wichita Falls Independent School District School of Nursing Friday evening. The graduating ceremony was held in the Hirschi High School Auditorium.

The Browns two children, Steve of Houston, and Glo of Wichita Falls were present for the ceremony. They are former Friona residents.

The Glenn Floyds camped off to Ruidoso last week. In Roswell we picked up our daughter, Geneva Osborn, and her children, Joel and Heather.

Then on Friday we were joined by Geneva's husband, John. We had a fun weekend and thoroughly enjoyed the mountain scenery, tall pines, fresh air, rainfall and grandchildren.

We also met Opal Tugwell, a sister-in-law of Jean Roberts. She

and her husband had attended the reunion at Tyler. From her I learned that Porter and Jean are almost neighbors of ours now.

They bought Dale and Mary Bell Westbrook's house over on Virginia and moved over there sometime ago. Isn't it amusing what one can learn about Friona people by going off somewhere else?

In Roswell we also visited Mr. and Mrs. Ralph Goldwater—she's one of Glenn's sisters. Another sister and brother-in-law of his, Mr. and Mrs. Ernest Harvey of Jayton, Texas, spent Monday night with us.

Prairie Acres has lost one of its original employees. Roscoe Jr. and Shirley Parr and their two children, Trey, who is nine, and Piper, who is about six months, have moved to Killeen, Texas.

Roscoe will be teaching in the special education department of the public school system there and Shirley will be employed as a teacher's aide.

Alice and Watson Whaley have had visitors recently. Mr. and Mrs. Smith Pope of Amarillo visited in their home Sunday.

Other out-of-town visitors in the Whaley home have been Jo Carroll Wiley Rankin, who lives in Delaware; Mrs. Irene Wiley, Mrs. Jimmy Wiley and daughters, Vicky Harrison and Linda and Sherry Wiley and Mrs. Harrison's daughter, Patricia Diane, all of Shallowater.

Lt. Commander Jimmy Stokes, whose mother, Lucy Mae, lives here, has entered the final phase of work on a master's degree in hospital administration at St. Paul's University, which is located in downtown Chicago.

He holds a bachelor of science degree in intensive coronary care and has taught several courses in a hospital in Grafton, Connecticut.

Jimmy, who has been serving in the United States Navy for the past year, will complete work on his master's in March of 1979.

Recent visitors in the homes of Mr. and Mrs. Bill Stephens and their sons, Mike and Jerry, and their families have been Mr. and Mrs. Jessie Lee Sparks Jr. of Henager, Alabama.

Sparks is a former Friona resident and was employed at Moore's Piggly-Wiggly, when it was located on the north end of Main Street.

His wife, Sandra, had never been to Texas before and was impressed with all the wide open spaces without any trees or shrubs.

Grace and Otho Whitefield were two of the eighty persons who attended a reunion of early day Black Community residents in Amarillo recently.

Mrs. Nethala Crawford Phillips of Meridian, Idaho; Mr. and Mrs. H.E. Mitchell Jr. and children, Mike and Dena of Fort Worth; and Mrs. Mary Ford, Mr. and Mrs. Kenneth Carr and sons, all from Mineola, Texas, also attended the reunion then visited in the Whitefield home later.

Mrs. Phillips is a 1933 graduate of Friona High School and started to school at Black. She is the daughter of the late Jeff Crawford.

Mrs. Mitchell, the former Jo Nell Pittman, started to school at the Lakeview School and Mrs. Wana Brewer was her first teacher.

Mrs. Ford and Mr. and Mrs. Carr and sons also visited in the home of Bob Spohn, who lives on Summit Street. Mrs. Ford is Bob's sister and visited in the home of a sister, Mrs. Miller, in Clovis, too.

Cindy Cary of Olton had her sixth birthday August 8. In observance of it Guy and Lucille Latta took her and her sister, Patty, to Red River for the weekend.

The excitement of having a boat shaped cake, which Lucille made and decorated, and a watch, which was Guy's gift, was almost too much for her to comprehend.

When visiting with other vacationers in the area, Cindy proudly showed her gifts and explained the reason for the trip. She always began her explanation with "I just turned six, so we're taking this trip, etc."

Mr. and Mrs. Otis Neel and Kay returned home Thursday after a trip to Denver, where they visited all three of the Neel's sons. Even though the sons all live in the Denver area, none of them have the same mailing address.

The Dwayne Neels live in Conifer; the Gerald Neels live in Lakewood; and the Dale Neels live in Broomfield.

