Court House Progress Report Shown in Pictures

Builders of court houses are not exceptions to the rule that plans you make are subject to manpower and materials. This goes for the Floyd County court house, now under way with Dolph Construction company as the principal contractors.

Pictures presented herewith are not the finished product but they do show the exterior progress that is being made in the building. The shots were made on August 28--last week. They do not show a great deal of work that is going on in the interior by the plumber, the electrician and the heating and lighting crew, nor for that matter by other workmen who have been re-doing the arrangement to conform to the new plans for the old court house.

In the pictures: First is a view of the south addition taken from the southeast corner where workmen are laying brick for the retaining walls;

Second is a west view of the north addition and the third is also of the north addition taken from the north west corner.

Number four is a general view of the job taken from the southwest corner. The tower to the left is a temporary structure in use to raise materials to the upper floors.

J. A. Nesbit superintendent said that although the plan situation had changed their plans along with other people's, who need steel and some other materials, they do have or have in sight such materials as they are going to need to go on up with the building and get it in the dry (a roof on it) sometime after the first of October, assuming reasonably favorable weather conditions.

Three Days Rainfall Brings Ground Soaking Moisture

Floyd county, along with all the plains area, had ground soaking rains in the week beginning Sunday that will put moisture deep into the ground and assure good fall working conditions for wheat growers. At the same time the rains gave a spurt to the late forage feeds, and give a rosy outlook for those who depend on forage burlies for winter and spring feeding operations. Here are the figures for the rainfall at Floydada, none of which was accompanied by lightning or storm.

Sunday night	1.15
Monday	.60
Monday night	2.19
Tuesday	.60
Total at Floydada	4.45

From all portions of the county

the reports show that 2.5 inches or more than five inches of moisture fell in the nearly four days of the rain. East and northeast the rains may have been heavier than westward toward the county line. Low temperatures were recorded for this time of year on Friday with a low of 56 degrees and again Saturday the thermometer dipped to 56. High for the week was 93 degrees Saturday afternoon. Wednesday the mercury dropped to 58, the chart record at West Texas Gas company showed.

School Attendance Cut
Attendance at Floydada Public schools was cut considerably under expectations this week when buses were unable to make all of their routes. Superintendent I. T. Graves

said none of the buses made all of their rounds. Rain was falling Monday morning when the schools opened up and there were many youngsters and their parents who got wet as the school year opened. This was especially true at Andrews ward, where the first day brought on transportation congestion as well as sloppy streets and walks. It is thought the buses will make their complete rounds today.

Rural Routes Are Heavy
Tuesday was the hard day on the rural route carriers out of Floydada. All of them had considerable difficulty. On Route 3 the carrier missed a part of his route but was trying to get back through on the missed sections Wednesday.

Two Hurt During Rain
During the rain storm Monday, Kerwin Baxter, son of Mr. and Mrs. Cecil Baxter was injured as he turned off the highway to go on to the road leading to his home. A car driven by a resident of Rails, hit the pickup Kerwin was driving, turning the car over. Kerwin was brought to the Guthrie hospital, with numerous bruises, but the X-ray showed no broken bones. He was dismissed from the hospital Wednesday morning.

Also during the Monday rain, C. J. Parr of south of town, was in his pickup driving between Paducah and Matador, when he lost control of his car, and it collided with a car from Matador. His car fell on him. Mr. Parr is in the Guthrie hospital suffering from bruises on arms and legs and back.

Both cars, the Baxter pickup and the Parr pickup were badly damaged.

WHIRLWINDS VS. TIGERS

High school football for the season of 1950 will be inaugurated Friday night by the Whirlwinds in their first game of the year against the Slaton Tigers. Game time is 8 o'clock. Westerfield will be the place. The crowd will be a big one with practically every reserved seat taken.

If the weather is fair today and Friday the field will be fairly fast. The turf is not bad but the grass is green and young. More rain and overcast would result in the field being cut up badly.

Several Squadmen Will Play
Preston Watson, the new football coach, yesterday afternoon gave a starting 11 for the newspapers but said that a considerable number of the youngsters will be given a chance to play. The coach will likely start:

- Ends, Franklin Stovall and Hubert King;
- Tackles, Duane Lemons and Roy Teague;
- Guards, Lawrence Stovall and Lewis Reddy or David Rape;
- Center, Carroll Fulton;
- Backs: Aubrey Guthrie or Quarterback, Adrian Helms or Billy Carmack at left half, Don McGuire or Bert Grimes at right half, Dennis Wilks or Dale Roberts will start at the fullback position. No estimate was made of the weight of the starting team.

All of these and several others will get a chance to play some of the game, especially on defense.

Among these will be the Irwin boys and Mac Hickerson. Three young backfield men, Don Daniel, Connie Bearden and Edgar Allen are to have some time. Kerwin Baxter, hurt in a car-pick-up crash Monday night will be out another week on advice of the doctor, Coach Watson said.

"Today we have had no injuries from practice and the youngsters are in good condition," said Mr. Watson. "The boys are good workers and we have a world of work to do."

Slaton Roster Unknown
As late as last night the coaches

had no information on the roster of the Slaton Tigers nor of the relative strength of the two teams. Aubrey Guthrie, calling the plays at quarterback for the first time in his high school career, is the only experienced man on the team. He rated high in regional as a center, but still has to find his way about in the backfield. He is a heady boy and eager to win, which will make a difference. The fact that all the team like to play the game and want to learn is helping a great deal in whipping the green players into condition while they learn the technique.

The rains have washed the poison off of all the cotton and every field should be watched carefully for both leaf and boll worms.

Treat For Wire Worms
Everyone planning to sow wheat should treat their seed for wire worms, says County agent Bob Gibson. His statement in full:

The presence of the extremely large number of "model-A" bugs, the parent of the wire-worm, assures a great number of wire-worms and many acres of wheat will be damaged or ruined unless the seeds are treated. In addition to treating the seed for wire-worms with BHC or Lindane at the rate of two ounces of pure gamma isomer per 100 pounds of wheat seed. This means that six to eight ounces of 10-12 percent BHC should be added to 100 pounds of seed. The BHC or Lindane may be added to the wheat after it is placed in the seed hopper to be planted but should be mixed with the seed by stirring several times with a stick or something else. Do not stir with the hands and avoid breathing the fumes because they will make a person very sick and cause vomiting. Excellent results have been obtained in killing wire-worms and saving a stand of wheat by this treatment, Gibson said.

Glover Manager Bridge Plans For Silverton Public Service

Ralph Glover has been appointed manager of the Southwestern Public Service Company local office in Silverton it was announced today by J. M. Collins, Plains Division

Ralph Glover transferred to Silverton as Public Service mgr.

Manager. Mr. Glover assumed his new duties effective September last. "Mr. Glover is well qualified to offer good service to the people of Silverton," Mr. Collins said. "He is a young man who has proved his worth with our company starting in October 1945 as an apprentice lineman in Clovis and earning his journeyman lineman rating three years

later in October 1948," Mr. Collins continued.

Plans for the two state highway bridges under the hill in Floyd county, across Los Lingos and across Quitaque, are at the finalizing point in the district office and should go to Austin shortly. The shots on the Aiken-Providence road were finished last Friday and only a bit of cleaning up in ditches and on shoulders remains to be done before that road north 8.5 miles from Aiken and 2.4 miles west from Providence will be received by the state from Cooper-Woodruff, the contractors.

On the Dougherty road, 8.5 miles southward to the Crosby county line, the paper work has been finished and is in Austin. This job, along with 3.5 miles south from Gasoline in Briscoe to the Motley county line, may make the October list for letting.

This is the report of James F. Potts, resident engineer of the State Highway department on road work in progress in this immediate area.

Mr. Glover comes to Silverton from Floydada where he held the position of Head Serviceman since January 1949. The new manager has had a preview of his new position as he was acting manager in Silverton during the vacation of M. O. Blackshear. In addition he was called on to be acting manager in Dimmitt and Abernathy this past summer and at all three places he did a fine job during the short period he was there. While at Floydada, Mr. Glover was active in (See Ralph Glover, back page)

Hospital Campaign Enters Local Organization Phase

First phase of organizing in the Hospital Campaign, at the local level, is now virtually completed according to a statement from campaign headquarters by J. M. Willson, general manager, yesterday.

