GIVEN HIGH RATING

It is gratifying to the management of this newspaper to learn that in an impartial analysis of this newspaper along with other weekly newspapers of the state, this publication has earned a rating of AAA and the designation of "one of the best weekly newspapers in America."

This newspaper was analyzed and rated with other weekly papers of the state as part of a nation-wide evaluation study of hometown newspapers. The ratings were made and a report of the ratings was published as a guide for large national advertisers in the selection and use of local newspapers for advertising campaigns.

While the high rating received is gratifying to the staff, it is more important to the growing number of readers who subscribe for the publication. The high rating by experts justifies expenditure of the individual who pays his money for this newspaper.

The high rating earned by the newspaper should be of more than passing interest to the increasing number of advertisers who use the columns of this newspaper. The circulation coverage of the newspaper was one of the important factors used in rating the paper. In rating the circulation of this and other newspapers, the Community Research bureau checked every possible source for accurate figures such as circulation audit reports and sworn circulation statements on file with post office department in Washington.

Also of importance to advertisers is the fact that the rating organization made a comparative study of the advertising rates of each newspaper and included this factor in the rating of the newspaper.

The four-point rating formula adds up to the fact that the subscribers of the newspapers are getting a publication with a high volume of local news, editorials and features and that the advertiser is getting good coverage at a rate which is low compared with that charged for other local newspapers, based on averages for the state and nation.

The newspaper is happy about the good rating and it is also determined to continue its efforts to produce the very best newspaper it is possible to give this growing community.

The newspaper is also grateful to the readers and advertisers of the community whose generous support has made it possible for us to achieve the high rating.

The day after the Secret Service men blasted the misguided would-be presidential assassins on the white house grounds, the president before a huge crowd of newspaper reporters made the statement "I am not afraid of anything." This was in part answer to a question from the newsmen. Doubtless the president really meant it and really feels that way. Presumably he meant personal, physical fear. Surely the president has his times of mis-giving when he fears for some of the things he may have done or for the

failures which may have been occasioned when he left something undone. Whatever he meant he is 66 years old, as he said, and has been through most of it and he must know. Fearlessness is an attribute much admired by most of us but enjoyed by a very considerable minority. Many of us fear. Some of us even make up imaginary things or situations to be afraid of. For our part we cannot help having the greatest admiration for the few men we have seen demonstrate the president's statement in their own lives.

The freeze of last Friday night must have held on long enough to nip everything that was not especially hardy. The thermometer reached freezing at 9 o'clock Friday night and the temperature did not go back up above freezing until the next morning at 7 o'clock. In that freezing time there was a period of two hours when the mercury measured 24 degrees, eight degrees below freezing. Men who kept the records say this freeze — the night of November 3 — was "about two weeks" later than the usual freezing time. It is a peculiar fact that those who do not have occasion to watch the book have to recall from year to year when frost time is due. The general public seldom recalls, it seems.

What the election outcome will be as between the Democrats and the Republicans on Tuesday is not known at this writing. What the people are thinking will have become known before these words are in print. The way they vote and the congressmen the electors name to represent them, will make history in the next two years, maybe until the end of the republic. The president in his speech at St. Louis Saturday night said the Democrats are still going to urge a workable farm program and a workable health insurance program, both federally sponsored. By "farm program" is meant, of course, a way of subsidizing and encouraging farm operators in producing according to the apparent needs of the country and of the world. Since every industry and all commerce, from U. S. Steel down, has or has had some form of subsidy from way early in the country's history we have wondered why subsidizing the farm industry would be considered such an outrageous thing by many well-informed men.

Over another man's shoulder we read a letter the other day which said: "Let us covenant to seek earnestly for the narrow way and walk therein, that we might have reason to hope the Lord would hear from heaven our prayers, forgive our sins and heal our land." Our land does need healing. Possibly prayers and forgiveness would be more effective than some of the means we are using and the things we are doing.

Those who cannot remember the past are condemned to repeat it. —George Santayana

be so very dry since we had so much rain in September but these fine dry days are opening the cotton and ripening the late feed. It has been warm as summer but next fall I think I will leave the air conditioner up a while longer than this.

It is hard to confine ones little ground to a few flowers when I love everyone in the catalogue and want to have them near me. But I have decided to grow more and more roses. They do not need so much care and water as some other things and are nearly always in bloom. I have put out many cuttings and look inside the glass jars for signs of green growing plants.

I did not think I would print this, but you may recall I had a pumpkin vine that grew and matured early making many little golden balls of good pie material. I took some seeds and seeds out to Wilma's one day and threw them out in the field where we gather beans. The other day Wilma showed me a long vine with a pumpkin almost ripe which had come from the seeds carelessly thrown down. Two crops of pumpkins in one year. Believe it or not, Mr. Ripley!

Home from Nevada After Rites for Son

Mr. and Mrs. Harry Reeves, Mrs. C. P. Huckaby of Floydada and Mrs. Lena Moorehead of Wichita Falls have returned from Ely, Nevada, where they attended the funeral of their brother and son W. V. Smith who died from injuries received October 18 in an accident which happened at the copper mine where he was working as a crane chaser. He had been employed at the mine since November 24, 1948. The funeral was on Wednesday October 25 at the Bates funeral home in Ely, after which a military service was held at the cemetery in Ely. W. V. had been a member of the Methodist church since he was 16 years of age, and he spent three years in the navy, most of that time serving overseas. He is also survived by two brothers, Marvin Smith of Petersburg and W. E. Smith of Phoenix, Arizona and another sister, Mrs. Carl Reeves of the Starkey community, and his wife and two small children.

Mr. and Mrs. Vinson Smith and son Monty Joe of Plainview visited Mr. and Mrs. W. S. Poele last week.

Hesperian Wins Triple A

NEW YORK.—In a published re-evaluation of the state newspapers of the state here, The Hesperian was given a rating of AAA, designating it as one of the best weekly newspapers in America.