The highlight of the trip for Otis was that he got to attend the Denver Broncos-Dallas Cowboys game and that the Cowboys won.

Enroute home the trio visited with

Anita Taylor in Center, Colorado, briefly—J.B. was gone from home at the time—and spent some time sightseeing in the Taos area.

Kay left Thursday for Stinnett, where she will be teaching in the public school system.

Other Frionans who have been in the Denver area recently include Decimae Beene, Edith Johnson and Guy and Lucille Latta.

Decimae and Edith drove up with Kay (She's Edith's and Herschel's daughter) who had been visiting here several days, and spent a few days enjoying the sights and the cool nights.

Then one weekend, Guy and Lucille went up for a reunion of the children and grandchildren of the late John and Mary Bengner, long time residents of the Black Community.

When family members want to get together and can arrange it, who needs a reason for doing so? This time, though, the Bengners had several things to celebrate.

Dorothea and Harry Green of Canyon and Noel and Vera Bengner of San Jose, California, were having wedding anniversaries and it had been fifty years since the Bengner

family moved from Oklahoma to Texas, so Lucille picked up the moving for a party theme.

Virginia Moyer baked a cake in the form of the State of Texas. It was decorated with a loaded truck with a sign reading "Bengers—Texas Or Bust."

A white cloud hovered over the truck bearing the names John, Mary and Ira, the deceased members of the family.

Denver was chosen as the sight of the gathering as it was convenient for Noel and Vera to reach by air and Johnnie and Florene live in nearby North Glen.

Others attending included Mr. and Mrs. Hubert Green and children of Arvada, Colorado; Eddie Bengner of San Jose, California; and Mr. and Mrs. Richard Green of Amarillo. Hubert, Richard and Eddie are grandchildren of John and Mary.

Inez Wheeler is home. She began a three week vacation at the end of July and things happened at a rapid clip all the way through.

First she went to Chickasha, Oklahoma for a visit in the home of Mr. and Mrs. Roy Likes and

daughter, Linda. Mrs. Likes is Mrs. Wheeler's daughter.

Then the Likes family and Inez flew to Matawan, New Jersey, for the wedding of Randy C. Likes and Julie Heggie. Following the ceremony Randy and his bride flew to Red Cliff, Kentucky, where he is in Officer's Training School.

Mr. and Mrs. Likes and Linda and Inez stayed in the Washington, D.C. area several days and did some sightseeing in Pennsylvania, New Jersey, Delaware, Maryland, New York and Virginia before returning to the Sooner State.

Soon after their arrival home, Linda was married to Reza Ahmedi, so Inez attended the wedding of a grandson and a granddaughter within one week.

Linda is a registered nurse and her husband attends Oklahoma University at Norman.

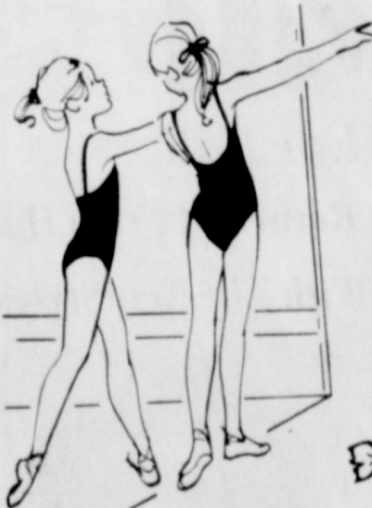

A man received a computerized bill from a department store for \$300.00. He ignored it until he got a second bill together with a stern demand for the \$300.00. Then he wrote a check for \$300.00; mailed it and heard no more from the incident.

Mr. and Mrs. John Allen, Sr.

Allen Family Holds Reunion

The Allen Family held a family reunion August 6 in the home of John Allen, Sr. Seventy-seven relatives were present.

John and Gertrude Allen also celebrated their 64th Wedding Anniversary August 5.

Attending the reunion were Ralph and Neva Fall, Lillian Parson, Helen, William and Tina Gwyn, Carolyn Parson, Anthony Parson, Sarah and Vernon Petty, Jimmy, Lanore, Sherri, Kory and Mandy Rose, Calvin, Louise, Jana and Tommy Leonard.

Also, Jessie Jackson, Lorene, Dona, John and Cindy Hill, Jimmy, Lola, Danny, Aubry and Patricia Parson, John and Elsie Allen, W.A.

Allen, Joe, Martha, Barry, Curtis, Deborah and Danny Allen, Billie and Teresa Pelton, Beverly and Steven Magie.