Rotary Party Next Thursday

The annual get-acquainted party of the Floydada Rotary club, held to honor the members of the faculty and school board of Floydada Public schools, will be held on Thursday night of next week, September 14, it has been announced by Fred Zimmerman, Jr., chairman of the program committee for the evening. Other members of the committee are Bill Brown and Lon Davis, Jr.

Floyd County Boys Included First Call for Army Service

Call for actual induction of boys for military service was issued yesterday by J. M. Willson, chairman of Local Board for Selective Service for Hale, Matador and Motley counties.

H. A. Copeland Is K-F Dealer

H. A. Copeland has the Kaiser-Frazer automobile dealership for Floydada. The new agency is being formally welcomed into the sales organization this week by the Kaiser Frazer corporation.

First model of the Kaiser 1951 auto was shown last week-end by the Copeland agency and another is on display this week. The Copeland restaurant property is being transformed into a display room and provisions will be made for shops as quickly as possible. For the present the Barbee garage will be the official tune up and check up station for the new car, said Mr. Copeland. In addition to the new 1951 Kaiser the new Frazer for 1951 will be unveiled at a not far distant date, said Mr. Copeland. He expects this new car to be a sensation in the low-price field. No announcement of price or otherwise has been made by the company as yet, however. The firm style of the local agency will be Copeland's K-F Sales company.

Best Kendricks in Car Crash

Best Kendricks of Rails, brother Pete Kendricks, Floydada, was in a car wreck west of here as he was resting at his home. The car was overturned and was crushed upward very sorely on Mrs. Pete Kendricks who was in the car. The Hesperian this morning reported that Mrs. Kendricks was first carried to the Guthrie hospital where she was recovering. She was suffering from many bad bruises. The car is being cleared up now and it is expected that it could be under the circumstances, Mrs. Kendricks.

Mr. and Mrs. J. M. Willson left to attend the state convention of the American Legion at Galveston, which convenes September 8 through September 10.

EDITORIALS

People generally and taxpayers in particular of Floydada will be sympathetic toward the proposal of the city council to do something about relieving the waterworks department of its big load and giving it a chance to build up a reserve against future needs of repair and expansion. The situation which shows the water department to be going in the hole is one which has grown up during 30 years or more of good times and bad times, particularly bad. In these periods the city had no other source to which to turn to get money to carry on the functions of government demanded by the people. There is no let-up in this demand. The fact is the taxpayers (in much the same manner as those who have a free ride) are demanding more, not less, of their city government - more sanitation, more street maintenance, more water, more light, more supervision of traffic, more everything. So the council can't let up in any of these respects. They can try to get greater efficiency in supplying these services and thus reduce the bill, perhaps, but otherwise they can do no less than they are doing now. As it is the water department annually is carrying thousands of dollars of the load that direct taxes or some other type of income normally would be supplying. Like in the story of Topsy the system just grew up that way. Or like big sister in a large family, the others sit around and wait for her to get the cows milked so she can fix breakfast. We all like it that way, or have got in the habit of it being that way. It will make less stress and strain just to raise the rates in line with other municipalities in the vicinity are charging for similar services. But this raise should be put into a pot that is more or less untouchable to provide some money for improvement that the system gravely needs. That is what we think. We want the council to raise the water and sewer rates as equitably as they can. But we want them to earmark the additional money they get in this manner for reserve against expansion needs, against the possibility of disaster, against the needs for repairs. We can't go on thinking up new things for the city to do and casually pass the bill to the water and sewer department that ought to be met from more direct taxes, or by other departments of the city government. We have been demanding this kind of thing from succeeding councils for 30 years. We ought to have gumption enough either (1) to quit demanding so much, or (2) pay some more so the waterworks department will have something to lay away against a rainy day after it has met our demands that it pay salaries of the administrative and law enforcement departments.

The president's message Friday night by way of the radio and the daily newspapers put us 4-Fers on the alert. It is certain now that the mentally and physically able are going to get a chance to go to war and the rest of us are going to have the job of carrying on. Which means that we'll have the people who have to have things done, asking us more and more instead of telling us. Graybeards will learn over again how to plow or plant through the cold and engine vibration of the night, and other old heads who thought they were ready to retire will suddenly get young again, - or else. We don't mean this particularly gripingly. What we do mean is that the squeeze is going to hit not too many months away. The army, the war industries, big business, everybody is going to be sniping for the manpower that the small, small business man has and the small, small man is going to be picking at the cover. There just are not going to be enough working people left free to work at the kind of work you and I have to offer them. How we'll do, how we'll manage, ask the Good Lord to tell you. And don't gripe about it. Sacrifice is in the making, sacrifice for you and me as well as the boy out yonder who wishes he could be at home and doing what he wants to do the way he wants to do it. This is a forecast, not a statement of fact.

The congress speaks and plans for more taxes, come a new year. Right now they are afraid of the electorate, that is afraid of their jobs and they won't do anything. But a little later it will come, this raise in taxes. What we cannot understand is that the plan is to make the raise retroactive. Perhaps Mr. Mahon, Mr. Connally, Mr. Johnson do not say it, maybe it is only some member of a committee flying a kite and calling it "newspaper talk." Anyway they speak of passing a tax law in January that may be retroactive back to October, 1950, possibly, January, 1950. That's a good way to scare a business man. Tell him he is making a bill the size of which he does not know. And that he is building up taxes on his payroll that he must collect later from his employees, who may not have the money when the time comes. And he may go to jail for not getting the money from them that they haven't got. Sounds screwball, as the saying goes, but the congress of the United States, the men who represent you and I are letting talk like that fly around without denying any part of it.

You Pay Postal Deficit.—The 1950 operating deficit of the U. S. Postal Service will amount to \$569,000,000. This means an extra tax of about \$4 for every man, woman and child in the United States.

Every District 3-A Team Plays Friday Night

Every high school team in District 3-A, including two which played last Friday night, will play football Friday night, according to their schedules. Five of them will play home games and three will journey to neighboring districts. The Ralls Jackrabbits will have a home game against New Deal (B) team, Paducah against Chillicothe on Dragon field, Crosbyton Chiefs go to Post, Spur renews its early season rivalry with Haskell at Haskell, and Lockney Longhorns will entertain the highly rated Littlefield Wildcats. Abernathy will have a home game against Morton, Floydada will have their old-time antagonists, the Slaton Tigers, on Western field. Tulla Hornets buck the formidable Eagles at Canyon high.

Mr. and Mrs. L. J. Brown and daughters, Carolyn Sue and Florence Neil, in company with Miss Ann Brown, of Dallas, have been in Floydada this week, guests of their sister, Mrs. A. E. Guthrie and Dr. Guthrie. Also Sunday and Monday, guests of the Guthries were Mr. and Mrs. S. M. Brown now of Sunray.

Better Sight BY THE CARTON

Lamps with empty sockets are about as handy as a ship without a sail! No matter how efficient... or how many lamps you may have around the house... they're so much excess baggage if your supply of lamp-bulbs is down to the bottom of the carton.

Good light is so necessary to good sight. And a carton of bulbs always on hand is insurance against "bulb snatching"... being without... or inconvenient rushing to the store.

Yes, BULBS ARE MIGHTY IMPORTANT... cleanliness is, too! Your lamps and fixtures should be kept clean. Dust and dirt can rob you of half the light you pay for. Reflector bowls can be washed with soap and water... bulbs wiped clean with a damp cloth. Shades may be dusted, washed or dry-cleaned... depending on the type fabric. Light-conditioning your home is economical, too... low cost, dependable electric service makes it so!