The AAA rating places the Hesperian in the top 20 per cent of the state newspapers according to an impartial classification of 1,000 odd weekly newspapers in the country, being conducted on a state basis.

State-wide ratings are made by the American Newspaper Publishers Association, an independent research organization, which is working in cooperation with the American Newspaper Publishers Association to provide national advertising with a guide in the selection of newspapers for advertising purposes.

This continuing evaluation of newspapers for each state is made, analyzed, and rated in classified brackets, with approximately 20 per cent of the state rated groups. The Hesperian's classification is AAA, B, and C. The rating AAA means the newspaper rates in the top bracket.

The newspaper is rated on several quality factors including news and editorial content, circulation, volume of advertising and the fairness of the newspaper's advertising rate, as well as family reach.

The American Newspaper Publishers Association is an independent research organization that under control and direction of B. Hutchinson, who has been a weekly newspaper, served as editor of journalism at Syracuse University.

cause and Rutgers universities and managed the New York Press association and the New Jersey Press association over a period of a dozen years before setting up his own newspaper research organization.

The American Weekly Newspaper Publishers Council which is cooperating in the studies is headed by Bennett H. Fishler, publisher of three weekly newspapers with audited circulations ranging from six to twelve thousand copies per week. Fishler's papers are consistent prize winners and one of them, The Ridgewood (N. J.) Herald News, was the recent winner of a top award for general excellence presented by the National Editorial Association.

Rating of all newspapers are under general supervision of an advisory committee composed of leaders in the field of journalistic education, national advertising, and weekly newspaper publishing.

Founded in 1896 by Claude V. Hall, The Hesperian is now in its fifty-fifth year of continuous publication. Its sworn circulation for the October 1 report required by the Post Office department was 2,385.

Mr. and Mrs. B. O. Cloud will leave Friday for Pontiac, Michigan, where Mr. Cloud will attend a five day salesman training school at the Pontiac factory.

Speer's Variety store, a fixture in Floydada for a number of years, has been succeeded this week by Henderson's 5 cents to \$1.00, with Nat Henderson and his sister, Mrs. Jessie Quinn of Abilene as managers. O. L. Sparks manager of the Speer's store here will be located in Spur.

Mrs. B. Hatley, who has been recuperating from a knee injury received in an auto wreck, has returned to her job as Western Union operator.

Plans are being worked on for the first of a series of "First Mondays" which will be December 7, R. W. Cothran, secretary of the Chamber of Commerce, announces.

A marble shaft to honor a pioneer minister, N. T. Byars, was unveiled on the campus of Howard Payne college at Brownwood, on Tuesday. Several Floyd county descendants of the pioneer were in attendance including Mr. and Mrs. N. T. A. Byars, Mr. and Mrs. Walter Byars and Mrs. Baylor Byars, (the three men named are grandsons) and a great granddaughter, Mrs. Peyton Powers, of Lockney. Other descend-

ants from over west Texas were in attendance. The monument is of Llano blue granite and is 15 1/2 feet high.

Communities are passing their quotas in the Red Cross drive and \$185.00 of the \$225.00 to be raised in Floydada was already collected, according to Mrs. E. P. Nelson, fund campaign chairman.

Gordon G. Voight, here received preliminary orders last week from Eight corp headquarters at Fort Sam Houston, that he had been assigned to active duty as army chaplain at a C. C. camp, with headquarters at Silver City, New Mexico, effective November 26. He plans to leave Saturday.

Mr. and Mrs. C. A. Cass were hosts to the Idle Hour club with a turkey dinner and "42" party at their home in Lakeview Friday night. The hostess was assisted in serving the lovely party by Kathleen Hodge and Dorothy Rushing. In the games following, Mrs. Cella Ross and Wayne Coleman won high score.

Honoring Mrs. Cecil Braly of Quanah, Mrs. Minnie Smart entertained with a bridge party last Wednesday evening at her home.

The Pep squad of the High school served a turkey dinner to the general public in the home economics room on Tuesday. The sponsors were Reba Copeland, Mary Wilbanks and Fannie Mae Reese.

Ben Eudy, son of Mr. and Mrs. George Eudy, underwent an operation in the Plainview hospital Sunday.

The Palace theatre was redecorated this past week.

Mrs. T. W. Whigman of Lubbock, formerly of Floydada, was the guest speaker of the Iva Wheeler circle of the First Methodist church in Plainview on Monday night.

Mr. and Mrs. D. B. Williams of Amarillo were week-end guests of her sister, Mrs. T. T. Hamilton and family.

Mrs. S. A. Guffee had her children visiting her recently.

They were her daughter and husband, Mr. and Mrs. Cecil Ferguson and Jimmy Ferguson and family of Dallas and son, Willard Edwards and family of Dalhart.

Mrs. D. D. Shipley returned last week from a months visit in Corpus Christi with her son, Parker and family and with kinsmen in San Antonio.

Floydada Offered Day at Stock Show

Floydada has been invited to have a special "day" designated in its honor during the 1951 Southwestern Exposition and Fat Stock Show, dates of which are January 26 through February 4.

W. R. Watt, president-manager of the Fort Worth show, in a letter to the Chamber of Commerce said: "Your city is invited to have a special day at the 1951 show (January 26 through February 4). By coming in an organized group, your citizens have lots of fun and advertise your city, as do the high school band and the cowgirl sweetheart."

NIGHT CREWS ADDED

PLAINVIEW—Both the Petersburg gins, have added night crews as the cotton harvest moves ahead full speed, about thirty days later than last year. Thirty-one gin workers are on the job. They had handled 1300 bales October 26. Classes and grades of cotton are described as an improvement over 1949.