Also, John, Alice, Tracy and Tiffany Creed, Sandra, Larry, John Campbell, Martin, Laticia, Tina and Eric Holmes, Frances Drake, George, Dennis, Billie and Pamela Drake, Kenneth and Viola Holton, Roy, Clifford and Jackie Drake, Nina Stevenson, Mark Osborn, Charlene and Rhonda Holmes.

Also, Johnny, Donna and Matt Allen, Elda and Catherine Petty, Cary, Cathy, Shawn, Stacy and Sharla Jackson, Kenneth and Janis Drake, Jim, Carrol and Jennifer Neill and Mrs. C.A. Carter.

Lazbuddie YHers Begin Club Year

The Lazbuddie Young Homemakers met in the home of Mrs. Jim Collum, Thursday afternoon to plan and compile the 1978-79 year's work program and projects.

Mrs. Jim Collum, president, presided over the meeting. Mrs. Clay Mimms, secretary-treasurer, read the minutes of the previous meeting and gave an up-to-date financial report. Mrs. Lloyd Bradshaw, vice president, presented the planned programs for the new year to the members.

Some programs for the coming year are: making organdy tulips and straw art, holiday foods and ideas of Southwestern Public Service Co., wood fiber flowers, tips on canvas painting, Art Loft tour, hair styling tips, crafts and hobbies and a spring style show. The public is cordially invited to attend these programs.

Mrs. Jimmy Dale Seaton, socials chairman, reported that her committee had agreed to have the Family Christmas Party again in December.

Mrs. Jim Collum, projects chairman, presented the proposed projects for 1978-79 to club members to vote on. Those working projects discussed and voted on are: recognition of Lazbuddie's Special Senior Citizens and a spring social to be held in their honor, special bake sale for Cystic Fibrosis, helping with F.H.A. style show, providing ribbons for the elementary spring track meet, and secret pals.

Money-making projects voted on are: pecan sales and a booth at the Halloween school carnival. Mrs. Collum, brought to the members' attention that Texas Young Homemakers Week will be September 17-23. It was decided to have a membership tea during that week. It was also brought to mind about the Area I Convention to be held in Amarillo, September 9, 1978 and the State Convention to be held in Waco, January 26-27, 1979.

It was noted that Mrs. Dixie Barnes, one of the Young Homemakers' Special Senior Citizens, had given a donation to the club.

The first meeting will be held September 7 in the Lazbuddie High School Homemaking Department. Installation of 1978-79 officers will be carried out. Those officers are: Mrs. Clay Mimms, president; Mrs. Lloyd Bradshaw, vice president; Mrs. Roy Don Rector, secretary-treasurer; Mrs. Jim Collum, reporter; and Mrs. Conrad Renner, historian.

Members and their children were served refreshments of brownies, Rice-Krispie Treats, coconut pound

cake and Cokes. Those attending were: Mrs. Clay Mimms, Mrs. Roy Don Rector, Mrs. Loy Dale Clark, Cody and Terri Clark, Mrs. Jimmy Dale Seaton and David, Mrs. Kirby Birch, Jessica and Keith, Mrs. Skip Magby and Dawnda, Mrs. Lloyd Bradshaw, Casey and Lori, Mrs. Harrol Redwine, Susan and Russell, Mrs. Jim Collum, Tracy, Cristy and Britton.

Orders are now being taken for pecans sold by the Lazbuddie Young Homemakers. These will arrive approximately the first week of September. You may contact: Mrs. Harrol Redwine at 965-2247; Mrs. Clay Mimms at 965-2979; Mrs. Jim Collum at 965-2367, or Mrs. Roy Don Rector out of Friona at 265-3614, or any Young Homemaker member.

Mrs. Gary Stone

Sheri Noah, Gary Stone Exchange Wedding Vows

Sheri Noah became the bride of Gary D. Stone at 10 p.m. Sunday, August 6. They are both former Friona residents.

The bride is the daughter of Mr. and Mrs. Merv Noah of Friona. The bridegroom's parents are Mr. and Mrs. Travis Stone of Black.

The ceremony was performed by C.H. Murphy, pastor of the First Baptist Church, Friona, in his home.

Robbin Rector of Friona served as the matron of honor.

Gary Rector of Friona was the best man.

The bride was attired in a white chiffon gown. The gown featured an empire waistline, lace bodice, and chiffon capelet. The dress formed a chapel length train in the back. She wore a hat with white roses and English ivy.

