"NOT GUILTY BY REASON OF INSANITY" is a verdict which will be much discussed in the years to come, so as a commentator on the national news scene, we might as well get our two cents worth in print, along with everyone else's.

In the first place, we never have felt as though the "insanity" plea was fair, but simply a scam devised by the legal profession as a last-gasp effort to get their clients off the hook when it is a well-accepted fact that they are guilty of whatever charges for which they are being tried.

By the same token, the legal profession might as well introduce "not guilty because my client was enraged at the time he was charged for murder"; or "not guilty by reason that he had a bad day at the office," or how about "because he just didn't have a happy childhood."

The non-conviction of John Hinckley, Jr. for the shooting of President Reagan marks a high point for defense attorneys in this country, and one can only hope that the outrage from the American people will cause the court system to take a second look at some of its legal loopholes, which allow murderers to go free, rapists to freely roam the streets, and those convicted of driving while intoxicated or under the influence of drugs, to continue to operate their vehicles until they have slaughtered thousands of innocent victims.

The rights of the criminals have more than been served during the past generation. At this point in time, it is imperative that the leaders of our country recognize the importance of protecting the rights of its law-abiding citizens.

If Lee Harvey Oswald had been able to stand trial for the assassination of President Kennedy, we wonder if his defense could have been as successful as was that for John Hinckley.

Somehow, we doubt that it would have. Due to the extreme national feeling of loss, we feel it would have been virtually impossible to have found 12 people out of the entire nation's population who would not have voted to throw the book at Oswald.

And, if Hinckley's aim had been an inch or two better the verdict rendered this week might also have been different.

But, due to his acquittal, has not the courts further endangered the lives of public officials, since would-be assassins can now say to themselves "I can get away with it anyway."

In a time when violence needs to be quashed, when lawbreakers need to be shown that offenders will be punished, we feel that the jury in the Hinckley case took a giant step backward in making it safe for our elected officials, particularly the president.

Luckily for President Reagan, the medical staff at George Washington Hospital was a good one, and was able to save his life that afternoon in March of 1981. They received the thanks and admiration of the entire nation.

Unfortunately, the prosecuting attorney and his staff of lawyers was not quite as skilled as the surgeons, because they could not convince 12 people that Hinckley was guilty of an act that virtually the entire nation was able to witness on their television screens.

It was an historic verdict, and an interesting one. And, we predict that the verdict will be much-discussed for a number of years.

We just wonder if the 12 jurors will be ready to shoulder the responsibility, the next time that Mr. Hinckley, or any other would-be assassin commits an act during a time of "temporary insanity."

**MORNING STORM....**The Friona area was treated to quite an electrical display early Friday morning, which left a total of .61 inch of rainfall locally. The "fireworks" lasted for more than two hours.

## Weatherman Unveils "Fireworks Display"

Friona residents must have thought the July Fourth fireworks display had started early, when they were awakened early Friday morning with a tremendous electrical display which lasted for more than two hours.

When the storm had subsided, the official city gauge showed a total of .61 inch of rainfall had fallen as of 7 a.m.

Lucky for the local residents, the Friday morning shower was minus any of the hail which has plagued area farmland for the past month. But there were times during the heavy shower when it seemed like it might commence to hail at any minute.

But it turned out just to be good rainfall. Added to the .12 inch which

was received Wednesday evening, the week's total rainfall came to .73 inch.

One of the casualties of the electrical storm was Friona Cablevision, which was knocked off the air during the storm. Service was resumed shortly after the fireworks subsided.

## Club Prepares 7th Barbeque

The Friona Noon Lions Club, at its last regular meeting, put the finishing touches on their plans to feed 600 people the best barbeque in the Parhandle.

There will be approximately 300 pounds of sausage seasoned and stuffed by the Friona Noon Lions. Another 400 pounds of beef will be barbequed in a pit 20 hours preceding the annual dinner. Over 100 pounds of beans and cole slaw will be served to finish out the menu.

The largest crowd ever served was in 1976 for the bi-centennial. Although the crowd was down slightly in 1977, the numbers have been increasing ever since.

This year's chairmen are Lions Danny Black and Joe Wilhelm. All net profit from the barbeque will be going to numerous organizations such as Girlstown, Texas Lions Camp for Crippled Children, Hi-Plains Eye Bank, Water, Inc., eyeglasses for local children who cannot afford them and other worthy causes.

The barbeque will be held on Monday, July 5 from 11:30 a.m.-1:30 p.m. at the Community Center. A \$4.00 adult ticket and a \$2.50 children's ticket (12 and under) will buy all the barbeque you can eat. Please contact any member of the Noon Lions for your advance tickets. Tickets will be \$4.50 for adults and \$3.00 for children at the door.

**WHAT'S SHOWING....**Michael and Steven Mann and Julie and Cody Bracken check to see what's showing June 30 at the library. Sixty-five children attended this past week's film, shown at 2:30 each Wednesday. Because these four children helped during the move to the new building and with the opening, and were inadvertently left off the list of names published, they were especially chosen to help plug the library's upcoming movie, which will be "Our American Flag" and "Rabbit Hill."

## Plans Fanalized For "July Fifth" Fete

Plans have been fairly completed for the city's annual Independence Day celebration, which will be held for the most part on July 5 this year, due to July 4 falling on Sunday.

One exception is an added event, announced this week by Friona State Bank, which will host a free watermelon feed for the community all day Friday, July 2, between the hours of 10 a.m. and 3 p.m.

Also added to the schedule for July 5th are water polo matches, to be sponsored by the Friona Fire Department.

The fireworks fund went over the top this week thanks to gifts by Friona State Bank (\$200); Friona Ford Sales (\$100); Friona Riding Club (\$100); Friona Cablevision Corp. (\$50); and Rex Blackburn (\$10).

## Reception Set On Sunday For Jerry Lewises

The Friona Chamber of Commerce and Agriculture will host a reception Sunday, June 27 from 4-6 p.m. for Friona City Manager Jerry Lewis and his wife, Helen.

Lewis moved to Friona and assumed duties as city manager on February 1. His wife, Helen, held a position as teacher at Missouri City, Texas, and has just recently joined her husband in Friona.

The reception will be held at the Friona State Bank's Community Room, and everyone is invited to come by, get acquainted and welcome Jerry and Helen Lewis to Friona.

## United Fund Co-Chairmen Are Named

Keith Black and Mike Hanes have been named co-chairmen of the 1982 Friona United Fund campaign, it was announced here this week.

The budget for 1982-83 was also announced at \$12,350, which represents a slight increase from the previous year, according to Lois Norwood, chairman of the United Fund board.

A tentative kickoff date has been set for November 8.

## Seminar Is Slated For "Drug War"

The Friona Police Department will be sponsoring a meeting on Thursday, July 22, at 7:30 p.m. at the Friona Community Center entitled "Texas War On Drugs."

Shirley Crawford of Amarillo, coordinator for the Texas War on Drugs committee will conduct the meeting. She is in charge of 58 counties in Texas.

Everyone is invited to attend this seminar, to learn facts about our drug problem.