Built for tough service — all ways! CHEVROLET TRUCKS with Chevrolet's Hypoid Rear Axle

Single-Unit Housing

Here's maximum strength . . . longer trouble-free service! Chevrolet rear axle housings are formed into tubular steel beams; no bolts or rivets to work loose.

Full-Size inspection plate

Easy-to-remove, one-piece inspection plate saves time and labor . . . provides full view of rear axle gears when removed.

Splined Axle-to-Hub connection

Splines—not bolts—deliver the driving power evenly—without strain—on all heavy-duty models. Loose axle shaft bolts and costly grease leaks are eliminated.

Straddle-Mounted Pinion

Gears last longer . . . pinion gear is supported at each end by ball bearings to keep it in mesh. Adjustable thrust pad prevents distortion of ring gear when starting heavy-duty trucks with heavy loads.

4-Pinion Differential

Load and shock of heavy loads are distributed over four pinions instead of two in all Chevrolet medium- and heavy-duty trucks—for longer axle life and greater strength.

Chevrolet trucks are engineered to "take it" on the roughest, the toughest jobs. The single-unit design housing and splined axle-to-hub connection of Chevrolet's hypoid heavy-duty rear axle mean strength and stamina found in no other truck rear axle in Chevrolet's class. Shallow, Unsuitable Lands

In most areas, information on land suited to cotton is available, Merrill said. Landowners can make use of the help that soil conservation districts can give them in deciding what land can produce cotton profitably and without damage.

Grasses in Rotations

Several grasses fit in well with rotations that include cotton, Merrill said. Some of these grasses are blue panicum, weeping and sand lovegrass and King Ranch bluestem.

Lure of Cotton Riches Seen As Menace To Soils of Southwest

FORT WORTH—Louis P. Merrill, regional head of the Soil Conservation Service, has some timely suggestions for farmers who are considering expansion of their cotton acreage in 1951. Merrill fears that some farmers, with the lifting of government cotton restrictions, may undo much of the good conservation work they have accomplished unless they choose their cotton land wisely and take steps to protect it.

Here are Merrill's recommendations for the farmer planning to increase his cotton acreage. First, put cotton only on land that is suited to cotton. Cotton land should be productive enough for a profitable yield and not easily eroded.

Second, think it over before plowing up good stands of grass. Farmers often net more from grass than from cotton, especially when they make full use of opportunities for grazing and seed harvesting.

Third, use soil conservation districts. Landowners can make use of the help that soil conservation districts can give them in deciding what land can produce cotton profitably and without damage.

In the plains areas of Texas and Oklahoma, nearly five million acres of land now being cultivated are too shallow or unsuitable for cotton, a crop offering almost no resistance to the forces of erosion.

It is seldom wise to follow cotton with another crop of cotton, Merrill pointed out. However, when it is done, a legume cover between crops of cotton will help to control erosion, increase productivity and reduce cotton root rot.

Farmers have been getting more grass-conscious in recent years, the regional director said. More than 250,000 acres have been put in native grasses alone in Oklahoma and Texas during the last two years and still additional acreage is introduced grasses. On nearly all of this land grass for livestock is the safest and the most profitable use, and to plow up such plantings with the questionable prospect of a high cotton yield would be poor business, Merrill added.

Soil conservation districts can help farmers needing assistance in making decisions on what lands to plant to cotton and on how to use these lands to best advantage, Merrill said.

Hobby and Art Exhibits Many At Club Show

The 1929 Study club, which sponsored the Hobby and Art show on Saturday November 4, at the Southwestern Public Service company building, were highly pleased with the reception the public gave their show. It was in observance of National Art week, which is an annual club event.

Floydada has several good artists, both in the adult and the junior division. Many beautiful pieces of china paintings were in evidence plates, vases, pitchers and other pieces. Among the outstanding pieces of china painted was a water pitcher and a vase by Mrs. D. D. Shipley in 1916. Mesdames J. C. Wester, Billy Henry, Ona Mitchell, E. J. Barker, J. W. Buchanan, Leonard Mataler, B. P. Standefur, Jr., and

Opal Blankenship all had beautiful hand painted china. In the ceramic division, Mrs. Edith Aylesworth had a beautiful chocolate set, sugar and creamer, also lamps, clocks, ash trays. Nita Jo Day exhibited a beautiful jewel box, and Ann Hickerson had a beautiful clock she had made.

Weldon Williamson had his chair he had made in the Industrial art class at the high school. Mrs. Verdene McCarty displayed pen and ink sketches and also some hooked rugs she had made. Mrs. Jeff Spikes had some of her collection of rocks and bottles on display, which was very interesting. Mrs. O. G. Glassmoyer displayed a beautiful hand made doily, crocheted with sewing thread.

Mrs. D. D. Shipley showed a hand made net luncheon set which was very pretty. Flower arrangements were shown by Mrs. Troy Leonard, Mrs. Fred Brown, Mrs. E. L. Norman, and Mrs. O. G. Glassmoyer.

Oil and Water Paintings
In the painting, both oil and water colors, there were some beautiful pictures. Among those exhibiting their paintings were Mesdames Ona Mitchell, J. C. Wester, Tom Shaw, E. J. Barker, D. D. Shipley, and Billy Henry, whose picture of a large magnolia was made on sandpaper and painted with chalk. Beverly Thomas had some beautiful pictures she had painted, as did Barbara Hall and Jo Hall, Eddie Wilson, Winnie LaCrona, and Eliza Lowrance; Larry Glassmoyer had several beautiful paintings, including some pen and ink sketches, one panel picture, which was outstanding.

Demonstration of Noble Setting Given High School Girls

The Dougherty Home Demonstration club met November 1 in the home of Mrs. G. W. Smith. Roll was answered with a rule of etiquette.

The report was given by Mrs. Daniels and Mrs. Maurice. Mrs. Daniels gave a report of the program that was given at the Dougherty school house when the women presented the United States flag to the community.

