Santa Fe To Close Local Freight Depot

THE STATE OF TEXAS has a proud heritage, but it is not the glories, but the goof-ups, which are featured in the current issue of "Texas Monthly" magazine.

The magazine article points out that while Texas is known for its success, that its failures are also king-sized. Would we remember the Alamo if the Texans had won the battle? Probably not, according to the article.

The explorer Coronado's expedition in 1540, seeking the legendary Seven Cities of Cibola was one of the early failures cited, when Coronado's search only turned up a small group of Zuni Indian villages.

The author, Anne Dings, also calls the state song, "Texas, Our Texas," a failure due to its unquestionable dullness. One of the reasons cited was that following a statewide contest in 1924 to write an official anthem, the winner was an Englishman. (Does she mean Englishmen are dull?) Scheduled to be performed for the first time at a state event, the band refused, and played the governor's campaign song instead.

The state's constitutional convention of 1974 was cited for its contribution to the list of failures. After a committee worked eight months drafting a new constitution, legislators spent another seven months and \$5 million, and then lacked three votes approving the new document.

In 1860, the Texas Legislature came up with a bright idea: why not use the North Fork of the Red River as the state boundary instead of the South Fork, since that would mean that Texas would get more land? So they did the paperwork, called the new land Greer County, sent settlers and cattle and everything was going nicely. The federal courts didn't get around to challenging Texas' claim until 1895. When it did, Texas lost, and the disputed area became a part of Oklahoma.

One of the most ridiculous federal goofs dealing with the state happened in 1855, when Congress appropriated \$30,000 to import camels into Texas, supposedly to use them as military pack animals.

A year later, 34 camels landed in the state and were taken to San Antonio. The Civil War caused the military to drop its interest in the animal, and they eventually died out, although some were around as late as 1891.

Also cited by the magazine was the effort in 1965 by Hereford businessmen to market Bravo cigarettes. Despite the lettuce cigarettes lacking tar and nicotine, Bravos never took off, and the venture was dropped. (We recall having a nice tour of the Bravo factory, where we were given a free pack of Bravos. Think we still have the cigarette pack someplace--still undisturbed.)

Another of the state's famous "busts" quoted was the venture by cereal king C.W. Post, to establish a "model city," which resulted in the present-day town of Post. However, Post had trouble luring settlers, partly due to his stringent rules (no liquor, for one) and partly due to the lack of rain in West Texas.

Also mentioned in the article was the Astrodome promoters attempt to grow grass, which had to be shuttled when the glare from the plastic windows made fly balls uncatchable. The windows were painted, the grass died--and presto: astroturf was invented.

A number of other famous (and not so famous) failures are aired in the magazine article. You'll have to pick up a copy and read the others for yourself. Some are funny, some ridiculous. They they are all entertaining.

"Hello, Dolly" Set

Friena Thespians will present "Hello, Dolly" Monday and Tuesday, Oct. 26-27 at the high school auditorium. Tickets will be available at the door. Adult tickets are \$2.00 and student's are \$1.00.

Santa Fe Railroad announced Wednesday that it plans to do away with its freight stations and agents at Friona, Bovina and Hereford in this district, and at seven other Panhandle area cities, in its new regional marketing concept.

Announcement of the plans were made at a noon meeting at Hereford, to which the railroad had invited all of its customers from Hereford to Bovina.

Bob Perry, Amarillo, Santa Fe's assistant general manager, told the group, "It won't be as different as the way you have been operating in the past."

Perry also promised better and expanded service under the new system, which will offer boxcar locating service through a computerized system. Customers ordering boxcars will do so by means of a toll-free number, which they can call seven days a week, 24 hours a day, it was noted.

The new system will be implemented "in a minimum of six months, to a year," Perry said.

The Santa Fe official pointed out that the regional marketing system has been in operation successfully for some time in the California area, and also in Kansas for about the past year. "We went through the harvest season this year in Kansas without a single complaint," Perry stated.

Way bills for railroad customers also will be handled differently. "We plan to personally visit each of our customers in the area in the immediate future, and explain our new system, and answer questions," Perry said.

The plan contemplates absorbing the agencies at Friona, Bovina, Hereford, Pampa, Canadian, Kings Mill, Panhandle, Dumas, Etter, Stratford and Kerrick and consolidating their work at the regional office. At the same time, Santa Fe officials announced plans to maintain regional yard offices at Hereford, Pampa, Dumas and Canadian. The regional yard offices will be staffed with personnel to support and assist the regional freight

office in train operations and customer services.

Santa Fe officials held meetings October 20 and 21 at Pampa, Dumas and Hereford to explain the new operation to shippers and city officials from the affected communities.

Santa Fe said that it was planned to keep all of the local agents within the system, although they will be relocated at the time their local freight office is closed. Friona's agent is Stuart Townsend, who has been at the local office only a short time.

Representatives of grain elevators and feedlots in the county attended Wednesday's announcement meeting, hosted by Santa Fe at a Hereford restaurant.

"These small agencies have a limited staff and we are open but eight hours a day," B.K. Perry, assistant general manager, Amarillo said at the meetings. "They are often unable to provide quick response to requests about rates, car supply or car location. By having direct access to our computer, the new regional freight office will be able to respond to such questions much more quickly. The Amarillo freight office will be open an expanded number of hours each day, giving our customers easier access by dialing a toll-free number."

"It is understandable there may be initial concern in a community when it first learns the local agent will no longer be physically located there," Perry said. "However, we believe we are going to serve them better and more efficiently under the new system. Technology available to us today makes this a logical, inevitable improvement."

Ex-Frionan Keck Makes Big Arrest

Former Friona-based DPS officer Royce Keck was one of the arresting officers late last Saturday when a routine traffic violation stop resulted in an arrest involving one of the FBI's most wanted men.

Amarillo authorities said that Marion Albert Pruett, 32, of Gastonia, N.C., was wanted in Jackson, Miss., for a robbery in which a female hostage was taken. He also was wanted for questioning regarding murders and robberies in seven other states.

Troopers Keck and Gary Davis stopped a car about a mile north of Stratford on U.S. 287, on a speeding violation. When the driver would produce no driver's license, the DPS officers radioed for a computer check, which revealed that Pruett was wanted for various offenses.

Officers found a .38 caliber revolver in the front of the vehicle. A hitchhiker was also in the front seat, and his presence may have prevented Pruett from gaining access to the weapon.

Pruett is named in a capital murder warrant issued last week after a 30-year-old female clerk was found shot to death hours after she was abducted October 12 from a convenience store at Fort Smith, Arkansas.

Keck said that while the suspect was attempting to find a title to the vehicle, he observed suspicious objects in the glove compartment, including a shoulder holster, which put the officers on guard, and led to the further investigation.

Road Closed

Highway 214 south has been closed to through traffic this week, due to roadwork south of the railroad. A representative of Cooper and Woodruff, Amarillo, pointed out this week that vandals have been moving barricades and taking warning lights used with the project.

Such acts are a felony crime, but the main concern is safety of the drivers, says Harold Strohbeck of the construction firm.

EXPLAINS CHANGES....Bob Perry, left, Santa Fe Railway official, visits with some of the railroad's customers from Parmer County, at Wednesday's meeting in Hereford. They are Percy Wilson, Jim Johnston and Clarence Martin.

First Class Postage Will Go To 20 Cents

The cost of mailing a first-class letter will rise to 20-cents beginning Sunday, November 1 when new postage rates go into effect, Postmaster Richard Wilson reminded customers today.