## Swim-A-Thon Set July 15

The American Heart Association will be sponsoring a Swim for Heart swim-a-thon on Thursday, July 15, at the Friona City Swimming Pool.

Anyone interested in swimming for the Heart Association is asked to sign-up as soon as possible at the pool. Deadline for entering the Swim for Heart is July 12.

Swimmers get pledges for the number of laps that they can swim in one hour and each participant that turns in their money by the deadline will receive a Swim for Heart t-shirt and a certificate.

The fund drive was pushed by the Friona Star after the chamber board voted it could not carry the bulk of the expense themselves this year.

As usual, one of the main highlights of the day will be the annual barbecue meal sponsored by the Friona Noon Lions, which will be held Monday, July 5th, from 11:30 a.m. to 1:30 p.m.

Barbecued beef and sausage will be on the menu. Advance tickets are \$4.00 for adults and \$2.50 for children under 12, and tickets at the door will be higher, it was announced. So, it would benefit those planning to attend to buy their tickets in advance from members of the club.

Other events on tap for the day include a tennis tournament, volleyball tournament, World's Championship Turtle Race, bicycle races, softball throw and ping pong tournament.

A concession stand will be operated by members of the various Friona study clubs, with proceeds going to help renovate the Friona Woman's Clubhouse.

Most of the events will be held at or in the vicinity of the Community Center, beginning after 1:30.

Those wishing to enter the volleyball tournament may call Lisa Howell at 247-2211 or 247-3728.

Those wanting to enter the tennis tournament may call Paul J. Smith or Dale Houlette.

Making donations to the fireworks fund have been Hardin's Tasty Cream, Friona Star, D.L.'s Thriftway, Ellis-Blackwell Funeral Home, Wilhelm T.V. and Appliance, Ethridge-Spring, Friona Noon Lions, W.B. Fulgham, Friona State Bank, Friona Ford Sales, Friona Riding Club, Friona Cablevision and Rex Blackburn.

**PRINCIPALS....**The three partners in Ellis-Blackwell Funeral Home are shown. Left to right are managing partner John Blackwell, Frank Ellis and Frank Ellis III.

## Funeral Home Changes Given

Announcement was made this week that Frank Ellis and Frank Ellis III of Muleshoe and John Blackwell of Friona have purchased Percy Parsons' interest in Parsons-Ellis Funeral Home.

Blackwell, who moved to Friona in April of 1980, will continue to be manager of the funeral home.

At the same time, it was announced that the name of the funeral home had been changed to Ellis-Blackwell Funeral Home.

Ellis and Blackwell have been associated with the local funeral home since 1972, when with Percy Parsons they purchased Jay Claborn's interest in the business.

Parsons moved to Dimmitt in May of 1980, opening a funeral home there.

"Trey" Ellis is the son of Frank Ellis, and has been associated with

the business since 1979. He is a graduate of West Texas State University, and the Dallas Institute of Mortuary Science.

Blackwell was raised in Amarillo. He moved to Muleshoe in 1963 where he became associated with Ellis, and has been ever since, except for a year out to attend the Dallas Institute of Mortuary Science.

Blackwell is a graduate of Tascosa High School of Amarillo and attended WTSU two years. His wife Jo is administrator of Prairie Acres Nursing Home. They are parents of two daughters, Melanie, 15, and Marcia, nine.

The Blackwells attend the Baptist Church. He is a member of the Friona Noon Lions, is a director for the Chamber of Commerce, is on the Friona Volunteer Fire Department, a reserve police officer, and works on the volunteer ambulance service.

## UCC Celebrating Its 74th Birthday Locally

Union Congregational Church is 74 years old, and the United Church of Christ, their denomination, is 25 years old.

On June 14, 1908, Union Congregational Church, the first church in Friona, was formed. Twenty-one charter members of all denominational backgrounds joined together to create Friona's first church. Through those 74 years, Union Congregational Church has grown and prospered and is actively ministering to the people of Friona. The members of the church plan a special seventy-fifth birthday celebration next year.

On June 25, 1957, the United Church of Christ as a denomination was formed. It is a merger of the

Evangelical and Reformed Churches and the Congregational (Pilgrims) and Christian Churches.

The United Church of Christ as a denomination is a people of God rich in diversity, spirit and tradition. That diversity, spirit and tradition is seen not only in their present ministries, but also in their past actions. They celebrated the first Thanksgiving, they hid the Liberty Bell, they were the first in America to create a Mission Board and to send out missionaries.

At the 11:00 service on June 27, Union Congregational Church, 1601 Euclid, will have a special service celebrating both the 74th anniversary of the local church and the 25th anniversary of their denomination.

# George Taylor's Rites Are Held On Tuesday

Funeral services for George C. Taylor, 66, were held Tuesday, June 22, at 2 p.m. in the First Baptist Church with Dr. Carrol Green, pastor, and Rev. Charles Broadhurst, pastor of the First Baptist Church of Littlefield, officiating.

Burial was in the Friona Cemetery under the direction of Ellis-Blackwell Funeral Home.

Taylor was born May 2, 1916 in Parmer County. He married Geraldine McFarland January 10, 1941. He served in the Marines during World War II.

Following his discharge from the Marines they moved to Fort Worth where the Taylors made their home until 1958, moving to Friona. He was a member of the First Baptist Church and had served as a deacon since 1949. He taught a young mens Sunday School class.

He was a member of the Masonic Lodge and was a 32nd degree Mason. He was a member of the Friona Evening Lions Club and had served as president of the Chamber of Commerce 1966-67.

Taylor died Sunday, June 20 at Parmer County Community Hospital.

Survivors include his wife, Geraldine; two daughters, Mrs. Suzanne Wood of Pampa and Mrs.

GEORGE C. TAYLOR

Lisa Katharyn Miller of Austin; two sisters, Miss Betty Ann Taylor of Lamesa and Mrs. Vera Irwin of New Virginia, Iowa; one brother, Paul Taylor of Nocona, Texas; and two grandchildren, Dana Wood and Mark Wood, Pampa.

Pallbearers were Curtis Murphree, Stanley Bengel, Doyce Barnett, Jerry Wilson, Hollis Horton, M.C. Osborn, Roy Clements and John G. Mars.

Honorary pallbearers were deacons of the First Baptist Church.

## Letter To The Editor

(Editor's note: The following was submitted by one of our readers, and appeared in the current issue of *Better Homes and Gardens*. It expresses our viewpoint as to what would happen if we decided to let the local fireworks display lapse.)

Our town didn't have a fireworks display on the Fourth of July last year.

The city fathers thought the \$5,000 price tag was too high, and the cleanup was too much extra work for maintenance workers. Besides that, the police chief said the Fourth of July crowds and traffic were getting too difficult to handle.

So Independence Day came and went. There were the usual activities—picnics, barbecues, softball games in the park, and boating excursions on the river.

But nearly everyone I met sensed that something important was missing from the festivities.

"It was a little like Christmas without a tree and lights," wrote newspaper editor Earl Reeves.

"A boom and a sparkling burst in the night sky may not make a whole lot of fiscal sense," Earl continued, "but it does wonders for one's morale and sense of tradition."