Mrs. Pettit gave a demonstration of use of milk products. In her demonstration she prepared a cheese and also a salad dressing and also a cream.

Mrs. Tate Jones gave the demonstration on setting a summer table. Mrs. Jones set a table with a white cloth. Her lovely center piece consisted of an arrangement of several stem crystal glasses with a rose in each glass, supplemented with fern. Around the bottom of the glasses were nosegays of rose on a steamer of green ribbon. Green candles in crystal holders were around base of candles. A spray of the rosebuds was at the place setting.

Mr. Jim Harper led the recreation. Game prizes were given to J. B. Woodson and Mrs. Howard. Mrs. Bill Smith received attendance prize.

Delicious refreshments were served to the following members: Mrs. James Ruth Daniels, Bill Daniels, Maurice Campbell, Wm. H. Jim Harper, C. E. Bartlett, Howard Dale, Lewis Blub, Tate Sam Lide, Ned Bradley, Miss and two visitors Mrs. J. R. and Mrs. S. T. Mahawfee.

The next meeting will be with Ned Bradley on November 15 at the annual auction sale. Each member should bring something to the sale.

Rotary Scout Troop Honor Their Parents

Scouts of the Rotary club in Floydada were hosts to parents at a court of honor at the American Legion hall last night. James P. Potts, district chairman of the Haynes district, presented the troop with a photograph of the Haynes bond which was won by the local scouts this year. The Floydada scouts are winners of third place in the Plains Council for 1950 in a contest which covers all phases of the scouting program. The original bond was purchased by the John Haynes of Silverton, and designed by Admiral Chester Nimitz as well as a number of other high officials.

James Grigsby, son of Mr. and Mrs. A. Grigsby, was awarded the rank at the ceremonies. Doyle Grady, the troop bugler, won the

first class rank, and George Chapman earned the second class award. Merit badges were presented Doyle Grady and Don Grigsby. Winners of a civic service award were Norman Gant, Rex Jones, Don Grigsby and Everett Hill.

James P. Potts received recognition as a 25 year veteran scoutmaster and a personal letter of congratulation from the chief scout executive in New York. Potts was also recognized in Lubbock at the annual council meeting for his long record of service to scouting.

The scouts staged an open house after refreshments were served to parents and visitors. The meeting was planned by troop officers which include: Jackie Henry, senior patrol leader; Jimmy Collins, scribe; Doyle Grady, bugler; George Chapman, Roger Poage, Bill Walker, and Glad Norman, patrol leaders; and J. V. Harkins, quartermaster.

WORK ON SEWER SYSTEM

PETERSBURG—The work on the installation of the sewer system is progressing mightily nice, and E. E. Lanier, contractor of Haskell, Texas states that with favorable weather he hopes to have the job all wrapped up in about four more weeks.

A penny saved is a friend indeed. —Brown-Holmes Co.

Sand Hill Club Election Held

Sand Hill club met October 17 in the club room. This was a call meeting. Officers for the coming year were elected at this time.

President, Mrs. Arlene Miller; vice-president, Mrs. T. C. Hollums; secretary-treasurer, Mrs. J. R. Turner; and council delegate, Mrs. F. H. Jackson.

Eleven members were present. Some of the members didn't know about the meeting. We are very sorry that they didn't.

Hostesses were Mrs. Roy Hollums and Mrs. Irene Miller.

Bird in hand that's a Beauty

and a Buy!

Now it can be told. This clean-lined, smart-stepping 1950 version is the most popular Buick ever built.

Ever since early in the present year, a value-wise public has been taking them away from us as fast as—or faster than—the great Buick factories could roll them out. Within recent weeks, production and sales have set an all-time record.

Count off the distinguished and time-tried features of this winner and you'll know why.

It has a Very Exclusive Motor—Buick's own high-compression Fireball—which gets its driving power from a combustion chamber found in no other car in the world.

It has the bump-smothering softness of coil springs on all four wheels and a torque-tube drive—a comfort combination that no other car provides.

It has Dynaflo Drive*—which ushered in a whole new concept of effortless travel.

It has a brilliant styling which sets it apart from every other car on the road.

And it has prices which say "buy me" to any motorist who's looking for maximum money's worth.

Isn't it sensible, while these great cars are still coming off the line, to check with your Buick dealer about getting one to call your own?

*Standard on Roadmaster, optional at extra cost on Super and Special models.

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

"Better Buy Buick"

Only Buick has Dynaflo—and with it goes:

HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.) • NEW-PATTERN STYLING, with MULTI-GUARD front-end, taper-through fenders, "double bubble" tail-lights • WIDE-ANGLE VISIBILITY, close-up road view both forward and back • TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius • EXTRA-WIDE SEATS cradled between the axles • SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube • WIDE ARRAY OF MODELS with Body by Fisher.

Poppies Found Ready Buyers Last Saturday

The American Legion and the American Legion Auxiliary members of McDermott Post No. 118, wish sincerely to thank all who had a part in the sale of poppies last Saturday. The poppies found ready buyers.

The American Legion Auxiliary memorial Poppy is made by disabled veterans of both wars. The poppies are bought by local auxiliary units. One third, or 33-1/3% of the proceeds is sent to American Legion headquarters at Austin. Out of the 33-1/3% sent in 28-1/3% will be used for rehabilitation and 5% will be used for child welfare.

Poppy making gives these disabled veterans the encouraging experience of being able to earn money again, for they are paid by the Auxiliary for each poppy they make. Much of this money is sent home by the veterans to help support their wives and children, who often have difficult times when the veterans require hospitalization and are unable to work for long periods.

The poppies are fashioned by hand, veterans working in their beds, in wheel chairs or in occupational therapy shops. Materials are provided by the Auxiliary. The flowers are made of crepe paper in replica of the little wild poppies of France and Flanders, which grew on the battlefields and cemeteries of the two world wars.