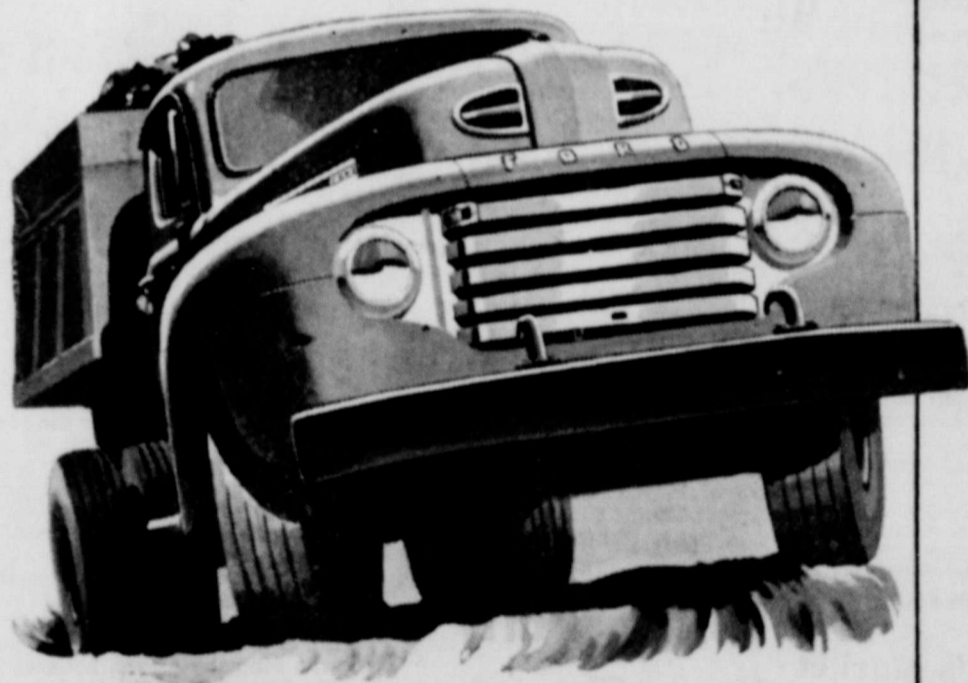

THERE'S A BULB FOR EVERY JOB...
40-60 watt—Strictly decorative... such as boudoir lamps, brackets, etc.
75-100 watt—Decorative and functional where the seeing task isn't too demanding.
150-300 watt—Reading, sewing... where good, strong light is needed for proper "see-ability."

Women of Clubs Revel in Styles Old and New, at Revue Thursday

A dress revue culminated the study of clothing construction in home demonstration clubs for the year. House dresses, street dresses, evening gowns, and children's clothing were modeled in the style show that was held in the American Legion hall in Floydada Thursday afternoon.

To start the afternoon's program a number of costumes of the past were modeled. The oldest costume, a calico house dress modeled by Mona Ray Williams, had a mandarin collar, back fullness, and pockets extending around the hips. All of these fashions have recurred in styles the past year. This dress was made by Mona's grandmother about 1887.

Other costumes were worn by Mrs. S. J. Latta, who modeled a bustle dress of her grandmother, Mrs. R. C. Guest and Mrs. Thomas L. Fawcett who modeled dresses over 40 years old that belonged to Mrs. J. L. Montgomery of Center; a shirt waist and skirt of 1910 vintage, modeled by Mrs. J. E. Green and owned by Mrs. C. E. Neil; a grey chiffon dinner dress, very stylish in 1920, and an evening coat of 1930, owned and modeled by Mrs. D. D. Shipley. The model that brought down the house was the 1925 style wedding dress owned and modeled by Mrs. Jno. Smitherman. This long-waisted, short skirt affair is a style that some designers have been trying to bring back in the present day.

The first group of modern dresses shown were house dresses. These were made and modeled by Meses L. K. Sherman of Pleasant Valley, D. D. Shipley of Homebuilders, Henry Bollman of Lockney; and Floyd Fuqua of the Homebuilders, home demonstration club.

Street Dresses Modeled
Street dresses were shown in the second group. They were modeled by Meses Clyde Farris, Lone Star; Raymond Williams and D. T. Mayo of Homebuilders; W. E. Grimes; J. H. Buchanan; Mal Jarboe; George Stiles, A. H. Kreis, and F. O. Conner of Friendship; L. B. Brandes Providence; John B.

Tinnin, Dougherty; O. C. Vinson, and C. W. Burton, Center; Jno. Smitherman, South Plains; Foster Amburn, D. W. Burke, Leslie Fawcett, W. C. Sims of Sunnyside; Roy Hollums, Sand Hill; L. M. Hones, Lockney and N. S. Abbott, Starkey. Children who modeled dresses or suits in this division were Debra Brandes of Providence; Dee Ann Wilson of Center; Stanley and Linda Abbott of Starkey.

In the evening dress class were Meses Doris Elaine Snodgrass of Harmony; Ginger Tinnin of Dougherty; Lana Jean Davis and Darlene Mount of Starkey; whose charming dresses were made by their mothers.

All of the dresses were characterized by becomingness of style and economy in cost, and were modeled with grace and poise.

Adding to the afternoon's enjoyment was a number of the Junior Swing club of Floydada and an appropriate reading by Mrs. Billy Brown, also of Floydada. The Swing club is sponsored by Mr. and Mrs. Gene Aylesworth. Mr. Aylesworth called the square and the following young couples participated; Peggy Lanham, Bert Grimes, Beverly Thomas, Billy Charles Carmack, Edith Garrett, Dennis Wilks, Pat Fralin, and Mac Hickerson. The costumes worn by the members of the swing club were made by Mrs. W. E. Grimes, and Mrs. Lenton Lanham. The girls' dresses had 14 yards in each and were of the colonial era. Attention was called to them, as well as to the fact that association, which has just convened its annual state meeting, recommends more activities among young people like the square dances.

Chairmen, Committees Named
Miss Leila Petty, County Home Demonstration agent, announced the numbers on the program. Committees from the county home demonstration council were in charge of all arrangements and special thanks were given them for their work. Mrs. Everett Miller of Harmony, chairman of the education expansion committee of the council, was general chairman. She was assisted by Mrs. W. E. Grimes of

Friendship and Mrs. S. J. Latta of Sunnyside. The lovely decorations of fall flowers were furnished by this committee as well as by Mrs. Mal Jarboe, Mrs. Tom Price, and Mrs. Yearwood. This committee was in charge of the program and decorations. The recreation committee was in charge of refreshments. Its members are Mrs. O. G. Shearer of Lakeview, Mrs. B. H. Quebe, Providence; Mrs. Paul Sparkman of Starkey and Mrs. Wayne Russell of Lakeview.

Mrs. Lee Pope of Pleasant Valley and Mrs. Sam Lide of Dougherty, members of the exhibit committee, classified the entries and registered the guests. Mrs. Clyde Farris of Lone Star played appropriate music during the revue.

Special thanks were also given Mr. and Mrs. Aylesworth, owner of the Floydada Floral company, for helping with the decorations, and to the Chamber of Commerce for the use of the loud speaking system.

About two hundred people enjoyed the afternoon's entertainment.

PEOPLE'S HOSPITAL NOTES

Congratulations are in order for Mr. and Mrs. L. B. Stewart, Jr., on the birth of a daughter, Jo Ann, born September 2, 1950, at 12:10 p. m., and weighing six pounds and ten ounces.

AFTERNOON SINGING DATE

The second evening singing will be at the Nazarine church next Sunday. Everyone is invited to come.

Mr. and Mrs. J. V. Collingsworth, of Amarillo, are here visiting their daughter, Mrs. W. E. Garrett and family. They also will visit in Seymour and Turnersville, Texas, and in Mississippi.

Ray Jetton wounded In Korean Conflict

LOCKNEY — Corporal William Ray Jetton, 18 years of age, was wounded on August 14 in Korea, according to information received here from his mother, Mrs. W. O. Jetton of Gainesville. The Jettons lived here until about four months ago, when they moved to Gainesville.

Ray was wounded in the right arm, his mother said, and is in an army hospital at Osaka, Japan. He hopes to be sent back to the states soon. The extent of his wounds was unknown here. The soldier was on active duty, with Company C of the 9th Infantry regiment, when wounded. He had been in Korea only a few days, it was believed, since he was shipped overseas the latter part of July.