Most of our townspeople apparently agreed with Earl's assessment, I know I did.

This year, the city's chief concern was not to cut costs, but rather to avoid a repetition of last year's lack-luster holiday.

A bit of extra cash was found, much more was raised from private contributions, and now the whole town is looking forward to this year's fireworks display.

The episode has helped us all appreciate the fact that a town needs more than streets and firemen—even when money is tight.

I hope there'll be some booms and sparkling bursts in your town, too, on this Fourth of July.

# Friona Flashbacks

....from the files of The Friona Star

### 50 YEARS AGO--JULY 8, 1932

Several weeks ago, Mayor Reeve called a meeting of any and all male citizens of Friona who would be willing to enlist in a volunteer fire department for Friona. It is painful to relate that not one man responded to the call, yet it appears that practically all of our people are strongly in favor of Friona having a fire department.

### 40 YEARS AGO--JULY 3, 1942

Sometime last Tuesday, a long and fairly comfortable bench was placed by someone in front of the Friona post office, for the convenience of those who have the spare time to loiter there. The ladies of Friona and the surrounding community are protesting the presence of the bench, as during the busy harvest season many of the wives or daughters come for the mail and they claim that there are already too many men loafing there to stare at them. The bench, they feel, invites more loafers.

### 35 YEARS AGO--

(Entire 1947 issue missing from Star files.)

### 30 YEARS AGO--JULY 3, 1952

Early signing of right-of-way easements is necessary to expedite construction of the rural telephone line mapped for this area, Leo Forrest of Hereford has explained. Miss Mary Reeve is working on the project in the Friona area, and Mrs. Floyd Schlenker is working on the project in the Rhea community. Contract for the construction of the lines is hoped for by July 30.

### 25 YEARS AGO--JULY 3, 1957

Contracts were let this week to Kerr and Middleton of Lubbock for constructing additional farm-to-market roads in Parmer County. Two projects are involved. One is from FM Road 690 at Oklahoma Lane south and southwest to the Bailey County line, where it will join another paved road already existing. The other will link Rhea with the two FM pavements running north of Bovina and west of Friona. The

combined length of the two projects is about 14 miles.

A rattlesnake struck Monday afternoon from its hiding place in wheat stubble, biting Pamela Ann Jones, 13. She was treated in Parmer County Community Hospital and reported in satisfactory condition by officials at the hospital.

### 20 YEARS AGO--JULY 5, 1962

There have been a lot of unconfirmed reports about fish being found in irrigation ditches, barrow ditches and the like, but H.G. Houston, who farms three miles southeast of Friona, has gone them one better. Houston captured one of the phenomons in an irrigation ditch on the J.L. Stowers farm Monday morning and brought it to the Friona Star office for photographing. The specimen was about two and a half inches long, and was sort of silvery colored, with flecks of gold.

### 15 YEARS AGO--JULY 6, 1967

The Friona Industrial fund drive brought in a total of \$104,164.94, according to a report this week from the Friona Industrial Development Corporation. Members of the non-profit corporation said they were making the announcement in the response to many inquiries as to the amount the drive raised, and to the dispersal of funds. Only one check has been drawn from the account at Friona State Bank, and that was for the purchase of land for the Missouri Beef Packers' site, in the amount of \$95,000. This leaves a balance in the fund of \$9,164.94, which members of the corporation hopes will continue to grow, for possible future use by prospective industries.

### 10 YEARS AGO--JULY 6, 1972

The striking employees of the Friona Division of Missouri Beef Packers, Inc. voted July 2, 1972 to end their five-month-old strike by accepting a new three-year contract. The employees are represented by local P-777 of Amalgamated Meat Cutters and Butcher Workmen, AFL-CIO.

### 5 YEARS AGO--JULY 3, 1977

Parmer County once again rattled high in the 1977 Fed Cattle Production report for the High Plains, compiled by Sam Thomas and the Agricultural Development Department of Southwestern Public Service. Parmer County had to settle for fourth for total cattle fed among Texas counties for 1976, with 282,062 head of caudle. Parmer's one-time capacity is 273,500, just below Deaf Smith's capacity.

## 4-H, FFA Steer Validation Is Set June 29

Parmer County steer validations for all county 4-H and FFA exhibitors will be held Tuesday, June 29 from 8 a.m. until 12 noon at the Jerry London farm four miles west of Hub on the Bovina-Dimmitt Highway.

All show steers that will be exhibited out of the county must be validated at this time.

If anyone should desire more information contact the Parmer County Extension Agent or the Vocational Agriculture teacher in your respective community.

# County Commissioners' Court Gives Approval For Various Programs

Approval of expenditures for various programs highlighted the regular meeting of the County Commissioners Court June 11.

Payment of \$1,151.08 to Lewellen Construction Company for the addition of a door to the jail was approved.

Approval was granted for medical bills for indigent children in the county, amounting to \$63.50, plus an optometrist's bill in the amount of \$90.00.

Judge Porter Roberts, who also is acting Veterans County Service

Officer, was given approval by the commission and urged to attend a VCISO orientation school in Austin August 3-4-5, with the Veterans Affairs Commission paying the expenses.

Approval was granted to the organizers of Farwell's Border Town Days celebration to use the courthouse lawn for concession stands, as it has been in the past.

Sheriff Bill Morgan discussed the requirements of the Texas Commission on Jail Standards. One thing needed to maintain certification

is an exercise yard, according to Sheriff Morgan. Morgan had received an estimate on a fence for such yard at \$2,250 for 100 feet of fence, ten feet tall.

A motion was approved to build the fence, plus the addition of a guardian light on the parking lot back of the courthouse.

Motion was approved to pay the May boarding care bills on the five county foster children in the amount of \$1,147, which amount will be reimbursed to the county.

After a discussion with Mrs. Benna

Felts, County Treasurer, a motion was approved to divide a \$100,000 certificate of deposit from the county's general fund and secure three certificates in the amount of \$25,000, maturing in 30 days, with the remaining \$25,000 being transferred as cash to the general fund.

After considering three estimates, approval was granted to allow Grover Meeks to build a wall in one office in the courthouse to allow a private office for Justice of the Peace Albert Smith and to cut down the congestion

and confusion in the County Judge's reception office. Cost of the new wall will be \$427.00.

Motion was passed to check on getting some spraying done for bugs on the second floor of the courthouse.

Approval was given to Laura Jacobs, County Extension Agent for Home Economics, to attend afternoon classes at Texas Tech for three weeks, while working each morning.

Soil conservation work was approved in precinct three for five

locations, as soon as county machines are not in demand for use on county roads. The county is to be reimbursed for costs of such work.

Commissioner Jack Patterson had a problem referred to him concerning a fence belonging to Ted Walling.

Approval was granted to seek bids for used pickups for Precincts 3 and 4, such bids to be opened June 28.

A motion was approved to hold a "proposed use hearing" on the use of the county's revenue sharing funds at 5 p.m. on June 28, at the County Courtroom in Farwell.