The 20-cent first-class rate and increases for other classes of mail, approved last month by the governors of the Postal Service, takes effect at 12:01 a.m. local time on November 1.

"However," Postmaster Wilson said, "customers should not wait until next month to make their stamp purchases. Now is the time to buy to avoid unnecessary lines once the new rates become effective."

A new "C" stamp is on sale at the main Post Office. The stamp bears the letter "C" instead of a denomination and has a postage value of 20 cents, the new rate for one ounce of first-class domestic mail.

The brown and white stamp features an eagle with the legend "US Postage" beneath it. The letter "C" appears beside the eagle.

Also included in the design are the words "Domestic Mail" to remind mailers of its intended use.

"The 'C' stamp cannot be used on international mail," Postmaster Wilson cautioned. "Mail destined for foreign countries and bearing 'C' stamps will be returned to senders."

The "C" stamp is available in sheets, coils and booklets. Embossed stamped envelopes, bearing a "C" in lieu of the 20-cent denomination, also are on sale. A non-denominational postal card, also available, sells for 13 cents, the new postal card rate.

The rate for the second ounce of first class mail will remain at 17 cents, the postmaster said.

"Any remaining supply of 18-cent stamps that mailers have on hand may, of course, be used," Postmaster Wilson said, "as long as they are combined with one or two-cent stamps to meet the new first-class rate."

An ample supply of these lesser-value stamps are on hand, Postmaster Wilson said.

"There should be no shortage of stamps and no long lines at our offices if customers begin making their purchases now," he added.

Area Gets Lt. Freeze

The Friona area received a light freeze Friday morning, when the mercury dipped to a low of 31 degrees for a short time.

Agricultural observers said the frost or light freeze might be just what the crops were needing, especially cotton, where growers had been in a quandry recently about whether or not to defoliate their crop. Hopefully, the low temperatures of this week will do the job for them.

Date	Hi-Low
Saturday, October 17	72-43
Sunday, October 18	65-35
Monday, October 19	66-38
Tuesday, October 20	66-39
Wednesday, October 21	78-43
Thursday, October 22	50-36
Friday, October 23	49-31
Moisture: none.	

Absentee Vote Starts

Absentee voting is underway at the county clerk's office in Farwell for the amendment election November 4.

Included on the ballot is the water amendment (Number 4), which would set aside one-half of the state's surplus money for the state's water needs.

Deadline for voting absentee is Friday, October 30. Office hours are 8:30 a.m.-5 p.m.

Williams Takes Win In Football Event

Longtime contestant Wright Williams scored a win in the seventh week of the Friona Star's football contest. Williams' score of 17 not only earned him the weekly prize of \$10.00, but also elevated him into a three-way tie for first place in the overall contest.

Williams had trouble only with the college games, where he missed four of the seven games. But he had an excellent start, getting all seven high school games right, and missed only one of the eight professional games.

His misses were in picking Texas A&M over Baylor; Texas over Arkansas (where he had a lot of company); Texas Tech over Rice (ditto); Kentucky over L.S.U., and Pittsburgh over Cincinnati.

Williams said he thought it was the first time he had won first place in the contest, which he has entered for years.

Also picking 17 games, but being

edged for first place on the tie-breaker score was Brent Gatlin. Williams won the weekly prize by missing the Dallas-Los Angeles score by 15 points (17-20), while young Gatlin missed the score by 19 points, picking the Rams to win, 34-27.

Gatlin had missed only one game going into the pros (Texas over Arkansas), but missed exactly half of the professional slate: Pittsburgh-Cincy; Oilers-Patriots; Raiders-Buccaneers and Broncos-Chiefs.

Winning third place in the weekly contest was Debbie Gregory, with a score of 16. Debbie took the \$4.00 third prize by missing the Cowboy-Ram score by just two points.

Also picking 16 games correctly but missing out on the weekly prize money were Reta Martin, Wayne Amstutz of Hereford, Martha Clements, Tommy Brockman, Marie Fleming of Dimmitt and John Seright of Lubbock.

The previous week's point leader, Ron Cain, had his worst score of the season (11), and fell into a tie for second place, two points off the pace.

Williams, Jack Clark and Mark Neill all have scores of 108. Next come Cain, Mrs. Fleming, Jim Hand and Erika Pope at 106. Amstutz, Jerry Hinkle and Kenneth McLellan are a notch back at 105, followed by Jim Pope at 104.

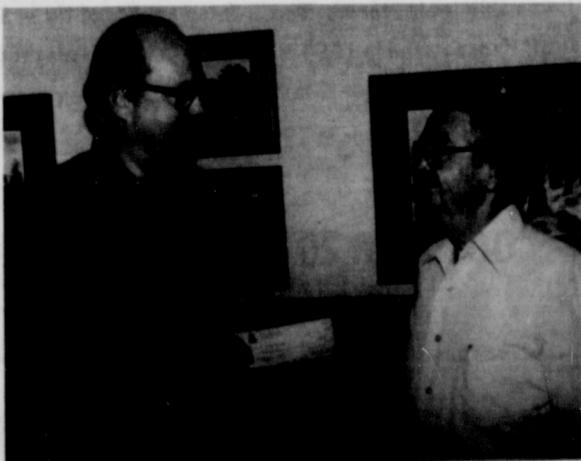

A total of 31 contestants have scores of 100 or over, after the seventh week of the contest. Another 45 have scores between 92 and 99. With a possible 132 points yet to be earned in the contest, there is still a long way to go, and any one of these contestants could win the contest's grand prize.

CST Back On Sunday

Have you been tired and sleepy lately...morning seems to come 'way too soon?

Then here's good news. Go to bed at the regular time Saturday night, but set your clock back an hour. That will give you an extra hour of the rest you've been needing.

Besides, it's time to do away with Daylight Savings Time for another six months. Central Standard Time returns Sunday morning. Don't forget to "fall back an hour."

WEEKLY WINNER....Wright Williams, right, receives his prize check from Hollis Horton, one of the sponsors in the annual Friona Star football contest. Williams outguessed the field to capture first place and also a tie for the contest lead.

PLAY SLATED....The Friona Thespian Troupe will present "Hello, Dolly" on Monday and Tuesday, October 26-27 at 7:30 p.m. each night. Part of the cast is shown in this staged photo: from the left are Stanley Ellis, Cindy Drake, Amber Smith (in the role of "Dolly"), Joe Reeve and Sandy Spring. On the couch is Heather Fortenberry, who appears to be a little "out of it."

FRIONA FLASHBACKS

...from the files of The Friona Star

50 YEARS AGO--OCT. 16, 1931
Friona now has two attorneys since the locating of Attorney A.D. Smith, formerly of Fort Sumner, New Mexico. Mr. Smith arrived in Friona on Thursday of last week and has established his office in the room of the J.W. Parr building adjoining the Friona Garage building on the east side of Main Street.

45 YEARS AGO--OCT. 9, 1936
The first bale of cotton for this season to be ginned at the local gin, was brought in Monday afternoon, by R.E. Barnette, of the Black community. This bale weighed 470 pounds which was ginned out of 1710 pounds of seed cotton. The bale was purchased by the Friona Gin at a price of 12 cents per pound, which was a bounty or premium of one cent per pound, or a total of \$5.00.