John Green, janitor at the court house, fell Friday near the Cantrell fruit store and broke his right arm in three places. Mr. Green was out of the hospital Saturday, but his arm was very painful.

Mercury Hits Low of 24 November 3

A low of 24 degrees was hit by the mercury Friday morning of last week, a reasonably hard freeze that killed green vegetation winging in on a norther.

Thermometer dropped to freezing at 9 o'clock Thursday night and the mercury did not begin to rise in the bulb again until 7 o'clock Friday morning. In the 10-hour period there was two hours when the cold registered at 24 degrees.

This week grain dealers were beginning to receive increased quantities of forage feeds dried out by the cold, and cotton ginnings daily were appreciably higher.

Reports have it that much more of the cotton was sappy and was spoiled by the cold than was expected by cotton raisers and ginners.

Chorus Fall Concert

The High School Girl's chorus will present a fall concert on November 18 at 8:00 o'clock. Featured in the concert will be Miss Ann Welborn, accompanist for the group.

Tickets may be purchased from any member of the chorus. Adults, 50c and students 25c.

Dorothy Holmes

(Continued from page one)

Farmers Union camps and this summer attended the Texas-Rocky Mountain camp for juniors where she played the piano for the general assembly of the camp. She also appeared on the National Convention programs in Denver in January.

Dorothy says she feels that her training in 4-H club work has helped her to carry on work in other organizations.

For being chosen Gold Star girl for Floyd county, Dorothy will receive a Gold Star pin from the Texas A. & M. college. Only one girl from a county can win this coveted honor each year, and "Once a Gold Star girl, always a Gold Star girl." During this National 4-H Achievement week, in the year that has the most outstanding accomplishments in the history of 4-H club work, Dorothy is one of the many young people who are to be commended for outstanding work in their clubs and their community.

Dorothy is a freshman in the Floydada High school this year. She is the daughter of Mr. and Mrs. Ed Holmes of the Sand Hill community.

Mrs. Wanda Harper Obarta had as her guests the past week her sister, Mrs. Frank Cobble of Wichita Falls and her aunt, Mrs. Bertha Jewell of Chickasha, Oklahoma. Mrs. Obarta is a night nurse at the Pitta hospital.

Flying Saucers Like Red Moons

MATADOR.—Flying saucers are back in the sky and in the news. Two Flomot couples witnessed the mysterious nocturnal objects Friday night. Mr. and Mrs. M. R. Trulock had left Flomot and were enroute home, when they saw two bright objects in the sky which resembled red moons. The objects possessed a fluorescent cast and passed and repassed each other in the southwest sky. Mr. and Mrs. Trulock live on the Turner ranch about four miles from Flomot and almost at the base of the Quitaque peaks.

They were passing the L. B. Turner home at the time they sighted the objects and called Mr. and Mrs. Turner to witness the strange sight. The Turner family were listening to the radio program "The Life of Riley" and the time was about 9:15 P. M.

The two couples watched the objects for about 20 minutes until they vanished behind a cloud which extended over the plains.

Lockney High Home - Coming

LOCKNEY.—Committees are at work this week and big plans are under way for the homecoming of Lockney High school ex-students on Friday, November 10.

Plans now include registration at the high school at 10 a. m. Friday with an ex-students association meet at 1 p. m.

A parade is scheduled for 3 p. m., containing floats from every class possible. At 4:30 a free barbecue will be served ex-students and at 8 p. m. the Longhorns will play the Paducah Dragons on the home field.

Center News

(Mrs. J. E. Green)

CENTER.—The morning is sunny with a few streaks of cloud as if there is a change of weather in store for us. The freeze last week nipped the leaves of cotton and feed and garden stuff. It won't be long now until it will be "bleak November."

Sunday was church day. Rev. and Mrs. Hodges and Jerry dined with the J. E. Greens. In the afternoon, Mrs. Hodges met with the G. A. S. and Bro. Hodges visited several homes in the community.

Jimmy Dunn has been having a round with tonsillitis and Jimmy Hartline has been shut in with a cold. Both are able to be back in school today.

Mrs. J. D. Welborn's brother, New-

ell Kelsey and son, recently moved to Plainview, spent Friday and Saturday visiting in the Welborn home.

Nolan Arney left Friday for Camp Hood where he is scheduled to re-join the armed forces.

Among callers in the Sandefur home Sunday afternoon were Rev. and Mrs. Hodges, Mrs. Noah Wright, Mrs. C. N. Batley and Mrs. J. E. Green called in the W. A. Latta home last Wednesday. Mrs. Latta is still very ill. Mr. and Mrs. D. I. Bolding and Mrs. Green were in the home Monday morning.

Mrs. J. L. Montgomery has news from Bovina that her daughter-in-law, Mrs. Floyd Montgomery, has the bumps.

W. M. U. met Monday afternoon with Mrs. R. C. Ross. There were six women present.

Remember Friday the club women meet at Harmony for achievement day. Bring a covered dish. Come to Sunday school next Sunday and B. T. U. Part of the missing window lights were in Sunday, and it made a difference. We hope the rest will be repaired by next Sunday.

Fairview News

(By Mrs. Clyde Bagwell)

FAIRVIEW, November 6 — We have had a little touch of winter since the last news was written. Sure seemed cold too after such prolonged summer weather.

'Winds Take Downs But Hornets Sting For Score 13 to 0

The Tulla Hornets scored in the second and third quarters Friday night to down the fighting Whirlwinds 13-0 and make their homecoming day complete. The night was chilly for the fans but it was good football weather.

The Winds received with Bill Carmack carrying to the 30 yd. line. Three plays failed to produce yardage; so the Winds knocked, and then held the Hornets for 2 downs. Wardie Hudson, Hornet captain and fullback sparkplug, broke loose for a 20 yard gain. After that the 'Winds held the ball the rest of the first quarter.