She carried a bouquet of four white roses and English ivy.

Her only jewelry was a jade necklace belonging to her mother.

A surprise reception was held in the Noah home.

Susi Noah, sister of the bride,

served cake. Punch was served by Robbin Broyles.

The table was covered with a white lace cloth. A double ring angel food cake was decorated with

strawberries.

Following a wedding trip to Amarillo and Palo Duro Canyon, the couple made their home at 4507 B Brownfield, Lubbock.

Art Show To Be Held During Maize Days

All area artists are urged to get their entries ready for the annual Art Show to be held during Maize Days.

Two new divisions will be added to the show this year—needlecraft and china painting. The needlecraft division will include knitting, crochet, needlepoint and crewel embroidery. All exhibits will be judged by judges qualified in their particular field.

The regular divisions of the show will be oils, acrylics, watercolors,

ink, charcoal-mini paintings. There will be a junior division, for those under 13—an amateur division and our professional artists will have a division also.

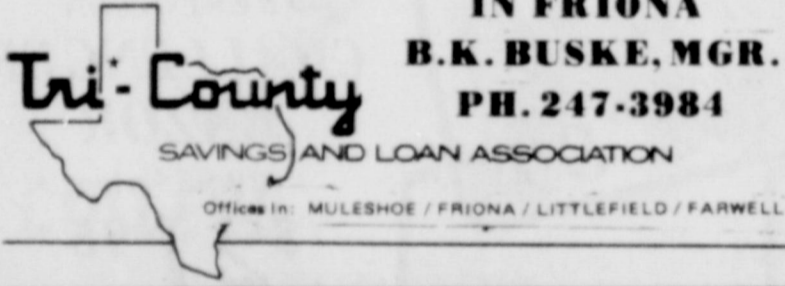

If there is an interest in tote painting, a group may be added. These paintings will be judged as beginning and advanced.

The time for checking in painting, hours for the show and location will be announced later. For more information call Dianne Tatum, 265-3858.

FRIONA, TEXAS

Candlelight Ceremony Unites Friona Couple

Nuptials were spoken Thursday evening in Summerfield Baptist Church by Miss Vickie Dawn Christie and David Gene Darnell, both of Friona, during a candlelight ceremony. Officiating was the Rev. Raymond Wiley, pastor of the Baptist Church at Stratford.

The bride is the daughter of Mr. and Mrs. Dale Christie, Friona, and the bridegroom is the son of Mr. and Mrs. Dean Darnell of Amarillo.

An archway entwined with yellow and white daisies formed the altar setting, which was illuminated by two matching brass candle trees. A unity candle was lighted by the bride and groom after they pronounced their vows.

Miss Beverly Edwards was the bride's maid of honor. Also attending her was Miss Kim Foster. J.R. Minshew acted as the bridegroom's best man while Steve Darnell, brother of the groom, was a groomsman.

Brothers of the betrothed couple, Corey Christie and Ricky Darnell, ushered guests to their seats.

The bride's sister, Becky Christie, and her cousin, Kelly Christie, were the flower girl and ring bearer, respectively.

Lighting the candles in the church sanctuary were the bride's brother, Robbie Christie and Charlie Kerr.

Linda Murphree of Friona was the soloist, singing "Wedding Song" and "We've Only Just Begun." Jerry Bea Schultz of Canyon, organist, accompanied her.

Presented in marriage by her father, the bride wore a formal wedding dress of free-flowing white chiffon over taffeta, designed with a full princess skirt and fitted bodice, appliqued with alencon lace and seed pearls. Covering her shoulders were sheer, double-tiered angel sleeves of chiffon. The v-neckline, edged in lace, fastened at back with tiny, self-covered buttons. Her skirt swept into a chapel train.

A bouffant, fingertip veil of bridal illusion cascaded from a coil of lace

and seed pearls. Matching alencon lace edged the veil.

She carried a bridal cascade of white daisies, yellow roses and baby's breath. She wore her grandmother's wedding ring for good luck.

The feminine attendants wore yellow and white dotted Swiss

dresses, fashioned with bouffant sleeves, princess waistlines and deep, ruffled flounce. Wide lace trimmed their dresses as well as their matching summer hats. Each of the bridesmaids carried a nosegay of yellow and white daisies with sprigs of baby's breath.

A reception in the Fellowship Hall

of the church followed the ceremony.

Guests were registered by Miss Varla Welch of Friona.

Refreshments were served by Miss Kristi Springer of Hereford, Mrs. Gary Self of Friona and Mrs. Curtis Smith of Hereford.