40 YEARS AGO--OCT. 10, 1941
Dr. R.J. McReynolds, local physician and surgeon, now has under construction, a building which when completed, will give Friona and vicinity a clinic or sanatorium equal in quality of equipment to anything of that kind in the plains country. Construction is under the direction of George E. Taylor, local contractor, who is assisted by J.H. Lea, C.L. Rury and Harding will do the stucco work. The building, which is located

next door north of Dr. McReynold's residence, will contain eight rooms and a corridor through the middle, leading back to the doctor's present office rooms.

35 YEARS AGO--OCT. 11, 1946
The Friona Woman's Club met in the basement of the Congregational Church Wednesday afternoon to celebrate its 37th birthday. Mrs. Pearl Kinsley and Mrs. J.P. Slack were hostesses to twenty-three members. Mrs. F.N. Welch took the members by picture, to the "Beauty Spots" of America. Mrs. Carl C. Maurer took the members on an imaginary trip to several interesting places in America.

30 YEARS AGO--OCT. 4, 1951
Friona's new public school addition should be ready for occupancy by November 15, according to contractor G. Williams, who attributed the delay in completing construction to the difficulty in obtaining many necessary materials.

Elevator men, amazed at the influx of harvested grain so early in the season, pointed out this week that more grain had been brought into Friona elevators by October 1, of this year, than at this early date on any other year they could remember. Now the big question seems to be when will harvest hit its peak or will harvest just

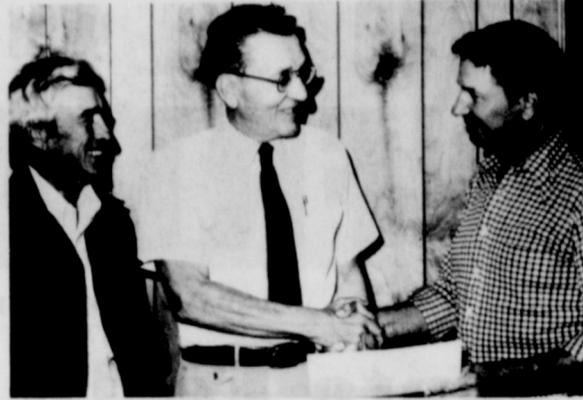

drag itself out over a long period of weeks without hitting a rush season? Representatives of seven elevators in the county together estimated that approximately 22 million pounds of grain sorghum had already been received in the Black, Friona and Bovina area.

25 YEARS AGO--SEPT. 27, 1956
Friona celebrated her 50th birthday last weekend, and had plenty of help doing it. From every standpoint, the anniversary event was a success, reports Wright Williams, president of the Friona Chamber of Commerce, which sponsored the promotion. The only thing which didn't go exactly to suit the celebration boosters was the weather, and in West Texas, as they agree, it's hard to ever find any justice in complaining about that.

20 YEARS AGO--OCT. 5, 1961
The Friona City Council read five applications for the city manager position Monday and interviewed two applicants Tuesday in successive meetings. No final decision was made as to who will be selected for the office soon to be vacated by Albert Field. Council members chose to delay final action for a few days pending a possible reply from an advertisement in a professional publication.

15 YEARS AGO--SEPT. 29, 1966
Ben J. Ladnicky, landscape architect with the Texas Highway Department, will be the principal speaker at the regular meeting of Modern Study Club next Tuesday. Ladnicky's appearance is in connection with the club's "beautification" program, which it has decided to concentrate particularly on roadways in the area, and roadside parks in particular.

5 YEARS AGO--OCT. 10, 1976
An earlier than usual freeze hit the Friona area on Friday morning, climaxing a week of cold, disagreeable weather. The front left .12 inch of moisture, which was received in the early morning hours Thursday. The official low temperature recorded by the City of Friona Friday morning was 27 degrees.

25-YEAR AWARD....David Grimsley, center, Chairman of the County ASCS Committee, is pictured above presenting

Prentice Mills, right, with a "Certificate of Service" for having completed 25 years as the director of the county farm program office. Also shown is board member, J.W. Gammon of Lazbuddie.

Services Held For E.E. Miles

Funeral services for E.E. Miles, 72, of Friona were held Wednesday, October 21 at 2:30 p.m. in Calvary Baptist Church of Friona with Billy Craven of Amarillo and Jimmy Craven of Clovis, New Mexico officiating.

Burial was in the Friona Cemetery under the direction of Parsons-Ellis Funeral Home.

Born May 11, 1909 in Branson, Missouri, he married Johnnie Brewer May 28, 1935 in Mena, Arkansas. They moved to Friona in 1964 from Portales, New Mexico. He was a retired farmer and had been employed by Bonds Oil Company in Bovina for a number of years. Miles died Sunday, October 18, at High Plains Baptist Hospital in Amarillo.

Survivors include his wife, Johnnie of the home; two sons, Jerry Miles of Henryetta, Oklahoma and Mike Miles of Plano; two sisters, Mrs. Arvilla Brewer and Mrs. Elveda Reynolds, both of Clovis, New Mexico; and two granddaughters.

Pallbearers were Clyde Blalock, Elton Venable, Robert Read, Tom Bonds, Mingo Meza and Larry Webb.

Mills Completes 25 Years With County ASCS

David Grimsley, chairman of the County ASCS Committee, presented Prentice Mills with a "Certificate of Service" for having completed 25 years as the director of the county farm program office.

Mills started his career with the Agricultural Stabilization and Conservation Service (ASCS) in January of 1956 in Briscoe County, spent a short time in service in Hale County. He came to Parmer County in July of 1956 and was named as the director of the local office in August of 1956. He has served in that capacity since that time.

In addition to his duties as ASCS County Director, Mills is a charter member of the local Rotary Club, was on the first Board of Directors of the Farwell Hospital District and was a member of the Farwell Youth Commission upon its organization.

Mills says "it has been a real pleasant experience having had the privilege to serve the finest people in the world--farmers and citizens of Parmer County."

ON THE RESPONSIBILITY OF AUTHORITY AND POWER

Take not lightly the sacred trust
Of decisions that affect the lives of others
It is not personal glory or blind command
But leadership to strengthen the bonds of man.
That calls you to that lofty post.
Leaders who know well the paths of life
Can bridge the gaps of despair and strife
And ease the journey man must tread
By wisdom in judgment and in mercy led.
The summing up of life's defeat
And victories if you will
May best be completed by those you meet
By those souls who will see you still
On the other side of this mortal life
Knowing if you led as God led you
With His infinite wisdom to see you through.

treasure, people, ships and dreams

The Gulf Of Mexico is a veritable graveyard of ships caught in violent, unpredictable storms. The ill-fated voyage of three Spanish ships which sank off Padre Island in 1554 is revealed in this display four centuries later. This is a true story of those ships, their cargo and their crew, thanks to modern excavation methods in 1972.

Parmer County Law Report

SHERIFF'S REPORT

In charges logged in the Parmer County Sheriff's Office the past week the following persons were convicted of the following charges:

Raul Valasquez, 18, Santa Cruz, N.M., charged with possession of marijuana, under two ounces, plead guilty and was fined \$150 plus court costs.

Louis Spears, 23, Friona, charged with burglary with the intent to commit aggravated assault, awaiting grand jury, is being held in lieu of \$10,000 bond in Parmer County jail.

Jose Estrella, 24, Friona, convicted of DWI charges, and was fined \$150 plus court costs.

In reports to the Sheriff's Office, R.E. Blankenship of Farwell reported that a farm house was broken into on October 13. Family members said there were no contents of the home missing.

Ray Tharp of Texico, N.M. reported that a farm home three miles north of Farwell was broken into, also October 13, and there were no contents missing.