Mrs. Jetton received the telegram from the government Saturday and on Monday of this week received a letter from a friend of Ray's telling of the wound. Mrs. Jetton recently sold her home here. The boy's father, W. O. Jetton, was killed here last year in a fall from a hay truck.

SCHOLARSHIP AWARD SEPT. 9

A scholarship for a 4-H club girl is a project of Home Demonstration clubs in District 2. Contributions to the scholarship are voluntary. The fund has been aided by the Farm Bureau and other individuals and firms. The scholarship is expected to be worth \$500, and it is to be used at Texas Technological college.

On Saturday morning the 11:00 o'clock, September 9, a special ceremony to award the scholarship will be held in the Aggie auditorium at Texas Technological college at Lubbock. All Home Demonstration club members and 4-H club girls are invited to attend.

Among the contestants for the scholarship is Marlene Hollums of Floydada.

Mrs. Ella Johnson has as her guest this week, her sisters, Mrs. J. E. Tippet, of Teel, Texas, and Mrs. Abbie Cothrun, of Pecos.

Mr. and Mrs. J. D. Cleveland have returned from a vacation spent in Colorado.

WSCS 10-Year Birthday Will Be Celebrated

The Womens Society of Christian Service of the Methodist church will be 10 years old on September 10, 1950.

Ten years of steady, helpful growing makes a birthday party seem in order. So in connection with the chain of visitation plan for societies the Carr's Chapel and Floydada W. S. C. S. ladies will have their party together Monday afternoon, September 11 at 3 p. m. at the Carr's Chapel church.

The Floydada W. S. C. S. is bringing a birthday cake and 11 candles representing 10 goals and one candle to grow on. The Carr's Chapel society will light the candles according to the goals they have met. The Floydada Society will also bring the worship service and Carr's Chapel ladies will furnish the rest of the program. All the W. S. C. S.

members of both societies are invited to come and enjoy the occasion.

MAKES PERFECT SCORE

Mrs. M. L. O'Bannon has the word from her son, Robt. L., postal clerk in the Dallas terminal station, that he has a commendation from the general superintendent of mails in Dallas as the result of a recent examination taken by Robt. L.

In his examination Bobby made a 100 per cent perfect score two months in advance of the due date. The commendation added that a correct scheme was used and that excellent work was done in mail classification and junction dispatch.

LITTLE DAMAGE IN FIRE

A short in electric wiring caught the window curtains afire Sunday afternoon at the home of Greer Christian, 407 West Kentucky street. The fire department answered the alarm at 2:30 o'clock. Little damage was done before the blaze was extinguished.

Reta Joyce Childers, Dale Scott King, Take Nuptial Vows at Tulia

Tulia—In a candlelight ceremony on Thursday evening at eight o'clock, Reta Joyce Childers, daughter of Mr. and Mrs. Roy C. Childers, Tulia, Texas, became the bride of Dale Scott King, son of Mrs. Scott King of Floydada, Texas.

Rev. J. L. Aldridge, pastor of the First Presbyterian church in Tulia officiated at the double ring ceremony.

Vows were exchanged before an improvised altar of sunburst arrangements of autumn shades of gold, bronze, orchid and purple chrysanthemums, supplemented with palms and ferns.

The bride, given in marriage by her father, was attired in a street length toast crepe dressmaker suit with bronze bugle bead detail on the pockets and cogniac brown suede accessories. She carried a white prayer book topped with a bronze orchid, showered with gold lace and ribbon streamers.

The maid of honor, Melba Lee Pipes of Clarendon, Texas, wore a street length dress of brown taffeta with toast colored accessories. She carried a nosegay of gold, bronze and orchid chrysanthemums, showered with orchid lace and orchid satin streamers.

Bilene Childers, sister of the bride, and Mary Virginia Griffith lighted the candles. They wore identical dresses of bronze taffeta and wristlets of gold and bronze chrysanthemums.

Tom Roy Snodgrass, of Amarillo, attended the bridegroom as best man.

The prenuptial music, "Always, Through the Years," "Clair de Lune," and the traditional wedding march from Lohengrin, were played by Granville Griffith of Tulia.

The mother of the bride was attired in a black crepe dress with black accessories and wore a corsage of gold chrysanthemums.

A reception was held following the ceremony. The table was laid with a beautiful lace table cloth backed with gold satin. It was centered with a large wedding ring cake centered with a heart topped with gold flowers.

Miss June Powell of Floydada, presided at the punch bowl, and Mrs. Dale Russell, sister of the bridegroom, served the cake to the guests.

For traveling the bride wore a forest green suit with cogniac brown accessories. She wore a bronze orchid corsage.

After a wedding trip to New Mexico the couple will be at home in Canyon, where they will attend West Texas State college.

The bride is a graduate of Tulia high and has attended college in Canyon for the past two years.

The bridegroom was graduated from Floydada High school and has attended college at Lubbock and Canyon. He is a member of Epsilon Beta Fraternity at West Texas state.

Out of town guests were Miss June Powell, Floydada, Mr. and Mrs.

Mr. and Mrs. Dale Scott King

Dale Russell, Mineral Wells, Mr. and Mrs. R. B. Smith and children of Fort Worth, Mr. J. T. Harp of Canyon, and Mrs. Scott King of Floydada.

Card Of Thanks

Thanks to everyone for their kind deeds, good wishes, flowers, calls and cards while I was in the Crosbyton hospital. We'll never forget you. Mrs. J. U. Walker and family

Mr. and Mrs. W. B. Jones have returned from a twelve-day trip to Georgia where they visited relatives of Mr. Jones. This is the first trip Mr. Jones had made to Georgia in 12 years. They visited cousins in Jasper, Fairmont, and with an uncle in Ball Ground, Georgia, also in Marietta. They went to Shreveport, Louisiana, before going to Georgia.

His report continues: "The archives were forcibly taken from them and lodged in Mrs. Eberly's house, since which the boxes have been removed to a house on Pecan Street."

This incident is known in Texas history as the Archives War. For months, the records were stored in boxes and kept in a private home in Austin, then were returned to the Land Office, and so ended one of the most interesting incidents in the history of that romantic, old State department.

GOOD HEALTH

1. IS RHEUMATIC FEVER INCREASING?
2. HOW MUCH DOES A BABY COST?
3. WHY IS CYTOLOGY IMPORTANT IN THE CURE OF CANCER?

Answer to Question No. 1:
1. The causes of rheumatic fever are now so effectively treated by new drugs that the rheumatic fever death rate is only one-fifth what it was in 1920. Most of the improvement has been accomplished in the past ten years. But take no chances. It's still very dangerous, especially because of its serious effect on the heart.

Answer to Question No. 2:
2. Furnishings, from bib to crib, cost about \$300 on a national average and medical care and hospitalization come to about \$255, a minimum which varies with local factors. Prepayment insurance like Blue Cross and Blue Shield can reduce the medical cost—at the beginning and throughout the child's life.

Answer to Question No. 3:
3. Cytology—the study of living cells—permits early detection of uterine cancer, of which 20,000 women in the United States and Canada die each year. Early detection is the only good bet in the cure of cancer.

District Teams Openers

District 3-A teams, which played the football season Friday and Saturday last, lost to their opponents.

Lubbock Longhorns on Mitchell field looked good in the Shamrock Irish of District 2-A, though the score was 14-0 in favor of the Shamrock.

Crosbyton Chiefs journeyed to Shamrock to take a drubbing from the Shamrock Irish. The Shamrock Irish were the state champions of District 2-A. The inexperienced Crosbyton Coach Schilling was outplayed by the Shamrock Coach Powell and Davis at ends, and Finck at tackle, David and Parker in the guard line, and John Davis at center.

McDuff, Richard Sudduth, and Mason in the back field, and the Chiefs can do against their own district depends on how quickly the inexperienced Crosbyton can come around into form.

Local fans who got their first hand on the Littlefield clash.

Good Team at Lockney

For the Lockney football team will go district combat is also expected, but weight and shifting in the line, and an aggressive, backfield always go places.