About halfway in the hard fought second quarter, Tulla recovered a Floydada fumble and drove to the 25 yard line. Then Boyd Williams scampered to pay dirt on a delayed play. Tulla added the extra point and led 7-0. Tulla kicked to the 'Winds who bogged down on about the Hornets 45; there Bill Carmack punted and Tulla was stopped on her own 5 as the half ended 7-0.

The 'Winds roared back after the half to push Tulla back to her 3 yard line where halfback W. T. Simmons, on the same delay play that scored before, went 97 yards. Simmons, one of the fastest boys in high school football, outran them all. The Winds fought hard, but

never could get a score. The green and white made 9 first downs to Tulla's 5.

Improvement was shown by the 'Winds, and hopes for a victory this week are high. (Beat Crosbyton)

Rotary Entertains The Football Boys

On Wednesday, November 1, the Rotary club of Floydada had the football boys, the coaches, and the managers as its guests. The guests were served a very delicious chicken dinner.

After the meal, the meeting was turned over to Mr. Graves, who was in charge of the program. He introduced Coach Watson, who told of the men that each school in the district would lose this year. Floydada will lose ten men from her team, nine of whom are on the "A" squad. After this, Coach Watson introduced all the players, told how many years of eligibility they had left, and gave their weights. He then introduced the managers and the line coach of the Floydada team.

Hollis Bond, the president gave a few words of appreciation and encouragement to the team.

FOOTBALL BOYS ENTERTAINED

The football boys were served a steak dinner at Curley's Cafe last Halloween evening. Curley and Buck Hickerson were the hosts for the evening.

The boys surely did appreciate the entertainment and take this opportunity to say "Thank You."

Senior Candidate Is Crowned Queen

Amid a setting of fowers and green and white streamers, Elayne Snodgrass was crowned queen of Floydada High school on November 4. She was escorted by Lawrence Stovall. Those in her court were Kayte Collier and Billee Newberry, escorted by Dan Hagood and Loyd Allen.

Other attending her were Loene Williams, Clara Jones, Nancy Go-lightly, Ann Welborn, Jo Day, Beverly Thomas, Ann Deakins, Tanya Redd, and Carolyn Tye. Their escorts were Dennis Wilks, Jackie Hutchinson, Conray Johnson, Dane Clark, Bert Grimes, Charles Carmack, Norman Muncy, Jerry Bob Harrison, and Don Barber. Jan Stansell and Jimmy Oden were the crown bearers. Don McGuire was master of ceremonies, Juanita Huckabee was trumpeteer, and Jenny Hennessee was the pianist.

about this Estelle? Jimmy Powell seems to think that Billee Newberry is just about the prettiest girl he ever saw. Well, why don't you ask her for a date, Jimmy?

Where was Ann Deakins Tuesday night at the carnival? Seems as though La Fann Hanna and Dane were getting along jjust fine. What about this Ann?

Peggy Parkey surely does want to go with Dale Roberts. Hint! Hint! Come on, Dale, and give her a chance. Wont you?

Wanda Reed surely was proud that she got to go with Hershel Irwin. Who wouldn't like to go with him?

Who is this fellow that works on the gym that Lee has been going with? He surely has a pretty Ford.

Seems like Kayte Collier is renewing a new flame with Dan Hagood. They surely looked cute marching down the aisle together.

Conray Johnson and Nancy Go-lightly surely did enjoy coronation practice. Maybe a new romance!

I heard Billee Newberry say that she used to get so tired of having dates, and now she never has one. What's the matter, Billee? Now I guess you know how other girls feel.

I wonder why Elayne didn't ask Edgar to be her escort? After all he did buy her box at the box supper.

Meri Young and Don Shurbet do get along these days. Best of luck kiddos!

Who are these boys from Springlake that Wanda Reed and Oleta Neely are going with? I don't know but they have a swell looking convertible.

Plans for FHA Week

In order to celebrate the F. H. A. week the following events will occur:

1. The F. H. A. club will attend church Sunday in one group. The church has not been selected.
2. The girls will wear blue colors to school one day.
3. They will do something special for a shut-in.
4. The group will have Thanksgiving dinner.
5. They will elect their Courtesy queen.

WE'RE GLAD

That the boys have decided not to wear their hats in the school building.

That Halloween is over.

That it won't be long until Christmas.

That the school is having more assemblies.

That the Hesperette staff is going to work harder.

News of Harmony

By Mrs. Roy Hollums

HARMONY, November 7—Mr. and Mrs. D. S. Battey had as their week-end guest, their daughter, Jean from Texas tech at Lubbock and Jack Granstruff and mother of Perryton, Texas. Mr. and Mrs. Battey attended the play, "The Skin of our Teeth," by Thornton Wilder at Texas tech last Friday night. Their daughter, Jean, had a part in the play, taking the part of Mrs. Arbustus.

David Battey, in company with Brian Collins attended the S. M. U. and Texas University football game in Austin last Saturday. They reported a wonderful game and were so excited after paying a premium price for a good seat, failed to use it.

Several families in the community report sickness in their homes, but most of them are reported as being better. Those on the sick list are Mesdames Mather Carr, Riley Holmes, Wanda Beth Scott, and

PEP RALLY

Last week's pep rally was held informally in the high school auditorium at 12:30. Several of the football players helped the leaders in most of the yells, and the rally was quite interesting.

Brother Heims' children. We wish for all a speedy recovery.

Church and Sunday school attendance was down last Sunday on account of illness. The W. S. C. S. met at the church Sunday night and finished the study on the Near East. Ten adults were present and five children.

Next Sunday is regular preaching day and Brother Heims has announced that Brother Marvin Boyd, district superintendent, will be with us and hold 3rd quarterly conference in the afternoon. There will be dinner at the church and everyone is welcome.