Andres Garza, Jr. of Bovina reported that he had his car vandalized on October 5, as the brake line on the car was allegedly cut.

Mrs. Roy Lovelady of Farwell reported that she had two CB antennas stolen from her vehicle as it was parked at the Farwell football game on October 9. The theft is still being investigated.

Melvin Boggs of Farwell reported that sometime between October 11-13 a quarterhouse on his property was shot in the left shoulder.

Max Steinbock of Lazbuddie reported that sometime in the past three or four weeks he had four mag wheels and tires stolen from his barn for a total value of \$500.

The 1975 Ford pickup belonging to Robert Zetsche of Friona which was reported stolen on October 11 was recovered in Bovina on October 17 by Deputy Jerry Atchley. The vehicle was in good condition and the deputy drove the vehicle back to the owner.

DPS REPORT

Two accidents were reported by DPS troopers for the past week. Trooper Craig Hunt gave us this report.

On October 16, at Third Street and

US 84 in Farwell, Lura Glenn Rundell and Terry M. Cole were involved in a vehicle-motorcycle accident at 5:21 p.m.

The vehicle, a 1978 Lincoln Continental pulled from a stopped intersection and did not see the motorcycle coming and struck the cycle. The drivers of neither vehicle sustained injuries.

Citations of failure to yield right-of-way from a stop intersection and DWLS, no motorcycle endorsement, and operating an unregistered motorcycle were issued at the scene by Trooper Hunt.

Lopez also reported an accident involving Lyle Irving Godfrey of Clovis, who allegedly fell asleep while westbound on US 84 and hit a telephone pole, rolled his car, with the vehicle coming to stop overturned on the highway.

A traffic accident involving a truck loaded with sugar beets occurred on Tuesday morning, but details were unavailable at press time.

PASS TO STEVE...Steve Talkington, member of the Parmer County Peace Officers' team, is shown catching a pass in front of his Deaf Smith County rival. Talkington caught the touchdown pass for the locals in the 6-6 game.

Exhibition Flag Football Game Ends In 6-6 Tie

The Parmer County Law Enforcement Officers and their counterparts from Deaf Smith County, played to a 6-6 tie in their exhibition flag football game here

Tuesday night at Chieftain Field. The game was a benefit for Boys Ranch and Girlstown, USA, with proceeds divided between these two institutions.

The Deaf Smith County team scored first, with Matthews, a DPS officer, going over for the score with 4:58 left in the third quarter. The kick try failed.

Parmer County threatened in the same quarter, driving to their opponents' 17, but could not punch the ball across.

The local team got on the scoreboard late in the game, following a pass interception by Jody Watts of the Bovina P.D. On a big fourth down play from the Hereford 15, quarterback Craig Hunt passed to Steve Talkington in the end zone for the tying touchdown.

Parmer County also tried a kick, which failed, and the final score was 6-6.

Lindel Davis, member of the

Friona P.D., made some nice catches for the Parmer County team. Mark Ancira, also of the Friona P.D., made some nice runs. Art Lopez made some good plays.

On defense, Glenn Reeve, Jr., Friona P.D., was the top pass rusher. Deputy Bob Davis intercepted a pass at the end of the game to thwart Hereford's attempt to take the lead.

Other players included (Friona Police Dept.) Fred Florez, Roger Fields, John Taylor, Steve Jones, Jim Taylor, Donny Campbell, Mark Asher, Randy Burkhart, Keith Winkler, Mark Ancira; (Bovina Police Dept.) Jody Watts, Robert Olvera and Charlotte Detten.

Coverage Set

A videotape of the exhibition football game will be played on Friona Cablevision, Channel 6, at 10 a.m. Saturday, October 24.

Classes To Begin Here

Adult basic education classes will be held beginning Monday, October 26 at 7 p.m. at the Friona High School Cafeteria.

There will be no charge for the classes, which will provide background for taking the G.E.D.

high school equivalent test.

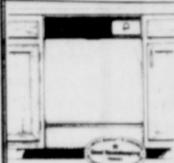

A second section will be held, teaching English as a second language.

For questions on the classes, those interested may contact Superintendent Tom Jarboe.

Roofing of all types. Fence building. All work guaranteed. 17 years experience. Call 364-6578 or 364-8095. 28-tfnc

Soil Study Maps To Be Available By Spring 1982

Your best source of information about next spring's pre-plant soil moisture conditions may be obtained from a cooperative soil moisture monitoring study already in progress on the High Plains. Soil Conservation Service and High Plains Water District staff are now preparing over 140 soil moisture sampling sites for the 1981-82 monitoring program. They hope the study will provide data for accurate pre-plant soil moisture maps on the High Plains.

The SCS has used a statistically sound random sample developed by Dr. Bob Davis, with the Agriculture Economics Department at Texas Tech University, to locate sites for up to 300 neutron probe access tubes on farms over the 15 county area. Site selection is based on the complexity of local soils and variations in saturated thickness of the Ogallala Formation.

Duval Burton/Acting, District Conservationist for Parmer County, is currently contacting landowners and operators asking for their cooperation and permission to drill the probe holes and place the tubes. A minimum of disturbance to cropland is necessary to install these two-inch diameter, thin wall aluminum tubes which will be set to a depth of seven feet below the land surface. Crews will use a soil auger mounted on a small two-wheel trailer to prepare the sites. Readings of the soil moisture profiles will be taken with a hand carried instrument in late January and early February.

Burton says, "this study will give us an accurate picture of our soil moisture reserves over the entire area. This information will help farmers make more accurate pre-plant irrigation decisions to avoid both over and under irrigation this spring, and give an indication of potential dryland production."

Over-application of water above that needed to fill the soil to field capacity costs the irrigator about \$2.00 per acre inch, in fuel cost alone. Each "extra" inch can cost a farmer over \$320 on a 160 acre field. Under-irrigating, on the other hand, can cost producers millions of dollars in reduced yields.

For the dryland producer, the soil moisture monitoring program can provide data to help him select crop varieties most

suitable for his existing soil moisture conditions.

The survey will also have a tremendous irrigation water saving potential, especially in years when the soil moisture deficit is small, such as is expected for this season if current weather patterns continue.

The High Plain's first soil moisture monitoring program was developed and maintained for many years under the guidance of Oliver Newton, who worked for the National Weather Service at Lubbock. Technical guidance was provided by Texas Agriculture Experiment Station at Lubbock with funding support from the Plains Cotton Growers Association.

With Oliver Newton's recent retirement and the closing of the local Weather Service offices, a new sponsor was needed to continue the program. The High Plains Water District accepted prime responsibility for the program, and developed a cooperative agreement with the SCS to expand the program. The Texas Agriculture Experiment Station will continue to provide technical assistance as needed.

Grid Fans Invited To Stew Fete

Friona football fans have been invited to attend the annual Rotary Club Stew Supper, prior to the Friona-Littlefield game at Littlefield next Friday, at the junior high cafeteria.

Serving will be from 5 p.m. to 7:30 p.m., and tickets are \$3.50 for adults and \$2.50 for children under 12. The club will serve the famous "Hopkins County Stew," which is rich with chicken and other ingredients, cornbread, crackers, drink and dessert, consisting of homemade pies and cakes. "All you can eat" is the offer extended.

Ingredients in Hopkins County Stew include chicken, potatoes, tomatoes, corn, onions, English peas, carrots, cayenne pepper and Mexene and chili powder. "It's not thin and watery, but a thick stew with lots of chicken," says Dr. Bill Armistead, a spokesman for the Rotary Club.