## Services Set Sat. For Judy Elam

Graveside services for Judy Lynn Elam, 27, will be held Saturday, June 26, at 3 p.m. in the Parmer County Memorial Park with Rev. Archie Echols, pastor of the Friona United Methodist Church, officiating.

Services were under the direction of Ellis-Blackwell Funeral Home of Friona.

Miss Elam was born November 18, 1954 in St. Joseph, Missouri. She had lived in Lubbock for the past 16 years, moving there from Wheatridge, Colorado. She died Wednesday, June 23, at 10:20 p.m. in the Lubbock State School.

Survivors include her mother, Mrs. June Kendall of St. Joseph, Missouri; her step-father, Glenn Kendall, also of St. Joseph; her grandparents, Mr. and Mrs. W.C. Vendelboe of St. Joseph, Missouri; one sister, Mrs. Linda Barker of Friona; two brothers, Rodney Elam of Friona; and one step-brother, Kevin Kendall of St. Joseph, Missouri.

Pallbearers will be Tommy Barker, Fred Barker, Jr., Steve Gregory, Ernest Anthony, James Anthony and Mark Anthony.

## YOUR TELEPHONE SERVICE - A REAL BARGAIN

All things considered, talking is a real bargain. The chart below shows how your telephone costs compare against other goods and services you use daily.

(Figures based on data gathered from U.S. Bureau of Labor Statistics from October 1976 to October 1981.)

\* Away from home  
\*\* Basic local service in OTSW's Texas exchanges

Frequently, the convenience of the telephone is taken for granted.

For instance, a few things you use your phone for:

1. Shop ahead, save gas.
2. Make appointments (doctor, sales calls, lawyer, preacher)
3. Emergencies (police, fire, ambulance)
4. Talking with loved ones in other towns
5. Conducting business via long-distance, save on travel cost
6. Calling scout troop, civic club, little league team, etc.
7. Visit with a friend across town.

Talk is cheap and also a real bargain. For a true picture, divide your basic local service rate by the days in the month. For just pennies a day, excluding long distance and special services, you have your town at your fingertips.

## Roger Fields Attends Firemen's Convention

Roger Fields of the Friona Fire Department was a delegate to the 106th annual conference/convention of the State Firemen's and Fire Marshals' Association held in Abilene June 12-16.

State Comptroller Bob Bullock and Carl Holmes of the Oklahoma Fire Service were keynote speakers at the convention. The convention included five days of exhibits, business sessions and workshops in such areas as the legislative process, certification of volunteer and paid firemen, industrial fire prevention and public fire education.

"The annual convention affords us the best opportunity each year to talk face to face with our members and

hear the concerns of the firemen in Texas," says Ron Waters, executive manager of the Association.

The SFFMA represents most of the volunteer and paid fire departments in the state. It serves its membership by distributing training manuals, sponsoring training schools and seminars, and promoting legislation of interest to firemen, such as bills requiring sprinkler systems in high-rise buildings and a uniform fire code, as well as pension and retirement bills.

The Association also sponsors the Fire Museum of Texas, which is located in Grand Prairie and open to the public from 9 a.m. to 5 p.m., seven days a week (summer hours).

## On The Farm

By SETH RALSTON

Night-flying moths have been creating a nuisance for many homeowners in the South Plains the past few weeks. Most of these moths are army cutworms which are undergoing spring emergence. They are attracted to lights and are sometimes called candle moths. When spring emergence is completed in another week or two, the nuisance problem should subside.

Some degree of control can be obtained with sprays of household insecticides applied to places where the moths collect and rest outside, such as door frames, porches and garages. Since the moths do not feed on anything where they are resting and are protected by a heavy coating of scales, sprays will not provide any immediate or spectacular results. Ready-to-use household sprays containing diazinon or baygon may be applied to these resting sites. Follow label instructions for nuisance pest control in applying the sprays.

Destruction of moths inside the home can sometimes best be accomplished by using a vacuum cleaner. Additionally, household pyrethrum sprays will control moths inside a room.

## Two Frionans Complete Electric Course

Two members of the Friona High School chapter of Future Farmers of America were among the 82 FFA boys—and one FFA girl—who successfully completed a course in farm electrification at a Southwestern Public Service-sponsored workshop in Amarillo, Wednesday, June 16.

Vohnya Tongate and Terry Petchinsky attended the three-day workshop, the twentieth sponsored by SPS.

This was the first SPS-FFA workshop ever in which a girl was a student. She was Kathy Karber, a Booker, Texas, high school senior.

The students learned how to wire buildings, how to build and use electric controls, or how to build electric motors. They also were

taught how electricity is made, and first aid and safety tips.

Five students were selected by the workshop faculty as winners of trips to the National FFA convention in Kansas City, Mo., in November. SPS will pay the students' expenses. The top students were Max Hector of Frenship High School, Dennis Stuart of Mobeetie High School, Kelly Kunka of Follett High School, David Abell of Ralls High School, and Kynan Sturgess of Dumas High School.

Berl Springer, chairman of the SPS Board of Directors and Chief Executive Officer of the Company, presented awards Wednesday to the five trip winners and to the other students who successfully completed the workshop.

The students came from 42 Texas communities, from Guthrie, Okla., and Clovis, Roswell and Tucumcari, N.M. Workshop administrators were assisted by three students: FFA Area One president Tom McDonald of Texline, and Area One vice presidents Bret Whitten of Bovina and Patrick Railsback of Idalou.

Five vocational teachers paid by SPS taught the three courses. They were assisted by 21 adult FFA advisors and by SPS personnel.

The "Farm Wiring" course emphasized safe and efficient wiring of two- and three-way switches, proper wire splicing, and how to make a meter loop. The skills can be used in homes, barns, sheds, or other places electricity is needed.

Students in the "Electric Controls"

course learned how to tie in three- and four-way switches, how to set up photoelectric cells for automatic lighting, and how to set up two- and three-pole relays.

The "Farm Motors" course taught students how to operate, repair and build small electric motors.

Tuesday afternoon the students toured SPS's Harrington Station, a giant coal-fired power plant at Amarillo which has a generating capacity of 1,122,000 kilowatts.

Southwestern Public Service primarily provides electric utility service to a population of more than one million in a 45,000-square-mile area of the Panhandle and south plains of Texas, eastern and southeastern New Mexico, the Oklahoma Panhandle and southwestern Kansas.

**SAFE AT HOME....**Pat Upton, member of the Friona Ford Sales team, slides into home plate ahead of the throw, being anticipated by Ronnie Johnson of Hi-Pro. Friona Ford won the Thursday evening game, 12-6, to clinch at least a tie for first place in league standings.

**FINAL WEEK**

**Standings Close In Baseball**

Tight races were shaping up in three of the four leagues, as the 1982 summer Little League program entered its final slate of games in Friona.

**SENIOR LEAGUE**

Only in the Senior League will the leader be able to coast in for first place.

Cattle Town, although finally tasting defeat the previous week, rebounded with a win and has a secure hold on first place.

The Feeders really had to hold on to beat Bovina, 17-16, the team they had blanked 11-0 earlier in the week, for their ninth season win. Cattle Town scored four runs in the bottom of the sixth inning, to overcome a 16-13 deficit for the win.