Mr. and Mrs. D. L. Hargis visited with Mr. and Mrs. Mather Carr and family Sunday.

Mesdames M. D. Ramsey, Mather Carr, C. B. Lyles, attended the W. S. C. S. district meeting in Lockney last Tuesday. They report an inspiring program.

The W. S. C. S. of Carrs Chapel will meet at the church this afternoon and make out the 3rd quarterly reports. It is also regular monthly meeting.

Eighteen members of the Harmony Home Demonstration club

were entertained at Pleasant Valley home of Mrs. Alvin Wilson. They report a nice time.

Mr. and Mrs. Roy Hollums and family and Eugene Parr visited the family, near Lamesa, last Sunday. Several families in the community are driving new cars. Among them are the Roy Hales, Roy Hollums and the C. A. Williams.

LOCAL JAYCEE MEMBERS HEAR JR. C OF C LEADER

Mr. and Mrs. W. E. Garrison entertained the dinner dance in Lubbock the state president, Bill Mack Dyer, and for the national president of the Jaycees.

The national president, Robert W. Kimler of Marshalltown, Iowa, spoke on "Americanism." The dinner was given in the Hilton hotel and was sponsored by the Lubbock and the Levelland Junior Chamber of Commerce.

The Choice of Champions - DODGE "Job-Rated" TRUCKS

49 out of 86 champion truck drivers choose Dodge!

Champion drivers know champion trucks!

The nation's state champions... with proved reputations for safety records and driving skill... competed recently in New York at the National Truck Rodeo. Given the privilege of driving any make truck, these champions selected Dodge for national competition by more than 2 to 1 over all other makes combined!

In the events in which Dodge trucks participated, 6 out of 9 national winners drove Dodge "Job-Rated" trucks.

The champions selected Dodge for these tough tests because of "its extra visibility, its great maneuverability, good braking, and ease of handling." So, take a tip from the men who know: drive a Dodge "Job-Rated" Truck!

FIRST TROPHY in the Straight Truck Class was won by Richard Wold, Glendinning Motorways, Inc., St. Paul, Wold, Minnesota State Champion, drove a Dodge GA-152 1 1/2-ton "Job-Rated" Truck.

FIRST TROPHY in the Tractor, Tandem-Axle Semi-Trailer Class was won by O. E. Chapman, Pacific Intermountain Express, Oakland, Calif. Chapman, Colorado State Champion, drove a Dodge YA-142 4-ton "Job-Rated" Truck.

SECOND TROPHY in the Tractor, Tandem-Axle Semi-Trailer Class was won by Robert Rudesill, Glendinning Motorways, Inc., St. Paul, Rudesill, Minnesota State Champion, drove a Dodge YA-142 4-ton "Job-Rated" Truck.

THIRD TROPHY in the Tractor, Tandem-Axle Semi-Trailer Class was won by Harry W. Pollock, Johnson Motor Lines, Inc., Baltimore, Pollock, the Maryland State Champion, drove a Dodge YA-142 4-ton "Job-Rated" Truck.

Floydada 'B' Loses To Ralls 'B' 13 - 6

The Ralls "B" squad won its second straight game from the Floydada "B" squad. Floydada's lone score came when Dane Clark plunged over from the 2 yard line.

The starting lineup for the "B" squad included: LE Charles Hartman; LT, Ames Johnson; LG, Gary Oden; Center, Denny Smalley; RG, Bobby Jackson; RT, Percy Parrish; RE, G. B. Capshaw. The backfield starters were: QB, Norman Muney; LH, J. V. Harkins, FB, Jimmy Derryberry; and RH, Dane Clark.

The Floydada "B" squad will play the Crowell "B" Squad at Floydada next Thursday night. Everyone is invited to attend.

WHY TEACHERS GET GRAY

"Will you please repeat the question?"
 "May we write this exam with pencil?"
 "How many questions do we have to answer?"
 "I've been to see Mr. Baker—the reason I'm late."
 "Are our test papers graded?"
 "I know what it is, but I just can't think."
 "May I go get a drink?"
 "When are these papers due?"

Candid Camera

"The Camera" presents our very charming queen of Floydada High school. She is 5 feet and 1/2 inch tall. She has medium length brown hair, and her eyes are very blue. In case you have not heard who was crowned queen, it was none other than Miss Elayne Snodgrass.

Elayne started school in Blanco and attended grade school in Floydada from the seventh grade until her graduation from Andrews Ward. She is now sweet sixteen and a smooth senior of F. H. S.

Some of the things which interest Elayne most are dancing, football, slumber parties, pretty cars (especially Mercurys) and boys. Her favorite pastime is going to exciting football games, such as the games when Floydada beats Lockney. Elayne's most interesting trip was taken last summer before school started. Elayne, Billee, and Mr. and Mrs. Snodgrass toured the states of Alabama, Mississippi, Tennessee, and Georgia.

Elayne likes to read very exciting books. The book which she likes most is "Frenchmen's Creek". It is an adventure and love story combination and is very exciting.

Elayne says that her most interesting experience was working with the stage crew last year when the one act plays were presented. Another interesting experience of hers was when the Thespians went to Amarillo last year to see "The Heiress."

Elayne's highest ambition is to see that all the seniors go on the senior trip. She plans to make this ambition come true by helping to raise a lot of money. Then all the seniors can go on the trip. Another ambition that she has is to attend Colorado University and become a successful journalist.

Elayne, these are very nice ambitions. Here's wishing you the best of luck!

TUTORIAL

FOR PROPERTY

It is wise to follow the rules made by the school. These are not hard to remember, they do benefit the students. The property is one of the most important rules. You should take care of text books. They are the property of the school and it is a privilege to use them. Taking care of them is a small acknowledgement of respect to one's state. One should keep these books covered, clean, and should not mark them. Library books belong to the school and are hard to keep in condition. Keep these books as clean as possible, and not turn them in corners. Then they will be of use to other people to use. Text books are very important in a student's school work. They should be cared for or written on. They should be the best, but they do not cost a lot if they are marked on them. If you are not all the things that should be considered. One should take care of the property of others in

Are Our Texas Highways Being Destroyed by 1% of Highway Users?