Tickets will be available at the door.

Her phone is ringing. Unfortunately it's ringing in the kitchen.

If she had an extension phone in the bedroom, she not only wouldn't have to get out of bed, she wouldn't even have to open her eyes.

Extension phones are a convenience you deserve and they're not expensive. Just a few dollars per month and think of all the legwork they'll save you.

General Telephone offers extensions in a wide range of styles and colors. And each and every phone is backed by all our years of

COOPERATIVE MONTH: OCTOBER 1981

**Cooperatives-
Focus On
The Future.**

Discover Cooperatives

During October Cooperative Month

Power by, for and of the people—control by majority.

It works for businesses as well as government.

Some 40,000 cooperatives across the U.S.—with more than 50 million members—are democracy in action . . . people making use of a 2000-year-old concept to operate enterprises for their common benefit.

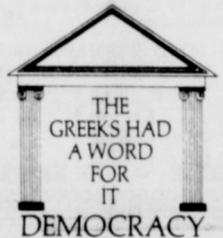

Efficiently and economically cooperatives meet a staggering variety of needs—legal aid, health care, electric and telephone service, credit unions, marketing and purchasing farm products and supplies, insurance, food, housing, furniture, nursery schools, funeral societies, TV and auto repair shops, and more.

Little cooperatives and big cooperatives, in cities, small towns, rural communities and places in between, all prove daily that democracy is more than a beautiful Greek work; it's a system that WORKS.

**COOPERATIVE MONTH:
OCTOBER 1981**

**COOPERATIVES
ARE PEOPLE!**

All kinds of people belong to cooperatives. More than 23 million American families are members of one kind of co-op or another. They have joined together to provide themselves with all kinds of goods and services.

Through cooperatives, people market farm products and buy farm supplies, fuel oils, gasoline, and even groceries.

Other cooperatives provide their members with credit, health care, electricity and telephone service. Still others provide housing, insurance and other services.

Whatever the human need, people can fill it themselves through cooperatives.

**OCTOBER
IS CO-OP MONTH!**

TIE-BREAKER (Pick Score) VIKES BRONCOS
 NAME ADDRESS

Jackson Sets Pace; Chieftains Win 36-14

Three second-half touchdowns by runningback Nelson Jackson broke open what had been a close game for the better part of three quarters, and gave the Friona Chieftains a 36-14 win over the Dimmitt Bobcats in the District 2-AAA opener for both teams.

Jackson had his best game in yards gained rushing, with 190, including scoring dashes of 51 and 39 yards, and in addition, had a 15-yard run with a pass interception late in the game.

For his performance, the Chieftain runningback was named class AAA player of the week for the second time this season by the Amarillo Daily News.

But the Bobcats, sporting only a 1-5 season record and having scored only four touchdowns for the season prior to Friday's encounter, came to play. Until Jackson's second run with 55 seconds left in the third quarter, the 'Cats were trailing Friona by only two points, 16-14.

In fact, the visitors grabbed a pass interception (by Brad Holcomb) early in the first quarter, and took an early 6-0 lead when quarterback Richard Guzman rolled into the end zone from 14 yards out with only 3:47 gone in the opening period.

Friona responded, driving 65 yards in 13 plays following the kickoff. The running backs—Jackson, Robert Osborn and Richard Malouf—all made good gains during the drive. Osborn got the touchdown on a vital third down run from the Dimmitt two.

The conversion attempt, as had Dimmitt's, failed, to leave the score tied, 6-all at the 1:57 mark of the opening period.

Early in the second quarter Friona was facing a punt situation from their own 27. However, a high snap from center went over punter George Richardson's head, and he was tackled in his own end zone by Dimmitt for a safety.

This play gave the Bobcats an 8-6 lead.

Mark Montoya's ensuing kick got the team out of danger, and Dimmitt fumbled on its first play from scrimmage, Friona recovering at the Bobcat 26.

The team picked up a first down to the 12, but then were able to gain only five yards in three tries. Montoya came on to kick a 24-yard field goal (spotted at Friona's 14), and Friona had taken its first lead at 9-8 with 8:06 left in the half.

The unusual 9-8 score turned out to be the halftime score. Friona had edged Dimmitt, 3-2 during the second quarter.

Friona's offense came to life in the second half. Pilo Castillo returned the second half kickoff to the Chieftain 44. Jackson took over from there, ripping off five yards on the first play from scrimmage.

On the second play, he took a pitchout from quarterback Mark Tucker, headed to the left sideline, did a "tightrope" run for several steps, then cut back against the grain for the touchdown. The 51-yard run gave Friona a 16-8 lead. Only 53

seconds were gone in the third quarter.

Dimmitt got a good return on the kickoff to near midfield, then drove to the Friona 38. Defender Rocky Nichols caught the Bobcat quarterback on a blitz for a ten-yard loss, though, and Friona took over minutes later on their own 35.

But a faulty pitchout on first down handed the ball right back to Dimmitt. The 'Cats rode the passing of Guzman, who completed two third-down passes, the second being a nine-yard scoring strike to Jeff Watts to trim the margin to 16-14.

For some reason, the Bobcats went for the kick on the PAT, instead of a two-point play which might have tied the score. But the kick was wide and

the score remained 16-14 with 6:02 left in the third stanza.

Friona got the ball back at their own 44 late in the quarter. Osborn gained to the 45, and Jackson romped 14 yards to the Dimmitt 39.

Jackson then took a handoff and skirted tight end. The Chieftain blockers held the Bobcats, allowing Nelson to turn the corner. From there, it was a footrace, and Jackson usually wins these one-on-one encounters. He did this time, too.

Montoya's PAT kick increased Friona's margin to nine points, 23-14, with 55 seconds left in the quarter.

Dimmitt was forced to take to the air, but in the fourth quarter, the Chieftains caught more Bobcat passes

than the DHS receivers did.

Mike Neill picked off a Bobcat pass at the Dimmitt 40, and raced into the end zone untouched for a Friona score. The PAT kick was blocked, but Friona's lead was pushed to 29-14. This was on the third play of the final quarter.

Just four plays earlier, Rocky Nichols had swiped a Guzman pass on the opposite end of the field, and made a good broken field run for an apparent touchdown. However, a clipping penalty against the Chieftains erased the score, and Friona fumbled two plays later.

Jackson ripped off another 36-yard run in the fourth quarter, but another flag for clipping backed the Chieftains up, and foiled the scoring threat.

Carl Jackson intercepted a Dimmitt pass at their 40 and ran it back to the 34. But Friona's backup offense couldn't advance the ball.

Later in the period, Nelson Jackson stepped in front of a Guzman pass at about the Dimmitt 15, and picked his way into the end zone for his third touchdown of the game. Montoya came on to make the final margin 36-14.

It was another great defensive effort by the Chieftains, who held Dimmitt to a net of 128 yards. Friona ranks fifth in the entire region among class AAA teams for yards allowed, with an average of only 162.4 yards

per game.

The team ranks behind only Littlefield, Post, Tahoka, and Tulia in this category, and ranks ahead of Floydada, Denver City, Idalou, Roosevelt and Frenship.

Individual Scoring: N. Jackson 3 TDs (51 run, 39 run, 15 pass interception return). Osborn 1 TD (3 run); Mike Neill, 1 TD (40 pass interception return). Mark Montoya: 1 FG (24 yards), 3 PATs.