Hits by Ricky Barnett, Rubin Villanueva and Leroy Mercado sparked the rally.

The Feeders did drop their second game of league play, to Black Grain, 11-10 on Tuesday, June 22, in another see-saw game. The Black team needed the win, having dropped a number of close decisions during the season.

In the other league game during the week, Bovina downed Benger Air Park on Tuesday, 17-7. The Bovina team batted around in the second inning, scoring six runs, and that made a big difference. Michael Shepherd banged out four hits, including three doubles to pace the Bovina attack.

After a slow start, the Bovina team has moved into second place going into the final game of the season.

**STANDINGS: Cattle Town 9-2; Bovina 5-6; Benger Air Park 4-6; Black Grain 3-7.**

**MAJOR LEAGUE**

Reeve Chevrolet-Olds scored a pair of wins, and Friona State Bank and Friona Feed Yard one each to set up a photo-finish in the Major League. Going into the final round of games, any of those three teams could win the title, and a tie is a good possibility.

The Bank edged Friona Feed Yard, 9-7 on Thursday, June 17, coming up with six runs in the sixth inning and erasing a 7-3 lead by the Feed Yard team.

Walks were a major factor in the game, as the hits were few and far between.

Reeve blasted Friona Star, 15-8 on Friday, scoring five runs in the third inning and six in the fourth. Kevin Frye socked three hits for Reeve, including a first-inning home run to get the scoring started.

The Star's luck continued bad on Monday, as Friona Feed Yard held on for a 10-9 win. An eight-run fourth inning by the Feeders spoiled an otherwise good pitching job by Julian Mendoza of the Star. Mendoza was also the leading hitter with four hits, equalled by Rod Britting of the winners.

Reeve, which has had some close

games with Friona State Bank, turned the tables with a 7-0 win on Tuesday. The Bank's few baserunners were mostly due to walks, as Reeve got a good pitching effort by Frye.

**STANDINGS: Friona St. Bank 7-4; Reeve Chevy-Olds 6-4; Friona Feed Yard 6-4; Friona Star 2-9.**

**MINOR LEAGUE**

If you thought things are close in the Major League, glance at the standings in the Minor Loop, where three teams are vying for the top spot.

Friona Ford continued their late-season rally with a 7-5 win over Parmer County Implement, to run their record to 6-3. The Fordmen scored six of their runs in the fifth inning. Hector Perez had the big hit, as a number of walks aided their cause.

Parmer County Implement bounced back on Tuesday for an 11-4 win over Ethridge-Spring, scoring five runs in the second inning. Ethridge-Spring had been edged, 10-9 by Hi-Pro Feeds on Thursday, June 17. After getting off to a 6-0 start in league play, this was the third straight loss for Ethridge-Spring.

Jesus Lara and Michael Mann each had hits for Hi-Pro in their three-run rally for the 10-9 win.

The other league game during the week saw the B-J Bees edge Hi-Pro, 9-7. The winners scored five times in the third inning for the win. Triples by Wes Drake and Wade Carson, and doubles by John Ed Duke and Steven Smith sparked the rally.

**STANDINGS: Parmer County Implement 7-4; Friona Ford 6-3; Ethridge-Spring 6-3; Hi-Pro 3-6; B-J Bees 2-8.**

**T-BALL LEAGUE**

Just when it looked like Credit Union had a hammerlock on first place in the T-Ball League, things tightened up somewhat during the past week's action.

Credit Union dropped a pair of games, their second and third losses in four outings, and fell to a 7-4 season record.

Hub Grain edged the league-leaders on Thursday, 19-14. Abel Torres socked out five hits and scored

five runs including a home run. Teammate Jim Ancira had four homers and a single.

Jack and Jill hammered Tasty Cream, 29-18 on Friday. Ryan Sifford, Arthur Perez and Adam Raymond each scored four times for the winners.

Then on Monday, Hub Grain downed Tasty Cream in a makeup game, 32-18. The winners scored at least five runs in every inning.

Jack and Jill handed Credit Union their second straight loss, 32-19 in Monday's regular game. John Schlenker scored five times for the winners.

On Tuesday, Hub Grain edged Tasty Cream, 14-13, outscoring Tasty Cream 6-5 in the last inning for the difference. Jim Ancira and Abel Torres were the leading batters for Hub Grain.

**STANDINGS: Credit Union 7-4; Jack & Jill 6-4; Hub Grain 6-5; Tasty Cream 2-8.**

**City Teams In League**

Four Friona men's softball teams are competing in a spring league with Dimmitt teams, with Bob's Pump currently standing in second place with a 6-3 record.

Here are the standings as of June 22:

Team	W-L
Dimmitt Wonders	8-1
Bob's Pump, Friona	6-3
Los Chicanos, Dimmitt	4-3
Tasty Cream, Friona	4-4
Brewers, Friona	2-6
Warlords, Friona	1-8

# Paula Moory, Gordon Kaiser

## Exchange Double Ring Vows

Paula Ann Moory and Gordon William Kaiser III were united in marriage at 2 p.m. Saturday, June 19 at the First Baptist Church in Ft. Smith, Arkansas.

The double ring ceremony was conducted by Dr. Bill Bennett, pastor of the church.

The bride is the daughter of Mr. and Mrs. Edward Moory of DeWitt, Arkansas. The bridegroom is the son of Gordon William Kaiser, Jr. of Clovis, N.M. and Mrs. Patty S. Corbell of Friona.

Craig Hobson of Van Buren, Arkansas, pianist, and James Hogan of Ft. Smith, organist, accompanied Mike Lenzini of Van Buren and Denise Renner of Ft. Smith, soloists. Mike Lenzini also played self-accompaniment on the flute as he sang "Time For Joy." Mrs. Renner's solos were "You're A Gift" and "My Tribute." Lenzini also led the attendants and congregation in the singing of several choruses, including "Open My Eyes Lord," "Worthy, Worthy" and "Surely The Presence Of The Lord Is In This Place."

The church was decorated with silk flower arrangements in assorted shades of mauve, pink, rose and lavender. The altar was flanked by two candelabra trees and baskets of pink dogwood and ivy. The family pews were marked with pink bows and the parents' pews were accented by greenery trees sprinkled with spring flowers and assorted bows.

Candlelighters were Jay Kaiser of Ft. Smith, brother of the groom, and

Stan Kaiser of Clovis, brother of the groom.

Guests were ushered and seated by Jay Kaiser, Stan Kaiser, Terry Menson of Ft. Smith and Tony Smith, cousin of the groom, also of Ft. Smith.

Mrs. Corbell was escorted by her two sons, Jay Kaiser and Stan Kaiser, and followed down the aisle by the groom's father, Gordon Kaiser and her husband, James H. Corbell of Friona.

Mrs. Moory was escorted by Terry Menson.

As the bride was presented in marriage by her father, she wore a white Pointe D'Esprit over taffeta with a ruffled rachele lace wedding ring neckline with a Pointe D'Esprit bodice forming a "V" shape and a rachele lace capelet effect. The long, straight sleeves were of Pointe D'Esprit with cuffs of rachele lace. A white grosgrain ribbon encircled the empire waistline. The full length skirt featured two ruffles of rachele lace at the bottom, flowing into a chapel length train.