Light ends, Joe Cunyus, and Sid Thomas, 145, stood out in the Stanley Conner, Mack

Howard, Pat Frizzell and C. B. Smart, Jr. were started in the backfield by Coach Kelly. Howard and Smart were weighed in at 155, Conner at 145, and Frizzell at 120. Tackle starters were Fortenberry, 180, and Baxter, 170; guards, Jeffcoat, 190, Griffith, 140, Thompson, 180, was at center. Other squadmen on the Longhorn roster include:

Backs: Reece, Roger Conner, Ferguson, Carthel, Sherman, Gilbert, Meriwether, Dorman, Norton, and Dorsey Baker; Linemen, Sammann, Woods, Bartram, Griffith, Williams, Johnson, Terrell, Henderson and Taylor.

If the Littlefield juggernaut is as invincible at Lockney this coming Friday night as they were at home last Friday night, the score is not likely to give a comparative indication as between Crosbyton Chiefs and Lockney Longhorns. However, it seems probable that the Longhorns will at least stop some of the Wildcat high jinks.

Crosbyton will make another journey away from home for a game Friday night. They go to Post to see what they can do against Post High's Antelopes there.

Double Ring Rites Unite Miss Langley, Clyde Damron Aug. 27

In an impressive double ring ceremony held in the Saint Alice rectory, in Plainview, Bobbie Sue Langley became the bride of Clyde Damron, August 27, at 2:30 o'clock with Rev. Wilmer Riechel reading the wedding vows.

Miss Langley is the daughter of Mrs. J. R. Langley of the Liberty community and Mr. Damron is the son of Mr. and Mrs. C. T. Damron of Dimmitt.

For the exchange of vows the couple stood before the fireplace which was decorated with gladioli. The bride chose a gallant blue crepe dress with navy blue accessories and wore a corsage of white carnations. The bride's mother wore a black crepe dress with black accessories and a corsage of white carnations. The bridegroom's mother was dressed in a navy blue crepe dress and wore a corsage of white carnations.

Mrs. Bob Covington, sister of the bride was matron of honor and Joe Ballard of Dimmitt was the groom's attendant.

Mrs. Damron graduated from Floydada High school and attended West Texas State college at Canyon.

Mr. Damron graduated from Dimmitt High school, served two years in the navy and attended school at West Texas State college.

Following the ceremony members of the wedding party attended a reception honoring the young couple, held in the home of the bride's mother.

A lace covered table centered with floral arrangements of white gladioli and flanked with white candles in crystal holders, made an attractive setting for the tiered cake and crystal punch bowl.

Mrs. Bob Covington served the cake and Mrs. Charles Galloway presided at the punch bowl. The guests were attended by Miss Cecilia Langley, sister of the bride.

After a wedding trip to parts of New Mexico and Colorado, the young couple will be at home in Canyon where Mr. Damron will receive his B. S. degree in January.

Friends Compliment Betty Joe Perry With Shower on Friday

On August 29, Miss Betty Perry, bride-elect of J. W. Gilbreath was honored with a miscellaneous bridal shower at the home of Mrs. T. M. Whitley.

GOOD HEALTH

Answer to Question No. 1:
1. It isn't one nerve but several, each of which starts from the spinal cord, joins its fellows from other vertebrae and proceeds down the back of the leg. Sometimes an operation is necessary for cure of sciatica. Your doctor can determine the cause and then recommend treatment.

Answer to Question No. 2:
2. A baby born this year can expect to live to be 67 and his expectancy will continue to rise as he grows older. Thus a man of 40 today may expect to live 30 years more and a man of 65 may expect to reach 77. A child born in 1900 could expect to live only 49 years. Americans today can look forward to increasing their life span because of improved medical care.

Answer to Question No. 3:
3. Right or left, it makes no difference in reading, despite the old saying. Right-handed persons can avoid annoying shadows in writing, however, by having the light come from the left.

Mrs. Winfred Walker, Arden Brown Married At Portales Saturday

Mrs. Winfred Walker, daughter of Mrs. Lena Chancellor of Los Alamos, New Mexico, and formerly of Wichita Falls, Texas, and Arden A. Brown, son of Mrs. T. L. Brown and the late T. L. Brown, were married September 2 at Portales, New Mexico. Rev. L. A. Doyle, formerly of Floydada, performed the ceremony.

Mrs. Brown has been a nurse at the Floydada hospital for the past several months, and Mr. Brown is a Floyd county stockman and farmer.

After an extended trip through Texas and Mexico they will be at home in Floyd county.

Betty Joe Perry and J. W. Gilbreath Wed Saturday Evening

Miss Betty Joe Perry, daughter of Mr. and Mrs. J. T. Perry and J. W. Gilbreath, son of Mr. and Mrs. W. A. Gilbreath of Lockney, were united in marriage in Plainview on September 2, at 8:30 p. m. in the Methodist parsonage. The Rev. P. H. Campbell performed the double ring ceremony. They were accompanied by Miss Bobby Ne's, Miss Dick Campbell, Mrs. Gilbreath wore a dusty rose costume with brown lizard accessories. Her carriage was white carnation.

After a short trip, they are at home at 222 West Mississippi street.

Mrs. Gilbreath graduated from Florida High school in 1941 and has been employed with Southwestern Bell Telephone company for six years.

Mr. Gilbreath graduated with the class of 1943 of the Floydada High school and served 3 years in the navy in World War II. He is employed by Weems Texaco service.

ROBERTSON-MCWILLIAMS

Mrs. Aris Robertson and Ross Williams of Tyler, Texas, were married in Portales, New Mexico, on September 1, at the Calvary Baptist church. Mrs. McWilliams is the daughter of Mr. and Mrs. H. D. Myrick and Mr. McWilliams is the son of Mr. and Mrs. George McWilliams of Wingate, Texas. He is with the Dolph construction company at Kress. He served in World War II, being discharged with the rank of sergeant.

After a short honeymoon, they are at home in Plainview.

BLUE BONNET NEEDLE CLUB

The Blue Bonnet Needle Club met with Mrs. Everett Perry on August 21 at 3 p. m. The afternoon was spent in needlework. Mrs. Ernie Widener, president, presided at the business meeting. The hostess had charge of the games. Winners were Mrs. Everett Collier and Mrs. Ernie Widener. A lovely refreshment table was served the following:

Mmes. Oliver Allen, Everett Collier, Luther Dorrell, Floyd Fuqua, Pete Kendrick, Poyner Roberts, Woodrow Wilson, and Ernie Widener.

The next meeting will be on September 14 at 3 p. m. with Mrs. Luther Dorrell.

K-F Presents All-New 1951 Kaiser Models

A COMPLETE NEW LINE of 1951 Kaisers, new from bumper to bumper and road to roof, is being announced by Kaiser-Frazer Corp. Styled distinctively in Continental fashion, the new automobiles introduce many safety advances, including the first full-length crash-padded instrument panel, greater safety glass area than any other sedan, and a balanced blending of body and chassis which provides exceptional performance and roadability. The Kaiser's new 115-h.p. "Supersonic" engine is available with a choice of conventional drive, overdrive or Hydra-Matic transmission.

Grain Sorghum, Vegetables for Shows Needed

Floyd county is planning to have an agriculture exhibit at the Tri-State fair in Amarillo and at the South Plains fair in Lubbock, announces Bob Gibson, county agent. The Tri-State fair will start September 18 and the Lubbock fair will start October 2. Any one wishing to exhibit livestock or crops at one of these fairs and needs some help in making their entries should contact the county agent.

Gibson said he would appreciate it if any one having mature grain sorghums of any variety or any kind of nice vegetables, peas, beans, or fruits would let him know about it so he can come and get it or better still bring it to his office if they will.

FRIENDSHIP CLUB MEETING HELD IN REA KITCHEN

The Frindship Home Demonstration club met in the R. E. A. Kitchen, on Wednesday September 6, with Mrs. Harry Morckel and Mrs. J. H. Buchanan as hostesses.

Mrs. W. E. Grimes, president, presided in a short business meeting. Plans were discussed for guest day, October 18, when the club will have as their guests the Lone Star club.

Roll call was answered with traffic laws. Mrs. Mal Jarboe gave a talk on fall plants. Motion made and seconded that the club plant shrubs at the cemetery this fall.