Chiefs Visit Littlefield Following Open Week

The high point of Friona's football season will come next Friday, when the Chiefs visit Littlefield in a vital conference game, which starts at 7:30 p.m.

Littlefield is the top rated AAA team not only in this area but also in the state, according to recent polls. The Wildcats are undefeated after seven games, and are one of the top-rated teams both on offense and defense.

Coach Tommy Moss said the open date this weekend should give the Chieftains an opportunity to get over their physical ailments. Receiver Eloy Caballero has had a sprained ankle; Carl Jackson has been hobbling much of the year, and kicker Mark Montoya has had a pulled muscle.

"It will be an honor for us to play the number one team in the state. They are big, have excellent speed, and most of their boys back on defense. They play aggressive, and try to force mistakes," Moss says about the Wildcats.

"However, we have been working on some new angles, and the boys should be 'up' for the game. They have managed to be ready for all our big games so far this season," he said.

Moss credited the offensive line for their play against Dimmitt. "Anytime you have one player gain 197 yards, and gain 300 yards in all, they're

bound to be doing well," he said. Members of the blocking line are center Roddy Berend, guards Duane Cole, Carl Jackson and Martin Lopez; tackles Mike Chaney and Mark Osborn, and end Rocky Nichols.

COUNTY OF PARMER

Before me, the undersigned authority, on this day personally appeared Benna Felts, County Treasurer of Parmer County, who being by me duly sworn, upon oath says that the within and foregoing report is true and correct.

Benna Felts, County Treasurer
Sworn to and subscribed before me, this 12th day of October, 1981.

Bonnie Warren, Clerk
County Court, Parmer County, Texas

Corn Farmers! What corn hybrid outperformed the 9 most-planted hybrids in the Panhandle?

Stauffer Seeds™ S7795

S7795—The Panhandle's new yield leader. Results tell the story. Stauffer Seeds S7795 won both the 1979 and 1980 Texas Agricultural Experiment Station Yield Trials at Halfway, and holds a two-year test yield of 10,899 pounds/A. It's the hybrid breakthrough Panhandle Corn farmers have waited for—a rugged drought and heat resistant hybrid that pays off big at harvest.

Stauffer Seeds™—not a new company—a new brand name. You can expect this kind of record performance from Stauffer Seeds, a brand that is produced by 3 leading regional seed companies—Prairie Valley, Inc., Blaney Farms, Inc., and RBA, Inc.—over 45 years of hybrid seed corn experience and knowledge. Now, backed with the resources of

Stauffer Chemical Company, Stauffer Seeds will continue bringing you new and improved hybrids for your farm.

And for a limited time—get a Free Stauffer Seeds Cap! Size up the yield-winning characteristics of S7795 for yourself—by returning the coupon below. We'll give you a free Stauffer Seeds cap just for asking about Texas' new yield leader. But hurry! This free offer expires December 31, 1981.

FREE STAUFFER SEEDS CAP
Yours for asking about Stauffer Seeds hybrids.

Christmas Bazaar Set In Friona November 20 - 21

Announcing! The Seventh Annual Christmas Bazaar, sponsored by the Parmer County Family Living

Baby Girl Born To Barbarees

Mr. and Mrs. Terry Barbaree of Groton, Connecticut are the parents of a baby girl born Saturday, October 17 at 4:05 p.m. in the Groton Naval Base Hospital.

Named Heather Michelle, the new arrival weighed eight pounds, eight and one-half ounces.

Heather has one brother, Jeremy, six years old and one sister, Wendi, three years old.

Grandparents are Sue Rector of Friona and Mr. and Mrs. Bob Barbaree of Hobbs, New Mexico.

Great-grandparents are J.L. Armstrong of Alva, Oklahoma, Mr. and Mrs. Oscar Rector of Apache Junction, Arizona and Mr. and Mrs. Robert Barbaree of Wichita, Kansas.

Committee, is scheduled for Friday and Saturday, November 20 and 21 at the Community Center in Friona.

This annual event promises to have something for nearly everyone. Featuring art and craft exhibitors from the Panhandle, South Plains, Eastern New Mexico, Oklahoma and Kansas, the bazaar will be an excellent place to shop for unusual and unique gifts.

Special demonstrations scheduled during the two days include: "Gift Wrap-sody," ideas for creative gift wrapping presented by Marilyn Tate, Floyd County Extension Agent, at 1:30 p.m. Friday, November 20.

"Holiday Fashions," a style show by Ruthie's of Friona at 4 p.m. on Friday.

"Healthy Holidays," parties, dips, snacks, menus for holiday meals by Beverly Harder, Home Economist for Arrowhead Mills in Hereford will be presented at 11 a.m. on Saturday, November 21.

"Christmas Candy," how to make

your own molded candies for holiday gift giving by Martha Schueler, homemaker from Rhea at 1 p.m. on Saturday.

The Family Living Committee provides programming leadership to the Texas Agricultural Extension Service in Parmer County.

As with all programs sponsored by the Texas Agricultural Extension Service, this one is open to all people without regard to race, color, religion, sex, age or national origin.

For more information contact Laura Jacobs, Parmer County Extension Agent, at 806-481-3619.

Come join the fun of shopping, see old friends and learn something new-- you'll have a great time!

Lazbuddie YH Plans Bazaar

Plans for the third annual Lazbuddie Christmas Bazaar are now underway. The Young Homemakers Club of Lazbuddie will be sponsoring the annual event.

The bazaar will be held on November 14 from 10 a.m. to 6 p.m. at the Lazbuddie High School Cafeteria. This will be a one day event only.

There are always many beautiful crafts entered in the bazaar. Area artists will be selling and showing paintings along with various types of leathercrafts, flower arrangements, ceramics, crochet, Christmas decorations, jewelry, quilts, copper and brass sculptures and numerous other items.

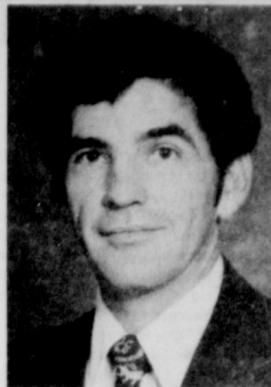

A door prize will be drawn from the names of the guests who sign up. You need not be present to win.

Booths will be available for rent if you are interested in entering your crafts or a booth run by the club members will be set up on a 15 per cent commission where your items can be sold if you feel you do not have enough to fill an entire rent space. The prices of the rent booths vary according to the size needed.

You can enter your crafts by calling Sheryl Engelking at 965-2351, Janice Bradshaw at 965-2619 or Marca Morris at 965-2712, no later than November 12.

JIM MOSHIER

JIM SUITER

OST Reps Set Friona Visit

Jim Moshier, assistant director, Administrative Affairs, and Jim Suiter, assistant department head, General Education, at Oklahoma State Tech, Okmulgee, Oklahoma,

will travel to Friona on Wednesday, October 28 to visit with students interested in enrolling at Tech.

They will make a career

presentation at 9 a.m. at Friona High School.

Moshier and Suiter will bring a variety of literature with them explaining the 45 college-credit educational programs offered at Tech, the largest technical college in the nation. They also will have available financial aids and scholarship information.

Local Youths Set Drive For CROP

Friona's Future Farmers of America and the youth group of the Congregational and United Methodist Churches will be "Trick or Treating for CROP" on Sunday, October 25 from 5:30-7:30 p.m.