The multi-tiered wedding cake was trimmed in yellow and was supported above the flowing fountain by Roman-style pillars. A summer bouquet conveying the bride's chosen colors of yellow and white, dressed the serving table. Silver appointments completed the table setting.

For a wedding trip to Red River, N.M., the bride wore a three-piece vested pantsuit of plaid fabric with a rust-colored blouse. The couple will make their home in Friona.

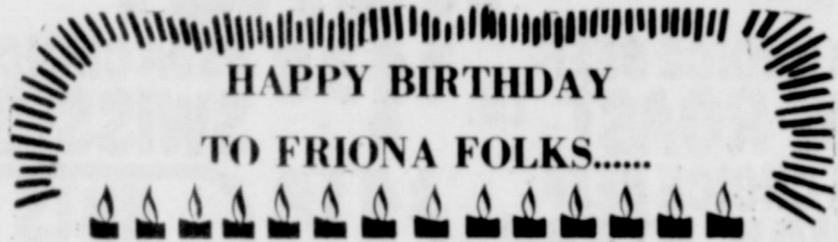

The bride graduated earlier this year from Hereford High School, where she was active in the band for four years.

The bridegroom is a 1973 graduate of Friona High School.

Out-of-town guests attending the wedding were Mr. and Mrs. Roy Mathis and Gladys Christie, all of Lubbock; Dora Carpenter and Beverly Edwards, both of Tahoka; Mr. and Mrs. Nathan Gregory of Kempner; Max McCutchen of Amarillo; Maggie Darnell of Tucumcari, N.M.; and Mr. and Mrs. C.W. Slone of Wilson.

Mrs. David Darnell

WEEK OF AUGUST 26-31
Friona residents having birthdays next week are:

- Robert Garza, Jr., August 26
- Terry Lynn Widner, August 26
- John Scot Schlenker, August 26
- Beth Cranfill, August 26
- Gary Looper, August 26
- Martha Mae Pruitt, August 26

- Pat Wilson, August 27
- Robert Schueler, Jr., August 27
- Eugene Zinser, August 27
- Phyllis Landrum, August 27
- Holly Hudson, August 27
- Shea Dodson, August 28
- Coleman Moseley, August 28
- Donalita Harkey, August 29
- Timothy Maurer, August 29
- Shawn Hartwell, August 29
- Judy Rhodes, August 30
- Gavin Ellis, August 30
- Betty Jarboe, August 31
- Kris Hamilton, August 31

Son Born To Olton Couple

Mr. and Mrs. Jerry LaFrance became parents of a baby boy August 9. He weighed 5 lbs. 7 1/2 ounces and was named Jodie Layne.

The couple has one daughter, Jeri Lynn, who is almost four.

Mr. and Mrs. Glen C. Stevick, Friona, are the maternal grandparents and Mrs. Dorothy LaFrance of Olton is the paternal grandmother.

Jeri Lynn spent a few days visiting her Friona grandparents and Mrs. Stevick spent a few days in the LaFrance home.

Mrs. LaFrance is the former Janet Stevick.

PATIENTS IN HOSPITAL—

Raymundo Rodriguez, Hazel Kendrick, Jimmy Putman, Emma Jones, Bryan Elliott, Linda Dopp, Micaela Dominguez and Refugio Gamez.

Around The House

By LAURA JACOBS

School is just around the corner. And the shopping for school clothes is in full swing. Clothing that offer comfort in this day of energy conservation is an essential.

Efforts to conserve present supplies of oil and gas products and to control utility costs may mean less comfortable temperatures in schools, homes and other buildings. Instead of reaching for the thermostat to adjust temperatures when we feel uncomfortable, we can learn that, with time, our bodies will become acclimated to reasonable temperatures.

Comfort level differs with each individual. Some may

be comfortable at 72 degrees and others at 80 degrees. Obviously, comfort is a relative factor affected by one's age, sex, metabolism rate, activity level, food intake, amount of body surface, and one's psychological comfort level. These factors present problems when several people with different comfort levels attempt to live in the same environment. Humidity and wind velocity levels also effect comfort.

The layers of today's fashions offer versatility in dressing for comfort. The easy-care, easy-wear fabrics and fashions offer reduced laundering costs. Shop today for comfort. Then dress in comfortable fashions this fall.