Her veil was a white wired wreath of venice lace trimmed with silk flowers and pearls with a peau de soie bow with trailing streamers flowing over three veils of knee length venice lace to compete the bridal effect.

Cindy Nonomaque of Ft. Smith, served as maid of honor. Bridesmaids were Cherin Pace of Ft. Smith, Terresa Monroe of DeWitt and Leisa Bosinger of Ft. Smith.

The attendants were dressed

identically in floor length dresses of rose colored polyester knit with Pointe D'Esprit lace and satin ribbons on the yoke and bodice. Each attendant wore silk flowers in muted shades of rose in her hair and each wore white crocheted gloves. Their floral arrangements were long stemmed stephanotis of assorted shades of blue, mauve, rose, pink and lavender accented by flowing ribbon streamers in shades of rose.

Tom Harkness of Ft. Smith served as best man. Groomsman were Jay Kaiser, Stan Kaiser and Tony Smith. The male attendants were attired in silver-gray tuxedos, accented by silver-gray vests and white pleated shirts. Silver-gray bow ties and rose colored boutonnières complimented their outfits.

The groom chose a white tuxedo, white vest, white pleated shirt and white bow tie. His boutonniere was a white rose.

Brittany Cazelle of Ft. Smith was the flower girl. Brittany's floor length dress was identical to the bridal attendants' but included an apron of white rachele lace. She carried a white wicker basket filled with flower petals in the bride's chosen colors.

Brandon Lenzini of Van Buren was ring bearer. His tuxedo was identical to the male attendants'. He carried a white satin pillow trimmed with rachele lace and ribbon streamers, topped with a lavender bow.

The bridal reception immediately followed the ceremony in the Fellowship Hall of the church.

The reception table was covered with a white lace skirt which was overlaid with pink chiffon, trimmed

with pink flowers and ribbons. On the table were hand decorated mints, each topped with a rose or violet, assorted nuts, pink fruit punch which was served from a crystal punch bowl, while the mints and nuts were served from crystal and silver trays.

The three tiered wedding cake sat atop a flowing fountain, heightened by white pillars. The cake was decorated with pink roses and miniature white doves. Two doves forming an archway complimented the top tier.

Pink candle arrangements, rose and lavender flowers brought out the beauty of the bride's and groom's tables.

Servers for the reception were Teresa Smith, Joyce Meyer, both of Ft. Smith and Susan Dickey of Piggott, Arkansas.

Guests were registered before the ceremony and at the reception by Marti Pentz of Ft. Smith.

After the reception, rice bags were distributed by Bianca Burkett of Friona, sister of the groom, and April Dilday of DeWitt. The rice bags were of miniature wedding bells filled with rice and wrapped with lavender and pink tulle, tied in coordinating color ribbon. The bags were made by the bride's mother, Mrs. Ruth Moory, and sat in white wicker baskets decorated with lavender and pink bows.

Following a wedding trip to Hot Springs, Arkansas, the couple will make their home at 3514 Country Club Drive No. 1, Ft. Smith, Arkansas.

Special wedding guests included the groom's maternal grandparents, Mr. and Mrs. John H. Smith and the groom's maternal great-grandparents, Mr. and Mrs. Bert Sanders, all of Ft. Smith.

Also, Ruthie Murrush of Westville, Oklahoma and Kaye Moory of Little Rock, Arkansas, both sisters of the bride; and others from Piggott, DeWitt, Little Rock, Arkansas; Clovis, N.M.; and Friona. The bridegroom attended school in

Mrs. Gordon William Kaiser, III

Clovis and has attended WestArk Community College in Ft. Smith and College of the Ozarks in Clarksville, Arkansas. He is presently employed by Quik-Print in Ft. Smith.

The bride attended schools in DeWitt and is a graduate of the University of Arkansas School of Dental Hygiene. She is presently employed as a dental hygienist in Van Buren.

Smith. The buffet consisted of a full salad bar, steamship round, shrimp, scallops, oysters, crab balls, flounder and codfish fillets, an assortment of seafood sauces, turkey, dressing, sauteed brown rice, snowflake potatoes, broccoli polinaise, fried vegetable sticks, cleverleaf rolls and a dessert bar.

Pre-nuptial courtesies included two showers hosted by the bride and groom's friends in Ft. Smith and a shower-coffee which was held in DeWitt.

## Dianna Wright Listed On WBU Honor Roll

The 1982 spring Dean's Honor Roll at Wayland Baptist University, Plainview, includes Dianna Kay Wright of Friona.

Ms. Wright, a freshman, posted a 3.56 grade point average on a 4.00 scale for the recently completed term.

The Dean's Honor Roll is announced by Dr. Dan McLallen, academic vice president and dean of the university, at the end of each semester and lists the names of students who carried at least 12 semester hours during the term and whose GPA was 3.50 or above.

A total of 120 students from 13 states and one foreign country were named to the honor roll for the spring term.

Wayland Baptist University is a four-year coeducational institution of liberal arts and sciences which recently began its 74th year of operation. Last fall's enrollment of 1509 students set an all-time record for the 12th consecutive year.

Roy and Eva Miller will be spending more time than usual this summer going to weddings of their granddaughters. They've already been to McLean for the wedding of Maridale Glass and Scott Miller. (There's bound to be confusion in regard to names in that family. She has Miller grandparents and cousins and so does he.)

Then before school starts again, two more granddaughters, Sherry Glass and Sarah Mears will be married. Since Eva has retired from teaching music, she's enjoying having time to assist with the sewing for bridesmaid's dresses, as well as a lot of other things she couldn't crowd into her busy schedule before.

At Maridale's and Scott's wedding Roy and Eva had fourteen grandchildren performing different duties. So many of us will never have fifteen grandchildren, so it will be impossible for us to have that many in one wedding.

Besides the bride, Roy's and Eva's grandchildren in the wedding were Curt and Dana Miller, who sang; Sherry Glass and Sarah Mears, who sang; Angie, Terri and Jamie Glass, who were bridesmaids; Mara Miller, who passed out the rice bags; Clint Mears and John David Glass, who ushered; David Lyn Tims, who was a candlelighter; and Sally Hays and Evelyn Tims, who served cake and punch at the reception. Eva accompanied Curt and Dana as they sang, so that upped the Miller family numbers to sixteen.

Aubrey Baize is a medical patient at Deaf Smith General Hospital, Hereford. Harold and Kathryn Baize from Tucson, Arizona, are here to assist with his care.

Harold is the brother of Duane Baize and Lavon Renner and Kathryn is the sister of Kevin Henderson, so when the Tucson Baizes are here they visit their kith and kin, too.

Rhnea White surprised her parents with a family dinner in the White home Thursday evening. Ray and

Wanda were observing their twentieth wedding anniversary.

Guests were Mr. and Mrs. Frank Truitt, and Mr. and Mrs. Troy White and daughters, Vacreia, Tawn and Vanette.