Eight members were present: Mmes. P. O. Conner, Lee Rushing, Sam Green, George Stiles, Mal Jarboe, W. E. Grimes, J. H. Buchanan and Harry Morckel.

Sargent Re-Union

The Sargent family had planned to have their family reunion at the MacKenzie Park on Sunday September 3, but due to rain they met at the home of Mr. and Mrs. Edd Corcoran at 2107 25th street in Lubbock. There were forty members of the family present and due to the rain some were unable to attend.

Those present spread a lovely dinner and enjoyed the day in visiting.

Present were Messrs. Client Sargent of Fredrick, Oklahoma, Grover Sargent of Roswell, New Mexico, L. A. Sargent of Floydada, E. Sargent of Forrest, New Mexico; Messrs. and Mmes. Billy Davis, Lubbock, Dial Exum, Roswell, New Mexico, Spot Sargent, Ralls, Oscar Evans, Elida, New Mexico, Wayne Evans and Sherwin of Elida, New Mexico, Mrs. Alma Miller of Forrest, New Mexico, Albert Sargent of Plainview, and grandson;

Rebecca Sargent and daughter of Roswell, New Mexico, Edd Corcoran and Virginia of Lubbock, Tommy Vallas, Lubbock, G. L. McCooper and Gary and Mac, Floydada, L. T. Hickerson and Pat of Floydada; E. C. Cope of Lockney; Mrs. Floyd Fisher and Peggy Sue of Slaton.

The family plan to have their reunion on the first Sunday in August next year.

Mr. and Mrs. Thurman Walls and baby boy of Houston spent a few day last week with her parents, Mr. and Mrs. J. R. Robertson and family.

Mrs. Garvin Beedy is still confined to her room at the home of her parents, Mr. and Mrs. Leo Frizzell. She was in an auto accident about a month ago which is the cause of her indisposition.

Sunday was church day. Brother and Mrs. Hodges and Jerry were dinner guests of the R. C. Ross'. The visited some elsewhere in the afternoon, including the Frizzells.

Ross Green went to Fort Worth over the weekend to bring home his wife who has been visiting there for two weeks in the home of their daughter.

Mrs. Clyde Green is in Oklahoma City, Oklahoma, with his cousin, Anthony Latta, who underwent a major operation last Friday. Anthony is reported doing o. k.

Mrs. C. L. Ashton was reported on the sick list the first of the week.

Mr. and Mrs. P. B. Murff and Mrs. Mitchell and Francis visited Wednesday evening in the J. E. Green home.

Mrs. J. E. Green, Clyde, Don Clark, and Margaret called in the W. A. Latta home last Wednesday.

Don Clark Green left Saturday for Wellington to attend a teacher's meeting preparatory to beginning school there Monday.

Rev. Willis spent the weekend with Norma June Ross and attended church here Sunday with the Rosses.

Mr. and Mrs. Harry Ericson of Paducah were week-end guests in the J. R. Robertson home.

We were happy to have in our Sunday evening service some former Centerites, Mr. and Mrs. J. B. Jordan and family of Portales, New Mexico.

Mr. and Mrs. Nolan Arney of Floydada were Sunday dinner guests at the home of her parents, Mr. and Mrs. J. D. Welborn, and children and grandmother. Other guests in the home over the week-end were the Ayers family of Pampa.

Rev. and Mrs. Hodges and Jerry spent their vacation last week visiting relatives and friends near and in Waco.

June Hartline was a Sunday dinner guest of Margaret Green.

Come to Sunday school and B. T. U. next Sunday. Let us not let the flag trail in the dust just because it is not church day. You are missed when you don't come.

Center News

CENTER—We are enjoying some rain again. We've had three of four inches since Sunday afternoon. All we have to worry about now are the worms. No, not all! A much bigger worry is the war. Boys are being called on to take their physicals. Some have already gone to camp, including James and Earl George Robertson.

The vacationists about all came in last week to get ready for school, or another year of bread winning. The Greens arrived last Tuesday evening and report an exciting five days in the mountains of northern New Mexico and southwest Colorado.

Bobby Plumlee of the U. S. Army at White Sands, New Mexico, is spending a few days with home folks.

Bathey Connection Have Get-Together At MacKenzie Park

The children, grandchildren and great grandchildren of the late Mr. and Mrs. O. F. Bathey enjoyed Sunday together at MacKenzie State park. A picnic luncheon was served to the following:

Amended Social Security Law Now In Effect

The amended Social Security law which became law August 29, 1950, will now make many 65 year old workers eligible who previously could not qualify, because they had not worked long enough. Under the amended law, a person now 65 is required to have only six (6) quarters of coverage to qualify, or roughly, 1 1/2 years of employment under the law. These liberalized requirements are effective for benefits starting in September.

Another liberalization in the amended law is the provision which now permits a qualified beneficiary to earn as much as \$50 per month in covered employment without suspending his benefit. If the wage earner is 75 or over, he may earn any amount.

All increases in benefits provided to present beneficiaries by the amended law will be made automatically. It will not be necessary for present beneficiaries to make application.

In order to assist any worker who may qualify under the amended law, John G. Hutton, manager of the Lubbock Field office of the Social Security administration, will be in Floydada at the Post Office at 8:00 a. m. on Wednesday, September 13.

It was a busy week for Mr. and Mrs. John Bowman of Independence, Missouri—the week that young Linda Marie joined them.

Busy week, too, for the Bowman telephone. As Mrs. Bowman reports, "We use the telephone a lot from day to day, but we never stopped to think how helpful it really is, until we kept a record of calls. We averaged our bill—and were really surprised at the low cost—about 2¢ a local call!"

Telephone service has grown steadily in the part it plays in our daily lives—and in the value it delivers. Most folks agree it's the best buy in their budget! Southwestern Bell Telephone Co.

What else gives so much for so little?

"A half hour later John called home to say that 'Junior' turned out to be a girl!"

"John got the cab, while Mother packed. Within minutes we were off!"

"Then early Wednesday morning we knew the stork was on his way. Mother called the doctor."

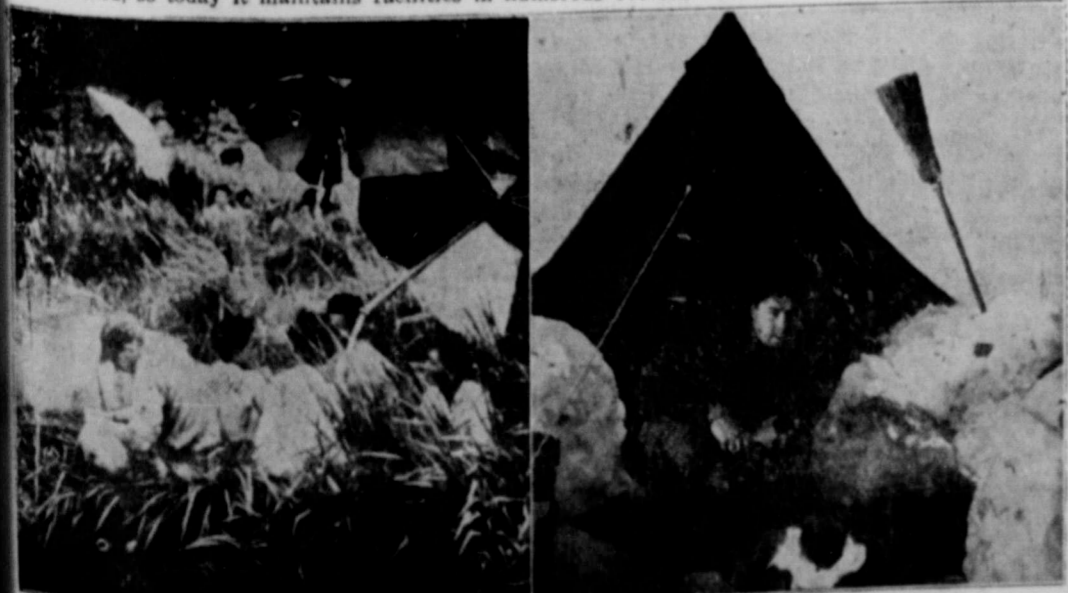

"Mother called everyone we knew, as soon as they were up. Karen and Sharon, our other daughters, were trying to get in their two cents worth, too, of course."