The plot thickens

Green Pastures Savings Accounts

To enjoy a true-adventure story, with money cropping up all over, open a Green Pastures Savings Account. You'll find that our tale gets more interesting, page after passbook page, when you save regularly. As the amount of money on deposit increases so does the money it earns. Your money grows money. And as long as you're involved with our account, we guarantee the way things will turn out. What a wonderful predicament for you to be in!

TERRY WOODY and LARRY HOLLAND...Mrs. Ruth Woody of Friona and Mr. and Mrs. Marvin Holland of Clovis announce the engagement and approaching marriage of their children, Terry and Larry. Her father was the late Bill Woody. The couple will exchange wedding vows October 21 in the United Pentecostal Church of Friona. Terry is a graduate of Friona High School and attended West Texas State University. Larry is a graduate of Clovis High School and attended Texas Tech University.

Emergency Farm Loans Are Available

A new Economic Emergency loan service for farmers and ranchers who have financial problems caused by credit shortage or cost-price squeeze is now in effect through the U.S. Farmers Home Administration (FmHA). Billy R. Boling, the agency's County Supervisor for Parmer County, reports that FmHA is prepared to take applications at the FmHA Parmer County Office located at 207 Avenue D, Farwell, Texas. Economic emergency loans are authorized under the Agricultural Credit Act of 1978 signed by President Carter Aug. 4. They offer special help to farmers who are hard-pressed by recent shortage of credit from their regular lenders, or by debts accumulated during the recent period of low farm prices.

Boling said the Economic Emergency loan program was enacted by Congress, with Administration support, in recognition of the fact that "economic conditions, as well as weather, are often beyond farmers' control." FmHA emergency credit has previously been confined to loans for recovery from natural disaster, or the guarantee of private lenders' loans to livestock producers affected by economic conditions. Under the new Economic Emergency program, any established farm operator—individual, partnership, corporation or cooperative—experiencing scarce credit or an overload of debt coming due, may apply for up to \$400,000 of credit through FmHA in order to survive in farming and continue their normal level of operation. Economic Emergency loans will not be made to expand a farm operation.

Loans made directly by FmHA will be at an interest rate equivalent to the cost of money secured by the government through sale of its securities to the public, plus an administrative add-on of up to one per cent. The rate initially will be 8 1/2 per

cent. Guaranteed loans will be made at rates negotiated between borrower and lender, with FmHA providing the lender up to a 90 per cent guarantee against loss. Loans for operating purposes will be made for terms of up to 7 years, with loan consolidations and rescheduling for another 7 years permitted, and 20-year payment authorized under special conditions. Real estate loans may be made for up to 40 years. Loans for annually-recurring expenses will be repayable annually. Boling said initial inquiries about Economic Emergency loans can be made either through a commercial agricultural lender or

the county FmHA office servicing the county where the farm is located. The Act calls for decision by FmHA on individual applications within 30 days.

While introducing the new Economic Emergency farm loan, FmHA will continue all pre-existing services. They include various programs of non-emergency real estate and production loans to family-size farms, terms of which will soon be broadened under the recent Credit Act; emergency loans to farms damaged by natural disaster, and loans or grants for housing, community facilities and business and industry in rural areas.

Group Circulates Clean Air Petition

Lubbock G.A.S.P. (Group Against Smoker's Pollution) is circulating a petition to our Texas Legislators asking for a clean indoor air act in Texas. Minnesota and Alaska have had this law for some time. Reports have been received on how great it is NOT to be assaulted by tobacco smoke in public places in these states.

The voters of California, 800,000 strong, have reached their state's requirement for 312,404 valid signatures from registered voters to place an indoor clean air referendum on the state ballot this year. Several other states are making progress to protect the nonsmoker. Secretary of Health, Education and Welfare Joseph A. Califano is encouraging each state to pass strong laws to protect the nonsmoker in public places, which includes common public work areas. Texas' present law is one of the weakest in the Nation. Many nonsmokers have large medical bills due to

breathing the polluted air that smokers leave in public places. If you do not wish to breathe this "second-hand" smoke any longer and you do want a clean indoor air act for our state, please contact us at 1961 Texas Avenue, Lubbock, Texas 79405.

Bond Sales Are Given

July sales of Series E and H United States Savings Bonds in Parmer County were reported recently by County Bond Chairman Charles E. Allen. Sales for the seventh-month period totaled \$55,311 for 55 per cent of the 1978 sales goal of \$100,000. Texas sales during the month amounted to \$24,238, 097, while sales for the first seven months of 1978 total \$181,170,687 with 59 per cent of the yearly sales goal of \$306.6 million achieved.