Mrs. Maydell Hicks of Madill, Oklahoma, is a visitor in the home of Brenda and Durrell Hicks and daughter, Amanda, this week. She is Durrell's mother.

Brenda, who has been a surgical patient at St. Anthony's Hospital in Amarillo, is recuperating at home.

Kenneth and Thelma Watkins are gradually getting closer to Friona. They lived here a number of years before moving to California a few years ago.

Several months ago they moved to a farm house between Dimmitt and Hart, where Kenneth is employed by Hill Feedyards. Last weekend their son and daughter-in-law, Harry and D'Aun Watkins, who live here, went down and helped them move into a new home which they have bought in the Castro County Capital.

Larry and Shirley White Truitt of Houston spent the weekend here. They're former residents. Their parents are Mr. and Mrs. Frank Truitt and Mr. and Mrs. Ray White.

Shirley and Larry both teach in the public schools of Houston during the winter months and don't come to Friona real often. This time they were enroute to the Northeastern New Mexico mountains for their annual summer vacation.

Luther and Clessy Stroud have returned to Friona after spending some time at their Oklahoma home, which is located near Okarche.

Instead of having a summer home and a winter home like some folks do, these two have a Texas home and an Oklahoma home. The one in Friona is at 1305 Columbia and the one in Oklahoma is on a ranch near Okarche.

While they were in the Sooner state, Luther's brother and all four of

his sisters were there, too.

Rev. and Mrs. Dennis J. Bennett and daughters, Tracee and Stacey, who live in Abilene, were on vacation last week. They spent several days at Lake Tanglewood, which is near Amarillo, then came to Friona for the weekend.

Tuesday Mrs. Bennett's parents, Ralph and Waneta Taylor, drove up to Lake Tanglewood and spent the night. While there Waneta played her first golf.

She was very enthusiastic about it, so she may be buying clubs and taking lessons the next time we hear from her.

On Saturday Tracee observed her fifteenth birthday with ice cream, cake and fun in the home of her grandparents.

Mrs. Bennett is the former Judy Taylor.

Lucille Collier was dismissed from the local hospital Tuesday afternoon. Her daughter, Zola Lee Wiggins, a former Friona resident, who now lives at Burk Burnett, Texas, is here.

Jim and Sally Cocannouer returned home last weekend after a two week trip, which included a couple of days at The World's Fair at Knoxville, Tennessee, and visits to historic sites in Kentucky, Ohio and Missouri.

Jim says, "Probably the most impressive thing we saw was the Ohio River and it must have been ten miles wide."

Enroute they visited Jim's uncle and aunt, John and Myrtle Fine, who are 101 and 98 years of age, respectively, and attended a Cocannouer family reunion in Oklahoma City.

They also visited Sally's brother, Tillman Pope, who lives in Fort Smith, Arkansas, and spent some time at Pawnee, Oklahoma, where they were married fifty-four years ago.

The biggest treat for Rudolph and Clara Renner the Father's Day weekend was a surprise visit from

their youngest son, Cotton, and his wife, Kay, who live at Winnsboro, Louisiana. They are former Friona residents.

Kay and a brother-in-law, John Renner, who lives here, were entered in the golf tournament at Friona Country Club, so Cotton's and Kay's arrival wasn't a surprise to some of the family.

On Sunday Mr. and Mrs. Robin Renner came up from Jal, New Mexico, to be with his parents and other relatives. Other visitors in the Renner home Sunday were John and Lavon Renner, Billy Dean and Lillie Mae Baxter, Doyce and Mary Joyce Barnett and son, David, and Junior and Betty Renner.

Also Ancel and Iona Renner, John and Sherri Taylor and daughters and Jim and Amelia Taylor and daughters.

Mrs. Ella Dukes of Colorado Springs, Colorado, is visiting in the home of Mr. and Mrs. Watson Whaley. Mrs. Dukes, a former Friona resident, and Mrs. Whaley are sisters.

Other out-of-town guests in the Whaley home over the weekend were Mr. and Mrs. John Sutton of Amarillo. Mrs. Sutton is the former Lou Whaley.

Eliza Baker of Marysville, California, has been visiting in the home of her sister and brother-in-law, Lillie Mae and Raymond Hughes.

These three spent the weekend in the home of Mr. and Mrs. Davie Hughes at Clinton, Oklahoma, then Mrs. Baker remained for a longer visit.

Mabel Wimberley Reese of Fresno, California is a guest in the home of her sister, Lavernia Brock Parr this week. These two are busy getting ready for a Wimberley family reunion at Friendship House Sunday.

They would like for neighbors and friends--both present and long ago--to come by for a visit in the afternoon.

## Ordination Service Set

Wayne Allen Schueler will be ordained on Sunday, July 4, at 3 p.m. in the Immanuel Lutheran Church of Rhea. Rev. Otto Kretzmann of Wilson, Texas and Rev. Herman Schelter of St. John's Lutheran Church of Lariat, will conduct the ordination service. The public is invited to attend.

A reception will follow the ordination service and everyone is invited to attend this event also.

Schueler is the son of Mr. and Mrs. Walter Schueler of Rhea and is a 1970 graduate of Friona High School. He recently graduated from Concordia Theological Seminary in Fort Wayne, Indiana. He is married to the former Ann Merckert of Victoria, Texas. They have two children, Sarah and Matthew.

Rev. Schueler and his family will be moving to Albany, Texas where he will be installed as the new pastor on July 11.

FRIONAN HONORED....Ron Davenport, right, president of Friona Industries, received the Texas Tech "Beef Coach" plaque from Jess Stiles, assistant athletic director at a Red Raider Day dinner in Hereford recently.

## Davenport Receives Scholarship

Winfield Davenport, a graduate of Friona High School, has been awarded a West Texas State University Student Foundation scholarship for the 1982-83 academic year.

Davenport, who will be a freshman at WTSU beginning in the fall semester, received the \$200 scholarship through the Department

of Animal Science in the School of Agriculture. He plans to major in animal science.

Members of the WTSU Student Foundation, a student leadership organization, conduct a phone campaign each October to raise scholarship funds.

Of the 1981 total, the WTSU Student Foundation set aside \$7,600 to award WTSU Student Foundation Honor Scholarships to students from community or junior colleges who are members of Phi Theta Kappa honor society, and \$16,300 to be given as WTSU Student Foundation Scholarships in 25 academic areas.

## C.F. Homfelds Honored At Anniversary

Mr. and Mrs. C.F. Homfeld were honored for their 50th wedding anniversary June 6 at the Senior Citizens Friendship House.

A noon meal was served for the family including several relatives from Missouri. The meal was provided by the couple's children, Glenda Sifford of Friona, Lloyd Homfeld of Dalhart, Jerry and Kenneth Homfeld of Adrian; also close friends Kate Bradley of Adrian, Alta Mae Higgins of Hereford, Mary Dorris of Clovis and Stella Sevier of El Paso.

A reception followed from 3 to 5 p.m.

The family expresses many thanks to the friends and relatives who attended from Denver, Colorado; Higginsville, Lexington, Corder, Linn, Orvensville and Jefferson City, Missouri; Lubbock, Amarillo, Canyon, Hereford, Dalhart, Plainview, Groom, Vega, Adrian, La Porte, Dimmitt and Friona, Texas.