"John and Mother kept our telephone record for me. I'm finishing it now. Reading it back makes me realize how much we depend on our telephone—and how little it costs!"

it's a GIRL!

Dan Montague Of Silverton, Passes at 75

SILVERTON—Dan Montague, 75 years old, Briscoe county farmer and rancher since 1902 died here at 3 o'clock Sunday afternoon. He had been in declining health for about five months.

A wheat farmer and cattleman, Montague was known for his generosity and kindness. He was born July 19, 1875, in Missouri, and became a Texan when his family moved to Montague county when Dan was 3 years old. He came to Briscoe county about 48 years ago. His residence was about three miles south of Silverton.

Survivors include his wife, Lorena, four sons Nathan, in Australia, and Joe Roy and Muri Montague, all of Silverton; four daughters, Mrs. Earl Cantwell, Mrs. Wayland Fitzgerald, Mrs. Labelle Henderson and Mrs. Ray Teeples, all of Silverton; a brother, Sam Montague, New Mexico and a sister, Mrs. Bill Smith, Colorado.

Final rites were read at 2 o'clock Tuesday afternoon in the Silverton High school auditorium. Burial was in Silverton cemetery under direction of Douglas Funeral home.

Mr. and Mrs. Paul Snodgrass have returned from a visit with relatives at Bonham, and fishing at Lake Texahoma.

J. R. and Gillian Smith Families in Re-Union at Park

Descendants of the late J. R. and Gillian Smith families met in a reunion at the Plainview park Sunday August 27. Each family brought a basket lunch to spread and it made a bountiful dinner which was enjoyed by the 65 people.

Those attending from Floydada were Mr. and Mrs. Markon Carpenter and children, Wayne and Jane Ann, Mr. and Mrs. Grady Hall, Mr. and Mrs. T. G. Hall and Tommy, Mr. and Mrs. Claude Carpenter, Mr. and Mrs. Joe Conway and Jo Dean, and Mr. and Mrs. James E. Smith of Altus, Oklahoma;

Mr. and Mrs. Billy Smith and daughter, Lynn of Oklahoma City, Oklahoma;

Mr. and Mrs. Hal Ray Hall of Lubbock, Mr. and Mrs. Glen Crawley of Amarillo, Mr. and Mrs. Glen Smith of Lockney, Mrs. Julia Henderson of Star City, Arkansas.

Visitors present were Mrs. L. E. Breckenridge and Brenda Sue of Dallas, Mr. and Mrs. P. M. Smitherman, Mr. and Mrs. Lo Prizzell and grandson, Larry Beedy of Floydada, and John Gatewood of Tulla.

Mrs. Laurie Carlisle of Long Beach, California, a former teacher in the Floydada schools, has been visiting Mrs. Lewis Norman and other friends. She left Friday for Tulla where she will visit Mrs. Paul Miller before returning to California.

As A Farm Woman Thinks

"A commonplace life," we say, and we sigh; But why should we sigh as we say? The commonplace sun in the commonplace sky Makes up the commonplace day And God who studies each commonplace soul, Out of commonplace things makes His beautiful whole."

"I want to go to school," Joe Ellis said to me, "but grandmother I had the best summer I ever had." Now Silver has been turned out on the grass to kick up his heels, the Ford tractor has been parked near the barn and Joe is back in school. It rains this fourth day of September and the small children are in the houses. The bricklayers are not across the street at the new home going up. It is very still and quiet almost cold, and somehow the grand summer days seem far away. We again, the flowers will still bloom, know the weather will be hot but there will be a difference.

"A teacher affects eternity; he can never tell when his influence stops"

Here are best wishes for our very newest neighbor, little baby Larry Lon who has come to live with the Aaron Carthels.

"Prayer, The mightiest Force in the World" by Frank C. Laubach is one of the most inspirational books I have ever read outside the bible. I wish every one would read it. He says in part: "We are still in the heat of a crucial battle between the way of Jesus and the way of greed. The allies have cut a cancer out of Italy, Germany and Japan; but the cancer still poisons the blood stream of the world, and will break out and kill us unless we get the cancer tissue out of our system. Nobody but God can cleanse our blood stream, and even God can remove it only if He has full gangway. We must pray for God's miracle or perish. For if we refuse to yield to God, His only recourse is to sweep us off the earth and start over. . . . A small group of men are making the plans for world peace, plus a few hundred others who can reach their ears. All the rest of us, the hundreds of millions of us are unable to offer our views. We must be silent, but we need not be helpless. For the humblest of us can pray. Millions of us ordinary people must pour an incessant white light of prayer upon the world leaders day after day. We must lift the heads of those leaders towards God so that they will hear Him and will obey His will. Enough people praying enough will release into the human blood stream the mightiest medicine in the universe. For we shall be the channels through whom God can exert His infinite power. Prayer is to the world of human relations what white corpuscles are to the human body. . . . We do not persuade God to try harder when we pray; it is our world leaders, our statesmen and church men whom we persuade to try harder. We help God when we pray. More things are wrought by prayer Than this world dreams of. Wherefore let thy voice Rise like a fountain for me night and day."

MR. AND MRS. BYARS MOVE TO FLOYDADA FROM CANYON
Mr. and Mrs. N. T. A. Byars feel more at home in Floyd county than they do at Canyon. Mr. Byars said this week, after completing a trade for the J. A. Goins home on West Ollie Street and moving into it. The Byars' had farmed at Pleasant Valley for many years until last spring when they sold out and moved to Canyon with the intention of making their home there, where they have two sons in business. The Goins home has a five-acre tract that goes with it.

Mr. and Mrs. Goins are at home in the 400 block of South Wall, where they acquired the Baptist parsonage property and have redecorated it on the interior.

VISIT MOUNTAIN AREA
Mr. and Mrs. J. G. Wood are home from a trip through the western part of the country. Mrs. Wood spent a week in Denver visiting her sister, Mrs. H. P. Shrader, and then Mr. Wood in company with Mr. and Mrs. Frank Butler came and the party visited Yellowstone National park, Salt Lake City, and other interesting points in the west. They traveled 3,000 miles on their trip.

Mr. and Mrs. J. B. Claiborne and sons, Jay and Jess, of Lamesa have visited Mrs. Claiborne's parents, Mr. and Mrs. J. G. Wood, from Thursday until Saturday of last week.

Thinking of the Long Pull?

Better Buu Buick!

If that car of yours has put its best days behind it, there's no time like right now to think about starting out afresh with a taut, new, up-to-the-minute motorcar with all its mileage still in it.

And there's no better place in the world to start than with the beauty pictured here, for a variety of reasons.

For one thing, this Buick SPECIAL is a quick-stepping Fireball valve-in-head straight-eight that's priced lower than some sixes.

For another, it's built with typical Buick ruggedness through and through—a husky that can take a lot of years without crying "Uncle!"

Then, too—this high-styled beauty is proving to be one of the most economical Buicks ever built—easy on gas, easy on upkeep, easy on you in its soft, floating, light-handling comfort.

It even comes with Dynaflo Drive* if you like—and Dynaflo means that you will never have to service or replace a friction clutch, and that rear-end or transmission servicing—even engine upkeep—are cut to a minimum.

*Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

Of course, you can't see all of this in the brief span of a trial drive.

But you can experience the good solid feel of Buick strength beneath you. You can satisfy yourself on the lightness of the controls, the utter smoothness of Dynaflo, the quick surge of Buick's Fireball power.

All such things will tell you that this is a car you'll be glad to live with for a long time to come—and you need only to ask your Buick dealer for a demonstration to see precisely what we mean.

Why not call on him soon to talk about signing up?

Underground Water Supply Data Is Sought

LITTLEFIELD (Special) — The State Board of Water Engineers is seeking maps and written data showing evidence of the geographical area and extent of the underground water reservoir in a 21-county Panhandle-South Plains area.

The board made the request for written material following a recent hearing in Plainview at which it received oral testimony on the ground water supply.