The young people who come to your door will be asking for a donation to help the 1.85 million victims of hunger and malnutrition. Through self-help programs, by helping people change their lifestyle, by providing resources, CROP is helping offset an enormous hunger problem in our world.

"It is important to point out that approximately 80 cents of every dollar goes to help hungry people.

CROP's administrative costs are far below the average for voluntary agencies a modest seven per cent for administrative costs and 13 per cent for fund-raising and education," said a spokesman for the drive.

Because CROP believes in a "hand-up not a hand-out," (except in the case of disaster emergencies), our gifts are usually part of a work and/or training program.

"Remember, those "Trick or Treating for CROP" will be by your home on Sunday evening, October 25 looking for a donation. Your help will be appreciated," said Rev. Skip Sircic of the Union Congregational Church.

Brownies, Girl Scouts Set Carnival

At the monthly meeting of the Friona Girl Scouts and Brownie leaders, plans were made for a Halloween carnival to be held Friday, October 30 from 5-7 p.m. at the Girl Scout House.

All Brownies and Girl Scouts will be invited to don a costume and come join the fun. Costumes will be judged in three categories in each troop and then one will be selected as "best over-all." Categories will include funniest, scariest and most original.

Troop 311 will provide a "feely squealy" room. Troop 117 will have a cupcake walk. Troop 214 will have a go-fishing booth. Troop 383 will man a dart throwing booth and Troop 162 will have a body painting booth. The new Brownies will decorate the Scout House.

In further business, the leaders planned to serve the United Fund Kickoff Breakfast, November 9 at 7:30 a.m. This is the seventh year Girl Scout leaders have prepared the Kickoff Breakfast at the Girl Scout House.

Marca Lynn Herring, president, led a discussion on having a booth at the Christmas in November Bazaar. Finals plans will be made at the November meeting.

Before a covered dish luncheon, the leaders learned new games to teach their girls.

Caprock Council representatives, Cindy Phillips of Plainview and Alarah Russell of Lubbock, were present. Mrs. Russell presented a leadership training course for the new Brownie leaders, Carole Cole, Glenda Clark and Gail Hand.

Other leaders present for the meeting included Marca Lynn Herring, Louisa Wilson, Carolyn Carson, Linda Barker, Karene Cass, Cherry Wells and Kitty Gallman.

REHEARSING....Four members of the cast of "Hello, Dolly" are shown in this scene. From the left are Andy Fleming, Sunny Horton, Stanley Miller and Christy Bengé. The production is set for Monday and Tuesday, October 26-27 at 7:30 p.m. at the high school auditorium.

Local Bank Involved In Endowment Plan

As of this week, Friona residents are able to participate in a unique plan to invest in our own economy and still contribute to a very worthy cause. Friona State Bank president Robert Neelley announced today a cooperative agreement between the bank and the Amarillo Area Foundation on behalf of the new Don and Sybil Harrington Cancer Center.

The plan, which is called the Endowment Fund Agency Agreement, is being implemented throughout the Panhandle, Neelley said. It calls for banks (or savings and loan firms) to serve as depositories for the Harrington Cancer Center Endowment Fund.

Banks establish the funds by pledging initial seed money, Neelley explained. Area residents can contribute to the funds through their local bank. Those donations (the principal) are held intact and invested

by the banks; the income from the investments goes to the Amarillo Area Foundation acting as custodian of the Endowment Fund for the Cancer Center. The Amarillo Area Foundation which manages funds for many area non-profit organizations, holds the Cancer Center Endowment Fund in trust and disperses the income earned to the Center.

There are several advantages to such a plan, Neelley said. First of all, the Cancer Center, which provides a vital service to citizens throughout the Panhandle, is assured of ongoing funds to cover operational costs, research projects, equipment and support programs.

Local banks and the community's economy also benefit from keeping the money at home, and contributors have the convenience of working with their own banking institutions.

All gifts, including memorial contributions, can be held in Friona's endowment fund. The Friona State Bank informs the Cancer Center of all memorial contributions received, so that proper acknowledgements to the donor and family can be sent.

For additional information on the Endowment Fund plan contact Friona State Bank or Marilyn Van Petten, director of development, Harrington Cancer Center, (806) 353-3571.

Boy Born To Fortenberrys

Mr. and Mrs. Don Fortenberry of Odessa are the parents of a baby boy born Sunday, October 11, at 11:37 a.m. in Womens and Childrens Hospital in Odessa.

Named James Ryan, the new arrival weighed seven pounds, ten ounces and was 20 1/4 inches long.

James Ryan is the first child for the couple.

Grandparents are Mr. and Mrs. Paul Fortenberry of Friona and Mr. and Mrs. Louis Blau of Booker, Texas.

Great-grandparents are Mr. and Mrs. Alex Barton of Booker and Mrs. Kate Blau of Follett.

Great-great-grandparents are Mrs. Mabel Vernon of Eden and Mrs. Nora Taliaseirro of Perryton.

JANA G. PRONGER

J. Pronger Earns Special HE Award

Jana G. Pronger, Hutchinson County Extension Agent (Home Economics), has received the Distinguished Service Award for 1981—the highest honor given by the National Association of Extension Home Economists.

One of six Texas County Extension Agents chosen for the honor, Pronger received the award during the national association's annual meeting last week, October 11-16, in Las Vegas, Nevada.

The award recognizes Pronger's creativity and outstanding leadership in educational programming on family health and protection throughout Hutchinson County, according to Ilene Miller, Bell County Extension Agent (Home Economics), awards committee chairman for the Texas Association of Extension Home Economists which nominated the agent.

Double Ring Ceremony Unites Mariann Nelson, Farron Young

Mariann Nelson and Farron Young were united in marriage in an afternoon ceremony on September 5 at the Women's Civic Building, Hobbs, N.M. Jay Henderson, Church of Christ minister, from Plainview, Texas, officiated at the double ring ceremony.

The bride is the daughter of Mr. and Mrs. Wayne D. Nelson of Hobbs, New Mexico and the bridegroom's parents are Mr. and Mrs. Troy Young of Hobbs, former Friona residents.

The ceremony was performed under a white wrought iron arch covered in greenery and peach flowers. On each side of the arch were tall white wicker baskets with greenery and peach silk roses.

Denny Young served his brother as best man. Ring bearer was David Spencer of Houston, nephew of the groom.

The men of the wedding party were attired in ivory tuxedos with peach

shirts and ivory bow ties. The boutonnières were silk peach rose buds.

Maid of honor was Shana Nelson, sister of the bride. Her dress was a peach colored sheer knit with an empire bodice, scooped neckline and a gathered capelet collar that came below the waistline in the back. She carried a white lace fan with peach silk rose buds and peach and white lace streamers.

The wedding ceremony was preceded with piano selections by Caroline Starling. Special songs were sung by John and Debra Baxter of Friona.

The bride was escorted to the altar by her father. She wore a semi-cathedral floor length wedding gown of chantilly lace. The dress featured bouffant silhouette, long lace sleeves, a scooped neckline with lace fitted bodice and the skirt and semi-cathedral train were row after row of lace ruffles.

Her three tiered finger tip veil of chantilly lace had a crown cap trimmed with pearls. She carried a hogarth arrangement of silk spring flowers and roses in shades of peach and white with long streamers of peach satin edged with white lace. The bride made her bouquet and all the corsages and boutonnières worn by the wedding party.

The bride wore pennies minted in the years of the couple's birth in her shoes for good luck and the traditional blue garter.

