Cemetery Association Meets

The officers and committees of the Friona Cemetery Association met Sunday afternoon and discussed plans for beautifying and keeping the cemetery. The group decided to get information on landscaping the cemetery, a plan presented by Mr. Goodwin for planting the new addition was accepted. The Maintenance Committee presented the problem of upkeep. The Cemetery Association plans to raise more money and finance funds last year. A record revenue was reported. There probably will be a care-taker, but some help is needed to pay him. The Planning Committee is drawing up rules and regulations for the association.

Mrs. W. W. Peeks died last Friday, May 17th, at the Deaf Smith Hospital, during an emergency operation. She had been in Sherman for the last two years to be near the staff of the Deaf Smith Hospital. Mrs. Peeks is survived by her daughter, Jacqueline; a son, John W. White, Pump $25.00 per year; and four grandchildren. The funeral was at the Independence Church, with Rev. and Mrs. Ralph McLean officiating. Mrs. Peeks is a member of the Presbyterian Church of Deaf Smith, and has been a member of the Deaf Smith Hospital Auxiliary for many years.

Mrs. Peeks was born in Kenedy County, Texas, and moved to Deaf Smith County early this year to join the staff of the Deaf Smith Hospital. She had come to Hereford from Fort Worth, where she was a nurse in a hospital for several years. She returned home last week for the summer, but returned to Hereford last Friday for a visit with her daughter. Mrs. Peeks is survived by her daughter, Jacqueline; a son, John W. White, Pump $25.00 per year; and four grandchildren.

that war. During my service overseas, in different countries I had occasion to observe as much prejudice of opinions and dis- position of the people as I have ever seen. I am aware of the fact that it will always uppermost in my mind that our battles and battles of the nation cannot be too belligerently presented and preserved.

Never did I have such pride, such pleasure as I had in the service of the plant.