They are chiefly interested in receiving information about areas which will or will not, support irrigation wells producing at least

107 gallons per minute (or 150,000 gallons per day).

The dry areas, together with 160-acre tracts of grazing land not irrigated, and areas where water is not suitable for commercial irrigation purposes, will be excluded from a proposed underground water conservation district.

The High Plains Water Conservation and Users association, with offices in Littlefield, has members in 14 counties who are cooperating by submitting written data on the ground water supply.

Any individual who has information on the extent of the reservoir should communicate with the State Board of Water Engineers, H. A. Beckwith, chairman, Austin, Texas.

Information is sought from the following counties: Armstrong, Bailey, Briscoe, Castro, Cochran, Crosby, Deaf Smith, Dickens, Floyd, Garza, Hale, Hockley, Lamb, Lubbock, Lynn, Oldham, Parmer, Potter, Randall, Swisher and Terry.

HOME AFTER LONG TRIP

Mr. and Mrs. W. U. White and son Bob have returned from a month's trip through the south and the eastern states. They went from here through Arkansas, Alabama, Florida and up the eastern sea coast to New York, on to Toronto, Canada, and back through St. Louis and home. They traveled 7000 miles on their trip.

Poison Deaths Bizarre Case

Mr. and Mrs. W. B. Jones, who recently returned from a visit with relatives in Fairmont, Georgia, brought the tragic story printed below, one of the victims being the adopted son of deceased cousins of Mr. Jones, Mr and Mrs. P. N. Henderson of Fairmont, Georgia:

Jimmy Henderson, age 18 and his chum, Bobby Reeves, age 19, son of Mr. and Mrs. S. B. Reeves of Fairmont, were found dead on Thursday, August 17, about 4 p. m. by a roomer who lived in the home.

The bodies were well placed on the living room floor of the stately Henderson home. The verdict of the coroner's jury was that they met death by drinking poison. The bottle containing the poison was on the coffee table, also two notes left by each in sealed envelopes were on the table. The two youths had spent the previous night at the Henderson home, and had remained up all night. They had cleaned the house Thursday, in preparation for evening dinner guests.

Bobby Reeves was home on leave from the United States navy. They were last seen about 1:30 p. m. by a girl neighbor and a foster relative of the Henderson family, as she went by the home, when they play-

ed the piano and sang. Jimmy Henderson was found on a doorstep, about 18 years ago, when he was about a month old, and was adopted by Mr. and Mrs. Henderson, a prominent couple of Fairmont. Mr. Henderson died in 1944 and Mrs. Henderson passed away in 1946. Their entire estate was willed to Jimmy. Both the boys were very popular in the city and the two notes left by them were very simple and gave no reason for their act.

Rain Hampers Baptist Men's Assembly Here

Rains of the week poured up in particular the need of the Baptist encampment on Blanco for an all-weather road. Their gathering scheduled to have 1200 to 2000 Baptist men assembled for a two-day program, was cut to less than 300 in attendance and the meeting moved into Floydada at the First Baptist church when the rains came and the floods descended. Roadway to the encampment grounds was impassable, members of the local congregation stationed at the road entrance told members from all over eight associations.

Those who made it to the assembly of the brotherhood heard Dr. W. R. White and others tell of the battle now raging between the forces of righteousness and the minions of the devil, between christianity and a godless world. References were pointed directly at the "devil's capital in Moscow" as the root of the trouble now brewing that may engulf the world.

From pages of history, it was pointed out by Dr. White and others, it is revealed that nations have fallen because of the wickedness of the people. America may be headed for such a fall unless men of the nation turn from their sins, repent, and accept the precepts of their maker. The Lord will provide strength for those who battle in righteousness but those who forsake the paths of righteous living and follow after Mammon are warned time and again in the scriptures of their imminent downfall, declared successive speakers. A deeply religious atmosphere dominated the gathering of the Baptist brotherhood. Amens echoed from all over the church as the speakers scored the god-less state.

Program Is Abbreviated

The program, as originally planned, had the brotherhood gathering Monday afternoon and continuing their sessions through Tuesday night. The program was abbreviated to the one session due to weather conditions. Carl E. Nance, of Levelland had charge of the song service. Norwood Heath of Brownfield was at the piano and Mrs. Clement B. McDonald, organist of the local church, substituted for H. M. Baggarly of Tulsa.

Appearing on the program, among others, Rev. Fred Stump of Brownfield, Missionary Ray, home from South China following the Communist debacle, L. H. Tapscott, state brotherhood secretary, and Dr. W. R. White, president of Baylor university, whose message climaxed the evening's program.

The Hockley-Cochran and the Brownfield quartets sang for the group.

John M. Cooper Claimed by Death

LOCKNEY SEPS. 4—John M. Cooper, well known Floyd county landowner and farmer, died in the Floyd County Co-operative hospital here this morning. He had been seriously ill for the past ten days.

Mr. Cooper was 71 years old. A native of Bowie, he lived in this area for the last 43 years, operating a farm about 4 miles north of here.

Funeral services were held at 3 p.m. Tuesday in the First Methodist church at Lockney. Rev. R. H. Campbell, pastor of St. John's Methodist church in Plainview officiated, assisted by Rev. E. J. Cobb, pastor of the First Baptist church here. Interment was in the Lockney cemetery, under direction of the Carter Funeral home.

Survivors include the wife, two sons, Paul of Lockney and W. Leo Cooper of Canyon, a daughter, Mrs. D. H. Borum of Borger, a sister Clara Cooper of Los Angeles California and five grandchildren.

Boys Ranch Rodeo

Mr. and Mrs. R. T. Jones and son Gene Edward, were among the thousands of plains people who attended the Boys Ranch rodeo held at Tascosa Sunday.

It was a fine rodeo and a good barbecue dinner, said the Jones this week.

Roy O'Brien of Fresno, California, who has been visiting his mother Mrs. W. B. Jordan has returned home. Mr. O'Brien was district clerk at one time, when he lived in Floydada.

In the District Nine brotherhood were represented in the gathering.

Ropers to Try Plainview Club Next Sunday

Weather man willing, members of Floydada Roping club will try their roping talent on next Sunday afternoon, the opponents being a team from the Plainview Roping club.

The Floydada boys are liable to be a bit cocky and lose, on account of their good luck last Sunday afternoon against the Silverton cowboys. They won from the Silverton boys with an average of 19 seconds per man. Jack Johnson, the president of the club ropers, Raz Ware tied the fastest calf in the match in 11.6 seconds. Ware also won the low average with 54.3 seconds on three calves. Bud Pope was second with 58.4 seconds and Johnson third with 78 seconds on three calves.

In a special match, Bud Pope of the Floydada club beat Junior Brannon of Silverton club by 48 seconds on three calves.

On the Sunday following the Plainview match a team representing the Floydada club will go to Silverton for a return match there.

Two of the Norman brothers and their families were unable to attend the reunion this year.

Mr. and Mrs. Clarence Masingill and family, of Fullbright, Texas, were here Wednesday, guests of Mr. and Mrs. J. N. Gullion while on a plains visit with kinsmen. Mr. Masingill is a nephew of Mr. Gullion.

PREPARING FOR ATOMIC WARFARE—The advent of the atomic bomb has presented many problems for all types of warfare. One solution is being developed by the Marine Corps by the use of transport helicopters for moving a landing force from ship to shore. Based on ships widely dispersed off-shore, helicopters can load assault troops, flying from different directions, circumventing powerful beach defenses and land accurately in any desired position. Above, landing party disembarks. Below, troops deploy while helicopters return to ships. Range, speed and mechanical limitations of helicopters are expected to be overcome by technical improvements.

District Committee Meets Here Tonight

The executive committee of District 3-A, Interscholastic league, have a meeting scheduled to be held at Floydada High school tonight, the principal business of which will be to check player eligibilities. Superintendents, principals and coaches from the eight schools in the district are expected to be present.

I. T. Graves is chairman of the district committee and Estle Baker is secretary.

Mr. and Mrs. Glad Snodgrass and Mr. and Mrs. John Reagan attended the Snodgrass-Blessen wedding at the First Baptist church, Sunday in Amarillo.