The bride's mother wore a light cream crepe street length dress with long sleeves and ruffles around the neckline and cuffs.

The groom's mother wore off-white lustrous knit dress with long sleeves and a wide front tie sash.

The reception was held following the ceremony.

The bride's table was covered with a white satin cloth trimmed with a white net skirt and small peach silk rose buds. A white basket with peach spring flowers highlighted the centerpiece. On either side of the basket were tall crystal candle sticks with peach candles. The three-tiered wedding cake was topped with white satin bells and white doves with touches of peach ribbons and net. Between the second and third tier were tall white columns with cherubim and in the center of this was a small bride and groom. Orange punch with gingerale was served from a crystal punch bowl. Silver appointments were used to serve nuts and mints.

The groom's table was covered with a white knit cloth edged in wide lace. The centerpiece was the bridal bouquet flanked by brass candlesticks with white bells of Ireland and peach bows attached to the holders with white candles. Coffee, apple cake, pumpkin cake, chips, dips, jelly beans and nuts were served on crystal appointments.

Serving from the two tables were Monette Walker, Ella Joyce, Libby Isselhard, Sheri Bryant, Christie Brown and Leanne Isselhard.

For a wedding trip to Alpine and Ft. Davis, the bride wore a sheer violet silk blouse and darker violet pants with shoes to match the pants and purse to match the blouse.

The bride is a 1980 graduate of Hobbs High School and is presently attending New Mexico Junior College. She is employed by Liberty National Bank.

The bridegroom is a 1979 graduate of Hobbs High School and is employed by Axelson Inc.

Out-of-town guests attending the wedding were Mr. and Mrs. Ernest Gober of Brownwood, Texas; Mr. and Mrs. Jack Cook of Andrews, Texas; Randall Cook of Odessa; Mr. and Mrs. James Murphy and daughter, Melinda of Midland; Mr. and Mrs. W.H. Nixon of Brownfield; Mr. and Mrs. David Pearson and sons of Carlsbad, N.M.

Also, Mr. and Mrs. John Baxter and children, Mr. and Mrs. Oscar Baxter, all of Friona; Mrs. J.D. Spencer and children of Houston; Myra, Phillip and Charlie Veazey of Friona; and Lou Pipes of Oklahoma.

REHEARSAL DINNER

The rehearsal dinner was hosted by the groom's parents at their home on Cochiti on Friday night, September 4.

A bridal shower honored the couple in August at the home of Mrs. J.L. Walker.

Connallys Have Boy

Mr. and Mrs. Joe Connally of Midland are the parents of a baby boy born Saturday, October 3, at 4:04 a.m. in Midland Memorial Hospital.

Named Jayson Leon, the new arrival weighed eight pounds, one ounce and was twenty inches long.

Jayson has two older brothers, John, four years old, and James, two years old.

Mrs. Connally is the former Janice Clark.

Grandparents are Mr. and Mrs. Jack Clark of Friona and Mr. and Mrs. Ed Connally of Odessa.

Great-grandparents are Mrs. Elwyn Hartman and Charlie Kemp, both of Hereford.

Mrs. Farron Young

Electricity.

Knowing what it's worth is worth knowing.

SPS

One thing we've probably all learned is to have an appreciation of things that have worth and to know their value. How would you rate yourself on knowing the value of the electricity you use? Take this simple exercise:

1. How much was your electric bill last month? \$ _____
2. Divide 30 into your answer to Number 1. This was the approximate cost of your electricity per day. \$ _____
3. How many people are in your family? _____
4. Divide Number 3 into Number 2. This was the cost of your electricity per day per family member. \$ _____

Knowing what electricity is worth is worth knowing. Just look around.

PROGRAM LAUNCHED....Officials of Big T Pump Company announced this week an incentive program for area farmers, offering well drilling and pump repair services for one-half of the money down and no interest on the balance before spring. On the right is Rob Marshall, general manager of the company. Friona branch manager Dean Butler is at left.

ENDOWMENT SET...Representatives from the Don and Sybil Harrington Cancer Center are shown with officials from Friona State Bank, which is participating with the Amarillo center in an endowment program. In the back are John Bingham of the Cancer Center and Charlene Harper of the bank. Seated are Marilyn Van Petten and Robert Neelley, bank president.

Book Orders Being Accepted

The Parmer County History Book committee is accepting prepaid book orders now until November 1.

Prepaid price for the book is \$35.00, \$37.50 if book is to be mailed to you. Make checks payable to Parmer County History Book, P.O. Box 606, Friona, Texas 79035.

The book will contain 600 pages. The pages will be 8 1/2"x11" and will be bound in a wine colored leatherette cover.

"We urge everyone to send in your prepaid order now," says "Grace Whitefield, co-chairman of the Parmer County History Book committee.

Season's Greetings

From Diet Center

A little early, you think?

The holiday season will soon be upon us, perhaps with unwanted pounds. To avoid New Year's resolutions about dieting, take action now!

You can lose 17 to 25 pounds in just six weeks. Start now—be thinner by Thanksgiving and skinny by Christmas. Don't let the New Year find more of you than you would like.

Come in now. Together, we can make it happen. Give yourself the best Christmas ever—a thinner, healthier, happier YOU!

Early Bird Holiday Special!

Bring this letter to the Diet Center before November 15, 1981, to save \$10 on a three-week program, or \$25 on a prepaid, six-week Reducing Program.

OFFER EXPIRES NOV. 15- GOOD ONLY AT FRIONA

ANNOUNCING...

Grand Opening & New Location.

R&R Refrigeration & Fireplace Corner.

213 West Park Avenue, Hereford
1 1/2 Blocks West Of Highway 385.

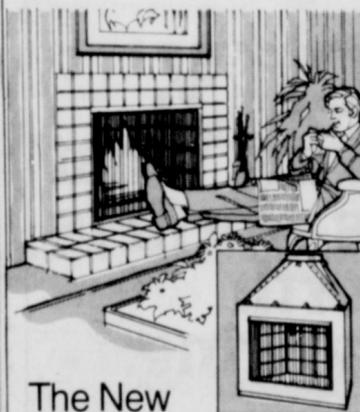

We Will Continue In The Refrigeration Business: Sales And Service, And Have Added Fireplace Accessories. See Us For Complete Fireplace Accessories, Components Screens, Free-Standing Fireplaces And Stoves.

MAJESTIC

An American-Standard Company

Save while you save ... beautifully

The New Majestic Fireplace saves hundreds of dollars ...

just for openers!

After you've saved on high masonry construction costs with your Majestic Deluxe factory-built fireplace, then start enjoying the energy savings that only Majestic can deliver. Zero clearance lets you install against combustible surfaces, and the ceramic fire brick snaps in and out easily for quick replacement. Options include glass doors, and an outside air kit which greatly increase the efficiency of this fireplace. Say goodbye to high construction costs and inefficient heating, and say hello to the Majestic Deluxe built-in fireplace ... a beautiful way to save money.

MAJESTIC

An American-Standard Company

We Will Carry These Quality Brands:

- ★ Majestic ★ Malm
- ★ Franklin Stoves
- ★ Earth Stove
- ★ True Heat
- ★ Dearborn

REGISTER FOR A FREE PRIZE:

Monday - Saturday,
October 26 - 31.

A Free-Standing Fireplace, To Be Given Saturday, October 31.

R&R REFRIGERATION & THE FIREPLACE CORNER

Our Hours: 8:30 5:30 Mon.-Fri. 9 A.M. - 1 P.M. Saturday