This question is presented squarely for the first time by the Texas Tax Journal in its booklet, "The Case of the One Per Centers."

Every Texan who wants good highways, adequate for 99 of every 100 users, should write for a free copy of this revealing booklet.

Approximately 99% of all Texas motor vehicles are registered for a gross weight of 20,000 pounds or less.*

All Texas taxpayers, including your Texas Railroads, have reason to be concerned about the high cost of constructing and repairing our highways and the prospect of building more costly roads made necessary by the operation of highway "box cars."

No one has any desire to bar vehicles of reasonable size from our highways, so long as each pays its fair share of construction and repair costs.

Other Texas taxpayers should not be required to shoulder the burden of a roadway system for highway "box cars", representing only 1% of highway users.

Every Texan interested in good highways without increasing the growing tax burden should fill out the coupon below and get a copy of this valuable booklet.

Whirlwinds Put Up Stout Battle Against District Leading Tulia

The Tulia hornets defeated the Floydada Whirlwinds in a district 3-A game Friday night by the score of 13-0 to remain in the running for the district championship.

The Hornets scored first in the second quarter when Vaughn, Tulia right half back, went over his own right tackle for 21 yards and the score. The second and final score came in the third quarter when the Hornets, apparently in a hole on their own 3 broke Simmons free over right tackle, and he covered 97 yards in the longest play of the game to score.

Pretty Well an Even Terms

The Whirlwinds, working from the double wing and the "T" played on about equal terms with the Hornets all through the game, but were never able to break anyone into the clear for a score.

Early in the game the Winds seemed about equal with the Hornets in their ground game, and pass completions were giving them the advantage in the statistics and the appearance was that the Winds were the stronger of the two teams.

The first quarter was more a defensive duel, the "Winds in Tulia territory most of the time due to a quick kick and pass completions

Carmack to Ring and Bearden to Ring. In this quarter both teams were forced to punt two times.

In the second quarter the game was going much the same until a 15 yard clipping penalty put the Whirlwinds deep in their own territory. Carmack punted out, the safety fumbled the punt and the Whirlwinds recovered on their own 33 yard stripe. One play gained four yards for the Winds, but on the next play a fumble gave Tulia possession of the ball on the Whirlwind 29 yard line. The Hornets drove to the 21, and Vaughn carried the remaining yardage on an off tackle play. The conversion attempt was good, and the score stood Tulia 7, Floydada 0.

On Tulia 3-Yard Stripe

Floydada kicked to Tulia following the half, a short kick that carried to the Hornets 40 and was returned to the 45. The Hornets, unable to gain, kicked to the Floydada 20. Helms returning to the 34. The Winds put together 3 first downs in a drive that carried to the Hornets 35 before the attack bogged down.

On fourth down, Carmack kicked a low bounding kick that carried to the Tulia 3 yard stripe and died.

The Hornets apparently in a hole, were unable to gain on one play, and on the second play from their own 3, left half back Simmons started around his right end, cut back over tackle and went 97 yards for the score. The conversion attempt was blocked.

Tulia kicked off, the ball carrying to the 2, the Winds returning the ball to their own 19. The Winds ran two plays that carried to the 23 where the quarter ended.

Clipping Penalty Nullifies TD

Fourth quarter opened with a Whirlwind pass that went incomplete and then they punted, the ball carrying to Tulia 45. The Hornets made 2 and then Simmons went 45 yards on a double reverse around right end to score, but a clipping penalty nullified the play. The Hornets were able to push for first downs, until resistance stiffened and they were forced to punt. The Whirlwinds from their own 19 started a drive good for 3 first downs, 32 yards of which was covered by the air route and two of the first downs, one for 20, Carmack to McGuire and one for 12, Carmack to Roberts, with enough ground game to keep the Hornets guessing. The Winds made first and ten on the Tulia 30 made 5 on the ground, were held for no gain, three one incomplete, and then Carmack hit Ring in the right flat for four yards on the fourth down attempt, that was one yard shy of the necessary yardage and the Hornets took over.

The Hornets ran the ball three times for gains of 2, 4 and 2 yards, when the game ended, the ball on the Hornets 29 yard stripe.

Other District Games

Spur defeated Abernathy 26-0, at Abernathy, and Paducah beat Ralls 26-13 in a game played at Paducah.

After this weeks play, first place in the district is still a tie between Paducah, Tulia and Spur, all three of these teams having won 4 and lost 1. Lockney idle this week holds fourth place with 4 wins and 2 defeats. Abernathy is fifth with 3 wins and 3 losses, Ralls is sixth with 2 wins and 3 losses, and Crosbyton and Floydada are in the cellar together with five defeats each.

Widow Sues Dudley Shows at Childress

MATADOR—Roxie Nichols of Childress, widow of the late R. C. Nichols, who was killed in a truck-car accident on September 17, has filed a damage suit against the D. S. Dudley shows, according to a news story in the October 23 Childress Reporter.

Nichols was killed instantly when his car smashed into the left tractor wheel of the semi-trailer owned by the D. S. Dudley shows. The accident occurred near the west Motley county line on U. S. Highway 70, about 12 miles west of Matador.

Amount sought in the suit and the allegations in the petitions filed by Mrs. Nichols were not disclosed in the news article.

Mrs. T. B. Wellmaker and her in-law, Frank Sumner, maker husband, Mr. Wellmaker has been in the Veterans hospital for the past two weeks undergoing surgery there. Mr. Wellmaker was much improved and turned home with his wife and brother.