## What's It Like To Have A Chimney Fire?

It's no fun. If it doesn't burn the house down, it will probably wreck your chimney and scare you half to death. Here's how it happens.

Begin with one dirty chimney—let's say a fireplace not cleaned for a couple of years. The soot lining the chimney flue is saturated with flammable stuff called creosote. (More details on creosote is available in any dictionary.) It doesn't take much to ignite creosote—a newspaper fire sending flames up to the damper is enough.

Once kindled, creosote burns with joyous abandon. In a matter of seconds the fire spreads up through the flue creating a draft that only helps things along. At this point your average chimney fire begins to roar and howl, sending the occupants of the house running for cover.

If you run, you'll be treated to a real fireworks show. As the creosote fire builds and intensifies the heat melts the mortar between the brick. The red-hot mortar actually drips into the flue, only to be caught up in the tremendous updraft, and these little fire balls shoot out the chimney and onto the roof. If you're lucky, the chimney will fall apart destroying one end of the building—if you're not, this miniature volcano can bring the whole house down.

However, if you stand your ground, a chimney fire can be controlled. Put out the fire in the fireplace with an extinguisher or sand. Cover the opening with a wet blanket, call the fire department, and hope for the best. But it should be pointed out that having your chimney cleaned is a lot easier on the nerves than the sand and wet blanket method.

## Donna Morgan On Honor Roll

The University of Texas at Arlington has released the list of students qualifying for the University Honor Roll and the National Dean's List for the 1982 spring semester.

Donna Morgan, daughter of Mr. and Mrs. Floyd L. Rector of Friona, has been included on the National Dean's List as well as the University Honor Roll.

Mrs. Morgan, a junior business finance major, has qualified for the National Dean's List every semester while attending UTA, as she has an accumulated GPA of 4.0.

In order to be included on the University Honor Roll, students must have completed 12 semester hours or more and have a grade point ratio of 3.0 or above.

To qualify for the National Dean's List, grade point averages ranging from 3.85 to the perfect 4.0 are required.

## Frionans Attend WTSU Upward Bound Program

A former student in the West Texas State University Upward Bound Program who has earned a law degree will share her experiences with students in the summer program during the annual awards banquet on Sunday, June 27.

The banquet, which will honor 62 participants in the WTSU program, will be at 4 p.m. in the East Dining Hall on campus. Carmen Young Kelsey, who received a bachelor's degree at WTSU before entering the University of Texas law school, will speak to the students.

The Upward Bound Program is a 12-month program for high school students from limited income families. Students are encouraged to realize and develop their potential and to prepare for success. At WTSU, the summer program attracts students within a 50-mile radius of campus including Amarillo, Canyon, Hereford, Friona, Happy and Tulia.

Roger Scott, director of Student Special Services and Upward Bound at WTSU, said the students will receive awards from the teachers in the program for the most improved student in the academic areas of math, economics, English and biology, the most helpful student, in addition to others.

Kelsey participated in the Upward Bound Program from 1972-74. While at WTSU, she was a Song Girl in 1975-76 and a member of Delta Sigma Theta service sorority and the Afro-American Association. She majored in pre-law.

"She was a highly-motivated student," said Scott. "She had an idea what she wanted to do."

Following her graduation from law school, Kelsey worked as a briefing clerk for the liquidation division of the state insurance board and works in the claims department of State Farm Insurance Co. in San Antonio.

At UT, she was assistant managing editor of the American Journal of Criminal Law and a member of the Thurgood Marshall Legal Society.

She is the daughter of Mr. and Mrs. Aaron Young of Amarillo.

Students participating in the summer Upward Bound Program from Friona are Nelson Jackson, Wenetter Jackson, Mary Jane Cuevas and Jessie Gonzales.

**RHONDA MURPHREE** graduated May, 1982 from West Texas State University with a bachelor of business education degree. Mrs. Murphree attended Texas Tech University for three years before transferring to West Texas State. She is a 1978 graduate of Friona High School and she and her husband, Jimmy live on a farm west of Friona. She is the daughter of Mr. and Mrs. Percy Parsons of Dimmitt, formerly of Friona.

## Fashion Revue Set June 30 In Farwell

The gazebo in Farwell City Park will be the setting for the 1982 4-H Fashion Revue. The style show will take place on June 30 at approximately 11 a.m.

The public is invited to attend. The 4-H'ers from Lazbuddie, Bovina, Oklahoma Lane, Friona and Farwell will be competing to go to the District Contest in July.

Four-H'ers enter the Fashion Revue after completing the 4-H Clothing Project. The competition will be in the Junior and Senior divisions and will include daytime tailored, daytime non-tailored, active sportswear and evening and specialty garments.

During the clothing project 4-H'ers learn various aspects of clothing. This includes consumerism, textiles, creation, design and grooming.

As with all programs offered by the Texas Agricultural Extension Service, this one is open to everyone without regard to race, color, religion, sex, age, or national origin, and there is no charge.

## Cookout Highlights Antique Club Meeting

# did you know?

At Southwestern Public Service Company, we keep our customers in mind when selecting the type of fuel to use in our electric generating stations. That is why we chose coal as the fuel for our newest power plants. Coal meets the tests of availability, technical and economical feasibility, reliability, environmental standards, and is in line with national energy policies.

Morris Rantz, Fuel Administration Manager, Amarillo.

The economy affects utility companies just as it does all of us. Despite their regulated status, utilities still face the problems of inflation, high interest rates, and soaring fuel costs. And regulation does not guarantee that a company will make a profit. Instead, regulators establish a "ceiling" or maximum amount of profit which a utility may make, a profit level which few utilities are able to reach because of the expenses involved in providing reliable electric service.

Jo Barnes, Chief Clerk, Levelland.

Using major electric appliances during "off-peak" hours can help keep down the cost of electric service. Certain times of day, usually between 5 p.m. and 7 p.m., are "peak" hours, when SPS' full generating capacity must be used to meet customer demands. Using your appliances during "off-peak" hours can help balance the load on these facilities and allow SPS to deliver your electricity in the most economical way.

Connie Moyers, Consumer Services Representative, Clovis.

Knowing what electricity is worth is worth knowing. For answers to your questions, call or write your SPS manager.

**News of Nutrition**  
by ANN CROWLEY  
R.D., Ph.D.

**4th OF JULY FRIED CHICKEN**

This 4th of July I am using a recipe I picked up in North Carolina a year ago.

2/3 cup buttermilk  
3/4 teaspoon hot pepper sauce (less if desired)  
1 teaspoon salt  
2 1/2 pounds broiler/fryer chicken cut up  
Lard or vegetable oil

Combine buttermilk, hot pepper sauce and salt in shallow pan. Roll chicken pieces in mixture. Drain a bit and set. Heat fat in 12 inch heavy skillet. Brown chicken on all sides. Remove remaining fat from pan. Cover chicken on lower heat. Cook for 20 or 30 minutes more or until tender. Great for a picnic.
